

# Special Forces God Level Extraction System –

## Chapter 654 - 655

### Chapter 654: Cut It

#### Chapter 654

Guan Yufei looked at Lin Kai with confidence.

He believed that Lin Kai had taken the pill! That's why the strength is so tyrannical,  
otherwise it can't explain why Lin Kai is so strong!

And Li Heihu also shined, he patted his thigh: "Yes!"

"No wonder you can kill Chu Xiaoxian, it turns out you took the pill!"

"After killing Chu Xiaoxian, the medicinal power of the pill has also been used up?"

"I'm afraid you will be useless!"

In the circle of ancient martial artists, there is indeed a saying that the pill will improve  
the cultivation base.

And there is also the kind that improves drastically.

However, the side effects are very scary.

From the slightest abolishment of a person's cultivation base, the worst is to die on the spot!

Lin Kai is so young that it is impossible to have such a tyrannical strength! So there is only one argument that can explain the scene that happened before.

That is when Lin Kai took the pill!

There was an uproar at the scene.

At that time, Lin Kai's insults were endless!

"Cut! I thought it was a peerless genius! It turned out to be a \*\*\*\* taking pills!"

"Such a person, killing Chu Xiaoxian is completely luck!"

"I bah! Rubbish!"

"Kill this \*\*\*\* taking pills!"

...

Screams rang out.

A look of disappointment also appeared on Liu Yan's face.

It turns out that the reason why Lin Kai is so strong is because he took the pill!

Yeah, Lin Kai is also alone! His calligraphy is so good, I am afraid that all the time is spent on practicing calligraphy. Where can I have time to improve my cultivation?

He just took the pill and temporarily improved his cultivation.

And Li Tengfei slapped his thigh with a look of hatred and hatred: "I'll just say! How can such a hillbilly be such a powerful martial artist?"

"It turned out to be taking pills!"

"Liu Yan, you have to stay away from this kind of person in the future! He is not a good person!"

After Li Tengfei said, he grinned, and after discovering that Lin Kai was not a peerless genius, he smiled from the bottom of his heart.

Guan Yufei stood up at this moment.

He stood on the ring and looked at Lin Kai with contempt.

"Huh! Rubbish like you who took the medicine pill also wanted to help Du Jinhu \*\*\*\* the country?"

"I bother!"

"I, Guan Yufei, look down on people like you the most!"

"Today, I, Guan Yufei, on behalf of my Guan family, killed you as a scumbag!"

Guan Yufei held a big knife and stood on the ring!

Guan Yufei confirmed that Lin Kai took the pill! Moreover, the strength of the pill has passed.

Now kill Lin Kai, one can become famous, and the other can deter all the major forces.

It will kill two birds with one stone!

In Guan Yufei's eyes, there were all triumphant colors.

This Guan Yufei is known as the descendant of Guan Yu, and the big knife in his hand is even a peerless weapon.

Very sharp, has killed many martial artists.

His cultivation is even the pinnacle of a martial artist!

So when he stood up, there was a burst of cheers.

Guan Yu was flying in the fifth ring, but he was a famous man!

With him, even if Lin Kai took the pill, he would definitely not be Guan Yufei's opponent!

Li Heibao sneered, Lin Kai, aren't you awesome? Today, you will die by Guan Yufei's sword!

Lin Kai stood with his hands behind, looking at Guan Yufei.

"Are you sure you want to do this?"

“I’ll give you a chance, go now, and I can spare your life.”

Lin Kai’s words fell into Guan Yufei’s ears, making Guan Yufei laugh.

“Hahaha! Let me go? Are you scared?”

Guan Yufei now believes that Lin Kai has taken the pill! And now the drug effect has passed.

Otherwise, how could he use such words to scare himself?

“Today, I Guan Sanye will take this big knife in my hand to take your dog’s life!”

After that, Guan Yufei picked up the big knife in his hand and chopped it in the air a few times.

There was a whirring sound, and even the air was chopped out of the air.

Lin Kai smiled slightly and said, “Hehe? Better than a weapon? That’s better, I will let you be the first person to die by my knife!”

After that, Lin Kai stretched out his hand and Bai Longyin was taken out of the system by Lin Kai.

The knife in his hand is a Tang knife.

This is a synthesis of two of Miyamoto Hanzo’s swords, extremely sharp.

The system once said that the strongest blow of this knife came from the first knife it pulled out of its sheath.

Today, Lin Kai will look at how strong this knife is!

And Guan Yufei's eyes were full of disdain.

“Hehe, what kind of \*\*\*\* Tangdao? See how my big sword kills you!”

