

Special Forces 1881

Chapter 1881

Lin Hong glanced at Lin Hu and said with a smile: "My nephew, please enter the villa for a comment."

Lin Kai's face was indifferent, and he said coldly: "No need, tell me where Lin Xueer is?"

Lin Hong's face was ugly, and his expression was a little unhappy.

Everyone in the Lin family also looked serious, and their complexions were very tight.

They didn't think that Lin Kai was so shameless to their Patriarch.

In their hearts, Lin Hong is like a god.

If it's someone else, everyone in the Lin family will come forward to theory without hesitation, even desperately.

However, the young man who is talking now is another god.

None of them has the qualification and ability to intervene in the conversation between the Patriarch and Lin Kai.

However, under their solemn expressions, there was a faint expectation that they hadn't noticed.

Lin Hu's face was shaking, and he looked at Lin Kai with a moved expression.

He did not expect that when he was desperate, the appearance of this young man turned out a glimmer of light in his sinking into the abyss.

Now everyone's eyes fell on Lin Hong.

Faced with Lin Kai's aggressive attitude, how would Lin Hong choose?

Based on everyone's understanding of Lin Hong, their Patriarch is a majestic and uncompromising person, very domineering.

Even in the face of other great masters, he is very domineering, and no one can change what he decides.

Everyone looked at Lin Hong's increasingly icy expression, secretly saying that the family chief was furious.

Lin Hong walked to Lin Kai's face blankly, Lin Kai did not flinch, and stared at him coldly.

"Are you going to fight?"

Everyone looked excited, and a little worried about their own stability.

They all knew about Lin Kai's record of beheading the two great masters, but they also had confidence in Lin Hong.

Because, I don't know where the rumors came from, they are all saying that Lin Hong is the strongest existence of the five great masters in Donghai Province.

This rumor has been circulating for a long time, and none of the great masters actually refuted it.

This makes them more confident in the strength of the Patriarch.

Lin Hong coughed lightly and said in a low voice, "My nephew, give me some face. There are some things that are not suitable to be told outside. How about asking the villa?"

Hearing Lin Hong's soft words, everyone in the Lin family almost flashed their waists.

Especially Lin Yun looked at Lin Hong with an unbelievable look.

He didn't expect that Lin Hong, who had always been domineering, would actually be subdued in the face of a junior.

This made him feel like the worldview collapsed in his heart.

Lin Hong naturally noticed the strange expressions of everyone, but his heart did not fluctuate at all.

How would they know the magic of the Spirit Gathering Array and what it will bring to the Lin Family.

If the Lin Kai had a quarrel, then the Lin family might become the only family in the super family that did not have a spirit gathering formation.

If things go on like this, the Lin family will inevitably be eliminated.

So, now he just bowed his head to Lin Kai, how could he hesitate?

Lin Kai pondered, saw Lin Hong's pleading gaze again, and finally nodded slightly.

He said lightly: "Let's go then. Call Uncle Lin Hu with him."

Lin Hong nodded, beckoned to Lin Hu, and said solemnly, "Second brother, let's go together."

Lin Hu arched his hands and followed them in silence.

Unexpectedly, Lin Hong and Lin Kai said a few words, and they took off directly to the villa on the mountain.

Behind, Lin Hu's expression was stunned, his expression slightly distorted.

Many Lin family disciples hurriedly lowered their heads, reducing the smiles that appeared on their faces.

Lin Hu looked at the two distant figures enviously, and could only sullen his head and quickly ran up the mountain.

In the meeting room, a few people sat together.

Lin Kai's expression was indifferent, drinking tea without speaking.

At this moment, Lin Hong hadn't spoken yet, but Lin Hu looked at Lin Kai and asked, "Lin Kai, before I talk about Xue'er, can I ask you a question?"

Lin opened tea and said softly, "Excuse me."

Lin Hu asked in a deep voice, "Why do you care about Xue'er? Is it because she looks beautiful and covets her beauty?"

"When you see Xue'er, are you going to take her away? As your forbidden?"

Speaking of this, Lin Hu's rough face could not help but exude a trace of evil spirits.

Her daughter is never allowed to be taken as an object and robbed.

Lin Hong frowned and scolded: "Second brother, pay attention to your tone! Now, in front of you is a great master!"

Lin Hu pursed his mouth, but was silent, still looking at Lin Kai fiercely.

Lin Hong's brows furrowed tighter and tighter, and the expression on his face became solemn.

He finally coaxed Lin Kai into the villa, but he couldn't let Lin Hu offend Lin Kai like this.

Lin Kai waved his hand, and said calmly: "I met Lin Xueer and I hit it off right away. She is my good friend and I respect her very much."

Lin Hu carefully looked at Lin Kai's expression, his expression finally eased.

He said dully, "Thank you for your confusion."

Lin Kai nodded and asked calmly: "Let's talk about it, what happened."

Lin Hong said solemnly: "I wonder if my nephew has heard of Xuanyin School?"

"Xuanyin Sect?"

Lin Kai's expression changed, and he said solemnly: "This is a very mysterious sect. It seems that it has been passed down for thousands of years on the land of China."

When he was in Jiulong Mountain, the owner of the mountain mentioned Xuanyin Sect to him.

In China Land, Shadow Gate is the most active and powerful dark organization.

However, hidden in the depths of darkness, there are many very mysterious and ancient sects or families.

These forces are far from the world, but they have terrible power.

Especially, in recent years, after the resurgence of Reiki. These forces also seemed to have moved the hearts of the people and began to move.

They seem to have been waiting for this era.

The Jiulongshan forces spread throughout China, but they know very little about these sects.

Some forces only know the name, and some forces don't even know the name.

Among them, Xuanyin Sect is the name of the power that Jiulongshan learned after sacrificing the life of a master.

As for who is in this force, there are no masters.

Now, Lin Hong suddenly talked about Xuanyin Sect. Is Lin Xueer's disappearance related to Xuanyin Sect?

Lin Hong said solemnly, "Xue'er was taken away by the Xuanyin Sect."

"Take it away, what do you mean?" Lin Kai asked coldly.

Lin Hong said solemnly: "Xuanyin sect came, and said that a big figure was interested in Xue'er's aptitude and wanted to accept her as a disciple. So, he took her away."

Lin Hong sighed, and said with a hint of disbelief in his expression: "Actually, eighteen years ago, when Xue Er was born, people from the Profound Yin Sect suddenly appeared."

"They said, don't let Xueer practice ancient martial arts, and take Lin Xueer away after 18 years."

"After so many years, I didn't expect the people of Xuanyin Sect to really come."

Lin Kai frowned and said coldly: "Are you all rubbish, just let Xueer be taken away like this?"

Chapter 1882

Lin Hu clenched his fist and muttered, "It's all my father's uselessness that made this happen."

Lin Hong said solemnly: "I am the head of the family, and I have more responsibility and obligation to protect family members. This is not your fault, it is my fault!"

Lin Kai said impatiently: "If this is the case, why let Xue'er be taken away?"

Lin Hong sighed helplessly, and said, "If the two great masters come to the door in person, come and bring people. Nephew, what do you think I can do?"

"Two great masters?"

Lin Kai's expression was solemn, which he hadn't expected.

Lin Hong said painfully: "Although Xueer is only my niece, she is innocent and innocent. What is the difference between her and my daughter? However, I can't bring the Lin family into a deadly place for Xueer!"

Lin Kai pondered, as if thinking about something.

Lin Hong glanced at him and suddenly said, "By the way, they seem to be going to pick up another person. They probably haven't left the East China Sea yet."

Lin Hu's expression moved, his lips squirmed several times, but he still didn't say anything to ask Lin Kai for help.

He didn't have this face, let Lin Kai help.

After all, they are two great masters, not to mention that there is a huge creature like Xuanyin Sect behind them.

A sneer appeared at the corner of Lin Kai's mouth. Is Lin Hong trying to kill someone with a knife?

It's just that in Lin Hong's heart, whether he is the knife or the Xuanyin Sect is the knife, this is very interesting.

Lin Kai asked calmly, "Where are they now, tell me."

Lin Hong was taken aback and hurriedly stopped and said, "Xian nephew, don't do stupid things. Xuanyin Sect is not easy to provoke."

Lin Hu also looked shocked. Is his daughter so charming?

Make Lin Kai so obsessed?

Knowing the power of Xuanyin Sect, he even dared to **** Xueer back?

Lin Kai said lightly: "You don't have to worry about it, you just need to give me the address."

