

# Special Forces God Level Extraction System – Chapter 953 - 984

## Chapter 953: Do Not Do That

Chapter 953

“Use swordfish extraction power!” Lin Kai said silently.

“The swordfish extraction ability is in use, please wait a moment.” A system prompt sounded from my ear.

As Lin Kai trembled, the swordfish extraction ability began to merge into Lin Kai’s body.

The most powerful feature of the swordfish is that it swims fast and its mouth is as sharp as the tip of a sword!

After being transformed, Lin Kai will gain powerful underwater capabilities, and under the water, Lin Kai’s combat capabilities will be greatly improved!

With a burst of itching, Lin Kai felt that his muscles and bones were being transformed.

And some knowledge about underwater swimming and survival appeared in my mind.

The transformation began.

This transformation took half an hour.

After half an hour, Lin Kai wiped the sweat from his forehead and the transformation was completed!

He looked at his body with a surprised look in his eyes.

Lin Kai discovered that his current self is very different from his previous self, and his current self has become more flexible!

He can do some actions that ordinary people can’t do! The waist and limbs are very soft, as if the bones are soft.

The current Lin Kai can be hard or soft, and the speed of swimming underwater has been greatly improved!

Look at Lin Kai’s current data.

Age: 20

Name: Lin Kai

Sex: Male

Level: Complete foundation building

Strength: 500

Defense: 1500

Mana: 1300

Release speed: 215

Movement speed: 500

Skill power: 1000

Skills: Golden Eye (Golden), Ganoderma (Golden), Yuri (Golden), Meteor Bump (Gold), Pingtuo Extraction Ability (Demi-God Level), Rune Extraction Ability (God Level), Copy Extraction Ability (God) Level), parrot extraction capacity (gold), swordfish extraction capacity (gold)

Self-created skills: ghost attack (gold), peerless weapon (demigod level)

Self-taught skills: Huntian Jue, Dream God One Sword

Upgrade point: 2200

Attribute points: 0

Swordfish extraction ability, turned out to be a gold level!

Although the level is not high, it is not very difficult to obtain this extraction ability after all. Lin Kaiquan thought it was a bargain and took it away.

Bang bang bang!

At this moment, Lin Kai's door suddenly knocked.

Lin Kai glanced at the people outside the door, and saw Sister Cat standing outside the door, what is she doing?

"Come here." Lin Kai closed his golden pupil, went to the door, and opened the door.

As soon as she opened the door, Sister Cat walked in immediately and closed the door.

At this time, the cat sister was wearing a golden nightgown and silk nightgown. Inside the nightgown, she was hot, \*\*\*\* and plump.

Inside, she was wearing a bikini suit.

Looking down, Lin Kai felt dizzy.

Young woman, it's really not easy to mess with! Cat sister has already focused on Lin Kai.

"Sister Cat, what's the matter?" Lin Kai asked.

Sister Cat looked at Lin Kai with a smile: "Brother smelly, can't I come to you if I'm fine?"

Cat sister directly entered Lin Kai's room.

She sat on the sofa, poured herself a glass of red wine, and then took a sip.

As soon as Sister Cat drank, two blushes appeared on her small face. The red face of Sister Cat was like a ripe peach, which was very attractive.

"Brother smelly, come and have a drink with sister." Sister Cat waved to Lin Kai.

And Lin Kai also sat opposite Sister Cat, raised Erlang's legs, and looked at Sister Cat on the opposite side: "Sister Cat, if you have something, just tell me."

Sister Cat smiled charmingly and said, "Oh, no one knows the Thirteenth Master better than I, you are not his opponent."

After all, the cat took another sip of red wine.

Upon hearing this, Lin Kai laughed at the time: "Heh, how do you know?"

Cat sister smiled slightly: "Heh, what is the biggest player on this cruise ship? That is gambling! Once the cruise ship enters the open sea, there is no one to control gambling!"

"As the principal of this cruise ship, the Thirteenth Young Master is not good at gambling?"

"Do you know who his master is? Omen God of Gamblers!"

"His gambling skills are superb. You can't win a bet with him."

Cat sister shook her head.

“Even if you are a special soldier retired, even if you are a soldier king, you don’t know how to gamble, right?”

After all, sister cat smiled confidently.

In her opinion, the reason Lin Kai was able to beat Li Shengxian twice was because he had been a soldier and received professional training in the army.

But gambling, the troops will never teach it?

Therefore, Sister Cat decided that Lin had a meeting to lose!

“Even if I lose, what does it have to do with you?” Lin Kai asked with a slight smile.

“Do you want to be the eldest brother of the thirteenth young man?” Ms. Cat suddenly asked after turning around.

Lin Kai was taken aback.

Sister Cat sat directly next to Lin Kai, her jade hand was placed directly on Lin Kai’s thigh.

As soon as she spoke, a burst of aroma filled her face with wine.

“I know the Thirteenth Young Master very well. As long as you follow me, I can help you and beat him!”

After all, sister cat’s jade hand has been stroking Lin Kai’s sturdy chest.

When Lin Kai looked down, he could see Cat sister’s great figure.

Her nightgown was very loose, and when she lowered her head a little, a big slit appeared in the nightgown. Lin Kai could see it clearly!

No matter how strong Lin Kaiding is, he is after all a pure and innocent virgin! At this time, Lin Kai could no longer control it.

“Cough cough cough...”

Lin Kai coughed awkwardly.

After seeing Lin Kai’s appearance, the corner of her mouth raised a confident smile.

Smelly brother, I thought you wouldn’t eat hard or soft! So you will blush too! So you will be shy too!

“Brother smelly, how about? Think about it?”

Cat sister smiled charmingly, her small face was close to Lin Kai’s.

Take a closer look at Miss Cats face. Although Miss Cat is 27 or 18 years old, she is well maintained and her face is like a girl of 18 or 9 years old.

The white and tender skates have no flaws.

Moreover, her eyes are very energetic, as if they can discharge.

As soon as she approached Lin Kai, Lin Kai couldn’t control herself even more.

“Sister Cat, don’t do this.”

Lin Kai said with a flushed face.

“How am I?”

Sister Cat smiled charmingly, her hand was already unbuttoning Lin’s shirt.

Soon after, three buttons were untied.

And Lin Kai’s strong chest was also exposed.

At this time, Sister Cat was getting too much, she posted directly, wanting to take Lin Kaijii completely!

Lin Kai also gave up resistance at this time.

Forget it!

Let it go!

After so many years, I let Lao Tzu become a real man from today!

Lin Kai resigned!

But at this critical moment, with a click, the door of the room was suddenly pushed open. It turned out that Lin Kai forgot to lock the door just now.

At the door, Zhu Manqing stood there stupidly. She looked at Lin Kai and Sister Cat and was stunned.

Lin Kai was also stunned.

## Chapter 954: Fortune Telling

Chapter 954

“Ahhhhhhh!”

Then, Zhu Manqing screamed.

I saw Zhu Manqing covering her face, and even her eyes, but she couldn't help but peeking. There was a gap in her hand, and Lin Kaihe could be peeked through this gap. Cat sister.

After seeing Zhu Manqing, Sister Cat was also stunned for a while, and then a look of disgust appeared on Sister Cat's face.

She hates Zhu Manqing!

Zhu Manqing's appearance here at such a critical juncture made Sister Cat's heart very upset.

Lin Kai also calmed down at this time, he quickly pushed away the cat sister and got up from the sofa.

“Zhu Manqing, why are you here?” Lin Kai pretended to be all right, and asked.

But Zhu Manqing did not know why at this time, she was actually very angry!

“What are you doing?”

Zhu Manqing screamed.

Lin Kai touched his nose, showing an awkward expression.

What are you doing?

I was playing a game with sister cat?

“I...” Lin Kai stammered and couldn't say a word.

Lin Kai is embarrassed, but Sister Cat is embarrassed! Sister Cat knows that now is the best time to defeat Zhu Manqing!

At that time, Sister Cat stood up. Sister Cat took Lin Kai's arm with a happy expression and looked at Zhu Manqing: “What are we doing, can't you tell?”

After hearing the provocative words of sister cat, Zhu Manqing almost got mad!

Sister Cat actually showed up in front of her! She can't bear it!

"Lin Kai! Come here!" Zhu Manqing pointed at Lin Kai and roared.

At this time, Zhu Manqing was so fierce that even Lin Kai felt a little scared.

And Sister Cat is worthy of being a personality and a young woman. She looked at Lin Kai charmingly, and said to Lin Kai, "No, no, smelly brother, don't you go over!"

After listening to Sister Cat's words, Lin Kai's bones are almost crisp!

Sister cat is killing her when she speaks!

And when Zhu Manqing saw this, he went crazy and said: "Lin Kai! I order you! Come here!"

At this time, Lin Kai also showed a distressed expression.

At this time, the cat sister showed her second trick, which is to pretend to be wronged.

Sister Cat loosened Lin Kai's arm and said with a grieved expression: "Brother smelly, if you feel embarrassed, let's go. After all, she is more important, I am not so important..."

As she said, Miss Cat's tears were about to fall, and she looked very pitiful.

Lin Kai, a big man, how could he stand this?

"Don't you, I didn't mean that."

"Lin Kai!"

At this time, Zhu Manqing roared again.

I saw Zhu Manqing walk over quickly, and when she pulled Lin Kai's arm, she was about to pull Lin Kai away!

Sister Cat saw something was wrong! Zhu Manqing had changed it!

At that time, Sister Cat also took Lin Kai's arm.

"Brother smelly, don't leave..."

"Lin Kai! Come here! Don't talk to this fox!"

"Brother smelly, don't go..."

“Lin Kai! You can't come here!”

At that time, Lin Kai was one head and two big men, Zhu Manqing on the left, Sister Cat on the right, and two best women. How did Lin Kai choose?

At that time, Lin Kai was also going crazy.

“enough!”

Suddenly, Lin Kai yelled. After Lin Kai yelled, the two women stopped, and both of them stared at Lin Kai blankly.

“Shall I go?”

Afterwards, Lin Kai walked out of the room quickly, just like running away.

After leaving his room, Lin Kai went to the deck to blow a hair.

He took a cigarette out of his pocket and looked at the scenery in the distance.

Its already far from Jiangbei City, and in two hours, this cruise ship will sail to the open sea.

When you reach the high seas, it means that everyone has broken free from the shackles of the law!

On the high seas, you can do whatever you want! Nothing breaks the law, because no one catches you!

Gambling is not illegal!

However, it is also very dangerous on the high seas!

Because the high seas are three-regardless areas, there are many pirates.

Of course, the Sea Ship belongs to the Li family! The Lis Dahai sailed to the high seas all year round, and nothing happened.

It is said that the Li family has a good relationship with the pirate chiefs of the high seas, and they give a large sum of money to the pirates every month, so the Great Sea is not afraid of being hijacked by the pirates.

At this moment, Master Huang Tian came over from a short distance.

Tianshi Huang still smiled with his aunt on his face.

“What’s wrong? What do you think?” Huang Tianshi asked with a smile.

Lin Kai smiled slightly and said, “It’s nothing.”

“Would you like the world before?” Huang Tianshi asked with a smile.

When Lin Kai heard this, he was taken aback. The world before? He was referring to the self before crossing?

But how does he know?

“you”

“I guess, I guess I was right.”

Huang Tianshi smiled triumphantly, he also took out a cigarette from his pocket.

This Huang Tianshi is really an old fox!

Don’t look at him sometimes, but this old man is actually very capable!

“It’s the first time I know people from other worlds, let’s talk about it, what kind of place was the world you used to be?” Huang Tianshi asked with interest.

Lin Kai knew that he couldn’t hide it, so he simply talked to Tianshi Huang.

“Similar to this world now.”

“It’s much worse.”

“Many people in this world do not have them in my world, but many places in this world, the world I used to stay in, do.”

Lin Kaiwei is an island country in China and other countries.

It was exactly the same world as Lin Kai was in before!

However, people are completely different, and people in every place are completely different!

So it’s very similar, but not like it.

“It turned out to be like this.” Huang Tianshi nodded as if understanding or not.

“No wonder you look special, you are not from this world.”

Tianshi Huang looked at Lin Kai and smiled slightly: "I just did some calculations for Dahai."

Huang Tianshi said suddenly.

After listening to Huang Tianshi's words, Lin Kai was stunned.

Have a fortune to Dahai?

Is this old man idle?

"Huh? Fortune to the ship?" Lin Kai stared at Huang Tianshi in surprise.

Tianshi Huang nodded and covered his chest: "Whenever something dangerous is about to happen, my heartbeat will speed up."

"I was very worried, so I made a fortune to Dahai."

"This trigram, it's fierce!"

After listening to Huang Tianshi's words, Lin Kai's heart also thumped.

"Huh? Just make it clear!"

"This cruise ship will sink! Everyone will die!" Huang Tianshi looked at Lin Kai and said with a serious expression.

"On this cruise ship, you are the only one who can save everyone!"

"So I tell you what I know, it's up to you to save everyone's lives!"

## **Chapter 955: Ocean Casino**

Chapter 955

Lin Kai at this time said that he was very dazed.

He just came to have a leisure time on a cruise ship, and he could encounter such horrible things as a shipwreck. Lin Kai said that he was under great pressure.

"Then I will talk to Li Shengxian quickly and let him drive the boat back!"

After Lin Kai said, he wanted to find Li Shengxian.

But Tianshi Huang grabbed Lin Kai and said, "It's useless."

“Even if you drive back, the boat will sink. This is God’s will!”

Huang Tianshi pointed to the sky and said to Lin Kai.

Lin Kai blinked and asked, “Then we can only wait to die?”

Huang Tianshi smiled but shook his head: “I have calculated that the ship will sink, indicating that God will definitely sink this ship. No matter where you drive, you can’t escape a word, sink!”

“but!”

Huang Tianshi’s tone suddenly increased, and he said mysteriously: “Although the ship will sink, people don’t necessarily die!”

After hearing what Huang Tianshi said, Lin Kai also seemed to understand.

“The reason why God revealed the secret secret to you is actually giving us a chance to escape?”

“If God really wants us all to die, all of us can’t escape at all?”

Lin Kai asked.

Huang Tianshi smiled, he nodded and shook his head again.

“You are half right.”

“It’s hard to guess God’s will!”

Huang Tianshi smoked a cigarette, leaned against the railing, and looked at Lin Kai with a smile.

“Then what should I do now?” Lin Kai asked.

Huang Tianshi glanced at the depths of the cabin and said, “There is still time. When I am gambling with Li Shengxian for a while, I will add a request to let him drive the boat to the nearest island.”

“If you sink in the depths of the sea, even if you can swim, you can’t escape a word, that’s death!”

“When the boat arrives near the island, even if the boat sinks, people can survive. With so many people, it is relatively easy to ask for rescue.”

After listening to Huang Tianshi, Lin Kai gave Huang Tianshi a thumbs up.

Although this old thing is usually not very serious, he is very far-sighted in a critical moment.

“Good idea.” Lin Kai nodded and praised.

Jingle Bell!

At this time, Huang Tianshi’s old phone suddenly rang. He took out the old phone and took a look. The black and white screen showed a line of words: Big sister on the cruise ship.

After seeing this typesetting, Huang Tianshi showed a wretched smile on his face.

“Hello? Sister! Where are you? In the room? Finished? Well, wait for me!”

After that, Tianshi Huang hung up the phone, waved his hand, and said, “Go now, bye!”

After all, Tianshi Huang couldn’t wait to leave.

This old Huang, his heart is really big! It’s all about this time, and I still have the thought of picking up girls!

However, Lin Kai has to learn the technique of picking up girls from Tianshi Huang, Lao Huang is really awesome! They are all a lot of age, and they can actually soak up with younger sisters.

Unlike Lin Kai, who is 21 years old, he is still an innocent little virgin.

...

Two hours passed quickly.

And the cruise ship Dahai has officially sailed to the high seas!

At this time, the sky was already dark, and the night life on the Sea had just begun.

At this time, the sea was feasting and colorful lights lit up, and there was no one on the deck. In the cabin of the sea, young people of all kinds walked in various places.

KTV, bars, hotels are full!

Ocean Casino, also officially opened!

It can be said that the reason why this cruise ship is so popular with local tyrants is that one is because the cruise ship is large and there are many entertainment items, and the other is that there are many beautiful women on this cruise ship.

The most important thing is that this cruise ship can travel to the high seas and can gamble!

Gambling is illegal in China!

But on the high seas, no one cares! The Ocean Casino attaches great importance to gambling, fairness and justice, and there will never be cheating people. If it is found, the hands will be interrupted, or the gambling will be thrown directly into the sea!

This is one of the reasons why many local tyrants like to come to the Dahai cruise ship.

At this time, the sea casino is already overcrowded!

All kinds of people gamble at the gaming table, and there are many gambling tricks, which can definitely meet the needs of guests.

At this time, at the entrance of the Dahai Casino, I saw Li Shengxian standing there holding his arms, with a face of iron.

At this time, Li Shengxian changed into a black suit with shiny hair and looked very handsome.

Behind him stood a dozen bodyguards in black.

He was waiting for someone, and that person was Lin Kai!

Soon after, Lin Kai appeared, and Lin Kai walked over alone. Zhu Manqing was angry with Lin Kai, and Lao Huang was busy picking up girls, so only Lin Kai came.

After Li Shengxian saw Lin Kai, his eyes lit up and he quickly stepped forward: "Lin Kai, do you really dare to come?"

Lin Kai smiled slightly and asked, "Why don't I dare to come?"

There was an impatient look in Li Shengxian's eyes.

"Please!" He waved his hand and motioned Lin Kai to enter the casino.

With a smile on his face, Lin Kai strode into the casino.

The casino is huge, and the casino is also very lively. Lin Kai and Li Shengxian immediately became the focus of the casino!

The news that Lin Kai and Li Shengxian are going to compete in the casino has spread. Almost everyone on the cruise ship knows that they are going to gamble here.

Although everyone does not know Lin Kai, everyone knows Li Shengxian, so everyone is very interested in the gamble between the two.

After entering the casino, Lin Kai glanced at Li Shengxian, playfully asked: "Let's talk about it, how to bet?"

Li Shengxian smiled triumphantly and saw him turn around and walk towards the counter.

There is a beautiful female receptionist at the counter, and behind the female receptionist are four bodyguards.

These four bodyguards are different from ordinary bodyguards. They have m4 rifles in their hands! A real rifle with live ammunition!

Because this counter is a place where chips are exchanged, it must be heavily guarded.

Bang bang bang!

Li Shengxian knocked on the counter and said, "Give me 200,000 chips!"

"Okay, Thirteenth Young Master."

The female receptionist agreed and directly gave Li Shengxian a 200,000 chip.

The chips in Ocean Casino are all specially made.

No matter where you get the chips from Ocean Casino, as long as the chips are real, you can exchange the chips for the corresponding money.

The smallest bargaining chip is one hundred, one hundred dollars a bargaining chip.

The biggest chip is 10,000.

Li Shengxian directly took twenty ten thousand chips and walked over.

He threw ten chips to Lin Kai and said, "The rules of the game are very simple."

"You have one hundred thousand chips, I have one hundred thousand chips, the entire casino, betting at will."

"After three hours, whoever has the most chips in his hand will win!"

## **Chapter 956: Fried Golden Flower**

Chapter 956

Lin Kai laughed when he heard this.

It turns out that he wants to win more money than himself!

Lin Kai nodded and agreed: "Okay! No problem!"

Upon hearing this, a triumphant smile appeared on the corner of Li Shengxian's mouth. He was confident to crush Lin Kai in gambling!

At that time, Li Shengxian took ten chips and two bodyguards and went to gamble.

After Li Shengxian left, Lin Kai held ten chips in his hand and was also looking at all the ways of playing in the casino.

The most popular one is actually fried golden flower.

The rules of fried gold flower are very simple. Everyone has three cards. Whoever has the big card in his hand will win.

Of course, no one knows what the hand of the card is. Some people get a big card but are afraid to bet. Some people get a small card but pretend to have a big card, just to frighten others. Fold.

Lin Kai has Golden Eyes, it is most suitable to play Golden Flower!

At that time, Lin Kai took ten chips and sat at the Jinhua table.

There were three people at this table, plus Lin Kai, it was four people.

There are many onlookers.

Sitting on Lin Kai's left is a fat man.

He looked like he was in his thirties, with a shiny face and a gold necklace with the thickness of a little finger on his neck, looking like a nouveau riche.

The one sitting on Lin Kai's right was a thin man.

The thin man looked very taciturn and said nothing.

Sitting across from Lin Kai was a woman.

Women are also about 30 years old, although they are no longer young girls, they still have charm.

She glanced at Lin Kai, with a smile on her mouth.

“Little handsome guy, do you want to play two?” the woman in red asked.

Lin Kai put the ten chips in his hand on the table and smiled freely: “Play two.”

After seeing the ten chips in front of Lin Kai, the woman in red rolled her eyes, obviously looking down on Lin Kai’s 100,000 yuan.

The thin and tall one said nothing.

The upstart smiled playfully and said: “Oh, no matter how small a mosquito is, it is meat! Dealer, deal!”

As soon as the nouveau riche spoke, the croupier standing by the side began to deal cards.

The croupier’s technique is very professional, the cards are close to the table the whole time, and no one will be able to see the cards.

Three cards per person.

Everyone can choose to look at the cards or not.

If you look at the cards, the bet is doubled!

If you bet without looking at the blinds, the risk is a bit high, but you don’t need to bet that much.

Smart people don’t know how to read cards, and none of the four people move the cards on the table.

This one, the nouveau riche speaks.

The nouveau riche looked at Lin Kai with a playful look, and said, “Hehe, young man, I will let you lose!”

“One hundred thousand!”

After all, the nouveau riche directly pushed ten 10,000 chips onto the table.

Very sinister!

The nouveau riche is very smart. He knew that Lin Kai didn’t have many chips, so he used Wang Zhan at the beginning!

Lin Kai only had one hundred thousand chips, and if he followed, he might lose out.

If you don't follow, you will have to lose another 10,000 yuan in table opening fees.

The woman in red and the nouveau riche looked at Lin Kai with a playful look.

Lin Kai laughed at that time.

Want to make things difficult for me?

Golden pupil, open!

As soon as the golden pupil opened, Lin Kai immediately looked at his card.

Lin opened the ace of hearts, 5 of spades, and 5 of hearts.

This type of card is not big or small.

But when Lin Kai looked at the card of the nouveau riche again, Lin Kai laughed.

This fat man holds a deck of 235 in his hand, which can be said to be the smallest card of all types!

"I followed!"

Lin Kai directly pushed out his only ten chips.

After seeing Lin Kai pushing his bargaining chip, the fat man smiled triumphantly.

Lin Kai was fooled! He believes that Lin Kai is just a cute new person, who dare to follow without even looking at the cards. This one hundred thousand dollars can only make a difference!

After Lin Kai followed, it was the taciturn and thin tall man to speak.

The tall and thin one hesitated and decided to take a look at his cards.

He lifted his card and took a look, then frowned.

"Fold."

After all, he threw his cards away.

To fold, you only need to pay a table opening fee of 10,000 yuan.

The woman in red is obviously a master.

She looked funny and said, "Hehe, I followed too."

After all, she also put out ten 10,000 chips.

At this time, it was the war between the nouveau riche and the woman in red, and there was nothing more to Lin Kai.

Because Lin Kai only had ten chips, he had already gone all out.

If you lose, you lose all your 100,000 chips.

If you win, you can only win one hundred thousand chips per person.

The fat man looked at the woman in red, with a confident smile on his mouth.

I saw him directly pick up the cards on his table and took a look.

The moment he saw his card, the corners of his mouth twitched.

Obviously, he did not expect that his own card would actually be the smallest one!

235!

However, the fat man is clearly a master of acting.

At that time, he laughed loudly: "Hahahaha! A good hand! Such a good hand, less than one million, is really a pity!"

After all, he directly put out a hundred chips and looked at the woman in red with a provocative expression.

Seeing that the fat man was so bold, the woman in red also hesitated.

She also glanced at her own card.

The red woman's card is not big, but it is definitely bigger than the fat man's card.

Because the fat man's card is the smallest!

The woman in red sneered at this moment: "Heh, isn't it one hundred thousand yuan? Fold!"

After all, the woman in red folds.

If she folds, she needs to bet the fat man, which is the one hundred thousand dollars.

The fat man showed a smug expression, he looked at Lin Kai.

He believed that Lin Kai would also fold!

After all, he pretended to be so similar, Lin Kai would definitely think he had a big name in his hand!

“Boy, I don’t want to bully you, give me your ten chips, then get out!”

Then, there was a burst of laughter.

Lin Kai was regarded as adorable by them!

“Why should I get out?”

After listening to Lin Kai’s words, the smile on the fat man’s face froze.

“You don’t fold?”

Lin Kai smiled slightly and said, “Hehe, I have ten chips, and I can open yours.”

After all, Lin Kai directly opened the three cards on his table.

One a, two 5!

After seeing Lin Kai flipping the card directly, the fat man’s face trembled twice.

It’s true that a newborn calf is not afraid of tigers! He actually flipped the card!

