

Special Forces God Level Extraction System – Chapter 889 - 920

Chapter 889: Yibao Belongs To Everyone

Chapter 889

“Sister, you are my relatives. Now you come back obediently and stay away from that Lin Kai. I believe that everyone present will not take you to my face.”

Chen Feiyu said with a sneer.

It seems that he is doing Chen Leier’s good, but in reality, he wants Chen Leier to die more than anyone else.

However, the surface work is still to be done.

After hearing what Chen Feiyu said, everyone nodded in agreement.

“Little lady! So you are Chen Shao’s sister, come down quickly! For the face of Chen Shao, we will not hurt you today!”

“Come down!”

“For a while, the knife doesn’t have eyes!”

Chen Feiyu’s face has always been with a confident smile.

At this time, Chen Baichuan also took another look at Chen Feiyu.

He knew that starting from today, the Chen family was about to change!

Chen Feiyu took advantage of today’s events and successfully made friends with so many powerful people in Jiangbei society. In the future, Chen Feiyu will eat more in Jiangbei!

Chen Baichuan sighed, his son is good at everything, but his heart is too cruel!

Chen Leier was also very tangled in her heart after hearing the words of so many people off the court.

She wanted to go down, but she knew that if she went by herself, Lin Kai would definitely die!

Moreover, when Lin Kai died, he was probably not far from death.

But if I don't go down, I am afraid I will still die!

She looked at Lin Kai, and Chen Leier's scared tears were about to come out.

Lin Kai couldn't bear to see Chen Leier's so pitiful appearance, and saw Lin Kai stood up directly and hugged Chen Leier.

Lin Kai looked at Chen Feiyu, and he said angrily: "Chen Feiyu! Did you see it? She is your own sister! Even your own sister, are you going to be framed?"

Chen Feiyu showed an innocent expression when he heard the words: "I framed my sister? I think it was you who was going to frame my sister? You stole the strange treasure, and you have to impede my sister. Are you still human? ?"

As soon as Chen Feiyu's words came out, a scream immediately sounded.

"Hurry up and hand over the strange treasure! Hand over the strange treasure, and spare you not to die!"

"If you don't hand over the strange treasure, you will be dead today!"

"If you have the ability, don't threaten Shao Chen's sister, let her go!"

...

There was a clamor from below.

And the corner of Lin Kai's mouth also showed a playful smile.

Chen Feiyu, do you really think you can kill me if you find such a bunch of craps?

I, Lin Kai, will show you today, what is the gap! What is strength!

At that time, Lin Kai stood up directly, and he looked at everyone off the court, including Jing Haitian.

"Quite me all!"

As soon as Lin Kai spoke, the scene immediately fell silent, and everyone looked at Lin Kai.

Lin Kai stood up and looked at Chen Feiyu.

"Listen to me, the photos Chen Feiyu gave you are fake! He just wants to borrow your hand to get rid of me!"

After listening to Lin Kai's words, Chen Feiyu's mouth was already showing a mocking smile.

It's all up to now, is it useful for you to explain this? No one will believe you.

Sure enough, Lin Kai's words just sounded, and the voice of doubt underneath immediately sounded a blockbuster!

"Are you a **** liar?"

"Can we believe your words?"

"Hand over the baby! Otherwise you will be dead today!"

"The photo is hard evidence! You say that Shao Chen lied to us, and Shao Chen lied to us? Where is the evidence? Take the evidence out!"

A burst of clamour sounded.

Lin Kai smiled slightly and said, "But!"

Lin Kai bit these two words very hard, and the scene fell silent again, and everyone's eyes moved to Lin Kai's body.

"It's true that the blind cat met the dead mouse, the real strange treasure, really is here!"

After that, Lin Kai took out the outer meteorite!

I saw that it was a small stone.

The stone is only the size of a normal person's fist, and it is full of light, looking sacred.

Everyone present can feel the powerful force from it!

This meteorite is a strange treasure!

After seeing it, everyone's breathing was short!

It's this baby!

Chen Feiyu was dumbfounded when he saw this, he was framing Lin Kai! But he didn't expect that Lin Kai really has a treasure!

The strange treasure is actually in Lin Kai's hands!

Chen Leier, who was behind Lin Kai, was also dumbfounded. She was also dumbfounded when she looked at the extremely beautiful meteorite. Lin Kai actually has a strange treasure!

Chen Baichuan's eyes widened, and his breathing was short. If the Chen family can get that extra-terrestrial meteorite, the Chen family will soar into the sky!

"Another Treasure!"

Chen Baichuan's voice trembled.

Everyone's eyes were attracted to the past.

"Give me the strange treasure! Quickly!"

At this time, Jing Haitian couldn't bear it anymore, he stretched out his hand and asked Lin Kai for a strange treasure.

His cultivation is the strongest at the scene! He stretched out his hand for a strange treasure, but others did not dare to stop it.

There was a smirk at the corner of Lin Kai's mouth.

He directly put the strange treasure back into the Qiankun bag, looked at everyone, and said: "Everyone, there is one thing to say, the things that fall from the sky are originally nothing!"

"It's like a small stone on the side of the road. Whoever finds it belongs to whoever!"

After listening to Lin Kai's words, another noisy sound rang.

"You fart! What fell from the sky! It belongs to all of us! Quickly hand over the strange treasure!"

"Hurry up! Or kill you today!"

"Be careful of your family being hit and killed by a car when you go out!"

...

At that time, all kinds of unpleasant words rang out at the scene, these people saw the strange treasure, their eyes were red, and they couldn't help but want to come up and grab the strange treasure!

But Lin Kai shook his head, his eyes cold.

“You are talking about lightness!”

“For this meteorite, I lost a set of gold-level armor!”

“I have consumed hundreds of magic charms!”

“I almost died there!”

“I went through all the hardships to get this meteorite. Now you reach out and ask me for it? Are you embarrassed?”

No one can listen to Lin Kai’s words.

Everyone doesn’t care how Lin Kai got the strange treasure, now they just want to take the strange treasure as what they have!

Jing Haitian was breathing fast and his face flushed: “Lin Kai! Do you know what is meant by the strong eating of the weak? This world is originally the world of the strong eating of the weak! That strange treasure, you can’t keep it! At that time, don’t lose your life for the strange treasure. !”

After listening to Jing Haitian’s words, Lin Kai also joked.

“Hehe, the world where the weak eat the strong? It makes sense!”

“Then I will give you a chance now, and I will all kneel down to apologize today, and I will let you go to Lin Kai today.”

“Otherwise, none of you who came to trouble me today can run away!”

Lin Kai’s words are extremely domineering!

His eyes were very cold, like a demon climbing up from hell. Everyone couldn’t help but bow their heads wherever Lin Kai’s eyes passed.

Chapter 890: Hagami

Chapter 890

After listening to Lin Kai’s words, Chen Feiyu sneered.

“Haha, Lin Kai, you are simply dreaming!”

“Let us all kneel down, do you have that qualification? Who do you think you are?”

“I admit, you can fight, but everyone present is all ancient warriors!”

“There are two masters at the martial arts level. What qualifications do you have to let us kneel down?”

As soon as Chen Feiyu’s words came out, there was a sound of agreement.

Yes! There are hundreds of people present, and there are two martial arts masters, but Lin Kai is alone, but he wants all of them to kneel down. Isn’t this a foolish dream?

At this moment, Jing Haitian sneered, “Heh, Lin Kai, right? I’ll give you the last chance to bring the strange treasure to me! Don’t let me go up and get it myself!”

He was threatening Lin Kai, if he took it personally, Lin Kai would definitely die!

Everyone at the scene was watching Lin Kai.

Chen Leier also looked at Lin Kai nervously. She didn’t know where Lin Kai had such courage. She actually dared to challenge so many people in front of her. You know, Lin Kai has to face hundreds of ancient people. Warrior!

The opponent has two masters of the martial arts level!

“Lin Kai! What are you doing? Don’t kill yourself, okay?” Chen Leier said anxiously.

Lin Kai glanced at Chen Leier, his eyes were full of helplessness.

“Don’t worry, I will take care of this matter. No one can hurt you. I promised you will not break my promise.”

After listening to Lin Kai’s words, Chen Leier still felt very uneasy.

Although Lin Kai promised to let her take charge of the Chen family in the future, it is still a question whether Lin Kai can survive!

Lin Kai looked at the people downstairs coldly, and he said coldly again: “I’ll say it again!”

“Kneel down and live!”

“If you don’t kneel down, you all will die!”

“You are looking for death!”

At this moment, Jing Haitian roared, he flew directly to the top of the building, and shot Lin!

He is going to kill Lin Kai!

Lin Kai's eyes were also narrowed, and he was about to kill the person in front of him who didn't know the height of the sky.

Actually, Lin Kai didn't want to kill anyone, but if someone wanted to kill Lin Kai, Lin Kai would definitely not hesitate!

But Lin Kai hadn't made a move yet, and a figure suddenly appeared in front of Jing Haitian.

That figure directly slapped Jing Haitian!

boom!

A muffled sound! Jing Haitian's expression changed, and his body flew back directly!

thump!

Jing Haitian fell to the ground, even spouting blood.

After seeing this scene, everyone was stunned. What's the situation? Lin Kai didn't do anything!

Wow!

At this time, only one person fell from the sky.

This person's dress is very strange.

He wore a suit made of feathers.

It is black feathers.

The whole person does not look like a person, but like a big bird!

His face looks even more weird. He is about fifty years old. His lips are black, his eyes are black, and even his fingernails are black.

Like a monster.

When everyone saw him, they all gasped, because this person is famous in the arena!

The rivers and lakes are called the feather god!

Because he has a garment made of feathers, which looks like a big bird, and his cultivation base reaches the sky, he also has a master-level cultivation base. Everyone who sees him must be called a feather god!

Jing Haitian was furious! But after seeing Yu Shen, his face changed at that time.

“Feather God?”

Yu Shen looked at the hundreds of people present with very cold eyes.

He said in a cold voice, “This person, I want it!”

He is also here to **** the strange treasure!

After seeing this scene, Chen Feiyu was very excited. He didn't care who the strange treasure fell into. He just wanted to see Lin Kai and Chen Leier die!

Well now, Yu Shen is here! Lin Kai must die when Yu Shen arrives!

Because Yu Shen has a very strange character, he likes to kill! And everyone he likes will die!

Moreover, he likes women!

The hundreds of ancient warriors at the scene all rushed to Lin Kai. Even if they couldn't eat meat, they could still drink a sip of soup. But after seeing Yu Shen, their faces changed because they knew that they even had a sip of soup I can't drink anymore!

Because Yu Shen is a master at the master level!

Lin Kai also looked at the man named Yu Shen, and after seeing Yu Shen wearing a feather, Lin Kai also felt amused.

He was looking at Yu Shen, and Yu Shen was also looking at Lin Kai. After seeing Lin Kai, his mouth showed a greedy smile.

He had been nearby just now, he saw Lin Kai's strange treasure, and he also wanted to take it for himself!

Then, Yu Shen looked at Chen Leier.

After seeing Chen Leier, even Yu Shen's eyes were dull.

Because Chen Leier is so beautiful!

The hot figure, the pure face, and the pitiful appearance of Chen Leier were all attracting Yu Shen.

At this time, Yu Shen pointed at Chen Leier, and even a trace of saliva dripped from the corner of his mouth.

“This woman, I want it too!”

After hearing the words of the God of Feathers, a burst of exclamation sounded at the scene. Everyone knew that this woman would be ruined by the God of Feathers in all likelihood!

The woman whom Yu Shen looked at had a miserable end!

After being tired of Yu Shen, he was either thrown in the gully or killed. The luckiest person, after being tired of Yu Shen, was thrown into the kiln.

It can be said that this person has a serious tendency to pervert.

Chen Feiyu was overjoyed when he heard this!

As soon as Yu Shen came, he directly settled two big troubles for him!

But Chen Baichuan's expression changed, Yu Shen was going to get rid of his daughter! That's his biological daughter!

But Yu Shen is a master-level master, Chen Baichuan is also daring not to speak, and the martial sage next to him even dare not even fart.

Yu Shen looked at Lin Kai, stretched out his hand, and said, “Give me the strange treasure, I'll give you a happy one!”

After hearing God Yu's words, Lin Kai raised his eyebrows: “You look like a human, and what you are saying is not human! Why should you give you the strange treasure?”

As soon as Lin Kai said something, a burst of exclamation sounded.

No one thought that Lin Kai would dare to be so mad when facing Yu Shen!

Just after Lin Kai's words were said, Chen Feiyu immediately shouted: “Lin Kai! Please pay attention to your attitude!”

“Do you know who you are facing? God of Feather! Grandmaster-level master! Do you dare to be disrespectful to God of Feather, believe it or not you will not live for ten minutes?”

Yu Shen looked at Chen Feiyu at this time, and Chen Feiyu immediately showed a pleasing smile.

Now is a great time to please this master-level master!

Chapter 891: I Am The Rudder

Chapter 891

Lin Kai raised his eyebrows and smiled: “Chen Feiyu, Chen Feiyu, you really are a dog! You just lick when you see someone?”

Lin said with a smile.

After listening to Lin Kai’s words, Chen Feiyu’s face turned red.

Lin Kai’s words can be regarded as talking about his pain.

Chen Feiyu, he said to be nice, it is sweet, and to be direct, it is a dog leg! See who licks who!

“Don’t **** talk nonsense! God of feathers is no ordinary person! Talk to God of feathers, be polite!”

Chen Feiyu furiously said.

Lin Kai sat on the chair and raised Erlang’s legs, he didn’t care.

“Hehe, a dog licking, a idiot wearing feathers, you two, really match each other!”

After listening to Lin Kai’s words, Yu Shen was furious!

I saw Yu Shen directly flying up! A palm slapped Lin Kai, he was going to kill Lin Kai!

Upon seeing this, Chen Feiyu sneered, Lin Kai, let you be arrogant again!

And Chen Leier exclaimed, and she watched the monster fly up!

When Lin Kai saw this, he didn’t put this feather **** in his eyes, a master of the master level? In the eyes of others, he may be a master, but in Lin Kai’s eyes, **** is not!

After all, even the Great Master, Lin Kai had killed!

I saw Lin Kai turned around, an somersault, and kicked Yu Shen’s palm!

He was going to kick Feather God down!

But everyone on the scene sneered, Yu Shen is a master!

Can he beat Feather God?

boom!

There was a muffled sound, and Yu Shen's face suddenly changed, and his body flew out directly!

boom!

Yu Shen's body hit the ground fiercely!

His face changed drastically, and even a mouthful of blood!

Looking at Lin Kai again, after kicking Feather God down, he sat back on the chair, raised Erlang's legs, and even took out a lollipop to eat!

After seeing this scene, everyone on the scene was shocked.

This Lin Kai actually kicked Feather God down? You know, Yu Shen is a master at the master level!

But Yu Shen held his hand and stood up tremblingly.

He felt Lin Kai's powerful strength!

so horrible!

Even he is not an opponent!

After Jing Haitian saw this scene, he was also dumbfounded, even Yu Shen was not his opponent?

An incredible expression appeared in Chen Feiyu's eyes. Lin Kai is so young, even if he is an ancient martial artist, he cannot be a master-level master! But he kicked the master-level master with one kick!

Yu Shen stood up. He looked at Lin Kai and asked, "Who are you on earth?"

When Lin Kai sat in a chair, he smiled.

"Hahaha! What a joke, you guys came to rob me without asking, who am I?"

At this moment, Lin Kai took out a token from his waist, and his token dazzled in front of everyone.

“Xianmen Sect Master, Lin Kai!”

After hearing this sentence, everyone’s face changed drastically!

Xianmen, they have naturally heard that Xianmen is a famous big sect in the capital!

I heard that there are three or four thousand disciples in the fairy gate! There are dozens of martial arts masters!

Lin Yizong, the master of the immortal gate, is also a super master who sees the dragon without seeing the end!

After hearing these words, Chen Feiyu’s face changed drastically, and his voice trembled: “You...you are the young master of the Lin family, Lin Kai?”

It turns out that he is the young master of the Lin family!

Chen Baichuan’s face changed at that time, no wonder his daughter won such a big contract when he went! It turns out that he is the young master of the Lin family! He is a super master!

At this time, Chen Baichuan’s intestines were all regretful, and Lin Kai was called the number one genius in the capital! Now it seems that Lin Kai is as powerful as the rumors!

Even Yu Shen’s eyes showed jealous eyes.

The master of the fairy gate, that is indeed a master!

“It turned out to be the master of the immortal door, which was disturbed.”

Yu Shen clasped his fists, which was regarded as a plea for Lin Kai.

Lin Kai smiled playfully and said, “Hehe, don’t apologize to me, my fairy gate is almost disbanded.”

Now, the fairy gate base in the capital has become an empty shell, and all of Lin Kai’s subordinates have gone to the East Earth Continent, so Lin Kai, the fairy gate master, is really a polished commander.

“I am from the Shadow Gate now!”

After that, Lin Kai took out a black token from his arms again and shook it in front of everyone.

Shadow Gate!

After hearing these two words, everyone's face changed drastically!

Because Shadow Gate, in China, is a super organization!

The reputation of Shadow Gate is even greater than Jiulong Mountain!

Moreover, the people of the Shadow Gate are extremely cruel! Rumor has it that if anyone dares to move the shadow gate, the whole family will die!

Whether it is the underworld or the white way, they are very afraid of the shadow gate.

Countless large families are even more afraid that Shadow Gate will ransack their homes. Since the establishment of Shadow Gate, they have no idea how many rich men and large families homes have been copied!

If you can't agree, the Shadow Gate will even kill it!

In China, Shadow Gate is even more terrifying!

No one dared to offend the people of the Shadow Gate, even if the other party was just a little disciple of the Shadow Gate.

Looking at Lin Kai again, he is actually the rudder master of the Shadow Gate!

After seeing the two words Ruozhu, everyone was scared!

The rudder of the Shadow Gate! And his strength is so strong, wanting to be the rudder master is only temporary, I am afraid he will soon become the hall master!

After seeing the token, Yu Shen's face changed.

However, he is a master after all! I was shocked by Lin Kai's two tokens. It was really shameless!

"Sir, you said you are from the Shadow Gate, then you are from the Shadow Gate? The token, maybe there are fakes too!"

As soon as he said this, a echoing voice sounded, yeah! The token may also be fake!

How can I be sure that Lin Kai is really from the Shadow Gate?

Lin Kai had a funny smile at this time.

"Hehe, don't believe me, do you? Good to say!"

Lin Kai snapped his fingers.

Boom!

This is the sound, whoosh whoosh! I saw countless black shadows rushing from all directions!

Very fast!

Whoosh whoosh!

Countless shadows jumped onto the villa from different positions, and then stood behind Lin Kai.

One or two!

Three four!

Five or six!

Swipe!

A group of people appeared behind Lin Kai!

This group of people is crushed!

There are hundreds of people!

They were all wearing black robes and covered their faces with a black sword on their backs!

Their eyes are fierce, and they are exuding murderous aura!

Moreover, a shadow character is embroidered on their chests!

They held their arms and strode behind Lin Kai!

Their robes and cloaks shook with the wind, making a rustling sound!

Murderous Shadow Gate people!

Chapter 892: Kneel Down

Chapter 892

There are hundreds of people!

After seeing them, everyone's face changed.

These people are all genuine Shadow Sect disciples!

And everyone is a martial artist-level cultivation base!

You know, the Shadow Gate accepts people, but it is very strict, not a genius, no martial artist behind Lin Kai is over thirty years old!

They are all geniuses!

These people are all true Shadow Gate people!

But Lin Kai, a rudder master, can mobilize a hundred people! What does this show? This shows that Lin Kai's position in the Shadow Gate is very high!

Before there were hundreds of people in the Shadow Gate, Lin Kai looked like a fool with Erlang's legs upright.

"Can you prove my identity now?"

As soon as hundreds of Shadow Sect disciples came out, everyone felt a strong pressure!

This Lin Kai is really **** big!

Not knowing who started the head, a bunch of people began to kneel down.

Wow!

Hundreds of ancient warriors all knelt down!

Facing the Supreme Shadow Gate of Jianghu, they dare not kneel down! Offended the Shadow Gate, only one word! That's death!

It's okay for the bluffers, the dark guys, and the people who are most afraid of the Shadow Gate, because the Shadow Gate is like a ruthless killer. Whoever does evil, the Shadow Gate kills!

The people of Shadow Gate have great power and strength! They are the real heroes!

The members of the Chen family were dumbfounded at this time, they never thought that Lin Kai was actually the young master of the Lin family! I never thought that Lin Kai's strength was actually stronger than the Grand Master! It was never expected that Lin Kai was the rudder master of Shadow Gate!

But they didn't please Lin Kai in time, instead they thought about **** Lin Kai!

Chen Feiyu's legs are trembling, he regrets it! I knew that I shouldn't have been against Lin Kai! Opposing Lin Kai, what is the difference between looking for death?

At this moment, Lin Kai smiled playfully. He looked at the people off the court, playing with the taste: "Hehe, didn't you ask me for a strange treasure? The strange treasure is on my body, who wants it? I give it to you!"

Everyone at the scene looked very ugly.

No wonder Lin Kai is so arrogant!

No wonder he dared to admit that the strange treasure was on his body.

Because Ye Gao people are bold! They have a great background!

At this moment, even Yu Shen knelt down. He held his fist and said to Lin Kai: "It turned out to be Lord Rudder. It was a small rude. Please forgive Lord Rudder."

Even a master like Yu Shen knelt down!

Lin Kai glanced at him and said coldly: "Kneel down on both legs."

When Yu Shen heard this, his face changed.

Kneeling on one knee is a respect for Lin Kai, and kneeling on both knees is an insult to his Yu Shen!

He Yushen is a master at any rate! But Lin Kai actually didn't give him face so much and asked him to kneel down!

"Master Rudder, I will give you a face, and you will give me a face, after all, I am also a master!"

Yes indeed! Master is like a dragon!

There are not many masters of Huaxia Kingdom! Master-level masters are very famous in China! Dignity is more important than name!

Lin Kai is very good, but Yu Shen is not a fuel-efficient lamp either!

"Oh? Grandmaster? Is it great?"

Lin Kai deliberately showed a frightened expression: "To be honest, I killed one of them yesterday!"

After hearing Lin Kai's words, there was a loud noise on the scene.

The Grand Master killed one?

Is this Lin Kai so powerful?

Everyone questioned Lin Kai.

“Do not believe?”

Lin Kai smiled playfully, watching everyone ask.

No one spoke, no one questioned, but there are only two words in everyone’s eyes, don’t believe it!

Lin Kai laughed, and saw that he stretched out his arms, a powerful aura emanating from Lin Kai’s body!

Black gas emerged from behind Lin Kai! Lin Kai at this time is like a big demon!

Even the heavens and the earth change color accordingly!

The sky, which was originally clear, was suddenly crushed by dark clouds and became black and crushed!

Everyone at the scene felt the tremendous pressure!

Yu Shen’s expression changed even more! Because Lin Kai gave him tremendous pressure! This is something that a master of the same level cannot give him! What does this show? This shows that Lin Kai is a great master at the level!

What he said is not fake!

He really killed a great master-level powerhouse yesterday! It’s a matter of minutes for a master like this to want his own life!

At this time, God Yu no longer dared to be disrespectful to Lin Kai, God Yu directly knelt down on his knees and said, “Believe it! Accept your magical powers!”

All the people present knelt down, knelt on their knees, and pleaded: “Believe it! Accept your magical powers!”

But only two people didn’t kneel down. These two people were Chen Baichuan and Chen Feiyu.

They couldn’t believe that Lin Kai was a big man they couldn’t afford!

He is a master at the master level!

At this time, Lin Kai looked at Chen Feiyu, and the corner of Lin Kai's mouth showed a playful smile.

"Do you know why I keep not killing you?"

"Because you are like an ant in my eyes. I want to trample you to death. It's just a matter of minutes."

"The reason I let you jump for two more days is because I want to see how earth-shattering things you can do."

"But unfortunately, Chen Feiyu, you let me down!"

"You just do a little trick? Call so many people to kneel for me?"

Lin Kai cocked Erlang's legs and laughed.

Lin Kai casually threw the lollipop in his hand, and with a snap, the lollipop hit Chen Feiyu's face accurately.

And Chen Feiyu looked embarrassed, he didn't even dare to let go!

After all, what he is facing is a master at the master level!

Chen Baichuan's face was even more ugly, and an ominous premonition rose in his heart.

He is the chairman of the Wild Wolf Security Company. He is very clear in his heart that he is afraid of Shadow Gate! Even more afraid of Lin Kai!

"Lord Lin Ruo, we really don't know Taishan. You said that my son framed you. My son must frame you. I apologize to you!"

After all, Chen Baichuan knelt down directly.

"Feiyu, kneel down!"

Chen Baichuan scolded angrily.

At this time, only when you kneel down to Lin Kai can you have a chance of life, otherwise there will only be one end, and that is death!

And Chen Feiyu looked embarrassed. He always thought he was higher than Lin Kai. He always thought that in his own eyes, Lin Kai was an ant.

But now he realized that he was an ant!

Now, the person who is going to kneel is actually himself!

