## Chapter 481 - 513

### Chapter 481: Long

#### Chapter 481

Ouyang Yan looked playfully, and after seeing that Lin Kai was just a dick, he decided to play with Lin Kai.

At that time, Ouyang Yan waved his hand, and several young people around him directly surrounded the broken Jetta.

“Sorry, I’m in a bad mood today, I just don’t want you to drive!” Ouyang Yan looked like he was slamming into the sky.

Lin Kai was almost looking at Lin Kai with his nostrils.

He deliberately stretched his waist, revealing the BMW car key hanging from his waist, as if showing off.

I dont have a Rolls-Royce, but there is a BMW. Its more noble than your broken Jetta, I dont know how many times!

Yoyo leaned in Ouyang Yan’s arms, his eyes filled with mockery.

Lin Kai also smiled when he saw the arrogant Ouyang Yan.

He seems to have seen his former self, the former Lin Kai, isn't he also an unreasonable young master?

Relying on being rich, don't put anyone in the eyes, bullying and being afraid of hardship, and finding a sense of existence from others.

The swell of money.

Lin Kai smiled faintly and said, "I'm sorry, my car is not that one, it's this one."

After all, Lin Kai pointed to the Rolls Royce next to the BMW.

After hearing Lin Kai's words, these people all looked at Rolls Royce on the side, and after a few seconds of stunned laughter burst out.

"Hahahaha! Fuck, do you want to laugh at me?"

"You said this Rolls-Royce is yours? You don't look in the mirror, do you deserve it?"

"This Rolls-Royce is a customized version! It is worth hundreds of millions, and is it owned by your stinky cock?"

"Stop daydreaming, okay?"

Everyone laughed.

Yoyo couldn't help but laugh, her eyes all turned into crescent shapes, very beautiful.

Ouyang Yan also laughed, laughing, and patted the BMW under his butt.

“Hahaha! Smelly \*\*\*\* can really pretend!”

After the laughter, Ouyang Yan stared at Lin Kai sarcastically, and saw that he hugged his long waist, as if showing off.

Show off that he has such a beautiful girlfriend, but Lin Kai is a single dog.

“Boy, do you know what my car is?”

“BMW!”

“Do you know how much my car is?”

“Eight hundred thousand!”

“You drive a broken Jetta. I’m sorry to admit, I can understand. After all, no one wants to lose face in front of beautiful women.”

“But, you pretend that this is your fault!”

“Ha ha.”

Ouyang Yan sneered, waved, and said: “You said this Rolls-Royce is yours? Please! I want to see if you have the key to this car!”

Hearing that, several young people blocking Rolls-Royce turned away and looked at Lin Kai with a mocking expression.

They didn’t believe that Lin Kai was the owner of this Rolls-Royce.

Lin Kai also shook his head and chuckled, only to see that he took out the Rolls-Royce car key directly from his pocket.

This Rolls-Royce car key is very cool.

The electronic control screen, swipe up, and various options will pop up on the screen.

Lin Kai chose the start button.

I saw Rolls-Royce's closed car light blinds opened directly, and the car lights opened their eyes like an awakened beast, emitting a dazzling light.

Around the body, there are flashing cool lights exclusively for luxury cars.

After detecting the surrounding environment, the car door pops open automatically, and the seats are automatically adjusted to the most comfortable state for Lin Kai.

The Rolls-Royce's engine made a sound similar to the roar of a beast.

This Rolls Royce is not a sports car or a car, but a real muscle armored car!

It is like a lion hunting on the grassland, wild and domineering!

Everyone was stunned by the start of the car.

It is too domineering!

It is indeed a customized version of Rolls-Royce, and everyone's eyes flashed with envy.

What a luxury car!

and many more!

Everyone feels that something is wrong again, this car is actually that stinky?

Everyone looked at Lin Kai in unison, and saw Lin Kai holding the Rolls-Royce car key in his hand, with a playful smile on his mouth.

This luxury car worth hundreds of millions of dollars is really this scumbag!

At that time, everyone's heads buzzed, the amount of information was so huge that they couldn't react.

Depending on Lin Kai's age, but only eighteen or nine years old, he actually drove a Rolls Royce worth hundreds of millions?

Whose son is this?

And looking at his dress, he is extremely simple, this young master, is it too low-key?

Looking at Ouyang Yan's face again, it has become extremely exciting.

He actually lingered in front of others for so long and showed off his BMW.

But now it seems that I am like a joke in the eyes of others!

Rolls Royce, you can buy an unlimited number of BMWs! It can be said that one of his car wheels is more expensive than his own BMW!

As for the girl, the expression on her face changed from disdain to shock and admiration.

Who doesn't like people who can afford to drive a luxury car worth hundreds of millions?

Besides, Lin Kai is so handsome, he looks like Ouyang Yan for several streets!

At that time, only Lin Kai was left in Yoyo's eyes.

Lin Kai walked straight to Rolls-Royce, sat in, and just about to step on the accelerator to leave, but Yoyo blocked Rolls-Royce.

I saw the car lights shine on Yoyo's body, setting off those beautiful white legs even more charming, making people unable to control themselves.

Her face is also extremely beautiful, and her eyes are extremely attractive.

At this moment, Yoyo appeared in front of Lin Kai like an obedient little cat.

As soon as he spoke, the body of every man present was crisp, and his heart was itchy.

"Handsome guy, add a WeChat?" As he said, Yoyo gave Lin Kaifei a wink.

Everyone at the scene was stunned. No one thought that Yoyo would dare to hook up other men in front of Ouyang Yan!

At that time, Ouyang Yan was almost furious! Even if Yoyo is in front of her own eyes, she has never been so charming!

And now, she actually pretended to be a charming look, in front of him, to hook up with other men, is this too much of him?

“Yoyou! You wave hoof, I killed you!” Ouyang Yan scolded, just about to do it, only to hear the sound of a car whistle.

Lin Kai clicked on the horn, hooked his finger at Yoyo, and said lightly: “Get in the car.”

After hearing the words, Yoyo was overjoyed, trot to the position of the co-pilot, opened the car door, and directly sat in.

And Ouyang Yan was almost blown up! He couldn't wait to pull Yoyo out for a fight, but Yoyo sat in a Rolls Royce worth hundreds of millions, Ouyang Yan didn't dare to act rashly at all!

Who can afford to drive a customized version of Rolls-Royce, is it an average person? He can't afford to offend!

### **Chapter 482: Jiang Zheng**

Chapter 482

As soon as the accelerator stepped on, Rolls Royce let out a roar and left the parking lot.

Ouyang Yan and others could only look at the \*\*\*\* of Rolls-Royce in a daze, with a sullen expression.

Soon, this luxury car got on the highway and drove towards Wang Kun's house.

Along the way, Yoyo has been staring at Lin Kai with a very admiring gaze, and the gentle look in her eyes seems to be able to melt away.

Soon after, the car stopped at the gate of Wang Kun's villa.

After seeing Wang Kun's Linhai Villa, he exclaimed: "This is Brother Kun's house!"

Wang Kun's seaside villa is very famous throughout the island.

You naturally know Wang Kun's home.

Is it possible that the man in front of him still knows Brother Kun?

If this is the case, then he must be a great man!

Thinking about it, Yoyo posted Lin Kai.

I saw Yoyo's enchanting body like a snake spirit sticking to Lin Kai's body, opening a small mouth, and a scent of fragrance came to her face.

Yoyo looked at Lin Kai, her hand hooked Lin Kai's chin and whispered, "Brother, let me be your woman, OK?"

If it were an ordinary person, he definitely didn't have such a strong concentration, and he would have been hungry and impatient.

But is Lin Kai and Qi an ordinary person?

He has received professional training in the army, although he can feel an evil fire burning in his body, but he can completely suppress it.

At that time, Lin Kai said coldly: "Leave from me!"

Hearing Lin Kai's cold tone, Yoyo was also taken aback.

Obviously, she did not expect that her beauty plan would fail.

In the island, countless men were played around in their palms, even young masters like Ouyang Yan were fascinated by her, but Lin Kai was unmoved.

Yo-yo didn't dare not leave Lin Kai, so she had to leave him obediently.

Lin Kai opened the door of the car and walked on, Yoyo hurriedly followed.

When they arrived at the gate of Wang Kun's villa, the security guard saw that Lin Kai was here, and quickly went to inform Wang Kun.

Soon after, Wang Kun, who was shirtless, didn't even have time to wear slippers, and ran out in a hurry with bare feet.

"Boss, are you here, boss?" Wang Kun's expression was delighted, his expression was as if he had met his father.

I saw Wang Kun personally greeted Lin Kai in, with a respectful attitude and a flattering expression, nodding and bowing.

Yoyo on the side looked silly.

This is Wang Kun?

This is the islands gray world overlord King Kun?

How come you are like a little brother in front of this one?

Lin Kai strode into the courtyard without even looking at Wang Kun.

Wang Kun also noticed Yoyo at this time, and after seeing Yoyo's stunning beauty, he was also bright.

But then, his eyes became respectful.

I saw Wang Kun nodded at leisurely, and smiled: "Are you a sister-in-law? My name is Wang Kun, and you just call me Xiaokun."

After listening to Wang Kun's words, Yoyo was flattered. Wang Kun, the overlord of the island's gray world, actually called her sister-in-law and asked herself to call him Xiaokun.

Before, she couldn't even think of it.

But now, the fact is happening in front of her, and for a while, she feels like she is dreaming.

Everything is so impractical.

At this time, Lin Kai said lightly: "She is not my woman, she is just an ordinary friend of mine."

After hearing Lin Kai's words, Wang Kun nodded, but he was still respectful to Yoyo.

After all, Lin Kai brought him.

When they arrived at Wang Kun's villa, the three of them came to the top floor. In the open-air swimming pool on the top floor, there were several hot beauties in bikinis playing in the water.

This is Wang Kun's daily life.

Wang Kun laughed in Lin Kai's ear: "Boss, you are a genius doctor! I used to be three seconds, but now, at least thirty minutes!"

Wang Kun admired Lin Kai from the bottom of his heart. Before Wang Kun looked masculine, but in fact, he was very guilty when facing women.

But now, Wang Kun straightened his waist. He dare to say that he has become a man!

Lin Kai said nonchalantly, "Didn't you say you want to introduce me to a big man? What about people?"

Wang Kun nodded: "Yes, this big man will be here soon. Boss, please rest first and I will change my clothes."

After that, Wang Kun went to change his clothes.

Soon after, Wang Kun put on his formal clothes and came to the top of the building.

This time, there was another person behind Wang Kun.

This person has a sturdy figure, a face with Chinese characters, thick eyebrows and big eyes, and his eyes look sharp.

This is a strong man of 1.8 meters tall, walking with a straight waist and steady steps, as if he had been a soldier.

Wang Kun greeted this person in front of Lin Kai and introduced: "Boss, let me introduce you. This person is Director Jiang from the Medical Bureau, Jiang Zheng."

Hearing that, Lin Kai was moved. The Medical Bureau is still a director. This is a high official!

His grandfather Liu Futong has to spend a lot of money to manage relationships every year, and most of this money goes into the pocket of the Medical Bureau.

"Hello, my name is Lin Kai." Lin Kai stretched out his hand and shook Jiang Zheng.

Jiang Zheng shook hands with Lin Kai, but there was a trace of contempt in his eyes.

After all, Lin Kai is so young, if it weren't for Wang Kun's introduction, Jiang Zheng would definitely not pay attention to Lin Kai.

After the two of them were seated, Wang Kun waved his hand, and several bikini beauties in the swimming pool retreated.

Wang Kun smiled and said: "This time I invite two people here. First, I want to introduce them to you."

"Jiang Zheng, Director of the Medical Bureau, is in charge of the Department of Traditional Chinese Medicine and Western Medicine on the islands. Anything related to medicine and medicine is under the control of Director Jiang."

After Wang Kun introduced Jiang Zheng, he introduced Lin Kai: "This one is my boss, Lin Kai. Not only is he strong, he is also very skilled in medicine."

Upon hearing this, Jiang Zheng sneered.

Strong skill? How strong is Lin Kai with thin arms and legs?

Good medical skills? How clever medical skills can an eighteen or nine-year-old kid have?

"It seems that Brother Lin is no ordinary person to be so appreciated by Brother Wang!" Jiang Zhengke said.

The words were polite, but the disdain in the eyes could be seen by anyone.

Had it not been for the Wang Kun team, Jiang Zheng would have flung his sleeves and left!

Wang Kun smiled and said: "Boss, I invite Director Jiang to come this time, I want you to have a look at Director Jiang."

"Director Jiang has a lot of physical discomfort recently, headaches and brain fever, backaches, backaches, and frequent distractions. It doesn't help to see many doctors."

"Boss, you have good medical skills, you can definitely help Director Jiang."

Wang Kun said, winking at Lin Kai.

Wang Kun knows that Lin Kai's grandfather's family is a medical family, and helping Lin Kai to get to know Director Jiang is equivalent to making Liu's family fly on the island!

But he didn't know that Lin Kai was at odds with the Liu family.

“No, I’m not sick, it’s just that I have been exhausted recently.”

## Chapter 483: Atheist

Chapter 483: Atheist

Jiang Zheng said nonchalantly, directly rejecting Wang Kun’s kindness.

It can be seen that Jiang Zheng’s face is not very good.

After all, he is the director of the Medical Bureau, but now he made a special trip to meet a little kid, and he was very angry.

If it weren’t for Wang Kun’s power on the island, he would have exploded long ago.

What kind of medical skills does an eighteen or nine-year-old kid know?

When Wang Kun heard the words, he smiled and said: “Director Wang, don’t think my boss is young, but the medical skills are absolutely top-notch!”

“You have this little problem, let’s catch it!”

After listening to Wang Kun’s words, Jiang Zheng stared at Lin Kai suspiciously.

“Brother Lin, do you have a medical qualification certificate?” Jiang Zheng asked suddenly.

Practicing qualification certificate is a certificate that every doctor must have. Only with a medical qualification certificate is a real doctor.

And Lin Kai was young, and it didn’t look like he had already passed the medical qualification certificate.

Lin Kai shook his head straightforwardly: “No.”

After hearing that Lin Kai did not even have a medical qualification certificate, Jiang Zheng’s face was completely cold.

This time, Jiang Zheng was not polite, and said coldly: “Then do you know that without a medical qualification certificate, you are not qualified to practice medicine!”

“You have no right to see a doctor for others!”

“Although I don’t know how you fooled Wang Kun, it’s impossible to fool me Jiang Zheng!”

Jiang Zheng's unpleasant words came out.

At that time, the atmosphere was extremely embarrassing. Wang Kun, who introduced the two of them, was mercilessly slapped on the face.

Well, kindly be regarded as donkey liver and lungs, Jiang Zheng doesn't eat this one at all!

"Well, since Mr. Jiang doesn't believe me, then let it go." Lin Kai smiled slightly and nodded.

He didn't care, whether Jiang Zhengxin believed him or not, Lin Kai couldn't control other people's thoughts, and he didn't bother to control their thoughts.

Just be yourself.

Just as Lin Kai got up and was about to leave, Wang Kun stopped Lin Kai and said with a smile: "Boss, don't leave. Today we must speak clearly."

Wang Kun's position is undoubtedly on Lin Kai's side.

Wang Kun looked at Jiang Zheng and said, "Director Jiang, can you still trust me Wang Kun? How can the person I introduced by Wang Kun be an ordinary person? Why don't you let my boss try?"

Hearing this, Jiang Zheng also hesitated.

Although Lin Kai looked unreliable, Wang Kun was a well-known figure on the island, and his vision was definitely not bad.

At that time, Jiang Zheng sneered and said, "Hey, for the sake of Brother Wang, boy, I will let you try."

"However, the ugliness is at the forefront. If you really have that ability, it's okay to say, if I find that you are cheating, I will definitely let you go around!

Jiang Zheng said coldly.

Jiang Zheng's condition is very evil. His illness is different from other diseases.

You can prescribe the right medicine for other diseases, but Jiang Zheng's disease is different. Jiang Zheng has a headache today, his legs will hurt tomorrow, and his stomach hurts again in two days.

There seemed to be something wrong all over, so I went to the hospital for an examination, but the doctor said it was all right.

This strange disease has troubled Jiang Zheng for two years. Jiang Zheng has been tortured for two years, and he has been desperate.

He believes that no one in this world can cure his own strange disease.

Lin Kai opened the golden pupil and glanced up and down at Jiang Zheng's body. Lin Kai found that Jiang Zheng's vitality was very strong, and there was no damage to his whole body.

However, there was a black gas enveloped all over him.

This black energy is so evil that it can't be seen with the naked eye.

Lin Kai couldn't tell what this black qi was.

Suddenly, Lin Kai thought of one of his own skills, the crow skill, and the crow could see the bad luck of the opponent.

At that time, Lin Kai uttered a crow silently.

Afterwards, the scenery in front of Lin Kai changed, and he saw Jiang Zheng in his eyes. He was covered with black air. Above his head, there was a dark cloud with lightning and thunder. This represented Jiang Zheng. A disaster is coming!

Above the dark clouds, there are eight characters: Bad luck is overwhelming, blood and light disaster!

And the thing that exudes bad luck is a pendant on Jiang Zheng's neck.

The pendant is a Jade Buddha pendant, and the pendant is exuding a steady stream of bad luck. It is precisely because of this pendant that Jiang Zheng has been unlucky in the past two years.

"After watching for so long, what do you see?" Jiang Zheng asked.

A sneer appeared at the corner of Jiang Zheng's mouth. Western medicine needs a machine, and Chinese medicine needs a pulse. Lin Kai only uses a pair of naked eyes to see what can he see?

Lin Kai came back to his senses, his face was not very pretty: "Mr. Jiang, you are not sick, but you are crushed by bad luck, and you will soon be bloody!"

As soon as Lin Kai said what he said, the atmosphere at the scene almost solidified!

The expression on Jiang Zheng's face solidified, and he was stunned. After a while, his face became extremely ugly!

He is an atheist, and Lin Kai is simply insulting his IQ!

boom!

With a sound, Jiang Zheng slapped the table, stood up, and said angrily: "Nonsense!"

"What kind of \*\*\*\* and bad luck? Are you a doctor? You don't take the pulse or auscultate. With your naked eyes, you dare to say that I was pressed by bad luck?"

"Where is there any bad luck in this world? I don't believe in evil!"

"You're not a doctor at all, you're a magic stick! A naked magic stick!"

Jiang Zheng was furious.

He looked at Wang Kun and seemed to question Wang Kun.

Wang Kun was also sweating, and he did not expect that Lin Kaiyu was shocking.

It was said that Jiang Zheng was overwhelmed by bad luck. How could Jiang Zheng believe this kind of superstition?

Isn't Lin Kai doing this for death? After offending Jiang Zheng, the Liu family can't survive on the island!

"Boss, are you wrong?" Wang Kun wiped his sweat and winked at Lin Kai.

Lin Kai carried his hands on his back and said straightforwardly: "I'm not wrong, Mr. Jiang was crushed by bad luck, and within two days, there will be blood and light! One person will die, and the whole family will die!"

Hearing Lin Kai uttering such vicious words, Jiang Zheng was so angry that he was almost violent in place!

I saw Jiang Zheng stand up, the burly man standing in front of Lin Kai, angry, his fists clenched, his eyes fixed on Lin Kai, his eyes seemed to be cannibalistic!

"You said I had a \*\*\*\* disaster? You said my whole family was killed? Are you cursing me?"

Jiang Zheng looked ugly.

He was extremely angry. Unlicensed doctors like Lin Kai used some superstitious remarks to fool him, the director of the Medical Bureau. This is simply breaking the ground on Tai Sui!

Jiang Zheng doesn't believe in bad luck, he just wants to put the \*\*\*\* who cursed him into prison, and let him pay the price he deserves!

Lin Kai still said solemnly: "Yes, it is the pendant on your neck that exudes bad luck. It has been two years, and the bad luck accumulated in the past two years will explode. When the bad luck breaks out, you You will die unlucky!"

Chapter 484

"presumptuous!"

Jiang Zheng roared very angry: "Do you know who I am?"

"I am the director of the Medical Bureau!"

"I am atheist!"

"You actually use these nonsense to prevaricate me, no matter what your purpose is, I will not spare you lightly!"

"The Liu family is your grandma's house, isn't it? Wait, I'll check the Liu family thoroughly when I go back to see what shameful things the Liu family has done!"

Jiang Zheng was completely angry.

After saying these words, he glanced at Wang Kun again and sneered: "Wang Kun, you are really getting worse and going back. Who do you associate with? This kind of person is worthy of being your Wang Kun's boss?"

Wang Kun looked embarrassed.

Lin Kai's performance made him very embarrassed!

Wang Kun didn't believe these things, and no one believed them.

This is all right, not only Lin Kai offended Jiang Zheng, Jiang Zheng also hated him Wang Kun.

After all, Lin Kai just cursed Jiang Zheng's family with \*\*\*\* disaster!

"Director Jiang..." Wang Kun wanted to say something, but was interrupted by Jiang Zheng's wave of his hand.

“You don’t need to say anything. You are not at fault with this matter. As for Lin Kai, I will definitely investigate his identity and background after I return!”

“If I find a spot that is not clean, I will immediately arrest him and go to jail!”

Jiang Zheng’s words are decisive, he is not joking!

If it weren’t for Wang Kun’s face, he would arrest Lin Kai now!

He is only temporarily giving Wang Kun a face, and when Lin Kai leaves Wang Kun’s home, it will be his end!

After saying this, Jiang Zheng turned around and left the top floor of the villa.

At this time, Lin Kai narrowed his eyes because he found that the bad luck on Jiang Zheng’s head had condensed to a certain extent, and it was about to burst out!

In other words, Jiang Zheng is about to be out of luck!

With a bang, only Lin Kai could hear this sound, and the dark cloud above his head had already exploded. The dark cloud turned into a bit of bad luck and swayed on Jiang Zheng’s body.

Bad luck is overwhelming, Jiang Zheng is alive soon!

“Director Jiang, listen to my words and stay by my side, I can save your life, otherwise you will die if you leave the Wang family!”

Jiang Zheng heard Lin Kai’s words, and Jiang Zheng almost roared out in anger, Lin Kai was actually cursing him!

I saw Jiang Zheng look back at Lin Kai coldly: “Hehe, look at how I got out of Wang’s house! Look at whether I will suffer a \*\*\*\* disaster!”

After all, Jiang Zheng left without looking back.

But what I didn’t expect was that just after taking a step, Jiang Zheng slipped under his feet. With a pop, Jiang Zheng fell into the swimming pool.

Jiang Zheng stroked a few times during the swimming, and then his head emerged. Jiang Zheng squatted on the shore in embarrassment and shook the water on his body.

At that time, Jiang Zheng’s face turned black.

“What a \*\*\*\* bad luck!” Jiang Zheng still didn’t take Lin Kai’s words to heart, thinking it was just an accident.

“Director Jiang, change into clean clothes and leave?” Wang Kun asked with a smile.

Jiang Zheng was in a bad mood and ignored Wang Kun at all, and went straight out.

But he had just walked two steps when he saw a parasol on the side suddenly fell down and hit Jiang Zheng!

Jiang Zheng didn't expect the accident to happen so quickly, he didn't react at all, he was directly smashed by the parasol!

At that time, a blood stain appeared on Jiang Zheng's forehead, and he was obviously smashed to bleed!

Wang Kun hurried over to move the parasol aside, and helped Jiang Zheng up.

At this time, Jiang Zheng was wet, his forehead was bleeding from the parasol, and he was really embarrassed.

Jiang Zheng's face was extremely green.

This is too unlucky, right?

Could it be that I was really crushed by bad luck?

Jiang Zheng shook his head, how could it be possible? I was just a little bit unlucky, and had nothing to do with that \*\*\*\* and bad luck.

“Get up.” At that time, Jiang Zheng threw away Wang Kun's hand and walked to the stairs.

When he reached the top of the stairs, Jiang Zheng just took a step. He didn't expect to slip under his feet, and his whole person just rolled off!

At that time, a scream sounded, and Jiang Zheng rolled directly into the courtyard from the top floor!

After Jiang Zheng appeared in the yard, he looked embarrassed.

The suit on his body was in tatters, there were a lot of blood stains on his body, and several large bags were knocked out on his forehead.

Seeing Jiang Zheng stood up swayingly, his Guozi face was almost smashed into a round face.

Jiang Zheng leaned on the wall, panting, looking at the stairs with lingering fear.

It's so risky! Jiang Zheng almost ran into a marble stone corner just now. If he ran into it, Jiang Zheng would definitely die!

At this time, Jiang Zheng began to be afraid.

The first time may be bad luck, the second time may also be bad luck, the third time?

He has been unlucky three times in a row!

Could it be true that as Lin Kai said, he was crushed by bad luck?

Jiang Zheng is still not convinced that there is no such thing as bad luck in this world! I am an atheist, I shouldn't believe in these messy things!

At that time, Jiang Zheng went straight to the gate, and the road was considered smooth. This made Jiang Zheng breathe a sigh of relief. It seemed that it was really just bad luck.

After Jiang Zheng walked out of Wang's house and arrived on the main road, his tense nerves finally relaxed completely.

"All blood and light disasters are deceiving people!"

Jiang Zheng looked back at the Wang's villa and smiled disdainfully.

Jiang Zheng strode towards his car.

But at this moment, a crazy whistle sounded!

A whistling voice sounded from behind Jiang Zheng!

Jiang Zheng looked back subconsciously. At that time, he was so frightened that he almost stared out!

I saw a big truck had crashed into him! The big truck seemed to be out of control and came out of the main road. The target was him!

At this time Jiang Zheng had no time to escape, because the truck was about to crush him into meatloaf!

There is really a \*\*\*\* disaster!

Knowing this time, Jiang Zheng found out that Lin Kai was not fooling him, he was not a magic stick, his blood and light disaster had really come!

Jiang Zheng was very regretful at this time. He knew what Lin Kai said was true, so he should believe Lin Kai, otherwise he wouldn't have to die!

Seeing that the roaring truck was about to hit Jiang Zheng to death, a hand suddenly appeared at the very moment of his life. That hand directly grabbed Jiang Zheng's collar and pulled Jiang Zheng back.

At the same time, only a loud bang was heard. The big truck ran into Jiang Zheng's car and hit the wall with one head. Jiang Zheng's car was directly hit into a discus.

Jiang Zheng had a small life.

"Huh..." Jiang Zheng panted, his whole body collapsed, and he sat down on the ground.

