

Special Forces God Level Extraction System – Chapter 417 - 448

Chapter 417: Suspect Lin Kai

Chapter 417 Suspect Lin Kai

This one is the commander of the combat brigade of the Datong Military Region, with the rank of major general and his name is Zhang Wei.

The Datong Military Region is the military region closest to the Snow Mountain. Zhang Wei rushed to the scene as soon as he received the order.

Zhang Wei was very excited. He had also heard about Cao Wanjin. It is said that Cao Wanjin is currently the largest drug lord in China.

If he can be arrested and brought to justice, Zhang Wei will definitely be able to be remembered by the military region.

“Don’t move!” Zhang Wei scolded again.

Lin Kai looked at Tian Guo, frowning, “Comrade, my own.”

“Your own?” Zhang Wei looked suspicious: “What do you use to prove that you are your own?”

Zhang Wei received the order, saying that an undercover agent had the evidence and exact location of Cao Wanjin’s drug trafficking. As for who the undercover agent was, Zhang Wei really didn’t know.

Lin Kai and Tian Guo in front of him were so young that Lin Kai and Tian Guo were still a famous brand, and Zhang Wei was naturally recognized as a member of the drug gang.

“I am from the Southeast Military Region.” Lin Kai frowned.

Lin Kai’s heart was very unhappy, he was a hero of the military district at any rate, but Zhang Wei’s attitude towards him was really too bad.

“People from the Southeast Military District?” Zhang Wei sneered after hearing this.

“Hehe, what I received was a combat order from the Beijing Military District. What’s the matter with your Southeast Military District?”

“You!” Tian Guo said with an akimbo at this moment: “If you don’t believe me, call and ask the chief!”

“Don’t ask the chief!”

Zhang Wei pointed to the corpses in this place and said, “How do you explain these corpses?”

“Could you not think that you two lone soldiers came to Cao Wanjin’s lair, and brought dozens of mercenaries with ak?”

Lin Kai looked serious and nodded: “Yes, I did kill them.”

“Joke!” Zhang Wei almost laughed at Lin Kai’s words.

There were dozens of people in front of these corpses.

Each of these dozens of mercenaries is a strong young man, and their combat effectiveness is not inferior to ordinary soldiers.

And Lin Kai looks so thin, how did he defeat dozens of mercenaries with ak?

There is only one reason, Lin Kai is lying!

“Do you think I’m a fool? You must be Cao Wanjin’s person? Don’t you and Cao Wanjin think that carrying these people is a burden, but you are afraid that they will expose you, so you just killed your men?”

The corner of Zhang Wei’s mouth showed a sneer, and a trace of triumph flashed in his eyes.

Judging from the situation at the scene, only such a statement is reasonable.

At this time, Cao Wanjin and the five Israeli mercenaries were also dumbfounded.

At that time, the six of them smiled gleefully and didn’t mean to excuse Lin at all.

“I said, I am from the Southeast Military Region!” Lin Kai emphasized again.

“Don’t talk about the useless nonsense!”

“I ask you, do you know about the Black Hawk Commando under Cao Wanjin?”

“That used to be Israel’s strongest special forces. With you two, can kill so many people in front of them?”

“So, you and Cao Wanjin are in the same group!”

“Stop quibbling, take it for me!”

“As long as you dare to act rashly, just shoot it!”

Suddenly, Lin Kai’s heart also rose with anger.

unacceptable!

He is a hero of the military region, and now, he was detained as a prisoner by this major general!

They are simply sitting back and enjoying their achievements!

Lin Kai wanted to show them a little bit of color, but when he glanced at Tian Guo beside him, Lin Kai still gave up this idea.

He couldn’t guarantee that he would survive so many guns, let alone protect Tian Guo.

At that time, four special forces members approached Lin Kai, two special forces members pointed their guns at Lin Kai and Tian Guo, and the other two special forces members directly put bright handcuffs on Lin Kai and Tian Guo.

“Why are you doing this? I want to complain to the head of the military region!” Tian Guo said, pointing to Zhang Weiwei.

Zhang Wei smiled indifferently: “Wait until you see the chief of the military region!”

“Clean the battlefield!”

With an order from Zhang Wei, more than fifty special forces began to clean the battlefield.

Except for Lin Kai and Tian Guo, only six people survived on the scene, Cao Wanjin and the other five Israeli special forces.

They were quickly taken under control, handcuffed and squatted aside.

Soon after, the battlefield was cleaned up.

A total of fifty-three ak47 rifles, fifteen m4 rifles, fifteen Browning pistols, five desert eagles, countless bullets were found.

Zhang Wei looked at the fighting marks on the battlefield, and he became more and more frightened.

Zhang Wei discovered that none of these dead mercenaries had gunshot wounds, all were wounds!

It looked like a knife wound, but it was actually a wound cut by Lin Kai's finger. Because the speed was too fast, the wound looked more like a knife wound.

More than fifty mercenaries had fatal stab wounds.

Are they infighting? Why are the wounds on their bodies all stab wounds?

Could it be that the people of the Black Hawk Special Forces team solved them with a dagger?

impossible! Although these people are Cao Wanjin's men, they can't just watch the Israeli special forces kill them with a dagger!

With so many people and so many guns, if they resist, they can wipe out the Israeli special forces.

Then, is it possible that they died in the civil war? Who killed it?

Zhang Wei's heart is full of doubts.

"Brigadier! In the village and in the snow on the right, several corpses were found!"

A special fighter reported.

Upon hearing this, Zhang Wei immediately issued an order: "Immediately move the body to the village, transfer the captives to the village, and take me!"

"Yes!"

Soon after, dozens of corpses were placed in front of everyone in Huangshan Village.

The wounds on these dozens of mercenaries were all stab wounds.

There are also five corpses of mercenaries, which are very strange.

These five mercenaries are Cao Wanjin's capable men, Israeli special forces, and Black Hawk Commando!

These five people are different from each other.

An Israeli special soldier widened his eyes and showed a painful expression. He saw a hole in his chest as if he was pierced by some sharp weapon!

It was definitely not punched through with a pistol, because the hole punched by the pistol would destroy the wound due to the impact of the bullet.

The wound in front of him was very neat, and seemed to be inserted with a cold weapon.

“Report! The cause of death of this Israeli special soldier is unknown. It looks like he was punctured by a sharp weapon and died.” A forensic doctor said.

Zhang Wei nodded.

The cause of death is so strange, who actually killed them?

At first Zhang Wei thought it was infighting, but now it seems that it should not be infighting.

Cao Wanjin will not even kill the people of the Black Hawk Special Forces, because these people are his right-hand man!

Chapter 418: There Are Pictures And The Truth

Chapter 418

Looking at another corpse, the death of this corpse was even more strange, and there was a hole in his chest with the thickness of a thumb.

The deceased had a pained expression on his face, clutching his chest as if he had seen a ghost.

The forensic doctor said: “Brigade commander, this body was found in an empty water tank in a family in Huangshan Village.”

“There are two thumb-sized holes in the shell of the empty water tank.”

“And we found this not far from the water tank.”

With that, the forensic forceps picked up a small stone.

This small stone was stained with blood, and because the temperature was too low, the blood had frozen into a ballast on it.

“The test results have come down. The blood on the stone is exactly the blood of the deceased, and the stone is basically consistent with the wound on the chest of the deceased and the hole in the water tank.”

Hearing this, the scene was silent again.

So, someone used this small stone to shoot through the entire water tank and killed the Israeli special soldier?

It sounds like a fantasy.

You know, even if you use a slingshot to eject this small rock, you can only smash a hole in the water tank.

But hitting a small rock through the water tank and hitting a person through it is as powerful as a large-caliber pistol.

How did this man die?

Everyone was very puzzled.

Looking at the remaining three corpses, the appearance of death is even more strange.

They all had pistols in their hands, and there was a blood hole in each temple. They shot themselves and died!

“There was one bullet missing from the pistols of these three men, and three Browning cartridge cases were indeed found not far from their deaths.”

As soon as the forensic doctor’s words came out, the scene fell into silence again.

These three people actually committed suicide so strangely?

These five Israeli special forces all died strangely with various methods of death, which made people creepy.

They were once Israel’s strongest special forces!

They are the king of soldiers!

Who on earth can make them die so strangely?

Who killed those dozens of mercenaries?

Zhang Wei can’t figure it out!

Finally, Zhang Wei looked at Cao Wanjin. Cao Wanjin may be the only person who knew.

At that time, Zhang Wei came to Cao Wanjin and said, “Cao Wanjin, you have been arrested. I hope you can work with us and explain the truth.”

Cao Wanjin glanced at Zhang Wei and sneered.

Cao Wanjin could think too much. He knew that he was caught and there was a dead end, so now Cao Wanjin is very cool.

“Yes, you ask.”

Zhang Wei asked: “How did the five of them die?”

Cao Wanjin glanced at Lin Kai and said absently, “He killed it.”

“He?” Zhang Wei looked at Lin Kai.

Can a young boy be a master of killing Israeli special forces?

“Cao Wanjin, I hope you tell the truth! I will ask you again, how did your dozens of subordinates die?”

Facing Zhang Wei’s question, Cao Wanjin answered truthfully: “That guy flew over from the sky, and then used a clone technique. More than 30 identical people were killed, and all of my men died.”

Zhang Wei broke out when he heard what Cao Wanjin said.

“Cao Wanjin! If you don’t cooperate with our work, just wait for you to die!”

Zhang Great!

He thought Cao Wanjin was playing him!

Where is anyone who can fly? Where is anyone who can clone?

Cao Wanjin is not willing to cooperate with his work!

Cao Wanjin rolled his eyes: “Believe it or not.”

“You!” Zhang Great was angry.

In desperation, Zhang Wei came to Lin Kai and asked: “I hope you can answer truthfully.”

Lin chuckled and said, “He is telling the truth.”

“You!” Zhang Wei was furious again.

Both of them are playing him!

Tian Guo also laughed at this time. Although she also knew that Cao Wanjin's words were unbelievable, what she saw with her own eyes knew that all this was true.

"Report! Brigadier, we found the surveillance in Huangshan Village and copied all the contents. Do you want to check it now?"

At this time, a soldier ran over holding a computer.

When Zhang Wei heard the words, his eyes lit up.

There are pictures and the truth! By looking at the monitoring, you can understand what is going on.

"Look!"

"Yes!"

The soldier turned on the computer and played the copied surveillance video.

The first scene is the scene where Lin Kai and Tian Guo are taken into the underground laboratory.

After seeing this scene, Zhang Wei frowned. Is it possible that Lin Kai and Tian Guo were not the ones who were with Cao Wanjin?

As soon as the camera turned, he came to the laboratory. In the laboratory, dozens of researchers were developing drugs.

After Lin Kai said a few words, Cao Wanjin ran away in a hurry.

Next, there was a scene of Lin Kai fighting with ten Israeli special forces!

In the picture, Lin Kai beat ten people alone. Although he fell behind, he was able to hold on.

After seeing this scene, Zhang Wei narrowed his eyes, Lin Kai is not easy!

To be able to compete with ten Israeli special forces at this level, Lin Kai must also be a master!

But two fists are hard to beat four hands, and Lin Kai's result is conceivable.

Lin Kai was forced into the corner, and ten Mitsubishi Army thorns were inserted into Lin Kai's body!

At that time, the blood was running down, and Lin Kai could no longer see it.

After seeing this scene, all the special forces onlookers who watched the surveillance stared with wide-eyed eyes.

During surveillance, the young man in front of him is dying!

And who is he?

Could it be a ghost?

Many people have goose bumps.

Although Zhang Wei was a little panicked, he knew that he was the brigade commander and he had to be calm.

“Why panic? It must be fake! He must have not died. If he died, he would not stand in front of us!”

After listening to Zhang Wei’s words, everyone felt relieved.

Then, ten Israeli special forces were about to deal with Tian Guo. At this time, the vision suddenly emerged, and Lin Kai, who was dying, stood up!

The countless **** wounds on his body healed at a speed visible to the naked eye!

Across the computer screen, everyone can feel the devilish murderousness of Lin Kai!

The ten Israeli special forces under surveillance panicked at the time, raising the ak47 in their hands and shooting in a burst.

Countless bullets were fired on Lin Kai’s body, and a spark exploded. Lin Kai was flabbergasted!

“Fuck me...” Even Zhang Wei, who is used to the big world, couldn’t help but explode at this time.

In a daze, Zhang Wei felt that he was watching a US blockbuster rather than watching surveillance video.

The flesh resists bullets! That’s too much!

Lin Kai was aside with a wry smile. It seems that after today’s events, he is likely to be taken away as a mouse for research!

Chapter 419: I’ll Forget It With One Shot

Chapter 419 I’ll Forget It With One Shot

Everyone who saw the surveillance video was not calm.

The fatal wounds are all healed, and the body resists bullets. Is this a **** human?

Everyone stared straight at the computer screen, as if they were afraid they might miss some details.

During the surveillance, ten Israeli special forces fled after finding that the bullets were not effective against Lin Kai.

As soon as the picture turned, I saw an Israeli special soldier running desperately in a corridor!

Suddenly, the screen flashed, and only a dark shadow flashed by, Lin Kai holding Tian Guo quietly appeared behind the Israeli special soldier.

Just a finger penetrated the man's heart!

With a plop, the man fell to the ground.

Everyone looked at the special soldier whose heart was pierced on the ground. Now they finally understand how he died and was killed by Lin Kai!

The speed of Lin Kai just now was really incredible, as if he was teleporting!

However, he is physically resistant to bullets, and he wants to have such a fast speed, which can also explain the past.

Next, the screen turned again, only to see a special soldier rushing into the courtyard of a family and getting into the water tank without water.

Soon after, when someone kicked the door open, Lin Kai randomly picked up a small stone on the ground, flicked it at random, turned around and left the scene.

That's how the person killed by the little stone died.

The silence at the scene was astonishing. This result was really shocking.

Israel's top special forces were actually killed by a young man of 18 or 9 years old, and this young man had superpowers!

Using a small stone to pierce a water tank and add a person, what kind of hand strength is this? In other words, the handcuffs Lin Kai was wearing couldn't trap him at all!

Everyone felt a sense of crisis. They felt that Lin Kai wanted to kill them, just a matter of thought.

So, the three special soldiers who died in the snow were also killed by Lin Kai.

There are dozens of mercenaries who are also Lin Kai's masterpieces.

Just now Cao Wanjin said that Lin Kaifei had come over, and then killed everyone with his clone technique.

Just now Zhang Wei thought it was completely nonsense!

But now it seems that this may not be nonsense, it may be true!

So who is this person?

Zhang Wei looked at Lin Kai with a look of fear.

The strength of this man is really too strong, Superman!

"Who are you?" Zhang Wei asked.

Lin Kai looked indifferent: "Who do you think I am? I am who I am."

"Please cooperate with our investigation!" Zhang Wei didn't dare to get angry at this time, and said in a serious tone.

Lin Kai smiled helplessly: "I told the truth, you don't believe me, I don't speak, you say I don't cooperate, what do you want me to do?"

Is it possible that he is really from the Southeast Military Region?

A big doubt arose in Zhang Wei's heart.

It seemed that it was really possible. He remembered that the head of the Beijing Military Region explained that in this operation, there were two undercover agents.

Now it seems that Lin Kai and Tian Guo may really be undercover!

At this moment, Zhang Wei's phone rang suddenly, and Zhang Wei took out his military cell phone, and when he saw the telegram, he showed respect.

"Hello? Long Chief."

From the phone, there was a majestic voice.

"How is the mission accomplished? Has Cao Wanjin been arrested and brought to justice?"

There was a hint of joy on Zhang Wei's face: "Reporting chief, Cao Wanjin has been arrested! It's just..."

"It's just that after we came to the scene, only the researchers and six terrorists were left, and the rest were dead..."

"Dead?" The voice on the phone was shocked.

"I remember, Cao Wanjin seems to have an ace-level special force? They are all dead too?"

Zhang Wei replied: "Ten special forces, five died in battle, and five surrendered. When we came, it was already like this."

Hearing this, the person on the phone was silent for a long time and asked, "Could it be that Lin Kai did it?"

"Lin Kai?" Zhang Wei looked puzzled, he didn't even know who Lin Kai was!

"I said before that in this operation, there were two of our undercover comrades, a man and a woman, one named Lin Kai and the other named Tian Guo. Lin Kai is 18 or 9 years old this year, and Tian Guo is only in his early twenties. "

Hearing this, Zhang Wei's heart squatted. He looked at Lin Kai in handcuffs and was dumbfounded.

Is he really from the Southeast Military Region?

"Long Chief, is Lin Kai particularly handsome, or is he from the Southeast Military Region?" Zhang Wei's voice trembled when he asked.

The voice on the phone rang and said, "Yes, Lin Kai and Tian Guo are both from the Southeast Military Region. You must take special care of this Lin Kai."

"This young man is the best one I have ever seen among young special forces!"

"At only nineteen years old, he is already a major in his military rank, and he is also the captain of the special operations force. He has made third-class merit."

"This time you can complete the task perfectly. It is Lin Kai's credit to want to come."

"This kid has become so strong now that even the Black Hawk Commando can beat him. When he comes back, I must reward him!"

After listening to Long Xiaolin's words, Zhang Wei's heart was already cold.

Damn, I actually handcuffed Lin Kai!

Lin Kai turned out to be a special force that the head of Long was very optimistic about!

He is really a member of the Southeast Military Region, and now Zhang Wei also understands that this action has nothing to do with his own dime, it is completely done by Lin Kai alone!

There were dozens of mercenaries and five special forces, all of which were killed by Lin Kai alone!

People are the heroes in this action! And he actually **** the hero, this is simply a big joke!

And listening to the tone, Chief Long seemed to value Lin Kai very much, and Lin Kai would definitely be favored by Chief Long!

Who is the dragon head? General rank! The old chief of the Beijing Military Region is even a member of the Long Family in Beijing. Both his power and financial resources are not comparable to ordinary people.

In the future, if Lin Kai murmured a few bad things in Long Chief's ear, Long Chief would definitely miss him!

At that time, the bean-sized cold sweat on Zhang Wei's forehead shed, and he was the **** old birthday star eating arsenic, looking for death!

At that time, I saw Zhang Wei's face with a smile that was uglier than crying: "It turns out that it is Comrade Lin Kai, so lucky to meet..."

With that said, Zhang Wei shook Lin Kai's handcuffed hands very embarrassedly.

At this time, Lin Kai showed a flattered look: "Hey, hey, dare not be, I am a suspect. You are a brigade commander and a major general. How can you get close to the suspect?"

"If you want me to tell, you've seen the surveillance, I'm Murderer 6. If you don't want to die, just take the gun and kill me."

As he said, Lin Kai's mouth showed a playful smile.

Damn, dare to handcuff me, are you crazy?

Chapter 420: Forced Marriage

Chapter 420

At a young age, he is already a major. It seems that Lin Kai is only 19 years old this year!

The nineteen-year-old major, what is this concept?

Even the Chief Long of the Beijing Military Region attaches great importance to Lin Kai's future.

And he actually took him as Cao Wanjin's person and tortured it. If Long Xiaolin knew about this, he would definitely not be able to eat it!

Suddenly, Zhang Wei felt as uncomfortable as having eaten a fly.

"Comrade Lin, what are you talking about? It was all a misunderstanding, misunderstanding..." Zhang Wei's face showed a smile that was uglier than crying.

Zhang Wei is a major general, but now he is so low in front of a major, Zhang Wei's special forces are all stunned.

After all, they admitted Lin Kai wrong.

But this is also normal. After all, Lin Kai didn't seem to be a member of the military area at all, but more like a gangster.

Lin Kai sneered and didn't respond to Zhang Wei at all.

Zhang Wei's hot face pressed Lin Kai's cold ass, and he could only smile awkwardly at the time.

"Come here, why don't you take off the handcuffs for Major Lin?" At this moment, Zhang Wei gave an order and someone immediately removed the handcuffs from Lin Kai's wrist.

Tian Guo's handcuffs were also taken off, and the treatment of the two people changed instantly.

The two were prisoners just now, but now they are heroes, and everyone looks at Tian Guo and Lin Kai respectfully.

Tian Guo and Lin Kai can be said to have captured the largest drug lord in China, Cao Wanjin!

It even killed dozens of mercenaries under Cao Wanjin! After eliminating the evil forces, Zhang Wei knew that once the news spreads, Lin Kai and Tian Guo will surely become popular characters in various military regions!

Therefore, it is still necessary to make good contact with Lin Kai now.

“Report!” At this time, a special combat team ran over and saluted: “We were not far away and chased fifteen researchers. These researchers, who were once top students from various colleges, were arrested by Cao Wanjin. Or he volunteered to help Cao Wanjin develop drugs.”

“We found 1.5 tons of drugs in Huangshan Village and 1.5 billion in cash! There were hundreds of gold bars, more than 200 ak47 rifles, more than 50 m4 rifles, more than 300 grenades, and 10 rocket launchers were found. “

After hearing about Cao Wanjin’s financial resources, Lin Kai couldn’t help but raise his eyebrows. This Cao Wanjin can be said to be a heinous warlord!

There are people with money and guns under his hands, guarding this place no one knows, and he is really a soil emperor.

Cao Wanjin on the side also looked helpless. He didn’t expect that he would capsize in the gutter and be defeated by Lin Wudi!

And Lin Wudi is not actually Lin Wudi, Lin Wudi’s true identity is actually a special soldier.

And he is not an ordinary special soldier, he is already a major.

The dude aura on his body is so realistic. Maybe he was a dude in the first place, so Cao Wanjin was fooled.

“Take the captives on the plane, and leave 20 comrades to guard Huangshan Village. Take away all the drugs and weapons that can be taken away, and report to the above the situation of the war here!”

“Yes!”

With an order, the special forces team began to get busy.

Soon after, Lin Kai also boarded the plane and was sent back to Jinling.

After returning to Jinling, it was already the afternoon of the next day. Tian Guo was too cold to be frozen. After returning to Jinling, she suddenly became so warm again, so she naturally caught a cold...

And Lin Kai and Tian Guo can’t return to the Southeast Military Region for the time being, because they still have an arduous task that has not been completed. This task is to finish shooting the country’s blade!

This film is a film invested by Cao Wanjin. Anyway, it is the money that the drug lords paid. It is not filmed for nothing. This film is mainly used to promote the soldiers of China.

The matter of Cao Wanjin is being processed. The news of the arrest of Cao Wanjin, the No. 1 drug lord in China, has not spread in China.

News and newspapers are also not registered. It seems that Cao Wanjin is involved in too many cases, and it will not come down for a while.

Take a shower and go to sleep on the bed.

The next day, Lin Kai came to Beiwang Bookstore. The business of Beiwang Bookstore is still very hot. Fei Mengyan and Ling Xiaoqi are both busy in the bookstore, but it seems that Ling Xiaoqi's expression is not very good.

I saw Ling Xiaoqi standing behind the bar, working absent-mindedly, helping guests deliver drinks.

"Hey! What am I saying about you? I want Coke. What do you mean by giving me a glass of Sprite?"

A guest looked at the Sprite in his hand very dissatisfied.

It was then that Ling Xiaoqi suddenly realized that he hurriedly helped the guest change drinks.

"I'm really sorry, sorry..."

After changing drinks for the guest, Ling Xiaoqi started to be in a daze again.

Lin Kai moved in front of Ling Xiaoqi. After seeing Lin Kai, Ling Xiaoqi's eyes lit up, and a smile finally appeared on her listless face.

"Boss, are you back?" Ling Xiaoqi smiled.

Lin Kai nodded: "What's wrong with you? Why do you look listless? Who made you angry?"

Speaking of this topic, Ling Xiaoqi's face once again showed frustration: "My mother won't let me work outside, let me go back."

Lin Kai heard the words: "Then you go back? You should be in school at your age?"

Ling Xiaoqi nodded, looking helpless: "Yes, I was in school, but my mother insisted on me..."

“Ugh”

“Stop talking.”

Having said this, Ling Xiaoqi sighed and waved his hand, indicating that he didn't want to say anything.

Seeing Ling Xiaoqi's helpless look, Lin Kai knew that this matter was definitely not ordinary, and Ling Xiaoqi must have had some difficulty he didn't know.

Ever since, Lin Kai came to Fei Mengyan's side.

Fei Mengyan at this time was clearing the cups on the table.

“Sister Fei, what's wrong with Xiao Qi? You have a good relationship with her, tell me.”
Lin Kai asked, leaning against the wall.

Fei Mengyan stood up with a helpless smile on her face: “Little Qi was forced to marry by her family.”

“Forced to get married?”

“Yes, Xiaoqi was originally a sophomore, but his family didn't know what was going on. Seeing Qian's eyes were opened, Ling Xiaoqi had to be engaged to a young master. Xiaoqi was unwilling and ran out.”

“I thought she was pitiful at the beginning, so I took her here as a waiter.”

“Her parents thought she would be outside alone and would not stay long, but they didn't expect that Ling Xiaoqi had been outside for several months.”

“Life is pretty good now, so her parents can't sit down anymore.”

“Just yesterday, her mother came and said she wanted Ling Xiaoqi to go home and get engaged, or she would sever her mother-daughter relationship with Ling Xiaoqi.”

Upon hearing this, Lin Kai frowned: “Arranged marriage? Seeing money open? There are such parents in the world?”

Chapter 421: Picking Up Tattered Ones?

Chapter 421

Fei Mengyan also shook her head helplessly.

After all, it was Ling Xiaoqi's family affair, and Lin Kai was not very good at managing it, so it only depends on how Ling Xiaoqi chose.

At five o'clock in the evening, Lin Kai was lying on the sofa reading a newspaper, and Ling Xiaoqi came over with a twist.

