

Special Forces God Level Extraction System – Chapter 449 - 480

Chapter 449: Rule

Chapter 449

After Liu Qiao left, the pleasing smile on Zhu Long's face gradually disappeared.

His face darkened.

“Bah! Sao girl, what do you pretend to be lofty?” Zhu Long scolded and sat back on the chair.

I saw Zhu Long lifted his Erlang leg and looked at Lin Kai arrogantly.

Liu Qiao's relative?

Zhu Long doesn't care at all!

Liu Qiao had arranged for several poor relatives to work here. As the manager of Jinshui Pavilion, Zhu Long would naturally not put Liu Qiao's poor relatives in his eyes.

“What's your name?” Zhu Long asked.

Lin Kaidao: “Hello, manager. My name is Lin Kai. I am 19 years old and I am from Jiangbei.”

When Zhu Long heard this, he laughed.

Or is it out of town?

Outsiders are so bullied!

At that time, Zhu Long squinted at Lin Kai: “Newcomer report, do you understand the rules?”

Lin Kai looked at Zhu Long with amusement in his heart.

Lin Kai has experienced too many job hits in his life, and all kinds of interviews, naturally knows what the rules are.

It's nothing more than gifts.

But Lin Kai didn't want to give gifts!

Because Zhu Long, he is not worthy to let Lin Kai give gifts.

Therefore, Lin Kai pretended not to understand: "What rules? I don't quite understand."

Hearing this, Zhu Long's face turned black at that time.

"Don't understand?" With a snap, Zhu Long threw a box of cigarettes on the table.

This is a pack of soft Chinese cigarettes.

Zhu Long can be said to be very obvious: "There is no smoke recently, and it is really troublesome to go out and buy cigarettes."

While Zhu Long was talking, he looked at Lin Kai playfully.

Even a fool should understand it, right? Buy China! Two!

But Lin Kai still pretended not to understand and remained indifferent: "Sorry, manager, I still don't understand."

This time, Zhu Long's face was completely gloomy.

At that time, Zhu Long filled out Lin Kai's entry report from his desk, threw a document to Lin Kai, and said impatiently, "Go get your work clothes!"

"Good manager."

Lin Kai took the documents and walked directly out of Zhu Long's office.

And Zhu Long sneered and picked up the walkie-talkie on the table: "Director One, take good care of the newcomer!"

"Roger that."

Lin Kai came to the service room, received his work clothes and credentials, and started to work officially.

Jinshui Pavilion is very large, and as an apprentice Lin Kai needs to find a master who is willing to teach him techniques, follow the master and learn massage techniques.

After Lin Kai received his work clothes, he just came to the lobby when he saw Lin Kai stopped by a supervisor in white with an intercom.

The supervisor looks tall and magnificent, and there are several male technicians behind him.

“Are you new here?” the supervisor asked.

I saw several male technicians behind the supervisor flexing their hands, looking at Lin Kai with a bad look.

And the female technicians not far away also showed lively smiles.

Lin Kai frowned and nodded: “I’m new here, what’s wrong?”

“It’s nothing, arrange a job for you, come with me.”

After that, the supervisor sneered and dragged Lin Kai into a massage room.

There was no one in the massage room.

The supervisor threw Lin Kai into the massage room, and the five or six male technicians behind him squeezed in, all smirking.

Not only male technicians, but several female technicians also squeezed in, with a smile on their faces.

A female technician took out her mobile phone to shoot.

These female technicians are all about 18 or 9 years old, and their faces are still childish.

The supervisor was obviously the head of the group. At this time, the supervisor squeezed his fist and made a crackling sound.

“Boy, since the newcomers don’t know the rules, brothers, I will teach you the rules today!”

After the supervisor said, he untied the belt around his waist and snapped.

The male technicians behind him also made mocking sounds.

“Hahahaha! Look at this newcomer, he looks really thin and tender, and he will open his face in a while!”

“I don’t understand the rules at all, this is near the water pavilion, is Qi where you come from when you say it?”

A group of people laughed. The group said they were technicians, but they were no different from those on the street.

The female technicians peeking at the door also showed mocking smiles.

"I am Liu Qiao's relative." Lin Kai frowned and said.

"Liu Qiao's relative?" The supervisor tilted his head and smiled, not taking Lin Kai's words to heart.

"You still don't know which poor relative of our boss, even if you are killed here today, no one will be in charge!"

The supervisor sneered and pointed to the ground in front of him: "If you want to work here, then kneel down for Laozi!"

"Call Grandpa!"

"Go under the crotch of Lao Tzu!"

The supervisor's face showed a lofty expression, which was a pride.

The male technicians behind him also began to booze.

"Drill through! Drill through!"

...

The female technicians hiding at the door also laughed out loud. It's really not a big deal to watch the excitement!

Lin Kai also smiled when he looked at the supervisor.

The young master of the Lin family, a military lieutenant colonel, and the captain of the Wolf Warrior Squadron, are now embarrassed by a small Jinshui Pavilion director.

How could Lin Kai bear this tone?

A few days ago, Ye Nantian cleaned up the meal, and Lin Kai was angry and had nowhere to sprinkle it!

"Then now I also give you a chance, now, all kneeling in front of Lao Tzu, I can consider not to care about you!"

Lin Kai narrowed his eyes and said coldly.

As soon as Lin Kai spoke, the audience was silent for a few seconds, and then a burst of laughter broke out.

"Hahahaha! I really laughed at me!"

“When you come to Jinshui Pavilion, you dare to be so rampant? Are you afraid that you don’t know what this place is?”

“Also let us kneel down. Who do you think you are? If you really think you are a relative of our boss, you can order us?”

“Haha! Fool!”

...

A group of people laughed.

The hands of the female technicians holding the mobile phones trembled with laughter.

After the supervisor laughed, his eyes were cold, and he shook the whip in his hand and approached Lin Kai.

I saw the five or six male technicians behind the supervisor, all of them pulled out the belts around their waists and snapped.

They directly forced Lin Kai into the corner of the massage room and surrounded Lin Kai!

A playful smile appeared on the corner of the supervisor’s mouth.

“Little boy, let Lao Tzu kneel for you, are you worthy?”

“Dare to be so mad if you offend our manager Zhu? I don’t have any eyesight at all, and I want to come out of society?”

“Just your **** is worthy of coming to our near water pavilion? Today, our brothers will teach you the first lesson in life!”

“Hit Laozi! Hit him until he kneels in front of me and calls Grandpa!”

Chapter 450: Big Fight

Chapter 450

The director in white gave an order and saw four or five male technicians rushing forward, waving their fists, and greeted Lin Kai!

The female technicians behind them all screamed, cheering for the male technicians very excitedly.

Even more flashes came on, and they couldn't wait to see Lin Kai being beaten to death!

And Lin Kai smiled sternly, and he didn't move his muscles for a long time. These people didn't seem to respect themselves too much!

Who am I? He is the captain of the Wolf Warrior Squadron, the rookie king of the Southeast Military Region, and the rank of Lieutenant Colonel!

And this group of people is nothing more than a group of male technicians in a massage parlor. Such a group of people also want to ride on their necks?

At that time, Lin Kai sneered and saw him move.

His body was like a gust of wind, rushing out directly!

Everyone couldn't see Lin Kai's figure at all, they only heard a muffled bang, and Lin Kai hit one person directly!

But the man was as if he had been hit by a train, his body slammed against the wall, rolled his eyes and passed out directly.

Afterwards, Lin Kai turned his head, and the ferocious eyes appeared!

The feeling of being stared at by Lin Kai was like being stared at by a crazy wolf!

I saw Lin Kai grabbed a male technician next to him with one hand and punched him directly!

boom! A punch hit the face, and the bridge of the male technician's nose was crooked by Lin Kai!

The blood is flowing, terrible!

"Hahaha! Refreshing!" Lin laughed!

The remaining male technicians glanced at each other, Lin Kai is a practicer! Must go together!

At that time, several people ran to Lin Kai at the same time, waved their fists, and wanted to besiege Lin Kai!

But Lin Kai sneered and slammed a high-whip leg directly at one of them!

The incredible speed makes people unable to react at all!

boom!

With a muffled sound, Lin Kai saw that the man was kicked, his head tilted, and he spit out a mouthful of blood.

Two teeth were also mixed in the blood.

After that, Lin Kai turned around and threw another high whip leg.

boom! boom!

Kick the two directly!

The little brothers in charge of white clothes were all brought down by Lin Kai alone.

At this time, the audience was silent.

The female technicians who were cheering at this time stopped calling, they all looked at Lin Kai blankly, showing an incredible expression.

This kid is so capable of fighting?

Isn't it a problem to play five or six by one person?

These girls were stunned. They were all girls in the rebellious period and liked to find excitement.

But when they discovered that Lin Kai, whom they laughed at, was actually a practicing family, they couldn't laugh anymore.

This is not exciting at all!

The director in white was also stupid.

My little brothers, were they brought down like this?

This kid can actually fight so?

The director in white did not realize the seriousness of the matter at all!

Even if all his people were fallen by Lin Kaikai, he was not afraid at all!

The director in white said coldly: "Boy, do you know who you dare to hit me?"

Lin Kai looked at the director in white, with a cold look in his eyes.

“I don’t know what my end will be, but I know you will end badly now!”

After that, Lin Kai showed a fierce look, and stepped closer to the chief in white.

The director in white was frightened by Lin Kai’s momentum, and subconsciously took two steps back.

Now he realized that Lin Kai really dare to move him!

“Do you dare to move me? I’m Manager Zhu Long’s person! Offended Manager Zhu Long. From now on, you never want to live a good life in Jinshui Pavilion!”

Lin Kai sneered: “I’ll go to your mother’s near water pavilion!”

At that time, I saw Lin Kai grabbed the head of the white suit by the hair, and slammed the head of the white suit against the glass table.

Bang!

The glass shattered, and the white-clothed supervisor’s face was pierced by the glass, blood was flowing, and it was terrible.

There was a scream, and the girls were all frightened and ran out.

And the director in white also screamed like a pig, it was painful!

Lin Kai didn’t intend to let the white-clothed supervisor go. With a bang, Lin Kai kicked him directly to the corner.

“Offend me, I will abolish one of your hands today and make you remember!”

After Lin Kai finished speaking, he picked up the ashtray on the table and pressed the white-clothed supervisor’s hand on the wall.

Director White was already in horror at this time! He was trembling all over, and a piece of yellow liquid came out between his legs.

He was scared to pee!

“Big brother, big brother, don’t...”

Director White hadn’t finished speaking yet, the ashtray in Lin Kai’s hand had been smashed down!

There was a scream like a pig, and with a snap, the ashtray was shattered, and the hand of the director in white was also abolished by Lin Kaijii.

fracture!

After doing all this, Lin Kai patted his hand, glanced at the white-clothed supervisor, and said: "You can go to the hospital now, it's still too late, a little bit later, your hand is really dead."

After all, Lin didn't reply at the beginning, and left the massage room directly.

The female technicians onlookers at the door did not dare to stop Lin Kai at all, avoiding them as if they saw the evil star.

At this time, in the office of Jinshui Pavilion, Zhu Long was smoking a Chinese cigarette and looking at the computer with a leisurely expression.

He didn't care about Lin Kai at all.

In his opinion, Liu Qiao's poor relatives were only poor relatives, and the director in white could take a few people to clean up for him.

Lin Kai, who was cleaned up, would definitely understand what was going on.

At that time, he will come to respect himself obediently.

Zhu Long's wishful thinking is very good.

But at this moment, with a loud bang, the door of Zhu Long's office was kicked open.

Lin Kai walked in aggressively, staring straight at Zhu Long with cold eyes.

Zhu Long was taken aback, and when he saw Lin Kai came, he was angry at that time.

Snapped!

Zhu Long slapped the table, stood up directly, and shouted angrily: "Fuck! You newcomer can't knock on the door? You dare to kick my door, believe it or not, I've abandoned you!"

Lin Kai said coldly: "I'll abolish you first!"

After all, Lin Kai directly grabbed Zhu Long's collar with one hand.

At this time, Zhu Long also reacted. Hasn't this kid been cleaned up by his own men?

Why are you standing in front of you intact now?

And seeing him look fierce and vicious, it seems that he already knew that he was going to deal with him, so he came to take revenge!

In that case, how many people I sent to the past were all destroyed by this kid?

impossible!

With so many people, how can you not even beat one person? Besides, he is so white and tender, with fine skin and tender flesh.

It should be brought down with one fist!

Zhu Long hadn't figured it out yet, but saw a fist gradually enlarged in his eyes, bang!

Zhu Long was put down on the sofa with a punch by Lin Kai, one of his eyes had turned into a panda eye.

Chapter 451: Don't Be Afraid I Am Here

Chapter 451 Don't Be Afraid, I'm Here

This punch stunned Zhu Long.

Lin Kai moved his muscles a bit, picked up the wooden stool next to him, and smashed it up!

There was a crackling sound, and soon after, Zhu Long, who was dying, had fallen into the corner.

At this time, Zhu Long was beaten in a terrible way. There was blood all over his body and his clothes were broken.

Even if his real mother came, she might not recognize this as Zhu Long.

Lin Kai patted the dust on his clothes, sneered, and left Zhu Long's office.

Soon after, the director in white, who was also miserably beaten, rushed in.

These people helped Zhu Long up and went to the hospital together...

After leaving Zhu Long's office, Lin Kai heard a system prompt.

"Congratulations, master, punish evil and promote good, fight injustice for yourself, reward attribute points and upgrade points at 20 points each!"

Lin Kai was taken aback after hearing what the system said.

Afterwards, I was overjoyed, and I turned out to be able to get attribute points for fighting injustices for myself!

For a while, Lin Kai was full of energy.

In the next time, Lin Kai helped other technicians in the massage parlor.

The incident of Lin Kai beating people also spread in Jinshui Pavilion, so the men and women of Jinshui Pavilion did not dare to offend Lin Kai.

Lin Kai watched other people's massage for a day. Because of his good talent, Lin Kai thought he had learned a lot.

At six o'clock in the evening, Lin Kai got off work, changed his work clothes, and walked out of the Jinshui Pavilion.

Liu's family is still quite far away from Jinshui Pavilion. After leaving Jinshui Pavilion, Lin Kai wanted to take a taxi.

But during the rush hour, I waited for a long time and didn't wait for a taxi.

In desperation, Lin Kai could only walk back to Liu's house.

Soon after, Lin Kai walked out of the bustling city center and came to the slightly more remote edge of the city.

It is also prosperous here, but compared to the city center, it is still a lot worse.

At 6:30 in the evening, the island city was very lively, but when Lin Kai was walking on the road, his ears moved, and he noticed something strange.

He seemed to hear someone calling for help!

Yes, I was asking for help.

Since Lin Kai's hearing is several times that of ordinary people, Lin Kai can hear sounds that ordinary people cannot hear.

On the right hand side!

On the right hand side, is a dark alley.

Lin Kai walked directly in, because the cry for help came from here.

"Golden pupil!"

With a silent chant of the golden pupil, Lin Kai's eyes lit up, and the scenery in front of him changed.

He saw through the wall, and Lin Kai saw that behind the wall not far away, two strong men dragged a girl out of the alley.

Outside the alley, there was a black van parked.

Trafficker?

This is Lin Kai's first thought!

boom!

Lin Kai stepped on the ground, his body rushed out like a rocket launch!

After just a few breaths, Lin Kai had already arrived in front of the two strong men!

The two strong men covered their faces and couldn't see their faces at all.

They can only be seen that they are very burly, with daggers on their waists.

As for that girl, Lin Kai felt a little familiar.

Upon closer inspection, Lin Kai recognized the girl.

Isn't this Jinshuige's financial sister?

Lin Kai had seen her when he was near Shui Pavilion, and she left a deep impression on Lin Kai.

A very quiet girl with fair skin. She is the financial accountant of Jinshui Pavilion.

His name is Chang Weiwei.

Chang Weiwei was panicked at this time, tears flowed out of fright, there was a ball of white toilet paper in his mouth, and he couldn't speak at all!

When the two strong men saw Lin Kai, they stopped very vigilantly and drew their daggers from their waists.

"Who are you?" a strong man asked very vigilantly.

Lin Kai squinted, "Heh, who am I? You don't need to know, let her go to me now, I can think about it."

Lin Kai had a gentle smile on his face.

Chang Weiwei also made a no-no-no voice, Lin Kai is her hope!

The two burly men looked at each other with contempt in their eyes.

A young man with such a big tone?

“Boy, if you are acquainted, get out of here! We can assume that we didn’t see you.”

“Otherwise, be careful that I enter with a white knife and leave with a red knife!” a strong man said coldly.

In his eyes, Lin Kai’s physique is not enough!

“Don’t you understand what I’m saying? Let the girl go now!” Lin Kai said coldly, with his hands behind his back, a look of arrogance.

Lin Kai’s appearance completely angered these two brawny men.

A brawny man sneered and said, “Hehe, really looking for death!”

“Anyway, there are not a few people killed by Lao Tzu. You are not more than you are, and you are less than a lot!”

“Go! Kill him!”

As the strong man gave the order, the two strong men walked towards Lin Kai at the same time and threw the tied Chang Weiwei to the ground.

Lin Kai tilted his head and said with a wicked smile: “Hey, it’s really a toast and no fine wine!”

“Dead!” The strong man roared, stabbing Lin Kai in the abdomen!

But Lin Kai did not dodge, letting the brawny man stab him in the abdomen.

Only heard a snap, and the dagger shattered in half!

A surprised look appeared in the eyes of the brawny man. There is a steel plate hidden in this kid’s clothes?

This is his first thought.

He hadn’t realized what was going on, he saw that Lin Kai had already put one knee on his stomach!

At that time, the strong man's eyes suddenly widened, and his body flew up into the air.

With a plop, the brawny man fell to the ground, clutching his stomach, his body bent into a shrimp shape, and a mouthful of blood came out!

The other burly man stabbed Lin Kai in the neck.

This is the life of Lin Kai!

Lin Kai narrowed his eyes, stretched out his two fingers, and directly clamped the brawny man's dagger.

With a light break, the dagger snapped off.

"Impossible!" the strong man roared subconsciously.

"It's impossible for your sister!" Lin Kai yelled and kicked out.

This kick kicked the strong man four or five meters away.

Kicked him and lost his combat effectiveness.

These two fierce and strong men were not enough to fight in front of Lin Kai!

Lin Kai untied the rope from Chang Weiwei's body, tied them firmly with the rope, and threw them in the corner.

Chang Weiwei pulled out the toilet paper in Sai's mouth and cried out with a wow.

I saw Chang Weiwei hugged Lin Kai directly, tears dripping on Lin Kai's shoulder, and soon the tears wet Lin Kai's shirt.

Chang Weiwei's soft body also made Lin Kai stunned.

At this time, Chang Weiwei was very charming, very pitiful, and the fragrance of his body made Lin Kai fascinated by it.

The cry of bitterly made Lin Kai, the big man, aroused a strong desire for protection.

Subconsciously, Lin Kai hugged Chang Weiwei and whispered in her ear: "Don't be afraid, I am here."

Chapter 452: Foreigner

Chapter 452

This care made Chang Weiwei's body tremble, and she realized that she was out of shape, and quickly pushed Lin Kai away and wiped her tears.

Lin Kai was able to look carefully at Chang Weiwei.

Chang Weiwei seems to be a female college student who is 21-12 years old.

And her body, which has just matured, can't be said to be very hot, but it is very slender, with a pair of slender legs especially attractive.

And her face is full of collagen, the skin is very good, it can be said to be very beautiful.

She couldn't say that she was a beautiful girl at the school level, but the pure breath of her body reminded Lin Kai of her first love in her last life.

He actually felt the taste of first love.

Even if it is a woman who is more beautiful than Chang Weiwei, Lin Kai has not never met him, but when facing Chang Weiwei, Lin Kai actually has a feeling of heart.

Chang Weiwei was a little embarrassed to be stared at by Lin Kai.

She lowered her head and said, "Thank you, Lin Kai."

Lin Kai scratched his head: "No thanks, it's all colleagues, so I should."

After all, Lin Kai glanced at the two brawny men and asked, "Who are they? Why are they kidnapping you?"

Having said that, Chang Weiwei's face showed a look of fear.

She approached Lin Kai, her voice trembling: "They...they are traffickers in the newspaper! Murderer!"

"They have done a lot of evil on the island, and many young female college students have been sold into the mountains by them!"

After hearing Chang Weiwei's words, Lin Kai glanced at them in disgust.

It's a human trafficker!

hateful!

"Since I am a trafficker, I have to call the police!"

After that, Lin Kai took out his mobile phone and dialed 110.

Soon after, two police cars came to the scene. After collecting evidence on the scene, they took the two traffickers into the police car.

As witnesses, Lin Kai and Chang Weiwei also need to go to the police station to take notes.

After finishing the transcript, Lin Kai's ear sounded a system prompt.

"Congratulations to the host for another good deed! The bonus attribute points and upgrade points are 30 points each!"

Lin Kai was very excited when he got another attribute point.

After finishing the transcript, Lin Kai and Chang Weiwei left the police station.

Because Chang Weiwei's mood was very unstable, Lin Kai personally sent her to her door.

At the door of Chang Weiwei's house, Chang Weiwei held her little hand tightly and looked at Lin Kai very gratefully.

"Thank you so much today, Lin Kai, I will definitely invite you to dinner next day." Chang Weiwei's little face was full of gratitude.

Lin Kai smiled and said, "This is what I should do. Even if you are not my colleague, I will help. After all, I can't just watch someone do bad things in front of me!"

After hearing Lin Kai's words, a smile appeared on Chang Weiwei's face: "There are not many brave people like you."

"I'm going home, shall we see you tomorrow?"

"Bye."

...

After half an hour, Lin Kai returned to Liu's house.

Entering Liu's house, in the Liu's restaurant, Liu's family of five is eating.

Lin Kai walked into the restaurant.

After Lin Kai appeared, just an instant, the atmosphere in the restaurant cooled down.

Several gazes looked at Lin Kai in unison.

Especially Liu Qiao, his eyes could burst into flames.

With a snap, Liu Qiao directly slapped his chopsticks on the dining table and stood up.

“Well, you are a Lin Kai! The first day you came to the water pavilion, you beat Zhu Long, right? And messed up my VIP room! I knew that you came to our Liu’s house to make trouble! “

Liu Qiao was so angry that his chest rose and fell, and his face flushed.

That anger in her heart!

Why does Zhu Long have to reuse her?

That’s because Zhu Long is a little white face she kept!

Zhu Long looks white and clean, has muscles, and works well in bed. Liu Qiao has always loved him.

But now, Lin Kai actually beat Zhu Long like that, how could she not be angry?

Uncle Liu Qiang also said coldly at this time: “Lin Kai, don’t think this is Jiangbei, this is an island!”

“Not a place where you can run wild!”

“There are too many people on the island that you can’t afford to offend. If you dare to run wild here, there is only one end, and that is to be driven out of the island!

“The dignified young master of the Lin family was kicked out of the island. Your face is not pretty, right?”

Liu Yong sneered at this moment: “Hehe, brother, what did you tell him so much for? He just can’t support A Dou, the mud can’t support the wall!”

Liu Futong’s expression was also not good: “I was making trouble in the small Jinshui Pavilion on the first day. I really didn’t put my Liu family in the eyes, huh!”

There are four people in a family of five who are tracing the forest!

Only Grandma Liu looked at Lin Kai helplessly.

She couldn’t help Lin Kai speak.

Lin Kai stood at the door of the restaurant, frowning.

“You only saw that I beat Zhu Long, but you didn’t see that Zhu Long sent someone to beat me!”

Lin Kai said sharply, straightening his back.

“You fart!” Liu Qiao cursed: “You are the one I brought over, so does Zhu Long dare to be disrespectful to you?”

“Lin Kai, I know who you are!”

“You must rely on you as the youngest of the Lin family, and you did evil in my near water pavilion and beat my manager!”

“Lin Kai, let me tell you, this is not Jiangbei, and our Liu family does not protect you! Here, even if you die, it has nothing to do with my Liu family!”

“So, I advise you not to be so crazy!”

“The island is not a place where you can go wild!”

Liu Qiao scolded angrily, with only a look of disgust towards Lin Kai.

Lin Kai looked at Liu Futong, frowning, “Grandpa, do you also think, is this my fault?”

“You are indiscriminate, just say it’s my fault?”

“You only saw me beating people, but you didn’t see how much Zhu Long did!”

boom!

Liu Futong slapped on the solid wood table and said angrily: “Enough!”

Liu Futong stood up and looked at Lin Kai coldly: “Lin Kai, Zhu Long is considered half of the Liu family. Even if he did something wrong, you don’t need to be an outsider!”

Hearing this, Lin Kai’s heart was cold.

He was completely disappointed with the Liu family.

If it weren’t for Grandma Liu’s face, Lin Kai would leave Liu’s house now.

At this moment, I saw a Liu’s security guard rushing over.

The security guard was panting, and almost fell several times along the way: “Master Liu! Master Liu! It’s not good! Huang Dingtian came with someone to look for things, saying that he was looking for...Lin Kai!”

Hearing that, the expressions of all present here changed.

Liu Qiao gritted his teeth and said angrily: "Lin Kai! You trash! Apart from making trouble for the Liu family, what else can you do?"

Chapter 453: Huang Dingtian

Chapter 453: Huang Dingtian

Liu Futong and others were angry.

Only Grandma Liu accompanied the smiling face: "Xiao Kai is still a child, I don't know what to do, Xiao Kai, apologize to your uncle and aunt, hurry up."

Lin Kai frowned and looked at Liu Futong and others.

He looked at his grandmother again.

"Grandma, I did nothing wrong, and I don't apologize." Lin Kai said.

Grandma Liu was also helpless. She knew Lin Kai's temper, just like a cow, very stubborn.

He said he would not apologize, so he would never apologize.

Liu Qiao sneered with his arms around him: "Yeah, Master Lin is not a small man."

"Do you know who Huang Dingtian is?"

Lin Kai thought about it for a while. Huang Dingtian was known to Lin Kai.

In the past, every time Lin Kai came to the island, he would find this young man and young man to fight, either gambling together or racing together.

Anyway, the two have been in a hostile relationship.

