

## Special Forces God Level Extraction System –

### Chapter 721: Spar

Chapter 721: Spar!

When Lin Kai opened his eyes, it was also when Lin Kai woke up from his dream.

And Lin Kai looked stupidly at the twelve martial arts masters killed by him, he was too strong, right?

This is the power of Yumengami knife?

Lin Kai couldn't believe it at this time.

The twelve martial arts masters did not even leave a corpse until they died!

Is this the power of the silver-level weapon and the Dream God Blade?

The audience was silent!

Everyone's eyes looked straight at Lin Kai, as if they saw a ghost.

Strong, it is too strong!

No one thought that the master of the fairy gate could be so powerful!

I heard that the main cultivation base of the Xianmen Sect is only in Wu Sheng, but now that Lin Kai is definitely not Wu Sheng!

It's a master-level cultivation base!

Otherwise, how to explain that he can kill twelve martial arts masters in seconds?

The eyes of more than five thousand ancient warriors looked at Lin Kai, full of fear.

Knowing that Lin Kai is so powerful, how dare they offend Xianmen?

At this time, they are a regret! Even the intestines are regretful!

Even the twelve martial arts level masters are so vulnerable, let alone these little fish and shrimps!

In the fairy gate, everyone was shocked.

This is Lin Yizong, the master of the fairy gate? The man who claims to be the first master of the capital? Seeing it today, it really deserves its reputation!

too strong! Everyone is excited!

With such a powerful sect master, why can't the fairy gate develop and grow in the future?

The three of Li Lao Dao and others looked at Lin Kai with shock.

Is his Lord so powerful?

In the hearts of the three of them, they admired Lin Kai even more!

Lin Kai recovered the hurricane and looked down at the more than 5,000 people in front of him.

"I killed these twelve martial sages today, can you take it?"

As soon as Lin Kai's words came out, the audience was silent, and no one dared to speak.

Their arrogance just now disappeared!

Facing such a powerful Lin Kai, they dare not even let go of a fart!

Lin Kai looked at everyone in front of him coldly, these people dared to provoke him to the fairy gate, Lin Kai would never let them go so easily!

But they are not guilty of death. After all, some people pretended to be immortals and killed many innocent people. They may also be victims.

But anyway, Lin Kai will never let them leave easily!

"Want to survive?" Lin Kai asked coldly.

And more than five thousand ancient warriors looked at each other, and they didn't know what Lin Kai wanted to do.

"If you want to survive, hand over the spar on you! Give me all the spar! Then get out of here!"

"This is the price you paid for provoking my fairy gate!"

Lin Kai shouted.

As soon as Lin Kai's words came out, their expressions changed.

Lin Kai is trying to steal money?

Spar, for ancient warriors, can be described as the lifeblood.

Asking them to hand over the spar is equivalent to asking them to hand over their daughter-in-law!

But if you don't cross the spar, facing them is just a dead end!

"Wang Gang!" Lin Kai shouted.

"in!"

Wang Gang quickly ran out of the fairy gate.

Lin Kai ordered: "Search me one by one! Don't let a spar pass!"

"In addition, let me know that the twelve martial sages have been beheaded by me, Lin Yizong! Whoever provokes my fairy gate in the future will undoubtedly die!"

Wang Gang was obviously very excited, he clasped his fist and said, "Yes!"

After that, Wang Gang led people to search one by one!

And the more than 5,000 ancient warriors who were still aggressive just now did not even dare to move.

Soon after, twelve martial sages and more than five thousand ancient martial artists were raided.

Lin Kai coldly glanced at the group of ancient warriors in front of him, and cursed: "Get out of here!"

As soon as Lin Kai's words came out, the more than five thousand ancient warriors ran away.

They came fast, they went fast, and soon after, they disappeared without a trace.

And in front of Lin Kai, there were a lot of spars!

After Wang Gang's inventory of the hill-like spar piles, Wang Gang said excitedly: "Sect master, a total of more than 40,000 spars have been harvested!"

More than 40,000 yuan! The immortal disciples watching all swallowed.

Is this too much?

Although 40,000 spars were a windfall for Lin Kai, Lin Kai really didn't put these 40,000 spars in his eyes.

Because Lin Kai can't use it!

At that time, Lin Kai took it away and put the spar into the universe bag.

In addition to Lin Kai's 10,000 spars, Lin Kai already has 50,000 spars!

Lin Kai didn't notice, there was a masked man standing beside an alley opposite to Xianmen.

The masked man glanced at Lin Kai with a rather bitter look, then quickly got into the alley and disappeared at the entrance of the alley.

That person is naturally Lin Yuan!

Today, the twelve martial sages jointly besieged and killed Lin Kai, it was naturally Lin Yuan's credit!

It's just that Lin Yuan didn't expect that Lin Kai's strength was so strong that he would kill twelve martial sages with a single blow!

Lin Yuan ran wildly while squeezing his fists in anger.

Why? Why is Lin Kai so strong?

