

Special Forces God Level Extraction System – Chapter 921 - 952

Chapter 921: Mysterious Man In Black

Chapter 921

Lin Kai almost laughed angrily after hearing Cheng Zilong's words.

So if you die alone, you deserve to die?

The lives of their Cheng family are precious? Shouldn't you die?

"Hehe, what kind of **** is this?" Lin Kai squinted at Cheng Zilong, looking bad.

"I repeat, I didn't kill the Cheng family, and I don't know where they went!"

Li Mei hugged her arms and snorted coldly: "Humph! Anyway, our life is now in your hands, so you can just say what you want! How, dare to do it and still dare not recognize it?"

Li Mei's attitude is always arrogant and arrogant.

Lin Kai has no affection for the three of them.

These three people once joined forces to kill themselves, if it were someone else, they would have already died in their hands!

At this moment, Lin Kai's eyes flashed with cold light.

He wants to kill the three people in front of him!

Lin Kai is a man with a bottom line. If people do not offend me, I will not offend others. If anyone offends me, I will do so!

If they want to kill Lin Kai, they must have the consciousness of being killed!

"Okay, don't talk nonsense, let's talk about any last words." Lin Kai said lightly.

After listening to Lin Kai's words, horrified eyes appeared in the eyes of the three of them.

The three of them huddled together, trying to find a way to escape.

But it is a pity that there is only one exit in the entire room, and this exit has now been blocked by Lin Kaiji.

Moreover, even if they can run out of this apartment, there is only one word to end, and that is death!

“Lin Kai, haven’t we discussed it?” Cheng Zilong asked with a trembling voice.

Lin Kai shook his head and said, “No.”

“run!”

Cheng Zilong yelled! He took Cheng Jingjing and Li Mei and ran out quickly!

Cheng Jingjing ran out after wearing only a bath towel, not even shoes!

After seeing this scene, Lin Kai smiled and shook his head.

It just so happens that killing people in the apartment is inconvenient, and it’s not too late to wait for them to run out of the apartment and then act on them.

Ever since, Lin Kai chased it out slowly.

Of the three of them, only Cheng Jingjing is a martial artist, and the other two are ordinary people. Even if they grow five legs, they can’t get out of Lin Kai’s palm.

They ran out of the apartment all the way, and Lin Kai followed them out of the apartment.

They are very smart. After rushing out of the apartment, they rushed directly to the main road! They bet Lin Kai would not dare to kill on the main road!

The corner of Lin Kai’s mouth showed a sneer.

I saw his feet exert force, whoosh!

In an instant, Lin Kai came behind the three of them.

Afterwards, Lin Kai grabbed the three of them!

Whoosh!

In another instant, Lin Kai caught them in a dead end.

Lin Kai’s speed is almost vague!

And the three of them all had awkward expressions at this time, they didn't even know what had happened, they had already been captured.

"You!" Cheng Zilong saw only two words on his face after seeing Lin Kai, surprised.

Cheng Jingjing and Li Mei were also dumbfounded, the three of them finally understood now that they couldn't run away at all!

If Lin Kai is willing! They couldn't run from Cheng's house to Jiangbei City at all that day!

Lin Kai put his hands in his pockets, and a wicked smile appeared at the corner of his mouth: "Hehe, just here, let you go on the road."

After all, Lin Kai clenched his fists and screamed!

After that, Lin opened a punch!

He hit Cheng Zilong's heart with a punch!

Lin Kai intends to give Cheng Zilong a happy way to die! Shatter his heart! Let him die happily!

And Cheng Zilong's eyes widened, his face was full of horror!

But at this moment, with a bang, a big hand suddenly caught Lin Kai's fist!

Lin Kai's punch was quite powerful, enough to kill a martial sage!

But the big hand still held Lin Kai's hand firmly.

Lin Kai was shocked!

He looked up and saw a man in black standing in front of Lin Kai!

The man in black was covered in black clothes all over, and he couldn't see his face at all, he could only see his eyes.

His eyes are even more mysterious.

blue!

Lin Kai saw it for the first time with blue eyes.

He pushed Lin Kai casually, hum! Lin Kai took three steps directly back!

The appearance of the man in black disrupted all Lin Kai's plans.

The man in black seems to be 1.9 meters tall and huge, so he looks extremely uncomfortable.

But Lin Kai frowned, a master of the master level!

Moreover, he is not an evil cultivator, he is stronger than Cheng Zilei!

But Lin Kai didn't know him at all!

"Who are you?" Lin Kai asked coldly.

Cheng Zilong, who had already accepted death, opened his eyes as well. He looked at the man in black in front of him with a dazed expression, and he also looked dazed because he didn't know the man in black.

The man in black bowed to Lin Kai at this time, very respectful.

"Mr. Lin."

The black man urn said.

He still knows himself?

Lin Kai is even more curious, who is this person?

"Who are you? Do you know me?" Lin Kai asked curiously.

And Lin Kai took two steps back, looking at the man in black in front of him with fear.

Lin Kai is also very jealous of master-level masters. Although Lin Kai has the ability to kill master-level masters, he will definitely take a lot of hands and feet, and he will be seriously injured if he fails.

"The Third Young Master said, save the lives of the three of them, and count the Third Young Master owe you two favors."

After listening to his words, Lin Kai was even more daunted.

Who is the Third Young Master?

Only one person can save them, Cheng family! The third young master of the Cheng family? Cheng Zizhong?

But Cheng Zizhong himself is just an ancient martial artist at the martial sage level. How can he have a master at the master level?

Cheng Zizhong, who is it?

Is he stupid or not?

“Cheng Zizhong?” Lin Kai asked.

The man in black didn't speak, he just looked at Lin Kai faintly.

“What if I have to kill them today?” Lin Kai asked, looking at the man in black.

The man in black took a step back and said: “Please, but the third young master originally owed you a favor, it was written off.”

Does Cheng Zi owe himself favors?

If he had to say that he owed himself, he owed himself the feeling of mentor and apprentice.

After all, I really treat him as an apprentice, but he is not an ordinary person, he has been lying to himself.

Lin Kai glanced at Cheng Zilong and the others, and hesitated.

The man in black didn't have to protect the three of them, but if he killed them, he might not see Cheng Zizhong for the rest of his life.

Forget it, Lin Kai sighed.

“Can I meet him?”

Lin Kai asked.

The man in black did not speak.

Lin Kai then asked, “Who is Cheng Zizhong?”

The man in black still did not speak.

“Where are the others in the Cheng family now? Is Cheng Wanqian dead?” Lin Kai asked again.

But the man in black still did not speak.

“Forget it, you go.” In desperation, Lin Kai waved his hand and said.

Just after saying these words, with a bang, the three people in black, Cheng Zilong, flew away from the scene.

Chapter 922: Huang Tianshi

Chapter 922

I'm going, so fast!

Lin Kai wiped his sweat and went straight back to the apartment.

After returning to the apartment, Lin Kai found that Zhu Manqing was no longer there.

I don't know where this little girl went crazy again. Now that she has money, she may be spending money.

Days without tasks are easy!

Lin Kai lay on the sofa, it was a relaxed and cozy.

But at this moment, Lin Kai's cell phone rang.

I took out my mobile phone and found that it was an unfamiliar phone call.

"Hello?" Lin Kai answered the phone.

After answering the phone, a very hoarse voice came from the phone.

"Hey?"

After hearing this sound, Lin Kai was full of spirits.

He is familiar with this sound! This is the voice of the Shadow League!

The Shadow League, one of the three masters of the Shadow Gate, a master of the Great Master level, is also Lin Kai's boss!

"Hello? Master Shadow League?" Lin Kai asked cautiously.

The voice of the Shadow League came again: "Go downstairs."

After saying these two words, the Shadow League hung up the phone.

Downstairs? Shadow League knows where he lives?

But if you think about it carefully, Lin Kai could understand at the time, what kind of character is that in the Shadow League? It is one of the three leaders of Shadow Gate! It is not difficult to investigate where you are.

At that time, Lin Kai went directly down the apartment building and looked around the apartment building.

“Into the alley.”

The voice of the Shadow League came again.

Lin Kai still couldn't see the Shadow League, the same as last time.

Although the Shadow League and Cheng Zilei are both great master-level ancient warriors, the Shadow League feels very dangerous to Lin Kai!

He is much more dangerous than Cheng Zilei!

Even the current Lin Kai couldn't detect where the Shadow League was.

As if he didn't exist.

Lin Kai heard what the Film League said and walked to an alley next to the apartment. This alley was the alley where the man in black took the Cheng family away.

After arriving in the alley, Lin Kai saw a person.

This man looked very old, in his seventies, gray-haired, and sickly.

He was wearing a white robe, he looked a little hunched, and he was still holding a walking stick in his hand.

After seeing the old man, Lin Kai was stunned. Could this old man be the Shadow League?

“You have a new mission. From now on, you are responsible for protecting his safety. After the mission is completed, you will be the elder.” The Shadow League's voice came again.

Protect an old man?

After protecting him, he can become an elder?

This task is too simple, right?

“Don't underestimate him, he is the first heavenly master of the Huaxia Kingdom.”

The voice of the Shadow League came again.

what? Heavenly Master?

Lin Kai's body shook.

He naturally knows who the celestial master is. In this world, there is a kind of person who knows an algorithm, which can be said to be a fortune teller or a celestial master.

He can calculate a person's bad luck, can also calculate a person's afterlife, and even more can calculate a person's past and future.

The person who controls this algorithm is called a heavenly master.

There are few celestial masters in this world, not many at all.

And Lin Kai knew a celestial master, the master of Zhu Manqing, the celestial master.

Unexpectedly, the old man in front of him is also a celestial master.

It seems that this task is not simple!

"Hello, old man, my name is Lin Kai." Lin Kai smiled at the heavenly master.

The old man glanced at Lin Kai. He looked at Lin Kai's face for a long time, then he laughed and said, "Ha ha ha, the face of a rich man! Ha ha ha!"

After listening to the heavenly master's words, Lin Kai also laughed: "Hahaha, thank the heavenly master for the praise."

At this time, the voice of the Shadow League sounded again: "I give you the task, don't make any mistakes, I'm leaving."

Afterwards, a gust of wind blew, and the Shadow League left.

Although Lin Kai could not see the Shadow League, Lin Kai could feel the existence of the Shadow League and the departure of the Shadow League.

After the Shadow League left, Lin Kai breathed a sigh of relief, and the Shadow League gave Lin Kai inexplicable pressure.

"Old man, go, I will take you to my newly rented apartment."

Lin Kai helped the old man and led him back to his room.

Although the old man is a celestial master, in fact, he is just an ordinary person and has no cultivation base.

Heavenly masters are generally ordinary people, and there are very few people who practice ancient martial arts and arithmetic together. The old heavenly master is an exception.

Soon after, the two returned to the room, Lin Kai closed the door and made a cup of tea for the heavenly master.

“How do you call the elderly?” Lin Kai asked.

The old man touched his beard and said with a smile, “The last name is Huang.”

“It turns out to be Huang Tianshi, Huang Tianshi, you don’t need to be polite from now on, just be your own home.” Lin Kai said a few polite remarks.

“Your name is Lin Kai?” Huang Tianshi asked suddenly.

Lin Kai was taken aback, although he nodded and said, “Exactly.”

Hearing this, Huang Tianshi smiled and shook his head, and said: “I don’t know what your kid is so good about, the Shadow League actually put me in your hands.”

In Huang Tianshi’s eyes, there was obviously a lost look in his eyes.

It seemed that he was not satisfied with Lin Kai.

After all, Lin Kai looked too young to be able to protect him.

Lin Kai smiled when he saw this.

He remembered that the heavenly master once tried to tell himself, but failed. He didn’t know who was more powerful than the heavenly master.

“Tianshi Huang, since you are a tianshi, you might as well count it for me, how about?”

After listening to Lin Kai’s words, Huang Tianshi glanced at Lin Kai, smiled and shook his head, and said, “Haha, no.”

Lin Kai heard this and asked, “Oh? Why?”

“Arithmetic is to go against the sky, it is easy to hurt people’s aura, generally I don’t do it.

It turns out that celestial masters are not casual fortune-telling.

Lin Kai smiled and said, "To be honest, I used to know a celestial master who is about the same age as you, from Yanjing."

After listening to Lin Kai's words, the Huang Tianshi laughed: "Haha, are you talking about the dead Tianshi? That is my best friend."

Best friend?

Lin Kai was slightly surprised when he heard this.

It seems that Heavenly Master Huang's Taoism and deeds are not low! It is actually a close friend of the old master.

"It's a pity that my best friend passed away."

"My best friend, not only has a lot of talent in arithmetic, he has also worked out an amazing treasure! Since then, my best friend has become a wizard in spiritual practice."

"It's a pity that my dear friend has never accepted a disciple in my life."

Huang Tianshi sighed and said regretfully.

Haven't accepted disciples in his whole life? Could he not know the existence of Lin Yuan?

Now it seems that I really don't know.

"It's true that Heavenly Master Huang said that Heavenly Master once gave me a calculation, but he sprayed blood and couldn't calculate my fate. I am very curious. Is there any difference between me and others?"

Chapter 923: Jinyu Family

Chapter 923

After listening to Lin Kai's words, even Tianshi Huang questioned Lin Kai very much.

"What? God can't count your life?"

Tianshi Huang raised his eyebrows, he shook his head, and said: "Impossible, there is no life that a heavenly master can't count!"

He obviously didn't believe what Lin Kai said.

Lin Kai smiled when he saw this, "Hehe, Huang Tianshi, I didn't lie to you, why don't you try?"

When Lin Kai said so, Huang Tianshi also became very interested.

He said: "Try it!"

After that, I saw Huang Tianshi sitting cross-legged on the sofa, and took out two **** from his arms.

The ball was gray, and he didn't know what it was. He turned the two balls, chanting a spell silently in his mouth, and a faint gray light emitted from behind him.

He is telling fortunes for Lin!

It can also be said that he is peeping at the secret!

A few seconds later, I saw Huang Tianshi's expression suddenly changed.

The original ruddy face became extremely pale!

"Wow!"

Later, I saw Huang Tianshi directly spit out a mouthful of blood!

This scene is exactly the same as the scene where the heavenly master told Lin Kai's fortune!

Seeing Heavenly Master Huang spraying blood, Lin Kai hurriedly supported Heavenly Master Huang.

"Master Huang, are you okay?"

And Huang Tianshi glanced at Lin Kai, but at this time, his eyes on Lin Kai had changed.

It's like watching a monster.

"Unexpectedly, I didn't expect that in my lifetime, I will still meet someone I can't figure out the fate!" Huang Tianshi gave a wry smile and shook his head.

Lin Kai asked curiously, "Can't even you figure out my fate?"

When the Shadow League sent Heavenly Master Huang over, it had said that Heavenly Master Huang was the first Heavenly Master in China. If even he could not figure out his own destiny, I am afraid that no one else would have the ability to figure out his own destiny.

Heavenly Master Huang shook his head and said, "I can't, and the Heavenly Master can't."

"I can't calculate your fate, I think, there are three possibilities."

After listening to Huang Tianshi's words, Lin Kai was very curious.

He asked: "What are the three possibilities?"

"Number one." Huang Tianshi put up one of his fingers and said, "You are not a human being."

not human?

In other words, Lin Kai is a monster?

"If you are not human, then naturally I cannot calculate your fate."

After hearing what Huang Tianshi said, Lin Kai smiled and scratched his head, and said, "Do you think I look like a monster?"

Huang Tianshi shook his head and said, "It's not like it, so I ruled out this possibility."

"Second." Huang Tianshi continued: "God doesn't want me to know your destiny, because your destiny is probably related to the safety and survival of this world."

After listening to Huang Tianshi's words, Lin Kai began to be shocked.

Are you a superhero who saves the world? Lin Kai thought it was impossible.

"third."

Huang Tianshi said to Lin Kai very seriously at this time: "This is the most likely point in my opinion!"

He stared into Lin Kai's eyes and said, "You are not from this world!"

When talking about this, Lin Kai was already getting goose bumps!

Because he is really not a person in this world, he has traveled from other worlds!

This Huang Tianshi actually got caught!

But Lin Kai would not admit it.

At that time, Lin Kai scratched his head and said, "Tianshi Huang, what are you kidding? Do you think there will be people who travel through this world?"

After listening to Lin Kai's words, Huang Tianshi sighed, shook his head, and said, "I think it's impossible."

After that, Tianshi Huang stood up, and saw the exhaustion on his face, as if the blood spurted out just now hurt his vitality.

"Which room do I live in? I'm a little tired."

Lin Kai pointed to a room and said, "Live in this room."

Hearing this, Huang Tianshi walked in tremblingly on crutches and closed the door.

After Huang Tianshi entered the room, Lin Kai took out his Royal Dragon Pen.

As soon as the Yulong pen came out, Lin Kai began to draw the magic talisman.

Ten minutes later, a magic talisman was successfully drawn by Lin Kai.

This is a high-level charm, a charm that can protect Huang Tianshi's safety.

Lin Kai directly stuck this magic talisman on the door of Huang Tianshi's room, and the magic talisman also concealed in the door for an instant.

With this magic talisman, even a master at the master level can stop him for three minutes!

After finishing all this, Lin Kai returned to his room and went to rest.

I was speechless all night, and soon came the next day.

Early the next morning, Lin Kai got up to wash, put on clean clothes, and went to the living room.

After arriving in the living room, Lin Kai discovered that Tianshi Huang was actually sitting on the side of the balcony. Judging from his expression, it seemed that he was much better than yesterday.

Before Lin Kai spoke, Tianshi Huang said, "Is there still a little girl living here? The name is Zhumanqing? The master is an old master?"

After hearing what Huang Tianshi said, Lin Kai opened his eyes wide and asked, "You can even figure this out?"

When Huang Tianshi heard this, he smiled mysteriously, and shook his head.

I saw him pinch out an ID card with his two fingers, and said: “Her ID card has dropped here.”

Lin Kai: “...”

I said, although this Huang Tianshi is mysterious, he can't be so mysterious, right?

“However, she seems to be in trouble.”

After listening to Huang Tianshi's words, Lin Kai frowned and asked, “What is the trouble?”

Master Huang Tian said indifferently: “I am entangled in trivial matters, now I should be at the Jinyu family, five kilometers away from here.”

After listening to Huang Tianshi's words, Lin Kai went straight out.

“Master Huang, stay at home for a while, I'll go see what's going on!”

After that, Lin Kai left home.

...

Jinyu Family is a well-known real estate company in Jiangbei City. It focuses on high-end residential housing. Many rich people in Jiangbei like to buy villas and mansions in Jinyu Family.

At this time, in the Jinyu Family Community, Zhu Manqing looked at the villa beside the road very satisfied.

The location of the Golden Jade Family is very good. Behind it is a lake with excellent scenery. The gate faces the downtown area of Jiangbei City. It can be cleaned or go out for fun.

The housing prices here are also very high.

And beside Zhu Manqing, there were seven or eight sales staff members.

Just now, Zhuman spent 100 million in blue and bought a villa of the Jinyu Family!

One billion is enough to buy a good villa here.

And Zhu Manqing is a silly girl who can't keep money in her hands. She didn't even look at the house. She glanced at the sand table and paid the money very generously.

“Miss, the villa you bought is just ahead.” A man in a suit smiled.

This man in a suit is the manager of the sales department of the Jinyu Family and his surname is Li.

Chapter 924: Overlord Clause

Chapter 924 Overlord Clause

He looked at Zhu Manqing with a playful look, but Zhu Manqing did not notice his facial expression.

And several sales department staff behind Manager Li also showed snickers on their faces.

They were all making fun of Zhu Manqing, but Zhu Manqing didn't even notice.

At this moment, Zhu Manqing looked at the villa in front of him.

After seeing the villa, Zhu Manqing was stunned, and then she frowned.

Because the villa in front of her is the smallest villa in the Jinyu Family Community!

Moreover, the location is also the worst villa.

It only has an area of 200 square meters, and there is no yard. There is a public toilet next to it.

This villa actually sold for 100 million!

At that time, Zhu Manqing asked in disbelief: “This is the villa I bought?”

Manager Li smiled politely: “Yes, miss.”

When Zhu Manqing heard it, her hair was exploded, and she said angrily: “Are you guys playing me?”

“My old lady paid one hundred million! Would you give me this kind of inferior garbage villa?”

On the faces of Manager Li and others, there were smiles, without the slightest expression of fear.

Those who can buy villas here are the first-class people who don't need money. Naturally, they dare not offend anyone casually.

But Zhumanqing is different.

They asked for Zhu Manqing's ID card information and investigated her background identity for a long time. After knowing that Zhu Manqing had no background, they began to deceive Zhu Manqing.

Of course, even if Zhumanqing has no background, they have to be seamless!

Even if Zhu Manqing went to the court to sue them, he would definitely not win!

"Miss, what you saw on the sand table just now is this villa." Manager Li explained with a smile.

Zhu Manqing recalled the scene he saw on the sand table just now.

On the sand table, what she saw was not this villa at all!

The villa on the sand table is much larger than the one in front of it! The location is also very good, and there is no public toilet next to it!

"You are lying to me? Believe it or not I sue you?" Zhu Manqing said angrily.

At this moment, Manager Li smiled slightly, and when he stretched out his hand, the people on the side immediately handed over a contract.

"Miss, a contract in black and white, even if you sue it, you won't win it."

Hearing this, Zhu Manqing grabbed the contract and looked at it carefully.

At this glance, Zhu Manqing's face was pale.

When signing the contract, Zhumanqing didn't take a close look at all, but in the contract, it really was the right to sell the villa in front of him. Zhumanqing really spent 100 million to buy the most trash villa!

You know, the villa with the best location in the Jinyu Family is only 100 million!

But Zhu Manqing spent 100 million to buy such a garbage!

At this time, several staff in the sales department could not help but laugh.

The Jinyu Family is just such a garbage villa, which has now been sold. Whether Zhu Manqing is willing or not, they can get a lot of commission!

Zhu Manqing was flushed with anger at this time, and at the same time, she was ashamed of her carelessness!

If I take a look at the villa in advance, this kind of thing won't happen.

"Do you know who I am? Dare to fool me like that, believe it or not that I let your real estate go bankrupt?" Zhu Manqing said angrily.

After listening to Zhu Manqing's words, Manager Li smiled and shook his head, mocking.

"Hehe, I really don't believe it, you try, we are looking forward to it." Manager Li smiled.

Manager Li has made the background investigation of Zhu Manqing clear. There is no father and no mother, an orphan, and no property or company under his name. This one billion is not known where he came from.

"you!"

When Zhu Manqing heard this, his face flushed with anger.

If the old celestial teacher was alive, she could indeed make their real estate company go bankrupt in one sentence.

But now, she really doesn't have that strength.

With a smile on Manager Li's face, he dared to do this, which means that he still has a big background behind him. The developers of the Jinyu Family are well-known in the entire Jiangbei!

Of course, it is also famous and notorious!

The Overlord Clause makes it impossible to defeat them.

Because the contract is written in black and white!

If you find something wrong and don't sign, you can. But once you sign, there is no turning back!

Zhu Manqing was so angry that her chest was up and down, and she slapped Manager Li!

Zhu Manqing is a practicing family after all, and he snapped! This slap hit Manager Li's face firmly!

And Manager Li's face was red and swollen at the time, and even spit out two teeth!

Humph!

Manager Li took a few steps back.

“Dare to lie to me? I let you know how good my old lady is!”

The pungent Zhu Manqing finally revealed her nature at this time!

I saw her fight against the remaining salespersons!

The remaining salespersons were just little white faces who could not restrain themselves, and couldn't resist Zhu Manqing at all.

At that time, Zhumanqing was like a tiger entering the flock, it was a fight!

Crackling!

After a few minutes, these salesmen were knocked to the ground by Zhu Manqing!

And Zhu Manqing clapped her hands, showing a smug expression: “Huh! Dare to lie to me? This is the price of lie to me!”

After all, Zhu Manqing looked at Manager Li and said angrily: “Return my 100 million to me!”

But Zhu Manqing took two steps back, showing a look of fear: “Dare to hit someone? Believe it or not, I call the police?”

“Security! Come here! Security!”

At this time, Manager Li saw the security guard in the distance, and he shouted for help at the security guard.

After finding that Zhu Manqing was beating someone, the security guards not far away immediately assembled his staff and rushed towards Zhu Manqing!

And when Zhu Manqing saw this, her expression changed. She wanted to run, but a billion yuan was still in Manager Li's hands. She couldn't run!

But if you don't run, it will be troublesome to be caught by these people for a while!

Soon after, more than a dozen security guards rushed over.

These dozen or so security guards are all Lianjiazi!

These people are all professional security guards of the Wild Wolf Security Company, with extraordinary skills, Zhu Manqing will definitely not be their opponent!

As soon as these people came over, they directly surrounded Zhu Manqing.

Zhu Manqing's small face was extremely pale with fright, she took two steps back, looking at the group of people in front of her with fear.

"Don't mess around!" Zhu Manqing put on a defensive posture and threatened them.

But the dozen or so security guards all looked at Zhu Manqing with a sneer, and they approached step by step, pushing Zhu Manqing into their encirclement.

And Manager Li's face also showed a sneer: "Hehe, dare to hit someone? Lock me in the security department first!"

"Yes!"

The other dozen security guards agreed, and all walked towards Zhu Manqing with a sneer.

Chapter 925

Of course Zhu Manqing did not want to be taken away by them. At that time, Zhu Manqing resisted desperately!

"Don't come here! I'll be rude to you again!"

However, Zhu Manqing's words, they didn't care at all.

Because they are all trained professional security guards, not the same as the salesperson who was knocked down by Zhu Manqing just now!

I saw a few security guards rushing up! With just one round of effort, Zhu Manqing has been controlled!

