

Special Forces 1831

Chapter 1831 the mysterious Boss Zhao

Tang Ying clutched her head, tears in her eyes hurt, and said angrily: "Bo, why beat me. Isn't it just four masters? Your old man will beat them four."

Uncle blew his beard and stared, and shouted: "You dare to say it too. When has the old man beaten the four great masters?"

Uncle smacked his lips and said confidently: "Of course I'm not afraid of them."

Tang Ying smiled and said with a smile: "I know that Aber is the best."

Uncle glared at Tang Ying and taunted: "Since there are four great masters guarding the family, who knows if there are other strong ones? If it provokes an unprovoked existence, what will you do?"

A touch of pride appeared on Tang Ying's face, "Aber, in this world that our Tang family can't provoke, how many can there be? There is no Lin in this world."

Uncle shook his head and said, "Is the Tang family the same as you? If you have the ability, don't use the power of the family."

Tang Ying smiled and said, "So, I didn't compete with him for the villa. If I wanted to use the family's wealth, I would have used the money to kill him."

Arbor nodded, somewhat relieved.

Tang Ying, the girl, though small-minded. But the distinction is clear.

Tang Ying looked straight, put away her grinning expression, and asked softly: "Aber, when will our boat arrive?"

Abo's face also became solemn, and he said solemnly: "It's about half a month to arrive."

Uncle said softly: "When the ship arrives, the contradiction between us and Dingsheng Ancient Tower cannot be resolved."

"We have a battle with him sooner or later, are you ready?"

"Abo, don't worry."

Tang Ying nodded solemnly, her eyes were solemn and more excited.

On the other side, in a very gloomy room.

There are various instruments of torture in the room, and a thin man is tied to a wooden stake in the center.

His whole body was beaten to the ground, and he was dying.

In front of him, a middle-aged man with a gloomy breath was sitting on a chair, looking at him coldly.

Behind him, there are several sturdy big men, everyone's temples are bulging high, and at first glance, they are masters of ancient warriors.

The middle-aged man said coldly: "Shi Xiaoqian, I dare to steal my things, are you living enough?"

Shi Xiaoqian looked ugly and said weakly: "Boss Zhao, I really don't know that those antiques belong to you."

Shi Xiaoqian begged for mercy: "Boss Zhao, let me go. Those antiques are really sold in Dingsheng Ancient Building."

It's okay for Shi Xiaoqian not to say this. When he talked about the Dingsheng Ancient Building, Boss Zhao's forehead immediately appeared blue veins, and his cold eyes turned red.

Boss Zhao waved his hand, and a sturdy man took out his whip and flicked it at Shi Xiaoqian.

Shi Xiaoqian screamed and fainted in no time.

"Wow"

A bucket of cold water was poured on Shi Xiaoqian's head, making him sober.

Boss Zhao Yu said angrily: "You really dare to think. Take my things and sell them on my site. They only sold for 50,000 yuan!"

Shi Xiaoqian wanted to cry without tears, he didn't know that he would be so unlucky.

Originally, he thought it was just an ordinary old house.

Who knows, the stuff inside turned out to belong to the owner behind the scenes of Dingsheng Ancient Building.

One of Boss Zhao's men became greedy and hid these things in this ancient house.

Who knows, it was stolen by Shi Xiaoqian.

After the subordinate was found by Boss Zhao, he learned that the antiques had been stolen.

After he fed the dog to his subordinate, he only discovered a few days ago that those things had actually appeared in his company.

This makes Boss Zhao wonder whether he should cry or laugh.

Boss Zhao asked coldly: "Are you sure all the antiques are sold to Lin Kai, aren't you?"

Shi Xiaoqian nodded quickly, wishing to swear to heaven, and said, "It's true. Dingsheng Ancient Tower is your site. You should know this better than anyone else."

Boss Zhao narrowed his eyes slightly, and he had secretly checked the antiques that Lin opened.

The most valuable among them should be the dragon-shaped jade pendant.

However, Chuanguo Yuxi, which Boss Zhao cared most, never showed up.

Boss Zhao whispered to himself, "It seems that Lin Kai discovered the Chuanguo Yuxi and collected it by himself."

Boss Zhao frowned. It would be troublesome if the country's Yuxi was really there.

With his energy, Lin Kai's four major guards, of course he already knew.

In particular, they would be invisible, which made Boss Zhao very jealous.

"No, it should be that only one person will be invisible."

Everyone has already analyzed Lin Kai's four major guards.

When the four guards were invisible and appeared, the four guards all touched each other.

In other words, one of them uses the invisibility ability to help the others become invisible.

"Then since one of them has the ability to be invisible, do the others also have any special abilities?"

Boss Zhao thinks of this, feeling deeply troublesome.

At the same time, he was a little more angry at Shi Xiaoqian.

When Shi Xiaoqian saw the more and more fierce light in Boss Zhao's eyes, his expression became desperate.

Suddenly, Boss Zhao's expression changed, and he asked faintly: "Your stealing ability is very strong?"

Shi Xiaoqian nodded, even if he is very weak now, it is hard to hide his self-confidence.

Boss Zhao's icy expression was like melting snow in winter and raining in spring.

He ordered his subordinates to untie Shi Xiaoqian, and said with a smile: "Brother, you should have said this long ago."

Shi Xiaoqian smiled and complained in his heart, I am a master of the stolen door, you don't know.

Boss Zhao smiled faintly, took out a medicine bottle, and said with concern: "I beat you hard just now. I will eat this medicine soon. It can consolidate the foundation and restore your vitality as soon as possible."

Shi Xiaoqian narrowed his eyes and said with a smile: "Boss Zhao, I'm a thick-skinned person, and I'm forbidden to fight! Such a good medicine is a waste of taking me."

Boss Zhao's face became cold, and he said calmly: "Brother, don't you give face?"

Shi Xiaoqian's eyes were dim, and under Boss Zhao's threatening gaze, he had to take the medicine down.

Boss Zhao nodded his head in satisfaction and said, "Wait, I will let the doctor do my best to treat you. You have to get better soon. Brother has something to ask you."

Shi Xiaoqian clasped his fists and said, "Boss Zhao, you have something to order."

Boss Zhao said lightly: "You will steal something from Lin Kai in ten days."

Boss Zhao handed over a drawing, and Shi Xiaoqian respectfully took it.

When Shi Xiaoqian looked at the drawing, his expression was a little confused at first, then his eyes widened, and he said, "This is the Jade Seal of the Chuan Kingdom?"

Shi Xiaoqian asked incredulously: "The Jade Seal of the Chuan Kingdom is in the antiques I stole?"

Boss Zhao nodded lightly and admitted the matter.

Shi Xiaoqian stood stupidly, no longer knowing what expression should appear on his face.

Shi Xiaoqian roared in grief and indignation:

"God, why are you doing this to me!"

Chapter 1832

Boss Zhao patted Shi Xiaoqian on the shoulder and said meaningfully: "Brother Shi Xiaoqian, you must come back with Chuanguo Yuxi within ten days. Otherwise, something bad will happen."

Shi Xiaoqian looked awe-inspiring, knowing that the so-called big tonic he had just taken was poison.

Moreover, it will attack within ten days.

Boss Zhao said kindly: "Don't worry, when you steal the Chuanguo Yuxi, someone will pick you up."

Shi Xiaoqian's heart was cold, and Boss Zhao was still worried about just giving him poison. He even sent someone to monitor him.

As soon as Boss Zhao waved his hand, some of his subordinates led Shi Xiaoqian away.

"Shi Xiaoqian, I hope you don't let me down."

"Lin Kai, I hope you have better luck and let Shi Xiaoqian succeed. Otherwise..."

Boss Zhao narrowed his eyes, and the inside was deep.

If Shi Xiaoqian fails, he can only pay the price and kill Lin Kai!

He paid the price of killing four masters!

At this time, Lin Kai was walking around major antique markets and jade markets.

Throughout the day, he only found dozens of top jade stones.

However, now Lin Kai had to end today's trip.

He looked at a large group of people with fiery eyes behind him, and gave a wry smile.

In the jade market, he found that most of the jade had flaws, and very few met his requirements.

As a result, someone who knows how to do it introduced Lin Kai to the gambling market.

With full firepower, Lin Kai found more than a dozen top jade stones with his golden pupil.

However, the rule here is that as long as it is a gambling, it must be cut on the spot.

Lin Kai had no choice but to let someone cut the jade for him.

All the people in the stone betting market were shocked.

Lin Kai didn't choose a lot of wool, only a dozen yuan.

