Chapter 1531: Your Face Is Worthless

Chapter 1531 Your Face Is Worthless

Lin Kai was stunned when he heard it. To be honest, in his impression, he really didn't know who this Zhao Changyun was.

It's not that kind of slightly powerful, he won't remember it.

So Lin Kai asked, "I don't remember, who are you? To be honest."

That Zhao Changyun was obviously unhappy because of Lin Kai's words. He did not expect that he could not remember a very humble boy at that time.

Zhao Changyun suddenly said coldly: "I am the chairman of Huayue Group. You should always know, right?"

Lin Kai was even more stunned. He naturally knew that Huayue Group was one of the top large groups in the province. Before Leiyuan Group was listed, it was still inferior to Huayue Group.

Even Huayue Group is a real giant crocodile that can be ranked in places like Beijing.

Of course, if Leiyuan Group continues to develop so brutally, it will soon surpass Huayue Group.

This is why Lin Kai is anxious to stop Leiyuan Group.

Once developed into a powerful force like Huayue Group, it will be difficult to destroy.

Fortunately, Lin Kai had used his primordial spirit to get out of his body and robbed a high-level member of the Leiyuan Group.

Thinking of this, Lin Kai suddenly remembered. Not long ago, from the perspective of Wei Shifeng, he knew that Huayue Group and Leiyuan Group also cooperated.

The shares of a company under Huayue Group will be transferred to Leiyuan Group.

This matter is also Zhao Changyun, who will handle it personally.

"It's a coincidence."

Lin Kai muttered to himself, thinking about this, he communicated with Wei Shifeng, his soul.

Within a single thought, Lin Kai was able to communicate with Wei Shifeng. Wei Shifeng is currently healing in the hospital, but it was Zhao Changyun who learned.

Lin Kai thought about it for a moment, and then to Zhao Changyun, he said, "It turns out that it's Mr. Zhao, what can you do?"

Lin Kai really didn't know what happened to Zhao Changyun asking him, could it be related to Leiyuan Group?

Just listen to Zhao Changyun speaking coldly: “Do you really don’t know or fake? The movie you invested in, the male number one is the Lu Qingfeng, right? I have a little friendship with the company behind Lu Qingfeng. What do you say, so A character, there is no need to target Lu Qingfeng and let him continue to be the male number one.”

Zhao Changyun commanded Lin Kai with an indisputable tone.

Lin Kai heard the words and responded calmly: “Mr. Zhao, first, this is an investment movie, not a movie you invested in. You are not qualified to order me. Second, this is Lu Qingfeng’s own bet and lose, no one can blame, lose It seems like you have lost.”

Zhao Changyun suddenly became even more unhappy, and his tone was very bad: “Lin Kai, what is your tone? Do you dare to give me face? Although you are in the East China Sea, you also belong to the province. No one in this province dares not give me. Face. So you still insist on not giving me face?”

Lin Kai continued to speak calmly: “Mr. Zhao, sorry, in my opinion, your face is worthless.”

Zhao Changyun was furious in an instant: “Yes! Lin Kai, right? I remember you, what a tragic price you are waiting to pay for your words!”

“I am waiting.”

Lin Kai didn’t care, when he heard Zhao Changyun hung up his phone angrily, he took off the Bluetooth headset.

Then he contacted Wei Shifeng again. Wei Shifeng was occupied by his soul and could be contacted at any time.

Lin Kai let his soul prevent the cooperation between Huayue Group and Leiyuan Group, and even sold the Huayue Group back, causing conflicts between the two groups.

After Lin Kai finished this, he smiled slightly, his car had already reached the mountain range.

at the same time.

In a luxurious office, Zhao Changyun heavily smashed a mobile phone worth tens of thousands of dollars to the ground without feeling distressed at all.

“Okay! Very good! Isn’t Lin Kai? Don’t think that Lin Yuan of Leiyuan Group will fear you a bit, but I will not fear you!”

Zhao Changyun said fiercely that his group has cooperated with Leiyuan Group, so he naturally knows who Lin Kai is.

In his eyes, Lin Kai only had a bit of strength, and he thought it was very simple to deal with Lin Kai.

The company that has friendship with Lu Qingfeng asked him to talk about it.

Zhao Changyun got help from that company in his early years, so he put down his attitude and went to talk to Lin Kai.

Unexpectedly, that Lin Kai was so disrespectful, even saying that his face was worthless!

Really unbearable!

What an identity he is, he was actually a little kid, so to speak!

Thinking of this, Zhao Changyun must teach Lin Kai a lesson.

It's just that his power is on the provincial capital, and the East China Sea is still a certain distance away from the provincial capital.

Zhao Changyun wanted to teach Lin Kai as soon as possible, but he still had to let the forces on the East Sea side help him.

Donghai also has some cooperation with Leiyuan Group. He is considering whether to call the people from Leiyuan Group.

After all, as Huayue Group, he is stronger than Leiyuan Group. Now calling someone for help is still a bit wrong.

Unexpectedly, at this time, someone from Leiyuan Group called him.

As the chairman of a top-tier group, Zhao Changyun naturally has many mobile phones. The one I dropped just now is just the most common one among the many mobile phones.

The cell phone that rang was more than 100,000.

It seemed to him that the phone showed the incoming call, which was from Wei Shifeng, a senior leader of Leiyuan Group.

So, Zhao Changyun answered the phone and said, "Wei Shifeng, what's the matter?"

"Mr. Zhao, I have already drafted the shares here, and I'm waiting for you to send someone to fix it. In this way, we can establish a formal cooperation between us."

Hearing the words of Wei Shifeng on the opposite side, Zhao Changyun nodded and said, "Okay, now that it has been drawn up, I will send someone over as soon as possible."

Zhao Changyun thought for a while and then quickly continued: "By the way, don't you Leiyuan Group have a number one enemy, that is Lin Kai. If you send someone to teach Lin Kai, our future cooperation will be even better. frequently."

Wei Shifeng hesitated a little, and said, "Mr. Zhao, you also know that our Leiyuan Group is in a special period now, and there is no way to send a master to teach Lin Kai, so..."

Before Wei Shifeng could finish speaking, Zhao Changyun gritted his teeth and said: "Then I will add another company, give you Leiyuan Group, shares or something, let you decide. In short, before tonight, I want to see Lin Kai that The boy is injured!"

Wei Shifeng smiled and said, "Since Mr. Zhao is so sincere, and he is only teaching Lin Kai, this is a trivial matter, and I promise to satisfy Mr. Zhao. However, Mr. Zhao, you should first transfer the shares of that company to me. Dont get too busy when you get so forget about it."

Zhao Changyun frowned at once, but didn't say much. It was nothing to teach Lin Kai.

Ever since, Zhao Changyun then transferred that share to Wei Shifeng.

Chapter 1532: Play Stupid

Chapter 1532: Pretending To Be Stupid

After Zhao Changyun, he transferred all the shares of that company to Wei Shifeng.

Of course, Wei Shifeng directly transferred this share to Lin Kai.

Naturally, Lin Kai would not really give the shares of this company to Leiyuan Group. Wouldn't it mean that it would strengthen Leiyuan Group.

After doing this, under Lin Kai's control, Wei Shifeng took the initiative to call Zhao Changyun.

Before Wei Shifeng could say anything, Zhao Changyun opened his mouth and said: "Wei Shifeng, all the shares in another company have been transferred to you. You should fulfill your promise. Hurry up and send someone to teach Lin Kai!"

Wei Shifeng immediately responded with a smile: "Mr. Zhao, thank you for the two company shares you gave. As for me to teach Lin Kai? You think too much. Even my boss, Lin Yuan, dare not say anything to teach Lin Kai, you What qualifications do you have? Let me tell you again. If you dare to offend Lin Kai, you will end up badly."

"In addition, you are going to the East China Sea now and apologize to Lin Kai. Otherwise, I will expose the problematic companies under yours. You can figure it out."

After speaking, Wei Shifeng hung up the phone.

Wei Shifeng naturally, according to what Lin Kai said, said everything.

Lin Kai was not afraid, what did Lin Yuan do to Wei Shifeng.

Because of Lin Yuan's temperament, he was not afraid of Zhao Changyun, not to mention that the two sides did not start formal cooperation.

The most important thing is that Wei Shifeng asked for two companies and handed one company to Leiyuan Group. There is no big problem.

The empty glove White Wolf gets the ownership of shares in a company.

