## Chapter 551: I Want One To Pick Nine

Chapter 551 I Want to Pick Nine!

The tall and thin guy is stimulating Lin Kai!

He is not afraid of Lin Kai's challenge.

He was afraid that Lin Kai should not fight!

Because Jiulong Mountain has the rules of Jiulong Mountain, the leaders of Jiulong Mountain absolutely do not allow the members of Jiulong Mountain to fight internally.

So in Jiulong Mountain, no one dares to make a move!

No one dared to attack Lin!

Otherwise, it is known from above, there is only a dead end!

But Jiulongshan supports the disciples to learn from each other, which is beneficial to the increase of the strength of the members.

Points can also be given to each other.

The above is to use this point to let the members of Jiulongshan increase their strength.

Just to beat others and get a lot of points.

And some people use this to deceive newcomers and blackmail newcomers' points!

For example, the Scarlet man in front of him is a veteran of blackmailing newcomer points.

Generally speaking, newcomers will hand over points to Scar Man obediently, and if there are some disobedient, then challenge!

If you refuse to challenge, then keep harassing him until he handed over the points for it!

“Hahaha! This newcomer, at first glance, has come in, he must not dare to fight!”

“Boy, now I’ll give you a way to survive! Say three times that I’m a bully, we’ll let you go!”

“Hurry up and admit it! Rubbish!”

Scar Man’s little brothers clamored for a while.

He even raised his \*\*\*\* at Lin Kai.

And Scar Man was also holding his arms at this time, looking at Lin Kai condescendingly.

The look was a provocation.

Who can enter Jiulong Mountain, which one is not the pride of heaven?

Scar Man uses this to stimulate Lin Kai, you kid will definitely challenge me!

And to challenge me, there is only one end, and that is to lose!

If you lose, your points will go to me!

In the heart of Scar Man, he had already made his wishful thinking.

“Why? Don’t speak? Don’t you dare?” Brother Scar once again mocked.

Lin Kai also laughed.

“Don’t you just want my points? To tell you the truth, I have more than 500 points, I have 10,000 points!”

After all, Lin Kai took out his credentials and gave them a glance.

Sure enough, Lin Kai’s certificate recorded that Lin Kai did indeed earn 10,000 points!

At that time, everyone’s eyes lit up.

This is 10,000 points!

It’s enough to upgrade a person to the leader!

Scar man’s eyes also lit up, and his heart had already risen with greedy desire.

This is 10,000 points!

No, how could this kid have 10,000 points?

Could it be that he passed the sky-reaching ladder?

impossible!

In the entire Jiulong Mountain, there are not many people who can pass the stairs to the sky. This kid is so young and certainly does not have that strength.

Is it possible that he is not a newcomer?

Kicked yourself on the iron plate?

The person who can come up with 10,000 points is definitely not the average person!

At that time, Scar Man still had some fear in his heart.

“Don’t you just want my points? Come on, let’s bet!” Lin Kai smiled playfully.

“Every one of us takes out all the points we have, bet, I will challenge all of you alone!”

“If I win! I take all of your points!”

“If I lose, I will give you my points!”

As soon as Lin Kai’s words came out, the whole scene was quiet.

What is Lin Kai talking about?

He wants to challenge eight or nine people alone?

Are you kidding me?

After a while, a burst of discussion broke out, and the onlookers all pointed at Lin Kai.

“Who is this person? He speaks so madly?”

“I don’t know! This kid is going to beat nine? Is it possible that he doesn’t know the strength of Scar Man?”

“Right! These are not nine ordinary people, but nine members of Jiulong Mountain! Each of them is very strong!”

“This kid really pretends! Even if he is a team leader, he is definitely not Scarman’s opponent!”

After hearing Lin Kai's words, Scar Man's eyes lit up and he laughed.

"Hahahaha! Good! I promise!"

The little brothers of Scar Man looked at Lin Kai like a fool.

One to nine?

He could never win!

I've never seen such a stupid person before, so I only need to pick nine, and I actually bet all my points!

He is simply giving them points!

At that time, the boys of Scar Man laughed.

At this moment, Mao Gang didn't know when he rushed out of the crowd.

He just saw everything that happened on the scene!

Naturally, I also saw the picture of Lin Kai trying to choose nine.

Mao Gang stopped Lin Kai, frowning.

"Your kid is crazy?"

"One pick nine? Do you think you are a fairy?"

"You caused me trouble when you first came, and follow me right away!"

When Mao Gang came up, he blew his beard and stared at Lin Kai.

Nine people beat one person, even the leader of Mao Gang, didn't have the confidence that he could win, let alone Lin Kai alone.

He is simply giving away his 10,000 points!

He thought he was awesome after passing the sky ladder?

Sorry, this is Jiulong Mountain. Dare to ask everyone here, who is not a peerless genius?

Lin chuckled and rejected Mao Gang.

“Group leader, don’t worry, just a few stinky fish and rotten shrimp.”

After hearing Lin Kai’s words, Mao Gang also laughed out of anger.