In total, it cost less than three million yuan.

However, after Lin Kai's wool was cut, there was jade in each of them.

And it's not ordinary jade, it's all top jade!

Everyone looked at Lin Kai in shock, circled around, their eyes became fierce.

"Master, how do you do it, teach me. I will give you a million tuition!"

"Hehe, I'm ashamed to give up one million tuition fees? I'll pay five million!"

Many people have fiery eyes and want to apprentice.

"Master, you are so handsome. Can I leave your phone number?" A fat girl who was visually inspecting two hundred jin, blinked and called Lin Kaikai.

A middle-aged woman with five big three-thick arms and capable of running horses said enthusiastically: "You are ugly, don't bury the master. Master, my daughter has the posture of a sinking fish and a wild goose. Would you consider it?"

Lin Kai was full of black lines, spitting in his heart, Auntie, you look like, how does your daughter grow up to sink fish and goose?

"I don't believe that he is so good. He must have colluded with the sellers."

"Yes, just to trick everyone into buying his wool!"

There were also many people with wise eyes and sneers as if they had already exposed Lin Kai's face.

"You are right, but why don't you leave? What are you doing with the master?"

Everyone was noisy and disturbed, causing Lin Kai to have a headache.

"Forget it, come back tomorrow."

Lin Kai seemed to be a loach in the water, sliding in the crowd.

Someone wanted to reach out and grab him, but he couldn't help but crooked his hand and caught the person next to him.

"Ah, why do you eat other people's tofu!"

The fat girl clutched her chest, looked at the man, blushed, and murmured, "Do you like people?"

Looking at the fat girl around, her face was distorted, and she screamed and disappeared.

Especially the man who met the fat girl cried like a child, and ran to the distance.

Lin Kai breathed a sigh of relief, taking advantage of the chaos, and disappeared into the distance.

Lin Kai frowned as he walked on the road.

If you keep betting on stones like this, you can indeed get a lot of top jade.

However, they will be watched like monkeys, and the efficiency is very low.

At this moment, a phone call came.

“Sir, only two hundred top jade stones and some materials have been collected today.”

The old man said a little guilty and said: “In addition, we also use our contacts to collect jade from all over the country, and there will be more than 100 jade.”

Lin Kai frowned, not to mention that he had collected so many jade today.

However, this probably bought most of the jade in the market.

In the future, I will not be able to receive so many jade.

Lin Kai whispered, “It’s okay, you have done very well.”

In the next few days, Lin Kai collected more than 1,000 pieces of jade one after another.

Most of them were collected by four elders, and Li Fengyun also helped him buy some.

Lin Kai has also wandered through various jade markets in the past few days, but there are too few top jade stones, so he has not gained much.

Of course, he also used forces in Beijing and Jiangbei, and collected more than two thousand yuan.

In addition, what puzzled Lin Kai was that when he went to Dingsheng Ancient Tower, he found himself under surveillance.

The faintly hostile gaze made Lin Kai Rumang on his back.

“Could it be that Zhao Huaming wants revenge?”

Lin Kai sneered. If he dares to retaliate, don’t blame him for being rude!

Lin Kai calculated it, and he still had more than a thousand pieces of jade short, and some rare metals made Lin begin to hurt even more.

These things can be met and unquestionable. When the collection is completed, it depends on luck.

Lin Kai walked alone on the snack street. This atmosphere full of fireworks made Lin Kai very enjoy.

Suddenly, Lin Kai frowned.

A thin and tall man walked staggering across, and he smelled a strong smell of alcohol far away.

Lin Kai frowned, preparing to bypass the man.

But the man suddenly slipped and pounced directly at Lin Kai.

Lin Kai raised his eyebrows, and then his figure flickered, avoiding the man.

Unexpectedly, there are just four or five people passing by just coming.

The road was too narrow and they filled the entire space.

In order to avoid the alcoholic, Lin Kai had to crash into the crowd.

However, with Lin Kai's skill, of course he wouldn't really bump into these people.

Lin Kai flashed a few times among these people, and then walked through the crowd perfectly.

"Scare me, how can I jump out of it."

"It's okay, there is a drunkard there, this little brother is to avoid him."

"Hehe, this little brother is very good."

These people smiled, talking and walking towards the distance.

Lin Kai's figure flashed, and he stopped in front of them, looked at one person in amazement, and said faintly, "You have good skills."

Several people changed their faces and said angrily: "What are you doing, go away!"

Lin Kai ignored them, just looked at one of the thin figures, and said lightly:

"Give me back my things."

"Or, die!"

Chapter 1833

Lin Kai must have never seen that thin man with a sallow complexion.

However, there was a familiar feeling in his eyes.

The man saw that Lin Kai's eyes were very determined, and he knew that he was revealing something.

This person is Shi Xiaoqian, he has been preparing to steal since yesterday.

Tonight, he designed this bureau,

Whether it's a drunkard or the people who walk with him, they are all well-known thieves on the road.

Shi Xiaoqian, as a master of the thief on the road, found these people to help him easily.

Shi Xiaoqian is confident that Lin Kai will definitely be recruited in this round.

Of course, Lin Kai was indeed hit.

However, to Shi Xiaoqian's surprise, Lin Kai actually reacted so quickly.

However, Shi Xiaoqian didn't know that Lin Kai left a mark on the Jade Seal of Chuanguo.

The Chuan Guo Yuxi left, of course he would find out soon.

Shi Xiaoqian's expression changed. In addition to stealing, he was most proud of his skill.

Shi Xiaoqian moved out like a ghost and ran out quickly.

His speed is extremely fast, in the eyes of ordinary people, he only feels a phantom flashing by his side, and then disappears.

Lin Kai raised his eyebrows, and he also recognized Shi Xiaoqian's body style.

At the speed of Shi Xiaoqian, I am afraid that ordinary masters can't catch up with him.

Lin Kai didn't chase after him in a hurry, but hung behind him unhurriedly.

Shi Xiaoqian ran at the fastest speed.

The scenery on both sides turned into blurred lines before his eyes.

Shi Xiaoqian's face was a little pale, and his wound was involved with the extreme speed, but his eyes were bright and scary.

Just hand the Chuanguo Yuxi to Boss Zhao and take the antidote. From then on, the sky is high and the birds fly!

This **** Donghai, he will never come back!

An hour later, Shi Xiaoqian ran into a jungle.

The surrounding area was a little dark, and the moonlight was faint, unable to shine in, but it made the place a little gloomy.

Shi Xiaoqian held the Chuanguo Yuxi tightly, swallowed his saliva, and said, "I have brought the Chuanguo Yuxi. Boss Zhao, are you there?"

"Very good. Shi Xiaoqian, you did not disappoint me!"

In the shadow of the forest, a voice came.

A middle-aged man slowly walked out of the shadows.

Shi Xiaoqian's ears shook a few times like a rabbit, looked in the other two directions vigilantly, and said, "The people inside come out."

Boss Zhao was a little surprised and said, "Shi Xiaoqian, I found that I still underestimated you."

A trace of grief and anger flashed in Shi Xiaoqian's eyes. Last time, he lost his vigilance after being tricked into a beauty.

Otherwise, even if it is the master, Shi Xiaoqian is not afraid!

Following Boss Zhao's gesture, a middle-aged man in a black suit and an old man in national costumes walked out.

When Shi Xiaoqian took a look, his face was a little hard to look like, and said, "Two masters? Boss Zhao, what do you mean?"

Boss Zhao laughed and said, "I did some precautions to prevent Lin Kai from chasing him."

Boss Zhao flashed a fiery color in his eyes and urged: "Quickly. Give me the Jade Seal of the Chuanguo."

Instead, Shi Xiaoqian held the Chuanguo Yuxi tighter and said nervously: "Boss Zhao, I have brought the Chuanguo Yuxi. You should give me the antidote, right?"

A dangerous light flashed in Boss Zhao's eyes, and he said coldly: "You can't believe me?"

A pleading flashed in Shi Xiaoqian's eyes, and said, "Boss Zhao only needs to give me the antidote, and I will give you the Chuanguo Yuxi immediately!"

Boss Zhao's eyes flashed with indifference, and he said indifferently: "I hate others to bargain with me! Shi Xiaoqian, do you want to die?"

Shi Xiaoqian raised the Chuanguo Yuxi and shouted sternly: "Don't mess around, or I will immediately break the Yuxi!"

Boss Zhao showed a hint of playful light.

Shi Xiaoqian sounded an alarm in his heart, and his face was fierce, and he threw the Chuanguo Yuxi to the ground.

