

# Special Forces God Level Extraction System – Chapter 823 - 854

## Chapter 823: Hurt You

Chapter 823

It's so dazzling!

Almost everyone can't open their eyes!

Boom!

After the loud noise, I saw the huge jade seal in the sky, constantly shrinking.

It is getting smaller and smaller, and in just a few seconds, Yuxi has become its original size.

Looking at Cheng Dahu again, his face was pale. At this moment, I saw him spray out a big mouthful of blood.

“puff”

Yuxi was damaged, and he was also beaten back.

With a plop, he knelt down, he lost, and he lost terribly!

And Cheng Zilong is much better than Cheng Dahu. Although his face is pale, he has not vomited blood yet.

This round, he obviously won!

Cheng Zilong put his hands in his pockets, looked at Cheng Dahu aloft, and smiled: “Haha, Cheng Dahu, have you seen it? This is the gap between the martial artist and the martial artist!”

Cheng Dahu and Cheng Zilong obviously didn't deal with them.

Cheng Dahu snorted coldly, he put away Yuxi, clasped his fists, and jumped directly off the ring.

After Cheng Dahu jumped off the ring, a burst of cheers rang and everyone applauded for Cheng Zilong.

Cheng Zilong won the final victory!

Cheng Jingjing even screamed: "Brother Zilong, you are great!"

Cheng Zilong hugged his arms, looking high up.

At this time, Cheng Zilong looked at Cheng Zizhong in the audience, smiled and said, "Zizhong, have you seen it? This is the power of a martial artist!"

"You should pray, pray that you won't run into me in the second round, or you will lose miserably!"

After all, Cheng Zilong smiled.

And Cheng Zizhong also lowered his head, Cheng Zilong's aura was overwhelming, and Cheng Zizhong didn't dare to look directly at him.

Soon after, the second round of the draw began.

In the first round of the competition, Cheng Zi repeated his bye, and 58 others began to compete, so there were 29 people left.

The remaining 29 people were all eliminated!

These 29 people, if you count Cheng Zizhong, there are exactly 15 groups in total.

So, this time, there is no bye right!

Cheng Zizhong will not be so lucky anymore.

Thirty people, fifteen people began to draw lots.

And Cheng Zi restarted his draw.

Soon after, Cheng Zizhong pulled out a note, opened the note, and his face turned pale at the time.

Because he got Cheng Jingjing!

Not far away, Cheng Jingjing was curious about who had drawn her. The moment Cheng Zi looked at her again, Cheng Jingjing was overjoyed.

Could it be that this trash got her?

You know, the Cheng family's disciples are amazing, and Cheng Jingjing passed the first round, but it doesn't mean she can pass the second round.

But if Cheng Zi re-draws her, then she can surely pass the second round!

“Cheng Zizhong! Did you draw me?” Cheng Jingjing asked loudly.

Cheng Zizhong looked ugly, and he nodded.

“Yes, it’s me...”

“Hahahaha!” At this time, I saw Cheng Jingjing laughing: “Hahaha! Great! I can advance!”

Cheng Jingjing laughed out loud, she didn’t regard Cheng Zizhong as an opponent at all!

And there was a burst of laughter around him.

Obviously, no one can value Cheng Zizhong.

When Cheng Zilong heard the words, he also smiled, he couldn’t wait to see the scene of Cheng Zi being beaten up again.

Therefore, he deliberately let Cheng Zizhong and Cheng Jingjing take the stage first.

“Okay! Everyone has chosen his opponent, right?”

“Then the first group on stage is Cheng Jingjing, and Cheng Zizhong!”

As soon as Cheng Zizhong said three words, there was a groan. Everyone looked at Cheng Zizhong, eyes full of disdain.

Have a good show!

This fool, who has never participated in a tournament before, is actually on stage!

Many people are very excited.

Soon after, Cheng Zizhong stepped onto the ring. As soon as he weighed more than 200 jins onto the stage, even the ring squeaked.

Opposite him was Cheng Jingjing with a fiery figure.

Cheng Jingjing hugged her arms with a high expression.

She hooked her finger to Cheng Zi again: “Brother, come on, my sister will let you three moves first!”

There was a burst of laughter below.

And Cheng Zizhong was the first to be on stage, and he was still a little embarrassed at this time, after all, there were so many people watching him.

And he didn't have any combat experience. Although Lin Kai gave him a domineering mind and his cultivation is very profound, he didn't know how to attack the opponent at this time.

Cheng Wanqian sighed after seeing this scene.

All right, this son of my own has made a fool of himself in front of so many people!

Li Mei sneered at this moment: "Hehe, I know that Lin Kai is not at ease! Look, does Zizhong look like he can practice martial arts?"

Li Mei said angrily.

And Cheng Wanqian's face also showed a look of shame.

Knowing this long ago, he should have let Lin Kai get out of their Cheng family!

On stage, Cheng Jingjing hooked her finger back towards Cheng Zi.

"Brother, come!" Cheng Jingjing teased.

And Cheng Zizhong flushed, and he stammered: "Sister Si, you should come first, Zizhong has no experience..."

"Hahahaha!"

There was a burst of laughter from the audience.

And Cheng Jingjing also rolled her eyes: "In that case, the fourth sister is not welcome! It's the third brother, don't you call it hurt!"

Cheng Zizhong heard the words and replied stupidly: "Sister Si, don't worry, although Zizhong has no experience, Zizhong is talented and won't cry pain!"

There was another burst of laughter.

When Cheng Jingjing heard the words, she rolled her eyes: "I'm afraid that the fourth sister will hurt you. You can file a complaint with your father!"

Cheng Zizhong shook his head, and replied stupidly: "You can rest assured that the fourth sister, Zizhong will never call pain, come on!"

Cheng Zi patted his belly again and said straightforwardly.

There was also a playful smile on Cheng Jingjing's face.

Tearing Cheng Zizhong made her feel very happy!

"In that case, the fourth sister is here!"

"Deathing scissors legs!"

At this time, she only heard Cheng Jingjing shout, she rushed straight forward, and when she came up, she showed her fame stunt!

Everyone in the audience exclaimed, Cheng Jingjing is preparing to kill Cheng Zizhong!

Moreover, even if it was her own brother, Cheng Jingjing didn't intend to be merciful under her hands, this was planning to die the whole time!

I saw Cheng Jingjing jump up directly and flew into the sky. Her two long legs, like a pair of scissors, were directly clamped on Cheng Zizhong's neck!

Afterwards, I saw Cheng Jingjing scream and twist her body hard, and she was about to throw Cheng Zi to the ground!

And Cheng Zi didn't know what was going on, he still didn't realize what was going on.

"Ha! Third brother, sorry!"

## **Chapter 824: Cheng Jingjing**

Chapter 824

"what!"

Only heard Cheng Jingjing yell, twisting her waist vigorously, trying to throw Cheng Zizhong to the ground.

But it's a pity.

When she tried hard, Cheng Zizhong didn't move at all!

Because now Cheng Zi is very heavy, not only is he very heavy, but his cultivation is very deep! A mere Cheng Jingjing can't shake Cheng Zizhong at all!

On the contrary, Cheng Jingjing hung on Cheng Zizhong's neck, already sweating.

"what!"

She yelled again and went to strangle Cheng Zizhong, but Cheng Zizhong still did not move!

“Sister Si, what are you doing?” Cheng Zizhong asked stupidly at this time.

Cheng Jingjing was already sweating.

That was a doubt in her heart!

What’s wrong with yourself?

Can’t even defeat Cheng Zizhong?

Or is this dead pig too heavy?

I saw Cheng Jingjing turned over and jumped off Cheng Zizhong’s body. She gave Cheng Zizhong a cold look and said, “Brother! You should eat less! Now two hundred and fifty catties can’t hold it! “

It is ridiculous that Cheng Jingjing thought Cheng Zizhong was too heavy, so she couldn’t shake Cheng Zizhong.

“Third brother! You have to be careful, the fourth sister will show her true strength this time!”

After that, Cheng Jingjing squeezed her pink fist.

Soon after, I saw Cheng Jingjing’s fist turned red, and the true energy in her body was continuously gathering on the fist.

She was really going to beat Cheng Zizhong with her true energy!

The biggest difference between a warrior and an ordinary person is that one has true energy, and the other does not have true energy!

Cheng Jingjing believed that as long as his true energy appeared, Cheng Zizhong would definitely be defeated!

In the audience, everyone clenched their fists and watched this scene very nervously.

Everyone is excited!

Everyone wanted to see Cheng Jingjing punching Cheng Zi to the ground!

“what!”

Only heard Cheng Jingjing yell, and slammed her fist towards Cheng Zi!

When Cheng Zi looked at the menacing punch, he didn't know how to resist it. At that time, Cheng Zi stood still and didn't even move.

When Cheng Jingjing saw this, a glimmer of pride flashed across his eyes. It seemed that this time he was determined to win!

boom!

I saw Cheng Jingjing hit Cheng Zizhong's stomach with a fist!

But the scene that happened next shocked everyone!

Because Cheng Zizhong didn't move at all! On the contrary, his stomach, like a super large jelly, is full of resilience!

Cheng Jingjing hit it with a fist, only to hear a bang, Cheng Zizhong's stomach actually rebounded!

The tremendous strength bounced directly onto Cheng Jingjing's body! As for Cheng Jingjing's eclipse, she didn't expect this to happen!

At that time, I saw Cheng Jingjing flying away like a kite with a broken wire!

“what!”

Cheng Jingjing screamed at this moment.

But all this is useless.

I saw her body flew out of the ring and fell to the ground severely.

“puff”

At this moment, she saw Cheng Jingjing spray out a mouthful of blood, she was holding her chest, and she was stupid.

Did you lose?

That's right! Cheng Jingjing lost!

As long as you get out of the ring, you lose the game!

As for the whole scene, there was silence, and everyone looked at Cheng Zizhong and Cheng Jingjing in silence.

Cheng Zizhong won that waste!

And Cheng Jingjing's stubborn eldest lady actually lost! You know, Cheng Jingjing is an ancient warrior!

And what is Cheng Zizhong? He is just a fool!

But now, this fool actually won the game! Everyone's eyes widened, and even suspected that they were mistaken.

The expression on Cheng Zilong's face is even more exciting.

Cheng Zizhong actually defeated his sister? This is simply a fantasy, people can't believe it!

In the audience, when Cheng Wanqian saw this scene, he slapped the table and shouted in excitement, "Okay!"

To be honest, Cheng Wanqian couldn't believe that his untalented son, this A Dou who couldn't support him, was actually capable of fighting! Actually defeated his own daughter!

This is undoubtedly great news for him.

At this moment, Cheng Wanqian took a deep look at Lin Kai, and it seemed that Lin Kai still had two brushes!

Although he didn't know how Lin Kai trained his son, his son has indeed become a powerful warrior now!

Looking at Li Mei's face again, it was very ugly.

Among the entire Cheng family, the person she hates most is the entire Cheng Zizhong, but now, this Cheng Zizhong has actually shown his strength!

This made her feel a little uneasy, this Cheng Zizhong, will not threaten her son's position in the Cheng family in the future?

Cheng Zilong's face was ugly. Only after a long time did he cast a cold face and announced the result of the game: "Cheng Zi wins again!"

There was no applause in the audience, and everyone looked at Cheng Zizhong's eyes differently.

Is this still the old Cheng Zizhong?

Is this still the old fool?

No one can accept this result and reality.

Cheng Jingjing is the person who can't accept this result and reality the most. She stared at Cheng Zizhong blankly, forgetting to wipe off the blood from the corner of her mouth.

And Cheng Zi clenched his fist with excitement on his face. He didn't expect that he was so powerful now!

Now I can beat my sister!

He glanced at Lin Kai deeply, his eyes filled with gratitude, because he understood that the reason why he became so strong was entirely because of his master!

After Cheng Zizhong, more Cheng family disciples stepped onto the ring and started the competition.

The next game, one after another, soon after, Cheng Zilong also played, and Cheng Zilong undoubtedly won.

Fifteen games were played quickly.

Now, it's the third round of the game.

The next step is the highlight, because all the fifteen Cheng family disciples who remain are masters!

"The draw begins!"

Eight disciples were drawn, seven disciples were drawn, a total of fifteen people.

There is one bye.

Cheng Zizhong is the one who passively draws lots.

Cheng Zilong took a deep look at Cheng Zizhong and sneered.

He must defeat Cheng Zizhong today and avenge his sister! Let everyone watch, this waste can't surpass him Cheng Zilong!

He glanced at the Cheng family disciple who was carrying the lottery box, and the Cheng family disciple readily understood.

I saw a small note slipped into Cheng Zilong's hand secretly.

Afterwards, Cheng Zilong opened the small piece of paper in front of all the disciples.  
On the note, it was Cheng Zizhong's name.

“Cheng Zizhong! You are done! Your opponent is me!” Cheng Zilong said loudly.

## Chapter 825: Won Again

Chapter 825

As soon as Cheng Zilong's words came out, everyone looked at him.

After seeing the note in his hand, everyone exclaimed.

Cheng Zizhong's opponent turned out to be Cheng Zilong!

This time, Cheng Zi is over!

“Cheng Zizhong's luck is really bad! I just drew Cheng Jingjing, and now I've been drawn by Cheng Zilong.”

“He is definitely not Cheng Zilong's opponent! Defeating Cheng Jingjing is just luck.”

“Even if that fool is an ancient warrior now, but Cheng Zilong has a martial artist level cultivation base!”

There was a sound of discussion.

Cheng Jingjing was standing under the stage. Someone had already given her a special pill. She was not seriously injured and was suppressed by the pill.

She looked at Cheng Zizhong with resentment, she hated Cheng Zizhong!

Because of Cheng Zizhong, she was ashamed in front of so many Cheng family disciples!

She was anxious to let Cheng Zizhong die now!

But she had forgotten that what she had just dropped was a dead hand! If it weren't for Cheng Zizhong's current cultivation base, now Cheng Zizhong would have been sent to the hospital for rescue!

“Brother Zilong! Must help me get revenge! Help me abolish him!” Cheng Jingjing yelled from the audience.

A confident smile appeared on Cheng Zilong's face: "Don't worry, fourth sister, Cheng Zi is over!"

Even if Cheng Zizhong was lucky enough to defeat his sister, Cheng Zizhong was definitely not his opponent.

At this moment, I saw Cheng Zilong looking at Cheng Zizhong, and Cheng Zizhong's face showed an expression of fear.

Even if he has a powerful cultivation base now, you must know that Cheng Zilong is bullying him to a great extent!

Cheng Zilong had already left a psychological shadow in his heart. Facing Cheng Zilong, he didn't even dare to act!

Cheng Zilong was standing on the ring. He beckoned again to Cheng Zi underneath, and sneered, "Hehe, Cheng Zizhong, come up!"

Cheng Zizhong heard the words and walked into the ring with his head down.

At this time, Cheng Zizhong, with a solemn expression, did not dare to look directly into Cheng Zilong's eyes.

"Hehe, it's just a soft-blooded \*\*\*\* who actually made you advance to the third round."

Cheng Zilong looked disdainful.

"The first match of the third round, now begins! Cheng Zi re-fights Cheng Zilong!" A disciple announced immediately below.

On the stage, there were only two of them left.

Cheng Zilong stood with his hands in his hands, with an arrogant expression on his face.

"Zizhong, although I don't know what Lin Kai taught you, it suddenly made you cultivate."

"But Jingjing is your own sister! You actually put such a heavy hand on Jingjing just now! Today, my second brother will teach you a lesson for Jingjing!"

After all, Cheng Zilong stretched out his hand directly.

In Cheng Zilong's palm, a group of domineering infuriating energy immediately appeared, this is his infuriating energy!

“what!”

Cheng Zilong shouted and slapped Cheng Zizhong with a palm!

Zhen Qi came out of Cheng Zilong’s hand directly, formed a Zhen Qi palm, and slapped Cheng Zizhong fiercely!

There was a burst of cheers from the bottom, and everyone seemed to have seen Cheng Zi’s shot flying again!

After all, Cheng Zi faced it again, but Cheng Zilong! The legend of the Cheng family!

Cheng Zilong’s face was also full of confident expressions.

He believes that his palm can destroy Cheng Zizhong!

And Cheng Zizhong was frightened and stupefied at that time. At that time, he even forgot to fight back. He watched eagerly and slapped the infuriated palm in front of him.

boom!

There was a loud noise, and the palm of Zhen Qi exploded directly on Cheng Zizhong’s body!

And Cheng Zizhong’s face changed, hum! I saw Cheng Zizhong took three steps directly!

Afterwards, the infuriating palm dissipated, and Cheng Zizhong stood on the ring with a pale face.

The whole scene fell silent again.

what’s going on?

Cheng Zizhong was not photographed and flew out? Just took three steps back?

Is this \*\*\*\* Cheng Zizhong?

You know, in the entire Cheng family, apart from the Patriarch, no one can hold Cheng Zilong’s palm!

Cheng Zilong’s expression changed at that time.

Although he didn’t exert his full effort with this palm, he should be more than enough to deal with a Cheng Zizhong!

But now, what is the situation?

Cheng Wanqian in the audience also stood up excitedly, Cheng Zizhong actually survived a move?

Is it possible that his stupid son is really a martial arts wizard?

On the stage, Cheng Zilong's face was a bit ugly, he didn't have a palm to slap Fei Cheng Zizhong, which made him a little embarrassed!

"Huh! Cheng Zizhong, you are lucky! But then, I don't believe you can carry it!"

Afterwards, I saw Cheng Zilong rushed straight over!

Humph!

At this time, I saw Cheng Zilong's hands were already wrapped in true energy!

Strong infuriating! Domineering infuriating!

His palm was like a fireball. This time, Cheng Zilong was really angry!

"Die to me!"

Cheng Zilong shouted and slapped Cheng Zizhong with a palm!

call!

This palm, whistling away with the sound of breaking through the air!

Cheng Zilong believes that even a rock can be broken with one palm! He didn't believe that this time Cheng Zi's luck was so good!

After seeing this scene, Cheng Zizhong was so scared that his face paled.

He slapped it casually and shouted: "No!"

Snapped!

Cheng Zizhong casually patted it directly on Cheng Zilong's palm.

In this shot, I saw Cheng Zilong's face changed at that time.

He only felt as if a train had hit his palm, a huge force came, and his palm had deformed at a speed visible to the naked eye!

Moreover, he heard a click, fractured!

His body also flew away directly!

I saw Cheng Zilong's body slammed into the ring.

He broke out in a sweat, clutching his right hand, his whole person almost collapsed!

Cheng Zizhong defeated Cheng Zilong with a single hand!

The whole scene fell silent.

It was a silent one.

Everyone rubbed their eyes, and everyone wondered if they had read it wrong.

Cheng Zilong, the first genius of the Cheng family! The only martial artist of the Cheng family! Absolutely powerful existence!

Cheng Zizhong, Cheng's first waste! Is the only fool of the Cheng family! And now, this fool actually killed Cheng Zilong in seconds?

No one can believe this result!

Cheng Jingjing opened her mouth wide, her eyes widened, she even wanted to slap herself twice, telling herself that this must be a dream!

How could Cheng Zizhong beat the second brother with that waste?

In the audience, Cheng Wanqian was no longer excited.

At this time, he was already wondering if the person on stage was his son.

He knows what virtue his son is! He is a fool! His mind is just a child!

But now, my own trash son actually slapped his most proud son!

He was dumbfounded.

Li Mei was even more dumbfounded.

Cheng Zilong is her pride!

Why can she have such a high status in the Cheng family?

It is precisely because her son is the first genius of the Cheng family! But now, his own son was actually defeated by this waste!

## Chapter 826: Get Angry

Chapter 826

She can't believe this result, she can't believe this reality!

On the stage, Cheng Zi looked at his palm again with an incredible expression.

"Master is right! Master is not liar, Zizhong is so powerful now!" Cheng Zizhong looked surprised.

Cheng Zilong struggled to get up from the ground. He gritted his teeth and looked at Cheng Zizhong angrily.

He is not reconciled! He is the first genius of the Cheng family! But now, he, the first genius of the Cheng family, has been stupidly defeated by Cheng Zizhong, he is not convinced!

"Ah!" Only heard Cheng Zilong roar.

"I'm not convinced! I'm not satisfied!"

"I don't believe it! I don't believe you can beat me by this trash! Take my hand!"

At this time, Cheng Zilong roared.

At this moment, he didn't care about it, his right hand was abolished, then he would use his left hand!

I saw Cheng Zilong slammed on the ground with a horse step, luck with both hands, and the true energy in his dantian continuously poured into his left hand.

At this time, he had already moved the real killing intent!

After seeing this scene, all the Cheng family disciples changed their faces!

Because they knew that Cheng Zilong was going to make a big move!

"Zilong! Don't!"

In the audience, Cheng Wanqian roared, trying to stop Cheng Zilong, but it was too late.

Cheng Zilong's move was able to kill a thousand enemies and hurt himself eight hundred!

He is going to kill Cheng Zizhong!

At this time, I saw Cheng Zilong's momentum soaring! The clothes on his body were not windy, and the whole body was wrapped in zhenqi.

He looked at Cheng Zizhong, with hatred in his eyes.

"Cheng Zizhong, go to death!"

He roared and slapped Cheng Zizhong!

At this moment, I saw a black palm pressed down from the sky!

This black palm was transformed by Cheng Zilong's true energy.

Named the palm of great reincarnation fortune!

This palm contains all the power of Cheng Zilong's cultivation, as well as Cheng Zilong's three-year life span!

The most peculiar part of this palm is the great fortune of heaven and earth! Give yourself three years of life, and borrow powerful power from the sky!

Even Wu Sheng is very worried about this palm!

The black palm pressed directly towards Cheng Zizhong!

The hairs on Cheng Zizhong's body exploded!

Upon seeing this, Lin Kai quickly yelled: "Zi Zhong, domineering and infuriating palm!"

Hearing this, Cheng Zi directly used his domineering and innocent palm subconsciously!

Overbearing True Qi Palm is the hand that comes with the Overbearing Mind. Cheng Zizhong is very talented, and he learned it in just one night.

I saw Cheng Zi Da yelled: "Domineering and true palm!"

He also started his luck, and the golden qi appeared in Cheng Zizhong's hands.

Cheng Zi looked at the palm pressed against the sky again, and slapped it towards the sky as well!

From his tiny body, a huge golden palm shot out directly!

The golden palm contains the power of domineering cultivation, and the speed is extremely fast, directly slapped to the black palm!

boom!

There was a huge noise! The ground of the entire Cheng family trembled!

The explosion that happened made everyone's ears numb!

This movement is really too big!

The golden palm passed directly through the black palm! The remaining prestige was unabated, and the shot went to the sky!

This is the power of overbearing innocence!

A palm will abolish Cheng Zilong's great reincarnation palm!

Looking at Cheng Zilong again, his moves were broken and he suffered a huge backlash.

I saw his face changed drastically, his stomach churned, and finally, Cheng Zilong couldn't help it, and a big mouthful of blood came out.

"puff!"

After a bite of blood, Cheng Zilong fell straight to the ground.

He looked at Cheng Zizhong, his eyes widened, and he was still muttering: "Impossible, impossible..."

The palm of the great reincarnation he was so proud of was broken by Cheng Zi with another palm!

After so many years of cultivating, he is not as good as a fool!

There were only four words left in the entire scene, silent!

Everyone was silent, and everyone was silent.

Cheng Zizhong's strength shocked everyone on the scene!

No one thought that this waste that no one could value him would actually win Cheng Zilong! Won the first genius of the Cheng family!

This is something no one thought of!

The disciples who used to bully Zizhong in the past have already regretted it. With Cheng Zizhong's strength, they can kill them in seconds!

The expression on Cheng Jingjing's face under the stands was a wonderful one.

She didn't expect her second brother to lose!

His second brother, the most powerful second brother of the Cheng family, not only didn't avenge himself, but was seriously injured by Cheng Zi!

This fool has become so powerful now!

Could it be that Lin Kai is a great man?

Otherwise, what is the explanation, why does a fool suddenly become so powerful?

Cheng Wanqian slumped directly on the chair.

He was dumbfounded.

This foolish son of my own is so powerful!

This was unexpected by him.

At the same time, he was very excited.

Because he was born in the Cheng family! From now on, the Cheng family will not only have one Cheng Zilong, but also Cheng Zizhong! This is his pride!

Cheng Zizhong on the stage looked at his palm with an excited expression on his face.

"I won! Zi won again!"

"Zizhong is not a fool! Zizhong is not a waste! Zizhong is a martial genius!"

He roared, and this roar contained his dissatisfaction and resentment for decades!

Since childhood, he has been regarded as a waste of the Cheng family, he has been regarded as a fool of the Cheng family! No one in the Cheng family likes him, but now, he finally uses his strength to prove how powerful he is now!

I am not a fool! I am not a waste!

I am just naive!

I am not a waste! I just didn't meet a good master!

But now, a good master has appeared, and I have successfully proved my strength!

Cheng Zizhong yelled with excitement, "I won! Zi won again! Ah!"

Cheng Wanqian looked at Cheng Zizhong on stage, nodded, his eyes filled with approval.

At this moment, Lin Kai stood up, he looked at Cheng Zizhong on the stage, smiled and nodded.

"Uncle Cheng, do you know how long it took for Zizhong to cultivate from an ordinary person to the peak level of a martial artist?" Lin Kai asked suddenly.

After hearing Lin Kai's words, Cheng Wanqian's heart tightened.

As his own son, he didn't know when he started practicing.

