

Special Forces God Level Extraction System – Chapter 622 - 653

Chapter 622: Only Live One

Chapter 622 Can Only Live One

As soon as the fat man's words came out, there was a burst of laughter, and everyone in the Wolf Squadron laughed.

And Pan Feng looked ugly, snorted, did not speak.

These dozen or so pirates were all taken to the cabin and imprisoned, and Pan Summit asked them for questioning.

On the deck, Lin Kai looked at Pan Feng with a smile.

“Comrade Major, it's time to keep your promise.”

The people of the Wolf Warrior Squadron stood in front of Pan Feng, and Long Xiaoyun also raised his head straight and looked straight at Pan Feng.

Although Pan Feng was very unconvinced in his heart, he was a person willing to bet.

He knew that he had lost.

At that time, Pan Feng bowed his head: “I'm sorry, Pan Feng apologized to Lin Kai and your Wolf Squadron.”

Pan Feng's words were loud and ear-sounding, and almost everyone on board the destroyer heard them.

Lin Kai nodded and said, “I think you are like a man. On behalf of the Wolf Squadron, I accept your apology!”

Pan Feng, the company commander, lost his momentum, and all the more than one hundred navy members were all dejected.

Lin's shooting method is better than Pan Feng's, and now he has suppressed Pan Feng. Is it possible that their navy will be crushed by the army on the sea?

Although all kinds of dissatisfaction in the heart, but the wolf squadron proved itself with strength.

Pan Feng looked at Lin Kai with a curious look in his eyes.

He asked: "Comrade Lieutenant Colonel, I'm very curious, how did you do it?"

"Twenty nautical miles away, did you see this enemy ship?"

"Is it possible to use my own intuition to hit the ship with the Eagle 12 missile?"

Facing Pan Feng's question, Lin Kai smiled slightly and replied: "Hehe, I am born with a strong sixth sense. This is something ordinary people don't have."

After hearing Lin Kai's nonsense answer, Pan Feng almost opened his mouth to swear.

Sixth sense?

Nonsense!

Pan Feng snorted and walked into the cabin unconvinced.

Then, Pan Feng led people to the cabin, and he went to interrogate the captured pirates.

Lin Kai and Long Xiaoyun were standing on the deck. Lin Kai looked at the distant scenery and smiled.

Long Xiaoyun stood beside Lin Kai. She looked at Lin Kai with a gentle expression: "Lin Kai, you are still the same as before."

"You have never failed in doing things. This time, you have performed a miracle again."

"I really can't see through you more and more."

Long Xiaoyun sighed, Lin Kai grew up too fast.

Long Xiaoyun is the eldest daughter of Long Xiaolin, and in Long's family, she also exists as the proud child of heaven.

But in front of Lin Kai, she suddenly realized that her talent was no match for Lin Kai.

Lin Kai is only 19 years old this year, but Long Xiaoyun may not reach the height in his lifetime.

Lin Kai looked at Long Xiaoyun, leaning on the boat, and smiled slightly: "Hey, of course I am the same as before!"

"The only difference is that the relationship between the two of us is different."

With that, Lin Kai raised his eyebrows and gave a smirk.

Long Xiaoyun's face blushed, of course she knew what Lin Kai meant.

Lin Kai was talking about the engagement between the two of them.

If nothing happens, the two of them should get married soon.

Soon after, Pan Feng walked out of the cabin with an unpleasant expression.

Long Xiaoyun quickly greeted him.

"How's it going?" Long Xiaoyun asked quite expectantly.

This group of pirates should have the exact location of Miyamoto Hanzo, and they are the breakthrough.

Pan Feng shook his head and said: "In this group of pirates, only two people hold the exact position of Miyamoto Hanzo, but these two people have very strict mouths and they refuse to say a word."

"Oh?" Lin Kai raised his eyebrows, and smiled, "He wouldn't say a word?"

Pan Feng nodded and said, "Well, I wouldn't say a word. The bones of this group of pirates are so hard that no one would come forward and surrender."

"They boarded our destroyer simply because their cruise ship was going to sink. They boarded our destroyer, it was just a temporary respite."

"I'm afraid they are still waiting for Miyamoto Hanzo to rescue them."

Lin Kai shook his head after hearing what Pan Feng said.

"No, I think they are afraid of death." Lin Kai said.

"How do you say?" Pan Feng looked at Lin Kai and asked.

At any rate, Pan Feng is also a veteran for more than ten years, and he is proficient in many ways to deal with prisoners.

But he had never seen a pirate as hard as he was.

Pan Feng felt that they were not afraid of death, even if they killed them all, they would not blink.

Lin Kai looked at the direction of the cabin and said, "There is only one reason. They are willing to board the ship, which means they are afraid of death!"

After saying this, Lin Kai strode towards the cabin.

“I’m going to interrogate them.”

Pan Feng looked at Lin Kai’s back, his eyes narrowed.

Lin Kai, are you so sure?

But think about it carefully, what Lin Kai said is not unreasonable. If they are not afraid of death, can they just jump off the boat and drown?

Why board the destroyer?

However, Lin Kai, I am really unconvinced with you, but I want to see what you can do with the prisoners!

Thinking of this, Pan Feng snorted coldly and followed in stride.

Soon after, Lin Kai came to the room where the prisoners were held.

In this room, the walls are made of iron. If this group of pirates want to escape, it will be as difficult as climbing!

Lin Kai saw two of them at a glance.

These two people are not very tall, less than 1.7 meters, and they are about 30 years old.

Wearing khaki sportswear, the hair is very fluffy, similar to an explosive head.

But their eyes were fierce, and both of them had beards.

These two people are standard islanders, because islanders are generally not very tall.

Lin Kai looked at them, his eyes narrowed.

At this time, Pan Feng and Long Xiaoyun also followed.

Pan Feng hugged his arms, looked at the two pirates, and said to Lin Kai: “The two of them will not even reveal their names. They can only be called Beard and Mustache.”

Two of them, one has a long beard and the other has a short beard, so they can only be called that.

There are 18 pirates, and among these 18, only two of them are leaders.

Lin Kai looked at them, smiled slightly, and raised one of his fingers.

“First of all, I only give you two a chance to survive.”

“In other words, you two will survive if you confess it.”

And in the eyes of the two pirates, there were scornful eyes.

At this moment, the beard said in bad Chinese: “Hehe, Shina man, do you think we are fools?”

“Your Chinese have always treated captives preferentially. Do you dare to kill us?”

The expressions of the two of them are extremely arrogant!

Obviously, they knew better about the Huaxia people, and they even knew that the Huaxia people treated captives preferentially.

Chapter 623: Incite Defection

Chapter 623

Faced with the insults of the islanders, Pan Feng frowned behind him. That’s right, they suffered a loss to this point.

The people of this archipelago are very arrogant, but they dare not do anything. There is no way to deal with them.

This is their confidence and Pan Feng’s shortcoming.

“I advise you, it’s better to close your stinky mouth!” At this time, Pan Feng said in a bad tone, squeezing his fist, and said coldly.

And Moustache looked at Pan Feng with contempt at this time, and smiled: “Haha, China, you can only enjoy it with your mouth.”

“Do you dare to punch us? Do you dare to touch our hair?”

“You dare not! Because of discipline!”

“Hahaha! Cowardly like a ghost Shina! When our great Miyamoto Hanzo arrives, you are all going to die!”

The two islanders laughed arrogantly.

The dozen or so pirates behind them also laughed.

It seems that they believe in the so-called Miyamoto Hanzo.

Miyamoto Hanzo, in their eyes, is like a god.

They are not afraid of Chinese people, just because Miyamoto Hanzo is behind them to support them!

Pan Feng looked at Lin Kai at this time, with a questioning expression on his face:
“Have you seen it? This is the attitude of the people of the archipelago! You can do nothing about them!”

“You are rough, but you can’t move. If you persuade them, they can’t listen at all!”

Pan Feng didn’t believe that Lin Meeting had any means to make them speak.

Long Xiaoyun also looked at Lin Kai, and she also wanted to know what kind of means Lin Kai had used to make these pirates speak.

Lin Kai smiled confidently.

“Hehe, do you think I’m joking?”

“Okay, I will show you my determination now!”

After that, Lin Kai directly drew the pistol from his thigh, and the black pistol bullet was loaded directly and aimed at the beard.

“Now, I give you a chance, say or not?”

After all, Lin Kai’s Yuri skill was activated instantly and immediately controlled the beard.

At this moment, Moustache was looking at Lin Kai with contempt.

“Haha, that guy, do you dare to shoot?”

“My brother, will never betray our organization!”

At this moment, the beard was controlled by Lin Kai, and the eyes and expressions he looked at Lin Kai were terrified!

“You! You! You are the murderer!”

At this moment, the beard exclaimed in a trembling voice.

With this cry, everyone in the room looked at Lin Kai, what murderer?

Pan Feng and Long Xiaoyun also looked at Lin Kai with puzzled faces.

And the mustache looked at the big beard with a puzzled expression, and asked, "What murderer?"

The beard looked at Mustache in horror, shaking all over, and grabbed Mustache's hand.

"This person is not a Huaxia soldier! He... he is a famous murderer in China! He really can kill!"

After that, the beard kept kowtow towards Lin Kai.

And begged for mercy: "I'm sorry, I was wrong, I have no intention of offending you, I will say now, you must give me the chance to survive!"

After all, the beard stayed away from the mustache, and cursed at the mustache: "You get out of here! I want to be loyal to China! I want to live! You fools! Are you still counting on Miyamoto Hanzo to save you? All Just wait to die!"

Everyone was stunned by the beard's rebellion.

Both Long Xiaoyun and Pan Feng were dumbfounded.

The mustache was also dumbfounded. The reason why the two of them were so arrogant was because they thought that the Chinese would not do anything to them.

But it's different now.

There is a murderous demon who really dares to do it!

Moreover, the mustache originally had a big beard as a companion, and his confidence was a lot. Now the big beard suddenly rebels and is fighting for the only chance to survive.

Mustache was also panicked.

Isn't he scared? He was naturally afraid, but no one started. As a leader, he was naturally embarrassed to be loyal to China.

But now it's different, Beard has rebelled!

It is very likely that Lin Kai will kill him in the next second!

At this moment, I saw the beard trembling and kowtow to Lin Kai: "I said everything, Taijun, Taijun you spare my life! If you want to kill, you kill him! He is the one who is loyal to Miyamoto Hanzo! "

The big beard pointed to the mustache and exclaimed.

Lin Kai also held a pistol at this time, aimed it at the mustache, and smiled coldly.

"Haha, I'm sorry, obviously he is more shrewd, and I only need one person to provide me with information, you, go to hell."

After all, Lin Kai was ready to shoot.

At this time, Mustache finally couldn't bear the huge pressure, and he wanted to survive.

At that time, the mustache screamed: "Don't! I said! I said! Don't shoot!"

Mustache surrendered!

Lin Kai's heart was overjoyed. Seeing Moustache's tricks, Lin Kai was not in a hurry to let Moustache provide information. Instead, he narrowed his eyes and smiled slightly, "Hehe, you say?"

"But, he surrendered first. Why do you say? You two, I only keep one today, and the remaining one must die!"

Hearing Lin Kai's words, Moustache panicked, Moustache's eyeballs twitched, and said: "Don't shoot! I know the secret he doesn't know! I know how to quietly board Miyamoto Hanzo's den !"

As soon as the words of Mustache came out, Lin Kai's heart was overjoyed. It seems that his plan has been successful!

"Oh?"

"Okay, come out and tell us alone."

After all, Lin Kai waved his hand, Pan Feng took two people with him, and took away the mustache directly.

Brought the mustache to a separate room.

At this time, Lin Kai also withdrew his Yuri ability.

The beard trembled all over, and then he regained his consciousness.

He looked at his hands with a panic on his face: "... what did I do?"

The beard looked at Lin Kai with fear in his eyes.

Just now, although he could not control his body, he had seen everything he did and heard everything he said.

He actually surrendered to the Huaxia people!

And let his good brothers think that they have rebelled, and they want to fight with themselves for a chance to survive!

This Huaxia person is really terrifying, what amazing method does he master to control his body?

Is that human being?

At this time, Lin Kai and Long Xiaoyun had already walked out of their room.

When Long Xiaoyun and Lin Kai left, countless eyes turned to Beard.

All his subordinates sneered, and there was a burst of curses in the island language, and then a dozen people's fists greeted the beard.

But that was wrong in Big Beard's heart. He was wronged in his heart, but he couldn't tell anyone.

Because no one would believe what he said.

"Bageya Road!"

Chapter 624: Hate You Are So Bad

Chapter 624 Hate, You Are Bad!

Lin Kai and Long Xiaoyun came to the deck, and Long Xiaoyun gave Lin Kai a thumbs up.

She knew that Lin Kai was not the murder demon, and Long Xiaoyun seemed to have guessed the reason why Beard said that.

Long Xiaoyun said: "Lin Kai, I remember you used the so-called hypnotism when you were in War Wolf and hypnotized the master I invited."

“This time, did you hypnotize that big beard too?”

Lin chuckled and said, “Hehe, you are still a wife, you are smart.”

“I was screamed, who is your wife?”

“Really, I really don’t see what method you used to hypnotize that person. Is it possible that you can hypnotize him by blinking at him?”

“amount”

Lin Kai was speechless for a while.

He didn’t know how to answer Long Xiaoyun’s question.

At this moment, Pan Feng walked out with joy.

He came to Lin Kai and Long Xiaoyun and laughed out loud: “Hahaha! All done! That person has done all!”

The joy on Pan Feng’s face couldn’t be concealed. Although he didn’t want to be so happy in front of Lin Kai, he couldn’t help being excited when he thought that he could kill the group of pirates.

After all, he took his company to sea twice! On the two occasions, he and his company suffered heavy losses and failed to win the group of pirates.

And the arrogance of those pirates is so arrogant, Pan Feng can’t do anything with them.

But now it’s different, all the mustaches are recruited!

Pan Feng has mastered the specific location of the pirate’s lair!

Pan Feng couldn’t help being excited.

At the same time, he looked at Lin Kai with a curious look in his eyes.

He couldn’t understand how Lin Kai did it.

It seems that all the difficulties encountered since he went to sea have been solved by Lin Kai.

The drone was shot down by Lin Kai, the pirate ship was discovered by Lin Kai, and he ordered it to sink.

Now, the intelligence is all from Lin Kaitao.

Lin Kai, this man, Pan Feng is getting more and more invisible.

But Pan Feng can be sure now that Lin Kai is not a young soldier.

Although Lin Kai is not a young master soldier, Pan Feng is still not convinced by Lin Kai.

“Lin Kai, how did you do it?” Pan Feng asked.

Lin Kai replied, “I have studied hypnotism, and I hypnotized that bearded man just now.”

“Hypnotism?” This mysterious and mysterious answer made Pan Feng very disbelief.

In this world, there is actually hypnotism?

“Oh?” Pan Feng shook his head: “I don’t believe it.”

“Unless you are hypnotized, I’ll try it.” Pan Feng pointed at himself, showing an expression of eagerness.

Pan Feng has been a soldier for so many years, and his psychological quality is naturally extremely strong. He does not believe that Lin Kai can hypnotize himself.

Lin Kai glanced at Pan Feng, then smiled and shook his head: “Forget it, I’m afraid your self-confidence will be severely hit.”

Lin Kai is not joking, he is really afraid that Pan Summit will be hit.

Seeing Lin Kai’s refusal, Pan Feng showed a suspicious expression on his face: “Oh?”

“Could you not dare? Could it be that you are a murderous demon, just like the bearded man said?”

With that, Pan Feng’s face showed a questioning look.

Lin Kai couldn’t laugh or cry, he said helplessly: “Well, since you are so curious, then I will satisfy you.”

With that said, Lin Kaiping muttered Yuri’s ability silently, and then Pan Feng was controlled by Lin Kai.

Under the gaze of everyone, Pan Feng, who was rugged and looked like a little woman, gave Lin Kaifei a wink very shyly.

What's more disgusting is that Pan Feng actually imitated the girl's voice and said: "Oh, you are bad and you hate!"

This annoying sound made Lin Kai's stomach churn, almost vomiting it out.

Long Xiaoyun has always been very serious, but at this time she can't be serious anymore, she tried to hold back a smile.

But it was so funny, she still laughed.

"Ha ha ha ha ha ha ha!"

At this time, Lin Kai withdrew his Yuri ability.

Pan Feng looked at his hands and was stunned.

Is that person just now?

I am so masculine and upright, I acted like a woman just now?

Looking back, I saw countless navy looking at him with weird eyes.

In Pan Feng's heart, it was as disgusting as if he had eaten a fly!

They don't know that Lin Kai hypnotized themselves, they must think they are a pervert!

This is not the point, the point is how does Lin Kai hypnotize himself? My psychological quality is very hard!

At this time, Pan Feng was confused and confused.

"You...how did you do it?" Pan Feng asked with a look of confusion, with a strong desire to learn.

Lin Kai's hypnosis method is really too strong, it can save his life on the battlefield!

Lin smirked: "It can only be understood, but it cannot be said."

At this time, Pan Feng was struck by Lin Kai incompletely.

What do you compare with Lin Kai?

With a single trick of hypnotism, they can make themselves kneel down and sing to conquer!

At this time, Pan Feng finally understood, and finally understood why he became a lieutenant colonel at the age of nineteen.

People have real abilities!

Lin Kai's identity was finally cleared here in Pan Feng, and Lin Kai finally proved that he is not the young soldier Pan Feng said!

And just now Lin Kai said it was true that he was afraid of hitting Pan Feng!

Pan Feng is not bad. After realizing Lin Kai's strength, he also regretted some of the actions he had made before.

He looked sincere and said to Lin Kai: "Lin Kai, I'm sorry, I misunderstood you, I apologize to you from the bottom of my heart!"

When Lin Kai saw Pan Feng apologize, he patted him on the shoulder: "I have forgiven you. To be honest, if it weren't for you, you might have been thrown into the ocean by me."

Hearing this, Pan Feng smiled honestly: "Haha! I think you can do this!"

Seeing that the misunderstanding between the two was resolved, Long Xiaoyun was also very happy.

However, she is now more concerned about intelligence issues.

Long Xiaoyun asked: "Captain Pan, what exactly did that mustache explain?"

"That's right." Pan Feng put away his hippy smile, and said with a serious face: "The moustache explained Miyamoto Hanzo's position."

"It's on an island a hundred nautical miles away from us."

"And there is good news, this island is on the territory of our Huaxia Nation!"

This is really good news. Both Lin Kai and Long Xiaoyun's faces showed joy.

If they were on the high seas or on the territory of an island country, no matter how arrogant they were, Lin Kai and others could not attack Miyamoto Hanzo.

Before Lin Kai and Long Xiaoyun were happy, Pan Feng sighed again and frowned, "But there is still bad news."

Chapter 625: Battle Plan

Chapter 625

bad news?

“What bad news?” Long Xiaoyun asked.

Pan Feng looked ugly: “There are at least 120 pirates on this island and they are well equipped.”

“The island is easier to defend and harder to attack.”

“If we rushed in with the destroyer, we might be sunk by the enemy with firepower.”

Although they have mastered the position of the opponent, Lin Kai and the others only have such a destroyer.

The opponent was on the island, with cannons and machine guns, and it was too easy to sink a destroyer.

Is it possible that Pan Feng will return empty-handed this time? He was not convinced.

“If you ask for support, I’m afraid this group of pirates will be more vigilant after discovering the missing beard and mustache, and even flee to the open sea.

“But it’s too hard to attack if you attack.”

This is the difficulty of Pan Feng.

Long Xiaoyun also frowned and asked, “Didn’t that mustache say that he knows how to enter Miyamoto Hanzo’s nest quietly?”

Pan Feng nodded and said: “He does know.”

“It also provided us with information. There was a gap in a certain location underwater on the island.”

“Through this gap, you can swim directly into the center of the island.”

After listening to Pan Feng’s words, Lin Kai’s eyes lit up.

“Then it will be easy. I took the Wolf Squadron into diving and rushed into battle. When the gunfire sounded in the island, the destroyer immediately approached, and the inside and the outside were united, and I caught it!”

As soon as Lin Kai said what he said, Pan Feng fell into deep thought.

Soon after, Pan Feng patted his thigh and said, "Good way, just do it!"

Just after speaking, Pan Feng frowned again.

"However, if the Wolf Squadron is going to dive in, the destroyer must not stop very close to the island. You need to swim at least five nautical miles."

"Can you hold on?"

Lin Kai grinned: "Hey, little question."

Pan Feng shook his head and said, "No, I want to go into the water with you!"

"I am a veteran of the Navy, diving, I am more familiar than you, let me lead you."

Lin Kai heard this and looked at Long Xiaoyun.

Long Xiaoyun also nodded.

"can."

After the plan was completed, the destroyer headed towards the island at this time.

In the cabin, Pan Feng took out a map and carefully studied where the passage to the island was under the island.

...

Three hours later, the destroyer had quietly approached Miyamoto Hanzo's nest.

At this time, on the deck, all seven of the Wolf Squadron had put on diving suits and oxygen cylinders on their backs.

Also wearing a diving suit and carrying an oxygen cylinder, there is also company commander Pan Feng.

The destroyer is temporarily under the command of the deputy company commander.

"This place is five nautical miles away from the island ahead."

"Brothers, do you have the confidence to sneak over?"

Pan Feng asked loudly.

"Have!"

The seven of the Wolf Warriors squadron shouted in unison, and the momentum rose to the sky.

“set off!”

Pan Feng took the lead and plunged into the water with a thump. After a burst of spray, Pan Feng disappeared.

Subsequently, the Wolf Squadron and others also jumped into the sea.

The weather in November was undoubtedly very cold, and the sea was even more icy, and everyone shuddered after jumping in.

However, the group of eight people are all professional special forces. This difficulty can still be overcome.

Eight people are still five nautical miles away from the island.

If the nautical mile is converted into kilometers, then there are more than nine kilometers.

If it is a distance of nine kilometers, it is certainly not difficult for special forces.

But swimming nine kilometers in the sea is a test of patience.

Under the sea, Pan Feng swam in the forefront, Lin Kai followed closely, and then Long Xiaoyun.

A group of eight people, each carrying only a rifle, nine kilometers too far, it is naturally impossible for the eight people to carry too heavy weapons.

As time passed, everyone got closer and closer to the island.

Eight kilometers, seven kilometers, six kilometers, and five kilometers.

When they reached five kilometers, Fatty and their speed began to slow down.

After all, they are land special forces. Diving is very physical, and they can't bear it.

Only Pan Feng and Lin Kai were relaxed.

In the front, Pan Feng gave a thumbs-up gesture to the Wolf Squadron to signal everyone to cheer.

Fatty and the others gritted their teeth and followed closely.

The distance is getting closer and closer, and gradually, Lin Kai and others are only three kilometers away from the island.

At this time, the fat and others were already exhausted, almost unable to swim.

It is very difficult for everyone to breathe, coupled with the use of oxygen masks to breathe, everyone is a little hypoxic.

Even Pan Feng's swimming speed slowed down.

But everyone knows that if you can't stop, if you stay for one second, there will be one second more danger.

Pan Feng, who was swimming in the front, hesitated for a moment, but gave an order to rest temporarily.

As a result, the eight people temporarily stopped swimming, potentially resting underwater.

But at this moment, Lin opened his eyes narrowed.

His eyesight is much better than others even underwater.

He saw a black shadow and swam towards him.

A huge black shadow!

Lin Kai immediately pushed Pan Feng and pointed in the direction of the black shadow.

Pan Feng frowned and looked over, but he saw nothing.

After a long time, the black shadow got closer and closer to Lin Kai, and Pan Feng finally saw the black shadow.

Underwater, everyone's eyesight is not very good, but Pan Feng, who is experienced in combat, can see what the black shadow is at a glance.

Pan Feng gestured to Lin Kai anxiously, took off his mask, and gestured at Lin Kai.

Killer Whale!

Fuck me, Lin Kai cursed in his heart at this time.

You actually met a killer whale?

In the ocean, killer whales can be said to be top predators.

Killer whales usually treat sharks as food.

Although the black and white killer whale looks a bit like a penguin, it still feels cute.

But that is only for humans.

In the ocean, killer whales are definitely the top predators!

Killer whales are good at group combat. They are huge in size and cruel, but for humans, they are relatively docile.

The distance between the killer whale and Lin Kai was getting closer and closer, and Lin Kai also swallowed a spit, a little nervous.

This is an adult killer whale!

Fatty and the others also realized that something was wrong, and picked up the rifles in their hands, preparing to fire.

Soon after, a killer whale broke into the sight of Lin Kai and others.

This killer whale is huge, with teeth as long as ten centimeters! Even Lin Kai couldn't bear it in one bite!

And this killer whale directly broke into the crowd with a curious look in his eyes.

Chapter 626: Fighting Great White Shark

Chapter 626 Fighting Great White Shark

At this time, the eight people didn't even dare to breathe, and were motionless.

Although killer whales generally do not actively attack humans, it does not rule out that they are in a bad mood and want to attack humans.

The killer whale went back and forth between the eight people, and finally, it fixed its gaze on Lin Kai's body.

This killer whale is ten meters long and huge.

His bite force is very exaggerated, even Lin Kai's 500-point defensive power may not be defensible.

At this moment, Lin Kai glanced at his comrades in arms, and then at the killer whale in front of him.

Suddenly, his eyes lit up.

This killer whale might be able to help himself.

This killer whale didn't seem to hurt people, it was just curious about humans.

And Lin Kai also got up boldly, approached the killer whale, and reached out to stroke its head.

The giant killer whale remained indifferent.

After Pan Feng saw this scene, he was also relieved that as long as it does not attack humans, they can be safe.

However, this huge killer whale did not intend to leave.

At this time, Lin Kai suddenly noticed that there was a row of teeth marks behind the killer whale's ass!

It looks like it was bitten by a large fish, one finger deep.

It turned out that this was a wounded killer whale.

At this time, Lin Kai made a gesture to signal Pan Feng and others to stay away from the killer whale.

But at this moment, another huge shadow swam from afar.

This shadow swims extremely fast! Soon after, he appeared in front of Lin Kai and others.

Lin Kai and others looked at them again, and they were all dumbfounded.

A very huge great white shark suddenly appeared in front of everyone!