Suddenly, a sharp whistle sounded.

Shi Xiaoqian's face flushed directly, a mouthful of blood spurted out, and his body fell softly to the ground.

Shi Xiaoqian's face was pale, he clutched his chest, and said with difficulty, "What's going on?"

Boss Zhao came up, looked at him condescendingly, and said lightly: "Do you think I was giving you poison?"

"Actually, what I am feeding you is Gu worm!"

The old man in national costume stepped up and said faintly: "Under my Grandmaster-level Gu technique, you just give up struggling."

Shi Xiaoqian twitched all over, losing all his strength.

He could only watch Boss Zhao squat down and stretched his hand into his arms.

"Swish"

A cold light flashed past, and came straight to Boss Zhao.

Boss Zhao's feet seemed to be equipped with wheels, and he moved out quickly.

He looked at the depths of the forest coldly, and shouted angrily: "Who is it?"

A man dressed in white, who looked like an immortal came out.

At the same time, behind him were three guards wearing black robes and covering their faces.

Boss Zhao's pupils shrank, and he said solemnly, "Lin Kai?"

Lin Kai looked at Boss Zhao and said indifferently: "I don't care what happened to you. But, I am here to take my things."

Boss Zhao looked cold and said angrily: "Are you talking about the Jade Seal of the Kingdom? Did you know that Shi Xiaoqian stole all the antiques you bought from me."

Lin Kai raised his eyebrows and looked at the expressions of Shi Xiaoqian and the man in front of him.

However, Lin Kai still shook his head and said, "I'm sorry, it has nothing to do with me."

Lin Kai said earnestly: "Of course, you can also make an offer, and I can give you some compensation."

Lin Kai looked at Boss Zhao with a very sincere look. He really wanted to compensate Boss Zhao.

Even if Boss Zhao wants tens of billions, Lin Kai can take it out!

Boss Zhao said coldly: "Okay, give me one trillion, and I will give you the Chuanguo Yuxi."

Lin Kai's eyes were cold, and he said calmly: "It seems that you don't want to do this business. Then don't blame me for being impolite!"

Boss Zhao sneered: "Why, do you think you have the guards of the four great masters, so you can pinch me at will?"

Boss Zhao's body moved, flew up, and slammed down from the sky.

Lin Kai looked up in surprise, this man turned out to be the pinnacle of the grandmaster.

Moreover, his breath is even stronger than Li Fengyun.

The three great kings behind Lin Kai stepped forward and confronted Boss Zhao.

"boom!"

A violent explosion sounded, and the three great kings were actually repelled by one step.

Boss Zhao did not pursue the victory, but quickly turned around and blasted out with a punch.

"boom"

It burst again.

There was a muffled voice, and the tree a few meters away seemed to have been hit by something, and was directly knocked out.

Boss Zhao sneered, "You can't hide your murderous aura, you still want to attack me?"

Boss Zhao shouted loudly:

"I entangle them, you quickly take Lin Kai!"

Chapter 1834

After Boss Zhao finished speaking, he took the initiative to pounce on the three great kings.

As for the invisible hidden god, Boss Zhao didn't care either.

It's just a grand master, and it can't turn the overall situation.

Two of Boss Zhao's men, among them the middle-aged man, let out a sharp whistle, swarming in the violent wind, and pounced on Lin Kai murderously.

And the old man didn't do it, but shook his palm, and the dense piles of Gu worms shot towards Lin Kai like bullets.

This impact alone can tear ordinary people into pieces, not to mention that these are very poisonous Gu worms.

The old man sneered. If he was given the right time, he alone could kill the four guards!

"Run away, they are all masters!"

Shi Xiaoqian shouted at Lin Kai while he was vomiting blood.

Lin Kai glanced at Shi Xiaoqian in amazement. At this time, Shi Xiaoqian was still taking care of his life.

The gust of wind from the mat made Lin Kai's hair flutter backwards, and his clothes were also hunting.

However, Lin Kai's figure remained motionless, facing the attack with no joy or sorrow.

When Shi Xiaoqian saw Lin Kai's appearance, a trace of sorrow flashed in his eyes. It seemed that the man in front of him had been frightened and could not react at all.

Lin Kai sighed softly, "It's been a long time since I made a move."

In the dim forest, a pale golden light suddenly burst out.

Lin Kai seemed to be transformed into a dawn that pierced the darkness, holding a golden sun in his hands.

"Sure enough, you are not an ordinary person!"

When Boss Zhao was entangled with the four great kings, he still had enough energy to pay attention to this side.

When he saw Lin Kai's vision, he was not surprised, only his expression.

Lin Kai whispered, "Mengshen made a knife."

The small sun in Lin Kai's hand turned into a golden long sword, and it slashed directly forward.

The golden light reflected the expression on the face of the middle-aged man, so intoxicated and obsessed.

"What a nice view."

The middle-aged man gave up resistance, as if to embrace the sun and embraced the brilliant light.

"puff"

After a slight sound, the sword gas disappeared invisible.

And the middle-aged man maintained a fascinated expression and completely lost his vitality.

If you look closely, you can see a thin bloodstain on his forehead, passing through the back of his head.

And the gu worms released by the old man, like raindrops, crashed to the ground.

The old man's eyes widened, and his whole body trembled in horror.

After he screamed in fear, he shot all the Gu worms at Lin Kai.

Then he turned and fled towards the depths of the forest.

Before leaving, he glanced in the direction of Boss Zhao.

Unexpectedly, Boss Zhao reacted faster than him. Before him, he had already escaped.

The four great **** kings did not pursue them, but guarded Lin Kai's side.

Lin Kai's body was shocked, and the Gu worms were shaken to pieces.

He frowned and did not choose to pursue it.

Because, although the knife just now was powerful, it also made the fake pill in his body appear unstable. If he continues to pursue it, there will be a danger of an explosion of the Dantian.

Deep in the jungle, Boss Zhao was full of horror, vomiting blood while running away.

Just now, in order to get rid of the chase of the four great kings, he used a secret method and paid a lot of money before he ran out.

"Why is Lin Kai so strong?"

Boss Zhao looked incredulous, and murmured: "He is only in his twenties, so he can kill the Grand Master in one strike?"

"I'm afraid he has touched the threshold of Grand Master, right?"

Boss Zhao guessed in his heart.

Boss Zhao has clearly understood the direction of the great master, and can deal with the four great kings joining forces.

Lin Kai's skill is a bit stronger than him, which makes Boss Zhao feel that Lin Kai is closer to the realm of a great master than him.

As for whether he was promoted to Grand Master, Boss Zhao directly rejected it.

Because, if Lin Kai were Great Master, everyone present would not be able to run away.

"Damn it. Lin Kai, you wait and see for me!"

Boss Zhao's complexion was distorted, and the rumored country jade seal was not taken back, and he took the life of a grandmaster.

Boss Zhao has never suffered such a big loss since he went through the world.

“Hmph, as long as you are not a great master, you will die sooner or later!”

Boss Zhao sneered and disappeared deep in the jungle.

Lin opened up his mind, and after confirming that both of them had escaped, he walked slowly to Shi Xiaoqian.

Shi Xiaoqian coughed up blood, his eyes trembled.

Shi Xiaoqian resisted the pain and smiled: “I didn’t expect the little brother to be so powerful, even Boss Zhao beat him away.”

Lin Kai looked at him coldly, without speaking.

Shi Xiaoqian shook his head slightly, and said freely: “You don’t need to do it, I have not lived long now.”

Shi Xiaoqian stopped paying attention to Lin Kai. He is dying, there is no need to be afraid of anyone.

He looked at the night sky through the dense forest and said softly, “I really don’t want to die.”

“Don’t want to die? I can fulfill you.” An ethereal voice came.

Shi Xiaoqian glanced at Lin Kai, but didn’t take Lin Kai’s words seriously.

Lin Kai continued slowly: “If I can make you live, what good will I have?”

Shi Xiaoqian glanced at Lin Kai again and couldn’t help but said, “There is a Gu worm in my body, and it is now burrowing into my heart. You said it can save me? I’m dying, don’t take me just kidding!”

Lin Kai shook his head and said lightly: “Since you don’t believe it, then forget it.”

After Lin Kai finished speaking, he picked up the Chuanguo Yuxi and turned around and left.

Shi Xiaoqian’s ‘wow’ was another spurt of blood, and his eyes had a longing for life and a fear of death.

Looking at Lin Kai’s back, he finally asked with a hint of expectation: “Can you really save me?”

