

Special Forces God Level Extraction System – Chapter 289 - 320

Chapter 289: Apple

Chapter 289 Ringo

After three gunshots, the whole scene was silent.

The people present were all big figures who had seen the world before. They were not panicked by the three shots. Instead, everyone looked at the person who shot.

The man who fired the shot was dressed in simple sportswear with a handsome face and a tall stature. He looked only eighteen or nineteen years old.

But many people cried out in exclamation after seeing him.

“Young Master Lin!”

That’s right, the person here is the young master of the Lin family, Lin Kai!

Lin Kai looked at the more than a hundred people who were hung in the air, and his eyes were red at the time, and scenes of memories from the past appeared in his mind.

That man with a decadent face, but the father who loved him the most!

And the tearful woman, but her kind mother!

That old man who obeyed his words, but his most trusted butler!

That man who was called Uncle Lin, but his father’s most trusted confidant!

Countless familiar faces were seen by Lin Kai. In the past, they used to call Lin Kai. Now, they are covered in blood, exposed to the sun and ridiculed by the people in Jiangbei. They are hung in this high school. in!

Let people watch like a clown!

Lin Kai’s heart seemed to be severely stung by a dagger!

I can’t even protect my family, so why are you talking about becoming a hero in this world?

brush!

Lin Kai directly aimed the gun at Lin Lei on the stage, with red eyes, and said angrily: "Lin Lei! You beast! I will kill you!"

Lin Lei on the stage was not afraid of Lin Kai at all, even though Lin Kai held a gun at him.

He smiled, smiled triumphantly, Lin Kai still appeared!

That was exactly what he wanted, and it was all in one go, lest this little guy would bring him all kinds of trouble when he grew up.

"Yeah, Xiaokai is back? Why do you point a gun at your uncle?"

"Although your father is at fault, you are not at fault. Call me uncle. From now on, you are still the Lin family!"

Lin Lei said with a smile, with an amiable appearance.

But only Lin Kai could see that in his eyes, there was only pride!

He is mocking Lin Ting! See if your son is in front of me, like a caterpillar on the ground, I can trample him to death whenever I want!

When Lin Ting, who was hung in the air, saw Lin Kai, his sluggish face suddenly widened his eyes. He wanted to make Lin Kai run quickly, but he opened his mouth and couldn't scream.

Because he knew that Lin Kai couldn't run away!

After seeing Lin Kai, Liu Yun burst into tears and cried even harder.

After the Lin family incident, Liu Yun was most concerned about her precious son, but what Liu Yun wanted to see most was her own precious son.

Because she knew that Lin Lei would definitely not let Lin Kai go.

"Xiaokai, you stupid boy..." Liu Yun couldn't cry.

Everyone at the scene also looked at Lin Kai playfully. They didn't open up Lin's eyes at all, so what about holding a gun? Can he kill anyone here? Who would he dare to kill?

After Lin Yuan saw Lin Kai, a trace of hatred flashed in his eyes.

But his face soon showed a triumphant smile.

Lin Kai?

Hehehe, in his eyes, Lin Kai is just a joke.

Once, Lin Kai you beat my self-confidence time and time again. In front of everyone in the Lin family, you made me lose face. Today, I not only ruined you, but also ruined your family!

I want you to know that this is the fate of offending Lin Yuan!

“Let go of my father and my mother!” Lin Kai furiously said.

Lin Lei had a helpless look: “Xiao Kai, it’s not that the uncle didn’t let them go, it was that they really deserved the crime!”

Lin Lei is still pretending to be a human being, opening mouthfuls one by one, seemingly helpless.

At this time, a person in the crowd yelled: “Patriarch Lin, what is this **** with him? He is an innocent young master! He is still holding a gun at you, which is the greatest disrespect to you. Ah! For me, the Lin Ting Party should all be hung in the air!”

“Yes! That’s right! I’ve seen this little wanderer! I used to pull a **** the road to open a house. Such a beast cannot keep him!”

“Hang it up! Let everyone see Lin Tingdang’s ugly face!”

...

The yelling and cursing continued, and Lin Lei’s face also showed an embarrassed look.

“This”

“Not so good?”

“He is my brother’s child after all!”

At this time, Wang He stood up again and said, “Patriarch Lin, I know how Lin Kai is. He has pulled my son over and over again, wanting to take drugs!”

“If I hadn’t appeared in time, my son would have fallen into the abyss!”

“Such a person must be severely punished!”

The corner of Wang He’s mouth showed a sneer, taking drugs? This incident was entirely made up by him!

He just wanted to help Lin Lei and wipe out Lin Ting’s party!

Everyone heard that Lin Kai had actually taken drugs and dragged others to take drugs with him, and he kept shouting at him!

I saw an overwhelming amount of **** smashed over, Lin Kai could not hide, was smashed all over, embarrassed.

With a snap, a rotten egg hit Lin Kai's face, and a fishy smell came, which almost made Lin Kai vomit.

Lin Kai's heart is not only annoyed, but also distressed. He loves his parents!

You are innocent! You are good people!

But now, you are so insulted with rotten eggs by people who pleased you in the past, I Lin Kai, can't stand it!

Today, I, Lin Kai, even if I try my best, I will try to get my reputation back for you!

I want everyone in the world to know that my Lin Kai parents are absolutely good people, and they are also existences that you absolutely can't provoke!

boom!

With a shot, Lin Kai shot Lin Lei directly!

A bullet shot towards the center of Lin Lei's forehead! But Lin Lei's face had a playful smile from beginning to end, and he didn't even look at Lin's gun!

Snapped!

The moment Lin fired the gun, a person rushed up. The speed of that person was incredibly fast, and his running posture was like a cheetah. He rushed to Lin Lei like lightning, and he grabbed it with one hand. One bullet!

The man stopped and saw that he was wearing a black leather jacket and his face was stern. As soon as he let go, the bullet fell to the ground.

Ringo!

The master around lei! Lin Kai recognized this kid at a glance.

But when did he become so strong? Can you catch a bullet with your bare hands? Although Ringo is strong, he is far from being as strong as he is now!

“Hahahahaha! It seems that the leather armor I bought for you for a billion is really useful! Not only the speed has increased, but the bullets can be caught!” Lin Lei laughed!

At this moment, Lin Kai also looked at Ringo’s body, and saw that Ringo was wearing a black leather jacket. Except for his head, the leather jacket wrapped all his body.

It turns out that this is a high-tech armored leather suit!

Chapter 290: Real Soldier

Chapter 290

The crowd exclaimed.

Ringo’s strength is already very strong, and coupled with this set of leather armor worth one billion yuan, his combat effectiveness can be compared with that of a soldier king.

Lin Ting also had many masters around him, but they were all taken down by the masters of Lino and the other families!

No wonder Lin Lei looks confident, he is not afraid of Lin opening the gun at all! Because Lin fired a gun, it couldn’t kill him!

On the contrary, Lin Lei was anxious that Lin would shoot, as long as Lin opened a shot, he had a reason to play Lin Kai dead!

Sure enough, Lin Lei at this time, after laughing, actually showed a heartbroken expression, pointed at Lin Kai, and said tremblingly: “Xiaokai, you...you actually shot me!”

“I’m your uncle!”

“You can’t blame me for your father’s accident! Uncle I am also very sad! Xiaokai, you must not treat your uncle as a bad person!”

As he said, Lin Lei tears up and down, looking like he hates iron for not making steel.

But now that everyone else saw Lin Lei caring about Lin Kai so much, they all gave their thumbs up and expressed admiration.

“Lin Lei is indeed a good Patriarch!”

“Yes, Lin Ting wants him to die. Not only does he not kill Lin Ting, but he treats his son so kindly. What a bodhisattva heart!”

“Looking at that Lin Kai again, it is all about crossing the abdomen of a gentleman with the heart of a villain.”

...

A voice of insulting Lin Kai sounded again.

Lin Kai sneered, and put down the gun in his hand, Ringo? Are you strong?

At that time, I saw Lin Kai stepping onto the platform step by step, approaching Lino step by step.

And Lino stared at Lin Kai unceremoniously, without the slightest respect for Lin Kai before.

Although Ringo is strong, Lin Kai doesn't put Ringo in his eyes at all, because he is Lin Kai, but the new king of the Southeast Military Region!

At this time, Lin Yuan, who had not spoken, suddenly smiled, and saw Lin Yuan stand up, holding his arms, and looking at Lin Kai condescendingly.

“Why, you trash, want to do something to Ringo?”

“You don't take a **** and take a picture of yourself, are you worthy?”

“Rookie king of the Southeast Military Region, right? Just you? A young master who only spends time and wine, bought it with money, right? Let's talk, how much did it cost?”

“How much did you pay for the rank of captain?”

Lin Yuan stared at Lin Kai unceremoniously. When Lin Kai came back from the army, he had beaten Lin Yuan.

And Lin Yuan hated Lin Kai. After he joined the army, he trained desperately and worshipped a master as his teacher. Now he doesn't open his eyes to Lin at all!

Lin Kai looked at Lin Lei coldly, and didn't pay attention to Lin Yuan at all.

This made Lin Yuan even more angry, he felt that he did not seem to exist!

“Lin Kai! Open your dog's eyes and see! I will show you what a real soldier is!”

Lin Yuan roared, stabbed, and tore open his suit!

After the suit was torn apart, Lin Yuan's explosive muscles were displayed in front of everyone. Lin Yuan's muscles were strong and powerful, his skin was healthy and wheaten, and there were several stab wounds on his chest!

It was cut when he was training!

Lin Yuan stared at Lin Kai with a confident expression on his face. He believed that Lin Kai's training must not have been as hard as his own, because he had been training desperately for this day for several months!

There was a burst of exclamation below, and some of the little girls had already opened their eyes wide, showing a look of worship.

Now Lin Yuan is not only handsome, but also masculine. The point is that Lin Yuan is still the young master of the Lin family, his father Lin Lei, but the head of the Lin family!

"Lin Yuan, so handsome!"

"This is the real soldier! Look at the Lin Kai, thin-skinned, tender-skinned man, he didn't have any bitterness at first sight."

"In the army, he must also be a handsome leader. The rank and merit must be bought! Rubbish! Waste!"

...

Lin Kai finally looked at Lin Yuan at this time. Lin Kai just glanced at the scars on Lin Yuan's body and smiled at the time: "Hehe, you think you have scars on your body, are you honorable?"

Lin Yuan also smiled: "Hahaha! This is a sign of a man! You will never be qualified to laugh at a man with scars, because that is the pain you have never experienced!"

Lin Kai grinned and shook his head: "No, that's because you are too weak. A real strong person won't have scars!"

With a crash, Lin Kai took off his shirt directly.

I saw a body of white muscles unfolding in front of everyone.

Although Lin Kai's muscles are not swollen, they look very strong and are of a standard model figure. The point is that Lin Kai's skin is better than that of a girl, and countless women on the scene are very jealous when they see it.

Lin Kai pointed to his body, tilted his head and looked at Lin Yuan: "Have you seen? Really strong people will not have scars!"

“Looking for death!” Lin Yuan turned anger into anger at this time, turned around, and pulled one leg toward Lin Kai’s head!

Shout! Before the leg arrived, Lin Kai had heard the sound of breaking through the air. If this leg was pulled on his head, he would have to peel off his skin if he didn’t die!

But Lin Kai smiled contemptuously, just stretched out one of his arms.

Lin Yuan laughed at that time, don’t you know the truth that his arms are stubborn but his thighs? If I go down this leg, your arm will never stop it!

With a bang, Lin Yuan kicked Lin Kai’s arm!

But soon, Lin Yuan couldn’t laugh out loud, because he felt that he seemed to be drawn on an iron pole!

Lin Kai’s body remained motionless, but Lin Yuan’s leg felt a sharp pain!

How can it be?

Before Lin Yuan was surprised, Lin Kai smiled disdainfully, grabbed Lin Yuan by the collar, and raised Lin Yuan with one hand!

“The weak!” Lin Kai shook his head, threw Lin Yuan away with a muffled bang!

Seeing Ringo moved at this time, Ringo caught Lin Yuan and placed Lin Yuan firmly on the ground.

Lin Yuan still had an incredible look at this moment.

He looked at Lin Kai for a long time.

How can it be? How could he not be his opponent?

I have been training so hard in the army for so long, is it not as good as this dude?

My master is the king of soldiers in the army! And in the recruit company, no one has ever been an opponent!

Is it possible that Lin Kai, the rookie king, is real? Do not! I do not believe!

Lin Yuan’s mentality exploded at the time. He pointed at Lin Kai and roared: “Lino! Kill him for me! Now! Now!”

Lino took orders and looked at Lin Kai, with a ruthless look in his eyes.

Lin Kai may be a master in Lin Yuan's eyes, but in his eyes, it's just a rubbish.

His Ringo's strength is stronger than Lin Yuan, and with his leather armor on his body, Lin Kai is not his opponent at all!

"Are you ready for death?"

Chapter 291: Recognize The Thief As The Father?

Chapter 291: Recognizing Thief as Father?

Ringo smiled confidently, raised her head, and looked at Lin Kai condescendingly.

Lin Kai was in his eyes, but it was just a rubbish, a **** he could play with at will!

He can step Lin Kai under his feet as he wants!

Ringo has been practicing martial arts for ten years! Not only is his skill extremely strong, but his actual combat experience is also extremely rich.

Over the years, he doesn't know how many obstacles he has cleared for Lin Lei, he can be described as a gold medalist under Lin Lei!

And Lin Lei did not hesitate to spend a billion, tailored a suit for him!

This set of battle armor is on Ringo's body, like a tiger with wings, and Jiangbei as a whole rarely finds an opponent that can match him!

What about Lin Kai, the new king? The same will be beaten by him to the point of being unable to take care of himself!

There was a sound of discussion in the audience, and everyone was not optimistic about Lin Kai. In their eyes, Lin Kai was like a man's arm blocking a car, so small and so overwhelmed.

He didn't understand how powerful Lin Lei is now!

He also didn't understand how hard Lin Lei's connections were! Lin Lei wanted him Lin Kai to die, it was just a sentence.

It is ridiculous that Lin Kai dared to return to Lin's house, and even dared to point his gun at Lin Lei. Isn't this seeking his own death?

"Look at the move!" At this moment, Lino only heard a loud shout, his speed was like a cheetah, and he came straight over!

I saw a bright dagger popped out from the armor on Ringo's fist! Ringo spun around in the air, dagger pointed at Lin Kai's throat!

He wants to seal his throat!

Ringo's speed and strength are not comparable to ordinary people, and Ringo is also very confident. Lin Kai can't avoid this trick of his own!

And Lin Kai laughed, he never thought of hiding!

Lin Kai stepped forward, patted Lino's chest with one hand!

Lin Kasi ignored the dagger on Ringo's battle armor.

Ringo narrowed his eyes. Is this kid crazy?

He didn't hide his dagger? If his knife really sealed his throat, Lin Kai would definitely die!

Does he want to use this palm to force himself back? Does he underestimate himself too?

Ignorance! Didn't he know that this set of battle armor worth a billion on his body can withstand the power of 5,000 kilograms?

"Dead!" Lino roared, and the dagger was directly on Lin Kai's neck!

And Lino seemed to have seen the splash of blood and Lin Kai fell to the ground in pain while clutching his neck.

But the scene he imagined did not happen, instead, he felt a sharp pain in his chest!

It seemed that a train hit him, and Ringo's body flew upside down involuntarily!

"Impossible!" Ringo exclaimed!

Just now he struck Lin Kai's neck with a dagger, and Lin Kai was unscathed! Moreover, when Ringo saw the dagger colliding with Lin Kai's neck just now, there was a spark!

Is this kid's body beaten with iron?

boom!

With a muffled sound, Lin Kai was directly blasted into the wall by Lin Kai!

Look at the leather armor on his chest, the leather armor that claims to be able to withstand 5,000 kilograms of force, but at this time a huge hole was broken.

Ringo turned pale, spit out a big mouthful of blood!

Shocked at the scene!

No one thought that Lin Kai was so strong!

Even Lino, the number one master of the Lin family, was not Lin Kai's opponent. On the contrary, Lino was easily killed by Lin Kai!

Strong enough to make people tremble!

Lin Lei also narrowed his eyes, and he didn't expect that Lin Ting's son was so strong that at this time Lin Lei was actually a little afraid.

If Lin Kai had run away this time, then next time Lin Kai silently assassinated himself, what percentage of the chances would he be able to survive?

But fortunately, this kid is stupid and dare to come by himself.

"Hahaha! Xiaokai, you are really great, but it's a pity that you shouldn't be against your uncle!" Lin Lei laughed, a trace of cruelty flashed in his eyes.

On the other hand, the masters of the three major families are already ready to move, as long as Lin Kai is rebellious, the masters of the three major families will immediately start to take Lin Kai down!

Although Lin Kai's strength is strong, he is the only one, and he can't beat a pack of wolves. What's more, Lin Lei is a hungry wolf who kills people without blinking!

At this moment, Lin Lei took out a pistol from behind him, pointed at Lin Kai, and smiled: "Kneel down."

Lin Kai tilted his head and asked, "Do you think I am afraid of bullets?"

Lin Lei laughed at that time, at Lin Kai's speed, I'm afraid the bullet would not hit him.

But since Lin Lei pulled out the gun, he was not afraid that Lin Zhuan would avoid his bullets, because Lin Lei's pistol was not drawn for Lin Kai!

Lin Lei pointed the gun at more than a hundred people hanging in the air, and smiled brightly at Lin Kai.

"You can dodge bullets, it is amazing, but what about them?" Lin Lei asked with a smile.

“If I accidentally beat your father to death, you said, can people come back to life after death?” Lin Lei’s mouth showed a smug smile.

“You!” Lin Kai clenched his fists, a trace of cruelty appeared in his eyes.

He wished he would kill Lin Lei at a fast speed now!

And Lin Lei seemed to see Lin Kai’s thoughts, and when Lin Lei waved his hand, all the red dots shone on Lin Kai’s eyebrows.

“To tell you the truth, there are no fewer than five Barrett sniper rifles aiming at your head. As long as you dare to act rashly, not only will your father die, you will also die!” Lin Lei sneered.

Barrett sniper rifle!

The Barrett sniper rifle is a large-caliber weapon! Not only is the rate of fire fast, but the ability to destroy bullets is also very powerful!

If Lin Kai were shot by Barrett, no matter how strong his defenses were, he would definitely be blown by Barrett!

Although Lin Kai’s reaction and speed were very fast, but five Barrett aimed at Lin Kai, Lin Kai also had no confidence that he could survive!

What’s more, Lin Lei was holding a pistol at his father who was hung in the air. If Lin Kai acted so rashly, his father might die soon!

And Lin Ting, who was hung in the air, showed a bitter smile at this time. He shook his head helplessly. He was laughing at himself for no use!

If you are useful, will your son be so difficult for others?

My son is promising now! His strength is so strong, he is the new king of the military region!

But it’s a pity that he is too young, he still can’t beat the old and cunning lei!

“Lin Kai, from your uncle, your uncle, he will definitely treat you kindly.” At this moment, Lin Ting’s helpless voice came.

“Father!” Lin Kai called out with red eyes, shaking all over.

From lei? What is the difference between that and recognizing a thief as a father?

Chapter 292: Kneel Down And Lick My Shoes Clean

Chapter 292 Kneel down and lick my shoes clean

Lin Lei also smiled, he liked seeing this scene very much.

Are you angry? Very annoying, right? Not reconciled?

But what's the use? Before my eyes, you are a pug! So what? When I let you die, when do you have to die!

And Lin Yuan, who was beaten and flew out by Lin Kai just now, smiled.

Seeing him come to Lin Kai, he didn't fear Lin Kai's ability to kill him. Lin Yuan patted Lin Kai's face and smiled: "Yoyoyo, cousin, why are your eyes red?"

"Aren't you capable? Can't you fight? Are you not the rookie king of the **** military area? Come and kill me." Lin Yuan grinned, his expression very proud.

Lin Kai looked at Lin Yuan, clenched his fist, his eyes red.

Does he dare to move? He dare not! When he moved, his father died!

Lin Yuan looked at Lin Kai, who was trembling but didn't dare to move, and laughed: "Hahahaha! Don't you dare! Trash! Rubbish! Like you, Lin Yuan can step on my feet at any time!"

"You are a dog of mine now, including your father, are nothing more than a dog at my Lin Yuan feet. If you dare to bite, I dare to let you die!"

"Understood?"

"Now kneel down and lick my leather shoes clean, and I will spare your father."

Lin Yuan pointed to his leather shoes and glared at Lin Kai with a triumphant smile.

Lin Kai looked at Lin Yuan's leather shoes. At this moment, he was a little moved.

Otherwise, choose to surrender? In this case, his father can still have a way to survive.

Otherwise, his father would die, and even himself would be fatal.

It is not too late for a gentleman to get revenge for ten years, and various comforting words appeared in Lin Kai's mind.

But Lin Kai's legs actually knelt down bit by bit!

And Lin Yuan also looked at him blankly, the expression in his eyes was extremely triumphant.

“Oh, the Lin family knelt down for me! The Lin family knelt down for me! Hahahaha!” Lin Yuan laughed.

There was a roar of laughter in the whole scene, everyone was looking at Lin Kai, their eyes were like watching a beaming clown.

This world is like this, the weak eat the strong, only the fist is hard, is the last word!

Seeing that Lin Kai was about to kneel down, Liu Yun, who was hung in the air, suddenly screamed: “Xiao Kai!”

“Don’t kneel! You have to remember that you are a man! Don’t kneel down to your homicide, and open your mouth. Even if all our Lin family die here, we will never choose to compromise!”

Liu Yun’s words are very powerful, and the more than one hundred people who were hung in the air have red eyes at this time. Even though they are covered in blood and embarrassed, their eyes are so firm!

They never choose to compromise, even if they die in a fair manner, they are not willing to betray their bottom line!

“Master, you can’t kneel!”

“Young Master, we are the Lin family for life, and the Lin family ghost for death! We can’t kneel!”

“Master, don’t listen to his nonsense, even if you kneel, we will die!”

“I would rather stand to die than live on your knees!”

...

A word came into Lin Kai’s ears, and Lin Kai’s heart was shocked, what is he doing?

Do you really want to recognize the thief as the father?

There are more than one hundred people hanging in the air, don’t they have a way to survive?

Do not! they have! It’s just that they don’t choose to compromise, because they are really strong!

And if you kneel down, what is the difference from a coward?

Lin Kai raised his head and looked at Lin Lei resolutely: "I won't kneel!"

boom!

Just after Lin Kai said this sentence, only one shot was heard. Lin Lei shot a high-ranking Lin Ting party official in the head, and the high-ranking official died immediately!

Lin Lei also showed a look of surprise: "Oh, I'm really embarrassed, there has been an accident."

Lin Lei stared at Lin Kai with a smug smile on his face.

When Lin Lei fired the shot just now, Lin Kai's body was obviously shocked, and he was scared!

Has anyone died because of themselves? Lin Kai was scared, how scared he was that his father would die next!

And Lin Lei smiled even more proudly, Lin Yuan looked at Lin Kai condescendingly, as if he had seen a mourning dog!

That's right, Lin Kai now is really like a bereaved dog!

"Lin Kai, take a look, what else can you do after you leave the Lin family? You can't even protect your parents. You're a trash, trash, and useless!" Lin Yuan whispered in Lin Kai's ear. Smiled triumphantly.

"Even your fiance, An Ran doesn't want you. You say how wasteful you are? Settling down in Jiangbei is just a family the size of sesame seeds. Even such a woman doesn't want you. No matter how noble your background, you are still rubbish. !"

Lin Yuan's words echoed in Lin Kai's ears, Lin Kai clenched his fists, uncontrollable anger in his heart.

Yes, Lin Yuan is right, he is a waste!

If it were Lin Kai before, how would he face the current situation?

Lin Kai felt that he would kneel down and beg for mercy, because before Lin Kai could not do without the support of his family! What he needs is money, not dignity!

But even now that I have been reborn, I still feel a deep sense of powerlessness when facing this scene.

If you are strong enough, no one can threaten yourself with your family!

With a snap, I saw a rope thrown in front of Lin Kai. Lin Yuan looked at Lin Kai with a playful look and asked, "Lin Shao, do you come by yourself, or should I help you?"

Lin Kai glanced down at the rope underground. He knew that he was going to be one of the people hanging in the air.

A wry smile appeared at the corner of Lin Kai's mouth. Does he have a choice? He has no choice!

At that time, Lin Kai picked up the rope on the ground.

But at this moment, there was a sound of da da da, everyone looked up, and saw a black helicopter flying in the sky from afar!

The helicopter is rapidly approaching Lin's house, and on the outer shell of the helicopter, there is a big letter!

Everyone exclaimed, who is here? With such a big pomp, you must know that only a few big families came here by helicopter today!

Those who can come by helicopter are definitely big shots!

The helicopter quickly flew to the sky above the Lin family and slowly landed on the lawn of the Lin family.

After the helicopter landed, only two men in black jumped off the helicopter. They stood on both sides, and one of them got off the helicopter.

The man was wearing a black suit with a slightly blessed figure, and wearing a pair of sunglasses. He came, ignoring everyone, and said coldly: "I see who dares to move Lin Shao!"

Chapter 293: Declare War

Chapter 293

The visitor brought four brawny men in black and broke into the Lin family very aggressively.

Everyone talked a lot, who was it? You are so overbearing, don't you put the Lin family in your eyes?

There was a big word Zhang written on the helicopter, but there were only a few families surnamed Zhang in Jiangbei, and they had never seen this young man!

But the sharp-eyed person recognized who the person was at a glance, and screamed loudly: "Zhang Wanlin!"

Zhang Wanlin?

