

Special Forces God Level Extraction System - Chapter 589

Chapter 589: Silly Old Lady

Chapter 589

Afterwards, Shou Lao's sword pierced Lin Kai's chest!

But Lin Kai just stretched out his two fingers.

With a muffled sound, the long sword in Shou Lao's hand was already clamped by Lin Kai with two fingers.

Afterwards, Lin Kai put aside the long sword casually, and Shou Lao Yi stepped back several steps in a row.

Fu Lao and Shou Lao looked at each other with shocked expressions in their eyes.

Although they didn't give their full strength just now, they were definitely more than enough to deal with a warrior!

But Lin Kai's strength shocked them.

Lin Kai is not a warrior, but a warrior!

For such a young martial artist, if he was given some time to grow up, Fu Lao and Shou Lao would definitely not be opponents.

There was also a surprised look in Ye Feng's eyes.

“No wonder it's so arrogant, it turns out to be a famous martial artist!”

After hearing what Ye Feng said, Long Xiaolin's eyes widened.

Although he knew that Lin Kai must not be in the pool, he did not expect that Lin Kai was so young that he already had a martial artist level cultivation base.

This can no longer be used to measure Lin Kai by genius, and should be compared to Lin Kai with the word evil.

But at this time, Long Xiaolin's heart was a regret.

Knowing that Ye Fengshan was coming, he should have brought back all the experts in the Long Family.

Now, Lin Kai's life is in danger, and Long Xiaolin is still helpless!

Ye Feng laughed: “Hahaha! I didn't expect you to be a famous martial master! But what if you are a famous martial master?”

“Two fists are hard to beat four hands. It seems that you should have just been promoted to a martial artist, right?”

“Fu Lao and Shou Lao have been promoted to martial arts for many years! Will it be difficult for them to kill you and the other?”

With that, Ye Feng's eyes showed a trace of contempt.

Fu Lao and Shou Lao looked at each other, and both of them had to show their true methods.

“Cut him!”

Fu Lao shouted, and then, Fu Lao and Shou Lao took a few steps back.

I saw the sword in their hands brightened! A steady stream of true energy poured into the sword.

They are coming for real!

brush!

brush!

Seeing two cold lights flashing, two sword auras slashed towards Lin Kai.

Sword Qi set off waves of qi.

These two sword auras condensed the true aura of Fu Lao and Shou Lao, even stones can be split, let alone a person.

Two sword qis, one left and the other right, directly blocked Lin Kai's retreat.

And Lin Kai's eyes also showed a solemn expression.

It seems that this is a tough battle!

At that time, I saw Lin Kai's luck with both hands on his chest, and the true Qi in his body surged and appeared in Lin Kai's palm.

With six hundred points of true energy, Lin Kai could already use it freely.

In Lin Kai's hands, Zhen Qi was condensed to the size of a basketball.

Afterwards, Lin Kai pushed out Zhen Qi!

"drink!"

Zhen Qi directly hit the two menacing sword auras!

Boom!

A loud bang sounded, and the entire main hall of the Long Family was shaken!

Light up!

It can be called flying sand and walking stones. At that time, the cups and porcelain in the whole hall were instantly broken.

And Lin Kai only felt that it was a vigorous blow!

His body retreated several steps uncontrollably, and Lin Kai directly slammed into the wall with a bang.

Such a powerful infuriating spirit!

There was a look of jealousy in Lin Kai's eyes.

At this time, a trace of blood had shed from the corner of his mouth, and his body was churning.

Lin Kai still felt the pressure with one against two.

Look at Fu Lao and Shou Lao, standing motionless, not even a single strand of hair was hurt.

“Boy, accept your fate!”

“You are very strong. If you are one-on-one, we may not really be your opponent.”

“but now”

“Humph!”

Old Fu sneered, the long sword in his hand flashed cold again!

“Stop talking nonsense! Kill him!”

Shou Lao let out a cold snort, and the two of them rushed towards Lin Kai with their swords!

Lin Kai was already injured and his body was a little weak. Facing the attack of the two, he was also weak.

Fu Lao Shou Lao once again stabbed Lin Kai with a sword, and Lin Kai reluctantly used the meteor to point the tiger's body.

With two ping-pong sounds, Lin Kai resisted the two old men's swords.

But afterwards, the sword shot like a dragon and stabbed, no matter how strong Lin Kai is, he is just alone.

Faced with such a fierce attack by the second elder, soon after, the color hung on his body.

Several swords were hit in the upper body, the clothes were torn and blood was flowing.

boom! Lin Kai was directly beaten back to the corner of the wall, and the two elders did not intend to let Lin Kai go. The two of them shot out their swords and stab Lin Kai's heart together!

If this sword stabbed, Lin Kai would definitely die!

“stop!”

At this time, only a sweet drink was heard, and Long Xiaoyun stood up, glaring wide.

“You dare to move him! I will let you Ye family be buried with you!”

Long Xiaoyun clenched his fists, stared at the second elder, and said angrily.

The second elder also stopped the attack and looked at Long Xiaoyun with a playful look.

For them, Lin Kai is a dead dog. They can kill Lin Kai whenever they want.

“Yeah, little girl, I’m not old, but my tone is not young.”

Ye Feng stood up, he had already offended the Long Family anyway, and he was not afraid of offending further.

“I admit that your Long family has a great cause and have been in the army for generations, but my Ye family is not bad!”

“Guwu family! You are in the town, the two elders of the blessing and the longevity, with your dragon family, also want to destroy my Ye family? Haha, think beautifully!

“You!” Long Xiaoyun was so angry that she saw her chest rise and fall, her eyes widened, but Ye Feng was helpless.

“Lin Kai!”

I saw Long Xiaoyun ran towards Lin Kai.

At this time, Lin Kai was almost seriously injured.

The whole body was full of blood, and the true qi couldn’t work anymore, so embarrassed.

However, the corner of Lin Kai’s mouth kept a playful smile.

Long Xiaoyun came to Lin Kai’s side and saw Lin Kai in this state, his distressed little hands trembled.

“You...” Long Xiaoyun looked at Lin Kai and his eyes were wet.

“Stupid old lady, are you crying? This is not like you!” Lin Kai teased feebly.

“When is this, you can still laugh?” Long Xiaoyun said angrily with a cry.

Lin Kai smiled and glanced at Fu Lao and Shou Lao: “Why can’t I laugh? The two of them are just **** in my eyes.”

After hearing Lin Kai’s words, Fu Lao and Shou Lao sneered: “Ha ha, young man, you have to figure out your current situation.”

“You are dying already!”

Ye Feng also strode to Lin Kai’s face at this time, and saw Lin Kai who was beaten covered in blood, he smiled.

He smiled triumphantly, his expression was a relief from hatred.

“Lin Kai, do you remember how you beat and disabled my son?”

“Remember how you beat me into Qingming Lake?”

“Regret it now?”

“Now, I can give you a chance, kneel down and say, I’m sorry to the Ye family, I am willing to be a dog of the Ye family, and I can let you go.”

“Just abolish your cultivation base, break your limbs, and let you live in this world like a dog!”

Special Forces God Level Extraction System – Chapter 590 -

Chapter 590: Takeshi's Career?

Chapter 590: Wu Sheng was born?

Ye Feng wants Lin Kai to die!

Instead of killing Lin Kai, let Lin Kai live in this world like a waste.

Let him suffer from other people's eyes and ridicule, and let him experience the taste of his son being beaten and disabled!

In Ye Feng's heart, that is a hate!

He not only wants Lin Kai to become a waste dog, but also wants people all over the world to know what will happen if he dares to provoke the Ye Family!

Fu Lao and Shou Lao also looked at Lin Kai coldly, without any sympathy.

As long as Ye Feng gave an order, these two elders would immediately kill Lin Kai or abolish Lin Kai.

Long Xiaoyun's eyes were full of worry.

Does she have no feelings for Lin Kai? It is false to say that there is no emotion.

Now, Lin Kai's life is in danger, but she can do nothing.

She could only hold Lin Kai tightly, even though the blood had already stained her, she didn't care.

“If you dare to move him, I will die with him!” Long Xiaoyun screamed.

Ye Feng laughed: “Haha! It doesn't matter! One death is also death, and two deaths are also death!”

boom!

At this moment, I saw Long Xiaolin pat the table with an angry expression on his face.

Ye Feng wants to kill Lin Kai, but now he still has to move his Long Family. How can Long Xiaolin bear it?

“Ye Feng! Don’t be too presumptuous! Do you dare to commit crimes in my Long Family like this when there is no one in my Long Family?”

“Are you really afraid of my Long Family’s two martial artists coming home?”

Long Xiaolin was really angry.

Ye Feng took so many people into the Long’s house and didn’t give him any face for Long Xiaolin.

It even severely injured his son-in-law! Also kill him Long Xiaolin’s daughter.

He can’t bear it anymore!

Seeing Long Xiaolin’s anger, Ye Feng’s heart was also a little worried.

He also didn’t want to make the relationship too stiff, he held his fist at Long Xiaolin: “I’m sorry, old man Long, today I will only take away Lin Kai, the others have nothing to do with me!”

After that, Ye Feng snorted coldly: “First, let me discard Lin Kai’s cultivation base!”

“Yes!”

Shou Lao was able to pick up the long sword and walked directly in front of Lin Kai. After that, he wanted to pierce Lin Kai’s Dantian.

The dantian is the place where the true energy is contained. Once it is damaged, the cultivation will be useless!

And Lin Kai’s eyes also had an angry look.

Well, the game should be over.

I just want to see how long I can last with the strength of six hundred points of innocence.

My extraction ability is useless!

There was a playful look in Lin Kai’s eyes.

But at this moment, an unexpected scene happened.

I saw that Long Xiaoyun seemed to be crazy, and he directly pounced on Shou Lao!
And grabbed the blade of the long sword with both hands!

At that time, blood splattered!

Shou Lao's long sword is extremely sharp! Holding the sword body with your hand, you are simply looking for death!

"You!" Shou Lao's eyes widened, and he did not expect that Long Xiaoyun would be so desperate and dare to grab his sword with his hands!

He is tantamount to hurting the daughter of the Long Family Patriarch!

"Don't move him!" Long Xiaoyun screamed.

At this moment, Ye Feng couldn't take care of that much, he saw him rush forward with a sprint, grabbed Long Xiaoyun directly, and threw her to the ground.

Ye Feng is a martial artist, even if Long Xiaoyun is outstanding, he is definitely not Ye Feng's opponent.

"roll!"

Ye Feng said angrily.

Then he looked at Lin Kai again: "Stop him!"

Lin Kai laughed after seeing the blood on Long Xiaoyun's hands.

A grinning smile appeared at the corner of his mouth.

The eyes were bloodshot, very scary.

"Ha ha ha ha ha ha ha!"

Lin Kai stood up. He looked at Fu Lao Shou Lao and Ye Feng, and he spit out a few words: "You...all! Damn! Die!"

After that, Lin Kai roared: "Extraction ability! Flathead brother!"

After Lin Kai said these words, it seemed that a burst of energy was poured into Lin Kai's body!

A powerful aura erupted from Lin Kai's body!

At that time, in the entire main hall, there were almost flying sand and rocks, and all the objects were blown into the air by the aura bursting out of Lin Kai's body.

Even people are a little unstable.

"Ability to extract, Ganoderma!"

Lin Kai shouted again and saw a green light flashing from his body.

The green light appeared on all the wounds on his body, wherever the green light passed, the wounds on Lin Kai's body healed one after another.

Within a few seconds, a perfect Lin Kai appeared in front of everyone.

"this is"

Fu Lao and Shou Lao glanced at each other, a look of horror appeared in their eyes.

They had never seen such a shocking scene.

clatter!

clatter!

clatter!

Lin Kai's footsteps sounded, and Lin Kai walked out of the corner with his hands in his pockets.

He picked up Long Xiaoyun who fell on the ground, and ignored Long Xiaoyun's surprised eyes, he looked at everyone in the Ye family.

"The game is over!"

After that, Lin Kai casually pointed at Fu Lao Shou Lao, only to see a powerful qi gushing out of Lin Kai's body!

As soon as Flathead's ability comes out, his attributes are doubled! Six hundred points of innocence had already doubled to 1,200 points!

One hundred points is a martial artist, five hundred points is a martial artist, and one thousand points is a martial sage!

People who have true qi are called martial artists.

The person who exudes innocence is called a martial artist!

The person with true Qi and imperial things is Wu Sheng!

Lin Kai at this time is a martial sage!

Infuriating energy can be controlled by him at will. When he pointed at Fu Lao and Shou Lao, the true energy condensed in the air into a huge palm, directly pinching Fu Lao and Shou Lao!

However, there were horrified expressions in the eyes of Fu Lao and Shou Lao. They found that the true energy in their bodies was firmly suppressed by Lin Kai!

The two of them didn't even have the energy to fight back!

I saw the two of them were directly separated by Lin Kai and caught in the air!

A look of fear appeared in Fu Lao's eyes: "This..."

"Zhen Qi Yuwu! Wu... Wu Sheng!"

Fu Lao's voice trembled.

Wu Sheng! There are not many martial arts in this world! In front of him, a Martial Saint actually appeared!

And also such a young martial artist!

He... Could he be a real fairy?

Facing such a powerful Lin Kai, Fu Lao and Shou Lao couldn't even raise the heart of resistance.

Because they knew that even if they resisted, it was useless. They weren't Lin Kai's opponents at all.

When Lin Kai wants them to die, when they must die!

At this moment, Ye Feng's eyes were full of fear.

He is the Patriarch of the Ye Family of the Ancient Martial Family, and he naturally understands how terrifying this Martial Saint is.

Facing Wu Sheng, he only had the impulse to worship, and he did not dare to resist!

He regretted it, he was terrified, he couldn't wait to kneel down for Lin Kai at this moment!

Once Wu Sheng came out, who would fight for it? Not to mention Fu Lao and Shou Lao, even the entire Ye Family is not worthy to compete with Lin Kai!

And Long Xiaolin trembled with excitement, Lin Kai was actually a martial sage!

This is the honor of his Long Family!

The Long Family is coming up!

Chapter 591: Beat You Into The Mud

Chapter 591: Beat You Into Mud!

Long Xiaoyun was held in Lin Kai's arms.

At this moment, Long Xiaoyun could only feel Lin Kai's strong chest and arms.

Her face turned red after a single brush.

Looking up, Lin Kai at this moment was angry and his eyes flushed.

It's like killing the gods.

Long Xiaoyun had never seen Lin Kai like this before, and Lin Kai at this time gave her a sense of security!

Because he is too strong!

And the faces of Fu Lao and Shou Lao are full of fear!

so horrible!

The power of Wusheng made them powerless to resist!

Lin Kai tilted his head and sneered: "Ha ha, it is an honor for you to die in my hands!"

After that, Lin Kai volleyed a finger and pinched Fu Lao Shou Lao's innocent palm and began to shrink.

It's like a clenched fist!

Fu Lao and Shou Lao's old faces began to turn red, the veins began to violently, and they already felt short of breath.

Too strong!

They can't stand this kind of pressure at all!

At this moment, they can only make a humming sound, struggling desperately, but all of this is just useless.

Soon after, with a clenched fist, with a bang, Fu Lao and Shou Lao were like watermelons that had been hammered!

The two people turned into a rain of blood and fell from the sky.

A place of bones and blood, two people, not even the entire body!

There was no sympathy in Lin Kai's eyes.

For those who want to kill him, Lin Kai will not show mercy. Whoever wants Lin Kai to die, Lin Kai will let him die!

Fu Lao and Shou Lao died, and the whole hall was deadly silent.

But Ye Feng was almost shocked at this time.

I saw him sitting on the ground, his legs trembling constantly, and there was a piece of yellow liquid flowing out of his crotch.

He has been scared to pee!

Seeing Fu Lao and Shou Lao's death method, his heart was terrified.

He was afraid that he would die like Fu Lao Shou Lao, he didn't want to die! He is the Patriarch of the Ye Family!

Fear had already occupied Ye Feng's heart. At this time, Ye Feng had no dignity anymore.

He knelt down directly at Lin Kai and kowtowed his head vigorously.

"Master Lin, I was wrong Master Lin..."

"Spare my life, Lord Lin!"

"Master Lin!"

Lin Kai looked down at Ye Feng who was kneeling on the ground and sneered.

"Hehe, I gave you a chance at the beginning, but you didn't cherish it!"

“Everyone, I give Lin Kai a chance. Why do you have to wait until you are about to die before you realize that you are afraid?”

Lin Kai said, looking at Long Xiaoyun, after seeing the wounds on Long Xiaoyun’s hands, Lin Kai covered it with his hands very distressed.

“Dare to move my woman, do you think you have lived too long?”

Lin Kaixie smiled.

He came to Ye Feng: “Today, I will let you be like your son, and then I will send you to see Wangye Yan!”

After that, Lin Kai directly raised his right leg and fell down fiercely.

Then, there was a cry of killing a pig.

Soon after, Ye Feng’s arms and legs were already trampled by Lin Kai.

At this moment, Ye Feng, lying at the feet of Lin Kai like a dead dog, only fear in his eyes.

His limbs had been broken by Lin Kai, and Ye Feng at this time could only crawl on the ground like a worm.

He crawled under Lin Kai’s feet and looked up at Lin Kai with a look of desire to survive: “Master Lin, spare my life...”

Lin Kai lowered his head and glanced at Ye Feng coldly, without any sympathy: “Go to hell!”

Following Lin Kai’s roar, he kicked Ye Feng’s stomach directly!

But Ye Feng just flew out like a football kicked out by Lin Kai!

While flying, Ye Feng also vomited a large amount of blood, which was also mixed with his internal organs.

There is no doubt that he will die, his internal organs have been kicked out by Lin Kai!

I saw that Ye Feng was kicked by Lin Kai from the main hall directly into the Long’s courtyard. With a plop, Ye Feng hit the Long’s lawn like a puddle of mud.

And hundreds of disciples of the Ye family were shocked when they saw Ye Feng.

Seeing Ye Feng being beaten into mud, even someone couldn't help but vomited directly on the spot.

At this time, Lin Kai walked out of the Long Family Hall step by step and came to the gate.

He glanced at the hundreds of Ye Family disciples in front of him, and smiled coldly: "Ha ha, who gave you the courage to set foot in the Long Family?"

"Ok?"

Lin Kai asked angrily.

And hundreds of disciples of the Ye family saw their Patriarch died in the Long Family, and the two masters of Fu Lao Shou Lao were also missing.

No one dared to speak.

Moreover, Lin Kai's murderous aura was so heavy that they did not dare to talk back.

"All those who set foot in the Dragon's house, cut their arms, and get out of the Dragon's house!"

Lin Kai said angrily.

He just wants everyone to know what the fate of Lin Kai was like!

As soon as Lin Kai said these words, the audience was in an uproar, asking for an arm from each disciple of the Ye family?

This is too rampant!

Moreover, they didn't know Lin Kai either. At that time, a group of people said angrily: "Who the **** are you?"

"Why do we break our own arm, have the ability, you come to kill us!"

"Don't think that our Ye family are good bullies!"

...

A clamor rang out, and Lin Kai smiled at this time.

I saw him gently waved his hand, and the true energy burst out from his body.

Then, a wave of air was lifted out.

In the entire Long's yard, there was an instant flying sand and rocks.

The stones, bricks, stone tables, stone benches and other objects in the yard all flew in the air!

All these messy items flew around the disciples of the Ye family, as long as Lin Kai thought, he could completely kill the disciples of the Ye family!

At this time, the scene was as silent as death.

Everyone was dumbfounded when they saw Lin Kai's strength.

At this time, I don't know who it was with a horrified roar: "Zhen Qi Yuwu, he... he is Martial Saint!"

As soon as this sentence came out, the audience was in an uproar!

Actually a martial artist!

No wonder there is such a powerful aura, even under one finger, all objects can fly up, it turns out that he is a martial sage!

Everyone panicked, no wonder the Patriarch of the Ye Family was beaten into a puddle of mud. It turned out that the Long Family had a Martial Saint!

I don't know who started the head, I saw a person knelt down, and then more and more people knelt down.

Finally, hundreds of Ye Family disciples all knelt down! They began to worship Lin Kai.

Wu Sheng, as strong as this, they dare not resist, only the heart of worship.

Lin Kai looked at the hundreds of Ye Family disciples on the court with contempt: "Can't you understand me? Either I will cut my arm or I will send you to Huangquan Road!"

This time, no one dared to question or talk back to Lin Kai's words.

Today, I will either cut myself off or leave my life here!

Wu Sheng's words are not joking.

Although it is cruel to break an arm, what is an arm compared to life?

Chapter 592: Have To Marry Two

Chapter 592

Soon after, Lin Kai returned to the Long Family Hall.

The Ye family are gone, and everyone has paid a painful price.

The Ye Family came menacingly to find Lin Kai for revenge, but was defeated by Lin Kai alone!

The two martial artists died on the spot!

The owner of the Ye family was also beaten into a pool of mud.

The Ye family disciples who entered the Long family broke their arms.

For the Ye family, this was a painful price, and it was destined to greatly reduce the status of the Ye family in the second ring road.

After returning to the main hall, everyone looked at Lin Kai with different eyes.

Long Xiaolin looked at Lin Kai's eyes, as if he saw a beautiful woman without clothes, and his saliva flowed down.

Long Shi looked at Lin Kai's eyes more gently.

At this time, Long Xiaotian looked at Lin Kai like his idol.

Let alone Long Xiaoyun, looking at Lin Kai affectionately.

Lin Kai sat back in his seat and smiled at Long Xiaolin: "Excuse me, Mr. Long, didn't you scare you just now?"

Long Xiaolin laughed loudly: "Hahahaha! Xiaokai, great job!"

"Your growth rate really surprised me!"

Lin chuckled and said, "Master Long, let's talk about marriage."

With that said, Lin Kai glanced at Long Xiaoyun.

Lin Kai also has a good impression of Long Xiaoyun. Although Da Lin was a few years old, she has always given Lin Kai a strong desire for protection.

She wanted to protect Lin Kai, even though she was incapable.

Just now, in order to save herself, she caught the blade with both hands.

What courage is this?

Lin Kaidao: "I agree with the marriage of the Lin family and the Long family."

"But I don't agree with letting me go to Zhulong's house."

Lin Kai directly put forward his own point of view.

Long Xiaolin laughed.

The reason why he proposed to let Lin Kai join the Long Family's family was because he felt that Lin Kai had not become stronger yet. He wanted Lin Kai to enter the Long Family's family and he would use the resources of the Long Family to make Lin Kai stronger.

But now that Lin Kai is so powerful, it would be too much to ask Lin Kai to join Yulong's house.

"Hahaha! Good! My daughter Long Xiaoyun can marry the Lin family, and you don't have to join my Long family."

"Not only that, buy one get one free, my most beloved little daughter will also marry you!"

"What?"

Lin Kai's eyes popped out at that time, buy one get one free?

Lin Kai never expected that if he married Long Xiaoyun as his wife, he would be able to give one away!

Lin Kai looked at Long Xiaoyun, he wanted to see what Long Xiaoyun thought.

Unexpectedly, Long Xiaoyun lowered his head. She, who was very strong before, actually acquiesced.

What's happening here?

Long Xiaolin waved his big hand at this time, and said: "Xiaotian, go and call Xiaoling to me."

"Okay." Long Xiaotian agreed and went to find Long Xiaoling.

Soon after, Long Xiaotian came from outside the main hall, and behind him was a girl.

Lin Kai craned his neck to look at it, but after a glance, Lin Kai was amazed.

Behind Long Xiaotian, there was a girl who was eighteen or nine years old, who was very cute and cute.

The skin is white, can be broken by blowing, the figure is delicate, the face is beautiful, and the big eyes are watery and very energetic.

Like a fairy in the sky.

She was wearing a long pink dress, very naughty and cute, not very hot, but very slim.

Compared with Long Xiaoyun, this is completely two types!

Long Xiaoyun has a hot body, an upper-middle appearance and a bad temper, but he understands the overall situation and can do big things.

As for Long Xiaoling, with a slender figure, a superb appearance, and a tender skin, he is a little wife who can be raised at home.

Long Xiaoling, the youngest daughter of Long Xiaolin.

After she came to the main hall, she came to Long Xiaolin's side very mischievously and pulled off one of Long Xiaolin's beard.

"Hehe, Dad, what do you want me to do?" Long Xiaoling asked mischievously.

And Long Xiaolin's eyes were full of love.

"Hahaha, Xiaoling, come and meet him, he will be your man from now on!"

With that, Long Xiaolin pointed at Lin Kai.

"Man?" Long Xiaoling tilted his head and looked at Lin Kai, looking curious.

She did not understand the seriousness of the matter at this time.

She looked up and down Lin Kai, and then smiled: "Hehe, this little brother is quite handsome, Dad, what do you mean by man?"

Long Xiaolin explained: "Your elder sister is going to marry her, so you can marry her too. Your elder sister will be a big one, but you will be a small one.

As soon as Long Xiaolin's words came out, the scene was silent for a few seconds, and then Long Xiaoling's screams resounded throughout the main hall.

"Damn!"

“father!”

“What are you doing?”

“Xiao Ling is still young, Xiao Ling doesn’t want to marry, Dad!”

“Furthermore, let my sister and I marry the same person, what’s the matter?”

Long Xiaolin smiled, he did this naturally with his intentions.

When Lin Kai was young, he already had the cultivation base of Martial Saint, and his future was limitless.

He married his two daughters to Lin Kai, for two reasons.

First, I wanted to please Lin Kai and use his beautiful little daughter to make Lin Kai and the Long family unable to break the relationship.

Second, I want Long Xiaoyun or Long Xiaoling to give birth to Lin Kai’s child.

Lin Kai is so strong, his bloodline is certainly not bad, when the time comes to give birth to the child, the Long family will raise one of the children.

At that time, the child might be able to preside over the overall situation of the Long family.

“Xiaoling, listen to me, you are not too young anymore, it’s time to marry.”

“Lin Kai, this kid is good, Jiangbei Lin’s family, Lin’s family, and he is strong.”

“Rich second generation?” Long Xiaoling raised his eyebrows and looked at Lin Kai with some contempt.

Long Xiaolin was taken aback, then smiled: “Ha ha ha, be it.”

“I look down on the rich second generation most!”

“My Long Xiaoling man should be the kind of man who can fight for a world without relying on his family!”

“That’s how you feel safe, don’t you think sister?”

When Long Xiaoyun was asked, he nodded. Good fellow, the two sisters had exactly the same idea.

“Want me to marry him?”

“Unless, he doesn’t rely on his home, he can build a big family of hundreds of billions in the capital!”

“There can still be masters like our long elders!”

“Otherwise, don’t want me to marry him!”

After Long Xiaoling’s words, Long Xiaolin smiled bitterly.

A hundred billion big family? Where is it so simple?

Conquer two martial artists? It is even more difficult.

This was clearly a condition put forward by Long Xiaoling deliberately making things difficult for Lin Kai.

“Will you marry or not?” At this time, Long Xiaolin’s tone became cold and he yelled.

And Long Xiaoling was full of excitement. Although she was afraid of Long Xiaolin, she still akimbo her hips and said stubbornly: “Don’t marry!”

“If you don’t marry? You can’t do that! You will be **** and sent to Lin’s house then!”