He is not reconciled! He didn't want to kneel for Lin Kai!

"Feiyu, kneel down!" Chen Baichuan said angrily.

He pulled Chen Feiyu and ordered him to kneel, but Chen Feiyu remained unmoved.

Lin Kai smiled when he saw it: "Hehe, don't make it difficult for a strong man, don't kneel or kneel, anyway, soon, he will become a dead person."

Just after Lin Kai said this, Chen Feiyu knelt down with a splash.

Chapter 893: Self Defeating

Chapter 893

At this time, Chen Feiyu looked unwilling, but there was no way he was not Lin Kai's opponent, so he had no choice but to kneel down.

After seeing this, Lin Kai smiled slightly.

He has never put Chen Feiyu in his eyes. In his eyes, Chen Feiyu's various conspiracies are nothing but a joke.

Lin Kai didn't want to kill Chen Feiyu. Killing was too simple for Lin Kai. Lin Kai wanted him to die!

At that time, Lin Kai jumped, jumped directly from the top of the building, and then landed steadily.

Lin Kai strode towards Chen Feiyu, and Chen Feiyu knelt on the ground, shivering, afraid to look directly at Lin Kai.

Lin Kai tapped Chen Feiyu with one of his hands, and a spiritual force was directly injected into Chen Feiyu's body!

At that time, Chen Feiyu trembled all over, and then he looked at Lin Kai with a look of horror, and stammer: "You...what did you do to me?"

Lin Kai smiled slightly and said, "Hehe, I didn't do anything. It just made you not be a man for the rest of your life."

After listening to Lin Kai's words, Chen Feiyu showed a frightened expression!

It turned out that that spiritual power had completely destroyed Chen Feiyu's third leg!
From now on, Chen Feiyu is no longer a man!

"you!"

Chen Feiyu was furious!

As a playboy, making him an **** is even worse than killing him!

Lin Kai smiled slightly: "Hehe, this is my punishment for you!"

"Chen Feiyu, is it uncomfortable?"

After that, Lin Kai smiled triumphantly.

Chen Baichuan on the side was even more mad and afraid to speak. Chen Feiyu still has no daughter-in-law, which means that their Chen family's incense is broken!

After the Chen family, there are no descendants!

But there is no way, after all, Lin Kai is the one who can control their lives!

Lin Kai looked at Chen Baichuan and said coldly: "I have been in your Chen family for so long, you should know what I am going to do?"

When Chen Baichuan heard the words, his whole body shuddered, and he nodded: "I know, our Chen family has been spotted by the Shadow Sect."

Only two of the families that were targeted by the Shadow Gate ended up, the first one was bloodbath! The second one is being ransacked!

"Are you coming by yourself, or are we coming for you?" Lin Kai asked with a smile.

Chen Baichuan immediately replied: "I will hand in all the ill-gotten wealth that the company got when I go back!"

Lin Kai smiled and nodded, and said, "That's right! That's plausible! But, you must remember, don't lie to the people at the Shadow Gate, let alone lie to me Lin Kai!"

Chen Baichuan immediately nodded and agreed: "Yes, yes, I dare not lie to you."

"From now on, the chairman, don't do it, let Chen Leier do it."

Lin Kai said lightly again.

After hearing these words, Chen Baichuan was dumbfounded: "Huh?"

“Ah what? The company is in your hands, can you still survive?” Lin Kai asked with a smile.

Chen Baichuan is a wise man. After hearing Lin Kai’s words, he suddenly realized.

Indeed, the company is in his hands, and it is indeed impossible to survive. After all, the company has been targeted by the people of Shadow Gate.

But for Chen Leier, it was different. Behind Chen Leier was Lin Kai, and Lin Kai represented the Shadow Gate!

In other words, there is a shadow door behind the company, and the company will grow stronger in the hands of Chen Leier!

“It’s all up to you.” Chen Baichuan said immediately.

Lin Kai nodded in satisfaction and said, “The one with you, get out!”

“Yes!”

Chen Baichuan carried Chen Feiyu, who was still in a daze, and the group of people ran away in a hurry!

The martial arts master behind Chen Baichuan didn’t even dare to let go from beginning to end.

What can Wu Sheng do? Even the Grand Master is just an ant in front of Lin Kai!

Lin Kai looked at the hundreds of people surrounding the villa again!

“I warned you just now and told you to kneel down and beg for mercy, but you didn’t listen. Do you take my Lin Kai’s words as deaf ears?”

Lin Kai became angry. At that time, the cold light was shining, and hundreds of Shadow Sect disciples behind Lin Kai had already pulled out their knives. As long as Lin Kai gave an order, the scene would immediately become a massacre!

And those hundreds of ancient warriors shivered and dared not say a word.

They all knelt on the ground, bowing to Linkai.

“If you want to go now, you can, all have to pay the price!”

“Break one finger and you can roll!”

Lin Kai stood with his hands behind, said.

To be a human is to have prestige!

Just let them go. They wouldn't open their eyes to Lin, but if they killed them, Lin Kai was afraid that he would be wanted by Jiulong Mountain, so he could only punish them a little.

And hundreds of people look at me and I look at you, but no one did it. After all, ten fingers are connected to the heart! Just move one, it can hurt your heart!

"No one moved? Would you like my people to help you?" Lin Kai squinted coldly.

After hearing what Lin Kai said, everyone trembled.

I don't know who started the head, someone started to break his finger in front of Lin Kai.

Lin Kai wouldn't pay attention to those who had broken fingers, and they left safely.

After seeing the severed finger, they could leave safely. The rest of them followed suit and left with severed fingers. Most of the broken fingers were the little fingers, because the little fingers were the least useful.

Before long, everyone was gone.

There is only one person left.

That is Yu Shen.

Yu Shen looked at Lin Kai with a tangled expression. After all, he was a grandmaster, a master at the level of grandmaster, and he wanted face. He had to wait for everyone to leave before he severed his fingers.

When Yu Shen was about to sever his finger, Lin Kai suddenly stretched out his hand to stop him.

"Wait a minute."

God Yu looked at Lin Kai and said, "Master Lin Ruo, what's wrong?"

"I know I upset you. If you are upset, can I break my arm? You must not make me an eunuch!"

Hearing this, Lin Kai was also dumbfounded.

Feelings The scene where Lin Kai punished Chen Feiyu just now scared Yu Shen.

“Don’t be afraid, I just want to ask, why are you called Yu Shen?”

Lin Kai asked with a smile.

Hearing this, Yu Shen scratched his head, with an awkward expression on his face.

“Actually... Actually the exercises I practiced are very tasteless.”

“It is the strongest among Wu Sheng, the weakest among the masters.”

“So I never appear with other masters at the same time. If I appear at the same time, I will find that I am actually very weak.”

“But I have an advantage, I can fly!”

After Yu Shen said, he spread his wings and flew into the sky with one stroke!

The feather-made clothes on the feather **** are actually not clothes, but a magic weapon, a gold-level magic weapon!

With his magic weapon coupled with the cultivation technique of God of Feather, God of Feather can become a big bird, soaring in the sky.

But it is a pity that Yu Shen’s combat effectiveness is scumbag.

After seeing the feather **** soaring in the sky, Lin Kai smiled and nodded. There are no wonders in the world! This kid can actually fly!

Wait a minute! This kid doesn’t seem to be coming back!

Chapter 894: Late Foundation

Chapter 894

Lin Kai waited on the spot for ten minutes, but did not see Yu Shen come back.

It seems that this kid has escaped.

Lin Kai was also dumbfounded. It seems that this time he has to pay for his IQ.

At this moment, Lin Kai glanced at the hundreds of Shadow Sect disciples upstairs.

Lin Kai said lightly: “Go back and tell the hall master that I have completed the task, let’s go.”

“Yes!”

Hundreds of Shadow Sect disciples all fisted together, and then disappeared on the roof together.

The Shadow Sect disciple is indeed a Shadow Sect disciple! Coming like a shadow and going like a shadow are really good materials for an assassin.

These people came quickly and walked quickly. After a while, there was no one around Chen Leier's villa.

Lin Kai put his hands in his pockets and walked back into the room like a okay person.

And Chen Leier also walked down from the roof at this time, and saw Chen Leier's desperate appearance, and the whole person was in despair.

After seeing Lin Kai, Chen Leier was very emotional, and she cried when she saw Chen Leier wow.

She ran over, hugged Lin Kai, and cried directly.

At that time, Lin Kai only felt that Chen Leier's soft body was thrown into his arms, and then Lin Kai felt that her clothes had been wet by Chen Leier's tears.

Chen Leier looks like a tall lady, but in fact, she is just a little girl. When something happens, she will immediately look for a sense of security.

Lin Kai touched her head and said, "It's okay, I'm here."

Xiaoduo was watching not far away. At this time, Xiaoduo silently returned to her room, because Xiaoduo knew that there might be some unsuitable scenes for children next. This Lin Kai and her mistress have an unusual relationship .

It took Chen Leier a long time to stop her tears. Her eyes were red, her small face was fleshy, and there were still tears in the corners of her eyes. She looked pitiful and a little cute.

Lin Kai looked at Chen Leier like this, but he couldn't laugh or cry.

"Lin Kai, I was scared to death just now!"

"I thought... I thought we were all going to die!"

Chen Leier said with a trembling voice.

The picture just now really scared Chen Leier, she was just a girl after all.

Lin Kai smiled slightly and said, "Hehe, I said, it's okay, but you don't believe it."

At this moment, Chen Leier looked at Lin Kai. Chen Leier pursed her lips. She walked into Lin Kai, took Lin Kai's hand, and said, "Lin Kai, thank you."

Lin Kai smiled playfully and said, "Thank me for what?"

"Thank you for not touching my family."

Chen Leier said.

Lin Kai smiled slightly and asked, "Don't you want Chen Feiyu to die? After all, he wants you to die!"

Chen Leier was silent for a while, then Chen Leier shook her head, and she sighed.

"Ugh"

"Who makes me feel like being an older sister? After all, he is my own brother! I can't see him die before my eyes."

Lin Kai nodded, Chen Leier was good at everything, but her heart was too kind. Even though Chen Feiyu wanted to kill her, she still treated Chen Feiyu as her younger brother.

"Don't worry, Chen Feiyu dare not trouble you anymore."

If Chen Feiyu is a smart person, he will no longer trouble Chen Leier, because soon, Chen Leier will become the chairman of the company, and Chen Feiyu will become a **** in the company.

He needs to live on Chen Leier in the future!

"I'll go back to my room to rest first," Lin Kai said.

Chen Leier nodded, and then Lin Kai returned to her room.

After returning to his room, Lin Kai lay directly on the soft big bed. The Chen family affairs finally came to an end, and Lin Kai could finally take a rest!

At this moment, Lin Kai's Dantian issued a strong desire again!

Dantian is eager to practice!

Lin Kai was very helpless, so he had to sit up and begin to meditate.

Ever since the meteorite from outside the sky fell into Lin Kai's hands, Lin Kai's dantian has always longed for cultivation.

Longing for Lin Kai to absorb the power in the meteorite outside the sky.

Lin Kai took the outer meteorite out, absorbed the power in the meteorite, and began to meditate.

This meteorite outside the sky is very magical. It seems to have inexhaustible power inside it. No matter how Lin Kai absorbs the energy in it, its light is always so strong.

Lin Kai was very suspicious that the energy in this meteorite was endless.

After meditating all night, Lin Kai's dantian gradually became fuller.

In the wee hours of the morning, Lin Kai frowned, because he found that at this time, he seemed to be about to break through!

So fast! Only a few days later, I have to break through again!

It seems that this alien meteorite is really **** easy to use! The power in it is not only inexhaustible, but also very pure. Lin Kai can turn the power in the meteorite into his own without much refining.

At that time, Lin Kai was ready to break through.

This breakthrough took one day.

At night, Lin Kai roared, a light radiated from Lin Kai's body, and Lin Kai officially broke through!

At this time, Lin Kai became a cultivator in the late foundation period!

He has become a later cultivator! Lin Kai at this time is terrifying!

Let him face Cheng Zilei again, I'm afraid he won't have to die.

Lin Kai exhaled a long breath, he walked into the bathroom and took a shower.

Then Lin Kai walked out of his room. After leaving the room, Lin Kai found that Chen Leier and Xiaoduo were having dinner, Lin Kai also walked over and had dinner with them.

Chen Leier saw Lin Kai appear, she was very curious, she asked: "Lin Kai, you are bored in your room all day and night, what are you doing?"

The last time she suddenly broke into Lin Kai's room, a series of embarrassing things happened, and now Chen Leier has not entered Lin Kai's room without authorization.

Lin Kai smiled slightly and said, "Do some things that adults should do."

"puff"

Just after Lin Kai said this, I saw that the sip of water that Xiaoduo had just drunk spurted out!

Lin Kai's answer is simply too nonsense!

Is it possible that Lin Kai is facing the phone?

Chen Leier also looked at Lin Kai weirdly, and Chen Leier said: "Lin Kai, I didn't expect you to have this habit."

"What do you want?"

Lin Kai couldn't laugh or cry. He said, "I'm cultivating! Is it possible that I am watching TV shows in the room?"

"Oh."

Chen Leier agreed upon hearing the words.

At this time, Chen Leier took out a bank card and placed it in front of Lin Kai. Chen Leier said, "Lin Kai, this is the bank card my dad asked me to give you. There are more than 30 billion in it. "

"This money is almost the money my father has saved over the years."

Chapter 895: Hall Master

Chapter 895

More than 30 billion?

Lin Kai picked up the bank card. It was estimated that more than 30 billion yuan would be about the same. Lin Kai put the bank card away.

At this moment, a shadow flashed past the window, Chen Leier and Xiaoduo didn't pay attention, but Lin Kai really saw it.

At that time, Lin Kaifa took down the tableware and walked out quickly.

After walking out of the villa, Lin Kai saw a dark shadow not far away.

It is from the Shadow Gate.

The man was dressed in black, with his face covered, standing in the dark, if he weren't someone with a bit of strength, he couldn't be spotted at all.

Lin Kai walked over quickly.

After seeing Lin Kai, the man immediately clasped his fists and bowed at Lin Kai: "I have seen the hall master!"

Hallmaster?

Lin Kai scratched his head, he remembered, he seemed to be just a rudder master, right?

"Hallmaster? Are you wrong? I'm the rudder master."

Lin Kai said in a daze.

At this moment, the disciple of the Shadow Gate handed a token with both hands.

Lin Kai took the token and glanced at it. The front is his name, and the back is Lin Kai's position, Hall Master!

Lin Kai has upgraded! Lin Kai has become the hall master!

After Lin Kai saw this token, he was a little surprised, because he didn't expect that his promotion speed was so fast that he had already become the hall master in less than a month.

If you give yourself a period of time, it might not be a dream to reach the elders!

"Hall Master, this is your token, your rudder master token, I need to take it back."

The disciple said respectfully.

Lin Kai nodded. At that time, Lin Kai directly gave the rudder master token to the disciple.

At this time, Lin Kai took out the bank card again, handed it to him, and said, "This is the stolen money of the Chen family, with a total of more than 30 billion. Give it to Wu Shanyi for me."

The disciple gave Lin Kai a surprised look.

More than 30 billion, this is a huge sum of money!

And Lin Kai's heart was so big that he actually handed over 30 billion to an ordinary disciple of him!

"Yes!"

The disciple agreed and agreed directly.

"By the way, do I have any other tasks recently?" Lin Kai asked.

The disciple shook his head, and said: "There is no instruction above. If there is an instruction, I will notify you as soon as possible."

Lin Kai nodded and said, "Okay, you go back first."

The disciple nodded, and then he disappeared into the dark night.

At this time, Lin Kai was undoubtedly very excited, and there was no task! In other words, I am on holiday!

Afterwards, do what you want!

With excitement, Lin Kai returned to the villa. After returning to the villa, Chen Leier had already returned to her room.

Lin Kai also returned to his room.

I haven't seen Cheng Zizhong for two days, and Lin Kai plans to go to Chen's house to take another look.

Although Jiangbei City was good, Lin Kai felt the happiest days when he was in the Cheng family.

In addition to eating, every day is sunbathing and sleeping. At that time, the light is a leisurely life.

Compared to the people in Jiangbei City, Lin Kai looked forward to seeing Cheng Zizhong even more.

Although Cheng Zizhong's intelligence is somewhat problematic, Cheng Zizhong treats people very well, he is naive, and Lin Kai also likes his naivety.

Soon after, Lin Kai fell asleep.

The next day, Lin Kai washed and greeted Chen Leier before leaving the Cheng family.

After taking a taxi, Lin Kai went directly to the Cheng family.

Soon after, Lin Kai appeared at the gate of Cheng's family.

After getting out of the car, Lin Kai stretched out and looked at the Cheng family.

I don't know why, Lin Kai always feels that today's Cheng family is a little weird, but he can't say what's weird.

Strangely, the door of the Cheng family was actually closed.

You know, Lin opened the Cheng family so many times, the door of the Cheng family has always been open, and the door was closed tightly. It was Lin's first encounter.

Lin Kai walked over and patted the door.

"anyone there?"

After a long time, no one agreed to Lin Kai.

Lin Kai felt very strange in his heart.

At that time, Lin Kai directly climbed over the wall and entered the Cheng family.

As soon as he entered the Cheng family, Lin Kai immediately noticed something was wrong, because the entire Cheng family was lifeless!

There seems to be no living person!

The Cheng family at this time was like a dead city, and Lin Kai could not see any creatures in the huge Cheng family!

Lin Kai frowned, is it possible that what happened to the Cheng family?

But the whole Cheng family showed no signs of fighting at all! All doors, windows and buildings are very complete.

Lin Kai came to Cheng Zizhong's room.

Cheng Zizhong's room is neatly furnished, and the TV is still on, but strangely, there is no one in Cheng Zizhong's room!

Lin Kai walked out of Cheng Zizhong's room, and he came to the villa where Cheng Wanqian lived.

But what is more peculiar is that the lights in Cheng Wanqian's villa are all on, but there is no one!

The whole Cheng family, let alone a person, even a dog, there is none!

the light is on?

What does this show? It shows that Cheng's family may have disappeared at night!

Thinking carefully, who is terrified, who can make thousands of people in the Cheng family disappear without a trace? And did not leave a trace?

At this time, Lin Kai had already opened his golden pupil, he had to look carefully!

At that time, Lin Kaizi looked over carefully and searched every corner of the Cheng family, but unfortunately, there was no one in the Cheng family! Not even a dog!

It was really weird. Lin Kai looked at the mountain again. Could everyone in the Cheng family go up the mountain?

But Lin Kai looked with his golden eyes, and the mountain was empty.

Lin Kai felt more and more doubtful in his heart.

Lin Kai walked into the yard, he went around calling Quanjia, frowning, what happened here?

Lin Kai has been wandering around at Cheng's house, and after this wandering, he wandered around all morning.

But the Cheng family was still empty, no one came in from outside.

Lin Kai tried to make Cheng Zizhong's call, tried to make thousands of calls, but no one answered.

It works, but no one answers!

After a long time, Lin Kai was helpless, and seemed to have to go back first.

Lin Kai walked out of Cheng's house and walked slowly towards Jiangbei City. Lin Kai did not return to Jiangbei City with his abnormal speed, instead he walked slowly on the road.

At this moment, I saw a person walking on the road.

It was an old farmer in his sixties. The old farmer was carrying a **** and wearing a fisherman hat on top of his head. He looked shabby and had a smile on his face.

There are almost no other residents around Cheng's family. Where does this old farmer come from?

Lin Xinxin was puzzled. He looked carefully with the golden pupil, but found that this old farmer had no doubts at all, he was just an ordinary person!

Chapter 896: Genius? Fool?

Chapter 896: Genius? fool?

Lin Kai stopped the old farmer and asked, "Uncle, where are you from?"

The old farmer stopped and looked up and down Lin Kai: "Ah? Do you want to ask for directions?"

This old farmer still has a little ear.

At that time, Lin Kai got close to the old farmer and asked loudly, "Uncle, where are you from?"

The old farmer seemed to have heard clearly this time. He said, "Where do you come from? I am a hunter on the mountain!"

After listening to the old farmers, Lin Kai scratched his head. It's all this age, and there are hunters on the mountain?

"Uncle, how many people are in your family?" Lin Kai asked again.

The old farmer didn't seem to hear clearly: "Ah? You ask me if I enter the city? I won't enter the city!"

"I mean, how many people are in your family?" Lin Kai asked helplessly, he asked again.

"Oh, I'm the only one in my family!" The old man heard clearly this time, he said.

Just one person?

How does one person live in the mountains?

Lin Kai knows the mountain behind Cheng's house quite well. There are often beasts in the mountain! There are tigers and wild wolves. This old farmer lives in the mountains alone, so he is too courageous!

"Uncle, do you know where the Cheng family has gone?" Lin Kai asked loudly.

It took a long time for the old farmer to realize that Lin Kai asked something, "Oh! You mean the Cheng family? I don't know! I went to the Chengs house just now! But no one!"

"I usually sell the things I call to the Cheng family, and go every day! But the Cheng family has been empty since yesterday!"

The old man replied very loudly.

After listening to the old farmer's words, Lin Kai stroked his chin.

This old farmer goes to Cheng's house every day.

And everyone in the Cheng family suddenly disappeared the night before.

Disappeared for two days?

Lin Kai suddenly thought of Cheng Zilei's master. Since Cheng Zilei is so powerful, his master is certainly not an ordinary generation.

Could it be that he discovered that his apprentice was killed, so he came to take revenge?

This is impossible! It was himself who killed Cheng Zilei. He had no reason to avenge his apprentice's family! Besides, with that person's cultivation base, bloodbathing the entire Cheng family is easy, so why should everyone in the Cheng family disappear?

"It's a pity, I, a genius apprentice, just disappeared after he got a little bit of teaching."

Lin Kai touched his chin and sighed.

"Genius? Do you mean I am a genius?" the old farmer asked with a smile.

Lin Kai waved his hand and said, "No, no, I mean my apprentice, a stupid genius."

"Stupid genius? You really can be kidding. Where is the idiot of genius?"

The old farmer smiled and waved, his face wrinkled.

Lin Kai looked at the old farmer at this time, and Lin Kai seemed to understand something.

"What did you say? Tell me carefully before you tell it to me!"

The old farmer was taken aback by Lin Kai's actions.

"I said, geniuses are there fools? Geniuses are the smartest!"

After listening to Lin Kai's words, Lin Kai seemed to slow down, as if it was the truth!
Where is the genius fool?

"You said, in this world, there are people who have a child-like mind, but are particularly gifted?" Lin Kai asked again.

After listening to Lin Kai's words, the old farmer smiled: "Hehehe, you are really joking, and your mind is like a child? That's a child! If you let a child do adult things, it is impossible for him to do well."

"The reason why a genius is called a genius is that he is smarter, and IQ can determine his talent!"

"Some people can get through at one point. This is talent."

"Because he is smart!"

"Some people don't understand if you say it ten thousand times, because he is a fool, he is not smart."

"Genius is linked to IQ."

After the old farmer said, he smiled and shook his head, carrying a hoe, wandering away.

After listening to the old peasant's words, Lin Kai was stupid at the same time.

So, I was deceived by Cheng Zizhong?

He is not as simple as it seems?

Yes indeed! If his mind is really like a child, he will not be able to cultivate so fast!

The domineering mentality is very difficult for an adult to comprehend, but his mind is like a child, but he only read it once and learned it!

What does this show?

It shows that he is not stupid at all!

At that time, Lin Kai remembered what Cheng's family had said to him.

Cheng Zizhong was very smart when he was young, and he was a talent.

Later, I didn't know why, and suddenly became stupid!

Lin Kai suddenly woke up, it turned out that Cheng Zizhong had been lying to himself! He is not a fool at all! He is actually a genius!

A genius in cultivation! A genius in acting! A genius who plays conspiracy!

Cheng Zilong and Cheng Zilei are less than one-tenth of Cheng Zizhong's!

I am afraid that this time the Cheng family disappeared collectively, which is inseparable from Cheng Zizhong!

Lin Kai patted his thigh, hating that he was not thinking about it. Even an old farmer understood such a simple truth. How could he not understand it?

Lin Kai turned around, wanting to thank him.

But when he turned around, Lin Kai was dumbfounded at the time. Where is the old farmer on the empty road? There is not even one person!

Where's the old farmer?

You know, this road is built on the wilderness, with wild woods on both sides, this road is endless! The walking speed of the old farmer is very slow, but in a blink of an eye, the old farmer has disappeared!

Lin Kai used his golden pupil and looked carefully, but there was no shadow of an old farmer in a radius of ten miles!

At this time, Lin Kai had goose bumps all over, and this old farmer was no ordinary person!

At this time, Lin Kai suddenly felt that this place was terrifying, no, he couldn't stay in this place anymore!

I must leave this place immediately!

At that time, Lin Kai strode towards Jiangbei City.

As he walked, Lin Kai suddenly saw a bird in the sky!

That bird is huge!

It looks many times larger than the average bird! Take a closer look, Lin Kai was happy then, isn't this Yu Shen?

Yu Shen was smoking a cigarette in the sky, flying freely! His observation ability was not as good as Lin Kai's, so he didn't find Lin Kai at all.

