

Special Forces God Level Extraction System – Chapter 353 - 384

Chapter 353: A Bit Of Strength

Chapter 353

Yuri's ability is a very powerful ability for Lin Kai.

It can realize Lin Kai's desire to control the actions of others.

As soon as Yuri's ability was activated, Lin Kai began to control Hu Yan's mind. Hu Yan, you kneel down for me!

However, Hu Yan, as an SS-level special force, is extremely powerful in terms of military capabilities and military qualities.

And he has also received professional psychological training, Lin Kai's Yuri ability can't make him kneel down, nor can he stop him!

However, it can be done to make Hu Yan slightly stunned.

Just so slightly stunned, Hu Yan exposed his empty door in front of Lin Kai for a second.

Lin Kai smiled cruelly and rushed forward!

I saw Lin Kai Kuang throw out his fist, this punch used Lin Kai's great power!

Although Lin Kai's strength was only one hundred and sixty points, Lin Kai used the power of run-up and throwing punches to make his punches reach 180 points of strength!

call!

At that time, I only heard a sound of breaking through the air, and Lin Kai's punch had already whizzed!

At this time, Hu Yan finally reacted from his dazedness.

But as soon as he turned around, he saw Lin Kai's fist like a **** descending from the earth!

Hu Yan didn't have time to dodge at all, only had time to cover his chest with his arms.

boom!

A muffled sound!

When Lin Kai went down with this punch, Hu Yan's arms were slightly deformed, visible to the naked eye!

His arms are almost broken!

But Hu Yan's arms instantly burst his body armor, and a burst of red smoke came out.

And Hu Yan also lost control of her body, and her body flew upside down. With a plop, Hu Yan fell to the ground.

The **** of war, known as the captain of the ss-level team, is now defeated!

With this punch, Lin Kai broke not only his arms, but also his self-esteem!

"Flame Commando, Tiger Flame, knock out!"

When Long Xiaotian's trembling voice came from Lin Kai and Hu Yan's headsets, it represented the formal end of this exercise.

Lin Kai, representing the Wolf Squadron and the Southeast Military Region, won this exercise!

Hu Yan sat on the ground stupidly, looking at Lin Kai with an expression of disbelief.

He could not accept this result.

How can it be?

He is the captain of the SS-level team! Even if he was temporarily downgraded to C-level, his strength is definitely at SS level!

And now, he actually lost in the hands of a C-level special soldier?

Hu Yan's arms trembled slightly, and there was a sensation of pain from both arms, but no matter how painful his arms were, it couldn't bear the pain in his heart!

Having lost in the hands of Lin Kai, what face is there to return to the Yanjing Military Region?

What kind of face do you have, and then turn it back from C-level to ss-level?

I am afraid that I will become the biggest laughing stock of the Yanjing Military Region!

This Lin Kai, who is he? Why is he so strong?

His strength has reached the sss level!

He must have been brought down too, otherwise there is no way to explain what is happening now!

At that time, Hu Yan stared at him and asked, "Lin Kai! You were also demoted? Tell me, right?"

Hu Yan was a little excited, he really hoped that Lin Kai would answer yes, if this were the case, he would feel better in his heart.

And Lin Kai laughed at this moment: "It came down? Our Wolf Warriors squadron has just passed the recruit assessment for less than half a month, what do you think?"

After hearing Lin Kai's words, Hu Yan directly collapsed on the ground.

A recruit who has just passed the assessment for half a month?

Why is he so strong? Still say you are too weak? Hu Yan was lost in thought.

At this time, at the entrance of Shakou Town, the soldiers of the Southeast Military Region screamed in excitement after seeing Lin Kaiyi defeating the flames of the Tiger!

Even hug each other! He Chenguang kissed Leng Feng's cheek even more excitedly.

Their Southeast Military Region won!

Lin Kai won!

The faces of everyone in the Wolf Warrior Squadron were proud, because Lin Kai was a member of their team!

The members of the two special forces of the Red Blood Cell and the Tigers are also very contented, because Lin Kai is from their Southeast Military Region!

Looking at the special soldiers of the Yanjing Military Region, their expressions are as ugly as their dead mother.

They couldn't believe this scene because they felt that the victory of the Yanjing Military Region was already a certainty.

But now Lin Kai is stunned to create an impossible miracle!

One out of nine, five of them are still SS-level special forces, and they are still stunned. Who can believe this?

In the Southeast Military Region, Long Xiaoyun was staring at the big screen alone. After seeing Lin Kai's boxing and Flying Tiger Flame, Long Xiaoyun screamed in excitement and even turned the screen twice!

Now Long Xiaoyun, unlike a major general, is more like a lively and lovely pure girl.

"Lin Kai, you really didn't disappoint me!"

At this time, in the war room of the Beijing Military Region, there was dead silence.

Everyone stared at Lin Kai's perspective in front of him, and fell into contemplation.

The officers of the Yanjing Military Region have very ugly expressions, because this is the first time that they have engaged in exercises in the Yanjing Military Region and the Southeast Military Region in decades.

They have always been proud of Ye Nantian, and the arrival of Ye Nantian has indeed raised the military quality of the Yanjing Military Region to a higher level.

This also allowed the future Yanjing Military Region to sweep the major military regions.

They are even more disregarded of the Southeast Military Region.

But now, a recruit from the Southeast Military Region was stupefied to abuse their Yanjing Military Region's special forces, not just one or two, but nine!

This is nothing. The most important thing is that Lin Kai is a c-level special soldier. Among the nine special forces, there are five ss-level special forces!

Originally, they thought it was a bit embarrassing to let SS-level special forces abuse the recruits of the Southeast Military Region.

But now it seems that they are even more embarrassed!

All SS-level special forces are dispatched, and they can't win!

Looking at the officers of the Southeast Military Region, their faces overflowed with triumphant smiles.

This is the first time their Southeast Military Region has won the Yanjing Military Region in decades!

And Lin Kai is the hero of the Southeast Military Region!

The officers of the Beijing Military Region were all stunned at this time.

After all, Lin Kai's ability to turn defeat into victory really made everyone feel incredible.

And Zhang Sancrazy, who had been complacent just now, didn't say a word at this time, his expression was very ugly and pale.

But He Zhijun and the other three laughed out loud.

He Zhijun slapped his seat: "I didn't see Lin Kai wrong as expected, Lin Kai is quite capable."

After hearing He Zhijun's words, Zhang Sancrazy wanted to scold his mother.

This is a bit of strength?

One dozen nine, which is a bit of strength?

And Long Xiaolin looked at Lin Kai on the screen, lost in thought.

His optimistic son-in-law Hu Yan was abused by Lin Kai.

In his mind, Lin Kai was a gangster, but he completed a big counterattack, hitting nine and became the strongest dark horse in this exercise!

Chapter 354: Strongest Recruit

Chapter 354 The Strongest Recruit

Lin Kai's performance astounded the audience.

Originally triumphant and confident, Zhang Sancrazy said nothing at this time.

There was a lot of laughter in the Southeast Military Region, and they were all talking with Lin Kai.

The biggest ups and downs in the heart is naturally Long Xiaolin.

Hu Yan has always been Long Xiaolin's most optimistic special forces. Hu Yan is not only an SS-level special force of the Yanjing Military Region, but also has a prominent family background.

Hu Yan is really the best choice for Long Xiaolin's best son-in-law.

But now a Lin Kai jumped out.

A person he is least optimistic about.

A person who slept at the exercise site, a person who spit out sunflower seeds at the window when his teammate was beaten.

But it was such a slapstick soldier who had completed a reversal of one dozen nine!

This can be said to be a miracle among the special forces of China!

At this time, Long Xiaolin also changed his view of Lin Kai.

It seems that Lin Kai's reason for being arrogant is because he has arrogant capital, capable soldiers, and his personality is different from ordinary people.

No wonder his son would recommend Lin Kai to himself. He is really capable.

Also, looking young and handsome, I just don't know what the family background is.

"What is the rank of Lin Kai?" Long Xiaolin asked.

At this time, He Zhijun stood up and said: "Reporting chief! Lin Kai ranks first in two exercises in the Southeast Military Region, and first in the special forces assessment. He is the holder of multiple records in the Southeast Military Region. Wait for the work once!"

After hearing He Zhijun's words, everyone gasped. This rookie king has a lot of background!

"What about your age?" Long Xiaolin asked.

The rank of major is indeed not low.

He Zhijun answered truthfully: "Nineteen years old!"

"what!"

After listening to He Zhijun's words, everyone's eyes widened.

At only nineteen years old, already the captain of the special team? At the age of nineteen, he is already the rank of major?

If he had reached Hu Yan's age, wouldn't he have to become a general's rhythm?

Long Xiaolin's eyes have become greedy, Lin Kai is a piece of treasure!

"Then what is his family background?" Long Xiaolin asked again.

At this time, He Zhijun answered truthfully: "Lin Kai is the son of Jiangbei Lin's family!"

After listening to He Zhijun's words, Long Xiaolin was already excited and couldn't sit still. He wanted to go to Lin's family to propose marriage now!

Lin Kai's background is much stronger than that of Hu Yan's family background!

Although the Lin family is not as good as the Long family, Jiangbei is a very rich treasure land, and the Lin family is the emperor of Jiangbei, united with the Lin family, the Long family is like a tiger with wings!

The marriage of the Long Family and the Lin Family will only make the two families stronger!

Long Xiaolin has completely changed his view of Lin Kai.

Lin Kai looks good.

Strong strength.

The future is limitless.

It is the son of Lin's parents.

Such an outstanding person, being the son-in-law of the Long Family, is simply his Long Xiaolin's blessing!

"Okay!" Long Xiaolin slapped his chair and yelled okay.

"As expected to be the new king of the Southeast Military Region, worthy of the name!"

"He Zhijun, now prepare the helicopter, I will personally award Lin Kai the first medal of this exercise!" Long Xiaolin said.

After He Zhijun listened, his face was ruddy, and he felt lustrous.

He saluted and said: "Yes!"

...

At this time, at the entrance of Shakou Town, the six special forces had assembled, and Long Xiaotian stood in front of them.

Looking at the crowd, Long Xiaotian nodded in satisfaction, and said: "Very well, you successfully completed this exercise! It is nine o'clock in the evening, and the helicopter has half an hour to arrive at the scene, please Be prepared and go back to the nearest Southeast Military Region for a short rest. Tomorrow morning, the Chief Long of the

Beijing Military Region will personally arrive at the Southeast Military Region to announce the final result of this exercise!”

After listening to Long Xiaotian’s words, everyone was enthusiastic about it. Is the leader coming from the capital?

This is the blessing of the Southeast Military Region!

Many people looked at Lin Kai. Everyone knows that the head of the capital must have come for Lin Kai.

And Long Xiaotian also glanced at Lin Kai meaningfully and smiled.

Half an hour later, six helicopters arrived. The helicopters picked up all the soldiers at the entrance of Shakou Town and flew to the Southeast Military Region.

After returning to the Southeast Military Region, everyone returned to the reception room to take a rest. As soon as the sky was getting dark, the whistle blew outside.

“Assemble! Assemble!”

One minute later, six special forces had arrived in the yard to gather.

After a while, three jeeps drove into the yard.

I saw a group of chiefs walk off the jeep.

He Zhijun, Fan Tianlei and Zhang Tianyi from the Southeast Military Region.

Zhang Sanfeng from Yanjing Military Region.

Long Xiaolin from the Beijing Military Region.

The special forces of the Southeast Military Region all raised their chests, and the soldiers of the Yanjing Military Region bowed their heads in frustration.

They didn’t dare to look directly at Zhang Sancrazy.

Lin Kai saw Long Xiaolin. After seeing Long Xiaolin, Lin Kai actually felt that this old man seemed a bit like Long Xiaoyun.

“Comrades, you have worked hard. To be honest, you are the best batch of recruits that Long Xiaolin has seen in recent years!”

There was a burst of applause.

“Here, I want to highlight a few people, Hu Yan!”

After Long Xiaolin’s words, Hu Yan stood up: “Here!”

“Your performance is good, you deserve to be the captain of the SS-level team of the Yanjing Military Region!”

Hu Yan’s face blushed after hearing Long Xiaolin’s words.

Afterwards, Long Xiaolin looked at Lin Kai.

“Lin Kai!”

“To!”

“Your performance is great! You are the most powerful recruit I have ever seen! One out of nine, and defeated five masters who were once SS-level special forces. The title of the strongest recruit is none other than you!”

After listening to Long Xiaolin’s words, everyone exclaimed, Long Xiaolin’s evaluation of Lin Kai can be said to be very high.

“Thank you Chief!”

“Well, let me announce the first place in this exercise!”

“The first place in this exercise is the Wolf Squadron from the Southeast Military Region!”

“Lin Kai of Wolf Warriors Squadron has 1,100 points! Liu Wanjin has 300 points, Xiaojing has 300 points, and the other players all have 100 points.”

“The second name is the Flame Commando. The captain Huyan scored 1,400 points and the other team members scored 100 points.”

“The third is the Ice Special Team. The captain has 400 points and the other players all have 100 points.”

Hu Yan eliminated more people than Lin Kai. That was because they were a team and all gave up their heads to Hu Yan.

Although Lin Kai had fewer people eliminated than Hu Yan, his teammates were up for grabs.

Therefore, the average score of the Wolf Squadron is higher than that of the Fire Commando.

“Lin Kai, I grant you the Medal of the Strongest Recruit, and I hope you can become the top soldier of China as soon as possible!”

After that, Long Xiaolin took out a shining medal with both hands and personally put it on Lin Kai.

Chapter 355: Strengthen

Chapter 355

After the medal was put on Lin Kai’s chest, there was a round of applause.

Later, Long Xiaolin looked at the other members of the Wolf Squadron.

“You performed very well in this exercise, so I awarded you the Warrior Medal!”

After all, Long Xiaolin personally put on the medals for several other members of the Wolf Squadron.

There was another round of applause.

The special soldiers of the Yanjing Military Region had an envy in their eyes, with a hint of jealousy.

After awarding the medal, Long Xiaolin said some nonsense.

About twenty minutes later, Long Xiaolin said: “Well, it is officially disbanded! The captains of the teams will bring them back!”

“Yes!”

At this time, Long Xiaoyun appeared quietly, took Lin Kai and others, and returned to the Wolf Wars base.

After returning to the wolf base, everyone breathed a sigh of relief, threw down their equipment and screamed wildly.

The exercise time of the day yesterday suppressed them badly. Their mood was to fall from the peak to the bottom of the valley, and then back to the peak from the bottom of the valley.

When the fat man took the lead, the crowd waited to pick up Lin Kai and threw Lin Kai into the sky.

“Captain! You are amazing!”

“Captain, this time without you, our Wolf Warrior Squadron would not have won!”

“Hahaha! One dozen nine, the captain is awesome!”

...

After a burst of joy and laughter, everyone felt tired. They didn't have a good rest last night, and Lin Kai also let them take a morning break to let them rest in the morning.

After everyone dispersed, Lin Kai returned to his room.

Lin Kai was quite excited.

Because his attribute points and upgrade points have already arrived!

That's two hundred and twenty upgrade points and two hundred and twenty attribute points!

Eliminate one person, you can get 20 upgrade points and attribute points.

Lin Kai eliminated ten people in total, among which Hu Yan belonged to the boss-level character. Eliminating him would get a 40-point reward.

In other words, Lin Kai posted it now!

Adding a 220-point attribute point, Lin Kai's strength is definitely raised to the next level!

Lin Kai decided to increase speed, reaction, and physical strength to 200 points!

There are still forty points left, all of which are added to strength, that is to say, all of Lin Kai's attributes, except for defense, are all 200 points!

After adding some points, Lin Kai felt that his bones and body had begun to change slightly.

Lin Kai knew that he would suffer another inhuman torture.

...

After half an hour, Lin Kai sweated all over, and Lin Kai's attributes had been upgraded to a new level.

Lin Kai's various attributes can be said to be very optimistic.

As for the upgrade points, Lin Kai decided to stay still, waiting to upgrade his silver skills to gold skills.

After adding some points, Lin Kai went to the bathroom, took a shower, and went back to bed to catch up.

In the afternoon, after Lin Kai got up to eat, assembled the special forces of the Wolf Squadron to continue training.

In the evening, go back to the dormitory to rest.

The next day, Lin Kai received good news.

As the Wolf Warriors squadron performed well in this exercise and won glory for the Southeast Military Region, He Zhijun was very happy, so he decided to release all members of the Wolf Warriors squadron for a one-day vacation!

And the Wolf Squadron successfully upgraded from the c-level special forces to the b-level special forces.

Everyone is happy.

On the second day, the special forces of the Wolf Squadron did not plan to leave the Southeast Military District.

Because the one-day vacation is too short and there is not enough time to go home, a trip to Jiangbei City is not enough trouble.

So everyone unanimously decided to get some dishes and have a drink in the wolf base.

Lin Kai didn't have that Yaxing anymore. He came to other combat brigades in the Southeast Military Region and planned to stroll around.

When I came to the playground of other combat brigade, many soldiers were running exercises, but there were a few idle soldiers sitting in the playground chatting.

Lin Kai had nothing to do, so he leaned over.

Lin Kai was very happy when he heard what they were talking about.

"Have you heard? The rookie Wang Linkai of our Southeast Military Region is really amazing!"

"Yes, it's not just amazing? That's just abnormal!"

"This year, I have only heard about Lin Kai's heroic deeds in our military area. It is the number one and the number one again. Now, even the head of the capital has come to praise Lin Kai himself!"

"It seems that Lin Kai is another Ye Nantian in our Southeast Military Region!"

Four or five soldiers sat chatting together, and Lin Kai listened with gusto.

They were chatting, and saw a tall and thin soldier approaching from not far away.

This soldier has dark skin and looks like a black man, with thick eyebrows and big eyes. His name is Zhang Zhanxiang.

After seeing Zhang Zhanxiang coming, the four or five soldiers hurriedly stood up to greet them with a very respectful attitude.

"Yeah, Brother Zhang is here? Please sit down, please!"

The crowd surrounded Zhang Zhanxiang and greeted Zhang Zhanxiang.

And Zhang Zhanxiang looked high from the beginning to the end, looking at the rank, he was just a lieutenant, and his style was not small.

"What are you talking about?" Zhang Zhanxiang asked.

The others laughed and said, "Hey hey, I didn't say anything. It's not about your cousin Lin."

Cousin?

Lin Kai cheered up at the time. When did he have such a cousin?

When Zhang Zhanxiang heard this, he became interested and said, “Hahaha, have you all heard about my cousin? Yesterday, my cousin told me in person that he faced Huyan and the nine of them, and he didn’t persuade him at all. With only ten moves, Hu Yan and the nine of them were brought down!”

“What SS-level special forces are all younger brothers!”

Chapter 356: My Cousin Is Lin Kai

Chapter 356 My Cousin Is Lin Kai

After listening to Zhang Zhanxiang’s words, the others also looked expectant.

“How powerful? Tell us, how did your cousin defeat Lei Zhan?” a strong man urged.

Zhang Zhanxiang rolled up his sleeves, and the stars flew randomly: “Tell you, my cousin’s strength is not covered.”

“It’s too late and it’s fast, I saw Hu Yan pounced on my cousin like a tiger!”

“And my cousin didn’t move on the spot, and with just one palm, he slapped Tiger Flame out ten meters away!”

“At that time, Hu Yan was beaten to vomit blood, and he still worshiped my cousin as a teacher in public!”

What Zhang Zhanxiang said was vivid, and it really looked like that.

When everyone heard it, they showed an expression of worship.

“The rookie king is amazing!”

“Yes, Brother Zhang, I heard that your cousin is not only the rookie king, but also the son of Lin’s family. It has something to do with many heads of our Southeast Military Region. Lin Kai is your cousin. You will have to rely on you for more guidance in the future. what!”

When Zhang Zhanxiang heard this, he patted his chest: “No problem, brother, can I cheat you?”

“It’s just that my brother’s money is a bit tight recently...”

Zhang Zhanxiang said with a look of embarrassment.

But Zhang Zhanxiang immediately waved his hand: "Don't get me wrong! I'm not asking you for money, or I recently wanted to buy something to give to my cousin. I figured out my own way. You must not help me with the money!"

After listening to Zhang Zhanxiang, how many people can still sit still?

This is a great opportunity for Bajielin!

"Brother Zhang, what are you talking about? Brother Zhang is in trouble, brothers must help! I'll give three hundred!"

"I pay five hundred!"

"I pay a thousand!"

After listening to them, the expression on Zhang Zhanxiang's face was a triumph.

Two thousand yuan is in hand.

Lin Kai watched silently, good fellow, this Zhang Zhanxiang used his reputation to bluff and deceive in the military area!

Also pit their money!

At that time Lin Kai couldn't sit still: "Hey, I said brother, you said Lin Kai is your cousin, is there any evidence?"

When Lin Kai spoke, everyone looked at Lin Kai in unison.

Zhang Zhanxiang raised his eyebrows: "Who are you? What is your business?"

"Lin Kai is my cousin, what kind of evidence do you want? Would you like to go with me to the Wolffighter Brigade to recognize it? I will let my cousin hammer you to death!"

Zhang Zhanxiang's attitude is very arrogant.

Several other people looked at Lin Kai with disgust: "Yes, what's up with you?"

"Brother Zhang's cousin is Lin Kai, the entire combat brigade knows."

"Yeah, now Lin Kai is a hot character in our Southeast Military Region, I advise you not to be unhappy!"

Lin Kai laughed when he heard it, "Do you know what Lin Kai looks like?"

What does Lin Kai look like?

Everyone looked at each other, they really didn't know this.

Although Lin Kai's deeds spread throughout the Southeast Military Region, few have actually seen Lin Kai.

Zhang Zhanxiang showed an impatient look at this moment: "I said major, I think your rank is not low, you don't want to pass me and meet my cousin Lin Kai?"

"I tell you, it is okay, but please don't affect my mood. I will take you to my cousin Lin Kai when I am happy."

"At that time, it won't be a problem what you want to get a full-time job through my cousin."

"The premise is that I have to be happy!"

After Zhang Zhanxiang said, he rubbed his fingers intentionally or unintentionally.

The meaning is obvious, ask for money!

"Are you Lin Kai's cousin?"

"of course!"

"Then why didn't you get an officer through Lin Kai? Why are you still a lieutenant?"

As soon as Lin Kai's question came up, everyone suddenly realized, yeah!

Zhang Zhanxiang seemed to have already thought about how to deal with this problem. He replied: "I am a person, I have no advantages, but I like Zhang Zhanxiang to fight for what I want with my own strength, and don't want to rely on my cousin."

"But everyone is brother, it doesn't matter to help you."

As soon as Zhang Zhanxiang's words came out, they dispelled the doubts in the hearts of those few people.

"Brother Zhang is ambitious!"

"If I had such a cousin, I would have been floating!"

"Wait for Brother Zhang, I will withdraw the money for you now."

With that said, the soldiers were leaving.

But Lin Kai came to them and stopped them: "He is a liar, haven't you seen it?"

After hearing what Lin Kai said, they stopped, and a big soldier asked, "You said Brother Zhang is a liar, what evidence do you have?"

Lin Kai patted his chest and said, "Because I am Lin Kai, I have never been such a cousin!"

After hearing what Lin Kai said, the scene was silent for a few seconds.

Then there was a burst of laughter, and the few people were amused by Lin Kai's words.

"Hahahaha! What did you say? You said you were Lin Kai?"

"I really laughed at me, bragging and not drafting, Brother Zhang, he said he is Lin Kai, don't you know your cousin?"

"This person still wants to pretend to be the rookie Wang Linkai? It's really looking for death. If you let Lin Kai know about this, you can drive him out of the army in one sentence!"

Everyone laughed.

No one believes that Lin Kai is Lin Kai!

Zhang Zhanxiang laughed too. He used Lin Kai's name to slander and deceive in the army for a long time, but the first time he met someone who pretended to be Lin Kai!

"Just you? You are so tender, do you know what Lin Kai looks like?"

"Lin Kai, it's one-meter-eight, with a wheat-colored skin and a burly figure, just like Tyson, but you're as thin as a monkey, you say you are Lin Kai?"

"Stop kidding, okay?"

"boast!"

Zhang Zhanxiang said with disdain.

In the consciousness of everyone, Lin Kai can fight so well, he must be very burly.

At least it is robust.

Lin Kai looks so thin, it is impossible to be the rookie Wang Linkai!

So they all think that Lin Kai is a fake!

“You said you are Lin Kai? Please show evidence to prove that you are Lin Kai!” Zhang Zhanxiang shouted.

His expression was a complacency, he was making things difficult for Lin Kai, dare to impersonate Lin Kai? You are still tender!

As Zhang Zhanxiang screamed, everyone around him gathered around, staring at Lin Kai.

And Zhang Zhanxiang also rolled his eyes at this time and shouted: “Brothers, this man says he is Lin Kai! Newcomer Wang Lin Kai!”

After listening to Zhang Zhanxiang’s words, Lin Kai immediately transformed into an animal in the zoo. The one surrounded was a three-story inside and three outside.

Everyone showed a look of disbelief.

“Just him? Still Lin Kai?”

“Dare to pretend to be the rookie Wang Linkai? You want to die? In the Southeast Military Region, who doesn’t know Lin Kai’s name? This kid pretends to be Lin Kai and doesn’t look at his own virtues!”

“Lin Kai’s figure is a strong one. Looking at this kid, he is as thin as a monkey.”

“Call the regiment commander directly and ask the regiment commander to kick this trash posing as someone else out of the army!”