I saw that Ling Xiaoqi had taken off his work clothes and put on his own set of clothes.

A beige sports jacket on the upper body, a pair of jeans on the lower body, and a pair of pink sneakers on his feet, dressed up as a student.

Ling Xiaoqi hesitated for a moment and said, "Boss, I want to take a leave of absence and leave work early today."

Lin Kai nodded: "Yes!"

Lin Kai decisively approved, but Ling Xiaoqi still had no intention of leaving.

I saw Ling Xiaoqi say again: "I want to ask you a favor, boss."

Lin Kai was very surprised. Although Ling Xiaoqi was young at the age of seven, she had a very strong personality. She didn't expect that she would ask herself for help.

"You said."

Ling Xiaoqi took out his mobile phone and let Lin Kai take a look.

I saw a text message on Ling Xiaoqi's mobile phone, and the sender's note was mother. This was a text message sent by Ling Xiaoqi's mother to Ling Xiaoqi.

"Little Qi, you haven't been home for three months. You have proven that you have the ability to live alone. Let's talk at Ruyilou at 5:30 this evening."

After reading the text message, Lin Kai said, "Isn't this great? Maybe your mother has figured it out and doesn't want to force you to get engaged."

Ling Xiaoqi bit her lip and shook her head: "No."

"Do you know what's going on in our family? My father is a worker, and his monthly salary is four thousand five hundred yuan, and my mother is a waiter, and his monthly salary is only three thousand yuan."

"I also have a younger brother. The consumption in Jinling City is so high, our family is very difficult."

Hearing this, Lin Kai was also very sympathetic to Ling Xiaoqi.

“Ruyilou, one of the top restaurants in Jinling, costs thousands of dollars for casual consumption.”

“My mother wants me to go to Ruyilou to talk to her, indicating that Feng Hai must be there!”

With that, Ling Xiaoqi’s eyes were moistened, and it was obvious that her heart was very uncomfortable.

After all, her mother gave her a feeling of selling her daughter.

“What do you want me to do?” Lin Kai asked in silence for a while.

“I want you to pretend to be my boyfriend and let my mother die! Even if Ling Xiaoqi died of starvation, I would not be engaged to Feng Hai!”

Ling Xiaoqi said angrily.

Pretend to be a boyfriend?

It just so happened that Lin Kai had nothing to do. Regarding his employees, Lin Kai could help.

“can.”

“Great!” Ling Xiaoqi’s eyes lit up and looked at Lin Kai very gratefully.

Lin Kai is a well-known young man in Jinling City. With him here, Ling Xiaoqi believes that Feng Hai will retreat when he is in trouble!

Therefore, Lin Kai and Ling Xiaoqi both walked out of Beiwang Bookstore. Ruyi Building is not very far from Beiwang Bookstore. It is too troublesome to drive back to the community.

So Lin Kai and Ling Xiaoqi walked for ten minutes and arrived at Ruyi Tower.

Ruyi Building occupies five floors, and each floor is very large.

The decoration at the door is even more luxurious. The hot-bodied welcome lady stood at the door and smiled at everyone.

Upon entering Ruyi Building, a waiter greeted him immediately.

“Hello, sir, madam, do you have a reservation?” the waiter asked.

“Table number five.” Ling Xiaoqi said.

“May I ask you, Miss Ling Xiaoqi?” The waiter glanced at his record sheet and asked.

“It’s me.” Ling Xiaoqi nodded.

“follow me.”

The waiter brought Ling Xiaoqi and Lin Kai to a table and left.

It seems that the man named Feng Hai has already booked a table.

This is the dining table on the first floor. There are five floors in Ruyi Building. The higher you go, the more expensive it is. The first floor is considered the cheapest in Ruyi Building.

Although it is the cheapest consumption, it is not affordable for ordinary people.

The solid wood dining table is made of natural stone slabs from Dali, and the sofa is also a leather sofa.

Sitting on the sofa, Ling Xiaoqi waited very nervously for his mother.

Five minutes later, only a middle-aged woman’s voice was heard.

“Little Qi, are you here so early? Mom is late.”

I saw a man and a woman walking towards him, in their forties. The man was wearing a suit, but his skin was dark and his face was humble.

The woman wore a gorgeous dress and carried a Chanel bag, which looked like a lady.

The two came directly to the opposite of Ling Xiaoqi and sat down.

The man is Ling Xiaoqi’s father, Ling Zhonghua, and the woman is Ling Xiaoqi’s mother, Ling.

Ling Xiaoqi looked at the dress of his parents, frowning at the time: “Mom! How do you wear the clothes that Feng Hai sent? Dad! I heard that you haven’t been to work for ten or more days, have you?”

Ling Zhonghua gave a dry cough: “Ahem, no need to go to work, Xiaohai has already promised me, let me go to his company as the personnel manager in a few days.”

“Your dad, I have worked so hard all my life, and I’m finally out of my head!”

Ling looked at the ring in his hand and couldn't put it down: "Oh, how sensible Xiao Hai is? Look at the necklace and ring on my body. They were all given to me by Xiao Hai. They are very valuable!"

Ling Xiaoqi was almost out of anger, her parents actually accepted Feng Hai's gift!

Didn't this push her into the fire pit?

At this time, Ling and Ling Zhonghua noticed Lin Kai.

Ling's family glanced at Lin Kai and found that Lin Kai was only eighteen or nineteen years old and dressed very ordinary, his brows frowned.

"Little Qi, who is this?" Ling asked.

Ling Zhonghua also looked at Lin Kai, frowning.

Ling Xiaoqi took Lin Kai's arm at this time and said confidently: "This is my boyfriend, Lin Kai!"

"Boyfriend?" Both Ling's and Ling Zhonghua's voices improved upon hearing these three words.

The eyes of Ling Shi and Ling Zhonghua were about to burst into flames at this time.

Xiao Qi actually has a boyfriend?

What about Feng Hai?

At that time, Ling gave a sneer and said, "Young man, what does your family do?"

Lin Kai smiled politely and said, "Hello, uncles and aunts, I do all kinds of business at home, and I do more complicated things."

Lin Kai is telling the truth. His family developed Jiangbei's catering, real estate, jewelry and other industries, and after Lin Kai helped Lin Ting regain the position of home master, the status of the Lin family in Jiangbei has been improved.

The Lin family now can be described as the overlord of Jiangbei!

After hearing Lin Kai's humble words, the Ling family didn't take it seriously.

"It's more complicated to do? Let me say, work in one line and love one line in one line. If you do it in any industry, you will only do it for two days in any industry. It is destined to have nothing for a lifetime."

“Your family’s business is so miscellaneous, isn’t it a mess?”

Chapter 422: Feng Hai

Chapter 422: Feng Hai

Suddenly, Ling’s sentence came.

The smile on Lin Kai’s face solidified at that time.

Ling Xiaoqi saw that his mother said this to Lin Kai, so she didn’t want to.

“Mom! What are you talking about? Lin Kai is great! He is the owner of a bookstore!”
Ling Xiaoqi said.

Ling Xiaoqi also knew about Lin Kai’s true identity, anyway, now that the mission has been completed, Lin Kai doesn’t conceal his identity anymore.

“Bookstore?” After hearing these two words, Ling’s laughed at the time: “Hehe, can I earn money by opening a bookstore now? What books can’t be read on the mobile phone app? Who would go to the bookstore to read?”

Ling’s face was disdainful: “Do you know that Feng Hai is a gamer, and his company has released a lot of popular games!”

“Feng Hai, his annual income is hundreds of millions! It is completely your blessing to see you!”

Ling clan said bitterly.

After all, Ling’s looked at Lin Kai and smiled disdainfully: “Don’t be fooled by this kid. You think he looks good, but can he give you happiness?”

“No!”

After Ling’s words, Ling Xiaoqi’s face flushed with anger.

“Who I choose is my own decision. You have no right to decide the rest of my life!” Ling Xiaoqi said stubbornly.

At this time, Ling Zhonghua, who had not spoken, said: “It is not your parents who decide the rest of your life. It is your parents who have worked for most of your life. They are really tired, so I want to relax.”

“Now, only Feng Hai has the ability to retire our couple early.”

After all, Ling Zhonghua's mouth also showed a bitter smile.

To be honest, he did not approve of this marriage at first, but under Feng Hai's financial blow, Ling Zhonghua decisively disarmed and surrendered.

The life of the rich is so cool!

Ling Xiaoqi bit her lip. She knew that her parents worked hard, and she didn't want to make her parents work hard.

But who Feng Hai is, she knows!

"Dad! Mom! Wake up! Since ancient times, men and women have talked about each other in the right place. Do you think a girl from a worker's family can have a high status even if she marries a rich family? Besides, Feng Haineng has been raising You old couple?"

"Impossible! There are too many women in Feng Hai! I'm tired of playing at that time, and kick you away anytime!"

Ling Xiaoqi saw Feng Hai thoroughly.

Ling's face changed, and she said angrily: "Impossible! We have also seen Xiao Hai's performance in the past two days, he is sincere to you."

"Furthermore, take a look at this boyfriend you are looking for. Is there any good person?"

"Looking so white, I don't seem to lie to the girl any less, when he gets tired of playing with you, it's you who is sad, and the parents are doing well for you!"

Lin Kai also looked helpless after hearing what Ling said.

"Auntie, uncle, don't worry, I'll be nice to Xiao Qi." Lin Kai said.

"What do you do to Xiao Qi?" Ling Zhonghua sneered: "Ha ha, do you know, how much is this suit on me?"

"More than thirty thousand! Armani's! Just how much money you can make in a month in the broken bookstore you opened? Can you afford my suit?"

"You and Xiao Qi are not suitable, you should leave as soon as possible."

Ling Zhonghua directly issued the eviction order.

Lin Kai was also amused by Ling Zhonghua. How much money can his bookstore make in a month? I dare not say that there are hundreds of thousands.

“That is, Xiaohai, who opened his own game company, has an annual revenue of hundreds of millions. Compared with Xiaohai, how are you better than others?”

“Don’t think that if you are handsome, you can hook up other girls, it’s impossible!”

Ling’s words are very ugly.

Lin Kai and Ling Xiaoqi looked at each other, Ling Xiaoqi’s eyes were full of bitterness, and Lin Kai’s eyes were full of helplessness.

At this moment, only a man came over.

The man was wearing a black slim-fitting suit, he was relatively thin, he looked like he was in his thirties, and he wore a pair of glasses. Although he was not ugly, he always gave a wretched feeling between his eyebrows. .

“Auntie, uncle, I’m sorry, I’m late.” The person here is naturally Feng Hai.

Upon seeing Feng Hai, Ling’s and Ling Zhonghua changed their attitudes.

The two stood up and gave up their seats for Feng Hai.

“Oh, Xiaohai is here, please sit down, please!”

The old couple invited Feng Hai into the seat very enthusiastically.

After Feng Hai took the seat, he looked at Ling Xiaoqi at a glance. After seeing Ling Xiaoqi, Lin Kai saw the insignificant meaning in his eyes at a glance.

This person seemed to have some special hobbies, Lin Kai discovered that he actually stared at Ling Xiaoqi’s little feet intentionally or unconsciously.

Although Ling Xiaoqi’s little feet are beautiful, ten toes are very round, and the feet are very smooth and white, but he can’t stare at others so straightforwardly!

Ling Shi and Ling Zhonghua obviously discovered this too, but they pretended not to see it.

At this time, Feng Hai also noticed Lin Kai, and after seeing Lin Kai and Ling Xiaoqi sitting together, his brow furrowed.

“This is?” Feng Hai asked.

“He is my boyfriend!” Ling Xiaoqi said directly before the Ling had time to explain.

“Boyfriend?” Feng Hai showed an unhappy expression on his face and looked at Lin Kai.

There was hostility in Feng Hai’s eyes.

“My name is Feng Hai, the chairman of Feng Hai Entertainment Company. This is my business card.”

I saw Feng Hai took out a business card from his pocket very pretentiously. It was a gold-plated business card.

Lin Kai took the business card and put it on the table casually.

Feng Hai is showing off his chairmanship!

“Dare to ask where you are?” Feng Hai stared at Lin Kai and asked.

Lin Kai didn’t hide it, saying, “I serve as a soldier in the Southeast Military Region and have a bookstore in Jinling.”

“Serving as a soldier?” Feng Hai laughed when he heard this.

I thought it was a big man, turned out to be a soldier!

Ling Xiaoqi is still young, and he likes his handsome soldier, it is not unreasonable, but Feng Hai is confident that he can compare Lin Kai!

“You have a lot of allowances for the army? You have to have several thousand yuan in a month’s salary, right?” Feng Hai showed a playful smile at the corner of his mouth and took a sip of tea.

Ling’s vision is so insightful, he still doesn’t forget to give Feng Hai a hand: “Oh, a few thousand yuan a month, I’m afraid I can’t even support myself?”

“Xiaohai, I heard that our game company has released a new game, which went on sale last month? Can you tell Auntie, how much did it sell?” Ling asked deliberately curiously.

She wanted Feng Hai to personally tell how much money she made last month, so as to beat Lin Kai!

Feng Hai pretended to be very forceful and said, “Hehe, there is not much money, it is all small money, it is forty to fifty million yuan.”

Earning forty to fifty million in a month, Feng Hai's expression on his face reveals pride and sorrow, and there is ridicule in his eyes.

Dare to steal a woman from Feng Hai? Do you have this qualification? Poor!

Chapter 423: You Liar

Chapter 423: You Liar

Although there are many wealthy people in Jinling City, those who can earn tens of millions a month are definitely the elite among the wealthy.

No wonder Ling and Ling Zhonghua are so fond of Feng Hai, after all, billionaires are hard to find.

Lin Kai smiled faintly, and didn't refute him.

Ling Xiaoqi sat on the side and couldn't stand it anymore.

"Mom! Dad! Are you selling your daughter? My daughter doesn't like him! Even if he is rich, I don't like him!" Ling Xiaoqi said angrily.

"Don't like it? Why don't you like it? Feelings are cultivated by each other. Together, they gradually like it." Ling Shi said.

Ling Zhonghua also nodded: "Yes, how nice Xiaohai people are! Young and promising, upright, and a good family background. Look at your boyfriend, besides looking good, what else is worthy of you? ?"

"Little Qi, don't be silly, Xiao Hai is your right choice!"

Ling Xiaoqi heard what her parents said, and almost couldn't help but tears well into her eyes.

She felt so wronged in her heart, and her parents wanted her to marry someone she didn't like. This feeling seemed to be a commodity.

Feng Hai glanced at Ling Xiaoqi, smiled slightly, confident in his eyes.

He glanced at Lin Kai playfully. Lin Kai was not in his eyes at all. He believed that under the attack of money, no woman could stand it!

"Auntie, uncle, shall we order first?" Feng Hai picked up the menu and asked.

"Good, good." Ling Shi and Ling Zhonghua replied with a smile.

Feng Hai opened the menu and looked at the signature dishes on the menu.

Ling Shi and Ling Zhonghua took a look next to them, and then they were speechless. The food here is really too expensive, right?

A random dish costs more than five hundred yuan. No wonder Ruyilou is one of the top restaurants in Jinling.

At this time, Feng Hai cleared his throat and said, "Ahem, so, I like their signature dish, Dongpo meat, what do aunts and uncles think?"

Feng Hai deliberately raised his voice.

Ling glanced at the price, and exclaimed, "Xiaohai, this Dongpo meat is just over 3,000 yuan? Isn't this too extravagant?"

Feng Hai waited for Ling to ask him this sentence, only to see Feng Hai smiled and shook his head: "It's not expensive and not expensive. The chefs at Ruyilou are all the top chefs in China, and the ingredients are also the best in China. , Auntie and Uncle, you can eat happily."

After all, Feng Hai glanced at Lin Kai very pretentiously, as if he was crying.

Ling also sighed at this time: "Xiao Hai is really extravagant. Unlike some people, I'm afraid I can't sell a dish here with one month's salary?"

Ling's obviously mocking Lin Kai.

Feng Hai ordered a few more dishes, totaling more than 30,000 yuan, which was extremely luxurious.

After ordering food, he also ordered a bottle of red wine. Feng Hai looked around and pointed to the bottle of red wine on the menu.

"This bottle of Modang hero wine is good. I recommend aunt and uncle to taste this." Gentleman Feng Hai smiled.

Ling Shi and Ling Zhonghua looked at the bottle of red wine, they were almost not scared to death by the price of that bottle of red wine at the time!

One hundred thousand yuan for a bottle of red wine?

"Oh my god!" Ling patted his chest at that time: "Xiaohai, is this bottle of wine a bit too expensive?"

Two of them, one was a worker and the other was a waiter. They hadn't even drunk red wine, and even the 100,000 red wines even dared not even think about it.

But now, Feng Hai has red wine in his early 100,000 shots. This feeling of luxury makes their hearts beat faster.

It also made them more determined to make Ling Xiaoqi and Feng Hai engaged.

"It's not expensive." Feng Hai shook his head and smiled: "I usually drink this kind of red wine, which tastes good."

With that, Feng Hai called the waiter and handed over the menu.

Soon after, a table of fine dishes was brought up. The dishes at Ruyilou were not only delicious, but also very beautiful.

At that time, Ling took out his mobile phone and took pictures for a while. After taking the pictures, he did not forget to post a circle of friends.

At this time, the Ling clan noticed Lin Kai on the side. At that time, the Ling clan snorted extremely reluctantly: "Huh, whoever, if you are lucky today, this table will cost more than 30,000! Eat, Eat more and you will earn more!"

Ling's had already begun to hate Lin Kai.

He liked Feng Hai more and more.

Because the life of the rich is so extravagant!

And Feng Hai can let them live the lives of rich people, but Lin Kai can't. Maybe Lin Kai wants their daughter to endure hardship with him!

Lin Kai frowned, and Ling Xiaoqi's parents worshipped money to a degree that Lin Kai could not imagine.

"Uncle and aunt, don't you think that you are particularly sorry for Ling Xiaoqi for doing this?"

"She is still a child and a college student, but she was forced by you to not even go to college and go to work in my library."

"What do you think is the difference between doing this and selling your daughter?"

After Lin Kai said something, Ling Shi and Ling Zhonghua both looked at Lin Kai, their eyes widened.

“What are you talking about? Our daughter works in your bookstore?” Ling Shi almost screamed.

“Okay! I said why Xiao Qi didn’t even return home, it turned out that you fooled my Xiao Qi!”

“Why are you letting my daughter work in your bookstore? How much can you pay for my little seven in a month? No wonder, you have planned for a while!”

Ling clan slapped the table angrily. At that time, many people around looked at Ling clan and Lin Kai.

Ling Xiaoqi was also stomped with anger at this time: “Oh, mom! Lin Kai is good to me, he pays me 8,000 yuan a month! He also lets me live in a big villa, the capital of the famous city?”

“Huh?” Ling’s eyes widened when he heard it.

Work in a bookstore, earn eight thousand yuan a month? This is higher than the average white-collar salary!

The most important thing is, what is the capital of the famous city? That can be said to be one of the top villa communities in Jinling City. How can Lin Kai actually have the money to let their daughter live in?

However, Ling’s thought for a moment, and he could think that something was wrong.

Lin Kai is a soldier and has a bookstore of his own. Even if his bookstore business is better, he can earn tens of thousands of dollars a month, but can he have the money to buy a house in the capital of the famous city?

There is only one reason, and that is that Lin Kai rented a house in the capital of the famous city to cheat their naive daughter!

Feng Hai’s eyes were cold at this time. He had liked Ling Xiaoqi for a long time, so he tried his best to please her parents.

But now, Ling Xiaoqi is like a junior, and even the residence has been arranged by others. How can he not be angry?

At that time, Feng Hai looked at Ling Shi with a displeased expression. Ling Shi was also agitated.

“You liar! How dare to deceive my daughter, I can never spare you!”

Chapter 424: I Know Lin Wudi

Chapter 424 I Know Lin Wudi

Ling's slapped the table very angrily.

Feng Hai is honoured by her daughter.

Now that Lin Kai sat here, he was already the biggest disrespect to Feng Hai.

If Feng Hai knew that his daughter was being raised by this man, would Feng Hai choose Ling Xiaoqi?

Feng Hai's face was very ugly at this time.

He likes Ling Xiaoqi because Ling Xiaoqi has a pair of jade feet, and Feng Hai does have some special hobbies.

But there is still a very important point, and that is Ling Xiaoqi's purity.

He believed that Ling Xiaoqi was a very pure girl, a pure white piece of white paper.

And now, this pure white piece of white paper has been dyed a little black.

This made his heart very much.

But Feng Hai would not give up Ling Xiaoqi because of this, anyway, Ling Xiaoqi was just a plaything for him.

When Feng Hai gets tired of playing, he can kick it off at any time! The goodness of Ling's and Ling Zhonghua is only temporary.

Want to be a HR manager? Feng Hai sneered. You can be for two days first, but do you think I will really leave you with such an important position?

But Ling Shi and Ling Zhonghua didn't understand this.

They looked at Lin Kai very angrily.

And Lin Kai was also seen scalp numb, and said: "You have misunderstood, Xiao Qi is my employee, I should make her live better."

After hearing Lin Kai's words, Ling's arms sneered: "Hehe, you still know something about yourself."

"Tell you, my Xiaoqi, you don't deserve it!"

"Don't think that if you rent a villa, you can capture the heart of my little seven."

“Xiaohai’s house, I don’t know how many villas there are!”

After that, the Ling looked at Ling Xiaoqi again, and persuaded him with all his heart: “Little Qi, don’t be fooled by this man, this man is nothing good at first sight.”

“It’s estimated that the total of all clothes and clothes is only three hundred yuan.”

“Look at Xiao Hai’s clothes again. You know how formal they are when they come to see their parents. A suit is worth tens of thousands!”

“You boyfriend, you don’t have any education at first glance. When you come to see your parents, you don’t know how to dress more formally. What does it mean to sell goods all over?”

“Also, how good can a soldier be? How difficult is it to be in the army? How much money can an officer have a month? How much money can an officer have a month?”

“So, Xiao Qi, don’t be silly, Xiao Hai is your most correct choice!”

Ling Shi said something to Ling Xiaoqi, and Ling Xiaoqi bit her lip with a look of reluctance.

She knew that now her parents had been fascinated by Feng Hai, no matter what she said, there was no way to make her parents change their minds.

At this time, Ling Zhonghua didn’t forget to say: “By the way, I remember that in Jinling City, a new elder has arrived. What is Lin Wudi?”

“This Lin Wudi is famous in our Jinling City, Xiaohai and Lin Wudi can be known, Xiaohai and Lin Wudi, but they are of the same level!”

“Little seven, you think about it.”

Ling Zhonghua knew that young girls like Ling Xiaoqi would definitely admire young masters like Lin Wudi.

And Lin Wudi is indeed amazing.

So Ling Zhonghua moved Lin Wudi out.

At this time, Feng Hai also showed a proud expression.

Does he know Lin Wudi? Of course not, why did he say he knew Lin Wudi?

In order to pretend!

Who doesn't know, now Lin Wudi is the first-class celebrity in Jinling City, the madest young master in Jinling City, and even the top youngsters like Cheng Tao can only be a dog-leg for Lin Wudi.

Therefore, saying that he knew Lin Wudi, he also wanted to get Ling Xiaoqi.

Neither Ling's nor Ling Zhonghua knew Lin Wudi anyway.

After hearing the news, Ling Xiaoqi and Lin Kai were shocked.

Ling Xiaoqi and Lin Kai looked at each other with smiles in their eyes.

Know Lin Wudi? I do not know how?

But Ling Xiaoqi knew that Lin Kai was Lin Wudi, and she didn't believe it at all when Feng Hai knew Lin Wudi!

Because Lin Wudi is sitting opposite you, you can't recognize it?

Seeing Lin Kai and Ling Xiaoqi dumbfounded, Feng Hai thought it was Lin Wudi's three characters that calmed them, and a smug smile appeared on their faces at that time.

"Don't be too surprised. Although Shao Lin is not accessible to people of your level, Lin Shao and I are very good friends."

"Lin Shao has a 300 million villa in the capital of the famous city. After Lin Shao's tossing, the price of that villa seems to have risen to 500 million."

"Lin Shao often invites me to drink at his house. Lin Shao and I are good friends who talk about everything, Xiao Qi, if you are with me, I will definitely take you to Lin Shaos house and let you and Shao Lin got acquainted with each other."

After speaking, Feng Hai smiled.

Ling Xiaoqi laughed out loud, she couldn't help it anymore, Feng Hai was so bragging!

Seeing Ling Xiaoqi smiled, Feng Hai's heart was full of joy at the time. She smiled. She must have begun to dream of living with herself, and she has almost succeeded!

Ever since, Feng Hai took advantage of the victory and chased him: "Little Qi, you are still young. In some things, you must have your own choices."

"Maybe you have taken a fancy to his handsomeness, but have you ever thought about it? He is a soldier, one has no money, two has no time to accompany you, and three he is still too young and naive, such a person, although for a while Can give you a feeling of happiness, but you will never be happy with him."

“Although I am not good-looking, Feng Hai is definitely not ugly. I am 30 years old this year and older than you, but I am mature and I know how to be considerate to women.”

“And I have a wealth of wealth, and I can have more time to travel with you. I am the one who can give you happiness!”

“So, Xiao Qi, you think about it.”

Having said that, Feng Hai took out a car key from his pocket very pretentiously and put it on the table.

It was a Bentley car key.

A confident smile appeared on his face. He believed that under the attack of his own money, Ling Xiaoqi would soon fall into his arms, she could not hold on anymore, and she would succeed soon!

