

Special Forces 1941

Chapter 1941

Lin Hong looked at Lin Kai with great interest, and asked lightly, "What do you want to cooperate with?"

Lin Kai smiled and said, "Uncle Lin helped me get some high-end genetic medicine. How about giving you a share of genetic medicine in the future?"

Lin Hong smiled: "Gene medicine is Lin Yuan's industry, what does it have to do with you?"

Lin Kai said indifferently, "Uncle Lin doesn't bother. You just have to say whether you want to cooperate."

Lin Hong's eyes changed a little, and he said faintly: "Compared to genetic medicine, I think your life is more attractive to me."

Lin Kai's face sank, and he said coldly: "Uncle Lin, don't really think that I am afraid of you. I admit that I can't beat you. But do you think I have no means of self-protection if I dare to come?"

Lin Kai looked at Lin Hong, hehe sneered: "But as long as you shoot at me, then we will be completely enemies. Uncle Lin, you have to think clearly!"

Lin Hong squinted and looked at Lin Kai indifferently.

Lin Kai looked calm, and looked at Lin Hong calmly.

Lin Hong was a little strange. Just now, Lin Kai seemed to be still afraid, and he even saw the sweat on Lin Kai's forehead.

Now, why isn't Lin Kai scared anymore?

Is it just to lower his vigilance, Lin Kai really has the ability to escape?

Lin Hong wanted to try, and wanted to leave Lin Kai.

However, as Lin Kai said, there would be no room for maneuver if he shot.

Lin Hong's indifferent expression suddenly eased, and he laughed: "Nephew, I was joking just now. I didn't kill you before. Now I don't even have the idea of shooting you."

Lin Kai also smiled slightly: "Naturally. I trust Uncle Lin so much that I dare to come alone."

Lin joked: "Otherwise, I will ask my eldest brother to come together. Hahaha."

Lin Hong laughed loudly and said, "My nephew, I will find a way to get some high-end genetic medicine, and I will definitely send it to you in time."

Lin Kai bowed his hand and said sincerely: "Then I would like to thank Uncle Lin."

Lin Kai stood up and said farewell: "Then I won't disturb Uncle Lin, my nephew is leaving."

Lin Hong suddenly said, "Xue'er has been with you for a long time, let her go home. I and her dad miss her."

Lin Kai smiled faintly: "I will tell Xue'er what Uncle Lin means. Of course, she will decide where she wants to go."

After Lin drove away, Lin Hu and Lin Yun walked in.

Lin Hong looked indifferent, looked at Lin Hu and said coldly: "Go and get Xue'er back."

Lin Hu's face was dark and he couldn't see his expression. He lowered his head and said respectfully: "I have already talked to Xueer on the phone, and she doesn't want to come back."

Lin Hong looked at Lin Hu coldly, and Lin Hu stood there in silence, silent.

"Never mind, wait for Xue'er to be abducted by Lin Kai. Just don't regret it."

Lin Hong snorted and walked away.

Lin Yun hurried to catch up, leaving only Lin Hu standing in the hall silently.

When Lin Kai returned home, Lin Xueer was already sitting at the table, watching the table full of food, swallowing wildly.

Seeing Lin Kai walking in, Lin Xueer jumped up and complained: "Why are you going? I'm so hungry. Eat quickly."

Lin Xueer looked behind Lin Kai and asked curiously: "Where is my sister?"

Lin Kai touched Lin Xue'er's head, and smiled dozingly: "She has gone home, let's eat."

"Good."

Lin Xueer hurriedly pulled Lin Kai to sit down, and started eating deliciously.

Lin Kai said while eating, "By the way, I went to your home."

Lin Xueer's expression changed, she looked at Lin Kai nervously, and asked, "Did you say anything?"

Lin Kai nodded and chuckled: "Your dad said that you have stayed at Lin's house and never went out. So, you should live with me for the time being. You will go back later."

Lin Xueer smiled, her eyes filled with joy, she just felt that the food in her mouth was more fragrant.

After she was full, Lin Xueer took out her mobile phone and started to play.

Suddenly, Lin Xueer's eyes widened and she opened her mouth to exclaim.

Lin Xueer looked at the backstage 999+ private messages and more than one million fans, and she was a little suspicious of her eyes.

There were not a few fans on her social software before, and the few fans were all zombie fans.

Overnight, why are there so many private messages and so much attention.

She opened it curiously, and found that the video activity she posted last night had hundreds of thousands of reposts, millions of comments, and millions of likes.

She opened the comment and read it.

“My mother, I found the treasure. Guys, come and see. @风儿、@傻的87、@我的神...”

“This boy is handsome, he feels like my boyfriend!”

“Stop dreaming, I am his first love. He has nothing to do with you!”

“However, I always feel that his appearance is a bit familiar!”

“It’s a pity that you can only see the side face. When you turn your face straight, you may be able to know who he is!”

“Don’t just look at his appearance. Didn’t you find that he kneaded the dough too exaggerated?”

“Is it still floating? Will my fingers still glow?”

“Is this cooking or magic? It’s a bit magical, it turns out to be a shiny surface!”

“This buddy has been single for so many years of hand speed, and there are still shadows, and he can’t practice it in less than a hundred years.”

“Hehe, fuss! This is just special effects. I can make more exaggerated special effects than this video in minutes!”

“Don’t brag, just do it if you have the ability!”

...

“You only care about this person who cooks, don’t you see that this young lady is a big beauty? There are surprises in her photo album!”

“Oh my God, it’s so beautiful!”

“I found my heart moved, is this just love?”

“Ahhhh, I really like her look, it’s so sweet!”

“Pray for her real identity, for contact!”

Lin Xueer exclaimed, and quickly flipped through her photo album.

It was found that there were more than ten photos taken by her in the villa.

Lin Xueer was a little dazed and confused. Isn’t she the only one who can see the album?

Why is everyone seeing it now?

Lin Xueer was a little apprehensive and kept watching.

“Upstairs, stop dreaming! Look at the background of this girl’s photo!”

“Yes, is she a fairy in the sky? Why is there fog all around?”

“I feel that she lives in a luxurious villa, someone we can’t climb high.”

“Is this villa on the mountain, so there is fog all around?”

“Don’t guess, I already know who this beauty and handsome guy are?”

An ID named ‘Man in the Wind and Rain’ suddenly said.

“Please inform, please private message!”

As soon as this sentence came out, there were thousands of replies immediately below him.

The person in the wind and rain replied: “This is not a secret. The man is Lin Kai, and the woman is Lin Xueer.”

Chapter 1942: Exposing Lies

“The surname is Lin? Is the man my elder brother?”

“Hmph, this woman turned out to be my man’s younger sister. She looks like a vixen!”

People in the Wind and Rain: “No. Although their surnames are Lin, they are only a family a hundred years ago. Now, if they become lovers, it is completely legal and reasonable!”

A few seconds have not passed, the person in the wind and rain said again: “I advise you not to talk nonsense. This man is a great master! Please respect him!”

“Grandmaster? Haha, did you laugh at me?”

“Cut, I thought you really broke the news, it turned out to be a grandstanding thing.”

“You are a kid in the wind and rain, do you know what a great master is? You don’t even know the division of ancient warriors?”

“@古猛宗师, this person said this young man is a great master. Excuse me, is it possible?”

Many people called for an ID called Grand Master Gu Meng.

This is an Internet celebrity who is particularly hot on the Internet, claiming to be a master-level powerhouse.

He often teaches online, and he also charges for lectures and teaches ancient martial arts.

Within a few seconds, Grandmaster Gu Meng appeared in the comment area.

“Let’s put it this way, people in this storm are talking nonsense, nonsense!”

“Wow, take a group photo! The Grand Master appears!”

“Good guy!”

“Big guys give me a lot of advice!”

There were hundreds of comments below in an instant, slapped Grandmaster Gu Meng’s rainbow fart.

Fengyun everyone also appeared in the comment area and asked: “Please enlighten me from this master!”

Grandmaster Gu Meng talked freely: "Then let me teach you some common sense!"

"According to my qualifications, I am the top group of people in China. However, I only became a master in my fifties!"

"It's even harder to become a great master!"

"Don't be afraid to tell everyone that it will take me at least ten years to become a great master. At that time, I was in my sixties!"