The fat face trembled slightly. He pointed to Lin Kai and said angrily: “Boy! I know you must be a peerless genius in the original place!”

“But this is Jiulong Mountain! It’s not a place for ordinary people!”

“The nine people in front of you are old people from Jiulongshan. They have undergone genetic modification! You beat nine of them alone, are you crazy?”

Mao Gang’s eyes were almost staring out.

Had it not been for Lin Kai to be a member of his team, he would not be willing to take care of Lin Kai’s nosy stuff!

“Okay! Mao Gang! Nothing to do with you here! Go away!”

At this time, Scar Man cursed impatiently.

He is not afraid of Mao Gang!

Because Mao Gang is a new official, his Mao Gang team is currently the weakest team on the Ninth Mountain.

“You!” Mao Gang was furious when he heard this, but he didn’t dare to take the Scar Man.

“Boy, don’t you want to challenge nine of us? Come! Let’s satisfy you!” The Scar Man smiled grimly.

At this time, all the nine people slowly walked towards Lin Kai, gearing up.

Lin Kai waved his hand, and Mao Gang stomped angrily and left the scene.

Lin Kai didn’t know how to promote, so he didn’t care about Lin Kai’s meddling.

When Lin Kai was beaten, his points were lost, and he couldn’t blame Mao Gang.

He has said all good things and bad things in Mao Gang, Lin Kai just doesn’t listen!

And Lin Kai’s eyes instantly became cold after Mao Gang left.

Challenge me?

You are not qualified enough!

I am the proud son of heaven in the world of ordinary people, and I am also a peerless genius in Jiulong Mountain!

## Chapter 552: Infuriate

Chapter 552

Jiulong Mountain, Ninth Mountain, at the door of the exchange point.

The redemption point at this time is already full of members of the Ninth Mountain!

They are not here to exchange items, they are here to watch the fun.

Because the famous brother Scar in Jiulongshan now takes someone to challenge a newcomer!

Logically speaking, bullying a newcomer is nothing to watch.

But this time is different. This time the newcomer is crazy, and they want one dozen nine!

One pass ten, ten pass a hundred, the members of Ninth Mountain want to see what this newcomer looks like, and they all want to see how this newcomer gets beaten!

There was a sneer on the face of the burly Scar man.

And the eight younger brothers behind him, each of them is not a simple role.

At this moment, the thin and tall man stood up.

“Hey, kid, let me meet you!”

The thin and tall guy walked towards Lin Kai.

He lifted his head and looked at Lin Kai with his nostrils, without opening Lin Kai's eyes at all.

“Boy, look at the punch!”

After all, the thin tall man suddenly hit Xiang Lin Kai's face with a punch!

Sure enough, everyone who can join Jiulong Mountain is not a simple role.

This thin and tall man has undergone genetic modification, coupled with body genetic mutation, this punch is fast and accurate!

call!

A fist hit Lin Kai's face.

But Lin Kai did not panic.

Seeing him stretch out his hand, with a snap, Lin Kai directly grasped the thin fist!

The tall and thin man was also taken aback, because he found that he seemed to have hit a wall with a punch, and his fist had been tightly held by Lin Kai!

"Children are stronger than you to breastfeed!" Lin Kai sneered.

After that, Lin Kai tried hard, and at that time, he only heard a sound of clicking.

The lanky fist has been deformed visible to the naked eye!

Ten fingers connected to the heart! Let alone a fist.

At that time, cold sweat was dripping from the lanky forehead, and he yelled in pain.

"It hurts! Let go!" the thin tall man shouted.

Lin Kai snorted coldly, let go of the tall one, then kicked him on his belly and kicked him out!

The tall and thin is not Lin Kai's opponent at all!

Although the thin and tall man is indeed not good at combat effectiveness, he is an old man from Jiulong Mountain after all and has undergone genetic modification, but now it seems that this is too vulnerable to a blow, right?

Lin Kai's hand shocked everyone.

And Scar Man's eyes also cooled.

Lin Kai didn't show any mercy at all, so he abolished his No. 1 brother when he came up!

"The second and third!" Brother Dao Scar gave an order, and the two stood up.

These two are the right arms of Brother Dao Scar.

The fighting power is famous in the Ninth Mountain!

These two are twins.

The appearance is basically the same, and the height is also the same, all six meters.

Although the height is awkward, the cooperation of the two brothers is very tacit.

If two people join forces, the fighting power will soar!

The two dwarfs stood in front of Lin Kai, holding their arms, looking at Lin Kai with contempt.

“The second and third child! You want to avenge me!” the thin tall man shouted.

“Got it!” The second child agreed.

Then, with a cry, the second child and the third child moved.

They were quick to move, pinching Lin Kai from left to right, fast.

Whoosh whoosh!

There was a burst of sound, and the second and third darts shot at Lin in the air!

The darts shot directly at Lin Kai’s chest like a wave of cold light.

Really ruthless!

Lin Kai’s eyes narrowed and the golden pupil opened, and the speed of the dart immediately slowed down.

Pop!

Lin Kai’s hands flew in front of him, and several darts were directly caught between Lin Kai’s fingers.