I, Lin Yuan, urinate at Lin's parents. In terms of talent, ability, academic qualifications, and social interaction, what aspect is Lin Yuan not better than him?

Why is this waste so strong now? Why does he get so mixed up in the capital?

But he can only do some indiscriminate hookups?

Lin Yuan is not convinced!

I want to practice! I want to be a master! Lin Kai, you wait for me!

Lin Yuan quickly disappeared in the alley.

From Lin Yuan's appearance to his disappearance, Lin Kai never knew. He didn't know that his cousin had already "resurrected".

After solving the matter of the fairy gate, Lin Kai returned home.

Wang Zhentian opened another company called Dafeng Mutual Entertainment Company. This company specializes in networking and involves both live broadcasting and games.

Lin Kai is the chairman of this company, and Wang Zhentian is the executive president.

With Wang Zhentian in the company, Lin Kai doesn't need to worry about it for now.

At this time, Lin Kai's cell phone rang, took out the cell phone and found that it was the call from the old chief.

"Hello?" Lin Kai answered the phone.

He Zhijun's voice came over the phone: "Hello? Lin Kai?"

"It's me." Lin Kai smiled slightly.

"Here is a more difficult task. I wonder if you are interested? If you are interested, I will help you apply for a place immediately."

"Task?" Lin Kai raised an eyebrow.

"Do you know the land of the Middle East?" He Zhijun asked.

The land of the Middle East? Lin Kai seemed to have some impression that the land of the Middle East was known as the land of the king of soldiers.

But Lin Kai didn't quite understand.

"I have heard of some, but I don't know it very well." Lin Kai replied.

"The land of the Middle East is a magical place. After arriving at this place, the true energy of the ancient warrior cannot be used."

"So if you want to survive in the Middle East, you can only rely on thermal weapons and your own survivability."

“Lin Kai, besides being a powerful ancient warrior, you are also an excellent special soldier!”

## Chapter 722: Middle East

Chapter 722

After hearing what He Zhijun said, Lin Kai was more curious, what exactly is this place in the Middle East?

After the ancient warrior entered, there was no way to use true energy?

In this way, after entering the Middle East, the ancient warriors will become ordinary people?

That’s really interesting.

However, if this place in the Middle East is simply to make ancient warriors into ordinary people, then it is really not worth Lin Kai.

So this matter must not be as simple as the surface.

“Oh? So, Brigadier He, what do you mean?” Lin Kai asked.

He Zhijun smiled slightly and said, “Hehe, this time not only China, but also several countries have sent top special forces to the Middle East.”

“I heard that in the Middle East, materials are very abundant, and several countries want to fight for the right to occupy the Middle East.”

“In the very center of the Middle East, there is a very high mountain.”

“Several countries have agreed that whoever can plant their national flag on the top of the mountain first can own the land of the Middle East for ten years!”

Upon hearing this, Lin Kai was shocked in his heart.

This time is a big task! It is a great opportunity to win glory for the country! He Zhijun entrusted such an important task to himself, and Lin Xinzhong was also very moved.

Lin Kai directly agreed to He Zhijun: “Okay, as a soldier of the Huaxia Nation, I am honored to be able to serve the Huaxia Nation! Then, Brigade Commander, when do I leave?”

“Three days later.” He Zhijun replied.

“Ok.”

Afterwards, He Zhijun explained to Lin Kai the details of his trip to the Middle East, and then hung up the phone.

After hanging up the phone, Lin Kai also started arranging plans to leave the capital.

After a busy day, in the evening, when Lin Kai was about to go out for two laps, his cell phone rang again.

After seeing the caller ID, Lin Kai’s hands trembled.

Is it her? Seeing the name on the screen, Lin Kai’s memory surged up like a tide.

There are two words on the screen, Enron!

An Ran actually called herself? Lin Kai was stunned.

An Ran is Lin Kai’s favorite! Of course, it was Lin Kai in this world, not Lin Kai now.

Although Lin Kai and An Ran have separated, An Ran is Lin Kai’s favorite in this world after all! Even Lin Kai now has been affected.

When Lin Kai thought of An Ran, his heart would twitch suddenly.

Thinking of the bits and pieces that had been with An Ran before, Lin Kai felt uncomfortable in his heart.

Although An Ran has always looked down upon Lin Kai, the former Lin Kai loved An Ran’s madness!

“Hello?” Lin Kai answered the phone.

“Lin Kai, is that you?” An Ran’s voice sounded.

When An Ran’s voice sounded, Lin Kai’s heart trembled again.

It really is her!

“It’s me.” Lin Kaiqiang pretended to be calm and replied.

An Ran’s voice sounded again: “I’m discharged, I’m back.”

Hearing these four words I came back, Lin Kai suddenly turned red. I don't know why, Lin Kai now has an urge to cry.

It's not that the current Lin Kai wants to cry, but the previous Lin Kai wants to cry!

This body, to be more specific, lived with two souls, one was Lin Kai who had traveled through, and took the lead.