At this time, Ling Xiaoqi still felt that Feng Hai said that he knew Lin Wudi was very funny, with a smile on his face.

But she still didn't feel anything about Feng Hai.

At that time, I saw Ling Xiaoqi shook his head: “No, no matter how well you say, I won't be engaged to you.”

Feng Hai felt a little annoyed when she heard Ling Xiaoqi reject him again, but seeing the smile on Ling Xiaoqi's face, Feng Hai understood.

Ling Xiaoqi is shy!

Chapter 425: I Forward It To Lin Shao

Chapter 425

Feng Hai didn't feel it at all, but Ling Xiaoqi actually didn't feel at all for him.

He was still complacent, and seeing Ling Xiaoqi smiling at him, he thought in his heart that Ling Xiaoqi liked him!

At that time, Feng Hai glanced at Lin Kai triumphantly, as if showing off.

Do you see it? This is the power of the rich!

Ling also said at this time: “Xiao Qi, you see how well Xiao Hai said it. If there is no problem, I will get married today, right?”

Ling Shi looked at Ling Xiaoqi expectantly.

Ling Xiaoqi shook his head decisively, and refused: "Impossible! You want to order you! Anyway, I won't order!"

"You child, why are you not sensible?" Ling Shi was shaking with anger.

Feng Hai knew that he could not act too hastily. Since Ling Xiaoqi is still shy today and embarrassed to be engaged to him, he will take his time.

Feng Hai stood up at that time and said, "Auntie, uncle, I still have something to do. I will settle the bill first, and talk about it another day."

After that, Feng Hai beckoned and motioned to the waiter to come over and he wanted to pay the bill.

The waiter walked over quickly with the menu and bowed respectfully to Feng Hai.

"Hello." The attitude of the waiter is very good.

Feng Hai nodded, and handed his bank card to the waiter.

"How much do I spend in total?" Feng Hai asked casually.

The waiter glanced at his menu and smiled and said, "Hello, Mr. Feng, you have spent a total of 138,800, but you are a third-level member of Ruyilou, and give you a discount of 8,000."

Feng Hai nodded and said: "Swipe your card."

The waiter didn't touch the bank card, and said with a slight smile: "No, Mr. Feng, our manager has confessed to it. For the sake of Lin Shao's face, I will give you a free bill."

"Free bill?" Feng Hai himself was surprised.

138,000, no more?

Free yourself?

Lin Shao?

Feng Hai instantly thought of Lin Wudi. Could it be because he said that he knew Lin Wudi just now and was heard by their manager, so he waived the bill?

At that time, Feng Hai's face was red, and he also felt light on his face.

Even if he didn't know Lin Wudi.

"Hehe, thank your manager for me. Actually, Lin Shao and I are very good friends. Next time I will say something nice to your manager in front of him!"

After hearing Feng Hai's words, the waiter gave Lin Kai a weird look.

next time? What are you doing next time? Isn't Lin Wudi right in front of you?

Although the waiter is puzzled, we dare not say, we dare not ask!

"Ok."

After speaking, the waiter took out another box and placed it on the table.

"Sir, this is a gift for you."

With that said, the waiter put the box in front of Lin Kai.

In an instant, the atmosphere on the entire table became quiet.

Give Lin Kai a gift?

Who pays and who is the owner, can't this waiter tell? Actually gave the gift to Lin Kai?

Ling Shi stood up with a dissatisfied expression at the time and said, "Hey! I said what's the matter with you? Can't you tell who is the boss? What is the matter of giving things to him?"

The waiter just wanted to say something, but then Feng Hai spoke.

Feng Hai waved his hand with an indifferent smile on his face.

"Auntie, don't make a fuss. Although this Ruyi Lou is a top restaurant, we are rich, who cares about the gifts? So, this gift must be given to the least-status person at the dinner table!"

Feng Hai said proudly.

After hearing Feng Hai's words, Ling's expression showed a sudden realization.

"It turned out to be so."

After all, Ling looked at Lin Kai, hugged his arms, and sneered: "Hehe, have you seen it? People like you come to eat in such a big restaurant, and they are only worthy of gifts!"

“Senior people like us at the top of society will never accept such gifts!”

After all, Ling’s extended his old hand, showing off the ring on his finger.

Lin Kai frowned. Although he wanted to curse, he still endured Ling Xiaoqi’s face. After all, it was Ling Xiaoqi’s mother.

Besides, Lin Kai wasn’t really angry because he knew that the group of people in front of him could not even have a toe.

The doubt in the waiter’s eyes has deepened. What’s wrong with this group of people? Lin Wudi seems to be the most insignificant person at this dinner table. Is it possible that the people at this table are all big people who are more powerful than Lin Wudi?

The waiter resisted the doubts in his heart and opened the gift box in front of everyone.

I saw a silver watch lying in the gift box.

This watch is extremely beautiful, with a silver strap, a golden dial, and a hand studded with diamonds. On the whole watch, only two words are revealed, luxury!

This is actually a Piaget watch!

Feng Hai’s eyes widened at that time.

“I’m going, more than one million Piaget watches! Sterling silver strap, pure gold dial, diamond-encrusted hands, this kind of watch is actually a gift from your hotel?”

Feng Hai’s voice trembled a little.

Although he is the chairman of a company, his company is not large, and the annual profit is actually not that high.

After a year, the net profit is more than one billion.

For Feng Hai, more than one million watches are not a small number.

You know, they spent a total of only a few hundred thousand here, and the gift is actually a Piaget watch of more than one million!

At that time, Feng Hai’s eyes were almost staring out.

Lin Kai was also a little surprised, the manager here actually knew himself?

Give me a watch worth more than 1 million to cheat myself?

Faced with Feng Hais question, the waiters answer was rather calm: "Thats it. Our manager asked me to give this watch to Lin Shao."

After hearing the waiter's words, everyone suddenly realized that it was originally given to Lin Wudi!

Ling patted his chest at this time, and said, "Huh..."

"I was scared to death. I thought your restaurant gave away more than one million watches at will."

"So it was given to Shao Lin!"

Feng Hai's heart is also very excited at this time, more than one million watches, for nothing!

At that time, Feng Hai stood up and said, "That's it, Lin Shao is a good friend of mine, so I thanked your manager for Lin Shao for this watch."

After that, Feng Hai went to get the watch on the table.

The waiter finally couldn't help it at this time, and saw the waiter covered the lid of the gift box and picked up the gift box.

At that time, the waiter asked with a smile on his face: "This sir, this watch was given to Lin Shao by our hotel, not for you."

Feng Hai was also shocked. Feng Hai said at this time: "I know! Lin Shao is a good friend of mine. I will transfer this watch to Lin Shao for your hotel. Is there any problem?"

The waiter looked puzzled: "But Lin Shao is right in front of you, why do you want to pass it on?"

Chapter 426: Impersonating Lin Wudi?

Chapter 426: Impersonating Lin Wudi?

Is Lin Shao right in front of you?

When the waiter's words came out, everyone was stunned.

Where is Shao Lin? Why didn't they see it?

According to their understanding, Lin Wudi is the top young man in Jinling City! As for Lin Wudi's trip, he must have embraced before and after.

And now, in the entire Ruyi Building, it seems that the expensive young master cannot be seen.

Feng Hai looked puzzled, he looked around, but he couldn't find Young Master Lin.

Ling Shi and Ling Zhonghua looked at each other, and their eyes were full of doubts. Although they were getting older, they knew something about Jinling.

For example, Lin Wudi, they understood.

Lin Wudi is the number one young man in Jinling. Such a top young man is actually in Ruyilou?

Where is he?

The Ling stood up at the time and said proudly: "I said you kid, why are you talking nonsense? Where is Shao Lin? Why didn't we see it?"

"Yes, are you kidding us?" Ling Zhonghua was also very angry.

Feng Hai also looked at the waiter, looking bad.

The waiter was more certain at this time, the group of people in front of him didn't even know Lin Shao!

And their manager knew Lin Shao, and the waiter knew that the handsome young man in front of him was Lin Wudi Lin Shao!

At that time, the waiter gave a playful laugh, put the gift box in front of Lin Kai, and said, "He is Lin Shao!"

Is he Lin Shao?

As soon as this sentence came out, the air on the whole site solidified, and it was extremely quiet for a while.

After the waiter's noise, many people noticed it. As soon as the waiter said something, a burst of laughter broke out.

Everyone laughed.

Ling Shi and Ling Zhonghua laughed, and Feng Hai laughed and burst into tears.

The waiter in front of him actually said that this **** is Shao Lin?

Lin Wudi Lin Shao?

You know, Lin Wudi, Lin Shao, is the number one young master in Jinling City! And the Lin Kai in front of him, looks like such a dick, and he is a street vendor. Can such a person be Lin Shao?

At that time, Feng Hai pointed at the waiter's nose and cursed, "I said you're a part-time worker, are you blind? You actually call this **** Lin Shao?"

Ling's face also laughed and said at this time: "Haha, Xiaohai and Lin Shao are very good friends, can Lin Shao Xiaohai not recognize it? What a joke!"

The waiter looked at Feng Hai and Ling's confident expressions, and felt a little panicked. Could it be that his manager had admitted wrong?

Isn't he Lin Shao?

"You Diaomao, you dare to play Lao Tzu! Believe it or not, you can make you unable to work here!" Feng Hai laughed and pointed to the waiter's nose, angrily.

He was very angry in his heart!

He thinks that this waiter is totally playing with him!

He took out a watch worth over one million, and kept saying that he would give it to Lin Shao. Where is Lin Shao?

Lin Shao is not here at all!

Ling also fanned the flames at this time: "Dare to upset our Xiaohai, you are done! Waiting to be fired by your manager!"

Hearing the two of them talking to him so aggressively, the waiter's heart began to panic.

Is it possible that I really made a mistake?

After all, the waiter didn't know Lin Wudi, nor did he know what Lin Wudi looked like.

The Feng Hai in front of him said that he knew Lin Wudi, so that said, the Lin Kai in front of him might really not be Lin Shao.

At that time, the waiter broke down with a sweat.

The waiter picked up the gift box and bowed quickly: "I'm sorry, I'm sorry, I made a mistake, I'm really sorry..."

The waiter hastily apologized and bowed continuously. He knew that if he offended a big man who came here for dinner, he would really be fired!

“Go and call me your manager!” Feng Hai scolded angrily at this time.

Since the waiter did the wrong thing, Feng Hai is about to make trouble, maybe he can get a free order!

The waiter nodded repeatedly, holding the gift box containing more than one million watches, and ran to his manager.

After the waiter left, Feng Hai gave a sneer and looked at Lin Kai: “Hehe, there are people who recognize you as Shao Lin, what a joke!”

“It’s just like you, maybe it’s Lin Shao?”

“You are not as good as one of Lin Shao’s legs!”

After Feng Hai’s words, the Ling family also said sourly at this time: “Ha ha, how could this kind of person be Lin Shao? Besides, Xiao Hai, are you not good friends with Lin Shao? If Lin Shao is in front of you, Xiao Hai, you can’t you recognize it?”

“Haha.” Feng Hai also sneered.

At this time, Ling Xiaoqi finally couldn’t stand it anymore.

Her parents have been insulting Lin Kai, which made Ling Xiaoqi feel very sorry. After all, Lin Kai came to help herself!

At that time Ling Xiaoqi stood up and screamed: “Enough!”

This voice attracted the attention of the entire restaurant.

I saw Ling Xiaoqi akimbo, and said angrily: “I won’t hide it from you, in fact, Lin Kai is Lin Wudi, he is Lin Shao!”

When Ling Xiaoqi said these words, the audience was quiet for a long time.

Then, a burst of laughter broke out, and everyone was amused by Ling Xiaoqi’s words.

Some even took out their phones to take pictures.

Lin Kai also nodded at this time. He didn’t intend to hide it anymore. Lin Kai stood up and said, “Yes, I am Lin Wudi.”

There was another burst of laughter.

Feng Hai was almost laughing crazy at this moment, and saw Feng Hai rolling on the sofa with his stomach in his hands. The laughter was frantic.

“Hahaha! Laughing at me! Hahaha...”

After a burst of laughter, Feng Hai finally controlled himself to stabilize his emotions, and then said: “Are you Lin Wudi?”

“You are really ugly!”

“Do you know that impersonating someone else is a very rude thing!”

Feng Hai laughed and laughed at Lin Kai, but at the same time he didn’t forget to raise himself: “A **** like you is not worthy of impersonating Lin Shao! Do you know why?”

“Because you are the trash from the bottom of society! Lin Shao, a wealthy and young man, is my friend and an existence that you can’t afford to climb!”

Two words were written all over Feng Hai’s face, mad!

Lin Kai smiled slightly, stood up, saw Lin Kai round his arms without saying a word, and then slapped him over!

I only heard a sound of wind, and a strong wind came! Feng Hai only felt that there was a flower in front of his eyes, and with a snap, he fell on the sofa.

I saw a red palm print on Feng Hai’s face, and the corners of his mouth were beaten with blood by Lin Kai!

This slap can be said to have slapped Feng Hai in a daze.

And when Ling saw that his future baby son-in-law had been beaten, he exploded his hair, and saw Ling with his arms akimbo and screamed: “Do you dare to hit my Xiaohai? When my Xiaohai exposes you as Lin Shao, you become angry and angry. Right?”

Chapter 427: Manager Li

Chapter 427

“From annoyance to anger?” After hearing this word, Lin Kai’s mouth showed a playful smile.

Lin Kaixie laughed and said, “What makes me angry? I am Lin Wudi. I don’t need anyone to question my identity!”

Lin Kai said very domineeringly.

At this moment, I saw that from a distance, the manager of Ruyi Building walked over quickly with a few waiters.

Ruyilou has several managers, and this manager is the most prominent among the managers of Ruyilou.

His last name is Li.

As soon as Manager Li appeared, everyone exclaimed. It seems that there is a good show this time.

Manager Li came in person.

Feng Hai was beaten, and he was dissatisfied in his heart! Seeing Manager Li approaching, Feng Hai was overjoyed and greeted him quickly.

“Manager Li, you want to be fair for me! I...”

Feng Hai hadn't finished what he said, but Manager Li ignored Feng Hai and walked straight past him.

The waiters behind Manager Li didn't use their eyes to look at Feng Hai.

Feng Hai was dumbfounded, his stretched out hand froze in the air, neither did it retract it, nor did it continue to froze.

Somehow Feng Hai had a relationship with Manager Li, and now, Manager Li is totally unwilling to him!

I saw Manager Li came straight to Lin Kai. After seeing Lin Kai, Manager Li and the waiters behind him said nothing, bowed deeply, and several people gave Lin Kai a bow.

At this moment, Manager Li lowered his head and said: “Lin Shao, I am very sorry, I don't know if you are coming here, you are welcome!”

Lin Shao?

Everyone was stunned.

Manager Li, actually called this **** Si Lin Shao?

Manager Li seems to be the manager of a restaurant, but Ruyi Lou's influence is very big. Being able to become the manager of Ruyi Lou shows that Manager Li also has real ability!

And now, Manager Li actually respects that young man so much and calls him Lin Shao.

Is it possible that the young man who looks like a **** is really Lin Wudi?

Everyone was dumbfounded.

Feng Hai was also dumbfounded. He looked at Lin Kai, unable to react for a long time.

Lin Kai looked back at Manager Li and said, "Do you know me?"

Manager Li nodded and said with a smile: "I was lucky enough to meet Lin Shao, maybe you don't know me, but I do know you."

Lin Kai nodded and looked at the gift box in Manager Li's hand.

Manager Li said at this time: "I'm very sorry Lin Shao, I didn't get out to see you just now, I will come to see you Lin Shao as soon as I have time."

"This Piaget watch was given to you by me on behalf of our Ruyi Lou. Please also Lin Shao please accept it."

When Manager Li said this, everyone in the room exclaimed.

A Piaget watch of more than one million dollars, is it so given away?

This is really unprecedented!

Lin Kai glanced at the watch, and said, "I won't accept it without merit."

Manager Li smiled at this time: "This watch represents the heart of our Ruyi Lou. Our Ruyi Lou has always made friends with all the big brothers in Jinling City. If you don't accept this watch, Lin Shao, you will not give me face. "

Hearing what Manager Li said, Lin Kai took the gift box.

"okay then."

Lin Kai didn't even look at the watch, and directly gave the gift box to Ling Xiaoqi.

Lin Kai didn't even look at a watch worth over one million!

What a luxury!

Everyone exclaimed.

At this time, Ling and Ling Zhonghua, who were opposite Lin Kai, were dumbfounded.

The young man in front of him is actually Lin Wudi, Lin Shao?

They couldn't react for a long time. The news was too great for them. They couldn't accept the news at all.

The Lin Kai they had always looked down upon was actually the most famous young master in Jinling City, Lin Wudi!

Feng Hai is a fart in front of Lin Wudi! Feng Hai kept saying that he and Lin Wudi were good friends, but Ling Shi and Ling Zhonghua knew that Feng Hai was not worthy of Lin Wudi's shoes!

Their daughter is not without vision, on the contrary, their daughter is too visionary! Little characters like Feng Hai, their daughters simply look down!

Comparing Lin Wudi and Feng Hai together, this is the difference between a pile of gold and a pile of wasteland.

Ling's face flushed after learning the news, and she felt regretful in her heart.

If she knew he was Lin Wudi, how could she dare to insult Lin Kai? It's too late to get started!

Ling Zhonghua's face was also red, and he was completely ashamed of himself! He felt that his words and deeds just now looked like a fool!

Feng Hai, who was not far away, looked at Lin Kai blankly, unable to react for a long time.

For Feng Hai, this news is like five thunderstorms!

This person is actually Lin Wudi!

He didn't brag just now, what he just said was the truth, he really is Lin Wudi!

It's ridiculous that I just boasted in front of Lin Wudi how much money I made in a month, and also showed off how expensive a dish from Ruyilou was.

Does Lin Wudi lack money? The last thing Lin Wudi lacks is money, okay?

At this time, Feng Hai could not wait to bury his head in the soil. He was actually in front of Lin Wudi just now, boasting that he knew Lin Wudi!

He also said that he and Lin Wudi are very good friends, now that I think about it, this is **** slapped!

It's no wonder that Lin Wudi has always had a smile on his face, and he is not angry at all, because he is like a clown in the eyes of others!

Everyone at the scene was stunned.

Manager Li also looked at Feng Hai at this time. He had heard the waiter talk about the contradiction between the two.

Although Manager Li usually respects Feng Hai, Feng Hai is a small character in front of Lin Wudi and is not worth mentioning.

At that time, Manager Li looked at Feng Hai and narrowed his eyes: "Feng Hai!"

Feng Hai was full of excitement and looked at Manager Li: "What...what's wrong?"

"What's the matter?" Manager Li sneered, and said, "Hehe, I have offended Shao Lin, but I just came to apologize?"

Kowtowing an apology?

Manager Li actually treats himself with this attitude? For a while, Feng Hai could not accept Manager Li's attitude.

He was very respectful to himself before! Now that he has offended Lin Wudi, his attitude towards himself has also changed drastically!

Also, knelt down and apologize, am I shameless?

Seeing Feng Hai's tangled look, Manager Li sneered at this moment and said: "Haha, Feng Hai, who is Shao Lin? I believe you know something. If Shao Lin is willing, our Ruyilou is willing to help Shao Lin. Service, let you disappear from this world forever!"

As soon as Manager Li's words came out, only a plop was heard, and Feng Hai knelt down without hesitation, kowtow to Lin Kai.

"Shao Lin, I was wrong!"

Chapter 428: Is The Fake Show Really Done?

Chapter 428: The Fake Show Is Really Making?

Feng Hai knelt down very spinelessly.

He is scared!

What Manager Li said was not a joke. Ruyi Lou had the strength to make Feng Hai disappear from this world.

And Lin Kai also had the strength to make Ruyilou do this.

Although he was very unwilling, Feng Hai knew that he had offended the big man.

Now its too late to regret, so hurry up and knelt down and apologize!

At that time, I saw Feng Hai kowtowing towards Lin Kai vigorously.

boom! boom! boom!

There were waves of percussions, Feng Hai knocked very hard, and soon after, Feng Hai's forehead was already bloody.

But Lin Kai sat on the sofa with Erlang's legs tilted, and didn't mean to stop Feng Hai.

Ling and Ling Zhonghua on the side are also sitting on pins and needles, their buttocks only dare to touch the side of the sofa.

There is a nervousness in their hearts!

The one in front of them, but Lin Wudi! People who can kill them in one sentence!

When Ling Xiaoqi watched Feng Hai constantly kowtow to Lin Kai, she felt very relieved in her heart.

During this time, Feng Hai's harassment of her has bothered her every day. And now, Feng Hai finally got retribution!

"Deserve it! If you dare to harass me in the future, I will let my boyfriend beat you to death!" Ling Xiaoqi said angrily.

How can Feng Hai dare to beat Ling Xiaoqi's idea at this time? I saw Feng Hai shook his head repeatedly: "Don't dare, don't dare, I don't dare to kill me..."

Feng Hai is like a pug now, where is the arrogance of just now?

Lin Kai looked at Feng Hai who was kneeling in front of him, and smiled: "Do you know why I didn't refute you just now?"

“Because you are a jumping clown in the eyes of my Lin Wudi. I want you to die as simple as pinching an ant.”

Feng Hai trembled, afraid to speak.

“But if the dog bites me, I can’t bite it back?” Lin Kai asked with a slight smile.

He was calling Feng Hai a dog, and Feng Hai didn’t even dare to let go!

“What Lin Shao said...” Feng Hai nodded.

“Drive your broken Bentley, get out! If you harass my girlfriend again in the future, I will make you pay the price of your life!” Lin Kai said coldly.

Feng Hai was overjoyed when he heard Lin Kaikai go by himself. At that time, Feng Hai knocked his head a few times.

“Thank you Lin Shao, thank you Lin Shao...”

Having said that, Feng Hai picked up the car key and ran away without any trouble.

After Feng Hai escaped, she saw Ling Xiaoqi holding Lin Kai’s arm proudly.

“Dad! Mom! Do you know why I chose Lin Kai?”

“Lin Kai is not like you said, no money, no background. Lin Kai’s money, our family will not be able to spend a few lifetimes!”

“Dad, Mom, I hope you will not be so snob in the future. I want to choose the one I like.”

After listening to Ling Xiaoqi’s words, Ling and Ling Zhonghua blushed.

Where would they dare to say a word now?

Even Feng Hai was so scared that he kowtowed his head and apologized. They dare to refuse his girlfriend in front of Lin Wudi?

Besides, even though Feng Hai escaped, Lin Wudi, this is an even more powerful beetle-in-law!

If Feng Hai has the ability to make their old couple retire early, Lin Wudi can make them rich and powerful!

At that time, I saw a pleasing smile on Ling’s face: “Xiao Qi is right, I think this young man is good, handsome...”

Naturally, Lin Kai had already seen Ling's face. Now that he had helped Ling Xiaoqi complete the task, Lin Kai stood up.

"Uncle, auntie, I have something to do, I'm leaving now."

After Lin Kai said, he picked up his coat and walked out of Ruyi Tower.

How can Ling Shi and Ling Zhonghua dare to neglect? He quickly sent Lin Kaiqi out of the gate of Ruyi Tower.

There is still a small opening long and small opening short, that is a passion.

After Ling Xiaoqi confessed a few words with her parents, she soon chased him.

The two walked together on the streets of Jinling City.

I saw Ling Xiaoqi carrying her little hand with a smiling face on her face, very cute, obviously, she is very happy now.

Ling Xiaoqi, 19 years old this year, is still very pure. She is really like a piece of white paper, extremely pure.

Her little face is full of collagen, and her skin is as soft and smooth as a baby's skin.

Even though girls developed earlier than boys, Ling Xiaoqi's figure is obviously not very hot now.

Can only be said to be slim, but not sexy.

At this moment, Ling Xiaoqi glanced at Lin Kai secretly, and said with a smile: "Hey, boss, thank you today!"

Lin Kai smiled slightly: "You're welcome, we are friends."

"A friend?" Upon hearing this, Ling Xiaoqi's little face showed a look of loss.

"Yes, friend." Lin Kai showed a very cute smile at Ling Xiaoqi.

Ling Xiaoqi jumped in front of Lin Kai at this time and stopped. Ling Xiaoqi looked at Lin Kai earnestly and said: "Boss, I feel that we two are quite good match, not as good as our fake show. Really, let me be your girlfriend, how about?"

"Huh?" Lin Kai was silly at the time.

Did Ling Xiaoqi confess to himself?

Lin Kai was a little dazed.

Although Ling Xiaoqi was very beautiful and pure, Lin Kai didn't feel very strong about Ling Xiaoqi.

The Lin Kai of the previous life and the Lin Kai of this life are almost fifty years old together. For a girl of 18 or 9 years old, Lin Kai really doesn't catch a cold.

Lin Kai now has a 19-year-old body and a 28-year-old mind.

Seeing Lin Kaifa stunned, Ling Xiaoqi's eyes flashed a little bit of loss, but she was quickly covered up with a smile.

I saw Ling Xiaoqi scratching Lin Kai's nose and said with a smile: "Hehehe, just kidding!"

"I'm just a child!"

"Stop talking, I'll go home today to sleep with my parents, I'm leaving!"

After all, Ling Xiaoqi didn't give Lin Kai a chance to speak, and ran away bouncely.

Lin Kai also knew that Ling Xiaoqi was actually shy. She was afraid that she would reject her, so she deliberately fled.

Lin Kai put his hands in his pockets and shook his head helplessly. Sometimes people look too handsome, which is also an annoyance.

