Chapter 557: How Did You Get In?

Chapter 557: How Did You Get In?

When saying this, Wang Yuyan also showed a disgusting expression.

“It turned out to be so.” Zhao Tianxing said, with a playful smile at the corner of his mouth.

He looked at Lin Kai up and down, and after seeing Lin Kai’s dress, Zhao Tianxing also smiled.

Such a person cannot bring him any threat.

“Young Master Zhao, are you here?” At this moment, the two waiters, Pi Dian’er, came to Zhao Tianxing’s face, showing a pleasing smile.

The service attitude is the same as the service Lin just now.

They can’t wait to kneel down and lick Zhao Tianxing’s shoes!

“Ms. Zhao, Miss Wang, you two will invite you.” The waiter didn’t mean to ask for an invitation at all.

Let them go directly.

Wang Yuyan didn’t pay attention to the two waiters at all. She looked at Lin Kai and felt funny in her heart.

Mom, this is the blind date you let me meet?

Although the clothes worn on the blind date are poor, they still have a personal look. Now it seems that the big pants and flip flops are completely street gangsters!

Such a scum is worthy of Wang Yuyan?

Look at my boyfriend again, young, handsome and rich, this is my prince charming!

“Lin Kai, right? I said, what are you doing here?”

“Today is Du Jinhudu’s boss’s birthday. Those who can enter the Four Seas Hotel are all big figures in the capital.”

“You said you are a poor dick, why are you going to join in the fun?”

“Could it be that you want to mix in and eat at the table?”

“Hahahaha!”

Wang Yuyan mocked Lin Kai while raising her identity.

“Well, I think you are also pitiful. Come in with us.” Wang Yuyan seemed to be charity.

The two waiters did not dare to refute.

They glared at Lin Kai, and said angrily: “Miss Wang asked you to follow her in. Why don’t you hurry up and thank Miss Wang? There is no vision at all!”

Lin Kai frowned and shook his head.

“no need.”

Lin Kai directly rejected Wang Yuyan.

“Yeah, toast and not eat fine wine!” Wang Yuyan felt a little annoyed when Lin Kai rejected her.

The face I gave you, you don’t want it? Is this looking down on me Wang Yuyan?

“Hello.” At this moment, Zhao Tianxing stretched out his hand and squinted at Lin Kai, looking high.

“Introduce myself, I am the president of the Zhao Group and the son of Zhao’s parents, Zhao Tianxing.”

Zhao Tianxing is showing off his family background.

The Zhao family is also very famous in Jiangjing Town. I believe that Lin Kai will be frightened after hearing the words Zhao Family.

But unexpectedly, Lin Kai didn’t even look at Zhao Tianxing.

He said lightly: “Hello, my name is Lin Kai.”

Wang Yuyan saw that Lin Kai didn’t even give Zhao Tianxing’s face, and he was not even angry.

“Okay, Tianxing, this poor **** can’t get in, just let him stand at the door!”

“There is no need to bother with this poor dick.”

When Zhao Tianxing heard the words, he nodded and took Wang Yuyan into the Sihai Hotel.

After Zhao Tianxing and the two entered, Lin Kai took out his cell phone and prepared to call Du Jinhu.

But before the call was made, a handsome young man in a suit came hurriedly.

After seeing Lin Kai, his eyes lit up.

“Mr. Lin.” The young man came to Lin Kai.

Lin Kai glanced at him, Lin Kai knew him.

He is Du Jinhu’s driver. Lin Kai met him at the scene of the kidnapping.

“It’s you.” Lin Kai said.

“I’m sorry, boss Du forgot to send you an invitation, and let me come to meet you at the door.” The young man bowed.

At this time, the expressions of the two waiters changed.

They know this one.

Du Jinhu’s driver also works part-time as Du Jinhu’s secretary.

And the poor **** who was despised by them just now, actually really knew Du Jinhu!

And it really was Du Jinhu who invited him to come.

Thinking of this, the legs of the two waiters were weak.

If this big man bears grudges, the two of them will die without a place to bury them!

Suddenly, the two of them paled.

Lin Kai glanced at the two waiters and didn’t mean to pay any attention to them.

“Okay, thank you.” After that, Lin Kai followed the young man into the Sihai Hotel.

After Lin Kai entered, the two waiters breathed a sigh of relief.

Fortunately, Lin Kai did not hold a grudge, otherwise, neither of them would find a place to cry!

After entering the Four Seas Hotel, I saw many guests walking back and forth on the first floor. These people were all friends of Du Jinhu.

They all came to celebrate Du Jinhu's birthday.

And on the first floor of the hotel, there are piles of gifts like a hill. These gifts were presented to Du Jinhu by these guests.

They are all valuables, antiques, famous paintings, and red wine worth hundreds of thousands.

This pile of gifts is worth hundreds of millions.

As for the guests walking around in the Four Seas Hotel, everyone has a great background.

Lin Kai silently found a place, sat down, eating melon seeds while watching the excitement.

Soon after, the young man came to Lin Kai's side and whispered: "Mr. Lin, boss Du invites you to the Yanyue Room on the third floor."

Lin Kai nodded, and followed the young man into the elevator.

"Mr. Lin, the Yanyue Room is the top single room of the Sihai Hotel. All the important guests were invited to the Yanyue Room by Boss Du."

The young man explained to Lin Kai.

Lin Kai nodded.

It seems that Du Jinhu is still a man of loyalty. He saved his life by himself, and he regarded himself as a guest.

When I arrived at the door of Yanyue Room, I saw the two acquaintances who were once again run into by Lin Kaizhi.

After they saw Lin Kai, they were stunned.

There are even some who don't believe their eyes.

"Lin Kai?" Wang Yuyan said with doubts.

“How did you get in?” Wang Yuyan asked sharply.

She doesn't think Lin Kai was invited by Du Jinhu, it must have been Lin Kai sneaking in!

You know, her Wang family is not qualified to be invited by Du Jinhu. She is relied on Zhao Tianxing to be reluctantly invited to this Yanyue Room by Du Jinhu.

Lin Kai, a poor dick, actually got into the third floor?

Zhao Tianxing also looked at Lin Kai, frowning.

“Come here! Get out of this person who came in!” Zhao Tianxing gave an order.

At that time, two security guards walked over from a distance. The two security guards looked at Lin Kai without any hesitation, and went straight to subdue Lin Kai.

Looking at Lin Kai's clothes, he didn't look like a distinguished guest.

“stop!”

At this moment, a fat man rushed over from the elevator.

The fat man was wearing a suit, he looked like he was in his forties, he had big ears and a greasy face, but his eyes were fierce and enlightened.

This one is Du Jinhu!

When Du Jinhu saw that the security guard was about to act on Lin, he was furious and ran all the way to the two security guards.

As soon as he stretched out his hand and opened the bow left and right, the two big mouths directly exclaimed.

Snapped! Snapped!

“Presumptuous! That's how you treat my distinguished guests?”

Chapter 558: I Came Empty Handed

Chapter 558: I Came Empty-handed

After these two slaps, the two security guards were beaten dumbfounded.

They covered their faces and looked at each other, unclearly.

Du Jinhu actually beat the security guard for such a dick?

The crowd was also in an uproar, looking at Du Jinhu with a puzzled look.

At this time, Zhao Tianxing smiled slightly and stood up: "Boss Du, you should have admitted your mistake. This person is not the distinguished guest you invited. This person is just a **** who came in to eat at the table."

As soon as Zhao Tianxing said something, everyone nodded.

Looking at Lin Kai's clothes, he didn't seem to be someone who could be invited by Du Jinhu.

Du Jinhu must have made a mistake and mistakenly thought that Lin Kai was the distinguished guest he invited.

This explanation was very reasonable. At that time, Wang Yuyan, who was surprised with a face, also hugged her arms in triumph.

I was shocked, thinking you have some great ability, it turned out that it was Du Jinhu who admitted wrong.

But what people did not expect was that Du Jinhu gave Zhao Tianxing a cold look.

"Am I wrong?"

"Could it be my own eyes, can't I see it myself?"

"He is the distinguished guest I invited!"

After that, Du Jinhu turned to look at Lin Kai, the ferocious expression on his face disappeared, and he was replaced with a kind smile.

"Brother Lin, didn't you scare you?"

Lin Kai shook his head, "No, just a few clowns."

"That's good." Du Jinhu smiled and nodded.

After seeing Du Jinhu's attitude towards Lin Kai, everyone was stunned.

This poor **** was really invited by Du Jinhu?

Really a distinguished guest in Du Jinhu's mouth!

For a while, everyone was overwhelmed.

Looking at the faces of Zhao Tianxing and Wang Yuyan, they also changed suddenly.

Lin Kai, who was ridiculed by them in every possible way just now, was actually Du Jinhu's distinguished guest!

Thinking that he had threatened to bring Lin in at the gate just now, Wang Yuyan's face was sore.

This slap is really loud!

However, how did his **** become Du Jinhu's distinguished guest?

Is it possible that he is Du Jinhu's relative?

Thinking of this, Wang Yuyan glanced at Lin Kai very bitterly.

Lin Kai made her lose face in front of everyone, and almost offended Du Jinhu. She put the account on Lin Kai's head.

"Everyone, please inside."

As soon as Du Jinhu waved his hand, the guests began to enter the Yanyue Room.

Lin Kai followed into the Yanyue Room.

After a while, Yanyue's room was full of people.

The Yanyue Room of this Sihai Hotel is the most luxurious single room in the entire hotel.

The cost of a single room is 18,000 per hour.

It is expensive for a reason. This Yanyue Room is not only large, but also luxuriously decorated.

The carpet is imported, the dining table is mahogany, the sofa is leather, and the tableware is also sterling silver.

There are four beautiful waitresses standing in the Yanyue room to serve.

Around the huge dining table, there were about twenty people who were qualified to enter the Yanyue Room to celebrate Du Jinhu's birthday.

These twenty-something people were all big people who stomped the ground in the fifth ring.

People were seated, and soon the dishes were ready. The full table was full of man and Han, which was very luxurious.

At this moment, a fat man stood up, the fat man with big ears, wearing a suit, punched Du Jinhu.

“Boss Du, it’s a great honor for my brother to be invited to this Yanyue Room by Boss Du. Today is Boss Du’s birthday. My brother brought some small gifts. Ask Boss Du to accept it.”

After all, the fat man put a vase on the table.

After Du Jinhu saw the vase, his eyes lit up.

He raised the vase on the front and took it in his hand and looked at it carefully.

The surface of the vase was warm and smooth, and had a sense of age. Du Jinhu took a long breath after watching it for a long time.

“Good stuff!”

“The blue and white porcelain of the Tang Dynasty! It’s very valuable, my brother, I’m interested!”

Du Jinhu laughed and accepted the vase.

The fat man also smiled triumphantly. Du Jinhu received the vase, and his cooperation with Du Jinhu would be even smoother in the future.

At this moment, Zhao Tianxing’s eyes rolled and stood up.

“Uncle Du, I know that you like antique and famous paintings. Today is your birthday. As a junior, there is nothing for you.”

“Only give this picture to my uncle’s collection.”

After all, Zhao Tianxing took out a rectangular box.

Open the box and take out a picture from it.

Stretching the painting on the table, everyone’s eyes lit up.

In the painting, several big mountains are depicted, under the big mountains, there is also a tiger.

The mountain looked like a thousand renminbi, breaking through the sky, and the tiger was also lifelike.

In the upper right corner of the painting, there are three words Tang Bohu.

After seeing this painting, everyone couldn't sit still.

Even Du Jinhu couldn't help but exclaimed, "This... is this the real Tang Bohu?"

The real Tang Bohu!

Tang Bohu was also a famous painter in China, and he was also an ancient talent.

His paintings are not only priceless, but most importantly, they are priceless!

There is nowhere to buy if you have money!

No one thought that Zhao Tianxing actually sent the real Tang Bohu out!

Zhao Tianxing looked at everyone in surprise, and he was very proud.

He glanced at Lin Kai provocatively, as if showing off.

And everyone also showed a pleasing smile at Zhao Tianxing.

If Du Jinhu is happy, the Zhao family's relationship will be closer to Du Jinhu. Zhao Tianxing can only flatter, not offend.

After watching for a while, Du Jinhu said three good words.

"Good! Good! Good!"

Du Jinhu's expression of excitement, Tang Bohu's real work, this is his dream painting!

You can tell how happy he is by saying three good words.

After saying three good words, he looked at Zhao Tianxing and laughed: "Hahaha! Tianxing, this painting, my uncle accepted, go back and tell Patriarch Zhao that I like it!"

"Yes." Zhao Tianxing also responded with a smile.

Du Jinhu was very happy that Zhao Tianxing's goal had been achieved.

At this moment, Zhao Tianxing looked at Lin Kai with a rather bitter look.

Just now Lin Kai embarrassed him in front of everyone. He remembered this grudge!

He doesn't think Lin Kai is Du Jinhu's distinguished guest, he must be a poor relative of Du Jinhu!

You just humiliated me, and I humiliate you now!

At that time, Zhao Tianxing looked at Lin Kai and said, "Mr. Lin, you are a distinguished guest of Uncle Du. Since you are a distinguished guest, your identity must be very difficult."

"It should be very expensive for a big man like you to bring out birthday gifts?"

"Can you open our eyes?"

Zhao Tianxing's words are not leaking. On the surface, Zhao Tianxing is raising Lin Kai, but in fact, he is mocking Lin Kai!

Who is Lin Kaineng? Just a poor dick.

Everyone also heard the ridicule in Zhao Tianxing's words, and all laughed.

Lin Kai lowered the chopsticks in his hand and glanced at Zhao Tianxing: "Sorry, I came empty-handed."

Chapter 559: The Real Tang Bohu?

Chapter 559: Tang Bohu's Reality?

Come empty-handed?

Everyone looked at Lin Kai incredible.

How dare Lin Kai say this?

Moreover, he really dare to eat Du Jinhu's table empty-handed?

It seems that he is really a poor dick! Did not even bring gifts!

At that time, contemptuous eyes were cast, and everyone laughed disdainfully.

Even Du Jinhu felt dull.

Although Lin Kai saved his life, Du Jinhu also knew his favor.

But he Du Jinhu is a big figure who stomped and stomped the ground in the fifth ring!

Lin Kaiqiong did not bring gifts, he could understand.

But Lin Kai said so bluntly that he didn't give him Du Jinhu face at all, which made him feel very embarrassed!

Zhao Tianxing was also taken aback when he heard Lin Kai's words.

He thought that Lin Kai must have brought the gift, he just wanted to laugh at the low-level gift Lin Kai brought.

But he did not expect that Lin Kai actually came empty-handed!

This is really **** help me too!

This time, I can laugh at your dick!

"I came empty-handed? Lin Kai, you are so rude!"

"I respect you as Uncle Du's distinguished guest, so I am polite to you."

"But if you come to eat Uncle Du's table empty-handed, this is simply not giving Uncle Du face! If you don't give Uncle Du face, you just don't give us face!"

Zhao Tianxing shouted loudly. At that time, everyone applauded.

Qiong Diaosi and the Zhao family eldest master, they still knew which side to face.

"well said!"

"Young Master Zhao deserves to be Young Master Zhao, we support you!"

"This person is so arrogant and domineering, and he still doesn't give boss Du the face, he really has no education!"

...

An insult to Lin Kai sounded.

But Lin Kai sat on the seat, took out a toothpick, picked up his teeth, and didn't pay attention to everyone around him.

Seeing this scene, Wang Yuyan couldn't help but said: "People like you shouldn't be here! This is the place where the upper class of the capital eats, not the place where you stinks to eat!"

"Seeing you, I don't even want to eat, I really have no appetite!"

Lin Kai finished picking his teeth, glanced at Wang Yuyan coldly, and smiled.

“Although I came empty-handed, I came here magnanimously! It’s not like someone who gave me a fake Tang Bohu painting and was still complacent.”

As soon as Lin Kai’s words came out, the audience was silent for three seconds.

Then there was a burst of discussion.

what?

The painting given by Zhao Tianxing is actually fake?

impossible! That’s a painting sent out by Young Master Zhao!

Du Jinhu is also an expert in antiques. If it is a fake painting, can he not tell?

Zhao Tianxing’s expression also changed after hearing Lin Kai’s words.

Zhao Tianxing naturally knows how this painting came from.

It was just that Lin Kai questioned that his paintings were fake, so he naturally refused to accept it and would not recognize it.

“Nonsense!”

“The paintings I sent are authentic Tang Bohu! Why do you say that the paintings I sent are fake?”

“You take out the evidence!”

At this time, an old man sitting beside Du Jinhu also stood up.

This old man is a master of antiques and is very famous throughout the capital.

He pushed his glasses and said, “This painting, I have seen it, is authentic...”

After listening to the master’s words, everyone was in an uproar.

“Even Master Liu said it was authentic, and it must be authentic!”

“This young man, even if he is impolite and educated, he is still talking about it! It is disgusting!”

“Why would such a person eat with us? Get him out quickly!”

“Yes! Boss Du, I strongly want to get rid of this kind of scum!”

...

A loud noise sounded.

And Du Jinhu also looked embarrassed.

Although he Du Jinhu is very capable, but among you, who does not have a strong backing?

Provoked public anger, this matter is not easy to solve.

Although Lin Kai saved his life, based on the current situation, Lin Kai's character does not seem to be very good!

He said that the painting Zhao Tianxing sent was fake.

Du Jinhu is not willing to make friends with people with bad character.

At that time, Du Jinhu said: "Brother Lin, please explain why this painting is fake?"

Lin Kai smiled slightly, stood up, and came to Du Jinhu's side.

Lin Kai patted Du Jinhu on the shoulder and said, "Boss Du, for your birthday today, I have nothing to give Lin Kai to give you. I will send you to avoid this disaster."

After that, Lin Kai picked up the authentic Tang Bohu on the table, pierced in front of everyone, and directly divided the authentic Tang Bohu in two!

Everyone looked at Lin Kai with wide-eyed eyes, and no one thought that Lin Kai would actually tore this authentic Tang Bohu painting!

"What are you doing!" Zhao Tianxing was furious, slapped the table and stood up.

Du Jinhu also stared at Lin Kai angrily. This is the real thing about Tang Bohu! Du Jinhu likes this painting very much.

At that time, everyone present glared at Lin Kai, and the bodyguard at the door was about to move.

Lin Kai didn't rush and put the painting on the table.

"Everyone here, there is no shortage of people who understand painting."

"On the surface, this painting is indeed and authentic."

“But if you look carefully at this mezzanine, the front and back of this painting are very chronological, just like the authentic works of the Tang Dynasty.”

“But the middle mezzanine can’t do the old, the middle mezzanine is still completely new.”

Hearing that, everyone suppressed their anger and looked at the mezzanine of the painting.

Sure enough, the mezzanine is so brand new, it doesn’t look like something passed down from the Tang Dynasty.

After seeing the mezzanine, Master Liu’s eyes widened.

“This”

“This mezzanine seems to be a work of modern craftsmanship!”

After listening to Master Liu’s words, everyone was shocked.

This painting is actually fake?

Zhao Tianxing had the courage to give Du Jinhu a fake painting?

Du Jinhu also looked at Zhao Tianxing, his eyes were not good, and if he dared to fool him, Du Jinhu would definitely end up severely!

And Zhao Tianxing also trembled all over, he had already greeted the eighteenth generations of Lin Kai’s ancestors at this time.

This picture is naturally fake!

Where does Zhao Tianxing have the ability to find a real painting? Tang Bohu’s real work is priceless and priceless!

At that time, Zhao Tianxing barely smiled: “Uncle Du, this painting is so realistic that the younger generation doesn’t know how to paint, so I sent a fake painting to my uncle. This is not the younger generation deliberately!”

“Haha.” Lin Kai smiled just after Zhao Tianxing said.

Lin Kai took the painting and took out the lighter again. With a click, the fire light came on. Lin Kai took the lighter and burned the painting.

But a magical scene happened. No matter how Lin Kai burned the painting, it would not be ignited.

What's even more amazing is that this painting still emits a large amount of black smoke!

"Do you know why this painting emits black smoke?"

"Because the person who made this painting wanted to make this painting more chronological and soulful."

"So I put this painting in the tomb for at least three months!"

"In this way, this painting will give people an illusion of age."

"Furthermore, this painting is very yin-qi, and if you put it at home, within a month, the people who live at home will not be able to lie down because of illness, and will die of severe illness!"

Chapter 560: Cai Lun

Chapter 560: Cai Lun

After listening to Lin Kai's words, the expressions of everyone at the scene changed.

This painting is not only a fake, but also a disaster!

Zhao Tianxing is not simply sending a fake, he wants Du Jinhu's life!

But Du Jinhu looked at Zhao Tianxing in his eyes, wishing to eat people. In his eyes, Zhao Tianxing had become a dead person.

Regardless of whether Zhao Tianxing intends to give himself this painting, the Zhao family will definitely become the family that Du Jinhu wants to avenge!

Looking at Zhao Tianxing again, after listening to Lin Kai's words, his legs were already soft.

He was scared to pee!

He never expected that he would reveal his stuff!

Does he know the origin of this painting? of course I know! Although this painting was bought at a low price, the master who falsified is the top master of China.

Basically no one can tell whether his paintings are true or not.

But he didn't expect that Lin Kai could tell it at a glance.

Can also tell the origin of this painting.

It's so glaring!

Lin Kai's eyes are actually not much different from the Huoyan Golden Eyes. The golden pupils see through everything in the world, small fakes, and Lin Kai can see through with a single glance!

"Uncle Du, this...this is all a misunderstanding!"

Zhao Tianxing explained palely, his legs trembling.

At this time, no one dared to stand up and speak for Zhao Tianxing.

Because everyone knows that Zhao Tianxing has committed a capital crime!

And Wang Yuyan who was next to Zhao Tianxing was dumbfounded at this time, she did not expect that Zhao Tianxing would have done such a stupid thing!

It's all right now, not only Zhao Tianxing is going to be unlucky, but she is also going to follow it!

"Humph!" Du Jinhu snorted coldly, looking bad.

Turning around, Du Jinhu looked at Lin Kai.

Lin Kai can recognize this fake at a glance, and even more so, he can recognize the nuances in this painting. He is definitely not an ordinary person!

In addition, Du Jinhu saw the fierce energy of Lin Kai's murder, he dared to conclude that Lin Kai must be a big man!

"Brother Lin has good eyesight, I admire him!" Du Jinhu held his fist at Lin Kai very gratefully.

Lin Kai has rescued him twice!

"You are welcome." Lin Kai smiled slightly and sat back in his position.

As soon as Zhao Tianxing's counterfeit was discovered, the atmosphere at the dinner table was very tense, and no one dared to speak loudly.

Zhao Tianxing is even more on pins and needles.

Du Jinhu thought for a long time and looked at Zhao Tianxing: "Zhao Tianxing, I need your Zhao family to give me a satisfactory explanation for this matter."

At this time, Zhao Tianxing could no longer control the fear in his heart, and saw Zhao Tianxing plop and knelt directly in front of Du Jinhu.

“Uncle Du, I was wrong! This...this is really not what I meant! This painting, I don't know it is a fake, let alone it is harmful!”

Du Jinhu waved his hand and said, “Do you know that, it's not important, go back and tell your father, prepare for your funeral.”

Du Jinhu's words were like a bolt of lightning hitting Zhao Tianxing's body.

Make him tremble all over.

That's it!

Du Jinhu didn't intend to let him go, Du Jinhu wanted him to pay for his life!

At that time, Zhao Tianxing was so scared that he was shaking and sweating coldly. He was only in his twenties and he didn't want to die!

It's all because of Lin Kai!

Zhao Tianxing's eyes looked at Lin Kai bitterly.

If it weren't for Lin Kai, I wouldn't have to die!

“Uncle Du, you give me a chance. I am the president of the Zhao Group. Uncle Du, you can't kill me!”

At this time, Zhao Tianxing had been controlled by the desire to survive. He knelt at Du Jinhu's feet, holding Du Jinhu's thigh, and cried.

And Du Jinhu didn't even look at him.

At this moment, a knock on the door sounded.

Everyone looked at the door of Yanyue Room.

If you dare to knock on Du Jinhu's door at this time, you must be a big man.

“Please come in.”

Du Jinhu said.

The door opened and only one person walked into the Yanyue Room.

The visitor, who was in his thirties, had a strong build, dressed in a suit, holding gifts, and walked into the Yanyue Room with a smile on his face.

This one is also a famous figure in the capital, Cai Lun.

Cai Lun is also a famous figure in the Fifth Ring Road of Beijing.

He has hundreds of restaurants under him.

Among them, there are several Michelin restaurants.

This one, even if Du Jinhu sees it, has to give a three-point courtesy. He is a rich man in the fifth ring of the capital!

“Hahaha! Boss Du, sorry, I’m late.” Cai Lun clasped his fists.

As soon as Cai Lun came in, all the guests in the Yanyue Room stood up and welcomed Cai Lun with a smile.

Du Jinhu’s stern face also improved at this time, and he smiled at Cai Lun.

“Hehe, Boss Cai can come, I’m lucky for Du Jinhu three lives! Please sit down!”

After Cai Lun took the seat, he saw Zhao Tianxing kneeling on the ground at a glance.

Cai Lun had heard of Zhao Tianxing, but didn’t know him.

And Zhao Tianxing’s eyes lit up after seeing Cai Lun, this is his life-saving straw!

If you can persuade Du Jinhu through Cai Lun, maybe you don’t have to die!

However, based on the Zhao family’s abilities, he must not be qualified to speak to Cai Lun.

At that time, Zhao Tianxing’s mind turned quickly, and suddenly, his eyes lit up and looked at Wang Yuyan next to him.

Doesn’t Wang Yuyan have a Michelin platinum card?

She is a super VIP user of Michelin!

You know, the people who can be issued a platinum card by Michelin are big people, and the Michelin restaurant will definitely give face.

At that time, I saw Zhao Tianxing kneeling and coming to Wang Yuyan’s face. He started begging Wang Yuyan with tears in his nose.

“Yuyan, Yuyan, you must save me!” Zhao Tianxing grabbed Wang Yuyan’s little hand and said with tears.

Wang Yuyan was also taken aback.

She was very nervous when she saw Zhao Tianxing kneeling, but now Zhao Tianxing actually kneeled in front of her, which made her very scared.

After all, she was just a nineteen-year-old girl.