Looking back, I saw that the person holding him was Lin Kai.

Lin Kai put his hands in his pockets and glanced at Jiang Zheng coldly: "Mr. Jiang, now you should believe what I said?"

## Chapter 485: Scheming

Chapter 485

"Congratulations to the host! Save a life and build a seventh-level float. You have gained 50 upgrade points and 50 attribute points for this charity!"

After saving Jiang Zheng's life, Lin Kai gained another 50 attribute points and 50 upgrade points.

Now Lin Kai has a total of 290 points!

The goal is getting closer!

Jiang Zhengxin sat on the ground with lingering fears, panting, the virtual sweat on his forehead was falling drop by drop.

He was fortunate, glad that he had recovered a small life.

If Lin Kai didn't show up just now, he would completely explain here!

In Jiang Zheng's heart, it was a fear, his car had been rammed into a discus, and he was too unlucky!

It seems that what Lin Kai said is true, he was really crushed by bad luck!

Jiang Zheng finally believed what Lin Kai said at this time.

If you are not crushed by bad luck, how can you explain what is happening now?

One after another bad luck, I almost died here just now.

Think about it carefully, it seems that I have been very unlucky for the past two years!

At that time, Jiang Zheng looked up at Lin Kai and clasped his fists: "Little brother, you are really an expert!"

Jiang Zheng is served!

Wang Kun also ran over, and he was also relieved after seeing that Jiang Zheng was fine.

If the Director of the Medical Bureau dies at his door, Wang Kun will be in trouble!

Lin Kai smiled faintly: "Heh, Mr. Jiang, with all due respect, although you have escaped a catastrophe for the time being, if you don't discard the pendant, you will have a second catastrophe soon!"

Just now he vowed to say that he would not trust Lin Kai's Jiang Zheng. After hearing this, he tore off the pendant from his neck and threw it directly.

"This evil thing, get away!" Jiang Zheng looked ugly.

After all, it is a baby that has been worn for two years, and it is still a bit sad after all.

After the three small catastrophes and the big catastrophe just passed, most of the bad luck on Jiang Zheng disappeared immediately, and after the pendant was thrown out, the bad luck on Jiang Zheng disappeared again.

Jiang Zheng at this time is no longer a serious problem.

"After you go back, don't go out. Stay at home for a week, and your bad luck will naturally dissipate. Be careful, all windows at home are open to keep ventilation." Lin Kai reminded.

Lin Kai saved Jiang Zheng's life. At this time, Jiang Zheng couldn't bother to blush. He stood up and bowed to Lin Kai: "Little brother, thank you so much!"

"It was someone Jiang, who had no eyes to know Mount Tai, and ran into you. Please forgive me!"

"From now on, wherever someone Jiang is useful, you speak!"

Jiang Zheng is served!

Lin Kai's vision is too vicious.

At this time, he finally understood why Wang Kun would recognize such a kid as the boss. Wang Kun is not old, but he has unique vision.

He saw something different about Lin Kai.

Lin Kai is not a thing in the pool!

Lin Kai glanced at Jiang Zheng, and said neither humble nor arrogant: "Mr. Jiang has seen you outside."

After hearing what Lin Kai said, Jiang Zheng knew that Lin Kai must still care about what he did just now.

At that time, Jiang Zheng said, "Little brother, don't worry, after I go back, I will take care of the Liu family's business!"

Jiang Zheng patted his chest, indicating that this matter was on him.

Although Liu's family has done the largest business in traditional Chinese medicine on the island, there are still Western medicines to compete.

Over the years, Jiang Zheng has been supporting Western medicine, thus neglecting Chinese medicine.

It seems that the Liu family is the first family of Chinese medicine practitioners, but compared with Western medicine, the profit is scary!

Hearing that Jiang Zheng wanted to help the Liu family, Lin Kai directly refused: "If Mr. Jiang helps the Liu family a bit, don't recognize Lin Kai as a friend."

Lin Kai directly rejected Jiang Zheng.

Hearing this, Jiang Zheng was very embarrassed. He looked at Wang Kun. Lin Kai's rhythm is hard and soft!

Wang Kun hurriedly came out to make a round: "Haha! My boss meant that Liu's business is good, so I don't need to take care of Director Jiang! Hahaha!"

"Come on, Director Jiang, come first to suppress the shock."

Mr. Jiang smiled awkwardly and entered the Wang family.

...

Soon after, Lin Kai left Wang Kun's home.

The relationship between him and Jiang Zheng has also eased somewhat.

I drove to the Rolls Royce and took Yoyo to the parking lot of the five-star hotel.

After arriving at the parking lot, Lin Kai glanced at Youyou.

"Now, get out of the car." Lin opened his eyes cold.

"Huh?" Youyou stunned.

Originally, Lin Kai took her back to the hotel, she was quite happy, thinking that Lin Kai would do something wrong with her.

But when he got to the hotel parking lot, he actually let himself get off?

"Get off the car, don't you understand?" Lin Kai emphasized again.

Why did Lin Kai let Yoyo get in the car? Because Lin Kaifa now has a red air over Ouyang Yan's head, this red air represents Ouyang Yan's disaster!

If you follow him, you might suffer too.

So Lin Kai took her away just to save her life.

Yoyo blinked her eyes innocently, "Lin Shao, won't you take me up?"

You You asked eagerly.

She couldn't wait to see what happened to Lin Kai.

After all, she can see that, just now, even the director of the Medical Bureau was respectful to Lin Kaibi, like such a big man, it will last a lifetime!

"Go down!" Lin Kai shouted sharply.

With this stern shout, Yoyo was taken aback, and she could only obediently open the car door and walk down.

Lin Kai parked his car in the parking lot and strode into the elevator.

Unexpectedly, Yo-Yo also followed in.

"Can I take the elevator?" Yoyo blinked, deliberately showing a cute look.

Lin Kai sighed and ignored her.

After riding to the eighteenth floor, Yoyo followed.

When he came to the door of his room, Lin Kai took out his room card and glanced at Yoyo, he looked helpless.

He was so cruel to women, especially beautiful women like Yoyo.

“What on earth do you want to do?” Lin Kai asked helplessly.

“Don’t do anything, I just want to go in and sit down. When I feel better, I will leave.” Yoyo pinched the corner of her clothes and looked at Lin Kai with big eyes.

Lin Kaixin softened and opened the door: “Come in.”

After hearing the words, Yoyo was as happy as a child, jumping into Lin Kai’s room.

Lin Kai’s room is the most luxurious presidential suite. As soon as you enter the room, you are shocked by the luxurious decoration and spacious space.

“Wow!” Yoyo jumped onto the super large waterbed, and the comfortable waterbed bounced Yoyo.

Lin Kai took off his coat and washed his face in the bathroom.

At this moment, he quickly came to the dining table, picked up a water glass, took out a packet of powdered medicine from his pocket, poured the powdered powder into it, and washed it away with water.

After doing all this, Yoyo sits on the sofa and watches TV like a okay person.

After washing his face, Lin Kai came to the table and drank the glass of water without any precaution.

## **Chapter 486: One Billion Call It Right Away**

Chapter 486: One Billion, Call Now!

After drinking the water, Lin Kai curled his lips: “This water is a bit sweet!”

However, Lin Kai didn’t think too much, because he has a warning cat’s eye, if the glass of water is poisonous, the warning cat’s eye will definitely remind him.

While sitting on the sofa watching TV, Yoyo showed a triumphant smile.

“Shao Lin, I’ll take a bath first, you will wait a moment.”

“Hey!”

Before Lin Kai could speak, Yoyo trot to the bathroom.

Lin Kai was a little dumbfounded.

Things seem a bit tricky!

Originally, Lin Kai thought that she would leave after sitting for a while, but she didn’t realize that she had to take a bath!

Just take a bath when you take a bath, Lin Kai disagrees, he is still full of confidence in his concentration.

After lying on the bed for ten minutes, Lin Kai suddenly found that his body seemed to be so strange.

Looking down, Lin Kai was startled, his body didn’t know when he would react!

Lin Kai didn’t have any ideas in that regard at all!

Moreover, Lin Kai found that his skin seemed to start to turn red.

There is even a fire, attacking my heart!

Fuck me!

Drugged?

Only then did Lin Kai realize that he had been drugged by that little lady!

Why doesn’t Caution Cat’s Eye remind yourself?

As if he knew what Lin Kai was thinking, the system reminded Lin Kai, “It is not dangerous to be drugged, it is spring.”

“I’m going to your mother!” Lin Kai scolded.

“Hehehe…” The system let out a lascivious laugh.

At this moment, with a click, the bathroom door opened.

When Lin Kai looked at it, his eyes were straight!

I saw Yo-yo walking out of the bathroom wrapped in a bathrobe, stepping on the catwalk, and although she had removed her makeup, she still couldn't hide her charming face.

Yoyo's figure is very hot.

A pair of white legs are smoother and more tender, more beautiful than the model's legs.

It can be said to have the face of an angel and the figure of a devil.

The wet hair draped casually on the shoulders, and the energetic and blurred eyes were even more uncontrollable.

"Shao Lin..." called out leisurely.

This sound made Lin Kai tremble all over.

"It can't be done, it can't be done!" Lin Kai didn't look at Yoyo, trying his best to control himself.

You must hold onto it!

He is a virgin!

But Yo-yo was so charming that Lin Kaiqing couldn't help but want to take a look.

After taking a look, I couldn't hold it again.

I saw Yoyo sitting on the edge of the water bed, her hand resting on Lin Kai's shoulder.

A little cherry mouth: "Lin Shao..."

The deep voice shocked Lin Kaihu's body, almost unable to control himself.

Calm! You must calm down!

But then Lin Kai couldn't calm down, because as soon as Yoyo unbuttoned her bathrobe, she was about to pounce on Lin Kai.

At this moment, Lin Kai didn't know where the courage came from. He buckled the quilt on Yoyo's body, wore slippers, and ran out of the room like flying away.

Yoyo looked at Lin Kai's back and went silly.

Is the medicine that you have given yourself a fake medicine? This doesn't work?

Yoyo has always been confident about her charm, but now she doubts whether she is beautiful or not. Ordinarily, even a man can't stand her seducing her.

But Lin Kai withstood it!

Is it possible that he has what kind of disease?

Youyou began to wonder if Lin Kai was a man with a normal sexual orientation.

Lin Kai shut himself into the bathroom, opened the shower head, and took a cold shower. After the cold shower, Lin Kai finally calmed down.

In this way, Lin Kai stayed in the bathroom for an hour, and only dared to come out after confirming that the effect of the medicine had passed.

After coming out, Lin Kai found that You You had left.

It seemed that she finally knew that she had retreated, Lin Kai breathed a sigh of relief, lying on the bed, feeling a little tired, and went to sleep.

Early the next morning, Lin Kai was woken up by the ringing of his cell phone.

I took out my cell phone and saw that it was actually a call from Liu Qiao.

"Hey?"

"Lin Kai, the Liu family needs your help for something, so let's come over." Liu Qiao seemed to be ordering Lin Kai, with a domineering tone.

Lin Kai laughed: "Oh, auntie, just talk on the phone if you have something, I won't go to Liu's house."

After hearing Lin Kai's words, Liu Qiao on the phone was also taken aback.

Lin Kai, who has always been smooth, why did he blow up his hair today? Dare to disobey her orders?

"If I let you come, you will come, where is so much nonsense?" Liu Qiao said sharply.

"Who do you think you are? This is an island! The site of our Liu family! Get out!"

"Dududu..."

The phone was hung up.

Liu Qiao on the phone was pretty sure, and Lin Kai would come over soon.

Nothing else, just because of their Liu family's deterrent power on the island.

If Lin Kai wants to wave on the island, he must rely on her Liu family!

Lin chuckled and threw the phone on the bed, ignoring Liu Qiao at all.

Liu Jialin Kai has been there several times, every time he touched the dust of his nose, and again and again, Lin Kai would never step into Liu's door!

Washed up, ate breakfast downstairs, and massaged on the massage chair for a while. After returning to the room, Lin Kai's phone was blown up!

There were dozens of missed calls, including Liu Qiao, Liu Yong, and Liu Qiang.

Lin Kai called back, and as soon as the call was made, Liu Qiao's shrew-like voice rang out on the phone: "Lin Kai! You are so brave. Our Liu family has been waiting for you for more than an hour. Are you not coming?"

"Do you not want to hang out on the island?"

"Our Liu family is usually so kind to you, but you are good. When I heard that something was going on, I didn't even enter Liu's house."

"There is really no filial piety at all! Don't even your grandpa and grandma invite you? What a white-eyed wolf!"

"How can the Lin family have you such a bastard!"

Liu Qiao directly insulted Lin.

Lin Kai sneered: "Haha, Liu Qiao, I warn you!"

"My Lin Kai is not someone you can afford!"

"Don't scold me bastard, if there is another sentence, I will definitely make you pay the price you deserve!"

"Don't think I'm joking, my patience is also limited!"

When Lin Kai's tone cooled down, Liu Qiao over there wanted to curse.

But when she thought that she wanted to ask Lin Kai, she suppressed the breath in her heart.

"it is good!"

“Lin Kai, then I’m straight to the point!”

“Chentang Pharmaceutical has hunted our Liu family! The Liu family’s capital chain has broken, and the inventory is insufficient, and it is about to go bankrupt!”

“You call us one billion now, your grandpa’s card number, you are limited to ten minutes!”

Hearing that, Lin Kai laughed: “Hehe, am I obligated to give you money? The blue and white porcelain I gave you is worth one billion, right?”

## Chapter 487: Red Cross

### Chapter 487 Red Cross

“You!” Liu Qiao was speechless for a while.

Indeed, that piece of blue and white porcelain is worth one billion yuan, which can completely close the gap in Liu’s capital chain.

But that piece of blue and white porcelain was broken by their Liu family!

Has become a pile of debris!

“That blue and white porcelain has been smashed, and you haven’t seen it. You deliberately want to embarrass your aunt, am I?” Liu Qiao said angrily.

“I am embarrassed? I lend you money, it is love, not to lend you, it is my duty, why is it embarrassing?”

“You!” Liu Qiao was speechless again.

Lin Kai sneered: “Haha, auntie, please don’t call me again in the future, I won’t help with the Liu family.”

“Dududu...”

After all, Lin Kai hung up the phone.

After several previous visits to Liu’s house, Lin Kai was already chilling.

Again and again, Lin Kai went to Liu’s house three times, but the Liu family didn’t give him a good look.

Lin Kai is not a fool either, so naturally he won’t use his hot face to stick someone’s cold ass.

Putting on his clothes, Lin opened the door.

His task today is to donate one billion!

Opening the map, Lin Kai found the local Red Cross on his phone.

Generally speaking, the Red Cross is more reliable. The Red Cross is mainly engaged in rescue of refugees, rescue of wounded soldiers and relief of victims.

Lin Kai donated the money to the Red Cross, and he was more assured.

After taking a taxi to the gate of the Red Cross, Lin Kaigang wanted to walk into the Red Cross, but saw someone she knew very well.

It turned out to be Liu Qiao!

At the door of the Red Cross, Liu Qiao wandered down the steps anxiously.

Soon after, a man walked out of the Red Cross.

The man is 1.80 meters tall and looks very tough. Wearing a suit, he smiled politely after seeing Liu Qiao.

“Hello, Ms. Liu.” The man smiled politely.

Liu Qiao was a little nervous and rubbed his hands: “Manager Wang, this is the case. There is a temporary vacancy in the capital chain of our Liu family, can you...”

Before Liu Qiao finished speaking, Manager Wang interrupted him.

Manager Wang smiled politely: “Ms. Liu, we are the Red Cross, not a bank.”

“But isn’t your Red Cross just helping others? Now that our Liu family is in trouble, can your Red Cross just sit back and ignore it?” Liu Qiao was also slightly angry.

The quality of Manager Wang is extremely high. Manager Wang politely smiled and said: “Hehe, Ms. Liu, our Red Cross is mainly engaged in poverty alleviation activities. Your Liu family’s wealth is billions, and you are not considered poor.”

“If our Liu family can’t pass this level, then we are the poor!”

“At that time, our Liu family will have a debt of several billion!”

“Manager Wang, just say, this is a favor, can you help?” Liu Qiao was also angry and asked.

Faced with Liu Qiao's harassment, Manager Wang frowned and asked: "May I ask Ms. Liu how much do you need? If there is less, I can help you a little bit for the Red Cross."

Upon hearing this, Liu Qiao stretched out his ten fingers.

"One hundred thousand?" Manager Wang asked tentatively.

"Billion!" Liu Qiao replied.

Hearing the number of one billion, Manager Wang frowned.

Ten billion, their Red Cross can't get it!

Moreover, their Red Cross is to help the poor, not the bank to make loans.

"Sorry, one billion, I don't have one." Manager Wang replied.

Liu Qiao heard this, holding his arm, and sneered: "Hehe, I heard that your Red Cross is an organization of benevolent, helpful organizations, and an organization of the reincarnation of living bodhisattvas."

"But when I looked at it today, I think it's nothing more than that!"

"What \*\*\*\* Red Cross, our Liu family is about to go bankrupt, and you still sit idly by."

"You are just a group of beasts who are holding the donation money and being at ease!"

Liu Qiao's export was dirty.

Manager Wang frowned, and he was a little angry: "Ms. Liu, please don't insult our Red Cross."

"In the Red Cross, every money is transparent! Every fundraising made by a customer can be clear about its whereabouts!"

"We only draw a small amount as the principal, please don't slander our Red Cross!"

Liu Qiao hugged his arms: "Okay, I won't slander your Red Cross, now give me one billion, I turn around and leave!"

Manager Wang turned angrily and smiled: "Hehe, what a mess! No wonder your Liu family is facing bankruptcy. It is not surprising that you are bankrupt with someone like you."

"You!" Liu Qiao heard this, furious: "Do you dare to talk to me like this, do you know who I am? Do you believe me a call and sealed your Red Cross?"

After Liu Qiao said, he took out his mobile phone and wanted to make a call.

At exactly this time, Lin Kai passed by quietly.

Liu Qiao also happened to see Lin Kai.

The eyes were facing each other, and the atmosphere in the air was a bit awkward.

After seeing Lin Kai, Liu Qiao sneered: "Yeah, who am I supposed to be? Isn't this the white-eyed wolf raised by our Liu family?"

"When I first came to the island, I ate from our Liu family, drank from our Liu family, and lived in our Liu family."

"As soon as I heard that our Liu family was in trouble, they ran faster than anyone else. I have a dog and he knows to wag his tail at me, Lin Kai, did I arrange a job for you?"

"You just don't know the Zhien Illustrated Report?"

Lin Kai heard this, with his hands in his pockets and a cold expression: "Liu Qiao, work for three thousand yuan a month is also called work?"

"I have only eaten three meals at your Liu's house, right?"

"This is called You En?"

"The gift I gave to your Liu family is no less than one billion, right? This is called a white-eyed wolf?"

"You are purely reversing black and white!"

Liu Qiao looked very ugly when she heard this, holding her arms, even though she knew what Lin Kai said was true.

But she just saw Lin Kai upset!

Because Lin Kai embarrassed her!

She hated Lin Kai in her heart.

She was even more jealous that Lin Kai was the son of Lin's parents, who had so much money, but did not give her Liu Qiao.

"Don't talk so much nonsense! Lin Kai, if you don't help our Liu family, our Liu family won't recognize you!"

“In the future on the island, I ran into trouble, please don’t call our Liu family!”

Lin Kai sneered, “Hehe, don’t worry, I won’t call your Liu family.”

After that, Lin Kai looked at Manager Wang and stretched out his hand: “Hello, Manager Wang, my name is Lin Kai, I want to come to collect donations.”

Upon hearing this, Manager Wang shook hands with Lin Kai enthusiastically and said, “Okay, how much do you collect?”

Lin Kai smiled faintly: “One billion.”

“What?” Manager Wang was dumbfounded, some of which didn’t react.

Billions?

Manager Wang has worked for the Red Cross for so many years and has never met a client who wants to raise one billion donations!

Liu Qiao’s eyes widened too. Lin Kai refused to lend her one billion, but wanted to donate one billion to the Red Cross?

## **Chapter 488: Donate One Billion**

Chapter 488 Donate One Billion

Is this looking down on their Liu family?

“Yeah, Lin Kai, you are so bloated!”

“One billion, do you have that much money?”

“Even if there is, are you willing to donate?”

“Don’t pretend to be in front of me, do you think I’m a fool?”

Liu Qiao sneered, not believing that Lin Huijun donated one billion yuan.

One billion is not a small number even for a large family of hundreds of billions.

Besides, Lin Kai is not the head of the Lin family. Where can he have a billion?

The last time Lin Kai gave the blue and white porcelain vase to the Liu family, Liu Qiao inquired clearly, it was given to Lin Kai by someone else.

Lin Kai gave it to the Liu family again.

Although I don't know why someone would give Lin Kai a one billion vase, but Liu Qiao felt that Lin Kai must not have one billion!

Even Manager Wang frowned, and he didn't quite believe that Lin Kai seemed to have a billion.

Because Lin Kai's age seems to be too young, one billion, that is not a small amount.

"Sir, are you sure?" Manager Wang asked.

Although it was asking Lin Kai, Manager Wang actually gave Lin Kai a step down.

He saw that Lin Kai and Liu Qiao were not dealing with each other, so he wanted to show himself in front of Liu Qiao.

After all, who would donate one billion in idle time?

Customers who usually donate 100,000 yuan are already major customers!

"I'm sure." Lin Kai smiled faintly.

He just wants to donate one billion!

"Yo-yo-yo, it really looks like that!" Liu Qiao laughed out loud, holding his arms.

"If you can donate one billion today, I will eat my phone!" Liu Qiao said without embarrassment.

Manager Wang also kindly reminded: "This gentleman, one billion is not a small amount. You should consider it carefully?"

Manager Wang still doesn't believe that Lin Kai owns one billion. Even if Lin Kai owns one billion, how could he donate it to the Red Cross?

If the average person has one billion, I am afraid that he would have gone abroad long ago!

This time, Lin Kai directly took out his bank card and said: "Swipe the card, I just want to donate one billion!"

Lin Kai said again.

Seeing that Lin Kai was so sure, Manager Wang couldn't refuse Lin Kai again, so he stretched out his hand: "Mr. Then, please come inside."

With that, Manager Wang led Lin Kai into the Red Cross, and Liu Qiao followed in rather shamelessly.

“Hehe, I want to see if you have a billion!”

When he came to an office, Manager Wang took out the credit card machine, and Lin Kai also took out his black card.

“Sir, please swipe your card.” Manager Wang hesitated, but still said.

After swiping the card for a while, a reminder of insufficient balance will definitely appear.

Lin Kai would be very embarrassed then.

Manager Wang also understands Lin Kai. After all, Liu Qiao is a bitch. Who doesn't want to be angry with such a bitch?

But to raise one billion donations, Lin Kai was forced to make a mistake.

Liu Qiao also stared at Lin Kai's bank card. She did not recognize that Lin Kai's card was a black card, but mocked: “If Lin Ting donated one billion yuan, I still believe it, after all, it is for the image of the Lin family.”

“Lin Kai, why did you donate one billion for? You are crying in front of me?”

“You are destined to be wrong today, do you think I will not follow up? Wrong, I just want to follow up!”

“I just want to see with my own eyes you pretending to fail!”

“Swipe your card! The sound of insufficient balance will sound soon.”

Liu Qiao hugged his arms and said arrogantly.

After swiping the card, Lin Kai entered the password, and soon there was a pleasant voice: “The transfer is successful, and the remaining amount is 9.8 billion.”

As soon as this sound rang, the audience was silent.

Manager Wang was stunned, and the smile on Liu Qiao's face gradually solidified.

The transfer was successful?

Lin Kai really donated one billion?

Manager Wang was dumbfounded, one billion!

How many poor children their Red Cross can help!

How many poor children can be built schools for!

Lin Kai really donated one billion!

In Liu Qiao's heart, it was a shock.

One billion, Lin Kai actually has one billion, and Lin Kai also donated the one billion!

Even if he donated one billion, he didn't plan to fund the Liu family. Lin Kai's bank card balance still has 9.8 billion!

This kid is actually a billionaire!

Liu Qiao's face turned red as soon as she brushed it. She had always thought that Lin Kai was a little kid with no abilities, but now she realized that Lin Kai's energy was beyond her imagination.

It seems that he has already begun to take over the assets of the Lin Family, and once he sells it, it will cost one billion!

Take ten billion with you!

Liu Qiao's heart was as uncomfortable as eating shit. If she had a better attitude towards Lin Kai, maybe Lin Yifang would help Liu's family through this trouble.

But now, even if Lin Kai donates one billion, he doesn't help the Liu family.

It took a long time for Manager Wang to respond: "Lin Linlin...Mr. Lin, thank you so much!"

As soon as Manager Wang grasped Lin Kai's hand, tears filled his eyes.

"You have helped many poor children! You have made a great contribution to China's poverty alleviation plan!" Manager Wang said excitedly.

Lin Kai smiled and said, "Oh, yes, yes."

"Don't worry, Mr. Lin, you can add this fund to my WeChat. I promise that every money will be spent on poverty alleviation, so that you can see the progress of poverty alleviation in person!"

Manager Wang said, took out his mobile phone and asked for Galinkai's contact information.

"Red Cross, I can believe it." Lin Kai smiled slightly.

Lin Kai just donated one billion yuan, and Liu Qiao immediately exploded.

With a bang, Liu Qiao slapped the table and said angrily: "Lin Kai!"

"Even if you donate one billion, you won't help the Liu family, right?"

"Well, you are a white-eyed wolf! I always thought you didn't have a billion, but I didn't expect that you have a billion, and you are not willing to help our Liu family!"

"It's because our Liu family is so kind to you, but you repay virtue with resentment. You are really not a thing!"

Hearing this, Lin Kai's eyes colded: "First, my money has nothing to do with your Liu family."

"Second, you Liu family treats me well, you know in your heart!"

"Third, I just donated this billion, and I won't give it to your Liu family!"

After all, Lin Kai pushed Liu Qiao away and walked directly out of the Red Cross.

"Lin Kai! Wait for me, and you will receive retribution!" Liu Qiao's scream came from behind him.

Lin Kai ignored it. After donating one billion, Lin Kai quickly walked out of the Red Cross.

"Congratulations, you have done another good deed, still a great deed, reward you with 100 attribute points and 100 upgrade points!"

Hearing that, Lin Kai was very excited at that time. One billion in exchange for one hundred upgrade points and one hundred attribute points, it was too profitable!