Most of the people present did not know who Zhang Wanlin was, but people with knowledge knew who Zhang Wanlin was.

Zhang Wanlin, isn't he the son of Jiangdong Zhang family?

The Zhang family is considered a big family in Jiangdong, but why did he come? Is he here to help Lin Kai?

The surprised look in Lin Lei's eyes was also very obvious. He obviously didn't expect that Lin Kai, the dude, actually had a true friend, and at a critical moment, he would actually come forward to help him.

"Zhang Wanlin?" Lin Lei smiled when he looked at Zhang Wanlin who was swaggering over.

And Zhang Wanlin came to Lin Kai's side, arched his hand to Lin Kai, and said, "Sorry, Lin Shao, I'm late."

Lin Kai's face also showed a wry smile: "Brother Zhang, it is already my honor for you to come."

That's right, Lin Kai spread the news before coming to Jiangbei. He can only hope that someone can help him when he is most in distress.

Lin Kai didn't hold out much hope, but he didn't expect someone to come.

Zhang Wanlin, a young man from the Zhang family in Jiangdong, although Zhang Wanlin is the number one person in Jiangdong, he is now in Jiangbei, and he is beyond reach!

Zhang Wanlin looked at Lin Lei and said coldly: "Lin Lei, right? I, Zhang Wanlin, now represent my Jiangdong Zhang family and officially declare war on your Lin family! If you Lin Lei don't withdraw from the Lin family, my Zhang family will never die!"

Lin Lei was stunned for a long time after hearing what Zhang Wanlin said.

The scene was silent for a long time.

Then, a burst of laughter broke out: "Hahahahaha!"

"This is really the funniest joke I've heard this year!"

“The Zhang family is going to declare war on the Lin family? Although the Zhang family is a force in Jiangdong, it is Jiangbei here!”

“Ignorance! It seems that it is really gathering people and groups by things. Friends who are wasteful are also wasteful!”

...

There was a burst of laughter, and Lin Lei was also out of breath with laughter.

“This friend, are you serious?” Lin Lei asked.

Zhang Wanlin nodded proudly: “Of course it’s serious!”

Lin Lei laughed loudly: “Hahahaha! It’s just a small Zhang family, I don’t care about Lin Lei!”

“To tell you the truth, my Lin family has joined forces with the three major families of Wang, Ouyang, and Yang. Who can break the four major families in Jiangbei?”

Lin Lei looked at Zhang Wanlin with arrogance and disdain.

The four major families joined forces, and the strength is indeed very powerful.

Several times stronger than the previous Lin family!

Lin Lei is also a veteran and cunning. Although he divided the interests of the Lin family and weakened the strength of the Lin family, he joined forces with the three major families to become one of the four most powerful families in Jiangbei!

Although the Zhang family is tough in Jiangdong, it is far from the opponent of the four big families!

Zhang Wanlin’s face was also very ugly, he glanced at Lin Kai, his eyes were very helpless.

He did not expect that he was the only one to help Lin Kai today.

Other big and young in Jiangdong, is it possible that Chengdu didn’t come?

At this moment, there was a roar of cars, and only six Mercedes-Benz cars were driving into the forest lawn.

And behind the Mercedes-Benz car, there were several security guards. Those security guards were from the Lin family. They couldn’t stop these Mercedes-Benz cars. These Mercedes-Benz cars drove into the lawn of the Lin family.

Everyone looked back one after another. You must know that when driving into Lin's house, you must park your car in the parking lot and drive the car onto the lawn. This is disrespectful to the Lin family!

Who the **** is so arrogant?

There was a sound of opening the door, and a dozen strong men in suits walked off the Mercedes-Benz. The leader, also a young man, wore sunglasses, a white suit, and a dozen people, and he broke into Lin's house. .

"Shao Lin!" The leader in the white suit yelled and smiled.

Are you looking for Lin Kai again?

Everyone was a little surprised this time, isn't Lin Kai just a second-generation waste rich? His friends will come to help him when he is most in distress?

You know, helping Lin Kai now is tantamount to enmity with the four great families in Jiangbei!

But someone really came, more than one, two!

It seems that the second person here is not in a small posture!

A dozen people surrounded Lin Kai and protected Lin Kai's comprehensiveness. The leader Lin Kai knew, the young master of Jiangdong Fan's family, Brahma.

Brahma smiled at Lin Kai, nodded, and looked at Lin Lei: "Lin Lei? My Jiangdong Fan family is officially an enemy of the Lin family today. If you don't leave the Lin family, my Fan family will be the Lin family forever!"

Good guy, another enemy against the Lin family!

This time, Lin Lei's heart was very surprised. When did Lin Kai know these two Jiangdong youngsters?

Their influence in Jiangdong is not small!

A Zhang Jia Lin Lei can be ignored, but with the addition of a Fan Clan, Lin Lei has to weigh it.

However, after weighing it a little, Lin Lei sneered. After so many years of planning, he became the head of the Lin family. Now that he has not been the head of the family for a few minutes, did he withdraw from the Lin family because of these two rich young men?

impossible!

“Hehe, what about adding a Fan family? Our four families join hands, and Qi is what your two foreign families can shake?” Lin Lei sneered, with a look of disdain.

Zhang Wanlin and Brahma looked at each other, shook their heads and smiled. He knew that since they are here, then that one must have come!

Sure enough, only a loud bang was heard, and the door of Lin’s house was knocked over by a muscle car, and a modified Land Rover drove in.

And behind the Land Rover, ten Land Rover Range Rover followed!

As soon as ten Range Rover vehicles entered the Lin family, they became the focus.

There are still people coming?

And looking at the battles, they are bigger than the previous two battles. Ten Range Rover plus one Land Rover blast modified car. What a powerful family can this be a big deal?

Before everyone could think about it, the eleven Land Rover cars rushed directly into the lawn and stopped in the middle of the lawn.

Kaka Kaka...

There was a sound of driving the door, and one after another, strong men in black vests got out of the car. There were about forty people in total!

At the front of the forty brawny men was a young man supporting an old man.

These two people are not unknown people. As soon as they appeared, someone exclaimed!

“Oh my God! Isn’t that Jiang Xing, the first young man in Jiangdong? Is that old man the old man Jiang?”

Chapter 294: Jiang Family Declared War

Chapter 294

The visitor is Jiang Xing, the first youngest in Jiangdong.

Jiang Xing was wearing a casual suit, his eyes were indifferent and arrogant. He supported Mr. Jiang and brought forty strong men into the Lin family.

Although Mr. Jiang is a lot of age, he is in good physical condition. Even without Jiang Xing's support, he can walk like flying.

More than forty people don't pay attention to the Jiangbei families at all, just like walking in the courtyard.

This is the aura of the Jiangdong First Family! Even if you are in an enemy camp, you can face it calmly.

Because behind them is the Jiang family! Jiangdong First Family, Jiang Family!

As soon as the Jiang family entered, the audience was silent, even the Jiang family came?

Could it be that the Jiang family also came to help that wasteful? impossible! Lin Kai's rich second generation, it is impossible for Mr. Jiang to go out in person!

Everyone was very puzzled.

Lin Lei frowned and looked at the old man Jiang who came slowly, and he was very puzzled, why did he come?

According to seniority, Lin Lei had to call his uncle Jiang. The Jiang family is the largest family in Jiangdong. Now that the Jiang family is here, Lin Lei dare not despise it.

But he didn't think that Mr. Jiang came for Lin Kai. Mr. Jiang must have come to congratulate him on Lin Lei becoming the head of the Lin family.

After all, the Lin family is the largest family in Jiangbei! Jiangdong and Jiangbei are only separated by a line, and it is normal for him to have a good relationship with himself.

That's what everyone thinks in their hearts, Lin Kai, that dude, it's very good to have two friends to help him, how could Mr. Jiang run so far for a dude?

Old man Jiang must have come for lei!

Thinking of this, Lin Lei laughed loudly, and quickly greeted him with a flower-like smile on his face.

"Hahaha, Uncle Jiang, I don't know if you are coming here, you are welcome!" Lin Lei walked over without defense, stretched out his hand, very enthusiastic.

And the old man Jiang looked at Lin Lei nonchalantly, and didn't pay attention to Lin Lei at all.

It wasn't until Lin Lei walked in front of Mr. Jiang that Mr. Jiang waved his hand and slapped Lin Lei a big slap!

"Niezha, are you worthy to call me uncle?" Old man Long Yan was furious.

Lin Lei was stunned by this slap, why did Mr. Jiang hit himself? Could he also come to help Lin Kai?

impossible! How could Lin Kai have such a strong background?

Shouldn't his identity in Jiangbei be a dude who can only eat, drink and have fun? Even Father Jiang came to help him?

Lin Lei covered his face, and at this moment, dozens of people in black ran out from behind Lin Lei, these people were all Lin Lei's cronies.

As soon as they appeared, all the forty people behind Mr. Jiang also put on a defensive posture. Those who can be taken out by Mr. Jiang must all be his confidants.

The strength of each of them is also very powerful!

Lin Lei waved his hand, beckoning his men not to act rashly, this old man is not that easy to provoke!

"Uncle Jiang, what are you?" Lin Lei asked, confused.

Lin Lei's heart is almost at a bottom, the old man Jiang may have come for his father.

Mr. Lin and Mr. Jiang are old acquaintances. Although the relationship is not very good, they have been communicating in letters over the years.

He must know some inside stories about the Lin family's affairs, so he came to fight the injustice for his father.

But unexpectedly, Mr. Jiang said astonishingly: "Are you going to tie Xiaoyou Lin?"

"Xiaoyou Lin?"

Lin Lei was dumbfounded when this sentence came out, little friend Lin? Could it be Lin Kai?

But according to Lin Kai's seniority, he had to call Mr. Jiang his grandfather! And the old man Jiang actually called Lin Kai as Lin Xiaoyou? Still called so close?

"You mean, Lin Kai?" Lin Lei narrowed his eyes and asked.

“Yes!” Mr. Jiang replied: “Little Friend Lin is the benefactor of my Jiang family! I come today to represent my Jiangdong Jiang family and officially declare war on your Jiangbei Lin family!”

Another one to declare war!

And it's for Lin Kai!

At this time, stormy seas were set off in everyone's hearts!

What has Lin Kai done outside the past six months? Why are there so many people to support him?

And the people who came to support him are not unknown people, they are all predators!

These big crocodiles don't hesitate to offend the four major families to help Lin Kai. What kind of ecstasy did Lin Kai give them?

Lin Lei was dumbfounded. He looked back at Lin Kai. Lin Kai and Mr. Jiang were called brothers and sisters, so shouldn't he call Lin Kai uncle?

Lin Yuan was also stunned. He did not expect that Lin Kai's personal connections were actually stronger than himself!

Over the years, Lin Yuan has always been proud of his social skills, and Lin Yuans friends are all over the world, but most of his friends are the rich second generation of some families.

There are not many who can help Lin Yuan with small things and big things.

But now, almost the three biggest families in Jiangdong have appeared! They are willing to offend the four big families in Jiangbei for Lin Kai!

In this way, Lin Kai's contacts are much broader than his own!

At this time, the three heads of the three families sitting on the high platform looked very ugly.

The reason they will help Lin Lei is to get a share of it!

But now, it seems a bit wrong to offend the three major families of Jiangdong for this benefit!

But now, the arrow is on the string and I have to send it! They can only bite the bullet and do it!

Your three big families are really awesome, but our four big families are not vegetarian!

You Jiangdong people come to interfere with our Jiangbei people's affairs, we will never admit it!

"Uncle Jiang, do you hesitate to offend the four big families in Jiangbei for Lin Kai?" Lin Lei raised his eyebrows and asked.

Old man Jiang sneered, and a firm look appeared in his eyes: "Unless the Jiang family is killed for the last time in the battle, otherwise, they will never die! Not for old man Lin, but for young friend Lin!"

Mr. Jiang and Mr. Lin are indeed old acquaintances, but their relationship is not so ironic. Now that the Lin family is going to be annihilated, if they intervene, they will definitely get into big trouble.

But for Lin Kai, the nature is different. After all, Lin Kai saved the life of Mr. Jiang! This is a favor, we must help!

Zhien must report!

Lin Lei's expression became very ugly. He solved Lin Ting and Lin's father very smoothly, and Lin Kai in a small area, he had not paid attention to it.

But he did not expect that the least conspicuous Lin Kai would become his biggest obstacle to dominating the Lin Family!

Not only the Jiangdong Zhang family and the Fan family started for Lin, but even the Jiangdong first family Jiang family will declare war with the Lin family. Lin Lei will not leave the Lin family, they will never give up!

Chapter 295: Four Big Families

Chapter 295

Lin Lei at this time was extremely tangled in his heart.

Even Jiangdong Jiang's family started for Lin! Now things are a bit tricky!

Even if he can be the Patriarch, he will never be safe. After all, he wants to target himself, but Jiangdong Jiang's family!

Although Lin Lei is powerful, he has to face it, but Jiangdong Jiang's family!

But let Lin Lei relinquish the position of the Lin Family Patriarch, and withdraw from the Lin Family, that is also impossible.

After all, Lin Lei had planned for this day for so many years before he finally became the head of the Lin family.

How could he give up his position as the head of the Lin family for the sake of an old man Jiang?

Fight if you want! This is the only thought in Lin Lei's mind.

He didn't believe it, he didn't believe that Mr. Jiang would really go to war with his Lin family for a mere Lin Kai! At that time, the Jiang family will definitely not have a good fruit to eat, and it will only end in a loss for both!

Just when Lin Lei made up his mind to go to war with the Jiang family, he only heard the roar of another car. This time, ten overbearing vehicles drove into the lawn of the Lin family.

Seeing that there were still cars coming, everyone was shocked. Is it possible that Lin Kai still has foreign aid?

The three major families have already made Lin Lei very strenuous, and with foreign aid, I am afraid that even Lin Lei can't stand it!

There was a sound of opening the door. This time, it was not a man who got out of the car, but a uniform girl.

There are about forty people, each of them wearing leather clothes, with sharp eyes and hot bodies, and their legs are full of daggers, and they are murderous.

From the leading domineering car, a girl walked down. The girl was wearing a red leather jacket, flaming red lips, a delicate face, and a hot body. When she appeared, everyone on the scene exclaimed.

She is the head of the Jiangdong Huangfu family, Huangfu Wan'er!

The Huangfu family was not inferior to the Jiang family in the past!

Although the family status in Jiangdong has dropped a lot since Huangfu Wan'er came to power, but as the saying goes, a lean camel is bigger than a horse.

The Huangfu family is still a force that cannot be underestimated in Jiangdong.

I saw Huangfu Wan'er rushing towards Lin Kai with forty women. After seeing Lin Kai, Huangfu Wan'er grinned, with a bright smile on her face.

“Brother Lin Kai!” Huangfu Wan’er yelled happily, and rushed towards Lin Kai. She didn’t look like the head of the family at all, and hugged Lin Kai like a sticky spirit.

And after Lin Kai saw Huangfu Wan’er, his face also showed a smile. For Huangfu Wan’er, he really treated her as his sister.

But this scene surprised everyone at the scene.

Even Huangfu Wan’er of the Huangfu family, in front of Lin Kai, is such a small bird?

What is the charm of Lin Kai? Actually let the Jiangdong giants come out for him!

Some people believe that Lin Kai is the boss of Jiangdong now!

After Lin Lei saw Huangfu Wan’er, sweat the size of a soybean appeared on his forehead, and he was under great pressure!

He was thinking just now that the three big families were fighting against the four big families, and Lin Kai had little hope of winning.

But now, there is another Huangfu Wan’er. The four big families are fighting against the four big families. It can be said that Jiangdong is fighting Jiangbei.

Lin Lei never expected that the most inconspicuous little character would burst out with such a powerful force at this time! Drove Jiangdong’s entire forces to come and lei against him!

At this time, it is the Patriarchs of the three major families in Jiangbei who are under greater pressure!

They originally chose to form an alliance with Lin Lei for the sake of profit, because forming an alliance with Lin Lei does not cost much to get a certain amount of benefit.

But now, in order to help Lin Lei, they have to avenge the four big families of Jiangdong!

How can this account be calculated? Why can’t it be paid?

Retirement has sprouted in their hearts, but they just choose to compromise, and their faces can’t help it!

After it spread out, wouldn’t they Jiangbei lower Jiangdong?

You know, Jiangbei’s strength has always been stronger than Jiangdong!

They are still biting the bullet, even if they spend a lot of money, they still have to support Lin Lei and fight Jiangdong!

At this time, Lin Kai had already stood by a hundred or so people, these hundred or so people, but the elite fighters of the four families, their combat effectiveness was very sturdy.

Now that Lin Kaidang has faintly formed, Lin Lei can no longer keep Lin open in his eyes, because his biggest enemy now is not Lin Ting, nor is it Old Man Lin, but Lin Kai who has been in the army for half a year!

Lin Lei's heart was a little scared at this time, he was afraid, he was afraid that another powerful force would come to help Lin Kai, as long as another powerful force came, the situation would be overwhelmed!

He lei will no longer have a trace of advantage! At that time, it was when Lin Kaidang pressed him against Lin Lei's party!

However, whatever you don't want to come, just come!

From outside the gate of Lin's house, a team of vehicles came again, with ten cars! These ten cars are ten BMW cars!

The BMW drove directly into the lawn of Lin's house, and forty brawny men in leather jackets appeared again.

The leader is a young man.

The young man wore a pair of sunglasses, was tall, with a dog's tail in his mouth, and looked handsome.

He saw him put his hands in his pockets, without paying attention to all the forces present, and walking towards Lin Kai with forty people swaggering.

Everyone looked at the young man one after another, all speculating about the background of the person.

But as for his origin, many people can't guess it, only a few people with insight can see who the person is.

"Son of the island's royal family, Wang Tianye!" someone exclaimed.

That's right, the person here is Wang Tianye, the son of the island's royal family!

Wang Tianye was one of the few stabbing soldiers that Lin Kai brought out from the base on the top of the mountain. That group of soldiers belonged to the rich second generation, and Wang Tianye was one of them.

Lin Kai did not expect that Wang Tianye would also come.

At this moment, Lin Kai was moved in his heart. It seems that he didn't have a little **** like Bai Jiao at the beginning.

And Lin Lei's face was as dark as the bottom of a pot, there really is still power coming!

And this time it was not Jiangdongs forces, but the islands forces!

Lin Lei has also heard of the Wang Family on the island, the Wang Family is a big family on the island! I didn't expect that Lin Kai would even have contact with the big family on the island. At this time, someone traveled from the island to Jiangbei from the island to support Lin Kai!

Wang Tianye grinned at Lin Kai: "Instructor, long time no see!"

Lin Kai touched his nose and patted his shoulder: "Little bastard, I didn't expect you to come too."

Wang Tianye smiled: "Haha, not only I'm here, but Chen Qing's kid is also here!"

Chen Qing is one of the most thorny soldiers in the group of thorny heads at the top base.

As soon as Wang Tianye's voice fell, only the sound of a motorcycle was heard.

Harley's voice!

Listening to the sound, not just a few cars, even the ground is trembling slightly, as if there is a roaring beast underground!

The ground was shaking more and more severely, and everyone looked at the gate of the Lin family in unison.

Who is here again?

Chapter 296: Six Top Families

Chapter 296 Six Top Families

The ground trembled more and more severely, and a dazzling beam of light shone in from outside the gate.

I saw a Harley motorcycle driving into Lin's house. The black Harley motorcycle was particularly dazzling in the sun, and the bright headlights could not open their eyes even in the daytime.

On the handsome Harley motorcycle, the roar of the exhaust pipe is like a demon in hell, making people get goose bumps all over.

This is the latest Harley motorcycle, the price of a single bike exceeds 100,000!

And there is more than one Harley motorcycle like this.

After the first Harley motorcycle came in, more Harley motorcycles appeared behind it!

One, two, three...

It's endless, there is no way to count how many Harley motorcycles there are!

All of a sudden, I saw the dust on the ground! Harley motorcycles are like an army on the ancient battlefield, and they will be killed in mighty!

The roaring sound of the exhaust pipe is like the screaming on the battlefield, which makes people terrifying.

Everyone was stunned looking at the countless Harley motorcycles, who was it this time? Such a big show!

This time, is someone here to help Lin Kai again?

Everyone was a little numb from shock, and Lin Kai brought them too many surprises!

The Harley motorcycle soon stopped on the lawn. At this time, everyone could see how many motorcycles there were. There were a hundred!

There are two people sitting on each Harley motorcycle, two strong men in black leather jackets. There are two hundred strong men in total. Each strong man carries a golf club in his hand and walks aggressively. Come here.

The leader was a young man in his early twenties, dressed in fancy clothes, a pair of Tyrannosaurus sunglasses, and a golf club on his shoulders, and he swaggered over.

As for the entire Lin family, no one dared to stop them!

The person here is Chen Qing!

Chen Qing swaggered to the front of Lin Kai, hammered Wang Tianye, and smiled: "You guys can't do it either! I took two hundred people, so how many people will you take?"

Wang Tianye also smiled: "Haha, the soldiers are good, not too many!"

Two people have been comparing in the army, and they are still comparing.

Lin Kai smiled too, his heart was very touched, it seems that he didn't have the two boys from Baijiao at the beginning, these two boys are really good fortune!

And looking at Lin Lei's face, it was already very ugly.

His pressure was as great as a mountain, and Lin Kai brought him too many surprises!

Unexpectedly, a small role that Lin Lei always thought was indeed a big man he couldn't afford to provoke him!

This time, the power brought by Lin Kai is no longer the Lin family can contend!

Lin Lei has divided the power among the other three families. The Lin family is not that strong now, and in the face of so many powerful families, if the Lin family does not rely on foreign aid, it will not survive!

Zhang family, Fan family, Jiang family, Huangfu family, Wang family, Chen family.

Each of these six families is a top family!

And even if the four major families in Jiangbei joined forces, the pressure at this time was very high!

Wang He and the others also had a retreat in their hearts. If they continue to contend with Lin Kai, they need to pay the same price as blood! And it may not win!

But if they let them spit out the meat they ate, they were really unwilling!

At this time, the whole scene was shocked by Lin Kai's connections!

Everyone opened their eyes wide and looked at Lin Kaidang in front of them with an incredible expression.

I don't know when, the Lin family is not only the Lin Ting Party and the Lin Lei Party, but also an extra Lin Kai Party!

You know, Lin Kai is only 18 or 9 years old! But his personal connections are even more terrifying than Lin Lei and Lin Ting! Six top big families are willing to help him when he is most in distress. Who can do it in the Lin family?

"Lin Kai, amazing!"

"Who said that Lin Kai is the No. 1 waste in Jiangbei? Who said that he can only eat, drink and have fun? Who said that his friends are all Hupengou friends?"

“The six top families are now backing Lin Kai, and Lin Kai himself is still the rookie king of the military region. The most important thing is that the current Lin Kai doesn’t look like the old waste young man at all!”

“Yes, if Lin Kai used to be, it is estimated that he would have been arrogant and disrespectful. Look at Lin Kai now, being humble, polite, and upright, not as dumb as the rumors!”

“In the past six months, what has Lin Kai experienced?”

...

There was a sound of discussion, and everyone was discussing Lin Kai.

And Lin Yuan’s face was already very ugly.

Lin Kai was so powerful that Lin Yuan hadn’t expected it.

After Lin Yuan returned from the army, he thought that his strength was stronger than Lin Kai, and that he could be recognized by Mr. Lin.

But after he came back, Mr. Lin still ignored him. At first, Lin Yuan didn’t know why, but now, Lin Yuan really understands.

Because Lin Kai is really better than himself! His military rank is captain, but his rank is major, and he has made a third-class merit!

The most important thing is that Lin Kai’s personal connections are more than a little bit stronger than him!

Their friends are all top predators of the first-class family! And his friends are all from the second-level family.

Lin Kai’s friends can stand up when he is in such a crisis, which shows that Lin Kai is very upright, and Lin Kai’s way of dealing with things is also very flattering.

This made Lin Yuan feel as uncomfortable as eating shit.

Obviously a family is rich and young, so why can you step on yourself? It was only now that Lin Yuan understood that Lin Kai had changed, and he was no longer the same as before.

Lin Kai now is a real strong man!

And not far away, Mr. Lin sitting in a wheelchair didn’t know when he opened his eyes. Mr. Lin saw everything just now.

At this time, seeing his pale face finally turning rosy, he smiled very relievedly.

The Lin family is out! Lin Kai did not disappoint him. Now Lin Kai is so powerful that even he, the grandfather, did not expect his grandson to grow so fast!

Even if the Lin Family let Lin Kai be the Patriarch now, it's all right!

And Liu Yun and Lin Ting, who were hung in the air, looked at each other, and their eyes were filled with gratifying smiles.

As parents, seeing that their son is promising, they are naturally happy. Now Lin Ting's face has been swept away from the previous decadence, and replaced by a look of excitement.

His son really surprised him!

Before Lin Kaiwan, Lin Ting was broken for Lin Kai. Even if Lin Kai was sent to the army, Lin Ting understood that it was just a slow strategy.

But now, Lin Kai really surprises him. Not only is Lin Kai not only a dude, but he has also become a big man who is even a dad!

Chapter 297: Lin Lei

Chapter 297

Originally, Lin Ting was very desperate, and he thought that this time he would definitely die.

Because he knows his eldest brother too much, if he doesn't do it, he will definitely do it!

And he fell into his hands, he would not let himself live!

At first, when Lin Kai appeared, Lin Ting was very sad, because Lin Kai fell into Lin Lei's hands and would never end well.

But now, hope began to rise in Lin Ting's heart.

It is not that he did not have the chance to survive, nor did he have the chance to continue to be the head of the Lin family!