Smoking in the air, that cigarette burns very fast, and Yu Shen just took a sip, it burned to the butt.

Lin Kai picked up a stone from the ground, and when Yu Shen got close, Lin Kai used all his strength and directly smashed the stone at Yu Shen!

Whoosh!

Snapped!

God Yu hadn't realized what was going on, and the stone hit God Yu's head directly.

"Fuck me!"

Yu Shen yelled and slammed directly into the field!

thump!

God of Feather plunged directly into the field. At that time, God of Feather pulled out his head, and his head was covered with dirt, which was very messy.

Chapter 897

But Lin Kai walked over quickly, Yu Shen was shocked when he saw Lin Kai.

This man, he will never forget it!

At that time, Yu Shen took two steps back with a shocked expression on his face.

"Mr. Lin? You... why are you here?"

Yushen said as he walked back.

He is afraid of Lin Kai!

Lin Kai's strength is very strong, he is not Lin Kai's opponent at all, and he is afraid that Lin Kai will beat him.

Lin Kai hugged his arms and smiled playfully: "You ran very fast the day before yesterday! I didn't realize what was going on, so you just ran away, right? Do you want to cut off your children too?"

After listening to Lin Kai's words, Yu Shen subconsciously covered his crotch. His two arms were not arms, but two wings, which looked extremely funny.

Seeing Yu Shen gradually backing away, he already wanted to escape, because Lin Kai was so terrible!

And Lin Kai sneered at this moment, and said, "Hehe, if you dare to escape, I will pluck all the hair off your body!"

After listening to Lin Kai's words, God Yu stopped moving obediently, and he didn't dare to run away.

This golden magic weapon is the capital he took off!

If this magic weapon is damaged, even if he is practicing flying techniques, he won't be able to fly!

Lin Kai was very curious about this feather god.

Flying is a very difficult task for cultivators. Whether it is a grandmaster or a grandmaster, they only have the ability to float in the air for a short time, but not the ability to fly.

But this Yu Shen is different from others, he can fly! And it can fly high! Flying is very relaxing!

"You can fly?" Lin Kai asked.

Yu Shen showed a smile that was even worse than crying, and said, "Mr. Lin, you made fun of me. If I can't fly, why call Yu Shen?"

Lin Kai nodded and asked, "How long can you fly at a time?"

Yu Shen replied: "Look at the true energy in the dantian. You can fly for more than 20 hours at a time."

After hearing God Yu's words, Lin Kai nodded in satisfaction, he looked at God Yu's eyes with greedy eyes.

But Yu Shen took two steps back, then covered his crotch, looking at Lin Kai with a weird expression.

Lin Kai looked at God Yu, making God Yu himself a little scared. Does this person have any special hobbies?

The saddest thing is that even if he has any special hobbies, Yu Shen has nothing to do with Lin Kai, because Yu Shen cannot beat Lin Kai!

Lin Kai asked again at this time: "Then can you carry weight when you fly?"

Speaking of this, Yu Shen's face showed a proud expression: "Of course it is!"

"There is absolutely no problem with carrying 500 or 600 kilograms at a time!"

Upon hearing this, Lin Kai's face showed a satisfied expression.

This is a **** human mount!

If there is a feather god, from now on, Lin Kai can fly!

"Yes, yes, really good." Lin Kai squeezed his chin and smirked.

Yu Shen covered his crotch, took two steps back, and showed a smile that was even more ugly than crying: "Mr. Lin, what are you doing? I'm not a prostitute!"

Hearing this, Lin Kai directly slapped Yu Shen's head.

"I bah! Even if you sell yourself? I don't want you even if you sell yourself!"

Lin Kaidao.

"Where are you going?" Lin Kai rolled his eyes and asked.

Yu Shen clutched his head, and replied very aggrieved: "I have made an appointment with my good brothers, and I am going to the remains of a fairy cave."

The remains of the fairy cave?

Hearing this, Lin Kai's eyes lit up. If it is the remains of the Immortal Cave Mansion, it means that there are many good things there!

Seeing Lin Kai's expression, Yu Shen quickly added: "But don't think too much."

"The cave mansion has a seal. Our brothers have solved the seal for several years and have not succeeded. Even if it is you, it is estimated that there is no way."

Yu Shen said.

No wonder he dared to tell Lin Kai that it turned out that the remains of the Immortal Cave Mansion had a seal!

The remains of the Immortal Cave Mansion aroused Lin Kai's extremely high interest.

"Go! Take me there!" Lin Kai said excitedly.

"Huh?" Yu Shen was dumbfounded, and led Lin away?

"Why? Not happy? Believe it or not, I will pull all your hair out?" Lin Kai squeezed his fist and made a crackling sound.

"No, no, I am willing, but how do you go?" Yu Shen asked helplessly.

Lin Kai looked at Yu Shen, he smiled, and said, "Of course I am riding you!"

After hearing Lin Kai's words, Yu Shen was dumbfounded, riding on him? That's worse than killing him!

He Yushen is a master at any rate!

Can you keep a little dignity when dealing with master-level masters?

"No way! This big brother, I'm a grandmaster anyway..."

Before God Yu had finished speaking, Lin Kai directly pressed God Yu to the ground, then rode God Yu on the back, and said: "Stop the **** bullshit! Go!"

Yu Shen's tears were almost coming down at this time.

"Ugh"

"Another day without dignity."

"This master, **** white..."

Then, under Yu Shen's gloom, he took off!

At that time, Lin Kai looked at the scenery on the ground farther away from him, and the sound of the surrounding wind became louder and louder. Lin Kai felt extremely satisfied!

It turns out that this **** feels like flying!

As a child, flying was always Lin Kai's dream, but now, this dream has finally come true!

Maybe he can realize his dream of flying every day, Lin Kai is already eyeing this feather god!

At this time, Lin Kai took out his mobile phone and took pictures of the surrounding scenery.

Soon after, Lin Kai flew into the clouds. Seeing that the clouds that could only be seen and could not be touched were around him, Lin Kai couldn't mention how excited he was!

But the feather **** under Lin Kaiyu's crotch was aggrieved.

After flying for about two hours, Lin Kai and Yushen were already far away from Jiangbei City, and they came to a big mountain!

The mountain is a very sharp mountain! Straight into the clouds!

It is very difficult to climb this mountain!

Because this mountain has no roads, you can only rely on climbing! The difficulty of climbing this mountain is very high.

If you are not careful, you will fall into an endless abyss and be broken into pieces!

The top of the mountain is surrounded by clouds.

And on the wall of the mountain, there is a cave!

At this time, several people had gathered at the gate of the cave.

These few people are not ordinary people, and the top of this big mountain is not something ordinary people can come up.

At this moment, God Yu carried Lin Kai and flew directly towards the cave!

Lin Kai looked at the cave, also very excited.

Here, there is actually a cave?

People who punch holes are really awesome!

The topography of this mountain is very steep, and it will be broken if you are not careful. I am afraid that only gods will live here, right?

Chapter 898: Four Great Gods

Chapter 898: Four Great God Kings

"Mr. Lin, it's coming soon."

The Yu Shen who carried Lin Kai said.

“Mr. Lin, my brothers are not very good-tempered, you have to tolerate a little bit by then!” Yu Shen said.

Bad temper?

Lin Kai laughed at that time, ha ha, my temper is not good yet!

Wow!

Yu Shen spread his wings and dived directly toward the cave!

brush!

God Yu took the wings and landed steadily, and Lin Kai also jumped off God Yu’s back.

As soon as Yu Shen arrived at the scene, three people greeted him immediately.

These three people had extraordinary aura, Lin Kai felt that they were all grandmaster-level auras! With Feather God, there are four masters!

Lin Kai was looking at them, and they were also looking at Lin Kai. After seeing Lin Kai’s young appearance, the three of them didn’t open up Lin’s eyes.

“Big Bird, who is this?” asked one person with his arms folded.

When Yu Shen heard this, he was angry at the time: “How many times have I said it! Don’t call me Big Bird! I’m famous! You can call Yu Shen!”

“Fine!”

The strong man waved his hand and asked, “God Yu, who is this?”

Yushen looked at Lin Kai and introduced to the three of them: “This is a friend of mine whose name is Lin Kai.”

God Yu loves face, so naturally he would not say that he was threatened by Lin Kai, but that Lin Kai was his friend.

Lin Kai smiled and nodded at these three people, but these three people were all master-level masters, and they didn’t open Lin’s eyes to them.

“Big Bird, I didn’t expect that you still have this kind of little white-faced friend? You can be his grandfather regardless of age!” The brawny man teased again.

“Look for a fight!”

Yu Shen was furious, and he stretched his wings and wanted to beat the brawny man.

But that burly man, he pressed Feather God’s head, and he couldn’t touch him no matter how he flicked Feather God’s wings.

“Okay, stop making trouble!”

Another person on the side pulled the two away.

Lin Kai looked at them with a smile: “God Yu, don’t you introduce them to me?”

Hearing this, Yu Shen quickly pleased him with a smile. He pointed to the extremely burly man, and said to Lin Kai: “His name is Wang Dali, who is known as the **** of strength.”

“A lumpy body makes me stronger.”

That strong man is the **** of strength.

He is extremely burly, two meters tall, wearing a chain mail, with a fierce look.

Lin Kai nodded at him, while Lishen looked arrogant and didn’t even look at Lin Kai.

Then Yushen introduced.

“This one, whose name is Li Yufeng, is called the God of Law.”

The man Yushen was referring to was an old man in his fifties, wearing a gray robe, thin, holding a jade ruyi.

Act of God? That is mastery of spells?

Fashen did not look at Lin Kai with his straight eyes.

“This one, whose name is Mouse Ruyi, is given the title by the people of the rivers and lakes, the hidden god.”

The last one, only 1.6 meters tall, thin and thin, looks like a high-profile version of Wu Dalang. He closed his eyes and didn’t pay attention to Lin Kai at all.

Good guy, these four masters have their own characteristics!

“Among you, who is the boss?” Lin Kai asked.

Yu Shen scratched his head and smiled awkwardly: "Haha, there is no boss. We are four of us. We don't accept anyone. Everyone wants to be the boss, and no one wants to be the youngest."

"We have made an agreement, whoever can unlock the seal in the cave will be the boss!"

At this moment, Lishen glanced at Lin Kai and snorted coldly, "Huh! Boy, Big Bird will bring you here, then my brothers, I will show you insights!"

"But let's talk about it first, when you get inside, don't touch things randomly!"

Lin Kai heard this, and nodded like a junior.

"Senior don't worry, juniors don't move anything."

Lishen held his arms and nodded: "This is a bit like a junior!"

"go!"

With a word from Lishen, a group of five people walked directly into the cave.

The cave was constructed artificially. The walls of the mountain are very smooth. On the walls, there are the night pearls that will never die. The whole cave is brightly illuminated.

Soon after, a stone gate appeared in front of everyone.

The stone gate looks very heavy. On the stone gate, there are two stone lion heads biting the door knocker.

This is the first seal.

"Start! This year I will open this seal!"

At this moment, Yu Shen stood up.

Yu Shen pulled his hand out of his wings, rolled up his sleeves, and said, "Get out of here!"

Lishen several people, holding their arms, looked at Yushen with a playful look.

After that, Yu Shen grabbed the knocker with both hands and began to exert effort.

"what!"

Yu Shen's face was red at the time.

He used the strength of feeding, but Shimen was stunned and nothing happened!

Lin Kai looked at it and found it very interesting.

Although Yu Shen's cultivation is the weakest among the masters, he is a master after all!

But even the Grand Master couldn't open this stone gate. It seemed that this stone gate was really not an ordinary stone gate.

After a while, Shimen did not move.

Lishen teased: "Hehe, Big Bird, can you do it? No, let me come!"

When Yu Shen heard this, his face blushed: "Who said I can't?"

The power of Yu Shen's cultivation base began to appear on his hands.

"Ahhhhhhh!"

He blushed and the blue veins were exposed, but Shimen remained motionless.

A few minutes later, Yu Shen finally gave up, blushing, and put his hand in his wings.

"Huh! This stone gate can't be opened at all!"

On the other side, the hidden gods and Dharma gods were both holding back a smile.

Lishen snorted coldly: "Hmph! You look forward to it! See how I opened this stone gate!"

Then Lishen walked up.

Lishen's size is really not to be seen, he is full of muscles!

I saw him grabbing the two knockers and shouting angrily: "Ha!"

Then, he began to pull the two door knockers hard!

And Shimen squeaked at this time! A puff of dust fell from the top of his head.

boom! boom! boom!

From the cave, there was a strange sound of equipment.

“Moved! Moved!” Yu Shen’s eyes lit up.

As long as you can open this door, you can enter it! Get the treasure!

Lishen roared: “Last year I didn’t pull you away! This year, I must pull you away!”

“Ahhhhhhh!”

Lishen also blushed!

His veins are also exposed!

His whole body was trembling slightly, he had already used his strength to suckle!

However, after Shimen opened a gap, there was no movement. No matter how Lishen pulled it, he could do nothing about this stone door.

After seeing this scene, everyone sighed and shook their heads.

It seems that this year, I will return empty-handed again.

A few minutes later, Lishen was also a little exhausted. With a bang, he let go of his hand, opened a cracked stone door, and closed it tightly again.

“call!”

Chapter 899: Got Rich

Chapter 899

Lishen panted and looked at the stone gate in front of him glumly.

He snorted coldly: “Humph! It seems that this stone gate cannot be opened.”

Even Lishen couldn’t open this stone gate, and several others sighed.

Lishen’s strength is the greatest! Even he couldn’t open this stone gate, and others were even more incapable of opening this stone gate.

“It seems that this time, I will return empty-handed again.” Yu Shen said.

After all, the four turned around and wanted to go outside.

Upon seeing this, Lin Kai stretched out his hand and said, “Wait a minute!”

When Lin Kai spoke, the four people immediately looked at Lin Kai.

“I want to try!” Lin Kai said suddenly.

After hearing what Lin Kai said, the eyes of the four people looking at Lin Kai changed.

You want to try?

Lishen looked at Lin Kai with a displeased expression. He didn't even have the ability to open it, but Lin Kai wanted to give it a try. Doesn't this look down on Lishen?

“I'm kidding! I can't even open it, can you?” Lishen said with his arms unhappy.

The Yinshen on the side shook his head and said: “Young man, Lishen is physical cultivation, and he is brute force. Even a great master can't match him. He can't do it. Can you do it?”

Yushen pulled Linkai, shook his head, and said, “Mr. Lin, I know that your cultivation is very strong, but this, you really can't do it!”

None of them believed Lin Kai could do it.

Lin Kai smiled slightly and rolled up his sleeves. He asked, “You brothers have agreed that if anyone can open this seal, whoever will be the boss, right?”

“I'll just say it straight, I want to accept you as little brothers!”

After listening to Lin Kai's words, all four of them opened their eyes wide.

They all looked at Lin Kai as if they were watching ghosts, this man really dare to say!

He actually wants to be the boss of the four of them?

You know, the four of them are master-level masters!

“What?” Lishen was angry at the time. He akimbo his hips and widened his eyes: “Just you? Want to accept us as little brothers?”

“Are you dreaming?”

Fashen held his hands behind his back and played with Yu Ruyi with one hand: “I think you are looking for death!”

Yinshen's eyes were sharp: “If you weren't Big Bird's friend, you would have died ten thousand times!”

The four of them didn't open up Lin's eyes. After all, the four of them were master-level masters.

Even if Lin Kai is talented, at this age, he is at most an ancient warrior at the level of a martial artist.

Yushen pulled Lalinkai, he was about to cry, and he said, "My great ancestor! Don't talk nonsense!"

"A few of them have bad tempers! Even if your cultivation is unparalleled in the world, in such a small cave, you won't be able to win with one dozen three!"

Lin Kai smiled slightly and said, "Hehe, do you dare to gamble with me?"

Hearing that, God of Feather still wanted to say something, but Lishen carried the God of Feather to the side like a little chicken.

"You say! What are you betting on?"

Lishen's eyes widened and looked at Lin Kai condescendingly.

Lin Kai said, "If I open this seal, you guys will recognize me as the boss!"

"If I can't open the seal, I will recognize you as the boss!"

After listening to Lin Kai's words, Lishen sneered: "Haha! What a joke, even the seals that our four great kings have not opened for years, can you open it?"

"Just say you dare to gamble?" Lin Kai asked with a smile.

After listening to Lin Kai's words, the corner of Lishen's mouth showed a sneer: "Oh, yes!"

"If you can open this seal, we will recognize you as the boss!"

"If you can't open it! We don't accept you as a kid, you just jump from here!"

"If you can live, fortune telling you, we don't care."

"Die, you don't blame us!"

Jump from here?

It's several kilometers away from the ground, so jumping down is definitely mortal!

Lin Kai directly agreed upon hearing this.

"can!"

Then, the four of them stepped aside and looked at Lin Kai. They all wanted to see how Lin Kai opened the stone gate in front of them.

In fact, Lin Kai has been observing this stone gate for a long time.

Lin Kai has observed it with golden pupils. The material of this stone gate is extremely unique. Lin Kai doesn't know what it is made of.

But Lin Kai knew that this stone door could not be opened with brute force unless it had the strength of the Golden Core Stage.

Although Lin Kai hadn't reached the Golden Core Stage, he still had a way to open Shimen.

Because, since the cave has a door, it means there must be a way to open it. If there is no way to open it, it is better to seal the cave directly.

This stone gate is a mechanism stone gate, and many mechanical mechanisms are hidden in the stone gate.

Lin Kai studied for a while, and the way to open this door is simple. The two stone lion heads are the key.

Lin Kai came to Shimen and twisted the lion head on the right.

Click! Click!

The lion head actually turned!

After seeing this scene, Lishen and the others, their eyes widened. They have been here several times, but they didn't realize that this lion head can actually turn!

And Lin Kai looked at the mechanism within Shimen, while watching, while turning the lion head.

After turning three times, Lin Kai stopped turning.

Because in the stone gate, the mechanism behind the lion head has been pushed onto the door lock.

Turn it again, or turn it back again, the stone gate will not be able to open.

Then, Lin Kai followed the same pattern and began to turn the lion head on the left.

After turning four times, the mechanism behind the lion head on the left also hit the door lock.

That's it!

At this time, Lin Kai suddenly pulled the door knocker in the mouth of the lion's head, only to hear a click, as if the mechanism was touched, and then, there was a loud bang!

Lin Kai released his hand quickly and backed away a few steps.

I saw this huge stone door began to open automatically!

The door opened very slowly, and after ten seconds, the door was completely opened!

After seeing this scene, the four great kings were stunned.

They spent several years unable to open this gate, but Lin Kai opened it straight away.

He knows there are institutions here!

He also knows how to crack the mechanism!

Could he be a master of organs?

Even God Yu looked at Lin Kai with a weird look. This Shadow Gate person is really good at everything! Even crack the mechanism!

At this time, everyone looked inside Shimen.

At that time, everyone was stunned.

Spar! It's endless, all spars!

Behind the stone gate, there is no world, in the huge empty mountain room, there are piles of spar like hills!

These spars are shining, very eye-catching.

At a glance, there are millions of spars!

"Oh my God! I made a fortune this time!" Yu Shen's saliva almost drained.

Even a grandmaster can't resist the temptation of spar!

At that time, all four of them rushed into the room in the mountain, and Yu Shen directly lay on the pile of spars, enjoying the feeling of spending money like earth!

Chapter 900: Second Door

Chapter 900: The Second Door

“Wow! So many crystals!”

Feather God squandered the spar in his hand, the spar was worth more than money, and a single spar could be exchanged for hundreds of thousands of yuan!

The other three people looked at so many spars in front of them, and they were all shocked.

“My God! You got rich!” Fashen said with a trembling voice.

Lin Kai smiled slightly with his hands in his pockets.

He didn't move these spars, because spars were useless to Lin Kai.

“Hey! I said, I opened the seal, should you recognize me as the boss now?”

Lin Kai asked playfully.

Lishen and others heard the words, looked at each other and looked at Lin Kai.

Let them recognize Lin Kai as the boss? joke! They are all masters at the master level!

The four great gods are also very famous in the arena, so what is the matter of recognizing a little kid as the boss?

The eyes of Lishen, Yinshen and Fashen all showed killing intent!

Lin Kai knew their secrets, and they had lost a bet with Lin Kai. Killing Lin Kai was the best choice!

At this moment, the three of them slowly walked towards Lin Kai.

They are not good stubborn people, they are all murderous characters!

And Lin Kai always had a faint smile on his face, and he was not afraid of the three of them doing it, because the three of them would only suffer.

Just when the three of them were about to do something, Yu Shen ran over panting.

“Also! There is another door!” Yu Shen shouted.

After listening to Yu Shen's words, the three of them looked at each other with surprise in their eyes.

There is still a door?

“Go, go and take a look.” Lishen said.

Immediately, a group of four quickly walked over, and Lin Kai followed.

I saw that there was indeed a door on the innermost mountain wall, and this door also had a seal, which looked more profound than the outer seal.

“Could there be a baby inside?” Lishen narrowed his eyes.

Yinshen looked at Lin Kai at this time and said, “Hey! The seal has not been solved yet! You have to untie all the seals in this cave!”

“If you can’t solve it, you still have to die!”

After listening to his words, the others nodded in agreement.

“Yes! I haven’t solved it yet! What is it?”

Fashen said.

Now Lin Kai is still useful and can’t be killed. Lin Kai is a master of organs. They have to use Lin Kai to unlock this second door.

Lin Kai smiled and nodded after hearing the words, “Yes.”

At this moment, Lin Kai looked at the door in front of him.

This door is similar to the previous door. It is made of stone, and there are two stone lion heads on the door.

Looking through the golden pupil, the arrangement of this gate and the upper gate is completely different.

The last door is completely an organ door, but this door is different. There is no organ in this door.

No agency? How to open it?

“Hey! Boy, don’t you have the ability? If you have the ability, you can also unlock this door!” Lishen held his arm and raised his eyebrows.

They use Lin Kai as an unlocking tool!

But Lin Kai didn’t care.

He began to carefully observe the material of the door and its mystery.

Lin Kai firmly believes that the person who left the door must have wanted future generations to enter and get his inheritance, otherwise it would be meaningless to stay at the door.

Lin Kai tried to push the door in front of him with brute force, but the door didn't move at all.

You know, Lin Kai's power is very abnormal, but this door still doesn't move.

Power doesn't work?

That can only rely on other means.

After careful observation, Lin Kai's eyes suddenly lit up because he discovered that there was a small hole under the knocker.

In the stone gate, like a maze, countless small passages extend in all directions, and at the top of the stone gate, there is a small passage that leads directly into the mountain.

Lin Kai understood it at the time.

To open this door, you need to pour spiritual power into the small hole under the knocker.

Then rely on feeling, let the spiritual power in the many passages, inject into the small hole on the top of the door, then the door can be opened.

If there is no perspective, and just relying on spiritual power to test each channel, Lin Kai estimates that it will take ten or eight years to open this door.

Seeing Lin Kai staying silent for a long time, Fashen became a little impatient.

"How's it going? See what's famous?"

The three of them looked at Lin Kai.

Lin Kai nodded and said, "You can see it, do you see this small hole?"

Upon hearing this, the other four people all looked at the small hole that Lin Kai pointed out.

"What happened to this small hole?" Yin Shen asked curiously.

Lin Kaidao: "Pour spiritual power from here. There is a small hole on the top of the door. Let the spiritual power enter the small hole on the top of the door to open this door."

After listening to Lin Kai's words, the four of them suddenly realized.

It's that simple!

Fashen stood up at this time, playing with Yu Ruyi in his hand, and said proudly: "When it comes to playing spells, my Fashen dare to be the second, no one dares to be the first!"

After listening to Fashen's words, Yinshen also smiled and said: "That is, who doesn't know that your Fashen spells are number one in the world? Hahahaha!"

Even Lishen, who has always been arrogant, didn't talk back.

Because the magic of the magic **** is really strong.

At this moment, I saw Fashen approaching the gate and pushed Lin Kai away.

"Boy, stay aside! Let you see, what is the real God!"

After that, when the Fashen stretched out his hand, a real qi appeared in his hand.

Fashen's control of true qi can be said to have reached a state of perfection.

Then the Fashen directly bounced the zhenqi into the small hole, and then the Fashen began to control the zhenqi with Yu Ruyi.

That zhenqi plunged directly into the small hole.

At the beginning, the Dharma God had a confident look.

But soon, his eyes changed.

Because he found that things were not as simple as he thought.

Because there are countless passages in the stone gate, after his spiritual power enters, he becomes a headless fly, and he can't find the right path at all.

Lishen asked: "Dharma God, can you do it?"

Fa Shen pretended to be calm, and said: "Don't worry, I'm trying to crack it."

Afterwards, the Fashen controlled that true energy, turning around in Shimen!

Half an hour passed. At this time, Fashen had already sweated, but his true energy, let alone enter the small hole at the top of the stone gate, it was difficult to even get out!

“Fa Shen, can you do it?” Yu Shen couldn’t help it, he asked.

Fashen is also a person who wants to face and suffer. He angrily said: “Why can’t I? You do it!”