Lin Yuan would not blame Wei Shifeng for anything. Although he offended Zhao Changyun, he made up for it, and Wei Shifeng continued to hide in the Leiyuan Group.

How could Lin Kai not know Lin Yuan's character, so familiar.

Lin Yuan had counted a thousand fortunes, but he could not count that Lin Jianchao had gone out of his body, and then robbed a senior leader of the Leiyuan Group.

As for Zhao Changyun, he didn't respond, he heard a beeping hung-up sound from the phone.

Zhao Changyun suddenly became bizarrely angry, and his whole person was about to explode. He once again smashed the phone in his hand fiercely, and shouted angrily: "What a Leiyuan Group!"

Zhao Changyun's eyes were flushed with anger, like a furious lion.

He gave the two companies of Leiyuan Group, which were originally cooperative, but the people of Leiyuan Group let the pigeons go and gave it to Leiyuan Group for nothing!

This caused Zhao Changyun's hatred to be directly transferred to Leiyuan Group.

In fact, this is what Lin Kai aims at.

As for Lin Kai and Zhao Changyun, apologizing in the past was profound.

The Leiyuan Group knows that Huayue Group has several companies, which is very problematic.

If it is really exposed, Huayue Group will be finished.

It was mainly because Lin Yuan realized that Lin Yuan's own Lei Yuan Group had various problems, so how could it not be able to tell.

However, Lin Yuan's cover-up is really good, Huayue Group can't see Leiyuan Group.

Originally, Lin Yuan planned to threaten it if Huayue Group did not cooperate.

But Wei Shifeng said it in advance and forced Zhao Changyun to apologize to Lin Kai.

At this moment, Zhao Changyun's expression was ugly. He never expected that Wei Shifeng would threaten him and let him go and apologize to Lin Kai.

But he had to go, and could only use his private plane immediately to rush to the East China Sea.

...

The western suburbs of Donghai City, behind the mountains.

Lin Kai had already arrived here, and saw all kinds of ancient buildings stand on this mountain, and his eyes were satisfied.

I have to say that with these ancient buildings, behind this mountain range, the embellishment is even more beautiful, like a real fairyland on earth.

And it can be seen that the appearance of these ancient buildings is completely based on the drawings he drew, without any changes.

Lin Kai parked the car in a temporary parking lot.

Below the mountains, there are many temporary construction sites, which will be dismantled when the crew finishes filming, which will not affect the overall environment of the mountains afterwards.

After Lin got out of the car, he walked directly to the dressing room.

Yin Suyan told him where the dressing room was, and now he walked straight over.

After a while, Lin Kai entered the dressing room.

Yin Suyan was the first to see Lin Kai come in and said with a smile: "You are here."

Lin Kai couldn't help but smiled, "It's fine if you don't come late."

During the conversation between the two, the others in the dressing room also looked at Lin Kai.

Pan Liguó, Wu Feifan, Yan Xin, Lu Qingfeng and others.

Especially Lu Qingfeng, he is now at the dressing table, playing the role of a male one.

When he saw Lin Kai coming in, his mood instantly became anxious. After all, he didn't know whether that big man was reliable.

It's just that I heard from Sister Fei that the big man is not even afraid of Leiyuan Group.

Lu Qingfeng didn't know the Leiyuan Group before, but after coming to the East China Sea, he knew the power of the Leiyuan Group, which can be regarded as a force in the capital.

It must be enough to deal with a Lin Kai.

What's more, it is a big man who can make Leiyuan Group not afraid.

As a result, Lu Qingfeng had said so arrogantly to Pan Liguó and others earlier.

But now, seeing Lin Kai's calm look, the big man seemed to have not contacted Lin Kai, so he was uneasy.

In addition to him, there is another person who is very nervous, and that is Wu Feifan.

It's not Wu Feifan, he must get the role of this male one.

It's that I have been studying the lines of the male one these days, day and night.

In addition, it was Lu Qingfeng who lost the bet, and he had agreed to give him the male one, and he worked so hard.

Seeing the male one who got it, Wu Feifan was really unwilling to not act.

Wu Feifan didn't know whether Lin Kai was scared by the big man Lu Qingfeng said.

At this time, Lin Kai and Pan Liguó and the others, after greeted him, walked to Lu Qingfeng, and said lightly: "Lu Qingfeng, what do you mean, are you betting against me?"

Hearing this sentence, Wu Feifan was the first to breathe a sigh of relief. It sounded like he was not going to let Lu Qingfeng act as the male one.

Lu Qingfeng glanced at Lin Kai and remained silent, without saying much.

He was based on what Sister Fei said. If Lin Kai asked him, it would indicate that the big man hadn't communicated with Lin Kai, so he could be silent until he waited for the big man to communicate with Lin Kai.

Lin Kai saw this scene and narrowed his eyes. How could he not know what Lu Qingfeng thought, and even pretended to be stupid with him.

It's a pity that Lu Qingfeng's life-saving straw is nothing to him.

So he continued to speak coldly: "Speak."

Although the tone was calm, it fell beside Lu Qingfeng's ears, making Lu Qingfeng's whole body tremble like a thunder in nine days.

The makeup artist who was close to him was also affected. As a result, a long black mark appeared on Lu Qingfeng's face when he slanted down the original pen for thrush.

Chapter 1533: Transfer Hatred

Chapter 1533

Lu Qingfeng hurriedly wiped it, wiping more and more black marks on his face, which made him have to say to Lin Kai: "Lin Kai, what do you mean? As an investor, how can you stop the male number one from putting on makeup! I'll wait. Lets take a test shot of the male one character! Look at what my face looks like! Delaying the test shot is also your loss!"

When Lin Kai heard Lu Qingfeng's words, there was a playful smile on the corners of his mouth, and continued to pretend to be silly, not answering his words directly.

He took the thrush pen directly from the makeup artist, and quickly applied it on Lu Qingfeng's face before Lu Qingfeng had any reaction.

Lu Qingfeng's face instantly became extremely dark.

After Lin Kai finished applying the thrush, he returned the thrush to the makeup artist, and then said, "Lu Qingfeng, your makeup is finished, so there is nothing to delay."

"Lin Kai! You! You..." Lu Qingfeng was furious immediately, and wanted to rush up to give Lin Kai a few laps, but when he thought that Lin Kai was good at fighting, he was all of a sudden.

Lin Kai said lightly: "What's wrong with me? Is it possible that you still want to hit me?"

Hearing Lin Kai's words, Lu Qingfeng persuaded again. He wanted to fight, but he couldn't fight at all. He didn't know what to do.

At this moment, Lu Qingfeng's agent, the fat sister, came to this dressing room.

As soon as Fei Sister used that, she shouted in a voice that was rougher than that of a man: "Xiaofengfeng! Xiaofengfeng! Good news came from the company. That big man, who has already agreed, will contact Lin Kai immediately! We just wait for better news!"

Fat sister ignored other people's reactions, and ran to Lu Qingfeng panting. When she saw that Lu Qingfeng's face was dark, she was instantly angry: "Which makeup artist did it! This is makeup. It's clearly to ruin my Xiaofengfeng." What a shame! It's really unreasonable! Director Pan, don't you hurry up and take care of the makeup artist you invited, what are they? Just quit!"

Pan Liguo just glanced at Sister Fat with disdain, he didn't say anything, Lin Kai was here anyway.

What's more, the makeup artist he hired was naturally in the country and was also among the top ones. Wouldn't it be because of this fat sister's words that he quit.

When Lu Qingfeng heard the words, he stood up excitedly, and asked Sister Fatty quickly: “Sister Fatty, what are you talking about? Besides, who is that big man? It happened that Lin Kai was here to let him listen carefully. , How powerful is that big man!”

Sister Fei just noticed that Lin Kai next to Lu Qingfeng, after showing a trace of disdain, said with great pride: “Our company, as one of the major domestic entertainment companies, naturally has a wide network of contacts, even if it is in the East China Sea. There are also contacts. Our company contacted Zhao Changyun, the chairman of the provincial capital Huayue Group, and Mr. Zhao!

Mr. Zhao has been among the top 50 in the domestic rich list, and the group has always been in the top 50 in China. It is much stronger than the local power Leiyuan Group in the East China Sea! All forces in the East China Sea are afraid of Leiyuan Group, let alone Mr. Zhao! “

When Lu Qingfeng heard this, he was relieved immediately, and then laughed loudly: “It turned out to be President Zhao of Huayue Group! He is indeed a big man! Lin Kai, have you heard? Wait for President Zhao of Huayue Group I will contact you and ask you to continue to act as the male one! So, dare you not let me play the male one? Otherwise, you will offend the Huayue Group!”