He pinned all his hopes on Lin Kai, his own son!

At this time, Lin Kai looked at Lin Lei with bright eyes. At this time, Lin Kai spoke with confidence, because behind him were six top big families!

“Lin Lei, I now order you to take your power and withdraw from the Lin family! I can leave you a way to survive, otherwise, you will definitely die!” Lin Kai directly let out cruel words!

Moreover, Lin Kai gave Lin Lei a chance to survive.

Now its too late to know how to get lost!

And Lin Lei’s face was very ugly, he clenched his fists, his teeth were trembling, he was not reconciled!

He waited for this day for so many years, and now he finally became the head of the Lin family. Because of a Lin Kai, let him withdraw from the Lin family?

How could he be willing? He is not only unwilling, but also very angry!

He can’t wait to drive Lin to the corpse! He wanted to kill all Lin Kaidang and Lin Tingdang!

But now, he dare not do that.

Because he is facing six top big families.

Now let Lin Lei let go, Lin Lei is definitely not reconciled. He glanced at the three major families in the distance, gritted his teeth, cruelly, and fought!

What if the six big families add up? I’m not afraid!

Lao Tzu stubbornly guards this one-third of Jiangbei’s land, and none of you want to hurt my interests!

Lin Lei looked at Lin Kai and sneered: “Hehe, do you think you can defeat me by relying on six foreign families? I tell you, it’s impossible!”

“I Lin Lei is the emperor of Jiangbei! I see who can harm my interests, the big deal is that I will not be out of Jiangbei in my life, and I will become the head of the Lin family!”

“You are really capable in Jiangdong, the island, and Yanjing, but I’m not afraid of Lin Lei! You are beyond your reach!”

“Lin Ting, he must die too!”

Lin Lei almost reddened his eyes, and said these words murderously.

There was also a sound of exclamation below, and no one thought that Lin Lei would dare to contend with Lin Kai under such a great pressure!

But if you think about it carefully, it's right. Although their forces are powerful, they are not local forces in Jiangbei after all.

And he Lin Lei is the native emperor of Jiangbei, the four big families join forces, even if these six families are strong, there is no way to take Lin Lei!

And Wang He and the others looked at each other, and they both confirmed their thoughts, supported Lin Lei's decision, and fought Lin Kai to the end!

At that time, Wang He stood up and said, "Yes, my Wang family supports the Lin family! You are definitely not allowed to harm our Jiangbei interests a little bit!"

Ouyang Yan also twisted her waist and stood up. She stared at Lin Kai and flew a wink.

"I, Ouyang Yan also support Lin Lei."

The last person who stood up was Yang Xiao. Yang Xiao carried a hand on his back and looked upright: "I have always been upright, Yang Xiao. I support the Lin family. I don't do anything else. I don't allow outsiders to interfere with my Jiangbei family affairs!"

The attitude of the four major families is very resolute. They join forces to resist Lin Kai and will never choose to compromise!

But Lin Kai's face changed slightly.

To be honest, Lin Kai is very anxious now. He wants to save his parents, but Lin Lei's attitude is so tough that Lin Kai can't save his parents at all for a while.

That being the case, Lin Kai clenched his fist, it seemed that he could only do a killer!

Lin started to kill, and the six big families brought a lot of people. If he came hard, it would not be hopeless to save his parents.

As for the Lin family, temporarily give it to Lin Lei.

Lin Yuan had a frustrated face, but after listening to his father's words, he also shined.

Seeing Lin Yuan looked at Lin Kai, his frustrated eyes instantly became proud.

Yes! What if your Lin Kai is awesome? I, Wang Yuan, is the overlord of Jiangbei! Your power has nothing to do with us.

The fate of your parents is still in my hands!

At that time Lin Yuan laughed out loud: “Hahaha! Lin Kai, you are growing up very fast, which surprised me very much, but your parents’ life is still in my hands!”

Lin Yuan laughed wildly.

Lin Lei also sneered, looking at Lin Kai without any fear.

The people at the scene also started talking.

“Lin Kai is indeed growing very fast, but facing the old and cunning Lin Lei, he is still too tender.”

“Yes, even if someone is willing to work hard for Lin Kai and Lin Lei, but this is Jiangbei, no matter how powerful they are, there is no way to take Lin Lei!”

“Lin Lei really saved it this time. Lin Kai is miserable this time. He can’t get out of the Lin family at all!”

...

Lin Lei’s eyes also flashed a ruthless look, Lin Kai’s contacts were really terrifying, in order to avoid future troubles, Lin Lei decided that Lin Kai must be killed at the Lin family today!

At this time, several Barrett sniper rifles had been aimed at Lin Kai. As long as Lin Lei gave an order, Lin Kai’s life would be taken away by ruthless bullets!

At this moment, I only heard the roar of another car, and everyone looked at the gate in unison.

Is it possible that someone else will come?

Lin Lei also looked at the gate, frowning, is there someone to support Lin Kai? Isn’t this kid’s connections too scary? impossible!

This time, it is not a luxury car, but a simple Jinbei van.

There were about ten Jinbei vans, and ten Jinbei vans parked on the lawn. There was a loud sound of door opening, and countless people jumped off the Jinbei van!

The Jinbei van has a large capacity, especially for this large van. There is no problem with loading ten people in one car.

And the people who come down are not some thugs in uniform suits, but the people who come down are **** in fancy dresses!

Although they are gangsters, these gangsters have sharp eyes, strong figures, and have scars and tattoos.

And on their arms, there was a strip of white cloth tied together, and more than one hundred people looked at the Lin family fiercely.

At this time, the door of the foremost Jinbei van opened, and a sturdy-looking man walked down. His physique was very strong and his appearance was very interesting, especially his hair, which was very swollen.

He swaggered over with a big cigar in his mouth.

Chapter 298: Macau Support

Chapter 298

Almost no one on the scene knew this person, but only Lin Kai knew him.

Lin Kai did not expect that he would come too! The person here is no one else, but Ah Fu under the Omen Sage King!

Ah Fu is a resounding number one person in Omen, he is in Omen, but the gold medalist under the Saint King!

Although the No. 100 people brought by Ah Fu looked the same as street gangsters, they were not ordinary street gangsters, they were street gangsters who had seen blood in their hands!

They have no problem after dozens of them!

Lin Kai helped the Saint King a lot in Omen, so the Saint King also knew the gratitude and sent Ah Fu to help Lin Kai.

This is also the heart of the holy king.

And everyone present looked at Ah Fu, frowning, no one knew Ah Fu, and everyone was discussing who the person was.

Lin Lei's brows were also frowned. The six big families behind Lin Kai had enough headaches for him, but he didn't expect that now there is another one!

And watching the battle, the background is not small, now it is the seven forces, and Lin Lei is under great pressure!

Ah Fu brought the number one hundred and ten directly to Lin Kai. Ah Fu bowed his hand to Lin Kai very respectfully and said, "Mr. Lin, am I not here late?"

Lin Kai laughed. He patted Ah Fu on the shoulder and said with a smile: “No, you can come, it is my honor for Lin Kai!”

Lin Kai’s words made Ah Fu flattered and waved his hand to say no.

Lin Lei looked at Ah Fu who was like a street gangster with disdain in his heart. It seemed that he was a little street gangster. He didn’t expect Lin Kai not only knew the predators in various places, but even such little gangsters.

“Who are you? Do you know that you want to get the Lin family’s revenge for breaking into the Lin family’s gate?” Lin Lei asked coldly.

Lin Lei finished speaking, Ah Fu also looked at Lin Lei.

Ah Fu is very tall. He looked at Lin Lei condescendingly, almost staring at Lin Lei with his nostrils.

“Who am I? I am Afu, the thug under the Omen Sage King! This time, I came to support Mr. Lin on the order of the Sage King. On behalf of the Sage King, I officially declare war on your Lin family! Unconditional Support Mr. Lin!”

As soon as Ah Fu’s words came out, there was a burst of exclamation at the scene, everyone’s eyes widened, what? This gangster-like person is actually the person of the Holy King?

Speaking of Ah Fu, not many people may know about it, but almost no one knows about the Holy King!

You know, the God of Gamblers movies in the past few years were shot based on the masters of gambling in Omen. This Saint King is the prototype of a character in the God of Gamblers movie series!

In Omen, the most famous person is not the official, nor the rich second-generation, but the ten master gambling players! Two gods and eight kings!

The two gods are the **** of gambling and the **** of calculation, and the king has eight kings! Each of these eight kings is famous in Omen, and is a representative of the power of Omen.

Unexpectedly, Jiangbei is tens of thousands of miles away from Omen, but Lin Kai even has a relationship with Omen!

The Saint King sent his men to help Lin Kai. What a hard relationship is this?

What has Lin Kai experienced in the past six months? Those who came to support him were all predators!

From Jiangdong, Yanjing, the island, and Omen, there are no one from Beijing now.

Lin Lei's face turned black at the time, and he bit the bullet and confronted Lin Kai. He had taken great courage.

But now, Lin Kai actually still has foreign aid, which puts Lin Lei under great pressure!

The seven forces helped Lin Kai together. The powerful force of the Lin Kai party has become the most dazzling star in the Lin family, and it is impossible for people to look directly at Lin Kai.

Lin Lei's firm thoughts finally wavered at this time.

Do you really want to face Lin Kai?

He is so powerful now! The people behind him, everyone has a big background, big background, if he insists on going against Lin Kai, I am afraid that there will be no good fruit!

Although Lin Lei thought, he was nesting in Jiangbei, holding his one-acre three-point land, but could he really hold it?

You know, it's not one or two forces that are directed at his Lin family, but seven forces! No matter how great his Lin family is, he can't live with fear every day, right?

Besides, the current Lin Lei is completely supported by the other three families.

And Lin Lei knew in his heart that once they found that the Lin family brought them more pressure than benefits, they would definitely abandon the Lin family without hesitation!

When the time comes, lei will be the fish on the chopping board, let anyone kill it!

But just giving up like this, Lin Lei is not reconciled!

After all, this is the result of his efforts for so many years!

At this moment, Lin Kai sneered. He looked at Lin Lei and asked: "Lin Lei, I ask you, are you going to drop or not to drop now?"

Lin Lei's face was very ugly, and he began to hesitate again.

And Lin Yuan behind Lin Lei was anxious at this time, Lin Yuan was already dazzled by anger, he did not want to surrender! He didn't want to be stepped on by Lin Kai!

Lin Yuan now has only one idea, and that is to fight Lin Kai to the end! Even if he is the last member of the Lin Lei Party, don't let Lin Kai make it!

“Father! Can’t surrender! We father and son have worked hard for so many years, why does Lin Kai become the head of the Lin family?” Lin Yuan said with red eyes.

And Lin Lei seemed to have been infected by Lin Yuan, and saw Lin Lei gritted his teeth and said angrily: “No!”

Lin Kai laughed at the time when he heard the words “no drop, no drop?” Lin Kai is very confident now. With his personal connections, he can completely crush the Lin Lei Party!

If it weren’t for worrying about the safety of his parents, Lin Kai would have done it long ago!

At this time, Ah Fu, who had always been very irritable, stood up and said: “Mr. Lin, if possible, I will take my brothers and chop this old boy immediately!”

After all, Ah Fu is a gangster in society, and Ah Fu’s methods are very cruel, and he can’t see Lin Lei being arrogant in front of him.

And the one hundred and ten behind Ah Fu also looked at Lin Lei with bad eyes.

Not only the people behind Ah Fu, but the people from the other six forces also looked at Lin Lei unkindly. As long as Lin Kai gave an order, they would definitely pounce on Lin Lei without hesitation, leaving Lin Lei dead!

Lin Kai himself is also hesitating. Since Lin Lei’s attitude is so tough, should he be strong? Just kill this kid?

Although Lin Kai was very resistant to murder in his heart, Lin Lei was not a good person. He wanted the life of his parents. Even if he killed him, Lin Kai had a clear conscience!

Just as Lin Kai hesitated, a few cars quietly drove in from the gate of Lin’s house.

These cars came quietly when they came, not at all arrogant when the front seven forces came, these cars just appeared so quietly.

Chapter 299: People From Beijing

Chapter 299

However, some people still noticed these cars. There are five cars in total. These five cars are not top luxury cars, just five ordinary Audi a6s.

Although this car is only four to five million, the license plate numbers of these cars are very powerful, and the license plate number of the capital is a!

You know, the population of the capital is very large, and the license plate number with a is also very rare. In the capital, the car owner is basically rich or expensive!

After seeing these Audis with A, everyone on the scene held their breath. Who is here?

Lin Kai also looked over, and he was also very puzzled, who was it? Lin Kai remembered that he didn't seem to have any friends in Beijing!

Who will come to Lin's house in a car in Beijing at this time?

The car door opened, and a total of ten young people walked out of the car. Each of these ten young people was only twenty-four or five years old. They were wearing slim suits and not very burly, but they were definitely strong. .

These ten people are completely different from the people who came before. Everyone who walked out of the car before had a murderous attitude, and was very arrogant and invincible.

These ten people just stood there quietly, without revealing any murderous aura, their bodies were motionless, their eyes were straight ahead, and their bodies were straight.

Lin Kai saw at a glance, these ten people are soldiers!

And they are not ordinary soldiers, ordinary soldiers can't freely retract their aura at all. These ten men are definitely special forces! And it is a top-notch presence among special forces!

After seeing these ten people, Lin Kai's heart became even more confused, the special forces from the capital? And still ten? Who is so big?

While Lin Kai was thinking about it, a man walked down from the leading Audi.

The man is about 30 years old and looks average, but he has a strong aura, there is a heroic aura between his eyebrows, and his body is well proportioned. He is the kind of person you will never forget at a glance.

After he walked down, he smiled at Lin.

And Lin Kai also recognized who the visitor was at a glance. The visitor was Long Xiaoyun's brother, Long Xiaotian!

It was him!

Lin Kai did not expect that even Long Xiaotian would come to help him. Lin Kai still remembered that when he was in the Southeast Military Region, Long Xiaotian strongly expressed that he wanted to be his brother-in-law, but he refused.

He would come unexpectedly, which Lin Kai never expected.

Lin Lei narrowed his eyes after seeing Long Xiaotian. Obviously, he didn't know Long Xiaotian.

Long Xiaotian took the ten people behind him and walked directly in front of Lin Kai. Don't think there are only ten people, but these ten people can be worthy of thousands! The power of the special forces is not a blow!

"Hello, brother-in-law." Long Xiaotian smiled at Lin.

Lin Kai also scratched his head shyly, a little embarrassed: "Major General Long, I didn't expect you to come too."

"It's not Major General Long, it's time to be called Lieutenant General." Long Xiaotian smiled.

Lieutenant General? After Lin Kai heard this, he was shocked at the time. He was only about 30 years old, and he was already a lieutenant general. The future is limitless!

When the people around heard that the person was actually a lieutenant general, their eyes widened, lieutenant general? General? People from the military area? Even the military region sent people to help Lin Kai?

Lin Lei's mouth opened wide at the time, Lieutenant General! My goodness!

"This one, may I ask who you are?" At this moment, Lin Lei asked cautiously.

Lin Lei's mentality has exploded. At this time, he even wondered if he was dreaming. If he weren't dreaming, how could Lin Kai, a futile waste, know so many big people?

Long Xiaotian looked at Lin Lei, but there was no smile on his face, but looked at Lin Lei coldly.

I saw Long Xiaotian took out a token from his pocket, and carved a big dragon character on the token, very domineering.

Lin Lei just glanced at the token, and then he trembled and almost fell to the ground.

"You are... actually from the Long Family?" Lin Lei's face was green.

And the people at the scene widened their eyes when they heard that Long Xiaotian was actually a member of the Long Family, so did the Long Family come?

"The Long Family, I didn't expect to be from the Long Family!"

“The Long Family in Beijing? This Lin Kai is too good, right? Even the Long Family has something to do with it!”

“Yes, I heard that the Long Family is a famous big family in the capital! What is the place in the capital? The water is so deep, the family that can be famous in the capital is definitely a big family!”

“Lin Lei is over this time, and even the people of the Long family have gone out. I didn’t expect Lin Kai to hide so deep, and friends all over the world!”

...

Lin Lei’s mentality was exploding at this time, but this Long Family was enough for him to drink a pot, not to mention the other big families.

The Long Family is very powerful in the capital, and many members of the Long Family join the army. The Long Family is a family of soldiers. I heard that the ancestors of the Long Family had commanders, and the current Long Family’s strength should not be underestimated.

For example, the Long Xiaotian in front of him, he said just now that he is a lieutenant general!

Lieutenant General, what is that concept? It’s the general!

How powerful the general is, Lin Lei can think of it with his toes.

Unexpectedly, this little brat Lin Kai not only knows the bosses in various places, but also has something to do with the military!

Long family, he Lin Lei can’t afford to offend!

At this time, Long Xiaotian squinted his eyes and asked: “Now, do you know who I am?”

Lin Lei’s face was pale, and his whole body was trembling slightly, but he was trying to restrain himself. He nodded: “Yes, Master Long...”

“Now, I order you to apologize to Lin Kai!” Long Xiaotian said coldly, his aura exploded.

As soon as the aura of a superior erupted, Lin Lei’s knees couldn’t help but tremble, and he almost knelt down!

But Lin Lei was still clenching his teeth, and he refused to let himself kneel down!

Even though Lin Lei now understands that he knows that he has no hope of winning, but Lin Lei, who has been forced to a dead end, knows that his surrender is absolutely nothing good!

It's better to fight to the death, maybe you can really become the Lin Family Patriarch!

At that time Lin Lei had red eyes: "I won't kneel! I am the head of the Lin Family! Your Long Family is strong, but my Jiangbei family affairs do not need your Long Family to interfere!"

When Long Xiaotian saw this, his brow furrowed and he glanced at Lin Kai, wanting to see how Lin Kai wanted to deal with this matter.

Lin Kai saw that Lin Lei's attitude was so tough, so he wanted to order it to be strong, but at this moment, there was a loud bang and a natural change. The sky, which was originally a clear sky, was taken within a few seconds. Dark clouds covered!

And a lightning that looked like a long dragon struck down, and a loud bang made everyone's body tremble!

At this moment, at the gate of Lin's house, flying sand and rocks, in the dimness, I don't know when two people appeared, two people in the dust.

Chapter 300: The Collapsed Lei

Chapter 300

Everyone looked at the sky with a look of horror on their faces!

The sky changed drastically, and the originally clear sky was covered by dark clouds in just a few seconds, and from time to time there was thunder.

It seems that God is venting his dissatisfaction.

What's happening here? Everyone's hearts trembled a little. Could it be that God couldn't understand what Lin Lei was doing, so he was angry?

Lin Lei looked at the sky with a look of horror on his face.

At this moment, I don't know who shouted: "There is someone at the door!"

The crowd looked towards the door in unison, and saw that at the gate of Lin's house, they did not know when two people appeared.

A young and beautiful girl, who seems to be only about twenty years old, with a hot body, wearing a black leather coat, and red wavy hair. Sexy girl.

As soon as she appeared, she immediately killed most of the beauties present.

And she supported an old man. The old man was wearing sackcloth with a crutches in her hand. It seemed that the old man was about seventy or eighty years old, with gray hair and wrinkles on his face. Trembling.

But in such an environment, such two people actually appeared, so that no one would dare to look down on them.

But Lin Kai recognized who the person was at a glance. The young woman was Zhu Manqing, and the old man was the old celestial teacher.

Why are the two of them here?

Lin Kai didn't have deep friendship with the old celestial master, but Lin Kai knew that he was very strong and he was not his opponent at all.

There is only one fate between himself and him! He will also help himself?

All the people present had only heard of the great name of the heavenly master, but they had never seen the true face of the heavenly master, so no one at the scene knew the heavenly master except Lin Kai!

I saw Zhu Manqing helping the old master to come to Lin Kai. The old master looked at Lin Kai with a very greedy look, as if he saw a peerless treasure.

"Young man, long time no see." The old master said with a smile.

Lin Kai also bowed his hand and said, "Senior, you are here too."

"You are the most talented young man I have ever seen in my life. I hope you can consider the request I made last time."

The request made by the celestial master last time was to let Lin Kai apprehend and worship him as a teacher.

But Lin Kai didn't promise the old master.

After learning about the identity of the celestial master, Lin Kai did not regret it. He was a person who liked freedom, and he didn't want to be a descendant of Maoshan.

Lin Lei glanced up and down at the celestial master, and found that the celestial master was worn in tatters, and he did not put the celestial master in his eyes!

"You bad old man, do you know where this is? This kind of place is also worthy of someone like you?" Lin Lei said angrily.

Lin Lei had already accumulated a lot of anger and there was no place to spread it. The forces from the front, each of them were terrifying, and now finally saw a bully, how could Lin Lei let go of the opportunity to give up?

“Lingo, kill him for me!” Lin Lei said angrily.

And Ringo moved his hands and feet not far away, and a light burst in his eyes!

I saw a dagger popped out of Ringo’s sleeve, and he walked directly to the heavenly master!

Just now he was defeated by Lin Kai’s hands, and Lino’s heart was also extremely unconvinced. Now, he is going to kill this bad old man so that he can solve his own hatred!

I only heard Ringo yell, and rushed directly towards the old master with the dagger. The dagger stabbed directly at the heart of the old master. He wanted the old master to die directly in front of his eyes!

The old master smiled slightly and shook his head.

A magical scene happened. I saw the old celestial master stretch out his **** without a hassle, and with a snap, the dagger was directly crushed by the **** of the old celestial master!

Ringo’s eyes widened, this is impossible!

This dagger is the toughest blade in Jiangbei! It makes no sense for this old man to crush it with two fingers!

You know, even if you pinch it with a vise, you can’t crush this dagger!

Afterwards, the old celestial master randomly patted Ringo’s chest, and saw that Ringo’s face turned pale in an instant, and then he was like a kite with a broken line, his body flew upside down!

With a loud bang, Ringo directly smashed through a solid wall and was buried in a pile of bricks, his life or death unknown.

This hand of the celestial master silenced the entire scene.

Lin Lei’s first thug, Ringo, was just solved by this bad old man?

And it’s still so easy, this old man with half of his foot stepped into the coffin, what kind of character is he who is so powerful?

Lin Lei's eyes widened at the time, revealing an incredible look.

This old man is no ordinary person!

Long Xiaotian also narrowed his eyes at this time, looking at the old man with a serious expression.

After a while, Long Xiaotian clasped his fists and stepped forward and asked, "Dare to ask someone, but the Chinese are called the predecessors of the celestial master?"

The celestial master glanced at Long Xiaotian and smiled: "Hehe, you young man still has a bit of vision."

Hearing the confession of the old master, Long Xiaotian was very excited. The old master has always been a legend-like character to him, but he did not expect that today he actually saw a real person!

The people at the scene also exclaimed, their eyes widened, and countless people picked up their phones to take pictures.

This person is a heavenly teacher! God fortune teller!

The most surprising thing is not that the heavenly master has come, but that Lin Kai can actually let the heavenly master go for him!

You know, the celestial master will have an income of hundreds of millions with a casual shot, and the friends of the celestial master are all predators worth at least tens of billions!

Such a big man, placed in Jiangbei, can make Jiangbei an important big city in the entire Chinese nation!

Such a big man actually came to the Lin family in person for Lin Kai, what a face is this?

"The **** of fortune? Fuck, the only descendant of the Maoshan School!"

"This celestial master is wicked. It is said that he knows spells! Look at the sky changing when he comes. This is the masterpiece of the celestial master!"

"With a wave of his hand, he can make God rain!"

"I didn't expect Lin Kai to even know such a big man! It's amazing!"

...

At this time, many people no longer dare to underestimate Lin Kai. The power of Lin Kaidang is the most powerful in Jiangbei!

Take a look at the people behind Lin Kai, who are they? Pull one out at random, you can call it a predator in Jiangbei!

And Lin Kai is the king among the predators!

When Lin Lei heard that the person was actually a celestial master, his legs softened and he almost didn't kneel to the ground.

Lai Ren is the only descendant of Maoshan School?

What big person does Lin Kai know? Originally, the six big families had enough for him to drink a pot, and then came the holy king's confidant, the Beijing Long Family, and now the only descendant of the Maoshan School, the celestial master, is the rhythm to kill Lin Lei!

Chapter 301: Betrayal

Chapter 301

"The Lin Family... The Lin Family is really out of the Dragon!"

At this moment, Mr. Lin, who was sitting in a wheelchair not far away, was in tears. Over the past few days, his mood has really fallen from the top of the mountain to the bottom of the valley, and from the bottom of the valley back to the top of the mountain!

His biological son actually turned against his younger brother, wants to be the head of the Lin family and kills his younger brother, even his father is not in the eyes.

Mr. Lin was very desperate at the time, but now he sees hope again!

This hope is Lin Kai!

Lin Kai is too dazzling now, even his grandfather never thought that his grandson would grow so fast.

Every one of his friends is a big power!

Moreover, Lin Kai's friends would come to help Lin Kai when he was most in distress. It could be seen that the friends Lin Kai made were not friends of wine and meat.

And now, even the Long Family in the capital has come.

The Long Family in Beijing is a big family with great reputation in the capital, and the Long Family has a close relationship with the military. With the support of such a big family, Lin Lei would definitely not dare to do anything to the people of Lin Ting Party!

And now, even the celestial master of the fortune teller is here.

The celestial master of the fortune teller is a resounding number one in China!

He is the only descendant of the Maoshan School. Don't think the old celestial master is just a lone person, but he alone can match the four great families in Jiangdong!

You know, the connections of the celestial master are not so wide.

There are not a few predators who want to ask the heavenly master to look at their fortune and see Feng Shui. As long as the heavenly master speaks, there are probably countless big families madly pounce on Lin Lei, and then Lin Lei will definitely die without a place to be buried!