“Small bugs!”

Lin Kai shook his head in disdain, and threw the dart directly on the ground.

The darts were only a tentative attack by the two, and they did not expect to use the darts to hurt Lin Kai.

After throwing the darts, the two rushed towards Lin Kai one by one, and drew a dagger from their palms!

Two cold lights flashed past, and two daggers pierced Lin Kai's abdomen from left to right.

The speed is extremely fast.

These two brothers have some real abilities.

However, Lin Kai didn't panic when facing such a fierce attack from the brothers.

He took out his meteorite finger tiger from his pocket and put it on his right hand.

Then, with a shout, Lin Kai punched the old dagger!

And the youngest behind Lin Kai, he didn't care.

Faced with the attack of the two, Lin Kai couldn't take care of both sides. He chose to kill the second child before solving the third!

A trace of pride flashed in the second child's eyes, Lin Kai was fooled!

With a bang, I saw Lin Kai hit his second child's wrist with a punch! The dagger flew in response, and the second child's wrist was numbed by Lin Kai's fist, and he lost consciousness.

The second child took a few steps back.

Although Lin Kai was forced to retreat and was injured, a smile appeared on the corner of his mouth.

Because the third child behind Lin Kai has already reached his eyes!

The dagger had already stabbed Lin Kai's back!

boom!

There was a crisp sound, and at this time, everyone looked at the youngest.

I saw the third child standing behind Lin Kai blankly with a look of shock.

There was only one handle of the dagger in his hand, and the blade broke to the ground.

Lin Kai's body is actually harder than a dagger! The knife just now didn't hurt Lin Kai a bit.

And Lin Kai also turned around at this time and looked at the youngest third in a playful manner.

The third child also looked at Lin Kai mechanically.

"This"

The third child was speechless for a while.

boom!

With a punch, the third child fell to the ground.

Brother Dao Scar's right and left arm also lost.

"This is your strength?" Lin Kai stroked the tiger on his finger and smiled.

The onlookers all around were also shouting.

too strong.

Play between the \*\*\*\* and the cock.

One dozen two won't leave the wind.

The body is harder than a dagger.

This kid is very strong! No wonder you have to pick nine!

Scar man's face also cooled down, it seems that he has encountered a hard bone!

However, he refused!

There are only three people, and he still has several brothers!

"Boy, you are crazy, but you can't win today!"

"Brothers, give it to me!"

Brother Scar gave an order, and all the eight people behind him pounced on Lin Kai.

Everyone was murderous, and the tall and thin also rejoined the battle.

At that time, nine people killed Lin Kai from nine different directions.

Two fists are hard to beat with four hands. If Lin Kai can fight again, is it possible that he can beat nine?

Nine people hit Lin Kai, and Mao Gang screamed after seeing this scene.

Lin Kai is so fierce!

But Lin Kai stood still and didn't move.

He didn't give up struggling, but...

He wants to show them today, he is so angry!

Lin Kai strode down with a horse step, luck with both hands, and a faint cyan gas emerged from Lin Kai's hands.

The cyan gas gradually formed in Lin Kai's hands.

This is the first time Lin Kai has used Zhen Qi to attack an enemy.

## **Chapter 553: Jiulongshan App**

Chapter 553 Nine Dragon Mountain APP

"what is this?"

Brother Dao Scar widened his eyes and asked with a shocked look on his face.

None of the other eight people have seen the cyan gas.

And they rushed to Lin Kai's front!

But Lin Kai raised his head at this time, the veins violently violently, and he roared, "Infuriating energy exploded!"

After all, he directly squeezed the true energy in his hand!

At that time, a burst of invisible air burst out with Lin Kai as the center.

boom!

Wherever the air waves pass, flying sand and rocks!

Scar brother and other nine people were all knocked into the air by this wave of air!

The body flew upside down in the air!

Even the big tree made a click when it came into contact with this air wave, and was almost cut off by the air wave!

The onlookers also stepped back, looking at Lin Kai with surprise.

There was a wailing sound, Scar Man and several others were knocked out more than ten meters away by this air wave.

After landing, all ten people covered their injured area and rolled on the ground.

The Scar Man was even more pale, and he let out a large mouthful of blood with a wow.

That anger is too domineering!

The nine of them were knocked into the air before they even had contact with Lin Kai!

And Lin Kai also looked at his hands with an incredible expression. It turned out that the power of Zhen Qi was so great!

He seems to have found the key to open the door to the new world!

Just now, Lin Kai had used up all the Zhen Qi stored in his body.

This is much more convenient than using fists to solve the enemy!

And he didn't notice at all. Everyone on the scene looked at Lin Kai as if they were looking at a monster.

This person is really abnormal!

It doesn't matter if you are so powerful, you can actually release the true energy!

"Just...that was really angry, right?" the onlookers stammered and asked.

The other person was also slurred and excited: "It seems to be..."

"Our Ninth Mountain, unexpectedly has a master of innocence!"

Everyone is boiling!

In the entire Ninth Mountain, there are not many people who can release the true energy!