Huang Dingtian and Lin Kai have always been evenly matched.

"Huang Dingtian, is it Young Master Huang?" Lin Kai replied.

Liu Qiao nodded proudly: "Yes! Huang Dingtian is the young master of the Huang family."

"But you don't know, the Huang Family is no longer the previous Huang Family!"

“The previous Huang family was just a family about the size of our Liu family, but now the Huang family is one of the top ten families on the island!”

“Huang Dingtian’s worth has not been doubled!”

“So, Lin Kai, this time Huang Dingtian came to you for revenge.”

“I advise you, get out of our Liu family now, don’t let the Huang family anger us!”

After Liu Qiao said, he rolled his eyes and looked disdainful.

Liu Yong and Liu Qiang glanced at each other and sneered. They also supported Liu Qiao and let Lin Kai get out of Liu’s house.

After all, the Huang family, they are not willing to offend.

Liu Futong also said at this time: “Lin Kai, you also heard what Xiaoqiao said.”

“Huang Dingtian is not a figure that our Liu family can afford to offend. You’d better leave the Liu family and don’t let the Huang family anger us!”

Everyone in the Liu family wanted to drive away Lin Kai.

For a while, Lin Kai’s heart was also refreshing.

Is this your relative? Is this your grandfather? Is this your aunt?

They are clearly a group of cold-blooded animals!

Indiscriminately, he said that he was wrong, and when he met a powerful family, he kicked himself out of the Liu family?

At that time, Lin Kai sneered and nodded: “Ha ha, okay! I’m leaving now!”

“Xiaokai...” Grandma Liu wanted to say something more, but Liu Qiao stopped him.

“Oh, mom, that trash, if he wants to go, let him go!”

“I thought that when I married my eldest sister, he wanted half of Linting’s shares, but he didn’t even give it to him. Obviously, he didn’t treat the Liu family as his own family!”

“That wicked son, we don’t have to worry about it.”

“Even if he died on the island, he has nothing to do with us!”

After listening to Liu Qiao’s words, Grandma Liu was trembling with anger.

She stood up tremblingly, looking at everyone in the Liu family, blushing with anger.

“You...you!”

“Does the Lin family owe you?”

“Ugh!”

After all, Grandma Liu left the restaurant tremblingly.

...

Lin Kai walked directly out of Liu’s house.

As soon as he walked out of Liu’s house, Lin Kai stopped and narrowed his eyes.

I saw a dozen luxury cars parked at the gate of Liu’s house!

The lowest level is Land Rover.

There are several Ferraris and Rolls-Royce!

A group of young men wearing famous brands stood in front of the luxury cars with a high expression.

This group of people blocked the gate of Liu’s house to the core, and they all had baseball bats in their hands, as if they were coming to find something.

The man in the lead, who looked about the same age as Lin Kai, was dressed in a custom **** suit. He was tall and handsome.

He is Huang Dingtian, the young master of the Huang family!

As soon as Lin Kai left the Liu family, Huang Dingtian sneered, and walked towards Lin Kai with dozens of brothers behind him.

Huang Dingtian glanced up and down at Lin Kai, with a contemptuous smile on his mouth: “Oh, I said, Master Lin, you are going back more and more! Let me see what brand of clothes you wear, Li Ning? What a shame. Yeah!”

Huang Dingtian laughed for a while, and a group of people directly surrounded Lin Kai.

Lin Kai was very upset, and there was no good expression on his face.

“Huang Dingtian, I don’t have time to play with you now, go away.” Lin Kai said lightly.

A look of hatred flashed in Huang Dingtian's eyes.

Lin Kai used to beat him! He Huang Dingtian is different now, now his Huang Jiafei is so strong that he has hired many personal trainers to train him. Today, he must let Lin Kai lose!

"Lin Kai, I've been waiting for you on the island for so many years, you **** finally came here."

"Don't want to play? Are you scared?"

Huang Dingtian sneered and waved the baseball bat in his hand.

"Lin Kai, I advise you, if you don't play with Laozi, the brothers around me won't agree!"

The people around Huang Dingtian are all island dudes.

Basically everyone has a background.

And Huang Dingtian is their boss, their head, they all listen to Huang Dingtian.

After all, the current Huang family is already one of the top ten families on the island.

Almost all of this group of people stared at Lin Kai with their nostrils, looking indomitable.

"I said, I have no time to play with you!" Lin Kai frowned and said.

Huang Dingtian's eyes suddenly became cold: "Lin Kai, are you **** scared?"

"Are you still a man?"

"Afraid of losing?"

Huang Dingtian's eyes were full of provocation.

Lin Kai also looked at Huang Dingtian, with a playful smile on the corner of his mouth. Is he afraid of losing? It's just that Lin Kai is in a bad mood now and doesn't want to care about Huang Dingtian!

"Lin Kai, you think about it carefully. Behind you is the Lin family, you are not afraid of Laozi, but you think about the Liu family!"

"Humph!"

The corner of Huang Dingtian's mouth showed a sullen smile.

He looked at Lin Kai very proudly.

He didn't believe it, and threatened Lin Kai with the Liu family, and Lin Kai did not compromise!

Sure enough, Lin Kai frowned.

Although Lin Kai hates most of the Liu family, there is one person, but Lin Kai's relatives!

That person is naturally the amiable Grandma Liu.

If his grandma was hurt by Huang Dingtian's group, Lin Kai would not forgive himself!

At that time, Lin Kai narrowed his eyes and a cold expression appeared on his face: "Huang Dingtian, what the **** do you mean? Dare to threaten me?"

Huang Dingtian is not afraid of Lin Kai: "I am threatening you!"

Lin Kai nodded and sneered: "Haha, okay, how do you want to play?"

Huang Dingtian smiled triumphantly at the corner of his mouth: "Simple, two wins in three rounds, horse racing, golf, card gambling."

"This time, if you want to play, you can play the big one! Whoever loses, whoever is the other's brother, is not allowed to complain!"

Chapter 454: Race

Chapter 454

A triumphant smile appeared on Huang Dingtian's mouth, and a sinister look flashed in his eyes.

Lin Kai, Lin Kai, come to my place, do you still want to beat me?

impossible!

As long as you dare to fight, I will definitely let you not win!

Lin Kai thought for a while, then nodded directly and agreed.

"Yes!" Lin Kai said with a slight smile.

Lin Kai agreed to Huang Dingtian because he considered his grandmother.

Besides, Lin Kai happened to be missing a little brother recently. Huang Dingtian is the eldest of the Huang family, one of the top ten families. He is qualified to be his little brother.

“Good!” Huang Dingtian clapped his hands, very excited.

“It’s not too late, let’s set off now!” Huang Dingtian said with excitement.

Lin Kai, Lin Kai, when we were fighting, you always bullied me with the Lin family behind you.

But now, my Huang Dingtian is no longer the previous Huang Dingtian.

Behind my Huang Dingtian is the Huang family, one of the ten largest families on the island.

Even if it is not as good as your Lin family, don’t forget, this is an island!

It’s Lao Tzu’s site!

What if the Lin family is behind you? Even if it is the Long Family in the capital, I am not afraid at all!

“Get in the car!” Huang Dingtian gave an order, and Lin Kai got into Huang Dingtian’s car directly.

The yellow-topped car is a yellow Ferrari sports car.

This sports car is a limited edition and has been professionally modified. The market price is around 30 million yuan.

Huang Dingtian deserves to be the top young man on the island, even his car is so luxurious.

A dozen luxury cars drove directly into the island city.

Their destination is a horse farm on the edge of the island city.

This horse farm is the top horse farm on the island. Not only is the scenery beautiful and the conditions are excellent, the horses in the horse farm are also full of horses.

Soon, Lin Kai followed Huang Dingtian and the others to this horse farm.

The car was parked in the parking lot, and a group of dozens of people walked into the racecourse.

After seeing Huang Dingtian coming, the head of the racecourse greeted him with enthusiasm.

“Young Master Huang, you are here, please come inside!” The manager said with a pleased smile.

Huang Dingtian wore a pair of sunglasses and smiled playfully: “Make a track for Lao Tzu, and Lao Tzu is going to race with others today!”

After listening to Huang Dingtian’s words, Pi Dian Pi Dian, the manager of the racecourse, went to do it.

“Okay, Huang Shao, wait a moment.”

Soon after, the manager came back and led Lin away to the beginning of a track.

This track is straight, with greenery on both sides of the track. It is the widest track in the entire racecourse, with a total length of 3,000 meters.

This track is not only beautiful, but there is also a lane beside the track, which allows cars to run with the horses.

Once Huang Dingtian appeared in the racecourse, he immediately became the focus of the racecourse.

Many young people who came to ride on horseback had already stood by and watched.

Suddenly, Huang Dingtian seemed to have become a big star and was watched by people.

Huang Dingtian also had a proud expression. He waved his hand: “Bring my horse up!”

The supervisor personally led Huang Dingtian’s horse, and soon after seeing a very beautiful brown horse, he was led up.

This horse is extremely beautiful, with shiny hair, strong physique, and the thigh muscles are full of explosive power.

There was a burst of exclamation at the scene, this turned out to be a sweaty BMW!

“I went, and I heard that Huang Shao had a sweaty BMW in this racecourse. It turned out to be true!”

“Yes, this sweaty BMW is worth more than one million! It is more expensive than a BMW!”

“Who is the person who raced with Huang Shao? Why haven’t you seen it?”

“I don’t know, it seems to be from Jiangbei.”

There was a sound of discussion, and everyone pointed at Lin Kai and Huang Dingtian.

Huang Dingtian could be said to be calling for rain here, but no one knew Lin Kai at all.

Huang Dingtian looked at Lin Kai triumphantly, and said, “My horse, but a thoroughbred, sweaty BMW I bought back with a million!”

“What horse are you going to ride with me? Oh, by the way, you wouldn’t have no horses, would you?”

“Hahaha!”

After that, Huang Dingtian made a burst of laughter with a mocking expression on his face.

And the people behind Huang Dingtian were all laughing at Lin Kai, with smiles in their eyes.

They knew that Lin Kai must have no horses!

Who goes out with a horse? That’s why Huang Dingtian wanted to race against Lin Kai, but Lin Kai actually agreed.

What a fool!

“It doesn’t matter if there is no horse, I have prepared it for you, bring it!”

Following Huang Dingtian’s order, the general manager led three people and three horses.

After seeing the three horses, everyone burst into laughter.

Because of these three horses, two can be said to be deformed in horses.

One is a short-legged horse. This horse’s legs are so short that it doesn’t seem to run fast.

The other horse was a lame horse. Although it was strong, it walked on one foot and was lame.

The last horse did not seem to have any problems, and this horse was born extremely beautiful.

This horse is tall and mighty, with muscles all over, and its explosive power gives people an amazing feeling.

And its hair is very shiny.

Its lofty eyes represent its unruly character.

This horse is even more temperamental than Huang Dingtian's sweaty BMW!

Lin Kai saw the horse at a glance.

However, all the onlookers sneered and looked at Lin Kai sarcastically.

Huang Dingtian asked loftily at this time: "Master Lin, have you chosen it?"

Lin Kai pointed to the most powerful horse and said, "I want it!"

After hearing Lin Kai's words, Huang Dingtian's mouth showed a sarcasm, he just wanted Lin Kai to choose it!

"Are you sure?" Huang Dingtian asked.

Lin Kai nodded heavily: "OK!"

Lin Kai is very optimistic about this horse, this horse gives Lin Kai a wild feeling, and Lin Kai also wants to conquer this wild horse!

"Okay! Then I'll give you this horse!" Huang Dingtian nodded and agreed without hesitation.

Huang Dingtian is so kind? Of course he was not so kind.

At this time, everyone made a burst of laughter.

They are all laughing at Lin Kai!

Lin Kai is too insightful.

The horse Lin Kai liked was indeed a good horse. It was an Arabian horse, the royal family among horses!

But the horse's temperament is extremely strong, since it entered this horse farm, no one can conquer it!

Even the top equestrian on the island can't do anything about it.

Because this horse is so staunch, an equestrian once tried to conquer it, but was ruthlessly trampled on three ribs and almost died on the spot!

So when Lin Kai chose this horse, he was looking for death!

Chapter 455: A Strong Horse

Chapter 455: A Fierce Horse

“Is this guy a fool?”

“Does he dare to choose this horse? The best equestrian on the entire island can’t conquer this fierce horse. He thinks he can?”

“Arrogant, arrogant! He is not Huang Shao’s opponent at all!”

...

The young people onlookers made a voice of doubt.

In their eyes, Huang Dingtian was a master equestrian.

Although Huang Dingtian is not a professional equestrian, he is a krypton player and he has the best equestrian coach on the island.

The car is a million-dollar BMW.

So in terms of horse racing, it is difficult for even professional players to win Huang Dingtian.

At that time, everyone present also placed bets.

Betting on Huang Dingtian and Lin Kai who can win.

As a result, 99% of people gambled that Huang Dingtian could win, and only 1% gambled that Lin Kai could win.

They are not familiar with Lin Kai.

But you must know that driving a horse requires a certain amount of physical strength.

Lin Kai looks so skinny, sitting on top of the horse, he might be thrown away!

So no one is optimistic about Lin Kai.

At this time, Huang Dingtian was already sitting on his sweaty BMW and whistled: "Hey! I said Young Master Lin, are you alright?"

Lin Kai looked at the fierce horse in front of him and smiled slightly: "Okay!"

The staff at the racecourse personally led the two horses to the starting point, and the two horses were ready to run at any time.

And Huang Dingtian looked at Lin Kai proudly, and made a disdainful voice: "Haha, Lin Kai, you are determined to lose!"

"Lao Tzu's sweaty BMW will definitely dump you eight streets!"

"Your horse, although it is an Arabian horse, the royal family among horses, but it is the toughest horse in the entire horse farm!"

"Even I can't conquer, just wait to lose!"

After all, Huang Dingtian smiled triumphantly.

Lin Kai, didn't you always beat me before?

Today, I will let you taste the taste of losing!

"By the way, that fierce horse can easily hurt people! Then you will be injured by that fierce horse, don't blame me!"

Huang Dingtian laughed out loud.

"Please get on the horse!"

At this time, the referee said to Lin Kai.

Lin Kai glanced at the Arabian horse in front of him, without even thinking about it, he rode straight up.

After sitting on the horse's back, Lin Kai suddenly found that the horse's body seemed to be shaking a little!

I saw its four hooves constantly rubbing on the ground, as if preparing to exert force.

The onlookers laughed out loud, and some even took out their mobile phones and were shooting.

"The show is here! Let's see how this idiot is thrown off by the Arabian horse in a moment!"

There was a burst of laughter.

Even the referee smiled unkindly.

With a whistle sounded, the game officially began!

As soon as the whistle sounded, only a brushing sound was heard, and the sweaty BMW under Huang Dingtian's crotch jumped out!

The starting speed is very fast, like a gust of wind, running wildly on the track.

Da da da! Da da da!

Huang Dingtian's laughter came, and Huang Dingtian's body was shaking up and down with the horse's bumps. It was obvious that Huang Dingtian was really a master equestrian!

Looking at Lin Kai, the Arabian horse under Lin Kai's crotch didn't mean to run wild.

It made a circle on the spot, and then it began to jump dramatically!

It was shaking its body wildly, it wanted to shake Lin Kai off!

At the same time, the Arabian horse uttered a roar of anger. It seemed to vent its dissatisfaction!

It shook its body wildly, and Lin Kai sitting on its back felt like he was riding a roller coaster, and his eyes were shaking.

Lin Kai hugged his neck and clamped his body with his legs to prevent his body from falling.

At this time, there was a burst of laughter from the surroundings, and the onlookers laughed.

"Hahahaha! I said, no one can conquer this fierce horse!"

"This idiot actually chose this fierce horse, idiot!"

"Hahahaha!"

...

A burst of flashing lights came on, and Lin Kai had obviously been regarded as an animal in the zoo and was watched by everyone.

This horse is so fierce that no one can conquer it!

This is what everyone thinks, because this horse is an Arabian horse. Arabian horses have a very wild character, and this horse is a royal family in the royal family.

Would it be willing to be ridden by ordinary people?

The person who can conquer this horse can only explain one reason. This person is definitely not an ordinary person, but a big man!

And is Lin Kai like that big man? He is not at all!

So he has no way to conquer this Arabian horse!

The Arabian horse was shaking his body wildly, and Lin Kai who was riding on it also felt the sky spinning around, his head was a little dizzy.

But Lin Kai's power was terrifying. He hugged the Arabian horse tightly, and the Arabian horse couldn't get rid of Lin Kai at all.

But this will only make the Arabian horse even more angry.

"A thousand meters!" At this time, the referee yelled.

Huang Dingtian has run away a thousand meters away! The crowd exclaimed.

The sweaty BMW is worthy of being the king of horses. In just such a short time, it has already ran out for a thousand meters.

Looking at Lin Kai again, he was still being thrown wildly by Arabian horses at the starting point!

Everyone sneered, Lin Kai couldn't win at all, he had no hope of winning!

And Lin Xinzong was also very angry, just a beast, dare to embarrass Laozi?

Lao Tzu is the owner of the system, how can he be looked down upon by your beast?

Don't want to be ridden by Laozi, do you? I'm not!

Today, I will show you a little color!

Thinking, Lin Kai clamped his legs!

As soon as Lin Kai clamped his legs, the horse immediately felt a strong burst of pressure, which made it uneasy.

It felt pain, the pain from Lin Kai!

It started screaming, it started to be angry, but it just wasn't afraid!

Lin Kai is even more angry, still not surrendering, right?

I saw Lin Kai made an amazing move. Lin Kai grabbed the hair on the horse's neck and pulled it off!

Afterwards, Lin Kai scattered the horse hair in the air.

The horse's painful tears are almost coming out!

You know, the hair on the horse's neck is the most beautiful place on the horse, and it is also the most important place.

Equivalent to human hair.

Lin Kai directly tore off the hair on its neck, and it exploded.

It shook more severely.

You bastard, you still don't surrender? Lin Kai was furious.

At this time, the referee's voice came again.

"Shao Huang has run 1,500 meters, Lin Kai, you have no hope of winning!"

There was a burst of laughter.

Everyone laughed.

Can Lin Kai still win?

Naturally impossible!

No matter how Lin Kai abused the horse, the horse would never submit to Lin Kai.

Besides, Huang Dingtian ran half of the distance, how did Lin Kai win? What does he win?

He can't win at all!

"Competing with Huang Shao, that is simply slashing a big knife in front of Guan Gong! Rubbish!"

Chapter 456: Conquer

Chapter 456 Conquer!

“Beast!” Lin Kai roared at this moment.

The temperament of this horse is too strong, and the strength of this horse is not ordinary.

It shook its body wildly, and for a while, Lin Kai seemed to be sitting on a very bumpy roller coaster.

I just feel dizzy.

Everyone looked at Lin Kai with a mocking expression.

Lin Kai is too self-conscious!

This horse is an Arabian horse with a very strong temper. No one can conquer it in the horse farm!

Even the best equestrian on the island can't help it.

And Lin Kai, looks so young, so thin, and doesn't seem to know much about equestrianism. Such a person actually wants to conquer such a fierce horse?

The person who can conquer this fierce horse must be a great person with temperament!

Because in the eyes of this horse, it is not the person who chooses the horse, but the horse chooses the person!

“Lin Kai! Give up! Otherwise, wait a while for you to be thrown off by this horse, and be careful that it will trample you to death!”

“If you admit defeat now, we will save you now!”

“Give up! You can't win! Who is Shao Huang? You can compare? Hurry up and get off!”

There was a burst of laughter.

At this moment, several strong and sturdy staff members appeared from the side. These staff members were holding steel forks in their hands, obviously preparing to rescue Lin Kai.

They did not think that Lin Kai could conquer this fierce horse!

After all, there are lessons from the past. Someone wanted to conquer this fierce horse, but was trampled on and broke three ribs.

Lin Kai was thrown off for a while, and his life might be in danger!

Of course, Huang Dingtian hoped that Lin Kai would be trampled to death by this horse!

“I don’t accept it!” At this time, I only heard Lin Kai roar.

“Rhino...Tie Shan Kao!” Lin Kai shouted almost suppressing his throat.

The roaring sound shocked everyone present.

Lin Kai’s momentum suddenly rose!

Lin Kai’s eyes began to turn red! And his hands were tightly grasped on Lima’s hair, and the veins on his arms were violent.

Lin Kai didn’t want to attack this horse, he wanted to radiate his aura!

Suddenly, Lin Kai lying on Lima’s body seemed to have increased ten million tons in weight!

Lin Kai at this time didn’t look like a person, more like a rhino.

An invisible rhino.

That wild momentum overwhelmed this fierce horse in an instant.

Just with momentum, Lin Kai crushed the horse.

And Lima roared at this time, and finally there was an expression of fear in its eyes.

It began to be afraid, because it felt that it was not a person lying on its back, but a very strong and angry rhino!

Although a strong horse is stout, it is also afraid of animals that are stronger than its own body.

Rhinoceros can be said to be a very large giant animal. This animal wants to kill a horse in a matter of minutes.

So it started to be scared!

I saw Lima's violent body and began to calm down.

It didn't shake its body anymore, and it didn't roar anymore. Gradually, the horse was completely quiet.

Lima stood at the starting point, only a look of surrender in his eyes.

It even turned around and glanced at Lin Kai in fear.

It surrendered to Lin Kai!

The moment the horse stopped, the scene was silent.

Is this horse quiet?

This is impossible! You know, in the past, this horse would never calm down without throwing off the people on its back.

It absolutely does not allow anyone to sit on its back!

And now, it is so quiet under Lin Kai's crotch, is it still the fierce horse that no one can conquer?

Everyone was dumbfounded.

The manager on the side opened his eyes wide. He is the manager of this horse farm and knows how difficult it is to conquer this fierce horse.

Even the best equestrian on their racecourse was helpless with this fierce horse, but Lin Kai actually conquered this fierce horse!

This shows what? This shows that Lin Kai's equestrian skills are very good.

Even the best equestrian in their racecourse is no match for Lin Kai!

The scene was quiet, and Huang Dingtian's doglegs looked at Lin Kai stupidly.

Lin Kai is so strong? He can actually conquer a wild horse that even Huang Dingtian can't conquer!

At this moment, the referee on the side said: "Shao Huang has already run two kilometers, only one kilometer away from the finish line!"

Only one kilometer away!

Everyone was excited.

Lin Kai, Lin Kai, what if you conquer this fierce horse? Will it listen to you?

Everyone knows that people and horses have to slowly get in touch. Even if it accepts you temporarily, it will definitely not listen to your orders so quickly!

Huang Dingtian and his horse already have a deep relationship, and they can truly unite between man and horse.

Besides, Huang Dingtian ran out for two kilometers. Can Lin Kai catch up?

The eyes of everyone showed a mocking look again.

Lin Kaixie laughed, what about two kilometers?

“Little horse, drive!”

Following Lin Kai’s order, only a long howl from Lie Ma, he rushed out.

Da da da! Da da da!

This horse is worthy of being the most powerful horse in the entire racecourse. Its starting speed is really fast!

With a swish, the horse ran out!

But Lin Kai clamped the horse with his legs so that he would not fall.

The Arabian horse that ran away broke out at a shocking speed!

This horse, even if it is Lin Kai, can only run a tie. This horse is really tough!

With a flash, Lin Kai had disappeared from the starting point.

I’m afraid Guan Yu’s Red Rabbit Horse is nothing more than that.

At this time, Huang Dingtian, who was running in front of Lin Kai, was complacent.

Lin Kai, Lin Kai, what kind of horse do you choose? Must choose that fierce horse!

Pick the other two horses, although you will lose the same, but at least it won’t be too ugly.

Choose that horse, not only will you lose, but it will be ugly and life-threatening!

Two thousand five hundred meters, I’m about to win!

Huang Dingtian's mouth showed a triumphant smile.

Seeing that the end point was right in front of him, at this moment, only a whistling sound was heard, and a shadow suddenly flew past Huang Dingtian's side.

WTF?

Huang Dingtian was taken aback, but did not react.

There was a strong wind just now, and his face hurt a little bit. Could it be that he was shooting his own car?

Taking a closer look, Huang Dingtian was so scared that he almost didn't roll off his horse!

It was Lin Kai?

Huang Dingtian saw that Lin Kai rode that fierce horse and rushed past him!

The speed of that fierce horse is very fast, even two or three times that of the sweaty BMW under his hip!

It was so fast, even if he was two kilometers ahead of Lin Kai, he still caught up!

How can it be? How could Lin Kai conquer that horse!

Chapter 457: Huang Dingtian's Xiao Jiujiu

Chapter 457 Huang Dingtian's Little Nine Nine

Huang Dingtian couldn't accept this fact at all.

Huang Dingtian at this time even suspected that he was dreaming!

Which fierce horse did Lin Kai conquer?

No kidding?

That fierce horse, Huang Dingtian tried, was very wild, not to mention himself, even the best equestrian in China can not conquer that fierce horse!

And Lin Kai actually conquered that fierce horse!

Could it be that Lin Kai's equestrian skills are so brilliant?

Huang Dingtian's heart was as uncomfortable as eating shit.

Seeing that he was about to reach the end, Lin Kai actually caught up!

It feels like a cooked duck flying away.

In just tens of seconds, Lin Kai had reached the end.

Lin Kai won the first place in this race!

Soon after, Huang Dingtian also reached the end, but at this time Huang Dingtian's face was green.

The sweaty BMW under his crotch stopped, Huang Dingtian turned over and got off the sweaty BMW.

But in the next scene, Huang Dingtian almost didn't cry.

I saw the wild-tempered horse actually knelt down and let Lin Kai get off its back.

Lin Kai walked down very calmly, and the horse stood up again, actually rubbing Lin Kai flatly.

Is this horse really a fierce horse in the racecourse?

Is it still an Arabian horse? Is it still a nobleman among horses?

Why now, it's like a dog?

Huang Dingtian couldn't accept this fact at all.

Soon after, Huang Dingtian's little brothers and the crowd of onlookers who were eating melons also rushed over in a car.

After seeing Lin Kai win the championship, they were all shocked.

"He actually won? Huang Shao didn't win?"

"It's really incredible, isn't this person too strong?"