Now that Lin Kai mentioned it, he was also very curious.

"Dare to ask how long has it been reused?"

Cheng Wanqian asked with a fist.

Li Mei also looked at Lin Kai.

Lin Kai smiled slightly and said, "Hehe, Zizhong only took less than ten days!"

After listening to Lin Kai's words, Cheng Wanqian's eyes widened at the time: "Wh...what? Less than ten days?"

## **Chapter 827: Less Than Ten Days**

Chapter 827

Less than ten days!

This speed is simply an evil speed!

Cheng Zilong, the first genius of the Cheng family, took several years to cultivate from an ordinary person to the level of a martial artist!

But Cheng Zizhong only took less than ten days.

This is no longer a genius to describe Cheng Zizhong, this has to be described as a monster!

Cheng Wanqian couldn't believe it if he hadn't seen it with his own eyes!

"Really?" Cheng Wanqian asked excitedly.

Lin Kai smiled and nodded, and said, "Hehe, do I have to lie to you?"

After listening to Lin Kai's words, Li Mei on the side looked very ugly.

Originally, Cheng Zilong was the first genius of the Cheng family and the first evildoer of the Cheng family, but now, this fool has become a dragon! If he rises, his son will become the second child in the Cheng family in the future!

Then his position in the Cheng family will also change.

Cheng Zizhong's mother, I am afraid that she will become the first person in the harem!

The thought of this made Li Mei feel uncomfortable in her heart.

boom!

I saw Li Mei slapped the table fiercely, and stood up: "You demon! You demon! What kind of magic did you use against Zizhong? Make Zizhong look like this?"

Li Mei asked angrily.

Upon seeing this, Cheng Wanqian quickly stopped Li Mei: "Madam, why do you say that?"

Li Mei glared at Cheng Wanqian and said, "Cheng Wanqian! You don't even think about it, who is Cheng Zizhong? He is a fool!"

"A fool who became a cultivating genius for no reason, don't you think there is a fraud in this?"

After listening to Li Mei's words, Cheng Wanqian touched his chin and fell into deep thought.

Indeed, what Li Mei said makes sense!

This own son is just a fool! Even if he has become acquainted, he can't change from a fool to a monster-like genius, right?

“So, this person is definitely not at ease! He must have used some black magic on Zizhong to stimulate potential! Let Zizhong temporarily become powerful! But the side effects must be huge!”

“He must want to take advantage of Zizhong, and then take the position in the Cheng family!”

“After all, he is just an ordinary person, how can he teach his son Zhong Zhong?”

After listening to Li Mei’s words, Cheng Wanqian looked at Lin Kai.

At this time, he also had some doubts about Lin Kai. Is this Lin Kai really relieved?

Lin Kai couldn’t laugh or cry after hearing Li Mei’s words.

Li Mei doubted herself so much.

“Uncle Cheng, so you doubt me too?” Lin Kai asked.

Cheng Wanqian was silent, he did not speak.

Lin Kai helplessly said: “Uncle Cheng, if I use some potential-stimulating drugs on Cheng Zizhong, now Cheng Zizhong should not have much combat effectiveness. After all, there is no drug that can make a person so powerful.”

“I said before, now, even if you are Uncle, you are not Zizhong’s opponent.”

“If you don’t believe me, you can go up and try it now and feel the strength for a while, is it really strong?”

Lin Kai said directly.

He doesn’t do bad things, and he is not afraid of ghosts knocking on the door!

After listening to Lin Kai’s words, Li Mei patted the table: “Joke!”

“Huh! My husband is a master of Martial Saint level! Even if you use some black magic for Zizhong, Zizhong is definitely not an opponent of master martial arts!”

“You don’t want to confuse the crowd!”

Lin Kai was also a little impatient after hearing Li Mei’s words.

“Is there any deceitful words to confuse the public? Uncle Cheng will know if I try it?”

After hearing Lin Kai’s words, Cheng Wanqian couldn’t sit still.

He felt that he had to personally test Cheng Zizhong's strength.

At that time, Cheng Wanqian nodded and said, "Okay, then I will test the strength of the heavyweight!"

After all, Cheng Wanqian strode to the ring!

And Cheng Zilong had been carried down by his subordinates at this time, and now Cheng Zilong was being treated.

Cheng Zilong put all his lifespan on that palm. Now, that palm was broken by Cheng Zi, and he suffered a huge backlash! Although it will not die, it will definitely make Cheng Zilong very uncomfortable.

Li Mei looked at her baby son being beaten like this, it was distressed.

Under the gaze of thousands of Cheng family disciples, Cheng Wanqian walked directly onto the ring.

As soon as he appeared, there was a loud noise, and even the owner of the house had to take action?

"Zizhong, you suddenly became so strong. It's very gratifying to be a father."

"But your cultivation base has suddenly increased. For my father, I am afraid that there is something tricky in it. For my father, I will test your strength personally now. Don't be merciful and take action against me!"

After listening to Cheng Wanqian's words, the audience uttered exclamations!

Cheng Wanqian really wants to make a move!

At that time, many people on the scene were boiling, and seeing the martial arts-level masters take action, this is a blessing for several lifetimes!

Cheng Zizhong heard this and glanced at Lin Kai in the audience.

He couldn't let go.

"Dad, this is not so good..." Cheng Zi retorted.

Cheng Wanqian said, "What's wrong? Right to do it for the father!"

Obviously, Cheng Wanqian didn't pay much attention to Cheng Zizhong. Even if Cheng Zizhong's strength became very strong, there was definitely a big gap between him.

After all, he is a martial artist, and Cheng Zizhong is just a martial artist!

“In this way, Zizhong, if you can win and become a father, I will give you one hundred thousand extra pocket money every month!”

After hearing Cheng Wanqian’s words, Cheng Zizhong’s eyes lit up.

“really?”

In fact, Cheng Zizhong’s pocket money is pitiful in Cheng’s family.

Cheng Zilong has millions of pocket money a month, while Cheng Zizhong only has tens of thousands of dollars.

More than one hundred thousand yuan, for Cheng Zizhong, it means that he can eat good food unscrupulously!

“Of course it’s true, my father won’t lie to you!”

Cheng Zizhong heard this, full of energy!

“Okay! Dad, be careful!”

After that, I only heard Cheng Zi shout again: “Ha!”

Humph!

Cheng Zizhong ran towards Cheng Wanqian directly!

Seeing Zhen Qi condensed in his hands, he slapped Cheng Wanqian with a palm.

Cheng Zizhong doesn’t know how to use fancy moves. His attack method is very simple, which is to wrap his infuriating energy in his palm and then blast him!

After seeing this scene, Cheng Wanqian’s eyes lit up, what he wanted was this attack method.

Only this simple and rude attacking method can make Cheng Wanqian feel Cheng Zizhong’s strength well.

Only in this way can Cheng Wanqian know whether Cheng Zizhong’s strength is virtual or real!

At that time, I saw Cheng Wanqian also stretched out his palm, and slapped Cheng Zi again!

boom!

There was a loud noise! A huge wave of air erupted from the palms between the two!

I saw Cheng Wanqian's body standing still.

However, Cheng Zizhong's face changed when he met Cheng Qianqian's palm.

## Chapter 828: Cheng Zi Reappeared

The 828th Constitution reappears

Humph!

I saw Cheng Zizhong stepped back several steps! A look of surprise.

Because he found that his father is so powerful!

Even if he is himself, he is not his father's opponent!

He was surprised, and Cheng Wanqian was even more surprised!

Because he knows the power of his palm! With this palm of his own, even if it is Cheng Zilong, he can slap flying with one palm! And Cheng Zizhong just took a few steps back.

Moreover, he felt the true spirit of his son, very domineering!

And it is very deep, not like being blessed by some kind of magic.

In other words, Lin Kai did not deceive people, nor did Lin Kai use any magic arts, his son is really powerful now!

Only one thing is different from what Lin Kai said, that is, Cheng Zizhong is far from his opponent now.

However, even so, Cheng Wanqian was very satisfied.

After all, turning a stupid son into a cultivation genius is already a great thing for his Cheng family!

Cheng Wanqian nodded with satisfaction, and said, "Yes, Zizhong, no need to fight."

But Cheng Zizhong showed a serious expression. He roared and said, "No! Without winning you, you won't give Zizhong's pocket money!"

Hearing that, Cheng Wanqian was also dumbfounded, and Cheng Zizhong was still thinking about pocket money!

At this time, I only heard Cheng Zizhong roar again, running wildly! A palm slapped Cheng Wanqian!

This time, Cheng Zi reused his true strength!

In desperation, Cheng Wanqian had to slap his son again.

boom!

There was a muffled sound.

Humph!

As a result, Cheng Zizhong stepped back again!

And Cheng Wanqian's heart became more shocked, because the current Cheng Zizhong is too powerful!

Give him another period of time, I am afraid he is not an opponent.

"Zizhong, all right, stop making trouble, you are not your father's opponent." Cheng Wanqian said helplessly.

And Cheng Zizhong roared: "Ah! No! Zizhong must defeat his father today! Zizhong is an important pocket money!"

After all, Cheng Zizhong stretched out his hand directly!

At the same time, from a corner of the stage, a knife suddenly flew over!

The knife fell directly into Cheng Zizhong's hands!

I saw that it was a straight Tang sword. The Tang sword was very domineering. Although the blade was simple, it gave people a deadly and dangerous atmosphere!

After seeing this knife, Cheng Wanqian's eyes were narrowed.

His voice trembled.

"White...Silverware!"

That's right, the knife in Cheng Zizhong's hand is exactly a silverware!

That is the hurricane Lin Kai gave Cheng Zizhong!

As soon as the hurricane was in hand, Cheng Zizhong's momentum changed dramatically!

Everyone in the audience was dumbfounded.

No one thought that Cheng Zizhong had silverware!

That's silverware!

In the entire Cheng family, only Cheng Wanqian had a silverware!

Cheng Zizhong roared at this moment: "Ha!"

Afterwards, he rushed again! Zhen Qi got directly into the hurricane.

Without any moves, Cheng Zizhong slashed over directly!

But even so, the overbearing true Qi and the Silver Hurricane slashed out a very powerful wave at that time!

The air wave was formed by Cheng Zizhong's domineering true energy, and he slashed directly towards Cheng Wanqian!

Cheng Wanqian's face also showed a solemn expression.

Without saying anything, he directly used his infuriating energy to prop up a protective cover.

This is the protective shield held up by the martial arts masters!

It was too late to say, it was fast, and in the blink of an eye, Zhen Qi had already slashed in front of Cheng Wanqian.

At that time, there was a huge noise throughout the scene!

Boom!

A loud noise!

I saw that zhenqi qi wave slashed fiercely on the protective cover that Cheng Wanqian supported!

Click!

A very crisp sound rang out, Cheng Zizhong cut through the protective cover that Cheng Wanqian was supporting!

Cheng Wanqian frowned, he slapped his hand and broke the air wave from Cheng Zi's heavy blow.

He didn't expect Cheng Zizhong's strength to grow so fast!

He is indeed full of combat effectiveness now!

Not to mention one Cheng Zilong, even ten Cheng Zilong, I am afraid they are not Cheng Zizhong's opponent!

However, if he wants to beat himself, he is still much worse.

"Zizhong, your strength is very strong, but don't waste your energy, you are not your father's opponent!"

Cheng Wanqian persuaded him with bitterness.

Cheng Zi raised the hurricane again, panting, with an unwilling look on his face.

"Dad! You take another last cut of Zizhong. If this cut can't beat his father, Zizhong will give in!"

After listening to Cheng Zizhong's words, Cheng Wanqian nodded at the time.

"Yes, Zizhong, come on!"

He could see that Cheng Zizhong was already very tired, and this cut was probably Cheng Zizhong's last resort.

But what happened next made Cheng Wanqian very puzzled.

Because he discovered that Cheng Zizhong did not continue to attack.

His true energy did not appear on the silverware in his hand.

At this time, Cheng Zizhong seemed to be raising his qi, yes, he was raising his qi, but what was he doing?

Although Cheng Zizhong is somewhat intellectually lacking, he is not stupid, he is just naive.

What Lin Kai had said to him, he remembered in his heart, he now knew how to defeat his father!

I saw Cheng Zizhong lift all the zhenqi in his body into his dantian, and took a deep breath.

Afterwards, Cheng Zizhong sprayed all the true energy in the dantian from his mouth! A huge sound wave was formed!

“what!”

This sound wave makes people’s ears numb! It can be described as deafening!

Wherever the sound wave passed, even the glass cup was broken!

The expressions of all the disciples of the Cheng family changed drastically!

Because, at the moment Yinlang appeared, all the true qi in the Cheng family’s disciples lost contact!

That’s right, this is the most fatal weakness of the Cheng family disciples! Their true qi, if the sound waves forcibly intervene, they will lose contact with their master in an instant!

Even Cheng Wanqian couldn’t feel the true energy in his body for a moment!

Without his true spirit, Cheng Wanqian was just an ordinary person.

And Cheng Zizhong took advantage of this second to directly appear in front of Cheng Wanqian.

The hurricane in Cheng Zizhong’s hands was directly on Cheng Wanqian’s neck!

Cheng Zizhong grinned at this moment, and he smiled: “Dad, you lost.”

At that time, the whole scene was silent.

Thousands of disciples on the scene saw this scene.

They all saw Cheng Zizhong putting the long knife in his hand on Cheng Wanqian’s neck!

This Cheng family’s first waste, actually defeated the Cheng family’s Patriarch!

The whole scene was as silent as death.

In the audience, after seeing this scene, Cheng Zilong’s already pale complexion became even paler!

He clenched his fist tightly and defeated his father. How many years has been his dream!

## Chapter 829: End Of The Match

Chapter 829

But this dream, now Cheng Zi has realized it for him again!

In the audience, all the Cheng family disciples were shocked.

No one thought that the strongest Patriarch of the Cheng family would be defeated at this time!

And lost in the hands of Cheng Zizhong!

Cheng Zizhong's three words are now deeply embedded in everyone's mind at the scene, and they will never forget them!

Cheng Jingjing in the audience shook his head even more, unable to believe the scene before him.

"It's impossible, it's impossible, his master is just an ordinary person, an ordinary person, how can he teach such a powerful apprentice?"

She feels like she is dreaming now!

Li Mei was also dumbfounded in the audience.

Now, what else can she say?

Cheng Zizhong even defeated her husband, what else did she use to say that Lin Kai used black magic?

Well now, Cheng Zizhong has thoroughly proved his strength!

From now on, Cheng Zizhong's mother will become the highest-ranking woman in the Cheng family!

Her boss, good days are over!

Cheng Wanqian looked at Cheng Zizhong in front of him with a very complicated expression.

In fact, he also knew the defects of Cheng's mental method.

But this is his biggest secret, he has never told anyone this secret!

But he didn't know how Cheng Zizhong knew, this secret is the biggest secret of his Cheng family!

"Son, great!"

Cheng Wanqian patted Cheng Zizhong on the shoulder.

And Cheng Zizhong also took back the hurricane in his hands.

"Father, that big pocket money?"

Cheng Zi asked with a big smile.

Cheng Wanqian heard the words and said directly: "From now on, your pocket money will be the same as your second brother, three million a month!"

After hearing what Cheng Wanqian said, Cheng Zizhong was very excited.

"Oye!"

Cheng Zizhong at this time, happy like a two hundred jin child.

Soon after, Cheng Zizhong and Cheng Wanqian stepped out of the ring.

The game must continue.

Soon after, Cheng Wanqian and Cheng Zizhong came to Lin Kai and Li Mei.

After seeing Lin Kai, Cheng Wanqian held his fist and bowed directly at Lin Kai:  
"Unexpectedly, my Cheng Jiaju hides an expert like you!"

If he can teach his foolish son like this, this Lin Kai must also be an expert!

The silverware in his son's hands was probably also given by Lin Kai.

When Lin Kai heard the words, he smiled slightly: "Hahaha! I am not an expert, Uncle Cheng, you are so kind!"

Lin Kai quickly helped Cheng Wanqian up.

Cheng Wanqian looked at Lin Kai and asked cautiously: "Master, you can teach my son so strong, then your cultivation is at least at the master level, right?"

Cheng Wanqian asked quite expectantly.

However, Lin Kai shook his head and smiled slightly: "Hehe, I am not an ancient warrior."

"Not an ancient warrior?"

After hearing this sentence, the three of them were dumbfounded.

Cheng Wanqian and Li Mei looked at each other, with shock in their eyes.

Can teach his trash son so strong! And he is not an ancient warrior!

Even Cheng Zizhong couldn't believe it. He always thought that his master was definitely a very powerful ancient warrior!

But he didn't expect that his master was not an ancient warrior!

"Yes, I am not an ancient martial artist, but I have abundant resources in my hands, and it won't be a problem to hold another ten Cheng Zizhong!"

What Lin Kai said was not a lie.

In his universe bag, there are the life savings of countless ancient warriors, and the techniques and crystals that Lin Kai has mastered cannot be counted by numbers.

The speaker has no intention, the listener has the intention.

After hearing these words in the distance, Cheng Zilong took a deep look at Lin Kai.

Soon after, the competition was over.

Cheng Zi deservedly became the first place in the competition!

Even if Cheng Zilong was injured, he won second place.

After the martial arts competition, Cheng Wanqian filled the yard of the Cheng family with a banquet. Congratulations on the Cheng family's emergence.

That night, all the Cheng family disciples laid down their rules and drank happily.

It wasn't until twelve o'clock in the evening that everyone dispersed.

And when Lin Kai became Cheng Zizhong's master, his status in the Cheng family also changed.

Cheng Wanqian directly opened a luxury suite for Lin!

In the luxurious suite, Lin Kai drank a small wine very leisurely and watched TV dramas.

The person from the Shadow Gate who joined him hadn't appeared yet, and Lin Kai could continue to be happy at Cheng's house for a while.

In the past few days, Lin Kai has been eating, sleeping and playing games, and his life is very leisurely.

And Cheng Zizhong's cultivation base is also increasing day by day.

According to this trend, in another month, Cheng Zizhong will become a master of the martial arts level.

I have to say that Cheng Zizhong's talent is really high, even Lin Kai envied it.

And Cheng Zizhong's position in the Cheng family has become completely different. The current Cheng Zizhong is under one person in the Cheng family and above 10,000!

All the Cheng family disciples did not dare to be disrespectful to him.

Although Cheng Zi is the latest to get started, he is everyone's junior.

But no one dared to call his junior brother, and some even called him senior brother!

No one cares about Cheng Zilong. Those who used to please him are now all going to please Cheng Zizhong.

Cheng Zizhong finally experienced what it means to be superior.

As for Cheng Jingjing, she has been in her room for the past few days and has never been out.

As for why, I am afraid that only she knows the reason.

One week passed, and on this day, Lin Kai was sobbing the sun in the yard.

Suddenly, a beautiful shadow came over from a distance.

That is a girl.

The girl is wearing a dress, very beautiful, her face is very clean, and her face is full of collagen.

The person here is Cheng Jingjing.

Cheng Jingjing walked quickly to Lin Kai, with a shy expression on her face.

“Lin Kai...”

Lin Kai opened his eyes and looked at her: “Is there anything wrong? Fourth Miss?”

“Lin Kai, I... I have something that I want to tell you alone...”

At this time, Cheng Jingjing was a bit twitchy, and there was a hint of shyness on her face.

This made Lin Xinzong very confused.

This little girl, doesn't she always look down on herself?

Why are you suddenly looking for yourself now?

“What is it? Let's talk about it.”

Lin Kai said lightly.

But Cheng Jingjing shook her head and saw that she directly grabbed Lin Kai's hand and said, “No, not here. You and I go to a place where there is no one, can you?”

She looked at Lin Kai eagerly, very pitiful.

Her slippery little hands were also gently stroking Lin Kai.

Lin Kaiyi is bold, and he is not afraid that Cheng Jingjing has any unruly intentions.

“Well, where to go?”

Seeing Lin Kai's promise, Cheng Jingjing was overjoyed.

“Go to the mountains!”

On the mountain?

Lin Kai was very puzzled, what do I need to drag himself to the mountain to talk about?

“Let's go.”

Immediately, Lin Kai and Cheng Jingjing walked out of the Cheng's house together, toward the mountain outside the Cheng's house.

## **Chapter 830: Cheng Jingjing's Scheming**

Regulation 830 Jingjing's Scheming

Soon after, Lin Kai followed Cheng Jingjing and left the Cheng family.

Outside the Cheng family, it is a very tall mountain!

The top of this high mountain cannot be seen.

This is a high mountain where no one comes. There are wild beasts in the high mountain. Even the Cheng family disciples, few people come to this place.

Cheng Jingjing and Lin Kai walked straight up the mountain.

Lin Xinzong was puzzled! Good point, why did Cheng Jingjing bring herself here?

As the two went farther and farther, before long, the two had reached the halfway of the mountain.

If you look down from here, you can see Cheng's house not far away.

"You brought me here, what on earth are you going to do?" Lin Kai couldn't help it, he asked.

And Cheng Jingjing, who was walking in the front, turned her head and smiled mysteriously: "You'll know in a while."

Soon after, the two had arrived halfway up the mountain.

Here, there are towering trees, weeds and numerous wild animals.

But in such a place, there is actually a thatched house.

The thatched house is not big, it looks like it was newly built. After seeing the thatched house, Lin Kai was quite curious.

In this place, there is actually a thatched house?

"Here." Cheng Jingjing turned back and said to Lin Kai.

Is this here?

Lin Kaixin is even more curious, what kind of medicine does Cheng Jingjing sell in her gourd?

The two went into the thatched cottage together.

I saw a bed in the thatched house. The bed was not big, but there was a brand new bedding on it.

There is only such a bed in the entire thatched cottage.

After seeing this bed, Lin Kai became even more curious. He looked at Cheng Jingjing and asked, "What did you bring me here for?"

At this time, looking at Cheng Jingjing's state, it was a little different.

Her small face turned red, like the ripe apple, very attractive.

Cheng Jingjing has a good foundation. She is a beauty in the first place, and now she has a shy face, which is even more uncontrollable.

At this moment, I saw Cheng Jingjing pulling Lin Kai and sitting down.

"Lin Kai, actually..."

Cheng Jingjing had a twisted expression.

I saw her jade hand, grabbing Lin Kai's big hand.

Cheng Jingjing's small hands are very warm and smooth, and the hands of the little girl make people love it.

Lin Kai could even smell the fragrance on her body.

"What?" Lin Kai felt something was wrong.

I saw Cheng Jingjing's jade hand, which had been gently stroked on Lin Kai's face.

Cheng Jingjing's small face was also approaching, and her big watery eyes stared straight at Lin Kai.

As soon as she spoke, there was a fascinating fragrance.

Coupled with her unique milk fragrance, it is even more fascinating.

"Actually... Actually, I also want to become a powerful ancient warrior like Third Brother..."

Cheng Jingjing said softly.

With that, she began to take off Lin Kai's clothes.

She began to untie Lin Kai's buttons one by one.

"Jingjing has nothing to give you, as long as you want, Jingjing's body can always..."

With that said, Jingjing exposed her fragrant shoulders.

Her skin is very tender.

After all, she is just a little girl, with collagen on her face, and her skin is very firm.

After seeing this scene, Lin Kai also swallowed a mouthful of saliva, good fellow, this is playing a beauty trick for himself!

“Lin Kai, be gentle...”

After that, Cheng Jingjing lay directly on the bed, and saw her disheveled clothes and blushing face. At this time, Cheng Jingjing was very attractive.

After seeing this scene, Lin Kai couldn't control it.

Had it not been for Lin Kaiding's amazing power, I am afraid he would have already jumped on it by this time!

But Lin Kai told himself that he couldn't do that!

He is a gentleman! Besides, the matter between himself and Long Xiaoyun is still unclear!

“No!”

Lin Kai said loudly.

After that, she was a little surprised to see Cheng Jingjing opened her eyes.

“what?”

She thought that with her charm, Lin Kai would definitely be unable to control it, and then rushed forward.

But she didn't expect Lin Kai to be unmoved!

At this time, she was a little doubtful whether Lin Kai was a man after all!

“Cheng Jingjing, you don't have that talent, it's no use begging me!”

At this moment, Lin Kai stood up, his face was righteous.

“If there is nothing else, then I will leave first.”

After that, Lin Kai was ready to leave.

But when Cheng Jingjing saw this, she showed a panic expression, and saw that she got up from the bed and stopped in front of Lin Kai.

“No! You can’t go!”

She opened her hands to stop Lin Kai.

Lin Kai tilted his head and looked at Cheng Jingjing, and asked, “Why can’t I leave?”

“I...” Cheng Jingjing couldn’t answer for a while.

“You just can’t go anyway!”

Cheng Jingjing looked resolute.

Among them, there is something tricky!

Lin Kai frowned.

Don’t stay here for long!

At that time, Lin Kai was about to leave in big strides.

Upon seeing this, Cheng Jingjing hugged Lin Kai directly, and took off most of her clothes! The whole person, like a snake, was coiled on Lin Kai’s body!

At this time, there was a rush of footsteps from outside!

And Cheng Jingjing also yelled at this time, and cried, pear flower brought rain.

“Let go of me! You beast! Let go of me!”

“No!”

“Let go of me! My father won’t let you go!”

Upon seeing this, Lin Kai suddenly realized that she was trying to frame herself!

At that time, Lin Kai pushed Cheng Jingjing away! Cheng Jingjing fell directly on the bed.

At this time, there was a bang!

The door of the thatched house was kicked open by someone!

