Chapter 97: Interrupted Legs

Chapter 97

Only a small special soldier, but pretending to be madly dragging and blasting the sky, Jiang Xing just looked at Huangfu Wan'er's face, so he didn't care about Lin Kai.

But now, Huangfu Wan'er is already drunk, even if he beat Lin Kai to death, Huangfu Wan'er would not know!

When I cook the uncooked rice, I don't need to care about Huangfu Wan'er's feelings, I just throw Lin Kaiji into the river to feed the fish!

"Stop!" Jiang Xing snorted coldly and glanced at Lin Kai coldly.

"You **** treat yourself like a green onion, right? Shao Jiang's woman, do you dare to move?" The fat man jumped out at this time, pointing to Lin Kai's nose and cursing, his expression arrogant.

Fatty had long seen Lin Kai displease his eyes. Lin Kai just let Fatty go twice in a row. Although Fatty's family background is not as prominent as Jiang Xing, in Jiangdong, Fatty is also a character big and small.

And what about Lin Kai? But it's just a small special force, so what if they can fight? In the fat man's home, I don't know how many people I can raise, don't you have to look at him?

Lin Kai raised his head and glanced at these two people lightly, as if he hadn't heard them talking, hugged Huangfu Wan'er, and was about to leave.

"I told you to put that woman down. You're **** deaf, right?" With a snap, I saw the fat man throw the red wine bottle on the table to the ground. At that time, the red wine bottle was torn apart and the glass ball splashed Lin Kai all over.

Lin Kai paused, looked back at the fat man coldly, and said, "I am the bodyguard she invited. I have an obligation to protect her. How old are you?"

"How old am I?" The fat man sneered, pointed to Jiang Xing beside him, and said, "Do you know who he is?"

"The son of the biggest real estate owner in Jiangdong, Jiang Shao, the woman Jiang Shao loves, has never dared to grab it!"

“You are just a little special soldier, so what about the special soldier? I have a lot of support in my house. Believe it or not I can kill you with just one finger!”

“If you are acquainted, put this woman down now and obediently kowtow three times in front of Jiang Shao. Jiang Shaoyi is happy. Maybe you can reward you with a whole body!”

Fatty’s face was arrogant and domineering, Jiang Xing was there, and the fatty spoke hard. He looked like Jiang Xing was my elder brother.

Jiang Xing also looked at Lin Kai coldly, with murderous intent in his eyes. Lin Kai dared to hug Huangfu Wan’er in front of him, which made Jiang Xing very angry.

You know, Jiang Xing didn’t like this woman for a day or two, and even he hadn’t embraced Huangfu Wan’er, but Lin Kai hugged Huangfu Wan’er in front of him.

Jiang Xing swears in his heart that he must kill this **** bodyguard! What **** commando? Didn’t Jiang Xing, a wealthy man, never killed him? Would he care about a special soldier?

Hearing this, Lin Kai showed a sneer at the corner of his mouth, and saw Lin Kai put Huangfu Wan’er on the sofa aside, and glanced at Fatty and Jiang Xing.

When the fat man saw this, he thought Lin Kai was scared. The smile on his face was even more proud: “Hehe, I just say your dog is obedient? Look, if you let it go, let it go, and the owner will give it to you later. Eat the bones.”

“Hahahaha!” There was a burst of laughter from around, and everyone looked at Lin Kai like watching the animals in the zoo.

People who can sit here are either rich or expensive, and they never think that there is something wrong with the joke.

In the eyes of their wealthy people, they only recognize money. If you have money, they treat you as an uncle. If you dont have money, they will laugh at you like animals in a zoo.

Lin Kai looked at the fat man and asked, “Isn’t Jiang Xing? You said he is Jiang Xing, Jiangdong’s No. 1 Younger, then do you know who I am?”

Lin Kai looked at the fat man with a confident expression on his face, his body immediately exuded the aura of a young master from Jiangbei, with a cynical smile on his face.

But the fat man didn’t agree. He glanced at Lin Kai up and down, and sneered: “Oh, you are just a little white face. If you say you are a special soldier, Lao Tzu feels praise you!”

Lin Kai smiled and said lightly: "Little white face? Ha ha, I'm Lin Kai, captain of the Wolf Squadron of the Spike Special Forces Brigade of the Southeast Military Region, with the rank of Captain. By the way, I still have an identity.

As soon as Lin Kai said this sentence, the audience was silent for a few seconds, and then a roar of laughter broke out, and everyone laughed.

Even Jiang Xing laughed, and tears of laughter were about to come out.

The fat man laughed as he patted the table.

Throughout the entire Tianzi room, everyone's laughter spread. Huangfu Wan'er was not drunk enough to lose consciousness. After hearing Lin Kai's words, Huangfu Wan'er felt ashamed for Lin Kai in her heart.

You can't brag like that! Why don't you say that you are the richest man in the world?

The fat man laughed and mocked: "Hahaha! This is the funniest joke I have ever heard this year! Who do you say you are? You are the youngest of Jiangbei Lin family? Hahaha, Jiang Shao, he said he It's the youngest of Jiangbei Lin's family. Are you funny?"

Jiang Shao couldn't stop smiling at all: "Hahaha! I know the young Lin family in Jiangbei, the young Lin family is very personable, how can you compare to the hillbilly like you? Jiangbei Lin family young and old? You don't take a **** and take pictures. Are you worthy of yourself?"

No one believed that Lin Kai was a young man from the Lin family in Jiangbei.

Jiangbei is much stronger than Jiangdong in terms of overall strength, and Jiangbei Lin Family and Jiangdong Jiang Family have similar positions in their respective places. However, because Jiangbei is richer than Jiangdong, the status of Jiangbei Lin Family is better than Jiang Xing Jiangdong. The status of the Jiang family is much more expensive.

No one believes that Lin Kai is a young man from the Lin family in Jiangbei. The young man in the Lin family is at least a Rolls-Royce luxury car. But what about Lin Kai? He came by Huangfu Wan'er's car. Could he be the youngest of the Lin family in Jiangbei?

So Lin Kai's words are simply a big joke for everyone!

Can the Jiangbei Lin family wear this poor-looking?

Lin Kai laughed and shook his head. He knew that they would not believe him when he said his identity.

“Haha, nothing, what’s the use of explaining so much to you? Huangfu Wan’er, I want to take it away. If you think you have the strength, you can stop me, you are free.” Lin Kai said lightly.

After all, Lin Kai hugged Huangfu Wan’er and was about to leave.

But at this time, the smile on Jiang Xings face disappeared, and he said coldly: “It seems that you, a hillbilly, are really toasting and not eating fine wine. Fatty, interrupted his legs for me, and then pulled In my car, I will go home and deal with him!”

“Good!” The fat man got the order, his expression of excitement, interrupting a person’s legs, is a kind of enjoyment for the fat man.

The fat man was very proud of seeing Lin Kai kneeling on the ground and howling.

Chapter 98: Black Card

Chapter 98

“Come here!” The fat man waved, and the men in black outside the door immediately rushed in. They also heard Jiang Xing’s words just now, so they stared at Lin Kai with a bad face.

These men in black are all retired professional special forces. Although they have already retired, they have joined the bodyguard industry and their efforts cannot be abolished. Each of them has the ability to fight one against ten.

The fat man pointed to Lin Kai and said coldly: “Push this kid to the ground, I will remove his legs!”

“Yes!” The bodyguards agreed and walked towards Lin Kai.

The bodyguards didn’t even show serious expressions on their faces, Lin Kai looked like, but at the age of eighteen or ninety, with delicate skin and tender flesh, they didn’t need to dispatch so many people at all, and one person could easily take Lin Kai down.

Lin Kai glanced at these bodyguards coldly. They were all special soldiers. Lin Kai didn’t want to hurt them.

So Lin Kai said lightly: “I don’t want to do anything to you, you leave now, it’s still too late.”

Those bodyguards obviously didn’t expect Lin Shanxi to say such crazy words, they were shocked, and they looked at each other, and the corners of their mouths showed playful smiles.

It seems that this young man's guts are not so big. If you say it better, Lin Kai is bold, if you say it badly, Lin Kai is a fool!

With a cry, one of the bodyguards shot directly at Lin Kai, slamming a fist towards Lin Kai's front door, with great force.

It deserves to be the retired special forces. That force is definitely not something ordinary people can beat. He wants to stun himself with a punch!

There was a hint of coldness in Lin Kai's eyes. It seems that you really want to do it, so don't blame me for being impolite!

At that time, Lin Kai held Huangfu Wan'er and kicked one leg directly under the bodyguard's crotch!

Lin Kai's speed was very fast. Before the bodyguard's fist touched Lin Kai, he felt a pain in his hip. Then the bodyguard caught his lifeline with his legs, fell to the ground, his eyes widened, and his body kept going. twitch.

Lin Kai's kick was not merciful. This kick was enough to make him unsuccessful!

Looking at the other bodyguards, Lin Kai actually attacked so hard and injured their companions. At that time, the bodyguards rushed towards Lin Kai, trying to press Lin Kai to the ground!

But Lin Kai flew directly on the spot at this time, and a flying kick directly hit the heads of the other bodyguards. Hearing their wailing, they fell to the ground one after another.

The fat man on one side's eyes widened even more. Lin Kai just now jumped up two meters in one place!

Besides, Lin Kai still holds a person in his arms. How did he do it?

Seven or eight bodyguards, before ten seconds, were all down by Lin Kaikai, Fatty and Jiang Xing's eyes widened, they all looked incredible.

Seven or eight bodyguards kept wailing on the ground, and none of the few who were kicked in the face by Lin Kai lost no less than two teeth!

Everyone in Tianzi was shocked, and Lin Kai's speed and strength shocked them.

And Huangfu Wan'er in Lin Kai's arms saw the scene just now. When Lin Kai hugged him and flew up just now, Huangfu Wan'er felt that she was flying into the sky. When Lin Kai landed again, then Several bodyguards have all fallen to the ground.

They are all retired special forces.

Stormy waves were set off in Huangfu Wan'er's heart. It seems that the Southeast Military Region treats everyone fairly. Although Lin Kai is young, this does not mean that Lin Kai is weak. On the contrary, Lin Kai's strength is very strong!

It seemed that it was the right choice to bring him to this meal. Without him, he would really be tainted by that bastard.

At this time, Huangfu Wan'er couldn't hold on anymore, and she fell asleep in a deep sleep.

Jiang Xing looked at the seven or eight bodyguards who had fallen to the ground by Lin Kaikai, with a green face.

Even the special forces retired were collapsed by Lin Kaifa. What else did Jiang Xing use to make Lin Kai stay?

"This..." The fat man was also speechless at this time.

Lin Kai kicked one of the bodyguards beside his foot and was about to leave.

Jiang Xing looked at Lin Kai's back and gritted his teeth. This is a great opportunity. If Huangfu Wan'er is allowed to go, it will be difficult to trick her into going to bed next time!

Jiang Xing is a businessman. He saw a huge business opportunity in Huangfu Wan'er. As long as Huangfu Wan'er was put to sleep, he could take this opportunity to take down the entire Huangfu family in one fell swoop!

Then, the Jiangdong Jiang family will become a big family that the Jiangbei Lin family must climb!

Jiang Xing shouted: "Wait a minute!"

Lin Kai stopped, looked back at Jiang Xing, frowned, and said, "Are you not convinced?"

Jiang Xing took out a bank card from his pocket and threw it at Lin Kai's feet.

Jiang Xing said proudly: "There are five million in this card. Put her down and you can leave."

Lin Kai glanced at the bank card under his feet and smiled: "Hehe, do you think the Lin family is five million less?"

Lin Kai looked disdainful.

As soon as this sentence came out, the people at the scene looked at each other, and Lin Kai actually regarded himself as the Lin family?

Doesn't he think this joke is funny?

Jiang Xing also laughed, then took out a bank card from his pocket and threw it under Lin Kai's feet: "You don't think the money is too small? Ten million!"