Chapter 357: Please Prove That You Are Yourself

Chapter 357 I’m Sorry

Lin Kai never expected that one day someone would question his identity.

Isn’t he Lin Kai?

Lin Kai was treated like an animal at this time, surrounded by three inside and outside.

There was a gleeful smile on that Zhang Zhanxiang’s face.

Boy, fight with me, you are so tender!

Zhang Zhanxiang is an expert among liars, otherwise he would not have been exposed for so long.

He could tell at a glance whether the other party was lying.

It must be that the kid in front of him was jealous when he saw that he was making money, so he wanted to impersonate Lin Kai in order to make a fortune.

But he does not look at his own virtues.

Do you think you can impersonate Lin Kai with the rank of major?

impossible!

At this moment, Zhang Zhanxiang stood up: "Look, everyone! This person says he is Lin Kai!"

"Isn't this a big real liar?"

"Who doesn't know, Lin Kai is the rookie king of our Southeast Military Region, and the hero of our Southeast Military Region!"

"Even Lei Zhan is afraid of Lin Kai."

"Lin Kai even beat nines yesterday, which became the legend of our Southeast Military Region's undefeated. The head of the capital personally wore the medal for Lin Kai."

"And this little white face actually said that he is Lin Kai, a big liar posing as a hero of our military region, do you think you should fight or not?"

A few words from Zhang Zhanxiang immediately pushed the atmosphere to its climax!

Now Lin Kai is the idol of the whole people. I heard that Lin Kai is not only strong, but also handsome, and his family is good. He has become the prince charming in the hearts of girls.

Many male soldiers also worship Lin Kai.

Now that a little white face jumped out to pretend to be Lin Kai, this is undoubtedly annoying!

At that time, a scream sounded.

"Must fight!"

"It's not a pity to kill such a scum!"

"Dare to pretend to be my idol Lin Kai, you don't take a **** and take a picture of yourself!"

...

At this moment, Lin Kai was surrounded by a spit of stars, and the surrounding soldiers pointed at Lin Kai and cursed.

When the playground became so lively, the officers of the military district immediately noticed it.

I saw a burly officer who looked like a major in his rank, and came over in stride.

“What are you doing? What does it look like on the playground?” the major scolded loudly.

As soon as the major appeared, the lively scene immediately fell silent.

Everyone voluntarily gave up a path and let the major in.

After seeing the major, Zhang Zhanxiang’s eyes lit up, and he stepped forward with a pleased smile: “Captain Zhang.”

Good guy, this major is actually a battalion commander.

Commander Zhang Ying held his hands behind his back, looked at the crowd with a serious face, and asked, “What are you arguing about here?”

Zhang Zhanxiang rolled his eyes, pointed at Lin Kai, and showed an angry expression: “Commander Zhang, someone is posing as a great hero in our military area!”

“Big hero?” Camp Commander Zhang just thought for a while before blurting out two words: “Lin Kai?”

Zhang Zhanxiang nodded: “Yes, it’s Lin Kai!”

“it’s him!”

Zhang Zhanxiang pointed at Lin Kai and said angrily: “He actually said he was Lin Kai!”

“If Lin Kai hadn’t been my cousin, everyone would have been deceived by him.”

“This person looks white and pure, and his military rank is so high. If I hadn’t seen through his deception, I don’t know how many people would have been deceived by him!”

Zhang Zhanxiang looked angry and, intentionally or unconsciously, revealed that Lin Kai was his cousin.

Sure enough, as soon as Zhang Zhanxiang’s words came out, everyone looked at Zhang Zhanxiang.

Is he Lin Kai's cousin?

Even Commander Zhang gave Zhang Zhanxiang a high look: "Little brother, you said your cousin is Lin Kai?"

When Camp Chief Zhang spoke, his tone became cautious.

Zhang Zhanxiang's heart is very proud, what he wants is this effect, he just lets others know that his cousin is Lin Kai!

And the little white face in front of you, you want to impersonate Lin Kai, is still too tender, I have been a liar for so many years, I can see through your low-end tricks at a glance!

"Yes, my cousin is Lin Kai, can I not know what my cousin looks like? This person is a fake!"

When Camp Commander Zhang heard this, he had a count in his heart. At that time, he pointed at Lin Kai and said angrily: "Okay, you are so brave, even the military area heroes dare to impersonate, what else do you have to say now?"

Lin Kai had a dumbfounded expression, and said helplessly: "Campaign Zhang, right? I really am Lin Kai!"

"Why do you prove that you are Lin Kai?" Zhang Ying Chief asked.

Lin Kai was also speechless for a while, so he has to prove that he is himself?

At that time, Lin Kai was helpless: "Let's do this, you call He Zhijun and ask him to handle this matter."

When Lin Kai's words came out, there was silence around him.

Not long after, a burst of laughter broke out.

Everyone laughed, and Zhang Zhanxiang laughed loudly!

"Hahahahaha! Are you kidding me? You actually want to call Brigadier He over?"

"Brigadier He, that's the commander of the Special Operations Brigade! Let's not say that Brigadier He will not come to our ordinary combat brigade. Even if you come, are you eligible to meet?"

"It's funny to see Brigadier He too!"

...

Commander Zhang was also amused by Lin Kai's words: "I said your rank is not small, and your tone is not small!"

"Even if you have a high rank, you can't pretend to be a military hero!"

"You can't survive a regiment-level officer, I, Zhang Daying, must expose you, a big liar, for the military region today!"

"Come on, take it away first!"

Commander Zhang gave an order, and two "enthusiastic soldiers" immediately appeared, trying to take Lin Kai away.

But at this moment, only a roar of cars was heard, and two jeeps were driving past the playground.

The last two cars stopped beside the crowd, the car door opened, and only two people got out of the car.

As soon as these two people appeared, everyone gasped. They were two big men!

One is the brigade commander of the combat brigade, He Dayong, and the other is the brigade commander of the special operations brigade, He Zhijun.

Behind them, the orderly soldiers, with notebooks and pens, seemed to come to inspect by the combat brigade.

They also saw the crowd on the playground at a glance. He Dayong frowned. Today is the day when He Zhijun visited their combat brigade. Why was the playground crowded?

"What's the matter with you?" He Dayong asked, pointing at Camp Chief Zhang.

Commander Zhang Ying saw that the chief was coming, and ran up to He Dayong at that time.

"Brigade Commander He, this is the case. There is a major who said he is Lin Kai. We suspect that he is impersonating." Camp Commander Zhang answered truthfully.

"Pretending to be Lin Kai?" He Zhijun frowned. Lin Kai is his soldier, he is very familiar with Lin Kai.

"Take me to see."

Chapter 358: Who Told You That He Was Impersonating?

Chapter 358 Who Said To You That He Is Impersonating?

He Zhijun became interested at that time.

Dare to impersonate Lin Kai?

He wanted to see where it was sacred!

Lin Kai can be described as He Zhijun's most proud special soldier, and Lin Kai's growth rate is beyond He Zhijun's imagination.

If anyone dares to pretend to be Lin Kai and pretend to be in the army, He Zhijun will definitely make him unable to eat!

But the lively scene is now quiet.

Everyone voluntarily gave up a path and let the two brigade commanders walk in.

As soon as Zhang Zhanxiang saw that the two brigade commanders had come, he knew that his opportunity to perform had arrived.

I saw Zhang Zhanxiang stand up and said to Lin Kai sadly: "This comrade, there are thousands of roads, why do you choose the darkest one?"

"Look at you, the rank of major, at a young age, the future is bright!"

"You can't pretend to be Lin Kai just because you are jealous that Lin Kai is a military hero!"

"Now that I regret it, it is still too late. The army family can accept you after the confession!"

At that time, Zhang Zhanxiang was just like **** was reborn, his whole body glowing.

And his expression was also very good, as if he really felt worthless for Lin Kai.

Even He Zhijun glanced at him more.

Everyone looked at Lin Kai, with a gloating look in their eyes.

Dare to impersonate Lin Kai? This time, you are done!

Because He Zhijun is here, He Zhijun has always been jealous of evil, and if you dare to pretend to be his soldier, He Zhijun will definitely not let you go!

He Zhijun passed through the crowd, and he saw Lin Kai at a glance.

After seeing Lin Kai, he was stunned, impersonating Lin Kai?

Isn't the person in front of him just Lin Kai?

At that time, I saw Battalion Commander Zhang approaching He Zhijun and said, "Brigade Commander He, he is impersonating Lin Kai!"

Chief Zhang said, staring at Lin Kai fiercely.

And Lin Kai saluted He Zhijun at this time, saying: "Hello brigade commander."

He Zhijun nodded and looked at Camp Commander Zhang: "Who told you that he is an impersonator?"

As soon as this sentence came out, Chief Zhang was silly.

He Zhijun's words meant that he was not an impersonator? Is he the real Lin Kai?

At that time, the scene was silent.

And the smile on Zhanxiang's face also began to freeze, isn't he an impersonator?

impossible! This kid is so young and looks so good, like a big girl, can he be Lin Kai?

Can he be the hero of the military district?

"I..." Chief Zhang Ying could not answer for a while.

He Zhijun came to Lin Kai's side and smiled amiably at Lin Kai. The aunt's smile made everyone present get goose bumps.

Now Lin Kai is the treasure in He Zhijun's hands. It can be said that he is holding it for fear of falling, and it is afraid of turning.

At that time, He Zhijun introduced to everyone very solemnly: "Let me introduce to everyone, he is Lin Kai, the hero of the Southeast Military Region, and the captain of the Wolf Squadron!"

As soon as He Zhijun's words came out, the scene was completely quiet.

Everyone stared at Lin Kai in unison.

He is actually Lin Kai!

The faces of the people who pointed at Lin Kai's nose just now turned red.

It turns out that he is not an impersonator. He is the real Lin Kai. It seems that Lin Kai is really the same as the rumored one, he is really handsome!

Chief Zhang is stupid, is he Lin Kai? Is he a military hero? Is he the hero praised by the head of the capital?

It is ridiculous that I questioned his identity just now. It seems that in the eyes of others, I am a joke!

The people who laughed at Lin Kai just now were blushing, bowed their heads, and were afraid to speak.

Zhang Zhanxiang is naturally the heaviest.

He kept saying that Lin Kai was his cousin, and in front of so many people, he harmed Lin Kai in front of him, saying that he was an impersonator.

But he didn't even know that the little white face in front of him was his cousin!

At that time, Zhang Zhanxiang's face turned red with a single brush, and he was blushed by himself.

Actually, in front of Lin Kai, he said that Lin Kai was his cousin, and also said that he could help Lin Kai find a job with his cousin.

This is too slapped!

Seeing that He Zhijun showed respect to Lin Kai, Zhang Zhanxiang understood that it seemed that Lin Kai really had a strong background in the army, just like the rumored one.

It's over...

On Zhang Zhanxiang's forehead, cold sweat broke out at that time.

I pretended to be Lin Kai's cousin and bluffed and deceived in the army. Now I was caught upright. Even the two brigade commanders were on the scene. I was completely finished!

In the army, cheating is bigger than that!

Is to be expelled from the military!

At that time, Zhang Zhanxiang's intestines were all regretful.

You must know that his family's conditions are not good, and his parents sent him to the army because he has a history of stealing things.

And he finally mixed up as a lieutenant in the army, and now it is good, returning to the pre-liberation overnight.

If his parents knew, they wouldn't have to take a broom and knock themselves out of the house!

He Zhijun asked suspiciously at this time: "Comrade Lin Kai, why do they say you are an impersonator?"

After this sentence, Lin Kai looked at Zhang Zhanxiang and smiled playfully.

"Brigade Commander He, someone pretended to be my cousin and cheated in the army, and was hit by me. I said I was Lin Kai. No one of them believed."

After hearing Lin Kai's words, He Zhijun went wild!

OK! Cheating in the army!

"Who is it?" He Zhijun said in a bad tone.

When He Dayong saw He Zhijun's anger, his heart was cold.

Who? Dare to stab Louzi at this knot!

Everyone looked at Zhang Zhanxiang.

Lin Kai came to Zhang Zhanxiang and asked with a smile, "Are you my cousin?"

The cold sweat on Zhang Zhanxiang's brain fell instantly, and he stammered: "Misunderstanding...misunderstanding..."

"Misunderstanding?" Lin smirked, "Hehe, this is not a misunderstanding. I don't remember having a cousin like you."

He Zhijun has now figured out the matter.

Lin Kai is his treasure, who dares to fight Lin Kai's idea, he will never spare him lightly!

"He Brigade Commander." He Zhijun said in a bad tone.

"Yes." He Dayong promised, wiping his sweat.

Even if they are both brigade commanders, He Zhijun is the brigade commander of the special operations brigade, and he holds huge real power in the Southeast Military Region.

Therefore, he, the brigade commander of the combat brigade, also has to look at his face.

“This person used the name of a military area hero to cheat in the army. According to the regulations, you should know what to do?” He Zhijun asked.

He Dayong nodded repeatedly: “I know.”

“According to the regulations, this kind of person must be removed from the military.”

After listening to He Dayong’s words, Zhang Zhanxiang’s cold half-hearted instantly became cold, and with a plop, Zhang Zhanxiang collapsed on the ground, completely dumbfounded.

Unexpectedly, when the ship capsized in the gutter, this little white face was really the new king of the Southeast Military Region!

Chapter 359: Must Do Task

Chapter 359

“What’s your name?” He Dayong asked sharply.

Zhang Zhanxiang’s voice trembled: “I...My name is Zhang Zhanxiang...”

“Zhang Zhanxiang? Very well, you have been expelled from the military. Go back and pack your things and prepare to leave the Southeast Military Region!”

As soon as He Dayong’s words came out, Zhang Zhanxiang was shocked.

“No! Brigadier He, Lin Kai, I beg you, give me a chance...”

Zhang Zhanxiang’s begging for mercy must be useless.

He Zhijun and Lin Kai will not let go of bad guys.

At this time, Zhang Ying on the side sweated, and his heart was also very nervous.

You know, he just helped Zhang Zhanxiang scold Lin Kai.

It’s alright now, Zhang Zhanxiang has been taken away, his fate will not be the same as Zhang Zhanxiang?

Lin Kai glanced at Battalion Commander Zhang and said faintly: "Commander Zhang, as an officer, I hope you have the ability to discern right and wrong."

"With his few words, you would rather believe that his cousin is Lin Kai than I am Lin Kai."

"At this point, you must do a deep review."

Lin Kai reprimanded Camp Chief Zhang like a junior.

And Chief Zhang did not dare to say no words, and nodded: "Yes, yes..."

"Okay, there's nothing to watch, everyone is gone!"

After Lin Kai drove away everyone around him, he had a few conversations with He Zhijun before returning to the Wolf Warrior Squadron.

One day's holiday passed quickly, and in the following days, the Wolf Warriors squadron received top-level training and education.

As a B-level special force, the Wolf Warriors Squadron has received top-notch education and training in the entire Southeast Military Region, and its equipment is also the most advanced.

This is the envy of many special forces.

In a blink of an eye, the time came to September, and Jiangbei in September felt a little cold.

The weather is not so hot, and the military area is much cooler. What I hear every day is the sound of the wind beating against the leaves.

After training every day, Lin Kai and his comrades lay on the grass, blowing the cool breeze, watching the leaves shake, and the days were very fulfilling.

Until this day, Lin Kai received a call from Tan Xiaolin, asking Lin Kai to rush to the base of the Phoenix Women's Special Forces.

After receiving the order, Lin Kai brought his own equipment and came to the base of Fire Phoenix.

Lin Kai was dumbfounded when he entered the office.

In the office, several female soldiers of Fire Phoenix stood in a row, and they were not wearing military uniforms!

The savage and savage Ye Cunxin was wearing a pair of jeans and a blue jacket on her upper body, which was casual and seductive.

The hot body Shen Lanni was wearing a one-piece miniskirt, and her beautiful white legs made Lin Kai almost bleed.

The quiet He Lu wore a decent little suit with a dignified atmosphere.

Everyone, the lady Tang Xiaoxiao, dressed and dressed all revealing luxury!

The devil's figure, Ouyang Qian, is even more boldly exposed.

The petite but very cute Qu is more like a loli than Ah Zhuo.

Tian Guo is very cute today. She wears a pink dress and a pair of crystal sandals on her feet, just like a sister next door.

In the end, it was An Ran who was perfect in all aspects, but it was also the woman Lin Kai most didn't want to see.

After seeing this scene, Lin Kai was dumbfounded, and the female soldiers also laughed out loud.

"This idiot, I'm dumbfounded, hahaha!" Tian Guo smiled.

"What are you?" Lin Kai was confused.

The bold Ye Cunxin molested Lin Kai: "Of course it is to choose a wife for you! Now the army uniformly distributes wives to outstanding male soldiers, you should choose one soon!"

Lin Kai couldn't laugh or cry after hearing Ye Cunxin's words. How could there be such a good thing?

"Okay, stop making trouble." Tan Xiaolin stood up, and the office was immediately silent.

Tan Xiaolin is the instructor of Fire Phoenix, and the relationship with Fire Phoenix is the same as the relationship between Wolf Warrior and Long Xiaoyun.

"Lin Kai, after receiving an urgent task, you need to select a female soldier to perform the task in Jinling."

"This time the mission is very dangerous. You need to disguise and alias to get close to a suspected drug crocodile."

“The police have been paying attention to him for a long time. There are various signs that he is a drug dealer, but the police have no clear evidence.”

“So this time your task is to pretend to be a rich second generation and approach him. Because of reliable news, the target persons financial chain has been broken. You have to make him completely trust you and ask you to conspiracy drug trafficking. In this way, the evidence is solid, and the police can immediately start an arrest!”

Tan Xiaolin told the story in one breath.

After Lin Kai listened, he understood.

“I don’t understand a little bit, why let me as a recruit go? If you want to pretend to be a rich man and approach the target mission, wouldn’t the veteran special forces be better? I am so young, will it give people a naive feeling?”

After hearing Lin Kai’s words, Tan Xiaolin shook her head.

“No, the target person is very cunning. The more old-fashioned he is, the more cautious he will be. On the contrary, the younger the person, the more likely he will be unable to bear the temptation of money.”

“So what you have to show is the prodigal and rich second generation, a rich second generation who is desperate for success!”

“The most qualified person in the entire Southeast Military Region is Lin Kai.”

“First, you Lin Kai is a real rich second generation.”

“Second, if you Lin Kai didn’t wear a military uniform, no one would doubt that you were a special soldier.”

“Third, you are the strongest among the young soldiers!”

After hearing Tan Xiaolin’s words, Lin Kai knew that he had to go for this mission!

“Understand, I don’t need to choose female soldiers, I can do it alone.”

“No, you need it.” Tan Xiaolin retorted Lin Kai again.

“You know the life of a rich person. If you don’t have a woman by your side, they will definitely arrange a woman in your room. Will you be or not?”

“I’m in, violating discipline, not in, I’m suspected.”

Lin Kai couldn’t laugh or cry at this time, Tan Xiaolin was really thoughtful.

At that time, Lin Kai scanned a group of female soldiers, and saw that these female soldiers stood up and raised their heads, all attracting Lin Kai's attention.

Finally, Lin Kai chose Tian Guo.

"Just you, little girl."

"Hehehe, I knew that Brother Lin Kai would choose me!" The little girl jumped up happily.

The faces of other female soldiers showed disappointment, especially An Ran.

"Okay, get ready and leave in the afternoon." Tan Xiaolin said.

"Yes!"

...

In the afternoon, Lin Kai and Tian Guo boarded the plane to Jinling City.

Jinling is a first-tier city, very prosperous, and has the reputation of paradise on earth.

Jinling has not only good scenery, many beautiful women, but also a very developed economy. It is a paradise for the rich.

Where there are people, there are rivers and lakes, Jinling City, and the water is deep.

At five o'clock in the afternoon, Lin Kai and Tian Guo left the airport.

Chapter 360: Restart Fitness

Chapter 360

When I arrived at the largest five-star hotel in Jinling, I opened a room and the two of them slept.

Of course, don't think about it, Lin slept on the sofa.

The next day, Lin Kai stood in front of the mirror and sorted out his suit.

At this time, Lin Kai, wearing a white self-cultivating suit, was extraordinarily handsome, with bars on the side of his head, and looked like a suit ruffian.

Tian Guo, who stood behind Lin Kai, looked very cute in a beige dress.

“According to reliable sources, Cao Wanjin will exercise at the highest-end fitness club in Jinling every evening. This is a good opportunity for us to get close to him.”

Cao Wanjin is the target person.

Lin Kai nodded: “Understand, act in the evening.”

...

In the evening, Lin Kai and Tian Guo came to the highest-end fitness club in the center of Jinling City to restart their fitness.

Jinling has no shortage of wealthy people, and the monthly fitness card for restarting fitness will cost 18 thousand!

The annual fitness card is more than fifty thousand!

If you are not for the top rich, you will never come to restart fitness.

However, there is a reason why it is expensive. As soon as you walk into the restart exercise, the beautiful welcome lady bends over to say hello.

After arriving at the front desk to restart fitness, Tian Guo was dumbfounded after asking about the annual card price.

But is Lin Kai the one who paid tens of thousands of dollars?

At that time, Lin Kai asked for his own pocket, and the two of them had an annual card!

Rich people do not apply for monthly cards.

After entering the gym, Lin Kai immediately felt what luxury was.

The temperature and humidity in the gym are just right, the fitness equipment is absolutely top-notch, and there is absolutely no crowding in the gym.

And fitness coaches have men and women, men are handsome and strong, and women are hot.

The people who come here to exercise are basically the rich and rich second-generation of Jinling City.

As soon as Lin Kai took Tian Guo into the gym, a beautiful fitness instructor greeted him.

“Welcome to restart fitness. It seems that this is the first time you two have come to restart the gym, right?” the hot female coach asked with a smile.

Lin Kai and Tian Guo both nodded and said, “Yes.”

“I will give you a brief introduction to the areas where we restart fitness. There are five areas in which we restart fitness.”

“The first area is the aerobic area. In the aerobic area, there are China's smartest treadmill, and China's most comfortable bicycle room. The dynamic music and the hot beautiful coach will take you to experience relaxation and fitness. a feeling of.”

“The yoga room is all available.”

“The second area is the strength area, the primary strength area, which can turn you into a bodybuilder with eight pack abs, just like our fitness coach.”

“The third area is the intermediate strength area.”

“The fourth area is the high-level power area.”

“The fifth area is the top power area.”

“Is there any difference?” Lin Kai asked.

The female coach replied with a smile: “That’s right, sir, I recommend you to go to the primary strength area, the primary strength area, suitable for people who have no experience in fitness.”

“Intermediate fitness strength, suitable for experienced fitness personnel.”

“The high-level strength area is suitable for bodybuilders.”

“The top strength area is suitable for fitness personnel who have reached the top of their body.”

“There are different levels of coaches in each area, sir.”

After listening to the female coach, Lin Kai smiled slightly and said, “Take me to the top fitness area.”

“Huh?” The female coach was stunned after hearing Lin Kai’s words.

Lin Kai looks so thin, the female coach estimates that Lin Kai can’t even control the primary strength area. He actually wants to go to the top strength area?

“Sir, here I recommend you to go to the primary strength area, because your body cannot withstand the training in the top strength area, it will be life-threatening.”

“I said, take me to the top strength area.” Lin frowned and said angrily.

Lin Kai didn't want to be fierce about this beauty, but there was no way. Now Lin Kai's character set is a very arrogant rich second generation!

“Okay.” The female coach severely despised Lin Kai from the bottom of her heart.

So skinny, still want to pretend?

If it hadn't been for restarting fitness and requiring service-oriented, she would have cursed.

Restarting fitness is great. The female coach took Lin to drive for three minutes before reaching the top strength area.

As soon as he entered the top power zone, Lin Kai was stunned.

I saw here, the size of the fitness coaches, everyone is as strong as Tyson!

Even if she is a female fitness coach, she is no longer a hot coach beauty, but a King Kong Barbie!

The face is beautiful, and the figure is strong, and one punch can kill a cow!

Everyone who works out here is also a strong man!

Each of them is burly in shape and scary with big pectoral muscles. At a glance, they look like a group of Hulks.

And Lin Kai and Tian Guo also became the focus of the audience at this time.

Lin Kai and Tian Guo are the only pair of people weighing less than one hundred and four in the entire top power area!

At that time, the strong men in the gym looked at Lin Kai and Tian Guo with contempt like a big bad wolf watching a little sheep.

Tian Guo's appearance was lovely and sweet. At that time, many brawny men were eyeing Tian Guo.

As for Lin Kai, they didn't take it seriously!

Those who can apply for a card here are either rich or expensive!

“Cao Wanjin!” Tian Guo whispered in Lin Kai’s ear.

Lin opened his eyes and saw that not far away, in front of two black-clothed bodyguards, stood an old man who was nearly 60 years old.

The old man is very burly, even though he is a lot of age, he is still smashing iron!

He is Cao Wanjin!

This rich man is different from all the rich men Lin Kai has seen. He is sixty years old, and he still works out and is so strong!

At that time, Lin Kai’s acting skills exploded, and Lin Kai, who had died deep in his soul, finally awakened!

At that time, Lin Kai touched his head, smiled evilly, and walked into the depths of the gym.

“Fuck, what do you look at? Look again and dig out your dog’s eyes!”

Lin Kai pointed to a strong man who had been watching him arrogantly.

That acting, that expression, that expression, all reveal that I am a rich second generation!

Lin Kai rolled up his sleeves, and a Rolex Green Water Ghost was exposed.

