## Chapter 257: Peace Restaurant

257 Peace Hotel

Bad luck?

Lin Kai frowned. It seems that Lin Panshuang might encounter something unlucky tonight!

The bad luck on Lin Pan's head was not as strong as the bad luck on Zhou Shuang's head, but what he encountered was definitely not a trivial matter.

Forget it, this little girl is not bad, since Lin Kai knew about this, then help her.

"Well, send the address to my WeChat, and I will go back to the dormitory." Lin Kai replied helplessly.

Lin Panshuang was obviously very happy, but she pretended to be very arrogant again, with her hands behind her back, and nodded: "Well, don't be late!"

After all, Lin Pan bounced and left.

Lin Kai returned to his dormitory, washed a little, changed into clean clothes, came to the parking lot, and drove out of the campus in his Maybach.

Lin Kai's WeChat has received the news, Heping Hotel, this is where Lin Kai is going.

The Peace Hotel in Yanjing is definitely one of the top restaurants. If you can set up a table in this place, it seems that Lin Panshuang's classmates mix well.

A table at the Peace Hotel is worth tens of thousands.

Soon, Lin Kai drove the Maybach to the Peace Hotel. When the waiter at the door saw Maybach, he immediately trot over to help Lin Kai stop.

Lin got out of the car and walked into the Peace Hotel.

Inside the Peace Hotel, people came and went. There were many people sitting in the lobby on the first floor, and a table in the corner was full of people.

Taking a closer look, Lin Panshuang was also beside the table.

They booked a table in the lobby on the first floor of the Heping Hotel. Although the first floor is the cheapest grade of the Heping Hotel, the consumption is still relatively high compared to other five-star hotels.

Book a table here, you can't come without seven or eight thousand.

Lin Kai walked straight over, and when he was far away, Lin Kai heard their voices.

"Come on, Erlang, introduce to you, this one is the Lin Panshuang I told you, isn't it pretty?"

A girl with heavy makeup and revealing clothes put her arms around Lin Panshuang's shoulders and introduced to a boy.

The girl with heavy makeup was named Li Lili, who was Lin Panshuang's high school best friend.

As for the boy named Erlang, he is a good brother of Li Lili's boyfriend.

Li Lili's boyfriend was sitting aside, smiling.

A BMW car key was hung around his waist, and the boy named Erlang also had an Audi car key hung around his waist.

At this moment, Jiro was looking up and down Lin Panshuang.

Lin Panshuang smiled politely at Erlang, who stood up and stretched out his hand to Lin Panshuang.

"Hello, I'm Erlang, I'm glad to meet you." Intentionally or unintentionally, the Audi car key from Erlang's waist has been revealed.

Lin Panshuang shook hands with Erlang, but after holding Lin Panshuang's hand, Erlang grabbed it tightly, with a smirk on his face.

Lin Pan frowned, took his hand back, and sat down.

"Panshuang, how about? Is Erlang a talented person?" Li Lili asked with a smile.

Erlang is a good brother of her boyfriend, and Li Lili also has her little abacus in her heart, and introduces Lin Panshuang to Erlang. If he succeeds, she can be considered a hero.

At that time, the benefits will naturally be indispensable to one's own.

Lin Panshuang is a beautiful girl at the University of Science and Technology. Li Lili believes that as long as the two of them meet, they will definitely agree.

After all, one is as beautiful as a flower, and one is young and promising.

After shaking hands, everyone sat down. The atmosphere at the dinner table was very harmonious. These people were all Lin Panshuang's high school classmates.

"Panshuang, are you here alone?" Li Lili asked intentionally or unintentionally after everyone was seated.

Lin Panshuang smiled politely: "Lili, my boyfriend will be here soon."

"Boyfriend?" Li Lili frowned when she heard it. Lin Panshuang actually has a boyfriend?

"How did your boyfriend come? It hasn't been here for so long, wouldn't it be a taxi?" At this moment, Jiro said jokingly.

There was a burst of laughter at the dinner table.

Lin Panshuang also smiled awkwardly. She really didn't know how Lin Kai came, but she probably came by taxi.

"Panshuang." At this moment, Lin Kai quietly appeared beside the dinner table.

Everyone looked at Lin Kai in unison, Lin Panshuang also ran to Lin Kai's side with joy, took Lin Kai's arm, and laughed.

"I will introduce you to him. He is my boyfriend, Lin Kai."

As soon as Lin Kai appeared, it immediately became the focus. After all, Lin Panshuang was so beautiful and was a school girl in high school. Everyone wanted to see how sacred Lin Panshuang's boyfriend was.

But when I look at it now, he looks pretty handsome, but his clothes are too ordinary, right?

Li Lili's face was obviously displeased. The purpose of her coming today is to introduce Lin Panshuang to Erlang. Now that Lin Panshuang has a boyfriend, isn't her plan ruined?

Sitting on the spot, Jiro was also very unhappy.

Seeing Erlang's dissatisfaction, Li Lili stood up and asked sourly, "Panshuang's boyfriend is really a talent. I don't know what the family does?"

Lin chuckled and said, "I do chores at home and do everything."

Lin Kai is telling the truth. The Lin family does everything in Jiangbei, from real estate stocks to catering and sharing. The Lin family does everything.

But Lin Kai's words fell in everyone's ears, but they changed their taste, doing chores? Isn't that just a part-time job?

"It turned out to be the son of a wage earner!" Li Lili said strangely.

The smile on Lin Panshuang's face also disappeared. Although she knew that her best friend was a bit vain, she didn't expect that she had become so snobbish now and only recognized rich people.

"Since it's here, it's the guest, take a seat." Li Lili's boyfriend said at this time.

Li Lili's boyfriend's name is Zhang Bao, who is also a rich second-generation.

Lin Kai and Lin Pan both took their seats, and the meal officially began.

After the meal began, a fat man with a big belly stood up and held up a glass of wine in his hand: "Old classmates, it's been a long time! After graduating from high school, we went to different things, some are still in school, some are married. "

"Here, I have to thank Mr. Zhang!"

"Zhang Bao has set up a company by himself now, with an annual profit of one million, right? The cars now are of BMW level! Last time I hadn't been able to get through the difficulties so smoothly if you didn't help Mr. Zhang!"

Zhang Bao is Li Lili's boyfriend. Zhang Bao was boasted by the fat guy, with a somewhat triumphant smile on his face.

Everyone at the dinner table had their eyes brightened after hearing that Zhang Bao was so fluent now, and Li Lili's face was even more proud.

## **Chapter 258: Jiro**

### Chapter 258

After graduating from high school, Zhang Bao started a steel company by himself. He is now a small boss, earning millions of dollars a year.

This time the dinner party was proposed by Zhang Bao.

Hearing someone bragging about him, Zhang Bao was very proud of him, but he still waved his hand with an indifferent expression on his face.

“Hey, it’s a good idea to say these things. They are all old classmates. If you can help, I will help.” Zhang Bao said with a smile.

The fat man drank the wine and sat back in his seat.

Li Lili raised her legs at this time, with a triumphant expression on her face: “My family, Zhang Bao, is promising. At a young age, he is already a big boss with an annual income of one million, and a luxury car with hundreds of thousands of entries and exits.”

“Panshuang, listen to my sister’s words, to find a boyfriend, you have to find Zhang Bao, young and rich, so you can’t wrong yourself!”

“Look at the boyfriend you are looking for now. He looks good, but he is handsome and can’t be used as a meal. I advise you to look for a boyfriend in the future. You must find a rich one.”

Li Lili’s words were very straightforward. There was a burst of laughter at the scene. Only Lin Kai was an outsider on this table, and they ignored Lin Kai.

Lin Panshuang’s face also became a little ugly. Before attending this gathering, Lin Panshuang was mentally prepared.

She thought that pulling Lin Kailai by herself would save face.

But she didn’t think about it, and brought Lin Kai with her, instead she became the target of being ridiculed.

In the past, her sisters were more handsome than their boyfriends, but now, it doesn’t matter whether they are handsome or not, the important thing is who has money.

Lin Kai kept sitting in his seat without talking, just picked up his chopsticks to eat.

Seeing this scene, Zhang Bao also laughed: “Isn’t this you haven’t eaten in eight years? Also, such a high-end restaurant, I guess you have never visited once in your life. Eat, eat, don’t choke.”

There was another burst of laughter.

At this time, another person picked up the wine glass and stood up: “Erlang, besides Zhang Bao, you are the most promising among our group. I heard that you are now the manager of a large company with monthly income. Five or sixty thousand?”

After listening to his words, everyone looked at Erlang in unison, with a monthly income of 50,000 or 60,000? At their age, this is definitely a high income.

Erlang picked up the wine glass and said with a smile: "Haha, fortunately, five or sixty thousand a month is easy."

When saying this, Erlang's eyes looked at Lin Panshuang intentionally or unintentionally, as if showing off.

And Erlang looked at Lin Kai from time to time, as if mocking Lin Kai.

It's just a little white face. In this material age, without money, you are nothing.

But facing Erlang's provocation, Lin Kai didn't even glance at Erlang, just kept his head down to eat.

Erlang shook his head disdainfully, just a hillbilly, in such a high-level meal, he could not even speak.

At this time, Li Lili said to Lin Panshuang again: "Panshuang, how do you feel about Erlang?"

Li Lili ignored Lin Kai at all and asked Lin Panshuang directly.

Lin Panshuang frowned. She glanced at Lin Kai and then at Erlang. To be honest, Lin Panshuang didn't feel anything towards Erlang, but rather disgusted.

"Very good." Lin Panshuang still said out of courtesy.

But these words fell into Li Lili's ears, as if Lin Panshuang had already taken a fancy to Erlang, Li Lili was overjoyed at that time!

"Panshuang, let me tell you that Erlang now has not only an Audi a6, but also a large house of 130 square meters in the center of Yanjing City!"

Jiro straightened his back at this moment, with a smug expression on his face.

"You boyfriend, you are not as good as one tenth of Erlang's. What can you do if you are handsome? You won't have to live the same hard life in the future? But you are different with Erlang, and Erlang looks good, family The conditions are good, I think, its better to dump your boyfriend now and leave it to Erlang."

This time, Li Lili directly stated her purpose, looking at Lin Kai's eyes, it was a disdain.

Erlang also looked directly at Lin Panshuang, his eyes were full of possessiveness, Lin Panshuang was so beautiful, and Erlang wanted Lin Panshuang very much.

As for Lin Kai, he didn't pay attention to him at all. He was just a poor student who was still in college. What would he use to fight him?

Lin Pan's eyebrows frowned, apparently she didn't expect Li Lili to be so straightforward. For a while, she didn't know how she should refuse.

Seeing that Li Lili had already started talking, other people followed and persuaded: "Yes, Panshuang, you are so beautiful, you can't let this pig be arched!"

"Erlang is our old classmate. He is a nice guy. He is still young and promising now. What is good about your boyfriend now?"

"A little white face, hurry up and divide it!"

"It is estimated that he has never been to the Peace Hotel. Look, the first time you come to such a high-end restaurant, you can hardly stop eating. How can such a person be brought out?"

Everyone belied to Lin Kai for a while. They didn't know Lin Kai anyway, and helped Li Lili match the two people together. They still have some benefits to take in the future.

Lin Kai has not spoken, he has been eating, he is really hungry, and what other people say, Lin Kai did not take it into his heart, anyway, he also came to impersonate Lin Pan's boyfriend, by the way, protect her. Security, Lin Kai can't manage or don't want to manage matters between her classmates.

Lin Pan frowned and she finally couldn't stand it anymore, and said, "Enough! Lin Kai is my boyfriend. I love him very much. I hope you respect my boyfriend!"

Lin Panshuang became angry. At that time, the whole meal was quiet, and everyone stopped talking.

Li Lili also rolled her eyes, glanced at Lin Kai in disgust, and stopped talking.

"Eat food, eat food..."

The atmosphere suddenly calmed down. Lin Kai looked at the atmosphere a little embarrassed, and casually found an excuse, saying that he would go to the bathroom and then left the dinner.

After getting to the bathroom of the Peace Hotel and washing his face, Lin Kai walked out of the men's bathroom, but as soon as he left the house, Lin Kai was suddenly pressed against the wall with one hand.

Only three people looked at Lin Kai with unkind faces.

According to Lin Kai, it was the boy named Zhang Bao, who was strong and physically strong and looked down at Lin Kai.

The gaze that Erlang looked at Lin Kai was full of hostility. He tilted his head and was still moving his wrists, as if he wanted to beat Lin Kai.

Li Lili hugged her arm and glanced at Lin Kai: "Lin Kai, right? I will give you a warning and leave Lin Panshuang immediately! You are not good enough for her!"

Lin Kai was also taken aback, is this to threaten him?

"You don't take soaking urine to take pictures of you. It's just a stinky cock, and the laundry is all white. Hillbilly, you are not worthy of Lin Panshuang!"

## Chapter 259: Take A Taxi

Chapter 259

Zhang Bao cursed, spitting out a thick sputum under Lin Kai's feet.

Erlang shook the watch on his wrist and squinted his eyes to look at Lin Kai: "Boy, I'm interested in your girlfriend. If you know each other, after this meal, hurry up and divide it up, otherwise I'll let you get stuck in Yanjing. !"

Erlang is extremely arrogant.

Li Lili also took Zhang Bao's wrist and rolled her eyes, extremely disdainful: "Smelly dick."

Faced with the provocation of the three, Lin Kai didn't get angry. He just laughed and pushed away Zhang Bao who was in front of him with one hand.

Zhang Bao has a strong body, but in front of Lin Kai, as if he was just a three-year-old child, he was directly pushed away by Lin Kai.

"You!" Zhang Bao was furious, but Lin Kai had already passed him and walked to the dining table.

Zhang Bao looked at Lin Kai with a cruel look in his eyes. The more Lin Kai ignored him, the more angry he was.

Shouldn't he be afraid? Shouldn't he tremble all over? Shouldn't he kneel down excitedly and call his own master?

Why is he still as okay now?

Li Lili patted Zhang Bao on the back and said, "Brother Bao, when Lin Panshuang is away tomorrow, let's clean him up again. It's just a stinky cock."

Zhang Bao sneered, nodded, and waved, both Erlang and Li Lili followed him out of the corridor.

At this time, Lin Kai had already returned to the dinner table, and Lin Panshuang was very considerate to pick up dishes for Lin Kai.

But after seeing this scene by Jiro on the side, he hated it as a gritted teeth.

The meal lasted for about half an hour. After half an hour, when everyone was full of food and drink, Zhang Bao went to settle the bill, a total of 8,000 yuan.

At the checkout, Zhang Bao was very generous, as if 8,000 yuan was just a small amount of money in his eyes, but Lin Kai saw a slight pain in his eyes.

At the gate of the Peace Hotel, Lin Kai and Lin Panshuang once again became the focus.

Li Lili glanced at Lin Kai with her arm in her arms, and said, "Lin Kai, since you came by taxi, you can take a taxi and go back. I hope Shuangyou Erlang will send it back."

This is to drive Lin away!

Other people around also looked at Lin Kai playfully, seeing what Lin Kai did in the embarrassing meeting.

But Lin Kai didn't speak at all.

Lin Pan frowned and she was very dissatisfied with Lin Kai's performance. She asked Lin Kailai to give her a face, but Lin Kai never said anything during the dinner.

This made Lin Panshuang very unhappy.

Now he is embarrassed by Li Lili again, shouldn't he have to take him along?

Why didn't he react at all? Lin Panshuang was very angry.

"Since we don't speak, let's go!" Li Lili said with a smile.

After that, she took Lin Panshuang's hand and walked to the underground parking lot with Erlang and the others.

Lin Panshuang was also a little angry. She wanted to see what Lin Kai would do next, so she pretended to leave with Li Lili and the others.

When he arrived at the underground parking lot, Lin Panshuang looked back and was happy at the time. Lin Kai was in the distance with his hands in his pockets, and followed him unhurriedly.

It seemed that smelly Lin Kai still had some conscience, knowing that following him, Lin Panshuang was finally a little happy in his heart.

Soon, a group of people came to an Audi a6, which was Jiro's car.

This Audi a6 is more than 400,000 yuan. For this group of 21-year-old young people, it is already a big money to be able to drive an Audi!

Li Lili took Lin Panshuang's little hand, led her to Erlang's side, and smiled at Lin Panshuang: "Panshuang, have you seen this car? More than 400,000 yuan!"

"What is good about that poor boy in Lin Kai? Today you will go with Erlang and let Erlang take you home."

Li Lili smiled slightly, looking harmless to humans and animals.

But Lin Kai clearly saw that above Lin Panshuang's head, dark clouds shrouded and bad luck was overwhelming. The next bad luck of Lin Panshuang was definitely related to Erlang!

Lin Pan frowned, she really didn't want to go with Erlang.

But Lin Kai stood stupidly in the distance, which made Lin Panshuang very angry. The old lady chose you to impersonate my boyfriend, which shows that I still have something to say to you. Don't you understand it at all?

Lin Pan, who was depressed in his heart, nodded, and directly agreed, wanting to stimulate Lin Kai.

"Row."

Seeing that Lin Panshuang had agreed, Erlang was overjoyed. As long as she got in her car, Erlang was sure that he could win Lin Panshuang this evening!

Seeing Lin Panshuang's white and beautiful face and the waist of the willow branches, Jiro's heart was itchy.

At this moment, Lin Kai slowly walked over, and when Li Lili turned her head, she saw Lin Kai.

Lin Kai was standing next to him with a hesitant look. When Li Lili saw it, she frowned and looked disgusted.

“Yeah, why don’t you leave? I hope that Shuangyou Erlang will send it away. You go quickly. You won’t have no money for the taxi? Come and come, give you a taxi for 20 yuan.”

Li Lili threw 20 yuan to Lin Kai, just like sending a beggar.

There was also a burst of laughter all around, and everyone looked at Lin Kai with a very strange look. Lin Kai now looks like a beggar on the roadside.

At this time, there were two sounds of Didi, and a BMW car came out from the side. It was Zhang Bao’s BMW!

As soon as the BMW appeared, everyone gave way, and Zhang Bao, who was sitting in the BMW, was very proud.

They are all old classmates, surely none of you are as good as me? He bought this BMW new car and it cost 600,000 yuan!

Zhang Bao didn’t notice because he was too proud. With a bang, he accidentally hit a Mercedes-Benz.

There was a burst of exclamation around, Li Lili also ran over to check the situation.

“Ah! Mercedes!” Li Lili exclaimed.

But Zhang Bao, who was sitting in the BMW car, patted the steering wheel hard, cursed bad luck in his heart, opened the door and walked on.

Zhang Bao, who got out of the car, pretended to be indifferent again.

“Isn’t it just a broken Mercedes? If you hit it, you will hit it. The big deal is tens of thousands of dollars.”

Zhang Bao looked proud. Indeed, it was enough to pay tens of thousands of dollars to crash into a Mercedes-Benz. Zhang Bao took a look, and he just rammed the front of the Mercedes-Benz.

Tens of thousands is not a small number for him, but in order to pretend to be in front of his old classmates, he admitted.

But at this moment, Erlang’s expression was very exciting. He came to Zhang Bao’s side and stammered: “Bao...Bao brother, it’s going to be a matter...”

Zhang Bao looked at Erlang, whose face was pale, with a puzzled expression: “What’s the matter?”

“This is not an ordinary Mercedes-Benz, this is a Mercedes-Benz Maybach!” Erlang’s tone was shaking.

Mercedes-Benz Maybach? Zhang Bao took a closer look and, as expected, he ran into a Mercedes-Benz Maybach worth more than three million yuan!

## Chapter 260: Zipper Is Too Dazzling

Chapter 260 The Zipper Is Too Dazzling

Since this is a Mercedes-Benz Maybach, the repair cost of tens of thousands of dollars can not be paid.

Depending on the damage to this car, the repair fee would cost more than 100,000 to 200,000.

Two hundred thousand is not a small amount for Zhang Bao!

Although he verbally says that he can earn millions in a year, where is there so much in reality? Only seven or eight hundred thousand!

And the money he earns requires various inputs and wages to workers. Where is there so much turnover in a year?

Now I crashed into a Maybach and had to pay about 200,000 yuan. He really wanted to bleed heavily!

Zhang Bao was dumbfounded, Li Lili was dumbfounded, everyone was dumbfounded.

At this time, Lin Kai was standing not far away, with his hands in his pockets, with a playful expression on his face.

And Zhang Bao was still in anger at this time. Seeing Lin Kai actually gloating at the fun, Zhang Bao instantly became angry.

“You stinky cock, what do you look at? If it weren’t because your zipper was too dazzling, I could hit someone’s Maybach?” Zhang Bao roared.

Lin Kai was stunned, was he shot while lying down?

The zipper is too dazzling? Lin Kai glanced down, the zipper on his clothes, but the size of his fingernails, he actually said that the zipper on his body was too dazzling?

Li Lili's anger was not small at this time, and she said angrily at Lin Kai: "This time in the accident, you can't run! It's because of you, my brother Bao ran into this car, and you will lose money soon!"

What is the reason for this mess? Lin Kai was angry at this moment.

Seeing Lin joking, Erlang couldn't sit still anymore: "Smelly \*\*\*\* silk is stinky \*\*\*\* silk, and he's \*\*\*\* silly when he died."

Everyone's mood at this time is not very beautiful, after all, Zhang Bao ran into a Maybach!

Zhang Bao has been pretending to be big money from the beginning to the end, and now, he really can't pretend, he can get 200,000 yuan. The key is that after he took it out, he estimated that he didn't have much money to come out this year Up.

"Should we run now?" a fat man suddenly suggested.

Erlang glanced at the fat man: "Run? Where do you go? There is surveillance here, where can you run?"

Everyone was silent again, yes, there is monitoring here, even if they can run, where can they go?

At this time, a parking guy ran over with a flashlight: "What are you doing?"

Hearing the call of the parking staff, everyone was full of excitement, and it was over, even the parking staff found out, this time they couldn't escape if they wanted to run!

The parking guy came to the center of the two cars and took a look. After seeing the damaged front of the Maybach, the parking guy's face turned pale.

"This...who hit this?" the parking attendant asked tremblingly.

Zhang Bao stood up without saying a word: "I hit it."

Zhang Bao's face was also very ugly. He knew that he had to lose money today.

The parking staff was almost crying at this time: "It's over, this car is more than three million yuan! You crashed this car into this way, the car is mainly angry, you all have to eat and go!"

"You wait, none of them are allowed to leave, I'll get the key to this car!"

The parking man said, and ran away in a panic, but did not find the owner Lin Kai in the crowd.

Zhang Bao, desperate, glanced at the crowd and made a very nonsense proposal.

“In this way, there are exactly 20 of us, and each of us takes 10,000 yuan to settle this matter, how about?” Zhang Bao asked.

As soon as Zhang Bao’s words came out, the expressions of everyone on the scene changed.

Zhang Bao couldn’t get the money for repairing the car, but let everyone present to help him spread it?

Not everyone present is a local tyrant like Zhang Bao. Some have a monthly salary of only 3,000, and some are still in school. How can they get 10,000 yuan?

“Brother Bao, don’t you make one million a year? You can’t even get two hundred thousand, right?”

“Yes, Brother Bao, didn’t you just say that this car is a broken Mercedes? Why are we taking the money now?”

“Brother Bao, I’m a student, I can’t pay 10,000 yuan, you should think of a solution yourself.”

There was a sound of complaining from all around, and Zhang Bao actually asked them to pay the money, and they were somewhat unwilling.

Zhang Bao’s face is also ashen, two hundred thousand, and now there is no one to do it for him, what can he do?

At this time, Lin Kai, who was on the sidelines, suddenly laughed. Zhang Bao was already in anger. When he heard Lin Kai even dared to laugh, Zhang Bao was angry.

“Smelly dick, what are you laughing at?” Zhang Bao looked at Lin Kai.

As soon as Zhang Bao’s voice came out, everyone else also looked at Lin Kai.

Lin Kai touched his nose and said, “Since you can’t afford to pay, let me say, don’t lose, drive your car and go.”

Lin Kai waved his hand, he really didn’t want to waste time on these young children.

Hearing Lin Kai’s understatement, Zhang Bao was irritated at the time. Zhang Bao looked at Lin Kai with a foolish look: “Go? Who do you think you are? Are you the owner of the car? You know this is What car? Mercedes-Benz Maybach! More than three million cars, you can go if you say you can go?”

Li Lili pulled Zhang Bao's sleeve at this time: "Forget it, Brother Bao, don't worry about a stinky cock, what does he know?"

Zhang Bao turned his head to the side angrily.

Others also looked at Lin Kai with a contemptuous look. Lin Kai's ability to pretend to be so annoying was really annoying. He actually let them go? Didn't he know that there is surveillance everywhere in a society under the rule of law?

Lin Panshuang also began to worry about Lin Kai. Lin Kai was crazy when he taught Li Gang in the class. Why are you so confused now?

Lin Panshuang didn't understand.

At this time, Lin Kai put his hands in his pockets and said lightly: "This car is mine, I said, don't pay."

When Lin Kai said these words, the audience was silent for several seconds, and everyone looked at Lin Kai.

Then, a burst of thunder-like laughter broke out, and several people clutched their stomachs and laughed, and even burst into tears.

Zhang Bao was also amused by Lin Kai and looked at Lin Kai disdainfully: "Hahahahaha! Are you \*\*\*\* trying to tease me to death? Just you, a hillbilly, can drive a Maybach?"

Li Lili also clutched her belly and laughed: "Smelly \*\*\*\* silk, really bragging!"

Erlang also smiled disdainfully, leaning on his Audi and smoking.