Lin Hong nodded and said, "These two great masters did not hide their traces. They should have gone to a small family in Dongwan City. There seems to be someone to pick up there."

"Dongwan City?"

Lin Kai's expression moved, and Dongwan City was the city where his maid Qian Lian'er was located.

I don't know, how is she now?

Lin Hong wrote down an address and said, "That family is just a mortal family. I don't know who was lucky enough to be favored by Xuanyin Sect."

Lin Kai didn't refute Lin Hong's words. To most people on the earth, this was a matter of a carp leaping over the dragon gate.

But, Lin Xueer, this lovely little girl, would you like it?

Lin Kai stood up and said lightly: "Let's go."

Lin Hong was taken aback, and reluctantly said, "Shall we go find those two great masters together?"

Lin Kai sneered. Seeing Lin Hong's behavior, he didn't plan to bring Xueer back.

Lin Kai said lightly: "Go and turn on the Spirit Gathering Formation. If you don't need it, then I will leave."

"Need, need." Lin Hong said quickly.

Lin Hong walked outside, as he did in the Tang family, and opened up a gathering formation for the Lin family in the same way.

Many disciples of the Lin family saw such a miracle for the first time, and they couldn't help but marvel at it.

Their awe of Lin Kai grew thicker.

After Lin Kai started the Spirit Gathering Formation, he didn't care about Lin Hong's retention, and went straight down the mountain and left.

Staying in the Lin family, the family that had this blood relationship with him, was far less comfortable than in the Tang family.

Lin Hong stood on the top of the mountain, feeling the gathering of a trace of aura, and a light flashed in his eyes.

Standing with his hands behind him, he looked down the mountain and said calmly: "Will he go and bring back Xue'er?"

Lin Yun stood behind Lin Hong and did not reply.

Lin Hong said calmly: "Why, did you disappoint your father?"

Lin Yun said solemnly: "My boy doesn't dare. My boy just doesn't understand, do you need to be so accommodating to Lin Kai?"

Lin Hong exhaled, a white practitioner resembling a giant python, directly spitting out several tens of feet away.

Lin Yun's eyes widened, and his expression fluctuated violently.

He is not an ordinary ancient warrior, he is a master.

He also knows a little about what kind of ability the great master has.

A great master can spit out dozens of feet away with just one breath?

Moreover, looking at its power, there is a building in front of it, which can blow directly out of the sky.

It is impossible for the Grand Master to do this!

Lin Hong's eyes were gleaming, like two giant searchlights.

He whispered to himself, "Lin Kai, don't let me down. Otherwise, I can only kill you!"

Lin Yun's expression trembled, looking at his father standing proudly in front of him, his eyes gradually became frenzied.

A few dozen miles away, Lin Kai suddenly turned around and looked at the mountain range of the Lin family.

He frowned and muttered to himself solemnly: "I seem to feel a wave of energy, is it my illusion?"

Lin opened up his mind and felt it carefully for a while, but found no abnormalities.

He shook his head, then turned and left.

"As the owner of Jiulong Mountain, I need to see the Xuanyin Sect."

"Does it continue to hide, or choose to be born?"

This is related to the safety of the entire China, and he has to be vigilant.

Therefore, whether it was for Lin Xueer or China, he had to meet these two great masters.

Lin Kai murmured: "Hope, it's a friend but not an enemy."

This idea just appeared, and suddenly I heard the prompt sound of the system.

"Ding, take Lin Xueer back safely and get rewards randomly."

Lin Kai's expression froze suddenly, and he gave a wry smile.

The system directly arranged such a task for him. It seems that he might be an enemy of Xuanyin Sect?

Of course, if the Xuanyin Sect continues to hide from the world or accept supervision after birth, why not give up this task?

Lin Kai flew all the way, far faster than any aircraft, reaching three times the speed of sound.

If it weren't for Lin Kai's spiritual power to control the power of heaven and earth, everyone would hear a huge roar.

Looking up at the sky, a white line suddenly appeared, leading straight to the sky.

This was Lin Kai's first full flight, and he only felt the pleasure of allowing him to travel around the world.

The heaviness facing the Xuanyin Sect also disappeared.

After arriving in Dongwan City, Lin Kai slowed down and flew towards the city while adjusting his breath.

East Bay City, downtown.

Zhou Haiting is a well-known billionaire in Dongwan City, and his Zhou family has also risen and become a very famous family there.

However, Zhou Haiting is not satisfied with this. He wants to make his business in Dongwan City, enter the market of Donghai Province, and even the national market.

But soon he was awakened by a head-on blow.

He learned about the existence of ancient warriors, and a family without ancient warriors can't grow bigger at all!

Just when Zhou Haiting lost hope, his life-saving straw appeared!

Two mysterious men fell from the sky!

This made Zhou Haiting pale in shock, and then he was overjoyed.

Without saying a word, he directly used all the material and manpower of the whole clan to offer the two men gourmet food, beauties, and boxes of gold bars.

The two great masters of the Xuanyin Sect were directly stunned on the spot, and there was a trace of bewilderment in their eyes.

A question mark appeared in their hearts.

What is this unfolding method?

Chapter 1883 Zhou Yitian

There are more than twenty beauties in the two rows, all with their own characteristics.

They all looked at the two great masters tenderly, and water dripped in their eyes.

At this moment, a head stretched out from behind the two.

An overwhelming face appeared in front of everyone.

In an instant, the scene of blooming flowers became thriving.

These beauties seemed to have become the foil for this girl, and they became eclipsed.

Zhou Haiting saw that these two mysterious people were not interested in all the beauties, and the girl behind them was too perfect.

He decisively decided to withdraw most of the beauties.

Only two beauties who had two mysterious people paused on them for a few seconds were left.

He bent over and walked up to the two great masters like a pug.

He bowed deeply and said flatly: "Two distinguished guests welcome the door, please come in quickly."

The two great masters nodded slightly, and did not rush to take people away, but entered the living room.

In the living room, a round table that occupies most of the living room is placed in the middle.

A waiter kept serving delicious dishes.

The two great masters glanced at each other and smiled imperceptibly.

This Zhou Haiting is an interesting person.

They were not polite, and before Zhou Haiting could speak, they directly sat on top of the golden horse.

Next to them, two girls are pouring wine and vegetables for them.

They looked leisurely and feasted on them.

After drinking for three rounds, Zhou Haiting handed over and asked softly: "I don't know what the two distinguished guests are doing. No matter what, Zhou will do it for his life!"

One of them sneered and said calmly: "Oh, does it include taking your life?"

Zhou Haiting hurriedly said with a flattering smile: "It's not worth anything, if you can make two distinguished guests look at it, please take it."

Another person waved his hand indifferently and said, "We are here this time to pick up people. Is there a boy named Zhou Yitian in your family?"

Zhou Haiting's expression changed, and Zhou Yitian was his son.

Zhou Haiting asked cautiously: "I wonder if there is anything wrong with the two sons who are looking for me?"

"Zhou Yitian is your son?"

Hearing Zhou Haiting's words, the two great masters gave Zhou Haiting a straight look.

One of them said calmly: "Don't worry, it's a good thing. Your son has a relationship with our sect, this time we are here to pick him back to the sect."

Zhou Haiting was taken aback for a while, what kind of sect, what is predestined.

Although he knew these two words, he didn't understand what it meant at all.

However, he knows one thing, that is, you must not violate the wishes of these two ancient warriors who can fly.

After he knew the ancient warrior, he frantically inquired about the ancient warrior.

No one has seen such a thing as flying.

Therefore, he knew that the level of these two ancient warriors must be very high.

Zhou Haiting didn't hesitate much, so he ordered people to call his son.

After a while, a gentle-looking teenager walked in from outside.

He lowered his head slightly, making it impossible to see his expression clearly.

Zhou Haiting frowned. This son was his least favorite son.

Since childhood, Zhou Yitian has been very precocious and looks feminine. People who don't know think he is a girl.

However, Zhou Yitian's heart is very vicious.

He had seen Zhou Yitian abuse and kill animals more than once, and he showed a cruel smile.

At first Zhou Haiting didn't care.

However, Zhou Yitian soon scratched his classmate's face with a knife at school.

This made Zhou Haiting very angry and unhappy.

From then on, he shut Zhou Yitian at home.

Fortunately, Zhou Yitian also likes to be quiet, and has never asked to go out for so many years.

After Zhou Yitian walked in, he stood there quietly and said nothing.