Manager Li looked at the two broken teeth, pointed at Zhu Manqing, and sneered: "Hehe, you wait for me!"

"Take me to the security room!" Manager Li shouted.

More than a dozen security guards all agreed, and with Zhu Manqing, walked towards the security room.

Manager Li wiped the blood from the corner of his mouth, a squinted smile flashed across his eyes, and he followed closely.

Soon after, Manager Li followed Zhu Manqing to the security room.

Several salespeople behind Manager Li had already returned to work in the sales department, and only Manager Li followed.

By the way, the full name of Manager Li is Li Shengtian.

His background is not simple.

His uncle is the president of Jinyu Real Estate Company!

He, the manager, also relied on his uncle to become the manager, so he was very domineering in the Jinyu family.

This is also the capital he dares to cheat Zhumanqing!

After Li Shengtian came to the security department, he waved his hand. A dozen security guards readily understood, and they all walked out of the security room.

In the security room, only Li Shengtian and Zhu Manqing were left.

At this time, Zhu Manqing was already handcuffed on her wrist, and she was handcuffed to the radiator.

Zhu Manqing was angry, and she cursed: "Dare to handcuff me? Is there any king?"

When Li Shengtian heard this, a playful smile appeared on the corner of his mouth.

He sat across from Zhu Manqing, raised Erlang's legs, and laughed: "Hehe, Wang Fa? Woman, it's really not a brain."

"It was you who beat people in our community! Now you are controlled in the security room, even if it is called the police, I am not afraid, you still tell me about the law?"

"You!" Zhu Manqing was speechless for a while.

Because he was right, she was the first to hit someone! Now that she is under control, even if the police come, they will not say anything about them, but will only take her away!

Li Shengtian wiped the blood from the corner of his mouth and smirked: "Hehe, several of us were beaten and bleed by you, all of which were minor injuries. If you call the

police, compensation is a trivial matter, and it will cost you at least three months, do you believe it? “

After listening to Li Shengtian's words, Zhu Manqing's face showed a scared expression.

Call the police?

She is scared!

She was afraid that she would be locked in a small dark room!

But now she is the passive party, and it depends on Li Shengtian whether to report to the police.

“Can you not call the police?” Zhu Manqing gritted his teeth and asked.

Li Shengtian smiled triumphantly when he saw this, he said: “Haha! Of course it can.”

“But, it's conditional.”

After that, Li Shengtian rubbed his hands and looked at Zhu Manqing's body with a squint.

Zhu Manqing's figure, that's nothing to say, it's **** and hot.

In addition, Zhu Manqing likes to wear leather clothes, her figure is even more visible, concave and convex, and Zhu Manqing's small face is also very beautiful, it is not uncommon to cause men's evil thoughts.

“Stay with me all night, I won't call the police.” Li Shengtian smiled slightly.

After listening to Li Shengtian's words, Zhu Manqing was furious: “You dream!”

Let her accompany Li Shengtian all night? Although she has an open mind, Li Shengtian doesn't even fall into her eyes!

“In this way, if you stay with me all night, I will not only not call the police, but I will give you a better location. How about?” Li Shengtian looked at Zhu Manqing with confidence.

He believed that no woman could refuse him.

Zhu Manqing has now lost 100 million, and only if he promises Li Shengtian, this loss of 100 million will be restored!

He believes that as long as she is a smart woman, she will agree to his conditions!

After listening to Li Shengtian's words, Zhu Manqing felt very wronged.

Not to mention that I was cheated by others, but now I became a controlled person, and I actually asked others not to call the police.

Zhu Manqing, who had left the master, felt the sinister heart for the second time.

The first time, in the apartment.

At this time, Zhu Manqing thought of Lin Kai, perhaps only Lin Kai could help her.

"Can you let me make a call?" Zhu Manqing asked.

Li Shengtian smiled and shook his head, and said, "No."

He would not give Zhu Manqing any chance to ask for help.

"Just say, yes or no. If you agree, let's go open the house now. If you do not agree, I will call the police now. Let me say yes. I didn't force you. On the premise of your willingness, we will continue Go open the house."

The corner of Li Shengtian's mouth showed a smile.

What a seamless plan!

No matter what, Li Shengtian could not constitute a crime.

Only if you volunteer will we have a story.

Zhu Manqing was undoubtedly very angry at this time, but she had nothing to do with Li Shengtian.

Li Shengtian looked at Zhu Manqing with a smile. If Zhu Manqing really slept with him, would he give Zhu Manqing a good location?

The answer is no.

He won't call the police at best, but Zhu Manqing is still a victim of his entrapment!

Zhu Manqing shouted at this time: "Do you know Lin Kai? Do you know the young master of the Lin family? Believe it or not, I called the young master of the Lin family?"

After listening to Zhu Manqing's words, Li Shengtian was also taken aback.

Lin Kai, he has naturally heard of it.

The young master of the Lin family is very arrogant and domineering. The first young man in Jiangbei is talking about Lin Kai.

However, he had never seen such a big man.

“Haha, you want to tell me, do you know Lin Kai?” Li Shengtian smiled at that time, and he raised his eyebrows and asked.

Zhu Manqing nodded heavily and said, “Yes! I know Lin Kai! If you are acquainted, let me go now! Otherwise, I’ll call Lin Kai over!”

After listening to Zhu Manqing’s words, Li Shengtian laughed loudly: “Hahahaha! What a joke!”

“The entire Jiangbei people know that Lin Kai is not in Jiangbei! How long has he not returned to the Lin family?”

“Yes! Lin Kai is a big man! If you can call Lin Kai over, I will admit it!”

“But can you know Lin Kai?”

A disdainful smile appeared on Li Shengtian’s face: “Shao Nai Lin Kai came to scare me!”

“I will give you ten seconds to think about it!”

“After ten seconds, I will call the police immediately!”

At this time, Li Shengtian took out his cell phone, and he was ready to call the police at any time.

A smirk appeared on his face: “Ten! Nine! Eight! Seven!”

Zhu Manqing bit her lip tightly, she was very helpless now.

It would be great if the master was still alive.

Chapter 926: Give You Two Choices

Chapter 926: Give You Two Choices

Unfortunately, Master has passed away.

Now that Lin Kai is not by his side, what should he do?

“Six! Five! Four!”

Li Shengtian was still counting down, he looked at Zhu Manqing with a smile, he was waiting for Zhu Manqing to compromise!

But Zhu Manqing's teardrops fell down unconvincingly at this time, and she felt that she was very wronged.

"Three! Two! One!"

Li Shengtian's countdown is over.

And Li Shengtian also sneered: "Hehe, you are done! I will call the police now!"

Zhu Manqing closed his eyes in despair, even if he was shut for three months! Even if one hundred million is no more, he will never let Li Shengtian tarnish himself!

But at this moment, a knock on the door suddenly sounded.

Bang bang bang!

The knock on the door made Li Shengtian's hand pause.

His brows were frowning, and an expression of displeasure appeared on his face: "Who? Didn't you say that? Let you wait outside!"

Li Shengtian thought it was the security guard outside the door knocking on the door.

Bang bang bang! Bang bang bang! Bang bang bang!

The knock on the door became more and more rapid, more and more rapid.

The rapid knock on the door made Li Shengtian feel irritable.

He furiously said: "Fuck! Who?"

Li Shengtian strode over, he directly opened the door of the security room, but at the moment the door of the security room was opened, a big hand directly reached in and pinched his neck!

"1"

Li Shengtian was picked up by the man with one hand at that time!

The person here is Lin Kai!

Lin Kai grabbed Li Shengtian in one hand and slowly entered the security room.

After Zhu Manqing saw Lin Kai, her eyes lit up, and she wept with joy: “Lin Kai!”

Lin Kai glanced at Li Shengtian coldly, and kicked him on the stomach!

boom!

thump!

Li Shengtian’s body fell to the ground severely, and with a wow, Li Shengtian spouted a mouthful of blood.

He looked at Lin Kai in front of him, with a jealous expression on his face.

This person’s skill is very powerful!

“Who the **** are you? Cough cough cough...” Li Shengtian was furious.

As the manager of the Jinyu family, when was he beaten like this? And still on his turf!

“Where is the security guard? Get in here! Security!”

Li Shengtian shouted.

But Lin Kai smiled slightly, he let go of his body and asked: “Are you looking for them?”

Li Shengtian heard the words and looked out the door, but at this look, he was dumbfounded.

I saw a dozen security guards outside the door, **** by Wuhuada! Their mouths are stuffed with smelly socks! There was a sound!

how did you do that? At that time Li Shengtian was dumbfounded.

After seeing Lin Kai, Li Shengtian furrowed his brows and stepped back to the corner of the wall.

“Do you dare to hit someone? Believe it or not, I called the police?” Li Shengtian asked angrily.

Lin Kai smiled slightly and said casually: “Haha, you are free.”

After that, Lin Kai came to Zhu Manqing’s side. Lin Kai held the handcuffs on Zhu Manqing’s wrist with both hands. With a click, the handcuffs were directly opened by Lin Kai!

After seeing this scene, Li Shengtian widened his eyes. This person's hands are too strong, right?

Those are steel handcuffs!

But in Lin Kai's hands, it was like crispy handcuffs!

Zhu Manqing stood behind Lin Kai at this time and looked at Li Shengtian with hatred.

"Lin Kai! You want to avenge me!"

"Lin Kai?"

This time Li Shengtian heard Lin Kai's name clearly. He was the number one young man in Jiangbei, Lin Kai?

Li Shengtian looked up and down Lin Kai carefully, Lin Kai didn't look like Young Master Lin at all!

Isn't it a rumor, that Young Master Lin can only eat, drink and have fun? And there must be a group of dudes going in and out!

Look at the person in front of you again, he is so powerful! At first glance, he looked like a practicing family, and he didn't look like a young man at all.

Moreover, all of his clothes are cheap, not famous brands at all.

Besides, Young Master Lin is not here!

"Lin Kai? Are you two scaring me?"

Li Shengtian asked angrily.

Lin Kai glanced at Li Shengtian. Lin Kai almost knew what had happened in the security room just now.

For such bullying, Lin Kai would naturally not let him go easily.

"Now, I give you two choices."

Lin Kai put up his **** and said lightly: "First, kneel down and kowtow to pay for the guilt and compensate one billion. This matter will also pass."

After listening to Lin Kai's words, Li Shengtian's expression was very ugly.

One billion in compensation?

Where can he Li Shengtian get a billion?

And let him kowtow to apologize? This is worse than killing him!

“Second.” Lin Kai said lightly: “You call someone, I will convince you!”

After listening to Lin Kai’s arrogant words, Li Shengtian’s eyes lit up.

“You **** wait for me!”

Of course Li Shengtian is not convinced!

Can a fake Lin Kai frighten him?

He has been the manager of the Jinyu family for so many years, who hasn’t seen him? Not to mention this kind of person who can only pretend.

At that time, Li Shengtian took out his phone, and he called his uncle.

His uncle is the president of the Jinyu family!

As soon as the phone was connected, Li Shengtian immediately said, “Uncle! Come and visit the Jinyu Family!”

“Someone is beating people here! A dozen security guards have been beaten!”

“Correct!”

“Ok!”

At that time, Li Shengtian hung up the phone, and then Li Shengtian gloated at Lin Kai.

“You **** wait for me!”

After all, Li Shengtian bypassed Lin Kai and went straight out of the security room.

And Lin Kai showed a playful smile on his face, he was not afraid of him calling someone!

At that time, Lin Kai took two chairs and left the security room, and sat down at the gate of the security room.

And Zhu Manqing was sitting next to Lin Kai.

After Li Shengtian escaped from the security room, he directly released the dozen or so security guards **** by Lin Kai.

A dozen security guards all looked at Lin Kai with a look of fear, and did not dare to approach him.

Lin Kai's skills are really too strong, and it only took a few breaths to get rid of them. They didn't dare to be enemies with Lin Kai.

"Lin Kai, can you get it done?" Zhu Manqing looked at Lin Kai and asked with a worried expression.

Lin Kai smiled and nodded, and said, "It's just a small matter."

After that, Lin Kai took out his cell phone and dialed the phone number of Lord Ba.

It just so happened that the time has come to use him.

Soon after, the call was connected.

"Hello?" Over the phone, Lord Ba's voice came.

"Minibus, it's me, Lin Kai." Lin Kai said.

After hearing Lin Kai's voice, Ba's attitude immediately changed: "It turned out to be Mr. Lin, does Mr. Lin have any instructions?"

"Bring your people, come to the Jinyu family, don't let you run for nothing, every one million."

After all, Lin Kai hung up the phone.

Lin Kai didn't want to owe favor to others.

According to Lin Kai's guess, a lot of people should come in a while.

Chapter 927: Pretending To Be Young Master Lin Family

Chapter 927 Pretending To Be Young Master Lin Family

Not far away, Li Shengtian stared at Lin Kai intently.

There is hatred in his eyes!

It was Lin Kai who broke his good deeds!

Otherwise, Zhu Manqing might be asleep now!

Lin Kai?

Pretending to be Young Master Lin Family?

After a while my uncle came, I see how arrogant and swollen you are!

Soon after, several black Mercedes-Benz commercial vehicles drove into the Jinyu family.

There are five black Mercedes-Benz commercial vehicles!

The black Mercedes-Benz business car stopped directly at the gate of the security office. Then, a group of people in black walked out of the car after a sound of driving the door.

Each of this group of people in black wears suits and shoes, and their suits are held up high by muscles.

At first glance, it is Lianjiazi.

They wore sunglasses with serious expressions.

There are a full thirty bodyguards.

This is a professional bodyguard in black. These bodyguards have received professional training. They are either retired soldiers or professional bodyguards trained by a bodyguard company.

As soon as these thirty bodyguards came out, the whole scene was silent.

Then, a Maybach came in from a short distance.

After Maybach stopped, the door opened and a fat man with a big belly walked down.

This fat man dressed in a suit, with shiny hair and bright leather shoes, was a successful person at first glance. He also wore a famous watch on his wrist.

As soon as he appeared, Bodyguard No. 30 immediately shouted: "Hello, President Wang!"

President Wang nodded, waved his hand, brought thirty professional bodyguards, strode over, and his aura was extremely powerful!

When Li Shengtian saw his uncle, his eyes lit up, and he greeted him quickly.

“Uncle, you are finally here!” Li Shengtian immediately showed aggrieved expression on his face after seeing his uncle.

“What’s wrong? What happened?” Wang Jing frowned and asked.

Li Shengtian pointed at Lin Kai and said angrily: “Uncle! This kid is bad for our good deeds! I finally sold the villa that was not easy to sell, and this kid came to bad our good deeds!”

“The security guard who beat us didn’t say, but also beat me!”

After listening to Li Shengtian, Wang Jing’s face showed an unhappy expression.

The villa that Li Shengtian said was not easy to sell, he naturally knew what was going on, and he allowed Li Shengtian to do that.

Lin Kai’s damaging of Li Shengtian was his damaging of Wang Jing!

“Huh! Really looking for death!” Wang Jing snorted coldly, with an unhappy expression on her face!

“Yeah! He also said, what kind of Young Master Lin is he! Uncle, don’t you often do business with the Lin Family? Haven’t you eaten with the Young Master Lin? Is this kid the Young Master Lin?”

Upon hearing this, Wang Jing’s eyes flashed with panic.

Where does he know Young Master Lin? It’s just what he brags about.

However, dozens of people at the scene looked at him with admiration in their eyes. Naturally, Wang Jing was ashamed to say that she was bragging.

“of course.”

After that, Wang Jing went up and looked at Lin Kai.

Lin Kai, the eldest master of the Lin family in Jiangbei, is very famous in Jiangbei.

Naturally, Wang Jing had also heard of Lin Kai, but the Lin Kai in front of him was not linked to the rumored Lin Kai at all!

There is no dude disciple to follow, no expensive clothes, no luxury cars to go in or out, and no rumored weakness.

Therefore, Wang Jing believed that the Lin Kai in front of him was a fake Lin Kai!

At that time, Wang Jing believed in herself: “Hehe, Young Master Lin and I have been old friends for many years. When he saw me, he had to call Uncle Wang. Could this kid be Young Master Lin?”

After listening to Wang Jing’s words, Li Shengtian had a bottom in his heart.

“Fuck, it turned out to be a fake!” Li Shengtian looked at Lin Kai with a mocking expression: “Scared me a lot! I thought I was really the young master of the Lin family!”

“I said Young Master Lin was not able to fight like this!”

Li Shengtian squeezed his fist and made a crackling sound.

Today, he must give a good lesson to the kid in front of him who doesn’t know the height of the sky!

At this time, Wang Jing sneered and said, “Hey, dare to find something in the Jinyu Family? Do you know who developed this community? It is a high-end community developed by our Jinyu Real Estate Company!”

“You have something to do today!”

Wang Jing is very arrogant.

He waved his hand. At that time, thirty bodyguards and a dozen security guards quickly approached Lin Kai.

They all looked at Lin Kai angrily, gearing their hands.

In particular, the dozen or so security guards who were taken down by Lin Kaifa just now all looked unwilling.

They think that Lin Kai can win only by sneak attack. Now they have so many people, and they still face Lin Kai head-on, Lin Kai is definitely not an opponent!

Wang Jing put her hands in her pockets, and said proudly: “Kneel down to Lao Tzu first!”

“Kneel down!”

Thirty bodyguards shouted in unison, full of aura.

Lin Kai sat on the chair and raised Erlang’s legs, only to see him with a playful smile.

“Haha, let me kneel? Are you worthy?” Lin asked with a smile.

“Hahahaha!”

Upon hearing this, Wang Jing laughed loudly: “Boy! You’re so **** crazy! You’ve beaten Lao Tzu’s nephew in Lao Tzu’s place, and you dare to rant? It seems that I won’t let my brothers fix you today. You are afraid. I don’t know the sky is thicker!”

Lin Kai laughed when he heard this. He shook his head, looked at Wang Jing, and asked, “Do you have brothers?”

After listening to Lin Kai’s words, Wang Jing and Li Shengtian were taken aback.

What does this mean? Is this kid too?

At this moment, there was a loud bang! I saw the gate of the Jinyu Family not far away, which was directly knocked open by a Jinbei van! The security at the door could not stop it!

The tattered Jinbei van rushed directly into the Jinyu Family Community!

Not only a van, but behind this Jinbei van, there are also seven or eight Jinbei vans!

The Jinbei van drove directly to the gate of the security room, and then all seven or eight Jinbei vans stopped!

This kind of Jinbei van has no other advantage, that is, it can hold people!

At that time, with a crash, the doors of seven or eight Jinbei vans opened at the same time, and one after another strong men stepped out of the car!

These brawny men are naked, with tattoos on them, and many big bald heads with fierce expressions, cigarettes in their mouths, and weapons such as steel bars and blades in their hands!

More than a hundred people got off the Jinbei van!

A crowd of black people, a group of people directly surrounded the door of the entire security room!

Soon after, the crowd broke out of a passage and saw Ba Ye wearing a white casual clothes smoking a cigar and striding over.

“Master Ba?” After seeing Master Ba, Wang Jing also narrowed her eyes.

He didn’t expect that Master Tianqiao would actually come!

Chapter 928: Block

Chapter 928

“Who am I? It turns out to be Lord Ba!” Wang Jing sneered, hugging her arms.

Baye, he knows naturally.

Ba Ye is very famous and powerful in the area of the sky bridge.

However, Wang Jing is not afraid of Lord Ba.

Ba Ye snorted, did not pay attention to Wang Jing, but strode to Lin Kai’s side.

“Mr. Lin, am I not late, am I?” Ba Ye asked with a fist holding his fist, with a look of respect.

After seeing Ba Ye respect Lin Kai so much, Wang Jing’s face showed a surprised expression.

This kid still knows Lord Ba? It seems that Lord Ba is still very polite to him!

“It’s not late.” Lin Kai said lightly with his hands behind his back.

Afterwards, Lin Kai took out a bank card with two fingers, handed it to Lord Ba, and said, “Minibus, there is a million in it, take it.”

But Ba Ye’s eyes lit up, he took the bank card with both hands, and said, “Thank you Mr. Lin for the reward.”

After seeing this scene, Li Shengtian and Wang Jing both showed a suddenly realized expression.

It turns out that it’s not that this kid has a big background, he has spent money to ask Lord Ba to do things!

“Humph!” Li Shengtian snorted coldly, “I thought you had any background! It turned out to be just spending money on things!”

“Can Lord Ba protect you for a while, can you protect you for the rest of your life?”

Wang Jing’s expression was also very ugly.

Today, Lord Ba came, he was destined to be unable to move Lin Kai, which made him very unhappy.

Wang Jing snorted coldly, and said, “Huh, kid, you are great, take your woman with you, get out!”

Wang Jing intends to let Lin Kai go.

And Lin Kai sat on the chair, shaking his Erlang's legs, with a playful smile on his face: "Hehe, get out? I called so many people here to keep me safe?"

After listening to Lin Kai's words, Li Shengtian was furious: "Boy! You beat me, and you beat my people! Now let you get out of the way, it's considered letting you go! What the **** do you want?"

Lin Kai smiled slightly and said, "Hehe, give her the best villa for me! Then pay her 10 billion in compensation, and that's the thing."

"Otherwise, I will let your broken company go bankrupt!"

Lin Kai is crazy!

At this time, even Lord Ba wiped the sweat from his forehead.

Lin Kai is too crazy!

Want to make Wang Jing's company go bankrupt? Although Wang Jing's company is not a super large company, it is a small and well-known real estate company in Jiangbei.

Although Lin Kai is very good at fighting, does he have a connection that caused the company behind Wang Jing to fail?

"Mr. Lin, almost forget it, Wang Jing is not easy to provoke." Ba Ye reminded in a low voice.

When Li Shengtian heard this, he laughed: "Hahahaha! What a big joke! Let my uncle's company go bankrupt?"

"Do you know who the boss of Jinyu Real Estate Company is always?"

"Do you have that strength?"

"It's really bragging!"

Wang Jing also sneered: "Hehe, boy, don't you toast and drink fine wine?"

"Ten hundred million! Think you can blackmail me with Lord Ba? He can guarantee that you are good, but you ask him, does he dare to touch my hair?"

Lin Kai looked at Master Ba, and Master Ba lowered his head in shame.

He dare not.

He can start for Lin, but he will not be tough for Lin Kai and Wang Jing.

After all, he and Lin Kai had only known each other for two days, and he didn't know Lin Kai's background.

Li Shengtian squinted his eyes and smiled coldly: "Heh, really arrogant and ignorant!"

"Today, you saw Baye's face, do you think we were afraid?"

"Tell you! This woman spent 100 million to buy a villa, we will not exchange it! We will not refund a penny!"

Arrogant! domineering!

What if you call Lord Ba?

At best, Baye can only keep you safe, but it will never help you redeem your losses!

This is the strength of our golden and jade family!

"Haha, is there still Wang Fa in this world?" At this time, Lin Kai tilted his head and smiled helplessly.

Wang Jing smiled proudly at this moment: "Haha! In this world, with strength, brains, and influence, it is Wang Fa!"

"Lao Tzu is the overlord contract! You signed it, and you won't win the lawsuit! What can you do to Lao Tzu?"

"You can only eat a dumb loss!"

"You can't threaten me, because my fist is harder than yours!"

After listening to Wang Jing's words, Lin Kai nodded suddenly, "Oh! So the fist is Wang Fa?"

Wang Jing sneered, her face proud.

Lin Kai tried to take out his mobile phone and laughed: "If this is the case, then I will let you see my King Fa!"

After all, Lin Kai dialed the number of Lin Jialin Dahai directly.

There is nothing that the Lin family can't do in this three-acre land in Jiangbei!

Soon after, Lin Dahai's phone was opened.

Lin Dahai's voice came from the phone: "Hello? Is it the young master?"

Lin Kai nodded, and said, "I, do you know a real estate company called Jinyu Real Estate Company?"

Lin Dahai on the phone was stunned for a moment, and said, "Wait a minute, I'll check."

Soon after, Lin Dahai's voice came: "I found it, Jinyu Real Estate Company, a local small and medium enterprise in Jiangbei, with an annual profit of about several billion."

Lin Kai nodded, and said, "Can this company go bankrupt in ten minutes?"

Lin Dahai confidently said, "It can be done!"

Lin Kai hung up the phone directly after hearing this.

After seeing Lin Kai call, Li Shengtian laughed loudly.

"Hahahahaha! Pretend to look alike!"

"You're so **** good at acting!"

A burst of ridicule sounded, and the security guard of the Jinyu family and the bodyguard brought by Wang Jing laughed.

Even Lord Ba covered his face, Lin Kai was really pretending to be big.

Wang Jing put her hands in her pockets, with a confident expression on her face: "Hehe, a stinky guy who wants to close our company? What a idiot!"

At this time, Lin Kai did not respond to Wang Jing.

He looked at the bodyguards and security guards beside Wang Jing.

Lin Kai remembered that the security business in Jiangbei was monopolized by the Wild Wolf Security Company. These people should also be the Wild Wolf Security Company.

"You all belong to the Wolf Security Company, right?" Lin Kai asked.

Li Shengtian proudly said: "Yes! These people are from the Wild Wolf Security Company! How?"

Lin Kai heard this, without saying anything, took out his phone and directly dialed Chen Leier's phone number.

Soon after, the phone was dialed, and Chen Leier's grieving voice came from the other end of the phone: "Yeah, Lin Kai, do you still know to call me?"

Lin Kai didn't talk nonsense, and asked directly: "Do you know Jinyu Real Estate Company?"

Chen Leier froze for a moment and said: "I know! His family's security business is all monopolized by our Wild Wolf Security Company."

"Return all the security guards and bodyguards, terminate all business with his family, spread the news, and block this company!"

Chapter 929: Collapse

Chapter 929

After listening to Lin Kai's words, Chen Leier had no other words at all, and directly agreed: "Okay."

