

Special Forces God Level Extraction System – Chapter 791 - 822

Chapter 791: Kill Him

Chapter 791

Thousands of people at the scene listened to Lin Xing.

Lin Ting and Liu Yun naturally heard it too. At that time, Lin Ting was furious!

Forestry is going to rebel! And in front of his own face, he rebelled in an upright manner!

“Liu Xing! Do you know what you are doing? You are too brave!” Lin Ting said angrily.

Liu Yun also said with a look of grief and indignation: “Forest is booming! Our Lin family treats you badly, right? In the Lin family, you are under one person and above 10,000. Are you still not satisfied?”

“All you have now is given by the Lin family. Now, are you going to rebel?”

After listening to Lin Ting and Liu Yun, the smile on Lin Xing’s face gradually disappeared.

At this time, he finally revealed his true face.

He smiled coldly and looked at the two of them.

“Hehe, you gave me everything I Linxing Xing? Yes, you gave me alms!”

“But what? Lin Ting! You are old! You should retire!”

“This incident is caused by your son alone. It has nothing to do with us. I did this entirely to protect myself!”

After all, Lin Xing looked at everyone and was very emotional.

I saw Lin Xing waved his hand and said, “Brothers of the Lin family.”

“The reason why the Lin family was in such a disaster was Lin Kai alone!”

“Following Lin Ting, there is only one end, and that is death!”

“But following me, Lin Xing, the result is different, you not only don’t have to die, but you can also continue to enjoy the assets of the Lin family and spend the rest of your life without worrying about food and clothing!”

“Follow me Linxingxing, and stand on my side!”

“If you want to continue to die with Lin Ting, you can stay still!”

As soon as Lin Xing’s words came out, the scene became noisy.

Everyone was discussing what Lin Xing said in a low voice.

Forestry Xing is very realistic. Only with forestry Xing and loyalty to the hundreds of families in front of you can there be a way to survive.

And following Lin Ting, he can keep his dignity, but his life is gone, so why do he need dignity?

At that time, a dozen people walked behind Lin Xing.

These more than a dozen people were originally the confidants of Forestry Xing. Now that Forestry Xing raises its flag uprising, of course they are obliged to join the team of Forestry Xing.

Someone took the lead. At that time, more and more people stood behind Lin Xing.

Dozens, hundreds, and finally, behind Lin Xing, almost the entire Lin family!

Looking at Lin Ting’s back, there were only a few dozen people left!

At this time, Lin Xing’s mouth showed a smug smile.

He laughed wildly: “Hahahahaha!”

Lin Lei was the first to rebel, but he did not succeed, because at that time, there were dozens of powerful families who helped Lin Ting.

But now, he is the second to rebel, he succeeded!

Because he occupies the right time and place! Behind him are hundreds of more powerful families!

Lin Lei, have you seen it? What you can’t do, I did it for you!

But Lin Ting’s face was pale at this time.

He personally watched his confidant leave him one by one.

These people are the people he trusts most! However, when the catastrophe flew separately, when it came to the crisis of life and death, they still chose to betray themselves!

“puff”

At that time, Lin Ting couldn't help but spit out a big mouthful of blood.

When Liu Yun and Zhang Dahai saw this, they quickly supported Lin Ting.

At this time, Liu Yun looked at Lin Xing with tears, and cursed: “Xin Lin Xing! Are you still a man? You white-eyed wolf! My husband was so good to you in vain!”

After hearing Liu Yun's words, Lin Xing stroked his chin and smiled, “Haha, madam, don't worry, you can't run away!”

“I'm worried about Madam's beauty, but it's been a long time!”

At that time, Lin Xing laughed again.

The smile is very wretched.

At this time, he finally tore off the mask that disguised himself and exposed his true face. He not only wanted to seize power, but also wanted to occupy the Patriarch's wife!

This will make him feel very fulfilled!

At this time, Lin Xing looked at Wang Mu, Zhang Hao and others.

Forestry Xing clasped his fists and said: “As long as you help me to help me forestry and stabilize the Lin family's position as the leader of the Lin family, from now on, 70% of the income of the Lin family will be honored to you.

“The remaining 30%, our Lin family keep it for our own expenses.”

After listening to Lin Xing's words, Wang Mu and Zhang Hao looked at each other, and both eyes showed satisfaction.

Windfall is not as good as water flowing!

“Good! Lin Xing, you have the foresight!”

“We can help you become the head of the Lin family, but in the future, you need to allocate 70% of the income of the Lin family to us. Will you be willing?”

After listening to Wang Mu's words, Lin Xing smiled slightly.

"Patriarch Wang, I am not like Lin Ting's elm tree. I still have a vision."

"Hold your thighs, I will find a way to survive after the forestry boom!"

"Hahahahaha!" Wang Mu and Zhang Hao laughed at this moment.

Both of them were satisfied with Lin Xing's answer.

"Not bad!"

"However, to show your loyalty, please kill your Patriarch yourself now!"

At this moment, Zhang Hao said with a smile.

There was a trace of cruelty in his smile.

Although Lin Xing's words are very tempting, they don't know if Lin Xing is deceiving people.

If they believe in Forestry Xing, they will leave. If Forestry Xing is a lie, then the Lin family is still safe and sound!

After hearing Zhang Hao's words, the corner of Lin Xing's mouth also showed a sneer.

Kill Lin Ting? It's exactly what he wants!

At that time, Lin Xing waved his hand and said, "Come here! Bind Lin Ting to me!"

Upon an order, someone immediately arrested Lin Ting.

When Liu Yun saw this, she desperately protected Lin Ting.

Zhang Dahai said angrily: "Dare you! He is the head of the Lin family!"

Snapped!

As soon as Zhang Dahai said what he said, he received a firm slap on his face!

A chill flashed in Lin Linxing's eyes: "Don't worry, none of you can run away!"

At that time, Lin Ting was **** by Wuhuada.

Lin Ting looked at Lin Xing's eyes, it was a bitterness.

“Forest, you must die!”

“Don’t worry, when my son Lin Kai comes back, you will look good!”

After hearing Lin Ting’s words, Lin Xing deliberately pretended to be afraid.

“Yo-yo-yo, don’t scare me to death, your son Lin Kai? Is it amazing?”

“What is he?”

“Do you know who the hundreds of families behind me are?”

“They are all ancient warriors! What if Lin Kai knows a few stinky fish and shrimps? Can he beat ancient warriors?”

After all, Lin Xing drew a dagger from his waist, with a sneer on his face: “It’s okay if Lin Kai doesn’t come back.”

“If he dares to come back, I will let him bury you!”

Chapter 792: Don’t Touch My Son

Chapter 792 Don’t Move My Son!

After all, Lin Xing smiled coldly.

I saw him approaching Lin Ting step by step, but Lin Ting didn’t have the strength to resist!

Liu Yun even cried, cursing loudly.

But this is useless at all.

A dozen of Lin Ting’s cronies have already been controlled, and they dare not act rashly at all!

The Lin Family is now the world where forestry flourishes!

The dagger in Lin Xing’s hand flashed with cold light, and the corner of his mouth showed a cruel smile.

“Lin Ting, close your eyes, I will be soon!”

After all, I saw Lin Xing directly stabbed Lin Ting with a knife!

Just at this critical moment, a loud shout rang out: "Stop!"

Whoosh!

With a sound of breaking through the air, a stone shot quickly and directly hit the dagger in the hands of Lin Xing!

The dagger was shot directly by the powerful force of the stone! Lin Xing took two steps back and looked surprised.

I saw someone rushing from outside the Lin family!

The man was extremely young, he looked like he was in his early twenties, and he was handsome in appearance. He was naturally Lin Kai who came back quickly!

"Xiaokai!" Liu Yun yelled after seeing Lin Kai, tears already welling up in her eyes.

Lin Ting's closed eyes opened slowly at this time, and after seeing Lin Kai, a smile appeared at the corner of his mouth.

Zhang Dahai even yelled, "Master!"

Lin Kai quickly ran to the front of everyone in the Lin family and helped Lin Ting up.

After seeing that his father had been **** by the Big Five Flowers, Lin Kai was very angry in his heart!

If he hadn't seen it with his own eyes, he couldn't believe it, that amiable Uncle Lin would dare to kill his father!

"Liu Xing, what are you doing!" Lin Kai roared.

After Lin Xing saw that it was Lin Kai, the corners of his mouth also showed a playful smile.

"Yeah, who I thought it was? It turned out to be you, a little bastard." Lin Xing sneered and sneered.

In the Lin family before, Linyixing was very good for Linkai. Every time I went out, I brought a lot of delicious things to Lin Kai.

But now it seems that he has no feelings for Lin Kai at all, all feelings are pretended!

"Little bastard, do you dare to come back?"

“It just so happens that you are back, cut the weeds and roots, in order to avoid future troubles! Hahaha!” Lin Xing laughed.

The thousands of people on the scene almost gritted their teeth with hatred after seeing Du Lin Kai.

Among these thousand people, some came for money, and some came for revenge!

In their eyes, Lin Kai killed their relatives, he should have died!

At that time, there was a burst of noisy sounds at the scene.

“The little **** Lin Kai is back! Kill him!”

“Kill Lin Kai! Revenge for my family! Kill Lin Kai!”

“Let’s rush up together and chop up this little **** Lin Kai! Kill!”

At that time, there was a sound of howling and killing.

Countless people are ready to move, the sword in their hands has been raised, ready to rush forward at any time to kill Lin Kai!

When Lin Xing saw this, he quickly shouted, “Don’t get excited!”

“do not get excited!”

“Today, Lin Kai and Lin Ting, neither of them can run away! After a while, I will kill the dog and son in front of everyone!”

“In order to pay tribute to the spirits of your family in heaven!”

When Lin Xing’s words sounded, everyone was quiet.

But everyone’s eyes looked at Lin Kai with killing intent.

Upon seeing this, Lin Kai frowned.

Why do so many people want to kill themselves?

At this moment, he accidentally saw the photos placed on the ground. After seeing the photos, Lin Kai frowned.

Because in the photos, all are the scenes of his killing!

That person is so similar to himself!

Lin Kai immediately woke up, so many people in front of him came for himself!

The prosperity of forestry probably depends on the fact that the Lin family is gone, so it is the opposite!

At this moment, Wang Mu stood up, pointed at Lin Kai, and shouted angrily: "Thief! You have done everything you want, and you have killed so many innocent people. Now you dare to come back?"

"Hurry down on your knees?"

"Kneel down!"

Thousands of people shouted in unison.

But Lin Kai frowned and said, "I didn't kill anyone! I didn't kill these people!"

Hearing this, Zhang Hao sneered: "Hehe, the iron proof is right in front of you, do you still dare not admit it?"

irrefutable evidence?

The people in these photos are indeed very much like Lin Kai.

But the person in the photo didn't show a real face!

"The person in the photo doesn't even show his face, so why do you say that I am him?" Lin Kai asked angrily.

Lin Xing sneered, and he stood up: "Heh, are you still naked when you do bad things? Masking is normal! The person in the photo is you!"

"You little bastard, how come I haven't noticed before, you are such a hateful person!"

Forestry has a jealous look.

For the benefit, even if the person in the photo is not Lin Kai, he will insist that he is Lin Kai.

Only by killing the father and son can he take over the entire Lin family in a justified manner!

"Boy, since you dare to come back, then you must be prepared to die!" Wang Mu said coldly.

He waved his hand and said: "Liu Xing, come back, this kid is a bit skillful, let my people kill him!"

"Yes!" Lin Xing clasped his fists and backed away. He looked at Lin Kai with a gleeful look.

Then, behind Wang Mu, a person walked out.

The figure is slender, holding a long sword, with sharp eyes.

He is an ancient martial arts master of the Wang family, the peak level of martial arts cultivation.

After seeing him, Lin Kai frowned, and he said loudly again: "I said! I didn't kill people! If you don't understand, I will do it!"

"When the time comes, people will die, don't blame me!"

After hearing Lin Kai's words, everyone laughed.

"Hahaha! It's ridiculous!"

"ignorance!"

Wang Mu shook his head disdainfully: "It's you? Do you know who he is? He is the number one master of my Wang family besides me!"

"Martial Master's peak level cultivation base."

"Can you kill him?"

"Oh, by the way, you still don't know what an ancient warrior is, do you? Hahaha!"

The young man with the sword had disdain and contempt in his eyes.

In Lin Kai's body, he couldn't feel any true energy.

It seemed that Lin Kai was an ordinary person who had no real energy.

In front of him, ordinary people are simply vulnerable!

At this time, Lin Ting also began to be afraid.

He regretted calling Lin Kai to come back. No matter how good his son was outside, he would definitely not be the opponent of the hundreds of families in front of him!

The master with a sword can kill his son with one sword!

At that time, Lin Ting roared: "Xinglin Xing! Wang Mu! If you want to kill, you will kill me! Don't touch my son! He is still a child!"

Liu Yun even guarded Lin Kai's body: "Whoever touches my son, I will fight hard!"

Chapter 793: Last Chance

Chapter 793

"Master!"

At this moment, Zhang Dahai stood up. Even though Zhang Dahai's face was red and swollen, he still stood in front of Lin Kai at this time.

"Master! Go away! Today, no matter what, our Lin family has to leave a seed!" Zhang Dahai said angrily.

Lin Kai looked at Zhang Dahai and couldn't help feeling a little moved.

Because he remembered Zhang Dahai, he remembered that Zhang Dahai was the most loyal one when the Lin family changed last time!

And now, Zhang Dahai is still the most loyal one!

It's just that the Lin family is sorry for him.

"Oh, it's really touching!"

At this time, Lin Xing stood up and saw him applaud.

He showed a playful smile and shook his head: "It's a pity, Zhang Dahai, why don't you keep your head open?"

"Allegiance to Lin Ting? A dead end!"

"Follow me in the forestry industry to survive!"

After that, Lin Xing looked at Lin Ting and Liu Yun again, and curled his lips.

"And you two old guys."

"Still counting on Lin Kailai to stand up for you? What will happen even if he comes back? Different is a dead end?"

“Ha ha.”

He shook his head and looked at Lin Kai.

Playful eyes.

“Lin Kai?”

“Young Master Lin Family?”

“People are all over the world?”

“Why don’t you see your contacts now?”

“This time, you call me all your contacts again!”

Forestry Xing looked contemptuous.

“It’s all useless. Today, the sky will destroy your Lin Ting line! None of you can run away!”

After all, Lin Xing took a step back, and the Wang Family Swordsman stood up at that time.

He held a long sword and looked at Lin Kai coldly.

Today, whoever protects Lin Kai will kill him!

Of course Lin Kai could not hide behind the Lin family. At that time, he protected Liu Yun and Lin Ting behind him.

He looked at the Wang Family Swordsman, his eyes cold.

This group of people is really obsessed with it!

In this case, Lin Kai can only kill him!

At this time, the Wang Family Swordsman said coldly: “Boy, don’t struggle, my sword is fast.”

After that, he suddenly drew his long sword.

A cold light flashed, and the blade took Lin Kai’s throat straight.

His sword is very fast!

Although he is a martial artist, he is also the best among them!

“dead!”

The Wang Family Swordsman roared!

Snapped!

At this time, a very crisp sound rang.

Lin Kai stretched out his **** and directly clamped the sharp sword in the hands of the Wang Family Swordsman!

The Wang Family Swordsman was taken aback, the expression on his face was frozen.

How is this possible?

The scene fell silent immediately.

Everyone looked at Lin Kai, their eyes were incredible.

This kid used his **** to clamp the swordsman's fast sword?

You know, the Wang Family Swordsman is a master of the pinnacle level of martial arts!

This kid is kind of evil!

The eyes of Wang Mu and the others were also narrowed, because they didn't feel a trace of genuine energy fluctuation from Lin Kai's body.

How did he do that?

If it is an ordinary person, it is impossible to take the sword of the Wang Family Swordsman!

There are only two possibilities. The first is that Lin Kai's cultivation base is unfathomable and above everyone!

The second possibility is that the swordsman has released the water!

“What's the matter? Kill him!” Wang Mu roared!

The Wang Family Swordsman is sweat.

It's not that he doesn't want to kill Lin Kai, but that his sword can't move at all at this time!

Was caught between Lin Kai's fingers!

Unless it is a master of Wusheng level, it is impossible for anyone to easily clamp his sword!

But Lin Kai's eyes were chilly, and when he saw his finger move lightly, he made a snap.

The sharp sword in the hands of the Wang Family Swordsman was directly cut into two pieces by Lin!

"Huh?" The Wang Family Swordsman exclaimed at this time, and the whole person took three steps back!

How is this possible?

The sharp sword in his hand is a bronze ware! It's not ordinary ironware!

He knew how strong the bronze ware was, but Lin Kai actually broke his bronze ware with his two fingers!

Everyone was taken aback, could this kid be an ordinary person?

Lin Kai said coldly: "Remember, this is your own choice."

After that, half of the sword in his hand was thrown back.

Whoosh!

There was a burst of sound, and the sharp sword directly penetrated the body of the Wang family swordsman.

Puff!

A burst of blood flew out, and the Wang Family Swordsman's eyes widened, and he looked down at his body.

I saw a blood hole in his body, killing him with one blow!

With a plop, the Wang Family Swordsman fell in front of everyone.

After seeing this scene, everyone was silent.

This kid actually killed a master of the peak level of martial arts in a second? How did he do it?

After a while, everyone looked at Lin Kai.

Everyone was taken aback.

Even the Lin family looked at Lin Kai in shock.

Is it possible that he is a master of the martial arts level? Is the Lin Family a Martial Saint?

Wang Mu's face was extremely ugly.

Because the one who died just now was the most powerful master besides him in the Wang Family!

"So you are Martial Saint!" At this moment, Wang Mu coldly snorted.

No wonder, no wonder Lin Kai is so emboldened, it turns out that he is Wu Sheng!

"Haha, even if you are Martial Saint? Today, you are not the only Martial Saint!" Zhang Hao shouted angrily.

You know, there are as many as four Martial Saints here today!

There are dozens of martial artists!

There are hundreds of warriors!

How can he fight them with Lin Kai?

Thousands of people looked angry and looked at Lin Kai with anger.

Lin Kai's eyes were completely cold, and he glanced down at his watch.

"I will give you one last chance and leave the Lin family now!"

"I Lin Kai can forget the blame!"

"There are still three minutes left, when the time comes, you won't be able to go even if you want to go!"

Lin Kai's words are extremely rampant!

After listening to Lin Kai's words, everyone seemed to have heard a funny joke and laughed.

“Hahaha! Lin Kai, do you really think that with your cultivation level, you can stop thousands of us? Are you crazy about dreams?”

Wang Mu sneered.

Zhang Hao even shouted, “Boy! You have time to kneel down and surrender now, don’t force my Zhang Family master to do it!”

At that time, thousands of people on the scene all stepped forward, and the threat was self-evident.

As the saying goes, a tiger can’t stand a pack of wolves!

What’s more, in front of Lin Kai, there is more than one person, there are thousands of people!

It is from hundreds of powerful families in China National Sky Nanhaibe!

Can Lin Kai be able to stop him alone?

The Lin family also looked frustrated.

With a Lin Kai, there is no way to save the Lin Family’s losing situation!

“So, are you trying to get confused?” Lin Kai asked helplessly, he asked coldly.

This is his last chance Lin Kai gave them, really the last time!

Chapter 794: The Lin Family Is Awesome

Chapter 794 The Lin Family Is Amazing!

“Okay!” Wang Mu nodded fiercely at this time, he was already extremely impatient!

“Are you obsessed with understanding?”

“Then we have hundreds of families, today we will walk for the sky and destroy your Lin family!”

Wang Mu roared.

Thousands of people behind him took a step forward in unison, with a thunderous momentum!

The corner of Lin Linxing’s mouth showed a gleeful smile, because he knew that Lin Kai was done!

The entire Lin family is over!

Offending these thousands of families, they will never end well!

Now, hundreds of families are about to destroy the entire Lin family!

The people who followed Lin Xing patted their chests at this time, with a look of rejoicing on their faces.

Fortunately, they left the Lin family with Lin Linxing, otherwise, their fate might be the same as Lin Ting and the others!

The expressions on the faces of the Lin family were full of fear.

Although they are loyal to Lin Ting, this does not mean that they are not afraid of death!

And now, they understand that their time to die may really come!

An expression of despair also appeared on Lin Ting's face.

His own son is very good, he is actually a powerful ancient warrior!

But it is a pity that there are too many masters in front of him, and his son has no power to fight them at all!

Liu Yun couldn't help crying too.

After all, their Lin family will perish here today.

At this moment, Lin Kai let out a burst of laughter.

"Ha ha."

"Hahahaha!"

Lin Kai's laughter became louder.

I saw that his eyes were full of mockery.

"Ignorance! You are all too ignorant!"

"Do you really think that my Lin family is so bully?"

"Okay! Then I will let you see, my Lin family is amazing!"

Lin Kai's voice resounded throughout the Lin family!

Wang Mu and the others frowned when they heard this, they didn't understand what Lin Kai was talking about.

But at this moment, Lin Kai stretched out his arms and shouted, "Xianmen! Come!"

After Lin Kai said this, at that time, the world changed color.

The sky was clear, but suddenly it was covered with clouds!

There was even more thunder!

After sensing the billowing thunder in the sky, everyone gasped. They didn't even know what happened.

At this moment, the ground suddenly felt a slight shaking.

The jitter is very rhythmic, bang! boom! boom!

It's like footsteps!

However, how many people's footsteps are this to make the ground shake slightly?

At this time, there were waves of howling and killing!

The voice is getting stronger and stronger, getting closer and closer to everyone!

Everyone couldn't help but look back at the gate of the Lin family.

At this moment, bursts of golden light flashed, and a group of people appeared from the gate of the Lin family!

An overwhelming group of people!

The gate and walls of the Lin family were directly broken through by this group of people!

Boom!

Outside of Lin's house, countless people rushed in!

Said it was rushing, but they actually walked in! It's just that their momentum is too strong! Make everyone's heart beat suddenly.

These people can't even count how many people there are.

At a glance, I think there are at least several thousand people in this group!

And their clothes are exactly the same, wearing black costumes, with fairy characters embroidered on their chests!

The person here is Xianmen!

I saw the leader, it was Wang Gang!

And Wang Gang held a big flag in his hand!

A huge fairy character was written on the banner impressively!

With a thunderous momentum, the disciple of Xianmen Three or Four Thousands pressed over. At that time, everyone felt the pressure of the sky, and it was a little difficult to even breathe.

They are all ancient warriors!

Everyone is very powerful!

Because the ancient warriors of Xianmen are different from ordinary ancient warriors.

What they cultivate is the best technique! It is the best pill!

Even the weapons are the best!

So their combat effectiveness should not be underestimated!

These three or four thousand people are just martial-level disciples, there are as many as three thousand people!

There are hundreds of warriors!

There are dozens of Wu Sheng!

As soon as such a huge force appeared, everyone's expressions changed!

This group of people stayed in the Lin family's yard, murderous.

Looking at Wang Mu and their faces, they all changed.

Forestry Xing even stuttered: "Xian...Xianmen?"

Everyone has naturally heard of the name of Xianmen.

The immortal gate is a huge and famous force in the capital!

Now, the fairy gate actually appeared in front of everyone!

Compared with the huge immortal gate, their thousands of people, hundreds of families, seemed too insignificant.

At this moment, Wang Mu's face was pale, and he said blankly: "Why are the people from the immortal door here?"

They can't figure it out at all!

Is it possible that the Lin family still has contact with Xianmen? impossible! Although the Lin Family is the largest family in Jiangbei, the Xianmen is several levels higher than the Lin Family. There should be no connection between the two!

At this moment, thousands of immortal disciples all shouted loudly and knelt down.

"Participate in the master!"

Imposing!

The voice echoed throughout the Lin family!

Participate in the master?

Everyone's expressions have changed. Is it possible that the master of the fairy gate is also on the scene today?

Who is the master of that fairy gate?

Everyone is looking for the so-called fairy gate master.

At this time, Lin Kai said lightly: "Get up."

"Yes!"

Thousands of immortal disciples immediately stood up from the ground.

After seeing this scene, everyone was shocked.

Lin Kai, is the master of the fairy gate?

This kid is actually the master of the fairy gate?

Everyone's eyes widened.

At that time, the whole scene was silent.

The eyes that everyone looked at Lin Kai changed.

Isn't this kid just a rich second generation who can only eat, drink and have fun? Why did he turn around and become the master of the fairy gate?

Isn't this a dream?

Wang Mu and Zhang Hao looked at each other, both of them widened their eyes. They never dreamed that Lin Ting's son was actually the master of the fairy gate!

If they knew that Lin Kai was the master of the immortal gate, they wouldn't dare to come to the Lin family to make troubles if they killed them!

Not to mention them, even Lin Ting was dumbfounded.

Although he knew that his son was developing well in the capital, he never expected that his son would be the master of the immortal gate!

His eyes widened, his face looked incredible.

Looking at Lin Xing's face, it changed at that time.

He naturally knows the immortal gate, and even the horror of the immortal gate, he knows how powerful it is!

But he never expected that Lin Kai, whom he had always looked down on, was actually the master of the fairy gate!

Looking at the Lin family who rebelled with Lin Xing, they were all dumbfounded.

At this time they even regretted their intestines.

Knowing that Lin Ting's son is so good in Beijing, they dare to rebel?

It's fine now, I'm afraid all of them won't have good fruit!

At this moment, Lin Kai sneered. He squinted his eyes to look at the crowd, and said coldly: "More than people? More than people, I have never been afraid of anyone in Lin Kai!"

Chapter 795: Life Is Better Than Death

Chapter 795

At that time, the whole scene was quiet.