"Even this fierce horse can be conquered. He can be called the best equestrian in the world."

"This is a master!"

There was a lot of discussion, and many people gave Lin Kai a thumbs up.

Huang Dingtian's little brothers had very ugly faces.

Their boss actually lost!

Although Huang Dingtian found it incredible, he still felt very curious in his heart.

Ever since, Huang Dingtian asked, "Lin Kai, how did you do it?"

Lin Kai smiled slightly and said, "It's very simple. A horse is an animal that is bullying and afraid of hardship. As long as it feels that you are stronger than it, it will naturally surrender to you."

Isn't this bullshit?

Huang Dingtian complained in his heart, but you don't seem to have a strong feeling either!

After losing, Huang Dingtian felt very uncomfortable.

Lin Kai put his hands in his pockets and said: "Three games and two wins, I win another game, you will be my little brother."

Seeing Lin Kai's confident look, Huang Dingtian sneered: "Hehe, you may not win the next two games!"

"What to bet on in the next game?" Lin Kai asked.

"What to bet? To bet on cards!" Huang Dingtian sneered and said.

"Yes." Lin Kai agreed without thinking about it.

"Go!" Huang Dingtian's face looked very ugly after losing. He gave an order and left the racecourse with a group of people mighty.

Lin Kai got on Huang Dingtian's Ferrari. Thirty minutes later, a dozen luxury cars stopped at the gate of an entertainment club.

This entertainment club is a chess and card room, a very large chess and card room, which looks very grand.

Walking into the chess and card room, passing through the bustling first floor, Lin Kai came to the private room on the third floor.

In the private room, it was antique, and there were beautiful women who poured tea for Lin Kai.

Only a few high-ranking people followed Huang Dingtian's dozens of young masters.

Lin Kai and Huang Dingtian sat at both sides of a table, and the gambling competition officially began!

Lin Kai asked, "What do you want to bet on?"

Huang Dingtian took out a Chinese cigarette at this time and smiled: "Of course it's better than gambling!"

"The rules of the game, I'll decide!"

After Huang Dingtian said, he took a new set of playing cards from the side.

In front of Lin Kai, he opened the playing cards and shuffled them.

Subsequently, Huang Dingtian put the playing cards one by one on the table.

"One person draws three cards and fried golden flowers, dare you play?" Huang Dingtian asked confidently.

He wants to compare luck with Lin Kai? Still better than cheating?

What does Lin Kai dare not? At that time, Lin Kai directly agreed.

"whatever."

The corner of Huang Dingtian's mouth showed a smile that succeeded in conspiracy.

The few attendants who followed him also laughed out loud.

Lin Kai is done!

As long as Lin Kai dares to gamble with them Huang Shao, Lin Kai will definitely lose!

Because they Huang Shao is cheating!

In Huang Shao's ear, there is an invisible earphone, which can receive the sound from the monitoring room.

In the monitoring room, sitting a memory master, the memory master has perfectly memorized every movement of Huang Dingtian's shuffle.

In other words, this memory master knows what the cards are on the table.

Huang Dingtian also took great pains to target Lin Kai.

"Please." Lin Kai stretched out his hand and motioned to Huang Dingtian to draw a card.

“In that case, I’m not welcome!” Huang Dingtian smiled triumphantly.

And Huang Dingtian’s ears also heard the voice of Master Memory.

“The first card in the left hand, the third card in the right hand, and the first card in the middle.”

Huang Dingtian drew three cards according to the words of the memory master.

After drawing the cards, Huang Dingtian glanced at the cards in his hand. At that time, Huang Dingtian was overjoyed!

The master of memory is indeed a master of memory!

I saw Huang Dingtian actually had a very big card in his hand!

JQK!

Such a big card! This is an earth dragon!

Everyone exclaimed at that time.

Huang Dingtian laughed even more after seeing this deck of cards.

With a snap, Huang Dingtian threw the card in his hand directly on the table, and he simply revealed the card!

Huang Dingtian laughed!

“Hahahaha! Boy, I won’t tell you anymore, I took out the earth dragon! If you have the ability, you will beat me! Hahaha!”

Huang Dingtian smiled triumphantly.

Can Lin Kai beat himself?

Totally impossible!

He could not have such good luck.

There were only a few cards larger than Dilong, and it was impossible for Lin Kai to draw a card larger than himself.

The dog-legs behind Huang Dingtian also boasted at this time: “Young Master Huang is amazing!”

“Huang Shao deserves to be Huang Shao, luck is good, the earth dragon can be extracted!”

“Fart! This is luck? This is strength. Huang Shao, your gambling skills are really amazing!”

“Hey! Lin Kai, you are choosing cards! Are you not afraid? Hahaha!”

“If you are afraid you will give up! It is not ashamed to lose in Shao Huang’s hands!”

Huang Dingtian raised Erlang’s legs at this time, with a smug expression on his face.

He felt very embarrassed when he lost the horse race to Lin Kai just now, but now, he feels that all his embarrassment has been recovered!

Chapter 458: Reckless

Chapter 458

Lin Kai, can you beat me?

impossible!

You are determined to lose!

At this moment, Lin Kai smiled, and Lin Kai blinked, his eyes flashed with an imperceptible light.

Golden pupil, open!

As soon as the golden pupil opened, Lin Kai could see through the playing cards in front of him.

It’s just a small earth dragon, see how I can break your earth dragon!

Lin Kai directly picked up an ace of hearts!

With a snap, Lin Kai threw it directly on the table, and Lin Kai also wanted to play with him!

An A? Everyone was taken aback.

Although the single card A is the largest, an Ace can’t turn a lot of trouble.

Huang Dingtian still smiled disdainfully.

Lin Kai smiled slightly, once again picked up a playing card and threw it on the table.

With a snap, only an ace of spades appeared in front of everyone.

Another A? Although A is not as big as Earth Dragon, it is not too small.

Lin Kai's luck is not bad!

Everyone was sighing in their hearts, but no one thought that Lin Kai could draw three Aces!

Adding up the three aces, it is a leopard, except for 235, there is no card to control the leopard!

If Lin Kai really draws out three Aces, Huang Dingtian's blood transfusion!

But no one believes that Lin Shanxi has such a bad luck that he can draw out three Aces.

Lin Kai glanced at Huang Dingtian and said with a smile: "Huang Dingtian, you lost."

After all, Lin Kai opened the last poker break directly.

Snap!

I saw another A appeared in front of everyone.

It's really a leopard!

At that time, the audience was silent.

Everyone looked at the three A's and froze.

Lin Kai actually drew out a pair of leopard cards! Finished tormenting Huangding Tianlong!

The smile on Huang Dingtian's face gradually solidified, and slowly, his face became very ugly.

Did you lose again?

How did Lin Kai do it?

Could it be that he also cheated?

Huang Dingtian is a bit suspicious of life.

Lin Kai clapped his hands and asked, "Excuse me, do you still want to bet?"

"It's just good luck!" Huang Dingtian snorted coldly. He didn't believe that Lin Kai still had such good luck and could win himself!

"Two wins in three games, come again!" Huang Dingtian was very unconvinced.

Soon after, Huang Dingtian received instructions from Master Memory.

Huang Dingtian smiled confidently, aren't you **** crazy? Isn't there a leopard? Today, I will also draw you a leopard!

At that time, Huang Dingtian drew three cards.

Put the card in front of him, after the card was opened, only three 8s appeared in front of Huang Dingtian.

The doglegs who were watching behind Huang Dingtian exclaimed.

It's actually a leopard!

Lin Kai, you are determined to lose!

Snapped!

At that time, Huang Dingtian directly showed his card and laughed proudly again.

"Hahahaha! Leopard! Lin Kai, I see how you win this round!"

"I don't believe it, you can still draw a card bigger than me!"

Huang Dingtian's expression was a complacency.

The last one must be Lin Kai's luck.

In this round, Huang Dingtian didn't believe that Lin Kai could still have such good luck.

And Lin Kai's face showed a disdainful smile: "A leopard, 235 can control you!"

235 is the smallest card in the Golden Flower.

No one can control this kind of card, but it can control the biggest card, Leopard.

Huang Dingtian shook his head and sneered: "Hehe, you said you can get 235 if you draw 235? It's harder to draw 235 than a leopard!"

Lin Kai laughed and drew the first card directly and placed it on the table.

“This is a 2.”

After hearing Lin Kai’s words, everyone craned their necks to look.

I saw a 2 really placed in front of Lin Kai, really 2!

How did Lin Kai do it? Could it be that he can see through?

“This is a 3.”

Lin Kai once again drew a card and placed it on the table in front of him.

When the card was opened, everyone was dumbfounded, and saw a 3 placed in front of Lin Kai.

It’s really a 3!

The smile on Huang Dingtian’s face solidified again, he couldn’t sit still, his heart touched his throat, the last card, wouldn’t it really be a 5?

Lin Kai drew the last card and said calmly: “This is a 5.”

Everyone looked at the card nervously, and with a snap, Lin Kai threw the card on the table, only to see a 5 in front of everyone, really a 5!

235!

You can control the Leopard’s card!

Huang Dingtian lost again and won two games in three games. Huang Dingtian had already lost two games. In other words, Huang Dingtian lost to Lin Kai!

The horse racing lost to Lin Kai, the gambling also lost to Lin Kai, the final golf is no longer a match, he has already lost!

Lin Kai’s gambling skills are so powerful.

He can have whatever cards he wants, which is really amazing!

Huang Dingtian’s face was very ugly. He hadn’t seen him in a few years. He just wanted to step Lin Kai under his feet, but now, he was stepped under his feet by Lin Kai!

Why?

In Huang Dingtian's heart, it was a dissatisfaction.

Lin Kai said at this time: "Huang Dingtian, you lost, horse racing, and gambling. Now, you can be my little brother."

Lin Kai's indifferent expression seemed to have won Huang Dingtian, as if he had won a fight with a three-year-old child.

Huang Dingtian was completely angry, he roared: "You cheated!"

"Cheating?" Lin Kai asked coldly, "Excuse me, which eye did you see me cheating?"

"Me!" Huang Dingtian was speechless for a while.

Does he have evidence that Lin Kai cheated? of course not!

Without evidence, then Lin Kai is not cheating, Lin Kai is gambling!

Lin Kai sneered, and made another cut: "It's you, Huang Dingtian, the earphones in your ears, when I didn't see Lin Kai?"

"You can't win me by cheating. Are you ashamed to say that I cheated?"

After being dismantled by Lin Kai, Huang Dingtian subconsciously covered his ears.

Huang Dingtian finally became irritated: "Fuck, what if I cheated?"

"Lin Kai, don't be so **** crazy! What if you win? Do you really want Lao Tzu to be a bull and a horse for you?"

"impossible!"

"Lin Kai, let me tell you, Huang Dingtian is now the eldest master of the Huang family of the top ten families on the island, you better show me respect!"

"Otherwise, I will keep you from getting out of the island every minute!"

After listening to Huang Dingtian's words, Lin opened his eyes and narrowed his tone, and said, "Then you want to repay the debt?"

"So what?" Huang Dingtian had an arrogant expression on his face, and didn't open Lin's eyes at all.

Huang Dingtian approached Lin Kai, poked Lin Kai's chest, and said proudly: "Boy, this is not Jiangbei, now I will kneel down for Laozi and apologize. I can consider letting you go."

“Otherwise, the brothers behind me won’t agree!”

boom!

After Huang Dingtian said this, he saw that the door of the chess and card room was kicked open, and dozens of Kuo Shao with fellows came in.

Holding weapons such as baseball bats and golf clubs in their hands, these rich boys looked at Lin Kai with a sneer.

“kneel down!”

Chapter 459: Kneel Down And Learn How To Bark

Chapter 459 Kneeling Down and Learning Dog Barking

Huang Dingtian lost to Lin Kai and simply turned his face over to deny him. He sneered, carrying a golf club in his hand, and looked at Lin Kai with a bad look.

The rich young men behind him are all gearing up, ready to teach Lin Kai a lesson.

Lin Kai was surrounded by so many people without fear.

“Huang Dingtian, I would like to advise you from Lin Kai, don’t find yourself unhappy, you are the one who is injured in the end.”

After hearing Lin Kai’s words, the broad and young people around laughed.

“Hahahaha! Lin Kai, do you know where this is? This is an island!”

“It’s Lao Tzu’s site! Not Jiangbei, you dare to threaten me?”

“You got water in your head, right?”

Huang Dingtian laughed, and said to Lin Kai arrogantly.

“Lin Kai, I also advise you, now kneel down and knock three times to call grandpa.”

“I am happy, I can consider letting you go.”

“If I am unhappy, I will definitely let you lie down and leave here!”

Lin Kai sat on the solid wood chair and took a sip of tea with a nonchalant expression on his face.

“Then please Huang Shao let me lie down and leave here.”

He looked indifferent and absolutely ignored Huang Dingtian.

At that time, Huang Dingtian was angry, because he could not see the slightest fear or despair in Lin Kai's expression, which made Huang Dingtian feel that he had no sense of existence.

Damn, Lin Kai, you're so crazy when you die, I don't think you can cry without seeing the coffin!

Bang!

Huang Dingtian slammed a goblet to the ground, pointed at Lin Kai, and roared, "Fight Laozi!"

Huang Dingtian gave this order. At that time, dozens of Kuo Shao with weapons rushed towards Lin Kai!

Weapons such as baseball bats and stools smashed at Lin Kai.

But at this time, Lin Kai finally put down the teacup in his hand and burst into flames!

Lin Kai leaped directly onto the table, a whirlwind leg kicked directly at the people who besieged him.

Lin Kai's legs were not only fast, but also very cruel. With a bang, Lin Kai's legs were in front of everyone.

These dozens of people with less than half their width were kicked in the face by Lin Kai, and their bodies fell backward uncontrollably.

All of a sudden, only a wailing sound was heard, dozens of people besieging Lin Kai, and a large swath fell!

It's just a leg.

Afterwards, Lin Kai picked up a golf club, like a wolf into a flock, hitting someone when he saw it!

boom!

boom!

boom!

Pieces of blood spattered out, and one person was directly knocked off his arm by Lin Kai!

There were also people who wanted to sneak attack on Lin Kai, but when his stick fell on Lin Kai's head, he was dumbfounded.

The stick was broken, and Lin Kai didn't even lose a strand of hair!

Lin Kai turned his head, glanced at him coldly, and punched him with nosebleeds!

It only took less than three minutes that all dozens of Kuo and Shao were brought down by Lin Kai alone.

In the entire chess and card room, there is only one person standing, and this person is Huang Dingtian.

Huang Dingtian was also dumbfounded at this time, and the golf clubs in his hand were all scared to the ground.

How can Lin Kai fight like this?

There is such a powerful explosive power hidden in his thin body?

Suddenly, Huang Dingtian was dumbfounded.

Looking at the wailing Kuo Young brothers, Huang Dingtian even suspected that he was dreaming.

When did this kid become so strong?

Lin Kai took the stick and walked towards Huang Dingtian, with a playful smile on his lips.

"You kid, want to move me Lin Kai? Are you qualified?" Lin Kai asked proudly.

Huang Dingtian only felt a burning pain on his face at this time.

I was so arrogant just now, but now, Lin Kai has taken care of his dozens of people alone, his face is dull!

Being pressed and beaten by a young man from outside Lin Kai, if this matter spreads out, why would Huang Dingtian mess with him on the island?

"Lin Kai, I...I advise you not to mess around! This is an island!" Although Huang Dingtian was scared, he still couldn't let go of his face.

Lin Kai stammered threats.

Snapped!

Just finished Huang Dingtian's words, Lin Kai gave him a big mouth!

This big mouth swelled up half of Huang Dingtian's face, and blood came out from the corners of his mouth.

Huang Dingtian was beaten up, Lin Kai actually dare to beat him? Still so heavy? Since childhood, no one has ever dared to beat him like this!

"You dare to hit me?" Huang Dingtian pointed at Lin Kai with a look of disbelief.

Snapped!

Just after Huang Dingtian said these words, Lin Kai gave him another big mouth.

This mouth hit Huang Dingtian into doubting life.

I saw his face swelled up on both sides, like a pig's head.

Huang Dingtian finally felt scared at this time, and Lin Kai was not afraid of him at all. He was really heavy to start!

"Lin Kai, you... don't be impulsive, you have something to say well." Huang Dingtian said with a frightened expression on his face.

Lin Kai smiled playfully: "Hehe, now you know how to say it?"

Huang Dingtian's face was ugly and he dared not speak.

"Huang Dingtian, does the gambling agreement just now count?" Lin Kai asked.

Huang Dingtian nodded with difficulty: "It counts."

Now Huang Dingtian dare to say that it doesn't count? As long as he says no word, it is estimated that Lin Kai will beat him mercilessly!

"Whoever loses, who will be the cow and horse for the other party?" Lin Kai asked again.

Huang Dingtian nodded, his face pale.

Lin Kai suddenly smirked, "Oh, in this case, you kneel down and learn a dog bark for me."

When Huang Dingtian heard this, his body froze.

Want him to learn how to bark?

Kneel down?

You know, the most important thing for a wealthy and young man like him is his own face, and Lin Kai now lets him kneel down to let him trample his dignity in front of Lin Kai!

Will Huang Dingtian kneel down?

If you don't kneel, you will inevitably have a severe beating, kneel down, and the matter will spread. Huang Dingtian doesn't have to hang around on the island!

"Don't kneel?" Lin narrowed his eyes, the stick in his hand was a little bit ready to move.

Huang Dingtian's body can only shake uncontrollably, forget it, kneel down!

Stay in the green mountains without worrying about no firewood!

The gentleman takes revenge, it is not too late for ten years, Lin Kai, you wait for me!

Just as Huang Dingtian was about to kneel down, a group of strong men in black rushed into the chess and card room.

This group of brawny men in black, everyone is extremely burly, wearing black suits, wearing sunglasses, and holding electric sticks in their hands.

There are a total of fifteen strong men.

After seeing this group of people, Huang Dingtian was overjoyed, because these people are the security guards of this entertainment venue!

After the black-robed man walked in, then another young man walked in.

The young man in his early twenties, dressed in a casual suit, with shiny hair, and a folding fan in his hand, walks extremely chicly.

He is wild, with a bohemian temperament.

After he walked in, Huang Dingtian almost cried with excitement!

"Young Master Wang, you are here!"

Chapter 460: Island King Shao

Chapter 460

Huang Dingtian was so excited that he almost cried.

God helps me too! Lin Kai, I want Huang Dingtian to surrender to you, impossible!

Shao Wang is here, I see how mad you are!

Wang Tianye put his pocket in one hand, fanned the other, and glanced at Huang Dingtian. He didn't use his eyes to look at him.

"Huang Dingtian? Yo, who beat you like this?" Wang Tianye asked with a laugh.

Because Lin Kai turned his back to Wang Tianye, Wang Tianye did not recognize Lin Kai either.

Huang Dingtian burst into tears with his nose and cried: "Young Master Wang, it's him!"

Huang Dingtian pointed at Lin Kai and said angrily: "This kid beats me like this in your place. He beats my brothers."

"I said, this is Wang Shao's territory, what did he say Wang Shao is a fart!"

"Young Master Wang, this kid is too crazy, you don't even look at you, you must teach him a good lesson for me!"

After all, Huang Dingtian glanced at Lin Kai rather gloatingly.

This Wang Shao is bigger than Huang Dingtian's background!

It was enough to scare Lin Kai to death!

At that time, Huang Dingtian pretended to remind Lin Kai: "Lin Kai, don't blame me for not reminding you, this young man, but the third eldest of the ten largest families on the island!"

"Dare to make trouble in Shao Wang's territory, you are dead!"

"Now kneel down and apologize, it's still too late!"

The Wang family is the third largest family among the ten largest families on the island.

Lin Kai, what if you can play again? In front of Shao Wang, do you dare to be presumptuous?

Lin Kai?

After hearing this name, Wang Tianye looked at Lin Kai subconsciously. After seeing the familiar profile, Wang Tianye was excited.

It's really Lin Kai!

Although Wang Tianye still came out of the army unconvincingly, Lin Kai really taught him a lot.

After returning to the Wang's house, his father said that he had changed a lot and left all the business that was not given to him before.

So Wang Tianye thanked Lin Kai from his heart.

And Huang Dingtian still didn't know what was going on, he still yelled in front of Lin Kai: "Little boy, I told you to kneel, do you hear?"

With that said, Huang Dingtian went to pull Lin Kai's collar.

He didn't believe it, Lin Kai dared to do it in front of so many security guards with electric sticks!

Sure enough, Lin Kai didn't do anything, but Huang Dingtian turned around and looked at Huang Dingtian.

Lin Kai tilted his head and smiled before looking at Wang Tianye.

"Wang Tianye, long time no see!" Lin said with a smile.

Before Wang Tianye spoke, Huang Dingtian scolded: "You can call Shao Wang's name directly? Don't be too presumptuous!"

"Lin Kai, do you think this is Jiangbei? Shao Wang is the elder of the Wang family of the island. When you see Shao Wang, you have to call him the king!"

Snapped!

Huang Dingtian had just finished saying these words, and only heard a pop, and Huang Dingtian received a firm slap on the face.

This slap slapped Huang Dingtian again.

Because this slap was not played by Lin Kai, but by Wang Tianye!

Huang Dingtian looked at Wang Tianye with a grievance on his face: "Wang Shao, why are you hitting me?"

Wang Tianye was anxious and frustrated at this time: "It's all light to beat you! Even Shao Lin dare to offend? Are you tired and crooked?"

Wang Tianye was very angry.

Huang Dingtian actually wanted him to deal with his instructor?

Let alone Lin Kai's kindness to him, Wang Tianye had met Lin Kai's contacts that day at the Lin family.

Even if his Lin family is far away in Jiangbei, he can still kill his Wang family!

And Huang Dingtian actually offended Lin Kai knowingly, and wanted to drag him into the pit. Isn't this looking for death?

Huang Dingtian is stunned, Lin Shao? They know?

"Wang Shao, what Lin Shao? This kid is from Jiangbei, you can't turn to outsiders!"
Huang Dingtian said very aggrieved.

boom!

After Huang Dingtian said, there was another sturdy kick on his chest. This kick directly kicked Huang Dingtian into the corner and knocked over a table.

At that time, Huang Dingtian struggled with his body and got up.

Huang Dingtian at this time felt aggrieved in his heart.

It's fine for Lin Kai to hit me, even you hit me!

Huang Dingtian dared not say anything!

Wang Tianye glared at Huang Dingtian angrily, then looked at Lin Kai and smiled.

"Master."

Lin joked, "Haha, Wang Tianye, it's a fate. I didn't expect to meet him here."

"Yes, Master, let's go, I'll buy you a drink?" Wang Tianye smiled.

"No, I have something to do, let's go another day." After that, Lin Kai cast a cold glance at Huang Dingtian.

Huang Dingtian was dumbfounded, but Lin Kai was actually Wang Tianye's master?

If this is the case, he can be regarded as offending Wang Tianye to death.

It is not good for him to offend Wang Tianye to death!

After all, Wang Tianye's status on the island is much higher than his status on the island!

Wang Tianye also looked at Huang Dingtian, he naturally understood what Lin Kai meant.

"Master, did this kid offend you?" Wang Tianye asked.

"This kid made a bet with me. I lost, and I'm reluctant." Lin Kai said lightly.

Hearing this, Wang Tianye narrowed his eyes: "If you want to repay the debt, according to the rules of the rivers and lakes, you have to chop off a hand."

After listening to Wang Tianye's words, Huang Dingtian trembled and cut off a hand?

He Huang Dingtian doesn't want to be disabled!

At that time, Huang Dingtian did not hesitate, and knelt down in front of Lin Kai: "Lin Shao, I was wrong!"

"I shouldn't be reckless, I was wrong, I kowtow to you!"

boom! boom! boom!

One after another, Huang Dingtian was really scared.

With Wang Tianye supporting Lin Kai, what did he use to fight Lin Kai?

Looking at Huang Dingtian who kept kowtow to himself, Lin Kai joked, "Hehe, now I know I'm afraid?"

"You have to show your sincerity!"

Lin Kai hugged his arms and said rather playfully.

Sincerity?

What sincerity does he want?

Want money?

impossible!

As the Lin family, can Lin Kai be short of money?

At that time, Huang Dingtian rolled his eyes and decided to surrender his dignity.

“Lin Shao, in the future, as long as it is useful for Xiao Huang, just speak up. From now on, Xiao Huang will be your dog!”

Lin Kai was also amused by what Huang Dingtian said.

“Okay, yes, just be my dog!”

After all, Lin Kai and Wang Tianye went out together.

After seeing Lin Kai leave, Huang Dingtian breathed a sigh of relief.

Huang Dingtian is not bad, but he still has some brains.

Lin Kai is a young man from Jiangbei. In terms of family, Lin Kai is better than Huang Dingtian!

Why does Huang Dingtian dare to bully Lin Kai? That’s because he Lin Kai is a foreigner, and the Lin family’s power is useless on the island!

But after seeing Lin Kai’s skills and connections, Huang Dingtian understood that he couldn’t match Lin Kai!

His skills are so strong that dozens of strong men can’t get close to him, and even top youngsters like Wang Tianye call him his master.

This kid is on the island, and his connections will certainly not be bad!

Therefore, Huang Dingtian decisively recognizes counseling!

Chapter 461: Leopard

Chapter 461

After leaving the entertainment club, Lin Kai and Wang Tianye chatted for a while.

Lin Kai learned that Wang Tianye is indeed the eldest young master of the Wang family, and the Wang family is also the third largest family among the ten largest families on the island.

Before, he was like Lin Kai, an out-and-out prodigal.

After entering the army for half a year, he returned.

The army is really a melting pot, and in only half a year, Wang Tianye is no longer the dude he used to be.

Although he still likes to drink and pick up girls, but now he knows to do business.

After bidding farewell to Wang Tianye, Lin Kai went to Jinshui Pavilion.

Although he doesn't have any good feelings for his aunt, Lin Kai is going to do the task!

After half an hour, Lin Kai arrived at Jinshui Pavilion.

Entering Jinshui Pavilion, putting on work clothes, Lin Kai went to work.