Afterwards, Lin Kai hung up the phone.

After hanging up the phone, Lin Kai found that the whole scene was very quiet.

Everyone looked at him.

Everyone looked at him with weird eyes, as if they were looking at a monster.

Lin Kai touched his face, seeing what he was doing? Is it possible that you have flowers on your face?

Soon after, a burst of laughter broke the silence on the scene, Wang Jing and others all laughed, even the people of Ba Ye couldn't help but laugh.

Li Shengtian clutched his stomach and laughed: "Hahahahaha!"

"It's really pretending!"

"You want to block our company? You want to withdraw all the bodyguards of the Wild Wolf Security Company? Are you trying to laugh at me?"

Wang Jing smiled and shook her head, looking at Lin Kai's eyes as if she was looking at a fool.

"It's really stupid."

Even Ba Ye covered his face.

He regrets it, knowing that he shouldn't have come, it's really shameful!

Although he knows that Lin Kai is extraordinary, but the two calls Lin Kai made just now were really embarrassing!

He actually wants to block Jinyu Real Estate Company!

Unless it is the head of the Lin family, who has the strength to block a medium-sized company?

What's more, Jinyu Real Estate Company still has a cooperative relationship with the Lin Family. It is difficult to block Jinyu Real Estate Company!

Ba Ye came to Lin Kai, covered his face, and said, "Mr. Lin, I think it's better to forget it. Let's go if I can still protect you now?"

Lin Kai glanced at Lord Ba and said lightly: "Give me ten minutes, and after ten minutes, Jinyu Real Estate Company will definitely go bankrupt!"

What Lin Kai said was a promise.

Hearing this, Ba Ye could only sigh and shook his head.

This Lin Kai is so energetic!

Ba Ye walked aside and stopped asking Li Lin to drive.

Only Zhu Manqing trusted Lin Kai very much. She knew Lin Kai's background and knew that Lin Kai was not easy.

Lin Kai is the eldest young master of the Lin family in Jiangbei! Letting a real estate company go bankrupt is just one sentence.

Soon after, ten minutes passed.

Ten minutes later, Wang Jing glanced at her watch, then glanced at Lin Kai: "Boy, didn't you say we want our company to close down?"

"Why hasn't our company closed down yet?"

Lin Kai also glanced at his watch, and said lightly: "Alright, don't worry."

After listening to Lin Kai's words, Li Shengtian puffed out a laugh: "Puff ha ha ha! Still pretending! I see when you can pretend!"

As soon as Li Shengtian's voice fell, a rapid telephone ringing rang.

Jingle Bell! Jingle Bell!

Wang Jing took out his mobile phone and found that it was a call from the chairman.

And Li Shengtian hurriedly leaned over, and after seeing the chairman's call, Li Shengtian frowned.

Why would the chairman call? Could something really happen to the company?

Wang Jing also panicked, but he still said, "It's okay, it must be the chairman who called me to find something wrong."

Afterwards, Wang Jing answered the phone confidently: "Hello? Chairman, what's the matter?"

Wang Jing also turned on the hands-free very embarrassingly.

He wants everyone to know that if the chairman called him, it wasn't that something went wrong with the company, it was because the chairman had a business to call him!

But then, from the phone, there was a roar from the chairman: "Wang Jing! What the **** did you provoke outside?"

After listening to the chairman's roar, Wang Jing was stunned.

what's the situation? Why does the chairman yell at himself?

What big people did you provoke outside? Could it be Lin Kai? Is your company going to close down?

Wang Jing couldn't believe this fact. He asked, "Chairman, what's the matter?"

"Just a minute ago! The Lin Group has terminated our cooperation with us!"

"Do you know what it means for Lin Group to dissolve cooperation with us? It means that we will lose billions! It means that the largest company in Jiangbei does not cover us!"

"Say, who did you provoke?"

After listening to the chairman's words, Wang Jing's mind buzzed.

what? The Lin Group actually ended the cooperation with its own company?

What's going on? Is it possible that the person in front of him is really the young master of the Lin Group? Is it really the eldest master of the Lin family?

“Also! The Lin Group announced it! We are going to block our company!”

“Do you know the status of the Lin Group in Jiangbei? Do you know the gold content of the Lin Group?”

“Our company is over!”

After listening to the chairman’s words, Wang Jing was confused at the time.

Humph!

He stepped back several steps in a row.

How could this be? Is the company going to close down?

Li Shengtian on one side was also dumbfounded, what is the situation? What kind of big man is Lin Kai in front of him?

His two phone calls caused the Jinyu Real Estate Company behind them to close down?

At this moment, there was a rapid ringing on the phone.

Then, the chairman over there answered the phone.

“Hey?”

“What? You also want to dissolve cooperation?”

“Shareholder Zhao, you can’t leave! If you leave, how can our company survive?”

“Wang shareholder, you also want to go?”

“Don’t divest!”

The chairman over there, like an ant on a hot pot, the phone ringing has never stopped.

Soon after, the chairman’s roar came: “Wang Jing! If you don’t get this thing done, I will definitely kill you!”

“Dududu...”

Subsequently, the chairman of the board was hung up.

At this time, the scene was as silent as death.

Everyone looked at Lin Kai, and everyone looked at Lin Kai with different eyes. What kind of background does this man have?

Just a phone call made Jinyu Real Estate Company go bankrupt!

He was not bragging just now!

This person might really be the young master of the Lin family!

Even Ba Ye looked at Lin Kai in front of him dumbfounded, he also looked incredible.

This man is too strong, right?

Lin Kai put his hands in his pockets and looked at the group of people in front of him playfully.

Lin Kai gave them a chance, but they didn't cherish it themselves!

If you don't cherish the opportunity Lin Kai gave, there is only one end, and that is destruction!

Li Shengtian stared at Lin Kai blankly. He never thought that because that little girl had provoke such a terrifying existence!

A phone call from him caused the Jinyu Real Estate Company behind him to close down!

Jinyu Real Estate Company closed down, and his uncle is no longer a president. His uncle is not a president, so what a shit?

Chapter 930: Quit

Chapter 930

Wang Jing's face was green, he didn't know what to do now.

He still can't accept this realistic result.

He didn't want to believe that the man in front of him was Young Master Lin.

"Coincidence, it must be a coincidence..."

Wang Jing is still lying to herself.

But at this moment, another rapid phone ring rang. This time, it was not Wang Jing's cell phone that rang, but the cell phone of a bodyguard next to him.

This bodyguard is the captain of the bodyguards brought by Wang Jing.

He looked at the phone screen, his face changed at that time, and quickly answered the phone: "Hello? Manager?"

"What? Good! Okay! Right now!"

Then he hung up the phone.

After hanging up the phone, the bodyguard glanced at Wang Jing disdainfully, and then raised his **** at Wang Jing!

"I've long seen you not pleasing to your eyes! You fat man!"

At that time, Wang Jing was dumbfounded.

Even if I was scolded by the chairman, I was scolded by a little bodyguard?

At that time, Wang Jing was furious, and he said angrily: "Do you **** dare to scold me? Believe it or not, I will fire you?"

And the captain of the bodyguard sneered and said, "Hehe, you don't need to be fired! I'm quitting!"

After all, the bodyguard captain yelled at the dozens of bodyguards around him: "Brothers from the Wild Wolf Security Company! Just now our manager said! Don't do it here! Arrange for us to work in a new place! And Everyone compensates 10,000 yuan!"

After listening to his words, there was a loud noise, followed by a cheering!

"I'll go! Give 10,000 yuan for nothing? Good thing!"

"I didn't want to do it here long ago!"

"Li Shengtian? Are you a shit!"

At that time, there were waves of dissatisfaction and complaints. Thirty bodyguards and a dozen security guards were all liberated!

They no longer have to behave with Li Shengtian and Wang Jing. They all looked at Wang Jing and Li Shengtian with great disdain, without having to look at their faces!

Wang Jing and Li Shengtian watched this scene dumbfounded.

They can't believe that this scene is actually true!

Just now, Lin Kai seemed to make a call to the Wolf Security Company. Could he really know the people of the Wolf Security Company?

This kid is so big?

“You...you! Do you dare to go?” Wang Jing looked at the group of bodyguards and security guards in front of her, angrily.

The bodyguard captain sneered, poked Wang Jing in the chest, and said, “Hehe, old boy, don’t you understand?”

“You have met a big man!”

“Just now our manager said that in the future, Wild Wolf Security Company and Jinyu Real Estate Company will terminate their cooperation!”

“And our security company will speak out, whoever dares to help Jinyu Real Estate Company is to be an enemy of our wild wolf security company!”

After hearing the words of the bodyguard captain, Wang Jing seemed to be hit by five thunders!

He took a few steps back!

Even the wolf security company has to block them!

Who doesn’t know that Wild Wolf Security Company is notoriously domineering in Jiangbei? Both black and white are very overbearing!

When they spoke, absolutely no company would like to cooperate with their company!

Their company’s capital chain will be disconnected within a day! Then declare bankruptcy! They will become **** not!

And all this is because of the Lin Kai in front of you!

At this time, Wang Jing and Li Shengtian no longer doubted Lin Kai’s identity.

This person is 100% Young Master Lin! Otherwise, how to explain that he has so much energy?

The two of them looked at Lin Kai’s eyes, there were only fearful eyes! There are ashamed eyes!

Thinking that they were so screaming and pretending to be in front of Lin Kai just now, this is simply playing a big sword in front of Guan Gong!

The expression on Zhu Manqing's face was a triumph. She was holding her arms with a proud face.

Looking at the sullen expressions of the two people in front of her, she felt proud!

At this moment, Zhu Manqing couldn't help but glanced at Lin Kai more. It was great to have a support!

At this time, Zhu Manqing had an impulse to cling to Lin Kai, because this man was too safe!

At this moment, Zhu Manqing strode over, and she came directly to Li Shengtian.

"Want to sleep with me? Do you have that ability?"

"You want to call the police to arrest me? You call the police! I think the police dare not arrest me!"

Zhu Manqing said arrogantly.

And Li Shengtian showed a smile that was uglier than crying. He said: "Auntie, I was wrong, you forgive me..."

At this moment, Zhu Manqing slapped Li Shengtian's face without saying a word!

Snapped!

With a sound, Li Shengtian immediately spewed a mouthful of blood, and also dropped a tooth!

"I bother!"

"Let me forgive you for a scumbag? Don't think about it!"

"Hit me, right? I spend 100 million, so you give me a bunch of broken pieces, right?"

"Bankruptcy deserves it! Real estate companies like you won't last long!"

Wang Jing looked at Li Shengtian.

He figured it out, it was because of his nephew! Not only did he sell the worst house at a high price, he also wanted to sleep with the girl in front of him, and then the girl found Lin Kai.

"I will kill you!"

Wang Jing let out a roar, and directly pinched Li Shengtian's neck!

He is a hate! His eyes are red!

If it wasn't for his nephew, would he have the fate now? it's good now! Everything is gone!

Li Shengtian's eyes widened at the time, and he felt breathless.

"Uncle...Uncle..."

Li Shengtian's vague way, he struggled hard.

But Wang Jing has red eyes, he is angry! He is so angry! He needs someone to vent his anger!

And Lin Kai has been watching them biting the dog.

Soon after, the two fought together! Li Shengtian resisted!

Lin Kai couldn't help applauding as they watched the fight.

Happiness!

"Okay! What a dog bites a dog!"

As soon as Lin Kai spoke, Li Shengtian and Wang Jing stopped fighting. They both looked at Lin Kai with fear and annoyance in their eyes.

Wang Jing was not reconciled, he knelt directly in front of Lin Kai and kowtow to Lin Kai.

He said madly: "Young Master Lin, I was wrong. I don't know Taishan. Can you forgive me? Can you forgive me?"

Li Shengtian also kowtowed at this time, he was not reconciled, he still wanted to be the manager of the sales department, his good days have not yet passed!

Lin Kai hugged his arms and looked at them with a smile.

Lin Kai said to Wang Jing: "Don't you know Lin Da Young?"

"Didn't you have dinner with Young Master Lin? What do you ask me to do with Young Master Lin? I am not Lin Kai."

After listening to Lin Kai's words, Wang Jing blushed.

He actually said in front of Lin Kai that he knew Lin Kai, and now thinking about it, Wang Jing was ashamed.

What a shame!

Chapter 931: Hayashi Family Death

Chapter 931

Lin Kai looked at the two people in front of him.

Lin Kaisi didn't feel pitiful for them, they asked for it!

Lin Kai held up his fingers and said, "I gave you a chance!"

"Li Shengtian, right? Lao Tzu asked you to pay one billion for the first time, so you don't do it."

"Wang Jing, right? Lao Tzu asked you to pay 10 billion yuan for the second time and give her a better villa. You don't do it!"

"Now that the company is bankrupt, do you regret it?"

Lin Kai's voice sounded.

Both of them bowed their heads in shame.

Knowing that Lin Kai's background is so strong, they should agree to Lin Kai!

Even if you lose some money, it's better than nothing!

"Mr. Lin, I was wrong, can't I pay you 10 billion? You raise your hand and let us go!" Wang Jing directly knelt in front of Lin Kai and cried.

Lin Kai sneered and said, "Hehe, now I know I regret it? It's too late!"

After all, Lin Kai strode away.

But Wang Jing was still a little unwilling, he hugged Lin Kai's calf directly, not allowing Lin Kai to leave.

But Lin Kai sneered, he kicked Wang Jing's chest and kicked Wang Jing away several meters away!

Afterwards, Lin Kai took Zhu Manqing's hand and said, "Let's go!"

Lin Kai took Zhu Manqing away very coolly.

But Ba Ye quickly followed with someone and shouted: "Mr. Lin, wait for me!"

...

Capital, Long's home.

Behind the Longs house, there is a large playground.

At this time, there was no one around the playground.

There was only one person still standing in the middle of the playground. This person was Long Xiaoyun.

Now Long Xiaoyun has undergone earth-shaking changes!

She is no longer the same Long Xiaoyun.

Long Xiaoyun is now braving a chill from all over his body!

She has not only changed in appearance, but also changed from beginning to end, since she put on the jade mask given by Lin Kai.

At this time, Long Xiaoyun was very white all over his body, and his skin was whiter than Snow White!

Her facial features have also changed a lot.

In a word, it becomes beautiful.

But it also became cold.

At this time, Long Xiaoyun seemed to be a beauty on an iceberg and could not tolerate anyone approaching.

Her body is really chilling!

At this time, as soon as Long Xiaoyun stretched out her hand, a cloud of ice condensed in her hand.

Long Xiaoyun looked down at the cold ice in his hand, and he was stunned for a long time.

She couldn't believe that she was still herself, because she found that she had a very powerful force in control! This force was so powerful that she felt scared!

She looked up to the sky! And the sky seemed to have been affected by Long Xiaoyun, and suddenly it was clouded!

As soon as she lowered her head, the sky became clear again.

Whoosh!

Long Xiaoyun can teleport hundreds of meters with just one thought!

Even the walls couldn't stop Long Xiaoyun. At this time, Long Xiaoyun looked like a ghost.

"Is this a powerful force?" Long Xiaoyun looked at his palm.

"Lin Kai, I'm looking for you."

Long Xiaoyun looked at the distance not far away, and there was an indescribable look in Yaoyi's eyes.

"If I find out that you are lying to me, you will be dead!"

After Long Xiaoyun said, with a swish, his body disappeared in the Long's courtyard out of thin air!

...

But Lin Kai was ignorant of everything about Long Xiaoyun.

He didn't know what the mask was, but thought that the mask was very beautiful, so he gave it to Long Xiaoyun as a souvenir.

But he didn't know that the mask gave Long Xiaoyun a very powerful force!

So strong that even Lin Kai could only tremble for it.

After Lin Kai sent Zhu Manqing back to the apartment, he quickly hurried towards the Lin family.

He wanted to see if Lin Yuan had come back!

He had agreed with the old butler, as soon as Lin Yuan came back, the old butler would immediately notify Lin Kai! But after a long time, the old butler still didn't notify Lin Kai. Lin Kai was a little worried. Lin Family, did something happen?

Soon after, Lin Kai returned to the Lin family.

As long as Lin Kai was willing, no one could find Lin Kai, and just like that, Lin Kai sneaked into the Lin family.

In fact, Lin Kai was very scared in his heart, because he knew that he could come to the Lin family silently, and so could Lin Yuan.

His family is in the light, and Lin Yuan is in the dark. If Lin Yuan can't be killed, Lin Kai won't be able to sleep well all his life.

Soon after, Lin Kai came to the room where the old butler lived.

Generally speaking, the old housekeeper usually lives here. After all, Lin Kai is the Lin family. Lin Kai still knows exactly where his housekeeper lives.

After arriving at the door of the room, Lin Kai knocked on the door.

Bang bang bang!

But after a long time, there was no movement inside the door.

Lin Kai frowned. He carefully observed it when he came. The old housekeeper was not anywhere else in Lin's house. It stands to reason that the old housekeeper should be in his room now!

With a click, Lin Kai opened the door of the room, which was not locked.

After entering the room, Lin Kai frowned immediately, because he smelled a foul smell!

The smell is very pungent.

He entered the room and immediately saw a pool of blood on the ground!

He walked into the bedroom quickly, and then Lin Kai saw a scene that made people feel very disgusting.

The old housekeeper is dead!

He was killed in his bed!

The bed is full of blood!

The corpses are a bit stinky!

The old butler's eyes widened. He seemed to be unwilling. He covered his neck and opened his mouth wide.

He was killed by a stab at the throat!

Lin Kai frowned, who did this? Lin Yuan did it?

Lin Kai looked around in the room carefully. At that time, Lin Kai saw a few blood characters on the wall.

The Lin family is dead!

Four **** characters! Right in front of Lin Kai!

Who left this?

There is only one explanation, and that is Lin Yuan!

But how did he know that the old butler had rebelled?

Lin Kai was puzzled.

Suddenly, Lin Kai patted his head. How did he neglect this?

Whose apprentice is Lin Yuan? My apprentice of the heavenly master! What is the best master? His cultivation is very powerful, and his arithmetic is also very powerful!

It seems that Lin Yuan not only inherited the cultivation base of the celestial master, but also inherited the arithmetic of the celestial master!

He calculated that the old butler would be discovered by himself!

So he killed the old housekeeper ahead of time!

When I thought of this, Lin Kai got goose bumps all over his body. In that case, it was really hard to find Lin Yuan!

Lin Kai looked at the rest of Lin's house, but fortunately his parents were fine.

No way! I must find him! I must kill him! If he does not die, his family will most likely die in his hands!

Chapter 932: I Want To Jump Di

Chapter 932

Thinking of this, Lin Kai rushed out of the Lin family anxiously!

I'm going to find Master Huang Tian! Heavenly Master Huang is the first Heavenly Master in China, he must be able to figure out where Lin Yuan is!

Lin Kai ran all the way, and soon after, Lin Kai ran back to the apartment.

However, when he arrived at the apartment, Lin Kai suddenly discovered that Zhu Manqing was actually on the first floor, in Ba Ye's room.

At this time, Lord Ba didn't dare to be disrespectful to Zhu Manqing, and instead offered Zhu Manqing as a grandmother.

"Why are you here?" Lin drove a glance into Ba Ye's room and asked with a frown.

Ba Ye stood aside, not even daring to sit.

Zhu Manqing showed a dissatisfied expression. She asked, "Who is the old man in our room?"

Huang Tianshi? Zhu Manqing should have seen Huang Tianshi.

Lin Kai scratched his head and replied, "One of my seniors, what's wrong?"

After listening to Lin Kai's words, Zhu Manqing hugged his arms and said proudly: "I don't want to live with him!"

"Why?" Lin Kai asked.

One hundred thousand luxury suites a month, there are several rooms, you can live together!

Zhu Manqing is too arrogant, right? Lin Kai had some dissatisfaction with her.

At this time, Lord Ba was pleased and said: "It doesn't matter, I will arrange a luxurious suite for you again, for free."

Now Lord Ba has regarded Zhu Manqing and Lin Kai as two great gods, after all, Lin Kai is the young master of the Lin family!

Today, the picture of Lin Kai closing a company with a single sentence, Lord Ba has a deep memory. If he could walk next to the big tree Lin Kai, he would have nothing to worry about for the rest of his life.

"Go up and see for yourself to know why!" Zhu Manqing said irritably.

After listening to Zhu Manqing's words, Lin Kai strode towards the floor he was on.

Soon after, Lin Kai returned to the door of his room, just about to knock on the door, but at this moment, a strange sound suddenly came from his room.

“Um...um...um...”

“Ahhhhhhh!”

“no! No! Please!”

After hearing this sound, Lin Kai was stunned.

Isn't this the sound of an island movie? Why did it come from my room!

With a click! Lin Kai opened the door of the room directly, and then he saw a scene that made him feel incredible!

Because the TV in the living room is playing some unsuitable images for children.

And Huang Tianshi was watching with relish.

After seeing Lin Kai coming back, Tianshi Huang smiled and asked, “Are you back?”

Tianshi Huang's smile was still very amiable, but Lin Kai always felt that Tianshi Huang's smile contained a sense of triviality.

This old man, who is so old, still looks at these things?

“you”

Lin Kai was speechless at the time.

Huang Tianshi said with a smile, “I'm old, I'm not working anymore, I can only look at these things and enjoy my eyes.”

Lin Kai was speechless at the time, he walked forward quickly and turned off the TV directly.

“You should try to watch these things as little as possible in the future!” Lin Kai's tone was uncomfortable.

Afterwards, Lin Kai walked quickly to Huang Tianshi's side and sat down.

“Tianshi Huang, I want to ask you one thing.” Lin Kai said sincerely looking at Tianshi Huang.

Tianshi Huang looked at Lin Kai with a smile, and asked, “What's the matter?”

“I want you to help me count a person and calculate where he is.”

“Are there any birthday characters?”

“Have.”

“Do you know his name?”

“know.”

“Do you know where he lives?”

“know.”

“Regardless of.”

“I”

Lin Kai had an urge to scold his mother.

“Why don’t you ask so much?” Lin Kai frowned.

Master Huang touched his beard and said with a smile: “Hehe, it is not difficult to find out where a person is, but I don’t want to help you.”

After hearing what Huang Tianshi said, Lin Kai raised his eyebrows and asked, “Why? We are in the same group! I am the one responsible for protecting your safety!”

After listening to Lin Kai’s words, Huang Tianshi pointed to the TV and said, “Because you turned off my TV.”

Lin Kai was speechless for a while.

Although this old man is good at arithmetic, compared with the old master, this old man is simply unreliable!

“Then I open it for you?” Lin Kai tried to ask.

Huang Tianshi shook his head and said, “No.”

“Then tell me, how can you help me?”

Lin Kai was helpless, he asked.

When Huang Tianshi heard this, a smirk appeared at the corner of his mouth.

He said: "Simple."

"I want to jump!"

Lin Kai: "..."

Lin Kai was speechless at the time.

This old man is so old that he still wants to play dick!

"As long as I take you to Bengdi, you will help me, right?" Lin Kai raised an eyebrow and asked.

Tianshi Huang smiled and nodded, and said, "Haha, yes, but you have to protect my safety and keep it secret for me."

Lin Kai nodded and said, "Yes! No problem!"

"Ok. Please wait for a moment."

After that, Huang Tianshi stood up and returned to his room.

Soon after, Tianshi Huang came out of his room.

But Lin Kai's eyes widened.

Fuck, this is Huang Tianshi?

I saw Huang Tianshi take off his robe and put on a set of very fashionable clothes.

A light-colored casual suit, very self-cultivation, a pair of AJ coconut shoes under the feet, a red watch on his wrist, and even sunglasses!

It is more fashionable than Lin Kai! Younger than Lin Kai!

"Let's go!"

Huang Tianshi smiled and said.

Is this a **** old man in his sixties or seventies? Is he too good at playing?

In desperation, Lin Kai had to take Huang Tianshi out.

Tianshi Huang is not stupid either. He knows that if he goes out alone, he won't be able to come back 80%. Only by following Lin Kai can he go out and return safely.

Soon after, Lin Kai got into a taxi.

Lin Kai said directly, "Go to the nearest bar."

"okay!"

The taxi driver agreed and took the two of them off.

Soon after, the two appeared in front of a bar.

The name of this bar, called 1998, is a famous music bar in Jiangbei, which is also known as a disco.

After coming here, Tianshi Huang was obviously very excited, Lin Kai and Tianshi Huang strode into the bar.

Along the way, everyone who entered the bar looked at Huang Tianshi in surprise.

Obviously, very few people who come here to dance for the dice are over forty years old, and almost none over fifty years old.

The sixty-year-old can't see it at all.

This is the first time we have seen such an old man in his seventies coming to Dengdi!

"Hello, have you booked the deck?"

As soon as they entered, they were stopped by a receptionist.

Lin Kai frowned and asked, "Is there any deck?"

The receptionist glanced at the tablet in his hand and said, "Yes."

"Minimum consumption"

Chapter 933: Stay With Me All Night

Chapter 933

"It's all right."

Lin Kai took out his bank card impatiently and handed it to the receptionist.

"I'm set!" Lin Kai said.

"Ok."

The receptionist took Lin Kai's bank card and went to open a card slot for Lin Kai.

Soon after, Lin Kai led Huang Tianshi into the bar.

In the bar, people come and go, very lively.

All kinds of young people walk in the bar, most of them are young people who come to the bar to dance.

Few people over thirty years old.

Most of them are eighteen or nineteen, or around twenty.

Moreover, there are so many beautiful girls here!

As soon as Huang Tianshi entered, his eyes were almost sinking into the bodies of other girls.

"You go to the deck, I'll go to Bengdi!"

Tianshi Huang pushed Lin Kai away, and he walked directly onto the dance floor alone!