The momentum of the immortal disciple is unparalleled in the world! The ten powerful martial sages are even more pressing the nerves of everyone on the scene.

In front of them, who dares to be presumptuous?

Lin Kai's words resounded even more throughout the Lin family!

He didn't speak big words before, he was indeed giving them a chance! He has the right to say that kind of thing, just because he is the master of the fairy gate!

The immortal gate master came, and now everyone felt a strong sense of oppression.

Who would have thought that the cynical young man who used to be, now actually became the master of the fairy gate?

Lin Xing's face was extremely pale.

He was dumbfounded, he regretted it, and now he understands how stupid he was just now!

The Lin family also stared at Lin Kai blankly. No one thought that the young master of the Lin family was such a powerful existence!

Lin Ting looked at his son with pride.

Did you see it? This is my son of Lin Ting!

He must not be in the pool!

"How is it possible?" Lin Xing muttered to himself, "How could you be the master of the immortal gate? How old are you? How could you become so powerful?"

He was pale and stepped back.

Lin Kai sneered, "Oh, it's impossible? Are you regretting it now? Are you afraid after knowing it?"

"Late!"

"Come on! Catch me!"

Lin Kai yelled, and immediately two immortal disciples strode forward, no matter what the situation was, they caught Lin Xing directly.

Forestry Xing has no ability to resist.

And Wang Mu and the others didn't dare to care at all.

At this moment, Lin Kai looked at Wang Mu and the others. Lin Kai narrowed his eyes and roared, "Come on! Didn't you want to kill my Lin family? Didn't you want to kill me Lin Kai? Come on! I want to see today. Who of you has that ability!"

As soon as Lin Kai's words came out, the audience was silent, and everyone looked pale.

Wang Mu had a green face. At this time, he mustered up his courage and stood up and said: "Lin Kai! What if you are the master of the immortal gate? Is it possible that you can kill people with high authority?"

"Killing people?" Lin Kai laughed playfully when he heard the words.

He picked up the photo on the ground and snapped it on Wang Mu's face.

"Just relying on these photos, say I am killing people?"

"You know in your heart that you can take these photos if you find someone who is similar to me! Is he showing his face?"

"If you didn't show your face, why should it be me?"

"Furthermore, I'm the master of the immortal door. Can I commit such scams? Rape and murder? Which woman Lin Kai wants, hook my finger, and that person will come to the door by himself! "

"Do you think I'm going to do this kind of thing in a meeting?"

As soon as Lin Kai's words came out, the audience was silent.

Everyone was lost in thought.

Before they came, they were dazzled by anger.

Now think about it, yeah! Is it necessary for Lin Kai to do such a thing?

People are expensive as the master of the immortal gate! How can they look at these ordinary people? Are you guilty of rape?

Lin Kai sneered: "Hehe, it's you who came to destroy my Lin Family. If Lin Kai doesn't come back today, has my Lin Family been destroyed by you?"

Lin Kai's angry voice resounded throughout the Lin family.

Everyone bowed their heads, afraid to look at him.

“I gave you a chance just now, but you don’t cherish it!”

“Okay! You want to destroy my Lin family, right? Today, my Lin family will destroy you first!”

“Xianmen disciple! Prepare!”

Lin Kai shouted loudly, and thousands of immortal disciples shouted in unison: “Yes!”

brush!

The cold light was shining one after another, and thousands of people pulled out the sharp swords on their waists! Each one is bronze!

A whistle to kill came!

Compared with the Immortal Gate, Wang Mu’s Thousand Man is like a robber who has met a regular army!

The weapon is not as good as the fairy gate, the number is not as large as the fairy gate, and the strength is not as strong as the fairy gate!

Xianmen can definitely encircle the thousands of people in front of him easily!

Upon seeing this, Wang Mu’s face was completely pale.

He doesn’t want to die here!

“Wait!” Wang Mu suddenly raised his hand.

But Lin Kai looked at him coldly.

“Master Lin, we are abrupt in this matter, but...but we are not going to die!”

After listening to Wang Mu’s words, Lin Kai seemed to have heard a funny joke, and laughed.

“The sin is not dead? Hahahaha! What a joke!”

“If Lin Kai doesn’t come back today! My father was killed! My mother was insulted! Outsiders occupy my entire Lin family! You say you are not guilty of death?”

“You all deserve to die!”

“Give me, kill!”

Lin Kai gave an order when thousands of immortal disciples roared in unison: “Kill!”

Thousands of immortal disciples swarmed! The scene is extremely spectacular!

At this time, Pan Feng’s training showed its effect.

Thousands of immortal disciples were very orderly, each of them in groups of three, forming a triangular formation, and they all swept away.

And Wang Mu waited for more than a thousand people, their faces were completely pale, at this time, they could only bite the bullet and challenge!

However, more escape!

Suddenly, more than a thousand people were killed and defeated.

Most of them are ordinary people!

At that time, **** flowers drifted past the scene.

Xianmen only took ten minutes to encircle thousands of people on the scene!

Thousands of people were all besieged and killed by Xianmen disciples!

The whole scene is full of corpses.

The Lin family, who had already rebelled in Lin Xinghe, shivered at this time and their faces were pale.

thump!

Without a word, Lin Xing knelt down!

And the hundreds of Lin family disciples all knelt down at this time.

Lin Xing said with a trembling voice: “Master, I...I was forced!”

“Master, the rebellion is definitely not my intention! It was Wang Mu who forced me! Begging Master to spare my life, don’t kill me!”

Lin Kai smiled slightly after hearing Lin Xing’s words.

He stepped forward, patted Lin Xing’s face, and said, “Don’t worry, as my Lin family, how could I kill you?”

After listening to Lin Kai's words, Lin Xing was taken aback for a moment, and then overjoyed.

"Thank you Master! Thank you Master!"

But Lin Kai's next sentence made the forestry like an ice cellar at that time!

"I will let you die better than life!"

"I will put you in the dungeon, and each meal will only allow you to eat the leftover **** of our Lin family!"

"I won't let you take a bath forever!"

"All you face is endless silence!"

"No sunshine, no women, no cigarettes!"

"Hehe, enjoy it slowly!"

After listening to Lin Kai's words, Lin Xing was dumbfounded.

He sat down on the ground, in that case, he might as well die!

And the other Lin family who had betrayed, their faces were extremely pale, and they didn't want to be like Linyi Xing them!

Lin Kai looked at them at this time.

Lin cheerful voice said: "I know, some of you are just being forced by the general situation. In order to save their lives, they chose to follow the forestry industry."

"I don't blame you for this matter."

"But! After all, you still betrayed my Lin family!"

"So, I won't treat you like Lin Xing."

"But from now on, all of you are no longer my Lin family! All the assets in the Lin family are confiscated!"

"Fend for yourself!"

After listening to Lin Kai's words, hundreds of people were dumbfounded.

Confiscated assets? This group of them all live by the Lin family!

Without the Lin family, they can only go begging.

After all, they have not done any rough work in their entire lives.

Lin Kai, what a cruel heart!

Chapter 796: Got Into Trouble

Chapter 796

For several hundred Lin family members, Lin Kai expelled all of them with a word.

It's not that Lin is happy, but they didn't choose the right master.

Afterwards, Lin Kai looked at a dozen people behind Lin Ting.

These dozens of people are the dozens of people who have been following Lin Ting and haven't left.

"You did a good job!" Lin Kai gave them a thumbs up.

"From now on, you will be my father's core subordinates! Dad, you remember, these dozen people are the heroes of our Lin family! Starting today, your treatment in my Lin family will all double!"

After listening to Lin Kai's words, a burst of exclamation came out, and these people were so excited that they exploded.

Lin Ting also nodded tearfully at this time: "I listen to my son!"

In the next time, began to clean the entire Lin family.

Thousands of corpses were all sent out of the Lin family, and the coffins were bought, and whoever wanted to claim it would claim it.

Lin Xing was imprisoned in the dungeon.

And the hundreds of people who followed Linlinxing were all expelled from the Lin family!

The damaged yard and land of the Lin family are also being restored.

All the disciples of Xianmen camped in the Lin family.

Lin Kai returned to the Lin Family that made him feel extremely familiar. The Lin Family was still the same one before, and nothing changed.

In the old man's bedroom, Liu Yun held Lin Kai's hand with a face of pampering.

She hasn't seen Lin Kai for a long time.

"Xiao Kai, I don't know if I come back for a long time, I want to kill you."

Liu Yun said lovingly.

Lin Kai smiled slightly: "Hehe, am I back?"

"In the past few days, I'll stay at Lin's house, not going anywhere!"

Lin joked.

"Really?" Liu Yun was obviously happy.

Lin Kai nodded and said, "Of course it is true."

Liu Yun was very happy when she heard it.

However, Lin Kai's father looked sad at this time.

"Dad, what are you worrying about?" Lin Kai asked.

Lin Ting frowned and said, "Xiaokai, Dad is just worried about you! You were so cruel to start today. Thousands of people were just assassinated by you!"

"Dad knows that you have the ability to protect yourself and protect the Lin family, but once this happens, it must be famous throughout China!"

"This matter is really too serious."

Lin Kai nodded when he heard the words.

He understood what Lin Ting meant.

This time, the immortal gate was dispatched, and thousands of people died. These thousands of people were not ordinary people. They were great figures from the South China Sea and the North.

The above will definitely notice.

Even if Lin Kai worked hard, but this time, things were too much trouble.

"It's okay, father, don't worry." Lin Kai comforted.

In fact, Lin Kai had no bottom in his heart.

After hearing what Lin Kai said, Lin Ting nodded, now he can only choose to believe in his son.

After chatting with his parents in the room for an afternoon, Lin Kai returned to his room in the evening.

It was at this moment that Lin Kai's cell phone rang.

"Hello?" The caller was an empty number.

If you can call Lin Kai with an empty number, Lin Kai can think of who it is with his feet, except for Kwai.

"Hello? Mountain Lord."

"Lin Kai, you can do it!" Kuiyin's cold voice came from the phone.

"One thousand three hundred and thirty-five people died, you have caused a catastrophe!"

"The last time you killed twelve people in a row in Xianmen, I had already taken care of you, and now you have killed thousands of people, don't you want to live anymore?"

Aoi's voice is full of anger.

Lin Kai was also a little nervous for a while.

"Mountain Lord, isn't it that serious..."

"Not so serious? Tell you, Jiulong Mountain has already considered whether to start hunting you!"

"Let your fairy door find a place to hide!"

"Also, don't you return to the capital recently!"

After hearing Kui's words, Lin Kai's heart squatted.

It's over, this time it really caused a big disaster.

"I see, thank you Shanzhu."

Lin Kai hung up the phone.

All the disciples of Xianmen have come out, and now they can't return to the capital.

They are also very dangerous if they stay in the Lin family.

After all, it was himself and Xianmen who participated in the killing this time.

Parents, Lin Kai is not very worried, after all, Jiulongshan will not hurt the innocent.

At this moment, Lin Kai quickly arrived at the Xianmen camp.

"Door!"

Upon seeing this, Wang Gang quickly greeted him.

Thousands of disciples in Xianmen are all living in the Lin family. Those who can live in the Lin family will live in the Lin family, and those who cannot live in the Lin family will set up tents nearby.

Lin Kai's expression was serious: "Keep your heart to protect my parents at Lin's house."

"The remaining three thousand people, set off now! Don't fly! Don't reveal your true identity, give me a trip to the Middle East! Right now!"

Lin Kai ordered.

Today, there is only a safe place in the Middle East.

In this place, the fairy gate is the real safety!

"Sect Master, what happened?" Wang Gang frowned.

"Don't ask so much, set off now!" Lin Kai ordered.

"Yes!"

When Wang Gang got the order, he immediately ordered more than 3,000 disciples up and down Xianmen to set off.

Rhubarb is still in the Middle East. It is the administrator of the Middle East. As soon as Wang Gang and the others enter the Middle East, Rhubarb will get news immediately.

With rhubarb responding to them, Lin Kai was not worried about what danger they would encounter in the Middle East.

Soon, the team began to set off.

Only Master Heart was left.

Master Leo Xin is a master of martial arts, and it is more than enough to protect the Lin family.

After doing all this, Lin Kai was a little relieved.

In the past few days, Lin Kaidu stayed at the Lin family and did not go anywhere.

However, within these few days, Lin Kai did not encounter any dangerous things, and no special people came to Lin's house.

In the past few days, Lin Kai has been investigating one thing. Who on earth is posing as himself and doing so many unreasonable things?

This is his biggest doubt.

The person and his body knew each other seven to eight points, and his eyes knew nine points.

If it wasn't for Lin Yuan's death, Lin Kai even suspected that the man was Lin Yuan!

On this day, Lin Kai was fine at Lin's house, so he went out to stroll around in the antique market nearby.

Turning on the golden pupil, Lin Kai wanted to pick up a leak in the antique market.

The antique market is very lively. This street is the busiest antique street in Jiangbei City.

At a glance, there are quite a few antiques with golden light.

However, ordinary antiques, Lin Kai did not take it seriously.

After walking all the way, Lin Kai did not find any particularly valuable antiques.

Suddenly, a noise came from ahead.

At that time it attracted Lin Kai's attention.

When I looked up, I saw that in the central part of the antique market, a group of people were clamoring loudly around a stall.

Lin Kai raised his eyebrows and walked over quickly.

Passing through the crowd, came to a small booth. This stall is very strange, because the entire stall only displays an antique.

Chapter 797: Baye

Chapter 797

Lin Kai just glanced at that antique and was fascinated at that time.

Because it is a transparent jade!

The difference with other jade is that this jade is golden all over, just like a piece of gold.
baby!

And around this piece of jade, there was a group of people.

The group of people pointed at the jade, obviously all interested.

And the owner of this jade is a little girl.

The little girl is not very old, she looks only eighteen or nineteen years old.

Dressed plainly, but wins in clean, small blush, looks very cute and simple.

“Big brothers and sisters, this jade is a heirloom of my family!”

“If it weren’t for my family’s special need for money, I wouldn’t sell this jade. Let’s take a look!”

Said the little girl.

There are about twenty people looking around the jade.

At this time, a person stood up.

The man was tall and thin, he looked like he was in his thirties, with a squiggly beard, and he looked a little cunning.

He picked up the jade and raised his eyebrows: “What heirloom? This is a broken stone!”

“The appearance is quite average, this kind of garbage can also be regarded as a family heirloom by your family? How broken is your family?”

The eight-character Hu man laughed.

As soon as his words came out, there was a burst of laughter around him.

This man with eight characters is also famous in the antique market.

He runs an antique shop, and when he is fine, he buys some treasures on the antique street.

His vision is very accurate, so the Antique Street is also quite famous, and is called the Eighth Master.

“Ba Ye said this is a fake, then this thing must be a fake!”

“Jade that looks so ordinary is not worth much.”

“Little girl, even if you give me something for nothing, I don’t want it!”

A group of strong men laughed.

However, Lin Kai could tell at a glance, these people have a tacit understanding!

Obviously they belonged to a group, they wanted to lure this little girl with jade.

At this time, the little girl frowned, and she firmly said: “Impossible! This jade is my heirloom, handed down by my grandfather. It is invaluable. How could it be rubbish?”

After hearing the little girl’s words, Ba Ye smiled.

He directly picked up the jade and weighed it in front of the little girl.

Then he smiled and said, “Little girl, let me tell you. First of all, jade, it is not golden.”

“Golden jade is obviously artificially processed, so its surface appears golden.”

“Also, it looks like your jade is crystal clear, but in fact, this is a piece of water jade!”

“Cut the inside and you can see the impurities in it.”

“This thing, if you get it on the market and sell it, it will cost you three thousand yuan!”

After listening to Ba Ye’s words, the little girl’s face immediately showed a disappointed expression.

Is it only three thousand yuan?

She thought that this piece of jade could sell for hundreds of thousands or even millions.

At this time, Ba Ye took out 3,000 yuan from his pocket, and he smiled and said, "Little girl, I think you are pitiful, so don't sell it here. I will give you 3,000 yuan. Just sell me a piece of jade."

After listening to his words, the little girl's face showed hesitation.

Sell your heirloom for three thousand yuan?

At this moment, a group of people started booing again.

"Hey! I said the boss, you are really generous in your shots! Just such a piece of broken jade, you shot three thousand dollars? You can't pay for it?"

A fat man asked pretendingly in surprise.

The Eighth Master waved his hand and smiled on his face: "Be a human! You have to have a conscience. I think this little girl is too pitiful, so I gave her three thousand yuan."

"Otherwise, ordinary people, I won't even pay three thousand yuan!"

After listening to Ba Ye's words, the surrounding crowd all gave thumbs up.

"Generous! Really generous!"

"Little girl, if I were you, I would give out this broken jade now, what are you waiting for?"

"The price of three thousand yuan is really not low."

A group of people are booing.

The hesitant expression on the little girl's face became stronger.

And not far away, people who saw the true face of Ba Ye did not dare to speak, because Ba Ye was so powerful in Antique Street, no one dared to expose him.

After hesitating for a long time, the little girl nodded heavily: "Three thousand is three thousand, I will sell it to you!"

Obviously, she believed Ba Ye's words.

And the corner of Ba Ye's mouth also showed a sly smile.

He succeeded.

Just as he was about to get the piece of jade, suddenly, a hand grabbed him and took the piece of jade directly into his hand.

“Good jade!” The person who got the jade was naturally Lin Kai.

After seeing Lin Kai, Ba Ye frowned immediately and asked, “Who are you?”

Seeing that this jade was about to reach his hand, it was snatched away by someone else. He was very upset in his heart!

Lin Kai smiled slightly and said, “It doesn’t matter who I am. What’s important is that this piece of jade is really good. I like it.”

After listening to Lin Kai’s words, Ba Ye frowned.

What kind of jade is this jade, he naturally knows in his heart, could it be possible that the kid in front of him also saw that it was a treasure?

“You fell in love? How old are you? You even dare to grab the jade that my eighth master is fond of?” The eighth ye frowned and said angrily.

The other dozen or so people also looked at Lin Kai sternly.

They were all people who helped Ba Ye to fool the little girl.

At this time, Lin Kai looked at the little girl and said, “Little girl, dont be fooled by this group of people. They are all in the same group. This jade is not a piece of rubbish. The most valuable jade!”

After listening to Lin Kai’s words, the little girl’s eyes lit up, and she asked, “Really? Big brother, didn’t you lie to me?”

Lin joked, nodded, and said, “Of course it is true. This piece of jade is called Jinlingyu. There are not a few pieces in the whole world, and it is worth tens of millions!”

After listening to Lin Kai’s words, the little girl’s eyes widened at the time, with an incredible face.

At this time, an angry expression appeared on Ba Ye’s face.

“Boy, do you dare to ruin my eighth master’s good deeds? Are you impatient to live?” The eighth master angered.

Now that the matter had been exposed, he didn’t hide it. At that time, with a big wave of his hand and a crash, a dozen people directly surrounded Lin Kai.

Eighth Yeh’s eyes were full of anger.

He stretched out his hand and said angrily: “Boy, give me the jade!”

“If you are making trouble in my eighth master’s place, you don’t want to ask, who is my eighth master!”

“Hand over the jade, I can let you go. If you don’t hand over the jade, I won’t let you get out of this antique street today!”

Chapter 798: Li Yingying

Chapter 798: Li Yingying

Ba Ye waited for a dozen people and directly surrounded Lin Kai!

When the surrounding small merchants saw this, they quickly moved away from the crowd.

They put away the antiques nearby, for fear that they might be destroyed if they fight for a while!

A worried look also appeared on the little girl’s face.

This big brother is a good person, she can tell, but this big brother seems to be beaten soon!

Lin Kai also smiled with the jade in his hand.

“Hehe, just rely on you, you also want to touch me?”

“If you have the ability, try it!”

Just a dozen ordinary people, Lin Kai didn’t care about it at all!

He is now a cultivator in the foundation period! These more than a dozen ordinary people, he can collapse them with a fart!

Ba Ye heard this, an angry look appeared in his eyes.

He angrily said: “Give it to me!”

“Clean up this kid who doesn’t know the sky and the earth!”

Hearing this, a dozen people all shouted, raised their fists and hit Lin Kai!

And Lin Kai’s eyes also flashed a hint of anger.

I saw him wave a big hand, and a wave of air was lifted out!

boom!

The dozen or so people hadn't met Lin Kai before they were all lifted out!

At that time, the whole antique street was full of jokes!

These a dozen people were directly lifted a dozen meters away!

Thump Thump!

More than a dozen people landed, and most of them spewed blood, and some people passed out directly.

At that time, the scene was silent.

The people in Antique Street are ordinary people. Where have you seen this kind of magical power?

At that time, everyone panicked!

Looking at Ba Ye again, he was dumbfounded.

He did not expect that the one he provoke was not an ordinary person!

This eighth master is also a famous figure in the antique street.

He knew that some people couldn't afford it, for example, ancient warriors!

Is the person in front of him an ancient warrior?

His face changed.

With a plop, Ba Ye directly knelt down, his legs trembling.

"Grandpa, forgive... forgive me!"

Ba Ye's voice trembled.

Lin Kai looked at him without a trace of emotion.

"You cheat even children's things? Are you still a person?" Lin Kai's voice chilled.

The Eighth Master trembled all over when he heard the words.

I saw that he kept slapping himself, very loud!

Snapped! Snapped! Snapped!

“Grandpa is right!”

“I’m not human!”

“I killed myself!”

“Grandpa forgive me!”

The Eighth Master, who is usually famous in Antique Street, is like a grandson, kneeling in front of others and slapping himself in the face.

Hearing this, Lin Kai waved his hand impatiently, and said, “Get out of here!”

Ba Ye heard this, overjoyed, and kowtow hastily.

“Thank you Grandpa! Grandpa is so kind! Goodbye, Grandpa!”

After all, Ba Ye ran away from the scene.

After Ba Ye left, Lin Kai looked at the little girl.

At this moment, I saw the little girl staring at Lin Kai blankly, her eyes full of surprise and even a hint of fear.

“Don’t be afraid.” Lin Kai smiled slightly.

“I am not a bad guy.”

“What is your name?”

Lin Kai asked as much as possible to make himself gentle.

The little girl took a step back and said timidly: “My name is... I am Li Yingying.”

Li Yingying?

Lin Kai nodded: “Good name.”

At this time, Lin Kai took out the Jin Lingyu in his hand.

Jin Lingyu, this is a good thing.

Lin Kai has already obtained two pieces of the Five Elements Jade, one is Fire Spirit Jade, the other is Water Spirit Jade, plus this piece of Gold Spirit Jade, Lin Kai already has three pieces of Five Element Jade.

It's really nowhere to be found after breaking through the iron shoes.

The system once said that this thing is a rare treasure, but I did not expect to get three yuan by myself!

Lin Kaigang wanted to speak, but the little girl said timidly: "No money, I'll give it to my big brother..."

There was fear in her eyes.

It seems that she regards herself as a bad person.

Lin Kai couldn't laugh or cry.

In desperation, he took out the bank card from his pocket and stuffed it to the little girl.

"Take this bank card. There are ten million in it. This piece of jade is considered to be bought by your brother."

After that, Lin Kai touched her head.

After all, Lin Kai took Li Yingying to a place where there was no one.

After making sure that no one was following her, Lin Kai touched Li Yingying's head: "Go home."

Li Yingying didn't see Lin Kai as a bad person either. At this time, she finally relaxed.

"Big brother, is there really ten million in this bank card?" She asked expectantly.

Lin joked: "Hahaha! Of course it is true, Big Brother will not lie to you."

Li Yingying was very happy when he heard the words: "Great! With ten million, my family can finally improve their lives!"

After listening to her, Lin Kai was very confused.

Logically speaking, in this era, there should not be any poor people in Jiangbei City!

But looking at the dressing of the little girl, her family seems very poor, and they are all so poor that they sell heirlooms.

“What happened to your house?” Lin Kai asked curiously.

Li Yingying lowered her head when she heard the words, and sighed: “Hey...”

“My father is a gambler...”

“In the past few years, the family property has been lost.”

“My dad regrets it. He went out to work and asked me to sell heirlooms to maintain a living and subsidize my family.”

After listening to her, Lin Kai touched her head and said, “With this money, your family’s living conditions will be better.”

After that, Lin Kai wanted to say something, but suddenly, his eyes changed.

“My brother has something to do, my brother is leaving first.”

After all, Lin Kai left in a hurry.

Because he just felt murderous!

Rich murderous!

Someone is tracking himself!

Lin Kai walked away from the little girl quickly and got into the alley closest to him.

At this moment, a figure quietly followed Lin Kai.

Lin Kai started running wildly in the alley!

Lin Kai’s speed is extremely fast! Most people can’t catch him!

But the shadow behind him is extremely fast!

Master-level powerhouse!

There was a thud in Lin Kai’s heart.

I have never provoke a master-level powerhouse! Why are there master-level powerhouses tracking themselves?

In a hurry, Lin Kai glanced back.

Just such a glance caused the hairs on Lin Kai’s body to explode!

Because that person is dressed in black!

Moreover, there are nine mountains embroidered on the chest!

People from Jiulong Mountain!

Covering his face, he quickly followed Lin Kai with a dagger in his hand!

The cold light lit up, and he instantly moved to Lin Kai's front, and the dagger in his hand rushed towards Lin Kai's throat!

"Lin Kai, don't resist!"

"By the order of Jiulong Mountain! Kill Lin Kai!"

"If you have made such a big mistake, if you don't die, it will be hard to calm the resentment of hundreds of families!"

"Go to hell! Don't struggle, my knife, soon!"

Chapter 799: The Real Master

Chapter 799

That master-level master is extremely fast!

The dagger in his hand directly pierced Lin Kai, a cold light flashed, and the hair on Lin Kai's body exploded!