One is the former abandoned Shaolin development, which in fact no longer exists.

But his memories exist in this body, and they can affect Lin Kai now.

The former abandoned Shaolin Kai, the love Anran love is too deep, and now Lin Kai can't calm down.

"You're back? So what?" Lin Kai asked.

Anyway, Lin Kai remembered everything An Ran brought to Lin Kai!

In the army, An Ran and Lei Zhan hooked up and framed Lin Kai in various ways, Lin Kai remembered!

"I'm in the capital, I heard you are also in the capital? Shall we meet?" An Ran said, with a plea in his voice.

"Why should I see you?" Lin Kai asked.

And An Ran's voice suddenly became trembling: "I... I really don't know who to look for except you, Lin Kai, come out and see me, okay?"

An Ran's voice became pitiful.

Lin Kai's heart was also soft.

That's fine, just see each other when you meet.

"Where are you?" Lin Kai asked.

"I will send you the location."

An Ran said.

After that, An Ran hung up the phone, and soon after, An Ran's location was posted to Lin Kai's mobile phone.

But Lin opened the door, drove a car casually, and drove towards the location that An Ran sent.

Soon after, Lin Kai arrived at the place An Ran gave him.

I saw An Ran waiting for Lin Kai in a small park.

When he stopped the car, Lin Kai saw An Ran at a glance. After seeing An Ran, Lin Kai's heart beat suddenly.

He hasn't seen An Ran for a long time, and now An Ran is still so beautiful.

An Ran, who took off his military uniform, lacked her heroic appearance, but had more of the temperament that a girl should have.

I saw An Ran wearing a long skirt. Under the long skirt, there was a thick fleshy stocking. Even if the weather was cold, she would not be cold.

Slim, standing on the side of the road, his small face is very clean, and his eyes are very clear.

The whole person is like walking out of a painting.

safely!

After seeing An Ran, Lin Kai actually felt an inexplicable nervousness. He adjusted his state, opened the car door, and walked over.

"An Ran." Lin Kai said.

And An Ran also looked back at Lin Kai.

The current Lin Kai looks handsome, but the current Lin Kai is not as high-profile as before and is a famous brand.

Lin Kai now is just a stall.

An Ran lowered her head, looking at Lin Kai a little embarrassed: "Lin Kai, you are here..."

"You are looking for me, what's the matter?" Lin Kai asked.

An Ran pinched the corner of his clothes, and seemed a little embarrassed to speak.

"I... I have some difficulties at home, so I want to ask you for help."

Hearing what An Ran said, Lin Kai laughed: “Hehe, you are looking for me just for this matter?”

An Ran gritted his teeth and nodded: “Yes, Lin Kai, I know I was sorry to you before, but now I don’t know who I should look for except for you!”

“Go find Lei Zhan!” Lin Kai said with a playful smile.

After hearing Lin Kai’s words, An Ran’s eyes reddened suddenly, as if she could cry at any time.

“I and Lei Zhan are already strangers.”

An Ran said.

After all, she wiped her eyes with her hand, fearing that her tears would fall.

I have to say that the current An Ran is indeed beautiful, and even when Lin Kai sees it, there is a strong desire for protection in his heart!

Finally, Lin Kai sighed, that’s it, it’s good to get together and get away. If she really has difficulties, it’s not impossible to help her by herself.

## **Chapter 723: Goodbye An Ran**

Chapter 723: Goodbye An Ran

“Come on, what’s your difficulty?”

Lin Kai asked helplessly.

An Ran heard this and looked at Lin Kai, her eyes filled with joy: “Will you help me? Lin Kai?”

Lin Kai sighed and nodded helplessly: “I will help you once for the sake of acquaintance once, but this does not mean that I forgive you, or that I accept you, I am just You are pitiful.”

After hearing Lin Kai’s words, An Ran’s little face showed a lost expression.

It turned out that he was just pitying himself.

“My family is in trouble, and my dad has offended people. That person is rich and powerful in the capital. He wants my dad to lose his life!”

An Ran said, she couldn't help crying, Li Hua brought rain.

An Ran's father was actually threatened? And kill her father?

You know, although An Ran's home is not as large as the Lin's family, the An Ran's family is considered a wealthy family in Beijing.

Who can touch An Ran's family?

"Let's go, go to your house and have a look." Lin Kai said.

Then, Lin drove the car and walked towards her home with An Ran.

An Ran's home lives in a high-end residential complex on the Fifth Ring of Beijing. The name of the residential complex is Zhulinyuan.

The house price of Zhulinyuan is not cheap. Buying a villa costs 30 to 40 million yuan.

Soon, the car drove to Zhulin Garden.

After getting out of the car, Lin Kai and An Ran quickly walked into An Ran's home.

Lin Kai was stunned when he arrived at An Ran's home.

I saw that the huge villa was smashed into a mess!

The walls are covered with graffiti! The glass windows are smashed! The grass was doused with gasoline, and it burned!

