

Special Forces God Level Extraction System – Chapter 225 - 256

Chapter 225: Three Million

Chapter 225 Three Millions

One hundred thousand yuan!

At that time, some students in the class had already screamed!

If such a good thing is their turn, they can kneel until Li Gang goes bankrupt!

Li Gang stood arrogantly in front of Lin Kai, enjoying the admiring gaze of the classmates, his expression getting more and more rustling.

Boy, dumbfounded, right? I will kill you with money today! Let you kneel in front of me willingly and call me father!

Lin Panshuang's heart began to become nervous again, this is more than 100,000 yuan! Lin is enough to buy a car for transportation. It's really easy to pick up girls in a car in college.

Now she was nervous about Lin Kai's concentration again, after all, the price of getting the 100,000 yuan was just kneeling down.

Lin Kai frowned, a young master of a billion-dollar group actually used his one month's living expenses to knock himself down?

Is Lin Kai short of money? His monthly living expenses are tens of millions! How can you look at this mere 100,000 yuan?

At that time, Lin Kai took out his mobile phone and dialed the number of Hua Xia Bank. Soon after, the call was dialed.

On the phone, there was a nice girl's voice.

“Hey?”

“Hey, I'm Lin Kai, a black card user. Now, can your bank take out three million cash for me and send it to Yanjing University of Science and Technology.”

As soon as Lin Kai said this, the students burst into laughter!

“Hahahahahaha...”

There was a burst of laughter, and some students even burst into tears. Lin Kai was really bragging!

He actually said he was a black card user of Huaxia Bank? Is this a joke? Who doesn't know that the black card is released in limited quantities? Only a small number of people in Huaxia Country owns them, and all those who own are top rich. Can he have a black card?

Looking at Lin Kai's dressing and dressing, there was sophistication everywhere. Even the mobile phone he used was an unknown, tattered phone made in China.

Can he have three million?

If he is really a black card user of Huaxia Bank, can his academic performance be so good? Which rich second generation can get such good results?

After Li Gang was stunned, tears of laughter came out, and Lin Kai actually said such a big joke!

"Hahahaha! You **** want to laugh at me, and then take away the 100,000 yuan openly? Still a black card user? Look at you, you are so poor, you can really brag!"

Lin Kai didn't answer Li Gang at all, and after confessing a few words and verifying his identity, he hung up the phone.

Lin Kai glanced at Li Gang lightly and said, "Three million will be here soon, you will wait for me."

As soon as this sentence came out, the whole class laughed again, and Lin started acting so much!

It seems that he really has three million.

And Li was just wiped out by Lin Kai's violent depression, and he wanted to see how the poor Lin Kai could come up with three million!

If he can't get three million, he can laugh at him well!

Not if, he definitely can't get three million!

Three million! Li Gang didn't even dare to think about it. His monthly living expenses were only 100,000 yuan, three million yuan, which is enough for Li Gang to save for two or three years!

If Lin Kai could really put out three million, what if Li Gang kneeled in front of him and called him his father? Unfortunately, Lin Kai can only brag!

Even Lin Panshuang, who has always supported Lin Kai, couldn't stand it anymore. At first, she understood Lin Kai better. After all, being so bullied by Li Gang, no one can stand it. That's why Lin Kai beat Li Gang violently.

Later, Lin Kai regarded money as dung, which she also admired Lin Kai.

But what Lin Kai did now made the perfect image that Lin Kai had built up in her heart instantly shattered, and Lin Kai was so awesome, it was too loud.

Lin Kai doesn't look like a young master with three million, because the real rich second generation is very rampant, wears brand-name brands, and his academic performance is certainly not very good.

Looking at Lin Kai again, he was gentle and elegant, and he was very well-mannered in conversation. Although he was not very shabby in his dress, he could tell at a glance that he was a stall.

Even mobile phones are domestically made and unknown brands. How much money can Lin Kai own?

The reason why he was able to come to Yenching University of Science and Technology was based entirely on his good academic performance. Otherwise, the tuition fee for one year at Yenching University of Science and Technology would make him breathless!

This time Lin Kai's bragging is too great, no one can match Lin Kai's indifference!

"Lin Kai, don't pretend if you don't have money, don't be ashamed if you don't have money, don't be ashamed if you don't have money with money!" Lin Panshuang frowned and said with some dissatisfaction.

Lin Kai still looked calm and calm: "He hit me with money, why can't I hit him with money?"

"The point is that you don't have money!" Lin Panshuang almost didn't get angry.

Lin Kai also smiled: "You don't know me, how do you know that I have no money?"

"You!" Lin Panshuang became angry for a while, she kindly reminded Lin Kai, but Lin Kai's words hurt, as if he could really get three million.

People who only pretend to be compelling, even if they look handsome, Lin Panshuang can't look down on them. The image of Lin Kai in her heart has collapsed.

A hypocrite is not as good as a real villain. If Lin Pan is allowed to choose, she would prefer to use money to pretend to be Li Gang instead of Lin Kai, who has a swollen face and is fat!

Ten minutes passed, but Lin Kai's three million hadn't arrived yet. At this time, Li Gang was already waiting impatiently. He stood up and came to Lin Kai's front.

"How about your three million? Why hasn't it appeared yet?" Li Gang narrowed his eyes and asked.

Lin Kai checked his watch and said, "Quickly, it will be there in a few minutes."

Hua Xia Bank has already sent someone from Yanjing's branch with money to rush over, but Yanjing is so big, even if the person sending the money is fast, it will take ten minutes.

With a slap, Li Gang slapped the table and laughed: "Hahahaha! Don't brag, okay? Even if you blow the sky through today, I don't believe you can take out three million! "

As soon as Li Gang's words fell off, there was a burst of laughter from the class.

At first, many girls in the class had a good impression of Lin Kai, but after Lin Kai boasted in front of the whole class, all these girls had a good impression of Lin Kai disappeared.

Three million, this is too good to blow, right?

"I said, three million will be here soon!" Lin Kai was impatient at this time, and said coldly to Li Gang.

"Don't **** brag? If you can get three million, I will swallow this table alive!" Li Gang also laughed and laughed.

The whole class also made noises.

At this moment, only a knock on the door was heard, and a beautiful woman in a small black suit and a few young men in suits and leather shoes were standing at the door with a few big bags.

"Hello, Huaxia Bank, what is Mr. Lin Kai?"

Chapter 226: Three Million People

Chapter 226

The staff of Hua Xia Bank?

As soon as these people appeared, the classroom where there was a burst of laughter was instantly quiet, and everyone looked at the beautiful white-collar worker.

Seeing that they are carrying large and small bags in their hands, is it true that it is three million in cash?

Can Lin Kai really make three million?

Those sacks were not big, only the size of a newborn baby, but there were quite a few sacks.

Looking at their appearance and talking, they really looked like the staff of Hua Xia Bank.

Li Gang's laughing expression began to freeze. He looked at the few people at the door, frowning, could Lin Kai really be a black card user of Huaxia Bank?

impossible!

Just like Lin Kai, can he be a black card user of Hua Xia Bank? You know, which black card user of Huaxia Bank is not a predator worth hundreds of billions of dollars?

Which green onion is Lin Kai?

"Haha, also specially invited actors? Professional! Professional!" Li Gang sneered at this time, clapped his hands, and looked disdainful.

He did not believe that Lin Kai was a black card user of Huaxia Bank! These people must be actors invited by Lin Huaqian!

Li Gang did not believe that there were really three million in the sacks.

Hearing that, the students in the classroom also laughed disdainfully. They thought the same as Li Gang thought. These people must be actors invited by Lin Huaqian.

As for Lin Panshuang, she turned her eyes, and she didn't believe it.

Lin Kai raised his hand and said, "I am Lin Kai."

Hearing that, the few people at the door ran all the way, and the staff of Hua Xia Bank nodded and bowed to Lin Kai in a respectful attitude.

"Mr. Lin Kai, hello. This is the three million cash you need, and it has been prepared for you." The beautiful white-collar worker said respectfully, bending over.

After receiving this task, the white-collar workers were also taken aback. A student, who is actually a black card user, has to withdraw three million in cash?

Now that Lin Kai looks so handsome, the white-collar workers have already begun to beat his Xiao Jiujiu, handsome and rich, this is the Prince Charming of her dreams!

If I can make Lin Kai remember him, he will have nothing to worry about for the rest of his life!

Lin Kai nodded and said calmly: "Put the money on the table."

"Okay." The beautiful white-collar worker nodded, and the staff behind them put the sacks on the table in front of Lin Kai. One sack contained 500,000, which was a full six sacks.

Li Gang laughed disdainfully from the side: "Hehe, the actor is quite professional, dare you to open the sack?"

Lin Kai glanced at Li Gang and waved: "Open the sack."

Upon hearing this, the beautiful white-collar worker opened the sack for Lin Kai personally. As soon as the sack opened, the red banknotes immediately came into view.

Inside the first sack, there are all hundred yuan bills!

The originally lively classroom is instantly quiet!

The second sack was opened, and there was still a hundred yuan bill in it!

The third, the fourth... After the sixth sack was opened, I saw that all the sack was full of hundred yuan bills!

At this time, the entire classroom was silent, and even the sound of a needle falling on the ground could be heard.

It's really three million!

The whole class looked at the three million, and felt that their breathing began to rush. The one hundred thousand bank card that Li Gang threw out was just a bank card after all, and it was far less powerful than cash.

Moreover, this is not a ten thousand twenty thousand thing, this is three million! Three million that can give an ordinary person a lifetime of worry-free food and clothing!

All the students in the class looked at Lin Kai as if they saw a peerless treasure, if at the beginning, they were either jealous or like Lin Kai's looks.

So now, male students want to be friends with Lin Kai, and female students want to be Lin Kai's women.

Realistic version of the rich and handsome! Not only has money, he is also a handsome man, and a school bully. Where can I find such a boyfriend?

Lin Panshuang was stunned after seeing the three million. He could put an egg in his small mouth. Lin Kai did not brag. He is really a black card user of Huaxia Bank. He can really take out three. Millions!

As for Li Gang, he felt that his heart was about to stop suddenly. The impact of these three million dollars was too great!

Although he is also a rich second-generation, but he is asking for 100,000 yuan a month for living expenses. The tutoring is very strict. He now only owns an Audi as his car.

He has always wanted to buy a luxury car, but the family will not give him that much money. The three million in front of him is enough for him to buy a luxury car!

And he did not expect that Lin Kai actually did not brag, he could really put out three million!

Although he felt hot and sore on his face, and the feeling of being slapped was really uncomfortable, but Li Gang envied Lin Kai from the bottom of his heart. He was so handsome, he was so rich!

Lin Kai picked up a stack of banknotes in the sack and weighed it in his hand. With a loud bang, Lin Kai directly smashed 10,000 yuan into Li Gang's face!

Due to excessive force, the 10,000 pieces were scattered directly in the air, and Li Gang was also smashed to the ground.

"Isn't you rich? Use money to smash Laozi!" Lin Kai looked at Li Gang sitting on the ground and said proudly.

The feeling of smashing people with money is really **** good. It is Lin Kaixin's true thoughts. As a hard-working office worker in his previous life, Lin Kai finally realized how happy the life of the rich second generation was.

Li Gang was smashed to the ground by a hundred yuan bill. At this time, he no longer had the arrogance he had just now, and he didn't even dare to let go.

Now he finally understands. He finally understands why President Wang is protecting Lin Kai so much. Xueba is just an excuse. The real reason is that Lin Kai's background is so big that he can't provoke him.

And he couldn't say it clearly, so he said that Lin Kai was the first in Jiangbei test score.

The big man who can have a black card is from Jiangbei, Lin Kai, is it the Lin family of Jiangbei?

There is only one possibility, Jiangbei, the big family surnamed Lin, there is only one Lin family, Lin Kai also surnamed Lin, also from Jiangbei, and has a black card, there is only one explanation!

Li Gang's complexion changed after a single brush, who had figured it out. He actually offended the Lin family?

Although the Lin family belongs to Jiangbei and the strong dragon does not suppress the snakes, the Shao Gang Group and the Lin family in their family are not comparable at all! They are not strong dragons, they are divine dragons, and he is not a terrestrial snake, he is just a small earthworm.

The Lin family wants to die Shao Gang Group, there are a million ways!

After all, one is a big family of 100 billion, and the other is a small group of one billion, there is no comparison at all!

Li Gang's face instantly turned blue, he understood that he was in trouble, he was in big trouble!

Thinking of the words he had just said to Lin Kai, Li Gang felt hot pain on his face, and he was also very nervous and scared. If Lin Kai didn't want to spare him, it wouldn't work even if Guanshiyin Bodhisattva came!

Chapter 227: Lin Ye

Chapter 227

"Come on! You **** keep going crazy!" Lin Kai smashed more and more, the red banknotes were smashed like paper, and the whole classroom was red.

And Li Gang was stunned when he was hit by a hundred yuan bill. With so much money, how long does it take to save his pocket money?

It's ridiculous that I still want to use one hundred thousand yuan to smash Lin Kai, and now people spend three million to smash himself like playing!

One hundred thousand yuan is a month's living expenses for himself, but three million yuan is just a drop in the bucket for Lin Kai.

Thinking of Lin Kai's terrifying identity again, Li Gang felt a fear in his heart.

After about twenty minutes, the three million yuan was finally smashed by Lin Kai, and Lin Kai spit out angrily.

"What else do you want to say, kid?" Lin Kai stared at Li Gang and asked.

Li Gang's face was flushed red, he hesitated again and again in front of all the students, thumped, and knelt in front of Lin Kai.

This kneeling caused the entire class to exclaim that Li Gang is a master in the school! Now facing this new transfer student, he actually kneels down!

Although Lin Kai's 3 million strength was shocking, Li Gang wouldn't kneel down, right?

Li Gang's face was flushed, and he kowtows to Lin Kai: "Master Lin, I was wrong, Master Lin, you forgive me..."

Li Gang kowtowed his head and said something to please.

It's not just the classmates in the class and Li Gang's little brothers who are stunned, even Lin Kai himself expresses stunned, is it scary to use money to hit people? Why did you knock this kid down on his knees?

Li Gang kowtows while crying, his attitude is sincere: "Master Lin, I was wrong..."

It was the first time that Lin Kai grew up to be called a master.

But in Lin Kai's current identity, Lin Kai can afford this sound.

"Are you wrong? Tell me where you are wrong?" Lin Kai asked angrily.

"I shouldn't look down on people, I shouldn't take the initiative to pick things up, I shouldn't frame you, I shouldn't have failed to recognize your identity, it's all my fault, Lin, you forgive me..." Li Gang While crying and crying, while slapped himself, the attitude was sincere, and the slap was slapped.

When Lin Kai saw Li Gang's sincere attitude, his anger was half gone.

Although Lin Kai's current identity is a student, Lin Kai's true identity is still a soldier. Li Gang is like this, and Lin Kai could not kill him.

This is not something a soldier should do.

The anger disappeared, and Lin Kai waved his hand impatiently: "Now, clean up the classroom and get rid of me!"

"Good, good! Thank you, Master Lin!" Li Gang cried with joy when he heard the words, and went to clean the classroom.

Lin Kai also walked out of the classroom, onto the balcony, took out a cigarette, and started smoking.

Soon after, Li Gang cleaned up the classroom and put all the banknotes in the sack, which was not a lot of money, even more than 10,000 yuan.

Although the three million tempts Li Gang, the money is hot! Li Gang didn't dare to ask for it. He respectfully put it back on Lin Kai's desk. When the people of Huaxia Bank saw this, after consulting Lin Kai's opinion, they took the money away.

Lin Kai stood alone on the balcony smoking a cigarette. Soon after, Lin Panshuang came to Lin Kai's face with an apologetic expression.

"Lin Kai, I'm sorry, I've caused you trouble." Lin Panshuang pinched the corner of his clothes and said with his head down.

Lin Kai smiled relievedly: "It doesn't matter, this is not your problem."

Lin Panshuang didn't seem to forgive herself yet, she continued: "I'm sorry, I shouldn't doubt you just now, I blamed you by mistake."

Lin Panshuang actually persuaded Lin Kai to admit a mistake just now. Now it seems that this is simply a joke. Does Lin Kai need to admit his mistake? He doesn't need to admit his mistakes!

Finally, it was Li Gang who admitted wrong!

Lin Kai has so much money, Lin Panshuang also sees it, and she has found out that Lin Kai is a real rich and handsome!

He can have a black card of Huaxia Bank, which shows that he must not be a simple character.

Lin Kai looked at Lin Panshuang and said with a smile: "It's okay. I have been misunderstood and never believed, but every time, I can use my strength to conquer others."

Since joining the army, Lin Kai can't remember how many impossible he has created. Being misunderstood and disbelief, Lin Kai has become used to it.

There seemed to be little stars in Lin Panshuang's eyes. She felt strong self-confidence from Lin Kai's body, as well as the helplessness of the strong. This feeling made Lin Panshuang's heart beat.

"Lin Kai." At this moment, Lin Pan's small faces were reddened and his eyes were watery, pinching the corners of his clothes, looking uncomfortable.

Lin happily tightened, wouldn't this girl also like herself?

"What's wrong?" Lin Kai asked.

Lin Pan replied shyly and asked, "That...that...you...do you have a girlfriend?"

With a plop, Lin Kai's heart suddenly jumped, and as expected it was this question again. Tian Guo also asked this question last time. Unexpectedly, when he came to the school, the school flower also raised this question.

Ugh

Being handsome is really an annoyance!

Seeing Lin Kaifa stunned, Lin Panshuang waved his hand and explained: "I have no other meaning, I just want to ask, such a good person, how good a girlfriend is."

Lin Kai smiled and shook his head: "I don't have a girlfriend yet."

"Have you had it before?" Lin Panshuang seemed to be very interested in Lin Kai's past and asked.

Lin Kai recalled that before, Lin Kai used to be a young master of Huahua. Women played countless times, but had only been moved by one person. She was An Ran.

And An Ran hated Lin Kai every day, and Lin Kai's conditions were very good, and he was infatuated with An Ran, but An Ran was not satisfied.

She felt that the previous Lin Kai was a waste of money, and finally, after the present Lin Kai possessed her body, she proposed to break up again. This time Lin Kai agreed, and did not retain Enron at all.

If you can't hold the sand, you might as well just lift it up, so Lin Kai is not used to the stinky problem of Enron!

Thinking back to the past, Lin Kai looked into the distance and said, "There was one before, but for some reason, I broke up."

After Lin Panshuang saw Lin Kai's infatuated gaze, his heart moved quietly, Lin Kai felt different to her.

Lin Panshuang is a school girl, and there are many boys who pursue her. Among them, there are rich, handsome, and rich and handsome, but they usually carry an air of pride.

But Lin Kai is different. Although he is also proud, his pride is hidden in his own bones, and he looks humble on the surface.

Moreover, the biggest difference between Lin Kai and those ordinary rich second generations is that Lin Kai looks like a dedicated person, without the smell of fireworks in the world.

Chapter 228: Thief

Chapter 228

Lin Panshuang asked Lin Kai from beginning to end just like checking her household registration. She seemed to be very interested in Lin Kai, from family status to trivial matters.

In the evening, Lin Kai wandered around the school carrying a backpack.

He did not forget his mission, lurking in the school, waiting for an opportunity to catch the perverted murderer.

Lin Kai is not sure if he will appear in this university, but it is better to be careful. Lin Kai doesn't want anyone to be poisoned within the scope of his care.

When he arrived at the barbecue stall at the entrance of the school, Lin Kai ordered two skewers of kidneys and twenty skewers of lamb and sat down. He skewered the skewers while watching people passing by.

There are all kinds of people, but the barbecue stalls are basically made up of big guys, and girls are rarely seen.

Opposite Lin Kai, a few sturdy men drank wine very boldly, one by one, their faces flushed and their bodies erratic.

At this time, I saw a hot beauty in a black leather jacket coming from a distance, with a black wavy hair falling behind her shoulders, her lower body in tight leather pants, her upper body in a black leather jacket, and her naughty belly button exposed in the air. .

She was wearing a black mask on her face, and she couldn't see her face clearly, but her eyes were very beautiful and energetic, with a hint of brilliance.

Her complexion was also very pale, Lin Kai was fine, staring at the beauty with interest.

And the sturdy big guys who were about to drink and bewildered all looked at the beautiful woman in leather clothes, and the halazi was almost flowing down.

However, although these sturdy men looked fierce in appearance, they were all good people. Although they coveted this beautiful leather-clothed beauty, they just looked at them and didn't say anything to tease them.

When the beauty in leather clothes passed by a few sturdy guys, she flew a wink over. At that time, the souls of the sturdy guys were almost taken away.

"Damn!"

I only heard the beauty of the leather jacket, and the phone in her hand accidentally fell to the ground. The big guys looked at it and this was an opportunity for their performance!

At that time, several sturdy men rushed to pick up the phone that the beautiful woman in leather clothes had dropped on the floor.

Lin Kai just smiled at the time, treating this incident as an episode, but the next scene made by the beautiful woman in leather clothes made Lin Kai a little dumbfounded.

The hand of the beautiful woman in leather clothes was very skillfully touched into the pocket of the big man. Their wallets and mobile phones were stolen by the beautiful woman in leather clothes silently.

But those sturdy guys didn't notice at all, they were rushing to pick up the phones of the beautiful women in leather clothes!

"I saw this first, don't grab it with me!"

"Fart! I obviously saw it first!"

...

Several sturdy men are still fighting for the mobile phones of the beautiful women in leather clothes, but they have not noticed that their mobile phones and wallets have been swept away.

In the end, a brawny man covered in tattoos picked up the phone, came to the beautiful woman in leather clothing, and handed the phone to her.

"Beauty, your phone has dropped." The burly man said, his eyes still on her body.

The beautiful girl in leather laughed, took the phone, and said, "Thank you."

After all, the beauty in leather clothes stepped on high heels, walked catwalks, and left the barbecue stall.

And all this was seen in Lin Kai's eyes. If it weren't for Lin Kai's superior observation ability, I am afraid he would not have discovered this scene of the beautiful woman in leather stealing things. It seems that this woman is a habitual offender!

Out of a kind reminder, Lin Kai said, "Hey, are your mobile wallets missing?"

Several sturdy big guys were taken aback when they heard the words, and subconsciously touched their pockets, then their expressions changed.

"Damn, where's my phone?"

"Where is Lao Tzu's wallet?"

...

Lin Kai said irritably, "The woman stole it just now. Wait, I'll help you get it back."

After Lin Kai said, after finishing the last string of lamb skewers, he put his hands in his pockets and walked out of the barbecue stall unhurriedly.

Although the beauty's stealing skills were brilliant, in Lin Kai's eyes, they were all tricks, and she could never run away.

When he walked out of the barbecue stall, Lin Kai saw the beautiful woman in leather clothes walking into an alley. Lin Kai followed closely and walked into the alley.

After walking into the alley, Lin Kai could no longer see the beautiful woman in leather.

But the problem was not big, the God Eye skill was activated and the world in Lin Kai's eyes immediately became different.

Lin Kai immediately saw through the wall, and Lin Kai saw that behind a wall, the beautiful woman in leather was hiding behind it.

Very vigilant! Lin Kai smiled playfully, pretending not to see her, put his hands in his pockets, whistling, and walked over like a walk in the courtyard.

When passing by that wall, Lin Kai made a sudden rush, and saw that he was as fast as electricity, and he grabbed the wrist of the beautiful woman in leather with a snap!

"Caught you!" Lin Kai smiled.

The beauty in leather clothes also exclaimed, apparently she did not expect that someone could see through her thief, and find her hiding place!

“Yeah!” The beauty in leather clothes exclaimed, and her watery eyes became wet in an instant. Although she couldn’t see her face, just looking at these eyes could make any man feel soft.

“What are you doing? You let me go, you hurt me...” said the beautiful woman in leather, still crying.

Had it not been for seeing her stealing something just now, Lin Kai might have really believed in her evil, and her acting skills were great!

“Take out what you just stole!” Lin Kai said sharply.

“I didn’t steal anything!” said the beautiful woman in leather with an innocent look.

“You didn’t steal anything? You were sneaky at the barbecue stall just now. I saw it all. Get everything out soon!” Lin Kai said sharply.

The beauty in leather clothes was reprimanded by Lin Kai, and tears flowed down. It was like crying without money.

“You...you bullied me...uuuu...” The beautiful woman in leather began to cry pitifully, with a lovely look.

Lin Kai was still too young. After seeing this scene, he was still softened, and his hand holding the beautiful woman in leather was slightly loosened.

But it was so loose, I saw that the wrist of the beautiful woman in leather coat was like lubricated oil, directly out of Lin Kai’s control! And she also took out a small black ball from her pocket and threw it to the ground!

boom! A burst of white smoke floated out, and the beautiful woman in leather ran away, very fast!

“Damn it?” Lin Kai raised his eyebrows. Is this an ordinary thief? Is this Jiang Yang Robber?

The smoke had no effect on Lin Kai. Through the smoke, Lin Kai could see where the beautiful woman in leather was running. Lin Kai also broke out at his own speed and caught up!

The escaped beauty in leather smiled triumphantly, fighting with Miss Ben, you are still tender!

But looking back, the smile on the face of the beautiful woman in leather immediately solidified. Behind her, Lin Kai was less than three meters away from her.

Chapter 229: Bamboo Man Green

Chapter 229

interesting.

Zhu Manqing was green with a smile. It was the first time she had encountered such a strong opponent after so many years of robbery in Yanjing.

But Zhu Manqing didn't show his full strength, and wanted to compare my speed? Zhu Manqing smiled disdainfully, she threw off a pair of high heels on her feet, and her body accelerated suddenly!