The size of the great white shark is bigger than the killer whale! And the fierce look and sharp teeth are even more terrifying!

The great white shark has a violent temperament. It is the notorious overlord animal in the ocean! It will actively attack humans!

Sure enough, as soon as the great white shark appeared and saw so many humans, it directly bit the nearest fat man!

Pan Feng's eyes widened, took out his rifle from behind, and directly gave the order to shoot!

Puff puff

The power of the bullet in the water has been reduced a lot, and the bullet shot at the great white shark as if it was tickling it!

The fat man was also very unfortunately bitten by a thigh, and the great white shark bitten, at that time, a piece of meat on the fat man's leg was bitten off!

Lin Kai's eyes widened, and immediately swam over to help the fat man.

At that time, a group of eight people were fighting the great white shark underwater, and the great white shark was clearly directed at the killer whale.

When the killer whale saw the great white shark, it directly greeted it. Eight people and one whale fought the great white shark!

But the fighting power of the great white shark is too strong, the killer whale is not an opponent at all, and the eight people can't help much.

But Lin Kai frowned. If this goes on, the killer whale will be killed by it sooner or later, and he will not be able to escape the great white shark's pursuit.

At that time, Lin Xin was stunned, the Meteor Finger Tiger was already on his hand.

Infuriating possession!

Lin Kai swam directly at the great white shark.

But the great white shark and the killer whale were fighting fiercely. Lin Kai just approached the great white shark, and with a bang, the great white shark threw its tail on Lin Kai's body.

Fly Lin Kaipai seven or eight meters away!

Lin Kai shook his head, and there was a pain in the arm that was slapped by the great white shark.

What an overbearing power!

But Pan Feng and others were all gesturing at Lin Kai at this time, signaling Lin Kai to retreat.

Now that the great white shark and the killer whale are fighting together, it is a good time to retreat!

But Lin Kai didn't believe in evil, he ignored Pan Feng and others' blockade, and rushed over again.

boom!

There was another muffled noise underwater, and Lin Kai was photographed again.

This time, Lin Kai only felt a churn in his stomach, and almost vomited out the meal he had eaten last night.

Damn, I don't believe I can't kill you a fish!

At that time, Lin Kai swam over again.

Pan Feng and the others were dumbfounded, fucking, is Lin Kai still on a fishing bar?

Seeing that Lin Kai was like this, he would not give up if he didn't kill the great white shark!

But you must know that Lin Kai's combat effectiveness has been reduced by more than half when he is underwater. Can he kill great white sharks?

This time, Lin Kai just approached the great white shark, and with a cry, the great white shark's tail flicked over again.

And this time, Lin happily slammed and hugged the great white shark's tail!

boom!

The tail was slapped firmly on Lin Kai's chest, and a numb sensation came from Lin Kai's chest, with a pop, under the water, Lin Kai directly vomited a big mouthful of blood!

But Lin Kai's eyes were full of fighting spirit.

I can't kill you a stinky fish?

The killer whales were also fighting with great white sharks at this time. Pan Feng and others were afraid that they would hurt Lin Kai by shooting them, so they didn't shoot them and watched from a distance.

Lin Kai followed the tail of the great white shark and crawled upward little by little.

But the great white shark churns under the water and can't care about Lin Kai.

But with the tremendous force, Lin Kaiji almost flew out several times.

But fortunately, Lin Kai's strength is relatively large, able to hug the body of the great white shark tightly.

But at this moment, with a puff, the oxygen cylinder behind Lin Kai was thrown off!

After seeing this scene, Pan Feng and others' eyes widened! The oxygen cylinder was thrown off?

The oxygen cylinder flew out a long way and disappeared.

Without an oxygen cylinder, how long can Lin Kai last underwater? And still such a strenuous exercise!

At that time, Pan Feng shot underwater and waved to Lin Kai desperately, signalling Lin Kai to come back quickly!

Otherwise, he will be suffocated to death!

Long Xiaoyun also looked worried, she looked at Lin Kai very worried.

But she didn't yell, because she knew that what Lin Kai wanted to do could not be brought back by the eight cows.

The fat man was injured and a piece of meat was bitten off his thigh. Under water, his wound was likely to be infected. At this time, the fat man's face was pale.

Lin Kai looked back at Fatty. For Fatty, he must take down this great white shark too!

At that time, Lin Kai desperately crawled towards the head of the great white shark.

But the body of the great white shark was so slippery that Lin Kai was almost thrown off several times!

However, his efforts were still useful. Three minutes later, Lin Kai was infinitely close to the head of the great white shark.

Pan Feng glanced at his watch and became even more anxious.

Three minutes have passed. Even if Lin Kai's lung capacity is better, how long can he persist?

Lin Kai also felt a suffocation at this time, but this was not a problem.

Then climbed forward, Lin Kai was about to touch the head of the great white shark!

But at this moment, the killer whale slammed its tail on the face of the great white shark, and the huge shaking force caused Lin Kai to slid back three meters away!

The head of the great white shark, which was already within reach, was at a distance from Lin Kai.

Damn, I don't believe in this evil!

Lin Kai cursed in his heart, and crawled to the head of the great white shark again with great difficulty.

Three meters, two meters, one meter!

Seven minutes have passed since Lin Kai lost his oxygen cylinder!

Chapter 627: Human Orca

Chapter 627

In seven minutes, if you change to an ordinary person, you will be suffocated long ago!

Even if Lin Kai is the king of soldiers, seven minutes is probably the limit, right?

If you continue, Lin Kai will really die from lack of oxygen!

At this time, Pan Feng and others all sweated for Lin Kai.

Long Xiaoyun was even more nervous and trembled a little. The fat man couldn't care about the pain in his leg anymore, looking at Lin Kai with a pale face.

The seven people looked at Lin Kai nervously.

But Lin Kai gritted his teeth, enduring the pain of being shot flying by the great white shark, using his hands and feet together, he crawled towards the great white shark's head little by little.

Getting closer!

Getting closer!

I'm about to hit the head of the great white shark!

At this time, Lin Kai also felt a sense of reluctance to admit defeat.

If I don't kill you today, I won't be named Lin Kai, and I am not the soldier king of the Southeast Military Region!

Lin developed a roar! His face was flushed, but under the water, only bursts of bubbles were spit out from Lin's mouth.

"Ding! Congratulations to your host, you trigger the Heart of the Strong, and the Heart of the Strong adds 30 points!"

The system's voice came in his ears, but Lin Kai couldn't take care of it.

Because he has come to the head of the great white shark!

Under the water, Lin Kai's movements were greatly restricted, and his strength was also weakened a lot.

The great white shark's defense is also extremely powerful, so Lin Kai must find its weakness and give it a fatal blow!

Infuriating possession!

At this moment, I saw that the meteor on Lin Kai's right hand pointed the tiger, already enveloped in a cloud of purple innocence.

At this time, Lin Kai roared, and a burst of bubbles came out of his mouth.

boom!

Lin Kai smashed his fist!

This punch contains Lin Kai's 500-point strength and 500-point speed!

It also has six hundred points of true energy blessing!

Even though Lin Kai's movements under the water are greatly restricted, Lin Kai's power still cannot be underestimated.

This punch directly hit the eyes of the great white shark.

The eyes of the great white shark were blurred by Lin Kai's blood.

Underwater, the great white shark let out a terrifying cry, and its body rolled up, trying to throw Lin Kai flying on it.

It hurts!

But Lin Kai hugged the head of the great white shark tightly, Lin Kai knew that he could not fall.

Once you fall and get a bite by this guy, even if you are copper and iron bones, you can't bear it!

Try to hug the head of the great white shark with both hands.

At this time, ten minutes had passed since Lin Kai lost his oxygen cylinder!

Ten minutes! If you were replaced by a normal person, you would have been suffocated long ago!

But Lin Kai is different.

Lin Kai's body has been strengthened countless times, even if he held his breath underwater for 20 minutes, there would be no problem.

Give me another punch!

At this time, Lin Kai raised the Meteor Pointing Tiger once again, and slammed it at the other eye of the great white shark!

The great white shark screamed again, and both eyes were blinded!

Flesh and blood.

At this moment, Lin Kai seemed to be mad, smashing down with one punch after another.

With every punch, a mist of blood can be splashed.

Punch! Two punches! Three punches!

Soon, Lin Kai used his fist to punch a gap in the head of the great white shark!

As for the fierce great white shark, its body gradually stopped rolling, and its body began to sink slowly.

This great white shark is dead!

This extremely ferocious great white shark was actually smashed to death by Lin Kai with his fists!

At that time, Pan Feng and the others were stunned.

They didn't expect that Lin Kai would kill a great white shark with his bare hands when he was underwater or without an oxygen cylinder!

The great white shark is the overlord of the ocean! Its bite force and strength are not comparable to human beings!

But facing Lin Kai, it was still abruptly beaten to death.

Have to serve it!

Lin Kai killed the great white shark not only by his own brute force, but also by his courage to refuse defeat!

Pan Feng silently gave Lin Kai a thumbs up in his heart.

If it were him, he would definitely not dare to step forward and fight the great white shark.

But Lin Kai dare!

No wonder it was the king of soldiers of the Southeast Military Region, no wonder he was a ruthless character who dared to make an appointment with Ye Nantian.

It turns out that his strength is so powerful!

If Pan Feng is still a bit unconvinced with Lin Kai in his heart, then Pan Feng can be said to be convinced by Lin Kai now.

Lin Kai's strength is really too strong!

And Long Xiaoyun's heart was also shocked.

This fianc of my own has created miracles again and again.

Even the underwater overlord great white shark can be killed!

While shocked in her heart, she was also proud of Lin Kai!

This is her man, Lin Kai!

The legend of the Southeast Military Region! Even when he came to the ocean, he was not afraid of any creatures!

Long Xiaoyun added another good impression to Lin Kai in his heart.

Fatty's face was also full of excitement, even though a piece of meat was bit off from his leg, he couldn't help being excited.

He has a proud expression.

This is Lin Kai, the captain of the Wolf Squadron!

At this time, the six members of the Wolf Squadron and Pan Feng swam over, and Pan Feng even took off the oxygen mask from his mouth and let Lin Kai breathe.

But Lin Kai waved his hand to indicate that he did not need to.

This made Pan Feng's heart even more shocked.

It's been ten minutes, how can you still hold your breath?

This lung capacity can be said to be a miracle of the world, right?

And the killer whale that was attacked by the great white shark also swam to Lin Kai's side.

The killer whale has a high IQ, and it knows that Lin Kai saved its life.

So he rubbed Lin Kai's body with his head lightly, which was regarded as a sign of gratitude.

Pan Feng pointed to it at this time, his consciousness was to return to the destroyer.

Because the fat man was injured, he could not stay underwater for too long.

But Lin Kai shook his head.

Because they are about to reach their destination, and going back at this time, the distance will be farther, which will only hurt the fat!

But at this time, the killer whale swam under Fatty's body very humanely, and carried him up.

After seeing this scene, Pan Feng and the others showed delighted expressions on their faces.

Lin Kai laughed too, he had long wanted to use the killer whales to take them the rest of the journey.

Afterwards, Lin Kai swims in front, the killer whale follows Lin Kai, and above the killer whale is Fatty.

Behind the killer whale, Pan Feng pulled the tail of the killer whale, Long Xiaoyun pulled the foot of Pan Feng, Long Xiaoyun led the Wolf Squadron, and the killer whale led seven people alone!

Soon after, Lin Kai and others saw the island, Miyamoto Hanzo's nest.

Based on the information provided by Xiaobeard, Lin Kai successfully found the entrance to the island under the island.

A naturally formed cave, the cave directly leads to the interior of the island.

Why is it a cave? Because the island at the beginning of the forest is actually just the tip of a mountain.

Chapter 628: I Can Cure

Chapter 628: I Can Cure

Under the sea, there is actually a huge mountain.

Afterwards, the sea surpassed the mountains.

The cave became an underwater cave.

The tip of the mountain became an island.

At this time, Lin Kai had been holding his breath underwater for more than 20 minutes.

Pan Feng squeezed a sweat for Lin Kai.

But Lin Kai did not show any signs of suffocation. Instead, it seemed that the oxygen cylinder was just a display for him.

It doesn't matter whether there is or not.

Pan Feng was shocked by Lin Kai's vital capacity.

He thought that his lung capacity was already very good, and he could hold his breath for five minutes underwater.

But compared with Lin Kai, he found that his vital capacity is not called vital capacity at all.

They are Lu Bing! And he was a ten-year veteran, or a navy, and he couldn't even hold his breath.

Pan Feng felt ashamed for a while.

Soon after, the huge killer whale sent Lin Kai and others to the entrance of the cave, and it turned and left.

Because the entrance to the cave is not big, the killer whale is too large to enter.

And Lin Kai and others also swam into the cave.

Inside the cave, it was very dark, and the mountain wall was covered with green seaweed, and you could not see your fingers.

Lin Kai took out the flashlight and swam in the forefront.

The cave is all the way up, and the route is not very complicated.

After swimming for about ten minutes, a light appeared on the top of his head.

Lin Shuan dropped the flashlight and took the seven people upstream.

Soon after, the light became brighter and brighter, and everyone gradually emerged.

Lin Kai quietly poked out a head and looked around.

The moustache did not deceive anyone, and the cave could go directly to the center of the island.

In the center of the island, there is a small forest. In the center of the forest is the location of Lin Kai.

There is no one here.

Lin Kai crawled out of the water quietly, and then pulled his teammates up one by one.

There was a splash of water, and all eight people went ashore.

After landing, everyone took off their masks and breathed.

It is not easy to be able to breathe fresh air.

There seems to be no people around, this forest is very lush, it is easy for Tibetans.

“Damn, finally landed!” The fat man yelled and lay directly on the ground.

I saw the pale color on his face, without the slightest blood on his face.

His stamina was overdrawn, coupled with being attacked by a great white shark, the fat man was already seriously injured.

A large piece of meat was bitten off by a great white shark on his thigh.

At this time, there was no bleeding anymore, and at a glance, he could even see the fat man's bones.

This bite is too heavy.

When Long Xiaoyun saw this, she also frowned.

"What to do? We didn't bring medical supplies!" Long Xiaoyun frowned.

"Yes, this is a problem. If he can't get treatment as soon as possible, this leg may be useless." Pan Feng also said.

Lin Kai hesitated.

In fact, he can heal the fat man's injury in a matter of minutes.

But as soon as he shot, Fatty, or anyone else, would definitely be able to discover Lin Kai's secret.

How to do? Shot? Or watching the fat man lose a leg?

The fat man waved his hand and smiled reluctantly: "You don't care about me, it's me who is holding everyone back. I am following you, which is also a burden."

"I just sit here and don't move."

"You should act, Captain, I believe you."

The fat man grinned at Lin Kai, and the sweat on his forehead kept falling.

And Lin Kai felt a pain at this moment.

What are you doing? Good brother's legs are almost gone! He would even die because of this. I was actually thinking about whether my secret would be revealed?

Are you a **** human?

Lin Kai smiled at the fat man: "Heh, fat man, don't worry, there are seven soldiers from the Wolf Warrior Squadron, and seven people will go today!"

"Don't worry, I will heal your injury."

After that, Lin Kai's hands were pressed on the fat man's thigh.

The fat man grabbed Lin Kai, shook his head, and smiled reluctantly: "Captain, forget it."

“I don’t have any medical equipment, how can I treat it?”

“Furthermore, you are not a god, my injury is so severe, it can’t be cured.”

Although Long Xiaoyun was very distressed, she also nodded: “Yes, Lin Kai, time is running out. Fatty can only wait here temporarily.”

Pan Feng also persuaded: “Lin Kai, we must put the overall situation first!”

But Lin Kai didn’t even turn his head, and said, “I can heal the fat man’s injury!”

After that, Lin Kai rubbed the fat man’s thigh with both hands.

At the same time, Ganoderma lucidum was activated, and a wave of energy followed Lin Kai’s hand and poured into the fat man’s thigh.

This energy is repairing fat mans thigh muscles.

Pan Feng and Long Xiaoyun looked at each other, and they were a little unhappy.

Although they didn’t want to see Fatty getting injured, since Fatty was already injured, Lin Kai, as the captain, had to consider the whole team.

But now, Lin Kai actually insists on treating someone who can’t be cured at all.

This is just a mess!

At that time, Long Xiaoyun scolded: “Lin Kai, don’t be stupid, act with us now!”

And Lin Kai healed the fat man on his own: “Don’t worry, it will be better soon, it will take a few minutes!”

Hearing this, Pan Feng frowned: “Lin Kai, you fought against the great white shark underwater just now, I admire you very much.”

“But now, I find you are reckless!”

“His injury, even with medical equipment, can’t be cured for a while!”

“If we waste any more time, we will all be dead!”

“Understood?”

But this time, Lin Kai simply ignored Pan Feng and Long Xiaoyun.

Seeing that Lin Kai was so persistent, Pan Feng and Long Xiaoyun had nothing to do.

Long Xiaoyun glanced at his watch: “Lin Kai, I only give you three minutes. After three minutes, if you can’t cure the fat man, follow us immediately!”

“Good!” Lin Kai agreed.

The fat man smiled bitterly.

In three minutes, how could Lin Kai cure him?

His injury may not be healed in three months!

Xiao Ji Ling, Wang Shunhu and others also looked at each other.

The captain, who has always been steady, can’t think about it this time? A waste of time is a waste of life!

After three minutes, Lin Kai was sweating profusely, and he let go of his hands.

“All right.”

After hearing Lin Kai’s words, Pan Feng immediately ordered: “Since he is ready, the fat man stays here, everyone else, all set out!”

“Fatty can go with us.”

Lin Kai frowned and said to Pan Feng.

Pan Feng looked displeased at this time: “He has injured his leg, how can he go?”

“I’m cured!” Lin Kai explained.

“If you don’t believe me, look!”

Pan Feng didn’t believe Lin Kai’s words at all: “Impossible! Fatty’s injury may not be healed in three months. You can heal it in three minutes?”

After Pan Feng said, he glanced at the fat man’s injured thigh.

Pan Feng was stunned after glancing at it.

Long Xiaoyun also looked over, and a shocked expression appeared on his little face.

The Wolf Squadron was also shocked, and their expressions were as if they had seen a ghost.

Chapter 629: Sentinel

Chapter 629

Just now, the fat man's leg was missing a large piece of meat, and everyone was watching it.

But when I look again now, I see the fat man's legs are completely new.

The skin is as tender and smooth as a newborn baby, except for the trousers being bitten, other parts are no different from normal people.

Everyone was dumbfounded.

what's going on? Could it be that Lin had a meeting with magic?

Can you make up for a piece of meat that a fat man was bitten off?

Even Fatty himself was shocked. He looked at his legs and took two shots.

Standing up and moving around, the fat man was surprised to find that he was all right now!

"Fuck me! What the **** is going on?" The fat man couldn't help but cursed.

This is simply incredible, let alone he doesn't believe it, neither Long Xiaoyun nor Pan Feng believes it.

How can Lin Kai know such a strange spell?

Although Lin Kai used to often create miracles, but those miracles can be explained by talent.

But how to explain this situation now?

Long Xiaoyun's head buzzed, and she didn't understand until now, how could ordinary people have such enchanting strength?

Lin Kai is not an ordinary person!

Pan Feng was also dumbfounded. He looked at the fat man's legs and couldn't react for a long time.

Everyone in the Wolf Warrior Squadron looked at Lin Kai as if they saw a monster.

Pan Feng looked at Lin Kai dumbfounded. After a long time, he asked: "Lin Kai, you can explain to me, what is going on?"

Lin Kai smiled helplessly: "Hehe, actually... actually my blood has a magical recovery effect."

"Yes, it is like that."

"My blood is very peculiar. It allows me to have strong combat power and resilience, and it can also be used as a panacea to treat others."

Lin Kai's eyes lit up and made up such a reason.

This reason is fair.

Even if they couldn't explain it, they had no other choice but to believe.

"You are such a monster, I finally know why it sent you here. Without you, I'm afraid I would have died on the sea long ago!"

Pan Feng said helplessly and gave a thumbs up.

Long Xiaoyun quickly recovered from the shock. She took out a map, a hand-drawn map.

This is a map drawn based on the information provided by Mustache.

"According to the map, we are in the middle of the island."

"This island is not too big, but it is not too small. There are four guard posts around the island, one on each corner."

"If our destroyer wants not to be attacked, we must kill these four sentries!"

Four sentinels are scattered in the four corners of the southeast, northwest.

This group of pirates did not have a strong sense of precaution, because this is an endless sea, as long as there is an enemy coming, you can see it from a distance.

So there is no need for so many people to stand guard.

"There is a question, **** these four sentries without moving the gun?" Pan Feng frowned and asked.

Each of these four sentries stood on a high watchtower. It was difficult to kill them silently.

At this time, everyone in the Wolf Warriors squadron looked at Lin Kai.

And Lin Kai also touched his nose, and said, "Maybe I have a way..."

Pan Feng slapped his head, he forgot that there was still such a monster in the team.

But he was curious, what method did Lin Shan use to kill the four sentries?

"Go!" Pan Feng gave an order, and eight people lurked off.

Soon after, eight people appeared behind a lush bush.

Pulling aside the grass, you can see a ten-meter-high watchtower 100 meters away. The watchtower is very empty around it. If you take a step forward, you will be found.

On the observation tower, there is an island nation standing about 1.6 meters tall, holding an ak rifle and a telescope in his hand.

"How to kill him without moving the gun?"

Lin Kai smiled at this moment, he took a bullet from his pocket and threw it into his mouth.

When Pan Feng saw this, his face changed and he stopped Lin Kai: "What do you want to do?"

Lin Kai glanced at Pan Feng and said, "Kill him!"

"Can you kill him with this bullet? Don't be kidding, okay? We are a hundred meters away from that pirate!"

Pan Feng was a little anxious, he didn't believe that Lin Kai could kill a pirate who was a hundred meters away with his mouth!

The fat man stopped Pan Feng at this time, he had seen Lin Kai's mouth work.

"Hey, Mr. Pan Dalian, take a look!"

"Boss, go!"

The fat man patted Lin Kai on the shoulder and smiled.

Lin Kai took a deep breath at this time, and the Watermelon skill was activated.

After tightening his abdomen and raising his breath, Lin Kai vomited vigorously, and with a pop, the bullet was shot out!

puff!

The bullet went directly into the head of the pirate. The pirate's eyes widened at the time, and he didn't understand what was going on, so he fell on the watchtower.

After seeing this scene, Pan Feng was stunned.

Is this a **** thing human can do?

A hundred meters away, he spit out a bullet with his mouth, and killed a sentry in a daze!

Pan Feng is a little suspicious of life at this time, is he cooperating with someone?

But think about it again, just now that Lin Kai was able to hold his breath underwater for half an hour, it shows that his lung capacity is very strong.

Now it seems that this is not strong, this is **** perverted!

No wonder he became a lieutenant colonel at the age of nineteen, and even the king of soldiers of the Southeast Military Region.

This kid is an alien!

Suddenly, Pan Feng's heart was as complicated as whole grains.

At the same time, his self-confidence was blown.

Since childhood, he has always been the pride of heaven, and he is willing to work hard.

But only after meeting Lin Kai did he know what it means to be someone outside a person, there is a heaven outside the sky.

This guy is too strong!

Then, the Wolf Squadron and Pan Feng followed suit and killed all the other three sentries.

At this time, Pan Feng took out the walkie-talkie and called the destroyer: "Deputy company commander, I order you, in twenty minutes, launch an attack!"

"After fifteen minutes, we will cover your landing."

Soon after, the voice of the deputy company commander came from the intercom.

"Yes!"

Then, Lin Kai and others hugged the weapons in their hands. After fifteen minutes, they would carry out a surprise attack on the pirates on the island.

At the same time, the force of a company on the destroyer will successfully land.

When the soldiers have landed, the pirates will die!

At this time, Pan Feng was also a little nervous, after all, this was the most dangerous task he had ever performed!

“Each of us brought two magazines, that is, each of us has sixty rounds.”

“I don’t ask you to shoot all rounds, but I hope you can take away five enemies with these only sixty rounds!”

One person takes five, that is forty, if it can be done, the soldiers who land next will not be so dangerous.

Chapter 630: Destroyer Landing

Chapter 630-Destroyer Landing

Time passed by every minute.

Fifteen minutes away, getting closer and closer.

Even if Lin Kai defeated the four sentries, as the destroyer approached, the pirates on the island would definitely find the destroyer.

Therefore, Lin Kai and their mission was to make a clear call on the island before the pirates had discovered the destroyer.

All of them were stunned, and they were caught off guard, and the soldiers on the destroyer landed.

Fourteen minutes, there is one last minute!

Everyone was a little nervous. The place in front of them was the pirate’s den, a few super large wooden buildings.

At this time, Lin Kai and the eight of them were holding two grenade in their hands.

These dozen grenades were captured from the four sentries.

“Fifteen minutes!”

“All the grenade pull rings! Throw it out!”

Pan Feng glanced at his watch and ordered immediately.

Then, a ring-pull voice sounded.

Click! Click!

Everyone pulled down the safety ring of the hand mine!

Afterwards, one person threw out two grenades, and a dozen grenades immediately fell into the building complex.

A few seconds later, a violent explosion sounded, and even a wooden house was opened by a grenade!

At that time, all the pirates on the entire island panicked!

The unlucky pirates were directly crushed by the bombing, leaving no corpses.

The pirates who were not killed in the bombing ran out with their guns, and even pirates who hadn't worn their pants, ran out of the house!

“Bageya Road!”

“There are enemies! There are enemies!”

“Nani?”

Pan Feng shook the gun tightly and gave an order.

“hit!”

Then, eight people rushed in from eight different directions!

Lin Kai was even holding the rifle in his hands. With his extraordinary response and speed, as well as the golden pupil's advantage, he set the rifle into burst shooting mode.

boom!

A shot rang, and every time Lin Kai fired, an enemy fell.

After all, this group of pirates is not a regular army, just a group of mobs.

Every shot Lin fired could hit an enemy.

At that time, gunfire broke out across the island!

The destroyer also approached. At this time, the destroyer was only one nautical mile away from the island.

In a few minutes, the destroyer can approach the island!

And this group of pirates also reacted at this time. Although they have killed and injured more than a dozen people, they still have hundreds of troops!