At that time, Lin Kai turned around and yelled: "Wait! I will donate another 9.8 billion!"

## **Chapter 489: Accident Scene**

### Chapter 489

Just as Lin Kai walked out of the Red Cross, he walked back.

At this time, Lin Kai looked excited, he decided to donate all the remaining 9.8 billion!

Because it's so fast to upgrade points and attribute points like this!

If you donate all your 9.8 billion, there will be one thousand points.

One thousand points is enough for Lin Kai to make himself a lot stronger!

Even 10 billion is not a small amount for Lin Kai, but in order to make himself stronger, for revenge, all this is worth it!

At that time, Lin Kai returned to the Red Cross, he wanted to donate all his remaining money!

"Manager Wang, I want to donate another 9.8 billion!" Lin Kai said seriously.

Manager Wang was dumbfounded at that time, Lin Kai actually has to donate another 9.8 billion?

Just now, Lin Kai donated one billion, which is enough for Manager Wang to be shocked. One billion is already the largest donation their Red Cross has received so far!

And now Lin Kai actually has to donate another 9.8 billion!

That is more than 10 billion!

It seems that no one in China has donated more than 10 billion, right?

How cruel is it to donate more than 10 billion?

What kind of background does this person have? Even more than 10 billion are not in sight.

Is this person the son of the richest man in the world?

Otherwise, how could you not even pay attention to more than 10 billion?

In Manager Wang's heart, it was a shock.

At this time, what Liu Qiao hated was a gritted teeth.

She looked at Lin Kai's eyes and seemed to be able to eat people, she wanted to kill Lin Kai now!

Lin Kai refused to lend her money and refused to help the Liu family, but now Lin Kai has donated more than 10 billion to the Red Cross!

That's more than 10 billion! Her Liu family has not accumulated more than 10 billion in so many years!

More than 10 billion, enough to make their Liu family one of the top ten families on the island, and Lin Kai actually donated all of it now!

Liu Qiao is a jealous hate!

"Are you sure? Mr. Lin." Manager Wang's voice was shaking.

If Lin Kai really donates more than 10 billion, the poor children on the islands will be saved, almost many schools can be built, and the lives of poor children can be improved.

Lin Kai will become a great benefactor of the island!

"OK." Lin Kai said seriously.

"Please swipe your card." Manager Wang pushed the credit card machine in front of Lin Kai again.

Lin Kai swiped his black card again, entered the password, and Lin Kai donated all the remaining money!

At that time, Lin Kai received the system's prompt sound in his ear.

"Host, congratulations, you have done another great deed. The system will reward you with one thousand upgrade points and one thousand attribute points."

After listening to the system, Lin Kai was so happy that he wanted to jump up!

It's so cool!

More than 10 billion, in exchange for 1,100 upgrade points and attribute points, for Lin Kai, it was a profit!

Although money is also very important to Lin Kai, who is Lin Kai? Lin Kai is the young master of the Lin family! Sooner or later, Lin Kai will go back and inherit hundreds of billions of property.

Although it hurts to spend more than 10 billion dollars, it is not unacceptable.

What Liu Qiao on the side saw was a gritted teeth, she hated it! She hated Lin Kai for donating more than 10 billion and not giving it to her.

He didn't help her Liu family get through the difficulties. In her heart, the hatred was a bit of hatred.

If she can, she can't wait to kill Lin Kai!

Having donated more than 10 billion yuan, Manager Wang's attitude towards Lin Kai is respectful, and he can't wait to treat Lin Kai as his own father.

As the manager of the Red Cross, his clients donated more than 10 billion yuan, and he can get some commissions more or less.

So he was very excited.

After donating the money, Lin Kai glanced at Liu Qiao playfully, and walked straight out of the Red Cross.

Liu Qiao watched Lin Kai walk out of the Red Cross. She stomped bitterly and followed Lin Kai out.

She swears that after the Liu family has passed this difficult time, she must pay the price that Lin Kai should pay!

Let him know how miserable it would be if he didn't help the Liu family!

After Lin Kai left the Red Cross, he drove a taxi and had to go back to the hotel.

Because Lin Kai can't wait to upgrade!

Now Lin Kai has more than 1,000 attribute points and more than 1,000 upgrade points. Whenever he thinks of upgrading, Lin Kai feels enthusiastic!

That feeling of becoming stronger is really cool!

But before returning to the hotel, there was a sudden bump in the car, and then a loud bang came from the front.

There was a car accident ahead!

A sudden brake sounded and the taxi came to a halt.

Lin Kai hurriedly got out of the car, and when he got out of the car, Lin Kai saw a silver Rolls Royce at the intersection ahead, knocked over by a big truck!

The silver Rolls-Royce was a miserable one. The front of the car was deformed, and there was smoke, and it seemed to be about to explode.

There was a commotion around people.

At this time, a little girl climbed out of the silver Rolls Royce. The little girl sat on the ground with a dark face and started crying.

“Who will save my dad? Who will save my dad? Uuuuu...” The little girl was crying miserably.

The passers-by just wanted to help the little girl, but at this moment, several people got off the back of the big truck!

A few very burly men, each of these men is strong and sturdy, and holds a weapon such as a machete in his hand.

They came to Rolls-Royce and glanced at the person in the Rolls-Royce driver's seat.

“This time, Yang Jianxiong should die, right?” A strong man sneered and said.

A strong man next to him replied: “Hehe, it's okay, if he doesn't die, pull it out and hack him to death!”

This is a murder!

The onlookers at the scene avoided this group of people far, for fear that this group of people would accidentally hurt themselves.

The little girl cried even harder after seeing these burly men.

Several strong men also looked at the little girl, with cruel smiles on their faces.

“This is Yang Jianxiong's little daughter? She is really cute!” A strong man came to the little girl and squeezed the little girl's face with his hands.

The little girl was so scared that she didn't even dare to move.

The little girl looked only three or four years old. She was very cute. The baby's fat little face was full of collagen, and she was wearing a red skirt with two pigtails on her head.

It's just that the little girl now looks a little embarrassed, there are several wounds on her body, and the blood has soaked her little skirt.

The brawny man sneered at this time and raised the machete in his hand: “It's a pity, the money master said, all the people in the car are going to die, you are so cute, then I will let you die faster.”

After all, the strong man raised the machete in his hand, gave a cruel smile, and cut it straight down!

## Chapter 490: Rainy Night Butcher

### 490 Rainy Night Butcher

At this moment, with a muffled bang, the brawny man's machete was held by one hand by one person!

The sharp blade of the machete hit the man's hand, but magically, the man's hand did not bleed.

The brawny man was also stunned. When he looked up, he saw a handsome young man looking at him with contempt.

"You can handle even a little girl, are you still a human?" Lin Kai asked coldly.

The person here is Lin Kai!

This is obviously a murder!

Lin Kai couldn't see how these people actually attacked the child, so they saved the little girl's life.

After seeing Lin Kai, the little girl subconsciously crawled behind Lin Kai. Now only Lin Kai can give her a trace of security.

The passers-by who were watching not far away also exclaimed. No one thought that someone would come forward at such an urgent juncture!

But many people still shook their heads. Lin Kai's spirit is worth learning. However, these brawny men are not easy to mess with at first glance!

The strong man looked at Lin Kai, his eyes narrowed: "Who are you? Do you dare to control our affairs?"

The four strong men behind him approached Lin Kai with machetes, looking bad.

Lin Kai said coldly: "I don't care who you are, it's not right to hurt your children!"

"Then you go to die!" The brawny man is obviously also a ruthless character. If Lin Kai dares to stand in the way, he dare to kill Lin Kai!

At that time, the strong man slammed the machete in his hand, and wanted to take the machete out of Lin Kai's hand!

But he pumped hard, only to find that the machete didn't move!

Lin Kai's hand, like a vise, gripped the machete severely.

Lin Kai smiled disdainfully: "With your strength, are you embarrassed to come out and kill someone?"

After that, Lin Kai applied a light force, only to hear a click, and the machete in the strong man's hand immediately broke in half!

The strong man looked at the machete in his hand, his eyes widened.

My own knife, but a real machete! He tried it, and there was nothing wrong with cutting stones. The quality of the machete was very good.

But now, it was broken by Lin Kai with a hand?

How abnormal is this man's strength?

In the heart of the brawny, ten thousand grass-mud horses galloped past.

The passers-by also screamed, Lin Kai's strength is really amazing!

"It's a practicer, but it's useless!" The strong man threw down the machete in his hand, waved his hand, and the four brothers behind him stood beside him.

As soon as these five people appeared, passers-by screamed.

"Rainy Night Butcher!"

As soon as the words Rainy Night Butcher came out, the expressions of everyone on the scene changed drastically.

Because these four words can be said to be a nightmare for everyone on the island!

Two years ago, the butcher gang committed crimes on a rainy night. Every rainy night, they came out to kill people. In that year, blood was flowing on the streets of the island.

The butcher in the rainy night has become a nightmare for the citizens of the island!

In the past two years, the Butcher of Rainy Night has disappeared. Everyone thought that these five people would not appear, but no one thought that they would actually see the Butcher of Rainy Night here!

Lin Kai also frowned. Lin Kai had naturally heard of the name of the butcher in the rainy night, but he didn't expect to be met by himself.

“Hehe, know who we are? Rainy Night Butcher! Boy, now give you a chance to kill yourself.”

Yuye boss sneered.

Yuye’s second child held his arms in disdain at this time and said: “Boss, what can you do with him? Isn’t it all over if you just kill it? Anyway, the people we killed are not one or two.”

“One more is not more, one less is a lot.”

The five of them looked at Lin Kai indifferently, without opening Lin Kai’s eyes in the slightest.

What if Lin Kai has some strength? They still don’t open Lin’s eyes!

Because they are rainy night butchers who kill countless people! Their strength is not comparable to that of a kid.

Lin Kai tilted his head and smiled, “Rainy Night Butcher, right? Okay, today is the day you were arrested.”

After all, Lin moved.

Lin Kai took the initiative!

I saw on Lin Kai’s fingers, I don’t know when a black finger tiger appeared!

Although this finger tiger is dark and impeccable, it exudes a strong murderous aura!

Lin Kai is going to kill!

Rainy night butcher, Lin Kai will never spare them lightly, because they are the devil who kills countless people!

Lin Kai’s speed was so fast that he came to the boss of Yuye almost instantly.

The boss of Yuye hadn’t realized what was going on, but Lin Kai’s finger had already arrived in front of him!

boom!

Lin Kai’s fingers directly smashed into Yuye boss’s eye sockets. At that time, Yuye boss let out a painful cry. One of his eyes was blown by Lin Kai on the spot!

This was the result of Lin Kai's mercy, otherwise, Lin Kai could blow his head with one punch!

Afterwards, Lin Kai kicked the boss of the rainy night out!

In the rainy night, the butcher's complexion changed drastically, and they raised their machete and slashed towards Lin Kai.

But they couldn't catch up with Lin Kai's speed!

Almost instantly, Lin Kai almost teleported to the front of Yuye's second child and punched him in the abdomen.

With a muffled sound, Lin Kai punched Yu Ye's second child's body into the air, his body gradually turned into a shrimp shape, his eyes widened, and a mouthful of blood spurted out.

Fly several meters away with one punch!

With a bang, Yu Ye's second child fell to the ground, a strong man of more than two hundred jin, at this time, his life and death were unknown.

Yuye's face changed drastically, and he knew that he had encountered hard stubble today.

But he didn't panic, he threw down the machete in his hand and drew a pistol from his waist!

He opened the safety of the pistol, aimed at Lin Kai, and sneered: "Boy, you \*\*\*\* can shoot!"

"But, is your head as hard as my bullet?"

Lin Kai looked at Yuye's third child with a playful look in his eyes.

Yu Ye Lao Si and Yu Ye Lao Wu also threw down the machete in their hands and took out their pistols from their arms.

"We didn't want to shoot, but you forced it!"

"Boy, your head will be like this watermelon for a while."

boom!

With that said, Yu Ye Lao Si shot a watermelon on a roadside stall, and saw that the watermelon burst at that time and the red flesh was scattered all over the floor.

The corner of Yuye's mouth showed a cruel smile.

"Did you see it? This is your fate! This is your fate!"

Facing the three pistols, Lin Kai smiled slightly, and saw that he stretched out his hand and pointed at his forehead, with a disdainful smile on his face.

"Did you see it? Hit here."

As soon as Lin Kai's words came out, the Butcher on Rainy Night was stunned, and the passers-by around were also stunned.

This is too arrogant, right?

"Boy, aren't you afraid of death?" Yuye asked the third child with cold eyes.

Lin Kai smiled slightly: "Fear! But can you kill me?"

## **Chapter 491: Completely Annihilated**

Chapter 491

In Lin Kai's eyes, there were only contemptuous eyes.

Butcher in rainy night? For Lin Kai before, the Butcher in Rainy Night may be his nightmare.

But for Lin Kai now, Rainy Night Butcher is not enough to fight!

After hearing Lin Kai's arrogant words, Yuye's third and the others became angry and laughed loudly.

"Hehe, since you are dead if you think so, then I will fulfill you!" Yuye's mouth showed a cruel smile.

Then, his finger gently pulled the trigger.

boom!

A gunshot, this gunshot, resounded across the street, and the onlookers screamed. Although they were far away from the crime scene, they couldn't help but back off again.

Everyone really didn't want to see Lin Kai's brain bursting out!

But after a long time after the gunshot, everyone went to see Lin Kai again, but they all gasped.

I saw Lin Kai standing proudly with a hand on his back.

He did not fall.

On the contrary, it was Yuye's third child who had shot the gun. He had fallen to the ground, and a red blood hole appeared on his brow.

I don't know what sharp weapon pierced his head and killed him on the spot!

But Lin Kai's other hand was held on one side of his head, and everyone looked intently and saw a bullet between Lin Kai's fingers!

Lin Kai threw the bullet on the ground with a single throw.

The scene was silent, Lin Kai actually caught the bullet with his hand?

Only a few people at the scene saw the truth of the matter clearly. At the same time that Yuye's youngest shot, Lin Kai threw a stone, and the stone directly broke his head, causing him to die on the spot.

And the bullet in the middle of Lin Kai's finger was indeed shot by the third child of Yuye.

At this time, Yuye's fourth and fifth stared at each other, and both legs trembled.

If they hadn't seen it with their own eyes, they couldn't believe it was true!

A stone that was flicked by Lin Kai's hand can actually exert the power of a bullet!

And Lin Kai's hands can hold bullets even more!

What kind of perversion is this? Is that human being?

No wonder Lin Kai is so arrogant, he has arrogant capital!

Yuye's fourth and fifth looked at each other. They are both murderous and ruthless characters. Naturally, they know that if Lin Kai does not die today, they will not want to leave alive!

"Shoot!" Yuye the fourth roared, and the fifth shot at the same time.

Bang bang bang! Bang bang bang...

A series of shooting sounds sounded, and the two of them blasted out the bullets in the pistol in one go!

So many bullets, I see how you pick them up!

But after lighting up the pistol, they were dumbfounded again.

Lin Kai raised his hands, each hand holding four bullets. Then, Lin Kai opened his mouth and several more bullets were spit out.

Fuck me!

Yuye's fourth and fifth could not help but explode in his heart.

Is this a \*\*\*\* human?

Pick up the bullet with your hand!

And you can catch it with your mouth!

Lin Kai waved his hands and threw the bullet in his hand directly to the ground, with a look of contempt in his eyes.

In fact, if it was a military pistol, Lin Kai might not be able to catch more than ten shots in a row.

But the guns in the hands of the three of them were nothing but earthen pistols, not to mention the power and the rate of fire was not very fast.

In order to prevent the bullet from injuring the citizens, Lin Kai chose to catch the bullet instead of avoiding it.

At this time, the fourth and fifth Yuye had collapsed, and they had no desire to fight anymore, dropped the pistol in their hands, turned and ran!

“Want to run?”

Lin Kai shook his head and sneered.

I saw Lin Kai picked up two bricks from the ground and threw them in the direction of Yuye fourth and fifth escaping.

The parabola that the brick flew out seemed to be perfectly calculated, and it just hit the heads of the two of them impartially. With a plop, they fell to the ground.

A piece of blood shed, and the two lives are unknown.

Lin Kai clapped his hands. There were five butchers in Rainy Night, but when facing Lin Kai, one died, two were injured, and the life and death of two were unknown.

This is Lin Kai's strength!

After Lin Kai cleaned up all the butchers in the rainy night, bold citizens approached the scene.

Soon after, the five butchers of Rainy Night were \*\*\*\* by Wuhuada, and even the dead one was not let go.

Lin Kai quickly came to the little girl, hugged the little girl, turned her back to the butcher in the rainy night, for fear that she would be frightened.

The little girl looked at Lin Kai with tears in her eyes: "Big brother, please, save my dad!"

The little girl pointed to Rolls Royce and said with a cry.

Lin Kai discovered that there was another person among Rolls-Royce!

Lin Kai quickly ran to Rolls-Royce, glanced at the driving seat, and found that there was still a person sitting in the driving seat!

The man was lying on the steering wheel, the airbag had bounced off, and the man was going to be smothered to death by the airbag!

Lin Kai opened the door of the Rolls-Royce and pulled the middle-aged man out of the car.

Putting the middle-aged man on the ground, Lin Kai found that the middle-aged man's injuries were very serious.

Judging by the golden pupil, the middle-aged man had five fractures on his body and suffered severe head injuries. Several fractures have injured his internal organs.

Such an injury cannot be cured if it comes from ordinary Western or Chinese medicine.

Lin Kai frowned, he took off the man's shirt, and then he took out his silver needle.

He is going to give the man an injection!

Seeing that Lin Kai was about to save people, a circle of people immediately surrounded him.

Everyone saw Lin Kai's performance in the fight against the Butcher on Rainy Night, and everyone admired Lin Kai.

But after seeing Lin Kai actually use a silver needle to treat a person with such a serious injury, everyone frowned.

“Boy, don’t save, this person is already dead.”

“Yes, besides, where can silver needles save people? There is no hope when Western medicine comes, let alone Chinese medicine.”

“Young man, the deceased is the biggest, let the deceased rest in peace.”

...

There was a voice of persuasion from around, but Lin Kai ignored it.

After Lin Kai took off the man’s shirt, he put on eight silver needles, and every silver needle was infused with vitality.

The vitality is quickly repairing the injuries in the man’s body.

There are eight silver needles, and one cannot be less!

Why does Lin Kai use silver needles? Silver needles can help Lin Kai transmit vitality into the injured person’s body more smoothly, and the effect is much better than using hands to heal injuries.

Ten minutes have passed, and the mans physical injury has healed seven or eighty-eight, except for a broken rib in his lung, which has not been completely repaired.

Give Lin Kai another minute to completely heal this man!

But at this moment, only a few doctors in white coats rushed in. After seeing the wounded man with silver needles, an attending doctor furiously said, “Naughty!”

Later, he pulled out the silver needle with both hands and threw it on the ground.

## **Chapter 492: Yang Mi**

### Chapter 492

The doctor, wearing a white lab coat, appeared to be in his early forties, wearing a pair of myopia, and a little bald.

As soon as he appeared, the people around him exclaimed.

Because the person here is Li Ming, a well-known western doctor in the island!

Li Ming's name is unknown on the island.

He has been on the island's local TV show, because his medical skills are very good, he is the most well-known western medicine in the island!

As soon as he appeared, everyone present took out their mobile phones to take pictures of Li Ming.

"It's Dr. Li. It seems that this patient is saved!"

"Doctor Li! Is this Doctor Li from our island? It seems that this person is really saved!"

"This person's luck is so good that he can meet Dr. Li!"

...

There was a sound of discussion around, and many people looked at Dr. Li with admiration.

Obviously, Li Ming is very prestigious on the island.

After Li Ming threw the silver needle to the ground, he waved his hand and saw several assistants behind him began to check the man's injuries.

Various machines and drugs have been prepared, and on-site surgery can be performed immediately.

As soon as these doctors appeared, they squeezed Lin Kai aside.

Soon after, Li Ming wiped the sweat from his head and exclaimed: "It's amazing!"

"The scene of the accident is so serious, but the injured is not serious, except for a broken rib."

"What a blessing!"

As soon as Li Ming's words came out, there was a sound of discussion around him.

The car accident is so serious, and the injured just hurt a rib?

This is really fateful!

And Li Ming also looked at the silver needle on the ground at this time, frowning:

"Whose silver needle is this?"

Li Ming's eyes were piercing, watching everyone ask.

Use a silver needle to treat an injured person in a car accident? This is just kidding! None of their Western medicine doctors are sure that they can save the wounded who have experienced such a serious car accident, but some people use Chinese medicine to do it?

Everyone looked at Lin Kai in unison, and Lin Kai also stood up and said, "It's me."

Upon hearing this, Li Ming looked directly at Lin Kai.

I saw Li Ming looking at Lin Kai up and down. After looking at Lin Kai for a long time, Li Ming sneered, "Haha."

"What a fool!"

"It looks like you are only eighteen or nineteen years old, right?"

"Do you know medical skills? Do you have a medical qualification certificate?"

Facing Li Mings questioning, Lin Kai shook his head and answered truthfully: "I am 19 years old this year and have no medical qualification certificate."

"If you don't have a medical qualification certificate, would you dare to rescue the wounded? Besides, can the wounded be treated with these few silver needles?"

"We Western medicine are not sure that it can be cured, but Chinese medicine can?"

"That is to say, this time the injured person is not in serious trouble. If the injured person is in serious trouble, it is very likely that you will die because of your few stitches!"

"Young man, you can't do it if you don't!"

Li Ming reprimanded Lin Kai in a frantic manner.

Lin Kai held his arms with an indifferent attitude: "If it weren't for me, he would have died a long time ago."

As soon as Lin Kai said what he said, Li Ming and the assistants behind him all laughed.

Look at Lin Kai like a fool.

"Hehe, what a joke!"

"Without you, the wounded could still die?"

"The wounded just broke a rib!"

Everyone laughed mockingly.

The onlookers also changed their views on Lin Kai.

Originally, Lin Kai fought against the Butcher in Rainy Night and they were admired by everyone, but now Lin Kai has stood up and can do it, making everyone's impression of him worse.

"Young man, if you don't understand medicine, don't pretend to understand."

"Yes, it's obviously saved by Dr. Li, so don't try your best."

"Young man, your skills are indeed good, but medical skills are not fighting, but you can't save people by getting a needle."

...

There was a voice of persuasion from around, everyone was persuading Lin Kai to stop Lin Kai from acting.

No one believes that Lin Kai saved the wounded.

Everyone believed that it was Li Ming who saved the wounded.

Because Li Ming is a Western medicine, Western medicine has a higher convincing power in everyone's hearts!

In the eyes of everyone, Chinese medicine is not so convincing.

After all, Li Ming is a well-known doctor on the island. Everyone can believe what he said, but Lin Kai, a young man who doesn't know who it is, can his medical skills save the wounded?

Everyone is not particularly convinced.

Lin Kai laughed out with his hands behind his back, "Hehe, I saved the wounded, you believe it or not, and I don't bother to care about you."

After Lin Kai said that, just about to leave the scene, only a Maserati came in, the door opened, and a woman rushed over.

The woman looked in her thirties. Although she was not very young, she still looked charming and hot.

She rushed into the scene directly, came to the side of the wounded, and shouted: "Dad! Are you okay, dad?"

After seeing the people coming, everyone present exclaimed again.

Because the person here is the famous female president of the island, Yang Mi!

It was Yang Mi!

Yang Mi is the first young lady of the Yang family among the top ten families on the island!

And this injured person is actually Yang Mi's father. So, is the injured person the Patriarch of the Yang family?

Everyone inhaled air-conditioning. It was actually the Patriarch of the Yang Family. Whoever hugged the big tree of the Yang Family could fly onto the branch and become a phoenix!

After seeing Yang Mi, Li Ming also showed a pleasing smile on his face: "Chairman Yang, don't worry, my father is fine."

After listening to Li Ming's words, Yang Mi was relieved.

"With Dr. Li's words, I feel relieved." Yang Mi showed a slight smile.

Li Ming looked at Lin Kai with a sneer at the corner of his mouth. He said, "It's just that Chairman Yang, because he is alone, his father's life is almost in danger!"

Hearing this, Yang Mi narrowed his eyes and asked sharply, "Who is it?"

Li Ming looked at Lin Kai directly, pointed at Lin Kai, and said, "It's him!"

"Just now he actually used a silver needle to treat his father-in-law!"

"You know, Chinese medicine is basically useless, he actually used Chinese medicine to treat his father."

"If I hadn't come in time, my father's life would be in danger!"

"Moreover, this man looks so young, only nineteen years old."

"He does not have a medical qualification certificate. If my father is cured by him, no one can afford this responsibility!"

Yang Mi was also furious after hearing Li Ming's words. At that time, Yang Mi looked at Lin Kai.

I saw Yang Mi sneered: "Haha, okay! Dare to save my father without a medical qualification certificate?"

"I think you know my dad? You know my dad is the head of the Yang family, so you want to show it in front of my dad?"

"Want to become Huang Tengda, you are such a disgusting person, are you worthy?"

## Chapter 493: Right Or Wrong

Chapter 493

No matter what the truth is, Yang Mi only believes what Li Ming said.

Because Li Ming is a well-known western doctor in the island city, she believes that Li Ming will not lie to her.

And Lin Kai looks so young, and he's still a street vendor. Can such a person know medical skills?

If you don't even have a medical certificate, you dare to get a needle on your father?

If her father had some shortcomings, she would never let Lin Kai go!

Li Ming also made a sneer on the side, showing a smirking smile.

He just can't understand Lin Kai!

Because he despised Chinese medicine!

Even more despise young people who study Chinese medicine. He wants to let Lin Kai know today that people who study Chinese medicine have no good end!

Lin Kai was also angry at Yang Mi's words.

What a joke!

Saved her father by himself, not only defeated a few killers, but also pulled her father back from the ghost gate.

She didn't want to thank herself, but instead she wanted to bite herself.

Say you don't have shame?

Who is the shameless person?

In an instant, Lin Kai's eyes became cold.

"Whatever, whatever you think."

After Lin Kai spoke, he turned and wanted to leave.

But at this moment, I saw another black Mercedes Benz parked in front of Lin Kai, the door opened, and four burly men in suits and leather walked down from the Mercedes Benz.

Four brawny men in suits and leather shoes directly blocked Lin Kai.

Yang Mi didn't want Lin to leave!