The fat man fooled the experienced woman in red, but he didn’t fool Lin Kai, who was a cute new one.

“Humph!”

The fat man snorted and opened his card.

235!

After seeing the fat man’s card, there was a burst of laughter.

“Hahaha! I thought Fat Brother how big your card is! It turned out to be the smallest card!”

“I was just given by Mengxin? Hahahaha!”

“Fat brother, you lost to a newcomer, shame on you!”

The fat man’s face is also very ugly.

## Chapter 957: Straight Flush

Chapter 957: Straight Flush

Lin Kai smiled and got back 200,000 chips.

Of the two hundred thousand chips, one hundred thousand belong to the woman in red and one hundred thousand belong to the fat man.

“Huh! I will make you proud for a while! I will let you spit out even the profits for a while!”

The fat man snorted coldly.

Being slapped in the face by Lin Kai, a newcomer, he felt very upset.

The woman in red also glanced at Lin Kai more, now Lin Kai has a small savings in his hands.

“Licensing!”

Soon, the second round of gambling began.

There were still three cards per person, but this time, it was Lin Kai’s turn to speak first.

This is the rule, the winner must speak first.

Lin Kai used his golden pupil again.

Lin Kai first glanced at his own card, and after seeing his own card, Lin Kai was happy.

Because the card in Lin Kai’s hand is very big!

666!

Three six!

This is a leopard!

No one can beat the Leopard! Except for the smallest card, that is, the fat man’s 235.

But in fact, most people don’t dare to bet at 235, so Leopard is basically unsolvable!

When it was Lin Kai’s turn to speak, Lin Kai directly pushed all the 300,000 chips in front of his table.

“Three hundred thousand, do you follow?”

After all, Lin Kai looked at the three of them provocatively.

“Boy, you dare to pay 300,000 without even looking at the cards?” The woman in red, smoking a cigarette, looked at Lin Kai and asked.

But Lin Kai smiled freely and said, “Hehe, let’s play, just to stimulate!”

After that, Lin Kai looked at the tall and thin man on his right.

The tall and thin guy didn’t speak this time. He glanced at Lin Kai and said, “With you!”

“Humph! Since you want to bet blindly, then I will play with you!”

After all, the woman in red also pushed the bargaining chip in front of her.

“I followed!”

Now it was the fat man’s turn to speak.

Lin Kai just defeated him in the last hand, his heart was upset, how could he be willing to lose to Lin Kai’s hands?

“I followed too!”

None of the four people looked at the cards.

And they all dropped three hundred thousand.

Lin Kai smiled slightly and glanced at the tall and thin man, Lin Kai moved all in, so Lin Kai didn’t need to speak anymore.

The tall and thin one hesitated again. To him, 300,000 was obviously not a small number.

“Let’s go right!” The tall and thin man looked at the woman in red.

Right means that two people pk privately, whoever has a small hand will lose!

This is also a way for blind gambling to add confidence to yourself.

The woman in red smiled when she heard the words: “Ha ha, okay!”

“The croupier!”

At that time, the croupier came over.

The two still can't look at their own cards, and the croupier will look at their cards.

The croupier took the card of the woman in red after seeing the cards of the two people.

Obviously, the woman in red lost.

And the face of the woman in red also became a little ugly.

But the tall and thin man won the red woman, obviously more confident, he looked at the fat man.

"Fat brother, do you want to be right?"

The fat man is also confident.

"That's right!"

The croupier came over again and began to look at their cards.

The lanky card was taken away, and obviously the lanky player lost.

"Hahahaha! It seems that my card is the biggest!" The fat man laughed.

He looked at Lin Kai and said, "Isn't it 300,000? Anyway, you don't have any money, so I won't raise the bet. Let's finally pk!"

Lin Kai nodded and readily agreed.

"Okay!"

Then, the fat man opened the card in front of him directly.

5 of spades! 6 of hearts! 7 of spades!

Straight!

After seeing his card, the fat man's eyes lit up and he clapped his hands excitedly:

"Hahaha! Straight! I see what you can do to beat me this time!"

Lin Kai laughed at that moment.

He also opened his own card, and the first thing he saw was a six of spades!

After seeing this six of spades, the fat man shook his head disdainfully: "Cut! Isn't it a six?"

Lin Kai had a playful smile, and then he opened the second card.

Box six!

Right six!

After seeing the two sixes, the expression on Fatty's face was also stiff, and then he shook his head: "Heart Six is with me, you can't be a leopard!"

"is it?"

Lin Kai smiled confidently.

He opened the last card.

A plum blossom six came into view.

After seeing three six, there was a burst of exclamation!

It's actually a leopard! Lin Kai got the biggest hand type!

"Fuck me! Leopard! Amazing!"

"This young man is lucky! He actually got the leopard!"

"Great! Great!"

Lin Kai smiled playfully and said, "Haha, I'm sorry, I accepted it."

After that, Lin Kai took back the 900,000 chips.

300,000 chips per person!

Now, Lin Kai has 1.2 million in chips!

Looking at the expressions on the faces of the three of them, they were all very ugly.

Let Lin Kai win again! He came with only one hundred thousand chips, but he won their 1.1 million chips!

Even if they have money, it is painful to go out with hundreds of thousands!

At that time, the three of them looked at each other, and all three of them were going to target Lin Kai!

After all, let a newcomer win two games in a row. For them, this thing is very embarrassing!

“Go on! Deal the cards!”

The croupier continued to deal with the three.

Lin Kai glanced at his own cards and then at other people’s cards.

This time, Lin opened a card of 89a. The card type is not big. There is only an a. The single a is the largest.

Looking at the cards of the other three people, they all have very good cards.

Lin Kai folds decisively.

“I fold!” Lin Kai said directly.

After hearing Lin Kai fold the card, the fat man widened his eyes and said, “Boy, are you right? Is this fold?”

“You didn’t even look at the cards!”

Lin Kai smiled slightly and said, “Hehe, I don’t want to see it.”

Lin Kai decided to use his most hooligan style of play, fold without good cards! Just die if you have a good card! Anyway, folds only need a table fee of 10,000 yuan.

Soon, another round began.

Lin Kai took a look, his cards weren’t very good yet.

Fold!

Fold!

Fold!

Fold!

Lin Kai folds several hands in a row! Lin Kai’s luck is not so good.

“Fold!”

Lin Kai said again.

The fat man looked at Lin Kai with contempt: “Boy, you won’t dare to bet after winning two hands? How many hands are there? You fold without even looking at the cards, can you not afford to play?”

The woman in red also looked at Lin Kai with dissatisfaction.

Lin Kai smiled slightly and did not speak.

At this time, the bargaining chip in front of Lin Kai had become one million.

The remaining one hundred thousand dollars in chips were all taken out to pay the table fee.

Another round began.

Lin Kai glanced at his own cards and then at other people’s cards, Lin Kai’s eyes lit up.

This time, Lin opened the biggest card!

Lin Kai’s card is 789! And are in the same suit!

Straight flush!

Three cards, all of them are cubes!

This type of hand is huge! Looking at the cards of the other three people, none of them are as big as Lin Kai’s!

At this time, it was the fat man’s turn to speak.

“I pay two hundred thousand!”

## **Chapter 958: Landlord?**

Chapter 958

The fat man has obviously good cards, and he bets confidently.

He glanced at Lin Kai provocatively, and laughed: “Why? Still fold? When will you fold?”

Lin Kai smiled slightly. He looked at the cards of the other three people, and they all had good cards.

In that case, Lin Kai is not welcome!

“I’m all in!”

After that, Lin Kai pushed out all the 100 chips in front of him!

After seeing Lin Kai push all in, all three of them stared.

This kid is too dare to bet!

He didn't even look at his own cards! Dare to go all-in?

Moreover, he just folds so many hands, and now he is going all-in suddenly?

"Hehe, boy, you really are looking for death! Good! Since you dare to go all-in, then we dare to let you spit out all the profits!" The fat man sneered.

Lin Kai smiled slightly, and did not speak.

Now, it's Lin Kai's right to speak.

The thin and tall one glanced at the cards in his hand. The cards in his hand were all the same, not small.

With such a big hand, he obviously will not fold.

"Me! Two million!"

Lin Kai didn't look at the cards, they all looked at the cards, so they needed to double the bet when they called.

The woman in red also glanced at the cards in her hand. After reading the cards, a confident smile appeared on her mouth.

a23!

One box a, one box 2, and a club 3!

This is an earth dragon! The cards are huge!

"Hehe, I will follow!"

Both men called two million.

But the fat man hesitated at this time, after all, if he wants to call, he needs two million!

The fat man looked at the cards in his hand. The cards in his hand were not small, but he hesitated now.

"Huh! I'm still following!"

The fat man gritted his teeth and said again.

He followed another two million!

Now skip Lin Kai, it's the thin and tall man's turn to speak.

The tall and thin guy obviously doesn't want to bet anymore, he wants to find someone to single out!

At that time, he looked at the fat man.

"Fat brother, let's do it right?" the tall and thin man asked.

When the fat man heard the words, he smiled confidently: "Hahaha! Right! Croupier!"

At that time, the croupier strode over. The croupier glanced at the cards of the two people and took away the fat man's cards.

After seeing this scene, the expression on the fat man's face was green.

He lost!

And the face of the thin and tall man showed a confident smile.

He won!

Now, Lin Kai and the woman in red are left.

The thin and tall man looked at the red-clothed woman and Lin Kai, smiled slightly, and said, "Hehe, why don't we just open it? See whose card is bigger?"

Hearing that, Lin Kai nodded with a smile.

Anyway, I can only win one million, and then raise the price, it's boring.

"Okay!" Lin Kai agreed directly.

The woman in red also nodded.

Then, the croupier came over again.

He first opened the three thin and tall cards.

The three tall and thin cards are all the same!

A confident smile appeared on the face of the thin and tall man.

Unisex, also known as Golden Flower, is different in each place. In some places, straights are bigger than straights, and in some places, straights are bigger than straights.

The official gameplay is that it is better than a straight.

Therefore, after seeing the thin and tall card, the expression on the face of the woman in red stiffened.

Obviously, her earth dragon is not as big as the lanky one.

Then, the croupier also lifted the card in front of the woman in red.

Earthworm!

After seeing the earth dragon, the smile on the thin and tall man's face was thicker.

In his opinion, this one, he will win!

Because Lin Kai didn't even look at the cards! Isn't this a fool if you dare to go all-in without even looking at the card?

Then, the croupier lifted Lin Kai's card.

After removing Lin Kai's card, the tall and thin man was dumbfounded.

789!

All plus straight! Straight flush!

At that time, the entire scene was about to explode, and the onlookers pointed at Lin Kai.

"I'll go! Straight flush! Great!"

"He didn't even see what his cards were, so he dared to go all-in, and now he has drawn a straight flush!"

"Except for the leopard, the flush is the best!"

"Awesome!"

The confident smile on the thin and tall man's face solidified on the spot.

He didn't expect that Lin opened a straight flush!

“really?”

The tall and thin man had a pale face and a look of shock.

And Lin Kai’s face showed a playful smile: “Hehe, the bet, I just accepted it.”

After that, Lin Kai pushed all the chips back.

At this moment, looking at Lin Kai’s front, there were already a pile of chips!

Except for Lin Kai’s own 100,000 chips, all the remaining chips were won by the three of them!

Now, Lin Kai has four million chips!

Looking at the expressions of the three of them, they were all very green.

In their hearts, they are all very uncomfortable. It is obvious that Lin Kai is a newcomer. He hasn’t even looked at the cards, but he can win them so many chips!

They are not only distressed, but also fleshy! You got slapped!

Lin Kai smiled slightly, looked at the three people in front of him, and said, “How about? Are you still playing?”

At this moment, the tall and thin man with a blue face, he stood up and left without saying a word.

In his heart, it was the most uncomfortable. After all, he thought he had won, but he did not expect that it was Lin Kai who won!

The fat man watched the thin and tall one go, and rubbed his hands helplessly: “Three people can’t play! Is there anyone to play?”

The fat man looked at the onlookers.

But among the onlookers, no one dared to stand up and bet against them.

After all, this table is all masters!

“No one is playing? Really boring!” The fat man curled his lips, his eyes fixed on Lin Kai, he was very unwilling to win so much money by Lin Kai, he was afraid that Lin Kai would stop playing.

The woman in red lifted Erlang’s legs and smoked a cigarette: “Why don’t we change a gambling method that can be played by three people?”

As soon as the red woman's proposal came out, the fat man's eyes lit up: "Good idea, but what should I do?"

"Fight Landlord?" Lin Kai said casually.

As soon as Lin Kai's words came out, the fat man's eyes lit up.

Although playing Landlord in a casino is a bit weird, Landlord is the hardest way to cheat! With so many cards, it's hard to cheat!

The fat man seriously suspected that Lin Kai had any ulterior secrets, so when the three words Doudizhu came out, the fat man's eyes lit up.

"I think it will work!"

The fat man agreed, and he looked at the woman in red.

The woman in red also smiled and nodded: "Yes."

"Let's deal!" The woman in red directly ordered the croupier.

And Lin Kai's eyes flashed a playful look.

No matter what you play, you are all one word, that is to lose!

Although Golden Eye is not very helpful to Doudizhu, but! I can control the croupier! What card Lao Tzu wants, he can give Lao Tzu what card!

## **Chapter 959: Spring**

Chapter 959

Yuri ability, launch!

At that time, the croupier's body was shocked, and his consciousness seemed to be controlled by Lin Kai.

Now, what Lin Kai asks him to do, he will do!

According to Lin Kai's inference, the people who can be croupiers in such casinos are definitely not ordinary people, and their methods are definitely at the level of the gods of gambling.

After all, the casino is counting on them to make money!

Some croupiers are actually the trustees of the casino, specially used to collect the customers' money!

as expected!

At that time, under Lin Kai's golden eyes, the croupier shuffled the cards directly through Lin Kai!

Lin Kai saw that there was a pair of contact lenses in the eyes of the dealer.

He can see through the poker in his hand!

You can also calculate who will be dealt with first, whose hands will be dealt with good cards, and whose hands will be dealt with bad cards.

Officially dealt!

Whoosh whoosh! Whoosh whoosh!

The croupier's method of dealing cards is extremely skilled, and there is no flaw at all, making it impossible to see that he has made a trick.

Before long, each of the seventeen cards was dealt out!

There are still three hole cards not dealt!

"Come on! Look at the cards!" The fat man greeted.

Lin Kai looked at the card in his hand.

From this look, Lin Kai was very happy.

The cards in my hand are very smooth!

Three of three! Three sheets of four! Three cards of five! Three six!

Four miscellaneous cards and five miscellaneous cards.

Although there is no landlord card, if Lin Kai has a chance to play the card first, he can crush the opponent to lose without suspense!

"Come on! Place a bet!"

The fat man glanced at his card, smiled triumphantly, and said.

Lin Kai also glanced at the cards in his hand. The cards in his hand also went well!

The most important thing is that there are so many landlords in his hand!

Three a! Three 2!

Very good!

The woman in red looked at the card in her hand, lost in thought.

She only has an a and a two, but the other cards in her hand are good.

“Under one hundred thousand.” The woman in red said lightly.

And the fat man chuckled: “Hahaha! Just one hundred thousand? I’m one million!”

After all, the fat man looked at Lin Kai defiantly.

This is an ante. If there is a bomb, the ante will be doubled!

Lin Kai smiled slightly and said, “Hehe, I’m all in!”

After that, Lin Kai bet all the four million in front of him!

A total of 5.1 million antes!

There is a bomb, but it needs to be doubled!

That’s over ten million!

After listening to Lin Kai’s words, the fat man’s eyes lit up and said, “Hahahaha! Good!”

“In that case, let’s start!”

The face of the woman in red is ugly, because she feels that she might lose.

“one cent.”

The woman in red said lightly.

Now, it’s time for Lin Kai to speak. Lin Kai didn’t give the fat man a chance at all, and said, “Three points!”

The croupier opens the hole card directly! The hole card is King Fried and a seven!

After seeing such a card, Lin Kai grinned at the time. He was optimistic about his hole cards before he dared to let the croupier throw the cards!

The fat man couldn't help but twitched after seeing Wang Bo.

However, he did not panic.

Because the cards in his hand are smooth!

"Hmph! Good luck, Wang Zhai is actually in your hands, but you still can't escape a word, lose!"

"Play the cards!" The fat man smiled confidently.

When Lin Kai looked at the card in his hand, he smiled.

"Hehe, once I play, there is no chance for you to play!"

Hearing this, the fat man rolled his eyes: "Hehe, bragging!"

"The two of us can't beat you as a novice? Play cards!"

Lin Kai smiled slightly and played directly!

Three three! Three four! Three five! Three six!

Take seven, eight, ninety!

aircraft!

In an instant, there were only four cards left in Lin Kai's hand.

At that time, the faces of the fat man and the woman in red changed.

They were dumbfounded.

All of a sudden, Lin Kai walked out with 16 cards!

Is this a fart?

Moreover, Lin Kai has a king bomb in his hands!

If they explode, if there is a Wang Zhenhe left in Lin Kai's hands, will they punk?

But if you don't blow up, Lin draws out a single card, leaving Wang Zhi and a single card in his hand!

At the time, they were in a struggle.

“Fuck me! Are you cheating? Is such a good card just in your hand?”

The fat man’s eyes are red!

The red-dressed woman also had a green face, and said: “If he has two single cards in his hand, if they blow up, he will lose!”

“But if it’s a pair with a king bomb, and it bombs, we will lose!”

“How to do?”

She looked at the fat man, her expression tangled.

The fat man’s hands were shaking slightly.

“Forget it.” The fat man shook his head.

Hearing this, Lin Kai smiled slightly and played the card in his hand, Wang Bang!

Now, Lin Kai only had the last two cards left. The fat man and the woman in red looked at each other, and the results were the same whether they were bombed or not, and they couldn’t win!

Right ten!

No license!

Gone!

Lin Kai never gave them a chance to play cards! Lin Kai came out for a spring!

“Spring is here! Double!” Lin Kai said with a slight smile.

After doubling the ante of 5.1 million, it will be 10.2 million!

The fat man and the woman in red looked at each other, and they reluctantly pushed a part of the bargaining chips from their front to Lin Kai.

I’m helpless, I lost a lot!

And the bargaining chip in front of Lin Kai already has tens of millions!

Lin Kai’s gamble here attracted the crowd of many people around. These people all pointed at Lin Kai. Obviously, Lin Kai’s cards surprised them.

“I’m not convinced! Continue to deal!” The fat man said with red eyes.

He has lost his eyes!

He has already lost millions!

But Lin Kai, a cute new man with ten chips, won all the way to more than ten million!

If he doesn't win the tens of millions back, his fat man won't want to gamble on this cruise ship in the future!

The woman in red is obviously also extremely unconvinced, and she will continue to bet against Lin Kai.

But Lin Kai smiled slightly, he knew that it was almost done.

After this one, both of them will lose out!

For this one, Lin Kai decided to make them bitter first!

Give them a pair of excellent cards!

Soon after, the dealer began to deal cards.

Soon after, all seventeen cards were dealt out.

At this time, the fat man's eyes lit up, because he found that the cards in his hand were so good!

Four three! Four four! Four five! Four six!

Seventeen cards, he has four bombs himself!

The woman in red also glanced at her card, she was also dumbfounded at the time.

Four sevens! Four eights! Four nines! Four ten!

Seventeen cards, she also has four bombs!

A trace of crazy glances flashed through the eyes of both people, and they were about to gamble!

And Lin Kai's eyes also showed a mocking smile.

Everything is under his control!

Because his cards are more perverted than their cards!

Look at the cards in Lin Kai's hand.

Four a! Four 2! Four k! Four q!

## Chapter 960: War Of The Gods

Chapter 960

Lin Kai's card is the most abnormal!

In addition to these, Lin Kai also has a little king!

The hole cards are a king and two j!

The remaining two j are in their hands.

With such a good card, the fat man floated away.

"Hahahaha! Lin Kai! You will lose!"

"You'd better not three points, otherwise, I will let you output all the panties!"

After listening to his words, Lin Kai laughed.

"Hehe, I see how you asked me to export all the panties!"

"Three points!"

Since the last Lin Kai was the landlord, this one has priority.

Direct three points!

Landlord card, one king, two j!

After seeing Lin Kai hit the landlord, the fat man and the woman in red both looked at each other, with a madness in their eyes.

"Betting! Two million!" The fat man said boldly!

The woman in red also smiled confidently and said: "Call, two million!"

Lin Kai smiled slightly and said, "Hehe, I don't want you to lose too badly. I'll just get one million."

After listening to Lin Kai's words, the fat man smiled triumphantly: "Hehe, even if you don't bet, you can double the four million, and you can lose all your pants!"

"Play the cards!"

The five million ante bet attracted a lot of people around.

Lin Kai glanced at the card in his hand, of course he wanted to give the pair j first!

"Yes!"

Both the fat man and the red woman have very good cards, and there is only one j in the broken card, so they have to explode Lin Kai!

"bomb!"

The woman in red threw the bomb directly!

Seven bombs!

"That's right? I bombed you?" Lin Kai deliberately pretended to be surprised and asked.

The woman in red also smiled triumphantly, and said, "Hehe, you are the one who exploded!"

Hearing that, Lin Kai smiled slightly and said, "Hehe, then I'm welcome!"

After all, Lin Kai directly threw the second bomb out.

"Second explosion!"

A bomb that only Wang Jian can control!

As soon as the bomb came out, neither the red-clothed woman nor the fat man showed any expressions of fear.

"Humph!"

The fat man snorted coldly, and said, "I will show you what cruelty is!"

"Four consecutive explosions!"

After all, he slammed the card in his hand on the table!

Four three! Four four! Four cards five! Four six!

At this time, the fat man smiled triumphantly: “Hahahaha! I only have one card left!”

“Can you control it?”

The woman in red also smiled triumphantly.

But she was a little negligent, and the fat man exploded four times in a row. The other good cards must be in Lin Kai’s hands!

“Four consecutive bombs, is it big?”

Lin Kai smiled slightly and threw Wang Zhan directly.

“Wang fried!”

Seeing Lin Kai throw Wang Bomb out, the fat man still had a confident smile on his face.

Because he believed that the woman in red could send him away!

“Not out.”

“Let you give it a hand!”

Neither of them can choose.

Lin Kai smiled slightly and said, “Then I’m not welcome, three consecutive explosions!”

qka!

As soon as the three bombs came out, Lin Kai had no license in his hand!

And the woman in red shook her hand holding the card.

Out of license?

Gone?

She still has three bombs in her hand!

Lost this?

At that time, it was a silent one.

All of a sudden, the comments of the onlookers burst out.

“I’m going! This is the battle of the gods!”

“Awesome! Everyone has four bombs in their hands! There are five bombs in the hands of the landlord!”

“It’s so \*\*\*\* awesome!”

“awesome!”

The woman in red and the fat man collapsed on the chair.

They were completely dumbfounded.

Not because you lost, but because you lost too much!

The cards in their hands are obviously so good! But still lost!

There were ten bombs in total! Five million doubled ten times, that is an astronomical figure!

Ten times that is 5.1 billion!

Although they are not bad for money, if a person pays 2.5 billion, it will make them fatal!

Lin Kai lifted Erlang’s legs and smiled slightly: “Hehe, are there enough chips? If not, go get some?”

The fat man and the woman in red had sullen faces, and neither of them spoke.

They never thought that fighting a landlord would lose more than 2.5 billion!

I am afraid that the two of them are the people who have lost the most in the history of Fighting Landlords!

The croupier stood up at this time and said: “How to compensate, please negotiate with the three of you. However, no matter which of you three takes the bet to cash out, our casino will always charge a certain fee.”

The croupier doesn’t care who wins, anyway, no matter who wins, their casino has a rake.

Lin Kai tilted Erlang’s legs and looked at them.

“What? How much are you two going to give me?”

Lin Kai looked at them with a smile and asked.

The fat man and the woman in red looked at each other, and both of them had regrets and repentance in their eyes.

If they knew they would lose so badly, they shouldn't bet against Lin Kai!

At that time, the fat man said angrily: "You tell me the number! Two and a half billion, I definitely can't get it out."

The woman in red went to the chair and said, "Hehe, today I met you, such a great \*\*\*\* who pretends to be a pig and eats a tiger, I admit it!"

"2.5 billion, neither do I."

Lin Kai smiled slightly and said, "Hehe, I don't make it difficult for you. Everyone gives me 500 million chips, right?"

Lin Kai can be considered to be more of a face to them, 2.5 billion gambling capital, Lin Kai only let them give 500 million.

After the two heard Lin Kai's words, their expressions improved.

If Lin Kai pursues it to the end, the casino will definitely help Lin Kai. After all, the Ocean Casino is just about fairness.

Fortunately, Lin Kai didn't ask them too much.

"can!"

"Follow me to the front desk and transfer money!"

The fat man stood up directly and walked to the front desk with a gloomy expression.

Even though the people who come to gamble here are rich people, most people here do not have money to the point where they can give out five hundred million.

Lin Kai followed the woman in red, and the three came to the counter together.