Since Lin Kai beat people in the near water pavilion, the male technicians have not dared to provoke Lin Kai, and the supervisor and manager have to avoid Lin Kai far when they see it.

Many people pointed Lin Kai from behind.

This kid beat the manager and manager, how can he still come to work?

That's because the Liu family all want to see his excitement! They don't want him to leave, they all want to see Lin Kai become a humble male technician!

The Lin Family? Ha ha.

In the corridor, Lin Kai was mopping the floor with a mop.

Because he was an apprentice, Lin Kai had no chance to get started, so Lin Kai could only play a hand.

While mopping the floor, I saw a girl approaching me.

This girl is Chang Weiwei.

I saw Chang Weiwei wearing a decent little suit and black high heels on her feet. Although she was not old, she was dressed very mature.

Holding a pile of documents, she walked towards Lin Kai with her head down, without even noticing Lin Kai.

"Damn!"

As Chang Weiwei exclaimed, she directly collided with Lin Kai full of arms!

At that time, the file fell all over the place.

Chang Weiwei discovered Lin Kai.

“Lin Kai?” Chang Weiwei’s eyes were a little surprised.

I saw her small face full of collagen, very cute, big eyes, not a peerless look, but she is definitely a beautiful woman.

And Lin Kai was also a little quickened by the soft bump.

“Are you okay?” Lin Kai quickly picked up the file for Chang Weiwei.

Chang Weiwei shook his head and fiddled with the hair in his ear: “It’s okay.”

“Sorry, I didn’t see you.” Chang Weiwei said embarrassedly.

“It doesn’t matter.” Lin Kai smiled calmly.

Chang Weiwei is the financial accountant here, and she is responsible for the financial work here.

At that time, Chang Weiwei smiled at Lin Kai, then bypassed Lin Kai and walked to the other end of the corridor.

At this moment, the door of a massage room was suddenly opened, and only a woman was thrown out!

Taking a closer look, it was the female technician from Jinshui Pavilion.

The female technician’s face was red, and she seemed to be slapped.

The female technician sat on the ground with a grievance on her face, and then cried.

“Fuck, what’s the mess? Just this stuff, also worthy to serve Lao Tzu?”

I saw a few strong men walk out of the massage room.

The burly man headed by him was very burly, with a literary dragon and tiger, a big bald head, and a gold chain with the thickness of a little finger on his neck.

The sturdy man looked at the female technician coldly and said angrily: “Go and call your manager over!”

The female technician didn’t dare to talk back, so she went to the manager.

The sturdy man took a look at Lin Kai casually. At that time, he happened to see Chang Weiwei who had not yet gone far.

Chang Weiwei's slender figure, pure and plump, just right fat and thin, just the back view, was envious of the sturdy man at that time.

At that time, the sturdy man yelled, "That girl, stop with me!"

Chang Weiwei's body shook and turned around. After seeing the man, his face turned pale at that time.

"Leopard... Brother Leopard, you call me?" Chang Weiwei's voice trembled.

"Come here!" Brother Leopard hooked his finger.

Although Chang Weiwei was frightened, he hesitated and walked over.

She knows the temper of this leopard brother.

If you don't listen to her, you will be even more unlucky!

At that time, Chang Weiwei held the file and walked over with his head down.

At this time, there are young technicians whispering in the distance.

"It's over, none of the women that Brother Leopard is fond of can run!"

"Huh! Chang Weiwei, that sorrowful woman, will pretend to be high-minded! Now that I meet Leopard brother, isn't it Pi Dian'er?"

"Does she dare to leave? Brother Leopard is that one's younger brother!"

Although their voices were small, they were still heard by Lin Kai, who was overheard.

Chang Weiwei walked in front of Brother Leopard, lowered her head, not daring to look directly at Brother Leopard.

Several brawny men behind Leopard directly surrounded Chang Weiwei and laughed lustfully.

Brother Leopard said even more: "Look up."

Chang Weiwei bit his lip and raised his head. Because he was too scared, his eyes were watery and tears would burst into his eyes at any time.

After seeing Chang Weiwei's face, Leopard's eyes lit up: "Hahaha! Not bad! This girl is not bad!"

The burly men behind him also laughed, rubbing their hands, looking impatient.

Brother Leopard waved his hand: "It's you, come in and give us a massage!"

Even a fool could tell the color of Brother Leopard's face, he didn't let Chang Weiwei give him a massage!

Everyone knows what will happen after entering!

Chang Weiwei was very scared, she shook her head: "Brother Leopard, I am a financial officer, not a technician..."

Hearing this, Leopard's face turned cold: "I **** care if you are a financial or a technician! Leopard brother I am fond of women, and none of them dare to say nothing!"

"Come in!"

Brother Leopard pointed to the door of the massage room and looked at Chang Weiwei coldly.

Chang Weiwei was so frightened and sobbed softly, tears falling drop by drop.

Chang Weiwei didn't dare to go in.

She knew what she would end up with after entering.

There is only one end, that is...

"Don't come in, are you? Little girl, Leopard brother, I tell you, if you don't follow me today, I will burn your house tomorrow!"

"Don't even think about finances! Brother Leopard gave an order, and no company on the island will take you in!"

Leopard brother's tone is very rampant.

He is the subordinate of the famous black force Kun on the island.

The commercial predators on the entire island also have to give him three points of thin noodles.

It's just a female financial officer, and he can play if he wants.

At this moment, the manager of Jinshuige hurried over. This one is the manager of the finance department and his name is Wang Gang.

"Oh, Brother Leopard, what made you angry? Tell Xiao Gang." Wang Gang showed a pleased smile.

Brother Leopard saw Wang Gang with a look of disdain, and patted Wang Gang's face: "You, the finance manager, don't want to do it, do you? Believe it or not, I call Liu Qiao and let you go away now?"

Chapter 462: My Woman

Chapter 462: My Woman

When Wang Gang heard the words, he was sweating.

This Leopard has a certain influence on the island, even if his boss Liu Qiao sees Leopard, he has to please.

If he wants to fire himself, it is really just a phone call.

Thinking of this, Wang Gang nodded and bowed his waist and said, "Brother Leopard, who made you unhappy, tell Xiao Gang."

Hearing this, Leopard looked at Chang Weiwei with a squint, meaning it was self-evident.

And Wang Gang is also a good man, he could tell at a glance what Brother Leopard wanted to do.

He is after Chang Weiwei!

At that time, Wang Gang looked at Chang Weiwei and said rather solemnly: "Chang Weiwei, go and click for Brother Leopard."

Chang Weiwei looked at Wang Gang with a grieved expression: "Manager Wang, but I don't know how to massage..."

Manager Wang is Chang Weiwei's immediate boss. As the saying goes, officials are crushed to death. What Wang Gang said is an order for Chang Weiwei.

"No?" Wang Gang sneered, "No, can't you learn? What do we do near the water pavilion for raising you? It is for you to serve the guests!"

"Now go and give Brother Leopard a massage! It's an honor for Brother Leopard to see you!"

Manager Wang reprimanded for a while, giving Chang Weiwei no chance to refute.

In his opinion, Chang Weiwei is just an ordinary girl, even if it is ruined by Brother Leopard, what about it?

It is also her honor to be ruined by Brother Leopard!

Brother Leopard was already a little impatient at this time: "Fuck, pretend to be pure, right?"

At that time, Brother Leopard stretched out his hand, and the burly brother behind him handed Brother Leopard a stack of red banknotes, which seemed to be about 30,000 yuan.

Brother Leopard threw the 30,000 yuan directly on Chang Weiwei's face.

With a click, thirty thousand yuan fell to the ground.

"Don't you want money? What do you pretend to be? Is this money enough for you to serve Brother Leopard and me?" Brother Leopard sneered with his arms.

There is no woman in the world who doesn't love money. Brother Leopard believes that Chang Weiwei will label herself as soon as her money is out!

And Chang Weiwei stopped sobbing at this time, her face turned cold, she raised her head and glanced at Brother Leopard and Manager Wang.

"Sorry, I'm the finance, not the miss!" Chang Weiwei said coldly.

Chang Weiwei suddenly frustrated, Manager Wang was furious!

Offended Brother Leopard, he can no longer be a manager!

"Presumptuous! How do you talk to Brother Leopard? Do you want to do it?" Wang Gang pointed to Chang Weiwei's nose and said angrily.

Chang Weiwei glanced at Wang Gang coldly, threw down the file in his hand, and said, "I'm not doing it!"

Although Chang Weiwei has just come out of university, she is also a very spine girl.

It is impossible for her to exchange money with her body!

At that time, Chang Weiwei turned and left.

Seeing this scene, Leopard brother also sneered: "Hehe, just leave if you want?"

At that time, Brother Leopard waved his hand, and his men readily understood.

Several burly men directly surrounded Chang Weiwei, leaving Chang Weiwei with nowhere to go!

“Want to leave? Did you get my consent from Brother Leopard?” Brother Leopard came to Chang Weiwei’s face holding his arms.

“Don’t eat soft and hard, right? You have the backbone, bring me in!”

Leopard gave an order, and several burly men laughed wretchedly, and several people directly took Chang Weiwei and walked into the massage room.

They are going to be strong!

Chang Weiwei panicked at the time, she was just a little girl after all, and she had never seen such a fierce scene.

Several big men dragged her into a dark room, and Chang Weiwei was so scared that she cried.

I saw Chang Weiwei struggling hard and slapped the brawny men with his own hands, but all this was useless.

Manager Wang on the side looked at him with his arms folded, without saying a word, even he was still smiling happily.

Yes, he also liked Chang Weiwei, but Chang Weiwei always pretended not to understand his hints and rejected him as the manager.

Now, Brother Leopard is interested in you, I see how you pretend to be high!

After today, you are a bitch!

And Chang Weiwei’s face was filled with despair. Before being dragged into the massage room, Chang Weiwei saw someone.

She is very familiar with this person, he is Lin Kai!

Lin Kai took the mop and stood behind her.

Chang Weiwei cast an imploring look at Lin Kai. She hoped that Lin Kai could help her, and now only Lin Kai could help her.

And is Lin Kaifa a person who has not saved him? Even if there is no task, Lin Kai will do it!

Because Lin Kai is a soldier of China!

At that time, Lin Kai directly grabbed the brawny hand holding Chang Weiwei.

“My woman, do you dare to move?” Lin Kai asked coldly.

When Lin Kai spoke, everyone looked at Lin Kai. After seeing Lin Kai, they were obviously taken aback.

Lin Kai was wearing the work clothes of Jinshui Pavilion, and he was holding a mop in his hand. He looked like an employee of Jinshui Pavilion.

And he actually dared to care about Brother Leopard? You know, Leopard is in Jinshui Pavilion, that's a tyrant!

Regarding the matter of Brother Leopard, that is simply looking for death!

Brother Leopard narrowed his eyes and looked at Manager Wang with a look of dissatisfaction.

Wang Gang also looked at Lin Kai. He naturally knew Lin Kai's thorn head. Lin Kai's thorn head hit another manager as soon as he arrived at Jinshui Pavilion.

But Wang Gang is not afraid of Lin Kai!

Liu Qiao's poor relative is nothing more. Even if Liu Qiao is here, he must be respectful to Brother Leopard. Besides, Lin Kai is just a poor relative of hers?

“Lin Kai, are you **** looking for death, right? You dare to take care of Brother Leopard?”

At that time, Wang Gang said coldly.

Several brawny men looked at Lin Kai with ugly expressions, and they were ready to do it!

Lin Kai glanced at Wang Gang and said coldly: “You look like a dog, but a pig and a dog. A scum like you is not worth living!”

“Do you deserve to be this manager.”

“I don't deserve it, I don't need you to care about it!”

“Brother Leopard, you are dead!”

Manager Wang sneered and took two steps back.

Brother Leopard looked at Lin Kai coldly and waved his hand directly: “Hit me!”

Following Brother Leopard's order, several burly men flew towards Lin Kai, and their powerful fists rushed directly to Lin Kai's face.

Lin Kai faced these burly men without any fear, and saw Lin Kai guarding Chang Weiwei behind him, and punched the burly man in front of him in the chest!

And the burly man's disdain, Lin Kai looks so thin, how much power can he have?

What if I was punched by him? Could it be that he could kill me?

boom!

With a muffled sound, Lin Kai punched the burly man's body, but in an instant, the burly man's eyes widened!

The body instantly turned into a shrimp-like shape, and a mouthful of blood came out!

"puff!"

The burly man's body was beaten by Lin Kai more than three meters away and fell to the ground, reluctant to live or die.

Chapter 463

With just one punch, Lin Kai eliminated a strong man.

The others were taken aback, but they did not hesitate to pounce on Lin Kai!

Lin Kai turned around and sneered.

brush!

Seeing a dark shadow flashed past, Lin Kai caught a burly man!

The burly man didn't wear a shirt, but Lin Kai grabbed his muscles directly, grinning in pain.

Afterwards, Lin Kai punched his stomach with a punch.

He only heard a pop, and the strong man vomited a big mouthful of blood, clutching his stomach, and fell to the ground, motionless.

Lin Kai's power is too domineering, these brawny men weighing 100 kilograms can't resist Lin Kai's punch!

Bang!

At this moment, only saw a stool explode on Lin Kai's head, and Chang Weiwei couldn't help but exclaimed.

That's a solid wood stool! Lin Kai would surely bleed when a stool fell!

But Lin Kai turned his head and glanced at the man coldly.

Lin Kai didn't even lose a strand of hair!

And the burly man took a step back subconsciously.

"Fuck you!" Lin Kai cursed, and kicked it.

The brawny man couldn't react at the speed of Lin Kai, and he was kicked several meters away!

Just a few breaths, the younger brothers behind Brother Leopard were all brought down by Lin Kai.

And Leopard looked at Lin Kai stupidly.

He was stunned, how could this kid fight so much? How many brothers of your own were actually brought down by him so easily?

Although Leopard was surprised, he was not afraid.

Because he can mix under the hands of Brother Kun for such a long time, and still mix up to the level of Big Brother, he also has two brushes in his hand.

Leopard brother is also a practicing family.

He once studied art in Shaolin Temple and learned the iron cloth shirt of Shaolin Temple. Over the years, he has been practicing diligently. His iron cloth shirt has reached the state of perfection.

At that time, Brother Leopard squeezed his hands and made a crackling sound.

"Boy, can you fight, right? Brother Leopard will open your eyes today and let you see what a real iron shirt is!"

After that, Brother Leopard strode down with a horse step, waved his hands in the air a few times, took a deep breath, and pushed his hands out!

“what!”

Brother Leopard yelled, and saw that his muscles were high and bulging, looking full of explosive power.

“Come on! I will give you a punch!”

Lin Kai tilted his head and looked at Brother Leopard, as if looking at a fool.

At that time, Lin Kai punched casually and screamed, Lin Kai’s punch directly hit Brother Leopard’s chest!

And Leopard’s face turned white, a mouthful of blood spurted out, and at the same time, his body also flew upside down!

Flew directly more than five meters away, fell to the ground, struggled a few times, and fainted.

Brother Leopard’s iron shirt was like a joke in front of Lin Kai.

Brother Leopard and his men were all brought down by Lin Kai alone.

And Chang Weiwei also stared at Lin Kai blankly. Lin Kai had rescued her twice.

A hero who saves the United States will indeed give girls a good impression. In addition, Lin Kai is also handsome. At that time, Chang Weiwei felt like a little deer bumping into it.

There seemed to be peach blossoms in his eyes.

Looking at Manager Wang next to him, Wang Gang was already dumbfounded.

Yesterday, he heard that a newcomer could fight several times. He still didn’t believe it, but now after watching Lin Kai’s performance, he believes it.

Fighting a few at a time was like playing, and even a master like Leopard was knocked down by his punch!

This kid is a ruthless character!

I was so disrespectful to him just now, this kid wouldn’t beat me, right?

Wang Gang thought, his legs trembled.

But he looked at himself too highly, Lin Kai was not interested in him at all, did not even look at him.

Lin Kai looked at Chang Weiwei with great concern: "Weiwei, are you okay?"

When Lin Kai called Weiwei, Chang Weiwei's heart jumped suddenly, and her face turned red slightly, she shook her head.

"It's okay, Lin Kai, thank you, I must invite you to dinner after get off work at night!" Chang Weiwei looked at Lin Kai gratefully, with a trace of worship in his eyes.

Lin Kai laughed and helped Chang Weiwei twice. She invited herself to dinner. If she didn't go, she would be embarrassed.

Just about to agree, Lin Kai received a text message from Liu Qiao.

Taking out his mobile phone, Liu Qiao actually asked Lin Kai to go back for dinner.

Lin Kai was quite surprised. Don't the Liu family hate him? Why are you going home to eat by yourself now?

Maybe it was his grandmother who pleaded.

"I have something today, tomorrow, I will invite you tomorrow." Lin Kai laughed.

Hearing this, Chang Weiwei nodded rather disappointed: "All right then."

"If this kid dares to retaliate against you in the future, call me and I will help you clean up this group of scum." Lin Kaiyang smiled.

Chang Weiwei wiped his tears and smiled: "Okay."

Then, Lin Kai glanced at Wang Gang coldly.

"Don't you go to mop the floor?"

After hearing Lin Kai's words, Wang Gang did not dare to refute, and nodded repeatedly: "Yes, yes..."

Then, Leopard brothers were sent to the hospital.

Chang Weiwei did not resign and continued to work in Jinshuige.

It's just that Chang Weiwei knew that his life might be in danger in these two days.

After all, that's Brother Leopard!

After finishing get off work at night, Lin Kai stood at the gate of Jinshui Pavilion with a smug smile on his face.

“The upgrade points and attribute points are added really fast!”

Just now, Lin Kai rescued Chang Weiwei and added 30 upgrade points and 30 attribute points to Lin Kai.

For this task, it is simply a welfare. You can get upgrade points and attribute points if you do good deeds.

correct.

Suddenly, Lin Kai's eyes lit up. He taught that a **** can get so many upgrade points and attribute points. What if he does charity?

Donate money!

With so much money, donating a billion, wouldn't it be possible to get countless attribute points?

good idea!

At that time, Lin Kai couldn't wait to take a taxi, and he wanted to go back to Liu's house to discuss with his grandmother.

Grandma must know a lot of big people on the island. When that happens, she will find a trustworthy charity organization and donate one billion!

After half an hour, Lin Kai returned to Liu's house.

Entering the quaint Liu family and smelling the scent of Chinese medicine will give people a feeling of returning to ancient times.

In the restaurant, everyone in the Liu family is dining.

There is a very nutritious dinner on the mahogany table.

Stir-fried vegetables, scrambled eggs with tomatoes, hairy crabs, beef stew with potatoes.

They are all home cooking.

After seeing Lin Kai appear, the whole restaurant immediately fell silent.

Lin Kai saw that everyone was looking at him, except for grandma, everyone looked at him with unkind eyes.

“Yeah, the big man is back?”

Chapter 464: Brother Leopard You Dare To Fight?

Chapter 464: Brother Leopard, Do You Dare To Fight?

Liu Qiao put down his chopsticks and hugged his arms, looking like he didn't want to see Lin Kai.

Lin Kai's eldest uncle and second uncle also all looked bad.

Not to mention Liu Futong, it looks like he can't wait for Lin Kai to die!

Only Grandma Liu looked at Lin Kai amiably.

“Xiaokai is here? Hurry up and sit next to my grandma. Let me taste the hairy crabs my grandma made by myself today.” Grandma Liu said happily.

Lin Kai also smiled and sat beside her grandma.

As soon as Lin Kai sat down, Liu Qiao smiled disdainfully: “Haha, Mom, don't treat Lin Kai as a baby.”

“When Lin Kai came to our Liu family, he came empty-handed!”

“I just want to come to our Liu family to eat and drink, don't be too enthusiastic, be careful of your hot face and cold butt!”

After listening to Liu Qiao's words, Lin Kai also rubbed his nose in embarrassment.

When he came, he was angry at Ye Nantian's affairs, so Lin Kai did not expect to bring gifts.

Thinking about it now, it's really not appropriate to come to Liu's house empty-handed.

Go and buy some gifts for grandma tomorrow.

Grandma Liu waved her hand: “Hey, it's all a family, what gift do you want?”

“Humph!” Liu Qiao snorted coldly.

At this time, Liu Futong didn't look at Lin Kai, and asked casually, “Lin Kai, how did you do in Xiaogiao? Didn't cause trouble for our Liu family?”

Lin Kai shook his head and said, "No, I just tried to teach a gangster."

Liu Futong sneered when he heard the words, "Haha, Lin Kai, I'm out of the house, it's better not to be nosy."

"Although the other party is a little gangster in your eyes, don't you understand that the dragon will not crush the snake?"

"Not to mention you are not a strong dragon."

Liu Futong directly began to educate Lin Kailai.

Lin Kai did not talk back when he ate the food. No matter what, Liu Futong was an elder, so just say a few words.

At this moment, Lin Kai's uncle Liu Qiang disdainfully smiled and said, "Hehe, father, why do you tell him so much?"

"What's the position of our Liu family on the island? Isn't it just teaching a little bastard? Just mention the name of our Liu family, the other party will definitely be scared!"

When Liu Futong heard this, his face was ruddy, and he nodded: "Yes, our Liu family is the first medical family on the island, with hundreds of apprentices and an annual income of over one billion. Who dares to provoke the Liu family?"

Having said that, Liu Futong glanced at Lin Kai: "Forget the light of our Liu family, on the island, mention our Liu family, few people dare to move you!"

Liu Futong looked proud.

The Liu family does have a certain status in the island.

After all, it is the first medical family.

Liu Futong's medical skills are also known as the No. 1 Chinese Medicine in the island.

Has the title of Liu Yishen.

Who hasn't been born, old, sick or died? Therefore, the many big bosses on the island are quite polite to Liu Futong.

Although the Liu family is not so powerful.

One billion small families.

As for the Lin Family, it is now a 300 billion family!

The first family in Jiangbei!

At that time, the Liu family was greedy for hundreds of billions of property of the Lin family, and only then asked for half of the Lin family's shares.

Lin Ting rejected it mercilessly. After that, the two families didn't deal with it.

After Lin Kai's mother returned to Liu's house, Liu Futong didn't have a good face, so Lin Kai's mother didn't come back often.

Liu Futong was bragging there, and Lin Kai didn't bother him.

While eating, Liu Qiao's phone rang suddenly.

I took out my mobile phone and saw the word "Wang Gang" written on the phone screen.

"Hey?"

"what?"

"I know."

After Liu Qiao hung up the phone, his face changed from ruddy to iron blue, his brows furrowed, and his eyes fixed on Lin Kai.

If his eyes could kill, Lin Kai would have died a thousand times!

Liu Qiao looked at Lin Kai as if he could eat people!

boom!

Liu Qiao slapped the table, and the plates on the table shook up.

"Lin Kai!"

"You trash!"

"You actually beat Brother Leopard?"

"Do you want to die?"

Liu Qiao almost roared.

When Liu Futong and the others heard it, their expressions changed drastically. Lin Kai actually beat Brother Leopard?

Lin Kai's uncle Liu Qiang also stood up, and asked in disbelief, "Brother Leopard? Is it the Brother Leopard under Brother Kun?"

Liu Qiao looked ugly and nodded: "Yes, that's the leopard brother."

After listening to Liu Qiao's words, Liu Qiang's body softened and he collapsed directly on the seat.

Lin Kai's second uncle, Liu Yong, was also angry at this time: "Lin Kai! You **** came here to harm our Liu family, right?"

"Even Brother Leopard, do you dare to fight?"

"Do you know who Leopard Brother is?"

"Brother Leopard is Kun's subordinate!"

"Brother Kun is the number one ruthless person on the island! His younger brother has eight hundred without one thousand. With the order of Brother Kun, the entire Liu family will be destroyed!"

"Did you **** beat Brother Leopard? Brother Leopard is your little bastard?"

Liu Yong was almost trembling with anger.

"If you **** want to die, don't hurt our Liu family!"

Almost all of the family were mad.

Lin Kai put down the chopsticks in his hand at this time, frowning and said: "That Leopard brother, I have to deal with a financial accountant in the Jinshui Pavilion, I can't stand it before I do it."

"Isn't it your responsibility to be the boss to protect your own employees?"

"What's wrong with me punishing evil and promoting good? I hit bad guys!"

"Besides, I'm Lin Kai fights the people, what does it have to do with you?"

After Lin Kai said, everyone laughed, and Lin Kai laughed angrily.

Liu Qiao looked at Lin Kai coldly, with an akimbo: "Punish evil and promote good? Who do you think you are? Are you Ji Gong reborn?"

"Do you think that you are the youngest of the Lin family, and that you are so awesome that no one in the world can offend you?"

“You want to hit whoever you see?”

“Here, no one is used to you! If Brother Leopard wants to kill you, it’s as easy as pinching an ant!”

“You are the one who played well, but you are a relative of our Liu family. Brother Kun will definitely settle the account with our Liu family!”

“Protect employees? Just a woman, even if she is killed by Brother Leopard, she deserves it!”

“What **** employees, my old lady is rich, there are as many employees as I want!”

“They are not people in my eyes, they are all dogs!”

“Dog is dead, will I be sad?”

Liu Qiao, who was furious, spoke very ugly.

Liu Qiang thought for a while and said, “Since the matter has happened, I suggest that you tie Lin Kai directly and send it to Brother Kun!”

“We must not let Lin Kai get involved in our Liu family!”

Liu Yong also nodded in agreement: “Yes, tie up this waste! In our Liu family, he is a scourge!”

Grandma Liu saw that her family was about to tie Lin Kai, she was anxious at that time, she stood up: “Don’t be rough, if you have something to say, Xiao Kai is also our own family!”

Hearing this, Liu Qiao akimbo, disdainfully said: “My family? Who is with his own family? This kind of uselessness will only lay waste and eat the old, I don’t have such relatives, and I feel ashamed to say it!”

Chapter 465: Killer

Chapter 465: Killer

Liu Qiao’s words are very ugly.

Grandma Liu smiled helplessly. She wanted to protect Lin Kai, but she didn’t dare to offend her venomous daughter.

No way, she could only watch Lin Kai being insulted by Liu Qiao.

Lin Kaikai lowered the chopsticks in his hand, his face pale.

“My own business, you don’t need to care about it.”