Can Lin Kai afford a Maybach? Everyone didn't believe it. Zhang Bao understood the man's thoughts. If he had a Maybach, he would have liked to let the whole world know.

As for Lin Kai, he wears very ordinary clothes, and even his clothes are a bit old. Can such a person have a Maybach?

It's just a poor \*\*\*\* to die! This kind of awesomeness can also be blown out, and Zhang Bao laughed at that time.

## Chapter 261: Fly Away

### Chapter 261

Everyone was amused by Lin Kai's words, he actually said this Maybach was his?

Doesn't he know how much this Maybach will cost? More than three million!

But Lin Kai looked like he didn't even have three hundred dollars. Now he actually said that this Maybach is his? What a joke!

Li Lili hugged her arms and asked: "You said this Maybach is yours? Where's the car key?"

Lin Kai touched his pocket but did not find the car key. Lin Kai just remembered that the car key seemed to have been taken by the parking staff to park.

So Lin Kai said, "The car key is with the parking staff."

When Lin Kai said these words, there was another burst of laughter.

"Hahahaha! Really bragging, stinky, now I admire you for your bragging ability." Zhang Bao smiled disdainfully.

Everyone was mocking Lin Kai, and no one believed that Lin Kai was the owner of this Maybach.

Even Lin Panshuang didn't believe that this Maybach was driven by Lin.

Lin Kai frowned. No one believed that this Maybach belonged to him. Instead, these people mocked Lin Kai and made Lin Kai lose his last patience.

At this time, the parking man finally ran over with the car key, and Zhang Bao, after seeing the parking man, brightened up and greeted him.

"How is it? Did the owner find it?" Zhang Bao asked with great concern.

If the owner of the car is a very kind person, maybe they will consider Zhang Bao and his younger age, and don't want to pay so much compensation.

And the parking guy's face was not very good, he shook his head: "No, the owner did not leave the phone."

Hearing this, Zhang Bao patted his thigh with a look of regret.

Knowing that something like this would happen long ago, he shouldn't have driven out, and now he is in big trouble, he regrets it!

But at this moment, the parking guy's eyes lit up, he pushed Zhang Bao away and came to Lin Kai.

At that time, the parking man was so excited that he almost cried. The crowd looked for him thousands of times, and suddenly looked back, the man was in the small shop in the village!

Isn't the car owner in sight?

"Boss, I'm sorry, boss, these guys accidentally hit your car. This is your key..."

When the parker spoke, his tone was shaking.

Lin Kai took the key, and the others looked at Lin Kai and were stunned.

boss?

The parking guy called Boss Lin Kai? He also gave him the car keys. Could it be that this car was really driven by Lin?

Is Lin Kai bragging?

Zhang Bao froze. He couldn't react for a while. Does this kid really have a Maybach worth more than three million?

Could it be that he is the hidden rich second generation?

Everyone was stunned.

Lin Kai put away the key, took five hundred-yuan bills from his pocket and handed them to the parking staff.

"It's okay, you can go." Lin Kai said.

After receiving the five hundred-dollar bills, the parking staff was dumbfounded!

He is a parking clerk, every day he helps countless large sums of money to park, but those large sums are also given to him fifty and one hundred, and few give him five hundred directly!

Lin Kai is a real tyrant!

He didn't blame the parking staff for being hit by the car, but he actually gave a tip of 500 yuan.

Lin Kai took out the key, pressed it, and immediately made a beep, the Maybach's car lights flashed, and the car door was automatically opened.

In full view, Lin Kai sat in the Maybach, started the car, and drove out of the parking space.

Everyone was dumbfounded.

Zhang Bao's complexion kept changing, red for a while and black for a while, this Maybach was actually driven by Lin!

It's really the hillbilly he has always looked down upon!

Thinking of what he said at the dinner, Zhang Bao blushed. No wonder people kept not talking, but lowered their heads to eat. It was not because they were nervous or because they were not sociable, but because Lin Kai didn't bother and melt into him Zhang Bao's circle!

They drove a Maybach with more than three million, but he only drove a BMW with 600,000.

What Zhang Bao didn't know was that to Lin Kai, this Maybach was just like a toy car. There were hundreds of millions of luxury cars in his Lin's garage!

Erlang's face also became extremely exciting, at this time, Erlang's mood was very complicated.

He said a lot of bad things to Lin Kai just now, and robbed Lin Kai's girlfriend openly. He thought that driving an Audi a6 was enough, but he could buy seven or eight of his cars.  
!

Erlang's heart is extremely complicated. It seems that Lin Kai must be a big man. He has offended him. If he wants to avenge himself, then he will definitely not have a good life in the future!

That is a regret in Erlang's heart! I had known that Lin Kai was so awesome, he would not dare to \*\*\*\* Lin Kai's girlfriend to death!

Lin Panshuang was also extremely shocked. In the school, Lin Kai used so much money to beat Li Gang, she was already shocked.

She thought that the money was not Lin Kai's, but Lin Kai borrowed it to pretend to use it.

But now it seems that Lin Kai is a real rich second-generation, and even his car is a Maybach with more than three million!

Li Lili was the most disturbed in my heart, and she brought up all this.

It was she who proposed to kick Lin Kai out, and then brought together Erlang and Lin Panshuang.

But now she discovered that Lin Panshuang's boyfriend is countless times stronger than Erlang!

Also, with Lin Panshuang's appearance, how could he find a pauper boyfriend? They are looking for a handsome and rich boyfriend!

Now Li Lili's heart is a regret! Knowing that Lin Kai is so rich and powerful, she shouldn't have such a bad attitude towards Lin Kai, she should please Lin Kai, maybe she can still have some relationship with Lin Kai.

At that time she could also sit in Maybach.

But now, it was too late to say anything. She had already offended Lin Kai to death, and Lin Kai must be very disgusted with her now.

It may be possible to retaliate against a few of them in the future.

That's a regret in Li Lili's heart!

Lin Kai glanced at Lin Panshuang, the bad luck on Lin Panshuang's head had not disappeared, so Lin Kai beckoned to Lin Panshuang.

"Go, is it possible that you still want to take his Audi to go?" Lin Kai said helplessly.

When Lin Panshuang heard Lin Kai calling himself, he felt happy, and jumped to the side of Lin Kai's car, opened the door, and sat in.

After Lin Panshuang sat in, Lin Kai glanced at Zhang Bao and the others, finally showing a disdainful smile.

After that, Lin Kai stepped on the accelerator and walked away.

Only Zhang Bao was left looking at Maybach's car \*\*\*\* silly.

There is no need to lose money, but Zhang Bao and the others are not happy. On the contrary, their faces are so hot that they are all ashamed of themselves!

## Chapter 262: Omen

### Chapter 262

Lin Kai, who has been humiliated by them, is actually a real rich second-generation. His car is actually a Mercedes-Benz Maybach, worth more than three million!

Zhang Bao's faces were hot and painful, and they watched Lin Kai leave without any help.

Lin Kai drove directly out of the parking lot and headed for Yanjing University of Science and Technology.

Along the way, Lin Panshuang squeezed the corners of her clothes and looked a little nervous. It was the first time for her to ride in such a luxurious car.

"Lin Kai, I really didn't see it, you are actually a hidden rich second generation." Lin Panshuang said after sighing.

Lin Kai smiled slightly: "Hehe, I didn't hide it, but I like to keep a low profile."

In Lin Panshuang's mind, Lin Kai had cut points because Lin Kai was too low-key and kept silent.

She asked Lin Kai to pretend to be her boyfriend, not to let Lin Kai be bullied.

But when Lin Kai pressed the Maybach key in the parking lot, he was really handsome!

Not only did she restore her dignity, but it also made Lin Panshuang take great prestige in front of her old classmates!

They used to show off in front of Lin Panshuang, but now Lin Panshuang also showed off in front of them, Lin Panshuang suddenly understood why so many people like to show off their wealth.

It's really cool!

Soon, Maybach drove to the door of the girls' dormitory. Lin Pan reluctantly got out of the car and walked into the girls' dormitory.

But when Lin Panshuang left, the smile on Lin Kai's face disappeared, and instead was a solemn expression.

He took out his cell phone, and he received a text message on his cell phone, which was sent to him by the King of War.

"The perverted murderous madman has already appeared. He is a master. According to reliable information, the target has fled to Omen. Please come to the airport as soon as possible."

This is a text message from the King of War.

Lin Kai sent Liu Qiong a text message asking for leave and drove directly to the airport.

After arriving at the airport, Lin Kai parked his car in the parking lot and then came to a cafe in the airport.

After arriving at the cafe, Lin Kai sent a text message to King of War. About ten minutes later, five familiar figures appeared in the cafe.

All members of the King of War Special Team.

They are all plainclothes, some pretending to be a migrant worker, some pretending to be a white-collar worker, and some pretending to be a big money.

But now that the target had all escaped, they naturally didn't have to pretend, they walked in swaggeringly, and sat opposite Lin Kai.

Lin Kai glanced at the expressions on their faces, none of them looked very good.

Especially Mouse War, one arm was wrapped in a bandage, and the white bandage hung his arm around his neck.

It seems that Rat Warfare has already fought the perverted murderer!

"What? Is the target strong?" Lin Kai asked.

Rat Zhan sat opposite Lin Kai, took the coffee and drank it, and curled his lips: "It's more than a strong one? Even our boss can't beat him! This kid is a ghost. After we found out, he was there that night. Fleeing to Omen."

Lin Kai glanced at King Zhan's expression, and sure enough, King Zhan had a straight face, his expression extremely ugly.

This perverted murderous maniac is so powerful that it can make the King of War Special Forces collapse!

"We have also found out the background of this kid. He used to be the king of special forces in a certain military area, but he retired after he violated discipline."

"This kid inadvertently got into the habit of gambling and has completely lost his family."

"This time I went back to the mainland to commit crimes. The first was for female sex, and the second was for money. This kid grabbed a few big money and went to Omen with more than 10 million. Now he should be arrogant in a casino that I don't know. Gambling!"

Rat Zhan said in a breath, and patted the table angrily.

"There are not many people who can make our King Special Forces so embarrassed!"

Lin Kai nodded when he heard the words of Rat War. He also admired this murderous perverted monster in his heart.

He understands the strength of the King of War Special Forces, he must be a master if he can put the King of War Special Forces like this!

The King of War finally spoke at this time: "Its not too late. Lets set off now. There are six of us. Its too conspicuous to walk together. Two people will go to the major casinos in Omen for investigation. If you find this kid , Notify the rest of us immediately."

"He must be caught!"

There was an anger on Zhan Wang's face. With a click, a black pistol was thrown in front of Lin Kai.

Damn, even brought the gun?

The King of War said with an indifferent expression: "Lin Kai, this is your gun. If you encounter this kid, if you can't catch a live one, you'll be killed!"

The King of War was really angry this time, after all, that murderous demon had severely abused their King of War Special Forces!

Lin Kai put away his guns and walked into the airport with the King of War Special Team. After communicating with the airport's senior officials, the six of them successfully passed the security check with their weapons.

Get on the plane and the plane takes off.

...

About two hours later, the plane successfully arrived at Omen Airport.

The King of War, Lin Kai and others walked out of the airport and then dispersed to perform their tasks.

Lin Kai is in a group with the mouse warfare, whose melee ability is relatively weak.

The king of war and cyber warfare are a group.

The more powerful force battles and fierce battles are a group.

Six people, divided into three groups, swept the entire Omen Casino!

And the local police are also cooperating with the King of War Special Forces to carry out a cleanup of the entire Omen!

Lin Kai and Mouse Zhan took a taxi to their first destination today.

Saint King Casino.

There are many Omen Casinos in Omen, there are as many as thousands of casinos, large and small, and Omen is also the only place in China where gambling is legal.

The Saint King Casino is a relatively famous large casino in Omen.

On the way here, Lin Kai also knew something about this perverted murderous madman. His name was Cai An, he was addicted to gambling, and he learned a thousand-year-old trick.

Once Cai An was also a master of gambling. He also had a certain reputation in Longmen, with assets of hundreds of millions, but later because of encountering a master, he lost all his money and owed a debt.

In order to avoid being chased by the creditors, Cai An fled to the mainland. He became murderous and lustful. He cruelly raped and killed a dozen young girls and robbed several rich men.

With more than ten million assets, he returned to Omen.

He should now be forced to use this bet to grow himself, and then pay off his debt in Omen.

Therefore, Lin Kai's strategy was to gamble in various casinos in Omen to attract Cai An's attention, and after he discovered Cai An, he won Cai An in one fell swoop.

Anyway, gambling in the old is also legal, and Lin Kai also has a lot of fun. This time the arrest mission can also allow Lin Kai to experience the coolness of gambling.

## **Chapter 263: Saint King Casino**

Chapter 263 Holy King Casino

Twenty minutes later, Lin Kai and Rat War had appeared under the building of the Saint King Casino.

The Saint King Casino has seven floors, and its decoration is very stylish, with people coming and going at the door.

Mouse Zhan touched his mustache, a wicked smile appeared on his face.

"This Saint King Casino is just magnificent!"

Rat Warfare has already fought with Cai An, so Rat Warfare only appeared after careful disguise this time. The bandage on his arm has been removed, he put on a decent suit and a human skin mask on his face. It is hard to see that it was the previous rat war.

Rat War is a master of disguise! This is not a challenge at all.

Lin Kai nodded, and it was the first time he came to Longmen Casino.

“It’s style!” Lin Kai said with emotion.

The two entered the Saint King Casino together.

The first floor of the Saint King Casino is very lively. In the lobby, all kinds of people are gambling, chips are all over the table, and the exposed beauties and bunny girls roam among the crowd, smoke lingering. .

This is simply a holy land for gamblers!

Lin Kai came to the front desk where the chips were exchanged. Behind the front desk was a very beautiful young lady. Behind the young lady stood two big big men.

“Hello, do you need to exchange your chips?” The lady at the front desk smiled politely and said.

Lin Kaidao: “Give me 10,000 yuan in chips.”

“Ten thousand yuan?” The lady at the front desk was taken aback, and then smiled: “Sir, our Saint King Casino is divided into five levels. The first level is the first level, with only ten yuan in chips in circulation.”

“The second tier is level two, with only one hundred yuan in chips in circulation.”

“The third tier is a three-tier, with only 1,000 yuan in circulation.”

“The fourth level is level four, with only 10,000 yuan in circulation.”

“The fifth layer is the top level, with only 100,000 chips in circulation.”

“The sixth floor is the supreme private room, and the seventh floor is our work backstage. You can see which floor you need to go to.”

After Lin Kai listened to the introduction from the front desk lady, it suddenly became clear.

It seems that the design of Saint King Casino is very humane! Going down to the poor and the people, going up to the officials and wealthy, and coming to the Saint King Casino, they have their own circles.

Lin Kai and Mouse War looked at each other, tacitly, what level would Cai An choose to play? It must be 100,000 yuan!

He is anxious to turn over!

“Give me ten 100,000 yuan of chips.” Lin Kai took out his bank card and said lightly.

With a snap, Rat Wars grabbed Lin Kai’s arm and whispered to Lin Kai’s ear: “Ahem, Lin Kai, we don’t have that much money...”

“I pay for myself.” Lin Kai smiled helplessly.

The lady at the front desk didn’t dare to neglect. After swiping the card, Lin Kai successfully paid one million and obtained ten hundred thousand yuan in chips.

The Rat Wars on the side were all dumbfounded. How could Lin Kai be so rich?

Mouse Zhan and Lin Kai came to the elevator, took the elevator, and went directly to the fifth floor. After proving their identities on the fifth floor, Lin Kai and Mouse Zhan entered the casino.

As soon as he entered the fifth floor, Lin Kai immediately felt that he had come to a completely different place!

The decoration of the fifth floor is more luxurious! It’s golden everywhere! The golden front desk, golden golden dragon around the pillar, even the bunny girl, the quality is much better than the first floor!

Each of the bunny girls here is the best with hot body!

As soon as Lin Kai came up, a bunny girl twisted her \*\*\*\* and walked over and smiled sweetly at Lin Kai: “Hello, my name is Xiaofang, can I help you?”

Lin Kai laughed, “Hehe, give me a bargaining chip.”

Lin Kai handed the chips to the bunny girl. The bunny girl held a golden plate with ten red chips in it.

Rat Zhan looked like Grandma Liu entering the manor with a novel look on his face.

Lin Kai also wandered around in the casino.

Suddenly, Lin Kai discovered that there were many people around a gambling table, and Lin Kai also leaned over.

“That’s right? Won again? This guy is a gambler, right?”

“I’m going. That’s great, isn’t it? Ten games win nine games, this kid cheated, right?”

“It’s unscientific to single-handedly challenge Jinhua, no one is his opponent!”

...

There was a lot of discussion among the people around him, only to see a seventeen or eighteen-year-old boy standing with his hands behind him, with a faint smile on his face.

In front of him, there are already full of chips, and at a glance, it seems that there are tens of millions.

Singled out fried golden flower? Ten bets and nine wins? So strong?

You know, although Jinhua also relies on strength, it almost depends on luck. How did he win nine bets?

The rules of the game are relatively simple. Similar to a tractor, you can get a tractor like 4, 5, 6, or 789, even a big name.

As for how to play, it all depends on courage.

Lin Kai said silently in his heart, and immediately saw through the cards in front of them.

In front of the young man, there was a relatively large card, seven or nine, straight.

Opposite him is a sweaty middle-aged man. He has lost dozens of games and rarely wins.

He worked hard to rub the cards in his hands, and finally, he saw a big card!

JQK!

The same is also a straight! But his deck of cards is much more than a juvenile straight!

The middle-aged man burst into tears of joy and roared: “I’m \*\*\*\* up!”

I saw that the middle-aged man pushed all the chips in front of him, and it would be a pity that such a big card was not pressed.

The young man smiled slightly, from beginning to end, he hadn’t seen his cards.

I saw that he also pushed the bargaining chip in front of him, and said lightly: "Follow you."

Lin Kai frowned. How did this boy achieve a winning streak? Is it by luck?

The cards in his hand are not as big as those of middle-aged men!

His hand is just a seven-eight-nine, and the hand of the middle-aged man is almost the largest in a straight.

What card did he win against the middle-aged man?

The middle-aged man opened his card very excitedly, and everyone around him also made a sound of exclamation.

"Damn, Earth Dragon! Except for Tianlong, the in-place dragon is the biggest in Shunzi!"

"This time he is determined to lose! Make him so arrogant!"

"Yes, Earth Dragon, there are very few cards that can win Earth Dragon!"

...

Everyone exclaimed, the young man's face was not sad or happy.

With a snap, the boy opened his first card, seven of spades.

After seeing this seven, everyone laughed disdainfully, a seven, how can you win the middle-aged man's earth dragon?

Snapped! Another card was opened. This card is obviously an eight of spades!

After seeing this eight of spades, everyone held their breath, could it be his last card, the nine of spades?

If it is the nine of spades, then the middle-aged man will lose!

Although the seven-eight-nine is not as big as the earth-dragon, but if the flush is added, the earth-dragon can be eaten!

The middle-aged man also held his breath, and a confident smile appeared on the corner of the boy's mouth. With a snap, he opened the last card.

## Chapter 264: Leopard

Nine of spades!

This nine of spades came out, and the smile on the middle-aged man's face instantly solidified, and with a plop, he sat on the chair, his whole person dumbfounded.

"I... I actually lost?" The middle-aged man looked dull.

This is all his wealth! He also wants to count on these chips to turn over! But now, it's all entered!

A smug smile appeared at the corner of the boy's mouth.

Ten bets and nine loses, no smart gambler can beat him!

Lin Kai saw through his divine eyes that the ring worn on the \*\*\*\* of the teenager was obviously an organ ring. Lin Kai saw the exquisiteness of it. In that small ring, there was actually a small amount of it. Many potions.

But these potions were enough to allow him to change the suit of the card at the moment he opened the card.

Because this deck of cards is also passive.

"No money? If there is no money, let's go!" The surrounding gamblers made a noise and threw the sluggish middle-aged man out.

But at this time, no one dared to challenge the boy anymore.

At this moment, Lin Kai suddenly stood up and said: "Interesting, I will play with you."

When Lin Kai spoke, everyone looked at Lin Kai.

Seeing a teenager who dared to take the initiative to challenge the gambling master of the Saint King Casino, everyone exclaimed.

Lin Kai seemed to be too young, probably not as old as that master gambling player.

Moreover, Lin Kai's clothes are very ordinary, and the bunny girl beside him seems to have only ten chips in the tray.

Take a million, to challenge the gambler?

At that time everyone laughed out loud.

"I said, brother, your million is not enough to stuff people's teeth!"

“Yes, I advise you, where to go back and forth, this is not a place for you children to play.”

“You lose all your pants in a while!”

There was a ridicule of people around.

They didn't believe that Lin Kai could win that master gambler.

After all, the big guys who were all the rage in the casino just now have been here, but they were all taken care of by this one.

Lin Kai looks so young, can he win a gambler?

Even Mouse Zhan pushed Lin Kai, telling Lin Kai not to be impulsive.

Although he didn't know where Lin Kai got this million, their task was to capture Cai An, not to gamble here!

You Lin Kai is a special soldier, is it possible that you still gamble?

If you can, then you have to doubt whether you have a criminal record before.

Lin Kai ignored the rat fight at all, and said to himself: “I only have ten chips. If I lose, I won't play.”

The gambler also smiled slightly, and he didn't use his eyes to look at Lin Kai.

“Yes.” He nodded and said lightly.

Lin Kai stretched out his hand and said, “Let's deal with it.”

The croupier began to deal with three cards for a family.

You can choose to watch or not to watch.

Since Lin Kai had a divine eye, naturally he would not choose to look at the cards, but glanced through his divine eye.

Lin Kai laughed out loud after seeing his card.

Damn it, two three five.

What is two three five? Two, three, and four are straights, the smallest in straights.

And two, three, five, neither a straight nor a pair, is the smallest hand in the gold medal!

But two, three, five can only deal with one card, that is, Leopard.

What is a leopard? Three of the same cards are called Leopards!

However, the probability of the Leopard's appearance is too small, so most people will decisively fold after seeing their cards are two, three and five.

You can't win this card at all, okay?

Looking at the young man's card, Lin Kai was slightly shocked.

Right A! Add a square five.

One card short is the Leopard.

Lin Kai curled his lips deliberately and said, "Hey, I heard that this Leopard is very powerful, but I have not seen a leopard once after playing with the Golden Flower for so many years. Do you think this leopard exists?"

Lin Kai deliberately agitated the boy.

The young man smiled slightly and said nothing.

The people around all laughed: "Hahaha! Want to see a leopard? If the other party is really a leopard, you will be dumbfounded!"

"Yes! Leopards are invincible!"

"Although it is said that two, three and five can defeat the leopard, who the \*\*\*\* would dare to bet when he got two, three and five?"

"Yes, after all, two, three and five are the smallest cards."

Lin Kai smiled upon hearing this, and said, "Let's do it, I don't look at the cards, I will get all ten chips, and I will open you!"

Lin Kai was betting, he bet that the young man would turn his card into a leopard card!

Although his own two-three-five is the smallest card in the golden flower, but it just can beat the leopard.

Sure enough, the boy also took out ten chips from the pile of chips in front of him, and he followed.

"Please." Lin Kai smiled slightly.

The young man also sneered, snapped, and opened his own card.

A square A!

Everyone exclaimed, at the beginning there was an A! His cards are not small!

With another snap, only a plum blossom A appeared again!

Right A!

Is the card so big? Isn't he really a leopard?

The young man showed a triumphant smile, and the last card was opened by him. With a snap, it was another ace of spades!

It's really a leopard!

And it's the biggest card among the leopards!

Everyone was shocked.

It really means the leopard comes to the leopard!

Isn't this boy's gambling skill too clever?

How did he do it?

Everyone can't understand.

But the eyes they looked at Lin Kai were full of pity.

This child is so pitiful. It is estimated that this is the first time he gambled, and he came over happily with a million.

But what I didn't expect was that the opposite card was actually Leopard, there was no way to win!

Unless Lin Kai has two, three, five.

But the odds of getting a two-three-five are not great. Besides, who has a two-three-five in his hand and dare to bet? Because the chance of the opponent getting the leopard is very small, even smaller than two to five.

But two, three and five can't control anyone except Leopard, so they concluded that Lin Kai was defeated!

After Lin Kai saw the leopard brand, he also deliberately showed a look of shock.

“Really...is it really a leopard?” Lin Kai deliberately opened his mouth wide.

The young man smiled slightly, his eyes somewhat disdainful, as if mocking Lin Kai for not seeing the world.

At this time, Mouse War also covered his forehead. Although he didn't know much about gambling, he still knew how to play with Jinhua.

Lin Kai is sure to lose! Because Lin Kai didn't even look at the cards!

Lin Kai opened his first card at this time.

A two of hearts.

After seeing this two, everyone cut a two, a two, the smallest card in the golden flower, Lin Kai lost!

With a snap, a three of spades appeared.

three?

Everyone was taken aback for a moment, this card seems a bit familiar, isn't it really two, three, five?

The young man opposite Lin Kai also narrowed his eyes, looking at the last card in Lin Kai's hand.

## **Chapter 265: Than Size**

Chapter 265

“I don't believe that it is a five.” The young man looked at Lin Kai with contempt and said.

Two three five? The odds of getting this card were too small. Even if two or three had already appeared, he didn't believe that the last card in Lin Kai's hand could be a five.

Everyone also held their breath and looked at the last card in Lin Kai's hand.

Lin Kai tilted his head and laughed: “Oh, I don't believe it, but God won't let me lose.”

Snapped!

Lin Kai slammed the last card on the table, diamond five!