An Ran's home is full of stench.

There is still big \*\*\*\* at the door!

Zhulinyuan is also considered a high-end community, and the security is very strict, and if someone can make such a big noise in An Ran's home, it is obvious that the security of Zhulinyuan is afraid to take care of this matter.

Entering An Ran's home, the home is even worse.

Everything that could be smashed was smashed!

A mess in one place.

An Ran's face was even more ugly.

Entering the living room, An Ran's parents collapsed on the sofa with a depressed expression.

An Ran's father is a fifty-year-old middle-aged man with glasses. He is the general manager of a company and his name is An Zhihua.

And An Ran's mother, An, is also a young lady from a large family.

At this moment, they saw An Zhihua and An's collapse on the sofa with a decadent face, a mess.

All the gorgeous clothes and jewelry on An's body were snatched away.

There are expressions of despair on the faces of the two of them.

As soon as An Ran and Lin Kai came in, the two elders noticed them.

"An Ran, you are back." An Zhihua said weakly, then glanced at Lin Kai.

After seeing Lin Kai, An Zhihua frowned instantly.

"Huh! Who asked you to come?" An Zhihua stood up with an unhappy expression.

After seeing Lin Kai, An also stood up and said angrily with his arms akimbo: "Lin Kai! You bastard, dare you come to my house?"

An Ran's parents exploded at the time!

When they saw Lin Kai now, they gritted their teeth with hatred!

In their eyes, Lin Kai is a man of love! It was he who dumped his daughter, he was the one who failed An Ran!

Lin Kai had an awkward expression: "Uncle, Auntie, I happened to be passing by, come and have a look."

An Zhihua sneered when he heard the words: "Hehe, I think you came to see our Anjia joke?"

"Lin Kai, don't pretend, you are just watching my Anjia degenerate now, so you want to laugh at it!"

"You have let down my daughter and ruined the marriage contract between the two families. You are a sinner. Get out of here!"

An Zhihua said angrily.

Lin Kai frowned, I failed your daughter? At that time, it was Enron who broke up, and it was Enron who I was sorry!

And now, he has become a sinner?

They have become victims?

And An Ran also lowered her head. At that time, in order not to let her family scold her, she put all the blame on Lin Kai.

As a result, Lin Kai is now meeting with her parents, and neither of her parents has a good face to show Lin Kai.

An's holding his arms, Yin and Yang said strangely: "Yes, your Lin family is a big family, and now it is the overlord of Jiangbei!"

"You Lin Kai also have a lot of promise. You do well in the capital, but your Lin family doesn't have a good thing!"

"You, ruined the two marriage contracts!"

"Your Lin family is even more engaged to the Long family!"

"Your Lin family, what do you consider me to settle?"

"You Lin family, it won't last long! It won't take long, the end of my settlement is the end of your Lin family!"

An's words are very ugly.

She didn't know how much resentment she had towards the Lin family, that would make her say such a bad thing.

Lin Kai also shook his head.

At that time, after he broke up with An Ran, the Lin family immediately gave a generous gift. Logically speaking, the Lin family had done everything possible.

But their family is still not satisfied.

If you knew what your daughter did to herself in the first place, would you still think so?

Lin Kaiqiang suppressed the anger in his heart, and said: "Uncle, aunt, today we will not talk about the previous things, I am here today to help you."

After hearing what Lin Kai said, a burst of laughter rang out.

I saw An Zhihua smile: "Hahaha! What a joke! This matter, even if your father is here, can't help us settle down!"

"You little kid, you still want to help me settle down?"

"I advise you to get out as early as possible!"

"The other party is not someone you can afford! If he gets angry, even your Lin family will clean up, do you believe it?"

An Zhihua sat down with a look of disdain, and did not take Lin Kai seriously.

They didn't know that Lin Kai was Lin Yizong.

Lin Kai looked at An Ran, and An Ran looked ugly, and said, "The other party has a big backing, do you know Du Jinhu?"

"Du Jinhu?" Lin Kai raised his eyebrows upon hearing this.

He naturally knew Du Jinhu, that was his brother!

"Yes, it is Du Jinhu, that man is Du Jinhu's illegitimate child!"

Du Jinhu's bastard? At that time, Lin Kai raised his eyebrows.

This matter has become interesting.

Lin Kai never knew that Du Jinhu actually had an illegitimate child!

"I just ran into him when I came back from Zhulinyuan after I retired."

"Du Huya is unreasonable and wants to do something to me..."

Having said that, An Ran did not continue.

"I didn't know him, so I hurt him. After my father came, he was very angry and broke one of his legs."

"Later I learned that that man was actually Du Jinhu's illegitimate son, Du Huya!"

After An Ran said, he sighed and looked helpless.

An Ran is a special soldier, and that person is not An Ran's opponent, and it is normal.

But Lin Kai did not expect that Du Jinhu, such an upright person, would have such an unreasonable illegitimate child!