The brawny man looked at his watch and shrank his neck, not daring to speak.

Lin Kai came to a strong man who was lifting an iron, kicked the dumbbell in front of him, and kicked the dumbbell to the ground.

“What are you doing so strong? Go to the countryside to cultivate the land? Save it, my brother, with these two money, it’s better to go to prostitutes! Stupid!” Lin Kai grinned, and took out a box of cigarettes from his pocket. A cigarette popped out, Lin Kai grabbed it with his mouth, and flipped the lid of the kerosene lighter to ignite it.

“call”

A puff of smoke sprayed directly on the face of the brawny man.

The brawny man was angry at the time: “Who the **** are you? Are you looking for death?”

Lin Kai grinned, his expression arrogant and disdainful: “My name is Lao Tzu, Lin! Invincible! Enemy!”

Chapter 361: Real Man To Last

Chapter 361

Lin Wudi?

I have never heard of it!

The brawny man was dumbfounded.

But looking at Lin Kai's clothes, it seemed that he had a pretty big background. At that time, the brawny man could only endure this tone and didn't speak.

"Trash." Lin Kai smiled disdainfully.

Lin Kai was so noisy that many people in the gym noticed Lin Kai, including Cao Wanjin.

Cao Wanjin put down the barbell in his hand, and the bodyguard beside him wiped his sweat with a towel.

"Who is Lin Wudi?" Cao Wanjin asked.

The two bodyguards looked at each other and shook their heads.

In Jinling City, I have never heard of a rich second generation named Lin Wudi.

Lin Kai walked in the gym extremely arrogantly at a pace that his six relatives did not recognize.

But after all, this is the top gym in Jinling, so there is no shortage of top giants.

At that time, I saw a strong man with a height of 1.8 meters and violent muscles blocking Lin Kai's path.

Behind him, several strong men followed, all staring at Lin Kai with a bad look.

Everyone exclaimed: "Shao Cheng!"

"That's the Third Young Master of the Cheng Family! Young Master Cheng is worth tens of billions, this kid is done!"

"I'm so arrogant here, I don't even look at what place it is, haha."

A cynic voice sounded, and Lin Kai also looked at Cheng Shao in front of him.

Five or six strong men surrounded Lin Kai and Tian Guo.

“You kid, you’re crazy!”

“In Jinling, I, Cheng Tao, have never seen anyone madder than me!”

Cheng Tao squeezed his fists and stared at Lin Kai condescendingly.

Although Lin Kai is only one person, the arrogant energy on Lin Kai’s body smashes Cheng Tao’s eight streets!

“Then you see it now.”

Lin Kai smiled disdainfully, and vomited a puff of smoke directly on Cheng Tao’s face.

“You’re looking for a fight! Do you **** know who Shao Cheng is? Shao Cheng is the third young master of the Cheng family! Do you know the Cheng family? Jinling’s largest real estate group!”

A strong man behind Cheng Tao shouted immediately.

Five or six brawny men were already showing a look of eagerness, gearing their hands, and they seemed to be ready to teach this unaware boy.

“Noisy!”

Snapped!

Only a clear slap was heard, Lin Kai’s hand was as fast as lightning, lifting and falling, and a red slap print appeared on the face of the brawny man!

Everyone was stunned. How dare this kid do it first?

“What kind of shit, the third young master of the Cheng family, in front of me, Lin Wudi, it’s all rubbish!” Lin Kai stared at Cheng Tao with nostrils, with a look of disdain.

It’s so arrogant, it’s so lawless!

There was an anger in Cheng Tao’s heart!

As Jinling’s top rich young man, when has he been so angry?

Actually dare to hit someone first!

At that time Cheng Tao wanted to tear Lin Kai to pieces, but Lin Kai was so arrogant, maybe he really had a lot of background, for a while, Cheng Tao really didn’t dare to start.

Suddenly, Cheng Tao's eyes rolled and he smiled.

I saw Cheng Tao approaching a 100-kilogram barbell, grabbed the huge barbell, raised it twice in his hand, and showed a relaxed expression on his face.

“Forget it, don't talk nonsense with a man with a kidney deficiency, first train your body, and then have the energy to go on the battlefield at night!”

Cheng Tao's eyes were full of provocation.

He was laughing at Lin Kai!

“It's not like some people, they look thin, and they don't look like men at all. I'm afraid they are not reincarnated, right?”

“Hahahaha...”

There was a burst of laughter, and everyone in the gym laughed.

Of those present, which one does not weigh more than two hundred catties?

Lin Kai is thin, and he looks like one hundred twenty thirty kilograms. This kind of man is the most disdainful of them.

At that time, Cheng Tao's eyes were full of provocation, as if mocking Lin Kai for being a weak chicken!

Lin Kai laughed too, comparing her strength with herself?

At that time, I saw Lin Kai picked up Tian Guo with one hand and carried her on his shoulders, actually doing a squat.

Tian Guo also weighed fifty kilograms anyway, carrying a fifty kilogram girl, Lin Kai squatted very easily.

While doing it, Lin Kai sighed: “Oh, some people are really unsuccessful. They look so big, but they have the same strength as women.”

This is undoubtedly talking about Cheng Tao.

At that time, Cheng Tao dismissed a smile: “Hehe, who can do squats with a woman weighing 50 kilograms?”

“Oh?” Lin Kai pretended to be surprised, and saw Lin Kai directly cross one leg and squat with one leg!

One, two, three...

Thirty...

At this moment, I only heard the sound of the chin falling, and everyone's eyes were almost staring. How the **** was this possible?

Do a squat on one leg!

And looking at Lin Kai's appearance, it was very relaxed.

He is also carrying a fifty kilogram girl!

When Cheng Tao watched, he was surprised and angry, and his face blushed.

Lin Kai also deliberately ridiculed: "Men, it should be stable, it should be long-lasting! It's a waste of three seconds to train so strong."

"You!" Cheng Tao blushed and was angry at that time.

Squat on one leg? Still carrying weight? Cheng Tao can't do it.

At that time, Cao Wanjin in the distance looked at Lin Kai with great interest.

Lin Kai's stamina and strength can be said to be very good, and there was no sound at that time.

After doing a hundred squats, Lin Kai jumped on the spot: "It's really comfortable to warm up."

There was another silence at the scene.

Do 100 squats with one foot weighing 50 kilograms, or just warm up?

This is a **** pervert!

Where did Cheng Tao suffer this loss? At that time, I saw Cheng Tao gritted his teeth, held the 200 kg barbell, blushed, and roared, and saw that the 200 kg barbell was directly lifted by him with both hands!

"It is good!"

At that time, there was a round of applause, and the strong men in the entire gym clapped their hands. It was not easy to be able to lift a 200 kg barbell!

With a bang, the barbell was thrown to the ground by Cheng Tao.

I saw Cheng Tao look at Lin Kai with a smug look: “The two hundred kilograms of barbell, warm up!”

There was a burst of laughter around, and everyone looked at Lin Kai provocatively. Isn't your boy physical?

You have the ability to lift a 200 kg barbell!

Lin Kai came to the 200kg barbell, looked at it, and grabbed the barbell with one hand.

Everyone's eyes widened, what does this kid want to do?

He wants to lift the barbell with one hand?

Cheng Tao laughed out at that time: “Fool, I still want a hand...”

Before Cheng Tao had finished speaking, his eyes almost came out!

I saw Lin Kai easily lift the 200 kg barbell with one hand, and the 200 kg barbell in his hand seemed to be a 5 kg gadget.

Lift up, put down, lift up, put down...

After lifting a dozen, Lin Kai dropped the barbell with a bang.

“What kind of shit? It's not as heavy as toilet paper in my toilet!”

Chapter 362: Lin Wudi

Chapter 362: Lin Wudi

The strong man in the entire top power area was stunned.

Even the fitness coach opened his eyes wide.

This is simply impossible!

Lifting a 200 kg barbell with one hand?

Can it last so long?

This is probably the power of the Hulk, right?

A fitness trainer did not believe in evil, and he also came to the 200 kg barbell and lifted the barbell with one hand.

But he used his own strength to breastfeed, and he couldn't make the barbell move any minute!

What kind of perverted force is this?

Lin Kai's body looks so thin and weak, with only a weight of about 130 kilograms. He actually lifted a 200 kilogram barbell?

Still a hand!

This kind of performance, I am afraid, can sling any weightlifting champion, right?

Even Cao Wanjin looked at Lin Kai a few more times, and there was an expression of admiration in Cao Wanjin's eyes.

Cheng Tao was speechless at this moment, what else could he say?

Laugh at each other's weakness?

The opponent is so small, but he has more strength than his own brawny who has been training for three years!

For a while, Cheng Tao's face flushed.

Lin Kai looked at Cheng Tao with a look of disdain: "Are you taking it? Rubbish!"

"I'll take you uncle!" At this time, Cheng Tao finally couldn't help it, he broke out!

I saw Cheng Tao punch Lin Kai's face, and the strong men behind him rolled up their sleeves and rushed towards Lin Kai!

For a while, six or seven people surrounded Lin Kai and greeted him with their fists when they came up!

There was a crazy look in Cheng Tao's eyes. Isn't your kid strong?

But two fists are hard to beat four hands, I see how you defend it!

Cheng Tao was wrong, Lin Kai would never choose to defend!

A trace of contempt flashed in Lin Kai's eyes.

Snapped!

Lin Kai squeezed Cheng Tao's fist with one hand. At that time, Cheng Tao felt as if he was being clamped by a vise. No matter how hard he tried, his hand couldn't come back.

"Today, I will teach you how to be a man, Lin Wudi!"

Lin Kaixie laughed, raised his palm, and pulled his big mouth up!

Snapped!

Snapped!

Snapped!

The applause continued, and Cheng Tao's face was quickly swollen into a pig's head.

The cheeks on both sides were high and swollen, even if his father met him, I am afraid he would not recognize this as his son.

The brawny men behind Lin Kai just greeted Lin Kai, but they found that Lin Kai's body seemed to be beaten with iron, and he didn't know it hurts!

A brawny man used dumbbells to smash Lin Kai's head, but there was a bang, Lin Kai froze nothing!

And Tian Guo, like Lin Kai's younger sister, stood aside and applauded Lin Kai.

"Brother Lin Kai is great! Brother Lin Kai, come on!"

Everyone was stunned, who is this Lin Wudi? It's so crazy!

Even the third young master of the Cheng family dare to fight!

After a dozen slaps, Lin Kai threw Cheng Tao to the ground, turned around, and caught a strong man who was attacking behind him.

"Dare to hit me? I, Lin Wudi, will let you know why the flowers are so red today!"

Snapped!

Snapped!

Snapped!

There was another applause.

Three minutes later, the seven or eight strong men had fallen to the ground, and their faces were all swollen into pig heads.

All have lost the ability to fight.

But Lin Kai was unscathed, not even a single hair fell off.

The whole gym was silent, and everyone was shocked by Lin Kai's strength.

One dozen six or seven? Lin Kai actually won when his weight was not at the same level!

Is this person a pervert?

Even if Tyson comes over, I'm afraid I can't kill these six or seven people, right?

Everyone can lay an egg in their mouths.

But Lin Kai crouched on his waist with an arrogant face. He walked around and pointed at the brawny guys and cursed, "What about your mother? Get out!"

Afterwards, Lin Kai looked at Cao Wanjin, and Lin Kai found that Cao Wanjin was also looking at himself curiously.

At that time, Lin Kai's brain was running rapidly, and he quickly figured out a way to deal with it.

Lin Kai walked around Cheng Tao and others under his feet, with his hands in his pockets and a cigarette in his mouth, and came to Cao Wanjin.

"I said you are a lot of age, don't go home and wait for death, run the gym to dry your chicken feathers?"

"What's the matter? Are you getting old? Nothing? Hahahaha!"

"Want to strengthen yourself so that you can go home so that you can ride the battlefield? Don't dream of an old man. This thing is born. If it doesn't work, it doesn't work. Don't **** practice. Go home and wash and sleep!"

Lin Kai laughed and threw the cigarette **** on Cao Wanjin's sneakers.

The two bodyguards behind Cao Wanjin just wanted to move, but they were stopped by Cao Wanjin's hand. Cao Wanjin put on his vest and said lightly, "Let's go."

When the two bodyguards heard this, they gave Lin Kai angrily and followed Cao Wanjin out of the gym.

“Leave the old immortal!” Lin Kai smiled playfully.

Afterwards, Lin Kai looked at Cheng Tao who was kneeling on the ground, came to him, grabbed Cheng Tao’s hair, and picked Cheng Tao up.

“Kneel down, call Lord!” Lin Kai kicked Cheng Tao’s ass.

And Cheng Tao knelt on the ground with a plop at the time, Cheng Tao felt unconvinced in his heart! But he was also afraid of being beaten.

At that time, Cheng Tao’s voice was smaller than the mosquito’s grunt: “Master...”

“Be louder!” Lin Kai said angrily.

“Master.” Cheng Tao shouted again.

boom!

With one foot down, Cheng Tao was knocked to the ground by Lin Kai.

“You **** don’t understand human language, do you? Lao Tzu tells you to be louder!” Lin Kai said angrily.

“Master!” This time, Cheng Tao finally shouted.

At this time, Lin Kai showed a smile on his face and touched Cheng Tao’s head: “This is my good grandson, get out of here!”

Cheng Tao heard the words and ran out of the gym rolling and crawling.

Through his divine eyes, Lin Kai saw that at this time Cao Wanjin really walked away. He had been peeking at himself from a distance just now.

Really an old fox.

However, Lin Kai felt embarrassed to abuse Cheng Tao in this way. It seemed that he could only explain everything after the task was over.

But Cheng Tao was also looking for a fight, daring to provoke himself and being abused by himself, he also asked for it.

Lin Kai hugged Tian Guo’s waist and walked out of the gym swaggeringly.

Twenty minutes later, Lin Kai and Tian Guo returned to the five-star hotel.

The moment the door closed, Lin Kai and Tian Guo almost collapsed to the ground.

Tian Guo wiped the sweat from his forehead and looked at Lin Kai with a look of curiosity: "I said Lin Kai, I can't see it, your acting skills are great! You are acting in your true colors?"

Lin Kai was also dumbfounded.

He nodded: "Yes."

It is impossible to say that he is not acting in his true colors. There are two souls hidden in Lin Kai's body.

The reincarnation and rebirth of Lin Kai is the mainstay, and the soul of Shaolin Kai is supplemented by the young man.

It's just that the soul of the young Shaolin Kai has almost been fused by the reborn Lin Kai.

Under normal circumstances, Lin Kai wouldn't let the boyish character occupy his body.

But today, Lin Kai finally knows how arrogant the rich second generation is. Even Lin Kai himself wants to fight Lin Wudi!

Chapter 363: Buy Two Suites For Fun

Chapter 363

Suddenly, Tian Guo rolled his big eyes and asked: "Brother Lin Kai, I always think what we are almost doing?"

Lin Kai smiled slightly and said, "Of course it's a badass and a luxury car."

"As a very arrogant rich second generation, there are no dog legs and luxury cars around, is it appropriate?"

Tian Guo's eyes lit up when he heard the words, and nodded: "Yes, yes, but it's a pity that the army only gave us 20,000 yuan in funding. Renting a luxury car is probably not enough."

Lin Kai smiled helplessly: "Relying on funds, do you think we can afford to stay in a five-star hotel? Brother Kai paid for it out of his own pocket!"

"But don't worry, I have already said hello, the luxury car will arrive tomorrow!"

"Really?" Tian Guo's eyes lit up.

Lin Kai touched Tian Guo's head and said with a smile, "Of course it's true. Go to sleep."

"Yeah." Tian Guo nodded very well, and walked into the bathroom.

Soon after, Lin Kai heard a rush of water, and the bathroom door was a glass door, translucent.

Lin Kai lying on the sofa, seeing the looming shadow behind the glass door, felt a burst of blood spurting.

Ugh

He is a dignified young man from the Lin family, a newcomer to the Southeast Military Region, and he is still a virgin now!

I dont know when I will meet the person I like!

...

After a night of speechlessness, Lin Kai took Tian Guo to eat breakfast in the hotel the next day after washing up.

In the breakfast room, Tian Guo drank milk and said, "Brother Invincible, I have information. I heard that Cao Wanjin will buy a house. I think this is a great opportunity for us to get close to him!"

"Buying a house?" Lin Kai was taken aback.

Tian Guo nodded: "Yes, Cao Wanjin owns many properties in Jinling. Buying houses seems to be his hobby. Now there is a villa complex in the center of Jinling City. The name is Mingcheng Capital. The house price is said to be more than 50,000 square meters. !"

"Isn't this old boy broken in his capital chain? Why are you still buying a house?" Lin Kai asked curiously.

"Drug trafficking is huge profits! Cao Wanjin is the largest drug dealer in Jinling. He makes at least several hundred million in income for one transaction!"

"Millions to buy a suite is nothing but a drop in the bucket for him."

Lin Kai was also stunned secretly after hearing Tian Guo's words.

Drug trafficking is really huge profits!

No wonder the Chinese military and the police would go to great lengths to get close to Cao Wanjin by himself. He didn't know how many innocent civilians had been killed!

"Go." Lin Kai sneered and walked out of the breakfast room.

At this time, at the entrance of the hotel, a brand new Mercedes-Benz Maybach stopped there.

This Mercedes-Benz Maybach is naturally a luxury car that Lin Kai bought in Yanjing.

Before coming to Jinling, Lin Kai greeted the holy king and transferred the Ah Fu under his hand to use.

People in the military are definitely not usable. People in the military can easily reveal their identity.

But Ah Fu is different. Ah Fu is a native of Omen and looks like a triad.

I saw the Mercedes-Benz Maybach followed by two overbearing vehicles.

There were five brawny men on a domineering car, a total of ten brawny men.

Seeing Lin Kai coming out, the car door opened, and ten strong men stood beside Lin Kai.

They all put on suits and sunglasses. The suits couldn't hide their tattoos. The thugs were thugs, and they looked fierce in suits.

And the plane head Ah Fu stood in front of Lin Kai, and Ah Fu bowed: "Mr. Lin."

Lin Kai nodded and said, "Now my name is Lin Wudi, you have to call me the boss in the future, and drive to the capital of the famous city."

"Yes."

Lin Kai and Tian Guo got into the Mercedes-Benz Maybach, Afu drove, and three cars drove towards the capital of the famous city.

The capital of the famous city, Jinling is currently the most luxurious high-end community. Today, the sales office of the capital of the famous city is extremely lively.

Because today's housing prices in the capitals of famous cities are lower than before.

The usual house price of 53.1 square meters is only 5 million square meters today.

In the lobby of the sales office, a lot of wealthy people from Jinling came. Those who dared to buy a house here had at least one million in annual income.

At this time, a Mercedes-Benz Maybach and two Toyota overbearing stopped at the door of the sales office.

Lin Kai took Ah Fu and Tian Guo swaggeringly into the sales office.

Lin Kai's dress today is extraordinarily casual, and even a little sloppy.

A pair of black flip-flops on his feet, a pair of black beach pants on his lower body, a white half sleeve on his upper body, and a pair of sunglasses, he walked out of the unidentified steps.

And Ah Fu's appearance was originally very strange, but now with Lin Kai, two people are like killing Matt.

As soon as he entered the sales office, Lin Kai shouted: "Salesman! Get out! I want to buy a house!"

That attitude, that's an arrogance!

At that time, there were countless female salespersons in the sales office, but no one dared to approach Lin Kai.

Ah Fu also played the role of doglegs at this time: "Fuck, our boss wants to buy a house, are you deaf?"

Lin Kai's so much noise naturally attracted the attention of many people. At that time, many rich people who came to buy houses showed unhappy expressions on their faces.

"Where did you kill Matt? Dare to shout here?"

"Are these two fools?"

"Street gangsters? Haha, when are these street gangsters affordable?"

...

There was a sound of dissatisfaction.

Lin Kai sneered, ignoring the smoking prohibition sign on the side, took out a piece of Hongta Mountain, and started smoking directly.

After seeing that Lin Kai smoked Hongta Mountain, some people even laughed.

Everyone here, the lowest grade of cigarettes in the bag is King Furong, smoking Hongtashan, isn't it just being forced?

Soon after, I saw a young girl approaching Lin Kai. The girl looked very constrained. She lowered her head and said in a low voice: "Sir, you...Hello, are you here to buy a house?"

She is a new salesperson named Xiaoli.

Seeing Xiaoli going to receive Lin Kai, the old employees laughed out loud.

"Hehe, Xiaoli is still too young to accept everyone."

"Yes, the most important thing in the salesperson industry is to have vision. You can tell at a glance who can afford a house and who can't afford a house."

"These two people, at first glance, are not rich people, street hooligans."

The saleswomen discussed with each other, their voices were still very loud, and they did not care about Lin Kai.

Lin Kai didn't care, and grinned: "Take me to see the houses in your famous capital city. I'll be fine. Buy some sets for fun!"

After hearing Lin Kai's words, there was another roar of laughter from around.

"Is this guy a fool? Buy a few sets for fun? The cheapest villa in the capital of the famous city is worth six million!"

"The brain is convulsed!"

Chapter 364: Central Villa

Chapter 364

There was a burst of laughter, and Lin Kai and Ah Fu had obviously been treated as jokes.

Xiaoli looked like she was eighteen or nineteen years old, her skin was white, her small face seemed to be broken by a bomb, her eyes were watery, and she carried a childishness that belonged to a student.

She stammered and seemed nervous.

She hadn't spoken yet. At this moment, she saw a slightly older salesperson approaching.

This salesperson, who seems to be twenty-five and sixteen years old, has a nice face and heavy makeup.

She pulled Xiaoli aside and looked at Lin Kai with disgust.

“Xiao Li, how does Sister Fang teach you? As a salesperson, you must have a vision!”

“When you see those wearing suits and Rolex hands, you should hurry over and serve them. Don’t neglect the customers.”

“If you see someone wearing fancy or sloppy clothes, don’t talk to him. The sales office in the capital of our famous city has a lot of waste every day to find a sense of existence.”

This salesperson was obviously accusing Sang and Huai, she was cursing Lin Kai for being poor!

Xiaoli’s face was tangled, she wanted to introduce Lin Kai the house, but Sister Fang’s words made her a little shaken in her heart.

Xiaoli’s previous tenet was that customers are God.

Whether it is a farmer or a rich man, she will introduce the house to each other.

But Sister Fang’s remarks made her hesitate. The two obviously couldn’t afford a house. Would you like to introduce yourself?

“What the **** do you talk about? My boss came to buy a house, and this is your attitude?” Ah Fu was unhappy when he heard what Sister Fang said.

Sister Fang originally meant that Sang was insulting Lin Kai. When A Fu spoke, Sister Fang was also angry.

Seeing Sister Fang akimbo her hips, she cocked Lanhua’s finger: “Oh, what age do I say, you still have an explosive head, not like an airplane head, and not like killing Matt.”

“Look at your dress, yo, leather jacket, isn’t it cheap? It must be hundreds of pieces?”

“The two of you don’t take a **** and take pictures of your own virtues. One dressed as if you were killing Matt, and the other dressed in flip flops came here. You are a scumbag!”

“Want to buy a villa in the capital of our famous city? Let’s dream! Do you know what the cheapest house price is in the capital of the famous city? Saying it scares you to death. The cheapest one is 31,000!”

“Can you afford it? Poor, hillbilly!”

Sister Fang’s mouth was like a gun cart, and Ah Fu’s face was blushing.

Ah Fu clenched his fists, his teeth creaked. He was the first thug under the Saint King. When was he insulted like this?

Had Lin Kai not given the order, he would have pinched the old woman in front of him with one hand!

There was also a burst of laughter around.

Everyone looked at Lin Kai and Ah Fu like a fool.

Not far away, I saw Cao Wanjin put his hands in his pockets and smiled.

Next to him, there were two bodyguards. Both bodyguards were bulging around their waists. They were obviously bodyguards with guns.

Of course, the bodyguards with guns are legal. They have gun licenses.

A beautiful sales lady in front of him was introducing him to a villa.

Lin Kai’s troubles immediately attracted a lot of people’s attention, and Sister Fang was not afraid of the trouble.

Just two hillbillies, what’s to be afraid of?

The developer of the capital of their famous city, in Jinling, it is the famous No. 1 company.

Lin Kai and Ah Fu were here to make trouble at first glance. She was not afraid at all, and she was not afraid of Ah Fu hitting her. What did the security guards of her famous capital do?

There was a burst of laughter, and Lin Kai and Ah Fu were seen as animals in the zoo.

At this time, Xiaoli hesitated for a long time, she still said: “Sister Fang, you should let me show them. Even if they can’t afford it, it’s okay to have a look. I can also learn how to recommend our house to customers. “

It can be seen that Xiaoli is helping Lin out!

But Sister Fang sneered: “Hehe, Xiaoli, you are too kind. Sometimes people are too kind, which is not a good thing.”

“Be careful, you won’t have any bones left by these big bad wolves!”

Sister Fang’s words are a nasty one.

Lin Kai squinted, looked at that sister Fang, and smiled: “Hehe, do you think Lin Wudi can’t afford your house?”

“Yo-yo-yo, how about Lin Wudi? Where did you come from? In Jinling, I have never heard of that young master named Lin Wudi!”

“Even if you are bragging, you have to write a draft?”

Sister Fang hugged her arms and said sarcastically.

Lin Kai ignored her at all, but came to the sand table, and saw that the sand table was a reduced version of the capital of the famous city.