At that time, everyone looked at Wang Yuyan.

Wang Yuyan looks so good! Zhao Tianxing actually kneeled at Wang Yuyan, could it be that this woman, what kind of person?

Even Du Jinhu looked at Wang Yuyan.

Wang Yuyan quickly pushed away Zhao Tianxing, and said, “Tianxing, I...Our Wang family is just a small family, how can we save you?”

Zhao Tianxing knelt and came to Wang Yuyan again, excitedly said: “Yuyan! You help me beg for mercy, you beg Boss Cai!”

“Aren’t you a platinum card user of a Michelin restaurant? You plead for me, please!”

Platinum card users?

Hearing this, everyone looked at Wang Yuyan.

This woman has a big background!

Of those present, Du Jinhu is the only platinum card user of Michelin restaurants.

And this woman actually has a platinum card, it seems that her life experience is definitely not simple.

Even Cai Lun looked at Wang Yuyan, and every platinum card user in a Michelin restaurant was impressed by Cai Lun.

Chapter 561

Because the platinum card needs to be signed by Cai Lun himself.

“Platinum card users?” Du Jinhu looked at Wang Yuyan and smiled playfully.

Cai Lun is indeed very powerful, and every platinum card user of the Michelin restaurant is a big man who does not lose to Du Jinhu.

If this woman is really a platinum card user of a Michelin restaurant, then Du Jinhu really can't move Zhao Tianxing.

“Boss Cai, do you have an impression of this one?” Du Jinhu asked Cai Lun.

Cai Lun nodded and said, “I have the impression that this one is indeed a Michelin platinum card user.”

Hearing that, everyone took a breath of air-conditioning, and they are actually platinum card users of Michelin restaurants!

Hearing that, Zhao Tianxing was overjoyed too!

I am saved!

At that time, Zhao Tianxing kneeled at Du Jinhu again.

“Uncle Du, Wang Yuyan is my girlfriend, please raise your hand and let me go!”

After that, Zhao Tianxing kowtowed at Du Jinhu again.

And Du Jinhu also smiled helplessly at this time. Zhao Tianxing had such a hardened girlfriend to cover him, and Du Jinhu didn't dare to do anything to him.

“Fortune telling you! Okay, for the sake of your girlfriend's face, I will let you go, but when you go back, tell your father, get out of the capital!”

“Yes, yes! Yes, yes!” Zhao Tianxing cried with joy.

At this time, Du Jinhu looked at Wang Yuyan again.

Since this woman is a platinum card user of a Michelin restaurant, her life experience must not be simple. Such a person can only be good, not offended.

Cai Lun also looked at Wang Yuyan and smiled playfully.

“Miss Wang Yuyan, may I ask you if Zhao Tianxing belongs to you?” Cai Lun asked.

Wang Yuyan froze and replied: “He is my boyfriend!”

“Boyfriend?” Cai Lun's expression began to cool down upon hearing this.

“Then the last time you spent money at Michelin, who was the man sitting across from you?” Cai Lun asked again.

Hearing this, Wang Yuyan looked at Lin Kai and pointed at Lin Kai: “You mean this dick? He was a blind date my mother introduced to me, but Wang Yuyan, I don’t like this kind of dick!”

Upon hearing this, Wang Yuyan gave Lin Kai a disdainful look.

Cai Lun also looked at Lin Kai.

Because there were so many people in Yanyue’s room, Cai Lun didn’t notice Lin Kai either.

When Wang Yuyan pointed, Cai Lun discovered Lin Kai.

After seeing Lin Kai, Cai Lun was a little excited.

He picked up the wine glass in front of him and came to Lin Kai himself.

“Mr. Lin, hello, I am the owner of a Michelin restaurant. I toast you a glass.” Cai Lun said respectfully.

Lin started to raise the glass and clinked with Cai Lun.

The people at the dinner table were a bit confused.

A big person like Cai Lun would actually toast Lin Kai himself?

This kid, is it possible that there is a big background in the sky?

Du Jinhu also looked at Cai Lun with a puzzled look.

Du Jinhu knows Cai Lun this kid very well. Cai Lun has a very wide network of contacts in the capital because this kid knows to obey people.

Cai Lun will find a way to curry favor with anyone who mixes in the capital.

But this Lin Kai was so respected by Cai Lun, which shows that Lin Kai is not a simple character!

Wang Yuyan also looked at Lin Kai dumbfounded.

This **** is also worthy of Cai Lun to toast?

I am a platinum card user! He is not qualified, he is qualified?

Just thinking about it, I saw Cai Lun walking towards Wang Yuyan's place with the wine glass.

Wang Yuyan was overjoyed, so let me just say, I am a platinum card user in your restaurant, can you not toast me?

At that time, Wang Yuyan was sitting on her seat, revealing a tall look.

And Cai Lun came to Wang Yuyan and smiled: "Miss Wang Yuyan, sorry, can you show me your platinum card?"

And Wang Yuyan said impatiently: "Really, even the card has to be checked. Do you treat platinum card users like this?"

After all, Wang Yuyan took out a platinum card from her bag.

This platinum card Wang Yuyan can be said to be carried as a baby, this is her capital to show off!

With a snap, Wang Yuyan directly slapped the platinum card on the table.

At that time, everyone at the dinner cast a envious look.

While Wang Yuyan hugged her arms, although she had an impatient expression on her face, she was extremely proud in her heart.

how about it? Envy? I am a platinum card user! You guys who are famous in the capital, are there none?

Cai Lun picked up the platinum card, and after a careful look, he snapped the platinum card in front of everyone.

Cai Lun threw the platinum card to the ground.

After Wang Yuyan saw this scene, she exploded.

"What are you doing? This is my platinum card! That's how you treat platinum card users?" Wang Yuyan screamed.

And everyone also looked at Cai Lun with doubts.

Cai Lun smiled slightly and said: "I'm sorry this lady, on behalf of the Michelin restaurant, I will withdraw the platinum card."

Take back the platinum card?

Hearing this, the people present shouted.

what's going on?

Zhao Tianxing's eyes widened too. If the platinum card was taken back, his life would be lost!

When Wang Yuyan heard the words, she was stunned. At this time, she was as if Cai Lun was pouring cold water on her head.

Her platinum card was actually taken back?

She was a little dazed, just as dazed when she got this card.

Although she felt weird when she got this card, she gradually accepted this reality.

And she also relied on this card to reach the upper class that she had never been able to reach before.

She became Zhao Tianxing's girlfriend, and gave her precious things to Zhao Tianxing for the first time.

And now, her platinum card has actually been taken back!

"Why!" Wang Yuyan screamed.

At this time, Cai Lun smiled slightly: "Hehe, do you think that with the strength of your Wang family, it is worthy of our Michelin restaurant platinum card?"

Upon hearing this, Wang Yuyan was also a little speechless.

The Wang family is just a small family in the capital.

"Let me introduce this lady, Miss Wang's family, Wang's family, a small family with an annual income of one billion."

"It is naturally impossible for such a family to obtain a platinum card from our Michelin restaurant."

"The reason why we issued the platinum card to this lady was because we made a mistake."

"We actually want to give the platinum card to this gentleman."

Said, Cai Lun pointed to Lin Kai, his expression respectful.

It's him?

Everyone looked at Lin Kai and gasped.

No one thought that this one was the real winner of the platinum card!

"It's just that Mr. Lin left the restaurant earlier. We thought this lady was Mr. Lin's girlfriend, so we handed over the platinum card to this lady."

Chapter 562: One To One On Site Service?

Chapter 562 One-to-One On-site Service?

After understanding the truth of the matter, everyone suddenly realized.

It turns out that the real winner of the platinum card is Lin Kai!

This unremarkable Lin Kai!

Lin Kai, who was ridiculed by everyone just now, is actually a platinum card user of Michelin restaurant!

The person who mocked Lin Kai just now wanted to bury his head under the ground.

This one is a big man who they can't afford to offend!

Looking at Wang Yuyan again, she was dumbfounded.

At this time, she experienced the biggest ups and downs in her life.

Her head was completely dazed at this time.

It was as if someone held her up to the sky and threw her to the ground.

Threw her dignity to pieces!

It turned out that she was not the holder of a platinum card at all, Lin Kai was!

When the platinum card was taken back, Wang Yuyan felt that her dignity had been severely trampled on.

She can't accept this result!

Lin Kai!

Wang Yuyan looked at Lin Kai with extremely complicated eyes.

This man is not a poor **** at all!

He is a man of great background, even the Michelin restaurant will issue him a platinum card!

This man has been pretending to be a pig and eating a tiger!

Regret it?

At this time, Wang Yuyan regretted it very much.

If I had a better attitude at the beginning and made good friends with Lin Kai, maybe I have become Lin Kai's girlfriend now?

Her heart was extremely uncomfortable.

And Zhao Tianxing was stunned again at this time.

In these short ten minutes, Zhao Tianxing also experienced the ups and downs in his life.

Being sentenced to death by Du Jinhui, he was dumbfounded.

He was very excited to be rescued by Wang Yuyan.

But two minutes before he was happy, Cai Lun sentenced him to death again!

At this moment, Zhao Tianxing didn't dare to offend anyone, so he could only look at Wang Yuyan very bitterly.

"Damn! You bitch, the platinum card is not yours!"

"Get out of here!"

"Let's breakup!"

Zhao Tianxing almost roared.

But Lin Kai sat in a position holding his arms and looked at these two with a lot of playfulness.

Wang Yuyan was also flushed, she looked at Lin Kai and Cai Lun again.

She is not convinced! Why does this man who looks like a **** get a platinum card?

"Why can he get a platinum card?" Wang Yuyan asked.

Cai Lun smiled slightly, and said ironically: "Haha, Miss, although a woman without talent is a virtue, it is good to read more."

"Did you not notice the bank card that Mr. Lin used to pay the bill that day?"

"That is a black card issued by Hua Xia Bank, limited to 100 copies worldwide."

"Do you think someone with a black card will be a small person?"

After listening to Cai Lun's words, Wang Yuyan felt suffocated again.

She naturally heard of the black card of Huaxia Bank.

It is said that everyone who has a black card of Huaxia Bank is a famous figure in China National Bank!

And that Lin Kai is actually the holder of the black card!

She was dumbfounded.

She regretted it!

I really regret it!

Lin Kai is tens of millions of times stronger than that Zhao Tianxing!

Not only did she regret it, but Zhao Tianxing also regretted it!

He shouldn't offend Lin Kai!

He should be friendly to Lin Kai, or even to favor Lin Kai. In that case, not only would he not have to die, but he could also hold Lin Kai's thick thigh!

Du Jinhu also looked at Lin Kai with some confusion.

Who is this man?

Courageous, not even afraid of robbers with guns!

And the eyesight is excellent, and you can see the tricky fakes at a glance.

It is also the holder of the black card.

Who is this person?

Du Jinhu is considered a big man in the local area, but even he is not eligible for the black card issued by Huaxia Bank.

Lin Kai has it!

“Black card holder?” Wang Yuyan muttered, her eyes changed when she looked at Lin Kai.

Once, a black card holder stood in front of me, but I did not cherish it.

After I lost it, I regretted it...

At this time, Zhao Tianxing’s mood is very complicated.

Wang Yuyan is just the eldest lady of a small family. Now, no one in the room can save him!

Du Jinhu also took a cold look at Zhao Tianxing at this time: “Come here!”

Du Jinhu gave an order, and two strong men walked in from outside the door.

“Drag this person to me.” Du Jinhu said.

Hearing that, the two strong men dragged Zhao Tianxing.

And Zhao Tianxing was almost scared to pee at this time.

He knows the result of being dragged down.

At that time, Zhao Tianxing was struggling desperately, calling for help frantically.

“No! Uncle Du! No!”

“Lin Kai! Save me! Save me!”

...

Zhao Tianxing was still dragged down, and everyone knew his fate.

At this time, I saw Du Jinhu personally picking up a glass of red wine and came to Lin Kai.

“Brother Lin, I was blind to Taishan before, and I neglected you. I am sorry for this glass of wine.”

After all, Du Jinhu drank it all.

Du Jinhu personally came to plead Lin Kai.

And Lin Kai waved his hand and smiled: "It's okay, I'm not a big shot either."

Lin Kai didn't care.

Du Jinhu was relieved now.

Du Jinhu asked curiously: "Brother Lin, a total of 100 black cards have been issued in China. As far as I know, people with black cards are all big shots!"

"you are?"

Du Jinhu was curious about Lin Kai's life experience.

Lin Kai laughed and said, "Hehe, this card belongs to my dad, and my dad is in Jiangbei."

Hearing this, Du Jinhu's eyes turned, and he had a bottom line in his heart.

The surname is Lin, Jiangbei, is there a Lin family in Jiangbei? Naturally!

Moreover, the Lin family is a tyrant in Jiangbei!

It turned out to be the son of Jiangbei overlord!

After understanding Lin Kai's details, Du Jinhu was more respectful to Lin Kai.

The meal was finished very quickly. After the meal, Lin Kai bid farewell to Du Jinhu and returned to Old Li's home.

After two days of rest in the old Litou's house, Lin Kai packed up his luggage, put on his hiking bag, and was ready to perform his task.

Hunt down that violent tiger!

According to reliable sources, the tiger recently appeared in a primeval forest outside the capital.

Lin Kai's goal is the virgin forest.

After getting on the bus, the bus drove out of the capital.

Three hours later, Lin Kai arrived in a small county outside the capital.

The name of the county is Tongxian.

Tongxian County is the closest county to that virgin forest. Because the virgin forest is rich in materials, there is no shortage of expedition teams to explore the forest.

Therefore, Tong County has also become the nearest supply point, and the locals took advantage of this and made a fortune.

After entering Tong County, Lin Kai found a hotel to stay.

It was getting late, and Lin Kai planned to enter the primeval forest the next day.

The hotel Lin Kai lived in was just a small hotel, one hundred yuan a day.

At night, after Lin Kaigang finished washing, he suddenly swished, and a small card slipped in from the bottom of the door.

Lin Kai picked it up and looked at it, frowning, "One-on-one service?"

Chapter 563: My Name Is Lu Zhishen

Chapter 563: My Name Is Lu Zhishen

There was also a **** woman in revealing dress on the small card.

"bored."

Lin Kai dropped the card in his hand casually.

...

Silent all night, early the next morning, Lin Kai packed his luggage and walked out of the small hotel.

After walking out of the small hotel, Lin Kai called Du Jinhu.

Lin Kai has no acquaintances in Tongxian, and Tongxian is relatively close to the capital. Calling Du Jinhu to ask him for help is the wisest choice.

Soon after, Du Jinhu arranged someone for Lin Kai and sent the phone number to Lin Kai.

The virgin forest near Tong County is very dangerous, because it is very difficult to walk in the jungle and there are many poisonous insects. If you want to enter and exit smoothly, you must have a good guide.

Lin Kai was unfamiliar with his birthplace in Tong County, so he could only ask Du Jinhu for help.

The guide Du Jinhu was also found, and he would come to pick up Lin Kai soon.

After waiting for about twenty minutes, an old van stopped in front of Lin Kai.

With a click, the car door opened.

A rough man in his thirties got out of the car.

The man looked extremely sloppy, with a shaggy beard, a worn leather jacket on the upper body, and a ripped jeans on the lower body.

The shoes are good, brand new hiking shoes.

“Are you the person Du Jinhu introduced?” the rough man asked.

Lin Kai nodded.

The rough man laughed: “At a young age, with fine skin and tender flesh, I really can’t think of going into the jungle to suffer.”

The rough man held a toothpick in his mouth: “Heh, get in the car! My name is Luda, nicknamed Lu Zhishen.”

Ruda?

The name is interesting.

In the old van, Ruda drove Lin Kai all the way to outside Tong County.

Ruda can be said to be the few guides left in Tong County.

The virgin forest outside Tongxian County is very dangerous, and almost no one wants to do it.

Only a few bold people like Ruda are still doing this business.

Soon, the car drove to the edge of the primeval forest.

From a distance, Lin Kai saw a bunch of luxury cars.

Overbearing, Hummer, Land Rover and other large off-road vehicles are parked outside the forest.

A dozen bodyguards in black suits were standing beside the car.

Several young people and an old man sat on the rocks by the woods to enjoy the cool.

“I’m not the only one?” Lin Kai asked.

Ruda spit out the toothpick in his mouth: “What are you kidding me? Do you know how dangerous it is to go in? It’s safe to get out with a lot of people!”

Hearing that, Lin joked, it didn’t matter to him that there were too many people.

Ruda’s broken van was also parked behind the luxury car.

As soon as Ruda arrived, the group of young people gathered.

There are about seven or eight young people, and these seven or eight young people are headed by a girl and an old man.

This girl has a lot of background.

The eldest lady of the Chang family in Beijing, her name is Chang Sasha.

Chang Shasha is 23 years old this year. She has a hot body and sweet looks. Although her skin is not very white, she has a very attractive and healthy color of wheat.

And the old man is a housekeeper in the Chang family.

It is responsible for protecting Chang Sasha’s safety.

The other young people are all friends of Chang Shasha.

They are also the youngest and eldest ladies of the big families in Beijing.

At this moment, these young people gathered around with dissatisfaction.

“I said Lu Zhishen, are you going to pick someone up for so long?”

“Yeah! Isn’t the money we gave you enough? How dare you pick up people? Don’t you put us in your eyes?”

In the face of many dude’s doubts, Ruda did not dare to talk back, and could only smile.

“Dear handsome guys and beauties, I’m really sorry! I don’t want to pick up this person either, but Du Jinhu from the capital asked me to pick up someone. I dare not go!”

Ruda said with a sad face.

Du Jinhu?

Hearing this, these dudes also looked at Lin Kai playfully.

“Yeah, this is the person Du Jinhu asked you to pick up?”

“Can someone with thin arms and legs go into the jungle? Don’t be exhausted after walking two kilometers.”

Chang Shasha also looked up and down Lin Kai.

Du Jinhu may be a big man to others.

But in front of Chang’s family, it is not worth mentioning.

The Chang family is a famous family in the fourth ring, Du Jinhu on the fifth ring is a joke for the Chang family!

“What’s your name?” Chang Sasha asked.

Lin Kai replied: “Lin Kai.”

“Lin Kai? Never heard of it.” Chang Shasha rolled her eyes and said impatiently: “Since it is Du Jinhu’s person, I Chang Shasha will show some face, take him and go on the road!”

After Chang Shasha said, all the rich and young people frolicked and passed by Lin Kai.

And the dozen or so bodyguards they brought began to pack their bags, carry their backpacks, and walked into the forest.

Finally, Ruda came to Lin Kai’s side.

“You’d better not mess with them, this group of people are so big that even Du Jinhu can’t afford to offend them.”

Lin chuckled and didn’t answer Ruda.

Afterwards, Ruda led a group of dozens of people into the forest.

This group of Kuo Xiao and the eldest came into the woods without knowing what the purpose was.

But Lin Kai’s purpose is very clear, looking for the tiger!

As soon as the tiger was killed, Lin Kai left the jungle immediately, and would never have too much negotiation with this group of people.

The jungle is very difficult to walk. Along the way, there are full of weeds and thorns. If you are not careful, your skin will be bleeding.

This is not the most uncomfortable.

The most uncomfortable thing is that there are so many mosquitoes in the jungle!

Mosquitoes are the size of soybeans.

There will be unknown bugs crawling on people's bodies, and the team will scream from time to time.

Just walked two kilometers, I don't know who shouted.

"I can't walk anymore! Don't go!" I saw a young man wearing an Armani suit sitting directly on the ground with no image.

Chang Shasha was also sweaty, and her legs trembled.

She couldn't control her body, and sat on the ground.

"I can't walk anymore."

These seven or eight children of the big family were all tired like dogs, sitting on the ground.

It's the old man from the Chang family. Although there are some sweat on his face, his face is not red or breathing, and he looks very physical.

For a group of people, only Lin Kai was the most relaxed.

Even with a huge hiking bag on his back, Lin Kai's waist was extremely straight, and there was no sweat on his forehead.

He frowned.

According to the physical fitness of this group of people, can you find the mutant tiger?

"Let's rest on the spot and replenish your body." Ruda was also a little helpless, so he gave the order to rest on the spot.

As a result, these rich and young people asked their bodyguards to take out the food prepared in advance from their backpacks.

There are instant noodles, ham, and some canned beef.

But Lin Kai stood still and didn't move.

At this moment, the young man in the Armani suit glanced at Lin Kai, and saw Lin Kai standing still, he gave a smirk.

“Hey! Boy, don’t you go into the mountain without food?”

“Come on, I have canned beef here, do you want to eat it?”

Chapter 564: I’m Willing To Buy A Daughter

Chapter 564

“No need.” Lin Kai replied coldly.

And the Armani man sneered when he heard the words: “Hehe, I don’t know how to promote him.”

This man in an Armani suit is also a great young master.

His family is also famous in the capital.

He is the eldest of the Wang family and his name is Wang Qinglong.

This Wang Qinglong, compared to the Chang Sasha, only has a higher status.

Among this group of people, Wang Qinglong has an absolute leadership position.

Lin Kai saw that they were all eating and touched his stomach. To be honest, Lin Kai was also a little hungry.

So Lin Kai left the team alone.

And Ruda saw Lin Kai leave and ran after him quickly.

“Hey! Why are you going?” Ruda asked Lin Kai on the shoulder.

Lin Kai replied, “I’ll go to catch game.”

Hearing this, Ruda laughed at the time, and saw Ruda glance up and down at Lin Kai.

“Big brother, it’s not that I despise you, just you with the delicate skin and tender meat, can you call game?”

“Have you watched too many TV shows? Think it’s easy to survive in the wild?”

“Where are those little animals so easily caught by you?”

Hearing this, Lin Kai laughed too: "Haha, you will worry about it."

After all, Lin Kai walked out alone.

But Ruda was not at ease with Lin Kai, and shouted: "Hey! Don't go too far! You will get lost!"

"Got it!" Lin Kai replied.

Ruda looked at Lin Kai's back and shook his head and smiled.

"Boy, you'll be back in a while."

Luda is one of the few guides in Tongxian and an orion.

With the increasing number of tourists in Tongxian recently, many explorers have chosen to explore the virgin forest.

This resulted in hunting in the woods, but it was not so easy.

There are not many small animals, even if there are, they will hide well.

Want to eat game? It's hard!

He didn't think Lin Kai could call any game.

Soon after, Lin Kai came back alone.

Ruda glanced at the time, and only four minutes passed between Lin Kai's departure and his return.

This kid must have left empty-handed.

Ruda smiled: "I said the big brother, came back empty-handed? I said, where are small animals so easy to be caught?"

"What are you talking about?" Lin Kai tilted his head and shook the pheasant in his hand in front of Ruda.

With a click, Ruda's chin fell to the ground.

Did you really fight back?

Or a pheasant?

You know, there are fewer and fewer pheasants in the forest, and the pheasants in Lin Kai's hands are very big.

This kind of pheasant is very cunning. After Lin Kai went out for less than five minutes, he actually caught a pheasant?

Ruda's eyes widened at the time.

These city people can actually hunt?

And he didn't even bring a gun, how did he bring the pheasant back?

Ruda's heart was full of doubts.

But Lin Kai walked directly by Ruda, came to a clearing, found a pile of dry wood, and directly lighted the fire.

The system did not teach Lin Kai any cooking skills, survival skills, Lin Kai learned all in the army.

As a professional special soldier, if Lin Kai didn't even know how to survive, he could just die.

Make a fire, pluck the hair, remove the internal organs of the pheasant, clean the pheasant, string the pheasant with a stick, and Lin Kai begins to barbecue.

Soon after, the scent of pheasant can be said to spread to the entire forest.

Lin Kai took out the condiments he carried with him and sprinkled it on the pheasant. At that time, the fragrance was pungent.

This is no ordinary roast chicken, this is a wild pheasant! The chicken of this kind of chicken is very competitive, fat but not greasy, and it tastes very delicious.

Lin Kai pulled out a chicken leg, put it in his mouth and tasted it slowly, it was a fragrance!

At that time, the broad youths all looked at Lin Kai, their eyes straight.

Compared to the roast chicken in Lin Kai's hands, the instant noodles and canned beef in their hands also lost their original fragrance.

This pheasant is too fragrant, right?

Several people even drooled.

Wang Qinglong couldn't sit still.

He threw down the canned beef in his hand and strode towards Lin Kai's position.

He came to Lin Kai, stretched out his hand, and said, "Give me the pheasant."

It seemed that it was the same order, and Lin Kai could not question it.

Lin Kai looked up and coldly glanced at Wang Qinglong, then asked, "Why?"

"Why?" Wang Qinglong sneered: "Hehe, do you know who I am? I am the young master of the Wang Family, Fourth Ring Road, Beijing, Wang Qinglong!"

After all, Wang Qinglong looked at Lin Kai aloof.

He seemed to be waiting for Lin Kai to kneel and lick him!

He is the eldest of the Wang family! The patron behind Lin Kai, Du Jinhu, in front of him, Wang Qinglong, is simply not worth mentioning.

Therefore, Wang Qinglong was very confident that after Lin Kai knew his identity, he would obediently give him the pheasant.

Lin Kai jokingly said, "What is the eldest of the Wang family? I haven't heard of it."

Lin Kai didn't give Wang Qinglong any face.

Wang Qinglong's face changed at that time.

This makes him very shameless!

Wang Qinglong laughed, and with a wave of his hand, a bodyguard came to him directly and handed Wang Qinglong a purse.

"Don't you just want money? I'll give it to you!"

Wang Qinglong took out 10,000 yuan in cash from his purse and slapped it directly on the ground in front of Lin Kai.

"Ten thousand yuan to buy you a chicken, is it enough?" Wang Qinglong looked at Lin Kai coldly.

He didn't believe that there are people who don't love money in this world!

"Not enough," Lin Kai replied.

“You!” Wang Qinglong was furious, he nodded: “Okay!”

Wang Qinglong took out tens of thousands of dollars from his purse and threw it directly in front of Lin Kai.

“Eighty thousand yuan! Is it enough to buy you a pheasant?”

Buying a pheasant for 80,000 yuan can be said to be a sky-high price!

Eighty thousand yuan is nothing to Wang Qinglong. What he bought is not a pheasant, but a face!

His eldest king, when was he rejected by others?

He just wanted to use the 80,000 yuan to smash Lin Kai’s face!