Lin Kai’s face was extremely calm, let alone Mr. Zhao of Huayue Group, even if it was the boss of the entertainment company behind Lu Qingfeng who came in person, he ignored it.

Seeing Lu Qingfeng’s still arrogant appearance, Lin Kai couldn’t help but slap Lu Qingfeng a few times.

However, Lin Kai didn’t use much effort, just to make Lu Qingfeng sober.

Then he retracted his hand and looked at Lu Qingfeng faintly, the black and red face that had been beaten, and said, “Mr. Zhao of Huayue Group? What kind of thing is he, you think he can support you, you think you can Continue to be the male number one? Sorry, you think too much. This is a movie I invested in. This mountain range is also invested by a company in which I own shares. Either way, he will not be able to tell.”

Lu Qingfeng was originally slapped by Lin Kai, but now he heard Lin Kai’s words again, he was confused again. Is Lin Kai really not afraid of Huayue Group?

Lu Qingfeng already knew that Lin Kai had something to do with the Li family in the East Sea, and Lin Kai and Li Shengxian of the Li family had gone very close.

I also understand that the development of this mountain range was also invested by Li Shengxian.

It was Li Shengxian’s company that Lin Kai asked people to invest in movies with.

The Li family seems to be the overlord of the East China Sea, but the Leiyuan Group has risen in a short time, which is more powerful than the Li family. It will be a matter of time before the Li family is destroyed.

Lu Qingfeng couldn’t understand that the Leiyuan Group was better than the Li Family, and the Huayue Group was better than the Leiyuan Group.

Lin Kai is relying on the Li family, and now he is not afraid of the Huayue Group, which is even more powerful than Leiyuan Group. Where is his confidence and courage?

Sister Fat didn't even think about it, but she didn't expect Lin Kai to be so tough.

Seeing Lin Kai hit Lu Qingfeng, Sister Fat shouted: "Lin Kai! If you dare to hit Xiaofeng again, the consequences will be very serious!"

Lu Qingfeng also furiously said to Lin: "Huh! Ignorance! After the President Zhao of Huayue Group contacts you, you will know the power of President Zhao! Then, don't kneel and beg me! Besides, don't Slap me in the face! If you dare to touch me, I will let Mr. Zhao look good!"

A playful smile appeared on Lin Kai's face again. He looked at Lu Qingfeng indifferently and said: "Oh? Really? Kneeling and beg you? How do I feel that you would kneel and beg me, even while begging I yelled for me to hit you."

Lu Qingfeng seemed to have heard something, like a big joke: "Haha, it's so funny! Let me beg you on my knees! It's impossible!"

Just as Lu Qingfeng's words fell, the outer door suddenly heard the sound of a propeller, like the sound of a helicopter.

Before everyone could react, soon a man in a suit in his fifties walked into the dressing room.

The man in this suit is the chairman of Huayue Group, Zhao Changyun.

Zhao Changyun's face was still embarrassed, he didn't want to come, but Wei Shifeng threatened him.

After seeing Lin Kai, he walked to the side of Lin Kai rather unwillingly, and said, "Lin Kai."

Lin Kai was not surprised by the arrival of Zhao Changyun, it was he who told Wei Shifeng to let Zhao Changyun come.

Not only did Zhao Changyun come over to apologize, but also to let Zhao Changyun deepen his conflict with Leiyuan Group.

He completely transferred his hatred to Leiyuan Group.

Let Huayue Group and Leiyuan Group fight.

Lin Kai glanced at Zhao Changyun and said, "You are the chairman of Huayue Group, Zhao Changyun?"

Chapter 1534: Apologize To Lin Kai

Chapter 1534: Apologize To Lin Kai

Haven't waited for Zhao Changyun to say anything.

Lu Qingfeng and his agent, Fat Sister, instantly lit up.

Especially Lu Qingfeng, like seeing a savior, quickly and respectfully said to Zhao Changyun: "Hello, Mr. Zhao, I am Lu Qingfeng, you can call me Xiaolu."

After that, he quickly pointed to Lin Kai and said cruelly: "Mr. Zhao, he is Lin Kai! You have been preventing me from acting in this movie. I have long heard about the strength of your Huayue Group! Quickly teach this. Lin Kai!"

Sister Fei also quickly said: “Yes, you are a friend of our boss, and this Lin Kai is almost defiant. It is enough to look down on our boss, and that your Huayue Group is not afraid at all. He is also completely complete. , Don’t put you in the eyes!”

Sister Fei naturally added fuel and jealousy several times, and she was anxious to let Zhao Changyun teach Lin Kai severely.

Zhao Changyun looked at these two people coldly. Although he hated Lin Kai in his heart, he hated Leiyuan Group more than what Leiyuan Group did.

Of course, he still didn’t dare to show his hatred for Lin Kai, after all, Wei Shifeng threatened him and asked him to apologize to Lin Kai.

Without an apology, Wei Shifeng would expose the problems of several of his companies.

The reason why Huayue Group has been so stable is that it relies on those companies that hide the gray industrial chain and then operate.

Once exposed, it will be a disaster.

He did not expect that Leiyuan Group would know that his companies had problems, so he had to compromise with Wei Shifeng first.

Therefore, Zhao Changyun naturally ignored Lu Qingfeng and Fei Sister’s words at this time, but quickly walked to Lin Kai.

As for Lu Qingfeng, seeing Zhao Changyun’s look very weird, he smiled and said, “Mr. Zhao is angry! Haha, that kid Lin Kai feels better!”

Sister Fat also smiled: “Yes, after all, Mr. Zhao has a good relationship with our boss. This time our boss has been talking for a long time before Mr. Zhao agreed.”

Except for Yin Suyan, Pan Ligu, Wu Feifan and others couldn’t help but worry about Lin Kai.

Yin Suyan knew Lin Kai’s details. Others only knew that Lin Kai had a good relationship with the Li family in Donghai.

Pan Ligu and others also knew that the Huayue Group was powerful and the dominant force in this province.

Pan Ligu coughed and wanted to help Lin Kai speak. He was a well-known director in China at any rate, and he still had a bit of face.

When he was about to speak, he didn’t know that Zhao Changyun suddenly bent down and apologized to Lin Kai: “Lin Kai, I said something wrong not long ago. I shouldn’t offend you. I take back what I said before. Please forgive me.”

As soon as this sentence came out, everyone was stunned.

Why did Zhao Changyun suddenly apologize to Lin Kai?

what’s the situation?

The chairman of a large group in the top 50 in China would bow to Lin Kai and apologize.

Although Yin Suyan knew that Lin was okay at the meeting, let alone other, it was not easy to deal with Zhao Changyun with Lin Kai's skill.

Unexpectedly, Zhao Changyun apologized to Lin Kai.

Lin Kai spoke with a calm expression: "Mr. Zhao, since you apologized, I will not pursue your previous one."

He paused, pointed to Lu Qingfeng, and said, "There is one more point. I need your help from Mr. Zhao. Doesn't Lu Qingfeng want to stay with me in the filming? Okay, then I will let him act as an eunuch, which happens to be in the script. There are some scenes of eunuchs. Director Pan, right?"

When everyone heard Lin Kai's words, they were shocked again.

It seems that Zhao Changyun really apologized to Lin Kai, and Lin Kai ordered Zhao Changyun to show that Zhao Changyun seemed very afraid of Lin Kai's appearance.

Zhao Changyun was also stunned for a moment. He didn't dare not save Lin Kai's face. Although he apologized, Wei Shifeng wouldn't tell if Lin Kai was upset by any chance.

So that he immediately responded: "How can I help?"

"It's very simple. I am worried about the company behind Lu Qingfeng and I disagree."

Hearing Lin Kai's words, Zhao Changyun patted his chest and said: "Don't worry, the boss of Lu Qingfeng and I are actually good brothers. He owed me a great favor. This time, I let this favor back. , Is to let Lu Qingfeng play the eunuch, rest assured, leave it to me."

Lin Kai nodded: "That's good, call now and tell him to let his Lu Qingfeng play an **** with only a few lines."

Zhao Changyun had thought, to deal with Lin Kai first, and then just behave.

I don't know, Lin Kai will let him call now.

In desperation, Zhao Changyun had to pick up his mobile phone and go to make a call.

When Lu Qingfeng saw this scene, from the shock at the beginning to the extremely pale expression now, he kept begging Zhao Changyun for mercy: "Mr. Zhao! Mr. Zhao! I beg you! Don't call my boss!"