In the center of the sand table, there is a huge villa with a golf course, swimming pool and parking lot, which is very luxurious.

Lin Kai pointed to the most central villa and asked, “Just this one, how much is it?”

As soon as Lin Kai asked, there was a burst of laughter, and everyone laughed.

“Hahahahaha! I heard you right? He wants to buy a central villa?”

“The central villa, but the most expensive villa in the capital of the famous city! Not to mention the large area, it’s still very luxurious, and it’s finished with hard decoration.”

“From the time this villa was built until now, I have never seen a rich man who has the money to buy a villa here!”

There was a burst of laughter, and everyone was laughed at by Lin Kai’s words.

The capital of the famous city is very big, and the cheapest house can cost several million.

And the most central villa is the best, largest, and most luxurious in the entire famous city capital, and the price is also an astronomical figure.

At that time, Sister Fang laughed out loud with her arms in her arms: “Hehehe, do you still dare to ask about the villa here? This villa needs three hundred million yuan to be fully calculated! Do you have the money?”

“Don’t talk about you, in Jinling City, people who can spend three hundred million to buy a house can count them with one hand!”

“Do you still want to buy a house here? You can’t even buy a toilet for the toilet!”

After Sister Fang said this, a burst of laughter sounded: “Hahahahaha!”

Lin Kai smiled slightly: “Hehe, in this world, is there a house that Lin Wudi can’t afford?”

“I bought this villa!”

Lin Kaigang wanted to take out his bank card, but Tian Guo held down Lin Kai’s hand, shook his head at Lin Kai, and frowned.

Tian Guo whispered in Lin Kai’s ear: “Brother Lin Kai, it’s almost fine, we don’t need to be too involved in the show, we are acting, not really coming to buy this villa!”

Lin Kai smiled slightly and said, “Hehe, do you think I can’t afford it?”

“Not…”

Tian Guo didn’t finish her words, she saw Sister Fang walking over with her arms in her arms and rolling her eyes: “If you can’t afford it, don’t pretend to be forced. Go back to the countryside and farm!”

Chapter 365: Eighty Thirty Million

Chapter 365: Eight billion and thirty million

“I said, there is no house in this world that Lin Wudi can’t afford!”

Snapped!

Lin Kai took a picture of his bank card on the table.

Everyone glanced at it, and the four characters of Huaxia Bank came into view.

And under the Huaxia Bank, there are a few small characters, the Supreme Black Card!

Of course everyone knows what the Supreme Black Card is.

So, not long after this bank card appeared, there was another burst of laughter.

“Hahahahaha! Laughing at me! He actually took out a black card!”

“And it’s the black card of Huaxia Bank!”

“Who doesn’t know, Hua Xia Bank issued a total of 100 black cards. Black cards not only have the function of overdrafting one billion yuan, but also have much higher interest rates than ordinary bank cards.”

“And this poor man actually took out the black card? Hahaha! I’m so ridiculous!”

There was a burst of laughter, and some people were out of breath and blushed.

Sister Fang was also laughing.

“Hahahaha! You hillbilly, you really want to make fun of me!”

“Bring out the black card? Do you know what a big man can own a black card? Only a big family like the Beijing Long Family can have it!”

“Also, whoever has a black card is younger than forty?”

“You eighteen or nine-year-old boy, now you actually took out a black card and pretended to be in front of me. Are you trying to laugh at me?”

Sister Fang laughed for a while.

Tian Guo also raised her eyebrows at this time, although she knew that Lin Kai was a rich second-generation and had money in the family.

But he doesn’t have money to the point where he can spend three hundred million casually, right?

Whose rich second generation can randomly spend 300 million to buy a house?

There was also the black card, Tian Guo didn’t know whether it was real or fake. If it was Lin Kai’s father’s black card, would Lin Kai have the right to use this black card?

Tian Guo quietly pulled Lin Kai, motioning Lin Kai to keep a low profile.

Although their task is to attract Cao Wanjin’s attention, if there is no money to buy a house for a while, Cao Wanjin will not only not notice them, on the contrary, he will also be wary of them.

Lin Kai didn’t care about Tian Guo at all.

At this time, Lin Kai said: “What? My black card, do you use it or not?”

Sister Fang just wanted to refuse, only to hear the people next to her booing.

“Swipe! We want to see how much money this poor can have.”

“Yes! Look at how fake his black card is!”

“I also took out a fake black card to pretend to be forced, swipe the card to see if he is shameless!”

There was a roar, and even Cao Wanjin, who was not far away, laughed out loud.

Can an eighteen or nine-year-old kid have a black card? An eighteen or nine-year-old kid, even if he is a rich second generation, how much money can he have?

That villa is worth three hundred million yuan!

Cao Wanjin didn't believe that Lin Kai could afford that villa!

“Okay! Today I fulfilled the big guy's wish! Xiaoli, bring the credit card machine!” Sister Fang said with a wave of her hand.

Xiaoli glanced at Lin Kai very embarrassedly, and winked at Lin Kai, indicating that Lin Kai was almost done.

“Yes.” Then, Xiaoli nodded and ran to get the credit card machine.

Soon after, I saw that the credit card machine was in front of everyone, and a group of people watched Lin Kai.

Sister Fang put the credit card machine in front of Lin Kai and said impatiently: “Aren't you rich? Isn't your card a black card? Swipe the card, I want to see, in your bank card, How much money is there!”

Everyone looked at Lin Kai with their arms in arms.

No one believes this black card is real!

No one believes that Lin Kai can afford a villa in the capital of the famous city!

And Lin Kai showed a confident smile. Under all eyes, Lin Kai swiped the card and entered the password.

Sister Fang hugged her arms and sneered: “Oh, it really looks like that. Let me see how much money is in your bank card!”

After all, Sister Fang took the credit card machine over, but just looking at it like this, Sister Fang was stunned.

“What's the matter? Is there something wrong with the credit card machine? Why are there so many zeros?” Ms. Fang muttered.

When Sister Fang said so, everyone craned their necks to check the balance on the credit card machine.

Everyone was dumbfounded after just glanced at it.

One, ten, one hundred, one thousand, ten thousand, one hundred thousand, one million, ten million, one hundred million, one billion...

Eight billion and thirty million!

The whole scene was silent.

Sister Fang stared at the balance on the credit card machine for a long time. Is this really 8 billion?

What is the concept of eight billion? Not to mention buying the central villa, buying the entire capital of the famous city is not a problem!

And the sloppy boy in slippers in front of him is eight billion?

So, his black card is real?

Sister Fang couldn't accept such a burst of news for a while, and stayed there for a long time.

Not to mention that he couldn't accept such a hot news, which one of the people present could accept such a hot news?

That's 8 billion!

99.9% of the people in the world have never seen what 8 billion looks like!

This boy actually has a black card. His black card is the supreme black card of Huaxia Bank!

In that case, he is not a hillbilly, he is a big man!

The person who can have the supreme black card, in China, must be the boss of the 100 billion group at least!

So, behind Lin Kai, there is a lot of background!

All of the people who had insulted Lin Kai just now bowed their heads, for fear that Lin Kai would see him.

Just kidding, such a big man wants to play with their little characters, just moving his fingers!

And that Xiaoli was also stunned at this time. She never expected that Lin Kai, who she was going to receive, actually had eight billion!

Tian Guo was also stunned. Did Lin Kai steal his father's bank card and go out? He actually carries eight billion with him!

As for Cao Wanjin, who was not far away, a bright light burst into his eyes. He just happened to need a certain amount of funds recently, and he was worried that no one would sponsor him.

And Lin Kai, isn't this a lively rich second generation?

After the scene was silent for a long time, a loud noise sounded, and everyone was shocked by Lin Kai's balance.

Lin Kai put away his bank card and asked with a smile: "Now, I'm Lin Wudi, am I eligible to buy your house here?"

The expression on Ms. Fang's face was cloudy and uncertain, her small face was flushed, she was ashamed of herself, remembering that she was crying in front of a rich man with eight billion, in her heart, she was afraid and fearful. .

If he really bought the central villa, the sales lady's commission would be hundreds of thousands!

At that time, she can buy a car of her own!

At that time, Sister Fang threw away her dignity and smiled before licking her face: "Sir, it was a misunderstanding just now. Don't be angry. Xiaofang will show you the Central Villa. What do you think?"

Chapter 366: Isn't It Three Hundred Million?

Chapter 366 Isn't It Three Million?

After hearing Xiaofang's words, Lin Kai joked, "Actually, I have one hobby, that is, matching keys."

"Huh?" Sister Fang was taken aback, not understanding what Lin Kai meant.

Lin Kai stared at Sister Fang, raised her eyebrows, and asked, "Are you worthy?"

After hearing these three words, Sister Fang's face changed with a blush, and she became as flushed as a monkey butt.

She was cheeky and wanted to ask Lin Kai to forgive her, but she just showed a bitter look, how could Lin Kai forgive her?

At this time, only a sound of footsteps was heard, and a middle-aged man came with a few male sales assistants.

After seeing him, several sales ladies on the scene showed respectful looks.

"Manager Liu."

It turned out that the manager of the sales department came.

Manager Liu apparently heard what happened on the scene, and also heard that there was a big customer worth 8 billion on the scene. At that time, he rushed over without stopping.

After seeing Lin Kai, Manager Liu showed a pleasing smile: "You are Mr. Lin Wudi, right?"

"It is a great honor for you to visit the capital of the famous city. We are deeply sorry for what you have just encountered."

"Don't worry, I will fire her immediately!"

After talking, Manager Liu looked at Sister Fang.

I saw Manager Liu's face, and it instantly became cold. He pointed at Sister Fang and said coldly: "Now pack your things, get out!"

After listening to Manager Liu's words, Sister Fang was dumbfounded.

I...unemployed?

You know, she got the job as a sales lady with great difficulty!

Moreover, the sales department of Mingcheng Capital treats its employees very well. It not only takes care of food and housing, but also has a basic salary of 6,000 a month!

She is nothing more than a junior college graduate. She feels that she can find such a good job as a blessing she has cultivated in her eight lifetimes.

But now, because he offended this young man, Manager Liu did not hesitate to fire himself?

At that time, she felt that the sky had fallen.

“Manager Liu, no, I... I know I was wrong, don't fire me...” At that time, Sister Fang was scared to tears.

Manager Liu snorted coldly: “Hmph! I said, the customer is God! If you dare to offend God, I can't tolerate you in my eyes, so hurry up and get rid of things!”

After that, Manager Liu's face changed, and he showed a pleasing smile, and looked at Lin Kai: “Mr. Lin, look, are you satisfied with what I did?”

Lin Kai smiled and nodded, and patted Manager Liu on the shoulder: “It's a good dog, I like it!”

“Yes.” Manager Liu said with a smile, without any intention of being angry.

“Central Villa, I bought it! The commission is added to that little girl.” Lin Kai pointed at Xiaoli and said.

But Xiaoli's eyes widened at this time, her expression unbelievable.

“Me?” Xiaoli pointed to herself, couldn't believe it was true!

She has been here for more than a month, often because she is shy and shy, she can't grab customers. For more than a month, she has never completed an order.

But now, someone actually bought the central villa, and the commission still counts on her.

Xiaoli knows that the commission for the central villa is 200,000 yuan!

If you have these two hundred thousand, you can buy a car!

Or save another money and pay down payment in a suburban community to buy a house!

At that time, Xiaoli felt as if she had been hit by a big pie, and she was about to suffocate her happiness.

Looking at that sister Fang again, the expression on her face was jealous.

Thinking that two days ago, Xiaoli was still a follower behind her ass. For more than a month, no order was completed.

But now, I was fired, and Xiaoli posted it!

Just because she received that Lin Wudi!

There was a regret in Sister Fang's heart. I knew that Lin Wudi's background was so big that she should be ahead of Xiaoli. In this case, 200,000 would belong to her!

But now, not only is there no more than 200,000, but also her job.

There is no way to explain it at home!

In Sister Fang's heart, it was a remorse, but she knew that no matter how much regret, it was useless.

When Manager Liu heard this, he was very excited: "Okay, may I pay by card?"

Lin Kai waved his hand indifferently: "Fuck, a little bit, isn't it three hundred million? Hurry up!"

"Yes..." There was excitement in Manager Liu's heart.

Today I met a really big money, and I didn't care about three hundred million.

At that time, Lin Kai signed the contract after paying 300 million yuan, took the key, and the central villa belonged to Lin Kai.

And Xiaoli also received a commission of 200,000 yuan and became a star in the sales department in one fell swoop.

Sister Fang was swept out.

After buying the house, Lin Kai took Ah Fu and walked out of the sales department swaggeringly. As soon as he left the sales department, only two men in black stopped Lin Kai.

These two men in black, wearing black suits, burly figures, wearing sunglasses, bulging around their waists, seem to be pretending to be guys.

"Sir, my master has a request, please come with us."

Lin Kai's heart was overjoyed, he knew that Cao Wanjin had noticed him.

But Lin Kai knew that now that he was Lin Wudi, he must show an expression of impatientness.

"What the **** master? Whose dogs are you two? Go away, don't get in my way!" Lin Kai looked impatient and reached out to push the man in black.

But after pushing, Lin Kai found that the two men in black remained motionless.

Lin Kai was angry at that time: "Hey, you two are looking for death, right?"

"Sir, please come with us, otherwise we can't explain the task." The man in black said very straightforwardly.

Their attitude is very firm. If Lin Kai doesn't follow them, I'm afraid they will take some tough measures.

Lin Kai tilted his head, grinned, and smiled evilly.

"Haha, play this with Lao Tzu? Today, Lao Tzu removed your master's head and kicked it!" Lin Kai said angrily after laughing.

"Afu!"

"Yes!" Ah Fu immediately stood up.

"Pack them!" Lin Kai said angrily.

"Yes!"

Ah Fu sneered at this moment, squeezed his fist, and made a crackling sound.

I saw Ah Fu beckoning, and the doors of two Toyota overbearing cars at the sales department opened at the same time. Ten strong men in black walked out of the car and quickly came to Lin Kai's side.

The two men in black were also surrounded by ten strong men in black.

The people Ah Fu brought were all his elite subordinates, all of whom had seen blood in their hands, and they were all ruthless characters.

Their figures were also extremely burly, and at the time, the pressure on the two men in black was enormous.

This Lin Wudi is not an ordinary person!

"Fight Lao Tzu!" Ah Fu shouted angrily at this time, and the ten men in black moved instantly.

Chapter 367: Villa Party

Chapter 367

Each of these ten brawny men is a well-trained and well-trained strong man. Ten fights two. They naturally have the upper hand without any suspense.

I saw that the two men in black were directly kicked to the ground by Ah Fu, and the eleven men stepped forward with a fierce kick.

At that time, the two men in black were beaten in a terrible way.

The two men in black were aggrieved. They obviously had guns and couldn't use them because they provoked Lin Kai.

They didn't expect Lin to go out with so many people!

At this time, Cao Wanjin couldn't stand it anymore, seeing his subordinates being beaten, his face was also a hot pain.

I saw Cao Wanjin trot out from the sales department, and pulled away Ah Fu and the others with a smile: "Big brothers, big brothers, keep people under your hands, keep people under your hands!"

After Lin Kai agreed, Ah Fu waved his hand, and ten strong men in black returned behind Lin Kai.

Looking at the two bodyguards, it was a miserable one who was beaten.

His face was swollen into a pig's head, and all his suits were beaten into beggar clothes.

At this moment, Lin Kai put his hands in his pockets and looked at Cao Wanjin impatiently: "Who the **** are you? Are these two people your subordinates?"

Cao Wanjin accompanied his smiling face and offered his business card with both hands: "Hello, I am the chairman of Wanjin Entertainment Company, and my name is Cao Wanjin."

Lin Kai took the business card, just glanced at it, flicked it in front of Cao Wanjin, and threw it directly.

It just doesn't give you face!

At that time, Cao Wanjin was also embarrassed. He said: "It's okay, I just think you are very handsome and good-looking, so I would like you to appear in the follow-up to the recent movie War Wolf 2, Wolf Warrior 3. , If you are not interested, forget it."

"Fuck, I thought there was something wrong, don't go!" Lin Kai said with a puck.

“I am lucky enough to invite you a cup of coffee?” Cao Wanjin asked cautiously.

“No time, goodbye!”

Lin Kai waved his hand directly, and left with his large forces mightily.

After getting on the Mercedes-Benz Maybach, Lin Kai drove to the capital of the famous city in the car.

In the car, Tian Guo looked puzzled: “Brother Lin Kai, it was a great opportunity just now, why not go?”

Lin Kai smiled slightly and said, “Because we have to control the initiative and cannot be led by his nose. I believe he has seen it with my financial resources. If he wants to pull me into the gang, he must run behind Lao Tzu’s ass. !”

“We take the initiative to get close to him. If we can’t grasp the initiative, don’t talk about it, we will be suspected by him if we don’t do it.”

When Tian Guo heard this, he nodded thoughtfully: “Oh, that’s it.”

...

At this time, in another Rolls-Royce, Cao Wanjin was sitting in the back seat, pinching his eyebrows with a sad expression on his face.

In the driver’s seat and the co-pilot’s position, they were the bodyguards after being beaten up by Ah Fu and others.

At this time, a bodyguard asked cautiously: “Boss, that kid was so arrogant just now, do you want our brother to sneak him...”

With that said, he made a decapitating action.

Cao Wanjin shook his head and said coldly: “No, kill the black card holder, are you crazy?”

“Have you checked his identity?” Cao Wanjin asked coldly.

The man in black shook his head and said, “I can’t find it, Lin Wudi, this name is very strange.”

“It’s normal if you can’t find it.” Cao Wanjin snorted coldly, “Huh, half of the black card holders are outsiders who don’t know their names. This Lin Kai must belong to a hidden family. Master!”

“How do you say?” the bodyguard asked.

“Which family’s eldest master have you seen with eight billion in your pocket?”

“This kid not only has 8 billion, but 300 million to buy a villa, just like buying a popsicle.”

“Except for those big hidden families, I really can’t remember whose eldest master he is.”

After hearing what Cao Wanjin said, the two bodyguards were thoughtful.

Suddenly, a bodyguard asked: “Boss, you are not worried that he is a sliver...”

“Stupid!” Before the bodyguard’s words were finished, Cao Wanjin cursed: “Where do you see him like a sliver? Let’s not say whether the black card and 8 billion can have slivers. The slivers will spend three to catch me. Billion to buy a villa?”

“Moreover, the arrogance of this kid is not something that can be pretended by a strip.”

“He must be a real rich second generation. Next, let him be the target and find out where he is going. We must have a few chance encounters with him!”

“Yes!”

...

Soon after, Lin Kai had arrived at the villa.

It has to be said that this is a different villa that was bought for 300 million yuan.

The parking lot is very large and can park dozens of luxury cars.

The yard has its own golf course, a piece of birds and flowers, on the roof of the villa, there is a swimming pool, open-air.

The decoration in the villa is also very luxurious, with crystal headlights, leather sofas, noble red carpets, and the waterbed that Lin Kai particularly likes.

In the villa, there is also its own movie theater, it is not a problem to sit one or two hundred people.

Ten men in black acted as security guards. From today on, Ah Fu will take these ten men and stationed in the villa to protect Lin Kai’s safety.

Two at the gate, two at the door of the villa, four bodyguards patrolling in the yard, and two on the roof as guards.

Suddenly, the entire villa was impregnable.

At this time Lin Kai and Tian Guo were soaking in the sun in the swimming pool on the roof.

The roof is very big and the swimming pool is very big. Lin Kai wore a pair of swimming trunks and Tian Guo wore a bikini suit.

I have to say that Tian Guo's figure is very predictable. After putting on a bikini, there is no fat on her waist, and her skin is white, tender and smooth. Especially her upper body, her swimsuit seems to be unable to cover the huge body.

Lin Kai's eyes couldn't help staring at Tian Guo.

Tian Guo didn't know how to be ashamed, the little girl was very bold, and she deliberately made Lin Kai look at it.

Who made her like Lin Kai?

Although on the surface Tian Guo is very bold and open, she is actually very shy in her heart.

This dead Lin Kai, can only watch it? Wouldn't you come over and talk to yourself? No matter how bad it is, please drink yourself!

I'm not drunk, how can there be stories between us?

It's a pity that Lin Kai was a straight man in his life, but he was still a straight man in his life, and he didn't understand the slick ideas in Tian Guo's heart.

At this time, Tian Guo asked, "Lin Kai, what is the next plan?"

Lin Kai was wearing sunglasses, lying in the swimming pool, and said: "I have asked Ah Fu to spread the news. The life of the rich must follow the rules of the rich."

"A very arrogant rich second-generation like Lin Wudi, what will they do when they buy a new villa? Of course it's showing off!"

"So, it's up to me to show off."

"Tomorrow night, in this villa, there will be a big party."

"Girls must be screened by Ah Fu before they can come in. To be clear, only beautiful girls can come in."

“As for a man, you can come in only if you are worth more than one million. You must provide proof. With my name, Lin Wudi, I have asked Ah Fu to go out and spread the news.”

“I believe it will not be long before they will know my name, Lin Wudi!”

Chapter 368: You Have To Line Up To Go Home

Chapter 368

Soon, one day passed.

The next day, the villa began to get busy.

There are lights and colorful, because it is a party that only starts at night, so the lighting problem must be solved.

Ah Fu is worthy of being a subordinate of the Holy King, what big scene hasn't been seen? At that time, he found the top party designer and host in Jinling.

In one day's time, earth-shaking changes have taken place in the villa.

I saw the huge yard of the villa, full of French long tables, long tables, placed on the long table are Australian big lobster, 1982 Lafite, imported big ham.

All kinds of food, everything.

And, tonight there will be top DJs in residence, the two elders from the United States, Xuan Ming, who burst the audience.

Everything was ready. Entry started at 6 o'clock in the evening. At about 5 o'clock in the afternoon, Lin Kai answered the phone and went out for two laps at will.

When I came back, I saw a long dragon at the door of my own villa.

Countless luxury cars are parked in the public parking lot in the community. Everyone is holding a mobile phone and waiting in line to check in.

At that time, Lin Kai was speechless. With such a long line, the entrance of the villa was almost crowded.

It was unrealistic to squeeze in by himself. At that time, Lin Kai had no choice but to stand in line behind a beautiful woman.

Vaguely, Lin Kai seemed to hear what the previous beauties seemed to be discussing.

“Hey, do you know who the protagonist of this party is?”

“I don’t know, but I heard that the owner of this villa is called Lin Wudi. The villa was only bought yesterday, and it cost 300 million!”

“Moreover, this time’s party, known as the most luxurious party in Jinling, cost millions, and it’s all free!”

“Yes, no money, as long as we are beautiful enough, we can enter the venue with our face.”

“And I heard that if a boy wants to enter, he must have a minimum worth of one million.”

“So, the boys in the party are the rich second generation?”

“Yeah, yes, sisters, come on, go in and catch a good man!”

“Maybe you can catch the protagonist of this party, Lin Wudi!”

Lin Kai also laughed when the girls in front of him discussed.

Why did Lin Kai have this party? First, prove that he is a rich second generation, and prevent Cao Wanjin from becoming suspicious.

Second, Lin Kai is giving him a chance, a chance to get close to himself.

If Lin Kai didn’t guess wrong, Cao Wanjin would definitely come today.

While thinking about it, Lin Kai accidentally touched the beauty in front of her, and the beauty also exclaimed, and the phone in his hand fell to the ground with a snap.

At that time, I saw that beauty’s Apple Xmax screen was smashed.

Lin Kai was taken aback, and subconsciously apologized: “I’m sorry, sorry, I didn’t mean it.”

The beauty picked up her iPhone with a distressed look and looked back at Lin Kai.

Originally, there was no anger on the beauty’s face. She was very good-looking, her figure was very hot, and she was very exposed in her dress.

It’s just that, looking at the face, it seems a bit mean.

After she saw Lin Kai, she was obviously taken aback.

Because of Lin Kai’s clothes, it was too shabby.

A pair of black cloth shoes under my feet, a pair of jeans on the lower body, a very ordinary kind, it seems that it is still a stall, and a white half sleeve on the upper body.

Spread the goods in one suit.

After seeing this dress, the beauty became angry at the time: "Are you blind? Didn't you see anyone in front of you? Now I have broken my phone!"

When Wang Huimei screamed, several people immediately looked at Lin Kai.

Lin Kai frowned and said, "I will pay you for how much."

"Compensation? Is this a question of money or not? Don't you know that everyone can only enter the venue with the ticket in the phone? Now my phone is broken, how can I enter the venue?"

"Give me your phone! Let me enter!"

Wang Huimei was very angry and stretched out her hand to **** the domestic mobile phone from Lin Kai.

But Lin Kai did not give Wang Huimei his mobile phone.

"I don't have an admission ticket in my phone."

Upon hearing this, Wang Huimei exploded on the spot: "No admission ticket? Then what team are you in here? You don't want to get in and eat and drink, do you?"

"I just said, depending on how you dress, you don't look like a rich man, you are really poor!"

"Now, pay for the loss of my mobile phone and admission ticket! One hundred thousand! One point less will not work!"

Wang Huimei's attitude was very domineering, and when she stretched out her hand, she raised her head very proudly.

"One hundred thousand?" Lin Kai frowned, asking for one hundred thousand for a broken mobile phone? Isn't this taking yourself a fool?

"Yes, one hundred thousand!"

"Can't afford to pay?"

"Do you know what kind of phone this is? Apple xmax! Can you afford to buy more than eight thousand phones?"