Lin Lei obviously thought of this too, at this time, his face was pale and bloodless.

Lin Lei at this time has been forced to a desperate situation!

The forces he faced were so powerful that he had no way to resist!

Lin Kai, the young man he puts the least in his eyes, used to be a trash who could only eat, drink and have fun, but now he has transformed into a big figure he can't afford to climb!

The forces behind him made Lin Lei tremble!

At this time, Lin Yuan's mood was also very complicated.

Seeing such an excellent Lin Kai, Lin Yuan knew that in his entire life, he might not be able to surpass Lin Kai.

It's ridiculous that he actually joined the army and wanted to surpass Lin Kai in the army. Only now did he realize that the gap between him and Lin Kai is not only a star and a half, but the same gap between heaven and earth!

Just ask Lin Kai now, who would dare to provoke him?

And there are three other people who are very worried. These three people are the heads of the three major families in Jiangbei.

At first, when they saw the Jiangdong forces behind Lin Kai, they felt that they could still hold on.

But when people from Yanjing and the island came, they already felt tremendous pressure.

Later, Omen also came, and the capital also came. At that time, the three of them had not dared to fight Lin Kai. They just wanted to keep themselves.

And now, even the celestial master is here, and the three Patriarchs are even more pale. At this moment, even if Lin Kai asks them to kneel and kowtow to apologize, they will agree.

After all, the Lin Kai they are facing is supported by countless big forces behind them. These three families are big families in Jiangbei, but in China, they are just three trivial small families.

And Liu Yun and Lin Ting, who were hung in the air, were also very excited. Liu Yun stopped sobbing with a look of joy on his face, and Lin Ting also changed the sluggishness and excitement on his face.

Their son is really promising!

The people their son knows are all big people, big people who can save them from the dire straits!

They are no longer afraid of Lin Lei, because their son is dozens of times stronger than Lin Lei!

“Hahahaha! Lin Lei! Are you scared now? This time, I will never spare you!” Lin Ting’s voice was firm and firm.

Lin Ting knew that it was because he was too tolerant of Lin Lei in the past, and he always allowed himself, his eldest brother, to make this scene happen today.

If you are cruel enough, then there is no lei now!

And Liu Yun was also delighted: “My son, he is finally out!”

Lin Ting Dang on the tenth of them behind them all had a look of excitement, especially Lin Dahai, even with blood on his face, it couldn’t hide the excitement on his face.

“Master, you deserve to be my Master Lin! Hahaha!”

“Master is mighty!”

“Kill lei! Kill the lei party!”

...

A burst of cheering sounded, everyone in the Lin Ting Party was celebrating, and looking at the Lin Lei Party again, it was as silent as death.

At this time, Wang He coughed dryly and stood up. Everyone on the scene looked at Wang He.

Wang He really couldn't stand it anymore, because the pressure on him from the Lin family was far greater than the benefits.

"Ahem, what? Lin Lei, I think our previous alliance should be dissolved. Our Wang family is a good family, and we don't want to participate in your Lin family's affairs." Wang He said with a flushed face.

Lin Lei almost vomited blood when he heard this! The Wang family is the second largest family in Jiangbei besides the Lin family! If the Wang family withdrew, Lin Lei couldn't resist coming!

"You!" Lin Lei was so angry that his chest was up and down, his face flushed.

At this time, Ouyang Yan also twisted her waist and stood up, her eyes looking at Lin Kai more charming, as if she couldn't wait to hook Lin Kai's soul away.

"Our Ouyang family does not participate in the Lin family's affairs. I think Young Master Lin is personable and good material for the master of the family. Lin Lei, you should abdicate and let the newcomer. The Lin family, it is better to let Master Lin be the master of the family."

Ouyang Yan was more direct and directly began to belittle Lin Lei and please Lin Kai.

If you don't please Lin Kai now, you won't be able to live anymore!

Lin Lei's face became even more flushed after hearing Ouyang Yan's words, with green veins exposed on his forehead, clenching his fists, clenching his teeth, and trembling all over.

He looked at Yang Xiao, and now he only hopes that Yang Xiao will still support him, otherwise Lin Lei will definitely die!

At this moment, I saw Yang Xiao also stood up, Yang Xiao stood with his hands in his hands, looking arrogant.

"I, Yang Xiao, have always been upright and aboveboard, and I am a resounding man!"

"Just now, I received information that Lin Lei was framing Lin Ting! Butler Lin is innocent, and that photo was designed and taken by Lin Lei."

“Mrs. Liu is also innocent, and was framed by Lin Lei!”

“Patriarch Lin is even more innocent. Over the years, Patriarch Lin has managed the Lin family in good order. How could Patriarch Lin do nothing like Lin Lei said?”

“I, Yang Xiao, hate such despicable people like Lin Lei the most in my life! I, Yang Xiao, not only doesn’t support Lin Lei, but I will also help Young Master Lin to fight against your nasty beast!”

It’s okay for Yang Xiao not to speak. When he speaks, his words are amazing! It directly revealed the truth of the facts.

And Lin Lei finally couldn’t bear it at this time, with a puff, he vomited a big mouthful of red blood, a dizziness came from his brain, and Lin Lei almost fainted to the ground!

Chapter 302: Goddaughter

Chapter 302

The red blood flower was floating in the air, and Lin Lei couldn’t withstand the huge pressure and was vomiting blood.

Lin Lei’s face was pale and scary at this time, Lin Yuan exclaimed, and quickly hugged his father from behind, dragged Lin Lei to sit on a sofa.

Lin Lei trembled, his eyes staring straight at the three major families that announced that they had abandoned him.

He hates it! He hates these three families for abandoning him at the most critical moment!

When the alliance was formed at the beginning, words such as vowing to each other, advancing and retreating with life and death, still echoed in Lin Lei’s mind.

But once they found that their opponents had become extremely difficult to challenge, they were unambiguous at all and directly announced the dissolution of the alliance!

The hypocrite Yang Xiao now stood up and acted as a good person, and exposed all the bad things Lin Lei had done.

There was a burst of curses at the scene, and countless people were accusing Lin Lei and his son.

“It turns out that all this is the ghost of Lin Lei. Lin Ting is the real Lin family head. Lin Lei has planned for a long time to frame Lin Ting!”

“What do I mean, how can you be the kind of despicable villain Lin Lei said as a person of Patriarch Lin?”

“This Lin Lei is a despicable villain! Unforgivable!”

“Kill him!”

...

Suddenly, the overwhelming rotten eggs and drinks smashed over, and Lin Lei was smashed by surprise, embarrassed and dirty.

There was even an egg directly hitting Lin Lei’s face, and the stench almost made Lin Lei vomit!

Lin Yuan also suffered. He saw various stains on his originally white and slim suit, including rotten eggs, red wine, and even saliva.

This made Lin Yuan, who was proud of Xiang Ziqi, very uncomfortable.

Unexpectedly, I, Lin Yuan, would one day become **** for everyone to spurn!

Lin Yuan felt as uncomfortable as eating shit.

The plot shouldn’t be so developed! I should be the head of the young Lin family, Lin Kai should kneel and lick myself!

Why now, with so many big bosses behind Lin Kai, his father has become a waste dog instead?

Why? I’m not convinced!

Lin Yuan’s eyes were red, staring at Lin Kai, clenching his fists, angrily.

Lin Yuan is not satisfied!

Lin Lei also had a dull look at this time, and he did not move when others smashed **** on him.

Life was really ups and downs, and Lin Lei at this time couldn’t digest the huge blow Lin Kai brought to him.

In order to become the head of the Lin family, Lin Lei has planned for so many years, which can be described as painstaking.

He finally defeated Lin Ting, what he thought was his greatest enemy, and became the Patriarch of the Lin Family, but he was bombarded back to reality by a little boy before he became Patriarch for more than half a day!

Behind this little kid, there are countless powerful forces, and even the three big families dare not face it and announced their withdrawal from the alliance.

Lin Lei now can be described as a lonely family.

No one supported him, and no one dared to help him. In the entire Jiangbei, no family dared to accommodate him, because the power he offended was really terrifying.

For a while, Lin Lei didn't know how he should face these powerful forces, and he was still unwilling in his heart.

Even if he knew that he was not Lin Kai's opponent at all.

Lin Lei looked at Lin Kai, and a hint of madness flashed in his eyes. Anyway, Lao Tzu could no longer survive. When Lin Ting caught him, it would be a death sooner or later.

It's better to start by yourself first, maybe you can beat the siege and disappear in Jiangbei!

At this moment, Lin Kai's parents and Lin Tingdang's No. 100 were all rescued, and when he saw his parents again, Lin Kai's eyes were full of excitement.

Lin Ting seems to be a lot older. The face of him in recent days has come from Lin Lei's endless torture.

Not physical torture, but mental torture.

After all, he was betrayed by his most trusted elder brother! That kind of taste is absolutely uncomfortable!

The eldest brother who used to be the best to him, is now turning his head against him for the benefit of the family. He can't wait to let him die, Lin Ting's heart is like a knife!

But fortunately, his son Lin Kai did not let the tragedy happen.

"Xiao Kai..." Lin Ting held Lin Kai's hand and was speechless with excitement.

Looking at his old father, Lin Kai was also very heartbroken: "Father, I'm sorry for making you suffer."

At this moment, Liu Yun held Lin Kai's hand and tears filled her eyes: "Xiao Kai, what are you talking about? If you can see your future, parents will be worth the hardship!"

While Liu Yun spoke, there was a sense of pride in her eyes.

Parents, who doesn't want to be a dragon?

At this time, Zhang Wanlin, a young man from the Zhang family in Jiangdong, bowed to Lin Ting and Liu Yun: "Junior Zhang Wanlin, I have seen Uncle Lin and Aunt Liu."

Liu Yun and Lin Ting hurriedly helped Zhang Wanlin up, and Lin Ting said, "You are the eldest son of the Zhang family? You really are a talented person!"

At this time, Brahma also paid his respects: "The younger Brahma from the Brahma family has seen Uncle Lin and Aunt Liu."

"Okay, please, please!" Liu Yun responded very excitedly.

Huangfu Wan'er glanced at Lin Kai, and politely said to Lin Ting and Liu Yun: "Uncle Lin, Aunt Liu, I am Lin Kai's sister, my name is Huangfu Wan'er, hello."

Huangfu Wan'er's performance was very naughty.

Lin Ting and Liu Yun looked at each other, sister? When did Lin Kai have a younger sister?

Lin Kai smiled and said at this time: "Dad, Mom, I treat Wan'er as my sister. If you don't mind, you will accept her as a goddaughter?"

Liu Yun and Lin Ting were a little at a loss after hearing what Lin Kai said.

Take Huangfu Wan'er as a goddaughter? You know, although the current Huangfu family is not as good as before, it is still a big family in Jiangdong. It stands to reason that Huangfu Wan'er is the head of the family and is the same generation as Lin Ting.

Why is Lin Ting embarrassed to accept Huangfu Wan'er as his goddaughter?

Huangfu Wan'er was very sensible, so she just bowed down: "Daughter Huangfu Wan'er, I have seen godfather, godmother."

Seeing Huangfu Wan'er taking such initiative, Lin Ting and Liu Yun were a little flattered, and they quickly helped Huangfu Wan'er up.

"Please, please, I am flattered!" Lin Ting quickly helped Huangfu Wan'er up.

Huangfu Wan'er smiled sweetly: "Brother Lin Kai is so kind to me. Without Brother Lin Kai, there would be no current Huangfu family. The Huangfu family will always stand on the same front with the Lin family!"

After hearing Huangfu Wan'er's words, Liu Yun and Lin Ting were very surprised. What has their son been doing outside the past six months? Actually, the Patriarch of the Huangfu family was willing to give everything for himself.

Even more, he did not hesitate to recognize Lin Ting and Liu Yun as godparents.

Lin Kai's growth rate is really too terrifying.

Chapter 303: Lei's Killer

Chapter 303 Lin Lei's Assassin

At this moment, Jiang Xing stood up, Jiang Xing clasped his fists and bowed to Lin Ting and Liu Yun: "Jiangdong Jiang's Jiang Xing, the younger generation, visit Uncle Liu and Aunt Liu."

Seeing Jiang Xing's visit, Lin Ting and Liu Yun hurriedly helped.

Jiang Xing is the youngest of the Jiang family! The first youngest in Jiangdong! I really can't think of how my son met Jiang Xing.

"You are Jiang Xing? You really are a talented person, you deserve to be the representative of the young people in Jiangdong!" Lin Ting said with a smile.

Jiang Xing scratched his head, revealing an embarrassed appearance.

Elder Jiang also spoke at this time: "Ahem, Lin Ting, you have a good son!"

Old man Jiang was a generation older than Lin Ting, and Lin Ting was very happy when he heard Mr. Jiang praise Lin Kai.

"Hahaha, this stinky boy is quite promising." Lin Ting laughed.

As soon as this sentence came out, the whole audience was ashamed. Is this still a bit promising? If this is a little promising, then there are probably no promising people in Jiangbei.

Long Xiaotian also stood up at this time. He glanced at Lin Kai, his eyes rolled, and his heart became more determined to recognize Lin Kai's brother-in-law.

Now it seems that Lin Kai not only has a good family with good potential, but also has good connections. He recognizes such a person as his brother-in-law, and he makes no loss!

Long Xiaotian took the initiative: "Uncle Lin, Aunt Liu, I know that there is something wrong with mentioning this matter now, but I do feel a little anxious and want to tell this matter."

After hearing Long Xiaotian's words, Liu Yun and Lin Ting were very curious.

Is Long Xiaotian a big man from Beijing? What can he do?

"You said." Lin Ting did not dare to neglect.

"Yes, I have a younger sister who is an instructor in the Southeast Military Region. Now I am Lin Kai's instructor and a major general. She is also very handsome. I want Lin Kai and my sister to be engaged. From then on, Long Jiahe The Lin family is in-laws!" Long Xiaotian said, staring at Lin Ting eagerly.

Knowing that Lin Kai couldn't start from here, he put his idea on Lin Kai's parents.

Lin Ting and Liu Yun were shocked when they heard this!

This time, it was a big surprise for the Long Family to be able to come, and now, Long Xiaotian actually took the initiative to marry his sister to the Lin Family?

If the Lin family had married the Long family, in the whole Jiangbei, who would dare to make the Lin family's idea?

Long Family, that's a powerful family in the capital! But now it seems that Long Xiaotian has a pitiful appearance, and it seems that he really hopes that the Lin family can marry his Long family.

Lin Kai smiled helplessly and could only let Long Xiaotian come.

But at this moment, I only heard a sound of dry cough: "Cough cough cough..."

Everyone looked back and saw that the celestial master of the fortune teller did not know when he brought Zhu Manqing over.

"Getting married?" The old master glanced at Lin Kai and looked at Lin Ting: "Patriarch Lin, right? I think your son has a good talent. I want to accept your son as an apprentice. What do you think?"

Lin Ting was shocked after hearing the words of the heavenly master!

what? Even the celestial master has to accept his son as his apprentice?

You know, the old master is the only descendant of the Maoshan School! If he obtains the true biography of the celestial master, from then on, Lin Kai will not only be the Young Patriarch of the Lin Family, but also a hot and popular figure in China!

Because Lin Kai has a series of secret techniques that ordinary people can't touch, this secret technique can help Lin Kai strengthen himself and others!

Suddenly, a feeling of dizziness came, and Lin Ting felt that happiness had come too suddenly.

Half a year ago, his son was just a waste man who only eats, drinks, and gambling, but now, so many big people are robbing Lin Kai!

At this moment, Ah Fu also coughed twice and raised his hand embarrassedly.

After all, among so many big people, Ah Fu is just a small role.

"Then what, I Fu interrupted, Sheng Wang said that as long as Mr. Lin is willing, Sheng Wang can marry his daughter to Mr. Lin at any time."

When this sentence came out, Liu Yun cried with excitement.

She felt that she was the happiest mother in the entire world. With so many predators vying to grab her son, Liu Yun suddenly felt that she was the greatest mother in the world!

Lin Kai was enjoying himself for a while, while Lin Lei was silent as death.

Lin Lei looked at Lin Kai, who was surrounded by the crowd, with red eyes.

He looked at Lin Yuan, and Lin Yuan was also full of hatred.

It is said that the upper beam is not right and the lower beam is crooked. Both father and son are not good people.

"Son, do you think we can get out of Lin's house today?" Lin Lei asked.

Lin Yuan shook his head, gritted his teeth and said, "No, father, do you think you want to start first?"

"Kill Lin Kai and Lin Ting and escape from the Lin family! No, I want to take the lives of these people in my own hands! No matter how good these people are, they are afraid of bullets, right?" Lin Lei laughed, with a terrifying expression!

Seeing Lin Lei stood up, he drew a gun from behind his waist.

A flare gun!

This is what Lin Lei had prepared long ago. Lin Lei will calculate everything, including his own way of retreat. This flare gun is his final way of retreating.

Lin Lei looked at Lin Kai and Lin Ting with hatred in his eyes. If he was not forced to go nowhere, he would not take this step!

I saw Lin Lei squeezed the trigger, and with a bang, a luminous signal bounced toward the sky!

Even during the day, people can clearly see the flare.

But Lin Kai was immediately attracted by the signal flare. After seeing the flare, Lin Kai frowned. Could this Lin Lei have any other means?

Soon after the signal was ejected, I saw a crowd of people rushing in from the gate of Lin's house!

There are probably hundreds of people in this group!

This group of people dressed very casually, their clothes hung on their bodies like rotten cloth strips, and their feet were wearing straw sandals woven with straw ropes.

With dark skin and tall stature, most of the people are relatively thin. This is obviously a group of Africans!

When did Lin Lei find a group of Africans?

In the hands of this group of brawny Africans, most of them are holding weapons such as machetes, but there are dozens of Africans holding ak47 in their hands!

This the **** is an African mercenary!

How did Lin Lei bring these hundreds of African mercenaries into China?

ak47 is not the most terrifying. The most terrifying thing is that Lin Kai saw several African mercenaries rushing in carrying a rocket launcher!

This is a miscellaneous mercenary in Africa, some with knives, some with guns, and some with bazookas.

However, the lethality of this group of people should not be underestimated. There were hundreds of people around Lin Kai, and one shell came over, and it was estimated that half of it would be immediately scrapped.

Even if Lin Kai can survive, what about Lin Kai's family and friends?

Lin Lei, what a cruel heart!

Lin Lei looked at Lin Kai and the others at this time, with a sneer at the corner of his mouth, and hatred in his eyes: "Don't move! Move one more step, I will kill you all!"

Chapter 304: Kneel Or Die

Chapter 304

Lin Lei is so bold. China is a forbidden place for mercenaries. He actually dared to bring back a hundred-member mercenary team from Africa.

Even if this army is only a third-rate mercenary, it can definitely threaten the safety of Chinese citizens!

If known from above, lei is definitely a dead end!

And now, Lin Lei has gotten red eyes, and he doesn't care about the death penalty. Anyway, it is a death to fall into Lin Kai's hands. It is better to let it go!

More than one hundred African mercenaries armed with machetes and ak47 directly surrounded Lin Kai and others, and those bazookas were directly aimed at Lin Kai.

Although Lin Kai has many masters around him, no matter how strong the master is, he is afraid of bullets!

Not to mention the bazooka!

Although Lin Kai's defensive power is strong, but the ak47 is a powerful rifle, Lin Kai can't hold it.

Lin Lei and Lin Yuan walked over with their hands behind their backs and sneers.

At Lin Kai's side, everyone was silent. They thought they were victorious, but they didn't expect Lin Lei to have such a sinister hand.

Lin Lei came to Lin Ting and looked at Lin Ting with hatred and complacency in his eyes.

Lin Lei patted Lin Ting's face and sneered: "Brother, brother, do you think that you are proud of having a good son?"

"Do you think that Lin Lei can't beat you in my life?"

"Now, I will let you see what the real gap is!"

"Brother, your heart is still too kind, don't you know that in this world, only cruel people can survive?"

"Don't worry, brother, I will let you die peacefully."

Having said that, Lin Lei laughed, the louder he laughed, and it was very rampant.

But Lin Ting looked ugly, but didn't dare to refute.

Because now Lin Lei has a gun in his hand! Lin Ting was not afraid that he would shoot himself, he was afraid that his son and his family would suffer!

"Lin Lei, if you want to kill or slash, you come at me alone and let go of my wife and children!" Lin Ting gritted his teeth and said angrily.

After hearing Lin Ting's words, Lin Lei deliberately showed a touched look: "Yo-yo-yo, so touching, father-son love? Since your father-son relationship is so deep, let's be a company on Huangquan Road, how about it, eldest brother? Not very caring?"

"Hahahaha!"

Lin Lei laughed wildly.

Lin Ting's face was very ugly. He understood that Lin Lei had decided that all his family would die in the Lin family.

Lin Ting regrets very much in her heart. He knew that his elder brother would do such a conscientious thing, before he shouldn't let Lin Lei grow himself!

And the old man Lin who was not far away had tears of regret shed from the corner of his eyes.

To give birth to Lin Lei such an evil barrier is the biggest mistake he has made in his life!

Lin Yuan swept away his previous frustration at this time. He looked at Lin Kai and hated Lin Kai to the extreme in his heart!

Lin Yuan came to Lin Kai and said angrily: "Lin Kai, you ruined everything about me!"

“Why do you want to show up? If you don’t show up, I will be the Lin Family Young Patriarch!”

“But now... I am a fugitive!”

At this point, Lin Yuan showed a cruel smile on his face: “But don’t worry, before I become a fugitive, I will send you father and son on the road!”

Lin Yuan smiled grimly.

Now Lin Yuan and Lin Lei have been dazzled by anger, they are murderers!

They just want Lin Kai and Lin Ting to die in front of them now!

The present guests were silent at this time, and no one dared to say a word. They were afraid that Lin Lei would anger them and kill them all.

And Jiang Xing, who was behind Lin Kai, couldn’t stand at this time. He stood up and said, “Lin Lei, are you sure you want to do this? You are not only offending Lin Kai, but also our Jiangdong Jiang family!”

“You shut up!” Lin Lei was furious when he heard the words, “If it weren’t for your group of beasts to help Lin Kai, can I, Lin Lei, fall to this point?”

“Today, all of you are going to die! All!”

Lei is crazy!

He wants everyone to die before his eyes!

The people behind Lin Kai had already begun to panic. They were here to help Lin Kai, but they didn’t plan to die at Lin’s family!

Lin Lei saw the horrified expressions on everyone’s faces and laughed loudly, “Hahahaha! Are you scared?”

After laughing, Lin Lei joked: “I give you a chance to survive. Now I kneel in front of me and shout, Lord Lin, I was wrong, I can let you go!”

“Come, let me see who is afraid of death!”

Lin Lei laughed, he was already crazy, he wanted to enjoy it before he ran away. He liked to see the horrified look on these people’s faces, and he also liked seeing them kneeling in front of him begging for mercy.

The people around Lin Kai, look at me and I look at you. Although their faces are ugly, no one moves.

Finally, one of Ah Fu's gangsters couldn't hold it anymore, and saw him stand up, knelt in front of Lin Lei with a plop, knocked his head, and said with a trembling voice, "Lin, I was wrong!"

Seeing the man kneeling in front of his eyes, Lin Lei laughed and stroked his head like a dog's head.

"Good grandson, get out!" Lin Lei laughed.

The man was overjoyed and ran out of the Lin's house.

Seeing that one person had already escaped for his life, others also thought of kneeling. After all, life is more important than dignity!

Ever since, someone successively stood up and knelt in front of Lin Lei.

Dozens of people stood up, all of them knelt in front of Lin Lei, shouting that Lin Lei was wrong.

Most of these people are A Fu's subordinates, and most of A Fu's subordinates are mixed. They just want to survive, not their dignity.

And Ah Fu's face is very ugly, he represents the Saint King, but now, the Saint King's face has been lost by him!

After dozens of people left, no one came forward.

But Lin Lei didn't intend to let the others go. Lin Lei looked at Lin Ting and sneered.

"Lin Ting, now I give you a chance to survive, kneel in front of me, I will let you make a living, or else I will kill you now."

After that, Lin Lei raised the pistol in his hand and pointed it at Lin Ting.

Lin Ting's face instantly became difficult to look at, so let him kneel? Harder than reaching the sky!

Lin Kai was angry when he saw Lin Lei embarrassing his father. Lin Kai stood up and said, "Lin Lei! Have the ability to come to me!"

Lin Lei looked at Lin Kai with a bad look: "Do you think you can run? You two, now kneel down for me, and then learn three dog barks!"

Lin Lei said nothing, but neither Lin Kai nor Lin Ting moved.

Seeing that no one was moving, Lin Yuan sneered at this moment, and saw that he pulled Huangfu Wan'er out of the crowd and pointed the gun at her head: "Either kneel or she will die!"

Chapter 305: War Wolf

Chapter 305 Fighting Wolf!

Huangfu Wan'er exclaimed and was pulled out by Lin Yuan's hair!

All of a sudden, Huangfu Wan'er tears in her eyes, it was painful.

However, Huangfu Wan'er was just a weak woman with no power to bind a chicken, she was not Lin Yuan's opponent at all, and she had no ability to resist Shang Lin Yuan.

Lin Yuan smiled grimly, he stared at Lin Kai firmly.

He hates Lin Kai deeply! Lin Kai, aren't you well-connected? Today I want to see if you want face or your sister's life!

"Come on, Lin Kai, kneel down for me!" Lin Yuan ordered.

Lin Kai frowned and looked at Lin Yuan, clenching his fists.

Make Lin Kai kneel? Lin Kai is also a man of backbone, he will never kneel down!