I saw Zhu Manqing tapping her feet on the ground lightly, as easily as a dragonfly tapping into the water, almost making no sound. If you don't look carefully, you think she is flying against the ground!

As soon as Zhu Manqing's speed exploded, he threw Lin Kai out for a long time!

Lin Kai's eyes also showed a surprised look, this woman, so fast!

At the beginning, the wolf chasing Lin Kai was not as fast as Zhu Manqing, who is this woman? Is it so fast?

At this speed, it was enough to slap the female soldiers on the Phoenix!

But Lin Kai did not retreat at all. Instead, the flames of war ignited in his eyes. Lin Kai had never met an opponent in the army, and wanted to defeat Lin Kai in terms of speed? impossible!

Lin Kai suddenly stepped on the ground, his body rushing out like a cheetah!

Da da da!

Lin Kai's legs swayed quickly, his running wildly was different from Zhu Manqing. Zhu Manqing, relying on the lightness of his body, floated far away with every step.

And Lin Kai is like a bull, running rampant! Very domineering!

When Zhu Manqing was proud, she only heard the sound of footsteps behind her. She turned her head and looked at her with shock!

Only saw Lin Kai who was thrown away by her unexpectedly catch up again!

A look of horror appeared in Zhu Manqing's eyes.

How can it be?

Zhu Manqing has never met an opponent in terms of speed. Lin Kai's speed shocked her. Who is this young man?

At this time, Zhu Manqing realized that he had met a master.

Immediately, I saw Zhu Manqing gritted his silver teeth, full speed, showing 100% of her strength, she saw her figure speeding up again, as if she really wanted to fly!

But Lin Kai, who was chasing behind him, was under great pressure!

Now its no longer a question of wallets and mobile phones, now its a real contest between the two strong men!

Lin Kai's speed of one hundred and forty is already fully opened! But still can't catch up with Zhumanqing!

On the contrary, her speed is still increasing, and the distance between the two is still being stretched!

impossible! Lin Kai roared in his heart, and there was no such master in the army! How could this woman look so young, so fast?

"Mountain Stone!" Lin Kai said silently. As soon as the Mountain Stone skill was activated, Lin Kai's reaction ability and speed increased by 20 points.

At the speed of one hundred and sixty o'clock, I dont believe I cant catch up with you!

Sure enough, Zhu Manqing's speed was around one hundred and fifty points, and after Lin Kai opened his skills, his speed was one hundred and sixty points, and the distance between the two was once again shortened.

As Zhu Manqing ran wildly, she was surprised, and Lin Kai's speed truly shocked her.

After returning home, he must tell Master about this matter, Zhu Manqing thought to himself.

But there was a strong wind behind him! When Zhu Manqing turned his head, he saw Lin Kai chasing him up again, the distance was already close!

"Impossible!" Zhu Manqing screamed, with an incredible face!

But Zhu Manqing had already exploded out of her full speed, unable to accelerate at all!

She watched Lin Kai catch up and stretched out her claws.

“Come here!” Lin Kai grabbed Zhu Manqing’s arm and pulled it hard. Zhu Manqing who was running wild immediately lost his balance and fell uncontrollably to the ground.

Zhu Manqing exclaimed, the speed of the two of them is too fast, if they fall, they will lose their skin if they don’t die!

Lin Kai was also quick-eyed and quick-handed. He hugged Zhu Manqing’s waist and used himself as a pad. With a bang, Lin Kai’s back fell to the ground, and he slid a long way on the ground.

But Zhu Manqing, who was lying on Lin Kai’s chest, was just a little frightened.

Zhu Manqing stared at Lin Kai with wide eyes. Is this man stupid? Obviously he is a thief, why does he have to bear this fall for himself?

Besides, this boy is so handsome...

The two people face to face, and they can feel each other’s gasps and heartbeats. Lin Kai just glanced at her eyes and remembered the woman deeply.

The three-hundred-point defensive power is not covered. After sliding for tens of meters, Lin Kai just felt a bit cold in his back, probably because his clothes were worn out.

“Why are you so fast?” Zhu Manqing looked at Lin Kai and asked curiously.

“Can you get up from me before you talk?” Lin Kai said helplessly.

It was then that Zhu Manqing suddenly realized that he got up from Lin Kai’s body, and Lin Kai grabbed her arm and stood up together.

“Hand over things?” Lin Kai stretched out his hand and said.

“What is it?” Zhu Manqing blinked his eyes innocently and asked.

Lin Kai frowned and said, “You steal other people’s things at the barbecue stall, I have seen them all!”

“Do you think it depends on my ability to make a living by petty theft?” Zhu Manqing asked.

This sentence stopped Lin Kai, indeed, relying on Zhu Manqing’s ability, there is no need to do these petty thefts.

But Lin Kai saw her stealing other people's mobile phones and wallets. Zhu Manqing could not deny this.

"Seeing is believing, hand it over!" Lin Kai said sharply.

When he spoke loudly, Lin Kai couldn't help but force a little while holding Zhu Manqing's hand, but Zhu Manqing immediately frowned, and said softly, "Oh! You hurt me!"

"If I said no, I didn't! I gave the wallets and mobile phones of those people to a pair of father and daughter beggars on the street!"

Upon hearing this, Lin Kai recalled carefully. It seems that when Lin Kai was hunting Zhu Manqing, he saw a pair of father and daughter beggars at the door of the barbecue stall. They were still holding a black plastic bag at the time. I don't understand what it is, but now it seems that it is the lost cell phone and wallet.

"Why did you do this?" Lin Kai frowned and asked.

"Take the rich and help the poor!" Zhu Manqing answered unambiguously.

"Take the rich to help the poor? Are you sure you robbed the rich? Or are you sure you helped the poor?" Lin Kai questioned again.

Zhu Manqing looked indifferent, and said, "It doesn't matter, it's none of my business. I just did this because I saw that father and son were poor."

"Hehe, these words, save them to the police station to speak!" Lin Kai said sharply.

When I heard that Lin Kai was going to take her to the police station, Zhu Manqing was anxious at the time: "Don't! If someone knows that Zhu Manqing was arrested in the police station, how can I hang out in Yanjing? "

Lin Kai turned a deaf ear to it, and even grabbed her and continued walking.

Seeing this scene, Zhu Manqing slapped a slap on the gate of the courtyard on the side, and exclaimed, "Master, save me!"

Chapter 230: Celestial Master

Chapter 230

Master?

This little girl actually still has a master?

Before he could think about it, Lin Kai carried Zhu Manqing on his shoulder and wanted to take her to the police station.

But at this time, with a bang, I saw the courtyard where Zhu Manqing knocked on the door just now. The door suddenly opened and a gust of wind blew out of the courtyard!

At that time, falling leaves flew up, sand and rocks were flying in the alley, and the sky that had been clear was also dimmed.

The goose bumps on Lin Kai's body are all up. Isn't this a scene that only appears in fantasy novels? Why did you run into it yourself?

"Cough, cough, cough..." A dry cough sounded, and a scrawny old man with a sallow complexion walked out of the courtyard, with a walking stick in his hand, walking tremblingly, as if he could soar anytime.

"Master!" Zhu Manqing yelled with excitement after seeing the old man.

The old man also looked at Lin Kai and Zhu Manqing tremblingly.

"Man Qing." The old man called.

Looking at this old man, Lin Kai was also at a loss. Zhu Manqing was extremely fast. This old man is her master. Is it possible that he is also an expert?

But it doesn't look like it. With this physique, you have to hit the ground with a punch, right?

Lin Kai put Zhu Manqing on the ground, looked at the old man, and said, "Uncle, your apprentice stole someone's wallet and was caught by me. I want to send her to the police station."

Hearing this, the old man looked at Lin Kai, a pair of old and godless eyes suddenly burst out, and his eyes pierced Lin Kai's heart.

Lin Kai was shocked, and he couldn't help letting go of Zhu Manqing, and Zhu Manqing also took the opportunity to run to the old man's side and took the old man's arm.

"My housework, you don't need to be an outsider in charge." The old man said, taking Zhu Manqing and wanted to walk into the courtyard.

Lin Kai took a look, is this still worth it? I dared to stop myself from catching the thief, no matter what the purpose of this old man, I can't spare him lightly!

"Stop!" Lin Kai shouted, and went up to grab Zhu Manqing's wrist.

But the seemingly weak old man directly slapped Lin Kai's chest with a palm, extremely fast! Even if Lin Kai had 100 points of reaction power, he did not react at this time!

The alert cat's eyes on Lin Kai's neck shook instantly, reminding Lin Kai that there was danger, but Lin Kai had no time to react!

With a muffled bang, Lin Kai's chest was firmly slapped!

With this palm, Lin Kai's internal organs were tumbling, making Lin Kai back several steps before he stopped.

Damn, the strength of this old man is too abnormal!

You know, Lin Kai has 300 points of defense! Even so, the old man almost made Lin Kai vomit blood!

Lin Kai was surprised, and the old man was also surprised.

"Interesting, my palm should be able to knock you out. You are only pale, young man, have practiced iron shirts?"

The old man stopped and looked at Lin Kai.

Lin Kai clutched his chest, knowing that he had met an expert, and Zhu Manqing would not be able to take it away.

He shook his head: "I haven't practiced."

"I haven't practiced iron shirts? Then how can you be able to resist me?" the old man asked.

At this moment, Zhu Manqing talked aside: "Master, this kid not only resists fights, but this kid breaks all the light skills you taught me! His speed is faster than me!"

Hearing this, the old man looked at Lin Kai's eyes more curiously.

Actually faster than his apprentice? Rare in the world!

"Young man, come here." The old man beckoned to Lin Kai.

Lin Kai hesitated for a moment, and walked over. The old man squeezed Lin Kai's wrist. Lin Kai wanted to struggle, but found that the old man was as powerful as a bull, and he couldn't escape!

This old man is a lot of age, but his strength and speed are not comparable to ordinary people, and the speed of Zhu Manqing is also what he teaches. What is the light skill? Is this old man a peerless expert in martial arts novels?

The old man fumbled Lin Kai's wrist and fist, Lin Kai felt that his bones seemed to be touched by the old man.

After a long time, the old man burst into light and looked at Lin Kai as if he had seen a peerless treasure!

"Good seedling!" The old man's tone was very excited, and his whole body was shaking!

He looked at Lin Kai up and down, his eyes widened, and the old tears of excitement crept away, and he threw away Zhu Manqing, holding Lin Kai with his hands, just like seeing a new wife.

Lin Kai was also uncomfortable with this look, and asked, "Master, what do you want to do?"

The old man seemed to be unable to hear Lin Kai's words, and said excitedly: "The bones are amazed, at a young age, the explosive power of the muscles and the defensive power of the muscles, and even the reaction and understanding are extremely strong!"

"A rare genius in a century!" The old man said excitedly.

Lin Xin was startled, this old man just touched his wrist and saw himself through?

Seeing Lin Kai's surprised look, Zhu Manqing smiled triumphantly: "Huh! Surprised, right? My master is famous throughout China! He is a celestial master who is respected as a fortune teller!"

God fortune teller? Fortune teller?

Lin Kaixin was even more confused, when did fortune-telling skills become so strong?

Zhu Manqing mumbled in the ear of the old heavenly master at this time: "Master, didn't you say that I was rich and fate? You count, what is the fate of this kid."

The old heavenly master also brightened his eyes, let go of Lin Kai, pinching his fingers to forget it.

The more he counts, the more solemn the expression on his face, and the more he counts, the old heavenly master's face becomes paler.

But he was still counting Lin Kai's life.

A few minutes later, I saw that the body of the old heavenly master had already begun to tremble slightly, and then, only heard a puff, the old heavenly master directly sprayed out a mouthful of blood, and his body became soft.

Seeing this scene, Zhu Manqing quickly supported the old master, and Lin Kai also supported him.

The celestial master looked at Lin Kai with regret: "Your life, the old man is not clear! So he was condemned by God!"

"What?" Zhu Manqing exclaimed, and the old celestial master also has people who are incomprehensible?

Zhu Manqing grew up by the side of the heavenly master. He has fortunated countless people throughout his life, but he has never met someone who is impenetrable.

The celestial master once said that there are only two kinds of people who can make him incomprehensible. One is himself, and he cannot tell himself.

The second type is a person who is against the sky. What is a person who is against the sky? It means that he will finally go against the sky one day, or become a legend, or become the dust of history.

Lin Kai is obviously the kind of person who is against the sky.

Lin Kai's potential has already shocked the celestial master. After meeting a genius that is rare in thousands of years, the celestial master decided to teach Lin Kai all what he has learned in his life!

"Lin Kai, are you willing to be my apprentice?"

Chapter 231: The Only Descendant Of Maoshan School

Chapter 231 The Only Heir of Maoshan School

Lin Kai was very surprised. This old man pinched his fingers and could even figure out what he called. He was also very powerful. Now he has to accept himself as an apprentice.

Lin Kai didn't think so, and Zhu Manqing's chin was almost shocked. Master actually wanted to accept Lin Kai as a disciple?

You know, if it weren't for the celestial master to see Zhumanqing pitifully and adopt Zhumanqing, he would never accept bamboomanqing as a disciple.

Even if he accepts Zhumanqing as his disciple, what he teaches to Zhumanqing is only some thieves and trivial accomplishments.

Zhu Manqing knows that the old celestial master has been looking for an apprentice who can inherit his inheritance for years, but the search has been unsuccessful for many years. Now, he actually fell in love with Lin Kai who chased him so embarrassed?

Lin Kai smiled and shook his head: "I'm sorry, I am a soldier from the Huaxia Kingdom, and I don't want to be a teacher."

The soldiers are just an excuse for Lin Kai, a joke, Lao Tzu is the owner of the system, so rare to worship you as a teacher?

Hearing Lin Kai's answer, Zhu Manqing was even more surprised: "What? You actually rejected my master? Are you afraid that you don't know how much influence my master has in China?"

"My master is well-known in the Chinese nation. Seeing feng shui fortune-telling and other businesses come to the door, the rewards of hundreds of millions of dollars depend on whether my master is in the mood to do their business."

"Now my master says to accept you as a disciple. It is the blessing you have cultivated for eight lifetimes, okay?"

"You don't know what is good or bad, but you still want to reject my master?"

Zhu Manqing said in surprise.

The celestial master reached out to stop Zhu Manqing and signaled her not to go down. The celestial master said: "Young man, you may not know me well. I will give you some time to think about it. If you think about it clearly, call me. "

brush!

I saw a business card flying into Lin Kai's hands, with only a short name and a contact number on the business card.

The old master coughed twice, and with the help of Zhu Manqing, he walked into the courtyard tremblingly.

Lin Kai took that business card and fell into deep thought.

...

Soon after, Lin Kai had returned to the University of Science and Technology, and he was still thinking about what happened just now.

Since Lin Kai joined the army, he has never encountered an opponent, and the old master is the first opponent who can completely abuse Lin Kai.

He is very strong, faster and stronger than himself, and this person makes Lin Kai feel very mysterious, like a Taoist priest and a peerless expert.

He can tell fortunes and watch Feng Shui. He is so powerful, yet he looks like a sick man.

And Zhu Manqing said that the heavenly master is very famous in the entire Chinese nation.

Lin Kai didn't feel guilty for not catching Zhu Manqing, he just felt a little regretful. He had tried his best, but there were experts around Zhu Manqing, and Lin Kai couldn't help it.

Soon after, Lin Kai dialed Jiang Xing. Jiang Xing was the head of Jiangdong Young Master. He might have some information about the old master.

Soon after, the call was dialed.

"Hello, Lin Shao?"

Lin Kai asked straightforwardly: "Brother Jiang, do you know the celestial master?"

Jiang Xing on the other side of the phone was silent for a while, and asked: "Did you provoke him? If you provoke the celestial master, I advise you to find him now and apologize, kowtow or apologize, and you must be sincere. Those who offend him can't get away!"

Jiang Xing's tone was very serious, and there was no joking at all.

Lin Kai was stunned. Is this old celestial master really that scary?

"I didn't offend him. I ran into him today. He said he wanted to accept me as a disciple." Lin Kai said.

"What?" With a click, Jiang Xing seemed to be too excited and shocked the phone to the ground.

Soon after, Jiang Xing picked up the phone and asked excitedly: "Then do you agree?"

Lin Kai answered very honestly: "No."

No, Jiang Xing was silent again. Soon after, Jiang Xing sighed and said: "That's a shame."

"What is the origin of this old heavenly master?" Lin Kai asked.

Jiang Xing replied: "This celestial master is currently the only descendant of the Maoshan School. He has the most orthodox Taoism of the Maoshan School."

"There is still Dao Fa in this world?" Lin Kai was shocked again.

Jiang Xing replied: "This thing, I would rather trust it to exist than to believe it is not. I didn't believe it before, but the celestial master is indeed very famous in the world, and his arithmetic is indeed amazing."

"He is good at too many things, but his ability to make the world known is his arithmetic."

"Invite him to play once, at least hundreds of millions of yuan, and all the property he obtained through Taoism will be donated to people in need, so the heavenly master is very famous in the arena."

Lin Kai nodded, this old heavenly master should have something.

It is normal for him to count his own fate today because he was condemned by the heavens, because he was not originally from this world.

After Lin Kai thanked him, he hung up the phone.

The only descendant of the Maoshan School is certainly powerful, but Lin Kai is not uncommon. There are too many taboos to become a Taoist priest, and he is not as free as Lin Kai now.

Soon, Lin Kai returned to the dormitory of the University of Science and Technology. The dormitory of the University of Science and Technology is also very comfortable. There are four people in a dormitory. The dormitory has a separate toilet and bathroom.

Arriving at the door of the dormitory, Lin Kai knocked on the door, and soon after, a bold voice sounded: "Come in!"

He opened the door and walked in. In the center of the dormitory, three shirtless men were playing League of Legends.

It seems that the roommates in each dorm are the same. Among the four people, there is always one wearing glasses, one fat, and one strong.

The three roommates of Lin Kai are a fat man with a big belly, a four-eyed man, and a strong man with muscles all over his body.

After seeing Lin Kai coming in, they looked up at Lin Kai and said, "Are you new here?"

Four eyes asked. They and Lin Kai were not in the same class, but just because there was a vacancy in their dormitory, the principal arranged Lin Kai to come over.

"Hello, introduce yourself, my name is Lin Kai..."

"Okay, okay, I see, stop talking nonsense, have you brought a computer? Two?" The fat man waved his hand and asked.

Lin Kai smiled helplessly: "Can't play."

"Cut! No energy!"

The fat man curled his lips, stopped talking to Li Lin, and went to play his League of Legends.

Lin Kai found a place to sit down and played with his mobile phone.

After more than an hour, the three of them were tired from playing games, so they sat in their seats and started playing on the computer.

Fatty was the closest to Lin Kai. He opened a live broadcast software, clicked into a beauty live broadcast room, and watched the live broadcast with relish.

Chapter 232: Huang Meng

Chapter 232

There were not many people in the live broadcast room. Lin Kai took a look, and there were probably only a hundred people.

But the female anchor was really pretty, with willow leaf eyebrows, big eyes, small cherry mouth, white and tender skin, and bright yellow hair.

And she didn't apply beauty, even in the mode without beauty, she was still pretty.

Such a beautiful anchor, no matter how miserable it is, there must be at least a few thousand people in the room, right? Why are only a hundred people watching?

The fat man smiled triumphantly when Lin Kaikan was fascinated: "Hey, isn't it?"

Lin Kai nodded subconsciously: "It looks good."

"One of our school's flowers, Huang Meng."

Still a school flower? That shouldn't be it!

"Since it's a school girl, why are there so many people in the room?" Lin Kai asked.

The fat man chuckled and said, "Because she is a new anchor! It has only been broadcast for three days, no one paid gifts, no exposure, naturally not many people watched it."

"Quietly telling you, in order to attract Huang Meng's attention, I have recharged my one-month meal money as a gift! Let her take a look at Fat Brother's financial resources in a while!"

After all, Fatty clicked on his personal account and saw that 10,000 virtual coins had been charged by Fatty.

Ten thousand virtual currency, exchanged for renminbi, that is one thousand yuan, it seems that the fat man is really spending money in order to pick up girls!

Siyan and the strong man also came over, looking at Huang Meng in the computer.

I saw on the screen, occasionally someone would swipe one or two lollipops, and the new anchor Huang Meng also said nothing.

"Thank you, brother Lei for the ten lollipops! Thank you, brother Lei!"

"Thank you Kikig for a bottle of beer, thank you Kikig!"

...

Huang Meng thanked him without saying a word, and sometimes he sold cute, which was very cute.

Huang Meng doesn't look tall, but he is super well developed. The place that should be big is really big, and the place that shouldn't be big is amazingly thin.

When the fat man saw that all the lollipops and beer were presented on the screen, he smiled with a win-winner.

"Cut! Fat master, I'm ready for these little rubbish! A dime for a lollipop and a beer for a dollar. If you want to give it, you will give it valuable! Fat master gave her a hundred flowers!"

A rose is ten yuan, and a hundred roses is a thousand yuan. To get her heart, the fat man took great pains!

When the fat man clicked on the rose, a rose was presented, and the rose presented by the fat man was quickly displayed on the screen.

Huang Meng's eyes lit up after seeing the rose, and immediately sold a cute in front of the screen, shaking his huge thanks and said, "Thank you, fat brother, for the rose!"

In order to let Huang Meng know that the gift was given by himself, the fat man deliberately changed his software name to his real name.

Hearing Huang Meng thanked himself so much, and when he was still selling cute in front of him, the fat man felt so happy in his heart!

At that time, the fat man's hand was jogging on the screen, and the fat man presented roses one after another.

Seeing that there was a rain of roses on the screen, Huang Meng's eyes lit up, his mouth closed from ear to ear, and the giant kept trembling.

The comment area has also exploded, and everyone is discussing who the gift is going to be.

"Who is this Li Jiaqi? So rich, all these 100 roses have been spent? A thousand yuan, right?"

"Isn't Li Jiaqi a fat guy in the same class as Huang Meng? This kid is so rich now? Amazing!"

Huang Meng was also happily closing her mouth from ear to ear at this time. The school girl who was usually tall in the colonel, now in front of the fat man, behaved very tenderly, thanking him and selling cuteness, which gave the fat man a great sense of achievement.

After a while, the fat man's roses were already sent out. Huang Meng saw that the roses were not being sent, and wanted to seduce the fat man again.

"Brother fat, you are so rich. When I was in the class, I didn't realize that you were actually rich and handsome!"

"Fat brother, come out for coffee if you have time."

Huang Meng coquettishly said on the screen, how can the fat man stand this? At that time, he looked at Lin Kai and asked, "Brother, are you rich? Borrow me some and I will continue to use it!"

Lin Kai frowned. Money is a small problem, but the key is that this female anchor is pitting the fat man's money!

Lin Kai can give him money for a while, what about after Lin Kai leaves?

At this moment, four eyes exclaimed: "I rely on! Sports car! Someone sent a sports car!"

Because the fat man paid a thousand yuan, Huang Meng's room has already gained a certain degree of popularity, and now there are five or six hundred people watching.

At this time, I saw a sports car appear on the computer screen, and a user named Yanjing No. 1 Shaw had swiped a sports car!

The price of a sports car is one hundred yuan!

After seeing this sports car, Huang Meng almost took off his clothes with joy.

"Thank you for the sports car from the first brother of Yanjing! Trojan horse!" Huang Meng was so happy, he didn't forget to blow a kiss to the guy who brushed the sports car.

Next, a few more sports cars appeared. Soon, the fat man was squeezed to the top of the list. This buddy was a great gift for gifts. Within a few minutes, hundreds of sports cars have been sent out. !

The more than a hundred roses that the fat man gave out were long forgotten by Huang Meng!

Huang Meng couldn't think of Li Jiaqi at all at this time, she only had Yanjing No. 1 in her mind!

At this time, Yanjing's first few words: "So what Li Jiaqi, a **** from the computer department, want to pick up girls after getting so fat? This thousand yuan is probably your monthly living expenses, right?"

"Hillboy, don't come out to pick up girls if you don't have money, and see what is strength!"

Seeing what Yanjing No. 1 Young Master typed on the screen, the fat man was almost mad at this moment!

I worked so hard to spend a thousand dollars and got the top position. Before this position became hot, he was pushed down by others. Can he not get angry?

What's even more annoying is that Huang Meng also said at this time: "Yes, Yanjing's first young man, that fat man is a pauper, not much money, first youngest, do you also

come from the University of Science and Technology? Are you free to come out to watch movies together? Huh?”

After seeing this scene, Fatty really turned pale with anger, and one thousand yuan was gone. Now he is still disgusted by Huang Meng. Fatty’s heart is a heartache.

Soon after, the No. 1 Young Master of Yanjing replied in the comment area: “I am from the University of Science and Technology, and the No. 1 Young Master of Yanjing has never been afraid of anyone! Everyone present, one of them counts as one. Let me see who can put me on the top. Go ahead!”

“Huang Meng, Lao Tzu gave you a top spot, see you at the school in a moment!”

Facing such a straightforward date with the first youngest member of Yanjing, Huang Meng, who is a school girl, was not reserved at all. Instead, she covered her mouth and chuckled: “I hate...”

At the moment when the two of us were very close, I only heard a pop, and the fat man lifted the computer on the table and hit it directly on the ground!

The poor computer was torn apart and the screen was shattered.

The fat man who finished smashing the computer regretted instantly, he squatted down and cried holding the smashed computer.

“What the **** is this? White-eyed wolf!”

Lin Kai looked at the terrible fat man, also a little distressed.

At this time, Lin Kai’s ear heard the system’s voice: “Help Li Jiaqi regain her dignity and reward a random extraction ability.”