Seeing Long Xiaolin’s anger, Lin Kai quickly stood up and said, “Master Long, should you forget it? It’s really not appropriate to marry two.”

“No! You have to marry two!” Long Xiaolin also had a donkey temper and wanted Lin Kai to marry two.

Chapter 593: Rogue Metamorphosis

Chapter 593 Rogue! metamorphosis!

For a while, Lin Kai was also dumbfounded.

Although marrying two beautiful and beautiful wives is a very happy thing, but the twisted melon is not sweet!

Long Xiaoling didn’t want to marry Lin Kai with her sister at all.

“Dad! Are you selling your daughter?”

“If you marry me to the young master of the big family in Yihuan, I will recognize it.”

“But what do you mean by marrying me to Jiangbei? Buy one get one free! Dad, are you crazy?”

“I won’t marry! Unless he can make his own world in the capital!”

Long Xiaoling is very stubborn.

Long Xiaolin was even more stubborn.

“Do you dare to talk back? Dad asked you to marry, so there must be a reason to let you marry!”

“If you marry or not, you can’t help!”

Lin Kai couldn’t stand it anymore at this time.

If we don’t stop the two of them, they will probably fight in a while.

“Master Long, calm down.”

Lin Kai laughed with him: “Hehe, let’s just follow what she said, when she thinks I am qualified to marry her, I will come to marry my elder wife and little wife.”

Lin Kai said with a smile.

At this time, Lin Xingli was stealing joy.

It just so happens that I still don’t want to get married so early.

Long Xiaoling, you thought you had a problem for me, but I didn’t expect it to make me happy for a while.

Hearing the words, Long Xiaolin thought a little, and nodded: “Well, anyway, with your abilities, it is not difficult to make achievements in the capital.”

“That `s a deal!”

Next, Long Xiaolin’s wife personally cooks a table of good dishes for Lin Kai.

Lin Kai stayed at Long’s house until the evening before Long Xiaolin sent a car to take Lin Kai back to Cuihu Garden on the Fifth Ring Road.

After returning to Cuihu Garden, Lin Kai went to sleep after washing.

The next day, Lin Kai was awakened by a ringing of the phone.

I took out my cell phone and found that Du Jinhu was calling.

“Hello?” Lin Kai answered the phone.

“Brother Lin, I called you today to ask if you are interested in participating in an auction?”

Du Jinhu asked.

“Auction?” Lin Kai was confused.

“Yes, but this is not a simple auction. In the auction, antiques and antiques are not sold, only things that can be used by ancient warriors.”

“I was also invited by the auction, so I want to ask if you are interested.”

Du Jinhu is driving in Bajielin.

After investigation, Lin Kai’s identity became more and more difficult in his eyes.

He can be sure that Lin Kai is an ancient warrior.

Only if he is fond of an ancient warrior, Du Jinhu can better mix in the capital.

Originally, Lin Kai was not interested in ordinary auctions, but Du Jinhu said that this auction was held specifically for ancient warriors, and Lin Kai was interested in going over and taking a look.

“Brother Xie Du, just let me know when you go.”

“You’re welcome, Brother Lin.”

“Dududu...”

When the phone hung up, Lin Kai glanced at the time and got up from the bed.

“Bow!”

Hearing a scream of rhubarb, it brought a toothbrush and toothpaste for Lin Kai.

I have to say that this dog is really human.

Washing his face, brushing his teeth, putting on a set of clean clothes, came to the top floor of Yulong Pavilion, basking in the sun, looking at the distant scenery, life is so leisurely.

(The life the author dreams of.)

Rhubarb sat next to Lin Kai and put on a pair of sunglasses in a humane way, and followed Lin Kai to see the distant scenery.

“the vast horizon is my love”

Lin Kai hummed a little song and looked into the distance.

Suddenly, a beautiful figure attracted Lin Kai’s attention.

The villa next to Yulong Pavilion is called Lanyulou. The price of Lanyulou is also very high and the environment is very beautiful.

I saw a woman standing beside the open-air swimming pool on the third floor of Lanyu Building.

The woman looked twenty-three-four years old, with a fiery figure, and her lordosis was raised.

The skin is snow-white, and the water-soaked skin glows brightly in the sun.

A wavy hair casually draped over her shoulders, she wore a bikini swimsuit, black lace, very sexy.

Lin Kai was also surprised by her face.

The oval face, the small cherry mouth, and the eyes are very special, so people will not forget it at a glance.

A top beauty!

Lin Kai curled his lips. Isn’t this the little tender model raised by a big boss?

Lin Kai was looking at the beauty, and Rhubarb was also staring at the beauty.

At this moment, Lin Kai took a casual look and immediately saw that there were still some pink underwear on the balcony on the third floor.

Depending on the size, it should be that beauty.

At that time, Lin Kai said casually: “This underwear is good, pink and pink, it should be very fragrant.”

The speaker had no intention, the listener had the intention, rhubarb heard the words, his eyes rolled around and he took off his sunglasses directly.

Afterwards, Rhubarb ran downstairs.

“What are you going to do?” Lin Kai asked, but Rhubarb ignored Lin Kai.

Later, Lin Kai saw Rhubarb straight out of the yard, and then came to the wall of the Lanyu Building, jumped, and jumped directly in.

“Huh?” Lin opened his brows and frowned, and realized that this matter seemed difficult!

What is this stupid dog doing?

Then, a shocking scene happened. Rhubarb walked directly into the villa, and then to the third floor, passing by the beautiful woman surreptitiously.

Then he came to the drying rack and drank it on the pink underwear.

Then, return to Dahuangyuan Road, directly from Lanyulou to Yulong Pavilion.

Soon after, Lin Kai looked at the underwear in his hand, speechless for a long time.

Although you are smart, we can't do this kind of thing either!

The underwear in his hand is a pink lace-rim underwear, which seems to be at least D grade.

Smell, let alone, it smells good.

but!

Lao Tzu is the best student under the five-star red banner, the flower of the motherland, and the pillar of the future!

How can you do such a trivial thing?

“You, take me back!” Lin Kai ordered.

Rhubarb's big eyes looked straight at Lin Kai, seemingly puzzled.

“Bow!”

Rhubarb called three times.

It seems to be saying, dont you like it? I stole it back for you, but you actually asked me to send it back?

I will not go!

Seeing that the rhubarb was not moving, Lin Kai slapped it on the head.

“You don't go, are you? If you don't, I will go!”

At that time, Lin Kai went downstairs very angrily.

And Rhubarb looked at Lin Kai's back, also showing a bitter look in his eyes.

Good, you are a human kind, I use underwear to please you, if you don't appreciate it, you still beat me?

Don't I need dignity?

Lin Kai confidently climbed over the wall of Lan Yulou, and wanted to use his own skill to secretly put the underwear back, it must be unconscious.

I saw him successfully reach the third floor, and the beauty swimming on the third floor did not find Lin Kai at all.

Just as Lin Kai put his underwear on the drying rack, a dog bark suddenly sounded.

"Bow!"

Rhubarb cried!

And the beautiful woman who was swimming also surfaced, just to meet Lin Kai, she also saw Lin Kai holding her underwear.

"Ahhhhh! Hooligan! Perverted!"

Chapter 594: Hooliganism

Chapter 594

Zhang Xiaoqian screamed.

But the rhubarb smiled humanely in the distance.

It was actually laughing at Lin Kai! The expression is a triumph.

Rhubarb was called Lin Kai because he couldn't understand it, otherwise Zhang Xiaoqian would not be able to spot Lin Kai.

And Lin Kai couldn't clean it after jumping into the Yellow River now, Zhang Xiaoqian was looking at Lin Kai with an angry expression!

Lin Kai looked at the yellow underwear in his hands, crying without tears.

He stammered: "I... I said your underwear floated into my house, so I sent it back to you, do you believe it?"

“Pervert! Rogue!” Zhang Xiaoqian screamed.

With a bang, Zhang Xiaoqian stood up directly from the pool.

At that time, Zhang Xiaoqian’s figure was exposed in front of Lin Kai.

At that time, Lin Kai’s eyes were straight, it was really an angel-like face and a devil-like figure!

Zhang Xiaoqian’s figure almost made Lin Kai’s nose bleed, even if Long Xiaoyun was compared to Zhang Xiaoqian, I am afraid it could not be better.

Zhang Xiaoqian’s figure can be described as lordotic and warped.

The key is that her skin is particularly white, and the tenderness is almost out of water.

And her small face is also the most delicate one Lin Kai has ever seen.

No wonder living in this blue jade building, if Lin Kai had such a beautiful wife, he would buy her the entire community!

But Zhang Xiaoqian was angry when he saw Lin Kai staring at her figure, “You! Look again! I’ll dig out your eyeballs!”

Zhang Xiaoqian said angrily.

Lin Kai waved his hand quickly and put the yellow underwear back on the hanger.

Xiaoxiao said with a smile: “Beauty, don’t get me wrong, I’m really not a perverted hooligan.”

“My dog brought your underwear back. I’m here to give you underwear.”

After all, even Lin Kai himself blushed, he himself felt that his words were not credible.

Did the dog take the underwear back?

Zhang Xiaoqian’s angry look was also irritated by Lin Kai’s words.

“what?”

“Do you think Zhang Xiaoqian is a fool?”

“Why don’t you say that my underwear flew into your house by itself?”

“Seeing that you look like a dog, why don’t you do human affairs? Stealing underwear? What a pervert!”

Zhang Xiaoqian said, approaching Lin Kai step by step, she was not afraid of Lin Kai at all.

At this time, Lin Kai’s heart was also swayed.

Anyway, I have been discovered, and the explanation is not clear, so I just play a hooligan!

At that time, Lin Kai gave a smirk: “Hey! I’m here to steal underwear, what’s the matter!”

“What can you do to me?”

After that, Lin Kai deliberately sniffed the underwear on the hanger, and showed an expression of intoxication.

“It’s so fragrant!” Lin Kai’s expression said that the more you owe you, the more you owe you.

And Zhang Xiaoqian’s little face was full of anger, and her eyes seemed to be breathing fire.

Lin Kai completely angered her!

“you wanna die!”

And Lin Kai looked indifferent, he was a dead pig and was not afraid of boiling water!

“What happened to me? Not only did I steal your underwear today, I also want to take you hehe!”

After all, Lin Kai deliberately approached Zhang Xiaoqian, showing a squint look, his hands were still scratching in the air, with a wretched look.

Zhang Xiaoqian was also taken aback and took two steps back.

But immediately, Zhang Xiaoqian narrowed her eyes and made an attacking posture.

It seems that Zhang Xiaoqian has also practiced.

“Dare to have an idea about me? Today, this girl will teach you how to be a man!”

After that, Zhang Xiaoqian shouted and kicked Lin Kai!

That kick was fierce, and there was a trace of genuine air in the air!

This little girl is actually an ancient warrior! And it looks like an ancient warrior of the warrior level.

At a young age, she is already an ancient warrior. It seems that this little girl's life experience is not simple!

But even if she is an ancient martial artist, Lin Kai still doesn't take her to heart, he is a martial artist!

And after using the skills, even Wu Sheng himself can fight.

Let alone you are a warrior!

In the eyes of others, it is fast, but in Lin Kai's eyes, it is very slow.

In Lin Kai's eyes, Zhang Xiaoqian's white leg was long, tender and white, which could be broken by a bomb.

This kick came directly at Lin Kai's face, obviously trying to knock Lin Kai down!

But Lin Kai didn't take this leg seriously. With a bang, Lin Kai directly caught this leg with his own hands.

After catching this leg, Lin Kai deliberately stroked the smooth leg with both hands, revealing an expression of intoxication.

Zhang Xiaoqian was shocked, she didn't expect that Lin Kai could catch her leg.

She is a warrior!

Is it possible that the young man in front of him is a martial artist?

Afterwards, Zhang Xiaoqian had no time to think about it, but Lin Kai was touching her legs with a wretched look!

"You! Rogue!"

Zhang Xiaoqian screamed, trying to withdraw her leg, but Lin Kai firmly pinched her leg in her hand, she couldn't get her back!

And Lin developed a smirk: "Hey, hey, this was delivered by yourself!"

After that, Lin Kai grabbed her leg and approached Zhang Xiaoqian step by step.

Even if Zhang Xiaoqian was an ancient warrior, facing the rogue-like Lin Kai, she was panicked for the time being, she could only make a scream.

“Go away!”

“roll!”

Zhang Xiaoqian screamed.

At this moment, only a sound of footsteps were heard, and it seemed that countless people rushed up from downstairs.

Although Lin Kai was not afraid, it was not a glorious thing after all. At that time, Lin Kai directly kissed Zhang Xiaoqian’s face.

Afterwards, Lin ran away without returning at the beginning.

Soon after, a group of bodyguards came to the pool.

A bodyguard lowered his head and asked, “Miss, what’s the matter?”

And Zhang Xiaoqian looked angry. She looked at the place where Lin Kai ran away, gritted her teeth and said, “It’s okay, let’s go down!”

It’s not a glorious thing to be molested, and Zhang Xiaoqian didn’t want her servants to know.

They dismissed the people.

After the bodyguards were all gone, Zhang Xiaoqian looked at Yulong Pavilion and said angrily: “Wait for me! Dare to provoke me Zhang Xiaoqian, I won’t let you be a father!”

But Lin Kai had already returned to Yulong Pavilion quickly.

His heart is beating, what a **** excitement!

This is the first time that Lin Kai has been a gangster. Although he was forced to be helpless, the feeling of being a gangster is **** exciting!

Thinking of the smooth and watery touch, Lin Kai couldn’t help being intoxicated.

I even kissed her, earned it, earned it!

Hahahaha!

Back at Yulong Pavilion, Lin Kai saw the rhubarb lying on the front door.

At this moment, Lin Kai looked angry.

Had it not been for your stinky dog, I would have been spotted? Are you kidding me?

“You **** come here for me!”

Rhubarb also seemed to know that Lin Kai was going to do something unsuitable for children. At that time, Rhubarb barked and galloped out.

Chapter 595: Broken Apple

Chapter 595

“stop!”

As a result, such a dramatic scene happened in Yulong Pavilion, Lin Kai holding a broom, chasing a dog full of villas.

And that dog was very fast, it was several meters high in one jump, and Lin Kai couldn't catch up!

After half an hour, Lin Kai went to rest out of breath.

This dog, I will kill you for meat tomorrow!

...

The next day, when Lin Kaigang finished washing, Du Jinhu had already called.

Du Jinhu's special car was already waiting at the entrance of the villa.

After leaving the villa, I saw a black Volkswagen car waiting at the door. Du Jinhu's car was very low-key this time!

Sitting in the back of the Volkswagen, I saw Du Jinhu also in the car, and the Volkswagen started.

“Brother Lin.” After seeing Lin Kai, Du Jinhu's face showed a flattering smile.

Lin Kai nodded and said, “Brother Du, where will this auction be held?”

Du Jinhu replied: “This time the auction was not held in the capital, but in a suburb 50 kilometers away from the capital.”

“There is no one there.”

“After all, it is about the auction of ancient warriors, so you must stay away from places with many ordinary people.”

Lin Kai nodded, which is understandable.

The car started, and after two hours, it drove to a deserted place.

I saw in the open space beside the road, full of luxury cars parked!

There are many luxury cars worth tens of millions, and there are a few helicopters parked on the grass beside it.

Not far away is an abandoned factory.

The factory is brightly lit at this time, and many people are walking into the factory.

“This is where the auction will be held?” Lin Kai raised an eyebrow and asked.

This is too **** stubborn, right?

Du Jinhu smiled helplessly and nodded: “Haha, yes, this is the location of this auction.”

“There are no people around this place.”

Although the factory is a bit dilapidated, it has a lot of space inside and has been remodeled. The outside looks broken, but the inside should look good.

Lin Kai and Du Jinhu got out of the car and walked to the factory.

At the entrance of the factory, there are two men in black who are here to check the tickets.

You are not eligible to enter the factory without receiving the invitation letter.

Although Lin Kai did not have an invitation letter, Du Jinhu did, and Du Jinhu could bring Lin Kai into the factory.

After checking the ticket, the staff gave Lin Kai a number plate and a mask.

Masks are for wearing. After all, there will be a lot of invaluable things at this auction. If you don't want to be remembered, then wear a mask.

After leaving the factory, no one knows who photographed that thing.

The number plate is used for auction, and Lin Kai is number 368.

Upon entering the factory, Lin Kai was immediately shocked by the inside of the factory.

The walls have been refreshed, noble tiles are pasted, and the ground is also a red carpet, spotlessly clean.

There are countless valuable decorations, and the entire factory seems to be built into a luxury hotel.

It's really broken outside, luxurious inside!

Entering the factory, Lin Kai saw rows of seats and a giant auction table.

At this time, Lin Kai remembered that he seemed to still have two spiritual objects.

Hunyuan fruit is a good thing, but everyone can only take one.

So Lin Kai intends to auction one.

Keep the other one for yourself in case you need it.

After all, things are rare and expensive, and a spiritual thing may be sold at a sky-high price, but if two of them appear at the same time, it is somewhat worthless.

"Brother Du, can I post photos here?" Lin Kai asked.

Du Jinhu nodded and said with a smile: "Of course, Brother Lin, do you have anything to send for photographs?"

"Of course."

"I'm looking for someone to take us."

Du Jinhu nodded and smiled, beckoning to find the staff here.

The staff here heard that Lin Kai was going to post the shoot. Without a word, Lin Kai and Du Jinhu walked directly behind the factory.

Behind the factory, there are a few temporary offices.

Inside the office are the treasure appraisers responsible for this auction.

In front of Lin Kai, there were more than a dozen people who wanted to send photos.

Lin Kai needs to line up.

Lin Kai obediently stood at the back and waited for about half an hour.

Finally, it was Lin Kai's turn to shoot, and Lin Kai entered the office.

I saw an elderly man sitting in the office.

The old man looked in his sixties and was wearing a white coat.

Wearing glasses, frowning brows, and a work badge hanging on his chest, expert appraiser, Master Li.

He raised his head and glanced at Lin Kai, and asked impatiently: "What do you want to send for?"

And Lin Kai didn't talk nonsense, and directly took out Hun Yuan Guo and put it on the table.

The Hunyuan Fruit at this time has lost its light, after all, it has been away from the fruit tree for a long time, so it is naturally impossible to keep its gleaming state.

The Hunyuan fruit at this time is more like a pretty apple.

The old man was taken aback after seeing Hun Yuanguo, then frowned, and looked up at Lin Kai.

"Are you kidding me?" the old man said angrily, his expression unhappy.

Lin Kai raised his eyebrows: "You don't know what this is?"

"What is this? Isn't this just a broken apple?"

"Is it possible that you want to auction this broken apple?"

Broken apple?

Lin Kai was amused by the old man's words.

Du Jinhu was aside, and his old face turned white.

He didn't know what Lin Kai's Hunyuanguo was, and thought it was an apple.

He hurriedly pulled La Linkai, and whispered: "Brother Lin, are you kidding? What are you doing with an apple?"

"The owner of this auction is not a messy character!"

Du Jinhu felt that Lin Kai must be crazy at this time.

Otherwise, how dare you come to play with the auction experts?

“This is not an apple, it is a Hunyuan fruit, a kind of spiritual thing!”

Phantom?

As soon as this remark came out, the old man looked at Hunyuanguo again, the spiritual thing is a rare thing in the world, even the old man has only seen it in the book.

If this is really a spiritual thing, it must be invaluable!

He carefully looked at the spiritual thing for a long time, and then laughed angrily:
“Hehe! Now what kind of young people are eligible to enter the auction held by our Zhang family?”

“What kind of spiritual creature are you? It’s obviously a broken apple!”

“Dare to make trouble in the auction held by my Zhang family, do you think your life is too long?”

With a bang, I saw the old man directly slam Lin Kai’s Hun Yuanguo to the ground!

Hun Yuan Guo bounced on the ground a few times and rolled to the side. Although it was not broken, it was also covered in mud.

But when Lin Kai saw his Hun Yuan Guo being thrown on the ground by the old man, killing intent appeared in his eyes.

“Now, I give you a chance to pick up the fruit and apologize for kowtow to it.”

“Otherwise, I will keep you from seeing the sun tomorrow!”

Lin Kai’s tone immediately chilled.

Chapter 596: Miss Zhang Family

Chapter 596: Miss Zhang Family

Lin Kai’s eyes stared directly at the old man.

At this moment, Lin Kai stood with his hands behind him, his body already exuding murderous aura.

He was angry!

Lin Kai rarely gets angry, but this time, Lin Kai couldn't bear it.

This Hunyuan Fruit is a heaven and earth spiritual creature, so the old man doesn't know anything, and he even threw his Hunyuan Fruit on the ground like garbage.

How can Lin Kai bear it?

At this time, Du Jinhu was trembling with fright.

In the eyes of outsiders, he Du Jinhu is the boss of the Fifth Ring and the boss of the Golden Tiger Club.

But in Zhang's family, Du Jinhu was just a caterpillar, and Zhang's finger could crush Du Jinhu to death.

He pulled La Linkai, shook his head, and kept hinting: "Brother Lin, forget it, forget it."

"It's the Zhang family who held this auction!"

"The Zhang family is a big family in the first ring, we can't afford to provoke it!"

But Lin Kai didn't take Du Jinhu's words to heart at all.

He smiled coldly: "Today, either he will kneel in front of Hun Yuanguo and apologize, or else I will let others head down!"

Facing Lin Kai's murderous words, the old man also smiled.

He laughed wildly, laughed disdainfully.

He laughed at Lin Kai's ignorance!

"Hahahaha! Really arrogant!"

"Let me kneel down and apologize to an apple?"

"Do you know where this is? This is the territory of the Zhang family! If you dare to move the Zhang family, you are afraid that you will have a long life!"

"Move me, do you have that qualification?"

With a slap, the old man slapped the table directly.

At the same time, the door of the office opened, and four strong men walked in.

These four black-clothed burly men, each with a murderous face, a burly body, and a touch of true energy revealed from them.

Four ancient warriors!

This is the powerful strength of the Zhang family!

The old man looked at Lin Kai sarcastically: "Move me, do you have that strength?"

The four ancient warriors, but when Lin Kai made a little movement, they could wipe Lin Kai instantly!

And Lin Kai laughed too, playfully.

"Hehe, do you think that they can keep you?" Lin Kai narrowed his eyes.

The old man looked at Lin Kai: "With you, can you move me? Dare to speak up in the Zhang family's territory and take it for me!"

The old man shouted, and the four ancient warriors immediately moved.

They saw that they attacked Lin Kai in four directions, and the grappling hand pointed directly at Lin Kai's throat, apparently trying to kill him!

Du Jinhu was taken aback and took a few steps back quickly.

He wanted to help Lin Kai, but he didn't dare!

However, Lin Kai stood with his hands behind, with a faint smile on his face, only disdain in his eyes.

"You want to kill me too?"

With a light wave of Lin Kai's hand, a qi burst out of his body!

boom!

A wave of air was lifted, and before the four ancient warriors touched Lin Kai, their complexions changed and their bodies flew out.

A scream sounded, and the bodies of the four ancient warriors hit the wall, their faces turned pale, and they vomited blood one after another.

With one move, all four warriors were seriously injured!

And the confident smile on the old man's face gradually solidified, he looked at Lin Kai, his eyes were full of shock.

"Wu... Martial Master?"

Such a young martial artist?

The old man had never seen a martial artist in his twenties, and Lin Kai immediately refreshed his worldview when he shot.

Du Jinhu who was on the side was also dumbfounded.

Brother Lin, who took his own mouthpiece, was actually a martial artist?

He naturally knows the rarity of martial arts, and he also knows how powerful a martial artist is. There are no martial artists in his Golden Tiger Club.

And Lin Kai is actually a martial artist!

Du Jinhu's eyes immediately emitted a fiery light.

He knows a martial artist, in the fifth ring of the capital, who would dare to be disrespectful to Du Jinhu?

With a playful smile on Lin Kai's face, he looked at the old man: "With these stinky fish and shrimps under your hand, do you want to move me?"

The old man looked ugly at this time and said nothing.

"Kneel down and apologize!"

"This is the last chance I give you."

Lin Kai said nonchalantly.

But the old man felt the murderous intent in Lin Kai's words!

The old man has a hunch in his heart, as long as he doesn't kneel, he will really kill himself!

"Who dare to speak out in my Zhang family's territory?"

At this moment, only a female voice like a silver bell was heard, and four people walked in from outside the office.

The leader is actually a girl.

She was wearing burgundy courtesy group, her feet were high heels, her beautiful feet were exposed to the air, and her ten toes were round and naughty.

She has a hot body, and her small face surprised everyone, like a fairy from the sky, not eating fireworks.

And the three people behind her are all elders over 60.

Of these three old men, two of them exuded a touch of real anger, even though they were over half a hundred years old, they were still full of energy and strong.

At first glance, he is a master of ancient martial arts, the least martial artist level.

There is another person who is over 70 years old, with white hair and glasses. Although he does not have the aura of an ancient warrior, he has a sense of respect.

Lin Kai glanced at the girl, then dumbfounded.

Isn't this the girl who was molested by herself in the Lanyu Lou?

The girl also recognized Lin Kai instantly, and her eyes were red.

I saw her gritted her teeth like angrily: "It's you!"

Seeing Zhang Xiaoqian getting angry, the two ancient martial artists behind him immediately asked: "Miss, this person has offended you?"

With that, the ancient martial artist showed murderous intent, and it seemed that as long as the girl gave an order, he would kill Lin Kai.

Although Zhang Xiaoqian was angry, she blushed when she thought of the shameful picture.

This matter must not be disclosed!

"No!" Zhang Xiaoqian said with gritted teeth.

And the old man who helped Lin Kai identify Hunyuanguo saw Zhang Xiaoqian as if he saw a savior.

He flew to Zhang Xiaoqian's face, and his voice trembled: "Miss, you have to be the master for the old man, Miss!"

The old man looked aggrieved, as if shocked.

"What's the matter?" Zhang Xiaoqian asked.

The old man looked at Lin Kai, his eyes a little triumphant, and saw that he added a little bit of jealousy and said, "This person simply doesn't know how high the world is, miss!"

"He is teasing our Zhang family!"

"He was holding a broken apple and insisted that it was a spiritual thing. Let me send it to you."

"I didn't shoot, I threw the apple on the ground, and he asked me to kneel and apologize to Apple!"

"He also injured the four disciples of our Zhang family. This simply doesn't put our Zhang family in the eyes!"

Hearing that, Zhang Xiaoqian sneered, you stinky man still fell into my hands!

"Is there such a thing? Dare to make trouble on the Zhang family's site, don't want to survive? Take it for me!"

Zhang Xiaoqian snorted, and the two Guwu masters behind her immediately moved.

"Wait a minute!" But Lin Kai stopped Zhang Xiaoqian by speaking at this time.

"Don't you want to look at my spiritual creature?"

Chapter 597: Kiss Me

Chapter 597

"What's so good about a broken apple?" Zhang Xiaoqian asked rhetorically.

"Broken apple?" Lin Kai smiled playfully.

He picked up the mud-wrapped Hunyuan fruit on the ground, and smiled: "Hehe, a spiritual creature that can transform ordinary people into ancient warriors, and make ancient warriors to the next level, turned into a broken apple. ?"