But seeing Huangfu Wan'er's desperate eyes makes Lin feel a pain. If he doesn't kneel, Huangfu Wan'er will die!

This silly girl, she is innocent!

Lin Kai hesitated.

Lin Yuan saw Lin Kai struggling, and the smile on his face became thicker.

"Is it very entangled? Is it to save face or kill her? Is there no choice?" Lin Yuan sneered.

"I'll give you three seconds. If you don't kneel, then I will shoot!" Lin Yuan gave an ultimatum.

"three!"

Lin Kai trembled, he looked at Lin Yuan.

It takes at least two seconds from shooting by himself to rescuing Huangfu Wan'er, and it only takes less than one second for Lin Yuan to pull the trigger.

Lin Kai was not sure that he could rescue Huangfu Wan'er before Lin Yuan pulled the trigger!

Huangfu Wan'er couldn't help crying too. She looked at Lin Kai, with an expression of pleading in her eyes, but she shook her head at Lin Kai again.

She is eager to survive, but she does not want to see Lin Kai lose the dignity of a man for herself!

"Two!" Lin Yuan counted down coldly.

Lin Kai looked at Lin Yuan, shaking all over, fighting hard! Even if it is unsuccessful, try it yourself!

If Huangfu Wan'er dies, I will definitely let you be buried!

"One!"

As soon as this number came out, only a bang was heard. Lin Kai hadn't moved yet, only a bullet was shot directly on Lin Yuan's wrist!

But Lin Yuan let out a cry, and the pistol in his hand fell directly to the ground.

Lin Kai also took advantage of this opportunity to bring Huangfu Wan'er back.

"Who is it?" Lin Yuan was furious, his face was pale, and he was holding his hands with sweat on his head.

I saw blood flowing through his wrist, and a big hole was broken in his wrist. This was the power that a sniper rifle could only play. Lin Yuan's hand was destroyed!

And Lin Lei was also shocked, looking away, there is a sniper?

The African mercenaries panicked after hearing the gunshot. They looked around, trying to find the enemy who shot the gun.

Lin Kai looked at the wound on Lin Yuan's wrist, froze for a long time, and suddenly laughed.

"Hahahaha, Wolf Warrior!" Lin Kai said very excitedly.

That's right, it's War Wolf! Lin Kai was very familiar with the sound of the gunshot just now, it was clearly a small clever gun!

Sure enough, I only heard the sound of a helicopter, and saw three helicopter gunships flying over from the sky in the distance!

On the army green helicopter gunship, there is a wolf head sprayed, which is very conspicuous, that is the symbol of war wolf!

At the same time, the feeling of an earthquake came, and there was a loud bang, and I saw that the walls of the Lin family were actually crushed by tanks after another!

The mighty and domineering tank, ignoring all obstacles, drove directly into the Lin family!

The ruthless gun barrel is facing the group of African mercenaries!

There are five tanks in total. After the tanks entered Lin's house, they formed a steel wall!

The tank stopped. At the same time, five armored vehicles were seen driving to the back of the tank. The rear doors of the armored vehicle were opened, and the well-equipped special forces jumped off the armored vehicle. Using the tank as a shelter, one after another. His rifle was aimed at an African mercenary!

There are more than fifty well-equipped special forces!

On their shoulders, there are signs of wolf heads, special soldiers of the wolf-tooth brigade!

Although their number is not as large as the number of African mercenaries, they are elite special forces of the Southeast Military Region, and their equipment is not comparable to that of African mercenaries. Even with only ten people, they can easily wipe out more than a hundred African mercenaries!

And the three helicopter gunships in the sky flew directly above Lin's house, and only familiar faces appeared on the helicopter.

Xiaojing, Liu Wanjin, Li Wenzhuang, Zhang Zhuang, Wang Shunhu, Long Xiaoyun!

I saw a sniper rifle in Little Clever's hand. The shot just now was shot by Little Clever!

At the same time, Long Xiaoyun's voice resounded throughout the Lin family.

"Lin Lei, Lin Yuan, you are already surrounded, now put down your weapons and surrender immediately!"

Not only the Chinese version, but also the English version, this English version is specifically for this group of Africans.

Lin Lei's expression was very ugly, he did not expect that even the military district would come!

More than fifty special forces, ten tanks, three helicopter gunships, what a show!

What is this for? For Lin Kai?

Lin Lei is not convinced! He glanced at his son, one of his hands has been abolished, and all this is because of Lin Kai!

Lin Lei was furious: "Lin Kai, go to death!"

boom!

Lin Lei fired a shot directly at Lin Kai, but Lin Kai didn't hide at all, but directly pounced on Lin Lei, and the bullet hit Lin Kai's body firmly!

Lin Kai also grabbed Lin Lei's pistol and put the gun on his forehead.

Lin Lei was thrown to the ground by Lin Kai, but smiled triumphantly: "You were shot."

Lin Kai tilted his head and smiled, "Really?"

Lin Kai shook his clothes, only to see a bullet falling out of his clothes, Lin Kai's body was unscathed.

The smile on Lin Lei's face was frozen at that time, it's impossible! He clearly saw Lin Kai got a shot in the body!

At the same time, a red dot appeared on Lin Lei's head. As long as Lin Lei dared to act recklessly, someone would lose him if he didn't use Lin to start!

In Lin's family, the more than one hundred African mercenaries looked around at this time with a panic expression on their faces.

Their boss has been arrested now, and now so many Chinese special forces have surrounded them, and tanks and planes have come out. The hearts of these Africans are very panic!

And the Africans carrying the bazooka, threw the bazooka to the ground at this time, took out the white underwear they had prepared from their pockets, and shook them in the wind.

Entering the forbidden area of mercenaries, they are naturally well prepared, such as surrendering.

With a crackling sound, these African mercenaries threw all their weapons on the ground and officially announced their surrender!

At this time, Lin Kai's cell phone rang, and Lin Kai took out his cell phone and found that it was Long Xiaoyun calling.

Answer the call: "Hello?"

"Major Lin Kai, this is the instructor Long Xiaoyun, I now order you to return to the team immediately, the Wolf Squadron, waiting for you for a long time!"

Lin Kai looked at the helicopter gunship in the sky, and saw Long Xiaoyun holding a mobile phone, with a smile on his mouth.

Chapter 306: Hello Instructor Dragon

Chapter 306 Hello, Instructor Dragon

This Nizi finally stopped being angry, and Lin Xinxin was very pleased.

In a rage, she drove herself out of the Southeast Military Region and sent herself to the Yanjing Military Region. After a week or two, this little Nizi had already calmed down.

Seeing his comrades come to help him, Lin Kai's hanging heart finally landed.

After the group of African mercenaries put down their weapons, the Spikes swarmed up and directly took down hundreds of African mercenaries.

At this time, three ropes were thrown down from the helicopter, and all members of the Wolf Squadron landed steadily.

Led by Long Xiaoyun, a group of six people walked towards Lin Kai.

Long Xiaoyun was wearing a war wolf's special combat uniform. She was brave and heroic. She glanced at Lin Kai: "Is it all right?"

Lin said with a smile, "It's okay."

"It's fine if it's okay, you're dead, we war wolf still have to give your family a pension!" Long Xiaoyun rolled his eyes and said.

"Xiaoyun, how do you talk?" Long Xiaotian was angry when he saw that his sister was so mean to Lin Kai.

Long Xiaoyun seemed to be afraid of her elder brother. At this time, she stuck out her tongue and was afraid to speak.

At this time, all the guests at the scene were in shock.

Things changed too quickly.

When Lin Kai first came to the Lin family, everyone thought that Lin Kai was just coming to die.

But later when Lin Kai's contacts gradually emerged, everyone discovered that behind Lin Kai, there were countless powerful forces supporting him!

When everyone in lei was dead, but lei came up with his assassin, an african mercenary!

When everyone thought that Lin Kai was dead, they did not expect that the Spike Special Forces of the Southeast Military Region suddenly dropped by air and killed Lin Lei by surprise!

Now the African mercenaries have been wiped out, Lin Lei and Lin Yuan are also under control, and Lin Kai has won a complete victory!

“Young Master Lin Family, the future is limitless!”

“Black and white kills, even in the army, Lin Kai has something to do.”

“Even the Long Family in Beijing will become in-laws with the Lin Family, and the celestial master is rushing to accept Lin Kai as his apprentice!”

“In the future, the Lin family will not only be the first family in Jiangbei, but I am afraid that the Lin family will also be famous throughout China!”

...

There was a sound of discussion, and everyone gave Lin Kai their thumbs and expressed their conviction.

Lin Lei and Lin Yuan were already handcuffed. They lowered their heads, their faces were frustrated, and their eyes were blank, as if their souls were flying away.

Lin Kai glanced at them with disgust in his eyes.

Lin Lei and his son, Lin Kai didn't want to see it again all his life!

Even Lin Ting, who had always been soft-hearted, gave a cold voice at this time and did not plead for Lin Lei.

Lin Kai squatted in front of Lin Lei and Lin Yuan, and said, "The reason why you have become like this today is entirely because of your father and son!"

"Is it not good to be the deputy head of the Lin family? Is it not good to be the second master of the Lin family?"

"Why do you have to choose to use such abusive methods to achieve your goals?"

"Fairness and comfort!"

Lin Kai sneered, stood up and ignored these two people.

The two men were also taken to the armored vehicle by the Spike Special Forces and hired mercenaries. There must be homicides on both of them. They are waiting to be punished by law!

Next, Lin Ting once again presided over the overall situation and invited all the guests who came to the Lin Family Conference today.

He ordered his servants to repair the walls of the Lin family.

Vacant rooms for guests to move in.

Lin Kai also returned to his villa, took a good bath, and lay on the sofa with a comfortable expression.

it is finally over.

His father once again became the head of the Lin family, all members of the Lin Ting Party, and his official reinstatement.

All members of the lei party, kill them all!

Although in this way, the Lin family seems to have become a lot weaker, but Lin Kai's performance in the Lin family today is obvious to all. In Jiangbei, who dares to fight the Lin family's idea?

As for the three major families who helped Lin Lei, even if they quit at the last moment, the Lin family would never spare them!

It would definitely cause them to bleed heavily to make up for the Lin Family's loss this time.

But all this is not about Lin Kai's business.

There was a knock on the door, Lin Kai pressed the remote control, and the door of the villa opened automatically.

I saw a beautiful figure standing outside the door.

The man was wearing a tights, his hair just reached his shoulders, and it was wet. It seemed that he had just taken a shower and he didn't have makeup. Long Xiaoyun didn't need makeup either.

The skin can be broken by blows, and I don't know how Long Xiaoyun maintains it, so he can maintain such a good skin in the army.

She walked in and gave Lin Kai a condescending look.

Long Xiaoyun hugged his arms, his figure was very hot, his upper body was very full, his hips were very round, and those beautiful legs made people even more dreamy.

"Hello, Instructor Long." Lin Kai said with a smile on his face.

Long Xiaoyun still looked serious: "When you put away your hippie smiling face, do you think that the Southeast Military Region has mobilized such a strong military force for you, and it is complacent?"

Lin Kai scratched his head and said with a smile: "Hey, I'm not stupid. Such a large number of mercenaries will definitely be exposed in China. You are not here for me, but for Lin Kai. Came to capture this mercenary team."

"You are not stupid." Long Xiaoyun rolled his eyes.

Lin Kai knew how many catties he had. If someone from the Wolf Squadron came to the Lin family for Lin Kai, Lin Kai could believe it.

But mobilizing helicopter guns, tanks, and Spike special forces must be for missions!

And Huaxia Nation is a forbidden place for mercenaries. Don't think about it, Long Xiaoyun didn't come for Lin Kai this time, but for the mission.

Of course, Lin Kai didn't know that Lei Zhan was originally responsible for the arrest mission this time, and it was a mission specially made by Long Xiaoyun.

Unconsciously, Lin Kai also had some weight in Long Xiaoyun's heart, and Long Xiaoyun was actually worried about Lin Kai.

"By the way, your Lin family is really big, it covers an area of one kilometer, right?" Long Xiaoyun exclaimed at this time.

Lin Kai scratched his head: "It seems to be so, what's the matter? Want to be my Lin family's daughter-in-law?"

Hearing Lin Kai's words, Long Xiaoyun was slightly angry. She said, "What nonsense? Who wants to be your Lin family's daughter-in-law? Our Long family compound, I don't know how big it is than your Lin family!"

After hearing Long Xiaoyun's words, Lin Kai smiled awkwardly, forgetting that Nizi was a member of the Long Family, and the power of the Long Family was much larger than that of the Lin Family.

Long Xiaoyun turned around in Lin Kai's house, and after confirming that Lin Kai was not injured, she was about to leave.

But before she could get out of Lin Kai's villa, she saw a person rushing in from outside the villa in a panic, and just happened to bump into Long Xiaoyun full.

"Ah, sister, are you there too?" The person here was Long Xiaotian.

Without waiting for Long Xiaoyun to speak, Long Xiaotian said to Lin Kai: "Xiaokai, your parents are looking for you, come here in the main hall."

Chapter 307: Bet With The System

Chapter 307

Parents looking for themselves?

Lin Kai didn't think much, nodded and agreed, let Long Xiaoyun and Long Xiaotian go first, and he went to the bedroom to change a suit.

When he arrived in the bedroom, Lin Kai looked stinky in the mirror.

Now Lin Kai is not only strong in figure, but also very handsome. His skin is envious even Long Xiaoyun sees it.

Putting on a decent white suit and black crocodile leather shoes, Lin Kai put his hands in his pockets and a triumphant smile appeared at the corner of his mouth.

"Lin Kai is Lin Kai, handsome!"

But at this moment, Lin Kai heard the system's disdainful voice: "Cut, if it weren't for this system, could you get everything now?"

"If it weren't for this system to transform your bones, muscles, skin, and soul, could you have your current appearance?"

Lin Kai was not happy when he heard the sound of the system.

“Cut, you just give me a good appearance.” Lin Kai rolled his eyes.

“That’s it? You now can’t live without this system!”

“The people who came to support you today, if not for this system, would they come to support you?”

“What they are after is the ability given to you by this system!”

The system’s words were particularly awkward, and Lin Kai felt very uncomfortable after listening.

“I don’t like to listen to what you said. Could it be that Lin Kai is still a **** without you?” Lin Kai asked.

Lin Kai is also a man of spine. He is not as arrogant and domineering like the former Young Master Lin. Lin Kai doesn’t believe that if he leaves the system, he will really be unable to get along.

And Lin Kai’s words seemed to anger the system.

“Why don’t we make a bet?” the system said.

“What bet?” Lin Kai asked.

“From now on, I will block all your abilities and attributes for a week. If you can stick to it, I will adjust the value of your strong heart to 100%! If you can’t stick to it, don’t be scornful in the future!”

The tone of the system is a little arrogant.

Lin Kai was also angry at the time, and directly agreed: “Gamble!”

Lin Kai had just finished saying this, and suddenly his whole body was shivering, and his body suddenly became empty, as if he had lost something.

Looking in the mirror, Lin Kai found that there was no change in his appearance.

But looking at his attributes and skills again, Lin Kai was dumbfounded.

Back to before liberation overnight! The system really cleared all Lin Kai's attributes and skills.

Lin Kai now is the five scum of the previous war!

Suddenly, Lin Kai felt a little annoyed, didn't this break the system just make a point? As for the real?

At the same time, Lin Kai felt unconvinced in his heart. Could it be that if he left you, he really couldn't live anymore? I do not believe!

At that time, Lin Kai snorted and walked directly out of the bedroom towards the main meeting hall.

Lin Kai didn't even know the good intentions of the system. The system was afraid that Lin Kai would swell, so he let Lin Kai experience the world of ordinary people.

If Lin Kai really passed the test, the heart of the strong would naturally be filled instead of being adjusted by the system.

Of course, Lin Kai didn't know the purpose of the system.

Soon, Lin Kai came to the main conference hall, and saw people sitting on both sides of the huge main conference hall.

Jiangdong Young Masters and Old Man Jiang, Ah Fu, Chen Qing, Wang Tianye, Zhu Manqing, Lao Tianshi, Long Xiaotian, Long Xiaoyun, Lin Ting, and Liu Yun.

This time, all the guests are on the scene.

Lin Kai was at a loss. It was midnight now. Why did so many people gather in the main hall?

After seeing Lin Kai, Lin Ting smiled and said, "Xiao Kai, I will call you over in the middle of the night. There is a very important thing to discuss with you."

Lin Kai walked over, looking confused: "Dad, what's the matter?"

Lin Ting glanced at Long Xiaotian and laughed at the time: "Hahaha, you are not young anymore, I have seen this girl Long Xiaoyun, yes, if you have no objection, please book this marriage. "

"what?"

Lin Kai and Long Xiaoyun exclaimed almost simultaneously.

got engaged?

Lin Kai felt that he was still young! I'm only nineteen years old! The engagement said to him, too far away!

But when the old man talked about the engagement, Lin Kai discovered that between the family, the interests are paramount!

If the Lin family can marry the Long family, the future development in China will surely be like a broken bamboo.

And he became a victim of the family.

However, it is not considered a victim, Long Xiaoyun is pretty good except for a bit more pungent.

Long Xiaoyun's face turned red, but she directly refused: "I disagree!"

When Long Xiaotian saw this, he hurriedly comforted: "Xiao Yun, you look at Xiao Kai, you are also a talented person, and your family conditions are good. You are three years older than him. Female junior holds gold bricks. That's right. Why don't you agree? "

“I...” Long Xiaoyun couldn’t say why for a while.

Long Xiaoyun has never talked with her boyfriend, and she doesn’t know what it’s like to fall in love.

She also had a good impression of Lin Kai, but she didn’t know why, she just couldn’t let go of her face and went to fall in love with Lin Kai.

Because in her concept, she and Lin Kai are enemies. This kid used to put herself together. She and him were also targeted everywhere in the army. Now that she suddenly wants to become lovers, Long Xiaoyun is really uncomfortable.

But in her heart, she hoped that Lin Kai could take the initiative.

But straight male Lin Kai saw that Long Xiaoyun disagreed and thought he was out of play. At that time, he said, “Since Instructor Long disagrees, let’s forget about this marriage?”

Dead Lin Kai!

Long Xiaoyun scolded Lin Kai as having no brains in her heart. If I said that I disagree, you can’t coax me?

Long Xiaotian looked at his sister’s expression and smiled slightly. He is Long Xiaoyun’s own brother, and he can think of what Long Xiaoyun is thinking with his feet.

“Let’s get engaged with Wu, sister, if you can beat Lin Kai, then this marriage is fine, if you can’t beat Lin Kai, then get engaged!”

Long Xiaotian gave Long Xiaoyun a step down.

Sure enough, Long Xiaoyun pretended to think about it, and nodded, as if he had given Lin Kai a lot of face, and he was reluctant to agree: “Okay, then!”

Long Xiaotian smiled triumphantly, Lin Kai’s strength he had investigated, his sister was not an opponent at all!

When Lin Kai beats his sister, everyone is happy!

Thinking of this, Long Xiaotian blinked at Lin Kai and signaled Lin Kai to work hard.

But at this time, Lin Kai had 10,000 grass-and-mud horses running wildly in his heart. He is now a five-scumbag, and even ordinary people may not be able to beat it!

Chapter 308: I Really Can’t Beat

Chapter 308 I Really Can't Fight

"That's a good idea." Lin Ting nodded with a smile.

On the lawn of the Lin family during the day, Lin Kai's skill, Lin Ting, had been seen, and even Lino was not Lin Kai's opponent.

Even though Long Xiaoyun has the rank of major general, he looks like a weak woman. Could his son be her opponent?

As long as Lin Kai does not let go of the water, this marriage must be ordered!

There was a round of applause at the scene, and a large area of open space was left in the center of the main meeting hall for the two of them. Long Xiaoyun was staring at Lin Kai.

Lin Kai smiled at the time that was uglier than crying: "So what, can't you not fight?"

"No!" Long Xiaoyun shouted loudly at this time, and directly pounced on Lin Kai!

Long Xiaoyun is a very competitive girl. In the army, Lin Kai can be said to have made the limelight. She Long Xiaoyun wants to see how capable Lin Kai really is!

Lin Kai's eyes widened, he watched Long Xiaoyun slap his chest with a palm, but Lin Kai couldn't keep up with his reaction and speed.

Lin Kai now can't even beat ordinary people, let alone Long Xiaoyun.

boom!

With a muffled sound, Lin Kai received a firm palm on his chest.

This palm directly knocked Lin Kai to the ground! Lin Kai hit the ground twice, his face paled, and he almost vomited blood.

All the people present stood up, and Liu Yun trot over to help Lin Kai.

"Xiaokai, are you okay?" Liu Yun asked with a look of concern.

Lin Kai shook his head and waved his hand: "It's okay."

Long Xiaoyun closed his palm and looked at Lin Kai who was knocked to the ground by a palm of his own.

She understands Lin Kai's strength. He could evade the palm of the hand just now, and she deliberately exposed the flaws to him. This kid actually pretended not to see it?

There was an anger in Long Xiaoyun's heart. My old lady made you make it so obvious. It's better for you to pretend that you can't beat it!

Long Xiaotian also raised his eyebrows and looked at Lin Kai quite unexpectedly. Could it be that Lin Kai really didn't catch a cold to his sister?

"I lost." Lin Kai said with a helpless smile.

When I lost, I let Long Xiaoyun blow up.

"Lin Kai!" Long Xiaoyun yelled, and stepped forward and grabbed Lin Kai's collar: "Is the old lady so bad? On the family background, on the appearance, on the military rank, how can my old lady not be worthy of you?"

Facing Long Xiaoyun's questioning, Lin Kai smiled bitterly: "Instructor Long, you are great, but now I am really not your opponent!"

After hearing Lin Kai's words, Long Xiaoyun sneered: "Hehe, you fart! You just don't want to be engaged to me, my old lady is not rare!"

After all, Long Xiaoyun walked out of the main meeting hall angrily.

Seeing Long Xiaoyun leaving, Long Xiaotian also looked helpless.

Since Lin Kai is all like this, the twisted melon is not sweet, this marriage is destined to be unable to continue.

"Since Xiaokai is unwilling, then let's not force it, forget it." Long Xiaotian sighed and left the main meeting hall.

"Don't..." Lin Ting wanted to say something, but Long Xiaotian had already left.

Lin Ting also looked helpless. Lin Ting looked at Lin Kai and asked, "Xiao Kai, are you still thinking about that safety?"

safely?

Lin Kai thought of the beautiful girl, and Lin Kai had no liking for her.

"No, Dad, I really didn't mean to lose in her hands just now." Lin Kai explained helplessly.

Lin Ting waved his hand and said, "Okay, don't talk about it, it's getting late, let's rest early."

After that, Lin Ting left the main meeting hall.

And Liu Yun comforted Lin Kai for a while, and followed Lin Ting to leave the main meeting hall.

Lin Kai also left the main meeting hall dejectedly, but as soon as he walked out of the main meeting hall, he saw the celestial master also followed.

The celestial master looked at Lin Kai, a hand suddenly grabbed Lin Kai's hand, and saw that the celestial master closed his eyes and seemed to be sensing something. After a long time, the celestial master let go of Lin Kai's hand.

A look of disappointment appeared in his eyes: "The talent is mediocre, strange, you are not the wizard I am looking for."

After the old master said, he shook his head, ignored Lin Kai, and passed directly by Lin Kai.

Now, the celestial master is not ready to pester Lin Kai, because Lin Kai is weaker than ordinary people!

After the celestial master left, Lin Kai felt a sense of helplessness. He left the system, was it really just the Lin family's waste?

At this time, the proud voice of the system sounded in Lin Kai's ear: "How? Did you suddenly find that you have become a useless person?"

Lin Kai gritted his teeth, the path he chose, he would have to finish his death!

"Hmph! You wait!" Lin Kai stomped and left the gate of the main conference hall.

Back in his villa, Lin Kai took a rest. Early the next morning, Lin Kai finished washing and arrived at the airport.

This time, Lin Kai had put on a military uniform, a jungle camouflage uniform, a 20 kg marching backpack, and an m4 assault rifle in his hand. Three helicopter gunships were ready and ready to take off.

Lin Kai glanced at his parents and stepped onto the plane resolutely.

Set off, target the Southeast Military Region!

An hour later, Lin Kai successfully arrived at the Southeast Military Region, in the center of the Wolf Squadron, where the Wolf Squadron had assembled.

Wearing a military uniform, Long Xiaoyun stood bravely in front of everyone. She scanned everyone, and when she saw Lin Kai, she frowned obviously.

“Tell you good news. Jungle exercises and urban exercises are over, and your recruiting period is about to end. Now as long as you pass the last level, you will become a real special force!”

When Long Xiaoyun said these words, everyone’s faces were filled with joy.

In the past few months, they have lived every day with great trepidation, fearing that they would be eliminated without knowing when.

But now, they are about to go through that period of fear.

What is the last assessment?

“The last assessment is the assessment of points.”

“A special force needs a few super soldiers with specialties, not a group of soldiers with exactly the same specialties.”

“In other words, you must find a suitable position for you in the Wolf Squadron, otherwise, you will face elimination!”

When Long Xiaoyun’s words came out, everyone looked at each other and found their place?

“There are currently five people in our Wolf Squadron. My opinion is that one sniper, two assaulters, one scout, and one blaster.”

“Snipers need superb marksmanship and awareness, assaulters need extremely fast reactions and extremely strong melee capabilities, scouts need extremely fast speed and absolute camouflage capabilities, and blasters need to assess your demolition Know how.”

“You need to find a suitable position for you within one day of tomorrow. If you can’t find it, you can only be transferred to other special forces. The Wolf Squadron will also consider accepting newcomers.”