Lu Qingfeng doesn't matter anymore, he won't be acting in this movie, but acting as a **** would be a shame.

He himself was ridiculed by netizens, just like a female gun.

However, to play a eunuch, doesn't this make netizens laugh at him even more?

At the thought of this, Lu Qingfeng was very sad and indignant, and at the same time very regretful why he had to play the male first. If the bet is lost, it is also a good choice to play the second man.

The intestines that Lu Qingfeng regretted at this time were all blue.

How could Zhao Changyun take care of Lu Qingfeng and stare at Lu Qingfeng coldly. Isn't this pure heart disturbing him? He said coldly: "Lin Kai asks you to act as an eunuch, you just act!"

He won't offend Lin Kai again now, Lu Qingfeng is nothing in his eyes.

At this moment, Lu Qingfeng couldn't care much, he looked at Lin Kai and begged for mercy: "Lin Kai! Lin Kai! Stop Mr. Zhao, I can play anything, just don't play the eunuch! You can even let me not play! As for the male one! , I'm not acting anymore, can't it?"

Lin Kai glanced at Lu Qingfeng and said lightly: "Kneel down and beg me."

Although Lu Qingfeng hated Lin Kai extremely in his heart, he had to kneel down and beg Lin Kai for mercy.

Lin Kai continued: "Do you remember what I said before?"

Lu Qingfeng hadn't figured it out at first, and then immediately thought of it, unable to say: "I knelt down to beg for mercy, and then begged you to beat me. Lin Kai, I beg you, beat me, I was wrong!"

Lin Kai heard this, but did not go to beat Lu Qingfeng.

This Lu Qingfeng is nothing more than playing big cards. Who else is he looking for to provoke him, he really has no temper?

This time, give Lu Qingfeng a lesson and let him remember that the world does not revolve around him.

Lu Qingfeng really regretted it now, the hatred in his heart turned into fear, and he would not dare to offend Lin Kai in the future! He found that every time he offended Lin Kai, he would not end well!

Now the end is even more miserable, and next time I give him a hundred courage, he will not dare to go against Lin Kai!

At this time, Lin Kai said calmly: "I'll give you one last chance. Naturally, you are not going to play the male one. Wu Feifan plays the male one. You play the male two. Do you have any objections?"

Chapter 1535: Shanty Town

Chapter 1535 Shanty Town

"No objection! Absolutely no objection!"

Lu Qingfeng kept shook his head, and vowed more secretly in his heart that he would never dare to target Lin Kai again.

After all, every time he was targeted, he had no good end, and he had already felt fear for Lin Kai.

At this moment, Zhao Changyun couldn't help but stunned. When he was about to make a call, he didn't expect this kind of reversal. He immediately asked Xiang Lin Kai, "Then I still call?"

Lin Kai waved his hand: "No need, you can go back."

He was nothing more than giving Lu Qingfeng a profound lesson. Now it seems that Lu Qingfeng is much more honest.

The most important thing for Lin Kai is to give Pan Ligu a face. After all, Lu Qingfeng was invited by Pan Ligu. If he were to act as an eunuch, he would really not have a good reputation for Pan Ligu.

At this time, Zhao Changyun hesitated for a while, and asked again: "Um, I apologized, just let me go?"

The others at the scene were very surprised by Zhao Changyun's words.

Only when Lin smiled happily, Zhao Changyun was still so afraid of Wei Shifeng's threat that he was so careful.

Lin Kai said, "After that, you can go back. Is it possible that you stay here for dinner?"

After Zhao Changyun listened, he was completely relieved and left here quickly.

Before long, the sound of the propeller sounded, and it soon drifted away.

After about half an hour, several leading actors have put on their makeup.

Lin Kai came over and agreed to Yin Suyan yesterday, and came to see the test shot today.

After watching some test shots, he felt that there was no problem, so he left.

On the way back, he first fetched some cash and then made a phone call.

Lin Kai was calling Chen Zhiyuan. His business was over. Now he is going to Chen Zhiyuan to treat his injuries.

Chen Zhiyuan only came to Donghai in the last one or two months, but he has been on the edge of Donghai city. To be precise, it is in the newly developed suburbs. The houses are still under construction and have not yet been demolished.

Chen Zhiyuan came to the East China Sea because there is a hospital in the East China Sea that was treating his daughter's disease, and there was a high probability that he would be cured.

Lin Kai didn't expect Chen Zhiyuan to come to the East China Sea, so he ignored this and didn't notice.

Fortunately, a few days ago, when he was passing by, he saw Chen Zhiyuan, otherwise he had to miss it again.

Just as Lin Kai thought about it, the phone went through.

"Hello, you are?"

On the other end of the phone, there was a hoarse and tired voice.

Lin Kai responded with a smile: "Zhanhu, it's me. I am free now, so I happen to go to your house to have a look. Are you at home?"

"War...War Dragon?"

Chen Zhiyuan suddenly became energetic. He originally thought that Lin Kai would never contact him again. After all, Lin Kai has gone to Jiulong Mountain now, and he, can be said to be a waste.

Lin Kai said, "How come I am so surprised? Are you at home or working outside?"

After Chen Zhiyuan got over, he quickly said happily: "I didn't live today, but I was at home."

"Okay, I will pass now."

As Lin Kai spoke, he called and hung up, then drove to the address that Chen Zhiyuan told him last time. at the same time.

In the newly developed suburb of Donghai, there are a bunch of houses in old shanty towns that are at least thirty years old.

It can be said that it belongs to the level of a dangerous house, but it has not been demolished here.

However, it is coming soon.

One of them is located on the edge.

Chen Zhiyuan lives here, and he is full of excitement at this time, and he keeps muttering to himself: "Unexpectedly, Zhanlong will really come to see me! Zhanlong is now in an extraordinary position, and he can still see me.

"It makes you happy."

In the room, a young woman in her twenties who looked like old clothes.

Although the young woman wore a simple dress and did not put on any makeup, her temperament was still very good. She is Chen Zhiyuan's wife, Yang Yuxin. She looked at Chen Zhiyuan's excitement, and smiled: "Since there are guests coming, it's almost evening, so it's not a good treat. But the money for my daughter's daily medicine is very expensive. You said, can you buy big fish and meat? Come to entertain?"

Chen Zhiyuan suddenly realized this serious problem. His daughter's illness caused him not only to ruin his family, but also to owe a lot of foreign debts.

Of course, even so, Chen Zhiyuan and his wife Yang Yuxin did not give up treating their daughter.

Now it has not been cured and can only be maintained by daily medicine.

Even so, the daily cost of medicine is more than 100, which far exceeds the burden for Chen Zhiyuan's current situation.

Had it not been for Chen Zhiyuan who had sold the house, he would have long been unable to hold on.

At this time, Chen Zhiyuan didn't hesitate, and he said, "Buy! Zhanlong gave me a few hundred a few days ago, and those few hundred did not cost me. You can buy some big fish and meat, and then buy some fresh fruits and vegetables. Entertain my comrades! If you buy fish, buy that kind of boneless fish."

When Yang Yuxin heard the words, she didn't say much. It was rare to see Chen Zhiyuan so happy. She couldn't be bothered, so she took the money and went out to buy.

Seeing Yang Yuxin leaving the house without saying a word, Chen Zhiyuan sighed heavily. His wife has never abandoned him, which made him very moved. Just like myself, plus my daughter...

Chen Zhiyuan thought of this, and looked at the bed. There was a little girl about three years old lying there with a pale expression on her small face, showing pain from time to time.

Chen Zhiyuan looked anxious.

But the little girl seemed to sense her father's gaze, opened her eyes and said weakly, "Dad, where did mom go?"

Although Chen Zhiyuan's heart was very painful, he pretended to smile and said: "Mom will buy you delicious food, and you can eat the boneless fish you like at night."

...

After a little over an hour, Lin Kai finally came to Chen Zhiyuan's door.

He glanced at the room, it looked very small, but there were also two rooms, the kitchen first, and the other one.

Lin Kai saw a young woman who was cooking there.

Lin Kai couldn't help asking, "Excuse me, is this Chen Zhiyuan's home?"

The young woman was naturally Yang Yuxin. After she heard it, she responded, "Yes, I am his wife Yang Yuxin."

"It turned out to be sister-in-law, sister-in-law. I am Chen Zhiyuan's comrade-in-arms, Lin Kai." Lin Kai smiled.