Lin Kai glanced at the bank card under his feet, smiled, took a black card from his pocket and threw it under Jiang Xing's feet.

"There are one billion in the card, I think you dare not spend it." After that, Lin Kai ignored Jiang Xing again, holding Huangfu Wan'er, and left directly from the sky.

Lin Kai actually didn't even look back. He left, and he didn't put down Huangfu Wan'er for ten million, and Jiang Xing's face became very ugly.

And the atmosphere in the entire sky became very depressing, no one dared to speak, because they knew that Jiang Shao was angry and the consequences would be very serious!

The fat man cursed at this time: "What the **** is billions of dollars, it's so **** bragging, can't you just fight? I will find a killer tomorrow and kill you!"

After all, the fat man was about to break the black bank card he picked up.

Jiang Xing glanced at the black bank card, and suddenly he was excited, and said, "Wait a minute!"

The fat man's movements stopped. He looked at Jiang Xing and asked, "What's wrong with Jiang Shao?"

"Show me the bank card." Jiang Xing's face was serious, and even a little... fearful?

The fat man handed the bank card in his hand to Jiang Xing. After Jiang Xing looked at it again and again, his legs suddenly softened and he was paralyzed on the chair.

"It's over, it's over..." Jiang Xing's small face turned white in an instant, white scary.

The fat man and all the young and old were frightened. A group of people hurriedly surrounded Jiang Xing and asked warmly.

"Shao Jiang, are you all right?"

"Shao Jiang, don't scare me!"

“Shao Jiang?”

A group of people surrounded Jiang Xing, for fear that Jiang Xing might have an accident.

Jiang Xing lifted the bank card in his hand with trembling hands, and tremblingly said: “Hua Xia Bank...China Black Card! He! He is really the Lin family!”

Chapter 99: Stinking Rogue

Chapter 99

After hearing Jiang Xing’s words, everyone was shocked. The black card of Huaxia Bank?

Hua Xia Bank is the largest bank in Hua Xia Country, and Hua Xia Bank’s black card has only launched a hundred cards, which can only be obtained by the 100 most influential individuals in Hua Xia Country.

But Jiangbei Lin’s family possessed a Chinese black card, which he did not expect to be in Lin Kai’s hands.

In this way, the person who was ridiculed by them just now was really Young Master Lin!

It’s no wonder that he has always been in danger, so calm, it turns out that he has something to rely on, his background is enough to kill everyone present!

Everyone present, except for the Jiang Family to contend with the Lin Family, no one else has the strength to contend with the Lin Family.

For a while, everyone’s faces turned pale, and the fat man who had insulted Lin Kai just now sat down on the ground, his eyes blank.

“It’s over, what should I do? I... I actually offended the Lin family...” Fatty’s tears fell.

At this moment, he felt 10,000 regrets. He wanted to insult Lin Kai to please Jiang Xing, but he did not expect that he would offend a more terrifying existence than Jiang Xing, the Lin family!

The Lin family is very famous in Jiangbei, even stronger than Jiangdong’s Jiang family. Fatty’s family is only a second-rate family in Jiangdong, and it is not an opponent of Jiangbei Lin’s family at all.

The other party wanted his family to be destroyed, and it was only a matter of one sentence.

No one thought that the bodyguard next to Huangfu Wan'er was actually Young Master Lin.

When Lin Kai left, he said that there were one billion in this card. It depends on whether you dare to spend it. This black card belongs to the Lin family. Who dares to touch the money in it?

There is only one dead end if the Lin family's money is moved!

The fat man looked at Jiang Xing at this time, he knelt in front of Jiang Xing, hugged Jiang Xing's calf, and pleaded bitterly: "Jiang Shao, please Jiang Shao, I have offended Lin Dashao. Ah! If you don't save me, my little life will not be saved!"

The fat man knelt down, and the others gritted their teeth and knelt down one after another. They pleaded bitterly to Jiang Xing, "Young Master Jiang, now only you can intercede for our Jiangdong families. You must help us!"

"Shao Jiang, this is the dinner today, but your group, Shao Jiang, you can't just sit back and watch!"

A dozen young and old who were famous in Jiangdong knelt down and begged Jiang Xing.

Jiang Xing was also pale. Although the Lin family did not destroy the strength of their Jiang family, if his father knew that he had offended the young master of the Lin family, he would definitely break his leg.

Jiang Xing gritted his teeth, cruelly, and said, "Tomorrow, go to the Huangfu Group with me, show your sincerity, and ask the Lin family to forgive me!"

Hearing the words, the fat man thought about it, nodded, and said helplessly: "It can only be this way."

...

Huangfu Wan'er's driver sent Lin Kai and Huangfu Wan'er back to Huangfu's house.

Huangfu's house is located in a villa complex in the center of Jiangdong City. The decoration is very luxurious. The entire Huangfu's house employs more than a dozen bodyguards.

Huangfu Wan'er was in a mess. When Lin Kai came to her home, she found that there was no one in her home and it was empty.

And Huangfu Wan'er also said from time to time some dreams that Lin Kai could not understand, such as don't leave me.

Send her back to the bed, Lin Kaigang wanted to leave, but Huangfu Wan'er directly took Lin Kai's hand.

"Don't... don't go..." Huangfu Wan'er closed her eyes, and her cute little face was blushing at this time, very beautiful.

Huangfu Wan'er, who was drunk, didn't have the aura of a strong woman. She is what a 25-year-old girl should have now.

Lin Kai gently put Huangfu Wan'er's hand back on the bed, turned and left Huangfu Wan'er's room.

This night, Lin Kai went to sleep in the living room.

...

There was nothing for a night, and the next day, Lin Kai woke up early in the morning.

This night, Lin Kai was in a state of half asleep and half awake. He didn't dare to sleep too much, otherwise there would be no way to protect Huangfu Wan'er.

Fortunately, nothing happened this evening.

At this moment, a scream came from Huangfu Wan'er's room!

Lin Kai was full of spirits, went directly over the sofa, and quickly ran into Huangfu Wan'er's boudoir!

But as soon as he opened the door and entered, Lin Kai was dumbfounded.

Huangfu Wan'er was only wearing underwear, and the rest of the clothes were scattered on the ground. At this time, Lin Kai could see the scenery in front of her.

All the ladies are very watery, the skin is soft and tender, and a pinch seems to be able to pinch the water. The point is that Huangfu Wan'er is not a young girl anymore, she has a mature woman's charm.

After seeing Lin Kai, Huangfu Wan'er was stunned for a few seconds, then she actually covered her face and screamed again.

"Ah ah ah ah ah!"

Lin Kai quickly exited the room and closed the door.

At this time, Lin Kai's mood was also very worried, fucking, thinking she was in danger, so he broke in.

Ten minutes later, Huangfu Wan'er dressed neatly and walked out of the room, but she had an angry expression on her face.

"Lin Kai!" Huangfu Wan'er yelled softly, and Lin Kai was full of spirits.

"Huh?" Lin Kai looked at Huangfu Wan'er with an innocent look.

"Did you send me home yesterday?" Huangfu Wan'er asked sharply.

Lin Kai nodded: "Yes, you were so drunk yesterday, I sent you back."

Upon hearing this, Huangfu Wan'er became angry at the time: "Then why, my clothes are on the ground? You actually took off my clothes? You stinky rascal!"

"Clothes?" Lin Kai was taken aback. He didn't take off her clothes at all yesterday!

"Smelly rascal! Get out of here!" Huangfu Wan'er was very frightened. She didn't listen to Lin Kai's explanation at all and drove Lin Kai out of the villa.

Lin Kai, who was sitting outside the villa, felt very aggrieved at this time.

She stopped Jiang Xing and rescued Huangfu Wan'er back, but she suspected that she had taken off her clothes?

She must have taken it off after she fell asleep!

Lin happily resented.

After another half an hour or so, the neatly dressed Huangfu Wan'er put on a light makeup and walked out of the villa.

"Go to the company." Huangfu Wan'er glanced at Lin Kai blankly and said lightly.

Generally speaking, if someone dared to take off Huangfu Wan'er's clothes, Huangfu Wan'er would have to strip that person off.

But Huangfu Wan'er suddenly thought of Lin Kai's offending Jiang Xing in order to bring herself back yesterday.

For his own sake, he offended a young boy like Jiang Xing, and Lin Kai's life will be difficult in the future. Take off his clothes as a reward for him.

This was Huangfu Wan'er's true thoughts, she didn't even know that Lin Kai was a young man from the Lin family in Jiangbei, because when Lin Kai threw the black card on the ground yesterday, Huangfu Wan'er was already asleep.

Chapter 100: Who Apologizes To Whom?

Chapter 100 Who Apologizes To Who?

Half an hour later, Lin Kai and Huangfu Wan'er arrived at the company. Lin Kai and Huangfu Wan'er took the elevator to Huangfu Wan'er's office on the 25th floor.

Along the way, many people gave advice to Lin Kai. It was spread throughout the company that Huangfu Wan'er had found a little white face as a bodyguard, and this little white face was Lin Kai.

These words naturally couldn't escape Lin Kai's ears, but Lin Kai was unable to lock their mouths.

In Huangfu Wan'er's office, Huangfu Wan'er was working very seriously, while Lin Kai had been secretly looking at Huangfu Wan'er.

I have to say that this little girl is beautiful. Although she is a few years older than herself and very mature, in Lin Kai's eyes, she is a little girl.

After getting busy, Huangfu Wan'er was busy until noon. When it was time for lunch, Huangfu Wan'er suddenly received a call.

"Hey?"

"Wan'er? I'm downstairs in your company. I hope you and Shao Lin can come down and meet me."

After hearing this familiar voice, Huangfu Wan'er's expression changed. She could hear whose voice it was. It was Jiang Xing's voice.

He is here again!

"Okay, Jiang Shao, wait a moment."

After hanging up the phone, Huangfu Wan'er slumped on the office chair, rubbed her eyebrows, and let out a sigh of exhaustion.

Lin Kai had amazing hearing and knew that it was Jiang Xing's call.

"Shao Jiang? You hate him so much, why don't you refuse to see him?" Lin Kai asked with a smile.

After yesterday's events, Huangfu Wan'er began to regard Lin Kai as her own, after all, Lin Kai had already shown his own strength in front of her.

She gave a wry smile and said, "You don't understand. After my father passed away, he entrusted the company to me, but I am only twenty-five years old this year, and I am still a woman."

"Many veterans in the company are very unconvinced with me. If it weren't for the support of the rich and young like Jiangdong, I would have been pushed down by these veterans."

After hearing Huangfu Wan'er's words, Lin Kai nodded, expressing understanding.

After all, the water in the Lin family was also deep, and he understood Huangfu Wan'er's situation.

"Then you can't see that all the young and old who support you are just to get the Huangfu family?" Lin Kai asked again.

After hearing what Lin Kai said, Huangfu Wan'er looked at Lin Kai in amazement, apparently she didn't expect Lin Kai to see the doorway.

"So what? As long as I don't want to, the Huangfu Group will have the surname Huangfu, and none of them can do anything about me."

"But I lose their support, and the chairman's position will be replaced immediately, alas..."

Huangfu Wan'er sighed and got up from her seat: "Let's go, they must be here for you, Lin Kai, listen to me, if you didn't give Jiang Shao face yesterday, he will definitely not let you go. ."

"Now I have me to speak for you. After a while, you should admit your mistakes, or you will die, you know?"

Lin Kai smiled and nodded without speaking.

Lin Kai followed Huangfu Wan'er into the elevator. After the elevator door was closed, Lin Kai clearly found that Huangfu Wan'er was shaking nervously all over.

She understands the horror of Jiang Xing, and also understands the fate of offending Jiang Xing. If Jiang Xing really came to ask the crime, she might not be able to keep Lin Kai.

"Just now Jiang Xing asked me to go down with Lin Shao, what Lin Shao?" At this time, Huangfu Wan'er suddenly remembered the Lin Shao on the phone.

Even if she wanted to break her head, she couldn't remember who this Shao Lin was.