I saw Cheng Zilong walk in angrily. After seeing Cheng Jingjing, he yelled: “Sister Si!”

Afterwards, Cheng Zilong hugged his sister and wrapped Cheng Jingjing with her own clothes.

After seeing Cheng Zilong, Cheng Jingjing cried out with a wow.

Pear flowers bring rain, it is a pitiful one.

If it is someone who doesn't know, I'm afraid I really think that Lin Kai did something inferior to an animal!

"Brother! Uuuu..." Cheng Jingjing cried in Cheng Zilong's arms.

Soon after, two more people appeared outside the thatched cottage!

One is the Cheng Patriarch with a gloomy look, Cheng Wanqian!

Another one is Cheng Wanqian's wife, Li Mei!

With a sneer on Li Mei's face, she squinted at Lin Kai, with a smug smile on the corner of her mouth.

Cheng Wanqian's expression was somber.

He never expected that Lin Kai would do such a brutal thing!

This is his favorite little daughter!

After seeing Cheng Wanqian, Cheng Jingjing cried louder.

"Woohoo..."

"Dad! You have to decide for your daughter! Dad!"

## **Chapter 831: Abolish Cheng Zilong**

Chapter 831: Abolish Cheng Zilong

Seeing how his daughter looked like this, Cheng Wanqian felt sad!

This is his biological daughter!

Now that he sees his own daughter being defiled by others, his heart is like being struck by a knife!

Cheng Zilong looked angry, he stood up, pointed at Lin Kai, and said angrily: "Lin Kai!"

“Are you a \*\*\*\* human? Our Cheng family treats you so well! Let you live in a luxurious suite! Delicious and delicious food for you!”

“And you? What did you do? You actually defiled my sister! You can’t die!”

Cheng Zilong said angrily.

Lin Kai looked at Cheng Zilong. Although Cheng Zilong was angry on the surface, there was a glorious expression in his eyes.

Obviously, this is a collusion of a few of them!

This is to frame yourself!

I am afraid that only Cheng Wanqian is kept in the dark. After all, he is a well-known good person!

Li Mei stared at Lin Kai fiercely at this time: “I knew you were not at ease!”

“You teach Zizhong, I am afraid that you have no good intentions! Do you want to induce Cheng Zizhong through Cheng Zizhong, so as to control our entire Cheng family?”

“If you didn’t see through your true colors today, I’m afraid our Cheng family would be destroyed in your hands!”

Li Mei screamed.

Cheng Wanqian’s face became more and more gloomy.

Originally, the Cheng family had a Cheng Zizhong, and he was quite happy.

But think about it now, thinking carefully! Cheng Zizhong listened to Lin Kai very much, and given Cheng Zizhong a little more time, Cheng Zizhong would be able to control the entire Cheng family, wouldn’t it mean that Lin Kai controlled the Cheng family?

He looked at Lin Kai with an angry expression on his face.

“Lin Kai!”

“It was a waste of my kindness to you! Is this how you rewarded me?”

Cheng Wanqian asked angrily.

After listening to Cheng Wanqian’s words, Lin Kai also looked bitter.

He shook his head and said, "If I say that I was framed by them, do you believe it?"

Lin Kai pointed at Cheng Jingjing and looked at Cheng Wanqian and asked.

"Hehe, are you a fool as my father?" Cheng Zilong sneered.

"The truth is right in front of everyone! You even said that we framed you? Who would believe it?"

"I saw that you took the fourth sister out sneakily, knowing that you must have been uneasy! Fortunately we came in time, otherwise, the fourth sister will be defiled by you!"

Cheng Zilong said angrily.

After that, he looked at Cheng Jingjing and asked loudly: "Sister Si, you tell the story of the matter one to five to ten, and we are all up to you!"

After listening to Cheng Zilong's words, Cheng Jingjing sobbed and said: "Originally, I was at home well, this Lin Kai suddenly came to me."

"Said there is a secret to tell me."

"I believed him, so I followed him to leave the Cheng's house and up the mountain."

"But I didn't expect that there was a thatched hut on the mountain! After he took me into the thatched hut, he used drugs on me! He wanted to be rough on me!"

"Fortunately, brother and father, you came in time, or else I will..."

"Woohoo..."

While talking, Cheng Jingjing started crying with aggrieved expression on her face.

Seeing that his precious daughter was so wronged, Cheng Wanqian was even more furious!

"Lin Kai! Today, you must give me an explanation!"

Cheng Wanqian shouted loudly.

I saw a faint qi that had drifted out of him, and he was ready to do it!

Cheng Wanqian's good temper is well-known in Jiangbei, but this does not mean that he can be bullied! Everyone has their own bottom line, and Cheng Wanqian naturally has it too!

Lin Kai was also speechless at this time.

These three people sang and harmonized, and there was no room for Lin Kai to explain! Now, no matter what Lin Kai said, no one would believe it.

It's really yellow mud sticking to the crotch, not \*\*\*\* but shit.

"Explain? Hehe, I was framed, and that's all for me!" Lin Kai said lightly.

He stood with his hands behind, with an arrogant look on his face.

After listening to Lin Kai's words, Cheng Wanqian was furious!

"Well, you are Lin Kai! Deceive my daughter. Today, Cheng Wanqian killed you!"

Just as Cheng Wanqian was about to take a shot, Cheng Zilong stood up.

"Dad! Wait a minute!"

I saw a sneer on Cheng Zilong's face.

"Let me come! Lin Kai dared to insult my sister, today, Cheng Zilong let him die!"

He knew that Lin Kai's strength was not strong, because Lin Kai himself said that he was not an ancient warrior.

So, I can get rid of him!

Let you insult me!

Let you teach such a powerful apprentice Cheng Zizhong!

Make you shame me!

Now, I will kill you alive!

Cheng Zizhong, he can't run away either! He will die too!

Lin Kai looked at Cheng Zilong with a look of hatred and shook his head. He said helplessly, "I don't want to make a move, don't force me!"

"Forcing you?"

Cheng Zilong sneered and said, "Haha, what can I do if I force you?"

After that, he yelled and slapped Lin Kai's chest with a palm!

This palm, coming fiercely, contains the deep instinct of Cheng Zilong! This is Cheng Zilong's full strength!

Moreover, his palm came directly at Lin Kai's chest! It was obviously killing Lin Kai!

Lin Kai's face also showed anger, you really don't put me in your eyes!

it is good! Since you want to kill me! Then I will abolish you first!

At that time, Lin Kai also shot, and majestic spiritual power immediately appeared in his hands! Lin Kai directly slapped Cheng Zilong!

boom!

It sounded! The powerful air wave directly blew up the thatched cottage!

Lin Kai stood still, motionless.

On the contrary, Cheng Zilong's complexion changed drastically.

His face paled instantly.

"puff"

Cheng Zilong sprayed a big mouthful of blood! He clutched his chest with a look of pain on his face.

Because he felt that there was a powerful force that directly entered his body and ran directly to his dantian!

This powerful force can't stop it!

After arriving at his pubic area, he directly destroyed Cheng Zilongs pubic area!

Cheng Zilong has become an ordinary person now! He is no longer an ancient warrior!

Since then, the pride of his life has been shattered by Lin Kai! He is no longer a genius!

"My cultivation base!"

Cheng Zilong roared.

He didn't expect Lin Kai to be a master!

His true spirit is so strong!

“Dragon!”

After seeing this scene, Li Mei’s eyes were red.

This is her biological son! This is her pride!

I saw Li Mei hugged Cheng Zilong directly, and tears fell unconvincingly.

Because she felt that her son’s cultivation was abolished!

Cheng Jingjing also stared at her second brother blankly. His second brother was actually abolished?

Lin Kai stood with his hand down, he snorted coldly, and said, “Huh! I said, don’t force me! This is what forced me to end!”

## **Chapter 832: This Is Really Just A Misunderstanding**

Chapter 832 This is really just a misunderstanding!

After listening to Lin Kai’s words, Li Mei’s eyes were red, and she screamed: “Patriarch! Patriarch! You want to avenge Longer! Patriarch!”

“Ryuer’s cultivation base has been abolished! Patriarch!”

Cheng Wanqian’s expression was completely gloomy.

The future of the Cheng family must be entrusted to Cheng Zilong!

But now, his son was directly beaten into a waste by Lin Kai!

He doesn’t know why Lin Kai is so powerful, but he has only one idea now, that is to kill Lin Kai!

It is hard to understand the hatred in his heart if he does not kill Lin Kai!

“Lin Kai Xiaoer! You are deceiving too much!”

“You taught my son martial arts, you actually want to control my entire Cheng family!”

“You insulted my daughter even more!”

“Now, you have abolished my son’s cultivation base again!”

“If today’s revenge is not reported, what kind of man am I?”

Cheng Wanqian said angrily.

Then, from Cheng Wanqian's hands, a long sword appeared!

This long sword is seven feet long, and its body is shining with cold light. It is a silverware! This is his most proud weapon!

At this time, I saw Cheng Wanqian's strong infuriating energy continuously injected into this sword.

This sword is getting brighter!

Even if it is a hard rock, this sword can split easily!

Cheng Wanqian was really angry!

After seeing this scene, Lin Kai frowned, and to be honest, he didn't intend to attack Cheng Wanqian.

Because Cheng Wanqian was still good, but if Cheng Wanqian shot him, Lin Kai could only take the shot.

"Uncle Cheng, please believe me, I really didn't do those bad things!"

Lin Kai said.

"go to hell!"

But Cheng Wanqian didn't listen to Lin Kai's words at all, only a cold light flashed by, Cheng Wanqian held a long sword and slashed directly towards Lin Kai!

After seeing this scene, in the eyes of Cheng Zilong and Li Mei, it was a relief!

Correct! Just chop it down! Just kill him!

And Lin Kai was completely helpless. At this moment, Lin Kai stretched out \*\*\*\* of his own.

boom!

With a crisp sound, Lin Kai used \*\*\*\* to pick up Cheng Wanqian's sharp sword.

"you!"

Cheng Wanqian was shocked!

He wanted to withdraw the long sword in Lin Kai's hands, but found that Lin Kai was infinite! The long sword can't be drawn back!

With a look of helplessness on Lin Kai's face, he said again: "Uncle Cheng, please believe me, I really didn't do those bad things! I was really framed!"

Cheng Wanqian had been dazzled by anger, he didn't believe what Lin Kai said! He has only one idea now, that is to kill Lin Kai!

"I don't believe it! You die for me!"

Seeing that the long sword could not be drawn out, Cheng Wanqian directly slapped Lin Kai's chest with a palm!

This palm, with Cheng's profound cultivation power!

boom!

Upon seeing this, Lin Kai was also helpless.

He had to slap Cheng Wanqian.

boom!

There was a sound!

Lin Kai stood there and didn't move, but Cheng Wanqian's expression changed, hum! Cheng Wanqian backed a few steps!

At this time, Cheng Wanqian looked shocked, because he discovered that the person in front of him was really too powerful!

Even if he is a master of martial arts level, he can't hurt him at all!

His true spirit is very strong! And very overbearing! Of course, he didn't know, it wasn't true energy, it was spiritual power!

Cheng Zilong and Li Mei were also stunned. They didn't expect that Lin Kai was actually a hidden powerhouse!

Lin Kai threw Cheng Wanqian's long sword on the ground, and said helplessly: "Uncle Cheng, can you trust me once?"

Cheng Wanqian looked at Lin Kai in shock, and asked, "Didn't you say that you are not an ancient warrior? Your strength is so strong! You hide so deeply! Do you dare to say that you did not plot against our Cheng family? "

Upon hearing this, Lin Kai was speechless again.

“I am indeed not an ancient warrior! I am a cultivator!”

After listening to Lin Kai’s words, Cheng Wanqian laughed at the time: “Hahaha! Hahahaha!”

“Lin Kai! Do you really think that Cheng Wanqian is a fool? A cultivator? There is a cultivator in this world?”

“Today, even if I abolish my lifelong cultivation base! I will kill you!”

After all, I saw Cheng Wanqian clasped his hands together, and a powerful qi appeared in his hands!

His face has also become ugly!

This trick, Lin Kai has seen, is exactly the trick that Cheng Zilong has used, the great reincarnation hand!

This palm was displayed by Cheng Wanqian and it was quite powerful!

In just an instant, there was a dark cloud over my head!

Thunder and lightning!

“Great Samsara, good luck palm!”

Cheng Wanqian roared!

This palm contains all the power of his cultivation! And his three-year life span!

boom!

Cheng Wanqian slapped Lin Kai with one palm, with the potential to destroy the world!

Faced with such a powerful palm, Lin Kai still seemed to be an understatement. He stretched out his palm at will and gave Cheng Wanqian a palm.

boom!

There was a loud noise, and the air wave lifted all the trees on the side!

But looking at Lin Kai again, he still doesn’t move!

His clothes haven’t moved!

Looking at Cheng Wanqian again, his face changed drastically!

“puff”

Cheng Wanqian directly vomited a big mouthful of blood!

Because this palm didn't hurt Lin Kai, on the contrary, he suffered a huge backlash!

His whole face changed.

Lin Kai is too powerful! Even if he is Martial Saint, there is nothing he can do with Lin Kai!

joke! Martial Saint level master, Lin Kai once killed twelve on his own!

Even if the three masters join forces, they are not Lin Kai's opponents, let alone a small Cheng Wanqian?

Both Cheng Jingjing and Cheng Zilong were dumbfounded.

This Lin Kai is so powerful?

Even his father is not his opponent!

At that time, everyone's even color changed.

It's bad now, Lin Kai won't kill them all in a rage, right?

After all, Lin Kai is so powerful now!

Lin Kai glanced at the crowd, showing a look of helplessness, he knew that he could not stay here any longer.

I am leaving Cheng's house.

Lin Kai glanced at Cheng Wanqian and said, “Uncle Cheng, I hope you can investigate this matter carefully!”

“I am leaving!”

After all, Lin Kai's figure disappeared directly in place!

Lin Kai rushed down the mountain like a gust of wind!

Soon after, Lin Kai's back figure disappeared from everyone's sight.

After seeing Lin Kai gone, Cheng Wanqian clutched his chest with a look of hatred!

He looked up to the sky and roared: "Lin Kai! I won't kill you, I promise not to be a man!"

He is angry! Really angry!

Cheng Zilong and Cheng Jingjing were also trembling on the side, because they knew that they had deceived Cheng Wanqian.

If Cheng Wanqian discovers that they lied to him one day, he will be angry, I am afraid that even they will not let it go!

## Chapter 833: Sell skills

Chapter 833

After Lin Kai left, Cheng Wanqian did not get out of the grief for a long time.

He watched his daughter be defiled, and his son was abolished for repair. In his heart, it was a sadness.

These are all his children of the Cheng family!

But he has nothing to do with Lin Kai!

Seeing her husband so sad, Li Mei also helped Cheng Wanqian.

"Patriarch, do you want to call Xiao Lei back?" Li Mei asked.

Xiao Lei, the eldest son of Cheng Wanqian, is also a wizard known as the first genius of the Cheng family!

However, the eldest son left the Cheng family very early and was accepted as an apprentice by a master.

If it weren't for this eldest son to shock the families in Jiangbei, perhaps the Cheng family would have been swallowed by other families long ago.

Cheng Wanqian nodded, and for an instant, Cheng Wanqian seemed to be tens of years old.

"Call Xiao Lei back. If you don't kill Lin Kai, I will be upset!"

Cheng Wanqiandao.

Li Mei nodded, turned around and took out her mobile phone and dialed a call.

...

On the other side, after Lin Kai flew down the mountain, he walked on the main road.

There are almost no pedestrians and vehicles on this main road, because this is a road built by the Cheng family, which leads directly to Jiangbei.

On both sides of the road, there are endless mountains.

At this time, Lin Kai walked slowly on the main road.

For the Cheng family, Lin Kai definitely couldn't go back. The misunderstanding between Lin Kai and the Cheng family couldn't be solved for a while.

He couldn't go back to the Lin family now, and Lin Kai now felt a sense of homelessness.

What should I do?

“Ugh”

Lin Kai sighed heavily.

In this way, Lin Kai walked into a forest without knowing how long he had been walking.

This is a pear grove, the leaves on the pear trees have fallen out and are bare.

As he walked, Lin Kai met a huge stone.

It just so happened that when it was warm, Lin Kai simply lay on the big rock, staring at the endless sky in a daze.

At this time, Lin Kai missed his former self.

It's not the old young Shaolin who opened, but the Lin Kai of the last life.

The earth of the last life.

In the last life, Lin Kai was an ordinary office worker without a wife, but he lived a happy life alone.

Eat and sleep, eat, one person is full, the whole family is not hungry.

In this life, although living a wonderful life, Lin Kai always felt that he was really tired.

Before he knew it, Lin Kai fell asleep.

When Lin Kai opened his eyes again, the sky was already dark.

it's dark.

Lin Kai rubbed his eyes and stretched out.

by! it's dark!

Lin Kai was in a daze.

At this time, Lin Kai opened the system and clicked on his personal information to take a look.

Age: 20

Sex: Male

Strength: 500

Speed: 500

Response: 500

Stamina: 500

Defense: 1500

Infuriating: 100

Heart of the strong: 30/100

Skills: Golden Eye (Gold), Watermelon (Silver), Balloon (Silver), Ganoderma (Gold), Tortoise (Bronze), Mountain Rock (Silver), Yuri (Gold), Furious Ape (Silver), Beetle meteor collision (Gold), Crow (Silver), Pingtuo Extraction Ability (Demi-God Level), Talisman Extraction Ability (God-Level), Copy Extraction Ability (God-Level), Parrot Extraction Ability (Gold)

Self-created skills: ghost attack (gold), peerless weapon (demigod level)

Upgrade points: 100

Attribute points: 0

This is Lin Kai's personal information.

Lin Kai has many skills, but Lin Kai basically doesn't use many skills.

There are still few upgrade points, and you can't upgrade your skills.

At this moment, Lin Kai's ears suddenly heard the voice of the system.

"Congratulations, host, you have obtained the qualification to sell skills temporarily. Do you want to sell your skills?"

After listening to the system, Lin Kai was taken aback for a moment, but could he still sell his skills?

"Sell your skills? After the skills are sold, what will become?"

"100% of attribute points and upgrade points will be returned!"

After listening to the system, Lin Kai was overjoyed!

If this is the case, then you have made a lot of money!

A bronze skill can return 100 attribute points and upgrade points!

A silver skill can return a thousand points!

A golden skill can return 10,000 points!

Not to mention his demigod level skills.

Lin Kai took a closer look, and he did have many skills that he couldn't use!

Watermelon skills, balloon skills, tortoise skills, mountain skills, violent ape skills, crow skills, these skills, Lin Kai can not use these skills!

At that time, Lin Kai decided to sell all these skills!

"Are you sure you want to sell five silver skills and one bronze skill?"

"After the sale, you can return 5,100 upgrade points and attribute points."

Five thousand one hundred! Great profit! Fools don't sell it!

"Sell! Now sell immediately!" Lin Kai shouted.

Immediately, I saw that these skills of Lin Kai turned into light spots and disappeared into Lin Kai's system.

With so many attribute points, how should I upgrade?

Upgrade power?

It seems that he has no use of strength now.

At this moment, Lin Kai's ears heard the system prompt again.

"The system reminds you that you can upgrade the system with three thousand upgrade points and three thousand attribute points. Do you want to upgrade the system?"

Can it be upgraded?

Lin Kai was taken aback.

The system has always been Lin Kai's greatest support, upgrade! Must upgrade!

"Upgrade! Upgrade me immediately now!" Lin Kai said.

"Upgrading, please wait."

Immediately, the system began a long upgrade.

This upgrade was one night, and Lin Kai waited for one night.

When the sky was getting dark, Lin Kai finally heard the system reminder.

"Congratulations, your system has been successfully upgraded!"

Hearing this, Lin Kai couldn't wait to open his own system. At that time, a brand new personal page appeared in front of Lin Kai's eyes!

Age: 20

Name: Lin Kai

Sex: Male

Level: Early foundation construction

Strength: 500

Defense: 1500

Mana: 300

Release speed: 15

Movement speed: 500

Skill power: 100

Skills: Golden Eye (Gold), Ganoderma (Gold), Yuri (Gold), Longhorn Meteor Crash (Gold), Pingtou Extraction Ability (Demi-God Level), Rune Extraction Ability (God Level), Copy Extraction Ability (God) Level), parrot extraction capacity (gold)

Self-created skills: ghost attack (gold), peerless weapon (demigod level)

Upgrade point: 2200

Attribute points: 2100

A brand new page appeared!

After seeing his new system, Lin Kai did not react for a long time.

It turns out that the system can be upgraded according to its own changes!

The previous system only had a strong effect on ordinary people, but it no longer had much effect on Lin Kai as a cultivator.

## **Chapter 834: System Update**

Chapter 834

But now, this system is simply tailor-made for Lin Kai!

“Yes, really good.” Lin Kai nodded in satisfaction.

Lin Kai now has 2,100 attribute points and 2,200 upgrade points!

The upgrade point, Lin Kai does not intend to use it temporarily.

But Lin Kai intends to use all the attribute points!

Now Lin Kai has added several attributes.

Mana is actually Lin Kai’s spiritual power.

The amount of spiritual power is related to how much Lin Kai’s skills can release.

For example, Lin Kai's Dream God's sword, and Dream God's sword, if released normally, Lin Kai can release at most twice.

But if you increase your mana! Then Lin Kai could release more dreams.

The release speed, as the name suggests, is the speed at which Lin makes moves.

On the battlefield, the speed of the move is determined by the life and death of human beings.

The speed of movement is also very important.

The power of skills is also very important. If you upgrade the power of skills, Lin Kai's skills will be greatly improved!

Lin Kai only had two thousand and one hundred attribute points. In addition to his movement speed, Lin Kai planned to upgrade all of them on average.

Soon after, Lin Kai completed the upgrade and a new page appeared.

Age: 20

Name: Lin Kai

Sex: Male

Level: Early foundation construction

Strength: 500

Defense: 1500

Mana: 1300

Release speed: 215

Movement speed: 500

Skill power: 1000

Skills: Golden Eye (Golden), Ganoderma (Golden), Yuri (Golden), Meteor Bump (Gold), Pingtou Extraction Ability (Demi-God Level), Rune Extraction Ability (God Level), Copy Extraction Ability (God Level), parrot extraction capacity (gold)

Self-created skills: ghost attack (gold), peerless weapon (demigod level)

Upgrade point: 2200

Attribute points: 0

The upgrade is complete! Beautiful!

Lin Kai focused on upgrading his mana and skill power.

The second is the release speed.

The current Lin Kai is stronger than the previous Lin Kai!

After the upgrade, the sky was also bright.

Lin Kai planned to leave.

As soon as I walked to the road, I saw a car rushing towards Lin Kai.

That is a black Mercedes-Benz car.

Is it possible that the Cheng family chased him? Lin Kai narrowed his eyes, but after a closer look, he found that it was not Cheng's car.

The black Mercedes-Benz car stopped directly in front of Lin Kai.

Then, a person got out of the car.

With a cigarette in his mouth, the man looked like a fool.

He is very fat, about two hundred jins in appearance, and he has a fight with Cheng Zi.

He is about 1.8 meters tall, his hair is not long, his eyes are small, and his expression looks extremely wretched.

He came to Lin Kai with a big grin and grinned, "Hey, your kid is Lin Kai, right?"

Good guy, is this a special trip to find yourself?

Moreover, how does he know he is here?

"Are you?" Lin Kai asked.

The fat man smiled, took out a token from his waist, and shook it in front of Lin Kai.

Shadow Gate!

He is from the Shadow Gate!

His name is Wu Shanyi!

It is a hall master of Shadow Gate! It is Lin Kai's immediate boss!

The Shadow League once said that his boss would come to him himself, and it seemed that he was the person in front of him.

"How did you find me?" Lin Kai asked curiously.

After listening to Lin Kai's words, Wu Shan chuckled: "Hey, the disciples of the Shadow Sect are all over the world. It's easy to find someone!"

After all, he looked at Lin Kai up and down, showing a very satisfied expression.

"Not bad! Not bad! The Shadow League is really good to me, I actually assigned a master like you to my hands!"

"Listen to the Shadow League, you have master-level strength?"

Wu Shan asked.

When Lin Kai heard this, he also looked at Wu Shan.

This fat man looked amiable and easy to talk. He was not as unreasonable, cold-blooded, and ruthless as the rumors outside.

It seems that Shadow Gate is not such a completely evil organization!

At least this fat guy doesn't look like it on the surface.

As for this fat man, his strength is not strong, but he is not weak.

Martial Saint level cultivation base, being a hall master at Shadow Gate, is still more than enough.

The ten elders of the Shadow Gate are all master-level cultivation bases.

"Grandmaster-level strength? That's right." Lin Kai smiled slightly.

After his system was updated, Lin Kai was already much stronger than before!

Last time, the three masters of Jiulong Mountain joined forces and beat Lin Kai with a look of embarrassment!

But now, Lin Kai has the confidence that if they do it again, Lin Kai will definitely not be defeated by them!

After listening to Lin Kai's words, Wu Shanyi narrowed his eyes and said with a smile: "Hehe, you know, master level masters are also very rare in our Shadow Sect."

"It's just that you don't have enough qualifications. I believe you will be able to reach the level of an elder after spending a year and a half in Shadow Gate."

"At that time, I have to ask Elder Lin to show his love!"

After that, Wu Shan arched his hands.

He is a good person!

He knew that a master like Lin Kai would definitely not always work under his own hands.