Chapter 309 Sniper Selection

“Okay, I’ve said everything that should be said, today you prepare for it, and tomorrow you will go to the shooting range for the first assessment.” Long Xiaoyun ordered.

After the order was over, the Wolf Squadron disbanded on the spot.

After Lin Kai returned to the dormitory, he was lost in thought.

Marksmanship assessment?

How many rings can I hit now?

Lin Kai began to worry. If he fails to pass, will he face elimination?

Do you want to admit defeat to the system? In exchange for your super power?

Lin Kai was still not reconciled, not for reward, but to prove to the system that even if he left the system, he could still live, even if he would be a little bit useless.

Going into a deep sleep, Lin Kai finished washing and ate breakfast early the next morning and went to the shooting range.

Today's shooting range is only open to three special forces. Inside the shooting range, I saw the RBC special operations team and the Tigers special forces have arrived.

It's been a long time since He Chenguang and Leng Feng have seen He Chenguang and Leng Feng. These two people seem to have a lot of energy.

And their special forces have also been laid off several people, and now there are only seven red blood cells and tigers.

In addition to these two special forces, there are also two other special forces standing aside.

They are the Raiden Commando and the Fire Phoenix Women's Special Force.

And Lin Kai also saw An Ran and Lei Zhan at a glance.

An Ran didn't seem embarrassed to look at Lin Kai, and kept his head down.

And Lei Zhan's eyes were full of hatred.

He hates Lin Kai deeply!

Lin Kai did not lose face to Lei Zhan in the army, but when he saw that a recruit was even better than himself, Lei Zhan was very unconvinced!

But he also understood that Lin Kai was very powerful now, and he was no opponent at all.

After the three special forces queued up, Raiden and An Ran stood in front of everyone.

“Hello, rookies, we meet again. Starting today, An Ran and I will serve as your assessment instructors.”

“Please behave well.”

Lei Zhan said coldly, especially when he expressed these two words, he almost watched Lin Kai talking.

At this time, Lin Kai was sweating, and he had never been so nervous before.

Since being reborn in this world, Lin Kai has been confident in every competition, but only this time, Lin Kai has no confidence.

Lin Kai now is a real five scum, and without any skills, he has no confidence that he can pass the shooting.

With the exception of Lin Kai in the Wolf Warrior Squadron, everyone’s faces were filled with confident smiles.

They are not only confident for themselves, but also for Lin Kai. Because their Wolf Squadron has Lin Kai, they are not afraid of any special forces!

The faces of He Chenguang and Leng Feng were filled with fear, and their greatest enemy was Lin Kai.

Lin Kai is too strong, leaving them with lingering fears.

“Now, the marksmanship assessment has officially begun. I will decide which of you is more suitable to be a special forces sniper in this link!” Lei Zhan said loudly.

“Did you see the target on the top of the mountain in the distance? As a special soldier, the requirements are even higher! Whoever achieves better results is a sniper!”

“Red blood cells, Leng Feng, go out!” Lei Zhan ordered.

Leng Feng also stood out of the queue and looked at the target on the top of the mountain in the distance.

There are three targets on the top of the mountain. The first target is placed at a distance of 800 meters, the second target is placed at a distance of 1,000 meters, and the third target is placed at a distance of 1,500 meters. Distance.

Such a long distance is a big challenge for a sniper.

Leng Feng stood up, holding a sniper rifle in his hand, and saw Leng Feng lying on the designated position, adjusting his scope and shooting.

A few seconds later, there was a bang, a bullet shot out, and with a bang, Leng Feng directly hit the target 800 meters away!

Lei Zhan took a binoculars and looked at it, a playful smile appeared on the corner of his mouth: "eight hundred meters, eight rings."

Amazing results!

There was a burst of exclamation at the scene, and he could hit the target with one shot from 800 meters away. Leng Feng was also amazing!

Then, Leng Feng started a second shot, and saw him aiming at a target a kilometer away and pulling the trigger.

With a bang, I saw Leng Feng hit the target a thousand meters away again!

"Five Rings!" Lei Zhan shouted again.

The people at the scene were full of enthusiasm, too strong! One thousand meters away, you can also hit with one shot! Leng Feng is indeed a professional sniper!

The corner of Leng Feng's mouth also showed a smug smile. His Leng Feng's marksmanship has always been his most proud place. Leng Feng has never seen anyone whose marksmanship is more abnormal than his own, except Lin Kai!

Soon, the third shot was also fired, with a bang, and the sound of thunder fighting sounded again.

"One thousand five hundred meters, one ring!" Lei Zhan's voice sounded again.

And everyone at the scene was stunned.

Leng Feng actually hit a target 1,500 meters away!

Although it is only one link, you must know that even if you aim at a target 1,500 meters away through a magnifying lens, it is only the size of a peanut, but Leng Feng actually hit!

You know, professional snipers generally only challenge targets at a distance of one kilometer.

There was a round of applause, Leng Feng stood up, saluted everyone, and the corners of his mouth couldn't stop rising. This time, Leng Feng broke his own record.

Leng Feng was proud enough to hit a target 1,500 meters away with such a broken gun!

All the members of the Red Blood Cell Task Force couldn't help but smile triumphantly.

Leng Feng is their captain, their captain is in the limelight, they are naturally happy!

Lei Zhan also laughed, he was very satisfied, because he is now an instructor of the RBC Special Operations Team!

But He Chenguang on the side was not afraid at all, because the one standing beside him was Zhuang Yan!

You know, Zhuang Yan is the number one sniper in the Southeast Military Region! These days, Zhuang Yan treats He Chenguang as his apprentice, and teaches He Chenguang's sniper method. He Chenguang is confident that he can achieve better results than Leng Feng!

"He Chenguang, get out!" Lei Zhan ordered again.

He Chenguang smiled confidently, holding his sniper rifle, came to the shooting position, and got down.

With a click, the bullet was loaded, and I saw a dog's tail grass in He Chenguang's mouth.

This is not to pretend to be cool, but to better judge the wind direction.

After aiming, He Chenguang decisively squeezed his trigger, a gunshot banged, and the bullet shot directly on a target 800 meters away!

Ten rings!

Even Lei Zhan opened his mouth when he heard the results reported by the target reporter.

Eight hundred meters away, with one shot and ten rings, He Chenguang's marksmanship is good, but his current strength is too strong, right?

He Chenguang smiled confidently, and Zhuang Yan, who was not far away, also smiled. How could the apprentice he brought out?

Chapter 310: The Strongest Sharpshooter

Chapter 310: The Strongest Sharpshooter

Lei Zhan also saw Zhuang Yan with a confident smile on his face. At this moment, Lei Zhan immediately understood what was going on.

The reason why He Chenguang's marksmanship has advanced by leaps and bounds is because He Chenguang has a good master like Zhuang Yan. You know, Zhuang Yan is the number one sniper in the Southeast Military Region!

But if He Chenguang learns from Zhuang Yan, how can his marksmanship be worse?

With a click, the bullet was loaded again, and He Chenguang was about to shoot the second shot.

Everyone stretched their heads, everyone wanted to see what kind of results He Chenguang could achieve with his second shot!

After He Chenguang judged the wind direction, he squeezed the trigger decisively, a gunshot banged, and a bullet shot out!

At the same time, with a bang, He Chenguang's bullet successfully hit a target a thousand meters away!

Lei Zhan couldn't help but exclaimed: "Second shot, eight rings!"

Everyone was shocked as soon as the eighth ring came out. He Chenguang actually hit the eighth ring in the second shot, even better than Leng Feng's!

What a perverted marksmanship is this?

While Leng Feng stood in the queue, his face was already dark. This period of time when Lin Kai was absent, Leng Feng and He Chenguang had been comparing each other. Most of the time, it was Leng Feng who pressed He Chenguang.

But in terms of marksmanship, He Chenguang directly dumped Lengfeng Eight Streets!

The second shot actually made a good score of eight rings! You know, one kilometer is a distance of one kilometer!

There was a burst of applause, and everyone extended their thumbs to He Chenguang.

In the Fire Phoenix's queue, several female soldiers had peach blossoms in their eyes.

You know, He Chenguang's appearance is also very handsome, and He Chenguang is also young, with a vigorous energy in his body, many girls have a good impression of He Chenguang.

Even An Ran glanced at He Chenguang more.

At this moment, He Chenguang glanced back at Leng Feng and Lin Kai, with a provocative look in his eyes.

Compared with marksmanship, do you two compare to Lao Tzu? Lao Tzu is the apprentice of the Gun King!

With a click, the bullet was loaded again, and He Chenguang was about to fire the third shot. He was going to challenge a target 1,500 meters away!

A target 1,500 meters away was a huge challenge even for a professional sniper, and even Zhuang Yan didn't have the confidence that he could hit ten rings.

And He Chenguang was the second person after the cold front on the scene to challenge a target 1,500 meters away.

He Chenguang and Leng Feng are the same. Both of them are targeting snipers, so they both used their own ability to look after the house.

After brewing for a few seconds, He Chenguang took a deep breath and pulled the trigger.

boom!

There was a gunshot and a bullet was ejected again.

A few seconds later, the bullet successfully hit the target. Soon after, Lei Zhan also received news that He Chenguang actually hit the fifth ring this time!

My goodness!

It's actually five rings!

When Lei Zhan reported this result, his voice was trembling: "He Chenguang, shooting at 1,500 meters, five rings!"

As soon as this result came out, the whole scene burst into exclamation, and everyone was crazy about it.

It's actually five rings!

Even if the gun king Zhuang Yan shoots at 1,500 meters, his best score is only three rings!

And He Chenguang actually shot the fifth ring against the sky!

Everyone was stunned.

And the corner of He Chenguang's mouth also showed a smug smile, even He Chenguang himself didn't believe that he could shoot such a good result.

1,500 meters, five rings!

You know, even for the cold front, his results are just one link.

And He Chenguang is actually better than Leng Feng's results, and it's not just a star!

Looking at Leng Feng's face again, it was already very ugly. This time, he was slapped severely by He Chenguang!

You know, in the army, Leng Feng has always been overpowering He Chenguang, even if he loses to He Chenguang, it will only be lost by a tiny margin.

But this time, Leng Feng was defeated!

He actually lost so much to He Chenguang and was beaten by He Chenguang!

There was thunderous applause, everyone willingly why Chenguang clapped his hands, it was too strong, if He Chenguang wanted to serve as the sniper of the Tigers, no one could compare him!

And looking at the faces of every special soldier of the Tigers special forces, there was a smug smile on their faces, they were proud!

Because He Chenguang is the captain of their Tigers special team!

At this time, the fat man snorted disdainfully: "Hehe, what is it? I will let you see in a moment, what is a real sharpshooter!"

Everyone knew who the fat guy was talking about.

Although the fat man's voice was not loud, it was heard by everyone present.

Everyone looked at Lin Kai, and everyone knew that the fat man was talking about Lin Kai.

Since Lin Kai joined the army, he has created countless miracles. Even He Chenguang and Leng Feng have to admit that Lin Kai is too strong, not a unilateral gun, Lin Kai is very strong in every aspect!

Even if he competed with Lei Zhan's marksmanship, Lin Kai could easily win!

Although He Chenguang was confident in his marksmanship, he knew that he was actually not Lin Kai's opponent.

Because Lin Kai is too strong!

At this time, Lei Zhan also looked at Lin Kai. Lin Kai was indeed very strong, and Lei Zhan had to admit it, but Lei Zhan did not want to see Lin Kai become stronger, he wanted to see Lin Kai embarrassed!

Seeing that Lei Zhan's tone was not good, he said: "Wolf Warrior Squadron, Lin Kai, get out!"

Lin Kai trembled all over, is it his turn so soon?

Lei Zhan is to let the captains of the three special forces compete against each other!

Everyone looked at Lin Kai, and everyone in the Wolf Squadron also looked at Lin Kai. Lin Kai was their hope! Although He Chenguang's shooting results are very good, they believe that Lin Kai's results will be better than He Chenguang's results!

Because what Lin Kai is best at is to create miracles!

And Long Xiaoyun also looked at Lin Kai. Although Long Xiaoyun didn't want to admit it, in fact, Lin Kai was indeed excellent in every aspect.

Lin Kai himself is under the pressure of Shanda, and there is no way, he will have to face it sooner or later, just to see how many rings he can shoot!

Lin Kai gritted his teeth and stood up, holding his sniper rifle, came to the shooting position, and got down.

Lin Kai looked at a target 800 meters away through a magnifying mirror. This was Lin Kai's first attempt to shoot with his own power. When he looked at it, he saw the target in the magnifying mirror, only the size of a sesame. It was immediately stressed.

How the **** is this?

At this time, the fat man smiled triumphantly: "Little bunnies, watch it, let you see, what is the strongest sharpshooter, wait and see!"

Fatty looked proud, he was very confident of Lin Kai's strength, he could definitely beat He Chenguang and Leng Feng!

Chapter 311: Consecutive Misses

Chapter 311

"Lin Kai? It's actually Lin Kai, Lin Kai is back!"

"Lin Kai is too strong. If I were a good soldier in the Wolf Squadron, he would be stronger than Leng Feng and He Chenguang!"

“Yeah, remember when Lin fired a rifle and hit coins, he was a handsome man!”

“This time, it seems that Lin Kai is the first place.”

...

Everyone discussed in low voices, and Lin Kai couldn't leave the three sentences.

At this moment, in the queue of the Fire Phoenix, several female soldiers were betting.

Tian Guo is Lin Kai's number one fan. Tian Guo pouted: “Brother Lin Kai is the strongest. If I guess right, Brother Lin Kai should have scored ten rings with every shot!”

Ouyang Qian raised her eyebrows: “What? Ten rings? Impossible! Do you think this is the shooting range of a recruit company? 800 meters, do you know how far it is?”

“I bet that although Lin Kai's grades are good, he will definitely not be able to achieve such a perverted grade as the ten rings!”

Fire Phoenix is also a well-known special forces unit in the Southeast Military Region, but they now give Lin Kai such a high evaluation, you can see how strong Lin Kai is in their hearts!

Only An Ran lowered his head, not knowing what he was thinking.

An Ran loved Lin Kai very much before, but she didn't know that until she lost, An Ran realized that Lin Kai seemed to be a very important person in her own hit.

Although after several months, An Ran's heart no longer felt so uncomfortable, but every time he saw Lin Kai, An Ran felt very regretful.

I actually lost such a good boyfriend.

If I didn't abandon him in the first place, that would be great!

But An Ran knew that Lin Kai had been completely disappointed in himself since the thunderstorm.

She is a special soldier who was carried by Lei Zhan. Now she can be the captain of the Fire Phoenix, and she is all supported by Lei Zhan.

At the same time, she also understood that Lei Zhan was interesting to herself, but this layer of window paper had not been broken.

It's just that after seeing such an excellent Lin Kai, An Ran had no intention of thinking about Lei Zhan.

Lin Kai became the focus once again. He carried the expectations of everyone in the Wolf Squadron, and everyone else regarded Lin Kai as an unsurpassable opponent.

Everyone is looking forward to what kind of performance Lin Kai can achieve!

Lin Kai took a deep breath and aimed at the target in the magnifier, but he found that his hands couldn't help shaking.

Because Lin Kai was nervous, and again, it was because Lin Kai's power was only 5 points, and ordinary people had 10 points. He couldn't control this kind of sniper rifle.

You know, the power attribute of the special forces is around 20, Lin Kai only has 5, how to control this sniper rifle?

Forget it, by luck!

Lin Kai squeezed the trigger, a bang shot, and the powerful recoil made Lin Kai's body slide backward for a certain distance. Everyone was a little surprised seeing this scene.

Lin Kai's strength is very strong! Why can't you even control a sniper rifle now?

Everyone looked at Lei Zhan and looked forward to the results that Lei Zhan would report.

Lei Zhan frowned, and after a while, I saw Lei Zhan's brows stretched out, and he smiled and smiled playfully.

Only heard Lei Zhan's smirking smile: "Wolf Warrior Squadron, Lin Kai, miss the target."

Missing?

As soon as these two words came out, the scene immediately fell silent.

After several seconds, a voice of doubt erupted, and everyone's eyes widened.

what?

Lin Kai missed the target?

This news is even more shocking than Lin's opening of the tenth ring!

How could Lin Kai miss the target? Isn't his marksmanship very strong? Couldn't he shoot ten coins at the same time? Why did you miss the target now?

what's going on?

Everyone is at a loss.

After Lin Kai heard this result, he was also very upset.

At this moment, He Chenguang and Leng Feng looked at each other, and they laughed out at the same time.

Lin Kai missed the target!

“Hahahaha!”

There was a burst of laughter, and the two people had always regarded Lin Kai as their strongest competitor. Now that Lin Kai missed the target, they felt so happy in their hearts!

As long as one misses the target, Lin Kai will immediately change from first to last!

It is understandable if he missed the target at a distance of 1,500 meters, but Lin Kai missed the target at a distance of 800 meters!

The faces of everyone in the Wolf Squadron who were looking forward to it turned out to be difficult at this moment.

And the fat man who said the big talk just now blushed, but he didn't think it was because Lin's shooting was not good enough, he thought it was just bad luck.

“Why are you laughing? This shot was given to you, Captain, show your true strength and let them shut up!”

The fat man blushed and said again.

But in Lin Kai's heart, he wanted to scold the fat man to death. I thank God for being able to hit him, but you are still bragging. Why can't you do it yourself?

The laughter soon disappeared. Everyone thought that Lin Kai was just a mistake. After all, Lin Kai was so strong, how could he miss the target?

Even if you miss the target, it must be a mistake!

Lin Kai took a deep breath and aimed at the target at a distance of one thousand meters. The target at a distance of one thousand meters was very small in the magnification lens. Lin Kai didn't know if he could hit a target one thousand meters away. .

After pulling the trigger, I only heard a bang of the gun and a bullet shot out!

And Lei Zhan's expression began to become serious. He took the telescope and looked at the target in the distance. Soon after, Lei Zhan's face showed a playful smile again.

The look in his eyes is still a bit unbelievable.

This is Lin Kai?

Lei Zhan looked directly at Lin Kai and smiled happily: "Haha, Wolf Warrior Squadron, the target is one kilometer away, missed the target."

Missing!

It's off target again!

This time, everyone was shocked. If Lin Kai made a mistake the first time, then what was the second time? Is it another mistake?

Lin Kai has missed the target twice!

It's really incredible.

Looking at the fat man's face again, it went black in an instant, he had already said a lot, but Lin Kai missed the target twice!

Looking at the faces of everyone in the Wolf Squadron, they are not very beautiful.

Their proud captain has such a poor shooting performance! Not to mention the comparison between He Chenguang and Leng Feng, I am afraid that if someone is here, he can sling Lin Kai!

This shooting result is too bad, right?

And Leng Feng and He Chenguang looked at each other, and in their eyes, there was only joy!

Because they abused Lin Kai for the first time in so long!

Lin Kai, it seems that you are not omnipotent. You missed the target twice. This time, you are sure to lose!

Long Xiaoyun frowned. She was the captain of the Wolf Squadron. Lin Kai's performance was so bad. She, the captain, also had a dull face!

Chapter 312: Revealed?

Chapter 312

The first time Lin Kai missed the target, Lei Zhan thought it was Lin Kai's mistake. Although he gloated in his heart, he did not dare to laugh at Lin Kai.

Because Lei Zhan was afraid that Lin would get good results with the second shot.

But now that Lin Kai missed the target twice, Lei Zhan laughed uncontrollably.

"Hahaha! Lin Kai, where did your strength to hit the coin back then? You missed the target at 800 meters? Now you can't hold the gun securely. Are you here to make fun?" Lei Zhan laughed.

Lin Kai's face was pale. Not only did he not even hold the gun steady, but he was also a bit overdrawn. After being exposed to the sun, Lin Kai still had some signs of heat stroke.

You know, the overall quality of special forces is 20, while Lin Kai only has 5 now!

Seeing Lin Kai who was pale, Lei Zhan was even more gloat: "Hehe, don't get heatstroke, quit, rookie!"

Lin Kai shook his head, no matter how much food he had, he would have to finish the last shot!

Leng Feng and He Chenguang looked at each other, and the two shook their heads at the same time. Lin Kai is in this state, it is impossible for Lin Kai to hit the third shot!

Although they didn't understand why Lin Kai suddenly became like this, they were quite happy seeing their strongest opponent suddenly turned into a waste.

An Ran also looked at Lin Kai, her eyes filled with curiosity.

Why did Lin Kai suddenly become decadent? Could it be that he was just pretending to be before? Can't pretend it?

Although I don't know why Lin Kai became like this, An Ran's heart was actually a little happy!

The reason why she was sad was because after she left Lin Kai, Lin Kai became very good.

And the reason why she is happy now is because seeing Lin Kai turned into a waste proves that she was right to leave Lin Kai before!

Tian Guo's cute little face is also full of disappointment. Shouldn't it be the case?

Lin Kai, what's wrong with you?

At this moment, the fat man was speechless, he really couldn't say anything to praise Lin Kai, his face was dull, and he even felt a little embarrassed.

Lin Kai represents the Wolf Squadron! And now that Lin Kai's performance is so bad, the Wolf Squadron is also embarrassed!

And Long Xiaoyun came to Lin Kai's side at this time, frowned, and asked: "Lin Kai, what's the matter with you?"

Facing Long Xiaoyun's questioning, Lin Kai lowered his head in shame: "Instructor Long, I'm sorry, I let you down."

When Long Xiaoyun saw Lin Kai's appearance, he also knew that Lin Kai didn't pretend, he really couldn't hit it!

It makes no sense! How can a strong man suddenly become a rubbish?

"Just do your best." Long Xiaoyun comforted.

Lin Kai nodded, he took a deep breath and once again aimed at the target through the magnifier. Lin Kai couldn't even think about the target at a distance of 1,500 meters. He only wanted to hit the target 800 meters away. target!

Lin Kai adjusted his state and learned from the previous two misses. Lin Kai already had some shooting experience.

Aiming at the target, judging the wind direction, and analyzing the falling speed of the bullet, these were all taught to Lin Kai by Long Xiaoyun, and relying on his own experience, Lin Kai pulled the trigger.

Lei Zhan looked at the target with a telescope. After a long time, Lei Zhan's mouth showed a sneer.

"Wolf Warrior Squadron, Lin Kai, hit the third ring with the target 800 meters away."

Three rings?

Such a bad grade? And it's a target of 800 meters.

Lin's shooting is too bad, right? How did he become the rookie king?

A voice of doubt sounded, and everyone was discussing Lin Kai.

"Three rings? Three shots were empty and two shots. The only shot hit was actually the third ring at a distance of 800 meters?"

“When did Lin Kai become so weak?”

“It’s not like Lin Kai at all!”

“In my opinion, the previous Lin Kai relied on his family to have money, so he spent money to buy the results! When he shot coins before, he actually missed all of them. The slow motion video that I watched later was actually done in advance. Ok!”

“It makes sense. Now Lin Kai has revealed his stuff, he, the rookie king, definitely bought it with money!”

...

When these words fell into Lin Kai’s ears, Lin Kai himself was relatively broken.

Fuck, wait seven days for Lao Tzu, and after seven days, Lao Tzu will show you what a real Gun King is!

But now, everyone in the Wolf Squadron was filled with disappointment. They lowered their heads and fell dejected.

The captains of the Tigers and the Red Blood Cell Special Operations Team have all started well, so they are all in high spirits. Looking at the Wolf Squadron, they are all dejected, and they don’t have the spirit of a soldier.

Lin Kai’s failure also directly affected them.

At this moment, Long Xiaoyun came to Lin Kai and said coldly: “Lin Kai, you disappointed me too much.”

“I...” Lin Kai wanted to explain something, but found that he couldn’t explain it at all.

What can I say? Your abilities are blocked? It is estimated that Long Xiaoyun will laugh out loud!

“Okay, rookie, spending money can’t get everything done, is it exposed now? I have long suspected, how could you, a newcomer who just came out of the recruit company, be so strong?”

“It seems that you have not taken less medicine? Why did your hands tremble just now? Your body is overdrawn, right?”

“Even if you spend money to cheat, you will show up sooner or later!”

Lei Zhan laughed loudly.

At this time, Lei Zhan's heart was refreshing.

He kept wondering why a soldier who had just come out of the recruit company was so strong, and now he finally figured out that it was all because of the Lin family behind Lin Kai!

Hearing Lei Zhan's words, the others also suddenly realized: "No wonder, this Lin Kai, I heard that he was a disbanded young man from the Lin family before, only eating, drinking and having fun. After he came to the army, he had been in the recruit company for three months. Very bad."

"Later he suddenly became stronger! At first, I didn't know what was going on. Now it seems that this **** must have taken a lot of drugs to stimulate his potential for vanity, and also spent money to buy the relationship and cheat! "

A person analyzes the Tao in every way.

When he said this, everyone else nodded in agreement.

"Yes, no wonder Lin Kai has been so strong since he came out of the recruit company, it turned out to be taking drugs!"

"I heard that there is a company that specializes in selling drugs that stimulate the human body's potential. After taking them, they can be ten times stronger than usual! It's just expensive, and it also damages the body's cell tissue. Ordinary people have a limit on the number of times they take it. Lin Kai must have arrived, so he changed back to the garbage he used to!"

Hearing what everyone said, Wang Yi, who had not spoken, suddenly opened his eyes.

Wang Yi was so jealous of Lin Kai! But these days, Wang Yi has been enduring it, even if Lin Kai didn't know that someone had been jealous of him!

Now, Wang Yi finally has the opportunity to stand up and laugh at Lin Kai!

"Lin Kai! Do you remember me?" Wang Yi stood up and came to Lin Kai's face, asking with a gleeful expression on his face.