At this time, some pirates have taken up weapons to resist!

At that time, the gunfire broke out!

The little clever shook hands with the sniper rifle. He lay behind a rock and aimed at the enemy through a magnifying lens.

Whenever his gun sounded, an enemy would fall.

The fat man is more brave. He shoots with a rifle and suppresses the firepower. He doesn't care about bullets at all.

Of course, some unlucky ghosts died under the fat man's gun.

Boom boom boom!

Fire dragons emerged from rifles, and bullets fired on various wooden structures.

Long Xiaoyun did not bring a rifle, but she brought two pistols, two pistols in her hands, she shot a machine gun posture!

Boom boom boom!

A series of gunfire sounded.

Suddenly, the team of eight people was surprised that more than one hundred pirates that could fight could not come forward!

"Little dwarfs! Your grandpa is here!"

"Dare to be presumptuous in China, and none of you can go out today!"

The fat man rushed to the forefront at this time, picked up a rifle left by a pirate, held two rifles in both hands, and fired!

Da Da Da Da Da!

The firepower is extremely fierce!

However, at this moment, a black man was holding a sniper rifle, and the muzzle was aimed at the fat man.

And the fat man is not yet aware of his fierce.

Lin Kai narrowed his eyes, and he saw the black sniper at a glance.

But it was too late to shoot at the black sniper.

boom!

The black sniper fired a shot and a bullet hit the fat man's head!

Between the sparks and flints, Lin Kai exploded with great power! Also fired a shot in the direction of the fat man!

And when the black sniper's bullet was about to hit the fat man, there was a bang, and a spark flashed in front of the fat man's eyes. Lin Kai's bullet knocked the black sniper's bullet away!

The fat man was taken aback, then shot at the position of the black sniper.

"Your grandma, dare to attack me?"

At that time, the black sniper was beaten into a fishing net.

This scene was clearly seen by Pan Feng on the side.

He cursed a pervert and continued to suppress firepower.

A few minutes later, the destroyer landed, and more than one hundred well-equipped navies landed successfully!

At that time, a company of regular army troops suppressed the pirates with firepower!

The group of pirates was caught off guard when they were attacked. At this time, they were bombarded by artillery from the destroyer.

The pirates suffered heavy casualties, with thirty or forty people dead at that time.

Pan Feng's mood was also very high because of fire on the island.

"Comrades! Give me a hard hit!"

“Don’t forget how we were beaten back by these pirates the last two times!”

“Don’t forget, the Chinese people slaughtered by these pirates!”

“Unless you surrender, don’t stay alive! Fight!”

The navy was affected by Pan Feng’s words, and they had already had enemies with this group of pirates. Suddenly, the firepower was even stronger!

The casualties of the pirates are getting more and more serious.

If this continues, the battle will be over in ten minutes.

And Lin Kai has been paying attention to a hall on the island.

That main hall was the only building built of bricks on the island. It seemed that the thickness of the walls was so thick that even a grenade couldn’t break it.

It is extremely difficult to build a hall built of bricks on this island.

This place is probably where Miyamoto Hanzo is located.

He hasn’t appeared yet.

Lin Kai knew that the battle was far from over, it was just beginning!

Seeing that the pirates had already suffered more than half of their casualties, they retreated to the hall.

Pan Feng was emotional, and he said loudly: “Kill it! Sweep it all!”

And more than a hundred Chinese soldiers roared and rushed forward, trying to surround the hall.

But at this moment, there was a boom!

The main hall’s door suddenly exploded!

From the hall, a powerful wave of air broke out!

This air wave is so great that it is like a nuclear bomb exploding in front!

Wherever the air wave passed, Chinese soldiers were shot flying!

Suddenly, more than one hundred Chinese soldiers were blown away several meters away by this air wave!

At this time, a person stood out from the hall.

The man was about 1.7 meters tall, in his thirties, with a shaggy beard, a braid, and a strand of broken hair on his forehead.

His eyes were fierce, wearing black gold armor and black gold riding boots, one of his arms was exposed outside the black gold armor.

His arms are strong and powerful!

Behind his waist, there are still two Taichi, one long and one short, one yellow and one blue.

Wu Sheng, Miyamoto Hanzo!

Chapter 631: Miyamoto Hanzo

Chapter 631: Miyamoto Hanzo

This is Wusheng Miyamoto Hanzo!

The reason why this group of pirates can be so rampant is because of the existence of this person.

You know, Wu Sheng, even in China, is a very rare existence.

Just take out a martial arts sage, you can sit on the side.

Wu Sheng represents not only a powerful strength, but also a powerful appeal.

And Lin Kai can only be regarded as a false martial sage.

Doesn't apply extraction ability, he is just a warrior who is stronger than ordinary warriors.

As soon as Miyamoto Hanzo appeared, the pirates who had been beaten up just now stood up as if they had the backbone.

Lin Kai couldn't understand what slogans these people were yelling in the island's national language. They probably meant long live Miyamoto Hanzo.

And Miyamoto Hanzo's eyes were full of murderous aura.

He held the Taito at the back of his waist in one hand, clenched his fist, and looked at the Chinese soldier in front of him with cold eyes.

Afterwards, he preached in broken Chinese: "Breaking into the territory of Miyamoto Hanzo, you all deserve to die!"

And Pan Feng narrowed his eyes, and he had already heard of Miyamoto Hanzo's power.

I also know how powerful Miyamoto Hanzo is.

However, after all, Pan Feng had never seen the real strength of the ancient martial artist, and he did not believe that there would be people in this world who were not afraid of hot weapons.

At that time, Pan Feng gave an order and said angrily: "Shoot!"

"Kill Miyamoto Hanzo!"

As soon as Pan Feng's words fell, more than a hundred soldiers fired at Miyamoto Hanzo!

Da Da Da Da Da!

Fire dragons appeared one after another, and countless bullets shot at Miyamoto Hanzo, leaving the sky overwhelmingly!

Can be described as a rain of bullets!

And Miyamoto Hanzo narrowed his eyes and saw him roar: "Hasa!"

brush!

A ray of light lit up, and Miyamoto Hanzo pulled out a yellow sword at the back of his waist!

At the same time, a powerful qi burst out from the sword, forming a semicircular protective cover in front of Miyamoto Hanzo's eyes.

And Miyamoto Hanzo, holding the sword against the protective cover, soared into the sky!

The bullet shot on the protective cover, as if rain fell into the sea, only a little ripples appeared on the protective cover.

Miyamoto Hanzo, who descended from the sky, fell directly into the crowd of Chinese soldiers. With a bang, four or five soldiers were shocked by the powerful aura he exploded!

The bullet is not effective against him!

The Chinese soldiers retreated one after another.

Looking at Miyamoto Hanzo with fear.

And Miyamoto Hanzo, holding a large sword, despised everyone, and preached in bad Chinese: "Please let your strongest come out for a battle!"

After all, Miyamoto Hanzo looked at the more than a hundred people in front of him with cold eyes.

At this time, Lin Kai also stood up.

After Lin Kai stood up, Miyamoto Hanzo's eyes looked at him instantly.

Lin Kai strode towards Miyamoto Hanzo. To be honest, Lin Xinzong was also a little scared. After all, this was the first time he faced a master of martial arts.

"You are the strongest?"

Miyamoto Hanzo's tone was somewhat questionable.

The boy in front of him seemed to be less than twenty years old.

Such a person is an ancient warrior?

Lin Kai nodded: "Martial artist Lin Kai, I have asked for advice."

After all, Lin Kai clasped his fists.

"Martial artist?"

Miyamoto Hanzo's eyes narrowed, and being able to reach the realm of a martial artist at the age of nineteen was indeed a gift.

However, with a martial artist, against him, the strength is far from enough.

There was a trace of contempt in Miyamoto Hanzo's eyes.

"This battle is divided into high and low, but also life and death, I win, you all will die!"

“I lose, everyone, leave it to you!”

Miyamoto Hanzo spoke indifferently, but his eyes were full of self-confidence. He thought that he could not lose at all!

“A word is settled.” Lin Kai directly agreed.

The duel between the two officially began.

The duel between the two determines the victory or defeat of this war.

Lin Kaisheng, China wins!

If Miyamoto Hanzo wins, this group of pirates can continue to escape justice.

Because Miyamoto Hanzo had the ability to destroy a company, and Lin Kai also had the ability to wipe out pirates.

The people around were very consciously getting away from the place, but Lin Kai took out the Meteor Finger Tiger from his pocket and put it on his hand.

“Face the wind!”

Miyamoto Hanzo yelled at this time, and the blade of his brush was lit up, and he was holding a yellow sword and slashed towards Lin Kai!

At the same time, strong winds around, flying sand and rocks!

In a daze, Lin Kai saw a blade of light slashing towards him!

“Ha!” Lin Kai also yelled, the true energy surging in his body, and he blasted Miyamoto Hanzo’s Taito!

With a snap, Lin Kai’s punch directly hit Miyamoto Hanzo’s blade.

After that, Lin Kai only felt a huge force on his arm! The body flew away involuntarily!

boom!

Lin Kai knocked down a big tree and fell to the ground.

With just one stab, Miyamoto Hanzo defeated Lin Kai.

But Lin Kai’s intuitive body surged, and with a wow, he vomited a mouthful of blood.

What a powerful Miyamoto Hanzo!

Looking at his damaged Meteor Finger Tiger, Lin Kai's heart was cold.

The Meteor Pointing Tiger actually broke!

This weapon that had accompanied Lin Kai for so long was actually cut by Miyamoto Hanzo!

"Lin Kai!" Long Xiaoyun couldn't help exclaiming at this time, and wanted to go forward, but was stopped by Pan Feng.

Lin Kai glanced at Long Xiaoyun, then at Miyamoto Hanzo, and he stood up again.

"Huaxia, you are too weak!" Hanzo Miyamoto was holding a sword, and his clothes were blown by the wind.

"Really?" Lin Kai smiled playfully.

I saw him say silently: "Extraction ability, Brother Flathead!"

Wow!

From Lin Kai's body, a very powerful aura suddenly broke out!

Lin Kai's true spirit doubled instantly! From 600 points to 1,200 points!

Lin Kai's power, speed and other attributes have all doubled, from five hundred points to one thousand points!

Wu Sheng's momentum radiated instantly.

And Lin Kai's eyes also showed a confident light.

Miyamoto Hanzo's eyes narrowed, and a serious look finally appeared on his face: "Martial Saint?"

He couldn't believe it, such a young Martial Saint?

Afterwards, he shook his head and sneered: "Heh, what about Wu Sheng, he will die by my sword!"

"Hazard!"

Miyamoto Hanzo roared, and rushed towards Lin Kai once again!

But this time, Miyamoto Hanzo's figure changed, and his body was constantly wandering in front of Lin Kai, making it difficult to figure out the location.

How to play?

Lin chuckled.

Play Shenfa, I am your ancestor!

“Create your own skills, kill ghosts!”

Lin Kai roared, and then he attacked and killed Miyamoto Hanzo!

Note that it was not a Lin Kai attacking and killing Miyamoto Hanzo. Because of the speed, it suddenly appeared that seven or eight Lin Kai attacked and killed Miyamoto Hanzo!

Chapter 632: Peerless Weapon

Chapter 632 Peerless Weapon

All of a sudden, Miyamoto Hanzo's figure and Lin Kai's figure were in a chaotic manner, making it difficult to see.

However, Lin Kai's ghost attack is still better than Miyamoto Hanzo's body style.

With a bang, Lin Kai's punch directly hit Miyamoto Hanzo's chest!

And Miyamoto Hanzo's body also retreated several steps! A fist mark appeared on the black gold armor.

Miyamoto Hanzo looked down at his black gold armor, a trace of anger in his eyes:
“Good power!”

Lin Kai also stopped and looked at Miyamoto Hanzo.

There was no lightness on Lin Kai's face.

During the battle just now, Lin Kai discovered that Miyamoto Hanzo hadn't done anything at all!

The yellow sword in his hand is not very strong.

But Lin Kai felt that the other blue sword behind his waist contained great power!

He must be defeated as soon as possible!

At that time, Lin said silently in his mouth: “The beetle meteor hit!”

After all, I saw Lin Kai's body leapt high and flew into the sky!

And from Lin Kai's body, real energy radiated!

Zhen Qi gathered next to Lin Kai. From a distance, Lin Kai seemed to have become a golden longhorn beetle!

The golden celestial beetle is lifelike, with golden light in its eyes, like a **** descending to the earth!

This is Lin Kai's strongest attack method!

Meteor beetle hit!

brush!

I saw the longhorn beetle descending from the sky, stepping on the air, and rushing towards Miyamoto Hanzo!

Among the beetles is Lin Kai!

Lin Kai slammed into Miyamoto Hanzo!

And the head of that long-horned cow also slammed into Miyamoto Hanzo!

Miyamoto Hanzo waved the yellow sword in his hand at this time, and a yellow protective cover formed in front of him!

Boom!

This loud noise is like a nuclear bomb exploding in front of you!

The ground trembled!

Some people couldn't stand up and fell directly to the ground!

The moment the beetle hit the protective cover, the beetle broke instantly.

The protective shield that Miyamoto Hanzo waved also shattered instantly.

Lin Kai hit Miyamoto Hanzo's body hard.

At that time, I saw a huge black hole in the middle of the island.

Lin Kai stood beside the huge pit, and bursts of black smoke were still in the black huge pit.

Miyamoto Hanzo is nowhere to be seen.

Could it be that Miyamoto Hanzo is dead?

The pirates were also panicked, craned their necks one after another, looking towards the huge black pit.

The Chinese soldiers also looked curious.

Lin Kai looked at the huge black hole in front of him, his expression becoming more solemn.

Because he found that his strongest blow could not kill Miyamoto Hanzo!

“Hazard!”

At this moment, with a roar and a bang, Miyamoto Hanzo flew out of the huge black pit in an instant!

I saw him turning around in the air, holding the yellow Dachi in one hand, and already holding the hilt of the blue Dachi behind his waist in the other hand!

brush!

Miyamoto Hanzo drew the blue Dachi!

As soon as the blue sword was taken out, the whole world seemed to lose its original color.

As soon as the cold light came out, the blue Taito made Miyamoto Hanzo's momentum soaring again!

At this time, Miyamoto Hanzo finally showed his strongest strength!

In the air, Miyamoto Hanzo roared: “Lore! Insidious attack second sword style!”

After that, Miyamoto Hanzo's speed suddenly increased, and he rushed towards Lin Kai like a gust of wind!

And the two swords in his hand seemed to be alive!

As soon as the two swords were released, Miyamoto Hanzo's full strength was finally brought out!

The speed of the two swords is so fast that people can't see clearly!

Swipe it!

Within a second, hundreds of powerful sword auras had already slashed towards Lin Kai, closing all Lin Kai's retreat!

So fast!

Even Lin Kai, whose speed reached 1,000 points, couldn't help but exclaim.

Too much sword spirit!

Lin Kai didn't know how to defend!

In a hurry, Lin Kai could only turn on the tortoise extraction ability and wrap his true energy on his body.

Hard resistance!

Boom boom boom!

Then, the skyrocketing fire burst out! Hundreds of sword qi smashed Lin Kai's body one after another.

Every sword qi can cause a violent explosion.

For a while, Lin Kai seemed to be the target of being bombed by hundreds of fighters!

Long Xiaoyun, Pan Feng and others were dumbfounded.

Lin Kai couldn't hold on to this fight!

And Lin Kai, who was under hundreds of sword auras, was really uncomfortable.

Although he relied on a thousand points of defense and the ability to extract the tortoise, he could also temporarily resist a few sword auras.

But the sword aura is too much!

After hundreds of sword qi came down, a huge black pit had appeared in the middle of the island.

The huge pit was full of black smoke. This time, it was not Miyamoto Hanzo who lay in the huge pit, but Lin Kai.

After hundreds of sword auras, the black smoke gradually dispersed, and Lin Kai, lying in the huge pit, gradually revealed his true colors.

Lin Kai at this time was a miserable one.

All the clothes had been blown up, his body was black, and even his hair and eyebrows had disappeared.

There were wounds all over his body, and blood flowed out.

It was dying, and it was going to die soon.

At the side of the giant hole, Miyamoto Hanzo was holding two daggers and looked down at Lin Kai in the giant hole.

After a long time, Miyamoto Hanzo said: "Huaxia, you are very strong!"

"And you are very young."

"If another two years pass, I might not be your opponent."

"But it's a pity that you are going to die by Miyamoto Hanzo's sword today."

"It's an honor to die by my knife."

Having said that, Miyamoto Hanzo raised the sword in his hand and prepared to kill Lin Kai.

But Lin Kai looked at that Taidao, and all kinds of pictures flashed in his mind for a while.

Are you dying?

The last time he was beaten like this, he was still in the army and was beaten to death by Ye Nantian.

And Miyamoto Hanzo was an enemy who really wanted to kill himself.

He is too strong.

His weapons are too strong.

Whether it was the black gold armor on his body, or his two takas, they were too strong.

But he didn't have a weapon to take advantage of.

If I had a handy weapon, it would be great.

The better the weapon, the more powerful it can wield the true energy.

The two Taito swords in Miyamoto Hanzo's hands are two very powerful weapons.
arms?

Lin Kai suddenly narrowed his eyes.

If one can say that a weapon that can withstand a lot of qi, it is a good weapon.

Then his body is a peerless weapon!

Your body is different from that of an ordinary person. An ordinary person's body can't bear the true qi because his body can't bear it.

But his body is different.

His body is strengthened again and again by the system, no matter how much true qi he bears, his body will not collapse.

Your body is a peerless weapon!

If you continuously pour the true energy into your body, can your body become a peerless weapon?

"Congratulations to the host, for comprehending demigod skills, a peerless weapon!"

Chapter 633: A Big Win

Chapter 633

Looking at Lin Kai who was dying from the beating, Long Xiaoyun collapsed at that time.

Tears welled up like a flood of water that opened the gate.

"Lin Kai!" Long Xiaoyun's scream resounded through the sky.

Pan Feng stubbornly held Long Xiaoyun, although he was also very sad, but he knew that Long Xiaoyun pounced on it, it was a death!

Everyone in the Wolf Squadron clenched their fists, their eyes were already moist.

"Retreat! Retreat all!"

Pan Feng gave the order.

Because he knows that if he doesn't leave now, no one can leave in a while!

And Miyamoto Hanzo was holding two Tai swords, and looking at Lin Kai at his feet, he also shook his head.

The yellow sword in his hand gradually fell, and Lin Kai's life was about to be terminated.

But at this moment, Lin Kai opened his eyes.

He, who was dying, suddenly became very powerful!

A wave of air erupted from him, and the dust was swept away!

“Demi-God-level self-created skills, peerless weapons!”

Lin Kai roared, and then his body began to glow.

The light became brighter and brighter, like a light bulb. After that, Lin Kai's body, like the sun in the sky, was so dazzling that people couldn't open their eyes!

The strong qi envelops his body, this is all the qi in his dantian!

Zhen Qi poured into Lin Kai's limbs and internal organs, blessing every corner of his body.

Lin Kai now is a peerless weapon!

“This...this is?” Miyamoto Hanzo also opened his eyes wide at this time, with a look of fear on his face.

He has never seen such a strange move!

“Peerless weapon!”

With a sound of falling, Lin Kai turned into a cold light and passed directly through Miyamoto Hanzo's body.

Miyamoto Hanzo's eyes widened, without a reaction at all.

He opened his mouth wide and looked down at his waist.

With a click, Miyamoto Hanzo's waist was cut into two by Lin Kai!

“Na...Nani?” Miyamoto Hanzo couldn't believe it until he died, people can actually be used as weapons!

With a click, Miyamoto Hanzo's upper body itself had fallen to the ground, while his legs were still standing on the ground.

The two swords in his hand couldn't be held either, and they fell to the ground.

A generation of Wusheng, Miyamoto Hanzo, fell.

And Lin Kai, who was behind Miyamoto Hanzhiding, was radiant, and he was the sharpest weapon in the world from this moment on.

Peerless weapon!

After the light lasted for a few seconds, it flickered a few times before disappearing.

With a plop, Lin Kai also fell to the ground and lost consciousness.

He is too tired.

Originally, he was seriously injured, and his true qi was overdrawn. He was really tired.

Long Xiaoyun and Pan Feng watched this scene blankly.

What a twists and turns! Lin Kai gave them hope, gave them despair, and finally gave them hope.

Fortunately, the ending is good.

Lin Kai won!

Lin Kai killed Miyamoto Hanzo!

A few seconds later, a burst of cheers erupted from the crowd!

A smile from the heart appeared on every Chinese soldier's face.

They survived!

They won!

They defeated this group of pirates and killed the pirate leader Miyamoto Hanzo!

The remaining dozens of pirates were dumbfounded.

Miyamoto Hanzo, whom they had always believed in, died like this?

They completely lost their fighting spirit.

The next battle was very smooth.

The pirates stopped struggling and resisting, and basically all surrendered.

Lin Kai was also transferred to the destroyer, and this time, the treatment of the Wolf Squadron was very good.

Everyone has a separate single room.

And Lin Kai was even arranged in the best single room on the entire destroyer.

In this battle, more than 50 pirates were wiped out and more than 100 pirates were captured.

Hundreds of weapons ak47 were seized, with tens of thousands of bullets, and countless bombs and rocket launchers.

It can be said to be a complete victory!

Killed the pirate leader Miyamoto Hanzo!

On the island, Pan Feng discovered wealth worth tens of billions!

This time, Pan Feng made a great contribution! Lin Kai also made great contributions! The Wolf Warriors Squadron has made a great contribution!

Miyamoto Hanzo's two weapons, the two Taichi, were all captured, but under Pan Feng's signal, the two Taichi were given to Lin Kai.

This is something used by ancient warriors, and most people don't understand it.

And Pan Feng's attitude has also changed drastically.

Before Lin Kai boarded the ship, he dismissed Lin Kai, thinking that Lin Kai was just a young soldier.

But now, his attitude has changed a lot.

He was convinced by Lin Kai!

Lin Kai didn't know how long he had slept this time. After opening his eyes again, he appeared in a separate ward.

There is a huge TV in front of the white ceiling. This is...the hospital?

Seeing Lin Kai opened his eyes, Long Xiaoyun asked with a look of concern: "Are you awake?"

Lin Kai looked at Long Xiaoyun, who was wearing a sports suit. Obviously, this place is no longer the army.

"Here?" Lin Kai asked in a daze.

Long Xiaoyun smiled, "Beijing, Jiangjing Town Hospital, you have slept for three days and three nights."

"So long?" Lin Kai frowned.

When he moved, a tearing pain came from his whole body. What hurts him is really not light!

"Yes, you are so worried about me."

Long Xiaoyun breathed a sigh of relief, his face haggard.

It can be seen that she hasn't closed her eyes for three days and nights, and she has heavy dark circles.

Lin Kaixin was also a little touched.

"Thanks for your hard work."

Long Xiaoyun smiled and shook his head: "No hard work, you are our great hero in China."

"Did you know? Jiulongshan has already awarded you a reward and issued you 100,000 points in your account!"

Lin Kai also moved in his heart after hearing Long Xiaoyun's words.

One hundred thousand points? That Jiulong Mountain is really generous!

I took out my phone and checked it. The last time Lin Kai completed the task of killing the tiger, he gave Lin Kai 10,000 points.

But this time Lin Kai killed Miyamoto Hanzo and directly rewarded Lin Kai with 100,000 points.

Lin Kai remembers that Jiulong Mountain's positions are divided into five levels: cave master, team leader, team leader, deputy mountain master, and mountain master.

The cave owner does not need points.

The team leader needs 10,000 points, the team leader needs 100,000 points, the deputy mountain leader needs 1 million points, and the mountain leader needs 10 million points.

Judging from Lin Kai's current points, he can be exchanged for a captain.

But what's the use of being a captain?

"Do you know who your team leader is?" Long Xiaoyun asked at this time.

Lin Kai thought for a while and replied, "It seems that he is a fat man, what is his name Mao Gang."

"Yes, on top of Mao Gang, there is another captain leading him."

"I think you can directly exchange for a captain to become a leader."

"Don't think Jiulongshan's job is just a false job. Since a team leader is worth 100,000 points, it means that being a team leader definitely has the benefits of being a team leader.

Chapter 634: Fulu Extraction Ability

Chapter 634 Talisman Extraction Ability

After hearing Long Xiaoyun's words, Lin Kai nodded.

Anyway, it's useless for Lin Kai to keep so many points, so he simply exchanged them for a captain.

At that time, Lin Kai directly exchanged the position of captain.

As the mobile page refreshed for a while, Lin Kai successfully exchanged the position of captain.

And Lin Kai's points also changed from 110,000 points to 10,000 points.

Distressed! I don't know how many good things can be exchanged for 100,000 points!

But after that, Lin Kai discovered that in the Jiulongshan APP, his friends had inexplicably increased by a hundred!

These one hundred friends are all divided into a group called subordinates.

These one hundred people are one hundred cave masters under their control?

It should be.

Lin Kai closed the Jiulongshan APP, lying on the bed and frowning.

Now his body is sore all over, he needs to use Lingzhi ability to heal himself.

At this time, Long Xiaoyun hesitated, bit his lip, and said, "When you were in a coma these two days, a very beautiful girl came to see you several times."

"Huh?" Lin shook his head happily. Has a beautiful girl ever seen him?

Looking at Long Xiaoyun's appearance, she won't be jealous anymore, right?

"Who? I don't know any beautiful girl in Beijing." Lin Kai waved his hand quickly and said.

Long Xiaoyun's face turned pale: "I know her. She is the eldest lady of the Zhang family, her name is Zhang Xiaoqian."

"Compared to our Long family, the Zhang family has a much bigger family."

"It is also your blessing to know her."

After all, Long Xiaoyun lowered his head.

It seems that when Zhang Xiaoqian is mentioned, she is somewhat inferior.

Yes, it is inferiority complex.

The eldest lady of Zhang's family is much better than Long Xiaoyun in terms of identity and appearance.

With such a strong rival, Long Xiaoyun can naturally feel the sense of crisis.

"Don't think about it, it's just an ordinary friend of mine." Lin Kai quickly comforted.

Hearing Lin Kai's words, Long Xiaoyun's face looked a lot better, and she nodded: "Well, I believe you, you can take a good rest, I will go out first."

"Ok."