To please Lin Kai now is to please an elder of the Shadow Gate!

Lin Kai also laughed when he heard this: "Hahaha! The future is the future. Now, Lin Kai has to rely on Hall Master Wu!"

After listening to Lin Kai's words, Wu Shanyi also laughed.

"Hall Master Wu is here today, is he going to take me to the headquarters?"

Lin Kai asked intentionally or unintentionally.

His task is to find out the location of Shadow Gate headquarters.

It would be great if Wu Shanyi could take him to the headquarters of Shadow Gate.

After listening to Lin Kai's words, Wu Shan smiled: "Hehe, go to the headquarters? Where is that easy?"

"Only elder-level masters are eligible to enter the headquarters."

"Moreover, the disciples who enter the headquarters cannot come out!"

"So, the headquarters of Shadow Gate is very hidden, I have never been to it!"

After listening to him, Lin Kai's face immediately showed disappointment.

It seems that my task is not easy!

The above is ready to let myself lurch for several years.

“I’m here today, first, I will meet you.”

“Second, give you the contact information.”

After that, Wu Shanyi took out a small notebook and handed it to Lin Kai.

“On this, there are my contact information and the contact information of ten disciples. From now on, all these ten disciples will be transferred by you, and they will all be your subordinates.”

Lin Kai’s position is the rudder master of the Shadow Gate.

Rudder Master, you can mobilize ten disciples in Shadow Gate, and these ten disciples are Lin Kai’s subordinates.

Lin Kai took a look at it, and was shocked.

Because these ten disciples are all masters at the martial arts level!

“Let me go! Is it possible that all the disciples of the Shadow Gate are masters of the martial arts level?”

## **Chapter 835: Wu Shanyi**

Chapter 835

Upon hearing this, Wu Shan smiled and shook his head.

“Hahaha! Of course not.”

“It’s just that the above attaches more importance to you, so I sent you ten disciples of the martial arts level.”

“These ten disciples of the martial arts level are the most expected to be promoted to the rudder master!”

“When you become a hall master or an elder in the future, you will be able to promote one person from among the ten of them to your original position. This can be regarded as strengthening your own power!”

Wu Shan said with a smile.

Lin Kai heard the words and got it.

However, there is always an ominous premonition in his heart.

Why do you give yourself such a strong disciple?

Lin Kai felt that something happened!

“By the way, this time I’m here, there is actually one more task to give you.”

After listening to Wu Shanyi’s words, Lin Kai’s heart hummed.

“What task?”

Lin Kai asked.

Wu Shanyi took out another document and handed it to Lin Kai: “The Chen family in Jiangbei City, do you know?”

“The Chen Family?”

Lin Kai is a native of Jiangbei, he naturally knows this Chen family.

This Chen family runs a security company.

His security company is a well-known security company throughout Jiangbei and the whole country.

The Chen family is also very powerful.

“I know!” Lin Kai said.

“Just know.” Wu Shanyi said: “Recently, we investigated that this Chen family’s security company, on the surface, looks like a security company, but in fact, it secretly takes care of all dirty work.”

“These include helping the real estate to suppress the people and getting the people to compromise and sign. There are also transporting drugs and collecting protection fees. The Chen family has done everything.”

“So, our Shadow Gate decided that since Jiulong Mountain doesn’t care, then we Shadow Gate control!”

“This matter! We have a shadow door!”

“You brought ten disciples over and copied his house!”

“Remember, don’t let the people in Jiulong Mountain find out. You are limited to ten days to complete this task!”

Copy home?

I go, it sounds exciting!

Although the Chen family is strong, in Lin Kai’s impression, the Chen family does not seem to be strong.

Then this task can be accepted.

If the Chen family is really as damning as the Shadow Sect says, it doesn’t matter even if the Chen family is killed!

“Yes, I will complete this task.” Lin Kai nodded and agreed.

When Wu Shan heard the words, he nodded in satisfaction: “Okay, that’s all for me, do you want to go back to Jiangbei with me by car?”

Lin Kai heard the words, smiled and shook his head, and said, “Forget it, the ride is too slow.”

After listening to Lin Kai’s words, Wu Shan was taken aback, and then he gave a wry smile.

“Oh Well.”

Afterwards, Wu Shanyi got into his Mercedes-Benz and left the scene.

After Wu Shan left, Lin Kai carefully checked the things he gave himself, and whether he was bugged.

After checking, Lin Kai relaxed.

He took out his cell phone and dialed Kwai’s number.

Soon after, the call was connected.

“Hello? Are you?”

On the phone, Kwai deliberately pretended to be unaware and asked who Lin Kai was.

This is also afraid of someone using Lin Kai’s phone to test Kwai.

“It’s me, Lin Kai.” Lin Kai said lightly.

“What are you calling me for?” Kui asked coldly.

“The people from the Shadow Gate have already connected with me. They want me to take someone to copy the Chen family in Jiangbei.”

“What do you think of this matter?”

After all, Kwai is his superior, if you have something, you still have to ask Kwai!

“They said that the Chen family did everything, collecting protection fees, transporting drugs, and helping real estate to suppress farmers.”

Lin Kai said lightly.

At that time, Aoi was silent again.

After a long time, Kwai sighed.

“Compared to us, Shadow Gate’s intelligence may be more accurate.”

“Yes, now you treat yourself as a disciple of the Chen family.”

“All tasks given to you must be completed.”

“Your task cannot be completed in a short time.”

“So, you have to gain their trust and find their headquarters, so that you can catch them all!”

After listening to Kui’s words, Lin Kai raised his biggest doubt: “Shanzhu, don’t you say that the people of the Shadow Gate are all evil? Why do I feel that the people of the Shadow Gate are not as hateful as you said!”

After listening to Lin Kai’s words, Kwai was silent again.

Soon after, Aoi’s words came again: “Only the police have the power to shoot and kill the prisoners. The civilians do not have that power. Do you understand what I mean?”

After listening to Kui’s words, Lin Kai completely understood.

After all, it was because Shadowgate had infringed.

The Shadow Gate is too powerful, the Shadow Gate is a threat to Jiulong Mountain!

Moreover, Jiulong Mountain does not allow China to have a power similar to Jiulong Mountain in addition to Jiulong Mountain.

Therefore, Lin Kai will perform this task.

“I understand.” Lin Kai nodded.

Afterwards, Lin Kai hung up the phone.

Then, Lin Kai rushed towards Jiangbei City!

Lin Kai does not intend to copy the Chen family now.

Lin Kai wanted to see if this Chen family was as damning as Wu Shanyi said.

If so, Lin Kai will never show mercy.

If not, Lin Kai will definitely not wrong a good person.

After half an hour, Lin Kai rushed to Jiangbei City.

Lin Kai's speed is undoubtedly extremely fast.

After arriving in Jiangbei City, Lin Kai put on a mask, drove a car, and came to Chen's company.

The security company of the Chen family is called Wild Wolf Security Company.

The company in Jiangbei is huge!

The 18-story tall building is very impressive.

At the gate of the company, there are also two extremely strong security guards wearing black uniforms.

Behind the office building is a huge training ground!

The Chen family, just a bodyguard, has thousands of numbers! Among them, hundreds of bodyguards have gun licenses!

Therefore, the Chen family in Jiangbei City can be said that no one dares to mess with.

Even if Lin Kai's father saw the Chen Family Patriarch, he still had to give three points of courtesy.

Lin Kai strode towards Chen's security company, but before entering the door, Lin Kai was stopped.

The two extremely strong security guards asked politely: “Sir, who are you looking for?”

Not everyone can enter the Wild Wolf Security Company. Without a pass, it is impossible to enter the Chen's Security Company.

Lin Kai said lightly: "I'm here to apply."

After listening to Lin Kai's words, both security guards were taken aback.

"what?"

Apply? They looked up and down Lin Kai.

Lin Kai looks thin arms and legs. What is he applying for?

"Sorry, our company's customer service department and logistics department are full." The security guard said nonchalantly.

Lin Kai shook his head and said, "I'm not here to apply for customer service and logistics, I'm here to apply for bodyguards."

After listening to Lin Kai's words, the two looked at each other, and there was a smile in their eyes.

"Haha, sir, are you kidding me?"

"Our security company recruits people, but it's very strict!"

## **Chapter 836: Wild Wolf Security Company**

Chapter 836: Wild Wolf Security Company

Lin Kai smiled slightly after hearing what the security guard said.

"Hehe, it's okay, just tell me how to go."

After listening to Lin Kai's words, the two security guards glanced at each other, with mocking in their eyes.

joke! Their wolf security company, but a well-known security company in Jiangbei! Recruitment is a strict one!

How many retired soldiers can't enter their company as bodyguards. Can this kid in front of you?

"Boy, don't blame me for not reminding you! After entering, I was injured, our company is not responsible!"

A security guard said very arrogantly.

Lin Kai couldn't laugh or cry when he heard this. In a small security company, would anyone have the ability to hurt himself?

"It doesn't matter, if someone hurts me, I will pay for the medical expenses myself."

Lin Kai smiled slightly.

After listening to Lin Kai's words, the two security guards both shook their heads. Lin Kai is toasting, not eating or drinking!

In that case, they didn't need to continue to stop Lin Kai.

At that time, a security guard said directly: "Come with me! If you are lucky, today is our company's recruitment day!"

After that, the security guard led Lin Kai, bypassed the office building, and walked towards the training ground behind the office building.

Behind the office building, there is a huge training ground, the training ground is fully enclosed, the walls are very high! And there is glass on it, so people inside cannot get out and people outside cannot get in.

Outside, Lin Kai hadn't realized the closedness of the training ground, but when he entered the training ground, Lin Kai suddenly realized the closedness of the training ground of the Wild Wolf Security Company.

The closure is so good!

After bringing Lin Kai into the training ground, the security guard said impatiently: "It's the front, I'm out."

After all, he hurried out of the training ground, as if there was a ghost in the training ground, he didn't want to stay a second.

Lin Kai glanced at the front and saw that it was a huge playground in front!

In the middle of the playground, a group of people stood!

This group of people seems to have come to apply for bodyguards, there are a lot of people, there are hundreds of people!

Lin Kai strode over.

As soon as Lin Kai walked over, countless people noticed Lin Kai.

Lin Kai is too conspicuous here, there is no way, around Lin Kai, there are five big and three thick men!

Every body is very strong! Each one looks extremely nasty!

And Lin Kai's figure looks very thin, so in the training ground, Lin Kai is particularly conspicuous.

As soon as Lin Kai walked over, countless people looked at Lin Kai with a strange look, with mockery in their eyes.

He seemed to laugh at Lin Kai for being so thin, but he still came to apply for a bodyguard.

"Hehe! This kid is so thin and so thin, but still applying for a bodyguard?"

"I think this kid is tired of life, right?"

"I'll meet someone's examiner in a while, don't be silly!"

There was a wave of quiet discussions around, and many people were laughing at Lin Kai, and they didn't hide it at all, and they said in front of Lin Kai.

When Lin Kai heard the words, he also treated them as if he hadn't heard them. He really didn't bother to talk to these people.

"Get out of me!"

At this moment, I saw a brawny man walking from behind Lin Kai!

The brawny man pushed Lin Kai aside and strode past Lin Kai, very arrogant.

As soon as he appeared, the whole scene was silent.

Because this person is too tall! A full height of 1.9 meters!

And his shoulders are very wide! The fist is also very big, at first glance it is a practice!

He was full of muscles, with a big bald head, very arrogant!

Lin Kai looked at him with a displeased look, and he also looked at Lin Kai.

"Little bastard, what do you look at?" the strong man said coldly.

There was a burst of laughter immediately around.

Lin Kai frowned and just wanted to do it, but a big hand immediately rested on Lin Kai's shoulder and pulled Lin Kai back!

The corner of the big bald head showed a smile of disdain, and then he strode past Lin Kai!

Lin Kai frowned. If someone hadn't caught him just now, he had to let him know why the flowers were so red!

When he turned around, Lin Kai found that there was a man beside him.

The figure of the man does not look particularly strong, but it is also very strong.

I saw that he was dark skinned, honest-looking, and about 1.8 meters tall. He looked like an honest person.

The man looked at Lin Kai and grinned, showing his big white teeth.

"Hello! Brother, my name is Huang Hai."

"Are you a newcomer to apply?"

Huang Hai asked.

Lin Kai nodded when he heard the words, and said, "Yes, my name is Lin Kai."

Huang Hai grabbed Lin Kai's shoulders, pulled Lin Kai aside, and whispered to Lin Kai, "That person just now is not easy to provoke, don't provoke him!"

"That person, whose name is Wang Yilong, is a monk!"

"The one who came out of Shaolin Temple is very powerful!"

"It is said that he is in Shaolin Temple, and a dozen people are not his opponents. If you provoke him, you won't know how to die."

Huang Hai reminded.

Huang Hai was kind, but his words were too direct.

Lin Kai was also dumbfounded.

"Haha, just a monk." Lin Kai smiled helplessly.

When Lin Kai was complaining about his dissatisfaction, Huang Haiquan didn't take it seriously.

“I said, brother, you are brave enough! In this case, would you dare to apply for the bodyguard of the Wolf Security Company?”

Huang Hai raised his eyebrows, looked up and down Lin Kai, and said.

Lin Kai didn't look like someone who could beat him at all. His skin was so white and his figure was so thin. The most important thing was that Lin Kai was handsome! It's not like someone who can be a bodyguard at all.

It's like the hero in a Korean drama.

“I said, brother, you are not suitable to apply for a bodyguard, you are suitable to be an actor in a Korean drama!” Huang Hai said.

Lin Kai couldn't laugh or cry after hearing this.

“Hahaha! Stop kidding, I don't want to be an actor.”

As the two were talking, the whole scene was quiet.

Because from a distance, a group of brawny men came!

This group of brawny men are all wearing black uniforms, their faces are serious, their eyes are cold, and they all look extremely ugly!

This group of people are the bodyguards of the Wild Wolf Security Company!

Everyone who can become the bodyguard of the Wild Wolf Security Company is no ordinary person.

Their combat effectiveness is very powerful!

And at the front of this group of people is a fat man.

The fat man was wearing a black suit with a serious expression on his face. He came to everyone and said loudly: “Hello! I am the manager of the application department, my name is Zhang Debiao!”

As soon as the three words Zhang Debiao came out, the audience was silent!

## **Chapter 837: Chen Leier**

Chapter 837: Chen Leier

The three words Zhang Debiao are notorious throughout Jiangbei!

Zhang Debiao has done a lot of bad things. He brought his own people and hit many people. Because his background is the wolf security company, there are really few people in Jiangbei who can touch him.

As soon as he appeared, the whole scene fell silent.

No one dares to underestimate this fat man, because he is today's chief examiner!

"You are welcome to participate in the appraisal of our wild wolf security company."

"The assessment system of our Wild Wolf Security Company is also very simple! Whoever can beat the people behind me can become the bodyguard of our Wild Wolf Security Company!"

Afterwards, a group of bodyguards stepped back and saw three people standing behind Zhang Debiao.

Of these three people, one is taller than the other!

The first one looks to be 1.8 meters tall and burly.

Zhang Debiao said: "This one, the assault soldier is retired, and the combat effectiveness is not bad. If you defeat him, you can become our company's first-class bodyguard with a monthly salary of 10,000!"

After listening to Zhang Debiao's words, a burst of exclamation came.

The income threshold of Wild Wolf Security Company is really high! At least they must be able to defeat the assault soldier in front of them!

Subsequently, Zhang Debiao pointed to another person behind him.

This person is also extremely burly, but he has a strong body and is not as scary as the burly. His eyes are cold, giving people a dangerous breath.

"This one, the special soldier retires and can defeat him, he can become a second-level bodyguard! A monthly salary of 50,000!"

After listening to Zhang Debiao's words, another exclamation came.

A monthly salary of 50,000 yuan!

At this time, the eyes of Huang Hai next to Lin Kai were bright, and he stared at the retired special soldier bodyguard.

It seems that he came with a monthly salary of 50,000 yuan!

The last one is amazing, that one's figure is not generally tall, like a little giant!

Even if Wang Yilong was in front of him, it was much inferior.

That person was two meters tall, had a very burly body, a face of flesh, and there were a lot of scars and scars on his body.

“This one is a third-level bodyguard of our company! He is a special soldier retired and has participated in biochemical experiments! His body has been strengthened!”

“If you can beat him, you can become the third-level bodyguard of our company! A monthly salary of 100,000!”

“Now, I ask you, do you have confidence?”

“Have confidence!”

As soon as Zhang Debiao's voice fell, hundreds of people roared.

Are they confident? Of course there is no confidence.

It's just that Zhang Debiao is present, they have no confidence, and they have to pretend to be confident.

At this moment, Huang Hai bumped Lin Kai's arm and said, “Are you here to apply for a first-class bodyguard?”

Lin Kai was taken aback when he heard the words, and he nodded subconsciously.

After seeing Lin Kai nodding his head, Huang Hai grinned: “Hey, as a person coming over, I would like to remind you.”

“The assault soldier retired, his skill is very powerful, but his main attack method is military physical boxing.”

“There are no bells and whistles in the military sports boxing, it's about fighting the enemy with one move.”

“When you fight with him, you must be careful not to let him get close to your body. Attack his bottom plate more. His bottom plate is unstable and he is not far from losing, understand?”

After listening to Huang Hai's words, Lin Kai couldn't laugh or cry, feeling Huang Hai was here to teach himself how to defeat the assault soldier!

When Lin Kai was in the army, Huang Hai didn't know where he was.

However, this was Huang Hai's kindness after all. Lin Kai nodded and said, "I see, thank you."

Huang Hai grinned and said, "Hey, no thanks!"

"Now! Which of you will be the first to play?" Zhang Debiao asked loudly.

Everyone, you look at me, I look at you, and they don't want to be the first to play.

After all, no one knows the attacking tactics of the three of them. They all want to see after others fight and decide which one to challenge.

Therefore, the scene was silent, and the scene was once very embarrassing.

Zhang Debiao saw that no one came out, he was angry at the time.

"Does none of you dare to stand up? Does not one dare to stand up as the first person?"

Upon hearing this, Lin Kaigang wanted to stand up, but he heard a beautiful woman's voice.

"Yeah! Are these people just recruited interviewers?"

I saw a woman stride over.

As soon as this woman appeared, the eyes of hundreds of interviewers on the scene lit up, and everyone looked at her, because this woman is so beautiful!

She was wearing a pair of black leather pants and a pair of beautiful legs, very eye-catching.

Her upper body was also wearing a black leather jacket, and her body looked extremely hot.

Her hair is a ponytail, and her whole person is very neat and tidy.

Flame red lips, this is a big beauty!

After seeing her, even Lin Kai couldn't help but take another look.

"Does it look good?" At this moment, Huang Hai's beating voice suddenly came from Lin Kai's side.

"This is the chairman's daughter! Chen Leier! I don't know how many people's dream lovers are!" Huang Hai said almost drooling.

After listening to his words, Lin Kai also nodded: "I can see that this little girl is not only beautiful, but she is also a practitioner!"

After listening to Lin Kai's words, Huang Hai looked at Lin Kai in surprise: "How did you know?"

"Tell you, I have inquired a lot of gossip before I know that Chen Leier is good at it. How did you know?"

Hearing this, Lin Kai was also dumbfounded.

"Hehe, do you still need to inquire? Look at the pace of her walking, look at her dress, all fools know that she is a practicing family!"

After hearing Lin Kai's words, Huang Hai also looked at it carefully.

After watching it for more than a long time, he didn't know if he understood it, and he gave Lin Kai a thumbs up.

"As expected, brother, you have a good vision!"

"You too."

"Hahahahaha!"

I saw Chen Leier walked to the forefront in front of everyone.

"With so many people, no one dares to come up first?"

"Do you just have the courage? With this courage, how can you come to our company as a bodyguard? Go home and farm!"

Chen Leier was very pungent, so she scolded loudly when she came up.

In front of the beautiful woman, she naturally couldn't lose face. As soon as Chen Leier's voice fell, someone stepped forward immediately.

That was a strong man of 1.8 meters tall. He patted his chest and said, "I'm coming!"

After all, he rushed directly to the second-level bodyguard and went.

Upon seeing this, Chen Leier nodded, and said, "Yes! This is just a bit of a man!"

After that, I saw Chen Leier holding her arms and patrolling the hundreds of brawny men in front of her.

Soon, Chen Leier looked at Lin Kai. After seeing Lin Kai, she was taken aback for a moment, and then she frowned.

She looked at Zhang Debiao.

“Zhang Debiao!”

## Chapter 838: Challenge Three Level Bodyguards

Chapter 838

Hearing this, Zhang Debiao quickly trot all the way and came to Chen Leier.

“I’m here.”

Zhang Debiao looked like he was humble.

After all, in front of him, but the daughter of the wild wolf security company!

He dare not care.

“Who put this person in?”

Chen Leier pointed at Lin Kai and asked loudly.

Chen Leier pointed at Lin Kai. At that time, everyone at the scene looked at Lin Kai.

After seeing Lin Kai, many people burst into laughter. Lin Kai looked like a group of chickens, it was too conspicuous, it was hard not to attract others’ attention.

After Zhang Debiao saw Lin Kai, cold sweat broke out on his forehead.

He had already scolded the person who let Lin Kai come in a thousand times!

In fact, it doesn’t matter if Lin is allowed to come in normally, watching a little white face being beaten is also a good pleasure for everyone.

But who knows, Chen Leier is here today!

Chen Leier is famous for her pungency! If she is unhappy, she can turn the entire training ground upside down!

Lin Kai was also helpless at this time, grandma is a leg, wherever my brother goes, it is the focus!

“I don’t know either! Miss...” Zhang Debiao wanted to cry without tears.

Chen Leier's expression of dissatisfaction: "Next time, don't let me see again, there are people here who want to fish in troubled waters!"

Hearing this, Zhang Debiao nodded again and again: "Yes, yes..."

There was another burst of laughter.

Chen Leier looked at the hundreds of people in front of him, hugged her arms, and said loudly, "I tell you! The security company of our Chen family is not kidding! All we do is lick blood on the tip of a knife. Work!"

"If someone wants to become the bodyguard of our security company by going through the back door, I advise you to die!"

"Knives don't have eyes!"

When she said this, Chen Leier was almost looking at Lin Kai.

She seemed to be talking about Lin Kai.

But for Lin Kai, Quandang did not hear.

At this moment, the duel between the strong man and the second-class bodyguard also came to an end.

Bang! The brawny man was directly hit by the bodyguard!

At that time, the entire scene was quiet. Obviously, the bodyguards of the Wild Wolf Security Company were so powerful that they dare not step forward to challenge!

At this moment, Chen Leier looked at Wang Yilong. After seeing Wang Yilong, her eyes lit up.

"Where are you from?" Chen Leier asked.

When Wang Yilong saw Chen Leier talking to him, he was overjoyed. He quickly said, "I'm from Shaolin Temple. My name is Wang Yilong!"

After listening to Wang Yilong's words, Chen Leier nodded, admiringly said: "Wang Yilong? I have heard of you, it is said that you are very strong!"

After Wang Yilong heard Chen Leier praise him, his face even more smiled.

"It's okay."

Wang Yilong said modestly.

At that time, many people looked at Wang Yilong with envy.

If Wang Yilong can pass the assessment, he will definitely be reused by Chen Leier!

“So who are you here to challenge today? First class bodyguard? Second class bodyguard?”

Wang Yilong was originally to challenge the second-level bodyguard, but when Chen Leier asked, his head became hot and he said loudly, “I am here to challenge the third-level bodyguard!”

As soon as Wang Yilong’s words came out, a burst of exclamation sounded.

Lin Kai shook his head slightly at this time. He could tell with his own eyes that this Wang Yilong was definitely not an opponent of that third-level bodyguard!

After listening to Wang Yilong’s words, Chen Leier nodded in satisfaction. She liked these dare to challenge the impossible!

“Yes! Applause for him!”

Chen Leier took the lead and applauded.

At that time, there was thunderous applause and everyone on the scene clapped.

But Wang Yilong stood up amidst applause, he looked at the third-level bodyguard, his eyes full of energy!

And the third-level bodyguard looked into his eyes with only contempt and disdain.

The two stood in the middle of the lawn, and the battle was about to start!

Both of them were very tall, and both were very burly. At this moment, Wang Yilong was in an attacking posture, and he looked at the third-level bodyguard.

And the third-level bodyguard put on a defensive posture and looked at Wang Yilong cautiously.

“Start!” Chen Leier shouted loudly.

As soon as Chen Leier’s voice fell, Wang Yilong rushed over! The fist slammed into the opponent’s face very quickly! The muscles in the arms are tight!

I have to say that Wang Yilong’s attack power is still very powerful! His speed and strength are very strong!

However, he is stronger, his opponent is even stronger!

After seeing Wang Yilong's attack, the opponent did not rush to attack and defend, but took a step back and skipped Wang Yilong's attack.

Afterwards, the other party kicked Wang Yilong's stomach!

The opponent's speed is also very fast! Moreover, the opponent will look at the timing very well, and attack Wang Yilong while Wang Yilong has just retracted his fist, and when he is shaking back, when attacking at this time, Wang Yilong has no way to defend!

as predicted! The other party kicked Wang Yilong's stomach!

However, Wang Yilong is not such a big man.

Humph! Wang Yilong took a few steps back, but he did not fall.

The rules of the game, whoever falls, loses!

The third-level bodyguard shook his head and said, "You can't!"

While Chen Leier was watching, Wang Yilong roared, "Ha!"