Yang Yuxin also said hello politely, then said to the room, "Zhiyuan, your comrade-in-arms is here."

After a while, Chen Zhiyuan came out with his daughter in his arms. When he saw Lin Kai at the door, he immediately said, "Zhanlong, what are you still doing at the door, come in and sit. This is my daughter Chen Yan'er. Call me Uncle."

"Good uncle."

Chen Zhiyuan's daughter was rather well-behaved and immediately shouted to Lin Kai in a low voice.

When Lin Kai heard this, he walked in and smiled: "It's a good boy, uncle hugs you."

Chapter 1536: Make Trouble

Chapter 1536

Chen Zhiyuan also smiled when he heard Lin Kai's words.

But when he saw Lin Kai holding something in his hand, he couldn't help asking, "What is this?"

Lin chuckled and said casually: "The inside is a gift for my niece."

In fact, there are tens of thousands of dollars in the gift bag in his hand.

The reason for not giving more is because Chen Zhiyuan will definitely not accept it.

With tens of thousands of dollars, let Chen Zhiyuan solve his urgent needs.

In addition to tens of thousands of dollars, there are also medicinal materials for curing Chen Zhiyuan's daughter.

This medicinal material was specially bought by Lin Kai. He had already learned of Chen Zhiyuan's daughter's illness from Chen Zhiyuan, and he didn't need to use his own true energy to treat it. But through the combination of several Chinese herbal medicines, it can be cured.

As Lin Kai said at this time, he put the gift bag on the ground at will, making Chen Zhiyuan think that its value is very low.

Sure enough, Chen Zhiyuan didn't pay much attention to the above, and said thank you.

Then Lin Kai hugged Chen Yan'er.

Chen Zhiyuan laughed and said, "Your sister-in-law will prepare the food right away and stay here in the evening to have a good meal. It just so happens that I have a good bottle of wine that hasn't been opened for a long time, and the two of us haven't had a drink together in a long time."

Lin Kai nodded and smiled: "I'm not in a hurry to eat. I'll come over today. Apart from seeing you, I will also heal you. There is also a niece's disease that can be cured incidentally.

Chen Zhiyuan was about to say something. Suddenly, he felt that something was wrong. What did Lin Kai just say?

Cure his disease, and his daughter's disease?

Chen Zhiyuan thought he had heard it wrong, and then asked cautiously: "Zhanlong, what did you just say?"

Lin Kai smiled and said, "I mean, don't rush to eat, first treat your leg injury and your niece's illness."

Hearing this sentence really earnestly, Chen Zhiyuan was stunned again: "Zhanlong, don't you be kidding, you, can you heal?"

Lin Kai casually explained: "You also know that I went to Jiulong Mountain. I learned a lot of skills in Jiulong Mountain, including Chinese medicine, and I still know a little bit about it."

Naturally, he was talking nonsense, mainly because he was a cultivator, and he could see Chen Zhiyuan's leg disease and Chen Yan'er's disease at a glance.

I just got the black and white Ganoderma lucidum, which can be completely cured.

Chen Zhiyuan listened to this, but smiled bitterly: "Zhanlong, I know you are kind. But my leg has been completely scrapped, and the whole blood is rigid. If it weren't for the way to go, I would have amputated. I'm fine. Yan'er's disease is also very difficult to cure because it is congenital. The probability of surgery is quite low now, and it can only be maintained by medicine."

Lin Kaidao: "Zhanhu, since I have said that, you and your niece will be cured, so naturally you are very sure. If you don't believe me, I will treat you first. Anyway, your leg is also broken. Doctor. If it can cure you, you can rest assured and let me cure your nieces disease."

Hearing what Lin Kai said, Chen Zhiyuan felt reasonable, and said with some expectation: "Okay! What a good brother! If you can cure my daughter, you will be my benefactor!"

Chen Zhiyuan only prayed that Lin Kai could heal his daughter.

As the two spoke.

There was an Audi car with a size of hundreds of thousands outside, and it quickly stopped at the door of Chen Zhiyuan.

There was a yellow-haired man who looked like a bullshit, got out of the car very arrogantly, and then walked into Chen Zhiyuan's home swaggeringly.

The yellow-haired man blew his whistle to Chen Zhiyuans wife Yang Yuxin, and then smiled wretchedly: "Sister Yang, I didnt expect you to have money to buy some big fish and meat. Did you know that I was coming, specially for me? prepare?"

Yang Yuxin frowned her eyebrows, her eyes showed a trace of disgust, but she didn't dare to show too much, she just said while cooking, "My husband is in the room, what are you doing here?"

The yellow-haired man suddenly sneered: "Your husband is here, so what! I am your landlord, can't I come to see it?"

Yang Yuxin's face was a little ugly. Since coming to live here, the yellow-haired man has been harassing her. If it weren't for Chen Zhiyuan who once said that he was a retired soldier, he would be a bit capable, and he would just shoot the bricks.

After that, the yellow-haired man converged.

I just didn't expect that when I heard that Chen Zhiyuan was here, instead of restraining himself, he became unscrupulous.

At this time, the yellow-haired man still said boldly: "I will stay here for dinner tonight, do you have any comments?"

Yang Yuxin didn't say anything, her face even harder to look.

This yellow-haired man is the landlord of this shanty town. Although this shanty town has been quickly demolished, he still has to wait at least half a year.

Some houses that cannot be rented in the urban area can only be rented here. There is no other way.

When signing the contract, Chen Zhiyuan did not see that there was a very obscure treaty in the contract, which was very unfavorable for renting a house.

As long as a little bit is done, the landlord will let the renter breach the contract and have to pay several times the cost.

This led the yellow-haired man to use this obscure treaty to make trouble here.

Chen Zhiyuan doesn't have any money to compensate, he can only bear it, this yellow-haired man.

Yellow-haired men don't do too much, and Chen Zhiyuan also deterred the yellow-haired men.

Never expected that the yellow-haired man would come again today.

Yang Yuxin said in a cold voice at this time: "Although you are the landlord, you have no reason to stay for dinner, sorry, you are not welcome here!"

"Yeah, so hard-hearted? Do you think your husband can be so hard-hearted?" The yellow-haired man smiled disdainfully: "You told your husband to come out. I want to see. You have breached the contract. See the court directly. Let you compensate me several times the expenses!"

Yang Yuxin's expression became even harder when she heard this sentence.

The yellow-haired man saw Yang Yuxin's silence, and smiled wryly again: "Well, I don't make it difficult for you. I told you before that you can get a divorce from that kidnapper. Anyway, that kidnapper can't support you. But I have the ability to support you, it is better to follow me and promise to make you happy."

Yang Yuxin's face suddenly became cold, and said: "Don't think about it! My husband and I are very affectionate. Although we are a little poor now, how can you compare? Even so, I will work hard!"

After listening to the yellow-haired man, he was furious, he said, but it didn't help.

Therefore, the yellow-haired man couldn't help but snorted: "What's the use of love! It's not that you can't afford to eat fast! Give you three days to consider, if you don't think about it, I will directly ask you to compensate several times. Expenses, then you get out of here and wait to live on the streets!"

The yellow-haired man is currently speaking very loudly. Since he is cooking outside in the kitchen, he closed the door after taking the smoke oil into the bedroom.

But now the words of the yellow-haired man reached the room.

Chapter 1537: Disgusting

Chapter 1537: Disgusting

Inside the bedroom.

Lin Kai is talking to Chen Zhiyuan about how to treat Chen Zhiyuan's leg injury.

Chen Zhiyuan's legs are indeed almost scrapped, and they are still a bit troublesome.

Therefore, Lin Kaiduo observed the meeting.

Only then came a voice outside the door.

Chen Zhiyuan suddenly stood up. Obviously he knew who it was, and his face was instantly angry: "This bastard! How dare to make trouble!"

The main reason why Chen Zhiyuan has been tolerating the yellow-haired man is mainly because of his daughter.

After all, here is the place with the lowest rental price.

He could only endure it first, and he also told the yellow-haired man that if he came again next time, he would not forgive him.

Unexpectedly, not only came, but he was also aggressive towards his wife, which he couldn't bear!

So Chen Zhiyuan spoke to Lin Kai, took care of his daughter, and he went outside to solve it.

Immediately, Chen Zhiyuan opened the door with an aura and went to the kitchen.

In other words, Chen Zhiyuan was once a special soldier, and he was still a very good special soldier. If it weren't for a broken leg, even if it was his daughter's illness, he would be able to live well.