This is a real master!

This was also the first time Lin Kai faced a real master!

Although Lin Kai killed a grandmaster last time, that grandmaster was just a grandmaster who was seriously injured.

But this time, Lin Kai faced a real master-level powerhouse!

His breath is very dangerous!

At this time, Lin Kai subconsciously shot to resist, and grabbed the arm of the great master!

The arm of that master-level expert is very powerful!

Brush!

I saw Lin Kai's footsteps rubbing underground!

That master-level powerhouse pushed Lin Kai for dozens of meters!

"Why kill me?" Lin Kai asked through gritted teeth.

He Lin Kai is also from Jiulong Mountain!

And the job is not low!

The most important thing is that during this period of time, Lin Kai has done much for Jiulong Mountain!

Whether it is a pirate or a place in the Middle East, Lin Kai has made great contributions!

Just because he killed a group of **** people, Jiulong Mountain will get rid of himself?

If this is the case, Lin Kai's heart is extremely unconvinced!

And the black-clothed man sneered: "Hehe, go to the underworld and ask Lord Yan!"

After all, his dagger stabbed at Lin Kai again!

At this time, a trace of killing intent flashed in Lin Kai's eyes!

Haha, do you really think I'm Lin Kai or the Lin Kai I used to be?

it is good! Since you are going to kill me, then I, Lin Kai, will not show mercy!

"Hahaha! Good! In that case, don't blame Lin Kai for being ruthless!"

After that, Lin Kai shouted angrily, waved his arms, and a powerful wave of air burst out of Lin Kai's body!

boom!

The powerful wave of air directly impacted on the man in black!

And the face of the man in black also changed. Obviously, he didn't expect that Lin Kai's cultivation would be so profound!

Humph!

The black-clothed man stepped back several steps before he stopped.

“Is a master!”

The man in black muttered to himself.

He tilted his head, he didn't mean to back off, on the contrary, the corner of his mouth showed a playful smile.

“This way, it's more fun!”

What is the most powerful thing about the Grand Master?

The most powerful of the grandmaster is the zhenqi transformation!

True Qi Transformation is the most powerful ultimate move of the Grand Master!

The dagger in his hand is nothing more than an ordinary dagger, and his true ultimate move has not yet been released!

At this moment, the black-clothed man dropped the dagger in his hand. As soon as he stretched out his hand, he saw a dagger transformed from Zhenqi appeared in his hand.

Lin Kai has seen this trick!

Last time, that master-level powerhouse used Zhen Qi to deal with himself!

“Hehe, let you see what is called True Qi Transformation!”

After all, he threw the dagger in his hand directly!

Whoosh!

The dagger shot directly at Lin Kai!

Above this dagger, there is the breath of a master-level powerhouse!

It was too powerful, this was Lin Kai's first thought.

However, even so, he was not afraid at all!

Lin Kai's mouth also showed a sneer.

Seeing his hands protect against his chest, a protective cover appeared in front of Lin Kai.

The protective cover is golden!

This golden protective cover was transformed by Lin Kai's spiritual power!

Spiritual power is much higher than true energy, even if Lin Kai is only a cultivator in the foundation stage, his cultivation level has already caught up with a master-level powerhouse!

boom!

After shooting the dagger on the protective cover, it collapsed directly! It became a mass of gas and disappeared into the air.

As for the black man's face, a surprised look also appeared.

"what?"

He didn't expect that Lin Kai's zhenqi was so powerful!

Of course, he didn't know that what Lin Kai used was not true energy at all, but spiritual power, which was countless times stronger than true energy!

"Want to kill me? Do you have that strength?" Lin Kai's mouth showed a sneer.

Then, he rushed forward and directly bombarded the man in black!

Lin Kai's fists fell like raindrops!

Very fast! Powerful, every punch carries Lin Kai's profound spiritual power!

And the man in black also began to pick it up.

The two raised their fists in the alley.

boom! boom! boom!

In the alley, there was a sound of beating.

The walls were destroyed by the aura of the two attackers!

And the black man, step back!

The expression on the black man's face has changed from surprise to shock!

He did not expect that this Lin Kai was so young, but his strength was so powerful!

You can actually suppress your own master! No wonder, no wonder the above attaches such importance to this Lin Kai, and even sent himself to assassinate him!

It's ridiculous that he still doesn't take him seriously.

Soon after, Lin Kai had already forced the man in black into the corner.

At this moment, Lin Kai roared: "Go to hell!"

Afterwards, Lin Kai bombarded the man in black with a punch.

With this punch, Lin Kai used his true strength!

I saw a golden light shine, and a dazzling golden light came out from Lin Kai's fist!

Lin Kai exhausted all his strength and smashed the man in black!

The black man narrowed his eyes, and at this time, his face finally appeared serious.

He angrily said: "Earth escape!"

boom!

Later, the man in black disappeared directly in front of Lin Kai.

But Lin Kai's punch directly hit the wall!

Boom!

There was a loud noise, and the wall was directly bombarded by Lin Kai's punch!

At that time, a man who was taking a shower in the bathroom subconsciously covered his key parts.

He looked at Lin Kai blankly, dumbfounded.

"what's the situation?"

And Lin Kai didn't care about this man, followed the feeling, and rushed out!

That man actually used earth to escape!

Although Lin Kai didn't know what Tu Dun was, his breath was nearby, and he must have not gone far!

He must be killed, not let the tiger return to the mountain!

Lin happily, since Jiulongshan doesn't want to live on his own, he can't make Jiulongshan feel better!

At this time, Lin Kai followed the trail and followed the man.

Lin Kai began to run wildly!

Humph!

Lin Kai's feet stepped on the ground and rushed away quickly!

Soon after, Lin Kai chased out Jiangbei City.

Gradually, the surrounding environment has changed from a steel city to a tree-lined trail. He has chased out of Jiangbei City!

And that man ran wildly in front of Lin Kai!

"Still running? Don't run, you can't run away!" Lin Kai roared.

"Don't you **** kill me? Come on! What run? Are you still a man?"

Chapter 800: Three Fights Lin Kai

Chapter 800

It seemed that he heard Lin Kai's roar. At this moment, the man running wildly in front stopped at this moment.

The black-clothed man glanced at Lin Kai with amusement in his eyes.

At this time, Lin Kai and the man in black had already rushed out of Jiangbei City.

At this time, they were at the foot of a big mountain.

This big mountain is not a big mountain for tourism. There are no people under this big mountain.

"Hehe, do you think I'm running? Wrong, it's just that I can't let go of my hands and feet in the city. In this place, I can kill you without fear!"

The black man sneered.

He was wearing a mask, Lin Kai couldn't see his face, but Lin Kai always felt that this man was smiling!

And he was laughing at Lin Kai.

The smile in his eyes is really too strong!

“Will Jiulong Mountain send you to kill me alone?” Lin Kai frowned and asked.

Jiulong Mountain supposedly knew his true strength, after all, he killed a grandmaster last time.

Jiulong Mountain will not only send a master to kill itself, right?

Oh! My own **** premonition!

At this moment, two people walked out from behind the black man!

The two men dressed exactly the same as the black man, they were wrapped tightly, leaving only a pair of eyes.

Two grandmasters again!

Fuck me!

Is the grandmaster so worthless now?

Three suddenly jumped out!

At this time, Lin Kai's heart was throbbing and throbbing, a grandmaster, he was confident to kill, but what about the two grandmasters?

As soon as the three masters came out, even Lin Kai had no confidence to overcome it!

Not to mention a victory, even if he flees, Lin Kai is horrible!

Moreover, the master of Jiulong Mountain must be stronger than the average master! Because Jiulongshan is a regular army!

“Jiulong Mountain is really worthy of me!” Lin Kai's helpless voice came.

“It's fine if you know.” At this moment, the black man sneered.

“So, are you ready to accept death?”

At this moment, the three men in black kept approaching Lin Kai, and long swords appeared in their hands.

This long sword is not an ordinary long sword, three silverware!

Jiulong Mountain is worthy of being Jiulong Mountain, and even weapons are rare silverware in the world.

Lin Kai gritted his teeth at this time and said angrily: "Come on! Give it a go!"

After that, Lin Kai roared and rushed directly!

Upon seeing this, the corners of the mouths of the men in black showed a playful smile.

"Hehe, die!"

Having said that, the three men in black also rushed towards Lin Kai, and the long swords in their hands flashed with cold light!

Without saying anything, the long sword in their hands slashed directly towards Lin Kai!

At this time, Lin Kaizhu's cultivation base also broke out! A golden light burst out from Lin Kai's body!

A powerful momentum erupted from Lin Kai!

Lin Kai bombarded the three of them with a punch, and all three of them slashed towards Lin Kai!

boom!

Lin Kai's fist met the long swords of the three of them!

At this moment, a dazzling light burst out from the center of the fist and the long sword!

Wow!

A powerful wave of air flew out!

The surrounding trees began to fall down by this powerful wave of air!

The whole scene can be described as flying sand and rocks!

boom!

Only three men took three steps back.

Looking at Lin Kai again, Lin Kai was forced back a dozen steps!

His fists have already begun to tremble slightly.

The grandmaster is indeed a grandmaster, really powerful!

The eyes of the three masters were filled with horror.

Even if they were a grandmaster, the three of them would be seriously injured if they went down with this sword!

However, Lin Kai only took a dozen steps back. This man, it seems, so young, his defense and attack power are so strong!

If the three of them face Lin Kai heads-up, they are definitely not Lin Kai's opponents!

“Good boy! Very strong!”

At this moment, a hint of admiration flashed through the eyes of the black man.

“If you don't commit any crimes, the Lord of the Ninth Mountain will be yours sooner or later! What a pity, God is jealous of talents!”

The black-clothed man shook his head regretfully.

At this moment, the three of them looked at each other and they knew that they could no longer be merciful.

At this moment, three men threw their swords into the air at the same time!

The three long swords did not fall down, instead, these three long swords floated in the air!

Afterwards, a powerful qi surged from the bodies of the three men!

Three powerful qi rushed directly into the three long swords!

And those three long swords began to become different.

The surface of the three long swords began to frost!

Soon after, these three long swords began to freeze!

These three long swords have become three ice swords!

These three ice swords look very lethal!

This is the power of Grand Master, the true energy is condensed! And can be the royal thing! Comparable to a cultivator!

“go with!”

The three men shouted at the same time.

At this time, I saw the three long swords flying directly towards Lin Kai!

Whoosh whoosh!

At this moment, the hairs on Lin Kai’s body exploded!

Because he knew that even he couldn’t hold the attack of these three long swords!

This is the attack method of the master-level powerhouse!

You can’t resist, if you resist, you can only be injured!

At this moment, Lin Kai roared: “Golden suit!”

After a roar, the golden suit appeared on Lin Kai’s body!

Golden boots!

Golden battle skirt!

Golden Battle Armor!

Golden Armguards!

Golden helmet!

Golden gloves!

Golden sword!

As soon as the seven pieces of gold appeared, Lin Kai’s aura at that time became different.

Lin Kai at this time is the real Lin Kai!

The three long swords were already flying towards Lin Kai. At this time, Lin Kai directly swung the golden sword in his hand.

“Drive me!”

boom! boom! boom!

Three crisp sounds sounded, and the three flying swords were directly cut in half by the golden sword!

Three silverware were damaged at the time!

At this moment, the three masters were dumbfounded.

This is silverware!

Even Jiulongshan doesn't have many silverware.

At this point, all is gone!

Looking at Lin Kai in front of him, the expressions on their faces became even more exciting.

Fuck me! Golden tool!

The most rare golden objects in the world!

This kid actually has a body! All in one!

No wonder, no wonder he was able to cut off the silverware of the three of them.

You know, those three flying swords have blessed their powerful innocence!

But even so, it was cut off by Lin Kai's sword!

At this moment, in the hearts of the three of them, it was a shock. The strength and financial resources of this kid are too horrible, right?

"Hehe, this is your method? You let me down a bit!"

Lin Kai held the gold rank and looked at the three of them.

And the three grandmasters looked at each other, and the three of them brushed their heads together. They knew that they could not despise Lin Kai now.

"This is what you forced me!"

"Fitness!"

Chapter 801: Lin Kai's Mission

Chapter 801 Lin Kai's Mission

Fitting skills?

As soon as these three words came out, Lin Kai raised his eyebrows. Is there such a skill?

The next scene refreshed Lin Kai's worldview.

I saw the three masters roaring in unison, and then, from their bodies, a lot of true energy gushed out!

True Qi is condensed, this is the means of a master-level powerhouse.

But have you seen three masters consolidate a weapon?

That's right!

The true energy of these three masters was gathered together!

Their true energy is still pouring out continuously!

Soon after, a huge ice sword appeared in front of Lin Kai!

That ice sword is three meters long! Half a meter wide! Very scary!

The entire ice sword exudes an extremely terrifying aura!

And the three master-level powerhouses have extremely pale faces.

In order to deal with Lin Kai, they almost used all their true energy!

"kill!"

The three masters shouted in unison.

At this moment, I saw that huge ice sword slashed towards Lin Kai!

At that time, in Lin Kai's eyes, the sky and the earth were all covered with the shadow of Ice Sword! This ice sword is really too huge!

An aura of destruction is coming!

At this time, Lin Kai took out a lot of magic charms from his Qiankun bag!

These charms are all protective charms drawn by Lin Kai before.

As soon as so many magical charms came out, countless layers of protective shields appeared in front of Lin Kai.

Not only that, but Lin Kai used his spiritual power to protect himself!

Soon after, the huge ice sword smashed down!

Rumble!

At this time, a loud noise sounded.

This sound is like a super explosion in place!

A burst of extremely dazzling light rang out, and this light could be clearly seen even if it was hundreds of kilometers away.

The fire is soaring!

And the protective cover supporting Lin Kai broke layer by layer, and it didn't work at all!

The huge ice sword smashed directly on Lin Kai's body!

However, Lin Kai has the protection of the gold suit!

Even so, Lin Kai was smashed into the ground on the spot!

At that time, a huge hole appeared on the ground!

The dust rises.

Black smoke floated.

The scene was extremely messy.

This is the power of Grand Master!

This is the real master!

The three masters all breathed a sigh of relief!

It seems that this time, Lin Kai was really defeated by them.

The three masters glanced at each other, and their eyes were exhausted. This time, they almost emptied their bodies. They hadn't been cultivated for a few months after returning, and they couldn't adjust.

When they came to the front of the giant pit, the three of them all looked down.

But just after a glance, the hairs on their bodies exploded!

Because, in the black pit, there is no Lin Kai at all!

Could it be that he was not smashed in at all?

At this moment, a golden sword floated in front of the three of them.

In the sky, Lin Kai was in a mess.

On top of the golden armor, it was already pitch black!

However, the golden object is the golden object, protected by the gold suit, Lin Kai's surface is fine.

But in fact, Lin Kai was already seriously injured!

But at this moment, Lin Kai must pretend to be indifferent.

Lin Kai's face was cold.

“Grandmaster? Haha, it's just that!”

The three masters turned pale after seeing Lin Kai, and Lin Kai was still alive!

Moreover, he can actually fly!

After seeing this scene, the three of them were dumbfounded.

They know that they are defeated! Completely defeated!

At this moment, the two black-clothed men looked at the black-clothed man standing in the center, with their eyes asking him.

And the man in black standing in the center is also under the pressure of the mountain!

“Originally, we only wanted to seriously hurt you, but we didn't expect it. The three of us shot together, and none of us could seriously hurt you.”

At this moment, the black man standing in the center sighed and said helplessly.

Now, he can only tell the whole story.

“Oh?” Lin Kai raised his eyebrows and said, “So, you don't mean to kill me anymore?”

The three men nodded at this time, looking ashamed.

Three hits one, I haven't won! Instead, they exhausted their internal strength.

"Hehe, can I believe it? You all had killers just now!" Lin Kai sneered.

The way they were just now did not seem to show mercy from their subordinates.

At this moment, the black-clothed man standing in the center said helplessly: "The Ninth Mountain Lord said, seeing Lin Kai, he will fight to death, he will not die."

After listening to him, Lin Kai was ashamed.

Kwai can really value himself!

Actually let the three masters beat himself to death, is it possible that he is not afraid of really killing himself?

"Why do you do this?" Lin Kai asked coldly.

The grandmaster replied: "We have sent a message. Lin Kai was seriously injured under the siege of the three of us!"

"The traces of the battle at the scene are evidence."

"Lin Kai, you have a mission. I am afraid that this mission will make you bear the burden of humiliation."

"Your reputation will also be ruined!"

After hearing the words of the master, Lin Kai had an ominous premonition in his heart.

"What task?"

The grandmaster replied very seriously: "There is an evil organization born in China."

"This evil organization is very mysterious."

"Shenlong sees the head but does not see the end, they do all the evil, and assassinated many important figures in our country."

"It's our number one enemy of Jiulong Mountain!"

"We at Jiulong Mountain have tried to wipe out this evil organization several times, but this evil organization is so mysterious that we have no way of starting."

“And they have extremely high conditions for income!”

“They are only interested in strong people who are wanted by Huaxia, who committed terrible mistakes in Huaxia.”

“And you, just meet the conditions!”

“You know, our Huaxia Kingdom will not kill thousands of innocent people in order to create a spy.”

“But you, Lin Kai, killed so many people in a rage.”

“After an all-night meeting in Jiulong Mountain, it was finally decided that you would not pursue your indiscriminate murder.”

“You should be the best candidate for a spy!”

“Originally, our plan was to severely wound you!”

“Then we left, but we didn’t expect that the three of us did not seriously wound you. This is our negligence.”

The three of them looked at each other with a look of shame.

The three of them are powerful masters!

In Jiulong Mountain, they are also resounding existence!

Now, three fights one, they haven’t fought, if this matter is spread, their old faces will be lost!

After Lin Kai heard what they said, there were 10,000 grass-and-mud horses galloping past in his heart. He did not expect that he killed thousands of people, but caused him such a huge trouble!

Let yourself be a spy!

From now on, his reputation is stinking, and Lin Kai, the master of the immortal gate, will probably become a rat crossing the street!

Chapter 802: Cheng Wanqian

802th Constitution

“Can I refuse this task?” At this time, Lin Kai gave a wry smile.

He doesn't want to be a spy!

This so-called all-evil organization must be a ruthless character in it!

If you lurk into this organization, wouldn't you become a sheep? Let anyone kill!

The three grand masters all smiled bitterly and said: "You can refuse this mission, but the next time you are chasing you, it may not be the three of us."

Lin Kai understood the meaning of the words of the three masters.

This is for Lin Kaigong to offset it!

Otherwise, if he killed thousands of people, Jiulongshan will still find him to settle the account!

He has only one way to go now!

"Well, I accept this task." Lin Kai reluctantly agreed.

After Lin Kai agreed, the three masters glanced at each other.

I saw a grandmaster throw down a portfolio and said, "All the materials, all are here, Lin Kai, you can do it yourself!"

After all, the three masters disappeared in place.

Their task has been completed, and the rest is done by Lin Kai alone.

After the three masters left, Lin Kai floated down from the sky, and Lin Kai, who was in the foundation building stage, could barely float in the air for a while.

However, doing so is extremely spiritual!

If it were not for pretending to be in front of the three masters and frightening them, Lin Kai would not choose to fly such a stupid thing!

At this time, the spiritual power within Lin Kai's Dantian has been hollowed out!

Moreover, he has been seriously injured!

He pretended to talk and laugh just now!

The gold suit disappeared instantly, and Lin Kai's spiritual power could no longer maintain the existence of the gold suit.

He barely bent over and picked up the portfolio.

After opening the portfolio, he was even more dumbfounded.

There are very few words in the portfolio, and the meaning is very simple.

This time, only a few high-level officials in Jiulong Mountain knew that Lin Kai's pursuit was fake. In other words, most people would really kill him when they saw Lin Kai!

What does this show?

It shows that Lin Kai has really become a mouse crossing the street, everyone shouts and beats!

This so-called evil organization is called Shadow Gate.

The shadow of the shadow, the door of the gate.

Among the shadow gates, they are known to be masters.

There are only ten experts at the master level!

There is even a transcendent master!

After reading this information, Lin Kai's head was a big one.

According to the information, Lin Kai doesn't need to do anything, the people at the Shadow Gate will come to him!

After reading the information, Lin Kai put the information into the Universe Bag.

Now, he is looking for a place to heal his injuries.

But just after two steps, Lin Kai's eyes went dark, he really couldn't hold on any longer, and with a plop, Lin Kai fell straight down.

He is too tired.

There was no spiritual power in the body, and he was seriously injured.

As soon as the three masters left, Lin Kai completely removed his disguise.

With this sleep, Lin Kai didn't know how long he slept.

He only felt that he slept very sweetly this time, he hadn't slept so well in a long time.

When he woke up again, Lin Kai found that he was in a room.

Lin Kai opened his eyes slowly, and what caught his eye was the white wall.

He moved a little, and there was a soreness all over his body.

He is still injured, but his injury has healed seven or eighty-eight.

“This is where?”

Lin Kai asked himself.

Rubbing his painful head, Lin Kai sat up from the bed.

Looking around for a week, this room is very large and the facilities are very complete.

Sofas, TVs, coffee tables, bookcases and other furniture are all available.

It's not like a hospital.

It's like someone's home.

Lin Kai moved his body, sat up from the bed, and his clothes were changed.

Lin Kai is now wearing clean sportswear.

This made Lin Kai even more curious.

Pushing open the door, Lin Kai came to the courtyard.

At that time, a burst of dazzling sunlight hit Lin Kai's face.

When I looked up, I saw a big mountain standing in front of Lin Kai.

Lin Kai recognized this mountain at a glance! This big mountain is where the great master brought him here!

It seems that I am not very far away from the place where I was unconscious!

Look at the yard again, the yard is very big! This seems to be a private estate.

Inside the manor, there are birds and flowers, corridors, and buildings. It looks like a small family.

This place is bigger than the Lin family! Moreover, the construction of the Biring House is luxurious.

The old castles stood in front of Lin Kai.

Of course, if it's worth the money, this manor can't be compared to the Lin family. After all, the location of the Lin family is the city center!

And this manor is just at the foot of the mountain.

"you're awake?"

At this time, a middle-aged man appeared behind Lin Kai.

Lin Kai looked back and saw that standing in front of Lin Kai was a middle-aged man in his fifties.

The middle-aged man wears a white Tai Chi suit with his hands on his back, with a more kind smile on his face.

"Are you?" Lin Kai asked with some confusion.

"My name is Cheng Wanqian." The man smiled slightly.

"You are Cheng Wanqian?" At that time, Lin Kai was surprised.

He naturally heard that the process was endless.

Cheng Wanqian, known as the number one master in Jiangbei!

Before, his father had come to visit him.

The Cheng family is also a family of martial arts!

The Cheng family is very important throughout Jiangbei City.

After feeling for a while, this tens of thousands of strengths is really not weak, the peak level of Wusheng cultivation base!

Jiangbei is not a big place after all. If you become a martial sage, you can stand on your own family and become a force.

"Ha ha ha, have you heard of me?" Cheng Wanqian smiled slightly.

"Of course, Mr. Cheng's name is famous in Jiangbei!" Lin Kai smiled slightly.

Cheng Wanqian has a good reputation, and it is said that he is very good with others.

When I saw it now, it was really like the name!

“Hahaha! Excessive reputation.”

Cheng Wanqian laughed and said, “Boy, I think your injury is not light, how did you get it?”

Cheng Wanqian asked.

Hearing this, Lin Kai’s eyes rolled around.

Naturally, he cannot be said to be injured by three masters.

At that time, Lin Kai casually made up a reason.

“I went up to play in the mountain, and accidentally rolled down from the mountain, so I fell seriously.”

Hearing this, Cheng Wanqian nodded, and he was not suspicious.

“So that’s the case, then your kid is lucky enough to fall down from the mountain and he hasn’t died yet. What a blessing!”

“Your injury, without ten and a half months of cultivation, I’m afraid it won’t get better.”

“In this way, you can stay at our Cheng’s house for the time being, and when you recover, I will send you back to Jiangbei City. After all, Jiangbei City is still some distance away from here.”

After hearing what Cheng Wanqian said, Lin Kai hurriedly clasped his fist and said, “Thank you, Senior Cheng.”

Chapter 803: Cheng Zilong

Chapter 803: Zilong

“Dad, who is he?”

At this moment, a young girl walked over quickly.

The girl seemed to be only eighteen or nine years old, with collagen on her face, and she looked very cute.

She was wearing a pink dress, very beautiful, with a pair of small black canvas shoes on her feet.

This is a loli type girl.

Although the figure is not hot, but the face is very cute.

In her hand, she also carried a small pink bag, and on her head was a fisherman's hat.

"Jingjing, here you are, this one is a person rescued by father from outside." Cheng Wanqian smiled slightly.

He looked at Cheng Jingjing's eyes, full of pampering.

Hearing this, Cheng Jingjing's eyes also lit up.

Because of Lin Kai's handsome appearance and extraordinary momentum, she was attracted at the time.

"That's it, hey, whose son are you?" Cheng Jingjing asked a little proudly.

Whose son?

Lin Kaigang wanted to talk about the Lin family, but after another thought, he was a wanted criminal!

The Lin family cannot be exposed.

At that time, Lin Kai said: "I am not the son of a family. My father sells buns and my mother is a courier."

After hearing Lin Kai's words, Cheng Jingjing's eyes immediately showed disappointment.

It turned out to be a child from a poor family.

"Then are you an ancient warrior?" Cheng Jingjing asked again.

Even the child of a poor family, an ancient warrior, is not bad.

Lin Kai heard this, shook his head, and said, "What is the ancient warrior?"