Because a person with infuriating qi is one in a million.

It can be said that one out of ten million people may not be able to find one who can release the true energy.

And the newcomer who was bullied by Scar Man in front of him is actually a master who can release his true energy!

Scarman and others were also shocked.

They thought that Lin Kai was just a good bully newcomer.

But now, all of them are dumbfounded.

Lin Kai is the real boss!

The methods he mastered were beyond the reach of these low-level members!

Now even if Scar Man is stupid, he can understand that he is kicking on the iron plate!

Lin Kai, he can't afford to offend, nor can he offend!

At this time, Lin Kai put his hands in his pockets, and walked to Scar Man step by step.

"Now, transfer all of your points to my account!"

Facing Lin Kai's order, Scar Man did not dare to refute it.

"Yes, yes, right now, right now..."

Although it hurts, it was agreed upon by them just now.

If you don't give it, you will be sanctioned by Jiulongshan!

In Jiulongshan, what everyone says cannot be a joke.

Now that so many people are watching, it is impossible for Scar Man to fall back on the bill, and he dare not fall back on it!

At that time, nine people transferred all their points to Lin Kai.

And Lin Kai's account immediately added 20,000 points.

“Poor.”

Lin Kai shook his head disdainfully.

Nine people, only 20,000 points, really poor!

After taking the points, Lin Kai didn't want to pay attention to the scarred man, so he wanted to walk into the exchange point.

But before he took a step, he only heard a crash, and Scar Man took the eighth brother and knelt directly in front of Lin Kai on one knee.

This movement shocked Lin Kai.

“What are you doing? Do you want to touch porcelain?” Lin Kai stepped back two steps and asked.

Scar Man is a wise man, Lin Kai is very skilled and a rookie.

Now Scar Man is basically certain that Lin Kai is an S-level member!

Please please an s-level member and have a good future in the future!

Following Lin Kaihun is the wisest choice!

“Big brother! I'm scared, and you will be your little brother from now on. These eight people will also be your little brother from now on!”

“Please accept us!”

Scar Man knelt on the ground and said with a fist.

The famous Scar Man on the Ninth Mountain actually knelt at Lin Kai!

And also asked Lin Kai to accept him as a younger brother.

At that time, there was a burst of noise.

No one thought that Lin Kai not only won, but also convinced Scar Man to lose, and even wanted to worship Lin Kai as his eldest brother.

You know, Scar Man is the most resounding character of the Ninth Mountain.

In front of Lin Kai, he looked like a pug.

Want to be your own little brother?

Lin Kai raised his eyebrows.

It just so happened that in the Ninth Mountain, he was also unfamiliar with the place of his life, and it was easy to do things with two little brothers.

“Okay, you will follow me Lin Kai in the future!”

After all, Lin Kai ignored the scarred man and strode into the exchange point.

“Okay! Brother!” Scar Man was very excited.

After Lin Kai walked into the exchange point, he glanced around.

There are not many people in the redemption point, and there are many windows, including redemption windows and recycling windows.

There is also an after-sales window.

It is very professional.

Lin Kai came to one of dozens of exchange windows.

And inside the window, there is a beautiful little beauty who is doing business.

“Hello, what do you want to redeem?”

The little beauty asked.

“I don’t know.” Lin Kai answered frankly.

“I don’t know?” The little beauty glanced at Lin Kai more.

“Rookie? Download the Jiulongshan business app on your mobile phone, see what you exchange, and come back when you are optimistic.”

So advanced?

Lin Kai took out his mobile phone and sat aside.

At this moment, Scar Man followed him.

With a pleased smile on his face, he asked tentatively: “Brother, are you here to exchange things?”

Lin Kai nodded.

“Did you not download the Jiulongshan app?”

Scar man asked tentatively.

He was testing whether Lin Kai was a newcomer.

If Lin Kai did not download the Jiulongshan APP, then Lin Kaitie must be a newcomer.

The newcomer has 10,000 points, indicating that he is definitely an s-level member.

Lin Kai nodded: “Yeah! I don’t know how to download it, will you download it for me?”

Hearing that, Scar Man was overjoyed, he is indeed a newcomer, and he is the right person!

“Okay, brother, I’ll download it for you.”

“Let me tell you, this Jiulongshan APP, which is downloaded by most people, can’t be used at all.”

“After downloading, you have to enter the real information on your ID before you can use it. It is not a person from Jiulong Mountain who can’t get on board at all.

With that said, Scar Man had already downloaded the APP to Lin Kai, and Lin Kai also logged into the APP based on his credentials.

After boarding, Lin Kai’s point balance and redeemable items appeared on the screen of his mobile phone.

## **Chapter 554: Du Jinhui**

Chapter 554

Lin Kai took the mobile phone, and a dazzling array of goods appeared in front of Lin Kai.

The goods in the Jiulongshan APP are not about pots, bowls and pans. The items that can be sold in the Jiulongshan APP are nothing ordinary.

Lin Kai probably took a look, then took a breath of air-conditioning.

Good guy, everything is sold in the Jiulongshan app!