This is also the reason for Lin Kai's guilt. After all, it is Chen Zhiyuan's leg, which was abandoned because of saving him.

Lin Kai looked at Chen Zhiyuan who was leaving and thought for a while. He held Chen Yan'er and followed Chen Zhiyuan.

At this moment, the yellow-haired man wanted to act on Yang Yuxin.

Chen Zhiyuan was naturally furious. Although he had abducted, he was also very fast, and he slapped the yellow-haired man on the face.

The yellow-haired man was blinded by this slap.

Yang Yuxin took the opportunity and quickly hid behind Chen Zhiyuan.

"Zhiyuan!"

When he came to Chen Zhiyuan's back, Yang Yuxin breathed a sigh of relief and felt relieved.

Chen Zhiyuan looked gloomy, staring at the yellow-haired man, and said furiously: "You bastard! Forgot what I said last time?"

The yellow-haired man showed a trace of fear, but soon he insisted: "I can't come? I am your landlord! You have breached the contract, and I haven't asked you to settle the account yet!"

Hearing the words of the yellow-haired man, Chen Zhiyuans anger dissipated a little, but he still said in a cold voice: "Breach of contract? If you say that you breach the contract, you will be in breach of contract? What's more, everything belongs to the same thing. You just sue me for breach of contract. But what do you mean by touching my wife? You want me to break your hands like last time!"

Of course the yellow-haired man wouldnt admit it, so he hummed: "When did I touch your wife? I didnt get it, but you slapped me when I came out! You not only breached the contract! You also slapped me. Me! Leaving aside the contract for the time being, if you slapped it, you cant justify it? How come you have to pay me thousands of dollars for medical expenses and mental losses! Otherwise, you will stop here!"

Chen Zhiyuan was very angry, but he was helpless. His daughter still needs to be treated here. The money he earns now can only barely survive by renting a house here.

Therefore, Chen Zhiyuan just clenched his fists, then lowered his head slightly, and said, "Thousands are useless. I will pay a few hundred at most. But when I find a living in a few days, I will pay you when I am paid."

Seeing Chen Zhiyuan lowered his head, the yellow-haired man laughed suddenly: "Aren't you quite arrogant just now? Why are you not arrogant now?"

The yellow-haired man was really scared by Chen Zhiyuan. Last time he saw with his own eyes that Chen Zhiyuan could smash the bricks he brought with him with a random palm.

How can he not know that he brought it to pieces by himself? He can see Chen Zhiyuan's ability to smash it at will, his strength is certainly not small, and Chen Zhiyuan has been a soldier.

As a result, the yellow-haired man was frightened and converged before.

Today, I mainly saw that there seemed to be guests in Chen Zhiyuan's house, so I came over to see and found that Yang Yuxin was there alone in the kitchen, and he felt bad intentions.

Although I heard Yang Yuxin said that Chen Zhiyuan was at home, he had already come, so how could he leave like that?

Therefore, the yellow-haired man is bold, especially since Chen Zhiyuan just slapped him, he was still very frightened in his heart, but now he said this.

Unexpectedly, Chen Zhiyuan bowed his head.

In fact, the yellow-haired man is not afraid of the yellow-haired man's compensation, but for his own daughter.

Therefore, the yellow-haired man immediately became energetic and recovered his original clamor, looking at Chen Zhiyuan, and sneered: "A few hundred dollars? Impossible? At least two thousand dollars! It must be given to me today! Of course! , You can also let your wife sleep with me for one night, and it will be canceled, and I will not trouble you in the future, how?"

Chen Zhiyuan was trembling all over, and his fists clenched. He could not help but punched the yellow-haired man to death.

But he knew that if he shot, it would be even more troublesome.

If you are alone, it doesn't matter, you hit it.

But he still has a wife and daughter. If this yellow-haired man is beaten to death, who will take care of his wife and daughter?

Especially now that the daughter is seriously ill and the family is still in debt.

Various emotions flooded into Chen Zhiyuan's heart for an instant, his clenched fist neither loosened nor blasted at the yellow-haired man.

Soon, Chen Zhiyuan looked at the yellow-haired man with red eyes, and said, "You give me a day or two, and I will pay you two thousand!"

The yellow-haired man smiled disdainfully: "You said, you have to pay me today! What if you lead someone away? Who am I going to? I have given you several choices! Either give it! Or get out of here! Or you Your wife pays me! You choose yourself!"

"you!"

Chen Zhiyuan's clenched fists were already raised, but they stopped abruptly. He really had the urge to beat the yellow-haired man.

The yellow-haired man was obviously taken aback by Chen Zhiyuan's move.

Lin Kai sighed when he saw Chen Zhiyuan's appearance, then walked to the side of Chen Zhiyuan, and said to Yang Yuxin: "Sister-in-law, please go to the room and get the gift bag on the ground."

Before Yang Yuxin could react, Lin Kai glanced at the yellow-haired man coldly.

He didn't expect that such a place would have such a disgusting landlord.

This yellow-haired man was inexplicably uneasy when he was seen by Lin Kai.

Suddenly the yellow-haired man scolded Chao Lin Kai, "What are you looking at!"

Chen Yan'er, who was in Lin Kai's arms, was frightened and cried when the yellow-haired man shouted loudly.

Lin Kai quickly urged her true energy, so that Chen Yan'er's fear dissipated and she stopped crying.

Later, he handed Chen Yaner to Chen Zhiyuan.

Under Chen Zhiyuan's surprised gaze, Lin Kai slapped the yellow-haired man heavily. His slap was much harder than Chen Zhiyuan's previous slap.

Chapter 1538: Get Me The Money

Chapter 1538

Therefore, this seemingly ordinary slap hit the face of the yellow-haired man, but it was like an adult tiger, slapped heavily.

In an instant, the yellow-haired man was knocked to the ground by Lin Kai, with blood on half of his face.

Fortunately, just now, Lin Kai reminded Chen Zhiyuan to turn Chen Yan'er around to avoid letting Chen Yan'er see this scene, otherwise it would be bad if it left some psychological shadow.

In addition, the yellow-haired man's entire face was distorted because of pain.

Then he coughed violently, not only coughing up blood, but also several teeth.

Of course, Lin Kai had reduced most of his strength. Although he had slapped people before, he had reduced a lot.

But now, he is heavier than before.

After all, Chen Zhiyuan was his former comrade-in-arms, and one leg was scrapped in order to save him. Now that he saw this disgusting landlord and dared to hit his sister-in-law's attention, he naturally had to teach him a hard lesson.

Lin Kai looked at it condescendingly, the yellow-haired man on the ground howling in pain, coldly said: "Dare to hit my sister-in-law, pay attention, how do you want to die?"

The yellow-haired man on the ground was shocked and angry when he heard Lin Kai's words. He had no idea that this seemingly thin man would have such great strength.

He stood up hard, shook his body, pointed at Lin Kai, and shouted, "Who are you so special? You even shot me? Chen Zhiyuan didn't dare to do it to me!"

Just as soon as the words fell, Lin Kai slapped again and quickly hit the yellow-haired man on the other side of the face.

Snapped!

The slap was unusually loud, enough to show how hard Lin Kai hit.

This time the yellow-haired man flew out even more and fell heavily to the ground.

"you you you!"

The yellow-haired man lying on the ground was full of pain and anger. No one had ever dared to beat him like this.

The yellow-haired man swayed again, stood up, and was very afraid of Lin meeting before making a move. He stepped back several steps and kept a distance from Lin Kai.

Seeing that there is a "safe distance" between the two, the yellow-haired man stared at Lin Kai and said angrily, "Yes! You are so kind! I have lived in this East China Sea for so many years, you are the first One who makes me kill soon! Tell you, you wont survive tonight! Wait..."

The yellow-haired man didn't finish speaking, Lin Kai took a step, and his figure came to the yellow-haired man in a blink of an eye.

The yellow-haired man's eyes widened like a ghost. The safe distance he thought was a joke.

Immediately under the unbelievable gaze of the yellow-haired man, Lin Kai slapped the yellow-haired man's mouth with a slap this time, as the saying goes.

Lin Kai not only slapped her face, but also directly slapped her mouth.

boom!

At this moment, the yellow-haired man flew out of the door, flew a few meters away, and hit his own Audi car.

The side of the Audi car's body was dented and damaged by the yellow-haired man.

The Audi car made a drop of noise naturally, and the yellow-haired man was even more miserable. His entire mouth looked like a crispy intestine, bleeding, and several teeth were lost.