It's really two three five!

Everyone screamed, Lin Kai actually got a bad card like 235!

But it was this bad deck that made Lin Kaiji win!

What kind of courage and luck is this?

"I'm going to win this?"

"That's the biggest card among the Leopards, is it lost?"

"This kid is so lucky, he actually got the only card that can restrain the leopard, two, three, five."

"Yes, fortunately he didn't look at the cards, otherwise he would know that his hand is two, three and five, and he would definitely not dare to bet!"

Everyone talked a lot, and gave Lin Kai a thumbs up.

It was incredible that Lin Kai won, but no one thought it was his strength, everyone thought it was just Lin Kai's luck.

The mouse war on the side also wiped the sweat from his forehead and heaved a sigh of relief.

Unexpectedly, Lin Kai really has two brushes, both of which can win.

And the face of the gambler is very ugly, he actually lost to a teenager younger than himself?

Although one million is not much, but losing to Lin Kai, this is to slap him in the face!

Lin Kai smiled slightly and took the chips back, a total of twenty chips, two million!

Won!

"Do you want to continue playing?" Lin Kai tilted his head and smiled.

The teenager looked unconvinced: "Play! Deal the cards!"

The young man was obviously very unconvinced with Lin Kai. After all, he was a master of Thousand Skills. He lost to Lin Kai when he went out of Thousands. His heart was very unbalanced.

Lin Kai tilted his head while looking at the poker on the table.

“Well, it’s boring. If you want to play, let’s play it a little bit more exciting, one card per person, how about the comparison?” Lin laughed.

Than size?

People around exclaimed, is Lin Kai crazy?

Isn’t it pure luck to compare the size?

Besides, for a thousand masters, changing cards is the most basic skill for making a thousand, compared with the big and small. Isn’t this a finding to lose?

Sure enough, the boy smiled slightly, showing a triumphant smile.

Big and small, right in his arms!

What he is best at is to change cards. Lin Kai plays with him, it’s just looking for death!

“Yes.” The boy nodded slightly.

“The cards are dealt.” As soon as Lin Kai stretched out his hand, the dealer handed out a card to each of them.

Lin Kai smiled slightly and said: “One is the smallest, K is the largest, and the big and small are not counted.”

“Yes,” the boy said.

Lin Kai glanced at the opponent’s card through his own eyes, a six of spades, not too big or too small.

And Lin Kai glanced at his own card, one diamond two.

Almost the smallest card!

But Lin Kai didn’t panic, he pushed all the chips in front of him.

“I’m all in.”

Although the card in the young man’s hand is not big, a confident smile appeared on the corner of his mouth, and he also took out two million chips.

“With you, you play the cards first.” The young man smiled faintly.

This time he learned to be fine, he asked Lin Kai to open the cards first, and after seeing Lin Kai’s cards, he decided which card he wanted to change.

With a snap, Lin Kai didn't say a word, and threw his card on the table, a square two!

After seeing this square two, the audience was silent for a few seconds, and then thunderous laughter erupted.

Everyone laughed.

It's actually a square two! Except for A, it is the smallest of this box two! Who gave Lin Kai the courage to make him go all-in?

The teenager opposite Lin Kai was also amused. He doesn't need to change cards at all! With six of spades in hand, Lin Kai can win!

"Hahahahaha! I'm so ridiculous, you dare to go all-in with a two?"

"Is this kid silly? It seems that the first hand is really his luck! His cards are all small cards, hahaha!"

"This silly fork."

Even Rat War covered his forehead, a square of two, what would he win against the opponent?

With a confident look on the young man's face, he directly lifted the card in front of him.

"Sorry, I won." A triumphant smile appeared on the boy's face.

At this time, the laughter of the audience stopped abruptly, and everyone looked at the card in front of the teenager.

The expressions on everyone's faces began to change, from disdain to surprise, from ridicule to shock!

This... how is this possible?

After seeing the expressions on everyone's faces, the young man's heart also made a chuckle. When he looked down, the smile on his face began to freeze.

I saw that the six of spades before him had disappeared, and it was replaced by an ace!

"Impossible!" The boy exclaimed!

Just now he clearly saw that the card in his hand was a six of spades! How could it become A?

"You give a thousand!" the boy exclaimed.

Lin Kai looked helpless: "Evidence."

"I..." The boy was speechless for a while.

evidence? Thousands are called out only if evidence is found, and if no evidence is found, it is called gambling!

At this time, the boy realized that he had met a master.

The people around were also very shocked, one of the two, actually won?

It's really incredible!

Lin Kai took back all the chips in front of him, and two million became four million.

Making money in a casino is fast. Lin Xinli couldn't help feeling a little bit. No wonder so many people are addicted to gambling. The pleasure of collecting money is really amazing.

"Are you still playing?" Lin Kai asked with a smile.

"Continue!" The young man gritted his teeth and looked unconvinced.

This time, he must find a way for Lin Kaixuan!

The croupier dealt the cards again. Lin Kai glanced at the card in his hand. The card was still relatively large, a ten of hearts.

Lin Kai glanced at the card in the young man's hand, his card is also very big, a diamond king!

The biggest card!

After seeing the card in his hand, the boy also showed a triumphant smile on his face. I see how you win this time!

"It's all-in!" Lin Kai still bet on the old rules, betting all the four million chips in front of him.

The teenager still followed: "I followed!"

"Then let's open the cards." Lin Kai smiled mysteriously, and with a snap, the card in his hand fell on the table, a ten of hearts!

The cards are huge, but your cards are not as big as mine!

There was also a confident smile on the young man's face. He held the cards in his hand from beginning to end. He believed that Lin Kai had no time to change his cards.

This card in his hand is enough to beat him!

"you lose!"

## Chapter 266: One Billion

### Chapter 266

With a snap, only a square two appeared in everyone's field of vision.

After the audience was silent for a few seconds, a voice of doubt erupted.

Why did you lose again?

"I'm going! This kid is really amazing. Once he came out, this gambler never won!"

"Amazing!"

"The other party won't release water, right?"

...

After hearing the voices of everyone's questioning, the boy also looked down, and then his face changed drastically.

I saw that his square K did not know when it turned into a square two!

He lost again.

The loss is unknown.

The boy couldn't figure it out, how did the opponent change his card?

He obviously didn't even move!

For a while, the boy blushed anxiously and his neck was thick.

Everyone's eyes looked at Lin Kai also changed. Those who dare to gamble with a million are either real dishes or real cows!

Lin Kai has won him three times in a row, it looks like he is really strong!

Lin Kai took back the chips in front of him again, totaling 8 million.

“Sorry, I won again.” Lin Kai said with a faint smile.

The boy blushed and did not speak, his face was extremely ugly.

“Do you want to play again?” Lin Kai asked.

“Go on!” The boy refused.

The croupier dealt the cards again. Lin Kai had six clubs and his opponent had club three. There was no suspense. Lin Kai moved all in, but the boy failed to change his cards and lost to Lin Kai.

Eight million doubled to 16 million.

Continuing to play, Lin Kai had a nine of spades in his hand, and a king of hearts in his opponent’s hand. Lin Kai once again moved all-in, and the opponent’s card once again turned into an eight of hearts at the moment it was opened.

It lost to Lin Kai again, and 16 million became 32 million.

After another gamble, the boy lost again, and Lin Kai’s capital went from 32 million to 64 million!

At this time, the boy no longer dared to gamble, because he had no chips in front of him.

Lin chuckled, took his own chips, and walked away.

Simply comparing big and small, Lin Kai used one million chips in exchange for 64 million chips!

This is like picking up money!

Soon after, Lin Kai came to the slot machine.

Slot machines are very interesting. People who really play gambling will never play slot machines at all, because slot machines are controlled by computers, and people can control the odds of slot machines by controlling the computer.

So, you can never win money by playing slot machines in a casino.

But Lin Kai was very interested in slot machines and sat in front of a slot machine with great interest.

And behind Lin Kai, there were a dozen people standing, all of whom were gamblers. They were convinced by Lin Kai's gambling skills, and they all had to follow Lin Kai for a long time.

And Xiaofang, the bunny girl who followed Lin Kai, also smiled at this moment. The tray in her hand was full of 640 chips! More than 60 million!

Following Lin Kai, you can definitely get a huge tip!

Seeing Lin Kai going to play a slot machine, several gamblers behind Lin Kai kindly reminded: "Young man, you are good at gambling, but you should stop playing the slot machine."

"Yes, the slot machine is a money-swallowing machine. It won't give you money at all!"

"You are so good at gambling, why don't you find someone to gamble? Slot machines won't win money at all."

The people next to him reminded Lin Kai babbledly, even Mouse Zhan pushed Lin Kai, telling Lin Kai not to play this.

Lin Kai didn't listen, he directly put in a bargaining chip of 100,000 yuan, which is one million.

The person next to me is utterly speechless. One million is the same as a dime. This is really not money!

After that, Lin Kai turned the slot machine, and the icons on the screen began to turn. Soon after, a tiger head appeared.

Two tiger heads, three tiger heads, four tiger heads!

After seeing the four tiger heads, everyone was shocked. Four tiger heads in a row?

Five tiger heads, six tiger heads!

Actually all hit the tiger's head!

With a crash, I saw a lot of chips being thrown out by the slot machine.

Sixty-four million became seventy million!

The people around are stunned. Is this still a slot machine? This is an obvious money machine!

Lin Kai voted another million this time, and got another six tiger heads!

Seventy-six million!

Eighty-two million!

Eighty-eight million!

94 million!

One billion!

The people around had been shocked to the point of numbness, Lin Kai actually won more than 40 million with the slot machine!

Is this a \*\*\*\* human job?

After Lin Kai won 100 million, he stopped. He knew that he had to save some face for the owner of the casino, otherwise the money would not be easy to take away!

The Rat Wars on the side looked dumbfounded. Is this your comrade-in-arms? Isn't this \*\*\*\* purely a gambler?

It's better to pull the gambler.

At this time, on the seventh floor of the Saint King Casino, in a monitoring room, several people watched Lin Kai under monitoring and remained silent for a long time.

In this room, there are countless monitoring screens and dozens of staff members. It is simply impossible for them to leave a thousand silently.

And the boy who won over 60 million by Lin Kai stood in this room.

Next to him was a young girl, who looked twenty-three-four.

The girl was dressed in a black leather jacket, with a fiery figure and a nice face. Her hair was combed into a ponytail and draped behind her head. Her big eyes were very energetic.

"Sister, can you see how he came out of Qian?" the boy asked.

The girl shook her head: "No, he looks like a person who can't gamble."

"This is his brilliance, he looks like a rookie, but his way of doing things really makes me incomprehensible!" the boy exclaimed.

A smile appeared on the corner of the girl's mouth.

Bright smile.

“Hehe, no one can take away the money from our Saint King Casino for nothing, one hundred million? Hehe, he can’t take it away.” The girl’s mouth showed a sneer again.

“Steward Zhang.” The girl ordered.

A middle-aged man behind her stood up and said, “Yes.”

“Do you know what to do?”

“To understanding.”

Steward Zhang nodded and walked out of the room.

...

At this time, Lin Kai had achieved his goal. He had already figured out the fifth floor of the Saint King Casino, and did not find Cai An, so he and Rat War were about to retreat.

When he arrived at the front desk, Lin Kai handed over all the chips of one hundred million, and said, “Change me into RMB and transfer it to my bank card.”

The young lady at the front desk silently took the chips, then walked out of the front desk and disappeared in the corridor.

Lin Kai frowned, turned around and saw that behind him, he did not know when a dozen strong men had appeared.

More than a dozen strong men were holding weapons in their hands and looking fiercely. The exit of the fifth floor had been sealed. In the distance, many people were watching Lin Kai’s excitement.

The head of this group of people is naturally the housekeeper Zhang.

## **Chapter 267: You Pay A Thousand**

Chapter 267

“Young man, it’s still too crazy, it’s better to keep a low profile.”

“Yes, doesn’t he understand that Mu Xiuyu Linfeng will destroy it?”

“The owner of the Saint King Casino has a big backing! This young man won the Saint King Casino 100 million, and he must be a thousand. The Saint King Casino will not spare him!”

...

Everyone whispered and pointed at Lin Kai.

Opposite Lin Kai, there were a dozen burly men. These dozen burly men were not street punks, all of them were murderous, and their fierce eyes could shock ordinary people with just a glance.

These a dozen people are all cruel characters who have seen blood!

The weapons in their hands are also very professional, uniform electric batons, and use electric batons to watch the scene. It seems that this Saint King Casino is also a big business.

The leading middle-aged man, in his forties, had a fat body, was wearing a pair of glasses, and had a gentle appearance.

He put his hands in front of his lower abdomen with a polite smile on his face.

“I don’t know what is your surname, Mr. Zhang?” Steward Zhang asked.

“Menggui’s surname is Lin.” Lin frowned and replied.

The Rat Zhan’s body on the side of Lin Kai has already tightened. As long as these people in front of him move slightly, Rat Zhan will immediately attack!

“Mr. Lin, our lady of the casino has a request, please come with us.” Steward Zhang said with a wave of his hand.

It seemed that Steward Zhang had come to invite Lin Kai very politely, but the dozen or so strong men behind him had already explained that he had come to threaten Lin Kai.

As long as Lin Kai dares not to go, the dozen people behind him will definitely hit Lin Kai!

Lin Kai and Mouse Zhan looked at each other and smiled: “Yes.”

Lin Kaisu was not afraid, and directly agreed, not because he was afraid of the dozen or so people in front of him, but because he didn’t want to expose his skills to the public.

It would be bad if Cai An realized it.

A scornful smile appeared on the corner of Zhang's mouth. What kind of \*\*\*\* gambling genius? In the face of real force, can't you bow your head obediently?

Steward Zhang took Lin Kai and Mouse Zhan all the way to the seventh floor. At the door of a room on the seventh floor, Steward Zhang knocked on the door.

Soon after, a nice voice came from the room: "Please come in."

Steward Zhang led Lin Kai and Shu Zhan into the room. The room was spacious and luxuriously decorated. Behind a desk, he saw a beautiful woman in leather clothes.

The beautiful woman in leather clothing is twenty-three or four years old, with flaming red lips, and a hot figure. Her figure is drawn out tightly by a leather jacket.

Mouse Zhan just took a look, his eyes widened at that time!

And beside the woman, stood the young man who was won 60 million by Lin Kai.

Seeing Lin Kai and Mouse Zhan walk in, the woman smiled, her eyes scornful.

Steward Zhang "invited" Lin Kai to his seat and stood beside Lin Kai.

"Hello, introduce yourself. I am the daughter of the saint king among the two gods and eight kings of Omen. My name is Feng Yuqing. He is my younger brother, Feng Yulong."

Feng Yuqing turned over and sat on the table, looking at Lin Kai with interest.

Feng Yulong also showed a playful smile at the corner of his mouth, as if mocking Lin Kai.

Isn't your kid good at gambling? But in Lao Tzu's territory, still can't listen to Lao Tzu?

The daughter of the Holy King among the Eight Gods?

Lin Kai has also heard about these two gods and eight kings. The two gods refer to the gods of gambling and the fortune-telling, and the eight kings are the eight kings who are the most powerful in gambling except for the two gods.

This holy king is one of the eight kings.

"Oh." Lin Kai replied nonchalantly.

Seeing that Lin Kai was still so calm, Feng Yuqing laughed: "Hehe, don't pretend to be cold, you have come to my site, everything depends on me!"

Feng Yuqing looked at Lin Kai aloof.

“Let’s talk about it, how did you come out?” Feng Yuqing almost asked Lin Kai to answer in a commanding tone.

She concluded that Lin Kai was out for a thousand!

Otherwise, how could he win as many as 100 million unbeaten?

Although Saint King Casino has a big business, we can’t watch someone win them by 100 million in Saint King Casino!

“I didn’t pay a thousand.” Lin Kai smiled slightly and replied.

“Isn’t there a thousand?” Feng Yuqing raised her eyebrows and said with a slight anger: “Are you thinking of us as fools? You can change the cards in my brother’s hand, and you can make all the slot machines jump out of the tiger’s head. Didn’t pay a thousand?”

“Do you know how serious the consequences of being caught at the Saint King Casino?”

Feng Yuqing believes that Lin Kai is out for a thousand!

No one can make a slot machine jump out of the tiger’s head without paying a thousand, and no one can change the opponent’s card without paying a thousand!

Lin Kai’s method of getting out of Qian was too clever. Feng Yuqing didn’t know how Lin Kai made out of Qian, or she would have let someone cut off Lin Kai’s finger.

“If you don’t have evidence that I’m paying a thousand, I’m not paying a thousand, do you?” Lin Kai replied nonchalantly.

“You!” Feng Yuqing was furious.

With a snap, I saw a large stack of photos thrown in front of Lin Kai.

“Are you afraid that you don’t know the fate of Chu Chien who was caught? Now explain, I can spare you once, otherwise, your fate is like this in the photo!”

A large stack of photos appeared in front of Lin Kai. The photos were full of \*\*\*\* pictures of being beaten by various fingers, and some even had a whole hand broken!

And the background is Saint King Casino.

A sneer appeared at the corner of Feng Yuqing's mouth. She believed that Lin Kai would definitely say that no one could withstand such pressure.

Feng Yuqing asked Lin Kai's confession to be false, and wanted to get Lin Kai's thousand skills to be true, because Lin Kai's methods were too clever.

These photos can scare Lin Kai.

However, unexpectedly, after seeing these pictures, Lin Kai shook his head and smiled faintly: "I didn't pay a thousand dollars."

"Do you think I dare not do anything to you, right? Listen to your accent, from the mainland? Do you think you have an identity and background in the mainland, so you are not afraid of anything here?"

Feng Yuqing sneered: "Hehe, wrong! This is not the mainland! Here, even if you have a relationship with the sky, it is useless! In Omen, the two gods and eight kings are the biggest!"

"You don't recruit, are you? Come on, cut off a finger for me first!"

Feng Yuqing said sternly. As soon as she finished her voice, she saw two strong men rushing in from the door, one of them still holding a watermelon knife in his hand.

They directly pressed Lin Kai and Mouse War on the table, and they were about to cut off Lin Kai's fingers.

There was also a fierce look in Feng Yuqing's eyes. She did not become the principal of the Saint King Casino in vain. Her methods have always been vicious and vigorous!

She said that if one finger of Lin Kai is cut off, one finger of Lin Kai will be cut off!

But at this moment, a black pistol appeared, and the head of the person who had gone to pick Lin's fingers was held up by a black pistol.

"do not move!"

## **Chapter 268: Lin Family Status**

Chapter 268

Jiangbei is hot in August, Jiangbei City, the richest city in Jiangbei Province.

On the Jiangbei Ring Road, a Mercedes-Benz extended sedan is speeding on the road. An old man sitting in the co-pilot's position is the steward of Jiangbei Lin's family, Lin.

Butler Lin frowned at this moment, with a sad expression on his face.

In the back seat, there is a middle-aged woman who is about forty years old. Although the middle-aged woman is in her forties, her skin is well maintained, and she looks only in her early thirties.

It is not difficult to see that she was also a beauty when she was young.

She is Lin Kai's mother, Liu Yun.

At this moment, Liu Yun also frowned, her expression sad.

And sitting beside her was Lin Kai's uncle, Lin Lei.

Lin Lei was wearing a suit with a shaggy beard, a golden necklace around his neck, and a smug smile on his mouth.

I saw that one of his big hands was very dishonest to put on Liu Yun's shoulder, after being noticed by Liu Yun, he pushed Lin Lei away!

"Big brother! What are you doing? I'm your younger brother and sister!" Liu Yun said angrily.

Lin Lei laughed loudly when he heard the words, "Hahahahaha! Brother and sister? Lin Ting's skinny monkey is worthy of you? Let's follow my eldest brother!"

Lin Lei laughed, he was about to pounce on Liu Yun!

But at this moment, a black pistol stretched out from the position of the co-pilot, and Steward Lin was trembling and said, "Lin...Clan Master Lin, please respect yourself!"

Lin Lei glanced at the pistol in Steward Lin's hand, snorted coldly, sat back in his position, and pulled his suit.

"Bad old man, you have a lot of control!"

Liu Yun was so frightened, she sat up, clinging to the car door, deliberately alienating Lin Lei.

She was afraid of lei in her heart!

When Lin Ting was in power before, Lin Lei was a sibling, called a kindness, but now...

Things are not people, although Lin Ting is still the head of the Lin family, but the position of the head of the family is shaky, and Lin Lei, at this time, is the most prosperous figure in the Lin family!

Lin Lei looked out the window and said coldly: "Liu Yun, I hope you can figure it out, now the entire Lin family, I am the boss!"

"The whole Jiangbei, who dare not listen to what Lin Lei said? The trash Lin Ting in your family is indecisive. He is not worthy to be the head of the Lin family!"

Liu Yun heard Lin Lei's words and was very emotional: "Lin Lei! Are you still a human? You colluded with the major families in Jiangbei to attack the Lin family together! She also said that all of the shares in the Lin family should be sold out! As long as you are the head of the family, you will eat away. s things!"

Facing Liu Yun's scolding, Lin Lei was not angry at all, but sneered: "Haha, you are all forcing me!"

"Who made Lin Ting the head of the house? Why didn't he let me be the head of the house?"

"When I kill Lin Ting, I will kill the old immortal too! By that time, in the entire Lin family, I will have Lin Lei the biggest!"

"The whole Jiangbei, respect me, lei!"

"Hahaha!"

Lin Lei laughed wildly, his expression was a smug.

Butler Lin, who was sitting in the co-pilot, trembled, and he couldn't wait to kill Lin Lei with a single shot!

But he knew that he couldn't do that because Lin Lei was dead, and it would not benefit the Lin family at all.

Lin Lei's forces will frantically counterattack the Lin Family, and the Lin Family will only be shattered!

Liu Yun also shed tears of regret, she regretted it, she regretted believing in Lin Lei's food.

Lin Lei has been devouring Lin Ting's power over the years, and the two of them have actually found out, but they felt that brothers, yours and mine are the same, so they didn't care.

But now Lin Lei's power is already huge to a certain extent, he no longer puts Lin Ting in his eyes!

He is now colluding with outsiders to give Lin Ting a fatal blow!

Lin Ting, who was Lin Kai's father, was already controlled by Lin Lei at this time! Liu Yun seems to be free, but in fact she only lives under Lin Lei's surveillance!

"Lin Lei, if you do this, you will suffer retribution! Don't forget, we still have a small open!" Liu Yun said angrily.

"Lin Kai?" Lin Lei laughed disdainfully, and the immature figure emerged in his mind.

"What kind of storm can a little Lin Kai make? Even if he comes back, what can he do? I can crush him to death with one finger!"

"Does he think he is the young master of the Lin family? No! In Jiangbei, who doesn't know that Lin Lei is the real principal of the Lin family?"

"Lin Kai's old friends, who would help him! No one!"

"Besides, even if someone is willing to help him, what can he do? Hahaha!"

"It's just a small captain. Do you know why He Zhijun gave him the rank of captain? Just to please Lin Ting at the time!"

"Believe it or not, as long as I make a call, he will be expelled from the army immediately!"

Lin Lei's face was arrogant, Lin Kai, Lin Ting's son, he didn't take it seriously!

That's right, even Lin Ting can handle it. How could he be afraid of a little Lin Kai?

"Lin Kai, it's just a dog. Whoever gives him the bones, he will go with him, when he comes back, I only need to continue to let him live a chic life, then he will recognize me as godfather!"

"Recognize the thief as the father! Just think about it! Hahahaha!"

Lin Ting had an arrogant smile, and Liu Yun shed helpless tears at this time.

After hearing Lin Lei's words, she would rather Lin Kai not come back, even if Lin Kai came back, she wouldn't be able to help Lin Ting a little bit.

Instead, it will become a burden to Lin Ting.

Now Lin Ting was just struggling to support him, he couldn't stand it immediately, and the Lin family was about to change hands.

This is not what makes Liu Yun the most heartbroken. The most heartache is that the Lin family in the future will no longer be the largest family in Jiangbei. When the Lin

family is divided by many strengths in Jiangbei, it will become a second-rate family in Jiangbei!

All this is just because Lin Lei wants to satisfy his ambition to be the master of the house!

Soon after, the car stopped at the gate of Lin's Manor. Lin Lei got out of the car and walked straight into Lin's Manor.

Liu Yun looked at Lin Lei's back with a heartbroken expression on her face.

Steward Lin sat in the co-pilot and asked tentatively: "Madam, do you want to inform the young master to come back?"

After hearing this, Liu Yun quickly stopped: "No! Don't let Xiaokai be distracted. Even if Xiaokai comes back, he won't be able to help. It's better to make him happy."

Butler Lin nodded.

...

At this moment, after Lin Kai drew his pistol in Omen, the atmosphere in the entire room instantly solidified.

The two guys who were about to chop off Lin's fingers just now were so frightened that they trembling all over, did not dare to move.

Lin Xingli is cool. It seems that carrying a gun on mission is cool. Whoever wants to move Lao Tzu will draw his gun. It will not scare you to death!

Mouse Zhan also drew his gun and pointed it at the dozen or so strong men at the door, who didn't even dare to move.

Feng Yuqing was also dumbfounded, these two men actually carried guns?

## **Chapter 269: Afu**

Chapter 269

Lin Kai and Shuzhan drew their guns, and everyone around was dumbfounded.

The two men who had to draw their knives to chop off Lin Kai's fingers just now turned pale with fright.

Although it is Omen here, guns are also forbidden. Those who can use guns in Omen are all big shots.

Feng Yuqing smiled reluctantly at this time: "Haha, it must be a model, dare to use a gun in Omen, can you be too tired?"

boom!