After that, Lin Kai stood up and walked straight out of the restaurant.

Seeing Lin Kai leaving, Liu Qiao rolled his eyes and cut his voice: “Cut, the big man is just so big? Is he not willing to say a few words about him?”

Liu Qiang on the side sneered: “Hehe, a stinky little guy, no matter if he leaves, Brother Kun from the province finds our Liu family.”

All of them smiled gleefully.

Lin Ting, Lin Ting, your son is in serious trouble!

When Brother Kun gets angry, your son will never get out of the island! At that time, there will be no hundreds of millions. Don’t think that your son will return to Jiangbei safely.

Brother Kun is not a fuel-efficient lamp.

Lin Kai clenched his fists and left Liu’s house. At the dinner table, Lin Kai couldn’t help but want to break out several times, but he still endured it.

He told himself that it was his grandma’s family and his mother’s relatives, and he could not be disrespectful to them.

But Lin Kai told himself from the heart that he would never return to Liu’s house!

They don’t see themselves as their own people at all, and even see themselves as enemies.

It’s just because my father refused to give them half of the company’s shares.

Is it wrong for Dad to reject them? The company is its own, that is, you are your maiden family. Why do we divide the hundreds of billions of assets into half of you?

Lin Kaiwo left Liu’s house with a stomachache.

After leaving Liu’s house, it was getting late. Walking on the road, Lin Kai planned to rent a house and survive this month.

Suddenly, Lin Kai narrowed his eyes, and he saw a man in the alley ahead, secretly looking at himself.

Lin Kai's vigilance was very high. The man pretended to be walking, but he kept his eyes fixed on him, and there was a murderous intent in his eyes.

Is the revenge coming so quickly?

Lin Kai smiled disdainfully, just a few punks, and wanted to embarrass him?

Lin Kai walked straight over, assuming he hadn't seen it.

Sure enough, when Lin Kai walked in front of the alley, several people in black suddenly flashed out of the alley.

With a dagger in his hand, the man in black hit Lin Kai's hand!

Several people rushed towards Lin Kai in different directions, with the bright dagger in their hands, they wanted Lin Kai's life!

They all wore masks, and their eyes revealed killing intent. These people are all professional killers!

Lin Kai stood still, motionless, looking at these people with a mocking expression.

There was a sound of patter, and the daggers of these people were all broken, and sparks were even sparked on Lin Kai's body!

In the eyes of several people in black, surprised eyes appeared at the same time.

Broken dagger?

Could this kid wear iron armor?

Before he could think about it, Lin Kai pinched a man in black by the neck with one hand and lifted him up!

That man in black weighs one hundred and eighty catties! But Lin Kai just picked it up just like carrying a little chicken!

The other people in black took a few steps back subconsciously. They knew that they had encountered hard stubble.

"Say, who sent you here?" Lin Kai asked coldly.

The man in black who was caught by Lin Kai was struggling frantically and beat Lin Kai's arm, but he found that Lin Kai's arm seemed to be a mechanical arm, and did not react at all!

At this time, the other people in black also reacted.

They are worthy of being professional killers. Seeing that the dagger is useless, they immediately took out the pistol from their arms!

It was a small-caliber pistol with a silencer installed on it. Several people did not hesitate and fired directly at Lin!

Puff puff

There was a muffled sound, and several bullets hit Lin Kai's body.

But the bullets were all bounced off, and Lin Kai didn't even move.

With cold eyes, Lin Kai slapped the man in black on the wall!

The wall was shocked, and the man in black slowly slipped off the wall, only to see a human-shaped blood stain on the wall.

Afterwards, Lin Kai looked at the other men in black.

The other people in black were dumbfounded at this time.

Even the pistol is useless to Lin Kai!

Bullets can be bounced off Lin Kai's forehead!

At this time, they began to wonder if the gun in their hand was a toy gun.

"run!"

Fleeing, this was the first thought in their minds. The opponent was so weird. They were not even afraid of a pistol. They couldn't figure out whether the opponent was a ghost or a human.

Several people scattered and ran away, but how could Lin Kai let them escape?

Lin Kai picked up a brick from the ground and threw it out casually. With a bang, a man in black was directly hit in the back of the head by the brick and knocked to the ground.

Afterwards, Lin Kai rushed out, bursting out with the speed of a cheetah!

A man in black only felt a gust of wind coming from his ear, so he took a punch from Lin Kai and fell to the ground, his head instantly becoming dizzy.

The last man in black, after being overtaken by Lin Kai, punched him several meters away!

Four professional killers were defeated by Lin Kai alone!

Soon after, they were piled up at the entrance of the alley. Lin Kai confiscated their pistols and pointed a pistol at the head of one of the men in black.

“Who sent you?” Lin Kai asked, narrowing his eyes.

There were tangled gazes in the eyes of the man in black.

He is also afraid of death!

But he didn't dare to expose his boss's information, and being known by his boss would be a death!

Lin Kai smiled when he saw that he didn't speak, “Oh, I know if you don't tell me, is it that Brother Kun sent you?”

The four men in black glanced at each other, which was regarded as acquiescence.

“Take me to see him.” Lin Kai said coldly again.

“If you don't agree, I will send you to the west now!”

After Lin Kai said these words, the eyes of the four men in black clearly showed fear, and they began to shake their thoughts.

Don't take him to see Brother Kun, they are all dead now!

Seeing that they didn't speak, Lin Kai directly turned off the pistol insurance and started shooting.

“Don't don't!”

Finally, the man in black spoke: “I will take you to see Brother Kun.”

“Let's go!” Lin Kai picked up the man, and the others followed and walked deep into the alley.

Deep in the alley, there was a white van. This was their car. Lin Kai followed them into the van. They took Lin Kai to see Brother Kun.

...

Half an hour later, at the gate of a seaside villa on the island, the white van stopped.

This large villa facing the sea, plus the yard, occupies a total area of 3,000 square meters. This is the most ruthless man in the island city, the nest of Brother Kun!

Chapter 466: Wang Kun

Chapter 466

In the luxurious seaside villa, the decoration is extremely luxurious, leather sofas, crystal chandeliers, the whole villa is filled with the smell of money.

In the living room, I saw Brother Leopard wearing a bandage on his chest, standing in front of a middle-aged man very depressed.

The middle-aged man was shirtless, with a tattoo on his upper body, and a pair of black shorts on his lower body, with a fist belt tied to his fist.

He has strong muscles, full of explosive power, a face with Chinese characters, a cold complexion, and a scar on his forehead.

He is the brother Kun who made the entire island frightened.

Brother Kun, born and named Wang Kun, a native of the island, is an orphan. He was a gangster when he was a child. Because of his tough hands and a strong sense of loyalty, he quickly made some achievements on the island.

By now, Wang Kun is already the underground master of the island!

I saw Wang Kun constantly waving his fists in the living room, Wang Kun is a Muay Thai master!

His master is the master of Muay Thai!

boom!

I saw Wang Kun hit the wooden stake with a fist, and the wooden stake with the waist of a man made a creak, as if he couldn't bear Wang Kun's tremendous strength!

Brother Leopard stood aside, afraid to speak.

After playing Muay Thai, Wang Kun wiped off his sweat with a towel, sat on the sofa, and took a sip of Coke.

"Lin Kai, I have sent someone to solve it." Wang Kun said lightly.

Leopard nodded cautiously: "Thank you Kun..."

boom!

As soon as Brother Leopard said these words, Wang Kun stood up and punched him directly!

This punch knocked Brother Leopard directly to the ground, with a mouthful of blood spurted out, and two teeth were mixed in the blood.

"Brother Kun..." Brother Leopard received a punch, but did not dare to get angry.

"You can't beat a 19-year-old kid, shameful!" Brother Kun said coldly.

"Yes..." Brother Leopard stood up from the ground, lowered his head, not daring to refute.

Bang bang bang!

At this moment, only a knock on the door was heard.

Brother Leopard and Wang Kunqi looked at the door of the villa.

Around Wang Kun's villa, there are more than one hundred savvy thugs who will only make phone calls when they have problems and will never knock on the door.

No one dared knock on Brother Kun's door!

"Who?" Brother Kun narrowed his eyes.

Click!

The door of the villa was opened, and only a few people were kicked in.

These people, dressed in black and in a mess, had their masks torn off. These people were the ones that Wang Kun sent to assassinate Lin Kai!

Wang Kun looked at the door of the villa warily.

I saw a young man walking in from outside the villa with his hands in his pockets.

The person here is handsome, tall, with smooth skin like a girl's, and a cynical smile on his mouth.

The person here is Lin Kai!

“Just send these rice buckets and want to assassinate me?”

With a crash, several silenced pistols were thrown to the ground by Lin Kai.

And the assassins stood up quickly at this time, stood in front of Brother Kun, bowed their heads, blushed, and said nothing.

Brother Kun looked at the group of killers in front of him, and did not respond for a long time.

What’s happening here? The killer sent out by himself failed the assassination?

You know, the people that Brother Kun wants to kill rarely survive!

The opponent was just a 19-year-old boy, four professional assassins with guns, didn’t even kill such a kid?

Even if the assassination fails, Wang Kun can understand it, but what does Lin Kai mean to find Wang Kun’s lair?

Is it possible that he still wanted to ask him why Wang Kun assassinated him?

For a while, Wang Kun was a little confused about Lin Kai’s brain circuit.

When Brother Leopard saw Lin Kai, his eyes were red.

After brushing it, Brother Leopard stood up directly: “You **** dare to come?”

It can be said that the enemy was extremely jealous when they met, and Brother Leopard clenched his fist, it was because of Lin Kai that he was scolded by his boss!

Lin Kaixie smiled, “Heh, why don’t I dare to come? If you dare to send a killer, I dare to let you understand what cruelty is!”

When Wang Kun heard this, he sneered: “Hehe, you are my Wang Kun’s lair. Is it where you come from when you say it?”

Happiness!

After saying this, Wang Kun patted his hands.

Around this villa, there are Wang Kun’s hundreds of elite men, who are all savvy thugs who have seen blood!

So many people want to kill a Lin Kai, wouldn’t it be possible to catch him?

But under his three applause, no one rushed in from the door.

Wang Kun's face turned dark, and he clapped his hands again.

Happiness!

There were three more applauses, but still no one rushed in from the door.

This time, Wang Kun was angry: "You guys! Can't you come in soon?"

Still no one came in.

Lin Kai smiled slightly, and saw Lin Kai opened the door of the villa and asked, "Are you calling them?"

Wang Kun and Leopard both looked outside the villa, and they were shocked after seeing the scene outside the villa!

In the courtyard outside the villa, people in black with socks in their mouths were thrown on the ground.

There are hundreds of people!

These people twisted their bodies, making no sound, and their hands and feet were tied with ropes.

These people in black are all Wang Kun's subordinates, more than a hundred people, and these more than one hundred people are piled into a mountain of people!

After seeing this scene, Wang Kun's eyes almost came out.

How did Lin Kai do it?

In silence, he put down all of his more than one hundred trumpeters and tied them all up.

Could he be a god?

Or is he not here alone?

The four killers who had been captured by Lin Kai did not dare to look at Lin Kai at all.

Because they saw with their own eyes how Lin Kai solved these thugs.

Lin Kai's speed, like a ghost, punches very hard, one punch can knock one person down!

Lin Kai defeated all of these more than 100 people without any effort!

They helped Lin Kai find the ropes.

Too strong, too abnormal, in front of Lin Kai, they didn't even have the desire to escape.

Because they know that they can't run away at all!

Wang Kun's face changed drastically. He knew that he had encountered hard stubble today!

"Aren't you here alone?" Wang Kun asked, squinting.

He didn't believe that Lin Kai came alone, and that one person could bring down more than a hundred of his subordinates silently?

Lin Kai must have come prepared!

Lin Kai hugged his arms: "I came alone!"

"Wang Kun, I will give you two choices now!"

"The first choice, surrender me."

"The second choice, I will let you go to see Wang Ye!"

"Those who want me to die, either choose to submit to me or die!"

A coldness appeared in Lin Kai's eyes.

Those who want him to die, must pay a painful price!

Upon hearing this, Wang Kun stood up and moved his bones.

His Muay Thai was not learned for nothing!

"I choose the third one, you die!"

Chapter 467: Surrender Or Die

Chapter 467: Surrender or Die

A person?

Wang Kun walked over on other people's corpses for so many years.

His strength should not be underestimated.

If Lin Kai really came alone, Wang Kun would not be afraid!

Because Wang Kun has confidence in his own strength.

His master is a Muay Thai master!

His Wang Kun's skill is no less than a special soldier!

When Lin Kai saw this, he also smiled: "I advise you not to be rough with me, this is stupid."

Wang Kun looked confident. He tightened his fist belt and sneered: "Haha, it is your honor to die in my hands."

Muay Thai is a very aggressive boxing method, and Muay Thai is very practical.

The main attack methods of Muay Thai are elbows and knees.

Wang Kun walked towards Lin Kai with a confident look. Gradually, he started to run, and finally he started to run wildly!

Seeing Wang Kun jumped in place, the whole thing seemed to be flying, his jumping ability was amazing!

Afterwards, his knees rushed towards Lin Kai's face, a good way to press the mountain on the top!

Lin Kai narrowed his eyes without fear. He tilted his head and laughed out loud: "Heh, Lin Kai is better than me in jumping ability?"

After that, I saw Lin Kai suddenly bend over, and then his body suddenly relaxed like a tight spring, and bounced directly into the air!

Jumping ability, in fact, is to see whether the muscles in the thighs burst out strong or not.

Lin Kai's strength is undoubtedly very abnormal.

In the air, Lin Kai flew directly above Wang Kun's head, and Wang Kun raised his head with a look of surprise on his face.

Then, with a bang, Lin Kai directly pinched Wang Kun's neck, and then threw Wang Kun out of the air!

Wang Kun's body, like a kite with a broken string, flew out of the sky.

Crackling!

I saw Wang Kun's body smashed into countless pieces of furniture, and finally fell to the corner. His body was covered with wounds, and there were many glass fragments stuck on his body.

Wang Kun struggled twice and tried to stand up, but he was seriously injured and couldn't stand up at all!

"Wow..." A mouthful of blood was spit out, and Wang Kun was already seriously injured.

Wang Kun raised his head to look at Xiang Lin Kai, his eyes full of fear.

so horrible!

Is that jumping power that people can possess? There is no one in the NBA with better jumping ability than Lin Kai, right?

No wonder he can clean up more than a hundred of his subordinates silently.

He is really capable!

Brother Leopard saw that Wang Kun had been beaten, his legs trembled and he almost knelt on the ground.

What kind of pervert is this kid?

This is too tough, right?

Even a top player like Wang Kun couldn't do a good job in his hands, no wonder the four killers failed.

Lin Kai put his hands in his pockets and walked towards Wang Kun step by step.

Wang Kun bit his lip and looked at Lin Kai's eyes, only hatred and unwillingness!

Why did Wang Kun get into his current state? Relying on a ruthless spirit!

And now, he met a man who was worse than him, a man who dared to hit his lair!

Wang Kun was naturally dissatisfied. Over the years, he has become accustomed to being a big brother and has never had the habit of bowing his head to admit defeat.

Even if he fails, he is not reconciled!

Lin Kai stood in front of Wang Kun and looked down at Wang Kun: "Now you can make a decision, whether to die or obey?"

Facing Lin Kai's question, Wang Kun looked at Lin Kai with a tangled look in his eyes.

obey? He is not convinced!

Not satisfied? He was also afraid of death.

To deceive Lin Kai, temporarily submissive? Although Wang Kun was cruel, he was a very upright person and he kept his promises.

For a while, he fell into entanglement.

Lin Kai looked at Wang Kun hesitated and smiled: "Ha ha, do you know the king tiger in Jinling City?"

"Wang Huo?" Wang Kun was obviously taken aback when he mentioned Wang Huo.

"I know." Wang Kun answered lightly.

"He went in, you should know that too?" Lin asked with a smile.

Tiger Wang went to jail. This is international news. Tiger Wang is the No. 1 bully in Jinling, and his status is similar to Wang Kun.

Although Wang Kun has nothing to do with Wang Huo, he knows that Wang Huo has been rectified.

But what did Lin Kai tell him about this?

"I know, what do you want to say?" Wang Kun asked Lin Kai coldly.

Lin joked: "Hehe, Tiger Wang was sentenced to life. He has done so many bad things. It must be the death penalty. Do you know why he was sentenced to life?"

After hearing what Lin Kai said, Wang Kun was stunned.

Could it be possible that he wanted to say that King Tigers downfall has something to do with him?

"Could it be...you did it?" Wang Kun asked a question that he thought was impossible.

But unexpectedly, Lin Kai nodded: "Yes, I did it. I still have an identity called Lin Wudi."

Wang Kun's eyes widened after hearing Lin Kai's words.

Lin Kai is Lin Wudi?

Wang Kun has also heard of Lin Wudi's name. It is rumored that Lin Wudi is Jinling is the number one master, but Lin Wudi is actually Lin Kai?

Isn't he a big young man from Jiangbei?

How did you become Jinling Master now?

Wang Kun is not stupid. Lin Kai can bring Wanghu down, which shows that he has the ability to bring himself down!

"What proof do you show?" Wang Kun asked with a black face.

Lin Kai smiled slightly and took out a certificate from his pocket: "Just rely on this, can you?"

After seeing the certificate, Wang Kun's face changed drastically!

Because that was Lin Kai's military certificate, and Lin Kai's military rank was lieutenant colonel!

No wonder, no wonder King Tiger fell from power, because he provoked a lieutenant colonel!

And if he didn't cooperate with Lin Kai, the ending would be the same as Wang Huo!

At that time, Wang Kun was so scared that his legs trembled.

I actually provoke a lieutenant colonel!

No wonder the four assassins were helpless with Lin Kai, but they were soldiers of the Huaxia Kingdom with rich combat experience!

At that time, Wang Kun clutched his chest and lowered his head decisively: "From today, you Lin Kai will be my boss!"

Wang Kun simply bowed his head.

Wang Kun can be so big, he is not a fool, Lin Kai's background is very hard, with him covering himself, he might be even stronger than before!

Lin Kai stood up and said, "When I use you in the future, I will call you. Starting today, I will wash away all the business in your hands. I will find out later that you will definitely not be able to eat! "

Needless to say, Lin Kai.

Although Wang Kun is the number one tyrant on the island, he also understands that his arms cannot be stretched out of his thighs, so he has washed his business for nothing many years ago.

Now, apart from raising more thugs, Wang Kun is no different from a serious businessman.

“Yes, boss.” Wang Kun said with a fist.

Lin Kai glanced at Wang Kun’s injuries. He also knew the truth of giving a sweet jujube with a stick. If he wanted to make him feel stubborn with himself, he had to let him taste the sweetness.

“Thai boxing is a good practice, but no matter how mighty you look, it can’t conceal the fact that you have a hidden illness in bed.”

Chapter 468: Invite To A Meal

Chapter 468

After hearing Lin Kai’s words, Wang Kunhu’s body was shocked.

His eyes widened and he stared at Lin Kai incredulously.

He does have a hidden illness in that area, which has always been Wang Kun’s greatest pain.

This has always been Wang Kun’s biggest secret, no one knows, except his woman.

But now, Lin Kai was shocking, almost scaring Wang Kun to death.

“How did you know?” Wang Kun asked with wide eyes.

Lin Kai put his hands in his pockets and glanced at Wang Kun: “I have been in the army with an old Chinese medicine practitioner. I can see your symptoms at a glance.”

Upon hearing this, Wang Kun gave a wry smile.

“Hehe, when I was seventeen or eighteen years old, I was fighting with others, and my lower body was injured and left behind.”

Wang Kun smiled helplessly. As a man, this was his biggest weakness.

Lin Kai could see that it was indeed amazing.

But Wang Kun didn't think Lin Kai could cure his hidden illness.

After all, I have seen the well-known doctors of Huaxia Kingdom for my hidden illness, and no doctor can cure it.

Lin Kai said lightly at this time: "It's just a small problem, I can treat it."

Hearing what Lin Kai said, Wang Kun was stunned at the time: "Huh?"

Wang Kun couldn't react, Lin Kai said he could cure his own problem?

At that time, Wang Kun felt that Lin Kai was joking: "Boss, are you kidding?"

Wang Kun gave a wry smile, thinking that Lin Kai was making fun of himself.

Lin Kai smiled faintly: "Hehe, do you think I'm joking?"

After all, Lin Kai said, "I will wait for my call tomorrow. I will prepare something and you can cure your hidden illness in one day."

After all, Lin Kai left Wang Kun's villa.

Wang Kun sat on the ground stupidly, after a long time, he suddenly smiled.

"Haha! Hahahaha!"

"I am finally going to be a man!"

Wang Kun was overjoyed!

His old problems for so many years, now there is finally hope that they can be cured!

Lin Kai gave him hope!

Now he only hopes that Lin Kai is really sure that he can cure his old problems. If Lin Kai can really cure him, even if he asks him Wang Kun to be a cow or horse for Lin Kai, he is willing.

After Lin Kai left Wang Kun's villa, he came to the island city, found a hotel at random, and stayed in.

The next day, Lin Kai went to work as usual.

In the evening, Lin Kai packed his clothes and was about to leave work.

Just walking to the gate of Jinshui Pavilion, a girl appeared in front of Lin Kai.

The girl wore a pair of short hot pants, and a pair of long white legs were exposed in front of Lin Kai.

This pair of beautiful legs is flawless, white, tender and smooth, with a pair of flesh-colored silk stockings, which make the beautiful legs whiter.

The upper body is a small sweater with a waist, and the dress is very avant-garde and sexy.

And her face is also very beautiful, the person here is Chang Weiwei.

After seeing Chang Weiwei, Lin Kai was obviously taken aback.

“Wei Wei?”

Standing in front of Lin Kai, Chang Weiwei felt a little embarrassed, because it was the first time she tried to wear such **** clothes.

I don't know why, Chang Weiwei actually wants to express himself in front of Lin Kai.

“Lin Kai, you saved me twice. I said yes I want to invite you to dinner. You must show your face today.” Chang Weiwei said with his hands behind his back.

Lin Kai couldn't laugh or cry after hearing this, “Okay, let's go then?”

“go.”

Anyway, after Lin Kai got off work, there was nothing to do, so he followed Chang Weiwei to a restaurant.

The environment of this restaurant is pretty good, with an average of 300 or 400 per capita. For a low-level laborer like Chang Weiwei with a monthly income of four or five thousand, spending three or four hundred to invite people to dinner is generous enough.

The two of them ate and talked, and they were very happy.

Chang Weiwei ordered four dishes and one soup, which were not cheap, and they totaled more than 500.

“Come! Lin Kai! To thank you, I, a girl who has never had a drink, toast you a glass!”

Chang Weiwei raised his glass and smiled.

Lin Kai raised his glass and clinked it with Chang Weiwei.

Chang Weiwei picked up the glass and drank it, very bold.

After drinking the red wine, there was a blush on Chang Weiwei's small face. Obviously, she was too strong to drink.

But she also had the bottom line, after drinking a cup, she stopped drinking.

The two were chatting happily, only to see a few young people wearing famous brands just passing by the dining table.

A girl looked at Chang Weiwei and said in surprise: "Weiwei?"

Lin Kai and Chang Weiwei looked at the men and women together. The girls looked about the same age as Chang Weiwei, and they were more exposed than Chang Weiwei.

But in terms of appearance, it is still much worse than Chang Weiwei.

With wavy hair and wearing a short skirt with suspenders, he looked at Chang Weiwei in surprise.

"Sister Yuan?" Chang Weiwei was also taken aback after seeing Li Yuan.

Li Yuan looked at Lin Kai, frowning, "Who is he?"

Chang Weiwei quickly explained: "He is my colleague."

"Colleagues? Can colleagues have dinner together? Do you do it, are you worthy of Zhang Shao?" Li Yuan scolded angrily.

Several young men and women wearing famous brands behind him also looked at Chang Weiwei with an unhappy expression.

Among them was a young man dressed in Adidas clothes and a Longines watch on his wrist. He frowned and looked at Lin Kai with an unhappy expression.

He is Shao Zhang as Li Yuan said.

Zhang Qiming.

When Chang Weiwei heard this, she also frowned: "Sister Yuan, it seems that Zhang Shao and I have nothing to do? Zhang Shao can't control who I eat with?"

"It doesn't matter?" Li Yuan heard the words, akimbo: "Weiwei, where is Zhang Shaohao for this poor boy? What do you think about Zhang Shao who invited you to dinner, but now you are eating with this poor boy?"

“Zhang Shao’s family is a big business, with an annual income of tens of millions. It is your blessing that Zhang Shao has a crush on you!”

“Now you are eating with this little white face, are you worthy of Shao Zhang?”

Li Yuan was angry at that time, and she reprimanded Chang Weiwei.

Li Yuan is a high school classmate of Chang Weiwei, and the relationship is only average.

But Zhang Qiming fell in love with Chang Weiwei, and Li Yuan tried every means to match the two of them. If the two of them were together, Zhang Qiming would pay Li Yuan a lot of money.

But now that Chang Weiwei is with other men, how can Li Yuan sit still?

At this moment, Zhang Qiming stood up and looked at Lin Kai.

“Hello, introduce yourself, my name is Zhang Qiming, the young director of Zhang Group.”

Zhang Qiming looked arrogant and didn’t look at Lin Kai with his straight eyes.

Lin Kai glanced at Zhang Qiming lightly, “Anything?”

Zhang Qiming took out a bank card from his pocket and threw it on the table: “One hundred thousand yuan, leave Chang Weiwei.”

Chapter 469: Massage Technician

Chapter 469: Massage Technician

“Wow! Shao Zhang is magnanimous, and one hundred thousand yuan will be sent to this little beggar.”

“Zhang Shao deserves to be a young director of the Zhang Group, generous!”

“Zhang Shao generous!”

A burst of bragging sounds sounded, and Zhang Qiming’s mouth showed a proud smile.

One hundred thousand yuan, you have never seen it in your life, right?

Depending on your age, you are only 19 years old this year, right? One hundred thousand yuan is a fatal temptation for you!

At this moment, Li Yuan sneered with her arms in her arms: "Heh, Wei Wei, did you see it? This is the strength of Shao Zhang, you little boyfriend will leave you soon!"