After all, Long Xiaoyun walked out of the ward.

After Long Xiaoyun walked out of the ward, Lin Kai quickly used Ganoderma lucidum extraction ability.

Ten minutes later, Lin Kai exhaled a long breath.

Comfortable!

After using the Ganoderma lucidum extraction ability, Lin Kai now has no sore waist, no pain in his legs, and bragging power!

correct!

I also gained a god-level extraction ability!

I want to see, what exactly is my god-level extraction ability!

Lin Kai couldn't help but feel excited when he mentioned the extraction ability of God level. The extraction ability of Peerless Weapon of Demigod Level was already so great.

This **** level extraction ability, I am afraid it will be even more powerful!

After opening the system in his mind, Lin Kai saw the six characters at a glance.

Fulu extraction ability!

Fu Lu?

Lin Kai thought of the ancient Fulu encyclopedia he had obtained. Although it is a scrap, there are also many paintings about Fulu.

As for how to draw the Fuluo, and how to draw the Fuluo, Lin Kai was already clear at this time.

This is the skill that God level extraction ability brings him.

“Huh? This is the **** level extraction ability?”

“This disappoints me too much, right?”

Lin Kai sighed, seemingly disappointed.

“Disappointment?” Lin Kai's ears now sounded the system's voice.

“Hehe, god-level extraction ability, do you know why it is called god-level?”

“A person with extraordinary talents to draw a talisman needs a magic pen, high-quality talisman paper, and ink mixed with chicken blood and dog blood, and true energy. It takes an hour to draw a talisman. Success The rate is 3%. The more difficult talisman has a lower success rate!”

After listening to the system, Lin Kai was a little surprised.

It turns out that drawing Fulu is so difficult!

No wonder Fulu is so expensive.

“But after you have the ability to extract Fulu, it’s different.”

“You don’t need to draw talisman paper and ink.”

“All you need is a magic pen.”

“Using True Qi to draw a talisman in the air, a talisman can be drawn in less than a second for simple and a few minutes for difficult ones. The drawing success rate is 100%.”

“You said, God level extraction ability, isn’t it strong?”

Hearing this, Lin Kai’s eyes lit up.

He remembered that in the ancient talisman book, there were Heavenly Thunder Summoning Talisman!

In that case, as long as he waved his magic pen, he could summon the sky thunder?

Moreover, in the ancient talisman book, there are also Hell Devil Summoning Talisman, so in a few minutes, you can summon a Hell Devil to fight for yourself?

Then this god-level extraction ability is simply too strong!

It’s just that Lingbi, where can I find it?

“Where can I find this magic pen?” Lin Kai asked.

The systematic answer almost caused Lin Kai to collapse: “Spirit pens are very rare. Even if there are in this world, there are probably not a few shots left. It’s only up to your chances. Don’t force it.”

After listening to the system, Lin Kai almost collapsed!

Damn it, didn’t this give yourself a waste extraction ability?

Without a magic pen, you can't draw a talisman by yourself!

"System! I will kill you!"

"Cough cough cough..."

The system also coughed humanely.

"Don't get excited, in order to compensate you, I rebuilt two of Miyamoto Hanzo's Taito and created a new weapon for you!"

After hearing the words of the system, Lin Kaiping's anger disappeared a lot.

"It's almost the same!"

With a sound, a Tang knife appeared in front of Lin Kai's eyes.

The black Tang knife is very straight, with a scabbard, and the whole knife, which is heavy and gives a cold feeling.

Lin Kai held the handle in one hand and the scabbard in the other.

He gently pulled out the Tang Sword. In an instant, there seemed to be a dragon roar in Lin Kai's ear. As soon as the cold light came out, the dazzling blade appeared in front of Lin Kai's eyes.

The blade of Tang Dao is very sharp, and there is a dragon rushing on the knife!

Good knife!

Lin Kai couldn't help but exclaimed in his heart.

With a wave of his hand, with a whirr, Tang Dao made a sound like a piercing air.

This voice made Lin Kai's heart feel great!

This knife suits you too!

Lin Kai was envious of the two swords of Miyamoto Hanzo, but now, the two swords are combined into one, becoming a Tang sword.

It completely became a weapon belonging to Lin Kai.

"The name of this knife is called Bai Longyin."

"When you are fine, don't pull this knife out of the scabbard."

“Its strongest blow is the first knife it was pulled out of its sheath.”

“That knife, I dare not say that it can cut everything in the world, but it is absolutely sharp!”

Bailongyin? Good name! Lin Kai couldn't help but exclaimed.

Bang bang bang!

At this time, the door of the ward was knocked, and Lin Kai quickly put Tang Dao back into the system.

“Who?” Lin Kai lay on the bed, pretending to be very weak.

“Me, Zhang Xiaoqian.”

Chapter 635: Black Tiger Club

Chapter 635 Black Tiger Club

“Come in.” Lin Kai said.

Then, with a click, the door was opened.

Zhang Xiaoqian walked into the room and closed the door of the ward.

Zhang Xiaoqian wore a beige dress today with a pair of cute casual shoes on her feet.

Wearing a round hat on his head is very cute.

Zhang Xiaoqian herself is beautiful, and she comes from a big family, and she is even more beautiful. Both her aura and skin tone maintenance are much better than ordinary girls.

Lin Kai was quite surprised to see her coming.

After all, she and she are not very familiar.

I even took other people's underwear secretly, even though the incident was just a misunderstanding.

“Why are you here? A rare guest?” Lin joked.

Zhang Xiaoqian looked at Lin Kai and said, “I am your neighbor. I should come to see you.”

Zhang Xiaoqian didn't know what she thought.

She had gritted her teeth with hatred towards Lin Kai, but after knowing that he was a powerful martial sage, Zhang Xiaoqian couldn't do anything with Lin Kai.

Besides, she missed Lin Kai a little after not seeing Lin Kai for a few days.

Hearing the news of Lin Kai's injury, she was even more fascinated by ghosts and came to the hospital to visit Lin Kai.

And also came several times.

"Look at me? Look at me, you came empty-handed?" Lin Kai couldn't laugh or cry.

Zhang Xiaoqian blushed when she heard the words.

She grew up with Zhang's parents, when did she see others? He glanced at others, and they all felt lucky for Sansheng.

Who dares to mention the gift?

"I...I came to see you just to give you face, don't know what is good or bad." Zhang Xiaoqian said angrily.

"Well, well, I thank Miss Zhang for coming to see me, Lin Kai really feels light on her face!" Lin Kai laughed and said.

Zhang Xiaoqian looked at Lin Kai and hesitated for a while, then said, "Lin Kai, are you interested in joining our Zhang family?"

"Join the Zhang family?" Lin Kai frowned, "Why?"

"You are so young and still a martial sage, with unlimited future."

"But you are only a casual cultivator. After joining the family, you can realize the benefits of joining the family."

"Why don't you join our Zhang family?"

Zhang Xiaoqian blinked and asked quite expectantly.

If Lin Kai joins the Zhang Family, Zhang Family will have an additional martial artist. Not only will the strength be stronger, but she can also see Lin Kai every day.

As soon as this idea came out, even Zhang Xiaoqian blushed. How could I have such a dirty idea?

Could it be that I like this man? impossible!

Zhang Xiaoqian denied herself in her heart, she just wanted to strengthen her family.

Lin Kai smiled and shook his head. He was used to being free and didn't like to join other families.

I just wanted to refuse, but I saw Long Xiaoyun walking in from outside the ward with his arms in arms.

"He won't join any family, Miss Zhang, you still have to die!"

I saw Long Xiaoyun holding his arms and looking at Zhang Xiaoqian coldly. She was born in a military family with a force of heroism.

Zhang Xiaoqian looked back at Long Xiaoyun with a look of doubt: "Lin Kai, who is she?"

Before Lin Kai had time to explain, Long Xiaoyun said, "I am Lin Kai's fiancée, Long Xiaoyun."

"Lin Kai has already joined our Long Family. From now on, Lin Kai will belong to our Long Family."

After that, Long Xiaoyun still sat beside Lin Kai, holding Lin Kai's arm with a happy expression.

A provocative look.

Lin Kai was also dumbfounded. He didn't expect that Long Xiaoyun's defense consciousness was so strong that Zhang Xiaoqian's path was directly blocked.

After listening to Long Xiaoyun's words, Zhang Xiaoqian froze for a while.

Lin Kai got engaged?

Long family? Long's house in the second ring?

Zhang Xiaoqian has also been spoiled since childhood. When was she afraid of others?

Long Xiaoyun's attitude is so tough, Zhang Xiaoqian is not afraid.

"Oh? So you are Lin Kai's fiancée?"

"People from the Long Family? What if you join the Long Family?"

“You know, you can get a divorce if you get married!”

Zhang Xiaoqian’s words were full of threats and provocations.

“You!” Long Xiaoyun became angry for a while, stood up and stared at Zhang Xiaoqian.

And Zhang Xiaoqian shook her braid at this moment, and said to Lin Kai: “Lin Kai, I’ll go first, and I will come to you when there is no one next time.”

This sentence was obviously directed at Long Xiaoyun.

After all, Zhang Xiaoqian left the ward directly.

Long Xiaoyun was flushed with anger by Zhang Xiaoqian’s words.

She looked back at Lin Kai, grabbed Lin Kai’s collar, and said angrily: “Lin Kai, if I find out what you have with this woman in the future, I will kill you men and women. !”

Facing such fierce Long Xiaoyun, Lin Kai was also taken aback and nodded repeatedly.

“No, no no...”

“It won’t be good!”

After all, Long Xiaoyun also left the ward.

After Long Xiaoyun left the ward, Lin Kai breathed a long sigh of relief. Long Xiaoyun was so gentle when he was gentle, and so sturdy when he was sturdy!

Soon after Long Xiaoyun left, three more figures appeared in the ward.

The master of the heart, wearing a robe and holding a stick.

Li Lao Dao in Dao robes and Wang Gang who looked like a normal person.

Finally, it is their big brother, Rhubarb.

After seeing Lin Kai, Rhubarb jumped onto the hospital bed with a sound of Wang, and kept smelling Lin Kai’s body, as if he was smelling the smell of other dogs.

“Amitabha, Lord, we are all very happy to come back!” Master Lexin said with his hands folded.

“My Lord, where have you been during this time? I can’t reach you either.” Old Li asked.

Lin Kai touched Rhubarb's head: "I went out. During my absence, what happened in the capital?"

Wang Gang stood up and said, "Honorable Lord, Du Jinhu was taken over during your absence."

"The Golden Tiger Club is now fragmented without a leader."

"Du Jinhu once sent a cry for help to the Lord, but if you are not there, we don't know whether to help Du Jinhu or not, so we didn't act."

Hearing this, Lin Kai frowned.

Did Du Jinhu let someone do it?

Isn't he very powerful in the Fifth Ring? How dare someone move the Golden Tiger Club?

"Oh? How many days have passed since now?" Lin Kai asked.

Wang Gang replied, "Honored Lord, almost a week has passed."

In a week, Du Jinhu may be alive or dead!

Du Jinhu can be regarded as a friend of Lin Kai, and he has also helped Lin Kai a lot.

Now that something happened to Du Jinhu, Lin Kai couldn't help if Lin Kai didn't help!

"Who did it, is it clear?" Lin Kai asked.

"Clearly, another big power in the Fifth Ring of Beijing seems to be called the Black Tiger Club."

Chapter 636: Beggar Du Jinhu

Chapter 636 Beggar Du Jinhu

"Black Tiger Club?" Lin Kai was confused, isn't there only one Golden Tiger Club on the Fifth Ring? When will another Black Tiger Club appear again?

"Yes, it is the Black Tiger Club. This Black Tiger Club is a force that has just emerged recently."

"The boss looks like a martial artist."

"Lord, you know, in the fifth ring of the capital, the martial artist is a rare-level master."

“If a force has a warrior in charge, and it can win a Golden Tiger guild without ancient warriors, it will still be handy.”

Lin Kai nodded after hearing this.

“Where is Du Jinhu now?” Lin Kai asked.

Wang Gang replied: “Du Jinhu, he...he now...”

Having said this, Wang Gang hesitated, as if he didn't dare to tell the truth.

“What's wrong with him? Talk!” Lin Kai asked impatiently.

“He is downstairs, Lord, you will know when you go and see.” Wang Gang said bitterly.

Lin Kai got out of the hospital bed, put on his own clothes, brought three people and a dog, and went straight downstairs.

Soon, Lin Kai appeared at the gate of the hospital. There were many small vendors selling snacks at the gate of the hospital. The flow of people was not large. When he patrolled around, Lin Kai did not see Du Jinhu.

“Where is Du Jinhu?” Lin Kai asked.

At this time, Wang Gang pointed to the telephone pole not far away.

Lin Kai looked over.

After seeing the man, Lin Kai was stunned.

This person is Du Jinhu?

At this moment, Lin Kai couldn't believe his eyes, what a famous figure in the Fifth Ring of the capital, how is it now?

Under a telephone pole, Du Jinhu was ragged and wearing a tattered suit. He was completely dark, his hair was messy, and there were many wounds on his body.

Du Jinhu, who was originally obese, has now lost weight.

He was sitting on the ground with a stainless steel basin in front of him. There was still a few yuan in the basin.

Du Jinhu is begging now!

I saw Du Jinhu sitting cross-legged on the ground, staring at the stainless steel basin in front of him, with a look of dementia.

Is this kid stupid?

“What’s the matter?” Lin Kai frowned, angrily.

What a good person has turned into this way?

Old Li Dao stood up and flicked the dust: “After the Black Tiger Club appeared, he directly instigated the senior officials of the Golden Tiger Club, escaping Du Jinhu, and then beat him up. The boss of the Black Tiger Club was in front of Du Jinhu. He insulted his wife.”

“Finally, he threw Du Jinhu out and asked him to beg for food.”

“And let’s say something, anyone who dares to help him is going to be an enemy of the black tiger.”

“No one dares to help Du Jinhu now, and there are people staring at Du Jinhu in the distance.”

With that said, Old Li Dao made a stubborn mouth toward the distance.

Sure enough, two or three people in the distance were staring at Du Jinhu.

So miserable?

Lin Kai’s heart also rose with anger: “It’s just a small martial artist, dare to be so rampant?”

Lin Kai strode towards Du Jinhu.

But Du Jinhu looked dull, Lin Kai walked to him, he was still staring at the ground in a daze, and he didn’t even look up at Lin Kai.

“Du Jinhu.” Lin Kai called out his name.

After hearing Lin Kai’s voice, Du Jinhu’s body shook, and he gradually raised his head.

And Lin Kai also saw Du Jinhu’s scarlet eyes, bloodshot all over his whites!

Du Jinhu was very embarrassed at this time. After seeing Lin Kai, the dull expression on his face finally disappeared, and he began to get excited.

Grabbing Lin Kai’s calf, the five-ringed crocodile was crying!

“Brother Lin!” Du Jinhu hugged Lin Kai’s calf and cried loudly.

At this time, all of Du Jinhu’s grievances turned into tears, drop by drop on the ground.

Lin Kai looked at a big man holding his calf and wept bitterly, and he felt pity for Du Jinhu in his heart.

He called himself an old brother, and regarded him as an old brother!

“Brother Lin, no one is willing to help me now, Brother Lin, you must help me!”

“If you don’t help me, it’s meaningless for me to live!”

Du Jinhu raised his head to look at Lin Kai, his eyes full of prayers.

The reason why he can hold on is that all his hopes are staked on Lin Kai!

Now, only Lin Kai can help him!

If Lin Kai doesn’t help him, there is only one way for Du Jinhu now, and that is a dead end!

“Get up, I will help you.” Lin Kai said.

Hearing this, Du Jinhu was extremely excited: “Really?”

“Really.” Lin Kai agreed.

Hearing this, Du Jinhu stood up.

Looking at it this way, Lin Kai frowned and saw that Du Jinhu’s body had numerous large and small wounds. In the November weather, Du Jinhu was only wearing such a thin suit.

It is hard to imagine how Du Jinhu survived this week.

When the three people in the distance saw someone approaching Du Jinhu, they hurried over at Lin Kai and the others.

As he walked, the man seemed to be still on the phone.

Soon, the three people had already arrived in front of Lin Kai.

The headed person was a tall and thin man, wearing a suit and holding the walkie-talkie. He had an arrogant expression and pointed at Lin Kai: “You guys! Get away!”

“Du Jinhu, do you dare to help? Can’t you be tired of living?”

Those three are very arrogant.

From the three of them, it can be seen how inflated this new power Black Tiger will be!

Lin Kai glanced at them coldly and asked, “Are you from the Black Tiger Club?”

The thin and tall man looked arrogant: “Knowing that we are members of the Black Tiger Club, are you **** away?”

“Be careful I’ll make your family ruined by a phone call!”

Lin Kai glanced at Master Xin after hearing this.

But Master Xin readily understood, he came to the thin tall man, folded his hands together, and bowed: “Amitabha Buddha, benefactor, please pay attention to your words, our lord has a bad temper.”

The lanky guy was happy when he saw Master Xin. He took the walkie-talkie and tapped Master Xin’s bald head.

“Smelly monk, are you **** teasing me? I’m not very good-tempered yet! Get out of here while I’m not angry yet!”

“And you! Du Jinhu, do you think you are the boss of the Golden Tiger Club? What the **** do you think? Sit down and beg me!”

After all, the thin and tall guy went to kick Du Jinhu, and Du Jinhu took a step back and avoided easily.

At that time the thin and tall man was angry: “You **** dare to hide, right? I killed you!”

After all, the thin and tall guy drew out the electric baton and wanted to do it on Du Jinhu.

At this time, Master Lixin once again stopped the tall and thin man: “Amitabha, benefactor, put down the butcher knife and become a Buddha!”

“My Buddha, your mother!” The thin and tall man was angry, and stabbed Master Xin with an electric stick!

With a smile on his face, Master Xin waved his stick, knocking a stick on the thin belly.

At that time, the tall and thin body flew upside down like a kite with a broken line!

“Amitabha, poor monks don’t want to do it!”

Chapter 637: Black Tiger Bar

Chapter 637 Black Tiger Bar

Master Lioxin had an innocent expression on his face.

However, he was really ruthless when he started. With this stick, he slapped the thin and tall one and flew several meters away.

At that time, the thin and tall man sprayed a mouthful of blood, rolled his eyes, and fainted.

The remaining two men in black took a look, dare to do it? At that time, they took out the electric sticks, and then directed at Master Xin!

“Finding death!” The two men in black roared.

At this time, Master Leo Xin waved the stick again, whirred twice, and patted the stick again!

boom! boom!

With two sounds, the two men in black were also shot flying by Master Heart!

After shooting the two people flying, Master Lixin folded his hands together: “Amitabha Buddha, good is good, the sea of suffering is boundless, there is a shore when you look back, and the poor monk will turn back now.”

After listening to Master Xin’s words, Old Li chuckles and laughs: “Puff haha! Monk Xin, you turn your head every time you kill a person. Are you playing the Buddha?”

Master Lixin smiled and shook his head: “No, the Buddha said, no matter how many bad things you do, as long as you focus on the Buddha, the Buddha will give you a chance to reform.”

“So, no matter how many people I kill, the Buddha will forgive me, because the poor monk is dedicated to the Buddha.”

“Yeah! You fake monk!” Wang Gang scolded.

“Okay, don’t be mean, take Brother Du to treat the wound first.” Lin Kai ordered.

Then, Du Jinhu was taken to the hospital. After washing his body, Du Jinhu’s wound was treated.

Later, Lin Kai asked Du Jinhu to buy a new suit to keep out the cold.

After processing, Du Jinhu still looked embarrassed, but now he was human.

At the entrance of the hospital, a black Mercedes-Benz car parked on the side of the road.

Lin Kai sat in the seat of the co-pilot and said lightly: "Go to the Black Tiger Bar."

Wang Gang drove, carrying a few people to the Black Tiger Bar.

The Black Tiger Bar is the bar opened by Li Heihu. When Li Heihu is fine, he will entertain at the Black Tiger Bar.

Today, Lin Kai is going to the Black Tiger Bar to help Du Jinhu get revenge!

Du Jinhu sitting in the back row also had a look of excitement. The fat on his face would tremble when he thought of Li Heihu.

He will never forget the man who insulted his wife in front of him!

Soon after, the Mercedes Benz arrived at the gate of the Black Tiger Bar.

At this time, it was getting late, and the music in the bar was deafening.

The lights are dull and six colors, countless young people are twisting their bodies on the dance floor, and there are handsome-looking djs on the stage.

There is no shortage of beautiful women in the bar.

Countless nakedly dressed girls shook their heads and raised their hands on the deck.

As soon as Lin Kai and others entered the bar, they immediately became the focus.

In the bar, some are naked, some are wearing fluorescent clothes, and some are tattooed.

But there are no Taoist priests and monks, and Lin Kai also brought a local dog!

After seeing Lin Kai's appearance, a receptionist frowned: "Sir, may I ask you?"

Lin Kai said directly, "Are there still decks?"

The receptionist glanced at the tablet computer and replied: "There is also the last deck, a large deck that can accommodate a dozen people. The consumption is 80,000 yuan per time, do you want it?"

Lin Kai directly took out his bank card.

“wanted.”

After the reception saw the bank card, he was taken aback.

Afterwards, regardless of whether Lin Kai was weird or not, he directly swiped the card, and respectfully welcomed Lin Kai and others in.

Only the last deck is left.

After arriving at the deck, Lin Kai waited for the five people to take a seat. I have to say that the deck was huge, and after the five people were seated, there was still a large space left.

Look at the other decks in the bar, each one is full, only Lin Kai, this large deck, does not have many people sitting.

After a while, the ace of spades, beer and fruit plate were brought over.

Five people sat on the deck, all very quiet.

The five people are all people who don't come to the bar often.

There was a sharp contrast between the five people and the hot atmosphere of the bar. The five people sat in the deck and said nothing.

Du Jinhu looked gloomy and looked into the distance.

He is waiting for someone, Li Heihu!

And Master Xin and Lao Dao Li also looked embarrassed. They were either hi or not, nor were they sitting, they could only take out their mobile phones to play silently.

Soon after, a group of young people stared at Lin Kai's deck.

In the bar, there are a lot of people who don't spend money to cheer.

This group of people does not spend money to book card seats, only to play di, not to consume.

But seeing Lin Kai's five people occupying such a large deck, they immediately got crooked.

Anyway, Lin Kai and the others looked like they were bullying, and a large group of people walked towards Lin Kai.

There are about a dozen people, both men and women, all dressed up in fancy and colorful hair, and basically every one of them has tattoos.

Social youth with a strong social atmosphere!

The young man in the lead has a tattoo from head to toe, even his face has tattoos.

A sky eye was opened between the brows.

He was still holding a little Taimei in his arms, who was wearing a miniskirt and wavy purple hair, nestled in the arms of the spirit boy.

The spirit guy led someone to directly occupy Lin Kai's deck.

"Young Master Huang, have all the monks come here these days? Hahaha!"

"Young Master Huang, this group of people have booked such a big deck, they don't even have a girl, it's so **** pitiful!"

"Hahahaha!"

As soon as the group of people took their seats, they unceremoniously picked up the beer on the table and drank heavily.

The fruit plate and other things were also eaten unceremoniously.

Young Master Huang, that is, the mental boy who opened his sky eyes, also picked up the brand new aces of spades on the table, opened the bottle directly, and poured himself a glass.

Huang Shaohui directly gave the little sister in his arms a cup of spades: "Girl, drink! Brother, please drink!"

And the little sister in his arms drank the aces of spades with half pushing.

Lin Kai leaned Erlang's legs, looked at the spirited boys in front of him, smiled slightly and ignored them.

And Wang Gang couldn't help it! At that time, he angrily said: "Who made you sit here? This is the deck we ordered!"

"That wine, we bought it!"

When Wang Gang spoke, there was a clatter, and a dozen teenagers stood up at the time.

Huang Shaohui even picked up the beer bottle on the table and said arrogantly: "What? I can't play if you order it?"

"What happened to your two bottles of wine? Why are you so stingy?"

As soon as Huang Shaohui spoke, the little sister in his arms even said, "Yes, what are you doing so stingy? Anyway, you have few people and can't have fun. We come here to cheer you up!"

"Have you been shameless?"

When Xiao Taimei spoke, the rest of the teenagers laughed!

"Hahaha! Sister-in-law is right! They just shamelessly!"

Chapter 638: Try Again

Chapter 638 Try again!

The dozens of people in this group were very arrogant and didn't put Lin Kai and others in their eyes.

"You!" Wang Gang was furious, and wanted to teach these dozen young people.

But he was held back by Lin Kai, who shook his head at him.

Now they can't find anything, their goal is Li Heihu! It's not worth it for a few bastards.

Wang Gang didn't dare not listen to Lin Kai's words. At that time, he suppressed the anger in his heart and sat down.

The dozen young people laughed triumphantly when they saw Wang Gang counseled.

"Hahahaha! I thought it was a ruthless character! It turned out to be just a bullshit!"

"Hahaha! It's not just a bullshit, look at him, a monk, a Taoist priest, and a dog! A fat man who looks awkward, and a man who looks fierce in a suit, but awful Uncle forced."

"The last one, the one with the crossed legs, looks pretty good, it's just a stall shop!"

"Hahaha!"

A group of young people mocked Lin Kai them.

Drinking wine bought by Lin Kai, eating fruit plate bought by Lin Kai, still mocking Lin Kai.

The little sister was drinking one cup after another, and after a while, her little face blushed.

At this moment, the little sister looked at Lin Kai who was sitting next to her, with a hint of ambiguity in her eyes.

Lin Kai looks good, and she also has an irrational thought about Lin Kai.

At that time, taking advantage of the light in the bar where the sight was not good, one of her hands quietly touched Lin Kai's thigh.

Lin Kai grabbed Xiao Taimei's hand and said with a smile, "Girl, please respect yourself."

brush!

Several eyes looked over at the same time!

Huang Shaohui also looked at Lin Kai, and when he saw Lin Kai actually grasping his woman's hand, he was angry!

With a quick brush, all a dozen people stood up! Looking at Lin Kai, he looked bad!

And the little sister, at this time, also withdrew her hand with a cry, showing an aggrieved expression.

"Young Master Huang! Look, he...he molested me!"

"He touched my hand!"