I didn't understand, but I didn't want to. The elevator quickly reached the first floor position, the elevator door opened, and the two walked out.

As soon as she walked out of the elevator door, Huangfu Wan'er's face was pale with fright at the time, and when it was over, this time the fairy could not keep Lin Kai!

I saw hundreds of people standing on the first floor of Huangfu Group. Most of the hundreds of people Huangfu Wan'er knew. These people were basically young masters of various families in Jiangdong.

Such a big battle!

Huangfu Wan'er's heart seemed to be about to jump out of her throat. It seemed that Jiang Xing was really upset this time, and he actually found the young masters of the Jiangdong big family.

This is the rhythm to put Lin Kai to death!

Lin Kai is just a special soldier, he is definitely not Jiang Xing's opponent.

Lin Kai offended Jiang Xing for himself. In any case, he must protect Lin Kai's safety. Huangfu Wan'er bit her silver teeth and thought in her heart.

Outside the gate of Huangfu Group, hundreds of luxury cars almost blocked the door of the entire group, from BMW Audi to Ferrari Rolls-Royce, luxury cars for everything.

This shocked the employees of the Huangfu Group. There was such a big battle, I was afraid that the old man Huangfu didn't even die, right?

With a heart of fear, Huangfu Wan'er walked with Lin Kai. Jiang Xing also saw Huangfu Wan'er and Lin Kai at a glance. His eyes lit up and he walked quickly with hundreds of youngsters.

Huangfu Wan'er saw Jiang Xing's pace so fast, and her heart was abrupt. When the two met, Huangfu Wan'er spoke before Jiang Xing could speak.

"Jiang Shao, I'm really sorry about what happened yesterday. Lin Kai is ignorant. He swept you Jiang Shaoxing. On behalf of Lin Kai, I apologize to you." Huangfu Wan'er said with a pale face and a trembling tone.

After hearing this, Jiang Xing was stunned. What do you mean? Apologize to me?

Could it be that this little girl has a grudge against herself, and now that Young Master Lin is supporting him, is she mocking herself?

At that time Jiang Xing arched his hand and smiled with a green face: "Wan'er, what are you talking about? I don't know Taishan. You are with Young Master Lin. I don't even know. Come today. To make amends."

Young Master Lin? Huangfu Wan'er was stunned. This is the second time Jiang Xing mentioned Young Master Lin. Who is this Young Master Lin?

There is no one with the surname Lin beside him!

Lin Kai?

Huangfu Wan'er could only think of a Lin Kai, but Lin Kai was only a soldier, he was not a big young man.

"Shao Jiang, don't laugh, I don't even know Young Master Lin." Huangfu Wan'er smiled.

"Master Lin Kailin!" Jiang Xing pointed at Lin Kai and said to Huangfu Wan'er, with a hint of surprise in his eyes.

Young Master Lin Kailin? Huangfu Wan'er looked at Lin Kai, and saw Lin Kai put his hands in his pockets and looked confident.

"Lin Kai?" Huangfu Wan'er was even more dazed at this time. Isn't Lin Kai a soldier? When did you become Young Master Lin?

"Don't you know that Lin Kai is the eldest young master of the Lin Family in Jiangbei!" Jiang Xing explained to Huangfu Wan'er.

Lin Kai is Young Master Lin in Jiangbei? At this time, Huangfu Wan'er felt that her head was not enough. The bodyguard next to her was Young Master Lin?

What international joke?

But looking at Jiang Xing's appearance, it didn't seem to be a joke.

Is it possible that Jiang Xing is teasing himself?

Chapter 101: He Is Lin Shao

Chapter 101: He Is Lin Shao

At this time, Huangfu Wan'er suddenly thought of what Lin Kai said at the dinner yesterday. He boasted at the dinner that he was the young master of the Lin family.

Could it be that Jiang Xing really believed it?

Thinking of this, Huangfu Wan'er would be paralyzed to the ground. After that, Lin Kai could blow too much!

Now Jiang Xing believes it. If he tells him that Lin Kai is blowing, wouldn't Jiang Xing, who was furious, want to smash the entire Huangfu Group?

But if he didn't tell him the truth, he would not forgive him afterwards when he found out.

After hesitating for a long time, Huangfu Wan'er gritted her teeth, almost crying: "Shao Jiang, Lin Kai...Lin Kai is not a Young Master Lin at all!"

"At the dinner yesterday, he was bragging! Jiang Shao, forgive Lin Kai, Lin Kai, come over and apologize to Jiang Shao!"

Huangfu Wan'er pulled Lin Kai behind her and asked Lin Kai to apologize to Jiang Xing.

Huangfu Wan'er was scared to the extreme at this time, Jiang Xing was angry, and the consequences were beyond her ability.

But Lin Kai kept his waist straight, and said lightly: "Why should I apologize? I didn't do anything wrong, I don't apologize!"

Lin Kai's attitude was very tough. This made Huangfu Wan'er crazy. Lin Kai didn't apologize. Could it be that he didn't understand Jiang Xing's horror?

Huangfu Wan'er said anxiously in Lin Kai's ear: "Lin Kai! Jiang Shao is the top young master in Jiangdong. The Jiang Group behind him is dominating the Jiangdong real estate business. There are countless gangsters under him. If you don't apologize, be careful that you are dead!"

Lin Kai glanced at Huangfu Wan'er and said lightly: "Chinese soldiers, there is nothing to fear!"

"You!" Huangfu Wan'er became angry for a while, and there was no way to take Lin Kai.

Jiang Xing could see from the side, Huangfu Wan'er didn't even know the identity of Lin Kai!

Jiang Xing asked someone to check the bank card yesterday. It was a real black card, and Lin Kai was the Lin family.

At this moment, Jiang Xing was not talking to Huangfu Wan'er, but took out the black card from his pocket and handed it to Lin Kai respectfully.

“Lin Shao, this is your black card. Yesterday it was the little brother who had no eyes to know Mount Tai. The flood rushed to the Dragon King Temple. I hope that Lin Shao will not be offended.” Jiang Xing lowered his head and said sincerely.

Lin Kai glanced at the black bank card lightly, and snorted coldly, “Hey, didn’t you say yesterday that I would break my legs? I came to apologize today? I, Lin Kai, can’t stand it!”

Lin Kai looked reluctant and unforgiving. This made Jiang Xing anxious. Jiang Xing gritted his teeth and said: “Lin Shao, in order to show my sincerity, I have scored 100 million in this black card. I think Jiang Xing compensated you.”

One hundred million, Lin Kai was shocked by Xiaoxiao. In his previous life, Lin Kai had never seen one hundred million!

But Lin Kai’s black card actually didn’t have a dime. Since Lin Kai entered the army, the Lin family has transferred all the money in this card.

After earning 100 million, Lin Xinli was very happy, but the surface was calm.

“Heh, for your sincerity, I will forgive you once, but not a second time!” Lin Kai received the bank card and put it in his pocket.

Jiang Xing exhaled a long breath, and a rock in his heart finally landed.

On the other side, Huangfu Wan’er was so bewildered that Jiang Xing gave Lin a black card from Huaxia Bank? Give Lin Kai 100 million?

What happened after I fell asleep last night?

Naturally, Huangfu Wan’er knew this black card. Huaxia Bank only released a hundred black cards, which were distributed to the 100 most influential individuals in China.

Father Lin Jialin has such a black card. Is it possible that Lin Kai is really the young master of the Lin family?

Impossible! How could he be his bodyguard if he were the Lin family?

Before Huangfu Wan’er could think clearly, the dozen or so young masters who had eaten together at the dinner yesterday had already stepped forward, and saw that the big and small bags in their hands were all luxury goods.

Like a cigarette worth tens of thousands of dollars, top Longjing tea, a rare gem in a century, and a famous painting by a famous master, these things are worth more than 100 million?

The dozens of young and old stood in a row and bowed to Lin Kai.

“Lin Shao, yesterday we were ignorant, had eyes but didn’t know Mount Tai, a little respect, and asked Lin Shao to raise your hand and let us go.” It was the fat man who was talking, and the flesh on his face was trembling. Of fear.

Jiang Xing has a big family after all, and it is natural for Lin Kai to forgive him.

But the sons of these second-rate families, I am afraid it is not that simple.

Lin Kai frowned when he saw the fat man. The one who insulted Lin Kai the most during yesterday’s dinner was the fat man!

His fault cannot be forgiven!

“Oh, I insulted me in every possible way yesterday, but today I thought about it with such a pile of tatters?” Lin Kai sneered.

“Others can forgive, but you can’t!”

Hearing Lin Kai’s words, the fat man seemed to be struck by lightning, and he was dumbfounded at the time.

When it’s over, Lin Kai doesn’t forgive himself, because he is in Jiangdong, so he can’t get along!

He wanted his family to be destroyed, and it was only a matter of one sentence. With a plop, the fat man knelt on the ground with a regretful look.

“Lin Shao, I was wrong yesterday, you forgive me Lin Shao! I slapped myself!”

Snapped! Snapped! Snapped!

The fat man slapped himself in the face with slap after slap, with great force. After a while, his face was red and swollen like a pig’s head.

Hit and hit, Fatty’s tears came down, they were tears of regret. If you don’t look down on others, can you end up like this?

“Heh, now dogs have learned to beat themselves, I don’t want to see you here, get out of here! No, I don’t want to see you in Jiangdong from now on!”

Hearing what Lin Kai said, the fat man was completely dumbfounded, and he didn’t want to see himself in Jiangdong. What does this sentence mean is to make himself unable to mix in Jiangdong?

“Don’t! Lin Shao! I was wrong! Don’t!” With a wailing sound, the fat man was dragged out. None of the brothers who usually yelled at him at this time stood up to help him.

The other dozen people breathed a sigh of relief. Fortunately, they didn’t offend Lin Kai too deeply in yesterday’s dinner, otherwise their fate would be the same as that of the fat man.

At this time, Lin Kai glanced at the hundreds of extravagantly dressed young masters behind Jiang Xing, and frowned.

As if seeing Lin Kai’s doubts, Jiang Xing approached Lin Kai and said with a smile: “Lin Shao, these people are the second-generation heirs of major families in Jiangdong. They heard that Jiangbei Lin Shao came here. I want to come to see Shao Lin’s demeanor, and make friends.”

“Hello.” Jiang Xing waved his hand and said.

“Lin Shao!” As soon as Jiang Xing’s voice fell, he saw hundreds of people yelling Lin Shao, the battle and the momentum, mighty, very domineering.

Chapter 102: Blood Butterfly Mercenary

Chapter 102 Blood Butterfly Mercenaries

More than a hundred Jiangdong youngsters greeted Lin Kai together. The scene was very shocking.

Huangfu Wan’er on the side opened her mouth in surprise, with a look of surprise on her face. Let Huangfu Wan’er stay in Jiangdong for decades, but she didn’t have such a high status.

But Lin Kai, an outsider from Jiangbei, could make hundreds of young and old in Jiangdong bend the waist.

Until now, Huangfu Wan’er couldn’t believe that Lin Kai was the young man of the Lin family in Jiangbei. After all, how could the young Lin family be reduced to being her own bodyguard?

Jiang Xing approached Lin Kai and said with a smile: “Lin Shao, many friends and many roads, in the future in Jiangdong, where I can use it, just speak up.”

Lin Kai nodded when he heard the words, Jiang Xing’s power was not small, and he had given enough face to himself, so Lin Kai would naturally no longer be an enemy of him.

Lin Kai smiled and nodded: "Haha, Shao Jiang, it's a shame to say this. When you come to Jiangbei in the future, you can speak wherever your brother is needed."

How old is Jiang Xing Dalin, Lin Kai called himself a younger brother, and he gave Jiang Xing a lot of face, Jiang Xing also laughed.

If it were Lin Kai before, he would definitely be arrogant, and would definitely not put Jiang Xing in his eyes.

But now Lin Kai is different. In his last life, he was just a hard-working office worker who understood the importance of friends. As Jiang Xing said, there are many friends and many paths.