As soon as Feng Yuqing finished speaking, there was a bang, and Lin Kai fired a shot directly towards the ceiling. This shot made everyone shake.

It's a real gun!

Lin Kai glanced at the dozen or so strong men behind him, and waved: "Get out and bring the door."

The dozen or so strong men looked at each other, and they had no choice but to obey. A dozen people obediently walked out of the room and closed the door.

After everyone was gone, Lin Kai put away his pistol and said, "A hundred million dollars in chips, can you cash it?"

Let Feng Yuqing have seen countless big scenes, but when facing Lin Kai with a gun, her face paled with fright.

"Dui, if you have something to say..." Feng Yuqing trembled.

Lin Kai laughed and said, "Is there something to say? Want to get my gambling skills? How about using such an indiscriminate method? Holy King? Haha, that's all!"

Hearing Lin Kai insulting her father, Feng Yuqing gnawed her silver teeth, not daring to talk back.

In this matter, she was indeed wrong to seal Yuqing.

There is no flaw in Lin Kai Chuanchu, that is, gambling. She caught Lin Kai without any evidence, and she broke the rules.

But she wanted Lin Kai's gambling too much.

"Call now and transfer one hundred million to my bank card, quickly." Lin Kai said lightly.

Feng Yuqing nodded and waved, Feng Yulong behind her went to do this.

Soon after, Lin Kai received a text message on his mobile phone, stating that one hundred million had been transferred to Lin Kai's bank card.

"Goodbye!" Lin Kai smiled playfully, and wanted to leave with Rat War.

But at this moment, there was a loud bang, and the door was kicked open. A burly man with a height of 1.9 meters rushed in!

The brawny man's hair is red, very conspicuous, with a black beard, the whole person looks very...sand sculpture.

"The crow is flying!"

He only heard the sturdy man roar and jumped directly from the place! More than three meters high in one jump! Like an eagle spreading its wings, it attacked the rat war!

Mouse Zhan's eyes widened, he drew his pistol with a brush, and quickly pointed the pistol at the brawny man.

The brawny man widened his eyes in the air, changed his posture in the air, and with a bang, saw the brawny man kneeling directly in front of Rat Zhan, and his knees knocked out two holes in the ground.

"Excuse me..." The strong man bowed to Rat Zhan very sincerely.

"Afu!" Feng Yuqing exclaimed.

"Afu?" Lin Kai raised his eyebrows and looked at this man named Afu with interest.

Ah Fu looked at Feng Yuqing, his face blushing with helplessness.

"Miss, I'm sorry, Ah Fu tried his best..." Ah Fu said.

Feng Yuqing was also a little excited, tears in her eyes.

Lin Kai shook his head helplessly, waved his hand, and wanted to leave the room.

But at this moment, Feng Yuqing suddenly stopped Lin Kai: "Wait a minute!"

Lin Kai stopped and looked back at Feng Yuqing: "What?"

"I want to discuss a deal with you." Feng Yuqing said through her teeth.

"What deal?" Lin Kai raised an eyebrow and asked with interest.

"I'll give you four hundred million! Please help me challenge once!" Feng Yuqing said.

"What is the answer?" Lin Kai asked.

“Tomorrow, there will be a gambling meeting between my father Saint King and one of the Eight Kings of Ghost King. It is a competition between my father and the Ghost King. Whoever loses will need to give up ten casinos!”

Ten casinos? Lin Kai raised his eyebrows, a big deal!

In Longmen, casinos are very profitable, and the net profit of a casino is several hundred million a month.

Ten casinos, it's a gamble! The one that wins will definitely grow! The loser's power will shrink significantly.

Lin Kai and Mouse Zhan looked at each other, and they both understood each other's thoughts.

Since it is a gambling club, Cai An is very likely to appear, so they have reasons to participate in this gambling club, can make money, and find suspects, killing two birds with one stone.

“I promised, the money hits my card.” Lin Kai said with a slight smile.

“Give you Ah Fu's phone number. Ah Fu is a local snake in this area. If there is anything you can call Ah Fu!” Feng Yuqing said at last.

With a flash, a business card flew over. Lin Kai took the business card and put it into his pocket and left the Saint King Casino.

Three minutes later, Lin Kai received a text message reminder that he already had a fortune of one billion in his bank card.

This is a billion! Lin Kai in his last life never dreamed that he could earn a billion!

These billions, every sum of money is Lin Kai's own conscience, it is not black money.

This billion is enough for Lin Kai to live a life of style.

After walking out of the Saint King Casino, we came to the bustling Omen street, which is westerly, and there are antique castles everywhere, not to mention high-rise buildings.

Walking on the street, Lin Kai felt only the prosperity of Omen and the copper smell of money.

When it was night, Lin Kai also felt that he was hungry, so he went to a restaurant for dinner with Mouse War.

After dinner, Lin Kai and Mouse Zhan came to a five-star hotel. Lin Kai opened two rooms and stayed in two rooms.

At about nine o'clock in the evening, Lin Kai's door was knocked, and Lin Kai opened the door and saw Rat Zhan standing outside the door.

He was wearing a pair of colorful beach pants, a white shirt on his upper body, and a pair of flip-flops on his feet. He was wearing it as a chic.

"What are you doing?" Lin Kai was unclear.

"Hey, it's hard to come out to perform the task, of course I want to relax! Change clothes, I'll wait for you at the door!" Rat Zhan said, and walked off the hotel.

Lin Kai was confused, relax? Is it possible...

Lin Kai's eyes lit up and he quickly changed his clothes. Soon after, Lin Kai, who was also wearing flip-flops and big pants, appeared downstairs in the hotel.

Soon after, a taxi drove over, the two got in, and the taxi departed.

"Where are we going?" Lin Kai rubbed his hands excitedly.

His nineteen-year place is finally going to be broken?

Big health?

Cool to think about it!

Mouse War smiled and said: "I heard that there is a cruise ship in Omen, which departs at 9:30 every night and arrives at 6 in the morning. I heard that there are many beautiful women on the cruise and there are many foods. It is a shame not to go and see it! "

Lin Kai heard that, most of the energy in his heart suddenly went down, it turned out to be a cruise ship.

Soon after, the taxi drove to the beach, and a huge cruise ship named Pearl suddenly appeared in front of Lin Kai.

## **Chapter 270: Pearl**

Chapter 270 The Pearl

The Pearl is very huge, like a small land, on top of the Pearl, there are three layers of cabins, the entire cruise ship is covered with colorful lights, very dazzling.

From afar, Lin Kai and Mouse War had already seen the beautiful bikini girls standing on the cruise ship.

Rat Zhan's saliva almost drained: "Hey, Lin Kai, you pay, I have no money."

Lin Kai couldn't laugh or cry, nodded, and walked towards the entrance with Mouse War.

It was already 9:28, and there were two minutes left before the boat sailed. At the entrance, a conductor was about to take back the way to board the boat.

Mouse War stopped the conductor in time: "Hey! There are us!"

The conductor stopped his movement and frowned as he watched Rat Zhan and Lin Kai running over.

"Why did you go early? How about the tickets?" The conductor urged impatiently.

ticket?

Rat Zhan and Lin Kai were both stunned.

"Aren't you a ticket office?" Lin Kai asked.

Hearing Lin Kai's words, the conductor rolled his eyes and said, "We must grab a ticket online in advance. Three thousand and eighty tickets are sold. I don't sell tickets here. I only collect tickets. If I don't have tickets, I will leave.

Need to book online in advance? Three thousand and eighty? Mouse war was dumbfounded.

Lin Kai smiled slightly and said, "I'll pay 20,000 yuan and let us two in."

After hearing Lin Kai's words, the conductor stopped his movements.

Twenty thousand? Secretly adding two people to the Pearl is not a big problem, right?

At that time the conductor coughed dryly: "Ahem, hurry up, but I remind you, if you don't have a ticket, I can't give you a bracelet. If you get caught on the Pearl, don't confess me."

"Yes." Lin Kai nodded and agreed.

Ever since, Lin Kai paid 20,000 yuan and entered the cruise ship with Rat War.

After entering the Pearl, the Pearl officially went to sea. Lin Kai and Mouse Zhan looked left and right on the Pearl, and they were all new to everything on the Pearl.

The Pearl is too big, and on the Pearl, there are all kinds of delicacies, lobster and abalone, everything.

Lin Kai and Shuzhan came to the giant deck, tasting the food, blowing the sea breeze, and looking at the beautiful women.

It was also the first time that Rat Wars came to such a high-end place to consume, and it was a little ecstatic for a while.

“I said Lao Lin, you said this Omen’s girl is Shui Ling, it’s great for you to look at this figure.” Mouse Zhan smiled.

Lin Kai also smiled.

At this moment, a group of beauties passed in front of Lin Kai and immediately attracted the attention of Lin Kai and Mouse War.

This group of beauties, all of them are top-level beauties, and they seem to be young, eighteen or nineteen years old.

They all wore bikini suits, but they walked a little shyly, and deliberately covered the most important part of their bodies.

It looks like this is a group of female college students.

The person who led them was a middle-aged man in his thirties with dark skin and seemed to be a serious person.

At this time, a girl walking in the forefront couldn’t help but ask: “Sir, is what you said at school today is true? As long as you come to be a model for one night, you can get five hundred yuan?”

The middle-aged man walking in the front stopped and said impatiently: “It’s true, don’t ask! After tonight, I will give you money right away!”

The girl who was murdered by the middle-aged man shrank her neck and did not dare to ask any more, so she obediently followed the middle-aged man to the bow.

Lin Kai smiled helplessly. It turned out that it was a few female college students. It seemed that it was the first time to come out to pick up a job.

Being a model, 500 yuan a night?

With their figures, they are indeed worth five hundred yuan.

Lin Kai and Mouse Zhan were blowing the sea breeze, feeling the comfort on the Pearl. In the cabin, there are bars and discos, in which countless hot beauties are twisting their hot bodies.

But Lin Kai didn't even bother to go to Die.

Lin Kai and Mouse Zhan found a sofa, lay on it, sipped some wine, and looked at the distant scenery.

After about half an hour, Lin Kaigang was a little sleepy, but was awakened by a scream.

Sit up from the sofa, turned her head, and saw a \*\*\*\* several sofas in the bow of the ship, holding her chest in horror, and stood up from the sofa.

At the bow of the ship, there were a few sofas and a table. Sitting there were a few Kushao, and the girl who was taken by the middle-aged man just now was caught in the middle of those Kushao.

"Aren't you here to be a model? Why are you here to accompany you?" a girl yelled in horror.

The faces of the other girls also showed horror. They wanted to go, but they had no way to go.

Sitting on the sofa, a Kuo Shao showed an unpleasant look on his face and glanced at the middle-aged man.

The middle-aged man was furious, slapped and slapped the girl in the face.

"Presumptuous! It's your honor for Master Lu to accompany you! Sit down for me!" the middle-aged man said furiously.

The few Kuo Shao who sat on the sofa drinking also showed playful smiles.

"Yo-yo-yo, this chick just came out of college, right? Yes, tender enough, I want this!"

"Don't fight with me, I want this girl! I'll serve my master tonight, and you will enjoy it tomorrow!"

"Hahahaha! I want all the rest! I will let them know tonight what is a man's hero!"

"Lu Shao is mighty!"

“Hahahaha!”

...

A burst of laughter sounded, and the few Kuo Shao didn't care about the feelings of these girls at all, but chose each one.

The middle-aged man also laughed, it turned out that he cheated these girls! He didn't let them be some models, but let these girls accompany the wine!

Everyone knew what would happen when they finished drinking.

The movement here also attracted the attention of others, but none of the people on the boat dared to manage the nosy of the group of young masters.

You can book a deck at the bow, and there are thousands of bottles of wine on the table. These few people are not simple roles.

A girl panicked after hearing the words of Kuo Shao, and stood up and wanted to run.

But Kuo Shao, known as Lu Shao, sneered, got up and grabbed the girl's hair, and pulled the girl back!

He only heard a soft cry, and the girl fell directly on the sofa, Lu Shao showed a smirk on his face, and pulled open his shirt.

“Run? Little bitch, what are you pretending to be innocent? Did you see what this is?” Shao Lu directly picked up a large stack of hundred yuan bills from the table and hit the girl's face with a snap.

And the girl couldn't stand the insult, and couldn't help crying.

“Senior Sister...”

## **Chapter 271: Lu Shao**

### Chapter 271

At this time, the girls could no longer restrain the fear in their hearts and hugged each other and sobbed, their appearance was so pitiful.

The hundred-yuan bills floating in the air also attracted the attention of the people around. After a while, a scream rang, and some even applauded and cheered.

Those who can board this cruise ship are rich people, most of them are rich second generations. These rich second generations are basically not good birds. Seeing Lu

Shao and the others insulting the female college students, they would just stand by. Even applauded and screamed.

The girls could only feel despair at this time.

They were deceived, deceived by the middle-aged man, they were not here to be models at all, but to be the ladies who accompanied the wine!

Several of them haven't talked about boyfriends yet! Now that they are being humiliated by so many broads and young people in public, their hearts simply cannot bear the pressure.

Lu Shao tilted his head and gave a smirk, and pulled out the most beautiful girl, and threw it on the deck.

With a plop, the girl landed violently, and her knees were all red and swollen.

"Little bitch, you accompany me tonight, Young Master!" Lu Shao smiled.

People around cheered.

The girl stepped back, shaking her head, with a look of fear, and tears fell like money without money.

"No, no, Lu Shao, please let me go, I haven't talked about boyfriend, let me go..." the girl pleaded.

After hearing that the girl hadn't talked about her boyfriend, Lu Shao's eyes were even brighter.

"Hahahaha! Then I can't let you go! Don't worry, Shao Lu is very gentle and definitely makes you feel no pain!"

"Hahahaha!"

Everyone around showed wretched smiles.

The girl turned her head to look at the crowd, how eager she is now that someone can stand up and help her!

But on this ship, everyone has a cold face, they will only look at themselves coldly, and even laugh.

Don't they treat themselves as human beings?

The girl was desperate, she felt the world so dark for the first time.

At this time, I saw Shao Lu take off his clothes to reveal the muscles of his upper body. He hung his shirt around the girl's neck and led the girl into the cabin like walking a dog.

The girl's face flushed red when she was strangled, she couldn't breathe, and her tongue came out, but then Lu Shao ignored it.

The young masters who came with Lu Shao, at this time, all grabbed one or two girls and walked to their rooms.

The middle-aged man who brought the girl with him had a pleased smile, and he was picking up money on the ground.

Seeing that the few Kuo Shao were about to enter the cabin, a young man came to the door of the cabin and blocked the way of those people.

"A group of beasts, are you doing this called human affairs?" Lin Kai stood at the door of the cabin, holding a wine glass, looking at the few Kuo Shao in front of him playfully.

Then Shao Lu stopped after meeting Lin Kai, and they froze for a long time.

On this cruise ship, anyone dares to take care of their nosy?

Lu Shao was stunned for a long time, but did not respond.

The young masters around also looked at Lin Kai, their eyes a little dumbfounded.

As soon as Lin Kai stood at the door of the cabin, the entire deck was quiet. All the beautiful women and girls looked at Lin Kai, and then a burst of discussion broke out.

"Damn, who is this kid? Dare to block Lu Shao's path?"

"Is it impatient to live?"

"Shao Lu is a good player in the Saint King Casino! I heard that you are in charge of the number one hundred and ten! If you dare to block Lu Shao's path, it's nothing but death!"

...

There was a burst of discussion around.

The girls caught by the young masters also looked at Lin Kai, as if they had seen a life-saving straw.

But they looked carefully at Lin Kai's dressing, and their eyes showed hopelessness again.

An eighteen or nine-year-old boy, or a person, is not a child of a wealthy family, depending on how he looks dressed. What's the point of rushing up with a passion?

The end was just a beating, maybe he would be thrown into the sea.

The young masters also reacted, and a young master grabbed Lin Kai's collar with an arrogant expression.

"Who the \*\*\*\* are you? Do you dare to block Lu Shao's path?"

Lin Kai smiled slightly, tilted his head and said, "It doesn't matter who I am. Let go of the girls. I don't need to care about you today."

As soon as Lin Kai said this, the audience burst into laughter after a few seconds of silence.

"Hahahahaha! Are you \*\*\*\* teasing me? Are you talking to Shao Lu? You are threatening Shao Lu? Just you? Don't take a \*\*\*\* to force you, you are worthy of threatening Lu. Shao?" The Kuo Shao smiled arrogantly.

After Lu Shao looked at Lin Kai up and down, he laughed disdainfully: "It's just a stinky cock. The clothes you wear are probably only a hundred yuan, right? I really don't know what your vain \*\*\*\* is like. Its estimated that youve saved up money for several months for the Pearls 3,800 tickets? Without that financial condition, why should you try to live the life of a rich person? Stinky, its about Shao Lu. Son, do you dare to control?"

As soon as Lu Shao's words came out, a burst of laughter rang out.

Shao Lu's clothes are all over a thousand yuan, and the watches on the watches are all tens of thousands of famous watches!

Look at Lin Kai again, a pair of colorful beach pants, a white half-sleeved, and flip-flops at his feet, like a \*\*\*\* who is in college.

At this time, a Kuo Shao pointed at Lin Kai's wrist and exclaimed: "Lu Shao, look, he doesn't have a bracelet!"

Shao Lu also looked at Lin Kai's wrist and laughed loudly: "Hahahahaha! No bracelet? It seems that I overestimated you just now. You are not a poor \*\*\*\* who saves money to board the boat. You are just one. The hillbilly who sneaked in!"

"Can't afford the three thousand and eight tickets? Sneak up? Want to see the lives of the rich? You are a hillbilly and poor \*\*\*\* like you, are you worthy? Your father and mother didn't tell you when you were born. Have you ever? You must be self-aware! A poor \*\*\*\* is a poor dick, get out of me!"

After Lu Shao insulted for a while, he pushed Lin Kai, trying to push Lin Kai away, but Lin Kai didn't move.

Lu Shao frowned. The owner of this ship had a big background. Shao Lu was unwilling to do anything on the boat. That was not to give the owner of the boat. But now Lin Kai toasts and does not eat or drink fine wine, which makes Lu Shao very happy angry.

At this moment, a broad young man who looked so ignorant that Lin Kai asked angrily: "Smelly dick, don't let go? Do you know who Lu Shao is?"

"You know the two gods and eight kings of Omen? Shao Lu is in the Saint King Casino! Shao Lu is a supervisor at the Saint King Casino! In charge of a large-scale casino! Shao Lu is the number one hundred and ten, believe it or not. With this ship, you will be hacked to death?"

## Chapter 272: Give Me A Face

### Chapter 272

The holy king?

Lin Kai raised his eyebrows, no wonder he was so arrogant. In Omen, no one dared to provoke the two gods and eight kings.

The young man in front of him, known as Lu Shao, was a supervisor under Shengwang.

There are hundreds of casinos under Shengwang, and each casino will have a supervisor who controls the lifeblood of the casino and generates millions of dollars in revenue every month.

No wonder it was so arrogant, it turned out to be a supervisor under the Saint King!

Seeing Lin Kai not speaking, Shao Lu smiled triumphantly. He knew that Lin Kai was scared!

In Omen, no one is not afraid to mention the Holy King!

The poor \*\*\*\* in front of him, he was also scared, Lu Shao's heart was a triumph at the time, enjoying the worship-like gaze of everyone, he felt that he was already floating.

Unexpectedly, Lin Kai suddenly asked, "Since you are the person of the Holy King, what is the relationship between Ah Fu and you?"

Lin Kai suddenly thought of Ah Fu. Shengwang Casino was the largest casino under Shengwang, controlled by Feng Yuqing and Feng Yulong. That Ah Fu seemed to be Feng Yuqing's most trusted subordinate.

The supervisor in front of him is so arrogant, so Ah Fu, is he also a supervisor?

Hearing Lin Kai's words, Lu Shao's expression changed drastically, and he angrily rebuked: "Presumptuous! You can call Lord Fu's name directly?"

Fu Ye?

After hearing the words Fu Ye, everyone on the ship's complexion changed. Fu Ye, that is the most trusted subordinate of the Saint King!

Ah Fu is also a well-known figure in Omen. Ah Fu is also very skilled. It is said that seven or eight big men cannot approach Ah Fu.

And Ah Fu is in charge of all the people under the Saint King, and the supervisor of every casino is actually Ah Fu's subordinate.

After hearing the words Afu, Shao Lu's expression changed drastically, and he angrily accused Lin Kai.

People around were also talking about it.

Lin Kai smiled when he saw Lu Shao's reaction, "You call Ah Fu as Lord Fu? So, you are Ah Fu's subordinate?"

Hearing that Lin Kai actually took a mouthful of Ah Fu, Shao Lu was furious at that time: "You hillbilly! Shut me up! Ah Fu is what you can call? Fu Ye is also on this ship! Believe it or not at any time. Can you throw you into the sea to feed the fish?"

"You poor dick, you don't want to talk about the pearl number, and you dare to spoil the good things of Lao Tzu! You can call Fu Ye's name? I think you are the old birthday star who eats arsenic, and you are tired and crooked! If you are heard by Fu Ye In a word, I can guarantee that you will never get out of the Pearl alive!"

Shao Lu was furious and yelled at Lin Kai, and everyone looked at Lin Kai.

A younger brother next to Lu Shao immediately said, "Lu Shao Lu Shao, dont be angry with Lu Shao. He is just a hillbilly. It's not worth it to be angry for a hillbilly! You know, Shao Lu, you are a daughter of gold. , Saint Kings casino still has to depend on you to maintain it. If you get furious, where can Saint King find you such a smart and capable supervisor?"

"Furthermore, look at this country boy. All he wears is street stall goods. The pants are estimated to be bought for ten yuan each. Such a poor \*\*\*\* is not worth your anger at all!"

After being praised by the younger brother around him, Lu Shao's mouth also showed a triumphant smile.

Shao Lu patted the little brother's head and said, "It's reasonable."

The little brother immediately showed a flattering smile.

At this time, the college students who were caught by Lu Shao were desperate. They were all college students studying in Omen. After hearing that the people who caught them were actually the people of the Saint King, they no longer embraced them. Any glimmer of hope.

Saint King, one of the eight kings of the two gods of the Omen, and this Shao Lu, who is also a supervisor under the king, ask the entire Omen, who dares to provoke the eight kings of the two gods?

Look at the young man in front of him. Although he looks handsome, he is alone and dressed in poor clothes. He still sneaked aboard the boat. Can such a person save them?

Their tears fell down uncontrollably, and the girl who was caught by Shao Lu cried even more: "Brother, leave us alone, you...you run away..."

The girls are also out of good intentions. Lin Kai wants to save them. It is good, but before saving people, he has to weigh his own jins.

Lu Shao stared at Lin Kai, he had a bottom in his heart, Lin Kai must be scared now, he would definitely get out of it right away!

Unexpectedly, at this time Lin Kai actually said: "Since you are from Ah Fu, it is easy to say, Ah Fu, I know, give me a face, let them go, I will not care about you."

As soon as Lin Kai said this sentence, the audience was silent for several seconds again.

Then, thunderous laughter broke out.

Almost everyone laughed, not just Lu Shao and the others, everyone on the deck laughed!

Even the girls caught by Lu Shao and others were almost amused by Lin Kai's words.

Lin Kai is too capable of acting too hard, right?

“Hahahahaha! I’m so ridiculous, you’re a \*\*\*\* cock, you’re so \*\*\*\* pretending, do you still know Fu Ye? You call Fu Ye Fu? Let us give you a face? You \*\*\*\* count How old are you?”

“I’m afraid this person has a serious paranoia. He sneaked on the Pearl and thought of himself as a big man of the old. Now he wants to be a hero to save the United States, and he said he knows Fu Ye?”

“Hahaha! Stupid one!”

...

There was a burst of laughter, and everyone looked at Lin Kai like a fool. Lu Shao and all of them laughed, tears almost bursting into their eyes.

Lu Shao laughed and looked at Lin Kai with disdain: “Just you still know Fu Ye? Before the next bragging, please change into tens of thousands of sets of clothes, please wear more than 100,000. A piece of watch, please buy a ticket on board, so that bragging rights will be convincing, hahahaha!”

As soon as Lu Shao’s words came out, there was another burst of laughter around him.

Looking at the lively rat wars in the distance, he laughed. He was lying on the rocking chair, drinking red wine and eating snacks. He was so uncomfortable, he had no idea of nosy.

Because he knew that Lin Kai looked like a clown, but it was actually Lin Kai teasing them.

“You don’t believe me, do you? I gave you a chance, but you don’t cherish it!” Lin Kai shook his head helplessly.

“Fuck you! I have no time to play with you! Go and call the security guard. This kid got on the boat without buying a ticket. According to the rules, he must be thrown into the sea now!” Shao Lu completely lost his patience. , Ordered.

Someone immediately called the security guard.

Shao Lu didn’t dare to do anything on this ship, but he could find security! Lin Kai doesn’t have a wristband, which already shows that he sneaked aboard the ship without buying a ticket.

When the time comes, the security will never show mercy to him, and will only throw him into the sea to feed the sharks!

The owner of this ship is someone Lin Kai can’t afford to provoke!

## Chapter 273: Security Supervisor

### Chapter 273

There was a tumult from the people around, and Lin Kai was really done this time!

Lin Kai got on the boat without buying a ticket. According to the rules, Lin Kai was going to be thrown into the sea!

And here is a long distance away from Omen, even if Lin meets to swim, he will never go back to Omen.

In other words, when the security came, Lin Kai had a dead end!