Chapter 233: I’ll Help You

Chapter 233 I’ll Help You

The system has released the task!

This time the mission made Lin Kai’s eyes shine. This time the mission was very simple, so simple that Lin Kai began to wonder if it was given to him by the system.

Help Li Jiaqi regain her dignity? This thing is simply too simple!

This Huang Meng, at first glance, is a woman who worships gold. If she wants to help Li Jiaqi regain her dignity, she can just use money!

But at this time, the fat man sat on the ground with a heartbroken face. In order to get Huang Meng's smile, he had to spend a month's living expenses in!

However, a Cheng Yaojin came out halfway, so what kind of **** Yanjing first came out and immediately killed the fat man!

Now Huang Meng's heart only has the one hundred roses sent by the fat man, who is the No. 1 young man in Yanjing, which she has long forgotten.

At this time, Lin Kai patted the fat man on the shoulder and asked, "Do you want to be prestigious in front of Huang Meng?"

When the fat man heard Lin Kai's words, he was visibly shocked. He was awe-inspiring in front of Huang Meng? Fat people want to dream!

Huang Meng is Fatty's dream lover, but because of Fatty's family background and appearance, Huang Meng has always ignored him.

This time the fat man smashed all his monthly living expenses in, but Huang Meng's disdain was the result.

"Yes, but Huang Meng only likes handsome people and rich people, I don't account for either, alas..."

"I'll be more realistic from now on, don't lose face when I'm okay."

The fat man sighed, looked at the computer he had smashed, and started to feel distressed again.

I really lost my wife and broke down! This computer was bought by the fat man for five thousand yuan, and now it looks like it is completely scrapped.

The six thousand yuan is gone, only a few words of Huang Meng and a sentence of selling cute in exchange.

"It's good to have this idea, Li Jiaqi, when we meet for the first time, I know how important a man's dignity is. Remember, I will only help you this time. After this time, I hope you can find someone to be with you. Matched objects."

Lin Kai said with a serious face, and the four eyes and the brawny man also looked at Lin Kai. Is it possible that Lin Kai is a man of great background?

At this moment, I saw Lin Kai staring into his four eyes and said, "Brother, turn on your computer and watch Huang Meng's live broadcast."

“Oh.” His eyes were unclear, but he still listened to Lin Kai’s words and turned on the computer, then opened a certain live broadcast software, and clicked on Huang Meng’s live broadcast room.

After Yanjing’s first prize of tens of thousands of dollars a moment ago, Huang Meng’s live broadcast room has soared in popularity. At this time, more than 3,000 people are watching her live broadcast, and from time to time a few roses float on the screen. .

The fat man who was originally the second on the list was squeezed out of the tenth place at this time. Huang Meng’s face was smiling, which was a joy, but she had long forgotten the fat man who gave her a thousand dollars.

Yanjing ranked first.

“Thank you for the sports car sent by the first young man! Trojan horse!”

“The first young man, you are much more generous than my stingy classmate. That fat man gave a hundred roses to him. No way is like the first young man. You are just a few sports cars!”

“Thank you first young man, I love you!”

Seeing Huang Meng coquettish in front of the screen, the fat man was furious.

In the comments, the words of Yanjing No. 1 are even more arrogant.

“I’ve seen that dead fat man, he looks like a dick. I only give him a reward when he is upset. I don’t want to be used to pretending to be forced without money.”

“This kind of garbage is not worthy of picking up girls, he deserves to be single for a lifetime!”

“66666...”

“The first young man is awesome!”

In the comments, there are comments from the No. 1 Young Master and the people who eat melons. Everyone’s position is that the Yanjing No. 1 Young Master. After all, the status of the Yanjing No. 1 Young Master in the school is not covered.

At this time, the fat man was so angry that his teeth creaked, and he wanted to pick up the computer and throw it to the ground!

The four eyes were afraid of the fat man being excited, and they hugged his computer.

At this time, a yacht appeared on the screen, and Huang Meng behind the screen screamed with excitement.

“Ahhhhhh! Yacht! Thank you for the yacht the first young man sent! Thank you!”

Huang Meng shouted excitedly.

The price of a yacht is one thousand yuan, and the first few shots are generous, and a thousand yuan gift is given out casually.

Seeing Huang Meng desperately thanking the first young man, the fat man’s face turned red, jealous and blush!

He is envious! He envied that the rich could play with his favorites at will.

At the same time, he is very jealous. He is jealous of the first young man. If he is as rich as he is.

He hates himself for not having a good life, why can’t he have a good baby? If he was also a rich second generation, Huang Meng would have been his own woman.

At this time, Lin Kai patted the fat man on the shoulder and said, “Never mind, don’t get excited, remember, she is not good for you.”

After all, Lin Kai clicked the login button, he logged out Siyan’s account and logged on his WeChat account.

After seeing this scene, everyone was taken aback. What did Lin Kai want to do?

At this moment, I saw Lin Kaidian entered the top-up page. After seeing this scene, the fat guys understood what Lin Kai was going to do. Lin Kai wanted to use money to smash Huang Meng’s face!

The fat man grabbed Lin Kai’s hand and said with a touch of emotion: “Brother, I appreciate your kindness, but you don’t know how much money the first youngest has. He has already spent tens of thousands of dollars in it. Let’s Even if you drop a few thousand or hundreds, you can’t turn over the waves at all!”

Four eyes also patted Lin Kai’s shoulder, and said, “Yes, brother, they are all in the same dormitory, so why are you embarrassed to cost you?”

The strong man’s nickname is Da Zhuang, and Da Zhuang also put his arms around Lin Kai’s shoulders: “Brother, we will be a family in the future, but let’s forget about this reward.”

Lin Kai smiled, took the fat man's hand away, and said, "I said, if I want to help you, I will definitely help you."

Seeing Lin Kai's firm look, the fat man also smiled helplessly, and let Lin Kai go.

When he found out how high the ranking of the first youngest was, he would realize that he couldn't make waves with this little money.

Although he knew that Lin Kai could not help him, the fat man was still very grateful to Lin Kai. The first time I met him, he was so righteous. Lin Kai, this friend, can make friends!

Lin Kai took a look and found that one dollar is equal to ten virtual coins, and one hundred dollars is one thousand virtual coins. If he recharges one million, it is 10 million virtual coins.

One million should be enough, right?

Lin Kai clicked the input at the custom recharge, 10000000.

Ten million virtual coins!

After seeing this long string of numbers, the fat man's eyes almost stared out. He doesn't feel moved at all now. Isn't Lin Kai **** kidding him?

How much money does Lin Kai have to charge for such a long string of numbers? At least millions, right? Can Lin Kai have so much money?

Chapter 234: List One

Chapter 234

"Brother, are you playing with me?" The fat man grabbed Lin Kai's hand, raised his eyebrows, and looked bad.

The fat man was getting angry, and now seeing Lin Kai actually teasing him like this, the fire in his heart suddenly rose.

Not only Fatty, but Siyan and Da Zhuang also looked at Lin Kai with an unkind expression, and geared up.

Lin Kai smiled slightly, entered the payment password, ding-dong, and the page of successful payment was displayed on the computer screen.

Click!

The sound of the chin falling to the ground sounded, and the three of them were dumbfounded immediately.

Lin Kai really charged one million yuan in!

He did not brag!

Da Zhuang, who was about to do it, quickly held his chin, his face was shocked.

This new roommate of myself, it seems that there is no dew, but he made one million, which really shocked them!

At this time, the fat man was so grateful to Lin Kai that he fell to the ground, it was a million yuan! However, Lin Kaichong entered the live broadcast software with one million yuan without even blinking his eyes.

How rich is he? Is there a mine at home?

Even if there is a mine at home, money can't be spent like that!

"I rely on..." The fat man said in surprise.

Lin Kai patted the fat man on the shoulder and motioned him not to get too excited.

"Brother, look good."

When Lin Kaidian entered the live broadcast room, Huang Meng was still chatting with Yanjing's No. 1 Young Master. Lin Kaidian opened the gift interface. The cheapest gift is a lollipop, one dime.

The roses that Fatty brushed cost ten yuan each. Yanjing's first sports car with the least brush was one hundred yuan each, and the yacht cost 1,000 yuan each.

There are more noble gifts, the crown, ten thousand yuan each!

As soon as the crown comes out, all the live broadcast rooms in this live broadcast software will announce that the popularity will rise!

Lin Kai didn't hesitate, and the crown was directly sent out, and the live broadcast room soon displayed: "Lin Kaka gave out a crown!"

The special effects of the crown appeared throughout the live broadcast room, and a crown also appeared on Huang Meng's head.

A few seconds after the appearance of the crown, Huang Meng was in a daze. It took a long time before she realized that someone gave the crown!

The surprised Huang Meng jumped up from his seat and exclaimed: “Wow! Thank you Lin Kaka for the crown! Thank you Lin Kaka!”

Huang Meng in the live broadcast room was dancing with excitement. Today is the third day of her broadcast. She has already received tens of thousands of gifts. She seems to see a path to riches!

At the same time, many people were attracted to Huang Meng’s live studio by the crown.

The comment area also exploded in an instant.

“Damn, someone gives a crown, who is such a tyrant?”

“This anchor is pretty! It’s a pity that someone gave the crown, I’m afraid I will add WeChat soon.”

“Lin Kaka? Newcomer! Newcomers will give crowns to them, rich!”

...

While Huang Meng thanked Lin Kai, Yanjing’s No. 1 Young Master was unhappy. Seeing that the girl had been caught by herself, but a Cheng Yaojin was killed halfway through, how could he be happy?

The No. 1 Young Master of Yanjing commented in the comment area: “Hehe, isn’t it just a crown? I’m still the first one!”

The First Young Master of Yanjing has already brushed tens of thousands, and a crown can’t keep him down.

Lin Kai smiled slightly and came directly with a crown for ten consecutive gifts!

Happiness!

Ten crowns appeared directly on the screen! Almost all the live broadcast rooms of the whole network know that Huang Meng’s live broadcast room received the crown!

But the live broadcast room, which was originally watched by only 3,000 people, soared to 10,000 people watching!

Ten crowns! One hundred thousand yuan!

As soon as these ten crowns came out, Lin Kai immediately became the number one on the list, and that Yanjing No. 1 Young Master immediately became the number two.

At this moment, Huang Meng's surprised little mouth-opened boss had an incredible face. She received a gift worth hundreds of thousands when she started broadcasting on the third day. How could she be unhappy?

"Wow! Thank you Lin Kaka for the ten crowns! Trojan horse! Love you Yo!" Huang Meng was coquettish at the screen, wishing to cross over to sleep with Lin Kai.

When the fat man saw this scene, he was envious. If only he was as rich as Lin Kai.

But the No. 1 Young Master of Yanjing immediately became miserable. He saw that Lin Kai was richer than him. The gift of 100,000 yuan would be given as soon as it was given out, local tyrant!

"Lin Kaka, can I add you to a WeChat? You can send me your WeChat privately, and we can rush!" Huang Meng said almost in a begging tone.

Lin Kai smiled slightly and brushed out another thirty crowns!

As soon as the thirty crowns came out, the popularity skyrocketed again! Within a few seconds, 30,000 people watched Huang Meng's live broadcast!

"Damn! You gave away forty crowns, right? Who is this? Such a tyrant?"

"Rich! Worship!"

"Who is this Lin Kaka? So amazing!"

"Lin Kaka local tyrant, you can watch my live broadcast, I don't look bad too!"

...

The comment area exploded, and the first young man of Yanjing was misfired immediately. Although the first young man of Yanjing is a rich second generation, tens of thousands of yuan is already his limit. The tens of thousands of yuan is still his determination. Come hit Huang Meng's.

He can't afford to meet hundreds of thousands of masters who don't blink their eyes!

And Huang Meng cried with excitement after seeing the thirty crowns come out! Forty crowns! Even if you want to divide the platform into half, you can start with 200,000!

She can buy a mid-level car!

At this time, Huang Meng finally experienced the beauty of money. She began to be coquettish in front of the computer screen, and even pulled her sling off a little bit, seeming to deliberately seduce Lin Kai.

“Thank you, Shao Lin for the 30 crowns, Shao Lin, you are so generous, you are the most generous person Mengmeng has ever seen!”

“Trojan horse! Lin Shao, Mengmeng is free anytime.”

Lin Kai smiled slightly and gave away all the remaining 59 crowns as graffiti!

As soon as these 59 crown graffiti appeared, the popularity of Huang Meng’s live broadcast room once again soared and became a large live broadcast room with 50,000 people online!

Lin Kaibang’s position is unmatched!

The fat guy on the side waiting for others to see it was a delight! That’s how it should be, until Huang Meng doubts life!

Huang Meng was happily about to pass out at this time, one million! Lin Kaka actually gave her a million!

There are also half a million to start! Five hundred thousand, enough Huang Meng to buy a BMW!

Huang Meng wanted to take off her clothes in public to show Lin Kai to show her loyalty.

At this time, Huang Meng finally couldn’t stand it. She asked, “Thank you Lin Shao, Lin Shao, are you from the University of Science and Technology? Is it convenient to reveal your name?”

Huang Meng finally revealed her real purpose. She can give her one million at will. Not to mention Lin Kai is a handsome guy. Even if Lin Kai is an ugly monster, Huang Meng is willing to be a dog of Lin Kai. .

Chapter 235: Li Jiaqi’s Cousin

Chapter 235 Li Jiaqi’s Cousin

Huang Meng has completely fallen in love with Lin Kaka, after all, Lin Kaka gave her a million!

One million, even if half of the platform is divided, she can get five hundred thousand, five hundred thousand, which is enough for her to buy a luxury car.

If you can become Lin Kaka’s girlfriend, let alone BMW and Benz, there is hope for a Rolls-Royce luxury car!

How she wished Lin Kaka belonged to the University of Science and Technology, and then the two met in the university and went to the hotel to do something indescribable.

When Lin Kai saw Huang Meng look like this, he knew that his goal had been achieved.

I saw Lin Kai type a few words on the computer keyboard and said, "I'm from the University of Science and Technology, and Li Jiaqi is my cousin. I heard that you like money, right? My cousin asked me to give you one million. "

After typing, Lin Kai directly clicked Enter to send.

What Li Jiaqi watched from the side was so cool, it made you look down on Lao Tzu, and Lao Tzu's cousin could just smash you a million!

Sure enough, after seeing Lin Kaka's words, Huang Meng was dumbfounded at the time. This big money didn't come to hook him up?

He is actually Li Jiaqi's cousin?

Li Jiaqi's poor dick, actually has such a rich cousin?

Huang Meng was dumbfounded.

"Li Jiaqi, is it... your cousin?" Huang Meng asked dully.

Lin Kai typed: "My brother Li Jiaqi said he likes you. Originally, I planned to give you a Rolls Royce, a villa in the city center, and five million as a small gift. Now it seems that you dont like you. My brother, forget it."

As soon as Lin Kai's words were sent out, the entire comment area exploded!

"Damn! This local tyrant used to avenge his cousin!"

"It would be great if I had a cousin like this, I beg for the same cousin!"

"This female anchor really worships money. Whoever has the money will go with her. No one deserves to see her!"

...

Huang Meng was also dumbfounded after seeing Lin Kai's words. Li Jiaqi, who was teased by herself just now, is his cousin so rich?

A Rolls Royce? A central villa? Five million in cash?

Just think about it and be happy!

But Huang Meng abandoned Li Jiaqi because of being the No. 1 young man in Yanjing, and even made a mockery of Li Jiaqi. There was a regret in her heart.

If I didn't make fun of Li Jiaqi just now and pursued him, now I am a rich woman worth tens of millions, right?

"Is Brother Jiaqi here? What I just said is not true, I just want to test if you are sincere to me, Brother Jiaqi?"

Huang Meng cried and called Li Jiaqi's name, and what Li Jiaqi saw was a relief.

He can now see Huang Meng's personality clearly, she is a gold worshiper! The fat man knew he didn't have much money. Lin Kai could help him once, but couldn't help him a second time.

Compared to getting Huang Meng temporarily, Li Jiaqi is more willing to let Huang Meng live in regret for the rest of her life!

"Quiet!" With a slap, the fat man slapped on the table, feeling comfortable in his heart.

Huang Meng kept crying in front of the computer, but Lin Kai had ignored her and did not continue to brush gifts.

At this time, the disappeared Yanjing No. 1 Young Master appeared again.

Yanjings No. 1 Younger: "People are just playing with you. I didnt expect Li Jiaqis cousin to be so rich. It seems that Li Jiaqis family is also a rich and powerful family."

"Forget it, Mengmeng, isn't this mine?"

After seeing Lin Kaka not speaking, the first youngest member of Yanjing was very happy! It seems that this time tens of thousands of dollars are not in vain, Huang Meng is still his own.

Huang Meng looked disappointed, but she knew that Li Jiaqi had nothing to do with herself, so she could only retreat to the second place, following this Yanjing first.

At this time, Yanjing No.1 Master bought a few more sports cars.

But Huang Meng couldn't be happy when he saw a sports car worth a hundred dollars. Compared with a crown of ten thousand dollars, what is a sports car worth a hundred dollars?

Huang Meng felt a huge gap in her heart.

"Thank you for the sports car sent by the first young man." Huang Meng thanked.

“Mengmeng, see you at the gate of the University of Science and Technology in the afternoon? I’ll drive to pick you up.” Yanjing No.1 Young Master typed.

Huang Meng nodded and agreed.

It didn’t take long for Huang Meng to broadcast it, but Lin Kai didn’t hear any reminder to complete the task.

It seems that Li Jiaqi’s dignity has not been recovered by the one who really helped him.

Although Lin Kai helped him pretend to be forced in front of Huang Meng, Li Jiaqi must have been licking dogs many times before Huang Meng. This time, Li Jiaqi’s heart was not completely balanced.

After all, it just made Huang Meng uncomfortable online.

It’s not as good as what Huang Meng saw directly in reality.

Li Jiaqi looked disappointed at this time, and Lin Kai asked, “Is it still uncomfortable in my heart?”

Li Jiaqi patted Lin Kai on the shoulder: “Thank you, brother, I can see what you do for me, but this kind of thing must be uncomfortable in my heart.”

“Do you think that Huang Meng is not with you because you are not good enough?”

The fat man nodded.

Lin Kai smiled slightly and said, “In this case, I will help you regain your confidence, brothers, go to the clothing store!”

The fat Li Jiaqi was pulled out confusedly by Lin Kaixi, and then Lin Kai took them into the nearest clothing store, the Playboy brand store.

Playboy’s clothes are not very expensive, but they are definitely not cheap. Lin Kai chose three of their buddies one by one, which cost more than 30,000 yuan.

After that, Lin Kai took them to the most famous barber shop in Yanjing, and spent three thousand yuan to change a hairstyle for their buddy Sany.

Finally, Lin Kai came to Yanjing Motors.

After arriving at the gate of Yanjing Motors, the fat man and the three of them had a completely new look, each of them looked like Yanjing’s top rich second generation, only Lin Kai was wearing ordinary clothes.

Fatty and the three of them were completely shocked by Lin Kai's financial resources along the way.

Things of tens of thousands of dollars, just buy it, they wear watches of tens of thousands of dollars on their wrists!

Now, Lin Kai brought the three of them to buy a car again, wouldn't he want to buy a car for the three of them?

"Lin Kai, you have spent enough money to buy us these things, why are you embarrassed to let you buy a car for us?" The fat man scratched his head and said.

Lin joked: "Hehe, who said I'm going to buy a car for you? I'm just going to buy a car for myself, by the way, I will take you to pretend to be a force."

After all, Lin Kai took the fat man into the car dealership directly.

As soon as I walked into the car dealership, someone greeted me. The salesperson was a beautiful-looking young lady. To be a salesperson in the largest car dealership in Yanjing, I must have top-notch service and vision.

It is important to understand who seems to be able to afford a car and who seems to be unable to afford a car.

Lin Kai and his party, Lin Kai looked like an errand, only the fat man had the aura of a nouveau riche.

The salesperson came directly to Fatty and bowed deeply: "Sir, do you want to buy a car?"

Chapter 236: Maybach

Chapter 236-Maybach

"Ahem..." The fat man coughed awkwardly and looked at Lin Kai.

Buy a car? Where does he have money to buy a car?

Lin Kai stood up and said, "Buy a car, and recommend a car worth more than one million to us."

More than a million cars?

The salesperson was taken aback for a moment, and looked at the Fatty and the others behind Lin Kai. Although the Fatty and the others are luxuriously dressed, they are too young. These young people actually want to buy more than one million cars?

“Huh?” The salesperson was shocked.

“Ah what? Go ahead, recommend a car with more than one million dollars.” The fat man waved his hand, pretending to be a big money, and yelled at the salesman.

“Oh, okay, please come with me.” Although the salesperson was puzzled, she didn’t dare to look down on every customer and walked toward the interior of the car shop with four people.

It’s the first time for the fat man to experience the life of a rich man, and he feels good in his heart.

Soon, the salesperson led everyone to a BMW car. This BMW car was a 6-series BMW. The model was very novel and looked very domineering.

The salesperson introduced: “The price of this BMW 6 Series is between 850,000 and 1.71 million. This car not only has a large internal space, but also has excellent driving comfort. How many people, take a look?”

After seeing this BMW, the fat guys, their eyes glistened! What a BMW 6 Series! It’s luxurious!

The fat man turned around the BMW, came to Lin Kai, and said a little excitedly: “Lin Kai, this car is good! It’s so handsome!”

Lin Kai smiled, just about to speak, but at this moment only heard a sound of oops. Looking back, only a man and a woman came by from not far away.

“Oh, who do I think this is? Isn’t this a silly guy who likes to be strong?”

Everyone looked back and saw that the talking was a girl in her twenties. The girl was tall, with a fair complexion and a bit thick makeup on her face, but she was also a beautiful woman.

And what she was holding was a middle-aged man in his forties, wearing a suit with a big belly and glasses, with a sense of arrogance.

After seeing this girl, Da Zhuang’s complexion changed instantly and became very exciting.

He didn’t dare to look directly at the girl, that girl, named Li Ran, was Xi Da Zhuang’s ex-girlfriend.

When Li Ran found a richer local tyrant, he kicked Xi Da Zhuang away. Poor Xi Da Zhuang had been in love with Li Ran for three years, and he didn’t even hold Li Ran’s little hand.

It has always been Xi Dazhuang's stupid contribution, but he didn't know that Li Ran always used him as a spare tire.

Li Ran has a haughty face, her clothes are more luxurious, her clothes are all famous brands, her bag is from Chanel, her lipstick is from Dior, and she is full of luxury.

And the middle-aged man she was holding on his arm also had a lofty expression, almost watching Lin Kai them with his nostrils.

After seeing her, Fatty frowned, and Fatty said: "Li Ran, Da Zhuang has broken up with you, please don't disturb Da Zhuang!"

"Shall I disturb him?" Li Ran rolled his eyes and said sourly: "Oh, I haven't seen you for a few months. Look at you, each of you is dressed like a dog. I really think that you will become rich if you wear a **** Is it a second generation? The hillbilly is the hillbilly, and the **** will always be the dick!"

"I said the salesperson, don't be fooled by their appearance! The three of them are all students from the University of Science and Technology. They are usually more than a dick. Now they are wearing brand-name clothes. They probably want to ride a car. Yeah!"

When you buy a car, you can test it out. In theory, you can go out for a lap during the test, but in fact, few people do this.

After listening to Li Ran's words, the salesperson looked suspicious when looking at the fat man.

Fatty, their conversation and aura are not like wealthy people, they just look better in their outfits.

Now that Li Ran said these words again, the salesperson had some doubts whether these people in front of him had come to ride the car.

Lin Kai frowned, looked at Li Ran, and said, "What is your business when we buy a car? Since you and Da Zhuang have broken up, don't worry about our affairs!"

Li Ran hugged his arm and glanced up and down at Lin Kai, and said in a weird manner: "Yo, who are you? This group of dicks' new roommates? Dicks is dicks, and they are divided into groups!"

"I am Da Zhuang his cousin." Lin Kai said casually.

"Cousin? Your cousin is not as good as your cousin! Although Xi Da Zhuang is stupid, but he has two muscles, look at you, it looks good, dressed like a beggar."

“After Da Zhuang really left me, the friends he made are getting lower and lower.”

“Unlike my husband, whoever takes me to meet every day is the manager of the department, the vice president of the boss, it’s really black near the ink, and the red near Zhu!”

Li Ran’s words were very awkward, Xi Dazhuang, who was so insulted by Li Ran, clenched his fist tightly, and wanted to go up and beat Li Ran!

At the same time, he also hated his lack of promise. If he had any promise, could he be so humiliated by Li Ran?

Xi Dazhuang looked at Lin Kai with a look of eagerness in his eyes. He longed that Lin Kai could help him like a fat man!

Lin Kai smiled slightly, looked at Li Ran, and said, “Are you finished? You can go now.”

Li Ran ignored Lin Kai at all, and just kept crying in front of Xi Dazhuang: “This time my husband and I came to buy this BMW 6 Series. You poor guys, you can buy it. Are you up?”

Buying a BMW 6 Series? Rich! It seems that the big money Li Ran is looking for is a real big one, and BMW can give it away casually.

Lin Kai waved his hand and said to the salesperson: “Please take us to see cars worth more than three million yuan.”

Lin Kai really didn’t want to see this Li Ran anymore, he felt sick when he saw her!

The salesperson hesitated for a moment, and decided to take Lin Kai and the others to take a look. After all, customers are gods, and even if Lin Kai and them were driving cars, she recognized them.