"There is no one who can be promoted to Great Master earlier than me!"

"This young man is only in his twenties, at best he is a martial artist! How could he be a great master?"

"People in the wind and rain, bragging next time. Would you please bring your mind?"

The comment area is boiling:

"666, the big guy's remarks really hit someone in the face."

"Some people, please don't pretend to be forced. There are many bigwigs on the Internet. It is you who have been beaten and embarrassed!"

In the wind and rain, people were mocked by the crowd, and instead of furious, they uploaded a photo.

The picture shows a man, standing in front of tens of thousands of people talking freely, with confidence in his eyebrows.

People in the wind and rain: "If you don't say much, the one who knows is self-evident!"

"This is Lin Yuan! What does it mean to be in the wind and rain?"

"I understand, Lin Yuan is a great master. Gu Meng said that it is impossible to become a great master at this age. But Lin Yuan slapped Gu Meng in the face..."

"Yes, Lin Yuan is Great Master. Doesn't this mean that Grand Master Gu Meng's words are wrong?"

"By the way, how do I feel that the man in the video is very similar to Grand Master Lin Yuan!"

"Hey, don't you think you don't think about it. These two people are too alike. They have almost exactly the same profile."

"People in the wind and rain said his name is Lin Kai. Are they two brothers?"

People in the wind and rain: "Yes, they are indeed cousins!"

The refreshing speed of these comment areas is faster.

"My God, the two brothers look like, and they are both great masters?"

"Grandmaster Lin Yuan is our God of China! It is his blessing that Lin Kai can become his brother!"

"Haha, whether there is any problem with Lin Yuan's genetic medicine has not been confirmed, please don't just put gods on people!"

As soon as this sentence came out, he was sprayed with a dog-blood sprinkler without accident.

He couldn't bear the pressure, so he deleted the comment and left.

At this time, Grandmaster Gu Meng commented: "Grandmaster Lin Yuan is the first person in China! He is even more of our pride! That's why I automatically excluded him!"

"I mean, with the exception of Lin Yuan. There will never be a second young grandmaster!"

Grandmaster Gu Meng posted comments very quickly, and seemed to be eager to explain.

In the wind and rain, the man made a meaningful expression, and then another picture.

In the picture, Lin Kai stood in the air facing thousands of people.

He looked at the crowd, but his eyes were full of gaze, as if they were just slumping dogs.

And these thousands of people looked panic, their expressions of horror seemed to overflow outside the photo, so that everyone could feel their fear.

People in the wind and rain: "Friendly reminder! Most people who can fly in the air are great masters!"

People in the Wind and Rain: "Forgot to tell everyone that these thousands of people are ancient martial artists. Among them are ten masters and hundreds of martial sages!"

Hot King: "Ma Dan, I eat melon! Why did I eat myself!"

The comment asked: "Who are you again?"

Hot King: "Oh, I am the grandmaster who is standing at the front, who is scaring to pee."

Hot King: "Although I don't want to say it, I can prove that people in the wind and rain are talking."

"By the way, who are you?"

People in the wind and rain: "Hehe, Master Huo, I'm just an unknown person."

The man in the wind and rain said again: "However, I found something interesting."

He uploaded some photos in a row.

In the photo, a middle-aged man leaned on the ground, kneeling on the ground with a bruised nose and swollen face.

In front of him, a few young people looked at him with a sneer.

People in the wind and rain: "This is Grand Master Gu Meng? You were beaten by several young men? Is this reasonable?"

"How is this possible, Gu Meng is a master, why is he so embarrassed?"

"I don't believe it, these photos are from P!"

A ps god: "I prove that these photos are real. Not ps!"

Grandmaster Gu Meng: "Haha, I'm just discussing with these young people."

"We clicked till the end, but they attacked and bullied me as an old man..."

Grandmaster Gu Meng's comments gradually became chaotic, like his panicked heart.

In the wind and rain, people made a sneer expression: "Grandmaster Gu Meng, formerly known as Gu Xiaomeng. He is an ancient warrior at the level of warrior. He bluffed and deceived, but was pierced by someone, and was taught a lesson."

"Who knows, he doesn't know how to repent. Instead, he cheated on the Internet. He said he was a master!"

"You are also worthy of being called a master?"

The comment area immediately froze, and one after another accused Grandmaster Gu Meng.

Lin Xueer was eating melons while watching them excitedly fighting in her comment area.

"What are you looking at? So happy?"

Lin raised his eyebrows and asked with a chuckle.

Lin Xueer raised her head in a panic and turned off her phone: "I didn't see anything."

She thought in a panic. She posted the video of Brother Lin Kai on the Internet, which caused a great sensation.

Will this cause Lin Kai trouble?

Lin Xueer deliberated for a moment, and then published another dynamic.

"Everyone pretends not to see this video, OK..."

Chapter 1943: Plane Flies By Side

"Wow, the deity of the little fairy has appeared!"

"Little fairy, can you tell me. What kind of cosmetics did you use to make you so beautiful? I'm as beautiful as you, I use..."

"Yes, yes. The little fairy is so thin too. I only became so thin after using the 'Super Speed' weight-loss drug!"

"Advertising dog, go to hell! Just because you are also worthy to touch my little fairy?"

"You go to die too, obviously it belongs to my family!"

"Haha, I can imagine Little Fairy Cher's cute expression when she sends this dynamic~"

"Suddenly there are so many comments and fans, is the little fairy scared?"

Lin Xueer: "You are really too enthusiastic..."

"Woo, the little fairy replied to me, is she in love with me?"

“Whose urine is yellow, make him sober?”

Lin Xueer looked at the talents in the comments and couldn't help being amused.

“It turns out that I posted the video of my cooking on the Internet. Oh, it's also on the hot search!”

I don't know when, Lin Kai was already standing behind Lin Xueer.

Lin Xueer was startled and said in a flustered manner: “Brother Lin Kai, don't be angry. I didn't mean it, I will delete it right away.”

Lin Kai smiled, rubbing Lin Xue'er's hair, and said softly: “If you like to chat with netizens, then post it. As long as you are happy.”

Lin Kai chuckled and said, “You will become a celebrity in the future, and I may still need your influence to help me.”

Lin Xueer squinted her eyes, rubbed Lin Kai's hand, feeling uncomfortable again, and quickly avoided.

Lin Kai was taken aback for a moment, not only in joy but also in sorrow.

Now, Lin Xueer has a defense between men and women facing him...

A holy light appeared on Lin Xueer's face: “Brother Lin Kai, don't worry. I promise to become a big internet celebrity!”

Lin chuckled and didn't care about Lin Xueer's words.

Lin Xueer would be very boring outside of her daily practice.

He doesn't have much time to play with her, and now that he can go online can let her kill time.

Now Lin Kai didn't want to let Lin Xueer go back to Lin's house. This was also what her father meant.

Lin Xueer blinked her big eyes and asked cutely: “Then can I upload your photos and videos?”

Lin Kai nodded and joked: “I want to take a good look.”

Lin Xueer immediately said, “Brother Lin Kai, no matter what he looks like, he is very handsome!”

Lin happily moved, and couldn't help touching Lin Xue'er's hair: “Sister Xue'er's eyesight is really good!”

Lin Xueer raised her little hand and patted his hand away, and said dissatisfiedly: “Don't keep touching my head, I'm not a kid anymore!”

Lin Kai nodded repeatedly: “I understand, I understand.”

Lin Xueer stared at Lin Kai and said in shock, “Are you thinking about something bad again?”

Lin Kai dispelled the white body in his mind, also very shocked.

Does Lin Xueer know how to read minds now?

He looked at Lin Xueer: “I have always treated you as an adult, so how can I think of bad things?”

Lin Xueer glanced suspiciously at Lin Kai, then bowed her head and went online.

Lin Kai stood up and said, "I'm going out for a while to find Lian'er."

Lin Xueer quickly stood up and said, "I will go too. She is my sister!"

Lin Xueer specially emphasized that she was held in the palm of her hand since she was a child.

Now, Lin Kai and Tang Ying also spoil her very much.

However, she also wants to change her identity, so Qian Lian'er is a good candidate.

This is a little sister who is younger than her and has a very poor life background.

She decided that she must care about this admitted sister.

"Okay, let's go." Lin Kai nodded.