God Yu rolled his eyes and said, “If I can do it, I will just change my name to Fashen. Don’t you specialize in magic spells? Even you don’t understand?”

At this moment, Lin Kai couldn’t hold back from the side, and laughed with a puff.

“Hahahaha!”

Chapter 901: Black Dragon Battlegear

Chapter 901 Black Dragon Battle Armor

Seeing Lin joking, the Fashen became even more angry.

“Smelly boy! What are you laughing at?”

“Lao Tzu is a **** of law! Lao Tzu can’t do it, you can do it? What qualifications do you have to laugh at me?”

Lin Kai finally stopped his laughter.

“Just because you are so recklessly controlling the zhenqi to spin in the stone gate, you will not be able to open this stone gate for the rest of your life!”

“Are you still called Fashen? Just change your name to Mangshen!”

After listening to Lin Kai’s words, the Fashen was furious.

With a snap, the true energy in the Shimen was immediately abandoned by him, and the true energy dissipated directly in the Shimen.

Afterwards, the Fashen controlled Yu Ruyi and was about to fight Lin Kai.

“You **** want to die!”

Upon seeing this, God of Yu quickly grabbed Fashen, he knew Lin Kai’s skill! Fashen fights with him, it is simply seeking a dead end!

“Brother Fashen! Don’t be impulsive! Don’t be impulsive!” Yu Shen accompanied the smile.

Fashen snorted coldly: “Humph! If it weren’t for your friend’s sake, you would have died long ago!”

Lin Kai showed a smile, but he did not speak.

At this moment, Lishen looked at Lin Kai.

“You know the structure inside the stone gate very well? Can you unlock this stone gate?”

Upon hearing this, the four of them all looked at Lin Kai.

At this time, Lin Kai showed a confident expression. While the Fashen was sore, Lin Kaizi carefully observed the structure of the maze inside Shimen.

The correct channel has been found by Lin Kai.

“Of course, I still want to accept the four of you as little brothers!”

After hearing Lin Kai’s arrogant words, the four great **** kings were a little unhappy, after all, they were all great figures at the master level!

“The tone is not small! The structure within this Shimen is very complicated, and it is impossible to judge the right path just by relying on the feeling of true energy!”

“I can’t do it, you can do it? Can you see through?”

After listening to Fashen’s words, Lin Kai smiled slightly and said, “Haha, don’t tell me, I can really see through!”

After listening to Lin Kai’s words, the Fashen laughed loudly: “Hahahaha! What a joke!”

“Perspective? Is it possible that you are the Monkey King, the Great Sage of the Monkey King? Will you have a golden eye?”

Yinshen showed a displeased expression: “Boy, you have to speak responsibly! If you can’t unlock this door, I will throw you down by himself for a while!”

“Then just show me your brothers!”

Lin Kai smiled confidently.

At this time, Lin Kai looked at the Fashen again.

“I will convince you to lose! I will instill a real qi into it! I will teach you how to go!” Lin Kai said.

After listening to Lin Kai’s words, Fashen sneered: “Hehe, the tone is really not small! You still have to teach me how to go? Can you see through?”

At this time, I saw the Fashen using Jade Ruyi to control a mass of zhenqi into the small hole.

Afterwards, Fashen glanced at Lin Kai, gloating.

“Let’s talk! How to go?”

He didn’t believe that Lin Kai could clearly understand the passage within the Shimen without contact with True Qi.

Even if Lin Kai tried to find the correct passage through Zhen Qi contact, the difficulty was extremely high.

Through his golden pupil, Lin Kai has located the position of Zhen Qi. He smiled confidently and said, “Go up.”

going up?

Hearing the words, the Fashen controlled his zhenqi and moved upward.

With this movement, Fashen was surprised at that time, and he could really go up!

How did he know?

Could it be that it was blinded? Yes, it must be blinded!

After a while, Zhen Qi came to an end, and could no longer move up.

But before the Fashen could speak, Lin Kai said, “Go left.”

How does he know it’s over? The magic **** tries to control Zhen Qi to go to the left. I dont know if I go, I am shocked when I go, but I can really go to the left!

I rely on! This kid can really see through?

No, it must be luck! I don’t believe he can see through!

But not long after, Lin Kai’s words completely shattered Fashen’s confidence.

“Go up.”

As soon as the zhenqi came to an end, Lin Kai let the Fashen go up, and the Fashen went up, he was god, there really was a way up there!

Moreover, Lin Kai's eyes have been staring at Shimen, could he see through?

The three people around also looked at Lin Kai in surprise, this kid is a bit mysterious! Even Fashen is not as good as him?

"Go left."

"down."

"Go right."

"down."

"Go up."

...

After turning dozens of turns, the spiritual power is very close to the small hole on the top of the stone gate.

At this moment, Lishen became a little impatient: "Lin Kai, can you do it?"

Lin Kai didn't pay attention to Lishen, but said: "Go up, don't stop!"

Fashen controlled the zhenqi and kept going up, and after a while, the zhenqi was injected into the small hole on the top of the stone gate.

"It's done!"

As soon as Lin Kai's words fell, Shimen trembled when only a loud bang was heard!

After that, Shimen slowly opened!

Rumble!

One minute later, Shimen opened successfully!

After seeing this scene, everyone was shocked!

It actually opened!

Lin Kai's words really work!

He really can see through!

The four people looked at the opened Shimen, all dumbfounded.

The Jade Ruyi in the hands of Fashen fell to the ground with a clatter, his eyes widened and he looked at Lin Kai.

At this moment, he actually had an urge to worship Lin Kai.

This kid is not only a master of organs, but also a perspective!

“How do you know how to open this door?” Fashen asked with a look of surprise.

Lin Kai smiled slightly and said, “I have said it, I will see through!”

After that, Lin Kai took the lead to walk into the second stone room.

After Lin Kai entered the stone room, the other four quickly followed.

As soon as they entered the second stone room, everyone was stunned.

Because in the second stone room, there is a set of armor!

This set of battle armor is extremely majestic!

The armor is black and red, and this is a armor made of unknown animal scales!

The black scales are very sharp and tough, invulnerable, and full of defense!

And under this suit, there are four big characters.

Black Dragon Battlegear!

Black Dragon Battlegear? Could this be a set of battle armor made of black dragon scales?

It really looks like it!

The helmet is the head of a dragon! The human face can be seen from the mouth of the black dragon! It's really a battle armor made by the black dragon!

Black Dragon Battle Armor, Black Dragon Skirt, Black Dragon Boots, Black Dragon Armguards, Black Dragon Helmet, Black Dragon Gloves.

Six-piece suit!

Moreover, the level of this suit made everyone's breathing quick.

Because the level of this armor is a demigod level!

Demigod armor! The grandmaster is wearing it, you can fight the grandmaster!

At that time, the breathing of the four great kings was rapid, and their eyes were red.

Even Lin Kai's heart was shocked, this is a set of demigod armor! It seems that this Dongfu really hides many treasures!

"The Black Dragon Armor is mine!"

Chapter 902: The Third Door

Chapter 902

At this moment, Lishen roared, and after that, he went to grab the Black Dragon Battle Armor.

But the other few are also very ambitious, and they are also vying for that suit of armor!

At that time, the four great kings fought directly!

However, they didn't use their true energy, nor did they kill them. Instead, they fought together like gangsters!

Grab your hair! Slap! Cuff your ears!

That move is really ubiquitous!

Lin Kai smiled and shook his head. He is bound to win this suit!

"stop fighting!"

Lin Kai yelled.

Lin Kai shouted, and the four of them stopped immediately and looked at Lin Kai.

I saw Lin Kai standing in front of a stone gate and said to them: "There is another gate here!"

There is another door?

Everyone looked over, and as expected, there was a stone gate inside!

Within the first stone gate, there are millions of spars!

Within the second stone gate is the Black Dragon Battle Armor!

Among the third stone gate, it must be a treasure too!

The four hurried over, but their eyes were always on the black dragon armor, and a few of their buddies were still thinking about the black dragon armor!

“Why is there a stone gate? What’s in it?” Lishen looked at Lin Kai and asked.

Lin Kai smiled and shook his head.

This place is very peculiar. Although Lin Kai’s perspective is useful, he cannot completely penetrate the stone gate, only the structure inside the stone gate.

“How do you open this stone door?” Yu Shen looked at Lin Kai and asked.

Lin Kai used his golden pupil again and observed it carefully.

This stone gate is different from the first stone gate and the second stone gate.

The first stone gate is the simplest, and anyone who knows a little about the mechanism can open the stone gate.

The second stone gate is slightly more difficult. Although it is difficult, it can be opened after a period of time.

This third stone gate is the most challenging one.

Because in Shimen, there is a crystal!

This crystal will absorb infuriating energy!

When this crystal absorbs enough power, when will the gate open?

Lin Kai smiled slightly and said, “Hehe, this Shimen is the easiest, but also the most difficult.”

Hearing this, everyone looked at Lin Kai, and everyone showed a puzzled expression.

“What do you say?” everyone asked.

Lin Kai explained with a smile: “Among the Shimen, there is a crystal, this crystal will absorb the true qi, when you feed it, the Shimen will open.”

After listening to Lin Kai's words, everyone nodded suddenly, and it sounded quite simple.

"I come!"

Yinshen volunteered, he wanted to be the first to stand up to challenge this stone gate.

At that time, Yinshen slapped the stone gate with a palm, and the true energy in his body also poured in frantically.

"what!"

Afterwards, the true qi in Yinshen's body was instilled into the crystal.

The crystal seemed to be charged, and the hidden **** was the power source, but after a while, the hidden **** was sweating.

Because this crystal is like a bottomless black hole, absorbing his true energy frantically!

Although he is a master-level master, his true qi is not endless. In only ten minutes, the true qi in the hidden **** has been absorbed by 80%!

But the crystal seems to be charged only 10%.

"I go"

At this moment, Yinshen released his hand, and he couldn't hold on.

If it continues to be absorbed like this, the true energy in his body will be drained!

At that time, Yinshen quickly meditated on the spot, regaining his true energy.

It doesn't matter if the true energy is drained, as long as the dantian is still there, the true energy can be restored infinitely.

But Lin Kai discovered that the moment Yinshen let go, the only true energy that was charged in, immediately dissipated!

Good guy, it's not enough to fight a wheel war! Someone must fill it up all at once!

If you can't satisfy it, you can't open this stone gate!

"Only 10% of the true energy is charged." Lin Kai said lightly.

"And it's gone now."

After listening to Lin Kai's words, everyone's eyes widened.

Is it only 10% charged?

How to open this?

You know, the four of them are master-level masters, and the true energy capacity in the dantian is similar! Even if the four of them go together, I'm afraid they can't satisfy the crystal in this door.

"Fine, it seems that the treasure in this third stone gate has no chance with us." Lishen shook his head.

The others also nodded, agreeing with Lishen's statement.

At this moment, Lishen suddenly looked at Lin Kai and snorted coldly: "Humph! Lin Kai, you didn't help us remove all the seals in the cave. According to the gambling agreement, you should jump from the cave entrance now!"

Both Yinshen and Fashen also looked at Lin Kai at the same time, each of them looked bad.

"You... don't do this! He is my friend." Yu Shen said quickly.

And they blinked at Lishen, meaning Lin Kai is not easy to provoke!

But Lishen didn't seem to understand the meaning of Yushen, he angered: "Big Bird! Are you confused? He is an outsider!"

"Now he knows where our baby is, he must die! Otherwise we get the news of the baby, and everyone in the world will know it!"

Yin Shen and Fa Shen also nodded.

Lin Kai must deal with it!

But Lin Kai smiled slightly at this time, and said: "Hehe, who said I can't solve this third door?"

After listening to Lin Kai's words, the eyes of all four people lit up.

"Can you unlock the third door?"

Four people asked almost simultaneously.

Lin Kai smiled and nodded, and said, "Ha ha, yes."

Lishen heard the words and his eyes lit up. Then, his eyes rolled and said, "Because you are a friend of Yushen, give you a chance!"

"As long as you unlock this third door, our four brothers will immediately recognize you as the boss!"

What about deceiving children?

Lin Kai knew that as long as he unlocked this third door, except for Yu Shen, the three of them would definitely kill him!

But Lin Kai was not afraid, because they had not yet killed their own strength.

"Okay! This is what you said!" Lin Kai agreed with a smirk.

Later, I saw a meteorite from outside the sky appeared in Lin Kai's hands.

There is endless power in this meteorite outside the sky. As long as you absorb the power in the meteorite while charging the spar in the stone gate, you can open this door!

"what!"

Lin Kai's palm was also attached to Shimen.

At that time, a powerful suction came, and the crystals in the stone gate began to frantically absorb the spiritual power in Lin Kai's Dantian!

At that time, Lin Kai discovered that spiritual power seemed to be charged faster!

Yinshen's body contains zhen qi, the zhen qi recharges very slowly, and it doesn't seem to be very useful.

But Lin Kai's spiritual power was different. Not only was it charged very quickly, but it was also more useful than Zhen Qi!

Ten minutes have passed, the crystal has been filled with 30% of its spiritual power!

Chapter 903: The Fourth Gate

Chapter 903: The Fourth Door

And Lin Kai was also absorbing the energy in the meteorite in his hand. The energy in this meteorite seemed to be endless. No matter how Lin Kai absorbed it, there was no sign of weakness.

Soon after, the crystals in Shimen had been charged with 50% of the energy by Lin Kai!

As long as you persist for a while, you can fill the spar in Shimen with energy!

And Lin Kai has completely become an intermediary.

The energy in the meteorite enters Lin Kai's dantian, and then enters the crystal in the stone gate.

The spiritual power within Lin Kai's Dantian would not decrease at all.

In this case, Lin Kai would not be afraid that he would be defeated by the four of them when his spiritual energy was exhausted for a while.

Ten minutes passed again, and the crystal had been charged with 90% of its energy!

It will be full in three minutes!

The four great kings also looked at Lin Kai in surprise.

Even a strong master like Yinshen can only hold on for ten minutes, but Lin Kai, a junior, has actually held on for half an hour.

They also all noticed the meteorite in Lin Kai's hand. It seems that the meteorite is also a good thing!

Their eyes are full of greedy eyes.

When Lin Kai was useless, it was when they killed Lin Kai!

Three minutes passed quickly. Looking at the crystals in Shimen, 99% of the energy has been charged!

Full of!

The powerful force sucking Lin Kai disappeared instantly!

Lin Kai's hand broke away from the stone gate, and the crystals in the stone gate began to change.

The crystal starts to rotate! And Shimen also began to turn.

Rumble!

There was another sense of shaking, and the sound of stones rubbing against the rocks also came.

Shimen opened slowly.

The four kings of gods all stared at the stone chamber within Shimen.

Soon after, the stone gate was completely opened and a group of people entered the stone room.

Inside this stone room, it was empty, only a stone platform was placed in the center of the stone room.

On the stone platform, there is a knife.

Everyone looked over.

This knife is a black knife.

The body of this knife emits black gas.

This knife is a Tang knife, **** wide and seven feet long. There is a black dragon on the knife.

The black dragon, very enchanting, exudes black energy, and its black scales are shining.

And the handle is full of scales! A layer of black dragon scales is actually wrapped on the handle of the knife!

But even so, the feel of the handle is very smooth and smooth, and it will not cut people's skin.

The blade is made of dragon claws! The handle is made from the hardest scales on the black dragon!

Black Dragon Sword!

This is also a semi-artifact!

Semi-artifact suit! Black dragon suit!

After seeing this knife, everyone's breathing was short.

If you can wear the black dragon suit and hold the black dragon sword in your hand, even if you are a grandmaster, you will have the strength to fight the grandmaster!

This is the power of a semi-artifact!

Everyone's eyes glowed.

And Lin Kai also liked this knife very much, he didn't take it off, because there was a stone gate in front of him.

The fourth stone gate!

Lin Kai stood in front of Shimen, touched the lines on the Shimen, and stood in a daze.

What kind of fairy remains is this? There is a semi-artifact!

And there are millions of spars!

What is the inheritance within this fourth stone gate?

The other four people apparently also discovered this fourth stone gate. At that time, the four of them walked over quickly.

"There is another stone gate?" Lishen raised his eyebrows.

Yinshen touched his chin and said, "There are millions of spar and black dragon suits in front. The things in the fourth stone gate must be treasures too!"

Fashen nodded: "Yes! It's all a baby! Lin Kai, is there a way to open it?"

The four of them all looked at Lin Kai. The first three doors were all opened by Lin Kai. For this fourth door, they also pin their hopes on Lin Kai.

Lin Kai used his golden pupil at this time to see this stone gate.

But a strange scene happened.

Within this stone gate, there is nothing, no organs, and no hidden tests. This is an ordinary stone gate!

"Nothing at all."

Lin Kai said.

After listening to Lin Kai's words, the other four were also very curious, there was nothing?

Lin Kai tried to push open the stone gate. With this push, the stone gate opened with a click!

Boom! The fourth stone room appeared in front of everyone.

This stone gate has no tests and institutions! You can open it with just a push!

The five people were stunned. Although the stone door was opened, none of the five dared to step into the fourth stone room.

Afraid of fraud!

In the center of the fourth stone room, there is a stone platform.

Twelve chess pieces are placed on the stone platform.

The twelve chess pieces are black. On the chess, there are engraved pictures of various animals and colored engraved pictures, which are lifelike.

Taking a closer look, Lin Kai found that it was the Chinese zodiac!

Chinese zodiac chess? What does it mean? Each of those chesses is as big as ordinary chess, but they are not traditional chess. This makes Lin Kai very strange. What are these chesses?

Familiar!

Lin Kai suddenly felt that these chesses in front of him were very familiar, and he seemed to have seen them somewhere.

But I can't remember where I saw it.

Lin Kai began to rub his head, thinking about it carefully.

Soon after, Lin Kai's eyes lit up and he remembered!

When I was young, I watched a cartoon called Jackie Chan's Adventures!

In The Adventures of Jackie Chan, there is a spell similar to chess, its name is Twelve Talisman!

After getting the spell, you can gain the power of its zodiac.

For example, after obtaining the Bull Talisman, you can have great power!

The Chinese zodiac chess in front of you is similar to the twelve spells?

The four great kings were also very curious. They didn't know what those chess were. At this moment, Lishen looked at Lin Kai with enthusiasm.

He ordered: "You! Go in and see!"

After all, Lishen directly pushed Lin Kai.

Fashen also threatened: "Boy, if you want to survive, just listen to us!"

"In this way, you will suffer less skin and flesh!"

After listening to them, Lin frowned.

They are treating themselves as soft persimmons!

Yu Shen on the side, the sweat beaded on his forehead, watching his brother threaten Lin Kai so much, he was really afraid of the fight between them!

If they really fight, will they help Lin Kai or their brother?

At this time, Lin Kai strode into the room. For nothing else, he wanted to figure out what the Chinese zodiac chess was!

When Lin Kai stepped into the fourth stone room, there was a loud bang, and the stone gate behind Lin Kai suddenly began to close automatically!

This scared Lin Kai a big jump!

Chapter 904: Goodbye Fairy Master Jin Yu

Chapter 904

Shimen closed?

Lin Kai was stunned.

What the **** is this?

Lin Kai began to push the stone gate behind him hard, but the stone gate was very closed. Even if Lin Kai was a cultivator in the late foundation period, he couldn't move the stone gate one centimeter away.

Lin Kai was dumbfounded, could it be a mechanism here?

Are you going to be trapped here for the rest of your life?

The four great kings outside Shimen were also dumbfounded.

Lin Kai was locked in? Is there a mechanism inside?

Lishen patted his chest and let out a breath: "Huh..."

"Fortunately, Lao Tzu let him in. If four of our buddies go in, we will be trapped!"

After listening to Lishen's words, the other four people nodded.

Yu Shen also took a breath.

Lin Kai was trapped in, that is to say, he was free! Don't be afraid of him!

At that time, the four great kings looked at the black dragon suit and the black dragon sword.

"I want the Black Dragon God Sword! Don't grab any of you from Lao Tzu!" Lishen roared and went to grab the Black Dragon God Sword!

Soon after, the black dragon suit was divided among the four.

Lishen held the Black Dragon God Sword, cross-legged refining.

And Lin Kai, who was behind the fourth stone gate, was groping for the mechanism that went out on the stone wall.

According to Lin Kai's thinking, if you can come in here, you can definitely get out! There is no reason why I can't get out by myself!

But after groping for a long time, Lin Kai was desperate, and there really was no institution to go out!

Lin Kai used his golden pupil to look at every corner of the room.

Unfortunately, there is no agency that can go out.

Moreover, in front of Lin Kai, there was a stone gate.

The fifth stone gate!

There is something in it?

Lin Kai came to this stone gate.

Lin Kai used the golden pupil to look at this stone gate, but Lin Kai was surprised at that time, because his golden pupil didn't work on this stone gate! Can't see through!

Lin Kai tried to use his brute force to push Shimen, but Shimen still remained motionless.

All of this made Lin Kai very confused.

“Lin Kai?” At this time, a hollow voice sounded, and Lin Kai was startled.

This sound sounds very old.

It sounds like it’s 70 or 80 years old.

But there is no one in this stone room!

At this time, a transparent soul appeared in front of Lin Kai.

It was an old man with a long beard in a white robe, with white hair, holding a whisk, like an old fairy master.

But Lin Kai’s eyes widened at the time, he knew this soul!

He has seen this soul!

Isn’t this the **** Master Jin Yu?

When Lin Kai was in the Eastern Earth Continent, he had seen this Immortal Master Jin Yu when he was ascending the temple.

Fairy Master Jin Yu is exactly the same as the one in front of him!

“Master Jin Yu?” Lin Kai’s eyes widened.

The old man looked amiable. He stroked his beard and smiled and said, “Do you still know the old man?”

Fuck me!

He can actually communicate with himself!

“Are you still alive?” Lin Kai’s eyes widened.

Immortal Master Jin Yu shook his head and said, “Hehe, I’m already dead, I’m just a ray of remnant soul.”

A ray of remnant soul?

died?

Lin Kai couldn’t accept his explanation. The old man in front of him was obviously still alive! Why is he dead?

“I don’t understand.” Lin Kai shook his head.

Immortal Master Jin Yu heard the words and said with a smile: “Haha, my body is dead, but my soul has separated a strand and stayed in this world.”

“When necessary, my remnant soul will wake up, and I can only survive for half an hour.”

After listening to him, Lin Kai seemed to understand.

Fairy Master Jin Yu is dead.

But he left a strand of remnant soul, and when necessary, this strand of remnant soul could replace Fairy Jinyu to live for half an hour.

Being temporarily alive, Lin Kai understood this way.

“You wake up for me?”

Immortal Master Jin Yu nodded and said, “That’s natural.”

“Lin Kai, I have observed you.”

“When you were in the East Earth Continent, when you reached the immortal level, you performed very well.”

“I have left a total of three inheritances in this world.”

“A place in the East Earth Continent was acquired by you.”

“This place, I did not expect you to get it.”

“It seems that in the dark, you are my apprentice.”

“Do you know why I only let you in? Because the ordinary people outside are not worthy of inheritance from the old man.”

Lin Kai was a little flattered after hearing the words of Immortal Master Jin Yu, his status in Master Jin Yu’s eyes was so high?

“Master, you are showing love.” Lin Kai clasped his fist.

Immortal Master Jin Yu smiled and shook his head: “Hehe, I didn’t show my love for you. You are a cultivator, and they are ancient martial artists. The two cannot be confused.”

“You only have the cultivation base during the foundation period, but you can defeat the masters of the Grand Master level. This already represents the strength of the cultivation!”

“That’s why you are worthy of being my apprentice.”

“As far as I know, there are very few cultivators in this world. Your talent can only be ranked among the cultivators. However, you may be the last cultivator in this world after all.”

After listening to the words of Fairy Jin Yu, Lin Kai was ashamed.

Feelings are not because of their good talents!

Feelings because I am a cultivator!

“Dare to ask Fairy Master Jin Yu, what is your cultivation base?” Lin Kai asked cautiously, holding his fists.

Upon hearing the words, Immortal Master Jin Yu said with a smile: “When I created this heritage, I was a true immortal.”

Lin Kai’s eyes widened after listening to the words of Immortal Master Jin Yu.

No wonder there is such a magical power.

It turns out that he is a true immortal level cultivation base!

Cultivators have six levels.

Qi training period, base building period, golden elixir period, primordial infant period, spiritual transformation period, and true immortal period.

Each major level is divided into four small levels, initial, mid, late, and perfect.

And Immortal Master Jin Yu was actually the cultivation base of the True Immortal Period.

“The three inheritances I have left are ranked second here, and Dongtu Continent is third.”

“Young man, I am looking forward to seeing you in my ultimate heritage.”

“I have been awake for ten minutes. I am going to fall asleep again. Otherwise, I may not have time to pass down and see you.”

“The way to open the last stone gate is very simple. By refining the chessboard, you can open the last stone gate.”

After that, the spirit of the fairy master Jinyu disappeared in the air.

Lin Kai looked at the chessboard on the stone platform.

Without looking carefully, Lin Kai didn't even notice that under the twelve chesses, there was actually a chessboard!