At this moment, I saw Li Ran rolled his eyes with his arms and said, “Cut! Buying a car worth more than 3 million yuan? Husband, let’s take a look and see how much money they have to buy a car worth more than 3 million yuan. car!”

The middle-aged man also smiled playfully, and walked over with Li Ran.

The salesperson led Lin Kai and them to a Mercedes-Benz Maybach and introduced them to Lin Kai: “The price of this Mercedes-Benz Maybach is about 1.5 million to 3.5 million. Mercedes-Benz has always been the best choice for successful people. A car is more than a comfortable interior...”

Before the salesperson finished speaking, he was interrupted by Li Ran: "Yeah, can you really believe that these poor boys can afford Maybach? These poor **** can't be bought by all the net worth. Take a tire from Maybach!"

Chapter 237: Can't Afford A Tire

Chapter 237

Li Ran can be said to be very aware of Xi Da Zhuang and the family conditions of Xi Da Zhuang, Li Ran is very clear in his heart.

When she was in love with Xi Dazhuang before, she also understood what the identities of the guys in the same dormitory with Xi Dazhuang were, they were just poor students.

Almost all families are well-off, and some do not even have well-off conditions. They come from the countryside.

Can the three of them have money to buy a Maybach? The three of them can't even afford a single Maybach tire!

Besides the newcomer, the new roommate of Xidazhuang looks handsome, but he doesn't look like a wealthy person in his outfit.

Besides, where are so many rich people in this world?

The rich will become roommates of Xidazhuang? I'm afraid the rich have already moved out alone, right? How can you stay in a dormitory?

These four people must have come to rub the car! The four of them can't afford a Maybach at all!

After the salesperson listened to Li Ran's words, her suspicion began to increase. Can these four people really afford a Maybach?

Do you want to drive them out? This is the only thought in the mind of the salesperson.

At this time, Li Ran's boyfriend, who had not spoken, spoke. He said: "Yenjings big brother I know seven or eighty-eight, and I have never seen a rich second generation who looks like you. I advise you, Don't pretend if you don't have money, poor dick, haha."

Li Ran's face is also proud. She has lived a life like a fairy since she followed this current boyfriend. His boyfriend's annual income is 10 million and his monthly income is millions. They stayed in a hotel for thousands of nights and ate thousands of Western food.

Looking at Xi Da Zhuang, who still looks like a dick, Li Ran is now very lucky that he has left Xi Da Zhuang.

If she continues to fall in love with Xi Dazhuang, she doesn't know how long it will be.

When Li Ran sees Xi Dazhuang, he wants to ridicule him, let him know how good he is now, and let him understand how right it was to leave him at the beginning!

At this time, Xi Da Zhuang, his face was very ugly, he clenched his fists tightly.

It is true that he has no money and no ability to make Li Ran happy now, but seeing his favorite with other men and taunting him with other men, Xi Dazhuang's heart seems to be stabbed by a knife. !

His heartache!

But no matter how much his heartache, Li Ran is not his. At the beginning, Li Ran was attracted by his figure, but now Li Ran still follows the rich after all.

"Gentlemen, are you satisfied with this Maybach?" At this time, the salesperson was also a little impatient. She believed Li Ran's words a little, and wanted to push people out.

Lin Kai said lightly, "Don't worry, let's take a look."

"Cut! Don't bother about these hillbillies, come, we want this BMW 6 Series, come and sign the contract!" Li Ran raised his head proudly and said.

She came to see this BMW several times, and after begging her to be friendly several times, and applauding for love several times, her current boyfriend agreed to buy her this BMW.

This is a BMW 6 Series! Worth more than one million!

The salesperson saw that there was a business coming to the door, his eyes lighted up, and he hurried to the office to get the contract, and signed the contract in front of everyone in Lin Kai.

After about twenty minutes, Lin Kai and the others were left hanging here, while the salesman took Li Ran and the others around, and successfully sold the BMW 6 Series to Li Ran.

Twenty minutes later, I saw Li Ran holding a bunch of BMW keys in his hand and swaggering towards Xi Da Zhuang, the expression on his face was excitement and hoarseness.

She came to Xi Dazhuang, holding the key of the BMW car in her hand, shook in front of Xi Dazhuang, and said, "Have you seen it? This is called strength. The broken electric car you bought me before. What car is it called?"

Happiness!

Li Ran's hand gently patted Xi Dazhuang's face, a look of disdain appeared on his face.

"Hehe, fortunately I didn't follow you back then, or I would still be sitting behind your bike crying!" Li Ran said with a disdain.

After that, Li Ran looked at Lin Kai again, with a playful smile on the corner of his mouth: "Chih, who looks like a dog, how can you mix with this group of poor dicks? They are pretty white, I advise you to entertain. Go as a duck! After three to five years, maybe you can afford to drive a BMW!"

"Ha ha."

Facing Li Ran's merciless ridicule, Lin Kai put his hands in his pockets, and didn't take her in his heart.

As a special soldier, Lin Kai has received professional psychological training. Not to mention that Li Ran is just mocking him. Even if Li Ran hit him face to face, Lin Kai's eyelids would not move.

"I bought a car, just get out of here." Lin Kai said lightly.

"Hey, I see when you can be arrogant, I have to see today, how did you buy this Maybach! If you can't buy it, we won't leave!" Li Ran held his arm, Said with a sneer.

Li Ran and his boyfriend just want to watch Lin Kai and others' good show, they don't believe that Xi Da Zhuang can afford Maybach.

If this Maybach is matched, it will cost more than 3 million. Even if it is not matched, it will cost 1.5 million. If you like to use these poor dicks, can you have money to buy a Maybach?

At this time, the female salesperson just now came back again with a smile on her face. Because she just sold a BMW, she will make a lot of money from the commission this month, so she is in a good mood now.

After seeing that Lin Kai and the others hadn't left, the female salesperson was taken aback for a moment, frowned, her face showing an unpleasant look.

She also believed what Li Ran said, these people are poor **** who can't afford a car, so why bother to serve them?

Hillbillies are hard to serve. The more you give them the face, the more they will be better. The harsher you treat them, the less they dare to offend you easily.

At this moment, the female salesperson frowned and asked: "Why haven't you left?"

Lin Kai frowned, knocked Maybach, and said, "I want to buy a car, why should I leave?"

"It's you. You left us here for half an hour. Is that how you treat customers?" Lin Kai frowned and asked.

The saleswoman didn't just pretend at this time, she held her arm with an impatient look on her face: "Customers? Can you afford this car? Just a few poor college students, you know what it is. A car? Maybach! A top-equipped Maybach will cost more than three million dollars. Can you afford it?"

"While I am in a good mood, get out quickly and don't affect other guests, otherwise I will call the security!"

Chapter 238: Top With Maybach

Chapter 238

There was a big change in the attitude of the female salesperson. She became less polite to Lin Kai and them, and asked Lin Kai and them to get out!

Li Ran smiled triumphantly when she saw this scene, hugging her arm. The scene she hoped to see finally happened. Lin Kai these paupers will be driven out of the car dealership soon!

After they were driven out of the car dealership, I laughed at them fiercely, and left the dealership in his BMW. Thinking about Li Ran felt very cool.

Lin Kai frowned at this time. He brought Xi Da Zhuang and the others over to buy a car, but he didn't expect this kind of thing to happen and he met someone like Li Ran.

Under Li Ran's "enlightenment", the saleswoman also turned into a snob that looked down on Lin Kai.

"Hahaha! Was you kicked out? A country boy like you, even if you put on a layer of human skin, can't cover up the smell of your body!"

"I thought I was a human with good clothes? You will always be just a hillbilly! Have you ever heard that the salted fish will turn over? Hahaha! What a joke!"

Li Ran hugged his arms and laughed loudly, looking at Lin Kai and their eyes were full of disdain.

Lin Kai frowned and looked at Fatty and them. Fatty and them all lowered their heads. Obviously, Li Ran's pride had been trampled on the ground.

Lin Kai also knew that it didn't work to reason with this female salesperson. He had to find the boss of their car dealer!

So Lin Kai asked, "Where is the boss of your car dealer? Call him out for me."

The female salesperson frowned when she heard the words, "It's almost done! Do you still want to see our car dealership boss? If you are so obsessed, be careful I ask the security to drive you out!"

Li Ran smiled sourly on the side: "Yeah, I still want to meet the owner of the other car dealer? Do you know who the owner of the other car dealer is? The big boss worth a billion! Do you still see others? Be your spring and autumn Go to the big dream!"

"Enough!" With a snap, Xi Dazhuang slammed his hat to the ground. I don't know when, Xi Dazhuang actually shed tears.

His eyes were red with tears. He looked at Li Ran and said angrily: "Li Ran! We have broken up! I'm not doing well! No good! Are you satisfied? What do you think of me? Please stop embarrassing my friends!"

Xi Dazhuang really was about to collapse at this time. Faced with the ridicule of his ex-girlfriend, he, a 1.8 meter tall man, was crying like a child at this time.

Lin Kai could see that Li Ran must still be in his heart, otherwise he wouldn't be so heartbroken.

But even if Xi Da Zhuang was crying no matter how sad, Li Ran would never change his mind, and he would not have a trace of heartache.

"Yeah, one-meter-eight is white? Still crying? Still crying? Do you think you are still a child? The more you cry, the more I look down on you!"

Li Ran's words are like knives, heart-stirring.

Xi Dazhuang finally broke down. He cried: "How can you let me go? Am I going to kneel down for you?"

After all, Xi Da Zhuang is really going to kneel down! With a snap, Lin Kai pulled Xi Da Zhuang back, and said, "If a man has gold under his knee, how can he kneel to a woman?"

Li Ran looked indifferent: "You kneel! As long as you kneel down, I will go, you kneel!"

“Enough!” At this time, Lin Kai finally couldn’t stand it anymore, and angrily said: “He has broken up with you, what else do you want?”

“What do I want? Hehe, it’s because I can’t see you guys pretending to be forced here and buying Maybach? Why don’t you go to the sky? Why don’t you stand shoulder to shoulder with the sun? Only bragging!”

Li Ran hugged her arms arrogantly. She must see Xi Da Zhuang embarrassed today, otherwise she would not feel comfortable in her heart.

“What’s the matter?” At this moment, a middle-aged man in his thirties came over. The middle-aged man was wearing a gray suit and his surname was Wang, Manager Wang.

As soon as the manager of the dealership walked over, the saleswoman bowed immediately.

Manager Wang looked at the crowd, frowned and asked, “What happened? You were making a lot of noise in the car dealership?”

Li Ran saw the car dealers approach, and her attitude immediately changed. She said, “Manager Wang, its like this. Four hillbillies came to buy a car and said they wanted to buy a Maybach. I know all these hillbillies. , Poor college students, they said they want to buy Maybach, dont you think this is a joke?”

The female salesperson also echoed from the side: “Yes, manager, these people don’t seem to have much money at first sight. They definitely can’t afford a Maybach, but they won’t leave.”

Manager Wang is a good individual. He has always handled things cleanly and will not be muddled.

He probably glanced at a few people in Lin Kai. Judging from their outfits, they were indeed college students. The clothes they were wearing were newly bought, or they were rented. Judging from the aura, there might be really no money.

If it is driven away directly, it will affect the reputation of the car dealer, but if it is not driven away, it will affect other customers.

Manager Wang smiled slightly and said, “Customers are God. Whether customers can afford a car or not, we must serve them well!”

“You like this Maybach, right?” Manager Wang asked with a smile.

Lin Kai nodded and said, “Yes.”

“In this way, the bare car price of this car, the lowest price is 1.5 million yuan, and the procedures are complete.”

“If you want a top match, 3.5 million, you can drive away now.”

“What do you think?”

Manager Wang smiled slightly. He was just a tentative question. He wanted to see how these people would behave. If they were really a few hillbillies, Manager Wang wouldn't have to be polite and just drove people away.

If the rich second generation were hidden, Manager Wang would definitely treat them as gods.

Li Ran saw that Manager Wang was actually respectful to them, so he laughed at that time: “Hehe, Manager Wang, you don't have to be so polite to them. A group of hillbillies from the countryside, let alone Maybach, they even me. A BMW tire can't be bought!”

Lin Kai smiled slightly at this time, took out the black bank card from his pocket, handed it to Manager Wang, and said, “The best-matched Maybach, drive away now. I will give you ten minutes to go through the formalities.”

The moment the black bank card started, Manager Wang was stunned.

This bank card seems a bit familiar. He seems to have seen this card somewhere.

After a long time, Manager Wang remembered that this **** black card of Huaxia Bank! Only a big guy with a worth of more than 100 billion will have it, and the shameless young man in front of him actually gave himself a black card!

When Li Ran saw this scene, he held his arm and laughed at that moment: “Yeah, this forced you to pretend. It's a top Maybach, 3.5 million yuan. Do you have this money? Hillbilly!”

Chapter 239: Payment Successful

Chapter 239

Li Ran and the female salesperson are not women who have seen big scenes, and Li Ran and her boyfriend obviously don't know the black card.

They thought that Lin Kai just took out an ordinary bank card to pretend that they didn't believe that there was money in that bank card.

Li Ran hugged her arms with an acrimonious look. Originally, her appearance was quite outstanding, but her current face made Lin Kai feel sick when she saw it.

The saleswoman also looked high above her, she was even ready to ask the security guard to chase out Lin Kai and the others at any time.

Want to buy a Mercedes-Benz Maybach? How many poor students? Hehe, why don't you go to heaven?

Only Manager Wang showed a look of horror. If this black card is true, then the identity of the young man in front of him is absolutely terrifying!

At this time, Manager Wang did not dare to neglect, and quickly ordered the female salesperson: "Quick! Get the credit card machine!"

The female salesperson was taken aback for a moment and was a little surprised at Manager Wang's attitude. How could Manager Wang be so polite to these hillbillies?

"Manager, they are just a few hillbillies and can't afford..."

The female salesperson hadn't finished her words, but Manager Wang's face changed drastically, and she angrily said, "If you let you go, go quickly!"

The saleswoman was so scared that she shivered all over, and she didn't dare to talk nonsense, so she ran to get the credit card machine.

Li Ran didn't know how to be serious, she hugged her arms and said proudly: "Manager Wang, don't look at them all wearing dogs, they are actually just a few hillbillies. There is no need to be so polite to them.

Since Li Ran and the others are guests, it is natural that Manager Wang is not good at reprimanding them.

Manager Wang smiled slightly: "Hehe, the customer is God, this is our service tenet."

What **** customer is God, you have never seen the world, you dont even know the black card?

Li Ran is very dissatisfied with Manager Wang's service attitude. How many hillbillies do you want to serve?

Soon after, the saleswoman walked over with the credit card machine and handed the credit card machine to Manager Wang.

Manager Wang took the credit card machine and swiped Lin Kai's black card lightly on it, and selected the amount of 3.5 million yuan.

Seeing Manager Wang's serious look, Li Ran couldn't help laughing.

"Puff, Manager Wang, do you really believe that they have 3.5 million? Hahaha!"

As soon as Li Ran's voice fell, only a Ding Dong sound was heard, and a sweet voice came from the credit card machine: "Payment is successful!"

As soon as the words "Successful Payment" came out, the atmosphere in the whole car shop immediately calmed down, and the smile on Li Ran's face gradually solidified.

The female salesperson's dissatisfied expression became dull, and Li Ran's boyfriend's expression became more exciting.

After being quiet for a long time, everyone hasn't reacted from the four words of successful payment.

These four hillbillies actually own 3.5 million? And bought a Maybach?

impossible! Li Ran only felt that his head was dizzy at this time. Who is Xi Dazhuang that she doesn't understand? Pauper, can he have the money to buy a Maybach?

Could it be his cousin?

Li Ran looked at Lin Kai. Lin Kai's clothes are very ordinary, but he can get 3.5 million yuan with one shot. Is it possible that he is a rich second-generation cousin?

These people are so glamorous and beautiful, is it possible that their cousin who likes to be big and strong bought it?

In this case, isn't Xi Da Zhuang getting a big money?

Li Ran's face became difficult to look at. He bought a BMW 6-series, and he was complacent in front of Xi Da Zhuang, and laughed at them for not being able to afford a BMW.

Now it seems, how can they not afford a BMW? What they want to buy is a car worth more than 3 million!

Now they bought a Maybach with a price of 3.5 million. That was Li Ran's boyfriend's salary for more than three months!

Li Ran couldn't accept the breaking news for a while. For a while, she felt dizzy and almost fainted on the ground.

As for the saleswoman, her face was pale at this time.

She obeyed Li Ran's words, thinking that these people were just hillbillies, so the attitude was so bad.

But now, where are they hillbillies? They can be said to be the top rich second generation in the Yanjing circle!

At this time, the saleswoman's body was trembling, she knew what would happen to offending a rich second generation of such a status.

At the slightest, she lost her job, but at the worst, her family could not survive in Yanjing!

At this time, the female salesperson was very regretful, why should he listen to Li Ran's words? If you treat them with a better attitude, you can now not only get a commission from Maybach, you might even get a promotion and a salary increase!

Now that I have done a stupid thing in front of my manager, I must have left a bad impression in my manager's heart. If I want to be promoted and raise salary in the future, it will be even more difficult!

After seeing the successful payment page, Manager Wang was very excited. This black card is actually real!

At this time, Manager Wang began to rejoice in his decision. Fortunately, he treats them with respect, otherwise he has offended a predator now!

Compared with the commission obtained from selling a Maybach, Manager Wang is even more happy that he knows a black card user. In Yanjing, there are probably only one or two black card predators.

And I know a black card predator, it is a great blessing in life!

At this time, Li Jiaqi, who was traveling with Lin Kai, was also a little dazed, but they knew that Lin Kai was rich, but they didn't expect Lin Kai to be so rich, spending 3.5 million yuan without blinking.

What kind of person is this new roommate yourself?

At this moment, I saw Manager Wang rushed forward and held Lin Kai's hand, his emotions were agitated.

"Sir, I am very fortunate that you can choose our Yanjing Motors. This Maybach has powerful performance, atmospheric interior and comfortable seats..."

Before Manager Wang had finished speaking, Lin Kai interrupted him impatiently:
"Okay, I see."

Manager Wang was taken aback for a moment. You must know that every customer who came to buy a car had to ask carefully before paying for the car.

Lin Kai didn't want to know this Maybach?

"Sir, this Maybach is a 3.5 million luxury car with many functions. Don't you need to know more about it?" Manager Wang asked.

Lin Kai glanced at Manager Wang and said faintly: "If you buy a bottle of mineral water in the supermarket, do you still need to look at its ingredients and formula? Do you still need to study whether the minerals in the water are enough?"

After hearing Lin Kai's words, Manager Wang wanted to slap himself, yes! People are black card users, buying a Maybach is similar to buying a bottle of mineral water in the supermarket!

Chapter 240: Black Card Holder

Chapter 240 Black Card Holder

Although feeling very uncomfortable in his heart, Li Ran hugged his arms and said sourly: "It's really bragging, a 3.5 million car is about the same as a bottle of mineral water? I think it's your life savings, right?"

Although I was very jealous that Lin Kai bought a Maybach, Li Ran still didn't forgive people. Isn't it just a Maybach? In the future, I will grind my boyfriend to buy one!

But Li Ran didn't expect that as soon as she said this, Manager Wang's face changed drastically, and he turned to Li Ran and said angrily: "Miss, please show respect to our customers of Yanjing Motors!"

Li Ran was stunned when he heard Manager Wang reprimand himself. How could Manager Wang reprimand himself for this young man?

He is a customer, isn't he a customer?

"Didn't he just buy a Maybach? He is a customer, aren't we customers? How do you talk?" Li Ran exploded at the time, akimbo, angrily.

Manager Wang didn't persuade Li Ran at all. In order to please a black card holder, what if he offends an ordinary customer?

"What do you know? This gentleman has now become a VIP user of our car dealership, and you are just an ordinary user!" Manager Wang retorted.

“VIP supreme user?” Li Ran looked at his boyfriend. Could it be that three million is different from one million? Can you become a VIP user for three million?

“Why is he a supreme user, but we are not?” Li Ran asked very unconvinced.

Li Ran bought this BMW 6 Series, and at any rate it also spent more than one million yuan, and Lin Hua bought a Maybach for more than three million yuan, so Manager Wang treated it differently?

The female salesperson is also at a loss. Manager Wang treats customers with respect and respect is reasonable, but she doesn't understand how to treat her differently. In order to please a user who spent 3.5 million to buy a Maybach, she offended one who spent more than one hundred million users who buy BMW?

Manager Wang glanced at Li Ran coldly, then sneered: “Ha ha, do you know what this is?”

While speaking, Manager Wang shook the black bank card in his hand.

Li Ran rolled his eyes: “That’s a bank card, why? Is it possible that this bank card can still be the top bank card in the world?”

“Yes!” Manager Wang responded immediately: “This bank card is a limited-release bank card issued by Hua Xia Bank. It is worth less than 100 billion yuan and is not eligible for it at all!”

As soon as this sentence came out, there was another silence on the scene.

This bank card is actually a limited-release bank card issued by Hua Xia Bank? Hua Xia Bank is the largest bank in China, and Hua Xia Bank has a great appeal.

And to become a user respected by Hua Xia Bank, how big does this person come from?

At this time, Li Ran saw a few impressive characters on the black bank card, Huaxia Bank Supreme Black Card.

Supreme black card!

Although Li Ran didn't know the black card, she had also heard of the black card. It turned out that this was the black card!

No wonder Mr. Wang's attitude has changed so much, because the young man in front of him is actually a black card user!

What does this show? This shows that Lin Kai is a top rich second-generation! The family behind him is the one hundred billion family!

At this moment, Li Ran and her boyfriend looked pale. What kind of horrible existence did they provoke?

The Hundred Billion Family wants to squeeze the two of them to death as simple as squeezing two ants!

At this time, Li Ran recalled what he had just said. His face was not only hot and painful, but also scary. What if Lin Kai wanted to retaliate against them?

The saleswoman was also very worried at this time. She was already very scared in her heart. At this time, after hearing Lin Kai's strong background, she was almost scared to pee.

Black card holders!

No wonder the manager has always treated him with great respect, because the other party is one of the few hundred-billion-dollar young masters of Huaxia Kingdom!

She is a small salesperson who offended such a existence, and the other party wanted her to die, and she couldn't speak.

Lin Kai took back his bank card and said lightly: "In this way, you can check for me how much money is still in this card."

Lin Kai said lightly, he remembered that there were more than 500 million in this bank card, but he didn't know how much he spent.

"Okay." Manager Wang picked up the credit card machine and began to check the balance of Lin Kai's black card.

Soon after, there was a mechanical female voice from the credit card machine: "Your account balance is 513.5 million yuan."

After hearing the voice from the credit card machine, Lin Kai curled his lips: "It's only more than 500 million yuan, and the family really doesn't give me pocket money."

After hearing Lin Kai's words, the remaining few people almost didn't vomit blood, only more than 500 million? only?

Lin Kai's roommates opened their eyes wide! They are getting more and more confused about their new roommate.

The 3.5 million luxury car was bought just like a bottle of mineral water. The bank card is still the supreme black card of Huaxia Bank, and there is a balance of more than 500 million in the bank card!

This can no longer be called the ordinary rich second generation, Lin Kai can be called the super rich second generation!

After Li Ran heard the balance of five hundred million, his face instantly paled, five hundred million!

This young man actually has five hundred million! But my boyfriend bought himself a one million car and hesitated for months!

He is the cousin of Xidazhuang. If he didn't break up with Xidazhuang, wouldn't it be easy to ask Xidazhuang to buy himself a Maybach?

At this time, Li Ran felt very regretful. She had known this a long time ago. She would never leave Xi Da Zhuang at the beginning!

And Li Ran's boyfriend's face changed drastically at this time. He knew that Li Ran had offended this rich second generation to death. If he continued to stay with Li Ran, she would definitely drag him down!

Snapped!

With a clap, Li Ran's boyfriend slapped Li Ran fiercely, and said angrily: "Smelly bitch! Do you dare to mess with anyone? Let's break up! I'll drive the car, you don't deserve it!"

After that, Li Ran's boyfriend bowed deeply to Lin Kai again: "Master, it was my dog who looked down on people just now. I'm sorry, please forgive me."

Lin Kai glanced at him lightly, and said, "Go away."

"Thank you, thank you..." The middle-aged man was overjoyed when he heard the words, and after a few bows, he crawled out of the car.

Li Ran was dumbfounded.

It's all right now. Not only did he not scream in front of Xi Da Zhuang, but his boyfriend ran away. He pleaded for the BMW car for months, and he drove away!

The bamboo basket was empty!

At this time, Li Ran's mood was very complicated. For a while, she only felt that the sky was dim, and that there was no fun in being alive.

The boyfriend abandoned himself because his ex-boyfriend's cousin was too powerful! And the ex-boyfriend has become a big girl, and she has become a woman that both sides hate!

Chapter 241: Let's Make Up

Chapter 241

Li Ran was dumbfounded, she was really dumbfounded, for the first time she felt so helpless.

The big money that finally came to me was afraid of offending my ex-boyfriend's cousin and ran away!

And his seemingly worthless ex-boyfriend actually has such a powerful cousin, the owner of a black card, with a balance of 500 million in his bank card!

The most important thing is that he is still a **** handsome young man!

Xi Da Zhuang has such a cousin, it can be said that he has no worries about food and clothing in the second half of his life. Although he cannot become the top rich second generation like his cousin, he is at least one with an annual income of hundreds of millions.

It would be great if he hadn't left Xi Da Zhuang, Li Ran felt very regretful.

At this time, there was another person who was more worried than Li Ran's. She was a saleswoman.

The female salesperson's intestines are almost regretful at this time. She knew that these people were so big, and she would not dare to underestimate them after killing them!