"It's ridiculous!"

Zhang Xiaoqian also looked at Hun Yuanguo in Lin Kai's hands.

Hunyuan fruit is wrapped in mud, now it looks more like an apple.

"Huh! Can you think of me as a stupid Zhang Xiaoqian? This is not an Apple. What is this?"

Faced with Zhang Xiaoqian's doubts, the old man also scolded: "I have been in the appraisal industry for decades, what kind of treasure have I not seen?"

"Your broken fruit is not a spiritual thing at all!"

"It is said in the book that the real spiritual creatures have a little bit of starlight and an attractive fragrance. You are a broken apple, and there is no starlight fragrance. What is a spiritual creature?"

Lin Kai laughed when he heard the words, "Hehe, nothing else, just treat it as not a spiritual creature, can't it be done if I don't post it?"

After all, Lin Kai was about to walk out of the office.

"Stop!" At this moment, Zhang Xiaoqian yelled softly: "If you want to take a picture, then take a picture, and then leave. Where do you think this is? Is it your home?"

Lin Kai looked back and looked at Zhang Xiaoqian, with a playful smile: "Then...what do you want to do?"

Faced with Lin Kai's meaningful smile, Zhang Xiaoqian's heart was panicked like a deer bumping into it.

"Give... Take it for me!" Zhang Xiaoqian tried to control her expression, angrily.

But the two ancient martial arts masters behind him just wanted to move, but another old man who followed Zhang Xiaoqian reached out and stopped everyone.

"Wait a minute!"

The old man in his seventies stood up, pushed his glasses, and stared directly at Hun Yuanguo in Lin Kai's hands.

"What's wrong with Master Chu?" Zhang Xiaoqian was also very respectful when facing the old man.

This old man, but Zhang Xiaoqian's expensive appraisal expert, is a senior figure in appraisal circles.

Master Chu looked at the spiritual object in Lin Kai's hand, his eyes burning.

"Young man, can you borrow the thing in your hand to have a look?" Master Chu asked.

And the old man who helped Lin Kai identify Hunyuanguo laughed at this moment: "Master Chu, that is a broken apple, what's so good about it?"

“To shut up!”

Master Chu reprimanded coldly when he turned around.

The old man shrank his neck and did not dare to say anything.

In front of Master Chu, he, an expert, is not worthy of being called an expert.

Lin Kai nodded and handed Hun Yuan Guo directly to Master Chu.

And Master Chu looked down at Hun Yuanguo for a long time, then he sighed.

“call”

Seeing Master Chu sigh, the appraisal expert also laughed: “Hahaha! Master Chu, this broken apple is not a spiritual thing, right? I said, how can I watch...”

Snapped!

Before he finished speaking, Master Chu turned his head back and slapped his face with a slap.

This slap slapped him, and also slapped Zhang Xiaoqian.

“Master Chu, you!” The old man looked at Master Chu with a look of doubt and aggrieved.

Master Chu hated iron and said, “Is this a broken apple?”

“A rare beast in a century, you actually said it was a broken apple?”

“This thing allows us to have one more martial artist in the Zhang family, or even a martial artist. You said it was a broken apple?”

After listening to Master Chu’s words, the old man was dumbfounded.

He stammered speechless: “Cocoa...but...”

“But what?” Master Chu was very angry: “You threw this invaluable spiritual thing to the ground. Are you convicted?”

Hearing this, the old man’s face changed drastically.

Throwing the customer’s things on the ground is still genuine. According to the rules, this is a chop!

With a plop, I saw the old man kneeling directly on the ground with a look of fear.

“The student is convicted, the student is convicted...”

After all, he kept kowtow, begging Master Chu and Lin Kai for forgiveness.

And Zhang Xiaoqian also looked surprised, Lin Kai actually brought a spiritual object to auction?

Du Jinhu also let out a sigh of relief, it seems that this time there is no need to be sanctioned by the Zhang family.

Master Chu looked at Lin Kai with an apologetic expression on his face: “Sir, I’m really sorry, he took a glance and misunderstood Mr.

But Lin Kai looked upset: “Haha.”

And Zhang Xiaoqian saw that it was the mistakes made by her men, and there was no reason to target Lin Kai.

She hugged her arms and snorted, her expression unhappy.

“Sir, want to send this spiritual object?” Master Chu asked.

Lin Kai laughed and took the spiritual object directly from Master Chu’s hand: “I will not sell it.”

After that, Lin Kai turned around and left.

“Wait a minute, sir, wait a minute, all terms and conditions can be discussed.” Master Chu quickly stopped Lin Kai.

When Zhang Xiaoqian saw that Master Chu was so complacent, she said with displeasure: “Master Chu, if he wants to leave, let him go. Isn’t it just a spiritual creature? Is it so strange?”

Master Chu heard the words with a wry smile: “Miss, that spiritual object is called Hunyuanguo, and the fruit tree that produces Hunyuanguo blooms every three hundred years and bears fruit every five hundred years. The ancient martial artist is even more miraculous!”

“Each person can only take one in his life. After taking it, ordinary people will immediately use the martial arts!”

“After taking a martial artist, there is a 50% chance of being promoted to a martial master!”

“After taking the martial arts, there is a 10% chance of being promoted to martial sage!”

“You said, is this Hunyuan fruit precious?”

Hearing that, Zhang Xiaoqian’s face has also changed.

If it is true as Master Chu said, this Hunyuan fruit will become the final item of this auction.

At that time, she also looked at Lin Kai with scorching eyes.

“Hey, give you a chance to put the Hun Yuan Guo for auction with us.”

Zhang Xiaoqian said in a general order.

And Lin Kai shook his head: “I’m sorry, I am not satisfied with your service attitude, I will not send the film.”

As soon as Lin Kai’s words came out, Zhang Xiaoqian was so angry.

“you!”

But Lin Kai looked like a dead pig was not afraid of boiling water. As long as Zhang Xiaoqian moved her rough, he immediately told about molesting Zhang Xiaoqian.

Make her faceless!

And Zhang Xiaoqian seemed to realize that Lin Kai was threatening her with this incident.

“You said, how can you put Hunyuanguo in our place to send you a photo?” Zhang Xiaoqian asked angrily.

But Lin Kai hugged his arms, rolled his eyes, and smiled: “Hehe, let’s go, if you kiss me, I’ll put Hunyuanguo on you and post it, how about?”

As soon as Lin Kai said what he said, the whole scene was silent for several seconds.

Afterwards, I saw that the two ancient martial artists behind Zhang Xiaoqian had already pulled out the long knives on their waists, with murderous expressions on their faces.

Zhang Xiaoqian was even more angry.

“Do you dare to molest me? This young lady is Miss Zhang’s family! Are you afraid that I will kill you?”

“Ok?”

Lin Kai hugged his arms and smiled: “Hehe, if I’m afraid, I won’t call Lin Kai!”

Chapter 598: The Auction Begins

Chapter 598

Although the two martial arts masters were powerful, Lin Kai didn’t take it seriously.

Just like Fu Lao and Shou Lao, although they were powerful, they still died in Lin Kai’s hands.

The two ancient martial arts masters behind Zhang Xiaoqian couldn’t hold the knife in their hands at this time. Damn, Lin Kai was too awkward to beat them, they couldn’t stand it anymore!

Miss Zhang Family, when was someone molested like this?

And Zhang Xiaoqian narrowed her eyes, and there was killing intent in her eyes.

Since childhood, which man was not respectful when he saw her?

But the Lin Kai in front of him didn’t tease her and didn’t put her in his eyes!

“Huh! I think you want to die!” Zhang Xiaoqian said coldly.

And Lin Kai waved his hand helplessly and said, “Hey, I really don’t want to live anymore, what can you do with me?”

There was a playful smile in Lin Kai’s eyes.

And Zhang Xiaoqian also understood that he was threatening herself with the incident yesterday!

For a while, Zhang Xiaoqian did not dare to do anything to Lin Kai.

“Sir, you can sell thousands of spirit stones for this spiritual relic! Are you sure you don’t send it for photographs?” Master Chu asked at this time.

“Lingshi? What is that?” Lin Kai asked with a tilted head.

“You don’t know Lingshi?” Master Chu was also at a loss.

It is said that ancient warriors should know Lingshi!

As everyone knows, Lin Kaigang knows that there are ancient warriors in this world, and he doesn't even know what spirit stone is.

"I don't know! Tell me." Lin Kai looked at Master Chu with a puzzled expression.

Master Chu gave a wry smile: "Haha, Lingshi is a very rare mineral in this world."

"Lingshi can be said to be a kind of gemstone, and it is also a kind of stone that stores energy. In the spirit stone, there is a very rich zhenqi, which can be provided to ancient warriors to absorb.

"So, Lingshi is a kind of treasure and a currency among ancient warriors."

Upon hearing this, Lin Kai suddenly realized.

Unexpectedly, there are still things like spirit stones in this world.

At this moment, I saw Master Chu took out a shiny stone from his pocket and handed it to Lin Kai.

"This is Lingshi."

I saw in Master Chu's hand there was a transparent stone the size of a baby's fist. The shape of the stone was very regular, and it was an octagonal stone.

And in the stone, there is a qi that can be seen by the naked eye, and this qi can be provided to the ancient martial artist to absorb.

"Lingshi, you can't use it."

The system suddenly said in Lin Kai's ear.

But Lin Kai was confused and asked in his heart: "Why?"

"The true qi in your body was transmitted to you by me, and what I transmitted to you is the purest true qi in this world."

"So your combat effectiveness is much stronger than that of the ancient warriors of the same level."

"But the zhenqi in the spirit stone, although not messy, it has various attributes."

"After you absorb it, it will only hurt you, not good."

Upon hearing this, Lin Kai nodded.

“But the dog in your family should like this kind of thing very much.” The system added another sentence.

Even if Lingshilinkai cannot absorb it, it is the common currency among ancient warriors! Obtaining some spirit stones is not a good thing for Lin Kai.

“Yes, for the sake of Lingshi, I can put Hunyuanguo here for you to post the shoot.” Lin Kai nodded.

After that, he handed Hun Yuan Guo to Master Chu, and Master Chu took it carefully.

“According to the regulations, we will take one-tenth of the transaction price as operating expenses.” Zhang Xiaoqian said with an angry hug.

“Yes.” Lin Kai nodded.

It is understandable to collect operating expenses for sending auctions on other people’s sites.

“I still have one thing I want to send for a photo.” Lin Kai said.

“Ok?”

Hearing that, everyone looked at Lin Kai, is it possible that Lin Kai has any other treasures?

I saw Lin Kai remove a pendant from his neck.

The shape of the pendant looks like cat’s eyes. Just looking at it will make people unable to remove their eyes. This cat’s eyes seem to have some magical power.

And to the touch, the pendant feels soft and smooth, just like baby skin.

Master Chu took the pendant, looked up and down for a long time, and said, “A cat’s eye? It’s a baby. It looks like a mutated cat’s eye. It should be able to sell for hundreds of millions of dollars.”

Lin Kai smiled and said, “Master Chu has good eyesight, but this is not an ordinary cat’s eye.”

“Oh? What do you say?” Master Chu asked with a raised eyebrow.

Lin Kai laughed and didn’t say a word, he put the pendant on Master Chu’s neck, and then hit Master Chu’s face with a punch!

brush!

Lin Kai's fist stopped in front of Master Chu, and Master Chu was also taken aback, his eyes widened.

The two Guwu masters behind Zhang Xiaoqian even pulled out their swords at this time.

"Presumably Master Chu has already realized the magical effect of this cat's eye?" Lin Kai smiled slightly.

Master Chu nodded, lowered his head and looked at the cat's eye again, the eyes are already shining!

"There is such a wonderful baby in the world? The danger can be predicted! For the ancient warrior, this is equivalent to nine more lives!"

Master Chu sighed.

The warning cat's eye is no longer useful for Lin Kai, and now with Lin Kai's reaction and speed, the warning cat's eye is not needed at all.

So it might as well be auctioned.

Zhang Xiaoqian asked suspiciously at this time: "Master Chu, is there any magical use for this cat's eye?"

Master Chu explained with a look of excitement: "This cat's eye can predict danger! For example, the punch that Mr. Lin hit me just now, before the punch, it has already shaken, reminding you that there is danger ahead!"

"So amazing?" Zhang Xiaoqian raised her eyebrows, a little unbelievable.

"You can try." Master Chu put the cat's eye on Zhang Xiaoqian's neck.

After a try, Zhang Xiaoqian was also very surprised.

"It's amazing!"

"This cat's eye and Hunyuan fruit can become the finale of this auction!"

Zhang Xiaoqian was also very happy.

This is the first time she has held an auction on her own. If it succeeds, her father will praise her well after returning.

Lin Kai put his hands in his pockets: "I will put these two items here and send them for photographs. I look forward to their prices."

After that, Lin Kai took Du Jinhu and left the backstage.

Soon after, Lin Kai and Du Jinhu returned to their seats.

At this point, there were only ten minutes before the auction began, and the seats were basically full.

Most of those who came to the auction were wearing masks.

There are only two kinds of people who don't wear a mask.

One is not going to shoot things, and the other is to feel that they are powerful and don't need to wear a mask.

Lin Kai belongs to the latter.

Chapter 599: Tripod Copper Furnace

Chapter 599

Soon after, the auction officially began.

The audience also became quiet.

And the host of this auction is Master Chu, who Zhang Xiaoqian has heavily invited.

As soon as Master Chu stepped onto the auction stage, there was a burst of exclamation and applause from the whole scene.

It can be seen that Master Chu is still very famous in the capital, and his reputation is also very big.

“Everyone, welcome to the auction held by the Zhang Family in Beijing, thanks to your kindness, old man, I am the host of this auction.”

Master Chu said with a smile.

After that, there was a round of applause from below.

Master Chu continued: “The Zhang family holds auctions in various places in the capital from time to time. In every auction, there are rare treasures in the world to be sold. The final piece of this auction is sure to look forward to everyone.”

“In the auction held by the Zhang family, the Zhang family protects everyone's safety. Don't worry about this. No one dares to make trouble on the Zhang family's site.”

Between Master Chu's words, there was a strong self-confidence.

It was not the courage of his Master Chu, but the confidence given to him by the Zhang family.

The Zhang family, a powerful family in the first ring, has a very deep influence throughout the capital. Who dares to oppose the Zhang family?

"Okay, don't talk nonsense, we will start this auction right away, please have the first auction item."

Amidst a round of applause, I saw a top-quality girl in a cheongsam walking onto the auction table with a tray.

With a polite smile, she put the auction item on the table and then walked off.

"This lot is amazing. It is said that the man who made the sword has cast it for three hundred and sixty-five days! It also used the blood of dozens of people to sacrifice the sword. This sword is extremely sharp and is known as the blower. Broken hair, it's... the bloodthirsty sword!"

After all, I saw Master Chu directly lifted the red cloth covering the sword.

I saw a short sword appeared in the eyes of everyone.

It was a short sword with the length of an ordinary person's arm. The whole sword was made of bronze and was red all over, which looked very strange.

And its blade also looks extremely sharp.

Everyone took a breath of air-conditioning. This sword is very famous in the capital. I didn't expect this sword to be photographed at this auction!

"Bloodthirsty Demon Sword, the starting price is one million, and each increase must not be less than one hundred thousand. Now start bidding!"

As soon as Master Chu's voice fell, there was a bidding.

"I pay a million!"

"Ten million!"

"I give out one billion!"

...

In just a few seconds, the price of this sword has risen to a billion!

And the price continues to increase.

Soon after, only a young man stood up and raised his number plate: "I will give out three billion!"

As soon as the price of three billion yuan came out, the audience was silent.

And Mr. Chu looked at everyone: "Three billion, this gentleman bid three billion, is there any higher?"

No one speaks.

"Three billion for the first time!"

"Three billion for the second time!"

"Three billion for the third time!"

"Deal!"

With a final word, this bloodthirsty sword was finally sold at a price of 3 billion.

Lin Kai didn't make a move. Although the sword was a treasure, it was controlled by humans. No matter how powerful it was, it was just a common product.

At the beginning of the auction, no strange treasures appeared.

At the back, there were already lots that caught Lin Kai's attention.

On the stage, Master Chu smiled slightly and said: "This lot is amazing. I believe many ancient warriors will be interested in it. Please, everyone, prepare your number plates and prepare to compete!"

Later, a beautiful sister delivered the lot to the stage.

"This lot has a history of thousands of years."

"It is both an antique and a magic weapon, everyone, please see!"

With a clatter, Master Chu lifted the red cloth covering it, and saw that it was a three-legged copper stove.

The copper stove is only the size of a basketball, and the whole body has been touched and shiny, and it also depicts charms that ordinary people can't understand. It looks very old.

"This three-legged copper furnace is an alchemy furnace. It is rare in the world. Friends who like alchemy, please hurry up!"

Lin Kai didn't like alchemy, and he didn't know how to make alchemy, but at this time, a system reminder sounded in his ear.

"Good thing, take it!"

The system said it was a good thing, it must be a good thing, Lin Kai's eyes lit up.

"Three-legged copper furnace, now start bidding! The starting price is five million! Each increase must not be less than one hundred thousand!"

With Master Chu falling down, auctions began off the court.

"Six million!"

"Ten million!"

"Fifty million!"

"One billion!"

...

Soon after, the price of the three-legged copper furnace has been raised to 800 million!

Because there are not many people who can make alchemy, not many people bid for the three-legged bronze furnace.

At this moment, only an old man stood up.

The old man was wearing a long robe and two beards. He looked a little bit sly eyebrows. He still held a whisk in his hand, as if he was a Taoist priest.

As soon as he stood up, everyone took a breath.

The famous martial artist in the capital! Old Li!

"Everyone, give me a face to Li Lao Dao, this three-legged bronze furnace, I Li Lao said one billion yuan, shoot it!"

As soon as Li Lao said something, the scene was silent.

No one dared to **** this alchemy furnace with Lao Dao Li, because Lao Dao Li is a long-established martial artist!

According to legend, Li Lao Dao even killed two martial arts masters with one enemy and two.

If anyone dares to offend him, he will end up miserably.

With a faint smile on Li Lao Dao's face, he despised the audience.

"One billion, does anyone bid higher?"

"One billion for the first time!"

"One billion for the second time!"

"Ten billion..."

"and many more!"

Before Master Chu finished speaking, Lin Kai raised his number plate.

"Ten ten billion!" Lin Kai smiled slightly and looked at Old Li Dao.

When Lin Kai shot, everyone looked at Lin Kai.

After seeing that the person bidding with Li Lao Dao was actually a young man without a mask, everyone gasped.

This young man is too courageous, right? Dare to offend Mr. Li?

And Master Chu was also stunned. He didn't expect that Lin Kai would dare not wear a mask and even dare to bid with Li Lao Dao.

This old Li Dao is a demon who claims to kill without blinking!

Old Li Dao also looked at Lin Kai, his eyes narrowed and his face was murderous.

"Brother, you really don't give me the face of Old Li Dao?" There was a strong threat between Li Old Dao's words.

And Lin chuckled: "Hehe, if you don't agree, you will increase the price! Everyone bids fairly!"

“It’s a fair bid!” Old Li glared at Lin Kai viciously, and raised his number plate unwillingly.

“I give out 1.1 billion!”

Hearing this, Lin Kai raised his number plate again: “I’m out of 1.1 billion!”

Only one hundred thousand more than Old Li Dao, but Lin Kai just overpowered Old Li Dao!

Chapter 600: If You Have The Strength Come And Get It

Chapter 600: If You Have Strength, Come Get It!

Old Li Dao gnashed his teeth and raised his number plate.

“1.5 billion!”

But Lin Kai remained calm and raised his number plate.

“1.5 billion!”

No matter how much Li Dao bid, Lin Kai was only 100,000 higher than him, which made Li Dao very angry.

He wanted to continue to increase the price, but he was ashamed of his pocket, Li Laodao gave Lin Kai a vicious look and gave up the increase.

It’s just that his eyes trembled viciously.

Seeing that no one continued to increase the price, Master Chu asked, “1.5 billion, is there any increase in the price?”

“1.5 billion for the first time!”

“1.5 billion for the second time!”

“1.5 billion for the third time!”

“Deal!”

boom!

With the hammer falling, Lin Kai took the three-legged bronze furnace at a price of 1.5 billion yuan.

“Congratulations to this gentleman, I am so happy for the copper furnace!” Master Chu said with a smile, applauding.

But off the court, no one dared to applaud Lin Kai.

After all, Lin Kai has offended Old Tao, who is a martial artist, who would offend Old Tao for Lin Kai?

Soon after, Lin Kai swiped the card and successfully photographed the copper furnace.

The auction will continue.

One morning passed quickly. At noon, there was an intermission at the auction, and everyone moved to the center of the factory for dinner.

The center of the factory has been transformed into a cafeteria, no matter whether it is the environment or the ingredients, there is no choice.

People who came out of the auction took off their masks and walked back and forth with red wine glasses in the restaurant.

Lin Kai and Du Jinhu found a corner, and Lin started to eat the plate with relish.

Du Jinhu looked worried, he couldn't eat the food in front of him.

“Brother Lin, that old man Li is a man who must pay for it. If you offend him, I am afraid it is not easy to get out of the Zhang Family Auction!”

Lin Kai ate the lobster, and said nonchalantly, “What are you afraid of? Didn't Master Chu say it? At the Zhang Family Auction House, no one dares to do it!”

“Yeah!” Du Jinhu nodded, his face unrelentingly worried: “But if you leave the Zhang Family Auction House, Zhang Family won't protect your safety!”

Hearing this, Lin Kai had a meal, but then Lin Kai smiled as if it didn't matter, “Haha, it doesn't matter.”

Lin Kai was not afraid of that old Li Dao at all, but Du Jinhu was scared.

Even if Lin Kai is a famous ancient warrior, but that old Li Dao is a long-standing murder demon in the world, Lin Kai is young and vigorous, can he beat him?

Just thinking about it, a group of people walked over directly from a distance when only a loud noise came.

The man in the lead, aggressive, dressed in a yellow robe, holding a whisk in his hand, is the old Li Dao!

And behind Li Lao Dao, followed by several famous big figures in the capital, these people are all here to flatter Li Lao Dao.

As soon as Li Lao Dao showed up with someone, a place was immediately vacated around Lin Kai, and everyone avoided it.

Old Li Dao came directly to Lin Kai and looked down at Lin Kai who was sitting on the chair.

“Yeah, can you still eat something?”

“It’s okay, I’ll let you eat slowly! When I get out of the Zhang Family Auction House, I will let you spit out everything you eat!”

Lin Kai glanced at Old Li Dao and ignored him.

At this time, a fat man beside Old Road Li stood up.

This fat man, named Zhang Kai, in a suit and leather shoes, is a well-known oil boss in the Fourth Ring of Beijing, worth over 10 billion.

But even such a big man is surrounded by Li Lao Dao, like a pug.

“Hey! Boy, Master Li is talking to you, can’t you **** hear me?”

“Your ears are on your hips?”

Upon hearing this, Lin Kairen gave the fat man a cold stare: “Keep your mouth clean!”

When Zhang Kai heard this, he dismissed a smile: “Hehe, you are also qualified to let me keep my mouth clean?”

“Tell you! You offended someone who shouldn’t offend today! If you are acquainted, present the three-legged bronze furnace with both hands, and then kowtow three heads to Li Wushi to apologize. This matter is fine.”

“Otherwise, the Zhang Family Auction House can protect you for a while, but it cannot protect you for the rest of your life!”

“When you get out of the Zhang Family Auction, you will surely be cramped and smashed into pieces!”

“At that time, the whole body will not be left to you!”

As soon as Zhang Kai said what he said, the onlookers all around trembled and looked at the old Li Dao with fear.

Even more, many people gloated at Lin Kai.

Let you pretend, now you know you regret it?

How can this world be so simple? Really think that there is fair competition in the auction room? Naive!

Du Jinhu was trembling with fright at Lin Kai's side.

And Zhang Kai also found Du Jinhu: "Hey, who am I supposed to give him so much confidence? Isn't this Du Jinhu?"

"What? Your Golden Tiger Club wants to disband?"

Zhang Kai came to Du Jinhu and patted his face.

Du Jinhu trembled all over and said nothing.

In Fifth Ring, he is the boss of the Golden Tiger Club that everyone is afraid of, but in front of Zhang Kai, he is a younger brother.

"Don't dare..." Du Jinhu smiled eagerly.

"Boy, do you hear that? If you know it, please hand over the three-legged copper furnace!"

Zhang Kai came to Lin Kai and threatened.

But Lin Kaikai put down the lobster in his hand, stood up, and looked directly at Zhang Kai and Old Li in front of him.

"Want a three-legged copper stove? Yes, after the auction is over, come to me, Lin Kai!"

"If you have that ability, you can take away the three-legged bronze furnace, and the life of Lin Kai is also yours!"

"If you don't have the ability, don't blame me Lin Kai for taking your heads!"

Lin Kai sneered.

But Lin Kai's words caused turbulent waves on the scene.

Countless people took a deep breath and stared at Lin Kai with wide-eyed eyes. Could this young man be dead?

He is challenging Li Lao Dao publicly! Also ruined the only way to survive!

He is done! Dead!

Many people looked at Lin Kai like a fool.

And Old Road Li nodded threateningly, with a look of disdain: "Hehe, there is a kind! After the auction is over, at the gate of the auction, I am waiting for you!"

After saying this, Li Laodao waved his sleeve and walked directly with someone.

Before Zhang Kai left, he looked at Lin Kai with a pity, and his eyes seemed to be looking at a dead person.

It's too frustrating. Old Li Dao once fought two martial arts without defeat. You, a twenty-year-old young man, dare to challenge Old Dao Li?

Everyone at the scene looked at Lin Kai's eyes, full of regret, what a handsome young man, but unfortunately he was about to become a dead person.

After being silent for a long time, Du Jinhu's eyes lit up and he looked at Lin Kai and said, "Brother Lin, or else, you go and beg Miss Zhang Family? If Miss Zhang Family agrees to protect you, then Mr. Li must I dare not move you!"

Chapter 601: The Encyclopedia Of Fu Lu

Chapter 601

Du Jinhu's suggestion is good. If Lincoln does not want the profits brought to him by the two auctions, the Zhang family may not protect Lin Kai.

However, Lin Kai smiled indifferently: "Hehe, please that arrogant lady? I won't!"

Du Jinhu smiled bitterly when he saw Lin Kai rejected his proposal.

He decided in his heart that if he can return safely this time, he must stay away from this lunatic!

Soon after, the second half of the auction began.

Everyone entered the auction room full of expectation. The first half of the auction was a small mess, and the second half of the auction was the focus!

Top priority!

Lin Kai returned to his position, and Master Chu appeared on the auction stage again.

Master Chu smiled and said, "Hehe, the second half of the auction has already begun."

"In the first half of the auction, many rare and exotic treasures were sold, and in the second half of the auction, the lot will be even more rare."

"Everyone, are you ready?"

"Please, please the first lot in the second half."

Master Chu's words fell, and there was a round of applause.

Later, I saw a cheongsam woman holding a tray and stepping on a catwalk to the auction stage.

She put the lot on the table carefully, and everyone craned their necks, trying to see exactly what treasure the lot was.