After that, Li Yuan looked at Lin Kai sarcastically.

"Boy, you have to be self-aware. The person Zhang Shao is fond of is not someone you can afford. Take the money and get out of here!"

Li Yuan sneered holding her arms.

Chang Weiwei frowned when looking at the money.

She does have a good impression of Lin Kai.

And now, she was indeed afraid of Lin meeting with the money and leaving, in that case, Lin Kai's image would collapse in her heart!

But she knew that one hundred thousand yuan was so tempting for a 19-year-old boy, and she was really worried that Lin Zhuan could not stand the temptation and took the money.

Lin Kai glanced at the bank card faintly, took out the black card of Hua Xia Bank from his pocket, and said, "I will give you one million, and it will immediately disappear before my eyes!"

As soon as Lin Kai's words came out, the audience was silent for a long time.

Then, a burst of laughter broke out, and everyone laughed.

Li Yuan sneered with her arms, and Zhang Qiming laughed even more.

"Hahahaha! Boy, do you have to write a draft for bragging?" Zhang Qiming sneered.

"Take a broken card from Huaxia Bank and put a lot of money in front of Lao Tzu?"

"The card in Lao Tzu's hand, but the platinum card of Hua Xia Bank! What kind of **** is your broken black bank card, and dare you put it in front of me?"

Zhang Qiming picked up Lin Kai's black card and looked at it with a look of disdain.

None of you here know the black card. After all, the black card is too advanced. The average rich second generation has no chance to get in touch with the black card.

Li Yuan said with her arms akimbo at this moment: "Wei Wei, what kind of boyfriend do you look for? It looks young, but her tone is not small."

“One million, do you think RMB is Chinese cabbage on the street?”

“If this kid has a million, will you two eat here?”

“Stop bragging!”

At this time, Chang Weiwei was also embarrassed, and Lin Kai’s good impression in her heart was reduced by one point.

Originally, Lin Kai had the image of a sunny boy in her mind, but now Lin Kai is actually bragging, saying that he has one million, and also used money to smash Zhang Shao.

This makes Chang Weiwei feel very angry.

Although Zhang Qiming insulted Lin Kai with money, it was he who was wrong, but Lin Kai had no money with money, which made people even more offensive.

At that time, Chang Weiwei pulled Lin Kai’s arm and said, “Lin Kai, forget it, there is no need to have general knowledge with them.”

Lin Kai nodded when he heard this. Today, Chang Weiwei has a dinner party. Lin Kai didn’t want to make things too ugly.

At that time, Lin Kai put away his black card and said lightly: “I don’t know what you are today, so let’s get out of here.”

Lin Kai’s words were too arrogant. Zhang Qiming and others narrowed their eyes and stared at Lin Kai.

“Boy, don’t you think there is too little money? One million!”

With a snap, Zhang Qiming threw another bank card in front of Lin Kai.

One million is not a small amount for Zhang Qiming, but in order to show it in front of Chang Weiwei, he is also spending money.

He didn’t believe that Chang Weiwei would remain indifferent after seeing his financial resources!

With this one million, those rich second generations who followed Zhang Qiming showed an enviable look. That is one million!

Li Yuan even flattered: “Zhang Shao is generous, one million shots are just like playing!”

“Wei Wei, have you seen it? This is your correct choice!”

And Chang Weiwei was looking at Lin Kai with a worried look.

Lin Kai could refuse a hundred thousand dollars a moment ago, but now he has one million in front of him!

One million can save a young man from fighting for several years. Can Lin Kai withstand such a big temptation?

Lin Kai's performance made Chang Weiwei very satisfied.

Lin Kai didn't even look at the bank card, and said lightly: "Take away your stinky money, get out!"

"You!" Zhang Qiming was angry.

This kid doesn't even want a million?

Zhang Qiming can only use one million to smash Lin Kai at most. No matter how much, Zhang Qiming can't stand it.

Seeing Lin Kai not eating hard and soft, Zhang Qiming sneered: "Hehe, I will make you regret your decision today!"

After all, Zhang Qiming snorted and left the scene directly.

The few Kuo Shao behind him all followed at this time.

Li Yuan looked at Chang Weiwei with hatred for iron and steel, "Weiwei, Weiwei, what do you want me to say about you? You are so stupid!"

After all, Li Yuan also hurriedly chased after her.

After the trouble with Zhang Qiming, the two were in no mood to continue eating. Chang Weiwei settled the bill and the two left the restaurant.

Just as Lin Kai was about to send Chang Weiwei home, suddenly, Lin Kai thought that he would choose a gift for his grandma.

There is a shopping mall just opposite the hotel, the name of this mall is Changkong Shopping Mall.

"Weiwei, I just want to choose a gift for my grandma. You are a girl, with good eyesight, come with me?" Lin asked with a smile.

Chang Weiwei nodded: "Okay."

The two walked into the Changkong Shopping Mall together.

Changkong Shopping Center is the largest local shopping mall on the island, and the price of this mall is higher than that of ordinary malls.

Lin Kai and Chang Weiwei came to the gate of a jewelry store, and Lin Kai prepared to buy a piece of jewelry for his grandmother.

After entering the jewelry store, someone greeted him immediately. It was a beautiful salesperson.

“Hello, welcome to Changkong Jewelry, what type of jewelry do you want to choose?” the salesperson asked enthusiastically.

Lin Kai thought for a while, his grandma is a lot of age and needs to wear some aura jewelry, gold jewelry is too tacky, Lin Kai is going to buy a silver jewelry for his grandma.

“I want to see silver jewelry.” Lin Kai said.

“Okay, please come with me.” The salesperson smiled sweetly and brought Lin Kai and Chang Weiwei to the silver jewelry counter.

I saw in the glass counter, silver jewelry is dazzling, and the price also ranges from low to high.

While Lin Kai was choosing jewelry for his grandma, he only heard a sneer: “Hehe, what a coincidence, I met again.”

“Unexpectedly, you poor guy dare to choose jewelry here.”

When I turned around, I saw Li Yuan, Zhang Qiming and others standing behind Lin Kai.

Zhang Qiming looked disdainful. After leaving the hotel just now, he made a call to investigate Lin Kai’s identity.

Lin Kai looked like he was in the restaurant, Zhang Qiming thought that Lin Kai was a big man.

Now he knows that Lin Kai is a poor man!

“I thought you were a big man. It turned out that you were a massage technician in Jinshui Pavilion? Don’t worry, I won’t wash your feet since today. Save it for a week. Then, you will be taken care of by Jinshui Pavilion. business!”

Chapter 470: Dragon And Phoenix

Chapter 470

After Zhang Qiming's words were over, a roar of laughter broke out at the scene, and everyone was amused by Zhang Qiming's words.

"Hahahaha! Shao Zhang, you are so humorous!"

"Shao Zhang, I will follow you, my feet are stinky!"

"Hahahaha!"

Li Yuan also covered her mouth and chuckled, staring at Lin Kai with disdain, and then Li Yuan said to Chang Weiwei: "Weiwei, I thought you had a boyfriend, it turned out to be a smelly footwasher ."

"Where does he have Zhang Shaohao? He is not even as good as Zhang Shao's leg hair."

Chang Weiwei didn't bother to explain. Since Li Yuan had a misunderstanding, she would carry it through to the end.

At that time, I saw Chang Weiwei holding Lin Kai's arm, and Lin Kai's arm was also surrounded by a burst of softness.

"I like it." After all, Chang Weiwei glanced at Lin Kai quite tenderly.

"Hehe." Li Yuan laughed, her eyes starting to turn cold.

That Zhang Shao even looked at Lin Kai with a displeased expression, his eyes still mixed with jealousy.

He Zhang Qiming has pursued Chang Weiwei several times to no avail, and now Chang Weiwei is holding other men's arms. How can he not be angry?

Zhang Shao was very angry!

"Poor, just like you, dare to take Wei Wei to the jewelry store? Can you afford the things here?"

"Zhangkong Jewelry, but the most expensive jewelry store on the island, your monthly salary is not enough to buy a necklace here!"

"I advise you to get out early and pick up the trash!"

Lin Kai glanced at Zhang Qiming lightly and said, "If I can't afford it, what does it have to do with you?"

After all, Lin Kai ignored Zhang Qiming and walked directly by him.

As for the salesperson of Changkong Jewelry, the service attitude is excellent. Even if Lin Kai doesn't seem to be able to afford jewelry, she still followed.

Seeing Lin Kai's arrogance, Zhang Qiming was also furious, but then he laughed because the place Lin Kai went was the most expensive counter in the entire Changkong Jewelry Store.

Zhang Qiming hugged his arms and followed.

Lin Kai looked into the counter. Suddenly, Lin Kai's eyes were attracted by a silver bracelet.

It was a sterling silver bracelet with a dragon and a phoenix depicted on the bracelet. The dragon and the phoenix were auspicious. In the center of the bracelet, there was also a green gem inlaid, which was very beautiful.

The salesperson also introduced very enthusiastically at this time: "Sir, you are really insightful. This bracelet is the treasure of our Changkong Jewelry Store."

"This bracelet is made of 100% pure silver, with gems inlaid with 99% pure green agate. This bracelet is made by the top craftsmen in China."

Needless to say from the salesperson, Lin Kai could also see the extraordinary features of this bracelet.

"How much is this bracelet?"

Lin Kai asked.

"The price of this bracelet is 35.8 million. If you want to buy it, sir, you can wipe it out, and 35 million can be taken away."

The 35 million sterling silver bracelet is really expensive.

But value for money, this bracelet is made by a master.

As soon as the salesperson finished talking about the price, Zhang Qiming next to him smiled: "Hehe, you can buy three thousand **** in a month, dare you to see a bracelet worth 35 million?"

"It's really self-defeating, foolish dreams!"

Zhang Qiming stared at Lin Kai disdainfully, his expression arrogant and domineering.

He is the eldest master of the Zhang Group, even he can't afford such an expensive bracelet, can Lin Kai afford it?

I'm afraid he can't even afford the base under the bracelet!

The eyes of the young girls following Zhang Qiming also showed amazement.

Girls all love beauty, and they all like this shiny thing, but this bracelet is so expensive that they can't even think about it.

As for Lin Kai, hehe, they don't believe that a **** who works in a massage parlor can afford a bracelet worth 35 million!

Even Chang Weiwei pulled Lin Kai at this moment, winking at Lin Kai.

She knew that Lin Kai's salary was three thousand five thousand a month, and this bracelet cost 35 million!

Lin Kai really can't even afford a base!

"Lin Kai, stop making trouble, go!" Chang Weiwei blushed.

Although Zhang Qiming's words are awkward, Lin Kai absolutely can't put a swollen face to fill a fat man.

But Lin Kai didn't move. He said, "This bracelet is good. Pack it for me."

After Lin Kai's words, the whole audience could hear the sound of a needle falling on the ground quietly.

Lin Kai actually wanted to buy this bracelet worth 35 million?

The salesperson wondered if he had heard it wrong.

After Lin Kai had finished speaking, after a while, a burst of laughter came out again.

Everyone laughed.

Zhang Qiming even laughed out of breath.

"Hahahahaha! Stinky **** silk, are you going to laugh at me?"

"You want to buy this 35 million bracelet? Hahaha!"

“A stinky **** who works in a massage parlor also buys a bracelet worth 35 million?”

“Don’t talk about you, even if you sell your house, you can’t afford this bracelet!”

After Zhang Qiming laughed, he mocked Lin Kai.

Zhang Qiming at this time was a complacency. He seemed to be showing off, taunting, showing off his wealth, taunting Chang Weiwei’s lack of vision!

Li Yuan also smiled: “Hehe, what a stinky cock.”

Chang Weiwei’s face was also hot red, and Lin Kai was too capable of pretending, and he pretended to be unrealistic.

Now even Chang Weiwei feels embarrassed!

“Lin Kai! Don’t make trouble! I’m angry if you do this!” Chang Weiwei stomped and said.

It could be seen that Chang Weiwei was really anxious. Lin Kai had to stay in front of the 35 million bracelet. Chang Weiwei even wanted to kneel down for Lin Kai.

Lin Kai looked at Chang Weiwei with gentle eyes: “You don’t believe me either?”

“How do you make me believe you?” Chang Weiwei said helplessly.

“The two of us are colleagues! Even if Jinshuige treats the employees well, but the interns only cost three thousand five hundred yuan a month.”

“And that bracelet is worth 35 million! Lin Kai, wake up!”

Chang Weiwei even counted with Lin Kai with his fingers.

Lin Kai was also amused by Chang Weiwei’s cute appearance.

The salesperson also asked at this time: “Sir, are you sure you want to buy this dragon and phoenix?”

“Ok.”

“Is it a credit card or is it?”

“Swipe your card.”

After a few questions, Lin Kai was ready to pay.

At this moment, Zhang Qiming stood in front of Lin Kai and smiled: "Yeah, cocky is about to start acting! I will see today, is there three thousand five hundred in this cocky broken bank card? Million!"

Chapter 471: Vip Card

Chapter 471: Supreme Card

"Can there be 35 million in this stinky bank card?"

"With three thousand five hundred yuan, it will burn a high incense!"

"If his bank card can have 35 million, then my bank card will have 350 billion!"

The young people behind Zhang Qiming made a mocking sound.

Zhang Qiming even said without embarrassment: "If you have 35 million in your bank card, I will eat this table!"

Zhang Qiming said, pointing to a glass table on the side.

Lin chuckled, but Zhang Qiming was ignored.

Lin Kai took out a black card from his pocket. This card was not Lin Kai's black card.

It is a membership card.

After seeing the membership card, the salesperson was taken aback for a while, and then immediately reacted.

Seeing that the salesman took the membership card with both hands, he did not dare to neglect.

Because she recognized that membership card, it was the Supreme Card of Changkong Group!

There are not many Supreme Cards in the entire Sky Sky Group, there are only ten in total, and those who can have the Extreme Card are all VIPs of Sky Sky Group!

The salesperson swiped the card nervously. After swiping the card, only the voice of welcoming Lin Kai rang from the entire jewelry store.

"Welcome to the Supreme Card members, welcome to Changkong Jewelry."

This is automatically broadcast after computer recognition.

When the salespeople working in the store heard these words, their expressions changed drastically, and they hurried to Lin Kai.

In a short while, dozens of salespersons all arrived, and dozens of beautiful salespersons stood in several rows and bowed in a very respectful manner.

“Welcome to Supreme Card members!”

This is the highest etiquette for members, and all the staff bow to the reception!

This is the dominance of the Supreme Card!

The Supreme Card can not only be consumed in any store under the Changkong Group, but it can also be respected by countless people.

The salesmen also cast admiring glances at Lin Kai.

At a young age, he is already a guest of the Changkong Group. The three words Gao Fushuai are none other than Lin Kai.

Chang Weiwei next to Lin Kai couldn't even close his surprised little mouth.

My colleague Lin Kai, who earns only three thousand five hundred yuan a month, is actually a supreme member of Changkong Group?

How did he do that?

Could it be that he is the rich second generation who came to experience life? Impossible, isn't this kind of plot only appearing in online novels?

Then how could Lin Kai have the Supreme Card of the Sky Group?

Chang Weiwei couldn't figure it out.

As for Zhang Qiming and others, the triumphant smiles were frozen on their faces. In their hearts, it was a shock!

Lin Kai is actually a Supreme Card member of Changkong Group?

This news blasted into their minds like a blockbuster, making them unable to react for a long time.

What kind of group is Changkong Group? That is one of the largest groups in the island city! Changkong Group is a large enterprise with a market value of tens of billions!

Although the Zhang Group has some money, compared with Changkong Group, it is simply vulnerable!

This Lin Kai, who looks like Diaosi, is actually a supreme member of Changkong Group?

You know, there are only a few supreme members of the Changkong Group, and every one of them is a great figure on the island. So, is Lin Kai also a great figure?

The expression on Zhang Qiming's face became very exciting, and Li Yuan couldn't say a word.

The salesperson respectfully helped Lin Kai take out the bracelet, and Lin Kai put it in his pocket casually.

Afterwards, Lin Kai looked at Zhang Qiming with a wonderful expression, and smiled: "Now you can eat the table, do you need me to make you jealous?"

Zhang Qiming's face was ironic, unable to speak.

At this time, Zhang Qiming's face was red and hot, and he was completely ashamed of himself.

I can't afford a bracelet, but Lin Kai can afford it, and he is a supreme member of Changkong Group!

At that time, his heart was as uncomfortable as eating a fly.

wrong!

Zhang Qiming's eyes suddenly rolled.

Lin Kai is just a massage technician, how could he have the Supreme Card of Changkong Group?

there is only one truth! The Supreme Card is not his!

At that time, Zhang Qiming sneered: "Haha, Lin Kai, this card is definitely not yours!"

As soon as Zhang Qiming said this, everyone looked at Zhang Qiming in unison.

Why does Zhang Qiming say that?

Zhang Qiming smiled confidently: "Haha! You must have stolen this card or picked it up!"

“You are just a massage technician in a massage shop. How can a lower class person like you qualify for the Supreme Card of the Changkong Group?”

“So, this card is not yours at all! Say! How did this card come from?”

After listening to Zhang Qiming’s words, everyone else looked at each other and nodded.

What Zhang Qiming said makes sense!

People are divided into three, six or nine classes. Lin Kai is a lower class, how can he have the Supreme Card?

Li Yuan’s gray face was once again proud: “I’ll just say, how can this stinky **** have a supreme card? It turned out to be picked up!”

“Don’t you know that you can’t use the things you picked up?”

“You actually used it upright, really shameless, without any quality!”

Li Yuan scolded at that time.

“Wei Wei, you are really blind if you find this kind of person to be your boyfriend!”

“People are dishonest, poor, and greedy for petty gains. Sooner or later you will suffer with this kind of person!”

Hearing this, Chang Weiwei looked at Lin Kai very worried.

Just now, she wondered why Lin Kai would have the Supreme Card of the Sky Group. Now listening to Zhang Qiming’s words, she felt that Zhang Qiming’s words made sense.

After all, Lin Kai is his own colleague. How could he be eligible for the Supreme Card of the Sky Group?

If he really had that qualification, he wouldn’t be a colleague, right?

At that time, Chang Weiwei whispered in Lin Kai’s ear: “Lin Kai, if you really picked up the card, you’d better not use it.”

“Will get into a big lawsuit!”

Even Chang Weiwei didn’t really believe that this card was Lin Kai.

At this time, the dozens of salespersons also looked at Lin Kai with doubts.

After hearing that Lin Kai was just a massage technician in a massage parlor, they also began to wonder if Lin Kai was the real Supreme Card holder.

After all, not everyone can have the Supreme Card.

If Lin Kai's Supreme Card was really picked up, and he also bought a bracelet worth 35 million in this store, they wouldn't have to be the salesmen anymore, let them go!

At that time, a salesperson stepped forward and asked, "Sir, would you please provide me with a card certificate?"

"Proof of card?" Lin Kai was stunned.

"What card proof?"

After hearing that Lin Kai didn't even know the proof of holding the card, the salesperson's expression became cold: "Sir, this supreme card is really yours?"

Chapter 472: Proof Of Card

Chapter 472

"It's mine." Lin Kai replied.

"Then please show your card certificate." The salesman said again.

"Proof of card? What is this?" Lin Kai was confused.

"You don't even know what the proof of the card is. This card is really yours?" Once again, the salesman's tone fell completely.

Zhang Qiming is right. Lin Kai is a technician in a massage shop. In his capacity, how could he be eligible to have the Supreme Card?

It seems that this card was really picked up by Lin Kai, or stolen!

Lin Kai was very helpless. He said, "This card was given to me by your boss Xu Changkong. If you don't believe me, call and ask Xu Changkong."

After listening to Lin Kai's words, the audience was quiet for a few seconds, and then a burst of laughter broke out.

Everyone was amused by Lin Kai's words.

"Hahahaha! Xu Changkong gave it to you? Don't brag!"

“Who is Xu Changkong? That’s the chairman of Changkong Group! Worth tens of billions, who are you? You are just a male technician in a massage shop. How could Xu Changkong give you the Supreme Card? Don’t dream Okay?”

“It seems that this card was really picked up by you, or stolen! Thief! No quality!”

At that time, a scream rang out and everyone was questioning Lin Kai!

After all, Lin Kai didn’t even know what the card was to prove, and he said without shame that this card was given to him by Xu Changkong. Who can believe that?

Will Xu Changkong know a small character like Lin Kai?

impossible!

So Lin Kai was exposed!

At this time, Chang Weiwei’s face was also hot, Lin Kai exposed, she also felt very ashamed.

Too embarrassing, Lin Kai has stolen someone else’s card, and now he has been discovered.

And Li Yuan already thinks that Lin Kai is her boyfriend, so what face does she have to see Li Yuan again in the future?

When I meet again in the future, I will only be ridiculed by Li Yuan even more!

At that time, Chang Weiwei was very angry. She didn’t dislike Lin Kaiqiong, but she hated those who had no money and money the most!

Why does Chang Weiwei like Lin Kai? Because she felt that Lin Kai was different from other men.

Lin Kai was responsible, and looked like money as dung, he was a real man.

But now it seems that Lin Kai and those big pig hoofs are all the same.

They all like to show themselves in front of girls, even if they use some tricks.

Chang Weiwei swears in her heart that she must stay away from Lin Kai after this incident is over!

Such a person can only be ordinary friends with him even if he saves himself twice.

Just when Lin Kai was questioned by everyone, Lin Kai’s cell phone rang.

Lin Kai took out his mobile phone, took a look, and found that it was Xu Changkong's call.

At that time, Lin Kai answered the phone directly: "Hello? Mr. Xu?"

"I'm in the Changkong Shopping Mall, here is Changkong Jewelry, are you coming? Okay, I'll wait for you."

After all, Lin Kai hung up the phone.

After hanging up, Lin Kai said nonchalantly: "Xu Changkong just called me, and he will come in person in a while. Whether this card is genuine or not will be known later."

After Lin Kai said, there was another burst of laughter.

"Hahahaha! Lin Kai, you **** laugh at me!"

"Xu Changkong called you? You act like it! Hahaha!"

"Why don't you say that the mayor called you? Xu Changkong will call a massage technician? He will pick you up in person? Hahaha!"

Everyone laughed.

Chang Weiwei even covered her face. At this time, she felt very ashamed.

Lin Kai is too capable of pretending to be coercive, and he is brainless pretending to be coerced!

The kind of bragging without drafts.

Will Xu Changkong call him?

Will Xu Changkong come to pick him up personally? If Lin Kai really had that kind of ability, then he wouldn't become Chang Weiwei's colleague, he would become a big figure that everyone can't afford!

At this moment, Zhang Qiming also sneered: "Ha ha, Wei Wei, have you seen it? This is the true face of Lin Kai!"

"A stinky massager does not say that he knows Xu Changkong, or that he has a supreme card!"

"Such a person is simply a scumbag in society! There is no trace of education! Such a person is not worthy of being your boyfriend! Weiwei, promise me, stay with me!"

Zhang Qiming came in at this time, and he could see that Chang Weiwei was upset.

He simply took this opportunity to make Chang Weiwei his girlfriend.

But he underestimated Chang Weiwei, and he also valued himself.

Even if Chang Weiwei is not with Lin Kai, he will never look down on Zhang Qiming!

At that time, Chang Weiwei sternly said coldly: "Zhang Qiming, I persuade you to die! I will never be your girlfriend!"

Upon hearing this, Zhang Qiming also sneered.

Li Yuan also scolded Chang Weiwei at this time: "Weiwei, why are you so ignorant?"

"Zhang Shao took the initiative to confess you, that is to give you a face! To give you a face, you have to want it!"

"Look at this boyfriend of yours, who is this? This is a waste of money! Only bragging!"

"Shao Zhang dumped your boyfriend for thousands of miles!"

"If Young Master Zhang sees me, I will definitely burn my family's ancestor's grave! You still shameless, haha!"

Li Yuan's words are getting more and more ugly, and Chang Weiwei is obviously afraid of Li Yuan and dare not talk back.

At this moment, Lin Kai's cell phone rang again, and when he took it out, he found that it was Wang Kun.

"Hello? Wang Kun, what's the matter?"

"Are you coming to pick me up?"

"I'll send you the position, come on, it happened to be cured together."

"Mmm Good."

After that, Lin Kai hung up the phone.

After hanging up the phone, Lin Kai found that everyone in the jewelry store was staring at him, the look seemed to be a monster.

Soon after, another burst of laughter broke out.

Lin Kai amused everyone again.

“Hahahaha! Who was Lin Kai calling just now? Wang Kun? Did Wang Kun call Lin Kai?”

“My god! It scares me to death! I didn’t expect that this smelly massager, even Brother Kun knows!”

“Awesome! You know Brother Kun, you can’t afford it, the big man, the younger brother will pay you! Hahahaha!”

There were bursts of ridiculous laughter, and some people even burst into tears.

Who is Wang Kun? The most ruthless person on the island! No one on the island does not know Wang Kun.

And who is Lin Kai? The massage technician in the massage shop, such stinky garbage, actually know Wang Kun?

impossible!

Lin Kai’s bragging is too unrealistic, saying that he knows Xu Changkong and Wang Kun?

He asked them to pick him up. Who did he think he was?

These two, but well-known big people in the island city, even the mayor, are not qualified to let them both pick them up in person!

Lin Kai is so inflated that he can even brag about this kind of bull!

At this moment, only a sound of footsteps was heard, and a group of people crowded in from outside the jewelry store.

Everyone looked back. After seeing the person coming, everyone’s eyes widened, it turned out to be him?

Chapter 473: Eating Table

Chapter 473

Four bodyguards in black suits walked into the jewelry store, and behind the bodyguards were two beautiful secretaries.

Behind the secretary is a middle-aged man.

The middle-aged man wore a decent suit and a pair of glasses, with a gentle appearance.

There was a kind of successful man's temperament, and he walked in in a stride.

Everyone's eyes widened, because the person here is no one else, but the chairman of the Changkong Group, Xu Changkong!

At that time, all the salespeople bowed in unison: "Welcome to the chairman!"

Zhang Qiming and the others were also stunned, Xu Changkong, this is a real big shot!