When Lin Kai glanced at it, Xiaoqian glanced at him and said lightly: “After about ten seconds, Gu worms will bite your heart, and then only God Immortal Daluo can come to save you.”

Shi Xiaoqian was startled, his face suddenly flushed, and he said excitedly: “Please, help me!”

Shi Xiaoqian’s eyes burst with strong hope, and he found that Lin Kai seemed to be able to see the Gu worm in his body.

Shi Xiaoqian still remembered Lin Kai’s question just now. He made a decision within a second.

Shi Xiaoqian struggled to get up, even if it was because of his actions, he spewed a few mouthfuls of blood.

Shi Xiaoqian knelt in front of Lin Kai and said, “As long as you save me, this life will be yours!”

When Shi Xiaoqian finished speaking, he couldn’t hold back and fell directly to the ground.

His eyes were loose, and he murmured, "Is it still too late..."

However, at this time, a palm was pressed on his chest.

Lin Kai's palm emits a milky white light, and his divine will penetrates directly through his body, looking at the black Gu worm in Shi Xiaoqian's body.

Lin Kai's spiritual power also penetrated in, enveloping the Gu worm.

When Lin Xinnian moved, Shi Xiaoqian broke a small hole near his heart, and the black Gu worm flew away.

Chapter 1835 Speed God

Lin Kai popped out a burst of spiritual power, smashing the Gu worm into shards.

At the moment when the Gu worm was broken, the old man who didn't know where was sprayed out a mouthful of blood.

The old man exclaimed angrily: "The Heartbiting Gu that I left in Shi Xiaoqian's body is dead."

The old man's eyes are very heartache, but the heart-biting Gu is very precious because he grew up with his own painstaking efforts.

Otherwise, when it dies, he will not be involved in vomiting blood.

He wanted to wait a few days before finding the Heart-Biting Gu, but he didn't expect it to die after only such a while.

Boss Zhao frowned and asked, "Did Xiao Qian die at that time?"

The old man gritted his teeth and said: "He must be dead. It must have been Lin Kai's autopsy before he discovered the Heart Eater Gu."

Boss Zhao nodded and said solemnly: "Don't worry, I will avenge you,"

In the jungle, Shi Xiaoqian used his steps to bandage the gunshot wound on his chest.

He grinned and said, "Good fellow, this treatment method is really simple and rude."

Shi Xiaoqian said complaints, but the joy in his eyes couldn't hide.

Lin Kai stood by, quietly watching Shi Xiaoqian bandage.

After Shi Xiaoqian was bandaged, he slowly knelt in front of Lin Kai.

Shi Xiaoqian solemnly said: "Although I am a thief, I dare not forget what I have said!"

Shi Xiaoqian banged his head three times at Lin Kai and said respectfully: "Benefactor. From today, you will be my master."

Lin Kai smiled and said, "Just call me son."

Shi Xiaoqian respectfully said: "The son."

Lin Kai nodded, and his heart moved to summon the zodiac chessboard.

Lin Kai looked at Shi Xiaoqian, and said lightly: "According to your own heart, choose one."

Shi Xiaoqian looked at this mysterious chessboard with twelve Chinese zodiac animals standing on it.

Among them, the rat, bull, dragon, and sheep have all turned bright, and the other eight are still hidden in the dark.

Shi Xiaoqian's heart moved, and he immediately understood that the four guards behind Shi Xiaoqian had chosen the four zodiac signs of Rat, Ox, Dragon, and Sheep.

"These four guards, is it because of this chessboard that they have special abilities?"

When the four guards fought with Boss Zhao, the four guards all displayed their unique skills.

Some can be invisible, some can release moves such as vitality bullets, some are powerful, and some can fly.

A trace of fire flashed in Shi Xiaoqian's eyes, and his heart became excited.

He looked at the eight Chinese zodiac beasts, a little hard to choose.

According to his thoughts, he most wanted the zodiac beast with stealth ability.

However, since it was chosen by someone, he can only choose another one.

"The son said, choose according to his own heart..."

Shi Xiaoqian muttered to himself, and no longer thought about which one was strong anymore.

He looked at the eight zodiac beasts in a daze, his mind seemed to have entered a chessboard.

I don't know how long it took, the rabbit spell on the chessboard of the Chinese zodiac beast burst into light.

The Four Great Kings gave Shi Xiaoqian a deep look and smiled.

They finally got another brother.

Lin Kai couldn't help but nodded slightly, the Rabbit Charm chose Shi Xiaoqian.

The rabbit charm burst into light, suddenly turned into a ball of light, directly submerged in Shi Xiaoqian's body.

Shi Xiaoqian did not panic, and seriously felt the power of the rabbit charm.

Suddenly, his eyes opened, and his body moved and disappeared in place.

If Shi Xiaoqian's speed before was a horse, now his speed is almost a rocket.

Shi Xiaoqian only felt that the time around him began to slow down, and the air around him was sticky like glue.

It should be difficult for him to move, but the rabbit charm gushes out a force, making the glue-like air seem to turn into water, and he is a fish in the water.

Shi Xiaoqian, within a second, his figure could appear anywhere in this space at the same time.

Shi Xiaoqian ran by in front of the four great kings, their bodies motionless, and even their eyes blinked slowly as if in slow motion.

When Shi Xiaoqian laughed, he looked in the direction of Lin Kai with a surprised expression.

If this space is a slow-moving space.

In this space, only Shi Xiaoqian and Lin Kai are normal.

At this time, Lin Kai was using his admiring gaze, turning with the extremely fast movement of Shi Xiaoqian.

“It’s worthy of being the master.”

“Thank you, master, for rewarding the rabbit spell!”

With a move, Shi Xiaoqian knelt directly in front of Lin Kai, looking at Lin Kai full of admiration.

When Shi Xiaoqian found out that he had obtained the Rabbit Charm, he became more loyal to Lin Kai.

At this time, the four great kings reacted and looked at Shi Xiaoqian in horror.

No doubt, among them, the strongest person in the future is Shi Xiaoqian.

Because if Shi Xiaoqian activated their ability, they couldn’t react at all, they would be killed by Shi Xiaoqian.

“The world’s martial arts are all invincible, but fast is not broken!” The four great kings can only sigh with emotion.

The four great kings walked to Lin Kai’s side and looked at Shi Xiaoqian in surprise.

Yu Shen asked in surprise: “How many times the speed of sound was when you activated your ability?”

Shi Xiaoqian smiled, stretched out a slap, and said triumphantly: “Five times the speed of sound! I run with all my strength, and I can run more than a thousand meters in one second!”

Yu Shen said in surprise: “No grandmaster can reach your speed now. I am afraid that only a grandmaster can catch up with you.”

Shi Xiaoqian nodded, indeed.

Boss Zhao’s current speed is like slow motion in front of him.

Of course, he lacks offensive power, and he can’t help Boss Zhao.

If Shi Xiaoqian dared to do something with him, Boss Zhao could still kill Shi Xiaoqian as long as he was infuriated.

Lin Kai nodded in satisfaction, and said, “From now on, you will be Mizuho!”

Lin Kai looked at the five people and said majestically: "In the future, there will be one more **** king. You are my five great **** kings!"

"Yes, son!"

The five great kings knelt in front of Lin Kai and shouted in unison.

Lin Kai nodded, looked at Sushen and asked, "Who were those people just now?"

Shushin Shi Xiaoqian knew everything, and replied respectfully:

"Master Hui, that person's name is Zhao Tianhai, and he is called Boss Zhao. He is the big boss behind the Dingsheng Ancient Building."

"The man behind the Dingsheng Ancient Tower?" Lin Kai said in surprise.

Lin Kai frowned, and this time he and Zhao Tianhai had already become enemies.

I don't know what kind of attitude the shadow gate is associated with Dingsheng Ancient Tower.

Regardless of his attitude, since Zhao Tianhai should deal with him, he must pay the price!

Zhao Tianhai, who had returned to his lair, was furious.

"You repeat, the Tang family is embezzling our property?"

Zhao Tianhai's eyes were blood-red, and he stared at one of his men.

Zhao Tianhai really couldn't figure out why the Tang family would do it.

Although he knew that after the return of the overseas Tang family, there would be conflicts with his business.

However, they said they would negotiate!

Now, isn't this the Tang family turning back?

Do you really think Zhao Tianhai is a bully?

Chapter 1836

The subordinate knelt directly in front of Zhao Tianhai with his legs weakened.

However, he still said tremblingly: "Yes. They said this was saying hello to us."

"good very good!"

Zhao Tianhai showed a hideous smile, his face turned distorted, and he muttered to himself: "I thought I was not in the realm of a great master, so I wanted to ride on my head and shit, right?"