"Hello sir, what can I do for you?"

The beautiful receptionist asked.

The fat man looked gloomy and said, "Give this kid five hundred million!"

The woman in red also said: "I also transferred 500 million to this kid."

Hearing this, the receptionist looked at Lin Kai at that time, and a strange look flashed across his eyes.

She knew these two people. They were old casino gamblers. She only saw them win other people's money. She had never seen anyone win their money.

But this young man unexpectedly won one of them 100 million!

This young man has two plans!

"Hello, what is your card number?"

Lin Kai shook his head and said, "I have no card."

"No card?" Upon hearing this, the voices of the fat man and the woman in red raised several tones.

## **Chapter 961: Slot Machine**

Chapter 961: Slot Machine

They thought that Lin Kai must be an old gambler in the casino by pretending to be a pig and eating a tiger.

In the hands of such an old fried dough stick, they can feel better in their hearts.

But they never thought that Lin Kai didn't even apply for a card here! This means that Lin Kai is really a novice!

"You don't have a card here?" the woman in red asked with a surprised look.

Lin Kai waved his hand helplessly and said, "Yes! It's my first time here, and I don't gamble often, just good luck."

After listening to Lin Kai's words, both of them were almost mad!

This is too shameful! Lin Kai's words severely hit them!

The receptionist behind the counter also looked at Lin Kai with a look of surprise. The first time he came, he could win these two old fried dough sticks by one billion. It was really lucky!

"Sir, do I need a membership card? It's free!"

Hearing that, Lin Kai nodded and smiled slightly: "Go ahead."

Then, the receptionist began to issue a card for Lin.

Soon after, Lin Kai's membership card was processed, and all the billions of chips given by the woman in red and the fat man were deposited.

And Lin Kai deposited another 10 million.

Cary has a total of 10 billion gambling funds.

At this time, Lin Kai still had ten 10,000 yuan chips left in his hand.

With so many chips, its too much trouble to hold, its better to just hold this one hundred thousand yuan of chips and use it to make a big difference! This is Lin Kai's idea.

After seeing Lin Kai's greatness, the Jinhua gamblers dared not play with Lin Kai anymore, so Lin Kai had no choice but to go deeper.

As he walked, Lin Kai raised his eyebrows, and saw Li Shengxian strode across from him.

Behind Li Shengxian, there were four black-clothed bodyguards, and each of the four black-clothed bodyguards was holding a tray.

And in the pallet, there are all chips!

Four sets of chips!

It seems that Lee Seung-hyun has won!

When Li Shengxian saw Lin Kai, his eyes lit up and he walked over quickly.

After seeing Lin Kai empty-handed and only the ten chips in his hand, Li Shengxian laughed.

"Hahaha! After so long, you still only have ten chips?"

"You don't dare to bet? Hahaha! Fuck you! Wait for a while to recognize me as the big brother!"

Li Shengxian looked proud.

The depression of losing to Lin Kai in swimming and shooting was wiped out.

Lin Kai, it seems that you are not omnipotent either!

Lin Kai smiled slightly and did not speak. He probably didn't know that Lin Kai had won more than one billion.

"How much did you win?" Lin Kai asked.

And Li Shengxian pointed to the trays in the hands of the four bodyguards behind him, and said proudly, "Have you seen it? It's already more than ten million!"

After all, Li Shengxian looked triumphant.

Winning more than 10 million in such a short period of time, Li Shengxian is also considered a gambling wizard.

But it is a pity that his opponent is Lin Kai, and sometimes Lin Kai himself feels very abnormal.

"That's a lot." Lin Kai nodded in praise.

"That's!" Li Shengxian said in a loud voice, "I learned gambling from the God of Gambling before! Winning their money is naturally simple!"

After listening to Li Shengxian's words, Lin Kai smiled slightly.

"By the way, besides Explosive Golden Flower, are there any fun items in the casino?" Lin Kai asked.

"Fun project?"

Hearing this, Li Shengxian's mouth showed a smile.

"Hehe, of course! There are so many fun things in the casino!"

"Like the slot machine over there!"

Slot machine?

Lin Kai looked at the slot machine Li Shengxian was pointing at.

In the casino, there are 20 slot machines, but almost no one plays the slot machines, only one or two children are playing the slot machines.

The corner of Li Shengxian's mouth showed a mocking smile: "Yes! The slot machine is very simple to play, just shake the picture! If you are lucky, you can win tens of millions of chips!"

Upon hearing this, Lin Kai touched his chin and thought carefully.

Suddenly, Lin Kai's eyes lit up!

He remembered his god-level extraction ability, copy extraction ability!

At that time, if you copy all the patterns in the slot machine, isn't there any money to spend?

"thank you!"

Lin Kai patted Li Shengxian on the shoulder and walked directly towards the slot machine.

Seeing that Lin Kai was really going to play a slot machine, Li Shengxian shook his head and jokingly said, "Hehe, it's really a fool."

"Tell the supervisory authority to lower the burst rate of slot machines to the lowest level! Adjust the probability to one in ten million!"

"Yes!"

Slot machines are the most pitted gambling item in the entire casino!

The winning rate is completely controlled by the casino!

Otherwise, there will be no people around the slot machine?

He was just fooling Lin Kai to lose money. He didn't expect Lin Kai to be so stupid that he actually went there.

He smiled, took his own money, and went to play other projects.

Soon, Lin Kai came to the slot machine.

Slot machines are relatively new. There are countless chips in slot machines.

On the screen of the slot machine, there is a row of heads of small animals.

There are ten in total.

The bottom chip can be shaken once, and the heads of these ten little animals will start to rotate.

Two or less and two identical heads of small animals are considered not winning.

If the three small animal heads appear together, you can win the prize, and the tiger will vomit twice according to the chips you put in.

Lin Kai directly invested ten chips worth 10,000 yuan to experiment.

At that time, there was a sweet sound from the slot machine, and with a bang, the heads of ten small animals began to turn!

Cang Dang! The first avatar stopped! Tiger head!

Upon seeing this, Lin Kai quickly used his god-level replication ability.

copy! Copy the second head to me as a tiger head!

Clang! The second animal's head also stopped!

The head of the second little animal is also a tiger head!

It succeeded!

Next, Lin Kai did what he did!

The third head, the fourth head, the fifth head...

Until the eighth head, it's all tiger heads!

In order not to be high-profile, Lin Kai only copied seven.

Without the interference of replication ability, the last two grids that jumped out were not tiger heads, but fox heads and lion heads.

Eight identical avatars!

Three identical avatars can double!

Six turns!

Counting it down, it is 6.4 million chips! 6.4 million chips should be returned!

Wow!

A sound of coin spitting sounded.

I saw countless glowing chips spit out from the slot machine!

A full 640 chips came out!

Lin Kai's eyes lit up and he quickly put away the chips, making a lot of money!

At this time, the regulatory authorities have not yet noticed the oddities on the slot machine side.

Almost no one plays the slot machines, so the regulators focus on the poker and mahjong areas.

## Chapter 962: Liu Xiangyi

Chapter 962: Liu Xiangyi

But they didn't expect that someone was making a fortune in silence!

Come on! second round!

Lin Kai put in ten more chips.

Do the same! Copy now!

In order to be less conspicuous, Lin Kai only copied seven identical heads.

6.4 million got it!

In just a few minutes, Lin Kai played several 6.4 million yuan!

I saw that on the large tray behind Lin Kai, the chips had accumulated as high as a hill!

At this time, people passing by finally noticed the strangeness, and one after another came forward to check.

After seeing the hundreds of millions of chips behind Lin Kai, everyone's eyes widened.

I go! Master!

Playing a slot machine can actually make the slot machine spit out tens of thousands of chips!

At this time, Lin started to take his bargaining chips and was ready to leave.

Because all the chips in the slot machines were emptied by Lin Kai.

Taking a look at the bargaining chips, Lin Kai curled his lips in dissatisfaction.

"Only 290 million chips, the casino is a bit stingy!"

After all, he returned to the counter with the chips and deposited them.

At this time, Lin Kai's Kari already had 1.3 billion chips!

With just these 1.3 billion chips, Li Shengxian has no way to beat Lin Kai.

It won 1.3 billion, but only one hour has passed, and there are two hours left, Lin Kai is not in a hurry.

It is estimated that after three hours, Li Shengxian will not win several hundred million, so Lin Kai is not in a hurry.

At that time, Lin Kai walked outside very leisurely.

At night, its not just the casino, but also the bar.

Lin Kai decided to have a drink in the bar.

Soon after, Lin Kai came to the bar. The name of the bar was Hutaoli Light Music Bar. There was no deafening music, only a vibrant band sang at the front desk.

There are many young people sitting in the bar chatting and drinking.

Lin Kai also randomly found a place.

After ordering a glass of beer and a plate of snacks at random, Lin Kai took out his mobile phone and looked at it leisurely.

There are many people in the bar, and there are many pretty girls among them.

The little girls here are all superb beauties, and each one is wearing a bikini suit.

Cat sister once said that beautiful women in bikinis can board the boat for free.

And the beauties on the boat, some came to play, some came to work and earn money.

That's right, the bars, casinos and entertainment venues such as KTV on the ship will hire these beauties as waiters in their shops with high salaries.

The prices are not low.

Many beauties have taken a fancy to the high daily salary on the Ocean, and came to this ship as a waiter.

Soon after, a beautiful waitress with an extremely pure and sweet appearance came to Lin Kai.

"Hello sir, here are your beer and desserts."

The beautiful woman speaks in a very low voice, and she seems to be shy. Although she is wearing a black bikini suit, she always feels a little can't let go.

She didn't dare to look directly into Lin Kai's eyes. When Lin Kai looked at her, her eyes immediately looked elsewhere.

And, judging from her appearance, she is not too old.

"Are you a student?" Lin asked with a smile.

The bikini girl nodded and said, "Yes sir, I am a junior in junior year."

"Why are the students here?" Lin Kai continued to ask.

The girl glanced at Lin Kai and said in a low voice: "It's a holiday. Come here to do holiday work for a few days, and you can earn a thousand yuan a day."

Upon hearing this, Lin Kai suddenly realized.

No wonder so many beauties have to get on this ship with their heads broken.

The girl in front of her looks good, and she stands out in the entire bar. It seems that the bar on the boat is relying on such beauties to make money.

"What's your name?" Lin Kai then asked.

"My name is Liu Xiangyi." The girl answered every question.

Lin Kai nodded, waved his hand, and said, "Okay, go ahead."

Liu Xiangyi glanced at Lin Kai one more time, and then left.

Drinking small wine in the bar and seeing beautiful women are also very pleasant things.

Lin Kai found that the waitresses in this bar are not under pressure at work. They just serve drinks and do not do heavy work.

Such an easy job, but with a daily salary of 1,000 yuan, it seems that the people on this ship are rich!

Soon after, Lin Kai thought of getting up and leaving.

"Bill, please!"

After that, Liu Xiangyi ran over all the way, she was still shy, and it seemed that she couldn't let go.

"Hello sir, a total of three hundred and eighty yuan."

Hearing this, Lin Kai couldn't laugh or cry.

No wonder her daily salary is so high, a glass of beer and a plate of snacks cost more than 300 yuan, cheating!

But Lin Kai still had no ink marks, so he paid the money directly, turned and walked towards the entrance of the bar.

As soon as I walked to the door of the bar, a noisy sound rang.

As soon as they looked up, a group of people walked over directly.

There was a burst of disgusting alcohol, and saw that in front of Lin Kai, seven or eight people walked over with their backs on their shoulders, and their faces were flushed, and they obviously drank a lot.

This group of people seems to be in their twenties and they are all famous brands and luxury items.

I don't know whose eldest son is.

Lin Kai shook his head and walked to one side, but the group of people seemed to be aiming at Lin Kai, and seven or eight people directly ran into him head on.

boom!

Lin Kai didn't move, but they backed a few steps.

At that time, several alcoholics pointed at Lin Kai, their eyes widened, and cursed, "You \*\*\*\* don't have eyes?"

"Don't know how to make way?"

"A good dog is not a \*\*\*\* good dog! It's not a good dog!"

A group of people pointed at Lin Kai's nose and cursed.

Hearing this, Lin Kai frowned.

Obviously they gave way, but a group of them ran into it by themselves, and now they call themselves a dog?

This made Lin Kai very unhappy.

At that time, Lin Kai didn't speak, and walked directly to one side.

"You \*\*\*\* don't leave, you! Come back and apologize to Lao Tzu! Kneel down and apologize!"

Several drunks drank a lot, and Lin Kai left. They couldn't stop them, they could only point at Lin Kai's back and curse.

Lin Kai walked straight out of the bar and rested on a chair not far from the bar.

The drunks watched Lin Kai go, and knew that Lin Kai probably didn't dare to return. At that time, they scolded and walked into the bar.

And it was Liu Xiangyi who received them.

At this time, Lin Kai's phone rang, took out his cell phone, and found that Zhu Manqing was calling.

After the phone was connected, Zhu Manqing's very aggrieved voice came over.

"Lin Kai!"

"You tell the truth! Who on earth is more beautiful, me and that show woman?"

"Today if you can't make it clear, I...I will jump into the sea and commit suicide!"

As soon as Zhu Manqing said, there was a charming voice from sister cat: "Oh, girl, are you asking? You are threatening brother smelly!"

## **Chapter 963: No Shortage Of Flowers**

Chapter 963

Lin Kai had a headache after hearing the two of them talking.

The two of them quarreled together again!

"You are all beautiful, okay?" Lin Kai asked helplessly.

"No way!"

The voices of sister cat and Zhu Manqing came almost simultaneously.

At that time, Lin Kai was one of the first two adults, and he couldn't deal with these two women.

"Then what do you want?"

Lin Kai asked helplessly.

"Lin Kai! Come back soon! Let's make it clear face-to-face!" Zhu Manqing said with a splash.

After listening to Zhu Manqing's words, Lin Kai nodded helplessly and said: "Well, you guys wait a while, I'll go back soon."

After that, Lin Kai hung up the phone.

After hanging up the phone, Lin Kai was about to go back to the hotel.

But at this moment, a very noisy sound came from the bar, and Lin frowned and looked into the bar.

In the bar, Liu Xiangyi was forced to the corner by those seven or eight drunk men.

In the bar, Liu Xiangyi attracts the attention of others because she is the most beautiful person in the entire bar!

The figure is also the best.

The most important thing is that Liu Xiangyi looks very pure. Such a pure woman attracts the attention of men, especially drunk men.

These seven or eight drunk men all had squinted smiles on their faces. They rubbed their hands and approached Liu Xiangyi step by step.

"Little girl, she looks good!" A Kuo Shaoxie wearing Armani smiled.

This one is 1.8 meters wide and thin in stature. This group of people walked around him. He came from a big background. He is the young master of the Hua family, the major shareholder of the Li family in the East China Sea.

He has a huge background, and he is also famous for being arrogant and domineering on this cruise ship.

This group of young and wide backgrounds are also very scary. On the cruise ship, no one really dared to offend them.

Therefore, when the flower is not lacking to bring people to make trouble, the other people in the bar are very conscious and far away from them.

Even the owner of the bar shook his head and walked aside.

Liu Xiangyi's face was full of fear.

She hid inside the counter, holding a rag in her hand, and stepped back.

"A few bosses, what do you need?" Liu Xiangyi asked with a trembling voice.

She is still dedicating herself to treat herself as a waiter in the bar and treat these drunken men as guests.

After listening to Liu Xiangyi's words, the group of drunk men laughed.

"Hahaha! What do you want? Of course I want you!" Hua Buwei laughed a man beside her.

With that, several people approached Liu Xiangyi.

Liu Xiangyi is just a student. Where have you seen such a scene? At that time, she was so scared that she paled.

The smell of alcohol on several drunk men made her feel timid.

"Several bosses, you should respect yourself! I'm just a waiter!" Liu Xiangyi said with a trembling voice.

"Waiter? How much money can a broken waiter earn in one day? Following Ben Shao, Ben Shao will give you one hundred thousand yuan a day! Hahaha!" Huanxiao laughed.

After all, he rubbed his hands wretchedly and approached Liu Xiangyi.

Hua did not lack a hand, and the other drunken men looked at Liu Xiangyi with their arms folded.

Huanwei's background is very tough, and naturally no one dares to \*\*\*\* him from the woman he is fond of.

At that time, many young masters surrounded Liu Xiangyi around the counter, and only Huaneng approached Liu Xiangyi.

Liu Xiangyi was already so scared that she was trembling all over. She was wearing very little and she was extremely insecure. At this time, surrounded by such a group of men, she was already terrified.

Snapped!

Liu Xiangyi threw the rag in his hand on Hua's face, and cursed: "Smelly hooligan! Get out! Be careful, I call the police!"

Hua did not want to take the rag off her face, and a playful smile appeared at the corner of her mouth: "Hehe, it's quite spicy, but Ben Shao likes it!"

"Call the police? You call the police! This is the high seas! The police can't get out! Hahaha! Even if this young master kills you, who will care? Who will care? Hahahaha!"

Hua's laughter resounded throughout the bar.

The onlookers not far away took out their mobile phones to take pictures, but no one dared to stop them, all of them looked like strangers.

And Liu Xiangyi's heart is undoubtedly very desperate.

She knew this was the high seas, but she didn't expect that such a thing would actually let her encounter.

Tears have fallen down unconvincingly.

After seeing Liu Xiangyi crying, Huabuqi burst into laughter: "Hahaha! Pear flowers bring rain, so pitiful! I like it!"

"Now go to the hotel with Ben Shao and give you one hundred thousand a night! It's a good deal, isn't it? Hahaha!"

"Be obedient, you still have a life if you are obedient, if you don't obey, if the young lady is finished, I will throw you into the sea!"

"I forgot to tell you, behind this ship is the Li family, and my Hua family is the largest shareholder of the Li family! This ship is almost the owner! Don't \*\*\*\* struggle and bullshit!"

After all, there is no shortage of flowers and went directly to pull Liu Xiangyi's jade hand.

And Liu Xiangyi screamed, she struggled, only to see that she picked up a glass of beer and poured it directly!

Wow!

Snapped!

The beer was poured directly on Hua's face!

At that time, half of the wine was sober up! After sobering up, the corners of Hua's mouth showed a sneer.

Instead of calming down, his nature was exposed!

"Sao girls, kind of stubborn!"

"Okay! I ruined you today!"

"Bros!"

Hua did not miss a greeting. At that time, several drunk men all agreed: "Yes!"

"Give me my phone! Video! I want to broadcast live!"

As soon as the flowers were not missing, a roaring voice sounded!

"Okay! The phone is out!"

"Spend less, prepare to show off your unique skills! Hahahaha!"

"Hahahahaha!"

There was a sound of laughter.

When the words came out without shortage of flowers, it attracted the crowd of countless people, especially many men and women.

It's exciting to see such a beautiful and pure beauty being insulted! Countless men's eyes widened.

The women are very jealous of Liu Xiangyi's appearance. Seeing Liu Xiangyi being insulted in public, they will only feel excited and gloat.

At this moment, with a stab, I saw that Hua Fuqi directly tore off his coat.

At that time, Hua's strong upper body was exposed in front of everyone.

The figure that the flower does not lack is still very good.

At that time, there was another uproar.

"Okay! Hua Shao has a really good figure!"

"Hahahaha! Little girl, it is your honor to be favored by Hua Shao!"

“Hahaha!”

At this time, Liu Xiangyi's face was already raining, and she clenched her pink fist tightly.

She glanced at the fruit knife on the side table, and she gritted her teeth.

## Chapter 964: Arrogant

Chapter 964

She thought it over! If these young masters in front of her were rough on her, she would definitely take up a fruit knife to resist!

Even if you die here, your innocence cannot be destroyed here!

But at this time, Hua's face was impatient.

He directly untied his belt and was ready to act.

After seeing this scene, Liu Xiangyi gritted his teeth, picked up the fruit knife on the side table, and stabbed Hua's belly directly!

boom!

There was a crisp sound!

I saw that the fruit knife in Liu Xiangyi's hand was unable to cause substantial damage to the flower.

It's just that the flower is not missing a little bit of skin!

After seeing this scene, a horrified look appeared in Liu Xiangyi's eyes.

what happened? Can't even a knife hurt him?

The corners of Hua's mouth showed a mocking smile.

“Hehe, little girl film, with a fruit knife, want to kill me?”

“Do you \*\*\*\* know what an ancient warrior is?”

While speaking, there was a cruel expression in Hua's eyes.

Liu Xiangyi actually wanted to kill him, which made him very angry. If he was not an ancient warrior, he would have died just now!

“Smelly bitch!”

Hua Buwei cursed and slapped it directly!

Snapped!

This slap directly slapped Liu Xiangyi’s face, and Liu Xiangyi also exclaimed, and she fell directly to the ground.

Her body even knocked the vase beside her to the ground.

Bang!

There was a crisp sound!

It was this sound that attracted Lin Kai’s attention.

“Fuck! I have to let you know how cruel Hua Shao is today!”

Having said that, Huanengyi directly pulled Liu Xiangyi up from the ground with a stab, and Liu Xiangyi’s bikini top was directly torn off by Huanengyi!

But Liu Xiangyi’s face was full of horror, she screamed, and desperately covered her chest.

After seeing this scene, countless men around, their eyes lit up.

They yelled, booed, and recorded pictures with their phones.

But no one stepped forward to help Liu Xiangyi, this is the world of the rich!

“Go away! Don’t touch me! Go away!”

Liu Xiangyi shouted.

And in Huan’s eyes, there were cold eyes.

“Hahaha! Isn’t it exciting? Let Lao Tzu go? Lao Tzu will show you how much Hua Shao is today!”

After all, the flower went to pull Liu Xiangyi’s underwear!

If he was pulled again, Liu Xiangyi’s bikini underwear would really be torn off!

Liu Xiangyi shook her head desperately, her eyes were filled with despair.

She regrets it, she shouldn't have come to work on this cruise ship, she should stay in school!

Even if the next semester is a bit harder, you shouldn't come to this place!

At this critical moment, a person quietly came to Liu Xiangyi!

Snapped!

This person directly grabbed Hua's big hand!

When Liu Xiangyi raised her head, she saw a familiar person standing in front of her.

It was a man about 1.8 meters tall. His skin was white and he was handsome. Although he was not strong, in her eyes, the figure of this man was so burly.

The person here is Lin Kai!

Lin Kai pushed away the flowers, and put Liu Xiangyi behind him.

And Liu Xiangyi hid behind Lin Kai as if grabbing a straw.

"How many old men, bullying a woman?" Lin opened his brows and frowned, with an unhappy expression on his face.

As soon as he came in, he saw Hua Budai attacking Liu Xiangyi naked to the top. Although he didn't know what happened, no matter what happened, a few big men couldn't bully a woman!

Lin Kai couldn't stand it anymore, so he directly stopped the flowers.

As soon as Lin Kai appeared, Hua's face immediately showed an angry expression: "Who the \*\*\*\* are you?"

Seeing the cooked duck fly away, how can he not feel angry in his heart?

Countless people in the bar also looked at Lin Kai. Before the good show was finished, someone jumped out and interrupted the good show. Many people on the scene looked at Lin Kai with disgust.

The few drunk and brawny behind Huabu lacked Lin Kai even more, showing unkind expressions on every face.

"Little flower! This kid just hit us at the entrance of the bar!" At this moment, a drunk man pointed to Lin Kai and said.

After listening to his words, Hua Buqi immediately looked at Lin Kai.

He looked at Lin Kai, nodded, and sneered at the corner of his mouth.

“Hehe, really this kid.”

“Fucking, I haven’t settled with you about the matter of hitting the flower girl just now, and now it’s a good thing that \*\*\*\* me, I think your kid is looking for death!”

Flowers are not lacking very arrogant.

But Lin Kai frowned, he glanced at Liu Xiangyi behind him, and then at the flower not missing.

“What did she do wrong? Are you actually doing this to her?” Lin Kai asked coldly.

“She didn’t do anything wrong, I fell in love with her! What?”

Hua does not lack hands in her pockets, tilting her head and looking at Lin Kai.

The corner of his mouth showed a playful smile: “Hehe, what? Want a hero to save the United States? Hahaha! You deserve it too?”

After listening to Huan’s words, a burst of laughter rang out.

The few drunk young men behind him all laughed.

After listening to them, Lin Kai frowned. There was no shortage of flowers and it was too arrogant!

Moreover, there were so many onlookers around, seeing this kid bullying, but no one stood up to help, which made Lin Kai extremely chilling.

“Hehe, a few old men bullied a woman, I think you guys want to die!” Lin Kai exclaimed coldly.

After listening to Lin Kai’s words, the smile on Hua Buqi’s face gradually disappeared.

“Boy, really treat yourself as a person, right?”

“Do you know who Lao Tzu is?”

“Lao Tzu is the eldest young master of the Donghai Hua family! Even the Li family is also a family friend with our Hua family! Li Shengxian is a brother of Lao Tzu!”

“Are you \*\*\*\* in my business?”

“Too much shit, do you want to kill you?”