It's fine now, and all the credit has been taken by Manager Wang alone. Not only did she not get the benefits, but she also offended a top rich second generation!

Once, there was an opportunity to climb to the sky in front of me. I didn't cherish it. I regretted it until I lost it. This is the truest thought of the female salesperson.

After Lin Kai made the payment, he signed the contract and got the key to the Mercedes-Benz Maybach.

This is a top Maybach with 3.5 million yuan. For Lin Kai, this is not a top luxury car, but it is enough to shock college students.

Before leaving, Li Ran finally couldn't hold back anymore. He cried when she heard her wail, and Li Hua brought the rain directly to Xi Da Zhuang.

Xi Dazhuang hugged Li Ran, feeling the tenderness in his arms, and Xi Dazhuang moistened his eyes.

In the past, Li Ran was so dependent on him to act like a baby, but now he is a nonsense, Li Ran is no longer the Li Ran he used to be, and Xi Da Zhuang is no longer the Xi Da Zhuang before.

"Da Zhuang, I regret that Da Zhuang, you are really good to me, shall we reconcile? Will you?" Li Ran's tears wetted Xi Da Zhuang's clothes.

Lin Kai also looked at Xi Da Zhuang, and his heart suddenly hurt. The little things he had had with Li Ran came to mind.

How he wants to nod in agreement!

But he knew that it was impossible for him and Li Ran. The two were destined to walk on different paths.

Rather than relying on Lin Kai's money to get them together again, it is better to walk unrestrainedly and leave a good impression on each other forever.

Xi Dazhuang pushed Li Ran away, shook his head, and stretched his tears: "Sorry, we are not suitable."

This sentence is inappropriate for Li Ran, making Li Ran feel that the world has collapsed. She squatted on the ground and started crying.

How could this be? This man who always obeys himself? When did you become so assertive?

Even if you feel uncomfortable, you still have to refuse yourself?

Li Ran now has nothing left.

Xi Dazhuang got into Maybach's co-pilot, covered his face, and started to cry.

Lin Kai smiled slightly and glanced at the female salesperson. At this moment, the female salesperson was also standing in the corner shivering. After seeing Lin Kai actually looking at her, her eyes did not dare to meet Lin Kai. .

Lin Kai didn't have a good impression of this woman either. When he waved, Manager Wang came to Lin Kai like a pug.

“Sir, please speak.” Manager Wang respectfully said.

“That woman, open it.” Lin Kai said lightly.

“Okay.” Faced with the order of a black card holder, Manager Wang didn’t dare to disobey.

“You, got fired, pack your things and go!” Manager Wang scolded angrily at the female salesperson.

The female salesperson heard this, with a buzzing in her head, she seemed to be struck by five thunders, and she collapsed on the ground.

She is an old employee of this car dealership, a five-year old employee! The benefits of this car company are also very good. Seeing that I was about to be promoted, I was actually fired?

Yanjing as a whole, with a degree like her, it is even more difficult to find a job with such a good salary!

All this is because of that young man!

The saleswoman was dumbfounded, she sat on the floor and cried bitterly, washing her face with tears.

Lin Kai shook his head and smiled and sat in the Maybach. The Fatty and Siyan also sat in the Maybach. As soon as they stepped on the gas pedal, the four of them drove out of the car shop.

Along the way, the three people were as novel as Grandma Liu entered the manor. Looking at everything in the car, Li Jiaqi stroked the interior of the car and curled his lips.

“For the first time in such a high-class car, it’s good to have money!”

Li Jiaqi’s face was full of sighs, and everyone else was in the same situation as Li Jiaqi.

Soon after, a brand-new Maybach had driven to the gate of the school. Along the way, countless people were watching this brand-new Maybach. The 3.5 million luxury car was domineering. It drove to the gate of the university. The little beauties stopped to watch.

Lin Kai glanced through his own gaze and saw a Mustang sports car in the school.

And beside the Mustang sports car, stood a young man, who looked like he was also a student of the University of Science and Technology. He was about twenty-two and

three. He was about 1.75 meters tall. He was neither handsome nor ugly, with a popular face.

Mustang?

Lin Kai smiled playfully. The college students who are going to university can afford Mustangs, indicating that their family background is pretty good.

A sum of tens of thousands of dollars is estimated to be his limit. He is not a top rich second generation, just a general rich second generation.

The price of the Mustang is between 300,000 and 600,000, which is a relatively affordable sports car.

There is such a sentence online.

You say he has money, he drives wild horses, you say he has no money, he drives wild horses.

The Mustang is a sports car with a low price, but college students can afford to drive a sports car.

Soon after, Lin Kai's eyes lit up, and he saw an extremely pure girl walking out of the school.

Not tall, about 1.6 meters, but the figure is very good, especially the bust, very eye-catching.

A baby face with some fat babies on her face, very cute, she is simply a legal loli, no wonder the fat Li Jiaqi is so obsessed with her, such a girl is indeed the best, worthy of the school flower.

At this time, the fat man sitting in Maybach also saw the school flower Huang Meng. After seeing Huang Meng, the fat man's eyes lit up and looked over attentively.

Lin Kai's hearing is too ordinary, even if it is tens of meters away, Lin Kai can hear clearly.

The First Young Master of Yanjing was holding a bouquet of roses in his hand. After seeing Huang Meng, his eyes lit up and he walked directly over.

Huang Meng looked listless, but after seeing the Mustang sports car, Huang Meng finally lighted up.

Although he ran away from the second generation of Li Jiaqi's super rich and rich, there is still a Yanjing No. 1 young man. Although he is not very handsome, he can afford to drive a Mustang.

The two chatted at the door, and Huang Meng's face finally showed a bright smile. Yanjing First Young Master opened the door of the Mustang and wanted to invite Huang Meng into the sports car.

But at this time, the fat man finally couldn't help it, and patted Lin Kai on the shoulder, Lin Kai happily understood and drove over.

At the same time, Xi Dazhuang on the side clenched the box in his hand. Inside the box was one million cash.

Chapter 242: Help The Fat Man Find His Dignity

Chapter 242: Help the Fatty Regain His Dignity

Just as Huang Meng was about to get into the Mustang, there was a muffled bang and saw a Mercedes-Benz Maybach driving into the campus.

As soon as the brand new Mercedes-Benz Maybach drove into the campus, it immediately attracted the attention of most students. In the school, there are few luxury cars of this level.

After all, the school is a place where students gather. The rich second-generation students in TV dramas drive in and out of the campus in tens of millions of luxury cars, but where are there so many top rich second-generations?

Generally speaking, the top rich second generation is relatively low-key, because the more senior the family, the higher the education.

Only the sons of nouveau riche families will drive in and out of campus in luxury cars.

Therefore, luxury cars are relatively rare on campus, and only five to six hundred thousand BMWs and Mercedes-Benz Volkswagen luxury cars can be seen.

And Lin drove this three-million-dollar Mercedes-Benz Maybach, which is rarely seen in schools, especially the brand-new Maybach, which attracts everyone's attention.

Huang Meng, who was just about to sit in the Mustang, stopped uncontrollably after seeing the Maybach, and there was a trace of envy in his eyes looking at the Maybach.

What surprised everyone was that this Maybach actually parked next to the Mustang.

A Mustang with three to four million dollars and a Maybach with more than three million dollars were parked together, immediately showing an astonishing gap!

In front of the Maybach, the Mustang looks so old-fashioned like Wuling Hongguang parked next to the BMW.

At this time, the co-pilot opened with a click, and Xi Dazhuang got out of the car.

Everything is proceeding according to the plot in the script. Xi Da Zhuang looks very big. Lin Kai chooses a fitted suit for him, wearing bright leather shoes on his feet, a pair of sunglasses on the bridge of his nose, and his hair is cramped. Liang, looks like a mob in a suit.

Like to be strong?

After seeing Xi Da Zhuang, Huang Meng was stunned. Isn't this his classmate Xi Da Zhuang? When did he dress so well?

The car door opened again, and Four Eyes walked down from the back seat. Four Eyes itself carried an insignificant breath, but after the hairstyle was repaired, he put on a fitted suit and a briefcase in his hand. It looks very much like a secretary.

And Siyan also played the role of secretary. He opened the door for the fat man on the side, and saw the fat man walk down from the Maybach.

The fat man wore a casual suit, a golden necklace around his neck, his hair fell backwards, a golden watch on his wrists, and his eyes were covered by his hands to prevent the fat man's head from hitting the roof of the car.

Fatty? Li Jiaqi?

Huang Meng was dumbfounded at this time, the fat man actually made it now? Maybach are all seated? The people around you ascend to heaven following the chickens and dogs?

Huang Meng's eyes were full of envy, while Yanjing No. 1 Young Master looked at him blankly, with hatred in his eyes.

He knew Fatty naturally. Before, Fatty was a small character he could easily handle, but now, Fatty's temperament and dress make him afraid to put a fart in front of Fatty.

After seeing the appearance of the fat man now, Huang Meng saw an envy in his eyes. Is this still the obscene fat man before?

The fat man now is obviously a top rich second generation! Who can afford a Maybach?

“Li Jiaqi?” Huang Meng couldn’t help but cried out.

The fat man stopped by Huang Meng’s side and glanced at Huang Meng, with a playful smile on his mouth: “Yeah, isn’t this Huang Meng? I found a new boyfriend? Driving a Mustang, not bad.”

Huang Meng was dumbfounded at this time, she didn’t know what kind of attitude she should use to face the fat man.

“Jiaqi, I...” Huang Meng grabbed the corner of the fat man’s clothes, and when he wanted to speak, he was stopped by the fat man’s hand.

“Jiaqi? Call me so kind?”

“I remember when you came to your aunt before, I ran to the supermarket in the middle of the night to buy sanitary napkins and sent them to your dormitory. You didn’t even say thank you.

“You are thirsty and want to drink water. On a hot day, I ran so far to buy you ice water.”

“You want a gift live, I will recharge my one month’s meal money and give you a gift.”

“But in the live broadcast room, I was actually ridiculed by you mercilessly.”

“Now I understand, Lao Tzu is just a licking dog!”

“I don’t want to hide it, my cousin, Yanjing’s top rich second generation, I want tin foil hot, I want to be a scumbag, I want to harm the waves!”

At this moment, Lin Kai quietly appeared next to Maybach and smiled at the fat man.

There was a feeling of pride in the fat man’s heart. When he said these things, he felt a feeling of pride in his heart!

Huang Meng, the school flower of the University of Science and Technology, right? Don’t you laugh at yourself when you dismiss it? Looking at Huang Meng’s face with regret now, Fatty’s heart felt so **** refreshing.

“Don’t you like money? Come, you see what it is.” The fat man waved his hand, snapped his eyes and placed the box in his hand on the Maybach.

The box opened, and the red banknotes immediately appeared in front of everyone!

There are a million!

After Huang Meng saw the one million banknote, his eyes lit up. Is it possible for Li Jiaqi to use this million to smash herself?

Even if it's a bit shameful, one million can make you cool for a long time!

With a snap, the fat man closed the box unexpectedly, and smiled at Huang Meng.

“Think I would use money to hit you, right? You think too much! I just want you to see that you didn't respond to me in the first place, but I will let you not afford it in the future!”

After saying this, Four Eyes put the box directly into the Maybach, and then the fat man shook his head and sat in the Maybach.

Siyan and Xi Dazhuang also sat in the Maybach, and Lin Kai came to Huang Meng's face and smiled slightly.

Huang Meng looked at Lin Kai. She knew that the fat man was able to blend like this because of Lin Kai, the top rich second-generation Yanjing.

Moreover, it seemed that Lin Kai was also handsome, so rich, Huang Meng showed a pitiful appearance at the time, and any man would have a strong desire to protect himself.

“Don't bother the fat man in the future. Since you don't like him, please give him despair.” Lin Kai smiled slightly and turned around to leave.

But Huang Meng grabbed the corner of Lin Kai's clothes at this time, and Chu Chu said pitifully, “Then what... I... Can I add you a WeChat?”

Lin Kai was stunned when he heard the words. Want his WeChat?

Isn't this woman too big? Hit yourself all your ideas?

Lin Kai patted Huang Meng's hand and shook his head with a smile: “Sorry, I don't like to worship golden girls.”

Having said that, Lin Kai got directly into the driving seat of the Maybach and left happily.

Huang Meng directly squatted on the ground and sobbed softly. In her heart, it was a regret. She had known that Fatty had such an awesome cousin. She would never treat Fatty as a spare tire!

No, Fatty is not her spare tire at all, just a silly fork who can do everything for her by acting like a baby.

Chapter 243: Crow Skills

Chapter 243 Crow Skill

Ten minutes later, the car drove to the door of the boys' dormitory. The fat man slapped the seat fiercely, a relief on his face.

"It's so **** cool! I won't lick a dog anymore, let Huang Meng regret it for the rest of my life!" said the fat man angrily.

Although Lin Kai could still see that Fatty's eyes were a little bit unwilling, Lin Kai knew that Fatty had already figured it out. After all, he and Huang Meng were from two worlds. Even if they get together, they will definitely be unhappy in the future.

At this time, Xi Dazhuang patted Lin Kai on the shoulder, and said, "Lin Kai, you helped us so much today. Tomorrow night, our brothers must invite you to dinner. Don't refuse! To refuse is to despise us. Three buddies!"

Lin Kai smiled and nodded: "Okay, we're in the dormitory, let's go down, I still have something to deal with."

After the three of them greeted the fat man, they got out of the car, while Lin Kai drove the car to a small forest with no one.

Because the reminder to complete the task has been heard in his ear just now, he can receive the reward.

"System system, what is my reward?" Lin Kai asked excitedly.

The system replied feebly: "See it for yourself, don't you have eyes?"

Lin Kai also rolled his eyes, the system is really getting lazier.

I opened the system and found that Lin Kai's attribute points and upgrade points had each added 100 points, and there was also a random extraction ability that had not been used.

Lin Kai was very excited, wondering what magical ability he could extract this time.

"Use the Random Extraction Ability!" As Lin Kai muttered silently, the Random Extraction Ability was already used, and as the light group burst, a series of abilities were revealed in front of Lin Kai.

Tiger extraction ability: extract the bite force and jungle coercion ability, in the jungle, you are the king of beasts!

Morning Glory Seed Ability: To obtain the ultimate climbing ability, the 100-meter building can easily climb up.

Rattlesnake ability: Gain the heat-sensing ability of Rattlesnake. No matter how well the enemy is camouflaged, you can also rely on the heat to find the enemy hidden in a corner.

Crow extraction ability: you can see everyone's recent fortune, only bad luck, not good luck.

These are the four extraction capabilities randomly selected this time for Lin Kai to choose.

Tiger extraction ability has appeared several times. Tiger ability is a relatively powerful melee skill, but Lin Kai feels that he cannot use Tiger extraction ability temporarily.

Rattlesnake extraction ability is actually putting Lin Kai on a pair of heat-sensitive glasses. What technology can do, why does Lin Kai rely on skills?

Lin Kai's ability to extract morning glory seeds is not available for the time being, because Lin Kai has the ability to extract Rage Ape, and Rage Ape can already greatly increase Lin Kai's climbing ability.

Lin Kai is very interested in the ability of the crow to extract it. With this skill, can he go to fortune telling?

It just so happened that this skill can be used by himself now, because Lin Kai has scratched his head in the past few days because of the arrest of perverted murderous monsters, but he has not had any clues.

But with the ability to extract crows, Lin Kai can see the recent luck of each girl, and can also judge whether the perverted murderer will attack the girls at Yanjing University of Science and Technology.

After thinking of this, Lin Kai directly chose the crow extraction ability.

"Choose the crow extraction ability, merge now!"

Following Lin Kai's order, the crow extraction ability began to merge.

And this time, it is Lin Kai's soul, a person's soul, which is the foundation of a person, and both power and speed can reach a higher intensity by modifying the body.

But for the crow to extract its power, it is Lin Kai's soul that needs to be transformed. This kind of thing needs to be carved into the soul.

Soon after, Lin Kai felt a sense of incomprehensibility in his body. It was clear that he was in good health, but the pain that he didn't know where it came from hit the depths of Lin Kai's soul!

This kind of pain is very uncomfortable, ten times more uncomfortable than transforming Lin Kai's body.

Lin Kai couldn't vent at all, he could only relieve his pain by going crazy, slapping, and yelling.

Soon after, Lin Kai was already sweating, not only that, but his clothes were also soaked, and his muscles tightened.

Ten minutes later, with a loud roar, Lin Kai finally completed the fusion.

"Huh..." Lin Kai exhaled a long breath.

There were still a hundred attribute points. After thinking about it for a while, Lin Kai decided to spread the points evenly. After a while, Lin Kai's attributes had changed drastically.

Host: Lin Kai

Age: 19

Sex: Male

Strength: 160

Speed: 140

Reactions: 140

Stamina: 140

Defense: 300

Heart of the strong: 30/100

Skills: God Eye (Silver), Watermelon (Silver), Balloon (Silver), Ganoderma (Gold), Tortoise (Bronze), Mountain Rock (Silver), Yuri (Silver), Furious Spirit Ape (Silver), Rhino sticks to the mountain (Silver), Crow (Silver), Flathead Brother extraction ability (Demi-God level) (not available)

Self-created skills: Ghost Kill (Silver)

Upgrade points: 200

Attribute points: 0

The speed and stamina were increased by 40 points, and Lin Kai's speed, reaction, and stamina were all at 140.

As for the remaining twenty attribute points, Lin Kai added all his strength.

Lin Kai's strength has improved a lot.

Taking a look at his wet clothes, Lin frowned and it was time to take a shower.

Just as Lin Kai was about to leave, Lin Kai suddenly saw a girl sitting on a stone bench in the small forest.

The girl seems to be eighteen or nineteen years old. She should be a freshman this year. She is dressed very ordinary, her clothes are a bit old, and her figure looks a little thin.

She turned her back to Lin Kai and seemed to be eating something. Lin Kai glanced at it, and it turned out to be a steamed bun.

Eat buns?

Is the condition of this little girl so poor?

Just so, try your crow skills.

Since the crow is a creature that repays grief and not good, Lin Kai can only see how bad this little girl is recently, but cannot see when this little girl will have good luck.

Bronze level crow skills, you can see if the opponent will have bad luck recently.

With the silver-level crow skill, you can see what bad things will happen to the opponent.

With the gold level crow skills, you can see what the opponent will be unlucky because of.

God level crow skills, you can choose to erase the bad luck of the opponent.

After turning on the Crow skill, Lin Kai's eyes lit up and looked at the top of the little girl's head, and saw a dark cloud covering the little girl's head. With extremely bad luck, a few large characters were written on her head.

Bloody disaster!

Chapter 244: Bad Luck

Chapter 244

Bloodlight disaster?

Why is there a disaster of blood and light?

Lin Kai couldn't figure it out, his crow skills could only give him so many hints, and Lin Kai didn't know what caused this girl to have the disaster of blood and light.

Lin Kai opened the car door, walked on, and slowly approached the girl.

And the girl suddenly put down the bun in her hand and walked slowly towards the artificial lake.

Ok?

Lin Kai was confused, what did she want to do?

At this time, Lin Kai saw that the bad luck on her head had become so strong that it seemed to be about to materialize, and saw that she came to the side of the artificial lake, leaped, and with a puff, she jumped directly.

"Damn!"

Lin Kai patted his thigh, no wonder there was a disaster of blood and light, so he wanted to jump into the lake!

Lin Kai dashed over and jumped into the artificial lake with her.

The artificial lake is about two meters deep. Once a person who can't swim jumps, it's very dangerous. Under the water, Lin Kai saw that the girl's mouth had begun to bubble, and she looked very uncomfortable. .

She has drowned!

Lin Kai swims over, hugs the girl, and carries her back to the shore.

Putting the **** the ground, Lin Kai saw that the girl's wet clothes had been tightly attached to her body, and the clothes she was wearing were also revealed. Although the girl was thin, her figure was quite predictable.

She was pale, coughing constantly, and mouthfuls of lake water were sprayed out by her.

Lin Kai also helped her press her chest. After a while, the girl regained consciousness.

As soon as she opened her eyes, she saw the same wet Lin Kai, and she subconsciously covered her chest: "You...who are you?"

Lin Kai glanced over her head. Although the bad luck was still heavy, the words "Bloodlight Disaster" had disappeared.

"Classmate, why did I commit suicide by jumping into the lake? Isn't it good to be alive?" Lin Kai wiped his face and asked.

The girl was silent, she knew that she had been rescued, and in her heart, she was actually somewhat fortunate.

She couldn't think of it and jumped into the artificial lake, but after jumping down, she immediately regretted it and died. What should mother do? What about dad?

"My problem, you don't know." The girl sat up, her little face cold.

Lin chuckled and said, "Then please consider your parents. Since you have nothing to do, then I won't bother you."

Lin Kai smiled slightly and got up to leave.

She will not commit suicide again.

As soon as Lin Kai took two steps, the girl suddenly stopped Lin Kai.

"Thank you, my name is Zhou Shuang, what is your name?" the girl asked, looking at Lin Kai's back.

Lin Kai replied: "Lin Kai."

Lin Kai walked away gradually, got on his Maybach, and drove out of the small forest.

This was just an episode that Lin Kai encountered. After returning to the dormitory, Lin Kai took a shower, took a good shower, put on clean clothes, and fell asleep on the bed.

Today, with an extraction skill, Lin Kai felt that he was very tired, so he fell asleep directly after lying on the bed.

Early the next morning, Lin Kai woke up early, went to the cafeteria for a meal, and returned to the classroom.

His deskmate is still Lin Panshuang. Lin Panshuang is wearing a beige dress with exposed shoulders and a little pink on his face. The whole is very pure and lovely.

When she saw Lin Kai came to the classroom, her eyes lit up and said, "Lin Kai, do you still know that you came to class? Have you missed class a few times? Teacher Liu Qiong called you! Teacher Liu Qiong is very angry, and the consequences are very serious. serious!"

Lin chuckled, and chatted with Lin Panshuang casually. This little girl seemed to like Lin Kai very much, and her mouth kept talking.

But Li Gang didn't say a word in the corner, but could only stare at Lin Kai's back.

This class was Liu Qiong's class. After a while, Liu Qiong came to class. After seeing Lin Kai, Liu Qiong clearly frowned, but didn't say much.

After class, Liu Qiong said: "Others are over, Lin Kai, come to my office."

After all, Liu Qiong walked out of the classroom, Lin Kai touched his nose, and could only follow.

Soon after, Lin Kai followed Liu Qiong to her office.

Liu Qiong is wearing a pair of black translucent stockings today. Her beautiful legs are very slender, neither thin nor fat. After putting on the stockings, they look very silky.

She sat on the office chair, raised her legs, her high heels nodded slightly, and the professional suit on her upper body also brought out the maturity of a thirty-year-old woman.

Liu Qiong looked at Lin Kai and pushed the glasses on the bridge of his nose with a serious face.

"Lin Kai, as soon as I transferred to school, I learned to skip class, right?" Liu Qiong asked very harshly.

"Other teachers don't care so much, but I am different. The students I teach by Liu Qiong must all be academic elites. No matter if you have enough credits, you have to teach me honestly."

"Why skip class? Say." Liu Qiong asked seriously.

Lin Kai also laughed helplessly in his heart. His mission is a secret mission. He can't tell Liu Qiong that he is here to catch a perverted murderer, right?

"So what, teacher, I had something yesterday." Lin Kai touched his nose and said.

Liu Qiong's face became cold at once: "Is something wrong? Don't you know if you have something to call the teacher? Do you know how worried the teacher is about you?"

Lin Kai's heart was still warm after hearing Liu Qiong's words. It seemed that Liu Qiong was a very responsible teacher.

Lin Kaigang wanted to speak, but suddenly a dark cloud floated above Liu Qiong's head, and bad luck was overwhelming!

Although the bad luck on Liu Qiong's head is not as bad as the bad luck on Zhou Shuang's head, it seems that she will encounter very bad luck recently.

At this time, the four big characters were displayed on the top of Liu Qiong's head, threatening and tempting.

Intimidation? Lin Kai was slightly taken aback, what does this mean?

"Lin Kai, I'm talking to you, what do you think?" At this moment, Liu Qiong pushed Lin Kai, and Lin Kai reacted.

"Ah? Oh, teacher, let me tell you something." Lin Kai swallowed and said.

Seeing Lin Kai's mysterious look, Liu Qiong was also curious. She leaned over and asked, "What's the matter?"

Lin Kai lowered his voice and said, "As far as I know, you will encounter something very unfortunate recently."

Lin Kai just said this, after Liu Qiong was shocked, her pink fist slammed directly over.

"Good boy, even the teacher dare to molest, right?" Liu Qiong said, and went to punch Lin Kai's chest.

But one of her feet was unstable, and she fell directly, hurriedly and directly. She grabbed Lin Kai's shirt and only heard a stab. Lin Kai's shirt was torn at the time, and her strong muscles were immediately exposed to the air. .

Chapter 245: Liu Yuxuan

Chapter 245: Liu Yuxuan

Fortunately, Lin Kai had quick eyes and quick hands. At the moment Liu Qiong fell, Lin Kai directly hugged Liu Qiong's waist with his arms, and this did not make Liu Qiong fall to the ground.

Liu Qiong's eyes widened. She and Lin Kai looked at each other. Lin Kai's male masculine scent sprayed on her small face, coupled with Lin Kai's strong and powerful chest muscles, giving Liu Qiong an unprecedented sense of security. .

"Teacher, are you okay?" Lin Kai asked with a tilted head and a smile.

"Huh?" Liu Qiong reacted and hurriedly struggling out of Lin Kai's arms: "It's okay, thank you."