At this time, Master Chu introduced to everyone: "This treasure, I believe that many of you here will be interested."

"As an ancient warrior, what I fear most is not enough true energy."

"What should I do if my true energy is insufficient? There is a quick and effective method, and that is to use Fulu!"

"But such things as Fulu are extremely rare and hard to find for a daughter!"

"It's okay, now, the ancient talisman encyclopedia is for everyone!"

After all, I saw Master Chu directly opened the red cloth, and under the red cloth, there was an old shabby yellow book lying.

On the surface of the old book, the four characters of Fu Lu Daquan can be vaguely seen.

Everyone exclaimed, Fu Lu Daquan, this is a baby!

"This is an incomplete Talisman Encyclopedia. It only has the upper half and no lower half, but it still does not affect its use."

"Fu Lu Daquan, the reserve price is one billion yuan! Each increase in price shall not be less than one hundred thousand yuan, the auction begins!"

As soon as Master Chu's voice fell, the fierce auction began!

"1.5 billion!"

"1.8 billion!"

"I give out 3 billion! Don't grab anyone from me!"

...

The competition is fierce. In just three minutes, this Talisman Encyclopedia has been raised to a high price of 3.3 billion yuan.

And Lin Kai hugged his arms and watched the people arguing for life and death.

"This Talisman Encyclopedia, is it true?" Lin Kai asked in his heart.

Since knowing that there are ancient warriors in this world, Lin Kai's world seems to have opened a new door.

The spirit stone, alchemy furnace, and talisman encyclopedia, these things actually existed.

The system replied: "It's a genuine product. I suggest you take a photo of it. Maybe it will be useful in the future."

After hearing the system's words, Lin Kai's eyes lit up. The system said it was genuine, so it must be genuine!

At this moment, only a middle-aged man stood up.

The middle-aged man was dressed in a black suit. His figure was very strong, like a bodybuilder model. His appearance was very tough and his waist was straight. At first glance, he was a mature and strong uncle loved by young girls.

As soon as he stood up, everyone gasped.

This one is amazing, from a master in the third ring of the capital, named Wang Gang!

This Wang Gang has not joined any family, but he is a real martial artist!

I don't know how many warriors have been killed with one hand of Diamond Fist!

"Don't fight! Give me Wang Gang a face, this Talisman Complete, I want Wang Gang 3.5 billion!"

As soon as Wang Gang's words came out, the scene suddenly fell silent.

Everyone looked at Wang Gang, even if they were wearing a mask, they were afraid that Wang Gang would recognize their true identity. At that time, no one on the scene dared to increase the price.

And those who are powerful, looking at Wang Gang's face, will not fight with him.

Wang Gang smiled confidently, he was very satisfied with everyone's attitude.

Master Chu on the stage asked at this moment: "3.5 billion, is there anyone who bid higher?"

"3.5 billion for the first time!"

"3.5 billion second time!"

"3.5 billion..."

"I give out 3.5 billion... zero million!"

At this moment, Lin Kai raised the number plate again, interrupting Master Chu's words.

Everyone looked at Lin Kai again. After seeing that the person holding the number plate was still Lin Kai, everyone's eyes widened, and they couldn't believe what was in front of them!

This person, is he crazy? I just offended Li Lao Dao in the first half, but now I am going to offend Wang Gang again?

Is it possible that he really thinks his life is too long?

Master Chu on the stage also looked at Lin Kai with a puzzled expression, even frowned.

If Lin Kai were a martial artist, he might still have a chance to survive against Old Dao Li, but he provokes two martial arts masters at the same time. This is simply death!

As for Du Jinhui, who was sitting next to Lin Kai, his legs trembled at this time, and he almost was scared to pee!

Oh my God! Lin Kai! You are such a lunatic!

Wang Gang also looked at Lin Kai, only to see Wang Gang squinting his eyes, and a murderous intent came out.

“You want to fight with me? Are you sure?” Wang Gang asked coldly.

And Lin Kai tilted Erlang’s legs and looked indifferent: “Everyone is playing fair, come on!”

Upon hearing this, Wang Gang snorted and raised his number plate: “Four billion!”

“Four billion yuan!” Lin Kai shamelessly added another one hundred thousand yuan.

“4.5 billion!”

“Four-and-five billion... one hundred thousand!”

Lin Kai smiled faintly, as if 4.5 billion were not money to him, but paper.

At this time, Wang Gang hesitated.

If he raises the price further, he is afraid that Lin Kai will play him, and if he does not raise the price suddenly, he will lose a lot.

At this moment, I saw Li Lao Dao approaching Wang Gang and whispered a few words in Wang Gang’s ear.

When Wang Gang heard the words, he sneered, and looked at Lin Kai: “I abstain!”

After all, Wang Gang sat down.

The eyes of everyone at the scene were sharp, and everyone saw Wang Gang and Li Laodao whispering.

They knew that when Lin Kai was over, the two of them were ready to join forces to kill Lin Kai!

As long as Lin Kai goes out of the Zhang family auction, there is only one end, and that is death!

“4.5 billion! Is there anything higher?”

“4.5 billion for the first time!”

“4.5 billion for the second time!”

“4.5 billion for the third time!”

“Deal!”

“Congratulations to this gentleman for obtaining this ancient talisman book!”

No one at the scene dared to applaud.

Everyone avoided Lin Kai just like hiding the plague god, because everyone knew that his life was not long!

Then, several rare treasures in the world were photographed. During this time, Lin Kai didn't make a move.

Finally, it came to the most important part of the auction, and the finale lot began to debut!

“Everyone, I believe everyone can't wait!”

“There are five pieces in total for the finale of this auction!”

“Every one is rare in the world, and the order of auction is in no particular order! These five lots cannot be ranked!”

“I believe anyone who knows the ancient warrior has a dream of a warrior! But if you, who are mediocre, can't become an ancient warrior because of insufficient talent?”

“And you who stayed at the martial artist level all the time and couldn't break through, are you sad that you can't become a martial artist?”

“And the powerful martial masters present, are they unable to extend their lifespan because they cannot break through the martial sage?”

“Next, this lot will bring you hope!”

Chapter 602: Fang Tian Painted Halberd

Chapter 602

As soon as Master Chu's words came out, everyone's eyes lit up.

Everyone was attracted by Master Chu's words.

In this world, there is actually such a magical thing?

If so, what is it?

Soon after, this auction item appeared in front of everyone.

Master Chu had a mysterious smile: “I believe everyone is already very curious, right?”

“Yes, this auction item is a heaven and earth spirituality!”

“A treasure that contains the aura of heaven and earth and can stimulate human potential! Named, Hunyuanguo!”

Having said that, Master Chu directly lifted the red cloth on Hun Yuan Guo and saw a beautiful fruit appear in front of everyone.

Hun Yuan Guo has been perfectly processed, and his whole body is shiny, and under the light, it is shining, which is very valuable at first glance.

Everyone on the scene exclaimed, and there was a burst of discussion.

“Hun Yuan Guo? There really is such a thing in the world?”

“I’ll go! If I have this mixed element fruit, I can become an ancient warrior!”

“This Hunyuan fruit, my Zhang family is bound to win! No one will rob my Zhang family!”

The auction has not yet started, the atmosphere on the scene has reached a climax, and many people have red eyes!

Master Chu was very satisfied with the atmosphere at the scene and believed that the price of Hunyuan Guo would not disappoint Lin Kai.

“Well, let’s not talk nonsense, the Hunyuan Fruit auction has officially started! The reserve price is one hundred spiritual stones, and each increase in price shall not be less than ten spiritual stones!”

“The auction has officially started!”

As soon as Master Chu’s voice fell, the fierce auction began!

“I have two hundred spiritual stones!”

“Two hundred and ten yuan!”

“Three hundred spirit stones!”

“Five hundred yuan!”

...

Within a few minutes, Hun Yuan Guo had been auctioned for the price of five hundred spirit stones.

Five hundred spiritual stones are not low. You must know that the price of a spiritual stone, as measured in RMB, is one hundred million to exchange for one spiritual stone.

And five hundred spiritual stones are equivalent to fifty billion!

However, even if Lingshi is so rare, the price of Hunyuan Fruit is still rising.

“Five hundred and thirty yuan!”

“Five hundred and fifty yuan!”

“Six hundred yuan!”

At this time, only a few big shots on the court were vying for Hunyuanguo.

Each of these big men is a master of the martial arts level, they aspire to become a martial sage, so this Hun Yuan Guo, each of them is inevitable!

At this moment, only an old man stood up and directly shouted: “I will give out a thousand spiritual stones!”

A thousand spiritual stones! Hunyuan fruit was directly charged to a very high price.

At that time, many bidders were scared off.

But the competition is far from over.

“I pay one thousand two hundred yuan!” A middle-aged man stood up.

“One thousand and five hundred yuan!”

Another old man stood up.

After several rounds of fierce competition, finally, the first old man to stand up won the Hun Yuan Guo for two thousand spiritual stones.

“Congratulations to this gentleman for having a Hun Yuan Guo!”

There was a round of applause at the scene.

However, Lin Kai obtained 1,800 spiritual stones, and the remaining two hundred spiritual stones were all taken by the Zhang family.

You can get two hundred spirit stones with your mouth, which is really enviable!

Hun Yuan Guo was auctioned off, and another auction item was presented on the auction stage.

The auction item was covered with red cloth, I don't know what it was.

Master Chu smiled mysteriously.

"Everyone, this auction item is equivalent to nine more lives for the ancient warriors!"

"I often walk by the river, where can I get wet shoes? And this baby can let you predict the danger in advance!"

As soon as Master Chu's words came out, there was another exclamation at the scene.

So amazing?

Is there such a treasure in this world?

brush!

Master Chu opened the red cloth.

Under the light, a pendant appeared in front of everyone.

The yellow-gold cat eyes are as spooky as the eyes of the cat demon. Just looking at it like this will make you unable to extricate yourself.

"The name of this pendant is called Caution Cat's Eye."

"Its role is to predict danger."

"Whenever there is a fatal danger approaching you, it will emit a strong shock! It can be said that wearing it is equivalent to nine lives!"

After saying what Master Chu said, many people at the scene were bright.

Would Zhang Family Auction deceive people? Since Master Chu said that the warning cat's eye has such a magical effect, it means that the warning cat's eye is really not a mortal thing.

"Warning Cat's Eye, the starting price is 300 pieces of spirit stones, and each price increase shall not be less than ten pieces of spirit stones."

"The auction starts now!"

"Five hundred spiritual stones!"

“Five hundred and thirty spiritual stones!”

...

“Fifteen hundred spiritual stones!”

“One thousand eight hundred spiritual stones!”

“Two thousand five hundred spiritual stones!”

In the end, Caution Maoyan was successfully sold at the price of two thousand five hundred spiritual stones.

Two thousand five hundred spiritual stones fell into Lin Kai's hands, and that was two thousand two hundred fifty spiritual stones.

Together with the 1,800 spiritual stones sold by Hun Yuanguo, Lin Kai owns a total of 4,050 spiritual stones.

In an instant, Lin Kai has become a super rich man with 400 billion!

All of Lin Kai's two sent lots have been sold.

Next, there are three other auction items from the Zhang Family Auction.

I won't elaborate on the first auction item and the second auction item.

The first auction item was a sword, and 1,800 spiritual stones were sold.

The second auction item was a cheat book, which was sold for two thousand spiritual stones.

The last auction item is the finale-level auction item presented at the Zhang Family Auction.

Finally came out!

“The last auction item is extremely rare in the world. No, it's the only one in the world!”

“As an ancient warrior, how can you not have a handy weapon?”

“And this weapon was used by famous generals in the Three Kingdoms period. Its reputation resounds through the Three Kingdoms!”

“It is the weapon of the God of War Lu Bu, Fang Tian painted a halberd!”

Master Chu said loudly with excitement.

Fang Tian painted a halberd! The whole scene was immediately restless! Does Fang Tians painting halberd actually exist in this world?

In fact, everyone knows that Fang Tian's halberd painting is a real Fangtian halberd, but it is not L Bu's, so it is not known.

Afterwards, four brawny men slowly walked out of the backstage, and these four brawny men carried a huge Fangtian painting halberd on their shoulders!

The huge Fang Tian painted halberd was black, very dark and heavy, even if the four strong men carried it, it was very difficult.

Fang Tian painted the halberd with blood streaks on his body, as if blood was flowing, and the entire weapon had a faint smell of blood.

As soon as this weapon was released, many people on the scene were all bright.

What a Fang Tian painting halberd! Whether it is used as a weapon or taken home to the town house, it is wonderful!

"This weapon is not suitable for you, but suitable for your silly dog, you can consider taking it."

Chapter 603: Three Martial Artists

Chapter 603

Lin Kai's ears heard the voice of the system.

Since the silly dog is suitable, take it!

Anyway, I can't use these four thousand spiritual stones, it's better to spend as much as you like!

Master Chu said with excitement: "Now, this Fangtian painting halberd is officially on sale! The reserve price is 300 spiritual stones, and each increase in price shall not be less than ten spiritual stones!"

"The auction starts now!"

After the auction started, the price of Fang Tian's halberd went up!

“Four hundred spirit stones!”

“Six hundred spiritual stones!”

“A thousand spirit stones!”

“One thousand and two hundred spiritual stones!”

...

The fierce competition lasted for ten minutes. After ten minutes, the price of Fang Tian's halberd had been fixed at two thousand spiritual stones.

And the person who bid two thousand spiritual stones is also a remarkable figure.

He was a very burly man, nearly two meters tall, with a big bald head and a fierce look.

This muscular man was still a monk. He was once an abbot of Shaolin Temple. After returning to vulgarity, he was stimulated and killed countless people.

He is a peak-level martial artist, a nickname given to him, a monk with heart.

This means that if anyone provokes him, he will squeeze your heart!

So nicknamed the heart monk.

As soon as Monk Lixin took the shot, few people in the court dared to fight with him.

Master Chu looked at the crowd and asked with a smile, “Is anyone bidding higher for two thousand spiritual stones?”

“This is the last item in the auction!”

“The first time for two thousand spirit stones!”

“Two thousand yuan...”

At this moment, Lin Kai's undue beating voice sounded again.

“Two thousand and ten spiritual stones!”

Lin Kai shot again!

Everyone looked at Lin Kai in unison. This time, everyone's eyes were a little numb.

Lin Kai had already offended three martial arts masters in a row. Everyone didn't know why Lin Kai was so confident, but many people believed that Lin Kai just lived enough and wanted to be beaten to death.

Du Jinhu, who was sitting next to Lin Kai, was also a little numb. He looked at Lin Kai helplessly and shook his head.

And the Monk Lixin looked back at Lin Kai, folded his hands together, and bowed towards Lin Kai.

"Amitabha."

After all, the monk gave up the competition with a smile.

But everyone knows that he has already killed his heart, and Lin Kai is dead!

"Two thousand and ten spiritual stones, is anyone bidding higher?"

"Two thousand and ten spiritual stones for the first time!"

"Two thousand and ten spiritual stones for the second time!"

"Two thousand and ten spiritual stones for the third time!"

"Deal!"

boom!

With a hammer drop, Lin Kai got the Fangtian painting halberd for the price of two thousand and ten spiritual stones!

All the lots at the Zhang Family Auction were sold.

On the stage, Master Chu smiled and said: "Dear guests, the auction held by the Zhang family was a complete success and officially ended!"

"Please come to the main hall for dinner!"

There was a round of applause, a scene that seemed kind, but secretly there was a murderous intent.

No one went to the main hall at all.

Most people got up and walked directly towards the door.

As expected, there will be a good show at the gate!

Lin Kai smiled slightly and got up to fetch his own things.

...

The area around the gate of the abandoned factory was already full of people.

A large part of the entire gate has been vacated.

On this large area, three people stood.

The first one is Li Lao Dao, wearing a Taoist robe and holding a whisk in hand.

The second place is Wang Gang in a suit.

The third person is a monk with a heart in a robes and a stick in hand.

The three major martial artists in Beijing were all standing at the gate of the Zhang Family Auction at this time.

At the Zhangjia auction, no one dared to do it, but after the Zhangjia auction, life and death are in the sky!

The onlookers in the distance are waiting for that person to appear.

The man who dared to provoke the three major martial artists appeared.

That person has three treasures! These three martial artists came for those three heavy treasures!

Soon after, two people walked out of the abandoned factory.

The leader, carrying a huge Fangtian painted halberd and wearing sportswear, was Lin Kai.

Behind him, Du Jinhu was holding a three-legged copper furnace in one hand and a complete set of talisman in the other, trembling all over, wanting to cry without tears.

As soon as the two appeared, they immediately became the focus of the scene!

There was a burst of heated discussions among the people watching.

“Fuck, that kid really dare to come out!”

“Still like that! He came out with Fang Tian’s painted halberd.”

“Could he not know how to write dead words?”

“Don’t worry, he won’t live long. Once the three major martial artists come out, can he survive?”

...

Wang Gang, Li Lao Dao, and Xinxin Monk, the three of them all looked at Lin Kai, with a hint of mockery in their eyes.

“Do you really dare to come out?” Wang Gang snorted and took a step forward.

“No one dared to move you at the Zhang Family Auction, but now that you stepped out of the Zhang Family Auction, your life belongs to our three brothers!”

Old Li Dao shook the dust and said coldly: “Young people don’t know how high the sky is. Today, no one can save you!”

The monk put his hands together and said with a smile, “Amitabha.”

The three major martial artists are full of murderous intent.

Lin Kai put his hand in his pocket and carried Fang Tian’s painted halberd on his shoulder, looking at the three people in front of him impatiently.

“I said, you guys are really dogs! If you can’t compete with me, you plan to grab it, right?”

Old Li snorted coldly: “Huh! This world is already weak and strong! We not only want to snatch, but also kill! You are dead today!”

Wang Gang hugged his arms and said proudly: “Young people, we don’t want to bully the little ones. We obediently put those three things on the ground. We can give you a happy one and leave you a whole body.”

“Otherwise, you may become a puddle of mud in a while!”

Arrogant!

Very arrogant!

Wang Gang’s words didn’t open Lin’s eyes at all.

It seems that Lin Kai is an ant that can be trampled to death at any time in his eyes!

Du Jinhu next to Lin Kai couldn’t hold on anymore. He stammered: “Lin...Brother Lin, or...or let’s... let them give them things, begging for mercy?”

Du Jinhu was almost scared to pee at this time.

Lin Kai laughed, just about to speak, when a beautiful figure passed by him.

There was a trace of gloat in the man's beautiful eyes. She held her arms and led the two old men out of the abandoned factory.

"Yo-yo, Lin Kai, why are you not arrogant now?"

"Why doesn't it swell?"

"The three major martial artists will kill you!"

"You will be a dead man soon!"

The person here is Miss Zhang Family, Zhang Xiaoqian.

Behind Zhang Xiaoqian are two martial artists, who are also masters.

Zhang Xiaoqian hugged her arms, high up: "Lin Kai, I Zhang Xiaoqian will give you a chance. Now you just have to bow your head and say that Sister Zhang I was wrong. I will never dare to do it again. I will be a bull and a horse for you in the future, maybe I You can consider saving your life."

"Otherwise, these three martial artists will not let you go!"

Chapter 604: One Enemy Two

Chapter 604

Zhang Xiaoqian immediately attracted everyone's attention when she appeared.

The Zhang family is a well-known big family in the capital, and Zhang Xiaoqian is the eldest of the Zhang family.

The jewel in the palm of Zhang Family Patriarch.

If Zhang Xiaoqian wanted to protect Lin Kai, no one would dare to touch Lin Kai.

This is the strength of the Zhang family!

Hearing this, Du Jinhu was very excited, and he blinked at Lin vigorously, trying to hint Lin Kai.

In this situation, only Zhang Xiaoqian can keep the two of them!

Lin Kai didn't seem to see Du Jinhu's hint, and stood proudly.

"Haha, I'm being protected by a woman? What a joke!"

In the words, Lin Kai didn't pay attention to Zhang Xiaoqian at all.

"You!" Zhang Xiaoqian became angry for a while, akimbo, her face flushed.

Then, she said angrily: "Then you go to die! Humph!"

Hearing Zhang Xiaoqian's words, the three of Li Lao Dao not far away breathed a sigh of relief.

If Zhang Xiaoqian wanted to protect Lin Kai, the three of them really didn't dare to take Lin Kai.

But when the kid Lin Kai died, he actually refused Zhang Xiaoqian's protection. The three of them could tell that Zhang Xiaoqian seemed to be making things difficult for Lin Kai on the surface, but he was actually protecting Lin Kai.

It's just that Lin Kai doesn't sell Zhang Xiaoqian's face.

At this moment, I saw Lin Kai stand alone carrying Fang Tian's painting halberd.

Facing the three of them, he was still very calm.

"Hey! Three of you, let's go together, don't waste time!"

As soon as Lin Kai said such arrogant words, there was a sound of air-conditioning.

How capable is this Lin Kai? So arrogant?

He is so young that he can't be a martial artist, right? Even if he is a martial artist, he has to face three masters at the martial arts level!

Is it possible that this Lin Kai can be one enemy three?

Old Li sneered and flicked the dust: "Hehe, rampant! Since you rejected Miss Zhang's kindness, then the three of us will punish Miss Zhang for your ignorant boy!"

Li Lao Dao is a good personality, and he is afraid of offending Zhang Xiaoqian. He even punishes Lin Kai for Zhang Xiaoqian.

Lin Kai stepped forward, not afraid of Old Li Dao.

"Stop talking nonsense, come on!"

Old Li Dao narrowed his eyes, and saw him flick the dust before calling Lin Kai!

“Go to hell!”

A qi burst out from the whisk and hit Lin Kai’s face!

Lin Kai was also quite disdainful. The Fang Tian painted halberd that the four strong men could lift was as light as nothing in Lin Kai’s hands.

With a cry, Fang Tian’s painted halberd was picked up by Lin Kai!

With a bang, Li Lao Dao’s infuriating anger was directly scattered by Fang Tian’s painting!

This trick made everyone on the scene stare!

Lin Kai was able to swing Fang Tian’s halberd like an arm, and also dispelled the anger that Lao Dao had hit, indicating that he was a martial artist!

At such a young age, he has become a martial artist. I am afraid that he has a great background!

Old Li Dao also narrowed his eyes: “Martial artist? No wonder it’s so arrogant!”

He had become a martial artist at a young age, and he seemed young and energetic, so he didn’t put the three of them in his eyes.

However, Lin Kai was too arrogant and offended the three martial artists!

Three martial artists, enough to cut you to pieces!

Not far away, Zhang Xiaoqian was also a little surprised.

“A martial artist? What a high talent.”

After thinking about it for a while, she said: “The second elder of the Zhang family, if his life is in danger for a while, save him and see if he can work for our Zhang family.”

“Yes.” The two Guwu masters behind him immediately clasped their fists.

At the scene, Li Laodao sneered: “Hehe, what about the martial master? It’s a pity, you are facing three martial masters!”

“Friend Wang Dao, come and help me take down this thief!”

Li Lao Dao shouted, and Wang Gang also stood up.

Hearing a stab, Wang Gang tore his suit, and then his explosive muscles were exposed to the air.

Strong and powerful, the exposed green veins are beating vigorously, Wang Gang, a martial artist who is good at close combat!

I only heard Wang Gang shouting: "Boy, take me a few punches!"

After that, he quickly approached Lin Kai, and Li Lao Dao also flicked the dust and attacked Lin Kai far away.

Brush!

A few real qi hit Lin Kai, and Wang Gang also surrounded Lin Kai, using his diamond fist to blast Lin Kai's chest!

At this time, Lin Cheung showed his powerful combat effectiveness.

With the previous experience of being one enemy and two, facing the two martial artists again, Lin Kai was much more calm.

I saw him picking up Fang Tian's halberd to fight against Li Lao Dao in the distance. Every qi of Li Lao Dao can be calmly resolved by Lin Kai.

On the other side, Lin Kaikong took out his left hand and fisted against Wang Gang!

boom! boom! boom!

A series of impacts sounded, Wang Gang bombarded Lin Kai with two fists, and Lin Kai could fight it with one hand.

All of a sudden, it formed a picture of Lin Kai playing one enemy and two still not letting down the wind.

In the distance, Li Lao Dao's heart was a shock!

What Li Lao Dao is good at is true energy attacks, and Lin Kai uses true energy to bless Fang Tian's painting halberd, and beat his true energy rhythm! Suddenly, Mr. Li was under great pressure.

Wang Gang, who fought close to Lin Kai, was even more miserable.

Wang Gang is famous for his melee combat, and his diamond fist is superb, but facing Lin Kai, his two fists can't beat Lin Kai one fist!

Lin Kai's fists were not only faster, but also more powerful. Each punch made Wang Gang's mouth numb.

If this continues, Wang Gang can't hold on for long!

But Lin Kai became more excited as he fought. Later, Lin Kai laughed: "Hahaha! Refreshing!"

"Strong hard! Didn't you eat?"

Lin Kai's eyes were red and staring at Wang Gang, only to see the blue veins of Lin Kai's arms burst suddenly, he shouted, and directly blasted Wang Gang's chest!

But Wang Gang quickly blocked it with both hands, with a thud, Lin Kai with full firepower, this punch was powerful enough to smash a stone!

Wang Gang only felt a strong force coming, and a pain from his arm, he flew away uncontrollably!

With a plop, Wang Gang fell to the ground, and he rolled several times, with a look of embarrassment.

After repelling Wang Gang, Lin Kai laughed, and saw that Fang Tian's painted halberd was curled in his hands, and a qi flew out of Fang Tian's painted halberd!

"Old Li! You have beaten me for so long, and you have a blow to me!"

"call!"

That Fang Tian painted a halberd burst out an almost condensed qi, and cut Li Lao Dao's head straight!

But Old Li Dao was shocked, and quickly shot out a few anger to stop him.

But he couldn't dissipate Lin Kai's infuriating anger.

In desperation, Li Lao Dao crushed the talisman paper in his sleeve, and his whole person disappeared from the place with a bang, and appeared one meter away.

In an instant, a white light flashed where Li Lao Dao was standing, and then there was a loud bang. The violent explosion sounded everyone's ears deaf, which was deafening!

Chapter 605: Vassal Clothes

Chapter 605 Surrender!

A closer look revealed that a deep pit had appeared on the ground with black smoke.

If the infuriating qi hit Li Lao Dao's body just now, I can't imagine the end.

At this time, the whole scene was quiet.

Everyone was shocked by Lin Kai's strength.

With one enemy and two, not only did not fall into the disadvantage, but also defeated Wang Gang in close combat, almost beheading Li Lao Dao with his true energy!

Lin Kai, he looks only 19 years old!

A 19-year-old boy is so powerful!

No wonder it is so arrogant at the auction, people have arrogant capital!

Du Jinhua was also dumbfounded. He found that he had misunderstood Lin Kai.

Lin Kai is not looking for death, because Lin Kai has great strength, so he is not afraid of these three people!

Not far away, Zhang Xiaoqian also opened her surprised little mouth, and could lay an egg.

She was a few years older than Lin Kai, but Lin Kai's strength left her eighteen streets!

Masters like Li Lao Dao and Wang Gang are not Lin Kai's opponents. In time, Lin Kai will surely become a famous figure!