At noon, Jiang Xing hosted a banquet in the Hilton Restaurant, banqueting the entire Jiangdong giants and youngsters to have a drink with Lin Kai. Of course, Huangfu Wan'er was also there.

On that day, Lin Kai met many friends in Jiangdong. With Jiang Xing as the leader, Lin Kai was familiar with Jiangdong.

In the evening, Lin Kai and Huangfu Wan'er returned to Huangfu's house. The empty Huangfu's house was not at all popular.

Closing the door of the villa and turning on the light, Huangfu Wan'er drank a lot of wine, her face flushed, she was very cute.

"Lin Kai, you hid it deep enough! Jiangbei Lin's young man came to my Huangfu's house to be my Huangfu Wan'er bodyguard, and said, what is your purpose?" Huangfu Wan'er lay on the sofa, half drunk and half awake questioning Tao.

Lin Kai smiled faintly: "The Lin family is only from my family background. I am also a soldier. The mission of a soldier is to obey orders."

"Cut!" Huangfu Wan'er waved her hand drunkly: "I don't believe it! You must have some ulterior secret, you come to protect my safety? I have so many bodyguards in Huangfu's house, do you need your protection?"

There are indeed many bodyguards in the Huangfu family, more than a dozen of them, all of them are good players.

Lin Kai smiled faintly, and didn't say much.

Seeing Lin Kai didn't speak, Huangfu Wan'er stood up swayingly, and was about to walk into the bathroom.

"I'm going to take a bath and sleep. Go to the second floor to sleep..." Huangfu Wan'er seemed to be drinking too much, and she started to take off her coat before she went to the bathroom.

Lin Kai's eyes widened behind his back, he watched Huangfu Wan'er take off his coat, and he was about to take off the vest inside.

Seeing this scene, Lin Kai walked over quickly, trying to remind Huangfu Wan'er, but at this moment, a very ominous premonition surged from Lin Kai's heart.

I don't know why, Lin Kai actually felt this way, it seemed that something bad would happen next.

The heartbeat speeds up suddenly, Lin Kai knows that soldiers have an intuition, an intuition in their hearts when danger comes.

Whoosh!

With a sound of breaking through the air, Lin Kai's reaction force was extremely high. Although he didn't know where the danger came from, he still hugged Huangfu Wan'er subconsciously and threw her to the ground.

Puff!

There was a muffled sound, and a silver needle had been submerged on the bathroom door. The silver needle was glowing with a mysterious purple light, which looked poisonous.

Fortunately, Lin Kai responded in a timely manner, otherwise Huangfu Wan'er would definitely suffer this evil hand!

"Who?" Lin Kai looked at the surroundings with a vigilant look, but the whole villa was as silent as death, and only the tender voice from Huangfu Wan'er could be heard.

"Oh, you...you hurt me..." Huangfu Wan'er frowned and wanted to push Lin Kai away.

Lin Kai looked serious: "Don't talk, there is a killer."

Seeing Lin Kai's serious expression, Huangfu Wan'er also closed her mouth obediently. Looking around for a week, she did not see the killer in Lin Kai's mouth.

"Dazzled you..."

Happiness!

As soon as Huangfu Wan'er finished speaking, only a round of applause was heard. The door of the villa suddenly opened, and a burly man with a height of 1.9 meters walked in from the outside.

It was a foreigner with a big nose, white skin, short yellow hair, a scar on his face, and was wearing a yellow camouflage uniform.

"It deserves to be the Huaxia Special Forces. The response is quick." The foreigner with Big Nose preached in bad Chinese.

After saying this, his eyes were arrogant, and he believed: "But when you meet our blood butterfly mercenaries, you are still a dead end."

Bang! Bang! There was a sound of broken glass, and five or six foreign mercenaries, like foreigners with big noses, broke in from the glass windows of the villa.

Five or six pistols aimed at Lin Kai and Huangfu Wan'er instantly.

It seemed that the bodyguards outside the villa had been killed by them. Facing these professional assassins, Lin Kai was ashamed. Lin Kai didn't even know when they broke in.

"I have to say that the security of your Huaxia Nation is really great. We have tried all the hard work. We still didn't bring in large-scale lethal weapons. We only brought in so many small things. But it is enough to kill you sick men of East Asia." The big-nosed foreigner was playing with the pistol in his hand, as if he was holding a winning ticket.

The remaining five or six mercenaries raised their pistols and slowly approached Lin Kai. Huangfu Wan'er was awakened by the wine in an instant.

I saw her shivering behind Lin Kai: "Really...really there are killers..."

Huangfu Wan'er never dreamed that foreign assassins would really assassinate her! The foreign assassins only knew that she was the chairman of the Huangfu Group, but they didn't know that she was the chairman who was emptied!

"Sick man of East Asia, do you have any last words?" The big-nosed foreigner raised his head in contempt.

He has regarded Lin Kai as a dead person.

After all, they are not ordinary killers. They are mercenaries. They kill people professionally. Five or six people can kill a Chinese special soldier?

Besides, China's special forces can only rank a dozen or so in the global special forces rankings, and their US special forces are the third largest special forces power in the global rankings.

The genetic conditions of the Americans are much stronger than those of the yellow race. All of them are tall and big, but their bodies are twice as strong as the yellow race.

Lin Kai faced a number of special forces, and he was a little flustered. After all, he was not facing a comrade in the army, but a professional killer who would really kill him!

"Want to kill me? It depends on whether you have this ability!" Lin Kai said coldly.

"The system has released a task! Defeat the blood butterfly mercenaries, reward 100 upgrade points, 100 attribute points, and then extract one ability!"

Chapter 103: And The Killer Game

Chapter 103: A Game with the Killer

Five or six pistols were pointed at his head, and it was impossible to say that he was not nervous.

The six or seven burly men in front of them were not comrades in the barracks. Their guns were filled with empty bullets, and the guns of the mercenaries in front of them were all live ammunition!

Although Lin Kai's defensive power is already very strong, with three hundred points, he has ignored the power of small-caliber pistols.

But Huangfu Wan'er is just an ordinary person. If mercenaries shoot at her, Lin Kai will not be able to protect her well.

Facing Lin Kai's stubbornness before his death, the big-nosed foreigner gave a disdainful smile, and the pistol was directly on Lin Kai's head.

"Sick man of East Asia, you have to know that lowly yellow people like you are only rationed to us white shoes. Rubbish like you is not worthy of living in this world."

"However, now I give you a chance to survive. When our undercover, the country behind us, is the real power!"

"Otherwise, I will kill you with one shot!"

Facing the threat of a big-nosed foreigner, Lin Kai straightened his back. As a Chinese, he has his own bottom line. The motherland and brothers cannot betray!

“My motherland, don’t betray! Want to kill me? How about we play a game?” Lin Kai stared at the big-nosed foreigner and asked.

“Playing games?” The big nose foreigner said in very bad Chinese: “What games to play?”

Lin Kai smiled playfully and pointed to his head: “If you kill me with one shot, you can kill her. If you can’t kill me with one shot, promise me not to hurt her.”

After hearing Lin Kai’s words, the foreigner with big nose was stunned for a while, and suddenly a sentence of English popped out.

“What? (What? The big-nosed foreigner even suspected that he had heard him wrong. He actually wanted to shoot him himself?

He felt that with his body, he could hold the bullet?

Although the pistol in his hand is not very lethal, it is not too powerful at close range. The human body cannot hold the bullet at all!

Is it possible that he is afraid of torturing him, so he wants to give him a happy life?

The mercenaries all laughed, laughing at Lin Kai’s arrogance, laughing at Lin Kai’s ignorance!

“I heard that Huaxia Kungfu is very powerful, but I didn’t expect that the sick man in East Asia has no brains. This is not a game. This is completely giving me the right to kill you!” The big nose foreigner laughed.

“Oh, but that’s right. Sick East Asian men like you really want to die at the hands of a white man? In the words of your Huaxia Kingdom, when you die to the king of Yan, you can proudly say that I was beaten by a white man. Dead, Guangzong Yaozu? Hahaha!”

“Hahahaha!”

Several white mercenaries laughed.

Although Huangfu Wan’er was scared in her heart, she couldn’t help but yelled softly after hearing the white people’s insults to the yellow race: “You white people will bully the less with more and have the ability... if you have the ability, you and Lin will be singled out !”

“One-on-one?” The big-nosed foreigner glanced at Lin Kai, disdainfully said: “Sick East Asian man like him, I don’t even need to exert my strength, I can beat him down with one hand!”

The white people were full of self-confidence in their eyes, and they were all retired special forces. After retiring, they formed a blood butterfly mercenary team to take over the task of assassinating various people.

Although there is a saying abroad that Huaxia is a forbidden place for mercenaries, they don't believe in evil, and they dare to assassinate Huaxia people with five or six pistols.

Now it seems that all the forbidden places for mercenaries are bullshit. All of China's bodyguards are short and vulnerable. The special forces of China are also mentally retarded. They actually want to use his body to resist bullets!

Lin Kai stared at the big-nosed foreigner with piercing eyes, and said, "Just say, do you dare to play this game?"

When several white people saw that Lin Kai even dared to make this request, killing intent appeared in their eyes. Since Lin Kai wanted to die, they satisfied Lin Kai!

A white man directly loaded the bullet from the pistol, and pointed the pistol to Lin Kai's head: "Since you want to taste the taste of the bullet hitting your head, I will satisfy you!"

When Huangfu Wan'er saw it, she was anxious, and Lin Kai was now his only hope! If Lin Kai died, her Huangfu Wan'er would not survive either!

"No!" Huangfu Wan'er grabbed Lin Kai and shook her head desperately, tears streaming down her face with a look of fear: "Lin Kai, don't do stupid things! How come your head is hardened by bullets?"

Although Huangfu Wan'er doesn't know much about heat weapons, human heads can't resist bullets! This is all common sense!

She couldn't understand, the dignified young master of the Lin family, why is his head not working? Actually want to use his head to fight the bullets in the pistol!

Lin Kai smiled slightly at Huangfu Wan'er, snorted at Huangfu Wan'er, and motioned for Huangfu Wan'er to run into the bathroom.

When Huangfu Wan'er saw Lin Kai's actions like this, tears flowed down. Could it be that Lin Kai wanted to die, just to buy himself time to escape?

But what's the use of running into the bathroom? They all have guns in their hands! They can kill themselves!

"It's okay, don't worry, I won't die." Lin Kai touched Huangfu Wan'er's head and said.

Suddenly Lin Kai came and killed him. Huangfu Wan'er didn't have time to get angry, but she felt that Lin Kai was very stupid!

What is the use of him doing this? It's better to promise the white people to be their undercover, so that they can survive for the time being, and maybe they don't have to die.

But Lin Kaifei had to use his own life to exchange a fate that he couldn't survive. What kind of hero? Isn't it a dead end? Huangfu Wan'er complained to Lin Kai in her heart.

Hearing what Lin Kai said, the white foreigner laughed at that time: "Hehe, sick man of East Asia, he will only brag, if you can take this shot and not die, I will commit suicide in front of you!"

"Sick man of East Asia, are you ready to die?" The white man poked Lin Kai's head with a pistol with a playful smile on his face.

White foreigners have killed countless people, and many yellow people have died in his hands, and he likes to see the yellow head burst in front of him. The expression of despair is really exciting.

Seeing Lin Kai now, he seemed to have seen a corpse, a corpse with a red hole in his head.

He must die miserably, his eyes widened, he is not willing to die!

"Come on, shoot, remember our gambling agreement." Lin Kai smiled slightly with an indifferent expression on his face.

"Haha, goodbye, sick man of East Asia."

boom!

After a sneer, the white mercenary waved his hand and fired directly!

With a shot, Huangfu Wan'er couldn't help but screamed and covered her eyes. She really didn't want to see Lin Kai fall to the ground next, she didn't want to see Lin Kai's body.

Chapter 104: Chinese Kungfu?