Liu Qiong's face was already a little red. For a moment, Liu Qiong actually felt that it was not an eighteen or nine-year-old boy who was holding him, but a mature and wise uncle.

The appearance of the boy, the soul of the uncle.

At this time, Liu Qiong realized that Lin Kai's shirt had been torn by herself, and a big hole was pulled out. Lin Kai's abdominal muscles and chest muscles had been exposed in front of Liu Qiong.

After seeing Lin Kai's perfect figure, Liu Qiong's heart jumped. Lin Kai's powerful figure and handsome face made her 30-year-old woman actually want to eat tender grass. feel.

If I am ten years younger, I will chase him!

Just as Liu Qiong was thinking about getting into trouble, a knock on the door sounded, and a middle-aged man's voice sounded.

"Teacher Liu Qiong, are you there? This is Ren Zhengfei."

Ren Zhengfei! The vice president of the University of Science and Technology is also a staff member. Why is he here now?

Liu Qiong panicked for a while. She glanced at Lin Kai. If the vice principal saw Lin Kai's clothes, how should she explain?

Alone men and widows live in the same room, and Lin Kai's clothes are torn by himself. Even if they don't care about themselves now, but the rumors spread, Liu Qiong's face will be blank.

Lin Kai also noticed Liu Qiong's panic, Lin Kai didn't care, he was not afraid of the shadow leaning.

Now the vice-principal had blocked the only exit of the office. Lin Kai couldn't get out at all. Liu Qiong was in a panic and saw a huge bookcase beside him.

It happened that the old books inside were emptied by Liu Qiong, just enough to hide another person, so Liu Qiong pushed Lin Kai towards the bookcase.

“Lin Kai, hide in, wait until the vice principal is gone, you will come out again.” Liu Qiong said very anxiously.

Lin Kai was pushed into the bookcase in a confused manner. Lin Kai’s body was curled up in a grid of the bookcase. Fortunately, the space in this bookcase was huge and the baffle could be folded, otherwise Lin Kai could not hide it at all.

After hiding Lin Kai, Liu Qiong tidied up her clothes, went to the door of the office, and opened the door.

Ren Zhengfei was a forty-year-old middle-aged man, wearing a dark gray suit with sparse hair and a popular face. He frowned and walked in.

“Why is it so slow to open the door?” Ren Zhengfei asked with a frown.

Liu Qiong showed a polite smile: “I am correcting the student’s test paper.”

At this time, a young man walked out from behind Ren Zhengfei. He was twenty years old. He was wearing an Armani suit, a golden Patek Philippe watch on his wrist, and a fancy necklace on his neck.

He fiddled with his hair and swaggered into the office.

After seeing Liu Qiong, his eyes were obviously squinted, and the corners of his mouth showed a smirk, and he slammed directly to the office door.

When Ren Zhengfei faced this one, he was like a pug.

“Shao Liu, please sit down.” Ren Zhengfei personally pulled out a chair for the young man and let the young man sit on the chair.

I saw the young man leaning Erlang’s legs, lit a cigar in front of Ren Zhengfei, and smoked it, while the vice principal Ren Zhengfei stood behind him like a little brother.

After seeing this young man, Liu Qiong frowned. She naturally knew this young man. Her name was Liu Yuxuan, a very famous second-generation rich Yanjing.

Dad is Yanjings largest real estate developer and is well-known throughout China, Dongqiang Real Estate.

Lin Kai, who was hiding in the bookcase, saw all this clearly. What did the vice-principal mean with a young man?

At this point, the vice principal finally spoke: "Mr. Liu Qiong, your internship period is about to end. After this month, you will no longer be an intern teacher."

After hearing this news, Liu Qiong jumped up happily, very happy: "Really? Thank you, the vice principal!"

"Don't be too happy, there is better news to tell you." The vice principal smiled mysteriously: "This is Shao Liu, I guess you know him too?"

Liu Qiong looked at Liu Yuxuan, frowned, and nodded: "Yes."

Liu Yuxuan had pursued her many times before, but she refused. She originally thought that Liu Yuxuan would disappear, but she didn't realize that she saw Liu Yuxuan again today.

"Liu Shao's house is the largest real estate developer in Yanjing. I will accompany Liu Shao for a drink in the evening, and I will transfer you directly to the key class as a professor, and my salary will triple!"

After listening to the vice principal's words, Liu Qiong's eyes widened. Unspoken rules?

This is the first time Liu Qiong has encountered the unspoken rules, and the person who proposed the unspoken rules is still a student ten years younger than him.

Although the temptation of promotion and salary increase is great, Liu Qiong is a woman with a bottom line, and immediately her small face is frosty and she shook her head to refuse.

"Vice principal, I didn't expect you to be such a person. Do you think I would give up my bottom line for money?"

Seeing Liu Qiong's change of face, the vice principal smiled and said, "Haha, I didn't say that you would give up the bottom line, but I just asked you to have a drink with Liu Shao."

"Do you really think I don't know anything? If I really drank that glass, I'm afraid I would be unconscious immediately?" Liu Qiong asked coldly.

Ren Zhengfei glanced at Liu Yuxuan, Liu Yuxuan touched his chin and smiled:

"Hahaha! I understand, don't I just want money? Here you are!"

Liu Yuxuan took out a bank card from his pocket and threw it in front of Liu Qiong.

"One hundred thousand, drink with me once, not too much, right?"

Liu Yuxuan touched his chin with a confident expression. Is there a woman in this world who doesn't love money?

One hundred thousand driving is enough for her to buy a car. The price is only to sleep with her. Liu Yuxuan feels that she will definitely agree to her.

Liu Qiong looked at the bank card, her face even more ugly, Liu Qiong was slightly angry: "Student Liu Yuxuan, please show respect to the teacher, I am a teacher! Not a prostitute!"

After hearing Liu Qiong's words, Liu Yuxuan raised his eyebrows, took out another bank card from his pocket, and threw it in front of Liu Qiong.

Chapter 246

He said lightly: "One million."

This is a million! Liu Yuxuan believes that no woman can withstand the temptation of a million!

Just sleep with him to get one million. I'm afraid there is no such good thing in the world, right?

Liu Yuxuan has some special hobbies. He doesn't like tender models or college students. He only likes young women like Liu Qiong.

Especially the best young women like Liu Qiong made him linger. He vowed to take Liu Qiong, no matter how stubborn Liu Qiong was!

He had used countless methods to pursue Liu Qiong, but he was rejected. This time, he couldn't bear it, so he used the most primitive and effective method to make it hard!

Smash with money! Strong if you can't hit it! Anyway, Laozi's family is big, you can't win!

After seeing the one million, Liu Qiong's eyes were also moisturized instantly. It was not touched, but Liu Qiong felt that she was particularly wronged, and she felt that her personality had been insulted.

Liu Qiong is a relatively feudal woman. She can't accept that she uses her body to exchange money. She has her own bottom line.

"Get out! Take your stinky money, get out!" Liu Qiong said angrily.

With a click, Liu Qiong picked up the glass cup on the table and slammed it directly on the ground.

As soon as the water glass was smashed, a lot of glass shards splashed on Liu Yuxuan and the vice principal. Liu Yuxuan was not a good offender at first. At this time, his eyes narrowed and his heart started to get angry.

Seeing that Liu Yuxuan's face was wrong, the vice-principal scolded Liu Qiong angrily: "Liu Qiong! Do you really think of yourself as a green onion? Liu Shao is attracted to you, that is your blessing!"

"As long as you match Shao Liu for one night, you can not only get a promotion and raise your salary, but you can also become the top rich wife of Yanjing!"

"Do you know what Shao Liu's family is? The son of the chairman of Dongqiang Real Estate! No one in Yanjing can provoke Shao Liu!"

"If you are acquainted and stay with Shao Liu for one night, you can talk about anything. If you don't accompany, hehe..."

The vice principal suddenly sneered: "I heard that your father has disabled legs and can't work. Your family depends on your mother to make a living. You also have a younger brother who is in college, right?"

As soon as the vice-principal said these words, Liu Qiong's expression changed: "You...what do you want to do? Don't threaten me with my relatives!"

Liu Qiong's tears fell unconvincingly, and it was a pear blossom with rain that was crying, so pitiful.

Why is he working so desperately? It is to relieve the burden of my mother, and to make my brother graduate from university smoothly.

But the vice-principal and Liu Yuxuan actually threatened her with her family. Apart from anger, there was only despair in her heart.

What should I do? Who else can help yourself at this time? Do you want to compromise?

Liu Yuxuan took a sip of his cigar and smiled: "Haha, Liu Qiong, it is your honor to be able to see you. I sleep with Lao Tzu for one night, one million, and your family's financial problems can be solved immediately."

The vice-principal also looked at Liu Qiong squintingly.

Liu Qiong has been thinking about it for a long time, but because of his own identity, he is not easy to start.

And this time, if Liu Yuxuan took the shot, he could also follow the oily water, and when Liu Yuxuan got tired of playing, it was his turn.

Thinking of Liu Qiong's various amorous looks, the vice principal's heart was as itchy as a cat scratching.

Liu Qiong started sobbing, and tears of grievance and helplessness fell to the ground. For her personality and bottom line, she would never sell her body.

But Liu Yuxuan and the others used her family to threaten her. Liu Qiong didn't know what to do for a while.

She knew that Liu Yuxuan's family had the power to hurt her family. If she didn't agree to him, he might really hurt her family.

Liu Qiong didn't want her parents to be hurt a little bit, nor did she didn't want her brother to be ruined because of herself!

At this time, Lin Kai, who was hiding in the bookcase, could see what was happening outside through the crack of the door. He had already bitten his teeth with hatred.

There is such a despicable and shameless person in this world?

Liu Yuxuan?

A cold color flashed in Lin Kai's eyes. He had heard of Dongqiang Real Estate. Dongqiang Real Estate was indeed very strong. Compared with Lin's family, it was only weak.

But he did not expect that the young master of Dongqiang Real Estate was such a scum!

Using his power and money, he colluded with the vice principal to unspokenly rule a female teacher!

Liu Qiong was already crying and became a tearful person, she really didn't know how to make a choice.

Liu Yuxuan was already extremely impatient at this time, the beauty was right in front of him, and he was already impatient!

"Have you made a decision?" Liu Yuxuan urged.

Liu Qiong was still sobbing and didn't pay attention to Liu Yuxuan at all.

Liu Yuxuan was really impatient. He glanced at the vice-principal. The vice-principal readily understood, turned and walked out of the office, came to the door of the office, and took care of Liu Yuxuan.

Liu Yuxuan looked at Liu Qiong with a wretched smile on his lips.

And Liu Qiong also thought about what would happen next, she got up from the chair and stepped back until she leaned against the wall.

"You...what do you want to do? Don't mess around!" Liu Qiong said in a panic, helpless.

Liu Yuxuan gave a wicked smile, tore off his tie, and tore open his shirt, revealing his upper body.

He tilted his head and looked at Liu Qiong, smiling with a squinting smile: "Sister Liu Qiong, my brother is thinking that you are not a day or two. You can rely on your brother, and your brother promises to be nice to you."

After that, Liu Yuxuan went to grab Liu Qiong's jade hand, and Liu Qiong yelled in panic, and quickly avoided, but Liu Yuxuan behind him was chasing him!

At this moment, with a muffled bang, Lin Kai finally couldn't bear it and kicked the door of the closet.

"Beast!"

Lin Kai yelled angrily and burst out at a speed of one hundred and forty o'clock. With a stroke, he arrived in front of Liu Yuxuan almost instantly.

Liu Yuxuan squinted seriously and wanted to grab Liu Qiong's upper body, but his two hands caught two stubborn things.

So hard?

Liu Yuxuan looked up and saw a strange man standing in front of him. What Liu Yuxuan grabbed with both hands was actually his chest muscles!

"Damn! Who the **** are you?" Liu Yuxuan was taken aback, scolded and took a step back.

Lin Kai sneered and greeted him with a punch.

"The one who wants your life!"

boom! After the punch, a panda eye appeared directly on Liu Yuxuan's eye socket!

This punch completely stunned Liu Yuxuan. When was there a man in Liu Qiong's office?

Taking a closer look, Liu Yuxuan found that this man was quite handsome. His shirt seemed to be rotten and torn.

Could this man be Liu Qiong's little lover?

Chapter 247: Dead Time Is Up

Chapter 247

Looking up and down at Lin Kai, Liu Yuxuan found that Lin Kai's clothes were nothing more than stalls.

Although he looks a little handsome, he doesn't have the aura of a rich kid at all.

It turned out to be just a pauper.

Immediately, Liu Yuxuan sneered. What if he looks handsome as a hillbilly? He is the eldest master of Dongqiang Real Estate, and wanting to kill this little white face is as simple as pinching an ant.

Touched his cheek, a pain came, and Liu Yuxuan grinned in pain.

"Fuck, do you dare to hit me? Do you know who I am?" Liu Yuxuan said furiously.

At this time, Ren Zhengfei, who heard the movement outside the door, also pushed open the door of the office and rushed in, but after seeing that there was an extra person in the room, Ren Zhengfei was also taken aback.

However, Ren Zhengfei was a good individual. He saw Liu Yuxuan covering his face, and Lin Kai protecting Liu Qiong, he understood what was going on.

"Which class are you a student?" Ren Zhengfei asked.

Lin Kai sneered and said: "You care about which class I am in! Ren Zhengfei, as the vice principal, actually helped the students unspoken female teachers. You are the vice principal of the University of Science and Technology! A beast is inferior!"

After hearing Lin Kai's words, Ren Zhengfei's face turned black.

He thought that what he had done was perfect, and felt that no fourth person would know about this, but he couldn't prevent it, but he didn't expect that there was a person hiding in Liu Qiong's office.

But what about hiding someone? Liu Yuxuan's background is very strong. In the entire university of science and technology, few students dare to offend Liu Yuxuan.

"Do you know who he is?" The vice principal pointed to Liu Yuxuan and asked Xiang Lin Kai.

Lin Kai looked at Liu Yuxuan coldly: "I don't know."

"You don't know Shao Liu? Shao Liu is the eldest master of Dongqiang Real Estate. You dare to spoil the good things of Shao Liu. Are you tired of life?"

"Liu Shao wants you to die. It's just a matter of moving your fingers. If you are acquainted and get out now, Shao Liu can let you go. Otherwise, you will definitely die without a place to be buried!"

Ren Zhengfei said coldly.

Liu Yuxuan's face is also full of pride, what if you are Liu Qiong's little lover? Pauper, I can win love with a sword!

What can you do with me?

Now let you go and wait until I get bored with Liu Qiong in the future, then clean up your kid, dare to beat me? I will make you pay the price of blood!

Liu Yuxuan's eyes were full of complacency, he looked at Lin Kai condescendingly with a look of contempt.

And Liu Qiong hid behind Lin Kai, trembling all over, tears could not stop falling, she gently pulled Lin Kai, and shook her head gently at Lin Kai.

Although she was very grateful that Lin Kai stood up for her, she knew that Lin Kai's appearance was useless!

Liu Yuxuan's background is really too strong. If Lin Kai insists on going against him, he will definitely end up miserably.

Liu Qiong didn't want anyone to be ruined because of herself.

"Lin Kai, you go, leave me alone, you can't beat them..." Liu Qiong's voice trembled.

But Lin Kai was unmoved, looking straight at Liu Yuxuan.

“Young Master Dongqiang Real Estate? Is it very powerful? Can money be used to rob civilian girls? And you, Ren Zhengfei, if you two are not punished by law, where is the way of heaven?” Lin Kai’s eyes were cold, a little confessed. Mean nothing.

Ren Zhengfei narrowed his eyes when he heard the words, and the atmosphere in the entire office immediately cooled down.

Liu Yuxuan and Ren Zhengfei looked at each other. They were doing disgraceful things. They naturally knew that if there is such an insider now, if they don’t deal with it cleanly, it will be very troublesome in the future.

Liu Yuxuan threw the one hundred thousand yuan bank card at Lin Kai’s feet and sneered: “Hehe, don’t you just want money? Take the money and get out of here!”

In Liu Yuxuan’s view, the reason why Lin Kai didn’t leave was because he wanted money.

Seeing that Lin Kai’s clothes are all very old fashioned, obviously they are all street vendors, one hundred thousand yuan, enough to make him chic for a while.

But Lin Kai glanced at the bank card beside his foot, and stepped on it directly.

“One hundred thousand yuan? A lot?” Lin Kai laughed disdainfully.

“Looking for death!” At this moment, Liu Yuxuan couldn’t bear it and stood up with a slap on the table.

“You **** treat me as annoying Liu Yuxuan, right? I’ll let you disappear in Yanjing today!” After all, Liu Yuxuan took out his mobile phone.

When Ren Zhengfei saw this scene, he also smirked and laughed: “Haha, this classmate, toast and drink fine wine, wait for being thrown into the river to feed the fish!”

Ren Zhengfei naturally understood Liu Yuxuan’s methods. Lin Kai repeatedly refused to give Liu Yuxuan face. How could Liu Yuxuan, a big and young man, let Lin Kai go?

After waiting for Liu Yuxuan’s people to come for a while, Lin Kai’s legs were interrupted, but he disappeared forever in this world!

Lin Kai looked at Liu Yuxuan’s call, but didn’t mean to stop him, just watched from the side with an indifferent smile on his face.

Liu Yuxuan made a call and looked at Lin Kai coldly: “You wait! You will regret the choice you made in a while!”

At this time, Liu Qiong finally couldn't stretch herself, she rushed out, protected Lin Kai behind her, and shook her head desperately.

"I beg you, Lin Kai is innocent! He is still a student! Let him go! Please!" Liu Qiong was very emotional at this time.

She can't stand it anymore! She knew that if Lin Kai didn't leave, he would really die in Liu Yuxuan's hands.

Liu Yuxuan tilted his head and looked at Liu Qiong with interest: "What a pair of fateful mandarin ducks! Let him go? Yes, stay with me for one night and he can survive."

As soon as this sentence came out, Liu Qiong was silent again.

Accompany this young master all night? Throw your chastity on the ground and let Liu Yuxuan trample it? Liu Qiong can't do such a thing.

But if she didn't do this, the innocent life of a student would be ended by Liu Yuxuan in front of her!

She hesitated again.

While she was hesitating, she only heard a heavy footstep sounding and the door slammed open. Several strong men in black had rushed in downstairs. These strong men in black were the bodyguards of Liu Yuxuan's house.

Said to be bodyguards, these people were all desperadoes before, and Liu Yuxuan used money to buy them to serve as thugs.

After seeing these thugs rushing in, Liu Qiong was so frightened that he sat on the chair, her eyes blank.

"What to do? What to do?" Liu Qiong was almost frightened at this time, her heart was about to collapse, was she watching Lin Kai die in front of her eyes, or betraying her soul?

After seeing his own person coming up, Liu Yuxuan tilted his head and smiled, and looked at Lin Kai.

"Your death date is here!"

Chapter 248: Director Wang

Chapter 248

Liu Yuxuan is very clear about the strength of his subordinates. Although it is not a retired special force, everyone is a trainer.

And everyone has seen blood in their hands, they are all ruthless characters.

Lin Kai looked so thin and weak, his subordinates wanted to kill him, as simple as killing an ant.

Liu Qiong is really going to collapse at this time. She can't hold on anymore. Even if she sacrifices her body, don't let Lin Kai be ruined by Liu Yuxuan for her life!

Just as Liu Qiong was about to choose to compromise, Lin Kai pulled her behind her and looked at the thugs in front of her with contempt.

"Just these few people?" Lin Kai said disdainfully.

After seeing that Lin Kai's face did not have a trace of fear, and that he was still a little mad, Liu Yuxuan and Ren Zhengfei were a little surprised. Didn't this kid know that he was afraid?

Or does he think that relying on his thin body, he can beat the fierce and strong men in front of him?

"Death is imminent, and so **** crazy, give Lao Tzu a meal first! Then bring Lao Tzu home, I will torture him slowly!" Liu Yuxuan said angrily.

Liu Yuxuan licked his chapped lips. He is just a little addicted. Like young women is one aspect. At the same time, he also likes torturing living people.

The madder Lin Kai is now, the happier he is, because this will increase his desire to conquer!

Several strong thugs sneered, and they all walked to Lin Kai, and his eyes also contained contempt.

Lin Kai's physique looks too thin and weak. A few of them can put Lin Kai's docile order with just one hand, let alone a few of them.

Lin Kai faced the brawny men in front of him, and stood with his hands in a pretended manner.

Liu Qiong was almost crying at this time, she desperately pulled Lin Kai, but Lin Kai was unmoved.

"Lin Kai! Are you crazy? Run! They will kill you!" Liu Qiong yelled anxiously, pushing Lin Kai, but Lin Kai did not move.

“Don’t worry, I will protect you.” Lin Kai said lightly.

After hearing this sentence, Liu Qiong almost didn’t cry in anger. Did your kid watch too much idol drama? Think you can beat ten?

All of these people in front of him were ruthless people who had seen blood. Lin Kai had no chance of winning a student against them!

Just as Liu Qiong was anxious, the thugs had already rushed forward and greeted Lin Kai for a while!

At this time, a magical scene happened, and Lin Kai’s speed suddenly skyrocketed. With a flash, Lin Kai instantly appeared behind those thugs.

A slap lightly patted a thug’s back, with a muffled bang, a thug immediately flew out!

Lin Kai turned around again, kicking a thug!

At this time, Lin Kai was like a wolf entering a flock of sheep, his speed and strength were not comparable to those of the thugs.

Those thugs didn’t know what was going on, they were all brought down by Lin Kai alone.

Ten seconds later, Lin Kai was still standing with his hands behind him, but there was a wailing voice in the entire office.

I saw a few thugs who were still arrogant and domineering just now. At this time, they were all put to the ground by Lin Kai alone. They were covering the injured place on their body. The one that hurts was a grinning grin, and the pain continued.

At this time, Liu Yuxuan, who had a smug smile on his face, was also stunned, and the smile on his face gradually disappeared, replaced by a surprised expression.

What’s happening here? This seemingly thin boy actually fought so many times that he put down so many thugs he had carefully cultivated?

Isn’t this kid’s combat effectiveness too tough?

The smile on Ren Zhengfei’s face also gradually disappeared, and he and Liu Yuxuan looked at each other. No one had expected this kid to be so capable.

In this case, it is not them who control the overall situation, but this kid!

This kid can go out whenever he wants to. After this kid goes out, he can immediately spread the news that Ren Zhengfei and Liu Yuxuan are embarrassed!

Thinking of this, the faces of Ren Zhengfei and Liu Yuxuan changed in unison.

Liu Qiong also stopped sobbing. She was a little surprised. She patted her face and told herself that this was not a dream.

Lin Kai actually defeated these people?

In other words, Lin Kai will not be threatened by these people now?

Lin Kai stood with his hands behind, looked at Ren Zhengfei and Liu Yuxuan, and said lightly: "Is there any means to use, I will convince you all today!"

Liu Yuxuan glanced at Ren Zhengfei, took out his mobile phone, and dialed a phone number in a hurry.

"Hey, Director Wang, this is Liu Yuxuan, please come..."

After a few words, Liu Yuxuan hung up the phone and looked at Lin Kai with a cruel expression.

Ren Zhengfei also had a serious look. He knew that Liu Yuxuan was calling the chief of the police station. It is estimated that in a short time, Director Wang will rush over with someone.

If Lin Kai can't run by then, he will be a dead end!

Now, the most important thing is to stabilize Lin Kai's emotions and not let him run away!

"We have already called Chief Wang of the police station. Let the police station coordinate this matter," said Ren Zhengfei.

Lin Kai sat on the chair and nodded, "Yes."

When Liu Qiong heard this, she was anxious. She pushed Lin Kai and said, "No! Lin Kai, they have a nest of robbers! Let's run!"

Lin Kai pressed the anxious Liu Qiong to his seat and said, "If this matter is not resolved, there will be endless troubles."

Liu Qiong was almost crying at this moment, how can Lin Kai solve it? If he can hit, can he have bullets fast?

He is still too young and thinks he can fight, so he can act like a hero in the movie.

But he did not understand how powerful these powerful people are!

“Lin Kai!” Liu Qiong wanted to say something, but was stopped by Lin Kai’s eyes: “Trust me.”

Under Lin Kai’s eyes, Liu Qiong could only sit down.

What can we do now? Liu Yuxuan always has a way to find you, Liu Qiong accepts his fate.

Liu Yuxuan and Ren Zhengfei sneered when they saw Lin Kai not running.

Young people, they are still too tender. When Director Wang comes, you will know what cruelty is!

As long as you find an excuse at random, you can be caught and locked up for ten or eight years. After you come out, your whole life will be over!

Liu Yuxuan hated Lin Kai at this moment, and he couldn’t wait for Lin Kai to die right in front of him.

Dare to be nosy, or to take care of Laozi’s nosy, I have to make you pay a price that you will never forget!

Ten minutes later, as a sirens sounded, several policemen rushed into the office, and the leading policeman was Chief Wang of the police station.

Chapter 249: Its Easy To Ask Buddha But Its Hard To Send Buddha

Chapter 249

There are five police officers in total. The policeman in the lead is a little blessed, with two beards, small eyes, and a treacherous look.

The four policemen behind him were all strong and equipped with guns around their waists.

The leading police officer is the chief of the police station in the central area of Yanjing, Chief Wang.

After seeing Director Wang coming in, Liu Yuxuan immediately got up to meet him, and grasped Director Wang’s hand.

“Uncle Wang, long time no see!” Liu Yuxuan smiled.

After Director Wang saw Liu Yuxuan, his face also showed a bright smile, Liu Yuxuan is his God of Wealth!