Afterwards, he rushed towards the opponent again! Seeing Wang Yilong turned around, a whirlwind leg of Shaolin Temple swung over!

Huhuhu!

Wang Yilong's speed is very fast, and in the blink of an eye, he has already arrived in front of the opponent!

At this time, the other party propped up his arms and guarded him!

Bang bang bang!

A series of blows sounded! I saw that the third-level bodyguard just stepped back a few steps, and Wang Yilong's attack did not cause him any substantial damage at all!

Upon seeing this, Wang Yilong frowned.

The other party is a bit tricky!

And in the eyes of the third-level bodyguard, there is contempt.

He shook his head and said, "You can't do it, you should go down!"

After listening to his words, Wang Yilong was even more furious! The goddess is watching! How could he go down?

Today, he Wang Yilong must defeat this third-level bodyguard!

Thinking of this, I saw Wang Yilong roared: "Don't underestimate me!"

After that, Wang Yilong hammered his own chest. He blushed and roared, "King Kong Fist!"

King Kong Boxing is a form of Shaolin Temple's boxing. It is aggressive and masculine.

It was Wang Yilong who defeated more than a dozen monks in Shaolin Temple with this vajra fist, and thus became famous.

Everyone also exclaimed, everyone's eyes widened, for fear that they might miss some details.

This is a great time to learn!

## **Chapter 839: Lin Kai Is Done**

Chapter 839 Lin Kai's Finished

After the third-level bodyguard saw Wang Yilong's menacing Diamond Fist, his mouth also showed a playful smile.

At this moment, I saw the muscles of his arms bulging high, looking extremely terrifying and hideous!

He is no ordinary special soldier! His body has been genetically strengthened! Therefore, his defense and strength are not comparable to ordinary people.

Wang Yilong's strength is good, his diamond boxing is also good, but in the face of technology, it is still too small!

"what!"

Only heard the third-level bodyguard also shouted, punched Wang Yilong and smashed it!

In full view, the two fists slammed together!

boom!

A muffled sound!

At that time, Wang Yilong's face changed drastically! He just felt a huge force coming from his fist! Subsequently, his body retreated uncontrollably!

Humph!

I saw Wang Yilong retreat several steps in a row.

A trace of blood dripped from the corner of his mouth, and he was very embarrassed.

There was a sound of inhaling air-conditioning from the surroundings. These level three bodyguards are too powerful, right? Even Wang Yilong is not an opponent!

Looking at the third-level bodyguard, after repelling Wang Yilong, he still stood still, motionless.

Just now, he barely tried to defeat Wang Yilong!

Upon seeing this, Zhang Debiao stood up in time and said to Wang Yilong: "It's a pity that you have been eliminated!"

The strongest Wang Yilong was unfortunately eliminated! And Wang Yilong's face also showed an unwilling look.

This is all right, I am embarrassed in front of my goddess!

Chen Leier shook her head, obviously disappointed with Wang Yilong's performance.

At this time, Huang Hai next to Lin Kai whispered: "This third-level bodyguard is really powerful! Even Wang Yilong is not his opponent. I am afraid that no one can become a third-level bodyguard today."

Huang Hai exclaimed.

Lin Kai smiled slightly, that level three bodyguard was indeed very strong, but that he was very strong among ordinary people, and in Lin Kai's eyes, he was just a big man.

Wang Yilong walked back unwillingly, and happened to meet Lin Kai also watching him.

The corners of Lin Kai's mouth showed a playful smile, and his eyes were full of mocking expressions.

Wang Yilong was already in anger. After seeing Lin Kai's gloating expression, Wang Yilong exploded.

He pointed at Lin Kai and said, "What the \*\*\*\* are you laughing at?"

“It’s just a little white face, so \*\*\*\* shy to laugh at Lao Tzu?”

As soon as Wang Yilong’s words came out, everyone at that time looked at Lin Kai, and there was a burst of laughter.

Lin Kai held his arm and smiled and said, “Hehe, what’s wrong with my laugh? Am I breaking the law with laughter? It’s you, who couldn’t beat others, and ran to do it.”

Lin said with a smile.

After listening to Lin Kai’s words, Wang Yilong was even more furious.

“I’m going to \*\*\*\* you! I can’t beat him! What’s wrong? Even if I can’t beat him! I can also be a second-level bodyguard! But you, you little white face, I’m afraid it is not enough for a punch! You are a first-level bodyguard. It’s choking!”

As soon as Wang Yilong’s words came out, there was another burst of laughter.

“Oh?” Lin Kai laughed when he heard the words, “Hahaha! Sorry, I came here today with a third-level bodyguard!”

After listening to Lin Kai’s words, the whole scene fell silent.

Everyone looked at Lin Kai, and the look in Lin Kai’s eyes was a weird one.

Soon after, a burst of laughter broke out, and almost everyone laughed. The laughter was very loud!

“Hahahaha! Is this kid rushing to the third-level bodyguard? It’s laughing at me!”

“Just like him, still want to defeat the third-level bodyguard? What a big joke!”

“Even Wang Yilong can’t beat the third-level bodyguard, can this kid do it? Hahaha!”

...

There was a burst of laughter, and for a while, Lin Kai became the focus of the field, and everyone was looking at him like a fool.

Lin Kai is really too thin, so no one opens Lin’s eyes at all.

No one thought Lin Kai was great.

When Huang Hai heard this, he hurriedly pulled Lalinkai and said in a low voice, “I said, brother, what are you doing? Is it possible that you have to challenge the third-level bodyguard? Can you stop joking?”

Huang Hai also didn't believe that Lin Kai had the strength to defeat a third-level bodyguard.

And the strong third-level bodyguard, holding his arms, looked at Lin Kai high above.

He didn't open up Lin Kai's eyes at all, nor did he regard Lin Kai as his opponent.

And Chen Leier looked at Lin Kai again.

She had noticed Lin Kai a long time ago, because Lin Kai was too thin and his skin was too white, he didn't look like a bodyguard at all.

"I said, does your kid know what the concept of a third-level bodyguard is? Do you dare to speak wildly?" Zhang Debiao asked with a dissatisfaction.

Lin Kai stood up and said, "Actually, the third-level bodyguard is far from my goal. I actually want to ask, is there any more advanced bodyguard above the third-level bodyguard?"

After listening to Lin Kai's words, there was a groan.

No one thought that Lin Kai would be so crazy!

Even the third-level bodyguards are not in the eye, and they have to challenge more advanced bodyguards!

"Haha!" Zhang Debiao laughed at the time: "Of course! But, you may not even be able to defeat a first-level bodyguard. Do you still want to challenge a third-level bodyguard or above?"

"I think you are talking about dreams!"

After listening to his words, Lin Kai didn't want to talk nonsense.

At that time, Lin Kai stood directly in front of the third-level bodyguard and hooked his finger at the third-level bodyguard.

"come on!"

And the third-level bodyguard did not even look at Lin Kai.

Because in his eyes, Wang Yilong was barely able to fight him, but Lin Kai was not worth his shot.

Upon seeing this, Wang Yilong laughed loudly: "Hahahaha! Do you want people to take care of you? Want to challenge them?"

Hearing this, Lin Kai frowned and looked at Zhang Debiao.

Zhang Debiao sneered: "Hehe, you want to challenge the third-level bodyguard, don't you? Yes! You go to defeat the first-level bodyguard, then challenge the second-level bodyguard! Finally, you will challenge the third-level bodyguard!"

"If you can do it, I will immediately promote you to a fourth-level bodyguard!"

There was a burst of laughter.

The fourth-level bodyguard is the super bodyguard in the wild wolf security company, with a monthly salary of 500,000! Specially responsible for protecting the big men in the company.

There are not a few fourth-level bodyguards in the entire company.

However, Zhang Debiao was obviously mocking Lin Kai.

Because Lin Kai did not have the strength to be a Level 4 bodyguard at all! He can't even beat a first-class bodyguard!

Lin Kai nodded when he heard the words, and then strode towards the first-class bodyguard.

Upon seeing this, Huang Hai covered his forehead, he knew that Lin Kai was done!

He will definitely be beaten!

## **Chapter 840: All Spikes**

### Chapter 840

After all, his tone is so rampant that he doesn't even pay attention to the third-level bodyguard. The first-level bodyguard will definitely not be merciful!

The first-class bodyguard hugged his arms and looked at Lin Kai high up.

He proudly said: "You do it! I'll let you do it first!"

After listening to him, there was another burst of laughter around him.

Lin Kai smiled slightly when he heard the words.

"Then I'm welcome."

Seeing that the first-class bodyguard did not put on a defensive or offensive posture at all, he stood in place with his arms in his arms, with a look of arrogance.

Upon seeing this, Lin Kai also sneered. In that case, I'm not welcome!

At that time, Lin opened one leg and hit it out!

Lin Kai's speed is undoubtedly extremely fast! Before that person could react, one of Lin Kai's legs had already hit his chest!

At that time, I only heard a muffled sound!

The body of the first-class bodyguard flew out directly!

It flew directly more than ten meters, and then fell heavily to the ground.

"Puff..." After the first-class bodyguard landed, he spouted a mouthful of blood and fainted.

Everyone's eyes widened after seeing this scene, and no one could believe it.

This kid is so strong? Is it so fast?

That first-class bodyguard can't stand his kick?

His body is so thin and weak, but his strength is so strong!

Everyone's eyes widened.

Huang Hai even showed a shocked expression, blurting out two words: "Fuck me!"

He always thought that Lin Kai was just here to join in the fun, but now he realized that he was not here to join in the fun, he was a real master!

I was actually teaching him how to defeat the enemy just now, and now it seems that I am making fun!

Zhang Debiao's eyes widened too.

The strength of this kid is a bit tough!

Wang Yilong's expression was very ugly. He had just finished taunting Lin Kai, but in a blink of an eye, Lin Kai showed his great strength, and he was a little unwilling!

At this moment, Lin Kai came to the second-class bodyguard and waved at the second-class bodyguard.

“come on!”

Seeing Lin Kai’s extraordinary strength, the second-level bodyguard did not dare to underestimate Lin Kai at the time. He put on a defensive posture and looked at Lin Kai cautiously.

And Lin Kai had another kick!

This leg, very fast, kicked directly on the chest of the second-class bodyguard!

The poor second-level bodyguard who was retired by the Special Forces didn’t even see how Lin Kai got out of his legs, so his body flew upside down.

Soon after, the second-class bodyguard also fell to the ground, spewing a large mouthful of blood, and fainted.

At this time, the audience fell silent.

Everyone rubbed their eyes, they even suspected that they were dreaming!

The strength of this person is so powerful! Can actually kill the second-level bodyguard in a second!

He is not a little white face, he is a little wolf dog!

Even Chen Leier looked at Lin Kai in amazement. She always thought that Lin Kai was one to make trouble and the other to fish in troubled waters, but now she realized that she had missed her eyes!

This kid is a real master!

Lin Kai came directly to the third-level bodyguard and waved at the third-level bodyguard.

This time, Lin Kai didn’t make a move. He pointed to his chest, playing with the taste: “Fight here! If you can knock me down, I count you as winning!”

After listening to Lin Kai’s words, the face of the third-level bodyguard also showed a sneer.

Originally, he saw that Lin Kai’s speed and strength were so strong, and he still had no bottom in his heart.

But now, he actually underestimated himself so much, he was so rampant, then let him see what muscle strengthening is!

He knows how powerful he is! A punch by yourself is enough to blast a rock!

If he stands still and lets himself fight, he can definitely kill him in seconds!

“This is what you said!” the third-level bodyguard said.

“I said.” Lin Kai smiled confidently.

When Wang Yilong heard the words, a gleeful smile appeared on the corner of his mouth.

You are so crazy! You underestimated his power!

Wang Yilong punched the third-level bodyguard. He knew how abnormal the strength of the third-level bodyguard was. He knew that this Lin Kai would lose!

This is the end of your arrogance!

Everyone on the scene looked at them intently.

Is it Lin Kai, the new dark horse strong, or the third-level bodyguard?

In fact, more people prefer Level 3 bodyguards. After all, his appearance has told everyone that he is very strong!

“what!”

At this moment, the third-level bodyguard roared, the muscles on his arm bulged high, and he hit Lin Kai’s chest with a punch!

This punch, with the sound of breaking through the air, was powerful!

boom!

boom!

I saw this punch hit Lin Kai’s chest severely!

But the scene where everyone imagined that Lin Kai flew out did not happen. Lin Kai stood still, motionless, and even smiled on his face.

Looking at the third-level bodyguard, his face changed drastically!

Because he felt that his punch was not on a person, but on an iron wall!

He just felt that his hand was broken!

You know, his muscles have been genetically strengthened! But even so, he still couldn't hurt Lin Kai!

At this time, his fist was already trembling slightly, and he retracted his fist.

At the scene, it was quiet.

Everyone's eyes looking at Lin Kai changed, he was a monster! He is definitely a monster!

He could even resist a punch of the third-level bodyguard!

Is this an ability that an ordinary person has?

Wang Yilong's face changed drastically, and he shouted: "Impossible! This is impossible! How can you possibly be able to resist his punch? Not even me!"

Wang Yilong's self-confidence was completely broken by Lin Kai!

This person is too strong, right?

He couldn't believe it, he didn't want to accept this fact!

Lin Kai glanced at Wang Yilong, playing with the taste: "What you can't do does not mean that others can't do it either."

Having said that, he looked at the third-level bodyguard: "Are you finished? Now it's me!"

After listening to Lin Kai's words, the face of the third-level bodyguard changed drastically!

He is determined now, he has met a master! I can't let him hit myself! Otherwise, he would be dead!

At that time, only the third-level bodyguard wanted to stop Lin Kai.

But it's too late!

He dared to hit Lin Kai with all his strength, how could Lin Kai let him go?

Lin Kai's fist surpasses the speed of sound! Whoosh! With a sound, Lin Kai's fist just tapped on the third-level bodyguard, and the third-level bodyguard's face changed drastically!

His body flew out directly!

His chest is even more sunken in! Several ribs broke directly!

He even spit out a big mouthful of blood!

“puff”

## Chapter 841: New Neighbor

Chapter 841

The third-level bodyguard was directly defeated by Lin Kai with a punch!

The scene fell silent.

Lin Kai stood with his hands behind, with an arrogant face.

Now Lin Kai has undoubtedly become the focus of the entire training ground!

Everyone looked at him with different eyes!

If everyone had thought of Lin Kai as a joke, now Lin Kai is a \*\*\*\* that everyone can't provoke!

He is so strong! Even if he is a third-level bodyguard, he can kill in seconds!

Wang Yilong's face was very ugly. He always thought that Lin Kai was the best bully in the audience, but he was wrong. Lin Kai was the strongest in the audience!

What qualifications does Wang Yilong have to look down on Lin Kai? Lin Kai has the ability to kill him in seconds!

I don't know who started the head, there was a round of applause, and then, the applause became more and more enthusiastic!

Happiness!

Everyone was impressed by Lin Kai's strength, and everyone applauded from the heart!

All three bodyguards were killed by Lin Kai!

Huang Hai came to Lin Kai's side again, he gave Lin Kai a thumbs up and said: "Cow! Brother, I didn't expect you to be a hidden master! Admire! Admire!"

Lin Kai smiled slightly and did not speak.

At this time, Lin Kai looked at Zhang Debiao and asked, "Can I become a Level 4 bodyguard?"

After listening to Lin Kai's words, Zhang Debiao was in trouble.

He just said casually, who would have thought that Lin Kai could really defeat the third-level bodyguard!

He looked at Chen Leier with a look of embarrassment, after all, Chen Leier was the most effective person in the audience.

The pungent Chen Leier hugged her arms and looked at Lin Kai: "I was wrong just now, you are very strong!"

"But I want to know, what did you do before?"

Upon hearing this, Lin Kai smiled slightly and said, "Soldier."

After listening to Lin Kai's words, everyone gasped. They didn't expect Lin Kai to be a soldier!

"That's it, no wonder it's so strong!"

Chen Leier nodded and asked: "Which company is from? What kind of unit?"

Lin Kai replied casually: "The Wolf Squadron of the Wolfya Special Combat Brigade of the Southeast Military Region."

After listening to Lin Kai's words, there was another air-conditioning sound.

No wonder Lin Kai is so powerful! It turns out that he is a special soldier!

Moreover, the Spikes Brigade is notoriously powerful! The special forces who came out of Langya are all masters among masters!

Originally, there were still some people who were very unconvinced with Lin Kai, but now after listening to Lin Kai's words, they took it and were convinced!

"It turns out to be a wolffang, no wonder." Chen Leier nodded.

"You can become the third-level bodyguard of our company, and whether you can become the fourth-level bodyguard depends on your future good luck."

Chen Leier said.

Level 4 bodyguards, even if the entire company doesn't have much, Chen Leier would not give the number of level 4 bodyguards to others at will.

Lin Kai nodded and agreed directly, saying, "Yes."

Anyway, he came to the Wolf Security Company only to find out if the Chen family was so evil, not to make money.

As a bodyguard of several levels, Lin Kai really didn't care.

Then, Lin Kai strode away under all eyes.

Everyone looked at Lin Kai's back with deep envy.

Level three bodyguard!

One hundred thousand monthly salary!

Soon after, Lin Kai was taken to the depths of the training ground.

Deep in the training ground is the dormitory.

The dormitory of the bodyguards has a very good environment.

Normally, the first-class bodyguard is two people in a dormitory.

The second-level bodyguard is a dormitory for one person.

For the third-level bodyguard, the treatment is completely different.

Three-level bodyguard, a house for one person.

After working in the company for three years, the house will be given to you!

This is the treatment of wild wolves.

Soon after, Lin Kai was brought into front of his house, and someone gave Lin Kai a key.

Lin Kai opened the door with the key.

This is a 120 square meter residential complex.

There are beds, sofas, TVs, refrigerators, and bags.

Soon after, someone came to Lin Kai to go through the entry formalities.

At present, this wild wolf security company seems to be a serious company, and Lin Kai may not have the opportunity to come into contact with those irregular things.

Anyway, there are still a few days before he can perform the task, so Lin Kai is not in a hurry, let's get to know the security company first.

After taking a shower, Lin Kai lay on the bed, and soon someone knocked on Lin Kai's door.

Lin Kai strode over and opened the door of the room.

After opening the door, Lin Kai found that Huang Hai was standing outside.

"Hello! Neighbor!"

After seeing him, Lin Kai was quite surprised.

"Neighbor? Are you a third-level bodyguard?" Lin Kai asked.

Huang Hai nodded: "That's natural!"

Hearing this, Lin Kai was even more surprised. He had always thought that Huang Hai was rushing to the second-level bodyguard, but he didn't realize that he actually became the third-level bodyguard.

"By the way, thanks to you, brother!"

"If you hadn't injured the genetically mutated third-level bodyguard, how could they have changed?"

"It is precisely because they have changed people that I have the opportunity to take advantage of it!"

"The newly-changed Level 3 bodyguard is not as strong as before, so I passed the assessment."

After listening to Huang Hai's words, Lin Kai couldn't laugh or cry.

It seems that he became a third-level bodyguard because of himself, which is also his luck.

Lin Kai smiled slightly, patted him on the shoulder, and said, "Good job, we will be colleagues in the future."

Huang Hai smiled and said, "Hey, the salary of the third-level bodyguards is not low! The salary of one hundred thousand yuan a month!"

Lin Kai nodded, and he asked curiously: “By the way, brother, since you can defeat the third-level bodyguards, you are from an extraordinary background! What did you do before?”

After listening to Lin Kai’s words, Huang Hai smiled and said: “I used to be a member of the Third Special Operations Brigade of the Yanjing Military Region, and I am also a soldier.”

Lin Kai suddenly realized.

No wonder, no wonder he can defeat the third-level bodyguard, it turns out that he is also a special soldier himself.

At this moment, Lin Kai had an idea, and he asked: “By the way, I heard that this wild wolf security company is not as simple as it seems on the surface?”

After listening to Lin Kai’s words, Huang Hai’s expression changed.

He quickly pulled Lin Kai into the room and closed the door.

Afterwards, Huang Hai whispered: “Be quiet, it will be troublesome to be heard by others!”

Lin Kai looked at Huang Hai curiously after hearing this, “So, what do you know?”

Huang Hai nodded and said, “Don’t tell me, I really know some.”

“Brother, you think you are a good person, if you want to know, then I will tell you, but you must not tell others!”

## **Chapter 842: Score Assessment**

Chapter 842

Hearing this, Lin Kai nodded and said, “Don’t worry, I won’t tell others.”

Huang Hai just nodded.

He said: “Wild Wolf Security Company is the largest security company in Jiangbei! The annual revenue is as high as several billion!”

“But with security alone, can wild wolves earn billions of dollars a year?”

“I have a friend who used to be a veteran bodyguard of the Wild Wolf Security Company. He told me that a well-qualified bodyguard can perform some ugly tasks!”

“It is said that the Wild Wolf Security Company also accepts assassination missions!”

“The bodyguards of the Wild Wolf Security Company are not bodyguards. Some of them are killers!”

After listening to Huang Hai’s words, Lin Kaixin was shocked.

Killer!

This wild wolf security company is really cruel!

If this matter is verified by Lin Kai, Lin Kai will definitely not let this so-called wolf security company go!

“Since you know this company is not serious, why are you still here?” Lin Kai asked curiously.

Huang Hai scratched his head shyly and smiled: “Hey hey, I’m not short of money!”

“However, I am a conscientious person! They can let me perform protection tasks. If they let me do something illegal, I will definitely not do it!”

Upon hearing this, Lin Kai smiled slightly: “Haha! Good job!”

Huang Hai and Lin Kai had a good chat. Huang Hai was very upright, and had a temperament similar to Lin Kai.

Before leaving, Huang Hai said to Lin Kai: “By the way, I have to go to the ability assessment tomorrow, get up early!”

“Abilities?” Lin Kai was a little curious.

“Yes, it is based on your strength, speed, reaction and other physical conditions to make a score. This score is related to your future position in the company.”

Hearing this, Lin Kai suddenly realized that he nodded.

“That’s it, thanks, brother.”

“No thanks, who are we with whom? I’m leaving now, brother!”

After speaking, Huang Hai left Lin Kai’s room directly.

Soon after, Lin Kai fell asleep.

The next day, Lin Kai put on the uniform of the Wild Wolf Security Company, went out and walked directly to the training room.

Soon after, Lin Kai met Huang Hai.

The training room is very large, and in the training room, there are a dozen people standing.

These dozens of people are just a group of bodyguards recruited by the Wild Wolf Security Company.

Among them, there are ten first-level bodyguards, five second-level bodyguards, and three third-level bodyguards.

The third-level bodyguards included Lin Kai and Huang Hai, and one person was Wang Yilong.

He could be regarded as Lin Kai's light, after the genetically enhanced special forces withdrew, he challenged a new level three bodyguard, he was very lucky, narrowly win!

So he also became a third-level bodyguard.

After seeing Lin Kai, Wang Yilong's face was very ugly.

After all, Lin Kai robbed him of the limelight yesterday, and he always hated Lin Kai in his heart.

When Zhang Debiao saw the crowds there, he shouted: "Everyone has! Stand at attention!"

Everyone stood at attention together.

Zhang Debiao nodded with satisfaction: "Yes, you are the new blood of our Wild Wolf Security Company! New power!"

"Next, our wild wolf security company will conduct a simple assessment on you."

"This time the assessment is called the scoring assessment!"

"Did you see the instruments in front of you? Your opponents are them!"

"This time the assessment score is at least c grade!"

"The highest level is sss!"

"What kind of results you can get depends on your strength!"

Zhang Debiao said loudly.

Everyone looked at the strange instruments in front of them.

After seeing these instruments, many people started talking in a low voice.

Wang Yilong has a confident look on his face. He will show off in front of everyone today. He wants everyone to know how powerful Wang Yilong is!

At this moment, Wang Yilong glanced at Lin Kai, with provocations in his eyes.

“Hey, I heard that if you can get one hundred points in this assessment, you can be valued by the chairman of the Wild Wolf Security Company!” Huang Hai whispered in Lin Kai’s ear.

Hearing this, Lin Kai raised his eyebrows: “Really?”

“I also heard about it, I don’t know if it is true or not.”

Huang Hai scratched his head and said.

“Yeah! It’s so lively!”

At this moment, I saw someone walk in from outside the training room.

A woman!

The figure of a woman is extremely hot! The temperament is very coquettish.

Wearing a red leather jacket, he has a hot body, long legs and a full upper body.

She has long wavy hair, her small face is very delicate, her small cherry mouth, her skin can be broken by blows, and her eyes are big and charming.

This woman holding her arms is the daughter of the Wild Wolf Security Company, Chen Leier.

As soon as Chen Leier entered the training room, she looked at Lin Kai.

Lin Kai made a deep impression on her yesterday, so she came here today to see Lin Kai’s performance.

“Miss, you are here.” Zhang Debiao’s face showed a flattering smile.

Chen Leier nodded and said coldly: “Leave me alone, I’m just here to take a look.”

“Okay, Miss.” Zhang Debiao smiled and nodded.

Then, Zhang Debiao came up with a list, and he shouted: “Wang Defa! Come out for the assessment!”

Wang Defa, a first-class bodyguard, ran all the way to the instrument after calling his name.

“The first level assessment, the speed assessment, the assessment time is one minute!” Zhang Debiao said.

In front of Wang Defa, it was an instrument similar to a treadmill.

On the top of the instrument, there is a display screen with various data.

“Go up, run! Run as fast as you can!” Zhang Debiao said.

“Yes!”