After that, Guan Yufei roared and rushed towards Lin Kai!

He raised the big knife in his hand! The big knife was wrapped in Zhen Qi, and a knife slashed towards Lin Kai's face!

Shout!

In the air, it seemed that a blue dragon appeared!

With this cut, Guan Yu flew with all his strength! Even if it is a piece of steel, Guan Yufei can split it!

The strength of the peak of the martial artist, plus the Qinglong sword! This blow was menacing and no one could stop it!

Everyone on the scene opened their eyes wide! Lin Kai, you can't escape this time, right?

Everyone felt that Lin Zhuan had died under Guan Yufei's knife!

And the corner of Lin Kai's mouth showed a joking smile.

He was holding the scabbard of Tang Dao in his left hand and the handle of the knife in his right hand.

His body squatted down slightly, and then Lin Kai quickly pulled out Bai Longyin!

brush!

A cold light flashed by!

At this moment, everyone seemed to see a white dragon flying out of the scabbard!

Long Yin's voice seemed to be heard in the ear!

White light flashed, and the stinger couldn't open his eyes!

After a long time, the white light gradually dissipated, and everyone could finally see exactly what happened on the ring.

I saw that the Tang knife in Lin Kai's hand had been put into the scabbard.

And Guan Yufei was behind Lin Kai, holding a big knife, standing on the ring, with a confident smile at the corner of his mouth.

What happened on the scene?

And Guan Yufei is still confident.

“Hehe, you are a little tenderer than Guan Yu Fei.”

Just after saying this, Guan Yufei suddenly vomited a big mouthful of blood with a puff.

Guan Yufei was dumbfounded when he looked at the blood vomiting on him.

“This... what’s going on?”

Wow!

At this moment, Guan Yufei’s upper body suddenly fell to the ground!

He has been cut off by Lin Kai!

Lin Kai’s knife was so fast that Guan Yufei didn’t even feel the pain before he was cut off.

And the big knife in Guan Yufei’s hand fell to the ground with a snap, breaking into two pieces.

Lin Kai even took a knife and cut them all in half!

With blood constantly flowing on the ring, Guan Yufei froze as he looked at his broken lower body.

When he was dying, he couldn’t believe that he had actually died in the hands of such a young man.

He Guan Yufei was wise, and he was worshipped as the pinnacle of martial arts! In the end, he didn't even stop his knife.

Lin Kai turned his head and looked at Guan Yufei who was lying on the ground with pity.

“I gave you a chance, but you don't cherish it yourself.”

“Why, don't you both take my Lin Kai's words to heart?”

## Chapter 655: Fifteen To One

Chapter 655

The whole audience was as silent as death.

No one thought that a master of the pinnacle level of a martial artist would actually die on the ring.

Died in the hands of Lin Kai!

You know, looking at the entire five rings, the masters of the martial arts peak level can be said to be the same as the national treasure level.

Even if it is placed in the fourth ring, it is very rare.

Guan Yufei's Qinglong Broadsword is a peerless weapon!

But even so, Guan Yufei died in the hands of Lin Kai.

Guan Yufei didn't even stop Lin Kai's attack!

Cut off Guan Yufei and his big sword with one cut!

This Lin Kai, at a young age, is so powerful?

Although persuading the use of pill can temporarily increase one's strength, it is impossible to increase so much!

The people who threatened Lin Kai's death just now all shut up.

That Li Heihu's face was blue and his hands were shaking!

He didn't expect that behind Du Jinhu, there was such a powerful man!

If Du Jinhu wants to kill himself, this big man can do it in minutes.

Who is he?

So young and so strong!

Looking at the entire capital, such a genius boy is probably one of the few!

Li Heihu was a little scared, he was timid!

Off the court, everyone was shocked.

Li Tengfei's mouth trembled slightly, he regretted his recklessness just now and offended this big man.

He wants to die by himself, it's just a matter of moving his fingers.

Liu Yan's eyes were also incredible.

Is this person Lin Kai?

Knowing calligraphy and being so powerful, is this man really just a 19-year-old boy?

She couldn't believe it.

In the audience, Mr. Wang was also dumbfounded.

Guan Yufei was one of the few masters present, but he also died under Lin Kai's hands, and he was still killed in seconds!

This was beyond his expectation.

On the ring, Lin Kai glanced at the crowd, holding Bai Longyin in his hand.

"I said, a dozen of you, let's go together!"

Lin Kai said coldly.

At this moment, Li Heihu bit his scalp and stood up and said, "Boy! Don't be mad! What if you kill Guan Yufei? What you have to face is more than a dozen martial arts masters!"