Zhao Tianhai looked tangled, and finally gritted his teeth and walked into a secret room.

In the secret room, there is a computer.

Zhao Tianhai turned on the computer, and a person shrouded in darkness appeared on the opposite side.

Zhao Tianhai looked at the figure with fear, grievance and anger in his eyes!

Zhao Tianhai said stiffly: "Father, I need your help."

The black shadow exuded an icy breath, and he said coldly: "Trash!"

A trace of humiliation flashed across Zhao Tianhai's face, and he bowed his head in silence.

"Dare to insult my son, even the Tang family will have to pay the price!" the shadow said coldly:

"Hei Sha will help you, remember to welcome you!"

A joyful expression appeared on Zhao Tianhai's face, he hesitated, and said, "I still have an enemy, can you let Hei Sha help me?"

"Ok?"

Zhao Tianhai said viciously: "That person's name is Lin Kai, I want him to be broken into pieces!"

Unexpectedly, the shadow was silent and did not speak.

Zhao Tianhai showed a puzzled expression. Since his father sent Heisha, killing Lin Kai was just a matter of effort, so why did he hesitate.

The black shadow said lightly: "Lin Kai is a member of my shadow gate, a hall master!"

Zhao Tianhai was taken aback and asked unwillingly: "Then I can't take revenge?"

Soi Ying said coldly: "He is not my faction. In that case, it's just a trivial hall master, let Hei Sha take care of it. I will take care of the rest."

Zhao Tianhai was overjoyed and said sincerely, "Thank you, father."

The black shadow looked at Zhao Tianhai and said coldly: "Since you take the initiative to ask me for help, remember to come back!"

Zhao Tianhai trembled and nodded bitterly.

After the computer went out, Zhao Tianhai yelled up to the sky and roared: "Tang Family, and Lin Kai. I want you to die without a place to bury you!"

After Lin Kai went back, he suddenly saw a sign at the entrance of a pharmacy on the street.

Lin Kai frowned and walked in.

The shopkeeper happened to be sitting on the counter and asked with a smile: "Sir, what kind of medicine do you want to buy?"

Lin Kai looked at the shopkeeper, and directly took out a token.

It depicts a mountain like a dragon.

The shopkeeper's complexion changed, he quickly closed the door and greeted Lin Kai into the back hall.

After waiting for no one else, the shopkeeper knelt on one knee and respectfully said: "Subordinate Chen San, pay homage to the mountain lord!"

Lin Kai nodded slightly and said faintly: "Why wake me up, if I was discovered by the Shadow Gate, do you know the consequences?"

With sweat on his forehead, Chen San said respectfully: "Mountain Lord, the task is coming down from the top."

Lin Kai frowned. If it was a general task, the above would definitely not risk contacting him.

It seems that they are in trouble.

Lin Kai said lightly: "Let's talk."

Chen San respectfully said: "The overseas Tang family has recently returned. Their base camp is the East China Sea."

"For such a large force to return to the country, we must grasp their movements, and it is best for them to accept official supervision. Otherwise, it will become the second shadow gate and it will be a confidant."

Lin Kai frowned and asked, "You haven't sent someone to contact you?"

Chen San smiled bitterly: "The Tang family ran away for some historical reasons, and now they distrust us very much. Those who were sent have been beaten out."

"So, the above decided to send a worthy person to negotiate."

"The other mountain masters are all involved with important things, and only you happen to be in the East China Sea. So I chose you."

Lin Kai nodded and said lightly: "I know. I will figure it out."

Lin Kai returned to the villa and fell asleep.

Early the next morning, one of Lin Kai's rarely used mobile phones rang.

Lin Kai took out his phone and took a look, revealing a surprised look.

Lin Kai murmured, "What's going on. Why did the Shadow Gate contact me?"

Lin Kai picked up the phone and said coldly: "It's me."

A cold voice came from the phone, "Hei Sha went to the East China Sea. Two purposes, the first is to solve the Tang family, and the second is to solve you!"

Lin Kai frowned and said coldly: "Why, I don't seem to offend him."

The cold voice said, "Zhao Tianhai is the son of that man. After Zhao Tianhai asked, that man agreed."

With an icy light gleaming in Lin Kai's eyes, he said indifferently: "How does the Shadow Sect solve such a thing?"

There was silence over there for a while, and finally there was a slight fluctuation in his voice, saying: "After compromise with each other, you, Heisha and Zhao Tianhai will live and die in peace!"

Lin Kai sneered, and said lightly: "It's a good one to live and die!"

Knowing that there is something wrong there, he whispered softly: "If you can survive this time, the Shadow Gate will officially promote you to the leader!"

Lin Kai raised his eyebrows with a bloodthirsty smile, and said, "If you say that, I really expect him to come soon!"

There was speechless, everyone in the shadow gate was lunatic.

I thought Lin Kai was gentle and gentle, and he was a normal person.

But now it seems that Lin Kai is also a terrible lunatic!

But at the same time, he also showed a perverted smile.

The infighting between the veteran powerhouse of Shadow Gate and the new elite is very exciting when you think about it.

After Lin Kai hung up the phone, he was silently thinking.

Since Hei Sha was dispatched this time, his regiment would definitely be dispatched too.

Hei Sha is the realm of the legendary great master, with Lin Kai's current fake pill level.

I'm afraid he can't fight against Heisha.

What's more, he also has four great masters under his hand, and Wu Sheng has more than ten.

In comparison, Lin Kai currently only has five guards from the gods.

"Hei Sha's first target is the Tang family?"

Lin Kai rubbed his blue beard, his eyes flashed.

Maybe this can be used!

"Then in what capacity should I meet the Tang family?"

The delicate face flashed in Lin Kai's mind, and he suddenly had a plan.

Lin Kai called Li Fengyun.

Li Fengyun laughed and said, "My brother, I just want to call you."

Lin Kai said strangely, "Brother, what's the matter?"

Li Fengyun said excitedly, "Brother, you may be able to gather your jade, even those strange metals!"

Lin Kai also asked a little excitedly, "Where is it?"

Li Fengyun chuckled and said, "The Tang family sent me an invitation, saying that ten days from now, they will have a banquet at the Shenlong Inn and entertain the super powers of all parties."

"I've inquired. The Li family intends to do jade and antiques business this time when they return to China!"

"So, they shipped a lot of antiques and jade from abroad."

Lin Kai was surprised that Zhao Tianhai was going to fight the Tang family to the death.

Cutting off a business is like killing a parent!

Chapter 1837 Cooperation.

Donghae Province is a coastal province. Several huge ships docked at the coastline dozens of miles away from here.

On the front ship, a middle-aged man poked at the bow like a javelin.

Even if the wind blows and the rain beats, it still doesn't move.

The guards and sailors behind him all looked at this man with admiration.

The man asked slowly: "How is Ying'er preparing?"

A subordinate respectfully stepped forward and said respectfully: "Great Elder, don't worry. Miss Ying has everything ready."

The man nodded, he still had some trust in Tang Ying's methods.

"just..."

The man frowned, and said solemnly: "Just say anything."

"Yes!"

The subordinate respectfully said: "It's just an accident in Dingsheng Ancient Building. According to an insider report, Zhao Tianhai has hired foreign aid. And it's the Hei Sha in the Shadow Gate!"

The man's expression immediately became serious, and he said solemnly, "Do you know both Yinger and Arbor?"

"I have sent someone to inform."

The man frowned and immediately felt tricky.

Heisha, he had heard about it.

This is a demon who kills without blinking, and he has cultivated an evil technique.

Every time he started his hands, smoke billowed all over his body, as if infinite black evil spilled from his body.

Although men are not afraid of Heisha, their original plan to completely annex the Dingsheng Ancient Building seems to be difficult to implement!

The man murmured: "We have no retreat!"

"Big brother trusted me before sending me back to China." The man's eyes were shining, and he said firmly: "I can't let him down!"

Many subordinates behind him looked at each other one after another, seeing the worry in each other's eyes.

That Black Sha is a more terrifying existence than their great elders.

...

Lin Kai stood in front of an ancient house, admiring the architectural beauty of this ancient house.

At this time, the guards hidden in the ancient house also discovered Lin Kai.

Seeing Lin Kai's extraordinary manner, they did not act hastily.

It was reported up.

"Lin Kai, I haven't asked you to settle the account yet, how dare you come here?"

A sound like an oriole came from the ancient house.

But there was a very angry mood in that voice.

Lin Kai looked at the delicate girl with a perfect figure and smiled: "Miss Tang, I didn't expect that we would meet so soon."