On the stage, it is today's DJ, they are adjusting the atmosphere, and off stage, under the feasting, many young people are shaking their heads presumptuously.

And Huang Tianshi's entry has undoubtedly become the most beautiful boy among the crowd.

A lot of years old, but came to Deng Di, but Huang Tianshi's fashionable dress attracted many girls instead.

Generally speaking, very fashionable old men are rich people.

And Huang Tianshi is really a rich man.

When Huang Tianshi was jumping for Di, several hot beauties had already posted near Huang Tianshi.

And Huang Tianshi was obviously also a master of love. After a few words, he easily used his elderly phone to record the phone calls of the girls.

Lin Kai sat on the deck.

Soon after, a waiter served Lin a lot of beer and snacks.

It seems that setting the deck for tonight, it took tens of thousands of oceans!

But Lin Kai didn't mind either.

Lin Kai's deck is very large, but Lin Kai is the only one, while he is eating melon seeds while watching Huang Tianshi.

Coming here by yourself is not only to accompany Heavenly Master Huang, but also to protect Heavenly Master Huang's safety.

Lin Kai is also very eye-catching in the bar, because his deck is large, but there is no one.

Lin Kai is very handsome and has a very good figure. Many girls winked at Lin Kaifei.

Lin Kaiquan did not see it.

The Huang Tianshi on the dance floor, that is a presumptuous, that is a swing.

Lin Kai was a surprise! This old man, regardless of his age, can keep up with modern trends!

On that end, it was a good thing to shake, even Lin Kai admired it.

At this moment, a woman passed in front of Lin Kai.

That woman is very different.

Because behind her, there are several brawny men following!

The strong guys are muscular men with very strong builds, following her like a group of attendants.

And that woman, she seemed to be twenty-eight or ninety-nine years old, she was not too young, but she was not too old, she was a young woman.

And her figure is extremely plump.

Some are slightly fat, but it does not affect the appearance. Young women, naturally the fatter the better.

She has hot red hair, a beautiful face, and she looks very mature, but she is a beautiful young woman.

Lin Kai rarely met such a woman, and even he took one more look.

Lin Kai was observing her, and the young woman was also observing Lin Kai. She looked at Lin Kai up and down, with a hint of charming in her eyes.

She waved her hand, and the brawny men behind her readily understood and dispersed.

The young woman walked straight to Lin Kai.

Lin Kai raised his eyebrows, and he just glanced at her. She wouldn't be interesting to herself, would she?

But obviously, this young woman is really interesting to Lin Kai.

As the saying goes, thirty is like a wolf and forty is like a tiger. The young woman's age is really a lonely age. Seeing a little wolf dog like Lin Kai, she naturally can't help it.

The young woman was still somewhat confident about her figure and appearance. She came to Lin Kai's side with a glass of red wine.

And smiled charmingly at Lin Kai: "Handsome guy, alone?"

Lin Kai glanced at her and said, "No, I came with a friend."

"Friend?" The young woman frowned upon hearing this.

Lin Kai pointed to Huang Tianshi who was dancing on the dance floor, and said: "That strange flower is my friend."

The young woman looked at Huang Tianshi, and when she saw that Lin Kai's friend was a man, she was relieved.

I thought this little wolf dog came with his girlfriend!

"Little handsome guy, local?" the glamorous young woman asked.

Lin Kai nodded and said, "Yeah! What's wrong?"

At this time, the beautiful young woman was very proactive and stuffed something into Lin Kai's hand.

Lin Kai lowered his head and glanced, then he was taken aback.

Because the glamorous young woman came here, it was a little raincoat!

I go! So proactive?

Lin Kai was surprised at that time!

Moreover, he couldn't help swallowing.

The glamorous young woman winked at Lin Kaifei, and her body was attached to Lin Kai's body: "Handsome man, sister, would you like to go out for a drink?"

have a drink?

All fools know that she invited Lin Kai out, definitely not for a drink!

Not to mention, Lin Kai, this innocent little virgin, was really moved at the time!

However, now is not the time to be moved, so I have to protect Huang Tianshi's safety!

Therefore, Lin Kai put the little raincoat directly into the hands of the beautiful young woman.

"Forget it." Lin Kai refused.

After listening to Lin Kai's words, the glamorous young woman was taken aback.

She did not expect Lin to meet to reject her! This made her a little angry.

She seldom takes action, but Lin Kai doesn't appreciate it, and even refuses her. He doesn't even say a polite word, which makes her feel dull.

"Ha ha."

The glamorous young woman laughed.

I saw that she took out a bank card from her bag and patted it directly on the card holder.

"Here is a million, stay with me one night!"

one million!

The glamorous young woman looked at Lin Kai with confidence, she believed that Lin Kai would not refuse, after all, in this era, money is king!

Lin Kai was also dumbfounded when he looked at the bank card on the table.

He never expected that in his lifetime, he would be taken care of by a young woman!

If Lin Kai from the previous life had been happy!

But Lin Kai in this life really doesn't look down on this million.

After all, Lin Kai has urgent things now, he wants to protect the safety of Huang Tianshi!

Lin Kai said: "Forget it, I have something important, don't get in the way here."

Lin Kai just glanced at the bank card, then refused her.

And the glamorous young woman was taken aback again.

She did not expect that Lin Kai actually rejected her again!

"Haha! What to pretend? I don't believe that there are people who don't love money in this world!"

Snapped!

The glamorous young woman took out another bank card, patted it on the table, and said, "There are three million in this card! Four million in total! Stay with me for one night! Is it enough?"

Lin Kai glanced at the bank card and then at the glamorous young woman. This time, Lin Kai was a little impatient: "Are you sick?"

Chapter 934: Cat Sister

Chapter 934

"you!"

The glamorous young woman looked at Lin Kai very angrily.

She did not expect that with her beauty and financial resources, there would be a man who would reject her!

And the Lin Kai in front of him, did it, he refused her!

Lin Kai waved his hand impatiently, and said, "Go! Don't interfere with my drinking!"

After listening to Lin Kai's words, the glamorous young woman was so angry that she nodded her head again and again: "Well, good! You wait for me!"

After all, the glamorous young woman waved her hand, leading a few brawny men, and left Lin Kai's deck directly.

After the glamorous young woman and the others left, Lin Kai licked melon seeds and looked at Huang Tianshi not far away.

And Huang Tianshi was still swinging on the dance floor.

Remember when Lin Kai saw him for the first time, this old man looked sick, but now, this old man looks full of vitality!

Compared with him, he is the young man, and Lin Kai is the old man!

And Huang Tianshi's visit to Deng Di was even more purposeful.

His gaze kept rolling on the young **** the dance floor.

Suddenly, Huang Tianshi's eyes lit up.

Because he saw a girl with a very hot body.

The girl only wore a pair of hot pants and her beautiful legs were very eye-catching.

And that girl looks very good, she is the most popular **** the dance floor.

After seeing her, Master Huang rubbed his hands wretchedly, he walked over quickly and patted the **** the shoulder.

The girl turned her head and frowned to look at Huang Tianshi, and asked loudly, "What are you doing?"

And Master Huang Tian took out his old man phone from his pocket and said with a smile: "Beauty! Add a WeChat!"

"Neurotic! Get out!"

The girl looked at Huang Tianshi up and down, and directly cursed.

When Huang Tianshi heard the words, he said shamelessly: "Beauty, why did you let me go? I am so old, and if I roll, my bones will break.

"Beauty, add a WeChat!"

With that, Huang Tianshi kept approaching the girl.

"I have money."

Inadvertently, Huang Tianshi revealed his bank card, the diamond card of Huaxia Bank.

But that girl is obviously not an ordinary person. She glanced at Huang Tianshi coldly, and said angrily: "Are you going to get out?"

Huang Tianshi did not blush at all, he wandered in front of the girl: "I won't go away unless you give me your WeChat."

“Husband!”

At this moment, the girl yelled.

“Someone molested me!”

After listening to the girl’s words, Tianshi Huang’s expression changed.

Regardless of Huang Tianshi’s thieves and courage, but he is not an ancient warrior, he can’t beat others, he is such a bad old man, he fell apart with a punch.

“Beauty, don’t call it! Can’t I get out?”

After Huang Tianshi said, he left the dance floor dingy.

At this time, several strong men had already come to the girl’s side.

Tianshi Huang continued to shuttle on the dance floor, and soon after, Tianshi Huang came to Lin Kai’s face out of breath.

Tianshi Huang wiped the sweat from his head, pulled Lin Kai up, and said, “Run! It’s trouble!”

Lin Kai smiled. What Tianshi Huang did on the dance floor just now, Lin Kai saw clearly.

It just so happened that Lin Kai didn’t want to stay in this place anymore. At that time, Lin Kai and Huang Tianshi walked out of the bar quickly.

Lin frowned as he walked out of the bar.

Because at the gate of the bar, there are several extremely strong men standing!

Those strong men are the ones beside the beautiful young woman, and the beautiful young woman is sitting in a Maserati by the road.

Seeing Lin driving out, the glamorous young woman opened the car door, stepped on the catwalk, and walked over.

“Want to go?” The glamorous young woman sneered with a cigarette between her fingers, “Dare to provoke my cat sister, I have to let you know how good my cat sister is today!”

Cat sister?

As soon as Sister Cat said, a rush of footsteps sounded from behind Lin Kai.

“It’s him!”

I saw the hot **** the dance floor chasing it out!

And beside her, several young people stood.

There were several young people, all of whom looked like five big and three thick, and the leader was obviously the girl’s boyfriend.

Wearing a gold chain the thickness of a little finger, and a watch on his wrist.

“Fuck! Damn old man, dare to molest my woman?”

“Yeah, Brother Liu, are you seeking revenge too?” Cat sister stepped on the catwalk and walked over.

After seeing Sister Cat, Liu Wei frowned and said, “I want this bad old man! He molested my girlfriend!”

Sister Cat smoked a cigarette and said, “It just so happens. I want this young man. I will beat him up first and bring him back to the hotel.”

“Sister Cat is in a good mood!” Liu Wei smirked.

Lin Kai and Huang Tianshi were obviously surrounded.

And Huang Tianshi hid behind Lin Kai at this time, just like a kid who made a mistake.

“Lin Kai, you have to protect my safety!”

Lin Kai shook his head, looking helpless.

Surrounded by a group of ordinary people!

Lin Kai didn’t want to take action against this group of ordinary people, but they are a bit deceiving!

“Two, give me a face, forget it, okay?” Lin Kai shook his head and asked helplessly.

After listening to Lin Kai’s words, Liu Wei hugged his arms and smiled boldly: “Haha, forget it?”

“This old man molested my girlfriend! You let him kneel down and kowtow to me, then call Dad again, and that’s fine!”

“Otherwise, I will kill him!”

Lin Kai looked at Huang Tianshi and asked, "Is it all right?"

And Huang Tianshi's head shook like a rattle, and he said, "No."

Sister Cat looked at Lin Kai at this time. She squinted her eyes and said with a smile: "Young man, sister sees you look good, so if you admit your mistake, stay with me for another night, this matter is forgotten, you see how about it?"

After listening to Sister Cat's words, Huang Tianshi's eyes widened.

He looked at Sister Cat. Sister Cat's figure and appearance are all first-class. At that time, Huang Tianshi's saliva flowed down.

"Lin Kai! Alright! Do you still have this Yanfu?"

Huang Tianshi gave Lin Kai a thumbs up.

Then, Huang Tianshi looked at Sister Cat and laughed: "Sister, if he doesn't want to, I will, I admit my mistake, can I stay with you all night?"

"roll!"

Sister Cat frowned and scolded.

Lin Kai touched his nose and said, "Sister, I don't want to, so don't make it difficult for you, okay?"

After listening to Lin Kai's words, Sister Cat became even more angry.

Lin Kai rejected her again!

"Humph! Even if I am tied today, I will get you!"

After the cat said, she dropped the cigarette **** in her hand and said coldly: "Stop me first! Attention, don't slap your face!"

After listening to Sister Cat's words, the seven or eight strong men behind her clenched their fists and approached Lin Kai.

"I see, sister cat!"

Grim smiles appeared on their faces.

Chapter 935: Be A Good Person In The Next Life

Chapter 935 Becoming A Good Person In The Next Life

Liu Wei sneered, waved his hand, and said, "Come on! Let the old man relax!"

Several people under Liu Wei also sneered and walked towards Lin Kai and Huang Tianshi.

There are a dozen people in total.

For Lin Kai, putting aside a dozen people is as simple as trampling to death a group of ants.

Lin Kai shook his head helplessly, it seems that he can only choose to shoot!

But at this moment, Lin opened his eyes narrowed.

He noticed a person squatting at the entrance of the bar.

That man, wearing a mask, couldn't see his face clearly.

But his eyes made Lin Kai feel very dangerous!

He squatted on the side of the road with his hands in his hands, staring straight at Tianshi Huang next to Lin Kai.

Lin Kai frowned and used the golden pupil to take a look. Lin Kai was surprised.

Gold level inner armor! Definitely a master! It seems that it is for Huang Tianshi!

No, I can't do it here. If I do it here, that person will probably take advantage of the void and kill Heavenly Master Huang!

At that time, Lin Kai pulled Huang Tianshi's hand and said, "Run!"

After that, Lin Kai ran wildly!

And Huang Tianshi staggered and almost didn't fall to the ground, but the old man escaped at a fast speed! Actually can completely keep up with Lin Kai's speed!

"Mom! What kind of evil is this?" Huang Tianshi cried.

And sister Cat and Liu Wei both narrowed their eyes, and they both yelled, "Chasing!"

Then, a very funny scene happened.

More than a dozen people chased two people on the road!

And the man in black who was squatting on the side of the road also stood up at this time, and he also pursued Lin Kaikang!

Lin Kai took Huang Tianshi and ran out for one kilometer. When he reached a place where no one was there, Lin Kai looked back and found that the cat sister and Liu Wei's people had disappeared.

But the man in black who was squatting on the side of the road just now followed.

The black man's face was not red or panting, and it seemed very easy for him to run for a kilometer.

Definitely a master!

"Who are you?" Lin Kai glanced at the man in black and asked.

The man in black glanced at Lin Kai, without opening Lin Kai's eyes at all.

"Go and let me kill that old man, don't get in the way, you will die if you get in the way!"

After listening to the man in black, Lin Kai squeezed his fist and smiled: "Hehe, whoever killed me, do you have that ability?"

When the two talked, they saw several luxury cars speeding over from the road!

Brush!

There was a sound of parking.

Toyota overbearing, BMW, Audi, Hummer...

Five or six luxury cars directly surrounded Lin Kai and the man in black.

Afterwards, the car door opened and a dozen familiar people got out of the car.

This time, a guy appeared in their hands.

Everyone had a baseball bat in their hands, and their faces were all with playful smiles, shaking their heads and shaking their heads, directly surrounding Lin Kai and the man in black.

Cat sister and Liu Wei also got off the luxury car.

Cat sister is holding her arm, with a cigarette between her fingers.

"Where else can you go?" Cat sister asked, smoking a cigarette.

And Liu Wei glanced at the man in black and laughed at the time: "Yeah, how about making a TV series? The cover is so strict, why, you have enemies with them?"

And the man in black gave Liu Wei a cold look, only to spit out one word: "Get out!"

After hearing the words of the man in black, Liu Wei was struggling: "What the **** did you say? If you have the ability, say it again!"

More than a dozen people all took a step forward and looked at Liu Wei with enthusiasm.

Upon seeing this, Lin Kai shook his head helplessly. He said, "You people should not interfere with our affairs. You are not his opponents!"

After hearing Lin Kai's words, Liu Wei laughed.

He held his arms and smiled disdainfully: "We are not his opponents? He is the only one?"

"A dozen of us can't beat him?"

"Even if the special forces are here, we can knock it over! Let alone him!"

Sister Cat narrowed her eyes and looked at Lin Kai: "Boy, you have a strong desire to survive. Then, if you get rid of your elder sister, your elder sister will help you clean him up, how about?"

Sister Cat glanced at the man in black.

A group of people didn't pay attention to the people in black.

Lin Kai couldn't laugh or cry at the time, this man in black was a killer! Will you leave a little dignity to the killer?

The man in black didn't bother to pay attention to these ordinary people. He looked at Lin Kai and said, "Hand over that old man to me! Otherwise you will die today!"

After listening to the man in black, Liu Wei stepped forward and said arrogantly: "Tell you, this old man just molested my girlfriend, he is mine!"

And the man in black looked at Liu Wei, and a mocking look appeared in his eyes: "Then I will help you kill him."

After listening to the man in black, Liu Wei laughed: "Fuck."

"Who are you scaring?"

“A society ruled by law, do you dare to kill?”

The man in black laughed, and saw that he drew a dagger from his waist, and the dagger flashed a cold light.

“Do you think I dare.”

After all, the man in black ran directly to Lin Kai! The dagger directly stabbed Lin Kai's stomach!

If you want to kill Huang Tianshi, you must kill Lin Kai in front of you!

But he didn't know that Lin Kai was also a cultivator! And still a cultivator!

boom!

Lin Kai directly squeezed the wrist of the man in black!

A burst of power came! The wrist of the man in black was controlled at that time, and he could not move a single movement!

And Lin Kai instantly knew the cultivation level of the man in black.

“Heh, Wu Sheng? Who are you from?”

The man in black was struggling with great horror in his eyes. He now understands that he has met a master!

“You...what is your cultivation base?”

The man in black asked with a look of horror.

Because he found that his Martial Saint's cultivation base didn't work at all in front of Lin Kai!

Can't shake Lin Kai at all!

He can suppress himself firmly!

Lin Kai grinned at the man in black and said, “Hehe, go to **** and ask Lord Yan!”

After all, Lin Kai directly snatched the dagger in the hands of the man in black.

Afterwards, with a puff, Lin Kai plunged the dagger into the belly of the man in black!

Even if the man in black has a gold-level treasure armor body, he can't resist the dagger blessed by Lin Kai's spiritual power!

Puff! Puff!

Lin Kai stabbed twice again!

But the man in black opened his eyes wide, and blood was pouring out of his mouth!

He clutched his stomach, his dantian was completely destroyed by Lin Kai!

The blood flowed down the wound, blood everywhere.

Lin Kai pushed it casually, and the man in black fell directly to the ground.

A pool of blood.

The man in black was clutching his stomach, and his whole body was constantly twitching. If he could not be treated for ten minutes, he would definitely die!

At this time, Cat Sister, Liu Wei and others looked at Lin Kai dumbfoundedly, all dumbfounded.

This kid, dare to kill someone!

Lin Kai took out a handkerchief from his pocket, wiped his hands, and then threw it on the face of the man in black.

"Be a good person in your next life."

Chapter 936: Huang Tianshi's Request

Chapter 936

Lin Kai's killing moves was very skillful.

Moreover, his face did not show the slightest panic.

It seemed that killing was just a normal thing for him.

With a faint smile on his face, it looks harmless to humans and animals.

But a dozen people at the scene felt that he was a demon crawling out of hell. This person is really terrifying!

Everyone couldn't help taking a step back.

Then Liu Wei glanced at the corpse under Lin Kai's feet and swallowed.

"Uh... Uh, I suddenly remembered that the gas in my house is not turned off yet, I am leaving now!"

After all, Liu Wei staggered and almost fell to the ground.

But he didn't stay, took his number seven or eight and quickly fled the scene.

Lin Kai looked at Sister Cat and asked with a smile, "Sister Cat, do you want me to accompany you?"

After listening to Lin Kai's words, Sister Cat's expression was also very embarrassed.

She was also scared, after all, the one lying in front of her now, but a dead person!

But Sister Cat can be regarded as a person who has seen a big scene, even if she sees a dead person, she can keep her face unchanged.

"No need..." Sister Cat said.

"I'm leaving?"

"Ok"

Lin Kai grabbed Huang Tianshi by the collar, and said angrily: "Go!"

Tianshi Huang was like a chicken, picked up by Lin Kai with one hand.

"Then what, you let me go, I don't want face?" Huang Tianshi said.

But Lin Kai ignored him at all.

When passing by the cat sister, Huang Tianshi actually shamelessly gave the cat a kiss: "Sister, have time to contact!"

Soon after, Lin Kai dragged Huang Tianshi into Ba Ye's apartment.

After returning to the room, Lin Kai pushed Huang Tianshi onto the sofa.

"Di has also jumped, and the eye addiction has passed. Can you help me figure out where he is now?" Lin Kai asked angrily.

Huang Tianshi sat cross-legged on the sofa, deliberately revealing an expert appearance.

“Ahem, the secret of heaven must not be revealed...”

As soon as he finished speaking, Tianshi Huang immediately saw Lin Kai’s murderous look in his eyes, and he quickly changed his words and said, “But if it can help you, what if the secret is revealed?”

“Write down that person’s name and birth date and give it to me.”

After hearing this, Lin Kai directly wrote down Lin Yuan’s name and birth date and handed it to Tianshi Huang.

Tianshi Huang took the note given by Lin Kai, and after reading it, he began to pinch and forget.

Not long after, Tianshi Huang opened his eyes, shook his head, and sighed.

“Lin Yuan, the apprentice of the heavenly master?” Huang Tianshi asked.

Hearing this, Lin Kai’s eyes lit up. He hadn’t told Tianshi Huang about Lin Yuan. It seems that he has figured it out!

“Yes, where did he figure it out?” Lin Kai asked.

Tianshi Huang smiled, and said confidently: “Hehe, this seat is the No. 1 Heavenly Master in China, and it ranks No. 1 in China in arithmetic. I dare to be the second. Who dares to be the first?”

After listening to Huang Tianshi’s words, Lin Kai’s eyes lit up and asked, “You figured it out?”

“No.” Huang Tianshi shook his head.

No?

Lin Kai’s eyes widened: “Then what kind of **** **** are you?”

“That kid has an enmity with Lao Tzu! If you don’t find him, I’m afraid my family will be killed by him! I tell you, don’t play tricks!”

After listening to Lin Kai’s words, Huang Tianshi smiled slightly: “Don’t worry.”

“Although I haven’t figured out where he is, according to my perception, he should not be in Jiangbei.”

“So your family is safe for the time being.”

After listening to Huang Tianshi's words, Lin Kai breathed a sigh of relief.

Calculating that he is not in Jiangbei, this is also good news.

"Then where is he?" Lin Kai asked.

Tianshi Huang smiled and shook his head: "Hehe, have you forgotten whose apprentice he is? He is the apprentice of the heavenly teacher! Naturally, he also has some understanding of arithmetic. Although not as good as me, he can detect who is counting him. , It can prevent me from counting him!"

"Then there is no way to figure out where he is?" Lin Kai asked.

Tianshi Huang shook his head and said: "There is a way, I am the first heavenly master of China. He is not deep in his Taoism. It is still possible to figure out where he is, but..."

Tianshi Huang looked at Lin Kai and smirked.

Lin Kai's heart slammed, this old boy doesn't want to play any tricks?

"But what? Say it!"

Lin Kai asked impatiently.

"If you can make the old man feel happy, maybe you can figure out where he is." Huang Tianshi said with a smile.

After listening to Huang Tianshi's words, Lin Kai suddenly realized.

Feeling Huang Tianshi can figure out where he is, but he still squeezes himself! He has the conditions!

At that time, an unnamed anger rose in Lin Kai's heart!

This old boy is a bit deceptive!

At that time, Lin Kai stood up, clenched his fists, and looked at Huang Tianshi with an angry expression.

When Huang Tianshi saw this, he said quickly: "What are you doing? If your kid dares to do something with me, believe it or not, I will complain to the Shadow League?"

After listening to Huang Tianshi's words, Lin Kai forcibly suppressed the anger in his heart.

No way, who can let someone have a shadow door behind them.

“Let’s talk, how can I tell me where he is?” Lin Kai reluctantly compromised.

Upon seeing this, Huang Tianshi patted his chest and breathed a sigh of relief:
“Actually, it is also simple. At noon tomorrow, there will be a cruise ship going to the high seas.”

“The name of the cruise ship is the Ocean Cruise Ship.”

“Get two tickets, I want to go out to play!”

After listening to his words, Lin Kai even had an urge to curse!

Dahai, Lin Kai knows!

It was a cruise ship specially for the rich and the second generation to play.

On the cruise ship, there are not only beautiful women and food, but also a series of activities such as boxing, archery, and gambling.

It is said that a ticket is hard to find!

Unexpectedly, Huang Tianshi even knew about the Ocean Ship!

“Okay!” Lin Kai agreed.

“Old guy, you better don’t lie to me, if you don’t tell me when you come back from the Great Sea, I will take your bones apart!” Lin Kai threatened, pointing at Huang Tianshi.

Heavenly Master Huang smiled and said, “Hehe, the Heavenly Master has always said something, how can I lie to you?”

“Humph!”

Lin Kai snorted and left the room.

Lin Kai went straight down to the first floor, came to the door of Ba Ye’s office, and knocked on the door of the office.

Bang bang bang!

“Come in!”

Lin Kai pushed open the door of the room and walked in.

In the room, there was misty smoke. A group of Ba Ye’s men were playing cards, and Ba Ye quickly stood up after seeing Lin Kai.

“Mr. Lin, you are here.”

Lin Kai walked into the office, frowned and asked, “Do you know the number of the sea?”

Hearing this, Ba Ye was taken aback.

Chapter 937: Ferry Ticket

Chapter 937

“I know!”

Ba Ye replied.

“Is there a way to get tickets? I will pay for them.” Lin Kai said.

Hearing this, Lord Ba showed an embarrassed expression on his face: “Mr. Lin, I am afraid I can’t really help you with this matter.”

“Why?” Lin Kai asked curiously.

Ba Ye is considered a local snake in Jiangbei, even he can’t help it?