After walking out of the villa, Lin Xueer consciously stood by Lin Kai's side, holding Lin Kai's waist with her hands.

Lin Kai smiled and said, "What are you doing, didn't we drive there?"

Lin Xueer let go of Lin Kai, making a big red face, and said with a trace of loss in her tone: "Oh, I see."

Lin Kai suddenly grabbed Lin Xueer's waist and flew high into the sky, saying loudly, "I think about it, I still like flying!"

Lin Xueer laughed happily in the air: "I like it too~"

Lin Xueer took out her mobile phone and said with a smile: "Brother Lin Kai, can I record a video?"

Lin Kai nodded and smiled: "Do what you want to do. I support you in everything."

Lin Xueer took out her mobile phone and shone it to the surroundings first, and the clouds flew behind them quickly.

Looking down, you can see that the tall buildings are like small boxes.

At this moment, a small black spot suddenly appeared right in front of them.

Lin Xueer turned the camera around and said nervously, "Brother Lin Kai, is the plane in front of you?"

Lin Kai smiled and said, "It's a coincidence that I actually ran into an airplane."

Just as they were speaking, the plane had already appeared in their field of vision.

In the next second, the plane appeared 100 meters away from them, and the roar also swept toward them.

Lin Xueer's pretty face turned pale and she closed her eyes in shock.

Lin Kairou said, "It's okay, I can't hit it."

Lin Kai's figure suddenly accelerated and flew directly to the side of the plane.

At the same time, he also propped up the aura hood to stop the oncoming wind.

In the next instant, they crossed directly with the plane.

Lin Xue'er flushed with excitement, and aimed the camera at her and Lin Kai.

"It was so fun to pass the plane head-on."

Lin Xue'er shouted in excitement, and kissed Lin Kai's cheek hard: "Thank you, Brother Lin Kai, I think I will remember this experience forever."

Lin Kai smiled and said, "What is this, there will be more fun things in the future."

Lin Xue'er nodded her head again and again, her expression of happiness and joy on her face.

On that plane, a young man was sitting by the window, enjoying the scenery outside.

Suddenly, more than ten meters away from the airplane window, a man and woman flew over from there.

That girl is very beautiful, like a fairy in the sky.

She was so excited that she opened her mouth and yelled something.

The man was also handsome, like a banal immortal.

However, his expression was very indifferent. When he was crossing the plane, he glanced at the young man and gave him a slight jaw.

In the blink of an eye, they staggered past, losing their figure by the window.

The young man's eyes were dull, and he suddenly slapped himself.

He smirked stupidly: "It seems to be too sleepy and hallucinations. How can people fly?"

He stretched his waist and muttered to himself: "Let's get some sleep!"

He closed his eyes and rested for a while, then suddenly opened his eyes, his eyes full of horror: "Illusion, that's obviously true!"

"Have you met a ghost, or a couple of gods and goddesses?"

"But that girl is so beautiful, like a fairy."

"Fairy? No!"

The man's expression suddenly changed, he took out his cell phone and checked his favorite album.

Chapter 1944

He looked at the photos on the phone and trembled with excitement, "My mother, it's really her! That man is Lin Kai?"

The first hot search last night was a cooking video.

There are many reasons why it became popular and became the number one searched one.

The first is that the cooking method is amazing, just like a magic show, pleasing to the eye.

Second, because the big internet celebrity 'Grandmaster Gu Meng' overturned, he was not a master, but just a liar.

Third, it is also the photos that attracted many men.

That is the photo of the video owner, her name is Lin Xueer. The appearance is not like the world, like a fairy from the sky.

The man admired it for a long time, and even put it away specially.

After he was going home, he would wash out the photos and post them in his bedroom.

As for whether his girlfriend is angry or not, he can't control so much.

The man immediately sent a comment excitedly.

Don't eat potato chips: "On the plane just now, the little fairy flew past me..."

His comments had just been sent out, and soon received a large number of replies.

"Haha, this Xiongtai is really funny, is it here to enliven the atmosphere?"

"I admit that Cher is a little fairy, but little fairy can't fly either!"

"Haha, he probably didn't wake up. You need to rest more on the plane, don't miss the little fairy too much, he has hallucinations."

The man named 'Don't Eat Potato Chips' saw that everyone didn't believe him, he was very angry and commented: "If I'm a lie, I'm a dog."

"By the way, Lin Kai was next to the little fairy at the time."

Suddenly reacted by not eating potato chips, gritted his teeth and said: "Damn it, Lin Kai actually held my little fairy's waist at that time. Why isn't that person me!!"

"Speaking of noses and eyes, I almost believed it!"

"Lin Kai is a great master, and he can indeed fly. However, it is still a bit reluctant for the great master to take people to fly?"

People in the wind and rain: "Yes, the general master can only fly for a few hours by himself. If you take a person to fly, you will be tired after less than ten minutes."

"Wow, big guys are here!"

Because of yesterday's incident, Feng Yu Zhong Ren possessed great authority overnight, and many netizens also paid attention to him.

“If you don’t eat potato chips, the wind and rain guys have spoken in person. Don’t lie. Are you going to be exposed by the wind and rain guys like Gu Meng’s rubbish? At that time, you would have lost your lord!”

“Some people are always in the limelight. Don’t be in the limelight, but chew on shit!”

Don’t eat potato chips: “Whatever, I’m telling the truth!”

The man’s face was very ugly, and the netizen’s words were so ugly, his liver was a little bit irritating.

He only hated why he didn’t take pictures at the time, otherwise he saw what the group of people had to say.

After Lin Xueer finished taking the video, she opened the app and posted a post.

“I am very happy today, soaring into the sky with my favorite brother. I almost ran into an airplane.”

After posting the dynamic, I posted the video just finished.

It’s just that the Internet speed is a bit poor in the day, it’s still buffering, and it’s not released.

Lin Xueer put away the phone and ignored it.

At this time, the two had also arrived at Qian’s house and landed in an empty place.

When Lin Xueer was expecting to meet Qian Lian’er immediately, another storm set off on the Internet.

When he was sulking by not eating potato chips, his cell phone rang suddenly.

This is the sound of his special attention when he publishes the dynamics.

And he just paid special attention to Lin Xueer.

Not eating potato chips was shocked, and quickly clicked to check.

He saw the dynamic posted by Lin Xueer, then clicked on the video and watched it.

In the video, you can see the white clouds flying backwards all around, and it didn’t take long for an airplane to fly over quickly from the video.

He saw Lin Xue’er’s beautiful face again, and then kissed Lin Kai’s cheek.

The excitement of not eating potato chips suddenly froze. He held his chest and his eyes were dull: “My heart hurts...how can the little fairy kiss other men...”

At this time, other people on the Internet also found this video.

“Fuck, it turned out to be true. There is no lying if you don’t eat potato chips!”

“My God, this is too romantic. Lin Kai is too good at it!”

“Yes, it would be nice if that girl was me. In this life, to experience such a romantic thing, it is worth it to die!”

“Woo, what should I do? I found that I like Lin Kai, this handsome guy.”

“How many people don’t like this kind of man?”

“He knows how to cook, and he makes so good-looking. It must be delicious too.”

“Moreover, he is still a great master! This is one of the strongest men in the world!”

“The most important thing is that he is so gentle when he talks to Lin Xueer. There is light in his eyes.”

“My God. Is there such a perfect man in this world?”

“Hmph, Lin Xueer actually kissed my male god, it’s terrible!”

“Forget it. If it were us, we wouldn’t be able to resist the pro-male god.”

After a while, Lin Xueer’s comments below were captured by countless women.

Last night, the female army was actually watching the excitement, and not many people ended up.

However, as soon as today’s video was released, female netizens could no longer help but comment.

Looking at the constantly refreshing comment area, male netizens can only watch silently and can’t even speak.

However, their hearts are hurting now.

How could Little Fairy Lin Xueer kiss other big pig’s hoofs?

At this time, I didn’t eat potato chips and also slowed down.

He commented in bold font: “Please apologize to those who didn’t believe me just now, but who spoke harshly!”

“Oh, you can’t blame us either. Things are too weird, and we don’t believe it and it’s normal!”

“Yeah, it’s not so good for a big man to be so pretentious!”

Many netizens accused of not eating potato chips, when nothing happened just now.