The chessboard is black and wood, and it feels cold to the touch.

On the chessboard, there are ancient texts. This chessboard is not the same as a normal chessboard because there are only twelve chess positions on it.

“God...artifact!”

Lin Kai was shocked!

This is actually an artifact!

Chapter 905: Artifact

Chapter 905

Although it is an artifact, this chessboard is an auxiliary type artifact, it is not an attack type artifact.

In the chessboard, there are twelve chess pieces.

Lin Kai can use these twelve chesses himself.

Or, give these twelve chess pieces to others.

Each chess has a different function.

For example, after using tiger attribute chess, you can get ten thousand catties of bite force and jungle coercion!

After using the rabbit attribute chess, you can jump 100 meters high! And has the ability not to be afraid of falling.

After possessing the mouse attribute of chess, you can obtain extremely high movement speed and strong concealment ability.

Twelve chess, let Lin Kai dispatch.

The benefits of refining the chessboard are very obvious.

After refining the chessboard, as long as others refining chess, Lin Kai will control his life and death, and Lin Kai can kill him within a single thought!

Unless Lin Kai is willing, or the host of chess dies, chess will not return to the board.

This is the power of the chessboard.

At that time, Lin Kai sat down and began to refine the chessboard.

Sacred tools are extremely difficult to refining, and the refining process is very long.

At this time, the Yu God and the others in the third stone room were sweating anxiously.

Because they found that no matter how they refine the black dragon suit, they cannot make the black dragon suit recognize the master.

Lishen was holding the black dragon divine sword, and also sweated, this black dragon divine sword did not listen to his orders at all!

Without refining, this magic knife is similar to a fire stick!

In fact, they didn't know that the black dragon suit and the black dragon magic knife were originally the weapons and suits used by the Golden Feather Immortal Master during the Golden Elixir period, and were used by the cultivators.

They are all ancient warriors, so naturally they don't have the ability to use the black dragon suit and the black dragon sword.

"What to do? The boy Lin Kai hasn't come out yet, and we can't use this black dragon suit. Should we wait for the boy Lin Kai?" Fashen looked at Lishen and asked.

Lishen gritted his teeth and said: "We can't go! We must wait for that kid to come out!"

"That kid is a bit evil! He must know how to refine this black dragon suit!"

Lishen said.

When Yu Shen heard this, his eyes widened.

what? Have to wait for Lin to come out?

are you crazy? Lin Kai, one person can beat four of them!

But Yushen is also a face-saving person. He is naturally embarrassed to say that he was beaten by Lin Kai. At that time, he coughed dryly and said, "Cough cough, let me say, let's run with the baby and the spar. Lin Kai, that kid, specified that he can't get out."

Yinshen spoke at this time, and he said: "No! You must wait for that kid to come out! There is a baby in the fourth stone room!"

They are still thinking about the baby in the fourth stone room!

God Yu was very anxious, but he had nothing to do with his brothers. Who made him the weakest of the four brothers?

At this moment, Lin Kai was refining the chessboard inside.

This chessboard is worthy of being a divine tool. It is very difficult to refining. It will take a while for Lin Kai to build the foundation period.

After all, this thing was something that Immortal Master Jin Yu had used, and Immortal Master Jin Yu was a true cultivator.

Naturally there will be some difficulty in refining his things.

At this time, Lin Kai was already sweating, and his clothes were soaked in sweat.

He gasped, this chessboard is too difficult to refine!

However, after refining the chessboard, Lin Kai could control the four old boys outside.

Lin Kai is very interested in the four old boys outside. They are all master-level powerhouses, and master-level powerhouses are still very rare in this world.

Although Lin Kai's fairy gate is not by Lin Kai's side, the fairy gate will definitely return. When that happens, Lin Kai will let these four old boys join the fairy gate!

At that time, the fairy gate will become more powerful!

After refining the chessboard, Lin Kai planned to use the chessboard to control a few of them, first holding the lives of them in his hands!

Thinking of this, Lin Kai added another effort to refine the chessboard!

Soon after, Lin Kai's process of refining the chessboard had reached 50%!

Now, half a day has passed since Lin Kai entered here!

In another half day, Lin Kai can completely refine this chessboard!

And when Lin Kai was refining the chessboard, his cultivation was also increasing!

I don't know why, this chessboard seems to have a magical power, while Lin Kai is refining, his cultivation level can actually rise!

Soon after, the chessboard was refined by Lin Kai!

And a golden light burst out!

The chessboard flew directly, and changed from black to gold!

At this time, all the surroundings are golden, and the golden light is very dazzling!

Lin Kai looked at the chessboard in front of him and let out a breath.

Refining is finally successful!

At this time, the four great **** kings outside the door also found the golden light inside the stone room. They all lit up, looking through the crack of the door, they all wanted to see what Lin Kai was doing!

And Lin Kai was looking at his chessboard in the stone room!

And the four great **** kings were dumbfounded, Lin Kai must have found good things inside, otherwise there would be no golden light inside!

King Li patted his thigh and said, "This kid must have found something good! We can't go! We must get this kid out!"

Fashen also nodded and said, "Yes, this kid must have found something good! This person must die!"

"Let me tell you that the four of us will take action together. We will break this stone gate first!"

After listening to the Fashen's words, the others also nodded and agreed with the Fashen's views.

But Yu Shen had already sweated, he didn't want to make a move!

What if Lin Kai could be killed, but what if Lin Kai could not be killed? The dead may be just a few of them!

Yu Shen was embarrassed to say what he was thinking. At that time, Yu Shen wiped the sweat from his forehead and said, "I think it's better to forget it, that Lin Kai can't get out."

After listening to Yushen's words, Lishen sneered: "Huh? Forget it? You coward! If you dare not make a move, then you can watch it! The three of us make it together!"

After listening to Lishen's words, Yushen was also furious, and he said, "Who is a coward? Just shoot! Come on!"

At that time, the four people appeared together outside Shimen!

Afterwards, all four of them began to accumulate their strength and were ready to attack!

At this time, Lin Kai took the chessboard and came to the last stone gate.

As I just mentioned, Immortal Master Jin Yu can open this last stone gate as long as he can refine the chessboard. Lin Kai is very curious. In the last stone gate, what kind of inheritance did Immortal Master Jin Yu leave for himself? ?

At that time, Lin Kai controlled the chessboard in his hand and began to open the last stone gate.

"Drive me!"

Lin Kai roared. At that time, the chessboard flew directly from Lin Kai's hands and flew into the air!

Then, a magical scene happened!

Chapter 906: The Fifth Gate

Chapter 906 The Fifth Door

The chessboard is flying!

The chessboard floated in front of Lin Kai and began to spin.

And from the center of the last door, a square gap appeared.

The size of the gap exactly matches the chessboard.

With a click, the chessboard directly fits the gap.

At this moment, Shimen opened directly.

Rumble!

After a loud noise, the last stone room was exposed in front of Lin Kai.

The chessboard also flew back to Lin Kai's hands.

At this time, outside the fourth stone room, Lishen and the others were almost crazy.

Because they heard the sound of the opening of the fifth stone chamber, they knew that Lin Kai had already entered.

"Lin Kai! Get out of here!" Lishen and others roared.

After that, the four of them slapped the stone gate with one palm!

Rumble!

There was a loud noise!

Four master-level masters shot together, the power is very terrifying.

But even so, Shimen didn't even move.

On the contrary, it was the four of Lishen. Because the rebound force was too strong, the four of them were shot out at that time!

A cry of pain sounded, and the four of them came into close contact with the ground.

"Ouch!" Yu Shen stood up from the ground, clutching his butt.

The other three people are all sullen.

This stone gate cannot be broken at all!

What a bad luck! Except for the spar, nothing else can be used, and now, when an outsider enters the depths of the cave, is it possible that the inheritance of the immortal master will be obtained by an outsider?

Lishen's face was very ugly.

At this time, Lin Kai had already stepped into the fifth stone room.

In the fifth stone room, there was something that Lin Kai hadn't expected.

In the fifth stone room, there is a huge black coffin!

This big coffin is a circle larger than the average big coffin. The coffin is unremarkable, and there is nothing special about it.

Lin Kai banged on this huge coffin, which was very thick and seemed to be very strong. Apart from these, there was nothing particularly outstanding about this coffin.

Lin Kai opened the coffin and glanced inside the coffin.

From this look, Lin Kai was very happy.

Inside the coffin, there are actually bedding and pillows.

The bedding and pillow are obviously things that have been around for a while, but the amazing thing is that the bedding and pillow did not rot!

Feelings. This is the bed that Immortal Master Jin Yu once used!

Lin Kai really couldn't understand the hobby of Immortal Master Jin Yu, he actually liked to use the coffin as his bed!

Is it possible to sleep in a coffin and feel safe?

And in the coffin, there was a small note attached.

Lin Kai tore off the small piece of paper and took it in his hand to watch it carefully.

"The most amazing coffin in the world. After lying in the coffin, let the lightning flashes and thunder outside, the inside of the coffin is still peaceful, even a true celestial master cannot open this coffin."

After reading the note, Lin Kai scratched his head.

In other words, as long as you lie in the coffin, even if the people outside use fire and water to pour it, they can't hurt the people inside?

Is this coffin actually a temporary refuge?

This is the final inheritance left by the Master Jin Yu?

At this time, Lin Kai saw that there was a switch for the stone gate outside on the wall.

Lin Kai had an idea, just to test whether this coffin works well.

At that time, Lin Kai directly turned on the switch on the wall, and the fourth stone gate opened directly. With a loud bang, the four great kings appeared directly in front of Lin Kai.

After the four great kings saw Lin Kai, they were first taken aback, and then Lishen was the first to react, and he ran towards Lin Kai directly.

“Lin Kai! Looking for a fight!”

But Lin Kai slipped into the coffin at this time and closed the lid of the coffin.

When Lishen saw this, he laughed at the time: “Hahaha! Knowing that he is bound to die? Close the lid of the coffin? Then I will satisfy you!”

After all, Lishen kicked towards the coffin!

Lishen is a master at the master level! He thought that with his kick, he could definitely kick the coffin in front of him!

But a magical scene happened.

There was a bang!

Lishen kicked the coffin fiercely, but the coffin didn't move!

But Lishen's expression changed at that time. His foot felt like an ordinary person kicked on the wall.

With a click.

His toe was broken at that time!

“My feet!”

Lishen hugged his feet and jumped on the spot.

When Fashen saw this scene, he raised his eyebrows and said, “This coffin is weird! Since I can't kick it, let me use magic!”

The others nodded, and they all stepped back.

After that, the Fashen began to show his power!

Saw the Fashen directly opened his mouth, and a ball of fire spurted out of his mouth!

Wow!

A heat wave is coming!

The fire burned directly to the huge coffin!

But Lin Kai didn't feel the temperature rise at all in the coffin.

The inside of the coffin was very comfortable. This coffin was much larger than a normal coffin, and it was more than enough for two people to lie down, so Lin Kai slept directly in the coffin.

The Fashen used fire outside and poured water, but Lin Kai inside the coffin didn't feel any strangeness.

In this way, the four people tossed outside for more than two hours, and they couldn't open the coffin any more.

But Lin Kai had taken a good night's sleep at this time, and he woke up.

After waking up, Lin Kai opened the mechanism directly from the inside of the coffin, and with a clatter, the sliding lid opened the coffin directly, and Lin Kai also sat up from inside the coffin.

After seeing Lin Kai, the four great kings were full of anger.

Lishen's eyes widened and roared: "Lin Kai! I'm going to kill you!"

The four of them were desperately prying the coffin outside, but Lin Kai actually slept in the coffin, which is simply disrespectful to them!

And Lin Kai's eyes were full of smiles.

"roll!"

It was just a rollover, a powerful wave of air erupted from Lin Kai's mouth!

Before the four of them met Lin Kai, they were all lifted out by this wave of air!

Boom!

thump!

The four of them fell to the ground.

Lin Kai stretched his waist and jumped out of the coffin.

The four great gods all looked at Lin Kai with surprise.

Is this person so powerful?

But Yu Shen was almost crying at the time, he knew that he would not be able to do it! Well now, they succeeded in angering this big man!

“This...” Lishen was also dumbfounded at the time, he didn’t expect that Lin Kai was actually a strong man!

A strong man stronger than himself!

“Give you a little face, you really squeeze me like a soft persimmon, right?”

Lin Kai smiled and looked at the four of them.

But Lishen looked at Lin Kai, he refused! He did not believe that a young man in his early twenties could be their opponent!

“you wanna die!”

Lishen hit Lin Kai with a punch!

Chapter 907: Meet The Master

Chapter 907

When Lin Kai saw this, he didn’t panic, and punched him right.

Upon seeing this, Lishen was overjoyed. What he is best at is punching! Because he has great strength! Lin Kai’s small body, fighting against him, will definitely die!

There was a loud bang!

There was a playful smile at the corner of Lin Kai’s mouth, his body did not move.

But Lishen’s face changed drastically, because he felt that his punch seemed to hit steel!

A huge power came, and his body flew out directly!

boom!

Lishen fell to the ground fiercely, and his proudest power was smashed by Lin Kai with a punch!

Several other people also looked at Lin Kai with surprise, Lishen’s strength, but recognized as domineering! But in front of Lin Kai, Lishen was so vulnerable!

Fashen is not convinced! He roared: “Dare to move my brother? I’m looking for death!”

Afterwards, Fashen's hands directly made a handprint, and then Fashen pointed directly at Lin Kai, and the Jade Ruyi in his pocket floated directly!

Whoosh!

From Yu Ruyi, a wave of air was shot! The air wave directly bombarded Lin Kai, coming fiercely!

Want to fight?

Lin Kai had a playful smile, hehe, then I will satisfy you!

Lin Kai took a step back, and with a wave of his hand, a burst of spiritual power shot out directly from Lin Kai's fingers!

Whoosh!

Snapped!

Seeing that Lin Kai's spiritual power was very relaxed, he broke the wave of Dharma God! Jade Ruyi who directly bombarded the **** of law!

Bang!

The Jade Ruyi of the Fashen was shattered and turned into a pile of jade fragments and fell to the ground.

Fighting is not his opponent either!

Everyone is dumbfounded, this Lin Kai is too powerful, right? Feelings are not a soft persimmon at all, he is the real master!

At this moment, Yinshen didn't know when he had sneaked away.

The reason why the hidden **** is called the hidden **** is precisely because the hidden **** will become invisible!

Once the hidden **** is invisible, few people can find him.

But Lin Kai has golden eyes! Lin Kai saw the place where the hidden **** was at a glance.

At that time, Lin Kai joked: "Don't think about assassinating me, or you will die miserably!"

Lin Kai looked straight at the Yinshen like this, and Yinshen showed an incredible expression. Can the other party actually see him?

He tried to move a little to the left and found that Lin Kai's eyes were also moving to the left.

He tried to move to the right again, but he found that Lin Kai's eyes were also moving to the right.

He could really see himself!

The hidden **** was stunned. No one could see through his invisibility technique, but Lin Kai could see through his invisibility technique at a glance.

At this moment, Yu Shen showed a smile that was uglier than crying.

"I just said take the baby and go! You didn't listen to me, are you okay now? We can't leave any of us!"

After listening to Yushen's words, Lishen looked at Yushen at that time, and he asked, "Do you know his strength?"

God Yu nodded, and said, "I know! He has even killed the Great Master!"

After listening to Yushen's words, the faces of Lishen and the others changed at that time, even the Great Master had been killed? Then killing them these masters, isn't it the same as playing?

"Why the **** didn't you say it earlier?" Lishen asked angrily.

"I just let you go! You don't listen! You still said that I am a coward!" Yu Shen also looked aggrieved.

"You!" The strength was overwhelmed.

But thinking about it carefully, it seems that the same is true. Feather God just asked them to come, but none of them left.

It turned out that Lin Kai in front of him was a hidden master! No wonder he can break open the first few stone gates, his cultivation base is higher than the four of them!

Lin Kai looked at the four people in front of him, smiled slightly, and said, "Haha, introduce yourself, my dear Lin Kai."

"I used to work at Jiulong Mountain, and now I work at Shadow Gate, as the Hall Master of Shadow Gate.

After listening to Lin Kai's words, their expressions changed, the hall master of the Shadow Gate?

High position!

Moreover, with Lin Kai's cultivation base, I am afraid he will soon become the elder of the Shadow Gate!

"It turned out to be Hall Master Lin. We have eyes but don't know Mount Tai." Lishen can be said to be able to stretch and bend. He hugged his fists at Lin Kai and said soft words.

Lin Kai smiled slightly and said, "Hehe, you don't have to be so polite to me, because I don't plan to let you go out alive."

After listening to Lin Kai's words, several of them looked at each other, with jealous expressions in their eyes.

With that said, Lin Kai wanted to swallow the treasures here!

Yushen was almost crying at the time. Don't think he is a master, don't think he is 50 or 60 years old, but he is actually a child, and his mind is not as good as a child.

"Don't! Mr. Lin, but I brought you here! If you want to kill, just kill the three of them. Don't kill me!"

After listening to Yushen's words, Fashen was furious: "Can you **** be a bit spine?"

After that, Fashen knelt down directly at Lin Kai and said, "I beg Mr. Lin to let us go! Just kill Feather God!"

When Yu Shen heard this, his eyes widened: "I **you**!"

Lin Kai also felt amused when seeing the four of them fighting in their nests.

"stop!"

Lin Kai stretched out his hand.

At that time, the four of them stopped arguing and looked straight at Lin Kai.

"Now, I give you a chance to survive."

Hearing this, the four of them all shined.

Anyway, they are not Lin Kai's opponents, and now they can survive only by listening to Lin Kai's words.

"Obey me! You can live!"

After hearing Lin Kai's words, Yu Shen directly smashed his head towards Lin Kai: "Xiao Yu pays respects to the master!"

Fuck, I really have no backbone!

Upon seeing this, Fashen also slapped his head directly at Lin Kai: "Little Fa pays homage to the master!"

Isn't it just talking about it? Who can't? After I got out of the cave, I didn't recognize you as the master!

"Xiaoli pays homage to the master!"

"Xiao Yin pays homage to his master!"

All four of them chose to surrender.

Of course, none of them really surrendered.

Lin Kai smiled and nodded.

"Good! Not bad! Not bad!"

"Since you all recognize me as your master, the master will give you four one person one thing."

With that said, Lin opened the chessboard.

On the chessboard is the Chinese zodiac chess.

"This Chinese zodiac chess has very powerful power, and every chess has its own unique power."

After that, Lin Kai looked at Lishen.

"For example, you, Xiaoli, you are extremely powerful. If you refine this bull-type chess, you can obtain immense power! Your power and defense power will be doubled several times!"

After hearing Lin Kai's words, Lishen's eyes lit up.

“Xiao Li thanks Master?” Lishen bowed again to Lin Kai.

But in fact, in Lishen’s heart, the eighteenth generation of Lin Kai’s ancestors had already greeted him again and again.

After Laozi refines this chess, first twist your head and kick it!

Chapter 908: Refining Charm

Chapter 908

Then, Lishen took the bull charm that Lin Kai handed over.

After Lishen took the Bull Talisman, he began to refine it on the spot.

Then Lin Kai looked at the Fashen.

There are really not many spells suitable for the Dharma and God. After thinking about it, Lin Kai decided to give him the sheep spell.

At that time, Lin Kai took the Sheep Talisman from the chessboard and gave it to the Fashen.

“This is the Sheep Talisman. After you have the Sheep Talisman, your casting speed will be faster, the true energy in the dantian will be purer, and your strength will rise!”

After listening to Lin Kai’s words, Fashen was overjoyed.

He bowed to Lin Kai.

“Little Fa, thank you Master!”

At that time, the Dharma God also sat down cross-legged, refining the spell Lin gave.

Then Lin Kai looked at the hidden god.

“Xiao Yin, are you good at stealth and assassination, right?” Lin Kai asked.

Yinshen nodded and said, “Yes, Master.”

Lin Kai handed the rat charm to the hidden god.

“Refining the rat charm, your invisibility will be greatly improved.”

After listening to Lin Kai’s words, the hidden **** was also overjoyed. He took the spell with both hands and began to refine.

Finally, Lin Kai looked at Yu Shen.

Yu Shen, in fact, is the most useless and wasteful of the four great kings.

But he is lucky, the spell that suits him is the most powerful of the twelve spells!

At that time, Lin Kai took out the dragon charm.

The dragon charm is the most powerful charm among the twelve charms. At that time, Lin Kai looked at Yu Shen.

“You are lucky, the dragon charm is very powerful!”

“After possessing the dragon charm, you can soar in the sky without relying on your feather clothes, and you will also be born with supernatural power and breathe fire.”

After listening to Lin Kai’s words, Yu Shen’s eyes lit up.

Upon hearing this, the dragon charm seems to be really powerful!

At that time, Lin Kai directly handed the Dragon Charm to Yu Shen.

“Refining it.”

Yu Shen nodded repeatedly, and bowed to Lin Kai: “Xiao Yu, thank you Master!”

At that time, the four great kings began to refine the spells in front of Lin Kai.

Time passed bit by bit, they were refining the spell, and Lin Kai was refining too.

He is refining the black dragon suit and the black dragon sword.

This thing cannot be refined by others at all, but Lin Kai, a cultivator, has the ability to refine it. This is a set of semi-sacred tools! Powerful!

Lin Kai has coveted this semi-artifact for a long time.

At that time, Lin Kai also sat down cross-legged and began to refine this semi-sacred tool.

Time passed bit by bit, and the first thing to be refined was Lishen.

After Lishen finished refining, he opened his eyes directly, and the charm was directly hidden in his body.

And Lishen clenched his fist and immediately felt a very powerful force! This powerful power is something he has never possessed before!

“what!”

He only heard Lishen yell, and he hit the hard stone gate with a punch!

The stone gate was so hard that even Lin Kai couldn't shake it! But now, Lishen has integrated the bull charm! So his current strength is very huge!

boom!

A loud noise!

The hard stone gate seemed to be unable to withstand Lishen's punch, and a crack like a spider web appeared on the stone gate!

And Lishen looked at his fist, his face was full of joy.

Your own power is simply too powerful! The power of his own punch is several times as powerful as before!

“Hahahaha!”

Lishen laughed at this moment.

At the same time, he looked at Lin Kai.

And Lin Kai was still refining the black dragon suit at this time, and the chessboard was placed in front of Lin Kai.

At that time, there was a greedy look in Lishen's eyes. If he could refine all the twelve spells, how powerful would he be?

At this moment, the Fashen who had finished refining the Sheep Talisman also opened his eyes.

His eyes lit up and saw him float straight up!

With a move with both hands, a ball of true energy appeared in his hands!

Then, a Yu Ruyi condensed from Zhen Qi appeared in the hands of the Fashen.

That Jade Ruyi is exactly the same as the Jade Ruyi that was smashed by Lin Kai before. It doesn't seem to be transformed from spiritual energy at all, but like a real Jade Ruyi!

At this moment, Fashen's eyes flashed with excitement.

Because he found that his current self is much stronger than before!

My current self can cast spells that I thought were difficult before!

"Hahaha! This feels so cool!" Fashen laughed loudly!

The third one who succeeded in refining was Yinshen.

After successfully refining, Yinshen directly used the power of the spell, and then the body of Yinshen could not be seen.

Even masters like Fashen and Lishen can't see the hidden god!

Although the Hidden God in the past could be invisible to others, a master like Lishen could still detect his smell, but now, the Hidden God can be completely invisible to others!

This ability is terrifying!

Think about it for a moment, who can withstand the attack of the hidden **** when there is no defense?

Even if you are a great master, you can't sleep well, right?

All three were shocked by the powerful power brought by the spell.

And the last one who succeeded in refining was Yu Shen.

After successfully refining, God Yu opened his eyes directly!

The Yu Shen at this time is very different from before!

The current feather god, not only can fly, but also become very powerful!

In the past, the feather **** could fly, relying solely on his own techniques to also feather. In a small cave, the feather **** could not fly!

But now, under Yu Shen's thought, his body floated directly! He can fly freely!

Not only that, but Feather God also possesses powerful power and powerful spells, which are originally possessed by the Dragon Race.

Therefore, Lin Kai said he was very lucky, and what he refined was the most powerful spell among the twelve spells!

At this moment, Lishen beckoned, and the other three brothers all came to him.

Lishen glanced at Lin Kai who was not far away, and said, "Have you all succeeded in refining?"

The other three people nodded.

A trace of greed flashed through Lishen's eyes: "We were not his opponents just now, but now, it's not necessarily anymore!"

"He is currently refining the black dragon suit. It is when he is unprepared. It is better to give him to the four of us now..."

With that, Lishen made a decapitating action.

Hearing that, the eyes of the other three people all appeared hesitant.

Lishen wants to take the risk!

If they succeed, they will get all the treasures of Lin Kai, but if they fail, the four of them are likely to die here!

Fashen is the most ruthless person. He just hesitated for a second, then nodded heavily and said, "I think it will work!"

He directly agreed!

Yinshen also nodded, and he also agreed with Lishen's idea.

Chapter 909: Take Complete Control

Chapter 909

There is only one person, who is still very hesitant, he is Yu Shen.