Lin Kai turned his head, glanced at Yang Mi, and asked, "What do you mean?"

"What do you mean?" Yang Mi also laughed: "Hehe, you dare to do something to my father, you must have an explanation today!"

"I said, I saved your father! You don't agree, but please let me go." Lin Kai's tone was not very good.

"You saved my father? What a joke!"

Yang Mi hugged his arms, looking high up.

She pointed to Li Ming and said, "Do you know who this is? Our attending physician at the Central Hospital of the Island City, Li Ming!"

"He saved my father!"

"It has nothing to do with you!"

"Do you think your two broken needles can save my father?"

"Don't be whimsical!"

Yang Mi's words are a nasty one.

And the little girl rescued by Lin Kai came to Yang Mi's side at this time.

I saw the little girl tugging at the corner of Yang Mi's clothes, and said gruffly: "Sister, don't say this elder brother, this elder brother is a good person."

After hearing the little girl's words, Yang Mi hugged the little girl up, his eyes finally becoming softer.

“Xinxin, you are still young, don’t be fooled by these bad guys, he is not a good person, he is a big liar, a big liar with no education!”

Hearing this, Xin Xin glanced at Lin Kai, a little hesitant in her big eyes, she didn’t know whether she should believe what her sister said.

She felt that Lin Kai was a good person.

Yang Mi turned and looked at Lin Kai again, his eyes became cold again: “Now, please give us an explanation, otherwise I will never let you go!”

Yang Mi’s voice became cold.

“What do you want to explain?” Lin Kai asked.

Yang Mi didn’t hesitate, and said, “My father is fine today. I don’t want to embarrass you. Please apologize to my father immediately and promise everyone that you will never use medical skills indiscriminately again!”

After hearing Yang Mi’s words, Lin Kai smiled helplessly and shook his head.

“Sorry, I won’t apologize, your father was saved by me, whether you admit it or not, and my medical skills are for saving people, not for showing off.”

After saying this, Lin Kai also glanced at Li Ming meaningfully.

Li Ming’s eyes were cold at that time.

“Don’t you apologize?” Yang Mi folded his arms and narrowed his eyes.

Lin Kai stood up straight, without the slightest fear: “I am standing straight, why should I apologize?”

“Don’t apologize? Well, I will make you pay today! Let you know what the young and vigorous end is!” Yang Mi waved his hand and said coldly.

As soon as Yang Mi waved his hand, the four brawny men in suits behind Lin Kai immediately approached Lin Kai. They raised their fists and were about to beat Lin Kai!

But Lin Kai’s eyes narrowed, and as they raised their fists, Lin Kai moved instantly!

I saw that Lin Kai’s body was like a bolt of lightning, so fast that people couldn’t see clearly!

With a brush, Lin Kai turned around and kicked a strong man’s chest.

The brawny man was kicked out like a cannonball!

Afterwards, Lin Kai directly swept the other three strong men with a sweeping leg.

It only took Lin Kai less than a second from shot to closing.

In just one second, four well-trained bodyguards were brought down without any muddle.

This is the horror of Lin Kai's skill!

The scene was silent.

Yang Mi looked at the fallen bodyguard stupidly, also dumbfounded.

This kid can actually fight so? The Yang family bodyguard can't even survive a single move?

Lin Kai looked at Yang Mi with bad eyes.

I saw Lin Kai approaching Yang Mi step by step, rubbing his palms.

At this time, Yang Mi finally realized that he was afraid, and stepped back.

"What do you want to do? I'm Miss Yang! Chairman of the Yang Group! Dare to move me, you are dead!"

Although Yang Mi's tone was fierce, there was already a trace of recognition in his expression.

Lin Kai narrowed his eyes and approached Yang Mi, almost facing each other, and he could even feel each other's breathing.

Lin joked: "Hehe, you should be thankful that I don't beat women."

After that, Lin Kai glanced at the man on the ground and said: "His injury has not healed. Although it is not a major problem now, as long as he moves, the broken ribs will pierce the lungs, and the gods will not be able to save them. he!"

After that, Lin Kai strode out of the crowd without stopping.

After seeing Lin drive away, Yang Mi breathed a sigh of relief.

After that, she rolled her eyes and said, "Cut! Who do you think you are? She said that she is a genius doctor?"

“People who dare to hit my Yang family, you are dead!”

“Xiong Da, greet my brothers, dig three feet in the ground, and show me his details. I have to ask him to pay a painful price!”

“Yes!” After Yang Mi said, one of the bodyguards who had been fallen by Lin Kaikai reluctantly agreed.

After that, Yang Mi looked at Li Ming and asked, “Doctor Li, was that kid’s words just now nonsense?”

Doctor Li smiled and nodded, and said: “Yes, Chairman Yang, although my father’s chest was traumatized and his rib was indeed broken, it is not as serious as he said.”

“It can be healed after one month of cultivation, without hurting the lung lobes at all.”

“That kid is just a mountain villager who doesn’t understand anything. Chairman Yang doesn’t have to take such a person to heart.”

## Chapter 494: Meteor Crash

Chapter 494

After Lin Kai left the scene of the accident, he took a taxi and returned to the hotel.

After another great deed, Lin Kai gained one hundred upgrade points and one hundred attribute points.

Now Lin Kai has a total of 1,490 attribute points!

With so many attribute points, Lin Kai wants to strengthen himself!

After returning to the hotel, Lin Kai took a shower, changed into clean clothes, lay on the bed, and glanced at his attributes.

Host: Lin Kai

Age: 19

Sex: Male

Strength: 200

Speed: 200

Response: 200

Stamina: 200

Defense: 300

Heart of the strong: 0/100

Skills: Golden Eye (Gold), Watermelon (Silver), Balloon (Silver), Ganoderma (Gold), Tortoise (Bronze), Mountain Rock (Silver), Yuri (Silver), Furious Ape (Silver), Rhino sticks to the mountain (Silver), Crow (Silver), Flathead Brother extraction ability (Demi-God level) (not available)

Self-created skills: Ghost Kill (Silver)

Upgrade point: 1910

Attribute points: 1490

This is the current attribute of Lin Kai.

There are many upgrade points and attribute points.

Now, Lin Kai is ready to upgrade his attributes!

Only if you have all your attribute points up to three hundred points, you can use the flat head brother extraction ability.

Therefore, Lin Kai had to add all his attributes to 300 points, except for his defense attributes!

Four hundred attribute points immediately disappeared, but Lin Kai still had 1,090 attribute points, so powerful!

Lin Kai is going to add each attribute to 500 points!

In this way, Lin Kai had ninety attribute points left, and Lin Kai would not move for these ninety attribute points.

After deciding to add something like this, Lin Kai directly clicked to confirm.

In his ears, the sound of the system came.

“Because of adding too many points, the process of adding points may be very painful, are you ready for the host?”

Lin Kai nodded heavily, in order to make himself stronger, he could bear it!

At that time, Lin Kai said: "I'm ready, come on!"

As soon as Lin Kai's voice fell, his attributes began to grow stronger.

Then, a sudden pain came, and Lin Kai's internal organs and bones changed.

Even the flesh and blood cells have undergone subtle changes.

Lin Kai's strength is strengthening, and his reaction and speed are also strengthening. Now Lin Kai is strengthening every part of his body!

The pain brought to Lin Kai was also unbearable by ordinary people.

At this time, Lin Kai only felt that his internal organs seemed to be swallowed by bugs!

The muscles all over his body are painful like a knife cut!

This feeling is really tormenting!

At that time, Lin developed a roar!

Fortunately, the soundproofing of the hotel is good, otherwise it can scare the young man next door!

Ten minutes later, Lin Kai was already sweating profusely, and his clothes and sheets were wet with sweat.

Twenty minutes later, Lin Kai was pale, lying on the bed, his whole body numb.

At this time, Lin Kai finally understood how life is better than death!

One day later, Lin Kai breathed a sigh of relief, the pain finally disappeared, Lin Kai finally finished adding some points!

Lin Kai laughed out loud.

"hahahahahahahahaha!"

Lin Kai began to laugh wildly.

Although the process of getting stronger is painful, the feeling of getting stronger is really cool!

Then open his own attribute table to see that Lin Kai is already much stronger than before!

Host: Lin Kai

Age: 19

Sex: Male

Strength: 500

Speed: 500

Response: 500

Stamina: 500

Defense: 500

Heart of the strong: 0/100

Skills: Golden Eye (Gold), Watermelon (Silver), Balloon (Silver), Ganoderma (Gold), Tortoise (Bronze), Mountain Rock (Silver), Yuri (Silver), Furious Ape (Silver), Rhino sticks to the mountain (Silver), Crow (Silver), Flathead Brother extraction ability (Demi-God level)

Self-created skills: Ghost Kill (Silver)

Upgrade point: 1910

Attribute points: 90

What excites Lin Kai most is the extraction ability of Brother Flathead, which has changed from unavailable to usable!

Although the CD time of this skill is relatively long, every time it is used, it can only double the time of Lin Kai's ten-minute attribute.

But for Lin Kai, it was enough!

Each attribute has reached five hundred points, and after using the flat head brother to extract the ability, it can reach a terrifying thousand points!

This is Lin Kai's current perverted strength!

Now facing Ye Nantian, Lin Kai felt that he could defeat Ye Nantian!

Glancing at his upgrade point, Lin Kai felt that he could now upgrade his silver skills!

Taking a look at all his skills, Lin Kai had to upgrade his attack methods because he had to face Ye Nantian.

And Lin Kai's strongest attack method is undoubtedly the rhino sticking to the mountain.

Only one thousand points can upgrade a skill, Lin Kai undoubtedly chooses to upgrade the rhinoceros!

"System, help me upgrade the rhinoceros to the gold level!"

After Lin Kai's words were over, the system immediately agreed: "Okay, wait a moment."

Ten minutes later, a series of new data was transmitted to Lin Kai's mind. Lin Kai readily understood that he had mastered the new rhinoceros.

"Amazing beetle meteor collision, a golden level skill, after using it, the highest possible power of the beetle meteor impacting the earth!"

After seeing his new skills, Lin Kai nodded very satisfied.

He is very satisfied with this skill.

It sounds very domineering.

Lin Kai at this time was so tough.

For the remaining 910 upgrade points, there is no way to upgrade the silver skill to the gold level for the time being, so Lin Kai intends to keep these 910 upgrade points.

After all this was done, it was already the next morning.

Lin Kai dragged his tired body into the bathroom and washed his body.

Asked Auntie Cleaning to change the sheets.

When Auntie Cleaning changed the sheets, she kept looking at Lin Kai with a very strange look.

Before leaving, Auntie Cleaning also said: "Young people nowadays are too intemperate."

Lin Kai couldn't laugh or cry. After Aunt Cleaning left, Lin Kai lay on the bed and fell asleep.

...

In the Island Central Hospital, at the door of a high-level single ward, stood two bodyguards in black suits.

In the ward, there was a person lying.

A middle-aged man with thick eyebrows and big eyes, with a pale face. Although he was seriously injured in the bed, his expression was still not angry.

He is the Patriarch of the Yang Family, Yang Jianxiong!

And beside him, several people stood.

Yang Jianxiong's eldest daughter, Yang Mi.

Yang Jianxiong's second daughter, Yang Xinxin.

The most famous doctor in the central hospital, Li Ming.

And Yang Jianxiong's wife, Yang's.

At this time, Yang Mi couldn't help crying, "Doctor Li, didn't you say that my father is fine? You said that you can take care of it in a month?"

"Why is it now that the lobes of the lung have been injured again, and it will die soon?"

## **Chapter 495: Black And White**

Chapter 495

Yang Jianxiong's face was pale on the bed, and his breathing started to become a little weak.

Although Yang Jianxiong can still keep his consciousness sober now, he can't hold on for long.

Yang Jianxiong's wife Yang couldn't help wiping tears.

This is her husband!

Although Yang Xinxin was still young, she understood what was going on, and Yang Xinxin began to cry.

"Dad! Don't die, father!"

Li Ming's face was very pale.

There was a cold sweat on his forehead.

He didn't expect such a result.

Originally, Yang Jianxiong just broke a rib, but he came to the central hospital and moved a little after waking up. The rib hurt the lung lobe.

The current Yang Jianxiong is basically hopeless!

The ribs cannot move, and if they move, they will definitely damage the lung lobes, and they will definitely die!

Not moving is also a death, but death is slower.

Li Ming wiped his sweat and his voice trembled: "Mrs. Yang, Chairman Yang, Patriarch Yang's injury has changed, I...I can't do anything..."

Snapped!

As soon as Li Ming's words fell, Yang Mi slapped his face with a slap.

At that time, Li Ming's face tilted, and a slap print appeared on his face.

Even if he was beaten, Li Ming didn't dare to fart.

After all, it was Miss Yang's who beat him!

"Okay..." At this moment, Yang Jianxiong's faint voice came.

Although Yang Jianxiong was weak at this time, his eyes were very energetic.

"Someone wants me Yang Jianxiong to die! It's a pity that they succeeded."

Yang Jianxiong looked at the ceiling, he was not stupid, the truck crashed into Rolls-Royce, it was all premeditated!

Soon after, there was a knock on the door.

Yang walked over and opened the door.

After opening the door, two people walked in from outside.

After seeing these two people, Yang Jianxiong's eyes were also bright, even Yang Mi and the Yang family respected them both very much.

Because these two people are Yang Jianxiong's right-hand man and the right-hand man of the Yang family!

I saw both of them wearing Tang suits, one wearing a black Tang suit and the other wearing a white Tang suit.

They are both in their fifties. They are two masters of the Yang family, dressed in black Tang suits called Feng Wuya, and they are martial arts masters.

Wearing a white Tang suit, his name is Ye Miaoshou, a master of Chinese medicine.

With these two, Feng Wuya helped Yang Jianxiong smooth out countless potential threats, and Ye Miaoshou saved Yang Jianxiong how many times.

After seeing them, Yang Jianxiong finally felt relieved.

The two masters came to Yang Jianxiong's bed and bowed their heads.

Yang Jianxiong looked at Ye Miaoshou. Now Ye Miaoshou was his only hope. If even Ye Miaoshou could not save him, no one in this world could save him.

"Wonderful hand, it's up to you..." Yang Jianxiong said extremely weakly.

Ye Miao nodded his head, and he began to check Yang Jianxiong's pulse.

A few minutes later, Ye Miao let go of his hand, he took off Yang Jianxiong's clothes again, and checked Yang Jianxiong's injuries.

Finally, he looked at the report and film after Yang Jianxiong was injured.

After doing all this, Ye Miao knelt down on one knee with only a plop.

Seeing this, Feng Wuya knelt down on one knee.

When the two of them knelt down, the atmosphere in the entire ward became extremely solemn.

Everyone's face changed.

Ye Miaoshou actually kneeled!

This shows that Ye Miaoshou can't do anything, Yang Jianxiong should let go and return to the West!

This is fate!

Yang Jianxiong also closed his eyes in despair.

But after all, Yang Jianxiong was a hero who had experienced strong winds and waves. After a few seconds of despair, he still opened his eyes.

He looked at Feng Wuya and Ye Miaoshou.

“You two, you have followed me for many years and have been loyal, Yang Family, I will ask you in the future!”

When Feng Wuya and Ye Miaoshou heard this, they clasped their fists to lead orders.

Later, Yang Jianxiong said weakly: “Finally, show me the surveillance video of the scene of the car accident.”

“I want to see who is killing me!”

Although only the police can mobilize surveillance video, what kind of family is the Yang family? The head of the top ten families!

Twenty minutes later, the surveillance video on the scene was transferred.

The U disk was inserted into the TV, and the scene of Yang Jianxiong’s car accident was played on the TV.

At an intersection, the green light, Yang Jianxiong is driving a Rolls-Royce and is preparing to pass the intersection.

But a big truck suddenly ran through a red light, and then directly hit Yang Jianxiong’s Rolls Royce.

After a loud noise, Yang Jianxiong’s front was almost squashed!

That is, Yang Xinxin sat in the back and escaped.

“Pause!” Ye Miao waved his hand and the screen paused.

I saw Ye Miao’s hand touching his chin: “Strange, the front of the car was squashed, but the owner just broke a rib. This is impossible!”

Everyone stared with big eyes, indeed, in the picture, the front of Yang Jianxiong’s Rolls Royce was knocked flat.

But Yang Jianxiong just broke a rib in a daze, which makes people feel incredible.

Bewildered, everyone can only keep watching.

Keep looking, after the car was hit, the big truck stopped, Yang Xinxin also climbed out of the Rolls Royce, and began to cry helplessly.

Five people got off the big truck, and Yang Jianxiong's face changed suddenly when these five people appeared.

"Yuye Butcher!" Feng Wuya exclaimed: "Who is so cruel that actually asked Rainy Butcher to deal with the Patriarch?"

Rainy Night Butcher, although this group of people are not particularly powerful, they are definitely master murderers. The methods are extremely cruel, and they are unpredictable.

Although Yang Mi knew there was a killer at the scene.

But after her father's car accident, she has been concerned about Yang Jianxiong's safety.

So I didn't take those killers at all.

Now that she saw the surveillance, she remembered how did her father survive the killer's hands?

Could it be that the killer was half-hearted, so he left?

This is the butcher of rainy night! Are they softhearted? What happened on the scene?

As soon as the screen turned, I saw that Yuye Butcher had approached Yang Xinxin, raised the machete in his hand, and was about to give Yang Xinxin the result!

But at this moment, a person appeared quietly.

It was a young man. After the young man appeared, he caught the machete that was about to be chopped off, and Yang Xinxin saved her life.

Afterwards, the young man directly broke the machete in the hands of the butcher in the rainy night!

"Is it him?" Yang Mi recognized who the man was at a glance.

That person was Lin Kai who had quarreled with Yang Mi at the scene of the car accident!

He actually saved Yang Xinxin's life?

Feng Wuya also narrowed his eyes at this time. He watched Lin Kai's move carefully. After a long time, Feng Wuya gasped in a cold breath: "This is a master!"

## Chapter 496: Really Strange

Chapter 496

"The machete in the hands of the butcher in the rainy night is of very good texture."

"And that young man can actually use his own hand to break the machete!"

"And the machete slashed the young man's hand, and the young man was not injured. This shows that the defense of the young man's body is also extremely strong!"

"This is a master."

Feng Wuya, wearing a black Tang suit, said with a serious expression on his back.

As he said, his eyes still showed admiration.

Even he can't guarantee that his hands can be well preserved under the machete.

But this young man did it.

Everyone at the scene looked at the surveillance seriously, and no one thought that Yang Jianxiong could survive because of the young man's blessing!

In the video, after Lin Kai broke off Yuye boss's machete, the rest of Yuye Butcher gathered together and looked at Lin Kai with a bad expression.

Afterwards, with an order from the boss of Yuye, Yuye Butcher and a few others, holding a machete, went to cut the forest!

And Lin Kai moved too.

During the surveillance, everyone was looking at what happened on the spot from a godly perspective.

Therefore, I can see Lin Kai's movements clearly.

I saw Lin Kai blinded Yuye boss with a punch and kicked him out!

After that, Lin Kai tried to solve the rainy night second.

Lin Kai solved two of the five butchers in the rainy night!

Even if viewed from the perspective of God, Lin Kai's speed is fast enough to blur!

Even the surveillance could not capture Lin Kai's movements clearly, it was too fast.

Everyone was shocked, this is really a master!

In the ward, Yang Mi's face changed slightly. She didn't expect Lin Kai to save her father's life!

Thinking of himself accusing Lin Kai at the scene of the car accident, Yang Mi felt a wave of guilt in his heart.

However, Yang Mi thought about it, Lin Kai did not understand medicine but still had to do it. This is unforgivable!

What if he is good at it? Even if he is good at it, can he practice medicine at random?

Unforgivable!

During the monitoring, Yuye's third child took out his pistols, the fourth and fifth also took out their pistols, and the three of them held their pistols and pointed them at Lin Kai with a bad expression.

They shot!

In the ward, everyone's complexion changed.

Can Lin Kai be able to withstand it if he fires a gun?

They felt that Lin Kai should choose to escape at this time!

But because of Lin Kai's delay in Yuye Butcher, he might also be evacuated from the scene early, and Yang Jianxiong saved his life.

This is what everyone thinks.

But what he never expected was that Lin Kai had no choice to escape!

Yuye third shot! At the same time as the shot was fired, Lin Kai shot a stone in his hand, and this stone directly penetrated the head of the third child of Yuye!

Yu Ye's third child died on the spot!

But Lin Kai stretched out two of his fingers and clamped the bullet shot from the pistol on the spot!

After seeing this scene, everyone exclaimed and their eyes widened!

Even Yang Jianxiong, who was lying on the hospital bed, couldn't help his eyes widening, and his breathing became rapid.

This person actually caught the bullet with his finger!

How fast and powerful is this?

Feng Wuya, Yang Jianxiong's master, was also shocked at this time.

It is too strong!

He thought that Lin Kai was strong enough to catch the machete, but he did not expect that Lin Kai could still catch the bullet!

Even if it's a bullet, it can't hurt Lin Kai a bit!

At this moment, Feng Wuya's voice trembled a little: "This...this is a master!"

Everyone also nodded, without Feng Wuya to say, everyone can also see that this is indeed a master!

Then, the fourth and fifth Yuye fired together, and the two shot all the bullets in the pistols in one go!

But Lin Kai flew with both hands and caught a few bullets with his mouth by the way.

After that, Lin Kai threw all the bullets to the ground. There were no bullets in Yuye's fourth and fifth pistols, and Lin Kai was not injured!

At this time, Rainy Night Butcher finally knew that he was afraid, and the fourth and fifth elders ran away!

Lin Kai picked up two bricks from the ground and put them down directly!

Lin Kai's hand that threw the brick was a steady one, and the brick that hit it was a quasi. Neither the fourth nor the fifth made a sound, they had fallen to the ground, life and death unknown.

After watching this segment of surveillance, everyone was silent.

No wonder, Yang Jianxiong was murdered, but he didn't die on the spot.

It turned out that such a young man appeared to rescue Yang Jianxiong!

After Yang Jianxiong was silent for a long time, he said weakly: "Remember this young man's appearance and investigate him. From now on, he will be a guest of our Yang family!"

Although Yang Jianxiong was still dead, Lin Kai saved his little daughter's life, so Yang Jianxiong remembered this kindness.

Everyone in the Yang family nodded.

Only Yang Mi blushed and said nothing.

She did not expect that Lin Kai saved her sister's life!

so what? Yang Mi still has no good feelings about Lin Kai.

Even if you save my sister's life, it can't resist the fact that you practice medicine indiscriminately!

You almost killed my dad!

I will not trouble you at most, but it is impossible for me to treat you as a guest of the Yang family!

This is the most true thought in Yang Mi's mind.

Everyone continued to watch the surveillance, and then Lin Kai picked up Yang Xinxin, and then came to Rolls-Royce again, and pulled the damaged car door open.

Afterwards, Lin Kai pulled out Yang Jianxiong, who was covered in blood and was in a coma.

"time out!"

At this moment, Ye Miaoshou called out suddenly.

The surveillance video was paused, and Ye Miao squinted his eyes and looked at the TV screen.

I saw him carefully looking at Yang Jianxiong on the screen.

After a long time, Ye Miao clapped his hands and wondered: "It's amazing!"

With a solemn expression on Ye Miaoshou's face, everyone also looked at Ye Miaoshou.

Yang asked: "Wonderful hand, what's wrong?"

Ye Miao touched his chin with his hand, pointed to the TV screen, and said, "Look, the Patriarch at that time had many caves in and out of his body, and there were many obvious wounds."

"The car accident is so serious, it's not surprising to have these traumas."

"But the strange thing is that the current Patriarch has only one injury on his body."

"The Patriarch in the video is obviously already seriously injured, and he will die soon!"

After hearing Ye Miaoshou's words, everyone also looked at Yang Jianxiong in the video. As expected, Yang Jianxiong in the video was covered in blood and had several very obvious wounds.

This is obviously a serious injury and will soon fail.

At this time, Yang Mi said: "This matter is not easy to explain? At that time, Dr. Li Mingli arrived at the scene quickly, and he must have treated my dad, which brought my dad back from the ghost gate. Are you right? Doctor Li?"

## **Chapter 497: The Truth Is Revealed**

### Chapter 497

Hearing this, everyone looked at Li Ming.

Li Ming is also very famous in the island city, after all, he is the best doctor in the central hospital.

"what?"

Li Ming was a little confused.

He was also very puzzled. The Yang Jianxiong in the video was indeed seriously injured, but Yang Jianxiong in front of him did not have so many wounds.

Li Ming knew in his heart that he would soon emerge from the surveillance.

And with so many people around me, the monitor can't see exactly what I did, so I can claim this skill!

At that time, Li Ming nodded and said, "This is what I should do."

Hearing this, Yang also looked at Li Ming and held Li Ming's hand very gratefully.

“Doctor Li, I’m so grateful to you. If it weren’t for you, I’m afraid my Jianxiong would be on the spot...”

Ye Miaoshou also looked at Li Ming, and he took a high look at Li Ming.

Li Ming can be regarded as capable of bringing people with such serious injuries back from the ghost gate.

And Li Ming was so proud of being watched by everyone.

Even Yang Jianxiong nodded slightly to Li Ming, with a hint of gratitude in his eyes.

After all, Li Ming saved his life!

The surveillance video continued to play, and the next scene made everyone’s eyes wide open.

Lin Kai took off Yang Jianxiong’s clothes, took out the silver needle from his pocket, and was about to give Yang Jianxiong the needle!

After seeing this scene, Ye Miao frowned: “What does this young man want to do? Use a silver needle to rescue a badly injured person? What a joke!”

Yang Mi also said angrily: “Yes, this man is very hateful, arrogant and domineering, not to mention that he saved my father!”

“This kid has nothing to do with it except to manage!”

Yang Mi finally felt a little bit exasperated, what if you saved my father?

You dont understand medicine, but you practice medicine. Is this your fault?

Yang Jianxiong also frowned. Obviously, he did not expect that he would be treated this way when he was in a coma.

Li Ming also said with a look of hatred: “I Li Ming hates this kind of people who don’t know how to pretend to understand the most in my life, especially medical skills!”

“I don’t understand medicine, but I want to try to save people.”

“Maybe Patriarch Yang’s injury suddenly became very serious, it was this kid who caused the trouble!”

After Li Ming’s words, the expressions of everyone at the scene changed.