Lin Kai can only hide his identity as much as possible.

Hearing that, Cheng Jingjing had no desire to know Lin Kai at all.

"You don't even know what the ancient warrior is?"

Cheng Jingjing hugged her arms and looked at Lin Kai like a hillbilly.

"I don't know, what is the ancient martial artist?" Lin asked with a smile.

Cheng Jing was proud of herself, she introduced: "Ancient warrior is an existence beyond ordinary humans!"

"You can kill a cow with one punch! You can also run out of motorcycle speed!"

"You don't even know the ancient martial artist? It's a waste of life!"

After Cheng Jingjing said, she no longer had the desire to continue communicating with Lin Kai, and she left immediately.

Cheng Wanqian smiled and said at this moment: "My daughter, I'm used to being spoiled, so you have to let her be a little bit!"

Lin Kai hurriedly clasped his fists: "This is what the younger generation should do."

Hearing this, Cheng Wanqian nodded with satisfaction, and walked away with his hands behind his back.

After Cheng Wanqian left, Lin Kai was alone, wandering in the yard.

I have to say that the Cheng family is really good. It was built in such a place where birds and flowers are fragrant.

Looking around, it is full of scenery, lying on a chair in the sun, really leisurely!

Anyway, Jiulong Mountain's task for himself was to wait for the Shadow Gate to find it. During this period, it would be better to spend some time at Cheng's house.

Lying on the chair, Lin Kai sent a text message to his family to give them peace of mind. After that, Lin Kai sat in the rocking chair and slept beautifully.

It was a loud noise that made Lin Kai wake up.

Footsteps! The footsteps of hundreds of people!

At this moment, Lin Kai opened his eyes.

I saw that in the lawn of the Cheng family, hundreds of Cheng family disciples assembled!

These hundreds of Cheng family disciples are in a neat line, all of them are serious, their postures are like soldiers, and their waists are straight!

This is the Cheng family disciple!

Among them, many are ancient warriors!

The rest of the people, even if they are not ancient warriors, are physically stronger than ordinary people!

The leader is their instructor.

This person is familiar with Cheng Wanqian.

The cultivation base is around the junior martial artist.

Cheng family, there is a martial sage and a martial artist, amazing!

This kid is probably Cheng Wanqian's son, Cheng Zilong.

Lin Kai had heard of him, and this kid had been to Jiangbei City. It is said that the heads of countless big families wanted to marry his daughters.

Unfortunately, he refused.

At this moment, Cheng Zilong strode towards Lin Kai.

"What are you doing lying down here?"

"Waiting to die?"

Cheng Zilong roared, his expression serious.

Lin Kai was taken aback, fucking, what's up with him?

But when he looked down, Lin Kai understood it instantly, because the casual clothes he was wearing were the practice clothes of the Cheng family's disciples!

Cheng Zilong should regard himself as a child of the Cheng family!

"I"

"What am I? The Cheng family was ruined by such a mouse **** as you!"

"Have you forgotten the Cheng family's rules?"

"Three points deducted from you! Hurry up and get me back!"

Cheng Zilong shouted angrily, he didn't give Lin Kai a chance to speak at all!

Got it!

Lin Kai stood up helplessly. Under Cheng Zilong's gaze, he joined the team and stood in the first row of the team.

And the children of the Cheng family looked at Lin Kai with weird faces, because no one knew him!

At this time, hundreds of disciples of the Cheng family were assembled.

Cheng Zilong stood in front of everyone. At this time, Lin Kai also had the opportunity to take a good look at Cheng Zilong.

I saw Cheng Zilong's height of 1.86 meters, a very strong figure and a very handsome face.

He is not a little white face, wheat-colored skin, extremely healthy.

This kind of boy is simply a girl killer!

Moreover, at that time in Jiangbei City, there was still such a word.

There is Linjia Jiangbei waste at the top and Chengjia Jiangbei Zilong at the bottom.

Talking about Lin Kai and Cheng Zilong!

After such a comparison, Lin Kai understood at the time that his previous self was not wronged!

At this time, Cheng Zilong looked at hundreds of children of the Cheng family and said loudly: "As children of the Cheng family, this is your pride!"

"Our Cheng family is the first martial arts family in Jiangbei!"

"For thousands of years, our Cheng family has given dozens of martial arts! Even the grand master has been fortunate to have one!"

"All this is attributed to our Cheng family's unique mental method, the Cheng family mental method!"

"Now, whether you have become ancient warriors or ordinary people, all sit down for me and practice the Cheng Family Heart Technique!"

Cheng Zilong shouted, and everyone sat down cross-legged.

Lin Kai reacted the slowest, he was the last to sit down.

At this time, Cheng Zilong patrolled everyone and said loudly: "Now, all of you are running the Chengjia Heart Method for me, sink your heart, luck!"

Everyone began to breathe out luck.

But only Lin Kai sat alone, pretending to be lucky.

Because he hasn't learned the process of family mentality at all!

At this time, Cheng Zilong noticed Lin Kai at a glance.

At that time, he was angry.

The Cheng family has strict rules. Lin Kai this sting, and he doesn't train in the afternoon and just bask in the sun. Now he is still in front of so many people and treats his words as farts. Cheng Zilong was angry at that time.

"You! Stand up for me!"

Cheng Zilong pointed at Lin Kai, angrily.

Lin Kai looked around and pointed at himself: "You mean me?"

"It's you! Get out of me!"

Lin Kai stood up under all eyes.

At this moment, Cheng Zilong kicked Lin Kai without warning!

This kick ran towards Lin Kai's ass, with great strength, obviously trying to kick Lin Kai away!

Chapter 804: Mental Problem

Chapter 804

Upon seeing this, Lin Kai quickly jumped on the spot, avoiding Cheng Zilong's attack.

A joke, you, a little warrior, want to attack me too?

And Cheng Zilong obviously did not expect Lin Kai's reaction to be so fast! Can hide his leg!

"Hey hey! Stop! Stop! Don't hit me. If you hit me again, I'll fight back!"

Lin Kai quickly warned Cheng Zilong.

If Lin Kai couldn't make a move, he wouldn't make a move. Once he made a move, Cheng Zilong would be seriously injured!

After hearing Lin Kai's words, Cheng Zilong was also angry. As the person with the highest cultivation level besides the Patriarch of the Cheng family, how could he be afraid of a Cheng family disciple?

"Shoot? You can take a shot, let me see!"

After that, he kicked Lin Kai again!

Lin Kai took a step back and escaped Cheng Zilong's attack.

No one thought that this Lin Kai was so flexible that he could avoid Cheng Zilong's attacks twice.

"Hehe! You think you hide fast, so I can't help you?"

Cheng Zilong was a little angry at this time.

He saw waves of true qi fluctuations emerging from his body, and he wanted to use his true qi to attack Lin Kai!

"Stop it!" Lin Kai shouted hurriedly.

If Cheng Zilong used his true energy, Lin Kai would have to reveal his true strength, and Cheng Zilong would definitely not be able to eat it and go around!

When Cheng Zilong heard the words, he took back his true energy.

He sneered and said, "Hehe, are you afraid?"

"Afraid?" Lin Kai smiled upon hearing the words, holding his arms and raising his eyebrows: "Can I be afraid of you? A joke!"

"You!" Cheng Zilong was furious.

He pointed to Lin Kai and asked, "I ask you! Why don't you practice the Chengjia Heart Method?"

Cheng Zilong's eyes stared directly at Lin Kai. He had to make Lin Kai look good today!

Today, he will use the Cheng family's family law to punish Lin Kai!

Lin Kai stretched out his **** upon hearing this.

“First! I don’t know your Cheng family’s mentality!”

“Second! I have just observed that there are huge flaws in your Cheng family’s mental methods. Although the effect is quicker, the higher the cultivation level, the more obvious the flaw!”

After listening to Lin Kai’s words, Cheng Zilong laughed.

“Hahaha! What a joke! Our Cheng family mentality? As a disciple of the Cheng family, you look down on the Cheng family mentality?”

“Also, you actually said that our Cheng family’s mental method is flawed? Who do you think you are? The one who created the Cheng family’s mental method is a master-level master! Is it possible that you think you are more powerful than a master-level master? “

Cheng Zilong asked angrily.

At this time, a small voice of discussion sounded, and everyone was discussing Lin Kai.

Give pointers.

“Who is this kid? The tone is so crazy?”

“I don’t know it! Isn’t it our Cheng family? Never seen it before!”

“This kid dared to stand up to Cheng Zilong, is he tired of his life?”

Everyone was talking in whispers.

After listening to their words, Lin Kai also smiled helplessly, and now he was quiet, no one believed his words!

“What I said is true! You don’t want to practice the Chengjia Mind Method. If this defect is found by someone who wants to target you, it will kill you in minutes!”

After listening to Lin Kai’s words, Cheng Zilong was furious!

“presumptuous!”

“As a child of my Cheng family, I dared to talk nonsense and mess up the military will of the children of my Cheng family. I think you are living enough!”

Cheng Zilong is furious!

At this time, the infuriating fluctuations once again appeared from Cheng Zilong’s body, and he couldn’t wait to do it!

Lin Kai frowned, this Cheng Zilong is really arrogant! Don't take other people's words to heart!

At that time, Lin Kai was also a little angry, Cheng Zilong, it's okay if you don't do it, if you do it, I will definitely make you better than dead!

At this moment, I saw a little girl jumping up and down.

"brother!"

Hearing the sound, everyone looked over, and saw Cheng Jingjing hopped over.

After seeing Cheng Jingjing, all the male disciples at the scene were bright.

You know, Cheng Jingjing is the most beautiful in the Cheng family!

Not only is her face beautiful, but she is also a rich little woman. Cheng Wanqian is very fond of her.

If anyone can get her appreciation and become the son-in-law of the Cheng family, he will have nothing to worry about for the rest of his life!

After Cheng Zilong saw Cheng Jingjing, the anger on his face disappeared.

Instead, there was a petting smile on his face.

He touched Cheng Jingjing's little head and smiled: "Sister Si, why are you here?"

Cheng Wanqian has four children in total, and Cheng Jingjing is the youngest.

Cheng Zilong, the second oldest, is Cheng Jingjing's second brother.

"Brother, I think you have worked hard, so come and see you!" Cheng Jingjing smiled.

At this moment, Cheng Jingjing turned around and happened to see Lin Kai.

"Why are you here?" Cheng Jingjing frowned, showing an expression of disgust.

"Do you know him?" Cheng Zilong asked.

Cheng Jingjing nodded and said, "He is the poor man his father picked up from the outside. He is not an ancient martial artist, nor is he a rich child. Father sells buns."

After listening to Cheng Jingjing's words, Cheng Zilong suddenly realized.

No wonder this kid doesn't even know the mind of the Cheng family, it turns out that he is not a child of the Cheng family!

"Huh! Turned out to be a son who sells buns!"

"No wonder, country folks like you like to pretend they don't understand!"

"Sister, you don't know, he just said that there is a problem with our Cheng family's mentality. This country boy is really disgusting!"

Cheng Zilong said to Cheng Jingjing.

Cheng Jingjing said, looking at Lin Kai's eyes, even more disgusted.

"I said, do you know what Guwu is? You dare to say that there is a problem with our Cheng family's mentality?"

"Also, who made you here? Do you want to secretly learn our Cheng family's mentality? People like you are really damning!"

Cheng Jingjing said with a look of disgust.

After listening to Cheng Jingjing's words, Lin Kai also had a helpless expression. He looked at Cheng Zilong: "Your brother asked me to come! Also, there is really a problem with your Cheng family's mentality!"

After listening to Lin Kai's words, Cheng Zilong sneered: "Haha, if you don't wear our Cheng family's practice clothes, I will call you over? Is this your intention?"

"Hehe, you country folks, you just have a lot of mind!"

"Get off! Don't let me see you again!"

Cheng Zilong cursed.

Lin Kai is not from the Cheng family, he is not good at starting Lin Kai.

Moreover, he knew his father's temper, he treated his family very harshly, and he treated outsiders very politely.

If I really do to Lin Kai, I'm afraid my father will not let him go.

Lin Kai sneered when he heard the words, "Hehe, I have reminded you all that should be reminded. It is up to you to care if you don't care!"

After that, Lin Kai flicked his sleeves and walked away.

Chapter 805: Cheng Zizhong

Chapter 805 Bylaws

What a **** dog biting Lu Dongbin, not knowing good people!

Lao Tzu kindly reminds you, but you regard Lao Tzu as air!

Love it! I'm not waiting!

I saw Lin Kai leave quickly!

And when Cheng Zilong looked at Lin Kai's back, a trace of hatred appeared in his eyes, boy, dare to be presumptuous in front of me, Cheng Zilong, right? When you leave my Cheng family, it will be your sacrifice day!

...

Soon, Lin Kai left the crowd and returned to his room.

The Cheng family is really unreasonable!

Back in the room, Lin Kai played games and watched TV. Before he knew it, he fell asleep.

Soon, one day passed.

The next day, Lin Kai washed his face and continued to soak in the sun in the Cheng family compound.

I have to say that the environment of Cheng's family is still very good, with the fragrance of birds and flowers, and the sun is very warm, making people unwilling to leave when lying down.

Seeing the Cheng family disciples practicing mind and martial arts on the lawn, Lin Xinzong felt amused.

Although the Cheng family was the first martial arts family in Jiangbei, it was still too small in Lin Kai's eyes.

The Cheng family can't compare with the fairy gate at all!

The strength of Xianmen was much stronger than the Cheng family.

As for Lin Kai's words, they didn't take it to heart, but it didn't matter, anyway, it was not their own business, Lin Kai was already interesting enough, it was their business to listen.

"Hey!"

"people?"

Just as Lin Kai squinted his eyes to bask in the sun, suddenly, he felt itchy nose.

"Ah cut!"

Lin Kai couldn't help it for a while and sneezed.

Rubbing his eyes and taking a closer look, he saw a person standing in front of Lin Kai.

This man was holding a dog's tail grass in his hand with a smirk. Just now he was scratching Lin Kai's nose with the dog's tail grass.

This kid looks like he weighs two hundred catties, is 1.78 meters tall, and has a very rich posture.

I saw that he was wearing a brand-name casual clothes, and on his wrist, he was also wearing a famous watch, or a Rolex, all dressed up in luxury.

However, this person had a smirk on his face.

"Are you the guest the father invited?" the fat man asked stupidly.

Lin Kai was stunned, he nodded and asked: "Yes, are you?"

"Hehehe, I am father's third son, and my name is Cheng Zizhong!" Cheng Zizhong said with a smile.

Cheng Zizhong?

Lin Kai suddenly realized that he heard that the process was heavy.

It is said that Cheng Zizhong used to be the smartest person in the Cheng family, not only handsome, but also versatile!

Afterwards, it seemed that after some stimulation, the whole person became stupid.

Not only did he change from the handsome and handsome man to a big fat man of two hundred jins, but his intelligence also declined.

He is in the Cheng family now, and his status is very special.

It's better than the subordinate, but the subordinate doesn't respect him at all.

A little worse than Cheng Zilong and others, Cheng Zilong and others, did not bother to call him brothers and sisters.

Fortunately, Cheng Wanqian is a very good person. Even if he was stupid, Cheng Wanqian did not abandon Cheng Zizhong. Cheng Zizhong is now in Cheng's house and is living well.

"Cheng Zizhong! Hello, my name is Lin Kai." Lin Kai grinned.

"Lin Kai? Hello!" Cheng Zizhong smirked.

Lin Kai laughed too. This was the second person in the Cheng family who was willing to be kind to Lin Kai besides Cheng Wanqian.

"Brother Lin, what are you doing in our house?" Cheng Zizhong asked curiously.

Lin Kai smiled slightly and replied: "I am not your brother, I am not as old as you, so I just call my brother."

"Brother?" Cheng Zizhong tilted his head and thought for a while, then said, "Can I call you brother?"

"Yes." Lin Kai nodded.

"Okay! Brother!" Cheng Zi grinned happily.

"Brother Lin Kai, can we go play together?" Cheng Zizhong asked expectantly.

Lin Kai didn't even think about it, nodded directly, and said, "Yes!"

Cheng Zizhong heard the words, his eyes lit up and said, "Really?"

"Really!"

"Great!"

Then, Cheng Zizhong directly pulled Lin Kai and ran across the lawn.

Along the way, countless children of the Cheng family pointed at them.

Cheng Zi was in Cheng's family, without a friend, this foreigner would actually play with a fool, which everyone did not expect.

Soon after, I saw Cheng Zi Zhong pulling Lin Kai into his bedroom.

His bedroom is very big, and in the bedroom, there are a bunch of toys.

Pleasant Goat, Big Bear Two, Happy Superman...

Many dolls do not look like an adult's bedroom, but rather a childish bedroom.

As soon as he entered the door, a Corgi rushed over and fell into Cheng Zizhong's arms.

Cheng Zizhong hugged Corgi and smirked at Lin: "Hey hey, look at this dog, this is my dog!"

"His name is Xiao Ba!"

"Little eight, call him brother."

The Corgi screamed at Lin.

"Wow!"

At that time, Lin Kai was also dumbfounded, so he touched Xiao Ba's head.

And Cheng Zizhong's face also showed a smile, a smile from the heart.

At that time, Lin Kai was a little curious. He asked, "Zizhong, doesn't your father ask you to practice martial arts?"

It stands to reason that the Cheng family is a family of martial arts, and everyone must practice martial arts.

Although Cheng Zizhong was a little stupid, he was not a complete idiot. He could still practice.

"Practicing martial arts?" Cheng Zizhong heard this, and he shook his head: "I want to practice martial arts. The ancient martial artists they said are amazing! Second brother can even beat ten!"

After speaking, Cheng Zizhong showed an aggrieved expression again: "But the second brother said that I am not allowed to practice martial arts because he does not want to see me."

Hearing this, Lin Kai held his arm and raised his eyebrows.

This Cheng Zilong is really hateful!

At this time, Lin Kai grabbed Cheng Zizhong's wrist.

When I felt it carefully, his eyebrows were just picking.

This Cheng Zizhong can be said to be a martial arts wizard!

The meridians all over his body are very suitable for martial arts!

If he practices the mind of the ancient martial artist, he will progress very quickly, and he hopes to become a master before the age of thirty!

But such a martial arts wizard was buried by everyone.

Seeing that he was a little pitiful, Lin Kai wanted to help him.

"Zizhong, do you want to become an ancient warrior?"

Hearing this, Cheng Zizhong nodded quickly, and said, "Of course I did, but Brother Zilong won't let me practice martial arts!"

"Don't worry about him, if you want to practice martial arts, now I will teach you a set of mental methods! I promise to be much stronger than your Cheng family mental methods!"

Lin Kai said.

Cheng Zizhong was very happy after hearing what Lin Kai said.

"Really? Brother Lin Kai?"

"Really!" Lin Kai nodded and said.

After that, Lin Kai took out a book of Mind from his Universe Bag.

This original mental method was found by Lin Kai in the universe bag of the grandmaster who was killed by him. That one was the cultivated mental method.

This mental method is very powerful and very suitable for Cheng Zizhong.

Named, domineering.

Chapter 806: Accept Disciples

Chapter 806

“Dominant mentality? Brother Lin Kai, what mentality is this? Is it better than our Cheng family’s mentality?” Cheng Zizhong blinked his eyes and asked curiously.

Lin Kai smiled and nodded: “It’s definitely better than your Cheng family mentality!”

“Great! Zizhong can practice!”

Cheng Zi weighs two hundred jin, and he is happy like a child at this time.

Although Cheng Zizhong is a little stupid, he is not completely demented, but his mind is like a child.

But Lin Kai prefers Cheng Zizhong like this.

Without scheming, whoever treats him well will treat him well.

“However, Zizhong, I have never received a disciple in my life. If you want to learn the domineering mentality, you must recognize me as your master.”

Lin Kai said seriously.

The rules can’t be broken, even if the son is a good person, but the apprenticeship should continue.

Cheng Zi heard the words and nodded heavily.

Immediately, I saw Cheng Zizhong knelt down without saying anything, and knocked his head three times at Lin Kai.

“Disciple Cheng Zizhong, see Master!” Cheng Zizhong looked sincere.

Upon seeing this, Lin Kai nodded with a smile.

“Well, get up, give you exercises, today, I will help you become a martial artist!”

Lin Kai handed the exercises directly to Cheng Zizhong.

At that time, Cheng Zi sat cross-legged on the ground, opened up his domineering mind, and looked carefully.

One hour passed, and within this hour, Cheng Zizhong reviewed the domineering mind.

I have to say that he is indeed very talented, and in just an hour, he has memorized the content of the domineering mind.

At that time, Cheng Zi started to meditate again. According to the domineering mental method, he used his body's power to absorb the thin aura in the air and transform it into his own true qi.

The spiritual power cultivated by Lin Kai is also transformed from aura, and the true qi used by the ancient martial artist is also transformed from aura, but the spiritual power of the cultivator is stronger.

When Cheng Zi started to practice again, Lin Kai flipped his hand, and the Yulong Pen had already appeared in his hand.

At that time, Lin Kai waved his hand and drew three charms without saying a word.

In just one minute, three magic charms appeared in Lin Kai's hands.

"Town charm! Go!"

With a wave of his hand, the Zhen Ling Talisman had dissipated in the air, turned into a little bit of starlight, and surrounded Cheng Zizhong.

The Zhen Ling Talisman can stabilize Cheng Zizhong's soul and prevent him from becoming confused.

"Suck the magic talisman! Go!"

Another magic talisman was pasted. This magic talisman can help Cheng Zizhong absorb the surrounding aura more smoothly, and the speed will be doubled when he cultivates!

"Talisman! Go!"

The talisman can make Cheng Zizhong practice more attentively.

These three kinds of charms are all available in the market.

When many ancient warriors advanced to the ranks, they all yearned for these three kinds of charms, but these three kinds of charms were almost lost, and there were very few people in the world who would draw these three kinds of charms.

But Cheng Zizhong is lucky, his master is a master of magic!

After about ten minutes, with a pop, Cheng Zi opened his eyes again.

A wave of air was emitted from him, and he became an ancient warrior!

Cheng Zizhong was delighted, he didn't expect that he would become an ancient warrior!

Cheng Zizhong's body exudes a faint innocence, his innocence is very domineering, much stronger than the same disciples of the Cheng family!

"Master! I have become an ancient warrior! Master! You are so amazing!" Cheng Zizhong said with joy.

Lin Kai smiled slightly, and said, "Hehe, Martial Artist, it's only the initial stage of Ancient Martial Artist, there is still a long way behind, waiting for you to go!"

After that, Lin Kai waved his hand, and a pile of spars appeared in front of Cheng Zizhong.

Spar, this thing is a treasure to others, but to Lin Kai, it is just a pile of broken stones.

"Wow! Spar!" Cheng Zi looked surprised.

"I saw this in my dad's bedroom. My dad only has a few dozen yuan, so I can't bear it!"

Cheng Zi said in surprise.

This thing, even a master of the martial arts level, only stored a few dozen yuan.

But Lin Kai, there are one hundred thousand yuan!

These 100,000 yuan were obtained by Lin Kai through his own means, and some were obtained by the immortal door and put it here.

When Lin Kai shot, it was a thousand spars!

"Zizhong, the spiritual energy in the spar is more pure and easier to be absorbed. You will use this for cultivation every day in the future."

"Don't worry that the spar will run out. If you run out, you can ask the master for it."

"Remember, don't tell others that you have a thousand spars, because others will steal your spars."

Lin Kaiyu's earnest teaching.

Cheng Zi heard the words and nodded, "Master, I remember!"

Lin Kai smiled and nodded.

Although my apprentice is naive, he is still quite sensible.

Soon after, Lin Kai left Cheng Zizhong's bedroom.

Unconsciously, a week's time has passed.

During this week, Lin Kai had been waiting for the shadow gate people to appear.

But it is a pity that in this week, Lin was tired from eating and sleeping, and the shadow gate people never showed up.

"Haha, it's best if you don't show up, I will be here forever!"

On the rocking chair, Lin Kai was basking in the sun with a dog's tail in his mouth.

"Master!"

At this moment, the ground trembled slightly, and only two hundred jin Cheng Zi Zhong rushed over.

"Zizhong! Didn't you let you practice? Why did you run out?"

"Master! I can't practice anymore!" Cheng Zi pointed to his stomach again.

I saw his belly billowing, like a pregnant woman.

"Damn me?"

Lin Kai's eyes widened and took a closer look, then he was dumbfounded.

I saw that Cheng Zizhong's dantian was full of real energy.

In this week, Cheng Zizhong's practice day and night has reached the peak level of martial artist!

Cultivation genius! Lin Kai sighed in his heart.

Although the domineering mental method he gave him is the top mental method, he uses spar to practice, indeed, much faster than ordinary people.

But he was able to cultivate to the peak level of a martial artist in a week. It was really a genius!

It seems that now I can help him break through to become a martial artist!

"Zizhong, follow me."

As Lin Kai said, he got up from the rocking chair, took Cheng Zizhong, and left Cheng's house all the way.

Outside the Cheng family, there is a mountain.

There was no one on the mountain, Lin Kai took Cheng Zizhong and walked all the way up the mountain.

Ten minutes later, Lin Kai led Cheng Zizhong to a deserted land.

"Zizhong, sit here and help you become a martial artist for your teacher!" Lin Kai said.

Cheng Zizhong heard this with a look of surprise: "Master, can Zizhong become a martial artist?"

"Second brother is a master at the martial arts level! Can Zizhong also work?"

Chapter 807: Genius Cheng Zizhong

Chapter 807 Genius Cheng Zizhong

Lin Kai smiled and nodded: "He can, why can't you?"