The two great masters looked solemn and looked up and down Zhou Yitian.

Lin Xueer also stretched out her head and looked at the young man curiously.

The teenager looked a few years younger than her, but heard from the two great masters that he seemed to have the same physique as her.

A trace of empathy appeared on Lin Xueer's face, and she asked softly, "Is it painful at the beginning of each month?"

Zhou Yitian suddenly raised his head, revealing a pair of narrow and gloomy Danfeng eyes.

He looked at Lin Xueer, squinted slightly, and said, "You have the same physique as me."

He didn't ask Lin Xueer, but used affirmative sentences.

He looked at the two great masters, and met the two great masters without a trace of fear.

A ray of light flashed across Zhou Yitian's calm eyes, and he asked with a little excitement: "Who are you who came to me, right?"

A great master asked with great interest: "Why are you here?"

A trace of arrogance flashed across Zhou Yitian's face, and he said calmly, "At Zhou's house, all but me are rubbish."

"And I am destined to be no ordinary in this life!"

"On the contrary, if you want to take me away, I have to consider whether you have this qualification."

Zhou Yitian's tone was arrogant, and his feminine temperament suddenly changed, becoming arrogant and unruly.

It seems that in the presence, no one can enter his eyes.

"Bastard! How did you talk to a distinguished guest?"

Zhou Haiting was furious, sweat broke out on his anxious face.

It would be miserable if you offend these two masters because of this stupid son.

In a rage, he strode forward, raised his slap and slapped it down fiercely.

Zhou Yitian sneered slightly, facing his father's slap, without even blinking.

"presumptuous!"

A great master sipped coldly.

A stream of air directly sprayed out of his mouth, forming a tornado and blasting directly on Zhou Haiting's body.

The tornado swept across Zhou Haiting and flew directly into the sky, spinning rapidly in the air like garbage.

"Senior, spare your life!"

Zhou Haiting yelled in fright in the air, his face full of fear.

Zhou Yitian looked at it with interest, an expression of excitement appeared in his eyes.

Can you do this with just a breath of breath?

There was a trace of desire in Zhou Yitian's gloomy eyes, which was a desire for strength.

The great master asked faintly: "How is it, is it qualified?"

Zhou Yitian asked curiously: "Are you strong?"

The great master showed a trace of pride on his calm face, and said: "On this land, few people are qualified to be my opponents. And your future masters will be as powerful as gods."

Zhou Yitian bowed his head and began to ponder.

Lin Xueer interrupted them and said eagerly: "Don't talk about it for now, this uncle has fainted, let him go quickly."

Grand Master frowned and was very dissatisfied with Lin Xueer.

How could a disciple of the Xuanyin Sect be so weak? It's just the life of an ant, so why bother.

He looked at Zhou Yitian and asked faintly: "What to do with your father."

Zhou Yitian recovered and said indifferently:

"Oh, kill it."

Chapter 1884-Entering the Forbidden City

"what?"

Lin Xueer's eyes widened, and she looked at Zhou Yitian in shock.

Lin Xueer said loudly: "What are you talking about, this is your father."

Zhou Yitian raised his head in doubt, and said in surprise: "What's the matter then?"

Zhou Yitian said indifferently: "Kill you kill, just one life. All beings are equal before me, and the so-called father is no exception."

"Haha, good point!"

The two great masters laughed loudly, with joyful expressions on their faces.

To be honest, Lin Xueer's character disappointed them a bit.

However, Zhou Yitian unexpectedly met their appetite and was also suitable for survival in Xuanyin Sect.

Such a person will soon become a real powerhouse!

"Crazy, you are all crazy!"

Lin Xueer shouted loudly and was about to run out, but when the Grand Master reached out a little, she stayed on the spot.

Zhou Yitian frowned and said displeased: "Have the same physique as me, but so fragile. You don't deserve to live at all, can you kill her too?"

The Grand Master shook his head and said with a smile: "That's not good. But don't worry. After returning to the Xuanyin Sect, she will accept the transformation first."

Upon hearing these words, Lin Xue'er showed a look of fear in her eyes. She didn't want to be such a demon.

The Grand Master looked into the air, controlled the tornado to break out, and completely crushed Zhou Haiting's body.

Zhou Haiting never expected that his life would end like this.

boom!

The tornado exploded directly, turning into a violent wind and blasting in all directions.

Zhou Yitian looked intoxicated, raised his head, ready to enjoy the next **** smell.

Suddenly, he frowned and opened his eyes displeased.

Why is there no **** smell? This makes his cold blood unable to boil!

I saw the two great masters suddenly stood up and looked out the door with a stern expression.

"Who is it that dare to hinder Xuanyin Sect from doing things!"

Lin Kai waved his sleeves, causing Zhou Haiting to fall into the distance.

He walked in slowly, with a disappointed expression on his face, and said, "Xuanyin Sect, I am very disappointed."

The expressions of the two great masters changed. They didn't expect that the master who saved Zhou Haiting would be so young.

At such a young age, he became a great master?

The two looked at each other, their expressions a bit solemn.

Such excellent qualifications, even in their hidden power, belong to the ranks of peerless geniuses.

Could it be that this person also comes from a certain powerful force?

Thinking of this, the two great masters handed over and said solemnly:

"Under Changwu!"

"In Xia Changlu!"

"My two are the contemporary elders of Xuanyin Sect. I don't know where your Excellency comes from?"

Lin Kai said to himself: "Are you contemporary elders?"

At this time, Lin Xueer confirmed that the man in front of her was Lin Kai.

With a look of panic on her face, she shouted: "Brother Lin Kai, hurry up, these two villains are very powerful!"

Lin Kai smiled brightly and said, "I'm also great."

Lin Kai said lightly: "Originally, I wanted to try to communicate to see if I could become friends with Xuanyin Sect. It seems that the way is different now, and I don't want to seek each other."

After Lin Kai finished speaking, his figure suddenly faded and disappeared strangely.

The pupils of the two great masters shrank violently, concentrating on guard.

Lin Kai's figure flashed and appeared beside Lin Xueer.

When there was no time to react with the two, Lin Kai embraced Lin Xueer's waist and flashed again, appearing more than ten meters away.

Chang Wu, Chang Lu's face instantly became difficult to look.

Lin Xueer was taken away by their side, which was an insult to them.

Lin Kai looked down at Lin Xueer, smiled and said, "I don't think Xuanyin Sect is suitable for you. Don't go, okay?"

Lin Xueer's snow-white face was stained with a pink blush, she nodded shyly, and said shyly: "Brother Lin Kai, can you let me go first."

Lin Kai quickly let go and put Lin Xueer down.

Lin Xueer quietly breathed a sigh of relief, just now, for some reason, her whole body became soft.

Lin Kai let go of her, and she felt much better.

Chang Wu's face was gloomy, and his whole body was like a depressed volcano.

He said coldly: "Who are you, are you going to fight my Profound Yin Sect?"

Lin Kai shielded Lin Xueer behind him, and said lightly: "You can think of me as the guardian of China's land."

"I don't like the way you Xuanyin Sect acts."

Lin Kai's expression was slightly cold, and he said coldly: "I don't care how powerful your Profound Yin Sect is, but when you walk in China, you must abide by China's rules. If you dare to act recklessly, you can blame me for being polite!"

Lin Kai looked at the two and said coldly, "Lin Xueer, you can't take it away."

Lin Kai glanced at Zhou Yitian again, disgust flashed in his eyes, and said, "As for this rubbish, you can take it away."

"What, am I rubbish?"

Zhou Yitian's feminine face suddenly flushed and became extremely angry.

As soon as Lin Kai appeared, his face was full of jealousy.

Lin Kai's unrestrained and unrestrained nature, as well as his calmness and strength in his shots, all stimulated Zhou Yitian's nerves.

Why!

As a young man, Lin Kai is so good?

Now, Lin Kai's disgusting gaze made Zhou Yitian go crazy.

"I want to kill him, I must kill him!"

Zhou Yitian's eyes were blood red, and his body was trembling constantly.

"It turns out that it is China's current official power?"

After hearing Lin Kai's words, Chang Wu and Chang Lu showed a relieved expression.

Since it is not other hidden forces, there is no problem.

As for the official forces, they haven't paid attention to it yet!

Toki Lu sneered, and said grimly: "Is the imperial eagle dog so arrogant now?"

"It seems that you have forgotten the fear of being dominated by Xuan Yin Sect."