If Yang Jianxiong's injury is related to Lin Kai, it is not said that the Yang family will not treat Lin Kai as a guest of the Yang family. On the contrary, they will find Lin Kai and kill Lin Kai!

"Don't talk!" At this moment, Ye Miaoshou suddenly scolded.

Everyone shut their mouths, and Ye Miaoshou looked at the surveillance video seriously.

In the surveillance video, Lin Kai is administering the injection. Normal people cannot see what is special about Lin Kai's injection method.

But Ye Miaoshou could see it.

Ye Miaoshou's hands trembled!

In the corner of his eye, tears were shed unconsciously!

He is so excited!

Ye Miaoshou studied medicine at the age of eight, until he was in his fifties, he did not expect to kill him, but he saw a man of medical skills after a lot of age!

"God!"

With a plop, Ye Miao knelt down directly!

He knelt at Lin Kai in the surveillance video!

Kneeling, everyone at the scene looked confused, what did Ye Miaoshou want to do?

I saw that Ye Miaoshou not only knelt down, but also bowed down to Lin Kai in the surveillance video!

Yang Jianxiong looked puzzled, but he really didn't have the energy to ask Ye Miaoshou what was going on.

After three prayers, Ye Miao stood up with his hands and looked at Yang Jianxiong with piercing eyes.

"Patriarch! He saved you!" Ye Miao said vowedly.

"Patriarch, when you were pulled out by this young man, you were already severely injured! At that time, you were almost dead!"

"But the person who gave you the injection is not a mortal!"

“He used the Qiyun needle! It is the top medical skill in Chinese medicine! In history, only gods like Huatuo Bianque mastered this medical skill!”

“And that young man, it was this kind of needle technique that saved you!”

After listening to Ye Miaoshou’s words, everyone was dumbfounded.

To luck the needle?

This young man in the surveillance video actually used a silver needle to rescue the Yang familys head?

It sounds incredible!

If this sentence was not spoken from Ye Miaoshou’s mouth, everyone would never believe it!

Everyone can absolutely trust Ye Miaoshou’s words, because Ye Miaoshou is a famous Chinese medicine doctor on the island!

He didn’t know how many times he saved Yang Jianxiong in these years, Yang Jianxiong absolutely trusted Ye Miaoshou.

Yang Mi was dumbfounded at what Ye Miaoshou said.

This young man actually understands medicine?

Did he save his father?

At that time, Yang Mi had fiery pain on his face. He insulted the young man so much at the scene, he didn’t get angry.

This person’s belly is really big!

At this moment, everyone looked at Li Ming in unison.

But Li Ming dodged his eyes and didn’t dare to look at everyone directly.

Li Ming knew that he was dead!

I actually took credit just now, and now I’ve been beaten in the face!

It was Yang Jianxiong who was saved by Lin Kai, not himself at all!

Although no one had time to settle accounts with Li Ming at this time, Li Ming knew that he was dead, and the Yang family would definitely not let him go!

At that time, the cold sweat on Li Ming's head was shed.

At this moment, Yang Mi was still unwilling to ask: "No! Since this man's medical skills are so good, why has my father still not recovered?"

Ye Miao frowned, his brows furrowed, "This is also where I am most confused."

"This person's medical skills are so brilliant, logically speaking, Patriarch Yang should be cured! Shouldn't leave such a fatal hidden disease!"

Just after saying this, I saw Li Ming appeared in the video!

After Li Ming and the emergency team came to the scene, he directly pulled out the silver needle from Yang Jianxiong and threw it on the ground!

After seeing this scene, everyone once again looked at Li Ming!

However, Li Ming realized at this time that the reason Yang Jianxiong became like this was entirely because of himself!

At that time, the pressure of a mountain was suppressed, and Li Ming knelt down with a plop!

There was a fear in his heart!

He knew that pulling out the silver needle would have such terrifying consequences, he didn't dare to touch those silver needles at all!

But Yang Jianxiong suddenly realized at this time, he finally understood, why he didn't die in the car accident!

Understand why I only broke a rib in such a serious car accident.

It turns out that an expert saved himself!

And Li Ming, he hurt himself! In just a few minutes, your injury can be healed, and you don't have to wait for death in the ward!

## **Chapter 498: Call Lin Kai**

Chapter 498

"I understand!" At this moment, Ye Miao patted his thigh and said.

“These silver needles, one cannot be missing! It is precisely because Li Ming moved these silver needles that the ribs of the Patriarch’s chest did not heal!”

As soon as Ye Miaoshou’s words came out, everyone nodded.

This is the reason!

It was all because of Li Ming, the head of the Yang family was not healed, and now his life is in danger!

Hearing this, Feng Wuya looked at Li Ming at that time, his eyes became extremely cold.

Feng Wuya helped Yang Jianxiong to kill many people. The life of the Patriarch of the Yang family who was killed by Li Ming is now in danger, so he naturally does not intend to let Li Ming go.

As long as Yang Jianxiong gave an order, Feng Wuya would immediately kill Li Ming!

At this time, Li Ming also understood that he had caused a catastrophe. At that time, Li Ming knelt on the ground and kept kowtow to the head of the Yang family.

“Patriarch Yang, Patriarch Yang, I didn’t mean it!”

“I thought Silver Needle couldn’t save you at all!”

“I thought he was a liar!”

“President Yang, don’t kill me!”

At that time, Li Ming was so scared that his legs trembled.

Who is the head of the Yang family? That’s definitely a hero! Yang Jianxiong’s hands are not clean.

Why can the Yang family become the head of the top ten families? It’s because the Yang family is cruel enough and Yang Jianxiong is cruel enough!

If he is really angry and wants to kill himself, it’s just a sentence.

Is Yang Jianxiong angry?

Of course Yang Jianxiong was very angry. He wished to kill Li Ming now, but Yang Jianxiong knew that killing Li Ming would be useless now.

I am afraid that the only one who can save myself is the young man in the surveillance.

Yang Jianxiong said weakly, "Quickly, please come over, the genius doctor, quickly!"

After hearing Yang Jianxiong's words, Feng Wuya and Ye Miaoshou just wanted to act, and Yang Mi said with a pale face, "I'm afraid he won't come."

"Huh?" Hearing this, everyone looked at Yang Mi.

Yang Mi's face is very ugly. Will Lin come over for a meeting? Yang Mi felt that Lin Kai would not come.

After all, at the scene of the car accident, if he scolded him so badly, he would naturally not come over.

After all, people have a temper. If they saved their father and sister, it doesn't matter if they are not grateful, but they still treat them so rudely.

How can someone come here?

"Miami, what's the matter?" Yang asked anxiously at this time.

Yang Mi looked at the surveillance video and said, "You guys keep watching."

After hearing this, everyone continued to watch the surveillance video.

Then, Yang Mi rushed over quickly.

In the surveillance video, Yang Mi began to insult Lin Kai.

Lin Kai was angry and turned around to leave the scene, but at this moment, the Yang family also appeared, and the Yang family blocked Lin Kai.

Lin Kai had no way to go and could only argue with Yang Mi.

While under the surveillance, Yang Mi pointed at Lin Kai very arrogantly. Although he could not hear the sound, he could tell from the surveillance that Yang Mi was swearing fiercely.

Finally, Yang Mi asked the bodyguard to beat Lin Kai!

Fortunately, Lin Kai was so good that he knocked down the four bodyguards in three attempts.

Then Lin Kai walked out of the crowd and left the scene.

After watching this scene, the scene was silent.

Without Yang Mi, they also knew why Lin Kai wouldn't come, because Yang Mi had offended Lin Kai to death!

A master of martial arts and also a master of medical skills, he was offended to death by Yang Mi!

While Yang Mi stood in place, blushing and lowering her head, she also had no face to face her parents.

She scolded the savior of the Yang family! He also ordered the bodyguards to beat Lin Kai!

Will Lin Kai still try to treat Yang Jianxiong? Yang Mi thinks not.

After all, Lin Kai is so young and vigorous!

There was a regret in Yang Mi's heart. Knowing that Lin Kai had such a strong strength and such advanced medical skills, she would never provoke Lin Kai.

On the contrary, she will treat Lin Kai very respectfully.

But now, it's too late to say anything.

If his father, Yang Jianxiong, died because of this incident, Yang Mi would never forgive himself for the rest of his life!

The scene was silent and everyone was silent.

At this time, Yang sighed and said: "Secretly, you must tie the bell to untie the bell. Go and find the young man and apologize to him personally."

"What?" Yang Mi's eyes widened. She, the chairman of the Yang Group, actually asked her to apologize to an 18-year-old young man?

When Yang saw Yang Mi's unhappy look, he became stern at that time: "What? Are you unhappy?"

"If your dad has something long and two short, I will never finish with you!"

Yang Mi also blushed after hearing Yang's words.

She nodded and promised: "I'll go, I'll go..."

After all, Yang Mi walked out of the ward and went to find Lin Kai's whereabouts.

With the strength of the Yang family, it is not difficult to find someone on the island.

...

In the evening, Lin Kai slept until the evening. After waking up, Lin Kai stretched out and took a wash.

Just after washing up, there was a knock on the door.

Lin Kai put on his pajamas and went to open the door.

As soon as he opened the door, Lin Kai found three people standing outside the door.

Two elderly men in their fifties, one in a black Tang suit and the other in a white Tang suit.

In front of them was a woman. Lin Kai had seen this woman, who was Yang Mi from the Yang family.

Yang Mi was wearing a small white suit on top, a short skirt on the bottom, and a pair of black stockings on his legs.

Although he is in his early thirties, his figure is still hot, with the charm of a mature woman.

Moreover, her facial features are also very delicate, and her red lips, especially the aura of a superior female president on her body, make men have the desire to conquer.

"It's you?" Lin Kai raised his eyebrows and leaned against the door frame, looking at Yang Mi with a playful look.

Yang Mi looked embarrassed and said, "Please come with me."

After listening to Yang Mi's words, Lin Kai also laughed: "Why should I go with you? Who are you? Are you a policeman?"

Yang Mi has always been a lofty role in the Yang family, and no one has ever dared to defy her orders.

Now that Lin Kai dared to talk back, Yang Mi felt very upset at the time.

Especially thinking of Lin Kai's arrogant and domineering appearance at the scene of the car accident, Yang Mi felt even more angry.

"Lin Kai, right? It's your honour to invite you. You'd better not shamelessly!" Yang Mi hugged his arms and said high up.

Her words seemed to be an order, and Lin Kai could not tolerate any refutation!

Lin Kai sneered: "Haha, mentally retarded."

After all, Lin Kai went to close the door of the hotel.

But the door of the hotel was not closed before it was pushed by one hand.

I saw the old man in the black Tang suit showing a wry smile. He looked at Lin Kai and said: "This little brother, we are really in a hurry to find you. My lady has conflicted with you. I will apologize on behalf of my lady. ."

"Who is going to apologize to her?" Yang Mi hugged her arm, and didn't need to look at Lin Kai.

Lin Kai didn't bother to pay attention to Yang Mi, and with a bang, the door closed directly.

And Feng Wuya, who was pushing the door, looked at the closed door with a look of shock.

His hand is stuck on the door!

But just now Lin Kai actually closed the door with a finger.

The difference in strength between the two is a bit big!

## **Chapter 499: Be My Maid**

Chapter 499: Be My Maid

The door was closed, and all three of them ate Lin Kai's closed doors.

The three were dumbfounded.

They didn't expect Lin Kai to be so unfeeling!

Give them no face!

You know, Yang Mi is the eldest of the Yang family! After rescuing the Patriarch of the Yang family, Lin Kaike will soon become soaring!

And Lin Kai didn't even bother to get involved with the Yang family!

This makes Yang Mi very embarrassed.

Although Yang Mi knew that she was here to beg, she just couldn't let go of the dignity of Miss Yang Family, she just didn't want to bow her head in front of Lin Kai.

She felt that everyone had to obey her, because she was the eldest of the Yang family, because behind her was the Yang family!

From small to large, it is true that everyone followed her because she was the eldest lady of the Yang family.

Because she is the chairman of the Yang Group, no one dares not listen to her.

But now, she actually met someone who didn't put her in the eyes at all, this person was Lin Kai!

Lin Kai doesn't care if she is Miss Yang Family or not, and doesn't give her any face!

It seems that the Yang family is just a joke in his eyes!

Yang Mi blushed and squeezed her fists, her heart was very angry.

Feng Wuya on the side sighed and said, "Miss, we are here to beg after all. We should be softer, let's be softer?"

After hearing Feng Wuya's words, Yang Mi blushed and said, "Bow your head? Be softer? Why? I'm Miss Yang Family!"

"And what is he? An ordinary citizen!"

"I came to ask him to heal my father. It has already given him great face!"

"Why make me bow my head?"

Seeing Yang Mi's rogue appearance, Feng Wuya also sighed.

Although he has high rights in the Yang family, he is only under the owner of the family after all, and he has no right to decide the affairs of Miss Yang family.

Ye Miaoshou on the side said at this moment: "Miss, if you delay for a second now, the Patriarch will be in danger for a second!"

After listening to Ye Miaoshou's words, Yang Mi also bit his lip.

Now for the safety of her father's life, she can't fight Lin Kai!

At that time, Yang Mi took a deep breath and knocked on Lin Kai's door again.

Bang bang bang.

There was a knock on the door.

Soon after, Lin Kai opened the door with an impatient look, and asked, "My aunt, are you going to end it?"

Yang Mi blushed and said, "Lin Kai, I want to ask you to save my dad."

Seeing Yang Mi's blushing face, Lin Kai also found it very interesting at the time.

"Why should I go?" Lin Kai asked.

Yang Mi blushed: "What do you want? My Yang family can give it to you. You can ask for money, a house, and rights, all you can do! As long as you save my father!"

Hearing what Yang Mi said, Lin Kai hugged his arms and smiled.

"Hehe, I don't need money, so if you become a maid for a month, I will save your father!" Lin Kai joked.

After hearing Lin Kai's words, Yang Mi was furious on the spot.

"you!"

"You are too much!"

Yang Mi's blush was red, half of which was caused by Lin Kaiqi, and the other half, because she was molested for the first time.

Because she is the young lady of the Yang family, she also seems to be aloof, no one has ever dared to molest the young lady of the Yang family.

Lin Kai was the first to molest her, she actually felt a little shy.

"Excessive? My conditions are not excessive! I shot, your father can survive, and your price is just to be my maid for a month."

Lin Kai hugged his arms and smiled.

Yang Mi looked at Lin Kai earnestly. This time, she was already angry: "Lin Kai, I ask you, if I am not your maid, will you go?"

Lin Kai shook his head decisively: "Don't go."

After hearing Lin Kai's words, Yang Mi sneered: "Hehe, okay, this time you don't blame me for being polite!"

After all, Yang Mi took a step back.

Afterwards, Feng Wuya stood up.

Feng Wuya is the number one master of the Yang family, not the few fish and shrimps of the last time.

Although Lin Kai's skills are good, Yang Mi doesn't think that Lin Kai has the strength to defeat Feng Wuya.

"Old Feng, take him back and force him to treat my father!" Yang Mi said sharply.

Yang Mi didn't believe it, when the knife rests on Lin Kai's neck, Lin Kai dare not say anything!

Feng Wuya was one of the first two at the time. Although he felt that this was very inappropriate, Yang Mi was his master after all, and he had to listen to Yang Mi.

At that time, Feng Wuya nodded and stood up.

Feng Wuya stepped up, in fact, for another reason. During the monitoring, Feng Wuya saw Lin Kai's strength. He wanted to compare with Lin Kai, whose strength was stronger!

At that time, Feng Wuya gave a fist: "Young man, I'm sorry!"

Having said that, Feng Wuya made a move when he heard a popping sound.

As soon as the expert made a move, he knew if there was any. Feng Wuya grabbed it with his hand and grabbed Lin Kai's arm.

Quick and accurate, he is a master!

But Lin Kai narrowed his eyes, letting Feng Wuya grab his arm without dodge.

Only hearing a snap, Feng Wuya grabbed Lin Kai's arm with both hands.

There was a gleam in Feng Wuya's eyes. How could he succeed so easily?

It seems that Lin Kai is not as strong as in the surveillance! Is it possible that he is just a fancy?

This was Feng Wuya's first thought.

But then, Feng Wuya didn't think so.

He only heard Lin Kai sneer, he shook his arm, and then a huge force came!

Just so much, Lin Kai's arm shook out several tons of power! On the spot, Feng Wuya felt that his mouth was numb, and his hands fell off.

Lin Kai just shook his arms, and Feng Wuya's hands had already lost combat effectiveness.

It is too strong!

Feng Wuya's face was pale.

Because his arms were trembling at this moment, Lin Kai's shock almost hurt his internal organs!

But he could see that Lin Kai was still merciful. If he wanted to die by himself, it would be as simple as trampling on an ant!

Master!

And it's a hidden master!

At that time, Feng Wuya held a fist at Lin Kai, bowed and then went down.

"Offended." Feng Wuya said.

Lin Kai looked at Feng Wuya as being polite, so he didn't kill him.

Lin Kai said indifferently: "All of you are practicing martial arts, so I should be a friend of martial arts, but don't have another time, or I will make you pay the price of your life!"

If someone else said this to Feng Wuya, Feng Wuya would have taken his life long ago!

But the person who said this was Lin Kai, an existence he couldn't afford to offend!

Feng Wuya didn't even dare to put a fart, nodded and said yes.

And Yang Mi was dumbfounded.

Even Feng Wuya is not his opponent? How strong is this kid?

In Yang Mi's memory, Feng Wuya was the strongest in the Yang family, and everyone on the island had to give Feng Wuya face, but in front of this young man, Feng Wuya couldn't make a move!

## **Chapter 500: All Kneel**

Chapter 500: All Kneeling

Even Feng Wuya was defeated, and Yang Mi's face was very ugly at that time.

That's Feng Wuya!

The number one master of the Yang family.

He was actually defeated by Lin Kai, a 19-year-old boy.

What is the origin of this Lin Kai?

Only then did Yang Mi realize that Lin Kai is definitely not an ordinary person.

If he were an ordinary person, could he be even better than his own Feng Wuya?

If he is an ordinary person, can he defeat the Butcher of Rainy Night?

If he were an ordinary person, would he be able to transport needles with air?

There are various signs that Lin Kai has a lot of background!

It's a joke to fight him by yourself!

That's why he is not afraid of his own Yang family!

Yang Mi suddenly realized.

At this moment, Feng Wuya and Ye Miaoshou both looked at Yang Mi. They had no way to deal with Lin Kai, they could only count on Yang Mi to bow their heads.

Only when Yang Mi bowed his head could he ask Lin Kai to act, and Yang Jianxiong would be saved!

Yang Mi also figured it out. Lin Kai is definitely not an ordinary person. Even if he bows his head, there is nothing to be ashamed of.

At that time, Yang Mi blushed and said in a voice smaller than a mosquito flapping its wings: "I will be your maid, you... follow me..."

"What? I can't hear you!" At that time, Lin Kai held his arm and smiled playfully.

Yang Mi was also angry, and she said loudly: "I said I will be your maid! You follow me!"

Lin Kai laughed loudly: "Hahaha! Okay, I'll go with you!"

Why did Lin Kai go with Yang Mi? Is it because Lin is happy and kind?

Of course, Lin Kai is the protagonist, and of course his heart is very kind.

He went with Yang Mi for another reason, and that was for the mission and for the attribute points!

Although Lin Kai's current attribute points are already very high, are there too many attribute points? of course not!

So Lin Kai chose to rescue Yang Jianxiong.

At that time, Lin Kai went back to the room and changed his clothes, followed Yang Mi to the downstairs, and parked a Porsche downstairs.

After getting in the car, Lin Kai set off towards the Central Hospital.

Soon after, Lin Kai arrived at the central hospital and came to Yang Jianxiong's ward.

In Yang Jianxiong's ward, several people were waiting anxiously.

And Yang Jianxiong on the hospital bed seemed not to be optimistic. He had been put on a ventilator. His face was very pale and looked very miserable.

Yang Jianxiong glanced at Lin Kai, weakly unable to say a word.

Lin Kai also saw Li Ming, and after seeing Lin Kai, Li Ming dodged his eyes and did not dare to look directly at Lin Kai.

Yang's walked over quickly, with a plop, Yang's kneeling directly in front of Lin Kai, his nose burst into tears.

"Mr. Lin, I beg you, you must save Jianxiong! I'm kneeling for you!"

Lin Kai was also taken aback, and quickly helped Yang's up.

"Mrs. Yang, wait a minute, let me take a look at the situation first." Lin Kai said quickly.

The Yang nodded and stood aside.

Lin Kai came to the hospital bed and went to see Yang Jianxiong's injuries. After carefully examining Yang Jianxiong's injuries, Lin Kai frowned.

Because of Yang Jianxiong's injury, it's not easy!

A broken rib has hurt the lobe of the lung. If it is an ordinary person, it will not be cured!

But Lin Kai can cure it, because Ganoderma can cure all diseases!

Even if it is trauma, Lin Kai can heal it!

Lin Kai took out the silver needle box from his arms, opened the box, and opened Yang Jianxiong's clothes.

After that, Lin Kai picked up the silver needle and stuck it on Yang Jianxiong's body.

A total of eight silver needles were pierced in eight different positions on Yang Jianxiong's body.

After piercing the silver needle, Lin Kai pinched the end of the silver needle and took a deep breath.

Ganoderma ability is activated!

Then, a powerful force followed Lin Kai's fingers and entered Yang Jianxiong's body.

This powerful force repaired Yang Jianxiong's lung injury.

The broken ribs are slowly resetting.

The injured lung lobes are slowly repairing.

Ten minutes later, Yang Jianxiong was already flushed, and he didn't even have to breathe.

Yang Jianxiong took off the breathing mask from his mouth and started to breathe.

Yang Jianxiong looked at Lin Kai, it was a thank you.

Lin Kai saved his life!

But at this moment, only a plop was heard, and Ye Miao knelt down directly at Lin Kai!

Ye Miaoshou was very excited!

Seeing Ye Miao's hand bowed to Lin Kai for a while!

"Master! Master!" Ye Miaoshou was very excited.

Because of Lin Kai's medical skills, he witnessed miracles!

A person who couldn't even help him, under Lin Kai's hand, actually came alive!

Come alive alive!

In today's world, Ye Miaoshou doesn't accept any medical skills, but he takes Lin Kai's medical skills.

Lin Kai's play is really too strong.

In ten minutes, a dying person was brought back to life!

Ye Miao feels ashamed.

Lin Kai looked at Ye Miao's hand who was kneeling in front of him, and also covered his forehead.

Is this the first doctor who knelt down on him and asked himself to accept him as a disciple?

Sure enough, Ye Miaoshou said excitedly: "Mr. Lin, take the liberty to ask, are you accepting disciples?"

As soon as Ye Miaoshou finished speaking, only a plop was heard, and Feng Wuya simply knelt down.

I saw Feng Wuya scratching his head in embarrassment, and asked: "Then what, Mr. Lin, I also ask, do you need anything else? The kind of tea and water."

Lin Kai looked at the two elderly people who were kneeling down, feeling helpless for a while.

These two are both fifty-year-old seniors, and now they all kneel down for themselves. What's the matter?

Lin Kai didn't even realize the exaggerated expressions of the Yang family members.

This is the second old man in black and white! They have always been very arrogant, except for the Yang family, they are not convinced.

But now, they actually knelt Lin Kai!

These two elders in black and white are two masters that Yang Jianxiong rescued from a high price.

For decades, the two elders in black and white have never bowed their heads to anyone!

But facing Lin Kai, they actually knelt down!

What does this show? It shows that Lin Kai is very powerful!

Tough enough to make both black and white elders surrender!

So tough that they knelt down and begged Lin Kai to take them as disciples!

Lin Kai, young, looks only nineteen years old.

Not only a martial arts master, but also proficient in medical skills, both medical and martial arts, and all are proficient, in the entire world, I am afraid that there is no second such genius!

When Lin was growing up, only a plop was heard, and Yang Jianxiong also knelt down.

I saw Yang Jianxiong knocked three times directly at Lin Kai.

“Saving grace is unforgettable!”

If this scene is seen by the citizens of the island city, I am afraid that Big Fang will be shocked.

The Patriarch of the Yang family, the head of the top ten families, actually does that kind of thing in the hospital ward!

## **Chapter 501: Infuriating**

Chapter 501

The three big figures of the Yang family all bowed down to Lin Kai.

This scene is really shocking.

Lin Kai looked at the three people kneeling in front of him, and was also speechless.

At that time, Lin Kaiqi helped the three of them and said, “Hurry up, Patriarch Yang, you are too polite!”

Lin Kai went to help the three of them, but found that none of the three moved.

Kneeling on the ground, his knees seemed to be glued to the ground, and he couldn't move.

Ye Miaoshou and Feng Wuya had firm expressions.

“Mr. Lin, if you don't accept us as disciples today, we can't afford to kneel down!” Ye Miaoshou said.

Lin Kai was also ashamed after hearing what Ye Miaoshou said.

Then I thought about it. After a while, I will leave the island. If you accept disciples, you can accept disciples. Then they will not find themselves.

At that time, Lin Kai nodded.

“Okay, okay, get up quickly.”

Lin Kai said helplessly.

After hearing Lin Kai’s words, Ye Miaoshou and Feng Wuya were overjoyed, and they were as happy as children.

Yang Jianxiong also stood up, smiling.

I have to say that Lin Kai’s medical skills are really brilliant.

The eight stitches not only cured Yang Jianxiong’s wounds, but also healed the rheumatism that Yang Jianxiong had suffered a few years ago.

It’s amazing.

“Brother Lin, there is no return for your life-saving grace!” Yang Jianxiong considered it for a moment, and finally gave the Yang a look.

And Yang readily understood.

Soon after, Yang came over with a key, and she gave the key to Lin Kai.

Yang Jianxiong smiled and said, “Brother Lin, this key is the key to a villa on Xingfu Coast. In order to repay you, this villa will be given to you!”

“A villa?” Lin Kai shook his head, and returned the key to Yang.

“No, it’s too expensive, I can’t accept it.” Lin Kai shook his head and refused.

Lin Kai also doesn’t care about money, he cares about attribute points and upgrade points.

After rescuing Yang Jianxiong, Lin Kai had already obtained one hundred upgrade points and one hundred attribute points, which was already a reward for Lin Kai.

Yang Jianxiong had a firm expression on his face: “No, if you don’t accept this villa, Brother Lin, I won’t be able to kneel down!”

With that, Yang Jianxiong was about to kneel.