"Moreover, after you become a martial artist, you will be even more powerful than him!"

"Really?" Cheng Zizhong asked expectantly.

"of course it's true."

Then Cheng Zizhong sat down.

Lin Kai drew three more charms.

These three charms are more advanced!

Can help Cheng Zizhong upgrade more smoothly! Of course, Cheng Zi is very talented, and even without these three charms, he can quickly break through.

"Remember, Qi Luck Dantian, gathers the true qi in the Dantian, keep in mind the mantra of the domineering mind, and start to break through!"

"Don't stop, no matter how uncomfortable, don't stop."

Lin Kai asked.

"Yes! Master!"

Cheng Zizhong agreed and immediately began to practice the domineering mind.

Ten minutes passed, and Cheng Zi was sweating profusely.

Obviously, breakthrough is also a very hard work for him, but fortunately, there are three spiritual talisman protectors, plus Lin Kai's side guidance, he has not encountered any major problems, and everything is going smoothly.

After half an hour, Cheng Zi gave a heavy roar.

“what!”

Wow!

A wave of air radiated from Cheng Zizhong's body!

boom! boom! boom!

I saw that the surrounding trees were knocked down by the waves of air emanating from him! At that time, there was flying sand and rocks.

And Cheng Zizhong's momentum has also become different.

He has broken through from a martial artist to a martial artist level!

Moreover, Cheng Zizhong, who has cultivated his domineering mental method, is even more domineering now!

The domineering momentum is even more obvious!

Those who possess true energy are martial artists!

Those who exude innocence will be a martial artist!

Infuriating and imperial, Fang is Wusheng!

The person who is infuriating is the master!

At this time Cheng Zizhong had already become a master of martial arts level.

In the Huaxia Kingdom, martial arts are rare in existence. As a martial artist, he can eat and wear for the rest of his life.

“Yes, not bad.” Lin Kai nodded with satisfaction.

“Zi Zhong, as my only apprentice, I want to tell you a secret.”

As soon as Lin Kai said this, Cheng Zizhong clasped his fists in his hands and said cleverly: "Master, you speak, Zizhong listens."

"Your Cheng family mentality has a fatal flaw."

"The higher the cultivation base, the more obvious this defect is."

"Those who have cultivated the Cheng family's mental methods, although their true Qi is domineering and pure, they are most afraid of noise."

"That is to say, you will exude your zhenqi from your mouth and turn it into a domineering voice. The ancient martial artist who has cultivated the Cheng family's mental method will feel that zhenqi is completely lost in an instant!

"If you control this, even your father is not your opponent!"

After listening to Lin Kai's words, Cheng Zi nodded in focus.

"The disciple remembered!"

Lin Kai nodded when he heard the words.

At this time, he took out a weapon from his universe bag.

That is a Tang knife, a straight Tang knife.

This knife is very domineering and suitable for Cheng Zi to use.

This knife is the knife used by that grandmaster, Hurricane!

With the Golden Sword, Lin Kai didn't use this thing anymore. Today, he gifted Hurricane to Cheng Zizhong.

"Zi Zhong, this is the first weapon given to you by the teacher, this is a silverware!" Lin Kai said.

"Silverware?"

Cheng Zizhong's eyes were full of surprise.

He knows how rare silverware is! Even his father had nothing more than a bronze ware.

And his master, when he shot it, it was a silver ware, so lavish!

"Yes, it's silverware. This thing is given to you by the teacher."

At this time, Cheng Zi made a heavy plop and knelt down directly.

“Master!”

“Zhizhong knows himself and is inherently dull, but the master does not abandon him, he even teaches his son to re-cultivation, and even gives him a precious knife. Zizhong will never forget Master’s kindness!” Cheng Zizhong said sincerely.

Lin Kai helped Cheng Zi up.

“Hehe, you should thank you for your character. If you weren’t born clean, you would not be accepted as a disciple as a teacher.”

Cheng Zi nodded heavily.

Then Lin Kai handed the hurricane to him.

“Remember, in general, don’t show your hurricane and true energy.” Lin Kai exhorted.

Lin Kai was also afraid that he would suffer.

Cheng Zizhong nodded again.

Then Lin Kai and Cheng Zizhong walked down the mountain.

Soon after, Lin Kai and Cheng Zizhong came to the gate of Cheng’s house.

As soon as they arrived at the gate of Cheng’s family, two people walked toward them, and Lin Kai and Cheng Zi were stunned.

I saw Cheng Zilong wearing practice clothes, and Cheng Jingjing dressed as a loli, as if preparing to go out together.

After seeing Lin Kai and Cheng Zizhong, they both stopped.

“Second brother! Fourth sister!”

Cheng Zizhong went over to say hello stupidly.

And Cheng Zilong hugged his arms with a look of disgust: “Stay away from me! Don’t call me the second brother! It’s shameful to have a brother like you!”

Cheng Zizhong heard the words and showed an aggrieved expression.

“Four sisters...”

Cheng Zizhong looked at Cheng Jingjing again, hoping that Cheng Jingjing could comfort him.

But Cheng Jingjing took a step back, as if Cheng Zizhong was very dirty.

“Stay away from me! These are my new clothes, don’t get me dirty!”

Cheng Jingjing’s tone was very impatient.

As their own brothers, they actually dislike Cheng Zizhong so much that Lin Kai couldn’t stand it anymore.

“He is your own brother, how do you treat him?”

When Lin Kai spoke, Cheng Zilong looked at Lin Kai at that time.

Cheng Zilong hugged his arms. The last time Lin Kai confronted him in front of so many people, he was still brooding about this matter.

Of course he felt unhappy when he saw Lin Kai again.

“Haha, brother? You are the only one who can treat a fool as a brother, right? Playing with a fool? Haha!”

Cheng Zilong sneered.

Cheng Jingjing fanned the flames on the sidelines: “Brother Zilong, you don’t know, the poor nowadays have many hearts!”

“He knows that he is not at the same level as us, and can’t please us, so he asked you silly brother to start!”

“After all, no matter how stupid he is, it is our Cheng family! He has a good relationship with Cheng Zi, so we can come to the Cheng family to eat and drink!”

After Cheng Jingjing said, she rolled her eyes.

She thinks Lin Kai is so dirty!

When Cheng Zilong heard the words, he hugged his arms and laughed: “Hehe, Zizhong, anyway, you are also our Cheng family, such a poor person in the countryside, you will still seldom interact with him in the future, you know?”

After hearing what Cheng Zilong said, Cheng Zizhong was very angry.

He opened his hands and protected him in front of Lin Kai.

“Second brother! Fourth sister! Zizhong forbids you to say that to Master!”

“Master is very nice!”

After listening to Cheng Zizhong’s words, both of them were taken aback.

what? Master?

Lin Kai became the master of this fool?

Just kidding?

“Master? Cheng Zizhong, do you still recognize this hillbilly as a master?”

Chapter 808: Gamble With Cheng Zilong

Chapter 808 A Gamble With Cheng Zilong

Cheng Jingjing’s voice rose by a degree, her eyes widened, and she looked at Cheng Zizhong with hatred for iron and steel.

“Cheng Zizhong, no matter how stupid you are, you are also part of our Cheng family! How can it be to recognize a hillbilly as a master?”

Cheng Jingjing looked down on Cheng Zizhong, and even less on Lin Kai.

Cheng Zilong hugged his arms and snorted coldly: “Huh! Cheng Zizhong, do you still recognize him as a master? What can he teach you? Can you teach you how to brag?”

The words of both of them are hard to hear.

Cheng Zi was very angry when he heard the words, and saw his fat body trembling.

“You...you are not allowed to say that, Master Zizhong!”

Cheng Zi pointed at the two and said angrily: “Master is amazing! Master also taught me martial arts!”

After hearing what Cheng Zizhong said, Cheng Zilong and Cheng Jingjing seemed to have heard a big joke.

“What? Hahahaha!”

“This hillbilly teaches you martial arts? Zizhong, Zizhong, you are a fool, you were deceived by him! He is teasing you!”

“This kid is not an ancient warrior at all, what can he teach you?”

Cheng Jingjing sneered with her arms.

Cheng Zilong also shook his head, and said, “Hehe, Zizhong, do you know why I didn’t let you practice martial arts? Because you are stupid! You are not that stuff! So, don’t waste your time on this!”

“Father has said that you are not the material for martial arts at all, so no matter how you toss, you will never become an ancient martial artist!”

Cheng Jingjing heard the words and quickly agreed: “Yes, in the Cheng family, the most talented in martial arts is the second brother. He is only twenty-five years old and has become a master of martial arts!”

“If you give the second brother more than ten years, maybe the second brother can become the second grandmaster of the Cheng family!”

When Cheng Zilong heard the words, a smug smile appeared on the corner of his mouth.

Cheng Zizhong was very afraid of the two, so he didn’t dare to talk back.

But at this moment, Lin Kai put Cheng Zi heavy protection behind him.

“Oh? Cheng Zilong is the most talented person in the Cheng family? Wrong!”

Lin Kai said suddenly.

When he said this, both of them looked at Lin Kai with bad eyes.

Even the passing Cheng family looked at Lin Kai with weird eyes. Cheng Zilong is the most talented person in the Cheng family. This is a well-known thing, but this kid denies Cheng Zilong’s talent?

At that time, Cheng Zilong’s face showed an unhappy expression.

“Hehe, you mean, I’m not the most talented young man in the Cheng family?”

“Then you say, who is it!”

Lin Kai smiled slightly, pointed at Cheng Zizhong, and said, “He is the most talented person in the Cheng family! Give him three more years, and he will become a master!”

After listening to Lin Kai’s words, the whole scene fell silent.

Soon after, there was a burst of laughter.

“Hahahaha! Lin Kai! Are you **** kidding me?”

Cheng Zilong laughed.

“You said this idiot is the most talented person in our Cheng family? Are you squeezing your mind?”

Cheng Zilong clutched his stomach and laughed, showing no face to his brother.

And Cheng Zizhong also lowered his head. Over the years, he was used to being laughed at by Cheng Zilong. Therefore, in front of Cheng Zilong, he had always been very inferior.

Cheng Jingjing also laughed and said: “Hehe, hillbilly, even if you are a trash, you still regard the most trash person in our Cheng family as a genius? It really is the beauty in the eyes of a lover!”

The Cheng family onlookers also laughed disdainfully.

Obviously, no one believed Lin Kai’s words, and Lin Kai’s words were regarded as a joke by everyone.

Lin Kai smiled and shook his head. Why don’t you believe me?

“Don’t believe me? It doesn’t matter, believe it or not, you are no longer Zizhong’s opponent?”

Lin Kai looked at Cheng Zilong with a smile.

Cheng Zizhong now has become an ancient warrior at the level of a martial artist.

Although not as rich as Cheng Zilong’s combat experience, Cheng Zi’s victory is in the domineering technique, and Cheng Zilong is definitely not Cheng Zilong’s opponent.

Cheng Zilong heard this and laughed again: “Hahaha! Are you kidding? I’m not this fool’s opponent?”

“Believe it or not, I can beat him down with only one hand?”

Cheng Zilong yelled.

Lin Kai smiled and shook his head. This Cheng Zilong is too conceited.

“Believe it or not.” Lin Kai babbled.

“Humph!”

At this time, Cheng Zilong’s eyes rolled around, and an idea was born in his mind.

“Lin Kai, do you dare to make a bet with me?” Cheng Zilong said suddenly.

“What bet?” Lin Kai asked.

“The day after tomorrow, it is my Cheng family’s annual martial arts competition. If I win Cheng Zizhong in the martial arts competition, you kneel down and kowtow to me and call Dad! How?”

After that, a sly smile appeared at the corner of Cheng Zilong’s mouth.

If Lin Kai didn’t agree, he would laugh at him fiercely now.

If Lin Kai agreed, he would let Lin Kai kneel down and humiliate him severely!

“What if he wins you?” Lin Kai asked at this time.

“Hahaha!” Cheng Zilong laughed after hearing the words, “Impossible! If he can beat me, he will be my elder brother from today! Among the young generations of the Cheng family, he is the eldest! I am the second!”

“A word is settled!”

Lin Kai agreed.

At this moment, Cheng Zilong was taken aback. He didn’t expect that Lin Kai would dare to agree.

But since you dare to agree, then I dare to let you kneel down and call Dad!

There is a gambling appointment, when the time comes, even my father will not be able to punish me!

The corner of Cheng Zilong’s mouth showed a sneer.

At this time, Lin Kai took Cheng Zizhong into the Cheng’s house in stride.

Cheng Zi pouted his mouth and said, “Master, I’m not the second brother’s opponent...”

“You are his opponent.” Lin chuckled.

“After you go back, absorb the aura in the spar, don’t shame me.”

“Well, Master.”

Cheng Zizhong reluctantly agreed.

After sending Cheng Zi back to the room, Lin Kai went back to his room.

After dinner, Lin Kai watched a TV series in his room.

For Lin Kai, life now can be said to be extremely leisurely!

Apart from eating and sleeping every day, only sunbathing and watching TV shows are left. It can be said that Lin Kai has stepped into the life of an elderly person ahead of schedule.

At ten o'clock in the evening, Lin Kai was ready to go to bed.

But at this moment, Lin opened his ears and he seemed to hear a slight sound of footsteps outside the room.

Bang!

At this time, the window of the room suddenly shattered!

Whoosh!

A dart shot towards Lin!

But Lin Kai took it casually, and then took the dart in his hand!

And a black shadow flashed outside the window, and the black shadow ran by, Lin Kai couldn't see who it was at all.

Lin Kai didn't choose to chase after him, because the man had no intention of killing himself.

Chapter 809: No. 38

Chapter 809

The dart in Lin Kai's hand is a diamond-shaped dart.

Darts had no intention of killing Lin Kai, because behind Darts, there was a letter hanging.

Lin Kai took the envelope from behind the dart. The envelope was black. On the envelope, a huge shadow was written.

After seeing this shadow character, Lin Kai's heart beat suddenly.

Sure enough, what should have come is here, Shadow Gate's letter!

It seems that Jiulong Mountain's calculations are really good, and the Shadow Gate is indeed very interested in his own murderous demon, so soon he threw an olive branch.

Lin Kai opened the envelope, and inside the envelope was a very simple letter.

"Hello, warrior. I am the CEO of Shadow Gate. Your performance has attracted me. As a mysterious organization that has been passed down for hundreds of years, there are ten great masters in Shadow Gate, and there is also a strong who transcends the master. The existence of the shadow gate is comparable to the strength of Jiulong Mountain. The shadow gate exists to eliminate the Jiulong Mountain. Your performance is very good. This is an invitation letter. If you want to join the shadow gate, please hold this invitation letter, and report to Jiangbei City Xianggang Hutong No. 38 tomorrow."

This is an invitation letter to invite Lin Kai to join Shadow Gate.

After receiving the invitation letter, Lin Kai took a deep breath.

To be honest, Lin Kai didn't want to join this **** shadow gate. Although the shadow gate was strong, Lin Kai was a peace-loving person.

There is no way!

Whoever makes himself impulsive and kills so many people is now responsible for his impulse.

Tomorrow, Lin Kai must go!

After washing, lying on the bed, Lin Kaimei took a nap.

The next day, after Lin Kai woke up, he cleaned up and left the Cheng family directly.

Along the way, Lin Kai didn't need to take a taxi. There were very few people on the road anyway, so Lin Kai ran straight towards Jiangbei City.

Lin Kai's speed is so fast, if anyone can see it, he will definitely shout, fuck!

Because of Lin Kai's speed, it was too fast!

After arriving in Jiangbei City, Lin Kai put on a mask.

Now that he is a wanted criminal after all, it is better not to let acquaintances recognize him.

Xianggang Hutong? Lin Kai had some impressions of this hutong. After all, Lin Kai was a native of Jiangbei.

Soon after, Lin Kai came to the hutong entrance of this hutong.

This alley is built in the center of Jiangbei City.

Inside, there are some old buildings.

Although this hutong is in a prime location, it is a pity that the city government stipulates that residents are not allowed to build their own houses.

Therefore, the people living in this alley are almost all dilapidated houses.

Developers do not dare to develop here, because the price here is too expensive.

Therefore, the people living in this hutong are very sad. They obviously have a house worth tens of millions. They cannot be renovated or sold. They can only live here aggrieved.

Lin Kai strode into the alley.

Inside the alley, its very shady and cool. If its summer, staying here to play mahjong is definitely cool!

Soon after, Lin Kai walked deep into the alley.

“Number 38?”

At this time, Lin Kai came to the door of No. 37 residence.

Number 38 is on the side.

Lin Kai just wanted to go to the 38th, but at this moment, a little girl ran out of the 37th!

The little girl didn't see Lin Kai and ran into Lin Kai's arms directly.

“Yeah!”

Lin Kai looked down and found that the one who ran into his arms was actually a little beauty.

The appearance of the little beauty is extremely marked, with collagen on her face, big eyes and oval face. Although she has no makeup, she has a youthful look.

She is wearing a very simple sportswear, although it is not a famous brand, it is better than clean.

This little girl is familiar!

“Li Yingying?” Lin Kai asked.

This little girl is the same little girl Lin Kai met on Antique Street two days ago.

At that time, Lin blossomed for ten million and bought Jin Lingyu from her hands.

Unexpectedly, I met her here.

After seeing Lin Kai, the little girl burst into tears.

“benefactor!”

The little girl hugged Lin Kai, tears fell in her eyes.

“What’s wrong? Don’t cry!”

Lin Kai couldn’t help but feel distressed when he saw the little girl crying, and hugged the little girl.

Li Yingying’s cry was very pitiful. She pointed to courtyard 37 behind her and said:
“Benefactor, save my dad! Save my dad!”

...

House No. 37, this house is very ordinary.

The small attic on the second floor, a very crowded small courtyard, the house is more than 50 years old, the walls are all painted off, and the handrails of the stairs are also rusty.

And in the living room of the private house, it is very miserable.

The dilapidated sofa was dark and covered with mouse holes.

On the floor, there is a corner in the east and a corner in the west.

This is Li Yingying’s home.

And Li Yingying’s father, sitting on the sofa at this time, frowned.

His name is Li Pingchuan, the gambler's father Li Yingying calls him, fifty-three years old this year.

Holding a Hongta Mountain in his hand, he frowned tightly, and was twitching bit by bit.

In his hand, there was a bank card, and this bank card was the bank card Lin Kai gave to Li Yingying.

In front of him, there is a group of people!

A dozen people! The whole living room of Li's family is full!

"I said brother-in-law! You are really stingy! There are ten million in your hand, and what if you borrow one and a half million from you? How about returning the family? I am!"

At this time, a middle-aged man in his thirties scolded with his arms.

He is Li Pingchuan's brother-in-law and Li Yingying's uncle.

"Brother-in-law, brother-in-law, why did my elder sister be blind, and such a white-eyed wolf with you? I can't bear to borrow 1.5 million?"

"Fucking stingy!"

The brother-in-law scolded.

"Yeah, really stingy! Our family doesn't borrow much, so we borrowed half a million. You see how he looks like he's picking up search, how about returning relatives? Haha!"

"Li Pingchuan, do you still have a conscience? Isn't it two million? You have ten million, and don't even borrow two million?"

"I really turned my face and didn't recognize people!"

A group of relatives are scolding Li Pingchuan for the white-eyed wolf.

This group of relatives are all the maidens of Li Pingchuan's wife.

Li Pingchuan's wife passed away a few years ago.

Li Pingchuan smoked his mouth and frowned.

Lao Zhangren and old mother-in-law were right in front of him.

Lao Zhangren is a lot of age, but he also came. He looked at Li Pingchuan and said coldly: "You white-eyed wolf! My daughter shouldn't marry you back then!"

"Isn't it just asking you millions? My grandson needs a house and a car to get married now! Can't you help?"

"You have ten million in your hand!"

"Can't even borrow this money?"

Hearing this, Li Pingchuan's eyes also flashed a trace of anger.

"Don't go too far!"

Chapter 810: This Is Our Money

Chapter 810: This Is Our Money

Finally, Li Pingchuan was angry!

"Mom! Dad! The reason why I still call you Dad and Mom now is just because of your dead daughter!"

"These money is my money! Not yours! I can lend to whomever I want to lend. I don't want to lend, I won't borrow a penny!"

Li Pingchuan said angrily.

After listening to Li Pingchuan's words, there was a loud noise.

I saw the old wife and mother-in-law trembling with anger.

Pointing to Li Pingchuan: "Nizi! Nizi!"

"Is this what people said? We are your mother-in-law and old man!"

"You actually said such a thing?"

The mother-in-law pointed to Li Pingchuan at this time and said with a trembling body.

Hearing this, Li Pingchuan sneered: "Hehe, mother-in-law? Old man? Brother-in-law?"

"I asked you! Some time ago I owed half a million in debt! Where are you guys? Have you ever supported me a penny?"

"I'm going to find you, I can't even enter your house!"

"Is this something the mother-in-law and the old man should do?"

Li Pingchuan asked angrily.

As soon as his words came out, a dozen people were silent.

At this moment, the younger brother-in-law sneered with his arms in his arms: "Haha, brother-in-law, gambling is a crime in the first place. You owe money, and you take the blame. What does it have to do with us?"

As soon as the brother-in-law's words came out, all the relatives agreed.

"Yeah! Want to borrow money for gambling? No way!"

"Help you? What if you gamble again?"

"Yes! Our family doesn't have much money, so why can I help you?"

There was a burst of noisy sounds.

After listening to them, Li Pingchuan's face also showed a sneer.

"Haha, yes! Not bad!"

"I will take your words in my heart! Since my Li Pingchuan debt has nothing to do with you, does the windfall that Li Pingchuan made has something to do with you?"

"Am I obligated to lend you money?"

Li Pingchuan asked angrily.

As soon as Li Pingchuan's words came out, everyone was silent again.

Soon after, only a cold snort was heard from Lao Zhangren.

He pulled his grandson over, and his grandson looked only eighteen or nine years old, but he was very handsome.

"Li Pingchuan, have you seen it? This is my grandson!"

"You are his uncle!"

"He will get married soon! You need a house, a car, and a gift! Since you, as his uncle and his elder, are obligated to give the money!"

"Don't **** talk about gambling! It's your own business, it has nothing to do with us!"

“We don’t want much today! We only need five million! If you take out five million, we will leave immediately!”

The old man said.

After all, the mother-in-law held her arms and said, “Yes! Five million is not much, don’t you have five million left?”

“The remaining five million will be enough for you to survive the rest of your life!”

A group of people are just as they should be.

But Li Pingchuan knew what virtue they were.

Even if they took out these five million, they would take away their remaining five million thinking of the Fa!

This group of people are the robbers who see money open!

Li Pingchuan didn’t speak any more at this time, so he held his arms and sat on the spot, motionless.

Seeing Li Pingchuan not speaking, the old man said angrily: “Okay! You don’t pay a penny, right?”

Then, the old man looked at his grandson and said: “Grandson, I will go out to see others in the future, do you know what to say?”

The eighteen or nine-year-old grandson nodded and said, “I know! Grandpa!”

“How to say? Let everyone listen loudly!”

The old man ordered.

The eighteen or nine-year-old grandson immediately replied: “Li Pingchuan is a white-eyed wolf! He killed my aunt, and the 10 million he received was actually insurance cheated by my aunt!”

“Our family kindly helped him pay off his gambling debts. Now that he has money, he turned his back on him and didn’t recognize anyone!”

After listening to his words, the old man clapped his hands and said, “Okay! Remember, I will say that when I see people in the future!”

After all, the old man looked at Li Pingchuan, blew his beard, and said: “Li Pingchuan! If you don’t take out the five million, we will ruin you!”

This guy is aggressive, making Li Pingchuan's heart an anger!

He was so angry that his chest was up and down, he slapped the table and said angrily: "Get out of here! Get out!"

After hearing Li Pingchuan's curse, the brother-in-law pointed at Li Pingchuan and said angrily: "Who the **** are you letting go?"

"You dare to be so disrespectful to my father now, right?"

"Believe it or not, I smoke you?"

After all, the brother-in-law took off the belt directly from his waist and pointed at Li Pingchuan.

A group of more than a dozen people, all gearing up, seemed to beat Li Pingchuan.

Li Pingchuan was so angry that he couldn't speak.

At this moment, the brother-in-law's eyes twitched and he saw the bank card in Li Pingchuan's hand.

"Brother-in-law, the ten million is in this bank card, right? Hand in the bank card!"

The brother-in-law said angrily.

At that time, all of them were eyeing the bank card in Li Pingchuan's hand.

And Li Pingchuan protected the bank card in his hand.

He angrily said, "What do you still want to do with the robbing?"

"Mingqiu? What are you talking about? Out of the ten million, five million originally belonged to us! Hand over the bank card!"

The brother-in-law said angrily.

Li Pingchuan guarded the bank card.

"This is my bank card! You can kill me if you have the ability!"

Li Pingchuan roared.

That brother-in-law was also a ruthless person. At that time, he rolled up his sleeves and said, "Brothers and sisters, grab the bank card, and that ten million is ours!"

After all, he took the lead. At that time, a dozen people, including men and women, all rushed to Li Pingchuan.

“Hand over the bank card!”

At that time, the whole scene was very chaotic.

I saw Li Pingchuan curled up on the sofa, tightly guarding the bank card in his hand.

And a dozen people beat and scolded Li Pingchuan!

I saw my brother-in-law waved his belt vigorously and beat Li Pingchuan severely.

Snapped! Snapped! Snapped!

“You **** hand over our money! Or you will be killed!”

“Li Pingchuan! Hurry up!”

My brother-in-law went crazy, and stomped Li Pingchuan’s head with his feet, and stepped Li Pingchuan on the ground!