Lin Kai sneered after hearing Huan’s words, “Hehe, Li Shengxian actually has your No. 1 brother? You are not like Li Shengxian. Although he is a dude, he is a person at any rate. You are dude, but you are not the same. people.”

After listening to Lin Kai’s words, Hua did not lack furious!

brush!

I saw Huabufei took out a black pistol from behind her!

The black pistol directly withstood Lin Kai’s head!

That is a large-caliber pistol! Desert Eagle! Black!

One shot can kill a person! Hit on the head, there is absolutely no possibility of surviving!

There was also an exclamation sound around.

Liu Xiangyi’s body trembled violently!

## **Chapter 965: Shoot And Die**

Chapter 965

This is a pistol! A genuine pistol!

At that time, the people at the scene did not even dare to breathe!

Hua did not miss the few Kuo Shao behind her, and the corners of her mouth showed a playful smile.

Liu Xiangyi grasped Lin Kai’s arm tightly. She was very scared at this time, but she was even more afraid that Lin Kai would be affected by herself!

He is a good man!

Hua Buqi tilted her head and sneered: “Heh, kid, what’s wrong with me?”

“Eat too much shit, right?”

“Kneel down!”

Hua Budai sat on the table, pointing the pistol directly at Lin Kai’s head.

But Lin Kai frowned, this kid actually has a gun? When you board the ship, you have to go through the security check! How did this kid get the gun?

It seems that his background is really hard, and he can actually get guns on this ship.

At this moment, Liu Xiangyi pulled Lin's arm, and she shook her head towards him.

"Otherwise, you should leave, their target is me, not you."

Liu Xiangyi whispered.

Even though she is scared now, she doesn't want to be burdened to Lin Kai because of herself.

After listening to Liu Xiangyi's words, Lin chuckled: "Oh, don't worry, I am here today to punish these scumbags."

After listening to Lin Kai's pretending words, Hua did not want to laugh.

"Hahahaha! Really laughed at me! I'm all dying, still pretending to be forced?"

"What a foolishness! Ignorance!"

"Boy, do you think I dare not shoot?"

While speaking, there was a hint of madness flashing across Hua's eyes.

I saw his thumb directly open the thimble, and now as long as his finger moves lightly, this gun will immediately eject a life-killing bullet!

"Boy, let me tell you, this is the open sea! Even if I kill you, no one will take care of you!"

"At that time, your corpse will float in the sea! No one will find out for a lifetime! Hahahaha!"

As he said, he laughed frantically.

And the broad youngsters behind him all smiled with their arms around.

In their eyes, Lin Kai's life was worthless.

Even if Lin Kai died in front of them, they would never have a trace of sympathy.

After hearing Huan's words, Lin Kai shook his head and said lightly: "It's really hopeless."

After listening to Lin Kai's words, Huabufei frowned.

"Boy, don't you kneel? Are you looking for death?" Hua Buqi was very annoyed at this time.

Lin Kai broke his good deeds, which made him very shameless. If Lin Kai knelt down, the face he did not lack of flowers would come back, and if he lacked flowers, he would naturally let Lin Kai go.

But Lin Kai didn't want to give him any money.

This made it impossible for Huanqiu to come to Taiwan. In this way, Huanqiu could only kill Lin Kai with one shot!

If it wasn't a last resort, Hua didn't want to shoot and didn't want to shoot people. After all, after killing people, it would have some impact on Li's cruise ship.

When Li Shengxian blames him, he will be scolded.

Lin Kai tilted his head and smiled slightly: "Hehe, do you dare to shoot?"

"If you dare to shoot, I dare to kill you, do you believe it?"

Lin Kai looked straight at the flower without any lack, his eyes didn't evade at all, there were only two words, that was confidence!

After seeing Lin Kai's look, even Hua Buqi panicked.

I don't know why, the current Lin Kai actually gave him an inexplicable pressure!

But he has no shortage of flowers! He can't admit it! Behind him, there are so many brothers watching!

"Boy, who are you scaring? Kneel down!"

Hua Bu lacked a loud roar, angrily.

Lin Kai smiled slightly. He didn't mean to kneel at all. Instead, he took a step forward and put his head on the muzzle of the flower.

"Shoot! Didn't you say that killing people on the high seas is illegal? Shoot!"

After listening to Lin Kai's words, a trace of ruthlessness appeared on Hua's face.

"Fuck! Boy, you insist on finding death, right?" Hua Bulian asked viciously.

In that case, don't blame Lao Tzu!

Behind the flower is not missing, there is such a person watching! If he doesn't shoot today, he won't be able to take this group of brothers out in the future!

He never thought that he would really meet a desperate one!

Lin Kai smiled slightly and said: "I said, you shoot and you die. I won't let anyone want my life. I don't care what Huajia Lijia is behind him, I want me. You must pay the price of your own life!"

Lin Kai's words put a lot of pressure on Hua.

Sweat also appeared on the flower's forehead.

I don't know why, Lin Kai in front of him can make him feel so nervous!

"I'm going to your mother!"

At that time, Hua did not lack a furious cry and kicked Lin Kai directly! He dare not shoot! But he has to clean up Lin Kai today!

At that time, Hua didn't lack the strength of a martial artist to burst out!

His kick was enough to kick Lin Kaiji into serious injuries!

Lin Kai's eyes narrowed, and he grabbed Hua's indispensable ankle with one hand!

And Hua Buca exclaimed. At this time, he found that his legs seemed to be unable to move suddenly! No matter how hard he tried, he couldn't move a bit of his leg.

When I looked down, I was surprised at the time when the flower was not missing.

Lin Kai grabbed his ankle with one hand! You know, he is a master of martial arts!

But Lin Kai can actually suppress him!

Is it possible that this Lin Kai is also an ancient warrior?

At this time, Lin Kai said coldly: "You are lucky, you didn't shoot. If you shoot, you are now a dead person."

"But, you just did such a brutal thing, today I will teach you a lesson for her!"

After all, Lin Kai directly swept up the flowers!

call!

The flower does not lack a weight of more than 100 catties, and it is just like a joke in Lin Kai's hand. Lin Kai directly swishes it with one hand!

Lin Kai let go, whoosh!

Hua's body was like a missile, and it flew out directly!

Boom!

Hua's body slammed into the wine rack! The wine rack just collapsed! Countless bottles of wine and beer were broken on the spot!

There was a crackling, and there was a sound of cracking wine bottles.

Hua's indispensable body was cut by sharp wine bottle fragments!

Then, a scream like a slaughter of pigs rang!

One hand solves the problem of no shortage of flowers!

Do not! To be precise, there is no shortage of flowers!

At that time, the scene was silent, and the few little brothers who were not short of flowers looked at Lin Kai stupidly.

This man is a bit fierce!

You know, no shortage of flowers is a master of martial arts! But this kid can still kill flowers in seconds.

This shows that this kid is also an ancient warrior!

## **Chapter 966: Conscience**

Chapter 966

At that time, the few younger brothers who were not short of Hua swallowed, not daring to approach Lin Kai.

Lin Kai's strength made them feel scared!

And everyone at the scene looked at Lin Kai blankly.

As soon as Lin Kai took a shot, he immediately killed the flowers without shortage! The truth shocked everyone.

At the same time, everyone admired Lin Kai's courage very much. When the opponent had a gun, Lin Kai was able to do it without fear. It was true that it made people fall into the ground!

And Liu Xiangyi also stared at Lin Kai blankly.

The performance of this man just now refreshed Liu Xiangyi's understanding of Lin Kai.

This man is so fearless and brave!

She always thought that the kind of man who dared to save the beauty by heroes and was not afraid that the other party had a gun was always the hero in the TV series.

But now, a real superhero is standing in front of her!

Moreover, this man is actually a little handsome!

Lin Kai put his hands in his pockets, a smirk appeared at the corner of his mouth.

He looked at the little brothers who are not short of flowers, playing with the taste: "What? You want to kill me too?"

Lin Kai narrowed his eyes, and a murderous intent came out of thin air!

At that time, the little brothers who were not missing all trembled.

Lin Kai smiled, their bodies were in the ice cellar. The feeling Lin Kai gave them was too dangerous!

Even if there is no shortage of flowers, he can kill them in seconds. If they are against Lin Kai, they will be nothing but cannon fodder!

At that time, the few brothers who were not short of flowers ran away!

The speed of running can be described as rapid. They set up the flowers lying on the ground and rolled. They just took a few breaths and disappeared into the bar.

After they left, bursts of discussion immediately burst out.

Countless onlookers at the scene pointed at Lin Kai.

Some people said that Lin Kai was very brave, while others said that Lin Kai was done.

But Lin Kai put his hands in his pockets and looked at so many people at the scene, a coldness appeared in his eyes.

He shook his head, the world was indifferent, which made him feel very chilling.

“Who is the boss?” Lin slapped the table and roared.

As soon as Lin Kai’s words fell, a fat short man walked over quickly, and a somewhat fearful expression appeared on the short fat man’s face.

“I am, I am...”

Lin Kai glanced at him and sneered, “Hehe, are you the owner of this bar?”

The person who can open a bar on this cruise ship is obviously not an ordinary person, but Lin Kai is still rude to him.

“I am, you are?” the short fat man asked cautiously.

He saw the scene where Lin Kai knocked over the flowers with one hand just now, he knew that Lin Kai couldn’t provoke it!

“Is she your employee?” Lin Kai asked, pointing to Liu Xiangyi.

The short fat man glanced at Liu Xiangyi, nodded immediately, and said, “Yes, she is a temporary worker recruited by our bar.”

“Aren’t temporary workers human?” Lin Kai yelled.

The shout made the bar owner’s neck shrink.

“She is your employee! You have an obligation to protect her safety! So many people onlookers, forget it, you \*\*\*\* her boss!”

“Looking at your employees being bullied, you don’t even dare to let go of a fart, and open your mother’s bar? Go home and farm!”

Lin Kai roared.

The bar owner was even blushing, unable to say a word.

Indeed, when Liu Xiangyi was bullied just now, he was watching from the sidelines, and he didn’t take any action.

Li Shengxian was not notified either.

He just held the attitude that nothing matters to him.

Lin Kai pointed at countless people in the bar, and said angrily, "If something happens to her today, you are all murderers!"

"Being a man, without a conscience, is it still a man?"

Lin Kai patted his heart, looked at several people present and questioned.

Countless people at the scene bowed their heads and said nothing.

Some of them felt very ashamed, but most of them were just afraid of Lin Kai and didn't dare to speak up.

"It's really unreasonable!"

"go!"

After that, Lin Kai pulled Liu Xiangyi's jade hand and directly dragged her out of the bar.

And Liu Xiangyi looked at Lin Kai who was walking in front of her foolishly.

Lin Kaiming was not strong, but Liu Xiangyi felt that the man in front of him was as stalwart as a mountain.

She felt very warm in her heart.

This man makes people feel safe, except for her father, no one can give her such a feeling.

The hero in the original novel really exists!

Liu Xiangyi's eyes stayed behind Lin Kai.

But Lin Kai's heart was still very angry.

He still felt that the people in the bar were unreasonable!

Soon after, Lin Kai took Liu Xiangyi back to the hotel.

Lin Kai directly took Liu Xiangyi back to his room, and in Lin Kai's room, cat sister and Zhu Manqing were arguing.

Seeing Lin Kai coming back, the two women stood up at the same time and walked towards Lin Kai.

“Lin Kai...”

Zhu Manqing just wanted to talk, but realized that Lin Kai's actually brought a woman back!

At that time, Zhu Manqing's eyes widened.

She just wanted to say something, but Sister Cat pulled a handful of Zhu Manqing, shook her head at Zhu Manqing, and signaled Zhu Manqing not to speak.

Zhu Manqing took a closer look and found that Lin Kai had a sullen expression on his face and his face was very ugly.

Seeing that Lin Kai's complexion was not good, Zhu Manqing didn't dare to speak anymore.

Cat sister and Zhu Manqing both looked at Liu Xiangyi.

Liu Xiangyi is really beautiful, and she has a very good figure, and she is very young, younger than Zhu Manqing and Cat Sister.

If Zhumanqing's advantage is her hot body and Maojie's advantage is mature and considerate, then the advantage of the woman in front of her is the combination of Maojie and Zhumanqing.

Not only is she beautiful, but she also has a good body, and she looks very well-behaved.

More importantly, she is very young and pure, and the breath of a college student cannot be imitated by Sister Cat and Zhu Manqing.

“Brother, who is she?” Cat sister asked very gently.

Lin Kaiping recovered his feelings and replied, “The waiter in the bar.”

“Then why did she follow you back?” Sister Cat asked again.

Lin Kai told the cat sister and Zhu Manqing what happened in the bar just now.

After Cat sister and Zhu Manqing listened, they were very angry.

Zhu Manqing hugged his arms and said angrily: “There is such a person now? It's too much!”

“If I were at the scene, I would definitely clean them up!”

At this time, the cat sister stood up. She saw that Liu Xiangyi's clothes were torn. She kept covering her chest. As soon as she let go, the bikini clothes would fall off.

"Sister, wait a minute, sister will bring you a set of clothes!"

"Thank you sister." Liu Xiangyi nodded obediently and said.

## Chapter 967: Happy Too Early

Chapter 967

Soon after, the cat sister went to get Liu Xiangyi clothes.

But Lin Kai looked back at Liu Xiangyi at this time. In the dim bar, Lin Kai didn't see Liu Xiangyi clearly.

Looking back, Lin Kai stayed for a while.

It's so beautiful, with collagen on one face, only two words can be used to describe her, perfect!

Full of youthful vigor, she can remind people of youth at a glance.

This is such a girl.

Lin Kai froze for a moment, and Liu Xiangyi lowered her head shyly.

She couldn't let go of her bikini suit. Now the bikini was torn. Lin Kai looked at her naked again, and she was really embarrassed.

Zhu Manqing couldn't stand it anymore. She pushed Lin Kai and said, "Lin Kai, are you looking at someone so straightforwardly? Your eyes are almost sinking!"

Lin Kai reacted and saw him smile very embarrassedly.

"Then what? You don't want to work in the bar anymore. Those few people may be watching you. You can live here in the future. When the ship returns to Jiangbei, you should go back to school."

After listening to Lin Kai's words, Liu Xiangyi also nodded.

Now even if she was asked to work in the bar again, she would not go, and the scene she experienced today will never be forgotten by her.

“Thank you.” Liu Xiangyi thanked softly.

“No thanks.” Lin chuckled.

At this time, Zhu Manqing spoke again: “Lin Kai, your room is for her, then where do you live?”

After listening to Liu Xiangyi’s words, Lin Kai helplessly said: “What do you think? I naturally open another room!”

After listening to Lin Kai’s words, Zhu Manqing rolled his eyes.

She thought that Lin Zhuan would live in her room.

Soon after, the cat sister took a dress and walked back.

Lin Kai and Zhu Manqing both walked out of the room, and soon after, Liu Xiangyi changed their clothes.

Lin Kai and Zhu Manqing entered the room again.

At this look, Lin Kai was dumbfounded.

Liu Xiangyi is more charming in her clothes.

The main thing is that cat sister actually put on Liu Xiangyi her clothes!

Cat sister’s clothes are very bold and unrestrained clothes.

Liu Xiangyi actually put on a black cheongsam! The cheongsam is very short, with a pair of beautiful legs exposed!

Sitting on the sofa, the plump figure couldn’t hide.

“Sister Cat, you...” Lin Kai didn’t know what to say at the time.

Cat sister hugged her arms and smiled triumphantly: “How is it? It looks good, right?”

“It looks good.” Lin Kai nodded subconsciously.

And Liu Xiangyi lowered her head in shame.

It is a bit embarrassing to be stared at by a boy so straightforwardly.

“You are not allowed to watch it if it looks good! Okay, there is nothing for you here, go out!”

Sister Cat was also a little unhappy, she directly pushed Lin Kai out!

boom!

The door to Lin Kai's room was directly closed, Lin Kai touched his nose, good fellow, his room, he was actually kicked out.

In desperation, Lin Kai had to leave the hotel.

Glancing at his watch, three hours have come.

Li Shengxian should have finished his betting, he should be waiting for himself in the casino now!

At that time, Lin Kai walked quickly towards the casino.

...

At this time, in the Ocean Casino, a group of people surrounded Li Shengxian with a look of surprise.

Li Shengxian has become the focus of the entire casino at this time!

As the person in charge of the Great Sea, Li Shengxian usually does not personally gamble, but after making an agreement with Lin Kai, Li Shengxian shows off his skills!

Kill the Quartet in the casino!

Soon after, everyone in the casino dared not gamble with Li Shengxian.

Because Li Shengxian won too much!

Among them, some of the chips were won by Li Shengxian by his skills! Some of the casinos deliberately lost to Li Shengxian. After all, Li Shengxian had a gambling agreement with others, but he couldn't make his young master ashamed.

I saw more than a dozen brawny men standing behind Li Shengxian!

These more than a dozen brawny men have a huge plate in their hands!

And in the plate, all are chips! In order to prove his strength to Lin Kai, Li Shengxian has exhausted all the means!

So many chips! In every plate, there are two thousand chips!

There are a dozen plates in total!

Add up, that is hundreds of millions of chips!

“Thirteenth Young Master, amazing! You are so amazing! In just three hours, you won more than three billion!”

“It’s amazing!”

“Thirteenth young man, that kid dared to compare with you, that’s just looking for death!”

And Li Shengxian’s face was full of triumphant expressions.

He is sure that he will win!

Competitive marksmanship, I am not Lin Kai’s opponent, Bi Swimming, I am not yet Lin Kai’s opponent, but Bi gambling, your kid is definitely not my opponent!

“Low-key, low-key.” Li Shengxian waved his hand and said to everyone.

At this moment, Li Shengxian began to look around. Why hasn’t Lin Kai appeared for so long?

“What about the kid?” Li Shengxian asked openly.

His men shook their heads, they didn’t even notice where Lin Kai went.

At this moment, a voice quietly appeared on the scene.

“Look for me?” Lin Kai appeared in the casino with a smile.

I saw that he was still playing with ten chips in his hand. These ten chips were the ten chips given by Li Shengxian.

After seeing Lin Kai coming from outside the casino, Li Shengxian raised his eyebrows.

After seeing the ten chips in Lin Kai’s hand, Li Shengxian smiled triumphantly.

“Hahahaha! Lin Kai, you know it’s not my opponent, so you just went out?”

“Three hours have passed, you still only have ten chips in your hand?”

“Your kid’s gambling skills are not good either!”

After listening to Li Shengxian’s words, Lin Kai also smiled: “Hehe, do you know I only have ten chips?”

Li Shengxian glanced at Lin Kai contemptuously, and said, "Are you blind to me? Don't you have ten chips in your hand?"

"Hahaha! Lin Kai, I am not your opponent, I am not your opponent, I am not your opponent."

"But better than gambling, you can't!"

"Lao Tzu's master is the God of Gamblers! Lao Tzu is responsible for this cruise ship! Lost? Hahaha!"

At this moment, I saw Li Shengxian sitting up, and he looked at Lin Kai very seriously.

"Now, it's time for you to fulfill the bet. Come on, call Big Brother to listen!"

The feeling of stepping on Lin Kai's feet is really cool!

At this time, Li Shengxian's superiority is back! Sure enough, no one among my peers is my opponent, Li Shengxian!

The people around also looked at Lin Kai playfully.

Lin Kai laughed when he heard this.

"Hahaha, Young Master Thirteen, you are too happy too soon!"

## **Chapter 968: Big Brother**

Chapter 968

After listening to Lin Kai's words, Li Shengxian laughed.

"Hahahaha! I am too happy too soon?"

"Look at the chips behind me!"

"More than three billion!"

Li Shengxian pointed to the bargaining chip behind him, and a dozen bodyguards behind him also took the bargaining chip and took a step forward.

All are 10,000 yuan in chips!

The corner of Li Shengxian's mouth showed a triumphant smile.

"Hehe, you have ten chips, what are you going to win against me?"

After that, Li Shengxian laughed playfully.

There was also a burst of laughter from the side.

The bet between Li Shengxian and Lin Kai was known to the people on the entire cruise ship, and countless people were waiting to see this good show.

With only ten chips in Lin Kai's hands, he definitely couldn't beat Li Shengxian.

"I said Lin Kai, don't be embarrassed, call Big Brother, Big Brother won't make it difficult for you." Li Shengxian said with a smile.

Lin Kai smiled helplessly and shook his head: "Hehe, I'm afraid I really can't scream with this big brother, because I won!"

After that, Lin Kai took out his membership card from his pocket.

After seeing Lin Kai's membership card, Li Shengxian also laughed out loud, "Puff ha ha ha! You actually have a card? You won't charge the card, right?"

"Tell you! We are more than who wins! It is not who recharges more money!"

Li Shengxian laughed.

There was also a burst of laughter around.

If Lin Kai charged the membership card with money, it would be too stupid!

"Also, Lin Kai, you left the casino so early, how much can you win?" Li Shengxian smiled and shook his head.

In his opinion, Lin Kai is determined to lose!

He just couldn't let go of his face now.

Lin Kai smiled helplessly when he heard the words, and said, "Hehe, this is not the money I charged. You can check it out."

After listening to Lin Kai's words, Li Shengxian rolled his eyes: "Hehe, I really don't want to die before Huanghe! Come here, check me how much money is in his card!"

Li Shengxian didn't panic at all.

He won more than 300 million in three hours and has already set a record for winning money in a casino.

Lin Kai didn't know anything about gambling. He even left the game two hours early. Even if he had money in his card, how much money could he have?

He can't win at all!

Soon after, the beautiful receptionist behind the counter returned with Lin Kai's card.

The face of the beautiful receptionist showed an embarrassed expression, but Li Shengxian did not notice.

"Say! How much money does Kari have!" Li Shengxian asked with a smug look on his face with a big wave.

And the beautiful receptionist hesitated, speechless.

"This this"

"What's this?" Li Shengxian looked at the receptionist's chirping appearance, and he was not happy at the time.

"Say!"

The beautiful receptionist gritted her teeth and said: "Thirteenth Young Master, there are more than 1.3 billion in this membership card!"

As soon as the beautiful receptionist said the words, the scene fell silent.

Everyone looked at the beautiful receptionist.

Some people even patted their ears, suspecting that they had heard it wrong.

what? 13 billion?

In one hour, that kid won 1.3 billion? Did you make a mistake?

The smile on Li Shengxian's face also instantly solidified.

"What...what?" Li Shengxian asked blankly.

He tried his best in three hours and only won more than three billion yuan, while Lin Kai won 1.3 billion yuan in one hour?

He won?

Li Shengxian couldn't believe it!

“Thirteenth Young Master, it is true, there are really 1.3 billion in this card!”

After listening to the beautiful receptionist, Li Shengxian did not respond for a long time.

Is it possible that even gambling is worse than others?

Li Shengxian’s face was flushed, and seeing Lin Kai’s confident smile, Li Shengxian felt very embarrassed!

Not as good as marksmanship, worse than swimming, and now even better than gambling, I am not as good as others!

No one at the scene dared to speak up anymore. The 13th Young Master was angry and everyone on the scene would suffer!

“These 1.3 billion, isn’t this kid doing it?” Li Shengxian asked with red eyes.

He is not reconciled! He was unwilling to lose like this!

The beauty receptionist glanced at Lin Kai and shook his head.

Lin Kai impressed her very deeply. She remembered Lin Kai. She knew that Lin Kai’s 1.3 billion yuan was not enough.

“Thirteenth Young Master, it’s not...”

“No?” Li Shengxian’s eyes widened again.

It’s not filled, so how did he manage to win 1.3 billion in one hour?

“Then how did he win money?” Li Shengxian asked.

At this point, someone has transferred the surveillance video over.

A man in black said: “Thirteenth Young Master, the investigation is clear.”

“Lin Kai played Jinhua with three people and won more than ten million with ten chips.”

“Later, one of them was angered, and the three people started to play Fighting Landlords, one of them, a dozen bombs, and one billion won!”

After listening to the man in black, everyone’s eyes widened.

WTF?

Doudizhu won a billion?

A dozen or so bombs to fight the landlord? Is that the \*\*\*\* landlord? Is that the landlord?

Li Shengxian stared blankly at the video recording in front of him. Although he didn't want to believe the scene before him, the scene before him was a real thing that happened.

"Then there are more than three billion?" Li Shengxian asked again.

At this time, even the black-clothed man's face changed a little, he was a little afraid to say.

"The remaining three hundred million, is... is..."

The black-clothed man was stubborn and speechless.

"What is it? Say it!" Li Shengxian asked extremely impatiently.

The black-clothed man gritted his teeth and said, "I played a slot machine!"

Slot machine?

When these three words came out, everyone's eyes widened.

Everyone knows that slot machines are the most cheating game.

The winning rate is completely controlled by the casino!

You can't win money by playing slot machines! Winning hundreds of thousands of chips is already a blessing accumulated in several lifetimes!

It is really ruthless to be able to win more than three billion with a slot machine!

"I want to watch the surveillance!" Li Shengxian roared frantically.

He remembers that he once said that the burst rate of slot machines should be adjusted to the minimum! One in ten million!