But Lin Kai was impatient at this time. Lin Kai stood up and looked at Wang Qinglong coldly.

Those eyes were very cold, without the slightest emotion, even if Wang Qinglong saw Lin Kai’s eyes, his whole body trembled.

Is this look that humans have?

Lin Kai looked at Wang Qinglong and said coldly, “If I want to, I can give you this pheasant for free.”

“If I don’t want to, even if you give me a million! You can only smell!”

“It’s hard to buy a daughter, I’m happy!”

Chapter 565: Eat Chicken

Chapter 565

Lin opened up this sentence.

But Wang Qinglong’s face was completely dark.

Lin Kai didn’t plan to sell this pheasant to him!

At that time, Wang Qinglong was on fire.

He is the eldest of the Wang family!

But Lin Kai actually despised himself so much.

Behind him, there are young masters from several other big families looking at him!

Chang Shasha is also watching here, and more than a dozen bodyguards are watching here.

If this matter is not handled well, they will laugh at themselves when they return to the capital!

At this time, Ruda ran over and said with a smile: "Two, forget it, there is no need to fight."

After that, he winked at Lin Kai again and said, "Lin Kai, what's the matter with you giving Young Master Wang some pheasants? Quickly give Shao Wang something."

After that, Ruda whispered in Lin Kai's ear again: "There is a lot of background behind this Young Master Wang. You can't offend it!"

"Even Du Jinhu can't afford to offend this young master!"

"Hurry up and apologize!"

Ruda is reminding Lin Kai.

Lin Kai directly ignored Ruda's words.

Lin Kai said, "Why should I apologize? I didn't do anything wrong. I called this pheasant myself."

"I also baked it myself. I can give it to anyone I want to eat, and no one can take it away if I don't want to give it to anyone!"

"Why should I apologize?"

After hearing Lin Kai's words, Lu Da was also flushed with anger.

"You kid, why are you so stubborn? Du Jinhu hasn't taught you how to be more sleek?"

"Du Jinhu?" Lin Kai laughed: "He is not worthy to teach me!"

"What a big tone!"

At this time, Wang Qinglong also completely lost his patience.

He found it, Lin Kai deliberately wanted to fight against him!

He didn't plan to give this chicken to himself at all! He does not intend to give himself face!

Then, let him know how good he is!

Snapped!

Wang Qinglong snapped his fingers directly.

Then, five bodyguards appeared behind Wang Qinglong.

The dozen or so bodyguards were all brought here by these young young masters. Wang Qinglong brought five bodyguards.

"Boy, offend me, don't ask, who is the master in the capital?"

"Beat him!"

When Wang Qinglong gave an order, the five bodyguards behind him directly surrounded Lin Kai and wanted to do it.

"Enough!" But at this moment, a loud shout rang out.

The five bodyguards stopped directly.

The Chang elder directly from Chang's family stood up.

Chang Lao was wearing a tunic suit. Although he had gray hair, he walked along the road, his eyes were very divine.

"Chang Lao." The arrogant and domineering Wang Qinglong bowed his head obediently after seeing Chang Lao.

He knew that this old man was not a simple character.

This old man, but the housekeeper of the Chang family!

Not an ordinary housekeeper.

It is said that this Chang Lao is a master of martial arts! Similar to the kind in martial arts novels, eight or nine strong men can't come close to him.

As soon as he initiated the power, even Wang Qinglong did not dare to provoke him.

"Wang Qinglong, this is not the capital city, so stay a little bit!" Chang Lao directly reprimanded.

“Yes.” Wang Qinglong didn’t even dare to let go and replied with his head down.

Afterwards, Chang Lao glanced at Lin Kai, with a look of appreciation in his eyes.

Lin Kai is very backbone, which he admires very much.

“This chicken is indeed the young man’s, Wang Qinglong. If people don’t want to sell it, don’t grab it. You can’t escape a word of truth, understand?”

“Understand.” Wang Qinglong nodded obediently.

Chang Lao turned around and left.

After Chang Lao left, Wang Qinglong pointed at Lin Kai and said viciously: “Fortunately for you kid!”

“Count me lucky?” Lin chuckled, “You should be considered lucky.”

If there is a fight, Lin Kai will definitely make Wang Qinglong unable to eat.

He should be grateful to Chang Lao, Chang Lao let him lose a **** disaster.

Wang Qinglong left indignantly.

Lin Kai sat in place, eating pheasants with relish.

At this moment, Miss Chang’s family couldn’t help but approached.

This pheasant is so fragrant, even she can’t help it.

Just because of the face of the eldest lady, she has not been embarrassed to come over, but now, she really can’t help it, she is too greedy.

I saw Chang Shasha squatting opposite Lin Kai, feeling a little at a loss with her small hands.

She opened her eyes wide and looked at Lin Kai very cutely.

“Yes... can you give me something to eat?” Chang Shasha asked tentatively.

After all, Wang Qinglong just asked Lin Kai for a pheasant, but Lin Kai ruthlessly refused.

Lin Kai glanced at Chang Sasha and smiled: “Yes, please.”

It's not that Lin Kai prefers girls to boys, it's because Chang Shasha is more polite, unlike Wang Qinglong, who pulls like an uncle.

Chang Shasha was overjoyed when she heard this, and saw that she could not wait to tore a chicken leg from the pheasant, and took a bite of the cherry mouth.

At that time, Chang Shasha's eyes widened, and she ate it hungrily.

Because she found that this pheasant is really delicious!

It was better than any chicken she had ever eaten.

This chicken was grilled with charred outside and tender inside. Just after eating such a bite, Chang Sasa has fallen in love with the taste.

This pheasant can be said to be pure and natural.

First of all, this is a real pheasant, not the kind of pheasant raised in captivity.

Secondly, this is a real roast chicken, roasted by Lin Kai over fire.

Moreover, there are not so many spices added to this chicken, just a few simple spices that Lin Kai carries with him.

The most natural taste of this chicken is preserved.

It only took a few minutes for the two of them to wipe out the pheasant.

Others who are watching are drooling.

And Wang Qinglong gritted his teeth and looked at Lin Kai.

Okay, Lin Kai, give it to Chang Sasa, but not me, right?

On the way, it's still growing!

You wait for me!

And Chang Shasha looked at the pile of bones in front of her, and burped.

She patted her stomach and looked at Lin Kai again, with a blush on her face.

She was a little embarrassed.

For the first time in front of an outsider, I didn't look like Miss Chang.

“Thank you!” Chang Shasha smiled.

Lin Kai smiled and replied, “No thanks.”

“After returning to the capital, I will invite you to my house for dinner.” Chang Shasha smiled.

“Okay, thank you.” Lin Kai answered politely.

After hearing Chang Shasha’s invitation to Lin Kai for dinner, the surrounding dudes all stared at Lin Kai with wide eyes.

This Chang Sasha, but the goddess in their hearts!

The reason why they came out with Chang Sasha this time was not for fun, but to express themselves in front of Chang Sasha.

It’s good now, Chang Shasha directly wants to invite the person who wears the stall to come home for dinner!

At that time, the eyes of those boys and girls were red, and they looked at Lin Kai, wishing to eat people!

Chapter 566: Spoiled

Chapter 566

Lin Kai turned a blind eye to these expressions.

Soon after, with the order of the old man, the team of dozens of people began the long journey again.

Lin Kai followed at the back of the team.

What is the purpose of this group of people?

Adventure?

Lin Kai didn’t believe that this group of rich second generations would have a moisturizing day, but they went to explore this wild forest.

“Chang Lao, in this forest, is there really a magic medicine that can cure my father?”

Suddenly, Chang Shasha, who was walking at the front of the team, asked.

Even though she was far away from Lin Kai, Lin Kai could still hear what she said clearly.

Chang Lao sighed: “Oh...”

“The old man can only do his best for the Patriarch’s illness, and the old man cannot guarantee that there will be such a magical medicine in this forest, but as long as there is a glimmer of hope, the old man will die!”

Hearing that, Chang Shasha also showed disappointment on her face.

Come for medicine?

Lin chuckled.

Looking for medicine in this forest is a needle in a haystack.

Not to mention what kind of **** medicine.

After the team walked for half an hour, a burst of tired voices rang out, and the walking speed of these boys and girls was comparable to a snail.

In just half an hour, these dudes could no longer hold on.

At this time, Ruda, who was walking at the front of the team, said: “Everyone hold on! We have gone deep into the woods. In the nearby area, there are often wild wolves, so we can’t stop, we must speed up and pass!”

Wild wolf?

Hearing that, everyone is full of spirits.

They don’t want to encounter fierce and brutal wolves, even if they are tired, they speed up their pace.

After another half an hour or so, Chang Shasha who was walking in the front suddenly exclaimed.

“Yeah!”

This exclamation attracted everyone’s attention.

I saw Chang Shasha staring at the ground, her eyes widened, her face looked incredible.

Lin Kai quickly walked over.

When I took a closer look, I saw a footprint on the ground in front of Chang Shasha.

If it were just a footprint, it would certainly not surprise Chang Shasha so much. What surprised Chang Shasha was that it was an animal's footprint.

It looks like the footprints of cats.

The most important thing is that this footprint is very big, the size of a human hand!

With such a big footprint, what a huge animal should it be?

"What footprint is this?" Chang Lao asked at this time.

Ruda took a look, his face was pale, and he replied: "It looks like the footprints of a wild wolf."

"but"

"But the footprints of wild wolves are not so big? Could it be the footprints of brown bears? Impossible, there won't be brown bears in this forest!"

Ruda also didn't know what animal footprints were.

Lin Kai smiled after seeing the footprints.

Because he knew that he was about to find the mutant tiger!

"This is the footprint of a tiger." Lin Kai said.

When Lin Kai spoke, everyone looked at Lin Kai.

Tiger's footprints?

Everyone looked at the footprint carefully again. The footprint was really like a tiger's claw, but the footprint was much larger than the tiger's claw.

"Tiger's footprints?" Ruda was taken aback, and shook his head: "Impossible!"

"In this forest, there are wild wolves, wild boars, and pythons, but no tigers!"

"I drove into this forest. There can be no tigers in this forest!"

Lin Kai smiled slightly: "Hehe, nothing is impossible. These are the footprints of tigers."

"Yo!"

“Some people just like to pretend, but don't know how to pretend. Other guides say that there are no tigers in this forest. You just say that these are tigers footprints.”

“Could it be that you think you know this forest better than the guide?”

At this time, Wang Qinglong hugged his arms and laughed mockingly.

Wang Qinglong's words are very reasonable.

After all, Ruda is a local. He said there are no tigers here, so there must be no tigers.

Even Chang Lao said, “Yes, the environment here is not suitable for tigers at all. There can be no tigers here.”

No one believed what Lin Kai said.

Even Chang Shasha glanced at Lin Kai questioningly.

Lin chuckled, without explaining too much.

Ruda said at this time: “Regardless of whether there are tigers or not, there are such footprints, we must leave immediately.”

“It's not advisable to stay here for long, keep going!”

Ruda gave an order, and the team of dozens of people started again.

The dudes who had shouted tired, after seeing the huge footprints, did not dare to rest, and quickly left the scene.

Lin Kai reminded them of his kindness: “The front is very dangerous. I advise you to turn your head back, otherwise you may lose your life.”

Hearing that, everyone looked back at Lin Kai.

Wang Qinglong had originally seen Lin Kai very upset, but now he laughed out loud when Lin Kai said this.

“Hehe, if you are afraid, go back by yourself!”

“Do you think that we are all just like you, a scumbag?”

The remaining Kuo Shao also laughed mockingly.

Chang Shasha looked at Lin Kai, her eyes very understanding.

“Don’t be afraid, there are us.”

Chang Shasha comforted Lin to clear the way.

They all thought Lin Kai was scared, so they wanted to go back.

Lin Kai shook his head and said very seriously: “I am not afraid. I am very seriously reminding you that it is still too late to look back. The creature with the huge footprint may be right ahead!”

After hearing Lin Kai’s words, Wang Qinglong laughed disdainfully again: “Hahaha! I’m afraid that guy won’t show up!”

“I’m a taekwondo black belt! If that guy doesn’t show up, it’s fine. If he does show up, I will definitely twist his head off and kick it!”

As soon as Wang Qinglong’s awesomeness came out, the other dudes hurriedly sent flattery.

“Wang Shao is awesome!”

“Wang Shao’s strength, that is not a blow, one punch can kill a cow!”

“Forcibly, if you are afraid, get out now! Let’s follow Wang Shao! The team takes you, you are also a burden!”

“Hahahaha…”

There was a burst of laughter.

Wang Qinglong looked at Lin Kai quite proudly. I can’t beat you and can’t laugh at you?

Chang Shasha couldn’t stand it anymore at this time, and she scolded: “Enough! Do you guys say that?”

When Chang Shasha spoke, Wang Qinglong snorted and did not continue to insult Lin Kai.

Chang Lao looked back at Lin Kai and said calmly: “Young man, don’t worry, with me, there will be no creatures that can hurt you.”

In the words of the old, there is a strong confidence.

After all, he is the patron saint of the Chang family, and his skill is unmatched in the Chang family.

Even ten strong men can't get close to him, let alone beasts.

If there is a tiger, the old man can beat the tiger to the ground!

Seeing that no one listened to him, Lin Kai smiled helplessly and stopped talking.

Chapter 567: Wild Boar

Chapter 567

"Go on!"

After Ruda's voice, the team of dozens of people set off again.

Continue to walk to the depths of the forest. After half an hour, Lin Kai discovered a miraculous phenomenon.

He found that the surrounding weeds were significantly more luxuriant, and the trees were significantly thicker.

Here, the leaves block the sunlight so hard that no sunlight can shine in.

Obviously it was afternoon, but it was more like evening.

There are more mosquitoes here, and every mosquito is very large.

If you are bitten by a mosquito, a bean-sized bag will appear on your body.

When they got here, these dudes could no longer stand it, and they complained.

"What kind of broken place is this? I wouldn't come if I knew it."

"The mosquitoes here are the size of a praying mantis! The mosquitoes are not mosquitoes, they are nurses with needles!"

"Miss Chang, let's take a break? Can't walk!"

...

A burst of wailing sounds sounded.

Chang Shasha just wanted to speak, but Ruda reached out and stopped Chang Shasha.

And made a hush gesture.

“Don’t talk!” Ruda had a serious expression.

After hearing the words, the few boys also closed their mouths obediently.

As soon as the scene fell silent, a strange sound rang.

Huh, huh...

It seems like something is running fast in the grass.

And this strange sound is getting louder and louder, as if the thing is already very close to the crowd!

At this time, Ruda’s face changed: “Wild boar!”

Ruda’s voice just fell, and there was a crash, and a huge wild boar emerged from the grass beside him!

The wild boar was bigger than it looked on TV. It was one meter high and two meters long, and the two huge fangs in its mouth were very hideous.

The wild boar’s eyes are all red, and the expression is very fierce. On the dark wild boar skin, there is a protective shell like armor.

“Fuck me!”

“Such a big boar?”

At this moment, Ruda couldn’t help but explode a foul language.

He has never seen a wild boar. There are so many people on the scene, and it is not a problem to subdue an adult wild pig.

But he had never seen such a huge wild boar!

Is this still a wild boar? The size is comparable to a little elephant!

“Huohua!” The wild boar made a sound, his eyes fixed on Wang Qinglong who was standing at the front of the team.

Wang Qinglong was so scared that his face turned pale at this time.

Just now he threatened to be a black belt Wang Qinglong, and his legs were shaking.

But the wild boar ran into Wang Qinglong directly!

Humph! A sound of a wild boar stepping on the ground sounded. The speed of the wild boar was very fast, and two fangs went straight to Wang Qinglong.

But Wang Qinglong ran away at this moment, and shouted, "Help!"

While Wang Qinglong screamed, the bodyguards behind him all pulled out their pistols.

Boom boom boom!

A series of shooting sounds sounded, and only one bullet shot at the wild boar, only a spark could be bounced. The bullet did not hurt the wild boar at all!

The skin of this wild boar is not as thick as usual!

But the wild boar looked like he was about to catch up with Wang Qinglong, and Wang Qinglong was about to cry at this moment.

At this moment, the old man suddenly appeared in front of the wild boar.

A gray-haired old man, with a burst of aura at this time, his eyes were extremely sharp, and he saw him sprint down, facing the rampant wild boar, he was not afraid.

With a muffled bang, Chang Lao directly used his hands to grab the two big fangs of the wild boar!

Wow!

There was a rubbing sound, and the wild boar's tremendous strength drove Chang Lao out dozens of meters away!

Chang Lao's feet pushed **** the ground, but he still couldn't stop the wild boar.

boom!

Chang Lao's foot was directly on the big tree behind him, and the tree trembled, then stopped.

"Get out of here!" Chang Lao roared at this time, and saw that he fought **** the spot and threw the huge wild boar weighing 200 kilograms directly!

After that, Chang Lao let go, and the wild boar was flung out like a kite with a broken line.

boom!

With a muffled sound, the wild boar hit a big tree and fell to the ground.

At this moment, everyone held their breath and stared at the wild boar.

But the result disappointed everyone. The wild boar stood up from the ground, shook his head, and looked at Chang Lao with an angry expression.

Those scarlet eyes, can't wait to spit out fire!

I saw the wild boar let out a roar, and once again ran towards Chang Lao!

And Chang Lao's face changed drastically, this wild boar's strength was very arrogant, even he felt extremely difficult.

It seems that you can only use infuriating!

Chang Lao stepped down with a horse stance, and then was lucky to Dantian, only to see a faint qi that appeared in Chang Lao's hands.

The huge wild boar ran toward Chang Lao again.

This time, Chang Lao looked confident.

I saw him hit the wild boar's head with a palm!

If the average person does this, he is undoubtedly looking for death!

But Chang Lao is not the same, he used his true energy!

And the wild boar was not afraid at all, and bumped into Chang Lao!

boom!

A violent sound sounded, and everyone felt the surrounding space shook.

Chang Lao's figure remained motionless, but the violent wild boar had fallen in front of Chang Lao.

I saw blood dripping from the corner of the wild boar's mouth, and his eyes were unwilling, but he could no longer move.

Chang Lao subdued this wild boar!

After the scene was quiet for a few seconds, a burst of cheering sounded.

This group of dudes finally breathed a sigh of relief.

"Old Chang is amazing! As expected of Chang's number one master!"

“Such a wild boar can be killed, admire it!”

“Chang Lao, you are too good, I want to worship you as a teacher, accept me as a disciple!”

...

A burst of flattery sounded.

Wang Qinglong, who was chased by the wild boar just now, also breathed a sigh of relief.

He walked back and kicked the wild boar’s ass.

“Fuck, I don’t care about you, you still chase me addicted, right?”

“If Lao Chang hadn’t taken the shot first, I would have killed you already!”

Wang Qinglong said angrily.

Others have seen through, but won’t say it. Who dares to refute Wang Qinglong’s face?

Chang Lao took a deep breath, his pale face finally improved a bit.

True Qi is also very precious to him.

“It’s strange, why is there such a huge wild boar in this forest?”

Chang Lao looked confused.

And the guide Ruda couldn’t tell why, he encountered this situation for the first time.

Others also stare at them with big eyes and small eyes.

At this time, Lin Kai stood up and smiled: “It’s very simple.”

“Because a rare beast appeared in the neighborhood.”

“This kind of spiritual thing contains huge energy, and the nearby biological plants are infected by the power emanating from this kind of spiritual thing, so it mutates.

“This wild boar is the best proof!”

Chapter 568: Phantom

Chapter 568

Wang Qinglong laughed at what Lin Kai said.

“Puff hahaha!”

“Are you kidding me?”

“Have you read too many fantasy novels and your mind is pretty funny?”

“What else? I think you look like a magic thing!”

Wang Qinglong burst into laughter.

Indeed, Lin Kai’s words were too imaginary, and everyone else laughed.

And Chang Lao also looked at Lin Kai with doubts.

Lin Kai’s words, although they make sense, they sounded too ridiculous.

Chang Shasha widened her eyes and asked curiously: “Why do you say that?”

Lin Kai smiled slightly and said, “I came to this forest to find this spiritual creature!”

“I still said that. The front is very dangerous. I suggest you go back now.”

“Otherwise, what happens, I can’t protect you.”

As soon as Lin Kai’s words came out, the audience was quiet for a few seconds.

Then there was a burst of laughter.

This time, everyone laughed.

Even Chang Lao didn’t hold back and laughed.

“Hahahahaha! Really laughs at me!”

“You still want to protect us? Just you with thin arms and legs, I can hit ten in one punch!”

“I found that you are not only bragging, but your ability to pretend to be top-notch!”

“Hahaha! Wisdom!”

Wang Qinglong clutched his stomach and laughed, tears falling.

Chang Shasha frowned even more.

At first, she thought that Lin Kai was a good person, but Lin Kai always said some pretending things, which made her dislike it.

Now, Lin Kai said so much.

This made Lin Kai's only good impression in her heart, and it disappeared.

She held her arms and said coldly: "We don't need your protection!"

"You need our protection!"

After Chang Lao smiled, his expression also became grim.

He doesn't appreciate Lin Kai at all now, on the contrary, he somewhat hates Lin Kai.

Not only did Lin Kai have no abilities, he was protected by them in the team, and he also said some big things that looked down on people.

Chang Lao already hates Lin Kai.

"If you look down on our team, you can leave now by turning around."

"We don't welcome you!"

Chang Lao said coldly.

"Yes! We don't welcome you!"

"Get out!"

"disappear as far as you can!"

At that time, a scream sounded.

Wang Qinglong was even more proud of his arms. Chang Lao doesn't protect you anymore.

Just wait to die!

Even if I don't kill you, you are kicked out of the team, even if you don't get lost, you will be killed by the beasts in the forest!

Boy, let you pretend to be forced, are you getting retribution now?

Lin Kai smiled in the face of the insults from the crowd, and he carried his backpack.

“Yes, anyway, I’m already familiar with the road, and I don’t need a guide anymore, so please do it yourself!”

After all, Lin Kai left the team directly carrying a backpack.

When Ruda saw it, he was impatient.

This is the person Du Jinhu introduced!

If he had something in the woods, he was with Du Jinhu, it would not be easy to explain!

“Hey! Don’t go! You...”

Lu Da just wanted to chase him, but Wang Qinglong grabbed him back.

Wang Qinglong looked impatiently: “If he wants to leave, let him go! Isn’t this person very capable? I see if he leaves alone, can he come out alive!”

The others also sneered.

“Go!” Chang Lao gave an order, and the team of dozens of people set off again.

Lin Kai left the team alone, and his speed was much faster.

He doesn’t have to wait for those dozens of people anymore, he can walk as fast as he wants.

Lin Kai is not just walking around.

He has figured out the routine.

The nearby plants and animals are changing more and more.

This shows that Lin Kai is constantly approaching the spiritual creature, and only near the spiritual creature can great changes occur.

So, wherever there are big changes, go wherever you go. That’s for sure.

And the tiger might be near the spiritual creature.

Because spiritual creatures are more attractive to animals, the vicinity of spiritual creatures is also suitable for animals to survive.

Therefore, to find the spiritual creature, it is not far from finding the tiger.

Along the way, Lin Kai opened the golden pupil and the warning cat's eye, swiftly, and went straight to the depths of the forest.

After rushing for half an hour, Lin Kai found that the surrounding trees had been exaggerated to a certain extent!

All are hundred-year-old trees! The sky covers the sun and the weeds grow taller than people!

It's so strong!

Lin developed an exclaimed.

He found that in the air, a puff of real energy began to fill!

Because Lin Kai has true qi in his body, he is very sensitive to true qi.

It seems that the spiritual creature is nearby!

Suddenly, Lin Kai's eyes lit up because he saw a bright light not far in front.

Lin Kai went quickly.

After arriving, Lin Kai came to a clearing.

The open space is at least hundreds of meters wide.

And in the center of the open space, there is a tree that is not too big.

I have never seen this wood before, and I don't know its name.

Similar to peach trees and apple trees, with curved trunks and lush foliage.

And this tree actually shines.

Little stars flickered on the tree.

And on this big tree, there are three fruits growing.

Lin Kai had never seen those three fruits before, the three gleaming, the surface was crystal clear, and a fragrance came out.

If you think about it with your feet, you can know that these three fruits are definitely extraordinary.

Good stuff!

At this time, Lin Kai didn't care about the bullshit, so he picked these three fruits first!

Lin Kai took a step and entered the clearing.

But just after Lin Kai took that step, there was a roar of tigers!

“Ah!”

This voice resounded throughout the world! The surrounding leaves were shaken with a bang!

Boom!

I saw a huge tiger, jumping out of the grass beside it.

It guarded the fruit trees and stared at Lin Kai.

Lin Kai is full of spirits, good fellow, so big that he can give birth to a huge tiger!

This tiger is comparable to an off-road vehicle!

The body size is twice that of an average adult Siberian tiger!

The huge paw exactly matched the footprint Lin Kai saw on the road.

Its eyes are very fierce, and all of its body is full of muscles, and its four sharp fangs are exposed.

It looked at Lin Kai vigilantly, with a bad look.

“What a spiritual animal.” At this time, Lin Kai's ears suddenly sounded a systemic voice.

“Don't get close to it, go one step further and it will attack you!”

“This tiger is not only born spiritually, but it has also been injected with human drugs. It has absorbed true energy for a long time. You are not its opponent.”

Hearing this, Lin Kai did not dare to step forward.

“I will prepare your medicine for you.”

“Meditate on the spot and absorb the pill before you can fight. Otherwise, if you step forward now, you are looking for death!”

After listening to the system, Lin Kai obediently sat down cross-legged, opened his hand, and a golden pill appeared in Lin Kai's hand.

Infuriating Dan!

Chapter 569: Tiger Territory

Chapter 569: Tiger Territory

This Zhenqi Pill was made by Lin Kai's ginseng exchanged with points in Jiulong Mountain.

According to the system, if you take this zhenqi pill, you can add two hundred zhenqi points.

The fierce tiger in front of him is not an easy role to provoke at first glance. He must improve his strength as soon as possible.

Swallowing the zhenqi pill in one mouthful, the zhenqi pill melted in the mouth, turned into a warm current, and flowed into Lin Kai's body.

Afterwards, Lin Kai felt this warm current wandering in his internal organs.

A strong qi burst out of Lin Kai's body.

But Lin Kai meditated on the spot, desperately absorbing the true energy erupting from the pill.