Yu Shen is the least courageous among the four of them.

After all, his combat power is the weakest among the masters. Even if he has a strong power now, it is difficult to change his character for a while.

Lishen looked at Yushen and asked, "Big Bird, what do you think?"

"Our time is running out!"

Yu Shen gritted his teeth, he was still hesitating.

“Big Bird, now you are all fused with dragon charms, so courageous?” Lishen asked with raised eyebrows.

Although Yushen is timid, he least likes people saying that he is timid. At that time, he gritted his teeth and said angrily: “Who is timid? Who is timid? Do it!”

Lishen heard this, and a smug smile appeared on the corner of his mouth.

At that time, the four of them drove towards Lin.

But Lin Kai was still refining the black dragon suit cross-legged, and didn't even care about the four of them.

Lishen shook his head at this time, and laughed: “Hehe, really young, just flick you a few words, do you still believe it? Actually still refine the baby in front of the four of us?”

“go to hell!”

At this moment, only Lishen roared, and he bombarded Lin Kai's face with a punch!

call!

The power of Lishen is very terrifying, even if it is a huge diamond, he has the power to bombard it, let alone a person's head!

The eyes of the other three people also showed bloodthirsty expressions.

But the moment Lishen's fist was about to touch Lin Kai's head, Lin Kai suddenly opened his eyes, and a mocking smile appeared at the corner of his mouth.

“set!”

It was just a simple word, only Lishen's body was seen, and it was fixed in front of Lin Kai at that time, motionless.

Lishen's eyes widened at the time, what's the situation?

I can't move my body! And he can't control his body!

Afterwards, Lin Kai closed his eyes and continued to refine his black dragon suit.

After seeing this scene, several other people were also dumbfounded. What is the situation?

This Lin Kai is so evil?

Fashen gritted his teeth and said: "The three of us, let's shoot together! This kid is a bit wicked!"

After listening to Fashen's words, the other two people also nodded heavily, and the three of them shot Lin Kai together!

The magic **** yelled, and a fire appeared in his hand!

The magic god's control of fire spells has reached the realm of perfection!

"Go to me!"

The magic **** controls the fire spell to burn the forest!

And Yinshen took out a dagger from his arms, and the dagger shot directly at Lin Kai!

In the end, it was Yu Shen.

Yu Shen opened his mouth directly, and a huge fireball spurted out of his mouth!

The three attacked Lin Kai together!

And at this time, Lin Kai just refined the black dragon suit!

At that time, Lin Kai stood up directly!

The black dragon suit was directly attached to Lin Kai's body!

The hard black dragon scales gleamed, emitting a demon-like light.

The hideous black dragon helmet made people shudder even more.

Helmet of the Black Dragon!

Black Dragon Battlegear!

Black Dragon Battle Dress!

Black Dragon Boots!

Black Dragon Armguards!

Black Dragon Gloves!

When these seven-piece suits appeared, they directly wrapped Lin Kai's body tightly!

The Black Dragon God Sword even appeared in Lin Kai's hands.

At this time, Lin Kai had quite an aura of unwillingness!

I saw flames and fireballs hit Lin Kai's body, and the dagger also shot Lin Kai's body, but the flames and fireballs could not hurt Lin Kai, and the dagger just drew a spark on the battle armor.

The corner of Lin Kai's mouth showed a playful smile.

"Hehe, why are you so disobedient?"

At that time, Lin Kai grabbed the three of them with one hand.

Afterwards, the three of them were very surprised to find that the true energy in their bodies had actually lost contact with them!

The three of them became ordinary people in an instant!

Afterwards, Lin Kai first grabbed the three of them in a short time!

Lin Kai glanced at Lishen, then grabbed Lishen again.

call!

In an instant, Lin Kai moved to the entrance of the cave.

Looking down, it is a ten thousand-foot cliff, and when it falls, it falls to pieces!

Lin Kai took them out in the air, and the four of them looked down, and they were almost scared to pee at the time.

"Ugh"

Lin Kai shook his head at this time, revealing a very regretful look.

"I originally wanted to accept the four of you as your subordinates, but now it seems that you are very unconvinced with me!"

"No way, I can only kill you."

After listening to Lin Kai's words, the four of them were almost crying right now.

They shook their heads desperately, begging Lin Kai to let them go.

“Master! Xiaoyu made the wrong master, they started it, master!” Yu Shen had already cried at this time, his legs trembling.

Lishen also wanted to cry without tears at this time. He knew that this Lin Kai was so uncomfortable to provoke, so they dare to provoke Lin Kai?

Lin Kai’s words can turn him from an ancient warrior into an ordinary person. In his heart, he regrets it!

“Master! Xiaoli was wrong too! Master!” Lishen also begged for mercy at this time.

Fa Shen and Yin Shen almost knelt down for Lin Kai.

The corner of Lin Kai’s mouth showed a playful smile. These four **** kings are all young, but they are quite afraid of death.

“I am in love with you, it is your blessing, but you are good, you still want to kill me?”

“I am the winner of the inheritance of the Golden Feather Master! I can give you the spells, I can think of you!”

“Don’t you toast or eat fine wine!”

Lin Kai shouted angrily.

The four of them nodded repeatedly after hearing Lin Kai’s words.

Lin Kai just snorted coldly, took the four of them back, put them at the entrance of the cave, and restored them to his anger.

At this time, the four of them didn’t dare to have two hearts with Lin Kai anymore, because Lin Kai’s strength had already shocked them.

“Master, what exactly is your cultivation level?” Yu Shen asked cautiously at this time.

The four of them are very curious, is Lin Kai so powerful, is it possible that he is a great master?

Lin Kai smiled slightly and replied: “The foundation construction period is complete.”

That’s right, Lin Kai’s cultivation has reached the completion of the foundation period! Only one step away, you can become a master of the Golden Elixir!

After listening to Lin Kai’s answer, the four of them looked at each other, surprised eyes appeared in their eyes.

Complete the foundation period?

What is this cultivation base? None of them have heard of it!

“The foundation building period is complete? Master, what kind of cultivation is this?” Yu Shen asked again.

Lin Kai smiled slightly and replied, “You can easily kill your cultivation base.”

After listening to Lin Kai’s words, the four of them trembled all over, and they didn’t dare to talk nonsense anymore.

Chapter 910: Familiar Back

Chapter 910

The cultivation base Lin Kai said was not well understood by the four great kings, but they really understood Lin Kai’s strength, it was too abnormal!

At this time, the four great kings did not dare to show any disrespect to Lin Kai.

After all, Lin Kai had already shocked them with strength!

At this time, Lishen was very curious, Lishen stood up and asked: “Master, why can’t I move after you only said one word?”

Lin Kai smiled slightly, he looked at Lishen, and said, “Do you believe me, as long as I say a word, you can go to death?”

Hearing this, Lishen shook his head.

Although Lin Kai is strong, can he die with just one sentence? What magical power is this? He didn’t believe it.

Lin Kai smiled slightly and said, “Kneel me down!”

Lin Kai just said this, with a plop, I saw Lishen kneeling directly in front of Lin Kai!

Upon seeing this, the other three people’s eyes widened. What’s the situation?

Isn’t Lishen always the most backbone? Why did you kneel down suddenly today? And there is no hesitation.

Not only were the three of them dumbfounded, even Lishen himself was very dumbfounded! I have no idea of kneeling at all! But with Lin Kai’s words, he knelt down without hesitation!

Lin Kai's words actually made him kneel?

"What's the situation?" Lishen looked down at him, his body actually didn't listen to his own words?

Lin Kai looked at Lishen with a smile, and Lishen's heart also slammed.

Lishen is not a fool either, now Lishen has realized what is going on, it is a charm!

Yes, yes, it is a spell!

Lin Kai is not a fool either. He will not give the spells to the three of them for no reason, nor will he be stupid enough to refine the treasures in front of them. The reason he dares to do this is because they refine the spells given by Lin Kai. .

After refining the spell, Lin Kai took control of their life and death!

"That spell..." Lishen's face was very ugly.

In other words, his own life and death have been controlled in the hands of this young man!

With one thought, one word, he would die!

Lin Kai nodded and said, "Yes, you have refined the spell, and now I control your lives."

Hearing this, the faces of several other people changed drastically.

They are powerful masters!

But now, their lives are in the hands of others!

"Don't worry, I won't do anything to you. If I can use you in the future, you will all work for me, and the benefits will naturally be yours." Lin Kai said lightly.

Good obedient, Lin Kai still wants to talk.

After listening to Lin Kai's words, the four great kings nodded in unison.

Now none of them dare to have two minds. Just kidding, even if they ran thousands of miles away, Lin Kai said they would die!

"From now on, you Lin Kai will be the master of our four great kings!" Lishen took the lead in clasp his fists.

The other three also expressed their loyalty.

Sure enough, there is no free lunch in the world! Lin Kai gave them spells, not for nothing!

Lin Kai nodded. He looked in the direction of Jiangbei City and said, "The time is up, it's time to go back, Xiaoyu, take me back."

"The spar, I will give your brother four."

Lin Kai said.

After listening to Lin Kai's words, their eyes lit up.

They thought that Crystal Stone Lin Kai would definitely take it away. After all, the lives of the four of them are now in Lin Kai's hands. Even if Lin Kai didn't give them the fart, they had no place to reason.

But they never imagined that Lin Kai was so generous that he didn't even want a million spar and gave it to them.

At that time, I saw Yu Shen lying in front of Lin Kai very cleverly, and Lin Kai directly rode on.

At that time, Yu Shen directly waved his wings and led Lin Kai out of the cave.

Soon after, Lin Kai rode Yu Shen and flew into the sky.

And Yu Shen merged the dragon spell, his flying ability, he improved a lot! Lin Kai clearly felt that Yu Shen was flying faster.

Soon after, Yu Shen sent Lin Kai back to Jiangbei City.

After being sent back to Jiangbei City, Lin Kai let Yu Shen leave.

Then, Lin Kai walked towards the Lin family.

Soon after, Lin Kai came to the gate of the Lin family. Lin Kai didn't go in. He just glanced at the Lin family from a distance.

After all, this is his home. Although it is not convenient for him to return to Lin's home, he still wants to take a long look at his home from outside.

Opposite the Lin family is a building. Lin Kai came to the alley beside the building, smoking a cigarette, watching the people coming and going in the Lin family.

Soon after, Lin Kai smoked a cigarette. He threw the cigarette **** on the ground, trampled it out, and was about to leave.

But at this moment, a figure attracted Lin Kai's attention.

The man walked directly out of Lin's house, and then strode towards the outside.

Lin Kai frowned, and the figure of the man was very familiar!

The man was wearing a mask. Lin Kai didn't see what he looked like. The one who sent him out was one of Lin's housekeepers.

Lin Kai frowned, his back looked like a person!

My brother, Lin Yuan!

At that time, Lin Kai hurried to catch up!

Could he have not died yet?

But when Lin Kai caught up with him, the person had long since disappeared. Lin Kai used his golden pupil and looked around, but Lin Kai still didn't find the person. The person was in a matter of seconds. Inside, it disappeared!

At that time, Lin Kai frowned, this matter was not as simple as Lin Kai imagined! That person is definitely a master!

At this time, Lin Kai thought of the person who sent him out.

That person is one of the butlers of the Lin family, who has been following his father before.

He sent that person out!

I saw Lin Kai somersault and turned directly into the Lin family. After all, it was his own home. Lin Kai was very familiar with his own home, and he quickly chased it in the direction of the housekeeper.

Soon after, Lin Kai saw the housekeeper.

The housekeeper hurriedly walked directly into Lin's house from the gate.

At this time, Lin Kai used his golden pupil, and he saw that a grenade was actually placed in his arms!

What does he want to do?

Lin Kai didn't startle the snake. He quietly followed the housekeeper, and the housekeeper was just an ordinary person. He did not discover Lin Kai's existence at all, nor did he have the strength to discover Lin Kai's existence.

Soon after, Lin Kai saw that he had actually come to his father's villa!

He is a close friend of his father, so the bodyguards around his father did not stop him.

He quickly walked into Lin Kai's father's bedroom.

The next scene made Lin Kaifei angry!

I saw the housekeeper put the thunder directly behind the door of Lin Ting's bedroom!

And the handle of the grenade is fixed to the door of the room. As long as the door is opened, the grenade will pull the ring and explode immediately!

Chapter 911: He's Not Dead

Chapter 911

Grenade!

Damn him, he wants to blow up his father!

Lin Kai was furious at the time!

He remembered that his father treated him, but he was not thin!

But he actually wanted to blow up his father!

At that time, Lin Kai was furious! He slipped directly into the old man's villa, and the bodyguards outside did not find Lin Kai.

I saw the old housekeeper sneaking out of the old man's bedroom after putting off the grenade.

As long as the old man comes back and opens the door, he will be blown to pieces!

When he was about to walk down the stairs and leave, a figure suddenly appeared at the top of the stairs.

The old housekeeper was taken aback, and he took a few steps back!

“Young... Young Master?” The old butler’s eyes widened, his expression unbelievable.

But then, the old housekeeper quickly pretended to be calm.

“I’m here to see the master, and the master seems to be away.” After the old butler said, he wanted to pretend to be okay and leave quickly.

But the corner of Lin Kai’s mouth showed a sneer.

He approached step by step, and the old housekeeper didn’t dare to look directly at Lin Kai’s eyes, and was forced to step back by Lin Kai.

“My Lin family treats you badly, right?”

“Your family, young and old, all eat and drink from the Lin family, right?”

“The reason why your son can go to college is because of our Lin family?”

“Your house and car are all given by my father, right?”

Every time Lin Kai said something, the old butler took a step back. At the end of the day, the old butler had already retreated to the corner, and there was no way to go back!

“I...” The old housekeeper was pale and hesitated, unable to say a word.

“If you don’t give me a satisfactory explanation today, not only will you die, your son and your wife will all be implicated for this!” Lin Kai said angrily.

thump!

At this moment, the old butler could no longer withstand the tremendous pressure Lin Kai put on him, and knelt directly in front of Lin Kai.

“Master, it’s all... all...”

“The second young master forced me!”

The old butler cried and cried, his body trembling.

Young Master?

In other words, Lin Yuan?

Although Lin Yuan is older than Lin Kai, he is Lin Lei's son after all. Therefore, in the Lin family, Lin Kai is the eldest young master, and Lin Yuan is called the second young master.

Of course, some people call Lin Yuan the eldest master.

Hearing what the old housekeeper said, Lin Kai had an epiphany at the time.

It turns out that he really is not dead!

With so many things before, Lin Kai suddenly had a clue!

In other words, it was Lin Yuan who wanted to defile Long Xiaoling!

Lin Yuan pretended to kill so many people!

The person who left the Lin family just now was Lin Yuan!

"Is he still alive?" Lin Kai asked angrily.

The old butler nodded, and replied tremblingly: "Young Master, the Second Young Master is indeed still alive, it seems... it seems to be very powerful!"

"He can teleport!"

"Can fly!"

After listening to the old housekeeper, Lin Kai frowned

In this way, my own brother seems to have gained great luck against the sky! No wonder I couldn't catch him just now!

"Young Master, Second Young Master knows the address of my house, and also knows where my son goes to school, I...I have to do this..." the old housekeeper cried.

Seeing his pitiful appearance, Lin Kai couldn't bear it.

However, after all, he did something that was not good for the Lin family.

For a while, Lin Kai didn't know what to do with this old man.

"Why did he come to you just now?" Lin Kai asked coldly.

The old butler replied: "He...he wants me to blow up the owner with a grenades..."

At this moment, the old housekeeper lowered his head, he was also a little guilty.

After all, he eats the Lin family's food and drinks the Lin family's food, and in the end he has to help outsiders to blow up the Lin family's head.

"Master, I really don't want to do this! It's just...it's just that the lives of my family of four are in his hands!"

Lin Kai's eyes were very cold. Now that the target appeared, Lin Kai's motivation also appeared.

Find Lin Yuan and kill Lin Yuan!

"Did he tell you where he is going?" Lin Kai asked coldly.

The old butler shook his head and said: "He didn't say, he just said, in three days, he will come back to me."

After hearing the words of the old housekeeper, Lin Kai nodded: "Remember, you don't know anything, and I have never been here."

"Pull the handle, and blow up my father's room, go."

The old housekeeper was taken aback when he heard the words, "Huh?"

"go!"

Lin Kai frowned and urged impatiently.

"it is good"

The old housekeeper came to Lin Ting's bedroom again and opened the door.

After opening the door, the old housekeeper walked away quickly. Soon after, there was a loud bang, and a violent explosion occurred from Lin Ting's bedroom.

"Master..."

When the old housekeeper turned his head, Lin Kai had already disappeared without a trace, and the downstairs was also in a mess, and countless bodyguards were checking where the explosion happened.

The old housekeeper also hurriedly left.

Soon after, Lin Kai left the Lin family.

After leaving the Lin family, Lin Kai's mood has not been very good.

It turns out he is still alive! So what has he experienced? Actually become so powerful?

At this time, Lin Kai hated Lin Yuan extremely!

This man broke his marriage! Had it not been for him, Lin Kai would have been married now!

Because of him, Lin Kai and Long's family broke completely!

Just thinking about it, Lin Kai was about to walk to the community where the Chen family was located.

I haven't seen him for so long, and I don't know what happened to Long Xiaoyun.

At this time, Lin Kai passed a express supermarket, and Lin Kai walked in like a ghost.

Well, write a letter to Long Xiaoyun.

Sitting in the express supermarket, Lin Kai wrote a letter to Long Xiaoyun.

Xiaoyun, this is Lin Kai.

Long time no see, how are you?

I know you must hate me very much now, but I have now figured out the truth of the matter.

Someone wants to frame me, and that person is my cousin, Lin Yuan.

He came back, he was not dead.

In my name, he killed countless people, causing me to kill thousands of people who invaded the Lin family. I was afraid that he would plot against you.

So, you must be careful.

I know you may not believe what I said.

But you give me a while, when I kill Lin Yuan, I will lift his head to apologize!

After writing the letter, Lin Kai glanced at his Universe Bag again.

Lin Kai took out the jade mask.

The jade mask was found in the great master Cheng Zilei's universe bag. The jade mask is very beautiful, but Lin Kai doesn't know what it does.

Lin Kai wrote in the letter: "I got this mask from a master of the master level. I gave it to you. I don't know what it does. I only know that it looks beautiful. use."

After writing this letter, Lin Kai mailed the letter together with the mask to SF Express.

Chapter 912: Lin Kai's Letter

Chapter 912 Lin Kai's Letter

After doing all this, Lin Kai returned to the Chen family.

In the Chen family, Chen Leier is wearing pajamas, sitting on the sofa in the living room, with Erlang's legs tilted, nibbling sunflower seeds and watching TV.

After seeing Lin Kai coming back, Chen Leier glanced at Lin Kai and said, "I'm back?"

Lin Kai nodded and glanced at Chen Leier.

Chen Leier really doesn't regard herself as an outsider!

A big man herself, she actually wears such revealing pajamas!

It was a one-piece lace pajamas. With Erlang's legs upturned, her two beautiful legs came directly out of the pajamas and were exposed to the air.

Those beautiful legs are really flawless, without any flaws, they look very silky.

Her jade feet are even more eye-catching. The ten toes are very round and the nail polish is also crystal clear, which will give people an indescribable feeling.

Chen Leier saw that Lin Kai was watching herself, and she actually had a hint of pride in her heart.

It seems that my old lady is still attractive!

I thought you were invulnerable!

At this moment, Xiaoduo walked over quickly, and she took the coat that Lin Kai handed over: "Sir, have you eaten? Do I need to cook for you?"

Lin Kai smiled and nodded, and said: "Trouble."

Xiao Duo smiled, and then went to the kitchen to work.

Soon after, Lin Kai sat beside Chen Leier.

Chen Leier glanced up and down at Lin Kai and said, "Hey! You are a bodyguard! Why do I feel that you treat this place as your own home?"

Lin Kai couldn't laugh or cry: "My bodyguard mission is over! Now I'm just staying with you temporarily."

After listening to Lin Kai's ridiculous words, Chen Leier said angrily: "It turns out that you are a eater! You will live with me in the future, but you have to pay for it! You are a tenant!"

After listening to her, Lin Kai smiled helplessly: "Now you are the chairman of the Wild Wolf Security Company. Are you still short of this money?"

"That's different!"

Chen Leier said with arms akimbo.

Lin Kai asked, "Why is it different?"

"I'm the eldest daughter of Huanghua! You are my personal bodyguard. You live here, and you can talk about it."

"You are my tenant, and it's spread out, and there are talks."

"If you are nothing and live here, how do people think of me? Isn't my innocence ruined?"

After listening to her, Lin Kai was also taken aback.

He hadn't considered this issue. Thinking about it now, it seems that this is the truth.

After all, she is a big girl! It's really inappropriate to live in someone's home like this.

"Well, then I will move out tomorrow."

Lin Kai shrugged, stood up, and walked upstairs.

"you!"

When Chen Leier saw this, she was almost out of breath at the time!

It's really an elm head! Wouldn't you think about it in another way?

I don't resist you living here, it means I have you in my heart! If you are my boyfriend, you can live here with integrity!

But Lin Kai didn't think so much.

In his mind, only Long Xiaoyun was left.

...

Soon, the whole night passed. In the afternoon, Lin Kai was packing his clothes in the room.

He was about to leave Chen Leier's home.

And Chen Leier leaned on the door frame, looking at Lin Kai who was packing her clothes, and she was speechless for a while.

At this moment, she deliberately wanted to let Lin Kai stay, but she had already said what she said yesterday. Now that she wanted Lin Kai to stay, she really didn't know what excuse she could find.

"Hey! Are you really leaving?" Chen Leier asked.

Lin Kai smiled and said, "I think about it, I live with you, and it really doesn't affect you very well. I'd better move out."

After listening to Lin Kai's words, Chen Leier stomped her feet and said, "Lin Kai! You are really an elm-headed man!"

Lin Kai looked at Chen Leier dumbfounded and asked, "What's wrong with me?"

Chen Leier was so angry that she didn't know what to say, so she turned around and walked out of Lin Kai's room.

Soon after, Xiao Duo came to Lin Kai's room.

Xiaoduo also glanced at Lin Kai irritably, and said, "Sir, you can really annoy my lady!"

Lin Kai was also dumbfounded. He said, "I don't know where I provoke her!"

Xiaoduo hugged her arms and said in an expert posture: "Are you stupid? Think about it, you can't appear as a bodyguard, or as a tenant, so what is left?"

Lin Kai looked at Xiaoduo with a dazed expression. He shook his head and asked, "What?"

"You should appear as a boyfriend!"

Having said that, Xiao Duo shook his head while leaving Lin Kai's room.

Lin Kai was also stupid.

That's what she meant!

Be Chen Leier's boyfriend? how is she? Lin Kai thought about it carefully. She was actually quite good, with a good temperament, a good family background, three views of integrity, and a beautiful appearance.

It's really suitable to be Lin Kai's girlfriend.

However, there is another person in Lin Kaixin, and that person is Long Xiaoyun.

forget it.

After Lin Kai packed his luggage, he left Chen Leier's villa directly.

And Chen Leier stood on the balcony and watched Lin Kai leave. Her heart was very regretful. She had known that Lin Tong was leaving, she shouldn't have said those things yesterday!

It's all right now, I've forced Lin Kai away!

When she thought of this, Chen Leier's tears flowed down unbelievably.

...

Capital, Long's House.

Long Xiaoyun's room is very simple.

Although Long Xiaoyun had been out of the army for a while, her room was still very tidy as she was in the army.

Tofu-like quilts, neat desks, and bookshelves full of books.

Long Xiaoyun wore a casual outfit, which gave the impression of being clean.

She picked her hair behind her ears and looked at the courier in front of her.

The courier did not know who mailed it to her, so she took out the scissors and opened the courier.

Lin Kai hadn't seen Long Xiaoyun for a while, and if he could see Long Xiaoyun, he would definitely find that Long Xiaoyun was now a lot more haggard.

To say that it is not haggard is to give people a feeling of haggard.

She opened the courier and took out the letter Lin Kai wrote to her.

When she opened the envelope, Long Xiaoyun was stunned.

It was actually a letter he wrote to himself!

In a few minutes, Long Xiaoyun had read the entire letter.

Her tears fell unconvincingly.

Although in the army, she is a steel beauty Long Xiaoyun, bleeding, sweating and not crying, but in front of Lin Kai, she seems to be a gentle and sensible big sister, her tears are like worthless Doudou Same, it will fall at any time.

She looked at the jade mask, she took it up and placed it in front of her eyes to look carefully.

“Lin Kai, should I believe you?”

Chapter 913: Weird Mask

Chapter 913

In fact, Long Xiaoyun had deep feelings for Lin Kai.

It's just that, after all these things happened, Long Xiaoyun didn't know whether he still had feelings for Lin Kai.

She only knew that she often thought of Lin Kai.

Lin Kai was in her mind for a long time and could not forget.

After so long, Lin Kai didn't contact her. She thought that Lin Kai had already forgotten her.

But now that she suddenly received a letter from Lin Kai, she was very happy.

At least, Lin Kaixin still has her.

