Chapter 8: He Chenguang

Chapter 8 He Chenguang

As An Ran was talking, her eyes were already red, her big eyes were watery, and her tears kept rolling in her eyes, and she looked very pitiful.

It can be seen that An Ran still has some feelings for Lin Kai, but Lin Kai's performance in the army really disappointed An Ran.

After only three months in the recruit company, he was actually opened by others. Such a man could not be accepted by An Ran.

He Chenguang and the others looked at Lin Kai with their arms folded. They all wanted to see how Lin Kai responded.

Lin Kai touched his nose, and he admitted that An Ran is very beautiful, very independent, and a good girl.

But she didn't catch a cold to herself at all, so she didn't need to pester her stubbornly.

At that time, Lin Kai nodded very frankly: "An Ran, do you want to break up, don't you? Okay, yes, since you don't like me, then we won't contact me in the future."

After all, Lin Kai shook his backpack and left.

The current Lin Kai is no longer the former Lin Kai. The former Lin Zhuan was obsessed with An Ran, but now Lin Kai will not love someone who does not love him.

And An Ran was stunned. She didn't really want to break up with Lin Kai, she just wanted to scare Lin Kai, so that Lin Kai could have the motivation to make progress.

But she didn't expect that Lin Kai would actually agree!

From childhood to childhood, Lin Kai coaxed himself, even if he said that he had broken up countless times, Lin Kai would beg for reconciliation.

But this time, Lin Kai was very decisive, and he actually chose to break up.

At that time, An Ran stomped her foot and shouted heartbreakingly: “Lin Kai! You bastard!”

Hearing An Ran’s roar, Lin Kai turned his head, and saw that An Ran was already crying into tears, tears raining, and pear blossoms raining, looking so pitiful.

At this time, Lin Kai actually had an impulse to hug An Ran and love her fiercely, but Lin Kai knew that she didn’t like herself.

“Lin Kai! You bastard! You are just a trash! Without the Lin family, you are nothing, a scum like you, if you put it in society, you will have no bones left by people, Lin Kai, Even the recruits cant stay with you. Why do you marry me? Why?”

Facing Lin Kai’s decisiveness, An Ran burst out all the words that were pressing down in her heart. An Ran’s words were very unpleasant, and she herself was sobbing with rain.

Facing An Ran’s eruption, Lin Kai was also very helpless, he shook his head, he could not explain anything to An Ran.

Is it possible to say that he came through? Do you have a system? joke.

“Whatever you want, if you want to break up, then break up. This is your decision.” After that, Lin Kai turned around again, ready to leave.

Snapped!

A big hand was placed on Lin Kai’s shoulder: “Stop! Make An Ran like this, just leave if you want?”

When I turned around, I saw a pair of divine eyes staring at me, and there was jealousy and disdain in those eyes.

He Chenguang!

Lin Kai squinted and asked, “What do you want?”

“Apologize to An Ran!” He Chenguang pointed to An Ran, who was sobbing on the ground, and said coldly: “Go by yourself, don’t let me do it.”

He Chenguang said, holding his arms, looking at Lin Kai very brutally.

It can be seen that He Chenguang likes An Ran. After all, An Ran is so beautiful and has a good personality.

But Lin Kai also sneered: "Hehe, what did I do wrong? Let me apologize, we break up, what is your business?"

Lin Kai's words immediately changed He Chenguang's face, and his eyes narrowed: "You toast or not drink fine wine, right? You have to apologize for making the girl cry!"

"I think you like An Ran and you are jealous of me being with An Ran, so you deliberately make things difficult for me?" Lin Kai asked with a sneer.

Lin Kai said at once that He Chenguang's heartfelt voice, when He Chenguang became angry, "You are looking for a fight!"

After all, with a scream, He Chenguang punched Lin's face!

The corner of He Chenguang's mouth, with a sneer, he punched with great force, and when he punched it, Lin Kai immediately scrapped!

Lin Kai, a weak chicken who was expelled from the recruit company, He Chenguang was confident that he could kill him with one move!

And several female soldiers also exclaimed, He Chenguang actually shot!

An Ran looked up at He Chenguang, and didn't know whether he should stop it or watch it.

Although Lin Kai's performance was poor, he treated himself very well, and An Ran couldn't bear to be beaten.

But thinking of Lin Kai's decisiveness just now, An Ran gritted his teeth and squatted in place without moving.

Ye Cunxin and Tian Guo are not afraid of big things, they are still cheering on the side!

"Brother He Chenguang, blow him up! Let him bully Sister An Ran!"

"Hehe, it's just a waste, it's really unnecessary for He Chenguang to make a move."

Lin Kai narrowed his eyes, dare to shoot himself? Hawkeye skills are activated!

Immediately, He Chenguang's very rapid punch was slowed down several times in Lin Kai's eyes, and even the smug smile on He Chenguang's face was clearly captured by Lin Kai!

Lin Kai's speed was twice as fast as He Chenguang. Immediately, Lin Kai grabbed He Chenguang's fist with one hand, and the Watermelon skill was activated!

If the first time was a coincidence, and it was Lin Kai's luck, then how would you explain the second time?

Is this still the **** boy Lin Kai I know?
