Chapter 887: Not Allowed To See

Chapter 887

Lin Kai's heavy breath hit Chen Leier's face.

This is the first time Chen Leier has been so close to a man!

Look closely, this man is really perfect! His skin is actually better than his own! This is the skin that so many women admire!

Moreover, his chest is too strong, right?

Chen Leier even felt Lin Kai's strong heartbeat!

But Lin Kai was embarrassed, because in order to hug Chen Leier, the towel he put on him was about to fall off!

Now that bath towel is completely sandwiched between the two!

As soon as Lin Kai released Chen Leier, the bath towel would immediately fall to the ground.

"Ahem..."

Lin Kai coughed awkwardly.

And Chen Leier obviously discovered this too.

She also blushed, what should I do now?

"Lin Kai, what should I do?" Chen Leier asked.

"You close your eyes." Lin Kai said blushing.

Chen Leier nodded very well, and closed her eyes.

Lin Kai also released Chen Leier in an instant, and then he directly grabbed the bath towel that had fallen and quickly wrapped the bath towel around his body.

But when he looked up, Lin Kai was dumbfounded again.

Because I don't know when, Chen Leier has already opened her eyes!

Chen Leier opened her mouth wide and her eyes widened, showing a surprised expression.

"You!" Lin Kai was furious!

This Chen Leier actually opened his eyes!

"I'm sorry! I'm sorry! I didn't mean it!"

Chen Leier quickly apologized.

She was in a mess, and her face was flushed. She hated herself for not showing up. She didn't know what to think just now, and she opened her eyes!

Is it possible that you are so curious about this man?

"Get out!"

Lin Kai flushed and said.

"it is good"

Chen Leier nodded obediently, then walked out of Lin Kai's room and closed the door.

Lin Kai looked at the closed door and stomped his feet very upset.

Lin Kai, Lin Kai! Can't you be more productive? Why are you so shy?

Just now, if you take the initiative, now you are not a boy, you are a man!

Lin Kai lay on the bed, looking at the ceiling, quietly in a daze.

And Chen Leier soon returned to her room.

After Chen Leier returned to the room, clutching her flushed face, she rushed into the bathroom.

After washing her face, Chen Leier's small face was still very red, like a monkey butt.

Chen Leier was shy when she remembered the scene she had seen before.

This man is too perfect, right?

Behind him is the Lin family! The largest family in Jiangbei!

And this man is very capable, rich and powerful!

And he looks so handsome and has such a good body!

Moreover, he is not only young, but also has a good temperament. He knows to consider others when he does things. Isn't such a man the Prince Charming in his heart?

At this moment, Chen Leier had the urge to rush into Lin Kai's room and insult Lin Kai!

No, I am a lady, I must calm down! You cant do that yourself!

Chen Leier took a deep breath and lay on the bed, ready to fall asleep.

...

I was speechless all night, and soon came the next day.

As soon as the sky turned dark, Lin Kai and Chen Leier were awakened by a loud noise.

There seems to be a lot of people gathered at the gate, and there are still a lot of people!

Lin Kai rubbed his eyes, he sat up from the bed, went to the balcony, and glanced down.

It doesn't matter if it doesn't look, Lin Kai was startled when he saw.

I saw that the community where the Chen family was located was already full of people!

All the streets are people!

Luxury cars are parked everywhere!

These people are not ordinary people, they are ancient warriors!

The lowest level is a martial artist, and the highest is a master of martial arts!

They came in groups of three or five, not alone.

With so many masters gathered, it is really lively!

The corner of Lin Kai's mouth showed a playful smile.

At this time, Chen Leier also ran out of her room in a panic and came to Lin Kai's room.

I saw Chen Leier wearing a pink pajamas, even if it was loose pajamas, but under the pajamas, that hot figure was still somewhat unconcealable.

Her hair is in a mess, and she seems to have just woke up.

Even without makeup, but still very beautiful and charming.

"Lin Kai! Lin Kai! They are here!"

Chen Leier said in a panic.

"Come here, what are you afraid of?"

Lin Kai picked up the coffee on the side and drank it.

"Let Xiaoduo prepare breakfast." Lin Kai said lightly.

I don't know why, seeing Lin Kai look so confident, Chen Leier also feels relieved a lot.

At that time, she asked Xiaoduo to prepare breakfast.