When the little Taimei shouted injustice, at that time, more than a dozen people were gearing up and looking bad.

Huang Shaohui was even more angry, and he grabbed Lin Kai's collar: "You **** dare to move my horse, are you tired of life?"

"Do you know who Lao Tzu Huang Shaohui is? Believe it or not, Lao Tzu twists your head off and kicks it!"

When Huang Shaohui moved Lin Kai, Lao Li Dao and them all stood up, glaring wide!

Old Li Dao even lifted the whisk in his hand, ready to fight.

When did their martial arts masters experience this kind of anger?

Huang Shaohui saw Li Lao Dao and they stood up, and even laughed: "You guys, what the **** do you think?"

"A Taoist priest! A monk! Why the **** come to the bar? Or order the ace of spades?"

"Do you think that if you order a larger deck, a girl will post it?"

"I'm telling you! Just you poor dicks, want to come here to pick up girls? You don't take a **** and take photos of yourself! Are you worthy?"

After all, Huang Shaohui patted Lin Kai's face with his hand, with a look of contempt.

"Boy, this is Tiger's territory. I won't know you before. When I get out of the black tiger bar, I beat you even without your mother knowing you!"

Huang Shaohui sneered, put his arms around the little sister, and sat down again.

More than a dozen spiritual boys also sat down.

Then Huang Shaohui glanced at Lin Kai and smiled contemptuously.

"Hands are a bit dry, come, wash my hands!"

After all, Huang Shaohui rolled up his sleeves, revealing the tattoos on both arms.

He shook his flowery arms braggingly, seeming to scare Lin Kai.

And his little brother also picked up the expensive ace of spades champagne to wash Huang Shaohui's hands, not feeling distressed at all.

At that time, this group of young people cheered.

Anyway, it's not their own wine, they don't feel distressed at all.

Huang Shaohui looked at Lin Kai provocatively, and wasted a bottle of wine in his hand.

But Lin Kai kept smiling faintly, ignoring him.

In Lin Kai's view, Huang Shaohui is just a jumping clown, and it is not worth his attention to him at all.

Old Dao Li and Master Lixin both clenched their fists at this time, but they didn't dare to do anything with them temporarily without Lin Kai's order.

That little sister also glanced at Lin Kai quite proudly at this time, and the old lady touched you to give you a face, dare you not?

A group of young people raised their glasses on the deck again and drank, not taking Lin Kai seriously.

At this time, a little gangster came to Huang Shaohui's side, held up a glass of beer, and said: "Huang Shao, I heard that you are related to the brother of the tiger, Li Heibao!"

"My little brother will still rely on you so much!"

Huang Shaohui showed a smug smile on his face and waved his hand: "Haha! Small meaning!"

"Li Heibao, that's my big brother!"

"You are all following me Huang Shaohui, as long as you are bullied, I will protect you!"

After Huang Shaohui said this, more than a dozen young people raised their glasses high and shouted: "Huang Shaohui is mighty!"

Li Heibao?

At this moment, Lin Kai and Du Jinhu looked at each other.

And Du Jinhu's eyes also showed a hostile look.

Lin Kai asked softly, "Do you know this Li Heibao?"

Du Jinhu nodded, almost gritted his teeth and said: "Brother Lin, neither Li Heibao nor Li Heihu is good!"

"This Li Heibao took his people and smashed several of my luxury cars!"

"It even defiled my sister!"

"Brother Lin, Li Heibao and Li Heihu, I don't want to let them go!"

Du Jinhu's voice was slightly louder, so Huang Shaohui listened to it.

Huang Shaohui immediately looked at Du Jinhu and raised his eyebrows: "Yeah, were you talking about my eldest brother Li Heibao?"

With a single stroke, Huang Shaohui stood up, his anger widened.

Du Jinhu glanced at Huang Shaohui coldly. After all, Du Jinhu had been the president of the Golden Tiger Club for so many years, and his eldest brother's momentum immediately radiated.

Du Jinhu said coldly: "Yes, so what?"

And Huang Shaohui and others were also taken aback by Du Jinhu's aura, but when Huang Shaohui saw so many people behind him, could he be afraid of a fat man?

"Yes? Don't you **** know that Li Heibao is my eldest brother?"

"Dare to talk about my eldest brother behind your back, you're so **** tired, aren't you?"

"Boy, do you know the Golden Tiger Club? The boss of the Golden Tiger Club, Du Jinhu, was so **** arrogant before?"

"Isn't it done by my elder brother Li Heibao? Now Du Jinhu is begging at the hospital door!"

"My eldest brother put his wife and younger sister to sleep! They are now locked up in my elder brother's house and kept as pets!"

"Hahahahaha!"

Huang Shaohui laughed loudly, and the remaining dozen young people all laughed wildly.

At this time, Du Jinhu trembled slightly, and the flesh on his face trembled. He stood up, glared at Huang Shaohui, and said with a trembling voice: "Fuck you, tell me again!"

Chapter 639: Lao Tzu Is Du Jinhu

Chapter 639 I'm Du Jinhu!

Li Heibao and Li Heihu can be said to be enemies that Du Jinhu will never forget in his lifetime!

The fact that his wife was insulted was also the pain of his life!

Now being told by Huang Shaohui as a joke made his heart very angry.

He wanted to punch Huang Shaohui to death in front of him!

When Huang Shaohui saw Du Jinhu getting angry, he smiled triumphantly.

He came to Du Jinhu and poked Du Jinhu's chest with his fingers.

“Yo-yo-yo, are you still angry?”

“What? Are you scared by my boss Li Heibao?”

“Also, I said Du Jinhu, why are you angry?”

“Could it be that you are Du Jinhu?”

“Hahahaha!”

Huang Shaohui burst into laughter, and his little brothers burst into laughter.

In Huang Shaohui’s arms, Xiao Taimei’s smiling body trembled.

Du Jinhu clenched his fists, his eyes turned red.

“Lao Tzu is Du Jinhu!” With this sound, Du Jinhu almost roared out.

And this sound made countless people in the bar look at Du Jinhu.

Huang Shaohui also stopped laughing. He looked at Du Jinhu and narrowed his eyes.

Soon, Huang Shaohui touched his chin and laughed: “Yeah, it’s really the **** one of Du Jinhu!”

A gleam of light flashed in Huang Shaohui’s eyes.

In the past, Du Jinhu was a big man he couldn’t afford to provoke, but now, he can step Du Jinhu under his feet!

At that time, Huang Shaohui patted Du Jinhu’s face with his hand and sneered: “Hehe, Du Jinhu? The boss of the Golden Tiger Club?”

“I bother!”

“You rubbish, you dare to come to the Black Tiger Bar without going out to begs?”

“Du Jinhu, our boss said, from now on, you can only beg in the capital, and now you are brave, you dare to come to the bar, right?”

After Huang Shaohui’s words were over, all the dozen gangsters looked at Du Jinhu sternly.

After catching Du Jinhu, they are fortunate to take credit for Li Heibao!

Huang Shaohui was not afraid of Du Jinhu at all. At this time, Huang Shaohui said coldly: "Du Jinhu, you are unlucky when you meet me!"

"Brother Leopard said, as long as you see your kid not begging for food, you will fight to death!"

"And you!"

Huang Shaohui pointed at them, squinting his eyes and arrogantly said: "Brother Leopard also said, who the **** dares to help Du Jinhu is going to be an enemy of Black Tiger!"

"All of you are tired and crooked, aren't you? Dare you not listen to what Brother Leopard said? Dare to bring Du Jinhu here?"

"Fuck!"

Huang Shaohui and his little brothers were arrogant.

Drinking the wine purchased by Lin Kai, eating the fruit plate purchased by Lin Kai, and sitting in the booth of Lin Kaiding, on the contrary, he insulted Lin Kai and others.

Li Lao Dao and others clenched their fists, and they were all respected martial artists in the arena.

When have you been so angry?

It's just that Lin Kai didn't say anything, and they didn't dare to take Huang Shaohui about it.

But Lin Kai looked at Huang Shaohui at this time and smiled playfully: "Hehe, Li Heibao is your father? You listen to him that way?"

When Lin Kai said this, everyone looked at Lin Kai.

Huang Shaohui narrowed his eyes, with a cold expression on his face: "What the **** did you say? You trash! If you have the ability, say it again!"

A little brother jumped out from the side, pointing to Lin Kai's nose and shouting: "You stupid idiot, even Shao Huang dare to scold you? I think you are itchy, you owe it!"

Lin Kai smiled and looked at everyone in front of him.

He didn't want to pay attention to these young people, because his goal was not them.

But they deceived so much, now they are all riding on their necks and shit, Lin Kai naturally would not indulge them and let them insult himself so much.

At this time, Lin Kai stood up, looked at Huang Shaohui, and calmly said: "I said, Li Heibao is your father? You listen to him like that?"

"Are you all running dogs of Li Heibao?"

Huang Shaohui saw that Lin Kai was so arrogant, he was angry at that time: "Fuck! Dare to talk to Lao Tzu like this? Brothers, cut him off for me!"

Huang Shaohui gave an order. At that time, more than a dozen people picked up the beer bottles on the table and threw them at Lin Kai and the others!

Lin Kai put his hands in his pockets, took out a cigarette from his pocket, and lit it himself.

At this time, Li Lao Dao and others are all on fire!

I saw Master Xin lifted the stick in his hand and said angrily: "Grandma's leg! Uncle can bear it, aunt can not bear it! Amitabha, the poor monk is going to kill today!"

boom!

Master Lexin shot several people flying with the stick!

The martial artist is so powerful, even if you don't need to be innocent, hitting this group of ordinary people is as easy as an adult hitting a three-year-old child.

Old Li Dao had tolerated these young people for a long time, and the whisk in his hand was like a whip on these young people.

Every time the whip goes down, they can leave their skin open!

Du Jinhu had been the president of the Golden Tiger Club for so many years, and his skill was natural. In addition, he was angry, so he rushed into the crowd at that time and punched!

Wang Gang is an ancient warrior of the melee type. He fights these little bunnies, just like playing!

At that time, the whole bar was in chaos!

Lin Kai stood in the middle of the deck, and Rhubarb squatted under his feet.

But within a minute, a wailing sound rang out, and then look at Huang Shaohui and the others, except for Huang Shaohui and the little sister, everyone else fell to the ground and howled.

These dozen or so people suffered from fractures and died on the spot!

Mr. Li said they didn't show any mercy at all when they started!

There was a chaos in the bar, everyone was far away from Lin Kai and the others, Huang Shaohui stood stupidly on the spot, looking at his own subordinates, froze.

This group of people can fight so?

He brought so many people, but he couldn't beat the other four people?

Their combat effectiveness is too terrifying, right?

Moreover, Huang Shaohui saw with his own eyes that they started with a heavy blow, like a **** killer, to death!

No mercy at all!

Look at Lin Kai again, with his hands in his pockets, he looks like a black boss!

At this time, Huang Shaohui knew he was afraid, and his legs trembled a little.

That little Taimei also paled with fright.

The two of them are just hooligans in the society. When have they seen such a ruthless character like Lin Kai?

Huang Shaohui stuttered at the time.

Looking at the way Li Lao Dao looked at Huang Shaohui, they seemed to be able to eat Huang Shaohui!

Huang Shaohui looked at Lin Kai and others in front of him, stammering: "Big...Big brother, this may be a misunderstanding...misunderstanding..."

"Misunderstanding?" Lin Kai came to Huang Shaohui's face with a cigarette in his mouth and laughed.

"Hehe, I, Lin Kai, is the most reasonable person."

"As long as you can explain the truth to me, I will let you go."

After Lin Kai said, he raised his finger: "First, I bought this deck, I bought the wine, and the fruit plate, right?"

Chapter 640: No Quality

Chapter 640

After hearing what Lin Kai said, Huang Shaohui swallowed.

"Yes..."

Lin Kai held up a finger again and said, "You take so many people, occupy my deck, drink my wine, and eat my fruit plate. I don't care about it. You still target us everywhere, I Lin Kai, Is it wrong?"

Huang Shaohui shook his head again, panic in his eyes.

"No"

"You scolded my brother and wanted to beat us. The people under me had no choice but to fight back. May I ask, are we wrong?"

Huang Shaohui's legs trembled a little, and he wanted to cry without tears: "Brother, you are all right, it is our fault..."

The more Lin Kai asked, Huang Shaohui became more flustered.

Because he didn't know what Lin would do in the next meeting.

And Lin Kai smiled at Huang Shaohui's evil charm at this time: "You have done so many wrong things, and you still can't give me an account. I killed you, right?"

Hearing Lin Kai's words, Huang Shaohui's legs trembled, and he shook his head quickly: "Not too much, not too much!"

"No! Excessive!"

"I"

"Big brother, spare your life!"

At this time, Huang Shaohui finally knew that he was afraid, and with a plop, Huang Shaohui knelt in front of Lin Kai and kept begging for mercy.

Lin Kai's people are more ruthless than the others!

He said that he killed himself, not to scare himself!

Huang Shaohui admitted it, and the little sister was also dumbfounded, looking at Lin Kai, froze.

Lin Kai looked at the little sister and smiled slightly: "You said I molested you? Did I molest you?"

Little Taimei was overwhelmed by Lin Kai's momentum, she subconsciously took two steps back and sat down on the sofa.

"No, it's... I did it to you first..." The little Taimei was too scared and told the truth directly.

As soon as Xiao Taimei said these words, Huang Shaohui looked over with bitter eyes.

OK! When my horse dared to hook up with others, he also provoked this big man! You bitch!

Lin Kai looked condescendingly at the little sister, and smiled playfully: "Hehe, I know countless beauties in Lin Kai, you are in my eyes, you are not as good as a lady, next time, please don't touch with your dirty hands my body."

Lin Kai's words flushed the face of the little elder sister, and she didn't even dare to let go.

At this moment, Lin Kai waved his hand, Master Xinxin readily understood, and saw Master Xin handing the stick in his hand to Lin Kai.

Lin Kai glanced at Huang Shaohui and raised the stick.

"Be a good person in your next life and I will send you on the road."

After all, Lin Kai wanted to pick up the stick! And Huang Shaohui was so scared that his legs trembled, and a piece of yellow liquid came out from under his crotch!

"No!"

"Big Brother! I was wrong! Don't kill me!"

Huang Shaohui's screams echoed in the bar.

The music in the bar had already stopped, and countless people watched the scene before them.

Huang Shaohui still has some reputation nearby. Seeing Huang Shaohui was so scared that his pants were wet. At that time, many people took out their mobile phones and took photos of Huang Shaohui.

And Huang Shaohui didn't want any dignity or anything in order to survive.

Lin Kai held the stick in his hand and asked with a smile, "No? Give me a reason not to kill you."

Huang Shaohui rolled his eyes, trying to make up a reason to prevaricate Lin Kai.

But at this moment, Huang Shaohui narrowed his eyes, and he saw a person he knew so well!

I saw a person walked in from the entrance of the bar!

The man was 1.8 meters tall, wearing a black suit, a big bald head, no eyebrows, and a fierce look on his face.

On his arm, there is a leopard tattoo.

Li Heibao is here!

At that time, Huang Shaohui was overjoyed. He glanced at Lin Kai very bitterly, and yelled, "Why don't you kill me? You **** move me and try! Let you have ten courage!"

Huang Shaohui's tone suddenly hardened. He stood up and looked at Lin Kai arrogantly regardless of the urine in his crotch.

At this moment, Li Heibao rushed into the bar with countless people!

Li Heibao brought thirty or forty people, and each of those thirty or forty people had muscles swelled and looked fierce.

They are all professional thugs.

In their hands, they carried weapons such as steel bars.

Li Heibao took these thirty or forty people and ran towards Lin Kai directly.

"Who the **** dare to make trouble in my black tiger bar?" Li Heibao roared.

Thirty or forty people directly surrounded Lin Kai and other five people.

There was a commotion around, and when Li Heibao came, this matter became lively!

“Li Heibao! I’m going! Isn’t that Li Heihu’s younger brother?”

“Yeah! I heard that Li Heibao and Li Heihu, they are the famous ruthless people in Beijing!”

“Yes! Even Du Jinhua was killed by them!”

“That kid is unlucky, that Huang Shaohui, but Li Heibao’s person!”

...

There was a rumbling around, everyone felt that Lin Kai was done.

Because Li Heibao brought too many people! Thirty or forty professional thugs!

Those thirty or forty professional thugs looked arrogant and domineering as they watched Lin Kai and others gearing up.

Li Heibao even looked at Lin Kai and others coldly.

Huang Shaohui quickly came to Li Heibao as if he had found a backer.

An aggrieved expression appeared: “Brother, you have to help the younger brother get ahead, elder brother!”

Li Heibao glanced at Huang Shaohui, showing an expression of disgust: “What’s the matter?”

Huang Shaohui looked at Lin Kai viciously, and said, “This kid insulted you in the bar! Big brother!”

“He said you are a fart!”

“Moreover, this kid brought Du Jinhua to the bar, so he didn’t put you in his eyes at all!”

“I couldn’t stand it, so I warned a few of them, but some of them couldn’t help but beat me and my friends!”

“You also said that you have the ability to call Li Heibao over, and he will beat you to the ground and call you father!”

“Brother, don’t blame me for this! I don’t dare to make trouble in the black tiger bar at all.”

Huang Shaohui’s words directly directed all the spearheads at Lin Kai.

Putting himself completely out of the matter, as if he was the victim.

Lin Kai and others are bad guys who do no evil.

Huang Shaohui looked at Lin Kai with smug and sullen expression at this time, and sneered: "Boy, you the **** just said you want to kill me, right?"

"You try to move me!"

"Lao Tzu's eldest brother is Li Heibao! Is your kind of **** able to move?"

"Bring a monk, a Taoist priest, and a **** dog, do you think you are the Tang monk in Journey to the West? Pretending to be a fool, a fool!"

"Now kneel down for Lao Tzu, maybe I can leave you a whole body!"

At this time, the little sister who was taught by Lin Kai just now also stood up with her arms in her arms.

She came to Lin Kai and glanced high above Lin Kai.

"Yeah, I'm not old, my tone is not young, and there are so many beauties around me? Am I not as good as a lady?"

"Isn't it just playing in your deck for a while and drunk two bottles of wine? Look at you stingy."

"A stingy and unqualified person like you will never find a daughter-in-law! Even if you find a daughter-in-law, you are a fool! Deaf! Blind!"

Chapter 641: Do You Know What An Ancient Warrior Is?

Chapter 641 Do You Know What Ancient Warriors Are?

After Li Heibao came, the two people who were still low in their breaths stiffened instantly.

The two are more arrogant than the other.

Huang Shaohui was even more gloating with Xiao Taimei's appearance.

After hearing what Huang Shaohui said, Li Heibao was also furious.

He looked at Lin Kai: "You **** speak ill of me behind your back?"

“Do you dare to help Du Jinhu?”

“Do you know who I am?”

Lin Kai put his hands in his pockets and said lightly: “I know, Li Heibao, the vice president of the Black Tiger Club.”

Li Heibao snorted coldly: “You know who I am, would you still dare to do this? Do you not put us Black Tiger in your eyes?”

Although the Black Tiger Club has not been established for a long time, it has developed rapidly.

The current Black Tiger Club has become a powerful force in the Fifth Ring of Beijing, completely replacing the previous Golden Tiger Club.

Li Heibao and Li Heihu have also become very famous figures in the Five Rings.

Du Jinhu clenched his fists and stared at Li Heibao.

“Li Heibao!” Du Jinhu said with anger almost gritted his teeth.

Li Heibao also looked at Du Jinhu at this time.

He put his hands in his pockets, with a playful smile on his face, and didn't put Du Jinhu in his eyes.

“Yeah, isn't this Du Jinhu from the Golden Tiger Club?”

“What? Now dare to come to the site of my Black Tiger Club?”

“Is it possible that the last time I beat you was not bad enough? Or do you want to watch me and your sister again?”

After that, Li Heihu laughed arrogantly.

The thirty or forty thugs behind him all laughed, their faces full of contempt.

Li Heibao even showed an expression of unfinished thoughts, touching his chin and laughing lustfully.

This is even more exciting to Du Jinhu!

Du Jinhu clenched his fists, his face flushed, and his forehead violently.

This is his lifelong injury to Du Jinhu!

“Yeah! Du Jinhu, are you angry?”

“Now you are a dead dog! I can step on it as I want!”

“Now you, do you really want revenge? Do you have that strength? Hahahaha!”

“To tell you the truth, your wife and your sister are in my villa. They are now my slaves! One will serve me tea! The other will wash my feet! Your Du Jinhu’s wife is so cool! Hahahaha! “

Li Heibao laughed.

Huang Shaohui also smiled wickedly.

“Do you **** think that bringing these ugly monsters can bring me down, Li Heibao?”

“A Taoist priest, a monk, even if he has practiced martial arts, can he be an opponent of ancient martial artists?”

At this time, from Li Heibao’s body, an aura from ancient warriors exuded!

Very powerful.

This Li Heibao is also a martial artist!

This is what he depends on, his strength is enough to look down upon the Five Rings!

There are no masters at the Fifth Ring of the capital, and the martial artist can stand above the crowd!

This is also the reason why Du Jinhu suffers. No matter how powerful he is, no matter how many men he has, he is not the opponent of this pair of martial artists!

But Du Jinhu looked at Lin Kai with red eyes, his eyes filled with prayers.

He now has no ability to take revenge and can only rely on Lin Kai.

Lin Kai patted Du Jinhu on the shoulder and glanced at the Li Heibao: “Don’t say I won’t give you a chance, now I am severing my limbs and leaving you a dog.”

As soon as Lin Kai’s words came out, the audience was silent for a second.

Then burst into laughter!

Laughter is thunderous!

Li Heibao and his men all laughed and laughed loudly!

Huang Shaohui pointed to Lin Kai's nose, and said contemptuously: "You hillbilly! Do you know what an ancient martial artist is? Do you know what a martial artist is? Leopard brother can kill you with just one finger!"

"Ancient martial artist?" A playful look appeared in Lin Kai's eyes: "Is that this?"

After saying this, the smile on Lin Kai's face disappeared, and a powerful aura exuded from his body!

Under the blessing of Zhen Qi, everyone present felt pressure.

At the same time, Li Lao Dao, Wang Gang, Master Liao Xin, and Rhubarb, from the four of them, also exudes a powerful ancient warrior aura!

The aura of the ancient warrior burst out from the inside out.

As soon as the momentum of four people and one tiger came out, everyone present felt inexplicable pressure.

A Tarzan seemed to be pressed on his shoulders, and his knees began to become heavy.

The scene instantly became quiet and silent, everyone held their breath and was forced to feel the powerful pressure emanating from Lin Kai and others!

The smile on Li Heibao's face gradually solidified.

Because he also felt the powerful aura emanating from Lin Kai and others, that powerful aura instantly overwhelmed him Li Heibao!

Four martial artists!

In Li Heibao's heart, it was a shock!

He felt that the monk Lixin and others were actually martial artists! And the breath of each one is very heavy, and each one is outstanding among the martial arts.

Not only that, the young Lin Kai's momentum is even more stable.

Let Li Heibao not see through!

Could it be that Wu Sheng?

The smile on Li Heibao's face gradually solidified, and he was dumbfounded.

how is this possible?

Doesn't the Golden Tiger Club have no martial artists?

Legend has it that Du Jinhu doesn't know any martial artist level characters at all!

Why are four martial artists suddenly appearing now? There is also a martial artist? Is this Du Jinhu?

Li Heibao was scared, because he found that even the dog under Lin Kai's feet was not an ordinary dog!

The aura of that dog's cultivation base is deeper than himself! His eyes were like a tiger coming down the mountain, making Li Heibao's heart tremble.

This is simply terrifying!

Huang Shaohui, who was still arrogant just now, also felt inexplicable pressure at this time. He broke out in a cold sweat and his legs kept shaking.

Even so, he still looked at Li Heibao: "Brother Leopard, why do I feel that my body is so heavy? Brother Leopard, please clean them up and let them know how good you are!"

At the scene, only Li Heibao knew who he had provoked.

At the same time, he greeted Huang Shaohui's 18th generation ancestors in his heart.

"I'll clean up your mother!" Li Heibao shouted angrily, and slapped Huang Shaohui's face with a slap!

Snapped!

Seeing Huang Shaohui's face crooked, a five-fingerprint appeared on his face, and a trace of blood dripped from the corner of his mouth.

Huang Shaohui was stunned, why did Li Heibao beat himself?

The little sister next to her was also dumbfounded.

"Brother Leopard, you..."

Little Taimei hadn't finished her words, and there was another slap, and Li Heibao slapped her face severely.

Little Taimei also gave a soft cry and fell to the ground, her tender face already broken.

“You bitch! Don’t you know what kind of big person you provoke?” Li Heibao cursed.

Everyone brought by Li Heibao looked at Li Heibao, and they were all at a loss.

Why is his elder brother so scared of these strange flowers in front of him?

Chapter 642: Five Rings Contest

Chapter 642

Li Heibao wiped his sweat, came to Lin Kai in a humble manner, folded his fists in both hands and asked, “Dare to ask you who?”

Lin Kai glanced at Li Heibao and smiled slightly: “Haha, the people of Jianghu, Lin Yizong.”

forest! One! Zong!

As soon as these three characters came to his ears, Li Heibao was confused at the time.

The brain becomes blank, and the body is a bit erratic.

It’s over, it’s over, I actually provoke Lin Yizong! Isn’t this looking for death?

Li Heibao had heard of Lin Yizong’s name.

Lin Yizong is also a rising star in the capital, but Lin Yizong’s reputation is much greater than that of the Black Tiger Club!

Lin Yizong is known to be the first master in Beijing, so he is honored as Lin Yizong!

He is a real Martial Saint! No wonder the breath on the body is so strong.

Li Heibao knew that Lin Yizong was famous because he showed his great strength at the Zhang family auction and made three powerful martial artists surrender to him.

Lin Yizong has also become known as the youngest martial artist in the capital.

Li Heibao was dumbfounded at that time, he was as small as an ant in front of others!

There were also several other martial artists, and now Li Heibao knew the identity of each other instantly.

“You are... you are the master of the heart? The master of the heart who likes to burst the hearts of others?”

Li Heibao pointed at Master Xin, and his fingers trembled.

Although they are both martial artists, the opponent's strength is much more powerful than himself!