Lao Zhangren also hurried forward at this time and kicked Li Pingchuan’s face. At that time, Li Pingchuan was bleeding.

“I won’t pay it!”

Li Pingchuan said angrily.

boom!

At this moment, I saw my brother-in-law kick Li Pingchuan’s brow.

But Li Pingchuan only felt dizzy in his brain, he finally had no strength, he let go of his hand.

The bank card in his hand was snatched by someone at that time!

“Got it! I got our money back!”

The man gave a very excited cry.

Chapter 811: A Good Show

Chapter 811: A Good Show

Everyone looked at the bank card in his hand and their eyes lit up.

My brother-in-law grabbed the bank card and laughed: "Hahaha! BMW, I'm here!"

Everyone laughed, laughed from the bottom of their hearts!

This ten million is enough for the whole family!

The old father-in-law and mother-in-law also showed gratifying smiles on their faces. Their grandson's RV has finally fallen off!

"father!"

At this moment, two figures appeared at the door of the living room.

The people here are Li Yingying and Lin Kai.

After seeing Li Pingchuan who was beaten with blood on his face, Li Yingying gave an exclamation and rushed towards Li Pingchuan.

"Dad! How are you? Father! Wake up! Don't scare me!"

Li Yingying shook Li Pingchuan's body.

But Li Pingchuan was beaten so hard that he had blood on his face and was terrified, and he couldn't even open his eyes.

Just now a group of people besieged him, he is a lot of age, and he can't hold it!

And Li Pingchuan's relatives looked at Li Yingying and Li Pingchuan coldly, without any intention of saving people.

"How can you do this? He is my father! He is your relative!" At this time, Li Yingying had already cried out, and she pointed to the crowd and cried out, pear flowers bring rain.

Hearing that, a group of people holding their arms, they all looked like they were hanging up high.

"Your dad asked for this! If he takes out the money earlier, we will do it?" The brother-in-law sneered, holding his arms.

"But the money originally belonged to my father! You are robbery! I want to call the police!"

Li Yingying cried.

At this moment, Li Yingying took out his mobile phone and prepared to call the police.

Upon seeing this, my brother-in-law gave a sneer, and saw that he stepped forward, took the phone directly, and slammed the phone to the ground, causing it to fall apart!

“Call the police? You report one and try!”

“I’m telling you! Li Yingying, do you know why your mother left so early? It’s all because of your family!”

“This ten million is regarded as your compensation for us!”

“You give it a try!”

“I’m telling you! The law does not blame the public! With so many of us, can we still get arrested? Those who are not arrested will get revenge on your family!”

“Humph!”

Arrogant! Very arrogant attitude!

Li Yingying did not put Li Yingying in his eyes.

While Li Yingying looked at the broken cell phone, teardrops couldn’t help falling down, and she began to cry, looking so pitiful.

And this group of people didn’t care about Li Yingying, let alone Li Pingchuan’s life and death.

Snapped! Snapped! Snapped!

At this moment, Lin Kai applauded.

A smile appeared on his face, and he looked at Li Pingchuan’s brother-in-law and the crowd.

“Good show! What a good show!”

“When the Li family is poor and difficult, you just ignore it.”

“Now that the Li family is well developed, you have come to borrow money? If you fail to borrow money, then grab the money?”

“And also under the banner of some relatives, and under the banner of Li Yingying’s mother, okay! What a shame!”

A smile appeared on Lin Kai's face.

It seems that Lin Kai is smiling, but in fact, Lin Kai has already hated this group of people.

This group of people is really hateful!

When Lin Kai spoke, everyone looked at Lin Kai.

"Who the **** are you?" Li Pingchuan's brother-in-law said directly.

"Is there anything about you here? Be less **** nosy, get out of here!"

The brother-in-law said arrogantly.

These dozens of people all looked at Lin Kai sternly.

Now Li Pingchuan's brother-in-law is the leader of this group of people, and they can do anything for money!

"who am I?"

Lin Kai smiled slightly and said, "Hehe, introduce yourself, my name is Lin Kai, Lin Kai's Lin, Lin Kai's Kai!"

"Lin Kai?" Several of them looked at each other.

They all shook their heads: "What **** Lin Kai, I haven't heard of it!"

"Have you heard of it? It doesn't matter."

Lin Kai smiled. He came to Li Pingchuan and looked down at Li Pingchuan's situation.

It doesn't matter if it doesn't look, Lin Kai frowned at that time.

I saw that Li Pingchuan's body was about to lose his vital signs.

"Haha, it's really vicious! For money, I actually beat a person to death!"

Lin Kai said coldly, and he looked back at several people.

At that time, Lin Kai quietly grasped Li Pingchuan's wrist and transmitted a wave of vitality into his body, hanging his life first.

"died?"

Hearing this, my brother-in-law took a look at Li Pingchuan.

I don't know this, but I was taken aback.

I saw Li Pingchuan's eyes started to turn up, his breathing became weaker, and his heartbeat nearly stopped.

Li Pingchuan, covered in blood, is about to die!

The faces of the brother-in-law and others were very ugly.

When they started just now, they didn't show any mercy, but they didn't expect that they would beat people to death!

"Huh! How about a man? The body is so weak, just hit it twice, then reborn as a woman in the next life!"

At this time, Li Pingchuan's mother-in-law whispered.

Although her voice was not loud, it passed into Lin Kai's ears clearly.

Lin Kai listened, full of anger!

Is this the attitude of the family?

Is this the attitude of being a mother-in-law?

"It's too much!"

Lin Kai said angrily.

He looked at Li Pingchuan's brother-in-law and stretched out his hand: "Return the bank card to me!"

Upon seeing this, my brother-in-law put the bank card in his hand into his pocket, and he arrogantly said: "Here it is? Why should I give it to you?"

"What the **** are you?"

"This is our housework!"

At this time, more than a dozen people surrounded Lin Kai, quite as if you dare to act rashly, we dare to do it.

"Haha, no?" Lin Kai narrowed his eyes. At this time, he had already moved to kill.

“I give you one last chance, give me your bank card! Kneel down and apologize to him!”

Lin Kai roared.

Even though Lin Kai looked fierce, but the brother-in-law still didn't know how to repent.

He and Lin Kai faced each other and said arrogantly: “I won't give it!”

“What can you do to me?”

“Do you dare to do it? With so many of us, are you our opponent?”

“Boy, it's you, who are you? Dare to intervene in our housework? You should kneel down, right?”

After listening to his words, Lin Kai laughed.

Smiled helplessly.

Amidst the helpless laughter, there were bursts of coldness.

He was really angry!

“Seriously, I don't want to kill people, but don't force me!”

Lin Kai's voice was very hoarse, carrying his angry emotions.

But Li Pingchuan's brother-in-law, instead of being afraid, had a joke.

He took a step closer and poked Lin Kai's chest with his finger.

“Yeah, are you trying to scare me to death?”

“Killing?”

“I give you a chance to kill me!”

After that, the brother-in-law exposed his neck.

He pointed to his neck and said, “Come! Cut me here! Do you **** dare?”

Chapter 812: I'm Going To Call The Police

Chapter 812

At this moment, an angry look appeared in Lin Kai's eyes.

He was really angry!

He is almost unable to control himself, he wants to kill!

“Do you dare?” The younger brother-in-law showed a mocking smile on his face.

He used his finger to poke Lin Kai’s chest hard, and said, “Don’t you dare!”

A dozen people behind my brother-in-law, all holding their arms, sneered on their faces.

Lin Kai also laughed at this time. He looked at his brother-in-law and said, “It’s too cheap for you to die like this.”

Lin Kai now is no longer what Lin Kai used to be.

Killing is not a very good thing for Lin Kai, and it will affect Lin Kai’s reputation in Jiulongshan.

However, Lin Kai wanted him to die!

At that time, I saw Lin Kai grabbed my brother-in-law’s neck with one hand!

Snap!

My brother-in-law’s face turned red at the time.

Obviously, he didn’t expect Lin Kai to dare to do it!

“You!” The younger brother-in-law’s face flushed. He grabbed Lin Kai’s hand with both hands. He struggled hard, but unfortunately, he was not Lin Kai’s opponent.

No matter how hard he struggles, he can’t get rid of it!

At this time, Lin Kai took back the bank card easily.

“Hehe, you are a jumping clown in front of me!”

After that, the corner of Lin Kai’s mouth showed a cruel smile.

Seeing his leg moved, with a snap, Lin Kai kicked one of his legs directly on my brother-in-law’s knee!

At that time, only a click was heard, and my brother-in-law’s knee was bent visibly!

Broken!

Comminuted fracture!

At that time, the brother-in-law's cry of killing a pig sounded, and his tears were already rolling down!

"Ah! My legs! My legs!"

He cried out in pain.

At this time, the corner of Lin Kai's mouth showed a cruel smile again.

"Haha, spend the rest of your life in bed!"

After that, Lin Kai used force once again and broke his other leg!

With a click, I saw my brother-in-law kneeling on the ground, and his two legs were bent in terrifying lines. Just looking at it made people feel cold all over.

Lin Kai's methods were really cruel.

The relatives of Li Pingchuan were all stunned at this time.

No one thought that Lin Kai was such a cruel person!

He actually dared to do it!

And dare to destroy Li Pingchuan's brother-in-law!

Lao Zhangren was trembling with anger!

"You! You! Do you dare to attack my son?" He raised the walking stick in his hand and walked tremblingly.

"I beat you to death!"

After that, with a cry, the walking stick smashed towards Lin Kai's head!

"Hehe, don't think that depending on your age, I will not attack you!"

With a snap, Lin Kai took the walking stick directly in his hand, and Lin Kai looked at the old man's eyes without a trace of emotion.

"I finally understand. It's not that the old people are getting bad, but the bad guys are getting old! It's really not the upper beam and the lower beam!"

After that, with a click, the walking stick in the old man's hand was crushed to pieces by Lin Kai!

After seeing Lin Kai's great hand strength, the old man's face also showed a look of fear.

This kid is a practicer!

"You! You wait for me!"

"I tell you! I know the deputy director of the Jiangbei Public Security Bureau! You wait for me! Call the police!"

After all, the old man tremblingly took out his cell phone and wanted to call the police.

Seeing this scene, Lin Kai did not stop it.

He sneered and called the police? Haha, who is the bad guy and who has done bad things, don't you know who is not?

Seeing that Lin Kai was not easy to provoke these dozen relatives of Li Pingchuan, no one dared to provoke Lin Kai anymore.

But none of them left, because all of them looked at the bank card in Lin Kai's hand!

Even though my brother-in-law had his legs broken, the look in Lin Kai's eyes was still very bitter.

He pointed to Lin Kai and said, "You **** don't go! When the police arrive, I will catch you all!"

furios! Too rampant!

Soon after, only the sound of a police siren was heard.

Three or four police cars came to the gate of the yard.

Then, a group of police officers walked in from outside!

There are a dozen policemen!

The man in the lead was a fat man with a big belly. Lin Kai saw him on the TV station in Jiangbei City. This man was the deputy director of the Jiangbei Police Station!

He took a dozen police officers directly and strode into the yard.

After seeing him, the old man was overjoyed and greeted him quickly.

A dozen people greeted the past.

“What’s the matter? Who called the police?”

The deputy chief of the police station frowned and asked.

The old man raised his hand and said tremblingly: “Director Zhao, I called the police!”

After seeing Lao Zhangren, Director Zhao frowned.

Obviously, he also knew the old man.

“It’s you! Pharaoh’s head.”

Director Zhao nodded and said.

He and Li Pingchuan’s father-in-law still have some relatives.

The old man nodded, and at this time, everyone assisted his brother-in-law and came to Director Zhao.

I saw a crying expression on the old man’s face.

“Director Zhao, look. Someone beat my son like this! Look at this leg. For the rest of his life, he may only be able to spend the rest of his life in a wheelchair!”

Director Zhao looked at his brother-in-law’s legs.

From this look, even the dozen or so policemen were shocked.

My brother-in-law’s legs are already bent and are about to be scrapped!

Who moved the hand, so cruel!

“Too presumptuous! Such a cruel hand!” Director Zhao frowned and asked: “Where is the other person? Take me!”

The old man broke the house with a finger and said, “Director Zhao, people are inside!”

At that time, I saw Director Zhao leading a dozen policemen into the broken house in stride.

At that time, the entire living room was full of people!

Director Zhao saw Lin Kai at a glance, and even Li Pingchuan lying on the ground!

After seeing Li Pingchuan, he frowned. What is going on?

“What’s the matter? Why is there another person here?” Director Zhao frowned and asked.

At this time, the old man stood up and said: “What is going on with this man, we don’t know!”

Lao Zhangren obviously opened his eyes and said nonsense!

do not know?

Li Pingchuan obviously did it by them!

“You bullshit!” At this time, Li Yingying cried and stood up: “Comrade police, it was my father who beat them up. Now my father is... almost dead!”

Director Zhao frowned when he heard this, and he looked at the old man.

There was a sneer on Lao Zhangren’s face.

“Hehe, Xiao Nizi, you can’t talk nonsense!”

“I’m your grandfather! Why are we doing nothing to beat our son-in-law?”

“He was already like this when we came!”

“I’m afraid... I’m afraid this person did it too!”

Chapter 813: The Wicked Complain First

Chapter 813

The old husband pointed at Lin Kai and said tremblingly.

I saw his tears and expression, it was a wonderful thing.

Anyway, Li Pingchuan was dying and he couldn’t survive, so he just said nonsense!

No one knows the truth anyway!

Director Zhao nodded when he heard the words. He also felt that the old man's words made sense!

After all, they are a family, why should a family take action against a family? On the contrary, Lin Kai in front of him, with such cruel methods, I am afraid he really beat this Li Pingchuan!

"You nonsense! Obviously you beat my father!" Li Yingying cried at this time.

She grabbed the policeman's hand and said, "Comrade policeman, you must investigate clearly! We are innocent!"

At this moment, the mother-in-law stood up and said, "Director Zhao, this kid is blinded by this kid at first sight!"

"There are more than a dozen of us, you just pull out one person and ask, see if we do it?"

"It must be this kid's hand!"

At this time, more than a dozen people stood up, and they separated themselves one after another.

"Director Zhao, we are all innocent! We didn't do it."

"It's all this kid, he must have used his hands, he is a stranger!"

"Director Zhao, you must investigate clearly and give us a fair deal!"

More than a dozen people said one sentence at a time. At that time, the policemen at the scene were really moved by their acting skills and believed in a seven-to-eighth point.

At this time, a trace of triumph flashed through the eyes of the old man.

Haha, really when we dare not call the police?

No evidence! No physical evidence! No monitoring! What happened at the scene depends on our mouth!

It's you, wait for the prison meal!

Lin Kai sneered at this moment, and he clapped his hands.

Happiness!

“Okay! That’s good! What a wicked person first sue!” Lin Kai sneered.

This family is really disgusting!

Director Zhao also looked at Lin Kai at this time, and he asked coldly: “I ask you, what is your relationship with their family?”

Lin Kai shook his head when he heard the words, and said, “It doesn’t matter, I don’t know their family.”

“Then why did you come to their house?” Director Zhao asked.

At this moment, Lin opened his mouth, a little speechless.

Why did you come to their house? It’s because of nosy!

“Can’t tell?” Director Zhao sneered.

At this moment, he pointed to the younger brother-in-law who was injured by Lin Kai and asked again: “I ask you, did you hurt him?”

Lin Kai nodded, and said, “Yes, I hurt it!”

After listening to Lin Kai’s words, Director Zhao nodded and said, “What else can you say? I have roughly analyzed the situation at the scene!”

“You, a stranger, came to their home and wanted to do something illegal.”

“But it’s a pity that you were hit by the owner of this house! So you wanted to kill people, so you beat them like this!”

“Coincidentally, the little girl is back, you know this little girl, so you fooled this little girl with your own rhetoric!”

“But unfortunately! When you were escaping, you were hit by their relatives. If they refused to let you go, you shot and injured someone! Am I right?”

Director Zhao had an analysis, and the relatives of the Li family all lit their eyes and raised their thumbs.

“Director Zhao is wise!”

“Director Zhao, your analysis is accurate, this is what happened!”

“Yes! All right!”

A group of people quickly agreed.

At this time, Lin Kai's mouth also showed a helpless smile.

He could see that Director Zhao obviously had a leg with the relatives of the Li family!

However, the performances of the relatives of the Li family were pretty good, and it was enough for the deputy director to step down! This deputy director can also take all the charges on him as it should be!

"What else can you say?" Director Zhao asked with a sneer.

Lin Kai shrugged and said, "I have nothing to say!"

"Since there is nothing to say, come here! Take it away for me first!"

At that time, several policemen came forward and prepared to take Lin Kai away.

And the eyes of the old man and brother-in-law were full of mocking eyes.

This is the end of your nosy!

When we catch you away, we can keep you out for the rest of your life by operating a little bit outside!

Go to jail and repent!

At this moment, Li Yingying was impatient, she knew that Lin Kai was really innocent!

"You can't catch him! He is a good man!"

Li Yingying stopped in front of a crowd of policemen.

But a policeman didn't care about Li Yingying, and pushed Li Yingying aside.

Afterwards, he went to arrest Lin Kai.

"What a mediocre official!" At this moment, Lin Kai sneered.

He looked at a crowd of policemen and said coldly: "You try to touch me!"

As soon as Lin Kai's words came out, several police officers stopped and looked at Lin Kai with vigilance.

Hearing this, the old husband stood up and said, "Could you still want to attack the police? Assaulting the police is a plus! You are dead!"

“Assault the police?” Lin Kai laughed when he heard the words.

He took out his ID from his pocket and asked: “Do I need to attack the police?”

That is Lin Kai’s military certificate!

Director Zhao frowned after seeing the credentials.

This kid is actually a soldier?

However, depending on his age, the military rank should not be high, and he did not take it seriously.

He took Lin Kai’s ID at random, but when he opened it, he was dumbfounded.

Age, twenty years old!

Name, Lin Kai!

Military rank, colonel!

Actually a big colonel!

Twenty-year-old colonel! Director Zhao was stunned at that time.

“Are you a big colonel?” Director Zhao was a little surprised.

Lin Kai withdrew his credentials, looked at everyone, and said coldly, “As a soldier of the Huaxia Kingdom, can I lie?”

“Director Zhao, your ability to do things is very poor!”

Lin Kai reprimanded.

Director Zhao’s expression also changed.

He originally wanted to help Old Wang and closed the case in a hurry, but he didn’t expect that he would encounter a hard problem!

Lao Zhangren’s face also changed.

He did not expect that this kid would still have this kind of identity!

“It turned out to be Colonel Lin. It was rude. I see this case. We have to investigate it carefully.”

There was a smile on Director Zhao's face.

He knew that Lin Kai's identity was extraordinary, and he also knew that Lin Kai might have a lot of background.

Therefore, Lin Kai cannot offend.

Offending a major colonel for a relative of his family is not worth it. He is going to win over Lin Kai first.

At that time, Director Zhao stretched out his hand, trying to shake hands with Lin Kai.

But at this moment, Lin Kai withdrew his hand and didn't even mean to shake hands with Director Zhao.

"Check it out? I think you, the director, don't want to do it!"

Chapter 814: Audacious In The Extreme

Chapter 814

Lin Kai shouted angrily.

He is really angry! His heart was very angry!

And Director Zhao's face also changed, Lin Kai didn't give him any face!

"Major Lin, what do you mean?" Director Zhao looked ugly, he asked.

Lin Kai sneered and said, "What do I mean? I want to ask, what do you mean!"

"Come with a group of policemen and just listen to them?"

"Then come to condemn me?"

"Director Zhao! You Director, don't you want to do it?"

Lin Kai scolded angrily.

Director Zhao heard the words, his face was green.

He clenched his fists and was very angry!

He is worried about Lin Kai's identity, but this does not mean that he is afraid of Lin Kai!

But Lin Kai's attitude is too tough, which makes him very shameless!

“I don’t want to do it? Comrade, please pay attention to your wording!”

“Let me quit? You don’t have that qualification yet!”

“Even if you have a high rank! But the military and police are irrelevant! What can you do with me?”

Director Zhao shouted.

Full of momentum!

The dozen or so policemen behind him also straightened their backs!

Yes indeed! Even if your military rank is very high, there is no relationship between military rank and policeman!

Director Zhao said to re-investigate, that is to give you face! You can’t be shameless!

The old man was also relieved at this time. Originally, he was afraid that Director Zhao would be afraid of Lin Kai and ignore them.

But now it seems that this kid is looking for death!

Actually want to confront Director Zhao!

At this moment, Lin Kai took out his credentials from his pocket again.

“I don’t have that qualification? Open your dog eyes and see! See if I have that qualification!”

After all, Lin Kai directly threw the certificate on Director Zhao’s body.

Director Zhao accepted the certificate, but just took a look, his face changed at that time.

I saw nine mountains painted on the black certificate!

Others don’t know what these nine mountains mean, but he does know it!

These nine mountains represent Jiulong Mountain!

Jiulong Mountain is the most mysterious organization in China.

It can be said that Jiulongshan is the supervisor of Baiguan!

At this time, Director Zhao couldn't wait to slap himself with a big mouth. Since the other party can become a colonel at such a young age, it means that the other party's background is definitely not ordinary!

At this time, Director Zhao opened his credentials tremblingly.

After seeing the position of captain, Director Zhao almost fainted!

The other party is not the same as the cave master of Jiulong Mountain!

The opponent is actually the captain!

The captain who is in charge of a hundred people!

Big guy!

After reading the documents, Director Zhao's attitude towards Lin Kai changed drastically.

I saw him return the ID to Lin Kai with both hands.

"It turned out to be Captain Lin. He was really disrespectful, disrespectful..."

At this time, there was sweat the size of soybeans on Director Zhao's forehead.

At this moment, he is tense. If the other party gets angry, take off his black hat, just like playing!

The other party is a big man he can't afford to provoke!

And the old man and the others didn't know what Lin Kai showed them, but now, the more than a dozen police officers treat Lin Kai like their relatives!

"Director Zhao, you must be fair for us! Don't let him be so arrogant!" The old man said with aggrieved expression.

Director Zhao snorted coldly, and he glared at the old man.

If it weren't for you, could I offend such a big man?

At this time, he already hated Lao Zhangren!

"Humph! What you just said is very suspicious!"

"What is going on, we will investigate it!"

Director Zhao said coldly.

After all, he added: "Also, don't let me preside over justice for you now. Captain Lin is the highest-ranking officer on the scene! You should let him preside over justice for you!"

"Huh?" The old man was dumbfounded when he heard this.

Can't even Director Zhao offend him?

Is the opponent with the highest position on the scene?

What credentials did he show Director Zhao just now?

The old man was dumbfounded.

My brother-in-law was also dumbfounded.

All of them were dumbfounded.

They knew what they did just now!

They never expected that everything they did would be seen by the official!

Lin Kai sneered with his hands behind his back. He looked at the old man and said, "Play! Continue to play!"

"I see what else you guys can do!"

Lao Zhangren's face changed at that time.

Now he is ashamed!

He knows that it's over, he and his gang are all over!

This time, I saw hard stubble!

At this time, Lin Kai looked at his younger brother-in-law again and said, "Hehe, do you think I dare not kill you? Believe it or not, I have killed more people than you know?"

Lin Kai killed more than a thousand people anyhow!

At this time, Lin Kai's words carried strong confidence!

A faint murderous aura emanated from his body.

The brother-in-law trembled all over, he was paralyzed on the ground, and now he regretted his impulsive actions.

Director Zhao also trembled all over.

He had no doubt about Lin Kai's words.

He knew that Lin Kai was really the kind of murderous demon, because people in Jiulong Mountain were very dangerous!

At this time, Lin Kai looked at Director Zhao again.

Lin Kai sneered: "Hehe, Director Zhao, I'm afraid you still don't know what happened at the scene?"

"Okay! Then I will make it clear to you now!"

At this time, Lin Kai took out Jin Lingyu from his Universe Bag.

"This jade, named Jinlingyu, is the Li family heirloom!"

"The conditions of the Li family are very difficult, so the Li family decided to sell this jade, and it was this little girl who sold it."

"It just so happened that I ran into her and I bought this jade. The Li family has 10 million!"

Hearing this, Director Zhao had already guessed what happened next.

"I happened to pass by here today."

"At the door, I ran into her."

"In her house, a group of relatives showed up here, asking him for money! Five million!"

"He didn't give it, and this group seriously wounded them! They are all dying now!"

"I'm here, I want to uphold justice for the Li family, but this guy is very arrogant! He even uttered wild words! I couldn't bear it, so I shot this kid."

"The next thing, Director Zhao, should you be clear about it?"

At this time, Director Zhao's face changed drastically.

This guy is really bold!

If this matter is taken care of by him, his career in the second half of his life will be ruined!

“Too rampant! Too presumptuous! It’s simply impenetrable!”

“Are you still human if you have done such a conscienceless thing?”

Chapter 815: Amazing

Chapter 815

Director Zhao is angry!

This poor relative of my own family really stabbed him!

He originally thought that there was nothing big, but who knew that Li Pingchuan's brother-in-law took the lead and brought so many people around to beat Li Pingchuan!

People are dying now!

Moreover, they even took a bite back, which is simply the wicked complaint first!

“You are too much!” Director Zhao pointed at them, angrily.

“Come on! Catch all these people first!”

As soon as Director Zhao spoke, there was a crash. A dozen police officers directly controlled Li Pingchuan's relatives without saying anything. Everyone was in handcuffs, and they all controlled them!

The old man was panicked at this time.

“Director Zhao, you can't do this! You can't just listen to his side words! How can you believe what he said?” The old man hurriedly said.

Director Zhao sneered at this moment: “Hehe, if I don't listen to him, is it possible to listen to you?”