Kissing the little fairy: “Compared to this little thing, isn’t the most important thing that the little fairy Lin Xueer kissed the scumbag Lin Kai?”

As soon as this sentence came out, the comment area was blown up.

“Hehe, some men are jealous and hateful, and the sour smell overflows the screen.”

“It’s shameless to slander others out of thin air!”

“Calm down, this is Guo Nan’s daily life. They look down on women, and they become distorted when they meet a good man.”

“Looking at his ID, a wretched aura hits his face. In reality, is it an otaku who hides at home?”

Other male netizens looked angry and rejoiced.

Fortunately, it was not what they said, otherwise it was them who were sprayed now.

Kiss the little fairy: “Hehe, you women shut up! Excuse me, is your IQ only equivalent to a fool?”

Everyone was in awe. This ‘Kiss Little Fairy’ is simply a strong man, and even dared to spray them.

Please go all the way, we will miss you forever!

Chapter 1945 Birthday Banquet

Kiss the little fairy: “You Shabi women, you didn’t know that Lin Kai had a fiancée in reality. He was still hugged with other women. It’s shameful! There is no doubt that a proper scumbag!”

“Really? God Lin Kainan actually has a fiancé? My heart hurts.”

“Sister, it’s okay. It’s just a fiancée, isn’t she still unmarried? Even if we get married, can’t we get a divorce?”

“Oh, I just need to look at the male **** from a distance to be satisfied.”

“Actually, such an excellent man will definitely be liked by many girls. We are very satisfied before the male **** is married.”

“Yes, some of Guo Nan’s one hundred fingers are not as good as a male god!”

Kiss the little fairy: “...”

Are you crazy? At this time, shouldn’t they all scold Lin Kaizhan to the outside world in unison?

Why is the current unfolding different from what he imagined.

The kissing little fairy cursed angrily, “Lin Kai is a scumbag, why don’t you scold him? Usually, where are your strict requirements for men?”

“Haha, he’s anxious, he’s anxious.”

“I knew he had no good intentions, he was sour my male god?”

Kiss the little fairy: “Laughing, why should I lower my body to a scumbag?”

“Why are you sour? I don’t know it in my heart? Then I tell you. You are so handsome, beautiful, rich and powerful. You are the master of Jiulong Mountain. And there is this world. The most powerful force.”

“What do you say are you sour? This is any one, you can’t reach the level in your life. You will always be a rotten fish and shrimp hiding in a stinking ditch!”

“Tsk tsk, lower your body. Don’t you know what kind of **** you are? What about the master who pretends to be Nima!”

The blood pressure of the kissing fairy rose, and his eyes became blood red, and he began to type and curse desperately.

“Amp;*% ¥ ...#”

“Wuhu, he is in a hurry, he is in a hurry.”

Many netizens smiled and directly reported.

After receiving a large number of reports in the background, within a few minutes, the ID of the kissing fairy was blocked for a year for insulting others.

Seeing his tragic experience, many male netizens mourned for a while.

You said, what are you going to provoke them for?

“Hehe, very happy.”

“It’s not our fault, he caused the trouble first.”

“We know that you guys like Lin Xueer, please enclose yourself and don’t take us male gods.”

“Otherwise, at your own risk!”

Qian’s family, Qian Lian’er’s eighteenth birthday.

This year, Qian Lian’er’s birthday is different from before.

First, Qian Lian’er is eighteen years old and will be an adult from now on.

Second, Qian Lian’er has mastered the Qian family and has become the head of the Qian family.

Therefore, on this birthday, Qian Lian’er’s uncle Qian Tong strongly requested that a grand banquet was held.

Originally, Qian Lian’er was even the head of the Qian family. She had a birthday, and not many powerful families cared about it.

However, Qian Lian’er appeared at an auction a few days ago.

She had a conflict with a Martial Saint, and she actually defeated the Martial Saint in public.

At this time, Qian Lian’er’s reputation became dry.

Not only the big families in this city know about Qian Lian’er, but even the neighboring cities have also heard of Qian Lian’er’s name.

In addition, Qian Lian’er was able to defeat Wu Sheng at such a young age.

At this time, some provincial-level families with masters were all paying attention to Qian Lian’er.

When they heard that Qian Lian’er was holding an eighteenth birthday banquet today, a large number of families sent teams to Qian’s house.

All of a sudden, Qian’s house was in an endless stream, and people kept coming.

Lin Kai and Lin Xueer came slowly.

The two stood together as if they were golden boys and girls, which looked pleasing to the eye.

“Hey, this woman is a bit pretty.”

At this moment, a young man wearing a very sloppy bag and still holding a folding fan suddenly looked at Lin Xueer with bright eyes.

He swallowed his saliva, adjusted his clothes, and was about to come forward to strike up a conversation.

“Master, wait a minute!”

At this time, an old man behind him was helpless and grabbed his figure.

The young man’s face was very dissatisfied, but he knew that this dead old man was a guard arranged for him by his grandfather.

When he came, his grandfather specifically told him to listen to the old man.

The young man suppressed his anger forcibly, “Old Li, what are you doing to stop me?”

Old Li looked helpless and sighed deeply.

I think Zhang Fengnian started from scratch and worked hard to create a huge industry.

Moreover, because Qi Yu has also become an ancient martial artist, his groping and cultivation alone turned him into the realm of a master.

For a time, Zhang Fengnian was in the limelight, and he gained a great reputation in the East China Sea.

What kind of heroism is this?

However, his grandson is quite a mess.

At this juncture, even thinking of picking up girls is outrageous!

If it hadn’t been for Zhang Fengnian’s kindness to him back then, he would have retired long ago when he saw such a rough grandson.

Old Li sighed and persuaded: “My son, our purpose in coming to the Qian family is to marry the Qian family. Your goal is to take Qian Lian’er.”

“You are now approaching other women in front of the Qian’s house, which makes the Qian’s eyes look at it. Can you still promise us?”

Old Li emphasized: “My son, don’t forget. Qian Lian’er is such an excellent girl, but many people are thinking about it!”

Zhang Xiaojun’s expression was impatient, and his expression was somewhat resisted: “I can fight a martial arts sage at the age of eighteen. It must be a rough lady, I don’t want to marry her.”

He looked at Lin Xue’er covetingly, and said with a squint, “It’s still this girl who is very watery.”

Zhang Xiaojun turned his head and looked at Lin Kai next to him, with a look of disgust on his face: “This kind of little white face is not worthy of this level of beauty!”

Lao Li glanced at him, and said to his heart: “Is it okay for people to look and temperament hundreds of times stronger than you? Where does your face look down on them?”

Old Li Shen said: "For the Zhang family, some sacrifices are necessary."

Zhang Xiaojun curled his lips, a little unhappy.

It is totally unreasonable that the peerless son of his dignified Guwu family has to sacrifice for the family.

Lao Li still wanted to persuade him, Zhang Xiaojun waved his hand impatiently and said, "I see, let's go."

Zhang Xiaojun glanced at Lin Xueer greedily, and reluctantly entered Qian's house.

Outside the door, Zhang's guard handed an invitation card.

The housekeeper of the Qian family took a look, his expression was slightly shaken, and he shouted loudly: "Zhang Family, Young Master Zhang Xiaojun is here to wish birthday."

The guests beside them couldn't help but look over.

"It turned out to be the Zhang family, this is a grandmaster-level family. It is really important to take Zhang Gongzi to come in person."

"Hey, it's not only Young Master Zhang who is here, but also Young Master Fu, Young Master Fu and Young Master Ouyang Peng and Ouyang came here in person."

"Really? These families are all master families. Especially Ouyang Peng himself is a martial sage, and his grandfather is the pinnacle master. He actually came here himself?"

Chapter 1946 Lin Kai Visits The Door

"This is too ridiculous, right? Even if you pay attention, it doesn't stop there. After all, the Qian family only has Qian Lian'er who is strong."

"Hehe, that's why they are all here. Their goal is Qian Lian'er."

"You mean they all want to marry Qian Lian'er?"

"That's right, Qian Lian'er is only 18 years old, and she can defeat Martial Saint. This is basically certain, she will become a master sooner or later."

"In this way, if anyone marries Qian Lian'er, it is equivalent to having an extra grandmaster in his family. This kind of business, as long as you are not stupid, can think clearly!"