After that, Li Heibao looked at Wang Gang again: "You... are you Wang Gang who practices Diamond Boxing? A pair of Diamond Boxing Wang Gang who can't stop?"

Wang Gang sneered with his arms, and ignored Li Heibao.

And Li Heibao looked at Old Li Dao again, his face turned pale: "You...can't you become Li Daozun? Li Daozun who is superb in magic?"

Li Heibao looked at the big men in front of him, his legs trembled.

They stand up casually, they can kill themselves in seconds!

And behind Du Jinhui, there is such a tough backer?

If you move him by yourself, isn't it looking for death? Li Heibao was dumbfounded.

And Huang Shaohui didn't know how powerful the few people in front of him were. He only knew that his elder brother Li Heibao would not dare to mess with him!

At that time, Huang Shaohui said in doubt: "Brother, they are just a few poor dicks!"

"Big brother, why are you afraid of them? Big brother, this group of people helped Du Jinhui, and they insulted you and beat me. You must stand up for your little brother, big brother!"

After hearing Huang Shaohui's words, Li Heibao's face was shaking with anger.

"Do you **** know who you provoke?"

Li Heibao roared and slammed Huang Shaohui's face with a fist!

This punch is extremely heavy!

With a bang, Huang Shaohui's body fell straight back, his head slammed on the ground, blood was shed, life and death unknown.

After seeing this scene, the little Taimei trembled with fright.

Looking at Lin Kai with horror.

Who is this person? Can Li Heibao be so scared? Still put Huang Shaohui like this?

Little Taimei was scared, completely scared.

Du Jinhu glared at Li Heibao and clenched his fists: “Do you know you are afraid now?”

“When you insult my sister, you don’t see you so scared!”

“My life, Du Jinhu, has always been an upright person. I have never offended your brothers, right?”

“I also strictly discipline my subordinates, never touch pornography, gambling, or drugs, let alone let my brothers go out looking for trouble.”

“I and your brothers, it can be said that the water of the well does not violate the river!”

“But what about you?”

“One insults my wife in front of me!”

“One in my face, insulting my sister!”

“Bad my family business, drive me out of the house and become a beggar!”

“Are you **** still human?”

Du Jinhu almost roared.

What he said shocked everyone.

Li Heibao and Li Heihu are such people?

The Black Tiger Club actually exists like this?

At that time, countless people in the bar looked at Li Heibao.

Li Heibao was so frightened that his legs trembled, so he knelt in front of Du Jinhu.

“Master Tiger, it’s the little one’s mistake. The little one kowtows to you. Master Tiger, please forgive me once. I will never dare anymore, Master Tiger!”

boom! boom! boom!

Li Heibao begged while kowtow.

The force was very fierce, and within a short while, Li Heibao’s forehead had been knocked to pieces.

And Du Jinhu has a hideous look.

“I want you to die!”

With a roar, Du Jinhu picked up the beer bottle on the table and smashed it at Li Heihu’s head!

With a snap, the beer bottle shattered and the glass ball shattered all over the place!

And Li Heibao’s head also shed blood at that time.

“Boss!”

When Li Heibao’s men saw Li Heibao being beaten, they just wanted to move, but at this time Master Xin knocked their Zen stick to the ground.

With a bang, a wave of air erupted from Master Heart!

The bodies of thirty or forty thugs flew out immediately!

Master Lixin put his hands together: “Amitabha, good is rewarded for good, evil is rewarded for evil, not for not repaying, the time has not come.”

“Donor, this is all retribution!”

Li Heibao heard the words of Master Xin, with despair in his eyes.

Could it be that I am going to die here today?

“Li Heibao, I’ll give you a chance, as long as you tell where your elder brother Li Heihu is, I can spare your life!”

Du Jinhu said with gritted teeth.

Although Li Heibao is hateful, but even more hateful is his brother, Li Heihu.

All of this was controlled by Li Heihu himself.

His brother is the main culprit! Li Heibao is just an accessory.

In order to survive, Li Heibao had already been frightened. He quickly said: “I said I said!”

“My brother...my brother is going to participate in the Five Rings Contest!”

Five Rings Contest? Upon hearing this, Du Jinhu sneered.

With a slap, Du Jinhu slapped Li Heibao's face severely.

"Fucking, in the previous five-ring hegemony competitions, I participated in Du Jinhu. Now, the tiger is not in the mountain, and the monkey is the king!"

"You two brothers are also worthy to participate in the Five Rings Contest? I'm!"

Du Jinhu looked angry.

And Lin Kai was very puzzled, what is this Five Ring Contest?

And Li Lao Dao seemed to see Lin Kai's doubts, he said: "The Five Rings Tournament is actually a competition where the various forces of the Five Rings come together to compete."

"Whoever has a hard fist can get a bigger turf!"

"Once every three years, three years ago, Du Jinhu hired a martial artist to fight him out of Jiangjing Town."

"Calculating carefully, the five-ring hegemony conference is about to begin now."

"Li Heibao and Li Heihu are ambitious. They estimate that they want to get a larger site within the fifth ring, so they participated in the fifth ring hegemony."

Upon hearing this, Lin Kai nodded.

He jokingly said, "Hehe, this kind of younger generation also wants to dominate the Five Rings? Let's go, follow me to the Five Rings Hegemony Tournament to have a look. I want to see what the cats and dogs are fighting for hegemony!"

Li Heibao heard the words and thought he was okay, so he kowtows quickly: "Master Xie Hu is forgiving, Master Xie Hu is forgiving..."

Du Jinhu sneered, picked up the steel rod on the table, and sneered: "Hehe, I said to spare your life, but I didn't say that you can get out of this bar intact!"

Chapter 643: Calligraphy Conference

Chapter 643 Calligraphy Conference

The fate of Li Heibao can be imagined.

Du Jinhu hated the two of their brothers, even if he didn't kill Li Heibao, it would definitely make him worse than dead!

And Huang Shaohui's end was also very miserable.

He has been punched by Li Heibao and turned into a vegetable.

Lin Kai and others rioted at the Black Tiger Bar, then left arrogantly!

After leaving the Black Tiger Bar, Lin Kai took Du Jinhu to the villa in Cuihuyuan to live.

The day after tomorrow was when the competition for hegemony began, and when that day came, Lin Kai took Du Jinhu to find Li Heihu!

...

Silent overnight.

The next day, after Lin Kai finished washing, he sat on a recliner to bask in the sun.

Suddenly, Zhang Xiaoqian, who lives next door, waved to Lin Kai by the wall.

Today, Zhang Xiaoqian is dressed very purely, wearing a jumpsuit with suspenders, a pair of yellow canvas shoes on his feet, and a round yellow fisherman hat on his head.

The hair is even more tangled, looking extremely pure and lovely.

Like the sister next door, not like Miss Zhang's at all.

"Lin Kai! I'm going to the calligraphy conference, will you go with me?" Zhang Xiaoqian shouted through the wall.

Lin Kai picked up his sunglasses and said lazily, "No time."

"No time?" Zhang Xiaoqian was a little angry when he heard the words: "Hey! Are you too perfunctory? You are obviously basking in the sun! You said you are not free?"

Lin Kai joked: "My time is very precious. Let me go and give me a reason."

"The reason is that this calligraphy conference was held by Wang Zixi, a well-known calligraphy master in Beijing!"

Zhang Xiaoqian shouted.

Wang Zixi, but a very famous calligraphy master in Beijing, she believed that Lin Kai would be interested.

Lin Kai rolled his eyes: "Hehe, sorry, I'm not interested in calligraphy."

Hearing that, Zhang Xiaoqian cut: "Cut! Love to go or not! I am going to participate in Wang Zixi's calligraphy conference. I heard that Wang Zixi's calligraphy conference will be visited by many masters."

"There are authentic works of the master, and various brushes on display!"

After Zhang Xiaoqian said, she was ready to drive out as soon as she flicked her braid.

But Lin Kai's eyes lit up at this moment, there is a brush to show?

Lin Kai has recently acquired a god-level extraction ability, but this god-level extraction ability requires a spirit pen to cooperate.

Otherwise, this extraction ability would be unavailable, and Lin Kai is currently worrying about where to find the magic pen.

Since there are brush pens on display at this calligraphy conference, Lin Kai also wants to join in the fun to see if he can find the brush he wants.

"Hey! Wait, take me one!" Lin Kai took off his sunglasses and didn't change his clothes at this time. He wore a miscellaneous sportswear and went out.

Zhang Xiaoqian drove a pink Beetle.

It's very mini and cute. Although the Beetle doesn't look very noble, this pink car actually costs more than half a million to land.

Sitting in the passenger seat, Lin Kai held a lollipop, shaking his legs while looking at the scenery outside the window.

Soon after, the destination arrived.

The calligraphy conference was held in a museum, and the museum's cultural relics were temporarily removed and replaced with various calligraphy exhibits.

It can be seen from this that this Wang Zixi is still very famous, and even the museum has emptied the venue for his use.

At the entrance of the museum, people come and go, and luxury cars are like clouds.

As soon as I got off the car, I heard a silver bell-like voice: "Xiao Qian!"

Turning his head, I saw a young girl walking towards Zhang Xiaoqian.

The young girl seemed to be only twenty-two years old, with a beautiful appearance and a pure temperament.

Wearing jeans and a thick coat, her face is slightly pink and wearing round glasses, she looks like a female college student.

“Liu Yan, are you here?” Zhang Xiaoqian greeted Liu Yan.

Liu Yan glanced at Lin Kai and asked, “He is?”

“Oh, he is a friend of mine, a college student, and his name is Lin Kai.” Zhang Xiaoqian introduced with a grin.

College Students? When did you become a college student?

Zhang Xiaoqian winked at Lin Kai, seeming to hint at Lin Kai.

Does this female college student know Zhang Xiaoqian’s true identity?

“Hello, my name is Liu Yan, I am from Beijing University, I am glad to meet you.” Liu Yan stretched out her hand.

Lin Kai shook hands with her, her hands were warm and smooth.

Lin Kai was not greedy either, and shook his hand before releasing it.

“Hello, my name is Lin Kai, I am glad to meet you.” Lin Kai smiled slightly.

“Well, let’s go in!” Zhang Xiaoqian said excitedly.

It can be seen that she is very interested in this calligraphy conference.

Of course, not everyone can enter the calligraphy conference. Of course, Zhang Xiaoqian is the eldest lady of the Zhang family. She can get a few admission tickets at her fingertips.

The three of them entered the museum smoothly.

Upon entering the museum, the three fell into the sea of calligraphy.

I saw calligraphy in the entire museum.

There are cursive script, official script, regular script, seal script, running script, everything.

The fonts are also dazzling, some people feel domineering when they see it, and some people feel a sense of grief and anger when they see it.

The three of them stopped in front of a plaque, Lin Kai glanced at the calligraphy, and blurted out the four words: "Fuck?"

Looking at it from Lin Kai's eyes, those four words seemed to be fucking.

But a closer look reveals that it is Chunchi Yanyun again.

Strange, why do I know each other? Lin Kai had some doubts.

By the way, I have the ability to extract Talisman God! I am good at all types of calligraphy, and it is normal to know myself!

"It's terrible to have no culture, go fuck, hehe."

At this moment, behind Lin Kai, a mocking voice sounded.

Looking back, I saw a handsome man in a white suit approaching him. He was in his twenties and he was handsome in his hand with a famous watch.

As soon as he appeared, everyone gasped.

This one is Wang Zixi's closed disciple, Zhao Wenbo!

"Chinese calligraphy pays attention to all kinds of different styles, all kinds of calligraphy, these four characters are called Chunchi Yanyun, if you don't understand, don't talk nonsense." Zhao Wenbo said as Lin Kai.

Lin Kai frowned, but didn't pay attention to him.

Then Zhao Wenbo faced Zhang Xiaoqian and Liu Yan, and the gentleman smiled.

"Hello, two beauties, get to know each other. My name is Zhao Wenbo and I am a disciple of the master of calligraphy Wang Zixi."

Zhao Wenbo stretched out his hand with a confident smile on his face.

He believes that as soon as he reveals his identity, the two beauties in front of him will definitely stick to him and get to know him.

But he would not have thought that the two beauties in front of him, one was Miss Zhang's family, and the other was a pure college student.

The two of them nodded and did not shake hands with Zhao Wenbo.

But politely said: "Hello, I have long heard that Master Wang Zixi has a handsome-looking closed disciple, and now I see him, he really deserves his reputation."

Chapter 644: Afraid Of Hitting You

Chapter 644: Afraid to Hit You

After listening to Zhang Xiaoqian's words, Zhao Wenbo's eyes were obviously proud.

But he waved his head and said, "Don't be it."

This Zhao Wenbo is also the focus of the calligraphy conference.

After all, he is the proud disciple of the master of calligraphy Wang Zixi, and his handwriting is also very personal.

"Wow! Sister Xiaoqian, look at that calligraphy, it is so powerful!" Liu Yan exclaimed at this time, pointing to the four characters on the wall.

Those four words are number one in the world.

Although the strokes of these four characters are simple, the calligraphy on the wall is powerful, and just a glance will give people a powerful impact!

Gives a domineering vibe!

Zhang Xiaoqian also nodded: "It is indeed a good writing, it seems to be the master's hand."

At this time, Zhao Wenbo smiled triumphantly.

"Haha, Guoyu, I wrote that character." Zhao Wenbo said.

After that, Liu Yan immediately clapped her hands and was very excited: "Wow! Your calligraphy is amazing!"

Liu Yan is complimenting Zhao Wenbo. Liu Yan is also very interested in calligraphy. Seeing Zhao Wenbo's handsome appearance and good calligraphy, he will inevitably have a good impression of him.

And Zhao Wenbo smiled low-key: "Haha, I have won the awards, I actually have better works on display in the front. Would you like to go and take a look?"

Hearing this, Liu Yan's little chicken nodded like a peck at rice: "Okay, okay!"

Zhang Xiaoqian also loves calligraphy, and she nodded.

"Two ladies, please." Zhao Wenbo stretched out his hand for a gentleman.

Zhang Xiaoqian and Liu Yan also traveled together.

Afterwards, Zhao Wenbo glanced at Lin Kai coldly and left alone.

He didn't take Lin Kai seriously.

And Lin Kai also jokingly followed up.

He could see that this Zhao Wenbo is not a good thing. Depending on the proficiency of the pick, he should be a master on the court.

But Liu Yan and the others couldn't tell.

In fact, the truth is that girls can tell who is green tea at a glance, but boys cannot.

Soon after, everyone came to a calligraphy.

That calligraphy has more than one hundred characters!

It is written in cursive, and every word is extremely neat and beautiful, as if it were carved out of a machine.

It is a textbook-level calligraphy display.

With a triumphant smile on Zhao Wenbo's face, "Hehe, two ladies, this snow trip is my work."

Liu Yan and Zhang Xiaoqian looked at them, and they were actually half-hearted, but they couldn't help but admire the neat and beautiful calligraphy.

"Good words! Sister Xiao Qian, his words are so beautiful!" Liu Yan exclaimed.

Zhang Xiaoqian also nodded: "Well, it's really beautiful, as expected of Wang Zixi's proud disciple."

When the people around him heard the words, they all looked up.

Soon after, someone commented: "Good word! Good word! As expected of Master Wang Zixi's proud disciple!"

Someone even exclaimed: "Wow! I saw this character at the auction! Someone paid five million, but Master Zhao Wenbo didn't sell it!"

five million!

As soon as this number came out, Liu Yan even gasped.

She was just a student, and her family background was average. She didn't expect that Zhao Wenbo could sell for five million words at random!

And Zhao Wenbo was even more proud. He knew that one of these two beauties had already been hooked by him.

Lin Kai frowned as he stared at the writing on the wall.

This writing looks extremely neat and beautiful, but in Lin Kai's eyes, it is full of defects.

Lin Kai shook his head secretly, dare to show off the words that are difficult to express?

Lin Kai's tiny head shaking motion fell into Zhao Wenbo's eyes.

Zhao Wenbo had originally seen Lin Kai and these two beauties together, and he was upset, but now that Lin Kai is still secretly questioning his words.

At that time, Zhao Wenbo looked at Lin Kai: "This gentleman, do you also know calligraphy?"

Lin Kai was taken aback, and shook his head: "I don't understand, I haven't studied."

Lin Kai is telling the truth. He has never touched calligraphy since he was a child.

"Since I don't understand, my husband seems to have some prejudice against my calligraphy?" Zhao Wenbo looked at Lin Kai with a smile.

Lin Kai smiled slightly and replied: "Hehe, there are indeed some personal opinions, but needless to say, I am afraid of hitting you."

Lin Kai said all the truth.

As soon as his words come out, go back and forth! Countless eyes looked at Lin Kai.

Who is this person? The tone is so arrogant?

Zhao Wenbo laughed angrily at Lin Kai's words. I am the proud disciple of the calligraphy master Wang Zixi. You, a person who doesn't understand calligraphy, said that you were afraid to hit me?

"But it doesn't hurt to say it!" Zhao Wenbo deliberately said loudly, attracting the attention of others.

Zhang Xiaoqian pulled Lin Kai at this moment and frowned, "Lin Kai! What are you doing?"

“On the strength of your cultivation base, you are really good, but calligraphy is not about using swords and guns!”

Liu Yan also frowned and looked at Lin Kai.

She and Lin Kaigang knew each other, but Lin Kai acted so forcefully in front of the calligraphy master, which immediately reduced the impression of Lin Kai in her heart.

Lin Kai smiled slightly and said to Zhang Xiaoqian: “Don’t worry, I have my own opinions.”

After all, Lin Kai said loudly under the eyes of everyone: “Your writing, although it looks very neat and beautiful on the surface!”

“But it actually seems that there is no soul, every word is dead!”

“Just like what a printer prints out, what is the difference between this and a word typed out on a computer?”

After hearing Lin Kai’s words, Zhao Wenbo laughed, carrying his hands behind his back, and looked at Lin Kai disdainfully.

“Hahahaha! This friend’s suggestion really makes people laugh!”

“There is a saying that everyone has different opinions. For example, people who understand calligraphy think that my handwriting is exquisite!”

“And farmers, people who don’t understand calligraphy, think I am doodle on paper!”

“Dare to ask which master’s disciple this friend is, and can ask such a profound question, would he be a master’s disciple?”

Zhao Wenbo laughed at Lin Kai both overtly and secretly.

There was also a burst of laughter around.

Everyone looked at Lin Kai like a lively.

They all know Zhao Wenbo, who is Wang Zixi’s proud disciple.

But Lin Kai, no one knew him.

And Lin Kai’s remarks were like talking on paper, no one listened to them at all.

Lin Kai replied: “I have no master, no one’s apprentice, and I haven’t been exposed to calligraphy.”

“What I said just now is just my personal opinion. If you want to listen, you can keep it in your heart. If you don’t want to listen, just treat it as if I didn’t say it.”

Zhao Wenbo folded his hands and smiled disdainfully: “Hehe, since this friend has never learned calligraphy, then please don’t make random comments and insult my calligraphy!”

“Your behavior is stupid! It’s like an elementary school student who has not even graduated from elementary school, trying to teach a postdoctoral math problem.”

“Your opinion is really short-sighted! You are just a frog at the bottom of the well.”

Chapter 645: Compare?

Chapter 645

Zhao Wenbo didn’t take Lin Kai’s words to heart.

He also spoke to insult Lin Kai.

Because in his opinion, he is the proud disciple of the master of calligraphy Wang Zixi, and the other party is just a diaosi who has never even learned calligraphy. Why should he listen to his advice?

Even if my calligraphy really has that problem.

At this moment, Liu Yan frowned and looked at Lin Kai: “Lin Kai, if you don’t understand, don’t talk nonsense. They are the proud disciples of Master Wang Zixi!”

Liu Yan had a good impression of Zhao Wenbo, and Lin Kai questioned the disciples of the calligraphy master in front of so many people, so Liu Yan had no good impression of Lin Kai.

Zhang Xiaoqian also said: “Yes, Lin Kai, don’t pretend to understand if you don’t understand.”

Zhang Xiaoqian thought that she was doing it for Lin Kaihao and asked him to speak less.

Lin Kai touched his nose and smiled helplessly.

“Hehe, since you don’t believe what I said, then forget it.”

Lin Kai said.

Zhao Wenbo looked at Lin Kai very upset.

At this time, Zhao Wenbo backed his hands and said: "Since this friend is so confident in his own opinions, how about we write a calligraphy on site and let everyone present to comment on it?"

After all, Zhao Wenbo looked at Lin Kai defiantly.

He was challenging Lin Kai, and he also knew that Lin Kai did not dare to challenge!

Let alone Lin Kai doesn't understand calligraphy, even if he understands calligraphy, his calligraphy is definitely not as good as his own.

Zhao Wenbo looked funny, and doing so would not only embarrass Lin Kai, but also show off his style in front of the two beauties, killing two birds with one stone.

And Lin Kai smiled slightly: "Forget it, compared to me, you are not worthy of it."

Lin Kai is telling the truth, his calligraphy is to throw away Zhao Wenbo's eight streets!

When Lin Kai said this, the audience was in an uproar.

Many calligraphers and calligraphy enthusiasts looked at Lin Kai and accused Lin Kai.

"Who is this? So arrogant?"

"Not even the disciples of the calligraphy master Wang Zixi?"

"Looking at his young age, he has never heard of such a person in the calligraphy world!"

"Don't know how to pretend? Maybe it's just a psychopathic poor man."

...

There was a ridicule, and Zhao Wenbo laughed even more: "Hahaha! What a joke! I, Zhao Wenbo, is a closed disciple of Master Wang Zixi, you say I am not worthy? Could it be that you think your calligraphy is better than my master?"

Hearing this, Lin Kai smiled slightly: "Haha, although I haven't seen your master, your master's calligraphy is really inferior to me!"

This sentence undoubtedly caused public outrage.

Most of the people present came to see Wang Zixi's calligraphy.

Lin Kai actually said in front of so many people that Wang Zixi's calligraphy was not as good as his calligraphy. At that time, there were waves of abuse.

"Who do you think you are? Master Wang Zixi is a well-known calligraphy master in the capital of China. You actually said his calligraphy is not as good as yours?"

"It's arrogant! I don't know the sky and the earth are thick!"

"Where is this rubbish, it can actually enter the calligraphy conference of Master Wang Zixi?"

...

As Lin Kai's friends, Liu Yan and Zhang Xiaoqian had their faces dull and blushing.

Liu Yan and Lin Kai are unfamiliar. At this time, she stomped her feet and said in disgust: "Lin Kai! Can you stop bragging? Even if you understand calligraphy, you can't look down on Master Wang Zixi!"

Lin Kai's impression in Liu Yan's heart has all deteriorated.

Zhang Xiaoqian also frowned and said, "Lin Kai! What are you doing? I brought you here to show you the calligraphy of Master Wang Zixi, not for you to brag and make trouble."

"If you do this again, I...I will be angry!"

Zhang Xiaoqian originally wanted to threaten Lin Kai with Zhang's identity, but after thinking about it, Lin Kai is a Martial Saint, she can only give up.

Lin Kai looked helpless. In these years, will he be looked down upon to be honest?

"I didn't brag, nor did I make trouble. Everything I said was the truth!"

After hearing Lin Kai's words, Zhao Wenbo's mouth showed a sardonic smile.

Haha, since you delivered it yourself, then I will let you see what is called real calligraphy!

Zhao Wenbo felt excited when he thought of being able to show off his style in front of the two beauties.

"it is good!"

"Since this friend doesn't even look down on my master's calligraphy, I, Zhao Wenbo, will represent my master today and compare with you!"

“Come here! The Four Treasures of the House above!”

Zhao Wenbo fell down, and immediately a calligraphy conference staff moved two mahogany tables.

On the two mahogany tables, there are two four treasures of the study.

Pen, paper, ink, inkstone.

“Since you want to compare, then compare the same, what word to compare, for you!” Zhao Wenbo waved his hand and said in a big way.

Lin Kai smiled slightly and said, “Hehe, it’s more simple, just the number one in the world just now, how about?”

“Yes!” Zhao Wenbo agreed.

At the same time, he secretly made fun of Lin Kai in his heart.

Zhao Wenbo has written the world’s first four characters countless times, and it can be said that he is already familiar with it.

This is really hitting the gun.

Lin Kai competed with the disciples of calligraphy masters. At that time, a lot of people were attracted around, and almost all of them were connoisseurs.

The game officially began, and the two began to ink stone.

This inkstone is also a technical job, and it is also a necessary course for practicing calligraphy.

To write well, inkstone must be very good.

I saw that Zhao Wenbo wiped the inkstone clean with a paper towel, and then dripped some water on the inkstone with a small teapot.

After that, he picked up the ink ink with one hand and gently rubbed it on the inkstone.

Soon after, the ink rubbed off the ink was mixed into the water and became ink.

The movements were very skilled, and everyone around him nodded secretly.

Lin Kai looked at Zhao Wenbo’s inkstone once, and then started to do it.

It's just that Lin Kai's inkstone looks very clumsy, and Lin Kai also learns Zhao Wenbo's appearance and begins to make ink.

The people around saw that Lin Kai couldn't even ink stone, and suddenly laughed.

"Hahahaha! That person doesn't even know inkstone, and would like to compare calligraphy with Master Zhao Wenbo? It's ridiculous!"

"Now I'm sure. This person just doesn't know how to pretend to understand. Look at his ink, it's not half as good as Master Zhao Wenbo's ink."

"It's just a hillbilly."

...

Hearing so many doubts and ridicules around, the faces of Liu Yan and Zhang Xiaoqian were also flushed red.

They thought that since Lin Kai dared to challenge Zhao Wenbo, he must have some foundation.

But they didn't expect that Lin Kai would not even know inkstone!

Zhang Xiaoqian's face is hot, Lin Kai can be described as embarrassing her. She regretted it in her heart, why did she bring him to the calligraphy conference?

Isn't this self-inflicted?

It seems that he is just a rough person. Although he can fight, calligraphy is not about dancing with swords and guns. It is not something that can be solved by high cultivation.

Chapter 646: World First

Chapter 646

In the eyes of everyone, the calligraphy competition between the two is a competition without suspense.

Lin Kai is undoubtedly a layman who doesn't know how to pretend, and Zhao Wenbo is the final winner.

Because his master is Wang Zixi, because he is a great master!