At this moment, Lin Kai's ear suddenly heard the voice of the system. After hearing the voice of the system, Lin Kai was shocked.

Whenever the sound of the system sounds, there is either a task or good news!

"Host! Congratulations! After the system's unremitting efforts, your weapon killer has successfully integrated with the Yin Yang Seal, and the new weapon has been built. Please open the system and check your new weapon!"

The new weapon has been successfully integrated!

At that time, Lin Kai couldn't wait to open the system. After seeing the weapon in his inventory, Lin Kai opened his mouth wide.

This is simply a weapon tailored for yourself!

Chapter 429: Meteor Finger Tiger

Chapter 429

The name of this weapon is Meteor Finger Tiger.

The weapons synthesized by the gods to kill the gods and the Yin-Yang Seal, both in power and appearance, have been upgraded by more than one grade.

Although the former killer was also an invincible soldier, Lin Kai didn't have a cold with the dagger.

Because Lin Kai's real specialty is outbreak.

It is his melee combat ability.

And this Meteor Pointing Tiger can add wings to Lin Kai's melee combat ability, and few people can be Lin Kai's opponents.

The finger tiger is a weapon similar to a glove, worn on the hand, it can make the fist burst out inhuman power.

And Lin Kai's Meteor Finger Tiger has a peculiar appearance. There are four rings that can be put in by fingers. On the back, there are three high protrusions.

These three tall bulges, like the sharp teeth of a tiger, reveal a hideous light.

The whole finger tiger is black, and the whole body looks simple and unpretentious, but if you carefully observe the meteor finger tiger, you can feel the faint murderous aura emanating from it.

And why is Meteor Finger Tiger called Meteor Finger Tiger? That's because this refers to the tiger, which can exert the greatest power of the meteorite hitting the earth!

Wearing the Meteor Finger Tiger, Lin Kai feels that the current self has infinite explosive power!

If you play against the Black Hawk Special Forces again, even if you don't use your super powers, you will be confident that you can defeat them.

With the new weapon, Lin Kai was very happy and walked quickly towards the capital of the famous city.

Soon after, Lin Kai arrived at the capital of the famous city.

When I was about to walk to my home, suddenly, an angry sound rang out.

"stop!"

Hearing this angrily, Lin Kai stopped.

On the side of the street, four or five policemen rushed forward.

These four or five policemen were all strong young policemen. At this moment, they were all running on the road, panting.

In front of them, there was a thin man.

This man looks in his twenties, with a sly eye, a thin body and a wretched face, but he is fast!

Behind him is very skillful, like a monkey.

I saw the man quickly shuttled by the roadside, his body was very flexible, climbing trees and walls, it was nothing to say, there would be no pause.

And this man actually held several pieces of women's underwear in his hands!

This was not over yet, even if the police were chasing him, the man was not afraid at all. He passed by the balcony of other people's house and climbed up to steal a piece of underwear, ignoring the police behind him.

"Hey hey, hahaha! You come after me! Rice buckets!"

After the man had stolen his underwear, it was a jerk.

The lungs of the policemen were about to explode at this time, and they couldn't catch up with the man.

The police's heart is also broken. This man is a famous flower picking thief in Jinling City. This man has a special hobby and likes to collect women's underwear.

Now the girls in Jinling are very afraid of this flower picking thief.

I was afraid that my underwear would be stolen.

He likes stealing underwear. Although he commits a crime, he is not guilty of death and the police cannot hit him with a pistol.

As a result, this man became more and more rampant, ignoring the police, wandering in various high-end communities, stealing women's underwear!

"Stop! Don't run! We will catch you sooner or later!" a policeman roared.

But the man, ignoring the police behind him, rushed into someone else's villa, stole a few underwears and then rushed out again. It was a madness!

At this time, Lin Kai narrowed his eyes and moved forward, but it was his own home! There are three women living in my own house!

At that time, Lin Kai didn't say a word, one foot slammed on the ground, only to hear a brush, the ground was marked by Lin Kai's powerful starting power to make a black mark.

I saw Lin Kai chased it out like a cheetah!

call!

A gust of wind sounded, and the policemen had not yet realized what was going on, but Lin Kai had flown past them.

Several policemen were taken aback and looked at each other.

"What was the past?"

"I didn't see it clearly."

...

"It's so fragrant!" The man climbed into a villa at this time and grabbed the underwear hanging on the balcony.

I saw the man sniffed deeply on his underwear, showing an expression of intoxication.

"That group of rice buckets can't catch me!"

The corner of the man's mouth showed a triumphant smile.

He is the descendant of Jiang Yang, the thief Jiang Yang, no matter how fast or fighting, he is not comparable to ordinary people.

Ordinary police cannot catch him at all without using thermal weapons.

"Stop!" At this time, a loud roar sounded, and the man trembled.

Looking back, I saw a young boy rushing at an amazing speed!

That speed, like a cheetah, is so fast that people can't see clearly!

"So fast?" The man was shocked by Lin Kai's speed for a while.

run!

This is the first thought in the man's mind.

I saw the man jumped down from the second floor and ran into the street at a very fast speed. With a cry, people passing by could only see an afterimage!

The man's speed has reached a hundred and two at this time!

It can be said to be extremely fast.

At this moment, the corner of the man's mouth showed a triumphant smile again.

I have never been afraid of anyone than speed!

But looking back, the man was dumbfounded again.

Lin Kai was not far behind him, and he was about to catch up!

"I'm going..." The man was shocked.

You know, no one can catch up with yourself except your own master!

But Lin Kai did it.

too fast!

At this moment, the wretched man dropped his underwear, shook his hands wildly, and burst out his true speed!

At that speed, it was like a motorcycle with the throttle turned to the end. Even the leaves on the side of the road several meters away could be shaken by the strong wind he passed.

And a pair of shoes on the feet of the wretched man, at this time, can no longer withstand such a fast speed, and the soles are about to be worn out!

And Lin Kai behind him tilted his head and smiled, "Interesting."

Lin Kai gradually accelerated, and the speed of one hundred and two gradually rose to one hundred and three, and then to one hundred and four.

The wretched man in front ran all the way, seeing that he was about to escape from the community, the corner of his mouth showed a triumphant smile again.

Compared to speed, I have never been afraid of anyone!

Seeing that the wretched man was about to run out of the community, Lin Kai quietly appeared beside him at this time.

Compared to the wretched man's flushed face and profuse sweating, Lin Kai looked much more relaxed.

His face was not red, he was not breathless, and he could even show a friendly smile to the wretched man.

"Fuck me!" The wretched man was shocked. Can this **** catch up?

Is this too fast? Lao Tzu grew up so old, apart from his own master, no one has ever been able to catch up with him!

Chapter 430: Pervert

Chapter 430

But what if you can catch me?

A confident smile appeared on the corner of the wretched man's mouth.

He is a descendant of the thieves, and what he learned is not only the art of stealing, fighting skills, but also his strengths!

Even five or six strong men can't get close to him!

Young man, since you are nosy, then I will let you know why the flowers are so red!

Stabbed!

I saw the wretched man's two feet suddenly stopped running and slid on the ground, sliding for tens of meters, and then the wretched man's body stopped.

Look at the soles of his shoes, they are almost flattened.

The wretched man looked at Lin Kai, his eyes showing cruelty.

"Boy, take care of your business, right?"

With that said, the wretched man took out a switchblade from his pocket, and with a clatter, the blade appeared in front of Lin Kai's eyes.

And Lin Kai also slid a long way on the ground before stabilizing his body.

Lin Kai also smiled when he saw the wretched man taking out the switchblade.

Actually want to compete with your melee ability?

It just so happened that my new weapon still worries about not having an opponent to practice it!

Lin Kai took out the Meteor Finger Tiger from his pocket and put it on his finger.

After seeing the finger tiger on Lin Kai's fist, the wretched man smiled obviously disdainfully: "Yeah, finger tiger? What age is this, there are people who use such garbage weapons?"

Lin Kai joked, "It's enough to kill you."

"Really?" The wretched man moved his muscles and bones: "I want to see, how did you kill me with this shit!"

After all, I saw the wretched man and moved.

His right foot suddenly stepped on the ground, his body exploded with extremely fast speed and strength, and he rushed towards Lin Kai!

And the switchblade in his hand took Lin Kai's arm straight!

He didn't want to kill, but it was okay to abolish one of Lin Kai's arms.

Facing the menacing wretched man, Lin Kai did not dodge at all, allowing him to rush towards him with a switchblade.

It just so happened that the policemen who were rushed over saw this scene.

Several policemen came after them panting, and their eyes widened after seeing the image of the wretched man attacking with a knife.

About to kill?

What used to be a relatively simple theft, now it turns into a murder case?

Several policemen rushed over like crazy, even if they knew it, their past was useless, because the wretched man's switchblade had already been stabbed in Lin Kai's arm!

What can this young man do?

Click!

With a crisp sound, the switchblade in the hands of the wretched man pierced Lin Kai's body.

The wretched man only felt that his hand was light, and that extremely tough switchblade suddenly broke in half at this time!

It seems that his knife is stuck on steel!

Can't shake Lin Kai at all!

Bad, heart-pounding feeling.

As soon as the wretched man looked up, he saw Lin Kaizheng looking at him playfully.

Perverted?

Not afraid of switch knives?

run!

The only thought in the mind of a wretched man.

The wretched man's reaction is still very fast. When he sees that the other party is a hard character, he turns around and runs away without saying a word!

But how would Lin Kai let him run away?

At that time, Lin Kai's left hand directly grabbed the collar of the wretched man!

A magical scene happened, and the wretched man's body shrank and he got out of his clothes.

Shrink bone!

Is the threshold for the thief industry so high now? This wretched man is not only explosive, fast, and powerful, but also capable of such a wicked bone reduction!

But Lin Kai believed in a word, in the face of absolute power, all skills are empty talk!

In a blink of an eye, the wretched man ran out dozens of meters away.

Lin Kai also chased after him, Lin Kai's body, like a strong wind, chased behind the wretched man.

call!

A punch!

With this punch, Lin Kai immediately regretted it, because he discovered that the power of the Meteor Pointing Tiger was too great!

He only wanted to beat this wretched man to the ground, but wearing a meteorite finger tiger, his power was a little hard to control.

If this punch is hit, the wretched man will explode and die on the spot!

No way, Lin Kai could only change the trajectory of his fist in the air.

Lin Kai hit a rockery on the side of the road with a punch.

The policemen who came after looked dumbfounded and weren't injured? Instead, chase the thief?

But, what is he doing in rockery?

Could it be that he felt that he could blow up the rockery, and then the splashed rocks would hurt the thief?

Several police officers were very confused.

The wretched man looked back when he was flying, and after seeing Lin Kai's behavior, he also looked confused.

Playing rockery? Is this kid's brain pretty funny?

The wretched man just wanted to laugh, but the next scene made him unable to laugh.

I saw Lin Kai bombard the rockery with a punch, and only heard a loud bang. The indestructible rockery was blown by Lin Kai!

Although the rockery is not big, it is only as high as one person, but it is a real stone!

Lin Kai's fists are also made of meat. Even if he wears a finger tiger, his power can't be so great that even a rockery can burst!

All of a sudden, the stone splashed, and a splashed stone hit the wretched man impartially.

But the wretched man didn't react at all, he was hit in the head by the stone, and fell directly to the ground with an ouch.

Afterwards, the wretched man was controlled by the rushing police, and he was directly handcuffed. For fear of worry, he also put handcuffs on his feet.

Lin Kai was sweating at this moment.

What a **** risk!

If this punch hit the wretched man, it would be difficult to leave a whole body!

Fortunately, Lin Kai was also very excited.

This meteor refers to the tiger, its power is really huge!

With it, Lin Kai won't be afraid even if he meets some powerful opponents in the future.

As soon as he turned his head, he ran into the policemen head-on, and the policemen showed admiration on their faces.

A policeman stepped forward and took Lin Kai's right hand.

"Comrade, thank you so much, if it weren't for you, let this kid run away again this time!"

The policeman looked grateful.

Blood was dripping from the forehead of the wretched man who was smashed into his head. He looked at Lin Kai with a shocked expression, and he couldn't calm down for a long time.

Blast the rockery with a punch?

This kind of strength, even his master, doesn't have it.

Who is he?

Not to mention the wretched man, even these policemen couldn't figure it out. Lin Kai was young, but his speed and strength were even more powerful than a soldier.

No, there is no way to measure Lin Kai by the standards of special forces. If you really want to find a standard, using flying men to compare with Lin Kai is the closest to Lin Kai's strength.

"No thanks, like this kind of pervert with special habit, I see it once and fight it!"

Chapter 431: Finale

Chapter 431

After listening to Lin Kai's words, the wretched man almost died of anger.

Somehow, I am the number one person in the stolen door, how come I become a pervert in your mouth?

Although he was very angry, the wretched man did not dare to say anything.

Lin Kai's strength is simply too abnormal, he dare not refute it at all!

Faster than him!

And you can blow the rockery with one punch!

Such people are definitely not ordinary people and cannot afford to offend themselves.

Those policemen all gave Lin Kai a thumbs up. If Lin Kai hadn't helped them, they didn't know when they would be able to catch this perverted monster.

"This comrade, thank you so much, why don't we invite you to have a meal?" a policeman said with a smile.

Lin Kai waved his hand and refused: "No, it's just a matter of effort."

"Then we, on behalf of Jinling Public Security, thank you."

With that said, these police officers paid a military salute to Lin Kai.

Lin Kai quickly responded.

Soon after, these policemen took the wretched man and left.

Back home, it was late at night, Lin Kai took a rest.

In the next few days, Lin Kai had been shooting the Blade of the Country.

This movie is an action movie, which mainly shows the protagonist's patriotic feelings.

Lin Kai's strength and appearance are unquestionable, and with the innocent and lovely Tian Guo as the heroine, the shooting went smoothly.

After more than half a month, the edge of the country finally came to an end.

After the finale, Lin Kai was invited by Feng Dagang to participate in the National Blades Finale banquet, funded by the crew, and many industry leaders will come.

Lin Kai agreed.

The next day after finishing, Lin Kai finished washing and stood in front of the mirror.

Finally you can wear the clothes you like!

When the crew was filming, Lin Kai wore either a military uniform or a suit. It wasn't that Lin Kai hated military uniforms, but the crew uniforms were not regular military uniforms.

It's very stuffy and not very comfortable.

And Lin Kai finally changed his stall, put on an Adidas sports suit, and a Casio watch on his wrist, dressed very young.

It looks like a small piece of fresh meat.

Today's Tian Guo is much more exquisite than Lin Kai.

Tian Guo put on a black dress. This dress was given to Tian Guo by Feng Dagang, which was very valuable.

This is a slim dress. After putting it on, the black dress tightly wrapped Tian Guo's **** figure.

There is no trace of fat on the waist.

And Tian Guo slightly applied Fendai, and her little face was filled with mischief and purity.

The two got on the special car together and set off.

Jinling City, Jinshang Restaurant.

Jinshang Restaurant is a five-star restaurant. Today's Jinshang Restaurant is particularly lively, because the third floor of Jinshang Restaurant was contracted by the director Feng Dagang.

It is said to celebrate the completion of Feng Dagang's new play.

In addition to the crew and actors, there are many big names Feng Dagang knew.

For example, the boss of the director, the boss of the entertainment company and so on.

On the third floor, Lin Kai and Tian Guo saw his poster as soon as he entered the third floor.

It is huge and plastered the entire wall. In the poster, Lin Kai and Tian Guo wore military uniforms and shuttled in the rain of bullets. It was a heroic look!

When they arrived at the entrance, the crew did not check the invitation letter at all, so they let Lin Kai and Tian Guo go in.

After all, it's the lead actor, and the people on the crew still know it.

In the third layer, it was extremely lively. Successful people in the industry held up red wine glasses to communicate with each other, and the crew members were finally able to relax.

Lin Kai and Tian Guo came to the buffet table, picked up a few snacks, and ate them.

At this time, Lin Kai, holding a plate of crispy sandwich in his hand, sat on a chair with Erlang's legs tilted, eating with relish, without the protagonist's shelf.

While Lin Kai was eating dim sum, he only heard an exclamation from the crowd, and one person walked in from the entrance.

"Mr Feng is here!"

"I'm going, it's really Mr. Feng!"

Everyone exclaimed, and many people raised their red wine glasses and greeted them with smiles.

And this person called Mr. Feng is a middle-aged man in his forties.

The middle-aged man, wearing a gray casual suit, a pair of coffee-colored sunglasses, and a cigar in his hand, walked into the third floor.

This President Feng was crowded to the very center of the third floor and became the focus of the scene.

Look at the protagonist Lin Kai, sitting in the corner, unknown.

And a staff member next to Lin Kai couldn't help sighing at this moment: "Feng Da pervert is here, I don't know which little girl is unlucky today."

"What is bad luck?" A plump woman cast a white glance and said, "President Feng is the boss of Feng's Entertainment Company!"

"It's a blessing to be liked by Mr. Feng!"

As he said, the plump woman was still looking at her figure.

The staff shook his head, obviously gritted his teeth with hatred towards Feng.

“Yeah! Last time at the banquet, Mr. Feng directly took away an unmanned girl.”

“Do you know what happened to that little girl? She was ruined by this bad old man, and she was dumped by him, putting on her pants and denying her identity!”

“This is a scumbag! A scum!”

The staff member scolded angrily, and did not dare to scold too loudly for fear of being heard.

And the plump woman had an indifferent expression.

After listening to the conversation between the two, Lin Kai also knew something about this President Feng.

It seems to be the boss of an entertainment company.

Relying on his wealth and power, the crew came to pick the actresses.

At this time, Mr. Feng was surrounded by a group of exposed actresses.

Half of this group of actresses are from the crew, and the other half are guests this time.

They are all small actors from the third and fourth lines, and the purpose of coming to participate in this grand banquet is to curry favor with Mr. Feng!

To curry favor with Mr. Feng, it can be regarded as flying on a branch and becoming a phoenix.

And that Mr. Feng squinted his eyes and squinted at the beauties in front of him with a smile.

And each of those beauties also worked hard to show off their bodies.

Mr. Feng swept past, with a look of loss in his eyes.

There is nothing to make his heart beat.

Suddenly, Mr. Feng saw the poster on the wall at a glance.

Tian Guo's pure and lovely appearance combined with his hot body immediately attracted Mr. Feng.

In addition, Tian Guo in the poster was wearing a military uniform, very heroic, and Feng couldn't remove his eyes at that time.

I saw President Feng's eyes lit up, pointing to the poster and asking: "Who is this girl?"

Hearing Mr. Feng's question, everyone looked at the poster in unison.

After seeing Tian Guo, the expression on the faces of those beauties was annoyed.

Mr. Feng actually fell in love with her?

Chapter 432: Don't You Want To Be Popular?

Chapter 432 Don't You Want To Be Popular?

Although they don't want to admit it, in fact, Tian Guo is indeed more **** and beautiful than them.

With a body like a devil and a face like an angel, it is not an exaggeration to describe Tian Guo in these two sentences.

At that time, this group of third- and fourth-line actors were holding their arms and staring at Tian Guo in the distance with jealousy.

At this time, a member of the crew came over and said with a pleased smile: "President Feng, that girl is Tian Guo, the heroine of the blade of the country."

"The heroine?" Upon hearing this, Mr. Feng was even brighter.

The heroine is good, he likes famous ones!

"Call her over!" Feng said.

"Good." The staff member agreed, and went to find Tian Guo.

Lin Kai and Tian Guo were eating snacks and laughing in the corner when the staff member walked over.

One finger Tian Guo: "Tian Guo, Mr. Feng is looking for you."

Mr. Feng?

Tian Guo was taken aback, then glanced at Lin Kai with a look of confusion.

"Who is Feng always?" Tian Guo asked.

The staff laughed and said, "Hey, Mr. Feng is the chairman of Feng's Entertainment Company, Tian Guo, you are well developed!"

After that, the staff went to curry favor with Mr. Feng.

Tian Guo glanced at Lin Kai, a little confused, a big boss came to him, and he posted it himself?

“Lin Kai, you accompany me to take a look?” Tian Guo asked rather cutely, tilting his head.

Lin Kai had nothing to do, and nodded, “Let’s go.”

With that said, Lin Kai put a snack in his mouth.

The two stood up and walked to the one Feng.

The people surrounded by Mr. Feng saw Tian Guo coming and automatically gave up a path.

Tian Guo and Lin Kai both walked over, and Mr. Feng was even brighter when he saw Tian Guo himself.

Yes, it is indeed the best!

The body is plump, not the kind of backbone thinness, but partial thinness.

Such a figure is very hot.

Looking at the face again, the small face is delicate, the temperament is pure, and the personality looks a bit naughty.

Mr. Feng has never met a few girls like this!

At that time, Mr. Feng narrowed his eyes and touched his chin: “Are you Tian Guo?”

Tian Guo nodded, looking naive: “I am, what’s the matter?”

Mr. Feng smiled slightly and took out his business card.

“Introduce yourself, my next chairman, Feng Ming.”

When talking about the three words of chairman, Feng Ming is very heavy, and he is emphasizing his identity.

Feng’s Entertainment Company is indeed very famous in the entertainment circle.

In Feng’s Entertainment Company, there are indeed several top stars.

Feng Ming believes that as long as he reveals his identity, Tian Guo will definitely flatter himself!

But what he didn't expect was that Tian Guo took the business card and asked, "Oh, are you doing anything?"

Are you okay?

Feng Ming's face changed.

He actually ignored his identity?

Could it be that he doesn't know how good he is in the entertainment industry?

Feng Ming smiled confidently again, and said, "Hehe, it's okay, I just see you have a good temperament, which fits a new scene I am going to shoot."

"The name of this new play is called dear, beloved."

When Feng Ming's words came out, people around him exclaimed.

Actually this drama?

This drama is the box office king in the first half of this year! Several celebrities became popular in one fell swoop!

If Tian Guo can be the heroine of this play, it will be a big hit!

All of a sudden, countless envy and hatred eyes cast.

Feng Ming also looked at Tian Guo arrogantly. He believed that Tian Guo would definitely be taken the bait as soon as his bait came out!

But unexpectedly, Tian Guo blinked her eyes naively: "Oh? It's a pity that I'm not interested."

not interested?

At that time, there was a sound of chin falling to the ground.

Tian Guo didn't want the chance of a big fire?

Isn't she here to be an actor just to be famous? Now the chance of a big fire is in front of her, she doesn't want it?

The smug look on Feng Ming's face solidified again.

Tian Guo seems to be different from other actresses.

“Could you not want to be popular?” Feng Ming asked.

Tian Guo shook his head: “I don’t want to.”

She is a special soldier and she has no interest in being an actress.

Feng Ming’s face instantly turned dark.

Don’t give him Feng Ming face?

Feng Ming is not that he has never met an actress who is unwilling to follow him, but as long as it is an actress who is unwilling to follow him, it will generally end badly.

At that time, Feng Ming sneered.

As soon as he stretched out his hand, someone immediately handed over a glass of red wine.

“Since the beauty is unwilling, I don’t force it, have a drink and make friends?” Feng Ming smiled slightly, and a trace of cruelty flashed through his eyes.

Tian Guo didn’t think much about it. He took the glass of wine and drank it with two chuckles.

Tian Guo, who had finished drinking, had a slight red face and blurred eyes.

I saw Tian Guo smirk: “Hey, delicious!”

After saying this, a few seconds later, a dizziness came, and Tian Guo softened under her feet and almost fainted to the ground.

Such a strong drink!

This glass of wine, but a high-level spirit, a girl like Tian Guo who doesn’t drink well. After a glass of spirits, after a few minutes, she is almost drunk.

This Tian Guo is too nervous, right?

Lin Kai frowned.

At this moment, a sly smile appeared on Feng Ming’s face, as if the conspiracy had succeeded.

He waved his hand and saw two strong men stand up, stepping forward to support Tian Guo.

And Tian Guo subconsciously hid back, just to lie in Lin Kai's arms.

Lin Kai also hugged Tian Guo and walked out.

"You are drunk." Lin Kai said softly.

Tian Guo was walking a little erratic at this time, and saw that she hooked Lin Kai's neck and said: "Leave me alone, it's hard to come out, I must be presumptuous!"

No matter how presumptuous you are, your innocence will not be guaranteed, Lin Kai is ashamed.

Seeing the cooked duck flying away, Feng Ming looked at Lin Kai with an unhappy expression and frowned brows.

"Who is he?" Feng Ming asked.

The staff on the side replied: "He is the leading actor in this play, his name is Lin Wudi."

"Lin Wudi?" Feng Ming frowned and sneered: "Haha, it was him!"

"I have long heard that there is Lin Wudi in Jinling who is very rampant. I ran into him today, and he was unlucky!"

"Stop!" Feng Ming shouted.

Lin Kai stopped.

Looking back at Feng Ming.

I saw a trace of cruelty flashing in Lin Kai's eyes. Those who dare to move Lao Tzu, are you afraid of being bored?

"I let you go? Who asked you to take her away?" Feng Ming asked coldly.

Lin Kai looked back at Feng Ming with a bad tone: "Where am I going, can you control it? She is my girlfriend. I will take her away, can't you?"

"Girlfriend?" Feng Ming said with a playful smile: "I'm sorry, your girlfriend, I have a crush!"

Chapter 433: Tiger Lord

Chapter 433

Hearing this, Lin Kai narrowed his eyes, put Tian Guo in his arms, and walked straight towards Feng Ming.

Feng Ming is not afraid.

The two bodyguards next to him stood up. The two bodyguards, who looked like a tiger with a bear, looked at Lin Kai condescendingly, without opening Lin's eyes at all.

Weight gap!