Lin Kai smiled disdainfully, and hooked his fingers at Li Heihu and a dozen other people.

“Haha, master? You are worthy too? If you don’t agree, you will go together!”

Li Heihu narrowed his eyes when he heard the words, and he sneered.

Haha, Lin Kai, you are too rampant.

If you can fight, one person can fight a dozen?

Exactly! Taking advantage of this, I will kill you in one fell swoop!

At that time, Li Heihu said loudly: “Everyone, this person really doesn’t put us in the eyes! Today, it is better for us to join forces and kill him!”

“Let him know that the martial artist must not be insulted!”

As soon as Li Heihu’s voice sounded, the others looked at each other.

Lin Kai’s strength is really too strong. If he doesn’t join forces to kill him now, there may be no way for his family to survive in the future!

The heads of these dozen or so families nodded immediately at the same time.

For the benefit, Lin Kai must be killed together!

At that time, one person stood up and said, “I agree!”

“I agree!”

“We agree too!”

Someone took the lead, and then someone stepped onto the ring!

Fifteen people entered the ring!

Among these fifteen people, five of them are masters at the pinnacle level of martial arts.

Fifteen hits one. This time, Lin Kai can still hope to survive?

Li Heihu sneered, Lin Kai, can only blame you for being too arrogant!

The audience also exclaimed.

Fifteen people fight one. Can Lin Kai win this time?

Everyone's hearts mentioned their throats.

Liu Yan also clasped her little hand tightly, sweating from her little hand.

Seeing this, Li Tengfei slapped his thigh and laughed: "Hahaha! Lin Kai, this time you are dead!"

"A dozen people beat you, can you win?"

Upon seeing this, Mr. Wang frowned.

Lin Kai can be said to be the first ancient warrior to challenge so many people since the competition for hegemony was held.

He is so crazy!

Du Jinhu's heart was also very panicked. Although he knew that Lin Kai was very strong, this time he was going to face fifteen martial arts masters!

Can Lin Kai still win this time?

Li Heihu looked at Lin Kai in front of him and sneered: "Haha, Lin Kai, you asked for this!"

Lin Kai smiled playfully and said, "Heh, let the horse come here."

"Brothers, kill him!"

Li Heihu shouted, the first one to lift the knife rushed up!

The other fourteen people all rushed over at this time, and each of them showed their own ability to look after the house.

This time, they are going to join forces to kill Lin Kai!

Lin Kai shook his head and said silently, "Demi-God extraction ability, Brother Flathead, turn it on!"

Afterwards, Lin Kai's body suddenly floated into the air!

He closed his eyes and used his body to feel the process of becoming stronger.

At this time, Lin Kai seemed to have opened a shackle in his heart, and a steady stream of power poured into his body.

Infuriating doubled!

The martial artist turns into a martial sage!

Lin Kai suddenly opened his eyes and looked at the 15 people in front of him, with a sneer at the corner of his mouth.

There are only a dozen stinky fish and shrimps, and you want to compete with Lin Kai?

You are not worthy!

“roll!”

At this moment, Lin Kai shouted loudly, and a very powerful wave of air erupted from his body!

That was a wave of air condensed by Lin Kai's true qi!

As soon as this wave of anger came out, it shot directly at the 15 people led by Li Heihu.

Li Heihu and the others opened their eyes wide, because at this time they found that Lin Kai in front of him seemed to have something wrong.

Boom!

A loud bang sounded, and wherever the air wave passed, all the martial artists flew out!

It was as if a train hit their bodies.

Everyone's eyes widened, spurting blood from the slightest to death on the spot!

A wave of air passed, and all 15 people fell to the ground!

At that time, the whole scene was as quiet as death.

Everyone looked at Lin Kai, shocked!

Actually won again?

That young man actually won again!

And it's still a spike!

One person killed fifteen martial arts in a second!

This is simply a miracle!

At that time, everyone was so excited that their breathing became rapid.

This is really shocking!

After seeing the scene in front of him, the elder Wang was even more excited and did not speak for a long time.

At the same time, a question emerged in everyone's mind.

Who is this person?

He is so strong, it is impossible to be an unknown person, this person should be very famous in Beijing, even in China!

Why hasn't everyone heard of this character?

Li Heihu clutched his chest, half-kneeling on the ring, Lin Kai's random burst of air almost killed him!

He looked at Lin Kai's eyes, his eyes were no longer jealous, but fear!

He saw that Lin Kai is not a martial artist, but a martial sage!