## Chapter 724: Son Of Du Jinhu

Chapter 724: Du Jinhu's Son

"Du Huya?" Lin Kai raised his eyebrows.

Lin Kai had never heard of this person, and Du Jinhu had never told himself this Du Huya.

But now it seems that this Du Huya is really the illegitimate child of Du Jinhu.

You know, Du Jinhu is the current overlord of the Five Rings. If Du Huya is really his son, he wants to kill his family, it's easy!

"I know Du Jinhu." Lin Kai said at this time.

"You know?" Na An Zhihua sneered at this moment: "Ha ha, what if you know?"

"Do you think this is Jiangbei? Are you still the Young Master Lin whom everyone respects? This is the capital!"

"That Du Huya is the illegitimate son of Du Jinhu! That Du Jinhu is now the overlord of the five rings!"

"Do you know the fairy gate? Behind Du Jinhu is the fairy gate! Not to mention that your little Lin has opened, even if your father is here, you must be respectful when you see Du Jinhu!"

"Boy, don't think I don't know what kind of abacus you have in your heart, you are just trying to lie to my daughter!"

"I tell you, starting today, I will not allow my daughter to have any contact with you!"

An Zhihua said angrily, his words were very ugly.

Lin Kai frowned.

He came to help him settle down and solve the problem today, not to be scolded!

However, seeing that An Ran was so pitiful, Lin Kai had a hard time having an attack.

At that time, Lin Kaiqiang resisted his anger and said: "Although I don't know Du Huya, I know Du Jinhu."

"I can tell Du Jinhu, this matter is just a small matter."

After hearing Lin Kai's words, the atmosphere in the room became extremely embarrassing.

Everyone looked at Lin Kai.

An Zhihua looked at Lin Kai like a fool.

"What did you say? Do you know Du Jinhu?"

Then An Zhihua said coldly: "You know Du Jinhu, do others Du Jinhu know you?"

"Even if it's your father, you don't necessarily have the opportunity to get in touch with that kind of big man!"

"Just you? Can solve our family's affairs?"

At this time, Na An also sneered with his arms in his arms and said, "Lin Kai, Lin Kai, I haven't seen each other for more than half a year. Now you are not just the Lin family, but your tone has become bigger!"

"Those friends of yours are not willing to help you, do you still know Du Jinhu?"

"Don't brag, can you? Fortunately, An Ran didn't marry you at the time, otherwise, it's really a blood mold for eight lifetimes!"

Hearing how uncomfortable his parents were talking, An Ran couldn't hold back her face.

After all, she found Lin Kai! She also wanted to ask Lin Kai for help today.

Although she didn't know whether Lin Kai could help or not, she seemed to be out of play now.

"Dad, Mom, don't talk about it, Lin Kai is also kind."

An Ran said helplessly.

“Good intentions?” Na An Zhihua snorted coldly, holding his arms, “Huh! We can’t stand his kindness!”

An Zhihua and An Shi do not have a good impression of Lin Kai!

They can’t wait for Lin Kai to die now!

In their eyes, Lin Kai is a \*\*\*\* who betrayed their daughter!

At first, they showed off to their relatives and friends, showing off that their daughter was about to marry into the Lin family.

The Lin family is also a big family in Jiangbei!

Later, their settlement became a joke!

Their daughter did not marry into the Lin family! They counted all of this to Lin Kai.

It was Lin Kai who betrayed their daughter! Lin Kai is a sweet bitch!

Lin Kai’s brows were frowned, and this old couple was really unreasonable.

At this moment, a noisy footstep suddenly sounded.

I saw a group of people rushing in from outside!

There are more than 30 people in this group! These thirty people are all wearing black clothes with golden tiger heads embroidered on their chests!

This is the person from the Golden Tiger Club!

As soon as more than 30 strong men appeared, the expressions of An Ran and her parents changed.

Because they know who these people are, they are members of the Golden Tiger Club!

It’s time to come, it’s coming!

I saw a member of the Golden Tiger Club pushing a wheelchair with a person sitting in the wheelchair.

The man looked like he was eighteen or nineteen years old, with plaster cast on his feet. This leg was the one that was broken by An Zhihua!

The young man is also very handsome, but his face is pale, it seems that he is usually too drunk and has hollowed out his body.

He is Du Jinhu's illegitimate son, Du Huya!

And An Zhihua and An Shi panicked after seeing him. They stood up and walked quickly to meet him.

"Shao Du, you have come to Shao Du..." An Zhihua's face was humble.

And Du Huya patted An Zhihua's face and smiled: "Hehe, when you hit me, weren't you pretty awesome?"

"Why are you afraid now?"

"Look at my leg!"

After all, Du Huya patted his leg in cast.

And An Zhihua's face was pale, now he just wants to save his life!

Because he knew that Du Huya had the strength to kill him!

With a plop, An Zhihua knelt in front of Du Huya.

He trembled all over, and kept begging for mercy: "Du Shao, I was wrong. I don't know Taishan. Let me go!"