Chen Zhiyuan hugged his daughter anyway. He didn't let his daughter see Lin Kai beating a yellow-haired man, but he saw it himself.

Although Chen Zhiyuan saw it, it made a heart happy, if it weren't for his own daughter, he would be like Lin Kai, and he would go to beat the yellow-haired man without hesitation.

Unfortunately, the reality is helpless.

Chen Zhiyuan also knew that the reason Lin Kai shot was to relieve his anger, but seeing the miserable appearance of the yellow-haired man, he was afraid that Lin Kai would be implicated, so he couldn't help but say: "Zhanlong, thank you for your shot, but just a lesson. ."

It is mainly Chen Zhiyuan who understands the yellow-haired man, but he has a big background behind him.

Otherwise, this yellow-haired man can't eat this shanty town that is about to be demolished.

It now appears that this shanty town is like a slum, but it is about to be demolished.

The cost of demolition and relocation of a house is less than a few million.

The yellow-haired man has twenty to thirty houses in this shanty town. Once demolished, he will be rich.

Such a fat body can be taken down by a yellow-haired man, naturally it is quite background.

What's more, Chen Zhiyuan had seen with his own eyes that this yellow-haired man was a gangster. He had seen the yellow-haired man staying with dozens of gangsters.

Therefore, he was worried that Lin Zhuan would be surrounded by those gangsters.

Chen Zhiyuan believed that Lin Kai's skill was not afraid of those gangsters, but those gangsters, if they were ruthless, would use cold weapons like knives.

Two fists are hard to beat with four hands. At least in the army, one person can beat more than a dozen ordinary adults. These are their excellent special forces, but if they deal with dozens of gangsters with bare hands, it is hard to say.

Excellent special forces are also mortals, so Chen Zhiyuan is still very worried.

Lin Kai looked back at Chen Zhiyuan and said with a smile: "Zhanhu, don't worry."

At the same time, Lin Kai also saw it, and Yang Yuxin came out of the room with the gift bag.

Lin Kai walked over, took the gift bag into his hand, and then took out a stack of red banknotes from the gift bag, and threw it directly to the yellow-haired man, faintly said: "You are not asking for medical expenses and spirit. Loss fee? You took the initiative to cause trouble, and my brother slapped you.

It was originally that you were in the wrong, but you seemed to be like a victim, asking for two thousand yuan in medical expenses and mental damage. I think that slap is not enough to be worth the two thousand yuan. So I shot and beat you to this price. Of course, the shot is still slightly heavier, here is eight thousand yuan, enough for you to heal your injuries, and get the money for me! "

The face of the yellow-haired man was not adulterous, and he responded to that sentence, and the beaten did not even know his mother.

Today, the yellow-haired man is in this similar state.

He was very bitter at this time, staring at Lin Kai, and said with extreme hatred: "Eight thousand yuan? Eighty thousand yuan will not work! How can it cost hundreds of thousands! Hey, but you can't pay hundreds of thousands of yuan. ! Then you wait for Lao Tzu! You are dead!"

After speaking, the yellow-haired man ignored the pain on his body and immediately got up, quickly got into his car and climbed in.

The yellow-haired man locked the door of the car firmly and closed the windows. He continued to look at Lin Kai bitterly, then took out his mobile phone and made a call.

As if calling someone there to deal with Lin Kai.

Seeing this, Yang Yuxin's eyes instantly showed concern: "He must be calling someone, what should I do?"

Chen Zhiyuan clasped his heads tightly, and said: "This place must not be able to live anymore. I will work harder in the future. Yuxin, please pack your luggage first, Zhanlong, first take my wife and daughter away."

Chapter 1539: Rebellion

Chapter 1539

"As for me, I'm here after I break it off. Anyway, I don't live here anymore. I won't stop doing two things, I'll come to sign with them! Anyway, before, I was one of a dozen gangsters, not weak!"

Chen Zhiyuan said, clenching his fists harder, then looked at Lin Kai: "Please, Zhanlong."

In this regard, Lin Kai just smiled and shook his head: "Zhanhu, don't you know me? I will do this kind of thing if I am not sure. There is no need to let my sister-in-law go in such a hurry. Let my sister-in-law go. Continue cooking to avoid wasting the food you bought. After eating, you can slowly pack your bags.

Wait for me to treat your leg disease and nieces disease. I will take you away again, and I will find a place for you to live. "

"can"

Yang Yuxin looked anxious, obviously worried that there would be a lot of people called by the yellow-haired man.

But before Yang Yuxin finished speaking, Chen Zhiyuan interrupted, and then said in a deep voice: "I believe my brother, Yuxin, you are going to cook first. You don't have to worry about other things."

Yang Yuxin heard the words and had to nod her head to follow suit.

As for Chen Zhiyuan, he planned to put his daughter to sleep quickly, and then join Lin to deal with the yellow-haired man.

However, the person called by the yellow-haired man seemed to be nearby, and he came quite quickly.

There were only twenty or thirty people who looked like gangsters at first glance, holding knives, sticks, and the like one after another toward the shanty where Chen Zhiyuan lived.

The gangsters quickly walked to the front of the yellow-haired man's car.

The yellow-haired man was very pleased to see this. He didn't expect to come so soon, so he dared to get out of the car.

After the yellow-haired man came down, the group of gangsters were surprised to see how the yellow-haired man was injured, but they all shouted, "Brother Qiang!"

The yellow-haired man nodded in satisfaction, and suddenly became more confident.

He immediately pointed at Lin Kai and Chen Zhiyuan again, and roared: "Hurry up! You guys don't even know what to do with these two! Hit hard! For hands-on, I will reward two thousand yuan each! If you can! To beat someone into a coma, I will add another 10,000 yuan!"

When this group of gangsters heard the yellow-haired man beating and still had money to get, especially the ten thousand yuan in the last sentence, this group of gangsters instantly jealous.

Looking at Lin Kai and Chen Zhiyuan again, they seemed to have seen some treasure.

This group of gangsters belongs to the worst kind of gangsters. Going to be a thug in the night market, no one else looks down on that kind.

Plus its delicious and lazy, and go to work unceremoniously, messing around all day, doing nothing, let alone 10,000 yuan, 2,000 yuan is a lot of money for them.

As a result, they rushed to Lin Kai and Chen Zhiyuan one by one.

Since Lin Kai was standing at the door, these gangsters had to go to fight Lin Kai first.

Lin Kai looked calm and looked at the two gangsters who came first, and kicked them casually. The two gangsters flew out like arrows from the string.

One person was extremely precise and hit the yellow-haired man. And the other person hit the Audi car and smashed the Audi car out of a big hole again.

"Damn! So much strength?"

"Isn't it?"

"I said why Brother Qiang was beaten like that, and there was a pit in the car, it turns out he was beaten like this!"

The remaining gangsters were terrified.

Originally, he was about to rush towards Lin Kai, but seeing the scene just now, the body of the lord of the crowd, I look at you, and when you look at me, you can see the fright and hesitation of the other party.

This group of gangsters is not stupid, they can see that Lin Kai can fight very well, although they are confident, they can definitely fight Lin Kai.

But at the beginning, some people must be seriously injured.

In case the injury is serious, a few thousand yuan is not enough for treatment, so this group of gangsters hesitated and did not dare to step forward.

When Lin Kai saw this, a playful smile appeared at the corner of his mouth, then from the gift bag, he took out a stack of money again, and said, "There is one or two thousand yuan in it. You are evenly divided, and no one has a thousand. Knock. As long as you give that yellow-haired man, that is, the strong brother you said, a slap in the face, these are yours."

Lin Kai could see that this group of gangsters were all the people who saw money.

Sure enough, Lin Kai had expected that after hearing Lin Kai's words, all the gangsters were bright.

First of all, the reason they followed the yellow-haired man was because the yellow-haired man had said that when the demolition was completed, they would be given some money.

But the yellow-haired man didn't offer them anything during this period, and always told them to teach others, it was completely empty.

They are almost unable to eat, how can they wait until the day of demolition.

What's more, with the character of the yellow-haired man, even if it waits until the day of the demolition, it is not certain how much money will be given to them.

So after hearing Lin Kai's words, most of the people immediately returned and ran to the yellow-haired man.

The yellow-haired man almost fell to the ground after being hit like that just now. Now that he saw the group of bullies, he was turned back by Lin Kai.

He was frightened and furious, and snarled at the group of gangsters who were surrounding him: "You are so bold, even hit me? After the demolition, your money will definitely be indispensable."