Lin Kai's true aura was also rising rapidly.

This meditation is one hour.

An hour later, Lin Kai was already sweating profusely, and his clothes were soaked in sweat.

His true aura has risen to a certain level.

In another ten minutes, he can completely absorb all the effects of the pill!

The tiger is territorially aware.

Lin Kai was sitting outside the open space, it ignored Lin Kai at all.

When Linkai steps into its territory, it will surely tear Linkai to pieces!

After a long time, the Tiger saw that Lin Kai didn't seem to have the intention of stepping into the territory, so he turned around, slowly got into the grass, and hid it.

Shortly after the tiger left, a rush of grass shaking sounded.

Behind Lin Kai, a group of people suddenly appeared.

The leader is naturally Lin Kai's old acquaintance, and he is always old.

"Huh? Why are you here?" Chang Lao asked curiously.

I saw Chang Lao behind, one person after another, and after a while, more than twenty people all appeared in front of Lin Kai.

Lin Kai was sweating, meditating on the spot, and had no time to distract and talk to the elders.

"Hey, why are you sitting here? With all the sweat, is it possible that you got lost in this jungle and don't know where you are going?"

Wang Qinglong hugged his arms and laughed.

He squatted in front of Lin Kai with a defiant look on his face: "You beg me now, kneel in front of me, call me grandpa, maybe I can take you away."

After all, Wang Qinglong smiled triumphantly.

Wasn't your kid very good at pretending just now?

Why are you sitting here silently now?

Wang Qinglong felt funny in his heart.

After Chang Shasha saw Lin Kai, she felt even more disappointed.

She also thought that Lin Kai was such a sturdy person. After leaving the team, Lin meeting resolutely looked for what he wanted.

But unexpectedly, Lin Kai was so disappointed that he found a place to sneak up.

And now Lin Kai's face is flushed, he must have been blushed by himself, right?

"Okay, don't talk nonsense with him." Chang Shasha rolled her eyes and said.

"Look, what is that?" Suddenly, a person pointed to the fruit tree in the middle of the clearing.

Everyone looked at the shining fruit tree, and the three fruits on the tree tempted everyone present.

After Chang Lao and Chang Sha Sha saw the fruit, both of them lit up at the same time.

“found it!”

“that’s it!”

“It is a panacea! It can save the Patriarch!”

Chang Lao said very excitedly, his fingers trembling.

At this time, one of the followers of the Chang family was bright, this was a great opportunity to grab merit!

If I take advantage of others not paying attention, I pick the fruit first, Chang Lao will definitely appreciate myself!

At that time, the follower of Chang’s family ran straight to the fruit tree without saying a word!

As soon as Chang’s entourage appeared, the others couldn’t sit still, and seven or eight people swarmed up and stepped into the open space to fight for the three fruits.

“come back!”

At this time, Lin Kai who was meditating let out a roar, but no one listened to Lin Kai.

The seven or eight people ran directly to the fruit tree and left.

“Huh! Do you still want to swallow these three fruits? Dreaming! These three fruits belong to us!” Wang Qinglong sneered and glanced at Lin Kai.

The moment the seven or eight people stepped into the open space, a huge shadow appeared behind the fruit tree.

That is the mutant tiger!

The mutant tiger lowered his head, eyes the size of Niu Ling, staring at the seven or eight people who stepped into its territory.

“Roar”

The tiger made a low voice.

It stepped on a catwalk and slowly walked out from behind the fruit tree step by step.

The eyes were cold, and the black king on his brows showed its noble status as the king of the jungle.

After the seven or eight people ran a dozen steps, they found the tiger.

At that time, seven or eight people all slammed the brakes and wanted to run back.

But it's too late!

The tiger uttered a roar, and the whole tiger jumped directly into the air several meters high, attacking the seven or eight people!

boom!

When the tiger hit the ground, it directly used its huge claws to slap a person to death!

The person who was shot to death had his eyes wide open and he couldn't squint.

His body is almost broken!

The speed and power of the Tigers are simply not something ordinary people can withstand.

I saw the tiger jump and came behind another person, biting the person in his mouth, and with a click, the person was already broken in two.

Seven or eight people, in front of the tiger, were tortured and killed as if they were cutting melons and vegetables. Soon after, only one corpse remained.

And they are not complete bodies. Some were slapped into mud by the palm of the tiger, some were directly bitten off by the tiger, and some were directly swallowed by the tiger.

A mess, a **** place.

After seeing such a **** scene, the twenty people outside the open space couldn't help but spit it out, vomiting loudly beside the grass.

Even though he was an old man who had seen the world, he felt that his stomach was overwhelmed.

Had it not been for his identity, he would have vomited!

Wang Qinglong was so scared that his face turned pale.

He did not expect that there would be such a ferocious tiger in this place!

“Fuck! There is such a big tiger here, why didn’t you say it earlier?” Wang Qinglong pointed at Lin Kai’s nose and cursed.

But Lin Kai was still meditating and had no time to take care of Wang Qinglong.

“Old Chang, you want to avenge our people!” Wang Qinglong looked at Old Chang and said.

Chang Lao frowned.

The strength of this tiger seems to be much stronger than that of a wild boar, and he is not sure that he can win this tiger.

However, he must go!

For those three fruits!

For the dead Chang family!

In order not to lose face in front of the younger generation, he must go!

“The bodyguards protect the eldest lady, I will go back!”

After Chang Lao said, he flicked his jacket, and walked towards the tiger quite coolly.

I saw Chang Lao walking in with his hands held up, his chest raised up, and a breeze blowing through, even a strand of Chang Lao’s hair was blown up.

The elders at this time have the style of a great master.

Chapter 570: I Don’t Want Face?

Chapter 570 I Don’t Want To Save Face

Everyones hopes are pinned on the old man.

After all, Chang Lao is the strongest among all the people present.

He is the patron saint of the Chang family!

He knows martial arts!

Chang Lao stepped directly into the territory of the tiger without any hesitation.

Chang Lao looked at the tiger with contempt. The tiger was indeed very cruel.

But Chang Lao has confidence in his own strength.

He is a warrior with true energy!

What counts as a mere tiger?

The Tiger also looked back at Chang Lao. After seeing Chang Lao stepping into his territory, the Tiger's eyes showed a cruel look.

I saw the tiger let out a low roar, which seemed to warn Chang Lao.

But Chang Lao ignored him and strode towards the Tiger.

"Beast, take your life!"

Chang Lao yelled, pulled out a dagger from his sleeve, and jumped straight up!

The sharp dagger takes the tiger's head straight!

The Tiger raised his head and looked at Chang Lao, with a trace of contempt in his eyes.

He only heard the tiger roar, and at the same time he jumped up and slapped Chang Lao with a palm!

The tiger's claws are very huge, and the tiger's limbs are very powerful. This claw has enough power to break the rocks!

"Go to hell!" Chang Lao roared.

I saw Chang Lao's wrist surge in true energy, and a wave of true energy followed his arm and got into the dagger.

And that dagger also emitted a silver light.

The dagger blessed by Zhen Qi is invincible!

With a stab, I saw that the dagger in Chang Lao's hand had already pierced the tiger's body severely!

But the strange thing was that after the dagger had pierced three inches, it could no longer go deep.

But the tiger's claws didn't stop, and he slapped Chang Lao!

Chang boss was shocked. He thought that his sword would directly lose the fighting power of the Tiger.

But he didn't expect that the Tiger just suffered a little skin trauma.

The tiger's huge claws patted Chang Lao's chest directly.

At that time, Chang Lao's face changed, and a strong force came.

He seemed to be hit hard by the train, and his body flew upside down.

boom!

With a muffled sound, Chang Lao's body slammed into the ground, raising a large amount of dust.

I saw Chang Lao's chest, a piece of it had collapsed visible to the naked eye, and the Tiger defeated Chang Lao with just one palm!

And Chang Lao sprayed out a mouthful of blood, his face pale.

"This... how is this possible?"

He is a warrior!

He is a warrior with true energy!

And that beast can beat himself with just one palm!

An expression of shock appeared on Chang Lao's face.

The dagger blessed by Zhen Qi can't cause substantial damage to the tiger, but can cause it to suffer a little skin trauma.

The Tiger looked at Chang Lao very contemptuously.

Stepping on the catwalk, it came to Chang Lao step by step, and glanced at Chang Lao condescendingly.

Tigers have the habit of playing with their prey, and the tiger is no exception.

It kicked Chang Lao with its huge claws, and licked Chang Lao's blood-stained face with its sticky tongue.

And Chang Lao looked terrified.

He has lost his combat effectiveness.

At this time, Chang Lao realized the terrible tigers.

“Chang Lao!” At this time, I saw Chang Sasha exclaimed.

She was terrified in her heart.

She couldn't help sobbing.

Chang has been treating her well all these years, just like grandpa.

But now, Chang Lao is in deep danger, and she can do nothing.

At this time, Chang Shasha regretted it.

She shouldn't have brought so many people here!

It's all right now, the elixir to treat my father has not been found, and so many people have entered the Chang family!

At this time, Chang Shasha finally realized that Lin Kai did not brag, nor did he pretend to be.

All he said is true!

That footprint is really a tiger's footprint!

And Lin Kai repeatedly persuaded them to turn around, because there is real danger ahead!

Lin Kai's kindness was made fun of by them as a joke.

In Chang Shasha's heart, there was a look of guilt.

She glanced at Lin Kai on the side, tears already streaming down.

“Miss, hurry...Run!” Chang Lao shouted with his last strength.

He knew that he was finished.

He only hoped that Chang Sasha would not be stupid and step into the territory of the tiger.

The dudes behind Chang Shasha were all trembling with fright.

Wang Qinglong was trembling all the time. He was a person who was afraid of death. Now that Chang Lao is not an opponent of the Tigers, he has only one thought in his heart, that is to run!

Little life matters!

“Sasha, shall we run?” Wang Qinglong asked.

“I won’t run! I want to save Chang Lao!” Chang Shasha shook her head, wiped away her tears, and said firmly.

“Are you stupid? What would you do to save Chang Lao?” Wang Qinglong scolded anxiously.

“I have a gun!” Chang Shasha took a pistol from the bodyguard.

“I’m going to save Chang Lao!”

After all, Chang Shasha resolutely stepped into the territory of the tiger, Wang Qinglong couldn’t stop it.

“Isn’t there a brain disease?” Wang Qinglong hammered the ground.

If Chang Shasha died here, how would he explain it when he went back?

Chang Sasha also stepped into the territory of the tiger, and the tiger just glanced at Chang Sasha.

Chang Sasha looked too weak to attract the attention of the Tigers.

“Beast! Don’t move him!”

Chang Shasha raised her pistol and shouted.

Even though Chang Shasha was already trembling with fright, she couldn’t even hold her pistol.

But for the sake of being old, she still gave it up!

The Tiger looked at Chang Sasha, and walked over step by step with catwalks.

Chang Shasha let out a scream and pulled the trigger directly.

boom!

A bullet hit it.

The bullet only bounced a series of sparks on the tiger's body, not even a single hair of the tiger was hit.

It has completely ignored the damage of the pistol.

"You...you run!" Chang Lao was anxious at this time.

But he has nothing to do with Chang Sasha.

Chang Shasha was also dumbfounded, there was no way he could hold the tiger with his pistol.

The Tiger also came to Chang Sasha step by step.

Chang Sasha didn't even dare to move at this time.

The tiger's huge head was in front of Chang Shasha, and the tiger sniffed the smell of Chang Sasha's body, and there was a glimmer of saliva from the corner of his mouth.

It opened its mouth wide, and the stench almost fainted Chang Sasha.

It wants to eat Chang Sasa!

And Chang Shasha was so scared that her body was out of her control, and she was terrified in her heart.

At the moment when the Tiger was about to swallow Chang Shasha, a person suddenly stood in front of Chang Shasha.

I saw the man slapped the tiger directly on the head.

Snapped!

"Beast! Dare to eat people?"

This slap slapped the Tigers and Chang Shasha.

Wang Qinglong and other dudes also rubbed their eyes, and even suspected that they had made a mistake.

The Tiger blinked and looked at the young man in front of him.

He is a tiger! I don't want face?

Chapter 571: Lin Kai Dahu

Chapter 571

Lin Kai actually slapped the tiger!

And still hit the head!

This is simply an insult to the tiger!

The Tiger blinked, and his expression was humane.

It looked at Lin Kai, dumbfounded.

This young man is bold enough, right?

At this moment, even the sound of a needle falling on the ground can be heard quietly.

Chang Sasha, who was protected by Lin Kai, was stunned.

She never expected that it was not Chang's family or Wang Qinglong who stood up to protect her at a critical juncture.

It was Lin Kai who had been rejected by her just now!

It's Lin Kai who doesn't care about the previous complaints!

"You!" Chang Shasha choked for a while.

In addition to guilt, there was only anxiety in her heart.

Because Lin Kai is so reckless!

He just stepped into the territory of the tiger, he will be eaten!

After all, even Chang Lao is not the opponent of that tiger!

"You run! Are you stupid? It will eat you!" Chang Shasha pushed Lin Kai, but couldn't move at all.

Lin Kai looked back at Chang Shasha, smiled, and said, "I'll protect you."

This sentence filled Chang Sasha's heart with warmth.

She did not expect that someone would stand up to save her when it was so dangerous!

Even though he would be buried with her, she was still very moved.

After seeing this scene, Chang Lao lying on the ground in the distance hammered the ground with his fist very regretfully.

If he knew it, he should have listened to Lin Kai's words and shouldn't have set foot in this land of right and wrong!

It's great now, so many people have lost their lives!

When Wang Qinglong in the distance saw Lin Kai rushing out, he was taken aback for a while, and then laughed out loud.

"Hahahaha! This idiot still wants a hero to save the United States? Is he afraid that his brain is broken?"

"Even Chang Lao is not the opponent of that tiger, is this fool dare to provoke the tiger?"

"Really wise!"

The other Kuo Shao also laughed.

They don't care about Chang Sasha's life or death. The Chang Lao of Chang Family is dead, which just helps them to swallow the power of Chang Family.

The Patriarch and Patron Saint of the Chang family are dead. Who is afraid of the Chang family?

At this time, the tiger also reacted, and it was very angry.

Because Lin Kai made it very faceless!

"Roar!" The Tiger roared.

Snapped!

Just as the Tiger roared, Lin Kai slapped it up again.

The huge strength brought a touch of innocence, and the tiger's head was slapped with a slap!

Humph!

The tiger stepped back a few steps, and even a trace of blood shed from the corner of his mouth.

"What are you roaring? Beast!" Lin Kai taunted nonchalantly with a hand on his back.

Lin Kai now has 390 infurience.

With every slap, there is a strong qi, and the damage is doubled!

Coupled with Lin Kai's 500 points of strength, this fierce tiger can definitely be stunned.

This slap again made everyone dumbfounded.

Lin Kai actually slapped again?

"This..." Chang Lao was shocked.

The Tiger shook his head and looked at Lin Kai again. An expression of anger appeared in its eyes!

"Roar!" The tiger roared again, and this time, it directly pounced on Lin Kai!

The huge claw ran directly at Lin Kai's head and pressed it.

As long as it presses Lin Kai to the ground, it will definitely tear Lin Kai to pieces without hesitation!

Lin Kai laughed, and saw that he was lucky with his dantian, and Lin Kai extracted a real energy into his hands.

Unlike Chang Lao, Chang Lao can only let a faint qi cover his hands, which is invisible.

And Lin Kai's hands were obviously covered with a layer of cyan innocent energy.

Facing the leaping tiger, Lin Kai showed no trace of fear.

"Over the shoulder!"

I saw Lin Kai grabbed the tiger's paw, ignoring its tremendous strength, and then, Lin Kai turned around and slammed the tiger to the ground!

With a loud bang, the tiger was thrown to the ground by Lin Kai over the shoulder, and a deep hole appeared on the ground.

"I kick!"

Afterwards, Lin Kai held one of the tiger's paws, and kicked one foot towards the tiger's body.

boom! boom!

With every kick, a sonic boom can be played.

Lin Kai's leg, like a merciless iron whip, slapped the tiger fiercely!

"Tarzan is on top!"

Lin Kai let out another roar, and saw Lin Kai fly up in place, focusing on his elbow, and pressing hard against the tiger.

boom!

There was another muffled sound, Lin Kai's move to the top of Mount Tai, directly screamed the fierce tiger's pain!

"Hohoho!"

The tiger on the spot was like a beating dog, barking frantically, showing a look of fear.

Damn, this human being is so perverted!

I'm a tiger! Can't you save some face?

After a few tricks, the Tiger was already dying on the ground.

But Lin Kai stood up, patted the dirt on his body, and said with disdain: "Hehe, you beast, let you hurt someone, I will hammer you to death!"

At this time, the scene was silent again.

Chang Lao looked at Lin Kai, and was almost crying with excitement!

Because he discovered that the zhenqi in Lin Kai's body was a hundred times stronger than that in his body!

Lin Kai is a real warrior! No, it's a martial artist!

"It turned out... It turned out to be Master Martial Arts!" Chang Lao was so excited that he wanted to worship Lin Kai.

It is a pity that the injuries on his body do not support him in doing so.

As for Chang Shasha behind Lin Kai, her mouth closed in surprise.

In these few minutes, Chang Sasha has experienced the ups and downs of her life.

Excited first, then despair, now Lin Kai gave her hope again!

This young man who looks younger than himself is so strong!

Even this tiger can be defeated, you know, even your grandfather is not the opponent of this tiger!

And he didn't take much effort to subdue the tiger.

As strong as this!

This is the proud son of which big family?

As for Wang Qinglong, he was dumbfounded at this time.

He always thought that Lin Kai was a nice soft persimmon.

But now he understands that he was wrong, so wrong!

Lin Kai is not only a soft persimmon, he is also a big iron ball! The kind that nobody can pinch!

The fierce tiger with explosive combat effectiveness was simply vulnerable in front of Lin Kai.

And Wang Qinglong's heart was very scared. He insulted Lin Kai just now!

He wanted to kill himself, it was so easy!

Thinking of this, Wang Qinglong felt regretful and wanted to die.

Why do you have to die this way?

The most shocking thing in my heart was actually the tiger who was beaten down by Lin Kai.

This fierce tiger has undergone a mutation in its small body, and it is also outstanding in front of other tigers.

Later, he was taken to Jiulong Mountain to do experiments, and his strength greatly increased!

After staying next to this spirit creature for so long, absorbing the power of the spirit creature, it became even more powerful.

But against the human being in front of him, it was beaten without any power to fight back.

This tiger has a very high IQ, no less than an eight-year-old boy. At this time, it was lying on the ground, feeling embarrassed in its heart...

Chapter 572: Rhubarb

Chapter 572

These 10,000 points are really hard to earn.

Lin Kai looked at the tiger under his feet with a lot of emotions. This tiger is very powerful in combat, and most people really can't subdue it.

Now, what should this tiger do?

This became a problem.

Kill it directly?

At that time, Lin Kai took out the Meteor Finger Tiger, ready to punch the tiger.

The Tiger also felt the murderous aura on Lin Kai's body, and made a whining sound at that time.

I saw a look of prayer unexpectedly appeared in Niu Ling's big eyes.

It is very humane.

This tiger is very spiritual!

It already knew that Lin Kai was good, and knew that he was not Lin Kai's opponent.

So it bowed its head and became soft.

"My task is to kill you, what can I do?" Lin Kai was also worried for a while.

The system's voice rang in Lin Kai's ear: "If you want, I can change this beast into a shape, and it can understand what you say."

Hearing this, Lin Kai's eyes lit up.

He took out his cell phone, turned on the camera, and said to the Tiger: "Now, I want to take a few pictures of your dead."

The Tiger is very human, it seems to understand what Lin Kai is talking about.

Ever since, the tiger fell to the ground, motionless, as if dead.

Lin Kai took a few photos and submitted the task.

After that, Lin Kai ignored the beast. With Lin Kai there, it would definitely not dare to hurt people or run away.

At this moment, Lin Kai looked at the tree.

The three fruits on that tree are very attractive to Lin Kai.

Lin Kai slowly approached the big tree. After reaching the bottom of the tree, Lin Kai only felt a strong qi radiating from these three fruits.

good stuff!

“Hunyuanguo, this is something that is old, it’s really rare on earth.”

“Taking a Hunyuan fruit can increase your true energy by at least 200 points!”

Hearing this, Lin Kai’s eyes lit up.

Two hundred points of true spirit can make Lin Kai even stronger!

“Can I pick the Hunyuan fruit now?” Lin Kai asked.

The system replied: “Of course.”

Hearing that, Lin Kai jumped onto this tree and picked off three mixed yuan fruits.

Holding Hunyuanguo in your hand, you can feel the subtlety of this spiritual thing even more.

The crystal clear fruit exudes a little bit of light, full of innocence, and aroma, and it gives people a sense of nobility that can not be profaned.

This is Hunyuan Fruit, priceless!

“Hunyuan fruit, each person can only take one, and taking the second one is invalid.”

“what?”

Upon hearing this, Lin Kai was rather disappointed.

He thought that these three Hunyuan Fruits could increase his true aura by at least 600 points.

It turns out that everyone can only take one.

But Lin Kai was already content.

After Lin Kai plucked Hun Yuan Guo, countless gazes from behind looked at Lin Kai, his eyes filled with greedy eyes.

Chang Shasha and Chang Lao looked at Hunyuanguo in their eyes with great desire. Their purpose of stepping into the forest this time is this Hunyuanguo.

And Wang Qinglong also looked at the Hun Yuan Guo in Lin Kai's hand greedily.

This Hunyuan Fruit is invaluable. Before Wang Qinglong entered the forest, he had heard of it.

He knew that this thing was a Pokmon that could turn normal people into warriors.

Each one is worth a lot!

With three mixed fruits, it is very possible to create three warriors.

For the Wang Family, this can be said to be even more powerful, and it can help them dominate the Fourth Ring of Beijing in one fell swoop and become the overlord of the Fourth Ring!

But now, Lin Kai owns three Hunyuan Fruits, once the news is sent out, Lin Kai will definitely become the target of public criticism.

After taking down the three Hunyuan Fruits, Lin Kai felt extremely comfortable.

At this time, Chang Shasha gritted her teeth and came to Lin Kai.

She looked at the Hunyuanguo in Lin Kai's hand, and said: "Lin Kai, can you give me a piece of the spiritual thing..."

Give you one?

Lin Kai raised his eyebrows and looked at Chang Sasha.

Chang Shasha quickly added: "I don't want your spiritual creature for nothing."

"I know that you discovered the spiritual creature first, and you defeated the Tiger, but our Chang family really needs this spiritual creature."

"Our Chang family is willing to pay a high price."

"We give out one billion!"

A billion?

Lin chuckled. This Hunyuan fruit is worth a hundred million dollars, even a layer of its skin can't be bought.

"Wait a minute!"

At this time, Wang Qinglong stretched out his hand and stopped Chang Sasha.

He strode forward with a crowd of dudes.

"Lin Kai, we want these three spiritual relics in our Wang family! I will pay one billion for each one!"

The crowd was in a tumult.

Three mixed fruits, that is three billion, his Wang family is so big!

The smile on Wang Qinglong's face was also a complacent smile.

His Wang family is rich and powerful, stronger than the Chang family, and the current Chang family is not as good as before.

The owner of the Chang family is seriously ill, and most of the Chang family's business has been lost.

"Wang Qinglong, you!" Chang Sasha was angrily.

This is her father's life-saving medicine!

"What am I? Let's play fair!" Wang Qinglong smiled rather utterly.

At this time, the old man also stood up trembling from the ground, his body was already extremely weak, he came to Lin Kai step by step.

With a plop, Chang Lao directly knelt down.

He was always in tears: "Master Martial artist, forgive me for being old and clumsy. I didn't recognize Master Martial artist."

"This spiritual creature, the old man asked Martial Master to reward me with one."

"The Chang family will never forget the great kindness of Master Martial Artist!"

Suddenly, the three spiritual objects in Lin Kai's hand became the treasures everyone wanted.

Lin Kai put the three spiritual relics into his backpack, which didn't mean anything to anyone.

"First, this Hunyuan fruit is a spiritual thing from heaven and earth. It has the effect of washing the bones and bones. After taking it, the cultivation base is greatly increased and it is a treasure.

"But, it is not a life-saving medicine, so I can't give it to you."

After that, Lin Kai looked at Wang Qinglong again and smiled playfully.

"Do you want spiritual things too?"

When Wang Qinglong heard the words, the little chicken nodded as if pecking at the rice: "Yes, yes, I offer a price of one billion pieces, and the price is easy to negotiate."

Lin Kai smiled upon hearing this.

I saw him take out a spiritual object from his backpack.

When Wang Qinglong saw this spiritual creature, his eyes were straight.

He couldn't help but stretched out his hands, and wanted to pick up the spiritual object.

"Much...thank you for your reward!"

Seeing that Wang Qinglong was about to catch the spiritual object, but at this time, Lin Kai threw the spiritual object directly to the ground.

Then, Lin Kai called the tiger over like a dog.

"Rhubarb rhubarb, come, give you wild fruits."

And the fierce tiger just now, like a pug, came to Lin Kai's feet like a pug.

The tiger swallowed the spirit thing in one bite, and swallowed it directly.

Chapter 573: Master Martial Artist

Chapter 573

The tiger's expression was somewhat resentful.

These three mixed fruits are treasures, and the tiger naturally knows.

Otherwise it won't stay by the fruit tree forever.

It just wants to guard these three Hunyuan Fruits and guard its own territory.

Because the Hunyuan Fruit is swallowed all at once, it is better to practice by its side and absorb the true energy it emits.

But I didn't expect that Hun Yuan was actually taken away by a human in the end!

It also reluctantly swallowed one.

Lin Kai fed a beast to a priceless spiritual creature!

At that time, everyone's eyes widened.

Wang Qinglong's eyes were almost falling to the ground.

This is Hun Yuan Guo! Can turn ordinary people into martial artist's mixed fruit!

Did Lin Kai feed a beast like this?

"You!" Wang Qinglong was angry.

Lin Kai put his hands in the pockets: "I just feed a beast, but I won't give it to you, get out!"

With one word, Wang Qinglong's dignity was trampled on the ground.

He Wang Qinglong is the elder of the Wang family, how many people admire him, and when has he been so insulted?