Soon after, Zhao Wenbo finished the ink. He took the brush in one hand, dipped it in the ink lightly, and started writing.

I saw Zhao Wenbo standing with his hand holding his hand, serious and vigorous, and his every move was like a calligrapher.

His hands are moving and his brush is moving.

On the clean white paper, writing began to appear.

Zhao Wenbo's words are majestic and majestic, neat and tidy, and the ink is evenly scattered on the paper.

Soon after, the first four characters in the world appeared on white paper.

These four characters are extremely beautiful, and they caused a burst of applause at that time!

The applause was thunderous.

"Good! As expected of Master Wang's proud disciple!"

"Look at these four words, they are really beautiful!"

"It's not just beautiful? The ink is not too much, but Zhao Wenbo really used his calligraphy to its limit!"

There was a burst of flattery.

"Hey! You see that fool hasn't written yet!"

"He won't be persuaded anymore? I think he is pretending to be forced, he doesn't understand calligraphy at all!"

"He must have been shocked by Master Zhao Wenbo's calligraphy and dare not write anymore! Hahahaha!"

There was a burst of laughter.

Zhao Wenbo stood with his hand held hands, enjoying the admiration of everyone.

In his eyes, there was a look of triumph.

This is his calligraphy! He didn't believe that Lin Kai could write better words than him!

When Liu Yan saw Zhao Wenbo write such good words, her eyes were bright.

"Wow! Sister Xiaoqian, look at his writing, it's so beautiful!"

Zhang Xiaoqian also nodded slightly. Although she was only half-hearted, she had to say that the words written by Zhao Wenbo at least looked beautiful.

Looking at Lin Kai again, he hasn't started writing yet.

At this time, Zhao Wenbo looked at Lin Kai playfully and laughed mockingly: "Master, why haven't you started writing yet?"

Although he called Master Lin Kai, the mockery in the words was very obvious.

Lin Kai smiled slightly, and saw that he picked up the brush very lamely, and said: "Use a brush for the first time, get used to it."

When Lin Kai's words came out, the audience was in an uproar.

what? Take a brush for the first time?

"Is this kid a stupid? Haven't even used a brush? Still going to challenge Master Wang's disciple?"

"Fuck! This kid is a troublemaker! I despise this kind of person the most!"

"If he can't write good characters, I promise he can't get out of the calligraphy conference completely! Dare to play around with Master Wang's disciples, I want him to look good!"

There was a burst of anger around.

Zhang Xiaoqian also looked worried. She didn't expect that Lin Kai hadn't even touched a brush.

Although Lin Kai's strength is strong, she doesn't want to see Lin Kai mess around in Wang Zixi's calligraphy conference!

She is also responsible if something goes wrong!

Zhao Wenbo smiled contemptuously at this time: "Hehe, haven't even taken a brush? Are you still challenging me?"

"Aren't you trying to stand out in front of these two beauties? What a stupid thing!"

Liu Yan also showed disgust at this time.

This **** who just wants to behave in front of her is really annoying. How can sister Xiaoqian know this kind of person?

Lin Kai smiled slightly, not taking everyone's words to heart.

I saw him pick up the brush and brush it! Wrote it directly on the white paper, and it was done in one go!

After writing, Lin Kai casually threw the brush on the table and clapped his hands.

"All right!"

Is that all right? Write it casually, that's it?

At that time, many people smiled sarcastically.

Everyone looked at the blank paper and wanted to see what Lin Kai had written.

It doesn't matter if you don't look at it.

I saw four big characters on the white paper! Those four characters are extremely atmospheric! Every stroke gives a very powerful visual impact!

Thick ink was spilled on the white paper, no matter how small, every stroke seemed random, but there was no flaw.

After seeing these four words, everyone seemed to see a swordsman standing on the top of the mountain! Feel the loneliness that is the best in the world!

These four characters are not only visible! And there is God!

Lin Kai not only used top-notch calligraphy to write these four characters, but also mixed them with true energy. These four characters are tangible and spiritual!

When everyone looked at these four characters, they were all lost in thought.

These four characters are dozens of times stronger than Zhao Wenbo's!

At that time, a sound of inhaling air-conditioning sounded, and all the people present were experts, who could be distinguished at a glance.

That Lin Kai said is right, his calligraphy, indeed, Zhao Wenbo eight streets!

And Zhao Wenbo looked at the four words written by Lin Kai for a long time.

He is Wang Zixi's disciple, and he can naturally tell Lin Kai's calligraphy.

Lin Kai's calligraphy is so perfect that even his master is not as profound as his master!

Is this young man so strong in calligraphy? Who is he?

After a buzzing, Zhao Wenbo was stunned. He looked at the four words written by Lin Kai for a long time.

He couldn't believe the scene before him.

After seeing the four characters written by Lin Kai, Liu Yan was also shocked by the four characters written by Lin Kai.

She didn't know much about calligraphy, but when Lin Kai came out these four characters, she immediately felt the invincible sense of loneliness from the best in the world.

She felt these four words, and at the same time, she was very surprised in her heart that Lin Kai's calligraphy was so good?

The characters are so pretty?

Didn't he just say that he doesn't understand calligraphy?

Didn't he say that this is the first time he took a pen? Isn't he the first time to inkstone? Can a person who uses a brush for the first time write such good four characters?

The whole scene was very quiet, and everyone looked at the four words written by Lin Kai, all stupid.

Soon after, without knowing who started it, someone began to applaud.

Then there was thunderous applause!

Everyone applauded heartily, Lin Kai's four words are so beautiful!

"Good words! Good words!"

"It's really not a person to look like, and the sea is not to be measured! These four words are really good!"

"Although the four words of Master Wang's disciples are not bad, they are really just as the master said, only in form, without god!"

"It's really rare that this master's words are tangible and godly!"

...

At that time, there was a bragging sound, and everyone was convinced.

Zhao Wenbo was stunned for a long time, only to see his face flushed. He wanted to embarrass Lin Kai and let himself be majestic in front of his sister, but now it is him who is ashamed, and Lin Kai is the majesty!

At this moment, only one person hurriedly walked in from outside and came to Lin Kai.

The man stared at the words written by Lin Kai for a long time, and then exclaimed: "Good words! Good words! It is tangible, spiritual, and very personal. Dare to ask which master wrote this?"

The visitor is the famous calligraphy master in the capital, Wang Zixi!

Chapter 647: Wang Zixi

Chapter 647

Wang Zixi is more than sixty years old, wearing a Tang costume, thin body, and bright eyes.

As soon as he appeared, he immediately became the focus of the field.

After all, he is the protagonist in the calligraphy conference.

At this time, Wang Zixi, staring straight at the calligraphy, seemed to see a priceless treasure, and his eyes glowed.

"Good word! Good word!"

Even the calligraphy master Wang Zixi was full of praise.

Lin Kai also smiled slightly: "Haha, master, good vision."

Wang Zixi heard this and looked at Lin Kai. After seeing Lin Kai actually so young, he was also very surprised.

"You wrote this character?" Wang Zixi asked in surprise.

Lin Kai nodded.

And Wang Zixi clapped his hands with a look of surprise: "It's really the back wave of the Yangtze River that pushed the front wave, and shot the front wave to death on the beach!"

"At a young age, Daoxing is so wonderful, amazing, amazing!"

This Wang Zixi gave Lin Kai a thumbs up, expressing his admiration.

Zhao Wenbo's expression on the side was very ugly. Even his master gave Lin Kaixin a mouthful. What qualifications does he have to refuse Lin Kai?

Then, Wang Zixi looked at Zhao Wenbo's words.

Originally, Zhao Wenbo's words were also very stunning at the scene, but compared with Lin Kai's words, it was a heaven and an underground.

Wang Zixi sighed and shook his head: "Wenbo, your words are just invisible, without their gods!"

"Also, how many times has my teacher told you that calligraphy is not important, being a human being is the most important!"

Wang Zixi is worthy of being a master of calligraphy, and he can tell the shortcomings of Zhao Wenbo's calligraphy at a glance.

Even Zhao Wenbo's shortcomings were also mentioned.

And Zhao Wenbo blushed, lowered his head, and said nothing.

Lost in the hands of Lin Kai, his pride was shattered, and even the master was convinced by others. What qualifications did he have to say a word?

The most important thing is that instead of pretending to be successful in front of the two beauties, he was ashamed.

"Wenbo, sometimes losing once is not a bad thing, understand?"

"You have to know that there are people outside the world, and there are days outside the world! Calligraphy can lose, but you can't lose as a person! Understand?"

Wang Zixi's words made Zhao Wenbo flushed, and he nodded heavily.

"The disciple understands."

This Wang Zixi is worthy of being an international calligraphy master. He does everything without leaking and he is also sleek and stylish.

Lin Kai nodded secretly, no wonder Wang Zixi could become a famous teacher of a generation. His calligraphy is one aspect of his calligraphy, and his personality is another aspect.

"The calligraphy of the little friend is really admirable. I want to invite the little friend to go upstairs and talk about it, how about it?" Wang Zixi directly invited Lin.

At that time, there was a burst of envious eyes from around.

To be able to live in the same room with the master of calligraphy, Wang Zixi, is an honor for calligraphers!

And Lin Kai also nodded: "Can't ask for it."

Then, Wang Zixi took Lin Kai upstairs.

Liu Yan looked at Lin Kai's back, her face flushed. She realized that she had misunderstood Lin Kai.

Lin Kai didn't want to show in front of her, his calligraphy was really strong.

Even Master Wang Zixi sighed.

Looking at Zhao Wenbo again, he is probably the one who considers himself innocent.

Lin Kai is full of shining points in Liu Yan's heart.

Looking at Lin Kai's back, Zhang Xiaoqian was also lost in thought.

She knew Lin Kai better, and at the same time, she was very curious about this man in her heart.

He is so young, and his cultivation is so advanced, even his calligraphy is so good, how did he do it?

Could it be possible that he started practicing and learning calligraphy while he was in the womb?

Or does his talent no longer allow him to keep a low profile?

If this person can be introduced into the family, for the family, after ten years, there may be one more master-level figure in the Zhang family!

Soon after, Lin Kai followed Wang Zixi to the office on the second floor.

The office on the second floor is full of antique mahogany furniture, the layout is relatively simple, and the walls are full of calligraphy collected by Wang Zixi.

Wang Zixi smiled and poured tea for Lin Kai.

"My friend, I think your calligraphy is unique, steady, strong, tangible, and spiritual. Dare to ask which master's disciple you are?" Wang Zixi asked.

Lin Kai shook his head and smiled: "Hehe, without a master, I have studied by myself."

"Oh? You can learn it without a teacher?" Wang Zixi looked surprised.

But he didn't believe Lin Kai's words, he knew that it was too difficult to learn without a teacher.

It must be that Lin Kai didn't want to reveal his mentor, so he didn't speak.

"That friend is so talented!" Wang Zixi laughed.

While Lin Kai looked at the furnishings in the room, he was always looking for the brush he wanted to see.

"I heard that at Master Wang's calligraphy conference, there were not only excellent calligraphy displays, but also Master Wang's brush pens that you collected over the years?" Lin Kai asked.

The brush is the purpose of Lin Kai.

Hearing that, Wang Zixi was taken aback, and then he laughed.

"Hahaha! So my friend, you are interested in my collection of brushes?"

"Yes, at my calligraphy conference, there are indeed brushes on display, but not everyone can see my brushes."

"But my friend, your calligraphy is exquisite. It doesn't matter if you show it to you, come with me."

Prince Xi laughed, and led Lin Kai directly out of the office.

Lin Kai was also a little excited and quickly followed.

Wang Zixi took Lin Kai to the door of a room. He took out the key from his waist and opened the door.

From this point, it can be seen that Wang Zixi values his brush very much.

Lin Kai was stunned as soon as he entered the room.

The room is huge!

And on the walls of the room, there are nails!

And on the nails, there were one brush after another. At first glance, Lin Kai seemed to have fallen into the ocean of brushes.

All are brushes!

There are tens of thousands!

Lin Kai was stunned at that time.

And Wang Zixi smiled slightly and said, "Hehe, these brushes are all collected by me over the years."

"There are cheap brushes that I like, brushes I bought from antique shops, antique brushes, and brushes I bought."

"I don't have much savings in my life, and I have all spent on these things."

"It is no exaggeration to say that these brushes are worth tens of billions."

Wang Zixi smiled proudly.

Lin Kai also admired Wang Zixi very much in his heart. He spent all his life savings on his hobbies. It can be seen that he is incorrupt and has no desires and desires.

And it was only the first time that he and he met, but he trusted him so much, which made Lin Kai even more disappointed.

At that time, Lin Kai carefully searched for the brush he wanted in the room.

"Huh! This pen is not bad!"

Chapter 648: Royal Dragon Pen

Chapter 648

Lin Kai picked up a brush. The brush looked very old, the brush hair was smooth, and the barrel looked smooth. Lin Kai played with it in his hand and couldn't put it down.

Wang Zixi smiled and explained, "I bought this brush from an antique shop and it cost 20,000 yuan."

"Things from the Qing Dynasty are worthless. If you like them, I will give them to you."

Upon hearing this, Lin Kai put the brush back in place and shook his head.

"Although this pen is good, it's just not what I want." Lin explained with a smile.

“Oh? What do you want?” Wang Zixi asked with interest.

Lin Kai thought about it and said, “I want an old brush that looks unique and inspires people.”

Lin Kai was talking about Lingbi.

It’s just that Lin Kai didn’t say the word Lingbi because Wang Zixi might not understand it.

“Hahaha! The little brother really knows the goods! I really have so many pens here!”

“Look!”

Prince Xi laughed and led Lin Kai to a corner of the room.

In the corner, Lin Kai saw a unique brush at a glance.

This brush is larger than the ordinary brush, and the barrel of the ordinary brush is made of wood.

The barrel of this brush is made of bronze.

It looks very chronological, the barrel of the pen is smooth, and on the barrel of the bronze, there is a long raised dragon.

The long dragon is lifelike, but the eyes are grey.

The brush hairs are rough to the touch, like animal hair.

Right above the brush, there are three characters written, Yulong Pen!

Lin Kai picked up this brush and looked at it. After starting the Yulong brush, it was very heavy.

This writing brush is extremely in line with the conditions of the spirit pen, but Lin Kai did not feel the aura of the spirit pen on it.

“This is a spirit pen.” At this time, Lin Kai’s ear heard the system’s voice.

Lin Kai heard this, overjoyed! So, with this pen, you can use the god-level extraction ability?

“However, this is a dead pen.” The system said again in Lin Kai’s ear.

what? The dead pen?

Can the pen die? Lin Kai was at a loss.

The system explained in Lin Kai's ear: "The spirit pen is called the spirit pen because there is spirit in the spirit pen."

"This imperial dragon pen is a superb spirit pen. The barrel is made of meteorite copper from the sky. The brush hair is made of dragon whiskers, or the master's hand."

"If you put it back ten thousand years ago, there must be the spirit of the dragon in this spirit pen."

"The so-called spirit of the dragon is a powerful person who takes the dragon's soul out and injects it into this brush, and it becomes the spirit and the spirit pen."

"However, tens of thousands of years have passed, and the spirit in this spirit pen has dissipated."

Hearing this, Lin Kai was quite disappointed, thinking that he had found a spiritual pen, but he did not expect to find an expired one.

Thinking about it, Lin Kai wanted to put the spirit pen back where it was.

However, the system's voice rang again in his ear: "However, no one in this world can create a spiritual pen. The pen in front of you may be the last one in the world."

Upon hearing this, Lin Kai's hand holding the pen trembled.

"This pen is still of great use to you. Maybe you can meet a spirit who is willing to be your pen in the future?"

Hearing this, Lin Kai wanted to choke the system.

If you hadn't given me such a **** extraction ability for Lao Tzu, could Lao Tzu find a pen in the world?

Even though he thought so, Lin Kai held the Yulong Pen in his hand and looked at Wang Zixi.

"Master Wang, I like this pen very much. Would you like to make a price?" Lin Kai said.

Wang Zixi laughed: "Hahaha! If my pen can be bought with money, then I am not Wangzixi!"

Upon hearing this, Lin Kai was taken aback.

In retrospect, indeed, Wang Zixi does not seem to love money.

“My pen is only for people I like! Boy, you are young, but you write well, and you are not impetuous. I like it very much.”

“I will give you this pen!”

Prince Xi said heartily.

Lin Kai was also embarrassed when Wang Zixi was so refreshed.

At that time, Lin Kai said, “I won’t take your magic pen in vain. Withdrawing money is too tacky.”

“Master Wang, from now on, if it is useful to Lin Kai, you can speak.”

“I promise to you that if you encounter difficulties, I will try my best to solve one of your difficulties!”

Hearing this, Wang Zixi didn’t take Lin Kai’s words to heart at all, he laughed: “Hahaha! Good!”

Wang Zixi would not have thought that because of Lin Kai’s promise, he would save his family’s life soon after!

Lin Kai and Wang Zixi hit it off and talked a lot at the calligraphy conference.

In the evening, Lin Kai, Zhang Xiaoqian and Liu Yan left the calligraphy conference.

After returning home, Lin Kai washed and rested.

Early the next morning, Lin Kai and others were ready to go.

Today is when the competition for hegemony begins. In the courtyard, Da Huang and Li Lao Dao are all ready.

And Du Jinhu whose complexion has recovered a lot.

At the gate, a black Mercedes-Benz commercial vehicle was parked.

This car was obtained by Li Laodao.

“Go, let’s go.” Lin Kai stretched out and got into the car directly.

Wang Gang drove, a group of five people plus a dog, and set off towards the place where the competition for hegemony was held.

The place where the hegemony is held is in a huge stadium.

The stadium has been completely covered up by the major forces of the Fifth Ring.

People without power cannot enter the stadium at all.

After half an hour, the Mercedes Benz drove to the gate of the stadium.

At the gate of the stadium, there are already full of luxury cars.

The stadium has only one entrance and everyone is queuing to enter the stadium.

Those who can enter the stadium are either rich or expensive. There are various forces in the Fifth Ring to enter the battle for hegemony, and many want to see the excitement. The gate of the stadium is very lively.

But Lin Kai led Du Jinhu and others, slowly lining up to enter the stadium.

Soon, Lin Kai and others came to the gate of the stadium.

And the people censoring at the gate of the stadium are two strong men

These two big men, in their thirties, were dressed in Tang costumes, with sharp eyes and proud expressions.

Lin Kai felt the aura of ancient warriors from them.

Good guys, two warriors!

It seems that in this competition for hegemony, people from all forces have lost their money! Even the people responsible for the review are ancient warriors.

The two warriors glanced at Lin Kai and others, and asked, "Is there an invitation letter?"

Lin Kai and others were taken aback, shook their heads, and said, "No."

"No? No entry, let's go!" The warrior waved impatiently.

go? After finally coming, how did you leave?

Du Jinhu braced himself and stood up at this time. In previous years, he represented the Golden Tiger Club to participate in the competition for hegemony.

"This is Du Jinhu, can I go in?"

"Du Jinhu?" Hearing this, the warrior glanced at Du Jinhu playfully.

“Hehe, your place has been replaced by the black tiger club Li Heihu, you are not qualified to enter, let’s go!”

Chapter 649: Contest For Hegemony

Chapter 649

The two ancient warriors waved their hands very impatiently, without paying attention to Du Jinhu at all.

There was also a sound of ridicule behind him.

Du Jinhu has become a joke in the capital.

Du Jinhu’s face was ugly and his fists clenched. He used to participate in the competition for hegemony, and everyone respected him.

And now, he can’t even enter the door of the competition for hegemony.

Lin Kai raised his eyebrows and looked at the two ancient warriors. Could it be that he had to punch in with his fist today?

If there is no alternative, it can only be done.

“Lin Kai?” Just as Lin Kai was thinking about whether he wanted to go in, a girl’s voice came from behind him.

Looking back, I saw that Liu Yan, who was beautiful and pure, was standing behind Lin Kai.

A group of young people accompanied Liu Yan.

These young people seem to be students, but they are all famous brands, and all of them look very proud.

“What a coincidence.” Lin Kai smiled slightly.

Liu Yan also smiled sweetly. At the calligraphy conference yesterday, Lin Kai gave her a deep memory.

“Did they not let you in?” Liu Yan asked, blinking.

Lin Kai was embarrassed and nodded.

At this moment, I saw a young man standing next to Liu Yan snorted.

“Huh! Excessive little role, relying on Du Jinhu, also want to enter the hegemony competition?”

The person who spoke was wearing a famous brand and a famous watch on his wrist. This line of young people was obviously dominated by him.

Liu Yan introduced: “By the way, Lin Kai, let me introduce you. This is my classmate and my monitor. He is the son of Li Tengfei, the fourth ring road in Beijing.”

As soon as the three words Li Tengfei came out, the scene was in an uproar.

Obviously, the Li Family, the fourth ring of the capital, is also very famous in the fifth ring.

Lin Kai gave a cry and glanced at Li Tengfei.

Then Li Tengfei, with his hands behind his back, with a high-pitched appearance, he came to the two ancient warriors.

“Forget it, don’t waste time for these little characters, Du Jinhu, right? I’ll take you in!” Li Tengfei waved his hand and said.

And the two ancient warriors changed their arrogant attitude towards Du Jinhu before and quickly respectfully said: “Shao Li, please.”

Li Tengfei snorted and strode into the stadium.

After Li Tengfei left, an ancient warrior looked at Du Jinhu, Lin Kai and others impatiently: “What are you still inking? Shao Li has spoken, don’t you go in quickly?”

Du Jinhu’s face was ugly, he glanced at Lin Kai.

Lin Kai smiled slightly and motioned for Du Jinhu to enter.

It is not suitable to do it now, and it is not impossible to enter with the identity of Li Tengfei.

Subsequently, a group of more than a dozen people all entered the stadium.

The stadium was already overcrowded, and almost all the seats were full.

These people are all here to watch the excitement, after all, the competition between ancient warriors can’t be seen everywhere.

And Li Tengfei took everyone, found the front row seat, and sat down.

Liu Yan sat next to Lin Kai.

Liu Yan was very excited and said, "Lin Kai, this time the competition for hegemony seems to be attended by ancient warriors! Do you know ancient warriors?"

"Ancient warrior is that kind of very powerful person! One fist can kill a cow!"

Liu Yan twittered, very excited.

Li Tengfei on the side snorted: "Humph! How can someone like him who can't even enter the stadium know the ancient martial artist?"

As soon as Li Tengfei's words came out, there was a burst of laughter around him.

Then, there was a sound of flattering.

"Yes! If it weren't for your mercy, Shao Li, these people are still hanging out at the door!"

"Shao Li is generous! Bring them a few hillbillies to see and see!"

"Hahaha! And that Du Jinhu, who has become a beggar now, are you embarrassed to come to the competition for hegemony to watch the excitement?"

The younger brothers around Li Tengfei laughed.

Du Jinhu clenched his fists tightly, and he heard this sound frequently these days.

He is also a little used to it, anyway he will be ashamed today!

Liu Yan also apologized when hearing Li Tengfei's words so bad.

"Lin Kai, I'm sorry, this group of people are from good backgrounds, they may be a little hot-tempered and talk a little..."

Lin Kai nodded and smiled slightly, "It's okay."

Lin Kai really didn't pay attention to these clowns.

Soon after, people from the major forces of the Five Rings gradually appeared on the stage.

This time there are more than a dozen forces who came to participate in the Five Rings Contest.

These more than a dozen forces have divided up all the territory of the Fifth Ring, and now they are going to expand their territory through competition.

In the competition for hegemony, either your territory becomes larger or your territory becomes smaller.

Those who come to participate in the competition are very likely to die in the competition for hegemony. The competition for hegemony is so cruel.

But Du Jinhu's eyes were cold, and he saw Li Heihu not far away at a glance!

I saw that Li Heihu was about 1.7 meters tall, he was thin, with heavy dark circles under his eyes, and had a tattoo.

Behind him, stood seven or eight strong men.

Li Heihu, on behalf of the Black Tiger Club, came to participate in this hegemony competition!

"Li Heihu? The Black Tiger Club? I heard that the Black Tiger Club is a new force in the Fifth Ring! The Golden Tiger Club was destroyed as soon as it appeared. The strength is not simple!"

A person behind Li Tengfei touched his chin and said, ignoring that Du Jinhu was beside him.

Li Tengfei smiled slightly: "Ha ha, have you seen the Guan family? The strength of the Guan family is not simple."

"It is said that Guan Yufei, the head of the Guan family, has reached the peak strength of a martial artist. One step short of it, he can be promoted to martial sage!"

Hearing this, everyone was in an uproar.

The peak of a martial artist? There is such a big man in Wuhuan?

"Wow! Martial Master Pinnacle! But compared to your Li Family, ten Guan Yufei are not enough!"

"Hahaha! That's right, you know, Li Shao's family has four or five martial arts masters!"

"Li Shao is mighty!"

There was another flattering sound.

Lin Kai also looked at Guan Yufei, that Guan Yu flying man was tall and magnificent, and his aura was not simple. It was really the pinnacle of a martial artist as Li Tengfei said.

There is another person who is also the pinnacle of the martial artist.

Patriarch of the Liu family, Liu Zhen!

Lin Kai noticed this person at a glance, and the aura emanating from this person was really too simple.

The man was very calm, standing still, like an old monk entering concentration.

The strength is probably better than that of Guan Yufei.

“This year’s competition for hegemony, someone can only look jealous!”

“Yes! In previous years, I used to spend a lot of money to ask a martial artist to keep his power in the three-acre land in Jiangjing Town. Now, hehe, he has become a dog of the mourning family!”

“Hahahaha! How can you say that about people? A skinny camel is bigger than a horse! Although someone is not even qualified to enter the competition, hahaha!”

Chapter 650: You Are Not Qualified

Chapter 650 You Are Not Qualified!

The few people behind Li Tengfei laughed cynically.

Du Jinhu looked ugly, but he didn’t hear it.

Li Tengfei glanced at Lin Kai and smiled playfully, his eyes a little cold.

This Liu Yan, who was originally the woman he was fond of, brought her to the competition for hegemony today because she wanted to show her good power in front of her.

However, Liu Yan talked and laughed with that Lin Kai and ignored him Li Tengfei at all.

This made Li Tengfei’s heart very angry.