Seeing Yang Jianxiong about to kneel, Lin Kai hurriedly went to help.

There was a helpless in Lin Kai's heart, where is there such a person? He also insisted on giving someone else's villa, and kneeling down if not.

"Well, I will accept it, can't I accept it?" Lin Kai couldn't laugh or cry.

For the Yang family, a villa is probably just a drop in the bucket. Lin Kai didn't take it seriously, and directly put the key in his pocket.

But Lin Kai didn't know that Happy Coast is not only the most expensive villa area on the island, but also a place where the powerful and powerful people live on the island.

This place is not something you can live in if you have money.

This place, similar to the military district compound, does not have a certain status. The local island government does not allow you to live in.

The existence of Xingfu Coast is precisely established by the island government in order to attract people.

As the head of the Yang family, Yang Jianxiong naturally has one.

Lin Kai didn't know the value of Happy Coast, so he stupidly accepted it.

After receiving the house key, Lin Kai and Yang Jianxiong exchanged greetings for a while, then got up and left.

Yang Jianxiong insisted on staying in Lin Kai for a meal, but Lin Kai refused.

Because Lin Kai has more important things!

Age: 19

Sex: Male

Strength: 500

Self-created skills: Ghost Kill (Silver)

Upgrade points: 1010

Attribute points: 190

Lin Kai already has one hundred and ninety attribute points, and Lin Kai plans to add these one hundred and ninety attribute points to his attributes.

Just when Lin Kai was about to add his attributes to his strength.

Lin Kai discovered that he had an extra attribute.

The name of the attribute is Zhen Qi.

Infuriated?

What is this for?

“System, get out and explain!” Lin Kai said grimly.

The system always plays this set, and makes little surprises from time to time.

Soon, Lin Kai’s ear sounded a systematic answer: “Fun, this is the second attribute you unlocked that ordinary people don’t have, so angry!”

Attributes that ordinary people don’t?

Defense is the first attribute that ordinary people unlocked by Lin Kai, because ordinary people basically have no defense without relying on technology and can be killed by a single bullet.

But having defense power is different.

Now Lin Kai has 500 points of defense, and can basically ignore the bullets of small-caliber rifles.

This madness, could it possibly be an awesome attribute?

“Then what is this true qi for?”

“Is it like the kind in the novel, I can go to heaven and omnipotence if I have true energy?”

Lin Kai asked quite excitedly.

If that is the case, that would be great.

From now on he will be Superman!

The system replied irritably: “Dream you!”

“True Qi is a gas that generates within your dantian. This gas can effectively enhance your abilities in all aspects.”

“Let me tell you this, really angry, just like the inscription in your game.”

“A player with an inscription and a player without an inscription, controlling the same hero, it is simply a sky and an underground.”

“And true qi, you can understand it as an inscription, after you have true qi, if you use skills, the lethality is much greater.”

“The higher the infuriating qi, the more you can understand how powerful the qi is.”

After listening to the systematic explanation, Lin Kai also understood a lot of things.

True Qi is something that helps you become stronger!

Hearing what the system said was so mysterious, Lin Kai didn't hesitate at all, adding all his remaining one hundred and ninety attribute points to his true energy.

After adding infuriating energy, Lin Kai only felt a scorching sensation coming from his abdomen, which is the dantian area.

At first, Lin Kai could bear this feeling.

But after a while, this feeling became more intense, and it seemed that a fire was burning in Lin Kai's Dantian!

This kind of pain made Lin Kai scream, clenching his fists, and his body became very red, like a hot red soldering iron, very hideous and terrifying.

Even the sofa that Lin Kai was sitting on underneath his \*\*\*\* burst into flames and caught fire!

## Chapter 502: Upgrade Skills

Chapter 502

Fortunately, this feeling came quickly and went quickly. After about ten minutes, the restless feeling finally disappeared.

Fortunately, the fire is not big, otherwise the entire hotel would burn.

After extinguishing the fire, Lin Kai felt his dantian.

At this time, Lin Kai felt that there seemed to be a gas flow in his dantian.

Although there is gas in the dantian, this gas does not make Lin Kai feel uncomfortable.

On the contrary, with this gas in the dantian, Lin Kai felt that his body was lighter, as if his body was as light as a swallow.

Afterwards, Lin Kai slammed into the spot with a sprint, and with a loud shout, Lin Kai punched out.

I saw Lin Kai's fists hit and retract at a speed invisible to the naked eye.

The curtain ten meters away was blown by a breeze.

Obviously, it was blown by the true energy exuding from Lin Kai's fist.

This is infuriating!

Lin Kai felt that when he punched, his fist was obviously surrounded by true energy.

True Qi can not only increase Lin Kai's attack power, but also increase Lin Kai's force.

Lin Kai was very satisfied. It was only one hundred and ninety o'clock. After the infuriating attribute value was high, maybe he could just like the male protagonist in the movie.

After upgrading his attributes, Lin Kai will now consider upgrading his skills.

Currently, Lin Kai still has many silver-level skills to be upgraded.

But there are only so few skills that are of great use to Lin Kai.

Among them, the most useful is the ghost attack.

As Lin Kai's own skill, Ghost Attack is very usable.

Not only can it help Lin Kai escape, but it can also help Lin Kai make a surprise attack, which is very useful.

In addition to ghost attacks, there are rock skills, balloon skills, and crow skills.

There is also a very useful skill for Lin Kai, Yuri skill.

Yuri's skill can help Lin Kai control the enemy's mind. For Lin Kai, it is also a very helpful skill.

Which skill should I upgrade? Lin Kai had a headache.

In the end, Lin Kai decided to upgrade his original skills and kill the ghost!

It's going to be against Ye Nantian soon, and there is no skill that can be used, that's not good!

"System, help me upgrade the ghost attack!"

"okay."

The system agreed.

Then, Lin Kai began a long upgrade.

After half an hour, the ghost attack skills were successfully upgraded!

In Lin Kai's mind, a brand new ghost attack was also obtained.

Complete all upgrades!

Looking at the list of Lin Kai's attributes and skills, it has been completely new.

Age: 19

Sex: Male

Strength: 500

Speed: 500

Self-created skills: Ghost Kill (Gold)

Upgrade points: 10

Attribute points: 0

Yes, Lin Kai nodded with satisfaction.

Now Lin Kai has full confidence in Shangye Nantian!

Soon after, Auntie Cleaning came again.

This time, Auntie Cleaning came in with a weird look.

After seeing that the sofa was burnt, Auntie Cleaning looked at Lin Kai's eyes, just like watching the animals in the zoo.

After losing money and changing a sofa, the cleaning aunty murmured: "Young people nowadays really know how to play."

Lin Kai: "..."

...

The next day, early in the morning, after Lin Kai finished washing and eating breakfast, he received a call from Yang Mi.

On the phone, Yang Mi's voice was lazy: "Lin Kai?"

Lin Kai smiled playfully: "Call Master, don't forget, you will be my maid for a month."

As soon as Lin Kai said this, Yang Mi on the phone was silent for a long time, and said angrily: "Dead Lin Kai! Want this lady to be your maid? Go dream!"

“This lady is the eldest of the Yang family! I won’t be your maid!”

Anyway, Lin Kai had cured her father, and Yang Mi simply turned his face and refused to recognize him.

Lin Kai also shook his head and smiled helplessly.

He knew that this little lady would not admit it.

But it didn’t matter, Lin Kai didn’t take it seriously.

“Okay, what’s the matter about calling the master?” Lin Kai asked.

Yang Mi replied unhappily: “The transfer of the villa on the Happy Coast has been completed. If you are fine today, just go and have a look. There is an Italian chef, three nanny, and four security guards. I have paid them three years of wages, so go and confirm.”

After listening to Yang Mi’s words, Lin Kai was also very surprised.

One chef, three babysitters, four security guards?

How big is this villa?

“Okay.” Lin Kai hung up the phone.

After hanging up the phone, Lin Kai went downstairs to drive his car, but found that the Rolls-Royce was restricted. In desperation, Lin Kai could only take a car to the Happy Coast.

After half an hour, Lin Kai reached Xingfu Coast. When he got off the car, Lin Kai was shocked by the Xingfu Coast in front of him.

It’s really spectacular!

The Happiness Coast is built along the sea, with an endless sea in front of it, a scenic rainforest on the left, and the island city on the right.

Whether it is traffic or scenery, it is top-notch.

The villas on Xingfu Coast are even more beautiful. They all have different styles and sizes. The streets are clean and even the air smells of flowers.

This is the high-end community with the best environment Lin Kai has ever seen.

Yang Jianxiong was also willing to give himself a house here.

At the gate of Xingfu Coast, two security guards stopped Lin Kai.

The quality of the security guards here is also extremely high, and they will not look down on Lin Kai just because Lin Kai is wearing ordinary clothes.

“Sir, please show your access card.” The security guard said politely.

Access Card?

Lin Kaixun thought that Yang Mi did not give it to herself!

Lin Kai took out the key to the villa and asked, “Can this work?”

After the security guard saw the key, his eyes were very surprised, and he shook his head: “No way.”

Just as Lin Kai was about to call Yang Mi, two cars stopped behind Lin Kai.

A red BMW car, Lin Kai knows this car, this car belongs to Liu Qiao!

And behind, there is a black Mercedes-Benz sedan, that Mercedes-Benz sedan, Liu Futong’s.

It’s really narrow!

Sure enough, Liu Qiao got off the BMW. She was wearing a red windbreaker, sunglasses, and a pair of white gloves on her hands. She looked like a tall lady.

After seeing Lin Kai, Liu Qiao made a mocking voice: “Hey, who should I stand in the way? Isn’t this Young Master Lin? Why, no access card, can’t get in?”

## **Chapter 503: Happy Coast**

Chapter 503

It’s really narrow!

After seeing Liu Qiao, Lin Kai frowned. For this woman, Lin Kai really didn’t like him at all.

At Liu’s house, she embarrassed herself.

She arranges herself a very low job.

A pretty unreasonable woman, delusional to take a billion from herself.

Lin Kai didn't want to see such a woman all his life.

But unexpectedly, I saw it here.

It was not just Liu Qiao who came here, but the others in the Liu family.

There is Lin Kai's master Liu Futong.

Lin Kai's uncle Liu Qiang, Lin Kai's second uncle Liu Yong, and Lin Kai's grandma.

The whole family came.

Seeing a few of them got out of the car, Grandma Liu rushed over to Lin Kai very enthusiastically and took Lin Kai's hand.

"Xiaokai, where have you been these days? Why don't you go home to see Grandma?" Grandma Liu asked with concern.

He also looked at Lin Kai up and down, as if he was afraid that Lin Kai would lose a piece of meat.

Lin Kai's heart also moved. He may not like the other members of the Liu family, but his grandma is really good to him.

The reason why Lin Kai went to Liu's house several times was precisely because of his grandmother.

If it weren't for the grandmother's stay at Liu's house, Liu Jialin would only go there once.

At this moment, I saw Liu Qiang holding his arms and said sourly, "Mom, who is Lin Kai? Young Master Lin, can he see our Liu family?"

"In the future, let's stop contacting this white-eyed wolf, lest anyone say that our Liu family hugs Lin's thigh!"

The entire Liu family knew about the fact that Lin Kai didn't lend Liu Qiao a billion.

They don't have a good impression of Lin Kai now.

If they can, they can't wait for Lin Kai to die now!

The Liu family is in trouble, you don't help, are you embarrassed to stand here?

Liu Yong also sneered at this time: "Hehe, look, what's wrong with our Young Master Lin? If I was right, you came by taxi?"

“This is not in line with our Lin Family Young Master’s style! What’s wrong? Your money has been squandered?”

Liu Yong sneered.

Liu Qiao had already told them about Lin Kai’s situation. They all knew that Lin Kai had donated 10 billion to the Red Cross!

Ten billion! This number is a number that makes all the Liu family jealous!

And Lin Kai actually donated it!

Although the Liu family were jealous of the money, they knew that Lin Kai had donated the money, and now he is a pauper.

I’m afraid I don’t even have the money to spend on the island.

Therefore, everyone in the Liu family didn’t need to show Lin Kaihao’s expression.

Lin Kai hugged his arms and said coldly, “May I ask you something? If it’s okay, don’t bother me here.”

“Excuse me?” Liu Qiao smiled disdainfully with her arms folded: “Hehe, who is bothering whom?”

“Do you have an access control card? If you don’t have one, please let us go. We will go in and meet a major customer!”

“This is Happy Coast. There is no access card, but you can’t get in.”

“Foreigners like you, who don’t have a trace of contacts on the island, can’t get into the Happy Coast.”

While speaking, Liu Qiao showed a high-profile look.

Liu Futong also held an access card in his hand.

That’s right, Liu’s family also has a house in Xingfu Coast.

It’s just that the Liu family’s qualifications are not enough, so when they were fighting for a house here, a lot of effort was spent.

Finally, I won a house of more than 100 square meters.

Although it is only a house of more than 100 square meters, it is also the worst house on the Happy Coast, but after all, it is a house on the Happy Coast, and it is worth tens of millions now.

Lin Kai frowned, and saw Lin Kai stepped back and let out his body: "You are advanced."

Lin Kai didn't have an access card, so he could only let everyone in the Liu family advance.

Liu Qiao rolled his eyes, holding his arms, "Cut, I know you can't get in."

"Lin Kai, because of your relationship with our Liu family, I will take you in and get in the car."

While speaking, Liu Qiao showed a high expression.

Liu Qiao at this time, that's an uproar!

Lin Kai! Are you not prestigious? Didn't you donate 10 billion? Now you can't even enter the Happy Coast, don't you have to count on my Liu Qiao to take you in?

At this time, Liu Qiao felt that he was proud.

Lin Kai shook his head, and decisively refused Liu Qiao: "No, I can go in by myself."

After hearing Lin Kai's words, Liu Qiao sneered: "Hehe, you can still do it? Okay! Then you just stay here!"

"let's go."

After all, Liu Qiao got into his BMW car.

Everyone in the Liu family also got on the bus.

Grandma Liu looked at Lin Kai reluctantly, but was still dragged into the car by the Liu family.

After showing the access control card, everyone in the Liu family entered the Happy Coast smoothly.

At this moment, even the security guard standing at the door can't stand it anymore. He said, "Sir, if you don't have proof that you are the owner of the community, please leave here."

Even the security guard felt embarrassed for Lin Kai.

Lin Kai did not move. He stood there and made a call.

Soon after, the security guard received a call here. After receiving the call, the security's face instantly became serious.

After hanging up the phone, the security trot to Lin Kai and gave a respectful salute to Lin Kai.

"Sir, please come in." The security guard opened the small door on the side for Lin Kai himself.

Lin Kai entered the Happy Coast smoothly.

Afterwards, Lin Kai went to find his own villa according to the address given by Yang Mi.

After walking for ten minutes, Lin drove to a group of villas with distinctive buildings.

In the center of the Happy Coast, there are ten very special villas.

Each of these ten special villas has its own courtyard, each villa has a swimming pool and garden, and the construction style of each villa is different.

These ten villas are the ten most valuable villas in Happy Coast Villas!

Each of these ten villas has its own name.

The name of the key in Lin Kai's hand was Dongfeng.

Lin Kai made a comparison and found that his villa was among the ten villas.

As the head of the top ten families on the island, the Yang family is naturally qualified to own the villa here, and it is still the best, one of the ten villas!

Owning a villa here is not only a comfortable living environment, but also a status symbol.

Owning the villa here proves that this person is valued by the island government!

Lin Kai took the key to the villa and strode towards that villa.

But at this moment, Lin Kai saw an acquaintance again.

That's right, everyone from the Liu family.

Everyone from the Liu family rushed towards Lin Kai.

It was the four of them. The four of them also saw Lin Kai. After seeing Lin Kai actually enter the Happy Coast, they were all very surprised.

“Yeah, how did your kid get in?”

## Chapter 504: Yang Jianhua

Chapter 504 Yang Jianhua

After seeing Lin Kai, Liu Qiao sneered directly with his arms.

This is the most noble villa complex in the entire island, only for the most powerful people on the island.

Outsiders can't get in at all!

Not to mention that Lin Kai is the Young Master of the Lin Family, even if Lin Kai is the Young Master of the Long Family in Beijing, here, there is no face!

Because the island is different from other places, the island is economically independent and has its own production chain, and the islanders may never leave the island for a lifetime.

Therefore, the island is more like a small country independent of China.

Therefore, outsiders on the island have no face at all.

I won't go out all my life, how can you be afraid of people from other places?

And don't even think about hitting Lao Tzu's idea, because your hand can't reach the island at all.

After seeing everyone in the Liu family, Lin Kai put his hands in his pockets and said lightly: “I didn't come in, I walked in.”

Liu Qiao came to Lin Kai with his arms, looked up and down Lin Kai, with a playful look on his face: “Yeah, is the Red Cross manager looking for you? After all, you donated so much money from him, he gave It's normal for you to manage the relationship.”

“But I really don't understand, is your brain flooded? Donate 10 billion dollars? Still anonymous.”

“What? Do you really think you are the savior? How much money does the Lin family have for you to squander?”

Lin Kai smiled with both hands in his pockets, "Hehe, no matter how much I squander, I will spend my own money. Unlike your Liu family, it seems that it is almost bankrupt now, right?"

Liu Qiao's face suddenly changed after hearing Lin Kai's words.

Yes, the current Liu family is very dangerous!

At that time, Liu Qiao said sharply: "Don't worry about it! This is our Liu family's own business!"

"If you don't help our Liu family, naturally someone will help us Liu family!"

"We have made an appointment with Yang Jianhua of the Yang family, he will be here soon!"

"Do you know what kind of family the Yang family is? The top ten families on the island! Compared to your Lin family, it's not much worse!"

"Yang Jianhua will come to help us soon. He said he wants to invest one billion dollars for us. Just wait and see!"

Liu Qiao looked aloof.

The rest of the Liu family also looked like they were holding a winning ticket.

Soon after, I saw a crowd of men and women in black suits coming from the side of the trail.

The leader, in suits and leather shoes, has a strong build, and his eyebrows are somewhat similar to Yang Jianxiong.

It seems that he is Yang Jianxiong's brother, Yang Jianhua.

After seeing Liu Qiao, Yang Jianhua strode over.

After seeing Yang Jianhua, Liu Qiao changed his attitude. He put away his superior expression and showed a pleasing smile on his face.

"Oh, Mr. Yang, are you here?" Liu Qiao trot over and took Yang Jianhua's arm very unceremoniously.

He used his own body to rub against Yang Jianhua.

I was so shameless when I first met.

And Yang Jianhua obviously didn't like Liu Qiao either, frowned and pulled out his arm.

"If you have something to say," Yang Jianhua frowned.

At this time, Liu Futong of the Liu family stood up and came to Yang Jianhua.

Liu Futong is from Ao, and Lin Kai knows this.

Relying on his proficiency in Chinese medicine, he hardly regards anyone in the island.

Because he feels that everyone has birth, old age, sickness and death, and these people will definitely get themselves, so they must give themselves face.

At that time, Liu Futong stretched out a hand and said nonchalantly, "Hello, this is Liu Futong."

Yang Jianhua shook hands with Liu Futong, and said, "If you have something to talk about, I have other things."

Liu Futong seemed dissatisfied with Yang Jianhua's attitude.

"Our Liu family is here, don't you invite us to sit at Yang's house?"

Liu Futong asked displeasely.

"Huh?" Yang Jianhua frowned.

"Liu Patriarch, are you kidding? Do you have any misunderstandings about your Liu family?" Yang Jianhua didn't give Liu Futong any face.

This sentence made Liu Futong's face flushed.

He couldn't help but want to reprimand Yang Jianhua, but Liu Qiao gave Liu Futong a wink.

After all, I'm here to beg for help, so it's better to lower your attitude.

Liu Futong endured this breath and said, "Okay, then I'll be straight to the point."

"Our Liu family now needs one billion yuan in funds."

"There is a temporary vacancy in the capital chain, and one billion is needed."

"So come to ask you Yang family if you have any intention to invest."

Although it is to pull investment, that is, to borrow money, Liu Futong is still not humble or humble.

It seems that it is the Yang family's honor to lend money to the Liu family.

Yang Jianhua also laughed at the time: "Master Liu, I know a little bit about your Liu family."

"After all, it is a family business that has been handed down over a century. If you help you, you will definitely be able to tide over the difficulties."

"However, what a businessman pays attention to is an interest. I don't see any hope of repayment in your Liu family."

Upon hearing this, Liu Futong's tone became colder: "Then what do you mean?"

Yang Jianhua smiled: "Haha, you can borrow money, please buy something of the same value."

After listening to Yang Jianhua's words, Liu Futong almost spit out a mouthful of blood.

Something worth a billion?

Where is this kind of thing?

If there was such a thing, we would have sold it a long time ago, so do we need to ask you Yang family?

There was something worth billions of dollars, it was the blue and white porcelain sent by Lin Kai, but that blue and white porcelain was broken by everyone in the Liu family!

Suddenly, Liu Qiao's eyes lit up, and she raised the access control card in her hand: "Yes! Dad! We can mortgage the house on Happy Coast to the Yang family!"

After listening to Liu Qiao's words, Liu Futong also shined.

He took the access card and handed it to Yang Jianhua: "This is the door card of Happy Coast. Believe that this thing can be worth a billion, right?"

Before speaking, Liu Futong stood up and raised his head, that was a confidence.

But Yang Jianhua didn't accept the door card at all. He just glanced at it, and Yang Jianhua smiled: "Hehe, with your card, I'm afraid it's not enough."

After listening to Yang Jiahua's words, Liu Futong was taken aback, then furious: "Nonsense!"

“The people on the entire island, who doesn’t know that the house price of Happy Coast is the most expensive? The house here is even more difficult to find. Now you actually said that our Liu family’s house on Happy Coast is worth less than one billion?”

After listening to Liu Futong’s words, Yang Jianhua smiled and nodded: “Haha, that’s good.”

“House prices on the Happy Coast are expensive, and they are not yet available to ordinary people.”

“However, the houses on the Happy Coast also have differences.”

“The house of your Liu’s house is at the very corner of the Xingfu Coast, not to mention the location, and it is next to the public toilet. It is only more than 100 square meters.”

“Such a house was sold to your Liu family because the island city government could not sell it.”

“Do you think such a house can be worth a billion?”

## **Chapter 505: Winter Wind**

Chapter 505 Winter Wind

Yang Jianhua’s words struck heart.

Yes, although Liu’s family has a house on Xingfu Coast, it is the most inferior house.

A total of more than 100 square meters of small-sized houses, not villas, similar to residential buildings.

Although such a house is also very valuable, it is not worth a billion!

Yang Jianhua looked at the Liu family sarcastically.

I saw Yang Jianhua pointing to the ten villas behind him, and said, “Have you seen these ten villas, just take one out of them, and you can trade two billion for me!”

“Just forget your broken house!”

After listening to Yang Jianhua’s words, everyone in the Liu family flushed.

The owners of each of these ten villas are not ordinary people.

They squeezed their heads and only won the last house on the Happy Coast.

How is it possible for them to take out the top houses on the Happy Coast?

Liu Futong also blushed. He put away the key card and said, "Mr. Yang, for the face of our Liu family, is it okay?"

Liu Futong said pleading for the first time.

But Yang Jianhua didn't take this set at all: "Accommodation? Who targeted your Liu family, don't you have any idea?"

"Compared to you, I am more optimistic about Western medicine!"

"I can't get something with the same value, a billion, sorry, no."

Yang Jianhua refused.

Everyone in the Liu family didn't look very good.

It has been a while since the incident happened.

If they can't put out a billion, the Liu family will really face bankruptcy!

At that time, everyone in the Liu family will not only lose billions of property, but also face jail!

Now, they are begging grandpa to tell grandma, and no one is willing to spend a billion to fund their Liu family.

At this time, the Liu family realized that their connections in the Liu family were so pitiful.

Lin Kai on the side had been watching coldly. After seeing Yang Jianhua refused to contribute one billion yuan to the Liu family, Lin Kai was a little gloat for some misfortune, not knowing why.

The Liu family, the Liu family, the problem you encountered is not a problem at all for me, Lin Kai!

But you have scorned me time and time again, and the blue and white porcelain worth a billion was smashed like \*\*\*\* by you.

Now in your heart, you must be very regretful, right?

Yang Jianhua glanced at his watch at this time and said, "If there is nothing wrong, I will leave first."

“After you come up with something that can take a billion from me, come to me.”

After all, Yang Jianhua left the street with a few men and women in suits.

Only the Liu family and Lin Kai who looked embarrassed were left.

Lin Kai saw that there was no excitement to watch, so he was ready to go back to his new villa.

I saw Lin Kai walking straight towards Dongfeng Villa, one of the ten villas.

Liu Qiao was already in anger, and when he saw Lin Kai walking towards the Dongfeng Villa, Liu Qiao laughed when he held his arm.

“Yeah, Lin Kai, you really dare to think about it!”

“That villa, do you want to go in too?”

“Do you know whose villa it is? It’s the Yang family’s villa!”

“Do you know what kind of family the Yang family is? The head of the top ten families on the island! Why, do you still want to go in and see Yang Jianxiong?”

The anger received from Yang Jianhua just now, Liu Qiao vented on Lin Kai’s body.

The uncle Liu Qiang also looked at Lin Kai angrily: “It’s all to blame for this waste. He is a broomstick. Before he came to Liu’s house, everything was fine. Since he came to Liu’s house, Liu’s bad things have happened. One more thing! It’s all right now, I’m almost broke!”

Second uncle Liu Yong also sneered: “Lin Kai, are you satisfied with the appearance of our Liu family?”

“Do you still treat us as relatives?”

“Do you still have my second uncle in your eyes?”

“Seeing that our Liu family is in trouble, did you stand by? What a white-eyed wolf! It’s for our Liu family to treat you so well!”

“You come to our Liu’s family, and our Liu’s family will give you white rice and pork. Do you know how much pork costs a catty now?”

“Our Liu family treats you with heart and soul, you are fine, don’t take our Liu family seriously!”

The family was mocking Lin Kai.

Liu Futong even clasped his arms and said coldly: "I knew that Xiaoling would give birth to you such a wicked obstacle, I shouldn't have married Xiaoling to your Lin family!"

Hearing that everyone in the Liu family slandered him like this, Lin Kai turned his head and a chill appeared in his eyes.

"Anyway, I am a white-eyed wolf in your eyes. No matter what I do, I can't change your view of me."

"In this case, you will treat me as a passerby in the future, a stranger, okay?"