Chang Wu approvingly said: "The eagle dog of the imperial court is a great master at such a young age. It seems that your qualifications are indeed incomparable."

Chang Wu invited and said: "The imperial eagle dog has been cast aside by others, so let's come to our Xuanyin Sect. Only here can you enjoy the supernatural existence of the ancient martial artist."

Lin Kai glanced at them weirdly, and said silently, "Are all of you Xuanyin sects old antiques like you?"

"Imperial Eagle Dog? Spurned by someone?"

Lin Kaishi smiled and shook his head. Ordinary people in China are generally afraid of ancient martial artists.

But only when the ancient warriors of Jiulong Mountain appeared, the people would feel relieved.

The stronger they are, the happier the people will be.

Because Jiulongshan is the ancient warrior of the people, they are the people's protective umbrella.

Will such an ancient warrior be cast aside?

Chang Lu said coldly: "It's time for Huaxia to change to an emperor. Even our Xuanyin Sect people dare to offend!"

Chang Wu killed the secret cloth on his face and said coldly: "Today we two followed the example of our predecessors and entered the Forbidden City to take the Emperor's head!"

Lin Kai looked surprised, clapped non-stop, and sighed:

“I’m so courageous, where did Xuanyin Sect come from?”

Chapter 1885

In China, there may not be top masters.

Lin Kai didn’t understand how powerful these hidden sects and families were.

However, in today’s era, no force can stand against the state apparatus.

It’s been too long since the Xuanyin Sect was born, and he wanted to overthrow the state apparatus. Isn’t that making people laugh out of their teeth?

Lin Xueer couldn’t help laughing out loud when she heard Chang Wu’s big words.

Even Zhou Yitian with blood-red eyes and a crazy face couldn’t help but look sideways, looking at Chang Wu with a weird face.

Is it really okay for such a stupid person to go to their sect?

Chang Wu’s face was dumbfounded when he was seen, and he became angry from embarrassment.

His cheeks were slightly red, his face was cold, and he said coldly: “It seems that you don’t know the power of my Profound Yin Sect. You don’t know the abilities of my brothers.”

“Now I will take off your dog’s head, and see if you dare to pretend to be forceful!”

Chang Wu made an angry shot with anger.

As soon as he shot, he used his fame stunt, Yinshen strike!

The dark rays of light gathered in his hand, forming a dark long sword.

On the long sword, this mysterious pattern gathers like a texture from hell, constantly intertwined, exuding fierce murderous intent.

“kill!”

Chang Wu stretched out his hand and pushed it, and the Yangtze River cut through the void and instantly appeared on Lin Kai’s chest.

Before it fell on Lin Kai’s body, Lin Kai felt a strong murderous intent directly covering his body.

A very cold feeling bound his body tightly, allowing him to bear the power of this sword for life.

“What a strong murderous intention?”

Lin Kai frowned, this murderous intent did not kill tens of thousands of people and could not produce such killing intent.

However, if tens of thousands of people were killed, it would be impossible for Jiulongshan to be completely unaware.

It seems that Xuanyin Sect does have some ways and hidden some mysterious methods.

With a flick of Lin Kai's finger, his Qi fluctuated.

A strong wave of spiritual power instantly shattered all the murderous intent of the whole body.

"Huntian Jue!"

Lin Kai directly used his jerkiness to gather his spiritual power in one finger, and a ray of light like a blazing sun burst directly on the black long sword.

Ding~

Between the two, there was a metal collision sound.

The blazing sun burst out of Lin Kai's hand, and instantly melted the black long sword, forming a ball of light and flying towards Chang Wu.

"what?"

Chang Wu's face was distorted, and he didn't expect that his trick would be so easy to crack.

"I do not believe!"

Chang Wu didn't evade, the Yin Qi on his body suddenly erupted, as if he had become an evil spirit in the underworld, howling and blasting above the ball of light.

boom!

The ball of light exploded directly and swept all over the place.

His face changed, and he directly stood in front of Zhou Yitian, shaking away the waves that had swept away.

However, Chang Wu was shocked, his clothes burst directly, and he flew out with blood all over his body.

And the whole hall seemed to have been peared over again, and it turned into a ruined wall, a dilapidated look.

Fortunately, everyone in the Zhou family had already ran out when the tornado was hitting them, so they were not affected.

"It's just a trick that hurt Chang Wu seriously?"

Hitachi's pupils shrank violently. He did not expect that the young man in front of him, who was also a great master, could be so powerful.

He didn't know that although Lin Kai was at the level of spiritual power in the early days of the Golden Core, his realm had almost advanced to the Nascent Soul Stage.

In the Yuan Ying period, that is the land **** in the true sense.

Chang Wu coughed up blood, clutching his **** chest and stepped forward, looking at Lin Kai with horror on his face.

Lin Kai shook his sleeves, stood with his hands behind him, and said lightly: "Let's shoot together, you yourself are not my opponent."

Chang Wu and Chang Lu looked at each other, they shot together?

The two looked hesitant, and I'm afraid they are not rivals either.

Chang Lu's face was gloomy, and he said solemnly: "Our brother admits that it is not your opponent, but are you sure you want to be an enemy of Xuanyin Sect?"

Chang Wu held his chest and said fiercely: "The strength of the Xuanyin Sect is not what you can imagine."

Lin Kai's face was cold, and he said in a loud voice, "I have no intention of being an enemy of Xuanyin Sect. But if Xuanyin Sect dares to bring disaster to China, Xuanyin Sect will be destroyed!"

The two sneered and didn't believe Lin Kai's words at all.

In this world, no power can destroy Profound Yin Sect!

"In that case, we will have a period later!"

Chang Wu and Chang Lu looked at Lin Kai vigilantly, and backed away.

After exiting the safe distance, he grabbed Zhou Yitian and flew out directly.

Lin Kai squinted his eyes and looked at their distant figures in silence.

Lin Xueer walked to Lin Kai's side and asked in a low voice, "Why didn't you kill them?"

Lin Kai glanced at Lin Xueer in surprise. He thought that Lin Xueer was a very kind person, so why did he say that he was murdering?

Lin Xueer was a little embarrassed and said, "When I watched them leave, there was a bit of resentment in their expressions. I'm afraid they will avenge you in the future. Moreover, there is a Profound Yin Sect behind them..."

Lin Kai nodded and said solemnly: "When I spoke to them just now, it was the identity of Jiulong Mountain. So I can't kill them."

"Always give Xuanyin Sect a chance, I hope they are not so unwise and can accept my kindness. Otherwise..."

The cold killing intent flashed in Lin Kai's eyes, then he could only use thunder means to directly exterminate the Profound Yin Sect!

As for the position of Xuanyin Sect, he has left an imprint of spiritual energy on Chang Wu's body.

He can find Chang Wu's position at any time.

"Okay, let's not talk about it."

Lin Kai looked down at Lin Xueer with a smile, and said, "I didn't let you go to the Xuanyin Sect. You won't blame me? This Xuanyin Sect is still very powerful. Maybe you can become a very powerful ancient Musha."

"Huh, I'm not rare."

Lin Xueer wrinkled her Qiong nose and said disgustedly: "Those two guys are bad guys, and Xuanyin Sect is not a good person either."

"That's good, let's go."

Lin Kai nodded and walked out first.

As for the Zhou family members who were not far away, Lin Kai didn't care about them.

Walking on the road, Lin Xueer curiously asked, "Brother Lin Kai, where are we going?"

Lin Kai whispered: "Go to see a friend, I wonder if she is still willing to go with me?"

The footsteps of the two are very fast, and the speed is no less than that of an ordinary electric car.

Lin Xueer looked surprised, happier as she walked.

In her life, she had never run so fast, let alone left.

"Brother Lin Kai, what's going on? I feel like my body is like a feather."

Lin Xueer was like a cheerful little swallow, dancing around Lin Kai.

Lin Kai maintained his spiritual power on Lin Xueer and smiled lightly.

It didn't take long for the two to come to Qian's house.

At this time, the door of the Qian family opened, and suddenly many guards filed out from inside.

The leader is Qiantong.

"This stinky girl actually left without saying goodbye!"

Chapter 1886

Qian Tong took a letter and walked out anxiously.

He looked at the many guards and shouted: "Separately chase, you must find the young lady. If you die, you must leave her!"

"Yes!"

Many guards looked excited and shouted loudly.

This is their future Patriarch, and the Patriarch they agree with from the bottom of their hearts.