The weak and small families coming around can only sigh, why don't they have such thoughts.

However, now it seems that their families have no chance.

After hearing the housekeeper's shout, Qian Tong ran out personally after a while to greet the Zhang family.

Qian Tong's face is full of spring breeze, full of spirits.

This has been Qian Tong's most impressive time in the past half month.

After he assisted his niece to become the head of the family, Qian Lian'er began to act drastically.

Unexpectedly, Qian Lian'er is actually very talented in business.

Within a few days, several large orders were received.

In addition to the tea business, it also expanded its business and started buying and selling medicinal materials.

Qian Tong was originally very worried. If he entered an industry rashly, he would be suppressed.

Sure enough, at an auction, Qian Lian'er was embarrassed by Wu Sheng.

He was aggressive and asked Qian Lian'er to be his concubine.

Originally, Qian Tong was desperate, but Qian Lian'er suddenly broke out and defeated the Martial Saint with a few strokes.

At this time, the Qian family's business was no longer unimpeded.

In the past few days, I have received several large orders and made hundreds of millions of profits!

Therefore, this time Qian Lian'er's eighteenth birthday, he decided to do a special deal!

His invitation was sent to all powerful families in this city and even the three bordering cities.

Qian Tong thought that Qian Lian'er would disagree, but after thinking about it for a long time, Qian Lian'er frowned and actually agreed.

Qian Tong was overjoyed in his heart, Qian Lian'er came back this time for some reason and suddenly became receptive.

She never participated in this kind of business entertainment before.

This time, Qian Lian'er was the absolute protagonist, and she even agreed.

"The Qian family's revival is expected!"

With tears in Qian Tong's eyes, Qian Lian'er's changes, he can only think that his elder brother is enlightened by the spring, and then Qian Lian'er has opened up his mind.

Qian Tong effortlessly persuaded Qian Lian'er, and all that was left was to see that those big families were not giving face.

Especially for those master-level families, Qian Tong is very concerned about it.

Unexpectedly, the family who came today completely surpassed his expectations.

These big families not only come, but also let the descendants of their direct descendants bring them here.

Not only that, some big families that he didn't dare to invite even took pictures of his descendants.

For example, the Ouyang family, well-known in the East China Sea, is among the top families.

Ouyang Peng, the son of his family, is even more famous.

Today, he actually came in person.

This gave the Qian family ample face and made the Qian family show off.

Today's birthday banquet even spread throughout the province, making many eyes watch over.

With a big smile on his face, he greeted Zhang Xiaojun, and said, "Master Zhang is coming here. It's really a miss. Hahaha."

Zhang Xiaojun frowned, a trace of disgust appeared in his eyes.

A trivial warrior, so unreasonable?

Seeing him come to the door in person, not only did he not kowtow to greet him, but there was no respect in his expression.

Zhang Xiaojun looked at Qian Tong coldly, without speaking.

Old Li behind him couldn't help but sighed again.

However, he didn't bother to control this time.

It just so happened that he was also a little dissatisfied with Qian Tong's attitude.

He was the grand master, and everyone in the Qian family came out and knelt to greet him, it was not too much.

Now, Qian Tong turned out to just hand over his hands, and it seems that he took himself too seriously.

Qian Tong didn't speak when Zhang Xiaojun saw Zhang Xiaojun, and at the same time the aura that belonged to a martial artist exuded.

At the same time, the old man behind him is more like a poisonous snake, making him like a thorny back.

Qian Tong couldn't help but seep sweat on his forehead, and his expression became a little panicked.

In fact, when Ouyang Peng came to the door, he knelt down.

However, Ouyang Peng was very empathetic and prevented him from kneeling.

Moreover, his attitude is very peaceful, and he still has some respect for him.

This made Qian Tong a little flattered, and fluttered.

He felt that he was also number one, and he could look at the son of a big family.

Sure enough, the Gao family, Fu family and other princes also respected him very much.

Therefore, when Zhang Xiaojun came, Qian Tong just bowed his hands in salute, without any respect.

This annoyed Zhang Xiaojun, and Qian Tong couldn't get off the stage for a while.

The Zhang Family's guards took a step forward, and at the same time exuded an aura that belonged to a martial artist.

boom

Qian Tong trembled all over, shocked by the powerful momentum.

When his legs became weak, he was about to kneel in front of Zhang Xiaojun.

At this moment, a figure in white suddenly appeared beside Qian Tong.

He held Qian Tong's arm and smiled and said, "Uncle Qian, we meet again."

Qian Tong finally stabilized his figure and looked to the side.

He was surprised and said: "Mr. Lin, why are you here?"

Lin Kai smiled faintly: "Today turned out to be Lian'er's birthday. It seems that I came at the right time."

Zhang Xiaojun's eyes were cold, and he said coldly: "Who are you so special, you are nosy?"

There was a trace of jealousy in Zhang Xiaojun's eyes, and his eyes were very angry.

Lin Kai was able to withstand their aura effortlessly, which showed that Lin Kai was at least a martial sage.

Such a young Martial Saint must be another master master in the future.

So handsome, he is still the future master, and the female companion beside him is still so beautiful.

Isn't this a proper life winner?

This made Zhang Xiaojun, the third generation of Wu, jealous and mad.

However, Wu Sheng hasn't paid attention to him yet.

The old man behind him is a master, killing a martial sage is like killing an ant.

Lao Li glanced at Lin Kai indifferently, he didn't feel that Lin Kai had a strong aura.

Lin Kai glanced at Zhang Xiaojun and ignored him, instead looking at the courtyard.

The corner of his mouth couldn't help but a gentle smile appeared.

Zhang Xiaojun jumped into a rage when he saw that Lin Kai ignored him.

He clenched his fist and was about to show Lin Kai some color.

At this time, a beautiful figure ran out of Qian's house.

She was like a gust of wind blowing in front of Lin Kai.

Watery eyes looked at Lin Kai affectionately, and suddenly a trace of tears fell from his cheeks.

"My son, you are finally here..."

Qian Lian'er curled the corner of his mouth, feeling a bit wronged.

She was about to pounce on Lin Kai desperately.

Unexpectedly, she just wanted to move, and a small head stuck out behind Lin Kai.

This is an equally beautiful face. She looked at Qian Lian'er with joy and smiled happily:

"Sister Lian, my sister is coming to see you!"

Chapter 1947 Conflict!

Lin Xue'er smiled like a flower, threw herself on Qian Lian'er, and laughed happily.

Qian Lian'er hugged Lin Xue'er, with big eyes smiling like a crescent moon, and said happily, "Sister Xue'er, you are here too. I miss you so much."

"Hmm, I miss you too."

Lin Xue'er nodded vigorously: "I miss you too."

The thunderous Zhang Xiaojun quickly calmed down. He looked at the sisters in amazement, and the halazi was about to flow out.

Not only him, but other men around were also looking at these two girls in awe.

"What a beautiful girl, are they all fairies in the sky?"

Don't talk about these strange days, even Lin Kai smiled and looked at the two girls.

They are the most beautiful girls in the world.

If it is said that women's looks are divided into realms, they are all looks of great master level.

Countless girls will be overshadowed in front of them.

Lin Kai's gaze fell mainly on Qian Lian'er, and a hint of surprise flashed in the depths of his eyes.

Because, not seeing her these days, her temperament has changed a lot.

In the past, Qian Lian'er was very beautiful, but she had a green feeling, like a little girl who hadn't grown up.

But now, Qian Lian'er's face is still beautiful, but it's too calm.

There was a bit of majesty between her eyebrow scans.

Only when his eyes turned to Lin Kai's body would there be a hint of shyness and love.

Zhang Xiaojun swallowed and murmured: "Is this girl Qian Lian'er? Not bad, marrying her is not a shame to my identity!"

Zhang Xiaojun tidied his clothes, unfolded the folding fan, shook it gently, and said with a graceful smile: "Sister Lian, hello. Under Zhang Xiaojun, the ancestor is Zhang Fengnian!"

After speaking, there was a smug look on his face.

When he wants to come, when he reveals his grandfather identity, Qian Lian'er will definitely walk to him, hold his arm, and then look at him with admiration.

He couldn't help but glanced at Lin Xue'er next to him, and said secretly: "These two girls seem to be good sisters, wait until I collect the money. This girl will have everything in control! Sooner or later!"