The Ans could not stand at this time, and Ans also knelt down and begged for mercy: "Du Shao, my old man is not sensible, I'll kowtow to you!"

The old couple kowtowed in front of Du Huya.

And An Ran's small face was also very pale.

She gritted her teeth, she really didn't want to watch her parents kowtow to beg others, but she couldn't help it!

Behind Du Huya, but Du Jinhu!

Only if he forgive his parents can his parents survive!

The cold color on Du Huya's face didn't even look at the couple.

His gaze has been staring straight at An Ran.

He touched his chin and gave a smirk: “Hehe, it’s okay for me to forgive you. Your daughter looks good. Stay with me for a week and I will let you go.”

After hearing Du Huya’s words, the expressions on the faces of the couple changed at the same time!

Let your baby daughter stay with him for a week?

This is killing them!

An Ran is their only daughter! Since he was a child, he was afraid of falling, but now that Du Huya wants to stay with him safely for a week?

The expression on the faces of the couple was embarrassing.

Although they don’t want their daughter to accompany him, if they don’t accompany him, the two of them are likely to die!

At this moment, Lin Kai stood up, put his hands in his pockets, and asked coldly: “Are you Du Huya?”

When Lin Kai spoke, everyone looked at Lin Kai at that time.

More than 30 members of the Golden Tiger Club watched Lin Kai with enthusiasm, and subconsciously approached Du Huya to protect the safety of Du Huya.

## **Chapter 725: Don’t Bother Us**

Chapter 725 Don’t trouble us!

When Lin Kai spoke, everyone looked at him.

Then An Zhihua was even more furious: “Lin Kai! How did you talk to Du Shao?”

An’s also looked anxious, Lin Kai, Lin Kai, don’t push us if you want to die!

Du Huya looked at Lin Kai, he didn’t know Lin Kai, because he was just Du Jinhu’s illegitimate child, and he hadn’t really made an appearance.

“Who are you?” Du Huya glanced at Lin Kai and asked extremely arrogantly.

Cherish the words like gold, as if talking to Lin Kai is Lin Kai’s blessing.

Lin Kai smiled slightly: “Hehe, don’t care who I am, you are Du Jinhu’s son?”

Hearing Lin Kai directly calling his father's name, Du Huya narrowed his eyes, and a chill flashed in his eyes.

More than 30 members of the Golden Tiger Club immediately surrounded Lin Kai, each with a fierce look.

"Boy, you can call my father's name directly?" Du Huya asked coldly.

Du Jinhua is the overlord in the fifth ring! He Du Huya is also used to being arrogant and doesn't put his peers in his eyes at all.

In his opinion, looking at the entire five rings, there is no more powerful person than his father.

If there is, then there is only one, the master of the immortal door, Lin Yizong!

An Zhihua saw Lin Kai disrespect Du Huya, and said angrily: "Lin Kai! Hurry up and apologize to Shao Du! Do you want to die? Don't hurt us if you want to die!"

An also quickly agreed: "Yes, Du Shao, we don't know him. If you don't like him, you will let him be killed!"

The mouth of the old man was very vicious.

They didn't care about Lin Kai's life and death at all!

Du Huya joked, he only regarded Lin Kai as a joke.

However, he saw that An Ran was very close to Lin Kai, which made Du Huya very unhappy.

"You kid, know An Ran?" Du Huya asked.

Lin Kai replied: "Know, what?"

Hearing this, Du Huya narrowed his eyes and said, "It's nothing, it's just that you don't like it."

"Let's say, should you keep the left arm or the right arm?"

Du Huya said, at that time, a member of the Golden Tiger Club came over with a baseball bat.

He gave a smirk, and was obviously about to abolish one of Lin Kai's hands.

So arrogant! This was Lin Kai's first thought.

Just because it is not pleasing to your eyes, you want to abolish one of your arms?

If someone else is here today, wouldn't it really have to be interrupted?

When An Zhihua saw this, he clapped his hands and applauded: "Okay! Du Shao, this kid is not a serious person, you interrupt his arm to walk for the sky!"

An Zhihua's words are even more chilling.

Although Lin Kai had endured it again and again, Lin Kai was still angry after hearing An Zhihua's words.

"Hehe, okay! Well, you are An Zhihua! I don't care about the messy things you make in your home!"

After all, Lin Kai strode towards the door.

With a bang, more than 30 members of the Golden Tiger Club had already stopped Lin Kai.

Du Huya said coldly: "Hehe, kid, do you take my words to your ears? I ask you, do you keep the arm on the left or the arm on the right?"

Hearing this, Lin Kai also narrowed his eyes and looked at Du Huya: "I think you are Du Jinhu's son. I don't want to hurt you. Don't deceive others too much."

After hearing Lin Kai's words, Du Huya laughed.

"Hahahaha! What a joke!"

"It's still in the face of my father? Who do you think you are?"

"For the entire Five Rings, the only one who can compare with my father is the master of the immortal gate, Lin Yizong!"