At this time, the two Guwu masters standing behind Zhang Xiaoqian felt fortunate.

Fortunately, in the backstage of the auction, the two of them did not attack Lin.

Otherwise, the fate of the two of them will be extremely miserable.

The most shocking thing in my heart was that Wang Gang and that Li were old.

Both of them fought against Lin Kai, and they knew Lin Kai's formidable strength.

Wang Gang, the king of melee, felt the pressure of Mount Tai in Lin Kai.

Li Lao Dao, a master of remote combat, was almost beheaded by Lin Kai!

He did not hesitate to use a very precious talisman paper to save his life.

At this time, Lin Kai stretched out his muscles and smiled.

“Hahaha! Good! You two, didn't you eat? Use a little bit of effort! Three of you, go together!”

Lin Kai yelled.

And Li Laodao and Wang Gang looked at each other. Although they were a little jealous, so many people watched, if they ran away, their reputation would be discredited!

“Master, let's go together!”

Old Li said something.

The monk put his hands together: “Amitabha, the benefactor, offended.”

With a whirr, the monk Lixin raised the stick, and the three of them killed Lin Kai together!

But Lin Kai knew how many catties he had, and he knew that the three of them were going together, and it was difficult for him to defeat them without using the extraction ability.

Why not, let these people know their strength!

At that time, Lin said silently: “Brother Flathead extract power, turn it on!”

Lin Kai's attributes were all doubled as soon as the extraction ability of Pingtou was activated!

The true spirit value has changed from 600 points to 1,200 points!

Other attributes such as strength have also doubled!

Under all eyes, Lin Kai's momentum rose sharply, and he stopped laughing and dropped the Fang Tian painted halberd on his shoulders.

Everyone looked at Lin Kai with a puzzled look, what did they drop their weapons for? Could it be that he was afraid and wanted to surrender?

At this moment, the scene where everyone's jaws fell to the ground happened, and Lin Kai's body actually floated slowly.

He actually flew up!

Suddenly, the three of Li Laodao slammed the brakes and looked at Lin Kai with surprise.

True Qi imperial thing? This...this is a means Wu Sheng can do!

“What’s the situation?” Old Li Dao panicked.

Even Master Xin, who has always been very calm, felt a little uneasy in his heart.

And the corner of Lin Kai’s mouth showed an evil smile.

He really likes the feeling of controlling the life and death of others.

He pointed to Li Lao Dao and the other three, and then spit out a word: “Get up!”

With this sound, the bodies of the three of Li Laodao were enveloped in an invisible innocence. They could not help but struggle, and all three of them flew!

The three of Li Lao Dao and others were already panicked at this time, they found that something was wrong.

This kid is kind of evil!

“Zhen Qi Yuwu! He... he is Martial Saint!” Old Li Dao exclaimed in shock.

Wang Gang struggled desperately, but at this time, Lin Kai’s true energy was severely suppressed, and he couldn’t use it at all.

The scene was silent.

Once Wu Sheng came out, who would dare to fight?

Now, everyone understands, no wonder Lin Kai dared to be so arrogant, it turns out that he is a master of martial arts level!

But he is too young, right?

Zhang Xiaoqian on the side was also dumbfounded, no wonder Lin Kai dismissed her Zhang family’s protection, because he had the strength to protect himself.

She raised her head to look at Lin Kai, at this moment, she understood.

Lin Kai must have used some means to maintain his appearance, he was not a young man in his twenties at all.

He is an 80 or 90 year old monster!

“Hahaha! Old Li, Wang Gang, Master of Heart, I, Lin Kai killed you today, can you persuade it?” Lin Kai laughed wildly.

And these three people were almost scared to pee at this time.

They don't want to die!

At this time, the three of them finally realized that they were afraid, and saw them begging for mercy.

“Master Wu Sheng, we were wrong, you can spare our lives!”

“We don't know you are Wu Sheng! You offended Master Wu Sheng, would you forgive us?”

“We are willing to follow you, be a bull and a horse for you, take hard work and no complaints!”

Old Li Dao cried at this time that they no longer dared to resist, and even had a heart of obedience to follow Lin Kai.

But Lin Kai, who was planning to kill the three of them, narrowed his eyes.

Ok?

If you accept them and gain a foothold in the capital, will it be easier?

Also, there is an agreement between himself and the Long Family Patriarch, if there are not a few masters under his hand, he will not be able to stand in the capital!

“Are you willing to surrender to me?” Lin Kai asked.

Li Lao Dao quickly lowered his head and replied: “Yes! As long as Master Wu Sheng gives your order, I will follow you, and I will learn from the sun and the moon!”

“it is good!”

Lin Kai waved his big hand, and Li Laodao fell from the air.

“How about you?” Lin Kai looked at Wang Gang.

In order to survive, what about surrendering to Lin Kai? Wang Gang nodded quickly: “I am willing to follow you. Starting today, you will be my master.”

Lin Kai was very satisfied with this answer. With a wave of his hand, Wang Gang fell from the air.

Finally, Lin Kai looked at Master Xin.

“What about you?” Lin Kai asked.

“Amitabha, poor monk...”

“Speaking of people!” Lin Kai snorted coldly, with a displeased expression before Master Yexin’s words were finished.

Master Lixin was frightened and shivered, and hurriedly replied: “Yes, starting from today, I will follow you, your master, you will let me fight a chicken, I will never catch a dog, if you let me go east, I will never dare to go. West!”

After hearing this, Lin Kai nodded, and Master Lixin was also let go.

All three martial artists surrendered to Lin Kai.

At this time, Li Lao Dao stepped forward and asked with a fist: “Honorable Lord, you are extraordinary, and you are a martial sage with advanced strength. You must be well-known in China.”

“May I ask what your honorific name is?”

Honorable name?

Lin Kai didn’t seem to have a title of his own.

After scratching his head for a moment, Lin Kai’s eyes lit up. He already had a very good title in his heart.

Just called...

Chapter 606: Lin Yizong

Chapter 606: Lin Yizong

“Lao Tzu is a man who wants to be the first master in Beijing. From today, my honorific name is Lin Yizong!”

Lin said cheerfully.

Lin Yizong, an honorable name for being so wild!

The first master of the capital?

Once this title was passed on, Lin Kai would definitely become a target.

Li Lao Dao and the others immediately knelt down on one knee after hearing the words.

“I have seen Lord Lin Yizong!”

The title of Lin Yizong was scattered.

Countless people on the scene saw that Lin Kaiyi was one enemy ten, showing the strength of Wu Sheng.

Starting today, the name Lin Yizong must be famous in Beijing!

Not far away, Zhang Xiaoqian’s eyes were full of horror.

Now she dared not speak to Lin Kai as Miss Zhang’s.

On the contrary, in front of Lin Kai, she was a junior.

Lin Kai came to Zhang Xiaoqian with his hands behind his back, with a playful smile.

But Zhang Xiaoqian lowered her head, not daring to look at Lin Kai’s eyes.

“Miss Zhang, look at Lin Kai, do you need your Zhang family to protect it?”

Zhang Xiaoqian squeezed the corner of her clothes, Yingying said: “Junior Zhang Xiaoqian, I have seen senior, it was Xiaoqian who walked away just now, please punish me.”

“Senior? Am I that old?” Lin Kai raised an eyebrow.

“Senior, your cultivation base has reached the martial sage level, and you must be at least the same age as your father, so please don’t tease Xiaoqian, senior.”

Lin Kai couldn’t laugh or cry after hearing Zhang Xiaoqian’s words.

Just because of her strength, she thinks she is an old monster who has lived for a long time?

“Nonsense, I’m very young, not twenty years old yet, how can you call me senior?”

“You want to call me brother.”

Lin Kai joked.

And Zhang Xiaoqian raised her head and glanced at Lin Kai, Lin Kai’s face really did not look like a disguise.

Especially he still has a green aura.

Is it possible that he is really 19 years old?

If this is the case, it would be even more terrifying.

Nineteen-year-old Wu Sheng, is this going to shake the sky?

“Even if you are less than twenty years old this year, among warriors, strength is respected, you are still Xiaoqian’s senior.”

Zhang Xiaoqian is very foresighted, and at this time, she dare not care about it.

“It’s up to you.” Lin Kai waved his hand and smiled helplessly.

Soon after, Lin Kai took Du Jinhu’s car and returned to the capital.

After returning to the capital, it was already dark.

The three of Li Laodao came to Cuihu Garden with their luggage in the morning of the next day.

The three of them are not fools, even if they obey Lin Kai, they are not unwilling.

After all, they knew that Martial Saint was too rare, and if they could become a subordinate of Martial Saint, they would be considered a backer.

It is no longer a casual repair without a school.

In the morning, Lin Kai took a wash and came to the yard. At a glance, he saw Li Lao Dao and the others standing at the gate.

Lin Kai waved his hand: “Come in, one person is looking for a room, starting today, you will live here.”

The three of them were overjoyed when they heard the words, and quickly thanked them.

“Thank you Lord.”

Lin Kai lived in this huge villa alone, which was very boring.

The three of them came, just in time for a mahjong.

The huge Fangtian painted halberd has been erected in the yard by Lin Kai.

Lin Kai can be said to be very curious, the system says this thing is suitable for rhu barb, but it is not in keeping with rhu barb!

The shape of rhu barb is like a dog. How can this Fangtian painted halberd be suitable for rhu barb?

The rhu barb was at the feet of Lin Kai.

Now the rhu barb is fat, fat and dog-like, and is no longer the tiger in the jungle that cannibalizes.

At this moment, Li Laodao and the other three people moved a small bench and sat behind Lin Kai.

The three also looked at the rhu barb.

Old Li Dao touched his beard: "This dog is a bit big!"

"Much bigger than the average local dog."

Wang Gang nodded: "The size of this dog is about to catch up with the Tibetan Mastiff."

Master Lixin put his hands together: "Amitabha, the dog raised by the Lord must not be an ordinary dog."

But Lin Kai didn't hear these three people talking behind him.

In his ear, the voice of the system came.

"The tiger is huge and powerful."

"This Fangtian painted halberd is an indestructible heavy object. You can tell by just trying it."

Upon hearing this, Lin Kai whistled.

"Hey, Rhu barb, that's your weapon, you go try it."

When Rhu barb heard this, he came to Fang Tian's painting ji.

When Mr. Li saw Lin Kai talking to a dog, he looked at each other with Wang Gang and Master Xin.

The three of them looked dumbfounded.

Lord, is this rewarding Fang Tian's painted halberd to a dog?

Master Lixin wanted this Fangtian painting halberd very much, so he took a deep breath and stood up.

“Lord, this Fang Tian painted a halberd. Is it possible that you are not comfortable with it?”

Lin Kai put his hands in his pockets and nodded: “Such a big mess, it must not be easy!”

Hearing this, the master of Xinxin was overjoyed and overjoyed. He said: “Master, it is better to reward this Fangtian painted halberd to the poor monk, who can maximize the power of this Fangtian painted halberd.”

Master Xinxin's weapon is his Zen stick, and the shape of this Fangtian painting halberd is similar to that of the Zen rod. Indeed, Fangtian painting halberd is more suitable for Master Xin.

At that time, Lin Kai gave a smirk: “Hey, it's not impossible. You have a fight with my dog. If you can win, I will reward you with Fang Tian's painted halberd!”

After hearing Lin Kai's words, Master Lixin was stunned.

He looked back at Li Lao Dao, and Lin Kai just talked to a dog.

Actually want him to be a martial artist to fight with a dog?

Can he beat a dog?

Is it possible to become one's own lord, is there any mental illness?

“Lord, don't make a joke.” Master Lixin put his hands together and smiled bitterly.

Lin Kai shook his head: “I'm not kidding, as long as you can beat my dog, Fang Tian's halberd is yours!”

After being confirmed, Master Lixin's eyes lit up: “Is this true?”

“really.”

An excited smile appeared on the corner of Master Lixin's mouth.

If this is the case, then this Fang Tian painted halberd is none other than him!

But Rhubarb also understood what Lin Kai said, and it looked straight at Master Xin with a bad look.

And Master Lu Xin came to Rhubarb and put his hands together.

“Amitabha, benefactor, offended!”

After that, I saw Master Xin lift the stick with both hands, and a stick was smashed at the head of Rhubarb!

He killed him directly, good fellow, he was killing Rhubarb!

The rhubarb also made a sound of Wang, and saw it bit the bottom of Fang Tian's painted halberd. After that, with a cry, Fang Tian's painted halberd was picked up by rhubarb!

The huge Fangtian painted halberd directly shook Master Xin's stick!

At that time, Master Lixin saw this scene, his eyes almost stared out.

He even wondered if he was dreaming!

Master, who has always been calm and calm, couldn't help but burst out a foul language: “Fuck me!”

Chapter 607: Not As Good As A Dog

Chapter 607

When did Master Lixin see such a scene?

A dog actually swung Fang Tian's halberd which weighed 100 kilograms!

With a loud bang, Fang Tian's painting halberd and the Zen stick in Master Xin's hand slammed together!

Suddenly, Master Luxin felt that his hands were numb, and he couldn't even hold the Zen stick.

This dog has a lot of strength!

Wang Gang and Li Lao Dao on the side were also dumbfounded.

Is this a **** dog?

This is even scarier than a tiger!

In the next scene, the two of their brothers almost didn't panic their jaws.

I saw the dog picking up Fang Tian's painted halberd, and Fang Tian's painted halberd turned around its neck twice. It was actually playing a stick!

Fang Tian painted the halberd around Rhubarb's neck several times, and then, Rhubarb actually stood up on both legs!

Fang Tian's painted halberd fell directly into its two claws, whirring! Fang Tian's painted halberd turned in its hands!

Master Leo Xin looked at the scene in front of him, and the stick was almost unsteady.

Is this a **** dog? This is clearly the reincarnation of Monkey King!

Huhuhu!

Rhubarb had enough of Fang Tian's painting of the halberd, so he bit Fang Tian's painting of halberd once again, and shot directly at Master Xin!

Moreover, Fang Tian painted the halberd's body, still wrapped in a burst of true energy.

This dog is really angry!

The master of the heart dare not neglect.

He hurriedly wrapped the Zen stick with True Qi, exhausted all his strength, picked up the Zen stick, and smashed the halberd towards that Fang Tian!

Boom!

With this sound, it was as if Tie Zhu hit the big clock with a bang, and the shaking person's ears hurt.

And Master Xin felt that his Zen stick was photographed on a rock that could not be shaken, and the huge force bounced back. With a stroke, he could not even hold the Zen stick.

The stick was knocked out directly!

Rhubarb swiped Fang Tian's painting halberd and turned around in front of Master Xin twice. With a bang, Fang Tian's painting halberd directly hit the ground in front of Master Xin.

The land was smashed into a deep hole.

In this battle, Rhubarb won without pressure!

But Master Xin looked ugly, and it was nothing to lose in Lin Kai's hands. After all, Lin Kai was a master of martial arts.

But now, he actually lost in the hands of a dog!

At this time, Rhubarb stretched out his big tongue, and actually smiled very humanely, his eyes were full of disdain for Master Xin.

Lin Kai laughed at this moment: "Hahaha! Nice job!"

"It deserves to be my Lin Kai dog!"

And Wang Gang and Li Lao Dao also clapped at this time, their faces still have a dumb expression.

They have never seen such a powerful dog, and even a master like Master Xin is not its opponent!

Master Lixin swallowed and asked, "Honorable Lord, why is this dog able to fight like this? There is still true energy!"

Lin Kai smiled and said, "Hehe, it is not an ordinary dog, it is a dog that can practice ancient martial arts?"

"Dogs can also cultivate ancient martial arts?" Master Lixin asked the three in unison, all with a look of disbelief.

"Everything has spirit, and people can practice ancient martial arts, why can't dogs?"

Lin chuckled.

"Hehe, since the three of you recognize me as the master, starting today, there must be a distinction between upper and lower."

"This dog is the first one to worship, he is the boss, you, the name is big brother."

Lin Kai said.

The three of Li Lao Dao looked at each other, their expressions were very strange.

Actually let them call a dog the eldest brother?

"Why? Not willing?" Lin Kai narrowed his eyes and looked bad.

Li Lao Dao and others shook their heads quickly: "No, no, no, yes, we are all very willing."

Having said that, Old Li wiped his sweat and came to the front of Rhubarb, carefully yelling: "Big Brother..."

"Little brother Li Youdao, I've seen big brother."

Rhubarb stretched out his big tongue, glanced at Li Dao very coldly, and ignored him.

Wang Gang also came to the front of Rhubarb.

Wang Gang, who looked serious in a suit, also showed a pleasing smile at this time.

"Big brother, younger brother Wang Gang, I have seen eldest brother."

In the end, it was Master Luxin. Master Luxin came to the front of Rhubarb and put his hands together.

"Amitabha, the poor monk has taken heart, I have seen... I have seen my big brother."

Master Leo Xin bowed to the rhubarb.

Upon seeing this, Lin Kai nodded in satisfaction.

"Lao Li Dao is the second one to worship the entrance, he is the second child."

"Wang Gang is the third child."

"The heart is the fourth."

"You all have to listen to it in the future, do you understand?"

Lin Kai pointed to the Great Zodiac.

"Understood." The three nodded together.

Lin Kai waved his hand, and the three of them dispersed.

After the three of them dispersed, Lin Kai took out a spiritual stone from his pocket.

It's no use for Lin Kai, but it looks pretty good.

While Lin Kai was holding the Lingshi in his hand and looking at it, Da Huang ran over.

It smelled the spirit stone in Lin Kai's hand, its eyes lit up, and it whispered twice in front of Lin Kai.

Seems to be asking for this spiritual stone.

Is it possible that rhubarb likes it?

Lin Kai threw the spirit stone on the ground, only to see the rhubarb gulp, bit the spirit stone into his mouth, click and click, the spirit stone was swallowed by it.

Fuck, this stupid dog actually likes to eat stones?

If you like to eat, then eat more!

I can't use it anyway.

At that time, Lin opened a piece of Lingshi and another Lingshi.

After feeding a full forty yuan, Rhubarb hit a full hiccup, found a warm place, and went to sleep directly.

Upstairs, Li Lao Dao and the three others saw this scene clearly.

Old Li Dao looked solemn and envied: "One hundred million yuan of spiritual stone, the Lord has fed it to a dog."

"No wonder that dog has real energy in his body, and he can't even beat his heart."

"Fuck you who grew up eating spirit stones!"

Master Xin, who was very unconvinced in his heart, smiled helplessly after seeing this scene.

"Buddha Amitabha, the poor monk has taken the clothes. How many warriors can't save a few pieces of spiritual stones in their lives. The Lord actually uses them to feed the dogs.

"Jealousy envy hate ah!"

The three sighed, not as good as a dog!

On Lin Kai's side, when he returned to the room, he took out the three-legged bronze furnace and the talisman.

The three-legged copper furnace is used to make alchemy, and Lin Kai doesn't know how to make alchemy.

A systematic voice came from my ear: "If you have the ability to extract the pill furnace, alchemy is not difficult for you."

"If you have the ability to extract talisman, drawing talisman is not difficult for you."

“The difficulty now is that you don’t have these two extraction capabilities.”

Lin Kai was speechless at the time.

Are you **** talking nonsense?

The question is, where can I get these two extraction capabilities now?

“You post me a task, don’t I have it?” Lin Kai asked helplessly.

The system’s answer is even more nonsense: “I’m just an artificial intelligence, and I need to trigger randomly when posting tasks.”

“How did it trigger?”

Chapter 608: Sanshu Antique Shop

Chapter 608

“The system is confidential and cannot be disclosed.”

A word of the system almost drove Lin Kai crazy.

This three-legged copper furnace Lin Kai is temporarily useless, after all, Lin Kai can’t make alchemy either.

But Lin Kai could study this complete set of Fulu.

In the Fulu book, there are recorded various talisman painting methods, as well as detailed teaching. Lin Kai can draw the magic talisman he wants according to the prompts in the Fulu book.

When fighting with Li Lao Dao, Li Lao Dao used a magic talisman.

That magic talisman even saved Li Lao Dao’s life.

Therefore, Lin Kai was very interested in magic charms.

But for drawing symbols, Lin Kai needs a writing brush and paper.

Just about to find these two things, the voice of the system rang in my ears: “Do you know why there are so few modern charms?”

Lin Kai was taken aback, and shook his head: “I don’t know.”

“Because the modern magic-drawing technology is completely lost, the current magic-drawing methods are actually wrong.”

“Oh?” Lin Kailai became interested: “The correct way to draw magic charms should be?”

“First, the ink used to draw the magic talisman is not ordinary ink, but ink mixed with blood and ink.”

“Secondly, ordinary brushes cannot draw magical charms at all.”

“You need to find a writing brush that can be psychic. To put it simply, it is a writing brush that can withstand your anger.”

“Thirdly, when drawing a magic talisman, you need to infuse true energy into the brush, and use the brush to stimulate the ink before you can draw the talisman.”

After listening to the system, Lin Kai suddenly realized.

His world seemed to open a new door.

I really know a lot about this system.

“understood.”

“I’m going to find a writing brush now!”

It’s easier to find blood and blood, but the psychic brush is more difficult to find.

Lin drove out the door, took a taxi, and ran directly to the nearest antique market.

In the antique market, many old objects are sold. Maybe you can find this psychic brush.

Soon after, Lin Kai came to the largest antique market in Jiangjing Town.

The antique market is very lively. There are various shops on both sides of the street, and there are small stalls at the entrance of the shops.

There is everything for sale.

Lin Kai walked around the street with his hands behind his back. Soon after, Lin Kai entered a relatively large antique shop.

The name of the antique shop is Sanshu Antique Shop.

There are a lot of customers in the store, and there are also a lot of guys, there are as many as seven or eight.

Seeing that Lin Kai was young and dressed very ordinary, no one came to receive Lin Kai.

Lin Kai didn't mind, walking around in the antique shop alone.

After wandering for a long time, Lin Kai did not find the brush he wanted.

Just about to leave, at this moment, only a young man rushed in.

The young man was about seventeen or eighteen years old, with a green face, very ordinary dressed, and old clothes, but he was better than clean.

In his hand, holding a copper bowl.

He flew to the counter.

"Boss! How do you look at my copper bowl?" the young man asked plainly.

The owner of the antique shop is a fat man in his forties, wearing glasses.

I saw him come over, took the copper bowl in the young man's hand, and looked carefully.

Soon after, the owner of the antique shop brightened, but his face remained calm and threw the copper bowl on the counter.

"What kind of tatters are you? It's worthless!"

As soon as the words of the antique shop owner came out, the young man's face immediately showed disappointment.

"Ah? What can I do then? My father is still waiting for money to treat the illness! If I can't get the money, my father will be dying of illness!"

The young man's worried expression didn't seem to be lying.

At this moment, Lin Kai Jintong took a look, and Lin Kai knew the authenticity of the copper bowl immediately.

The bronzes of the Qin Dynasty! It is so complete that it is worth at least 800,000 in the present world!

The boss believes he can see it too, but he wants to take this copper bowl at a low price!

Upon hearing the words, the owner of the antique shop deliberately showed a hesitant look.

After a long while, he waved his hand and said compassionately: "Forget it, look at you, poor, you copper bowl, I paid two thousand dollars!"

Hearing that, the simple boy's eyes lit up.

"Really? I thank you for my father, boss, you are such a good person!" the young man said with a grateful expression.

A triumphant look flashed across the boss's eyes.

There were also a few experts around who also saw the trickiness, but none of them said to remind the young man.

The owner of the Sanshu antique shop is also a well-known figure in the antique market. Who dares to ruin his good deeds?

The owner of the antique shop took out two thousand yuan from the counter and put it on the table.

And that simple young man reached out to get the two thousand dollars.

At this moment, Lin Kai suddenly appeared and grabbed the young man's hand.

"Wait." Lin Kai stopped the young man.

The young man raised his head to look at Lin Kai with a look of doubt: "Brother, what are you doing with me?"

The boss also looked at Lin Kai with a displeased expression. Could it be that Lin Kai was looking for fault?

Lin Kai smiled playfully, looked at the boss, and asked, "Boss, it's not good to cheat others like this?"

Hearing this, the boss narrowed his eyes and said coldly, "Friend, what do you mean?"

"What do I mean?"

Lin Kai sneered, pointed to the copper bowl, and said loudly: "This copper bowl is a bronze ware from the Qin Dynasty. It can sell for at least 800,000 yuan now. Have you collected 2,000 yuan?"

"Isn't this cheating?"

When Lin Kai's words came out, the audience was in an uproar, and many people looked at Lin Kai.

The young man's eyes blinked: "Brother, are you true? My copper bowl can really sell for 800,000?"

"If that's the case, my father's disease will be cured!"

The young man looked excited.

And the boss's face was ugly, and he snorted coldly, "Huh, my friend, you need to speak for evidence. You said this is Qin Chao's copper bowl, then it is Qin Chao's copper bowl?"

Hearing this, everyone around also looked at Lin Kai.

There is nothing to say! Lin Kaide proved that this copper bowl really belonged to the Qin Dynasty.

Lin joked, picked up the copper bowl on the table, and said, "Proof? I don't need to prove it, little brother, you copper bowl, I will accept it, I will give out 800,000!"

Hearing this, the young man was overjoyed: "Big brother? Really?"

"Really." Lin Kai smiled slightly.

Hearing that, the face of the antique shop owner turned black in an instant.

Yes, he naturally recognized the copper bowl, and knew that the copper bowl was very valuable. Originally, he wanted to have an empty glove white wolf, but he didn't expect to kill Cheng Yaojin halfway.

Eight hundred thousand received this copper bowl? Hundreds of thousands of profits disappeared, and the face of the owner of the antique shop was dark.

Chapter 609: Brother Scar

Chapter 609: Brother Scar

“Friend, do you really want to ruin my good deeds?” the antique shop owner asked, squinting.

“What’s bad for you?” Lin Kai put his hands in his pockets and smiled playfully: “Hehe, I bought this copper bowl for 800,000 yuan. Does it have anything to do with you?”

After that, Lin Kai took out his cell phone and asked the boy’s bank card number.

Soon after, Lin Kai transferred 800,000 yuan.

The young man also received a text message reminder.

He was overjoyed and quickly worshipped Xie Linkai: “Brother! Thank you so much, I kowtow to you!”

“No need.” Lin Kai quickly helped the young man up.

Seeing Lin Kai really transfer 800,000 yuan to the young man, the face of the owner of the antique shop went black in an instant.

The cooked duck flies, how can he not be angry?

“Haha, okay, dare to ruin my third master’s good deeds, you **** wait for me!”

With a bang, the antique shop owner slapped the table severely and glared at Lin Kai.

However, Lin Kai smiled, not taking the words of the antique shop owner to heart.

Soon after, the young man left.

And Lin Kai also left the Sanshu antique shop and strolled in the antique market alone.

This stroll took one afternoon, and behind Lin Kai’s ass, he actually followed the two buddies in the antique shop.

Lin Kai found out a long time ago, but he didn’t respond to them.

Lin Kai has sent a text message to Du Jinhu, and Du Jinhu’s people are near the antique market.

If they don’t do it, if they dare to do it, Lin Kai will definitely let them know why the flowers are so red!

After wandering for a while, Lin Kai was about to leave.