There are even aircraft cannons!

The most important thing is that in the Jiulongshan app, there are actually some exercises for cultivating zhenqi.

Moreover, the exercises for cultivating true qi are expensive and scary.

It turns out that there is a way to cultivate true Qi in this world.

“System, do you think the exercises here can really cultivate true energy?” Lin Kai asked the system in his heart.

The system replied: “Yes.”

“Although most of these exercises are incomplete, they are exercises left over from ancient times. They can cultivate true qi, but they require super-high comprehension and talent.”

“The chance of cultivating true qi is about the same as winning the 5 million lottery.”

After listening to the system, Lin Kai also rolled his eyes.

It's better not to say.

“what!”

Suddenly, the system let out an exclamation.

“This two thousand years old ginseng is a bit interesting.”

Two thousand years of ginseng?

Lin Kai was also attracted by the system's words, and his gaze suddenly locked on the two thousand years of ginseng.

The two thousand years of ginseng sold for 30,000 points.

Lin Kai just had 30,000 points.

“Buy it.” The system told Lin Kai.

“Buy it, and I can help you refine a pill that enhances true qi.”

“You can raise your qi by two hundred points.”

After listening to the system, Lin Kai was overjoyed.

Raise your infuience by two hundred points? Then his strength will definitely double!

At that time, Lin Kai didn't even think about it. He spent all his points and bought two thousand years of ginseng.

After buying it, Lin Kai took his mobile phone to the sales window and successfully obtained two thousand years of ginseng.

Then Lin Kai handed the ginseng to the system.

Under the instructions of Scar Man, Lin Kai opened the task hall on the phone again.

Every member of Jiulongshan needs to complete at least one task every month.

Otherwise, he will be expelled from Jiulong Mountain.

A task is divided into four levels of abcd, d-level tasks are the simplest, and a-level tasks are the most difficult.

Lin Kai glanced at the d-level missions, which are relatively simple, catching some murderers or something.

This is not a problem at all for the genetically modified Jiulongshan members.

The c-level missions are a bit interesting. The c-level missions are mainly hunting foreign killers who sneak into China.

Because of the risk of life, the pay is still quite high.

A c-level task can reward more than one thousand points.

Finally, Lin Kai glanced at the b-level mission.

B-level tasks are more difficult, but more rewarding.

"With your current strength, you can completely accept a b-level mission."

"I have already selected for you, this is the task!"

Before Lin Kai chose the task, the system had already made a selection for Lin Kai. With a ding-dong, it was shown on the phone that Lin Kai had accepted the task.

Ok?

What task did I accept? Lin Kai looked dazed.

After opening the accepted task, Lin Kai was dumbfounded.

The system actually helped me choose such a perverted task!

“System, can you play with me?” Lin Kai furious.

The system is silent.

“you are vicious!”

Lin Kai cursed and walked out of the exchange point cursingly.

Then, Lin Kai stayed in Jiulong Mountain for a few days.

Seeing that this month is about to pass, Lin Kai must also go down the mountain to perform his mission.

So he changed into his clothes, put on a backpack, and went down the Ninth Mountain.

After taking a taxi at the gate of the military area, Lin Kai prepared to return to Jiangjing Town first.

Sitting in the taxi, Lin Kai rubbed his brows.

He missed the Southeast Military Region a little.

The time in the Southeast Military Region was carefree.

Although the villain with Lei Zhan has always been uncomfortable with himself, every time he sees Lei Zhan’s livid face, Lin Kai’s heart is quite refreshing.

Suddenly, there was a sudden brake sound, and the taxi driver suddenly stopped the car to the side of the road.

“What’s the matter?” Lin Kai asked.

The taxi driver’s face was blue, watching the scene before him, stammering speechless.

“There are... some robbery!”

Robbed?

Lin Kai narrowed his eyes and looked forward.

Who dares to robbery here? It is less than ten kilometers away from the Beijing Military Region!

Lin drove forward and took a look, only to see a truck crossing the middle of the highway, blocking the entire highway.

The car blocked by the truck was a Hummer commercial vehicle.

Two strong men with guns were standing beside the Hummer, their guns pointed at the people in the Hummer.

“get off!”

“Du Jinhu, you \*\*\*\* can’t run away!”

“get off!”

The two brawny men were obviously desperadoes. The guns in their hands were not good guns, but shotguns.

But the momentum of the two is very fierce.

Lin Kai couldn’t see the people in the car very clearly, but Lin Kai saw that the Hummer seemed to want to retreat and escape.

boom!

With a gunshot, a strong man directly pulled the trigger and burst the tire of the Hummer!

“Du Jinhu, get off!”

The strong man carried the shotgun and aimed at the person in the car window, apparently ready to shoot.

It’s not far from the Beijing Military Region, and they obviously know it too, and they are obviously preparing to quickly take people away from the scene.

boom!

There was another shot, and the robber fired again.

This time, the bullet from the shotgun was sprayed on the window of the Hummer.

But its surprising that the windows are bulletproof!

Although bulletproof, cracks have appeared in the windows.