“Can’t afford to pay, I will ask you to take a long time! Don’t hit anyone!”

“Poor!”

Wang Huimei’s words caused her little sisters to cover their mouths and laugh, and the eyes that looked at Lin Kai were full of mockery.

And Lin Kai was also amused at this time, he tilted his head: “Poor? Do you know who I am?”

“Who are you? You are a hillbilly! Why, is it possible that you want to say that you are the host of this party? Hahaha!” Wang Huimei held her arms, rolled her eyes, and laughed.

Lin Kai nodded and said, “Yes, I am the host of this party.”

After hearing Lin Kai’s words, there was a burst of laughter. These little girls laughed out of breath, and their bodies trembled.

“Hahaha, I’m so ridiculous, this person actually said that he is the owner of the villa!”

“Hahaha, don’t brag and don’t make drafts. Your clothes add up to only one hundred yuan, right? Your broken phone is still made in China. You are ashamed to say that you are the owner of the villa?”

Wang Huimei smiled with her arms in her arms: “Oh, really bragging, if you were the owner of the villa, would you still line up here?”

“Besides, do you know how much this villa is? Three hundred million!”

“Can you afford it?”

“I’m afraid you can’t even afford a brick of the villa, don’t brag, okay?”

“You can’t afford to pay for my mobile phone, right? Okay, now I bow and apologize to this girl, saying that Sister Huimei, I was wrong. I don’t have eyes, so I don’t need to pay for my mobile phone. Field qualifications.”

After Wang Huimei said it, she showed a lofty posture, as if waiting for Lin Kai to bow and apologize.

Many people around looked at Lin Kai, their eyes were gloating, they all wanted to see how Lin Kai apologized.

Lin Kai also dismissed a smile at this time: “Hehe, do you really think of yourself as an onion? I will pay you for the mobile phone, and you are not welcome in my villa!”

“Yo-yo-yo.” Wang Huimei smiled disdainfully: “Give back your villa? Do you have a delusion? Every day, I think that I am a rich second generation and the beautiful women around me are like clouds. I also want to own a villa worth 300 million yuan?”

Chapter 369: Blue Million

Chapter 369

There was another roar of laughter around.

The people who can be invited to this party are either beautiful women or rich people. They have one thing in common, they like money.

Most of the rich and gold-worshippers look down on the poor.

In addition, they like to judge people by their appearance, and they dismissive of the **** who are dressed as otaku like Lin Kai.

Being laughed at by everyone, Lin Kaixin also found it funny. Just about to call Ah Fu, he saw a tall and handsome boy approaching.

This boy is about 1.8 meters tall and looks clean. He wears a casual brand, Armani, and wears a Longines watch on his wrist. It looks like it costs tens of thousands.

He came to Wang Huimei and smiled very gentlemanly: “Hello, introduce myself, I am the manager of Tianmei Studio, Lan Wanwan.”

Wang Huimei and other girls all looked at the blue million.

A girl behind Wang Huimei exclaimed: “Are you the manager of Tianmei Studio?”

Seeing her so surprised, a girl around her whispered: “Tian Mei Studio, is it amazing?”

“Of course it’s awesome! Usually your favorite mobile game is from Tianmei Studio. The manager of Tianmei Studio, the annual income is at least ten million, right?”

After hearing this girl’s words, everyone’s eyes lit up.

And that blue million face also showed a confident smile.

That’s right, his annual income is tens of millions, and his car is a BMW sports car. He is only twenty-five years old this year, and he is young and promising.

At this time, Wang Huimei’s eyes were also bright, changing her previous frankness with Lin Kai, pinching the corner of her clothes, and replied shyly: “Hello, my name is Wang Huimei, and my English name is Huimei.”

Lan Wanwan nodded, glanced at Lin Kai, frowned, and asked, "Does this **** break your phone?"

Lan Wanwan said what he said, revealing his extreme disdain for Lin Kai.

And Wang Huimei nodded, showing an expression of disgust: "Yes, this stinky **** doesn't have long eyes when walking, and now no one knows how to enter the venue~"

With that said, Wang Huimei showed a pitiful look. It was her pitiful look that most easily aroused a man's desire for protection.

At this time, Lan Wanwan smiled confidently: "In this way, I know the steward of this party. His name is Ah Fu. I will say hello. He will definitely look at my face and let you in."

"Really?" Wang Huimei was very happy when she heard it, showing an expression of admiration.

Blue Million also enjoyed Wang Huimei's worship very much, nodded, and proudly said: "Of course it is true. You can't get in without a ticket to prove it."

"You know, this party is the top party in Jinling."

"Not only held in a brand-new villa worth 300 million yuan, but the cost of this party cost the villa owner millions."

"And these millions are just a drop in the bucket, just for fun."

"Tonight, I believe I will know the owner of this villa."

Lan Wanwan's words revealed strong self-confidence.

It seems that he knows the owner of this villa.

At that time, I saw Wang Huimei showing an expression of admiration: "You are so amazing. It is my honor to know you."

After saying this, I saw Wang Huimei frowned and looked at Lin Kai with disgust: "It's not like someone, who seems to be 20 years old. She actually wants to enter the place where we are rich and eat. It's really shameless to drink!"

Of course she was talking about Lin Kai.

Lan Wanwan waved his hand and unceremoniously put his arm around Wang Huimei's shoulder, and Wang Huimei blushed with no intention of rejecting it.

Lan Wanwan looked at Lin Kai provocatively, as if saying, did you see it? It's that simple for rich people to pick up girls!

"Don't pay attention to him, just a poor dick, go, no need to line up, I will take you directly in!"

After all, Lan Wanwan took Wang Huimei away.

And Wang Huimei's little sisters looked at Wang Huimei's back with envy. They knew that Wang Huimei was a big money!

It's a pity that they don't look as beautiful as Wang Huimei, otherwise, they can also buy big money.

After Wang Huimei left, the girls looked at Lin Kai with disgust, for fear that Lin Kai would stain their clothes.

And this Blue Million really had some abilities. Lin Kai saw that he had come to the entrance of the villa, said a few words to Ah Fu, and he took Wang Huimei in.

In about ten minutes, Lin Kai finally lined up and arrived at the door of the villa. The strong man in black at the door saw that Lin Kai had returned. He didn't dare to check the ticket at all and let Lin Kai go in directly.

At 7:30 in the evening, the ticket checking officially ended. There were more than 1,000 people who came to this party!

Don't look at more than 1,000 people, but the villa is very big and the courtyard is also very big. Open-air parties can accommodate 1,000 people, which is not a problem at all!

At this time, the villa was brightly lit. On the second floor of the villa, there was also a DJ station. Behind the stage, the two old men Xuan Ming was ready.

They are very famous DJs in the United States, and in front of them, they are the hosts of this party.

And in the courtyard of the villa, it is very lively. Countless upper-class people in Jinling City are talking with each other holding red wine glasses, and there are countless young people picking up girls and girls fishing for triumphs. It is very lively.

Lin Kai came to a long table, picked up an Australian large lobster at random, snapped it off, and ate it alone with relish.

The host on the stage just happened to speak.

“Ladies and gentlemen, welcome to this open-air party hosted by Mr. Lin Wudi. This time the party is free of charge, just for fun.”

“The time between 7:30 and 8:00 in the evening is the time for everyone to have free activities. In Mr. Lin Wudi's home, you can feel the atmosphere of villa golf, the fun of the open-air swimming pool, and the food and wine. within Temptation.”

“At eight o'clock in the evening, Xuan Ming, a famous American DJ, will bring you unrestrained music time!”

“On behalf of Mr. Lin Wudi, I wish everyone a good time.”

After the host said, there was a round of applause and the host exited with honor.

Soon after, there was a burst of light music on the scene, and the scene was once again lively.

Lin Kai found a small bench in the yard and sat down, eating Australian big lobster. Lin Kai hadn't eaten this thing in his life. For a while, he was eating with relish.

But at this moment, a disdainful voice came: “Yeah, I really underestimated you, can this also get in?”

Chapter 370: Steal The Phone?

Chapter 370

When he turned around, Lin Kai immediately saw the two familiar people, Lan Wanwan and Wang Huimei.

Seeing Wang Huimei at this moment, Xiaoniaoyi was holding Lan Wanwan's arm, and the two obviously became a pair.

Wang Huimei looked at Lin Kai with complacency and disdain.

“Australian big lobster, haven't you eaten it? Thousands of them, you still have a plate to eat, you are really a hillbilly, and you have never eaten such an advanced thing.” Wang Huimei said with disdain.

Lin opened the plate, wiped the corners of his mouth with a tablecloth on the table, and stood up: “What do I eat, what is your business?”

“Yo-yo-yo, the bunny is a bunny, and he wipes his mouth with a tablecloth? Do you know what kind of tablecloth it is? It's silk, privately made, tens of thousands!”

Wang Huimei hugged her arms and laughed at that time.

“The owner of this villa is open to the outside world for this party for free. You don’t respect the owner of the villa at all, and you wipe your mouth with a tablecloth. It’s really unqualified.”

After listening to Wang Huimei’s words, Lin Kai was also amused: “This is my family’s stuff. I use it as I want!”

Lin Kai’s words immediately attracted the attention of many people around him.

Everyone was very dissatisfied with Lin Kai.

At a party in the upper class, a young man with a sloppy dress appeared unexpectedly. He picked up a large lobster and ate it without image.

This made everyone look down on Lin Kai very much.

Had it not been for the people who could attend this party, the men were at least millionaire-level bosses, and someone had already reprimanded Lin Kai.

Now that Lin Kai’s words have attracted the attention of many people, what about my family?

Could it be that he is Lin Wudi?

After hearing Lin Kai’s words, Wang Huimei covered her mouth and laughed at the time: “Chuck, you really want to laugh at me and return your family’s things. You really think of yourself as Lin Wudi? Although I don’t know how you got in. Yes, but this is Lin Wudi and Lin Shao’s home, please respect Lin Shaofang!”

Wang Huimei’s words were very loud.

Everyone looked at Lin Kai, Lin Kai actually got in here?

At that time, Lan Wanwan pointed to Lin Kai and said to everyone: “Everyone pays attention to this person, this person is here, he has no admission ticket!”

“Look at his dressing, a lively poor cock, everyone must pay attention, don’t let him steal the mobile wallet or something.”

After listening to Lan Wanwan’s words, everyone began to check whether they had dropped anything, and suddenly exclaimed.

“Hey, my phone is gone!” The speaker was a fat man.

The fat man touched his pocket and found that his mobile phone had disappeared.

“There are a lot of important documents in my phone! If the phone is missing, I will lose millions!”

When the fat man was anxious, he did not forget to show off his worth.

After hearing Lin Kai’s words, everyone looked at Lin Kai in unison.

Lan Wanwan hugged his arms and sneered: “Hehe, okay, you actually stole someone else’s phone. Now, hand it over!”

At the scene, Lin Kai was dressed in sloppy clothes, and everyone agreed that Lin Kai didn’t have an admission ticket, he had mixed in!

“I didn’t steal someone else’s cell phone!” Lin Kai said.

Lan Wanyi stretched out his hand: “Where is the evidence? You said you didn’t steal your phone, but you are the only person in the audience who doesn’t have a ticket!”

“The people who can come to this party are either rich or expensive. You are the only one who has no admission ticket. How do you explain?”

As soon as Lan Wanwan’s words came out, everyone looked at Lin Kai, with doubts in their eyes.

The fat man came to Lin Kai angrily. He stretched out his hand and said angrily: “Now give me my phone! Hurry up!”

“Why is this person like this? It’s not enough to mix in and eat and drink, and steal someone else’s phone!”

“I despise such a country boy the most in my life. Poor people have things that are pitiful, and they must be hateful. They are too poor and lack quality. They like to take advantage of them, and they steal things!”

Lin Kai frowned, he emphasized again: “I didn’t steal anything, I said it!”

Lin Kai’s tone was already a little impatient.

But the fat man didn’t care. He took out his wallet, took out about 10,000 yuan from the wallet, and threw it on Lin Kai with a snap.

“Fuck, poor dick, don’t you want money? Give me back my phone!”

At that time, the red banknotes were raining in the sky, and the people who could come here were all rich people, and they were naturally indifferent to the ten thousand yuan.

Everyone looked at Lin Kai with a smile. They all wanted to see how Lin Kai knelt and licked the fat man, and how he picked up the ten thousand dollars one by one!

Wang Huimei smiled sourly with her arms in her arms at this time and said: “Yoyoyo, poor **** want to save face now? Give your phone back to them! Otherwise, wait for the owner of the villa to come and be careful to throw you out!”

“By the way, million, don’t you know Ah Fu, the manager here? Let Ah Fu come over and throw him out!”

Wang Huimei said proudly.

As soon as Wang Huimei said this, everyone looked at Lan million.

This person actually knows the steward of this villa?

Being able to manage a villa worth 300 million yuan, I believe that the person in charge is definitely not an ordinary person, and Lan million knows that he is not an ordinary person.

If you can get to know Guanshi through Blue Million, and then you can get to know the owner of the villa through Guanshi, it will really be a big money.

For a while, everyone looked at Lan Wanwan with ambiguous eyes.

And Wang Huimei’s face also had a complacent look. As soon as she came here, she caught such a good man. There are not many opportunities like this!

Many little girls looked at Wang Huimei with envy. Wang Huimei’s trip was really not in vain.

For a while, Blue Million also became the focus.

The fat man said angrily at this time: “Boy, the money is all given to you, don’t you take out my phone?”

Lin Kai frowned and sneered: “Hehe, my patience is limited. I said, I didn’t take your phone. If you get entangled with me again, be careful I’m not polite to you!”

Hearing Lin Kai’s words, the fat man laughed at the time: “Hehe, you are not polite to me? Do you the **** know who I am? You, a **** who doesn’t even have a ticket, why are you not polite to me?”

“Okay, don’t say it.” At this moment, Lan Wanwan raised his hand, he stood up and said: “I will let the steward here to solve this problem, and search for it for a while! If you

don't have a mobile phone, it's fine. , If you find a mobile phone on your body, today's matter is endless!"

Chapter 371: I Am Lin Wudi

Chapter 371 I'm Lin Wudi!

After saying this, Lan Wanwan pushed everyone away arrogantly and went to find Ah Fu.

When everyone looked at Lan Wanwan's back, they all extended their thumbs, and stared at Lin Kai gloatingly at the same time.

Lin Kai was finished with this.

After a while, Ah Fu comes over, Lin Kai feels better!

Ah Fu looked very sturdy and uncomfortable, and his subordinates were all the same as those in the underworld.

Lin Kai mixed in without an admission ticket, and was caught by Ah Fu. It must have been a violent beating!

At the same time, these people extended their thumbs to Blue Million and expressed their praise.

"This Blue Million, I heard it is the manager of Tianmei Studio, with an annual income of tens of millions!"

"Yes, the young man is only twenty-five years old. He is really young and promising!"

"Yes, he still knows Lin Wudi, the owner of this villa. I don't know when I will meet such a big man."

"Compared to Blue Million, someone really doesn't even want a face, even sneaks into someone's party, and steals someone else's mobile phone. It's really shameless."

Soon after, I saw Blue Million return blushing.

Ah Fu did not follow.

When everyone saw this, they were very puzzled. His girlfriend Wang Huimei even asked: "Millions, what's the matter? Why didn't Ah Fu come?"

Lan Wanwan blushed. He just went to invite Ah Fu to come over, but he didn't expect Ah Fu to be indifferent at all, and said that there are important things to do next and there is no time to deal with these nosy matters.

"Ah Fu said that he wants to introduce his boss, Lin Wudi, to everyone, and he has no time to come over," Lan Wanwan said.

After hearing Lan Wanwan's words, everyone screamed and looked at the podium curiously.

"I don't know what Lin Wudi looks like, handsome or not, young or young."

"If you want to be beautiful, you can afford a villa worth 300 million yuan, this Lin Wudi must be a 40 or 50 year old man!"

"Whether it is an old man or not, even if it is a disabled person, it is an honor for Lin Wudi to see me!"

There was a lot of discussion.

Lan Wanwan didn't invite Ah Fu, and he felt that he had no face. He added: "But please rest assured, Ah Fu promised me. After he has introduced his boss, Lin Wudi, he will come over to deal with this matter."

"He also said, to break the legs of the people who got in!"

After this sentence, a group of people gloated at Lin Kai.

Lin Kai is over!

Ah Fu is going to break his leg. His leg is destined to be unsafe!

At this time, the fat man also sneered: "Hehe, kid, dare to steal my phone, wait for death!"

At this time, Ah Fu came to the podium, held the microphone, and coughed twice.

The scene immediately became quiet, and they all looked at the podium.

"Good evening everyone, introduce yourself, I am the owner of this villa, my name is Ah Fu."

"Now, let me introduce to you my boss. My boss and I came to Jinling for the first time and bought a villa as our temporary place to live. In the future, I hope the big guys in Jinling can take care of me."

“If there is any lack of hospitality, please forgive me.”

“However, my boss has a bad temper. I hope you don’t make him angry.”

Ah Fu’s words were soft but hard, making the scene silent.

Soon after, there was a round of applause, everyone applauded heartily, and then everyone looked at the podium with expectant expressions, and they all wanted to see how sacred this Lin Wudi was!

“Now, let us applaud the host of this party, Lin Wudi!”

There was a burst of applause, and everyone looked at the podium in unison and craned their necks.

At this moment, Lin Kai smiled slightly, pushed aside the crowd, and walked towards the podium.

But he hadn’t walked two steps before, only to hear laughter coming from behind him: “Chuck, this poor **** really considers himself the owner of the villa?”

It was naturally Wang Huimei who laughed.

But at this time, Lin Kai didn’t have time to pay attention to Wang Huimei, and strode up to the second floor, came to the podium, and looked down at everyone.

Everyone looked at Lin Kai in unison, with doubts in their eyes, why did this person go up?

Everyone is very impressed with Lin Kai. There was a lot of noise just now. Everyone knows that Lin Kai not only didn’t have admission tickets, but also stole other people’s mobile phones.

Now, he actually stepped onto the podium. What did he want to explain that he is the owner of this villa, Lin Wudi?

I saw Lin Kai picked up the microphone and said: “Introduce yourself, my fellow Lin Wudi, 19 years old this year, first came to Jinling City, and found that the people in Jinling City are not very friendly to my fellow!”

After all, Lin Kai’s eyes have been staring at Lan Wanwan and Wang Huimei.

At this moment, Lan Wanwan yelled from the bottom: “Brother Ah Fu, this person is a poor dick, are you mistaken?”

Lan Wanwan just said this, and saw Ah Fu's face changed drastically, and he angered: "Shut up! You can insult my boss too? Come on, just take it for me!"

After Ah Fu said these words, two strong men in black rushed out from the first floor, knocked Lan Wanwan to the ground with a plop, and Lan Wanwan knelt directly on the ground.

At that time, Blue Million was dumbfounded.

Ah Fu actually shut himself up?

Could it be that that person is really Lin Wudi?

There was an exclamation at the scene, and they were all bewildered by the sudden occurrence of this scene. Could it be that the young man on the stage who looked like Diaosi was Lin Wudi who bought this villa?

So young?

Dress so low-key?

He is Lin Wudi?

At that time, Wang Huimei opened her mouth wide and revealed an incredible look. She never expected that Lin Kai was really Lin Wudi!

No wonder he didn't have an admission ticket. This villa is the home of other people. Where is the admission ticket needed?

But I pretend to be a member of the upper class and linger in front of others for so long. No wonder people have always been ignorant of themselves. That is because, in the eyes of others, I am a joke. !

Wang Huimei was confused at the time.

Seeing the boyfriend she had just made kneeling on the ground, Wang Huimei's face was hot and painful. If she had known that the other party was so powerful, she shouldn't have talked about her boyfriend with Lan Wanwan!

I should kneel and lick Lin Kai. Maybe something else might happen between the two. When that happens, I will be the hostess of this villa!

But now, it was too late to say anything, she had already offended Lin Kai to death!

Lin Kai won't forgive her!

As for the people who had laughed at Lin Kai just now, their expressions became pale, and there was regret and fear in their hearts.

I knew that poor **** was Lin Wudi, and if I lent them two courage, they didn't dare to ridicule!

Chapter 372: Wolf Warriors 3

Chapter 372: Battle Wolf 3

At this time, the fat man was so scared that his face turned pale. He never expected that a boy who looked like a daddy in such a silky dress would be a big man he could never offend for the rest of his life, Lin Wudi!

The fat man has heard of Lin Wudi's deeds.

I heard that Lin Wudi just came to Jinling, so he beat the Third Young Master of the Cheng Family!

And when buying a house in the capital of the famous city, the black card is used, and the balance in the card is still 8 billion!

Such a rich second generation must be the young master of the top family in China.

Is Qi that a small department manager can afford to offend him?

Will anyone steal his broken phone? There are hundreds of millions in his card, so his broken phone is rare?

He actually misunderstood Lin Wudi!

If Lin Wudi had a grudge, he would die without a place to bury him! At that time, the fat man's face was bloodless and pale.

The audience was shocked.

No one had thought that Lin Wudi was so young, and looked very handsome.

What's more unexpected is that Lin Wudi is so low-key. He is not like the other rich second generations. He is surrounded by a bunch of people. The clothes he wears are all street goods. Although clean, it does not look like a family at all. Master.

At that time, countless beauties on the scene were very interested in Lin Wudi.

Such a good man, if he is his boyfriend, how good.

Lan Wanwan, who was kneeling on the ground, was dumbfounded. He was Lin Wudi?

Thinking of myself boasting that I knew Ah Fu in front of him just now, Lan Wanwan's face was hot.

Ah Fu is just another person's little brother. He actually went to kneel and lick the other's little brother, but he flaunted his might in front of Lin Wudi.

I really lost my face to my hometown!

Wang Huimei could not accept this shocking news for a long time.

She regretted it very much.

She missed an opportunity to become a rich lady!

She missed the opportunity to meet a billionaire!

She missed the opportunity to be the hostess of the 300 million villa!

Regret it? Then regret it, but regretting is useless. She has already offended Lin Kaizi to death, and Lin Kai will not give her a chance.

At that time, Wang Huimei wanted to find a piece of tofu and killed her.

Lin Kai on the stage smiled slightly and looked at the people below.

"Wang Huimei, Lan Wanwan, right?" Lin Kai squinted at the two.

And the two of them shuddered.

"I said, this is my Lin Wudi's home, and I also gave you a chance, but you don't cherish it!" Lin Kai sneered.

"Afu."

"Yes." Ah Fu stood up.

"Throw it out, what to do, I believe you understand." Lin Kai said coldly.

"Yes." Ah Fu promised and waved his hand, and immediately someone dragged Lan Wanwan and Wang Huimei out.

At that time, Wang Huimei screamed, her eyes were helpless, but no one at the scene dared to help her.

Just kidding, helping her is equivalent to offending Lin Wudi!

Not long after, there was a cry of pain from outside, and everyone present knew what they ended up doing.

At that time, those who had looked down upon Lin Kai bowed their heads, not daring to look directly at Lin Kai on the stage.

Teach these two people, Lin Kai didn't have any psychological burden, these two people should fight!

Afterwards, Lin opened his eyes to the fat man who wanted to drive off.

"That fat guy!" Lin Kai shouted.

And the fat man shivered, turned around mechanically, and showed a smile that was uglier than crying.

"Lin...Lin Shao..." The fat man stammered and shouted.

"Your phone dropped, right? Do I need to find it for you?" Lin Kai asked with a smile.

The fat man shook his head, and said in a trembling voice: "It doesn't matter, Young Master Lin, I can find it myself..."

"Okay!" Lin Kai applauded, and said: "Tie his hands and feet, take off his pants, and blindfold him! Let him find it. I can't find it today. Don't **** go home!"

When the fat man heard it, his face turned pale.

He is also a character big and small!

But now Lin Kai actually wants to take off his pants and tie up his hands and feet. With so many people at the scene, how can he go out to see people in the future?

Maybe his company will fire him because of this!

At that time, the fat man knelt and begged for mercy: "No, Shao Lin, Shao Lin, I know I was wrong, no..."

But he hadn't finished his words. Two strong men had already rushed up. The two strong men took off his pants directly, tied his hands and feet, and closed his eyes. It was blindfolded, and his mouth was blocked.

“I’ll find it for Lao Tzu now, if I can’t find it, you’ll have been left for the rest of your life!” Lin Kai said coldly.

Everyone was stunned by Lin Kai’s thunder method. This Lin Wudi is really **** cruel!

Worthy of being the top rich second generation, everyone thinks so.

At this time, Lin Kai smiled slightly and said: “Well, what happened just now is just a small episode. Next, the two elders Xuan Ming will lead everyone into the time of selflessness.”

Lin Kai waved his hand and walked down from the podium. Applause broke out below.

Soon after, a burst of deafening music sounded, and the two DJs on the stage quickly drove the atmosphere of the scene, and suddenly the scene exploded.

But Lin Kai couldn’t stand the deafening music, and returned to a room with good sound insulation in the villa, closing his eyes and resting.

But not long after, there was a knock on the door.

“Boss, Cao Wanjin is here to find you.” Ah Fu’s voice came.

Lin Kai opened his eyes and smiled triumphantly. This Cao Wanjin really came.

“Let him in.” Lin Kai said.

“Yes.”

Soon after, the door of the room was opened, and a burly old man walked in.

The person here is naturally Cao Wanjin. Cao Wanjin is wearing black casual clothes. Although he is quite old, he has a very good figure and a kind of uncle temperament on him. Therefore, he also caught a lot at the party held by Lin Kai. Sister.