Chapter 104 Chinese Kung Fu?

Several whites also showed cruel smiles at the corners of their mouths, and then they will see Lin Kai's brain bursting.

That is really exciting.

This Chinese person is really stupid, he actually thinks his head is harder than a bullet?

The white man who shot the gun sneered at the corner of his mouth, killing, for him, is a kind of enjoyment.

Huangfu Wan'er was so scared that she screamed on the spot, and tears flowed down. The pear blossoms were very pitiful with rain.

The gunshots irritated Huangfu Wan'er. No matter how strong she was at work, she was only a twenty-four-five-year-old girl. Seeing someone dying in front of her was a great psychological pressure for her.

After a while, Lin Kai's voice suddenly came: "You lost."

After hearing Lin Kai's voice, Huangfu Wan'er trembled, and she even suspected that she had heard it wrong.

Lin Kai is talking? how is this possible? He should have been shot to death!

Huangfu Wan'er stopped screaming and sobbing. She quietly raised her head and aimed at Lin Kai. Then, Huangfu Wan'er opened her mouth wide, showing an incredible expression.

I saw Lin Kai tilting his head, with **** erected beside his temples, and a bullet was caught between his fingers!

Lin Kai actually caught a bullet with his two fingers!

Even though Huangfu Wan'er didn't know much about heat weapons, she also knew that with human power, it was impossible to catch a bullet with her fingers!

Huangfu Wan'er has only seen such a scene in Xing Ye's movie Kung Fu, in which the Fire Cloud Cthulhu can hold bullets with his fingers. Is Lin Kai a descendant of the Huoyun Cthulhu?

Not only Huangfu Wan'er was shocked, but six or seven foreigners with big noses were shocked.

The leader of the blood butterfly mercenary couldn't help sighing, "Chinese Kungfu?"

Play with your fingers, this has subverted the worldview of these foreigners!

They killed countless people, and some people could survive after being shot, and it was entirely because the bullet did not hit the point.

But Lin Kai's abnormality of holding bullets with his fingers is unheard of!

With a loud bang, Lin Kai threw the bullet on the floor, and said calmly: "I hope you lose the gambling, you can't hurt her anymore."

Huangfu Wan'er was stunned. Just now, she had always thought that Lin Kai was begging for death, but only now did she discover that Lin Kai really had the strength to win this bet!

The face of the big-nosed foreigner changed and Lin Kai's methods shocked him, but so many of them came to China to assassinate Huangfu Wan'er. If she did not die, they would not be able to get huge commissions!

The big-nosed foreigner sneered: "Hehe, sick man of East Asia, I don't know where you learned this ability to conjure, but in front of our noble white people, you still have to die."

After all, the big-nosed foreigner raised his pistol and aimed at Huangfu Wan'er.

"Hurry and hide in!" Lin Kai knew what was wrong, shouted, and protected Huangfu Wan'er with his back, and directly pushed Huangfu Wan'er into the bathroom and closed the door.

There was a burst of gunfire, and Lin Kai didn't know how many rounds he had suffered on his back, but Lin Kai was stunned that he was able to escape unscathed!

Lin Kai did not appear injured until the bathroom door was closed.

Several white people were stunned. They even wondered if they had empty bullets in their guns. Even if they hit people with empty bullets, they would have to react somewhat, right?

Seeing Lin Kai's appearance, he seemed to be tickling him.

Lin Kai looked at the white leader coldly: "Oh, if you don't keep your promise, I will let you stay in China forever!"

After that, Lin Kai moved, Lin Kai rushed directly at the white leader, flipped a dagger into his palm.

Lin Kai's speed was undoubtedly very fast, at fifty o'clock, but the white leader's reaction was not slow. He took a step back, the same white light flashed in his hand, and a dagger appeared in his hand.

After the dagger appeared, Lin Kai only felt a cold light flashing, and a chill appeared in the villa.

In a daze, Lin Kai saw that there were a few blood-red butterflies on the body of the dagger, which were very strange.

With a click, the white man directly used the dagger in his hand to cut off the dagger in Lin Kai's hand, Lin Kai looked surprised.

The dagger in the hands of the white man actually cuts like iron!

The time is too late, and the white leader's speed and strength are also very strong. After abolishing Lin Kai's weapon, he took Lin Kai's throat straight, wanting to seal it!

Lin Kai couldn't retreat, he could only use his arms to resist, his body could resist even bullets, but couldn't resist a dagger?

With a puff, a **** flower floated out, and Lin Kai's arm was cut into a deep wound by the dagger!

Humph!

Lin Kai stepped back three steps and looked at the white leader with surprise.

The white leader was also quite surprised. He was the captain of the blood butterfly mercenaries and the only American who could speak Chinese among the blood butterfly mercenaries.

He said: "Sick man of East Asia, your strength is beyond my imagination. The name of this dagger is called the blood butterfly. It is bloodthirsty. It has a soul. The knife just now, logically speaking, is an arm of yours. It should have been cut off."

"But your body is beyond my imagination, but it doesn't matter, I will kill you with the blood butterfly in my hand!"

The other mercenaries had put away their pistols. They knew that the pistols were useless to Lin Kai, but they could cooperate with their boss to kill Lin Kai with the blood butterfly!

Lin Xinzong was very surprised. He didn't expect that there are such sharp cold weapons in this world, whose power is not lost to hot weapons.

There were bursts of pain in his arm. This was the first time Lin Kai was injured since he came into this world.

Although the strength of the white leader is not as strong as himself, his reaction and speed are not at all inferior to him! His 300-point defense is useless in front of him.

Because he has blood butterflies in his hands.

What is even more terrifying is that he has killed countless people and has rich combat experience. Although Lin Kai is a special soldier, this time, it is the first time he has faced a real enemy.

However, Lin Kai has countless skills and is not afraid of him!

“Come on! Fight to the death!” Lin Kai roared.

God eyes start!

The white leader moved, and the other mercenaries also moved. They deserved to be the retired special forces, which put a lot of pressure on Lin Kai.

They are not Lin Kai’s comrades in the barracks. They are like Wang Yanbing. Although they are also strong, they are just young birds without their wings spread.

These people in front of them are all eagles with sharp minions!

Two mercenaries attacked Lin Kai’s back. They were mainly harassing Lin Kai. The white leader attacked from the front. The blood butterfly only pointed at Lin Kai’s heart!

Chapter 105: Arcana Blood Butterfly

Chapter 105 The Treasure Blood Butterfly

As soon as the God Eye skill was activated, the blood butterfly mercenaries’ movements were immediately slowed down in Lin Kai’s eyes.

“Rocks, calm!” Lin said silently.

Once the calm skill was activated, Lin Kai’s speed and reaction ability increased by 20 points each.

Now Lin Kai has a speed of seventy points and a reaction ability of sixty points.

brush!

The white leader’s dagger flicked across Lin Kai’s chest, and Lin Kai easily avoided it. The heavy punches issued by the few mercenaries behind him could only make Lin Kai’s body move slightly.

The white leader’s speed is very fast, even if Lin develops the God Eye skill, he can still attack at extremely fast speed, and the dagger keeps slashing in front of Lin Kai’s eyes.

When the blood butterfly passed by, Lin Kai could even feel a cold front coming. This dagger was definitely a treasure!

Brush!

Lin Kai stepped back three steps, avoiding the three attacks of the white leader. The white leader was both offensive and defensive. He did not give Lin Kai a chance to breathe. After Lin Kai stepped back three steps, the white leader roared and launched a total offensive towards Lin Kai!

The blood butterfly pierced Lin Kai's heart. There was already a wall behind Lin Kai, and there were blood butterfly mercenaries around him.

In the eyes of the white leader, there were already triumphant gazes. Lin Kai had nowhere to hide at this time. All that was waiting for him was destruction!

But Lin Kai had a calm face, and said silently: "Watermelon ability, activate!"

Watermelon ability is actually a melee ability, jetting is just a secondary ability it brings to Lin Kai.

After the watermelon ability was activated, Lin Kai's body actually made an incredible magical movement.

He actually turned around in front of the white leader, and the blood butterfly that could have stabbed Lin Kai with a single knife, was directly avoided by Lin Kai lightly.

At this time, Lin Kai was extremely mellow, and the mercenaries around him attacked him, and he was able to dodge smoothly.

"Hua Xia Kung Fu?" The white leader narrowed his eyes. Since seeing Lin Kai, this kid has given him too many surprises.

He took the bullet with his bare hands, his body resisted the bullet, and now he was still playing Chinese Kung Fu, which annoyed the white leader who had never failed.

How long does it take to kill a Chinese person?

At this time, Lin Kai turned around and avoided the attack of the white leader, while Lin Kai's bulging mouth was filled with steel balls!

When he turned around, Lin Kai had already filled his mouth with steel balls!

The white leader saw Lin Kai suddenly tighten his abdomen, then with a pop, the sky full of steel **** shot over!

"Be careful!" The white leader exclaimed, one turned and fell directly on the ground, while the others of the blood butterfly mercenaries were not so lucky. There were seven people in total, and all three were shot by steel **** at this time!

I saw the steel ball passing through their bodies in an understatement. These white people couldn't believe that before they died, Lin Kai could actually kill them by relying on what he spouted from his mouth!

After the white leader turned his head, he saw the bodies of his three companions.

"Number three! Number five! Number seven!" The white leader roared, his eyes red.

Everyone of the blood butterfly mercenaries is a special force retired. Although they are not the top special forces, they are definitely first-class killers.

These people don't know how many celebrities and predators have been assassinated with him, and now they have died in the hands of a boy scout of China, how can the white leader not be annoyed?

The white leader looked at Lin Kai, with murder intent in his eyes.

Seeing the white leader waved his hand, the other three readily understood, and they all retreated behind the white leader.

They know that their boss is going to zoom in!

"China Boy Scouts, I underestimated you, but you killed my comrade-in-arms, I will never allow you to live!" The white leader said coldly with a murderous expression on his face.

After all, the white leader walked quickly towards Lin Kai alone.

The other three mercenaries stood behind their boss, not ready to intervene.

Lin Xinxin was a little puzzled. Seven people besieged him, and none of them could kill him. He was going to fight him alone?

I saw that the white leader took out a wet towel from his pocket, covered his nose and mouth, and took out a spray-like thing from his pocket with the other hand.

Stabbed!

A burst of white objects rushed toward Lin Kai. Lin Kai was shocked and quickly held his breath, but it was too late. As long as these things were sucked in, they would be effective immediately!

Lin Kai only felt that his body suddenly became weak, and his head was even more groggy, as if he would fall down at any time.

The white leader quickly threw down the spray in his hand, and the blood butterfly appeared in his hand again, extremely fast, and directly kicked Lin Kai against the wall.

The blood butterfly instantly rested on Lin Kai's neck, and the white leader looked cold.

"Sick man of East Asia, it's time to end this game." The white leader looked at Lin Kai and his eyes were full of anger. Because of his carelessness, the blood butterfly mercenary lost three people!

Indeed, in terms of single ability, their blood butterfly mercenaries may not be very strong, but their strongest place lies in assassination and hidden weapons!

The spray sprayed to Lin Kai is a killer spray developed by their blood butterfly over several years. As long as they breathe in a little bit, they will immediately become weak and weak. No matter how good the physical condition is, it will be useless.

Lin Kai inhaled this spray and could only wait to die!

Lin Kai had already felt the chill of the dagger, and Lin Kai was indeed weak now, and did not even have the strength to raise his arm.

But in his eyes, there was never fear and cowardice.

"Do you think you have already won?" Lin Kai looked at the white leader and asked weakly, with a smile on his face.

"Huh?" The white leader looked puzzled, Lin Kai could still laugh when he was about to die?

"Chinese soldiers, fearless!" Lin Kai laughed.

"Go to hell!" The white leader was furious. He was about to kill Lin Kai with a knife. He only heard a puff, and a **** dagger passed through the white leader's chest.

The white leader's eyes widened, looked down at the dagger, and slowly turned his head back, only to see his teammate standing behind him with a confused expression.