“Mr. Lin, this Dahai cruise ship is very famous. The people who go there are basically the big guys in Jiangbei City. You need to book half a month or even a month in advance. It will ship tomorrow, let alone me, even if it is. Your Lin family, I’m afraid it’s not easy!”

Could it be that Lord Ba.

After listening to his words, Lin Kai frowned: “Can’t you buy it even with money?”

Master Ba squeezed his chin, thought for a while, and said, “It’s not completely impossible, do you know Sister Cat?”

Hearing this, Lin Kai raised his eyebrows.

Cat sister?

The person I met at the bar today seems to be called Miss Cat!

“Is it the woman who is 27 or 18 years old and has a plump body?” Lin Kai asked with raised eyebrows.

Ba Ye clapped his hands and said, “Yes, it’s her!”

“Mr. Lin, this cat sister is not an ordinary person. The cat sister is the sales manager of the Ocean Cruise. She may have a ticket in her hand. If you can get a ticket from the cat sister, the cruise will be fine.”

Lin Kai frowned. He had just offended Sister Cat, now he should beg Sister Cat for a ticket?

But there is no way, everything is to be able to kill Lin Yuan!

“Where does she live?” Lin Kai asked.

Ba Ye thought for a while and said, “Perhaps at the Dorsett Hotel.”

Lin Kai nodded and left Ba Ye’s room without saying a word.

After leaving the room, Lin Kai walked towards the Dorsett Hotel.

Dorsett Hotel is a very large chain hotel in Jiangbei City.

Nearby, there is a relatively large five-star hotel, the Dorsett Hotel.

Lin Kai strode into the Dorsett Hotel and came to the front desk.

“I’m looking for someone.” Lin Kai said directly.

The beautiful receptionist smiled sweetly and asked, “Sir, who are you looking for?”

“I’m looking for Sister Cat.” Lin Kai said directly.

After all, the lady at the front desk looked up and down at Lin Kai, and then the look at Lin Kai was very strange.

She picked up the phone directly and dialed Ms. Cat’s phone: “Sister Cat, there is a little white face looking for you downstairs.”

The lady at the front desk said unabashedly.

Hearing this, Lin Kai raised his eyebrows, little white face?

I go! Is it so disrespectful?

“Okay.” At this time, the receptionist had hung up the phone.

She took out the room card, handed it to Lin Kai, and said, “Fifth floor, 20th Five-Year, remember, Sister Cat likes the more ferocious little wolf dog, behave well!”

After all, the lady at the front desk ignored Li Lin and opened.

“What little wolf dog? Still more ferocious?” Lin Kai looked dazed.

He took the room card and walked to the elevator.

The receptionist at the front desk whispered to her colleague, “Ms. Cat has changed again. She looks handsome this time!”

“It’s a pity, such a good handsome guy will soon be ruined by sister cat.”

They thought that Lin Kai could not hear them, but in fact, Lin Kai could hear them clearly.

At that time, Lin Kai couldn’t laugh or cry. They didn’t expect them to regard themselves as the little white faces raised by sister cat.

Holding the room key, Lin Kai went directly to the fifth floor.

Five-star hotels are much better than ordinary hotels.

It’s very soundproofed, there are very sentimental light music playing in the corridor, the ground is spotless, everything is brand-name.

Lin Kai strode to the door of 20-five and knocked on the door.

Bang bang bang!

Soon after, sister Cats lazy voice came from the room: “Dont you have a room card? Just come in.”

Upon hearing this, Lin Kai directly opened the door with his room key, walked in, and closed the door at will.

After entering the room, Lin Kai was stunned.

The room is large and looks like a luxurious suite, but the light in the room is very dim, and the surrounding environment can hardly be seen clearly.

On the ground, there are red rose petals.

The fragrance of roses exudes throughout the room.

Snapped! Snapped! Snapped!

In the depths of the room, there was a popping sound.

“Come on!” Sister Cat’s charming voice came.

Lin Kai slowly walked into the room, and as soon as he walked into the room, he saw a figure rushing over.

Cat sister hugged Lin Kai directly.

Lin Kai looked down and quickly closed his eyes, seeing no evil, no evil!

Sister Cat was only wearing a pink silk pajamas with a wide open neckline.

And the cat sister hugged Lin Kai directly and whispered in Lin Kai’s ear: “Little bastard, I knew you would come.”

After all, Cat Sister pushed Lin Kaiji directly onto the bed.

“I...” Lin Kai stuttered for a while.

Because the cat sister in front of me is indeed a bit charming!

I saw the cat sister holding a black leather whip in her hand.

Happiness!

Cat sister twitched the whip in her hand.

“Little bastard, how do you want to play?” Cat sister asked.

Lin Kai stepped back, leaned on the head of the bed, and said, “Sister Cat, what about that, don’t do that...”

“Sister Cat likes a little wolf dog like you.”

After all, the cat sister directly used a whip to draw Lin Kai!

Snapped!

The whip hit Lin Kai’s thigh directly!

Cat sister didn’t use much force, of course, for Lin Kai, there was no difference between beating with a whip and tickling.

“Call!” Seeing that Lin Kai didn’t respond, Sister Cat said with some dissatisfaction.

Lin Kai was a little embarrassed. He scratched his head and said, “I’m not here to do this...”

After listening to Lin Kai's words, Sister Cat was taken aback, and then her face showed an unhappy expression.

She sat on the sofa aside, raised her legs, and asked, "Then why are you here?"

"I heard that you can get a ticket for the Ocean Ship?" Lin Kai asked.

Sister Cat nodded, and said nonchalantly: "Yes!"

"I'll pay for two." Lin Kai held up his **** and looked at Sister Cat expectantly.

And cat sister looked at Lin Kai and laughed at the time: "Hehe, why should I sell it to you?"

After listening to Sister Cat's words, Lin Kai scratched his head. It seemed that this matter was difficult to handle.

Sister Cat has a grudge!

Today I saved her face at the entrance of the bar, and she still remembers it!

"I'll pay a high price for it, any money is fine." Lin Kai added.

After listening to Lin Kai's words, Sister Cat laughed.

She was holding her arm and smiled and said, "Hehe, pay? How much money can you pay?"

Lin Kai nodded quickly, and said, "Yes, any money is fine!"

Sister Cat smiled slightly and asked: "Do you think Sister seems to be short of money?"

Upon hearing this, Lin Kai was taken aback.

Cat sister is a famous brand, there are so many thugs by her side, and she lives in a five-star hotel, it seems that she is really not short of money.

Chapter 938: More Ferocious

Chapter 938

"Then how can you give me two tickets?" Lin Kai asked.

After listening to Lin Kai's words, Sister Cat smiled charmingly: "It's easy! Don't leave tonight!"

After listening to Sister Cat's words, Lin Kai showed a distressed expression.

Lin Kai is a good innocent virgin, but Lin Kai is also a man with dignity and bottom line.

Lin Kai felt that he would have no dignity to sleep with a woman for the ferry ticket.

"Except for this."

Cat sister heard this, the smile that had just appeared on her face instantly disappeared:
"Then there is no discussion, you can go."

Sister Cat is not afraid of Lin Kai at all. Although Lin Kai killed someone in front of her today, Sister Cat is also a woman who has seen strong winds and waves.

Lin Kai rubbed his temples, but the cat sister didn't give the boat tickets, which caused him a headache!

"In this way, I will pay 50 million!" Lin Kai put his five fingers up.

Fifty million!

This is really not a small number.

Even the cat sister glanced at Lin Kai more. The price of a ferry ticket is only 500,000 yuan, and Lin Kai actually paid 50 million. It seems that he is not a person short of money, no wonder He despised the millions he gave him.

"Yeah, how about fifty million? It's really not a small amount." Cat sister pretended to be surprised.

Lin Kai's eyes lit up, and there seems to be a show!

"But the old lady still doesn't want to sell." Cat sister said with her arms.

Hearing this, Lin Kai was a little angry, really toasting and not eating fine wine!

At that time, Lin Kai stood up and approached Sister Cat step by step.

Seeing this, the cat sister also showed a panic expression on her face. She quickly stood up and backed away.

"What are you doing? As long as I shout, the person next door will come right away!"

Cat sister threatened Lin Kaidao.

Lin Kai directly forced Sister Cat to the corner of the wall. Lin Kai pinched Sister Cat by the neck and said fiercely, "Will you give it?"

Cat sister grabbed Lin Kai's hand and struggled hard, her eyes were soon red.

Lin Kai's body directly pushed Cat Sister's body against the wall.

Lin Kai went out!

At that time, Lin Kai took away the whip from Ms. Cat's hand and used the whip to beat Sister Cat on the thigh.

Snapped!

Visible to the naked eye, a red mark appeared on the cats thigh.

"Suck me, right?"

"I smoked you!"

After that, Lin Kai threw Sister Cat onto the bed.

Sister Cat exclaimed and fell on the bed.

Afterwards, Lin Kai pulled the whip in his hand and walked towards Sister Cat.

"If you don't give it to me today, I will smoke you!"

After all, Lin Kai drew at the cat sister again!

Snapped!

Snapped!

Sister Cat also screamed.

Originally, Lin Kai wanted to frighten Sister Cat with a whip, but when she did it, Lin Kai realized that something was wrong.

Sister Cat didn't seem to scream because she was afraid of herself. On the contrary, she screamed because she was a little excited.

Looking at Sister Cat again, she saw her face flushed and her eyes were like autumn water, looking straight at Lin Kai.

its not right! Didn't she say that as long as she screamed, the people next door would rush in? Why hasn't it been so long? Is it possible that she is so good?

"I like this kind of domineering little wolf dog." Cat sister looked at Lin Kai and said.

At this moment, Lin Kai suddenly remembered what the lady at the front desk said to him.

The lady at the front desk makes herself more ferocious! It looks fierce in this regard.

"I..." Lin Kai was speechless for a while.

Unexpectedly, inadvertently, he actually satisfies the cat sister.

Lin Kai looked at the whip in his hand, whether he continued to draw it, nor did he hold it.

At this moment, Sister Cat sat up from the bed. She rubbed the red area on her body and gave Lin Kai a shy look: "You are so willing!"

After that, Sister Cat opened the drawer, took out two tickets from the drawer, and handed them to Lin Kai.

"give."

Lin Kai stupidly accepted the ticket.

So did the ferry ticket arrive?

Originally, Lin Kai didn't have any hope, but he didn't expect that under some circumstances, he actually got these two tickets!

Sister Cat looked at Lin Kai with a charming face and said, "Although you are not happy now, you will be willing one day, and I will accompany you tomorrow."

After that, the cat sister waved to Lin Kai.

And Lin Kai held the two boat tickets in his hand as if dreaming.

"Then what, thank you!"

After that, Lin Kai took two tickets and left the cat sister's room.

After leaving Cat sister's room, Lin Kai left the Dorsett Hotel.

After seeing Lin Kai, the two front desk ladies on the first floor looked at Lin Kai even more weird.

After Lin Kai left the hotel, only one receptionist said to another receptionist: "He is not good either! He looks handsome, but it's actually a fake style. It only takes a few minutes? I'm down."

"It seems that Sister Cat is going to be furious again, she is not satisfied."

While talking, the phone at the front desk rang suddenly.

"Hey?"

Sister Cats voice came over the phone: "Call me the three black men yesterday, hurry up!"

"Good sister cat."

...

Soon after, Lin Kai returned to the apartment.

Zhu Manqing does not live with Lin Kai now, she now lives next door to Lin Kai.

And Huang Tianshi was in his room and didn't know what he was doing.

Lin Kai dragged his tired body back to his room and fell asleep.

The next day, Lin Kai took a wash and went to eat breakfast.

And Huang Tianshi appeared in the living room early in the morning.

"Have you got the ticket?" Huang Tianshi asked.

Lin Kai shook the ticket in his hand towards Tianshi Huang and said, "I got it."

After seeing the ticket, Huang Tianshi's eyes lit up and said, "You really didn't disappoint me."

"I heard that there are so many beauties on the Ocean Ship!"

"Half of the top beauties in Jiangbei are on the Dahai."

After seeing Huang Tianshis excited and impatient expression, Lin Kai asked speechlessly: "I said, you are a lot of age, what can you do even if you see young and beautiful beauties? Can you move it? ?"

After listening to Lin Kai's words, Huang Tianshi smiled confidently: "Hey, let's not hide it from you."

"Don't look at the old man, I'm over 70 years old, but the fighting state is like a tiger!"

"One person fighting two or three is definitely not a problem!"

After listening to Huang Tianshi's words, Lin Kai rolled his eyes and said, "Just blow it!"

"Don't believe it?" Huang Tianshi asked very upset.

Lin Kai shook his head and said, "I don't believe it!"

Hearing this, Huang Tianshi was very angry!

"You wait! I must prove it to you tonight!"

After listening to Huang Tianshi's words, Lin Kai felt sick.

"Get out of here!"

Chapter 939: Ocean

Chapter 939

Soon after, Lin Kai packed up.

He took Huang Tianshi and went out.

But before he could take two steps, there was a sound of rapid footsteps behind him.

I saw Zhu Manqing chasing him quickly.

"Lin Kai! What are you going to do?" Zhu Manqing asked loudly.

Lin Kai looked back at Zhu Manqing.

Zhu Manqing was still as usual, wearing a black one-piece leather jacket, and his hot figure was exposed in front of the two.

Does she really know that wearing leather clothes can easily arouse men's desires?

If it weren't for the face of your being a master and apprentice, I might have already dealt with you! Lin Kai thought shamelessly in his heart.

Of course, this thought just flashed through Lin Kai's mind.

After all, Lin Kai is a very kind and upright person!

Even when Tianshi Huang saw Zhumanqing, his eyes lit up, rubbing his hands very wretchedly.

Lin Kai glared at Huang Tianshi and said angrily: "Old boy, I tell you, you can't fight Zhu Manqing's idea!"

Hearing this, Huang Tianshi smiled and nodded, and said, "That's natural, she is my old friend's apprentice after all! No matter how **** I am, I can't beat my old friend's apprentice's idea!"

After listening to Huang Tianshi's words, Lin Kai was relieved.

"What are you going to do?" Zhu Manqing walked to the two of them and asked.

"Little beauty, let's go to the cruise ship Ocean, are you going?"

Huang Tianshi asked with a smile.

"Cruise Ship Dahai?" Hearing this, Zhu Manqing was also bright. Obviously, she had also heard of the cruise ship Dahai.

"I go!"

Lin Kai rubbed his brows and said, "You still don't go, I only have two tickets."

"Then you don't go, don't you just do it?" Zhu Manqing blinked very naively.

Lin Kai said speechlessly: "Do you think I want to go? Can you protect the safety of this bad old man? Just last night, a martial arts master assassinated him."

After listening to Lin Kai's words, Zhu Manqing also shrugged.

She is very timid and afraid of death.

She doesn't want to die!

"no!"

Zhu Manqing said coquettishly: "I want to go!"

As he said, Zhu Manqing pressed against Lin Kai's arm and shook Lin Kai's arm vigorously.

At that time, Lin Kai only felt that the whole person was floating.

It's really the most terrible coquettish woman!

"It's alright, you wait for me to make a call!" Lin Kai said helplessly.

"Good! Brother Lin Kai is really good! Trojan horse!"

After all, Zhu Manqing gave Lin Kai a big kiss!

This makes the Huang Tianshi on the side an envy, jealousy and hatred!

Lin Kai took out his cell phone and made a call to sister cat.

"Sister Cat?" After a while, the call was made.

On the phone, Miss Maos lazy voice came: "What's wrong? Brother smelly, miss sister?"

Lin Kai smiled awkwardly and said, "No, Sister Cat, I want to ask you something."

After listening to Lin Kai's words, sister Cats charming laughter came: "Gluck, smelly brother, beg your sister to do things, but you have to pay a price, lets say, what?"

"Can you give me an extra ticket? I want to take one more person." Lin Kai said embarrassedly.

The cat sister on the phone did not speak for a long time, and after a while: "Brother smelly, do you know how difficult it is to get a ticket for the Ocean Ship at this moment?"

"I..." Lin Kai was also very embarrassed.

"Okay, who made you my stinky brother? I can give you an extra ticket and just mention the cat sister's name."

Upon hearing this, Lin Kai quickly thanked him: "Thank you."

After that, Lin Kai hung up the phone.

"Let's go?" Lin Kai glanced at Zhu Manqing very helplessly.

"Go!" Zhu Manqing was very happy.

The three of them went straight out of the apartment, then drove a car and went directly to the vicinity of the cruise ship Ocean.

The Dahai cruise ship is a very famous local tyrant cruise ship in Jiangbei, and the Dahai cruise ship is the largest cruise ship in Jiangbei! It can accommodate tens of thousands of people on the cruise ship.

Soon after, the group came to the beach.

The huge cruise ship stopped in front of everyone.

It's really huge! Lin Kai raised his head and glanced at it. At that time, he felt extremely shocked. The white cruise ship Dahai was very huge. On the cruise ship, there were even ten-story buildings!

At the entrance of the Dahai cruise ship, a crowd of tourists are queuing to enter the cruise ship.

Sister Cat once said that the price of a ticket for the Ocean Cruise can be as high as 500,000! Not a local tyrant, but really can't afford it.

"Wow! It's so big!" Zhu Manqing said blankly.

"Let's go." Lin Kai took Huang Tianshi and Zhu Manqing directly to the cruise ship.

Line up for admission.

And the people who lined up next to the cruise ship Dahai were obviously not ordinary people, all dressed gorgeously.

Soon after, it was Lin Kai's turn to wait for the three to check the tickets.

Lin Kai took out two tickets and handed them to the ticket inspector.

And behind the ticket inspectors, there are seven or eight bodyguards, all of whom are here to maintain order.

"Two tickets? Three people?" The ticket inspector frowned.

Lin Kai quickly said, "I am a friend of Sister Cat's."

"Sister Cat?" After hearing Lin Kai's words, the ticket inspector raised his eyebrows. He took out the phone and said, "Wait a moment."

After that, the ticket inspector called Ms. Cat.

After the call, the ticket inspector said: "Go in!"

Then, the three of them got on the cruise ship Dahai!

The sea cruise ship is very tall, and looking down from the cruise ship, it actually gives people a feeling of fear of heights.

The sea breeze is very comfortable, and on the deck, there is a huge outdoor swimming pool!

Countless beauties in bikinis lie in the sun on the deck chairs, life on the cruise ship is very leisurely.

“Wow! A lot of beauties!” Huang Tianshi saw so many beauties in bikinis, his eyes lit up, and he almost drooled.

“It’s not your own home, keep it away!” Lin Kai frowned.

“Hello! Smelly brother!”

Just as the two were talking, only a woman walked over quickly.

When Tianshi Huang saw it, Harazi couldn’t hold it anymore, and it flowed directly from his mouth to the ground.

Here comes the cat sister!

And cat sister today is wearing a very **** dress, bikini suit! Black lace!

Cat sister’s figure is very plump, not skinny, only fleshy!

The figure is bumpy, the skin is white and tender and flawless, and the mature temperament is a boy killer!

Sister Cat stepped on a catwalk, wearing sunglasses, and stood in front of Lin Kai.

Sister Cat has a confident face, even though she is already 27 or 18 years old, but her figure and appearance are not inferior to a young girl of 18 or 9 years old.

“This is the friend you brought?”

Cat sister looked at Zhu Manqing, her eyebrows frowned, and an expression of displeasure appeared on her face.

She didn’t expect Lin Kai to bring a woman up there!

Lin Kai nodded and said, “Yes, she is my friend.”

Chapter 940: Archery

Chapter 940

“Haha, smelly brother, you are still young! What’s so good about little girls? These days, young women are still popular!” The cat sister said with her arms.

Cat sister is very hostile to Zhu Manqing.

And Zhu Manqing also felt it.

I saw Zhu Manqing holding Lin Kai’s arm provocatively, and said coquettishly: “Brother Lin Kai, who is she?”

Seeing Zhu Manqing and Lin Kai getting close, the unhappy expression on Ms. Cat’s face became stronger.

“Ahem...”

Lin Kai said in embarrassment, “She is a friend of mine.”

Zhu Manqing, the little girl, is very shrewd, and she is already declaring Lin Kai’s possession to Cat Sister.

After all, Ms. Cat has a lot of bamboo and youth. She is old and old. I saw Ms. Cat embraced her arms and said proudly: “Lin Kai, you did a good job last night. I will give you three ferry tickets. “

After all, Sister Cat glanced at Zhu Manqing provocatively.

And Zhu Manqing was flushed with anger.

“you!”

Sister Cat’s hand is really high!

It explained what Lin Kai had with her last night, and it also explained that the reason why she was able to board this ship was also the credit of her cat sister!

“Lin Kai! What did you do with her last night?” Zhu Manqing asked very angrily.

And Lin Kai showed an awkward expression: “Nothing!”

Lin Kai really wanted to cry without tears. What he did in the hotel with Cat Sister yesterday is really inconvenient to tell, but if you don’t tell it, it is easy to misunderstand.

Looking at the smug smile on Sister Cats face, Lin Kai knew that this girl is really not an annoying lord!

Zhu Manqing was so angry that she hugged her arms and simply ignored Lin Kai.

Lin Kai looked at the many beauties on the cruise ship and was very curious.

It stands to reason that most of the people who come here are the children of the rich family. It is understandable that the children of the rich family are rich, but are so many beauties in bikinis also the rich ladies?

“Why are there so many women here?” Lin Kai asked very curiously.

Cat sister heard the words, holding her arms and replied: “Because beautiful women are free!”

Lin Kai was surprised at the words of Sister Mao. Beautiful women are free?

“What? The beauty is free? Why isn’t Zhu Manqing free?” Lin Kai asked curiously.

It stands to reason that Zhu Manqing is also a beautiful woman, so why was Zhu Manqing also asked for a ferry ticket when they came in?

Cat sister heard the words, smiled slightly, and replied: “Hehe, as long as your looks are high enough and your figure is good enough, you can get it for free, but there is a requirement that you must wear a bikini suit.”

After listening to Sister Cat’s words, Lin Kai thought about it slightly, then suddenly realized.

“That’s the case. So, so many beauties are used as a pretense to attract those rich second generations to spend on the boat?”

“It’s really smart to let the beautiful women go on board for free, to make the beautiful women wear so exposed, and to make the money of those rich second generations!”

Lin Kai gave his thumbs up.

Looking at the tourists on this cruise ship, there are probably tens of thousands of people!

Counting 30,000 people, that’s not a small number!

Behind this cruise ship, I am afraid there is a powerful family backing it!

“Then I’m curious, who invested in such a large cruise ship in Jiangbei?” Lin Kai asked.

Sister Cat glanced at Lin Kai very contemptuously: “You dare to kill people, you don’t even know about this? Naturally it is the Li family of Donghai!”

Upon hearing this, Lin Kai's eyes widened.

The East China Sea is not a sea of worth.

It is worthy of being a city, a city next to the East China Sea.

This city is very rich, even richer than Beijing! There are many wealthy people in the East China Sea, Li family and Lin Kai have naturally heard of it.

Because the head of the Li family is the richest man in Asia!

Upon hearing this, Lin Kai suddenly realized.

No wonder, no wonder this cruise ship can be blatantly opened here. It turns out that the Li family is behind, and even the Lin family can't afford it!

"So that's it." Lin Kai nodded.

"Lin Kai! I'm going to play in the cruise ship!" At this time, Huang Tianshi grabbed Lin Kai with excitement and asked Lin Kai to take him to play.

"What are you playing?" Lin Kai asked helplessly.

"Archery!"

Huang Tianshi said excitedly.

"Archery?"

"There is this kind of entertainment here?" Lin Kai asked.

"Of course there is! Didn't you read the cruise ship guide?" Huang Tianshi glanced at Lin Kai very contemptuously.

I saw him take out a cruise ship guide from his arms.

On the cruise ship guide, it is written about the fun items on the cruise ship, and they are all free.

At this look, Lin Kai was very surprised.

This cruise ship is very large, and there are many entertainment items, including archery, bowling, billiards, basketball, badminton...

Most of the sports that can be achieved are available here.

And there are bars, hotels, restaurants, all for free!

Outside, there are open-air swimming pools and playgrounds, and indoors there are KTVs, everything!

No wonder so many people come here even if they spend 500,000 yuan. This cruise ship is really well equipped!

In desperation, Lin Kai had to follow Huang Tianshi to the archery range.

But Zhu Manqing was still angry with Lin Kai, and she did not follow Lin Kai.

Lin Kai just let her go, she was not a big man anyway, and no one would take her life.

Soon after, Lin Kai and Huang Tianshi came to the archery field.

The archery range is an indoor archery range. The archery range is large and self-service archery.

In front of Lin Kai and Huang Tianshi, there are a row of bows and arrows, there are various bows and arrows, and the people watching them are dazzled.

Huang Tianshi couldn't wait to rub his hands, planning to start a good bow shooting.

In front of the two, the bow shooting is also divided into levels, from low to high, there are a total of eight levels.

The lowest level is the 20 kg bow.

Shooting a bow with a weight of 20 kilograms means that at least 20 kilograms of strength are required to open the bow.

For the average person, there is no difficulty in pulling a 20 kg bow.

At that time, Huang Tianshi directly chose a 20kg bow, which was still pink.

Later, he took a few more arrows, put them in the quiver, and went to the shooting range.

Lin Kai hugged his arms and looked behind.

The target is also divided into distance.

The nearest is a ten-meter target, and the farthest is a full 200 meters!

The 200-meter target has very high requirements for archers. Archers need not only strong arms, but also superb skills.

Almost no one shot at the 200-meter target.

Although Tianshi Huang is quite old, his physical fitness is still good.

Although a little strenuous, he pulled away 20 kilograms of archery and aimed at a target ten meters away. Tianshi Huang directly released his hand.

Whoosh!

Snapped!

The arrow hit the target directly, five rings!

“Shot!” Huang Tianshi was very excited, like a child.