Wang Defa nodded and stepped onto the treadmill.

Then, he started to run!

The speed is getting faster and faster! faster and faster! Soon after, Wang Defa’s legs were about to fly!

At this time, Wang Defa could no longer hold on.

He has been sweating! This is probably his limit!

On the instrument, two numbers popped out, twenty-five.

This twenty-five means that Wang Defa’s speed is twenty-five kilometers per hour.

This speed is much better than ordinary people.

One minute later, the instrument stopped rotating and Wang Defa also jumped off the instrument.

Soon after, Wang Defa’s rating jumped out.

b Score.

“B score, barely pass, come, second level!” Zhang Debiao said.

At this time, Wang Defa came to a strange instrument again. This level was actually similar to the game of whacking a mole.

In the instrument, there are about thirty holes.

In front of Wang Defa, there was a hammer.

In thirty holes, the hamster will be drilled irregularly, mainly to test Wang Defa's reaction ability.

"The assessment time, five minutes, the assessment will begin now!"

## **Chapter 843: Wang Defa**

Chapter 843 Wang Defa

Then, Wang Defa picked up the hammer.

From the hole, the gophers also began to emerge.

Wang Defa's reaction was quick. The moment the gopher drilled out, he moved his hammer and hit the gopher's head with a hammer!

boom!

The gopher was smashed by Wang Defa!

On the screen, the number one is also displayed.

How many hamsters you hit, how many points you get!

In the beginning, the gophers came out very slowly, and there were only one or two.

With the reaction ability of ordinary people, it can definitely hit it.

But gradually, the gophers came out faster and faster!

And Wang Defa smashed the hamster, and he also began to struggle.

boom! boom! boom!

Wang Defa shook the hammer in his hand and slammed it on the gopher's head.

Soon, Wang Defa's reaction ability could no longer keep up with the speed at which the gopher drilled out.

Soon after, Wang Defa was already in a panic, and the hammer in his hand began to empty.

As time goes by, the speed of the gophers is getting faster and faster.

And Wang Defa's speed of smashing the moles was getting slower and slower.

Five minutes passed, and the gopher had stopped appearing.

Wang Defa also put down the hammer in his hand, and he passed the examination.

On the screen, it was shown that Wang Defa had hit 36 of the gophers, with average results.

The score is b grade.

Zhang Debiao nodded on the side and said, "B score, next level!"

The next level is very simple.

It is something like a sandbag.

Strength test equipment!

With one punch, you can test the strength of this person!

Zhang Debiao said: "Now, you use all your strength and hit it with a hard punch! Remember, you only have one chance!"

Wang Defa nodded, he moved his muscles and looked at the sandbag.

Afterwards, Wang Defa roared and slammed into the sandbag with a fierce punch!

boom!

There was a muffled sound, and the sandbag that Wang De sent a fist shook slightly.

Then, from the display on the back, numbers appeared!

At first it was one, then ten, and then a dozen.

It went up to forty, then stopped.

The score is a grade.

Wang Defa's strength is still good.

Zhang Debiao nodded and said: "Passed the assessment, barely passed, the total score is 63 points."

Wang Defa went on.

Chen Leier on the side frowned. Obviously, she was very dissatisfied with Wang Defa's score!

Then, more and more first-class bodyguards began to test.

The first-level bodyguard finished the test very quickly. The lowest score was 50 points, and the highest was 73 points.

The strength of first-class bodyguards is basically around 60 points.

As for those with scores below 60 points, unfortunately, you have been eliminated.

Soon, the second-level bodyguards also began their assessment.

The number of second-level bodyguards is small, and the assessment is very fast.

Soon after, the second-level bodyguards were all assessed.

The minimum is 70 points, the maximum is 81 points, and the overall score is around 75 points.

The grades are not bad.

After seeing everyone's achievements, Chen Leier shook her head disappointedly: "The new bodyguards recruited this year are not strong enough!"

"The first-level bodyguards of previous years have a comprehensive score of around 70 points!"

"And this year's second-level bodyguard has a combined score of about 70 points, which disappoints me!"

After listening to Chen Leier's words, Zhang Debiao broke out in a cold sweat.

He repeatedly said: "The physical attributes of these people do not represent strength..."

Chen Leier nodded and said: "I know, otherwise I would have let them go!"

"I don't know, is there a role like Thor in this year's Level 3 bodyguards."

After hearing the words Thor, the faces of everyone at the scene changed.

Including Wang Yilong.

Lin Kai was very curious, this Thor seems to be very famous!

“I said, is this Thor famous?” Lin asked Huang Hai with a laugh.

And Huang Hai looked at Lin Kai like a strange flower.

“You don’t even know Thor?” Huang Hai was a little surprised.

Lin Kai shook his head and said, “I don’t know!”

“This Thor is the first bodyguard of the Wild Wolf Security Company!”

“Performed the mission ninety-nine times and succeeded ninety-nine times! There have never been any mistakes!”

“It is said that when Raytheon is conducting score assessment, all three assessments are above 95 points! Abnormal strength!”

After listening to Huang Hai’s words, Lin Kai was also a little surprised.

Are all three assessments above 95 points? Then his strength is indeed very strong.

“Moreover, Raytheon seems to be one of the few level five bodyguards in the Wolf Security Company!”

Level five bodyguard?

That is really amazing!

At this moment, Zhang Debiao noticed Lin Kai and Huang Hai, and he reprimanded: “You two! What are you whispering to?”

“Huang Hai! It’s your turn!”

“Yes!”

Huang Hai agreed and stood up.

Huang Hai began to accept the assessment.

The first level is the speed test.

Huang Hai boarded the instrument, and the speed of the instrument was getting faster and faster. Huang Hai began to run wild on the instrument!

After a minute, the instrument stopped rotating, and Huang Hai also walked off the instrument.

The speed of the Yellow Sea is still very good.

The score gave him an A grade.

The second level, hit the mole.

Huang Hai's reaction power is also very good, hitting 67 gophers! The score is a grade, and the score is 83 points.

In the final level, the strength assessment, Huang Hai punched out an s-level score!

Comprehensive score, a level, assessment score, 89 points!

Very high score.

Worthy of being a third-level bodyguard.

But Zhang Debiao's face still showed a disappointed expression.

Obviously, this score is not a very ideal score in his mind.

Now, in the entire training room, there are only two people who have not yet participated in the assessment, one is Wang Yilong, and the other is Lin Kai.

Everyone looked at both of them.

The two of them can be said to be the strongest among the newly recruited bodyguards this time!

Now everyone is looking forward to it, in terms of score assessment, is Wang Yilong strengthening it? Or is Lin Kai stronger?

Chen Leier held her arms, she came today for these two people! She wanted to see what the abilities of these two people were!

Zhang Debiao looked at Wang Yilong and shouted: "Wang Yilong! Start the assessment!"

"Yes!"

Wang Yilong agreed, with a confident smile at the corner of his mouth.

Then, Wang Yilong came to the front of the instrument, and he stood on the instrument similar to a treadmill.

Then he started to run!

This instrument will adjust the speed according to the speed of the person! Although one minute is very short, it is enough to make a person run to the limit!

At this time, I saw Wang Yilong's speed getting faster and faster! Both his legs have rushed out of Jiying! The instrument also made a bang bang!

## **Chapter 844: Keep A Low Profile**

Chapter 844

Whoosh whoosh!

Wang Yilong's speed is undoubtedly fast! He is faster than everyone before!

His score is also rising straight!

After seeing this scene, everyone on the scene opened their mouths and showed a surprised expression.

Many people even started whispering.

"As expected of Wang Yilong, amazing!"

"Awesome! Really amazing!"

"This speed, no matter what Lin Kai, can't match it?"

After seeing this scene, Zhang Debiao nodded with relief.

Among the recruited bodyguards, it seems that there are still strong ones, such as Wang Yilong in front of him.

After seeing Wang Yilong's speed, Chen Leier also nodded.

Wang Yilong's speed is indeed very fast.

Soon after, one minute passed.

And Wang Yilong also got off the instrument.

I saw that the instrument gave Wang Yilong a very high score.

S grade rating!

This rating is something that no one among this group of newcomers can achieve.

If the c-level score is an average person, then the b-level score is a professionally trained person.

A grade score, almost the level of special forces.

S-level rating, which is considered to be a monster's rating.

The ss-level score can only be achieved by a small number of people in the wild wolf security company. This small number of people have their bodies strengthened and modified by genes.

With an sss rating, in the entire Wild Wolf Security Company, only one person has ever obtained it, and that person is Thor.

“Yes, you are very strong! Next item.”

Zhang Debiao nodded, admiringly.

A triumphant smile appeared on Wang Yilong's face.

Then, Wang Yilong picked up the hammer and looked at the thirty holes in the instrument very intently.

Whoosh!

Snapped!

A gopher just got out, and was hit by Wang Yilong with a hammer!

Very fast response! The speed is also extremely fast! The people around didn't even see it!

Whoosh whoosh!

A few more gophers came out, and Wang Yilong directly smashed it down with a hammer with lightning speed!

Happiness!

Hit again!

Everyone's faces showed expressions of surprise, this reaction is too strong, right?

Soon after, the hamsters appeared faster and more frequently.

But Wang Yilong was able to hit most of the gophers directly!

Of course, Wang Yilong is not a god, and there are still a few gophers that he can't hit.

But his results are already very good.

Soon after, the assessment of the second level was over.

The score given by the instrument even made everyone gasp.

too strong!

Wang Yilong is actually a ss-level reaction force!

This reaction force is very powerful!

Happiness!

At this moment, even Zhang Debiao applauded, and he looked at Wang Yilong with admiration.

"Yes, it's not bad. Among these newcomers, the strongest person is probably this one."

After listening to Zhang Debiao's admiration, Wang Yilong's mouth almost reached the bottom of his ears, his face was smug.

Even Chen Leier nodded, admiringly said: "Yes, it's really strong!"

"The third level! The assessment begins!"

Zhang Debiao said.

At this time, Wang Yilong started the assessment of the third level.

The assessment at the last level is the simplest assessment and the most challenging assessment.

Strength is the foundation of a person. As the saying goes, one force is reduced for ten guilds. Even if a person's fighting skills are poor, but he is strong, he can defeat even more powerful enemies.

At this moment, I saw Wang Yilong facing the sandbag and roared: "Ha!"

Afterwards, Wang Yilong hit the sandbag with a punch!

The muscles in his arms are high and bulging, and his facial expressions are very hideous.

boom!

With a heavy punch, it hit the sandbag directly!

From the instrument, there was a sound of drips!

The score goes up straight!

The score has been changed from one to ninety-one!

Ninety-one high score!

ss rating!

At that time, the whole scene was surprised.

Wang Yilong is too strong!

He is actually an SS-level powerhouse!

Wang Yilong's face also showed a satisfied smile.

Soon after, there was a round of applause and everyone applauded.

Happiness!

“Strong! Brother Yilong, awesome!”

“It seems that Brother Yilong will be upgraded to Level 4 bodyguard, just around the corner!”

“It's really too strong! The Yellow Sea just now has no way to compare with Brother Yilong!”

There was a sound of slacking and beating horses around, all admiring Wang Yilong.

Zhang Debiao's face also showed a satisfied smile.

He looked at Chen Leier, seeming to be asking for credit, and asked: “Miss, what do you think of him?”

Chen Leier hugged her arms and nodded: "Yes, among this group of newcomers, there are still strong ones who can focus on training."

After listening to Chen Leier's words, the happy expression on Wang Yilong's face became more obvious.

Even Chen Leier has noticed herself, so she will be better off in the company in the future!

Now, there is only one Lin Kai left who has not played.

Everyone looked at Lin Kai, and everyone looked forward to Lin Kai's performance.

After all, Lin Kai's performance on the training ground yesterday is obvious to everyone. Can Lin Kai still be a blockbuster in today's score assessment?

Chen Leier also looked at Lin Kai.

In fact, she had been wondering yesterday whether this Lin Kai bought the three examiners and entered her company?

She didn't believe that a thin person could burst out such a powerful force!

Therefore, she specially came to see Lin Kai's assessment today, she just wanted to see if this Lin Kai was really strong!

If he deceived everyone into the company, she would definitely drive the person who sheltered Lin Kai out of the company together with Lin Kai!

"The last one, Lin Kai! Take it!" Zhang Debiao said loudly.

At this moment, Lin Kai stood up, stretched out lazily, and came to the instrument.

To be honest, Lin Kai didn't like these things. After all, when he was in the army, he had played this thing many times.

At that time, Lin Kai didn't care, anyway, if he could reach more than 60 points, he could pass, so he should not show his true strength at all to avoid others' suspicion.

With this idea in mind, Lin Kai stepped onto the first instrument.

The instrument began to rotate, and Lin Kai began to trot. His facial expression was relaxed and his speed was fully able to keep up.

But his speed is not fast at all! According to Lin Kai's speed, the instrument showed no signs of speeding up at all!

One minute has passed, and the score has been displayed in front of everyone.

Sixty points, b grade!

After seeing this score, everyone was a little big-eyed.

This is Lin Kai's score?

Only sixty points?

Isn't he a third-level bodyguard?

After seeing this scene, Wang Yilong couldn't help but laughed directly: "Puff ha ha ha ha! Level 3 bodyguard? Sixty minutes speed? I'm going, you came in through the back door, right?"

## Chapter 845: Buying The Examiner?

Chapter 845 Buying the Examiner?

There was a burst of discussion from everyone around.

"Let me go, what's the situation? So weak? Isn't he a third-level bodyguard?"

"Yes! This level is clearly the level of a first-class bodyguard!"

"Damn! This kid came in through the back door, right?"

...

There was a lot of discussion.

Even Huang Hai frowned. What is Lin Kai doing? Why is he so weak?

Zhang Debiao's face also showed an embarrassing expression, Lin Kai made this oolong, which made him very embarrassed!

After seeing this scene, Chen Leier was more certain of what she thought in her heart, this kid was not a powerful special soldier at all! He must have entered through the back door!

Soon, Lin Kai came to the second level.

Lin Kai took up the hammer on the table very lazily and started to smash the mole.

boom! boom!

Lin Kai smashed it at will, occasionally he could hit a gopher, and Lin Kai couldn't hit most of the gophers.

When the time came, Lin Kai immediately threw down the hammer in his hand.

Everyone looked at the results on the screen.

Sixty-one points, b grade!

It's b grade again! Everyone is boiling again!

Is it possible that he is not a powerful special soldier at all? Is he just a rookie?

Everyone is talking about it.

Chen Leier had already sneered at this moment, she had already stopped her thoughts in her heart, this kid came in through the back door!

After he finishes his assessment, he will expel him immediately in front of everyone!

At this moment, Lin Kai came to the third level.

Lin Kai randomly hit the sandbag with a fist, and the sandbag made a sound.

Subsequently, the number stayed at thirty-nine.

The score is still b!

All are b-rated!

After seeing this scene, there was another voice of discussion, everyone was questioning Lin Kai!

After Lin Kai finished the assessment, he smiled at Zhang Debiao and returned to his position.

Lin Kai doesn't care what others think. Lin Kai knows that he has reached the passing line and he has passed.

But Zhang Debiao had an awkward expression. He looked at Chen Leier, and he seemed to be interrogating Chen Leier.

The corner of Chen Leier's mouth showed a sneer.

"Lin Kai, you were fired!"

As soon as Chen Leier said these words, there was a loud noise.

Everyone looked at Lin Kai, and many of them even laughed out. Seeing Lin Kai's bad luck, they were gloating for misfortune!

At that time, Wang Yilong smiled happily. Seeing Lin Kai's expulsion, it was a joy in his heart!

At that time, Lin Kai was stunned, he was fired?

"Ah? Why?" Lin Kai said he was stunned!

"Why? Why don't you count it in your heart? In the three assessments, you only assessed the b-level score, the comprehensive score, or the b-level score. Why do you stay in our company?" Chen Leier questioned loudly.

Hearing this, Lin Kai was also dumbfounded: "But isn't the passing line a b-level? I passed! Why fire me?"

"Why?" Chen Leier's mouth showed a sneer: "Hehe, a person's physical data does not represent a person's possessions."

"If you come in by defeating the third-level bodyguards by your skills, even if you pass the C-level score, I won't say anything more!"

"But you definitely didn't come in on your own strength! Say! Did you buy the three examiners yesterday?"

As soon as Chen Leier's words came out, it was like a blockbuster dropped in the crowd.

Everyone is making noise.

Everyone's eyes widened and looked at Lin Kai.

This person actually bought the relationship to come in?

"I don't have one!" Lin Kai couldn't laugh or cry, why did he come in as a bribe examiner?

"No?" Chen Leier hugged her arms and smiled coldly: "Hehe, do you think I don't know?"

"Just your body, how can you have such a powerful force?"

“You can defeat the third-level bodyguard with a body that falls when the wind blows? You don’t have to deny it, I can be sure, you got in through the examiner!”

After Chen Leier’s words, everyone nodded, yes, Lin Kai looks too thin, and there is no trace of training on his body. He can become a third-level bodyguard, which is not in line with common sense!

“It turns out that Lin Kai is such a person!”

“He got in after buying the examiner? Shame!”

“I am! I thought he was a strong man!”

“Brother Yilong is still amazing!”

After listening to Chen Leier’s words, Wang Yilong nodded thoughtfully.

He looked at Lin Kai and sneered: “Hehe, what I said, how can you be able to defeat a third-level bodyguard who can’t even defeat me?”

“You didn’t expect it? You bought the examiner, and there is a score assessment later! This time the score assessment completely exposed yourself, right?”

“It’s shameful to buy through the examiner, I’m pooh!”

Wang Yilong glanced at Lin Kai contemptuously.

Yesterday, he lost a big face in front of Lin Kai! But today, he finally got his dignity back!

In his heart, it was a relief!

Lin Kai was helpless at this time. I kept a low profile, so you questioned me?

Ha ha ha!

Huang Hai looked at Lin Kai with a worried look. At this time, he also believed Chen Leier’s words.

“I said, brother, you really bought the examiner?”

“I’m telling you, the people at the Wild Wolf Security Company are really ruthless! If you really came in by cheating, quickly admit it! Otherwise, you will feel better for a while!”

After listening to Huang Hai’s words, Lin Kai couldn’t laugh or cry: “I didn’t buy the examiner!”

Chen Leier hugged her arms and said coldly: “You kid still don’t admit it, right? Okay! Then I will let you see my methods today!”

“Come on!”

Chen Leier gave an order and several very strong bodyguards walked in from the door at that time!

There are about ten people. These ten strong bodyguards, none of them seem to be annoying, wearing red uniforms are particularly eye-catching in the training room.

These are ten bodyguards directly managed by Chen Leier, they are all very powerful!

This is for hands-on!

Lin Kai frowned.

“Don’t admit it? Okay! I have a way to make you admit it today! Get it for me!”

Chen Leier gave an order. At that time, the ten strong bodyguards walked towards Lin Kai.

The people around Lin Kai are far away from Lin Kai, for fear that Lin Kai will hurt him.

On Wang Yilong’s face, a smirking smile appeared even more, Lin Kai, Lin Kai, this is how you pretended to end!

When Lin Kai saw this, he knew that he could not keep a low profile anymore, and if he kept a low profile, the misunderstanding would not be solved.

“Wait a minute!”

Lin Kai quickly stretched out his hand.

Upon seeing this, Wang Yilong smiled playfully: “Haha, know you are afraid? So you have to admit it?”

## **Chapter 846: True Strength**

Chapter 846: True Strength

“Scared?” Lin Kai also smiled playfully.

“I, Lin Kai, don’t know how to write the word afraid!”

After listening to Lin Kai's words, I saw Wang Yilong sneered: "Ha ha ha, death is imminent, still pretending to be forced!"

Chen Leier looked at Lin Kai and said, "What else do you have, let's talk about it!"

Lin Kai smiled playfully.

He moved his muscles a bit and stood up.

Since I am low-key and you say I cheated, I will show you my real strength today!

"I request a re-assessment!"

After listening to Lin Kai's words, there was a loud noise.

"Re-evaluation? Is it possible that he wants to say that he has hidden his strength just now?"

"Hahahaha! It's funny! What about another test? It's probably only a b-level score!"

"Ten more tests are no use!"

There was a burst of laughter around.

Chen Leier raised her eyebrows when she heard the words. She rolled her eyes and smiled disdainfully: "Hehe, do the test again? What if you do the test again? Can you still perform miracles?"

Seeing Lin Kai's self-confidence, he said: "If you are not satisfied with the results of my assessment again, how to deal with me, I have absolutely no complaints!"

After listening to Lin Kai's words, Chen Leier also smiled: "Hehe, what a joke! Death is approaching, still looking forward to a miracle?"

"What if I give you a chance? Let you take the test again!"

As soon as Chen Leier's words came out, a burst of laughter rang out.

Wang Yilong's eyes were full of gloating eyes.

Lin Kai's request for another assessment is undoubtedly insulting himself!

Lin Kai came to the front of the instrument once again under all eyes.

Huang Hai also sweated for Lin Kai at this time. Lin Kai, you must cheer! Do not disappoint me!

Lin Kai came to the machine that was similar to a treadmill.

However, Lin Kai's way of getting on the machine was very strange. Everyone was upright, but Lin Kai got upside down.

What is he doing? Could he have to run backwards?

joke! On the treadmill, the sense of balance is already extremely poor. If you run backwards, isn't this a fall?

Even if you are running backwards on flat ground, it is not fast at all!

"Let's start!" Lin Cheong said.

"Running backwards? Are you sure?" Zhang Debiao raised his eyebrows, and asked in disbelief.

Lin Kai nodded and said, "OK! Come on!"

Zhang Debiao shook his head and smiled contemptuously. This Lin Kai is really arrogant!

Since you are crazy enough! Then I want to see what you can achieve!

At that time, Zhang Debiao directly activated the instrument.

And Lin Kai also began to trot backwards.

After seeing this scene, everyone was a little surprised, this Lin Kai, the sense of balance is OK! No fall!

Then, a scene that stunned everyone happened.

I saw Lin Kai's speed getting faster and faster! faster and faster!

Both his legs ran out of afterimages!

And the speed of the instrument is getting faster and faster!

This instrument can accelerate and decelerate according to a person's physical ability and speed.

At this time, the speed of this instrument seems to have reached its limit!

Look at Lin Kai again, his two legs are running fast! And very stable!

You know, this is running backwards!

And on the instrument, a number appeared, one hundred!

This number represents Lin Kai's speed of 100 kilometers per hour!

Everyone was stunned.

Is this the speed that humans have?

If it hadn't been seen with their own eyes, no one would believe it was true!

Chen Leier opened her mouth wide, and Wang Yilong's eyes widened.

Both are like seeing a ghost.

Huang Hai also looked incredible. Although he knew that Lin Kai was very strong, he did not expect Lin Kai to be so strong!

This speed! It makes your scalp numb!

Soon, one minute passed, and Lin Kai also walked off the treadmill.

I saw that his face was not red and heartbeat, just like a okay person.

The scores and ratings on the instrument make everyone feel short of breath.

Score, one hundred and ten points! The perfect score is 100 points! You will get a high score of 110 points if you perform super well!

Rating, sss level!

With an sss rating, there has only been one in the entire Wild Wolf Security Company, and that is Thor!

But Thor is 100 points SS.

Lin Kai in front of him has a sss grade of 110 points!

Also, he ran backwards!

The whole scene was silent.

Zhang Debiao and Chen Leier looked at each other, and their eyes were deeply shocked.

Lin Kai strode to the second level.

This time, Lin Kai tore a piece of cloth directly from his clothes, and he tied the cloth to his eyes.

Afterwards, Lin Kai picked up the hammer.

He wants to use his ears to judge which hole has a gopher!

Everyone was stunned.

“Come on! Start!”

Lin Kai said impatiently.

Upon hearing this, Zhang Debiao asked in surprise again: “Cover your eyes? Are you sure?”

Lin Kai nodded and said, “OK! Come on!”

In full view, Zhang Debiao directly activated the instrument.

Soon after, a gopher came out, Lin Kai didn't hesitate at all, and hit it with a hammer!

boom! Hit!

A few more gophers came out.

Bang bang bang!

Lin Kai hit all!

He could tell which hole had a gopher with only his ears, and Lin Kai was very fast! Almost there are afterimages!

Then, I saw more and more gophers, and the frequency of appearance became more and more frequent.

Lin Kai's speed was not shaken at all.

His hands waved out afterimages!

Bang bang bang! Bang bang bang!

Lin Kai's hands didn't stop at all! He is extremely fast! Even the speed at which the gophers drilled out couldn't keep up with the speed of Lin Kai's hammer!

In the end, countless gophers came out at the same time, but Lin Kai was able to hit all the gophers in one second!

A few minutes passed and the assessment was over.

The whole training room was quiet.

Because of Lin Kai, all were hit.

Didn't spare any gophers!

You know, even the Thor back then missed three gophers!

But Lin Kai actually hit all of them while blindfolded!

Soon after, Lin Kai's score was revealed.

Another sss rating! Another hundred and ten minutes!

Full marks!

Moreover, Lin Kai got full marks while blindfolded!

The whole scene fell silent.

Chen Leier's eyes were filled with unbelievable expressions.

If she hadn't seen it with her own eyes, she couldn't believe this scene was true!

At this time, she realized that she has long hair and short knowledge! With Lin Kai's strength, does he need to go through the back door? Does he need to buy through the examiner? No need at all!

The expression on Zhang Debiao's face is also extremely exciting.

What kind of monster did he recruit?