After Lin Kai's words, Liu Qiao smiled with his arms folded: "Yo, we want to treat you as a stranger!"

"But I don't know who is shameless. After coming to the island, I ran to our Liu's house three or four times!"

"I have eaten three or four times."

"I also used antiques worth one billion yuan to please our Liu family."

"So shameless."

Lin Kai laughed when he heard the words, "Oh, just as Lin Kai took out and really fed the dog!"

"From then on, your Liu family have nothing to do with Lin Kai!"

"Even if your Liu family is in prison! I, Lin Kai, will definitely not rescue him!"

As he said, Lin Kai glanced at his grandma.

"Grandma, you don't count."

After that, Lin Kai proudly turned around and walked towards the Dongfeng Villa.

At this moment, I saw an extended Hummer driving over from the side of the road.

After seeing the extended version of the Hummer, everyone in the Liu family was bright and greeted the past.

Liu Qiao exclaimed, "This is the car of Yang Jianxiong, the owner of the Yang family!"

"Why did Yang Jianxiong's car come here?" Liu Qiang looked puzzled.

Liu Yong laughed loudly: “Hahaha! It must be Yang Jianhua who told Yang Jianxiong that he didn’t lend us money from the Liu family after returning, so he was scolded.”

“Yang Jianxiong is here to personally apologize for our Liu family!”

Liu Futong also nodded, his face flushed.

The Liu family stood on the side of the road and waited excitedly.

And as they expected, the extended version of Hummer really stopped in front of them.

The driver came down to open the door for Yang Jianxiong, and after that, Yang Jianxiong, who was energetic, got out of the car.

After Yang Jianxiong got out of the car, he looked around and finally settled on Lin Kai’s body.

I saw Yang Jianxiong strode towards Lin Kai, and Lin Kai was behind the Liu family. The Liu family saw Yang Jianxiong walking over so enthusiastically, all of them were extremely happy.

It seems that our Liu family has a lot of face! Even if the Patriarch Yang, the head of the top ten families, sees us, he must respectfully and shake hands in person.

At that time, Liu Futong tidied up his clothes, with a humble smile on his face, ready to leave a deep impression on Yang Jianxiong.

But Liu Futong stretched out his hand, but Yang Jianxiong walked past him without even looking at Liu Futong.

## **Chapter 506: He Has Nothing To Do With Our Liu Family**

Chapter 506 He Has Nothing To Do With Our Liu Family

“Brother Lin!” Yang Jianxiong walked directly past Liu Futong, ignoring Liu Futong.

The smiles on the faces of the Liu family all solidified, and Liu Futong’s hands froze in the air, and the atmosphere was very embarrassing.

Yang Jianxiong didn’t come to see their Liu family?

Looking back, the next scene happened almost shocked their big teeth.

I saw Yang Jianxiong rushed directly to Lin Kai, and put his arm around Lin Kai's shoulder, the smile on his face was sincere.

And a faint smile appeared on Lin Kai's face: "Why are you here in person, Mr. Yang?"

Yang Jianxiong laughed, with an apologetic smile on his face: "I asked Yang Mi to pick you up personally. That little nizi is ignorant, so you can come by yourself."

"I'm not here to make amends to Brother Lin!"

After all, Yang Jianxiong clasped his fists and smiled: "Brother Lin, I'm sorry, Yang Jianxiong is here, I'll pay you!"

Yang Jianxiong's attitude is sincere.

The expressions of the Liu family on the side were dumbfounded.

They looked at Lin Kai, unable to speak for a long time.

When did Lin Kai climb the big tree Yang Jianxiong?

Moreover, looking at Yang Jianxiong's attitude towards Lin Kai, he is like treating his own father.

Who is Yang Jianxiong? That is the head of the Yang family, the top ten families in the island city!

Who is Lin Kai? Although Lin Kai is a young man from the Lin family, the Lin family is far away in Jiangbei!

Yang Jianxiong didn't need to give Lin Kai a good face at all. Even if he looked at Lin Kai's identity, he didn't need to be so passionate about making friends with Lin Kai!

Now Yang Jianxiong gave them the feeling that seeing Lin Kai was like seeing his father.

Liu Futong was dumbfounded.

Just now Yang Jianhua, the second in command of the Yang family, came to look down upon their Liu family.

But Lin Kai, whom they looked down upon, was valued by Yang Jianxiong!

It seemed that Yang Jianxiong wanted to treat Lin Kai as a brother!

They were all dumbfounded.

The difficulties of their Liu family are catastrophes for them, but for the Yang family, it is actually a big deal.

Lin Kai and Yang Jianxiong are so familiar, that is to say, Lin Kai can solve the current crisis in Liu's family with a word!

At that time, everyone in the Liu family felt as uncomfortable as eating flies.

Lin Kai, who they looked down upon, was so furious that he even knew Yang Jianxiong.

However, Liu Qiao was still very dissatisfied. She thought that Lin Kai was tainted by her Liu family!

It must be Yang Jianxiong who Lin Kai approached under the banner of the Liu family, and Yang Jianxiong was so passionate about Lin Kai.

At that time, Liu Qiao stood up: "President Yang."

"Huh?" Yang Jianxiong looked at Liu Qiao, frowning, "You are?"

"I'm Liu Qiao from the Liu family." Liu Qiao said proudly.

"The Liu family?" Yang Jianxiong frowned, "Which Liu family?"

Yang Jianxiong had no impression of Liu Qiao, nor did he know Liu Qiao.

"It doesn't matter if you don't know me, but Family Master Yang, I want to tell you that this Lin Kai has nothing to do with our Liu family at all!" Liu Qiao said proudly.

Yang Jianxiong is even more confused, what has nothing to do with the Liu family? He didn't understand at all!

"What do you mean?" Yang Jianxiong frowned and asked.

Liu Qiao pointed at Lin Kai with his arms akimbo, as if you were finished.

Lin Kai, I will expose you now!

"I mean, he is not a local, and our Liu family don't welcome him, so you don't have to look at the face of our Liu family and entertain him so warmly."

After all, Liu Qiao pointed to Liu Futong and said, "This one is my dad, the head of the Liu family."

After all, Liu Qiao seemed very proud of his identity, and seemed to be waiting for Yang Jianxiong to indulge.

In Liu Qiao's opinion, why did Lin Kai come from a place to make Yang Jianxiong pay attention?

It is by virtue of his status as a relative of Liu family!

Now that he has exposed him, Yang Jianxiong will definitely stay away from him, and then come to flatter himself.

At that time, Lin Kai, I will show you the true energy of our Liu family! Let you know what a real century-old family is!

But Yang Jianxiong looked at Liu Qiao like a fool: "Is there something wrong with your brain?"

"Does Brother Lin have anything to do with your Liu family? What does it have to do with me?"

After listening to Yang Jianxiong's words, the smile on Liu Qiao's face was frozen.

She looked at Yang Jianxiong with an incredulous expression: "You know that he has nothing to do with our Liu family. Are you so enthusiastic about him?"

Yang Jianxiong looked at Liu Qiao coldly at this time: "You take your Liu family too seriously, right?"

"I know your Liu family, a century-old Chinese medicine family, right?"

"I said it was the Yun family at the end of the century, but in my eyes, Yang Jianxiong, your Liu family is a fart!"

"I can kill your Liu family with one finger."

"You take yourself too seriously."

After that, Yang Jianxiong looked at Lin Kai and asked, "Brother Lin, do you know this wise man?"

Lin Kai shook his head and smiled slightly: "I don't know."

When Yang Jianxiong's words and Lin Kai's words came out, Liu Qiao's face was hot red at the time.

It's so red, it's really embarrassing to throw it at home!

Liu Qiao confidently stepped forward to explain, raising his Liu family, but he didn't realize it. In Yang Jianxiong's eyes, there was no Liu family at all!

Yang Jianxiong did not have a good relationship with Lin Kai because of the Liu family.

The Liu family simply couldn't enter Yang Jianxiong's eyes!

It was Lin Kai who they looked down upon. Now he and Yang Jianxiong are brothers and sisters, and he is deeply respected by Yang Jianxiong.

Liu Qiao couldn't accept this sudden sense of gap.

Why?

The stinky guy was still working in my massage shop a few days ago. Now that he turned around, Yang Jianxiong was so respectful to him?

Everyone in the Liu family couldn't accept this result.

At this time, Lin Kai took out the key of the villa and was about to open the door of the villa.

But Yang Jianxiong took the lead, took out the remote control from his pocket, and pressed the remote control, the door of the villa automatically opened for Lin Kai.

And Yang Jianxiong also said apologetically: "Brother Lin, I'm really sorry! I forgot to give you the remote control and the door card."

After that, Yang Jianxiong took out the key card again and handed both the remote control and key card to Lin Kai.

After seeing this scene, everyone in the Liu family's jaws were shocked to the ground.

Yang Jianxiong actually sent the winter breeze to Lin Kai?

You know, the value of Dongfeng is no less than two billion!

And it's the kind that has no market!

The whole Winter Breeze, there is only one in the island city, what exactly did Lin Kai do to make Yang Jianxiong respect him so much?

In the hearts of everyone in the Liu family, it was uncomfortable.

The prodigal son they looked down upon was a waste of money, and instead of relying on their Liu family, they befriended Yang Jianxiong, and even got a villa worth two billion!

In Lin Kai's eyes, the difficulties of their Liu family are actually just trivial things.

But now, it's too late to say anything, just now, they have already separated from Lin Kai!

## Chapter 507: Director Shen

Chapter 507 Director Shen

"Thank you." Lin Kai took the key card and remote control, thanked him, and stepped into the winter breeze.

Yang Jianxiong watched Lin Kai leave, then turned around.

As soon as he turned around, the smile on Yang Jianxiong's face immediately disappeared.

Instead, there was a serious face with a slight murderous look in his eyes.

I saw Yang Jianxiong strode towards everyone in the Liu family.

Everyone in the Liu family was shocked by Yang Jianxiong's momentum and did not dare to say a word.

Yang Jianxiong looked at everyone in the Liu family and said coldly: "I don't care whether you are from the Liu family or the Wang family, Lin Kai, it's my Yang Jianxiong relative!"

"You dare to move Lin Kai a hair, I want your Liu family to lose their lives!"

After all, Yang Jianxiong got directly into the extended Hummer.

As soon as the driver stepped on the accelerator, the extended Hummer disappeared from everyone's sight.

And everyone in the Liu family looked ugly.

It was Yang Jianxiong who spoke to them just now! Patriarch of the Yang family.

He didn't put the Liu family in his eyes at all, and indeed, the Liu family was not enough for the Yang family to step on.

But the most unacceptable thing is that their most despised gnawing old clan Lin Kai was actually so valued by Yang Jianxiong and claimed that Lin Kai was his family.

Is this prodigal son really that good?

Thinking about it carefully, Lin Kai is actually really good.

During the time when he came to Liu's family, Lin Kai has always been very friendly to Liu's family, and the current Lin Kai is very different from the previous one.

In the past, Lin Kaiwan didn't put the Liu family in his eyes.

But now Lin Kai is not only polite, but also very low-key.

The shot is a gift worth more than one billion.

Lin Kai's performance was seen by the Liu family, but they didn't want to admit Lin Kai's excellence.

Because in their eyes, Lin Kai is a despicable prodigal, no matter how Lin Kai changes, the Liu family do not want to admit Lin Kai's excellence!

Until now, in their hearts, they finally regretted it.

If Lin Kai was acquainted with him earlier, would the problem encountered by their Liu family still be a problem?

Everyone in the Liu family sighed, shook their heads and left.

...

After Lin Kai entered the winter breeze, he was immediately shocked by this luxurious villa.

This villa is much more luxurious than the villa I bought in Jinling!

Not only does it occupies a larger area, the villa has a beautiful environment and a private swimming pool.

After Lin Kai entered the villa, the chef, three nanny and four security guards also stood up to see Lin Kai.

The chef is a chef from a foreign country. He is a foreigner with a big nose and a bit fat.

The nanny is the nanny of China.

And they are all young girls in their early twenties, and they look more beautiful than ever.

Yang Jianxiong was also interested, afraid that he would be lonely, so he sent three such nanny to him.

The security is a burly security.

After meeting them, Lin Kai came to the room. The spacious room was decorated very comfortably, with a water bed, super LCD TV, and a movie room.

After taking a shower and lying on the big water bed, Lin Kai fell asleep again without knowing it.

After waking up in the afternoon and eating something, Lin Kai changed his clothes and strolled along the Happy Coast.

Xingfu Coast is indeed the most upscale community in the entire island, and the scenery is very pleasant.

Walking on the road, Lin Kai suddenly felt that he was so happy now.

Just one less girlfriend.

Just as Lin Kai was imagining how beautiful the future would be, the three of them trot past Lin Kai.

Two men and one woman.

Lin Kai's eyes were immediately attracted by the girl.

That figure is really hot!

A pair of gray tights on the lower body, the beautiful legs and buttocks are perfectly outlined, the upper body is a pink sports jacket, the hair is combed into a ponytail and left behind, full of youthful breath.

When the girl ran by Lin Kai, she still had a faint fragrance.

Nice body!

This was Lin Kai's first thought.

As for the two men, Lin Kai didn't pay much attention.

Then he walked forward. Soon after, Lin Kai walked to a small park in the middle of Xingfu Coast.

Sitting in the pavilion, Lin Kai saw the three people again.

Under a big willow tree, Lin Kai saw the girl again.

This time, Lin Kai could take a closer look at the girl's face.

He looks very young, only nineteen years old, with collagen on his face and delicate facial features, and his skin is so supple that I can't help but want to kiss him.

She looked serious and didn't notice Lin Kai at all.

And beside her, there was a young boy who looked about the same age as the girl and looked handsome. They looked like brothers and sisters.

The other man looked like their father, in his forties.

Also wearing a sports suit, the figure is very strong, his face is serious, his expression is not angry or pretentious.

"Practice the boxing technique I taught you three times!" The middle-aged man shouted.

Upon hearing this, the young boys and girls practiced their punches under the willow trees.

"Hey!"

"what!"

"Hey ha!"

A man and a woman punched, it was a tiger and tiger, and the punch was very beautiful.

Standard military boxing!

Lin Kai also looked at it with great interest.

There were also many people standing around, attracted by the punching young men and women.

And someone whispered: "Isn't that Director Shin of the Police Department? Are you here to train his children again?"

"Yes, Director Shen can value his son and daughter. He takes his son and daughter to exercise every day and comes here to practice boxing every day."

"The tiger father has no dogs."

...

It turned out to be the director of the National Police Agency.

There are no ordinary people who can live in this place. Lin Kai nodded slightly.

After the three sets of military punches, the girl was already sweating, and the boy was panting.

Director Shen did not let them rest.

“The military physical punching is over, now come to our Shen family’s boxing method!”

At this time, Director Shen stood in front of the boys and girls, and punched them together.

I saw the three of them stepped down and began to fight a more exotic punch.

Similar to Tai Chi, but more rigid than Tai Chi, it is fast and slow, making people confused.

“Hey!”

“what!”

The three of them started punching, and they looked extremely beautiful and powerful.

Although it looks beautiful, in Lin Kai’s eyes, this set of boxing is simply a fist and embroidered leg compared to military sports!

But the people around didn’t know, they only thought that this set of boxing was very beautiful, and they applauded.

“it is good!”

“Good boxing!”

There was a burst of applause.

And Director Shen’s face also showed a proud smile.

This son and daughter are his pride.

Although his son is young, he is now a first class police officer!

The daughter is also a second-level police officer.

They performed well in the police station, and their future is no worse than his father!

## **Chapter 508: Shenjia Boxing Method**

## Chapter 508 Shen Family Boxing Technique

“Continue to practice boxing!”

“do not stop!”

Director Shen supervises his daughter and son.

The girls and boys did not stop, they were practicing boxing all the time.

Their faces all carried proud looks.

His eyes are also very proud.

Because they feel that they are the pride of heaven!

With a distinguished family background and working so hard, they feel that they are strong because they practice martial arts.

The crowd onlookers also cheered.

The cheering voice made them even more airy.

The surprised eyes of the people around are their motivation to practice boxing.

They enjoy the feeling of being watched by everyone, which makes them feel that they are not ordinary people.

I saw that their punches are getting faster and faster, and their punching techniques are getting more and more beautiful.

But Lin Kai, who was watching, frowned.

Because in addition to the first set of military punches, which are more beautiful, the other methods are all fisting!

Director Shen saw this detail of Lin Kai frowning and shaking his head.

Director Shen looked at Lin Kai very displeased.

Among the onlookers, only Lin Kai did not applaud.

This made him very unhappy.

After watching for a while, Lin Kai shook his head, sighed, and prepared to leave.

Because the punches of these three people are nothing good.

But Lin Kai hadn't made two steps yet, and saw that Director Shen had stopped in front of Lin Kai.

The man and the woman also stared at Lin Kai.

Lin Kai sighed and shook his head just now, but they all saw it!

Director Shen squinted his eyes and looked at Lin Kai, and said, "Young man, I just saw you with a disdainful face. Could it be that you have any thoughts on our Shen family boxing method?"

Lin Kai saw that he was stopped.

He didn't hide it, and said: "The military sports punches well."

"But your Shenjia boxing technique still has some shortcomings. The back swing time is too long and the empty door is exposed, and it is easy to leave holes for the enemy."

Director Shen listened, hehe, you really dare to make comments.

At that time, Director Shen came to the fire: "Are you questioning our Shenjia boxing method?"

Shen's boxing method has always been the proud boxing method of Director Shen!

There are many police officers in the police station, all of whom are studying the Shenjia boxing method.

This set of boxing techniques, I don't know how many criminal suspects have been captured, and now it is questioned by Lin Kai, Director Shen's heart is naturally very upset.

Lin Kai was taken aback for a moment, the one who came was bad!

"I don't dare to doubt it, it's just that there are some younger people's own opinions." Lin Kai's words were quite polite.

"Yeah, still insight? How old are you? Nineteen years old? Our Shen family's boxing technique has been handed down for several generations. Is it possible that our ancestors' vision is not as harsh as you?"

At this moment, the hot young girl said with her arms folded.

The boy also stared at Lin Kai with a bad look.

The people around also pointed at Lin Kai.

“This young man is so rampant!”

“Yes, Director Shen is the hero of our island city! I don’t know how many big and earth-shaking cases have been solved. Some time ago, I heard that even the butcher was arrested in the rainy night.”

“This young man actually questioned the Shen family’s boxing method, really overwhelming.”

“I don’t know the sky is high and the earth is thick.”

...

Everyone pointed at Lin Kai, and pointed out that Lin Kai shouldn’t question Shen Jiaquan.

Lin Kai also smiled helplessly. At that time, he waved his hand and wanted to leave the scene.

But two young men, a man and a woman, blocked Lin Kai’s path.

“Stop! Don’t give us an explanation today, don’t you want to leave!” The young girl shouted.

Lin Kai frowned and looked at the three with a displeased look: “What can I tell you? I didn’t commit a crime, and I didn’t commit a crime. Why don’t you let me go?”

Director Shen waved his hand, and the girl and boy stepped aside.

Director Shen looked at Lin Kai displeased: “Young man, since you put forward your opinion, it means that you are also a martial artist.”

“In this way, do you dare to discuss with my daughter?”

Director Shen squinted at Lin Kai.

There was a burst of laughter around.

Director Shen’s meaning is self-evident, that is, I will show you how powerful our Shen family is!

At that time, you are a man who can’t beat even a girl, you will be ashamed of you!

The girl also hugged her arms and stared at Lin Kai proudly.

She has been practicing martial arts since she was a child, and even three or five grown-up strong men can't get close to her, facing Lin Kai, she is not afraid.

Don't even open Lin's eyes.

Lin Kai laughed, "Hehe, martial arts practitioners, the biggest taboo is pride."

"I don't want to bully the small with the big, forget it."

Lin Kai directly refused.

"I don't think you dare?" The girl sneered loudly at the time.

"You dare not beat me as a girl, and you dare to question our Shenjia boxing method?"

"I think you don't know how to pretend to understand, do you really think you are a martial arts master?"

"Hehe, if you don't know martial arts, don't question our Shenjia boxing method. Our Shenjia boxing method has been passed down for a century. Is Qi that you, a little kid who knows nothing, can question?"

Lin Kai smiled after hearing the girl's words, "Are you very proud?"

The girl raised her head and looked at Lin Kai with piercing eyes: "That's self-confidence!"

Lin Kai nodded and looked at Director Shen and everyone: "Everyone is optimistic, they are going to challenge me, but I am not bullying the small!"

As soon as Lin Kai said something, a burst of laughter rang out.

Everyone was amused by Lin Kai's words.

Not to mention Lin Kai's young age, even if Lin Kai is older than a girl, he can beat that girl?

joke!

At that time, Lin Kai must be beaten!

"We will give you a testimony, they are going to challenge you, come on! Haha!"

"Get started! I can't wait!"

"Young man, don't be merciful!"

...

There was a cynic voice from around.

Director Shen stood with his hand held down, staring at Lin Kai with a playful expression.

Lin Kai nodded, looked at the girl, and lifted one of his hands.

“Don’t say I bully you, I will fight you with one hand.” Lin Kai said.

After hearing what Lin Kai said, the girls were amused by Lin Kai’s arrogance.

“Hehe, do you still have a hand? I’ll show you how powerful our Shen family is!”

After all, the two came under a clearing.

The girl assumed an attacking posture, while Lin Kai stood on the spot, carrying a hand, looking at the girl with contempt.

“Drink!” The girl yelled, turned around, and kicked Lin Kai’s waist with a side kick.

The waist of a person is very fragile, and kicking the waist sideways can make the legs burst out with extremely strong power, because the waist position is not high or low, it is best to kick.

With a scream, he kicked directly to Lin Kai’s waist, and saw the girl’s feet stretched out. If this kick was on an ordinary person, the ordinary person could not stand up with one kick.

Unfortunately, it was Lin Kai that she met.

## **Chapter 509: Playing A Big Knife In Front Of Guan Gong**

Chapter 509

“Huaquan embroidered legs.” Lin Kai shook his head in disdain.

I saw Lin Kai standing with his hands behind, standing still, with one hand gently grabbing the girl’s ankle.

With a bang, Lin Kai held the girl’s ankle directly in his hand.

The first piece is smooth and tender, the girl's body temperature is very high, and the skin is warm.

The confident look on the girl's face also became surprised.

Is this person's reaction and speed so fast?

This kick of oneself, logically speaking, ordinary people can't catch it!

If you take this foot with your hand, your hand will be kicked out!

But Lin Kai caught it easily!

"The front shake is too long, it's fancy, and when you meet a master, you can completely knock you into the air before you kick this kick!"

After that, Lin Kai flicked the girl's leg and made three thumps. The girl took three steps back.

Apart from the surprise on the girl's face, there was only dissatisfaction left.

You are lucky to catch my leg!

The girl looked angry and stared at Lin Kai: "Come again!"

After that, the girl yelled and rushed towards Lin Kai again.

This time the girl learned her finesse, and saw her suddenly somersault in front of Lin Kai, resting her hands on the ground, her feet like a pair of scissors, twisting towards Lin Kai's neck.

With a whirr, the girl's legs had already reached Lin Kai's eyes.

The people around exclaimed.

This is a girl's nirvana, the Shen family strangulate!

If the neck is clamped by these legs, the girl will use the power of somersaults to throw people away.

Being thrown out, from the first to the blood, to death on the spot!

And Lin Kai looked at the girl contemptuously, even if his legs were in front of Lin Kai, Lin Kai did not dodge.

With a snap, the girl's legs directly clamped Lin Kai's neck.

The girl's face showed a look of great joy.

Caught by your own legs, you are dead!

But then, the girl couldn't laugh anymore.

Because she found that her legs seemed to be clamped to an electric pole.

No matter how she shakes it, the other party just won't move!

The girl shook her a few times, and she was almost out of strength with her arms on the ground, but Lin Kai still didn't move.

Lin Kai stared at the girl's \*\*\*\* with contempt.

"Strangulation? It seems to be extremely lethal, but the problem is still the same, the forward shaking time is too long."

"Who would stand like me, waiting for you to strangle?"

"Meeting a power-type player, if you go close to you, it's almost death."

After that, Lin Kai grabbed the girl's ankle and threw her to the ground.

Ouch, the girl's \*\*\*\* fell heavily to the ground.

From beginning to end, Lin Kai stood still and did not move, and broke the Shen family boxing method.

The onlookers were also exclaimed. Obviously no one thought that Lin Kai, who appeared to be young, was a martial arts expert.

The girl seemed to be so clever martial arts, in front of Lin Kai, it was actually vulnerable.

Lin Kai looked at Director Shen and clasped his fists: "Just laughed."

After all, Lin Kai wanted to leave the scene.

But Director Shen blocked Lin Kai's way.

I saw Director Shen's sword eyebrows raised coldly, and looked at Lin Kai: "I want to leave after hitting my daughter?"

"Beat your daughter?" Lin Kai laughed blankly when he heard this.

“Shen Ting, you speak in a responsible manner. It is you who are looking for me to learn from, and now you are the one who beat me. What do you want from me?”

Director Shen sneered: “Hehe, my daughter is not good at learning skills, but my Shenjia boxing method is not something you can slander. Let me meet you!”

After all, Director Shen quickly approached Lin Kai, even though he was in his forties, he was still very fast.

In less than a second, he approached Lin Kai.

Director Shen’s shoulder slammed into Lin Kai like a rhino, and he posted Shan Kao directly to Lin Kai.

The people around also exclaimed.

“This Director Shen is the martial arts champion of our island city!”

“Yes, when Director Shen was young, he relied on the Shen family boxing method to capture how many thugs.”

“This young man angered Director Shen, he was simply asking for hardship!”

Facing Director Shen who was like a bull, Lin Kai still stood with his hand.

Lin Kai said nonchalantly: “Tie Shan Kao, the melee lethality is great, but to use the mountain Kao, you need absolute strength and speed, you, no.

After that, Lin Kai stretched out a hand.

boom!

Lin Kai directly held down the violent Director Shen.

No matter how strong Director Shen was, he could not move forward.

This move was powerful and lethal, so it was broken by Lin Kai with one hand.

Director Shen just felt like he was hitting a mountain at this time, letting his head be broken, but the other party didn’t move.

No matter how hard he tried, he couldn’t push Lin Kai.

At this time, Director Shen realized that he had encountered a hard bone.

“I’m not convinced!”

Everyone looked at the willow tree together.

I saw a crack in the impacted part of the willow tree.