His teammate actually killed him with his own hands!

The other two mercenaries were also dumbfounded at this time. Their teammates killed their boss?

The smile on the corner of Lin Kai's mouth became more and more complacent, his skill Yuri was activated, and he had already instigated the opposite person.

And this person was controlled by Lin Kai and killed their boss personally when he was reluctant!

When the white leader was dying, he couldn't believe his eyes, his most trusted brother, actually killed him?

"You..." As soon as the white leader spoke, a mouthful of blood rushed up, and with a puff, the white leader spouted a mouthful of blood and fell directly to the ground, and the blood butterfly in his hand also fell to the ground.

Chapter 106: New Ability

Chapter 106: New Ability

The boss of the blood butterfly mercenary died, dead in their own hands, and the other two mercenaries were stunned.

Let them see a lot of **** scenes, and saw their comrades die in front of them, but it was the first time that they were instigated internally.

The blood butterfly mercenary controlled by Lin Kai looked at the other two people and picked up the blood butterfly on the ground, with killing intent in his eyes.

The two mercenaries looked at each other, and they knew the strength of their comrades. The guy who killed their boss was very powerful among the blood butterfly mercenaries.

Coupled with the treasured sword and blood butterfly in his hand, the two of them are definitely not his opponents.

After looking at each other, the two of them stopped hesitating, and broke the window directly and fled in embarrassment.

Seeing the two men disappear, Lin Kai finally exhaled a long breath, slid from the wall to the ground, and collapsed on the ground.

As for the person controlled by Lin Kai, he raised the blood butterfly in his hand and snarled himself in front of Lin Kai.

He widened his eyes and didn't want to roar in his heart, but his body didn't listen to his commands at all.

In the end, a spray of blood spurted out, and he was extremely unwilling to die in front of Lin Kai.

The blood butterfly also fell to the ground.

After seeing him dead, Lin Kai collapsed, fell to the ground and fell asleep.

Yuri's skills consume Lin Kai's mental power very much. He can control that person for such a long time without getting rid of him.

After about half an hour, a gap was opened in the bathroom door and Huangfu Wan'er showed an eye from the bathroom.

She saw Lin Kai who had fallen asleep at a glance.

"Lin Kai!"

...

After Lin Kai opened his eyes again, what was greeted was a blank white, white wall, white sheets, and an LCD TV hanging on the wall.

Are you in the hospital?

"You finally woke up!" Huangfu Wan'er's voice came, and she turned her head to look. Huangfu Wan'er with a haggard face was standing by the hospital bed. Seeing Lin Kai sober, she cried with joy.

Outside the door, there were two policemen. Huangfu Wan'er had already called the police when she was in the bathroom. Even though Lin Kai had killed five killers, she was still afraid and asked the police to send someone to protect her.

The Huangfu family is very powerful, and of course the police will not refuse.

"Where are the corpses of the few people?" Lin started to move, and when he moved, he felt sore all over.

"They were all taken away by the police..." Huangfu Wan'er replied, wiping her tears.

"Where's that dagger?" Lin Kai suddenly felt energetic after hearing this. The blood butterfly is a treasure, wouldn't it be taken away by the police?

"Dagger?" Huangfu Wan'er was taken aback and asked: "Are you talking about the red dagger?"

Lin Kai nodded and said, "Yes, that's it!"

"It was taken away by a man named He Zhijun." Huangfu Wan'er replied after thinking about it.

He Zhijun? Brigadier Ho? Lin Kai is even more confused. When has He Zhijun been here?

Clicking, the door opened, and I saw a familiar person standing at the door of the ward.

A normal dress, full of energy, with a smile on his face, the visitor is naturally Lin Kai's brigade commander, He Zhijun.

"Brigade Commander He?" Lin Kai saw He Zhijun, and he was about to sit up from the hospital bed, but He Zhijun quickly came to Lin Kai's face and held him down.

"Comrade Lin Kai, you are a patient now. Rest is the most important thing, and this is not the army either." He Zhijun said with a look of concern.

Afterwards, he glanced at Huangfu Wan'er. Huangfu Wan'er was very foresighted. Knowing that he was inconvenient here, he walked out of the ward directly.

After Huangfu Wan'er walked out of the ward, He Zhijun showed a serious face.

Seeing that he took out a dagger wearing a leather case from the briefcase he carried, just looking at the handle of the knife, Lin Kai immediately saw the origin of the knife, Blood Butterfly!

"Blood Butterfly mercenaries are composed of veterans from the United States. They often operate in the Golden Triangle. They are a second-rate mercenary team in the United States."

"Although they are second-rate, they are not comparable to your group of newcomers. This blood butterfly is a treasure that is famous overseas. I did not expect that it would fall into the hands of China."

"Lin Kai, tell me, how did you kill the five Blood Butterfly?"

When He Zhijun asked this question, his face was serious, and his eyes still had a hint of weirdness.

To be honest, he never thought that a fledgling boy scout could actually kill the five men of the blood butterfly mercenaries!

Although the Blood Butterfly Mercenaries are not a top killer organization, it stands to reason that Lin Kai is definitely not their opponent.

After all, the enemy is crowded, and it's dark, and Lin Kai is alone.

But he killed five people! This is indeed surprising.

"I..." After stuttering for a while, Lin Kai said nonsense: "I have good lung capacity. I assassinated them with steel balls."

He Zhijun had seen Lin Kai's vital capacity. The enemy might have been careless when facing Lin Kai, so Lin Kai killed five of them.

"Brigade commander, that blood butterfly..." Lin opened his eyes and looked at the supreme dagger.

Seeing this, He Zhijun actually put the blood butterfly away and laughed: "Lin Kai, your main thing now is to heal your injuries. It's better to keep this thing with me."

"Don't, my injury is healed." Lin Kai was anxious when he saw that the dagger was put away.

"I can't give it to you if I get better, it's a spoils of war, and it will be handed in." He Zhijun said, he stood up and left the ward.

"By the way, your mission is not over yet. When will you find the remaining two killers? When will your mission be over." He Zhijun said, leaving the ward without looking back.

The black thread on Lin Kai's end, a supreme dagger that he finally seized, was taken away by He Zhijun!

Lin Xinli was helpless. Suddenly, Lin Kai thought that he seemed to have acquired a random extraction ability.

Thinking of this, Lin Kai couldn't wait to open the system in his mind.

"Check the extraction ability I have obtained." Lin Kai said in his heart.

"You can choose one of the following extraction capabilities to become your extraction capability."

Tiger Extraction Ability: Gaining a bite force, and the ability of jungle coercion, is very strong in close combat.

Drought-resistant lungfish can obtain the powerful lung capacity of lungfish. At the same time, it can transform the body and reduce body water loss. Bronze grade can stay hungry without eating for ten days, and silver grade can be one month.

Parrot Extraction Ability: Acquire the parrot's speech ability and communicate with animals.

Sparrow extraction ability: gain flying ability, bronze level can increase its own speed, silver level has the ability to catch water, gold level can fly for a short time, and **** level can fly for a long time.

Unknown extraction capacity: unknown.

Chapter 107: Demigod Extraction Ability

Chapter 107 Demigod Extraction Ability

The first few extraction capabilities, Lin Kai can understand, lungfish extraction ability is drought resistance, tiger extraction ability is combat ability, sparrow extraction ability is flying ability, and parrot extraction ability is the ability to gain communication with animals.

What is the last unknown extraction capacity?

To be honest, Lin Kai is very excited about the ability of sparrows to extract. Everyone has a dream of flying people. Who doesn't want to fly to the sky side by side with the sun?

But if the sparrow extraction capacity is just a garbage bronze extraction capacity, it will be useless to Lin Kai.

"System, what is that unknown extraction ability?" At this time, Lin Kai showed the spirit of a good Chinese student, and asked if he didn't understand.

The system replied: "If the host is not satisfied with the extraction capability in the list, it can use the unknown extraction capability and randomly select an extraction capability from the extraction capability warehouse."

"What good is it for me to do this?" Lin Kai asked.

The system's answer is even more straightforward: "There is no benefit."

"It is possible to extract the god-level extraction ability, and it is also possible to extract the bronze extraction ability."

God level extraction ability! Lin Kai's eyes lit up when he heard the words God Level.

The god-level extraction ability is the top-level extraction ability, and now Lin Kai's most powerful extraction ability is only the golden-level extraction ability.

If you get the god-level extraction ability, then you will be rich!

In other words, this unknown extraction ability is to give Lin Kai a chance to gamble, it is possible to obtain the extraction ability of God level, it is also possible to obtain the extraction ability of chicken ribs.

At this time, Lin Kaixin moved.

After hesitating for a long time, Lin Kai still decided to take a gamble. If it was a god-level, he would earn it; if it was not a god-level, then he would admit it.

“System, give me that unknown extraction ability!” Lin Kai gritted his teeth and said.

The system’s teasing voice sounded: “Ambitious, boy, this system appreciates you.”

“Unknown extraction ability extraction, Ding Dong! Congratulations on your ability to speak Bronze!”

Ability to speak? Lin Kai’s face was dark at the time, so who the **** can’t speak? Are you kidding me?

“Speaking ability? You say it again!” Lin Kai gritted his teeth angrily.

“Hehe hee, just kidding! The extraction power is being extracted, please wait.”

Ten seconds later, with a snap in Lin Kai’s mind, a brand-new extraction ability appeared in Lin Kai’s mind.

First of all, the red name attracted Lin Kai at the time, and the extraction ability level in parentheses made Lin Kaiping jump faster.

(Demi God level)

Demigod extraction ability! Lin Kai’s heart suddenly stopped, and he actually got the Demigod extraction ability!

The demigod level extraction ability, as the name suggests, is the extraction ability stronger than the gold level and weaker than the **** level. I have earned it!

But the three words in the square brackets left Lin Kai’s heart cold.

(unavailable)

What the **** is this unavailable? Bai made Lao Tzu happy, but the demigod extraction ability that was finally extracted is not available?

“System, explain, what does it mean that this is unavailable?” Lin Kai asked with a black face.

The system's voice is slightly mischievous: "Because the host is too weak, you cannot use the demigod extraction ability, the host, the human heart is not enough to swallow an elephant!"

After listening to the system, Lin Kai was almost **** off by it.

Flat-headed brother extraction ability: real name honey badger, flat-headed brother is a kind of animal that grows in Africa, has strong digestion ability, can extract powerful digestion ability, and gains passive fearlessness. Under fearless state, all attributes are doubled. Flathead life motto : Life and death bearish, just do it if you don't accept it! (Demigod) (not available)

The following three words unavailable greatly stimulated Lin Kai.

Lin Kai also heard a little about Pingtou. Lin Kai once saw a video of Pingtou on an APP. A lion looked at Pingtou through the power grid. That night, Pingtou punched a hole through the power grid to find a lion. Fight, and broke the lion's egg.

The flat-headed brother is not big, it is the size of the Chinese garden dog, but because of poor eyesight, all animals are as big as his own, and the hair on his head is similar to flat-headed, so he won the title of flat-headed brother.

After all, Brother Flathead is also chasing the animals in half of the desert.

Feeling sad, let's take a look at what attributes are more appropriate for your attribute points!

Lin Kai's strength and defense are already very strong, and the weakest at present is the reaction ability, so Lin Kai decided to add all of his 100 attribute points to the reaction, while the upgrade point remained unchanged.

After adding points, look at Lin Kai's attributes.

Host: Lin Kai

Age: 19

Sex: Male

Strength: 140

Attribute points: 0

The current Lin Kai is very strong except for his physical strength and speed.

Opened his eyes and closed the system page, the ward was empty.

After changing into his own clothes, Lin Kai sat by the window, and when the surroundings became quiet, Lin Kai thought of the excitement of killing himself.

At that time, Lin Kai didn't feel much after the murder, but at this time, Lin Kai felt his stomach churning. The living people, even if they were not good people, were dead in front of him.