“Do you know who he is? You don't understand after you say it. Let me put it this way. Even if our headquarter sees the position of Captain Lin, we must obediently listen to his orders!”

After listening to Director Zhao's words, everyone was dumbfounded.

This Lin Kai has such a big background?

Even the headquarter of the police station has to listen to his orders?

At that time, a crowd of people waited, only feeling that the sky was spinning and the whole sky was about to collapse.

It's over, this time it's completely over, this is a great man!

It's ridiculous that they even bite back, and now it seems that they are looking for a dead end!

At that time, my brother-in-law collapsed. He pointed to his legs and asked, "Director Zhao, he hit someone! My legs were interrupted! Even if he is an official, he can't just hit anyone. Right?"

After listening to my brother-in-law, Director Zhao sneered.

"Hehe, let alone hit you, even if you kill you, no one will ask more!"

After listening to Director Zhao's words, everyone got goose bumps.

This person is so big! Even if it kills someone, I'm afraid no one will do anything to him!

"It's you! The attitude of robbery, besieging others, defrauding, and pleading guilty is extremely bad. You are all waiting to be punished by law!"

When Director Zhao's words came out, everyone was dumbfounded, and some even fainted directly.

This is a good one, ten million, not a penny, but they are all in bad luck!

Looking at Lin Kai again, with his hands in his pockets, he watched this scene coldly.

Li Yingying on the side changed his eyes when looking at Lin Kai. She really couldn't see through this man!

This man, at a young age, not only has a huge sum of money, but also a colonel in the army! The most important thing is that his background is so strong that even Director Zhao dare not disrespect him.

This person has left an indelible impression in Li Yingying's heart!

Director Zhao looked at Lin Kai after dealing with Lao Zhangren and others, and bowed his head and said: "Captain Lin, what they want to do with you, just a word."

Director Zhao at this time has a very different attitude from before.

Lin Kai put his hands in his pockets and sneered, "Why do you ask me? Punish them in accordance with the law! Director Zhao, please don't let me down!"

After hearing Lin Kai's words, Director Zhao's forehead was already sweating the size of soybeans. At this time, he was under great pressure!

"Yes, yes, I will not let you down, Captain Lin!"

After all, Director Zhao waved his hand directly and said: "Bring them all back to me!"

An order was given, and immediately, the group of people were taken to the police car.

At this moment, even if they regret it, it is useless.

"Captain Lin, I have handled everyone, you see..." Director Zhao looked at Lin Kai nervously.

He was very nervous. If Lin Kai was not ready to let him go, the black hat on his head could not be kept.

"Humph!" Lin Kai snorted displeasely: "Get out! Don't let me see it next time."

"Yes, yes, thank you Captain Lin! Thank you Captain Lin!"

At this moment, Director Zhao was overjoyed and nodded again and again, then he ran out of Li's house quickly, for fear that Lin Kai would regret it.

"I'm pooh! Scum!" Lin Kai looked at Director Zhao's back, spitting out thick sputum to the ground.

To be honest, Lin Kai didn't want to let him go.

But there is no way. Lin Kai is no longer in the establishment of Jiulong Mountain. Just now, Lin Kai was just scaring him.

After Director Zhao and others left, Lin Kai immediately looked at Li Pingchuan.

Li Pingchuan was expressionless, lying on the ground motionless.

Had it not been for Lin Kai's life force to hang his life just now, he would have died long ago!

"Big brother, is my dad still saved?" Li Yingying looked at Lin Kai and asked nervously.

Lin Kai touched her head and said, "Don't worry, there will be nothing wrong with me."

After all, Lin Kai squatted down and checked Li Pingchuan's situation.

Li Pingchuan's current situation is not particularly serious. At that time, Lin developed his own Ganoderma lucidum power, and input powerful vitality into Li Pingchuan's body.

Soon after, I saw Li Pingchuan's pale face, which began to become ruddy.

The wound that was deadly also slowly healed.

After seeing this scene, Li Yingying was dumbfounded.

She even suspected that she was wrong.

This big brother in front of me is amazing, right?

Soon after, he only heard a grunt from Li Pingchuan, and he opened his eyes.

"Dad!" Li Yingying watched Li Pingchuan wake up, yelled at the time and hugged Li Pingchuan.

I saw Li Yingying's tears rolling down unconvincingly.

"Dad, you finally woke up! Yingying thought she would never see you in this life, oooooo..."

After seeing Li Yingying, Li Pingchuan barely showed a smile on his face.

"Silly daughter, dad is fine..."

Subsequently, Li Pingchuan struggled to sit up from the ground.

At this time, Li Pingchuan looked at his body, and after realizing that there was nothing serious about him, he himself said it was amazing.

Then he looked at Lin Kai.

"This is?" Li Pingchuan asked.

Li Yingying immediately replied: "Dad, this is our savior! The bad guys were all captured by the police! The benefactor also took the bank card back!"

Upon hearing this, Lin Kai quickly handed in his bank card and said, "Uncle, this is your bank card."

After seeing the bank card, Li Pingchuan burst into tears, and he was even more emotional.

“Thank you so much!”

Li Pingchuan took the bank card with both hands, and the old tears couldn't help rolling down.

After all, this bank card is what he used to improve the family environment! It is also what he uses to pay off debts!

Chapter 816: Real Master

Chapter 816

“you are welcome.”

Lin chuckled and said.

“By the way, Dad, he is the one who bought our jade!” Li Yingying said again.

After listening to Li Yingying's words, Li Pingchuan was so excited that he didn't know what to say.

He heard Li Yingying say that. He knew that his jade was originally sold at a very low price, but because of the appearance of Lin Kai, their jade was not deceived. .

“Good person! You are really good!” Li Pingchuan said gratefully.

Lin Kai scratched his head: “Uncle, don't praise me, I'm a little embarrassed.”

“You must stay and have a meal today, and Uncle cooks himself!”

Li Pingchuan stood up and said.

“No need.”

“No!”

Li Pingchuan was very enthusiastic and rejected Lin Kai. At that time, Li Pingchuan pointed at Li Yingying and said: “Daughter, please take good care of your benefactor! I will buy things right away!”

“okay!”

Li Yingying agreed.

After that, Li Pingchuan walked over quickly and began to prepare a feast for Lin Kai.

Lin Kai didn't want to stay at Li Pingchuan's home for dinner.

But there was no alternative, Li Pingchuan was so enthusiastic. At noon, Li Pingchuan prepared a large table of good dishes, and Lin Kai had a beautiful meal.

I have to say that Li Pingchuan's cooking skills are still top-notch.

The lunch at his house was also very rich. Li Pingchuan took out a treat for the highest guests to entertain Lin Kai.

Lin Kaidu stayed at Li Pingchuan's house all afternoon.

In the evening, Li Pingchuan and Li Yingying stood at the door of the dilapidated house, watching Lin Kai.

"Benefactor, go slowly!"

"Come and play often when you have time!"

Lin Kai smiled and waved, and left the Lin family.

As soon as he turned around, Lin Kai entered the house next door.

Lin Kai has not forgotten his mission today. He came today to join the Shadow Gate.

The courtyard next door is also very dilapidated. The gate looks rusty, and it looks like it has not been opened for more than ten years.

There will be people in this broken place?

Lin Kai knocked on the door immediately.

Bang bang bang!

There was a knock on the door, but after a long time no one came to open the door.

Strange, is it possible that there is no one?

Lin Kai pushed the door directly. It didn't matter if it didn't push, the door squeaked immediately after pushing the door, and with a slam, the door collapsed.

Good guy, because the door has not been opened by anyone for a long time, it no longer has the ability to be opened, and it will fall at the touch of it!

Lin Kai stepped through the gate and walked into the courtyard.

I saw the fallen leaves and overgrown weeds in the courtyard. It looked like an uninhabited place.

“What the **** is this?” Lin Kai frowned his brow.

Lin Kai walked into the yard, while Lin Kai looked at the yard.

Soon after, Lin Kai came to the door of the room.

This is a simple courtyard house. The tiled house looks very shabby, and the glass on the windows is broken.

Pushing the door open, I saw a mess in the house. Pushing the door open, a moldy smell came. At that time, Lin Kai directly pinched his nose.

It's so **** smelly!

Lin Kai frowned.

This is clearly an abandoned courtyard!

And Shadow Gate actually wants to report here by himself?

Someone here?

“Anyone?” Lin Kai shouted.

But no one told Lin Kai.

nobody? Have you been fooled?

Lin Kai was at a loss.

“Your name is Lin Kai?” At this moment, a voice came from behind Lin Kai.

Lin Kai was shocked, he looked back quickly, but there was no one behind him!

I go! Who is speaking?

Lin Kai was shocked at the time.

You know, with Lin Kai's current strength, even facing a master-level powerhouse, he can still fight!

But someone can hide in a corner that Lin Kai can't see and have a conversation with Lin Kai.

Then the strength of this person is very strong!

At least two major levels higher than Lin Kai!

And his voice is extremely hoarse, not like a human voice at all.

“I’m Lin Kai, senior, where are you?” Lin Kai asked.

Lin Kai looked at the broken house in all directions, trying to find out the whereabouts of the person.

In his ear, the voice of that person came again: “You don’t need to look for it, I’m in a place where you can’t watch.”

After listening to what he said, Lin Kai wondered at the time, what is meant by a place that I cannot look at? I can watch all directions in this room!

“Senior, stop joking, is it possible that you will still be invisible?” Lin Kai asked loudly.

“Invisible?”

After hearing these two words, the man suddenly laughed: “Hahaha! You can understand that too.”

“When you look at the front, I am behind you. When you look at the right, I am on your left. I will always be in the blind zone of your vision. In this way, you can achieve the effect of invisibility.”

When the man said these words, Lin Kai looked in all directions, and his voice came from the opposite direction Lin Kai saw.

At that time, Lin happily was surprised!

The other party can actually observe all the details of himself!

He sees everything he does!

And the opponent’s speed, very fast! It is also possible not to make a slight movement.

This person is a master!

“So that’s it, senior, junior learned!” Lin Kai clasped his fist.

The person’s voice came again: “I have investigated your information.”

“Lin Jialin is open, and his strength is at the level of the master.”

“You are very young and talented, and you have killed more than a thousand children and families of a big family, and you are wanted by Jiulong Mountain.”

“Our Shadow Gate needs talents like you.”

The man said.

After listening to his words, Lin Kai rolled his eyes, and as expected, Shadow Gate threw an olive branch to himself, this was to invite himself to join Shadow Gate!

“Senior, what do you mean?” Lin Kai asked.

The man calmly said, “Don’t worry, I will introduce you to our Shadow Gate first.”

“The Shadow Gate is a major gate that has been passed down for hundreds of years.”

“Everyone in the world understands us as the unforgivable. They all feel that the people of the Shadow Gate must be the ones who kill without blinking.”

“But in fact, our Shadow Sect is just a sect responsible for robbing the rich and helping the poor and killing the unrighteous.”

“Jiulongshan sees us as a thorn in the eye, a thorn in the flesh, and can’t wait to get rid of us at one stroke!”

“But we never have direct contact with the people of Jiulongshan. Unless it is a last resort, we will not attack the people of Jiulongshan.”

“And our income standard is actually very simple.”

“We all have the geniuses who are righteous and rejected by Jiulong Mountain!”

“Lin Kai, we have been paying attention to you for a long time, although you killed more than a thousand people some time ago! But those over a thousand people threatened the lives of your family, so they deserve to die!”

“You did a good job!”

Chapter 817: Shadow League

Chapter 817: Shadow League

After listening to this senior’s words, Lin Kai suddenly felt a sense of meeting a friend.

This Shadow Gate’s behavior is so similar to himself!

At that time, Lin Kai had some doubts about Jiulong Mountain. Is this Shadow Gate really the heinous organization in the Jiulong Mountain Pass?

It doesn't sound like it is!

"So, Senior, can you tell me the details of Shadow Gate?" Lin Kai asked humbly.

Soon after, the man's voice came again.

"There are not many disciples in the Shadow Gate, and there are only tens of thousands of people in China."

"Ordinary disciples, there are many."

"Above the disciples is the rudder master, a rudder master can manage ten disciples!"

"Above the rudder master is the hall master, and the hall master can manage a hundred Shadow Sect disciples!"

"Above the hall master is the elder, and the elder can manage a thousand Shadow Sect disciples!"

"Our Shadow Sect has ten elders and ten elders, all of which are master-level cultivation bases!"

After listening to his words, Lin Kai was surprised, it turned out that the Shadow Gate was so powerful! Shadow Gate can fight Jiulong Mountain!

"Then senior, what level are you at?" Lin Kai asked.

"Above the elders is the leader!"

"Leader, has a cultivation base that surpasses the grandmaster! Shadow Gate, there are three leaders in total."

"I am one of them."

After listening to his words, Lin Kai was shocked.

There are only three strong men who surpass the master, the Shadow Gate!

"Above the leader?"

Lin Kai asked humbly.

“Sect master! There is only one sect master, and that one’s cultivation base has the potential to destroy the world!” the person replied.

After listening to his words, Lin Kai’s heart was even more shocked.

Even more powerful than a master who surpasses the master! The sect master of the Shadow Gate is probably not a simple character!

“Introduce myself, I am the shadow of the three major leaders, you can call me the Shadow League.” He said again.

Lin Kai immediately clasped his fists and said, “Junior Lin Kai, I have seen seniors in the Shadow League!”

The voice of the Shadow League came again: “Are you willing to join the Shadow Gate?”

The Shadow Sect still attaches great importance to Lin Kai, because Lin Kai’s strength is very strong after all, and under Lin Kai, there is a fairy gate, and the fairy gate is also a force that cannot be underestimated.

“Junior is willing!” Lin Kai answered directly.

“Good!” The Shadow League seemed to be satisfied with Lin Kai’s answer. He said: “You are very strong. It is a pity to let you be a disciple.”

“In this way, I will call the shots and let you be a rudder master!”

“Now the hall master has no extra position. When the hall master has a position, I will promote you to the hall master again!”

“Your cultivation base is very high, even if you are an elder, no one will say a word.”

“But it’s a pity that you don’t have enough qualifications, so you have to start with the rudder master first.”

After hearing what the Shadow League said, Lin Kai immediately clasped his fists and said, “Thank you, Senior Shadow League!”

brush!

At this moment, only a set of clothes appeared in front of Lin Kai.

That set of clothes seemed to appear out of thin air.

It was a set of black robes. I didn't know what it was made of. The robes were very smooth to the touch and seemed to have some defensive power.

"This is our shadow door dress. It is made of rare materials. It is invulnerable to swords, guns, water, and fire. Normally, you don't need to wear our shadow door dress unless you are called back to the door. ."

Lin Kai nodded when he heard the words.

On the door clothes, there is a black token.

The black token has a big shadow on the front.

And behind it, Lin Kai's personal information, as well as Lin Kai's job title.

"Remember, I got the token. From now on, you will be from our Shadow Gate! If I find out that you colluded with Jiulong Mountain, or did something unfavorable to our Shadow Gate, I will let you live. It's better to die!"

After hearing these words from the Shadow League, Lin Kai trembled all over.

He felt tight in his heart, doing it himself, but tying his head to the belt of his pants!

Jiulong Mountain, if you don't give yourself millions of points then, you are really sorry to me!

"Junior remember it!" Lin Kai replied loudly.

"Just remember."

"Remember, starting today, you will be our official disciple of the Shadow Gate! Your superior will contact you later, and your superior will also tell you the contact information of your subordinates."

"Occasionally, there will be tasks issued. As a shadow door disciple, you need to perform tasks, do you understand?"

Lin Kai nodded, and said, "Junior understands!"

"That's good, I'm leaving!"

After that, there was a scream from behind Lin Kai.

Lin Kai turned around quickly, but didn't even see the fart.

This person called Shadow is really a master!

I am afraid that what he is best at is tracking and disguising himself, so he can hide himself by his own skill, Lin Kai has to convince him!

Picking up the door clothes and tokens, Lin Kai put these things into the Universe Bag.

Starting today, I have an additional task on my body, and this task is to gradually penetrate into the shadow gate.

I have to say that the Shadow Sect is still very strict in recruiting disciples.

Otherwise, how could a super large sect with ten masters have only 10,000 disciples?

You know, there are more than 100,000 disciples in Jiulong Mountain!

After taking his own things, Lin Kai went out of this shabby yard.

Without staying at Li Yingying's home, Lin Kai came directly to Lin's house overnight.

On the wall of Lin's house, Lin Kai took a hurried glance, and now Lin Kai didn't dare to return to his home.

After all, he is now a wanted criminal! If someone finds out and calls the police, the people in Jiulongshan will really take them away!

At that time, I was bumped into by Kwai. Should I leave Jiulong Mountain or stay in Jiulong Mountain?

At that time, Lin Kai left Jiangbei City overnight and hurried towards the Cheng family.

In the middle of the night, Lin Kai successfully arrived at Cheng's house. Cheng Wanqian was very well. It belonged to Lin Kai's room, and he kept it specially for Lin Kai.

After entering his room, Lin Kai washed and lay directly on the bed, Meimei took a nap.

The next day, just as it was getting dark, Lin opened the door of the room, and there was a knock on the door.

Bang bang bang!

"Master! Are you there, Master? The son is coming to see you again!"

Lin Kai sat up on the bed as well, rubbed his eyes and opened the door of the room.

At the door, Cheng Zizhong stood outside stupidly, holding a big bowl in his hand, and inside the big bowl was a big roast chicken.

“Master! It’s breakfast!” Cheng Zizhong entered Lin Kai’s room directly.

“I’m going! Eat such greasy things in the morning?” Lin Kai was also dumbfounded.

At this time, Lin Kai felt Cheng Zizhong’s strength.

At that time, Lin Kai was very surprised and had to say that Cheng Zizhong’s cultivation talent was really high!

In just over a day, his martial artist’s cultivation base has been stabilized a lot.

It even surpassed Cheng Zilong!

Chapter 818: Cheng Family Tournament

818th Constitutional Tournament

“Hehehe, Master, this is Zizhong’s favorite breakfast.” Cheng Zizhong smirked.

Hearing this, Lin Kai couldn’t laugh or cry, no wonder Cheng Zizhong is so fat, and eats such greasy things in the morning. Who is fat if you are not fat?

At that time, Lin Kai was not welcome, and in front of Cheng Zizhong, he began to eliminate the roast chicken.

Soon after, a roast chicken was wiped out by Lin Kai and Cheng Zizhong.

After eating the roast chicken, Lin Kai wiped his mouth, he can remember what day it is, today, but the day when the Cheng family held the annual martial arts competition!

Sure enough, just after eating breakfast, a Cheng family disciple came to the door.

“Three young masters, Mr. Lin, the martial arts competition is about to begin, and the Patriarch asked me to invite you two over.”

The person said.

Lin Kai nodded, patted Cheng Zizhong on the shoulder, and said, “Zizhong, shall we go?”

And Cheng Zizhong’s face showed an expression of fear.

“Master, I’m afraid...”

After all, he was bullied by Cheng Zilong from childhood to adulthood, and asked him to fight Cheng Zilong. He really didn’t have the guts.

And Lin Kai smiled slightly and encouraged: "Hehe, what's to be afraid of? Don't you remember how your second brother bullied you? Let's pass today to prove to everyone that you are the strongest in the Cheng family. big!"

Hearing this, the disciple standing at the door curled his lips and rolled his eyes.

A **** fool, a door-to-door messenger, still prove to be the strongest of the Cheng family? Are you kidding me?

Hearing this, Cheng Zi was also inspired. He nodded heavily and said: "Yes! I am the strongest of the Cheng family! Let's set off!"

"set off!"

Then, Lin Kai and Cheng Zizhong followed the Cheng family disciple and went out.

On the playground of the Cheng family, people were sitting at this time.

There are not many disciples in the Cheng family, but there are also thousands of them!

Thousands of people sat cross-legged on the playground. The scene was very quiet. From this we can see that the Cheng family's disciples are still very good!

Under the sun, there is also a large arena, which is placed in the center of the entire playground.

This is the place used for competition today.

And behind the ring, there are a few tables and chairs, which are for Cheng Wanqian to watch the battle.

At this time, Cheng Wanqian was sitting on the chair, beside him, there was a woman.

This woman, who looks like she is over fifty years old, has a plump body, is wearing a cheongsam, and is holding a round puff fan in her hand. This gorgeous woman is Cheng Wanqians wife and many children of the Cheng family. His wife is named Li Mei.

Cheng Wanqian and Li Mei sat together, and beside them, Cheng Zilong and Cheng Jingjing.

At this time, Cheng Zizhong and Lin Kai strode over.

After seeing Cheng Wanqian, Cheng Zizhong yelled: "Dad!"

After seeing Cheng Zizhong, Cheng Wanqian smiled and nodded, and said, "Zizhong, you are here."

Cheng Zi nodded and smiled. In the entire Cheng family, except for Lin Kai, only his father did not dislike him.

However, after Li Mei saw Cheng Zizhong, a look of disgust appeared on her face.

Cheng Zizhong was not her biological son, but was born in a partial house. Coupled with Cheng Zizhong's low intelligence, she didn't want to see Cheng Zizhong.

"Cheng Zizhong, staying aside, such a big size affects my sun exposure." Li Mei frowned.

Cheng Zizhong heard the words and nodded very aggrieved: "Yes, Mom."

After all, Cheng Zi stood aside.

At this moment, Cheng Zilong and Cheng Jingjing both looked at Lin Kai with amusement.

They also remembered the gambling agreement with Lin Kai the day before yesterday.

At this time, Li Mei also looked at Lin Kai. After seeing Lin Kai, Li Mei's face did not show any good looks.

Cheng Zilong is her son, and she naturally heard that a Cengfan had come at home, so she wouldn't have a good face for Lin Kai.

"Yeah, this is Lin Kai?" Li Mei asked.

Lin Kai nodded and replied, "Auntie, I am Lin Kai."

After listening to Lin Kai's words, Li Mei's face showed a trace of disgust: "Hehe, it's really shameless. After living in our Cheng family for so many days, I really regard our Cheng family as her own. Home?"

After that, she shook the puff fan in her hand, and stopped talking to Lin.

And Lin Kai's face also showed embarrassment.

At this time, Cheng Wanqian opened his mouth and said, "Why do you say that? All the visitors are guests. This little brother loves to live for a few days, just a few days."

After all, Cheng Wanqian looked at Lin Kai and said with a smile: "Little brother, today you are a guest of our Cheng family, so you should be seated."

After all, he pointed to the position to his side.

In the entire Cheng family, except Cheng Wanqian and his wife and children, everyone could only sit on the grass.

However, Lin Kai could sit in his seat. From this, we can see that Cheng Wanqian treated the guests very politely.

Lin Kai nodded and thanked him, "Thank you Uncle Cheng."

After all, Lin Kai sat directly beside Cheng Wanqian.

After Lin Kai took his seat, Cheng Wanqian asked, "Zilong, are all our Cheng family disciples here?"

Cheng Zilong stood up and replied: "Father, we have a total of 1,110 disciples in the Cheng family, all of them are here."

Cheng Wanqian nodded and asked, "How many disciples have passed the test?"

"Father, there are fifty-eight in total."

Today's competition is naturally impossible for all the disciples to participate. If all the disciples participate, it is estimated that it will be more than three days and three nights.

The disciples participating in the competition must meet the conditions. First, you must be an ancient warrior, and second, you must pass the test.

Only such disciples of the Cheng family can participate in the competition.

There are many benefits of participating in the competition. The top ten can get a large amount of rewards, and the treatment in the Cheng family will also increase.

For example, ordinary Cheng family disciples can only live in dormitories with other people.

But disciples who pass the test can own a dormitory alone.

And the top ten disciples can not only own a separate villa, but also have a large amount of cash rewards, and even spar rewards, so many benefits!

Cheng Zilong was the first in the martial arts competition held by the Cheng family disciples last year.

"Okay, tell the disciples, get ready to start the martial arts contest!" Cheng Wanqian said.

Cheng Zilong nodded. At this time, Cheng Zilong glanced at Cheng Zizhong quite amusingly: "By the way, father, Zizhong will also participate in this year's competition."

"what?"

When Cheng Zilong said this, Cheng Wanqian and Li Mei exclaimed at the same time.

The two looked at Cheng Zizhong together.

He wants to participate in the competition?

Isn't this a nonsense? Cheng Zizhong is the first waste of the Cheng family! Not only did he have no talent for practicing martial arts, but even his intelligence was very low. He participated in the martial arts competition, which was making him foolish!

Chapter 819: Ask The Owner To Order

Chapter 819

Cheng Zilong also deliberately spoke very loudly. At that time, many disciples of the Cheng family heard him.

Many people looked at Cheng Zizhong, and the look at Cheng Zizhong was very strange.

Cheng Jingjing also stood up at this time and said: "Yes! Now that I have improved my skills, I think I am a genius in cultivation!"

Hearing this, only Cheng Wanqian's face looked ugly.

Although he doesn't dislike Cheng Zizhong, Cheng Zizhong is a fool after all! He has no talent for martial arts, he is just discrediting the Cheng family!

Li Mei hugged her arms and snorted very unhappy: "Huh! Cheng Zizhong? He is a martial artist? Since childhood, he can't learn even a little bit of martial arts, so he can still practice martial arts?"

Li Mei laughed disdainfully.

Cheng Wanqian also looked at Cheng Zizhong at this time: "Zizhong, come out!"

Cheng Wanqian's tone also became cold.

And Cheng Zizhong stood up steadfastly. At this time, he was very afraid, after all, he was very afraid of his father.

And Cheng Wanqian looked at Cheng Zizhong with a serious face, and asked, "Is what your second brother said true?"