When they got out of the gate, they happened to collide with Lin Kai and Lin Xueer.

"It's him!"

Everyone in the Qian family changed their expressions and thought of the man standing behind their young lady.

At the same time, they also saw Lin Xueer next to Lin Kai.

A trace of anger flashed across their faces. This man brought a flowery woman to the door, did he come to provoke him?

Qian Tong's face was ugly, and this man was really not a person to entrust him for life.

He walked up to Lin Kai with a hint of suspicion in his eyes, and asked hardly, "Mr. Lin, did you take Lian'er away?"

Lin Kai said in surprise: "Lian'er has already left, when did you leave?"

Seeing that Lin Kai's expression did not seem to be false, Qian Tong pleaded: "Mr. Lin, since you have such a beautiful girlfriend, why do you have to pester Lian'er?"

"Puzzling Lian'er?"

Lin Kai shook his head, inexplicably.

Qian Tong said loudly, "Mr. Lin, she is our Qian family's hope. Why are you so vicious? How did you confuse her and make her faint?"

Lin Kai's face became cold, and he coldly snorted, "Presumptuous!"

Qian Tong's face flushed, and he took dozens of steps back.

The guard behind him also retreated in embarrassment.

Lin Kai glanced at them coldly, and talked to them lazily.

He directly released his spiritual thoughts and swept away in all directions.

His spirit is like an octopus, crawling in all directions.

Its tentacles quickly extended and enveloped the entire city.

The whole city seemed to become a model in his eyes, with a panoramic view.

Suddenly, his expression moved and he looked directly at a certain place.

There, a girl ran towards Dongxian Mountain at a very fast speed.

"This girl doesn't know how to take a car."

Lin Kai showed a slight smile and looked at Qian Lian'er's figure dozingly.

Suddenly, Qian Lian'er looked up and looked up.

There was a suspicious look on her face, as if to say something.

Looking at her mouth shape, she seems to be saying, who?

Lin Kai showed a look of surprise, Qian Lian'er was able to discover his spiritual thoughts, it was really amazing!

Lin Kai hugged Lin Xue'er's waist and flew directly into the sky, chasing Qian Lian'er.

Before long, Lin Kai saw Qian Lian'er.

Qian Lian'er also stopped and looked over in a fighting pose.

"The son?"

Qian Lian'er saw Lin Kai's figure and showed a surprised expression.

Lin Kai brought Lin Xue'er down and landed beside Qian Lian'er.

Qian Lian'er's blooming smile slowly receded, and a pair of beautiful eyes fell on Lin Xue'er.

Lin Xue'er also blinked curiously, looking at Qian Lian'er.

Qian Lian'er had a delicate face and asked softly: "My son, who is this young lady?"

Lin Xue'er stood up generously, stretched out her snow-white palm, and said, "I am Lin Xue'er, and Brother Lin Kai is a good friend."

Qian Lian'er shook her hands gently, and said with a pretty face: "I am Qian Lian'er, the maid of the son. Hello, Miss Xue'er."

Lin Xue'er hurriedly waved her hand and said, "Sister Lian, call me Xue'er."

Qian Lian'er respectfully said, "Yes, Sister Xue'er."

Lin Kai stood aside, his expression unchanged, and his expression very magnanimous.

These two women, he has no bad thoughts, so he can be frank and magnanimous.

Lin Kai asked faintly, "Xue'er, do you want to take you home first."

"No!"

Lin Xue'er pursed her lips and said unhappily, "When the two bad guys took me away, they didn't stop them. I don't want to see them now."

Lin Kai didn't care, and said, "Then go to my villa first."

Lin Xue'er clapped her hands happily and said, "Okay."

Lin Kai said, "Then let's go home by car."

Qian Lian'er hesitated, but nodded obediently.

But Lin Xue'er had a simple mind and asked directly: "Brother Lin Kai, can you take us back?"

Lin Xue'er said with a face outwards: "It's really happy to fly in the sky."

Lin Kai turned to look at Qian Lian'er.

Qian Lian'er was excited, but his face was very tender, and said, "I listen to the son."

Lin Kai didn't hesitate anymore, so he clasped one waist in one hand and rose into the air.

At this moment, a car happened to pass by.

In the car, a young man is shaking his head, listening to music and enjoying a drive.

He suddenly saw a man and two women standing on the side of the road in front, talking.

The young man's eyes straightened immediately. The two girls were so beautiful, it would not be too much to say that they were fairies in the sky.

The man next to him is also very handsome.

The body exudes an aura like an immortal.

Suddenly, the man embraced the waists of the two girls.

The two girls were shy, letting the man embrace them.

"Dog thief, how can you do this? Please let me come!"

The young man's heart twitched, envy and hatred.

At this time, something that surprised him even more happened, and saw a man and two women directly soaring into the sky and flying into the sky.

After a while, he disappeared into the sky.

The young man widened his eyes, stuck his neck out the window, tilted his head and looked at the sky stupidly.

"My mother, did I see fairies and fairies?"

"Fuck!"

The young man shook his whole body, and his car twisted directly because no one was controlling it.

Before the young man came back to his senses, the car rushed directly into the ditch next to it.

"boom"

The airbag popped out, saving the man's life.

The man raised his head dizzily, looked at the blue sky, and smiled stupidly: "Just now, I was dreaming. It must be!"

In the sky, the two girls were very nervous at first, and their hands were tightly hugged around Lin Kai's neck, and their whole bodies wanted to be rubbed into Lin Kai's body.

The delicate face turned pale in fright, and pressed hard against Lin Kai's face.

After they got used to it, they slowly relaxed.

They looked at the surrounding clouds and screamed.

They looked carefully at their feet again, the tall buildings were the size of a matchbox.

“What a nice view.”

The two women admired China’s great rivers and mountains, and they were all silly for a while.

Lin Kai didn’t fly fast for them to better appreciate the scenery.

An hour later, he returned to Dongxian Mountain.

When they arrived at Dongxian Mountain, the two girls exclaimed again, feeling the magic of Dongxian Mountain.

After Yunwu Avenue separated and walked in, I found a girl here.

The girl leaned on the stone steps in front of the villa and fell asleep deeply.

Beside her, there is a vegetable basket.

It was filled with greens and fresh meat.

Lin Kai slapped his head, annoyance flashed across his face.

He only gave Tang Ying the mark of entering and leaving the big formation last time, but forgot to give her the key to the villa.

Tang Ying moved her ears slightly and opened her eyes.

Lin Kai and the second daughter came into her eyes.

Tang Ying just woke up, her mind was still a little confused.

Seeing the lineup of one man and two women, his expression became tense.

“Lin Kai’s fiancée is here?”

Chapter 1887: Elementary Alchemy

Tang Ying climbed up stubbornly, with her hands intertwined and placed on her lower abdomen, with a gentle look.

“Sister Tang Ying?” Qian Lian’er shouted in surprise.

Tang Ying blinked, only to see that the two girls were not Lin Kai’s fiancées.

There was a blush on Tang Yingqiao’s face, which made him feel very ashamed.

Lin Kai looked inexplicable, wondering what Tang Ying was thinking.

In the villa, four people were sitting around a table, speechless.

Lin Xueer looked at this for a while, and then at that for a while, the curious look on her face never stopped.

Qian Lian'er was soft and weak, with a weak and non-satisfying look, and his eyes drooped, not knowing what he was thinking.

Tang Ying folded her arms and looked at Lin Kai with a sneer.

Lin Kai sat in a precarious manner, expressionless.

After a while, a drop of cold sweat slipped off his forehead.

A few minutes later, Tang Yingcai stood up, looked at the two women with a smile, and said with a light smile: "Two sisters, let's go cook."

"Okay."

The two girls readily agreed.

However, after a ping-pong-pong sound in the kitchen, Lin Xueer pouted and walked out.

Lin Kaishi smiled and said, "Don't force yourself if you don't know how to cook."

Lin Xueer said unconvincedly: "I will learn."

However, after a while, Lin Xueer was attracted by the surrounding scenery, and screamed and ran to enjoy the scenery.

In the kitchen, two women were cooking quietly, and no one spoke.

Suddenly, Tang Ying asked, "Are you curious, why was that reaction when I first saw you?"

Qian Lian'er pursed her lips, and said softly: "I'm just a maid, I don't dare to inquire about Sister Tang Ying."

Tang Ying sneered and said, "If you dare to say that you don't care about Lin Kai at all, then treat it as if I didn't say it."