How did this kid win more than three billion with a burst rate of one in ten million?

This kid must have cheated!

But when he looked at the surveillance, Li Shengxian was dumbfounded again.

Lin Kai played normally, throwing coins, taking coins, there was no cheating at all.

Could it be that this kid is so lucky? Even with a burst rate of one in ten million, can he win money?

This is too lucky, right?

Li Shengxian looked at the computer screen blankly.

At this time, his face flushed, and he tossed for three hours and won three hundred million.

However, Lin Kai won 1.3 billion in just one hour!

This is the real God of Gamblers!

## **Chapter 969: Call The Shots For Me**

Chapter 969

Thirteen billion, right in front of Li Shengxian.

Li Shengxian's face was ashen, unable to say a word.

Have you won? No, he lost, he lost terribly!

Lin Kai put his hands in his pockets, came to Li Shengxian's face, and smiled playfully: "Heh, the thirteenth youngest, who is the big brother?"

Lin Kai looked at Li Shengxian mockingly.

And Li Shengxian lowered his head and couldn't say a word.

Lin Kai looked at Li Shengxian with a smile. To be honest, Lin Kai still appreciates Li Shengxian, because Li Shengxian is different from others.

Although he is dull, he is still more moral.

Speaking counts, this is what Lin Kai appreciates him.

"You won..." In the end, Li Shengxian sighed and admitted.

Although he was very unconvinced in his heart, it was a fact that Lin Kai won this matter after all.

He put forward the bet, and now that he has lost, he can only smash his teeth and swallow it into his stomach.

“Big Brother...” Li Shengxian lowered his head and snorted.

The voice is even smaller than the sound of a mosquito flapping its wings, so small that it is almost inaudible.

Lin Kai deliberately pretended not to hear clearly: “What? Didn’t hear clearly! Loud!”

Li Shengxian looked at Lin Kai viciously and said loudly, “Big Brother!”

After this sound, there was a burst of laughter.

Some people laughed without holding back.

After all, Li Shengxian is the thirteenth youngest member of the Li family! The Thirteenth Young Master has always been very arrogant on the boat! It’s really strange that he calls someone else’s eldest brother!

Lin Kai nodded and said with a smile: “Good brother, elder brother will love you well!”

“Humph!”

Li Shengxian snorted coldly. Without a word, he left the casino with his men.

He has no face to stay here anymore!

Soon after, Li Shengxian’s people were gone.

Lin Kai took the membership card in his hand and went directly to the front desk of Ocean Casino.

At the counter, it was the beautiful receptionist, and Lin Kai directly passed the bank card in his hand.

“All the money in this card is withdrawn.”

The receptionist took Lin Kai’s membership card with both hands and said, “Sir, this casino has clear regulations. All withdrawal procedures require handling fees.”

“How much?” Lin Kai asked.

“If you are 13 billion, you will be charged 33 million.”

I go, it’s so \*\*\*\* dark!

Lin Kai cursed in his heart, 1.3 billion yuan, he actually had to charge himself more than 30 million yuan in handling fees!

No wonder this casino makes so much money, it is purely the reincarnation of a vampire!

"It's dark." Lin Kai whispered.

"What?" The receptionist did not hear clearly, she looked at Lin Kai and asked.

"Nothing, withdraw cash."

Lin Kai said lightly.

This is Li Shengxian's casino. When they come to their casino, they have to abide by other people's rules. The 30 million handling fee is acceptable to Lin Kai.

Ten minutes later, when the withdrawal was completed, Lin Kai threw the membership card into the trash can and walked out of the sea casino.

By the way, there is one thing that has not been resolved.

Lin Kai suddenly remembered what Huang Tianshi had said to him. Thinking of this, Lin Kai walked quickly towards Li Shengxian's room.

...

As the person in charge of the Dahai cruise ship, Li Shengxian's treatment on the Dahai is naturally very different.

On the top floor of the cabin of the Sea, the first floor belongs to Li Shengxian alone.

Although the top floor area is the smallest, it is still very generous for one person.

In Li Shengxian's exclusive floor, there is a gym and a movie theater, and the living room is extremely large. Looking down from the top of the building, you can overlook every corner of the cruise ship, and you can also have a panoramic view of the sea in the distance. .

At this time, Li Shengxian was sitting on the balcony with a flushed face.

I just called Big Brother Lin Kai, which made Li Shengxian very unhappy.

He lost! And lost in the hands of a peer! Decades of arrogance was broken by Lin Kai alone!

After betting three, he didn't win a single one!

Ding Dong!

At this time, an electric bell rang in Li Shengxian's room, and someone was ringing the doorbell.

"Who?" Li Shengxian frowned and asked.

As soon as Li Shengxian spoke, an extremely young babysitter passed by and opened the door.

I saw several young people standing outside the door.

These young people were very embarrassed. The man in the lead, with a bandage, looked like a mummy.

The leader is naturally not short of flowers.

If it were not for his Hermes and Rolex, even Li Shengxian would not recognize him.

"Thirteenth Young Master!" Hua Buqi yelled, his voice was a grievance.

Li Shengxian glanced at the flowers, and he was also taken aback.

"There is no shortage of flowers?" Li Shengxian asked with doubts.

"Thirteenth Young Master, it's me!" Hua did not lack aggrieved shouting.

The Hua family is the first shareholder of the Li family, and Hua is not lacking in the big or young of the Hua family, and the relationship with Li Shengxian is naturally very good.

Li Shengxian was also taken aback when he saw that the flowers were so embarrassed.

"There is no shortage of flowers, what's wrong with you?" Li Shengxian asked.

"Shao Li, I was beaten on your boat! Look, I was beaten by that kid for all my injuries!"

"Shao Li, hit me on your boat, isn't this hitting you in the face?"

"I said I belonged to the Li family, he wouldn't listen! He also said that the Li family is a shit!"

Hearing that, Li Shengxian's fire was also rising.

He just lost to Lin Kai, his heart is upset! Now someone hit his brother on his boat! He can't bear it!

"Who? What's that kid's name?" Li Shengxian asked angrily.

Huabuca shook his head and said, "I don't know what his name is, but I remember him! Shao Li, the boat is so big, he can't run!"

Li Shengxian nodded, and said coldly: "Look! I will tell my subordinates to find!"

After that, Li Shengxian picked up the phone and just wanted to make a call when the doorbell rang again.

The little nanny quickly passed by and opened the door.

"Li Shengxian, are you here?"

After the door was opened, Lin Kai walked in leisurely from outside.

While looking around, he called Li Shengxian's name.

And Hua did not lack a few people waiting, all looked at Lin Kai.

After seeing Lin Kai, Hua's eyes were red, it was him! He also knew Lin Kai when he turned into ashes!

Hua did not miss the few people beside him, and they all saw Lin Kai. After seeing Lin Kai, they all gritted their teeth with hatred!

"It's him!" Hua Buqi yelled.

At that time, a few of Huan's staff directly surrounded Lin Kai!

They all know that Lin Kai is extraordinary, but now they are not afraid! Li Shengxian was right behind them, no matter how good this kid was, he would never dare to do anything to them in front of Li Shengxian!

Hua Buqi looked at Li Shengxian and said, "Thirteenth Young Master, this kid!"

"This kid just hit me outside, Young Master Thirteen, you have to be the master for me!"

Looking at Li Shengxian again, Li Shengxian also has a green face.

## **Chapter 970: The Ship Is Sinking**

Chapter 970 The Ship Is Sinking

He didn't expect that the one who was not short of flowers was Lin Kai!

You know, he just recognized Lin Kai as the big brother!

Although Li Shengxian was not convinced to recognize him as his eldest brother, so many people watched it! I first recognized him as the eldest brother, and then beat him up, how should the people on the cruise ship think of me?

So after seeing Lin Kai, Li Shengxian's face became very stern.

"Yeah, you are here!" Lin Kai put his hands in his pockets and said with a playful smile.

Huabuwei's eyes turned red when she saw Lin Kai.

"You \*\*\*\* dare to come here? Do you know where this is? This is where the Thirteenth Young Master lives! The Thirteenth Younger and I are good brothers!" Hua Bulian said arrogantly.

The few people around him surrounded Lin Kai even more, eagerly gearing up.

"Good brother?" Lin Kai laughed at that moment.

"Not bad!" Hua Bulan nodded heavily: "I and the Thirteenth Young Master are good brothers! As long as the Thirteenth Younger say a word, someone will immediately throw you into the ocean, do you believe it?"

"Boy, don't think that your cultivation base is higher than mine. Tell you! This cruise ship is escorted by masters of the martial arts level!"

After all, a triumphant smile appeared on Hua's face.

What if your kid's cultivation base is higher than mine?

On this cruise ship, there are two martial arts masters following!

Just a word from Li Shengxian can kill you immediately! Anyway, this is the open sea!

At this time, Hua Buwei looked at Li Shengxian and said, "Thirteenth Young Master, this kid has beaten me like this, you have to be the master for me!"

And Li Shengxian had a green expression on his face.

Lin Kai put his hands in his pockets and smiled playfully: "Hehe, thirteenth young man? Logically speaking, he has to call me Big Brother."

After listening to Lin Kai's arrogant words, Hua was furious at the time.

"Do you \*\*\*\* dare to talk to the Thirteenth Younger like this? The Thirteenth Younger calls you the eldest brother? Who the \*\*\*\* do you think you are?"

“Boy, let me tell you! It’s okay to be disrespectful to me, disrespectful to the Thirteenth Young Master, no!”

Hua Budai slapped Li Shengxian’s flattery while scolding Lin Kai.

But he didn’t know, he slapped the ponytail!

At that time, Li Shengxian roared: “Enough! Don’t make a noise!”

Li Shengxian yelled, and the scene immediately became quiet, and everyone looked at Li Shengxian.

Li Shengxian looked at Lin Kai with a ferocious expression, and said, “Why are you not short of flowers?”

Huadu was stunned for a while, listening to his tone, Li Shengxian seemed to respect Lin Kai!

And Lin Kai smiled and said, “Li Shengxian, is this your attitude towards Big Brother? Call Big Brother!”

After listening to Lin Kai’s words, Li Shengxian’s face was pale, he lowered his head and whispered: “Big Brother...”

“What?”

At that time, everyone at the scene was shocked!

Hua is not lacking and his eyes widened.

Lee Seung Hyun called him eldest brother? This kid is really the eldest brother of the Thirteenth Young Master?

At that time, Hua Bucai and the others looked at each other and panicked. If the eldest brother of the thirteenth youngster hit them, even if they killed them, they couldn’t fart!

“Hey!” Lin Kai agreed with a squinting smile, with a beating smile on his face.

“Why am I hitting them? It’s easy to say.”

“This kid is molesting a female college student in a bar, and he has to take off other people’s clothes in front of so many people to humiliate them.”

“I didn’t please my eyes, and helped the female college student. This kid also took a gun out and said he would kill me.”

Lin Kai told the truth.

And after Li Shengxian listened, he looked at the flowers fiercely.

Hua did not want to do this, it was simply ruining his reputation of Li Shengxian!

“There’s no shortage of flowers! You won’t be wronged by this fight!”

Li Shengxian said angrily.

Hua did not want to wipe the sweat from his forehead, he also wanted to cry without tears.

Although he knew what he did to let Li Shengxian know, Li Shengxian would be unhappy.

But he didn’t expect that the kid who beat him was Li Shengxian’s eldest brother!

“Thirteenth Young Master, I was wrong, I didn’t know he was your big brother!”

“If I knew he was your elder brother, I wouldn’t dare to point a gun at him if I killed me!”

It’s okay not to talk about the big brother, but Li Shengxian is even more angry when he talks about the big brother.

“There’s no shortage of flowers! Get out of here! Go back to your room! If I find you dare to step out of the door of the room, I will crippled your leg!”

Li Shengxian roared.

Seeing Li Shengxian making such a big fire, Hua was trembling all over.

In his opinion, it must be because Lin Kai’s background was too hard, which made Li Shengxian scared, so he would be angry at himself.

“Yes, yes, I’m going back now, not going out.” Hua Bulian nodded quickly.

Afterwards, he looked at Lin Kai again and said with a smile: “I have eyes but no knowledge of Taishan, brother, I was wrong, you forgive me once, and I will never dare anymore.”

Lin Kai looked at him with a smile, and said, “Go away.”

“Thank you, brother, thank you, brother.”

Hua Budai hurriedly thanked him, and then he waved his hand and ran away from Li Shengxian's room with his own people.

Soon after, the group of people disappeared.

But Lin Kai found a place to sit down, and unceremoniously made himself a cup of tea.

"Are you coming to me for something?" Li Shengxian asked in a very unhappy tone.

He didn't want to see Lin Kai at all now.

Lin Kai smiled slightly and said, "Hehe, I'm here to ask you."

"Request?" Li Shengxian frowned upon hearing the words: "Lin Kai! Don't be too much! Although I lost to you, call you big brother, but you don't really use me as a younger brother!"

When Lin Kai saw Li Shengxian getting angry, he also smiled slightly, and said, "Haha, don't be angry, my request is very small, you can definitely meet it."

"What's the requirement?" Li Shengxian took a long breath after hearing this, calmed himself down, and asked.

"It's that simple to take the cruise ship to the nearest island and change the route." Lin Kai smiled lightly.

After sailing to the high seas, the cruise ship Dahai would have turned around on the high seas like a headless fly. When the time comes, the cruise ship will return to the China waters.

It is not a big problem to let the cruise ship go near the island.

"That's the matter?" Li Shengxian raised an eyebrow and asked.

Lin Kai nodded and said, "It's just such a thing, can you agree?"

"It can be, but you must let me know why?" Li Shengxian asked curiously.

Although this requirement is indeed not difficult, Li Shengxian is curious why Lin Kai did this.

"Because I have a hunch that the ship is sinking, and we will lean on the island so that all of us can survive."

After listening to Lin Kai's words, Li Shengxian was stunned.

He didn't react for a long time.

After dozens of seconds, Li Shengxian looked at Lin Kai like a fool: "What? The boat is sinking? Are you afraid that your mind was squeezed by the door?"

## Chapter 971: This

Chapter 971

The cruise ship is sinking?

This is simply an international joke!

The Ocean has been traveling at sea for so many years, and nothing has happened!

Shipwreck? This is impossible!

Li Shengxian believes that Lin Kai is just talking nonsense!

Lin Kai was also a little helpless. He understood why Li Shengxian didn't believe him, but this matter was true and could not be delayed for a moment.

"I didn't lie to you, anyway, just listen to me. Call the captain right now and ask him to drive the boat to the nearest island." Lin Kai said anxiously.

Li Shengxian rolled his eyes when he heard the words.

Anyway, this matter did not lose much to him.

At that time, Li Shengxian slowly picked up the phone on the table and called the captain.

"Hey, me, Li Shengxian."

"Send the boat to the nearest island."

"Why? How can there be so many reasons? If you let you drive, you can drive!"

After all, Li Shengxian directly hung up the phone.

Afterwards, Li Shengxian looked at Lin Kai and said impatiently: "All right?"

Lin Kai nodded and said, "Well, you will thank me."

After listening to Lin Kai's words, Li Shengxian waved his hand impatiently and said, "Forget it, you, don't come to me in the future. I call you big brother, but it doesn't mean

that you are really my big brother, and I don't believe it either. The ship will sink, hurry away."

Li Shengxian didn't want to see Lin Kai for a second, he just wanted Lin Kai to leave soon!

Lin Kai smiled upon hearing this and walked directly out of Li Shengxian's room.

...

Soon after, Lin Kai returned to the hotel on board.

Although the hotel facilities on the ship are very good, it is after all a hotel opened on a ship. The scale is far from that of a hotel opened on land. There is only one floor and the rooms are limited.

Lin Kai came to the front desk of the hotel and said, "Hello, help me open another room, thank you."

The beautiful receptionist smiled apologetically at Lin Kai and said, "Excuse me, sir, our hotel is full and there are no more rooms."

"The room is full?" Lin Kai frowned.

Now Liu Xiangyi lives in her own room and she has no place to live.

And the rooms in the hotel on board are very small, with only one bathroom and one small room.

It seemed that I could only make do with Lao Huang, when Lin Kai walked quickly to Lao Huang's room.

But as soon as he arrived at the door of Lao Huang's room, Lin Kai, who was about to knock on the door, suddenly heard a sound that was inappropriate for children.

"Ah! Ah! Ah!"

"Old Huang! You are so fierce!"

"Unexpectedly, the world champion's kung fu on the bed is so great!"

"Sister, he is so amazing!"

...

Two women's voices came from the room.

Lin Kai's ears are so strong that he can hear it, but ordinary people can't hear the sound in the room.

Old Huang is fine! You can do two! And it sounds like Lao Huang seems to be very powerful. Is it possible that he didn't lie to himself? Is he really fierce?

At this time, Lao Huang's voice came: "Hahaha! That is! Look, this trick is called, Flying Dragon is in the sky!"

Lin Kai really didn't want to listen to the next voice.

It's over, what should I do? Two women lived in Lao Huang's room! I definitely can't disturb Lao Huang's sexual life, after all, if he is unhappy, he won't tell himself where Lin Yuan is.

It seems that I can only go back to my room first, pack my belongings, and go to sleep on the deck below.

Lin Kai was helpless.

Although the night at sea was very cold, Lin Kai's resistance was excellent, even if he slept on the deck, he would not catch a cold.

At this time, in Lin Kai's room, Liu Xiangyi was taking a shower in the bathroom.

She took off her clothes, picked up the shower head, opened the shower head, and took a bath in the bathroom.

At this moment, with a click, the door of the room opened.

Liu Xiangyi was frightened and shivered all over, and looked outside the bathroom door.

She is now extremely insecure.

After all, she was bullied by that \*\*\*\* just now, she is very sensitive to everything now!

She closed the shower head, wrapped a bath towel around her body, and carefully looked towards the bathroom door.

She quietly opened a gap in the bathroom door and looked outside.

At this moment, a man's face appeared before her eyes.

"Ah ah ah ah ah!"

There was a scream, and Liu Xiangyi was so frightened that she pushed open the door of the bathroom!

And Lin Kai stood outside the bathroom door with an awkward look.

As soon as Lin Kai entered the room, he found that Liu Xiangyi was taking a shower. Lin Kai quietly picked up his things and wanted to leave. He did not expect to collide with Liu Xiangyi face to face.

After seeing that it was Lin Kai, Liu Xiangyi stopped screaming and breathed a sigh of relief.

“Lin...Mr. Lin...” Liu Xiangyi covered her chest and looked at Lin Kai and the luggage in his hands.

“Why are you going?” Liu Xiangyi asked curiously.

Lin Kai smiled slightly and said, “You live with me, I’ll go out to live.”

“Where do you live? I asked. The hotel has no rooms. I wanted to open a room at my own expense. After all, Mr. Lin, you helped me so much. I’m sorry to make you spend money!”

Liu Xiangyi said softly.

It turned out that this little girl had already opened a room, and she knew there was no room.

Lin Kai scratched his head and said, “Can’t you let a girl sleep outside, right? I’m going out to live.”

“Sister Cat and Sister Qing are not your girlfriends, where do you live?” Liu Xiangyi asked cautiously.

Feelings, this little girl knows everything.

“I live on the deck.” Lin Kai had no choice but to tell the truth.

“No way, no way!”

Hearing this, Liu Xiangyi held Lin Kai at that time, very emotional.

“You are my benefactor, how can you live on the deck? You live here, I will live on the deck!”

After all, Liu Xiangyi hurriedly wanted to pack her luggage.

Lin Kai hurriedly pulled her, but Liu Xiangyi's body was too slippery. Lin Kai didn't hold one, and instead tore off Liu Xiangyi's bath towel!

At that time, Liu Xiangyi's bath towel fell directly to the ground.

But Liu Xiangyi's body directly froze in the air.

Lin Kai's face was also embarrassed.

Although Liu Xiangyi turned her back to Lin Kai, the back of Liu Xiangyi was all shown in front of Lin Kai!

That s-shaped curve!

White and flawless skin!

Looks like a bomb can be broken!

That beautiful back is smooth and without any flaws, just like a piece of peerless jade!

The wet hair draped over his shoulders was a fatal allure.

A pair of beautiful legs, fat and thin is better, extremely plump!

At that time, Lin Kai was excited.

"This..." Lin Kai hesitated, speechless.

And Liu Xiangyi's reaction also surprised Lin Kai.

## **Chapter 972: Shocking Pirates**

### Chapter 972

If it's a normal woman and the towel is torn off, the first reaction is definitely to scream!

But Liu Xiangyi's reaction surprised Lin Kai.

Liu Xiangyi's first reaction was to cover her face first!

Lin Kai saw that Liu Xiangyi's face turned red after brushing, even the roots of his ears were red! She didn't mean to pick up the bath towel or scream at all, just turned her back to Lin Kai and covered her face!

"I...I didn't mean..." Lin Kai explained hurriedly.

And Liu Xiangyi's gentle and shy voice came: "It doesn't matter, but... can you keep staring at me..."

After hearing this, Lin Kai realized that he had been staring at Liu Xiangyi, and it was indeed rude to keep staring at Liu Xiangyi in this way.

After all, she is still a yellow girl.

"Sorry, sorry."

Lin Kai quickly turned around and said, "You can put on your clothes first."

Lin Kai said.

"Hmm..." Liu Xiangyi's softly agreed voice came from behind.

Then, from behind Lin Kai came the sound of Liu Xiangyi wearing clothes.

Soon after, Liu Xiangyi's voice came: "I'm ready."

Lin Kai turned around and stayed for a while.

It seems that Liu Xiangyi took her clothes back, and she put on her own clothes.

The bottom of the body is a pair of tight jeans, which are very close to the body, which outlines her hot body.

The upper body is a very refreshing white T-shirt, worn by a large student, simple, but full of youthful vitality.

Coupled with Liu Xiangyi's peerless face, he can even kill a group of otaku!

At this moment, Liu Xiangyi whispered: "Mr. Lin, I'm bothering you, I'm leaving now."

After all, Liu Xiangyi was ready to pack her clothes.

Lin Kai quickly stopped her: "Don't you, you are a girl, where can you go after leaving here?"

"I'm going to squeeze in Zhumanqing's room, you still don't leave."

Upon hearing this, Liu Xiangyi looked at Lin Kai and asked, "Will Sister Qing let you live?"

Lin Kai nodded vowedly, and said, "Yes."

Hearing this, Liu Xiangyi still hesitated.

Lin Kai pretended to be angry and said, "If you leave, I will be angry! I won't care about what others do to you then!"

Lin Kai even coaxed and deceived Liu Xiangyi as expected.

Liu Xiangyi nodded repeatedly: "I listen to Mr. Lin."

"It's about the same."

Lin Kai nodded with satisfaction.

After that, Lin Kai took his luggage and left the room.

As soon as he left the room, Lin Kai had two big heads. On the left was Zhu Manqing, and on the right was Cat sister. Both of them stared at Lin Kai!

They all know that Lin Kai will move out, so they are all here waiting for Lin Kai!

"Lin Kai, this lady allows you to live in my room!" Zhu Manqing said proudly with an akimbo.

And the cat sister has a charming appearance: "Smelly brother, sister's bed is warmed up for you!"

Lin Kai is the first and the two older, both women are very attractive, no matter who they choose, they are bound to offend the other.

"I said, can you come to me again after discussing it? This makes me very troubled!"

Lin Kai wanted to cry without tears.

"Lin Kai! I don't care, you have to make a choice today! Go to her room or to my room?" Zhu Manqing shouted with arms akimbo.

Cat sister looked at Lin Kai with a charming expression, and even licked her lips: "Smelly brother, come on, sister is very good at taking care of others."

Lin Kai was speechless.

"I'm going to sleep on the deck."

After all, Lin Kai walked out without saying a word.

"You!" Zhu Manqing stomped angrily as he looked at Lin Kai's back.

“Lin Kai! Don’t come back when you leave!”

“Brother, sister’s door is always open for you!”

...

Soon after, Lin Kai came to the deck.

The sky is getting dark, the wind on the deck has also cooled down, and there are not many people on the deck.

Lin Kai casually found a recliner and lay on the recliner and looked at the sky.

Cold? He doesn’t think.

Not long after, a person appeared beside Lin Kai.

Tianshi Huang didn’t know when he came out of the hotel. He wore a gray robe and appeared beside Lin Kai.

“Yeah, the battle is over?” Lin Kai asked playfully.

Huang Tianshi smiled slightly and said, “Hehe, that’s all outside the body.”

“You still have business?” Lin Kai asked with a helpless smile.

Tianshi Huang nodded very seriously and said, “Well, coming soon.”

“What’s coming?” Lin Kai asked, sitting up.

Lin Kai’s heart also plopped and jumped. Could it be that the cruise ship under their feet is about to sink?

“There is still half an hour.” Huang Tianshi said.

“My heartbeat is very fast.” Huang Tianshi looked at Lin Kai and said.

Lin Kai heard this and immediately looked at the surrounding sea.

There are only two reasons for the sinking of the Haihai ship.

The first one, the waves overturned the Great Ocean!

The second one is artificial!