Soon after, breakfast was ready. Lin Kai and Chen Leier sat at the dining table on the balcony and began to eat, eating while looking at the people below.

"Lin Kai, many people!"

"There are three or four hundred!"

"Moreover, they all look fierce, and at first glance they are not fuel-efficient lamps!"
Chen Leier said.

Lin Kai smiled slightly and said, "The least fuel-efficient lamp is Chen Feiyu. If it weren't for him, could I be watched by so many people?"

"Relax, the Lord has not come yet!"

Lin Kai said lightly.

While talking, I saw a Lincoln commercial car coming from not far away.

Behind the Lincoln commercial vehicle are ten Mercedes-Benz cars.

Soon after, these eleven cars stopped at the gate of the villa.

Click! Click!

The doors of the Mercedes-Benz were all opened, and dozens of strong black bodyguards got out of the car.

These people are all from the Wild Wolf Security Company, and they are full of aura.

When they got out of the car, they all came to the vicinity of the Lincoln commercial car. They were responsible for protecting the big man in the Lincoln car.

Around the community, there are the bodyguards of the Wild Wolf Security Company. Although they are just ordinary people, they seem to be very powerful.

Soon after, the door of the Lincoln commercial car opened and Chen Baichuan got out of the car.

Behind him is a strong man of martial arts level.

This martial arts-level powerhouse is Chen Baichuan's most powerful support!

Afterwards, I saw Chen Feiyu also walked out of the car with Thor.

After seeing this scene, Lin Kai's mouth showed a playful smile.

"Hehe, the Lord is coming!"

At this time, I saw hundreds of strong men around Chen's house, all came over!

"Who distributed the news? The person who stole the treasure lives here?"

"stand out!"

"Yes! Stand up!"

"Is it you?"

This group of people directly surrounded Chen Baichuan's Lincoln.

And Chen Baichuan's face showed a bitter smile.

He looked at Chen Feiyu.

In fact, even Chen Baichuan was kept in the dark, and he also thought that Lin Kai really took away the treasure that fell from the sky!

Today, he came to deal with this matter.

Chapter 888: Jing Haitian

Chapter 888: Jing Haitian

“Everyone! Be quiet! Listen to me!”

At this moment, Chen Feiyu stood up and said loudly.

The scene also fell silent, and everyone looked at Chen Feiyu.

“The person who stole the foreign treasure is indeed in our Chen family! However, the news is also from our Chen family!”

“Another treasure falls from the sky! That means that the other treasure is a gift from the sky! It belongs to all of us! Everyone has a share!”

“And he stole the strange treasure! Chen Feiyu, I am the most uncomfortable with such a person!”

“So, I distributed the news, and everyone just asks that person for a strange treasure! My Chen family will never stop it!”

Chen Feiyu uttered a big talk, leaving the relationship between the Chen family and Lin Kai aside!

Even Chen Baichuan nodded, and Chen Feiyu's few words not only allowed the Chen family to clarify the relationship between the Lin Kai who stole the strange treasure, but also be able to make friends with the major masters in Jiangbei!

“well said!”

At this time, there was a round of applause, not knowing who started the head.

“Master Chen, just tell me, where is that person? Just say it, we all owe you a favor!”

One person stood up.

This person looks like more than 50 years old.

He was wearing a long robe with shiny black hair. This middle-aged man was a master of martial arts.

The name is Jing Haitian. Jing Haitian is also famous in Jiangbei. When he spoke, the people around immediately looked at Chen Feiyu.

Chen Feiyu smiled slightly. He pointed to Chen Leier's villa and said, “That person is called Lin Kai! He is in this villa!”

Wow!

As soon as Chen Feiyu's words came out, hundreds of people at the scene looked at Chen Leier's villa!

And Chen Baichuan also sighed, his daughter was also involved in this matter!

He only hopes that his daughter will be safe.

But the corner of Chen Feiyu's mouth showed a smirk.

His purpose today is not only to kill Lin Kai, but also to kill Chen Leier! Chen Feiyu wants to completely settle his two opponents!

"Lin Kai! Get out!"

"Lin Kai! Hand over the strange treasure! Otherwise you will be dead today!"

"get out!"

Hundreds of ancient warriors are about to rush into Chen Leier's villa at this time.

"Ahem."

But at this moment, a dry cough sounded.