Looking at the jade mask in his hand, Long Xiaoyun was lost in thought.

Her hand gently stroked the jade mask.

And the jade mask also gave out a crystal clear light.

Unconsciously, a drop of Long Xiaoyun's tears fell, and it happened to drip on the mask, and the surface of the mask emitted a faint light, which Long Xiaoyun did not notice.

After the tears dripped on the mask, they were quickly absorbed by the mask.

At this time, Long Xiaoyun picked up the mask, she wanted to wear it.

I'm afraid, everyone will wear the mask after they get this novel toy, right?

Soon, Long Xiaoyun put the mask on his face.

She looked in the mirror.

In the mirror, Long Xiaoyun wore a jade mask. The jade mask looked a little strange. Wearing it on his face gave people a sense of fear from the heart.

Long Xiaoyunxiu frowned, she hated this mask, she wanted to take it off.

But when he moved, Long Xiaoyun discovered that something was wrong.

Because the mask can't be taken off at this time!

It seemed to grow on Long Xiaoyun's face, pulling it hard, Long Xiaoyun felt his face hurt.

what 's wrong?

Long Xiaoyun felt fear, Lin Kai, would you use this mask to poison me?

Long Xiaoyun looked in the mirror again, and this time, her face was completely horrified.

She found that the mask was slowly fusing with herself!

The mask melted into his face bit by bit!

And Long Xiaoyun's whole body is also changing.

Her skin has become white!

No flaws.

The calluses on her hands are slowly being repaired.

The scars she left during training are also disappearing.

A mysterious and powerful force appeared in her body!

Long Xiaoyun looked at herself in horror!

An hour later, the mask had completely merged into Long Xiaoyun's face.

Looking at Long Xiaoyun's face again, Long Xiaoyun couldn't recognize herself at the moment.

The delicate facial features are flawless.

The skin is white and tender, with no wrinkles visible.

She has black and beautiful black hair, and even her hair is much better than before.

At this moment, Long Xiaoyun has changed from the steel beauty before to the beautiful lady on the scene.

She couldn't recognize herself anymore.

This mask made her change in appearance!

The former Long Xiaoyun, although also very beautiful, was not very beautiful either. But now Long Xiaoyun is not at all lost to the big stars on TV.

"This...what the **** is this?"

Long Xiaoyun didn't know what the mask was, nor did he know whether the change in his appearance was a good thing or a bad thing for him.

...

On the other side, Dongtu Continent.

Since Lin Kai gave Rhubarb the status of the administrator of the East Turkland, Rhubarb has become the real master of this land!

It can do whatever it wants in this world!

The East China Continent is very large, with a radius of hundreds of kilometers, which is quite the size of a small country.

And now the East Earth Continent is not lonely.

Because Lin Kai moved the entire fairy gate here.

On the second floor of the East Earth Continent, originally, this place was a ruin, which was made a mess by Lin Kai and the other special forces.

But since the people who fight the immortal gate came, the place has been unifiedly built.

It became the base of Xianmen.

The houses are wooden houses, and there are many trees here.

Xianmen disciples are here, in addition to practicing every day, they are building an Xianmen base.

Life here can be said to be extremely easy.

There is no hustle and bustle in big cities, no smog, no electronic equipment, only blue sky and a piece of pure land.

Rhubarb has discovered many good things in the East Turk continent.

For example, it now allows all the immortal disciples to become cultivators.

Not bad.

Thousands of disciples of Xianmen all became cultivators.

The East Earth Continent is rich in material and full of spiritual energy, which is completely enough for these thousands of people to cultivate.

The fairy gate at this time is stronger than ever!

When Lin Kai was about to leave, he once explained that rhubarb would unite the eastern continent.

And Rhubarb did it too.

It is now the king of beasts in the East Earth Continent! All the powerful animals in the East Earth Continent are all dispatched by rhubarb.

Just like thousands of years ago, all animals were enslaved by humans.

The red-eyed wolf tribe has become a hound for hunting rabbits by the immortal disciples, the white snow bear has become a mount for human beings, and all kinds of animals have been used by the immortal disciples.

At this moment, Li Lao Dao and the other three are sitting in the sun basking.

That's right, the three brothers got together again.

There is no need to protect Jiangbei Lin's family, all are here.

At this moment, the three brothers are all at the beginning of the foundation period.

Who makes the aura here? They are not stupid, and their cultivation speed is naturally fast.

"I don't know what happened to the boss." Old Li flicked the whisk, squinting his eyes.

"The boss is definitely better than us." Wang Gang replied.

On one side, the master Xinxin put his hands together and said: "Amitabha, according to the poor monk, the boss should be picking up girls."

Upon hearing this, the other two rolled their eyes.

"I said, Monk Xinxin, it looks like you are very noble, but in fact you are very boring, can you not always pretend to be a good monk?" Old Master Li looked at Master Xin and frowned.

Master Lixin smiled and replied: "Amitabha, are you a serious person? Throwing a whisk every day to pretend to be a Taoist priest, are the things you have done that a Taoist priest can do?"

"You look for a fight!"

Master Lixin was just talking about his pain. At that time, Old Li Dao was furious and the two fought directly!

...

After Lin Kai left Chen Leier's house, he was very worried for a while.

What should I do for myself at this moment?

live in hotel?

Now I am a wanted criminal! When I stayed in a hotel, someone came to arrest myself soon.

Come back home?

That will only expose yourself more and may cause unnecessary trouble to your family.

At this moment, Lin Kai called Huang Hai.

Soon after, the call was connected.

“Hello? Huang Hai.”

Huang Hai’s lazy voice came from the phone.

Since Chen Leier took office, Huang Hai, as Lin Kai’s most iron friend in the company, has also risen in status.

Zhang Debiao was fired by Chen Leier at that time, and his position is now Huang Hai.

Chapter 914: Baye

Chapter 914

“It’s me, Lin Kai.” Lin Kai said into the phone.

“Big brother! You are finally willing to call me!” Huang Hai was obviously excited.

In the company, there are not many people who can talk to him. Lin Kai counts one.

“Big brother, I’m telling you that I’ve been exposed to your light. Now I am the manager of the security department of the Wild Wolf Security Company!”

In the wild wolf security company, the position of the security department manager is very important, because the security department is the department in charge of the company’s bodyguards, and there is a lot of oil and water.

He was able to become the manager of the security department because of Lin Kai.

“Congratulations!” Lin Kai smiled faintly.

“Big brother, where are you? I’m going to find you!”

Huang Hai took the initiative to say.

Lin Kai glanced at the villa area behind him, and said, “I’m at the gate of the Chen family villa area, you drive here.”

“okay!”

Soon after, Huang Hai hung up the phone.

Lin Kai took his luggage and stood at the gate of the villa area.

After about half an hour, a brand-new BMW stopped in front of Lin Kai.

Huang Hai got out of the car.

Huang Hai was wearing a brand new suit and a famous watch on his wrist, which was very beautiful.

He was wearing sunglasses with a triumphant smile at the corner of his mouth: "Big brother! Go! I'll treat you to a good meal!"

Lin Kai couldn't laugh or cry: "Hehe, it's really a little money to expand!"

"That is, don't you have to spend it if you make money?" Huang Hai laughed.

Lin Kai put his luggage into the back of the car, and he took the seat of the co-pilot.

When Huang Hai sat in the driving seat, he looked at Lin Kai, then glanced at the luggage behind him with a look of surprise.

"I said, you won't be driven out by Chairman Chen, right?" Huang Hai asked.

Lin Kai shook his head and said, "That's not true, I am a big man, living in her house is not convenient."

After listening to Lin Kai's words, Huang Hai showed a jealous expression.

"I really don't know the blessings of being in the blessing! If I can live in Chairman Chen's house, I would like to stay there forever!" Huang Hai said angrily.

Lin Kai smiled slightly and did not speak.

"Then you don't have a place to live now, do you?" Huang Hai asked.

Lin Kai nodded and said, "Yes, I just wanted to tell you about this. You can help me find a place to live."

"Just live with me? The new apartment the company just arranged for me, the boss!"

Huang Hai said.

Lin Kai heard this and asked: "Does real-name registration need to be?"

"need."

Huang Hai nodded and replied.

Lin Kai shook his head, "No, I need you to help me find a place that is not registered in real name."

After hearing what Lin Kai said, Huang Hai was in trouble.

An unregistered residence?

Huang Hai began to search carefully in his brain, and soon after, his eyes lit up.

"Yes!"

"There is Baye Tianqiao!"

After listening to Huang Hai's words, Lin Kai showed a puzzled expression.

"Baye Tianqiao?"

Listen to the name, this Ba Ye seems very domineering!

"Yes, this Lord Ba is in the underground world of Jiangbei. It is amazing. It is said that this Lord has great means!"

"He has an apartment under him. He lives in his apartment. You don't need to register with the real name, just pay for it!

"There will never be anyone checking Lord Ba's apartment, Lord Ba has something to do!"

Hearing this, Lin Kai's eyes lit up, that Ba Ye's apartment basically met the conditions of the apartment Lin Kai wanted to find.

"but"

Huang Hai looked hesitant to speak.

"But what?" Lin Kai asked.

Huang Hai said: "It is said that the people living in this apartment are all cruel characters. It is said that there are fugitives and murderers!"

"It's messy!"

After listening to Huang Hai's words, Lin Kai shrugged his shoulders and joked, would anyone who is dignified by himself be afraid of this?

"Drive!"

“okay!”

Huang Hai knew that Lin Kai was not an ordinary person. Without a word, he drove directly towards the place of Tianqiao Baye.

After an hour, the two arrived at the apartment where Ba Ye Tianqiao was located.

Tianqiao Baye is called Tianqiao Baye because there is a big flyover beside his apartment, and Baye lives here, and the reputation of Tianqiao Baye gradually became louder.

In front of Lin Kai and Huang Hai, is a super large apartment.

From the outside, this apartment is relatively new, covering an area of about 3,000 square meters, with a total of eight floors.

Under the apartment, there are bicycles and many cars parked, including luxury cars.

“That’s it.”

Huang Hai said.

Lin Kai nodded. He took his luggage from the car and walked towards the apartment with Huang Hai.

Soon after, Lin Kai and Huang Hai walked into the apartment. As soon as they entered the apartment, Lin Kai’s brows frowned.

Inside this apartment, it looked almost like a university dormitory, and a smell of stinky feet and sweat came over immediately.

In the corridor, there were many strong men standing, some of them shirtless, smoking cigarettes.

Smoky and misty.

“stop!”

As soon as Lin Kai and Huang Hai walked into the apartment, they were immediately stopped by a brawny, shirtless man.

The brawny, shirtless man came to Lin Kai and Huang Hai arrogantly. He looked at them up and down and asked, “What’s the matter?”

Lin Kai replied, “I rent a house.”

The brawny man took another look at Huang Hai. Huang Hai was wearing a suit and wearing a famous watch on his wrist. He already regarded Huang Hai as a nouveau riche.

“follow me!”

Afterwards, the strong man took the lead and walked in with Lin Kai and Huang Hai.

Soon after, the two appeared at the door of an office.

Bang bang bang!

The brawny man knocked on the door of the office, and soon there was a voice from inside the door.

“Who? Come in!”

After that, the strong man directly pushed open the door of the office. As soon as the door was opened, a burst of smoke floated out.

In the office, there were seven or eight strong men sitting together, seven or eight strong men were playing cards together, each with a cigarette in his mouth.

They are basically shirtless, with tattoos all over their bodies, and several bald heads with fierce faces.

And behind the desk, there was a person sitting.

The man, who looked like he was in his forties, was wearing a white shirt and a pair of long black pants underneath. He was very old-school.

He is the Ba Ye called by the people.

“Baby, a tenant is here.”

“Oh?”

Hearing this, Ba Ye raised his head and glanced at Lin Kai and Huang Hai.

The brawny men who were playing cards also looked at them.

“Show the remaining room to them both.” Ba Ye said lightly.

“okay!”

Someone immediately agreed and went to the tablet.

Soon after, the tablet was in front of Lin Kai.

“The cheapest, five hundred yuan a month! Six people’s congresses live together! All water and electricity!”

Chapter 915: Luxury Suite

Chapter 915

When Lin Kai came, he glanced at the rooms on both sides of the corridor.

It is almost the same as university dormitory, but the environment is much worse than university dormitory.

In each room, there were about six people, cigarette butts on the same floor, and every room was full of smoke and no one cleaned it.

The 600 yuan wallet for water and electricity is indeed not expensive, but Lin Kai has not yet fallen to the point where he lives in such a place.

“Is there no better environment?” Lin Kai asked.

Hearing that, the brawny man smiled: “Heh, why not? As long as you have money, you can have any room!”

After all, the bare board sturdy man slid the tablet, and a new room appeared.

“Three thousand yuan a month, a single room, with toilet and kitchen, about 50 square meters, including water and electricity.”

Lin Kai took a look.

The size is about the same as that of six people, only three thousand yuan, and only one person lives.

Lin Kai still shook his head. Such a room is indeed not expensive in the golden city of Jiangbei, but Lin Kai still looks down on it.

“Is there any better?”

Hearing this, the brawny man gave Lin Kai a very surprised look, and even Lord Napa glanced at Lin Kai more.

“Have!”

The brawny man swiped the screen again, and the new room appeared in front of Lin Kai.

“One hundred and thirty square meters, two rooms and one hall, one kitchen and one bathroom, ten thousand a month!”

Lin Kai looked at it and found that such a room is similar to an ordinary residential family, but the environment is still very ordinary.

“Which is the best?” Lin Kai asked directly.

“The best? Are you sure?” the brawny man squinted his eyes and asked.

Lin Kai nodded and said, “I’m sure.”

I saw the brawny man slid back several times, and revealed a new house for Lin Cheung.

“Top floor! Three hundred square meters! New furniture and bedding! Cleaned every day! Luxury suite! One hundred thousand a month!”

Lin Kai looked at it and found that this one hundred thousand a month was different, and it was up to the specifications of a five-star hotel.

“Also, if you live in our luxurious suite here, that’s a guest of Lord Barbara! What’s going on in the future, Lord Barbara’s name, it works!”

The brawny shirtless man patted his chest and said.

One hundred thousand a month, that’s a big customer!

“Just this set, it’s scheduled for three months first.” Lin Kai directly took out his bank card.

When Ba Ye saw it, his eyes lit up, he was really a big customer!

Swipe directly!

With a beep, 300,000 were swept away directly!

There was no contract. At this time, Lord Ba stood up personally and came to Lin Kai with a smile.

“Living with me, guarantee your safety within these three months! In Jiangbei City, no one has dared to trouble my Lord Ba!”

Most of the people who live here are not very clean.

As for Lord Ba, he also thought that Lin Kai might be hiding from someone or something, so he said that to Lin Kai.

Lin Kai smiled and nodded: "Hehe, then I would like to thank Lord Ba."

"You're welcome, bald head, send the distinguished guests upstairs!"

"okay!"

A big bald head behind Ba Ye stood up and said, "Please!"

Then Lin Kai and Huang Hai walked upstairs.

I have to say that the richer the person, the higher the quality.

On the first floor and the second floor, most of the people living in it are poor households with 600 yuan a month, and they are all in a mess!

But after reaching the third floor, it was different.

The people on the third floor are basically one person and one room. Although it is not very clean, at least it does not feel like a miasma.

The fifth and sixth floors live in large rooms of 130 square meters. One person and one household. The corridors are clean and seem to be very hygienic.

When I came to the eighth floor, it was different.

The walls are clean white, and the ground is covered with red carpets. Above the corridors, there are chandeliers. Even the door locks are electronic locks. Occasionally, a cleaning lady passes by.

It seems that money can really push the ghosts!

The big bald head led the two to the innermost room, opened the door, and handed the room card to Lin Kai.

"Two brothers, this is your room. If you have anything to do, just call downstairs, run some errands or something, I will let the brothers do it!"

After all, the big bald head went straight down.

The people here are very heavy!

Lin Kai and Huang Hai walked into the room.

This room of 300 square meters is really lavish!

Big living room! Big TV! Big sofa!

The furniture is new, the bedding is also new, and there are large French windows. Looking down from the top, you can see the sea view not far away, which is very pleasant.

“Not bad!” Huang Haidao.

Lin Kai nodded and said, “It’s okay.”

Then, Lin Kai put his luggage on the sofa.

“Boss, I said you can afford one hundred thousand yuan a month’s rent. I think you are not an ordinary man! Why do you want to evade?”

Huang Hai asked very puzzled.

Lin Kai smiled and shook his head, and said, “Hehe, you don’t understand.”

“I’m going to take a shower. You can sit here for a while.” Lin Kai said.

Huang Hai waved his hand and said, “No boss, there is still something in the company waiting for me to go back to deal with it! Let’s talk back to boss!”

After all, Huang Hai left.

Lin Kai took off his clothes, walked into the bathroom, and began to take a bath.

After taking a shower, Lin Kai changed into a bathrobe and lay on the sofa.

Taking out his mobile phone, Lin Kai watched the TV series boredly.

At this moment, a woman’s scream suddenly came from outside.

“let me go!”

“Don’t move me!”

“Believe it or not, I’m looking for my master to kill you?”

A woman’s voice, it sounds like a woman is very young, that is, the voice of her twenties.

Afterwards, Lord Bas voice came: “Little sister, you haven’t paid the rent for three months, and you are still arrogant with me? You really treat my Lord Ba as a dry meal?”

After listening to the conversation between the two of them, Lin Kai also ignored them.

Being kicked out without paying rent is also something that deserves it.

“Papa, give me a while, I’ll pay it right away, will you give me a while?”

The voice of the woman sobbing came.

Afterwards, there was a burst of laughter from the brawny.

“Fuck you! I’ve already inquired about it! You are a waiter in the restaurant, with a monthly salary of 5,000 yuan. What do you use to pay the rent?”

“If you don’t have money, would you dare to live in a top-level suite of one hundred thousand a month? You are too extravagant, right?”

A man shouted and cursed.

A waiter for five thousand yuan a month? Living in a top suite for 100,000 yuan?

Lin Kai smiled and shook his head, the girl now is really vanity!

“Believe me! I am a thief! Tomorrow I will pay the rent! Don’t force me to do it!”

The sound of the girl’s collapse came.

Pirate Saint?

Lin Kai narrowed his eyes, he knows Saint Thief!

And this girl’s voice seems to be familiar!

Chapter 916: Pirate Saint?

Chapter 916

Lin Kai frowned, he stood up and walked directly outside.

At this time, at the end of the corridor, a girl was forced into the corner.

The girl was in her early twenties, wearing a tight black leather jacket, and her figure was very hot.

And she has wavy hair, red wavy hair, and her face is excellent.

As for the people surrounding her, there are about a dozen strong men, and the leader is naturally Ba Ye.

Ba Master hugged his arms and sneered: "Hehe, little girl, my Ba Master is also a ruler. If you pay the rent honestly, I will definitely not do anything to you."

"But if you didn't pay the rent for three months, you threatened me? You are the air when you become a master?"

After that, Ba Ye squinted his eyes and approached the girl.

The dozen or so strong men behind him also showed squinted smiles, and they approached the girl one after another.

And the girl showed a frightened expression, she was very nervous: "Don't come here!"

"I came here, what's the matter?" Ba Ye squinted and smiled and took a step forward.

He rubbed his hands and couldn't wait.

"Here, Lord Ba, there are Lord Ba's rules. If a man does not pay the rent, he will break a leg, and if the woman does not pay the rent, he will have a good time with my brothers."

"Lord Ba sees you look good, then you can cool off with Lord Ba! Hahaha!"

Having said that, the first officer of Ba Ye grabbed the girl's hand directly.

And a trace of cruelty flashed through the girl's eyes.

"You forced me!"

After all, I saw the girl flipped her hand, and then she flipped Ba Ye's hand away! Afterwards, the girl turned over and a scissor leg directly clamped Ba Ye's neck!

Then, the girl's willow waist turned over, and Ba Ye's body fell heavily to the ground at that time!

boom!

"Ouch..."

Ba Ye's painful cry came.

This woman is actually a practicing family!

“Baby! Baby!”

A group of people immediately helped Ba Ye up, and Ba Ye was covering his injured place, frowning.

He gritted his teeth fiercely, and said angrily: “Little lady, dare to do something to me? Give me a good lesson and teach her!”

“okay!”

At that time, a dozen strong men all agreed and walked quickly towards the girl.

Subsequently, more than a dozen strong men shot at the same time!

And the girl’s skill is also very flexible, she is a practicing family.

But two fists are hard to beat four hands! In a short while, the girl could no longer hold it.

At this moment, a strong man hit the girl’s stomach with a fist. The girl cried out in pain and spit out a mouthful of blood, and she fell directly to the ground.

“puff”

The girl was obviously seriously injured!

Ba Ye looked at the girl coldly, without the slightest sympathy in his eyes.

“Dare to be presumptuous here? Don’t look at what this place is! Tianqiao Baye’s site, Qi is where you can be presumptuous?”

Having said that, Lord Ba rubbed his hands eagerly, and said with a wicked smile: “Hey, wait to be favored by Lord Ba!”

Just as Lord Ba was approaching the girl, Lin Kai’s voice suddenly came.

“Baby, wait a minute.”

Everyone turned their heads together, and saw Lin Kai coming over from a short distance.

Everyone flashed out a passage for one person to pass through, and Lin Kai walked over.

Lin Kai is a big client who has just rented a luxury suite for three months, so Ba Ye naturally wants to give Lin Kai three points of face.

“It turned out to be Mr. Lin, what’s the matter?” Ba Ye asked.

Lin Kai didn’t speak, he looked at the girl.

The girl also looked at Lin Kai.

The moment the two looked at each other, the girl seemed to have found a life-saving straw, and rushed directly to Lin Kai, hiding directly behind Lin Kai.

“Lin Kai!”

This girl is actually Zhu Manqing!

Zhu Manqing, the apprentice of the heavenly master.

When he was in Yanjing, Lin Kai caught Zhumanqing thief on the street. Later, through her, he got to know her master, the heavenly master.

But Lin Kai never expected that Zhu Manqing would be so miserable now!

“Yeah, Mr. Lin, do you still know her?”

Ba Ye asked quite unexpectedly.

Lin Kai nodded and smiled: “Haha, yes, Lord Ba, give me a face, forget it.”

After listening to Lin Kai’s words, Lord Ba’s face also showed an unhappy expression.

“Mr. Lin, this little girl owes me three months’ rent. If this matter is forgotten, how can I take my brothers in the future?”

Lin Kai nodded when he heard the words, and said, “In this way, I will make up for the three months’ rent she owes.”

Hearing this, Lord Ba frowned.

The reason why he let Zhumanqing stay here for three months is because he fell in love with Zhumanqing and wanted to force Zhumanqing to submit.

But the appearance of Lin Kai completely disrupted his plan.

The dozen or so strong men behind him obviously understood what Ba Ye meant, and they all looked at Lin Kai with a bad look.

“Mr. Lin, this thing really doesn’t work, you should go back.”

There was no more smile on Ba Ye's face.

A smile appeared on Lin Kai's face again: "Hehe, Lord Ba, in this way, I will double the rent she owes to you, how about?"

Hearing this, anger already appeared on Ba Ye's face.

The reason why he let Zhumanqing live for three months was for such an excuse!

In the arena and in society, his father is notoriously arrogant and rules-based, and Lin Kai's payment of rent is to make him have no rules to talk about!

The house is rented, what should the woman do?

No rent? Then, isn't your ba master rushing to the woman?

Will there be any women who dare to live here in the future?

"I honor you, Mr. Lin, you really think of yourself as a green onion, right?" Ba Ye's face showed a cold color.

A group of brawny men behind him also approached Lin Kai, flexing their hands one by one, looking bad.

Lin Kai frowned upon hearing this.

Oil and salt don't get in!

"Master Ba, I respectfully call you Master Ba, to give you a face, not to be shameless."

Lin Kai's voice also cooled.

After hearing Lin Kai's words, Lord Ba smiled at the time.

"Hahaha! Give me a face? Am I shameless?"

"Okay! Then I'll take a look today, how do you give me face! Call my brothers up!"

Ba Ye yelled angrily.

"okay!"

At that time, one person went to call someone.

Soon after, footsteps sounded.

I saw a group of people rushing from the end of the corridor!

Overwhelmed, a group of people!

Soon after, all the corridors were full of people!

Most of these people are bald heads, and all of them are brawny.

These people are all of Ba Ye's men.

Ba Ye looked at Lin Kai with a smile. He poked Lin Kai's chest and asked, "Give me a face? Are you worthy?"

Chapter 917: There Are No Bullets In Your Gun

Chapter 917 You Have No Bullets In Your Gun

The reason why Ba Ye is able to play well in Jiangbei is not only because of his rules, but also because of his hundreds of thugs!

In Ba Ye's three acres of land, few people really dare to pick things up.

Upon seeing this, Lin Kai also laughed.

I think I'm the dignified young master of the Lin family, but there are times when he is surrounded by a group of punks.

"Hehe, call you a master, do you really treat yourself as a master?" Lin Kai smiled contemptuously.

Hearing this, Ba Ye was furious: "You **** say it again!"

This time, Lin Kai didn't talk nonsense, he directly drew a big mouth on Lord Ba's face!