Tang Ying suppressed his anger, and asked in a deep voice, "What are you doing here?"

However, Lin Kai did not answer, but continued to admire the scenery of the ancient house.

At the same time, he said in surprise: "This ancient house is already very good. Why does Miss Tang make such a fuss?"

"My pleasure!"

Tang Ying's eyebrows were erected, and she said angrily: "Since you don't say it, don't say it. Come here, punch him out!"

Lin Kai frowned, his eyes turning cold.

"Wait!"

An old man walked out from behind Tang Ying.

"Bo, why are you stopping me?" Tang Ying said dissatisfied.

Uncle glared at Tang Ying and scolded: "The visitor is a guest. You are a business man, not a bandit! In the future, how will you take over the business of the Tang family?"

Tang Ying pouted and whispered, "I'm sorry."

Aber said coldly: "You shouldn't say sorry to me, you have to tell Mr. Ye."

"Abo..."

Tang Ying was reluctant.

But Arbor's eyes became more and more severe.

In the end, Tang Ying still bowed his head and said to Lin Kai: "Lin Kai, I'm sorry. I am impolite."

Lin Kai nodded and said lightly: "Miss Tang is still young, I don't blame you."

"you..."

When Tang Ying heard this, she almost exploded again.

Where is she young?

The age is prosperous, and the figure is a perfect curve!

Humph, blind man!

Aber was afraid that Tang Ying would quarrel with Lin Kai again, so he hurried up.

He smiled and said, "Mr. Lin, the old man is the steward of the Tang family, so you can call me Tang Shui.

Mr. Lin, come here. Please come in quickly. "

Lin Kai saw that the old man was very polite, so he was naturally at ease, and also said politely: "Then bother seniors."

"Don't come if you know to disturb." Tang Ying whispered.

But under Tang Shui's stern gaze, Tang Ying still covered her mouth and laughed.

Tang Shui shook his head and sighed: "Mr. Lin laughed. Although Yinger was smart since she was a child, she was spoiled by us."

Tang Shui said apologetically: "If Ying'er offends you with anything, please don't be offended by Mr. Lin. In fact, Ying'er is a very kind girl."

Lin Kai smiled as he walked and said, "Is it kind? The industry of Dingsheng Ancient Tower has been embarrassed these few days, but the word kind is invisible."

Tang Ying raised her eyebrows, her phoenix eyes looked at Lin Kai coldly, and said, "Are you from the Dingsheng Ancient Building, come to be a lobbyist?"

Lin Kai shook his head and sighed softly, "Actually not. I'm here to cooperate with a few of you."

"Cooperation?" Tang Shui said puzzledly.

Lin Kai nodded and said lightly: "Yes. We all have a common enemy, and that is Zhao Tianhai."

Tang Ying's eyes moved, and she seemed to move slightly.

Tang Shui chuckled and said, "Mr. Lin joked. Now that you know the conflict between the Tang family and Zhao Tianhai, you should understand that Zhao Tianhai's power is already low and can't stop it."

"We only have to wait for the negotiations in a few days, and we can completely win the heyday building."

Lin Kai shook his head regretfully, and sighed: "I thought the Tang family has a lot of energy, but it seems that the information is a bit behind. Then I don't need to find the Tang family to cooperate."

Lin Kai stood up, clasped his fist and said, "If this is the case, the junior will leave."

Tang Shui's face changed a few times, and he suddenly smiled and said, "I don't know what Mr. Lin means when he says that the Tang family's information is backward?"

Lin Kai said lightly: "It's nothing. Seniors just pretend I haven't been here."

As Lin Kai said, he walked out.

Tang Ying yelled coldly: "Is the Tang family a place where you can come and leave as you like?"

Lin Kai turned around and said coldly: "The Tang family has already suffered a catastrophe. Why, do you want to make enemies everywhere?"

Tang Ying's expression changed, and she scolded angrily: "What nonsense!"

Tang Shui said solemnly, "Mr. Lin, since we want to cooperate. Let's talk frankly and honestly."

Lin Kai said lightly: "Yes, since I took the initiative to come, then I will tell you a piece of news."

Lin Kai showed a slight smile and said lightly: "Although this news, obviously you have already received it."

Tang Shui's complexion was condensed, and he was silent.

Lin Kai said in a deep voice, "Hei Sha leads the Black Sha army and will come to the East China Sea soon. At that time, the Tang family was in danger!"

Tang Shui looked ugly, and smiled reluctantly: "The Tang family and Heisha have no holidays. What is he doing with us?"

Lin Kai glanced at Tang Shui, and said in surprise: "It seems that the seniors really don't know why Hei Sha is bothering you."

Lin Kai said lightly: "Zhao Tianhai, although he is not a weapon. But he has a father, that is the master of Heisha!"

Chapter 1838 Great Master Tang Feng

Tang Shui's pupils shrank, and he glanced at the equally shocked Tang Ying.

Their faces have changed very hard to look.

Although they got the news that Hei Sha was coming, they didn't know why Hei Sha wanted to help Zhao Tianhai.

This time, they finally found out that the man turned out to be Zhao Tianhai's father.

This is more useful and worse than the news that Heisha is about to come!

Tang Ying took a deep breath, letting her chest rise and fall.

She said coldly: "What about Heisha, my second uncle will come to the East China Sea soon. I'm afraid of him if he disappears!"

"Hei Sha, of course you don't care." Lin Kai sneered: "But Shadow Gate, can you also care?"

At this time, Tang Ying was also silent.

The Tang family is also a super family that is rampant overseas, but it is slightly inferior to the Shadow Gate.

What's more, Tang Sect also encountered trouble overseas.

Otherwise, they would not return home in such a hurry!

Tang Shui also put away his smile, and said coldly: "Mr. Lin, it's not that I look down on you. With you, can you deal with Shadow Gate?"

"Hehe, of course he can deal with Shadow Gate!"

Suddenly, a voice came in outside the ancient house.

Lin opened his eyes and looked out solemnly.

The owner of the voice was still hundreds of meters away, but he could hear their conversation.

With Lin Kai's ear power, this can't be achieved.

Of course, he can also use his spiritual thoughts to achieve the same effect.

"Second Uncle is here!"

After Tang Ying heard the sound, she smiled in surprise.

Tang Shui's expression also eased and finally heaved a sigh of relief.

It seems that both of them have more backbones.

As the voice fell, a figure of a middle-aged man came directly in front of everyone.

Tang Ying jumped up and shouted affectionately: "Second Uncle."

Tang Shui also smiled and said, "Tang Feng, your kid won't come again. My old bones can't stand it anymore."

Tang Feng's eyes were sharp, but when he looked at Tang Ying and Tang Shui, they softened.

Tang Feng first exchanged his eyes with the two of them before looking at Lin Kai.

Lin Kai also looked at Tang Feng solemnly, and said to himself: "Great Master!"

Tang Feng looked at Lin Kai and said with emotion: "A hero is born a boy! Who would have thought that you should be the hall master of the Shadow Sect!"

"what!"

Tang Ying said angrily: "It really is a spy!"

Tang Feng waved his hand, looking at Lin Kai with oppressive eyes, and said solemnly: "Boy, don't you give a reasonable explanation."

Lin Kai's face was very calm, as if he couldn't feel the breath that made the grandmaster ancient martial artist shiver.

Lin Kai said calmly: "It seems that I underestimated the Tang family. You have found out my identity."

Tang Feng sighed secretly, the young man in front of him was powerful.

"A layer of identity?"

With a change of his expression, he keenly grasped the meaning of Lin Kai's words.

Lin Kai showed white teeth and smiled and said, "Yes, in fact, my deeper identity is the mountain lord of Jiulong Mountain."

Everyone looked at Lin Kai in surprise, somewhat inconceivable.

It was exaggerated that the man in front of him was the hall master of the Shadow Gate.

However, his hidden identity came from the even more mysterious and powerful Jiulong Mountain!

Tang Feng narrowed his eyes and said in a deep voice, "You are not afraid that we will reveal your identity."

Lin Kai said sincerely, "So, I am here to cooperate with you sincerely."

Tang Feng asked calmly: "How to cooperate."

Lin Kai said solemnly, "I will help you deal with Heisha. Similarly, you have to promise me two conditions."

"Oh?"

Tang Feng remained silent, looking at Lin Kai quietly.

Lin Kai said to himself: "The first condition is to help me collect some treasures. Of course, I will not give less money for these treasures."

Lin Kai presented a menu.