Cheng Wanqian asked, he now hopes that what Cheng Zilong said is false. He hopes that Cheng Zizheng will live carefree for the rest of his life, instead of being ridiculed as a waste of martial arts.

So he never let Cheng Zi come into contact with Gu Wu again since he was young, because he did, and it was just a shame.

But Cheng Zizhong nodded with a resolute look at this time, and said: "Father, what the second brother said is true. I want to practice martial arts, and I want to participate in this competition!"

After listening to Cheng Zizhong's words, Cheng Wanqian covered his forehead and sighed.

"Ugh"

"Zizhong, you disappointed me too much!"

"What material are you, is it possible that you don't know it in your heart?"

"As a father, I didn't want to hit you, but now, I think it is necessary for you to recognize the reality!"

"Zizhong, you have low intelligence since you were young. People with low intelligence will definitely not be able to practice martial arts. You can't become an ancient martial artist at all!"

"So, Zizhong, I think you should give up. With your father and your second elder brother, you will never worry about food and clothing in your life, because you are my son of Cheng Wanqian!"

"You can live the rest of your life without any worries!"

Cheng Wanqian persuaded him painfully.

Li Mei originally hated Cheng Zizhong very much, but now seeing Cheng Zizhong stand up again and make a fool of herself, she sneered with her arms in her arms: "Patriarch, I think Cheng Zizhong is a rat **** in our house. We can't let him get a rat shit. Broken a pot of porridge of the Cheng family!"

After listening to Li Mei's words, Cheng Wanqian also sighed and shook his head.

At this moment, Cheng Zilong stood up again.

This time, Cheng Zilong broke out another big surprise!

“Father, do you know why Zizhong suddenly became interested in practicing martial arts?” Cheng Zilong deliberately sold a pass.

Cheng Wanqian became curious at the time, Cheng Zizhong has never been interested in martial arts! But why did you suddenly think of martial arts today?

Could it be that someone secretly instructed him?

“Why?” Cheng Wanqian asked.

I saw Cheng Zilong looked at Lin Kai and sneered. He pointed at Lin Kai and said loudly, “Father! It’s because of Lin Kai!”

“What?” At that time, Cheng Wanqian looked at Lin Kai. This matter has something to do with Lin Kai?

“Yes! It’s Lin Kai! Father, you treat him as a guest, but he doesn’t put our Cheng family in his eyes!”

“He actually accepted your son as an apprentice! Cheng Zi recognized him as a master again!”

As soon as Cheng Zilong said these words, there was an exclamation sound at that time, and everyone in the Cheng family looked at Lin Kai, their eyes filled with surprise.

what? Does Cheng Zizhong recognize Lin Kai as a master?

“What?” Cheng Wanqian’s eyes widened again.

He never expected that the person who allowed his son to practice martial arts was Lin Kai who was regarded as a guest by him!

Lin Kai, Lin Kai, I treat you as a guest, but you have taken my son to the ground. What is your intention?

“Lin Kai, is what Zilong said is true?” Cheng Wanqian asked with a frown.

Lin Kai nodded, smiled slightly, and said, “Yes, Uncle Cheng.”

At that time, Cheng Wanqian looked displeased and took his stupid son as his apprentice. Is he laughing at him?

“Then you dare to ask if you are an ancient warrior?” Cheng Wanqian asked.

If Lin Kai is an ancient martial artist, it would not be too much to accept his son as his apprentice.

But at this time, Lin Kai shook his head and said, "I am not an ancient martial artist."

Lin Kai is telling the truth, he is not an ancient martial artist, he is a cultivator!

After hearing Lin Kai's words, Cheng Wanqian frowned. By this time, he was already very unhappy.

Lin Kai is not an ancient warrior, he is not an ancient warrior, is he an ordinary person? Isn't this funny for a mere ordinary person to accept his son as his apprentice?

"Hahahaha!" At this time, I saw Cheng Zilong burst into laughter: "Father, this Lin Kai, he is not an ancient martial artist, and he even taught him to practice martial arts. Isn't that funny?"

"Father, this Lin Kai just came to our Cheng family to make trouble! Zizhong was destroyed by him!"

Cheng Wanqian nodded. Originally, he treated the guests very warmly, but Lin Kai's behavior really annoyed him.

At this time, Lin Kai stood up, clasped his fists, and said, "Uncle Cheng, I am taking him as an apprentice, not to offend you. I think I am really talented, so I accept him as an apprentice. Yes, and, I dare say, Zizhong is the most talented person in the Cheng family for cultivation, his talent, even Uncle Super Process."

As soon as Lin Kai said these words, not long after that, only a whispered voice came.

All the Cheng family disciples are boiling!

This Lin Kai is simply bold!

In the presence of Cheng Zilong and Cheng Wanqian, he actually said that Cheng Zizhong was a genius of cultivation! Moreover, Cheng Zizhong is the person with the strongest cultivation talent in the entire Cheng family!

Saying a fool is better than the Patriarch and Cheng Zilong, isn't this insulting everyone in the Cheng family?

"Nonsense!" At this moment, Cheng Zilong said angrily: "Lin Kai, you are simply talking nonsense!"

"He is a fool! He can't even memorize the formula for multiplication. You said he is the most talented person in our Cheng family? I think you are insulting our Cheng family!"

“father!”

At this time, I saw Cheng Zilong looked at his father, clasped his fists, and said: “This Lin Kai simply insulted our Cheng family! As long as you give an order, the son will abolish him now!”

As soon as Cheng Zilong spoke, thousands of disciples all shouted in unison: “Ask the Patriarch to order!”

The momentum was mighty, and the corner of Cheng Zilong’s mouth also showed a sneer.

Chapter 820: Let The Child Try Again

Chapter 820: Let’s Try Again

Lin Kai, this is the end of your confrontation with me!

And Cheng Wanqian frowned, his reputation has always been very good, and he is indeed very kind, and he treats guests very politely.

But now, he hesitated, because the Lin Kai in front of him was really deceiving too much!

At this time, Li Mei also said: “Yes, Patriarch, you have to think twice! This Lin Kai, who is not an ancient martial artist himself, is taught to practice martial arts. Isn’t this making fun of Patriarch you are incompetent?”

She was also fanning the flames.

After seeing this scene, Cheng Zizhong was impatient. He quickly stood up and explained: “No! No! It’s not like this!”

“Master is a good person! Master has taught Zizhong a lot! Master said that even if he is the second brother now, he is not an opponent of Zizhong!”

It’s okay for Cheng Zizhong not to speak. As soon as he spoke, a burst of laughter came.

Many disciples of the Cheng family laughed.

Cheng Zilong sneered when he heard the words, “Hahaha! It’s ridiculous, he has only been your master for a few days? Even if you are a cultivator of evildoers, it is impossible to go from a waste to a martial artist in a few days, right?”

“Father, it seems that this kid Lin Kai is not only deceiving the crowd, he also treats his third brother like a fool!”

Cheng Jingjing looked at Lin Kai with a look of disgust: “What did I say to my third brother? Why did he get delusion? Our Cheng family will never let you go!”

Cheng Jingjing scolded loudly.

Lin Kai put his hands in his pockets and looked at the two men coldly.

At the gate of Chengs house the day before yesterday, they looked down on Cheng Zizhong at all, but because of Cheng Wanqians face, they pretended to be very righteous and caring about Cheng Zizhong, which made Lin Kai feel very much. nausea!

After hesitating for a long time, Cheng Wanqian slapped the table hard and let out a bang.

I saw Cheng Wanqian look at Lin Kai with a look of displeasure.

“Lin Kai! You are deceiving too much!”

“I Cheng Wanqian treats you as a guest, but you treat me Cheng Wanqian as a joke? You are not an ancient martial artist, but you teach my son martial arts? Are you mocking me?”

“Besides, what kind of Ecstasy did you pour on my son? It makes my son think he is better than his second brother?”

“Do you want to die?”

At this time, from Cheng Wanqian’s body, there was a touch of murderous intent.

You know, Cheng Wanqian is a master of martial arts level!

The martial arts level master showed his power. At that time, the whole scene was quiet, and all the Cheng family disciples obediently shut up, and did not dare to look directly at Cheng Qianqian.

But looking at Lin Kai again, I saw that Lin Kaiduan was sitting on a chair, his face was neither red nor panting, just like a okay person.

He clasped his fists and said, “Uncle Cheng, Lin Kai didn’t mean to offend you. No, Lin Kai didn’t offend you at all.”

“Cheng Zilong is telling the truth, and Zizhong is indeed much better than Cheng Zilong now.”

Lin Kai said with a smile.

After listening to Lin Kai’s words, Cheng Wanqian became even more angry and angry.

“Do you think Cheng Wanqian is a fool?”

“Even if it is the strongest genius of our Cheng family, it took a full year to go from an ordinary person to the realm of a martial artist!”

“And Zizhong, he has only been your apprentice for a few days? Can he change from an ordinary person to a master of martial arts in just a few days?”

Cheng Wanqian asked angrily. Obviously, he didn’t believe Lin Kai at all.

The faces of Cheng Jingjing and Cheng Zilong on the side also made sneer sounds.

Suddenly, Lin Kai was speechless. Indeed, Cheng Zizhong’s cultivation speed, if he hadn’t seen it with his own eyes, couldn’t believe it!

Cheng Zi looked at his father and embarrassed his master again, he stood up and protected Lin Kai.

“Dad! I don’t allow you to kill Master!”

“Master treats the son very well!”

“Dad, Zizhong has wanted to practice martial arts since he was a child, so let Zizhong try again! You can give Zizhong a chance! If Zizhong really fails, after this time, Zizhong will never practice martial arts again. !”

After listening to Cheng Zizhong’s words, Cheng Wanqian’s heart was also soft.

Yes! He always felt that Cheng Zizhong was not the material for martial arts, so he never allowed Cheng Zi to practice martial arts again.

But he ignored Cheng Zizhong’s feelings, he didn’t know that Cheng Zizhong was not interested in martial arts.

But now it seems that his stupid son seems very interested in martial arts.

Well, just give him a chance.

At this time, Cheng Wanqian sighed.

“Ugh”

“Forget it, Zizhong, since you like martial arts so much, my father will give you a chance!”

“Let everyone see the results of your martial arts exercises in the past few days!”

After all, Cheng Wanqian took a deep look at Lin Kai, and he also said this to Lin Kai.

“If you really make progress in Zizhong, then your father will definitely support you in martial arts!”

“But if you don’t make any progress in Zizhong, not only will your father not let you practice martial arts in the future, but you, the master, I will not let it go!”

Cheng Wanqian watched Lin Kai finish these two sentences.

Cheng Zi heard the words and nodded heavily.

“Good! Father! I believe in my master!”

At this moment, Cheng Zilong and Cheng Jingjing sneered.

Their goals have been achieved. They just want to provoke their father, and when Cheng Zi is embarrassed again, it will be Lin Kai’s death.

And Lin Kai also had a panoramic view of their little tricks, but Lin Kai was too lazy to pierce them. In Lin Kai’s eyes, everyone in the Cheng family was nothing more than an ant that could be pinched to death at will.

“Zilong, let’s officially start the contest now.”

Cheng Wanqian sighed and said.

“Okay, father.”

Cheng Zilong bowed, turned and stepped onto the ring.

After stepping onto the ring, thousands of disciples from the Cheng family looked towards Cheng Zilong.

Cheng Zilong is an absolute genius in Cheng’s family!

He is also an absolute belief, Cheng Zilong is a famous genius throughout Jiangbei!

Only twenty-five years old this year, he is already a master of martial arts!

If Cheng Zilong is given another five years, he is very likely to enter the martial arts level!

Moreover, Cheng Zilong has the hope of becoming a master-level master before the age of forty! He is the hope of the Cheng family! It is also Cheng Wanqian's treasure.

After Cheng Zilong stepped onto the stage, he looked at the thousands of disciples under the stage, his face was full of confidence.

"Dear Cheng family disciples, good morning everyone!"

Cheng Zilong was just a simple sentence. At that time, the whole audience was applauded! Everyone clapped vigorously.

Everyones face is an expression of worship.

"Today is our Cheng family's annual martial arts competition!"

"Every year in the contest, there will be several real geniuses for cultivation. The contest is to promote the strength of the brothers and to discover the true genius. It is gold, which will always shine, and the contest, This is the best time for you to shine, please tell us aloud, are you ready?"

Chapter 821: Deadly Scissor Legs

Chapter 821

Cheng Zilong asked loudly, but off the court, the Cheng family disciples shouted in unison.

"Ready!"

Thousands of Cheng family disciples shouted at the same time. At that time, it was so powerful! The sound is mighty! Even the birds in the mountains and forests in the distance were scattered a lot.

The Cheng family disciples, all of them are well-trained elites!

A total of fifty-eight disciples participated in this competition.

If Cheng Zizhong is added, it is fifty-nine.

"The rules of the game this time are very simple! Lottery system! Draw your opponents!"

"Those who fail, weed out!"

“The victorious person, advance!”

“This is the ranking!”

“Tell me out loud, do you understand?”

Cheng Zilong asked.

“Understood!”

Thousands of disciples all shouted in unison.

At this time, fifty-eight disciples stood out from thousands of disciples.

Together with Cheng Zizhong, there are 59 disciples.

The Cheng family disciples took out the lottery box. Of the fifty-eight disciples, half of them took the initiative to draw, and the other half waited for the result of the draw. They were selected.

At that time, many people’s eyes stayed on Cheng Zizhong.

Undoubtedly, everyone wants to draw Cheng Zizhong, because drawing Cheng Zizhong means promotion!

After a while, everyone took out a note.

Everyone opened the note in their hands.

And the disciple who got Cheng Zilong had an ugly face.

At this time, Cheng Zilong looked at Cheng Zizhong quite playfully. If Cheng Zizhong was eliminated in the first round, he would be ashamed!

At this time, Cheng Zilong asked loudly: “Third brother, who is your opponent?”

And Cheng Zizhong was also very excited at this time, after all, this was the first time he participated in the Cheng family’s contest.

He opened the note in his hand full of excitement, and the people around him looked at it expectantly.

However, after opening the note, Cheng Zizhong was stunned.

Because there is no name on the note in his hand!

“I’m going! Bye!”

“Cheng Zizhong’s luck is too good!”

“Yeah! Just now I hoped to draw Cheng Zizhong! Now it seems impossible!”

“Huh! If he is lucky, this fool can actually advance to the second round!”

There was a low voice of discussion around.

Originally, there were a total of 58 disciples participating in the competition. After being divided, it happened to be 29 groups.

But with one more Cheng Zizhong, there is bound to be someone who has no opponent, so there must be a bye, and Cheng Zizhong is quite lucky to be the one who was bye.

After seeing the blank note, Cheng Zizhong had a disappointed expression on his face.

Originally, he was ready for a battle.

But now, he can only stand aside obediently.

“Humph! Third brother, you are lucky!”

“It’s just that I can hide from the first day of the junior high school, but not the 15th!”
Cheng Zilong joked.

“The first group of players is here! Cheng Jingjing! Cheng Zhikuan!”

Yes, Cheng Jingjing is also an ancient warrior, and she is also a disciple of this competition.

Cheng Zilong’s voice fell, and Cheng Jingjing had already jumped onto the ring.

Today’s Cheng Jingjing did not wear her very kawaii clothes, but put on the practice clothes of a Cheng family disciple.

As Cheng Wanqian’s precious daughter, she is usually trained by Cheng Wanqian. Although she is only an ancient warrior at the warrior level, her combat experience is far from comparable to other people.

Opposite her was a very burly man.

However, a bitter smile appeared on the face of the brawny man at this time.

He never expected that he would have drawn this little demon! Although her cultivation is not as terrifying as Cheng Zilong, this grandmother is extremely heavy!

She is the fourth lady of the Cheng family, and he can't make heavy moves. The battle between the two of them is bound to be unfair!

At this moment, Cheng Jingjing glanced at Cheng Zizhong proudly, and said: "Brother three! Look good! I will show you what a real ancient warrior is!"

After that, she beckoned to Cheng Zhikuan, "Come on!"

The helpless expression on Cheng Zhikuan's face grew stronger and stronger, but now he can only catch the duck on the shelf!

"what!"

At that time, I only heard Cheng Zhikuan shout, and ran away!

He punched Cheng Jingjing in the chest!

call!

This punch made a sound of breaking through the air.

I saw an overbearing infurience wrapped around his fist.

This is the method of the warrior, with true energy, and all attacks are blessed with true energy!

And Cheng Jingjing's eyes flashed with disdain.

I saw that she rushed towards Cheng Zhikuan quickly, and the wind was blowing under her feet, very fast.

Compared to strength, she is naturally not Cheng Zhikuan's opponent, but she is a speed player!

Whoosh!

Cheng Jingjing ran straight behind Cheng Zhikuan like a gust of wind, and escaped Cheng Zhikuan's rather domineering punch.

"Ha!" Cheng Jingjing yelled, slapped Cheng Zhikuan's back with no mercy.

Snapped!

When there was a sound, Cheng Zhikuan was slapped firmly on the back.

Humph!

Cheng Zhikuan moved forward several steps in a row and almost fell to the ground.

Cheng Zhikuan turned around and saw a trace of blood dripping from the corner of his mouth.

“Senior Sister Si, great effort!” Cheng Zhikuan exclaimed.

And Cheng Jingjing’s face was full of arrogance.

“Huh! That’s natural!”

“My sister is happy today, so let you see my fame and skill, the deadly scissor leg!”

After hearing Cheng Jingjing’s words, Cheng Zhikuan’s face changed drastically.

Regarding Cheng Jingjing’s skill, every disciple of the Cheng family would be frightened after hearing this!

Cheng Jingjing’s deadly scissor legs are very domineering! And it’s impossible to guard against. Someone in the Cheng family was beaten into a vegetable by Cheng Jingjing with a deadly scissor leg a year ago!

“No!” Cheng Zhikuan yelled. At this time, he had no fighting spirit and ran away!

But Cheng Jingjing won the power, and saw her rushing!

Humph!

Whoosh!

Then, I saw Cheng Jingjing flying into the sky, her legs, like a pair of scissors, directly clamped Cheng Zhikuan’s neck.

Cheng Jingjing’s body was transported in the air, turning around in the air, and Cheng Zhikuan’s body was also uncontrollably thrown to the ground by Cheng Jingjing.

boom!

With a muffled sound, I saw Cheng Zhikuan’s body fell severely on the ring!

“Puff...” Cheng Zhikuan spouted a mouthful of blood, rolled his eyes, and fainted directly.

And Cheng Jingjing, a beautiful carp rolled, got up from the ground, wiped her nose and looked smug.

“Huh! Fight with me, you are too tender!” Cheng Jingjing said proudly.

At this time, from off the court, there was thunderous applause!

“Good! Good fight!”

“The fourth lady of the Cheng family is incomparable! Admire! Admire!”

“The Fourth Miss is amazing! The Fourth Miss is mighty!”

There was a burst of cheers from below.

Chapter 822: Cheng Dahu

Chapter 822: The Big Tiger

Cheng Jingjing’s face also showed an arrogant expression, she seemed to enjoy everyone’s pursuit.

After seeing this scene, Cheng Wanqian and Li Mei in the audience nodded in satisfaction and clapped.

“Yes, I deserve to be Cheng Wanqian’s daughter.” Cheng Wanqian smiled.

“The tiger father has no dogs!” Li Mei said with a smile.

At this moment, Cheng Jingjing glanced at Cheng Zizhong with a smug look, and said: “Brother, did you see? This is the real kung fu! Kung fu takes time to settle, have you only started school with Lin for a few days? Dare to go to the competition?”

“Furthermore, what is Lin’s meeting? What can he teach you?”

Cheng Zizhong was full of confidence at first, but when Cheng Jingjing said so, he had no bottom, and he lowered his head in shame.

After all, he lacks intelligence, and the words of the outside world can easily affect Cheng Zizhong.

Lin Kai frowned when he saw this, but he was not worried, because he knew that in the face of absolute strength, any technique was nothing more than a fist.

Soon after, the second competition began.

The battle is fierce.

In the eyes of the Cheng family disciples, these people are all masters, but in Lin Kai's eyes, these people are just children fighting.

After all, Lin Kai's strength was enough to abuse these people.

Soon after, two dozen games were over.

Now, only the last game is left.

The last game is also the highlight of today's competition!

Cheng Zilong vs. Cheng Dahu!

Cheng Zilong, I believe everyone is familiar with it, and this Cheng Dahu is also a master of the Cheng family.

Although he is not a martial artist, his cultivation is the pinnacle of a martial artist!

Moreover, he is two years old, Cheng Zilong, who is known as the most talented person in the Cheng family except for Cheng Zilong!

This person is also very strong!

But after all, he is not a martial artist, facing Cheng Zilong, he is not very confident.

At this moment, there were two people standing on the stage, one was Cheng Zilong, and the other was a strong man with a height of 1.8 meters.

The brawny man has dark skin, his body is full of strong muscles!

He has a hideous face, this person is Cheng Dahu.

I saw Cheng Zilong standing with his hand holding his hand, with a look of arrogance. He looked at Cheng Dahu condescendingly, and said, "Junior Brother Cheng, you should give up. The gap between a martial artist and a martial artist is just like the gap between heaven and earth. You are not mine. opponent."

Cheng Zilong said very pretentiously.

There was a burst of exclamation immediately off the court.

After all, this Cheng Zilong looks handsome and strong. In Cheng's family, there are really many girls who are his fans.

As soon as he pretended to be such a force, the eyes of a group of people lit up.

And Cheng Dahu's face was green, he didn't expect that he was so unlucky that he actually got Cheng Zilong!

But there is no way, there is no way to change the rules, he can only bite the bullet.

"Humph!"

"Brother Zilong! You are very strong! You are the strongest person in the family except for the big brother, but I am not convinced by Cheng Dahu!"

Cheng Dahu snorted coldly.

Cheng Dahu also deliberately mentioned the three words Big Brother.

After mentioning the three words Big Brother, I saw that Cheng Zilong's face changed.

Which pot is really not open and which pot is raised!

Cheng Wanqian has four children. Among them, Cheng Jingjing is the fourth, Cheng Zi is the third, and Cheng Zilong is the second.

The boss is the real peerless genius!

When the boss was at Cheng's house before, the voltage stabilizer Cheng Zilong had a head!

With him, there is no chance for Cheng Zilong to emerge.

When the boss was there, he didn't treat Cheng Zilong as a human being. At that time, Cheng Zilong was bullied.

Later, the eldest master cultivated to become a great success, left the Cheng family, and went to a distant place. This was the day when Cheng Zilong was in his prime.

"Huh! Even if the big brother comes back, he is not necessarily my opponent!"

Cheng Zilong shouted.

"Hahaha! Senior Brother Zilong, don't be foolish! Senior Brother has become a martial master level powerhouse several years ago, and you only broke through to become a martial master this year!"

"Maybe Big Brother is now a powerhouse at the Martial Saint level!"

Cheng Dahu laughed.

And Cheng Zilong looked stern at this time, and he said angrily: "You're looking for death!"

At that time, I saw Cheng Zilong patted Cheng Dahu with a palm.

Cheng Dahu narrowed his eyes, and at this moment, he took out a jade seal from his pocket!

As soon as this jade seal came out, Cheng Dahu's momentum rose sharply.

I saw him instill the zhenqi in his body into the jade seal, and then saw the jade seal grow bigger with the wind!

Become as big as a bucket!

I saw Cheng Dahu holding Yuxi in both hands and let out an angry roar: "Roar!"

After seeing Yuxi, everyone's eyes widened!

This is actually bronze!

magic weapon!

No one thought that Cheng Dahu would actually come up with a magic weapon!

You know, magic weapons are very precious things in this world, and bronze magic weapons are already invaluable!

The clan contests allow disciples in the clan to use magic weapons, because disciples can obtain magic weapons and are also part of their own strength.

I saw that Yuxi hit Cheng Zilong directly!

Cheng Dahu knew that in terms of cultivation, he was definitely not Cheng Zilong's opponent, so he thought of using Fabor to suppress Cheng Zilong.

boom!

I saw Cheng Zilong hit the magic weapon with a palm!

But Yu Xi directly backed away, and Cheng Dahu's face instantly paled.

And Cheng Zilong didn't please him either, thumping, and saw that he also took three steps back.

In the first round, the two were even on top of each other!

“Huh! Junior Brother Cheng, I didn’t expect that you still have a magic weapon to protect you!” Cheng Zi Long Yin smiled fiercely.

Cheng Dahu also sneered: “Humph! This magic weapon was obtained with great effort!”

“Today, I will use it to defeat you!”

After that, I saw Cheng Dahu hugged Yuxi in both hands and roared.

The true energy in his body was continuously instilled into the magic weapon!

I saw that Yuxi also grew bigger with the wind!

Get bigger and bigger!

And Cheng Dahu’s face became paler, because he had instilled all the true energy in his body into the magic weapon!

Today, he just wants to give it a go!

“what!”

With a roar, at this time, look at Yuxi, Yuxi has become the size of a water tank!

“go with!”

Cheng Dahu gave an order, and Yuxi smashed Cheng Zilong’s head directly!

And Cheng Zilong also sneered at this moment: “Haha! Do you know the biggest difference between a martial artist and a martial artist?”

“Yes... let the true energy out!”

At this time, I saw Cheng Zilong also yelled, and a steady stream of true energy appeared in his hand!

The Cheng family was really angry and very domineering. Soon after, Cheng Zilong was already holding a really terrifying balloon!

This real balloon also contains all the power of Cheng Zilong’s cultivation!

“Go to me!”

Whoosh!

I saw the real balloon and Yuxi collide in the air!

At that time, only a loud bang was heard and a white light lit up, and everyone could not open their eyes.