Qian Lian'er was silent, seeming to have acquiesced.

Tang Ying sighed, an expression of shame flashed across her face, and said, "Just now, I was sleepy and confused. I thought it was Lin Kai's fiancée who came to the East China Sea."

Qian Lian'er asked in surprise: "The son has two fiancées?"

Tang Ying nodded heavily, and said solemnly, "It's still twins!"

Qian Lian'er's eyes suddenly lit up, as if he saw the light of hope.

Tang Ying looked puzzled, and asked in surprise: "Why are you not sad, and how do you feel like you are very happy?"

Qian Lian'er showed a sincere smile on his face and said, "The son has two fiancées, which shows that he does not have to be monogamous, so I..."

Qian Lian'er said softly: "What I worry most is that the son will be loyal after falling in love with someone. Now, we may still have a chance."

Tang Ying pondered for a while and nodded.

Then, she reacted suddenly and said: "What does it mean that we still have a chance? You have a chance!"

Qian Lian'er looked at Tang Ying with a smile and didn't refute.

Tang Ying finally couldn't hold on, and was defeated. He sighed and said, "Yes, we still have a chance."

Tang Ying's eyes were sparkling, and she leaned close to Qian Lian'er and muttered softly.

Qian Lian'er nodded constantly, seeming to echo Tang Ying's rhetoric.

Tang Ying asked, "That Lin Xueer..."

Qian Lian'er shook his head and said, "Now. She doesn't have any thoughts about the son yet."

It didn't take long for the food to be ready.

Lin Xueer screamed again and again, her mouth filled with oil, like a little greedy cat.

This time, because four people were eating together, it was much more lively than before.

Lin Kai also never stopped smiling because of Lin Xue'er this treasure.

After eating, Tang Yingcai reluctantly left.

Because Lin Xueer spent this day in fright, she was already very tired.

After cleaning up a room, Lin Xueer soon fell asleep.

Qian Lian'er did not rest, but carefully cleaned the corners of the villa.

Although, the villa has long been spotless.

After Lin Kai let Qian Lian'er rest earlier, he returned to the room.

At this time, he looked at the reward for saving Lin Xueer.

"Congratulations on obtaining the primary alchemy."

With the sound of the system's prompt, a pile of knowledge flooded into Lin Kai's mind again.

Lin Kai's soul is already extremely powerful, and can even affect reality.

The mere elementary alchemy can no longer make him uncomfortable, and he can easily accept the inheritance of knowledge.

"Elementary alchemy..."

Lin Kai raised his brows, flipping through the alchemy in his mind, revealing an expression of surprise.

The pill in the primary alchemy is no longer useful to him, but there are still many pill that ordinary people can take.

For example, Zhu Yan Dan and Mei Yan Dan are the most crazy women among them.

Once these two medicinal herbs are released, they will arouse crazily sought after by the world.

The few girls around him don't need Beauty Pills, but Zhuyan Pills can't be rejected by any woman.

In Lin Kai's mind, the second daughter of the Long family and the girls of Tang Ying flashed one by one.

A smile came up at the corner of Lin Kai's mouth, and he whispered softly, "Wait for the Yan Yan Pill to be refined, and send a few of them back to their sisters."

However, Lin Kai didn't put too much thought on these two medicines.

Instead, he looked at Ling Ling Pill and Ji Pill.

Lin Kai looked at these two pills, his eyes narrowed, shining brightly.

If Zhu Yan Dan and Mei Yan Dan make women crazy, then Yin Ling Dan and Zhu Ji Dan will change the world and make the whole world crazy.

Why is there no cultivator in this world?

One is the lack of aura.

But now the spiritual energy is slowly recovering, this condition is not a problem.

The second is Gongfa.

Third, every ordinary person needs to attract spirits and build foundations in the early stages of cultivation.

Before, Lin Kai had never thought of making immortal cultivators appear in this world.

However, all the conditions have now been gathered.

Perhaps, it is time to train immortal cultivators.

Of course, this is just a preliminary idea for Lin Kai, and not everyone will accept it.

He will consider carefully before deciding who to become a cultivator.

Don't even think about people who are not really trusting.

Now that he has alchemy, Lin Kai needs alchemy materials.

What worries Lin Kai even more is that many alchemy materials live in places full of spiritual energy.

Therefore, this world may not be able to gather the materials for refining pills.

"We can only start over and collect slowly."

It's hard for a clever woman to cook without rice. This matter can't be rushed and can only take it slowly.

Lin Kai pressed his mind and began to practice.

I don't know how long it took, Lin Kai suddenly opened his eyes.

He frowned and walked out of the bedroom. With a move of mind, he pushed open the door of Lin Xueer's bedroom.

He looked at the sleeping Lin Xueer, startled.

Lin Xueer slept quietly on the soft bed, like a beautiful princess, so elegant and beautiful.

Just when Lin Kaifa was stunned, an aggrieved voice came from the door.

"The son..."

Chapter 1888 Water Spirit Body

Lin Kai woke up suddenly and turned to look.

Qian Lian'er was wearing a white pajamas and standing at the door with bare feet.

She looked at Lin Kai with a line of tears still hanging on her face, her eyes full of grievances.

Lin Kai looked surprised. He didn't know what happened to Qian Lian'er suddenly, so he could only make a gesture and led her out of the room.

Lin Kai brought Qian Lian'er to his bedroom, and asked in confusion, "What's wrong with you?"

Qian Lian'er looked weak, and said softly, "Sir, Sister Xue'er has a simple mind. She doesn't have any ideas between men and women. Why do you need to force her..."

"Forcing her?"

Lin Kai had a question mark in his head, and couldn't understand what Qian Lian'er was talking about.

However, he had faintly guessed that this stupid girl seemed to have misunderstood.

Qian Lian'er plucked up the courage, straightened his chest, and said boldly: "My son, don't you want to find Sister Xueer. I...I can do it too."

"Moreover, I am willing to be with the son..."

At this point, Qian Lian'er couldn't say anything, his face was already red like a cooked shrimp.

The delicate body is also trembling constantly, seeming to be afraid, perhaps expecting...

Lin Kai shook his head funny, couldn't help but look up and down Qian Lian'er.

He couldn't help showing an amazing look in his eyes, and swallowed.

A white pajamas could not conceal Qian Lian'er's exquisite and graceful figure at all, on the contrary, it became more and more stylish.

In addition, the translucent pajamas are very thin, and the beautiful body is looming, making people feel hot.

Qian Lian'er heard the sound of Lin Kai swallowing her saliva, her face flushed even more, her head was lowered, and her head was directly buried in her chest.

This made Lin Kai's face faintly stained with flushing, and his eyes became fiery.

He slowly walked to Qian Lian'er's body, and his breath hit Qian Lian'er's face directly.

Qian Lian'er breathed quickly, raised his head and closed his eyes.

Suddenly, Lin Kai approached, and a brain collapse hit Qian Lian'er's head directly.

Lin Kai's deep voice sounded: "Fool, what do you think I am doing in Cher's room."

Qian Lian'er held his forehead, opened his eyes pitifully, and said with watery eyes, "What are you going to do?"

Lin Kai whispered, "I noticed the fluctuation of spiritual energy when I was practicing just now."

"The source is in Cher's bedroom. I was curious for a while, so I went in and took a look."

Qian Lian'er was attracted by Lin Kai's words and asked curiously: "What did you find?"

Lin Kai pondered and said, "When she sleeps, she unconsciously absorbs spiritual energy."

"Absorb aura?"

Qian Lian'er's eyes widened in surprise, with an incredible expression on his face.

She had heard Lin Kai talk about the rejuvenation of spiritual energy.

She already knew a little about how magical aura is.

She even knew that only Lin Kai could absorb spiritual energy in this world, and he was a cultivator of immortality.

Now, is there a second immortal cultivator?

Qian Lian'er asked her doubts.

Lin Kai shook his head and said calmly: "She just unconsciously absorbs the spiritual energy, some of which will nourish her body, and the other will directly escape."

"It is impossible to become a cultivator without the cultivation technique."

Qian Lian'er asked curiously, "Is Sister Xue'er good?"

Lin Kai nodded and said with approval: "She is a pure Yin body, one of the best qualifications for cultivating immortals."

Qian Lian'er asked eagerly: "What about my qualifications..."

Lin Kai looked at Qian Lian'er, a golden light flashed in his eyes.

At this moment, Qian Lian'er seemed to be seen through Lin Kai's body, as if standing naked in front of her.