Each of these two strong men weighed two hundred jin.

As for Lin Kai, it seemed that he was holding one hundred and thirty catties to death.

They hit Lin Kai, and they got it!

Lin Kai sneered and saw his hands on his chest and strode over.

call!

As soon as Lin Kai lifted his leg, everyone felt that there was a flower in front of him, with a muffled sound, and saw a strong man who was directly kicked to the ground by Lin Kai!

The brawny man also felt his head stunned and fell to the ground.

Another strong man was surprised.

So fast?

He still doesn't use his hands?

Afterwards, Lin Kai looked at the other strong man and raised his feet again.

call!

A strong wind hit, Lin Kai's legs, just swayed in front of him, he felt a sharp pain from the cervical spine!

thump!

The strong man knelt directly on the ground.

Two hundred kilograms of strong men, in front of Lin Kai, were like three-year-old children, so vulnerable.

The smile on Feng Ming's face solidified.

Can you fight like this?

He took a step back subconsciously, but Lin Kai was already approaching.

"You..." Feng Ming hadn't said what he said, only a loud bang was heard, and Lin Kai had already slapped his face!

Suddenly, Feng Ming's swollen face appeared again with a flushed palm print, half of his face looked like a pig's head.

"Puff..." Feng Ming opened his mouth and vomited, and his two teeth were directly vomited out.

This young man has such a strong hand!

Everyone exclaimed, Lin Wudi is too courageous, right?

This one is the boss of Feng's Entertainment Company! Even if he dares to fight, is it possible that he doesn't want to be in the entertainment circle?

Lin Kai looked at Feng Ming coldly: "I'm Lin Wudi, and I hate other people acting in front of me!"

Feng Ming at this time was furious.

When was the boss of his dignified Fung Entertainment Company slapped like this?

What he lost is dignity!

At that time, I saw Feng Ming took out his phone and dialed a phone number hurriedly: "Hello? Brother Tiger, do me a favor..."

Soon after, Feng Ming hung up the phone, and he looked at Lin Kai viciously.

"You **** wait for Lao Tzu! Wait a while, Lao Tzu will kill you!"

Feng Ming has been in the entertainment industry for so many years, and the company is so big, he is naturally very well-connected on the road.

Can Lin Kai fight? He found someone who could beat Lin Kai better!

At this moment, everyone in the crew exclaimed, Brother Tiger? How many tiger brothers are there in Jinling? That must be the king tiger!

“I’ll go, Lord Tiger will be here in a while, Lin Wudi is done!”

“Yes, Lord Tiger is in Jinling, but he is the number one ruthless man! Even if Lin Wudi is a rich second-generation, this time he will definitely be over!”

“Now Lin Wudi kowtows to apologize, it’s too late!”

...

There was a sound of discussion, and Feng Ming stared at Lin Kai viciously.

He wanted Lin Kai to kneel down in front of him!

He wants to see Lin Kai’s face lost!

He Feng Ming is also the number one person on the road. When has he been so insulted?

He wants Lin Kaixue to pay the debt!

Soon after, there was a loud noise, and the director Feng Dagang rushed in from outside.

After Feng Dagang received the news from the crew, he rushed over in a hurry.

Lin Wudi and Feng Minggang fucked?

At that time, Feng Dagang was one of the first two big men.

“Mr. Feng, Lin Shao.” Feng Dagang nodded and bowed, these two big men, he can’t afford to offend one of them!

Feng Ming looked at Feng Dagang and said coldly, “Feng Dagang, is this a good actor you are looking for? Even I dare to fight!”

When Feng Dagang saw the slap marks on Feng Ming’s face, his legs trembled.

Lin Kai actually dare to fight Feng Ming?

Could he not know how good Feng Ming is in Jinling City?

Although Lin Wudi was a young man of Jinling No.1, he was a young man after all, and Feng Dagang didn’t particularly know Lin Wudi.

But he only knew that Feng Ming was in Jinling and had the ability to cover the sky with one hand!

“President Feng, don’t be angry, he is a newcomer...”

Feng Dagang’s words were not finished yet, but Feng Ming was very angry and gave Feng Dagang a big mouth!

“Newcomer? I’m going to your mother’s newcomer!”

“I’ve already called Master Tiger, I want his life today!”

“Feng Dagang, if you are acquainted, now let him kneel down and kowtow to Lao Tzu to apologize. If you are not acquainted, Lao Tzu will let you not be able to broadcast the next movie!”

After hearing Feng Ming’s words, Feng Dagang’s legs softened and he almost fell to the ground.

Feng Ming has that strength.

Feng Dagang is a director. If he can’t broadcast any of his plays, it is equivalent to breaking his job!

However, Feng Dagang looked at Lin Kai very pitifully.

No matter how big Lin Kai came from, in Feng Dagang’s opinion, he could not match Feng Ming.

After all, Feng Ming is the most famous person in Jinling City!

At that time, Feng Dagang smiled helplessly: “Lin Shao, Feng, you can’t afford to offend you! Kneel down and apologize. In this case, we still have a way to survive.”

Lin Kai tilted his head and looked at Feng Dagang: “Kneel down to apologize? Why?”

At this time Feng Dagang was also a little anxious: “He knows Lord Tiger! Do you know who the Lord Tiger is?”

“Lord Tiger can kill us with a word!”

Feng Dagang’s anxious tears are about to come out, if Feng Ming is angry, maybe even he will be out of luck!

He only hopes that Lin Kai can kneel down with him and apologize.

But Lin Kai's next sentence was astonishing.

"Master Tiger? That's the king tiger? It's just a little cat, afraid of a feather?"

After hearing Lin Kai's rampant words, the whole scene became quiet.

Lin Kai didn't pay attention to Lord Tiger!

Who in Jinling doesn't know that Lord Tiger is the most ruthless character in Jinling, so he doesn't even look at Lord Tiger?

At that time, Feng Ming sneered: "Hehe, no one can save you now! Lord Tiger is coming soon!"

After more than ten minutes, I only heard the sound of footsteps, and I saw a group of strong men in black pouring in from the entrance!

These burly men in black have tattoos on their bodies, all of them are fierce and evil, and they all have weapons such as baseball bats in their hands.

This is a group of hooligans!

There are dozens of gangsters here.

The scene was quiet, everyone knew that Lord Tiger was here!

These people are all Tiger's thugs!

These gangsters swaggered into the scene, standing on both sides of the entrance, forming a corridor.

Soon after, a man walked in from the entrance, a middle-aged man with a big belly.

The middle-aged man has bright hair, wears crocodile leather shoes, and holds a cigar in his hand. With a smile, he can still see his golden teeth, Lord Tiger!

Chapter 434: King Tiger Can't Afford To Offend People

Chapter 434

As soon as Tiger Lord appeared, the whole scene was silent for a while.

Invisibly, the aura of King Tiger has shocked the entire scene!

Although Wang Huo said nothing, everyone could feel the invisible pressure.

The pressure Wang Huo puts on them is too great!

Because Wanghuo is a demon who cannibalize people without blinking!

In the whole Jinling, there are no people who are afraid of him!

After Feng Dagang saw Wang Huo, his face turned pale. He knew that Lin Wudi had no chance and Wang Huo would definitely not spare Lin Wudi!

And he might be unlucky.

Lin Wudi, Lin Wudi, you said that it is not good for you to provoke, you must provoke Feng.

Isn't this the old birthday star eating arsenic and looking for death?

Feng Dagang's heart was filled with despair.

Feng Ming was overjoyed after seeing Wang Huo, and ran over.

"Brother Tiger, you are here." Feng Ming was so humble in front of Wang Huo.

But Wanghuo had a stern face, obviously in a bad mood.

He glanced at the slap print on Feng Ming's face and frowned: "Who did it? The other party doesn't know, are you Feng Ming the cousin of my Wanghuo?"

No wonder Feng Ming can be called Wanghuo. It turns out that Feng Ming is Wanghuo's cousin!

Feng Ming gritted his teeth and looked at Lin Kai: "It's him! Brother Tiger, this kid is ruthless! A slap knocked out both of my teeth!"

After that, Feng Ming pointed at Lin Kai and said angrily: "Boy, why the **** don't you kneel down on my tiger brother?"

Upon hearing this, Wang Huo frowned and looked at Lin Kai.

Wang Huo's mood is dull, because tomorrow, he will be formally arrested, and Lin Kai's mission is over, which also shows that Wang Huo is also going to jail.

However, Lin Kai did say what he said and won a life sentence for Wang Huo.

Seeing that he is about to go to jail tomorrow, Wang Huo is also upset. Anyway, he will go in tomorrow. Why not go crazy today!

It is unrealistic to kill the individual, but it is okay to teach him a lesson.

As soon as he raised his head, Wang Huo saw Lin Kai, his original murderous expression was frozen.

I saw Wang Huo show a dull expression, is it him?

It's this evil star!

At that time, Wang Huo was trembling all over, it was Lin Wudi!

My cousin actually provoke Lin Wudi?

You know, the reason why Wang Huo has the current fate is that he offended Lin Wudi, and his cousin actually offended Lin Wudi?

Wang Huo still remembered when Lin Kai called a company of soldiers, the battle was a horror.

This Lin Wudi is no ordinary person!

At that time, Wanghuo trembled all over.

But Feng Ming didn't realize the seriousness of the matter at all, and he was still shouting in front of Lin Kai at this time.

"Boy, I just gave you a chance, but you don't cherish it yourself. Now, my tiger brother is here and tell you, you die..."

Snapped!

The fixed character in Feng Ming's mouth has not been spoken yet, only a crisp sound was heard, and Wang Huo was very angry and gave Feng Ming a big mouth!

This big mouth hit extremely loudly, and I saw Feng Ming's other face also swelled up, the whole face was like a pig's head.

Feng Ming was stunned at the time when he suffered this mouthful.

He looked back at Wanghuo, covering his face, showing a grieved expression.

"Brother Tiger, why are you hitting me?" Feng Ming asked pitifully.

"It's easy to hit you!" Wang Laohu was furious.

At that time, Wang Huo snorted and walked directly in front of Lin Kai, without saying anything, he bowed deeply to Lin Kai.

“Lin Shao, I’m sorry, my cousin offended you, I will listen to you how you want to deal with him!”

As soon as Wang Huo bowed, dozens of younger brothers behind him also all bowed to Lin Kai.

“Master Lin, sorry!”

There was a burst of apologies.

But Lin Kai held his hands behind his back and his face was cold, and the famous king tiger in Jinling City looked like a younger brother in front of him.

Everyone was shocked at this time.

Wang Huo actually bowed to Lin Kai and apologized?

Wanghuo, who is that? The most ruthless person in Jinling City! And even if Lin Kai is a rich second generation, he can’t even afford to offend Wang Huo?

You know, there are not a few rich second generations who have been rectified by Tiger Wang over the years!

But Lin Kai could make Wang Huo all bow and apologize.

There is only one reason, and that is that Lin Kai is even better than Wanghuo!

There are almost no people in Jinling City who are more powerful than Tiger King. Lin Kai is the top family member of China, and even Tiger King dare not offend him!

At that time, the entire scene was shocked.

Feng Dagang, who was trembling, was also dumbfounded at this time.

Wang Huo, actually bowed to Lin Wudi and apologized?

Even Wang Huo must be so respectful to Lin Wudi?

Who is this Lin Wudi? Everyone was dumbfounded.

Even Feng Ming was dumbfounded.

My cousin Wang Huo, who has he been afraid of in Jinling these years? But now, Wang Huo unexpectedly bowed and apologized to a young man.

“Cousin, what are you doing?” Feng Ming asked with a trembling voice at this time.

“Kneel down!” When Feng Ming spoke, Wang Huo immediately shouted.

Feng Ming knelt on the ground subconsciously with a dazed expression.

Although he didn't know who Lin Wudi was, he had a feeling in his heart that he was in big trouble!

Tiger Wang hated iron and steel and said, “You dare to offend even Lin Shao. Are you tired of life?”

Feng Ming was unconscious and asked: “Cousin, who is this Lin Wudi?”

“Who is Shao Lin? You don't deserve to know Shao Lin's background identity!”

“But you have to know, your cousin, I will go in tomorrow. Life imprisonment, Lin Shao helped me fight for it!”

After hearing this news, Feng Ming could not react for a long time.

My cousin, are you going in?

life imprisonment?

My cousin, who has been domineering in Jinling for so many years, has something happened?

But now, his cousin is going in? And still life imprisonment?

“Cousin, what's the matter?” Feng Ming's face was pale.

If Wang Huo went in, Feng Ming would have completely lost his support!

“Shao Lin let me in.” At this time, Wang Huo sighed and said.

As soon as this sentence came out, Feng Ming was frightened stupidly, and Feng Ming slumped directly on the ground.

Lin Wudi let Wang Huo go in?

This Lin Wudi has such a great ability?

You know, Wang Huo's relationship in Jinling is very tough, and Lin Wudi wants Wang Huo to enter, Wang Huo must go in.

This shows that Lin Wudi is not an ordinary rich second generation, and behind him, there may be a very large family standing!

Chapter 435: Where's My Clothes?

Chapter 435 Where's My Clothes?

Feng Ming was dumbfounded, he never thought that he would offend such a huge existence!

Even Tiger King can easily handle it. Wouldn't it be as simple as squeezing an ant to squeeze yourself to death?

All of a sudden, Feng Ming's forehead was sweaty.

He became nervous, shaking slightly uncontrollably.

Everyone at the scene was shocked.

No one thought that the famous Wang Huo and Feng Ming were like two wastes in front of Lin Wudi.

They can't afford to resist Lin Wudi at all.

Lin Kai glanced at Feng Ming, a coldness appeared in his eyes.

Lin Kai wouldn't let him feel better if he dared to beat Tian Guo!

At that time, Lin Kai said coldly: "Wang Huo, this old boy wants to beat my girlfriend, how to deal with it, you can figure it out!"

Upon hearing this, Wang Huo's whole body trembled slightly, he understood what Lin Kai meant.

If Lin Kai dared to beat his girlfriend's idea, Lin Kai wanted him to destroy Feng Ming's lifeblood!

Although his relationship with Feng Ming is not that strong, Feng Ming is his cousin after all! If Feng Ming's lifeblood is chopped off, how will he see his family in the future?

But Lin Kai's order, he did not dare to resist.

He must execute!

At that time, Wang Huo nodded heavily.

“Yes!”

Feng Ming was dumbfounded after hearing Lin Kai’s words, he wanted to chop off his lifeblood?

Will he still be a real man in the future?

The tears fell unconvincingly, and Feng Ming was truly dumbfounded.

“Master Lin! Master Lin, give me a chance, Master Lin!”

“Master Lin, I was wrong!”

“Master Lin, I was wrong!”

Feng Ming at this time, like a pug, knelt at Lin Kai’s feet, begging Lin Kai constantly.

But Lin Kai directly ignored Feng Ming.

As soon as Wang Huo waved his hand, two people immediately dragged Feng Ming down.

Soon after, only a heart-piercing scream came, and then there was no movement.

This is the fate of offending Lin Wudi!

The people in the crew were all shocked by Lin Kai’s iron-blooded wrists.

Director Feng Dagang, even less dare to look down upon Lin Kai at this time, Lin Kai is so strong!

The background is too deep, even big figures like Tiger Wang treat him respectfully, Lin Kai must have a lot of background.

Looking at Tian Guo again, after drinking that glass of spirits, he was almost drunk by now.

The little face blushed, his eyes were very blurred, he was lying on a table, still muttering some drunken words.

Lin Kai didn’t have the mind to continue eating when Feng Ming was so troubled. At that time, Lin Kai picked up Tian Guo and left the third floor.

Ten minutes later, Lin Kai and Tian Guo had returned to the capital of the famous city.

In the villa, Lin Kai came to Tian Guo's room holding the hot Tian Guo.

This was the first time Lin Kai entered Tian Guo's room. Once he entered Tian Guo's room, Lin Kai couldn't help but blush.

I saw Tian Guo's bed, throwing several intimate clothes, pink underwear, and some very exposed bikini suits.

Unexpectedly!

Tian Guo looks so pure, but she is actually taking the **** route!

Putting Tian Guo on the bed, Lin Kai just wanted to leave, but he didn't expect Tian Guo to grab Lin Kai's wrist.

At this time, Tian Guo was already drunk. She hugged Lin Kai's arm and said vaguely, "Lin Kai, don't go..."

Lin Kai heard the words and sat on the side of the bed: "You are drunk, rest early."

"do not"

Tian Guo rubbed Lin Kai's arm and said drunkenly: "Lin Kai, you idiot, don't you see that this girl is... interesting to you?"

"You don't take the initiative at all, is the old lady unattractive?"

"You...you wood..."

While she was talking, a gleam of saliva dripped from the corner of Tian Guo's mouth, and she fell asleep.

Lin Kai gently pulled out his arm, covered Tian Guo with a quilt, and left Tian Guo's room.

Tian Guo is interested in herself, can Lin Kai not tell? Of course Lin Kai could tell.

But Lin Kai wasn't sure if he was interested in Tian Guo.

Therefore, Lin Kai did not dare to accept Tian Guo's pursuit.

The task has been completed, and tomorrow is the day to return to the Southeast Military Region.

After spending so long in Jinling City, Lin Kai felt that he was about to fall ill.

...

The next day, early in the morning, Lin Kai was awakened by a screaming sound.

boom!

With a muffled sound, Tian Guo kicked open the door of Lin Kai's room and rushed in violently.

And Lin Kaizheng looked at Tian Guo as he rushed in.

Tian Guo was wearing a white vest and a pair of black shorts. The white and tender skin was directly exposed in front of Lin Kai's eyes.

Tian Guo's small face was full of anger.

"Lin Kai!"

"Why are my old lady's clothes missing?"

"I woke up early this morning and found... I didn't have a piece of clothing on me!"

"What did you do to me yesterday?"

Tian Guo's face was ashamed and red, she was angry and shy.

After finding out that his clothes were missing in the morning, he rationally told Tian Guo that he should be angry, and that he was a very reserved girl.

But the sensibility gave Tian Guo a feeling of excitement, this fool took off his clothes!

Lin Kai looked dazed.

"What clothes? I didn't take your clothes off!" Lin Kai scratched his head.

With that, Lin Kai got out of the bed, but Lin Kai forgot, he only wore a pair of shorts.

At that time, the explosive muscles of Lin Kai's upper body were exposed. Lin Kai's muscles were strong and powerful, well-defined, and not exaggerated.

And Lin Kai's complexion is relatively white.

Look at Lin Kai's legs, slender and strong, and all of his thighs are muscles, full of explosive power.

Seeing Lin Kai like this, Tian Guo's original anger disappeared without a trace.

Her face turned red after a brush.

I saw Tian Guo hesitating for a long time without speaking.

“I”

“you”

“Damn!”

“I'm going back to the military district soon, hurry up and pack things!”

After saying this, Tian Guo stomped and left Lin Kai's room in a hurry.

He was about to return to the military area, Lin Kai packed his clothes, and asked Ah Fu and his men to return to Omen, and they were ready to set off.

At noon, Lin Kai and Tian Guo boarded the plane back to Jiangbei.

In the afternoon, after getting off the plane, Lin Kai and Tian Guo took a bus back to the Southeast Military Region without stopping.

As soon as he returned to the Southeast Military Region, Lin Kai received a call from Chief He Zhijun.

Chief He Zhijun asked Lin Kai to come to his conference room.

Lin Kai put on his military uniform and came to He Zhijun's office non-stop.

In He Zhijun's office, He Zhijun sits behind his desk, drinking tea.

Lin Kai, wearing a military uniform, stood straight in front of He Zhijun.

“Report! Major Lin Kai has completed the mission and requested to return to the team!”

Chapter 436: Bomb Vest

Chapter 436: Bomb Vest

He Zhijun raised his head and glanced at Lin Kai, with a relieved smile on his face.

“Comrade Lin Kai, please sit down.”

Upon hearing this, Lin Kai sat opposite He Zhijun.

“Comrade Lin Kai, you performed very well in this undercover mission.”

“In addition, you alone destroyed Cao Wanjin’s entire criminal den, captured more than 20 people, and killed more than 70 people. You are indispensable.”

“It’s just that Muxiu will be destroyed by the forest wind!”

He Zhijun suddenly sighed at this moment.

Hearing these words, Lin Kai couldn’t help but burst into his heart.

Will the wind destroy it?

Could it be that the super combat power he showed has been noticed by the above? Is the above going to kill himself?

Because they have caused potential harm to China?

“Brigadier Commander, what do you mean by these words?” Lin Kai asked nervously.

Seeing Lin Kai’s nervous look, He Zhijun patted his forehead and said, “Lin Kai, you don’t need to be nervous.”

“What I mean by that sentence is, I shouldn’t let you perform this task. Now that you are famous, several chiefs are looking for someone to me!”

Hearing this, Lin Kai breathed a sigh of relief.

“It’s just that, Lin Kai, I watched your action video. Your strength is not comparable to ordinary people.”

“The above sensed that you may have a genetic mutation, so tomorrow there will be a big man coming to our Southeast Military Region. This big man is here for you.”

He Zhijun’s expression is very serious.

Lin Xinzong also began to realize that this big man might really have a big background.

“Gene mutation?” Lin Kai was a little confused.

He Zhijun nodded: “Yes, in our China, there are very few people whose genes have been mutated.”

“People who have undergone genetic mutations are much stronger than ordinary people.”

“For example, the speed is extremely fast and the power is great.”

“And your action video, whether it is speed or strength, proves that you are a special soldier with a genetic mutation.”

“The above still attaches great importance to such scarce talents.”

“Tomorrow, a big man will wear the medal for you personally. Go back first.”

Lin Kai nodded and left He Zhijun’s office.

Soon, Lin Kai returned to the wolf base.

During Lin Kai’s absence, the Wolf Squadron was not lazy, and Long Xiaoyun temporarily became the captain of the Wolf Squadron.

When Lin Kai returned to the Wolf Warrior Base, Long Xiaoyun was giving lessons to Lin Kai’s comrades.

At the door of the equipment room, Lin Kai knocked on the door and grinned.

Everyone in the equipment room looked at Lin Kai in unison.

Fat, smart...

These long-lost faces still haven’t changed.

Long Xiaoyun also turned to look at Lin Kai. The moment she saw Lin Kai, her delicate body was shocked, and her eyes were a little trance.

Dazzled?

“Report! Lin Kai, Captain of Wolf Warrior Squadron, request to return!” Lin Kai gave a military salute.

It turned out to be true, and then Long Xiaoyun realized it.

She wanted to laugh, but she felt that she was not serious when she laughed.

So she said coldly: “Return to the team!”

“Yes!”

Lin Kai agreed and sat down in the equipment room.

I saw a bomb vest on the table in front of Long Xiaoyun.

This kind of bomb vest can be fixed on a person's body, and is the only choice for criminals to kidnap the rich.

Long Xiaoyun explained: "Everyone is optimistic."

"There are generally two types of bomb vests."

"The first type is the unsolvable bomb vest. This bomb vest is killing people. No matter which thread you cut, there will only be one end, and that is an explosion!"

"There is another kind that can be solved. Although this bomb vest can be unlocked, it is even more difficult to find the right one among the dozens of wires!"

"So, I want to teach you today how to distinguish a solvable bomb and an unsolvable bomb."

Long Xiaoyun spoke and picked up the bomb vest on the table.

The bomb vest was displayed in front of everyone, and there were dozens of densely packed wires of different colors on this bomb vest.

The function of these wires is to fix the bomb on the person's body, and it cannot be taken off. If you want to take it off, you must cut at least one of the wires.

And once the cut is wrong, there will only be one end, death!

The so-called explosion-proof suit is actually just false talk in front of the bomb.

In the case of a personal explosion, the role of the explosion-proof suit is just to leave a whole body.

The powerful explosive force will shatter all human internal organs!

"Special forces, not only must be proficient in single-soldier combat and coordinated combat, but also your label!

"The bomb vest in my hand, can you see if it is solvable or unsolvable?"

As soon as Long Xiaoyun's question came out, everyone off the court shook their heads.

Long Xiaoyun explained: "This is a bomb vest with a solution. Do you know why?"

"Unsolvable bomb vests have never deliberately arranged wires. Anyway, they are dying."

“But this one is different. The lines of this bomb vest are all ordered in order to be able to take off this bomb vest.”

“This is the easiest way to distinguish bomb vests.”

“Next, I will teach you how to untie this bomb vest.”

After all, Long Xiaoyun glanced at Lin Kai and said, “Lin Kai!”

“To!”

“Come up and teach everyone how to untie this bomb vest!” Long Xiaoyun said.

“Huh?” Lin Kai was stunned for a moment, letting him solve it?

I don't know it at all!

But this was Long Xiaoyun's order, and in desperation, Lin Kai still bite the bullet and walked up.

Long Xiaoyun handed Lin Kai a pair of scissors and asked Lin Kai to identify which of the wires was the wire that stopped the bomb vest from exploding.

Is Lin meeting to disarm the bomb?

of course not.

Long Xiaoyun also knew that Lin Kai could not, and the reason that Long Xiaoyun asked Lin Kai to demonstrate was because she wanted Lin Kai to give everyone a wrong demonstration. In this way, it would be convenient for her next teaching.

Sure enough, the moment Lin Kai got the scissors, he was dazed.

How to cut so many wires?

When I turned around, I saw Long Xiaoyun staring at him coldly. This old lady is really not merciful at all!

I have to fix myself when I come back!

Anyway, she is going to laugh at it, just cut it!

Lin Kai gritted his teeth and picked up the scissors to cut one of the wires.

But Lin Kai's scissors hadn't been cut yet, and the warning cat's eye on Lin Kai's chest suddenly shook!

in danger?