Fortunately, Lin Kai's physical fitness has been systematically strengthened, and his mental aspect has also been affected by Yuri's skills, so Lin Kai is not particularly afraid of the murder.

Some soldiers just can't face the fear of killing themselves, and will choose to retire soon.

Lin Kai can accept it, but it also takes time to digest.

I took a look at the time, and it was three days since I killed someone. I didn't expect to sleep for three days and three nights.

Where is Huangfu Wan'er? Turning around, Lin Kai found that Huangfu Wan'er had disappeared.

When I walked to the door of the ward, Huangfu Wan'er was not seen either.

Where did this little girl go?

The policeman on duty at the door saw Lin Kai coming out, patted Lin Kai's shoulder, and said, "Little brother, Chairman Huangfu asked me to tell you that there is an emergency meeting for the company's senior management. "

Hearing that, Lin Kai cursed Huangfu Wan'er as an idiot in his heart, and two assassins were staring at her in secret. He actually left himself and the police's protection and left alone?

After thanking him, Lin Kai quickly left the ward, hurriedly left the hospital, took a taxi, and headed for the Huangfu Group.

Chapter 108: General Meeting Of Shareholders

Chapter 108 General Meeting of Shareholders

Huangfu Group, Huangfu Group held a general meeting of shareholders today. The initiator is Huangfu Group Vice Chairman, Huangfu Zhentian.

Huangfu Zhentian is the uncle of Huangfu Wan'er, who is also the brother of Huangfu Wan'er's father.

He has a lot of power in the Huangfu Group. In name, Huangfu Wan'er is the chairman of the Huangfu Group, but in fact, the veterans in the entire company are Huangfu Zhentian's cronies.

Huangfu Wan'er was emptied by Huangfu Zhentian.

Huangfu Wan'er's father came to Jiangdong to work alone and started from scratch. A few years later, he founded the Huangfu Group. At that time, Huangfu Zhentian was still an unlearned bastard.

Seeing his brother so upright, Huangfu Zhentian was jealous, and he begged so hard that Huangfu Wan'er's father gave him some shares and let him join the Huangfu Group.

But after entering the Huangfu Group, Huangfu Zhentian recruited troops everywhere to expand his shares, hoping to take Huangfu Wan'er's father off.

But Huangfu Wan'er's father was the founder of the company after all, and it was too difficult to bring him down.

After Father Huangfu passed away, he handed over the company to his daughter, which made Huangfu Zhentian extremely jealous.

He wants to become chairman, even though the establishment of Huangfu Group has nothing to do with him, but he has great ambitions.

Today's general meeting of shareholders was held specifically for Huangfu Wan'er. The days of Huangfu Wan'er as chairman are over.

After the death of the old man Huangfu, he left the company with his only daughter, Huangfu Wan'er. This move made Huangfu Zhentian very dissatisfied, and the other company veterans were also unconvinced with Huangfu Wan'er.

After all, she was just a woman, still so young, not qualified to let so many elders listen to her.

Therefore, today's general meeting of shareholders is to abolish Huangfu Wan'er's chairmanship.

Da da da!

There was a sound of high heels stepping on the ground. On the 36th floor of Huangfu Group, Huangfu Wan'er stepped on high heels and hurriedly walked to the conference room.

When she received the news when she was in the hospital, she knew that Huangfu Zhentian was holding a shareholder meeting, and she felt bad in her heart, and then hurried back.

Arriving at the gate of the meeting room, Huangfu Wan'er pushed the door directly and walked in, and the meeting room, which was already very lively, instantly quieted down.

The meeting room is very spacious, with a large rectangular table, on both sides of which sits hundreds of people, young and old.

At the forefront of the chairman's seat, there was already a person seated at this time. The person was in his sixties, dressed in a Tang suit, wearing a pair of glasses, with a majestic face and a fat body.

He was smoking a cigarette and squinted at Huangfu Wan'er.

Huangfu Wan'er frowned slightly, the seat under Huangfu Zhentian's buttocks, but her position, that position, belonged only to the chairman!

"Deputy director, what do you want to do while sitting as the chairman? Do you want to rebel?" In the company, Huangfu Wan'er has developed a strong woman to face everyone, and at this time she asked her uncle harshly Tao.

Among the rich, there is no family affection.

"Rebellion?" Huangfu Zhentian knocked on the table and said: "Wan'er, you are my second brother's daughter. Uncle doesn't want you to embarrass you, so let's abdicate and let him be new.

Huangfu Zhentian's tone was very tough, and the whole meeting room was silent.

Huangfu Wan'er gritted her teeth, even if she knew that the entire conference room was from her uncle's, what about it?

I will definitely not give up the foundation that my father has worked so hard for a lifetime!

"Uncle? This is the company, please call me the chairman! Also, Huangfu Group is the property left to me by my father. You are not qualified to sit as the chairman, please let me go!" Huangfu Wan'er said sharply .

Huangfu Zhentian was unmoved, but he smiled: "Hehe, Wan'er, don't be foolish about dreaming, you are no longer the chairman."

"What?" Huangfu Wan'er narrowed her eyes and did not understand the meaning of Huangfu Zhentian's words.

With a snap, I saw a photo thrown in front of Huangfu Wan'er. Huangfu Wan'er picked up the photo and looked at it and immediately frowned.

In the photo, Huangfu's house, Huangfu Wan'er was so drunk that she wanted to take off her clothes, and the opposite of her was Lin Kai.

"You send someone to watch me?" Huangfu Wan'er was furious, she tore up the photo and asked Huangfu Zhentian.

Huangfu Zhentian sneered: "Oh, as the chairman of Huangfu Group, I don't know what to do, but I actually recruited such a delicate skin and tender personal bodyguard named bodyguard into the company. He is actually your lover!"

"As the chairman of the Huangfu Group, such behavior is really humiliating the face of our Huangfu Group. Hundreds of shareholders voted unanimously for you in the shareholders meeting. What are you still not satisfied with?"

Huangfu Zhentian's words are every word, every word can make Huangfu Wan'er's heart desperate.

Huangfu Zhentian is full of people, the entire Huangfu Group, but his family dominates, and the shareholders in the entire shareholders meeting listened to him. Huangfu Wan'er felt extremely tired.

Huangfu Wan'er felt self-blame in her heart because she couldn't protect the foundation that her father had handed over to her.

As for the photo, it was just an excuse for Huangfu Zhentian to rush her down.

"Wan'er, what else can you say?" Huangfu Zhentian asked coldly.

“Why don’t you want to commit a crime? My Huangfu Wan’er has never done anything like that! As for the bodyguard, he is a special soldier sent by the Southeast Military Region to protect my safety!” Huangfu Wan’er gritted his teeth and retorted.

Hearing this sentence, Huangfu Zhentian laughed loudly at the time: “Hahaha! What a big joke! Who do you think you are? Are you Jiangdong Jiang family or Jiangbei Lin family? The Southeast Military Region needs special forces to please you ?”

After hearing Huangfu Zhentian’s words, Huangfu Wan’er had nothing to say, because she knew that no matter how she defended herself, no one believed her.

With a snap, a document was thrown in front of Huangfu Wan’er.

“Uncle doesn’t make it difficult for you, as long as you sign this document, uncle will give you 100 million, plus all the properties of your Huangfu family. These things will be enough for you to be smart for a lifetime. Sign it.”

Huangfu Wan’er picked up the file in front of her, her hands shaking.

The document is impressively a document for the transfer of shares and the transfer of the chairman of Huangfu Group. If you sign this document, Huangfu Wan’er will never be the chairman of Huangfu Group.

Click! Click!

Huangfu Wan’er started crying unconvincingly at this time, tears dripping on the document.

At this time, Huangfu Wan’er was so pitiful, and she herself was so desperate, the huge Huangfu Group, but no one can be trusted, on the surface she was very glorious, secretly, her status was even the minority shareholder of Huangfu Group Not as good!

Huangfu Wan’er was very touching at this time, but none of the shareholders present took pity for Huangfu Wan’er. Their mouths were all sneered. As long as Huangfu Wan’er came down, they could send someone to catch Huangfu Wan’er. Go home, when the time comes, you can play with this chick any way you want!

Huangfu Wan’er also seemed to feel the unkind look of everyone. At this time, she even thought of the last words her father had said to her, Huangfu Group could only be in the hands of Huangfu Wan’er!

“No! I won’t sign! I’m the chairman of Huangfu Group, get out of here!” Huangfu Wan’er slammed the papers in her hands to the ground and cursed at Huangfu Zhentian.

Huangfu Zhentian’s face was green: “It seems that you really are toasting and not eating fine wine.”

Happiness!

After three rounds of applause, a man in a white suit walked in from the door. The man glanced at Huangfu Wan'er and walked directly towards her.

Chapter 109: Huangfu Aotian

Chapter 109 Huangfu Aotian

Huangfu Aotian!

After seeing this person, Huangfu Wan'er's body began to tremble. He knew this person!

This person is Huangfu Zhentian's son and Huangfu Zhentian's right-hand man. He is very cruel.

Regardless of his young age, but he has been learning skills from an expert since he was a child, and has a superb martial arts. Huangfu Wan'er has seen him single-handedly singled out seven or eight special forces without losing sight!

It was him!

Huangfu Zhentian was so cruel, let Huangfu Aotian deal with him.

Huangfu Aotian is not only superb martial arts, but also has some very disgusting little addictions, like torturing women.

No one of the women who got to his hands had a good end. From the whip wax to the charcoal, the Huangfu family had strict house rules. Many people who violated the house rules fell into the hands of Huangfu Aotian. , The end is very miserable.

"You! Aotian, don't mess around!" Huangfu Wan'er desperately shook her head and stepped back step by step, but there was already a wall behind, and she was already unable to retreat!

Huangfu Aotian is 1.8 meters tall, looks handsome, and smiles with two small tiger teeth very charming.

He tilted his head, gave a wicked smile, and whispered in Huangfu Wan'er's ear: "Sister, it's not that the younger brother is not merciful, but you are obsessed with it! After signing, you are still my good sister. I'm still your good brother."

Huangfu Wan'er was extremely scared at this time, but there was an obsession in her heart, that is, the billions of property that her father gave her. It was not that Huangfu Wan'er regarded wealth as life, but she could not see that her father's hard work fell into

this pair of dogs and sons. In the hands, if his father knew, the Spirit of Heaven would not forgive Huangfu Wan'er.

Huangfu Wan'er shook her head with tears: "Aotian, I beg you, let me go, the company... the company sister really can't give you..."

As soon as Huangfu Wan'er said this sentence, the smile on Huangfu Aotian's face disappeared at the time, and his face suddenly became cold.

With a snap, a switchblade flicked out of Huangfu Aotian's hand.

"Since the elder sister doesn't give face to the younger brother, Aotian can only follow the house rules. Those who don't obey the orders of the Patriarch will kill Wushe." Huangfu Aotian sneered.

Patriarch? There were no tigers in the mountains, and monkeys ruled the king. After the death of his father Huangfu, Huangfu Zhentian became the owner of the family.

Huangfu Wan'er shook her head in tears, but she knew that today she was really dead.

All shareholders in the company looked at each other indifferently. No one helped Huangfu Wan'er. In the Huangfu Group, Huangfu Wan'er's right to speak is really too weak.

Sitting at the chairman's seat, Huangfu Zhentian played with Walnut Wenwan in his hand while sneering at Huangfu Wan'er.

If it weren't for being forced into helplessness, Huangfu Zhentian wouldn't want to kill Huangfu Wan'er, but only when she died could the position of chairman of the company be successfully inherited from him.

Don't say that the law is not law. Since Huangfu Zhentian dared to do this, he naturally had his background. After Huangfu Wan'er died, he would be classified as accidentally falling off the building.

This is Huangfu Zhentian's strength in Jiangdong!

Huangfu Wan'er watched the dagger approaching herself little by little, her heart was filled with despair, and her tears fell drop by drop.

It seems that Huangfu Wan'er, my life, will have this fate. She closed her eyes and accepted her fate.

boom!