Enough playing now, finally remembered to look for Lin Kai.

Lin Kai lay on the sofa, tilted his head to look at Cao Wanjin, and laughed out: “Hey, I said you old man, you can meet you everywhere.”

Cao Wanjin smiled and said: “Ha ha ha, fate, I also came here, only to know that this party is yours.”

“Let’s talk about it, what’s the matter with me?” Lin asked straightforwardly.

Cao Wanjin smiled slightly and said, "That's it, it's the last time. I think Lin Shao, your looks and temperament are very suitable for the leading role in Wolf Warriors 3, and you still want to invite you to participate in Wolf Warriors 3."

After hearing what Cao Wanjin said, Lin Kai laughed at that time: "Participating in Wolf Warrior 3? Do you think Lin Wudi is short of money or women?"

Chapter 373: Beiwang Bookstore

Chapter 373

Lin Kai could figure out Cao Wanjin's intentions with his feet.

He just wanted to approach himself in the name of making a movie.

He had seen the eight billion in his bank card. Lin Kai believed that this huge sum of money was something that Cao Wanjin had been thinking about.

After hearing Lin Kai's words, Cao Wanjin smiled: "Ha ha, yes, Lin Shao, you are not short of money or women."

"But when shooting Wolf Warriors 3, you can touch the gun!" Cao Wanjin said with a smile.

Cao Wanjin naturally had his wishful thinking in his heart. He knew that Lin Kai didn't like money and women, but young people would definitely like to find excitement!

He didn't believe the Huaxia Kingdom banned guns, and Lin Kai was not interested in guns either!

"Gun?" Lin Kai raised his eyebrows, obviously showing an expression of interest.

In fact, Lin Kai was not surprised, because Cao Wanjin is a drug crocodile after all. He has a gun, which is not very strange.

"Yes, Wolf Warriors 3 will be filmed in Africa, and the local government will give us weapons and resources, one for self-defense and the other for the convenience of filming."

After hearing what Cao Wanjin said, Lin Kai deliberately showed a look of interest.

Is Lin Kai interested? Of course not interested.

He touched the gun every day in the army, and the weapons in Africa were very backward. Lin Kai did not have the leisure and elegance to go to Africa to experience the weapons in Africa.

However, he must now pretend to be interested and give Cao Wanjin a chance to approach him.

“Wolf Warrior 3 is not very interesting to me. After all, it is someone else’s work. Isn’t there any new film?” Lin Kai asked, tilting his head.

“Of course, as long as Shao Lin is interested in you, I can let you customize a movie of your own.” Cao Wanjin was overjoyed.

Lin Xinzhong thought it was funny and said, “Well, let me think about it. After I think about it, I will call you to inform you.”

After hearing Lin Kai’s words, Cao Wanjin nodded, got up and said, “I’m waiting for your call.”

After all, Cao Wanjin walked out of the room.

Cao Wanjin thought he had already succeeded a step, but he did not expect that it was Lin Kai who had succeeded.

Cao Wanjin had already begun to find ways to approach him, and he was eager to get Lin Kai’s financial resources.

But Lin Kai wasn’t in a hurry now, he finally came out to play once, and he could solve Cao Wanjin later.

The party was held until two o’clock in the morning, and the more than a thousand talents began to end.

But Lin Kai had fallen asleep long ago.

By the time he woke up the next day, the villa had been completely new, and Ah Fu had already cleaned the entire villa with his men.

After washing, Lin Kai put on his clothes, walked out of the villa, and took a walk in the community.

As he walked, Lin Kai had already walked out of the capital of the famous city.

The capital of the famous city was established in the most center of Jinling City. It became the capital of the famous city and came to the bustling central street.

The passenger flow on this road is very impressive.

And all the shops on this street basically make a lot of money.

However, a shop directly opposite the capital of the famous city attracted Lin Kai's attention.

There are four characters written on it.

Someone actually transferred the shop here? A closer look revealed that it was a bookstore.

bookstore? As the saying goes, standing on the vent, pigs can take off. With such a large passenger flow on this road, although the bookstore is not very popular, it will not lose money, right?

Lin Kai walked past the leisure courtyard and walked into the bookstore. Lin Kai found that the decoration inside the bookstore was very warm.

The temperature of the air conditioner is not high or low, and on both sides of the wall, there are a lot of bookshelves. In the center of the bookstore, there are about twenty tables. Next to the tables are very comfortable sofas.

This bookstore also sells coffee and drinks. It seems that this is not just a bookstore, but also a coffee shop.

The environment is good, but there is no one in this bookstore.

There is only one waitress in the huge bookstore, and the waiter is still taking a nap at the bar.

Lin Kai walked over and found that it was just a girl of 18 or 9 years old, who seemed to be a student.

With her arm resting on her back, with a gleam of saliva at the corner of her mouth, she slept soundly on the bar.

Bang bang bang!

Lin Kai knocked on the bar, only to see the girl swiping and sitting up: "Hello! Welcome to Beiwang Bookstore!"

The girl wiped her saliva very skillfully and rubbed her somewhat confused eyes. It seemed that this was not the first time she fell asleep while working.

Lin chuckled and asked, "Why is there no one in your bookstore?"

"Huh?" The girl looked dazed.

"Aren't you a guest reading a book?" the girl asked curiously.

Lin Kai shook his head: "No, I'm just curious. In a street with such a large passenger flow, a bookstore with a very good environment does not have a single guest. It is really surprising."

After hearing that Lin Kai was not a guest, the girl's nervous mood suddenly relaxed.

She rolled her eyes and said, "Is it weird that there is no traffic? This bookstore used to have a lot of customers. Later, a student hanged at the door of the bookstore. Since then, the bookstore has been empty."

"A student was hanged? Why?" Lin Kai became interested at the time.

"I don't know, this bookstore has been losing money now, and the boss is going crazy." The girl pouted helplessly.

"Aren't you afraid?" Lin Kai looked at the girl with interest.

And this girl seemed to be very nervous: "Fear? What is there to be afraid of? I am an atheist, I don't believe that there are ghosts in this world!"

Lin Kai was also amused at what the girl said.

At this moment, I saw a sound of cursing, and two people walked in from the outside of the bookstore.

"Fuck, just your broken bookstore. You ask me for half a million? Dreaming, right?" a middle-aged man with a big belly cursed.

The middle-aged man is holding a leather bag, his hair is bright, his suit and shoes, he looks like a nouveau riche.

And there was a woman next to him. She was about thirty years old. Although she was over thirty, she was maintained like a girl, and she still had a young woman's breath.

The young woman smiled helplessly at this time: "This boss, my bookstore used to spend 1 million a year just for the rent. With the renovation, it will be 1.5 million. Now 500,000 is changing hands. It's not expensive."

The middle-aged man sneered at this moment: "Hehe, don't think I don't know, your broken bookstore has died! The dead man died by hanging at the door! Now your bookstore has no customers, I Wouldn't it be a loss of death to buy it for half a million?"

When it came to this topic, the face of the young woman changed a little.

There was a little gloom in her eyes.

Indeed, this shop, just because of the death of people, not only has customers become scarce, but even the prices have plummeted!

“Two hundred thousand, if you sublet, sign the contract immediately!”

Chapter 374: Fei Mengyan

Chapter 374

Two hundred thousand?

To be honest, the price is very low.

Fei Mengyan's rent contract expired in eight months, that is to say, the 200,000, bought Fei Mengyan's eight-month contract, and the shop she spent 500,000 hard-covered.

It can be said to be very uneconomical.

However, Fei Mengyan has no choice!

At the beginning, she opened this bookstore with a loan. Originally, the bookstore was in good business. After only three months of operation, she had already repaid a loan of 500,000 yuan.

And now, only half a million dollars is needed to pay off the loan.

But I didn't expect that after such a thing, it would be bad for a female student to die. She would have to hang herself in front of her bookstore.

This time, the business was deserted, not Mengyan, and almost no money to repay the loan.

She now only hopes that she can sell the bookstore for 500,000 yuan, and then use the 500,000 yuan to pay off the loan.

She just feeds the dog all these three months.

But I didn't expect that several people came to ask for the price in a row, but the bids were not high. The person in front of me who bid 200,000 was already the highest bidder among the bidders.

How to do?

Fei Mengyan was hesitating and signed this contract? Two hundred thousand, too little!

If you don't sign this contract, the loan company will immediately sue itself. What should I do?

"You have to think clearly, your shop, except I will accept it now, no one dares to accept it!"

"Because you are a dead store, 500,000 yuan, I dare say that no one will rent it!"

The middle-aged man put his hands in his pockets, his face showed a confident expression.

Who would spend half a million renting a deadly shop?

Why does he dare to rent? That's because he intends to transform this shop into a car repair shop, which feels better than a bookstore.

No one wants to read in a bookstore where people have died, but no one is afraid to repair a car in a garage where people have died.

When Fei Mengyan hesitated, Lin Kai stood up at this moment.

"Five hundred thousand? I rented it." Lin Kai smiled lightly.

When Lin Kai spoke, both the middle-aged man and Fei Mengyan looked at Lin Kai with a surprised expression.

Lin Kai rented it?

The two of them looked at Lin Kai's dressing, and found that Lin Kai was just an eighteen or nine-year-old child, the middle-aged man smiled, and Fei Mengyan's face also showed a disappointed expression.

Can a child of 18 or 9 years old have money to rent a house?

"Hahaha, are you kidding? You have half a million?" The middle-aged man sneered and shook his head.

Fei Mengyan also shook her head. She didn't believe Lin Kai could have half a million.

At this time, Lin Kai took out his mobile phone and asked faintly: "What is your bank card account number?"

Lin Kai's serious expression made Fei Mengyan even more surprised.

This kid seems to be real!

But does he have half a million?

At that time, Fei Mengyan held the attitude of being a dead horse doctor and said: "My account is..."

After Lin Kai entered the account number, he didn't even think about it.

Soon after, I only heard a sound from Fei Mengyan's mobile phone: "Your bank card has received 500,000 yuan."

There are really half a million!

At that time, Fei Mengyan's eyes widened, showing an incredible expression.

Oh my god, happiness came too suddenly, right?

Fei Mengyan thought that it would be difficult for her to pass this level, but she did not realize that a child actually took out 500,000 yuan and rented her shop!

The surprise came so quickly, Fei Mengyan couldn't believe it was true for a while!

And the face of the middle-aged man turned black at that time.

He didn't expect that the little furry boy in front of him actually had 500,000!

Asking him to put out 500,000 yuan to rent this shop was already beyond his budget. At that time, I saw the middle-aged man snorted and went straight out of the bookstore.

After Fei Mengyan returned to her senses, it was like waking up from a dream, treating Lin Kai as her distinguished guest, and invited to the sofa.

"Please sit down and I will pour you a cup of coffee." Fei Mengyan said, and ran to pour Lin Kai coffee.

Soon after, a cup of coffee was placed in front of Lin Kai.

"I don't know your surname, Mr.?" Fei Mengyan asked gently, pulling her hair back.

Lin Kai smiled faintly: "Lin Wudi."

After hearing the three words Lin Wudi, Fei Mengyan was stunned.

After a long time, Fei Mengyan asked incredulously, "You... Are you Mr. Lin Wudi?"

"Do you know me?" Lin asked, starting to grab his coffee and smile.

Fei Mengyan nodded: "Of course you know, but you made the headlines in Jinling. Jinling rich man Lin Wudi bought a villa worth 300 million just for a party."

After hearing Fei Mengyan's words, Lin Kai was amused at the time: "Hahaha, just be happy, what about the contract? Sign the contract."

Fei Mengyan took the contract, and Lin Kai didn't look at it either. Anyway, it was only half a million, so he signed the contract directly.

Why rent non-Mengyan's bookstore? Because Lin Kai didn't think Feimengyan looked like a bad person, he rented the bookstore.

Give her a hand.

Besides, Lin Kai is too idle in the villa. It would be nice to come here for a cup of coffee when he is fine.

"Mr. Lin, thank you so much. Without your help, I really don't know what to do." Fei Mengyan held Lin Kai's hand before leaving, with a grateful expression on her face.

Lin Kai smiled and shook his head: "Don't thank me, I rented the study room, not to help you."

Fei Mengyan smiled softly, turned and walked to the door of the bookstore.

"That's right." Lin Kai suddenly stopped Feimengyan, who also looked back at Lin Kai.

"Recently, pay attention, don't go the night, you may encounter something bad." Lin Kai said casually.

Fei Mengyan was taken aback, then nodded: "Thank you."

Fei Mengyan left with a dazed expression.

She didn't even know what Lin Kai said.

And Lin Kai also saw a cloud of bad luck on her head. Lin Kai knew that she might have encountered something bad recently.

But not to belch, so Lin Kai kindly reminded her.

After renting the bookstore, Lin Kai walked around the bookstore.

This bookstore is not small, about 200 square meters, and the decoration is very exquisite, and it is brand new. The whole bookstore has no old places.

When he arrived at the bar, Lin Kai noticed that the little girl was standing behind the bar, looking at herself at a loss.

She is about 1.6 meters tall and looks very sweet. Because of her age, her body may not have matured yet.

She squeezed the corner of her clothes and asked cautiously: "Boss, should I continue to do it? Or should I get out now?"

Chapter 375: Huang Zhihu

Chapter 375: Huang Zhihu

What the waiter said made Lin Kai bewildered.

What do you mean?

What does it mean to keep going, or just get out now?

"What do you mean?" Lin Kai was confused.

The little girl said at this time: "You rented this shop just to do other business? Is it possible that you will continue to open the bookstore? Then it must be useless to keep me here."

"That's why I asked you, should I continue to do it, or get out of here now?"

Lin Kai said dumbfoundedly at this time: "I rented the shop just to be happy. Just keep doing it. I will send you the monthly salary."

"Really?" The little girl's eyes lit up and asked: "Then I will continue working here?"

Lin Kai nodded.

For this little girl, working as a waiter here is a very easy job. When I sit here every day, I don't have to do anything, just sleep.

There are no guests anyway.

Therefore, she doesn't want Lin Kai to use this shop to do other business. In that case, she would be unemployed.

Lin Kai looked for a few online novels in the bookstore and read them. One of them was a book Lin Kai liked very much. This book was "The God-level Extraction System of Special Forces".

The protagonist of this book is the same as himself, also called Lin Kai, and he is as powerful as himself.

The most important thing is that I heard that the author of this book, Crazy Carat, is a super handsome guy in the universe, so Lin Kai likes reading this book very much.

In the bookstore, Lin Kai took one day to sit. In the evening, Lin Kaigang wanted to leave the bookstore, but several cars stopped in front of the bookstore.

Taking a closer look, Lin Kai found that they were a few jeeps. I don't know what brand they were, but they didn't seem to be cheap.

There was a cracking sound of the car door, and a group of strong men came down from the jeep!

Every one of these strong men was not lost to Tyson, and they looked extremely scary.

And the brawny man in the lead, Lin Kai knew, he was the third young master of the Cheng family, what was his name Cheng Tao!

Unexpectedly, he actually found here!

When Lin Kai first came to Jinling City, in order to track Cao Wanjin, it was time to restart fitness. During restart fitness, Lin Kai beat Cheng Tao violently.

This Cheng Tao is the third young master of the Cheng family.

The Cheng family is in Jinling City. It is also a big family. Cheng Tao was spoiled and spoiled since he was a child. Where has he been wronged?

Immediately, he began to investigate Lin Kai's identity and background. After finding out that Lin Kai lived in the capital of the famous city, Cheng Tao rushed over with people non-stop!

With a snap, at this time, I saw Cheng Tao smash the door of the bookstore! The door of the bookstore was made of glass. At that time, the glass door became a piece of glass!

The girl at the bar was taken aback at this time, screamed, and hid behind the bar.

I saw Cheng Tao walking into the bookstore with a group of brawny men.

"Lin Wudi! Fuck, get out of me!" Cheng Tao roared.

But Lin Kai narrowed his eyes at this time, and his body was already exuding a faint murderous intent. Fuck, the store I just bought, and before a day has passed, I kicked the door to pieces, really tired!

At that time, Lin Kai stood up and walked towards Cheng Tao.

When Cheng Tao saw Lin Kai, hatred flashed in his eyes!

it's him!

Cheng Tao will never forget Lin Kai for the rest of his life, since childhood, even Cheng Tao's father didn't fight Cheng Tao!

But Lin Kai, he actually beat Cheng Tao into the hospital!

That is a grievance in Cheng Tao's heart! After returning home, he found his father.

And Cheng Tao's father saw his most beloved son being beaten like this, and he was on fire at that time.

Cheng Tao's father sent to Cheng Tao's top expert around him to avenge Cheng Tao!

I saw a strong man standing behind Cheng Tao.

The man is about 1.7 meters tall, not very tall, but he looks very strong, his eyes are sharp, and there are many calluses on the thumb and index finger of his right hand.

At a glance, he touched the gun!

That's right, this person is called Huang Zhihu, he used to be a special soldier in the Jinling Military Region!

And he is not an ordinary special force in the Jinling Military Region, he is the king of special forces!

Over the years, Huang Zhihu has been with the Patriarch of the Cheng family to protect the safety of the Patriarch of the Cheng family, and he is the top bodyguard hired by the Patriarch of the Cheng family at a cost of ten million!

Now that his son was being bullied, the Cheng family's head sent Huang Zhihu to avenge Cheng Tao!

"Lin Wudi, you are dead, dare to offend me Cheng Tao, I will let you die today!" Cheng Tao hated Lin Kai with gritted teeth.

Lin Kai looked at the few people behind Cheng Tao, smiled disdainfully, and asked, "Just your few people?"

"Just me?" Cheng Tao sneered at the time and asked Huang Zhihu behind him.

"Do you know who he is? The former soldier king of Jinling Military Region!" Cheng Tao said with a smug look.

King of soldiers?

Lin Kai looked at Huang Zhihu, and saw that Huang Zhihu had a straight waist and sharp eyes. He really had the murderous aura of a soldier on his body.

It's nice to be a soldier.

However, Lin Kai was not sure whether he was the king of soldiers.

"Even if it is the King of Soldiers, I will fight the same!"

Lin Kai sneered with a look of disdain.

"I, Lin Wudi, I haven't been afraid of anyone yet!" Lin Kai said coldly.

When Cheng Tao saw Lin Kai dare to be so arrogant, he sneered at that time: "Ha ha, Huang Zhihu, let him see how good you are!"

When Huang Zhihu heard the words, he stood up directly and looked at the solid wood chair aside. This solid wood chair was very strong.

At this moment, I saw Huang Zhihu stab himself down, and then he took a deep breath, as if he was in luck, and then, with a brush, he gave a palm!

Boom!

Only a sound was heard, and the solid wood chair was immediately split by Huang Zhihu's palm!

At that time, only a burst of applause was heard, and the strong men behind Cheng Tao clapped their hands and gave Huang Zhihu their thumbs up.

At this time, Huang Zhihu drew his breath and stood behind Cheng Tao.

Cheng Tao's face is a smug! Excited! Isn't your kid good? I know you can fight. Today, I found someone who can fight better than you!

Cheng Tao sneered in his heart.

Boy, you will die for me today!

“Awesome?” Lin Kai raised his eyebrows and smiled.

I saw Lin Kai stretched out one of his fingers and said to Cheng Tao and Huang Zhihu: “Believe it or not, I can use this finger to smash this solid wood stool!”

After listening to Lin Kai’s words, Cheng Tao and Huang Zhihu looked at each other at that time, and the two said in unison: “Bag!”

Chapter 376: Didn’t You Eat Today?

Chapter 376: Didn’t You Eat Today?

Split the solid wood stool with one finger?

That’s impossible!

Huang Zhihu used to be a soldier, and he knew how difficult it was to do that!

He splits the solid wood stool with his palm. This is hard work for decades. It is impossible to split the solid wood stool with one finger!

Because the solid wood stool is much stronger than the fingers, the fingers cannot withstand much force, even if the finger is broken, the solid wood stool will never break.

If Lin Kai could split the solid wood stool with his fingers, that would be a ghost.

“I don’t believe it?” Lin Kai smiled playfully.

I saw Lin Kai picked up a solid wood stool, stretched out one of his fingers, and slapped it lightly.

There was a snap, and the solid wood stool was immediately divided into two!

In the middle of the stool, there is a neat cut, as if the stool had been cut with an electric saw instead of splitting it with a finger.

As soon as Lin Kai made this move, the scene immediately fell silent.

Both Huang Zhihu and Cheng Tao widened their eyes, looking at the scene in front of them with incredible expressions.

How did he do that?

That solid wood stool is very strong!

And Lin Kai used one of his fingers to split it lightly?

Huang Zhihu looks calm on the surface, but a turbulent wave has been set off in his heart!

He used to be a special soldier, or a figure of the king of soldiers. He deeply understands how strong wood is.

Wood is not only hard, but also tough. People who can split solid wood with their palms are already incredible.

It's unheard of to split the wood with one finger.

"Fake?" Cheng Tao questioned looking at the solid wood stool that was divided into two.

Not only did he not believe it, but also the strong men behind him.

Even the little girl who secretly peeked at the bar didn't believe it!

"Fake?" Lin Kai smiled playfully.

"It's real or fake, you'll know if you try it out."

Lin Kai had an indifferent attitude.

Huang Zhihu and Cheng Tao looked at each other with fear in their eyes. It seems that this Lin Kai is a difficult person to provoke!

Cheng Tao's eyes rolled at this time, and he gave a smirk: "Hey, my bodyguard has no other advantages, just great strength!"

"If you have the ability, you can compare strength with him!"

Huang Zhihu's strength is indeed great. Last time, Cheng Tao watched with his own eyes. Huang Zhihu used his brute force to make a bull succumb to it.

Lin Kai's strength is not small, but he does not believe that Lin Kai can have Huang Zhihu's strength!

Lin Kai laughed disdainfully: "Hehe, I, Lin Wudi, can crush you with just one finger!"

After that, Lin Kai stretched out his little finger.

"Rampant!" Huang Zhihu looked at Lin Kai coldly.

He can beat Cheng Tao and other strong men to the ground, which shows that he is still capable.

But to challenge yourself with a finger is simply a dream!

It's crazy!

"If you don't believe me, try it?" Lin Kai moved his muscles and bones, and said indifferently.

"I hope you won't lose too badly." Huang Zhihu sneered and walked to the back of a table. A strong arm was already on the table.

Huang Zhihu stared at Lin Kai fiercely, he was going to break Lin Kai's little finger in a moment! Let him know the price of underestimating yourself!

Lin Kai was not afraid, but saw Lin Kai approaching Huang Zhihu and stretched out his little finger.

Just as the two were about to compare their strengths, the little girl at the bar suddenly ran out.

"Boss!" The little girl ran up to Lin Kai and said, "No, you will be injured, shall we call the police?"

The little girl looked at Lin Kai nervously. At that time, Lin Kai was a little moved. It seemed that this little girl was a good person.

As everyone knows, the little girl is completely afraid that Lin Kai is hospitalized and no one pays herself.

"Call the police? Haha, in Jinling City, who dares to take care of my Cheng Tao's nostalgia? Little girl, get out of here!" Cheng Tao pointed at the little girl angrily.

Lin chuckled, "Don't worry, I'm fine."

Seeing Lin Kai's insistence on this, the little girl could only sigh and stand aside.

At this point, both of them are ready.

Huang Zhihu's mouth was already showing a cruel smile, and he would let Lin Kai know immediately and underestimate his price!

"Start!" Cheng Tao gave an order, and the two began their formal competition!

Huang Zhihu instantly exerted his strength, only to see the muscles in his arm, immediately violent, the veins burst out!

The little girl couldn't help covering her eyes at this moment, she really didn't want to see the next scene of Lin Kai's finger breaking.

And Cheng Tao looked forward to breaking it! Pain! Scream!

But the scene that Cheng Tao imagined did not happen. After Huang Zhihu used all his strength, he suddenly realized that Lin Kai's fingers didn't seem to move!

At this moment, Lin Kai, who was opposite, was buckling his nostrils, just like a okay person.

Huang Zhihu's neck was red, while Lin Kai was downplaying.

Fuck, what the **** is this perverted strength?

At that time, Huang Zhihu's first thought was that this kid had started hanging up, right?

With his brute force, he can't even shake a finger of him?

I do not believe!

At that time, Huang Zhihu used all the strength of feeding, his eyes widened, his breathing was heavy, he roared, and his body pressed down!

"Pour it to me!"

However, Lin Kai remained motionless.

Lin Kai looked at Huang Zhihu with contempt, and smiled and asked, "What, brother, didn't you eat at noon today?"

As soon as Huang Zhihu heard this, he added a bit of strength at that time. Huang Zhihu really broke through his power limit!

Lin Kai estimated that there was a strength of about 130 points.

But unfortunately, he is a metamorphosis with 200 points of strength, and he is not his opponent at all.

At that time, when Lin Kai tried hard, Huang Zhihu's hand was directly pressed onto the table by a finger of Lin Kai.

Lin Kai smiled very badly: "Hey, sorry, you lost."

Huang Zhihu watched helplessly as his arm was pressed against the table with a strong force.

With a plop, Huang Zhihu sat down on the ground, dumbfounded.

This is impossible!

How can there be such a perverted person in this world?

Suddenly, Huang Zhihu seemed to have thought of something. He shook his head helplessly and gave a wry smile.

“It turns out that it’s a person from that place, who is offended.” Huang Zhihu stood up and gave Lin Kai a fist in a very respectful manner.