Chapter 941: Mcdonald

Chapter 941

In the shooting range, there are many beauties wearing bikinis, some of them are shooting arrows, and some are watching other boys shooting arrows.

Boys who can shoot arrows are generally handsome. They are also waiting for the rich second generation. If there are handsome guys, they also plan to ask for WeChat.

And after seeing an old man who could pull a bow with a tension of 20 kilograms, many beautiful women looked at Huang Tianshi.

And Huang Tianshi also expressed excitement on his face.

But at this moment, a man walked in from outside.

This man is very tall and 1.9 meters tall! And the muscles are very strong, and the wheat-colored skin looks very healthy.

He has a tough complexion and looks good, wearing a brand-name sportswear and holding a shooting bow in his hand.

As soon as this man appeared, he attracted the attention of many beautiful women.

Because he is not only handsome and tall, but the Rolex Green Water Ghost on his wrist is even more attractive.

Many girls have already started taking pictures of him.

And he came directly to Huang Tianshi's side, he drew an arrow from the quiver, and took out a forty kilograms of tension in his hand to shoot a bow, without even aiming, he shot it out!

Whoosh!

Snapped!

The arrow hit a target ten meters away!

It was accurate and shot directly on the ten ring!

His movements were very handsome, and the bow closing movements were even more chic, which caused a crowd of fans to scream.

When Huang Tianshi saw that his limelight had been robbed, he was very unhappy at the time.

"Cut! Isn't it a forty kilogram bow? What kind of outfit?" Huang Tianshi mumbled.

But unfortunately, Huang Tianshi's words happened to be heard by him.

He looked at Huang Tianshi, and after seeing Huang Tianshi a long time ago, his mouth also showed a playful smile.

"Hehe, old man, a lot of age, what kind of arrows are you here to shoot? There is a massage service on the third floor, why don't you go and lie down?"

"Hahahaha..."

When the man said what he said, people around him burst into laughter.

Tianshi Huang was so old that he was very conspicuous in the shooting range. Now that the man said that, Tianshi Huang has become the focus!

"What's the matter with your old age? Can't you shoot arrows when you're old? Don't think you are young, you may not be stronger than me!" Huang Tianshi flushed, dissatisfied.

And the man smiled slightly when he heard the words, he directly showed his brand and said: "McDonald, the American first-class athlete, was once the national champion of the American Archery Games, are you better than me?"

After listening to McDonald's words, there was a groan.

No wonder his skin is a little dark and his eyes are a little blue. It turns out that he is a mixed race.

Moreover, he is also the archery champion of the United States!

After hearing that he was a returnee, many girls' eyes brightened. The returnees are generally members of aristocratic families. This McDonald has an extraordinary temperament and a national champion in the United States. He must have an extraordinary life experience!

And Huang Tianshi flushed.

Don't think he is the first celestial teacher in China, but his temper and xinxing are like a child!

"Cut! Are you still the national champion? I am still the world champion!" Huang Tianshi said in disbelief.

At this time, Lin Kai pulled Huang Tianshi and signaled Huang Tianshi not to provoke him.

After all, Tianshi Huang is a lot of age, and letting him shoot arrows is simply embarrassing.

"World champion?" That McDonald laughed when he heard the words.

He directly handed the forty kilogram tension bow in his hand to Huang Tianshi.

"This is a bow shot with a tension of forty kilograms. Can you draw it?" He smiled and looked at Huang Tianshi.

At the scene, many people looked at Huang Tianshi, and there were countless beauties looking at Huang Tianshi.

If Tianshi Huang refuses, many people will laugh at him! And Huang Tianshi can't get off the stage anymore.

Looking at so many beauties, if you refuse, you will be embarrassed, right?

Huang Tianshi gritted his teeth and said: "Why can't I?"

After all, he snatched the shooting bow in McDonald's hand. The shooting bow in McDonald's hand was a forty kilogram black shooting bow, which was very heavy.

Huang Tianshi raised his bow, threw an arrow out of his right hand, and began to draw the bow.

But halfway through, Huang Tianshi's face changed.

If it is an average young man, he can barely pull the 40 kg bow, but Huang Tianshi is a lot of age after all, and it is really difficult to pull the 40 kg bow.

However, Huang Tianshi was desperate! With so many beauties watching, I can't be ashamed of myself!

At that time, Huang Tianshi almost used all of his milk-feeding energy!

He tremblingly opened the bow, then let go of his hand, whoosh! Snapped!

An arrow flew directly!

Later, this arrow hit a target ten meters away, but the result was not ideal, it just hit a ring.

However, this is considered a shot!

Tianshi Huang looked at McDonald with a smug look: "Humph! Who said I can't open it?"

Around, there was also a shock of surprise.

After all, it is really surprising that an old man can pull a forty kilogram bow.

And Huang Tianshi's face also showed a proud look.

When McDonald heard the words, he smiled slightly, and he walked directly to the bow-shooting shelf and took a bigger bow!

This bow is sixty kilograms!

Sixty kilograms, that is 120 kilograms! For an adult, it is basically impossible to pull a 60 kg bow.

But McDonald is different. He is a professional archer and his arm strength is amazing! In addition, he is very big, so even with a sixty kilogram bow, he can pull it!

I saw that Maidang raised the bow with his left hand, hooked the bowstring with his right hand with a hook, and pressed hard with his hands. The 60-kilogram bow was pulled away by Maidang!

At that time, the muscles on McDonald's right hand were bulging high and looked very strong.

McDonald's face was also slightly red, and it seemed that shooting a 60 kilogram bow was still somewhat difficult for him.

This time, McDonald aimed directly at a target twenty meters away.

let go!

Whoosh!

Snapped!

I saw an arrow directly hit the target 20 meters away, and it was still ten rings!

At this time, a burst of cheers sounded!

"Wow! That's amazing!"

"Sixty kilograms of bow shooting! It's so easy to pull out, a master!"

"This man is so handsome! His shooting posture is almost exactly the same as the idol on TV!"

...

A burst of discussion sounded.

This time, not only the girls liked McDonald very much, but even the boys liked McDonald very much.

Because McDonald is really powerful!

At that time, a girl trot in front of McDonald. The beauty was wearing a bikini suit and her figure was very hot. She shook her body and said coquettishly: "Brother, can I take a picture with you?"

McDonald smiled very generously: "Of course."

After that, McDonald put his arms around the pretty waist of the beautiful woman and took a close photo of her.

After the photo was taken, the beauty was a little unwilling. She asked: "Brother, can I ask for your WeChat?"

McDonald didnt talk nonsense and took out his mobile phone directly: "Yes."

Then, the two added WeChat to each other.

Chapter 942: Apprentice Of World Champion

Chapter 942

In this scene, Huang Tianshi on the side was all in his eyes. In his eyes, there was an envy, jealousy and hatred!

At this moment, McDonald looked at Huang Tianshi provocatively.

He didn't regard Huang Tianshi as his opponent at all. Instead, Huang Tianshi became his stepping stone, allowing more beautiful women to see his great side.

He asked very defiantly: "World champion, 60 kilograms of bow, can you do it?"

As soon as his words sounded, countless people looked at Huang Tianshi, and he became the focus again.

Immediately someone laughed loudly and said: "Hahaha! Forty kilograms of shooting bows are already trembling, can he do it for sixty kilograms?"

"Don't say it's him, even if it's me as a young man, I can't pull it away!"

There are even many beautiful women covering their mouths and laughing.

"If he can pull away, I'll marry him! Coco!"

"A lot of age, what archery do you play? Is it bad to hear cross talk at home?"

Hearing the ridicule of these beauties, Huang Tianshi reddened his eyes.

"I can!"

Huang Tianshi roared.

After all, he snatched the 60 kilogram tension bow directly from McDonald's hand, and Lin Kai didn't even have time to stop Huang Tianshi.

Seeing Huang Tianshi snatching his bow, the corner of McDonald's mouth showed a sarcasm.

Huang Tianshi is simply irresponsible! He himself probably doesn't have one hundred and twenty catties. Can he draw a 120 catty bow?

impossible!

He is just insulting himself!

Under everyone's eyes, Tianshi Huang took the shooting bow.

Afterwards, I saw him holding the bow in his left hand and pulling the string on the right, but as soon as he opened it a little, Tianshi Huang's expression changed.

Because he found that the bow has a lot of tension! With his strength, it is difficult to pull away!

The tight bowstring is very powerful! No matter how hard he tried, he couldn't pull the bowstring apart, even halfway it was difficult.

After a while, Tianshi Huang's face turned red, he blushed, and pulled hard.

"Ah!"

Huang Tianshi let out an angry roar, and the muscles on his right and left hands were high and bulging, and he almost used all his energy to breastfeed.

But the bow was only half opened.

McDonald held his arms and looked at Huang Tianshi with a playful look.

boom!

Suddenly, Huang Tianshi was exhausted, and the bow popped out of his hand and fell to the ground.

An arrow also fell to the ground.

Huang Tianshi failed, he couldn't pull it away at all!

After all, he is just an ordinary person, even if he is a heavenly master, he is not an ancient warrior after all.

The exquisite life of archery that relies on strength and technique, Tianshi Huang cannot come.

After seeing Huang Tianshi's failure, there was a burst of laughter.

"Hahahahahaha!"

A group of people laughed and saw Huang Tianshi draw a bow, as if they were watching a monkey draw a bow.

An old man in his seventies is going to pull a 60 kg bow? To them, Huang Tianshi is a joke.

A group of beauties covered their mouths and laughed. They were all making fun of Tianshi Huang.

McDonald held his arms, his face also showed a mocking smile.

“Ha ha ha, world champion, is your level like this? Then you disappointed me too much.”

After listening to his words, Huang Tianshi was even more ashamed, and he couldn't wait to find a hole to get in.

This time, not only did he not show himself well in front of so many beauties, but he made himself lose face!

“A lot of age, what arrow do you shoot? Go home and wash and sleep!” McDonald sneered.

“You!” Huang Tianshi was angry.

He was very angry in his heart, but he was so old that he couldn't do anything about the other party, which made him very angry.

“Huh! I'm a lot of age, what kind of ability to bully me?”

Tianshi Huang's eyes rolled around, he looked at Lin Kai who was standing by, and came up with a trick.

“This is my apprentice!”

“I used to be a world champion, but after all I haven't shot a bow for decades, and I'm also old, so it's normal that I can't pull this bow.”

“But, my apprentice is very young! He has one-tenth the strength of my peak period, let him deal with you, enough!”

After listening to Huang Tianshi's words, everyone looked at Lin Kai.

Tianshi Huang said that he was very powerful, so he blew Lin Kai up by the way.

And McDonald also looked at Lin Kai.

After seeing that Lin Kai was just a young man in his early twenties, he shook his head, with a disdainful smile on his mouth.

Lin Kai is too young!

Besides, it doesn't look like the muscles are very good. What kind of master can such a little white face?

The people around also made a scream, obviously not paying attention to Lin Kaizi.

"Old man, you can brag! You apprentice, it seems that you are not as strong as you!"

"Yes! He has a tenth of your peak strength? Is enough to deal with him? Do you know who they are? They are the archery champions of the United States!"

"It's really bragging! They don't even blush!"

There was a burst of laughter.

And Lin Kai has also become a target of public criticism.

McDonald looked at Lin Kai contemptuously, and asked, "Boy, can you pull this sixty kilogram bow?"

Lin Kai glanced at the bow shot under Huang Tianshi's feet, and smiled slightly: "Haha, my master said yes, then I can."

In order to please Tianshi Huang, Lin Kai had to give it up!

After all, Heavenly Master Huang can figure out where Lin Yuan is, and Lin Kai needs to help Heavenly Master Huang pretend to be forced.

After listening to Lin Kai's words, McDonald hugged his arms and smiled: "Hehe, boy, bragging is a price! So many people are watching!"

Hearing this, Lin Kai smiled helplessly: "Isn't it just a 60-kilogram bow? Do I have to brag?"

Hearing Lin Kai's madness, McDonald's eyes narrowed.

Lin Kai was young and vigorous, which made him very unhappy.

"Humph!"

"The tone is not small!"

"Only professional players have the ability to pull this sixty kilogram bow! You look like the wind blows down, can you pull it away?"

"If you can pull it away, the sun has to come out from the west!"

McDonald sneered.

Hearing this, Lin Kai stopped talking nonsense, he picked up the big bow directly from the ground.

This archery bow is very heavy to start with, and the craftsmanship of the archery bow is very sophisticated. After all, this bow has to bear several hundred catties!

The bowstring is also very strong, tight, and ordinary people can't pull it at all!

And such a bow shooting can be regarded as a heavy lethal weapon, and its power is even more terrifying than a rifle!

After all, this bow is sixty kilograms for shooting!

Lin Kai raised the bow with his left hand and began to draw the bowstring with his right hand.

Although Lin Kai has never been in contact with bow shooting, you should know that Lin Kai is a special soldier! With more shots, archery skills will keep up.

Chapter 943: Overlord Bow

Chapter 943 Overlord Bow

At this time, Lin Kai didn't have a string puller in his hand, and directly hooked the bowstring with his own hand.

After seeing this scene, McDonald sneered with his arms folded: "Hehe, is this the apprentice of the world champion?"

"Do you know how much effort it takes to pull a 60-kilogram bow?"

"It takes hundreds of kilograms of strength! Can your fingers withstand that much strength?"

McDonald was also considered kind and dazzling, he reminded Lin Kaidao.

That's right, if you don't have a string puller, the deadlift will break your fingers!

Even Huang Tianshi, who is very innocent in shooting bows, knows to use a stringer, but Lin Kai does not use a stringer.

After listening to McDonald's words, Lin Kai smiled slightly and said: "Hehe, that's something for women, I don't need it."

After listening to Lin Kai's words, McDonald was furious!

What women use? Isn't Lin Kai saying that he is a woman?

"Humph!" McDonald snorted coldly, did not speak, it doesn't matter, I'll let you whimper for a while! After a while, you will know how painful it is as soon as you draw the bow!

Everyone also looked at Lin Kai, wanting to see if Lin Kai had the strength to open the bow.

I saw Lin Kai lift the bow with his left hand and hold the bowstring with his right hand. Then, as if he didn't exert any force, he pulled the bowstring straight away!

That's 60 kilograms of bow shooting!

After seeing this scene, everyone's eyes widened, because Lin Kai looked so relaxed!

It was as if what he was holding was a twenty kilogram bow.

McDonald's eyes widened, even he couldn't do it as easily as Lin Kai!

How did he do that?

Before McDonald wanted to understand, Lin Kai had already let go.

Whoosh!

The arrow flew directly out!

And the power of sharp arrows is very huge.

Snapped!

The sharp arrow pierced the target ten meters away! Ten rings!

Not only did Lin Kai pull a 120-jin bow, he also scored a tenth ring!

After seeing this scene, everyone was stunned, because Lin Kai looked weak and weak, but his strength was really strong! Even a 60 kg bow can be pulled away!

The most important thing is that Lin Kai didn't use a stringer!

He used his hand to pull the bowstring abruptly! His hands can withstand such a large force!

Are this person's hands made of steel?

The group of people around, you look at me and I look at you, all dumbfounded.

Even many girls have stars in their eyes, because Lin Kai's bow posture is also very handsome!

When Huang Tianshi saw this, his face was flushed. He carried his hands on his back and said proudly: "Have you seen? This is the strength of my apprentice! I said I am a world champion, don't you believe it?"

After listening to Huang Tianshi's words, a voice of discussion came: "I'll go! This kid is fine!"

"Yes! It seems that the strength is equal to that of McDonald. Is it possible that the old guy was really a world champion before?"

"I look like it! After all, his apprentice is so powerful!"

There was a sound of discussion, and some people actually regarded Huang Tianshi as a world champion.

And Huang Tianshi showed a smug smile on his face, because he discovered that several girls were looking at him with admiration.

McDonald was slapped by Lin Kai, his face flushed and he was very angry.

He is eager to win. In archery, he has never lost. Now that Lin Kai has slapped him in the face, his heart is very angry!

"Humph!"

"Sixty kilograms of bow shooting is only an entry level. If you want to play, you can play it!"

After all, I saw McDonald strode towards the bow stand, and he took a very heavy bow from the bow stand!

A is a red shooting bow, it doesn't look like wood, but this shooting bow is already very heavy.

"I'm going! A hundred kilograms of bow shooting!"

"Two hundred catties! Playing so big? Looks like McDonald is going to be a real one!"

"There is a good show to watch!"

There were waves of discussion.

McDonald also moved true this time.

I saw that he raised the red bow and started to draw the string with his right hand.

I have to say that McDonald is a professional archer. His movements are very professional. He can use his movements and body to pull the bow away with the least strength!

Shooting a bow of one hundred kilograms is also a big challenge for McDonald.

He wants to use his own hands to pull a hundred kilograms of bow abruptly!

Of course, this is not the most difficult, the most difficult is that he must ensure the stability of the bow shooting so that the arrow can hit the target!

I saw McDonald's face blushed, and the blue veins on his muscles burst out!

But even so, his body is still very stable!

He let go of his hand.

Whoosh!

Snapped!

I saw a sharp arrow shot straight out!

The speed of the arrow is very fast, no one can see where the arrow is, and the arrow has already flew out!

Snapped!

The sharp arrow directly penetrated the target thirty meters away!

Five rings!

There was a burst of applause.

Everyone looked at McDonald with admiration. Although it was only a five-ringed ring, the ability to draw a 100 kg bow was already extraordinary.

McDonald's face also showed a proud expression, and he looked at Lin Kai defiantly.

"One hundred kilograms, can you do it?"

After listening to McDonald's words, Lin Kai also smiled and shook his head.

One hundred kilograms?

Not to mention a hundred kilograms, even if it is a thousand kilograms, Lin Kai can pull it away!

“It’s boring.” Lin Kai put his hands in his pockets and shook his head.

Seeing that Lin Kai didn’t mean to try, McDonald smiled triumphantly, because in his opinion, Lin Kai must be scared!

There was also a groan from around.

When Huang Tianshi saw this, he was anxious at the time. He winked at Lin Kai and said, “Apprentice! Show him some color!”

Only when Lin Kai wins, there is light on his face!

After listening to Huang Tianshi’s words, Lin Kai’s face also showed a helpless expression.

“Ok.”

Lin Kai agreed and walked directly toward the bow frame.

Lin Kai looked at it with one bow and another. The front was 20 kilograms and the back was 100 kilograms.

Basically, few people take a bow shot from 60 kilograms later, because no one can pull it away.

Lin Kai glanced at the last bow on the bow stand.

That bow is very special.

The bow is black and looks unpretentious, but from its body, it exudes a dark light.

Moreover, it has its own unique bow frame, as if it were a VIP bow.

After seeing the shooting bow, Lin Kai was very interested, he walked over and picked up the shooting bow.

This shooting bow is very heavy, and its bowstring is also in a tight state.

Lin Kai glanced at the mark under the shooting bow, Bawang bow, 500 kilograms!

Chapter 944: Ate The Bow

Chapter 944

Five hundred kilograms of bow shooting!

Lin Kai is very interested in this bow.

After seeing Lin Kai actually picking up the Overlord Bow, then McDang laughed.

“Hahahaha! Is it possible that you want to open that overlord bow?”

“Do you know how many catties that Bawang bow is? A thousand catties!”

“It is the most powerful bow on this cruise ship!”

“However, this bow is just a concept product. It can withstand a thousand catties, but since it appeared, no one has pulled it away!”

McDonald held his arms and looked at Lin Kai like a clown.

The people around also made a loud noise.

“This person is too arrogant? Even dare to touch the Overlord Bow?”

“Even the world’s number one archer can’t draw a thousand catties bow, right?”

“Yeah! He actually wants to pull a thousand catties bow?”

...

Lin Kai didn’t listen to the voices of the people around him. Concept product? Lin Kai is very interested in this concept product.

“Since no one has pulled it away, why do you know it is a thousand catty bow?”

After listening to Lin Kai’s words, McDonald glanced at Lin Kai very contemptuously:
“Cut! Because a machine has opened it!”

Lin Kai smiled and nodded: “Okay! Then I will pull this bow in front of you today! And, I only use one finger!”

After listening to Lin Kai’s words, the whole audience fell silent.

Because what Lin Kai said was too rampant!

This person, not even McDonalds eyes, threatened to pull the five hundred kilograms of the Overlord Bow!

“Hahahahaha!”

After a while, McDonald laughed loudly: “Hahaha! If you can pull this bow, I will eat it on the spot!”

A tumult sounded again.

“Plus me! I ate this bow too!”

“It’s not like bragging!”

“Since this overlord bow appeared, no one has been able to pull it away! Can you kid?”

“What a bragging!”

Lin Kai stopped talking nonsense with others, he came directly to the shooting range.

With his left hand, he directly raised the shooting bow!

His right hand has hooked the bowstring!

After seeing this scene, McDonald had a sneer at the corner of his mouth. A thousand catties of Overlord’s bow was enough to cut off Lin Kai’s fingers! Lin Kai’s doing this is no different from self-harm.

And the corner of Lin Kai’s mouth also showed a smile, his right hand pulled directly, and a squeaking sound rang out, and Lin Kai easily pulled away the one-thousand-jin Overlord’s bow!

Moreover, Lin Kai only used one of his fingers to pull the Overlord Bow away!

After seeing this scene, the audience was silent! Everyone looked at this scene stupidly, almost doubting their eyes!

Does this pull the Overlord Bow away?

Are you kidding me?

Moreover, some careful people have noticed that Lin Kai opened this Overlord’s bow with only one finger!

He can pull a thousand catties of Overlord Bow with just one finger! Moreover, the Overlord Bow didn’t mean to hurt Lin Kai at all!

Everyone was shocked, everyone was silent, even McDonald was dumbfounded, he had never seen such a strong person!

And Lin Kai's face has always been faintly smiled, as if pulling this Overlord's bow is just a very simple and easy thing for him.

At this time, Lin Kai released his finger.

Whoosh!

An arrow went straight out! Almost fuzzy!

Snapped!

The target 200 meters away was shot through! And it's still ten rings!

Everyone saw this astonishing scene from the screen!

Two hundred meters away! Hit it!

And still use a thousand catties overlord bow!

After hitting the target, the surplus of the arrow was undiminished, and it shot directly on the wall!

boom!

A hole was shot out of the iron wall! The arrow is firmly anchored on it!

The audience was silent and shocked!

If this scene were placed in a shooting sports meeting, it would definitely surprise the audience! Lin Kai won a world championship without a problem!

McDonald's face was ugly.

He only felt a burning pain on his face, he was slapped in the face by Lin Kai! I was absolutely slapped in the face!

The other party's technology is so brilliant!

Could it be that the old man is really a world champion?

At this time, he already believed in Huang Tianshi's identity.

Lin Kai lowered the Overlord Bow in his hand and looked at McDonald. Lin Kai smiled playfully, "Hehe, when did you eat this bow?"

Just now McDonald said that if Lin Kai could pull this bow away, he would eat it!

And now, McDonald is silent.

After a long time, McDonald seemed mad, and he snatched the Overlord Bow in Lin Kai's hand.

“Impossible! No one can open the Overlord's bow with bare hands! Your finger is not broken? This bow must have passed the hand and foot!”

After listening to McDonald's words, many people also had doubts.

After all, this is a bow of a thousand catties!

No matter how strong a person is, he can't open a heavy bow with his bare hands!

Where did he come from so much strength?

Besides, he is holding the bow with his bare hands, and there is nothing wrong with his fingers?

This is not in compliance with the rules!

Many people suspect that Lin Kai is cheating!

I saw that McDonald also raised the Overlord Bow, his right hand also imitated Lin Kai, a finger hooked the bowstring, and then began to draw the bow!

Deadlift!

“what!”

Suddenly, McDonald let out a scream!

Afterwards, he squatted on the ground holding his fingers.

Upon closer inspection, a wound appeared on McDonald's finger! The blood is constantly flowing down!

He strained his finger!

McDonald looked at the Overlord Bow in front of him with a shocked look, because he found that this bow hadn't been passive, it was really a thousand catties Overlord Bow!

That person did not cheat! That person really relied on his own strength to pull the Bawang bow away!

This shocked McDang's heart!

He couldn't believe the scene before him. He was the archery champion of the United States!

But after seeing Lin Kai's technique, he was surprised!

Is it possible that Huaxias archery skills are so high?

The Americans are not the opponents of the Chinese at all?

A triumphant smile appeared on Huang Tianshi's face, his mouth almost reaching the back of his ears.

With a smug look on his face, he looked at McDonald and said, "Young man, don't be discouraged!"

"He is my apprentice after all. I am a world champion. There is no shame in losing to the world champion apprentice."

"I just said that although his strength is only one tenth of my peak strength, it is enough to beat you!"

On Huang Tianshi's face, it was a complacency.

At this time, there are already many beautiful women looking at Huang Tianshi with admiration. Most people have believed what Huang Tianshi said. He was really a world champion before!

Chapter 945: Li Shengxian

Chapter 945

"Everyone! How is it? I didn't lie, did I? I really am a world champion! I'm just getting old now."

Huang Tianshi said smugly.

Most people have already believed what Huang Tianshi said.

After all, everyone has seen Lin Kai's strength, and he can pull a 500-kilogram Overlord Bow with one finger! Such strength is not something ordinary people can achieve.

McDonald lowered his head and looked ashamed.

He lost, he was convinced that he lost because the opponent was too tough! For so many years, McDonald has been proud of the American archery champion, but there

are people outside, and there are days outside. Today he is considered to be an opponent.

Lin Kai held the Bawang bow, glanced at McDonald, and smiled slightly: "Haha, it's not wrong to lose in my hands."

After all, Lin Kai is not an ordinary person, he is a cultivator! His strength is not comparable to McDonald's, and his physical coordination is not comparable to McDonald's. Even if McDonald has practiced for five hundred years, he is definitely not Lin Kai's opponent.