His achievements will not be lower than Thor in the future!

The wolf security company, it is very likely that there will be a second Thor!

## **Chapter 847: Raise**

Chapter 847

Lin Kai at this time has already been admired by everyone!

No one questioned Lin Kai anymore, because Lin Kai's score had already proved himself!

At this moment, Lin Kai came to the sandbag.

Strength test!

Everyone's eyes widened, and they looked at Lin Kai carefully, for fear that they had missed some details. How powerful is Lin Kai's power? Everyone is looking forward to it!

At this time, Lin Kai stretched out one of his fingers.

That's right, it's one of his own fingers, he actually wants to use one of his fingers to attack the sandbag!

After seeing this scene, everyone's eyes widened. Is this okay?

Chen Leier looked at Lin Kai expectantly, she wanted to see how abnormal Lin Kai's strength really was!

But Lin Kai yelled and poked a finger directly!

Whoosh!

Snapped!

Lin Kai's fingers directly punctured the sandbag!

The sand in the sandbag and the strength test equipment were exposed to everyone at that time!

And the numbers on the power display are also rising!

It went straight from one to one hundred!

It has risen from one hundred to one hundred!

Full marks again!

The score is sss grade!

Full rating! Full score!

Everyone was dumbfounded.

This is just the score that Lin Kai assessed with a finger!

If Lin Kai exhausted all his strength, wouldn't the sandbag explode?

Everyone was dumbfounded.

Wang Yilong couldn't say a word even more. He had a good score at the SS level just now. He thought he was strong enough, but looking at it now, he seems to be inferior to Lin Kai's finger. What!

There is no comparison at all!

Aside, Chen Leier seemed to have discovered a new world, with surprise and shock in her eyes.

Lin Kai is really too strong. Being strong makes her very excited. If he trains him well, Lin Kai can definitely become the second Thor in the company!

Huang Hai also looked at Lin Kai stupidly, he did not expect Lin Kai to be so powerful! He and Lin Kai are both third-level bodyguards, but the difference in strength is the same as heaven and earth.

Lin Kai shook his finger, looked at Zhang Debiao, and asked, "My grade is okay?"

Zhang Debiao opened his mouth and couldn't say a word, because Lin Kai's achievements were so abnormal!

Even Thor can't match it!

At this time, Chen Leier said: "I'm sorry, I misunderstood you."

Chen Leier lowered her head and apologized.

Lin Kai laughed when he heard this, "Hehe, I don't need your apology. You doubt my strength. I feel my dignity has been insulted. I don't think I need to continue working here."

"After all, it is gold, which can shine everywhere."

After that, Lin Kai smiled slightly, he directly unbuttoned his uniform, threw the uniform on the ground, turned and walked towards the gate.

"Hey! Don't!"

Chen Leier panicked when Lin Kai was about to leave.

Lin Kai's talent is very strong! The strength is also very strong! If such talents leave, it will not only be a huge loss for the company, but it may also make Lin Kai the company's biggest opponent!

The dramatic scene happened. After Lin Kai proved his strength, he actually wanted to leave the company!

And Chen Leier, who was about to drive Lin away just now, became anxious.

"Lin Kai! You can't go!"

Chen Leier stopped Lin Kai in stride, said.

Lin Kai smiled playfully when he heard the words, raised his eyebrows and said, "Hehe, I can't go? Why?"

"me"

Chen Leier stammered for a long time without saying anything.

At this moment, Chen Leier lowered her head rarely.

"Sorry, I misunderstood you, I apologize to you, can you not leave?"

After listening to Chen Leier's words, everyone's eyes widened.

This Lin Kai is awesome! Can actually make Chen Leier lower her head! Everyone in the company knows that Chen Leier's personality is very pungent!

In fact, Lin Kai didn't really want to leave. After all, he still had to stay in the company to investigate the company's truth.

Seeing Chen Leier bowing to herself, Lin Xin's anger was also mostly relieved.

"Oh, just apologizing, is it useful?" Lin Kai asked with a smile.

"I...I'll give you a raise!" Chen Leier said suddenly.

"Salary increase? How much?" Lin Kai asked.

"Add to one million! What do you think? If you perform well in the later stage, you can also be upgraded to a fourth-level bodyguard! Even a fifth-level bodyguard is fine!"

If possible, Chen Leier could not wait to upgrade Lin Kai to Level 4 bodyguard, or Level 5 bodyguard, but unfortunately, she does not have that power now.

Because in the company, the bodyguard is upgraded from level three to level four, not only on the strength of the bodyguard, but also on the completion rate of the bodyguard's mission.

Lin Kai has not performed a mission yet, so his completion rate is zero. At this time, upgrading Lin Kai to a fourth-level bodyguard or a fifth-level bodyguard will definitely cause dissatisfaction among a large number of people in the company.

Chen Leier gave Lin Kai a salary increase, which was regarded as giving Lin Kai a step down. Lin Kai didn't even think about it, and directly agreed.

"Well, for your sincere sake, I will reluctantly promise you to stay."

Seeing Lin Kai's stubborn appearance, Chen Leier hated it so much that her teeth were itchy, too arrogant!

If it were not for your strength, this lady would have driven you out of the company!

Others looked at Lin Kai with envy, jealousy and hatred. At this time, Lin Kai was completely famous in the company!

Achieve beyond Thor!

And Lin Kai is the only one who gets a raise as soon as he enters the company, with a monthly salary of 1 million and an annual salary of 12 million!

Soon after, the assessment was over and everyone returned to their dormitory.

In the dormitory, next to Lin Kai, was the Yellow Sea who had been nagging.

"I said brother, awesome!"

"As soon as I joined the company, I got a monthly salary of one million, and the annual salary is ten million!"

"You are so awesome! I \*\*\*\* admire you so much! Are you at the pinnacle of your life?"

"According to your monthly salary of one million, you can buy a car in one month and a house in two months!"

"Jealousy envy hate ah!"

Lin Kai heard Huang Hai nagging in his ears, and couldn't help but patted his head.

"Stop nagging, the headache is dead!"

Huang Hai was rather embarrassed and scratched his head: "I'm sorry, my hair is short and my knowledge is short, which makes you laugh."

...

Cheng family, at the gate of the Cheng family, Cheng Wanqian took the lead, and the Cheng family stood at the gate.

In the courtyard of the Cheng family, there are all disciples of the Cheng family.

Today's Cheng family is exceptionally serious, and there is no smile on everyone's face.

## Chapter 848: Cheng Zilei

Chapter 848 Regulations

Today is a very memorable day for the Cheng family.

Because today is the day when Young Master Cheng's family returns.

Counting it all up, the Cheng family eldest master has been away from the Cheng family for five years, and the Cheng family eldest master has not returned to the Cheng family once.

Five years ago, the young master of the Cheng family was a martial artist's peak level of cultivation. Five years later, I don't know what level of cultivation the young master of the Cheng family was.

Cheng Jingjing looked into the distance, with a look of expectation: "After so many years, I wonder if Big Brother is okay?"

Cheng Zilong on the side looked ugly.

Although he is still very decently dressed, Cheng Zilong now has no self-confidence before.

Because he is a waste now!

A useless person with no cultivation base!

The Cheng family, but the cultivation family! But he Cheng Zilong is a useless person with no cultivation base!

He is a trash!

Cheng Wanqian looked into the distance with a look of expectation.

In just a few days, looking at Cheng Wanqian, his hair is mostly white, he is worried! He hates it!

He hates Lin Kai!

Because of Lin Kai, his proud second son is now a waste!

His youngest daughter was almost defiled by Lin Kai.

Lin Kai's only contribution to the Cheng family was to turn a fool into a cultivation genius.

On the side was Cheng Zizhong.

Cheng Zizhong now has a martial arts peak level cultivation base, and is currently the most powerful person in the Cheng family besides Cheng Wanqian.

"Big Brother is coming back today?" Cheng Zi blinked again.

"To shut up!"

Cheng Zizhong had just spoken, and Cheng Zilong roared.

He looked at Cheng Zizhong fiercely: "It's all to blame! If it wasn't for you, could I be like this?"

Cheng Zizhong was reprimanded by Cheng Zilong, when he lowered his head and dared not speak.

Even if he has become a cultivation genius now, he still fears Cheng Zilong from the bottom of his heart.

Li Mei, who was on the side, didn't have a good tone for Cheng Zizhong.

"Oh, you trash! Even if you have a cultivation base, you are still a trash!"

"If it weren't for you, could your second brother be abolished?"

"Your \*\*\*\* is not a master, or a bastard! When Xiao Lei comes back, sooner or later will revenge Zilong!"

Cheng Zizhong heard the words and said nothing.

He dare not talk back!

Since Lin drove away, his position in the Cheng family has plummeted.

In the entire Cheng family, no one saw him, because Lin Kai was the enemy of the Cheng family, and he was Lin Kai's apprentice.

During this period, he tried to clarify for Lin Kai, but no one believed his words!

And Cheng Wanqian became indifferent to his son.

Looking into the distance, the family are all looking forward to the return of that person.

Soon after, a car entered the sight of everyone.

After seeing the car, everyone saw it.

That is a black Mercedes.

The black Mercedes-Benz soon drove to the gate of Cheng's house.

From the Mercedes-Benz, a person walked down.

Lai Ren is a young man who is almost 30 years old.

The muscular man, wearing a black vest and black sweatpants, is very domineering.

Wearing sunglasses, he strode towards the Cheng family.

His face is confident and domineering.

This person is Cheng Wanqian's eldest son, Cheng Zilei!

"Xiao Lei is back!" Li Mei exclaimed joyfully.

But behind her joy, there is actually a hint of helplessness.

If she wasn't forced to be helpless, how could she let Cheng Zilei come back?

After all, once Cheng Zilei comes back, what will happen to Cheng Zilong for the entire Cheng family?

Cheng Zilei was not her biological son. Cheng Zilei was born in Cheng Wanqian's main house, and Cheng Wanqian's main house died a few years ago, and Li Mei became the main house.

After seeing Cheng Zilei, Cheng Zilong lowered his head, not daring to look into Cheng Zilei's eyes.

After all, when he was young, he was often beaten by Cheng Zilei.

After seeing Cheng Zilei, Cheng Zizhong exclaimed with joy: "Big Brother!"

Afterwards, Cheng Zizhong hurried over!

"Hey! Third brother!" After seeing Cheng Zizhong, Cheng Zilei grinned and hugged the big fat man.

Cheng Wanqian and other people walked over quickly.

After seeing Cheng Wanqian, Cheng Zilei stopped and smiled: "Dad, I'm sorry, my son has only come back to see you for so many years!"

After Cheng Wanqian saw Cheng Zilei, his tight face showed a slight smile.

"Just come back, just come back."

Cheng Zilei said: "There is no way, Master is very careful, and will not let me contact outsiders at all. If it weren't for my mother to call and say something is urgent in the Cheng family, Master would never let me come back."

Cheng Zilei explained.

"By the way, what happened? I was so anxious to get me back?" Cheng Zilei asked.

As soon as this incident was mentioned, the faces of everyone in the Cheng family changed.

Cheng Wanqian looked serious. He saw Cheng Zilei and asked, "Xiao Lei, to be honest, what is your current cultivation base?"

Upon hearing this, Cheng Zilei was taken aback.

"Repair?"

"Yes, it is the cultivation base. The enemy of our Cheng family is very powerful!"

"If your cultivation base is not higher than Martial Saint, let's forget about this matter."

Hearing this, Cheng Zilei's face showed a confident smile.

"Haha! Dad, don't worry, since I, Cheng Zilei, is back, I am here to avenge our Cheng family!"

"Whoever offends our Cheng family, I will kill them all!"

“I want to make a name for the Cheng family!”

“I want everyone in Jiangbei to know that our Cheng family is not easy to mess with!”

After all, a horrible aura radiated from Cheng Zilei’s body!

The momentum is terrifying!

Even Cheng Wanqian was shocked after feeling this momentum.

A strong wind started to blow around Cheng’s house!

Flying sand and stone!

The sky, which was originally clear, suddenly became gloomy in such a moment.

Thunder and lightning!

It seems that Cheng Zilei’s mood can affect the weather!

And the seemingly amiable Cheng Zilei, at this moment, as if a killer is in the next world, a terrifying murderous aura radiated from him!

Cheng Wanqian trembled all over. He pointed to Cheng Zilei and said, “Xiao Lei, you...couldn’t you have become a master?”

Cheng Zilei smiled slightly when he heard the words, “Hehe, what is a grandmaster? Even if it is a grandmaster, ten of them are not enough for me to fight!”

Even ten masters are not Cheng Zilei’s opponents?

What is that cultivation base?

Cheng Zilei’s cultivation base has exceeded Cheng Wanqian’s common sense.

After all, in his consciousness, the ancient martial artist had only four cultivation bases.

Martial Artist, Martial Master, Martial Saint, Grand Master!

“Xiao Lei, what is your cultivation base?” Cheng Wanqian asked in a trembling voice.

Cheng Zilong on the side also looked at Cheng Zilei blankly.

In the past, he was the least willing to see Cheng Zilei’s strength, but now, he is the person who most hopes Cheng Zilei’s strength, because only Cheng Zilei is strong enough, his hatred can be reported!

The corner of Cheng Zilei's mouth showed a confident smile: "My current cultivation base is a great master!"

## Chapter 849: Grand Master

Chapter 849: Great Master

Grand Master!

As soon as these three words came out, the entire Cheng family was shocked.

What is the cultivation base of the Great Master? Simply unheard of!

Only Cheng Wanqian stared at Cheng Zilei blankly, probably only he knew what kind of cultivation the Great Master was.

"I have long heard that there is still a realm above the grand master, that is, the legendary grand master!"

"Xiao Lei, you... you have become a great master?"

The rarity of the Great Master is comparable to a national treasure!

But his son, only 29 years old, has actually become a great master!

Master-level masters can ruin the world by raising their hands!

Cheng Zilei smiled slightly and said, "Yes, Dad, if the master took me away from Cheng's house back then, how could I be who I am now?"

"So, Dad, don't worry, no matter who makes the Cheng family the way it is now, his son will let him disappear into this world completely!"

There are only two words on Cheng Zilei's face, confident!

"Yeah!" Cheng Wanqian also nodded, tears of excitement.

With Cheng Zilei, are you afraid that Lin Kai won't die?

...

But Lin Kai didn't even know that at this time, he had been targeted by a powerful master at the level of great master.

At this time, Lin Kai was still wandering in the training ground of the Wild Wolf Security Company.

For these two days, Lin Kai didn't have any tasks. His job was to protect the safety of the Wolf Security Company.

But what can the safety of the Wild Wolf Security Company be protected?

Lin Kai and Huang Hai were lying on the training ground, staring at the blue sky in a daze.

"I said, with a monthly salary of one million yuan, let's be too idle? Will the company lose money?" Lin Kai asked.

Huang Hai shook his head: "How can the company lose money? If there is expenditure, there will definitely be a return!"

"But, we have been here for three days, and within these three days, there is not a single task!"

Lin Kaidao.

"Maybe it hasn't been a task for these two days." Huang Hai also scratched his head.

At this moment, the assembly call suddenly sounded.

The assembly number was very loud. At that time, Huang Hai swished and stood up from the ground.

"Broken! Go!" Huang Hai said anxiously.

Lin Kai hasn't realized what happened.

He asked: "What's the matter?"

"This is the assembly number dedicated to the third-level bodyguards, and the third-level bodyguards are about to gather!"

Upon hearing this, Lin Kai also quickly stood up.

Soon after, the third-level bodyguards assembled on the playground.

In the entire Wild Wolf Security Company, there are ten idle three-level bodyguards, including Lin Kai.

And the manager Zhang Debiao stood in front of everyone.

"Everyone, urgent task, the car will come soon, ready for battle at any time!" Zhang Debiao said.

At that time, ten bodyguards shouted in unison: "Yes!"

Lin Kai was also a little excited. In the past two days, he almost came out of birds.

Now finally has a mission!

Lin Kai now hopes that the Wild Wolf Security Company will let him perform some very dark tasks, because only in this way can Lin Kai copy the Chen family with peace of mind!

Soon after, a black armored car came in front of everyone.

This black armored car is very cool.

The thick shell is still bulletproof, and the wheels of the car are also special. Even a nail can't be pierced. This armored car is up to the army's specifications.

All ten people boarded the armored vehicle, and then the armored vehicle set off.

The armored vehicle was bumpy all the way, and it took about half an hour before the armored vehicle stopped.

All ten third-level bodyguards got off the car, and the leader was naturally Zhang Debiao.

After arriving at the place, Lin Kai was a little confused, where did he come?

Looking around, this is the center of Jiangbei City!

The downtown of Jiangbei City is very prosperous, and ten of them are now standing downstairs of a KTV.

Lin Kai has also been to this KTV, the Golden Emperor KTV, the former Lin family, is a frequent visitor here!

But what are you doing here?

And Zhang Debiao led the team.

Zhang Debiao said to Lin Kai and others at this time: "Go, follow me up!"

Then, Zhang Debiao walked directly into the Golden Emperor KTV with ten third-level bodyguards.

Along the way, when everyone in KTV saw Zhang Debiao, their expressions changed drastically, and they didn't dare to provoke him.

Zhang Debiao is notorious in Jiangbei City!

Soon after, a group of eleven people came to the door of a box.

At this moment, Zhang Debiao took care of his tie and knocked on the door of the box in the past.

Bang bang bang!

Soon after, someone came to open the door, and it was a drunk young man who came to open the door.

After seeing Zhang Debiao, the youth patted Zhang Debiao's face: "You! Xiao Zhang!"

Zhang Debiao showed a pleasing smile on his face: "Shao Zhang, is Shao Chen in our house?"

"Looking for Chen Shao? Here! Chen Shao! Your dog is here!" The young man walked back to the box drunk.

Soon after, a man walked out of the box.

This man is very young, he looks only twenty-three or four-year-old. Between his eyebrows, he looks a bit like Chen Leier, and he looks very handsome.

It's just that between his eyebrows, there is always an arrogance.

Moreover, his face was pale, as if his body was hollowed out by the wine.

His name is Chen Feiyu, he is the young master of the Chen family and the younger brother of Chen Leier.

As soon as Chen Feiyu walked out, several men and women walked out of the box.

These men and women are very extravagantly dressed. They should be the rich second generation who came out to play with Chen Feiyu.

"Just bring such a few people?" Chen Feiyu frowned and asked with an unhappy expression.

Zhang Debiao's face immediately showed a pleasing smile: "Shao Chen, a lot of them. These ten people are all third-level bodyguards."

After hearing the third-level bodyguard, the expression on Chen Feiyu's face was better.

“Shao Chen! Amazing! I heard that your family’s third-level bodyguards are all masters of the special forces level!”

“Chen Shao, after a while, I must show those stinky students some color!”

“A few sports school students really broke themselves! Kill them in a while!”

Several rich second generations said in Chen Feiyu’s ear.

After hearing what they said, Lin Kai understood at the time.

Feelings are not here to perform the task! I am here to fight for the rich second-generation Chen Feiyu!

Before in Jiangbei, Lin Kai had heard of this Chen Feiyu. It is said that this Chen Feiyu was very arrogant, and because his home was a security company, no one took it seriously.

It now appears that this is not a rumor.

Chen Feiyu pulled his tie, with a cruel expression on his face.

“Go! See those people in a while and beat me to death!”

After all, Chen Feiyu strode away.

## **Chapter 850: Chen Feiyu**

Chapter 850 Chen Feiyu

In fact, Lin Kai refused, he didn’t want to go! He doesn’t want to be someone else’s thug!

Huang Hai pushed Lin Kai at this time, motioning Lin Kai to leave quickly.

“Hurry up! That’s Young Master Chen!”

Hearing this, Lin Kai followed up very unhappily.

Soon after, Lin Kai followed Chen Feiyu and others to the door of a box.

Chen Feiyu’s box is a supreme box, and this box is very ordinary, just a small ordinary box.

Chen Feiyu kicked to the door of the box. At that time, with a bang, the door of the box was kicked open by Chen Feiyu!

“Fuck! Those little rascals, get out of me!”

Chen Feiyu cursed and rushed in!

The rich second-generation generations behind him also showed arrogant smiles on their faces.

Lin Kai and others stood outside the door.

I saw seven or eight students from the sports school in the box.

The seven or eight students in the sports school are all very strong and there are birthday cakes on the table. They should be celebrating someone’s birthday.

In addition to these seven or eight male students, Lin Kai also saw two female students.

After seeing the two female students, Lin Kai instantly guessed what was going on.

Because the two female students are so beautiful!

Pure, sweet-looking, and still a school girl, such a girl would definitely attract Chen Feiyu’s attention.

As soon as Chen Feiyu rushed into the box, the students immediately raised their heads to look at Chen Feiyu, their brows furrowed.

“What’s the matter? Why are you here again? Didn’t we say? Don’t change the box! She won’t add your WeChat!”

A tall and strong boy stood up and frowned.

Chen Feiyu sneered when he heard the words. Without saying anything, he slapped him in the face!

Snap!

The boy slapped him and half of his face immediately turned red.

“Squad leader Zhao!” The other students all exclaimed, and quickly helped the squad leader.

“How are you hitting someone?” another boy stood up and asked.

“I’m going to your mother!” Chen Feiyu cursed again, kicking another boy to the ground.

At this time, Chen Feiyu was arrogant.

He doesn't treat these students as human beings!

The two beautiful girls shrank in the corner of the box in fear.

They came here only to celebrate the birthday of the squad leader Zhao, no one thought that they would provoke the evil star Chen Feiyu!

"Fuck! Young Master Chen wants their two girls to accompany Young Master Chen. That is to give them face! You little vulgar, shameless, right?"

Zhang Debiao stood up and yelled at the crowd.

"Come in!"

Zhang Debiao gave an order and saw a group of third-level bodyguards directly enter the box.

After seeing the ten strong third-level bodyguards, the faces of the sports school students changed drastically.

It is good that they are students in sports school, but they are not learning fighting after all! Being strong does not mean they can fight!

Squad leader Zhao covered his face and looked at Chen Feiyu. There was already a look of fear in his eyes.

After all, he is just a student.

"Shao Chen, right? What do you want?"

Squad leader Zhao asked with his eyes flushed, covering his face.

Chen Feiyu was very arrogant. He sneered and said, "Hehe, kneel down!"

As soon as Chen Feiyu's words came out, a burst of laughter rang out, and the rich second generation behind him laughed wildly.

"How can you kneel down? At least you have to let this kid lick Chen Shao's shoes!"

"I think he can't lick it, he has to lick the toilet! Hahahaha!"

"Fuck! What a shame! Now seeing the dog in Shao Chen's house, are you finally scared?"

A group of rich second generations laughed wildly.

Squad leader Zhao's face was very ugly.

His tears have already rolled down in despair.

He grew up so old that he had never kneeled down to anyone, but now, he was forced to kneel down by a rich second generation!

He can't do it!

"Don't go too far! Believe it or not we call the police?"

At this moment, a girl in the corner held her mobile phone and said courageously.

When Chen Feiyu heard this, he gave a wicked smile and tilted his head to look at the girl.

"Haha, call the police? Call the police if you have the ability! The chief of the police station, but a good friend of my father! I want to see, who will he help!"

After listening to Chen Feiyu's words, the girl's face changed drastically.

"It's the two of you, neither of you can run away!"

The expression on Chen Feiyu's face gradually became squinted.

"It's really shameless, do you know who Shao Chen is? The eldest master of the Wild Wolf Security Company! Chen Feiyu! Follow Shao Chen, I promise you will be able to drink spicy food in the future!

As soon as the words "Wild Wolf Security Company" came out, the expressions on the faces of several boys changed at the same time.

No wonder the other party is so arrogant, it turned out to be the eldest master of the wild wolf security company!

"I'll let you kneel down! Can't you understand human words?" Chen Feiyu said coldly again, seeing Squad Leader Zhao not kneeling yet.

"Fuck, kid, believe it or not I interrupted your legs? Believe it or not I will keep you from standing up forever?" Chen Feiyu said angrily.

Then, although Squad Leader Zhao's tears fell down unconvincingly, he still stood upright.

He looked at Chen Feiyu, his eyes were red.

“I did nothing wrong, I don’t kneel!”

“If you dare to do it, we’ll be dead!”

After listening to the boy’s words, Chen Feiyu laughed.

Smiled playfully.

“Hahaha!”

“The fish die and the net is broken? Are you worthy?”

“Why? Just rely on you sports school students?”

“it is good!”

Chen Feiyu applauded at this moment.

There was a playful expression on his face.

He waved his hand, and the rich second generations behind him readily understood, only to see the rich second generations behind him began to walk out one by one.

“I want to see how you are struggling!”

After that, Chen Feiyu clapped and left the box.

Zhang Debiao took a group of bodyguards, gearing up in the box.

After seeing this scene, a group of school students panicked.

Because they know what they are going to face next, what they are going to face next is definitely the brutal beating of the group in front of them!

Click!

The door was closed at that time.

And it’s still locked out!

This is Chen Feiyu’s method!

This is the overbearing of Chen Feiyu, a famous young man in Jiangbei!

Among these three-level bodyguards, except for Lin Kai, Huang Hai, and Wang Yilong who are newcomers, the other three-level bodyguards are all veterans of the company.

They were not surprised by Chen Feiyu's set of things, and when Chen Feiyu walked out of the box, he was ready to do it.

If you hit someone, you don't have to be responsible. Why not do it?

## Chapter 851: In The Nest?

Chapter 851

In the box, a group of students from the school shivered.