The vice-principal Ren Zhengfei stood aside and smiled slightly. In front of this big man, he had no chance to interrupt.

Although the vice-principal is also a clerk, the chief of the police station is in the hands of the real power. Ren Zhengfei is just a teacher.

Director Wang glanced at the slap print on Liu Yuxuan's face, frowning, "Yuxuan, what's the matter with your face?"

When it comes to the palm prints on his face, Liu Yuxuan's eye sockets are immediately moist, with an aggrieved look on his face.

I saw Liu Yuxuan crying and said aggrievedly: "Uncle Wang, you have to call for Yuxuan! Yuxuan is too wrong!"

While talking, Liu Yuxuan actually cried, as if he had been wronged.

Ren Zhengfei on the side couldn't help but stretched out his thumb. Liu Yuxuan's acting skills made him admire him.

As for Liu Qiong, she was stupid at this time. She felt that she was wronged enough, but compared with Liu Yuxuan, it seemed that he was the victim.

Director Wang helped Liu Yuxuan up and said, "Yuxuan, let's say, what happened? Uncle is the master for you!"

Liu Yuxuan cried for a long time before he stopped sobbing. He looked at Lin Kai, a cruel color flashing in his tearful eyes.

"Uncle Wang, it's him! He wants to do some illegal actions against Teacher Liu Qiong!"

"It happened to be met by the vice-principal and I. They wanted to stop him. I didn't expect that he could fight so well and beat Yu Xuan like this!"

"Yu Xuan once said that if you stop now, I can see that you are the first offender, and you will forget the past."

"But he doesn't listen! Look, Yu Xuan's bodyguards are all beaten like this by him. Look at his clothes, he still has that kind of thought about Teacher Liu Qiong!"

"This kind of person is simply a scum! Uncle, you must not spare him lightly!"

When Liu Yuxuan spoke, he was confident, and it seemed that Lin Kai was really a heinous villain.

When Liu Qiong heard this, he was in a hurry. He stood up and defended Lin Kai: "Director Wang, things are not what you think..."

"Enough!" Before Liu Qiong finished speaking, Director Wang interrupted: "In the area under my jurisdiction, there are such scumbags? Not even a beast! Take it away!"

After Director Wang had finished speaking, several policemen walked to Lin Kai, and the dazzling handcuffs had been opened for Lin Kai.

Director Wang didn't give Liu Qiong a chance to explain. Director Wang was very personal. He knew Liu Yuxuan very well. What happened on the scene was like a mirror in his heart.

Dont you just want to get Lin Kai in? A piece of cake.

Director Wang touched his beard and laughed. He made at least three million yuan in such a trip!

Ren Zhengfei looked at Lin Kai with a sneer. You just gave you a chance. You don't know how to cherish it. Do you have to wait until the police come to you to know you regret it?

Liu Yuxuan's heart was a complacency. What if you can play again? In the face of real power, everything is useless.

Several police officers came to Lin Kai and did not give Lin Kai a chance to speak. The handcuffs were already handcuffed to Lin Kai's wrists.

The four policemen escorted Lin Kai and wanted to go outside. When passing by Chief Wang, Lin Kai stopped.

Lin Kai glanced at Director Wang and asked with a smile, "Are you sure you want to take me back? Don't watch the surveillance video?"

Lin Kai pointed to the camera in the office.

camera? Director Wang naturally understands that there are cameras in the office and the truth about the matter.

But so what? He won't go to see it!

Because he helped Liu Yuxuan to rectify Lin Kai.

“Camera? You don’t need to look at it. If you have anything, go to the police station to talk about it!” Director Wang said coldly.

“Are you sure? I’ll remind you in advance, it’s easy to ask the Buddha, but it’s difficult to send the Buddha.” Lin Kai said with a smile.

Director Wang glanced at Lin Kai up and down, and immediately laughed. What kind of big man could Lin Kai be so poorly dressed?

Besides, the sky is falling and there is a high push, even if this kid has some background behind him, can he be Liu Yuxuan’s opponent?

You know, behind Liu Yuxuan is Yanjing’s largest real estate developer!

“Haha, do you really think of yourself as a big man? I arrested you today! What’s the matter?” Director Wang was also amused by Lin Kai’s words, staring at Lin Kai and said fiercely.

Lin Kai nodded, “Okay, can I make a call before I go in?”

“Call?”

Director Wang looked at Liu Yuxuan and asked what he meant.

Liu Yuxuan touched his chin and smiled: “Let him fight! I don’t believe how hard a relationship he can find, even the face of our Dongqiang Real Estate!”

Liu Yuxuan is very confident. Dongqiang Real Estate is well-known in Yanjing. What relationship can Lin Kai find? Who would want to offend Dongqiang Real Estate for him?

Liu Yuxuan can guarantee that no one!

Lin Kai took out his cell phone and dialed a phone number, only to say a little, and then hung up.

“Okay, let’s go.” Lin Kai said.

Lin Kai was escorted out of the office by four policemen, Liu Qiong followed closely, Liu Yuxuan and Ren Zhengfei also followed.

When the police arrived, many people were already onlookers. Now when they saw Lin Kai walking out of the office in handcuffs, all the students who were onlookers exclaimed.

Someone in the University of Science and Technology was arrested by the police? It is estimated that this matter will become big news the next day!

Lin Kai was sent into the police car, and the policemen were very rude. They were not gentle with Lin Kai. They almost kicked Lin Kai into the police car.

The door of the police car was closed and the police drove out of the campus toward the police station.

Ten minutes later, the police drove into the central police station. Lin Kai was dragged out by four policemen, and then Lin Kai and Liu Qiong were locked into a small dark room in the police station.

Lin Kai always looked indifferent, and he didn't care.

And Liu Qiong, who was locked in with Lin Kai, was about to collapse at this time!

Chapter 250: Police Station

Chapter 250

Liu Qiong is really about to collapse.

Because of Liu Yuxuan's matter, she was already extremely worried, but she did not expect that Lin Kai was also involved in this matter because of herself.

Now that Lin Kai has been locked into the police station, Liu Qiong knows that the next person facing Lin Kai is likely to be in prison!

Liu Qiong felt very guilty in her heart. If it wasn't for herself, Lin Kai wouldn't have to suffer this sin.

But Liu Qiong still had some dissatisfaction with Lin Kai in her heart. Lin Kai was too aggressive. He felt that he could settle this matter by himself?

Do not!

He will only get himself deep in it!

The second half of Lin Kai's life is likely to be spent in prison.

Although he didn't do anything wrong, he could only bow his head in the face of an overwhelming power. If he resisted, he would only be in prison!

Liu Qiong was sobbing softly, Lin Kai patted Liu Qiong on the shoulder, and comforted: "Teacher, don't cry, we can go out soon."

“Go out?” Liu Qiong stopped sobbing, looked at Lin Kai, and shook his head: “You don’t understand, you don’t know how powerful Dongqiang Real Estate is. I’m sorry, the teacher, you are likely to be in prison for the rest of your life. Spent.”

Liu Qiong thought that now Lin Kai must have realized the seriousness of the matter and must have begun to be afraid.

But Lin Kai’s attitude was as calm as ever, just like a okay person.

“No.” Lin Kai smiled confidently.

Seeing Lin Kai could still laugh, Liu Qiong felt even more guilty.

At the same time, she also began to worry about Lin Kai’s IQ. The child was too brave. His death was approaching, and she hadn’t realized the seriousness of the matter.

When I am free in the future, I must visit him more in prison.

After all, with Lin Kai’s aggressiveness, it is easy to suffer a big loss in prison.

At this time, there was a click, the iron door was opened, and three people walked in from outside.

Director Wang, Liu Yuxuan, Vice President.

Now that he had arrived at the police station, Liu Yuxuan didn’t need to act anymore, and saw him sitting across from Lin Kai swaggeringly, with a playful smile on his face.

“The police station is very comfortable, isn’t it? Lin Kai?” Liu Yuxuan said with a playful smile.

Ren Zhengfei also had a smile on his face: “Haha, Classmate Lin, I have reminded you a long time ago, but you must not listen! Offended Liu Shao, there is no good fruit.”

Director Wang held a thermos cup in his hand, shook his head and smiled, without opening Lin to his eyes at all.

Instead, Director Wang has been looking at Liu Qiong.

Liu Qiong’s face and figure have nothing to say, the charm of a young woman on her body makes him, a middle-aged man in his forties, crazy about it.

No wonder Liu Yuxuan would never forget her, and he did not hesitate to spend three million dollars to get this kid into the police station. It turned out to be for this little lady.

“Shao Liu, Yanfu is not shallow!” Director Wang smiled.

Liu Yuxuan smiled triumphantly and patted Director Wang on the shoulder: "Director Wang, don't worry, after a while, Yuxuan will send her to your door."

"Hahahaha!"

All three of them actually laughed, ignoring Liu Qiong and Lin Kai.

Liu Qiong was so scared that her face paled at this time, and she seemed to have anticipated her fate.

No one can save her now, no one!

Liu Yuxuan got up from his seat, circled Lin Kai twice, and laughed: "Hehe, hillbilly, pauper, I, Liu Yuxuan, can you afford to offend?"

"For the rest of your life, you'll spend the **** in prison! No one can save you, I said!"

The expression on Liu Yuxuan's face was a smug.

Isn't your kid crazy? Isn't it handsome? Can't you fight? Why are you silent now?

Ren Zhengfei also smiled and said: "Haha, Shao Liu, I heard that there are a group of desperadoes in the prison. They have not seen a woman for many years. This kid is so white and tender that he has been thrown into the prison. Become the top card in prison?"

"Hahahahaha!" The three laughed again.

Indeed, in prison, women are a rare species, Lin Kaichang is so white and tender, thrown into the prison, there will definitely be countless big guys who will miss him, when the time comes, the chrysanthemum will be mutilated and the ground will be wounded.

Lin Kai always had a faint smile on his face, and Liu Qiong was anxious from the side.

"Liu Shao, I beg you Liu Shao, let Lin Kai go, he is just a child!" At this moment, Liu Qiong suddenly grabbed Liu Yuxuan's hand and asked.

The smile on Liu Yuxuan's face immediately disappeared. With a snap, Liu Yuxuan directly threw away Liu Qiong's hand with a cold expression on his face.

"Huh! It's late! What did you do early? Now that things have become a big deal, I am not afraid of anything! I won't give one million, and Director Wang will arrange a car and send you to my villa! "

"At that time, I can play with you as much as I want!"

There was a smug on Liu Yuxuan's face. After thinking that he would be able to spend the night with Liu Qiong, Liu Yuxuan smiled excitedly.

Liu Qiong was really desperate this time, she knew that Lin Kai was really done.

At this time, I saw Liu Yuxuan embrace the vice principal Ren Zhengfei.

"President, thank you for helping me. After the job is over, one million will be credited to your bank card." Liu Yuxuan smiled.

When Ren Zhengfei heard it, his eyes lit up, and he quickly thanked him: "Thank you, Shao Liu, I am fortunate to be able to do something for Shao Liu!"

Being touted by Ren Zhengfei, Liu Yuxuan felt a little airy at the time.

Liu Yuxuan looked at Lin Kai and asked, "Hillboy, do you have anything else to say?"

Lin Kai tilted his head and looked at the crowd, and said lightly, "It's easy to ask the Buddha, but it's hard to send it to the Buddha."

Hearing what Lin Kai said, Liu Yuxuan was taken aback for a moment, and then he laughed wildly: "Hahahaha! Do you still think of yourself as an onion? I will see today, are you a Buddha or trash!"

Liu Yuxuan laughed disdainfully, and raised his **** at Lin Kai.

Ren Zhengfei had just benefited, and he didn't forget to tout Liu Yuxuan at this time: "Shao Liu, how can you realize the benefits of being rich?"

"He probably thinks he can go out! I see, maybe it's because I watched too many TV series!"

"You offended Shao Liu, he will never get out of prison in his life, hahaha!"

Liu Yuxuan also laughed loudly: "Hahaha! That's right, rubbish, I don't understand how rich people are good!"

Director Wang had also been watching from the sidelines, smiling faintly, his eyes didn't look at Lin Kai at all, it seemed that Lin Kai was in his eyes, not even a dog, and it was not worth seeing.

"It's easy to ask the Buddha to send the Buddha? This little trash can pretend to be forced. Yes, let you pretend to be forced for the last time before you go to prison. Don't beg me on your knees then!"

Liu Yuxuan smiled triumphantly, and was about to walk out of the room, but at this moment, the telephone rang and the wired telephone in the room rang suddenly.

Chapter 251: Phone

Chapter 251

Have a phone?

Liu Yuxuan also stopped, and the three of them were stunned. Who would call the police station at this time? And even directly entered Lin Kai's room?

Is there really someone behind Lin Kai?

After Liu Yuxuan froze for a while, he immediately laughed disdainfully: "Hehe, do you really believe that this kid can have any relationship? Besides, what relationship can make me strong in real estate?"

Hearing this, Director Wang also let go of his hanging heart, and laughed loudly: "Hahaha! Yes, can this poor boy still shake Dongqiang Real Estate?"

Ren Zhengfei also shook his head in disdain. What kind of tough background does Lin Kai have? No matter how hard the background is, can it have the background of Dongqiang Real Estate?

Even Liu Qiong didn't have much hope for this call.

Director Wang answered the phone and pressed the hands-free: "Hello? Yanjing Central Police Station."

"I'm Zhang Wanlin from the Zhang family in Jiangdong. I heard that Lin Kai was locked in your police station?" A young man's voice rang over the phone.

Jiangdong Zhang's house?

Director Wang was visibly taken aback, and looked at each other with Liu Yuxuan, his eyes were a little surprised.

Jiangdong Zhang family, they are naturally aware that Zhang family is not small in Jiangdong, and it can be regarded as a big family.

Unexpectedly, Lin Kai really had a background, and even Jiangdong Zhangs family could be contacted. Before he was arrested, he might have been on the phone with Zhangs family.

Now there is Zhang Jiabao Lin Kai, I'm afraid Liu Yuxuan can't do too much, at least it must give Zhang Wanlin a face.

"It's actually Zhang Wanlin?" Liu Yuxuan showed a surprised expression on his face.

Zhang Wanlin is amazing, but it is also in Jiangdong. The so-called strong dragon does not suppress the snakes. No matter how good Zhang Wanlin is in Jiangdong, he can't control their Yanjing affairs, right?

Taking a look at Liu Qiong, Liu Yuxuan gritted his teeth and snatched the phone, finally taking Liu Qiong down, but he couldn't give up because of Zhang Wanlin.

Besides, Lin Kai was so arrogant before, Liu Yuxuan couldn't swallow this breath!

"Zhang Wanlin, right? Zhang Shao, I'm sorry, Lin Kai, you can't save it, I have to deal with him!" Liu Yuxuan gritted his teeth and said harshly.

Zhang Wanlin over the phone obviously sneered: "Heh, move Lin Kai? I see if you have that strength!"

"Dududu..."

The phone was hung up.

Liu Yuxuan looked at Lin Kai, with a ruthless look in his eyes.

"Hehe, kid, no wonder it's so arrogant. It turned out that Zhang Wanlin was your backer, but Zhang Wanlin is far away in Jiangdong. Do you think he can save you?" Liu Yuxuan asked coldly.

Lin chuckled, and didn't pay attention to Liu Yuxuan at all.

At this time, the phone rang again, and Director Wang glanced at Liu Yuxuan and connected the phone.

"Hello? Yanjing Central District Police Station, right? I'm Jiang Xing from Jiangdong Jiang's family. I now represent our Jiangdong family and ask you to release Lin Kai immediately! Right now!" Jiang Xing's voice sounded.

After hearing Jiang Xing's words, everyone was stunned.

Is it Jiang Xing?

The Jiangdong Jiang family is the largest. Everyone knows this. The Jiang family is the largest family in Jiangdong. Now even the Jiang family wants to protect the forest?

How big is this kid's background?

Looking at Lin Kai again, he sat on the chair with Erlang's legs tilted up, looking indifferent.

It's easy to ask the Buddha to send it to the Buddha. Now everyone understands what this sentence means.

This kid is actually from Jiangdong!

And it has connections with many giants in Jiangdong, no wonder it is so rampant!

Director Wang frowned. Now things are a bit tricky. If the Jiangdong giants try to protect Lin Kai, he, a small director, can't keep Lin Kai at all.

It is also possible that the Wusha hat is not guaranteed because of Lin Kai.

Director Wang was embarrassed.

Liu Qiong's face also had an incredible look. How could Lin Kai come from such a big background? Even Jiangdong Jiang Xing wants to protect the forest? And also represents the Jiangdong giants?

The vice-principal Ren Zhengfei also has a shocked look on his face. This student of his school is actually so big?

The expression on Liu Yuxuan's face has also become very ugly. Zhang Wanlin can ignore it, but Jiang Xing can't ignore it. Jiang Xing can be said to be the number one young man in Jiangdong!

Liu Yuxuan is embarrassed, what should I do? Just let Lin Kai go? He is not reconciled! Before Lin Kai was so arrogant and punched him, he let Lin Kai go. Where did he put Liu Yuxuan's face?

Looking at Lin Kai again, he still looked like he didn't care.

The phone was quickly hung up over there, the phone just hung up, and it rang again.

This time, the three of them looked at each other, and Director Wang's hand trembling when answering the phone, this time, who is it?

"Hello?" Director Wang's voice trembled.

"I am the head of the Lin family in Jiangbei. I heard that my son was arrested by you?" A middle-aged man's voice rang on the phone.

Click!

The microphone in Director Wang's hand fell directly on the table, and he was so scared that he sat down on the chair. It was actually Jiangbei Lin's family!

He actually caught the son of the head of the Jiangbei Lin family! Lin Kai, it's the Lin Family Young Master!

Liu Yuxuan's face also changed in an instant, no wonder Lin Kai was so confident, it turned out to be the young master of the Lin family in Jiangbei!

He naturally understood the Jiangbei Lin family that although his Dongqiang real estate was strong, it was still weaker than the Lin family.

And now, he actually caught Lin Shao in!

Liu Yuxuan's face changed drastically, and his body began to tremble slightly. He wanted to apologize, but couldn't let go of his face. For a while, Liu Yuxuan was embarrassed and at a loss.

There was also a look of horror in Liu Qiong's eyes. This new transfer student has such a big background? Not only did the Jiangdong giants try to protect Lin Kai, he himself was also a young man in the Jiangbei Lin family!

No wonder Lin Kai has always looked confident, not that he is too mad, but that his background is stronger than Liu Yuxuan!

The vice-principal Ren Zhengfei was dumbfounded at this time, he actually helped Liu Yuxuan offend such a powerful existence?

This Lin Shao became angry, and their school couldn't go on!

At this time, Ren Zhengfei felt a regret in his heart! He had known that Lin Kai's background was so big, he wouldn't dare to offend Lin Kai if he killed him!

Now the three of them are riding a tiger. Before they thought they were just an ordinary person, they now understand that they have arrested Master Lin!

At this moment, a ringing of the telephone rang again, this time directly to Director Wang's private phone.

Director Wang tremblingly took out the phone, only to glance at it, and the phone fell on the table with a clatter.

Director Wang's face changed drastically. He actually called himself? Could it be that he also came to Baolin to drive?

Liu Yuxuan on the side took a look, his face instantly turned paler, it was him!

Chapter 252: The Flood Washed The Dragon King Temple

Chapter 252

Is it possible that this big man also came to demand the release of Lin Kai?

If this is the case, how strong should Lin Kai's background be? Even this big man called to try to protect Lin Kai!

Director Wang tremblingly picked up his mobile phone, and now he can only ask God for blessing, bless this big man is not here to protect Lin Kai.

Otherwise, after Lin Kai goes out, they will all be out of luck!

Director Wang answered the phone and said with a trembling tone: "Hello?"

"This is Wu Xingda. I heard that there is a man named Lin Kai who has been locked up in your police station? Now, immediately, let me go!"

There was a middle-aged man's voice over the phone, his tone was very domineering, beyond doubt.

Wu Xingda, the head of the Yanjing Police Department, Director Wang is just the head of a branch. Wu Xingda can be said to be his immediate superior.

"Yes, yes." Director Wang quickly agreed, and only then did the phone call.

Even Wu Xingda must come to protect Lin Kai! Who is Lin Kai?

The cold sweat on Director Wang's head has dripped down drop by drop, and his current mood can be described as regrettable!

I knew that Lin Kai's background was so big, how could he offend such a big man for the trivial 3 million?

The expression on Liu Yuxuan's face also became very exciting. Even Wu Xingda called himself. He knew that he was destined to have no way to take Lin Kai this time.

Lin Kai smiled slightly. He didn't have much communication with the Yanjing Police Department, but the Yanjing Military Region heard that he was arrested by the police and would definitely greet the Yanjing Police Department.

That's why Wu Xingda called in person.

After hanging up Wu Xingda's call, Director Wang almost collapsed. He really couldn't hold on, Liu Yuxuan, he couldn't help!

Liu Yuxuan was also entangled in his heart, just let Lin Kai go? Is he unwilling? But if you don't let Lin Kai go, so many big people will try to protect Lin Kai. What does Liu Yuxuan do to keep Lin Kai?

Dongqiang Real Estate? Not to mention whether his father would support him when he knew about this matter. Even if his father supported him, did Dongqiang have done so many bosses with production capacity?

At this time, a phone ring rang, and the phone of the police station rang again.

The phone rang like a urging bell, causing Director Wang and the three of them to shake all over. This time, who is it?

"Take...or not?" Director Wang's tone was shaking.

Liu Yuxuan glanced at the phone, and his tone trembled: "Take it... Take it..."

Director Wang answered the phone: "Hello?"

A middle-aged man's voice rang on the phone: "Hello? Yanjing Central Police Station, right? I'm He Zhijun, commander of the Spike Brigade of the Southeast Military Region. My major Lin Kai was detained by you? What's the reason? If there is no reason, I, He Zhijun, on behalf of our Southeast Military Region, will definitely investigate this matter to the end!"

Click!

The microphone fell on the table again, and Director Wang collapsed on the chair, his eyes blank.

"It's over, this time it's over..."

This time, even the brigade commander of the military region called him. Director Wang is just a small head of the branch. How can he withstand the pressure bombing of so many bosses?

Not only the big guys from Jiangdong and Jiangbei called, but they also called from the General Bureau of the Yanjing Police Department, and now even the military region called!

The most important thing is that the eighteen or nine-year-old in front of him has the rank of major!

He actually arrested a major from the military region to come in. Isn't this a court death?

Besides, if Director Wang had a valid reason, he would only get Lin Kai in after taking other people's money!

When things are checked, Director Wang will not only fail to protect his black hat, he may go to jail!

The vice-principal Ren Zhengfei was also dumbfounded at this time, and he did not expect that an ordinary student in his school had such a big background, so big that he doubted life!

As long as he said a word, his little clerk would immediately be caught in prison!

Liu Qiong was also surprised by Lin Kai's background at this time. No wonder Lin Kai has a calm appearance from beginning to end. It turns out that he has a background, and he is not afraid of Liu Yuxuan at all!

The heart that Liu Qiong was hanging at this time was finally let go. It seemed that Lin Kai didn't need to go to jail this time, and she didn't need to be insulted by Liu Yuxuan.

Director Wang was the first person to feel scared and the first to feel regret. At this time, he could no longer sit still, and saw him come to Lin Kai's face and knelt down with a plop.

"Lin Shao, I don't know Taishan, Lin Shao, can you let me go? I'm not a human, I look down on people, Lin Shao, your lord has a lot, and the prime minister can hold a boat in his belly. I'll be a fart, let it go?"

Director Wang was talking while slapped himself, it was a snap.

The vice-principal Ren Zhengfei saw that even Director Wang was like this, he couldn't sit still, Ren Zhengfei also ran to Lin Kai's face, and knelt down with a plop.

Ren Zhengfei also kept slapping himself: "Lin Shao, I was wrong Lin Shao, I am not a human being, please let me go, Lin Shao!"

The two big men who are calling for the wind and rain in the society are like two clowns at this time, even without their dignity, kneeling in front of Lin Kai begging for mercy.

They have realized the seriousness of the gaffe, and they also understand how powerful an existence they have provoked.

If you don't admit your mistakes now, you won't have a chance in your life!

And Lin Kai still smiled calmly: "I said, it's easy to ask the Buddha, but it's hard to send it to the Buddha."

When Lin Kai said this before, everyone thought he was joking. Now it seems, where is he joking? What he said is true!

Invite this giant Buddha to the police station. If he doesn't give him a satisfactory explanation now, he will never leave!

If he doesn't leave, every big man in the society will bombard his police station in turn. How can Chief Wang stand this?

Liu Yuxuan's face was very ugly. He knew that he had to admit his mistake to Lin Kai today. His background was much older than himself. He was not only a young man of the Lin family, but also good friends with the Jiangdong giants, even the military district.

He, Liu Yuxuan, is just a dude of Dongqiang Real Estate. Why should he fight Lin Kai?

Liu Yuxuan came to Lin Kai, clasped his fists, and bowed: "Lin Shao, it was really the flood that rushed into the Dragon King Temple. It was my brothers fault. Today, I am at the most luxurious hotel in Yanjing to make amends for you, Liu Teacher Qiong, you can also take it away."

Liu Yuxuan's attitude is sincere. If he is an ordinary person, he might give Dongqiang Real Estate a face.

But he met Lin Kai, ha ha.

Chapter 253: Zhou Shuang

Liu Yuxuan thought that his attitude was already so sincere. Lin Kai would definitely consider Dongqiang Real Estate's face and forgive himself.

But he was wrong.