Caution cat's eye actually has this function?

Lin Kai was overjoyed!

Lin Kai believed that the bomb vest in front of him must be fake and a drill.

But the function of warning cat's eye is very powerful, and even this kind of non-dangerous danger can be expected.

Chapter 437: It's A Nest

Chapter 437

When Lin Kai was about to cut it, Long Xiaoyun's mouth showed an imperceptible smile.

Lin Kai, Lin Kai, I will kill your spirit in a while!

But Lin Kai did not cut it.

Instead, he stopped.

I saw Lin Kai moved the scissors to the front of the other wire, and he wanted to cut another wire!

Long Xiaoyun shook his head, this wire is also the detonating wire.

Among the dozens of wires, only one wire can disarm the bomb.

"You only have one minute." Long Xiaoyun reminded at this time.

Hearing that, Lin Kai speeded up and tested the scissors in front of one wire after another.

Lin Kai's comrades are all at a loss, what is Lin Kai doing?

Although they admire their captain Lin Kai very much, Lin Kai is not omnipotent after all. It is normal that Lin Kai can't solve the bomb vest.

They didn't think that Lin Kai could remove the detonation mode of the bomb vest.

Lin Kai quickly tested one wire after another, and each wire would make the warning cat's eye vibrate.

Finally, at the fifty-eighth second, Lin Kai found a wire that allowed him to guard the cat's eyes from shaking!

that's it!

With a click.

Lin Kai cut the wire directly!

The timer on the bomb vest was frozen at fifty-eight seconds.

The ticking sound also stopped.

Everyone was stunned. The bomb vest did not explode?

Although this bomb vest is only an analog product, if you cut the wrong wire, it will emit a very harsh electric bell.

And now, there is no sound from the bomb vest. Does this mean that Lin Kai successfully cancelled the detonation mode of the bomb vest?

Amazing!

This is the first thought in everyone's heart.

They and Lin Kai became special forces at the same time, neither of them learned the detonation mode of disarming the bomb vest, and Lin Kai must have never learned it either.

But now, Lin Kai has done it!

What does this show?

It shows that Lin Kai is very talented and can learn it without a teacher!

The smile on Long Xiaoyun's small face also solidified. She looked at Lin Kai like a monster, with an incredible expression.

She originally wanted to make things difficult for Lin Kai. After all, Lin Kai had no training in this area, but Lin Kai once again created a miracle!

He actually disarmed the detonation mode of the bomb vest.

This is simply a miracle!

After the scene was quiet for a while, thunderous applause broke out.

Lin Kai's comrades, everyone applauded heartily.

They are proud of Lin Kai, Lin Kaiqiang, their faces also have light, because Lin Kai is the captain of their Wolf Squadron!

At this time, Long Xiaoyun's voice was a little stuttered: "Lin Kai, you... how did you do it?"

Lin Kai smiled slightly and said, "Intuition."

As he said, Lin Kai patted his chest.

intuition?

This thing has always been a very illusory thing, and Long Xiaoyun didn't know how to evaluate this feeling.

A ten-year veteran told her that on the battlefield, intuition can really change a person's fate.

But does something like intuition really exist?

...

After class, Lin Kai and his brothers chatted for a while, packed up their things, and then returned to their office.

The next morning, Lin Kai received a notice from He Zhijun, asking Lin Kai to assemble the Wolf Squadron and report to the conference room.

Ever since, Lin Kai assembled the Wolf Squadron and arrived at the meeting room of the Wolf Squadron at seven o'clock in the morning.

After arriving in the conference room, Lin Kai found that not only the Wolf Squadron, but also two special forces.

They are the Tigers Special Forces and the Red Blood Cell Special Operations Team.

They actually came too.

The three familiar special forces have been gathered, Lei Zhan and An Ran are also there, and three leaders including He Zhijun are also on the scene.

so many people?

So grand?

After taking his seat, He Zhijun stood on the podium and saw a huge projection cloth behind him.

At this moment, a picture is being placed on the projection cloth.

This picture is a picture of Huangshan Village on the snow-capped mountains.

He Zhijun knocked on the table and said: "Good morning, comrades, today there is an important announcement."

"Today, I will tell you a story, the story of a big drug lord."

"This big drug lord has countless aliases and no specific name. He is currently the largest drug lord in China!"

"Needless to say his name, I believe everyone knows it."

"He is Cao Wanjin, and Cao Wanjin is one of his most famous pseudonyms."

I saw the pictures behind He Zhijun turning over one by one.

There are pictures of seized weapons, pictures of their crimes, and pictures of them making drugs.

After seeing these pictures, everyone at the scene changed their complexion.

Especially the three special forces.

Although the three special forces are elite, they are all recruits after all and have not performed many missions, so after seeing these pictures, they couldn't help their hearts speed up.

Everyone was very surprised.

In China, there is actually such a large-scale criminal organization?

This is simply terrible!

He Zhijun's serious expression gradually relaxed, and a smile appeared at the corner of his mouth: "However, this is such an organization that is so large that it ignores the armed police, but it has been picked up by the people of our Southeast Military Region!"

Hearing He Zhijun's words, everyone's eyes widened.

People from the Southeast Military Region, have you served a pot?

All of a sudden, everyone looked at Lei Zhan.

Although Lin Kai is also very strong, Lin Kai's actual combat experience is definitely not as good as Thunder War, and this time, the superior will definitely send veterans to it.

It's not safe to send recruits.

And Lei Zhan scratched his head at this time, also at a loss.

In this operation, Lei Zhan did not participate at all!

During Lei Zhan's time, he had been training recruits, and he did not go out to perform tasks at all. He didn't even know the task this time.

And this time the mission is top secret, and it will never be revealed before the mission is completed.

Suddenly, Lei Zhan was taken aback.

He turned his head mechanically and looked at Lin Kai.

This kid, it seems that he hasn't been in the military area during this period. Could it be him?

impossible!

Lei Zhan shook his head, even if he is strong, even if he can always perform miracles, but after all, he is just a recruit. Can he take away the nest of more than a hundred mercenaries?

impossible!

At this time, He Zhijun also looked at Lin Kai and smiled.

Said: "Lin Kai, come out."

After hearing the two words Lin Kai, everyone looked at Lin Kai in unison, but it was him again?

Everyone is a little numb. Since this kid became the rookie king, he hasn't stopped for a day. The award is him, the record is broken, and the meritorious service is him!

Chapter 438: Ye Nantian Body

Chapter 438: Ye Nantian's True Body

In everyone's hearts, they were a little numb with shock, after all, Lin Kai brought them too many surprises.

There was a round of applause, and Lin Kai stood up.

He Chenguang, Leng Feng and others all looked at Lin Kai with a very enviable look.

Before, they regarded Lin Kai as their competitor.

But invisible, Lin Kai had already distanced them very far.

Lin Kai now and they are no longer the same level of special forces.

Wang Yi in the corner, his eyes flashing unwilling, came out of the same recruit company and looked at Lin Kai now, and then at him now.

Lin Kai is like a diamond, dazzling and dazzling, and his Wang Yi is like a grain of sand in the beach, not noticeable at all.

Lin Kai stood on the podium and gave a military salute to everyone.

He Zhijun looked at Lin Kai with satisfaction. Lin Kai was the best soldier he had ever taken!

“Now let me talk about Lin Kai's experience in Huangshan Village.”

“After Lin Kai entered Huangshan Village, he was blackmailed by Cao Wanjin and robbed of several billion!”

After hearing the number of several billion, everyone exclaimed, Lin Kai actually has several billion?

As expected of the young master of the Lin family!

“Later, Lin Kai discovered their drug production base and grasped the evidence of their drug trafficking to create drugs. The other party wanted to use Lin Kai as a drug test.”

“At this time, Lin Kai resisted!”

“Although Lin Kai paid a great price, Lin Kai miraculously defeated ten special forces in a small space with his own power!”

“Later, Lin Kai used the terrain of Huangshan Village to launch a guerrilla attack with the enemy!”

“It was delayed until our support came, and the mercenaries in Huangshan Village were wiped out in one fell swoop.”

“Cao Wanjin was also arrested!”

He Zhijun’s words are concealed.

In fact, there was no so-called support. Lin Kai killed all Cao Wanjin’s men alone.

Just say it like that, everyone might not believe it.

Therefore, the above requires confidentiality regarding this matter.

The version mentioned by He Zhijun is the one currently circulating outside.

Everyone was very surprised.

They are all recruits, and Lin Kai’s speed of improvement is really unimaginable!

Killed ten special soldiers, and dragged the mercenaries until the large troops came to help.

This is more exciting than making a movie!

Suddenly, countless people cast admiring gazes at Lin Kai.

I saw He Zhijun pick up a certificate from the table.

He Zhijun smiled and said, “Major Lin Kai, congratulations, from now on, you are a lieutenant colonel!”

Lieutenant Colonel!

Everyone was surprised.

Looking at Lin Kai’s gaze was no longer envy, it was simply naked jealousy!

Lieutenant colonel! How old is Lin Kai? Twenty years old?

The twenty-year-old lieutenant colonel, Lin Kai may be the youngest lieutenant colonel in history!

Lin Kai was very excited when he received his military certificate.

Lieutenant colonel! I did not live up to my parents’ expectations!

At this time, Zhang Tianyi smiled mysteriously: "Hehe, do you especially envy Lin Kai now?"

Everyone looked at each other, no one admitted, but everyone had a look of envy in their eyes.

Zhang Tianyi smiled and said, "Hehe, there is another good news to tell everyone that today, someone you unexpectedly will come!"

"This person is the legend of our Huaxia State Military Region!"

"This person is the king of soldiers of the Yanjing Military Region!"

"he is the one"

Having said this, Zhang Tianyi smiled mysteriously and did not continue.

Fan Tianlei stretched out his hand and said, "He is Ye Nantian!"

Ye Nantian!

Almost everyone sat up from the chair, it was actually Ye Nantian!

Ye Nantian, but the king of soldiers of China!

He is the king of soldiers of the Yanjing Military Region and has created countless immortal legends.

Did he come?

Excited expressions appeared on countless people's faces. They were absolutely lucky to see Ye Nantian.

Many of the people present were Ye Nantian fans. After hearing that Ye Nantian had also come to their Southeast Military Region, these people almost fainted with excitement.

Lin Kai also looked at the door expectantly. Lin Kai had heard the name Ye Nantian more than once.

And now, Lin Kai can finally see this legendary man!

Click!

The door opened sounded.

Everyone looked at the door and held their breath.

A figure flashed by.

I saw a slender young man walk in.

The young man looks extremely young. It looks like he is only twenty-four or five years old.

He is wearing a neat uniform and his rank is general!

The height is about 1.78 meters.

His figure is neither fat nor thin, and his skin is white, which is comparable to Lin Kai's, and his facial features look very clean, giving a fresh feeling.

Such a person will never be recognized as a soldier without taking off his military uniform, and will be regarded as a small piece of meat on TV.

But his aura is very powerful.

He walked into the meeting room like a meteor, with sharp eyes and a straight back. Everyone trembling when he looked at him.

As if a tiger descending from the mountain, everyone feels that he is a prey, only he is a tiger.

Ye Nantian!

After Lin Kai saw Ye Nantian, he was also very surprised.

Is the legendary Ye Nantian so young?

Actually only in his twenties?

Lin Kai was looking at Ye Nantian, and Ye Nantian was also looking at Lin Kai at the same time.

Ye Nantian glanced up and down at Lin Kai, with an elusive smile on his mouth.

Ye Nantian strode to the stage and stood next to Lin Kai.

They are also representatives of the younger generation, and Ye Nantian stood by Lin Kai's side, and immediately suppressed Lin Kai's momentum!

Now the focus of the audience is on Ye Nantian, no one is paying attention to Lin Kai!

After all, Ye Nantian is a general!

And Lin Kai is just a lieutenant colonel.

Even He Zhijun and other leaders, in front of this young man, looked like a junior.

After all, in terms of military rank or background, they are no match for Ye Nantian.

Standing behind Ye Nantian, the extremely powerful Ye Family!

At this time, I saw Ye Nantian salute everyone, saying: "Hello everyone, I am Ye Nantian from the Yanjing Military Region."

With just one sentence, thunderous applause erupted in the conference room. This applause was more enthusiastic than just welcoming Lin Kailai!

Ye Nantian smiled slightly, looked at Lin Kai, and said, "I am invited to present a medal to Comrade Lin Kai."

"Comrade Lin Kai, you performed very well in this mission. After discussion and decision by your superiors, you will remember your second-class merit once and award you a Guardian Guardian medal."

Chapter 439: Be My Apprentice

Chapter 439: Be My Apprentice

Guardian of the country medal.

Below was another group of people cast an enviable look.

Lin Kai straightened his waist and saluted Ye Nantian.

Ye Nantian smiled slightly when he saw Lin Kai looking up.

He was not in a hurry to wear this medal for Lin Kai.

"Before awarding you this medal, Lin Kai, I want to ask you a question." Ye Nantian said suddenly.

problem?

All looked at Ye Nantian in unison.

What question does Ye Nantian want to ask Lin Kai?

“You ask.” Lin Kai is neither humble nor overbearing.

“Excuse me, do you think you are strong or I am strong?” Ye Nantian’s eyes had some pride.

Ye Nantian is only twenty-four years old this year. Even if he is five years old, his current achievements are far from what Lin Kai is twenty-four.

Both are the pride of the sky and are also the legend of the military region. Ye Nantian is very confident and even a little conceited.

When asked this question, Lin Kai was also taken aback.

Who is stronger?

Although Ye Nantian is heard to be very strong, but Lin Kai, who will live a lifetime, is willing to be an ordinary person?

To be the ultimate, to be the strongest!

“Report! Admiral Ye Nan! Although you are strong, I think I will be stronger than you in the future!” Lin Kai replied loudly.

As soon as Lin Kai’s words came out, the audience boiled!

Lin Kai is so crazy!

He actually dared to say such things in front of Ye Nantian!

But no one felt that Lin Kai was self-defeating, on the contrary, everyone felt that Lin Kai was very kind.

Because Lin Kai dared to say such things in front of Ye Nantian.

In the Huaxia Kingdom, Ye Nantian has always been the object of worship of soldiers, but no one has ever dared to say that he can defeat Ye Nantian.

But now, Lin Kai has stepped forward.

He is not satisfied!

He wants to challenge the legend!

Ye Nantian was not angry when he heard this, but instead laughed: “Hahaha! Good! I am very satisfied with your answer. Although you are not as strong as me, I admire you!

Between the words, Ye Nantian had already regarded Lin Kai as his junior.

Ye Nantian looked at Lin Kai with great satisfaction. After so many military districts, no one dared to provoke him to Ye Nantian.

But today, he finally met someone who dared to challenge him, this person is Lin Kai!

“I admire you very much. I have read all your information. You are very good. Are you interested in being my apprentice?” Ye Nantian asked at this time.

After Ye Nantian said, he smiled like he was holding a winning ticket.

He seemed to see how Lin Kai couldn't wait to agree.

No one has ever rejected him Ye Nantian, and no one is qualified to refuse.

Because no matter who it is, the other party thinks that it is an honor to be Ye Nantian's apprentice!

When Ye Nantian's apprentice?

Everyone exclaimed.

This is a rare opportunity! Ye Nantian has many apprentices, but anyone who can become Ye Nantian's apprentice will improve by leaps and bounds.

Ye Nantian is proficient in shooting, close combat, military theory, etc., almost all-around.

Adoring him as a teacher, there are only advantages, no disadvantages, this is an opportunity for Lin Kai to rise!

Even He Zhijun clenched his fists very nervously, even though he kept saying that he would make Lin Kai the second Ye Nantian.

But a legend is a legend.

Where is it so good?

If Lin Kai can be Ye Nantian's apprentice, there will be light on his face!

At this moment, He Zhijun kept winking at Lin Kai, motioning Lin Kai to agree.

And Zhang Tianyi and Fan Tianlei also looked at He Zhijun with envy. He Zhijun brought out a good soldier!

Lin Kai was actually going to become Ye Nantian's apprentice.

Everyone looked at Lin Kai with envy and hatred. Lin Kai is about to rise, and his opportunity is here!

Everyone thought that Lin meeting was very excited and agreed, but they didn't expect that Lin Kai glanced at Ye Nantian with a cold expression.

"Sorry, General Ye, I don't want to be your apprentice." Lin Kai replied neither humble nor humble.

Lin Kai stared at Ye Nantian without a trace of dodge.

He doesn't want to be Ye Nantian's apprentice!

why? Because Ye Nantian is very proud, and Lin Kai is also very proud! Lin Kai is proud in his bones.

They are all the same age, why do you want to be my master?

Are you strong? I don't think so!

As soon as Lin Kai's words came out, the whole audience could hear the sound of a needle falling on the ground quietly.

Lin Kai actually rejected Ye Nantian?

This is an unexpected result for everyone.

Ye Nantian, the legend of the Huaxia Kingdom, had no chance for how many people smashed their heads to become Ye Nantian's apprentices.

But Lin Kai actually refused?

The smile on He Zhijun's face instantly solidified, Lin Kai, what are you thinking about?

The smile on Ye Nantian's face also stiffened. He looked at Lin Kai with surprises in his eyes. Ye Nantian asked, "Why?"

Lin Kai replied: "Report! I think you are too crazy! I don't want to be your apprentice!"

ignorance!

This is what everyone thinks in their hearts.

If Lin Kai dared to stand up against Ye Nantian just now, it would be Lin Kai brave!

But Lin Kai really dared to confront Ye Nantian, that is ignorance!

Now Lin Kai's performance is just looking down on Ye Nantian!

Ye Nantian, a legendary figure in China, his strength is recognized as tough, but Lin Kai didn't want to be his apprentice?

Lin Kai is so proud!

This time, even the corners of Ye Nantian's mouth twitched.

Ye Nantian likes not to admit defeat, but he doesn't like people who are defiant, even less like people who doubt their own strength.

Lin Kai can be said to have annoyed him.

Ye Nantian, the proud son of heaven, has never met an opponent among his peers, Lin Kai? The new king of the Southeast Military Region? He didn't care about it at all.

He just regarded Lin Kai as a very good junior.

And now this junior, actually doesn't put himself in the eyes?

He is too crazy?

Is he too crazy?

Yes, Ye Nantian is really crazy!

But Ye Nantian has arrogant capital!

The twenty-four-year-old general, who is not crazy?

"Oh? Then you want to compare with me?" Ye Nantian asked with a smile, looking bad.

Lin Kai replied: "I didn't mean that, I just don't want to be your apprentice!"

Ye Nantian smiled slightly, nodded, brushed!

He only heard a strong wind, Ye Nantian's hand seemed to flash, Lin Kai subconsciously took a step back, but it was too late.

I saw that the button on Lin Kai's collar had disappeared.

too fast!

Even if Lin Kai had a 200-point reaction, it was not as fast as Ye Nantian's.

Ye Nantian smiled proudly: "If I wanted your life just now, you are already dead."

"Now, do you still think I'm crazy?"

"The opportunity to be my apprentice is not available to everyone."

Click!

Ye Nantian threw the button in his hand to the ground.

Upon seeing this, Lin Kai frowned and his heart was very angry.

Is it possible that you Ye Nantian is an admiral, you are famous for Ye Nantian, should everyone respect you?

If you accept me as an apprentice, do I have no room for rejection?

Can't I question you?

At that time, Lin Kai stood up and said loudly: "Report! Admiral Ye, I think you are very rude!"

Chapter 440: Impolite

Chapter 440

Lin Kai let out a loud shout, which calmed the atmosphere of the scene again.

Everyone stared at Lin Kai.

What does he want to do today?

Does he have to offend Ye Nantian to death?

But there are a few people who are a little gloat in their hearts.

Lei Zhan and An Ran looked at Lin Kai with cold eyes. Lin Kai was too at ease in the Southeast Military Region during this period. Looking at the entire Southeast Military Region, they couldn't find anyone who could rectify him.

But a mountain is higher than a mountain, and he is here today!

Ye Nantian, the king of the Yanjing Military Region, the legend of China!

Lin Kai dared to be presumptuous in front of him, there was absolutely no good fruit to eat.

In the corner, Wang Yi also showed a stern smile.

He is jealous of Lin Kai, he hates Lin Kai.

But he was helpless with Lin Kai.

But now, Ye Nantian is here!

Lin Kai dared to be arrogant in front of Ye Nantian, he would definitely not end well!

Lin Kai, you are a good rookie in the Southeast Military Region, but Ye Nantian is a legend in the Chinese nation.

Do you really think you can be Ye Nantian's opponent? You are still too tender.

He Zhijun also sweated for Lin Kai at this time.

Lin Kai, you are so crazy! How could you say this in front of Ye Nantian?

Ye Nantian stared at Lin Kai, with a hint of anger in his eyes.

For so many years, no one dared to be so presumptuous in front of him Ye Nantian.

J!

"I am impolite?" Ye Nantian asked: "Tell me, how am I impolite?"

Lin Kai replied: "The military uniform is my life. Even if it is a button, I am not allowed to lose it! You knocked out a button on my uniform. Do you think you are polite?"

"It's just a button." Ye Nantian shook his head and sneered.

"I will pay you ten sets of military uniforms!" Ye Nantian replied.

Upon hearing this, Lin Kai also joked: "I don't lack money!"

"you!"

Hearing that, Ye Nantian almost broke out!

At this time, his eyes began to cool.

“Well, you are a rookie king, you are just a rookie king, you are so crazy.” Ye Nantian nodded repeatedly.

“Do you dare to accept my challenge?” Ye Nantian asked coldly, his eyes already very cold.

Everyone was in an uproar, Ye Nantian actually wanted to challenge Lin Kai!

Can Lin Kai be Ye Nantian’s opponent? That is certainly not.

And does Lin meet the challenge?

Lin Kai glanced at Ye Nantian, he was not stupid either, he was not Ye Nantian’s opponent, so naturally he would not accept the challenge.

“I don’t accept your challenge!” Lin Kai replied loudly.

“Don’t you dare?” Ye Nantian laughed.

“Report to General Ye, I don’t want to accept your challenge, there is no reason!” Lin Kai’s voice is neither humble nor overbearing, and confident.

Ye Nantian’s eyes were completely cold, and he saw the medal on the table in his fist and lightly shook it in front of Lin Kai.

The medal immediately turned into a pile of iron mud.

“Guardian Medal, you don’t deserve to have it!”

With a clatter, Ye Nantian threw the iron mud to the ground.

Lin Kai glanced at the medal on the ground, and was also very angry.

This is my own honor!

At that time, Lin Kai said loudly: “I ask General Ye to apologize to me!”

“Apologize?” Ye Nantian snorted coldly, “Are you worthy?”

“The medal is my honor and deserves it. You must apologize to me!” Lin Kai stared at Ye Nantian and shouted loudly.

“This world has always respected the strong. When you have the strength to beat me, let’s mention the apology!” Ye Nantian said, walking outside without looking back.

Lin Kai frowned, how could he let Ye Nantian leave like this?

At that time, Lin Kai grabbed Ye Nantian's shoulder with one hand, and wanted to stop Ye Nantian.

But Lin Kai didn't expect that his hand had just put on Ye Nantian's shoulder, and only heard a snap, and Ye Nantian took Lin Kai's hand!

"I'm not polite!" Ye Nantian snorted coldly.

Seeing Ye Nantian's hand tightened slightly, Lin Kai's 300-point defensive power was like a joke, and could not resist Ye Nantian's immense strength!

Hearing a creaking sound, a bean-sized sweat fell on Lin Kai's forehead.

With a piercing pain, Lin Kai almost couldn't help but scream.

It hurts too much!

Lin Kai's hand was deformed at a speed visible to the naked eye!

fracture! Comminuted fracture!

Ye Nantian's attack was too vicious!

Ye Nantian let go of Lin Kai's hand, and Lin Kai covered his right hand, the pain made Lin Kai almost fainted.

I saw Ye Nantian carrying one of his hands, and said lightly: "This is a lesson for you. I hope you will keep your eyes open next time and don't think you can offend anyone."

After all, Ye Nantian walked to the door of the conference room.

And Lin Kai looked at his deformed right hand, very angry in his heart!

Comminuted fracture!

I may say goodbye to the special forces career.

If it is an ordinary person, he can retire due to injury now!

This Ye Nantian is so defiant, because he doesn't want to be his apprentice, because he dares to tell the truth, because he didn't brag about him, would he have to cut his own future?

"You stop me!" Lin Kai roared angrily.

Ye Nantian's body stopped.

He looked back at Lin Kai, but a playful smile appeared on his beautiful face.

“What? You want revenge?”

“Then accept my challenge!”

Lin Kai has been attacked by anger, his chest is up and down, he is not reconciled! He also does not allow himself to be bullied!

“I want you and apologize to me!” Lin Kai pointed at Ye Nantian, his fingers trembling.

“Apologize? Are you worthy?” Ye Nantian tilted his head and smiled evilly.

“Then you go to die!” Lin Kai roared angrily.

I saw Lin Kai hugged his arm and suddenly stepped on the ground with his right foot, only to hear a loud bang, and Lin Kai slammed a huge pit out of the ground with a rude foot!

“Rhinoceros... stick to the mountain!”

When he came up, Lin Kai used his strongest method!

I saw Lin Kai dashed like a rhino, every foot on the ground can make the ground tremble!

His eyes are like an angry rhino!

His heart was burning with anger!

He wants Ye Nantian to pay the price!

But Ye Nantian stood with his hand with his hand smiling, and he didn't open Lin's eyes at all.

“Imitate the way animals attack? Interesting!”