At that time, Wang Qinglong nodded again and again: "Good good! Good, you Lin Kai, you wait for me!"

In anger, Wang Qinglong turned and left.

But Lin Kai narrowed his eyes, and a cold light flashed, dare to threaten Lin Kai?

"Stop!" Lin Kai shouted.

Wang Qinglong stopped and looked back at Lin Kai: "What?"

Although Lin Kai developed his great strength, Wang Qinglong was not afraid of Lin Kai.

Because behind him is the Wang family!

Lin Kai was just a running dog of Du Jinhu, he didn't believe Lin Kai dared to move him.

“You let me wait?” Lin Kai narrowed his eyes, murderous.

That look, like a demon from hell, came to find someone to kill!

Wang Qinglong trembled even more.

Can't help but back up two steps.

“What do you want to do?” Wang Qinglong's voice trembled.

“Don't do anything, educate you for your parents!” Lin Kai smiled cruelly.

After that, Lin Kai waved his hand and said, “Rhubarb, I'll leave it to you!”

The tiger also understood what Lin Kai meant. At that time, the tiger approached Wang Qinglong with steps and let out a low buzzing roar.

When Wang Qinglong saw this, his calf was trembling.

“Don't mess around!”

“I'm the prince's son!”

“I'm dead, the Wang family won't let you go!”

Faced with Wang Qinglong's threat, Lin Kai stood with his hands shouldered and smiled slightly, without taking his words to heart.

“Roar!”

The tiger uttered an angry roar and pounced directly on Wang Qinglong!

And the little brothers and bodyguards around Wang Qinglong were running around at this time, no one cared about Wang Qinglong's life!

In Wang Qinglong's eyes, the tiger's figure kept zooming in.

He couldn't escape, and the tiger bit his arm in his mouth.

Then, with a burst of heart-piercing roar, Wang Qinglong's arm was directly bitten by the tiger!

At that time, Wang Qinglong's **** arm was thrown on the ground by the tiger at will.

The tiger slapped Wang Qinglong **** the ground with one claw, and a mouthful of blood spurted out.

At this time, Wang Qinglong finally knew he regretted.

He is scared!

This tiger is now completely controlled by Lin Kai!

Even without this fierce tiger, he could easily kill himself, this man would not take the Wang family behind him in his eyes at all!

“I was wrong! Lord Lin! I was wrong!”

Wang Qinglong begged for mercy.

The tiger did not stop its movements, but saw it bite Wang Qinglong’s other arm again.

At that time, Wang Qinglong’s cries resounded throughout the forest!

He was sweating profusely, his face was pale, and his body was wriggling on the ground, looking terrifying.

Lin Kai waved his hand: “Rhubarb, come back.”

Hearing this, the Tiger obediently returned behind Lin Kai.

Kill Wang Qinglong? Lin Kai is not so boring yet, Lin Kai wants him to die!

With a look of fear on Wang Qinglong’s face, he did not dare to provoke Lin Kai again.

After Chang Shasha and Chang Lao saw Lin Kai’s methods, their faces paled with fright.

Provoked Lin Kai, the end is like this!

“roll!”

Lin Kai didn’t even look at him. If Wang Qinglong was released, everyone in the Wang family lifted Wang Qinglong and ran away.

In a short while, Wang Qinglong and others disappeared from Lin Kai’s vision.

After Wang Qinglong left, Lin Kai looked at the Chang family.

“Do you have any questions? I’m leaving.”

Chang Shasha bit her lip, she still wanted spiritual things.

“That one”

“Spirit...”

Chang Sasha hesitated.

Lin Kai said again: “As I said, the spiritual things can’t cure the disease.”

Hearing this, Chang Shasha lowered her head in loss.

Lin Kai owns the spirit item, Lin Kai doesn’t give it, she can’t grab it, and she has no strength to grab it.

In fact, she didn’t really believe what Lin Kai said, thinking that Lin Kai just didn’t want to give her the spiritual object.

At this time, the very weak Chang Lao said, “Master Martial Arts Master said that I have already felt that this spiritual creature does not cure the disease.”

“Master Martial Artist, you don’t have to deceive us either.”

Chang Lao sighed.

“Master Martial Artist? What do you mean?” Lin Kai asked.

The old man called Lin Kai with a dazed expression.

“Don’t you know?” Chang Lao looked at Lin Kai in surprise.

Lin Kai shook his head: “I don’t know.”

Chang Lao’s eyes almost stared out.

“You are a master at the martial arts level!”

“In this world, there is a kind of warrior called ancient warrior.”

“There are very few people in the world who can cultivate ancient martial arts.”

“Anyone who can possess true qi is called a martial artist.”

“A person whose true energy can be released is called a martial artist.”

“A person who can guard against objects is called Wu Sheng.”

“But a person with true energy is called a master!”

“You are so angry that you can let it go, you are a martial master!”

After listening to him, Lin Kai’s world seemed to open a new door.

In this world, there are actually ancient warriors?

There are four more levels?

Is he a martial artist?

“System, how do you say?” Lin Kai asked in his heart.

“You are not a martial artist, you are just a martial artist. Five hundred points is a martial master, one thousand points is a martial master, and two thousand points is a master.”

“It’s just that your true energy is purer, so it’s stronger. He mistakenly regarded it as a martial artist.”

The system replied.

The system also knew what the ancient warrior said, but it never told itself!

At that time, Lin Kai greeted the 18th generation of the ancestor of the system in his heart.

“Oh, this way.” Lin Kai nodded.

At this time, Chang Lao took the opportunity to say: “Master Martial Arts, you are young and have a high level of cultivation. The disease of my Chang Patriarch, I think you must have a way to heal.”

The old tentative way.

Lin Kai nodded and said, “I can indeed cure it.”

Hearing this, Chang Boss was overjoyed.

But before he was happy, Lin Kai added: “But why should I treat your Chang family?”

Chapter 574: Both Breakthroughs

Chapter 574

Lin Kai’s words, like a blow to the head, chilled everyone in the Chang family.

Yes, they are masters at the martial arts level, so why do they treat the Chang family?

He does not owe Chang's family!

Hearing this, Chang Lao thought for a while, and replied: "Master Martial Arts, as long as you can save my Chang Family Patriarch, my Chang Family will definitely give you a satisfactory reward!"

Lin Kai just wanted to refuse, just at this moment, the voice of the system rang in Lin Kai's ear.

"The mission is released to cure the Chang family Patriarch, reward one hundred attribute points, one hundred upgrade points, and one extraction ability!"

New mission!

Lin Kai's eyes lit up.

It's been a long time since the system issued tasks to myself.

In this case, it is not impossible to agree.

At that time, Lin Kai nodded faintly: "I will visit your Changjia."

After Lin Kai said it, everyone in the Chang family was overjoyed.

Chang Lao was even more excited with tears, and almost knelt to Lin Kai.

Patriarch of the Chang family, finally saved!

Chang Shasha also cried with joy, and she looked at Lin Kai with gratitude.

"Lin Kai, thank you!"

Chang Shasha said sincerely.

"No thanks," Lin Kai replied.

If it hadn't been for the system to issue a task to himself, Lin Kai would never agree to help.

After all, for Lin Kai, more is worse than less.

Soon after, everyone in the Chang family left the scene.

Lin Kai was the only one left in the entire Tiger Territory.

Lin Kai hasn't left yet, because Lin Kai still has a very important thing to deal with.

This is the beast behind him.

Lin Kai liked this beast a little, he couldn't bear to kill it.

This beast is very spiritual, he understands what Lin Kai said, and his combat effectiveness is also very strong.

But its appearance is too scary. If you walk on the street with such a tiger, I believe that it will not take a day before the tiger will be taken away by the government.

Lin Kai asked in his heart: "System, didn't you say that you can change the appearance of this tiger?"

"Yes." The system replied.

"Then you can change it now so that I can take it back to the capital."

"Ok."

The system directly agreed with the atmosphere.

And Lin Kai also praised the system in his heart.

It seems that this system is still very good at doing things. It does whatever it wants to do. It seems that it knows who is the master.

Lin Kaixin was a little bit happy.

At this moment, the body of the tiger flashed, and the appearance of the tiger changed.

The tiger, which was originally like a small tank, is shrinking in size, getting smaller and smaller.

Finally, it freezes to the size of an adult dog.

And the color of the hair has also changed, from yellow-black to ocher, and the king character on his forehead disappeared.

The sharp claws and teeth are gone, and the ears are lengthened.

Take a closer look, hehe, isn't this just a Chinese pastoral dog?

Big dog!

Except that the body is larger than the average dog, it is no different from the dog!

At that time, Lin Kai even had the heart to kill the system.

No wonder it's so refreshing!

He turned his majestic tiger into a big dog!

And it's so ugly!

Even if you **** turned me into a husky! What's the matter of becoming a dog?

Lin Kai was speechless for a while.

“System, is this the deformation you gave me?” Lin Kai's tone was very angry.

The systems answer is not indifferent: “Yes, if you want to change its appearance, you only need to spend a thousand upgrade points!”

Profiteers!

Big profiteer!

Lin Kai roared in his heart.

Make yourself so ugly, and then find yourself to upgrade.

I won't be fooled!

Just be ugly, it looks like this, it can be taken out anyway.

Lin Kai snorted.

At this time, the Tigers are also looking at their new appearance.

After seeing that he had actually become a dog, the eyes of the tiger was a grudge.

If I can't beat you, I have to twist your head off and kick the ball!

Just as Lin Kai was about to take the Tugou to leave here, Tugou suddenly uttered a cry of pain.

Afterwards, the dog fell to the ground and kept rolling.

Looking at the expression, it was extremely uncomfortable. The tail was caught between his legs and the hair on his back exploded.

“What's the situation?” Lin Kai looked puzzled.

The system replied: "After taking the spirit item, it broke through, and the martial artist was promoted to the martial arts master."

"I advise you to break through as soon as possible, otherwise you won't be able to beat it when it breaks through."

Upon hearing this, Lin Kai was full of spirits.

Lin Kai didn't think so much when giving it Hunyuanguo, now that when he thinks about it, Lin Kai sweats on his back.

If the **** makes it break through, it can really twist its head off and kick it!

At that time, Lin Kai hurriedly meditated, took out a Hunyuan Fruit from his backpack, and ate it directly in two or three mouthfuls.

After the spirit thing got down, a powerful qi burst out, which Lin Kai desperately absorbed.

At this time, Lin Kai couldn't care about his own discomfort, and kept absorbing the true energy in his body.

And Lin Kai's true aura was slowly rising.

About half an hour later, Lin Kai let out a long breath, and finally succeeded in breaking through.

Lin Kai is now a master of martial arts!

Before the breakthrough, Lin Kai had 390 points of true vigor.

And now, Lin Kai has 600 points of true aura!

Let's take a look at Lin Kai's attributes. Earthshaking changes have taken place!

Age: 19

With a true energy value of 600 points, it has become the highest attribute among Lin Kai's many attributes.

But now Lin Kai is extremely powerful.

In the world of ancient warriors, Lin Kai can definitely be regarded as a strong man!

Shortly after Lin Kai broke through, a long howling sounded.

This long roar resounded through the mountains and forests!

Lin Kai felt his ears were numb!

I saw that big dog stood up, majestic, and a burst of power to look down on the world.

His eyes were extremely cold.

The aura is extremely powerful.

The hair on the body has no wind automatically.

The look in his eyes is like a master who has lived for thousands of years.

Then, it looked at Lin Kai.

After feeling Lin Kai's powerful aura, Da Tugou was taken aback, and then he put out his tongue very humanely, as if he was smiling.

Chapter 575: Walking The Dog?

Chapter 575

Then, the big dog ran over with his tail wagging.

Lin Kai touched the head of the dog and said, "From now on, you will be called Rhubarb."

"You are not allowed to hurt people without my order, you know?"

"Bow!" The big dog barked.

Afterwards, Lin Kai took the rhubarb and walked directly out of the forest.

After a few hours, Lin Kai successfully returned to the Fifth Ring of Beijing.

When I came to Old Lis house, Old Li was not at home, but Lin Kai had the key to Old Lis house.

Opened the door and walked in with Rhubarb.

The old head of Lis son was about to be released, so he should have picked up his son.

It seems that I have to move out of Lao Litou's house, and it is not good for me to live in other people's home for a long time.

It's just that Lin Kai hasn't figured out where to move.

After thinking about it, Lin Kai called Du Jinhui.

Soon after, the call was connected.

"Hello? Du Jinhui?"

"It's me, brother Lin, is there anything wrong?"

"I want to buy a house, do you recommend it?"

"I can give you a set." Du Jinhui replied with magnificence.

"No, I can buy it myself."

Lin Kai doesn't like owing favors to others.

Du Jinhu hesitated a little, and replied: "There are a lot of villa communities on the Fifth Ring of Beijing, and Jiangjing Town also has a famous high-end community."

"The name is Cuihuyuan, you can go and take a look."

"Well, I see, thanks."

After that, Lin Kai hung up the phone.

Green Lake Court?

Lin Kai packed up his luggage, put all the luggage on Da Huang's back, one person and one dog, and he left the house of Old Li directly.

As he left, Lin Kai sent a text message to Lao Li, saying goodbye.

After going out, I took a taxi and went straight to Cuihu Garden.

Half an hour later, successfully arrived at Cuihu Garden.

As the most upscale community in Jiangjing Town, Cuihu Garden is also located in the most prosperous place in Jiangjing Town.

Behind Cuihuyuan is an artificial lake, a holy place for fishing.

There is a busy city ahead with convenient transportation.

As for the construction and security of Cuihu Garden, there is nothing to say.

Although it is the fifth ring of the capital, housing prices in the capital are also scary.

The cheapest place in Cuihuyuan is 31,000 square meters.

The sales office of Cuihuyuan is full of cars.

Lin Kai took the rhubarb, the rhubarb with the luggage, and went straight to the sales office alone.

When passing by the parking lot, suddenly a whistle sounded behind him.

Very hurried.

Afterwards, with a flash, a BMW car galloped past Lin Kai!

The speed was very fast, and he almost wiped Lin Kai's clothes. Rhubarb was also taken aback.

After a beautiful drift, the BMW stopped directly in the parking space in front of Lin Kai.

Afterwards, there were two clicks of the door opening, and two people got off the BMW.

A man and a woman, about forty years old, men with big bellies, wearing suits, shiny faces.

The woman was wearing black fur, with a bag slung on her wrist, she looked like a lady.

After the two got out of the car, they glanced at Lin Kai, and then walked by Lin Kai.

Lin Kai frowned, the two of them were too unqualified, and the speed was comparable to flying a plane.

Rhubarb called out dissatisfiedly at this time: "Wang!"

This sound shocked the lady and the middle-aged man.

When the lady saw such a big dog, she took two steps back.

"Ah! Where did the native dog come from?" The lady exclaimed.

The middle-aged man furrowed his brows and looked at Lin Kai: "Hey! Look at your native dog, it's really unqualified!"

The lady also looked disgusted and said: "What kind of dog is also walking out? This kind of dog is used to walk? You can't afford to make my fur dirty. It's strange that there are such creatures as a dog in the world!"

The couple said in disgust.

Lin Kai smiled too: "Heh, what happened to the dog? Isn't the dog a dog?"

The couple who were about to leave looked at Lin Kai and dared to talk back, stopped at that time and looked back at Lin Kai.

"Yeah."

"How come a dog is a dog?"

"The native dog is a beast!"

"What **** Chinese Country Dog, a lowly breed, only you farmers will raise it!"

The lady pointed at Lin Kai and insulted.

The middle-aged man also sneered with a leather bag under his arm.

“Haha, forget it, don’t be familiar with this smelly peasant, take a look, it is estimated that a piece of clothing does not exceed one hundred yuan.”

“Let’s hurry up and buy a house!”

“The house in Cuihuyuan is not that easy to buy!”

As if showing off, the middle-aged man spoke very loudly.

The lady snorted and followed the middle-aged man directly to the sales office of Cuihu Garden.

Lin Kai put his hands in his pockets and followed with his rhubarb.

Buy a house? Haha, dare to look down on my rhubarb, I made you unable to buy a house!

Lin Kai has never held grudges, and usually avenged them on the spot.

The middle-aged man and lady walked to the door of the sales office, and the welcome lady at the door greeted them with a smile.

When Lin Kai entered, the two beautiful welcome ladies stopped Lin Kai.

A welcoming lady looked up and down Lin Kai. After seeing Lin Kai’s flip-flops, her brows were obviously frowned.

There are also big dogs with luggage, which makes them frown.

“Sir, dogs are not allowed.” Miss Yingbin frowned.

There is nothing wrong with dogs not allowed inside. At that time, Lin Kai wanted Rhubarb to wait at the door.

But at this moment, a lady-like woman, holding a corgi dog, went directly into the sales department.

The two welcoming ladies escorted her in with a smile.

After seeing this scene, Lin Kai sneered: “Hehe, why can she bring the dog in, I can’t?”

Hearing that, the smiles on the faces of the two beautiful welcome ladies disappeared, and they glanced up and down at Lin Kai.

Disdainfully said: "Is it a Corgi, an imported breed, can it be the same as your native dog?"

"Corgi? Corgi is a dog, so is my native dog not a dog?" Lin Kai angered.

If pets are not allowed inside, Lin Kai has nothing to say.

But they let imported dogs in, but not Chinese pastoral dogs, Lin Kai couldn't bear it.

Why?

Are foreign dogs more noble than Chinese dogs?

"Dogs are dogs again? Now they can only be sent to the dog meat shop!"

"This is a lowly variety, just like farmers and rich people. We serve the rich, not the farmers!"

"Looking at you all on the floor, you can't afford a house, so you want to go in for a free lunch, right?"

"Tell you, I see a lot of people like you!"

"If you want to go in, throw me your dog! Otherwise, you can't go in!"

Miss Yingbin became impatient and scolded with her arms akimbo.

At this time, the lady and middle-aged man who had just arrived in the BMW appeared at the door.

After seeing Lin Kai who was stopped, both of them laughed.

"Yeah, were you stopped at the door? Bring this groundbreaking dog to not let in, right?"

"Hahaha! These days, all the people who can walk the dog are talented! If it were me, I would be embarrassed to take the dog to walk outside, shameless?"

"The farmer is the farmer."

Chapter 576: Cengfan?

Chapter 576

Both the middle-aged man and the lady laughed mockingly.

The two welcome ladies looked at Lin Kai with disdain.

Lin Kai seems to have become a joke.

Rhubarb also stood behind Lin Kai with aggrieved expression.

“I’ll ask you for the last time, can my dog get in!”

Lin asked with cold eyes.

And the two welcoming ladies akimbo, facing Lin Kai, they have no intention of serving.

They recklessly said: “Don’t let in!”

“what happened?”

As soon as the two welcoming ladies spoke, only a middle-aged man in a suit came over.

Glancing at the name badge, it looked like it was the manager of the sales office.

Seeing the manager, the two welcoming ladies immediately lowered their heads as if they were a mouse seeing a cat.

“Manager Zhang.”

Manager Zhang frowned and asked, “What’s the matter? It’s noisy?”

A welcoming lady hurriedly said: “That’s it. This gentleman brought a dog and insisted on entering our sales department.”

“Dog?” Upon hearing this, Manager Zhang looked at the rhubarb at Lin Kai’s feet.

It was the first time that Manager Zhang saw a dog to buy a house.

Moreover, it seemed that Lin Kai did not seem to be able to afford a house.

But Manager Zhang knows that there are many wealthy people in the sales department who bring their pet dogs to see the house.

If you don’t let this person with a local dog in, you will be known by your competitors, and you will inevitably make hype on this matter.

At that time, Manager Zhang frowned and waved his hand very reluctantly: “Forget it, let him in.”

Hearing this, the two welcoming ladies reluctantly stepped aside.

Lin Kai snorted and took the rhubarb into the sales department.

The lady and the middle-aged man looked at Lin Kai with disgust, and the lady also covered her fur with her hands, for fear that the rhubarb might get dirty.

“Cut! Some people are really shameless, so they can also enter the sales department of Cuihuyuan, ha ha!” The lady laughed disdainfully.

As soon as Lin Kai entered the sales department, he immediately became the focus.

Customers who come to see the house in Cuihuyuan are not without dogs, but they bring either Pomeranian or expensive pet dogs.

Lin Kai was the first to visit the house with a Chinese garden dog.

As soon as he entered the sales department, Lin Kai saw the six characters providing free lunch. There was a restaurant behind the sales department.

By coincidence, Lin Kai touched his stomach, seemingly hungry.

Ever since, Lin Kai took the rhubarb and walked directly into the restaurant.

After seeing Lin Kai enter the restaurant, the look of disdain in the eyes of the lady and middle-aged man became stronger.

The free lunch provided by Cuihuyuan is still very rich, with chicken, duck and fish.

Moreover, Lin Kai saw many migrant workers eating here.

And the customers who really came to see the house in Cuihuyuan hardly dine here.

Lin Kai took Rhubarb and found a place to sit down, and took seven or eight buns for Rhubarb, while Lin Kai picked a rice bowl.

Lin Kaimei ate it happily, and the rhubarb was also a big bun.

Ten minutes later, the battle was resolved and Lin Kai returned to the sales department.

At the sand table of the sales department, there are already many guests looking at the house.

Many sales ladies looked contemptuous after seeing Lin Kai.

No one came to receive Lin Kai.

Lin Kai could only stand alone by the sand table to inspect the house.

At this moment, a small female voice sounded.

“Hello, sir, come to see the room?”

Looking back, behind Lin Kai stood a very pure-looking girl, who seemed to be in her early twenties.

It should be a college student who just came out of college. He doesn't know how to wear high heels. He walks crookedly.

Lin Kai nodded: “Yeah.”

“Sir, please follow me.”

Said the young sales lady.

Lin Kai followed the sales lady to a sand table.

“Sir, here is the third perspective of Cuihuyuan. You can see that on the periphery, there are commercial houses in Cuihuyuan, each with 28 floors.”

“A little bit further inside, there is a boutique house in Cuihu Garden, with ten floors, all large units.”

“The innermost part is the villa area. There are only ten villas in Cuihu Garden. Each villa is very valuable. You can take a look, sir.”

The young sales lady introduced to Lin Kai, she did not expect Lin Kai to buy a house at all.

She is just a new sales lady who cannot win customers, so she can only choose Lin Kai, who is not patronized.

Lin Kai touched his chin and looked at it.

At this moment, a mature woman came over.

The appearance of a mature woman in her thirties can be considered pretty, wearing a small suit and tall.

She is also the sales lady here, her name is Cui Xinxin.

Cui Xinxin glanced at Lin Kai and smiled at the time: “Yo, Xiao Qi, you really can't win customers anymore! Do you even accept this kind of people?”

The young sales lady's name is Xiaoqi.

Xiao Qi immediately lowered his head after seeing Cui Xinxin.

“Sister Xin.”

“How many times has Sister Xin taught you? You must learn to watch your words and colors when you are in our sales business.”

“You should be able to tell at a glance who can afford a house and who cannot afford a house.”

“Looking back, do you see those two? The man looks domineering and temperamental, and the woman looks like a noble lady. That’s the client who can afford a house.”

Cui Xinxin pointed to the lady and middle-aged man and said.

Xiao Qi is like a junior who has been taught by his elders, and dare not refute it.

“You look at him again, and you’re still a dog when you come to see the house.”

“A piece of clothing is no more than a hundred yuan.”

“I also came to have a free lunch, this dog ate eight buns!”

“This kind of person is here for dinner, and after the dinner, they come over and pretend to be in the house.”

“Actually he can’t afford it at all!”

“This kind of person, you have to stay away from him in the future.”

“Even if you are idle, you cannot receive such people!”

Cui Xinxin said, looking at Lin Kai with contempt.

Xiao Qi nodded repeatedly, apologized when she looked at Lin Kai.

Cui Xinxin was very hard to hear, Xiao Qi was unwilling to listen, but Xiao Qi could not refute it.

At this time, only a burst of hearty laughter came from the sand table.

“Hahaha! That’s it!”

Everyone looked at the laughing man, and Lin Kai also looked over.

It turned out that it was the lady and the BMW owner who were laughing. They pointed to the twenty-eighth-story commercial house on the sand table, as if they had already finalized the house.

The sales lady next to him also smiled like a favor: "Sir, you have a foresight. The 28th floor is three thousand yuan per square meter cheaper than other levels."

"Furthermore, our Cuihuyuan houses are sold very quickly. If you come later, maybe our Cuihuyuan houses will be out of stock."

The BMW man and the lady were proud of their faces, enjoying the enviable gaze beside them.

Chapter 577: Yulong Court

Chapter 577 Jade Dragon Pavilion

In all likelihood, people who come to Cuihuyuan to see a house do not have the real economy to buy a house.

Seeing that someone had bought a house in Cuihuyuan, it was still the full price. At that time, countless envious eyes looked at it.

Even if it is the twenty-eighth floor, even if it is the most inferior commercial house in Cuihu Garden, it still costs 27.1 square meters!

It will cost more than three million!

This is a real tyrant!

Cui Xinxin saw that a local tyrant had bought a house, so she hurried over to please her.

"This boss, you really have vision." Cui Xinxin greeted her with a smile.

The BMW man laughed, very proud.

At this moment, the lady suddenly saw Lin Kai, and after seeing Lin Kai actually inspecting the house beside the sand table, she burst out laughing.

"Husband, look, that hillbilly holding a local dog is actually looking at the house!"

The lady's voice was not too big or too small, just enough to be heard by the whole audience.

Everyone looked at Lin Kai, and after seeing Lin Kai actually look at the house in a serious manner, everyone laughed.

Such a person cannot afford a house at first glance.

When the BMW man heard this, he also dismissed it with a smile: "Cut! This kind of poor can't afford a house at all, just let him have a look, and let him have an eye addiction.

"Hahahaha!"

There was a burst of laughter.

The BMW man was also very playful at this time. He came to Lin Kai's side with his hands behind his back, and laughed: "Yeah, are you still looking at the house? What kind of house are you planning to buy?"

Lin Kai pointed to the ten most central villas in Cuihu Garden, and said, "These ten villas are good."

When Lin Kai's words came out, the BMW man was shocked.

The ten most central villas?

You know, the houses in Cuihuyuan are divided into three levels.

The last is the commercial house, with 28 floors, which is the kind bought by BMW men, which cost 31,000 square meters.