Li Yuan looked at Xu Changkong's gaze. She seemed charming and could eat people. Don't look at Xu Changkong's age, but he looked good and had the charm of a mature uncle.

Coupled with Xu Changkong's wealth and power, he is almost the Prince Charming in the hearts of most girls.

Chang Weiwei was also shocked, Xu Changkong really came! This is the first time Chang Weiwei has seen Xu Changkong.

Of course, everyone would not think that Xu Changkong was from Lin Kai. After all, the identity gap between the two was too great.

Zhang Qiming rolled his eyes at this time and strode towards Xu Changkong.

Although the Zhang Group is not better than the Changkong Group, it still has a certain reputation in the island. Zhang Qiming wants to take this opportunity to get to know Xu Changkong!

At that time, Zhang Qiming walked over confidently.

"Hello, Chairman Xu, I am the Zhang Group..."

"Go away!"

Zhang Qiming's words were not finished yet, only a suit bodyguard pushed Zhang Qiming aside very violently.

Zhang Qiming's feet were unstable and fell directly to the ground. Zhang Qiming's face turned black at the time.

Xu Changkong did not look at Zhang Qiming at all, and walked past him directly.

I saw Xu Changkong rushing to Lin Kai and walked over.

After seeing Lin Kai, Xu Changkong showed a smile on his face and walked quickly over: "Brother Lin, didn't you let you wait?"

Xu Changkong held Lin Kai's hand very enthusiastically.

Lin Kai checked his watch and said with a smile, "Hehe, you will be there in less than five minutes. It's already very fast."

"It just so happened that I was also inspecting in the Changkong shopping mall. Knowing that you are here, Xiaoyou Lin, I rushed over without stopping."

Xu Changkong was very approachable and talked with Lin Kai. It seemed that Lin Kai's status seemed to be higher than Xu Changkong's.

Xu Changkong was respectful to Lin Kai.

After seeing this scene, everyone was stunned.

Xu Changkong actually came to find Lin Kai?

Does Lin Kai really know Xu Changkong?

impossible! One is a group boss worth tens of billions of dollars, and the other is a massage technician in a massage shop. How can two people with such a big difference in identity meet each other?

For a while, everyone could not accept such a shocking result!

Looking at those salesmen, their faces turned pale, they were completely scared by Lin Kai!

Lin Kai is Xu Changkong's guest, and they actually asked Lin Kai to prove it with a card just now. Isn't this a court death?

That supreme card was really given to Lin Kai by Xu Changkong!

The expression on Zhang Qiming's face is also very wonderful.

He was really slapped by Lin Kai, still in the face!

Lin Kai simply disdains to be more honest with himself, because of his identity, he throws himself eight streets!

Even a big man like Xu Changkong has to treat him respectfully, what is he in the eyes of others?

I'm afraid it's just a jumping clown, right?

Li Yuan's face was also flushed, ridiculous that she laughed at Chang Weiwei just now for not having any eyesight.

Now it seems that he has no vision!

Chang Weiwei's boyfriend is actually good friends with Xu Changkong!

And it seems that even Xu Changkong respects them very much.

Knowing Xu Changkong, Lin Kai could almost walk sideways on the island!

Let alone Li Yuan, even Chang Weiwei himself was shocked, Lin Kai actually has such a big background!

No wonder, no wonder Lin Kai dared to be so arrogant after beating Kun's younger brother, it turned out that Xu Changkong was the backer.

Maybe Lin Kai is some of Xu Changkong's relatives, Chang Weiwei thought so.

Seeing that the atmosphere at the scene was not right, Xu Changkong asked, "Brother Lin, what is going on? Why are you here?"

Lin Kai smiled slightly, and threw the supreme card in his hand on the table: "Brother Xu, the card you gave me is a fake, right? I am asked to prove it!"

Lin Kai's questioning of the Supreme Card caused the salesmen to be one or two big, and the cold sweat on their heads fell.

Xu Changkong's face turned black when he heard this.

This supreme card was given by Xu Changkong himself!

Now, it is actually questioned as fake? Moreover, he was still questioned by his own employees, which made Xu Changkong's face dull!

"Do you question whether the card I gave to Brother Lin is fake?" Xu Changkong looked at the salespeople in front of him and asked coldly.

Dozens of salespeople at the scene lowered their heads and dared not speak.

"You were fired!" Xu Changkong said coldly.

It's so overbearing!

As long as you have something that makes me unhappy, there is only one result, and that is to be expelled!

At that time, the faces of dozens of female salespeople at the scene were all pale, extremely pale! The treatment of employees by Changkong Group is excellent.

If they leave the Sky Group, they will never find a second group that can give them such a good treatment!

In their hearts, it was a regret. Knowing that Lin Kai came from such a big background, would they dare to question Lin Kai?

Lin Kai glanced at these female salespersons and waved his hands: "Brother Xu, forget it, they are not easy."

Lin Kai is quite understanding, so many female salespersons, among them there must be innocent people.

Besides, I really don't seem to have a supreme card, and it is normal to be suspected.

With Lin Kai begging for mercy, Xu Changkong nodded: "For the sake of Brother Lin, I will spare you this time!"

After hearing Xu Changkong's words, all the female salespersons breathed a sigh of relief and saw them all bowing to Lin Kai.

"Thank you Lin Shao."

Yo, Shao Lin was called.

Lin Kai turned his head at this time and saw Zhang Qiming and others who were about to slip away.

At that time, Lin Kai shouted: "Wait a moment! You haven't eaten this table yet!"

This sentence caused Zhang Qiming's body to stop immediately, and Zhang Qiming turned his head mechanically, with a smile on his face that was more ugly than crying.

"Shao Lin, don't be kidding, where are people eating the table?"

"I'm kidding? Who was kidding you? Manly man, keep saying everything, eat it!" Lin Kai's words are beyond doubt.

Hearing that, the smile on Zhang Qiming's face gradually disappeared, and a sullen expression appeared on his face.

“Lin Kai! Don’t deceive people too much! Zhang Qiming, I am not easy to provoke!”

Chapter 474: Dip In Vinegar

Chapter 474

Zhang Qiming is also furious!

He was afraid that Xu Changkong was good, but he was not afraid of Lin Kai. Rabbits would bite people even if they were pressed into a hurry. What’s more, he is a big living person?

“Lin Kai! Don’t deceive too much! I’m the young director of the Zhang Group! How could I chew this broken table?”

Zhang Qiming said angrily.

The young director of the Zhang Group? Hearing this, Xu Changkong also looked at Zhang Qiming more.

“Zhang Daoming is your father, right?” Xu Changkong asked.

Zhang Qiming nodded: “Yes, Uncle Chen.”

“Now, fulfill your promise.” Xu Changkong said nonchalantly.

What about the young directors of the Zhang Group? Xu Changkong is not in the eyes!

Because in Xu Changkong’s eyes, Lin Kai is more valuable, because Lin Kai can cure the heart disease that has puzzled him for many years!

After listening to Xu Changkong’s words, everyone was dumbfounded.

Xu Changkong actually asked the young directors of the Zhang Group to fulfill his promise for Lin Kai!

How big is Lin Kai’s background?

Lin Kai smiled slightly and looked at Zhang Qiming.

At that time, Zhang Qiming’s face was blushing, and Xu Changkong did not hesitate to offend him the Zhang Group to support Lin Kai, which he did not expect.

If I do not fulfill my promise today, I am afraid Xu Changkongs Changkong Group will deal with his own Zhang Group!

If his father knew that he had offended Xu Changkong, he wouldn't have to kill himself?

Suddenly, Zhang Qiming was under great pressure.

Just when Zhang Qiming hesitated, he only heard another sound of footsteps, and another group of people walked in from the door of the jewelry store.

There are about a dozen people in this group. All of these people are burly men wearing black vests. They are painted with dragons and tigers. Different from street gangsters, they all exude a touch of murderous aura.

As soon as these brawny men appeared, the scene was silent.

Then, I saw a man wearing a black vest appeared.

The man is strong and fierce, with a scar on his forehead, striding over at a pace that his six relatives did not recognize.

After seeing the visitor, everyone present took a breath of air, because the visitor is the big brother-level figure who made the entire island tremble, Wang Kun!

Wang Kun is here!

Under everyone's eyes, Wang Kun strode to Lin Kai's front, clasped his fists, and bowed to Lin Kai.

"Boss!"

Afterwards, a dozen strong men behind Wang Kun all bowed in unison: "Boss!"

And Lin Kai's expression was indifferent, as if Wang Kun bowed to him, it was a normal thing.

He waved his hand: "Get up."

"Thank you, boss." Wang Kun stood up and stood behind Lin Kai like a little brother.

At this moment, even the sound of a needle falling on the ground can be heard quietly.

Everyone looked directly at Lin Kai, the look in their eyes seemed to see the reincarnation of a dinosaur.

Shock! Very shocked!

Everyone's hearts beat hard, their heartbeats accelerated, and their breathing increased.

This is incredible!

The island's number one brother, Wang Kun actually called Lin Kai's boss! And bow!

Is this still Wang Kun?

Is this still the biggest brother on the island?

How does it look like a street gangster?

Is Lin Kai really just an ordinary employee in a massage shop? If it is true, why do even big figures like Wang Kun and Xu Changkong show respect to Lin Kai?

Who is he?

Chang Weiwei beside Lin Kai was also stunned. Her colleague Lin Kai couldn't see through.

Is it possible that Lin Kai really came to experience the rich second generation of life?

That Zhang Qiming felt uncomfortable after eating **** in his heart. Lin Kai, who was trampled under his feet just now, turned and became a big figure he could not afford to climb.

Even big people like Wang Kun are the younger brothers of Lin Kai.

What can you count yourself in front of others?

It can't even compare to a single leg hair!

The expression on Li Yuan's face is also extremely wonderful, her face is hot, she is ashamed, but also very jealous of Chang Weiwei.

Chang Weiwei's boyfriend is really a million times better than Zhang Qiming!

Even the characters at the level of Big Brother Island are the younger brothers of their boyfriends. Zhang Qiming is not worthy of Lin Kai's shoes.

At the same time, she is also very jealous of Chang Weiwei.

She thinks that her appearance is not worse than that of Chang Weiwei, but now Chang Weiwei has caught Prince Charming.

Lin Kai is handsome, young, rich and powerful. Who doesn't want a Prince Charming like this?

Li Yuan's gaze at Lin Kai changed from contempt to admiration.

Such a big man is the prince charming she wants.

At this time, Lin Kai looked at Zhang Qiming and said, "Now you can eat the table."

"Xiao Kun, get him some vinegar."

After listening to Lin Kai's words, Wang Kun, a figure at the level of Big Brother Island, Pi Dian'er went jealous.

Soon after, Wang Kun personally came over with a bowl of vinegar and placed it in front of Zhang Qiming.

"Here, this is the vinegar my boss rewarded you!"

At that time, Zhang Qiming even had the heart to cry.

This is the vinegar that Wang Kun personally gave. Does he dare not eat the table?

If their Zhang Group resists the Changkong Group, they can still survive.

Adding a Wang Kun, he can definitely swallow even the dregs of his Zhang Group!

Zhang Qiming didn't dare to neglect. At that time, Zhang Qiming smashed the glass table with an ashtray, picked up a piece of glass and dipped it in vinegar.

At that time, Zhang Qiming's hands trembled.

With a plop, Zhang Qiming knelt directly in front of Lin Kai and cried: "Lin Shao, Lin Shao, I was wrong, Shao Lin! Please, please spare me this time! Lin Shao!"

Looking at Zhang Qiming who was kneeling and begging for mercy, Lin Kai smiled slightly, ignored him, and walked past him.

Lin Kai didn't intend to give Zhang Qiming a chance!

And Wang Kun's people are staring at Zhang Qiming intently! As long as Zhang Qiming dared not do what Lin Kai said, they would immediately put glass shards into his mouth!

In desperation, Zhang Qiming tremblingly put a piece of glass into his mouth.

Afterwards, there was a sound of chewing, Zhang Qiming had blood in his mouth.

...

After choosing the present, Lin Kai took Chang Weiwei downstairs, sent a special car, and sent Chang Weiwei back.

Afterwards, Lin Kai sat in Xu Changkong's Rolls Royce and drove towards a teahouse.

Wang Kun's Land Rover followed closely behind.

Soon after, Lin Kai, Xu Changkong and others arrived at this teahouse, whose name was Wupin Teahouse.

This teahouse has high consumption and a very good environment. People who have no status on the island cannot afford it.

When he arrived at the sky room on the fifth floor, Lin Kai and others sat cross-legged.

The environment in Tianzijian is very good. It occupies a large area. The tea sets are made of mahogany. The tea pets are made by masters. Even the mats on the ground are made of fine bamboo with a value of ten thousand yuan.

Now, Lin Kai is about to start treating Xu Changkong and Wang Kun!

Chapter 475: Bitter Master

Chapter 475

Xu Changkong and Wang Kun of Megatron Island were just like two very obedient children in front of Lin Kai.

Sitting cross-legged, looking at Lin Kai quietly.

Lin Kai is their only hope. One is congenital heart disease and the other is a hidden disease in bed. Both diseases are extremely difficult to cure.

Lin Kai gave them hope, and at the same time, they were afraid that Lin Kai would make them desperate.

"Brother Lin, can my congenital heart disease really be cured?" Xu Changkong asked worriedly.

His congenital heart disease has troubled him for a long time, and he almost died of it several times.

Xu Changkong was extremely pleased when he heard Lin Kai said that he could cure it.

This is his hope for survival! Otherwise, when Xu Changkong is slightly stimulated in the future, he may die!

Wang Kun also stared at Lin Kai eagerly. As the most powerful man on the island, he was actually a three-second man. This was his greatest sorrow.

If Lin Kai can cure his hidden illness, he will do whatever it takes to serve Lin Kai as a cow!

At this time, Lin Kai smiled slightly: "Hehe, I can treat both of you."

After that, Lin Kai took out two small bottles from his pocket.

Among the two small bottles, one contains silver needles and the other contains disinfectant.

He wants to use silver needles to treat these two people!

"Silver Needle? This..."

After seeing the silver needle, Xu Changkong and Wang Kun both showed hesitation on their faces.

For their illnesses, it's useless to see Western and Chinese medicine. Can silver needles work?

"Trust me." Lin Kai said lightly.

Wang Kun and Xu Changkong looked at each other and gritted their teeth. Now, they can only use dead horses as living horse doctors!

At that time, Xu Changkong took off his clothes and was about to let Lin Kai administer the injection.

But at this moment, the door of the tea room was suddenly opened, and two people who recognized the wind and fire came in from the door.

One of them was a young man. After seeing Xu Changkong's sweat, he was overjoyed.

"Dad! I have invited Master Ku!" The man looked excited.

Master bitter?

Upon hearing this, Lin Kai also looked at the man named Master Ku.

The bitter master Lin Kai has heard of it, and heard that he is a famous Chinese medicine master on the island!

Even his grandfather Liu Futong did not have the medical skills of Master Ku, who was the number one person on the island.

Ask him for medical treatment, even if it costs hundreds of millions, Master Suffering may not be able to come!

Unexpectedly, Lin Kai actually saw Master Ku here.

I saw Master Ku was wearing a very simple sportswear, in his sixties, with a shaggy beard, and a casual temperament.

Xu Changkong was overjoyed after hearing the arrival of Master Ku, and quickly stood up.

“You are the bitter master?” Xu Changkong asked excitedly.

But unexpectedly, Master Ku didn't pay attention to Xu Changkong at all, his eyes were fixed on the silver needle on the table.

“Silver Needle? Who is going to give you the needle? What a joke, the heart disease was rescued with a silver needle? It's extremely ridiculous!” Master Ku sneered.

He is indeed a master of medical skills. As soon as he entered the room, he immediately found the silver needle on the table.

Xu Changkong's son Xu Jinlong also looked at the silver needle on the table.

Although Xu Jinlong didn't understand medical skills, he also knew that heart disease had nothing to do with silver needles!

“Silver Needle? Dad, who wants to administer the needle to you?” Xu Jinlong questioned.

Xu Changkong looked at Lin Kai and said, “It's Lin Xiaoyou, Lin Xiaoyou saved my life on the plane.”

Hearing this, Xu Jinlong looked at Lin Kai, his eyes narrowed and his face was bad.

“Are you the magic stick?” Xu Jinlong asked directly.

“God stick?” Lin Kai looked puzzled.

“Yes! God stick!”

“I heard about the plane. Even the director of the Island Central Hospital has nothing to do with my father. You pressed my father twice and pressed him?”

“You said, you are not a magic stick, then what are you?”

Xu Jinlong had a bad tone and didn't treat Lin Kai as a lifesaver at all.

Xu Changkong also coughed awkwardly at this time: “Golden Dragon! How do you speak to your benefactor?”

Upon hearing this, Xu Jinlong did not fear his father in the slightest: “Dad! He is a magic stick!”

“You see how young he is, does he look like he can heal?”

“He is trying to make money for our family! Dad, he must have been lucky last time. Don't be fooled by him!”

“Besides, do you have a medical qualification certificate?”

As soon as Xu Jinlong stretched out his hand, he asked Lin Kai for a medical certificate.

Everyone looked at Lin Kai in unison. As a doctor, whether it is a Chinese or Western medicine, one must have a medical qualification certificate.

Only those who have a medical qualification certificate can be regarded as a real doctor.

Lin Kai shook his head: “No.”

After seeing Lin Kai said no, Xu Jinlong sneered: “Hehe, I don't even have a medical qualification certificate, so dare to come out to treat others?”

“Believe it or not, I called the police to catch you?”

Being so troubled by Xu Jinlong, even Xu Changkong had some doubts about Lin Kai's ability to cure his heart disease.

After all, the use of silver needles to treat patients with heart disease is unheard of.

Besides, Lin Kai doesn't even have a medical qualification certificate, so it's just a wild way!

Master Ku also gave a disdainful smile at this time: “Oh, it's just a liar. It's ignorant to dare to use silver needles to treat heart disease patients!”

The bitter master glanced at Lin Kai's silver needle, quite disdainful.

“Patients with heart disease may experience myocardial infarction, heart beating, and heart failure when they are stimulated. Even Western medicine is difficult to treat, let alone Chinese medicine.”

“Treatment with silver needles is a joke!”

With a bang, I saw Master Ku directly kicked over Lin Kai’s silver needle bottle. At that time, the silver needle was scattered on the ground.

After listening to Master Ku’s words, Wang Kun also looked at Lin Kai with questioning.

Lin Kai, can he really cure his symptoms of non-lifting?

Yesterday Wang Kun was dazzled by joy. Now that I think about it carefully, Lin Kai doesn’t look like a person with such great ability!

At a young age, without a medical certificate, he still uses silver needles to treat heart disease. All signs indicate that Lin Kai is a big liar!

At this time, Master Ku gave an order: “Come here! Pull this liar out of me and break my legs!”

“I think you dare not lie in the future!”

After the words of Master Ku, two strong men walked in from the door, and they were about to catch Lin Kai.

At this moment, Lin Kai sneered and asked, “Master Bitter, have you often suffered from insomnia recently? And you feel dry and dry, and have an urge to retching? Also, your hair loss has been severe recently.

After listening to Lin Kai’s words, Master Ku was taken aback and thought about it carefully. It seemed that Lin Kai had all the symptoms he had said!

“how do you know?”

Chapter 476: Luck With Needle

Chapter 476

Since Lin Kai’s God Eye was upgraded to Golden Eye, it has added many functions.

Not only the previous magnification and fluoroscopy, but now the golden pupil can directly identify antiques and identify the patient’s symptoms.

He could tell at a glance what illness Master Ku suffers.

“I don’t even know that I am sick, dare to call myself a master?” Lin Kai smiled playfully.

“I’m sick?” Master Ku frowned, questioning Lin Kai’s words.

But he did feel something unusual in his body lately. At first, he thought it was because he was getting older and his body had a minor problem.

It seems that it is not that simple now!

“Master Ku, based on the condition I just mentioned, you should be able to figure out what disease you have?” Lin Kai smiled slightly, with some mockery in his eyes.

The bitter master pinched a finger and muttered to himself: “Ricky, lack of energy, hair loss...”

Suddenly, Master Ku’s eyes widened, revealing an incredible expression.

“Could it be... syphilis?”

Master Ku’s face was scared white.

The authorities are obsessed with the bystander Qing, Lin Kai said the symptoms of the suffering of Master Ku!

Syphilis is a disease that is extremely difficult to cure. Once you suffer from syphilis, if you cannot get timely treatment, there is only one dead end!

“Master Ku, think about it carefully, have you had fun with other women recently?” Lin Kai asked.

After hearing the words, Master Ku, after thinking about it carefully, saw that his face became more ugly.

That’s right, a month ago, he and a woman in Fengyue place had a happy life!

That woman was extremely beautiful. At that time, Master Ku was still wondering why the other party would like this bad old man, but now it seems that she is completely trying to infect herself!

“One month, there is still time...” Master Ku wiped the sweat from his forehead.

Syphilis is not incurable, it only lasts for a month, and it has not reached the point of being irresistible.

At this time, Master Kuo looked at Lin Kai with gratitude. If it were not for Lin Kai’s reminder, maybe after a while, Master Kuo would die!

Lin Kai was young, but his Taoism was so deep that he could see the symptoms of his illness at a glance. At that time, Master Ku was punching Lin Kai.

“Thank you brother for your advice!”

Tang Tang Haidao Bitter Master, at this moment actually held a fist and bowed at Lin Kai!

“This...” Xu Jinlong was also speechless.

Master Ku was fooled by Lin Kai with a few words?

“Master Ku, he’s just talking nonsense! What syphilis, he lied to you!” Xu Jinlong said anxiously.

“To shut up!”

Master Ku couldn’t hear Xu Jinlong’s words at all, so he scolded angrily.

Afterwards, Master Ku gave a fist to Lin Kai again: “Little brother, since you have seen that I am suffering from syphilis, do you have a way to treat it?”

Master Ku is only a tentative question.

Lin Kai recognized that he was suffering from syphilis at a glance, maybe he was really a master.

Of course, Master Ku did not hold much hope. For a disease like syphilis that is extremely difficult to cure, Master Ku still counts on Western medicine.

Unexpectedly, Lin Kai smiled slightly: “Haha, a little sickness, it will be fine after one stitch.”

After hearing Lin Kai’s words, Master Ku’s expression changed.

Syphilis can be cured with one shot?

This is too rampant, right?

But since Lin Kai saved his life just now, Master Ku didn’t dare to question Lin Kai.

“You don’t believe it, do you?” Lin Kai glanced at Master Ku.

“Then please look out.”

After that, Lin Kai picked up the silver needles on the ground one by one, rinsed them in the tea, and then put the silver needles in the disinfectant for disinfection.

After handling the silver needles, Lin Kai waved at Xu Changkong.

“Dad!” Xu Jinlong just wanted to say something, but was stopped by Master Ku.

“A few needles won’t kill you, just so, I also want to see this little brother’s brilliant medical skills!” Master Ku said.

Lin Kai’s words are too crazy, making people wonder whether he understands medicine or not. He can see that he is suffering from syphilis. If he understands, he says that silver needles can cure all diseases.

Whether it is a master or not, the bitter master has no idea.

Now I can only watch Lin draw out the needle.

Hearing this, Xu Jinlong snorted: “Humph! You better cure my dad! If you can’t cure it, I want your life!”

Xu Changkong lay down, revealing his back.

Lin Kai pinched a silver needle and plunged it directly into Xu Changkong’s back.

There is no emphasis on acupuncture points, just a random prick. After seeing this scene, Master Ku frowned. What kind of acupuncture is this?

Afterwards, I saw Lin Kaixin muttering *Ganoderma lucidum* silently, and an extremely powerful green energy gushed out of Lin Kai’s pubic area and went straight to Xu Changkong’s heart.

After seeing this scene, the bitter master couldn’t help but exclaimed: “Luck the needle with air!”

Master Ku was so excited that he almost cried at this time! Because he finally saw the legendary luck of needles!

According to legend, only the medical sage Bianque could give acupuncture needles with air, and there are very few people who know this method of acupuncture today!

But he actually saw Yiqi Yunzhen today!

At a glance, Master Ku could see the endless qi on the silver needle, that qi, but the vitality, can repair all the defects in the human body!

It can also wipe out the evil virus from the human body!

It can also stabilize all human organs!

It's really luck with the needle!

Master Ku was so excited that he was about to kneel down for Lin Kai, no wonder Lin Kai was so rampant, it turned out that he was a master in the medical field!

Xu Changkong yelled out comfortably at this time, he only felt a warm current enter his body.

This warm current stopped at my heart, and seemed to be repairing my heart.

And Xu Changkong usually feels his heart beating wildly when he is nervous, but now, he feels his heart is very comfortable, not a bit uncomfortable.

Amazing!

This process lasted for three minutes. After three minutes, Lin Kai pulled out the silver needle.

And Xu Changkong was also shocked, and saw that he was already sweating.

Xu Changkong stood up and jumped on the spot twice, revealing a look of joy.

He hasn't felt a relaxed feeling in many years, and he feels that his heart is no different from normal people.

No fear of recurrence of heart disease after being stimulated or stressed!

"I'm fine?" Xu Changkong looked at his body with an incredible expression.

Lin Kai smiled slightly: "You can go to the hospital for an examination, you are already well."

Xu Changkong laughed loudly, with a look of joy: "No need to check, I know in my heart, I'm really better!"

After Xu Changkong said, Master Ku could no longer control his emotions. He only heard a plop. Master Ku knelt directly in front of Lin Kai, and the three beeps directly knocked down.

boom! boom! boom!

“The medical saint is reborn! Teacher, please accept me as a disciple today, otherwise I will not be able to kneel!”

Chapter 477: Luxury Gifts

Chapter 477

Master Ku knelt directly to Lin Kai.

Everyone was stunned.

Is this still a master of bitterness? Is this still the islands first master of Chinese medicine?

Master Ku Xiang is proud of himself, even if he is treating others, it depends entirely on his mood.

Now, such a proud man actually knelt to Lin Kai!

He also begged Lin Kai to accept him as a disciple!

How old is Lin Kai? Looks like only eighteen or nine years old, right?