Ye Nantian smiled playfully, only to see Ye Nantian's tongue, at this moment like a cobra tweeting a letter, spit out a few times.

“Imitate the way animals attack, this is a little trick I played a few years ago.”

After that, Ye Nantian's body shrank suddenly, and then with a swish, he just ejected out like a cobra!

And his arms, like a cobra's body, directly wrapped around Lin Kai's neck.

After that, Ye Nantian gave Lin Kai a very strong over-shoulder throw in the air with a four-to-two stroke!

Boom!

Chapter 441: Apologize To Me

Chapter 441 Apologize to Me!

There was a loud noise, and a huge human-shaped pit appeared on the ground!

But Lin Kai's body was tumbling. At this time, Lin Kai felt that he was about to die.

His power is really too strong!

In other words, Ye Nantian used a kind of ingenuity. With this kind of ingenuity, he removed the strength of Lin Kai's rhinoceros sticking to the mountain and rebounded this strength back.

At this time, Lin Kai only felt his internal organs churning, Lin Kai couldn't help but vomit a big mouthful of blood.

Ye Nantian is really too strong.

Lin Kai couldn't even survive a single move!

And the audience was in an uproar.

No one thought that Ye Nantian made such a heavy shot that he would vomit blood to Lin Kai!

He Zhijun on the side was sweating, and his heart was dripping blood. Lin Kai is his favorite soldier. If he was beaten, who would he cry?

At that time, He Zhijun laughed with him: "General Ye, keep people under your hands, keep people under your hands..."

Ye Nantian patted his shoulder and said lightly: "He is not worth dirtying my hands."

Ye Nantian's eyes were full of confidence.

Lin Kai is not his opponent at all. With this move, he can make Lin Kai unable to stand up!

But what Ye Nantian didn't expect was that Lin Kai actually stood up!

Lin Kai dragged his aching body and slowly stood up, with that bloodthirsty gaze, he looked at Ye Nantian again.

“Ye Nantian, go... to die!” Lin Kai roared again and threw a punch at Lin Kai!

This punch went straight to Ye Nantian’s face!

And Lin Kaisi didn’t care about the injury on his body, exhausted all the strength of his body, just to make Ye Nantian pay the debt!

call!

There was a burst of sound, and the power of this punch reached 270 points!

Enough to crush a stubborn stone!

Ye Nantian was also a little surprised. Lin Kai could still stand up, but he didn’t panic.

Seeing Ye Nantian smiled playfully, he sprinted down, put his hands outside and recovered, with a bang, he directly caught Lin Kai’s menacing punch!

brush!

Ye Nantian’s body slid back several meters, and two black shoe prints appeared on the ground, but Ye Nantian’s body did not move at all.

Lin Kai’s heart was very surprised. With his punch, he didn’t even shake Ye Nantian’s hair?

As soon as he looked up, Lin Kai saw Ye Nantian’s playful smiling face.

“It’s still too tender.” Ye Nantian said, pulling Lin Kai’s fist and a huge force came, and Lin Kai uncontrollably fell into Ye Nantian’s arms.

Seeing Ye Nantian’s hands up and down, his palm was like a machete, slashing towards Lin Kai’s arm!

Only heard a click, Lin Kai’s right arm was broken like a wooden stick, and the whole arm immediately dropped.

Ye Nantian directly abolished Lin Kai’s arm!

At that time, Lin Kai only felt a sharp pain coming, and his right hand had been abolished by Ye Nantian!

fracture!

He had a comminuted fracture in his right hand, and now his left arm was also abolished by Ye Nantian!

Both of Lin Kai's hands have lost their combat effectiveness!

Lin Kai is not Ye Nantian's opponent at all!

He is too strong, his various attributes are more than Lin Kai does not know how much!

Everyone present frowned and squeezed a sweat for Lin Kai. Both of Lin Kai's hands were abolished by Ye Nantian.

It seems that Ye Nantian is indeed as strong as the legend, even a strong man like Lin Kai, in front of Ye Nantian, is like a three-year-old child who is generally intolerant to fight.

Aside, Lei Zhan's mouth showed a sneer.

He held his arms and looked at Lin Kai who was beaten with interest.

That's great!

How to fight!

Not only had to abolish his hands, but also his legs and let him get out of the Southeast Military Region, so that he would never be able to serve as a soldier in his lifetime!

As for An Ran next to Lei Zhan, his mood at this time was also very comfortable.

Lin Kai, Lin Kai, where did the energy you exaggerated in front of me some time ago?

Now you are like a waste dog. In front of Ye Nantian, you can't stand up, right?

Both hands are gone, I see how you are still a soldier!

In the corner, Wang Yi laughed. It was so cool! Seeing Lin Kai being beaten like this, his heart is so refreshing!

Lin Kai!

Retribution is finally here!

Are you still arrogant now?

In front of Ye Nantian, dare to be so arrogant, you are the only one who suffers! When you withdraw from the Southeast Military Region, the newcomer king of the Southeast Military Region is me, Wang Yi!

And you, Lin Kai, are just a passerby in the Southeast Military Region!

I am the real protagonist!

Everyone in the squadron of Wolf Warriors clenched their fists, and Fatty's face flushed even more. He wanted to rush to fight with Lin Kai now!

But he knew that at this moment, it belonged only to Lin Kai.

It was Lin Kai's own stage. No matter how Lin Kai was beaten, it was the moment when Lin Kai regained his dignity, and it had nothing to do with others.

He appeared fat, not to help him, but to harm him!

After all, the dignity that others helped to retrieve is not true dignity.

Long Xiaoyun was already in tears at this time.

I don't know when it will start. The two words Lin Kai already have a certain place in her heart. Seeing Lin Kai become this look, her heart is like a knife twist!

Thinking of Lin Kai's previous scenes of playing rascals, when thinking of Lin Kai's hippie smiling face, and seeing Lin Kai now, Long Xiaoyun's heart couldn't help but feel heartache.

Lin Kai!

Why are you so stupid, against him?

Ye Family, no one can shake in the capital!

With his left arm abolished, Lin Kai's hands have completely lost combat effectiveness.

He looked at Ye Nantian, his eyes filled with hatred.

What **** the legend of China, he is completely a soldier!

Relying on his own strength and background, he actually did evil in the army. He dares to do this to himself today, which shows that he has done such things before.

Soldier King Ye Nantian is completely packaged!

Seeing Lin Kai's hateful expression, Ye Nantian tilted his head and smiled and asked, "What's the matter, dissatisfied?"

Lin Kai sneered: "Unless you beat me to death, I can't take it!"

"Then I will satisfy you!" Ye Nantian laughed!

I saw that Ye Nantian came to Lin Kai's face and kicked Lin Kai to the ground!

His speed was so fast, everyone could only see an afterimage, and Lin Kai had fallen to the ground.

Lin Kai's hands completely lost their combat effectiveness, and there was a soreness all over his body. Now he was kicked again, and for a while, Lin Kai couldn't get up and almost fainted.

Ye Nantian came to Lin Kai's front, raised his foot to Lin Kai's right leg, and stepped straight down!

He wants Lin Kai's legs to be abolished, and he wants Lin Kai to become a disuse!

Chapter 442: Cruel

Chapter 442

When one foot fell, only a crisp sound was heard, and Lin Kai's right leg was deformed visible to the naked eye!

And the deformation is very serious.

But Lin Kai couldn't help roaring at this time, the pain made him unable to calm down at all.

Anger, unwillingness, pain, all kinds of emotions appeared in Lin Kai's mind.

But Lin Kai's eyes had already turned red at this time!

He is not reconciled!

Ye Nantian's own hands and one leg were just abolished by Ye Nantian?

Why? What did you do wrong? Why does he treat himself this way?

Several questions like these appeared in Lin Kai's mind.

Is it wrong to tell the truth? Is it wrong to not want to be his apprentice? Is it wrong to express an intuitive view by yourself?

Could it be because he is Ye Nantian? Just because behind him is the Ye family? Just because his rank is higher than himself?

So he can do whatever he wants?

I am not convinced!

At this moment, Ye Nantian gave a sneer, raised his foot again, and stepped on Lin Kai's left leg hard!

With a crisp sound, Lin Kai let out a roar again!

That sound resounded throughout the conference room!

Unwilling and angry in the voice!

The veins on Lin Kai's forehead burst out! With both hands clenched into fists, he looked at Ye Nantian's eyes, wishing to kill someone!

Both of Lao Tzu's legs have been abolished by you!

Ye Nantian! This hatred is not shared!

Lin Kai roared in his heart.

Turning around, Lin Kai saw Lei Zhan's eyes looking at him.

Full of ridicule.

Although he didn't say a word, Lin Kai could tell from the look in his eyes how happy he was now.

You should be happy to see yourself unlucky, right?

After all, I have robbed you of the limelight before.

An Ran beside Lei Zhan also showed a lofty expression at this time.

Now she doesn't even bother to look at Lin Kai, it seems that one more look at Lin Kai will dirty her eyes.

Because of Lin Kai now, his hands and legs have been abolished, he is already a useless person, and soon he will be forced to retire.

Lin Kai, his future is gone, your military career has come to an end!

Offend someone who shouldn't offend, this is your fate!

Lin Kai looked at He Zhijun again. He Zhijun's face flushed, and he clenched his fist. He wanted to help Lin Kai, but he was not as high as Ye Nantian's rank.

The mission of a soldier is to obey orders. He Zhijun can't move at all.

Move, disobey the military order!

Without moving, he could only watch Lin Kai helplessly, turning into a crippled appearance.

Ye Nantian glanced at Lin Kai, with that kind of indifference and sarcasm, he smiled, shook his head playfully, and turned around to leave the meeting room.

Lin Kai watched Ye Nantian's back gradually fade away, he wanted to stand up and avenge himself.

But he found that he couldn't do it.

But Lin Kai was not reconciled.

Now he can't avenge himself at all!

But Lin Kai believes that the current self is definitely not exhausted, as long as he lives, he can avenge himself!

"Ye... Ye Nantian!" Lin Kai exhausted the last bit of strength on his body and shouted these three words.

Ye Nantian's body stopped, he turned his head and looked at Lin Kai with a playful look.

"What? Are you still not convinced?" Ye Nantian asked contemptuously.

Lin Kai's eyes were cold, even though his current state was extremely bad, he still insisted not to let his consciousness coma.

He exhausted all his strength and said: "Ye... Nan Tian, give me 30 days, I... I will definitely kill you by myself!"

After hearing Lin Kai's words, Ye Nantian seemed to have heard a big joke and laughed: "Hahahahaha!"

"Do you want to laugh at me?"

“Give you thirty days? What about thirty years?”

“You will never be my opponent!”

“Send you a word, if you work hard to be useful, what do you want genius for?”

Ye Nantian put his hands in his pockets and smiled softly: “Thirty days later, Qingming Lake is waiting for you.”

After all, Ye Nantian left the meeting room without looking back.

After seeing Ye Nantian leave, Lin Kai finally couldn't hold it anymore, let out a sigh of relief, and passed out directly.

...

When I opened my eyes again, what caught my eyes was white.

The familiar place is the military hospital.

I felt my body, plastered all over his body.

My current self has become a useless person.

This is a single ward. In the whole ward, there is only one hospital bed and one TV.

Taking a look at the time, three days have passed since the day Ye Nantian appeared.

I actually slept for three days!

Outside the ward, there are two soldiers standing guard for Lin Kai. People who are not enough in rank cannot enter Lin Kai's ward.

Looking back three days ago, everything seemed like a dream.

He was beaten violently by Ye Nantian, and Lin Kai did not expect that the legendary Ye Nantian was such a person.

Seeing him, Lin Kai seemed to see a wealthy and powerful young man, who didn't put the lives of ordinary people in his eyes.

What is the difference between Ye Nantian and those young and old?

Lin Kai wanted to clenched his fist, but with a slight movement, a heart-piercing pain came, and he couldn't control his body at all.

His injury is too serious!

I can only use my own skills.

Own Lingzhi skills, but gold level skills!

It is not a problem to come to recover from the injury on his body.

“Ganoderma! Recovery!” Lin Kai said silently.

But the Lingzhi skill was not activated immediately, and the voice of the system rang in Lin Kai’s ear: “Host, it takes seven days to restore your body.”

“What?” Lin Kai’s eyes widened upon hearing this.

Your own Lingzhi skills can cure terminal illnesses! I only have a broken bone, but it takes seven days?

“Host, don’t be too surprised.”

“The normal human body is like a touch-tone phone.”

“And your body is a smart phone that has evolved layer by layer.”

“The time and cost required to repair a smartphone and a button phone are naturally different.”

After listening to the systematic explanation, Lin Kai could only accept his fate.

Who has allowed his body to undergo so many evolutions and transformations? Seven days are seven days!

“I admit it! Ganoderma, recover!”

After Lin Kai muttered silently, a faint green light was emitted from all over Lin Kai’s body.

This green light began to penetrate Lin Kai’s body, and this green light was helping Lin Kai recover all the wounds on his body.

This feeling was like countless soft hands helping Lin Kai massage. The comfortable feeling made Lin Kai almost groan.

If it is an ordinary person, the comminuted fracture can be recovered within half an hour.

And Lin Kai, it takes seven days!

At this moment, there was a knock on the door, and Lin Kai looked out and narrowed his eyes.

Chapter 443: The System Can't Stand It Anymore

Chapter 443

I saw He Zhijun standing outside the ward, looking at Lin Kai with guilt.

Lin Kai said: "Come in, Brigadier He."

Hearing this, He Zhijun pushed open the door of the ward and walked in.

I saw He Zhijun sitting next to Lin Kai's hospital bed and said apologetically: "Lin Kai, I'm sorry, I can't do anything about it three days ago."

Lin Kai nodded.

In fact, he didn't blame He Zhijun, because He Zhijun was also insignificant in front of Ye Nantian, and he couldn't help himself at all.

"It doesn't matter, Brigadier He, I don't blame you." Lin Kai said calmly.

After that, Lin Kai looked out the window with a trace of stubbornness in his eyes: "I only blame my lack of strength to avenge!"

He Zhijun felt even more guilty when he saw Lin Kai's appearance.

Because the news he said next might kill Lin Kai!

But He Zhijun, he really tried his best.

"Lin Kai."

"You know, once a special soldier develops a permanent hidden illness, he must retire."

When saying this, He Zhijun was talking with his head down.

Almost all of Lin Kai's limbs were comminuted fractures.

He can no longer serve as a soldier.

Hearing this news, Lin Kai didn't react much. He still understood the rules of the troops.

But Lin Kai was not really a comminuted fracture. Seven days later, Lin Kai, who was alive and kicking, would appear in front of He Zhijun.

He Zhijun took out a document and said, "But, Lin Kai, I won a month for you. This is something I can do."

"If you can recover from your injury within this month, you don't need to retire."

He Zhijun's face was red when he said this.

How to recover from comminuted fracture?

He just kept Lin Kai as a soldier for a month!

Hearing that, Lin Kai nodded, just because he was upset and didn't want to stay in the army. This time, he could go out and get some air.

"Thank you, Brigadier He." Lin Kai smiled slightly.

Seeing Lin Kai's smiling face, He Zhijun's heart also relaxed.

"Lin Kai, take good care of yourself, I believe you."

After He Zhijun said these words, stood up, gave a military salute to Lin Kaijing, and left the ward.

After He Zhijun left, Lin Kai asked, "The system, how can I defeat Ye Nantian!"

The system's answer made Lin Kai's eyes bright.

"Enable the ability of Brother Flathead, you can defeat Ye Nantian!"

Lin Kai was a little excited after hearing what the system said.

The extraction ability of Brother Flathead allows Lin Kai to double all attributes in a short time! Fighting power increased!

In that case, there is indeed hope to defeat Ye Nantian!

After all, it is a demi-god extraction ability.

But Lin Kai remembered that the extraction ability of Brother Flathead seemed to be unavailable all the time because of his insufficient strength.

"Then how can I use Brother Flathead to extract power?" Lin Kai asked expectantly.

But the systematic answer was like pouring cold water on Lin Kai's head.

“After all attributes are over three hundred points, you can use the Flathead extraction ability.”

All attributes are over 300 points! This is too difficult!

Lin Kai and Ye Nantian’s engagement, one month later, within this month, so many attribute points were obtained, that is simply a dream!

“Is it difficult?” The system suddenly raised the pitch: “Not difficult!”

“Dare to beat my lovely host into a comminuted fracture. Uncle can bear it, but my aunt can’t bear it!”

“This system has already prepared a mission for you! This time the mission, but this system tried its best to apply for you, just to help you get revenge!”

“The Mission of Love Ambassador!”

“Every time you do a good thing, you can get a different number of attribute points and upgrade points!”

“The time limit is one month!”

“Are you accepting the task?”

After listening to the system, Lin Kai burst into tears with excitement!

The **** system, although it is a bit harsh on me, it really protects me!

Lin Kai must accept the task this time, and must do it well! He has to obtain attribute points to use the flat head brother extraction ability!

“Accept the task!”

brush!

A bright light lit up, and Lin Kai successfully accepted this task.

Love ambassador, I am going to give my love!

And where to do good deeds?

Lin Kai thought about it, his eyes lit up, and he thought of a place.

This place is an island!

Why did Lin meet this place?

That's because Lin Kai's grandma's house is on the island!

Lin Kai's grandma's family, named Liu's family, is a small family on the island, but the Liu family is a well-known medical family on the island.

Since you are a medical family, don't you have many opportunities to show love?

Although there are a few people in my grandma's family that Lin Kai hates, but in order to complete the task, I can bear the humiliation!

He must set off immediately, otherwise He Zhijun will not give himself a month-long holiday if he finds out that he is okay after seven days.

Thinking of this, Lin Kai picked up the phone on the bedside and dialed the landline of the Wolf Squadron.

"Hello? I'm Lin Kai, I'm looking for a fat guy! Yes, it's Liu Wanjin, let him see me right away!"

...

night.

Lin Kai was sitting in a wheelchair. He had changed into plain clothes. Although his limbs were still unable to move, Lin Kai could basically walk around easily in an electric wheelchair.

The fat man pushed the wheelchair with a depressed look.

"I said, Captain, do we need to sneak out? We are honest and have fakes!" The fat man asked with a depressed look.

Lin Kai curled his lips: "I'm afraid to meet the tiger lady Long Xiaoyun."

Hearing the three words Long Xiaoyun, the fat man trembled all over, and involuntarily accelerated his pace.

Soon after, the fat man sent Lin Kai out of the military area.

Lin Kai took a taxi and went directly to the airport in Jiangbei City.

Get on the plane and set off towards the island.

The next day, as the sky was just getting dark, Lin Kai, who was sitting on the plane, also opened his eyes.

At this time, Lin Kai magically discovered that his right hand could actually move!

Lin Kai's right hand was the least damaged area. It seems that Ganoderma lucidum has restored Lin Kai's right hand.

With the hands, Lin Kai's heart was relaxed a little.

At this moment, there was an exclamation sound from the plane.

"Oh! My father is sick! Help! Is there anyone?"

It was a little girl beside Lin Kai who screamed, and beside the little girl, there was a middle-aged man.

At this moment, the middle-aged man was clutching his chest with an uncomfortable expression, his body was twisting uncontrollably.

His face was pale and bloodless, the blue veins on his forehead burst out, his eyes began to roll up, and his eyes were about to die!

There was a commotion on the plane, and the stewardess quickly rushed over to rescue the middle-aged man.

"Don't move! Acute heart disease! I am a doctor, let me come!"

Chapter 444: Xu Changkong

Chapter 444: Xu Changkong

At this moment, a middle-aged man in a black suit pushed away the stewardess and rushed over.

Several young flight attendants exclaimed and were squeezed aside.

The middle-aged man wore a pair of glasses and looked gentle. He was very proficient in his technique, and he should be a doctor.

I saw him laying the ill man who was trembling constantly on the ground, and pressing his chest with both hands.

The sick man was also pressed for breath.

The little **** the side looked at her father with a worried expression.

She held her father's hand tightly, feeling a little agitated, and tears fell.

The flight attendants next to each other looked at each other and were very worried. After all, if someone died on this plane, they were all responsible.

At this time, I didn't know who was next to him exclaimed: "Director Wang of the Island Central Hospital! It's him! It's saved! This person is saved!"

With this exclamation, everyone looked at the middle-aged man who was rescuing.

This middle-aged man is Director Wang of the Island Central Hospital.

"It's actually Director Wang, Director Wang is a genius doctor! With him, this person will definitely be fine!" A middle-aged woman said with a look of excitement.

This Director Wang is really famous in the island.

At this time, I saw Director Wang continuously doing cardiac resuscitation for the sick man, and still strangling him vigorously.

After a while, Director Wang was already sweating profusely.

"No!" Director Wang panted and said, "Is there a quick heart-relief pill? The patient's situation is not optimistic. If there is a heart-relief pill, it can be delayed until the hospital is rescued."

"If there is no save heart pill..."

Director Wang did not continue. Even if Director Wang didn't say it, everyone understood what he meant. If he didn't save his heart, the man who fell ill would definitely die!

After all, heart disease is not the same as other diseases. If this disease does not occur, it does not occur. If it is not treated in time, it can only wait for death!

The little girl was dumbfounded when she heard the words, she shook her head: "There is no save heart pill, no..."

As soon as the little girl's words came out, the audience fell silent.

Without the heart-relief pill, then this sick man might really be unable to survive!

The flight attendants glanced at each other, and their faces paled in fright.

They didn't save their hearts!

It is said that they should have prepared a medical kit for rescue on the plane, but they have been flying for so many years and have not seen anyone who fell ill on the plane, so they simply did not bring this medical kit!

If the sick man really died on this plane, they wouldn't have to fly!

Suddenly, these flight attendants panicked.

Director Wang also stopped the rescue, looking helpless.

He was helpless too!

Everyone stared with big eyes and small eyes, they all looked surprised, even Director Wang could not rescue them?

It seems that this ill man is really bound to die!

At this time, the little girl cried with excitement, and the pear blossoms were very pitiful.

She sobbed: "Brothers and sisters, uncles and aunts, please, save my dad! My dad is Xu Changkong, the chairman of the Sea Island Sky Group. As long as you can save my dad, you can spend as much money! "

Chairman of Changkong Group?

After hearing what the little girl said, many people were taken aback.

The Changkong Group is a very large company on the island.

The Changkong Group almost monopolizes the islands catering and clothing industries, a large family of tens of billions.

Unexpectedly, the person who fell ill was actually the chairman of Changkong Group!

Anyone who can save Xu Changkong to life will get rich!

It can be favored by the chairman of Ten Billion Group, from then on, it will be able to take off!

But they don't understand medical skills, and there is no way to treat Xu Changkong.

Director Wang also brightened his eyes after hearing that the sick man was Xu Changkong, but he looked at Xu Changkong and sighed very helplessly.

Although he is a very famous doctor in the islands, he studied Western medicine, which relies on machines and drugs. Now he has nothing and can't cure Xu Changkong.

No one can stand up and heal Xu Changkong.

The little girl is a little desperate at this time, is it possible that she wants to watch her father die in front of her?

At this moment, Lin Kai spoke: "Let me try."

As soon as this sentence came out, everyone looked at Lin Kai.

Lin Kai was sitting on the seat with his wheelchair set aside. Lin Kai had a cast on his legs and a cast on his left arm. He was completely disabled.

Moreover, Lin Kai is very young, looking only 18 or 9 years old.

Everyone was taken aback.

So young?

He wants to try?

Director Wang frowned and said, "Are you a medical student?"

Director Wang didn't think that Lin Kai had the ability to treat Xu Changkong, he just thought that Lin Kai could do it.

Lin Kai shook his head: "No, I am not."

"No?" Director Wang asked again: "Could it be that you are an apprentice in a drugstore?"

Lin Kai shook his head again.

"Neither?" Director Wang smiled: "Ha ha, do you know medical skills?"

Lin Kai smiled modestly: "Hehe, I dare not say that I understand medical skills. I just read a few books on medical skills when I was bored."

After hearing Lin Kai's words, there was a loud noise.

Is this a joke?

Neither a student studying medicine nor an apprentice in a pharmacy, just reading a few books on medical skills, can he come to save Xu Changkong?

"Are you kidding me, brother?"

“Do you think that if you save Xu Changkong, you can reach the sky in one step? Do you think it’s so easy to save people?”

“So young, do you know how to heal?”

“You saved Xu Changkong from the problem, can you bear the responsibility?”

Everyone talked about it.

No one thought that Lin Kai had the ability to save Xu Changkong.

Director Wang also shook his head and sneered.

He is an old doctor who has practiced medicine for many years, and he is also a well-known medical master on the island. Even he is helpless with Xu Changkong. Can Lin Kai, a little kid, save Xu Changkong?

Xu Changkong’s daughter, Xu Lingling also looked at Lin Kai suspiciously.

Lin Kai smiled helplessly and said, “I know I look young, but now, only I can save Xu Changkong.”

“Just kidding!” As soon as Lin Kai said what he said, he saw a fat man next to him and he retorted: “The famous medical masters on the island have nothing to do with Xu Changkong. You little kid, saved Xu Changkong?”

“Are you underestimating Director Wang’s medical skills, or are you bragging?”

The man sneered.

Everyone laughed and shook their heads.

Director Wang also shook his head at this time. He looked at Lin Kai and said earnestly: “Young people, don’t think that after reading two extracurricular books, you think you know how to medicine. Saving people is not as simple as you think! “

Chapter 445: Savior

Chapter 445

Director Wang looked like someone who had come over, as if reprimanding a junior, looking at Lin Kai with hatred of iron and steel.

The people around also looked at Lin Kai with contempt.

People like him who can do everything for money are the most disdainful for everyone.