Going up, the better ones are boutique houses, each with ten floors, all of which are large-sized, costing 80,000 square meters.

The most expensive is the central villas, each of which costs at least 200,000 square meters!

Lin Kai actually said that the house there is good?

At that time, the BMW man laughed: "Hahahaha! Do you really dare to think about it! Do you want to buy those ten houses?"

"The ten houses, at least 200,000 square meters, can you afford it?"

When Cui Xinxin heard Lin Kai's words, she rolled her eyes: "Hey, this person from the countryside has a big tone. Do you think the ten houses in the middle are like the small houses in your countryside? Do you think the small houses are cheap? Ha ha!"

There was a burst of laughter from the audience.

Xiao Qi's face was red.

Lin Kai is her client, but now everyone is laughing at Lin Kai.

Her face is also dull.

Lin Kai said solemnly: "These ten houses all have independent yards, which are good and suitable for raising dogs."

After hearing Lin Kai's words, another burst of wild laughter sounded.

The BMW man laughed down his tears.

The lady laughed too.

"Hahaha! What? You bought a villa to keep a dog?"

"Keep this dog?"

"It's hilarious!"

"This is the biggest joke I have ever heard this year!"

Cui Xinxin hugged her arms and rolled her eyes and said, "I advise you! Stay cool, where you can't afford the house! You can't even afford the toilet!"

Lin Kai ignored the people's ridicule, looked at Xiao Qi, pointed to the best of the ten villas, and asked, "Little girl, how do you sell this house?"

"Huh?" Xiao Qi was taken aback, she looked at the house that Lin Kai was pointing at.

At that time, Xiao Qi was shaking all over.

Because what Lin Kai pointed at was the most expensive house in Cuihu Garden.

Yulong Pavilion worth 250,000 square meters!

"Sir, you should look at the others." Xiao Qi reminded kindly.

She doesn't think Lin Kai can afford Yulong Pavilion!

At this time, Cui Xinxin stood up with her arms in her arms and said, "I'll tell you! What you are after is the most expensive villa in Cuihu Garden! Yulong Pavilion!"

“How many famous bosses in Beijing came to see this house, and they were all scared off by the price of this house. Do you still want to buy Yulong Pavilion?”

“The Jade Dragon Pavilion covers an area of 1,200 square meters, and one square meter is 250,000 yuan, worth 300 million yuan.”

“Can you afford it?”

Cui Xinxin’s face was only full of disdain!

Everyone shouted in exclamation, Yulong Pavilion is actually worth three hundred million!

No wonder no one can afford it. It is too expensive. There are only a handful of big names who can afford a house here at the Fifth Ring Road in Beijing.

And this young man, who looks like a stall, and with a local dog, can he afford a house here?

joke!

The BMW man sneered: “Hehe, you can really act hard! If you have the ability, you can buy a house like me, two to three million, three hundred million, you dare to look at it? Are you crazy?”

The lady also echoed: “I think this person has a serious delusion, thinking that he is a rich second generation, but he is actually a farmer!”

Lin Kai looked at the BMW man and the lady coldly. Lin Kai had to bear with them again and again, but they forced them again and again.

Did you pick the cheapest house here?

Very proud, right?

“Are you proud?”

“I bought a three-million-dollar house without putting others in the eyes?”

“What happened to the farmer?”

“Did the farmer steal it or **** it?”

“The bricks and tiles of Cuihu Garden were not built by farmers?”

Facing Lin Kai's questioning, the BMW man looked ugly, and he said coldly: "I just look down on your farmers, why? Can you still kill me?"

"If I really kill you, I won't break the law, believe it or not?"

At this moment, Lin Kai's eyes suddenly became cold, and a murderous aura radiated out, his eyes pressing.

The BMW man was scared by Lin Kai's eyes and took two steps back, afraid to speak.

At this time, Lin Kai directly took out the bank card from his pocket and handed it to Xiao Qi.

"Buy this house for me, thank you."

Lin Kai said neither humble nor overbearing.

Xiao Qi accepted the bank card and was stunned.

Does he really want to buy this house? Is there so much money in his bank card?

At this time, the eyes of all the people in the audience were all on the bank card in Xiaoqi's hand.

The BMW man hugged his arms and said coldly: "Hehe, it really looks like that!"

Upon seeing this, Cui Xinxin also sneered, dare to make things difficult for Cuihuyuan's major customers? I will embarrass you now! I don't believe you have money in your bank card!

At that time, Cui Xinxin brought the credit card machine directly.

"You want to buy Cuihu Garden, right? Okay! I want to see how much money is in your migrant worker's bank card!"

After Cui Xinxin said, he took the bank card directly from Xiaoqi's hand and swiped it on the credit card machine.

Afterwards, Lin Kai entered the password.

Cui Xinxin directly clicked to display the balance.

The eyes of everyone present all looked directly at the balance display on the credit card machine.

Soon, a series of numbers were displayed.

One, ten, one hundred, one thousand, ten thousand, one hundred thousand, brother, father, grandfather, grandfather, ancestor!

Chapter 578: Do Anything

Chapter 578

This series of numbers makes everyone's eyes too hard to count.

After a while, someone suddenly exclaimed: "I'll go! 10.3 billion!"

At that time, the whole scene immediately became restless.

Count it carefully again, as expected, it is really 10.3 billion!

Cui Xinxin's hand holding the credit card machine trembled. She had never seen so much money in her life, 10.3 billion, for her, it was a string of astronomical figures!

Everyone's eyes looking at Lin Kai changed.

From the beginning of the playfulness, disdain, and ridicule, it became shock, admiration, and fear!

There are 10.3 billion people with bank cards. Who is it?

The rich second generation in the capital can't find a few who can put out 10.3 billion, right?

This man who brought a local dog to buy a house can not only afford the Yulong Pavilion worth 300 million yuan, even if he buys ten villas, he has that strength!

Xiao Qi beside Lin Kai was stunned.

She was just using Lin Kai to practice her hands, and did not expect Lin Kai to buy a house.

But now, Lin Kai's financial resources had already shocked her.

In Cui Xinxin's heart, it was a regret.

I actually offended such a big customer!

If he entertained this big customer well, the commission he brought to himself would be enough for him to buy a car!

But this opportunity was now snatched by a newcomer.

And now Cui Xinxin regrets that she not only lost an important customer, but also offended this important customer.

This customer can get her out of the sales department with just one sentence!

Cui Xinxin was so scared that her face paled.

As for the BMW man and the lady, their legs were shaking at this time.

They think that they can afford a house worth three million, which is enough financial resources.

But Lin Kai's financial resources can buy the entire Cuihu Garden!

Thinking of showing off their wealth in front of Lin Kai just now, the faces of the BMW man and the noble lady felt hot pain.

What qualifications do you have to laugh at others for raising a native dog? If you have money, let alone raise a local dog, even if you raise a bastard, it is a basalt!

At this time, the two of them both wished to bury their heads in the ground. They facelessly faced Lin Kai, nor dared to face Lin Kai.

The eyes of everyone in the audience looking at Lin Kai changed.

Soon after, Manager Zhang from the sales department hurried over.

This manager Zhang is the one who released Lin Kai at the sales department. He has heard that there is a major customer worth tens of billions in the sales department.

So he rushed over without stopping.

“Sir, I neglected you just now. This is our rude! I'm very sorry.”

Manager Zhang showed a pleasing smile, walked over in a humble manner, and stretched out his hands, trying to shake hands with Lin Kai.

But Lin Kai didn't even look at him, let alone shake hands.

Manager Zhang retracted his hand awkwardly.

“Now, I can prove that I can afford this Yulong Pavilion, right?”

“Ok?”

“Why no one speaks anymore?”

“What happened to me buying Yulong Pavilion to raise a dog?”

“What’s wrong with the dog you keep is a native dog?”

“Do you have any opinions?”

No one dared answer Lin Kai’s words, and no one dared to look Lin Kai directly.

The rhubarb under Lin Kai’s feet also looked flaunt at this time, raising his head, looking at everyone with contempt.

“A group of you are not as valuable as my dog!” Lin Kai scolded angrily.

No one dared to talk back.

This is the power of power!

When they saw Lin Kai leading a dog, they believed that Lin Kai was a pauper.

But now that Lin Cheung has shown his great financial resources, Lin Kai said that they are not as good as dogs, and they dare not talk back!

“Sir, you extinguish the fire, extinguish the fire.”

Manager Zhang quickly handed over a cup of coffee with a pleasing smile on his face.

Lin Kai glanced at the manager and said, “Are you the manager here?”

“I am, I am...”

“This Jade Dragon Pavilion, can you sell it?”

“Sell! Of course!” Manager Zhang replied immediately.

Are you kidding me, can you not sell a 300 million house?

Lin Kai smiled at this moment and took back his bank card directly: “It’s too late to sell! I won’t buy it!”

As soon as this sentence came out, Manager Zhang’s face instantly turned pale.

Lin Kai didn’t buy it?

How much did they lose in Cuihu Garden?

If their boss knows that they have lost such a big customer, he can’t open them all?

“Mr. Sir, you can think about it again. Whether it is greening or environment, Cuihu Garden is one of the best in the Fifth Ring Road.”

Manager Zhang quickly stopped Lin Kai.

Lin Kai looked at Manager Zhang playfully.

“Want me to buy your house in Cuihuyuan?”

Manager Zhang nodded like a chicken pecking at rice.

Lin Kai looked at the BMW man and the middle-aged lady, and said, “I don’t like these two people.”

Upon hearing this, Manager Zhang immediately waved his hand: “Come here! Where is the security?”

Soon after, seven or eight security guards had rushed into the sales department.

Manager Zhang pointed to the BMW man and the lady, and said, “Shoot these two people out! Pull them into our Cuihuyuan blacklist! We will not receive them in the future!”

“Yes!”

At that time, seven or eight security guards dragged the two.

But the BMW man and the lady panicked at that time. They finally picked such a good house, the house in Cuihuyuan. They have been fond of it for a long time!

The BMW man was anxious at the time: “You dare! I also bought a house here for three million! I am a customer! I am God!”

The BMW man’s voice soon disappeared from the sales department.

Regardless of whether you have bought a three million house worth of customers, now, there is a big customer worth tens of billions in front of you!

“Look, are you satisfied?” Manager Zhang asked kindly.

Lin Kai glanced at Cui Xinxin again and said, “I don’t like this woman very much either.”

When Cui Xinxin heard these words, her face paled instantly.

Sure enough, Lin Kai did not forget her.

She can't escape it.

"You were fired! Now pack your things and go!" Manager Zhang pointed to Cui Xinxin's nose and said angrily.

Cui Xinxin's head dizzy and she sits directly on the ground.

She was dumbfounded.

I was actually fired!

The treatment of Cuihuyuan's employees is excellent!

The basic salary is five thousand, including food and housing, and five insurances and one housing fund.

Work is also very easy, such a job, you actually lost yourself?

At that time, Cui Xinxin felt a sense of regret.

If I knew today, why bother?

Cui Xinxin knelt down directly at Lin Kai and begged for mercy: "Sir, sir, give me another chance. You can do anything you want me to do!"

"Can you do anything?"

Lin Kai smiled playfully, squeezed Cui Xinxin's chin, and looked at her rainy face.

Cui Xinxin nodded tearfully, with a hint of joy in her heart.

"Hmm..." She nodded shyly.

Chapter 579: Got Engaged

Chapter 579

Lin Kai smiled: "Hehe, I want you to get out of my sight now!"

Lin Kai directly cut off Cui Xinxin's thoughts with a word.

Afterwards, the security guards directly put Cui Xinxin out.

This is the power of power, I see whoever is not pleasing to the eye, whoever has to get out!

At this moment, the scene was silent, and everyone looked at Lin Kai with only two words, admiration!

Manager Zhang was pleased with a smile on the side: "Sir, do you think this is satisfactory?"

Lin Kai nodded and said, "It's quite satisfactory."

"What about Yulong Pavilion?" Manager Zhang asked tentatively.

Lin Kai directly took out his bank card, handed it to Manager Zhang, and said, "Now, swiping the card, the procedures will be completed within half an hour, I'm in a hurry."

"Yes, yes." Manager Zhang quickly agreed, holding Lin Kai's bank card and going through the formalities.

I have to say that being rich is self-willed. It usually takes a few days to complete the formalities. When it comes to Lin Kai, it takes only half an hour to complete it.

After completing the formalities, Xiao Qi took Lin Kai into Cuihu Garden.

Along the way, Xiao Qi walks erratic.

She feels like everything is dreaming!

He actually completed a large order of 300 million!

Just a commission can raise one hundred thousand!

It is entirely possible for her to buy a car.

Everything seems like a dream.

Soon after, Xiao Qi brought Lin Kai to Yulong Pavilion.

These ten villas are all located in the center of Cuihu Garden, surrounded by high-rise buildings on all sides. The cost of building these ten three-story villas in the center of this high-rise building is quite high.

The Yulong Pavilions own yard is also very luxurious, with flowers, herbs and woods in everything.

It comes with an infinity swimming pool, the villa is luxuriously decorated, the separate bedroom also has a separate wardrobe room, and the bathroom is even more scary.

Let Lin Kai take seven or eight wives to take a bath at the same time!

The villa also has a gym and a cinema.

The entire villa is also equipped with a fully intelligent system, whether you want to turn on the lights or turn on the TV is just a matter of one sentence.

Central air-conditioning, intelligent adjustment, in short, 300 million to buy this villa, it is worth it!

Lin Kai lay on the sofa, and Da Huang also lay on the sofa, throwing Lin Kai's luggage aside.

"Well, not bad." Lin Kai said comfortably.

Rhubarb narrowed his eyes with satisfaction.

At first, the Tiger was very concerned about becoming a dog.

He looked at Lin Kai also very upset.

But now it feels that following Lin Kai, it can wander around the human world unscrupulously, which is not bad.

Moreover, he also gave himself very delicious meat buns, which are much better than raw meat.

And this big sofa is so **** comfortable, much more comfortable than the wild!

But those people from Jiulong Mountain treat themselves better, and they won't run out.

At this time, in Rhubarb's heart, an idea of providing for the elderly unexpectedly emerged.

Ugh

Old old...

Jingle Bell!

At this time, Lin Kai's cell phone rang.

Lin Kai took out his cell phone and took a look. Hehe, his father Lin Ting called.

Dad would never call himself if he was fine.

He called himself, absolutely something!

Lin Kai did not dare to neglect, and answered the phone: "Hello? Father."

Lin Ting's voice came from the other side of the phone: "Xiaokai, I heard that you have joined Jiulong Mountain? Are you currently living in Beijing?"

"Yes, I haven't had time to tell you yet." Lin Kai replied.

"Yes, joining Jiulong Mountain, our Lin family is stronger again!"

"You are also suitable to go to the capital to develop and develop. The capital is a magical city, with a mixture of fish and dragons. When will you be able to make a name for yourself in the capital, our Lin family can be regarded as flourishing."

"However, Xiaokai, your boss is no longer young, this marriage..."

Speaking of this, Lin Kai's heart jumped suddenly.

"Father, what do you want to say?"

Lin Ting suddenly smirked: "Haha, Xiaokai, the Long Family in Beijing has come to our Lin Family to propose marriage."

"You know, the Long Family is also a big family in the capital. Although it is not the main power in the first ring, it is also a famous power in the second ring."

"If our Lin family marries the Long family, it can be said to be a strong alliance."

"Besides, I think that girl Xiaoyun is also pretty good. You two seem to have affection for each other, so I agreed."

"The day after tomorrow, you go to Long's house to visit Mr. Long."

"Huh?" At that time, Lin Kai was dumbfounded.

My father, without his permission, actually gave his life-long events?

Want to marry Long Xiaoyun?

Marry that tough old lady?

At that time, Lin Kai was dumbfounded.

"Ah what? That's what it is! The day after tomorrow, I must go to the Long's house to visit the old man. Remember to get some good gifts. You can't lose the face of my Lin's family!"

“That’s it, put it away!”

“Dududu…”

After Lin Ting said, he hung up the phone.

Lin Kai was left alone on the sofa, laughing and crying.

In a daze, I should get married too, thinking about it carefully, too, I am quite old, even though I look nineteen years old.

However, plus the age of the previous life, I am already forty!

He’s still a virgin now, that’s not the **** reason!

Forget it, just go there once, and you will just have it. Although Long Xiaoyun’s girl is a bit sturdy, she is good-looking and has a good body.

Lin Kai comforted himself in his heart.

Ugh

Suddenly miss home.

It suddenly occurred to Lin Kai that he had traveled here. In his previous life, although he had done nothing in his life, he also had many good friends on that earth.

When can I go back?

Lin Kaixin suddenly felt a sense of grief and anger.

“System, what do you say is my purpose in this world?”

The system rarely answered Lin Kai: “Become stronger!”

“Why become stronger?”

“Because everyone in your original world is very strong, I am afraid you will die in the cradle, so I will make you stronger in this world.”

“When you are strong enough, I will take you back.”

“What?” Lin Kai was full of spirits, and sat up directly on the sofa.

Can I go back?

“Don’t get excited, with your current strength, it will take at least one hundred and eighty years before you can go back.”

After listening to the system, Lin Kai was discouraged.

“Cut, I may not live for a hundred or eighty years!”

...

After taking a rest for one night, the next day, Lin Kai dressed neatly, took the rhubarb after the shower, and went out directly, one person and one dog.

Going to the Changjia on the Fourth Ring Road.

Lin Kai still remembers his mission.

Cure the Patriarch of the Chang family and gain a random extraction ability.

After taking a taxi, Lin Kai successfully arrived at the door of Chang’s house two hours later.

Changjia is located in a high-end residential area on the Fourth Ring Road. Compared with Cuihu Garden, it is only high-level but not low-level.

At this time, Chang Shasha had personally greeted Lin Kai at the door.

And Chang Lao also stood aside very weakly.

After seeing Lin Kai coming, Chang Lao bowed quickly: “Welcome Master Martial Artist to come.”

Chapter 580: Famous Doctor?

Chapter 580: Famous Doctor?

Lin Kai nodded slightly and took the rhubarb into the Chang’s house.

The Chang’s villa is very atmospheric, with a large courtyard, and many luxury cars are parked in the Chang’s parking lot.

Bodyguards are everywhere, and those with bulging waists are obviously professional bodyguards with real guys.

It’s worthy of being the Chang family in the capital, although it can’t compare to the big family of the Long family, but within these four rings, it is also the most resounding overlord!

Chang Lao and Chang Shasha led Lin Kai into the villa, while Rhubarb was waiting at the door.

After all, this is the Chang's house. The appearance of Rhubarb is a dog. It is not suitable for it to enter the Chang's house.

And outside a bedroom on the third floor of the Chang's villa, there were people standing there.

Among them, there are important figures in the Chang family, such as Chang Shasha's uncle and uncle.

The rest are all doctors.

A very famous doctor in China.

Lin Kai saw that several doctors who had been on TV were also there.

Lin Kai entered the living room. At this time, Chang Shasha's uncle walked over quickly.

Chang Shasha's uncle's name is Chang Tian, in her forties, in a suit and shoes.

He looked anxious, and when he saw Chang Shasha, he asked, "Where is the famous doctor? Where is the famous doctor?"

And Chang Shasha pointed to Lin Kai behind him and said, "Uncle, he is a famous doctor."

Hearing this, Chang Tian looked at Lin Kai.

After seeing Lin Kai, he was stunned.

This is a famous doctor?

In his impression, the famous doctor must be at least forty years old, and he looks respectable, with at least several assistants around him.

But looking at Lin Kai in front of him, his face is immature, and he is estimated to be no more than twenty. Such a person can be called a famous doctor?

Chang Tian was stunned.

Chang Lao said at this time: "Xiaotian, don't think he is young, he is very strong, and the Patriarch's illness may have a solution."

Hearing this, Chang Tian snorted: "Huh! Sasa is still young, so are you confused? Such a person can be called a famous doctor?"

Hearing this, Chang Shasha and Chang Lao looked at each other with embarrassment on their faces.

But Lin Kai showed an unhappy look on his face.

At this time, Chang Shasha's uncle came over after hearing this.

Chang Shasha's uncle, who looks more than 60 years old, has white hair, is wearing a tunic suit, and is holding a mahogany crutch in his hand.

Although he was over half a hundred years old, he walked in a swift manner, between his eyebrows, without anger.

He is Chang Shasha's uncle.

"This is the famous doctor that Sha Sha said?" Uncle Chang asked after looking up and down Lin Kai.

Chang Tian snorted: "Humph, that's right."

"Let me just say, what famous doctor can the little girl know in the film? This is not her classmate, right?"

Uncle Chang looked at Lin Kai for a long time and shook his head.

"Don't say he is not a famous doctor, even if he is a famous doctor, so what?"

"Famous doctors came in one wave after another, which one took care of the Patriarch's illness?"

Uncle Chang's tone is also very bad.

Neither of them is optimistic about Lin Kai.

Chang Shasha immediately explained: "Lin Kai is really amazing! He can kill tigers!"

Chang Shasha originally wanted to say that Lin Kai owned Hunyuan Guo, but there were so many people at the scene that she did not dare to say it.

Uncle Chang laughed at that time: "Heh, there are so many people in this world who can fight!"

"Can beat a representative and heal?"

“Sasha, don’t be silly, don’t be fooled by this kid!”

At this time, Lin Xinzhong also raised an unknown rage.

Question your abilities?

Haha, Lin Kai at this time really had an urge to let go.

In order to extract power randomly, I endured it!

Therefore, Lin Kai did not speak.

Soon after, a doctor in a white coat walked out of the bedroom.

As soon as he walked out, a group of doctors surrounded him immediately.

“How is it going?”

“Is Mr. Chang’s condition serious?”

The doctor shook his head at this time and said: “The condition is very strange. Western medicine has used various methods, but even the condition can’t be found.”

Hearing this, everyone’s eyes widened.

He took a breath.

This doctor is a director of the Jingcheng Hospital. He has superb medical skills. Even he can’t see the condition of Old Man Chang.

This shows that Mr. Chang’s condition is very serious!

At this time, most of the doctors who came here were a little afraid to take action.

After all, such strong people are defeated. What use is it for them to go up?

Uncle Chang couldn’t help it at this time, he stood up and said loudly: “Everyone! If anyone can cure my Chang family’s Patriarch, my Chang’s family will definitely treat him as a guest! Enjoy the Patriarch’s treatment!”

As soon as Uncle Chang’s words came out, there was a burst of exclamation.

Being a guest and enjoying the treatment of the head of the house, such treatment can be said to be very high.

But still no one dared to go.

Lin Kai touched his nose, he didn't want to waste time, he stood up.

Said: "Let me try it."

When Lin Kai spoke, dozens of eyes at the scene looked at Lin Kai.

All of you present here are very famous doctors in China, including Chinese medicine, Western medicine, and even doctors whose ancestors were royal physicians.

But after seeing that the person who stood up was actually a nasty hairy boy, everyone laughed.

"Who is this? Could it be the heir of which master?"

"I don't know, I haven't seen it!"

"Even Director Wang just now has nothing to do with Old Man Chang. Can this kid do it?"

"I think he just read two medical books and thought he was a kid who knew how to heal."

A skeptical laugh came out.

Uncle Chang looked at Lin Kai, frowning: "Can you do it?"

Lin Kai raised her head and said, "Why can't I?"

"Do you have a medical qualification certificate?" Uncle Chang asked at this time.

The medical qualification certificate is the key to being a doctor. Only with the medical qualification certificate can you be called a real doctor.

"Yes, I forgot to bring it." Lin Kai replied.

Lin Kai was telling the truth, he really had a medical qualification certificate, which was handled by the director of the Medical Bureau when he was on the island.

"Haha, forgot to bring it? I think you don't have a medical qualification certificate at all!" Chang Tian couldn't help but sneered.

"You think our Chang family pays too much, so you want to give it a try?"

"Boy, let me tell you, it's impossible!"

“If you are acquainted, get out of Chang’s house now! I can see Sasha’s face and spare your life.”

“Otherwise, I will let you lie down and leave Chang’s house!”

Chang Tian’s temper was very violent, and he scolded angrily.

Upon hearing this, Lin Kai also smiled, with a hint of coldness in his eyes.

When Chang Lao saw this, he also looked anxious. If Lin Kai left, his Patriarch might really be dead!

In desperation, Chang Lao ran to Chang Tian and mumbled a few words in Chang Tian’s ear.

Hearing this, Chang Tian’s expression changed drastically, his legs trembled, and he almost knelt down for Lin Kai.

“You said, he is a martial artist?”

Chapter 581: See Also Wang Qinglong

Chapter 581 Seeing Wang Qinglong Again

Tian Tian naturally understands what kind of person a martial artist is.

That is a master who can kill people invisible!

And this Lin Kai is actually a martial artist?

In Chang Tian’s heart, he was afraid at that time.

Hearing this, Uncle Chang looked at Lin Kai again, with a serious look on his face.

The doctors basically didn’t know what a martial artist was, and they all looked at Lin Kai sarcastically.

Chang Tian was taken aback at first, but he rolled his eyes and sneered: “Ha ha, Chang Lao, do you think Chang Tian is a fool?”

“Warriors are already extremely rare, Chang Lao, you are so talented, and you have cultivated to a martial artist at such a large age.”

“This kid is only a teenager, you tell me he is a martial artist?”

“It’s really a big joke in the world!”

As soon as Chang Tian's words came out, Uncle Chang also nodded slightly in agreement.

After all, martial arts are too rare, and there are not a few in the entire capital.

And among those martial arts, which one is not more than fifty years old?

If Lin Kai is really a martial artist, he is a peerless genius! Will a peerless genius come to his little Chang family?

Chang Tian didn't believe it at all! Uncle Chang didn't believe it either!

Chang Lao looked helpless at this time, no matter what he said, these two just didn't believe it!

"Master Martial Arts, how about you show your hand and let them see your strength?" Chang Lao had no choice but to plead with Lin Kaidao.

Lin Kai stood with his hands behind and shook his head: "No, since they don't believe me, then Lin will leave."

After that, Lin Kai turned around and wanted to leave.

And Chang Tian's sneer came from behind: "Hehe, does he dare to show his hand? He doesn't have that strength, just wants to lie to our Chang family's money!"

Hearing this, a cold color appeared in Lin Kai's eyes.

I saw him suddenly turn his head and shoot with a palm!