At this moment, Li Tengfei glanced at Lin Kai and said, “My friend, I don’t know where your excellency is?”

Lin Kai was taken aback, and replied casually: “One vagrant.”

unemployed? Li Tengfei smiled playfully, somewhat disdainful in his eyes.

I thought it was a child of a rich family, but he was just a pauper.

“Then dare to ask what this friend does at home?” Li Tengfei asked again.

Lin Kai replied: “My family is from Jiangbei, and I do a small business.”

Lin Kai’s rather low-key answer changed in Li Tengfei’s ears.

It turned out to be a Beijing floater!

At that time, Li Tengfei shook his head and said in a low voice: “No wonder you are not qualified to come to the competition for hegemony, haha.”

He smiled disdainfully, and didn’t talk to Lin Kai again.

For a Beijing drifter from Jiangbei, there is no threat to him.

Lin Kai naturally heard Li Tengfei’s disdainful tone, but he was not angry.

Because Li Tengfei was also just a jumping clown in his eyes.

Soon after, only an old man appeared in front of everyone.

This old man, who is about sixty years old, wears a Tang suit with extraordinary temperament.

Holding a crutch in his hand, he stood in the center of the stadium.

As soon as he appeared, the scene immediately became silent.

This one is also a famous figure in the Fifth Ring.

He is called Wang Lao.

This prince is a master of martial arts level.

And this time the competition for hegemony, he served as the host.

As soon as Mr. Wang appeared on the scene, the scene immediately became quiet. Mr. Wang was highly respected at the Fifth Ring, and everyone had to give him face.

And Mr. Wang coughed twice.

“Ahem, thanks for the kindness, Lao Chu is the referee of this competition for hegemony.”

“Welcome everyone to the triennial competition for hegemony.”

“The competition for hegemony not only solves the problem of the struggle between the five ring forces, but also proves the strength of the major forces.”

“There are 17 parties in total to participate in this competition for hegemony.”

“Seventeen forces can challenge any other forces at will, and those who are challenged must not refuse. If they refuse, it is tantamount to surrendering and automatically surrender their forces.

“In this competition for hegemony, life and death are destined, and wealth is in the sky. If there is any death or injury, the major families will bear it.”

As soon as Mr. Wang said something, a sound of air-conditioning sounded at the scene.

The system of the competition for hegemony is still so cruel.

Life and death have fate and wealth. In other words, come to participate in the competition for hegemony, or you can grow your own power.

Either you surrender and give up the power!

Every one of the seventeen forces on the field looked uncomfortable.

The audience at the scene was also very excited.

You know, this triennial competition for hegemony, the opportunity to watch the battle is very rare!

All the masters of the martial arts level are fighting, and ordinary people can take a look at it as a lifelong conversation.

Mr. Wang glanced at the seventeen forces present and asked, “Now, I will ask you one last time, do anyone want to quit?”

“If you withdraw, you are deemed not to participate in the competition for hegemony, but the site is halved. Does anyone withdraw?”

Of the seventeen forces, no one has to withdraw.

This group of people is ambitious, and everyone wants to grow their power.

“I want to participate!”

At this moment, one person stood up in the auditorium.

As soon as this person stood up, he immediately became the focus of the entire stadium!

Everyone in the stadium looked at him!

And the person who stands up is naturally Du Jinhu!

Half of the tens of thousands of people present knew Du Jinhu.

After seeing Du Jinhu, a surprised voice sounded. No one thought that Du Jinhu would appear in the competition for hegemony!

And Li Heihu also looked at Du Jinhu.

After seeing Du Jinhu, he was also a little surprised, then he shook his head and smiled coldly.

Du Jinhu, Du Jinhu, I asked you to be a beggar. You **** dare to come to the competition for hegemony, right?

Li Heihu sneered. He didn't know that his brother had been beaten and disabled, because his brother had been controlled by Du Jinhu.

Du Jinhu, since you insist on looking for death, then I will fulfill you!

“Du Jinhu? That person is Du Jinhu?”

“Has the Golden Tiger Club disbanded? The current Black Tiger Club has completely replaced the Golden Tiger Club?”

“Hahaha! This Du Jinhu is a fool!”

“He still wants to participate in the competition for hegemony? He is now a polished commander!”

“It seems that this person has lost his heart, and the Golden Tiger Club has been divided up by others. What does he use to participate in the competition for hegemony?”

“A fool!”

...

Elder Wang looked at Du Jinhu and frowned.

“Du Jinhu? You are no longer eligible to participate in the competition for hegemony!”

“You have no power, no territory, and no savings.”

“What do you use to participate in the competition for hegemony?”

Elder Wang asked aloud, without showing any mercy to Du Jinhu.

While Li Tengfei looked at Du Jinhu, frowning, he said angrily: “Du Jinhu! You **** sit down for me!”

“Do you still want to participate in the competition for hegemony? Who the **** do you think you are? You are now a bug, a rubbish!”

“Don’t think about revenge! You have offended the major forces of the Five Rings, you are pretty!”

Li Tengfei said angrily.

He is worried! After all, he brought Du Jinhu in, and if Du Jinhu made trouble here, he would not be able to escape.

Du Jinhu didn’t seem to hear Li Tengfei’s words. He looked at Mr. Wang and patted his chest.

“I use my life to participate! Is it qualified?”

Du Jinhu’s eyes were cold, he looked at Li Heihu not far away.

And Mr. Wang also laughed: “Hehe, what a joke! How much is your life worth?”

“Even the life of a dog is worth more than your life!”

“Want to participate in the Contest for Hegemony, right? Yes, as long as more than half of the 17 parties agree to participate in the Contest for Hegemony, you can participate!”

Just after what Wang said, I saw Li Heihu raised his hand high, and he said loudly:

“Wang, I agree to let Du Jinhu participate in the competition for hegemony!”

There was a playful smile on Li Heihu’s face.

Since you insist on looking for death and don’t take my words to heart, then I will fulfill your wish today.

Let you die in front of tens of thousands!

Let your Golden Tiger Club face, completely shame!

Chapter 651: Let's Go Together

Chapter 651 Let's Go Together!

As soon as Li Heihu spoke, someone immediately agreed.

"My Zhang family also agreed with Du Jinhu to participate in the competition for hegemony!"

"The Guan family agrees too!"

"The Liu family agrees too!"

...

Seventeen powers, 15 powers all agree!

Because Du Jinhu was so small, no one took him seriously.

In their eyes, Du Jinhu was nothing but a joke, and it was no big deal to let this joke participate in the competition for hegemony.

Could this joke beat them?

Elder Wang shook his head, and there was a trace of regret in his eyes looking at Du Jinhu.

Is it bad to be alive? You have to come on stage to find this death, why bother?

"Okay! Du Jinhu, you can participate in the competition for hegemony! Please come on stage!" Wang Lao said loudly.

Du Jinhu also stood out from the auditorium and stood in the stadium.

The seventeen powers became the eighteen powers, of course, many people did not regard Du Jinhu as a power at all.

Li Tengfei sat on the seat, his face flushed with anger.

"Heh, this Du Jin dog, I really don't know what the **** is it! Going to participate in the competition for hegemony?"

"I have to let Lao Tzu collect your corpse in a while!"

Li Tengfei scolded.

“I knew I wouldn’t bring these hillbillies in. The poor people must be hateful!”

Li Tengfei’s words were extremely ugly, even Lin Kai frowned.

Soon after, the competition for hegemony officially began.

Standing on the stage, Wang Lao announced: “I declare that the competition for hegemony has officially begun!”

After all, Wang Lao walked off the platform.

As soon as Mr. Wang walked off the platform, he saw one person standing directly on the ring.

The man, dressed in black, about 1.7 meters tall, had sharp eyes and a tiger tattoo on his arm.

That person is Li Heihu!

Li Heihu looked at Du Jinhu, his eyes full of playfulness and provocation.

“I want to challenge Du Jinhu! Du Jinhu, I want your life! Do you dare to fight?” Li Heihu asked loudly.

Li Heihu and Du Jinhu have a contradiction, this is a well-known thing.

Seeing Li Heihu challenge Du Jinhu, everyone is not surprised.

Everyone looked at Du Jinhu with pity, disdain, and gloat.

The former boss of the Golden Tiger Club has now become a soft persimmon at his disposal.

Du Jinhu looked at Li Heihu on the stage, and his eyes were full of hatred.

His voice trembled: “I will fight!”

When these three words came out, the audience was in an uproar!

Du Jinhu actually challenged!

He is just an ordinary person! He is not an ancient warrior, what is his challenge?

Li Heihu can kill him with one punch!

Li Heihu laughed arrogantly when he heard the words: “Hahaha! Du Jinhu, you are so **** confused, what are you fighting with me?”

Du Jinhu looked at Lin Kai sitting in the audience, proudly said, “Brother Lin, please!”
brush!

Tens of thousands of people at the scene looked at Lin Kai!

This Du Jinhu, there is a rescuer? Who is his rescuer? Everyone is curious.

Lin Kai stood up in full view.

Everyone present also saw Lin Kai.

After seeing that Du Jinhu’s rescuer was a 19-year-old boy, the scene was silent for a few seconds, and then roaring laughter broke out!

“Hahahaha! This is Du Jinhu’s rescuer?”

“The hair doesn’t grow up, right?”

“I thought Du Jinhu had invited some incredible big shot! Whose kid is this? Hurry up and take it away!”

“Hahahaha! A big fool came with a little fool!”

The audience burst into laughter!

Standing on the stage, Li Heihu laughed after seeing Lin Kai.

There was ridicule and disdain in his eyes.

A little hairy boy wants to fight him Li Heihu too? What a wishful thinking!

“Du Jinhu, is this the rescuer you invited?”

“You are really desperate! You dare to bring in even such a little furry boy? It’s illegal to hire child labor!”

As soon as Li Heihu’s words came out, a burst of laughter rang out again.

Liu Yan also looked at Lin Kai anxiously. She pulled Lin Kai and said anxiously: “Lin Kai, what are you doing? Are you crazy?”

“Don’t you know what kind of existence the ancient martial artist is? Li Heihu on the stage can kill you with one punch!”

Liu Yan was very anxious.

Although Lin Kai’s writing is good, you must know that ancient warriors and writing are two different qualities!

In the world of ancient warriors, they will not care whether you write well or not, they will kill you!

Seeing Lin Kai standing up, Li Tengfei sneered: “Haha, Liu Yan, let him go, these two people are **** stupid!”

Li Tengfei smiled gleefully.

You want to die? can!

It just happens that I see you as an idiot that is not pleasing to the eyes, I will see how you died!

Lin Kai glanced at Liu Yan and smiled slightly: “Haha, don’t worry, I have my own measures.”

After all, Lin Kai walked directly out of the auditorium and strode to the top of the ring!

Tens of thousands of people at the scene looked at Lin Kai.

Mr. Wang appeared on the ring again at this time. He looked at Lin Kai and frowned, “Young man, are you sure you want to act as a thug for Du Jinhu?”

“If you die here, no one will compensate you for your pension!”

Wang Lao did not believe that Lin Kai had the strength to stand up for Du Jinhu.

Lin Kai is too young, even if he is a child of a big family, he is only a warrior.

And that Li Heihu is the pinnacle of a martial artist!

It can be said that Lin Kai can be killed with a finger!

Lin Kai carried a hand on his back and said lightly: “I’m sure, don’t ask anymore.”

Elder Wang shook his head with a look of regret.

It seems to regret the death of a young man.

Li Heihu on the stage looked at Lin Kai, playing with taste: "Boy, are you sure you want to make an appearance for Du Jinhu?"

"My fist does not recognize people! If you die here, blame Du Jinhu!"

Lin Kai strode towards the ring and looked at Li Heihu.

Lin Kai smiled and shook his head.

"Hehe, I won't die here, I will die here, only you."

After all, Lin Kai looked at people from other families.

Since it's all here, if you want to play, just play a big one!

Help Du Jinhu to become the overlord of the five rings directly!

At that time, Lin Kai looked at Guan Yufei, Liu Zhen and others.

"It's really meaningless to be alone, so let's go, all of your seventeen forces come up!"

Lin Kai said with his hands behind his back.

As soon as this sentence came out, the audience fell silent.

Everyone's eyes widened, with an expression of disbelief.

what? That person actually wants to challenge the forces of the 17 parties?

Is he crazy? Or does he feel that he has the strength to defeat 17 martial arts masters?

What a joke!

Wang Lao frowned when he heard this, and he shouted angrily: "Arrogant!"

"If you don't come here sincerely to participate in the competition for hegemony, get out of here!"

"And you! Du Jinhu, follow along with you!"

Chapter 652: Slap And Fly

Chapter 652 Slap and fly!

Even the old man is angry!

Wang Lao is well-known and respected in the circle, and even he is angry. It can be seen how hateful Lin Kai and Du Jinhu are!

At that time, there was a burst of curses on the scene.

A little boy threatened to challenge the forces of the seventeen parties present? This is simply a big joke!

Let alone the forces of the seventeen parties, a Li Heihu can easily kill Lin Kai in seconds!

In the audience, Liu Yan looked worried.

She didn't understand, why Lin Kai rushed forward to be strong, and even boasted that she went to Haikou to challenge the forces of the Seventeenth Party.

Isn't this looking for death?

It was enough for Lin Kai to challenge Zhao Wenbo yesterday to make people frighten, but today, Lin Kai gave Liu Yan another big surprise!

On the side, Li Tengfei sneered: "Hehe, Liu Yan, just watch, this Lin Kai will definitely die miserably!"

Lin Kai stood on the ring and looked at the seventeen forces, but none of the seventeen forces acted.

More than 10,000 people watched the scene, and no one bothered to take action against Lin Kai.

Even Li Heibao withdrew from the ring and looked at Lin Kai with a mocking look.

"I, Li Heibao, are also a person with status. To kill such a person, dirty my hands!" Li Heibao said loudly.

There was a burst of laughter at the scene.

Lin Kai challenged the seventeen forces, but no one took care of Lin Kai.

Lin Kai laughed too: "Hehe, the seventeen forces? Are you all stubbornly soft?"

Lin Kai cursed loudly.

Li Heihu sneered, he waved his hand, and a strong man immediately stood up behind him.

The brawny man is also in his twenties. This is Li Heihu's proud disciple and an ancient warrior.

The cultivation base was at the martial artist level, and he was only twenty-three years old.

"Qiangzi, go and fix him!" Li Heihu said coldly.

"Yes!"

The beater named Qiangzi walked directly into the ring and looked at Lin Kai.

Li Heibao didn't bother to kill Lin Kai himself, and even let his disciple go to power to compete with Lin Kai.

Even so, no one thinks Lin Kai can win!

Li Heibao's disciple, and Qi is a simple role? That strong son is very arrogant in his cultivation, it is enough to beat an ordinary person!

"My master doesn't bother to shoot you, and I will take your dog's life today!" Qiangzi said loudly.

He squeezed his fist and made a crackling sound, his eyes were very fierce.

Everyone in the audience also looked at Lin Kai like a lively.

Let Li Heihu's disciples come to understand this young man who doesn't know the sky and earth!

Lin Kai looked at Qiangzi and shook his head: "You, I can't fight him enough."

Hearing that, Qiangzi's eyes were narrowed.

He is Li Heibao's apprentice, and he thinks he has a good talent, but Lin Kai actually uttered wild words, which made him very angry.

"court death!"

With a roar of anger, the black tiger drew his heart and killed Lin Kai!

With this trick, the black tiger digs his heart, fast and accurate!

It can be said that the martial artist's strength is fully displayed!

If it is an ordinary person, this trick is enough to get his heart out!

Everyone held their breath now, everyone wanted to see how Lin Kai died!

Liu Yan in the audience even covered her eyes. She really didn't dare to watch the next scene!

A cruel smile appeared on Li Heihu's face.

Lin Kai smiled and shook his head facing the Qiangzi in front of him.

"Hehe, why bother?"

Lin Kai raised his palm lightly and slapped it over.

This slap seemed slow, but it was actually fast.

A trace of contempt appeared in Qiangzi's eyes.

With your slap, you want to kill me too?

As soon as he arrived in front of Lin Kai, I saw Lin Kai's slap, already overwhelmingly on Qiangzi's face!

The smile on Qiangzi's face also instantly solidified, and his face began to deform.

It was as if a train hit his face.

A huge force came, and Qiangzi didn't know what was going on, his body had already flown out!

Snapped!

With this sound, I saw Qiangzi's body, slapped by Lin slapped a full dozen meters away!

With a plop, Qiangzi's body fell on the ring, blood dripped from the corners of his mouth, and his neck was deformed. Seeing that, he could no longer survive.

died!

Slap Li Heibao's apprentice to death!

At that time, the scene was silent.

The people who were waiting to watch Lin Kai's show just now were all dumbfounded.

Is Lin Kai dead? Instead, Li Heibao's apprentice died?

This kid is not an ordinary person? He is also an ancient warrior?

And you can kill Li Heibao's apprentice in seconds. So, Lin Kai is a martial artist?

At that time, there was a sound of air-conditioning on the scene, such a young martial artist, unheard of!

The confident smile on Li Heibao's face gradually solidified.

He looked at the dead apprentice on stage, the muscles on his face were constantly trembling, he felt distressed!

After nursed back to a strong son, I don't know how much manpower and financial resources Li Heibao cost him! But as soon as he took the stage, he was slapped to death by Lin Kai?

This kid is also a martial artist?

Everyone was shocked, and there were surprises in Wang's eyes.

No wonder Du Jinhua is so emboldened, it turns out that there is a martial artist to help!

In the audience, Liu Yan's eyes widened. She didn't expect Lin Kai to be an ancient warrior!

Liu Yan blushed when he thought of saying in front of Lin Kai just now how powerful the ancient martial artist was.

Li Tengfei was also very surprised. He didn't expect that Lin Kai was a martial artist so young!

But even so, Li Tengfei snorted coldly: "Humph! Even if you have good talent, you are a martial artist."

"But there are so many long-established martial arts masters on the stage. You are a newly promoted martial master, how can you turn the sky over?"

"I don't know the sky is high and the earth is thick!"

Li Tengfei believed that Lin Kai had just been promoted to a martial arts master, so he didn't know the sky and the earth.

Catch a lot of people who can kill him on the spot!

“Who else?” Lin Kai asked loudly, standing on the stage.

“I, Chu Xiaoxian, will meet you!”

After Lin Kai had just said what he said, only one person walked up directly from the stage!

The man was in his thirties, wearing a white training suit with a confident expression on his face.

As soon as he appeared, there was an exclamation in the audience.

“Chu Xiaoxian of the Chu family? This Chu Xiaoxian is also very talented! He is already an ancient martial artist in his thirties!”

“Yeah! That kid is dead! He thought he was a martial artist, so no one can cure him?”

“When Chu Xiaoxian comes out, this kid will undoubtedly die!”

In Li Heibao’s eyes, there was also a hint of gloat.

Haha, kill my apprentice? Do you really think that you are a martial artist and you are invincible?

Chu Xiaoxian will tell you what is meant by someone outside a person, there is a heaven outside the sky!

This Chu Xiaoxian has already become a martial artist three years ago, and his Taoism is very deep. How can you be a new martial artist who is his opponent?

What’s more, Chu Xiaoxian cultivated the Chu family’s exercises. His true energy is very strong. He can slap you Lin Kai to death with one palm!

Chapter 653: Chu Xiaoxian

Chapter 653: Chu Xiaoxian

“Boy, I will give you a chance now.”

“Kneel down and apologize to the heroes, I can leave you a whole body.”

“Otherwise, your end will be like this ring!”

Chu Xiaoxian said coldly, after that, he raised his right leg and stepped on it!

Boom! At that time, Chu Xiaoxian stepped out of the stone arena, and there was black smoke in the pit, which shows how powerful Chu Xiaoxian is!

There was a burst of exclamation at the scene, and the audience was shocked by Chu Xiaoxian's strength.

Chu Xiaoxian is so strong! His feet can break through a stone ring, can Lin Kai be his opponent?

Facing Chu Xiaoxian, Lin Kai had no chance of winning!

When Lin Kai faced Chu Xiaoxian, he didn't panic, didn't have a trace of fear, and even wanted to laugh.

He smiled and shook his head, looking at Chu Xiaoxian: "I will also give you a chance to kill yourself, otherwise you will lose face if you are killed by me."

Arrogant!

Lin Kai is even more arrogant than Chu Xiaoxian!

But Chu Xiaoxian is arrogant because he has arrogant strength!

Lin Kai was arrogant, but he didn't know that the sky was high and the earth was thick.

Even if you have just been promoted to a martial artist, Chu Xiaoxian is a veteran martial artist who has been promoted to a martial artist for three years!

He is even the Patriarch of the Chu Family, and he cultivates the advanced techniques of the Chu Family. What do you use to fight against Chu Xiaoxian?

After hearing what Lin Kai said, Chu Xiaoxian laughed disdainfully: "Hahaha! What a joke! It's up to you?"

"Try it?" Lin Kai hooked his finger at Chu Xiaoxian.

And Chu Xiaoxian also roared at this time.

I saw him thrust down with a single horse stance, and the Chu family exercises were running inside his body, and a wave of true energy radiated from his body.

The audience at the scene opened their eyes wide and stared at Chu Xiaoxian intently.

And from Chu Xiaoxian's body, there was a surge of true energy, which condensed in Chu Xiaoxian's hands.

“Ha!” Chu Xiaoxian yelled, and his anger formed in his hands.

The release of true energy is a sign of a martial artist!

And Chu Xiaoxian is even more proficient in playing the true energy!

The true spirit in his hand, vigorous and masculine, he is worthy of being a veteran martial artist, and many of the martial artists present nodded and sighed.

Chu Xiaoxian got really angry, this Lin Kai is afraid that he is dead!

“Boy, it’s your honor to die under my hands, Chu Xiaoxian!”

Chu Xiaoxian shouted, and slapped Lin Kai with a palm in the air!

And that group of infuriating energy immediately turned into the palm of his hand, with the power of destroying the sky and destroying the earth, patted it towards Lin Kai!

This palm, even if it is slapped on a rock, can make the rock torn apart, let alone a person!

Lin Kai stood still, his eyes full of contempt.

More angry?

Every trace of my true qi comes from the system. It is extremely pure and incomparable to me.

Lin Kai shook his head and sneered, and slapped a palm casually, without any brewing.

With this palm, zhenqi burst out from Lin Kai’s body, and slapped Chu Xiaoxian’s zhenqi.

As soon as the anger of the two came out, everyone in the room watched the arena intently. Who could be better than the battle between the martial artists?

The corner of Chu Xiaoxian’s mouth always carried a confident smile.

He believed that his palm could kill Lin Kai in seconds! No matter how much he resists, it is useless!

boom!

With a loud noise, Lin Kai’s true energy and Chu Xiaoxian’s true energy collided in the air.

In just one second, Chu Xiaoxian's true energy was immediately scattered in the air, and was completely dissipated by Lin Kai's true energy!

As for Lin Kai's true energy, his prestige remained undiminished, and he moved towards Chu Xiaoxian!

And the smile on Chu Xiaoxian's face instantly solidified, his eyes widened, his face looked incredible.

"This... how is this possible?"

Before he could think about it, Zhenqi had already photographed Chu Xiaoxian!

And Chu Xiaoxian only had time to mention the Zhenqi Body.

boom!

With a loud noise, Lin slapped Chu Xiaoxian directly into the ring!

Boom!

Infuriating body protection, useless! Chu Xiaoxian was like an ant at the feet of an elephant, and was immediately photographed into the ground!

The body sank deeply.

Dust rises!

Chu Xiaoxian's eyes widened, covered in dust and blood. He wanted to speak, but when he spoke, blood kept pouring out of his mouth.

"Um... Um..."

Chu Xiaoxian couldn't say a word. After a few seconds, his eyes rolled upwards, motionless.

It's dead.

At the scene, there was dead silence again.

Everyone looked at Chu Xiaoxian's body, and everyone was silent.

Chu Xiaoxian, just died like this?

Chu Xiaoxian, but the Patriarch of the Chu Family! The famous martial artist of the five rings!

He is so strong that he is dead?

Was Lin Kai given a spike?

Lin Kai is only 19 years old, right? Can he kill Chu Xiaoxian in seconds when he is only 19 years old?

This is not true, is it?

Everyone at the scene was dumbfounded.

They were all shocked by the scene before them.

What kind of big man is this Lin Kai?

Li Heibao's eyes widened, almost staring out.

Even he himself thought he had no strength to kill Chu Xiaoxian in seconds, but Lin Kai did it?

Where did Du Jinhu invite his patron? How powerful is the strength?

In the audience, Liu Yan covered her open small mouth.

She was so surprised!

Lin Kai's strength shocked her!

Lin Kai was not arrogant this time, he was really capable!

A look of worship began to appear in Liu Yan's eyes.

Even at a young age and first-rate calligraphy, he is still an ancient warrior, and his cultivation is so advanced!

This is simply the Prince Charming in Liu Yan's mind!

And Li Tengfei's face was also very ugly.

Seeing Liu Yan admiring Lin Kai, he had nothing to do, and he was a little scared in his heart.

I laughed at Lin Kai like that just now, Lin Kai won't get revenge, right?

Du Jinhu's face is full of hatred!

You all want to watch my Du Jinhui joke, right? I just won't let you see it!

Lin Kai is my friend. Today, I will show you my connections with Du Jinhui! I even know a master like Lin Kai!

Li Heibao, I want you to die!

Wang Lao was also very shocked.

At first, Lin Kai said that he would play seventeen. He thought that Lin Kai didn't know that the sky was great.

But now he understands that the strength of this young man is really powerful!

No wonder the tone is so hard!

After Lin Kai killed Chu Xiaoxian, he looked at Li Heihu.

He hooked his finger at Li Heihu and said, "Li Heihu, come up and die!"

Li Heihu gritted his teeth and hesitated.

He was a little afraid to go.

Because he felt that Lin Kai was stronger than him! He was afraid of dying on the ring!

At this moment, Guan Yufei stood up.

He said: "A person who is not more than twenty years old can become a martial artist, it is simply a gift!"

"It's impossible to kill a long-established martial artist!"

"Lin Kai, right? I suspect that you have taken some kind of pill that stimulates your potential. Because you have taken that kind of pill, your strength will increase sharply!"

"But, the side effects must be big, right?"