Shotguns are very powerful at close range, even with bulletproof windows, they can't prevent a few shots.

At this time, the taxi driver was about to turn around and leave. After all, his car was at the back, and it was too late to leave in time.

But Lin Kai stopped the taxi driver.

"Master, let me down."

Lin Kai unfastened his seat belt, took his backpack, and got out of the car.

And the taxi driver looked at Lin Kai with a puzzled look: "What are you doing? Don't kill me?"

And Lin joked: "I am a soldier."

"You kid, don't be stupid! Even if you are a soldier, someone has a gun!" the taxi driver kindly reminded.

Lin Kai left the fare and got off the bus directly.

But the taxi driver couldn't stop Lin Kai, so he turned around and left as soon as he tapped the steering wheel.

At this point, the robber had fired a second shot!

boom!

The bulletproof car window was almost torn apart at this time, and one more shot would definitely break it!

"Du Jinhu, get out of the car! Otherwise I will kill you now!"

At this time, the people in the Hummer could no longer sit down. With a click, the door opened, and one person was ready to get off.

But at this moment, with a bang, a hand appeared and directly pushed the Hummer door back, and the door closed directly.

"Sit down, don't come down."

# Chapter 555: Golden Tiger Club

Chapter 555 Golden Tiger Club

Lin Kai said lightly.

The appearance of Lin Kai made the atmosphere of the whole scene a bit quiet.

The two robbers with guns looked at Lin Kai stunned.

Du Jinhu in the car looked at Lin Kai and was also stunned.

These days, there are still such tigers?

Du Jinhu didn't know what to say, so he sat in the car and did not get out of the car after hearing what Lin Kai said.

But the two robbers saw that Du Jinhu was about to get it, but they killed Cheng Yaojin halfway and closed the car door again!

The two robbers were a little confused.

"Take two broken shotguns and want to be robbers too?" Lin Kai glanced at the shotgun and smiled.

The two robbers looked at each other, and there was a cruel look in their eyes.

Lin Kai broke their good deeds, Lin Kai can't survive!

"Boy, do you want to die? I'll satisfy you!" With a click, the bullet was loaded directly.

A robber raised the shotgun in his hand and aimed it at Lin Kai's head with a cruel expression.

"Now, as long as my trigger is pressed lightly, your life is mine!"

"Your head will burst like a watermelon, and your brain will be spilled!"

"are you afraid?"

The robber looked at Lin Kai arrogantly.

"Desperate?"

“go to hell!”

After all, the robbers were ready to pull the trigger.

But Lin Kai’s speed was ten million times faster than him.

Before he pulled the trigger, Lin Kai had snatched the shotgun in his hand!

Lin Kai’s two hands kept waving, leaving only afterimages.

There was a sound of click, and the complete shotgun in Lin Kai’s hands gradually turned into parts and fell on the ground.

In less than three seconds, the shotgun has become a bunch of parts.

Lin Kai’s hand frightened the two robbers.

The robber who was robbed of the gun by Lin Kai looked at his empty hands with a dazed expression.

When was his gun taken away?

This kid’s hands are so fast? It takes less than three seconds to disassemble a gun into a pile of parts?

This hand scared him!

The other robber was shocked. He directly raised the shotgun in his hand. Without hesitation, he raised his hand with a shot.

boom!

At that time, countless bullet fragments came from shooting!

Lin Kai smiled, and pushed the robber in front of him casually. At that time, all the bullet fragments were shot into the body of his accomplice.

The robber’s eyes widened, he didn’t even think about it until he died.

He did not die in the hands of the police, but in the hands of his brother!

The robber who shot was also dumbfounded. He didn’t expect Lin Kai to move so fast that he could actually push his brother to the gun!

“Fuck me!”

“Second brother!”

The robber roared and his eyes were red.

With a click, he loaded the bullet again, ready to shoot Lin Kai.

But Lin Kai kicked it out, and the shotgun flew in response.

The robber also took two steps back.

The robber who lost the gun has been frightened.

He knew that he was not Lin Kai’s opponent, and he didn’t care about his second brother at this time, so he ran away.

Lin Kai smiled and shook his head.

Want to escape in front of your own eyes?

At that time, Lin Kai opened the backpack he was carrying with him, turned it over, and found a black pistol.

This is a pistol from Jiulongshan.

Lin Kai didn’t even take aim, didn’t even look at the robber, raised his hand and shot, then confidently put the pistol back into his backpack.

The robber, who ran for fifty meters, fell on the highway after the gunshot.

The two were directly killed by Lin Kai.

Afterwards, Lin Kai looked at the Hummer.

With a click, the Hummer opened, and two people walked out of the Hummer.

A man in a suit, very young, obviously a driver.

And the person sitting in the back should be Du Jinhu in the mouth of the robber.

That Du Jinhu was about forty years old, wearing a suit, a fat body, wearing glasses, and sweating.

“Young man, really... thank you so much...”

Du Jinhu leaned on the Hummer, obviously frightened.

“No thanks,” Lin Kai said lightly.

Doing good things without leaving a name is my Lin Kai style!