But just not a few steps away, only a few strong men came from the front.

Looking back, there are also a few brawny men behind.

There are as many as a dozen.

These more than a dozen brawny men, all of them are full of characters, fierce expressions, and the leader has a scar on his face, and his expression is hideous.

As soon as these dozen people appeared, the antique market immediately became quieter.

Many people are far away from these dozen people.

These dozen people directly blocked Lin Kai's path.

The fierce and strong man in the lead stood directly in front of Lin Kai.

"Boy, do you know who I am?" the strong man asked.

Lin Kai shook his head and said calmly, "I don't know."

As soon as the voice fell, a small **** next to him immediately cursed: "Fuck, **** in the antique market, you don't even know who Scar is?"

"Did your eyes grow above your butt?"

"Brother Scar has the final say on this three-acre area of the antique market!"

Hearing this, Lin Kai also looked at the scar brother quite amusingly: "Brother Scar is right? Dare to ask any advice?"

"Advice?" Brother Scar said with a cold smile: "Hehe, kid, you offended someone, don't you know?"

"Now, hand over the things to me, give me three more knocks, and that's all for this matter."

"Otherwise, I don't have a good temper."

With a snap, I saw Brother Dao Scar took out a butterfly knife from his pocket and kept spinning it in his hand.

The meaning of threat is self-evident.

And a dozen gangsters around him looked at Lin Kai with a sneer.

Among the dozen or so gangsters, none of them are easy to provoke roles. Each of them has entered the Public Security Bureau because of fights and has a record.

These people, if you make them anxious, they dare to stab you to death!

“Something? What?” Lin Kai asked, tilting his head.

“Fuck, boy, are you pretending to be confused?”

“In the antique shop just now, where was the copper bowl? Take it out for Lao Tzu!”

Brother Dao scar frowned and said angrily.

When Lin Kai heard this, he pretended to suddenly realize it.

He took the copper bowl out of his pocket and shook it in front of Brother Scar.

“Oh! You mean this?”

When Brother Dao Scar saw the copper bowl, his eyes lit up.

He knew that this thing was very valuable, otherwise San Ye would not send himself to get this copper bowl.

If I can take this copper bowl back, San Ye will reward myself with one hundred thousand yuan!

“bring here!”

At that time, Brother Dao Scar reached out and grabbed the copper bowl in Lin Kai’s hand.

And Lin Kai didn’t evade, the copper bowl fell directly into Brother Scar’s hand.

Brother Dao Scar got the copper bowl, overjoyed!

I saw that he put the copper bowl in his pocket carefully like a treasure, and then glanced at Lin Kai.

“You kid knows you! However, you offended the third master, this matter is not that simple!”

“Now, kneel down and call San Ye three times, I was wrong, and that’s fine.”

“Otherwise, I chop off your three fingers!”

After getting the copper bowl, Brother Scar had no intention of letting go, and had to force Lin Kai to kneel down.

The crowd of people not far away also shook their heads.

Lin Kai is self-inflicted and cannot live!

That Sanye, but the number one figure in the antique market, Zaike is a ruthless man, and the methods are very vicious!

But Lin Kai offended the third master, he must have suffered a dumb loss in this matter today!

When everyone thought Lin Kai was about to kneel down, Lin Kai smiled.

“Hehe, my things are not so easy to take!”

“I’ll give you a chance, now return the copper bowl to me, kneel on the ground and give me three knocks, and that matter is forgotten.”

“Otherwise, I will chop off your hand!”

Hearing Lin Kai’s arrogant words, Brother Scar was taken aback.

Then he and the little brothers behind him laughed.

It was an arrogant smile, Scar Brother looked at Lin Kai as if he was mentally retarded.

“Hahaha! I laughed to death!”

“Are you threatening me? You want to chop off an arm of Lao Tzu?”

“Just rely on you? Do you see the person behind Lao Tzu? Lao Tzu has more than a dozen people. Can you be afraid of you?”

Brother Dao Scar’s arrogant expression didn’t take Lin Kai’s words to heart.

Lin Kai smiled slightly and asked, “People of the Golden Tiger Club, are you afraid?”

Hearing this, Scar and others were taken aback.

The Golden Tiger Club is a well-known big organization in the Fifth Ring Road. They are naturally afraid of the Golden Tiger Club.

But Brother Scar sneered: “Haha, did you pretend to be here?”

“Who is not afraid of the Golden Tiger Club?”

“But when you pretend to be compelling, use your brain!”

“The members of the Golden Tiger Club, every one strictly abides by the rules of the Golden Tiger Club. They will not help anyone outside the Golden Tiger Club!”

“You kid, can you call someone from the Golden Tiger Club?”

“Unless you are the president of the Golden Tiger Club Du Jinhuhu!”

“Boy, don’t you toast or drink fine wine?”

Brother Scar sneered and waved.

I saw a dozen strong men behind him walking towards Lin Kai with a cruel smile on their lips.

And Brother Dao even gave an order: “Boy, the end of the game is to be beaten! Dare to use the Golden Tiger Club to scare me?”

“Hit me! Fight to death! The **** person doesn’t even know him!”

Chapter 610: Count As My Medical Expenses

Chapter 610 I’ll Give You Medical Expenses

Brother Scar gave an order, and a dozen gangsters raised their fists and went on!

But they hadn’t made a step forward, only to hear a low roar of engine roaring.

These dozen people were stunned.

They looked at the place where the sound was made.

The place where the sound was made was behind Lin Kai.

Behind Lin Kai, a black armored car appeared.

This armored vehicle is extremely domineering, with clear water chestnut lines and a pitch-black matte body, just like a tank.

Climber!

This off-road vehicle is extremely expensive and was once used as an armored vehicle by foreign troops.

This car appeared from behind Lin Kai.

Of course, this car is the first, but not the last.

After this climber appeared, two more climbers appeared.

Then, two more climbers appeared.

In the end, ten climbers appeared!

As soon as these ten climbers appeared in the antique market, they immediately became the focus of the antique market.

Everyone looked at the ten climbers, holding their breath, not even daring to breathe.

Brother Scar had sharp eyes, and he saw at a glance that there was a golden tiger head on the climber's door.

After seeing the portrait of the golden tiger head, Dao Scar's face changed and his voice trembled: "Jin...Jinhuhui!"

With this sound, the dozen younger brothers behind Brother Scar were almost scared to pee!

Are they from the Golden Tiger Club?

Why do people from the Golden Tiger Club appear here? Is it possible... Is it possible that the young man in front of him found it?

Looking at Lin Kai now, Lin Kai put his hands in his pockets and looked at Brother Scar with a playful expression.

The ten climbers behind him quickly stopped behind him.

Afterwards, four people walked down from each climber's car.

Ten climbers, forty people came down!

Each of these forty celebrities wore black outfits, and on their chests, they also had golden tiger head medals.

These people are the elite members of the Golden Tiger Club!

In the Fifth Ring, whoever sees the members of the Golden Tiger Club will give them face.

And Golden Tiger Club has been doing some charity activities for a long time.

But this does not mean that the Golden Tiger will be easy to bully. On the contrary, within the Golden Tiger Club, although there are strict disciplines, those who dare to touch the Golden Tiger Club will definitely make the other party pay the price!

These forty members of the Golden Tiger Club stood behind Lin Kai.

Look at Brother Scar, he is almost scared to pee!

At this time, only one member of the Golden Tiger Club came to Lin Kai and bowed respectfully.

“I have seen Mr. Lin.”

Lin Kai waved his hand and ignored the member of the Golden Tiger Club.

After seeing this scene, Scar Brother was even more shocked.

He thought he was a member of the Golden Tiger Club, but now it seems that Lin Kai is not a member of the Golden Tiger Club!

But Lin Kai was not a member of the Golden Tiger Club, but he was able to find someone from the Golden Tiger Club. He didn't even care about the rules of the Golden Tiger Club.

What does this show?

It shows that Lin Kai is at least the same level as Du Jinhu!

This kick of myself is considered to be kicked on the iron plate!

Lin Kai put his hands in his pockets and looked at Brother Scar with a playful look: “Aren't you going to chop off my three fingers? Come on! Cut!”

Lin Kai took the initiative to stretch out his hand.

And Brother Scar was almost scared to pee.

He was crying: “Brother, you...Don't tease me, I dare not!”

“Don't dare?” Lin Kai laughed: “Aren't you crazy just now? Do you dare to grab my Lin Kai things?”

Hearing this, Dao Scar took out Lin Kai's copper bowl from his arms trembling, and handed it to Lin Kai with trembling hands.

"Big brother, I was wrong. I don't know Taishan, but I don't know what people are. You are not qualified to take your things!"

Scar brother admitted it at the time.

Lin Kai glanced at the copper bowl and laughed: "Haha, the copper bowl, I gave it to you."

"Huh?" Brother Scar was dumbfounded.

This copper bowl is said to cost one hundred and eight hundred thousand! He actually gave such an expensive thing to himself?

Then Lin Kai's words almost broke Brother Scar.

Lin Kai smiled and said, "Hehe, just treat it as your medical expenses."

Hearing these words, Brother Dao Scar almost cried!

Eight hundred thousand yuan in medical expenses, this...what do you have to label yourself like?

With a plop, Scar Brother directly knelt down, and tears flowed down at the time.

"Big brother, I was wrong, big brother! You can spare my life! Big brother!"

Brother Scar howled.

But Lin Kai didn't take care of Brother Scar, the next scene was very unsuitable for children.

...

Soon after, Lin Kai returned to the Sanshu antique shop.

And behind him, the number 40 person of the Golden Tiger Club followed.

Dare to start with yourself?

Lin Kai's eyes were cold, and he stepped into the third uncle antique shop alone.

At this time, there were not a few guests in the Sanshu antique shop, only a few buddies and the owner of the antique shop.

At this time, the owner of the antique shop was lying on a recliner, watching TV happily. Seeing Lin Kai coming in, he was taken aback, then sneered.

“Hehe, my man, I do things fast, and I came back so soon.”

The owner of the antique shop stood up and glanced up and down at Lin Kai.

“Boy, now you know that San Ye is great, right? Take out the copper bowl.”

The owner of the antique shop beckoned, and said impatiently.

In his opinion, his own person must have succeeded, this kid came to the door to deliver the copper bowl!

Lin Kai smiled slightly and said, “Bronze Bowl, I gave it to you.”

“Give it to my one?” The antique shop owner was shocked after hearing this.

“What do you mean? What about the scar?”

Lin Kai smiled and said, “Hehe, I went to the hospital. The copper bowl is my medical expenses.”

At this time, the owner of the antique shop realized that something was wrong, and only heard him shout: “Come here!”

With a brushing sound, seven or eight buddies stood up and looked at Lin Kai with a bad look.

“Boy, what’s wrong with your scar?” the antique shop owner asked angrily.

In his heart, he was very puzzled. Scar was always safe in doing things. Could it be that Scar did not take people and went by himself and was beaten by this kid?

Lin Kai looked at the seven or eight buddies in front of him and smiled.

“Ha ha.”

“Boss, you have to be kind! Don’t rely on too many people, bully me less!”

After that, Lin Kai clapped his hands.

Snapped! Snapped! Snapped!

After three sounds, the 40th member of the Golden Tiger Club entered the antique shop directly.

As soon as this number 40 appeared, the antique shop was full!

The uniform costumes are all young brawny men with murderous faces, especially the golden tiger-head medal on the chest, which is a symbol of their status!

When the antique shop owner saw so many people, his expression changed.

After seeing the Golden Tiger Club Medal, he exclaimed in a trembling tone: "Golden Tiger Club! You...you are..."

Chapter 611: Bells

Chapter 611

The bosses of the Golden Tiger Club still know them.

He also knows how famous Jinhu will be in the Fifth Ring!

No one who provokes the Golden Tiger Club will end well!

And now, nearly forty members of the Golden Tiger Club appeared in his antique shop. At that time, the boss was panicked.

Is it possible that I provoke the people of Golden Tiger Club?

This young man in front of him is actually a senior member of the Golden Tiger Club?

At that time, the antique shop owner's legs trembled and he stammered.

And the seven or eight guys in the antique shop were all just aloof.

After seeing the people of the Golden Tiger Club, they were immediately persuaded.

"Lao Lao... Boss, it turns out that you are a member of the Golden Tiger Club. It's really flooded into the Dragon King Temple! Misunderstandings, all misunderstandings!

At that time, the voice of the owner of the antique shop trembled.

Lin Kai put his hands in his pockets and smiled slightly: "Hehe, the person you sent to stop me, I gave him 800,000 medical expenses, let's say, how much do you want?"

After hearing these words from Lin Kai, the owner of the antique shop almost knelt down to Lin Kai!

800,000 medical expenses!

How terrible is that?

This also proves that Lin Kai is not an ordinary person, yes, someone who can get 800,000 to buy antiques, he still doesn't bargain, can he be an ordinary person?

The owner of the antique shop has regretted his intestines.

"Can you please..." the boss said weakly.

Lin Kai squinted his eyes and smiled: "Hehe, if you can give me a satisfactory explanation today, that's all for this matter."

"Otherwise, I smashed your shop and sent you all to the hospital!"

Although Lin Kai's voice was not loud, it sounded like thunder in the heart of the antique shop owner.

He knew that if Lin Kai could not be satisfied today, he would be the one who suffered!

At that time, the owner of the antique shop gritted his teeth and winked at the guy on the side.

"Go, carry out the baby from the bottom of our store!"

Hearing this, the guys nodded quickly, and went to pick up things.

Lin Kai also has a playful expression on his face. What is the bottom of the box in the store?

He was curious, what exactly is the bottom of the box in this antique shop?

In fact, the Sanshu antique shop is also a famous antique shop in the antique market, and there must be treasures in such a large antique shop, but it is generally not easy to display outside.

It is not easy to sell it, because this kind of treasure is the treasure of the town.

Unless the price is very high, otherwise, it will never be sold.

Soon after, three things were placed in front of Lin Kai.

Those three things were wrapped in red cloth. After unfolding them one by one, Lin Kai saw the true colors of these three things.

The first thing I saw was a dagger.

The hilt of the dagger is made of bronze, and the hilt looks smooth and smooth.

And the blade of the dagger looked extremely sharp, without any gaps in the blade.

This is a good knife!

The antique shop owner explained: "Boss, this dagger is the treasure of our antique shop. It was from the Qin Dynasty. If you are interested, you can take it for free."

Although it is very distressing, the owner of the antique shop knows that if he does not serve the people of the Golden Tiger Club today, he will not be able to survive in the future!

Lin Kai squinted at the dagger, the golden pupil was already opened.

Soon after, Lin Kai knew the material of the dagger and the time it belonged to.

Yes, this is indeed a dagger of the Qin Dynasty, and it is extremely sharp, which should be used by the general.

But for Lin Kai, this weapon was not in hand, and for the ancient warrior, this thing was a bit redundant.

Lin Kai waved his hand directly and said, "I can't see it."

Seeing Lin Kai shaking his head, the owner of the antique shop gritted his teeth and opened the red cloth covering the second thing.

The second thing, this is incredible,

It seemed that it was the claw of some kind of animal, extremely sharp, the size of a human thumb.

Many ancient characters that Lin Kai couldn't understand were carved on his paws, and they were hung with a red rope.

Lin Kai could see the origin of this thing at a glance. Isn't this **** just touching the golden talisman?

The owner of the antique shop explained: "I believe you are familiar with this thing, the owner. This is the gold charm worn by the captain of the touch gold. After wearing the gold charm, you can not only ward off evil spirits, but also be seen by people who know it. You have face too!"

“Why don’t I give you this golden charm?”

The antique shop owner asked tentatively.

Since this golden charm can be taken out by the owner of the antique shop, it must be true.

But Lin Kai shook his head and said, “Touching the golden talisman? This thing is of no use to me, no!”

Lin Kai shook his head again.

The owner of the antique shop gritted his teeth and directly opened the package containing the third thing. Then, a bell strung by a red string appeared in front of Lin Kai.

Bronze-colored bells, the bells look nothing special, only the size of a thumb, the same as the bells on the neck of a dog.

“What is this?” Lin Kai asked.

The owner of the antique shop explained: “I don’t know what’s the use of this thing, but this thing seems to be young, and it often shines on its own, so I will offer it as a treasure.”

The golden pupil opened again, and in Lin Kai’s eyes, the bell was actually exuding a faint instinct.

This thing is not Fanpin!

Lin Kai’s eyes lit up. Although he didn’t know what the purpose of this thing was, because it would exude innocence, Lin Kai also had to ask for this thing!

The owner of the antique shop actually doesn’t hold much hope. After all, Lin Kai can’t see the first two treasures, can he see this thing?

Unexpectedly, Lin Kai actually held the bell in one hand.

With a faint smile, “Hehe, I want this thing.”

Hearing this, the antique shop owner’s eyes lit up, and he asked excitedly: “Really?”

Lin Kai took something and didn’t give a penny, but the owner of the antique shop was as excited as a child, dancing and dancing.

Lin Kai put the bell into his pocket and glanced at the antique shop owner.

“You’re lucky today, and that’s all for this matter.”

“Next time if I find out that you are still doing this kind of deception, things will not be that simple.”

Lin Kai left the antique shop straight away.

The people from the Golden Tiger Club also left.

After Lin Kai left, the owner of the antique shop took a long breath and collapsed on the chair.

...

Then, the people from the Golden Tiger Club sent Lin Kai back home.

Lin Kai looked at the bell in his hand in Yulong Pavilion.

I went out today, but I didn’t find the aura brush, but I found one of the aura bells.

But Lin Kai didn’t know what it was for.

Chapter 612: Back To The Southeast Military Region

Chapter 612

Since I don’t know what it is for, just wear it on the rhubarb neck!

At that time, Lin Kai blew a whistle and called Rhubarb over.

Afterwards, Lin Kai hung the bell on the rhubarb’s neck.

Rhubarb is very disdainful of this bell.

After Lin Kai hung the bell, he shook his head and went to sleep.

Early the next morning, Lin Kai was awakened by the ringing of his cell phone.

I took out my phone and took a look, hehe, he was an old acquaintance!

This call was actually made by He Zhijun.

He Zhijun hasn’t contacted himself for a long time.

Lin Kai answered the phone.

“Hello? Old Chief.”

On the phone, He Zhijun's smiling voice came: “Haha, Lin Kai, is it a good habit to spend time in Jiulong Mountain?”

Hearing this, Lin Kai also laughed: “Haha, old chief, Jiulong Mountain is good everywhere. It just makes me too idle. Now my **** sitting at home has hairy every day!”

“Exactly.” He Zhijun laughed: “Now there is a task that needs your help.”

“Huh?” Lin Kai was quite curious after hearing this.

The Southeast Military Region actually has tasks that need its own help?

Are Spikes and Thunder still unbalanced?

“Is such that.”

“At the maritime junction between our country and the island country, a group of pirates rushed and killed many Chinese fishermen and robbed many merchant ships.”

“A death order was given, and this wave of pirates must be cleared.”

“However, because these pirates are so cunning, our navy can't find them at all.”

“So, this time I would like to ask you to assist our navy and cooperate with the Wolf Squadron to take down this group of pirates together!”

Upon hearing this, Lin Kai laughed too.

The old chief asked himself for help, and he certainly couldn't refuse.

Besides, Lin Kai hadn't seen his comrades in arms for a long time.

“Okay, I promise!”

Lin Kai agreed.

Afterwards, He Zhijun explained the details of the matter and then hung up the phone.

Lin Kai got up to wash, then packed his luggage, and went to the airport.

Fly to Jiangbei from the airport.

Then drive from Jiangbei City to the Southeast Military Region.

This process took Lin Kai several hours in total.

Soon after, Lin Kai appeared at the gate of the Southeast Military Region.

I haven't returned here for a long time, and the soldier standing guard at the door obviously knew Lin Kai.

After seeing Lin Kai, the soldier was in awe and gave a standard military salute to Lin Kai.

His eyes were very admiring, even though he could not speak.

Lin Kai strode into the Southeast Military Region.

As soon as he entered the Southeast Military Region, Lin Kai immediately saw his portrait hanging high on the wall of the Southeast Military Region.

There is also an introduction about myself above.

Lin Kai didn't know that since he left the Southeast Military District, he has become a legend in the Southeast Military District.

No one has ever broken the record set by Lin Kai before.

The fact that Lin Kai defeated Ye Nantian spread throughout the Southeast Military Region!

As soon as they entered the Southeast Military Region, many soldiers obviously recognized Lin Kai, and all of them stared wide, revealing an incredible appearance.

But no one came to contain Lin Kai, and no one exclaimed that this is the quality of a soldier!

Soon after, Lin Kai came to the wolf base.

In the center of the Wolf Base, a five-star red flag floats high, and in the Wolf Base, five soldiers are assembled!

After Lin Kai left Wolf Warriors, Fatty Liu Wanjin became the captain of Wolf Warriors Squadron.

Fat guy! Little clever! Li Wenzhuang! Zhang Zhuang! Wang Shunhu!

These five people are Lin Kai's comrades in arms!

They were wearing camouflage uniforms, carrying huge marching bags, and holding very advanced weapons in their hands.

Today's Wolf Warriors Squadron can be regarded as a company of heroes.

At this moment, the fat man stood in front of the other four and shouted: "Report the number! One!"

"two!"

"three!"

"four!"

"Fives!"

"six!"

As soon as the number six came out, the fat man frowned, and said angrily: "Where does six come from? Do you have pig hair in your ears? How many people in the Wolf Squadron, don't you know?"

After the fat man said, he found that all his four comrades in arms looked behind him with mysterious eyes.

"What do you look at? What's so good? Could it be that Long Xiaoyun is here?" The fat man said again angrily.

At this time, Xiao Jing couldn't help laughing, and yelled cordially: "Captain!"

"What are you doing?" the fat man asked.

"I didn't call you!"

Little clever laughed.

At this time, the four of them didn't care about the fat man, and rushed directly from him.

The fat man looked at him, hehe, didn't he obey the discipline?

"Are you going against the sky?"

Looking back, the fat man was dumbfounded.

Because he saw an acquaintance, an acquaintance he was very familiar with, the soul of the Wolf Squadron.

Lin Kai!

At that time, memories flooded in his mind, and the fat man recalled the scenes of the past.

He could not forget how beautiful Lin Kai was when Lin Kai was in the Wolf Squadron at that time, and how brilliant the Wolf Warrior was at that time!

Lin Kai was surrounded by his comrades, and his eyes were also wet for a while.

“Report to Captain!”

“Member Lin Kai, request to return to the team!”

Lin Kai stood at attention and gave a military salute.

Although the fat man wanted to cry a little, he still cursed: “Fuck you, I don’t want to be the captain of this team, I want to be you!”

“Hahahahaha!” Lin opened up a burst of laughter.

The fat man quickly walked to Lin Kai’s front, and hit Lin Kai’s chest with a punch.

“Where the **** did your kid go? It’s been such a long time after leaving without even answering a phone call?”

“Yeah! Captain, we miss you. Fatty always abused us when he became the captain!” Xiao clever shouted.

Lin Kai laughed loudly: “Hahaha! I’m going to enjoy the blessing!”

Several people joked and laughed for a while, and not long afterwards, they saw the fat man approaching Lin Kai with a piece of equipment.

“This is all your equipment, put it on.”

A camouflage uniform, a pair of marching boots, a helmet, and a huge marching bag, as well as Lin Kais weapons and an assault rifle.

Lin Kai laughed too. Soon after, Lin Kai, who was wearing military uniform, appeared in front of the fat man again.

Although Lin Kai joined Jiulong Mountain, Jiulong Mountain is also a military organization, so Lin Kai is still a soldier.

Chinese soldiers!

The six members of the Wolf Warrior Squadron were assembled, and Lin Kai was holding his rifle tightly, feeling a little nervous.

Because he knew that this might be the last time he fought side by side with his comrades.

“Yeah, what are you doing? Don’t train? It’s the opposite? Everyone, squat 500!”

At this moment, a beautiful figure appeared from the outside of the wolf base.

I saw Long Xiaoyun wearing a camouflage uniform and a military peaked cap with his hands behind his back and walking in from the outside with a serious face.

Chapter 613: Destroyer

Chapter 613: Destroyer

Long Xiaoyun!

Lin Kai didn’t know how long he hadn’t seen Long Xiaoyun wearing a military uniform.

Now once again seeing Long Xiaoyun wearing a military uniform, his memory flooded his mind like a tide.

He thought of Long Xiaoyun who was harsh and indifferent to him, and he thought of Long Xiaoyun who gave him a hand at a critical moment.

I even thought of that Long Xiaoyun who was crying for herself.

And now Long Xiaoyun in front of Lin Kai made Lin Kai feel familiar and strange.

“Everyone has it, stand at attention!”

Long Xiaoyun shouted.

All members of the Wolf Squadron stood at attention, their chests raised and their heads raised.

“I received an order from my superiors, all members of the Wolf Squadron, to go to China Sea to perform missions.”

“This mission is carried out by the Wolf Squadron in cooperation with the local navy. I am your supreme leader, and the navy is our supreme leader. Do you understand?”

“understand!”

After Long Xiaoyun finished speaking, the Wolf Squadron agreed in unison.

This time, the main force is the navy.

The Wolf Squadron is an auxiliary navy.

Because of the naval special forces, they are not as tough as land special forces in land operations.

Therefore, in order to prevent landing operations, the Wolf Squadron must also go on board to perform this mission.

In other words, listen to the navy at sea, and listen to Long Xiaoyun on land.

“If you understand, I will give you ten minutes to pack up your equipment. After ten minutes, I will see you at the airport!”

Long Xiaoyun looked at the stopwatch and said sharply.

“Yes!”

Long Xiaoyun gave an order, and all members of the Wolf Squadron rushed into the dormitory against time!

Pack your equipment, bring your belongings, and then rush to the airport!

Ten minutes later, all members of the Wolf Squadron had already appeared at the boarding airport, and it was a helicopter gunship that took the Wolf Squadron to perform the task.

All members of the Wolf Squadron boarded the plane and the helicopter gunship set off!

On the helicopter, Lin Kai sighed while looking at the scenery under his feet.

With six hundred points of true aura, as a figure at the level of a martial artist, Lin Kai suddenly felt that being an ancient martial artist was not as good as an ordinary person.

This time I will perform a special mission. It is a level 100 character to refresh the map of Hand Village, right?

It should go well.

Lin Kai thought.

Long Xiaoyun also seemed to know what Lin Kai was thinking. She said, “Do you think this task is easy?”

“Huh?” Lin Kai looked at Long Xiaoyun.

Long Xiaoyun hugged the rifle and laughed: “Hehe, if the task is a task that can be solved by special forces, do you think Brigadier He would spend so much effort to temporarily transfer you from Jiulong Mountain?”

“Then what do you mean?” Lin Kai frowned.

Long Xiaoyun explained coldly: “This group of pirates is not as simple as you think.”

“They are active in the three-regardless area between China and the island country. There, no matter whether it is China or the island country, they can’t act on them.”

“And this group of pirates, there are more than a hundred people.”

“They named the Dragon Hunting Brigade.”

“Do you know its meaning?”

“The dragon is the representative of Huaxia, which means hunting down the team of Huaxia.”

“Every member of this group of pirates is extremely fierce.”