People in that place? Lin Kai was stunned, obviously not understanding what Huang Zhihu was talking about.

Cheng Tao was dumbfounded when he saw that Huang Zhihu, his general, was defeated. How the **** did he fight this? Huang Zhihu is not as good as a little finger of others, this is a fart!

Chapter 377: Ding Fu Lou

Chapter 377

For a while, Cheng Tao was dumbfounded, he didn’t know what to do.

The strong men behind him are probably not enough for others to fight.

At that time, the smile on Cheng Tao’s face was uglier than crying.

“Then what, Brother Invincible, this may be just a misunderstanding.” Cheng Tao barely squeezed a smile on his face.

“Misunderstanding?” Lin Kai stood up and approached Cheng Tao step by step.

“You just kicked the glass door to Lao Tzu’s shop where I just bought it. You said it was a misunderstanding?” Lin Kai raised his eyebrows and a cruel smile appeared on the corner of his mouth.

And Cheng Tao stepped back.

“Then what, I’ll install another one for you, one for you!” Cheng Tao said with a trembling voice.

Lin Kai gave a smirk: "Hey, actually, it's not a big deal."

When Cheng Tao heard this, he was overjoyed: "Yes, you don't know each other if you don't fight. From now on, you will be my elder brother and I will be your little brother."

"You want me to be your big brother." Lin Kai touched his chin and said, "Did you see this shop?"

"After ten days, I need to write my name on the real estate certificate. Besides, the decoration cost of this shop is at least 5 million yuan!"

"If you can do it, I can forgive you, if you can't do it, haha."

Lin Kai sneered, the threat was self-evident.

When Cheng Tao heard it, he was dumbfounded.

What did Lin Kai mean by buying this shop and giving it to him?

This shop is very large, about 200 square meters, and the location is very good. In the center of Jinling City, it is difficult to win this shop without seven or eight million.

Coupled with the luxury decoration cost of 5 million yuan, it is estimated that it will be about 14 million yuan.

Lin Kai, this is the lion's big mouth!

Although Cheng Tao is the top rich young man in Jinling City, after all, it is not everyone who is Lin Kai, more than ten million, it is his monthly flow.

At that time, Cheng Tao didn't even think about it, so he agreed, "Yes, Lin Shao, don't worry, I promise you will do it clearly!"

On the surface, Cheng Tao has a dog-licking attitude.

But he can understand in his heart that heroes don't suffer immediate losses!

When I left your broken shop, I found someone to smash it for you in the middle of the night!

I can't beat you, can't you still be overcast? At that time, don't think about having a birthday!

Huang Zhihu also seemed to see Cheng Tao's thoughts, and he muttered a few words in Cheng Tao's ear.

After listening to Huang Zhihu's words, Cheng Tao's face turned pale.

He didn't know what Huang Zhihu said in his ear, he looked at Lin Kai with awe.

"Huang Zhihu, right?" Lin Kai glanced at Huang Zhihu and asked.

"Yes." Huang Zhihu nodded.

Lin Kaixin is very puzzled, what is that place?

And Huang Zhihu guesses that he thinks he is from that place, so he respects him so much.

And Lin Kai couldn't make it clear, otherwise Cheng Tao would always be a trouble, let them keep misunderstanding, so as to dispel the wealthy and wealthy Cheng Tao.

"Since you know I am from that place, you know what to do." Lin Kai said with a slight smile.

Lin Kai is playing Huang Zhihu's words!

And Huang Zhihu didn't think much, he clasped his fists and said, "Don't worry, I won't reveal your identity."

"Yeah." Lin Kai nodded very proudly.

Then, Huang Zhihu and Cheng Tao hurried to Lin Kai.

After Lin Kai cleaned up the scene, he also left the study room.

In the villa, Lin Kai kept wondering, where is that place?

Suddenly, Lin Kai thought of what Long Xiaotian had said to him.

In this world, there are people with genetic mutations. These people are called super powers because they have abilities that surpass ordinary people.

He once said that in the capital, there are teams dedicated to super players.

Could it be that he regarded himself as a member of the Super Power Team?

Maybe this is really possible.

The whole night passed quickly, and early the next morning, after Lin Kai finished washing, he received a call from Cao Wanjin.

Cao Wanjin invited Lin Kai to the top dinner in Jinling City.

This time the dinner, the people who came were all big brothers from Jinling City!

And these big guys all like Jianbao very much.

They like to collect babies. This time, the meal is said to be a meal, but it is actually the time for this group of big men to show off their baby.

The reason why Lin Kai participated in this meal was because the people who came this time were all the top predators in Jinling City.

One, Lin Kai wants to know these predators.

Second, see if there are any of Cao Wanjin's associates.

A Fu drove, and half an hour later, Lin Kai came to a restaurant.

Ding Fu Lou!

Ding Fu Lou can be said to be a top-notch restaurant in Jinling City, five-star, not only luxurious decoration, but also very good service.

When he came directly to the eighth floor of Dingfu Building, Lin Kai knocked on the door of an antique room.

"Please come in."

Lin Kai opened the door and strode in.

I saw a large round solid wood table in this single room. The solid wood table was made of mahogany and the chairs were made of mahogany. The whole room was filled with a smell of mahogany.

And beside the table, a group of people sat.

Most of them were old men in their 50s and 60s, and Cao Wanjin was among them.

Cao Wanjin, wearing a tunic suit, stood up and introduced with a smile: "Big guy, let me introduce you, this one is Lin Wudi, Lin Shao, who has made a lot of noise in Jinling City. He bought the villa just for the party. it's him."

The other old men nodded at Lin Kai, and their faces were all smiles.

But Lin Kai clearly saw that there was a hint of disdain in their eyes.

In their eyes, Lin Kai was just a junior.

It's just a rich second generation.

They are the top predators in Jinling!

If it were not for Cao Wanjin's face, Lin Kai would not be eligible to participate in this dinner.

"Please sit down," said a gray-haired old man.

Lin Kai sat down, next to Cao Wanjin.

The gray-haired old man was obviously very prestigious in this dinner. He was wearing a white Tai Chi suit. Although he was full of gray hair, he was in good spirits.

He is the president of Jinling City Appreciation Association, and everyone calls him Mr. Zhang.

Zhang Lao is not only the president of the Appreciation Association, but also the chairman of a jewelry company.

In Jinling City, his company is the top jewelry company.

"Everyone, I have a baby here, please take your palms."

At this time, an old man sitting opposite Lin Kai stood up, holding a teapot in his hand.

This teapot is not big, only the size of a palm, gray, and looks very old.

"This teapot has a history of hundreds of years. It used to be a teapot used by ancient emperors. It is very valuable!"

Chapter 378: Golden Eye

Chapter 378

This one is the chairman of Haoming Group, Zhang Haoming.

The teapot in Zhang Haoming's hand is exquisitely crafted, well-preserved, and antique, and it is also a very good gadget.

As soon as this teapot appeared, it immediately attracted the attention of many people.

At this time, Zhang Lao, the chairman of the Jianbao Association, stood up.

“Can you lend me a look?” Zhang Lao asked.

Where does Zhang Haoming dare to neglect? He stood up quickly and offered the teapot with both hands.

After getting the teapot, Zhang Lao took out a pair of myopia glasses from his pocket. After putting on the myopia glasses, he carefully watched the teapot.

First observe with the naked eye.

Then he used his fingers to feel the surface of the teapot, and finally, Zhang Lao sniffed the inside of the teapot again.

After a long time, Mr. Zhang put down the teapot.

“It is a genuine product. This teapot is exquisitely crafted, but there is no lack of simplicity. And it is obviously from the Ming Dynasty master. The mark under this teapot is not deceiving.”

“The mark under the teapot is very chronological. This cannot be faked. And inside the teapot, there is a scent of sandalwood. This scent is the scent that the teapot will emit after hundreds of years of baptism. child.”

Mr. Zhang made his own evaluation.

There was a burst of applause, and everyone applauded and nodded, smiling.

And Zhang Haoming also had a smile on his face. Mr. Zhang is the president of the Jinling City Appraising Association. He appraisal of treasures has never made a mistake. He said that this is the genuine product, and it must be genuine.

Mr. Zhang handed the teapot to the others and watched.

Soon after, I saw a slightly younger middle-aged man asking: “Boss Zhang, do you sell this teapot, please?”

The middle-aged man who spoke was also from a very big background, and his name was Wang Ye.

“I have liked tea since I was a child, but unfortunately, there has never been a teapot at hand. I think this teapot is not bad. If you take it back to entertain the guests, it will also save you face?”

Wang also smiled.

When Zhang Haoming heard the words, his eyes twitched.

Smiled: "Haha, you heard that just now, my teapot, but it's genuine, and Mr. Zhang has never made a mistake!"

Zhang Haoming's meaning is obvious, I am a genuine product, very expensive, don't buy it if you can't afford it!

"Money is not a problem, I pay 30 million for a price, how about it?" Wang also asked.

Thirty million, the price is really not low.

And Zhang Haoming touched his chin and hesitated: "This..."

"Forty million, no more." Wang also gritted his teeth and said.

The value of this teapot is not very high, but it is rare and expensive. There are many antiques from the Ming Dynasty, but there are really few teapots.

Especially this kind of well-preserved teapot is a fatal temptation for people like Wang Ye who love tea like his life.

"Since Boss Wang likes it so much, then I reluctantly cut my love and sell it to Boss Wang." Zhang Haoming nodded at this time and handed the teapot to Wang Ye.

After Wang also got the teapot, he loved it so much that he took it in his hand and observed it carefully.

Lin Kai had been watching quietly, and suddenly, a system voice came from Lin Kai's ear.

"The system prompts that there is a very bold task waiting for the host to accept!"

As soon as the system's naughty voice played out, Lin was happy in a sudden, not good!

"What task?" Lin Kai asked in his heart.

"Do you want a gold-level golden pupil? The golden pupil is a skill after the evolution of God Eye, a golden-level skill!"

Divine Eye has always been a very useful skill for Lin Kai.

If the God Eye can be upgraded to Golden Eye, then it is naturally the best.

"Want!"

“Okay! Now I will upgrade your **** eyes to golden pupils!” The system’s voice fell, and Lin Kai felt that something strange had happened to his eyes.

It was so numb, like a bug crawling on the eyes.

And Lin Kai’s eyes began to blur, and a pain came from the inside of his eyes.

This kind of pain reached the soul, and Lin Kai couldn’t help but exhale in pain.

“Fuck...”

“It hurts!”

Lin Kai exhaled pain, clenched his fist, and with a bang, Lin Kai couldn’t help but smashed his fist on the table!

However, fortunately, the pain did not last long, and Lin Kai recovered as before.

Opening his eyes, Lin Kai let out a long breath. Just as his nerves relaxed, Lin Kai was suddenly dumbfounded again.

I saw all the people at the dinner looking at themselves.

And their faces are not very beautiful.

As a junior, it was already an honor for Lin Kai to sit at this table.

But let’s not say that Lin Kai’s mouth is dirty, he is still making a lot of noise at such a high-end and elegant meal!

Smashed the table with a punch!

I saw a crack in the table in front of Lin Kai! This is mahogany!

The tea in front of many people was shaken down, making many people’s tea.

Seeing this scene, Lin Kaigang wanted to apologize, but before he could say it, Lin Kai saw Cao Wanjin next to him.

He is now Lin Wudi!

“What the **** do you see? Haven’t you seen a handsome guy?” Lin Kai said extremely arrogantly.

“presumptuous!”

With a slap, Zhang Haoming slapped the table and stood up with a look of anger: “Lin Wudi! Who do you think you are? In this room, does Lin Wudi speak for you?”

“No big or young! Regarding seniority, all the people present are your uncles!”

Lin Kai looked at Zhang Haoming and stood up swayingly: “Fuck!”

“Who the **** do you think you are? With this broken teapot, who will fool you?”

“A fake, so **** shy to say it’s a Ming Dynasty teapot?”

“This kind of teapot is all over the street! You can only fool him into a fool who doesn’t understand antiques!”

“And you, dead old man, as the president of the Jianbao Association, you know that it is an imitation, but you say it is genuine. Why do you intend to?”

Lin Kai’s words were astonishing!

I saw Zhang Lao and Zhang Haoming’s expressions changed. They stood up together and said angrily: “You nonsense!”

“What qualifications do you have to question Lao Zhang?”

“Lao Zhang has been the president of the Jianbao Association for decades, and he has never gone away once!”

“Old Zhang said it was true, it was true!”

Without saying a word, Lin Kai swaggered to Wang Ye’s front, and without Wang Ye’s consent, directly picked up the teapot.

Why does Lin Kai say that the teapot is fake?

It is because Lin Kai already has the ability to appraise treasures after the God Eye is upgraded to the Golden Eye!

Lin Kai’s eyes flashed, and the structure inside the teapot was pierced by Lin Kai!

Modern handicrafts, teapots imitated by modern technology, although lifelike, can’t escape Lin Kai’s eyes.

Snapped!

Lin Kai directly slammed the teapot to the ground. All of a sudden, the teapot fell apart and turned into a pile of debris.

“What kind of rubbish, I bah!”

“court death!”

Chapter 379: Fake

Chapter 379

The teapot became a pile of debris in front of everyone, Zhang Haoming and Wang were also dumbfounded.

At that time, only a plop was heard, and Wang also knelt on the ground, holding up the teapot shards with trembling hands, his eyes were red.

“you wanna die!”

The king also roared out loud.

He finally found such a treasure!

And now, he was actually thrown by Lin Kai!

Zhang Haoming also sneered: “Okay! You, Lin Wudi, dare to be such a rude, worth 40 million teapot, you said that you fell and fell?”

“If you don't give an explanation today, don't want to get out of this room!”

With a bang, only to hear the door being kicked open, a dozen strong men in black had already rushed in.

These people are the bodyguards of these Jinling predators, and their skills are comparable to those of special forces.

Mr. Zhang of the Jianbao Association also stood up, and he helped his glasses.

“Mr. Lin, you insulted my Appreciation Association and broke Boss Zhang's treasure. Today, you must give an explanation!”

“Yes! Must come up with an explanation!”

“Otherwise, do you think we Jinling people are all vegetarian?”

Suddenly, there was a sense of tension in the room.

If it weren't for Cao Wanjin's face, it is estimated that Lin Kai would have been torn to pieces by these men.

Cao Wanjin was also dumbfounded at this time. Although he knew that Lin Kai was a dude, he didn't expect Lin Kai to be so dude.

In the presence of so many big bosses in Jinling, I dare to be rude. As the saying goes, the dragon will not crush the snake!

And Lin Kai carried one of his own hands, even if he came to someone else's territory alone, he was not afraid at all.

Lin Kai picked up a fragment of the teapot and put it on the table.

Lang Lang said: "As we all know, the characteristics of Ming dynasty porcelain are generally plump and thick in shape, soft and rounded, giving people a simple feeling."

"But look at this teapot again, although the workmanship is exquisite, don't you think that such exquisite workmanship is a bit superfluous?"

"The real Ming Dynasty porcelain is exquisite in workmanship, but it is definitely not so complicated. When you look at the center of this porcelain, it is obvious that there is a shadow processed by modern technology. If it is not broken, you will never see it!"

Lin Kai's remarks are all true.

When everyone heard the words, they all looked at the fragment on the table.

All of you here are experts at playing antiques. If Lin Kai doesn't pick it up, it is estimated that few people really suspect that this thing is fake.

After all, even Mr. Zhang has been identified.

But looking closely now, as Lin Kai said, this thing is obviously a modern imitation!

Looking at the faces of Zhang Lao and Zhang Haoming, they both changed a lot.

Wang also looked at Zhang Haoming, this is a clear way to cheat him Zhang Haoming!

They knew that Zhang Haoming liked teapots, so the two colluded privately, one took out the imitation products, the other proved it, and then sold them to Wang Ye at a high price.

If it hadn't been for Lin Kai to stand up and break this matter, Wang would not have discovered in his life that the one he bought at a high price was actually an imitation!

After identifying the teapot fragments, everyone present nodded and agreed with Lin Kai's opinion.

"Yes, this is indeed an imitation."

"This imitation is exquisitely crafted. If it weren't for the reminder of the posterity, I would have been fooled by it."

"Imitation is undoubtedly."

Lin Kai stared at Zhang Haoming and Zhang Lao at this time, and asked with a smile: "Hehe, what do you say now?"

Zhang Haoming looked ugly. After holding back for a long time, Zhang Haoming said: "This imitation is so exquisitely crafted that it caused both Zhang and I to look away, so I sold this teapot to Boss Wang."

Lao Zhang's face was also ugly, but he also nodded and said, "Yes, this time, I was the one who left."

The two said that, and the others could not help them.

Although Wang Ye was angry, he also knew his weight. He was still too tender with Zhang Haoming and Zhang Lao Dou.

Therefore, Wang also had no choice but to sit down angrily.

"Little brother, you are also an expert!" At this moment, Zhang Lao looked at Lin Kai, hatred flashed in his eyes.

When Lin Kai exposed him in front of so many people, he already hated Lin Kai.

Lin Kai waved his hand: "Experts don't dare to be, just know a thing or two."

"Really? I have a treasure here called Killing God. It is one of the ancient murder weapons. After getting this treasure, I have been awake at night. Now I show it to my little brother to see if it is true or false."

A sneer appeared at the corner of Zhang Lao's mouth.

This killer is the most valuable treasure among his treasures!

Lin Kai must have never seen such a baby before. Then, let's see what he can say!

When everyone heard this sentence, they all brightened up. The **** of killing was very famous in the antique world of Jinling City.

“I have long heard that Zhang Lao has a famous knife, and I can finally see this famous knife today.”

“Yeah, it will be cut off when I hear the killing ***** blow it out. It is the number one sword in history. I can see it today. I am lucky for Sansheng!”

Everyone sighed.

Zhang Lao’s men took a box, opened the black leather box, and saw a bronze dagger lying in the box.

The bronze dagger and scabbard are made of bronze, and the whole body exudes light, which looks like a simple and ancient atmosphere.

Seeing Zhang Lao pull out the dagger, a cold light flashed, and saw a bright dagger appeared in front of everyone.

With a little effort, Zhang Lao inserted the dagger on the solid wood table. This dagger was very sharp.

There was a triumphant look in Zhang Lao’s eyes, this murderous god, but his most triumphant treasure.

Lin Kai must have never seen it.

If he couldn’t tell the reason for a while, Mr. Zhang would laugh at Lin Kai fiercely!

The others also lit up, looking at the Murder God on the table.

“Killing God, but the number one knife in the past, I saw it today, it really deserves its reputation!”

At this moment, Zhang Haoming pulled out the dagger from the table, and an enviable look appeared in his eyes.

Zhang Haoming pulled out a piece of hair from his head and blew it lightly. After hitting the killing blade, the hair split into two immediately.

At this time, Mr. Zhang smiled and asked: “This little brother, what do you think of me as a murderer?”

Lin Kai smiled slightly, he saw what Elder Zhang meant, he just wanted to laugh at his lack of knowledge.

Lin Kai didn't bother to look at that killer.

Because the real killer is here in Lin Kai!

"Kill God? The first sword in ancient times? I don't even need to look at it. You Kill God is fake!"

As soon as Lin Kai's words came out, the whole audience was full of noise.

Lin Kai actually said that Zhang's killer was a fake? Who didn't know in Jinling that the famous sword killing **** was in the hands of Zhang Lao?

Chapter 380: Real Killer

Chapter 380

"Fake?" There was silence on the scene.

Everyone looked at each other, and no one thought that Lin Kai actually said that Zhang's killer was a fake!

Killing God, the whole world is just one. Killing God is the sharpest dagger in China, and the dagger in Zhang Lao's hands is indeed extremely sharp.

And countless archaeological experts have proved that this killer **** is genuine and genuine, but Lin Kai actually said that this killer **** is a fake?

At that time, a ridiculous laughter came out.

Everyone shook their heads. Lin Kai was still too young. Even though Lin Kai had two skills in appraising treasures, he was still confused when facing a truly invaluable treasure.

At that time, Old Zhang shook his head and smiled: "Haha, hahaha!"

"Boy, you are the first person in history to say that the old man is a fake!"

Old Zhang shook his head with a smile on his face.

In his eyes, there was a mockery of Lin Kai.

Lin Wudi? You embarrassed me just now, now I embarrass you!

"Young man, people are not terrible without knowledge. The most terrifying thing is that they have no knowledge and pretend to be knowledgeable."

“My killer has been identified by countless experts, and it is undoubtedly authentic.”

“You actually said it was a fake, do you have any evidence?” Zhang Lao asked.

This killer was bought by Zhang Lao at a high price. Although it could not cut iron like mud, it was much sharper than a normal dagger.

And the bronze used to build this dagger is also top bronze.

Only this bronze is worth tens of millions now.

He actually said that his killer was a fake?

At this time, Zhang Haoming also sneered and said, “Hehe, I don't know any antiques at all from this kid! Just now, he was fooled by him. Now, he actually said that Zhang's murderous **** is a fake. It's a big joke. !”

“Yes, it's impossible for Zhang's killer **** to be a fake.”

Everyone nodded, no one believed what Lin Kai said.

Even Cao Wanjin shook his head. He asked, “Invincible, what evidence do you have that this murderer is a fake?”

Lin Kai smiled slightly and said, “Because the real murderer is with me!”

When Lin Kai said this, the audience was silent for several seconds.

Then, a burst of laughter broke out.

Everyone in the room, laughed!

Even the bodyguards who have always been highly qualified couldn't help but laugh.

All of you here are big and well-informed people. Generally they don't laugh unless they can't help it.

Lin Kai was really bragging, he actually said that the real **** of murder was in his hands.

In front of the authentic owner, he said that other people's things are fake, and the real thing is here.

Isn't that stupid?

Everyone laughed, and even Cao Wanjin couldn't help laughing.

Old Zhang smiled and smiled triumphantly. He liked to see this scene. He liked to see Lin Kai not knowing how to pretend to understand, and then being mocked by everyone!

Wasn't your kid awesome just now? Why are you talking nonsense now?

“Hahahaha! What a huge joke! I am a **** of murderer, but it is recognized as a genuine product in the antique world. You actually said that my **** of murderer is a fake. The real **** of murderer is with you?”

“Where is your killer? If you have the ability, take it out!”

Zhang Lao ridiculed for a while, and directly questioned loudly.

Zhang Haoming at the side also echoed: “Yes, since you said that Zhang's Killing God is a fake, then please take out the real Killing God and let us open our eyes!”

There was a burst of cynicism.

They didn't believe that there was any real God of Killing in Lin Jiuxian. The real God of Killing was just like that, in the hands of Zhang Lao.

It is impossible for Lin Kai to have any real killers.

Even if he has it, it must be fake and imitation!

Lin Kai touched his head and smirked, “You don't believe it, do you?”

“Do not believe it!” Everyone shook their heads in unison.

“Since you don't believe it, let's make a bet.” As soon as Lin Kai's words came out, everyone looked at Lin Kai in unison, betting?

“What bet?” Zhang Lao asked.

“Bet on whether my murderer is genuine!”

“If my killer is genuine, then everyone sitting there, go to the square downstairs and shout three times, Lin Wudi, I am wrong.”

“If my killer is a fake, instead.”

“Dare to bet?”

Lin Kai smiled confidently.

What Lin Kai wants to bet on is dignity!

Yes, since you want to play, then play a big one! Now Lin Wudi is not very well-known in Jinling City, but if this group of antique predators shouted three times in the square downstairs, Lin Wudi would be wrong.

Lin Kai's reputation is estimated to improve a lot immediately.

After hearing Lin Kai's words, everyone laughed.

"Hahahaha! Since you want to bet, we will bet with you!"

Lao Zhang didn't even think about it, and he agreed directly.

Your own killer, don't you know if it is true or not? Therefore, the gambling agreement proposed by Lin Kai was a joke in his eyes.

Because Lin Kai can't win!

"Bet!"

"I bet!"

"I don't believe that this kid can have any genuine killer gods in his hands, I bet it too!"

...

In a short while, everyone except Cao Wanjin gambled.

If Cao Wanjin hadn't looked at Lin Kai's billions of dollars of face, he would have participated in the gambling.

Seeing everyone taking part in the gambling, Lin Kai nodded and drank, "Afu!"

"in!"

As soon as Lin Kai's words fell, Ah Fu came in from outside the door.

Ah Fu was wearing a black leather jacket, and after the 1.8-meter-plus big man walked in, he stood directly behind Lin Kai.

"Give me my knife." Lin Kai stretched out his hand and said.

That's right, Killing God has always been with Ah Fu.

Without even thinking about it, Ah Fu took a dagger from his waist and handed it to Lin Kai.

Lin Kai put the dagger on the table, and saw that Lin Kai's dagger was almost the same as Zhang Lao's.

They are all bronze, the blades are straight, and they are all glowing with old light.

It's just that the scabbard of Lin Kai's dagger is engraved with two words, kill the gods!

And the scabbard of Zhang Lao's dagger was empty.

Everyone was taken aback when they saw Lin Kai's murderous god, and looked quite alike.

But Mr Zhang shook his head and said with disdain: "Hehe, it's really superfluous, and he even added the words "killing god" on the scabbard. It's so blatant, it's definitely not authentic!"

Everyone also nodded, agreeing with Zhang Lao's opinion.

Lin Kai smiled slightly, he picked up his killer, took the scabbard in his left hand and the handle in his right hand, gently pulling the killer out of the handle.

The moment the Killing God was pulled out, a bright cold light flashed. For a moment, everyone seemed to hear the sound of fighting on the ancient battlefield, and they seemed to see a picture of a golden dragon soaring in the sky.