The two girls were so scared that their faces paled.

They know what they are going to face next, and what they are going to face is the brutal beating of the brutal bodyguards in front of them!

Lin Kai saw all this in his eyes, and based on this alone, Lin Kai already wanted to copy the Chen family.

Zhang Debiao tilted his head and looked at the group of students in front of him with contempt in his eyes.

"Don't blame our Young Master Chen for being merciless, but blame you for not having eyesight!"

After that, Zhang Debiao waved his hand: "Come on! Except those two ladies, everyone else will beat me to death!"

"Yes!"

I saw a few third-level bodyguards agree, and the corners of their mouths showed cruel smiles.

Later, they approached the sports school students.

However, two people did not move.

These two people were Lin Kai and Huang Hai. They looked at each other, and the eyes were bitter.

Huang Hai is very similar to Lin Kai. Both of them are people with a bottom line.

Zhang Debiao became unhappy when he saw that the two of them were not moving.

"I said what are you two doing? Do it!"

Zhang Debiao said angrily.

Huang Hai and Lin Kai looked at each other, but still did not move.

The remaining eight third-level bodyguards also turned their heads and looked at Lin Kai and Huang Hai.

Wang Yilong hugged his arms and looked at Lin Kai, with a trace of hatred in his eyes.

He wished Lin Kai made some moths here, he wished Lin Kai was unlucky.

“Not moving yet?”

“Do you two have paste in your head?”

“What did the company raise you for? Did you come to the show? Work!”

Zhang Debiao scolded.

When Lin Kai heard this, he smiled: “Hehe, Manager Zhang, this time he has a job, one without a contract, and two, this is not a real job either.”

“We have the power not to take action?”

Every bodyguard needs to sign a contract when he is on duty.

If there is no contract, the bodyguard can choose to refuse.

After hearing Lin Kai’s words, Zhang Debiao exploded.

He is a manager! But these two newcomers, in front of so many people, confronted him Zhang Debiao, which made him very faceless!

Huang Hai also added a sentence to the side: “Yes! Besides, we are here to be bodyguards, not to be thugs. You let us bully a few students, what’s the matter?”

After listening to Huang Hai’s words, Zhang Debiao didn’t mention how angry he was.

He stamped his foot fiercely and said angrily: “You two, have your heads been kicked by a donkey? The one standing outside, but the young master of the Wild Wolf Security Company!”

Lin Kai rolled his eyes and said, “Even if the chairman is standing outside and there is no contract, nothing can be done!”

After listening to Lin Kai’s words, Zhang Debiao was furious!

At this moment, with a click, the door of the box was suddenly opened.

I saw Chen Feiyu standing at the door of the box with a gloomy expression. He heard everything Lin Kai said just now.

Today, he called his bodyguard to come to find the scene for himself!

But these two stunned greens actually squatted in front of others, which made him very annoyed!

“You two are newcomers?” Chen Feiyu asked in a cold tone.

Lin Kai and Huang Hai both nodded.

“Yes, we are newcomers.”

Chen Feiyu sneered and nodded: “Hehe, just two newcomers, so courageous! Don’t even listen to me? Is it our wild wolf security company that can’t accommodate you two great gods?”

Chen Feiyu was angry at the time, his face was very ugly.

Then Wang Yilong took a look, this is a great time!

Lin Kai is so stunned, even Chen Feiyu dare to offend him!

At that time, he was fanning the flames.

“Lin Kai! Huang Hai! You two, have your heads been kicked by donkeys? The wild wolf security company belongs to Chen Shao’s family! How can you be a qualified dog if you don’t listen to your master?”

Wang Yilong scolded.

Afterwards, he looked at Chen Feiyu with a flattering expression: “You think so? Shao Chen?”

When Chen Feiyu heard the words, the expression on his face was a little better.

“What’s your name?” Chen Feiyu asked.

Wang Yilong replied: “In response to Chen Shao, my name is Wang Yilong, and I am also a new third-level bodyguard.”

“Yes, follow me in the future!” Chen Feiyu said lightly.

Wang Yilong heard this, overjoyed.

You know, being Chen Feiyu's personal bodyguard is something that many people dream of!

Follow Chen Feiyu, eat fragrant and spicy, basically you don't need to do any dangerous tasks, just help Chen Feiyu beat people!

How cool!

At that time, Wang Yilong glanced at Lin Kai and Huang Hai quite proudly.

Humph! A person who knows the current affairs is a handsome man. How much is the bottom line and dignity worth this year?

Chen Feiyu glanced at Lin Kai and Huang Hai coldly, and said, "I think these two boys are itchy! Eight of you, let me clean up these two boys first!"

After listening to Chen Feiyu's words, the other eight third-level bodyguards all looked at Lin Kai and Huang Hai.

At that time, the eyes of these eight people changed.

Become extremely fierce!

As a young master behind Chen Feiyu said, they are a dog raised by Chen Feiyu. They bit whoever Chen Feiyu asks them to bite!

Zhang Debiao sneered: "Hehe, this is the end of a toast without eating and drinking fine wine!"

"If you are sensible, now kneel down and beg Chen Shao for forgiveness, otherwise, do you think you can be the opponent of the eight third-level bodyguards?"

"Moreover, they are all old brands!"

Zhang Debiao said with a sneer.

Huang Hai was a little scared at this time.

Although he knew that Lin Kai was very powerful, they were facing eight people after all!

No matter how good Lin Kai is, can he defeat eight masters who are also third-level bodyguards?

Looking at Lin Kai, holding his arms, he looked very comfortable and relaxed, as if he didn't pay attention to these eight people at all.

Huang Hai was wondering at that time, where did he come from?

At this moment, Lin Kai spoke: "Shao Chen, don't blame me for not reminding you, if someone wants to hurt me, I can defend myself!"

After listening to Lin Kai's words, Chen Feiyu sneered: "Hehe, self-defense? If you can stand in front of me for a while, let's talk about self-defense."

"hit!"

Chen Feiyu gave an order, and at that time eight people rushed forward and came directly towards Lin Kai and Huang Hai!

They waved their fists, the angles of their strikes were very tricky! Eight people blocked the water surrounding the two of them!

Among them, Wang Yilong is the most ruthless!

He hit Lin Kai's face with a punch! There was even a breaking sound!

Whoosh!

Huang Hai also roared at this time, and rushed directly: "Fuck! I'm fighting with you!"

"what!"

A cruel look also appeared in Lin Kai's eyes.

## **Chapter 852: You Have The Ability To Call The Police**

Chapter 852 You have the ability to call the police!

Huang Hai directly greeted the past!

Facing the siege of eight people, Huang Hai was afraid, but he did not take a step back!

It's just that the beatings are more miserable.

In just one second, Huang Hai was kicked to the ground by several people.

The yellow sea's miserable cry sounded.

"Don't slap your face!"

“Keep it light! Keep it light!”

Lin Kai was speechless when he saw this, Huang Hai was still relatively weak compared to their strength.

It is normal to not be able to beat them.

Soon, a fist greeted Lin Kai’s face, and that was Wang Yilong’s fist.

Wang Yilong’s face was ruthless.

Lin Kai joked, Wang Yilong regarded him Lin Kai as his biggest opponent, but Lin Kai had never regarded Wang Yilong in his eyes.

“Lin Kai! Go to hell!”

He punched Lin Kai in the face!

But Lin Kai didn’t even move, even didn’t fight back!

Bang! Wang Yilong hit Lin Kai’s nose with a fierce punch!

But Lin Kai’s nose didn’t move at all!

And Wang Yilong’s face changed at that time, because he felt that his punch seemed to hit a piece of steel!

His nose is so \*\*\*\* hard!

On the contrary, Wang Yilong’s fist has been fractured by Lin Kai’s nose!

“Ah!” Wang Yilong couldn’t help but exhale in pain!

“You! Why is your nose so hard?” Wang Yilong’s expression was like seeing a ghost.

Lin Kai tilted his head and smiled, “Hehe, how do I know?”

“However, you hit me, is it me now?” Lin Kai’s face suddenly showed a cruel smile.

After seeing Lin Kai’s cruel smile, Wang Yilong took two steps subconsciously.

Lin Kai now is terrible!

“You... don’t mess around!”

Wang Yilong pointed at Lin Kai while backing away.

But Lin Kai directly stretched out his hand, very fast, grabbed Wang Yilong's finger in one hand, and then broke it hard!

Click! Lin Kai broke Wang Yilong's fingers directly, and Wang Yilong also screamed like a pig.

Afterwards, Lin Kai kicked Wang Yilong's stomach! Wang Yilong's body flew out directly, and hit the coffee table fiercely, all over his body!

Lin Kai made such a big noise here, and all the other people also noticed Lin Kai.

"Take care of this kid first!"

A person yelled, and then, the remaining seven third-level bodyguards all rushed towards Lin Kai!

I saw that the guy in their hands slapped Lin Kai directly!

There are rubber batons, beer bottles, and glass ballasts! All kinds of dangerous weapons.

Looking at Lin Kai again, he didn't even hide when so many things called!

The beer bottle exploded on Lin Kai's body! But Lin Kai's skin was unscathed!

The rubber baton also hit Lin Kai's body, but even Lin Kai's hair could not be beaten down!

The glass ballast can't penetrate Lin Kai's skin. Lin Kai's skin seems to be just a layer of iron!

When the seven third-level bodyguards saw this, their expressions changed at that time. Is this a \*\*\*\* human? Isn't this Ultraman?

Lin Kai tilted his head and looked at the people in front of him with a playful look. He asked playfully, "Are you tickling me?"

The expressions of the seven people changed at the same time, and at the same time, an ominous premonition rose in their hearts!

"Get me up!"

At this moment, I only heard Lin Kai scream, and then I saw him grabbing the person in front of him with one hand!

That man is a strong man of two hundred catties! But the brawny man in Lin Kai's hands, like a little chicken cub, was picked up by Lin Kai casually!

Afterwards, Lin Kai took the brawny man as his weapon and swung it up!

The other people, like golf balls, were all swept out by Lin Kai!

At that time, there were screams in the small box.

All of these seven third-level bodyguards were solved by Lin Kai alone, and they all lost their combat effectiveness.

I saw them lying on the ground, clutching the injured place on their bodies, and began to wailing, their expressions were aggrieved and painful!

The whole scene was surprised.

Lin Kai's combat effectiveness is too strong, right?

One person actually brought down eight people!

And these eight people are not ordinary people! These eight people are all third-level bodyguards!

They are all special forces level skills, but in Lin Kai's eyes, these eight people are like eight unarmed little kids!

At this moment, Huang Hai stood up from the ground. He rubbed his \*\*\*\* and looked at the mess.

At that time, Huang Hai directly gave Lin Kai a thumbs up.

"Awesome! Boss!" Huang Hai directly recognized Lin Kai as the boss.

I saw Huang Hai clutching his swollen face, came to the person who had just beaten him, and kicked it hard.

"Let you hit me!"

Huang Hai kicked hard several times before he felt complacent.

And Chen Feiyu, who was standing at the gate, was dumbfounded.

All his men were knocked down?

This kid is a third-level bodyguard? This strength, it is no exaggeration to say that it is a level five bodyguard!

Zhang Debiao's expression was even more ugly. He regretted bringing Lin Kai out of it at this time. With this, Lin Kai stabbed him with a big basket!

"You! Lin Kai you! You!" Zhang Debiao pointed at Lin Kai, stammering, unable to say a word.

Lin Kai smiled slightly, looked at Zhang Debiao, and said, "What am I?"

"If someone beats me, I can defend myself. There are cameras here. You can call the police if you have the ability!"

After listening to Lin Kai's words, Zhang Debiao almost vomited blood!

Chen Feiyu's face also became very ugly.

This is all right, not only did not show his strength in front of the few sports school students, but in front of them a big ugly!

How should those two beauties look at themselves?

At this moment, only seven or eight sports school students stood up.

The expressions they looked at Chen Feiyu changed at that time.

There was hatred in their eyes.

I saw that they squeezed their fists, with sneers on their faces.

They didn't want to provoke others, but Chen Feiyu simply deceived people too much! Actually ask so many people to bully them.

But now, Chen Feiyu's subordinates have all been brought down by his own subordinates. At this time, it is time for them to take revenge!

A sports school student said to squad leader Zhao: "Squad leader Zhao, if you don't do anything at this time, there will be no chance!"

Squad leader Zhao's face also showed a cruel smile, and he looked at Chen Feiyu.

Chen Feiyu trembled all over, and then panicked, these boys actually want to do something to themselves?

The expressions of the young masters behind Chen Feiyu changed.

A few of them are usually hollowed out by alcohol, and fighting is simply impossible!

## Chapter 853: Run Yet?

Chapter 853

Chen Feiyu panicked when he saw this.

Without the Chen family's third-level bodyguards, just with the few friends behind him, they couldn't stop this group of energetic young people!

What's more, they are all sports school students!

"Don't come here!" Chen Feiyu threatened.

Even Zhang Debiao stood behind Chen Feiyu, shivering.

Although Zhang Debiao is a manager of the Wild Wolf Security Company, he doesn't actually have a very strong combat effectiveness himself. He is just an ordinary person.

But Lin Kai and Huang Hai looked at them with their arms around, without any intention of intervening.

Starting from squad leader Zhao, seven or eight sports school students approached Chen Feiyu and them.

Squad leader Zhao's faces also showed a cruel look, and the muscles on their arms burst.

Originally, they didn't want to cause trouble, even if Chen Feiyu came to their box to provoke, they didn't mean to do anything.

But Chen Feiyu is so deceptive! Actually called all the bodyguards at home! And also hit them in front of so many people!

If they don't take revenge now, what kind of men are they?

Chen Feiyu stepped back. He looked at Lin Kai and Huang Hai, and roared: "What are you two doing? Didn't you see them going to hit me?"

"Come and protect me!"

After hearing Chen Feiyu's roar, Lin Kai and Huang Hai looked at each other, and they smiled at each other.

Zhang Debiao also said anxiously: "Lin Kai! Huang Hai! I order you to protect us!"

At this time, Squad Leader Zhao and the others also looked at Lin Kai and Huang Hai.

They had seen Lin Kai's skill just now, and even if they were a few of them, they would definitely not be Lin Kai's opponent alone.

If Lin Kai is willing, they will be thrown out of this KTV at any time.

When Lin Kai heard this, he laughed at the time: "Hahaha! You just beat me, and now you want me to protect you? Are you afraid that you are making fun?"

Chen Feiyu also flushed after hearing Lin Kai's words.

He also didn't expect that he used Lin Kai so quickly, now he can't do without Lin Kai! Without Lin Kai, all of them would have to be beaten!

Chen Feiyu said anxiously: "Didn't you say that you don't help us beat people? Okay! If you don't help, you won't help! Now someone wants to beat me, you have to protect me, right?"

After listening to Chen Feiyu's words, Zhang Debiao also shined.

Yes!

You are the bodyguards of the Wild Wolf Security Company, and you are obliged to protect Chen Feiyu's safety!

"Yes! Lin Kai, come and protect us!" Zhang Debiao ordered.

Hearing this, Lin Kai also laughed: "Hehe, it's really funny, why should I protect you? Is there a contract? Is there my commission?"

"Moreover, this is not in the company, I have no obligation to protect your safety!"

After listening to Lin Kai's words, Chen Feiyu's face was blushed.

Lin Kai is planning to ignore him!

"You!" Chen Feiyu was angry, and he was completely angry: "You wait for me! Lin Kai! You wait for me!"

At this time, squad leader Zhao and others could not wait long ago!

Several people geared up and walked towards Chen Feiyu and them.

Just now, Chen Feiyu gave Squad Leader Zhao a slap. Squad Leader Zhao can remember this slap!

At that time, I saw Squad Leader Zhao round his arms and slapped him over!

Snapped!

With a sound, the strength of sports students is tremendous! With this slap, half of Chen Feiyu's face was swollen!

Not to mention, Chen Feiyu's mouth still shed a trace of blood.

Chen Feiyu covered his face with an unbelievable look.

"You \*\*\*\* dare to hit me?"

As soon as Chen Feiyu finished speaking, Squad Leader Zhao sneered, and he slapped him again.

Snapped!

"You are the one who hit!" Squad leader Zhao said angrily.

He sneered: "Hehe, do you remember how you beat me just now?"

Chen Feiyu was holding his hot face, annoyed in his heart.

Since childhood, who dared to touch him Chen Feiyu a hair? But today, at the door of this box, Chen Feiyu was slapped twice in public!

A group of wealthy second generations who were very arrogant and domineering just now saw Chen Feiyu being beaten, and they didn't even dare to let go.

"You don't know who the \*\*\*\* I am? I have a call..."

boom!

Before Chen Feiyu's words were finished, Squad Leader Zhao kicked directly and knocked Chen Feiyu to the ground!

"Call me!"

Squad leader Zhao roared.

At that time, seven or eight sports students swarmed, and they beat Chen Feiyu and the others!

This group of rich second-generations also fought back a few times at the beginning, but soon they discovered that they were not the opponents of this group of sports students at all!

Soon after, this group of rich second generations were beaten on the ground by the sports students!

The beating lasted for more than ten minutes, and this group of sports students stopped.

At this time, looking at Chen Feiyu and the others, it was terrible!

Chen Feiyu has been beaten into a pig head!

The faces on both sides were swollen, and the eyes were beaten into panda eyes.

Several teeth were also lost.

The others, similar to Chen Feiyu, blood shed all over the place.

After the athletes finished playing, they looked at each other, and they were a little panicked.

After all, they are not fighting ordinary people, they are fighting, but Chen Feiyu!

Lin chuckled and looked at them, "What are you doing in a daze? Run!"

Hearing the words, the sports students nodded heavily, and saw that they bowed to Lin Kai, took the two girls, and ran away!

Soon after, these sports students disappeared from everyone's sight.

At this time, I saw Chen Feiyu being helped up.

Chen Feiyu was beaten half-dead, with blood on his face, it was so miserable that the dignified young master of the Chen family was beaten up like this!

Lin Kai shook his head, he pulled Huang Hai, and the two of them left the scene without saying a word.

Chen Feiyu looked at Lin Kai's leaving back, hating that it was a gritted teeth.

"Zhang Debiao!"

At this moment, Zhang Debiao, who was covering his face, stood up.

Zhang Debiao was also very miserable, his suit was broken.

“What’s the details of those two boys just now? Especially Lin Kai!” Chen Feiyu asked angrily.

Zhang Debiao clutched his face and replied: “Young Master Chen, those two boys are new recruits who have just recruited. The Yellow Sea is average, but Lin Kai is very powerful, even stronger than Thor...”

After listening to Zhang Debiao’s words, Chen Feiyu’s eyes widened: “What? Better than Thor?”

“It’s not necessarily better than Thor. He scored full marks in the score assessment, which is even better than Thor’s results.” Zhang Debiao answered honestly.

Chen Feiyu snorted coldly: “Humph! What if this kid can fight? He must be afraid of guns?”

“Contact me the mercenary and get rid of this kid!”

This time, Chen Feiyu was really angry.

He wants Lin Kai to completely disappear into this world!

“Yes!” Zhang Debiao agreed.

## **Chapter 854: I Fell In Love With You**

### Chapter 854

Soon after, Lin Kai and Huang Hai returned to the dormitory.

At night, in Lin Kai’s dormitory, Huang Hai looked sad.

He clutched his forehead, fell on the sofa, and said, “It’s over, this time it’s really over, and it’s annoying for the Chen family.”

“The job I just found! That’s it!”

Huang Hai knew that he had provoked the young master of the Chen family, and he would definitely not be able to stay in the wild wolf security company in the future.

Lin Kai rolled his eyes: “What are you afraid of? Don’t do bad things, don’t be afraid of ghosts knocking on the door!”

After listening to Lin Kai's words, Huang Hai rubbed his temples and said, "My boss! You are not afraid, I am afraid! I'm just an ordinary person, and I don't have the boss's supernatural powers."

"Boss, why don't we run overnight?"

Huang Hai sat up suddenly and asked.

Lin Kai slapped his head with a slap.

"If you want to run, run, I won't run anyway!"

After listening to Lin Kai's words, Huang Hai also looked helpless.

If Lin Kai doesn't leave, he is not easy to leave either!

At this moment, Lin Kai's cell phone rang suddenly.

Taking out his mobile phone, Lin Kai found that Chen Leier had called him.

What is she looking for herself for? She is the daughter of the Chen family, and she is just a bodyguard!

"Hello?" Lin Kai answered the phone.

"Lin Kai, right?" Chen Leier's cold voice came over the phone.

Lin Kai nodded: "It's me, Miss Chen, what's the matter?"

"You come to Chen's house now, right away."

After listening to Chen Leier's words, Lin Kai was very curious. He glanced at the current time. It was already ten o'clock in the evening. A girl asked herself to go to her house?

"It's too late, isn't it?" Lin Kai said.

"What's wrong? Come right away, I'll wait for you at the Chen's house." Chen Leier said in a commanding tone.

After that, Chen Leier hung up the phone.

After the phone was hung up, Huang Hai gave his thumbs up, showing an expression of admiration.

“Boss! That’s okay! It’s only a few days since you came to the Wild Wolf Security Company? Even Missy hooked up?” Huang Hai showed a wicked smile.

Lin Kai said irritably, “Fuck you.”

“Be careful by yourself, I’ll be back when I go.”

After that, Lin Kai put on his clothes and walked out of the room.

The Chen family is not far from the Wild Wolf Security Company. Lin Kai is a native of Jiangbei, so he is very familiar with the local roads in Jiangbei.

At that time, Lin drove out of the training ground and took a taxi directly to Chen’s house in Jiangbei.

The Chen Family in Jiangbei, in a high-end residential area.

Half of this high-end residential complex was contracted by the Chen family.

According to the address given by Chen Leier, Lin Kai appeared at the gate of a villa.

The lights of this villa are still on, and the door is still open. If you want to come here, this is Chen Leier’s home.

Lin Kai walked directly into the villa.

The decoration style of the villa is very European and American. The crystal chandeliers and leather sofas all reveal the word luxury.

Only one maid was cleaning on the first floor. After seeing Lin Kai, the maid asked, “You are Mr. Lin, right?”

Lin Kai nodded and said, “It’s me.”

“The eldest lady is waiting for you on the second floor.” said the maid.

Lin Kai nodded. At that time, he boarded the spiral staircase and went directly to the second floor.

Soon after, Lin Kai appeared at the door of Chen Leier’s room.

Lin Kai knocked on the door of the room.

Bang bang bang.

Soon after, Chen Leier’s voice came from the room: “Come in.”

Lin Kai opened the door and walked in.

The style of Chen Leier's boudoir was unexpected by Lin Kai. Chen Leier's appearance is very strong, and she is also a very hot woman.

And her room is very similar to her character, minimalist decoration, the room is large, but not like other girls' rooms, full of clothes and cosmetics.

Her room has only a bed, a wardrobe, and a simple dressing table.

At this time, Chen Leier was sitting in front of the dressing table combing her hair.

I saw Chen Leier's body, only wrapped in a bath towel.

The wet hair fell on his body.

Chen Leier without makeup.

Lin Kai saw Chen Leier's face through the mirror. He had to say that Chen Leier's skin was very well maintained, and his skin was broken by bounce, without any blemishes.

The figure wrapped in a bath towel is extremely hot.

Maybe it's because Chen Leier often practices martial arts, so she has a very good figure.

"Do you have anything to do with me?" Lin asked straightforwardly.

Chen Leier combed her hair and said, "I heard that you had someone beat my brother?"

Hearing this, Lin Kai smiled bitterly: "Hehe, aren't you here to settle the account? I didn't beat your brother, it's just that someone wanted to beat your brother, I didn't stop it."

"Good fight!" Chen Leier suddenly admired.

When she said this, Lin Kai was stunned.

Playing well? This is my brother?

"Ok?"

"I've long seen him not pleasing to the eye! Relying on being the only boy in the Chen family, he's doing things outside!"

"Why didn't you kill him!"

Chen Leier said angrily.

Feelings Chen Leier doesn't wait to see her brother!

At that time, most of the stone hanging in Lin Kaixin fell.

"Then what do you want me to do?" Lin Kai asked.

Chen Leier turned her head and looked at Lin Kai. She blinked and asked, "I can't find you if I'm okay?"

Lin Kai and Chen Leier looked at each other, when Lin happily jumped.

This woman's eyes are so clear.

"No..." Lin Kai quickly avoided Chen Leier's eyes.

Chen Leier felt a little funny when she saw this.

"Unexpectedly, you, a super monster who got a perfect score in the score assessment, are still so shy." Chen Leier said casually.

Lin Kai touched his nose: "One yard goes to one yard. You have to say something right, I'll go back to sleep."

Upon hearing this, Chen Leier glanced at Lin Kai very vaguely.

"Oh, how many bodyguards of the Chen family want to come to my house without that chance. It's okay for you. You just want to leave when you come."

Chen Leier said quietly.

She was telling the truth, Lin Kai was really different from others.

"Okay, I won't quarrel with you."

"Talk about business."

Chen Leier sat up and looked directly at Lin Kai with a serious face.

Hearing this, Lin Kai also looked at Chen Leier seriously.

Chen Leier said: "Lin Kai, to be honest, I'm interested in you."

After listening to Chen Leier's words, Lin Kai was stunned for three seconds: "Huh?"

Fancy yourself?

Are you kidding me?

He's a stinky bodyguard! Even if the monthly salary is one million, for the Chen family, he is just a break-up job!

In the novel, what happened to the stinky beggar of the female daughter in the novel happened in reality?