Even though Lin Kai was still several meters away from Changtian, a burst of true energy burst out of Lin Kai's palm!

Six hundred points of innocence could already allow Lin Kai to manage his innocence freely.

The invisible qi directly hit Chang Tian's body, setting off a wave of anger!

And Chang Tian's body was directly lifted out by this infuriating energy and hit the wall!

boom!

Chang Tian only felt that he was hit by a strong force, and then his stomach churned, wow, a mouthful of blood came out!

The scene was quiet.

No one thought that Lin Kai would actually make a move! And still shot in such a terrifying way!

Lin Kai said coldly: "If you dare to insult me, I want your life!"

After all, Lin Kai strode out of the living room.

And the whole Chang family was silent.

All the doctors were stunned.

Among the doctors present, only a few people knew about the existence of the ancient warriors, but basically they had never seen the ancient warriors take action.

After seeing Lin Kai's move, their eyes almost stared out.

And Chang Lao sat on the sofa, sighed, and looked at Chang Tian and Uncle Chang with bitterness.

If it weren't for them, how could Lin Kai be mad?

The expression on Uncle Chang's face is extremely wonderful.

He never expected that the young man was actually a martial artist!

With a palm shot, the sky will overturn Tian Tian, and the real energy will be released. Such a powerful strength is not a martial artist, so what is it?

Moreover, he is still so young!

Rubbing his chest every day, he opened his clothes and saw that a red palm print had been printed on his chest.

In Chang Tian's heart, turbulent waves were also set off.

With such a powerful strength, he is really a martial artist!

Chang Shasha stomped angrily at this time: "Oh! Look at you! Uncle, uncle, do you know how difficult it is for us to invite Lin Kai?"

Chang Tian and Uncle Chang looked ugly, they were scolded by Shasha Chang, but they couldn't say a word.

"What's the origin of Lin Kai?" Uncle Chang asked.

Chang Lao stood up, he came to Uncle Chang and said softly: "This time we entered the woods, and our group was completely dependent on that little brother to survive."

"The old man was also saved by him."

"Three elixir, all taken by this person."

"This person is powerful, and the tiger that protects the elixir is not his opponent."

"And, I guess, there must be a lot of background behind him!"

"At such a young age, with such a high cultivation base, there must be a powerful master behind him, maybe those old monsters that haven't been seen before."

"And he must also have a secret technique that ordinary people don't understand. Whether the Patriarch hopes to survive, it depends on whether he is willing to make a move!"

"And you guys put him..."

"Ugh"

Chang Lao sighed.

Uncle Chang was dumbfounded, and with a plop, he slumped directly on the chair.

He hated iron and steel and looked at Chang Tian.

"You! What do you want me to say about you!"

"Quick! Send someone to chase!"

"No, I will go personally!"

After Uncle Chang said, he threw down the crutch in his hand, took three steps in one step, and ran out of the living room to chase Lin Kai.

But Lin Kai had already left the Chang's house at this time, took the rhubarb, and was about to leave the community.

But at this moment, five or six black Hummer off-road vehicles stopped in front of Lin Kai.

The pitch-black Hummer off-road vehicle is very brand new and extremely overbearing. There was a sound of opening the door. From the Hummer off-road vehicle, countless black-clothed men walked down.

There are about a dozen people.

From the front Hummer, a person walked down.

This person, about fifty years old, was wearing a suit and sunglasses, with a string of Buddhist beads in his hand, with a serious expression.

After he got down, another person was pushed off the Hummer.

The man was sitting in the wheelchair, his arms had disappeared, his face was pale and bloodless, and he looked down at the ground in despair.

Yo, I met an acquaintance, isn't this Wang Qinglong who was taught by Lin Kai?

So, that middle-aged man is the head of the Wang family?

Lin laughed.

When Wang Qinglong looked up, he also happened to see Lin Kai.

After seeing Lin Kai, he was taken aback.

Then, the memory flooded my heart like a tide!

He recalled all the scenes of Lin Kai insulting him in the jungle!

It's all him! It's all because of him! I became a disabled person!

Without arms, so much ridicule!

"Lin Kai!"

Wang Qinglong almost roared.

Wang Tianhe, the head of the Wang family, also looked at Lin Kai. He frowned and asked, "Do you know him?"

"Father..." Wang Qinglong said almost gritted his teeth: "It's him! Broke my arms in the jungle!"

"Father! I'm going to kill him! I'm going to smash him into pieces!"

"Otherwise, it's hard to understand my hatred!"

When Wang Tianhe heard the words, an angry expression appeared on his face.

Wang Qinglong is his only son. How can he not be angry when his only son was interrupted by someone?

Moreover, Lin Kai's methods were extremely cruel, and Wang Qinglong's arm was bitten off by a tiger! No connection can be made.

Wang Qinglong abruptly became a disabled person!

"Get it for me!"

Wang Qinglong yelled, and a dozen strong men in black directly surrounded Lin Kai.

Chapter 582

Lin Kai also stopped his steps and looked up at the crowd coldly.

Surrounding Lin Kai, there were a dozen people in black.

These dozen or so men in black, each of whom are strong and bulging around their waists, are obviously professional bodyguards.

Lin chuckled.

"Heh, Wang Qinglong? See you again."

Lin Kai put his hands in his pockets, his expression was indifferent, and he didn't put Wang Qinglong in his eyes.

And Wang Qinglong's eyes looking at Lin Kai almost breathed fire!

He will never forget the man who broke his arms in his life!

At this time, Wang Qinglong's mouth also showed a cruel smile.

There is nowhere to be found after breaking through the iron shoes, and it is all effortless!

This was brought to the door by Lin Kai himself!

"Lin Kai, I want you to kneel down to beg for mercy! I want to smash you into pieces! Cramps and pulls out bones!"

“I want you... to cut off your children and grandchildren!”

Wang Qinglong almost gritted his teeth in anger.

And in Wang Tianhe’s eyes, there was only anger.

His precious son was beaten like this, how could he not be angry in his heart?

This is his only son!

“Call me!” Wang Tianhe roared.

A dozen professional bodyguards immediately swarmed forward, and countless fists slammed into Lin Kai’s face.

But Lin Kai did not rush, his hands behind his back, and gave a whistle.

The rhuarb under his feet immediately understood. At this time, the rhuarb yelled twice.

“Wow!”

As for the dozen bodyguards, no one noticed this dog. They didn’t know that this dog had become a nightmare that caused them to have nightmares every night!

The rhuarb moved.

Its speed is extremely fast, shuttled among the crowd.

With each bite, a bodyguard’s complexion can be greatly changed, and a piece of meat will surely fall off his body!

And its defensive power is also very strong, the bodyguard’s fists and batons hit it, and it can’t let it stay at all!

But Lin Kai stood with his hands behind, without even moving.

These mortals are not yet qualified to let him do it!

I saw the rhuarb mouthful one by one, and one mouthful would definitely cause a bodyguard to be seriously injured.

Soon after, a wailing sound sounded, and a dozen bodyguards fell to the ground one after another. Some people even had their arms bitten off. The scene was very bloody.

“my hand!”

“What kind of monster is this?”

“Run! Run!”

...

A sound of fear sounded, and these dozen bodyguards almost crawled away from the rhubarb.

Looking at the rhubarb's mouth, it was all blood, the eyes were cold and merciless, as if it were a tiger going down the mountain!

At this time, Wang Qinglong's eyes widened. This scene made him feel very similar.

Isn't this terrible dog the tiger that bit his arms?

Wang Tianhe frowned. He did not expect that the strength of this dog was so powerful.

Can he defeat all of his dozen bodyguards, even the most powerful police dog in China can't do it?

However, Wang Tianhe was not afraid.

With a snap, Wang Tianhe snapped his fingers.

With a click, another person walked out of the Hummer.

The man was about fifty years old, he was considered an old man, wearing a white Tai Chi suit, black hair and full of energy.

In his hand, he also held a bunch of wenwan.

When this person appeared, even Wang Tianhe was very respectful to him.

This one is the number one master of the Wang family, Mr. Wang.

“Old Wang.” Wang Tianhe lowered his head slightly and said.

Elder Wang looked at the rhubarb under Lin Kai's feet and laughed.

“Oh, this dog is interesting.”

Elder Wang glanced at Lin Kai with contempt, he didn't put Lin Kai and Rhubarb in his eyes at all.

“Elder Wang, if you have trouble, you can do it.” Wang Tianhe said again.

A hint of pride also appeared in Wang Qinglong's eyes.

He seemed to have seen Lin Kai kneeling under his feet begging for mercy.

He knew that Lin Kai could fight, but that dog might not be an ordinary dog, but so what?

Wang Lao is a warrior!

And it's the kind of peak martial artist, it can be said to be a half-step martial artist!

Can Lin Kai be able to fight, can he be Wang's opponent? The strength of the Wang Lao is more than ten times stronger than the old man!

At this time, Mr. Wang stood with his hand and looked at Lin Kai: "Young man, I don't want to bully the small with the big, so that if you break your arms, I can intercede for you in front of the lord.

Mr. Wang laughed, not opening Lin's eyes at all.

Wang Qinglong also sneered at this time: "Haha, Lin Kai, I advise you to kneel down and apologize now."

"The strength of Wang Lao is beyond your imagination!"

"I know you can fight, and I know your dog can fight."

"However, my Wang family elder, but an ancient warrior at the peak of the warrior, a half-step warrior!"

"The elder Wang will kill or hurt if he takes action!"

"You better kneel down and surrender!"

"Don't worry, I will let you enjoy it!"

With that said, Wang Qinglong had already begun to imagine Lin Kai being abused in every possible way in his mind.

When Lin Kai faced the old man, he laughed: "Hehe, what a **** half-step martial artist, a lot of age, is it okay to go home for the elderly?"

"Pretend to be a gangster and come out to fight?"

Lin Kaiho let out a spit of thick phlegm on the ground.

Even Rhubarb rolled his eyes very humanely.

Facing the disdain of one person and one dog, Wang Lao's face went dark.

Dare to put him in the eyes?

The entire fourth ring, who would dare not give him the face of Wang Lao?

Being so mocked by a young man, he also felt dull at this time.

"I will give you one last chance now, kneel and apologize!"

"Otherwise, I will let your body float on the Huangpu River tomorrow, believe it or not?"

At this time, Wang Lao's eyes had a hint of killing intent, and the loose Tai Chi clothes were blown up by the strong wind, full of momentum.

But Lin Kai pointed his **** directly at the old man this time.

"I don't believe it, you have the ability, you come to kill me!"

"If I can handle my trick, Lin Kai kneels down and begs for mercy!"

"What a big tone!"

"Lady, you are so wild!"

This time, Mr. Wang finally couldn't calm down.

He pointed at Lin Kai and yelled angrily.

Somehow, his elder Wang is a famous ancient martial artist in the fourth ring!

Zhen Qi can almost be released to the outside world, and this young man actually looks down on himself so much.

Wang Lao can't bear it!

"Boy, this is your own death!"

"Today, I will let you die clearly, let you see what a real martial artist is!"

After all, I saw Wang Lao stepping forward, and with a bang, a horse stride was taken down.

Later, Wang Lao was lucky with his dantian, his hands on his chest continued to be lucky.

After that, a mass of true energy gradually emerged in his hands.

The cyan infurience looked a bit unstable, and it was not so pure.

The elder Wang could barely release his true energy from his body, and could use it to attack people.

But being able to do this has made him proud enough!

Because only a martial artist can release the true energy!

Chapter 583: Spike

Chapter 583

Wang Qinglong, who was sitting in a wheelchair, stood up excitedly at this time!

Let it go!

How many people can do it in the entire capital?

Wang Lao can do it!

At this moment, Wang Qinglong's face was a bleak.

Lin Kai, now you see the true strength of my Wang family, right?

You should regret it very much, right? Shouldn't you regret offending me?

Don't worry, even if you die, I will never give you peace! I will hang your corpse on an uninhabited tree!

Expose your body to the sun!

Let you die!

Thinking of this, Wang Qinglong smiled triumphantly!

And Mr. Wang is also proud of his face, so angry, boy, you must be scared?

"what!"

At this moment, he only heard a loud shout from Elder Wang, and then he patted Lin Kai with a palm!

I saw a burst of zhenqi condensed and formed in the air, and directly rushed towards Lin Kai to fight over!

And facing Wang's infuriating blow.

A mocking smile appeared in Lin Kai's eyes.

Lin Kai raised his arm casually and patted it with a palm.

Then, a gust of strong wind blew, and a powerful qi shot from Lin Kai's palm!

No effort at all!

Zhen Qi condensed into the shape of a palm in the air, patted at the old man.

And the eyes of Wang Lao were filled with surprise.

Then it became a surprise, and then it became a shock!

This is...infuriating out?

How can it be!

He is so young!

It only takes less than a second for him to gather his qi!

And I need half a minute!

Is it possible that he is a martial artist?

As soon as this thought came out, Mr. Wang almost fainted to the ground.

I saw Lin Kai's innocent qi ran into Wang's innocent anger, and with a puff, Wang's innocent qi seemed to be like a ball of fart.

Lin Kai's innocence was directly knocked away.

After that, Lin Kai slapped the palm of his hand and ran directly towards Elder Wang.

Elder Wang's eyes widened. He wanted to hide, but he couldn't avoid it at all!

boom!

A loud noise!

With this palm, Lin slapped Wang Lao directly into the wall!

The walls collapsed because of this!

A burst of dust was shot up, and after a long time, the dust dissipated, and the figure of the old man fell into the eyes of everyone.

I saw that Wang's chest had collapsed, and his body was covered with blood, so it was a mess.

His eyes widened, blood dripped from the corner of his mouth, and he was obviously dead!

With just a palm, Lin Kai slapped Wang's master to death!

At this time, the whole scene was deadly silence.

Everyone in the Wang family was dumbfounded.

The Patriarch Wang looked at the corpse of the elder Wang, and his heart felt like a stormy sea was set off.

The number one master of the Wang family, that's it... dead?

The Wang Family Patriarch was dumbfounded.

Wang Lao is the support of his royal family!

It can be said that the reason why his Wang family has become so powerful is all because the Wang elder is in the Wang family, and the Wang elder is the patron saint of the Wang family!

This time they come to Chang's house, they are even more ready to defeat Chang's house in one fell swoop!

But now, the prince is actually dead?

Their support, actually dead?

A look of shock also appeared in Wang Qinglong's eyes.

He couldn't believe that the scene before him was real.

He couldn't believe it, and he didn't want to believe it.

Lin Kai, who made him gritted his teeth, was so strong?

At a young age, he can already release his true energy and slap Wang Lao to death?

Can he avenge Wang Qinglong's hatred?

Let alone revenge, can Wang Qinglong protect himself now?

Everyone in his royal family, in front of Lin Kai, is the lamb of Ren Zai!

And this scene happened to be seen by Uncle Chang, who was chased out.

Uncle Chang looked at the scene in front of him with excitement and fear in his heart.

The whole body was trembling slightly, and my heart was even more afraid.

Fortunately, Lin Kai didn't go crazy when he was at the Chang's family, otherwise, the Chang's family would definitely flow in blood! The strength of this person is really too strong!

And Uncle Chang finally believed that Lin Kai was a martial artist at this time, just like a martial artist who had replaced him!

No wonder Chang Lao respects him so much, because the strong will only respect the strong!

At this moment, Lin Kai carried one of his own hands and came to Wang Qinglong step by step.

And Wang Qinglong was trembling with fear at this time, and he did not dare to look directly at Lin Kai's eyes.

"You...what are you doing?" Wang Qinglong stammered.

"What are you doing? Wang Qinglong, I gave you a chance, but you don't cherish it yourself!"

"You have to do it yourself? Well, I will satisfy you."

Lin Kai said, his eyes were cold.

At this time, Wang Qinglong had already realized the danger, and he knew that Lin Kai was not joking.

He is going to kill himself!

The fear in his heart has completely lost his calmness.

When Wang Qinglong screamed, Sa Yazhi ran away!

Turn around and run! Don't care about his father at all.

At this time, a nightmare-like whistle sounded, and the rhubarb whistle directly chased after him.

The fate of Wang Qinglong can be imagined.

And Wang Tianhe watched his son lose his life under the mouth of Rhubarb.

Wang Tianhe also began to fear in his heart, and with a plop, Wang Tianhe knelt before Lin Kai without dignity.

He was scared, he regretted it.

"Forgive me... Fate, I... I was wrong..." Wang Tianhe stammered.

Lin Kai glanced at Wang Tianhe and said lightly: "Self-breaking his arms, leaving you with a life."

When Wang Tianhe heard the words, he hesitated, but he still drew the pistol and pointed at his arm.

A pair of arms is nothing compared to life!

boom! boom!

With two gunshots, Wang Tianhe let out a scream like a pig, and his whole body was almost dizzy on the ground.

And Lin Kai snorted coldly: "Hmph, I really don't understand, isn't it good to be alive? I have to come and die."

After that, Lin Kai crossed Wang Tianhe, whistled, and prepared to leave with the rhubarb.

After killing two people, Lin Kai didn't feel the slightest guilt in his heart.

I don't know when, Lin Kai turned into a murderous demon.

Is it a devil? Lin Kai asked himself in his heart that he was just killing those damned people.

Besides, he is now a member of Jiulong Mountain, and it is illegal for him to kill.

Anyone who can threaten the lives of Jiulongshan members can be killed by Jiulongshan members.

It doesn't matter if the other party has that idea.

Seeing that Lin Kai was about to leave the community, Uncle Chang gritted his teeth and slapped his thigh before chasing him.

Although he was very scared in his heart, Lin Kai was the only hope of saving the Chang's Patriarch!

He can't watch Lin Kai leave like this!

But Lin Kai was about to leave the community soon, Uncle Chang ran over quickly, with a plop, Uncle Chang directly knelt in front of Lin Kai.

"Master Martial Artist, please, save my Chang Family Patriarch!"

Lin Kai stopped and looked down at Uncle Chang.

There was a mocking smile in Lin Kai's eyes: "I just treated your Chang Patriarch for free just now. You refused, and now you are kneeling and begging me for treatment?"

"Who do you think of me, Lin Kai? Do you play as a monkey?"

"Yes, I'll give you a chance! When the sun comes out from the west, I will come to heal your Chang Patriarch!"

"roll!"

Chapter 584: Home Son In Law

Chapter 584

After all, Lin Kai left the community where Chang's family was located without mercy.

Soon after, Lin Kai returned to his home.

Cuihu Court.

Taking the rhubarb to take a shower again, Lin Kai eats the fruit plate at home and watches TV, so he is very leisurely.

I'm afraid there won't be many such leisurely days.

Although Lin Kai is still an idler now, Lin Kai has such a premonition.

I will be busy soon.

One day passed quickly. The next day, Lin Kai found a decent suit and a pair of leather shoes from the closet.

Putting on new clothes, Lin Kai took a picture in the mirror.

Well, today I am still handsome.

He is about to leave soon, go to the second ring road, and visit the head of the Long Family, Long Xiaolin.

Long Xiaolin is already the head of the Long Family, and Long Xiaolin is also very famous in the capital.

This time, the first is to visit Long's family, and the second is to talk about his marriage.

Going to the Long's house is definitely not possible empty-handed.

Lin Kaituo helped him buy two bottles of high-quality red wine and a few top-quality cigarettes. With gifts, Lin Kai set foot on the road to Long's house.

Rhubarb is definitely not allowed. What does it mean to bring a dog to Lao Zhangren's house?

In Beijing, Lin Kai didn't have a car, so he could only drive a Didi and walked into the second ring road.

Two hours later, the Didi driver threw Lin Kai on a very prosperous road.

Beijing, the capital of China, has a very strong economic power, and the prices of the entire capital are also very high.

The Second Ring Road of Beijing is already an extremely prosperous area, and this place can be said to be an inch of gold.

However, the Longs family owned a 5,000-square-meter manor within the second ring road.

From this we can see how powerful the Long Family is in China.

Soon, Lin Kai found the Long Family Manor in the busy city.

Very luxurious, with a lawn in the manor and a huge castle in the middle of the lawn, which is extremely domineering.

At the gate of Long's house, there were four strong security guards, all of whom were equipped with guns.

This is the Long Family.

When he arrived at the gate of Long's house, the security guard at the gate immediately stopped Lin Kai: "Sir, do you have an appointment?"

Lin Kai was shocked for a while.

"Uh"

"There is no appointment, but I am looking for Long Xiaotian."

Long Xiaotian is the eldest son of Long Xiaolin.

The security guard had no expression on his face: "Excuse me, Mr. I can't enter the Long Family Manor without an appointment."

Lin Kai was speechless for a while, just as Lin Kai was about to take out his mobile phone to make a call, two whistle sounds suddenly came from behind him.

Dididi!

Lin Kai looked back and saw a Rolls-Royce Phantom parked behind Lin Kai.

The Rolls-Royce Phantom, worth tens of millions, is extremely domineering, shining a noble light in the sun.

At this moment, a head poked out from the rear window, looking at Lin Kai with a playful look.

"Yeah, Lin Kai!"

The man smiled playfully, and at this time, the driver in the driving seat came down to open the door for him.

I saw a man with a height of over 1.7 meters walking down.

The man is slim and handsome. He looks at Lin Kai with a playful smile.

"Left and right?" Lin Kai raised his eyebrows and immediately recognized the person.

This person is Lin Kai's high school classmate.

When he was in high school, Lin Kai was very dull and often bullied him.

At that time, Zuo Ming had been swallowing his anger, not daring to challenge Lin.

Unexpectedly, I actually met Zuo Ming here.

"Yo Yo Yo, Young Master Lin Family, do you remember me?" Zuo You Ming deliberately showed a surprised look.

"Master Lin Family, why have you become the way you are now?"

"Look at you. You don't even have a car. Why, when you leave Jiangbei, you have become a waste?"

"Hahahaha!"

There was a burst of laughter from left to right, and there was a trace of hatred hidden in his sarcasm eyes.

"Just kidding, old classmate, don't you mind?"

After left and right Ming laughed, he patted Lin Kai's shoulder again.

If it were normal, Lin Kai would have been angry.

However, when he remembered that he had bullied Zuo Ming, Lin Kai still endured it.

After all, I was sorry for him before.

Lin Kai barely smiled: "I won't mind, long time no see, old classmate."

Seeing that Lin Kai didn't dare to get angry, his eyes were even more disdainful.

"Lin Kai, I heard that you were a soldier? Why are you now in the capital?"

Left and right asked Ming.

Lin Kai explained: "It's wrong, it's boring to be a soldier."

Naturally, he cannot say that he has joined Jiulongshan, which is an organization with absolute confidentiality.

After that, Lin Kai asked, "You Ming, I remember the conditions in your house are not so good, why are the Rolls-Royce Phantoms on now?"

Hearing this, Zuo Ming's face gradually showed a proud look.

I saw him sitting on the front of the Rolls-Royce Phantom, and said: "Being a man! It's no use relying on parents!"

"Rich is only three generations! The most important thing is to rely on yourself!"

"Although I am not a second-generation **** rich, but with my own strength, I step by step from the small place in Jiangbei to the capital!"

"Become the son-in-law!"

"I am now the husband of Long Xiaojun, the second daughter of the Long Family!"

"It is also the president of Longshi Group!"

The expression on Zuo Ming's face was a complacency.

After joining the family of Long, his life has undergone earth-shaking changes.

He has changed from being bullied before to the current president of Longshi Group.

He thought that his current status was much higher than Lin Kai's.

Lin Kai is a fart? He is just the eldest young master of Jiangbei Lin's family.

Where is Jiangbei? Although it is a rich place, it is not worth mentioning compared to the capital.

The Long Family is much stronger than the Lin Family.

He is a member of the Long Family, and he thinks that his identity is higher than that of Lin Kai.

Lin Kai nodded, no wonder he was so arrogant, it turned out that he was in Long's house.

Since he was apologetic, Lin Kai said, "It turns out that it is."

"You Ming, what unpleasant things may have happened between us before, I apologize to you."

After hearing Lin Kai apologize, Zuo Zuo Ming laughed out loud, his expression of disdain increased.

"Puff haha! Whoops, Lin Kai, this is not like you!"

“Aren’t you the great young master of the Lin family?”

“What about your previous arrogance? What apologize to me? Didn’t you just use your fists to talk before?”

“If there is a disagreement, ask more than ten bodyguards in the house to come to school to beat someone.

“How can I apologize now?”

“Could it be that you want to climb up my Long Family? Yo Yo Yo, 30 years in Hedong and 30 years in Hexi! Lin Kai, do you have today?”

Left and right Ming held his arms and curled his mouth, with an expression of disgust.

“Husband, who is this? What are you doing at the door of our house?”

Chapter 585: I Abused You Like A Dog Three Years Ago And You Can Do It Today

Chapter 585 I abused you like a dog three years ago, and I can do it today!

At this time, a woman walked down from the Rolls-Royce Phantom.

This woman was about twenty-three or four, and she looked pretty, but she was slightly plump.

Wearing a cheongsam with a Prada bag slung in her hand, she glanced up and down at Lin Kai.

This woman is the second lady of the Long Family, Long Xiaojun.

Seeing Long Xiaojun, Zuo Ming immediately pleased and greeted him: “Daughter-in-law, this is my high school classmate.”

“High school classmates?” Long Xiaojun rolled his eyes when he heard the words, revealing an expression of impatientness.

“Tell you this high school classmate, don’t want to trust your relationship to join the Long Group! Are there few people who have entered the Long Group through you these years?”

“All of them are hillbillies, and they don’t know how to fart. They come to our Long Group to eat and drink.”

“Nothing.”

Long Xiaojun didn't even bother to look at Lin Kai at this time.

The corners of Zuo Ming's mouth also showed a mocking smile.

“Daughter-in-law, you are misunderstood, this person is not here to find me to work.”

“Probably, I want to cooperate with our Long Family!”

After hearing Zuo Ming's words, Long Xiaojun looked at Lin Kai once again, and after looking up and down, she cut.

“Cut, people like this also want to cooperate with our Long Family? Don't take a **** and take pictures of their own virtues!”

After listening to Long Xiaojun's words, the left and right sides laughed loudly:

“Hahahaha!”

“Daughter-in-law, they are the eldest masters of Jiangbei Lin's family!”

This time, Zuo Ming directly announced Lin Kai's identity.

Hearing this, Long Xiaojun was taken aback, but still showed a look of disdain.