Qian Lian'er's pretty face blushed, and she gave Lin Kai a shy look.

Lin Kai squeezed Qian Lian'er's place again, and he gave her a burst of spiritual power to feel her body.

Qian Lian'er's face was blushing and Lin Kai was at the mercy of him.

Lin Kai looked surprised, and shook his head with regret.

This caused Qian Lian'er's heart to follow up and down.

Lin Kai breathed out lightly, and said, "You are also a special physique, a water spirit body. Unfortunately, your physique is slightly impurity, making the water spirit body not so pure."

Seeing that Qian Lian'er was a little disappointed, Lin Kai smiled and said, "I haven't been able to do anything before, but now I have learned a kind of pill technique, one of which is called a water spirit pill."

"With your physique, after taking water spirit pills many times, you can become a pure water spirit body."

Qian Lian'er's eyes ignited the flames of hope again, and said, "When I become a water spirit body, can I also absorb aura like Sister Xueer?"

Lin Kai smiled and nodded.

Qian Lian'er moved forward with both hands, took Lin Kai's big hand, and said coquettishly: "My son, I want to become a water spirit body."

Lin Kai was dizzy by Qian Lian'er.

Lin Kai quickly said, "Okay, when I gather the materials, I will refine the water spirit pill for you."

"Thank you, son."

Qian Lian'er couldn't help but couldn't help but put his arms around Lin Kai's neck and kissed him on the cheek before running out of the room blushing.

After Qian Lian'er left, Lin Kai thought about how to collect alchemy materials.

Both the formation method and the elixir need massive resources, as well as countless manpower to find them all over the world.

It's impossible to do it by Lin Kai alone.

Lin Kai frowned and groaned. It seemed that he had to ask people from all over the country and even the whole world to help him find all kinds of materials.

However, if he does this, he will surely alarm the whole world.

"Since the spiritual energy is restored, the great world is coming. Then let me stand in the center of this ever-changing world!"

Lin Kai was not afraid, but rather energetic, and his heart was boiling.

Now that the aura has recovered, various hidden families or sects are showing signs of being born.

The cultivator goes against the sky, he must stand on the cusp of the storm and accept all kinds of challenges in order to reach the peak of cultivating immortals and become immortal!

No words for a night.

Lin Xueer stretched out and walked out of the room, her eyes gleaming and she was full of energy.

Lin Xueer said in surprise: "Brother Lin Kai, it's so comfortable to sleep with you. After waking up quickly, her body is warm and full of energy."

Lin Kai smiled and said, "After two days, you will have the same effect when you go home and sleep."

Lin Xueer looked at Lin Kai whimpering with tears, and begged: "Brother Lin Kai, are you trying to drive me away?"

Lin Kai shook his head helplessly, and said casually: "When you want to leave, you can leave by yourself."

"It smells good, eat."

Lin Xueer immediately showed a smile on her face, and ran to the dining table cheerfully.

After eating, Lin Kai pondered for a few seconds and looked at Qian Lian'er.

Lin Kai looked serious and said lightly: "Lianer, you can go back to Qian's house today."

"Wow~"

Qian Lian'er, who was clearing the bowls and chopsticks, trembled, and the bowl in his hand directly hit the ground with a crisp sound.

Chapter 1889: Pure Yin And Pure Yang

Qian Lian'er's pretty face turned pale, and his face turned pale in shock.

She knelt directly on the ground with a 'poof', ignoring the debris under her feet.

She looked terrified and kept kowtowing, begging: "My son, I was wrong. Don't drive me away, I shouldn't tempt you. Please forgive me this time."

Lin Xue'er stood there blankly, looking at Qian Lian'er at a loss, not knowing what to do.

"Naughty!"

Lin Kai stood up angrily, pulled Qian Lian'er up, and said with an ugly expression: "Can you listen to me to finish?"

Qian Lian'er looked up blankly, didn't the son want to drive her away?

"You stupid girl, your knees are bleeding."

On Qian Lian'er's white knees, blood was flowing. This was the wound she had been pierced when she knelt on the broken bowl just now.

Lin Kai stood upside down with both eyebrows, yelling in anger.

Qian Lian'er didn't care about the wound on his knee.

As she sobbed, she asked, "My son, are you really going to drive me away?"

Lin Kai said angrily: "Of course not, I have something for you to do. You don't want to go, just forget it."

Qian Lian'er felt relieved when he heard Lin Kai's promise.

Lin Kai knelt down, with a soft milky white light in his hands, gently stroking the wound on Qian Lian'er's knee.

After a while, Qian Lian'er's knees became smooth and flawless again.

Lin Kairou said: "Okay, don't cry."

However, Qian Lian'er, who was sobbing, had a louder voice and couldn't control himself at all.

Lin Kai shook his head helplessly, and put Qian Lian'er in his arms.

Qian Lian'er hugged Lin Kai's waist, buried his head on his chest, and burst into tears.

Suddenly Lin Kai heard the sound of sobbing next to him again. He turned his head to see that Lin Xueer was sobbing and wiping tears.

Lin Kai had a black line on his head and said, "Xue'er, why are you crying too?"

Lin Xueer sobbed and said, "Sister Lian'er is so sad that she is crying, so she is also sad!"

Lin Kai was speechless, and his empathy ability was no one.

Qian Lian'er was embarrassed to continue crying when she heard Lin Xueer's words.

She stepped back and walked to Lin Xue'er with teardrops on her face, and said, "Sister Xue'er, I won't cry anymore. You won't cry anymore, okay."

"Woo...Stop crying..."

Lin Xueer nodded while crying.

After ten minutes, the two girls stopped.

Lin Kai let out a sigh of relief and waved his hand to create a mist of water to help them clean their faces.

Lin Xueer's face blushed slightly, and she ran back to the room shyly.

It's too embarrassing. After crying in front of Brother Lin Kai for so long inexplicably, would he laugh at her?

Qian Lian'er lowered his head, cautiously walked to Lin Kai's side, and secretly glanced at Lin Kai.

Lin Kai glared at her and said angrily, "What are you so scared of? I'm afraid I might eat you."

Qian Lian'er asked embarrassedly: "My son, what do you want me to do in Qian's house?"

Lin Kai glanced at Qian Lian'er and said, "I see you sometimes staring at your phone in a daze. The information above is sent to you by the Qian family. I'm right."

Seeing Qian Lian'er look anxious, Lin Kai said helplessly, "Listen to me!"

Qian Lian'er pursed his lips and stood there obediently.

Lin Kai said solemnly, "This is human nature, after all, it is the family that gave birth to you. And you also have the desire to help your father manage the family well. Therefore, I will give you a chance to let you out and experience it. ."

Lin Kai specially emphasized: "Just go out and practice, and you will come back in the end! I won't drive you away."

Qian Lian'er nodded quickly with tears in his eyes.

Lin Kai said solemnly: "I may refine a lot of pills in the future, so I need a lot of medicinal materials. You can help me take care of this business when you go back to Qian's house."

Qian Lian'er's face was tense, and said, "My son, I will finish the task well."

Lin Kai smiled and said: "Don't be so nervous, all you have to do is to develop the Qian family, and then experience your own abilities. As for my business, the result is not important."

Qian Lian'er smiled, but secretly determined in his heart that he must collect all the medicinal materials from the world for the son, so that the son can find any materials at any time.

Lin Kai looked serious and exhorted: "If you encounter something that cannot be solved, go to Tang Ying. If the matter is very dangerous, you must notify me! Understand?"

Seeing Lin Kai's seriousness, Qian Lian'er said solemnly: "My son, I've written it down."

Lin Xueer ran out at this time and volunteered: "Then I will help sister Lian'er too."

Lin Kai shook his head and asked, "Do you know what physique you are now?"

Lin Xueer sat down beside her, and said anxiously: "Listen to those two bad guys, what is it called pure yin body."

Fear flashed across Lin Xue'er's face, as if she recalled a very scary scene.

Lin Kai noticed Lin Xueer's expression and said softly: "Every month on the night of the full moon, your whole body is very cold, as if you are in the Nine Netherworlds. Every time, one of you will die. , But they barely survived, didn't they?"

Lin Xueer suddenly raised her head and said in surprise: "Brother Lin Kai, how do you know?"

Lin Kai smiled and shook his head, without speaking.

However, his face is a bit strange.

Qian Lian'er noticed the change in Lin Kai's face, and suddenly said in surprise, "Master, are you a pure Yang body?"