Qian Lian'er put away the smile facing Lin Xue'er and looked at Zhang Xiaojun seriously: "I am very happy that Young Master Zhang can come to my birthday party. But, please call my name directly. We are not that familiar."

Zhang Xiaojun's face became stiff, and Qian Lian'er didn't expect Qian Lian'er to give him face at all.

He vaguely heard the laughter of everyone around him, as if everyone was laughing at him for losing face in front of a woman.

Zhang Xiaojun's face was ugly, and he looked at Qian Lian'er with a gloomy expression, exuding a cold air all over.

Old Li frowned, becoming more dissatisfied with Zhang Xiaojun's performance.

At this time, just a smile will ease the embarrassment.

However, Zhang Xiaojun put on a stinky face, which made the scene unmanageable.

"Damn it, has your brain grown on pigs when you grow up so big?"

Old Li cursed inwardly, a little collapsed.

Qian Lian'er's face also became cold, and he looked at Zhang Xiaojun without any fear.

If Lin Kai wasn't here, she would still be afraid of some old men behind Zhang Xiaojun.

Now, she can be willful. Because the son will protect her.

When Zhang Xiaojun saw Qian Lian'er confronting him tit-for-tat, his expression was completely cold.

Zhang Xiaojun's face was cold, and he shouted coldly: "A mean woman, a mere third-rate family. How dare to not give me face like this. Old Li, take her down. Let her kneel under my crotch to apologize!" Zhang Xiaojun quickly backed away and gave Li Laorang Out of position.

He naturally remembered that Qian Lian'er could fight against Wu Sheng, and he would not rush to fight Qian Lian'er stupidly.

"Under what circumstances, this Xiaojun actually did not agree with him?"

"Hehe, the strongest of the Qian family is just Qian Lian'er, who is not in the eyes of the Zhang family."

"This Xiaojun is accustomed to domineering, so naturally he won't bow his head in the face of this so-called humiliation."

"Yes, the old Li behind him is an old master."

"If it hadn't been for Zhang Fengnian to save him, he would have left the Zhang family long ago."

Old Li looked gloomy and sighed deeply.

Forget it, this time I will help Zhang Xiaojun once, and after this time, he and the Zhang family have nothing to do with each other.

After solving the matter here, he left the Zhang family and wandered around the world.

Old Li's expression was cold, he walked forward to look at Qian Lian'er, and at the same time the grandmaster's aura spread in all directions.

Old Li's voice was indifferent, and said calmly: "Girl, don't make me embarrassed. Apologize to the son."

Qian Lian'er's complexion sank, and he looked at Lao Li without any fear, and said angrily, "Joke, what did I say? Why should I apologize to him?"

Qian Lian'er said with a mocking face: "The Zhang family's reputation is so great, is it such a idiot as a descendant? It's really disappointing!"

Zhang Xiaojun's face was distorted, and he roared: "You bitch, when I press you down, I think you dare not arrogant."

Zhang Xiaojun urged: "Old Li, do it now. Grandpa sees someone bullying me, he will be angry!"

Old Li sighed inwardly: "If your grandfather knew that he had offended Qian Lian'er when he first met, he will not be angry, he will be **** off by you!"

Old Li coldly persuaded: "Girl, do you still accept softness? Only fists are the last word in this world. Your power is too small, what can't you accept softness? Don't force me to take action!"

"Yes, Miss Qian quickly apologize. Lao Li is a master."

The people around couldn't help but persuade them one after another. They didn't want to see a flowery girl hurt by this bad old man.

Qian Tong was flustered and said anxiously: "Yes, pity. Shall we apologize?"

While talking, he pulled Qian Lian'er's sleeves and walked to Zhang Xiaojun to apologize.

Zhang Xiaojun saw this scene with a smug smile on his face.

This time, the script is finally on the right track.

Over the years, there has always been something indifferent to the dignity of his identity.

However, when he uses the energy of the family, no matter who it is, he will surrender to his lust.

Qian Lian'er flicked his sleeves, avoiding Qian Tong's tugging, and said with a calm expression: "Uncle, I'm right, why should I apologize?"

Qian Tong looked anxious and said angrily: "The Zhang family is a very powerful family, and our family can't afford it. If we provoke the Zhang family, can we still do business with the Qian family?"

Zhang Xiaojun glanced at Qian Tong approvingly and said indifferently: "Yes, I thought you old fellow was stubborn and stubborn. It seems that I misunderstood. I will kowtow to me later, and I will not hold you accountable for your disrespect. NS."

Qian Tong's face turned red, and he could only smile and said, "Thank you, Master Zhang."

He turned his head again and continued to persuade: "Pity, even I am subdued. What do you have to worry about?"

Chapter 1948: Experience

"Hey, Qian Tong's bones are too soft!"

The onlookers looked down on Qian Tong.

"Forget it, if we face this situation, isn't the best choice to do this too?"

"Qian Tong's ability to bow his head shows that he can bend and stretch."

Some people disagreed and retorted.

"Ha ha."

At this moment, Lin Xueer, who had been watching, suddenly couldn't help laughing.

Qian Lian'er with an ugly face looked at Lin Xue'er and asked curiously: "Sister Xue'er, what are you laughing at?"

Lin Xueer was holding her small mouth, her delicate body still trembling, and pointed to the money channel: "Sister Lianer, how come your uncle looks like a dog. People have bullied him so much, so he still has to thank others."

Lin Xueer said guiltily: "I'm sorry, sister Lian. I couldn't help it, so I laughed out loud. I didn't laugh at him on purpose."

Qian Tong: "..."

Qian Tong's face flushed, and he was ashamed.

But soon, his face became angry.

He stiffly said: "This girl, our Qian family's business is not your business."

Qian Lian'er stood up and said indifferently: "Uncle, Sister Xue'er was right. Your behavior disappointed me."

Qian Tong suddenly raised his head, unable to believe that Qian Lian'er dared to talk to him like this.

Qian Lian'er has always respected him, but now he is refuted in public.

Qian Lian'er stopped paying attention to Qian Tong and looked at Lao Li and said, "This senior, I am doing well and sitting well. So I have nothing to apologize. On the contrary, this Young Master Zhang uttered bad words and said bad words. Today, he must apologize to me, otherwise, I will not forgive him!"

Zhang Xiaojun burst into laughter, tears bursting out: "Just rely on you? It seems that you don't know how big the gap between Wu Sheng and Grand Master is!"

There was a glimmer of appreciation in Old Li's eyes, and the sigh in his heart was deeper.

He hesitated, is he really going to offend Qian Lian'er?

With Qian Lian'er's qualifications, it will not take more than ten years to become a master.

At that time, will she retaliate back?

Thinking of this, Lao Li hated Zhang Xiaojun more deeply, but at the same time he looked at Qian Lian'er's gaze, and there was a touch of murderous intent.

Since she is offended, she can only be killed, otherwise he can't bear the consequences!

Qian Lian'er felt Li's murderous intent, and his expression became serious.

There was a faint halo in her eyes, and a mysterious breath came out.

Lin Xueer also felt a sense of discomfort. She stood beside Qian Lian'er, waved her small fist, and warned: "Old man, if you bully my sister, I will beat you!"

Lao Li glanced at Lin Xueer and didn't care.

He couldn't feel any inner strength in Lin Xueer, so Lin Xueer was just an ordinary person.

Lin Kai was watching, hesitating whether to slap the old man to death with a palm.

Forget it, he is still very interested in Qian Lian'er's spell ability, and wants to see it again.

Moreover, Lin Xueer had never made a move. This time the Grand Master was an enemy, just to experience her.

To let others know about Lin Kai, just want to experience Lin Xue'er, let the grandmaster shoot them, and he will definitely call him crazy.

Old Li's expression turned cold, and his voice said indifferently: "I'll give you a chance. Now, don't blame me!"

Lao Li's grandmaster's aura burst out and directly blasted towards Qian Lian'er.

The aura that the master exudes is very different from that of Wu Sheng.

Not only can it affect reality, but it also comes with mental oppression.

Most martial sages, facing the grandmaster's aura, couldn't help being shuddered and knelt in front of the grandmaster.

In front of Lao Li, Qian's many guards and Qian Tong's legs softened and knelt directly on the ground.