For so many years, no one has ever dared to mix the Pearl without buying a ticket, because without a bracelet, the end is a death!

No one dared to make trouble on that one's territory.

Soon after, there was a sound of footsteps, and only a few strong dark-skinned foreign men came over, as well as a leading yellow-skinned Chinese.

The security director came to Lu Shao and nodded.

"Shao Lu, what's your order?" The security supervisor showed a very cautious look.

Lu Shao smiled proudly, pointed at Lin Kai, and said, "Supervisor, he doesn't have a bracelet. According to the rules, should he throw it into the sea to feed the fish?"

After hearing what Lu Shao said, the security chief looked at Lin Kai. There was indeed no bracelet on Lin Kai's wrist.

"Sir, please show your wristband." The security supervisor asked politely.

Lin Kai was very free and easy, shook his head, and said, "No, I spent 10,000 yuan to let the conductor let me in."

After hearing Lin Kai's words, there was another burst of laughter around him.

"Hahahahaha! Really bragging! Also spent ten thousand? The tickets here are only three thousand and eight, you are ashamed to say that you spent ten thousand to come in?" Lu Shao laughed.

The security supervisor also frowned. Indeed, Lin Kai looked like a poor student with no money.

And he actually said without shame that he had spent 10,000 to come in, which made the security supervisor very upset.

It seems that you are young and a little pity you, wanting to save you once in a while, but you are so arrogant, it is indeed very uncomfortable to see.

“So, you don’t have a bracelet anymore?” the security supervisor asked.

Lin Kai shook his head and said, “No.”

After hearing Lin Kai’s answer, the several strong foreign men behind the security supervisor were already ready to move. They couldn’t wait to throw Lin Kai into the sea to feed the fish.

They wanted to see Lin Kai struggling in the water, and wanted to see Lin Kai’s helpless expression, God, how cool would that be?

The security supervisor still sympathized with Lin Kai. He knew how serious the fate of boarding the ship without buying a ticket was. Lin Kai was still so young, he didn’t want to see Lin Kai die in front of him.

So, the head of security asked Shao Xiang Lu: “Shao Lu, did this kid offend you?”

Lu Shao nodded: “This kid is more than offending me? I arrested a few female college students, and this kid wanted me to let go!”

As he said, Lu Shao pulled the hair of the female college student beside him.

Seeing those female college students caught by Lu Shao and others, the security supervisor frowned. He was also very uncomfortable with what Lu Shao did.

But he couldn’t manage it. This ship has the rules of this ship, and the guests’ private affairs, they are not easy to intervene, even if he no longer understands what Lu Shao does.

Turning around, the security supervisor looked at Lin Kai and said angrily: “Now, I give you a chance to kneel down and kowtow to Lu Shao to apologize. Otherwise, I will throw you into the sea to feed the fish!”

While speaking, the security supervisor blinked at Lin Kai, and he had tried very hard to hint that Lin Kai was already.

He could let Lin Kai go, but Lu Shao might not agree. Now only Lu Shao agrees can Lin Kai survive!

Lu Shao also looked at Lin Kai arrogantly. He was looking forward to it, looking forward to the scene of Lin Kai kneeling down in front of him just now.

The female college student who was held by Shao Lu also nodded to Lin Kai with tears, motioning Lin Kai to agree quickly.

Now is not the time to do it! Only if you kneel down can you survive!

But Lin Kai was as arrogant as ever. He said, "Why should I kneel down? I won't apologize!"

"You!" The head of security heard Lin Kai's words and became angry at the time.

He scolded Lin Kai for more than a hundred times in his heart, and he was still screaming when his death was about to come!

There was also a playful expression on Lu Shao's face: "Supervisor, you can see, it's not that I didn't give him a chance, but he didn't cherish it! People who don't put Pearl in his eyes will not throw them into the sea. Feed the fish, I'm sorry for the one who made the rules on the Pearl!"

The security officer's face turned black. He knew who Lu Shao was talking about. He was threatening him with the owner of the ship!

The security supervisor had tried his best. At that time, he waved his hand and said sternly: "Throw it into the sea to feed the fish!"

As soon as this sentence came out, there was a burst of cheering around, and the faces of many broad and young people showed excitement!

Countless people have ran to the side of the boat, they all want to see how Lin Kai died in a while!

Human nature is a rarity on this ship.

At that time, several strong foreign men walked towards Lin Kai. Lin Kai smiled slightly and stepped back: "Mouse war!"

"coming!"

At this time, only a laugh from the mouse Zhanxie, and a swish, sprang from the spot!

Rat Warfare used two hands and two feet to force together, and his limbs were climbing fast on the ground. For a moment, Rat Warfare was jumping up and down on the boat like a sacred ape, so fast that people could not see clearly!

Those strong foreigners didn't know what was going on, they only felt a burst of vigor, and then a sharp pain came from their faces!

boom!

A strong foreign man was kicked in the face! This kick directly knocked him out!

The Rat War rushed to the back of a strong foreign man like a ghost and kicked his crotch.

After a while, I only heard the sound of killing a pig!

Mouse Zhan relied on his flexibility and treated these brawny men as monkeys. After a few rounds, all the brawny men had fallen to the ground, and Mouse Zhan touched his nose and stood beside Lin Kai.

Regardless of the fact that the mouse is not very tall and is particularly thin, his skill may be the weakest in the King of War Special Forces, but it is still a matter of picking up a few strong foreign men.

Several strong foreign men were brought down, and the whole ship was silent for several seconds.

Shao Lu looked at the strong foreign man in the same place and was stunned for several seconds.

This person, there are accomplices? Still able to fight like this?

Looking at his wrist again, he also didn't have a wristband. Did these two people sneak in together?

The security chief frowned at this time. This matter has become very serious now. Two people without bracelets sneaked into the Pearl, and the person who hit the Pearl, this is the biggest disrespect to the owner!

The security director knows that these two people are really dead ends!

Shao Lu obviously understood this, and he laughed at this moment: "Hahahaha! Two idiots! Dare to do something on the Pearl? Waiting to be imprisoned!"

## **Chapter 274: Mr. Jiang**

Chapter 274

The owner of the Pearl, in Omen, can be described as a great figure in all directions!

Although not as powerful as the two gods and eight kings, no one dares to provoke them in Omen.

Lin Kai broke his rules, and even beat people on the Pearl in public. This time, even if the gods came, Lin Kai could not be saved!

Everyone on the boat also exclaimed. No one thought that Lin Kai was so arrogant that he dared to do something on the Pearl!

Isn't this looking for death?

Lets not say that he is a cock, even if he is a big man like Lu Shao, who makes trouble on this ship, no one can save him!

The security chief frowned. He just wanted to save Lin Kai's life, but now, even the gods can't save Lin Kai.

Because Lin Kai fought, but that person!

"Hahaha! You're done! Wait, waiting for you, it will be Mr. Jiang's sanction!" Lu Shao laughed.

Mr. Jiang is the owner of the Pearl. No one knows what his name is, only people call him Mr. Jiang respectfully.

The security captain also took out the intercom and explained to Mr. Jiang what was happening on the deck.

The people around laughed. Many people even took out their cameras and prepared to take pictures.

That's Mr. Jiang, who is famous in Omen. He appears and must take pictures!

"This idiot, whoever hit Mr. Jiang, no one can save him this time!"

"He just made his own mind! First he slipped onto the Pearl, then took care of Lu Shao's affairs, and then beat Mr. Jiang's people. Isn't this looking for death?"

"So, stay away from this kind of person in the future. You don't know when God will attack him, lest it hurt you."

...

There was a sound of discussion around, and everyone was talking about Lin Kai.

Shao Lu's proud face became more obvious.

The look on the girls' faces became more desperate.

It seems that only the rich and powerful can hold true justice on this ship, and there is no justice among the poor!

Because Lin Kai couldn't stand to stop him, he was thrown into the sea to feed the fish.

Because he did not buy tickets through formal channels, he had to bear such a severe punishment, and he had to pay the price of life.

The power of power, the overlord clause, all of this was seen by Lin Kai!

Omen is indeed a paradise for the rich! Here, the rich is the father!

Lin Kai could see more clearly now.

Soon after, a loud noise sounded, and a group of people in black appeared from the cabin.

This group of people in black is incompatible with the others. The passengers on the cruise ship are all dressed in casual clothes. Only their suits and shoes are murderous.

And in the middle of them, surrounded by a middle-aged man in his fifties, he was wearing a black Chinese tunic suit with a crutch in his hand, a wenwan walnut in the other hand, and a beard at the corner of his mouth, Came out slowly.

As soon as he appeared, everyone on the boat screamed, and this one is Mr. Jiang, who is a master of Omen!

As soon as Mr. Jiang appeared, the people on the boat were excited. The hot beauty wanted to be Mr. Jiang's woman, and the burly man wanted to work with Mr. Jiang.

If you can have a relationship with Mr. Jiang, you will not only have a lifetime of worry-free food and clothing, but also a lifetime of prosperity!

The people Mr. Jiang had brought directly surrounded Lin Kai and Mouse War. Mr. Jiang walked out slowly, looked at Lin Kai up and down, and then at the security supervisor.

"It's the two of them that put all your people down?" Mr. Jiang asked, squinting.

The security supervisor nodded with a look of shame: "Yes."

Snapped!

I saw Mr. Jiang slap on the face of the security director. The security director's face was red at the time, and blood dripped from the corners of his mouth.

"Trash!" Mr. Jiang scolded.

"Yes." The security supervisor didn't dare to talk back.

Mr. Jiang looked at Lin Kai and Rat Zhan, and smiled: "Hehe, the future is terrible, dare you not buy a ticket on my boat, and dare to beat me on the boat, do you know who I am?"

Lin Kai squinted at Mr. Jiang and said, "Who are you? I don't know."

After hearing Lin Kai's arrogant words, instead of being angry, Mr. Jiang laughed.

"Hahaha! Interesting, I think you have good courage, and that kid is also good at skills, so let's follow me to do things in the future." Mr. Jiang said.

As soon as Mr. Jiang said this sentence, the whole scene was boiling!

what?

For making trouble on Mr. Jiang's boat, instead of being severely punished, he became someone next to Mr. Jiang?

You know, how many people can't become the person next to Mr. Jiang!

And those two stinky boys, who did nothing, just made a fuss on the Pearl, can they become the people next to Mr. Jiang?

You know, Mr. Jiang is very famous in Omen, and his gambling skills are very superb. Mr. Jiang is worth tens of billions, and he can become a person next to him, and he can ascend to heaven!

When Shao Lu heard what Mr. Jiang said, his eyes widened, what? Mr. Jiang wants to accept these two people as his side?

If the kid in front of you really became the person next to Mr. Jiang, then his status would be the same as himself! And you have to look at other people's faces when you are in other people's territory!

Lu Shao's heart was hanged at that time.

Lin Kai squinted his eyes and looked at Mr. Jiang and laughed: "Hehe, in this world, those who want to subdue me Lin Kai are either better than me, or more rich and powerful than me, you say, what do you have? One?"

Lin Kai didn't put Mr. Jiang in his eyes at all!

His words are extremely arrogant! He looked down on Mr. Jiang, and even more down on Pearl!

Mr. Jiang narrowed his eyes and said, "You mean, I am not as strong as you, nor do I have money and rights without you?"

Lin Kai smiled: "Rely on your own understanding."

At this time, Shao Lu couldn't sit still, he knew that his opportunity to perform was here!

I saw Shao Lu jumped out: "Well, you poor dick, even Mr. Jiang dare to stand up, do you know who Mr. Jiang is? Mr. Jiang can be equal to the two gods and eight kings in Omen. You actually said that Mr. Jiang is not as strong as you? Without you, the right to have money?"

The people around watching the excitement were all stunned. Lin Kai was so arrogant!

I was crazy when facing Shao Lu, when facing the security supervisor, and now facing Mr. Jiang, he is still so crazy!

Many people think that Lin Kai may have some problems in his mind, otherwise how dare to offend so many big people?

Could it be that he couldn't think about wanting to die?

Mr. Jiang narrowed his eyes, and his face also showed an unpleasant look: "Hehe, since you look down on me, I have nothing to say. If you broke my rules on my boat, then you have to follow my rules. Come, come, break your legs, throw it into the sea, life and death, wealth and wealth in the sky!"

## **Chapter 275: Fu Ye Appeared**

Chapter 275

Just after saying this, a dozen people in black slowly walked towards Lin Kai and Mouse.

They looked murderous, and weapons such as daggers appeared in their hands.

They are not the group of people who were brought down by the Rat War just now. Everyone in this group is a top master!

They are Mr. Jiang's personal guards!

There was a sneer on Lu Shao's face, if they took action, Lin Kai would definitely die this time!

And Mouse War also laughed, with a playful look on his face. It's been a long time since he stretched his muscles and bones, come on! Fight today!

There was no fear on the faces of Mouse War and Lin Kai!

Lin Kai was even a little impatient, he didn't want to do it at all, because the group of people in front of him had no desire to let Lin Kai do it.

Lin Kai only longed to fight the strong, and didn't want to abuse a group of rookies.

At this moment, I saw that Lin Kai's hand had touched the pistol behind him. To deal with this group of roosters, Lin Kai still liked to use hot weapons to conquer them!

But at this moment, a burst of laughter rang out, which completely disrupted Lin Kai's thinking.

"Hahahahaha! What happened? It's so lively?" A man's voice came over.

Everyone looked inside the cabin one after another, only to see a man with a big haircut and a group of little brothers who were dressed and dressed up to kill Matt came out.

All of the dozen or so little brothers have tattoos. Although they seem to kill Matt, their eyes are still very murderous, and they are also a group of masters.

After seeing the man's face, everyone cried out in exclamation because it was Ah Fu!

Ah Fu, the manager of the casino under the Holy King, spread the crow all over Omen by plane!

No one does not know Ah Fu's name, Ah Fu represents the Holy King!

After seeing Ah Fu, many people cried out in exclamation. Some even picked up their phones and started taking pictures. Mr. Jiang and Ah Fu appeared at the same time. This is a big scene!

And Mr. Jiang also looked back at Ah Fu, with a smile on his face: "A Fu, it's okay to sit in the cabin, I'll go back later, let's take a good gamble."

Mr. Jiang patted Ah Fu on the shoulder, like an old friend for many years.

Because Lin Kai was surrounded by men in black, A Fu didn't see Lin Kai for a while.

“Hey, I heard that some people are making trouble on Mr. Jiang’s site. They dare to make trouble on Mr. Jiang’s site. Don’t you look down on Mr. Jiang? Let me see who is so bold!”

Ah Fu looked angrily and behaved very angry.

A Fu is not angry, it is true to give Mr. Jiang face, Mr. Jiang smiled at the time and patted A Fu on the shoulder.

“Afu, small things, you can do it without trouble.”

At this time, Lu Shao was very excited.

Because he saw his boss!

He is also Saint Kings subordinate, but he is only responsible for managing one of the hundreds of casinos under Saint Kings hand. Unlike Ah Fu, he manages these hundreds of supervisors!

So, Ah Fu is his immediate boss!

At that time, Shao Lu showed a pleased face and passed by: “Fu Ye?”

Ah Fu looked at Shao Lu, frowned, and asked, “Who are you? You look familiar?”

Lu Shao smiled and said, “Hey, Lord Fu, I am the director of Heping Road Casino, and I am your subordinate! Lord Fu, can’t you remember it?”

Having said this, Ah Fu suddenly realized, and patted his head: “Oh, come to think of it, isn’t Xiao Lu?”

Hearing Ah Fu calling himself Xiao Lu, Shao Lu’s face was bright at the time, his face was bright!

Do you see it? Fu Ye knows himself!

At that time, Shao Lu glanced at Lin Kai very proudly, as if showing off.

The surrounding Kuo Shao all bowed to Lu Shao, expressing admiration.

At this time, Lu Shao said next to Ah Fu, “Fu Lord, on this ship, someone dares to openly challenge Mr. Jiang’s rules, and knowing that you are on the ship, this is simply not giving you face!”

Shao Lu was deliberately fanning the flames, he wanted Lin Kai to die!

He wants to let Lin Kai know that if he offends him, the end will be very serious! He also has to pretend to be a force in front of his friends, letting them know that he is the celebrity in front of Lord Fu!

As soon as Ah Fu heard it, his eyebrows raised: "Oh? Who is it? Come and listen."

Seeing that Ah Fu was interested, Shao-Yu Lu gushed out at the time: "There are two boys who sneaked on the boat without buying a ticket, and they also exaggerated and said that they spent 10,000 yuan on the boat, and I still have to take care of my business. After being discovered by the security guard, he actually beat the security guard. He didn't put Mr. Jiang in his eyes at all. Just now, he actually said that Mr. Jiang is not worthy of being his boss. Go to Mr. Jiang?"

"Such an arrogant person, even Mr. Jiang doesn't pay attention to it. Even if you know that Lord Fu is on the Pearl, you dare to make trouble. Are you ridiculous?"

"By the way, Lord Fu, this kid said that he knew you, let's give him a face and end the matter. Are you funny? A poor \*\*\*\* who can't even afford a ticket, actually said that he knew you and wanted us Give him face!"

When Ah Fu heard it, he became interested at that time, so crazy?

And also said to know yourself?

Ah Fu laughed at that time. The people he knew were all predators in Omen. He didn't know any hillbilly or poor dick.

The people he knows are all rich or powerful! A person like Lu Shao is not considered to know him Afu at all.

A person who can't even afford tickets, actually said he knew himself? Ah Fu smiled playfully and asked, "Really? Where is this person now? I want to see who came out by my name, Ah Fu!"

Lu Shao saw that he knew that he was a success, and smiled triumphantly.

Lu Shao pointed to Lin Kai who was surrounded by the crowd, and said, "It's him!"

Everyone looked at Lin Kai in unison, and almost everyone had a sneer on their faces. This time, Lin Kai was completely finished!

He not only offended Mr. Jiang, but also offended Ah Fu! Ah Fu's methods are extremely cruel! Being caught by Ah Fu is worse than death!

The girls also showed desperate expressions on their faces. Even big figures like Mr. Jiang and Ah Fu came forward, and their virginity was destined to be impervious.

Ah Fu also smiled playfully, pushing away from the crowd and looking at Lin Kai who was surrounded by the crowd.

The moment he saw Lin Kai, the smile on Ah Fu's face instantly solidified, it was him?

Ah Fu was very impressed with Lin Kai. He still remembered the moment Rat Wars used his gun to withstand his head. Now looking at the waists of the two of them, it seems that they are still bulging, and they both carry guns!

Feng Yuqing said to Ah Fu that Lin Kai was very confident, had superb gambling skills, and carried a military gun. Lin Kai must be a big man with a lot of background, let Ah Fu treat him well.

Unexpectedly, I encountered it on the Pearl now!

## **Chapter 276: Do You Serve?**

Chapter 276: Are You Taking It?

The expression on Ah Fu's face began to become more exciting.

It is said that Afu can fight seven or eight strong men. Yes, Afu can fight, and his nirvana, the crow flying by plane, is even more famous.

But when facing the pistol, Ah Fu was also scared!

The two in front of you, each of them are wearing military pistols, and they are also full-automatic pistols of large caliber!

Offend them, isn't this looking for death?

As the saying goes, barefoot people are not afraid to wear shoes. These two have no family in Omen, and they have guns. If they want Ah Fu to die, they just move their fingers.

The point is, they are still very big!

Lin Kai easily won 100 million yuan at the Saint King Casino. Ah Fu has seen the surveillance and his gambling skills are very superb!

Afu also believed in the skills of God of Gamblers, and Lin Kai was definitely someone with a big background.

He said that knowing himself is true, because Feng Yuqing gave him his own business card.

Unexpectedly, such a big man did not actually buy a ticket.

Soy-sized sweat on Ah Fu's forehead has already shed, what should I do next? Please him? Or treat it with courtesy?

At this moment, Mr. Jiang couldn't stay any longer, he walked over and looked at Lin Kai coldly.

Lin Kai didn't give him the face, and he didn't give the face of Afu. It seemed that Mr. Jiang could no longer be happy with Lin. Today Lin Kai must die!

"It's just a young man who doesn't know the heights of the sky and the earth, dares to make trouble in my place, and dare to say that he knows Ah Fu? Today, you must die!"

After Mr. Jiang said, the group just wanted to do something, when Lu Shao stood up again.

"Yes! If you dare not put Mr. Jiang in your eyes, you must die! No one can offend Mr. Jiang, and no one can offend Lord Fu!"

At this time, Shao Lu, his face was full of triumph, and only the four characters gloating in his eyes.

At this time, Ah Fu's cold sweat fell drop by drop.

"A hillbilly, poor dick, dare to say that he knows Lord Fu? You deserve it when you die!" Lu Shao said angrily.

"enough!"

With a loud bang, Ah Fu slapped Lu Shao's face with a slap!

Ah Fu's strength is extremely huge. With this slap, Lu Shaoshui's face was turned around, his face was red and swollen, and his five finger prints were clearly visible!

Shao Lu was dumbfounded all at once, and everyone around him was dumbfounded. Fu Ye actually beat Lu Shao?

Shao Lu covered his face with a look of grievance, he couldn't understand it! Why did Fu Ye beat himself? He has always been on Fu Ye's side!

"Fu Lord, I..." Lu Shao looked aggrieved, just about to speak, but was interrupted by Ah Fu.

"Enough! You beast! Do you dare to offend Mr. Lin?" Ah Fu was angry, and he blushed and asked loudly.

Mr. Lin?

As soon as this Mr. Lin came out, the audience fell silent. Who is Mr. Lin?

Is it possible that Mr. Lin is the young man who speaks loudly? He is Mr. Lin?

Shao Lu was stunned, Fu Ye slapped himself for that poor dick, and still honored him as Mr. Lin?

Could it be that the person has a big background? impossible! He is dressed as a \*\*\*\* and he has no tickets yet. He can't be a big man!

"Fu Ye, did you admit the wrong person? He is just a poor dick!"

Lu Shao had just finished saying this, Ah Fu was furious, and saw Ah Fu kick Lu Shao to the ground.

"Didn't Lao Tzu say it? Mr. Lin, do you dare to offend? Take Lao Tzu's words as deaf ears, right?" Afu said angrily.

At this time, Ah Fu was almost mad, he said so obviously, this little Lu actually called Lin Kaiwei Qiong Diaosi.

He has a gun! At that time, he shot you in discomfort and you didn't even have a chance to cry!

Shao Lu was completely stunned by this kick, Fu Ye was really beating himself for that poor dick!

Unscientific! Could that person really know Lord Fu?

It seems like this now. At that time, Lu Shao had cold sweat on his back, and even Lord Fu had to call him Mr. Lin. In this case, that person's background was bigger than Lord Fu!

Then he killed himself, isn't it a matter of a word?

After thinking of this way, Lu Shao's chrysanthemum tightened, feeling a chill coming.

Fuck me, it's over...

That Mr. Jiang was also dumbfounded. He looked at Ah Fu angry, and he was also very puzzled. Is it possible that this young man who can only pretend is really a big man?

Mr. Jiang is a human being. As Afu is now, he can tell what's going on at a glance.

It must be that the young man in front of him has a big background, and Fu dare not offend him!

Although he knew what was going on in his heart, Mr. Jiang couldn't accept the result for a while.

This kid is openly challenging his rules, he can't let him go because of his identity, right? Your own Mr. Jiang is also in Omen, okay?

The girls stopped sobbing at this time, and they looked at Lin Kai again, with a hint of expectation in their eyes.

It seems that this time, they really have a glimmer of hope to keep their chastity!

Ah Fu beat Lu Shao violently. After the fight, Ah Fu came to Lin Kai, clasped his fists, and smiled on his face: "Mr. Lin, I'm really sorry, my subordinates have no sense. Tarzan, how do you punish him? Even if you throw him into the sea to feed the fish now, it is okay."

After listening to Ah Fu, Lu Shao collapsed, throwing him into the sea to feed the fish?

It's so far from Omen! Even if he is not eaten by fish, he will be drowned!

Lu Shao was full of fear at the time. He was thinking about how to throw Lin Kaizi into the sea to feed the fish, but in a blink of an eye, the person thrown into the sea to feed the fish became him!

"Mr. Lin, no, Mr. Lin, I... I didn't mean it, you let me go, Mr. Lin..." At that time, Shao Lu was extremely frightened, and kowtow to Lin Kai, crying for mercy.

Mr. Jiang frowned when he saw this scene, and he was very unhappy.

What if Lin Kai has a good background? His Mr. Jiang's background is not bad, Lin Kai is making trouble in his place, and he doesn't give him any face, Mr. Jiang is very annoyed.

At that time, Mr. Jiang said: "This little friend Lin, I can't control your identity, but you are in my turf. You sneak in without saying hello, and you beat the person who beat me. You won't give me face and be honest. Right?"

Lin Kai smiled after hearing this, "Are you not convinced?"

Mr. Jiang squinted his eyes and said angrily: "My old Jiang is on this one-third of acre in Omen. I have never met anyone who can convince me!"

At this time, Lin Kai directly drew a black pistol from his waist and pointed it at Mr. Jiang's forehead: "Now, do you take it?"

## Chapter 277: Severe Punishment

### Chapter 277

As soon as Lin Kai's pistol was released, the audience fell silent, and even the sound of a needle falling to the ground could be heard.

It turned out to be... a gun!

At this moment, Mouse War also gave a wicked smile, drew a pistol from his waist, and aimed at the brawny men who surrounded them.

"Try one more move!" Mouse Zhan said loudly.

They did it first. We fired our guns just for self-defense, Rat Wars thought in our hearts.

But the cold sweat on Mr. Jiang's forehead shed instantly. He never expected that the two men in front of him were carrying guns!