When Lin Kai turned around to leave the scene by car, he was dumbfounded.

Because I don't know when there is no more car on the road.

After the robbers shot, all the cars that could run behind the Hummer ran away.

Now there are only Hummer commercial vehicles with blown tires.

“It's really unlucky.” Lin Kai said.

“Hello, get acquainted. My name is Du Jinhu. I am the president of the Golden Tiger Club.” Du Jinhu stretched out his hand towards Lin Kai and smiled.

Du Jinhu's attitude is very polite.

Golden Tiger Club?

Lin Kai seems to have heard of this Golden Tiger Club, which seems to be a very famous organization in Beijing.

“Hello, my name is Lin Kai, a soldier.” Lin Kai nodded and smiled.

After hearing Lin Kai's words, Du Jinhu breathed a sigh of relief. After all, he just saw Lin Kai shooting and killing people.

“It's nice to meet you, the person I contacted will be there soon, are you going to the capital too?” Du Jinhu asked.

“Yes, I'm going to Jiangjing Town.”

Lin Kai nodded and said.

“That's a coincidence, I also went to Jiangjing Town, Brother Lin, today you saved my Du Jinhu's life, I Du Jinhu, I have always been sentimental.”

“When you arrive in Jiangjing Town, I will treat you well.”

“You must show your face.”

Lin chuckled and said nothing.

Soon after, the police and Du Jinhu's men arrived.

The relationship between Du Jinhu seemed to be very hard. The police did not take Lin Kai back to make a transcript. After clearing the scene, they let Lin Kai and Du Jinhu go.

Du Jinhu's people, a total of twenty cars came, and everyone in the car was murderous.

Golden Tiger Club?

With doubts, Lin Kai got into Du Jinhu's other car and followed Du Jinhu back to Jiangjing Town.

After returning to Jiangjing Town, Du Jinhu repeatedly wanted to invite Lin Kai to be a guest at his home, but Lin Kai refused.

In desperation, Du Jinhu had to let Lin Kai go, but Lin Kai's contact information was left.

Saying goodbye to Du Jinhu, Lin Kai returned to Old Li's home.

Old Li was very happy to see Lin Kai and made a good table to entertain Lin Kai.

At the dinner table, Lin Kai ate dinner and asked, "Master, did you know that there is an organization called the Golden Tiger Club in Beijing?"

Hearing what Lin Kai said, Old Li's expression changed, and he asked nervously, "Have you offended the people of the Golden Tiger Club?"

"No," Lin Kai said, shaking his head.

"That's good." Old Litou breathed a sigh of relief.

"This Golden Tiger Club existed a long time ago. At the earliest, it appeared in the Qing Dynasty. At that time, the Golden Tiger Club was an organization under the Hong Gang."

"Later, during the Anti-Japanese War, the Golden Tiger Society was also a well-known anti-Japanese organization in the capital."

"In modern times, although the Golden Tiger Club is not a triad organization, the people in the Golden Tiger Club are big people who can't afford to offend!"

"President Du Jinhu, in our Fifth Ring Road, everyone knows that no one knows, this kind of person is too dangerous, you should stay away from him!"

# Chapter 556: Birthday Party

Chapter 556

“But this Du Jinhu is really capable!”

“Golden Tiger Club, which manages all entertainment businesses within the Fifth Ring of Beijing, is similar to collecting protection fees.”

“But Golden Tiger Club does not enforce protection fees. If you pay, we will protect you. It doesn't matter if you don't pay.”

“Because the Golden Tiger will be more fair and responsible, the Golden Tiger will survive till now.”

“Xiaokai, if you meet someone from the Golden Tiger Club, you can get close to it. Knowing those from the Golden Tiger Club will make your way in Beijing easier.”

After talking, Old Head Li took two bites of rice.

Lin Kai also nodded, now he also has a general understanding of the Golden Tiger Club.

When Lin Kai and Old Li were eating, Lin Kai's cell phone rang suddenly.

I took out my mobile phone and saw that it was a call from a strange number.

“Hello?” Lin Kai connected.

There was a hearty laughter on the other end of the phone: “Hahaha! Brother Lin, it's me! Du Jinhu!”

Lin opened his brows and frowned when the call came so soon.

“Oh, what's the matter?” Lin Kai asked.

“That's it. Tomorrow is my birthday. I want to invite you to participate, Brother Lin, you must show your face!”

birthday?

After thinking about it, there is nothing to do tomorrow, Lin Kai agreed.

“Ok.”

“Then I am waiting for you tomorrow!”

After that, Lin Kai hung up the phone.

Bang!

Lin Kai looked up and saw that the chopsticks in Old Li’s hand had fallen on the table, staring at Lin Kai dumbfounded.

“The one who called just now... was it Du Jinhu?” Old Li asked with wide eyes.

Lin Kai nodded: “It’s him, what’s the matter?”

“You actually know Du Jinhu?” Old Li’s voice trembled.

Du Jinhu, a famous figure in the Fifth Ring of Beijing.

But Lin Kai actually knew each other.