Lin Kai was a little helpless, if it weren't for attribute points and upgrade points, I wouldn't be so cheap and would be scolded for saving people.

"Now, on the entire plane, no one can save him except me!" Lin Kaixin said sternly.

After hearing Lin Kai's words, a burst of laughter sounded.

"Pull you down! You are disabled yourself, and you want to save others?" A fat man pointed at Lin and laughed.

The people around also made a burst of laughter.

A middle-aged woman even said without embarrassment: "If you can save him, I will jump off this plane now!"

Director Wang also shook his head rather helplessly: "Young man, don't be brave, you can't save anyone I can't save!"

When Director Wang spoke, there were only two words revealed in his eyes, confident!

After all, he is a famous doctor on the island.

Xu Lingling also looked at Lin Kai suspiciously. She couldn't believe Lin Kai, but she didn't know who to believe.

"Can you really save my dad?" Xu Lingling asked at this time.

Xu Lingling was really scared to the extreme at this time. Although she also felt that Lin Kai should not have any medical skills, but now, dead horses can only be regarded as living horse doctors.

Lin Kai nodded: "Little girl, you believe your brother, brother can do it."

The little girl hesitated for a while, but finally nodded: "Well, you can try it."

Seeing the little girl's promise, everyone onlookers shook their heads and sighed. This little girl is still too young!

But after all, they are Xu Changkong's daughter. Whoever rules is the final decision.

Director Wang shook his head and laughed. He glanced at Lin Kai and was ready to watch Lin Kai's excitement.

Lin Kai supported his body with one hand and sat beside Xu Changkong. Since Lin Kai could only move his right hand, he had to use his right hand to treat Xu Changkong.

Lin Kai used his right hand to press on Xu Changkong's chest, chanting Ganoderma lucidum power in his heart, and a warm current flowed into Xu Changkong's body following Lin Kai's palm.

In the eyes of others, Lin Kai used his own hands to blindly press Xu Changkong's body!

It's not a rescue, nor a massage. The four-different technique makes people unable to understand what he is doing.

Director Wang sneered at this moment: "Hehe, he doesn't even know the most basic massage techniques. It is neither a Western medicine nor a Chinese medicine doctor. Are you afraid of being a liar?"

Director Wang directly despised Lin Kai.

After all, Lin Kai's method is really strange.

Everyone also started pointing at Lin Kai: "What kind of massage is this? Is it rescue?"

"I have never seen such a weird massage technique. If I change it, I will too!"

"Can massage rescue patients who have a heart attack? Isn't that kidding?"

"This is a big liar!"

Everyone talked a lot, and at this time, Xu Lingling was also panicked.

Lin Kai didn't seem to be able to heal at all!

Now he presses his father's chest indiscriminately. He won't press his father into three long and two short ones, right?

At this time, Xu Lingling's heart began to regret, and he shouldn't let this disabled person come to treat his father!

My father waited until he got off the plane, maybe he could still be saved, but now he was pressed by the disabled man, maybe his condition would be more serious!

At that time, Xu Lingling's face was scared white.

Just when Xu Lingling wanted Lin Kai to stop, he saw Xu Changkong's pale face turned ruddy, and then Xu Changkong actually coughed.

"Cough cough cough..."

After a cough, Xu Changkong opened his eyes.

Now Xu Changkong, his body stopped shaking, and he no longer clutched his chest, his complexion became much rosy.

Acute heart disease is just a minor illness for Lin Kai.

After a few massages, Xu Changkong has recovered.

At this time, Lin Kai released his hand and sat back in position.

And Lin Kai's ears also heard the system prompt: "Congratulations, you have successfully done a good deed, add 10 points for attribute points and upgrade points!"

The system's voice came from Lin Kai's ear, and Lin Kai also smiled slightly.

Nothing for nothing!

Lin Kai only cared about checking his own attribute points, completely ignoring the eyes of everyone looking at him at this time.

At this time, Lin Kai was staring at him like an animal in a zoo.

The people on the entire plane were dumbfounded, and the scene was silent.

Lin Kai actually rescued Xu Changkong?

Xu Changkong has a relapse of heart disease! It was still very serious. Lin Kai massaged it a few times and healed it?

Everyone finds it incredible.

Is Lin Kai lucky, or is he really capable?

Director Wang's face changed uncertainly, and his mood at this time was as uncomfortable as eating shit.

The patient was not cured by himself, but he was cured after being massaged twice by an eighteen or nine-year-old boy?

Where do I put my face?

Everyone stared with big eyes and couldn't believe the scene before them was true.

At this time, Xu Lingling cried with joy, hugged Xu Changkong, and cried bitterly.

“Woo, Dad! You scared me to death! I thought... I thought...” Xu Lingling choked and couldn’t speak.

Xu Changkong sat up from the ground, patted Xu Lingling’s head, his face also showed a bitter smile.

I saw Xu Changkong looking at Lin Kai, without saying anything, he bowed directly to Lin Kai.

“Thank you little brother for your life-saving grace!” Xu Changkong said gratefully.

Although he almost fainted in discomfort just now, he still knew who was talking in his ear.

He knew that this young man must have saved himself!

At this time, Director Wang snorted coldly: “Huh! It must be a matter of luck. A few massages can save a patient with a relapse of heart disease? I don’t believe it!”

Everyone also looked at Lin Kai with suspicion. Everyone felt that Lin Kai was a blind cat and a dead mouse.

But Xu Changkong knew very well in his heart that it was Lin who saved him!

Because he could feel that when Lin Kai massaged himself, a warm current entered his body, and this warm current saved his life!

Xu Changkong waved his hand and said to the big guy: “Don’t talk about it anymore, this little brother saved me. After the little brother’s massage just now, my recurring heart disease was able to stop.”

“Although I don’t know what means the little brother used to save me, but from now on, little brother, you are my lifesaver, Xu Changkong!”

Chapter 446: Island

Chapter 446

After hearing Xu Changkong’s words, everyone looked at each other, with deep envy and jealousy in their eyes.

This young man can be regarded as a furious! With Xu Changkong’s appreciation, the future is bright!

Seeing that Xu Changkong had regained consciousness, everyone began to realize that this young man had real abilities!

Just now he looked confident, but now that he thinks about it, he definitely didn't pretend it.

He must have some unique method to rescue Xu Changkong.

He is not a liar, but a master!

Director Wang's face was particularly ugly, he was slapped in the face by a kid.

His Director Wang was helpless patient, a little boy pressed twice and he was actually cured!

It really made him look down on Director Wang!

Xu Lingling looked at Lin Kai gratefully. Lin Kai saved her father and was her savior.

At this time, Xu Changkong said: "Little brother, in order to repay you, tell me, what do you want? I will try my best to satisfy you."

Seeing Lin Kai's appearance, like a student, Xu Changkong didn't think too much, and asked directly.

Everyone around them exclaimed, which gave Lin Kai a chance to make a wish!

Countless envious eyes cast.

Lin Kai smiled: "Uncle, I don't want anything. Life is priceless and cannot be measured by money."

Does Lin Kai want money?

Of course not bad money.

The billions of billions robbed by Cao Wanjin had long since returned.

Hearing Lin Kai's words like this, everyone around looked at Lin Kai like a fool, and didn't want anything?

What's upright?

Xu Changkong can make you a multi-millionaire!

You don't want anything?

Xu Changkong heard this and looked at Lin Kai with admiration, don't want money? There are not many such simple children in this world.

Xu Changkong nodded and asked again: "Then you want to work in my company?"

Lin Kai shook his head again.

"No, uncle, you really think too much, I don't want anything." Lin Kai smiled lightly.

Looking at Lin Kai's appearance, he really didn't seem to want anything.

Xu Changkong admired Lin Kai more and more.

Lin Kai is also very handsome, he seems to be young, kind-hearted, and a good young man.

It is a pity that Xu Changkong is a disabled person. Xu Changkong shook his head. If he is not a disabled person, Xu Changkong can even consider letting Lin Kai join the Xu family.

"Well, this is my membership card of Changkong Group. I will give you a souvenir." Xu Changkong took out a black membership card and smiled.

Lin Kai saw that the membership card was probably worthless, so he nodded and accepted it.

The flight attendant said at this time: "Please sit back to your place. The plane will arrive at the island airport soon. Please check your seat belts."

Several flight attendants looked at Lin Kai gratefully, after all, if Lin Kai were not there, they would all face the danger of being fired.

This time, Xu Changkong sat beside Lin Kai.

Xu Changkong asked quite curiously: "Little brother, how did you save me just now?"

"As far as I know, once a heart attack occurs, it is difficult to return to normal without timely treatment with drugs or medical equipment."

Faced with Xu Changkong's question, Lin Kai smiled and said: "The secret technique of the family cannot be passed down. However, uncle, I can tell you clearly that your congenital heart disease can be completely cured."

Hearing Lin Kai's words, Xu Changkong's eyes lit up.

He has a congenital heart disease. From childhood to childhood, the heart disease almost killed him several times.

If he can cure his heart disease, it doesn't matter how much he spends.

Now that Lin Kai said such words, he felt a flame of hope ignited in his heart.

“Little brother, what do you say?” Xu Changkong asked curiously.

Lin Kai smiled and said: “My family’s ancestral secret technique of acupuncture and moxibustion, once rooted.”

After hearing Lin Kai’s words, Xu Changkong was also half-believing. Congenital heart disease is difficult to recover. Lin Kai actually said that he could be cured, but Xu Changkong was not very convinced.

But remembering the warm current in the palm of Lin Kai’s hand just now, Xu Changkong nodded with an attitude of giving it a try.

“Little brother, what price do you want me to pay before you can treat me?” Xu Changkong asked.

There is no free lunch in the world. In Xu Changkong’s view, Lin Kai must have a purpose.

Lin Kai shook his head, “I don’t want anything, just treat it as a friend.”

Lin Kai smiled slightly, what he wanted was attribute points and upgrade points! But Lin Kai didn’t say these words in front of Xu Changkong.

Xu Changkong felt that at this time, the 18-year-old child in front of him could not see through!

His eyes looked like his peers.

Unpredictable.

This may be an expert outside the world, Xu Changkong thought.

He didn’t dare to neglect, and took out his business card: “When will the little brother be free?”

Lin Kai took the business card and put it in his pocket.

“After a week, wait for me to recover.” Lin Kai replied.

“Then I’ll wait for you at home.” Xu Changkong smiled.

...

Soon after, the plane landed at the island airport. Lin Kai walked out of the airport in his wheelchair with a remote control in one hand.

The island is the richest island in China. The island is rich in resources, rich in seafood, and has a developed economy.

Do not look at the islands are not big, but there are many forces.

At the gate of the island airport, a black Audi car was parked there.

I saw a middle-aged man wearing sunglasses, leaning against the Audi car, seemingly waiting for someone.

Lin Kai walked over directly in a wheelchair.

This person is Lin Kai's uncle, whose name is Liu Qiang.

"Uncle!" Lin Kai greeted.

Liu Qiang turned and looked at Lin Kai. After seeing Lin Kai sitting in a wheelchair, he obviously frowned.

"Lin Kai? Why did you become like this? Could it be that you went out and fooled around and got beaten?" Liu Qiang's eyes showed a playful smile.

Lin Kai knew that the people in his grandma's family had always looked upon himself very uncomfortable.

Except for my grandmother, everyone hates me.

"It's okay, I fell by myself." Lin Kai said.

Liu Qiang moved Lin Kai into the Audi car, and then drove the Audi car and left the island airport.

"You said that it was improper for you to leave the young master of the Lin family. Why did you suffer from running to our island? It's really troublesome." Liu Qiang said impatiently in the car.

Lin Kai smiled and said, "Hehe, I think my grandma is already."

"Miss my mother? You miss her old man, but her old man doesn't necessarily miss you. Do you remember what you did to her old man last time?"

"If you don't come, it will be a blessing to us!" Liu Qiang mocked with some complaints.

In the past, the dull Lin Kai kept a lot of butts for Liu Jia to wipe every time he came to the island.

Over time, everyone in the Liu family hated Lin Kai very much.

In their eyes, Lin Kai was still the dull and unbelievable young master of the Lin family.

They would not like Lin Kai like this.

“Lin Kai, when you arrive at my house, please show respect to your grandfather. If you dare to be disrespectful to my dad, be careful that I will not let you return to Jiangbei!”

Chapter 447: Learn Medicine

Chapter 447

Liu Qiang said coldly without giving Lin any face.

After all, the previous Lin Kai, every time he came to the island, he could turn the Liu family upside down.

Lin Kai sat behind and said nothing.

Thirty minutes later, Liu Qiang took Lin Kai to Liu's house.

Liu's house, located on the island near the sea, has a deep house compound, European style of construction, and very atmospheric.

The entire Liu family, covering an area of more than 1,000 square meters, is very proud.

After entering Liu's house, he smelled a burst of aroma from herbs.

The Liu family is a medical family, and the entire Liu family almost monopolizes the Chinese medicine museum on the island.

Although it cannot be compared with the Lin family's industry, the Liu family is also famous on the island.

After entering Liu's house, Lin Kai followed Liu Qiang all the way to the lobby.

In the hall, several people were talking and laughing.

Sitting in the seat are two old people.

One is Lin Kai's grandmother and Liu's grandmother.

On the other hand, it was Lin Kai's grandfather and the head of the Liu family, whose name was Liu Futong.

Sitting in the lower position, there is a man and a woman. The man is Lin Kai's second uncle, whose name is Liu Yong.

That woman is Lin Kai's aunt, whose name is Liu Qiao.

Counting Liu Qiang, he is a family of five.

And Liu Qiang took Lin Kai into the hall, and almost instantly, the laughter stopped.

Almost everyone was staring at Lin Kai, their eyes were like hell.

Especially Lin Kai's grandfather Liu Futong, his face turned green.

Only Grandma Liu looked at Lin Kai with a smile.

"Oh, my Xiaokai, you know you have come to see your grandma." Grandma Liu walked down from the upper seat, showing a amiable smile.

Lin Kai also shook grandma's hand and smiled from the bottom of his heart: "I'm thinking about grandma, so I came to see your old man."

After hearing Lin Kai's words, Grandma Liu was a little surprised: "Hey, Xiao Kai, when did your little mouth become so sweet? It's not like you!"

When Lin Kai came to Liu's house before, he was all invincible.

It's really a ghost to be so polite today.

At this time, Lin Kai's second uncle Liu Yong sneered with his arms in his arms: "Hehe, pretend it, don't worry, it will be revealed in two days!"

Lin Kai's aunt Liu Qiao also showed a look of disgust: "Unexpectedly, this little mess is coming!"

Liu Futong, who was sitting in the upper seat, looked at Lin Kai with disgust, his eyes seemed to be looking at his enemy.

Liu Futong looked cold, frowning and asked, "Lin Kai, what are you doing in my Liu's house?"

Liu Futong's tone of speech seemed to be talking to a stranger.

Lin Kai said politely: "Grandpa, I came to the island to learn medicine."

“Learning medical skills?” When Lin Kai said this, everyone in the audience looked at Lin Kai in surprise.

Lin Kai actually wants to learn medical skills?

This sounded like a joke!

Who is Lin Kai? Master Lin Family! A lively dude.

Every time he came to the island, apart from engaging in women, he was racing and gambling with other rich second-generation people on the island.

Such a dude actually wants to learn medical skills? Is this serious?

The atmosphere at the scene calmed down suddenly, and a burst of laughter broke out soon after.

Everyone at the scene laughed!

Even Grandma Liu couldn't help but laugh.

Lin Kai wants to learn medical skills, it's as ridiculous as a dog saying he can't eat shit!

At that time, Lin Kai's uncle Liu Qiang smiled: “Hehe, you want to learn medicine? Just you? Don't be kidding Lin Kai!”

“Who are you, don't you know it yourself?”

“Eating, drinking, smoking, gambling, which one are you not good at?”

“You want to learn medicine? Forget it! Don't ruin our Liu family's hundreds of years of inheritance!”

Liu Qiang said disdainfully.

Lin Kai's second uncle, Liu Yong, also laughed out at this time: “Lin Kai, I believe you said you came to gamble. I don't believe you say you come to learn medical skills and kill me!”

“You young master, don't toss us, give you a guest room, you can toss wherever you like, don't interfere with us!”

The attitude of the uncle and the uncle is very bad.

First, they hated Lin Kai very much. If it weren't for Lin Kai's mother's face, they wouldn't even let Lin Kai step into Liu's family!

Second, Lin Kai's father, Lin Ting, and the Liu family were not very good at dealing with them. At the beginning, the Liu family lion opened their mouths and asked the Lin family to share 50% of their shares. After Lin Ting refused, they already hated it. Lin Ting.

For Lin Kai, they naturally didn't have any good feelings.

At this time, Grandma Liu touched Lin Kai's head: "Xiaokai, don't be kidding, just stay with Grandma these days."

Even Grandma Liu didn't believe that Lin Kai came to learn medicine!

Lin Kai had a serious expression: "Grandma, grandpa, eldest uncle, second uncle, auntie, I really came to learn medical skills!"

After hearing Lin Kai's words, Liu Futong spoke: "Lin Kai! Have you heard a word? Dogs can't change eating shit!"

"If the upper beam is not right and the lower beam is crooked, your father Lin Ting is not a good thing, and you are definitely not a good thing either!"

"Say! Do you want to learn the medical skills of our Liu family, and then return to Jiangbei to broaden your Jiangbei medical profession?"

"I pooh! Tell you, no way!"

Lin Kai frowned at this moment, and his grandpa spoke too ugly!

And everyone in the Liu family didn't understand the current situation of the Lin family at all. The current Lin family, but the largest family in Jiangbei, was powerful beyond their imagination.

"Grandpa, my Lin family doesn't lack this little money." Lin Kai said truthfully.

"You!" With a bang, Liu Futong slapped the table and stood up, angered: "Damn!"

"I know that your Lin family has great business! Since your Lin family is so strong, why come to our island?"

When Old Man Liu became angry, everyone on the scene looked at Lin Kai.

Lin Kai's aunt came over on a catwalk at this time, and saw that she glanced at Lin Kai up and down, and smiled playfully: "I think this kid was driven by his father!"

"This kid is definitely not honest in Jiangbei. His father is also bothering him, so he drove him over."

“Want to learn medicine? I think you want to play on the island under the guise of studying medicine?”

After listening to Liu Qiao’s words, everyone nodded, and Liu Futong also sneered: “Hehe, you really are a dude, Lin Kai, you are destined to have nothing for a lifetime!”

“However, your Lin family has a big business, and the wealth left behind is enough for you to spend a lifetime!”

“So, Lin Kai, you are so fate!”

After Liu Futong’s words were said, Liu Qiang on the side echoed: “Isn’t it just a trash? Dad, needless to say so tactfully, this kid is on our island and can’t get over the storm!”

Chapter 448: Near Water Court

Chapter 448

Lin Kai’s eldest uncle didn’t show any face to Lin Kai, and directly scolded Lin Kai as trash.

There was a burst of laughter around, and Lin Kai, a relative, had no place in the Liu family.

Only Grandma Liu looked at Lin Kai with guilt.

Liu Futong and the others are her relatives, Lin Kai is also her relatives, palms and backs of hands are all fleshy, she is bound to offend the other party if she is facing anyone.

At this time, Grandma Liu smiled helplessly: “Stop talking, Xiaokai is just a child.”

Hearing what Grandma Liu said, Lin Kai’s eldest uncle and second uncle snorted coldly, so they didn’t care about Lin Kai.

Lin Kai frowned.

He is a man, he can see that he has done a lot of wrong things before and ignore their insults.

But if you want Lin Kai to lower his head, it’s impossible!

At that time, Lin Kai stopped back and said, “Grandma, grandpa, if you take me here to study medicine, Lin Kai will be grateful.”

Lin Kai clasped his fists and added: "If you don't want to, Lin Kai has nothing to say, leave now!"

After hearing Lin Kai's words, Liu Futong and the others looked at each other.

Their eyes were hesitant.

Don't leave Lin Kai? This is equivalent to not giving face to Lin Ting. Although they and Lin Ting are in a stalemate, Lin Kai is not welcome, and it is not good to spread it out.

After all, Lin Kai is a relative of their family.

Take Lin Kai? Lin Kai is a troublemaker. If he stays, the Liu family is bound to be uneasy!

At this time, Grandma Liu said, "Xiao Kai, this kid ran all the way over, maybe he really wants to learn medicine."

"According to me, let him learn medical skills in the old medical clinic?"

Grandma Liu is speaking for Lin Kai.

At this time, Lin Kai's second uncle Liu Yong directly refused: "No!"

"The dozen or so Chinese pharmacies under me are all century-old stores, but this stinky guy can't break the signs!"

Liu Yong's attitude is very firm.

The Liu family has two sons and one daughter. The elder Liu Qiang is responsible for planting Chinese medicine. He is the largest Chinese medicine planter on the island.

There are thousands of workers under him.

The second child, Liu Yong, is responsible for domestic sales. He has opened more than a dozen Chinese medicine centers, and his monthly income can reach nearly 10 million.

Lin Kai's aunt, Liu Qiao, runs a massage shop and earns millions of dollars every month.

Since I want to learn medical skills, I must go to the Chinese Medicine Museum where my second child Liu Yong is in charge.

But now, Liu Yong doesn't want to take Lin Kai in at all!

At this time, Lin Kai's aunt Liu Qiao rolled her eyes and said with a smile, "Hehe, I think so."

"It's better to let Lin Kai work as an apprentice in my massage shop. Massage is a kind of medical skill!"

After listening to Liu Qiao's words, a burst of laughter came out.

Liu Qiang and Liu Yong both laughed.

Let Lin Kai go massage others?

The dignified Young Master Lin actually wants to give someone a massage?

Liu Qiao was making fun of Lin Kai!

Liu Qiao covered her mouth and chuckled, looking at Lin Kai, her eyes were full of pride.

She believed that Lin Kai would not go to her massage parlor. Lin Kai was very arrogant. He could do such a low job?

But what people did not expect was that Lin Kai directly agreed: "Yes."

But when these two words came out, the whole audience was silent for a long time.

Lin Kai actually agreed?

He is going to give someone a massage?

He is the Lin Family Young Master!

Everyone was stunned, and Liu Futong was also stunned.

Is this still the old Lin Kai? How much stimulation did he get in Jiangbei?

Actually want to come to the island to be a massage technician! Still the kind of apprentice.

"Yes?" Liu Qiao was stunned. She and Liu Futong glanced at each other, with surprised expressions in their eyes.

Liu Futong sneered at this moment: "Hehe, since you are willing, then go to Xiaoqiao's place!"

Liu Futong directly agreed.

Since Lin Kai is going to be an apprentice or a massage technician apprentice, Liu Futong is eager for Lin Kai to go!

Seeing the young master of the Lin family doing such a humble job, Liu Futong's heart, let alone how cool it is!

Lin Ting, Lin Ting, weren't you awe-inspiring? I marry my daughter to you, do you want more than half of your company's shares?

Since you don't give it, then I will torture your son well!

Do not! I did not torture your son, but your son volunteered!

Liu Futong sneered.

Liu Yong and Liu Qiang also looked at Lin Kai playfully.

Liu Qiao also nodded: "Okay, then you want to be a massage technician so much, you can go with me today!"

Liu Qiao directly agreed.

Lin Kai nodded.

For Lin Kai, it doesn't matter what job he does.

He mainly wanted to learn medical skills, whether it was massage or Chinese medicine, it was just to assist his Lingzhi skills.

Grandma Liu looked guilty and didn't dare to look directly at Lin Kai.

Although she is the wife of the head of the Liu family, she actually has no real power in the Liu family.

She couldn't change what Liu Futong decided.

She could only give Lin Kai more dishes when she was eating at night.

After dinner, Liu Qiao drove her white BMW and left Liu's house with Lin Kai.

Soon, Liu Qiao led Lin Kai into the island city.

The island city is very prosperous. At night, the lights are bright and the night scene is very beautiful.

Soon, the BMW stopped in front of a massage shop called Jinshuige.

The Jinshui Pavilion is very large, covering an area of about 1,000 square meters.

And at the gate of Jinshui Pavilion, there stood a beautiful welcome lady.

Jinshuige is the most profitable massage shop under Liu Qiao's name. On average, Liu Qiao can earn 3 million yuan every month!

Liu family, say big or small, say small, the whole family together, the annual income is over 1 billion.

Although it cannot be compared with the Lin family, the reason why the Liu family is not afraid of the Lin family is because the Lin family is thousands of miles away in Jiangbei, which is beyond their reach.

Liu Qiao led Lin Kai into Jinshui Pavilion.

Liu Qiao is 27 or 18 years old this year. Although she is no longer a girl of 18 or 9 years old, her figure is very hot.

A mature body, a beautiful face, and a ladylike atmosphere.

Such a woman fascinates young boys the most.

Lin Kai followed Liu Qiao and walked into Jinshui Pavilion. Whenever he met the employees of Jinshui Pavilion, he bowed to Liu Qiao.

Soon, Liu Qiao took Lin Kai into an office.

Inside the office, smoky, behind the desk, sat a young and strong man.

The man looks about twenty-four or five years old. He is very handsome and has a very strong build.

He saw Liu Qiao coming and got up from his seat abruptly.

"Mr. Liu, you are here." The man nodded and bowed.

Liu Qiao said with a lofty expression: "This person is a relative of my family, now it is handed over to you, he is here as an apprentice."

Liu Qiao said proudly. After that, she also glanced up and down at the man's abdominal muscles, her mouth showing an impenetrable smile.

"Take him to me, maybe I will treat you."

After all, Liu Qiao stepped on a catwalk and left the office.