Blood spilled from their mouths, and their eyes turned into a trance.

They were seriously injured in just one face-to-face meeting.

However, Qian Lian'er and Lin Xue'er stood side by side, and the violent aura struck, but they remained motionless.

The clothes on their bodies were hunting and hunting, and they outlined their perfect figures, making everyone around them stared.

Old Li's face was solemn, a little unbelievable.

Facing his powerful aura, the two girls did not even take a step back.

Seeing that everyone in the Qian family was seriously injured, Qian Lian'er shivered under the violent momentum of Old Li, and if he continued, his life might even be in danger.

The divine light in Qian Lian'er's eyes bloomed, and he spit out softly: "Peel!"

Mr. Li's violent aura suddenly disappeared, and everyone around him couldn't feel the pressure that belonged to the master.

Qian Lian'er sweated on his forehead, and said in a deep voice, "You all quit!"

Qian Tong reluctantly stood up and ordered the uninjured guard to carry the seriously injured guard away.

He gave Qian Lian'er a worried look, and then left the place quickly.

Seeing everyone leaving, Qian Lian'er breathed a sigh of relief, and Lao Li's huge aura suddenly appeared on the spot again.

"What did you do just now?"

Old Li's face changed drastically, he was almost scared to death just now.

He clearly exuded the grand master's aura with all his strength, but he disappeared just now.

It was like his body organs suddenly disappeared from his body, how could this not shock him.

Fortunately, his aura soon reappeared, which made him feel at ease.

"Lian'er, you have used the power of the spell too wonderfully."

Lin Kai couldn't help clapping and gave Qian Lian'er a thumbs up.

Such a simple ability actually allowed Qian Lian'er to play with flowers.

Qian Lian'er blushed, a little shy, and a little discouraged: "My ancient martial realm is too low, I can only work **** the spell."

Lin Kai chuckled: "It's okay, I will surprise you afterwards. It doesn't matter if you don't practice the ancient martial arts!"

Qian Lian'er looked up joyfully: "Could it be..."

Lin Xueer laughed: "Yes, what Brother Lin Kai said must count."

"Grass!"

Zhang Xiaojun yelled angrily: "You are so serious, is it time for you to flirt?"

God knows that Zhang Xiaojun is already going crazy with jealousy when he sees two beautiful women talking and laughing with Lin Kai.

He waved his hand and said: "Old Li, take them down! Go and pull out the tongue of this little white face, I will make you talk more!"

Old Li was also a little angry, but he was a master.

The two girls were chatting with people like no one else.

Do you still put him as a master in the eyes?

Lin Kai chuckled: "You have to deal with this old man, and these stray fish will be handed over to me."

Lin Xueer was a little nervous: "I haven't fought, I'm a little scared..."

"Ha ha..."

The surrounding crowd couldn't help being amused by Lin Xueer.

Lin Kai encouraged: "It's okay, just follow what I usually teach you. Don't worry!"

"That's enough, you guys come on quickly. Pull out the tongue of this pretending little white face."

Zhang Xiaojun shouted: "Here, I don't allow anyone to pretend to be forced!"

Chapter 1949 Lin Xueer's Transformation

Lin Kai dodged when seeing many guards rushing forward.

He didn't rush to deal with these guards, but like a walk in idle clouds, avoiding their attacks.

"Hmph, I think you still dare to pretend to be forced?"

Zhang Xiaojun saw that Lin Kai didn't dare to fight with his guards, so he could only evade in embarrassment, and couldn't help laughing.

There were people with good eyesight nearby, and they were a little puzzled.

A person murmured: "How do I feel that this young man is playing with these people, he is not serious at all."

"Shhh. Don't dare to talk nonsense, be careful to trouble you!"

The others hurriedly told him to shut up, but a little doubt also appeared in their eyes.

However, they quickly diverted their attention, because the two women and the grandmaster over there had formally fought against each other.

Old Li didn't care about Lin Xue'er, but directly punched Qian Lian'er.

He used 70% of his power with this punch, and the reason he didn't use his full strength was to prevent Qian Lian'er from other means.

It can be said that after the weird things just now, Lao Li has already regarded Qian Lian'er as an opponent of the same level.

Old Li's punch came, and the surrounding air collapsed toward his fist.

Especially Qian Lian'er, felt a very strong suction, pulling her body, as if to make her take the initiative to meet Li's fist.

Qian Lian'er's delicate little face was full of solemnity.

She snorted, and her whole body bloomed with brilliance, letting the sudden pulling force disappear, and then she didn't retreat but moved forward, and took the initiative to greet the past.

"Um?"

Old Li looked puzzled, did Qian Lian'er be pulled over by his power or did he take the initiative to meet him?

How did he feel that Qian Lian'er's movements were so calm, and her eyes were too calm, making Old Li uneasy.

Sure enough, when Qian Lian'er approached Lao Li, her body suddenly flickered and appeared directly beside Lao Li.

Then, a dagger appeared in Qian Lian'er's hand, and it pierced Lao Li's temple without hesitation.

"Oh my God, is this the difference between life and death?"

The hearts of the crowd around the audience seemed to have suddenly stopped, and their eyes widened.

They didn't expect that it was supposed to be the situation where the master crushed Qian Lian'er, but now it has become a situation of life and death.

Even the person who was about to die turned out to be Old Master Li.

They held their breath, as if they were afraid to disturb Qian Lian'er.

Lao Li's temples jumped suddenly, and the warrior's instinct was madly warning.

"Get out of here!"

Lao Li was too late to withdraw his fist, he burst out with a burst of violent internal energy, shooting in all directions.

Qian Lian'er is like a boat in the stormy sea, with blood on his face and limbs.

However, her hand was still steady, and she quickly pierced Lao Li's temple.

Unexpectedly, a powerful force suddenly emerged in front of him. This was a force that Qian Lian'er could not bear.

Qian Lian'er's body trembled, her abilities could no longer fight against Old Li's inner strength, and she was directly hit by the powerful inner strength.

Qian Lian'er's body trembled, like a leaf rolled up by a strong wind, throwing away to the distance.

While avoiding the attack, Lin Kai saw Qian Lian'er's tragic situation.

His eyes froze, and he directly grabbed the fist of a guard.

The guard was panting tired, and this punch would have been avoided by this slippery boy.

Unexpectedly, he actually grabbed his fist without knowing it.

The guard shouted in surprise: "Everyone, I caught him. Attack!"

"do not bother me!"

Lin Kai's eyes were tyrannical, and the palm of his hand shook slightly, and the guard's arm burst directly.

The blood mist in the sky didn't splash, but all sprayed on the body of the guard.

He was bloodied and screamed violently.

"what happened?"

The hearts of many guards were chilled, this young man just moved his hands, and the arm of a martial artist's guard exploded like this?

They stared at each other, and they didn't even dare to move around Lin Kai.

Their opponent is too evil.

They obviously felt that Lin Kai's speed was not very fast, but he could always avoid the attacks that they believed to be airtight.

Moreover, Lin Kai's expression was very calm, not like fighting, but playing.

Just now the guard finally hit Lin Kai, and his arm exploded.

And it was blown to pieces, and there was no hope of connecting back.

When Lin Kai saw that they didn't make a move, he was lazy to pay attention to it.

He just looked at Qian Lian'er anxiously, somewhat doubting his decision.

After all, Qian Lian'er is just a martial artist. If it were not for the power of the spell, Qian Lian'er would not even have the qualifications to stand in front of the grandmaster.

Even if it is a spell, fighting with the master is a bit reluctant.

He turned his head to look at Lin Xueer and found that she was still standing there blankly.

Lin Kai couldn't help sighing, it seemed that he was embarrassing Lin Xueer too much.

She is really not suitable for fighting, and in the future, don't let her get involved in such occasions.

Lin Xueer seemed to hear Lin Kai's disappointed sigh, and her body shook.

She glanced at Lin Kai and pursed her lower lip.

She turned her head and ran to Qian Lian'er, who fell miserably to the ground, and asked in a crying voice: "Sister Lian'er, how are you doing?"

Qian Lian'er's face was like golden paper, with blood constantly overflowing from the corners of his mouth.

But she still raised a gentle smile and said softly: "Sister Xueer, don't cry. I'm fine."