Hearing this, McDonald lowered his head in shame, and then McDonald left the archery range.

At this time, there are already several top beauties who want Huang Tianshi's WeChat.

And Huang Tianshi also showed a dissolute smile on his face.

"Hey hey, don't worry! Come one by one!" After all, he took out his senior phone and started adding beautiful WeChat.

In a short while, Huang Tianshi had already added several WeChat accounts of top beauties.

In fact, as Huang Tianshi, he hooked his finger, and a lot of beauties would come forward and follow him. Who is he? He is China's first heavenly teacher! With such a distinguished status, would you have no money? Will you have no power? It's just that Huang Tianshi himself prefers to play, so he chose to come to this sea.

Just as Huang Tianshi added the beauty of WeChat, Lin Kai's cell phone rang suddenly, took out the cell phone, and found that Zhu Manqing was calling.

"Hello? What's the matter?" Lin Kai answered the phone.

"Lin Kai! Where did you die? Come here! I was harassed at the entrance!" Zhu Manqing's angry voice came.

Zhu Manqing was harassed? Lin Kai's eyes widened, how dare anyone harass Zhu Manqing?

"Wait for me, I will be there soon!"

After that, Lin Kai hung up the phone. Then, he pulled Tianshi Huang, without saying anything, and took him outside.

"Hey hey! I haven't finished adding WeChat yet!"

The two quickly left the archery range. After arriving on the deck, Lin Kai found that the Haihai had already moved out of the pier. Now Haihai was far away from the pier.

And at the place where Lin Kai and Zhu Manqing had separated just now, Zhu Manqing stood still holding his arms and looking angry.

Opposite her, there is the hot body cat sister.

And behind the cat sister, several people in black stood.

These men in black, all wearing shorts and black T-shirts, are very sturdy, and they all wear sunglasses, looking like extremely professional bodyguards.

Ten bodyguards.

In front of the ten bodyguards, besides sister cat, there was a young man.

This young man looked only twenty-three or four-year-old.

He was wearing a pair of large suit pants, a pair of flip-flops under his feet, and no clothes on his upper body.

A face of bohemian.

He has a very good body. Although he is not as good as the professional bodyguard behind him, he has six pack abs and looks good.

At this moment, he was standing in front of Zhu Manqing, chatting with Zhu Manqing.

“Beauty, why don’t you go in for two drinks together?” Li Shengxian raised an eyebrow and smiled.

But Zhu Manqing hugged his arms and said nothing.

The reason she ignored him was simple, because this person was brought by Sister Cat, and she was not interested in Sister Cats person.

And the cat sister also looked at Zhu Manqing with a playful look. She was very hostile to Zhu Manqing, so she found a very big man on this ship, Li Shengxian!

Speaking of Li Shengxian, that’s amazing, he is a man of great background! Let Li Shengxian occupy Zhumanqing, so naturally no one will rob Lin with her.

At this moment, Lin Kai and Huang Tianshi walked over quickly.

“What’s wrong? What happened?” Lin Kai came to Zhu Manqing’s side and asked.

After seeing Lin Kai, Zhu Manqing hammered Lin Kai's chest with her pink fist, and said: "Where have you been! Someone molested me!"

Zhu Manqing pointed to Li Shengxian and said.

Hearing that, Lin Kai looked at Li Shengxian, and Li Shengxian also looked at Lin Kai, their eyes collided in the air.

Although Li Shengxian only wears a pair of big pants, he has a very bohemian and confident attitude.

This kind of look, Lin Kai is familiar with, belongs to Lin Kai, the young master of the Lin family! The backing of the other party is definitely not small!

"This one is?" Lin Kai asked, looking at the cat sister.

Cat sister smiled and introduced: "Lin Kai, this is a big man! Donghai Li family."

"The Thirteenth Young Master, ranked thirteenth in the East China Sea Li's family, is also the person in charge of this cruise ship."

Li Shengxian put his hands in his pockets and looked at Lin Kai with contempt.

No wonder it was so crazy, it turned out to be from the Donghai Li family!

"Oh! That's it, hello, my name is Lin Kai." Lin Kai stretched out his hand and smiled politely.

Li Shengxian didn't even look at Lin Kai with his straight eyes. He didn't even bother to pay attention to Lin Kai. The ten bodyguards behind him also showed playful smiles on their faces.

Lin Kai smiled slightly and withdrew his hand.

"Hehe, since I'm not interested in getting to know, then forget it, Zhu Manqing, let's go."

After that, Lin Kai pulled Zhumanqing's jade hand and prepared to take Zhumanqing away.

"Wait!" Lin Kaigang turned around, and Li Shengxian immediately stopped a few people coldly.

"You can go, but she can't." Li Shengxian said proudly.

After listening to Li Shengxian's words, Lin Kai glanced at Zhu Manqing, then looked at him, and asked, "Oh? Why?"

“Why? I fell in love with her! That’s why!” Li Shengxian said very arrogantly.

At this time, Sister Cat stepped on the catwalk and came to Lin Kai’s side, and said charmingly: “Lin Kai, the thirteenth young man has a big background, you can’t afford it.”

She meant to keep Zhumanqing.

This is also her purpose.

But she didn’t understand Lin Kai. Lin Kai didn’t recognize people, only reason!

“Hehe, Thirteenth Young Master, you are the eldest young master of the Li family anyway, wouldn’t you try to rob civilian girls in front of so many people?”

Lin Kai looked at Li Shengxian with a smile.

When Li Shengxian heard the words, an angry expression appeared on his face.

But before he could speak, Lin Kai continued, “You are a big man! You are from the Li family in the East China Sea. You have a good face, and you rob other women on the cruise ship? This is also a joke!”

“Moreover, you are the person in charge of this cruise ship! There is a truth in everything. Your thirteenth youngster is arrogant and aggressive on your cruise ship. Whose master dare to bring women to play in the future? “

“If this matter spreads out, it will have a bad impact on you and the Li family, right?”

Li Shengxian was speechless at what Lin Kai said.

He blushed and was very angry.

But when I think about it carefully, what Lin Kai said is really good. If Li Shengxian forcibly takes a certain beauty away on the cruise ship he is responsible for, I am afraid that in the future, no other young master would dare to bring a woman here.

“Who said I was going to rob civilian girls?” Li Shengxian blushed and said.

Chapter 946: Marksmanship

Chapter 946

“Then what do you mean?” Lin Kai said, looking at Li Shengxian with a smile.

And Li Shengxian looked at Zhu Manqing and said straightly: "Be my girlfriend and give you one million a month! I'm from Donghai Li's family!"

Good guy, Li Shengxian didn't think the strong grab could be made, so he smashed it with money.

But Zhu Manqing was a thief before! The money she has seen is more than a million.

"Cut!" Zhu Manqing rolled his eyes and ignored Li Shengxian.

When Li Shengxian saw this, his face was dull, and he said angrily: "Ten million a month! Be my woman!"

And Zhu Manqing heard this, holding his arms and said: "Who cares about your ten million? Even if you give me one hundred million, I won't be your girlfriend!"

Hearing that, Li Shengxian was very angry.

For the first time in so many years, a woman dared to refuse him!

He, Li Shengxian, is the young master of the Donghai Li family!

His father, but the richest man in Asia!

But Zhu Manqing rejected him, which made him feel dull on his face.

Many people around are watching! Seeing that Li Shengxian couldn't move it with the money, he looked at Lin Kai, I can't get it, and you don't want to get it!

"I want to compete fairly with you!" Li Shengxian said angrily.

Upon hearing this, Lin Kai was stunned.

fair competition?

These thirteen youngsters are really silly and cute!

"Haha, what a competition law?" Lin Kai asked with a smile.

Although this thirteen youngster is a little dull, it is not arrogant and unreasonable. Such a dull young master makes Lin Kai feel a little funny.

"Let's pick something on the boat to compare, and win three games. Whoever loses will quit! And kowtow to the other party to call Dad!" Li Shengxian narrowed his eyes.

He not only wants Lin Kai to withdraw, but also to pay the price!

He wanted Lin Kai to kneel in front of him!

Moreover, he wanted everyone to watch, he used his strength to make Lin Kai kneel, not his background!

Upon hearing this, Lin Kai laughed.

But Zhu Manqing pulled Lin Kai and signaled Lin Kai not to agree.

After all, Li Shengxian has lived on this cruise ship for a long time. He must know all the facilities on the cruise ship very well. Compared with him, Lin Kai is simply looking for a loss!

But Sister Cat really hoped that Lin Kai would agree, because only Lin Kai quit and lost her dignity. If Sister Cat gave him a little sweetness, he would definitely become her Sister Cat's man.

Lin Kai smiled freely after hearing the words, "Okay! I promise you!"

After listening to Lin Kai's words, Li Shengxian's face showed a bright smile.

Just as Sister Cat thought, he was very familiar with all the facilities and entertainment on this cruise ship. Lin Kai was undoubtedly looking for a loss compared with him.

"On this cruise ship, shooting, archery, badminton, and KTV are all available! Choose whatever you want, what is better?" There are only two words on Li Shengxian's face, confident!

Hearing this, Lin joked and said, "Oh, you are the boss, you are the master."

"Okay!" Li Shengxian gave a triumphant smile: "Then compare shooting first! How about?"

"shooting?"

Everyone looked at Li Shengxian, with surprise in their eyes.

Cat sister looked at Li Shengxian with admiration, high! It is too high!

Most people don't have the chance to get in touch with shooting projects like this. Li Shengxian is different. Li Shengxian often touches the gun and is very interested in shooting. If Lin Kai refuses, he is insulting himself. If Lin Kai agrees, Then he will definitely lose!

After Lin Kai listened to Li Shengxian's words, he laughed.

Than shooting?

Lin Kai was a special soldier before! He has touched more guns than Li Shengxian has seen.

“Yes.” Lin Kai agreed calmly.

After seeing Lin Kai’s promise, Li Shengxian laughed: “Hahaha! Good! Go!”

After all, he took Lin Kai and the others and walked directly into the cabin.

The cabin was very large and had various entertainment items. Soon after, Li Shengxian brought everyone to the shooting gallery.

After seeing Li Shengxian at the entrance of the shooting gallery, the receptionist hurriedly bent over and bowed: “Good Thirteen.”

Li Shengxian waved his hand and led everyone into the shooting range.

The shooting range is very large, and Li Shengxian took it with him, and the group went straight to the depths of the shooting range unimpeded.

At this time, a strong man came over.

This man looks one-meter tall, wearing black overalls and a black vest, flat head, serious expression, sharp eyes.

After seeing Li Shengxian, he immediately stepped forward: “Thirteenth Young Master.”

Li Shengxian glanced at him and patted him on the shoulder.

“Introduce you, this one is the shooting instructor of the shooting range! Coach Li.”

Coach Li glanced at Lin Kai and others, expressionless.

Lin Kai nodded. He carefully looked at the figure and eyes of Coach Li, and found that he was standing upright, with sharp eyes, looking forward, and his body was tight. He should have been a soldier.

“Coach Li, but the coach I hired at a high price! As a special soldier, when in the army, he was a sharpshooter!” Li Shengxian proudly said.

“Today, please ask Coach Li to be a testimony to see our marksmanship, who is the best!” Li Shengxian said loudly.

And coach Li directly replied: “Yes!”

Lin Kai smiled slightly and did not speak.

“Go! Go to the shooting range!”

Li Shengxian took the lead and brought Coach Li and others to the shooting range.

In the shooting range, many people are playing guns, and there are all kinds of guns here.

The distance of the shooting range, there are targets ten meters away, there are targets twenty meters away, and the farthest one is 200 meters away!

Moreover, in the shooting range, you can also simulate the outdoor environment, and there are powerful blowers that can blow strong winds and increase the difficulty of shooting.

It can also make the target move, increasing the difficulty of shooting.

As soon as Li Shengxian brought people in, he immediately became the focus of the shooting gallery.

After all, Li Shengxian is the young master of the Li family. On this cruise ship, there are really few people who don't know Li Shengxian.

“Yo! Thirteenth Young Master, come to play with guns again?”

“Thirteenth Young Master, who is the beauty behind him?”

“Thirteenth Young Master, show your hands for everyone to see!”

The rich second generations who were shooting joked.

And Li Shengxian didn't pay attention to them at all. Instead, he pointed to the weapon behind the counter and said to Lin Kai: “Choose it! See who goes well!”

Lin Kai glanced behind the counter.

I saw numerous guns hung on the wall behind the counter!

There are rifles, submachine guns, shotguns, and even sniper rifles!

There are all kinds of weapons, including Chinese and American weapons.

Lin Kai basically knew the guns hanging on the wall, and had almost used them. Lin Kai was very familiar with them.

“Hehe, since it’s your shooting gallery, you pick it.”

Lin Kai smiled slightly.

Chapter 947: All In One Ring

Chapter 947

Li Shengxian smiled disdainfully when he heard the words. In his opinion, Lin Kai must have no idea about shooting, and he is still doing it!

At that time, Li Shengxian took out a black pistol directly from behind the counter.

The black pistol is a large-caliber pistol that can hold seven rounds of ammunition. It is extremely powerful and has great recoil.

After getting the pistol, Li Shengxian put on his earmuffs and smiled at Lin Kai: “Haha, look good!”

After that, Li Shengxian began to load bullets into the pistol magazine.

Bullets are empty. Generally speaking, live ammunition is not allowed in the shooting hall.

Soon after, the seven bullets were finished, and Li Shengxian came directly to the shooting place of the ten-meter target.

Li Shengxian raised his pistol, held the gun in both hands, aimed slightly, and pulled the trigger directly.

There was a violent noise.

boom! boom! boom! boom! boom! boom! boom!

With seven sounds, Li Shengxian fired seven shots in a row! There is no pause at all!

After shooting, Li Shengxian put down the pistol in his hand and smiled confidently at the corner of his mouth.

“Coach Li, report your target!”

The strong coach Li went directly into the shooting range and took down the target paper from the shooting range.

I saw seven holes in the target paper! And all hit the ten rings!

“Seven shots, ten rings, all hits!” Coach Li said in a voice.

After listening to Coach Li’s words, everyone exclaimed.

Li Shengxian’s marksmanship is too accurate! He basically didn’t aim, so he shot ten rings, and every shot was ten rings!

An exclamation sounded.

“Great! Great!”

“This gun has a great recoil! But the Thirteenth Young Master can fire seven shots in a row, and even hit the ten rings. It’s really amazing!”

“The Thirteenth Young Master is worthy of being the Thirteen Youngest!”

Even Coach Li nodded, admiring the thirteenth master’s marksmanship.

After seeing this scene, the cat sister showed a playful smile.

She whispered in Lin Kai’s ear: “Brother smelly, you are not the opponent of the Thirteenth Young Master.”

After listening to Sister Cat’s words, Lin Kai smiled slightly: “Oh?”

“Thirteenth Young Master has been playing with guns since he was a child. Have you ever played with guns?”

Sister Cat asked with her arms folded.

Lin chuckled and said nothing.

Li Shengxian also looked confident. He looked at Lin Kai and raised his eyebrows and said, “Boy, can you?”

After that, Li Shengxian put the pistol in front of Lin Kai.

And Lin Kai didn’t talk nonsense at all. He directly picked up the pistol given by Li Shengxian and pressed the bullet into the magazine with a familiar movement.

Click!

The magazine loaded the gun, Lin Kai loaded the bullet directly!

“Attention, I am not bullying you!”

After that, Lin Kai's mouth showed a playful smile.

Li Shengxian was taken aback, he didn't understand what Lin Kai meant.

But soon, he understood.

Seeing Lin Kai covered his eyes with one hand and held a gun with the other, he was about to shoot.

He wants to shoot with one hand!

and! He has to cover his eyes!

Is he crazy?

The recoil of this gun is great! One hand can't hold it down! And he doesn't even look at it. Can the bullet he shoots hit the target?

"Are you crazy?" Li Shengxian exclaimed.

Coach Li frowned. As a retired shooting coach of special forces, he understood that shooting with his eyes closed is simply impossible!

One hand can't hold down this pistol with strong recoil.

Lin Kai did this, almost like looking for death! If you are not careful, you will accidentally hurt yourself.

Sister Cat smiled and shook her head. In her opinion, Lin Kai was undoubtedly trying to do her best.

At this time, Lin fired.

Bang bang bang!

Boom boom boom!

With seven sounds, Lin Kai didn't stop, he fired seven shots in a row!

And faster than Lee Seung Hyun!

Everyone's eyes widened, because they found that Lin Kai's hand hardly moved!

In other words, the powerful recoil of this gun was resisted by Lin Kai's hand!

This kid's hands are really strong! Even Li Shengxian was a little surprised.

But then, he still sneered. What if his hands are strong? If he shoots with his eyes closed, is it possible that he can shoot?

After Lin Kai finished shooting, he threw the pistol on the table and said with a smile: "Haha, report the target."

Coach Li took the target paper directly without saying anything.

After seeing the target paper, everyone was stunned.

One ring!

Seven shots, all in one ring!

Although the first link was the worst result, the seven shots shot by Lin Kai were very technical.

There are gun holes on the top, bottom, left and right, seven bullets, forming a circle!

Very round circle!

It is hard to imagine that this was shot with a pistol!

After seeing this scene, everyone was surprised. Although it was a part, who was strong and weak, everyone felt like a mirror.

Shooting with closed eyes, shooting with one hand, and shooting out a circle, it is not an exaggeration to describe Lin Kai as a sharpshooter!

Coach Li took a deep look at Lin Kai, and now he realized that he had missed it. This person is not a rookie, but a master!

After seeing this scene, Li Shengxian was also speechless for a long time.

He did not expect that Lin's marksmanship was so powerful!

Sister Cat looked at the target paper blankly. She didn't expect Lin Kai to be quite talented in shooting!

"Hehe, how is it?" Lin Kai asked Li Shengxian with a smile.

And Li Shengxian flushed, and after a while, he angered: "I won! Because my seven spears are ten rings! Your seven spears are one ring!"

After listening to Li Shengxian's words, there was a loud noise.

Li Shengxian is shameless! Although they are shooting one link, it is obvious that their marksmanship is better than yours!

“Coach Li, don’t you think?” Li Shengxian looked at Coach Li and asked.

Coach Li, with his hands behind his back, nodded: “According to the regular rules of the game, you won.”

“Have you heard?” A triumphant smile appeared on Li Shengxian’s face.

“Huh! Fancy, didn’t you lose in the end?”

After listening to Li Shengxian’s words, Lin Kai couldn’t laugh or cry.

This one was given to Li Shengxian by Lin Kai.

“Hehe, it’s up to you.” Lin Kai smiled helplessly.

“I don’t believe it, your marksmanship can be as powerful as mine! Two wins in three rounds! Come on!” Li Shengxian was obviously unconvinced.

He came to the counter again, he glanced at the weapon behind the counter, this time, Li Shengxian chose a sniper rifle!

The shooting difficulty of a sniper rifle is far greater than that of a pistol!

The recoil of the sniper rifle is even greater! Moreover, sniper rifles are used to shoot distant targets.

At that time, I saw Li Shengxian holding a bolt-type sniper rifle and came to the target.

He hugged the sniper rifle and fell straight down.

The recoil of this gun is great, and it will be stable only if it is shot on the stomach.

This time, what he wanted to shoot was a target a hundred meters away.

Chapter 948: Difficult Shooting

Chapter 948

“Open wind! Move the target!” Li Shengxian shouted.

Coach Li turned on the blower without saying anything. At that time, a gust of wind blew!

The target a hundred meters away also began to move, moving left and right!

In such an environment, shooting is very difficult.

But Li Shengxian is worthy of being a gun veteran. He measured the wind speed with his hand, judged the trajectory, and was ready to shoot.

After preparing for a few seconds, Li Shengxian decisively pulled the trigger!

boom!

Whoosh!

A bullet whizzed out! Snapped! The bullet directly hit a target a hundred meters away!

Nine rings!

Li Shengxian did not stop, he pulled the bolt, and another bullet was loaded directly!

aim! Prejudge! shooting!

The action was done in one go, without a second of hesitation!

boom!

Another bullet roared out!

Ten rings!

Lee Shengxian hit the target again! This time, it is still ten rings!

Everyone took another breath of air-conditioning. Li Shengxian's marksmanship was amazing!

Click!

Li Shengxian loaded the bullet again, and a smug smile appeared on the corner of his mouth.

He didn't know how many times he touched this gun. He didn't know how many times he practiced such shooting. He is familiar with everything here!

Lin Kai, you can't beat me!

Pull the trigger!

boom!

Snapped!

Ten rings!

It's another ten ring!

After seeing this result, everyone was shocked!

Li Shengxian's marksmanship shocked everyone!

Soon after, there was a round of applause! Everyone applauded! Whether it was applauding to please Li Shengxian or really shocked by Li Shengxian's marksmanship, there was thunderous applause at the scene anyway!

Coach Li also nodded, and he also recognized Li Shengxian's marksmanship!

Li Shengxian stood up with only two words on his face, proud!

"Report the target!"

Coach Li took a binoculars and glanced at the target in the distance, and said: "Three-level wind, three-level movement speed, one round with nine rounds, two rounds with ten rounds!"

After hearing this result, another air-conditioned voice came.

Note that Li Shengxian was not shooting a fixed target, he was shooting a moving target! And there is still a strong wind! A hundred meters away, he still shot!

Everyone looked at Lin Kai. Although Lin Kai shot a pistol well, he was probably not as good as Li Shengxian compared to a sniper rifle.

Moreover, Lin Kai has already lost one game. If he loses again in this game, he will truly lose to Li Shengxian!

Cat sister hugged her arms and came to Lin Kai's side.

"The Thirteenth Young Master is very strong, isn't it? The Thirteenth Young Master is not the Young Master Huahua you imagined. The Thirteenth Young Master is very powerful!"

Lin Kai smiled slightly when he heard the words, "Hehe, no matter how strong he is, he is definitely not my opponent."

Cat sister rolled her eyes when she heard this, she thought Lin Kai was just bragging.

After Li Shengxian finished shooting, he looked at Lin Kai quite proudly and said, "Boy, how is my marksmanship?"

Lin Kai nodded and praised: "Not bad."

"Then you gave up?" Li Shengxian asked triumphantly.

Lin Kai smiled and shook his head when he heard the words, "Hehe, I don't know how to write the word confession, Lin Kai yet!"

Li Shengxian also smiled after hearing Lin Kai's rampant words.

He likes Lin Kai's mad opponent! The mader you are now, the worse you will lose in a while!

"Okay! Then I see your performance!"

After that, Li Shengxian directly handed the sniper rifle to Lin Kai.

When Lin Kai came to the place where Li Shengxian shot, he shook his head and saw that he came directly to the shooting place of the 200-meter target.

"Are you going to shoot at a target 200 meters away?" Li Shengxian raised his eyebrows when he saw this.

Lin Kai nodded and said, "Yes."

Crazy!

At a target of 200 meters, not many people really dare to shoot because it is too far! Even with a sniper rifle, it is difficult to hit the target.

"Turn the wind to the maximum! Set the target's moving speed to the maximum for me! And, can this land shake? Turn it on for me!"

Lin Kai said directly.

After listening to Lin Kai's words, Li Shengxian's eyes widened.

"you sure?"

"Is your kid bragging?"

Now, Li Shengxian had begun to suspect that Lin Kai was looking for a loss, and under such a high degree of difficulty, he could lose better.

“OK!” Lin Kai said decisively.

After listening to Lin Kai’s words, Li Shengxian squinted his eyes and smiled: “Hehe, then I will satisfy you! I don’t believe it, you can beat me in this environment!”

“Even Coach Li can’t shoot in this environment!”

Coach Li nodded, even if he is a special soldier retired, there is no way to complete the shooting in this environment.

Zhu Manqing and Huang Tianshi on the side looked at Lin Kai nervously. They only hope that Lin Kai will win and be able to slap the arrogant rich second generation in the face!

Lin Kai hugged the sniper rifle and fell straight down.

As soon as he got down, the ground immediately began to shake violently!

The shaking mechanism has been turned on! This is part of increasing the difficulty of shooting!

Lin Kai was on the floor, his body was constantly shaking, and his muzzle was shaking extremely.

The sixth level of wind is directly on!

Whistling gale! Great influence on ballistics!

Looking at the target in the distance, everyone was dumbfounded, the moving speed of the sixth-level target, whoosh whoosh! The target won’t stop at all! It will not give people a chance to observe the target!

No one believes that Lin Kai can hit the target in such an environment.

Not even a sharpshooter!

Cat sister hugged her arms and looked at the scene in front of her calmly.

She didn’t understand Lin Kai’s identity and details, but now, Cat Sister was observing everything Lin Kai did as an ordinary person.

She felt that Lin Kai couldn’t do it.

The floor under Lin Kai’s body was constantly shaking, and the corner of Lin Kai’s mouth also showed a playful smile.

For Lin Kai, such shooting is also very challenging.

In fact, he can use his spiritual power to control the bullet so that the bullet can easily hit the target, but that way, it is really meaningless.

He wants to hit the target with his own strength!

Now, Lin Kai has to face three problems!

The first problem is the wind!

Strong winds will seriously affect the trajectory, but Lin Kai still knows better about the trajectory. The sixth-level gusts are blown by the blower, that is, the wind speed is fixed.

Lin Kai visually observed the wind speed and it was very stable, so he only had to shift the muzzle to the left and raise it a little higher.

The second problem is the floor under the body.

The floor was shaking all the time, which made Lin's muzzle unable to calm down.

But Lin Kai soon discovered the law of floor shaking!

The floor was shaking left and right, Lin Kai's body was still, so he would shake with the floor.

But what if Lin Kai's body shakes right and left in the opposite direction?

Chapter 949: King Of Soldiers?