Do you want to live in Omen?

Who are these two people?

As soon as Ah Fu covered his forehead at this time, he was afraid that these two killing gods would draw their guns when they didn't agree. He didn't expect the scene he least wanted to see happened.

At that time, Ah Fu cried and said with a sad face: "Two people, fight fire, fight fire, Mr. Jiang has no ill will, do you say so, Mr. Jiang?"

Ah Fu pleaded, winking at Mr. Jiang.

But at this time, Mr. Jiang didn't dare to care about it anymore. He finally knew why Ah Fu was respectful to these two men. They were carrying guns!

At that time, Mr. Jiang squeezed out a smile that was more ugly than crying, and said: "Yes, I have no malice, it's all a misunderstanding."

At this time, the dudes who were watching on the Pearl were dumbfounded, and no one thought that things would develop to this point!

The two stinky \*\*\*\* who sneaked aboard the boat were actually predators who didn't even dare to offend Lord Fu!

And they all carry guns!

And Mr. Jiang, who is usually in the most prestigious place in Omen, was shocked and sweated when facing these two!

At this moment, Shao Lu was the most disturbed.

His heart beats suddenly, wishing to jump out of his body, he is now extremely nervous!

It seems that Lin Kai, who was insulted by himself just now, is really a big man! A big man who even Fu Ye dare not offend! Even if it is Mr. Jiang, people don't take it seriously!

They were still carrying the gun, and thinking of his arrogant attitude just now, Lu Shao felt regretful in his heart.

Isn't this looking for death? People can kill themselves with a single shot at any time!

Those Kuo Shao who had insulted Lin Kai with Shao Lu were also very regretful at this time. They had known that Lin Kailai was so big, they would never offend Lin Kai!

As for the girls who were caught by the Kuo boys, they all looked at Lin Kai at this time, with a look of expectation. It seemed that they were really saved!

There was a playful smile on Lin Kai's face.

I saw Lin Kai slowly put the gun away, looked at Mr. Jiang, and said, "I hope you know yourself. You may be a big man in their eyes, but you are just a small character in my eyes."

Lin Kai's words are very arrogant, if the former Mr. Jiang heard it, he would definitely be furious!

But the current Mr. Jiang doesn't even dare to let go.

"Yes, what you said is." Mr. Jiang accompanied with a smile.

At this time, the people in black who surrounded Lin Kai all stepped back at this time, looking at Lin Kai with fear.

In fact, even if Lin can't fire a gun, these people are not Lin Kai's opponents.

A Fu and Mr. Jiang stood aside respectfully, and Lin Kai looked at Lu Shao.

Lu Shao, who was still arrogant just now, was like a stray dog on the street, with his head down, his tail clamped, and he didn't dare to look directly at Lin Kai.

"I told you to give me a face, don't you listen!" Lin Kai came to Lu Shao's face, watching Lu Shao condescendingly.

Lu Shao hesitated and did not dare to speak.

"Do you know the fate of offending me?" Lin asked with a smile.

At this moment, Shao Lu, who was trembling all over, could no longer control the fear in his heart, and knelt in front of Lin Kai with a plop, kowtow to Lin Kai!

"Master, master, I was wrong, forgive me, master..."

Lu Shao was terrified in his heart, because he knew how terrible it would be to offend such a big man!

Even Fu Ye and Mr. Jiang have to look at his face. They are just a small supervisor under the Saint King. If he wants to die by himself, it is just a matter of moving his fingers!

A ruthless look flashed in Lin Kai's eyes. People like Lu Shao had done a lot of evil.

If it is possible, Lin Kai can't wait for him to die!

So many young girls in the season, just because of a word from him, someone arrested them all and acted as escorts.

If Lin Kai was not a soldier, he would have killed these beasts himself!

But he can't.

Lin Kai glanced at Ah Fu and said, "These people have offended me, how to deal with it, leave it to you."

Naturally, Lin Kai wouldn't do it himself. Such merchandise had to be dealt with by a ruthless person like Ah Fu.

A fierce color flashed in Ah Fu's eyes, and he nodded to Lin Kai: "Mr. Lin, you can rest assured, I promise you will be satisfied."

After listening to Ah Fu's words, Lu Shao trembled all over his body, and a burst of yellow liquid leaked from his crotch.

He knew how ruthless Ah Fu was, and he also knew how miserable he fell into Ah Fu's hands! He knew that he was over!

At that time, I saw Shao Lu crawling over from the ground, hugged Lin Kai's thigh, and shivered: "Master Lin, you will kill me, Master Lin! I was wrong!"

But Lin Kai didn't give him a chance to speak, and kicked him aside.

Ah Fu's people immediately dragged Lu Shao down, and Lin Kai didn't want to bother about what to do.

On the other side, those Kuo Shao who came with Lu Shao were shaking all over at this time, and they didn't dare to look directly at Lin Kai.

Lin Kai waved his hand, A Fu readily understood, and his people dragged off all these broad youngsters.

At that time a wailing and begging for mercy sounded, these Kuo Shao struggled hard, but they weren't Ah Fu's opponents at all, and they quickly disappeared on the ship's board.

And those girls are all saved at this time.

Lin Kai turned around and immediately saw the middle-aged man who wanted to slip away!

boom! A gunshot sounded, and the mouse war had already fired, and the bullet hit the middle-aged man's feet, causing the middle-aged man to shake his whole body and knelt down.

"I was wrong! Don't kill me!"

This middle-aged man was the one who kidnapped these girls to board the boat. At this time, he saw something was wrong, so he wanted to go around, but Lin Kai found out.

Lin Kai gritted his teeth with hatred for such people! Such people are scumbags in society! Specifically to mutilate these young girls.

If he is not severely punished, Lin Kai is sorry for his conscience!

"Close it, wait until you return to Omen, and send it to the police station." Lin Kai said.

As soon as Ah Fu waved his hand, someone immediately grabbed the middle-aged man by the hair and dragged him down.

"Master Lin! I was wrong Master Lin..." The middle-aged man's voice grew further and further away.

## **Chapter 278: Holy King**

## Chapter 278

The girls were all free. They looked at Lin Kai, with unavoidable joy and gratitude for Lin Kai.

Without Lin Kai, their fate would be unimaginable.

At this time, the people on the entire cruise ship were stunned by Lin Kai's thunderous methods.

A young man dressed in ordinary clothes, unexpectedly took a supervisor under Shengwang, and even his accomplices, all in one pot!

Even the middle-aged man did not escape from Lin Kai's claws, and he would be met by legal sanctions!

Although many people applauded in their hearts, they felt that Lin Kai did a good job.

But most people only feel fear for Lin Kai, because they have done similar things.

Lin Kai is terrible! His background is so scary! And with a gun, it is estimated that no one would dare to do illegal things on this ship.

Fu Ye respected him a lot, and Mr. Jiang was subdued in front of him, Mr. Lin? Who is he?

This is the doubt in the hearts of everyone present.

In Omen, I have never heard of a rich second generation named Lin!

No matter what, everyone present remembered Lin Kai's appearance in their hearts. This person can't be offended or can't be offended!

At this time, Ah Fu bent over to Lin Kai and smiled: "Mr. Lin, since you are here, you are the guest. Why don't you go to Mr. Jiang's room for a little talk?"

Lin Kai and Mouse Zhan looked at each other and then at Mr. Jiang.

Although Mr. Jiang's face is ugly, he also knows that Lin Kai can't afford to offend him, so he nodded: "Yes, Mr. Lin, I don't know if you are also on this ship. You are really missed!"

Lin Kai touched his chin and laughed: "You are polite, if it weren't for being forced to this point, I wouldn't want to disturb you two."

Lin Kai smiled modestly.

"I was also forced by the situation just now. If there is something to offend, please bear with me!" At this time, Lin Kai changed his vigorous and resolute behavior before and held his fist at Mr. Jiang in a very respectful manner.

Lin Kai is a wise man. He will give him a sweet date with a stick, so that people will respect him.

Mr. Jiang's ugly expression eased at that time, and Lin Kai's actions would not make him lose face.

"The words are serious." Mr. Jiang also clasped his fists.

"Please?" Ah Fu asked with a smile.

A group of four people, surrounded by many strong men, entered the cabin.

The cabin is also very luxurious, the disco bar has everything, no wonder it sells 3,800 tickets, which is good value for money!

Soon, Lin Kai and Rat War came to Mr. Jiang's room. Only after arriving in Mr. Jiang's room did Lin Kai see what a real luxury is.

Leather carpets, crystal chandeliers, pure gold tableware, and mahogany sofas came to Mr. Jiang's room as if they were in the royal family.

Lin Kai and Mouse Zhan had a long conversation with Mr. Jiang in Mr. Jiang's room. It was not until three or four in the morning that Lin Kai and Mouse Zhan returned to their room.

Mr. Jiang is worthy of being an Omen predator, and Lin Kai has also benefited a lot from his long conversation.

At six o'clock in the morning, the cruise ship landed, Lin Kai and Mouse War got off the cruise ship and returned to the hotel.

After returning to the hotel, Lin Kai lay on his bed and took a good sleep.

At six o'clock in the evening, Lin Kai received a call from Ah Fu.

"Mr. Lin, the car is already parked downstairs, please go to the Ghost King Casino to fight." Ah Fu said.

Lin Kai just remembered that he seemed to have agreed to Feng Yuqing to help the Saint King defeat the Ghost King.

I received the four hundred million by myself, and there is no reason not to not go. Lin Kai put on a set of clean clothes and went downstairs.

Downstairs of the hotel, an extended version of the Hummer parked at the door. This extended version of the Hummer is very luxurious, with a shiny car surface and a very impressive license plate number, A88888!

Bomb number!

Don't talk about the car, just talk about the license plate number, which is worth ten million!

And Ah Fu was standing next to the extended Hummer, and seeing Lin Kai approaching, Ah Fu respectfully opened the car door for Lin Kai.

"Mr. Lin, please, the Holy King has been waiting for you for a long time."

Lin Kai nodded and went directly to the Hummer.

Once on the Hummer, Lin Kai saw Feng Yuqing at a glance.

Feng Yuqing wore a very beautiful dress today. Before she changed, Lin Kai saw her hot and her leather coat disappeared. Instead, she was wearing a black feather dress.

The feather dress is very self-cultivating, there are countless shining crystal fragments all over his body, and a pair of jade feet are exposed in front of Lin Kai's eyes.

The rounded very toes are painted with red nail polish, sparkling and very beautiful.

Against the backdrop of the black courtesy, her snow-white shoulders and beautiful \*\*\*\* are even more eye-catching. Today's Feng Yuqing is more like a lady.

But as soon as she spoke, Lin Kai's dream was shattered: "Hey! What do you look at? Was it stunned by this lady's beauty?"

Well, Feng Yuqing is still so pungent.

Lin Kai got into the car, and he saw that there was a person sitting behind Feng Yuqing.

The man was about forty years old, he was dressed in a suit, his appearance was not very amazing, he had thick eyebrows and a heroic face.

He was looking at Lin Kai from the back seat, his mouth curled, his eyes were somewhat impatient.

He is one of the eight kings, the holy king.

“This is the master you are talking about?” Sheng Wang asked with a sneer.

Feng Yuqing nodded and pulled Lin Kai to sit down: “Yes, father, don’t look at his young age, but his gambling skills are amazing!”

The Saint King shook his head and sneered: “Hehe, you are still too young. Two tricks can fool you. You really believe that there is someone in this world that can change your opponent’s cards without using your hands. ?”

The Saint King ignored Lin Kai’s presence and questioned Feng Yuqing.

“I...” Feng Yuqing was at a loss for words, not knowing how to answer.

The Saint King looked at Lin Kai coldly and said, “Let’s go together. Today I will show you a long experience and let you see what a real gambling game is!”

Saint King didn’t open Lin to his eyes at all!

Lin Kai is too young, so young that the saint king doesn’t believe Lin Kai’s gambling skills!

Lin Kai touched his nose. It would be better. Lao Tzu went over and took a look, and four hundred million won.

Feng Yuqing grumbled, pouting, staring at her father with dissatisfaction.

The Saint King didn’t care about Feng Yuqing’s anger, and didn’t open Lin’s eyes at all.

The Hummer drove up, and on the road, I saw Saint King took out a playing card from his pocket.

A big king playing card, only saw his finger rub, the big king playing card disappeared out of thin air.

The Saint King stared at Lin Kai and asked, “Where did my cards go?”

Lin Kai was stunned. He didn’t open his eyes and didn’t know at all: “I don’t know.”

Hearing Lin Kais words, the disdainful smile on the Saint Kings face grew stronger, and he said to Feng Yuqing earnestly, “Have you seen? Its a liar! You cant even understand such a simple gambling technique. Expect him to help Dad win the King of Ghosts? A joke!”

## **Chapter 279: Lin Dahai**

Chapter 279 Lin Dahai

Jiangbei, Lin Group, on the forty-eighth floor, the elevator door opened, and a young man walked out of the elevator door. The young man was in his early twenties with a heroic and handsome face.

His sword eyebrows are very domineering, and his eyes are cold and merciless.

He is Lin Kai's cousin, Lin Yuan.

A few months ago, Lin Yuan, who was stimulated by Lin Kai, went down to the army in a rage.

In the army, Lin Yuan relied on his own efforts and the help of his family to successfully hold the rank of Captain!

In just a few months, he became a captain!

Lin Yuan's eyes were cold. He looked out the window and muttered to himself in a cold voice: "Lin Kai, what are you better than me? Why are you the Young Patriarch, isn't Lao Tzu?"

"Hahaha, now I am also a captain, can't you think of it? I am also a special soldier!"

Lin Yuan will never forget the blow Lin Kai gave him!

He is the proud son of heaven. Since childhood, he has always been the existence that everyone looks up to. He has always been the best in the family!

But Lin Kai's sudden emergence broke his self-confidence to pieces! Lin Yuan is not convinced!

Why? I am the Lin family's hope! In terms of academic qualifications, appearance, and connections, which one of me is better than Lin Kaiqiang?

Why is he the Young Patriarch? Why!

At this moment, Lin Yuan was holding a baseball bat in his hand, and his mouth was grinning.

"Lin Kai, Lin Kai, when you come back, you will find that the Lin family is nothing but people, and I, Lin Yuan, is the young master of the Lin family! My father Lin Lei is the head of the Lin family!"

At this time, there was a sound of footsteps, and a group of people in black ran out of the stairs panting. A dozen people in black, sweating profusely, stood behind Lin Yuan.

Lin Yuan walked into the forty-eighth floor office arrogantly and roared, "Lin Dahai! Get out of me!"

After more than a dozen people in black came to the 48th floor, they just smashed computers, vases, chairs, everything they could see was smashed!

Lin Yuan smiled arrogantly: "Hahaha! Lin Dahai! Are you still not coming out? To tell you the truth, your wife and children are in my hands. If you don't want them to die, get out of me! "

"Lin Ting has been abandoned, now the head of the Lin family is my father! It's Lin Lei!"

"You \*\*\*\* support Lin Ting, don't you? Are you still doing these tricks behind my back? You don't have to be the vice president of the company anymore, I will let you pay for it!"

"Get out of here!"

Lin Dahai, Lin Ting's confidant, is also the vice president of the Lin Group.

After Lin Ting fell from power, many people defected to Lin Lei.

But only Lin Dahai is loyal to Lin Ting and will not give up Lin Ting to the death!

He once sent someone to rescue Lin Ting, but he was unsuccessful, and even tried to organize forces to resist, but Lin Lei joined many families in Jiangbei to attack Lin Ting, and Lin Dahai was no opponent at all!

At this moment, behind a computer desk, Lin Hahei, who was covered in sweat, shivered.

Lin Dahai, a middle-aged man in his forties, has a Chinese character face, a big belly, and a fat body.

Lin Yuan and the others were not far away from him. He didn't dare to speak at all. When he heard his wife and child were caught by Lin Yuan, his whole body trembled.

"Wife, Linlin, I'm sorry..." Lin Dahai muttered to herself, sweating.

"Lin Dahai, don't you \*\*\*\* get out? Believe it or not, I will throw your child down from the forty-eighth floor now?" Lin Yuan asked coldly.

At this time, only a cry was heard, and from the top of the stairs, a strong man came up with a little girl.

The little girl was only five or six years old and looked very cute. At this time, her little face was full of fear, and she couldn't help crying.

"Dad! Don't come out, they are bad guys! Uuuuu..."

Lin Yuan smiled. He came to the little girl, grabbed the little girl with one hand, opened the window, and shouted: "Lin Dahai! Look at it! I only count three. If you don't come out again, your daughter But I wont see the sun tomorrow!"

Lin Dahai, who was hiding behind the table, took a peek, and when he saw his daughter being carried out of the window by Lin Yuan, Lin Dahai could no longer be stretched. He roared, "Lin Yuan! I'll fight with you." Up!"

He only heard Lin Dahai roar and rushed out from behind the computer desk, but before he ran to Lin Yuan, he was punched in the face by a man in black. At that time, the blood was flowing, Lin Dahai Was brought down to the ground.

The man in black held Lin Dahai with one hand, dragging him to Lin Yuan's front like a dead dog.

After seeing Lin Dahai, Lin Yuan deliberately showed a surprised look: "Yeah, Vice President Lin, it's been a long time since I saw you, you are still so...stupid!"

Lin Dahai was dizzy with the punch of the man in black, and his limbs were weak. He said coldly: "Beast! In vain... In vain Patriarch is so good to you!"

After hearing Lin Dahai's words, Lin Yuan's face disappeared from a smile, and with a muffled bang, Lin Yuan kicked Lin Dahai's belly, and Lin Dahai spit out another large mouthful of blood, almost fainting.

Lin Yuan smiled: "Hehe, I am a beast? Then what are you? A beast is not as good as that?"

"The Lin family, it's Lao Tzu! It's not Lin Kai! It's not Lin Ting!"

"Why did the old man pass the Lin family to Lin Ting and not to my father?"

"Why did Lin Ting pass the position of Young Patriarch to Lin Kai instead of me? Why!"

Hearing Lin Ting's roar, Lin Dahai smiled: "Hehe, beast! It was Lin Ting who followed the old man to fight the world! What was Lin Lei doing at that time? Eating, drinking and having fun!"

"After the Lin family was founded, it was Lin Ting who was busy and busy, and only then had the Lin family now! And what is Lin Lei doing? Gathering contacts! Taking power!"

“After Lin Ting became the Patriarch, Lin Lei had half of his real power. Are you still not satisfied?”

“Young Master is the biological son of the Patriarch, and the root is Zheng Miaohong! Why are you stealing the Young Patriarch of the Young Master? Why are you!”

At this moment, Lin Yuan clenched his fists, he couldn't bear it: “Shut up!”

“The Lin Family belongs to me! Not Lin Kai!” Lin Yuan roared.

Lin Dahai sneered: “Hehe, waiting for the young master to come back, you will be dead! The young master is now the new king of the Southeast Military Region! What are you? You are not ashamed of your rank based on your family status!”

Lin Yuan stared at Lin Dahai, clenched his fists, trembling all over: “I will ask you one last time, obey or die!”

Lin Dahai spit out a mouthful of \*\*\*\* sputum: “I, Lin Dahai, would rather die than follow!”

“Then you go to die!” Lin Yuan held a baseball bat, up and down...

...

In the Ghost King Casino, a black Hummer extended version stopped at the door. As soon as this car appeared in the Ghost King Casino, countless reporters took pictures with cameras.

“Mr. Saint King, I heard that you and your opponent of the King of Ghosts will lose nine out of ten gambles. What makes you so courageous to bet half of your wealth with the King of Ghosts?”

## Chapter 280: Gambler

Chapter 280

“Mr. Saint King, everyone knows that the ghost king has always been better than you. Why do you want to give it a go?”

“Mr. Saint Wang, are you confident that you can win this time?”

...

A group of reporters rushed to ask, but these reporters had very tricky questions, and no reporter was optimistic about the king.

Indeed, among the eight kings, the strength of the holy king belongs to the middle reaches, while the strength of the ghost king is in the upper reaches.

The Saint King is proficient in card swapping, but the Ghost King is different. The Ghost King is proficient in blindfolding. Before you know it, the Ghost King can make your cards disappear before your eyes.

Facing these reporters, Sheng Wang waved his hand impatiently, and did not answer their questions at all.

Saint King took Lin Kai and others and walked directly into the Ghost King Casino!

Today's King of Ghosts Casino is particularly lively. Today King of Ghosts Casino is closed but open to the outside world! In the lobby on the first floor, I saw countless spectators screaming and cheering to welcome the arrival of the Holy King!

In the battle of the two kings, everyone bet on half of their wealth. This is the big news for Omen!

Therefore, today, countless people come to watch this gambling game, from large commercial crocodiles to small neighborhood people, to watch this battle between the two kings!

Walking into the Ghost King Casino, I saw a rectangular mahogany table in the center of the lobby on the first floor.

Behind the mahogany table, there was a man sitting impressively!

The man was wearing a black robe, his figure was very thin, like a bamboo pole, and his hands were very slender, with heavy dark circles under his eyes, and he looked really like a ghost.

No wonder he is called the ghost king, the appearance of the ghost king is really scary.

At this time, the ghost king laughed: "Hahaha! Holy King, long time no see!"

Saint King led Feng Yuqing and Lin to enter the arena, facing the ghost king, Saint King didn't have a good face.

"Long time no see? I'd rather never see for a lifetime!" Sheng Wang said coldly.

The King of Ghosts laughed out loud: "Hahaha, old friend, what do you mean by this? Please sit down!"

The Saint King sat opposite the Ghost King. As soon as the Saint King took his seat, countless flashes lighted up, and many reporters picked up their cameras to take pictures.

A photo of the two kings will definitely make headlines tomorrow. This is big news.

There was a lot of cheers at the scene, some support the ghost king, some support the holy king, but obviously more support the ghost king, after all, this is the territory of the ghost king.

The King of Ghosts touched his chin, looked at Feng Yuqing and Lin Kai behind the King of Saints, and smiled: "Oh, I heard that the King of Ghosts has brought a gambler to target me, King of Ghosts, please? Where is the master gambling? Why not please come out and see?"

As soon as this sentence came out, Sheng Wang's face became ugly.

In just one day, the news that the Holy King has found a master gambling expert has spread throughout Omen!

Everyone in Omen knows that in order to win the ghost king, the holy king has begun to ask for foreign aid.

If there are foreign aids, that counts, but Shengwang knows, where does he have any gambling masters? Some are just a stinky brat!

"I heard that the Saint King has brought in a master gambling master, this master gambling master can change the opponent's card without moving!"

"so smart?"

"Yes, and I also heard that this gambling master can control a slot machine! If you think of a few tiger heads, you will have a few tiger heads!"

"So awesome? Who is this gambler? I really want to see the style!"

...

There was a sound of discussion around, and the Holy King was under great pressure.

He didn't know how to introduce Lin Kai.

While in the car, the Holy King had already tried Lin Kai, who was a layman who knew nothing about gambling.

He didn't know how his daughter was deceived by Lin Kai, but he was sure that Lin Kai was not a gambler at all!

"Holy King, where's the gambler? Please come out and let me take a look!" Ghost King smiled playfully.

Seeing that her father was silent, Feng Yuqing stood up with her arms akimbo: "The gambling master is him!"

Feng Yuqing pointed at Lin Kai with a look of pride.

Everyone looked at Lin Kai in unison. After seeing Lin Kai, the scene was silent for several seconds.

Then there was a burst of discussion.

"He is a gambler?"

"So young? Looks like only eighteen or nine years old, right?"

"What's an international joke? The King of Ghosts is a veteran who has been in the casino for decades. This little kid probably doesn't even grow his hair!"

"Even Zhao Tai, the son of God of Gamblers, is more than 20 years old, right? This kid is younger than Zhao Tai!"

...

The King of Ghosts also looked at Lin Kai. The King of Ghosts was stunned for a while. He was a master of gambling?

Looks very young. Looks very shabby. Look at the temperament, there is no temperament at all. Such a person can be seen everywhere on the street. Is he a master gambling expert invited by the Holy King?

"Holy King, are you kidding me? Such a person can also be called a gambling master? Hahahaha! You are really getting better and better!" Ghost King laughed loudly.

Saint King's face was also very ugly, and was ridiculed by the ghost king, he had no way to refute it!

Because I just brought a rookie to come to shame!

"Stop talking nonsense, do you gamble or not?" Sheng Wang said angrily.

The King of Ghosts smiled playfully, looked at Lin Kai, and pointed to Lin Kai: "Bet! I'm going to bet with that master gambler!"

A triumphant smile appeared on the corner of the ghost king's mouth. He could see that there was no such thing as a gambler!

It's just an error!

That young man probably doesn't even know what gambling is.

But the outside world has spread the fact that the Holy King invited a master gambling player, and the Ghost King will challenge this master gambling player today to ruin the Holy King!

Saint King was so angry that he blushed, he didn't dare to let Lin Kai gamble with Ghost King!

The Ghost King is very strong, and even the Saint King himself has no confidence in winning the Ghost King. It is impossible for Lin Kai to win that little kid who knows nothing about gambling!

"He is not a master of gambling at all! If you want to bet, you bet with me!" Sheng Wang said angrily.

The ghost king waved his hand and said, "No! I will bet with him!"

The ghost king is determined to shame the saint king!

Dont you have a gambler? Can't you?

Today, in front of the entire Longmen media, I will completely defeat your gambler!

The Saint King was so angry that his nose was about to smoke. He regretted at this time. He had known that the Ghost King would target Lin Kai, so why did he bring Lin Kai to the Ghost King Casino!