Click! Click!

There were two more sounds, and the cracks became bigger and bigger, and finally made a very crisp click, and the whole willow fell down!

With a crash, the willow tree hit the ground, and countless leaves were shaken to the ground.

Everyone looked at the knocked down willow tree, and they were shocked.

A person actually knocked down a willow tree with his body!

Such a perverted strength is more perverted than a rhino!

This is more shocking than the upside-down willows!

## **Chapter 510: I Will Call You Uncle**

Chapter 510

Director Shen's body stopped.

He looked back at the fallen willow tree and was speechless for a long time.

This scene is really shocking.

A person actually broke a willow tree with his body!

That willow tree is so thick with a person surrounded by it! How much effort does it take to break a willow tree?

Must have the strength of a mound?

In the hearts of everyone, it was a shock.

At the same time, Director Shen felt that he was very lucky because Lin Kai did not kill him.

If Lin Kai wanted to kill him, he would be able to go to the west with just that collision.

This is a master!

He commented on his Shenjia boxing method because he himself is very strong.

He is not a junior who doesn't know the height of the sky, on the contrary, he is dependent on it, so he dared to point him to the Shenjia boxing method.

Lin Kai turned around and glanced at the young man and woman lightly.

The look of disdain on the boy's face has disappeared.

Instead, there is a fanatical expression of worship!

Men, worship the stronger!

The boy felt that he was already very strong, but after seeing Lin Kai, he knew that he was a weak chicken!

A strong man like Lin Kai is worthy of his admiration!

That's a willow tree! It can be broken with a hit. The momentum of Lin Kai hitting the willow tree just now still remains in the boy's heart.

So shocking!

The girl's face was full of shock.

She was so unconvinced with Lin Kai just now.

She feels that since she has been practicing martial arts since she was a child, she can't beat her peers?

But Lin Kai completely overturned her confidence.

Lin Kai stood still and could deal with her with one hand.

In front of Lin Kai, the Shen family Kungfu she was proud of was a joke.

The young girl's face was hot, she was ashamed of herself, and she couldn't help blushing when she remembered what she had just said.

She was so confident just now, she was defeated in a mess.

After a period of stunned passers-by, they also applauded.

They applauded Lin Kai heartily.

After they witnessed Lin Kai's true strength, they had already taken it and were convinced.

They applaud the strong.

"It is good!"

"Boy, amazing! I defeated the Shen family Kung Fu."

"At a young age, I actually have brute force. Lu Zhishen uprooted the willow tree in front, and the young man knocked down the willow tree in the back!"

"Awesome!"

...

There was a voice of admiration around.

Lin Kai put his hands in his pockets and looked at the girl.

"You are still young, keep a low profile, don't be so conceited."

"Sometimes, it's a good thing to suffer."

Lin Kai reminded the girl sincerely.

At this time, Lin Kai, although it seemed that he was only nineteen years old, but the feeling of vicissitudes in his body was like a mature uncle in his 30s and 40s.

At that time, the girl was attracted by Lin Kai's temperament.

Why can't I see through this person's eyes?

Is he really a nineteen year old boy? Why do I think there are stars and the sea in his eyes?

This is what the girl thinks.

Naturally, Lin Kai is not something she can see through. Lin Kai, a human for two generations, has experienced too much cold and warm in the world, so his eyes will give people a deep feeling.

After reminding the girl, Lin Kai looked at Director Shen again.

"Shen Ting, it's good for your children to become stronger by teaching them."

“But, please be sure to establish the three views of your children, not only to teach them to succeed, but to teach them to be human!”

After hearing Lin Kai’s words, Director Shen’s face was also hot.

He, a middle-aged man in his forties, was educated by a 19-year-old boy.

Indeed, Director Shen at this time also calmed down.

He was indeed wrong just now.

What Lin Kai said was exactly the problem of his daughter and son.

They are too conceited, relying on their prominent family background and growing up in martial arts, they no longer put anyone in their eyes.

Had it not been for Lin Kai’s reminder, he might have really taught them to be two dudes!

“Little brother, good kung fu, I have been taught.” Director Shen gave a fist to Lin Kai.

Lin Kai nodded, turned around and prepared to leave the scene.

But before Lin Kai took two steps, Director Shen ran all the way to chase him.

Director Shen handed over his business card: “I am the director of the Island City Police Department. My name is Shen Gongbao. This is my business card.”

Lin Kai glanced at the business card and put it away.

“My name is Lin Kai.” Lin Kai introduced himself.

Shen Gongbao looked at Lin Kai up and down, and asked curiously: “Little brother, I think you are so young, and you can be said to be quite good. I don’t know where did the little brother learn the skills?”

Shen Gongbao was very curious, where did Lin Kai go?

Lin Kai hesitated, he took out his military certificate and said, “I am a soldier.”

“Huh?” Shen Gongbao was a little surprised.

Lin Kai is actually a soldier? Such a young soldier?

Shen Gongbao took a look at the military certificate and was shocked at the time.

At the age of nineteen, the rank of lieutenant colonel!

The captain of a special team of the Southeast Military Region.

Class b special forces.

Shen Gongbao's attitude immediately became respectful, the lieutenant colonel, compared to himself, the chief of the police department, was even worse!

And Lin Kai is still so young, he must come from a big family.

This is a young man with a history.

"It turned out to be Lieutenant Colonel Lin. It was rude." General Shen Gongbao returned the certificate of the two-handed general.

Lin Kai nodded: "If you don't fight or know each other, Shen Ting needn't be so polite."

"Okay, Lieutenant Colonel Lin, in the future, wherever I am on the island, just call." Shen Gongbao said with a smile.

Lin Kai nodded and left the scene.

Shen Gongbao is not stupid either.

Lin Kai is so strong and his military rank is so high.

Such a person is worthy of being wooed and must be good.

After Lin Kai left, young boys and girls came to Shen Gongbao.

Shen Gongbao's face became serious.

"After you see him, he will be called Uncle, understand?"

"Uncle?" The young boy and girl's expressions changed: "But he looks about the size of us!"

Shen Gongbao said sternly: "You also question my words? From today, I will be worthy of his peers. Have you seen the 19-year-old Lieutenant Colonel?"

After hearing what Shen Gongbao said, the young boys and girls were speechless.

The nineteen-year-old lieutenant colonel?

They haven't seen it before, so terrifying!

No wonder the old man wants to match his peers, the future of this person is limitless!

The young girl looked at Lin Kai's back, and a trace of worship began to appear in her eyes.

"Go back and investigate and see which building he lives in. Tonight, I will visit in person!"

Shen Gongbao said with bright eyes.

The young men and women agreed.

In the evening, Shen Gongbao really came to Dongfeng and brought a lot of gifts to visit Lin Kai.

## Chapter 511: Yoyo For Help

### Chapter 511

"Director Shen, you are so polite." Lin Kai welcomed Shen Gongbao into the villa.

"Hahaha, don't know each other if you don't fight! I was reckless during the day, and now I personally come to make amends for Brother Lin!" Director Shen laughed.

After entering the villa, the two went to the living room. Lin Kai personally made tea for Director Shen.

Director Shen was very generous, and brought Lin Kai the finest Tieguan Yin, as well as cigarettes specially supplied by the police.

They are all rare objects.

Sitting in the living room, Shen Gongbao sighed: "Brother Lin, if you don't dislike it, call me big brother later, we are brothers."

Lin Kai was somewhat flattered after hearing what Shen Gongbao said.

"Director Shen, isn't it appropriate?" Lin Kai shook his head with a wry smile.

Shen Gongbao is over forty years old, and he has to call someone uncle. Calling Big Brother does sound very wrong.

Shen Gongbao waved his hand and smiled heartily: "What's wrong? Brother Lin, you are kind to me!"

“If you hadn’t reminded me in front of everyone today, I don’t know what kind of evil obstacles I would teach two!”

“Today their words are really ugly. As a father, I didn’t take the lead. I am sorry!”

“Replace wine with tea!”

After that, Shen Gongbao raised his teacup and drank it in one fell swoop.

Lin Kai looked at Shen Gongbao also very hearty and nodded with a smile.

“Then it’s better to be respectful, Brother Shen.”

“Brother Lin!”

“Hahahaha!”

The two laughed.

“Yeah, is it so lively today?”

While the two were drinking tea, another person walked in from outside the villa.

Of course, the former owner of the villa, Yang Jianxiong, can enter and leave Lin Kai’s house freely.

I saw that Yang Jianxiong came to see Lin Kai with gifts of various sizes.

If this scene were to be seen by others, I would be terribly shocked.

One is the head of the National Police Agency, and the other is the head of the Yang family, the head of the top ten families. Now they are all here to give gifts to a 19-year-old kid.

“Hehe, Lao Yang, are you here too?” Shen Gongbao’s eyes were a little surprised.

Yang Jianxiong smiled and said, “What’s the matter? Can you come, I can’t come?”

Shen Gongbao thought about it, and immediately figured it out.

This winter wind originally belonged to Yang Jianxiong, and Lin Kai lived here, and it was not surprising that the two of them knew each other.

After all, Lin Kai’s rank was so high and his strength was so strong, it was normal for Yang Jianxiong to please Lin Kai.

The three of them sat on the sofa and drank free flow of tea.

At this moment, Lin Kai's cell phone rang.

I took out my phone and saw an unfamiliar number beating on the screen.

Lin Kai glanced at Shen Gongbao and Yang Jianxiong. There were guests at home, and it was inappropriate to answer the phone in front of them.

Lin Kaigang wanted to hang up, but Yang Jianxiong stretched out his hand to stop him and said, "Brother Lin, answer the phone, maybe there is something important for you."

Upon hearing this, Lin Kai hesitated and answered the phone.

"Hey?"

As soon as I answered the phone, I only heard a very anxious voice coming from the other side of the phone.

"Lin Kai, come and save me, I am Yoyo!"

"Ouyang Yan took someone to retaliate against me, I'm in the Michelin restaurant, save me!"

"Dududu..."

As soon as you finished speaking, someone snatched the phone and hung up.

Lin Kai looked at the phone and was speechless for a long time.

Yoyo actually came here?

The little girl who drugged herself.

Ouyang Yan?

Lin Kai still remembers this man, Yoyo's ex-boyfriend, who used to block himself in the underground parking lot of the hotel and refused to let him drive.

It was at that time that Lin Kai met Yoyo.

Unexpectedly, this kid survived a catastrophe, and unexpectedly came to play Yoyo's idea again.

Originally, Lin Kai didn't want to help Youyou with this favor, but once again, this matter was caused by himself, so it would be inappropriate not to go.

At this time, Shen Gongbao looked at Lin Kai: "Haha, brother Lin, is that the phone call from your girlfriend?"

"No."

Lin Kaigang refused, and Shen Gongbao smiled and said, "Haha, no need to explain, Brother Lin, they are all men, I understand."

"The idea of daring to touch my brother Lin's woman is really the opposite!"

After that, Shen Gongbao took out his mobile phone and dialed a call: "Hey, Captain Zhang, now bring me a team and encircle me the Michelin restaurant!"

Shen Gongbao took the opportunity to perform in front of Lin Kai so that Lin Kai had a good impression of him.

And how can Yang Jianxiong be willing to show weakness? At that time, Yang Jianxiong took out his mobile phone: "Hello? Big Bear, bring me some people, come winter wind, right now!"

Lin Kai was moved by seeing the two big men doing things for him personally.

Soon after, Yang Jianxiong's people arrived, and the three got into the car and set off towards Michelin.

There was no sound at this time in the largest Michelin restaurant on the island.

The guests of the huge Michelin restaurant were all driven outside.

Because there was a young Kuo who was making trouble at Michelin today, the guests were afraid of being hit, so all the guests came outside the Michelin restaurant.

At the gate of the Michelin restaurant, there are countless luxury cars parked.

Mercedes, BMW, overbearing...

Seven or eight luxury cars worth hundreds of thousands of dollars.

In the Michelin restaurant, Ouyang Yan took a dozen people and forced Yoyo in the corner.

I saw Ouyang Yan's whole body covered with bandages, even so, he couldn't forget Yoyo.

As Lin Kai said, Ouyang Yan did have a disaster, but he was lucky, and the disaster was imminent, but he did not die.

And Yoyo, the woman who cuckolded him in public, he couldn't forget!

The people behind Ouyang Yan are all of the island's width and strength.

The owner and manager of the Michelin restaurant did not dare to care about Ouyang Yan's affairs.

Because Ouyang Yan is the eldest son of the Ouyang family and has a great background, they dare not care about the Michelin restaurant.

Yoyo was forced into the corner at this time, trembling all over.

Next to her, there are her two very beautiful female friends.

"Xiao Sao, are you still calling? It doesn't matter who you call today!" Ouyang Yan directly broke Yoyo's phone.

Yoyo was forced into the corner, looking at Ouyang Yan and the others, she felt terrified.

Yoyo's best friends also looked at Yoyo with a bitter expression on their faces. They came out to have a meal, but they were actually blocked by Ouyang Shaojii.

They are innocent!

Although you were afraid in her heart, she still pretended to be calm: "Ouyang Yan, don't mess around, I am Lin Shao's woman now!"

Snapped!

As soon as you finished speaking, Ouyang Yan slapped you directly.

"I'll go to your mother Lin Shao!"

"I really thought that kid could scare me by driving a Rolls Royce?"

"I went to investigate, the entire island, there is no Lin Shao!"

"That Rolls-Royce is also Wang Kun's. Isn't he a fart? I think he is one of Wang Kun's drivers!"

"Little bitch, you green me in public, you are quite courageous!"

"Today, I stripped your clothes naked and threw you on the street. I want you to be ruined!"

## Chapter 512: Only One Chance

Chapter 512: Only One Chance

Ouyang Yan has ascertained Lin Kai's identity, and he knows that Lin Kai is not a local.

He is a relative of the Liu family, a medical family, and looks like a poor relative. He works in a massage parlor.

How could Ouyang Yan look at such a dick?

In his opinion, Lin Kai just took advantage of the Liu family's face and borrowed Wang Kun's car to come out and pretend to be forced. Ouyang Yan would naturally not care about such dicks.

A dozen evil youngsters behind him stared at You You and her girlfriends with evil smiles.

The two girlfriends that Yoyo brought out are pretty good, and they are also very hot.

The gazes that these evil boys looked at these girls were full of evil.

"These girls are in good shape!"

"Sao Ouyang, let's take some of our brothers home in a while, isn't it cool?"

"Hahahahaha!"

There was a burst of laughter, and a dozen evil boys rubbed their hands, looking at these beauties impatiently.

Yoyo and a few people were also very frightened.

Yoyo's best friends also looked at Yoyo with a bitter expression.

If it weren't for you to bring us out, how would we encounter such an unlucky thing?

In Yoyo's heart, she regretted it very much.

I knew that Ouyang Yan would deal with herself like this, she shouldn't have betrayed Ouyang Yan in the first place!

Well now, revenge is coming!

Yoyo's only support now is Lin Kai.

She bit her lip and said, "Young Master Ouyang, I know that you are very powerful on the island, but I have seen the strength of Young Master Lin. He is very familiar with the Medical Bureau and Wang Kun. You'd better not hit my mind. I am now Lin Shao's woman!"

Yoyo could only move Lin Kai out as her own shield.

Snapped!

"what!"

Yoyo screamed, and Ouyang Yan slapped Yoyo's face with a slap again.

I saw Ouyang Yan with a grim smile: "Hehe, don't \*\*\*\* talk to me about \*\*\*\* Lin Shao!"

"Do you really think that \*\*\*\* can scare me?"

"Just him, you still know Wang Kun?"

"Don't scare me to death!"

"If you have the ability, call your Young Master Lin! You see how I trampled him to death!"

With an arrogant smile on his face, Ouyang Yan didn't open Lin's eyes at all.

And the broad young people behind Ouyang Yan also made a burst of laughter.

"Hahaha, Lin Kai? Is there a person like Lin Kai in our island?"

"I haven't heard of it! Which garbage station collects garbage? Hahaha!"

"Offend Shao Ouyang, let alone what Lin Kai he is, even if he is Lin Chong, Lao Tzu will let him come back and forth!"

The crowd made a ridiculous sound.

The guests outside of Michelin stared at what happened in the restaurant with great interest.

Many people gave out smirking smiles.

Someone took out his mobile phone and started shooting.

Because they could hear it just now, Ouyang said that he would strip Yoyo's clothes off!

Yoyo's figure and appearance are excellent, if it can be recorded, is it not a pleasure to take it home and enjoy it slowly?

At that time, many men gave out wretched smiles.

Yoyo saw so many men staring at her squintingly, she covered her chest, and she was terrified!

No matter how scheming, she is just a girl after all, how could she be able to beat Ouyang Yan?

Ouyang Yan also lost patience at this time: "Yoyou, I will let you know the cost of betraying me!"

"pull out!"

Ouyang Yan gave an order and saw a dozen Kuo Shao dragging You You and the two girls directly outside the Michelin restaurant.

At that time, there was a roaring sound, and countless cell phones flashed flashes.

The three of you and the others were onlookers like animals in a zoo.

Ouyang Yan smiled grimly: "Sao Ho, I will ruin you today!"

"Take me off her clothes!"

As soon as Ouyang Yan's voice fell, someone immediately pulled at Yoyo's clothes.

Yoyo also let out a scream, and saw her tightly guarding her chest, her body curled up together.

Yoyo screamed with a crying voice: "Ouyang Yan! If you dare to move me, Lin Shao won't let you go!"

"Go to your mother Lin Shao, you let him stand up!" Ouyang Yan laughed disdainfully.

As soon as the voice fell, a person appeared from the crowd.

It was a handsome-looking young man. The young man rushed forward and pulled away the two brawny men who were wearing yoyo clothes and punched them directly in the face.

Ouch, there were two sounds, and they fell to the ground one after another.

The person here is Lin Kai.

Lin Kai guarded Yoyo behind her.

After seeing Lin Kai, Yoyo seemed to see a straw, hiding behind Lin Kai.

Lin Kai looked at Ouyang Yan coldly.

“A big man, what is the ability to bully a girl?”

Lin Kai’s voice was very cold. Yang Jianxiong and Shen Gongbao’s car was stuck at the crossroad. Lin Kai ran all the way because he was afraid that something might happen.

After seeing Lin Kai, Ouyang Yan’s eyes became extremely cold.

There was only hatred towards Lin Kai in his eyes!

He will never forget Lin Kai, the man who made him lose face in front of his brother!

Lin Kai greened him in public, and since then, he has become the laughing stock of others!

At that time, Lin drove a Rolls-Royce and frightened him, but now, Ouyang Yan has investigated Lin Kai’s identity.

It’s just a male technician in a massage shop. He wants to pinch Lin Kai to death as simple as pinching an ant!

“Just right, you are here, so I don’t need to bother to find you.” Ouyang Yan’s eyes were cold.

“Look for me? What do you want to do?” Lin Kai tilted his head and asked playfully.

“Of course it’s revenge! Lin Kai, you green me in front of my brother, this hatred is not shared!” Ouyang Yan’s voice fell cold.

Lin Kai laughed too: “Hehe, I didn’t green you, she just got in my car, we are just ordinary friends.”

“I’m going to your mother’s ordinary friend!” At this point, Ouyang Yan’s eyes were red: “Do you \*\*\*\* think of me as Ouyang Yan a stupid? She was in your car, what did you do that night, Dont you count them?”

“Lin Kai, you must give me an explanation today!”

“Kneel me down, get under my crotch, and then abandon one of my hands, I will spare you this time.”

“Otherwise, I will definitely make you better than dead!”

Ouyang Yan almost roared.

He wants Lin Kai to lose face! He wants Lin Kai to pay a \*\*\*\* price!

Otherwise, it’s hard to understand his hatred!

Lin Kai tilted his head and looked at Ouyang Yan and said faintly: “I said, there is nothing between you and you, I can give you a chance now to take back what you just said, and don’t care about you as usual.”

“There is only one chance.”

## **Chapter 513: Salted Fish Turned Over Or Salted Fish**

Chapter 513

Lin Kai was indeed giving Ouyang Yan a chance. He wanted to play with Ouyang Yan. It was very simple.

But after hearing Lin Kai’s words, Ouyang Yan burst into laughter after a second.

“Hahahaha! Lin Kai, do you \*\*\*\* want to laugh at me?”

“You are a stinky massage, and you are rationed to me?”

“Don’t go out to inquire, what does Ouyang’s family do!”

“Do you think that driving Wang Kun’s Rolls-Royce can scare me?”

“Diaosi is Diaosi after all. Salted fish can’t turn over after all, even if it turns over, it’s just a salted fish!”

“Lin Kai, you are just a stinky salted fish, what kind of pretense do you put in front of me?”

Ouyang Yan said disdainfully.

The dozens of Kuo Shao behind him were gearing up and looking at Lin Kai violently.

Lin Kai was almost looking at Lin Kai with his nostrils.

A nineteen-year-old \*\*\*\* was nothing but they didn't look at them at all.

Even the two little girlfriends that Yoyo brought with him looked at Lin Kai with doubts.

Lin Kai looks too young, right?

The appearance of eighteen or nineteen-year-old, looking at the dress, is also very simple, such a person can compete with Ouyang Yan?

They doubted Lin Kai's ability very much.

At the same time, they also questioned Yoyo's vision. After leaving Ouyang Yan, Yoyo found such a thing?

Although he looks handsome, in today's society, can he be handsome enough to eat?

It's really worthless for you to abandon Ouyang Yan and follow such a trash!

What's more, this trash dare not be it, saying that he and Yo-yo are just ordinary friends. Just now Yo-yo said that she is Lin Kai's girlfriend!

Thinking of this, the two girls also looked at Lin Kai with contempt.

The passers-by around were even taking pictures with their mobile phones happily.

Some people even took out their mobile phones to help Lin call an ambulance.

They really don't understand why Lin Kai is alone, why dare to be so rampant?

Does he think that he can beat a dozen?

Or does he think Ouyang Yan dare not beat him?

Lin Kai put his hands in his pockets, with a calm expression: "I have given you the opportunity, please cherish it."

The smile at the corner of Ouyang Yan's mouth gradually became cold, and he came to Lin Kai and stared at him.

"What a \*\*\*\* opportunity, I am going to \*\*\*\* you today!"

Snapped!

A loud applause sounded, and Lin Kai slapped Ouyang Yan directly.

This slap was a slap in the face of Ouyang Yan, and he took a few steps back.

I saw a five-fingerprint on Ouyang Yan's face.

It was red, and a trace of blood dripped from the corner of his mouth.

This slap made the whole scene quiet.

Everyone looked at Lin Kai blankly, no one thought that Lin Kai would dare to do it first!

The other party is Ouyang Yan!

The other party took a dozen people!

Ouyang Yan covered his face for a long time.

After a long time, he finally reacted, Lin Kai beat himself!

With so many people brought by himself, he dared to do something with himself. Isn't he so inexistent?

At that time, a feeling of humiliation flooded Ouyang Yan's heart. Ouyang Yan pointed at Lin Kai and roared: "Fight! Give me a fight!"

With an order from Ouyang Yan, a dozen Kuo Shao rushed towards Lin Kai with their fists!

But at this moment, only a roar of cars was heard.

The ground began to tremble slightly.

There were waves of roaring sounds that seemed to be beasts.

Everyone couldn't help looking back.

I saw ten overbearing cars coming from the side of the road!

The speed of the overbearing vehicles was very fast. Ten overbearing vehicles ran across the street, ignoring the traffic lights and drove all the way.

Everyone was attracted by the ten overbearing vehicles.

Behind the domineering, dozens of locomotives followed!

All are Harley.

There are two people sitting in each Harley.

There were hundreds of people, and the crowd drove over. At that time, the whole scene was like a dark cloud.

Everyone even felt their breathing hurried.

With such a big battle, which big man passed by here?

Afterwards, everyone was shocked again.

I saw ten overbearing and dozens of locomotives parked directly in front of the Michelin restaurant.

Countless strong men walked down from the domineering car.

Each of these brawny men is burly, wearing a black vest, and is obviously a professional bodyguard.

There were hundreds of people, pressing over.

The leader, everyone knows, is the head of the Yang family, Yang Jianxiong, the head of the islands top ten families!

As soon as he appeared, there were bursts of air-conditioned voices, and it was this big man who came.

When Ouyang Yan saw Yang Jianxiong, he was stunned.

How could this big man appear here?

He and Yang Jianxiong are not familiar with each other!

Could it be that Yang Jianxiong came to support this kid? impossible! This kid is a diaosi technician in the massage parlor. How could he know Yang Jianxiong?

Even the Liu family behind this kid wouldn't be worthy to give Yang Jianxiong shoes!

Yang Jianxiong walked over with people in a hurry. After seeing Lin Kai, Yang Jianxiong's eyes lit up, he walked over quickly and smiled heartily.

“Hahahaha! Brother Lin, am I not late?”

Yang Jianxiong walked quickly, his expression was enthusiasm.

I saw Yang Jianxiong directly squeezed Lin Kai's hand, and Lin Kai hooked his shoulders as if he were his own brother.

Seeing this scene, there was a sound of jaw dropping on the ground.

This scene is really shocking.

This one, but Yang Jianxiong!

The head of the top ten families, the Patriarch of the Yang Family!

When facing Lin Kai, he seemed to be an amiable big brother!

What kind of person is Lin Kai, even such a big man is so passionate about him?

At that time, Ouyang Yan's mind was completely confused.

His face began to turn pale.

And the broad young men who had just threatened to make Lin Kai look good, at this moment all wanted to bury their heads in the soil.

Although they are well-known in the island, their family is simply vulnerable to Yang Jianxiong's family!

Even if their father is here, they have to treat Yang Jianxiong with respect, let alone their family young masters?

There was a tumult of noise at the scene, and as soon as Yang Jianxiong appeared, the scene quietly could even hear the sound of a needle falling on the ground.

Those who wanted to take pictures of Lin Kai just now did not dare to turn on the flash of their mobile phones, for fear that they would annoy Yang Jianxiong.

Yoyo looked at Lin Kai and became even more admired.

She found that Lin Kai, this man, she really couldn't see through!

Wang Kun is Lin Kai's younger brother, and even big people like Yang Jianxiong call Lin Kai his younger brother!

Who is he? What is his origin?

In Yoyo's heart, she admired Lin Kai even more.

And just now I despised Lin Kai's two long-time girlfriends, and peach blossoms appeared in his eyes.

With handsome people and strong background, Lin Kai is exactly their ideal Prince Charming!