People on the cruise ship will naturally not try to overturn the cruise ship, so there is a possibility that it is pirates.

pirate?

It is said that the Li family has a good relationship with the pirates on the high seas! It shouldn't be! Lin Kai was very curious.

He looked towards the sea.

Despite the darkness on the sea, Lin Kai still looked around with his powerful golden pupil.

After watching for a long time, Lin Kai narrowed his eyes.

He saw that a large ship was approaching in his direction!

That is a frigate!

The destroyer looks a bit old, but it is a real destroyer, a military destroyer!

What was hung on the destroyer was not the national flag of any country, but a huge skull!

"Black skull, what banner is this?" Lin Kai asked curiously.

Tianshi Huang on the side said: "The pirate group is shaking."

Shocking pirate group?

Lin Kai looked at Huang Tianshi: "Do you know this pirate group?"

Huang Tianshi glanced at Lin Kai and said, "Maybe you alone don't know. The Shocking Pirate Group is very famous in the high seas. This Pirate Group is the largest pirate group in the world!"

"The island occupied by the Shocking Pirate Group is as big as a city in China!"

"There are tens of thousands of people on that island!"

"They make a living by looting and collecting protection fees. The Shocking Pirates are very rich."

After listening to Huang Tianshi's words, Lin Kaixin was surprised.

"I think I should know why the ship sank."

At this time, Lin Kai quickly ran towards Li Shengxian's room.

Lin Kai wants Li Shengxian to speed up the boat! Must not be overtaken by the destroyers of the shaking pirate group! Otherwise, it must be hard to escape the fate of the sinking ship!

Lin Kai dashed all the way to the door of Li Shengxian's room. Without knocking, he kicked the door open!

## Chapter 973: Director Wang

Chapter 973

boom!

With a loud noise, Li Shengxian's door was kicked open by Lin Kai!

And Li Shengxian, who was taking a bath in the bathtub by the balcony, was taken aback!

Lin Kaifeng rushed in violently and came directly in front of Li Shengxian.

And Li Shengxian subconsciously covered himself, and looked at Lin Kai nervously: "What are you doing?"

Lin Kai said anxiously, "Call the captain! Let him drive the boat as fast as possible!"

Li Shengxian looked at Lin Kai like a fool, and said, "Are you crazy?"

"What's wrong?"

Li Shengxian could not understand Lin Kai, nor could he understand.

"Quick! The pirate ship is about to catch up!" Lin Kai said anxiously.

"Pirate ship?" Li Shengxian laughed at that time.

"Hehe, please, the relationship between our Li family and the shaking pirate group has always been very good, come here, and they won't take us anything."

"What a fuss."

Having said that, Li Shengxian lay back in the bathtub, taking a bath happily.

good relationship?

Lin Kai frowned.

Could it be possible that the shipwreck of the Ocean Cruise ship was not a pirate? But what can it be if it is not a pirate?

“Are you sure that the shaking pirate group is not hostile to us?” Lin Kai was still a little worried, he asked.

Li Shengxian waved his hand and said, “Don’t worry! No one will move our Li family! Do you know how much we pay for the protection of the pirate group a year?”

“One year is 10 billion!”

Ten billion a year? That’s a huge sum of money!

At this time, Lin Kai also began to doubt whether his judgment was correct. The relationship between the Shocking Pirates and the Li family is so good, shouldn’t they move the Li family’s ship?

“How far is it from the nearest island?” Lin Kai asked.

Li Shengxian replied casually: “Come on, a few nautical miles away.”

This is good news. Lin Kai only hopes that the boat can only reach nearby islands quickly. In this case, even if the boat sinks, Lin Kai is not afraid.

He is not afraid of death, he can escape by himself.

But what about the others on the boat?

Aside from the cat sister Zhu Manqing and Huang Tianshi, there are tens of thousands of people on board, and those people are innocent lives!

Lin Kai has an obligation to rescue them, because Lin Kai is a Chinese soldier!

Lin Kai nodded and left Li Shengxian’s room.

“Damn, sick.”

Li Shengxian cursed, after Lin Kai left, he got up and wiped his body with a towel at random, put on a whole suit, and went out.

The two came to the deck together.

The pirate ship on the distant sea was getting closer and closer to the Sea, and everyone else on the ship also discovered the existence of the pirate ship.

After seeing the pirate ship, Li Shengxian showed a playful smile on his face: "I really haven't seen the world before. After the boss of the pirate ship comes over, I have to call me the Thirteenth Younger, do you believe it?"

Lin Kai glanced at Li Shengxian and asked, "Are you familiar with these pirates?"

Li Shengxian nodded and said, "Of course, they are all my good buddies!"

Lin Kai nodded.

Now he can only pray that it is not these pirates who caused the shipwreck of the Sea.

Not long after, the destroyer was already close to the Sea.

The people in the cabin were also alarmed by the movement outside, and there were many people on the deck, all of whom were pointing to the pirate ship, without any fear.

It seems that the Li family has a very good relationship with the pirates, everyone knows!

At this time, Lin Kai also breathed a sigh of relief.

Soon after, the destroyer sailed not far from the Sea.

Lin Kai saw that there were hundreds of people on the destroyer.

There are hundreds of people, including white people, black people, and yellow people. Most people who come to be pirates are wanted criminals in various countries.

They are dressed very casually, some only wear a pair of shorts, some wear ancient clothes, and some are strangely dressed in armor.

But their weapons are very powerful.

All ak47!

One man!

And, there are cannons on the destroyer!

The bazooka was thrown all over the ground!

At this time, Li Shengxian waved to the pirates, and the pirates also waved to Li Shengxian to signal Li Shengxian to stop the ship.

As soon as Li Shengxian waved his hand, someone immediately lowered a rope ladder to provide the pirates on board.

The pirates climbed directly up the rope ladder.

A dozen pirates climbed up.

Most of the dozen or so pirates were black, with a minimum height of 1.8 meters and a burly figure.

And around their necks, ak47 rifles are hung.

As soon as they boarded the boat, they directly set up their rifles and aimed them at the crowd, with unkind smiles on their faces.

The leader is a yellow race.

He looks more than 40 years old, wearing a gray leather jacket, a pair of cropped trousers, and a pair of bright leather shoes under his feet.

There is a revolver hanging from his waist, and there is a moustache under his nose, which looks like a traitor.

At this time, Li Shengxian pushed Lin Kai and said, "Is there anyone in the yellow race? The person in charge of this pirate ship, who is in charge of hundreds of pirates, usually has to call me the thirteenth boy when we meet."

After all, Li Shengxian straightened his tie and strode over, his face full of confidence.

"Director Wang, why are you here?" Li Shengxian smiled slightly and came to the group of pirates.

He Li Shengxian is the owner of this group of pirates! If it was normal, they would have come here to please Li Shengxian.

But now, none of this group of pirates moved.

Director Wang also glanced at Li Shengxian, with a sneer on his face.

"Heh, our site, come as you want, can you control it?" Director Wang said extremely arrogantly.

Don't give Lee Shengxian face at all!

And Li Shengxian's face also showed an awkward expression.

“Director Wang, is there anything going on?” Li Shengxian then asked.

Director Wang directly took out the revolver in his hand and looked at everyone on the cruise ship.

“Everyone, raise your hand for Lao Tzu!”

After all, Director Wang fired three shots directly into the sky!

Bang bang bang!

Three shots sounded! At that time, there was a screaming sound from the ship!

“Raise your hand to Lao Tzu! Who the \*\*\*\* dared to run into the cabin, Lao Tzu shot him!” Director Wang roared.

At this time, everyone calmed down, and everyone raised their hands.

“Hold your head and squat down!” Director Wang shouted again.

The dozen or so black pirates behind him all set up the ak47 in their hands at this time, and looked at everyone on the ship with enthusiasm!

And Li Shengxian’s face changed at that time.

“Director Wang, what are you doing? We are all partners!”

Director Wang glanced at Li Shengxian contemptuously: “Heh, partner? Are you worthy?”

Do you like this site? Donate here:

## **Chapter 974: The Lion Has A Big Mouth**

Chapter 974

Do you deserve it? Li Shengxian was speechless at the time.

Director Wang doesn’t give him face at all!

And Lin Kai also covered his face. It seems that the shipwreck incident was really caused by these pirates!

“Director Wang, I don’t understand! Didn’t we cooperate well before? Why did you turn your face all at once?” Li Shengxian asked with confusion and anxiety.

You know, the people on board are very big!

If something goes wrong with them, the Li family will definitely go bankrupt!

Director Wang sneered, and he patted Li Shengxian's face: "Haha, when the old master was there, you covered your Li family. I also respect you as the thirteen youngest. Now the old master is gone, you are a \*\*\*\* one. fart!"

Hearing this, Li Shengxian took three steps back then with a sullen expression.

what? The old master is gone?

Lin Kai was very puzzled. He pushed Huang Tianshi on the side and asked, "What's the situation?"

While sitting on a recliner and picking his feet, Huang Tianshi replied: "The Shocking Pirate Group is very large! There are tens of thousands of black, white, and yellow people."

"The old man is the Chinese national and the leader of the pirate group."

"But now it seems that the old master should not be there anymore. After all, the old master is a Chinese national and he still takes good care of the Chinese national."

"It may be that the whites and blacks have become the new leaders of the pirate group. That's why they are so arrogant and domineering. They are preparing to turn their faces with the Li family. After all, this boatman is far more valuable than ten billion."

Upon hearing this, Lin Kai also nodded.

There are tens of thousands of people in this boat! Each is worth a lot of money, and the money drawn from them is more than the money the Li family gives in a year!

"Go! Chase out all the people in the cabin! Don't leave any of them!"

After all, a dozen black people behind Director Wang immediately walked into the cabin.

The people at the scene were motionless, afraid to move at all.

Li Shengxian's face was pale, he is the person in charge of the cruise ship, and the people behind him shouldn't have any problems!

"Director Wang, even if the old boss has passed away, we can still cooperate! You call the group, our Li family is willing to spend 20 billion yuan a year, the money is easy to negotiate!"

After listening to Li Shengxian's words, Director Wang laughed at that time, and he touched his eight-character Hu: "Li Shengxian, now the pirate group is not in the era of the yellow race, and the black race is in charge!"

"Black people hate yellow people the most. When I came out, the master told me that as long as I meet the ships of China, search them out! People want to kill a few!"

"Li Shengxian, I think we are all Huaxia people for the face, I will not kill your people, I am giving you face!"

"I will give you a face, you have to want it!"

After that, Director Wang sneered.

And Li Shengxian's face was green.

On the destroyer under the cruise ship, hundreds of people aimed at the people on board with AK47, and the artillery and bazooka were all set up.

Although they only have hundreds of people, their firepower is not something ordinary people on the cruise ship can bear.

I saw more and more people being driven to the deck by the dozen black men with guns.

Before long, all the people on the deck were people!

Everyone squatted on the deck with their heads in their arms.

And Liu Xiangyi and the others were also driven out.

Director Wang saw that the people were almost there, and he also started his actions.

I saw him standing on the bow of the boat with a loudspeaker. He looked down at everyone on the boat and shouted with the loudspeaker: "Everyone on the boat, let me listen!"

"I am a member of the Shocking Pirates! I am the director of the Shocking Pirates!"

"Now, it's time for you to spend your life!"

"Everyone gave Lao Tzu a billion!"

"If you can't take it out, I shot him! If you take it out, you can survive!"

After all, with a bang, I saw a big red box in front of Director Wang!

Inside the big box, all are square-shaped cards with the logo of the Shocking Pirate Group printed on the cards.

“One billion! Buy a pirate group business card from Lao Tzu! One business card can keep two people safe!”

“I only sell it for an hour! After an hour, I will kill all those without business cards!”

After listening to Director Wang, there was a loud noise on the ship.

“Oh my God! A billion to buy two lives? Isn't this a robbery?”

“This is robbery!”

“What should I do? Didn't it say that there will be no accidents when playing on Li's boat? What can I do now?”

“I can't get a billion!”

“It's over...”

At that time, there was a loud noise on the scene.

Although the people on board are rich people, the wealthy people don't have a lot of liquidity. It is also a big challenge for them to come up with a billion.

If you can't get a billion people to die, the people on this ship will die seven out of ten!

Although there are so many deaths, the shaking pirate group can still obtain a huge fortune!

One billion for two people, ten billion for twenty people, you can get it!

There are tens of thousands of people on this ship!

Li Shengxian's face was green.

If it is true as that person said, their Li family has offended everyone on the ship!

After they return to China, their Li family will suffer wild revenge from them!

But Li Shengxian has nothing to do.

At this moment, Li Shengxian took out his cell phone tremblingly, and he wanted to call his father!

There are dedicated signal base stations on the ship, and you can make calls on the ship, but the signal may not be good.

“Li Shengxian, don’t waste your efforts. Even if you call your father, you won’t be able to change our commander’s orders.”

“I will give you a quota of ten people. You can keep these ten people. I will not move them.”

“For the sake of getting acquainted, this is the greatest forgiveness I have given you.”

After that, Director Wang no longer looked at Li Shengxian.

At this time, Lin Kai also clenched his fist.

What should I do to save everyone on the boat?

Lin Kai himself is not afraid of bullets, but with so many guns and so many bullets, Lin Kai can’t stop it no matter how strong it is! They opened fire together, and there was bound to be a large number of deaths on board!

Lin Kai is thinking of a solution, and Li Shengxian is also thinking of a solution.

He gritted his teeth and roared: “The two elders of the Li family! Excuse me!”

Li Shengxian shouted! Whizzing!

I saw two figures leaping down from the top of the cabin!

Those were two old men in black robes.

The old man is already about 60 years old, the two looks extremely similar, and the aura is terrifying, these are two martial arts-level powerhouses!

These two powerhouses are also used to \*\*\*\* the Great Sea!

The two martial arts-level powerhouses stood directly behind Li Shengxian.

Anyway, Li Shengxian is not afraid anymore.

“Director Wang, I admit that the person you brought has a gun. If you want to kill us, we are bound to have some casualties.”

“But! The two old men behind me are powerful men at the Martial Saint level! You don’t want to die, do you?”

## Chapter 975: Black Master

Chapter 975 Black Master

The two old men behind Li Shengxian are all martial arts masters!

When placed at sea, it is also an extremely terrifying existence.

After seeing these two old men, everyone on the cruise ship breathed a sigh of relief. There are martial arts masters, and this group of pirates should not dare to mess around.

After all, the masters of the martial arts level can kill them when they show off their power!

After all, a master at the martial arts level is not afraid of bullets!

Li Shengxian had no choice but to ask these two martial arts masters to help.

Otherwise, he didn't want to offend the people of the shaking pirate group.

When the character Hu Wang saw this, he sneered: "Haha, Li Shengxian, you are toasting and not eating fine wine!"

After all, Director Wang clapped his hands directly.

Happiness!

Three sounds were heard, and a person jumped up directly from the destroyer!

The man jumped more than ten meters high! Jumped directly from the destroyer to the cruise ship!

boom!

There was a loud noise, and the man landed steadily.

Everyone looked at it and gasped.

That person is at least two meters tall! The size is huge! The skin is very dark and the figure is very strong.

This is a huge black man!

And from his body, exuded a chilling temperament!

“See? One of the ten great masters of our Shocking Pirate Group!”

Grandmaster!

As soon as these two words came out, everyone on the scene took a breath of air-conditioning. No one thought that there was a master-level master on the destroyer. It seemed that the other party had come prepared!

When Li Shengxian saw the two martial arts masters, their expressions changed.

The two martial sages had no chance of winning against a master-level powerhouse.

Director Wang’s face was full of triumphant expressions.

He looked at Li Shengxian and said: “Li Shengxian, the existence of our stunned pirate group is not a small one that you can contend with. Accept your fate!”

After all, Director Wang waved his hand and said: “Our business card of the pirate group is now on sale!”

As soon as Director Wang’s voice fell, no one on board moved.

After all, no one wants to spend a billion for nothing!

Director Wang saw that no one moved, his mouth also sneered.

He directly raised the revolver in his hand and fired three shots into the sky!

Bang bang bang!

“Are all the \*\*\*\* deaf? Didn’t you hear what I said?”

“The business cards of the shaking pirate group are now on sale! Those who don’t have business cards for a while, I will shoot them all!”

Director Wang yelled for a while, and the people on the ship were already calm.

Many people are already ready to pay for their lives. Although money is very important, it is not as important as their lives!

Director Wang touched his chin, and he looked at the many beauties on the boat.

You know, there are so many beauties on the Dahai cruise ship!

Some of them got on the boat with their own looks, and some of them were just girlfriends with less width, so one looks better than the other.

“Hey hey, our shaking pirate group is not unhuman.”

“Women, we all let go!”

After listening to Director Wang’s words, a burst of exclamation sounded, and many women breathed a sigh of relief.

After all, they all just got on the boat with their own beauty, and let them spend a billion, which is harder than letting them commit suicide!

But they weren’t happy yet, Director Wang’s next sentence sent them into the Zuibingjiao.

“However, all the women on the boat, I will take away all of them!”

“Bring it back and let my brothers have a good time!”

As soon as Director Wang spoke, a wicked laughter rang out. The dozen black gunmen behind him all laughed, and they squinted at the many women on the boat.

These women are all superb beauties!

And Director Wang’s eyes are very good, he looked into the crowd.

Soon after, Director Wang saw Liu Xiangyi at a glance.

Liu Xiangyi is outstanding among many beauties.

Director Wang pointed to Liu Xiangyi and said, “You! Stand up for me!”

After Liu Xiangyi was pointed out by Director Wang, her beautiful body trembled, but she bit her scalp and stood up.

Afterwards, Director Wang scanned the crowd again. Not long after, he saw Zhu Manqing at a glance. Zhu Manqing’s appearance and figure were also extremely conspicuous among the crowd.

“And you! Stand up for Lao Tzu too!”

Zhu Manqing bit the bullet and stood up.

“You two, serve me tonight! I feel comfortable serving me, and let you go back to be the wife in charge in the future!”

“Hahahaha!”

Director Wang laughed arrogantly.

That's a cool one!

You know, when the old boss was there, they were only allowed to grab money, but they were not allowed to kill, let alone move the women on the boat.

But now that black people are in charge, they only have one word when they meet Chinese people! kill! When meeting a woman, there is only one word, grab!

This allowed these pirates to indulge completely!

“Let's start paying the money now!” Director Wang patted the big box under him and smiled evilly.

After a while hesitating, some people stood up, and these people were going to pay the money.

At this moment, Lin Kai suddenly stood up: “Wait a minute!”

As soon as Lin Kai spoke, everyone at the scene looked at Lin Kai.

Lin Kai strode out and stood in front of the dozen or so pirates.

When Li Shengxian saw Lin Kai stand up, he was anxious: “What the \*\*\*\* are you doing? Don't kill me?”

Director Wang also glanced up and down at Lin Kai, and he said impatiently, “What are you doing? Get out of here! Don't \*\*\*\* be an eyesore!”

After Director Wang had just said what he said, Lin Kai raised his hand and lowered his hand. With a snap, Lin Kai slapped him directly!

Snapped!

It sounded! This slap slapped Director Wang!

All the people on the scene were stunned!

No one thought that at this time, someone would stand up and beat people! It was Director Wang!

Is this person crazy? What he faced was the stunned pirate group!

Director Wang held his face and was stunned for a long time.

Feeling the scorching pain on his face, Director Wang finally made sure that he was not dreaming, someone really dared to do something to him!

Lin Kai looked at Director Wang with a cold expression.

“You are still a Chinese, and the Chinese still bully the Chinese? I really feel ashamed for you!”

Lin Kai said coldly.

Director Wang was angry at this time, and he roared: “You \*\*\*\* dare to hit me? I think you are tired of living!”

After all, Director Wang directly raised the pistol in his hand! The pistol hit Lin Kai’s forehead directly!

“I will kill you with one shot now!”

“Don’t don’t!”

Seeing this, Li Shengxian quickly stood up. He didn’t want to see Lin Kai die in front of him like this!

Although he saw Lin Kai not pleasing to his eyes, he didn’t hate Lin Kai, and he didn’t want Lin Kai to die. He also hoped that one day he could defeat Lin Kai himself!

## **Chapter 976: Master Killer**

Chapter 976

“He... he has a pit in his head! Director Wang, you must not be familiar with him!”

After that, Li Shengxian glared at Lin Kai and said, “Lin Kai! Kneel down and apologize!”

Now Lin Kai has the chance to survive only when Director Wang kneels down and apologizes.

And Lin Kai took a cold look at Li Shengxian, and said, “This \*\*\*\* wants to kill the Huaxia people! More importantly, he wants to take the Huaxia women back and humiliate these brutes! Kneel down and apologize to them? Why!”

Lin Kai’s words spoke the aspirations of everyone at the scene!

Everyone gave Lin Kai their thumbs in their hearts, but no one stood up to support Lin Kai, because everyone knew that Lin Kai was not far away from death.

Li Shengxian was also anxious at the time: "Why? People have guns! People can kill you with one shot!"

"Fuck, don't you also have a gun in the shooting range? Take it out!" Lin Kai cursed.

Li Shengxian also wanted to cry without tears at this time: "Those guns have no live ammunition! All are empty bullets!"

Lin Kai simply ignored Li Shengxian at this time. He looked at Director Wang and said coldly, "I will give you a choice now."

"Get out of the man with you!"

After listening to Lin Kai's words, Director Wang laughed.

He looked at Lin Kai like a fool.

"Hahaha! I have been walking on the sea for so many years, and I have never seen such a crazy person!"

"Boy, have you watched too many TV series? Want to stand up and be a hero? Good! I will satisfy you!"

"Today, I will send you on the road!"

After all, Director Wang directly loaded the bullet in the gun!

Subsequently, Director Wang was ready to pull the trigger.

Most of the people on the boat had closed their eyes at this time, and they couldn't bear to see the scene where Lin Kai's head was blown up.

Li Shengxian also stomped his feet, and he couldn't help it!

boom!

A gun rang, Director Wang pulled the trigger without hesitation!

A bullet shot directly at Lin Kai's skull!

If it is an ordinary person, there is only one result, and that is to be killed by this bullet!

But Lin Kai is no ordinary person!

I saw Lin Kai stretched out his hand, and \*\*\*\* caught the bullet directly with lightning speed!

Snapped!

I saw that the bullet shot from the revolver was directly clamped by Lin Kai's two fingers!

After a long time, everyone was very surprised to see Lin Kai still standing in front of Director Wang.

This person is not dead? He actually survived?

Looking at Lin Kai's hands again, everyone gasped. How did this man do it?

There was a bullet between his fingers! He actually caught a bullet with his finger!

Is this person a superman?

Everyone looked at Lin Kai with an incredible expression.

The one who shocked the most was Director Wang, who shot the gun, but he!

He saw Lin Kai catch his bullet with his two fingers! If he hadn't seen it with his own eyes, he would never believe that such a thing would happen!

Behind Director Wang, the giant more than two meters tall glanced at Lin Kai, his brow furrowed, obviously, Lin Kai's hand also surprised him.

Lin Kai looked at Director Wang coldly: "You're really toasting and not eating fine wine!"

After that, Lin Kai dropped the bullet in his hand.

The bullet was directly thrown on the ground by Lin Kai, and then Lin Kai raised his palm again and hit Director Wang again!

Snapped!

With a very crisp sound, Lin Kai's slap landed firmly on Director Wang's face!

I saw Director Wang's face directly turned into a pig's head!

These two slaps, Lin Kai didn't have any strength to spare!

Director Wang held his face for a long time.

He never expected that as a director of the Shocking Pirate Group, he was slapped twice by one person!

This is simply a shame!

“You \*\*\*\* dare to hit me? I don’t believe it!”

Having said that, I saw Director Wang straight back several steps.

He looked at the giant standing behind him, and said, “Trouble.”

The grandmaster sneered, and he stood up directly before Lin Kai.

The grandmaster was a black man, two meters three meters tall, just like a giant.

Even Lin Kai had to look up at this huge master!

At this time, the huge master preached in broken Chinese: “Huaxia people, die!”

After all, I saw the huge black man hit Lin Kai with a punch!

call!

His fist is like a huge electric pole smashed head-on! The powerful aura makes people breathless!

He is a master-level powerhouse!

This punch is enough to punch through a steel plate!

Even if Lin Kai can receive bullets empty-handed, in front of absolute power, everything is nothingness!

Everyone exclaimed, everyone squeezed a sweat for Lin Kai.

Everyone knows that Lin Kai is really dead this time! This black master is definitely more terrifying than a pistol!

Facing this menacing punch, Lin Kai stretched out his palm and grabbed the opponent’s fist directly!

Lin Kai’s palm was too small in front of this giant.

In the next scene, it must be the scene where the opponent punched Lin and smashed it!

But the next scene happened that no one thought of.

Snapped!

I saw Lin Kai directly caught the fist of the black master!

The fist of the black master, can't go further at this time!

The face of the black master also showed a surprised expression.

Because he found that Lin Kai's fist was like a huge vise, making it impossible for his hand to play!

There was a sigh in the black master's heart. Could it be that the person in front of him is far less simple than he thought?