At such a young age, but with such advanced medical skills, even Master Ku knelt down and begged Lin Kai to accept him as his apprentice.

It's really incredible.

Xu Changkong's son Xu Jinlong also stared blankly at the knelt master, but couldn't react for a long time.

He asked Master Ku to do it, it can be said that he paid a price like blood!

It took a billion dollars to buy an antique at an auction and gave it to Master Ku, who promised to treat his father.

But now, Master Ku knelt directly in front of Lin Kai!

How can Xu Jinlong's heart not be shocked?

Lin Kai held his hands behind his back and looked arrogant, as if Master Ku was kneeling on him Lin Kai, as he should.

“Get up.” Lin Kai said.

"If you don't agree, I won't get up!" Master Ku still knelt in front of Lin Kai.

Lin Kai couldn't laugh or cry, and said, "I promise you, get up."

When the bitter master heard this, he was ecstatic: "Students practice asceticism, and see the master!"

After that, Master Ku gave Lin Kai another knock.

After standing up, Master Ku really followed Lin Kai like an obedient elementary school student.

Master Ku can be described as a medical fanatic. He was crazy about seeing his master using air to give needles!

Pailin was founded as a teacher, even if he couldn't learn Lin Kai's ability to transport needles with air, but Lin Kai is so young, after a few years, Lin Kai's fame will definitely shock China!

When the time comes, his penance will follow!

Then Lin Kai cured Wang Kun in the same way.

After Wang Kun was cured, he went to the toilet and checked it. After he came out, Wang Kun laughed!

Really good!

Master Ku was also cured by Lin Kaishun.

After all three of them recovered, Xu Jinlong was already stunned.

It's incredible.

All three peoples illnesses were extremely difficult to cure or irreversible, but they were cured by Lin Kai's three needles.

After seeing Lin Kai's brilliant medical skills, Master Ku was more respectful of Lin Kai.

Pour water for Lin's tea.

After their illness was cured, Lin Kai heard a systemic voice.

"Do one good every day, continuous merits, host, congratulations on getting one hundred and fifty upgrade points and one hundred and fifty attribute points!"

Three people were healed, and each of them gave Lin Kai 50 attribute points and upgrade points.

Lin Kai has accumulated a total of 290 attribute points and upgrade points!

Lin Kai was quite excited.

Just as Lin Kai was immersed in a person's joy, only a bang was heard, and a vase was placed in front of Lin Kai.

Lin Kai was taken aback and looked at the vase.

I saw that it was a white and blue vase with clear lines, very smooth, and texture to the touch.

And it seems that the age of this vase is very old.

"This is a vase from the Tang Dynasty, from the hands of Master Liu An." Master Ku said with a slight smile.

A vase from the Tang Dynasty! Lin Kai was shocked. It turned out to be something from the Tang Dynasty. After so many years, the vase was so intact.

It's really shocking!

"Master, the students don't have anything to give you, so they borrowed flowers to present the Buddha, and gave the golden dragon a billion-dollar vase to you."

This is the vase made by Xu Jinlong for a billion!

But Lin Kai didn't know much about antiques either, and nodded, "Thank you, then."

Lin Kai accepted it casually. The bitter master had a very strong temper. If he didn't accept it, he might not let it go.

Besides, he cured his syphilis by himself, and it was nothing to collect a vase.

Go back and give this vase to your grandfather Liu Futong, so you don't have to deal with it.

Just after receiving the vase, Xu Changkong pushed a bank card.

"Brother Lin, you saved my life and cured my congenital heart disease. I can't repay it. There are 3 billion in this bank card. Please accept it!"

"Fuck me!"

Lin Kai couldn't help but explode.

Saved a life and got 3 billion?

"Too much, right?" Lin Kai swallowed.

"Not much, who hasn't been born, old, sick, or died? Brother Lin, if you don't accept it, then I'm sorry to trouble you in the future!"

"okay then"

Lin Kai accepted the bank card.

As soon as he accepted the bank card, Wang Kun put a car key on the table with only a snap.

At first glance, it was a Rolls-Royce car key.

"Boss, I am not as wealthy as they are. This car was customized by me. It was just delivered yesterday. I have asked someone to drive downstairs and give it to you!" Wang Kun said.

Lin Kai cured his refusal, what does it mean to send a car? Even if Wang Kun was asked to give Lin Kai his seaside villa, he would not blink.

"Then I, Lin Kai, thank you all!"

Lin Kai accepted it together.

After talking and laughing with everyone, Lin Kai left the teahouse.

He came to a nearby bank and transferred the money from Xu Changkong's bank card to his black card.

There are currently 10.8 billion in Lin Kai's bank card!

The balance is terrible.

Afterwards, Lin Kai came to the parking lot of the tea house and drove the Rolls Royce.

After seeing that Rolls Royce, Lin Kai was stunned.

Really **** it is a customized Rolls Royce!

This is completely a tank!

Bulletproof tires, domineering and atmospheric, matte bulletproof body, low-key but domineering.

Even the glass is bulletproof, and the headlights are the top three-level lights abroad! The kind that can blind people's eyes.

The Rolls-Royce logo is made of pure gold!

This Rolls Royce can be said to be a small tank.

And it also has its own name, Rolls Royce, Overlord!

To customize a vehicle from a Rolls-Royce company, it is not only money, but also contacts!

If it doesn't matter, it is impossible to build such an overbearing car. This car is worth at least 500 million!

At that time, Lin Kai got into the car, drove this Overlord, and took to the street.

Sure enough, Lin Kai immediately became the focus as soon as he took to the street. This Overlord was really eye-catching.

Soon after, Lin Kai returned to Liu's house.

Lin Kai carried several gift boxes in his hands. These were gifts he prepared for everyone in the Liu family.

It was already ten o'clock in the evening, and everyone in the Liu family was watching TV in the living room. After Lin Kai walked into the living room, everyone looked at Lin Kai in unison.

After seeing Lin Kai carrying the big and small bags, Liu Qiao smiled playfully: "Yeah, Lin Kai, have you got the hang of it? Know how to honor our Liu family? It's rare!"

Chapter 478: We Don't Want Fakes

Chapter 478 Fake, We Don't Want It!

Everyone in the Liu family looked at Lin Kai in surprise.

Before Lin Kai came to Liu's house, he always came empty-handed. This time Lin Kai brought gifts, which is really rare.

Faced with Liu Qiao's mockery, Lin Kai pretended not to hear him, and put the gift directly on the table.

Seeing that there was a gift, everyone in the Liu family leaned over.

Uncle Liu Qiang glanced at him, showing a look of disgust: "What are these things? Isn't it a stall?"

Lin Kai took out two Chinese cigarettes from the bag and handed them to Liu Qiang.

"Uncle, I know you love to smoke, this is yours."

After all, Lin Kai put Zhonghua cigarettes on the table.

Liu Qiang glanced at the Zhonghua cigarette, but he didn't appreciate it: "Oh, I don't dare to ask for something from your Young Master Lin! Who knows if this cigarette is serious?"

Chinese cigarettes are not cheap, two of them cost thousands of dollars.

Lin Kai doesn't care whether Liu Qiang appreciates it or not. He gave this gift. Would you like it or not?

Afterwards, Lin Kai took out another boutique gift box and placed it in front of his second uncle Liu Yong: "This is a watch."

Hearing this, the second uncle Liu Yong opened the gift box in front of everyone.

After opening the gift box, I saw a very luxurious diamond watch lying in the gift box, Rolex's!

Green water ghost!

Rolex's green water ghost, if it is a genuine product, is worth hundreds of thousands!

Lin Kai shot so generously?

Although his second uncle Liu Yong earns one million a month, hundreds of thousands of watches are also a very valuable gift for him.

"Fake?" Liu Yong threw the watch on the table with a look of disgust.

He raised his eyebrows: "Lin Kai, although your Lin family is rich, as far as I know, your pocket money is controlled, right? You will die for only 30,000 yuan pocket money for a month. Can you buy it with money? Rolex?"

After all, Liu Yong smiled contemptuously.

Uncle Liu Qiang also sneered: "Hehe, I really thought that by bringing some fakes over, we could fool our Liu family? Who is a fool?"

Liu Qiao held his arms and rolled his eyes: "Lin Kai, you are so promising! Use some fakes to fool us."

"Our Liu family treats you well, right? You really let us down!"

Lin Kaisi disregarded Liu Qiao's mockery, took out a gift from the gift pile and placed it in front of Liu Qiao.

It was a necklace that Lin Kai bought specially for Liu Qiao.

Worth hundreds of thousands!

The brilliant diamond necklace is very beautiful. There is a diamond pendant on the silver necklace. It is not a broken diamond, but a complete diamond!

After seeing such a big diamond, Liu Qiao was not tempted at all, and didn't even touch it.

"Hehe, when I Liu Qiao doesn't know the goods?"

"Your aunt, I have a lot of jewelry!"

"Is it real or fake? I can tell at a glance!"

"Such a big piece of diamond is worth at least 500,000 yuan, Lin Kai, you can afford it? Is it interesting to fool me with fakes?"

After all, Liu Qiao threw the diamond necklace directly into the trash can.

Liu Qiang sneered and threw two Chinese cigarettes into the trash can.

Liu Yong threw the Rolex into the trash can with a look of disdain, and didn't look at it any more.

Lin Kai looked indifferent, didn't you say I didn't care? Now that your mind has arrived, even if you throw them all away, it has nothing to do with Lin Kai!

At that time, Lin Kai took out the blue and white porcelain given by Master Ku.

Unpacking the blue and white porcelain body, a very beautiful blue and white porcelain vase was displayed in front of everyone.

The blue and white porcelain looks very beautiful, the preservation is very complete, the cyan texture is random without losing the atmosphere, and the shape of the porcelain vase is very symmetrical.

“Grandpa, this is for you, the blue and white porcelain of the Tang Dynasty.” Lin Kai said.

Liu Futong narrowed his eyes and looked at the blue and white porcelain sent by Lin Kai.

Liu Futong knows antiques. At that time, he held a magnifying glass and looked at it for a long time.

Finally, Liu Futong touched his beard and curled his lips: “It looks so good! Even I can’t see the slightest flaw!”

“but!”

Liu Futong looked at Lin Kai and sneered: “Hehe, if it is really a blue and white porcelain from the Tang Dynasty, this antique is worth no less than 800 million!”

“Lin Kai, do you have that much money?”

“So, this is a fake! Parallel goods!”

“Lin Kai, Lin Kai, you really disappointed me. You actually used some fakes to prevaricate us. Are we really fools?”

Liu Futong ridiculed, and slapped the table, Long Yan was furious.

Liu Qiang saw his father get angry, and directly lifted the blue and white porcelain on the table, and fell to the ground severely.

With a snap, the blue and white porcelain was torn apart into a pile of fragments.

Liu Qiang spit out thick sputum on the debris, and said coldly: “Since it is a fake, then just drop it off!”

“Some people are really upset and kind!”

“I bother!”

Facing Liu Qiang’s ridicule, Lin Kai remained indifferent. Even if the one billion blue and white porcelain was smashed, Lin Kai did not blink his eyes.

At that time, Lin Kai took out his last gift, a bracelet for his grandma.

Lin Kai took out the dragon and the phoenix, this bracelet is worth 35 million! It is the best among bracelets.

Lin Kai put the gift box in front of his grandmother, and finally a smile appeared on his face: "Grandma, I gave this to you. Take a look."

Grandma Liu also laughed from ear to ear, and nodded again and again: "Hey! Xiaokai gave it away, even if it is a stone, I like it!"

With that, Grandma Liu opened the gift box and saw a bracelet made of sterling silver lying in the gift box.

The bracelet is extremely beautiful. It depicts a dragon on one side and a phoenix on the other. The position of the bead in the middle is a green gem, the dragon and the phoenix are auspicious!

Seeing such a beautiful bracelet, Grandma Liu couldn't put it down.

Liu Qiao sneered beside him, "Hehe, the bracelets are all bright and almost shining. They are not made of stainless steel?"

Lin Kai glanced at Liu Qiao and said, "Auntie, the things I gave you are all real, so don't question it."

"Really?" Liu Qiao smiled with his arms folded: "You can deliver real things and the sows can go up the tree. Do you think we are all fools?"

Liu Yong sneered on the side, picked up the kettle, and poured the hot water into it.

There was a piercing sound, and the Rolex watch and necklace were all scrapped.

Liu Yong also wanted to throw in Grandma Liu's bracelet, but Grandma Liu desperately protected it.

"What rubbish, we don't want it! Lin Kai, we can't bear your kindness!"

"Go back and tell you father, when will we divide the Lin Group's shares in half, and then come to give gifts!"

Lin Kai's eyes were completely cold at this time: "Does my Lin family owe you the Liu family? In that case, Lin Kai says goodbye!"

After that, Lin Kai turned around and walked directly out of the living room.

"Xiao Kai!" Grandma Liu saw that Lin Kai was about to leave, and just thought of getting up to stop Lin Kai, but Liu Qiao pressed it back on the sofa.

“Oh, mom, just the white-eyed wolf, let him go if you want to go!”

“Can’t you see? He can’t hang around on the island anymore, so he gave gifts to favor our Liu family!”

“It must be a big man he can’t afford to provoke, and he wants to seek asylum from our Liu family!”

“Such a waste, let’s stay away from him!”

After Liu Qiaogang said this, he saw the latest local news on the island on the TV.

“The latest news is that at the triennial auction meeting on the island, a piece of blue and white porcelain from the Tang Dynasty was sold at a sky-high price of one billion yuan, and the buyer anonymously auctioned it...”

“At the same time, in the Changkong Shopping Mall, a young man used the Supreme Black Card of the Changkong Group to buy a bracelet, but the salesperson questioned that the card was a fake card...”

Chapter 479: Authentic

Chapter 479

As soon as the news on TV came out, everyone in the Liu family was attracted.

Tang Dynasty blue and white porcelain?

The blue and white porcelain of the Tang Dynasty on the TV seemed familiar!

Suddenly, everyone looked at the broken blue and white porcelain on the ground.

This blue and white porcelain seems exactly like the one on the TV!

Liu Futong was full of spirits, ran to the blue and white porcelain, picked up a piece of fragments and looked at it carefully. After looking at it for a long time, Liu Futong’s hands holding the fragments trembled.

“This...” Liu Futong stammered speechless, his face turned pale in an instant, as if he was ten years old.

Liu Qiao and others hurriedly surrounded Liu Futong.

“Dad, what’s the matter?” Liu Qiang asked quite concerned.

When Liu Futong spoke, his voice was trembling: “This is true!”

“This is a genuine product! Not an imitation!”

“I said how can I not see a trace of flaws? This blue and white porcelain is the same as the blue and white porcelain on TV!”

Liu Futong almost roared.

His heart, that is a pain!

The blue and white porcelain, worth a billion, was thrown like this?

The faces of everyone in the Liu family turned pale instantly.

Their Liu family is nothing more than a one-billion-dollar family, and a billion-dollar blue and white porcelain can raise their Liu family by more than one level!

But now, the chance of giving them Liu Jiafei Huang Tengda was shattered by their own hands!

Liu Qiang, who smashed the blue and white porcelain, looked at the blue and white porcelain fragments on the ground and fell into deep thought.

Personally ruined a billion!

“How can Lin Kai have a billion? Is it possible... Is it possible that he has already taken over the assets of the Lin Family?” Liu Qiao asked with a look of disbelief.

Everyone in the Liu family looked very ugly.

After verifying that the blue and white porcelain sent by Lin Kai was genuine, Liu Qiang rushed to the trash can and took out all the gifts that had been scalded by boiling water.

Subsequently, Liu Qiang took out his mobile phone to check the authenticity of Rolex.

After checking the official website, Liu Qiang was dumbfounded, and he sat on the ground.

“Green Water Ghost, Rolex, genuine, price...800,000!”

That’s a watch worth 800,000 yuan!

It was treated as garbage and thrown into the trash can.

Although the Liu family is rich, they are not so lavish that they can’t even look at the 800,000 watches.

Upon hearing this, Liu Qiao also hurriedly pulled out the necklace.

Later, Liu Qiao also inquired about the authenticity of the necklace.

After checking the truth, Liu Qiao was also dumbfounded.

“The diamond necklace of Zhu Dafu, the price is 1.8 million...”

Liu Qiao was dumbfounded.

The 1.8 million necklace has now faded after being burned by boiling water!

Although Liu Qiao is rich, 1.8 million yuan is nearly half a month’s income for her!

Is Lin Kai actually so generous?

A shot is a gift of tens of millions!

Those two Chinese cigarettes do not need to be verified, they are definitely authentic.

But now these expensive gifts are treated as **** by them, thrown into the trash can and scalded with boiling water.

Now, these expensive gifts are all garbage!

The most distressing thing is that blue and white porcelain worth a billion!

One billion! For the Liu family, it can be said to be a windfall!

Although the Liu family is a billion-dollar family, the current capital is not as exaggerated as a billion.

That blue and white porcelain can increase the overall strength of the Liu family by several levels!

But now, except for Grandma Liu’s bracelet, all the other gifts are waste!

At this moment, everyone looked at the bracelet on Grandma Liu’s wrist.

“This bracelet, named Longfeng Chengxiang, is worth 35 million yuan!” Liu Qiang said after reading the news with a very ugly face.

The eyes of everyone looking at the bracelet glowed, 35 million, which was not a small number.

If this bracelet is sold, their Liu family can open at least five or six large Chinese medicine stores!

Since they have lost one billion worth of blue and white porcelain, now they can only cherish the bracelet on Grandma Liu's wrist.

"Mom, it's useless for you to keep this bracelet, why don't you give it to us?" Liu Qiao asked, sitting beside Grandma Liu.

But Grandma Liu covered the bracelet on her wrist: "No! This is a gift from Xiaokai, I can't give it to you!"

"We don't worry about the things Lin Kai gave. We will keep them for you first." Liu Qiang also said at this time.

Grandma Liu pressed her bracelet tighter: "I'm old, but I'm not confused! Xiaokai's kindness is all regarded as donkey liver and lungs by you!"

"Which of the gifts Xiaokai gave you was not his heart? That blue and white porcelain is worth a billion! But it was smashed by your hands!"

"Your words are still so awkward, Xiaokai will definitely not go to the door of our Liu family again in the future!"

"This bracelet was given to me by Xiaokai. I don't allow you to sell it!"

After listening to Grandma Liu's words, apart from regret, everyone hated Lin Kai!

I had known that Lin Kai gave out expensive luxury goods, how could they be willing to throw them in the trash?

At the same time, they hated Lin Kai from the bottom of their hearts. Why didn't you say that the things they gave were so expensive? We threw the gift into the trash can like garbage.

They hate Lin Kai, for no reason, just hate!

"Lin Kai must have stolen the Lin family's money!" At this time, Liu Qiang suddenly said angrily.

"If he has inherited the Lin family property, how can he come to the island?"

"He must have stolen the Lin family's money and dare not be smart in Jiangbei, so he ran to our island!"

Liu Qiang made a thorough analysis.

After hearing Liu Qiang's words, everyone nodded, and Liu Qiao's eyes lit up: "That's good!"

"How could this kid have so much money? Except for one reason, there is no explanation why he has so much money!"

"This kid has always been a waste of money since he was a child, young master, he is a dude who can't afford to support him."

"There is no other explanation for this money except that he stole it!"

Liu Qiao's statement made everyone feel better.

Liu Futong even sneered: "Hehe, I will call his father now to expose his shame!"

"I'm going to laugh at Lin Ting hard! Let him know that his son is a thief who is so lazy and likes to show off!"

After all, Liu Futong took out his mobile phone and dialed Lin Ting's number. Soon after, the call was connected.

"Hello? Father-in-law?" Lin Ting's voice came over the phone.

After the call was connected, Liu Futong's anger suddenly came up, and the anger of smashing antiques just now rushed towards Lin Ting.

"Lin Ting! This is the good son you taught? Steal your Lin family's money and come to our island to be chic! And spend a billion on antiques!"

Chapter 480: Break Jetta

Chapter 480

After listening to Liu Futong's words, Lin Ting was at a loss.

Lin Kai is chic on the island?

Also took the Lin family's money?

Spend a billion to buy antiques?

Lin Ting really didn't understand what Lin Kai was doing, but he knew that Lin Kai absolutely didn't take a cent from the Lin family!

Because he has never put money into Lin Kai's bank card!

Billions?

joke!

It is impossible for Lin Kai to have it!

“What? Father-in-law, what are you talking about? Xiaokai went to the island?” Lin Ting asked suspiciously.

Liu Futong sneered: “Ha ha, your Lin Kai is promising! I bought a blue and white porcelain worth one billion!”

“I also bought a bracelet worth 35 million!”

“Let’s see if your Lin family has less money!”

Lin Ting was also taken aback when he heard Liu Futong’s words.

Lin Kai actually spent more than a billion?

One billion is not a small amount to the Lin family!

Since Lin Kai entered the army, he is no longer the same young man, so Lin Ting is more at ease with him.

But thinking about it now, it’s hard to change your nature!

Maybe Lin Kai really stole the Lin family’s money and went out to be chic!

At that time, Lin Ting directly called the company’s finances.

“Go, let me check the working capital of our Lin Group to see if there is a billion-dollar loophole!”

Soon after, the company’s finances went to inquire.

Soon after, Lin Ting received an answer.

Lin Ting on the other end of the phone was obviously relieved.

“Father-in-law, I know you have some prejudice against our Lin family.”

“But please don’t make these unnecessary jokes!”

“My Lin family didn’t lose a penny, and Xiaokai is not the same as before.”

“Please don’t insult my Xiaokai!”

“Dududu...”

After that, Lin Ting hung up the phone.

“You!” Liu Futong became angry for a while, and wanted to say something, but the phone was hung up.

Liu Futong was so angry that he jumped up, his face flushed.

He cursed and shouted: “Lin Ting! You idiot! There is a billion missing in the family, and I haven’t found it yet!”

“Sooner or later, the Lin Family’s corruption is in your hands!”

...

After Lin Kai left the Lin family, he went directly to a five-star hotel in the center of the island, and spent more than 100,000 yuan to pack a top-notch guest room.

Liu family, Lin Kai didn’t plan to go back.

I will stay in the hotel from now on.

The Rolls Royce that was opened by Lin was parked in the underground parking garage of the hotel.

After sleeping, Lin Kai received a call from Wang Kun after finishing washing up the next day.

Wang Kun said that he would introduce Lin Kai to a big person and meet him at Wang Kun’s house at noon today.

Lin Kaixian had nothing to do and agreed directly.

Take the elevator to the underground parking lot.

The underground parking lot of a five-star hotel is very luxurious.

There are all kinds of luxury cars.

BMW and Mercedes-Benz can be seen everywhere.

There are also several tens of millions of luxury cars.

The underground parking lot of a five-star hotel has a very good environment.

Not only the ground is clean, the lights are bright, and the air quality is also very good.

Soon after, Lin Kai came to the front of his car, but when he came to the car, Lin Kai found that in front of his Rolls Royce, there were several young people standing.

These young people all looked like eighteen or nineteen years old, all dressed in a green dress, all-in-one Adinike.

Among them, there is a girl who looks very beautiful, wearing a white short skirt with broken edges, and her beautiful legs are exposed in the air.

On the upper body, she only wore a small T-shirt with a waistless waist, her waist was gripped, her face was very beautiful, and her eyes were very seductive.

Several young boys were all around this girl.

The girl looked at Lin Kai's Rolls-Royce with envy, and gently stroked the body of the Rolls-Royce with her tender hand, wishing to merge with the car.

"This car is really overbearing!"

"I don't know what the owner of the car looks like."

The young girl said quietly.

On the side, a young man with an unruly temperament laughed: "Hehe, yoyo, don't worry, the person who can afford this kind of luxury car must be an elderly man!"

"I checked this car online. It is a customized version of Rolls-Royce. In our island, few people can afford it!"

"This car is worth hundreds of millions!"

An unruly young man named Ouyang Yan.

He is the son of a rich man in the island, and a rich second generation with a serious and serious reputation.

Yoyo looked at Rolls Royce reluctantly, and said, "Yes, people who can afford to drive this kind of car are definitely bad old men."

"Where is you like Ouyang? At a young age, the BMW has already been driven."

With that said, Yoyo came to a BMW car next to Rolls Royce and stroked the body of the BMW car.

Several other young people also held Ouyang Yan.

“That is, who is Shao Ouyang?”

“The eldest master of the Ouyang family!”

“Don’t think Ouyang Shao is only driving a BMW now. After a while, Ouyang Shao inherited the family property and can also bring up a Rolls Royce like this!”

Young people are obviously touting Ouyang Yan.

Can Ouyang Yan afford this luxury car? Naturally impossible.

This kind of luxury car can cost hundreds of millions less, and his BMW is only seven to eight hundred thousand.

Several young people stood in the parking lot and bragged. Lin Kai shook his head and smiled and walked straight over.

“Hello, please give in.” Lin Kai said lightly.

A few of them happened to block Lin Kai driving.

When Lin Kai spoke, several people looked at Lin Kai in unison.

Ouyang Yan narrowed his eyes and looked bad.

“Have you seen anyone here? Go away!” Ouyang Yan directly cursed.

Several other people also stared at Lin Kai sternly, not opening Lin Kai’s eyes at all.

The beautiful-looking yo-yo looked at Lin Kai up and down, and when she found that Lin Kai was all alone, her mouth showed a sarcastic smile.

Lin Kai tilted his head and said with a faint smile: “Haha, you guys blocked my driving.”

“Have you blocked your driving?” Ouyang Yan looked around after hearing this.

On the right side of his BMW is a customized version of Rolls-Royce. This luxury car might be the one made by Lin Kai?

On the left side of the BMW car, there was a broken Jetta parked. This car looked like it was 30,000 to 50,000 dead, and the paint was broken.

After seeing the broken Jetta, the group laughed.

“Hahahahaha! I thought it was a luxury car, it turned out to be a broken Jetta!” Ouyang Yan laughed directly.

The young people who followed him also laughed.

Yoyo even covered her mouth and chuckled slightly. There were only two words in Lin Kai’s eyes, disdain!

The owner of the broken Jetta?

Lin Kai looks so young, eighteen or nineteen years old, and he certainly cannot drive a luxury car.

A broken Jetta is dead!