"You want to bet with him, right? Yes, but let me make it clear first, I am not familiar with him, he is him, I am me, he loses money, and it has nothing to do with me!"

Seeing that he couldn't hide, the Saint King simply separated from Lin Kai.

Can't you? Didn't you fool my daughter? If you have money, you gamble with the king of ghosts!

You are guaranteed to lose everything!

The King of Ghosts tilted his head and smiled: "Yes!"

## Chapter 281: Billions Of Bets

Chapter 281 A Billion Gamble

The ghost king and Lin Kai bet, just to slap the saint king in the face.

As for how much Lin had lost at the meeting, he didn't care at all!

The eyes of everyone in the audience were on Lin Kai, everyone wanted to see whether this so-called master gambling player would dare to challenge!

The ghost king looked at Lin Kai with a disdain: "Hey, you kid, what do you want to bet on? Let's talk!"

Lin Kai touched his nose, came to the table, and sat down.

Lin Kai lifted Erlang's legs and looked helpless.

"I didn't want to bet, but if you ask me to bet with you so strongly, then I can only die."

"But let me talk about it first, I only have one billion, come, change the bargaining chip."

Lin Kai smiled slightly and threw his bank card on the table.

Soon after, someone took Lin Kai's bank card, and after a while, a set of chips was placed in front of Lin Kai.

There are a thousand chips, one billion.

At this time, the ghost king's eyes lit up, and he couldn't tell. Lin Kai was still a fat sheep, and he was a billion dollars in one shot!

Ten billion is also a fortune for the ghost king!

The Saint King sneered and shook his head. Lin Kai was too stupid. Newborn calves were not afraid of tigers. He didn't know how terrible the ghost king was!

I don't know how powerful the ghost king's gambling skills are. The billions he took out will definitely lose money!

Everyone at the scene also felt the blood boiled all over, they all wanted to see the scene of the ghost king using superb gambling skills to win Lin Kai's money.

They also wanted to see Lin Kai hammering the table with an annoyed look after he had no money.

Lin Kai is too crazy! What kind of \*\*\*\* gambling master, even the holy king hates him, he actually has to use a billion yuan to gamble with the ghost king, isn't this a loss?

As one of the two gods and eight kings of ghosts, is Lin Kai this little boy who can afford to provoke?

Lin Kai touched his chin and smiled: "Hehe, Mr. Ghost King, I heard that you are famous for ghost art. What kind of ghost art is this trick? Forgive me for not seeing the world."

"Why, let's compete with gambling?"

Lin Kai smiled playfully, confident.

The ghost king raised his eyebrows: "Oh? Competing for gambling? How to compare?"

Lin joked: "I bet, I can control your body, what card I want you to play, you will play what card!"

As soon as Lin Kai said this sentence, the audience was silent.

Then the tide of questioning broke out!

"What? He can control the ghost king's body? Isn't this person a crazy person?"

"This is a big idiot! Can still control the body of the ghost king? Why doesn't he go to heaven?"

"Neurotic!"

...

No one believes that Lin Kai can control the body of the ghost king!

After all, gambling is only gambling, no matter how magical gambling is, it can be explained by science.

But you can control the opponent's body. What card you want the opponent to play, what card the opponent will play, this is simply a fantasy!

This is simply impossible!

Could the ghost kings body be controlled by others?

The King of Ghosts froze for a long time, but didn't respond. Is Lin Kai serious?

What kind of gambler is he really? Rather than just coming out of a mental hospital?

He actually said that he can control his body?

At that time, the king of ghosts laughed: "Hahahaha! What a big joke, are you afraid that you have read too many novels? Do you still control my body? Impossible!"

"Holy King, this is the gambler you found? The game is really good!"

The ghost king had a mocking expression, while the holy king said with a cold face: "I didn't find him, I don't even know him!"

With a word of Saint King, he cleared his relationship with Lin Kai. He didn't want to ruin his reputation because of Lin Kai!

Only Feng Yuqing still has a glimmer of hope for Lin Kai. When she thinks of Lin Kai's strength in the Saint King Casino, she feels excited. Maybe Lin Kai can really create miracles!

The King of Ghosts smiled and smiled triumphantly. Lin Kai is giving money! Why didn't he give away money for nothing?

"Yes! Since you want to send money so much, then I'll be more respectful than fate!"

"Go ahead, how much to bet?"

Ghost King asked with a smug look.

Lin Kai pushed out all the one-billion-dollar chips, and said with a smile: "Since you bet, it's exciting to bet, I'll bet one billion!"

"What?" The ghost king was stunned again, betting a billion?

Is this kid crazy? He couldn't win this bet at all! He actually wants to bet a billion?

Everyone at the scene was also stunned. Lin Kai said that he was a billion yuan. Is it possible that he is a rich second generation? Even if it is the richest second generation, you can't help but put one billion in your eyes, right?

You know, if all the billions are gambled out, it would be like a smash!

Because Lin Kai couldn't win at all!

There was a greedy look in the eyes of the ghost king, and he could win Lin Kai's billions in one hand. Why not do it?

"I bet! Get the card!" Ghost King slapped the table and directly agreed, as if he was afraid that Lin Kai would regret it.

The croupier immediately stepped forward, holding a new set of playing cards in his hand, and saw that he opened the playing cards in front of everyone and placed them one by one on the table.

In a short while, a table of playing cards was placed.

After seeing this deck of playing cards, the King of Ghosts laughed even more and smiled disdainfully. He laughed at Lin Kai ignorant!

He is several meters away from him, how could he control his body?

The King of Ghosts has seen countless masters of gambling in his life, and has also seen the duel between the God of Gamblers and the God of Fortune.

And it's impossible to control other people's bodies!

Although some psychologists can hypnotize each other.

But hypnosis also takes time, and there is no way to hypnotize the other party without cooperation!

How does Lin Kai control his body? The King of Ghosts does not believe that he can control his body!

"Please!" Ghost King waved his hand and smiled disdainfully.

Lin Kai laughed too, and saw Lin Kai wave his hand and said, "Ghost King, now you have given out the eight of hearts."

It was such a simple sentence. As soon as this sentence came out, after a few seconds of silence, the hall roared with laughter!

"Hahahahaha! This idiot, really laughs at me!"

"I thought he would have some awesome gambling skills, it turned out to be bragging! Hahahaha!"

"I have never seen such a strange gambling work. In one sentence, I want the other party to give out a heart eight? Unless the ghost king is stupid, he will never give a heart eight!"

...

A ridiculous voice sounded, and even the holy king laughed: "What a \*\*\*\* gambler, what a \*\*\*\* weird thing!"

Feng Yuqing was also dumbfounded. Wasn't Lin Kai very good at Shengwang Casino yesterday? Why does it look like a mentally retarded person now?

Don't tell me to give money to the other party for nothing, and make her dad be ashamed!

Is it possible that Lin Kai really knows nothing about gambling? Yesterday, he was lucky, so he won all the time?

Maybe this is the case, otherwise how to explain Lin Kai's strange behavior with mental retardation?

## Chapter 282: Victory Ghost King

### Chapter 282

The ghost king was also amused by Lin Kai's words, is this man a fool? Does he let himself play the eight of hearts?

Ghost King smiled and shook his head, his eyes were full of mockery: "Mentally retarded."

Among the roar of laughter, Lin Kai was the only one sitting on the spot with a calm face.

Why did he win Feng Yulong? Relying on his own Yuri ability.

What card you want your opponent to play, what card your opponent will play!

That's why Lin Kai has the confidence to make this gambling game with Ghost King.

The smile on Ghost King's face was even thicker. He knew that as long as he didn't play this card, the billion in front of Lin Kai would be his own!

"Let me play the eight of hearts, right? Then I will give you a eight of spades for you to see!" The Ghost King smiled playfully, directly picked up a eight of spades on the table, and threw it on the table with a snap!

This eighth of spades came out, and the noisy scene immediately fell silent.

Everyone looked at the ghost king, all stupid.

Saint King also raised his eyebrows, his face showed an unbelievable look.

The King of Ghosts was still proud: "I'm sorry, you lost, one billion, it's mine."

After all, the ghost king waved his hand and motioned to the croupier to take back the billion in front of Lin Kai.

But the croupier was unmoved, and his face was a bit ugly.

Lin Kai still smiled confidently: "Really? Please take a closer look at what card you are playing."

At this time, the ghost king's heart also slammed, the atmosphere on the scene is not right!

Looking down, the ghost king was dumbfounded.

I saw a star of hearts appearing in front of his eyes!

Own, actually came out a heart eight!

What's happening here? I just came up with the eight of spades! Why would I have a heart eight? The ghost king can't figure it out!

Everyone present was dumbfounded. They just watched the ghost king pick up a heart of hearts and threw it on the table. What is the ghost king doing?

No one can understand.

The Saint King also looked surprised. Could it be that this Lin Kai really has some superb gambling skills? Can even the ghost king control it?

Feng Yuqing cheered loudly at this time with a look of excitement.

"Yeah! Dad, I would say that Lin Kai is very good, don't you believe it." Feng Yuqing said proudly.

Saint King sneered: "It's good luck."

The Ghost King's face became ashen, and he also thought that Lin Kai was simply lucky. He must have been too excited just now, so he took the wrong card!

"Hehe, your luck is not bad, but then, you won't have that good luck!" Ghost King said coldly.

Lin Kai waved his hand with an indifferent expression.

“Sorry, now I have two billion, and I’m all in. I bet you will have eight of spades!”

As soon as Lin Kai said this, the audience was in an uproar, Lin Kai actually wanted to gamble!

Is it possible that he shouldn’t just accept it after seeing it? Winning the Ghost King once is enough for Lin to win the Omen scenery. If he loses to the Ghost King, who will remember him?

The ghost king nodded and said, “Follow!”

“I don’t believe I will play the eight of spades this time! I will play the nine of spades!”

After all, the ghost king picked up the nine of spades on the table and threw it on the table casually.

The ghost king looked confident. This time, he watched the nine of spades he was holding, he couldn’t go wrong.

Soon, the poker fell on the table, and the scene was deadly silent.

The King of Ghosts was also taken aback by this quiet environment, he shook his heart, could it be that he made a mistake again?

Looking at the table, the King of Ghosts widened his eyes: “This...”

I saw an eight of spades appear on the table!

He actually listened to Lin Kai once again and played a card that Lin Kai wanted, and he lost again!

This is impossible! This cannot be explained by science at all! Is it possible that Lin Kai, who is opposite, can really control his body?

At this moment, everyone in the audience opened their eyes wide, and they all looked at Lin Kai with a look of monsters.

Just now they thought of Lin Kai as a neurosis and a mental retardation, but now, no one dares to look down upon Lin Kai.

Lin Kai is not mentally retarded, on the contrary, he is a gambler!

He has the ability to control the opponent’s body! With this ability, Lin Kai won’t lose at all, okay?

The Saint King also widened his eyes. He tried Lin Kai. Lin Kai was a young man who didn't know much about gambling!

But now, he actually used his strength to make the ghost king lose twice in a row!

Saint King had seen Lin Kai win a 100 million monitoring in his casino. He always felt that Lin Kai had just played some tricks. In front of the Ghost King, Lin Kai's tricks could not be caught by the Ghost King!

But now, even if he is the Holy King, there is no trace of Lin Kai's flaws!

Saying that Lin Kaixian, Lin did not move!

Lin Kai smiled slightly and said, "Now I have four billion, do you still want to bet?"

The ghost king's face is already red at this time, and his eyes are already red! He is not convinced! Is it possible that you can't control your own body?

"Bet!" the ghost king roared.

Lin Kai laughed and said, "Okay, I bet you will get three clubs if you add it down!"

"Impossible!" The Ghost King roared.

Because the Club III is far away from him, if he wants to make the Club III, he has to stand up to get that card. He doesn't believe that Lin Kai can make his body stand up!

The ghost king's hands were tightly grasped on the armrest of the chair, but a magical scene happened, but the ghost king didn't know what to think, and he stood up!

Then he picked up the plum three and threw it on the table with a snap!

He obediently listened to Lin Kai's words again, and Lin Kai won again!

At this time, the audience was silent for a while.

Everyone only felt admiration for Lin Kai's gambling skills. This was amazing! Lin Kai is a real master! Even the Ghost King, one of the Eight Kings, looked like a three-year-old child in front of Lin Kai, letting Lin Kai play around!

Lin Kai can actually control others. What card he wants his opponent to play, what card his opponent will play, so that even the God of Gamblers is not Lin Kai's opponent!

Lin Kai smiled again: "Sorry, I won again. Now I have eight billion. May I ask Mr. Ghost King, do you still gamble?"

There was a gentleman's smile on Lin Kai's face, and the ghost king was already dumbfounded, that was a shock in his heart.

He dare not bet anymore!

He has lost three times in a row, and he also understands that Lin Kai can really control his body!

If you continue to gamble, you will only lose the money you lose!

"I...I admit defeat!" The Ghost King said with a trembling voice.

As soon as the ghost king surrendered, the scene immediately uttered a sigh of relief. The ghost king, one of the two gods and eight kings, actually gave up?

It was not the Saint King who had defeated him, but an eighteen or nine-year-old boy!

## Chapter 283: News Headlines

### Chapter 283 News Headlines

There was an uproar in the audience, and no one thought of the outcome of today's gambling game.

The ghost king, one of the dignified eight kings, actually lost in the hands of a kid.

And the Saint King, who has never been the opponent of the Ghost King, has not yet made a move, the Ghost King has already lost.

Saint King's eyes widened, and besides shock, his heart was excited!

To be honest, if it were not for the reason that he had to gamble with the King of Ghosts, he would not bet on half of his wealth against the King of Ghosts!

But now, Lin Kai has won the Ghost King, and Lin Kai brought it by himself. For a long time to come, the Ghost King will definitely not dare to bet against him again.

This means that he has shaken off the mud of the ghost king!

The holy king laughed loudly: "Hahaha! As expected of my master invited by the holy king! Great!"

At this time, the Saint King changed his previous dislikes, and was passionate about Lin Kai, stepped forward to put on Lin Kai's shoulders, and became brothers and sisters to Lin Kai.

“Brother Lin, a good method!” Sheng Wang laughed.

At this time, the ghost king flicked his sleeves very angrily and left the field angrily!

This time the two kings gambling meeting ended with the victory of the holy king!

Soon after, eight billion was credited to Lin Kai’s bank card.

The King of Ghosts will not reckless, because in Omen, the two gods and eight kings are the most famous.

At this time, the flashlight was turned on again in the venue, and countless reporters took pictures of Lin Kai with their cameras. I believe that the next day, the news of Lin Kai’s victory over the Ghost King will spread throughout Omen!

Surrounded by everyone, Lin Kai left the scene, got on the extended Hummer, and drove out of the Ghost King Casino.

...

In the hotel, Lin Kai and the Saint King sat cross-legged. At this time, the Saint King opposite Lin Kai had a disdainful attitude towards Lin Kai before he changed his mouth. Brother Lin called it intimacy.

“Brother Lin, thanks to you today, otherwise, if I lose in the hands of the ghost king, there will be only two gods and seven kings in Omen in the future.” Sheng Wang raised his glass and said in gratitude.

Lin Kai waved his hand: “I didn’t help you, I just want to win money.”

“Whether you help me or not, you are a friend, I am settled! After I return, I will give you two billion, thank you for helping me through the difficulties!” Saint King said.

This time, Lin Kai didn’t refuse. Don’t want the money for nothing.

“Then thank you Shengwang for his kindness,” Lin said with a smile.

...

The Holy King did not leave until the latter half of the night.

After the Saint King was gone, Lin Kai discovered that Rat War seemed to have not contacted him for a day, so where did this little bunny go?

Since the kid Mouse Zhan knew that Lin Kai had money, he took Lin Kai’s money and went out to spend a lot of money, and the girls took them one by one.

He also vowed to be Lin Kai's best brother.

Lin Kai couldn't laugh or cry, so he had to go.

After taking out his cell phone, Lin Kai discovered that Mouse War had made countless calls to himself, but Lin Kai's cell phone was muted and did not notice.

Turning on the phone, there was a text message from Mouse War, which attracted Lin Kai's attention.

"Lin Kai, read the news headlines."

With such a simple sentence, Lin Kai was confused and let himself read the news headlines?

Could it be that Cai An was arrested?

After opening the news and checking the headlines, Lin Kai immediately narrowed his eyes.

Because the headline reads: "Jiangbei Lin Family is facing bankruptcy. Patriarch Lin Ting is suspected of collaborating with a foreign company. Deputy Patriarch Lin Lei will bring justice to Lin Ting!"

After seeing the news headline, Lin Kai snorted, what happened to his father?

Following the news, Lin Kai clenched his fists.

Because in the news, his father Lin Ting has suddenly become a negative character!

According to the news, his father was dissatisfied that Lin Lei had power in the Lin family, so he hooked up with the other big families in Jiangbei to attack Lin Lei.

Lin Lei fought back in order to protect himself. By now, Lin Ting has been defeated. Tomorrow, the Lin Family Conference will be held. The entire Jiangbei family will participate!

And Lin Kai's father, Lin Ting, will be punished in public and kicked out of the Lin family!

After being kicked out of Lin's family, Lin Lei's means probably wouldn't last long.

After reading the news, Lin Kai's teeth squeaked and his eyes were bloodshot!

Who dare to frame his father like this?

Who is his father? He knew very well that his father can be fair and just to everyone in the Lin family!

And his father never offends anyone, even if Lin Lei has long been concerned about the position of the Lin Family Patriarch, his father has never been wary of him!

Because Lin Ting knew that Lin Lei was his own brother, he would not frame himself.

But now, Lin Lei's long-planned plan finally broke out, he wants to eat the entire Lin family!

Even if the interests of the Lin family are distributed to the other big families in Jiangbei, they must be in the position themselves!

There was a photo in the news. Lin Kai saw his father kneeling in the hall of the Lin family. There was a plaque behind it with four characters: "Lin family shame!"

With a click, Lin Kai smashed the armrest of the chair directly, Lin Lei! Why are you so cruel? Do you even want to frame your own brother?

At this time, Lin Kai suddenly thought of his mother.

Lin Kai took out his mobile phone to call his mother, but on the other side of the phone, only the sound of the shutdown prompt came.

Butler Lin!

Lin Kai called Steward Lin again, but the sound of shutting down was heard.

I called my father, but the sound of the familiar shutdown prompt came.

Father, mother, you can't have an accident!

Lin Kai thought of another person, Lin Dahai! He is his father's confidant, call him!

Soon after, the call got through and Lin Kai was overjoyed, but on the other side of the phone, it was not Lin Dahai's voice, but a woman's voice.

The woman's voice was very tired, with a trace of hoarseness: "Hello?"

"Where is Lin Dahai? I'm looking for Lin Dahai!" Lin Kai asked nervously.

The woman on the phone was stunned, and then smiled bitterly: "Dahai, I was taken to Lin's house, who are you?"

"I am Lin Kai!"

After hearing the words Lin Kai, the woman on the phone was obviously agitated:  
“Master! Is it you, Master?”

“It’s me!” Lin Kai replied.

“Master, don’t come back! Lin Lei will kill you! Lin Yuan is also here! Don’t come back!”

“Master, you are now the only hope of the Lin family! Master Lin is also under control. The entire Jiangbei family is targeting the Patriarch!”

“I still have 30 million that I have saved over the years. I will hit your card in a while, and you won’t go back to Jiangbei for the rest of your life!”

Before the woman had finished speaking, Lin Kai heard a bang on the door: “Lin Dahai’s wife? Take it away!”

“Dududu...”

## **Chapter 284: Family Assembly**

Chapter 284 Family Meeting

“Hello? Hello?”

No matter how Lin Kai shouted, there was no sound from the other end of the phone.

Has even Lin Dahai’s wife been brutally murdered?

Lin Kai clenched his fists and frowned. At this time, Lin Kai was very angry.

Dare to attack his parents, Lin Kaifa vowed that no matter how strong his opponents are, Lin Kai will defeat them!

Even though Lin Kai, who lives another lifetime, knows that Lin Ting and Liu Yun are not his parents in the true sense, Lin Kai sees their care and meticulous care for Lin Kai.

For them, Lin Kai will definitely pay everything and make his opponent pay a painful price!

Turning off the phone, Lin Kai took a deep breath, a cruel look flashed in his eyes.

When he walked out of the hotel, Lin Kai asked the King of War for leave. Regardless of whether the King of War was allowed to leave, Lin Kai had already taken a car to Omen Airport.

After buying the ticket, Lin Kai boarded the plane. Before the family meeting tomorrow, Lin Kai had to rush to the Lin family site!

At the same time, Lin Lei released the news to capture Lin Kai, the eldest son of Lin Ting, and reward one billion!

News of the Lin family incident soon spread throughout China.

...

The sky was just getting bright, and today, the Lin Family in Jiangbei was extremely lively.

The parking lot of the Lin Family Manor is already full of luxury cars.

Rolls-Royce Phantom, Maybach, Ferrari, Lamborghini, such luxury cars can be seen everywhere.

There are also several private helicopters parked at the parking airport on the side.

Today, Lin Lei invited hundreds of families, large and small, from Jiangbei to participate in the Lin family meeting.

In previous years, the Lin family did not allow outsiders to participate in the family meeting, but this year is different because there have been major changes within the Lin family.

As for the reason, everyone knows it, so this time all the Patriarchs who came to participate in the Lin Family Clan Conference came with the purpose of watching the fun, or sharing a piece of the pie.

Today, the lawn of Lin's family is full of seats, and on the seats, there are also many people sitting bustlingly.

These people, randomly selected one, are at least worth more than.

Ten billion families, there are as many as dozens!

In Jiangbei, all the big people whose names you can pronounce are basically present.

At the very center of the lawn, there is a high platform with a few seats, which are reserved for the other big figures in Jiangbei.

On the entire lawn, that high platform was the most conspicuous, and this time, Lin Lei shoveled the Lin Ting, that is, those big men.

When it was eight o'clock in the morning, the large and small forces in Jiangbei were almost there, thousands of people were seated, and the scene was extremely spectacular.

And the big figures on the high platform also began to appear.

The first to appear was Wang He, the head of the Jiangbei Wang Family.

Wang He is a fat man with a big belly, with an unruly look. The Jiangbei Wang Family is also a large family with hundreds of billions. Although it is not as good as the Lin Family, its strength is not far behind.

With a haughty smile, he sat on the first chair of the high platform.

“Wang He! Wang He, the head of the Wang Family! I didn't expect him to come too.”

“Yes, Wang He, but Jiangbei is the strongest family besides the Lin family!”

There was a lot of discussion.

The second person who appeared was Ouyang Patriarch, Ouyang Yan.

Ouyang Yan is a woman in her thirties. Although she is a woman, her family is very powerful, a big family of 90 billion! Strength should not be underestimated.

I saw Ouyang Yan stepping on the catwalk and stepping onto the high platform. Ouyang Yan has a fiery figure. She is still single in her thirties and is the dream lover of many family owners.

Marrying her, not only can you get a charming wife, but also an Ouyang family.

“Ouyang Yan, really sexy!”

“Sexy? She is a poisonous snake! If you can't control her strength, she will definitely be able to kill you!”

Ouyang Yan's gaze swept across the crowd, and that charming gaze was that a man would see it with enthusiasm, wishing to go up and conquer this charming young woman.

However, Ouyang Yan is no ordinary woman. In Jiangbei, few people can conquer her.

The two big shots are on the stage. Who will be next?

With the exclamation of everyone, only a vicissitudes of life and melancholy middle-aged uncle appeared on the stage, this middle-aged uncle looked handsome, when he appeared, many people cried out.

“Oh my God! Yang Xiao Patriarch of the Yang Family! He is here too!”

“The Lin family, the Wang family, the Ouyang family, and the Yang family, these four families, but the four strongest families in Jiangbei! I didn’t expect to have it together today!”

“It seems that Lin Ting is really finished this time, this time it is the other three big families who are targeting him!”

“If nothing happens within the Lin family, these three families will not have the strength to take advantage of the emptiness. All this is due to Lin Lei!”

...

There was a discussion among the people, and soon after, a burst of laughter rang out.

“Hahahahaha!” With this burst of laughter, a group of people walked out from one side. This group of people are the various stewards of the Lin family, and the leader is naturally Lin Lei.

Lin Lei was wearing a Chinese tunic suit, with bright hair and red face, and looked very energetic.

And next to him was Lin Yuan in a white suit, handsome!

Everyone held their breath, everyone knows, the real protagonist is here!

Lin Lei took Lin Yuan onto the high platform, and everyone in the Lin family took their seats on the lawn.

“Welcome everyone to participate in the annual family meeting of my Lin family!”

“I, Lin Lei, thanked everyone on behalf of the Lin family, this time the Lin family’s clan conference, I will be solely responsible for Lin Lei!”

As soon as Lin Lei said this sentence, there was a loud noise on the scene.

In the past years, the family meeting of the Lin family was in charge of the Patriarch, but this time, Lin Lei was actually in charge. It seems that the rumors outside are true, and the Lin family has changed hands.

Lin Lei looked at the big guys who were discussing around, with a playful smile on his lips.

“Everyone knows that in previous years, the Lin family never invited outsiders to attend the family meeting.”

“And this time inviting all the predators from Jiangbei to come over, in fact, there is a very important announcement.”

As soon as Lin Lei said this sentence, there was another uproar: “Very important thing? What is it?”

“Could it be that Lin Lei has to announce in front of everyone that he is the head of the Lin family? It’s not necessary, it’s their Lin family’s personal affair. Why do we invite us?”

“I think this Lin Lei is extremely competitive and has a strong vengeful spirit. He must avenge his previous revenge in front of everyone!”