“Old warriors, there are also among them.”

“Their leader is an islander named Miyamoto Hanzo.”

“Appears to be a master of Wusheng level.”

Lin Kai couldn’t help being speechless after hearing Long Xiaoyun’s words.

Master of Wusheng level!

Grandma’s, no wonder let yourself come.

He Zhijun called to inform him that after he agreed, He Zhijun actually smiled like a conspiracy.

So this is ah!

“However, although the mission this time is dangerous, the reward is very generous.”

Long Xiaoyun looked at Lin Kai and said, “The reward is that you can do the monthly guarantee mission of Jiulong Mountain within one year.”

After hearing these words, Lin Kai breathed a sigh of relief.

This reward is not bad.

“How many do we have?” Lin Kai asked.

Long Xiaoyun replied: “There are a total of 157 people. On the navy side, there is a company of troops. We have only seven people, and a total of 157 people.”

Lin Kai nodded, his own strength was about the same as the enemy’s strength.

“Lin Kai, you have to pay special attention. Never enter the high seas to arrest people. You don’t have that right, let alone step into the waters of island nations.”

Lin Kai said he understood that he still knew common sense.

Soldiers of the Huaxia Kingdom can only perform tasks in the Huaxia Kingdom. If they leave the Huaxia Kingdom, they cannot move even if the enemy is in front of them.

And the cunning pirates relied on this to play tricks on the soldiers of the Chinese nation many times.

After a few hours, the helicopter arrived directly on a pier.

There are no other cruise ships or cargo ships on the pier, only a medium-sized destroyer.

The destroyer oceangoing.

The destroyer is very domineering. This destroyer can carry 15 million tons of weight.

It has various functions such as offense, defense and anti-submarine.

Under the destroyer, a company of soldiers had already assembled, and the leader was a navy who seemed to be about 30 years old.

These one hundred and fifty soldiers, each wearing a blue camouflage uniform, holding a rifle, raised their heads one by one, even though the sun is big, they still remain motionless.

The scene is very quiet, in front of the army, their navy can’t lose face!

Long Xiaoyun took Lin Kai and the others and came directly to them.

After the salute, Long Xiaoyun said: “Report, Comrade Major, Major General Long Xiaoyun will report to all members of the Wolf Squadron!”

The highest commander of this company is a major.

Also the company commander of this company.

The major is 1.8 meters tall. He has a dark complexion, but he has a strong body because he wanders on the sea all year round.

He returned to Long Xiaoyun: "Major Pan Feng, welcome to the Wolf Squadron."

Although he said welcome, there was a hint of discomfort in his eyes.

Looking at the entire company's soldiers, they all showed an unhappy look at Lin Kai and others.

"Get on the boat, the troops will start immediately!" Pan Feng said directly.

"Everyone! Turn back! Get on the boat one by one!"

Pan Feng gave an order, and the entire company behind him boarded the Yuanyang in an orderly manner.

And Long Xiaoyun also took the Wolf Squadron onto the battleship.

After all the people boarded the battleship, the battleship immediately moved.

And Lin Kai and others were assigned to a room.

The room was very crowded. Except for Long Xiaoyun owning a single room, Lin Kai and his brothers squeezed into a small single room together.

The fat man looked displeased: "Captain, how can I look at that kid Pan Feng to see that we are not pleasing to the eye?"

"We are a company of heroes anyway!"

"Not a single room for one person, at least three people for a room, right?"

"Is it a bit too much for six of us to squeeze into a single room?"

Chapter 614: Unaccustomed

Chapter 614

As soon as the fat man's words came out, several other people also nodded.

Li Wenzhuang said: "Yes, Captain, I can see just now, their navy is all three people in a room."

"How did it change when we got here?"

"Also, when Pan Feng looked at our faces just now, something was wrong!"

"A major, actually doesn't put our Major General Long in his eyes."

Lin Kai touched his nose and said helplessly: "Okay, this is someone's territory, don't say so much."

After that, Lin Kai left the room and was about to take a look in Long Xiaoyun's room.

As soon as he walked out of the room, Lin Kai heard the conversation of other soldiers from the next room.

Lin Kai's hearing is so good that he moved his ears to listen carefully.

I heard what they were talking about.

"I really don't know what the above thinks, but we have been assigned seven soldiers!"

"Yes, we have been unsuccessful in the suppression of bandits several times. This time, if the Lu Bing steals the limelight, where should we put our navy's face?"

"Besides, naval operations are our navy's strengths? What do you call Lu Bing for?"

"I'm afraid they will get seasick for a while and throw up on the floor again!"

...

After hearing them talk, Lin Kai smiled slightly, without taking their words to heart.

Just as he was about to leave, Lin Kai ran into someone head-on.

Pan Feng!

Pan Feng is strong and dark-skinned. After seeing Lin Kai, there is a faint look in his eyes.

"Lin Kai?"

"The new king of the Southeast Military Region?"

"Good meeting."

Pan Feng said, extending his Kong Wu's powerful hand.

Lin Kai didn't have too much defense either, and directly shook hands with Pan Feng.

With a handshake, a burst of vigor came, and Pan Feng looked at Lin Kai with a smile.

Good guy, as soon as you come up, give yourself a slap in the face?

Lin Kai also smiled, he didn't use any force, allowing Pan Feng to hold his hand.

Pan Feng felt bored when Lin Kai didn't resist, and soon let go.

"I hope this time, you won't let me down." After saying this, Pan Feng left the corridor directly.

Lin Kai was at a loss.

Did this kid take gunpowder?

Directly at yourself when you come up?

He came to the door of Long Xiaoyun's room and knocked on the door. Not long after, Long Xiaoyun's voice came: "Come in."

Lin Kai entered Long Xiaoyun's room.

Long Xiaoyun's room was very wide. Only Long Xiaoyun lived alone. After all, she was the only woman on the ship.

"I said my wife..."

"Who is your wife?" Before Lin Kai finished speaking, Long Xiaoyun gave Lin Kai a fierce look.

Lin Kai scratched his head with some embarrassment: "Hey hey, I'm sorry, I just said it."

"I said Major General Long, what does this Pan Feng mean?"

"I think his attitude towards us is not very friendly!"

While reading the book, Long Xiaoyun said to Lin Kai: "Pan Feng took his company and went to sea several times to suppress the bandits, but they didn't succeed, and the losses were particularly heavy."

"The upper part scolded him a lot and called us over."

“It’s like, your mother asked you to make soy sauce, but you didn’t come back after several hits, so your mother asked someone from someone else’s family to accompany you. What do you think?”

“It means that your navy is not as good as Lu Bing, so I just ask Lu Bing to forget it.”

After listening to Long Xiaoyun’s words, Lin Kai suddenly realized.

It’s still this budget-conscious woman who can see things through.

“Also, Lin Kai, you are in the limelight. Pan Feng is a very talented person and he will not admit defeat.”

“He enlisted in the army at the age of 20 and became a special soldier. He has won third-class merit three times, and the record is not less than that. He is called the son of the navy.”

“Thirty years old this year, although his rank is only major, his strength is beyond doubt.”

“You are younger than him and the rank is higher than him. He must be unconvinced with you.”

After Long Xiaoyun said, he closed his book and looked back at Lin Kai.

“Any question?”

Lin Kai shook his head: “No more.”

“If you don’t have one, go back.” Long Xiaoyun directly issued the eviction order.

Lin Kai left Long Xiaoyun’s room.

I don’t know why, since she had a marriage contract with her, she began to be indifferent to herself.

Could it be that she didn’t want Long Xiaoling to marry herself?

After returning to his room, Lin Kai smelled a foul smell as soon as he entered the door.

“vomit”

I saw the fat man and others around Zhang Zhuang, and Zhang Zhuang vomited at the floor.

That is a miserable one.

Zhang Zhuang is the guy who jumped off the plane and took the wrong umbrella bag during parachuting training.

Seeing Lin Kai coming in, Zhang Zhuang took a guilty look at Lin Kai: "Captain, I'm sorry, I'm ashamed of you, I...I'm seasick..."

After talking, only a few navy members appeared at the door of the room.

After seeing the vomit in a place, a navy frowned, with an expression of disgust: "I'm going, why did you vomit?"

"seasick?"

"I'll just say! What did you let a few land ducks do on the boat? I really vomited!"

"It's disgusting!"

"You clean it yourself! We don't care!"

"Also, now the destroyer is not far from the coast. If you can't stand it, speak now and we will send you a speedboat to send you back immediately."

"Don't be ashamed to throw it to the island people!"

A navy pointed at Zhang Zhuang and reprimanded loudly.

When the fat man heard that violent temper, he rolled his sleeves and said angrily: "How do you talk?"

"Who is ashamed? Ashamed of seasickness? We came to fight on land! You have to rely on us when you land!"

As soon as the fat man finished speaking, the navy waved his hand: "You can pull it down."

"There will be a chance to land? The nest of pirates is on the high seas! Do you dare to land on the high seas?"

"Do you want to die?"

The navy said, waved, and left with a few people.

"You!" The fat man's suffocated face flushed.

And Zhang Zhuang is even more apologetic.

He found that he was doing nothing and eating nothing left.

It was shameful that I took the wrong umbrella bag last time when I parachuted. I just got on the boat and got seasick again.

Lin Kai frowned and asked, "Zhang Zhuang, why didn't you say that you were seasick?"

And Zhang Zhuang looked embarrassed: "... I don't know that I am seasick. This is the first time I boarded a ship..."

As soon as this sentence came out, everyone was speechless.

Although everyone in the Wolf Squadron is water-through, compared to the Navy, they are definitely amateurs.

As soon as he boarded the boat, he lost his face.

Zhang Zhuang cleaned up the vomit by himself. Then, he lay on the bed, closed his eyes, controlled himself, and let himself fall asleep as much as possible.

Lin Kai also looked sad. It seems that the difficulty of his mission this time is not only the strength of the enemy, but also his dissatisfaction...

At this moment, Lin Kai's ear heard the system prompt.

"Random missions are released, defeat the pirate leader Hanzo Miyamoto, and reward a god-level extraction ability!"

Chapter 615: Devil Sea

Chapter 615

God level extraction ability!

After seeing these six characters, Lin Kai couldn't help feeling excited.

God level extraction ability!

To ask Lin Kai's current strongest extraction ability, it must be the extraction ability of Brother Flathead.

The extraction ability of Brother Flathead can double Lin Kai's combat effectiveness!
Can make him become a martial master from a martial artist!

And the extraction ability of the **** level, I want to be even more powerful than the extraction ability of the demigod level.

If he can obtain the god-level extraction ability, he will definitely be much stronger than before!

At this time, Lin Kai was really looking forward to seeing that Miyamoto Hanzo.

The destroyer continued to travel. About seven or eight hours later, it was already late, and the temperature suddenly dropped. The night on the sea was undoubtedly very cold.

At this time, the destroyer was far away from the coast, and within two hours, it would enter the area where the group of pirates frequented.

Devil's waters.

The reason why the Devil Seas is called the Devil Seas is because this sea area is a China country on one side, an island country on the other, and there is a sea area in which no one has jurisdiction.

This sea area is the only place for the Huaxia ship to go to the island country.

Therefore, the dragon hunting brigade often ambushes passing ships here. As long as they meet the ships of China, basically no one can survive.

In the past few times, Pan Feng took people to this place and suffered a loss.

At this time, a sirens sounded, and Lin Kai quickly sat up from the bed, quickly put on his clothes, and picked up his own equipment.

All members of the Wolf Squadron arrived on the deck in less than two minutes.

On the deck, a company of soldiers was gathering. Long Xiaoyun and Pan Feng were already standing on the deck.

The destroyer was very popular, and every soldier was ready for battle.

Soon after, one hundred and fifty navy members were assembled and the line was neat.

On the side of the navy, there was a six-man Wolf Squadron.

Pan Feng and Long Xiaoyun stood in front of everyone.

Pan Feng looked at everyone with a serious expression.

"In two hours, we will reach the Devil's Sea."

"All units are ready for battle!"

“We have suffered several losses. This time, we must take down all the Dragon Hunters!”

Pan Feng said sharply.

“Yes!” the one hundred and fifty navy men agreed in unison.

“The investigation team went to the control room for investigation.”

“Yes!”

When Pan Feng gave an order, the five people stood up and trot into the control room.

“Heavy weapons control group, give me all the machine guns! Get ready for battle at any time!”

“Yes!”

Thirty people stood up again. These thirty people controlled all the heavy weapons on the destroyer.

“Others, take the rifles in your hands, and each is in place!”

Under this order, the remaining more than one hundred people holding rifles were scattered in various combat positions on the destroyer.

At the scene, only the Wolf Squadron was left.

The fat man was confused and asked: “Then what are we doing?”

Pan Feng glanced at the fat man, and said nonchalantly: “You are not familiar with sea warfare, so please wait for the order first.”

Said to be waiting for orders, but in fact it meant to let the people of the Wolf Squadron rest.

Hearing what Pan Feng said, the fat man became anxious.

“I said, the gun in our hand is not a gun? Why let us rest?” The fat man was so angry that he wanted to get angry at the time.

“The duty of a soldier is to obey orders! On the ship, I have the highest command! Can’t you understand the orders?”

“The task given to you by your superiors is for you to assist us in the fight. You are only needed when we land, understand?”

Pan Feng frowned, and sternly rebuked, full of aura.

Obedying the four big characters of the order, he couldn't say a word that directly suppressed the fat man.

At that time, the fat man blushed, wanted to curse but didn't dare.

Long Xiaoyun frowned. Although her military rank is higher than Pan Feng, Pan Feng is her superior on this ship.

Long Xiaoyun said: "Go back all, waiting for the order."

Lin Kai heard this, just about to lead the team back, only to hear the voice of an investigator from Pan Feng's walkie-talkie.

"Company commander, seventy-five southeast, a drone is investigating us."

Hearing that, everyone took their telescopes and looked towards the seventy-five southeast direction, only to see a small drone around the destroyer 500 meters away.

That is a drone used to detect enemy situations.

After seeing this drone, Pan Feng frowned.

If this is an enemy drone, it is very likely that you have been exposed to the opponent's eyes.

This drone must be shot down!

"Bring the gun!" Pan Feng gave an order.

A navy immediately handed Pan Feng a sniper rifle.

I saw Pan Feng's two legs as if plunged into the deck, standing firmly on the deck, holding up the sniper rifle with both hands, letting the deck move, but his muzzle remained motionless.

Good body!

Lin Kai narrowed his eyes, and Pan Feng is definitely a good gunner!

boom!

A gun sounded, and a bullet was shot out in a swish.

Everyone glanced at the drone. The drone was so fast that the bullet did not hit it at all.

Pan Feng put down his sniper rifle, his expression ugly.

“The drone is about 800 meters away from us, the sea breeze is very strong, the drone has a small target and is very flexible, it is impossible to hit!”

Hearing this, Long Xiaoyun frowned, “What should we do? Can’t let us be exposed to the enemy like this!”

“Humph!” At this moment, the fat man snorted very unconvinced.

The Wolf Warriors squadron usually trains, let alone 800 meters, a target a thousand meters away can also be hit!

And Pan Feng couldn’t even hit the target 800 meters away, and of course he was mocked by the fat man in his heart.

Seeing the fat man sneer, Pan Feng frowned, “What? Do you have something to say?”

The fat man stood at attention and said loudly, “Report! I can hit!”

As soon as the fat man uttered his words, countless navy men looked back at the fat man, all with weird expressions.

The rest of the Wolf Squadron also looked at Fatty, and Xiaoling even quietly gave Fatty a thumbs up.

It’s time to show off in front of the Navy!

Let them see that we, Lu Bing, are not vegetarians, and marksmanship can still be accurate at sea!

Long Xiaoyun frowned and shook his head slightly at Fatty, but Fatty didn’t see it.

Hearing this, Pan Feng laughed: “Heh, can you hit? I can’t even hit, can you hit?”

“Report! You can’t hit, it doesn’t mean that others can’t hit!” The fat man raised his chest and said loudly.

This sentence was heard by countless navies.

A navy next to Pan Feng couldn’t stand it anymore. He stood up and said, “Comrade, our company commander is the number one sharpshooter in the brigade. Say you can’t hit, can you?”

Chapter 616: Drone

Chapter 616

“I can!” The fat man replied loudly.

Pan Feng also sneered, and directly handed the sniper rifle to the fat man.

“Okay! I’ll give you a chance!”

“Let you take three shots! If you can hit, I will look at you with admiration, if you can’t hit, now go back to the cabin and wait for me!”

After hearing what Pan Feng said, the fat man took the sniper rifle very unconvinced.

With a click, the bullet was loaded, and the fat man knelt and knelt on the ground. The sniper rifle was raised and aimed directly at the drone 800 meters away.

The fat man was very confident in his marksmanship, but his face changed after he started using the sniper rifle.

Because he found that the waves were very big and the deck was shaking very badly, he couldn’t move his gun like Pan Feng.

Moreover, the drones 800 meters away are constantly moving, the target is not as big as a basketball, and the sea breeze is particularly big, hitting such a target is as difficult as reaching the sky!

But Fatty was already riding a tiger. Behind him, more than a hundred navy members were watching!

He represents not only himself, but also the Wolf Squadron, the Southeast Military Region, and even the Army!

Suddenly, a layer of hot sweat spread out on the fat man’s forehead.

He tried his best to control his breathing, judge the wind speed, and prepare to shoot.

boom!

A gunshot, a bullet shot out!

After a long time, Pan Feng picked up the binoculars to look, and found that the drone was flying in the sky safe and sound.

Seeing this scene, Pan Feng looked at the fat man and snorted coldly: “Huh! This is what you said, can you hit?”

More than a hundred navy members also made laughter.

The guard next to Pan Feng even laughed and said: "Hehe! Our company commander couldn't hit, you can hit? Do you think this is flat ground? Shooting is not that difficult? Wrong! This is the sea! Poor vision! Strong sea breeze! Deck shaking!"

"It's hard to hit a target 500 meters away, let alone 800 meters away!"

"Comrade, save it! You can't hit it!"

The fat man had already sweated a lot, he wiped his sweat, and raised the sniper rifle again. He didn't believe it, he couldn't hit the drone!

For the Wolf Squadron!

In order to show his face in front of the navy!

Pan Feng, you look down on our Wolf Warrior Squadron. Today, I want you to look at us with admiration!

"Huh, three shots! Two more shots!"

The fat man raised his sniper rifle again, and focused his attention on the target.

This time, Fatty took three minutes to prepare before firing a second shot.

boom!

A bullet whizzed out. Not long after, Pan Feng picked up the binoculars to look again, but the drone was still not hit.

Pan Feng shook his head and said coldly: "Okay, don't waste your effort, let alone you, even if the person with the best marksmanship in China comes, he will not be hit!"

Long Xiaoyun also shook his head, even she was not sure that she could hit it.

"Okay, put the gun away and stop hitting it." Long Xiaoyun ordered.

Many navies around made laughter again.

Although they didn't say anything, the look in their eyes proved that they were laughing at the fat man.

Laughing at the Wolf Squadron.

What is the rookie troop of the Southeast Military Region, the hero company, but that's it!

The fat man was still not convinced: "No! I have one last shot!"

The fat man gritted his teeth. If he doesn't shoot down the drone today, he is unwilling!

As soon as he raised the gun, he saw a hand on the fat man's shoulder. Looking up, Lin Kai came to the fat man.

"Let me do it."

After all, Lin Kai took the sniper rifle directly from the fat man.

Everyone in the Wolf Warriors squadron looked at Lin Kai, and the Fatty didn't hesitate at all, but he backed away.

He trusted Lin Kai!

Countless navy also looked at Lin Kai, Lin Kai's name, they had heard of Lin Kai before he boarded the ship.

I heard that Lin Kai is the rookie king of the Southeast Military Region, and even a master of defeating a generation of soldiers.

The superior specially transferred Lin Kai over.

Countless navies looked at Lin Kai with doubts.

Is this person really such a **** in the legend? shoot with great precision?

Long Xiaoyun also looked at Lin Kai. She naturally knew Lin Kai's strength. However, under such harsh conditions, she did not dare to say that Lin Kai could hit the target.

Pan Feng also looked at Lin Kai, with a trace of disdain in his eyes.

Pan Feng was eager to win. He didn't believe what the young man in front of him was capable of. He refused to accept Lin Kai.

Dissatisfied with the rank of Lin Kai, dissatisfied with the title of Lin Kai's new king!

"Okay, I heard that Wang Linkai, a newcomer from the Southeast Military Region, is shooting through Yang with a hundred steps. I want to be able to see it today!" Pan Feng applauded.

It's just that his applause was very heavy, and his eyes were full of hostility.

Lin Kai directly raised the sniper rifle. He didn't settle down like Pan Feng, nor did he kneel on the ground like a fat man.

He straightened his back and raised the sniper rifle directly!

After seeing this scene, there was another burst of laughter.

Because Lin Kai's sniping posture is too amateur!

The boat is so shaking, you stand so straight, are you afraid that you can aim?

In Lin Kai's eyes, the golden pupil skill had already been activated.

In Lin Kai's eyes, a drone that is difficult to capture can be zoomed in and out at will.

The most important thing is that in Lin Kai's eyes, the drone flies very slowly.

True Qi surged in his body, and a trace of True Qi followed Lin Kai's arm into a bullet in the sniper rifle.

The sea breeze is strong, but if the bullet is blessed with infuriating energy, this bullet can ignore the sea breeze and hit the drone directly!

With his eyes narrowed, Lin Kai's fingers gradually touched the trigger.

The reason why Lin Kai didn't take action just now was because Lin Kai was looking for the frequency of drone flight.

He discovered that the drone flight has frequency. Every half a minute, it will stay in the air for one second and adjust its direction.

And Lin Kai only needs this second.

"27, 28, 29..."

It's now! Lin Kai pulled the trigger without hesitation!

Bang! A bullet was shot straight out!

Everyone also looked up subconsciously.

It's just that you can't see anything in the dark sky without a telescope.

And Pan Feng shook his head at this time. He didn't even need to look at it, knowing that Lin Kai would never hit him.

Because Lin's posture for holding the gun was wrong, he stood too straight!

"Okay, three shots have passed, give me the guns, Wolf Squadron, now give me all back to the cabin and wait for orders!"

Pan Feng gave an order and took the sniper rifle directly from Lin Kai's hand, with a mocking smile in his eyes.

However, Lin Kai returned the sniper rifle to Pan Feng, but he stood on the deck without moving.

Seeing that Lin Kai could not move, Pan Feng frowned and looked at Lin Kai with a displeased expression, with a bad tone: "I told you to go back to the cabin, didn't you hear?"

Chapter 617 Bragging?

According to the agreement, if three shots did not hit the drone, the Wolf Squadron must return to the cabin and stand by.

Now that the three shots have passed, Pan Feng believes that Lin Kai missed the shot.

He sneered and looked at Lin Kai defiantly.

What I cannot do with Pan Feng, can you do it? You are still too young.

The members of the Wolf Warrior Squadron all picked up their binoculars and looked into the distance.

Pan Feng glanced at them and said, "Don't look, that drone can't be shot down at all!"

After seeing the distance, everyone in the Wolf Squadron stood at attention, with a smile on their lips.

Everyone, with their chests up and their heads up, looks proud.

They looked at Lin Kai, only admiration and admiration in their eyes.

Long Xiaoyun also glanced into the distance, and a smile appeared at the corner of his mouth.

Lin Kai, you really are still you.

Seeing that no one moved, Pan Feng became angry again: "I said, you all return to the cabin, can't you hear it?"

The fat man smiled wryly at this time: "Report! Why let us go back to the cabin?"

Pan Feng snorted coldly: "If three shots hit the drone, I have nothing to say, Pan Feng."

"Now that the three shots have passed, you didn't hit the drone. Is it possible that you want to go wrong?"

The fat man smiled slightly: "Comrade Major, you didn't even look at it, knowing that our captain didn't hit it?"

Pan Feng shook his head and sneered: "Hehe, standing so straight, the bullets have gone to outer space, can he hit?"

While talking, the guard next to Pan Feng pulled Lapan Feng, his face a little ugly.

"Even... the company commander..." The guard stammered with the telescope in his hand.

"What are you doing?" Pan Feng looked unhappy.

"You...Look at..." The guard handed the telescope to Pan Feng.

Upon seeing this, Pan Feng frowned, and he snorted in his heart.

He looked at the guard's face, and then at the proud look on the face of the Wolf Squadron.

Could it be that Lin Kai really shot down the drone with just one bullet?

Pan Feng picked up the binoculars and quickly looked into the distance. As expected, the sky was empty, where is the drone?

Looking at the sea again, in a blur, Pan Feng seemed to see the floating drone on the sea.

Really hit?

There seemed to be a buzz in Pan Feng's head, and his body was a little unstable.

He knows how difficult it is to hit that drone! It's as difficult as climbing!

The probability of a bullet hitting a drone is like winning a five million lottery ticket for ten dollars.

Things that he couldn't do, but Lin Kai did it?

This is the strength of Lu Bing?

This is the strength of the Wolf Squadron?

This is the strength of the new king of the Southeast Military Region?

Pan Feng looked back at Lin Kai, and now he realized that Lin Kai was able to become the rookie king not only by luck, but also on his own strength!

Although he was dissatisfied with all his heart, Pan Feng had to admit that Lin shot better than himself.

Looking at the navy, all the faces are not very good.

Lin Kai did what they couldn't even do.

In other words, what the Navy could not do, the Lu Bing did.

The two teams competed in secret, and the first time they competed, Lu Bing won!

"Comrade Major, what do you say? You are not saying that we can't do what you can't do?"

"Hey, I will tell you now, what you can't do, our Wolf Warrior Squadron will definitely be able to do it!"

The smile on the fat man's face was a complacency.

The look on Pan Feng's face is very ugly.

"Humph! It's a fluke." Pan Feng snorted.

Long Xiaoyun didn't care too much. She said at this time: "The drone's controllable range is not very far. Since a drone can come next to us, it means that the enemy may be around."

Hearing this, Pan Feng also showed a serious look, and he nodded.

"Yes."

"The enemy may be nearby."

After that, Pan Feng took out the walkie-talkie: "Reconnaissance team, check if there are enemy troops around."

Soon after, the voice of the scout came from the walkie-talkie: "Report, company commander, due to the low visibility and the large waves in the sea, the difficulty of detection has increased, and can only detect within five nautical miles and within five nautical miles, Did not find the enemy."

Hearing this, Pan Feng frowned.

He worried: "Now that the enemy has known our position, the enemy is in the dark, we are in the light, if we rush into the Devil's Sea, I am afraid we will be attacked."

Relying on its familiarity with the devil's waters and the advantage of being able to enter the island nation's waters and China's waters without fear, the Dragon Hunting Brigade caught the China Navy by surprise twice.

Now, Pan Feng encountered the same problem again.

Lin Kai heard the words and said, "It's not easy? As long as we know where the enemy is, we can boldly move forward!"

After hearing Lin Kai's words, everyone looked at Lin Kai like a fool.

Pan Feng sneered: "Hehe, what you said is easy."

"The sky is so dark and the waves are so big, even if it is the detection equipment on our destroyer, it can only detect a range of five nautical miles."

"How to find?"