"Boy, I am very upset with you today, I have decided to break your arms!"

After all, Du Huya waved his hand, and two big men walked out at that time, and the two big men stepped forward to control Lin Kai.

And Lin Kai shouted: "Dare you guys!"

The two big men were taken aback for a moment, then sneered, and went directly to Lin Kai.

Upon seeing this, Lin Kai also sighed and shook his head. I didn't want to do anything to the people of the Golden Tiger Club, but this was all forced by you!

At that time, Lin Kai shot directly!

Snapped! Snapped! With two sounds, Lin slapped out!

And the bodies of the two brawny men were directly slapped to Hu Fei by Lin!

A plop hit the wall, blood dripped from the corner of his mouth, and he passed out.

What a powerful force! The members of the Golden Tiger Club took a breath.

Two slaps can abolish two members of the Golden Tiger Club? This kid is a practicer! I am afraid it is still an ancient warrior!

Du Huya saw his men being beaten, and he was also furious at the time!

He pointed to Lin Kai and roared: "Fight! Who dare to beat my Golden Tiger Club? Fight to death!"

"Yes!"

At that time, more than 30 disciples of the Golden Tiger Club pounced on Lin Kai!

But Lin Kai put his hands in his pockets and snorted coldly.

I saw him snap his fingers.

With a click, an invisible aura burst out from Lin Kai's body.

The thirty-odd strong men had not come into contact with Lin Kai, so they all yelled and flew out.

There was a crackling sound, and more than 30 strong men broke through the furniture and walls, and fell to the ground.

All have lost their combat effectiveness!

Na Du Huya's eyes widened at this time.

With a snap of his fingers, all his more than 30 subordinates were scrapped?

Could this kid be an ancient warrior? And it seems that the strength is still very strong!  
Is it possible to be a master of martial arts?

An Zhihua and An's also stared at Lin Kai blankly. When did this Lin family become an ancient martial artist?

And so powerful!

Lin Kai walked towards Du Huya with cold eyes.

Today he will give Du Jinhu a good education and education of his good son!

"What are you going to do?" Du Huya felt the crisis, turned the wheel of the wheelchair, and backed away.

"Don't think you are an ancient warrior, you can mess around! I tell you, my father Du Jinhu and the fairy gate master are good brothers!"

"With a word from my father, Wu Sheng can call in!"

Lin Kai didn't care about Du Huya's threat, so he lifted Du Huya from the wheelchair with one hand.

Afterwards, Lin Kai threw Du Huya directly to the ground.

Picking up the baseball bat, Lin Kai wanted to destroy Du Huya.

At this moment, Na An Zhihua roared: "Stop!"

"Lin Kai! Are you crazy? Even if you are an ancient warrior? You can't beat Du Jinhu!  
You can't beat Xianmen!"

"Quickly let go of Du Shao! Quickly!"

An's also hurriedly exclaimed: "Lin Kai! You can die if you want, don't hurt our An family!"

"If there is something wrong with Young Master Du in our place, you are the sinner who is hurting us!"

An Ran stood on the side and also persuaded: "Yes, Lin Kai, that Du Jinhu is very powerful, if you beat him, not just you, we will all follow suit!"

Lin Kai smiled helplessly after hearing what they said.

“Haha, I said, I know Du Jinhu, don’t say I abolished his son, even if I kill his son, he dare not complain!”

## Chapter 726: Lin Kai? I Do Not Know Him

Chapter 726 Lin Kai? I do not know him!

After hearing Lin Kai’s words, An Zihua and An’s eyes widened.

Lin Kai is so crazy?

Do you mean that you know Du Jinhu? Do you know Du Jinhu? Do they know you?

Besides, even if you know Du Jinhu, it doesn’t mean you are qualified to kill someone’s son!

Even if it is Du Jinhu’s real brother, if he touches Du Jinhu’s son, he will turn his head against him!

“Lin Kai, do you know Du Jinhu? When is it? Are you still talking big?”

An Zihua stomped his feet with anger, and said angrily: “Don’t be confused! Even if you know Du Jinhu? You moved Tiger’s son, Tiger would never let you go!”

Hearing that An Zihua excused himself, Du Huya smiled triumphantly: “Boy, if you are acquainted, let me go now, and give me three beeps, I can still consider letting you go.”

“Otherwise, when I tell my dad, I will let you not even keep a whole body!”

After hearing Du Huya’s words, Lin Kai also joked, “Oh?”

“Then please tell your dad that the person who beat you is named Lin Kai!”

After all, Lin Kai didn’t talk nonsense with him anymore, he just picked up the baseball bat in his hand!

Snap! The baseball bat hit Du Huya’s arm severely, and Du Huya’s arm was deformed.

And Du Huya also made a scream like a pig!

Lin Kai didn’t stop, waved the baseball bat again, and broke Du Huya’s other arm!

Du Huya was rolling on the floor in pain, sweating and crying.