Lin Xueer was surprised and looked at Lin Kai in shock.

Lin Kai nodded and admitted the incident.

Lin Xueer said suddenly: "No wonder, when I saw Brother Lin Kai, I thought Lin Kai was very kind. Does this have anything to do with our physique?"

Lin Kai nodded and said, "Yes, yang and yin are attracted to each other, and they are born with a good impression."

After Lin Xueer nodded, she didn't think much about it.

Only Qian Lian'er's expression became a little strange.

Lin Kai looked at Lin Xueer with a serious expression, and said in a deep voice, "Lin Xueer, I want to ask you something now."

Lin Kai looked into Lin Xueer's eyes and asked seriously: "Would you like to learn from me to cultivate immortality?"

"Xiuxian?"

Qian Lian'er was shocked and looked at Lin Xue'er enviously.

In her dreams, she wanted to learn from Lin Kai to cultivate immortality, not to become immortal, but to be worthy of Lin Kai's identity.

Lin Xueer didn't have such awareness, and asked curiously: "What does it mean to cultivate immortals, is it fun?"

Lin Kai shook his head and said indifferently: "Xiuxian is boring most of the time. You have to sit often and understand the laws of heaven."

Lin Xueer shook her head quickly, and said in fear: "I am most afraid of sitting alone, I don't want to cultivate immortals."

Qian Lian'er's eyes widened and looked at Lin Xue'er inconceivably, with shock and anger on his face.

She actually refused! !

Chapter 1890 Lin Yuan's News.

Lin Xueer felt guilty when she saw Qian Lian'er's expression.

She rejected Lin Kai as if she had done something heinous.

Lin Kai said unhurriedly: "Cultivating immortals can make you stronger, and you can fly freely in the sky after your realm is high."

Lin Xue'er's crystal ears moved.

Lin Kai continued: "After cultivating an immortal, every time you arrive at the full moon night, your cold symptoms will disappear."

Lin Xueer suddenly turned her head and looked at Lin Kai.

Lin Kai smiled slightly, and said quietly, "Cultivating immortals can keep you young and beautiful forever."

Lin Xueer, like a puppy, pounced on Lin Kai's body, blinking her eyes and said, "I like to cultivate immortals the most. Brother Lin Kai teaches me, okay."

Lin Kai smiled and pulled her off, and reluctantly said: "Well, then, I will accept you as an apprentice."

"Thank you, Master~"

Lin Xueer happily kissed Lin Kai's cheek, expressing her joy.

Seeing this, Qian Lian'er quickly pulled Lin Xueer over.

Qian Lian'er didn't stay much, and after Lin Kai finished explaining the matter, he went back to Qian's house.

Lin Kai brought Lin Xueer to his bedroom.

Lin Xueer followed curiously. Her family was from the ancient martial arts family, but she was very strange to Xiuxian.

Moreover, Qian Lian'er also told her that there is only one immortal cultivator in this world, Lin Kai.

She will become the second immortal cultivator in this world.

This made her more curious about Xiuxian.

As for the emotion of tension, for her, it does not exist.

Lin Kai said solemnly, "Xue'er, there is only me in this world, and you will become the second. Therefore, I will say ugly things first."

Lin Kai said solemnly: "Everything I teach you can't be told to anyone. Even if it's your closest relatives, you can't disclose it. Can you do it?"

Lin Xueer's expression became serious for the first time, and she said seriously: "I can do it."

Lin Kai nodded and said, "Take off your shoes and go to bed?"

Lin Xueer folded her arms in surprise, and said angrily: "Brother Lin Kai, are you taking the opportunity to bully me?"

Lin Kai bounced on her forehead and said angrily, "You can sit on the ground."

Lin Xue'er blushed, took off her shoes, and went to Lin Kai's bed.

Lin Xue'er's small feet are white, and her toes are small and round, like pearls.

Lin Kai glanced more subconsciously, his blood churning.

Lin Xue'er clutched her feet with her little hands, blushing, glaring at Lin Kai.

Lin Kai gave a light cough and said, "Sit cross-legged, so that all five hearts can face the sky."

Lin Xueer didn't understand, Lin Kai started to help Lin Xueer correct her movements.

Among them, it was inevitable to touch her feet, which made Lin Xueer's pretty face even more red.

The feet can be said to be a restricted area for most girls, and not all men can touch them.

However, under Lin Kai's guidance, Lin Xueer quickly calmed down, her face without joy or sorrow, sitting cross-legged.

Lin Kai said solemnly: "Feel the spiritual energy between the heaven and the earth, absorb it from the five hearts, then slowly enter the abdomen, and sink your qi. When you feel stuffy, then slowly spit it out from your mouth."

Now what Lin Kai teaches Lin Xueer is Qi training.

There are many ways to practice Qi, and this one taught by Lin Kai is the easiest and most difficult way.

The simple thing is that anyone can understand these actions, and the process is very simple;

The most difficult thing is that although the process is simple, but without excellent qualifications, it is impossible to feel the aura between heaven and earth, let alone absorb it.

Lin Xue'er can absorb aura voluntarily in her sleep, so this method of entraining Qi couldn't be more suitable for her.

Lin Xue'er quickly felt the auras floating between the heavens and the earth, and slowly absorbed them into the body, wandering through the meridians.

After all, Lin Xueer had never practiced, and her meridians were still slightly fragile and could be easily injured.

Lin Kai stretched out her finger, gently tapped on the center of her eyebrows, and sent a milky white light into her body.

Lin Kai asked, "Did you feel a warm current?"

Lin Xueer's pretty face is very rosy because of absorbing the aura, and her fair skin can pinch water out.

She nodded, and said in surprise: "It seems that something has entered my body, it is a little hot, a little up..."

Lin Kai whispered, "Concentrate, let the aura you absorb follow this warm current and wander through your body..."

"Remember the path it circulates in your body. When it returns to its original point, it will be a big Sunday."

Lin Xueer nodded faintly, and her mind was completely immersed in the cultivation.

Lin Kai couldn't help but nodded, Lin Xue'er had excellent qualifications, and she had a heart of innocence, without distracting thoughts in her heart, Xiu Xian was even more powerful.

I believe it won't be long before Lin Xueer will become a cultivator of Qi cultivation realm.

Seeing that Lin Xueer couldn't wake up for a while, Lin Kai walked out of the room.

When he just wanted to find a place to continue his practice, he received a call.

Lin Kai answered the phone and said softly, "Uncle Tang, hello."

Tang Feng didn't say anything, he straightforwardly opened the door, and said in a deep voice, "Lin Kai, there is something wrong with Leiyuan Group!"

Lin Kai's eyes gleamed and asked, "You said."

Tang Feng said solemnly: "Just ten minutes ago, Leiyuan Group let out the wind, saying that the research and development has successfully broken through a step and successfully developed a magic medicine. It is called the body refining pill!"

"Body Refining God Pill?"

Tang Feng said: "That's right. And Jiang He, the chairman of Leiyuan Company, also sent out an invitation letter, inviting celebrities from all walks of life in the East China Sea to participate in the celebration banquet of Leiyuan Group, celebrating that Yan pointed out this magic medicine."

Lin Kai asked in a deep voice, "Do you have a sample of this pill?"

Tang Feng shook his head and said, "Leiyuan Company hides it very well, and can't get it at all."

Tang Feng continued, "However, I have found out some news about Jiang He."

"This Jiang He is a martial sage who offended a son of the Huo emperor's Huo family."

"Later, after this young man framed him, he was sent to prison."

"Who knows, after a few years this Jiang He has transformed into the chairman of Leiyuan Group, and what is even more frightening is that he is now in the realm of a great master!"

Tang Feng talked about Jiang He's life experience.

"Grandmaster?"

Lin Kai raised his eyebrows, and it took a few years for a martial sage to become a great master. This is basically an impossible thing.

"It seems that Leiyuan Group still has a big secret." Lin Kai said solemnly.

Tang Feng asked suspiciously, "Lin Kai, is this Leiyuan Group really related to Lin Yuan? This Jiang He is a great master, will he be willing to act as a shield for others?"

Lin Kai said solemnly: "I now believe that this Leiyuan Group is related to Lin Yuan. Uncle Tang, please continue to investigate."

Tang Feng nodded and said, "Don't worry, leave it to me."

As soon as Lin Kai hung up the phone, he felt a breath quickly approaching from the bottom of the mountain, and arrived in front of the villa in a few seconds.