Tang Feng took it, glanced at it, and handed it to Tang Shui.

In fact, he rarely takes care of the Tang family's business.

Tang Shui looked at him silently for a while, then nodded slightly to Tang Feng.

There are indeed very precious and rare materials inside.

But for the Tang family, who does business all over the world, the problem is not big!

Tang Feng said lightly: "What is the second condition."

Lin Kai solemnly said: "The second condition is that the Tang family must accept the supervision of Jiulongshan."

Tang Feng's expression instantly changed when he heard these words.

His aura became violent, even Tang Ying and Tang Shui behind him couldn't resist, and they retreated.

However, Lin Kai was always calm, watching Tang Feng quietly.

Tang Feng said solemnly: "My Tang family has travelled overseas for so many years, and no one has dared to say that he wants to supervise the Tang family. Boy, you are very brave."

Lin Kai said lightly: "Domestic is different from abroad. The destructive power of ancient warriors is too terrible."

"If the ancient warriors are not restrained, it will bring disasters to the people."

"Even the Shadow Gate, dare not do anything to slaughter civilians."

"Of course, Jiulongshan can't ask about the business dealings of the Tang family. However, if the ancient warriors of the Tang family want to act, they must report to Jiulongshan."

"For example, this time. You are going to entertain all powerful parties in the Shenlong Inn. If you fight with Zhao Tianhai or even Heisha. How much disaster will it bring to the surrounding people?"

Lin Kai said decisively: "So, we will never allow this to happen!"

Tang Feng groaned: "Then we always have to negotiate."

Lin Kai smiled and said faintly: "In half a month, the Donghai Province Underground Martial Arts Association will be held. At that time, all parties will show up."

"That day was also the time for all forces in the East China Sea to re-divide their territory."

"So, why not resolve your confrontation together on the day of the martial arts club."

"Also let people in Donghai and even the whole country know that your Tang family has returned!"

Tang Ying couldn't help but asked: "You Jiulong Mountain prides itself on the official orthodoxy, don't you allow death fights?"

Lin Kai said with a faint smile: "Where there is light, there is darkness. Since the evil in people's hearts cannot be completely wiped out, then we must control it within a reasonable range."

Tang Feng pondered for a while, but Lin Kai didn't speak any more, letting him consider it on his own.

Tang Feng said lightly: "In fact, even if the Tang family does not accept the supervision of Jiulongshan, Jiulongshan will know our whereabouts."

Lin Kai was noncommittal.

"last question..."

Tang Feng's eyes were sharp, he looked at Lin Kai deeply, and asked in a deep voice, "Why can I trust you, you can deal with Heisha!"

From the beginning, Lin Kai had passively endured Tang Feng's momentum.

At this time, he finally let go of his breath completely.

This is different from the aura of the ancient martial artist, and it is the spiritual pressure that belongs to Lin Kai alone!

"boom"

The two auras collided, directly causing all the objects in the room to be torn and shattered.

A small tornado slowly took shape between the two.

The space between the two seemed to be distorted, and anything that entered it would be torn to pieces.

Lin Kai was very energetic and said loudly, "Is this enough?"

Tang Feng stretched out his hand and laughed, "Then I wish us a happy cooperation!"

Lin Kai smiled, shook Tang Feng's hands, and said solemnly, "Happy cooperation!"

Chapter 1839

After deciding to cooperate, the atmosphere of the meeting room became more peaceful.

Tang Feng said with emotion: "Brother Lin, you have such a martial arts cultivation level at a young age. It's really incredible."

Tang Ying curled her lips and said dissatisfied: "Uncle, you call him Brother Lin, then I will be a generation shorter. I want to be called a nephew!"

Seeing Tang Ying's angry look, all the people present burst into laughter.

It made Tang Ying even more angry, trying to fight them hard.

"Haha, Ying'er. You can't beat any of us." Tang Feng laughed and said, "If you want revenge, you should practice hard."

After talking and laughing, Tang Feng's expression became serious, and he said seriously:

"Brother Lin, Tang is deeply impressed by your martial arts cultivation level. But if you want to defeat Heisha, I'm afraid it will be difficult."

Lin Kai nodded, with his current realm of fake pill, let alone defeating the black evil spirit, after a long time, he might be counter-killed by the black evil spirit.

Even if Heisha couldn't help him, the fake pill would be a mess because of the instability of spiritual power.

Lin Kai also said earnestly, "Can you prepare the menu I gave to Uncle Tang in three days?"

Tang Feng raised his eyebrows and glanced at Lin Kai deeply.

Lin Kai suddenly talked about this now, it seemed that those things would be helpful to Lin Kai's martial arts.

However, Tang Feng was clever and didn't ask the bottom line.

He turned his head and asked softly: "Aber, can it be done?"

Tang Shui nodded and smiled: "No problem."

Lin Kai smiled and promised: "Uncle Tang, don't worry. I will definitely buy it at the original price."

Tang Feng waved his hand and said with a faint smile: "These are all trivial matters."

Lin Kai had a few more conversations with a few people before leaving.

The Tang Family's speed was even faster than he imagined.

On this day, Tang Ying called Lin Kai.

"Lin Kai, are you at home? I have arrived at Dongxian Mountain."

Lin Kai asked suspiciously, "What are you doing here?"

On the mobile phone, Tang Ying's smooth forehead blue veins jumped a few times, and he roared angrily: "What are you doing here? Did I miss you?"

Lin Kai smacked his tongue and said embarrassedly: "Miss Tang, I have a fiancée..."

"Ah, I want to kill you!"

Lin Kai hurriedly said with a smile: "Stop making trouble. I'm in the villa. Come on here."

"Humph!"

Tang Ying hung up the phone angrily, turned around and said, "Come up with me."

Tang Ying drove a supercar, followed by a small van.

The two cars drove all the way to the top of Dongxian Mountain.

After reaching the top of the mountain, Tang Ying looked at the beauty of the steaming clouds, her small face was difficult to look.

She looked at Lin Kai and said angrily: "You are a big man, what are you doing in such a good place?"

Since Lin Kai had already cooperated with the Tang family, naturally he would not care about Tang Ying. After all, he bought the villa.

Lin Kai smiled and said, "Actually, I don't have any requirements for a place to live, but this is conducive to my cultivation. Therefore, I am bound to win."

Tang Ying nodded, she is also an ancient warrior.

Naturally, I know that in a place with a good environment, practice will get twice the result with half the effort.

She didn't know the specific principle.

According to her elders, there are free energies in the heavens and the earth, and humans can absorb them passively.

Tang Ying rolled her eyes and asked, "Are you buying these things for spiritual practice?"

Lin Kai said lightly: "Yes. I'm here to arrange the formation."

"What is the formation?"

Tang Ying's eyes were blank, and she felt that she had touched her blind spot of knowledge.

Lin Kai explained indifferently: "In ancient military operations, formations were always arranged, which can strengthen the combat effectiveness of the military."

"And what I set up is a magic circle, which can strengthen my speed of practice."

Tang Ying blinked innocently and said cutely, "Then I can see how you set up the magic circle?"

Lin Kai glanced at Tang Ying with a smile.

If you really think of Tang Ying as silly, white and sweet, and think that Tang Ying is really just curious, then she has sold her and counts the money for her.

However, Lin Kai smiled and nodded, and said faintly: "As long as I don't bother me to set up the magic circle, you can watch it as you like."

"Hehe, this fool."

Tang Ying chuckled inwardly, but felt a little sorry for Lin Kai.

Lin Kai trusted him so much, but she took advantage of Lin Kai's trust.

Of course, Lin Kai is not stupid, and the reason why he allowed Tang Ying to be on the sidelines.

It was because of the magic array that she had no use to learn it secretly, and only the cultivator could arrange the array.

And in this world, only he himself is a cultivator.

When the Tang family realized that they couldn't set up the magic circle, and saw the power of the magic circle, the Tang family would definitely be unbearable.

At that time, he can cut wool.

Lin Kai and Tang Ying looked at each other and both showed their white teeth and smiled happily.

Lin Kai looked at Tang Ying and said, "Just let your people help me decorate."

Tang Ying nodded happily.

Lin Kai piled all the jade in front of him.

Everyone looked at all kinds of jade, but they were all top quality jade, and they couldn't help swallowing saliva.

If this is just a piece, it will be enough for them to eat and drink for ten years.

But there are four to five thousand pieces of jade like this.

Even Tang Ying saw a green light in her eyes.

She grinded her little tiger's teeth and hummed: "If I can't beat you, I'll **** you!"

Lin Kai ignored Tang Ying, but sat down cross-legged.