Everyone raised their heads.

On the roof of the villa, Lin Kai moved a chair and sat on the roof.

He was still holding an apple in his hand. Lin Kai was eating the apple while watching the hundreds of people below!

Chen Leier stood behind Lin Kai.

"Are you Lin Kai?"

Jing Haitian asked coldly.

Lin Kai smiled slightly and said, “Hehe, I’m Lin Kai, what’s wrong with me?”

Lin Kai lifted Erlang’s legs, and didn’t pay attention to the people below.

However, after seeing this scene, Chen Feiyu even sneered.

He just wants to see this picture!

He just wants to see Lin Kai’s swelling picture! Because the more he expands, the worse he will die in a while!

“Since you admit it, it’s easy to say, hand over that strange treasure!” Jing Haitian said coldly.

He was ordering Lin Kai, not discussing with Lin Kai.

Lin Kai raised his eyebrows, pretending to be confused.

“Exotic treasure? What exotic treasure?”

“Lin Kai! Don’t pretend it! A strange treasure fell from the sky two days ago! You stole the strange treasure!”

Chen Feiyu shouted angrily.

When Lin Kai heard the words, he was suddenly enlightened.

“Oh! You said that thing that fell from the sky? I didn’t see it!”

Hearing Lin Kai’s denial, Chen Feiyu sneered. He took out a pile of photos from his pocket and threw them out!

Wow!

Photos are flying all over the sky!

“Lin Kai! Are you still sophistry? My people have already seen you holding a strange treasure!”

“Furthermore, you paid a high price to collect the fragments of the golden armor. If it wasn’t for the treasures you stole, why did you hide it? Why did you spend a high price to collect the fragments of the golden armor?”

Lin Kai grabbed a photo in the air and took a look, then he laughed.

The photo is still the same, it is the photo of Lin Kai standing next to the red Maserati looking at the red bag.

In the photo, Lin Kai still held a glittering night pearl in his hand.

In order to kill Lin Kai, Chen Feiyu bought a real night pearl at a high price!

Lin Kai casually took the Ye Mingzhu out of the Qiankun bag.

“You mean this stuff? If you want it, I’ll give it to you!”

After that, Lin Kai threw it down.

But everyone did not react, and with a snap, Ye Mingzhu directly hit the ground and fell to pieces!

After seeing this scene, Chen Feiyu's mouth was even more sneered. What if you could play? Without a brain, you still have to die!

Upon seeing this, Jing Haitian frowned, he strode to the side of the night pearl fragment and looked down.

After watching for a long time, Jing Haitian furiously said: "This is not a strange treasure at all! This is just an ordinary night pearl!"

At that time, hundreds of people were angry!

Lin Kai is playing with them!

Lin Kai doesn't put everyone in his eyes!

Uncle can bear it, aunt cant bear it!

At that time, hundreds of people were agitated, they couldn't wait to do it!

When Chen Feiyu saw this, he even fanned the flames and said, "Big guy! Take this Lin Kai! Let him taste the bitterness of flesh and blood! He naturally took out the real treasure!"

As soon as Chen Feiyu's words came out, many people were already ready to move!

This is such a great idea!

At that time, hundreds of people were already gearing up.

As a well-known big figure in Jiangbei City, Jing Haitian was also very angry when he was deceived by Lin Kai.

"court death!"

"Everyone, rush up with me and kill him!"

At that time, a scream of killing sounded, and hundreds of ancient warriors shouted and killed together. The scene was extremely spectacular!

When Chen Leier saw this, she became nervous. She was just a little girl. Where did she see such a scene?

At that time, I saw Chen Leier grabbing Lin Kai's hand, and she was about to cry: "Lin Kai, what should I do?"

"I don't want to die!"

Lin Kai tilted his head and said, "Don't worry, you can't die!"

However, Chen Leier obviously didn't believe Lin Kai's words. She stood up and shouted, "Don't come here!"

"We didn't steal that strange treasure! It was Chen Feiyu who framed us!"

Chen Leier exhausted all her strength and yelled.

Hearing that, hundreds of ancient warriors looked at Chen Feiyu.

And Chen Feiyu smiled slightly, he looked at Chen Leier like a fool.

“I framed you? Is it necessary for me? Besides, the photos are in front of everyone. I believe that everyone present is smart. Everyone can see who is deceiving.”