“It turned out to be from the Lin family in Jiangbei. This man from the Lin family in Jiangbei came to visit our Long family, so just take these rags?”

Long Xiaojun glanced at the famous cigarette and wine in Lin Kai's hand, and smiled disdainfully.

“There are too many people who are looking for our Long Family to cooperate with! If everyone takes these rags, where is our Long Family? A place to collect waste?”

Long Xiaojun is simply insulting Lin Kai! And Zuo Ming was also mocking Lin Kai.

In Lin Kai's heart, the anger rose.

Lin Kai squinted his eyes and asked, “This Long Family, are you letting in or not letting in?”

Hearing that, Zuo Ming deliberately showed a look of embarrassment: “Lin Kai, it's not that old classmates didn't help you, but, because your identity is not in place, there is really no way to enter our Long's house!”

“It's like a very high-end hotel. Will the people in the hotel let someone go in?”

“Nope!”

After you left and right, Long Xiaojun let out a contemptuous laugh.

With a bang, Lin Kai directly threw the gift in his hand onto the ground.

“Snob!”

Lin Kai cursed, turned around and wanted to leave.

“stop!”

At this moment, the left and right sides sighed coldly and stopped Lin Kai directly.

And Lin Kai also turned his head and looked at Zuo Ming.

At this time, Zuo Ming, his face was cold, and the smile just disappeared completely.

“Lin Kai, do you think this is Jiangbei?”

“I thought you were the young master of the Lin family, and I was just the bug that was abused by you?”

“Tell you, this is the capital city! This is the gate of Long’s house!”

“Dare to scold me? Are you **** impatient?”

Snapped! Snapped! Snapped!

The left and right clap three times. Then, there was a sound of footsteps, and the door of Long’s house opened, and a dozen of Long’s security guards ran out.

The dozen or so Longs security guards are well-trained, each under 30 years old, and they are all good fighters.

And left and right Ming put his hands in his pockets and looked at Lin Kai coldly: “Kneel down and apologize to me, I can forgive you once, or I will connect your Lin family to the roots!”

Right now, it is a madness to speak.

In his heart, it was a proud one.

Lin Kai, aren’t you awesome? Are you arrogant? Now, you show me another crazy look!

I’ll hit you crooked!

When Lin Kai looked at the dozen security guards in front of him, he also smiled: "Hehe, You Ming, I tell you, I could abuse you like a dog three years ago, and I can do it today!"

Lin Kai's words seemed to reveal the pain in Zuo Ming's heart.

At that time, the left and right sides were angry. He pointed at Lin Kai and said angrily: "Fight Lao Tzu! Beat to death!"

With an order from the left and right, a dozen security guards swarmed up, picked up the batons in their hands, and ran towards Lin Kai!

And Lin Kai's eyes also showed a playful look.

The zhenqi in his body was operating, his hands were wrapped by zhenqi, and then Lin Kai walked towards the dozen or so security guards.

A truncheon hit Lin Kai's head hard, and Lin Kai just stretched out one of his fingers and flicked it lightly.

boom! The truncheon broke in half immediately.

After that, Lin Kai slapped it gently, holding the security guard as if being hit by a train, his body flew out.

There were more than a dozen security guards, not even one security guard who could get close to Lin Kai. He waved his hands, and one security guard flew out.

This is the power of ancient warriors!

In less than three minutes, a dozen security guards all fell to the ground, clutching their chests and groaning for a while.

Lin Kai is too strong, they are not Lin Kai's opponents at all!

At this time, left and right Ming was dumbfounded.

This kid can actually fight so?

When Lin Kai was in high school, although Lin Kai was frantic, he relied on his subordinates, but now, Lin Kai actually beats ten!

And it won't leave the wind at all!

You know, the security guards of the Long Family are all professionally trained, and some are even transferred directly from the army.

But Lin Kai could beat them so easily.

That being said, Lin Kai's strength has reached a terrifying level that left and right Ming did not expect.

That Long Xiaojun was also dumbfounded.

This man is so capable of fighting?

Lin Kai came to Zuo Ming, Zuo Ming took two steps back subconsciously.

Although shocked by Lin Kai's strength, he is still not afraid of Lin Kai, because behind him is the Long Family!

"Boy, what can you do? Do you dare to move me?"

"You move me, I want all the lives of your Lin family!"

Left and right Ming had an arrogant face and his eyes widened.

He was sure that Lin Kai didn't dare to do it!

But the next second, Lin Kai sneered, and directly raised his hand.

Slap down!

Snapped!

With a sound like a cannon, Lin Kai slapped Zuo Ming's face fiercely.

With this slap, the left and right sides were drawn a lot of meat and eight elements, with gold stars in the eyes, and half of his face was swollen into a pig's head.

"I said, three years ago I could abuse you like a dog, and I can do it today!"

Lin Kai sneered.

"Presumptuous! Who dares to do something at the door of my Long's house?"

At this time, a loud shout rang out, and a dozen burly men in black rushed out of Long's house.

The dozen or so strong men in black are different from the dozen or so security guards that Lin Kai defeated.

These more than a dozen strong men in black clothes, one by one, are vicious, murderous in their eyes, and they have calluses on their hands. They are obviously from military background.

And it's not an ordinary unit, it is very likely that all are special forces!

The leader, with a straight waist and full momentum, is the eldest son of Long Xiaolin, Long Xiaotian!

After seeing him, Zuo Ming was overjoyed and ran over quickly: "Brother! You have to be the master for me, brother!"

Chapter 586: Lin Kai Is Not Worthy?

Chapter 586 Lin Kai Is Not Worthy?

Although Zuo Ming is from the Long Family.

But after all, he was just a door-in-law.

In the Long Family, he actually has no real right to speak, he is just a soft food.

It seems that he is the president of Longshi Group, but in fact, he is just a messenger of Longshi Group, and he has no real power at all.

Now that he has been bullied, he has to find Long Xiaotian to rely on.

But Lin Kai turned his back to Long Xiaotian, and Long Xiaotian didn't recognize Lin Kai at all.

At that time, Long Xiaotian frowned when he looked at the downed security guard.

"Who dares to do something at the door of Long's house? Still dare to hurt my Long's family?"

Long Xiaotian's heart was also furious.

In the capital, the Long Family is a big family!

But now, there are people making trouble at the door of Long's house. This is simply not taking the Long's house into consideration!

At this time, Zuo Ming's eyes were also gloating.

If you offend Long Xiaotian, just wait to die!

Long Xiaojun also came to Long Xiaotian's side, and said coquettishly: "Brother, it's him! He bullied my husband without telling him, but also beat our Long's security guard."

"You must not spare him lightly! He will be broken into pieces! Cramps and bones!"

Long Xiaotian snorted coldly: "If you dare to hit someone at the door of our Long's house, I must pay the price!"

"is it?"

Just after Long Xiaotian said these words, Lin Kai turned around and looked at Long Xiaotian playfully.

After seeing Lin Kai, Long Xiaotian was stunned.

It was Lin Kai?

"Lin Kai?" Long Xiaotian was a little excited.

Long Xiaotian still remembers the battle at Qingming Lake that day.

After that battle, Long Xiaolin even went to Jiangbei Lin's family to propose marriage in person! Because of Lin Kai's potential, it has already shocked the Long Family Patriarch!

Now seeing Lin Kai, how can Long Xiaotian not get excited?

"Long time no see, Major General Long." Lin Kai said with a slight smile.

And Long Xiaotian laughed even more: "Hahaha! Brother Lin, you can come to the Long Family, the Long Family is really brilliant!"

Seeing the two communicate, Zuo Ming and Long Xiaojun were dumbfounded.

Zuo Ming even pulled Long Xiaotian: "Brother, did you admit the wrong person? This kid is just a **** from the Lin Family in Jiangbei!"

Hearing this, Long Xiaotian's face turned black at that time.

I saw Long Xiaotian directly raised his hand and slapped Ming Ming.

There was a slap, and this slap made the face on the other side of the left and right Ming swell.

"Fuck your mother!"

“Lin Kai is a young man from the Lin family in Jiangbei!”

“It’s also a guest of my Long’s family!”

“From now on at Long’s house, you have to rely on Lin Kai!”

Long Xiaotian’s few words stunned Zuo Ming and Long Xiaojun.

What do you mean?

In the future, in Long’s family, will he have to rely on Lin Kai?

Is he a fart?

With a grievance on his face, he looked at Long Xiaotian: “Brother, what do you mean?”

Long Xiaotian snorted coldly: “Hehe, it’s okay to tell you now, Dad has already decided to marry my sister Long Xiaoyun to Lin Kai! From now on, Lin Kai will be the brother-in-law of the two of you!”

This sentence made left and right Ming dumbfounded.

It’s like five thunders.

He almost fainted.

what?

Want Lin Kai to be his brother-in-law?

I was ridden on my neck by Lin Kai many years ago. Now that I have finally joined the Long Family, Lin Kai still wants to be his brother-in-law?

You know that Long Xiaoyun has always been Long Xiaolin’s favorite daughter, and he attaches great importance to Long Xiaoyun.

If Lin Kai married Long Xiaoyun, his status in the Long family would definitely be extremely high!

And he, just now, was still showing off his might in front of him.

Thinking of this, Zuo Zuo Ming’s face was fiery pain.

My heart is as uncomfortable as eating shit.

Long Xiaojun was also dumbfounded. She took Long Xiaotian's arm and asked, "Brother, why? Is he worthy of marrying my sister Yun?"

"Matched?" Long Xiaotian laughed after hearing this.

"Why isn't Lin Kai worthy?"

"After he became a soldier, he left a recruit company, became a special soldier within a month, and became a rookie king within three months!"

"Getting the rank of lieutenant colonel in four months, do you think he is worthy?"

"Now, Lin Kai is a member of Jiulong Mountain, a member of Jiulong Mountain, don't you understand it without me saying more?"

"Do you think he is worthy?"

"Lin Kai has contacts all over the world, whether it is Jiangbei Jiangdong or Yanjing Island, or even Jinling, Lin Kai has contacts, do you think he is worthy?"

"In the battle of Qingming Lake, Lin Kai was famous, defeated Ye Nantian, and injured Ye Family Patriarch. Do you think he is worthy?"

"Ok?"

Every time Long Xiaotian said something, Zuo Ming and Long Xiaojun's expressions became even more ugly.

This Lin Kai has such a big background and powerful strength!

Getting the rank of lieutenant colonel in four months is simply too strong!

And the Jiulong Mountain, can ordinary people enter it? In the entire Long Family, only a few people entered Jiulong Mountain.

And those few people, each has the supreme status in the Long Family.

Ye Nantian was actually defeated by Lin Kai!

Ye Nantian was defeated, almost everyone in the upper circle of Huaxia Nation knew about it, but they did not expect that the person who defeated Ye Nantian was actually Lin Kai in front of them!

At this time, Zuo Ming finally understood what Lin Kai meant.

I was able to abuse you like a dog three years ago, and so can today!

Yes, he can indeed abuse himself like a dog now!

Zuo Ming's heart is very uncomfortable.

When Lin Kai gave Zuo Ming a good expression, Zuo Ming didn't cherish it and insulted Lin Kai.

Now, there is regret in Zuo Ming's heart. If he knew it, he should please Lin Kai!

Long Xiaotian snorted with hatred for iron and steel, "Huh! Xiaojun, do you know why you are not seen by your father? Because you are too dull!"

"Causes the Long Family to marry you even can't get married! It's not that no one wants it, but the Long Family doesn't want to throw their face outside!"

"If we let other families know that our Long Family has such a temper, the Long Family's face will be lost!"

"That's why I found you such a door-in-law."

"But I didn't expect it! Is it really a family? If you don't enter a house, you can tell me, you disappointed me too much!"

After Long Xiaotian said, he stopped paying attention to the two people with ugly faces, and he turned to face Lin Kai with a smile.

"Brother Lin, please? Father has been waiting for you at home for a long time."

Lin Kai also nodded, glanced at Left and Right Ming, and walked directly into the Long Family Manor.

After Lin Kai entered the Long Family Manor, Zuo Ming patted his thigh very regretfully.

I am fine now, I have offended Lin Kai, and also offended Long Xiaotian. How can I live in Long's house in the future?

No, I must think of a way to prevent Lin Kai from marrying Long Xiaoyun! Otherwise, my life in Long's house will be sad in the future!

Yes!

Left and right Ming's eyes lit up, and he took out his cell phone and dialed a call.

"Hello? Patriarch Ye? I'm Zuo Ming from the Long Family..."

Chapter 587: Enter Zuilong's House?

Chapter 587

Lin Kai followed Long Xiaotian into the Long Family.

The atmosphere of the Long Family really shocked Lin Kai a little in his heart.

Compared with the Lin family, although the Lin family has a larger area, after all, the Lin family is in Jiangbei.

This is the capital city, with an inch of land and an inch of gold. Moreover, it covers an area of 5,000 square meters, which can not be bought with money.

The Long Family has a strong strength in the capital to build this Long Family Manor.

After entering the manor, Long Xiaotian led Lin Kai into the main hall of the Long Family. In the main hall, several people were sitting.

Lin Kai knew the old man sitting on the main seat, and that one was the Patriarch of the Long Family, Long Xiaolin.

I saw Long Xiaolin take off his military uniform, wearing a Chinese tunic suit, sitting on the seat with a smile on his face.

He looked like an amiable old man, not an admiral at all.

Next to him, there is a middle-aged woman in her fifties, dressed in Chinese clothes with a smile on her face.

This is Long Xiaolin's wife, Long Shi.

Further down, it was Lin Kai's old acquaintance.

To be honest, this was the first time Lin Kai saw Long Xiaoyun take off his military uniform.

I saw Long Xiaoyun in front of him, wearing a cheongsam!

The purple phoenix cheongsam is very ancient.

The cheongsam was extremely self-cultivating, and it was worn on Long Xiaoyun's body, and it also brought out Long Xiaoyun's perfect figure, which was very attractive.

The figure is like a ripe apple, exuding fragrance.

At this time, Long Xiaoyun was a little shy, and he didn't dare to look up at Lin Kai.

I haven't seen Long Xiaoyun for a long time, and Long Xiaoyun is more feminine than before.

Soon, this woman will become his wife.

I don't know what's going on, Lin Kai actually has some small expectations in his heart.

As soon as Lin Kai entered the main hall of the Long Family, he saw Long Xiaolin laugh and stood up directly: "Hahaha! Lin Kai, you are here!"

When Lin Kai saw Long Xiaolin, he didn't dare to neglect. He clasped his fists and said, "Master Long, how are you doing?"

"Very good! Don't call you Old Man Long, you should call me Dad after a while! Hahahaha!"

Long Xiaolin let out a hearty laugh.

Lin Kai scratched his head and smiled.

Lin Kai took the seat, and Long Xiaolin also began to discuss marriage with Lin Kai.

"Lin Kai, I have been to your Jiangbei Lin's house, and your parents have agreed. The wedding date will be on the 18th of next month!"

"The wedding will be held in the capital!"

Long Xiaolin said.

And Lin Kai was shocked, wait, the wedding is held in the capital?

I am from Jiangbei! Why is the wedding held in the capital?

At this time, Long Xiaoyun lowered his head, his face was red, and he did not dare to look up at Lin Kai.

"Wait a minute, the wedding will be held in the capital? Why?" Lin Kai asked.

And Long Xiaolin looked at Lin Kai with a smile on his face and asked, "What? Didn't your father tell you?"

"Say what?" Lin Kai was confused.

And Long Xiaolin laughed loudly: "Hahahaha! Your father has approved you to become a parent! By the 18th of next month, you will be my dragon family!"

what!

Let yourself be the son-in-law?

Lin Kai's hairs exploded at that time! His father is so unpromising, in order to establish a relationship with the Long family, he actually married himself as a daughter?

At that time, Lin Kai had an anger in his heart.

He is the only seedling of the Lin family! And how did his father bear to marry him as a daughter?

At that time, Lin Kai's heart was angry.

Seeing Lin Kai's angry look, the Patriarch of the Long Family laughed loudly: "Hahaha, don't worry, you just joined our Long Family, but you are actually from the Lin Family. Your surname is Lin. You will not change your surname. The children born will follow your last name."

"You joined our Long Family, it's a great thing for your Lin Family!"

"The Long family and the Lin family have joined forces. In Jiangbei, who would dare to hit your Lin family's idea?"

"Your Lin family will become the well-deserved overlord of Jiangbei! You can even dominate Jiangdong in one fell swoop!"

Long Xiaolin looked at Lin Kai with a smile.

He found that Lin Kai was unusual, and knew that Lin Kai was not in the pool, so he proposed the condition that Lin Kai be a member.

At first, Lin Kai's father and mother refused to agree, but later, under Long Xiaolin's hard work, and also made great conditions, Lin Kai's father and mother reluctantly agreed.

Long Xiaolin believed in his own vision. He believed that in the near future, Lin Kai would grow up to the point where he could only look up.

Therefore, he can only seize the time to win over Lin Kai while taking advantage of the present, otherwise, he won't have this chance when it is too late!

Lin Kai looked at Long Xiaoyun, and at this moment Long Xiaoyun did not dare to look up at Lin Kai.

Long Xiaoyun, who was originally very strong, was like a shy girl at this time, bowing her head and saying nothing.

Lin Kai's heart also began to struggle. Should he agree to this marriage?

Lin Kai also has feelings for Long Xiaoyun. If he lets Long Xiaoyun marry the Lin family, Lin Kai can agree.

But let him Lin Kai enter the Long Family, Lin Kai was unwilling in his heart.

Long Xiaolin frowned when Lin Kai didn't speak. He asked, "What? Lin Kai, don't you want to?"

Long Xiaolin's tone became cold, and as the head of the Long Family, Long Xiaolin's temper was also great.

Lin Kai looked at Long Xiaolin and just wanted to speak, but at this moment, only a security guard rushed in.

"Patriarch! Patriarch!"

"The Ye Family is here!"

"The Ye Family Patriarch brought many people to visit in person!"

Is there someone from the Ye family?

Long Xiaolin's brow was frowned at the time.

This Ye family, within the second ring of the capital, is also the No. 1 force, but his Long family and Ye family have always been well watered.

Now, what does it mean that the Patriarch of the Ye Family brings the masters of the Ye Family to visit?

Suddenly, Long Xiaolin's heart slammed, yes! Lin Kai and the Ye family have a grudge!

Long Xiaolin remembered.

At that time, Long Xiaolin waved his hand and said to Lin Kai: "Lin Kai, you should hurry up and hide behind you, the Ye Family Patriarch, most of them are here for you!"

Hearing that, Lin Kai laughed: "Haha, no, I didn't do anything wrong with Lin Kai, why should I hide?"

"He comes here as soon as he comes. Can I still eat me Lin Kai?"

Long Xiaolin wanted to say something more, but at this moment, he saw a group of people breaking into Long's house directly!

Looking into the courtyard of the Long family, hundreds of Ye family disciples wearing black exercise clothes had rushed into the Long family!

And shouted in unison, full of momentum!

Good guy, the Ye Family Patriarch is here with the elite disciples of the Ye Family!

At this time, I saw the Patriarch of the Ye Family walking directly into the main hall of the Long Family with two old men.

After seeing Lin Kai, Patriarch Ye's eyes seemed to burst into flames!

Chapter 588: Fu Lao Shou Lao

Chapter 588

Ye Feng!

Ye Family Patriarch.

Also a warrior!

He was once struck by Lin Kai in Qingming Lake, and the reputation of the Ye family was wiped out at that time.

Ye Feng always keeps this hatred in his heart!

Just now, Zuo Ming called him and said that Lin Kai was in Long's house!

And Ye Feng didn't care about offending the Long Family, and brought Ye Family's elite forces directly to the Long Family.

He wants Lin Kai to pay for his life!

Ye Nantian is already disabled, he has been expelled from Jiulong Mountain, because Jiulong Mountain does not need to be abolished!

The first genius of the Ye family fell.

The hair on Ye Feng's body exploded when he saw Lin Kai.

"Lin... Open!"

Ye Feng almost gritted his teeth and called out Lin Kai's name.

He knew he was not Lin Kai's opponent, so this time he brought two masters from the Ye Family.

Just to kill Lin Kai.

At this time, Long Xiaolin slapped the table, stood up, angrily: "Ye Feng! What do you mean?"

"My Long Family and your Ye Family have always kept the well water from the river. You brought so many people to my Long Family today, do you want to go to war with my Long Family?"

Facing Long Xiaolin's anger, Ye Feng did not dare to contradict him.

At that time, I saw Ye Feng hugged his fists at Long Xiaolin and said, "Patriarch Long, you are offended."

"It was Ye Feng's fault that led someone to trespass into the Long's house today, but Lin Kai maimed my son, and even injured me in Qingming Lake. If I don't kill him, I feel uneasy!"

"As long as Patriarch Long will hand this Lin Kai to me, I will take people out of the Long Family now, and hold a banquet to apologize to everyone in the Long Family!"

Hearing this, Long Xiaolin sneered: "Haha, Ye Feng, this Lin Kai is now the son-in-law of my Long Family. If you move Lin Kai, you will move my Long Family!"

"Besides, the battle between Lin Kai and Ye Nantian was originally a matter of life and death. Lin Kai did not kill Ye Nantian, and it has given you enough face to the Ye family."

"And you are not as skilled as a human being, so you were beaten into the lake by Lin Kai."

"Is it possible that you Ye Family can't afford to lose?"

Hearing that, Ye Feng's eyes seemed to be able to burst out fire.

He looked at Long Xiaolin and said angrily: "Patriarch Long, really want to be an enemy of my Ye family?"

Although the Long Family has served in the army for generations, they have also received high attention from above and have made good relations with the Huaxia government.

However, this Ye family is a family of martial artists, and there are many ancient martial artists. The hundreds of people in the yard are all Ye family disciples, all with extraordinary skills.

If you really want to fight, Long Xiaolin may not have the upper hand.

And Long Xiaolin snorted coldly: "Today, no one wants to take Lin Kai away!"

"Really?" Ye Feng nodded and looked at Long Xiaolin coldly.

"Fu Lao Shou Lao, trouble you."

After Ye Feng's words were over, two old men behind him stood up.

The two old men were wearing practice clothes, one black and one white, and the clothes were embroidered with leaf characters.

The two of them are the top powerhouses of the Ye Family! Two martial artists!

The two of them, each holding a sword, looked sharp and murderous, even if they had gray hair, they still shouldn't be underestimated.

As soon as their aura exuded, Long Xiaolin's expression changed drastically: "Two martial artists!"

Long Xiaolin did not expect that Ye Feng had invited two martial artists to kill Lin Kai!

These two martial artists can be said to be the top masters of the Ye Family!

Except for the unborn old monster from the Ye Family, these two martial artists are the strongest!

But the martial artist of the Long Family is not in the Long Family at all, and no one in the Long Family can protect Lin Kai!

"Lin Kai! Run! They are martial artists!"

At this time, Long Xiaolin roared.

The security guards of the Long Family also rushed out, guarding Lin Kai's body.

Lin Kai stood up, looked at Ye Feng, and laughed: "Hehe, I spared you a dog's life at the beginning, but you never repent, dare to provoke me?"

"Today, none of you Ye family can run away!"

“What a crazy tone!” At that time, Ye Feng laughed loudly: “Hahaha! Lin Kai, my son Ye Nantian, a half-step martial artist, I am Ye Feng, a martial artist.”

“You can defeat us, obviously you are also a warrior.”

“But Fu Lao and Shou Lao are martial artists!”

“There are only a handful of martial arts in the entire capital, Lin Kai, today you will definitely die!”

Ye Feng snorted coldly, hugged his arms and looked smug.

Fu Lao and Shou Lao also stood with their hands behind their backs, and didn't pay attention to Lin Kaizi at all.

In their eyes, Lin Kai is nothing more than a reptile that can be pinched to death at will.

The difference between a martial artist and a martial artist is not that one plus one equals two.

A martial artist, even ten martial artists, can't beat it!

Because a martial artist can release his true energy! Killing invisible!

And Long Xiaolin also knew the horror of the martial artist, and at this time he stood up and hugged Ye Feng.

The dignified head of the Long Family actually spoke softly.

“Patriarch Ye, can you let Lin Kai die in the face of my Long Xiaolin?”

“My Long Family, I must thank you!”

Seeing that Long Xiaolin's clothes were soft, Ye Feng was also slightly proud of him, the patron of the dignified Long Family, but that's all!

Ye Feng snorted coldly: “Today, no one can stop me from taking this Lin Kai's life!”

“Fu Lao Shou Lao, kill him for me!”

As soon as Fu Lao and Shou Lao took their orders, their long swords came out of their sheaths.

brush! brush! Two cold lights flashed, and the two martial artists directly cut out a sword at Lin Kaipi in the air!

At that time, I saw two zhenqi burst out from the long sword!

The invisible innocence set off a wave of qi, which rushed towards the Long Family in front of Lin Kai.

Only a bang was heard, Fu Lao and Shou Lao's sword directly lifted dozens of Long Family members away!

At that time, I only heard a cry of pain. After the Long family landed, their faces were very pale, and some people vomited blood!

Upon seeing this, Ye Feng laughed, his eyes showed a crazy look: "Hahaha! Have you seen it? This is the power of a martial artist!"

"Lin Kai, I will let you know today and humiliate my Ye family's fate!"

At this time, Fu Lao and Shou Lao also rushed to Lin Kai, the two long swords flashed cold light again.

Fu Lao struck Lin Kai with a sword! This sword left with a deep anger.

But Shou Lao stabbed Lin Kai with a sword, sealing Lin Kai's back path.

The two cooperated very tacitly. If they were ordinary people, they might die immediately under their attack.

But Lin Kai didn't think so, and saw that he took out Meteor Finger Tiger from his pocket.

The Meteor Finger Tiger was worn on the finger, and the True Qi in the body was operating, and the Meteor Finger Tiger was immediately enveloped by the True Qi.

Afterwards, Lin Kai roared and slammed the long sword that Shou Lao had chopped off!

"drink!"

Bang! I saw Fu Lao's menacing sword, which was directly smashed out by Lin Kai's Meteor Pointer!

Old Fu's eyes widened, and the powerful impact shocked him that he could not even hold the sword securely, and his mouth was numb.

how is this possible?

How could Lin Kai have the strength to catch his sword?

Fu Lao patted his thigh, there is only one possibility, he is also a martial artist!