Lin Kai's mouth also showed a sneer.

"In the next life, be a good person!"

After that, Lin Kai directly squeezed hard, only to hear a click! The fist of the black master was directly punched by Lin Kai! The fist and the arm are directly fractured!

"Ah!"

The black grandmaster directly uttered a roar!

The spiritual power in Lin Kai directly suppressed the true energy of the black master!

Afterwards, Lin Kai kicked the black master's calf.

With a click, the black master's calf was directly fractured, and he knelt down directly!

The powerful black master, in front of Lin Kai, was beaten without the strength to fight back!

Afterwards, Lin Kai punched the black master in the chest!

This punch brought Lin Kai's powerful cultivation power!

And in the eyes of the black master, a look of fear finally appeared.

The opponent's cultivation base is much more terrifying than his own! The opponent is a master at the master level!

The black master understands! But it's too late!

boom!

Lin Kai punched the black master in the chest!

I saw the clothes behind the black master burst open! A stream of blood flew out from behind!

## Chapter 977: Launch An Offense

Chapter 977

As soon as Lin Kai shot, he shocked everyone on board!

His strength is actually stronger than the master!

Li Shengxian's eyes widened. It turns out that this kid has been pretending to be a pig and eating a tiger!

No wonder he is not his opponent for betting anything.

The black master who was opposite Lin Kai also widened his eyes.

The corner of his mouth was bleeding, his chest had sunk in, his internal organs had been shattered by Lin Kai, and it was obvious that he could not survive.

Lin Kai let go and plopped, and the black master fell directly under Lin Kai's feet.

Killing the master is like trampling an ant to death!

At the scene, everyone looked at Lin Kai, with only four words in their eyes, incredible!

There is no shortage of flowers not far away, and his eyes widened. It turns out that Lin Kai is so strong!

No wonder Li Shengxian called him the eldest brother.

Thinking of this, there was no shortage of flowers and it was a moment of regret. He regretted that he had offended Lin Kai, and at the same time, he was a little afraid.

If Lin Kai wanted his life, it was just a matter of moving his fingers!

This person can't be offended!

Director Hu Wang also looked at Lin Kai blankly.

He did not expect that the young man in front of him who seemed to be in his early twenties was so powerful that he could kill a black master!

At that time, his legs began to tremble. If such a person wants to kill him, it is easy!

Lin Kai looked at Supervisor Wang Hu, and Supervisor Wang shivered and almost knelt down for Lin Kai.

“You... don’t come here!” Director Wang’s face was full of fear.

Lin Kai squeezed his fist and made a crackling sound.

“I gave you a chance, but you don’t cherish it yourself!”

Lin Kai squinted his eyes, the murderous intent flashed through his eyes!

A scum like him who sacrificed his life to pirates and murdered Huaxia people should not live in this world!

“I was wrong, I was wrong, don’t kill me...”

Director Wang swallowed and begged for mercy.

To be honest, Lin Kai really wanted to slap this beast to death! But Lin Kai can’t do this, it’s still useful for Lin Kai to keep him!

At that time, Lin Kai glanced at a dozen black people not far away, and said, “Let them all return to the destroyer!”

Director Wang heard the words, waved his hand, and turned to say something to the dozen blacks in English.

Afterwards, the dozen blacks all returned to their destroyers along the rope ladder.

Only Director Wang was left on the cruise ship.

Lin Kai directly grabbed Director Wang with one hand, and dragged him to the side of the boat.

“Boy, let them go! If they dare to shoot, I will immediately screw your head off and kick the ball!”

Lin Kai said viciously.

This is the role Lin Kai left him.

Only if this person is left, the pirates on the ship dare not shoot.

Only in this way can the life of a boat be saved!

Director Wang trembled, and now his life was held in Lin Kai's hands, he could only choose to listen to Lin Kai!

At that time, Director Wang shouted: "Go! Go!"

"Don't shoot! Don't shoot! As soon as you attack, I'm dead!"

The black people on the destroyer looked at each other when they heard the words, and then the destroyer began to leave.

Seeing the destroyer leave, Lin Kai breathed a sigh of relief.

It seems that this disaster was well avoided by myself.

Li Shengxian came to Lin Kai's side, and he was relieved as he looked at the destroyer that was farther away.

"Lin Kai, thanks to you."

"Otherwise, the half-boat man's fortune-telling is here."

Lin Kai also smiled and said, "Hehe, I am a Chinese soldier, and I will not watch them cruel to my compatriots."

Everyone on the ship breathed a sigh of relief.

A burst of cheers sounded, this is the cheers of the rest of my life! Everyone is thankful that they have recovered their lives!

At this moment, Huang Tianshi came to Lin Kai's side.

He sighed and shook his head.

Upon seeing this, Lin Kai was very curious. He asked, "Old Huang, the pirates are gone, why are you sighing?"

Huang Tianshi clutched his chest and replied: "I don't know why, my heartbeat is still very fast."

Hearing this, Lin Kai's heart also slammed.

Is it possible that the matter is not over yet?

Lin Kai looked at Director Wang on the side, and asked angrily, "How is your position in the Shocking Pirate Group?"

Director Wang trembled very much, and replied, "Not so much..."

Hearing this, Lin Kai's heart shook again.

"but!"

Director Wang said again: "When the old master was here, my status was still very high!"

"After the black people are the masters, we yellow people are not very popular in the pirate group."

"It is estimated that at this moment, they are requesting instructions from the headquarters."

After listening to Director Wang's words, Lin Kai patted his chest and said, "The Shocking Pirates will not even kill their own people, right?"

Everyone's hearts are in their throats.

At this time, the destroyer had already moved away from the cruise ship Haiyan.

But at this moment, a loud bang came! Everyone on the boat exclaimed.

Lin Kai also looked at the destroyer.

I saw the destroyer on the destroyer launched an attack! A shell came directly!

They are going to attack!

Upon seeing this, a layer of cold sweat appeared on Lin Kai's forehead.

These pirates are very smart! They know that Lin Kai is very capable of close combat! So they deliberately waited far away and fired!

At this distance, the ak47 has lost its original power, but the destroyer on the destroyer is still extremely lethal!

How to do?

Lin Kai was very nervous at this time.

Fight! Even if you are injured, you can't hurt the people on board!

Thinking of this, Lin Kai stepped directly on the ground! The whole person flew out directly!

Everyone on the boat looked at Lin Kai. What is he doing?

I saw Lin Kai rushed directly at the shell!

He actually wants to throw a cannonball!

Is it possible that he is not afraid that the shells will blow him up into dregs?

You know, the power of shells is terrifying!

“Black Dragon Suit!”

At this moment, Lin Kai roared!

The demi-artifact black dragon suit appears directly out of thin air!

Crackling! The black dragon suit was directly attached to Lin Kai’s body!

Helmet of the Black Dragon!

Black Dragon Battlegear!

Black Dragon Armguards!

Black Dragon Gloves!

Black Dragon Battle Dress!

Black Dragon Boots!

Black Dragon Sword!

Lin Kai in a black dragon suit is extremely domineering! Black and red, the scales of the black dragon are shining, and the longan on the helmet is more lifelike!

It was like a live black dragon clinging to Lin Kai.

The Black Dragon Sword in his hand is extremely domineering!

The straight blade shone cold!

Semi-artifact!

And the cannonball had already flown in front of Lin Kai!

Facing the shells, Lin Kai did not fear! I saw that he raised the Black Dragon God Sword in his hand and slashed it over!

“open!”

## Chapter 978: Work Together

Chapter 978

Lin Kai severely slashed it down!

Bang!

I saw that the shell was directly chopped in half by Lin Kai!

Did not explode!

Lin Kai turned over and returned to the deck again.

Lin Kai was panting, sweat on his forehead.

Fortunately there was no explosion.

Otherwise, it will inevitably hurt the innocent.

Even if Lin Kai was already a master of the consummation level during the base construction period, he still held three-point awe when facing the hot weapon.

Such a thermal weapon is very powerful! Even a cultivator should not be underestimated.

The people on the deck looked at Lin Kai blankly.

Lin Kai at this moment is so handsome!

A battle armor that can only be seen in the movie, a black Tang sword in his hand, and Lin Kai is already very handsome, at this time he has undoubtedly become the focus on the deck!

Many girls looked at Lin Kai in admiration.

But Lin Kai didn't have time to be handsome, his eyes fixed on the destroyer in the distance.

Lin Kai couldn't leave the cruise ship for a moment!

If he leaves the cruise ship, the shells fired by the destroyer will sink the cruise ship!

So, as long as the destroyer is not close, the pirates can do whatever they want!

At this moment, even Director Wang was trembling. Although he had guessed the result, his heart was cold when the pirates fired the cannon.

Sure enough, the Huaxia people are a dispensable person in the pirate group.

They will never soften their dealings with Huaxia people!

Bang bang bang!

At this time, the destroyer in the distance fired three shots in a row!

Three shells came directly!

After seeing this scene, Lin Kai was under great pressure!

At that time, when he was running the spiritual power in his body, he saw that the black Tang knife in his hand was instantly enveloped by a golden spiritual power!

Lin Kai slashed in the air!

“go with!”

brush!

I saw a golden light lit up! A sword gas was directly chopped out by Lin Kai!

Jian Qi lased directly away! Go straight to those three shells!

brush!

Jian Qi directly detonated the shells in the air!

Rumble!

There was a violent explosion in the air!

The whole world seemed to tremble.

Everyone covered their ears and stared blankly at the explosion in the sky not far away.

If they hadn't seen it with their own eyes, they would even suspect that they were dreaming!

This scene is really shocking!

Lin Kai was also feeling stressed, and his sword energy consumed his spiritual power very much.

This is such a cut, it has already consumed one-tenth of Lin Kai's spiritual power.

If there were a steady stream of shells, Lin Kai couldn't stand it!

After being silent for a while, the destroyer finally launched a crazy attack!

Whoosh whoosh!

Bang bang bang!

The black people picked up the rocket launcher, and the rocket launcher and the destroyer on the destroyer launched an attack!

The offense is very fierce!

Overwhelming cannonballs came out!

Lin Kai took a look, it was a big head at the time.

With so many shells, it is extremely difficult to defend by himself.

At that time, Lin Kai directly took out his Yulong pen.

The god-level rune ability is activated!

Lin Kai directly drew a magic talisman!

In just one second, the magic talisman was drawn.

"go with!"

Lin Kai directly threw the magic talisman in his hand into the air.

The magic talisman disappeared directly in the air, and then a layer of golden protective cover emerged around the cruise ship.

Everyone looked at this scene in amazement.

The two martial sage-level elders behind Li Shengxian looked at Lin Kai in shock.

Lin Kai possessed all the methods they had never seen before.

Therefore, they believe that Lin Kai is a master! Peerless master!

Soon after, the artillery shells had already shot over.

The shells fired directly on the protective cover!

Rumble!

There was a burst of violent explosions, and the ship began to tremble violently.

And Lin Kai's face also began to pale.

This magic talisman is connected to his Dantian!

In other words, if the spiritual power in Lin Kai Dantian is not enough to maintain the protective cover, the protective cover will disappear, and the shells will hit the cruise ship!

There was a burst of violent explosions.

And Lin Kai was struggling to support it alone!

"Master! Let's help you!"

At this moment, the two martial arts masters behind Li Shengxian exclaimed, and they saw the mystery on the protective cover.

The two of them came to Lin Kai's back together, and both of them slapped Lin Kai's back!

Afterwards, the zhenqi in their bodies was continuously instilled into Lin Kai's Dantian.

Although spiritual power and true qi are two different energies, they can be used as energy to maintain the existence of the protective cover.

With the help of two martial arts masters, Lin Kai felt a lot easier at the time.

At this moment, the flowers in the crowd gritted his teeth, and he also stood up.

"Brother, I will help you too!"

Having said that, Hua did not lack and slapped Lin Kai with a palm.

Although Huabuqi is very fucking, he can still recognize the overall situation. He knows that Lin Kai collapsed at this time and the entire cruise ship was going to die!

Even if he is just a small martial artist, he is willing to dedicate a bit of his strength.

Seeing this, Li Shengxian hurriedly called out: "Are there any ancient warriors on the scene? Only when everyone works together can we overcome the difficulties together!"

If it is a general cruise ship, naturally there are not so many ancient warriors.

But Li Shengxian's Dahai cruise ship is different.

The people on the cruise ship are basically the children of large families, and the children of large families love to practice, and there are no shortage of ancient warriors.

However, their ranks are not very high.

When Li Shengxian said so, a large number of ancient warriors stepped forward.

There are more than one hundred!

These more than one hundred ancient warriors all stood behind Lin Kai!

They transmitted the true energy into the bodies of the two martial sage-level elders, and then into Lin Kai's body through the elders.

Soon after, a pyramid of people formed behind Lin Kai.

Behind him, there are more than one hundred people!

Most of these more than one hundred people are only martial arts level cultivation bases, a small part of them are martial arts level cultivation bases, and there is only one martial sage.

With their support, Lin Kai's pressure suddenly became much less.

Lin Kai was very pleased. Although these dudes are usually annoying, they can still come in handy at critical moments.

The shells on the destroyer are still being fired continuously.

The expelling artillery fires continuously, and the rockets fire one after another!

The protective cover has been under attack from the destroyer!

Some black people even picked up ak47 and shot!

If it were Lin Kai alone, he could hold on for ten minutes at most.

But there were so many people behind him at once, and Lin Kai at this time was confident that he could hold on for half an hour!

Time passed by, not only Lin Kai exhausted, but everyone behind him also exhausted.

Almost all their anger was hollowed out.

However, the destroyers shells seemed to have been exhausted.

At this time, the destroyer had stopped firing shells.

## **Chapter 979: The Ship Sank**

### Chapter 979

As soon as the destroyer stopped firing shells, the hundreds of people behind Lin Kai released their hands.

“Oh! The true energy in my dantian has been exhausted!”

“I’m exhausted!”

More than one hundred people sat directly on the ground.

Even the master of the Li family sat on the ground, and both of them were exhausted.

Although Lin Kai can barely stand, the spiritual power in his body has been exhausted.

If the opponent still has shells, Lin Kai really can’t hold on!

The protective cover also disappeared.

Everyone thought that they had passed it. At this time, someone could not help but cheered.

A smile appeared on Lin Kai’s face.

My efforts are not in vain! The ship did not sink!

But at this moment, there was a loud bang, and the destroyer not far away fired another shell!

Everyone’s eyes widened. No one thought that there were still shells on the destroyer!

Everyone watched as the shell flew over!

Lin Kai's eyes widened too, but there was not a single drop of spiritual power left in his body, and there was nothing he could do!

Boom!

The cannonball hit the bow directly!

At that time, a big hole was directly bombarded in the bow!

Sea water poured in directly from the hole!

There was a burst of exclamation!

Everyone is scared! Everyone was terrified, and the ship had a hole! The ship is about to sink!

The pirates on the destroyer in the distance also raised their weapons and cheered.

The shell just now seemed to be the last shell on their ship. This shell was hit!

The destroyer not far away has already begun to leave.

They dare not come over because there is Lin Kai on board.

But they knew that the people in this boat were going to die!

Because the ship sank! Everyone on board will be drowned! Even people who know water will be exhausted!

Soon after, the destroyer disappeared completely.

But Lin Kai frowned.

He grabbed Li Shengxian.

"Didn't I let you drive the boat to the island? The island?" Lin Kai asked angrily.

When Lin Kai was talking about this with Li Shengxian, Li Shengxian at that time didn't care at all. He thought the ship would not sink at all!

But now, he is throwing the ground with the five bodies that Lin Kai admires!

The ship actually sank!

This kid will predict!

“There are still many nautical miles!” Li Shengxian said quickly.

“Get the boat there! Quick!” Lin Kai ordered.

“But the boat is sinking, what do you take to drive it?” Li Shengxian at this time wanted to cry without tears.

“Let you drive, you drive! Hurry up!”

After all, Lin Kai ran straight towards the hole without saying a word!

After arriving at the hole, Lin Kai’s heart was cold.

I saw a big hole on the right side of the bow! The sea water is pouring into the cabin! Before long, the entire ship will sink to the bottom of the sea!

There is only one way now, pull the boat forward!

It takes a certain amount of time for the ship to sink to the bottom of the sea. If you can pull the ship away within this time, you can save tens of thousands of lives!

“Is there any rope?” Lin Kai roared.

“Have!”

Sister Cat also started to help at this time. She hurriedly ordered the crew to find a very thick rope!

But without saying anything, Lin Kai tied the rope to the boat and tied one end of the rope to his body.

What is he doing?

Everyone looked at Lin Kai suspiciously.

Afterwards, everyone understood.

I saw Lin Kai plunged straight into the water!

Afterwards, he swam desperately in front of the boat!

He wanted to rely on his own strength to pull the boat away! Is he crazy?

This is what everyone thinks!

Although Lin Kai is very strong! His strength is undeniable, but how much strength can Lin Kai exert when swimming underwater?

Not one-tenth of the strength on land!

And Lin Kai felt it too.

This cruise ship is too heavy!

No matter how crazy he pulls, the cruise ship can't move a little bit!

At this time, Lin Kai gritted his teeth, and he roared in his heart: "Swordfish extracting power!"

The golden skill swordfish extraction ability is directly activated! At this time, Lin Kai was full of spirits, and his body began to undergo subtle changes.

I saw Lin Kai swimming like a very agile fish in the water!

Without this boat behind him, Lin Kai would become the fastest man swimming in the world!

His arms and legs swing wildly!

As soon as the swordfish extraction ability came out, the cruise ship was actually pulled a little!

It's just that it is visible to the naked eye, very slow!

At this moment, the captain has received an order from Li Shengxian to launch the largest horsepower on board! Speed up!

Add the power of the boat and the pulling power of Lin Kai! The ship moved!

But even so, the ship is still leaning to the leaky side, and it will not take long for the entire ship to sink to the bottom of the sea!

The ship is moving, but the speed of the ship is too slow!

Even if the cruise ship has reached its maximum horsepower! Even if Lin Kai has used all his strength!

But it is still difficult to reach the island before the ship sinks!

At this moment, a small black spot appeared in the sky!

Everyone looked up.

I saw a big bird flying over from a distance!

That big bird is very big! Bigger than any bird that everyone has ever seen!

Moreover, under the body of the big bird, there are three things similar to people.

“Boss! Here we are!”

Lin Kai raised his head and glanced at him, who came, naturally the four great gods!

Lin Kai had already sent them a message when he got the news of the sinking of the ship. They rushed over from Jiangbei around the clock!

After Yu Shen obtained the dragon charm, his flying ability was greatly improved!

So flying with Lishen and the three of them is not a problem at all!

Without saying anything, Yushen threw the three of Lishen onto the boat!

Then Yu Shen came to the stern! Rely on your ability to fly and push the cruise ship hard at the stern!

Four masters work together!

The way that Lishen exerted his power was very violent.

However, it is also the most useful one!

He directly folded off the huge sails on the ship!

Afterwards, he used the huge sails as oars! Paddle in the water!

The muscles on Lishen’s arm bulge high! He who got the Bull Talisman is so powerful!

And the hidden \*\*\*\* began to control everyone.

He yelled: “Everyone! Don’t stand on the leaky side! You will make the ship sink faster!”

“All stand on the other side! Hurry up!”

At this time, the Dharma God chanted the spell silently. After the Dharma God obtained the Sheep Charm, his mana greatly increased!

He is calling the wind! Strong wind!

Soon after, a gust of wind blew over!

Downwind!

From headwind to tailwind!

Everyone is working hard!

At this time, a miracle happened!

The cruise ship actually started moving quickly!

With inertia, the speed of the cruise ship is even faster!

## **Chapter 980: Wandering On A Desert Island**

Chapter 980

The cruise ship is moving fast!

And Lin Kai also felt the power of the huge cruise ship behind him.

Have the opportunity!

After ten minutes or so, the cruise ship was almost sinking to the bottom of the sea!

But Lin Kai's eyes lit up because not far in front of him, an island quietly appeared.

Saved!

Lin Kai tried his best!

The four kings and everyone on board are working hard! almost! Going ashore soon!

boom!

I saw a huge cruise ship rushing directly to the island!

The moment they rushed to the island, everyone breathed a sigh of relief, and Lin Kai was also lying on the beach.

I succeeded!

After a few seconds of silence, the people on the cruise ship also uttered earth-shattering cheers!

“Rescued! We survived!”

“Survived!”

Everyone is cheering!

Lishen threw down the sails in his hand and sat on the cruise ship, gasping for breath.

Even if he is Lishen, he is tired.

The Fashen also wiped the sweat from his forehead, he was also very tired, and the true energy in his body was almost hollowed out.

Yu Shen couldn't even fly.

Yinshen's voice was almost dry.

However, everyone's efforts were rewarded, and the ship did not sink! Everyone survived!

This is a blessing in misfortune.

At this time, Lin Kai felt that his physical strength had reached the extreme!

He was so tired that his eyelids seemed to be filled with lead, and he couldn't open them.

He closed his eyes and chose to take a good rest.

...

With this sleep, Lin Kai didn't know how long he slept.

After waking up again, Lin Kai felt as if he was lying in softness.

Opening his eyes, Lin Kai saw a beautiful face.

With a beautiful face and perfect skin, she seems to be dozing off, herself, lying on her lap.

“Liu Xiangyi?” Lin developed a voice.

When Lin Kai spoke, Liu Xiangyi was awakened.

After seeing Lin Kai wake up, Liu Xiangyi was very happy: “Lin Kai, you finally woke up!”

Lin Kai began to look at where he was, he was still in the hotel room.

However, after the cruise ship landed, it tilted a lot, so the things in the room were messy, but it was barely enough for people to live in.

When Lin Kai moved, he felt sore all over.

“How long did I sleep?” Lin Kai asked.

Liu Xiangyi replied: “You slept for three days.”

Three days? so long?

Lin Kai felt the spiritual power in his body. The spiritual power had recovered 30%. It seemed that he did sleep for three days.

After all, Lin Kai was really tired three days ago.

However, Liu Xiangyi’s thighs are really soft!

Moreover, the tip of Lin Kai’s nose now is full of the body fragrance of Liu Xiangyi.

It is really my blessing to be held to sleep by such a superb beauty.

“Did I sleep on your lap for three days?” Lin Kai asked curiously.

If this is the case, then this woman is too amazing.

Upon hearing this, Liu Xiangyi’s face turned red. She shook her head and said, “No, I take turns to take care of you with Sister Cat and Sister Qing.”

“Sister Cat! Sister Qing! Lin Kai is awake!”

Liu Xiangyi yelled.

Afterwards, Sister Cat and Zhu Manqing walked into the room.

When Lin Kai woke up, both of them were very happy.

“Lin Kai! You finally woke up!” Zhu Manqing flew up directly and hugged Lin Kai!

Lin Kai only felt a moment of softness pressing tightly against his chest.

Sister Cat also looked at Lin Kai with a gentle smile.

At this time, Sister Cat’s view of Lin Kai had completely changed.

In the past, she was simply greedy for being handsome.

But later, Sister Cat found that this man was not as simple as she thought.

He is proficient in marksmanship, can swim, and even gambling!

He is not only responsible and courageous, but also a person who can defeat master-level masters.

Even masters like Grand Master are his little brothers.

He even saved thousands of lives on board!

At this time, Lin Kai has become the idol of sister cat!

Although she still wanted him, she knew that she was not worthy of Lin Kai, unless Lin Kai could see her.

Lin Kai sat up from the bed and tried to move his body.

Although the whole body was aching, after all, he had already rested for three days. With Lin Kai's strong resilience, Lin Kai was almost intact at this time.

"Are the others on the boat okay?" Lin Kai asked.

Sister Cat replied: "Basically, it's okay. There are a few missing. They may have been lifted into the sea while at sea, and many people have been injured."

Lin Kai nodded when he heard the words.

A ship about to sink will inevitably be bumpy, and it is normal for someone to be thrown into the sea.

Lin Kai is not a superman, nor can he save everyone on board.

"How do the people on the boat live now?" Lin Kai then asked.

After hearing this, Cat sister replied: "Although some of the food on the boat has been lost, there is still a lot of it left. Now the people on the boat live in the hotels and dormitories on the boat. Don't worry about this.

"How can I not worry?" Lin Kai smiled bitterly, and shook his head.

"When will the rescue ship arrive?" Lin Kai then asked.

At this moment, the faces of sister cat and Zhu Manqing both showed embarrassed expressions, and they hesitated and couldn't speak.

Upon hearing this, Lin Kai's heart slammed.

"Why? Will there be no rescue ships?"

Sister Cat sighed and shook her head: "The signal base station on the ship was flooded with water, and there is no signal. Now we can't reach the land temporarily."

This is really a big problem!

Where is Feather?

Lin Kai thought of Yu Shen for the first time, he walked out quickly to find Yu Shen.

Soon after, Lin Kai came to the deck.

After arriving on the deck, the lights are brightly lit!

The diesel generators on the cruise ship are playing their only remaining role. Many beautiful women lie in the sun on the loungers, and some people sit by the swimming pool and drink.

Did not realize the crisis is coming.