Moreover, Du Jinhu also had a brother Lin, and he personally called Lin Kai to attend his birthday party.

This shows that even Du Jinhu has to give Lin three points of face.

Why is this young man who lives in his own home and eats free food so big?

“Just met today.” Lin Kai laughed.

It took a long time for Old Li to calm his excitement.

Lin Kai is not a thing in the pool, he can see it.

“Xiao Kai, you must be careful when dealing with these people!” Old Li Tau reminded.

Lin Kai smiled and said, “Hehe, don’t worry, uncle.”

After dinner, Lin Kai helped Lao Li tidy up the dishes and chopsticks, then went back to the room to rest.

Early the next morning, Lin Kai took a wash, sat on the bed and thought about how he should accomplish the task of Jiulong Mountain.

The system helped Lin Kai choose the task automatically.

This time the task is to hunt down a tiger!

Yes, it's the Tiger.

What Lin Kai wanted to kill was not an ordinary tiger.

It is a tiger with genetic mutations.

This tiger was born bigger than the average tiger, and it was a Siberian tiger.

If it is just a pure genetic mutation, in fact, this task will not reach the b-level.

Because this Siberian tiger, whose gene has been mutated, was captured by the Jiulongshan experimental group.

Because the Siberian tiger is very powerful, the people in the experimental group want to tame the Siberian tiger.

After a month or so, this Siberian tiger was successfully tamed by the experimental group.

Therefore, the Jiulongshan experimental group injected the Siberian tiger with drugs that stimulate potential. This injection is incredible.

The Siberian Tiger's strength has greatly increased!

And his temperament became violent, and he escaped from the experimental group.

Although this Siberian tiger didn't hurt people, the powerful strength it showed made the people of Jiulong Mountain unable to sit down.

The mission was announced, as long as you can kill the Siberian tiger, you can get 10,000 points.

Although Lin Kai didn't know why the system chose this task for himself, the system definitely had its reasons.

Lin Kai also accepted this task.

The time flickered, and it was five o'clock in the afternoon.

It's time to go to Du Jinhu's birthday party.

Du Jinhu's birthday party was held at the Sihai Hotel in Jiangjing Town, half an hour away from Lin Kai's residence.

After going out, taking a taxi, and taking a taxi, Lin Kai came to the Sihai Hotel.

At the gate of Sihai Hotel, people are already coming and going.

Countless well-dressed successful people have entered the Sihai Hotel.

Today, the Four Seas Hotel has been booked by Du Jinhu.

Only those who have the invitation can enter.

The parking lot at the entrance of Sihai Hotel was full of luxury cars.

The lowest grade is also Audi and BMW.

Tens of millions of luxury cars can be seen everywhere.

It should be the first time Lin Kai came by taxi.

Lin Kai was wearing a pair of flip-flops on his feet, a large patterned pants, and white half sleeves on his upper body.

Diaosi dress up.

He took a big step towards the Sihai Hotel.

As soon as he arrived at the Sihai Hotel, Lin Kai was stopped by two waiters at the door.

The two waiters looked up and down at Lin Kai, frowning.

“What are you doing here?” the waiter asked with a bad tone.

Lin Kai smiled slightly: “Du Jinhu invited me to his birthday party.”

“Huh?” The waiter thought he had heard it wrong.

“Du Jinhu invited you to attend his birthday party? Boy, do you dare to make trouble in the place under the charge of boss Du? What about the invitation?”

The waiter frowned and asked.

invitation?

Du Jinhu didn't give it to himself either!

“Du Jinhu didn't give it to me, but he gave me a call. You can ask him if you don't believe it.” Lin Kai replied.

“Yeah, boss Du personally called you to invite you to the birthday party of boss Du?”

“Do you know who boss Du is? President of the Golden Tiger Club!”

“Boss Du will call you such a dick?”

“roll!”

“Don’t be an eyesore here!”

The waiter didn’t mean to call at all, and looked impatient, pointing to Lin Kai’s nose and cursing.

The two waiters looked at Lin Kai coldly.

Lin Kai’s brows frowned, the dog’s eyes looked down on people?

Just when Lin Kai was about to call Du Jinhu, suddenly, a beautiful figure appeared in front of Lin Kai’s eyes.

I saw that it was a girl wearing a glittering crystal dress, about nineteen years old, with a face of collagen and a sweet look.

There are a pair of red high-heeled shoes on the feet, ten round and full toes are exposed to the air, the skin is white and tender and smooth, and the face is slightly pink, very beautiful.

Wang Yuyan? Lin Kai recognized his identity at a glance.

“Yeah, who am I? It turns out that it’s you, a poor dick!” Wang Yuyan also recognized Lin Kai and sneered.

“Yuyan, do you know?” the male companion next to Wang Yuyan asked.

That male partner is naturally the son of the Zhao family, Zhao Tianxing.

Now, Wang Yuyan can be said to have embraced the big tree of the Zhao family. She is now Zhao Tianxing’s girlfriend.

“Oh, this poor \*\*\*\* is the blind date a bad old man introduced to me last time at Michelin.”