Chapter 949

Can the muzzle stand still?

Lin Kai began to try to use his body to keep up with the rhythm of the floor. As long as the rhythm of the body and the floor are the same, the muzzle will not move!

For ordinary people, it may be difficult to do this.

But for Lin Kai, it is much simpler.

Soon, he had mastered this pattern, and his body was shaking with the floor.

One left and one right.

Lin Kai has adapted to it for about ten minutes!

At this time, Lin Kai was already sweating!

His clothes were soaked in sweat, and sweat was on his forehead, but everything Lin Kai did was fruitful.

At the beginning, Lin Kai's body and muzzle were shaking!

But now, Lin Kai has achieved exactly the same frequency as the floor shaking! His muzzle is still!

After seeing this scene, Coach Li on the side narrowed his eyes.

He did not expect that Lin Kai could achieve the same frequency as the floor shaking!

Such an idea can be realized in theory, but he did not expect that Lin Kai actually turned the theory into reality!

He began to admire Lin Kai. Lin Kai was really not a simple character.

Now there is only the last problem left, and that is the fast-moving target.

This is the easiest for Lin Kai.

Because he is very reactive! Therefore, targets that are fast in the eyes of others are actually very slow in Lin Kai's eyes.

Everything is ready, pull the bolt!

Pull the trigger!

boom!

A bullet was shot straight out!

Snapped!

Perfectly hit the target!

The target was directly hit by a bullet! In the middle of being hit, the moving target stopped immediately.

Ten rings!

Click!

Lin Kai loaded the bullet again and aimed again.

Pull the trigger!

boom!

Snapped!

The target that was erected just now was hit perfectly again!

Everyone squinted and took a breath at the time.

Ten rings again! Perfect hit!

Two ten rings!

After seeing this scene, everyone was shocked, everyone held their breath and carefully watched Lin Kai's next operation.

Then, Lin Kai pulled the bolt again, and the bullet was loaded again!

Anticipate, aim, pull the trigger!

boom!

Snapped!

The bullet hit the target perfectly again!

Moreover, it is ten rings again!

At this moment, the whole scene fell silent, and everyone looked at Lin Kai silly.

But Lin Kai stood up from the ground, he patted the dust on his body and wiped his sweat.

"Coach Li, report your target!"

"Yes!"

Coach Li immediately began to check the condition of the target.

Soon after, Coach Li's voice spread throughout the shooting range!

"The wind is at full level! The moving speed is at full level! The shaking is at full level! The target is 200 meters! Three shots! All ten rings!"

After hearing this result, everyone was dumbfounded.

Everyone's heart was shocked!

After listening to Coach Li's words, passers-by looked at Lin Kai in surprise.

This is simply not an achievement that humans can create! I am afraid that the national shooting champion is here, and he can't achieve full marks like Lin Kai, right?

This is too strong, right?

Look at Li Shengxian again, his face is ugly.

His proud marksmanship was actually defeated! Lost in the hands of Lin Kai!

Next, there is no need to compare, he and Lin Kai are not at the same level!

Sister Cat also looked at Lin Kai blankly, this white-skinned little white face was so proficient in guns!

Who is he? Could he be a killer?

"Yeah!" At this time, Zhu Manqing yelled very happily, and she hugged Lin Kai directly: "Brother Lin Kai is awesome!"

After seeing this scene, Li Shengxian's eyes could almost kill!

But his skills were not as good as others, and he couldn't say a word, he could only look at Lin Kai viciously.

And Lin Kai looked at Li Shengxian with a smile, playing with the taste: "Thirteen youngsters, do you still use shooting skills?"

After listening to Lin Kai's words, Li Shengxian snorted: "The marksmanship is incomparable, so you win!"

Lee Seung Hyun surrendered!

He knew that it would be meaningless to compare, because Lin Kai's marksmanship was too strong, and Li Shengxian was not his opponent at all!

Lin Kai smiled slightly and nodded.

It is very wise for Li Shengxian to do this, otherwise it will only be a shame for Li Shengxian.

At this moment, I saw Coach Li approaching Lin Kai.

He directly delivered a military salute to Lin Kai: "Comrade!"

Upon seeing this, Lin Kai immediately stood at attention and gave Coach Li a military salute.

After seeing Lin Kai returning to the military salute, a smile appeared on Coach Li's face.

"Sure enough, he is also a soldier."

After listening to Coach Li's words, everyone looked at Lin Kai, their eyes widened, what? Lin Kai is actually a soldier?

"Which military area unit are you from? What rank? What kind of unit?" Lin Kai asked with a smile.

Coach Li scratched his head and smiled: "I am from the Spike Special Forces Brigade of the Southeast Military Region. I have the rank of major. I used to be a special soldier of the Spike Special Brigade."

After listening to Coach Li's words, a burst of exclamation sounded.

No wonder Li Shengxian paid a high price for this coach Li. It turns out that coach Li belongs to the Spikes Special Brigade!

Hearing this, Lin Kai didn't feel surprised.

After all, next to Jiangbei City is the Southeast Military Region. He is a special force of the Southeast Military Region. It is not surprising.

"Coincidentally, I am also from the Southeast Military Region. My name is Lin Kai, from the Wolf Squadron."

After listening to Lin Kai's words, Coach Li's eyes widened.

He pointed to Lin Kai, stammering speechlessly: "You...you..."

Even Li Shengxian looked at Coach Li with a weird look. Coach Li has always been steady, but now, he is so gloomy!

"Are you Lin Kai?"

"Bing Wang Lin Kai?"

"The youngest colonel in the military district?"

After listening to Li Shengxian's words, the whole scene was quiet.

Everyone looked at Lin Kai again, and their eyes changed when they looked at him.

Colonel?

King of soldiers?

This person seems to be in his early twenties, right? You are already a big colonel?

And he is also a special soldier!

Everyone was dumbfounded.

Lin Kai's identity is really shocking.

Lin Kai smiled and nodded: "Haha, it's me."

Coach Li was obviously very excited: "My mother, you are my idol!"

With excitement, Coach Li's hometown dialect came out.

Li Shengxian's face was red and purple, no wonder, no wonder people's marksmanship is so powerful, no wonder they can hang themselves, so they are the king of soldiers!

Comparing marksmanship with others, isn't this playing a big sword in front of Guan Gong?

There is a good saying, never use your hobby to challenge other people's career, and his Li Shengxian is now using his hobby to challenge Lin Kai's career!

He can't win!

Chapter 950: Than Swimming

Chapter 950

"This round, you won."

Li Shengxian said with a cold face.

Lin Kai is the super soldier king, and it is impossible to win against Lin Kai.

"but!"

“We have said before, two wins in three games, I still have a chance!” Li Shengxian said very seriously.

After listening to Li Shengxian’s words, Lin Kai smiled slightly.

“Haha, yes, you still have a chance.”

Lee Seung Hyun refused to admit defeat!

He is an arrogant person. From childhood to adulthood, Li Shengxian strives to be the strongest! Being defeated by his peers made him extremely unconvinced.

He wants to defeat Lin Kai!

“Say! What’s next?” Li Shengxian asked angrily.

Lin Kai smiled slightly and replied, “You can tell.”

Li Shengxian’s eyes rolled around, since Lin Kai is a special soldier, he can’t fight Lin Kaibi.

After thinking about it, Li Shengxian’s eyes lit up.

“We are better than swimming! How is it?”

After listening to Li Shengxian’s words, the cat sister secretly gave Li Shengxian a thumbs up.

Swimming is Lee Shengxian’s strength!

Li Shengxian has been in charge of the Sea for many years. He often swims in the pool and the sea. His good figure is also obtained through swimming.

Even though Lin Kai is a special soldier, he is definitely not as good as Li Shengxian in swimming!

Li Shengxian looked at Lin Kai defiantly, as if he was betting that Lin Kai did not dare to agree.

Lin Kai smiled slightly, better than swimming? Although swimming is not Lin Kai’s strong point, Lin Kai is confident that he can win.

As soon as he was about to agree, Lin Kai’s ear suddenly heard the voice of the system.

“The system prompts that the task is released.”

“Promise to Li Shengxian’s gambling agreement, and beat Li Shengxian to obtain swordfish extraction ability.”

After hearing the system’s voice, Lin Kai’s eyes lit up.

A task is released!

And, there are extraction capabilities!

The system hasn’t given Lin Kai a task for a long time.

Immediately, Lin Kai agreed to Li Shengxian’s gambling agreement with one mouthful.

“I promise you!”

“Okay! Let’s go now!”

Li Shengxian looked eager to try. Obviously, Lin Kai beat Li Shengxian in marksmanship just now, which made Li Shengxian very unhappy.

Immediately, Li Shengxian took a group of bodyguards and left the shooting range directly.

Cat sister winked Lin Kaifei, and followed Li Shengxian away from the shooting range.

After they left, Zhu Manqing came to Lin Kai’s side with a worried look.

“Lin Kai, can you swim?”

Lin Kai nodded and smiled slightly: “Hehe, I will be a little bit.”

“Well?” Zhu Manqing’s eyes widened.

“Then you are not afraid of losing?”

After listening to Zhu Manqing’s words, Lin Kai laughed at the time.

“Hehe, it doesn’t matter if I lose! I don’t want to pursue you anyway.”

After that, Lin Kai smiled happily, and took Huang Tianshi directly to the outside of the shooting range.

“You!” Zhuman was angry, but he had no words to chase Lin Kai.

Soon after, the group came to the deck.

On the deck, there is a huge swimming pool!

In the pool, there are many beautiful women and men swimming in the water.

As soon as Li Shengxian appeared with ten bodyguards in black, he immediately became the focus on the deck.

After all, Li Shengxian was the thirteenth youngest member of the Li family, and even the principal of this cruise ship. Eighty percent of the people on this ship knew him.

When he came, many beautiful women secretly gave him a go.

Li Shengxian stood at the forefront of the pool with his hips akimbo, and he shouted: "Everyone! Leave the pool all! Ben Shao spends half an hour in the pool temporarily!"

As soon as Li Shengxian's words came out, the ten bodyguards behind him immediately went to ask the people in the pool to come out.

And the beauties and men in the pool didn't dare not follow Li Shengxian's words, they came out of the pool and stood aside.

Immediately, the huge swimming pool became empty, and a group of people stood around the swimming pool.

Everyone looked at Li Shengxian and talked a lot. They didn't know what medicine Li Shengxian sold in his gourd.

"Thirteenth young man, what's the matter? We are swimming!" a young man asked dissatisfiedly.

And Li Shengxian flexed his muscles and said, "Swim with others!"

After listening to Li Shengxian's words, everyone's eyes lit up.

Better than swimming? Thirteen less than swimming with others? This is a big excitement!

Immediately, a voice of discussion and laughter came.

"Thirteenth Young Master, you have good swimming skills. That's famous. Who wants to swim with you?"

"Yes! Swimming with you, does he dare to win? Hahaha!"

"There is a good show to watch!"

At this moment, Lin Kai brought Zhu Manqing and Huang Tianshi to the scene.

Li Shengxian pointed at Lin Kai, a playful smile appeared at the corner of his mouth:
“Haha, it’s him!”

Li Shengxian pointed at Lin Kai, and immediately everyone on the scene looked at Lin Kai.

Lin Kai is young, but handsome in appearance, and for a while, many beautiful women also shine.

However, Lin Kai was not famous on this cruise ship, and no one knew him.

“Who is this kid? You actually want to swim with the thirteenth young man? You have a convulsion, right?”

“White and thin, can he do it?”

“Boy, I think you should surrender as soon as possible!”

There was a sound of laughter.

Lin Kai smiled slightly, and did not speak.

Li Shengxian looked at Lin Kai, moved his muscles and bones, and asked playfully:
“Let’s talk, how to compare?”

Lin Kai waved his hand and said, “You are the master.”

“it is good!”

“Don’t say I bully you either.”

“That’s better than freestyle! Any swimming technique can be used, from here to the end of the pool, and then swim back, whoever takes a short time, wins!”

The rules of the game are simple.

Under Li Shengxian’s feet, there is a very big red button.

Above the red button is a huge stopwatch.

Click the red button and the stopwatch will start timing.

Tap the red button again and time will stop.

This stopwatch is specially designed for competitions.

After listening to Li Shengxian's words, Lin Kai nodded and smiled: "Ha ha, yes."

"Who will come first?" Li Shengxian asked confidently.

"You go first." Lin said with a smile.

"It is good!"

Li Shengxian agreed with one bite, his expression confident.

He showed his strong muscles in front of many beautiful women, and then he came to the starting point.

He jumped into the water and gave Lin Kai a smug look in the water.

"Boy, swimming with me is just looking for a loss! Look okay! Let you see Ben Shao's swimming speed!"

There was a burst of cheers, and everyone watching the excitement around was cheering for Li Shengxian.

"three!"

"two!"

"One!"

"Start!"

With a loud shout and slap from a black-clothed referee, Li Shengxian directly slapped the stopwatch, and then he slammed his foot against the wall and his body jumped out!

Chapter 951: Win In Twenty Seconds

Chapter 951

"Thirteen, come on!"

"Thirteenth Young Masters are mighty and domineering!"

With a burst of cheers, I saw Li Shengxian's body swimming quickly in the pool.

His movements are very skillful, his hands are constantly waving, and he draws the water behind him, his feet are also swinging up and down, very fast.

The swimming pool is one hundred and fifty meters long, one back and forth, which is three hundred meters.

And Li Shengxian's speed can already reach 100 meters per minute! Very fast!

With a burst of exclamation, Li Shengxian reached the end in just one and a half minutes.

One hundred meters per minute, this has reached the standard of a first-class athlete!

Soon after, Li Shengxian directly reached the end point, and then he rolled over in the water, kicked his feet on the wall, and swam back again.

However, when he came back, Li Shengxian's speed obviously slowed down a lot.

But he didn't pause, and after a while, the speed picked up again!

His body, like a fish, swims freely in the water!

Wow!

With the sound of paddling, Li Shengxian returned directly to the starting point.

Wow!

Water splattered from Li Shengxian's body, snap! Li Shengxian patted the red button directly.

The stopwatch also stopped timing instantly.

Everyone looked at the stopwatch.

Three minutes and twenty seconds!

After seeing this result, everyone exclaimed, Li Shengxian's speed is simply too fast!

Three minutes and twenty seconds, only national first-level athletes can have such a speed! And Lee Shengxian did it!

At that time, there was a burst of exclamation.

"I'm going! The Thirteenth Young Master is too fast!"

"Awesome Thirteenth Young Master!"

"Awesome!"

“This kid is sure to lose! This kid must not be the opponent of the Thirteenth Young Master!”

A burst of cheering sounded.

Li Shengxian also emerged from the water. He shook the water off his body and smiled confidently at Lin Kai.

“Oh, how is my speed?”

Lin Kai nodded and smiled slightly: “Very good.”

Li Shengxian’s face was full of pride: “That is! Lao Tzu’s speed, even a first-class athlete can’t match it!”

Li Shengxian is not bragging. He checked the information and his speed is completely comparable to that of a first-class athlete!

Cat sister hugged her arm and came to Lin Kai’s side.

“Lin Kai, surrender. If you continue to compare, there is no need.”

After listening to Sister Cat’s words, Lin Kai shook his head: “Give up? That’s not my style.”

Sister Cat rolled her eyes when she heard the words: “Then you can still be the opponent of the 13th Young Master?”

Lin Kai looked at Sister Cat and said, “Then let’s wait and see!”

After that, Lin Kai stood up directly.

Sister Cat made a cut, obviously not believing that Lin Kai could be more powerful than the thirteenth master.

I saw Lin Kai unbutton his shirt directly in front of everyone.

Then he took off his shirt and threw it on the ground.

Lin Kai’s extremely beautiful muscles were displayed in front of everyone at that time.

Lin Kai’s figure is perfect, he is thinly dressed, he has fleshy undressed, he has no fat on his body, the eight-pack abdominal muscles with clear water chestnuts, and the complexion that the woman would admire when she sees it, making everyone in the room stare. Closed eyes.

Coupled with Lin Kai's handsome appearance, his momentum instantly surpassed Li Shengxian and became the most beautiful boy on the entire cruise ship!

Even the cat sister swallowed her saliva, she was greedy!

After seeing Lin Kai's figure, Li Shengxian's eyes flashed with envy, but he still disdainfully said: "Cut! What can you do if you have a good figure? Even if you have a good figure, it is absolutely impossible to beat me!"

At this time, Lin Kai had already jumped into the pool.

Everyone looked at Lin Kai.

Lin Kai glanced back at the red button, and he slapped the red button very casually.

Then Lin Kai took a shower in the swimming pool.

After seeing this scene, everyone's eyes widened. What is he doing? He is taking a shower!

Everyone was dumbfounded.

Shouldn't he be racing against the clock to swim? Why is he taking a shower now?

Could it be that he knew he was not Li Shengxian's opponent, so he simply gave in?

Li Shengxian was also taken aback for a moment, but then he reacted.

"Lin Kai! Hahahaha! Have you surrendered?"

"Then why are you jumping down? It's unnecessary! Hahahaha!"

Li Shengxian laughed triumphantly.

The depression that was defeated by Lin Kai just now was wiped out!

It seems that special forces are not omnipotent! Special forces also have weaknesses! Winning the king of soldiers Lin Kai, Li Shengxian's heart, it was a happy one.

Lin Kai looked up at Li Shengxian and smiled at that time: "Hehe, how about I let you three minutes?"

After listening to Lin Kai's words, a burst of laughter rang out.

"Hahahaha! This kid is really bragging! He actually wants thirteen to give three minutes!"

“Is it possible that he wants to swim a distance of 300 meters in 20 seconds? Dreaming?”

“Is this person suffering from delusion? Hahaha!”

There was a burst of laughter.

Li Shengxian was also amused at the time. He hugged his arms and looked at Lin Kai: “Hehe, you can really brag! Even if you are a world champion, it takes more than two minutes for a distance of 300 meters. You kid can be there. Finish the swim in twenty seconds?”

“If you can finish the swim in twenty seconds, I will drink the water in a swimming pool!”

After listening to Li Shengxian’s words, Lin Kai’s eyes lit up and said, “Okay! This is what you said!”

“I said!”

Li Shengxian looked confident.

He firmly believes that Lin Kai does not have that strength!

Time passed by, and the bamboo man green above the swimming pool was anxious.

She is worried that Lin will lose at the meeting! If Lin Kai loses, there will be no one to protect her on this cruise ship, and Li Shengxian will continue to harass her!

She only hopes that Lin Kai can win!

But she knew in her heart that it was impossible for Lin Kai to win, he wasted such a long time, and he was not a superman.

At this time, the time has reached two ninety seconds.

At this moment, Lin Kai was ready to move.

For swimming, Lin Kai is also good at swimming. Although the water is not as good as professional athletes, it is completely enough!

Lin Kai is confident because he knows that swimming is a physical exercise.

But Lin Kai is different from ordinary people, he is very physically strong.

Moreover, Lin Kai’s strength and speed are very strong!

As long as his arms and legs swing fast enough, Lin Kaizu can swim out of the yacht's speed!

Three minutes is up!

Everyone looked at Lin Kai mockingly, wanting to see how Lin Kai swam back and forth in twenty seconds.

At this time, Lin started to move.

His arms turned quickly!

Paddle your feet up and down, and the speed is extremely fast!

As if his body is controlled by an engine!

The rotation speed of the arms is already as fast as the rotation speed of an electric fan!

And Lin Kai's body also swished out! The speed is a fast! Just like a speedboat!

Chapter 952: Swordfish Extraction Capacity

Chapter 952 Swordfish Extraction Ability

Whoosh!

The moment Lin Kai set off, the whole scene fell silent.

This speed is too fast!

Soon everyone thought he was cheating!

Two hands are like rotating electric fan blades! The speed of the two legs swinging is even faster and fuzzy!

His body swam directly from the starting point to the end point!

One! two! three! four! Fives!

Arrived!

Lin Kai turned around. When he turned around, Lin Kai's speed slowed down, and it took three seconds.

But then, Lin Kai's speed returned to an extremely terrifying level!

One! two! three! four! Fives!

Arrived!

Snapped!

Lin Kai emerged directly from the water and slammed the red button.

The stopwatch also stopped instantly, and everyone looked at the stopwatch.

The time displayed on the stopwatch is three minutes and fourteen seconds!

The time Li Shengxian used just now was three minutes and twenty seconds! Lin Kai was six seconds faster than Li Shengxian!

But in fact, how much Lin Kai is faster than Li Shengxian, everyone knows, Lin Kai is more than three minutes faster than Li Shengxian! End abuse Lee Seung Hyun!

This speed, if placed at the World Congress, you can definitely win the championship!

Everyone was dumbfounded. At the scene, there was silence, and even someone could put an egg in their mouth.

And Lin Kai crawled out of the swimming pool, flicking his hair, it was a chic.

Looking at Li Shengxian again, his eyes widened and his eyes were almost staring out!

There are only four words on the face, incredible!

He looked at Lin Kai stupidly. Just now, Li Shengxian looked proud and confident, but now, he couldn't say a word.

He was abused again.

Moreover, he thought he was strong enough, yes, he was very strong, but Lin Kai was stronger!

His Li Shengxian's speed is not as good as one-tenth that of Lin Kai!

But Lin Kai looked at Li Shengxian with a smile, and said, "Heh, when did you drink the water in this swimming pool?"

"1"

Li Shengxian was speechless at the time.

Just now Li Shengxian said that if Lin Kai could swim back and forth in 20 seconds, he would drink all the water in the pool.

He Li Shengxian determined that Lin Kai did not have that strength.

But now, Lin Kai has done it!

And he wants to drink a pool of water! His face is ugly, his face is slapped!

“You the **** are you cheating?”

After a long time, Li Shengxian suddenly said such a sentence.

When Lin Kai heard this, he laughed: “Cheating? What did I cheat? I have a motor in my arm?”

Li Shengxian blushed and couldn't say a word.

He really couldn't believe Lin Kai's speed, and he still felt that he was dreaming.

The cheers at the scene also disappeared. Li Shengxian lost. No one dared to applaud Lin Kai, but no one dared to question Lin Kai again.

Lin Kai looked at Li Shengxian with an iron face and smiled playfully: “Oh, two wins in three rounds. I have won two rounds. You lost, Li Shengxian.

After that, Lin Kai picked up the towel on the side, wiped his body, and then put on his own clothes.

Just as Lin Kai was about to leave, Li Shengxian seemed crazy, and he stopped in front of Lin Kai.

“I'm not convinced!”

Li Shengxian's eyes were extremely red.

Since childhood, he has always been the proud son of heaven, he is a genius, he does not admit defeat, and never admit defeat!

Now that he lost in the hands of Lin Kai, he was extremely unwilling.

“Not satisfied? What do you want?” Lin Kai asked, narrowing his eyes.

If Li Shengxian said nothing, then Lin Kai would not be polite, he would definitely let Li Shengxian try his Lin Kai's methods.

“I admit, I lost, I won’t fight you for a woman!”

“But! I’m not convinced!”

Li Shengxian clenched his fist and shouted angrily.

After listening to Li Shengxian’s words, Lin Kai laughed at that time. This Li Shengxian is really dude and cute.

He dared to admit that he had lost, but he just refused to accept it. He had this frankness, which made Lin Kai more appreciate.

It’s not like a general Kuo Shao. After losing, he will only become angry and use his own identity and means to retaliate.

“Then what do you want?” Lin Kai asked with a smile.

Li Shengxian pointed at Zhu Manqing and said, “This woman, I won’t fight with Li Shengxian!”

“But! I want to gamble with you again!”

Lin Kai heard this and asked, “What are you betting on?”

“In three hours, this cruise ship will be sailing on the high seas! At that time, will you dare to gamble with me in the cabin?”

Li Shengxian’s eyes looked straight at Lin Kai.

It turned out to be gambling with Lin Kai!

Lin Kai was happy when he heard it. It just so happened that Lin Kai’s hand was a little tight recently, so he could just gamble with him.

“What is the bet?” Lin Kai asked.

Li Shengxian squinted his eyes and thought about it for a while. After a while, he laughed and said, “Heh, the bet is simple.”

“If anyone loses, he will recognize him as the big brother!”

This bet is not too much.

Li Shengxian is too competitive, he just wants to prove to everyone that he is strong.

For other things, he didn’t think so much.

Lin Kai smiled slightly and nodded: "Ha ha, yes."

After that, Lin Kai took Zhu Manqing and Huang Tianshi and left the deck directly.

When everyone watched the three leave, everyone knew that three hours later, there would be a good show in the cabin!

Li Shengxian looked at Lin Kai's back, clenched his fist, and left the scene.

Sister Cat looked at where Lin Kai had left, always in a daze.

This man, she couldn't see through at this time.

This man dared to kill, and he also had the identity of the king of soldiers. His swimming speed was so fast, everything proved that this man was very powerful.

However, the stronger Lin Kai became, the cat sister became interested in Lin Kai.

After all, only by conquering a powerful man will Cat Sister feel satisfied.

"Brother smelly, I don't believe it, I can't get you!"

...

Soon after, Lin Kai returned to his room.

There are large hotels on the cruise ship.

The cruise ship provides free accommodation, but the hotel here will be more comfortable, and Lin Kai opened a room for Zhumanqing and Laotianshi.

In the room, Lin Kai was very excited because he got an extraction ability!

Swordfish extraction ability!

Swordfish is the fastest fish in the world! Lin Kai knew this.

Swordfish is called a swordfish because its body is very thin like a sword, and its mouth is very sharp, just like the point of a sword.

Its swimming speed is even more terrifying!

"Swordfish extraction ability? Interesting, is it possible that after extracting the swordfish extraction ability, you can swim freely in the ocean?"

At that time, Lin Kai opened the system and prepared to use the swordfish extraction ability!