Even the bar in the cabin is still open!

After seeing this scene, Lin Kai frowned.

Do these people know that they are already trapped on the island?

The Four Great God Kings were also sitting on the deck. After seeing Lin Kai appear, they walked towards Lin Kai quickly.

"Boss!"

Lin Kai looked at the four great kings.

Their mental and physical strength are almost restored.

Lin Kai looked at God Yu, he patted God Yu on the shoulder, and said, "Xiao Yu, I'm in trouble, take another flight and inform people on the land to send rescue ships."

Hearing this, Yu Shen's face also showed a look of embarrassment.

“Boss, actually...”

“In fact, I have flown out several times in these three days, but every time I lost my way, I don’t know where to fly!”

Hearing this, Lin Kai raised his eyebrows.

## Chapter 981: Organize People

Chapter 981

“Then how did you fly back?”

Lin Kai was very puzzled.

Don’t know where to fly, but know how to come back?

God Yu scratched his head and said embarrassingly: “Boss, can’t you forget the spell and the chessboard?”

“When I came, I came under the guidance of the spell. Boss, where are you, I can feel it, so I can fly back, but flying out is somewhat difficult.”

In the vast sea, everyone has lost their way. It is indeed a challenge to find a way back to China.

Hearing this, Lin Kai frowned.

There is no way to contact people on land, which means that tens of thousands of people will stay on this small island.

When was rescued, it was all luck!

Lin Kai began to formulate a survival plan in his mind. If he wants to leave here, he must live well!

“Lin Kai!”

At this time, I saw Li Shengxian coming from not far away.

At this time, Li Shengxian had already lost his previous scenery.

He had two dark circles under his eyes, obviously he hadn’t slept well for several days, and his hair was messy.

“How much food is there on the boat?” Lin Kai asked.

Li Shengxian was taken aback, and then replied: “There is still a lot, enough for everyone to maintain for several days.”

Just a few days? Lin Kai frowned.

If this goes on, it’s not a matter at all!

“It’s too dangerous to live on a boat!”

“We have already made enemies with the people from the Shocking Pirates. If they find a yacht here, they will launch artillery shells without hesitation!”

“Let everyone not gather on the boat!”

“Now summon everyone on board!”

Lin Kai ordered.

He has worked as a special soldier and knows how to lead everyone to live!

Lin Kai is saving them!

After listening to Lin Kai’s words, Li Shengxian was also an agitated spirit. After seeing Lin Kai’s methods, he now trusts Lin Kai completely.

“Okay! You wait!”

After all, Li Shengxian hurried away.

He wants to inform everyone on board!

Soon after, Li Shengxian’s voice came from the big horn on the ship.

“Everyone on board! Get off the boat and gather together! Gather!”

After listening to Li Shengxian’s voice, the people on the boat came out lazily from the cabin, and some even ignored Li Shengxian at all.

Soon after, a group of people appeared on the beach under the cruise ship.

The weather here is very hot, and everyone is reluctant to stay on the beach, even the sand is hot.

It took a full half an hour before tens of thousands of people gathered under the cruise ship.

Li Shengxian and Lin Kai are standing on the cruise ship, because only in this way can everyone see them!

At this time, Lin Kai had already provoked the backbone of leading everyone to survive.

“Everyone, listen to me!” Lin Kai said.

His voice is blessed by spiritual power and can be heard by tens of thousands of people at the scene! Thousands of people looked up at Lin Kai!

Everyone at the scene knew Lin Kai! Because Lin Kai is very strong! He saved everyone! So everyone is quite convinced of Lin Kai.

“Let me introduce myself first. My name is Lin Kai and I am a Chinese soldier!”

“Worked as a special soldier in the Southeast Military Region! He has a wealth of field survival experience!”

Lin Kai said that because he wanted everyone to believe him.

Hearing this, everyone immediately started talking in a low voice.

There were people who knew Lin Kai and some who didn't know Lin Kai, and voices of doubt and support continued.

“Now we are in a huge dilemma!”

“Our cruise ship cannot sail again! It cannot be repaired!”

“Our signal base station has also been overwhelmed! People on land cannot be contacted!”

As soon as Lin Kai's words came out, the scene fell silent.

What Lin Kai said was no secret, everyone at the scene knew it.

But they did not panic. After all, there were more than 10,000 people at the scene. They did not feel lonely, nor did they feel that they were in a dangerous environment.

“Everyone, we experienced an attack by a pirate group three days ago!”

“The pirate group doesn't know when it will come back! And we don't know when it will be rescued!”

“The food on the boat may be possible, but it may not be enough!”

“Everyone, we can’t wait and die!”

“We must act!”

“We are now building a shelter on the small island where we can survive temporarily! We must also find enough resources for our survival!”

“So, we must unite!”

Lin Kai’s words are logical and expressive.

Even Li Shengxian got goose bumps when he heard it.

“Everyone! Lin Kai said it well! If we want to survive, we must listen to him!”

At this time, a small voice of discussion sounded off the court.

Someone questioned Lin Kai: “Is what he said is true? Why should we listen to him?”

“Yes! Even though he saved us, we are all sturdy figures in Huaxia State! Let us listen to him?”

There are also supportive voices: “I think he is right!”

“If we want to survive, we must act!”

Looking at the tens of thousands of people at the scene, Lin Kai already had a plan in his heart.

“Everyone! If you want to believe me, just listen to me!”

“First! We have to enter the island and find enough resources! Including wild fruits, wild vegetables, animals, wood, herbs, etc.”

“I will tell you what they look like. Only when everyone takes action can we survive!”

After listening to Lin Kai’s words, there were waves of promises.

“You saved our lives! We listen to you!”

“To survive, we must unite!”

“Lin Kai! I support you!”

...

The voices supporting Lin Kai continued, even if there were voices questioning Lin Kai, they were suppressed by the voice of support.

After all, everyone saw Lin Kai's performance three days ago.

Most people are willing to choose to believe in Lin Kai.

"Okay! Listen to me!"

"We have more than 10,000 people, divided into three echelons!"

"The task of the first echelon is logging! We need wood to build a shelter!"

"The task of the second echelon is to find food and fresh water resources!"

"The mission of the third echelon is hunting!"

"Each echelon is divided into about four thousand people! Now I will arrange the captains of the three echelons for you!"

"The captain of the first tier is Li Shengxian!"

Although Li Shengxian is a young man, he is the principal of this cruise ship after all. He has leadership style and leadership ability.

Li Shengxian's background is also very tough, so naturally the people in the audience didn't talk much.

"Captain of the second tier, Huang, come!"

Lin Kai pointed to Huang Tianshi and said.

Lin Kai chose him for a reason. Tianshi Huang has superb fortune-telling ability after all, and he has eaten more salt than Lin Kai has eaten. It's not wrong to choose the elderly.

Hearing this, everyone looked at Huang Tianshi, and then there was a loud noise.

"It's this old hooligan!"

## **Chapter 982: Strike**

Chapter 982

It seems that Huang Tianshi is very famous on cruise ships!

Some people actually know that he is an old hooligan!

“Why does this old hooligan be the captain of the second tier?”

“We are not convinced!”

“This old gangster even molested my girlfriend! He can’t be the captain of the second tier!”

...

There was a burst of scolding sounds, and everyone was very resistant to Huang Tianshi and even scolded him as an old hooligan.

And Huang Tianshi also showed an awkward expression on his face.

Upon seeing this, Lin Kai quickly excused Huang Tianshi loudly and said: “Big guy! Although he is a bit old and disrespectful, he still has strong leadership skills. Please trust me once!”

After listening to Lin Kai’s words, the scene became much quieter.

There is no way, everyone can only acquiesce to Huang Tianshi.

As the captain of the third echelon, Lin Kai still didn’t know who he should be. Neither Sister Cat nor Manqing Zhu had any leadership ability.

At that time, Lin Kai asked loudly: “Who wants to be the captain of the third tier?”

“Please recommend yourself!”

After listening to Lin Kai’s words, a loud noise sounded.

The captain of the third tier?

Although there is no substantial benefit to being the captain of this third echelon, he is an official after all!

At that time, many people were ready to move.

The first to raise his hand was a middle-aged man.

This middle-aged man looks like in his forties, with a big belly and a height of about 1.7 meters.

He was wearing a pair of glasses, and when he raised his hand, everyone immediately noticed him.

“Jia Fuhao! Let Jia Fuhao be the captain of the third echelon!” someone immediately booed.

It seems that Jia Fuhao is still extremely influential in everyone’s mind.

Lin Kai also became curious, and he asked Li Shengxian who was aside.

“What’s the origin of this Jia Fuhao?”

Li Shengxian glanced at Jia Fuhao and replied, “The chairman of the world’s top 500 companies, what do you think?”

Upon hearing this, Lin Kai was shocked.

The chairman of the world’s top 500 companies, this Jia Fuhao, is really a big man!

He has been in a high position for many years and thinks he has strong leadership skills.

Lin Kai asked loudly, “Mr. Jia, would you like to be the captain of the third tier?”

There was a hint of arrogance on Jia Fuhao’s face.

He didn’t seem to be very convinced by Lin Kai, he said loudly: “I don’t want to be the captain of the third tier, I just want to lead everyone to live!”

He is saying that I, Jia Fuhao, are not in your control! I want to lead everyone to live!

He is standing on his own mountain!

Lin Kai frowned when he heard this, but he still didn’t say much.

“Well, Jia Fuhao is the captain of the third tier!”

After the captains of the three echelons have been appointed, the next step is the detailed division of labor planning.

Everyone has his own job, and no one can be idle.

After the division of labor was completed, everyone immediately started work!

There are more than four thousand people in a large echelon! These four thousand people are divided into four small echelons. The captain of each small echelon is appointed by the captain of the big echelon.

The tasks can be communicated layer by layer.

Li Shengxian took the first echelon and went directly to the island to log.

Wood is the key to everyone's living. You can't rely too much on cruise ships. Living on cruise ships is too dangerous.

Lao Huang led the second echelon to find food, and Lin Kai had already told Lao Huang what food he could eat.

The third tier is led by Jia Fuhao, and they go hunting.

Before leaving, Lin Kai taught them a lot of hunting experience.

After the general division of labor, everyone began to work.

Commanding more than 10,000 people is really a challenge for Lin Kai.

In the afternoon, Lin Kai called Yu Shen over.

"Xiaoyu, take me to the sky to take a look."

Lin Kai wanted to take a good look at the topography of the island.

"okay!"

Yu Shen agreed and knelt down, letting Lin Kai ride on his back.

The skillful movements make people feel a little distressed.

Then, after a few whispers, Yu Shen flapped his wings and flew directly to the sky with Lin Kai!

As soon as he flew into the sky, Lin Kai immediately felt the cool sea breeze!

The island was so hot, Lin Kai immediately felt that he was liberated as soon as he flew into the air!

Just one word, cool!

At the same time, Lin Kai looked down.

This is an island with a radius of about ten kilometers. The island is surrounded by sandy beaches, but after the sandy beaches, you can see dense woods!

The small island is actually the tip of the mountain. The lower part of the mountain is in the sea, which is invisible.

Only the tip of the mountain was exposed, forming an island.

The more you go to the center of the island, the higher the terrain.

Suddenly, Lin Kai's eyes lit up.

Because he saw that there was a flat land halfway up the mountain on the island.

The flat ground is bare, there is nothing, no trees and plants, all the ground is stone.

Great place! Such a place is definitely suitable for building houses and tents.

Moreover, this place is not small, and it is possible to build a temporary base.

"Go down!" Lin Kai ordered.

Upon hearing this, God Yu directly led Lin Kai to dive down!

call!

Reach the ground and land steadily.

Lin Kai looked at the open space around him and nodded in satisfaction.

This empty place is halfway up the mountain, surrounded by dense woods, which is easy to hide, and pirates will not easily find it.

And the terrain is very steep, easy to defend and difficult to attack.

Good place.

"Nice place."

Lin Kai nodded.

At this time, Lin Kai had already made up the picture of building a wooden house in his mind.

After checking the terrain, Lin Kai took Yu Shen and walked down the island.

At this time, Li Shengxian and others were complaining endlessly.

Li Shengxian and others have no experience in logging at all! Even if they have special tools on board, they will not cut logs.

There are more than 4,000 people in a large echelon! No way to log!

Let alone logging, they have difficulty walking now.

There are already a lot of mosquitoes on the small island, and they are the rich second generation who have not done any rough work. Let them take a few steps and they are tired.

It's harder to let them work than to get to the sky!

"I quit!"

At this time, a rich second generation directly dropped the axe in his hand.

"So what kind of \*\*\*\* Lin Kai, said a few words and flew up into the sky! If you don't work, let us work?"

"We can't stay on a good cruise ship. What kind of house do we build? It's really sick!"

As soon as the rich second generation's words came out, more and more echoes sounded.

"Yes! Also special forces? Special forces learned this?"

"At home, we usually stretch out our clothes and open our mouths! Why does he direct us to work?"

"Also! Li Shengxian! You should be responsible for all this! It is because of you that the ship has a problem! Otherwise, we will be reduced to a deserted island?"

"Fuck you guys! Anyway, I won't do it!"

## **Chapter 983: Jia Fuhao**

Chapter 983: Jia Fuhao

At this time, a large group of people chose to strike!

They simply sat directly on the ground.

The weather on the island is already very hot. In addition to the large number of mosquitoes, they are originally a group of rich second generations with thin skin and tender flesh. How can they suffer such suffering?

There were still people who supported Lin Kai, but after they worked, their thinking changed.

“We quit!”

“Why can Lin Kai fly around in the sky and we have to work?”

“Yes! We are not satisfied!”

Sounds of protest sounded.

After seeing this scene, Li Shengxian frowned.

Although he is also a rich second generation, he has suffered from all kinds of hardships since childhood, and he can distinguish the overall situation.

“You have to know! You are not working for Lin Kai! You are working to keep yourself alive!”

“Lin Kai has the ability to lead! He has the ability to survive in the wild! It’s not that he doesn’t work! He has more important things to do!”

Li Shengxian is explaining for Lin Kai.

After listening to Li Shengxian’s words, sneers sounded.

“Haha! It’s light!”

“Li Shengxian! We were in an accident on your boat! Is it possible that the money we gave you was lost?”

“Lin Kai is yours, you should have served us! We are guests! We are God! Why should we work?”

At that time, there was a burst of heated discussion.

Everyone is accusing Lee Shengxian!

And Li Shengxian was also sweating, and he was ashamed!

After all, these people happened on his boat!

“Go! Let’s go to the boat and rest! Quit it!”

At this time, a rich second generation took the lead. At that time, a large group of young people left directly with the rich second generation.

“You guys stop!”

Li Shengxian shouted angrily, but no one answered him at all.

The people in the first echelon have already dispersed. From beginning to end, they have only worked for three hours.

Looking at the second echelon, the second echelon is not much better than Li Shengxian’s first echelon.

Although their tasks are easier than those of Li Shengxian’s first echelon, they are also tiring.

Lao Huang led everyone to collect wild fruits.

However, they have almost no experience of survival in the wild. They can’t recognize what is poisonous fruit and what is edible fruit.

They even ate the edible fruit directly.

If I didn’t think it was delicious, I threw away the fruit.

The whole afternoon passed, but few fruits were collected, and complaints continued.

“Let us eat this garbage?” a rich second generation complained.

He directly threw the fruit in his hand on the ground.

“This thing is so unpalatable, is it for people to eat? We will have to survive on it in the future?”

As soon as he spoke, echoing voices sounded around him.

“Yes! We spend money on vacation, not here to suffer!”

“Doing so much garbage, I won’t eat it for me!”

Upon seeing this, Lao Huang frowned, he picked up the fruit on the ground, and said, “Everyone, you must treat it very much in extraordinary times.”

“The food on our boat is limited, so we need wild fruits from the island.”

After listening to Lao Huang's words, a burst of scolding sounded.

"Let's pull it down! I have seen the food on the boat, and there is a warehouse! Why is it not enough for us?"

"Why do you want us to collect this kind of garbage?"

"There are so many mosquitoes! I have been stung several bags! It's really uncomfortable! Sweaty!"

"Quit it!"

At that time, I saw a rich second generation directly dropped the fruit in his hand and walked towards the cruise ship.

Lao Huang's second echelon has also gone on strike!

And Lao Huang's face also showed a bitter smile.

All of this was in his expectation, and he knew that these people could not stop it.

At that time, more and more people went down the mountain.

Lao Huang's second echelon has also gone on strike!

Compared with the strikes of the first echelon and the second echelon, the third echelon is more serious than the first and second echelon!

Jia Fuhao led more than four thousand people, and after going up the mountain, he started hunting.

But they have no hunting experience at all!

Often hundreds of people are chasing a rabbit, but can't catch it!

The whole afternoon passed, and they didn't catch a few rabbits without saying, but they made themselves a mess.

"Is this human work?" a middle-aged man complained.

"My Armani suit is torn!"

"What a \*\*\*\* bad luck!"

He sat down on the ground.

A lady on the side also wiped the dirt on her mink coat: "Let us do such a rude job, we are nobles!"

"If you want me to say, we shouldn't let us work! We are nobles! We should let people like Lin Kai work!"

"Isn't he a soldier? A soldier should serve the public! Why should we serve him?"

As soon as her words came out, there was a burst of discussion.

The person most dissatisfied with Lin Kai is actually the captain of the third echelon, Jia Fuhao!

You know, Jia Fuhao is the chairman of the world's top 500 companies!

He has a great background!

He is also the young master who was born with a golden spoon! I have never suffered since I was young.

and! He has always been in charge of people, and no one has ever managed him!

His eyes rolled round and round, and a bold plan emerged in his heart.

I want to be the boss!

Work together? impossible!

Jia Fuhao is a smart person. He knows that in this world, people are divided into three, six, nine, and he regards himself as a superior person!

And there are more than 10,000 people on the island, and there are some inferior people. He knows that he may never go back, but he is not afraid.

If he can't go back, he will establish his own country on the island!

I want to be the emperor!

The first step is to gain popular support! Then suppress Lin Kai and others! Make them inferior! Let them serve themselves!

This is Jia Fuhao's plan!

At that time, Jia Fuhao stood up and waved his hand.

"Everyone! Listen to me!"

When Jia Fuhao spoke, everyone at the scene looked at him.

Jia Fuhao held his belly with a serious face.

“Everyone! I know you are either from famous families! Or rich businessmen from scratch!”

“We are here on this cruise ship to relax! For fun! Not for work!”

“Now that the cruise ship is sinking, who is the culprit?”

“Lin Kai! Li Shengxian!”

“If it wasn’t for the relationship between Li Shengxian and the pirates, would the pirates come?”

“If it wasn’t for Lin Kai who killed the pirates, would the pirates attack? Will we be trapped here?”

After listening to Jia Fuhao’s words, everyone present was moved by his words.

“will not!”

Qi Qi roared loudly.

## **Chapter 984: Sinner**

Chapter 984

After seeing the reaction of everyone present, Jia Fuhao nodded very satisfied.

He wants everyone to be in this state!

He just wants everyone to hate Lin Kai and Li Shengxian. Only in this way can his goal be achieved!

“it is good!”

“Our cruise ship stopped outside! There is still a lot of food on the cruise ship!”

“Why does Lin Kai order us? Why do we come out to work?”

“He has no good intentions! He is treating us as slaves!”

“I, Jia Fuhao, was the first to speak out, I will quit! I want to go back! I want to live on the cruise ship!”

After all, Jia Fuhao was the first to go!

Jia Fuhao can be said to have said the aspirations of everyone present.

They are almost the same as Jia Fuhao thinks, in other words, Jia Fuhao knows what they are thinking.

He is a businessman, he is very good at using everyone's psychology to profit for himself, his goal has been achieved!

At that time, I saw a lot of people walking off the island.

The first echelon, the second echelon and the third echelon, can be said to be completely disbanded.

In the evening, the sky was already dark.

On the cruise ship, the lights are still brightly lit!

Although the cruise ship has broken down, most of the facilities are still usable, such as diesel generators.

The generator can make every room brightly lit! Air conditioning can be used! You can even watch TV, but the discs in TV are limited.

The environment on a cruise ship is much better than that of a small island that is hot during the day and cold at night.

At this time, under the cruise ship, tens of thousands of people have gathered!

These tens of thousands were the tens of thousands who were sent out by Lin Kai during the day. They returned with wild fruits, wood and prey.

At this time, the wood had been piled together and burned by them.

Li Shengxian, Lao Huang and others looked helplessly at the thousands of people in front of them.

It's just a daytime, they can't stand it anymore.

At this time, Lin Kai and Yu Shen fell from the sky.

Lin Kai and Yushen turned around in the nearby sea to see if there were any people living nearby.

But after turning around for a day, Lin Kai was disappointed. There was no one else except them.

That is to say, unless the mainlanders find that the Hai Hai will not return for a long time, they will send rescue, they can only wait here.

And this waiting process is very long.

After Lin Kai and Yushen returned, Lin Kai immediately discovered something was wrong.

He found that everyone was looking at him with a very strange look.

Lin Kai walked towards Li Shengxian and Lao Huang and asked, "How is the wood and food preparation?"

Li Shengxian and Lao Huang both lowered their heads in shame.

"Wood, not much, they were all burned as firewood."

Li Shengxian lowered his head and said.

Upon hearing this, Lin Kai looked over immediately.

I saw a huge bonfire on the beach!

Just a little wood? And it burned?

"Where are the prey and wild fruits?" Lin Kai asked, looking at Lao Huang.

And Huang Tianshi also scratched his head at this time, and said in embarrassment:

"There are almost no wild fruits. They don't want to eat such unpalatable fruits. They all threw them away. I can't stop..."

Hearing this, Lin Kai frowned and muttered to himself: "Is this going to rebel?"

"Correct!"

As soon as Lin Kai's words fell, Jia Fuhao on the cruise ship shouted: "We want to rebel!"

At that time, tens of thousands of people under the cruise ship looked up at Jia Fuhao who was on the cruise ship!

Compared with Lin Kai, Jia Fuhao has a greater influence in everyone's hearts!

No matter how great Lin Kai is, how can he be a special soldier, but in everyone's eyes, Lin Kai is a martial artist!

They have many powerful thugs, many of whom are special forces.

So they were not very convinced by Lin Kai's words.

But Jia Fuhao is different, he is the boss of the world's top 500 companies! Many people present in China need to rely on Jia Fuhao!

Even on the desert island, Jia Fuhao has a very high influence!

When he speaks, everyone can hear him.

Moreover, Jia Fuhao has firmly grasped everyone's psychology, he wants to build a feudal society! He wants to find thousands of slaves among the tens of thousands! He wants these slaves to serve them!

Upon hearing this, Lin Kai looked at Jia Fuhao, frowning.

"Mr. Jia, what are you doing?" Lin Kai asked loudly.

For Jia Fuhao, Lin Kai still respects him, after all, he has a lot of contacts on board.

Jia Fuhao sneered: "Hehe, don't call me Mr. Jia! You are not worthy!"

Jia Fuhao's tone is very unkind.

"You are a sinner! You and Li Shengxian are both sinners!"

sinner?

Hearing that, Lin Kai and Li Shengxian both looked at each other. What kind of medicine was sold in Jia Fuhao's gourd?

Tens of thousands of people at the scene also looked at Lin Kai and Li Shengxian with bad eyes.

"Mr. Jia, what do you mean?" Lin Kai frowned and asked.

Jia Fuhao sneered and said, "Heh! If you didn't kill the pirates, would the ship sink?"

Upon hearing this, Lin Kai laughed at the time: "Hehe, it is the pirate who wants to kill you! I am here to save you!"

After hearing what Lin Kai said, Jia Fuhao laughed loudly at the time: “Hahahaha! Just kidding!”

“Five hundred million lives! Do you think we have no money?”

“Which one of those present can’t give out five hundred million?”

Most of the people present can give out 500 million, so they think there is no need to offend pirates!

But there are still a small number of people who can’t spend five hundred million.

And Jia Fuhao naturally thought of this, and he went on to say loudly: “What if someone can’t put out five hundred million?”

“With me, Jia Fuhao here, can I watch them die?”

Jia Fuhao said loudly!

Although it was an afterthought, Jia Fuhao’s words won the favor of many people present!

“The pirates, no matter how powerful they are, they still recognize money!”

“It’s you! Lin Kai! You couldn’t help but killed the pirates! Do you think you are a superhero? Think you saved us?”

“Lin Kai! You are too reckless! You are a sinner!”

“If it weren’t for you, we would all be reduced to a desert island? You say, are you a sinner?”

“And you!”

At this time, Jia Fuhao turned his head and looked at Li Shengxian: “You keep saying that the Sea is the safest cruise ship in the world!”

“But now!”

“Because your Li family and the pirates did not reach an agreement, we became the victims!”

“You two are sinners!”

“It’s ridiculous that you two are still self-righteous, and you look good for everyone!”

“Let’s do the rough work! You are more leisurely than the other! You are flying to the sky!”

“Do you think we are all fools?”

Jia Fuhao’s words were said to be in everyone’s hearts.

Jia Fuhao has become a new generation leader on the island!