"You vomited blood and said it was all right."

Lin Xueer curled her mouth, as if a fire was burning in her heart.

What's wrong with her?

But she said she would be Qian Lian'er sister and protect her.

But what did you do?

When Qian Lian'er was fighting, she was trembling in fear, which made Qian Lian'er suffer so much injury.

Lin Kai's slight sigh resounded like a thunder in her ears.

"Brother Lin Kai only taught me to cultivate immortals in this world. But my performance is so bad."

"He is disappointed..."

Lin Xue'er stood up silently, the really brilliant expression on her face faded little by little.

She looked at Mr. Li, with a little bit of burning anger in her eyes.

Old Li wiped off the trace of blood on his temples, and Qian Lian'er's attack just now almost succeeded.

If he reacts 0.1 second later, he is now a corpse.

Thinking of this, Old Li was afraid for a while.

He was a little unbelievable. One of his own grand masters almost died in the hands of a little girl.

The crowd around the audience couldn't help sighing, just a little bit so close that Qian Lian'er would be able to kill the grandmaster.

Kill the master?

Thinking of this, everyone is horrified.

This girl is only eighteen years old today, she could almost kill the grandmaster.

If this is a few more years, the Grand Master will probably not be her opponent.

However, Mr. Li will not give her a chance.

Sure enough, the murderous intent in Li Lao's eyes completely bloomed, looking at Qian Lian'er gloomily.

Chapter 1950 Flying Sword, Bai Xue

Zhang Xiaojun didn't realize that Mr. Li had just walked in front of Ghost Gate.

He saw Qian Lian'er seriously injured, and shouted loudly: "Haha, little bitch, are you taking it now?"

Qian Lian'er spit out a mouthful of blood, and said disdainfully: "What are you?"

"Damn, dare to be tough!"

Zhang Xiaojun shouted angrily: "Lao Li, hurry up and press her in front of me!"

Old Li glanced at Zhang Xiaojun coldly, and yelled: "You trash, shut up!"

To say hate, he does not hate anyone present.

Even Qian Lian'er, who would kill, had nothing but admiration in his heart.

Lao Li only hated Zhang Xiaojun and forced him into this situation.

Zhang Xiaojun's face became stiff, and he said inconceivably: "You dare to talk to me like this. Are you afraid that I will tell my grandfather?"

"Trash, don't mention Zhang Fengnian!" Li Lao looked at him coldly, and said angrily: "If it wasn't for him, I would kill you as a beast now!"

"you you..."

Zhang Xiaojun's fingers trembled and he was speechless.

Old Li said coldly: "Point to me again, and I will crush your fingers."

Zhang Xiaojun looked at Old Li's serious expression, and finally knew that he was not joking.

"Why is this, is this dead old man crazy?"

Zhang Xiaojun couldn't figure out why Lao Li suddenly turned his face on him.

The crowd onlookers understood Mr. Li's mood very well.

How could he be in a good mood after offending a girl with such a talent.

Old Li turned his head and said coldly: "Girl, I have to say that you are very strong. Therefore, I can only kill you. I hope that under Jiuquan, you don't hate me!"

Zhang Xiaojun opened his mouth and couldn't help but said, "No, I have to let her kneel at my feet and serve me at night."

There was tyranny flashing in Old Li's eyes, and his figure flashed directly to Zhang Xiaojun's side.

He rounded his arms and slapped Zhang Xiaojun's face fiercely.

“I’ll make you talk cheap!”

“I will let you serve!”

Every time Mr. Li said a word, he slapped Zhang Xiaojun.

When Zhang Xiaojun was beaten into a pig’s head, he was thrown on the ground like garbage.

He said in disgust: “Serve you? Don’t you see what you are? Are you worthy?”

Lao Li had already decided to fly far away, not to save Zhang Fengnian’s face at all, and completely out of this bad breath.

Seeing Zhang Xiaojun who was beaten terribly, the crowd around the audience almost applauded.

“It’s so happy, it’s all caused by this evil pen.”

“Yeah, it’s not going to end right now.”

Some people looked worried, and now it has become a grudge between Lao Li and Qian Lian’er.

Now, even if Qian Lian’er said to forgive Lao Li, he would not believe it.

Grandmaster, tenacious.

He will not let such a big threat erupt in the future.

Elder Li let out a sigh of relief and said lightly: “Now, it’s time to resolve the matter between us.”

Qian Lian’er struggled to stand up and walked firmly to Old Li.

Suddenly, a palm lightly held Qian Lian’er’s hand.

Qian Lian’er said in surprise: “Sister Xue’er?”

Lin Xueer showed a slight smile and whispered softly: “This time, I will protect you.”

She let Qian Lian’er stand behind her, and walked towards Lao Li step by step.

Old Li frowned and said coldly: “Go away, Li doesn’t want to kill innocent people indiscriminately.”

Lin Xueer said as she walked: “Is Qian Lian’er not innocent? Everything is what you provoke. Do you want to pretend to be a good person now?”

Old Li nodded: “That’s correct. Then you go to die.”

He became a master, and he also walked all the way through the sea of blood.

The mere pink skull couldn’t shake his mind at all.

Lin Xueer murmured: “Do you want to kill me?”

She thought she would be very scared, but now she was surprisingly calm.

She mobilized the spiritual power in her body, and the spiritual power in her body surged.

An icy breath radiated from her body, spreading in all directions.

The people around shuddered and felt a utter coldness.

This is not the temperature drop, but the meaning of coldness in the nine netherlands.

Old Li felt the powerful aura in Lin Xueer's body, and his expression couldn't help changing.

"I'm special...& ¥ #"

Old Li was a little broken, what kind of evil he did.

The girl in front of her was also a genius, and her aura was stronger and more mysterious than Qian Lian'er.

When she exuded her aura, there was a faint resonance between the heaven and the earth, and the vitality between the heaven and the earth surged toward her body, as if she was absorbing the qi from the heaven and the earth.

He didn't know that this qi was spiritual qi.

This is the power of the cultivator.

A cultivator in the foundation period can easily mobilize the spiritual energy of heaven and earth.

Li Lao Ru was facing the enemy, sweat appeared on his forehead.

Lin Xueer's breath is not too strong, at least much worse than him.

However, her breath seemed to be a higher level of power, in front of her, as if the whole world was repelling him.

"drink!"

Old Li had a hideous face, and his whole body exploded with vigor, and he blasted Lin Xueer with a punch.

A compressed air shell blasted Lin Xueer's body fiercely.

Lin Kai's expression changed, ready to rescue him at any time.

Lin Xueer opened her mouth and spit out, and she spit out a white rapier, hovering in front of her.

When it first appeared, it was only the size of a date pit.

While hovering, it slowly grew bigger and became a long sword.

Everyone was shocked and dumbfounded.

What the **** is this, is it a magic show?

At this time, you still make this kind of joke, do you want to die?

Soon, they knew how naive their ideas were.

“White Snow, go!”

Lin Xueer gave a light scream, and directed the flying sword named “Bai Xue” directly on the air cannonball.

“哧”

The two froze for a moment, and Shirayuki’s rays of light burst through the cannonball directly.

The air cannonball exploded directly, turning into a wave of air and dispersing.

But ‘Bai Xue’ with a white tail wing instantly shot at Old Li’s chest.

Old Li was shocked, and blasted at “Bai Xue” with a punch.

However, Baixue braked suddenly and jumped into the air, from top to bottom, and slashed towards Old Li’s head.

“What kind of trick is this?”

Old Li was caught off guard, but fortunately, his years of fighting instinct saved his life.

He rolled around as a lazy donkey, and directly avoided the attack of Feijian.

However, his hair was directly cut off by Feijian, making him disheveled and embarrassed.

With a sullen expression on his face, he jumped up, pounced on Feijian, and blasted it directly.

This time, Feijian didn’t have time to dodge, and directly collided with Old Li’s fist.

“boom”

The surging air wave exploded between them, and Old Li shook his body and took three steps back.

At the same time, a drop of blood dripped from his fist.

His fist was cut by Feijian!

And Feijian rolled and flew into the sky.

Lin Xue’er’s face was flushed, and her spirit exploded, causing ‘Bai Xue’ to stop.

“Bai Xue” circled like a bird, pecking at Lao Li.