“It makes sense.”

Lin Lei stretched out his hand to stop everyone from whispering, and said with a serious face: “This incident is a shame for my life in Lin Lei! I didn’t expect that my brother, Lin Ting, the head of the Lin family, looks selfless on the surface, but behind his back, He is a sinister villain!”

## Chapter 285: Mean Woman

### Chapter 285

“It’s in vain that I have been so good to him all these years! But he combined with other Jiangdong families, trying to stab me in the back and drive me out of the Lin family!”

“I’m the elder brother, and I have maintained my younger brother all these years. Even if my father wanted to pass on the position of Patriarch to me, I did not agree, because I know that my younger brother Lin Ting wants to be the Patriarch of the Lin Family! “

“I Lin Lei fully supports it! But what Lin Ting has done over the years has really made me feel like a big brother!”

“Over the years, he has done nothing wrong! Except playing with women, he is just spending time and wine. His name is the head of the Lin family, but all things in the Lin family are actually handled by me, Lin Lei!”

“But he is still not satisfied. He actually thinks that my eldest brother is his threat. He wants to get rid of me, and even sends a killer to assassinate me!”

“I Lin Lei couldn’t bear it today, I will turn him Lin Ting in front of all the predators in Jiangbei!”

Lin Lei was talking with all his excitement and tears. Many people at the scene believed Lin Lei’s words.

“I didn’t expect the Lin Family Patriarch to be such a despicable and shameless person!”

“Lin Lei has paid so much for the Lin family to benefit Lin Ting, but Lin Ting actually wants to get rid of Lin Lei, shameless!”

“Such a person, die sooner!”

...

There was a sound of discussion, and everyone was angrily cursing Lin Ting to fight against Lin Lei.

Lin Lei had already laughed in his heart. He had only two purposes for holding a family meeting, first, to clean himself.

Second, in front of the predators in Jiangbei, the upper rank!

“Everyone, thank you all for caring about Lin Lei, Lin Ting’s shameless villain has been caught by me!” Lin Lei said loudly.

“Bring it up!”

Following Lin Lei’s roar, only a few people in black pushed a huge cage onto the lawn.

There were four wheels under the huge cage, but in the cage, there was a very luxurious sofa. Lin Ting was wearing a luxurious robe and lying on the sofa with a decadent expression.

Lin Ting’s eyes are dull and unshaven, and he looks very sloppy, but the moment he saw Lin Lei, Lin Ting grabbed the iron railings of the cage as if he had seen his father and enemy, and roared!

“Lin Lei! You bastard! Let me out!” Lin Ting’s roar was heartbreaking.

But Lin Lei showed a distressed look: “Hey...”

“Brother, do you still hate me? You have to know that the eldest brother locked you up for a reason. Even if you are locked up, you are still my younger brother. I will never let you hurt a little!”

Lin Lei's words were very powerful, and everyone was moved by Lin Lei's words and deeds.

Yes, Lin Ting wanted to kill his big brother, and Lin Lei was so kind to Lin Ting, the delicious and delicious hospitality, even if it was closed, he let Lin Ting lie on the big sofa, wearing gorgeous clothes.

At that time, people who couldn't understand Lin Ting immediately threw out the fruits and drinks on the table.

"Beast! Do you still want to come out? Go to \*\*\*\* you!"

"Just you are worthy to be the head of the Lin family? You are a despicable and shameless villain! You are not worthy to live in this world!"

"You're just a rubbish! Give it to the \*\*\*\* Patriarch Lin? Are you worthy? You are only worthy of being a toilet in the Lin family's toilet!"

...

I saw countless fruits hitting Lin Ting's body, and his clothes were soaked by the splash of drink. At this time, I don't know who threw two raw eggs from a distance and directly hit Lin Ting's face. on.

At that time, Lin Ting looked embarrassed.

Lin Ting slumped on the sofa and smiled embarrassedly.

He looked at Lin Lei, whose eyes were full of pride on the stage, and smiled helplessly.

Own, after all, I still can't beat my cruel brother!

Now, it's useless to say anything. In the eyes of everyone, oneself is a trash that does no evil! A beast who is not worthy to live in this world!

Big brother, big brother, since you want to be the owner of the house so much, your younger brother will fulfill you! I don't say a word, you will be a good person, and I will resist all charges!

This is Lin Ting's last gift to Lin Lei.

He allowed others to smash \*\*\*\* on his face, and let others insult him at will, Lin Ting would not reply.

At this moment, he just thought in his heart that Lin Lei could treat his wife and children kindly, so that Liu Yun could have a way to survive!

You can let your son, Lin Kai, spend the rest of his life without worrying about food and clothing, so that he can die!

However, Lin Lei will not be as he intended.

At this moment, only a scream was heard, and a middle-aged woman rushed over from a distance.

The woman was wearing a long dress with a tired face. After seeing Lin Ting, her tears couldn't stop streaming down. She rushed towards Lin Ting. Even if she fell several times along the way, she would stand up. Desperate to run towards Lin Ting.

"Lin Ting!" Liu Yun lay down beside the iron cage, looking at Lin Ting inside the cage, she couldn't help crying.

"Lin Ting, I will find a way to save you, you must hold on! Lin Ting!" Liu Yun cried.

But at this time, countless \*\*\*\* and eggs hit Liu Yun's body, and shouts of curses sounded.

"Bitch!"

"Your husband Lin Ting is such a rubbish. If you want to come, you are not a fuel-efficient lamp. Go to \*\*\*\* with your \*\*\*\* husband!"

"Return Jiangbei's first lady, I think it's Jiangbei's first bitch!"

Liu Yun is also the daughter of a big family, and after marrying into the Lin family, she lives like a noblewoman.

Where has she been so wronged?

At that time, Liu Yun desperately shook her head and cried: "I am not, I am not..."

But only ruthless insults and stinky eggs greeted her!

Lin Lei on the stage is already happy, Liu Yun, Liu Yun, I think you still have a bit of beauty to make you my woman, but you are not!

Now, I will make you a \*\*\*\* that everyone scolds in Jiangbei!

"Liu Yun!" At this time, Lin Lei only heard a loud shout, and everyone looked at Lin Lei.

I saw Lin Lei showing a look of hating iron and steel: "Brother and sister, brother and sister, this is the last time I call your brother and sister!"

“Although my brother can’t do anything, he’s not mean to you, right? You actually carried my brother on your back and did that shameless thing with other men!”

As soon as Lin Lei said this sentence, the scene was silent for a while.

Then there was a scolding!

Liu Yun shook her head desperately: “I don’t! I don’t!”

But her rebuttal was useless. Lin Lei took out a photo. In the photo, Liu Yun took a young and handsome man into a five-star hotel!

Liu Yun was dumbfounded when she saw the photo. She remembered that Lin Lei called her and said that a very important person asked her to personally receive him and send it to a five-star hotel.

Liu Yun did not expect that Lin Lei at that time had already begun his calculations!

Everyone who saw the photo screamed at Liu Yun!

“What a \*\*\*\* bitch! On the surface, she is the most expensive lady in Jiangbei, but in fact, she is a \*\*\*\* who relies on her wealth and power to find a handsome duck in Jiangbei!”

“The upper beam is not right, the lower beam is crooked! Parents are like this, their children must be a trash!”

## Chapter 286: Framed

### Chapter 286

The audience was already scolding, ruthless rotten eggs and all kinds of trash smashed on Lin Ting and Liu Yun.

Lin Ting lowered his head and remained silent, seeing Lin Ting gritted his teeth and eyes red, tears swirling in his eyes, but they didn’t fall.

And Liu Yun was sobbing holding the iron cage. Her body was dirty and she didn’t look noble at all. Now Liu Yun is like a street beggar.

The guests below are struggling to vent their dissatisfaction. They don’t care if Lin Ting and Liu Yun are innocent or not. They just want to take this opportunity to give vent to themselves!

Those guests who have struggled to get ahead in society seem to vent their dissatisfaction on Lin Ting’s body at this time!

Isn't Lin Ting awesome? Isn't it the head of the Jiangbei First Family? And now, Lao Tzu is just a small person in Jiangbei, who can smash rotten eggs on you at will!

Everyone has a single word in their hearts, so cool!

Lin Lei on the stage looked unhappy, but in his heart, he was already happy!

Brother, brother, wouldn't it be good for you to pass on the position of Patriarch to me? It's not like being hit by so many people with rotten eggs now!

At this moment, a fat man among the guests stood up. This fat man was deliberately placed by Lin Lei among the guests in order to take the lead.

"I have never seen such a shameless couple in my life! Such a \*\*\*\* should hang them up! Let everyone see their filthy appearance!"

As soon as this fat man spoke, countless people immediately agreed.

"Yes! These two men are a pair of dog men and women! Hang them up!"

"Such \*\*\*\* is not worthy of sitting on such a luxurious sofa! They are only worthy of farm work in the countryside, and the three words baozi are almost tailored for them!"

"hang up!"

...

A loud noise sounded, and Lin Lei's face also showed a look of embarrassment:  
"This..."

"Okay? They are my younger brother and younger siblings after all!" Lin Lei had a sad look.

"What's wrong? Lin Lei, if you don't hang them up today, we'll leave!" At this time, Wang He, the head of the Wang family, suddenly stood up and said.

Everyone exclaimed when Wang He spoke. Even Wang He spoke. Lin Lei dare not follow?

Wang He patted his stomach and sneered. He and Lin Lei were originally in the same group. He knew what Lin Lei was thinking about. Now he wanted to stand up and help Lin Lei.

Ouyang Yan also twisted her waist and stood up, and said enchantingly: "Yes, Lin Lei, such a dog and a man, it is difficult for the common people not to hang up!"

The last person who stood up was Yang Xiao. Yang Xiao stood with his hands on his back, with a face of integrity: "I, Yang Xiao, are the most uncomfortable people at this time!"

The three Patriarchs all asked Lin Lei to hang Lin Ting and Liu Yun, and Lin Lei deliberately showed embarrassment on his face.

After hesitating for a long time, he agreed: "Well then."

Turning around, Lin Lei pitifully preached to Lin Ting: "Brother, younger sibling, it's not that your elder brother doesn't help you, it's really the evil you made that even elder brother can't help!"

Lin Lei looked distressed, but his heart was full of joy.

And all the guests in the audience saw Lin Lei being so loyal to his younger brother, they were all complimenting Lin Lei's character.

"This Lin Lei is a good person!"

"Yes, his younger brother and younger siblings have treated him this way, and he is still helping them."

"The Lin Family needs such a good Patriarch!"

...

Soon, several sturdy guys came, and the sturdy guy directly tied the hands of Liu Yun and Lin Ting, and dropped Lin Ting and Liu Yun in the middle of the lawn in front of everyone!

Let everyone see both of them!

Let them both be exposed to the sun too!

Lin Lei looked up at Lin Ting and Liu Yun, not to mention how proud he was. He waited so hard for many years, isn't it just for the present?

But at this moment, only a loud shout was heard, and a man limped and ran from a distance!

The visitor was the housekeeper Lin, who was already in his fifties. The housekeeper Lin's suit was in tatters, one leg seemed to be lame, his face was embarrassed, and his beard was covered with mud.

"Lin Lei! You are not a human!" Steward Lin furiously said.

Lin Lei smiled slightly after seeing Steward Lin, not afraid at all. When he waved his hand, two sturdy men immediately took Steward Lin down.

Steward Lin struggled hard, but where is he the opponent of these two sturdy men? After all, he is a lot of age, his skills are not very good, and his combat effectiveness is almost zero.

After seeing Steward Lin, everyone was a little surprised. They didn't expect that Steward Lin of the Lin family had also changed. It seems that he is also a member of the Lin Ting Party!

"Lin Lei! Patriarch is so good to you in vain! Take care of your big brother so much! You actually hooked up with outsiders and framed the Patriarch!" Steward Lin trembled and said furiously.

As soon as Steward Lin said this, everyone looked at Lin Lei, could it be true?

Lin Lei pointed at Steward Lin, and said furiously: "You are talking nonsense! Bloody!"

"You nasty old man, relying on your being the celebrity in front of my brother, you are in the Lin Family, and you don't even look at my Patriarch's brother. You dare to point a gun at me!" Lin Lei said with red eyes and furious.

"I...I didn't!" Steward Lin was also angry, and he pointed to Lin Lei's trembling voice.

Lin Lei showed a sneer at the corner of his mouth, and saw that he took out a photo and threw it in front of Steward Lin.

"Keep your dog eyes open! See what this is!"

Steward Lin picked up the picture, and everyone stretched their heads to look at the picture. The picture was Steward Lin sitting in the position of the co-pilot and pointed the gun at the back seat. Lei's photo!

After seeing this photo, Steward Lin almost didn't vomit blood!

That day Lin Lei wanted to use Liu Yun in the car, so Steward Lin drew his gun!

Now it seems that the driver is a spy! He is from lei! And Lin Lei's hand and foot to Liu Yun in the car is also purposeful! He just wanted to take a picture of himself holding a gun at him!

"Everyone can see it! That day, Liu Yun was in the car when I was in front of me and called other men to talk about love. Because I couldn't stand it, I said a few words about my younger brothers and sisters, but I didn't expect the housekeeper Liu to be holding a gun. Me!" Lin Lei said and said, tears in his tears, it was an excitement and grievance.

Everyone also believed what Lin Lei said at this time, after all, iron-like evidence was already in front of them!

Steward Lin was trembling with anger at this time. He pointed to Lin Lei, but finally did not come up. He vomited a big mouthful of blood, fell to the ground and passed out.

## Chapter 287: Re Elect The Owner

### Chapter 287

Butler Lin is stunned alive!

But the people present did not let him go because Steward Lin was dizzy. At that time, the rotten eggs and garbage were thrown over.

Steward Lin was already embarrassed, and within a short while, Steward Lin was covered by rubbish.

“Return the \*\*\*\* Steward Lin? Go to \*\*\*\* and take care of Lin Ting!”

“Last time I came to see Lin Ting, you bad old man wouldn’t let me see. Now, hehe, your master has become garbage that I can smash at will! It’s good for you to be \*\*\*\* off by the old man!

“As long as those who are with Lin Ting are all rubbish!”

Steward Lin was stunned, but Lin Lei did not let him go. At that time, only a few sturdy men lifted Steward Lin up.

After Steward Lin was hung up, Lin Lei walked back and forth on the stage, clapping his hands and sighing.

“Ugh”

“The Lin family has become like this, which is what Lin Lei really doesn’t want to see!”

“But now, there is still one person who has not dealt with it. He is Lin Ting’s cronies, Lin Dahai!”

“Lin Dahai relies on the protection of the family owner. He is also the vice president of the Lin Group. Not to mention the deduction of employees’ wages, and he took the company’s money to go out and spend a lot of money!”

“Lin Lei has long been uncomfortable with Lin Dahai. I have told my brother about Lin Dahai’s problem many times, but my brother doesn’t listen!”

“Now I have to deal with Lin Dahai by myself! Sad!”

Following Lin Lei’s words, Lin Dahai, his wife and children were all pulled out.

Lin Dahai was dying, his suit was covered with blood stains, his face was beaten so terribly that he could not speak.

While his wife and children are safe and sound, but they seem to be frightened and dare not face everyone.

Lin Lei also knew that he couldn’t do anything to Lin Dahai’s wife and children, or he would be cast aside by everyone.

“I personally went to Lin Dahai’s home to visit Lin Dahai, hoping that he could turn his head back to the shore, but Lin Dahai would not listen!”

“Not only did he not listen, he sent someone to beat me! My bodyguard couldn’t stand it, so he shot Lin Dahai, otherwise, I don’t want Dahai to be like this.”

Lin Lei looked helpless.

Soon after, on a big screen behind Lin Lei, there were scenes of Lin Dahai entering and exiting various high-end entertainment venues, as well as various scenes of Lin Dahai making false accounts.

These are perjury made by lei.

“These are the evidences I collected, Lin Dahai, what can you say?” Lin Lei looked at Lin Dahai and asked.

Lin Dahai looked up at Lin Lei coldly. He didn’t have the strength to speak at all, but he exhausted his whole body’s strength and spit out \*\*\*\* sputum at Lin Lei’s feet.

Lin Lei sneered and waved: “Hang up!”

Lin Dahai was also hung up, and Lin Dahai’s children and wife were taken aside by several sturdy men.

Next, Lin Lei brought up all the hundreds of important roles of Lin Ting Party, large and small. These hundreds of people were all Lin Ting Party members and were loyal to Lin Ting Party.

They were all hung in the middle of the lawn!

At a glance, all the densely packed air is people!

Lin Lei was really cruel this time! Unite with the other three powerful families to wipe out the Lin Ting Party!

And he himself expanded his power, and now there are more than 300 important figures in the lei party!

Lin Ting Dang, it's over!

All the guests who were onlookers applauded at this time!

They don't care who is the head of the Lin family. Now they see that the Lin Ting Party has been wiped out, and they feel very happy in their hearts! Because they feel that they can see the once big people so embarrassed in front of them, it is very refreshing!

Lin Lei also smiled triumphantly, he had almost everything he wanted, and now, he was still one step away from success!

After all, I am not the real Patriarch now, and only with the consent of the old man can he become the real Patriarch!

At that time, Lin Lei shouted: "Please, Master Lin!"

As soon as this sentence came out, the whole scene fell silent, and everyone looked behind Lin Lei.

Soon after, I saw a man in black pushing a wheelchair. Old man Lin was sitting in the wheelchair with a bloodless face and was pushed by the man in black.

Mr. Lin, the head of the Lin family of the previous generation, even though he has no real power in his hands, his connections in Jiangbei are not to be underestimated.

At that time, thousands of guests from the whole scene got up together, clasped their fists at Old Man Lin and said, "See Mr. Lin!"

Elder Lin opened his eyes. Ever since Lin Kai rescued Elder Lin, Elder Lin has always looked good.

But recently encountered the incident of Lins family affairs. Old man Lins body is not as good every day, and now he can only walk in a wheelchair.

He waved his hand and said, "Guests, please."

The old man Lin looked at more than a hundred people who were hung in the air densely, and felt a pain, but he had no choice but to take Lin Lei. They were all his own sons, and the palms and backs of his hands were all fleshy!

Even though old man Lin already hates Lin Lei, he has nothing to do with Lin Lei! Lei holds real power! He wants Lin Ting to die, Lin Ting must die!

Lin Lei held a fist at the old man Lin and knelt down: "Father, my brother is not up to date. I am also responsible for my brother. My brother is already like this, and I am very sad."

"But the Lin family is really not suitable for Lin Ting to continue to be the head of the family, and he asked his father to continue to be the head of the Lin family!"

As soon as Lin Lei said this, the audience exclaimed, let Old Lin be the head of the Lin family again?

Mr. Lin is so old, maybe he will burp and let him be the head of the Lin family?

Elder Lin didn't even look at Lin Lei, and said indifferently: "I am too old to be a master of the house."

Lin Lei showed a confident smile at the corner of his mouth: "Then ask my father to choose a new owner. The Lin family can't be left alone!"

Lin Lei is very confident, he knows that Old Man Lin will definitely choose himself!

Whether you choose yourself or Lin Yuan, the Lin family is yours!

Even though what he did was excessive, Lin Lei knew that Lin Ting's life was in his own hands, and Old Man Lin did not dare not listen to him!

He was threatening Mr. Lin with Lin Ting's life!

Lin Yuan stood with his hand at this moment, and his heart was very excited, because the position he had longed for as the head of the Lin family was finally his turn!

If his father is the head of the family, then he is the young head of the Lin family! If you are the owner of the family, your father is the owner of the family!

In the Lin family, who would dare to be disrespectful to oneself? What \*\*\*\* Lin Kai, without the Lin Family, you're a shit!

"Father, please choose a new owner!" Lin Yuan also clasped his fists.

Old Man Lin's fingers trembled slightly, he sighed, looked into the distance, and said lightly: "Then...then...open it!"

## Chapter 288: New Owner

Chapter 288 New Patriarch

boom!

The pair of Wenwan walnuts held in Lin Yuan's hands were immediately crushed!

It's Lin Kai again!

Why is it him again!

Old man, old man, now the entire Lin family respects my father Lin Lei, are you still stubborn?

Is Lin Yuan better than Lin Kaiqiang at all? Why do you never forget Lin Kai? Is it just because he saved your life?

Lin Lei's face also became very ugly, it was Lin Kai!

Lin Lei almost forgot, Lin Tingdang still has such a slipped fish, he is Lin Kai.

A young man who is less than twenty years old, Lin Lei does not regard him as a threat to him, but if he blocks his way to dominate the Lin family, he deserves to die!

There was a loud noise at the scene, and everyone was discussing Lin Kai.

"Xiao Kai? Could it be that Lin family wasted young man, Lin Kai?"

"That's right, it's the \*\*\*\* of the Lin family, Lin Kai, that kid used to spend time in Jiangbei, doing all things without evil, is a typical prodigal second generation!"

"Old man Lin is really blind, so he actually let that trash be the head of the Lin family?"

"Yeah, I heard that the kid was sent to the army and paid for a captain!"

...

Everyone's impression of Lin Kai was still at the stage when the Lin family was abolished, and everyone had no good impression of Lin Kai.

Lei clenched his fists, after a few seconds, lei laughed.

"Hehe, father, the upper beam is not straight and the lower beam is crooked. You want to support him to become the head of the Lin family because of Lin Kai's trash?"

“The whole Jiangbei! Who doesn’t know, Lin Kai is just a waste!”

“Who doesn’t know, Lin Kai is addicted to wine, only women in his eyes!”

“Who doesn’t know that Lin Kai knows nothing, he can only eat, drink and have fun. He and Lin Ting have the same virtue and are a waste!”

“Father, you can’t ruin the entire Lin family just because you love your little grandson!”

When Lin Lei’s words came out, the whole scene echoed.

Some people are trying to please Lin Lei, and some people just can’t understand Lin Ting.

Old man Lin’s face became ugly at that time.

At this time, Lin Lei pulled Lin Yuan out and said to Old Man Lin: “Father, please open your eyes and see, he is your best grandson!”

“My son Lin Yuan, young, returned from overseas, double master degree! Talking and demeanor, all reveal everyone’s demeanor! My son Lin Yuan’s social and organizational skills, everyone in the Lin family, everyone can see!”

“My son is a talented person. After returning from abroad, he went to the army without hesitation, and wanted to represent the Lin family to serve the country with a meager strength.”

“He only relies on his own strength, and within a few months, the rank of captain is already a captain!”

“But you only see Lin Kai, the grandson who can only eat, drink and have fun. Son, I am sad!”

Lin Lei’s words were very powerful, and after his words, there was a round of applause.

The applause is for Lin Yuan.

And Lin Yuan is indeed very famous in Jiangbei. He represents the image of the Lin family, and everyone has a deep impression of Lin Yuan.

After Lin Yuan returned from overseas, he visited various big families of the Lin family, and everyone had a very good impression of Lin Yuan.

But Lin Kai left everyone with a bad impression.

“This Lin Yuan is indeed a talented person!”

“Yes, Lin Yuan’s social skills are indeed very strong. With such a high degree of education, he is suitable to be the head of the Lin family!”

“Look at that Lin Kai, what a shit, his Lao Zi Lin Ting is not a serious person, and that rich second-generation dude is not as good as Lin Yuan’s leg hair!”

...

Listening to everyone’s evaluation of Lin Kai, Old Man Lin felt like a knife.

He is heartbroken!

He knows who his two grandsons are better.

Lin Yuan looks really good on the surface, but Lin Yuan behind his back is cruel and unscrupulous to achieve his goal!

While the previous Lin Kai was indeed dull, but now Lin Kai is very different! Although he is humble, he is proud of his bones!

The most important thing is that Lin Kai is a man of integrity and a true gentleman!

But he couldn’t say these words at all, because Lin Lei was in front of him, and if he said one wrong sentence, Lin Ting would be dead!

Elder Lin’s whole body was trembling, he hesitated a little, he was wondering whether he should expose Lin Lei’s actions in front of everyone.

But in that case, his son would definitely be dead, and Lin Lei would also become the head of the Lin family by strong means. At that time, even his father, Lin, would not survive.

But without exposing what Lin Lei did, Lin Ting will be scolded by everyone in Jiangbei for the rest of his life!

Elder Lin’s heart was extremely tangled.

Lin Lei yelled in his heart when he saw the hesitant old man Lin, and saw that Lin Lei came to his side and whispered to him.

“Dead old man, if you don’t let me be the head of the Lin family, I will kill everyone in the Lin Ting party! I will kill all Lin Ting’s wife and children! Your precious grandson Lin Kai, I will also torture him to death! Think about it yourself!”

After saying this, Lin Lei showed a distressed look again.

“Father, please think twice!”

After listening to Lin Lei’s words, Old Man Lin almost didn’t vomit blood.

He breathed on his back and controlled his emotions.

After a long time, Old Man Lin sighed, as if he had already accepted his fate.

For the sake of Lin Ting’s safety, he can only choose to compromise!

“I declare that from now on, Lin Lei will be...that is, the head of the Lin family!” After the old man said this, he seemed to have exhausted his entire body. He fell into the wheelchair and closed his eye.

And there was a burst of applause like a tide!

Everyone is celebrating, celebrating Lin Lei’s becoming the head of the Lin family!

There was a wave of applause, and Lin Lei also stood up, with a red face, waving at everyone.

On the high platform, Wang He, Ouyang Yan, and Yang Xiao also laughed. They also clapped their hands. This is what they want to see. From now on, the Lin family is not only surnamed Lin, but also Wang and Ouyang. , Last name Yang!

“it is good!”

There was another round of applause.