Those gangsters couldn't help but hesitate when they were yellow-haired men.

At this time, Lin Kai said calmly: "I double the money, you quickly get rid of this person, it's too noisy."

After listening, the gangsters didn't hesitate anymore and directly punched and kicked the yellow-haired man.

But in an instant, the yellow-haired man was beaten and turned around and almost passed out.

If it wasn't for that, he would not dare to kill, otherwise, it would not be enough to give a yellow-haired man a hundred lives.

The yellow-haired man was beaten half-dead and unmutated, and the gangsters stopped.

Lin Kai gave twenty to thirty thousand to the gangsters and let them divide.

Anyway, Lin Kai didn't lack this little money, mainly because he went to beat the yellow-haired man, completely dirtying his hands.

And it was also a deterrent to the yellow-haired man, so that the yellow-haired man would not dare to do whatever he wanted.

Those gangsters left soon.

Lin Kai looked at the yellow-haired man, and said lightly, "The eight thousand yuan is enough for medical expenses and mental damage?"

The half-dead yellow-haired man on the ground, hearing Lin Kai's question, his whole body trembled, looked at Lin Kai in fear, and nodded like a chick, "Enough! Enough!"

"Before I said that, let you take the money and let me go, you didn't listen! Let me go now! If next time, you still trouble others, or even hit other people's wives to pay attention, you will die more ugly! Remember! Is it?" After Lin Kai finished speaking, without waiting for the yellow-haired man to react, Lin Kai closed the door directly.

Because Yang Yuxin has almost finished the meal, he is also going to treat Chen Zhiyuan's leg disease first.

Chapter 1540: Treat It

Chapter 1540

The bed in the room at this time.

Chen Zhiyuan lay there, while Lin Kai was beside the bed, looking at Chen Zhiyuan's left leg.

Chen Zhiyuan originally injured his left leg, which was very serious at that time and was about to be amputated. Only by amputation can Chen Zhiyuan's life be saved.

Only after the situation improved a little, there was no amputation, but it was almost necrotic, and the whole leg could not move.

It is similar now, and Chen Zhiyuan has no way to find a formal job.

After Lin Kai looked around, he asked Chen Zhiyuan to take the medicine made from black and white Ganoderma lucidum and several medicinal materials.

This was not long ago when Yang Yuxin went to boil it up.

At this time, Yang Yuxin was holding Chen Yan'er and watching.

Now, Chen Zhiyuan has taken the medicine.

This is an internal medicine that can restore part of the injured left leg's mobility.

The most important thing was that Lin Kai used his true energy to dredge his left leg.

So that Lin Kai took out a needle.

Yang Yuxin looked at Lin Kai and asked curiously: "Can this needle heal Zhiyuan's leg?"

Lin Kai smiled, and said, "Sister-in-law, its not just a needle that can solve it. The medicine that I took before can only be combined with acupuncture treatment to completely restore the leg. Of course, after all, Zhanhus leg is a few years old. In this state, the mobility of the legs will be restored later, and it will take some time to fully recover."

Yang Yuxin's eyes were full of expectation, no matter whether he could recover, he had to try.

Lin Kai didn't waste any more time. He raised the needle in his hand and said to Chen Zhiyuan: "Zhanhu, it will be very painful later, don't yell."

Chen Zhiyuan laughed: "Leave aside, I don't feel the pain anymore, I can't feel the pain or not. Even if I can feel the pain, this pain is nothing compared to the time when I was born and died together."

Lin Kai immediately smiled when he heard the words. Indeed, it was a mission in the midst of bullets and bullets, and he could die at any time. The physical pain was nothing at all.

After that, Lin Kai put the needle in his hand to a place on Chen Zhiyuan's left leg and pierced it.

"Zhanhu, do you feel sensation in your legs now?"

Lin Kai asked.

Chen Zhiyuan shook his head: "No."

Lin Kai heard the words, he began to urge a ray of true qi, through the needle, along the place on the leg, went in.

Then he asked again: "How is it now?"

This time, Chen Zhiyuan was a little surprised and suspicious on his face, muttering to himself: "It seems, it seems to be conscious! I can feel a slight pain in my left leg!"

Lin Kai smiled slightly, and immediately urged more zhenqi to sink into Chen Zhiyuan's left leg.

After dozens of seconds, Chen Zhiyuan suddenly let out an exclamation.

When Yang Yuxin saw Chen Zhiyuan, she seemed to be a little bit painful, and couldn't help asking: "Zhiyuan, what's the situation?"

Before Chen Zhiyuan could answer, Lin Kai laughed and said, "Zhanhu now has pain in his left leg, and it feels no pain more than when he gave birth. Therefore, Zhanhu couldn't stand it and let out a painful cry. "

Yang Yuxin was both surprised and expectant: "Really? Is it painful?"

Lin Kai smiled and nodded.

Chen Zhiyuan scratched his head in embarrassment. He previously said that the pain was nothing at all, but he did not expect that he would treat his left leg with such pain.

While suffering, Chen Zhiyuan was also very happy. Now that there is pain, it shows that the perception of the left leg has recovered, and it proves that Lin Kai's treatment is effective!

In this way, my daughter will be saved!

Under the expectation of Chen Zhiyuan and Yang Yuxin, Lin Kai urged Zhen Qi again and continued to unblock Chen Zhiyuan's left leg.

Naturally, the medicines I took before can't be so fast, and they are effective.

Therefore, Lin Kai only urged Zhen Qi to quickly disperse those medicinal effects on Chen Zhiyuan's legs, accelerating the effects of medicinal effects.

Not only that, but some problems on the legs will be removed.

After about two or three minutes, Chen Zhiyuan's left leg, visible to the naked eye, recovered a lot.

It used to be bloodless, but now it is full of blood.

This made Chen Zhiyuan and Yang Yuxin both excited.

Before long, Lin Kai took the needle back and said to Chen Zhiyuan: "Okay, you can get out of bed now and try to see if your left leg can walk normally."

After hearing this, Chen Zhiyuan was excited and looking forward to getting out of bed and trying to walk on his left leg.

I used to drag my left leg to walk hungry and limp.

But now, he tried to walk a few steps. Although he was still walking slowly, he could walk normally with his left leg!

If you rest for a few days, you will definitely recover!

Yang Yuxin was by the side as early as she saw Chen Zhiyuan walking normally, she was already crying with excitement.

Chen Zhiyuan was also shaking with excitement. His leg was finally no longer useless. Over the past few years, he has been complaining that he is a trash, unable to find a normal job, and has caused his wife and daughter to suffer.

Now that the legs are good, that's different!

Lin Kai looked at Chen Zhiyuan with a happy face, and smiled: "Don't walk for too long for the time being, or sit and rest. It has just been cured, but it has not fully recovered so quickly. Let the effect of the medicine be cured on the legs."

Chen Zhiyuan nodded immediately when he heard the words.

At this time, Lin Kai shifted his gaze to Chen Yan'er, who was in Yang Yuxin's arms, and continued to smile: "Zhanhu's leg disease has been cured, so now I will treat my niece."

Yang Yuxin was stunned, looking at Lin Kai puzzled.

And Chen Zhiyuan sitting by the bed, his eyes flushed with excitement when he heard Lin Kai's words: "Yes, yes! Give Yan'er treatment! Zhanlong, thank you, thank you really!"

Lin Kai waved his hand: "They are all brothers, so there is no need to say such kind words."

"What? Can Yan'er's disease be cured?"

At this moment, Yang Yuxin fainted happily.

Chen Zhiyuan's leg disease was cured, and she was already very happy. It is rare to be so happy in the past few years.

Now that I heard that Lin Kai could still treat my daughter's illness, I thought I had heard it wrong.

Regarding this, Lin chuckled: "Sister-in-law, I asked you to decoct two sets of medicine not long ago, one for Zhanhu. The other is for my niece, so I will take it quickly now. "

Chen Yan'er's illness should be simpler. Lin Kai only needs to wait for Chen Yan'er to take the medicine, and then he will stimulate some real energy to bring out the full effect of the medicine. Then, Chen Yan'er's disease can be cured.

When Yang Yuxin heard this, she quickly handed Chen Yan'er to Chen Zhiyuan, and she went to fetch the boiled medicine.

But after a while, Yang Yuxin brought the medicine.

After Chen Yan'er finished drinking, Lin Kai immediately urged Zhen Qi to bring out the effects of the medicine.

Chen Yan'er's pale little face gradually returned to her blood color, no longer in that sick state, but just like a normal child.