He moved his spiritual energy, and a milky white light came out through his body.

Wrap all the jade.

Many jade stones trembled and floated in front of Lin Kai's eyes.

When Lin Xinnian moved, his spiritual thoughts were divided into thousands, each wrapped in a piece of spiritual stone.

All the jade stones were polished by the huge spiritual energy just after the sound of 'Shusha' sounded.

Layers of powder fell down, and soon a small bag of soil was piled up.

Everyone looked at the magical scene in front of them, and their eyes widened.

One of his hands swallowed his saliva, and said, "Can the Grand Master do this?"

"It should be possible." One of them hesitated and looked at their eldest lady.

Tang Ying looked a little solemn, she came from the Tang family, and the Grand Master was very mysterious to other people.

However, for her, she can see it every day.

She can say with certainty that the Great Master cannot polish thousands of jade stones at the same time as Lin Kai did.

I'm afraid that one hundred yuan is the limit.

Who is Lin Kai and why can he do such an incredible thing?

Tang Ying blinked her big eyes, and for the first time became curious about Lin Kai.

Lin Kai didn't dare to polish the jade in one go because of the unstable aura in his dantian.

Instead, he took a few breaks before polishing all the jade.

When everyone saw that Lin Kai also needed to rest, they breathed a sigh of relief and wiped the sweat on their foreheads.

It seems that at least Lin Kai is still alone.

In the brilliant sun, all the jade exudes a bright light.

They were all polished into exactly the same size by Lin Kai's spiritual power.

Chapter 1840

Lin Kai put those rare materials in front of him.

Everyone looked at the various materials in front of them, and most of them didn't recognize them.

Lin Kai ignored everyone, wrapped up the materials one by one, and began to refine.

Arranging the formation is more troublesome at this point.

Treasures must be refined to circulate aura.

After half a day, Lin Kai finally completed the preparations.

Seeing Lin Kai standing up, Tang Ying and her men who were boring and falling asleep finally came to their minds.

Lin Kai smiled apologetically: "Everyone, I've been waiting for a long time."

Tang Ying shook her small hand again and again, and urged: "Hurry up and arrange the formation. If you need it, just talk."

Lin Kai nodded, and instead of being polite with Tang Ying, he directly ordered.

According to Lin Kai's instructions, everyone placed all the jade and treasures in corresponding positions.

After Lin Kai waited for everyone to arrange, he sat up again.

A three-inch jade seal was suspended in front of his chest. Under the impetus of Lin Kai's spiritual power, this jade seal bloomed with bright pale golden light from inside to outside.

There was a hint of surprise in Lin Kai's eyes, Yuxi itself was slightly bluish, but it actually exuded a pale golden light.

Moreover, there seems to be a golden dragon flowing in the Yuxi.

Every time it swims, it stirs the surrounding aura and rolls up.

Lin Kai was overjoyed, and Chuan Guo Yuxi was indeed suitable as the core of the Spirit Gathering Array.

Moreover, Lin Kai suddenly thought that with the rank of the Jade Seal of the State, I am afraid that he could be the core of multiple formations.

In the future, Lin Kai set up a large formation to protect the mountain, which can also be used as the core.

“Pass the country’s jade seal!”

Tang Ying’s pupils shrank slightly, and her mind vibrated.

The legendary Jade Seal of the Kingdom was actually in Lin Kai’s hands.

Lin Kai closed his eyes slightly, and his hands formed complex marks. The marks fell in the air and directly formed golden runes.

Everyone’s mouths were wide open, and they looked silly.

Even Tang Ying opened her sandalwood mouth, revealing her pink tongue.

One by one, golden runes were continuously printed on the Chuanguo Jade Seal, and the light of Chuanguo Jade Seal became more and more radiant.

The golden wandering dragon inside seemed to emit bursts of pleasant whistling noises, constantly tumbling.

“puff”

Suddenly, Lin Kai opened his eyes, his face flushed, and he spit out a mouthful of blood containing rich vitality, sprayed on the Jade Seal of the Chuan Kingdom.

Tang Ying covered her small mouth and couldn’t help becoming nervous for Lin Kai.

However, she didn’t dare to disturb Lin Kai, so she clenched her fists anxiously.

She didn’t know that this was Lin Kai’s heart and blood, and he vomited it out on his own initiative.

After Yu Xi was poured with Lin Kai’s heart and blood, all of it actually leaked in.

The golden eyes of the wandering dragon in Yuxi flickered a few times before swallowing Lin Kai’s blood.

“Ok?”

Now, even Lin Kai was a little surprised.

According to the Daquan Array, the core of the Array can be more fulfilling after being practiced with blood sacrifice.

However, his blood was swallowed by the hazy, indistinct golden dragon.

Lin Kai was a little bit dumbfounded. Could it be that he was spitting out blood?

Just when Lin Kai was upset, Chuan Guo Yu Xi suddenly trembled violently.

The golden dragon inside was like waves, tumbling violently.

The golden light blooming on the Jade Seal of Chuan Country is getting brighter and brighter.

Although it is daytime, you can clearly see the golden light blooming from the top of Dongxian Mountain dozens of miles away.

“Dongxian appeared?”

Many people down the mountain were taken aback and began to worship Dongxian Mountain.

And some family disciples were shining in their eyes.

“Could it be that there are treasures in this world?”

Thinking of this, some began to contact their families, and some quickly came directly towards Dongxian Mountain.

Tang Ying also noticed that the movement in front of him was too great, which might cause a great sensation.

Tang Ying saw that Lin Kai could not be cloned, so he took out the phone and started talking.

“Second Uncle, come on. There is a big vision in Lin Kai’s Dongxian Mountain, I am afraid it will attract people with ulterior motives.” Tang Ying said anxiously.

Tang Feng was taken aback, and said solemnly, “Where is Lin Kai?”

Tang Ying’s eyes were full of anxious expressions, and she said quickly: “He is in the formation and can’t be distracted.”

Tang Feng didn’t ask any more, he said solemnly: “I’ll be there soon!”

After Tang Ying hung up the phone, she said in a deep voice, “You are scattered around the top of the mountain, and no one is allowed to climb the mountain!”

“Yes, miss!”

Everyone flew away dignifiedly.

Lin Kai suddenly felt connected with the golden dragon inside.

The golden wandering dragon seemed to be a living creature, like a real dragon.

Lin Kai could feel its joy.

I don’t know how many years have passed before it can finally see the sky again.

Lin Kai felt Jin Long’s joy and admiration for him.

After Lin Kai felt these sincere emotions, he couldn’t help showing a faint smile.

Tang Ying, who was next to him, felt dizzy. Why did she find Lin Kai’s smile so beautiful?

Lin Kai felt that the current Chuanguo Yuxi was no longer an object, but became his magic weapon.

Lin happily thought, the Chuan Guo Yuxi burst out with brilliant light again.

And this time, it was accompanied by strong coercion, sweeping across all directions.

Tang Ying's face was pale for a while, and she was pushed away embarrassedly.

Lin Kai didn't notice everything in the outside world, but all his mind was poured on the Jade Seal of Chuanguo.

Lin Kai's expression was serious, and he made a series of complicated marks, and once again shot into the jade seal.

"Om"

Brilliant golden light shot out from the Chuanguo Yuxi, and the light shot straight into the sky, jetting into the air, like a fountain, bursting in all directions.

Under the manipulation of Lin Kai's Spiritual Mind, the golden light all fell into the jade and the treasures of heaven and earth.

"Om"

This time, even all the jade radiated brilliant golden light.

The entire Dongxian Mountain exudes brilliant golden light.

Now, whether it was the people on the mountain or the people who came quickly from the mountain, they were all dumbfounded.

"Is this really a miracle?"

Even the ancient warriors wondered if Dongxian had really returned.

This time, all the forces could not sit still.

Those hidden old monsters, as well as some of the hidden families, shot towards Dongxian Mountain at an indescribable speed.

"Asshole, how come you make such a big movement!"

Tang Ying was almost crying, and she couldn't control this scene now.

Lin Kai didn't know what he had caused.

Relying on the jade seal of Chuanguo, his spiritual thoughts can feel all the fluctuations within a radius of several thousand meters.

He could feel the free spirit between the heaven and the earth, like birds returning home, all attracted, and then incorporated into the Jade Seal of the Kingdom.

After a while, there was a faint white mist rising around the Jade Seal of the Chuan Kingdom, making the top of Dongxian Mountain more and more like a fairyland.

Lin Kai opened his eyes and showed a sincere smile.

"It's done!"