“My arm! My arm!”

Lin Kai glanced at Du Huya coldly, without any mercy in his eyes.

If it weren't for the reason that you are Du Jinhu's son, I would have killed you long ago!

After doing all this, Lin Kai glanced at An Ran and said, “I can't help with your family affairs, goodbye!”

“Lin Kai...”

Just when An Ran wanted to speak, Lin Kai had already left An Ran's home in strides.

After Lin Kai left, the members of the Golden Tiger Club dared to get up from the ground and helped Du Huya up.

At this time, An Zhihua and An's were shaking.

They hated Lin Kai in their hearts!

Lin Kai, Lin Kai, you are just a little ancient warrior, you dare to attack Du Huya?

Du Huya's father, but Du Jinhu!

If Du Huya gets angry, our family will die here because of you!

An Zhihua hated that it was a gritted teeth.

He angered: “An Ran! I will not allow you to contact this Lin Kai in the future! Have you heard?”

An Ran's face was pale, but he nodded, “I heard it.”

An's also hurried over to please Du Huya: “Du Shao, we and Lin Kai, we don't even know...”

Du Huya glanced at An's and An Zhihua coldly: “Okay, you guys! Dare to call a helper, right? You all wait for me!”

After listening to Du Huya's words, the Anjia couple entered the Zuibing Cellar, all dumbfounded.

Listening to the tone, Du Huya didn't plan to let his family go this time!

Even if An Ran was handed over, it would be difficult to calm Du Huya's anger!

This time it's over, Du Shao is angry, and their family is going to die!

In their hearts, it was a hatred for Lin Kai. Success was not enough to fail. If it weren't for you today, would our family need to die?

Lin Kai, our family will not let you go even if they are ghosts!

At this time, I saw Du Huya let his subordinates take out their mobile phones and dial Du Jinhu's phone directly.

Soon after, the phone was dialed: "Dad!"

As soon as the phone dialed, I saw Du Huya cry directly. It was a grievance: "I was beaten! Both arms were broken! Dad!"

"What? Someone dared to beat my son? Where are you? I'll look for you right away!"

Du Huya quickly said, "I'm at 308 in Zhulinyuan! Dad, come on!"

"Dududu..."

Du Jinhu hung up the phone.

The Ans family's faces are all white, this time it's really over, the gods can't save them, Du Jinhu is coming!

Half an hour later, I saw a black extended Hummer parked at the gate of Anjia.

The two bodyguards got out of the car first, and then Du Jinhu got out of the car. Du Jinhu took the two bodyguards and strode into Anjia.

After seeing Du Huya's tragic situation, Du Jinhu was also furious, and his eyes reddened at the time: "Who beat my son?"

Du Jinhu is an anger!

He is very fond of Du Huya, an illegitimate child.

Seeing Du Huya's arms were interrupted, how could he not be angry?

And Du Huya also deliberately sold miserably, crying: "Dad! He said that he still knew you, and said you would not dare to fart if he killed me!"

After hearing Du Huya's words, Du Jinhu was furious: "Fart!"

“Who is so loud? I, Du Jinhu, must die!”

Du Jinhu was angry, and An Ran’s body trembled.

I look too high at Lin Kai, he is the king of soldiers in the army, and he is nothing if he leaves the army!

It’s naive to actually want to ask him for help!

Du Huya hadn’t spoken yet, but Na An Zihua quickly said, “Master Tiger! It’s a person named Lin Kai! We don’t know Lin Kai. You have to settle the account and go to Lin Kai. You don’t want to close our business! “

An’s also nodded quickly: “Yes, Lord Tiger, Lin Kai did it alone, it has nothing to do with us!”

After hearing the words Lin Kai, an angry Du Jinhu was stunned.

“Who are you talking about? Lin Kai?” Du Jinhu asked, his eyes widened.

Then An Zihua nodded quickly: “Yes, it is Lin Kai! That person is too hateful! You dare to beat Du Shao, you must avenge Du Shao!”

“Yes! Dad, you must help me kill him!” Du Huya gritted his teeth.

Just after Du Huya said, only a loud pop was heard!

I saw Du Jinhu severely slap Du Huya’s face!

The start is extremely ruthless! At that time, Du Huya’s mouth was dripping with blood!

This slap made the whole room silent.

Everyone looked at Du Jinhu blankly, no one thought that Du Jinhu would actually slap Du Huya!

Du Huya covered his face and was also confused: “Dad, why are you hitting me?”

Du Jinhu looked angry and said, “What are you doing? You rebellious son! Even Lin Kai dare to offend you?”

“Huh?” Du Huya didn’t react for a while.

Du Jinhu pointed to Du Huya's nose and cursed, "You bastard, how dare you offend Lin Kai? Lin Kai has always been a fair and unselfish good person. It must be you who did something particularly excessive that made Lin Kai abolish. Your arms!"

"Yes! Lin Kai is right, don't say he beats you, even if he kills you! I won't have a bullshit!"