Chapter 313: Wang Yi's Analysis

Chapter 313 Wang Yi's Analysis

Lin Kai raised his head and looked at Wang Yi. Wang Yi and Lin Kai naturally knew him. Like Lin Kai, he was a recruit who had just joined the army this year.

When in the recruit company, Wang Yi has always been the recruit most valued by the company commander.

Even He Zhijun praised Wang Yi, saying that Wang Yi has the potential to be a king of soldiers.

But facts have proved that Wang Yi is indeed very strong. Among the red blood cell special operations team, except for Leng Feng, he is the strongest.

But Lin Kai remembered that he didn't seem to have much intersection with him, right?

"Wang Yi?" Lin Kai said.

Wang Yi clapped and laughed playfully: "Yo-yo-yo, newcomer Wang Linkai can still remember me. It's really an honor for me!"

Wang Yi said politely, but everyone could hear the ridicule in his words.

"Lin Kai, you should remember that we are in the same recruit company. You have seen what Wang Yi did in the recruit company."

"I am the number one recruit company!"

"And you, in the recruit company, whether it is physical fitness or shooting, you are the bottom of the list."

"Why did you rise to the top during the last assessment of the recruit company and were valued by Brigadier He?"

"Because you are a despicable and rich second generation who loves vanity! You are the eldest young master in the family that everyone must look up to, but in the army, you are the bottom of the line. You are not reconciled."

"So you spend money to cheat and take expensive drugs to accomplish your ulterior purpose!"

"Your title of rookie king was bought with money!"

As soon as Wang Yi's voice fell, a burst of exclamation sounded, Wang Yi broke the news!

No one thought that Wang Yi and Lin Kai actually belonged to the same recruit company, so Wang Yi knew Lin Kai thoroughly!

With a sneer at the corner of Wang Yi's mouth, he looked at the crowd and asked, "Do you still remember Lin Kai tearing the iron cage when he was in the psychological

assessment? Can people have that much strength? Can you tear the iron cage by hand?"

Everyone looked at each other, indeed, no matter how strong a person is, it is impossible to tear the iron cage by hand!

"That's because it's not an iron cage at all! It's a fake iron cage that Lin Huahua bought for money and deliberately replaced it!"

Wang Yi's analysis said, everyone nodded, yes, how can one tear the iron cage by hand?

There is only one explanation, Lin Kai cheated!

"Do you still remember that during the city exercise, it was seven days before the exercise, but Lin Kai came back on the first day?" Wang Yi asked again.

Everyone was plunged into memories.

Yes, Lin Kai was indeed the first one to come back that time, and it was the first day.

At that time everyone was still very puzzled why Lin came back from the meeting so early, but now it seems that there is something tricky in it!

"That's because Lin Kai didn't participate in that urban exercise at all! He found someone to take action videos to prevaricate everyone. He was the number one drill he bought with money!"

"Do you still remember when Lin Kai killed a team of mercenaries when he was performing the protection mission?"

"Everyone really thinks that with a new recruit, he can kill foreign blood butterfly mercenaries? It must be Lin Kai who used the power of the family to achieve his goal."

"Lin Kai is not worthy of the third-class merit that time! Nor is he worthy of the medal awarded by the chief! I'm sorry for his rank of major!"

Wang Yi's words are very powerful, and the analysis is based on the Dao. It suddenly made everyone realize that, after thinking about it, everything that Lin Kai did, it seemed that nothing ordinary people could do.

There is only one explanation now, and that is Lin Kai cheating!

Even the people of the Wolf Squadron looked at each other with suspicious expressions in their eyes. Could it be that their captain really became a special soldier by cheating?

After Wang Yi said, he looked at Lin Kai triumphantly: "Lin Kai, what else do you have to say?"

Lin Kai laughed at that time: "Hehe, if you want to add a crime, why don't you worry?"

"Then Wang Yi will depend on your performance!" Wang Yi sneered.

Just now Wang Yi was carefully analyzing Lin Kai's shooting movements. From action to state, Lin Kai did not look like a professional special soldier.

Not even the recruits.

After being exposed to the sun for such a short period of time, Lin Kai actually showed signs of heat stroke, which made Wang Yi more certain of his thoughts.

Lin Kai, he is a fake rookie king!

Lei Zhan looked at Lin Kai with his arms folded. Logically speaking, Wang Yi was not allowed to yell like this in the assessment field.

But he hated Lin Kai, he wanted to see Lin Kai being laughed at.

And now, Lei Zhan also confirmed Wang Yi's statement that Lin Kai is a fake rookie king!

"Some people rely on the strength of their own family, but want to get what they can't get. Toads really want to eat swan meat. In the army, there is no room for such scum to mess around. Everyone, right?" Lei Zhan looked funny. Asked.

"Yes!" A very neat answer sounded.

The higher you climb, the harder you fall.

Lin Kai was so prestigious in the army before, but now, the wall is down and everyone is pushing, and those who are jealous of Lin Kai are happy at this time.

Looking at the Wolf Squadron again, it was as silent as death, everyone lowered their heads and stopped talking.

Long Xiaoyun's expression was also very ugly. She believed Wang Yi's words by three points, and she was very disappointed with Lin Kai now.

But at this moment, a ruddy color appeared on An Ran's small face.

I don't know why, but An Ran was very excited when he saw everyone revealing Lin Kai.

Lin Kai, Lin Kai, it seems that when I left you safely, what a right choice was!

Dogs can't change eating shit. You Lin Kai still looks like the rich second-generation generation before. You don't have any opinions. You actually became a rookie by cheating and drugs.

You are not worthy of me An Ran!

Thinking of this, the corners of An Ran's mouth rose slightly.

Lin Kai returned to the queue and said nothing.

The sun is indeed very vicious, and Lin Kai's current physique is indeed very weak.

Soon, the others went up for the assessment, and Lin Kai only felt that his body was a little erratic at this time, and he seemed to have really suffered from heat stroke.

No, I have to stick to it! Today is only the next day!

There are five days left!

The ruthless ridicule of the system seemed to sound in Lin Kai's mind.

As everyone knows, the system is also worried about Lin Kai now.

Lin Kai, Lin Kai, I did this entirely to make your mentality more mature, and I hope you don't blame me.

Finally, Lin Kai couldn't hold it, and a dizziness came, Lin Kai's brain gradually lost consciousness, and his body fell backward uncontrollably.

"Lin Kai! Lin Kai!"

There was a cry, and Lin Kai saw in a daze that the first person to rush towards him was his instructor, Long Xiaoyun.

After that, Lin Kai saw Lei Zhan standing aside with his arms sneered, and he seemed to clap his hands, as if celebrating Lin Kai's fainting.

Chapter 314: The Second Assessment

Chapter 314 The Second Position Assessment

When Lin Kai woke up again, he had already arrived at the military hospital.

When I opened my eyes, I saw the white ceiling.

“Wake up!” someone nearby exclaimed, and then a familiar face came into view.

Her original handsome face was a bit haggard at this time, and her eye bags had become a lot darker. Although her face was cold, she couldn't hide the concern for Lin Kai in her eyes.

“Instructor Dragon?” Lin Kai's voice was a little weak.

Taking a closer look, I saw that behind Long Xiaoyun, everyone in the Wolf Squadron was there.

This is a separate ward, in the whole ward, there is only one patient Lin Kai.

“You can be regarded as awake, you slept for a day and a night!” Long Xiaoyun's tone was a little bit resentful.

Lin Kai was also dumbfounded at this time. His current physique was weaker than ordinary people. Others could wake up from heatstroke in half a day, but he was fine and went into a coma for a day and night.

The fat man also said at this time: “Captain, what was your situation yesterday? You don't know. After the first round of assessment, your score is the lowest...”

“Shut up!” Long Xiaoyun said sharply.

The fat man realized that he had said something wrong, and closed his mouth obediently.

After scolding the fat man, Long Xiaoyun said to Lin Kai in a very gentle tone: “Lin Kai, the second test is about to take the test. It is about the melee ability test. If you don't go, you will be eliminated.”

Long Xiaoyun looked worried. Can Lin Kai continue to participate in the assessment?

He is too weak now!

Lin Kai gritted his teeth after hearing this, “I can still hold on, help me up!”

With that said, the fat man helped Lin Kai up, and Lin Kai felt his body, and it seemed that he had recovered.

So Lin Kai said, “Instructor, don't worry, now my body is very good!”

Long Xiaoyun looked at Lin Kai and didn't say much, but just nodded: “Well, then, get ready. We will gather in ten minutes.”

After all, Long Xiaoyun walked out of the ward.

In fact, Long Xiaoyun was very disappointed with Lin Kai now, but considering Lin Kai's face, she still didn't say much.

After Long Xiaoyun left, the fat man extended his thumb to Lin Kai.

"High! Captain, don't you know that since you were in a coma yesterday, Instructor Long has guarded you all night in front of the hospital bed!"

The fat man winked and said, and several other people also gave Lin Kai thumbs up.

Lin Kai couldn't laugh or cry: "Get out of here, don't mess around, she's an instructor."

"What's the matter with the instructor? Captain, you are still the rookie king! You are still the rich second generation, what is not worthy of her?" The fat man laughed.

Others were also touting Lin Kai, but Lin Kai could tell that they were caring about Lin Kai and wanted Lin Kai to have a positive emotion.

Although Lin Kai's heart was a little depressed, in fact, he was not very shocked.

After a week, you will see who you are!

Putting on the military uniform, Lin Kai simply ate something and assembled downstairs in the hospital as quickly as possible.

After the assembly, the Wolf Squadron arrived at the fighting hall twenty minutes later.

In the fighting hall, the three special forces will conduct the second round of assessment for melee combat capabilities.

The melee ability is very important for special forces, especially assaulters. Assaulters use not only guns, but also cold weapons and fists. Therefore, melee ability is a powerful skill that assaulters must master!

Today, the fighting hall was also cleared. In the fighting hall, there are five special forces.

Tiger Special Forces, Wolf Squadron, Red Blood Cell Special Operations Group, Thunder Commando, Fire Phoenix Women Special Forces.

Raiden and Fire Phoenix are the instructor special forces, and the other three special forces are the units to be assessed.

All members of the Tiger and Red Blood Cell have arrived. When Lin Kai walked in, they obviously looked at Lin Kai with a playful look.

Everyone believed what Wang Yi said yesterday, so today, if Lin Kai is still weak in melee combat, Wang Yi's words will be thoroughly confirmed!

All three special forces arrived, and on the fighting platform, Lei Zhan stood proudly in front of the crowd with the Fire Phoenix.

"Today, your assessment goal is to defeat An Ran!" Lei Zhan said.

When Lei Zhan's words came out, the audience was in an uproar.

It was Enron!

Although An Ran is a female soldier, An Ran is a senior! Her melee ability is also very formidable. The three special forces can defeat Enron, very few people.

On the other hand, An Ran wore a military-green half sleeve, and his chest was not big or small. An Ran's waist was very thin, just enough to hold one arm.

I saw An Ran carrying his hands on his back and looking at everyone with cold eyes. At this time, An Ran was brave and heroic, revealing a murderous look all over his body.

"The assessment rules are very simple. Whoever can defeat An Ran can become an assaulter in the army. Now, I'll be named, Li Erniu!" Lei Zhan named.

And Li Erniu of the Tigers special team stood up with cold eyes: "Here!"

I haven't seen Li Erniu for a while. Li Erniu's figure is obviously stronger. Li Erniu is a strength player. He looks at An Ran with murderous in his eyes.

"Come up and fight An Ran!" Lei Zhan ordered.

"Yes!"

Li Erniu decisively stepped onto the fighting platform.

And everyone underneath showed looking forward to it.

On the fighting stage, Li Erniu took off his military uniform and saw a very strong muscle exposed to the air. Li Erniu moved his shoulder and looked at An Ran.

And An Ran never looked at Li Erniu with his straight eyes.

At this time, I saw the members of the Tigers squad booing: "Two cows! Defeat her!"

“Don’t be merciful, Erniu!”

At this time, the mood on the Phoenix side was also very high, and Tian Guo yelled:
“Sister An Ran, come on!”

“Come on, captain!”

Li Erniu looked at An Ran and snorted. Li Erniu stepped forward to be a set of military boxing!

And Enron’s flexibility was far beyond what Li Erniu could match. Li Erniu punched him with a set of military physical punches, but didn’t get Enron with a single punch.

But Li Erniu is very smart. Although he could not touch An Ran, he pushed An Ran to the corner of the fighting platform!

When An Ran reached the corner of the fighting platform, Li Erniu roared and jumped directly, his huge body pressed directly against An Ran!

At this time, An Ran has no way to go back. In front of her, there is Li Erniu, and behind her is the rope of the fight table!

But An Ran didn’t panic because of this, and saw An Ran rolled on the spot, supporting the ground with both hands, and his legs directly wrapped around Li Erniu’s waist!

Li Erniu was shocked, Li Erniu, whose body was in the sky, could not dodge!

And An Ran used his waist to force, and the scissor legs flicked directly, flicking Li Erniu’s body away!

Chapter 315: The Beginning Of Revenge

Chapter 315

With a muffled sound, Li Erniu’s body fell heavily on the fighting platform, and the entire fighting platform was shocked by Li Erniu’s fall.

But Li Erniu did not admit defeat. He rolled around with a carp and stood up again.

Li Erniu, who had suffered a loss, looked fierce and stared at An Ran.

Li Erniu has a nickname, his name is stubborn cow. Once this kid looks at you, unless he knocks you down, he will never admit defeat!

At that time, I only heard Li Erniu let out a roar, and rushed directly to An Ran!

This time, Li Erniu chose to use a crazy attack method, regardless of Enron's attacks, hitting one after another with heavy punches, and would never take a step back!

And this kind of brutal attack is very effective for An Ran. After all, Li Erniu's physique is not comparable to that of An Ran, and his ability to resist is also beyond An Ran's imagination. This is completely a beefy cow. what!

Soon, An Ran was forced into the corner. Li Erniu hit An Ran's face with a punch, and his fist stopped one centimeter away from An Ran's face.

An Ran panted and looked at Li Erniu. Although he was unwilling, An Ran had to admit that he was not his opponent: "You won."

Li Erniu finally grinned silly, and shouted to the sky.

At this time, all the members of the Tigers also cheered and welcomed Li Erniu back to the team.

On the Fire Phoenix side, there was dead silence.

Although the strength of the Fire Phoenix women's special forces is not weak, the three special forces in front of them have already taken shape, and the strength of each special force is not weak.

In fact, female soldiers still have a big disadvantage against male soldiers. It is not surprising that Enron will lose.

Lei Zhan took the list and said coldly in the audience: "Tigers, Li Erniu, pass."

"Now, the Red Blood Cell Special Operations Team, Wang Yi is present." Lei Zhan said while looking at Wang Yi.

The Fire Phoenix was the soldier brought out by his thunder war, and Wang Yi was also the soldier brought out by his thunder war.

The strength of the Fire Phoenix is very strong, but the strength of the red blood cells is not weak. Among the red blood cells, Wang Yi and Leng Feng are the two most optimistic soldiers of Lei Zhan.

The named Wang Yi smiled slightly. He looked at Lin Kai who was standing in the queue and raised his middle finger.

Afterwards, Wang Yi jumped onto the fighting platform.

Wang Yi's figure is neither fat nor thin. He is firm and fleshy. He is about the same height as Lin Kai, about 1.78 meters.

Wang Yi's face was as sharp as a knife, and it was very cold. Even if he saw it safely, he would be surprised.

This person is so murderous!

"Start!" Lei Zhan ordered from the audience.

As soon as Lei Zhan's words fell, Wang Yi moved in an instant. Wang Yi was walking a swift path. His clothes were taken off by him within a second, and he threw them at Anran!

And An Ran was obscured by his clothes, and at this moment, Wang Yi took An Ran's throat straight!

So fast!

This is the only idea everyone has.

Wang Yi has been forbearing too long. This is the first time everyone has seen Wang Yi's explosive power!

Wang Yi's speed is comparable to Lin Kai before!

An Ran hadn't realized what was going on, Wang Yi had already killed him!

Wang Yi locked An Ran's throat, and An Ran directly declared failure!

Spike!

After a few seconds of silence at the scene, a wave of applause erupted!

Everyone in the Red Blood Cell Task Force has a flushed face and agitated emotions.

Spike!

An Ran was the captain of the Fire Phoenix, but Wang Yi managed to kill in a flash. It was really satisfying. All of the members of the red blood cell cheered.

Looking at the Fire Phoenix, one by one was downcast.

As female special forces, they would have been discriminated against in the army, but now they are killed by male soldiers, and they feel even more embarrassed.

At this time, Leng Feng in the red blood cell line frowned.

Although he and Wang Yi belong to the same team, he has always been the number one and the captain of the red blood cells.

Wang Yi is really tolerant! It only broke out now, and for a while, Leng Feng felt that Wang Yi could threaten his position as captain!

The speed and strength that Wang Yi exploded just now is comparable to Lin Kai before!

And Lei Zhan was also relieved.

Wang Yi is the soldier he brought out. Wang Yi is really a dark horse. Although he performed very well in the training camp, Lei Zhan could see that this kid has always reserved.

Now, he has burst out!

Standing on the fighting platform, Wang Yi looked at Lin Kai, his eyes full of provocation!

That's right, he Wang Yi is enduring it!

He Wang Yi is the kind of person who fights for the first place or doesn't fight.

Before, there was Lin Kai among the three special forces, and all of them were pressed and beaten by Lin Kai, so Wang Yi always endured it.

But now, Lin Kai's body is obviously unable to withstand the drugs, and Wang Yi finally broke out!

He wants to prove to everyone that Wang Yi is the strongest among the rookie special forces!

Snapped! Snapped! Snapped!

Lei Zhan clapped his hands and said proudly: "As expected, I am the soldier brought by Lei Zhan, join the ranks!"

"Yes!" Wang Yi saluted Lei Zhan and then returned to the queue.

Next, Lei Zhan looked at Lin Kai.

Lei Zhan's eyes were very bad. Lin Kai was crazy before and broke many of his records in Lei Zhan. Yesterday, after exposing the evil things Lin Kai had done before, Lei Zhan knew in his heart that Lin Kai was nothing but rubbish!

Now, it's time for confirmation!

If Lin Kai can beat Enron, it means that he hasn't cheated before. If he can't beat Enron, it means that as Wang Yi said, he Lin Kai is just a **** who cheated and became a rookie king!

"Wolf Warrior Squadron, Lin Kai, stand out." Lei Zhan said coldly.

And everyone also looked at Lin Kai.

There is disdain, doubt, and sympathy in his eyes, but there is no longer the worship and fear of the past.

The rookie Wang Linkai actually got into this situation.

Looking at everyone in the Wolf Squadron, after yesterday's incident, they didn't dare to yell, and their faces were dull.

They understand that their captain could really be a rubbish!

Lin Kai stood up calmly at this time and said, "Here!"

Lei Zhan smiled playfully: "Haha, Lin Kai, now is the time to prove yourself. I want to see if you Lin Kai is the rookie king or the trash king!"

"Fight with Enron, now!"

"Yes!" Lin Kai agreed and walked directly onto the fighting platform.

Facing Enron again, I didn't expect it to be such a situation.

Opposite Lin Kai, An Ran had an expression of eagerness. His eyes were full of warfare and disdain, but there was no more regret for Lin Kai before.

Since you Lin Kai is a rubbish, you are not worthy of my An Ran!

It also made me feel sorry for so long. You just relied on having two broken money in your family and doing evil in the army!

Now, I will beat you back to reality safely!

Chapter 316: Hit People But Not Face

Chapter 316

An Ran was sighing in his heart when he was killed by Wang Yi just now.

That's right, male soldiers are better than female soldiers in combat, and they are not the first group of recruits.

But I am safe, the captain of Fire Phoenix anyhow!

Defeated by Li Erniu and killed by Wang Yi in a second, am I going to lose face?

At this moment, An Ran planned to spread all his anger on Lin Kai's body!

Lin Kai, you never know how uncomfortable I am in An Ran after you became the rookie king.

Obviously you have been kneeling and licking me before, as long as I am not happy, you will appear in front of me, I can let you do anything.

You can also play around.

You can even let you a big man run to buy me sanitary napkins.

It can even let you run to pick me up on rainy days, just because I was also in the rain.

You used to obey me, but the last time I told you to break up, did you really break up? Don't you know to lick me back?

As long as you kneel down and beg me, give me a step down, I will forgive you immediately.

Your family is rich, but my Enron family is not bad. I look so beautiful and have a good figure. Even if you look handsome, it is your blessing to have a girlfriend like me!

But the last time, you really broke up with me.

Then you became the new king of the army just like a different person, won first place repeatedly, and also won third-class merit.

The ranks became major.

Do you know how regretful I feel?

But now, I finally understand, everything is you playing with me!

You haven't changed at all, you are still the same old man, it's just that you got the new king of the military region through cheating and the help of your family!

Now, you can no longer take drugs, right? Can't cheat anymore?

I will let you know now, what is true strength and what is truly unattainable!

I want you to understand the real gap between you and me, and also let you know that waste like you who only knows to rely on the family is not worthy of me An Ran, and licking my An Ran's toes is not worthy!

Countless thoughts flashed in An Ran's heart. She looked at Lin Kai coldly, and unexpectedly picked up one of her hands.

"Come on, Lin Kai, a boyfriend or girlfriend, don't say I bully you, I will fight you with one hand." An Ran said proudly.

There was a burst of laughter from the bottom, and the male soldiers laughed.

Both Li Erniu and Leng Feng defeated An Ran, but An Ran now uses one hand to fight Lin Kai. So, if Lin Kai fights Leng Feng, Leng Feng can use one finger?

Lin Kai was also a little unhappy: "Please respect me and give full play to your strength."

After that, Lin Kai assumed a defensive posture.

Lin Kai knew that he was very weak at this time, but the biggest difference between him and the previous Lin Kai was that Lin Kai now has self-esteem and would not admit counsel!

"You are not worthy!" An Ran snorted coldly, and walked directly to Lin Kai with his hands behind his back.

Lin happily shook his head, and acted first!

At that time, Lin Kai punched An Ran's face with one punch in accordance with the military physical boxing he had learned in the recruit company!

"what!"

However, in the eyes of others, Lin Kai's fist was light, without any strength, and the speed was extremely slow.

A glimmer of joy flashed in An Ran's eyes. Just now, she was also a little scared, afraid that Lin Kai was just pretending to be a pig and eating a tiger.

But after seeing Lin Kai's move, An Ran was sure that Lin Kai was indeed a waste!

"It's too slow!" An Ran yelled, tilted his head, and easily escaped Lin Kai's punch.

Afterwards, An Ran slapped Lin Kai's face!

But Lin Kai's speed at this time was only 5 points, but An Ran's speed was 20 points, how could Lin Kai escape!

Lin Kai's eyes widened, he didn't slap someone in the face, and was slapped in the face by his ex-girlfriend. If he was hit by her, his dignity would be trampled on the ground by Enron!

But at this moment, Lin Kai's right hand quickly blocked his face, and with a snap, An Ran directly called one hand to Lin Kai's hand!

But the powerful force made Lin Kai unable to control, and he was directly slapped to the ground by An Ran!

As soon as Lin Kai fell to the ground, he saw the special forces of the Tiger Special Forces and the Red Blood Cell Special Operations Group light up and quickly applauded.

"it is good!"

An Ran also looked at Lin Kai condescendingly, but her eyes were a little angry, she didn't even hit Lin Kai in the face!

At this time, Lin Kai's ear also heard the system's voice: "The system does not allow your face to be hurt at all!"

After Lin Kai listened, he was still moved, and the system was still somewhat human.

It's no wonder that Lin Kai's right hand would protect his face in a ghostly manner. It turned out that there was system help.

"Stand up!" An Ran said sharply.

Lin Kai gritted his teeth and got up again, but as soon as he got up, he saw An Ran kick over!

Poor Lin Kai, with only 5 points of reaction power, couldn't stand it at all, was kicked firmly on the stomach by An Ran!

At that time, Lin Kai's body was immediately bent into a shrimp-like shape, his eyes widened, and a powerful force came. For a while, Lin Kai felt as if he had been hit by a train, and his body flew upside down!

After flying a full two meters away, Lin Kai threw a plop and fell to the ground, clutching his stomach, widening his eyes, and rolling on the ground.

The onlookers were agitated at this time. It turned out that Lin Kai was really a **** who became a rookie by cheating!

For such a person, they hate it!

At this time, there was a screaming sound on the scene: “Lin Kai, you are just a rubbish, a **** that is inconspicuous in the **** heap!”

“The rookie king obtained by cheating and family power, I bah!”

“A scum like you, a beast, with no education at all, how did your parents give birth to such a bastard?”

“Didn’t your mother teach you to be honest? Relying on cheating to become the new king, what about your face? Are you worthy of the medal awarded by the chief?”

“Kill this beast!”

A scream rang out, and the members of the Tigers and the Red Blood Cell Special Operations Group went crazy.

As for the Wolf Squadron, there was dead silence, and everyone’s face was not very beautiful.

It has been confirmed that Lin Kai relied on cheating and drugs to become the rookie king, and they could not justify Lin Kai, because Lin Kai’s mistake was really serious!

Long Xiaoyun’s eyes were also full of disappointment.

Lin Kai, Lin Kai, you can rely on exercise, you can rely on hard work, but why do you have to cheat?

An Ran looked at Lin Kai condescendingly at this time, with a very smug expression on her face. Her depressed mood during this period of time suddenly exploded.

“It’s just you trash, or my ex-boyfriend? I was really blind to see you at the beginning! You are only worthy to talk to the village girl about friends, I am An Ran, the goddess you will never get!”

Chapter 317: The Truth Is Revealed?