After Pan Feng's words were over, the guard next to him continued: "Comrade Lieutenant Colonel, you are not familiar with naval operations, so please stop talking."

Because Lin Kai had frustrated the navy's spirit just now, Lin Kaiyi's speechless words were immediately laughed at by many people.

Lin Kai smiled slightly: "Perhaps, I can see it?"

After hearing Lin Kai's words, Pan Feng couldn't hold back for a while, and laughed out: "Puff haha!"

"are you kidding me?"

"The equipment on the destroyer can only detect five nautical miles. Do you think you are clairvoyant?"

“Lin Kai, I know that you are the rookie king of the Southeast Military Region, with extraordinary marksmanship, but is it possible to install an astronomical telescope in your eyes? Nonsense!”

“Even if your eyes can see far! But the waves are big! It will block your sight, understand?”

After Pan Feng laughed, he taught Lin a lesson very seriously.

Many navies around also laughed out loud.

The guards following Pan Feng looked at Lin Kai as if they were looking at a mentally retarded person.

Long Xiaoyun frowned and said, “Lin Kai, you can’t talk nonsense.”

Long Xiaoyun shook his head, his expression unhappy.

Lin Kai said this, didn’t this make them laugh on purpose?

Although you Lin Kai is very strong, and even an ancient warrior, your eyes are made of meat after all!

Everyone in the Wolf Squadron was also very puzzled why Lin Kai said that.

Even the fat man slapped Lin Kai and said, “Captain, although we are going to show our faces in front of the navy, but you are so bragging, you are wrong!”

The little clever nodded quickly: “Yes, Captain, you bully, you’re blowing up to the sky!”

Chapter 618: My Instinct Has Always Been Accurate

Chapter 618 My Intuition Has Always Been Accurate

“I didn’t brag.” Lin Kai shook his head.

“Can the radar on our ship locate the enemy’s ship?” Lin Kai asked.

Pan Feng hugged his arms and sneered: “Heh, if there were that condition, we would have taken this group of pirates long ago!”

Upon hearing this, Lin Kai nodded.

Then, Lin developed his own skill, Golden Eye.

The golden pupil is now a gold level skill. It can not only help Lin Kai see through and appraise treasures, but also allow Lin Kai to see the scenery far away.

If you count according to the sea mile, Lin Kai now can see the scenery fifty nautical miles away.

Moreover, the waves cannot block Lin Kai's sight.

Because Lin Kai's golden pupil has a perspective function.

At that time, Lin Kai solemnly searched for traces of the enemy within fifty nautical miles.

When Pan Feng saw that Lin Kai was actually looking for the enemy in earnest, he sneered and shook his head.

He had to obey Lin's marksmanship.

However, he discovered that Lin Kai seemed to have problems in his mind.

He felt that with his own naked eyes, he could find the Dragon Hunting Brigade on this endless sea?

"Hehe, if you can find the Dragon Hunting Brigade, I write the words Pan Feng backwards!" Pan Feng shook his head disdainfully, holding his arms.

After Lin Kai's careful search, finally, in the northeast, Lin Kai found the trace of the Dragon Hunting Brigade.

It was a small cruise ship, about two to three hundred people. On the small cruise ship, the lights were brightly lit, and a flag was floating on the cruise ship.

On that banner, a huge skull was painted.

After seeing this scene, Lin Kai asked intently: "Does the Dragon Hunting Brigade flag have red skulls on it?"

Pan Feng nodded: "Yes."

"What are you asking about? Is it possible that you have to say you saw the Dragon Hunting Brigade?" Pan Feng asked with a playful look.

There are skulls on the banner of the Dragon Hunting Brigade, which many people know, he would not think that Lin Kai saw it with his naked eyes.

Unexpectedly, Lin Kai nodded solemnly: "Yes, I saw it."

After hearing Lin Kai's words, Pan Feng was stunned for a long time.

Afterwards, Pan Feng laughed, and many navies also laughed.

"Hahahahaha! Lin Kai, are you trying to laugh at me?"

"There will be no enemy within five nautical miles! Is it possible that you want to say that with your eyes, you saw the enemy five nautical miles away?"

Pan Feng hugged his arms and sneered.

The rest of the navy also laughed mockingly.

Lin Kai's words made the people of the Wolf Squadron suffer all the ridicule, and for a while, everyone in the Wolf Squadron blushed.

Let alone the navy, even they thought Lin Kai's words were nonsense!

The fat man turned to Lin Kainu and said, "Lin Kai, what are you talking about? Your eyes are better than telescopes?"

Lin Kai didn't care about the fat man, but was judging the enemy's distance from the destroyer.

This cruise ship is supposed to be a cruise ship operating drones to spy on the military. They have already discovered the destroyer.

But if their cruise ship fights with the destroyer, it will definitely fail miserably.

Therefore, the cruise ship that Lin Kai saw was driving toward the depths of the Devil's Sea.

The destroyer is about twenty nautical miles away.

"To the southeast, about 75, 20 nautical miles away from the destroyer, there is a cruise ship, a small cruise ship, the number of people on the cruise ship should not exceed 30 people, it should be a cruise ship sent by the Dragon Hunting Brigade to investigate."

Lin Kai said solemnly.

However, no one took his words to heart.

Pan Feng was even more unmoved.

After that, Lin Kai glanced at Pan Feng and said: "Now we should pursue that cruise ship immediately, and use the heavy weapons on board to sink that cruise ship! Give

the pirates a hard blow! Otherwise, you will be very hard this time. Maybe they will return empty-handed!”

After hearing what Lin Kai said, Pan Feng looked at Lin Kai coldly and asked, “Why should I trust you?”

“You are just talking nonsense!”

“You can’t even see the telescope. How can you see the enemy forces twenty nautical miles away with your naked eyes?”

Many navies looked at Lin Kai with doubts.

And Lin Kai couldn’t explain why he could see it.

He could only bite the bullet and said: “I have an extraordinary talent, my eyes are better than ordinary people, and my instincts have always been accurate!”

“Intuition?” Pan Feng laughed at Lin Kai’s words.

“Hahaha! That’s funny! Lin Kai, you are the soldier king of the Southeast Military Region! How did you become the soldier king? Luck?”

“I have never believed that there can be a 19-year-old soldier king in this world, with a rank higher than me!”

“Do you know how difficult it is for me to become this major? It took me more than ten years! I became a major!”

“You became a lieutenant colonel less than a year after you enlisted in the army!”

“I don’t believe it if there are no tricks!”

“What instincts are you talking to me now? Now I am more sure. You bought the rank of lieutenant colonel, right?”

Pan Feng’s words were so loud that almost everyone on board the destroyer heard them.

Pan Feng broke out completely, roaring out all the suffocation in his heart.

“I really don’t understand. Why did my superiors send a young soldier like you to assist me! Is it possible that your Lin family still used the relationship to let you perform this mission?”

“Young Master Soldier, I admit that your marksmanship is good, but with the shot just now, no one can tell if you were blinded or not.”

“I’ll assume that you are not blind, but you told me that you found the enemy twenty nautical miles away with your own eyes. Do you think I am a fool?”

Pan Feng questioned for a while, which directly caused the dissatisfaction of many navies.

“The company commander is right!”

“Yes, why do you land soldiers intervene in matters of our navy? We are not convinced!”

“Then what soldier king, three-year-olds don’t believe what you said, do you want to come to fool our company commander?”

...

“Enough!” Long Xiaoyun shouted loudly at this time, and the audience immediately fell silent.

Long Xiaoyun’s expression was cold, and that sturdy momentum broke out again, and coupled with the background of the rank of major general, for a while, no one on the entire destroyer dared to speak again.

I saw Long Xiaoyun approaching Lin Kai.

Although she didn’t understand, why Lin Kai could be so sure.

However, Lin Kai created so many impossibility. Although others did not understand what he did, he must have his own intentions.

Long Xiaoyun came to Lin Kai and asked seriously, “Lin Kai, what are you saying is true?”

Lin Kai glanced at Long Xiaoyun and smiled: “Oh, it’s been so long, don’t you believe me?”

Seeing the look of identification in Lin Kai’s eyes, Long Xiaoyun nodded.

She came directly in front of Pan Feng and said: “Comrade Major, as a major general, I order you to now drive the destroyer to the direction of Southeast 75, with full firepower!”

Chapter 619: Fire

Chapter 619

Pan Feng sneered after listening to Long Xiaoyun's words.

"Hehe, Comrade Major General, although your rank is higher than mine, I am the highest officer on this destroyer!"

"You are not qualified to order me, even if you make trouble to the superior, I am not afraid of you!"

"You!" Long Xiaoyun was speechless for a while.

Indeed, even though Pan Feng is only a major, he is a ten-year veteran and is deeply loved by the chief of the military region.

In addition, he is the navy, this destroyer, he has the highest command.

Moreover, the soldiers on this ship are all his subordinates.

Long Xiaoyun wants to be hard, too!

And Pan Feng glanced at Lin Kai quite playfully at this time.

He always wanted to find an opportunity to reveal Lin Kai's true face. He wanted everyone to know that this Lin Kai was nothing but a rich kid.

No real skill!

At that time, Pan Feng asked: "Lin Kai, if I listened to you and rushed into the air, or got into the enemy's trap, do you know what you will face?"

Lin Kai nodded and said, "I might go to a military court."

Pan Feng nodded and said, "Yes! Do you dare to promise that if there are no pirates in the Southeast 75 direction, you will be responsible for all the dangers and mistakes encountered by the destroyer?"

Pan Feng sneered and looked at Lin Kai.

As long as Lin Kai dares to agree, Pan Feng can expose this young soldier to the world!

Let everyone see that Lin Kai is not a soldier, but a young master who runs the train with his mouth full.

"You!" Long Xiaoyun was speechless again.

This is obviously to entrap Lin Kai!

Although Lin Kai was confident, Long Xiaoyun didn't know where Lin Kai's confidence came from.

He didn't want Lin Kai to be sued in a military court because of his instinct, and even face imprisonment and shooting.

"Captain! I can't agree!" Fatty reminded anxiously at this time.

Little clever nodded, "Yes, Captain, you are for their good, but they want to cheat you!"

"Yes, Captain, I can't agree!"

"Shut up!" Pan Feng shouted angrily and asked, "Is there anyone here for you to talk about?"

After Pan Feng said, he looked at Lin Kai with a smile and asked, "Lin Kai, do you dare to promise?"

Lin Kai smiled slightly when he heard the words, and said, "Hehe, what dare you?"

"Okay! Since you dare to promise that more than a hundred people on the boat are listening, I will listen to you and drive the boat in that direction with full firepower."

"If something goes wrong, you Lin Kai is solely responsible for it!"

Lin Kai directly agreed: "Okay!"

After all, Lin Kai looked at Pan Feng and smiled: "Haha, but I have a request."

Hearing this, Pan Feng raised his eyebrows and asked: "What's the requirement? You said."

Lin Kai looked at Pan Feng, the smile on his face disappeared, and a hint of coldness appeared in his eyes.

"If my judgment is correct, I ask you to apologize to the Wolf Squadron and to me!"

After Lin Kai said, Pan Feng frowned, "I apologize to you? Why?"

Lin joked: "Heh, if you don't believe us, it's an insult to the Wolf Squadron!"

"You think I have no strength, it is an insult to me!"

“I want to prove in front of you, in front of all navies, that our Wolf Warrior Squadron is the king of the land, and when we come to the ocean, we can also be king!”

Lin Kai’s words are extremely arrogant!

But the people in the Wolf Squadron were not excited.

Because for a while, it may be them.

Hearing this, Pan Feng laughed: “Haha! Yes! I promise you!”

Pan Feng agreed directly.

Because he knows that he will not lose! Lin Kai’s intuition is impossible to be accurate! His eyes could not see the enemy beyond twenty nautical miles.

In the 75th direction to the southeast, there must be nothing, and he will definitely be empty!

At this time, Pan Feng took out the walkie-talkie and said: “75 southeast, full firepower!”

Soon after, a response came from the intercom.

The destroyer moved at full speed towards the southeast.

And Lin Kai’s eyes kept staring at that cruise ship.

And the people on the cruise ship didn’t know that they had been stared to death by Lin Kaizhi.

The distance between the destroyer and the cruise ship is getting closer.

The speed of the cruise ship was not fast, because the people on the cruise ship did not find the destroyer chasing them at full speed.

Even if they find out, they can’t get rid of the destroyer, the cruise ship pirates grabbed, and the speed of the destroyer is not comparable.

Soon, the distance between the two was reduced to 15 nautical miles.

Lin Kai frowned and asked, “Comrade Major, what is the range of the missile on the destroyer?”

Pan Feng frowned and replied: “Our destroyer is equipped with air defense, land defense and anti-submarine missiles. For sea operations, it is equipped with the Eagle Strike 12 missile, with a maximum range of ten nautical miles.”

Lin Kai nodded without speaking.

Hearing this, Pan Feng smiled playfully: "Haha, what? Do you still want to use missiles to sink the pirate ship ahead?"

Pan Feng didn't believe that there would be a pirate ship ahead!

He only felt that Lin Kai's words were just nonsense.

Lin Kai nodded seriously, "Well, I will advance another five nautical miles to prepare to launch a missile."

After listening to Lin Kai's words, Pan Feng chuckled and shook his head, seeming to be laughing at Lin Kai's ignorance.

How could there be a pirate ship ahead? You are a soldier, not a god, how can you see an enemy twenty nautical miles away?

Lin Kai, pretend to be a ghost in front of me, Pan Feng must expose you today!

Before long, the distance between the destroyer and the pirate ship was ten nautical miles.

However, due to the low visibility and relatively large waves, the magnetic field also made the radar useless here, and the detection team on the destroyer could not find the pirate ship ahead.

Only Lin Kai could see the pirate ship ahead.

At this time, Lin Kai said: "In the 70 direction southeast, ten nautical miles away, the missile was launched one hundred meters ahead of time. Try one shot."

After hearing Lin Kai's words, Pan Feng was stunned.

Lin Kai wants him to shoot?

Did he really see it?

Pan Feng took a binoculars to look, but he couldn't see anything at all!

"Are you kidding me?"

"As soon as the shells rang, the pirates are likely to grasp our precise position!"

"Also, did you see the pirate?"

Pan Feng asked with a doubt on his face.

Lin Kai looked at Pan Feng and said with a serious face: "Shoot! I will take care of everything! Fight for one to sink the pirate ship!"

Lin Kai's expression didn't seem to be joking at all.

And Pan Feng also sneered: "Heh, Lin Kai, that's what you said! If this shot goes empty and exposes our position, you will be responsible for everything!"

"I'm responsible, I'm responsible, you shoot now!" Lin Kai looked straight at Pan Feng, almost commanding.

Chapter 620: You Are Done

Chapter 620 You're Over!

"Okay! Just fire it!"

Pan Feng agreed.

He wished Lin would cause something to happen.

At that time, Pan Feng took out his walkie-talkie: "Preparing to launch the Eagle Strike 12 missile, 70 to the southeast, a distance of about ten nautical miles."

After finishing Pan Feng's words, a puzzled voice came from the intercom: "Company commander, our radar is temporarily unavailable, are you sure you want to launch it?"

"OK!" Pan Feng ordered again.

"Yes!"

Pan Feng gave the order, and Long Xiaoyun came to Lin Kai with a worried look.

"Lin Kai, did you really see it?" Even Long Xiaoyun's tone was somewhat questionable.

On the vast sea, she can see nothing!

But Lin Kai ordered Pan Feng to fire. Lin Kai really determined the enemy's position?

Lin Kai looked at Long Xiaoyun confidently, and smiled: "Haha, don't worry, trust me."

Just believe me, it made Long Xiaoyun feel at ease.

But in Long Xiaoyun's heart, he prepared for the worst. If something really happened, Pan Feng would hold Lin Kai's responsibility, and she would have to bear it together with Lin Kai.

Soon after, only a whistle was heard, and a missile was launched directly from the destroyer!

All the navies looked up at the missile shooting into the distance.

And Lin Kai looked at the pirate ship intently.

boom!

In the distance, the missile did not hit the pirate ship, but shot into the sea not far from the pirate ship, blowing up a splash of water!

And Pan Feng looked at Lin Kai with a playful look: "What? The missile hit?"

Lin Kai shook his head.

Upon seeing this, Pan Feng sneered: "Hehe, I can't even see it, there will be ghosts only after shooting!"

Unexpectedly, Lin Kai said again: "The sea breeze is too strong, and the position needs to be adjusted, 65 to the southeast, nine and a half miles away, one hundred meters in advance, and then try launching a missile."

After hearing Lin Kai's words, Pan Feng snorted coldly: "Huh! The missiles on the ship are limited. Lin Kai, I only give you the opportunity to launch three missiles. If after three missiles I do not see a satisfactory result, Lin Kai, I must hold you accountable!"

"Okay!" Lin Kai agreed without even looking at Pan Feng.

This makes Pan Feng even more angry.

Lin Kai, I will let you linger for a while, after waiting for the three missiles, I see how proud you are!

At that time, Pan Feng took out the walkie-talkie and ordered: "65 to the southeast! Nine nautical miles and a half away! One hundred meters ahead, launch another missile!"

"Yes!"

Soon after, a voice came from the intercom.

Afterwards, only a whistle was heard, and a missile was launched from the destroyer again!

And Lin Kai stared at the pirate ship in the distance.

Lin Kai only saw the missile hit the water almost against the side of the pirate ship, blowing up a splash of water!

Almost!

Lin Kai narrowed his eyes. This time, he already had an accurate answer in his heart!

This missile must be hit!

“65 to the southeast! It’s nine and a half miles away, eighty meters ahead, and then launch another missile!” Lin Kai said hurriedly.

“This is your last chance!” Pan Feng said coldly.

Having said that, Pan Feng took out the walkie-talkie and said: “In the 65 direction southeast, at a distance of nine nautical miles and a half, 80 meters ahead, launch an Eagle Strike 12 missile.”

“Yes!”

After that, there was another swish, and a missile was launched from the destroyer!

At this time, Lin Kai’s nervous palms were sweating!

In his line of sight, only a missile dropped from the sky, unbiased, and landed on the pirate ship.

At that time, there seemed to be a violent explosion in Lin Kai’s ears.

I saw that in Lin Kai’s sight, the missile exploded on the pirate ship, and then it blew a big hole out of the deck!

The dragon hunting brigade flag on the pirate ship was blown up!

The pirates on the ship were even more panicked. They didn’t know what was going on. Bian’er had already dropped two missiles.

This missile even fell into their ship!

At this moment, Lin Kai roared in excitement and danced on the boat!

“It’s hit! It’s hit!”

Lin Kai at this time was as happy as a child.

And everyone looked at him, as if they saw a mental retardation.

bingo? What’s in it?

On the entire ship, Lin Kai was the only one who witnessed the missile hit, and everyone else was bewildered.

More than a hundred navy members looked at Lin Kai with full of sympathy. They were young and showed talents, but unfortunately, their brains were not so good.

Pan Feng looked at Lin Kai dancing and joking, “Haha, Lin Kai, all three missiles were shot out, the pirate ship was hit?”

Lin Kai nodded and said excitedly: “Yes! Go ahead at full speed! The pirate ship has lost the ability to move!”

After hearing Lin Kai’s words, Pan Feng smiled contemptuously and shook his head.

He couldn’t understand Lin Kai’s thoughts now.

What is he doing? Pretending to be a fool?

Could it be that there is something wrong with this person’s spirit?

Or is he hallucinating? Think you can see things that ordinary people can’t?

“Lin Kai, don’t be foolish about dreaming! Those three missiles must have been hit! There is no pirate ship ahead!”

“You still don’t understand? No matter how powerful your eyes are, you can see pirate ships twenty nautical miles away?”

“Rely on intuition? I don’t think you rely on intuition, but the Lin family behind you?”

“I tell you! If I can’t see the so-called pirate ship for a while, Lin Kai, you are done!”

At this time, Pan Feng revealed his true colors.

He thought he had grasped Lin Kai’s handle, and his face was already showing a sneer.

“Hehe, today I want the people on the ship to watch and see what the so-called 19-year-old soldier king is!”

“After three shots, it feels very exciting, right?”

“Don’t worry, there will be more exciting in a while!”

Pan Feng smiled grimly.

After nine nautical miles, Pan Feng would send someone to arrest Lin Kai immediately.

When you go ashore, I will ruin you!

The people in the Wolf Squadron were dumbfounded.

They did not expect that things would go to the present situation.

Is Lin Kai caught?

They still don’t understand why Lin Kai did this.

Although Lin Kai’s strength, speed, and physical strength are superior, he is also very proficient in all aspects.

But can Lin Kai see things twenty nautical miles away?

Don’t say that others don’t believe it, even their comrades who were born and died with Lin Kai don’t believe it.

Long Xiaoyun came to Lin Kai’s side and said softly: “Don’t worry, no one can do anything to you if I am here.”

Lin Kai looked back at Long Xiaoyun and smiled slightly.

“Don’t worry, no one can do me Lin Kai.”

Chapter 621: Surrender All

Chapter 621

In Lin Kai’s eyes, besides self-confidence, he was still confident.

As the only opener in this world, Lin Zhuan is afraid of a small ordinary person?

Lin Kai knows that Pan Feng is very unconvinced with him, but it doesn’t matter. You want me to be ruined, but I don’t like you.

Thinking, Lin Kai’s mouth showed a slight smile.

Pan Feng, you are not bad and you have no evil intentions towards me. If you want to do something more extraordinary, I don't mind letting you disappear from this world.

At this time, the atmosphere on the entire destroyer was very tense.

All the navies looked forward, everyone wanted to see if the so-called pirate ship existed.

In fact, no one believed Lin Kai's instincts, everyone thought Lin Kai's words were too nonsense.

Can you see twenty nautical miles with the naked eye? No ghosts believe it.

Pan Feng stood with his hands behind, glanced at Lin Kai, and smiled triumphantly: "Lin Kai, look, you are almost done."

"The time to expose the true face of Bingwang is about to come!"

"My Pan Feng is different from others. I don't like the kind of young master soldier who relies on the power of the family to serve as a soldier!"

"In Jiangbei, no one dares to provoke you, but here, Pan Feng will not be used to you!"

After hearing what Pan Feng said, Lin Kai smiled slightly and shook his head: "Hehe, whatever you think."

Seeing Lin Kai's ignorance to him, Pan Feng felt even more angry.

Are you not afraid? Don't you fear?

Shouldn't you be very nervous now? Why are you ignoring me now? Could it be that you have so much confidence in your intuition?

Those three missiles were shot out by your intuition. The chance of hitting the pirate ship is even smaller than the chance of winning the 50 million lottery ticket!

Humph! Let you be proud for a few more seconds, and you will soon see your true face, Lin Kai!

Everyone in the Wolf Warrior Squadron stood nervously.

Lin Kai wasn't nervous, they did a cold sweat for Lin Kai.

Because of Lin Kai's intuition, they couldn't believe it.

If Lin Kai made a mistake this time, Lin Kai would have to be punished, the reputation of the Wolf Squadron would be wiped out, and the navy on this ship would look down on the Wolf Squadron.

In Lin Kai's eyes, the distance between the pirate ship and the destroyer was getting closer.

The distance from nine nautical miles gradually narrowed to seven nautical miles, then six nautical miles, and then five nautical miles.

Five nautical miles, just within the detectable range of the destroyer.

Pan Feng immediately took out the walkie-talkie: "Reconnaissance within five nautical miles ahead to see if there are ships infested!"

After that, Pan Feng gloated at Lin Kai like a misfortune.

Soon after, a scout's voice came from Pan Feng's walkie-talkie: "Report! Five nautical miles ahead, a small cruise ship was found!"

As soon as this sentence came out, the smile on Pan Feng's face instantly solidified.

The atmosphere on the ship also began to become tense.

Found a small cruise ship? Is there really a boat ahead?

Pan Feng frowned and asked: "Cruise ship? Is this our China cruise ship?"

"Report! No! It seems...like a cruise ship hijacked by pirates, with a huge red skull painted on it!"

After hearing this sentence, Pan Feng's heart squatted.

Red skull?

Isn't that the logo of the Dragon Hunting Brigade?

Is it possible that there is really a pirate ship ahead?

Pan Feng looked at Lin Kai questioningly. Can this man's eyes really see a pirate ship twenty nautical miles away?

Isn't this **** amazing?

I was thinking about it. From the walkie-talkie came the scout's unbelievable voice: "Report! Company commander, the pirate ship...has...has been blown up!"

“what?”

At this time, Pan Feng, like a cat whose tail was stepped on, almost jumped from the ground!

Almost blown up?

So, Lin Kai's intuition is accurate?

And he relied on his intuition to accurately determine the location of the pirate ship?

Is this too nonsense?

Pan Feng even felt like he was dreaming at this time!

The navy on the entire destroyer was dumbfounded.

They all heard the scout's answer from the intercom.

This... how to explain this?

Is it possible that the special forces on the land are all reincarnated as gods?

Then Lin Kai has grown a pair of clairvoyance?

At this time, a burst of cheers sounded, and everyone in the Wolf Squadron cheered!

They lifted Lin Kai, carried Lin Kai, and almost threw Lin Kai into the sea.

Pan Feng's face was extremely ugly at this time.

Ordinarily, he sank the pirate ship, this trip was not in vain, but at this time, he couldn't be happy.

He kept saying that he wanted to expose Lin Kai, but Lin Kai didn't succeed in exposing it, so he fell into a mess.

At this time, Pan Feng's face was hot red.

He doubted his judgment now.

Is it possible that Lin Kai is not the so-called young master soldier? Is he really capable?

Now, Pan Feng's mood is very complicated.

Long Xiaoyun laughed even more. She looked at Lin Kai with gentleness in her eyes.

Soon after, the destroyer approached the small cruise ship, and at this time, the destroyer was bright.

“Listen to the people on board! We are the China Navy! You are already surrounded! Put down your weapons! Raise your hands!”

Then, this sentence was translated again in island Mandarin and English.

On that pirate ship, a large hole had been blown out in the deck, and water was constantly pouring onto the ship.

In a few tens of minutes, this small cruise ship will sink completely.

The navy on the destroyer all took up their weapons and aimed at that small cruise ship. As long as the pirates on the ship dared to resist, the China Navy would immediately counterattack.

The pirates on the ship did not escape, because it is also a long distance from the nearest coast. After getting off the ship, even swimming will be exhausted!

They were very excited when they saw the Huaxia destroyer, because for them, getting on the destroyer meant that they could survive temporarily.

Soon after, more than a dozen pirates stood up and knelt down with weapons in both hands, expressing surrender.

Although Pan Feng’s face was ugly, he still gave an order: “Get close to the pirate ship and bring them up!”

“Yes!”

Several navies were holding rifles and preparing to board the ship for inspection.

Soon after, the two ships leaned together, and the China Navy went directly on board for inspection.

Soon after, eighteen pirates were taken aboard the destroyer.

As for the property on the cruise ship, all that can be moved are moved up, and those that cannot be moved can only be left on board.

Soon after, the cruise ship sank completely into the water.

Looking at the dozen or so pirates, the fat man smiled triumphantly. He held his arms and came to Pan Feng’s side.

Said triumphantly: "Hey! I didn't know who said just now, Lin Kai, you're done! I'll reveal your true face in a while! Whoops, are you ashamed?"