Lin Kai couldn't forgive Liu Yuxuan's mistakes. He colluded with the vice principal and tried to force the school female teacher. The bad things made Lin Kai unable to forgive Liu Yuxuan without his conscience.

“Liu Yuxuan, do you think that if you apologize, this matter can be eliminated?” Lin Kai asked with a slight smile.

Liu Yuxuan was taken aback, and frowned: “Then what else do you want? Lin Kai, you have a strong background, I can’t move you, but my background is not weak!”

“Oh?” Lin Kai smiled playfully and looked at Director Wang.

“Director Wang, I’ll give you a chance.” Lin chuckled.

Director Wang’s eyes lit up, kneeling like a pug and came to Lin Kai: “Lin Shao, you say.”

“I’ll give you a chance to commit crimes. Liu Yuxuan colluded with Ren Zhengfei, the vice president of the University of Science and Technology, and wanted to forcefully do something illegal to Teacher Liu Qiong. After I ran into him, he sent someone to beat me. How many years can they be sentenced?”

As soon as Lin Kai’s words came out, the expressions of all the people present changed in unison. Lin Kai wanted to fix Liu Yuxuan’s determination!

Liu Yuxuan’s expression changed greatly. He looked at Director Wang with a threatening look in his eyes.

Director Wang also froze for a while, and analyzed the pros and cons of this matter for him.

If you help Liu Yuxuan, the General Administration has already spoken, and there are people from the military area to help, you will surely fail miserably. When the time comes, you will have to go to prison.

If you help Lin Kai, you may be retaliated by Dongqiang Real Estate, but the advantage is that you are on the side of justice and the risk is not as great as helping Liu Yuxuan.

After making a decision, Director Wang replied: “Liu Yuxuan committed an attempted forcible crime and can be sentenced to about one to three years. Ren Zhengfei will be resigned from the position of vice president and staff member and detained for about one year. “

Lin Kai nodded, and the punishment for Liu Yuxuan was to lose his freedom. The young master of Dongqiang Real Estate went to jail, and it must have been uncomfortable.

The punishment for Ren Zhengfei was to resign all his positions and turn him into an ordinary person.

“Just do it,” Lin Kai said lightly.

“Yes.” Director Wang nodded and waved his hand, and immediately several police officers walked in from the door.

At the moment when Liu Yuxuan was taken away, there was an incredible expression on his face: “Lin Kai! You dare! Lao Tzu is the young master of Dongqiang Real Estate! You are done with me!”

Liu Yuxuan’s clamor gradually disappeared, and the room became quiet.

Lin Kai glanced at the cautious Director Wang, and said, “I give you a chance to reform. If I find out that you are doing these tricks, I will definitely not spare you!”

Director Wang nodded quickly to express his gratitude: “Yes, yes, thank you Lin Shao.”

Lin Kai took Liu Qiong’s little hand and said, “Let’s go, teacher.”

The two walked out of the police station together. It was a dashing one. They got into the police car. Someone drove Lin Kai and Liu Qiong back to school.

Seeing the car driving out of the police station, Director Wang let out a sigh of relief. He felt fortunate that he was the only person who was fine in this incident.

Director Wang vowed silently in his heart that he would never do such dangerous activities again, and be careful not to protect him!

In the police car, Liu Qiong remained silent until he arrived at the school. After getting off the police car, Liu Qiong finally couldn’t stand it.

She looked at Lin Kai and asked, “Lin Kai, what is your identity? The Lin family? A soldier? A student?”

Lin Kai looked at Liu Qiong and couldn’t laugh or cry: “Teacher, you don’t care what I am. As long as you know that with me in school, no unfair things will happen.”

This sentence left Liu Qiong speechless.

Liu Qiong also vaguely guessed Lin Kai’s identity in her heart. Since he is a soldier, he would not come to school.

The reason why he came to school was definitely to perform some secret mission.

Liu Qiong is not easy to ask what the task is.

“Well, but Lin Kai, since you are my student, try not to skip class in the future.” Liu Qiong rolled her eyes and finally showed a long-lost smile.

Liu Qiong laughed, two naughty little tiger teeth exposed in the air, very cute.

Lin Kai nodded: "I will."

After sending Liu Qiong to the office, Lin Kai, who had nothing to do with her free time, went back to the dormitory to sleep after two laps in the school.

Early the next morning, Lin Kai finished washing and came to the cafeteria to have breakfast.

The dining hall of the University of Science and Technology has a very good environment, with air-conditioning, the food is relatively cheap, and it is very rich, and the sanitary environment is also very good.

Lin Kai only spent three yuan to buy a very rich breakfast.

Sitting in his seat and eating breakfast, Lin Kai also felt that life was very leisurely.

This university is much better than his own university in the previous life, and Lin Kai, who lived another life, suddenly felt how lucky it was to go to university.

Suddenly, Lin Kai saw a figure, which Lin Kai felt very familiar.

Wearing white half-sleeves and a pair of white-washed jeans, her figure is thin and her face looks a little malnourished, but she can't hide her delicate features.

Zhou Shuang?

After seeing Zhou Shuang, Lin Kai was very surprised, because now Zhou Shuang actually picked up empty water bottles left by other students in the school.

Holding a huge sack in her hand, she picked up an empty water bottle while cleaning the canteen.

The students around her showed contempt for her, and they wanted to avoid her.

Zhou Shuang's living conditions are so difficult?

Lin Kai felt that this girl was a bit pitiful for a while. From her dress, it seemed that she was not a rich student.

At this time, a quarrel sounded, which immediately attracted Lin Kai's attention.

Upon closer inspection, I saw several boys scolding around Zhou Shuang.

With a snap, Lin Kai saw that a tall and burly boy actually slapped Zhou Shuang's face!

The surrounding students exclaimed, and many of the students who watched the excitement even took out their mobile phones to record videos!

Zhou Shuang dropped the linen sack in his hand and ran away crying.

Lin Kaikai took down the bowls and chopsticks in his hands, walked over, and saw the boy cursing while using toilet paper to wipe the oil stains on himself.

“Fuck, this poor student, he doesn’t look a little while walking, I’ve got hundreds of pieces of clothes dirty.”

Lin Kai glanced at the ground. It turned out that when Zhou Shuang was picking up the bottle, he accidentally overturned the spicy soup in the hands of the boys. The spicy soup was directly spilled on the boys’ clothes.

Chapter 254: Five Hundred Yuan

Chapter 254 Five Hundred

Zhou Shuang, the girl who wanted to commit suicide by the artificial lake, did not expect to meet her again here.

Lin Kai glanced at the boy’s clothes. The clothes were dirty, but they weren’t hurt. The spicy soup was not hot.

Lin Kai walked straight past him and came to Zhou Shuang’s side in the corner.

Zhou Shuang was hiding in the corner and sobbing softly. Seen from behind, her right cheek was red with a clearly visible slap print.

The boy was too cruel to start, and he didn’t know how to pity Xiangxiyu at all.

Lin Kai frowned and put his hand on Zhou Shuang’s shoulder lightly, “Zhou Shuang?”

Lin Kai felt that Zhou Shuang’s body trembled visibly, and she seemed a little scared. After she turned her head and saw Lin Kai, her eyes were also a little surprised.

With her watery eyes, anyone who saw her wanted to give her a hug. This girl was so pitiful.

“It’s you?” Zhou Shuang wiped away tears in a hurry, trying to adjust his state.

Obviously, she still remembers Lin Kai.

“What’s wrong with you? Why did you pick up an empty bottle in the cafeteria?” Lin Kai asked quite concerned.

And Zhou Shuang's face was obviously cold, she seemed to be taboo from others talking about it.

"Do you look down on me too?" Zhou Shuang asked, looking at Lin Kai coldly.

"Yes, my family is poor and I have no money, but my money is earned by my hard work! I cleaned the cafeteria and made money from picking up rubbish. You look down on me for nothing. ?"

Zhou Shuang seemed to be very excited. While she was talking, she actually yelled out, and with a snap, she threw away an empty bottle that she had just picked up in her hand, turned and ran out of the cafeteria.

Lin Kai looked at Zhou Shuang's back and fell silent. He was not angry because Zhou Shuang yelled at her. On the contrary, he felt Zhou Shuang was very pitiful.

A female college student needs to work and pick up **** to make ends meet. She has to be looked at by others. She must have a hard life, right?

"Little bitch, do you dare to run?"

At this moment, an exclamation sounded, and Zhou Shuang had been stopped by the tall boy!

I saw the boy grabbed Zhou Shuang's collar and jammed Zhou Shuang in the corner.

Many students around were watching from a distance. Some took out their phones to take pictures, some looked on with cold eyes, and some clapped their hands in applause.

The boy's name is Wang Long, and he has a strong physique. He is notorious in the University of Science and Technology.

Zhou Shuang was blocked in the corner by Wang Long, with an expression of fear on his face.

Wang Long tore off the half sleeve of his upper body and shook it in front of Zhou Shuang's eyes.

The muscles of Wang Long's upper body are very beautiful, and there is a tattoo of Jianglong on his chest. Zhou Shuang also closed his eyes at this time with a look of disgust.

"Little bitch, I bought the Adidas for five hundred dollars. You got me dirty just after wearing it once. There is no five hundred dollars, don't want to go!" Wang Long said coldly.

Five hundred yuan!

For Zhou Shuang, five hundred is simply an astronomical number!

Zhou Shuang's small face turned pale in an instant. She thought of her mother who was in bed and her father who had disabled legs. Five hundred yuan was the living expenses of their family of three!

"I... I don't have money..." Zhou Shuang's voice was lower than the buzzing of mosquitoes.

"No money? Do you dare to sprinkle hot spicy soup on Lao Tzu without money?" Wang Longweng said in a voice, looking at Zhou Shuang maliciously.

There was a burst of laughter from the surrounding students, watching the excitement, watching the excitement, taking photos, and no one was willing to come forward to help Zhou Shuang.

Zhou Shuang stammered: "I...I didn't mean..."

"Not intentional? Then I don't care, there is no five hundred yuan, don't want to go!" Wang Long said coldly.

While speaking, Wang Long still looked up and down Zhou Shuang squintingly. Zhou Shuang was good-looking, but he was a little shabby in his clothes. Wang Long wanted to take advantage of this opportunity to take Zhou Shuang down!

With Wang Long's unkind smile on his face, Zhou Shuang shrank from the corner in fear. At this time, Zhou Shuang was so helpless.

But she has nothing to do, she doesn't have five hundred yuan!

I saw Zhou Shuang with tears in his pocket and took out a large amount of RMB from his pocket. There were five yuan, ten yuan, and a few dime coins, totaling thirty to forty yuan.

Zhou Shuang put the money into Wang Long's hands with a look of dismay: "I...I only have the money. Give it to you. Let me go, OK?"

Zhou Shuang asked almost beggingly.

Wang Long just glanced at the money in his hand, threw the money on the ground with a snap, and all the coins flew out!

Zhou Shuang looked at the money on the ground and couldn't help exclaiming. That was the money she had earned for a hard day!

“Just the **** dozens of dollars, are you sending a beggar?” Wang Long said angrily.

Zhou Shuang really couldn't help it this time. She just gave all the money to Wang Long, and Wang Long was still reluctant.

At this moment, Wang Long suddenly gave a smirk, staring at Zhou Shuang up and down, touching his chin.

“Heh, I think you look pretty good. So, we will go out and find a place to talk about our ideals in life. Not only do I not want the five hundred dollars, but I will give you five hundred dollars. What do you think?”

As soon as Wang Long's words came out, there was a burst of laughter, and the students onlookers all laughed.

It's a ruthless ridicule! Go out to talk about life ideals? Everyone is an adult. Naturally, I know what Wang Long's words mean. Didn't it mean that Zhou Shuang became a lady?

Zhou Shuang's face also changed. She is a little girl with a bottom line, otherwise she would have become a rich lady with her own face.

Faced with Wang Long's insult, Zhou Shuang finally became a little angry: “I'm not that kind of person! Otherwise, or I will write you an IOU. When I become rich in the future, I must pay you all!”

IOU? Wang Long sneered. He wanted Zhou Shuang to accompany him. Five hundred yuan was not money at all in his eyes.

“No! Either take the money, or talk to Lao Tzu about your ideals in life, you can figure it out!”

Facing Wang Long's repeated compulsion, Zhou Shuang's tears fell again and again.

When Wang Long saw Zhou Shuang not speaking, he himself lost patience, and saw that he held Zhou Shuang's arm in one hand.

“Don't speak, right? Then go with Laozi!”

Zhou Shuang exclaimed and was directly pulled up by Wang Long. The surrounding students cheered, and Wang Long was about to take Zhou Shuang away in full view!

Zhou Shuang exclaimed, she struggled hard, but Wang Long was too strong, she was a malnourished little girl, she was not his opponent at all.

At this moment, a big white hand appeared, and the big hand grabbed Wang Long. The big hand was white and did not seem to have much effort, but it stopped the burly Wang Long.

He gave Wang Long five hundred yuan.

“I paid the money for her.”

Chapter 255: Countdown Threat

Chapter 255

At the most critical moment, a person suddenly appeared and stopped Wang Long.

Everyone looked at the man in unison. The man looked fair, with delicate features, and very handsome. One of his hands held Wang Long and gave him five hundred yuan.

Zhou Shuang, who had originally looked desperate, finally saw a glimmer of hope at this time, his eyes fixed on the young boy.

The person here is naturally Lin Kai.

Lin Kai can't stand it anymore, Wang Long is simply robbing the people! Five hundred yuan is just a guise for him. Now Lin Kai suspects that the reason Zhou Shuang spilled the hot and spicy soup on him was because he did it on purpose!

There was a sound of exclamation at the scene, and someone dared to take care of Wang Long's business? Didn't he know that Wang Long is a master of the University of Science and Technology?

He and the chairman of the student union are good buddies!

After Wang Long saw the five hundred yuan, he frowned. He just determined that Zhou Shuang could not spend five hundred yuan, so he embarrassed her.

His goal is not five hundred yuan, but Zhou Shuang!

Now someone appeared and gave him five hundred dollars. Isn't this a bad thing for him?

“Who the **** are you?” Wang Long looked at Lin Kai and asked very unhappy.

Lin Kai smiled faintly, pulled Zhou Shuang behind him, and said, “It doesn't matter who I am, don't you want five hundred yuan? Here you are.”

An unhappy look appeared on Wang Long's face: "I don't want your five hundred dollars, I want hers!"

How can Wang Long let the cooked duck fly? Even if Lin Kai gave him five hundred yuan, he was destined to take it away this week!

Lin Kai smiled faintly, gave Zhou Shuang five hundred yuan, and said to Zhou Shuang, "Give him the money."

Zhou Shuang took the money very dumbly and handed it to Wang Long: "Return it to you..."

Although Zhou Shuang was unwilling to take other people's money, she would be taken away by Wang Long without the money Lin Kai gave.

So now Zhou Shuang accepted Lin Kai's kindness and planned to return it to Lin Kai later.

Wang Long looked at the five hundred yuan and felt extremely unhappy. Seeing that the girl was about to be taken away by him, he was ruined by the sudden appearance of a little white face. How could he be happy in his heart?

"Boy, I advise you not to be nosy. Who is Wang Long in school? You don't want to ask? Take your money and get out!"

Wang Long took the five hundred yuan and threw it on Lin Kai's body with a snap.

Wang Long was really angry this time. If Lin Kai didn't know him, he must make Lin Kai pay the price!

The students around also made a sound of exclamation. This Wang Long is not a character to provoke. Since he can do such things in school, he is not afraid of being nosy about him because of his own background. It's very powerful!

"This kid is so tired and crooked, he even dares to take care of Wang Long's nosy."

"Yeah! I heard that Wang Long's cousin is a gangster. If this kid insists on offending Wang Long, he will definitely end up miserably!"

"This kid probably wants to come to a hero to save the United States, but he doesn't know that he is a bear. The Wang Long he faces, is Qi comparable to him?"

"Look at his clothes, he looks like a hillbilly, still wanting a hero to save the United States?"

...

Zhou Shuang originally saw a glimmer of hope, but after hearing what the onlookers were saying, most of her hope was wiped out in an instant!

Yes, she also knows what role Wang Long plays in the school. Lin Kai looks so ordinary in his clothes, how could he be Wang Long's opponent?

Zhou Shuang wanted Lin Kai to go, but now, this strange man was her only support, she did not dare to let Lin Kai go.

"Nosy? Didn't she get your clothes dirty? I'll pay you five hundred yuan, can't it? Not to mention that you just slapped this little girl." Lin Kai put his hands in his pockets, not said caringly.

Seeing Lin Kai dragging him like this, Wang Long was on fire. In school, who would dare to talk to him like Wang Long?

With a snap, Wang Long directly grabbed Lin Kai's collar and pressed Lin Kai to the wall.

"Silly silly guy, you don't understand human words, do you? I let you go! What are you trying to do? Believe it or not I **** you?"

When Wang Long spoke, he carried a social aura, coupled with the tattoo on his body, which scared ordinary people, and it was really frightening.

But Lin Kai didn't care at all, looking at Wang Long indifferently.

"I will give you three seconds to release me." Lin Kai said nonchalantly.

When Wang Long heard Lin Kai's pretending words, he sneered at that time: "Haha, boy, are you talking to me?"

"Do you know what Lao Tzu's identity is? Lao Tzu beats you ten, do you believe me?"

The people around were all exclaimed, Lin Kai is too crazy, right?

Wang Long is in school, he is famous for being able to fight! This kid not only grew up in Shaolin Temple, but the key is that this kid has been fighting since childhood. In this university, no one can compare to Wang Long in terms of fighting.

"three."

Hearing Lin Kai's countdown, everyone around him laughed. They all admired Lin Kai. They dared to fight Wang Long for a girl.

But now, everyone hates Lin Kai very much.

Because Lin Kai is too capable of acting hard.

He doesn't look at his body. Wang Long is dozens of times stronger than him, okay?

Lin Kai's white and thin appearance didn't look like a role to play, Wang Long could clean him with one hand.

And now he is so pretending in front of Wang Long, is it possible that he doesn't know how to write death words?

Wang Long also laughed out loud. He didn't care about Lin Kai's countdown threat at all. Instead, he stared at Lin Kai directly. He wanted to see what he could do after Lin Kai counted three!

Zhou Shuang pulled Lin Kai's arm at this time and shook his head slightly at Lin Kai. He didn't want Lin Kai to fight Wang Long.

Because Lin Kai was not Wang Long's opponent at all, she was very touched that Lin Kai was able to help her, but she did not want Lin Kai to be injured because of her.

But Lin Kai glanced at her and didn't mean to give up at all.

"Two." Lin Kai spit out a number again.

Wang Long still had a look of disdain. Not only did he not let go, but instead clenched his fists, ready to beat Lin Kai at any time!

"One!"

When the last word came out, Wang Long roared, he had already seen Lin Kai unhappy! Since Lin Kai pretended to be so compelling in front of him, he made Lin Kai pay a **** price!

"go to hell!"

The muscles on Wang Long's arm burst, and he hit Lin Kai's nose with a punch! The air of this punch was screaming, if it hit Lin Kai's nose, it could definitely break Lin Kai's nose!

Chapter 256: Add A Wechat

Chapter 256 Adding a WeChat

Everyone exclaimed, Wang Long actually shot!

The howling iron fist took Lin Kai's nose bone, Wang Long had committed a cruel hand!

Zhou Shuang's eyes widened too, trying to remind Lin Kai out loud, but it was too late.

At this time, everyone covered their eyes and couldn't bear to see the next scene. The next scene must be the splash of Lin Kai's nosebleed!

But Lin Kai's face had a disdainful smile from beginning to end, it seemed that Wang Long was like a three-year-old child in his eyes.

Lin Kai is too pretending to be forced, even if he is beaten, he deserves it! This is the thought in everyone's mind.

But just at this critical moment, Lin started to move.

I saw his right hand moved to the side of his face in an instant, and he lightly patted Wang Long's hand, Wang Long's menacing punch was directly slapped away.

Visible to the naked eye, Wang Long's body fell to one side. Wang Long's eyes widened, and he saw that his hands had been deformed. The understatement of Lin Kai just now was almost killing him!

Before he could exhale in pain, with a snap, Lin Kai's left hand was as fast as lightning, and he directly pinched Wang Long's neck!

After that, Lin Kai used a light force, and Wang Long, a strong man weighing one hundred and sixty jins, was lifted by one hand by Lin Kai!

Under everyone's eyes, Wang Long's feet lifted off the ground little by little. In the end, Wang Long was half a meter away from the ground!

Everyone was dumbfounded, and their mouths couldn't help opening wide. What kind of perverted strength is this?

You know, Wang Long's body is full of muscles! And Wang Long is over 1.8 meters tall! He weighed more than one hundred and sixty kilograms, so a strong man was lifted up by Lin Kai with one hand?

How much effort does it take?

Besides, Lin Kai is not that kind of power player, Lin Kai's physique doesn't look strong, even a little thin.

It is hard to imagine how explosive power is contained in such a weak body!

Zhou Shuang on the side looked silly, too. Zhou Shuang thought that Lin Kai must be the one who was beaten, and she thought about which hospital she would go to later.

But she did not expect that it was not Lin Kai who would suffer, but the strong Wang Long!

Wang Long desperately tried to break free of Lin Kai's control, but he felt that Lin Kai's hand was like a vise, gripping his neck severely, no matter how hard he tried, Lin Kai's hand would not have a trace. Relax!

Soon, Wang Long's face turned red, his eyes widened, his forehead violently blue veins, he already felt suffocation!

"Let go... let go... let me go!" Wang Long's vague voice came.

Lin Kai smiled slightly, and threw Wang Long on the ground, just like throwing garbage.

"Now, do you still need five hundred yuan?" Lin Kai asked.

Wang Long clutched his neck and gasped, he took a few steps back, looking at Lin Kai with a look of fear.

Lin Kai's perverted strength was so terrifying, Wang Long didn't dare to fight Lin Kai.

But Wang Long's heart is not convinced!

When did Lao Tzu Wang Long suffer such a big loss in school? It is still the loss of a student who is not well-known in the school, Wang Long can't swallow this breath!

But Lin Kai's strength was so great that Wang Long didn't dare to yell with Lin Kai for a while.

"You wait!" Wang Long put down his harsh words and ran away!

There was a burst of voices around, laughing at Wang Long who was running away.

With such a hand, Lin Kailu has gained a bit of fame in the school. Even Wang Long can beat it. It seems that Lin Kai still cannot be offended in the school in the future.

After Wang Long was gone, Zhou Shuang picked up the 500 yuan from the ground and handed it to Lin Kai.

She lowered her head very cautiously: "Thank you."

Lin Kai took the five hundred yuan and put it in his pocket: "It's okay, I just can't understand such a person. If there are still people bullying you in the school, you will find me. My name is Lin Kai."

Zhou Shuang nodded. She had seen Lin Kai twice in total. The first time Lin Kai saved her life, the second time Lin Kai helped her run away the bad guy Wang Long.

Zhou Shuang still had a good impression of Lin Kai.

“Do you have a WeChat? I will add a WeChat to you, and you can call me if you have something to do.” Lin Kai said.

Lin Kai didn't mean anything else, except that Zhou Shuang was not easy. For such a good girl, Lin Kai didn't want to see her being bullied.

But Zhou Shuang had obviously misunderstood what Lin Kai meant. Now in college, asking for WeChat is obviously interesting to the other party.

Zhou Shuang took out his mobile phone from his pocket and lowered his head, embarrassed: “Sorry, I don't have WeChat, I can only write down your phone number.”

Lin Kai took a look, and immediately felt a little ashamed. Zhou Shuang was holding a small smart phone with buttons. This kind of phone does not support WeChat functions.

It seems that Zhou Shuang's family conditions are not ordinary hardships!

“Okay, you leave my phone number.”

Lin Kai took her mobile phone and left her mobile phone number on her mobile phone.

“Contact me if you have something.” Lin Kai smiled warmly at Zhou Shuang and left the canteen.

Zhou Shuang looked at Lin Kai's back, and stayed for a long time, Lin Kai felt too warm for her.

Since childhood, Zhou Shuang has never experienced this kind of warmth in anyone except his parents.

Lin Kai feels very clean to her. He treats himself well, does not seek any return, and has no purpose. Now Zhou Shuang has a great affection for Lin Kai.

Zhou Shuang also understands that those who treat themselves nicely for no reason are men who want to sleep with themselves.

Girls who insult themselves are girls who are jealous of their looks.

Only Lin Kai was different from them. Lin Kai didn't plan anything, but simply treated her well.

Lin Kai in the previous life was a hard-working office worker. Although Lin Kai in this life has become the owner of the system, his kind heart has not been wiped out.

After leaving the canteen, Lin Kai came to the classroom to go to class. Seeing Lin Kai coming to class, Lin Panshuang was very happy, and kept chatting in Lin Kai's ear.

One day passed quickly, and when get out of class was over in the evening, Lin Panshuang stopped Lin Kai who was about to return to the dormitory.

"Hey, Lin Kai." Lin Panshuang grabbed the corner of Lin Kai's clothes, as if hesitated to speak.

Lin Kai looked at Lin Panshuang, confused, and asked, "What's the matter?"

"I have a reunion of high school classmates in the evening, will you go with me?" Lin Panshuang asked embarrassedly.

Lin Kai could not laugh or cry: "Your high school classmates reunion, what do you want me to do?"

As soon as he said this, Lin Panshuang stomped angrily, and said, "It is a class reunion, but they are here to show off their wealth and love. I think you look good. Give you a chance to serve this lady and pretend to be This lady's boyfriend is all night!"

Lin Kai originally wanted to refuse, but at this time, Lin Kai saw that Lin Pan's head was covered by dark clouds, bad luck was overwhelming!