Chapter 317 The truth is revealed?

Facing An Ran’s insults, Lin laughed, helplessly.

When he left An Ran, Lin Kai still felt a little pity. An Ran was very beautiful and his performance was not as bad as he thought.

Only now did Lin Kai understand that truly snobs and powerful people cannot be seen.

Only the weak can see how snobbish the other party is!

An Ran is a very snob.

When Lin Kai was strong, she felt very regretful in her heart and hated why she hadn't grasped Lin Kai in the first place.

But when Lin Kai was weak, An Ran started to win.

You trash, you are not worthy of me!

An Ran is a woman who will never be satisfied, no matter how beautiful she looks, she just has an empty skin.

Seeing Lin Kai still dared to laugh, An Ran was angry and went up to make another kick.

This foot shocked Lin Kai's body, his face instantly turned pale, almost vomiting blood!

You know, Lin Kai is already lying on the ground, which means that Lin Kai has lost, but An Ran is still doing it!

"Dare to laugh? I'm kicking you rubbish!" An Ran said, and wanted to kick Lin Kai again.

But at this time, one hand held An Ran and pulled An Ran aside.

"Enough!" There was a loud shout, and Long Xiaoyun didn't know when he appeared on the fighting platform.

She pulled An Ran aside and helped Lin Kai up.

Long Xiaoyun stared at An Ran with his eyebrows crossed: "He has lost his combat effectiveness, but you still want to be so cruel. Is he your comrade-in-arms or your enemy?"

Long Xiaoyun asked fiercely.

You know, Long Xiaoyun is a famous Poison Rose in the army. Not only is she extremely high-quality military, she has a very high rank, her temper is very hot, and her background is also very strong.

Being reprimanded by Long Xiaoyun in this way, An Ran immediately trembled all over, not daring to speak back.

An Ran knew that once the opponent fell to the ground on the fighting platform, he could not continue to attack. That would be regarded as a violation of military regulations and a beating of his comrades!

If he beat Lin Kai in front of so many people, he wouldn't be punished, would he?

For a while, An Ran's forehead was already sweating, and his heart was very nervous.

But at this time, Lei Zhan appeared on the fighting platform. He came to An Ran's side and protected An Ran behind him.

"Lin Kai is a **** who relies on family power to cheat in the army. Such a person can't fight?" Lei Zhan asked coldly, with an arrogant expression on his face.

An Ran is afraid of Long Xiaoyun, he is not afraid of thunder!

Without the leader by his side now, Lei Zhan would not let Long Xiaoyun go!

A few days ago, Tianlong Xiaoyun robbed him of the task of thunder war, and led people to solve a group of mercenaries who trespassed in China.

This Qiu Lei Zhan still remembers it!

Seeing that there was Lei Zhan supporting him, An Ran's heart immediately became relieved. The enemy's enemy is a friend. Lei Zhan also sees Lin Kai unhappy, so he can insult Lin Kai openly!

"Yeah, I said how could Lin Kai cheat everywhere in the army? It turns out that there is such a little lover!"

"I said instructor Long, you must not be deceived by this little white face. This little white face can cheat and become the rookie king, and he can do things that I am sorry for you!"

An Ran said sourly with her arms in her arms.

After listening to An Ran's words, Long Xiaoyun became angry at the time: "Shut up!"

Seeing Long Xiaoyun angry, An Ran just waved his hand helplessly, as if you would believe it or not.

And Lei Zhan never stopped Enron from beginning to end.

He saw that Long Xiaoyun was unhappy, and Lin Kai was even more unhappy, so naturally he would not help Long Xiaoyun.

Lei Zhan said coldly at this time: "Lin Kai, when Wang Yi said those things yesterday, I had believed it seven or eight points."

"But I still decided to give you a chance to perform, but Lin Kai, you really disappointed me!"

"Look at you, aren't you the rookie king of the Southeast Military Region? Why can't you even beat a female soldier now? Or the female soldier gave you a hand."

"In my opinion, you are just a brute who relies on cheating and family relationships to become the new king! Maybe even Long Xiaoyun is your accomplice!"

"You children of a big family, maybe there is some shameful trade secretly, dirty!"

The more Lei Zhan said, the more emotional he became. When he thought of the embarrassment that Lin Kai had brought him before, Lei Zhan couldn't get angry.

"Remember when you broke my obstacle sprint record before? Relying on drugs to break my record, do you want to be shameless?"

"What rookie king, I pooh! You are not worthy!"

Lei Zhan's words spoke out the aspirations of most people, and they were extremely unconvinced with Lin Kai!

Soldiers who dare to participate in the selection of special forces are certainly outstanding in the original company.

When they were training, they all had the goal of becoming a special soldier or even taking the first place. Only they knew how much effort they put in.

But what about Lin Kai? A waste who has become a special force by virtue of family relations and the effects of drugs, and is ranked first in every assessment.

What does he make these people who become special forces by their own efforts think?

Is it fair to them?

Therefore, after the truth is revealed, everyone can't wait for Lin Kai to die immediately!

"Thor! I suggest to kick this kid out of the army immediately, and reclaim his rank and all his honor!"

“Such **** is not worthy of staying in the army, he will only pollute the air of the army!”

“It’s not a pity to die!”

...

Everyone’s emotions were very excited, and none of them in the Wolf Squadron started for Lin.

Although Lin Kai treated them very well, it was indeed Lin Kai’s loss, and what Lin Kai had done made them feel ashamed and angry as teammates!

No, no, why do you want to win by cheating?

Lei Zhan stared at Lin Kai and asked coldly, “What else do you have to say now?”

Lin Kai’s face is cold, what can he say? He has nothing to say!

“I’m just not feeling well these days. Give me four more days. I will definitely let you see Lin Kai before!”

“I’m pooh!” Lin Kai just said this, only to see An Ran directly disdain: “I’ll give you another week? Wait until your body recovers, and then go for injections?”

“Those drugs can indeed increase your abilities in all aspects by more than ten times, but do you feel honored to win by relying on drugs?”

“I’m ashamed for you, An Ran!”

“Lin Kai, you wake up! You are not a rookie king! You are not the material to be a soldier, you are just the young Lin who only eats, drinks, and gambling!”

“Go back to your Lin family soon! Let’s go through the days of the Lin family, when the time comes, Yi will stretch out his hand and open his mouth, why bother to suffer this grievance in the army?”

“At home, you, Young Master Lin, can find a real sense of existence. You don’t need to cheat, you just rely on nibbling the old. No one dares to look down on you.”

“Of course, they will only scold you behind their backs. Rubbish! Trash! A wasteful person who has left the family and can’t survive. An uncultivated person like you deserves to be looked down upon for a lifetime!”

Chapter 318: The Only One Eliminated

318 The Only Person Eliminated

An Ran's words were very unpleasant, and these words fell into Lin Kai's ears, making Lin Kai extremely uncomfortable.

Not very angry.

Lin Kai just felt worthless for the previous Lin Kai.

Is such a snob woman worthy of your love?

Even if you are incompetent, you are the youngest of the Lin family! Why should you kneel and lick such a snob woman?

Seeing Lin Kai not speaking, An Ran became even more happy when he cursed. The expression on his face was a smug.

She vented all her dissatisfaction with Lin Kai before!

In the audience, Wang Yi looked at Lin Kai with his arms folded, a trace of cruelty flashed in his eyes.

He has determined that Lin Kai is indeed a waste, less than one-tenth of Wang Yi's!

And Lin Kai used to hold down Wang Yi for so long, Wang Yi has always been daring to be angry, but now it is finally Wang Yi's turn to get ahead.

Lin Kai, wait, I will show you what a real strong is!

And Long Xiaoyun, who was protecting in front of Lin Kai, was also slightly angry at this time. An Ran's words were too ugly. Even her major general couldn't control his temper.

"Lei Zhan, this is the soldier you brought out? The exit is dirty?" Long Xiaoyun said angrily.

Lei Zhan hugged his arms and smiled at the time: "Hehe, the soldiers you Long Xiaoyun brought out are even more despicable. A trash borrowed the power of his family to cheat in the army. Are you ashamed to say me?"

"You!" Long Xiaoyun became angry for a while, and was unable to speak.

That's right, now Lei Zhan occupies the right time and place, everyone present helps Lei Zhan, and Lei Zhan has absolute prestige in front of this group of special forces.

And what Lin Kai did was really irritating, even though Long Xiaoyun wanted to protect Lin Kai, he felt a little powerless.

“Why don’t it? Lin Kai’s cheating has been settled. Such soldiers are not worthy of staying in the Southeast Military Region. Let’s ask Brigadier He over to see how this matter should be handled!” An Ran said loudly at this time.

Let He Zhijun come over?

Long Xiaoyun frowned tightly.

She knows that He Zhijun is vigorous and vigorous. He will never procrastinate in doing things, and will never allow a cheating person to stay in the army.

If he comes, Lin Kai must leave the army.

“The scoring assessment has not yet been completed. It is not too late to let Brigadier He handle this matter until the assessment is over.” Long Xiaoyun was delaying time for Lin Kai.

She can only help Lin drive here.

And An Ran rolled her eyes and smiled: “Ha ha, yes, Lin Kai, I see your performance these days!”

The reason why An Ran would agree is because of her little abacus.

Before Lin Kai made her regret for so long, let Lin Kai leave the army so easily, she would never feel happy in An Ran’s heart.

It’s better to make arrangements for Lin Kai in these few days so that he will leave the army after he has suffered all kinds of insults!

revenge!

This is Enron’s only thought.

“Lin Kai, return to the team!” Lei Zhan said with a playful smile.

“Yes.” Lin Kai returned to the queue without saying a word after saluting.

At this time, Lin Kai had already become a joke among the troops, and everyone looked at Lin Kai with disgust.

After Lin Kai returned to the team, the assessment continued.

Until the afternoon, the second round of assessment was officially completed and everyone was dissolved.

Lin Kai returned to the wolf base, lay on the big bed in the dormitory, and read a book.

Boring these days is also boring, it is better to read a book.

Comrade Lin Kai looked at Lin Kai's eyes, full of sympathy.

Lin Kai was very good in the army, and they believed in Lin Kai very much. Even if Lin Kai was cheated, they would not alienate Lin Kai.

Because they are comrades in arms!

At this time, the fat man came to Lin Kai's side and patted Lin Kai's shoulder: "Captain, don't be too discouraged. There is no way for people to be alone. Don't worry, even if you can't be a special soldier, it's good to go to the company below. Easy."

Lin Kai grinned: "Haha, don't worry, I won't be eliminated."

Lin Kai was telling the truth, but in the eyes of the fat guys, Lin Kai was only trying to be strong.

This is already the case. Even if you can make it to the end of the scoring assessment, do you really think you can stay in the special forces with your score?

"Come on!" Xiaoling grinned at Lin Kai.

Lin Kai also smiled.

...

Silent night, and soon, the fourth day came.

It was only three days before I completed the betting contract.

After getting up in the morning, Lin Kai finished washing and ate breakfast.

Next, take the Wolves Squadron for the third round of assessment and speed assessment.

Undoubtedly, Lin Kai was once again slapped in the face by everyone at an extremely slow speed.

On the fifth day, Lin Kai had no knowledge of blasting, and his performance was at the bottom of the blasting professional knowledge assessment.

On the sixth day of the medical knowledge assessment, Lin Kai's performance was once again at the bottom.

In these few days, Lin Kai suffered all kinds of insults.

And An Ran and Lei Zhan also tried their best to make fun of Lin Kai.

Lin Kai's concentration is very good, and he has not turned his face.

Because Lin Kai knew that before long, he would become their unreachable father!

The seventh day has arrived. Today, the assessment has ended. Lei Zhan will announce the results of this assessment on the playground of the Sponge Special Forces Brigade of the Southeast Military Region.

In the early morning, Lin Kai packed up his equipment early, and led by Long Xiaoyun, a group of seven people came to the playground.

The playground in the early morning is exactly the lively time, the morning jog, the morning jog, the training training, and in the center of the playground, five special forces sit on the ground.

There were only two people standing in front of the crowd, one was Lei Zhan, the captain of the Raiden Commando, and the other was the captain of the Fire Phoenix Women's Special Force, An Ran.

At this time, An Ran's face was ruddy, and there was no longer the lack of self-confidence that he used to be. Instead, he was an arrogant look.

And intentionally or unintentionally, she has been approaching Lei Zhan.

And Lei Zhan looked at An Ran's gaze, and there was also a touch of doting on him.

After everyone arrived, Lei Zhan walked back and forth in front of everyone with his hands behind his back, with a smile on his mouth.

And he looked at Lin Kai intentionally or unintentionally.

"Very good, everyone did a great job in this assessment!"

"After today, you can become a real special soldier!"

"And your code name is also named by your captain!"

As soon as Lei Zhan's voice fell, there was a burst of cheering on the scene.

Everyone looked at each other excitedly, and worked hard for so long, isn't it just to become a real special soldier? Now they finally did it!

“There is also good news. Only one person has been eliminated in this assessment!”
Lei Zhan said loudly.

Only one person eliminated?

Everyone looked at Lin Kai in unison. Needless to say, the person who was eliminated must be Lin Kai with the lowest score!

Chapter 319: Enron And Lei Zhan

Chapter 319 An Ran and Thunder Fight

Lin Kai’s face was not red and heartbeat when everyone watched.

He is ready to accept the result.

At this moment, I saw An Ran stand up and said proudly, “This person, I don’t say I believe everyone knows who it is.”

“In the past few years, I have taken a few batches of recruits in Enron. I have seen recruits who want to be lazy. I have never seen recruits who cheat and take drugs!”

“Without the support of drugs, this person has achieved the bottom of every assessment, and is not even as good as the recruits in the recruit company!”

“Such a **** stick is not suitable for staying in our army. It is also human nature to be eliminated.”

After that, An Ran looked at Lin Kai.

“Lin Kai, stand up!” An Ran shouted.

Lin Kai stood up from the lawn: “Here.”

“I now officially announce that you have been eliminated!”

When An Ran said this, the corners of his mouth kept smiling proudly.

Can’t you? Are you not the rookie king? Now, I say let you be eliminated, you will be eliminated, your fate is in my safe hands!

Everyone underneath exclaimed, and everyone’s face overflowed with a smile.

That’s right, they are anxious that Lin Kai will be eliminated, so no one will compete with them for the first place!

Wang Yi laughed out loud, Lin Kai, you were finally eliminated!

Only the soldiers of the Wolf Squadron did not laugh, and Long Xiaoyun's expression was even more ugly.

She didn't want Lin Kai to be eliminated!

But she had no other way to take An Ran. That's right, Lin Kai's performance in the assessment of the positions these days was very unsatisfactory, and even the medical soldier's assessment line was not up to it.

Long Xiaoyun couldn't help Lin Kai anymore.

After An Ran said, Lin Kai sat back without saying a word.

At this time, An Ran once again announced: "The first place in this assessment, that is, the person with the highest overall score, the Red Blood Cell Special Action Team, Wang Yi!"

As soon as this sentence came out, another exclamation sounded.

It was Wang Yi!

Before Lin Kai was away, the first place was either Leng Feng or He Chenguang, but now he has become Wang Yi!

This is something that no one thought of.

Wang Yi stood up, with a confident smile on his face, and came to An Ran.

The look in Wang Yi's eyes at Lin Kai was a complacency. Lin Kai, you were the first in every assessment before, but now, Wang Yi, my strength, tells you that I am the real first!

At this time, there was a burst of applause, and everyone was applauding for Wang Yi!

At this time, Wang Yi also preached: "Thank you. Although my strength is not very strong, I can say with my conscience that all my achievements are earned by my own strength!"

"It's not like someone who became the rookie king by cheating and drugs, and yet delusional to become a special soldier, it is shameful!"

Everyone knew who Wang Yi was talking about, and there was another round of applause.

Wang Yi returned to the queue, and Lei Zhan stood up and preached: "Okay, I want to announce a good news next."

good news?

Everyone is staring at Lei Zhan. You must know that Lei Zhan has always been tough. The good news he can tell is definitely not common.

At this moment, Lei Zhan smiled triumphantly, and he actually came to An Ran's side and hugged An Ran's pretty waist.

And An Ran's face flushed a little, and he shoved the Thunder Fight away embarrassedly.

There was a burst of exclamation below, and all the soldiers looked at Lei Zhan with envy, jealousy and hatred. Did Lei Zhan soak An Ran in his hands?

"Hahahaha!" Lei Zhan laughed loudly: "Yes, An Ran and I are officially together!"

As soon as Lei Zhan's words fell, there was a round of applause. Although he was jealous, everyone clapped heartily.

The female special forces of the Fire Phoenix also uttered exclamations, their captain, who had always been very high-sighted, was actually with Lei Zhan?

Ouyang Qian's eyes widened: "Captain, she..."

Ouyang Qian didn't finish her words, she saw Tang Xiaoxiao stomping angrily: "The captain grabbed my Thor! Humph!"

The female soldiers of the Fire Phoenix were also stunned.

An Ran stood beside Lei Zhan at this time, with a happy expression on his face.

Her eyes looked at Lin Kai intentionally or unintentionally, as if showing off.

Lei Zhan is indeed very good, his strength is very strong, he also has a masculine character, the most important thing is that Lei Zhan is a very domineering man, he can control Enron.

And An Ran chose Lei Zhan at this time because she had discovered that Lin Kai was nothing but a waste.

Therefore, she chose Lei Zhan, first because Lei Zhan is her favorite type, and second, she wanted to prove to Lin Kai that without you Lin Kai, how well I could live safely!

In a round of applause, many people looked at Lin Kai with mockery in their eyes.

Seeing his ex-girlfriend choose his instructor to be his boyfriend, this must be a great mockery for Lin Kai, right?

When Lin Kai looked at An Ran, his eyes reddened instantly. Indeed, at this moment, Lin Kai felt jealous!

This feeling does not come from Lin Kai now, but from Lin Kai before!

The old Lin Kai is not dead yet! He is not reconciled!

But now Lin Kai is trying very hard to restrain his feeling, but his chest still involuntarily rises and falls.

An Ran was even more proud of seeing Lin Kai being so angry.

“Choosing Lei Zhan is really the most correct choice in my life.”

“I An Ran likes a tall and mighty man like Lei Zhan. He doesn't say he is masculine, but he has a sense of security.”

“Here I would like to tell the female soldiers of the Fire Phoenix, don't adore a man just looking handsome. Even if a man is handsome, he cannot protect his own woman, it is a waste!”

“Even if this man is handsome and rich in family, but he is an incompetent person, then he is also a rubbish!”

“Such rubbish, I advise everyone to stay away!”

“It's better for Thor. Thor is an upright person. Unlike someone, he can only do something ugly.”

Everyone knew who An Ran was talking about, this person is naturally Lin Kai.

Everyone also laughed out loud, undoubtedly all laughing at Lin Kai.

But at this moment, Lin Kai didn't say a word, he stood up and was about to leave.

Now that he has been eliminated, Lin Kai doesn't need to stay here. Staying here will only make his heart unhappy.

But he hadn't left yet, and saw Wang Yi stopped in front of Lin Kai with a mocking smile on his mouth.

“Yo-yo-yo, rookie king, why are you walking in such a hurry?” Wang Yi squeezed his fist and made a crackling noise, his eyes were bad.

Chapter 320: Laugh At

Chapter 320

Suddenly, Wang Yi stopped in front of Lin Kai, tilted his head, stared at Lin Kai badly, with a sneer on his face.

And behind Wang Yi, several soldiers also appeared.

This group of people are all special forces of the Red Blood Cell Special Operations Group.

Lin Kai frowned and asked, “Wang Yi, what do you want to do?”

Is it possible that he wants to fight himself in a group? This is the army! Even if he has been eliminated, he has no right to do it to himself.

Wang Yi smiled: “Hahaha, what do I want to do? What can I do? Are you still afraid of me beating you?”

As soon as Wang Yi said this, the special soldiers behind him burst into laughter.

To laugh at the former rookie king is a very cool thing for them!

Lin Kai clenched his fists. Although he was angry now, he knew that he could not be angry!

Today is the last day, you only need to survive today, and tomorrow you can release yourself!

“If it’s okay, please get out.” Lin Kai said lightly.

Wang Yi deliberately showed a look of embarrassment on his face: “Yo-yo, rookie, don’t talk to me in this tone, I’m scared!”

There was another burst of laughter.

The special forces of the Tigers and the Fire Phoenix were watching the fun, and their faces showed sneers.

Lei Zhan and An Ran even stood in place with their arms folded, without any intention of intervening.

It was Na An Ran with a look of expectation, she couldn't wait to see how Wang Yi took action to teach Lin Kai.

But Wang Yi is not stupid. He would not beat Lin Kai with his hands. In that case, Wang Yi would not benefit him.

When Wang Yi waved his hand, a special soldier carried a huge dumbbell of 30 kilograms behind him.

Wang Yi picked up the huge dumbbell in one hand and did the bicep muscle training effortlessly. The 30 kg dumbbell was as light as nothing in his hand. He lifted it up for a while and put it down for a while.

Wang Yi's mouth sneered: "New King, can you?"

Behind Wang Yi, a burst of laughter rang out.

Everyone is laughing crazy!

It turned out that Wang Yi wanted to use this method to laugh at Lin Kai!

Lin Kai, who had no drug support, was not as strong as an ordinary person, so Wang Yi took out a 30 kg dumbbell and made fun of Lin Kai!

An Ran also covered her mouth and chuckled, and said to Lei Zhan, "Lei Shen, look at that trash face, it's so red!"

Lei Zhan also looked at Lin Kai like a fool: "That's a rubbish."

Amidst the roar of laughter, Lin Kai's face became more and more red, and his heart became more and more angry!

He can't wait to get all his abilities back from the system now, so that people who look down on him will shut up!

But his reason tells him that today is the last day, once impulse, all previous efforts will be abandoned!

At this moment, I saw Lei Zhan push Wang Yi away. Lei Zhan glanced at An Ran beside him and gave a playful laugh.

I saw Lei Zhan suddenly hugged An Ran, An Ran exclaimed, and was hugged by a princess of Lei Zhan.

Lei Zhan is an absolute strength player, his strength is not comparable to ordinary people.

I saw Lei Zhan holding An Ran, squatting relaxedly in front of Lin Kai.

One, two, three...

An Ran's small face quickly turned red with excitement, feeling Lei Zhan's strong and powerful arms and his chest full of security. At this moment, An Ran felt that she was the happiest woman in the world.

Thinking of Lin Kai again, An Ran couldn't help rolling his eyes.

"Thor, you are so amazing!"

"Come on!"

An Ran was cheering for Lei Zhan, and behind Lei Zhan, there was a roaring noise.

"Kiss! Kiss! Kiss!"

A group of people frolicked in front of Lin Kai like this, Lei Zhan's eyes were full of triumph.

Boy, aren't you very strong? Why don't you hesitate now? In Lao Tzu's arms, is the woman you once loved the most!

Are you angry? Angry? I can't do anything about Laozi, right?

The corner of Lei Zhan's mouth showed a disdainful smile.

Excited An Ran looked at Lin and laughed: "Thor, I feel that I am the happiest woman in the world, you are too safe!"

Lei Zhan also laughed.

Wang Yi on one side saw Lei Zhan teasing Lin Kai so, the corners of his mouth rose slightly.

At this time, Long Xiaoyun finally couldn't stand it anymore: "Enough!"

I saw Long Xiaoyun rushed out of the queue and came to Lin Kai. He was furious at Lei Zhan: "Lei Zhan! Remember, you are an instructor, not a soldier!"

Lei Zhan looked at Long Xiaoyun and tilted his head: "Hey, by coincidence, I'm a soldier!"

That's right, Lei Zhan is a real bully.

At the beginning, Lei Zhan relied on the fierce strength of being a ruffian to break out of his current reputation.

He is very vengeful, otherwise he wouldn't tease Lin Kai like this.

And Lin Kai's endurance has finally reached its limit!

He pushed Long Xiaoyun away, pointed at Lei Zhan and Wang Yi and said furiously: "You listen to me! Today's Lin Kai you will not answer, but tomorrow's Lin Kai you can't afford it!"

As soon as Lin Kai said what he said, there was a burst of laughter after the scene was silent for a few seconds.

Everyone laughed and laughed.

Some people laughed and rolled on the ground holding their stomachs.

Lin Kai's cruel remark made everyone laugh, and this cruel remark sounded very ridiculous in their ears!

It's like a three-year-old child holding a small wooden stick and shouting in front of an adult.

"Hahahaha! I'm so ridiculous, Lin Kai, who do you think you are? Do you think you are a superman in the movie, but you have temporarily lost your combat effectiveness?"

"You rubbish, scumbag that corrupts the atmosphere of the army, get out of the army quickly!"

"Dare to yell at Thor? Why did An Ran leave you? It's because you are incompetent, and you like to brag!"

...

All kinds of words hit, Lin Kai suddenly realized that he was angry, and it was no different from playing the piano to a cow.

An Ran's face flushed as well, and she was very excited about lying in the arms of Lei Zhan, looking at Lin Kai with a smile, her eyes filled with playfulness.

At this moment, three people came over from a distance.

"What are you doing?"

After hearing this sound, Lei Zhan was full of spirits, and put down An Ran in his arms.

Lin Kai also looked back, and saw He Zhijun walking over with two guards in stride.

He Zhijun frowned, with a document in his hand, and walked over angrily.

“Lei Zhan! Under the public, what are you and An Ran doing?” He Zhijun said angrily.

Although He Zhijun is not particularly good at fighting, his aura is unmatched. He wears a military uniform very decently, without anger.

And the always arrogant Thunder War, after seeing He Zhijun, was like a mouse meeting a cat.

“Report Langtou, An Ran and I... are already boy and girl friends.”