Snapped!

This sound is very loud!

But Ba Ye's face was crooked at the time, and a trace of blood dripped from the corner of his mouth.

At that time, the whole scene was quiet.

Ba Ye's hundreds of brothers all looked at Lin Kai, with two words in his eyes, surprised!

If you dare to beat Lord Ba in the land of Lord Ba, this kid is really tired and crooked!

Ba Ye held his face and was stunned for a long time.

After a long time, Lord Ba yelled out: "You **** dare to hit me?"

Snapped!

There was another sound, and Lin Kai slapped him again!

A solid slap!

I saw that both sides of Ba Ye's face were swollen like pig heads!

Lin Kai put his hands in his pockets, with a look of arrogance, he didn't even put the ba master in his eyes!

"Minibus, I'll give you a face, you have to take it!" Lin Kai said arrogantly.

It's crazy! This person is crazy!

Master Ba's chest was up and down, and the whole person was very angry. Lin Kai beat him in front of his hundreds of younger brothers, which simply didn't give him face!

If Lin Kai is not dealt with today, who will convince him in the future?

"Call me!"

"Fight to the death!"

Bar Ye roared hysterically.

The hundreds of younger brothers under him got the order and all roared. At that time, hundreds of people flocked to Lin Kai!

There was a shout.

Countless fists hit Lin Kai like rain!

And Lin Kai's eyes also flashed a playful smile.

It's just a punch for ordinary people, Lin Kai doesn't take it seriously!

At that time, I saw Lin Kai guarding Zhumanqing behind him, facing the hundreds of people in the corridor alone!

The speed of Lin Kai's shot was so fast that the opponent couldn't see how Lin Kai shot, and he collapsed.

And the hundreds of people in the corridor could not even touch the corner of Lin Kai's clothes.

Lin Kai penetrated the corridor and hit the exit of the corridor.

Everyone has to fall down wherever they go!

In three minutes, I saw a corridor full of fallen strong men.

There was a cry of pain, these hundreds of people, all clutching their injured place and rolling on the ground, could not stand up!

The only person standing was Ba Ye.

Ba Ye stared blankly at his overthrown little brother, he was dumbfounded.

He didn't expect that the opponent could beat him so much, alone, he would knock down hundreds of his little brothers!

Isn't this person a devil?

Lin Kai clapped his hands, with a relaxed expression on his face, he looked at Lord Ba.

"Minibus, just the group of rice buckets under your hand, can you handle it?"

Ba Ye was dumbfounded.

His Lord Ba has been in Jiangbei for so many years, everyone has to give him a three-point thin noodle, but Lin Kai is not giving him any face!

As soon as he came up, he brought down his hundreds of little brothers!

This guy is too good at fighting, right?

Zhu Manqing's eyes were also full of surprise.

This Lin Kai is growing too fast, right?

It's just that I haven't seen it for half a year, Lin Kai has become a character who can be alone now!

Lin Kai walked towards Master Ba, and Master Ba, without the support of his younger brother, had completely lost his sense of security.

"Don't come here!"

Lin Kai put his hands in his pockets and smiled.

“If I pass, what can you do with me?”

Ba Ye was also angry at this time!

I swiped it and saw that Lord Ba took out a pistol from his waist!

A black pistol!

The black hole pointed directly at Lin Kai’s head.

“Come here again! I just shot you!”

After listening to his words, Zhu Manqing exclaimed behind her. She never expected that Ba Ye was still carrying a gun!

“Lin Kai! Be careful!”

At this time, those people who were beaten by Lin Kai to get to the ground gradually stood up.

Just now they were afraid of Lin Kai’s skill and did not dare to stand up.

But now it’s different, now Ba Ye took out his pistol, let’s see how presumptuous he is!

Lin Kai glanced at the pistol in Lord Ba’s hand and smiled.

He looked at the hundreds of people who gradually stood up behind him, and shook his head with a smile.

“Haha, pistol? Do you think this thing can kill me?”

Lin Kai asked with a smile.

On Ba Ye’s forehead, sweat the size of soybeans has shed.

To be honest, he didn’t want to kill people either! He didn’t want to make matters worse, but Lin Kai deceived people too much!

“Do you think your head is harder than a bullet?”

Ba Ye asked angrily.

Lin Kai smiled slightly and said, “Hehe, it’s better to do this, how about we make a bet?”

After listening to Lin Kai's words, Lord Ba narrowed his eyes and asked, "What bet?"

Lin Kai put his hands in his pockets, and said calmly, "I bet there are no bullets in your gun!"

After listening to Lin Kai's words, Baye laughed: "Hahahahaha!"

After laughing, Lord Ba showed an angry expression: "Do you **** think of me as a fool? Do you still think you are Yan Shuangying?"

"You're afraid it's not because you watched too much TV series?"

There was a burst of laughter, and the little brothers under Lord Ba also laughed.

They all stared at Lin Kai.

Lin Kai smiled and shook his head: "Hehe, don't you believe it? It doesn't matter, you pull the trigger and try it."

"Don't force me!"

Ba Ye gritted his teeth and said angrily.

He just wanted Lin Kaifu to be soft. In this case, Lord Ba could be taken down.

But Lin Kai must force him to kill!

"Forcing you? I forced you, you shot!"

Lin Kai said with a smile, he said while approaching Lord Ba.

"what!"

Ba Ye roared and pulled the trigger directly!

Click!

The sound of pulling the trigger sounded, but magically, no bullets were shot.

It's empty!

what's the situation?

Ba Ye was stunned.

This gun in my hand is not a toy gun! This is a genuine Browning pistol!

Lin Kai smiled when he saw this, "Hehe, look, I won the bet, right?"

After that, Lin Kai stretched out his hand, and he threw seven bullets to the ground.

After seeing this scene, Master Ba's eyes widened. Could it be that Lin Kai had already stolen the bullets from his pistol before he knew it?

impossible! How could this person's speed be so fast?

Ba Ye didn't believe it!

brush!

Ba Ye directly drew out the magazine!

The moment he saw the magazine, Ba Ye was dumbfounded.

Because he found that there were really no bullets in his magazine!

The hundreds of younger brothers beside Master Ba also showed horrified expressions on their faces. They looked at Lin Kai like a monster, and moved away from Lin Kai.

This person is terrible!

Lin Kai's speed was naturally not detectable by Lord Ba. Lin Kai could steal the bullets from the magazine without knowing it, or put the bullets back into the magazine without knowing it.

"So, what are you dangling in front of me with an iron bump?"

Lin Kai smiled and took the pistol in Ba Ye's hand, but Ba Ye did not dare to move!

Ba Ye's face is ashen, he is angry!

Lin Kai's subordinates and himself were beaten by Lin Kai, and he still had nothing to do with the other party. His reputation as Lord Ba was probably going to be wiped out today!

"Minibus, I think you seem very unconvinced!"

Lin Kai asked with a smile.

“Humph!”

Ba Ye snorted coldly without answering Lin Kai.

Lin Kaidao: “How about we make another bet?”

Ba Ye looked at Lin Kai with fear: “What bet?”

Lin Kai raised the pistol in his hand and said with a smile: “Haha, it’s simple, I bet there are bullets in this gun!”

After hearing Lin Kai’s words, Ba Ye laughed out at the time: “Ha ha! Impossible!”

“Although I don’t know what method you used to steal my bullets, I have seen it just now and there are no bullets in this gun!”

“Even if you say the flower! There is no bullet in the gun!”

After listening to Lord Ba’s words, Lin joked: “Hehe, don’t believe your eyes, your eyes will deceive you, but I won’t.”

This is Yan Shuangying’s line, which is now vividly used by Lin Kai.

“We make a bet.”

“If I win the bet, this woman and the rent will be wiped out.”

“If I lose the bet, I leave it to you, what?”

After listening to Lin Kai’s words, Lord Ba’s eyes rolled.

He had already noticed that Lin Kai was a big man who was not easy to mess with, and he was now being taken off stage.

And Lin Kai actually gave him a step down.

Lin Kai won the bet. It was Master Ba who let Lin Kai go. It was not that Lin Kai won Master Ba. It would be nice to say it.

Lin Kai lost the bet and left him to his disposal, which gave him no reason not to agree.

Master Ba directly agreed: “Okay! I want to see how you made the bullet!”

Hundreds of people at the scene also looked at the pistol in Lin Kai's hand very intently, even Zhu Manqing was very curious.

Lin Kai smiled slightly, he raised his pistol and pulled the trigger slightly.

boom!

A loud gunshot sounded, everyone was startled.

Afterwards, everyone was shocked.

There are really bullets in the gun!

Everyone has seen it just now, there is not a single bullet in the magazine! But in a blink of an eye, the bullet returned to the magazine. Isn't this amazing?

This person is too evil, right?

Ba Ye stared at the pistol blankly, at this moment he even wondered if he had presbyopia.

Lin Kai threw the pistol to Master Ba and said, "Don't believe your eyes, remember."

After all, Lin Kai directly took Zhu Manqing's hand and left with Zhu Manqing in strides!

Everyone was full of eyes and watched the two leave the scene.

But Lord Ba stared at the pistol in his hand for a long time.

At this moment, a strong man exclaimed: "Master Ba! The bullet that the kid threw on the ground just now is gone!"

Hearing this, Ba Ye immediately lowered his head, and as expected, all the seven bullets that Lin Kai threw on the ground just now disappeared!

Only one bullet case!

Master Ba quickly drew out the magazine. At this sight, Master Ba was dumbfounded. There were six bullets in the magazine! In addition to the shot Lin Kai fired just now, seven rounds, a lot of them!

How did he do that?

Ba Ye's eyes widened. Is his hand speed too fast? Or is his reaction too slow?

At this time, Ba Ye has got goose bumps all over, what a ghost! Wouldn't such a character want to kill himself as simple as trying to get something out of his pocket?

He now discovered that Lin Kai was someone he couldn't afford to provoke!

"Let's go, let's go! That kid just now, don't mess with any of you in the future!" Ba Ye waved his hand and said with lingering fear.

"Yes!"

Hundreds of people agreed in unison and left the corridor on the eighth floor.

...

On the other side, Lin Kai directly took Zhu Manqing back to his room.

After returning to Lin Kai's room, Zhu Manqing lay directly on the sofa and patted himself on the chest.

"Scared me."

Lin Kai looked at Zhu Manqing, Lin Kai was very curious.

Zhu Manqing, a dignified thief, actually fell to the point of being bullied by a group of gangsters!

Moreover, she actually works as a waiter in a restaurant! Five thousand monthly salary! Is this still the apprentice of the heavenly master?

"Let's talk about it, what happened?"

Lin Kai poured a glass of water for Zhu Manqing and asked.

And Zhu Manqing picked up the water cup and drank it. Then, she glanced at Lin Kai bitterly: "It's not because of your brother!"

After listening to Zhu Manqing's words, Lin Kai's expression was frozen.

Originally, Lin Kai still had a certain skepticism about Lin Yuan's death, but now it seems that Zhu Manqing is an insider!

"What happened to my brother?" Lin Kai asked.

"To be precise, he is my junior brother now!" Zhu Manqing said grimly.

“At the beginning, my master was surprised at your bones and wanted to accept you as an apprentice, but you refused. Later, my master came to the Lin family and made a special trip for you, but you still did not become my master’s apprentice.”

“When my master was leaving, he glanced at Lin Yuan, who was about to die, and found that Lin Yuan’s talent was good, and his bones were also very surprised, so he took Lin Yuan away and suspended his life.”

After listening to Zhu Manqing’s words, Lin Kai frowned, saying that Lin Yuan was indeed not dead! On the contrary, because of himself, he got a great fortune!

“What then?” Lin Kai asked.

“After bringing Lin Yuan back, my master spent a great deal of effort to rescue him!”

“I have to say, this Lin Yuan is really an acting school!”

“It’s a filial piety to my master! To me it’s a well-behaved and obedient person, let him do whatever he wants! My master also likes him very much, it can be said to be a gift!”

“And Lin Yuan’s talent is extremely strong! Become a martial artist in one week, and become a martial artist in one month! Become a martial artist in three months! Become a grandmaster in half a year! Now... now the cultivation base is estimated to be a great master, right?”

Lin Kai raised his eyebrows and asked, “Even you are not very clear?”

Chapter 919: Borrow Money

Chapter 919

Zhu Manqing shook his head and said, “Yes!”

“I haven’t seen my junior brother for a long time, and I hope I will never meet him in this life!”

Zhu Manqing said angrily, and she clenched her pink fist with a look of grief and anger.

“Ugh”

“It’s just that I am a woman. Master refused to teach me Guwu. Otherwise, how can I be bullied by those people outside?”

Zhu Manqing sighed and said.

That's right, Zhu Manqing is not an ancient warrior. She is very skilled, but she can only hit three or four ordinary people. She can't cope with a bit of hardship.

"You mean, my elder brother has a very high cultivation base now?"

Lin Kai raised an eyebrow and asked.

Zhu Manqing nodded, and then said: "Yes! My master has taught him all his life. Just a while ago, my master passed away."

"And he also revealed his true colors!"

"All my masters inheritance was robbed! My masters magic weapon and family property were all robbed!"

"Later, he escaped into a small cave and came out after a long time. When he came to me again, like a savage, I was shocked!"

"Later, he said he would kill me! Because I knew he was still alive!"

"Fortunately, I did my best work so I escaped from him."

"Now I don't dare to go to live in a real-name hotel, I can only live here wimpy."

After hearing this, Lin Kai understood.

Lin Yuan is indeed very strong now. He has received the inheritance of the heavenly master. After the death of the heavenly master, he occupied the possessions and inheritance of the heavenly master and hid in the cave to practice in retreat.

After he leaves the customs, he wants to kill Zhumanqing so that he can completely disappear into this world.

But he didn't expect that Zhu Manqing, who had no cultivation base, was very good at light work, so he let Zhu Manqing escape.

Zhu Manqing felt that the most dangerous place was the safest place, so he simply hid from Yanjing to Jiangbei and hid in this apartment with no real-name system.

Then, the one that made Lin Kai feel the biggest doubt appeared.

"By the way, aren't you a thief? Why should you be a waiter?" Lin Kai asked curiously.

Hearing this, Zhu Manqing sighed again: "Oh..."

“When the master is alive, I can accommodate my little temperament, and I can go all the way around and be my thief, but in fact, the master has always wiped my ass.”

“Master explained before his death that if Lin Yuan can be trusted, I can still be my thief.”

“If Lin Yuan is unreliable, Master will let me be an ordinary person for a lifetime, and I must never use stealing techniques anymore for fear that I will get angry.”

“If you didn’t show up just now, I would even want to get out of the world again, steal a lot and buy his broken apartment!”

Hearing this, Lin Kai was also dumbfounded.

Zhu Manqing is indeed a child with a temperament, and what her master said is not bad. If Zhu Manqing continues to play with her petty temper, I am afraid he will not be able to live long in this world.

At this time, Zhu Manqing looked at Lin Kai with a look of expectation: “Lin Kai, how can I say that my master and I have also helped you. Would you like to borrow some money?”

Zhu Manqing blinked and asked innocently.

I remember that when things happened in the Lin family, when Lin Lei usurped the throne, the heavenly master brought Zhu Manqing to help Lin Kai.

In other words, Zhu Manqing is also Lin Kai’s friend.

Hearing this, Lin Kai nodded directly, and agreed: “Yes, you can tell, how much do you want?”

Zhu Manqing stretched out one of his fingers and said, “Not much, so much is enough.”

A finger?

“One million?” Lin Kai asked tentatively.

If you want one million, it’s really not much.

Zhu Manqing shook his head, Lin Kai raised his eyebrows, and asked, “Ten million?”

Ten million is enough to allow a person to live the rest of his life without worry.

But Zhu Manqing shook his head again: “No! It’s a hundred million!”

A billion?

Lin Kai's eyes widened, Zhu Manqing really dare to ask for it!

Although Lin Kai is not bad for money, after all, he and Zhu Manqing are not very familiar with each other, and Zhu Manqing asks for 100 million when he speaks. This is a big talk.

However, based on the fact that she has helped herself, this one hundred million can be given.

"Yes, but I'm done. I will only help you once. After helping you, we will clean up."

After that, Lin Kai took out a bank card from his wallet and put it on the table.

"There is more than one billion in it, all for you."

After seeing the bank card, Zhu Manqing's eyes lit up, and she took the bank card with both hands and couldn't put it down.

"Thanks!"

Lin Kai was very curious. He asked, "I'm very curious, what are you going to do with this money?"

After listening to Lin Kai's words, Zhu Manqing touched his chin and thought for a while, then said: "First of all, I want to buy a house in Jiangbei! There is a place to settle!"

After listening to Zhu Manqing's words, Lin Kai nodded, really should buy a house.

"Then, I'll go buy a luxury car with a ten million class! It's a good time to come and go."

Hearing this, Lin Kai frowned, Zhu Manqing, you are in this situation, and you still buy a tens of millions of luxury cars?

However, this was Zhu Manqing's choice, and Lin Kai had no right to intervene.

"Then, I want to do business with the remaining money! I want to invest! I want to open a shop!"

Hearing that, Lin Kai nodded, this is also a way to get ahead.

"Why don't you return to Yanjing?" Lin Kai asked.

Hearing this, Zhu Manqing sighed, shook his head, and said, "Hey..."

“I’m an orphan. In this world, there is only Master as a relative. Master is gone. What can I do when I return to Yanjing?”

After listening to her, Lin Kai’s heart was also a little bit painful.

So, this girl is really pitiful.

“It’s okay to be in Jiangbei, Jiangbei is the site of my Lin family, I will help you more.” Lin Kai said.

“Thanks!” Zhu Manqing grinned.

“However, I’m going to live here temporarily during this time! Okay, I’m going to take a bath!”

After that, Zhu Manqing stood up directly and began to undress in front of Lin Kai.

Lin Kai’s eyes widened at the time, is this little girl too unrestrained?

Zhu Manqing pulled down the zipper of the leather jacket, and inside the leather jacket was a small black vest.

And Zhu Manqing’s figure, that is not to be chosen, one in a million beauty!

It’s bumpy!

After all, she is a person who often practices light work. Her figure is not as hot as usual, and her beautiful legs are very slender, enough to wrap around a person’s waist.

Then Zhu Manqing took off his clothes directly in front of Lin Kai!

After seeing this scene, Lin Kai directly raised his head, he was afraid that his nosebleeds would flow out.

“I said, you don’t put me in your eyes? I’m a man!” Lin Kai said.

Zhu Manqing smiled slyly at this time: “Anyway, I am helpless now, do whatever you want! You will be responsible to me at that time! I will be able to ask you for money openly!”

Chapter 920: Chance Encounter

Chapter 920

After listening to Zhu Manqing’s words, Lin Kai trembled all over.

This woman is so vicious! She actually wants to rely on herself for the rest of her life! Don't be impulsive! Impulse is the devil!

Then, Lin Kai walked out of his room quickly and came to the corridor, smoking a cigarette to calm down.

When Zhu Manqing in the room saw Lin Kai go out, she covered her mouth and smiled. She was smiling that Lin Kai was a coward.

Then, Zhu Manqing took off his clothes and went to the bathroom to take a shower.

Not long after, there was a rush of running water from the room, which made Lin Kai even more contemplative.

Ugh

Being single is really a sin!

At this moment, there was a sound of footsteps, and Lin Kai looked up and saw that Lord Ba and his two subordinates strode towards Lin Kai.

After seeing this scene, Lin Kai was amused at the time. Is it possible that Master Ba was not beaten enough? Came to die again?

But this time, Ba Ye didn't dare to look at Lin Kai with his straight eyes.

He lowered his head and came to Lin Kai's face, and said in a low voice, "Mr. Lin..."

Lin Kai looked at it, and he didn't seem to be here to make trouble! At that time, Lin Kai raised his eyebrows and asked, "What's wrong?"

"I'll make it for you." Ba Ye gave Lin Kai a fist, bowed, and said.

After Ba Ye returned, he thought about it carefully, and the more he thought about it, the more he felt that Lin Kai was not easy to provoke.

With such a powerful skill, his hands are even more superb, similar to ghosts, he stays in a luxury suite without blinking his eyes, such a big man, he can't afford to provoke him.

After thinking about it, Lord Ba hurried to apologize to Lin Kai.

"My minibus talks about the rules the most. What happened just now was that I was wrong. You should hit me. Lord, I was wrong."

Ba Ye lowered his head and said.

If you let outsiders see this scene, you will definitely be shocked by Fang Fang.

Ba Ye, who is famous on the flyover, now bows his head to others!

Lin Kai smiled slightly when he heard the words, and said, "Hehe, I didn't take you to my heart at all. You don't need to come over and apologize."

Ba Ye, in the eyes of others, may be a great figure above all else, but in Lin Kai's eyes, he is just an ant that he can pinch to death at any time.

After listening to Lin Kai's words, Lord Ba breathed a sigh of relief.

If Lin Kai is thinking about him, he can't sleep well at night!

"Mr. Lin, you are magnificent, your prime minister can hold a boat in his belly." Ba Ye once again clasped his fists to please.

Lin chuckled, and when he was about to speak, a shout suddenly came.

"Fuck! Why is there no hot water? This is a luxury suite for one hundred thousand a month? Huh?"

"Believe it or not I smashed your black shop?"

"Do you know who Lao Tzu is?"

A clamor rang out, and the clamor came from the room next to Lin Kai.

Hearing that, Lin Kai also raised his eyebrows, his attitude is so arrogant!

After hearing the screams, Ba Ye also had an embarrassed expression on his face.

Those who live on this floor are not too easy to provoke, like the one next door, Lord Ba dared not provoke.

"Who lives next door?" Lin Kai asked curiously.

Ba Ye replied: "One man and two women have a lot of backgrounds, so I can't provoke them!"

Ba Ye shook his head and sighed, showing a sad expression on his face.

Can't even provoke Lord Ba?

Moreover, the voice just now seemed familiar!

One man and two women?

Lin Kai walked over quickly, he wanted to see if it was them.

The door of the next room was open. Lin Kai took a glance and saw a young man yelling at the aunt who was cleaning the apartment. The words were very bad.

“Don’t you know that three meals a day will be delivered on time? Sometimes you arrive ten minutes early, sometimes five minutes late, your apartment has this attitude?”

“Also! How many times have I said that? I only drink a hundred and one bottle of life water! Who is the garbage Nongfu Spring for? Is it for people to drink?”

The young man cursed, his temper seemed to be great.

And the aunt bowed her head and dared not say a word.

Lin Kai hugged his arms and was happy then.

It’s really nowhere to find any place to break through the iron shoes, it’s all effortless!

It was Cheng Zilong who ran out of Cheng’s family who lived next to Lin Kai!

It seems that Cheng Zilong’s family lives here!

“Look at your mother...”

Cheng Zilong raised his head and glanced at Lin Kai, just about to start cursing, but when he took a closer look, he was dumbfounded.

It was Lin Kai?

About Lin Kai, he will never forget it forever!

Lin Kai, the man who killed his elder brother!

His elder brother is a master at the master level! But he was still killed by Lin Kai, Lin Kai’s horror, he will never forget it!

He escaped from the Cheng’s house, not even daring to live in a real-name hotel, and stayed in Ba Ye’s apartment.

But he never thought that Lin Kai still chased him.

Lin Kai strode into the room with a playful smile on his mouth.

“You go out first.”

Lin Kai said to his aunt.

Lin Kai glanced at Cheng Zilong, and saw that the expression on Cheng Zilong’s face was very ugly. He waved his hand to signal his aunt to go out.

Auntie went out now.

“Zilong, who is it?”

At this moment, Li Mei walked out of the living room. After seeing Lin Kai, her expression was as if she had seen a ghost, her mouth widened and her eyes widened.

“Lin Kai!”

As soon as Lin Kai said these words, with a snap, the door to the bathroom suddenly opened, and Cheng Jingjing, wearing a bath towel, rushed out of the bathroom. After seeing Lin Kai, she was also dumbfounded.

It’s really Lin Kai!

“Lin Kai!”

Cheng Zilong’s voice was full of anger and fear.

“I... Thousands of people in my family were killed by you, don’t you plan to let us go?”

Cheng Zilong stepped back, clenching his fists, shaking all over.

He is scared and excited now.

Lin Kai tilted his head and said, “I killed your family? Hehe, why do you say that?”

“Why?” Cheng Zilong said angrily: “I have already gone back to the Cheng family! There is no one! It wasn’t you who killed them. Where did all those people go?”

It turned out that he also returned to the Cheng family, and he also found that everyone in the Cheng family had disappeared.

He thought Lin Kai did it!

And Lin Kai didn’t know anything about this!

“If I talk about the disappearance of the Cheng family, I don’t know the truth, do you believe it?” Lin Kai asked with a smile.

He sat on the sofa casually, raised his legs and looked at the three people in front of him.

“Are you deceiving ghosts?” Cheng Zilong said angrily: “Only you have the strength to kill my whole family! Our Cheng family only offends you, not you, who did it?”

“Lin Kai! You are a demon!”

“Didn’t it just frame you? You die, at most a person died!”

“But what did you do? You killed thousands of people in my family!”

“You are not human!”