The dazzling blade makes everyone unable to open their eyes!

Chapter 381: Killing Is Priceless

Chapter 381

That kind of aura made everyone unable to react for a long time.

It's really shocking!

The moment the knife was pulled out of the scabbard, everyone even felt that the dagger was resting on their neck, and it could kill itself at any time.

This kind of aura is not comparable to Zhang's killer god.

Everyone was shocked in their hearts.

Lin Kai held the Killing God in his hand with a playful look on his face.

Just now, Mr. Zhang forcefully inserted the dagger into the solid wood table, but Lin Kai didn't need to use force at all for this killer!

I saw Lin Kai threw the Killing God on the table, the sharp blade had penetrated the table as soon as it touched the table!

Only the bronze handle is exposed on the solid wood table.

This is the real God of Killing, this is the real cutting iron like mud!

And Zhang Lao's murderous **** can't do it at all!

At this time, everyone was shocked again, this dagger was really too sharp!

Old Zhang's eyes widened. He had always been very confident in his own killing god. He believed that except his own killing god, all other killing gods were fakes.

Until now, after seeing Lin Kai's killing god, he didn't know what it means to be someone outside of a person, and there is a **** outside of gods.

The Killing God in Lin Kai's hands is the real Killing God!

The real divine tool has a soul and is powerful. After seeing Lin Kai's killing god, everyone finally understood the meaning of this sentence.

Although killing the gods is just a dagger, people can't help but respect and worship it.

This is the real killer!

All of a sudden, the eyes of countless people present showed a light of greed.

Who doesn't want such an artifact?

"Did you see it? This is the real killer!"

Lin Kai smiled slightly, holding the handle of the knife, and pulling out his dagger with one stroke.

Lin Kai walked up to Zhang Lao with a dagger and looked at Zhang from a high level. Lin Kai slammed the Killing God out with a slap. Lin Kai's Killing God slashed directly at Zhang Lao. On the killing sword!

I saw Lao Zhang's dear baby, cut in half by Lin Kai!

"And your God of Killing is just a fake." Lin Kai smiled confidently, the God of Killing returned to the scabbard, and he threw the God of Killing to Ah Fu.

But the whole scene was silent at this time.

Everyone was stunned.

No one thought that Lin Kai's Killing God was actually genuine, and Zhang Lao's Killing God, the one that has been appraised by countless experts, was just a fake.

After seeing the real killer, everyone understands the difference between the genuine and the fake.

It's really a heaven and an underground!

I saw Lao Zhang slumped directly on the chair with a look of despair.

Killing the gods has always been his most beloved treasure, but now, Lin Kai tells him that his treasure is a fake!

As an antique fan of Aibao, he couldn't accept this result.

The blow to him was really too great!

He lowered his head in shame. At this time, Mr. Zhang had no face to face everyone.

He was actually hit twice by Lin Wudi, a brat! This is equivalent to hitting his old face!

Suddenly, Zhang Lao's face was also hot, and there was no place to show himself!

The faces of Zhang Haoming and others were also hot, thinking they had clamored that Lin Kai had no genuine products, but they didn't expect that they would be beaten so soon.

The real killer was actually here in Lin Kai!

This thing is a priceless treasure!

Even Cao Wanjin took a high look at Lin Kai at this time. The expression he looked at Lin Kai contained only two words, greed!

That's right, naked greed, he couldn't wait to eat Lin Kai whole person.

Lin Kai is so rich, not only is only eight billion, but now there is actually a priceless treasure!

He was already a little impatient. When he tricked Lin Kai into filming in Africa, when that time, everything Lin Kai belonged to Cao Wanjin!

It's just that when Lin opened this golden mountain, he had to move slowly.

As soon as Lin Kai's killing **** was revealed, this group of famous predators in Jinling City at that time began to fight for the killing god.

After all, Zhang Lao became the president of the Jianbao Association by relying on the killer in his hand.

If you can buy the killer, your value will skyrocket immediately!

At that time, Wang also stood up directly, holding a fist and bowing to Lin Kai.

"Mr. Lin, it's not right to be the king just now. It's the king who doesn't know Taishan."

"Excuse me, do you sell this dagger? I will pay a billion."

One opening is one billion, so high price!

But not only did he have the idea of buying the God of Killer, Zhang Haoming also stood up and said: "I have 2 billion, and I will definitely win this God of Killer!"

"Cut, Zhang Haoming, if you want to buy this killer, you have to weigh your own strength, I will give out 3 billion!"

"Five hundred million!"

...

In a short while, Lin Kai's killing **** was carried to a sky-high price of 8 billion!

At that time, Lin Kai himself was amazed. He didn't expect that the dagger that the old man gave him was so valuable, it was a priceless treasure!

But Lin Kai wouldn't sell it, because this dagger is thanks to a simple villager, it is priceless!

"enough!"

At this time, Lin Kai shouted, and the scene immediately fell silent.

"Now, please fulfill your gambling agreement. If you are men, please stand in the square downstairs and shout three times that Lin Wudi is wrong."

"Of course, if you feel that you are a despicable and shameless villain, you can leave now, Lin Wudi will definitely not say more."

"Because Lin Wudi has never bothered to make friends with villains, please feel free!"

Lin Wudi did not force them, but Lin Kai's remarks were very effective.

Dont you call yourself literati gentlemen? Dont you call yourself antique predators?

Now, whether you are hypocrites or real villains is all up to you.

It was Wang Ye who stood up first. Lin Kai helped him. He originally owed Lin Kai a favor, but now that Lin Kai has a murderer in his hands, he is eager to curry favor with Lin Kai.

Without a word, he walked out of the room.

Wang also took the lead, and soon all the group walked out of the room.

Including Zhang Lao and Zhang Haoming.

Ten minutes later, I saw a group of seven or eight people, all standing in the center of the square, while Lin Kai was lying on the balcony at this time, took out his mobile phone, and made a video.

As soon as this group of old men appeared, they immediately became the focus of the square.

At that time, many people recognized them. After all, these people were all well-known people in Jinling City.

They blushed one by one, and after making a lot of determination, they shouted three times: "Lin Wudi, I am wrong! Lin Wudi, I am wrong! Lin Wudi, I am wrong!"

And this scene was all recorded by Lin Kai using his mobile phone.

After recording, Lin Kai handed the phone to Ah Fu.

"Distribute the video, I'm Lin Wudi's identity, now no one will question it!"

Chapter 382: Fei Mengyan's Prayer

Chapter 382

A week later, Zhang Lao and others shouted Lin Wudi I was wrong in the square on the video, which received millions of views.

The name Lin Wudi also resounded in Jinling.

Almost everyone in Jinling knows that there is a foreigner Lin Wudi who is very arrogant in Jinling. Although he doesn't know the background, he hit the third young master of the Cheng family when he came to Jinling!

And the third young master of the Cheng family didn't dare to fight back.

This young master Lin Wudi was even more generous with a three-billion-dollar villa, and he bought it without blinking his eyes.

After buying the villa, he even spent millions to have a party, and invited Jinling's rich second generation and beautiful women to come and play for free, just for fun.

Later, several bigwigs from the antique industry in Jinling City shouted that Lin Wudi was wrong in the square.

For a while, Lin Wudi was in the limelight in Jinling.

In this week, Lin Kai actually did not go out.

He just stayed in the villa for a week.

A week later, Lin Kai finally couldn't stay in the villa. He suddenly remembered that he seemed to have a bookstore.

Beiwang Bookstore.

The Beiwang Bookstore is now officially owned by Lin Kai. The third young master of the Cheng family has bought the Beiwang Bookstore for Lin Kai. It is said that it has spent 8 million!

And it still depends on the purchase of the third young master of the Cheng family, otherwise, the landlord will not sell it at all!

After buying Beiwang Bookstore, the third young master of the Cheng family directly wrote the name of the head of the household as Lin Wudi, although Lin Wudi's identity was fake.

But Lin Kai came out to perform the task. Lin Wudi was Lin Kai, and someone would operate it behind him. Anyway, the identity of Lin Wudi also belonged to Lin Kai.

Now that he has two properties in his own name, Lin Kai is very happy.

When he came to the door of Beiwang Bookstore, Lin Kai just glanced at his bookstore, and was dumbfounded.

He just said casually that Cheng Tao spent 5 million to renovate this bookstore.

I didn't expect Cheng Tao to take it seriously!

After a week, the new bookstore has appeared in front of Lin Kai.

I saw that the previous plaque had been replaced, and the huge Beiwang Bookstore with four characters was impressively in front of Lin Kai.

And the facade seems to have been designed by someone specially appointed. The whole facade gives a sense of grandeur and elegance. Even the floor tiles at the door have been replaced with new ones.

The door, replaced by a glass revolving door, looks very high-end.

After walking into the Beiwang Bookstore, Lin Kai was shocked by the little one again. On both sides of the Beiwang Bookstore, the previous bookshelves had disappeared.

All that appeared in front of Lin Kai were the mahogany bookcases!

And the books on the shelves have become brand-new books, including out-of-print books and new books, all types of books.

The floor was replaced with sheepskin rugs and central air-conditioning was installed. Even the sofas and chairs were replaced with leather.

After a glance, the bar was also changed, saying that it cost 5 million, Lin Kai absolutely believed it!

Moreover, the Beiwang Bookstore used to have no guests, but now it is overcrowded!

Because the price is still the previous price, the quality is better than before. I don't know how many times!

That little girl is busy at the bar right now!

After seeing Lin Kai here, the little girl wiped the sweat from her forehead, and complained a little: "Boss, if you have money to decorate our bookstore, you don't have the money to hire two more people?"

"With so many guests, I'm so busy!"

The girl's name is Xiaoqi, Ling Xiaoqi.

Xiao Qi stared at Lin Kai a little bit resentfully.

Also, the reason why she likes to work here is because of leisure.

Fortunately now, she has become the most affected person in the bookstore.

Lin Kai couldn't laugh or cry: "Okay, I will hire someone for you tomorrow. From then on, you will be the manager!"

"Really?" Xiao Qiyi asked happily.

"Of course it's true." Xiao Qi was very happy when he heard Lin Kai agree.

Is this a promotion? Miss from the bar, suddenly became the manager!

Xiao Qi was very happy.

It was until seven o'clock in the evening, and there were still many people in the library.

Because it was so cool in the bookstore in this hot summer day, Lin Kai had no choice but to increase the price in the store.

But there are too many wealthy people in Jinling, and the shop is still very busy.

At night, Lin Kai sat on the sofa and read a novel. When he looked up, he saw a familiar figure appearing in front of him.

The person standing in front of Lin Kai was a woman, about thirty years old, with a plump body and a charming face, but she seemed a little haggard at this time.

"Not Mengyan?" Lin Kai was a little surprised.

How did this woman who sublet the house to herself come back?

Fei Mengyan was also surprised when she saw the changes in the bookstore.

When the bookstore was in her hands, it could be said that it was very unprofitable because it was dead.

But now the bookstore is very busy!

"How can the business in the bookstore be so good?" Fei Mengyan looked incredulous.

Lin Kai smiled slightly and said, "With a little renovation, business will improve."

After hearing Lin Kai's words, Fei Mengyan gritted her teeth. After hesitating for a long time, she suddenly said, "Boss Lin, although I know my request is excessive, can you rent the bookstore to me again?"

"Huh?" Lin Kai frowned, his expression unhappy.

When the bookstore's business was bad, you rented the bookstore to yourself. Now that the bookstore's business is good, you want to take the bookstore back again?

"I only have 300,000 now, I beg you, can I transfer the bookstore to me?" Fei Mengyan took out a bank card from her bag and put it on the table.

Lin Kai didn't even look at the bank card, and said lightly: "I'm sorry, I have no obligation to rent the bookstore to you, because I don't want to rent it!"

Lin Kai refused Fei Mengyan very domineeringly.

When Fei Mengyan heard it, she gritted her silver teeth and plopped before kneeling directly in front of Lin Kai.

"I beg you, let me rent the bookstore! If I didn't have this bookstore, I would really be finished!" After Fei Mengyan knelt down, her eyes were wet in an instant.

At this moment, I saw five or six **** in fancy dresses walked in from the outside of the bookstore, and the leading **** was a short head, holding a watermelon knife in his hand.

As soon as these brawny tattooed men appeared, the room became quiet.

I saw the inch-headed man holding a watermelon knife and leading a group of gangsters into the bookstore.

After seeing Fei Mengyan, the inch-headed man yelled: "Fuck, this **** is here, catch her for me, don't let her run!"

The Cinchou man gave an order and saw the other four or five gangsters immediately approached Fei Mengyan.

Not Mengyan's face turned pale after seeing the group of gangsters: "It's over... it's over!"

Chapter 383: Just Leave If You Want?

Chapter 383

This group of gangsters broke into the Beiwang Bookstore directly.

Fei Mengyan had no way to escape, and was forced into the corner by this group of gangsters.

The inch-headed man sneered and played with the watermelon knife in his hand: "Smelly bitch, where do you want to go?"

Fei Mengyan looked terrified, she hugged her arms and shrank in the corner:
“Strong...strong son, give me a few more days, I will definitely pool the money for you!”

Snapped!

Just after Fei Mengyan’s words were said, the innocent man slapped Fei Mengyan’s face directly.

Fei Mengyan cried out in pain, her face was already red and swollen.

Fei Mengyan’s tears fell unconvincingly, drop by drop, looking so pitiful.

“You also called Qiangzi? The boss used to think that you have a bookstore and can give you time to slow down.”

“But now, you don’t even have a **** bookstore anymore, and still have money to return to my boss?”

“Did you call Qiangzi? You used to be a boss. I can ask you to call me Qiangzi. Now, you are not as good as a lady in the alley!”

“Bitch, today’s million, if you can’t get it out, you understand the rules of the road!”

The inch-headed man gave a cruel smile and shook the watermelon knife in his hand.

Fei Mengyan’s face was pale with fright.

According to the rule of the road, if the loan shark fails to repay the loan, the finger will be chopped off!

“Brother Qiang, I beg you, give me a few days, and I will really return it to you!” Fei Mengyan pleaded pitifully.

It seems that Fei Mengyan still wants to kneel down for the inch-headed man.

When the inch-tou man heard this, he was angry at the time: “Fuck me for a few days to slow you down? How many days have I slowed you down? You still have no money!”

“Today, your deadline is either to take money, or you show me that I can delay your capital for a few days!”

Snapped!

The man with an inch put the watermelon knife in his hand on the table.

At this moment, Fei Mengyan looked at Lin Kai again.

That's right, Lin Kai.

Now Lin Kai is her only hope!

The business in the bookstore is so good now, if Lin Kai agrees to rent the bookstore to her, the innocent man will definitely give her time.

And ~~ the extent of the booming business of the house, I saw that Lin Kai promised to return the bookstore to herself, but within three months, she could pay off the debt!

The guests in the entire bookstore also looked at the Cuntou Man and others.

Feimengyan looked at Lin Kai, and Lin Kai frowned and looked at Feimengyan.

He now finally knows why Fei Mengyan asked himself to rent her study room.

Fei Mengyan came to Lin Kai's face, without a second word, she threw herself down on her knees, and saw Fei Mengyan's tears falling drop by drop.

"Boss Lin, I beg you, please return the bookstore to me!"

"I know that you are a rich second generation. If you don't need money, you should pity me and return the bookstore to me, okay?"

After hearing Fei Mengyan's words, Lin Kai smiled coldly: "Hehe, give it back to you? Could you please figure it out, I gave you the money, and the contract was also signed. This bookstore is now mine. How can I return it? Say?"

"Also, to tell you, I have bought the bookstore. Now I am the landlord. Do you know how much money I spent on the decoration of the bookstore?"

"five million!"

"Now, you are asking me to return the bookstore to you, do you think it's possible?"

After hearing Lin Kai's words, Fei Mengyan lowered her head in shame.

She knew that her request was excessive, and she also understood that the reason why the bookstore's business would become hot again was because Lin Kai had spent a lot of money.

Now I am asking to rent back the bookstore at a price of 300,000 yuan, which is simply a dream!

If it weren't for being forced into helplessness, she would not have done such a thing unless Mengyan.

“Smelly bitch, they won’t rent it to you at all, take it away!” The Cinchou man said angrily at this time.

He just stepped forward and grabbed Fei Mengyan’s collar, and saw Lin Kai appear in front of the Cuntou man.

The inch-headed man looked at Lin Kai up and down, and said angrily: “Get out of here!”

“I want to make trouble in my place and want to leave without saying a word?” Lin Kai looked at the inch-headed man in front of him coldly.

Lin Kai didn’t care about things that weren’t Mengyan, but the bookstore was his own. The inch-headed man came in with a sway, and if he caught someone, he wanted to walk away. Lin Kai didn’t allow it.

“What the **** do you want to do? Lao Tzu is here, and he really just comes and leaves if he wants!”

“You go out to inquire, Red Star Qiangzi, who the **** dare to mess with?”

The inch-headed man threw Fei Mengyan aside at that time, and five or six gangsters surrounded Lin Kai with a bad face.

“Red Star Hadron? I **** care about you, Red Star and Green Star, making trouble in my place, don’t let the **** go so easy!”

Lin Kai tilted his head and smirked.

The short-cut man also noticed that Lin Kai is a rich second-generation, and can buy this bookstore, you can see that Lin Kai’s background is not simple.

But his strong son dared to be so mad, and he was dependent on it.

“Boy, don’t think it’s great to have two stinky money. Do you know who I am? A man from Red Star! My boss is Red Star Tiger. Do you dare to offend Tiger?”

tiger?

After everyone heard the word tiger, their expressions changed.

Tiger is a well-known black boss in Jinling who specializes in loan sharking. Many rich people were destroyed by tigers.

The man who offended the tiger, this young shop owner, is dead!

“Hehe, what a **** tiger, I haven’t heard of it!” Lin Kai didn’t take that tiger seriously.

“Looking for death!” The inch-toe man yelled, pointed at Lin Kai, and said angrily: “Fight Lao Tzu! Beat it to death! You smashed the shop for a while, dare you to put Tiger in his eyes and kill him!” “

The inch-tou man’s voice just fell, and the gangsters behind him just wanted to move, but at this time, a strong man rushed in from the door.

The brawny man, a big man of more than 1.8 meters, is very burly and has a strange shape.

After he walked in, he shouted: “The crow is flying!”

brush!

I saw that the man flew high, his two hands seemed to be soaring, and he flew directly above the head of the cuntou man.

boom!

The Cinchou man was directly hit on the ground by the man. With a bang, the Cinchou man’s head hit the ground hard, and his head was bleeding.

The men of the inch-headed man are all dumbfounded. What kind of trick is this?

Without waiting for them to be surprised, a few more brawny men walked in from the door.

That brawny man, everyone is as strong as the guy in front of him, and he also has tattoos on his body. Each of their tattoos is full of murderous aura!

Their clothes are uniform suits, and their eyes are sharp.

There were a total of ten such brawny men, ten brawny men, directly surrounded the five or six small gangsters in the study room.

“Boss, I’m sorry, I’m late!” Ah Fu bowed deeply to Lin Kai.

Chapter 384: King Tiger

Chapter 384

“Boss?” The inch-headed man clutched his head and was helped by his younger brother.

After seeing the brawny tattooed men behind Lin Kai, he was dumbfounded.

so many people?

At that time, four or five people behind the inchtou man looked at me and I looked at you, but they didn't dare to move.

These ten men in tattoo suits are not nasty characters at first sight. I didn't expect that there are so many ruthless people in a small bookstore!

Lin Kai took the wet towel that Afu handed over and wiped his hands: "Qianzi? Tiger? Red Star?"

"What rubbish?" Lin Kai said in disdain.

Although the inchtou man was a little scared in his heart, he instantly felt confident again when he thought of the red star behind him.

"Who are you? Do you know the fate of offending our red star?" The strong man with an inch head supported himself and asked sharply.

"Oh? I really don't know." Lin Kai smiled playfully.

"Red Star?" Ah Fu frowned and said to Lin Kai: "Red Star is the largest gray organization in Jinling. Red Star Tiger is one of the founders of Red Star. This person specializes in lending usury and has rectified a lot. The rich are the famous ruthless people in Jinling!"

After listening to Ah Fu's words, the inchtou man also became proud: "Now you know who Brother Tiger is? We are acquainted, let us take this woman away, I can forget it!"

"If you insist on blocking our red star people from doing things, be careful my boss throws you into the river to feed the fish!"

furious!

Is Lin meeting afraid of the underworld?

Of course not afraid, because Lin Kai is a Huaxia soldier, and behind him is the Huaxia Kingdom!

If it weren't for Lin Kai's identity as Lin Wudi, Lin Kai would have uprooted that **** red star long ago!

Snapped!

Lin Kai threw down the towel in his hand: "Hit a beat and throw it out."

"Yes!" Ah Fu was ordered. At that time, one hand grabbed the inch-tou man, and he carried it out like a chicken.

The inch-headed man was dumbfounded at the time, did Lin Kai really dare to do it?

Isn't he afraid of tiger's revenge?

"You wait for me! My tiger brother will definitely avenge me!"

Next, there was a wailing sound from the street, and the five or six people waiting for the Cuntou man were beaten up by Ah Fu's people!

After they were dying, Ah Fu called them an ambulance and was taken directly to the hospital.

What **** red star tiger, Lin Kai doesn't take it seriously!

The entire bookstore's guests were also stunned by Lin Kai's thunderous methods. A small bookstore owner is so cruel!

Even the people of Red Star dare to offend a group of thugs.

For a while, everyone felt that Beiwang Bookstore was very safe.

Ah Fu quickly left with someone and returned to the capital of the famous city.

Lin Kai set up an emergency button for Xiao Qi at the bar. This emergency button was not used to call the police, but to notify Ah Fu.

As long as someone dares to make trouble, Ah Fu will come over within three minutes.

At this time, Fei Mengyan patted her chest and looked at Lin Kai gratefully: "Boss Lin, thank you."

Lin Kai said lightly: "No thanks, I'm not here to help you, you know, the bookstore is my place now."

Fei Mengyan nodded: "I know, but Mr. Lin, you offended the tiger's person, and the tiger will definitely not let you go."

"Tiger? Do you think Lin Wudi is afraid of this **** tiger?" Lin Kai smiled contemptuously.

Fei Mengyan shook her head. She said, “Boss Lin, don’t underestimate this king tiger. King tiger is a famous ruthless man in Jinling. Even the richest man in Jinling is afraid of him!”

“Because this person not only has a hard relationship in Jinling, but he also raised hundreds of thugs who specialize in loan sharking.”

“He is not afraid of any rich man in Jinling, because he has real force in his hands!”

After hearing Fei Mengyan’s words, Lin Kai also remembered this king tiger.

When I complete this task, I must report the situation in Jinling upward. Lin Kai must eradicate such evil forces!

“Don’t worry, Lin Wudi is not afraid, but you, how did you offend the king tiger?” Lin Kai asked.

Speaking of this, Fei Mengyan sighed: “Oh...”

“It’s a long story.”

“I was obsessed with ghosts at the beginning, and I followed Qiangzi’s words. From Wanghuo, I took a loan of 1 million, plus my own 500,000, and opened this Beiwang Bookstore.”

“The business was good at the beginning, and I have been paying back the money, but later I found out that Wanghuo gave it to usury!”

“The money is being repaid more and more. Up to now, I have paid 1.5 million for one million, but there is still one million of debts that have not been paid off.”

“Because of this incident, I sold all the houses and cars, but I still couldn’t fill in the big hole of Wanghuo.”

Upon hearing this, Lin Kai frowned: “Then you haven’t thought about calling the police?”

“It’s useless, even if it is called the police, the police dare not take the king tiger.”

“Because I had a bookstore before, and the monthly profit of the bookstore was very objective. King Tiger would not move me, but he would send someone to ask for money every month.”

“Now, the bookstore is in a sluggish business. I originally wanted to sublet the bookstore out, but I didn’t expect it. As soon as the bookstore was subletted out, Wanghuo broke out directly. He asked me for a million!”

“Where do I have a million? But if I didn’t pay the money, he threatened me with my family. I had no choice but to rent the bookstore back.”

While talking, Fei Mengyan Rika cried with rain.

Lin Kai also felt uncomfortable seeing this woman so pitiful.

She is a good person, but because of a wicked person like King Tiger, this good person was driven to a dead end!

“If you don’t dislike it, come to work with me, you will be the store manager, the king tigers will never touch you!”

After hearing what Lin Kai said, Fei Mengyan did not take it to heart: “It’s useless.”

“Wang Huo is not that easy to mess with.”

“You don’t care about this,” Lin Kai said.

In the end, Fei Mengyan still agreed to work at Beiwang Bookstore, because at Beiwang Bookstore, her personal safety can at least be guaranteed.

Lin Kai went to the public call booth outside and dialed He Zhijun’s phone.

Soon after, He Zhijun’s phone was dialed.

Lin Kai explained the situation of Wanghuo to He Zhijun.

He Zhijun: “What? In my Huaxia Nation, there are such underworld organizations? Don’t worry, I will contact the people of the Jinling Military Region immediately to eradicate the evil forces!”

“It’s wrong, Wang Huo’s people were just beaten by me, and Wang Huo was eliminated by the military. It is inevitable that Cao Wanjin will think of something.”

He Zhijun on the phone was silent for a long time and asked, “Then, what do you think should be done with this matter?”

“I think I can give Wanghuo a chance to make meritorious deeds. Please give me a company. I will solve this matter today!”