But at this moment, there was a muffled sound of kicking the door, and a handsome figure appeared in the meeting room.

Huangfu Aotian's hand holding the knife stopped, he turned his head and looked at the man.

Not only Huangfu Aotian, but the entire company's shareholders, all looked at that person.

The man was about 1.8 meters tall, handsome, and dressed in casual clothes. Everyone recognized who the man was at a glance. That man was the little white face raised by Huangfu Wan'er!

"Stop it!" Lin Kai shouted angrily, stepped forward and pulled Huangfu Aotian away, protecting Huangfu Wan'er behind him.

When Huangfu Wan'er saw Lin Kai appear, she cried out of fear. At this time, Lin Kai was her only hope for survival.

Huangfu Aotian stepped back two steps, tilted his head and stared at Lin Kai with a playful look on his face.

"Hey, who should I be? It turns out that the little lover brought up by my sister has arrived!" Huangfu Aotian smiled, and the dagger in his hand kept spinning.

Little lover? Lin Kai frowned, it seems that he already has a nickname in the Huangfu Group!

"What **** little lover? I'm Lin Kai, the captain of the Wolf Squadron of the Wolfya Special Combat Brigade of the Southeast Military Region! This time I have been ordered to protect Huangfu Wan'er, chairman of the Huangfu Group. Please respect her and me. I represent the Chinese soldiers. !"

Lin Kai's face was serious, and he stepped forward to report to his family.

After Lin Kai's words were said, the scene was silent for a few seconds, and then burst into laughter. All the shareholders laughed. Huangfu Zhentian clapped and shook his head with a smile, as if laughing at a fool.

Huangfu Aotian also laughed, smiling disdainfully.

"Haha, special forces? Just you?"

"Don't pretend to look like a big-tailed wolf? Fine skin and tender meat, Chinese special forces? Huh!"

Huangfu Aotian poked Lin Kai's shoulder with a look of disdain.

Lin Kai shook his head helplessly, but he was too handsome, he did not look like Bing Brother at all. He said he was a special soldier, and no one believed it.

"Special forces, right?" Huangfu Aotian laughed and asked: "Then do you have a gun? Take it out and take a look."

Huangfu Aotian stretched out his hands and deliberately showed a look that he was looking forward to, looking very owed.

The others also stared at Lin Kai playfully, wanting to see what Lin Kai would do when Huangfu Aotian made things difficult.

Lin Kai frowned and shook his head: "If you are not performing a mission, you can't bring a gun."

"Hahahaha!" After hearing Lin Kai's words, Huangfu Aotian burst into laughter, and other shareholders also laughed.

Suddenly, Huangfu Aotian stopped his laughter, his eyes widened, his expression arrogant: "You don't have a gun, I do!"

After all, Huangfu Aotian drew a silver pistol from his waist. As soon as this gun was taken out, the audience was silent, and everyone closed their mouths obediently.

The gun pointed directly at Lin Kai's head.

"Look, how about my gun?" Huangfu asked with Aotian evil smile.

Huangfu Wan'er, who was behind Lin Kai, shivered obviously when she saw this gun. She was more scared when she was holding the gun than the killer.

Lin Kai glanced at the gun, and frowned. The large-caliber lethal rifle, the Desert Eagle, if this gun were genuine, a single shot would not kill himself, but it would also injure himself.

Lin Kai is not afraid. Because he knew that before he shot, he could kill him.

"Oh, it's illegal to point a gun at a Chinese soldier." Lin Kai said indifferently.

"Yoyoyo." Huangfu Aotian deliberately showed a very scared look, and then pulled the trigger at Lin Kai!

"Let me see what I can do if I shoot!"

Rushing...

A jet of water sprayed out, licking Lin Kai's face, and even wet Lin Kai's shirt.

Chapter 110: Brahma

Chapter 110-Brahma

It turned out to be a water gun!

"Hahahahaha!" There was a burst of laughter in the originally depressed conference room.

It seems that Huangfu Aotian still has a sense of measure, at least he will not kill people with a gun.

The sound of the gun can't be covered.

Lin Kai closed his eyes, wiped the water off his face, opened his eyes, the killing intent was already in his eyes.

In terms of identity, Lin Kai is the elder of the Lin family. His Young Master Huangfu is not a personal thing in front of Lin Kai. In terms of strength, Lin Kai believes that with his own strength, he can be killed!

Lin Kai is a special soldier, but he is also a man of flesh and blood. Although the army stipulates that he cannot beat people, he insults Lin Kai and Lin Kai cannot bear it.

"Are you insisting on looking for death?" Lin Kai's expression had already cooled down.

Lin Kai, who had killed someone, had already begun to emit a faint killing intent. This killing intent caused Huangfu Aotian to get goose bumps all over his body. Lin Kai's eyes shocked him even more.

But Huangfu Aotian was born so rampant that he didn't put anyone in his eyes, let alone a little white face raised by Huangfu Wan'er?

"Yeah! Are you scaring me? You little white face, a person like you who lives in this world by selling sex, doesn't deserve to appear in my Huangfu Group at all."

"Xiao Pujie, angry? Have the ability, hit me!"

Huangfu Aotian played with the pistol in his hand, with an arrogant expression on his face, his nostrils were going to the sky.

Snapped!

Just now Huangfu Aotian said this sentence, Lin Kai instantly pinched Huangfu Aotian's neck!

The speed was extremely fast, and even if Huangfu Aotian was a practitioner, he did not react.

Afterwards, only seeing Lin Kai exert a little force, Huangfu Aotian was lifted by Lin Kai with one hand! The tremendous strength made Huangfu Aotian's face flush instantly.

Huangfu Aotian blushed and wanted to break Lin Kai's wrist, but he found that Lin Kai's wrist was so powerful that he couldn't break it at all with his strength!

In anger, Huangfu Aotian took out the dagger in his pocket, and stab Lin Kai's arm, with a snap, the dagger snapped off, and Lin Kai's body was unscathed!

Huangfu Aotian's eyes widened, his face looked incredible.

"Oh, a scum like you, killing you, it's dirty my hands!" Lin Kai said coldly.

Afterwards, Lin Kai slapped Huangfu Aotian fiercely on the table with one hand, and with a loud bang, the solid wood table was broken to pieces, and Huangfu Aotian also rolled down in the sawdust.

I saw him rolling a few times on the ground, spit out a mouthful of blood, his eyes widened, and he couldn't even speak.

Just now, Huangfu Aotian had at least a few fractures on his body. Although he couldn't die, he definitely had to lie in bed for a few months!

Everyone had big eyes and small eyes, and no one thought that Lin Kai would dare to do something in the Huangfu Group! And wounded Huangfu Zhentian's son!

Huangfu Zhentian's son is a ruthless character. Normally, even the special forces are not his opponents. Now, he was beaten by a little boy? And the one who was beaten could not fight back!

boom!

With a muffled noise, Huangfu Zhentian slapped the table with a look of anger. How could he not be angry when he saw his son being beaten?

"Presumptuous! You wild boy, dare to make trouble in my Huangfu Group, you are looking for death!" Huangfu Zhentian said angrily, the Wenwan walnut in his hand was crushed.

Lin Kai who was angry, no matter where it was or his identity, he gave Huangfu Zhentian a cold look and laughed.

“Oh, you bad old man, a lot of age still grabbed the place of the other girl, shameless? What kind of **** Huangfu Group, I am! I am open in the forest of Jiangbei, I look down on you!”

Lin Kai let out a big mouthful of thick sputum.

Jiangbei Lin Family? Is he from Jiangbei Lin's family?

Everyone stared at him, saying that he was a special soldier. No one believed him. Now he said he was from the Lin family in Jiangbei. Could it be that he regretted after beating someone and feared that Huangfu Zhentian would avenge him, so he moved out of the Lin family as himself. Backer?

Huangfu Zhentian also stunned for a moment, and then sneered: “Jiangbei Lin Family, are you also worthy? Don't **** pretend to be a big tail wolf and beat my son. I will kill you today!”

“Come here, interrupt all the hands and legs of this kid! Throw them into the Huangjiang River to feed the fish!”

Huangfu Zhentian was furious, and from a small room behind him, seven or eight burly men rushed out. The burly men rushed towards Lin Kai while holding an electric baton.

Lin Kai also narrowed his eyes, and just about to prepare for a big fight, a voice suddenly sounded behind him.

“I see who dares to move Lin Shao!”

Seven or eight big men were stunned in front of Lin Kai, because a person walked in from the door of the conference room behind Lin Kai.

The person who walked in was Brahma, one of Jiangdong's most famous big and young.

Brahma, the young master of the Jiangdong Fan family, although the Fan family is not as good as the Huangfu family, but in Jiangdong, big and small are also big families.

After Huangfu Zhentian saw Burning Heaven, he was shocked. He didn't expect that Brahma would come to take care of his business.

Brahma has always been a supporter of Huangfu Wan'er. It is normal for him to come. It is estimated that he is here to help Huangfu Wan'er.

Facing Brahma, Huangfu Zhentian is not afraid at all!

He said coldly: "Brahma, this is my Huangfu's family affairs. You don't need to care about it, you are not qualified!"

"Really? What about me?" Huangfu Zhentian just said, and another person walked in from outside the door.

This body is fat, with a big belly, wearing a suit, and a little bald. He is also a famous character in Jiangdong, whose name is Zhang Wanlin.

Zhang Wanlin is a young man from the Zhang family in Jiangdong. The Zhang family and the Fan family are of similar status, and they are also famous families.

He also stood behind Lin Kai and looked at Huangfu Zhentian with a smile.

Huangfu Zhentian's face was ugly at that time, he could ignore a Brahma, but with one more Zhang Wanlin, he already felt that things were a bit tricky.

No, these youngsters have always supported Huangfu Wan'er verbally. Why did they go to the Huangfu Group to support Huangfu Wan'er today? What benefits did this little girl give them?

Even if Zhang Wanlin came, Huangfu Zhentian's attitude was still tough, but his tone was still much softer: "You are not qualified! Humph!"

"Then count me!" After a cold snort, a young man in a suit walked in from the door with a folding fan in his hand.

As soon as this person appeared in the conference room, everyone exclaimed.

This person is very big, young master Jiangdong Jiang family, Jiang Xing!

Jiang Xing's position in Jiangdong is very lofty. It can be said that Jiangdong is the leader of the young generation. Not only is his life experience extraordinary, he is also very powerful.

He also stood behind Lin Kai, smiling faintly, looking at Huangfu Zhentian.

Huangfu Zhentian's face at this time had turned black.

"If it's not enough, add us!"

Chapter 111: Jiangdong Few

Chapter 111

As soon as the voice fell, more than thirty people walked in from outside the door of the conference room.

Each of these thirty-something people has an extraordinary life experience, extremely luxuriously dressed, with a hint of arrogance on their faces.

These people are the young masters of the Jiangdong upper-class family.

They all stood behind Lin Kai with great momentum.

Huangfu Wan'er looked at these young and old with an incredible expression. Although she relied on these young and old to be able to gain a foothold in the Huangfu Group, she also understood that they were only supporting herself verbally.

Unexpectedly, the status of Jiangbei Young Master is as lofty as Jiangdong, so many people are willing to come and hold Lin's opening.

What Huangfu Wan'er didn't know was that Lin Kai was bold and easy-going, and could mingle with anyone. These young masters did not just look at Lin Kai's identity to cheer, the most important thing was Lin Kai's personality.

There was silence in the entire conference room, and the shareholders of Huangfu Group looked at these big and young, all silent.

No matter how strong the Huangfu family is, it can deal with a Zhang Wanlin, and it can deal with a Brahma, but what about the upper-class family in Jiangdong?

What does the Huangfu family do?

"Young Master Zhao Zhitao, Zhao Zhitao who is in charge of the economic lifeline of the Zhao family!"

"Wang Tianzhu, the second young master of the Wang Group!"

"Master of the Fan Clan, Brahma, Brahma is the second-generation Patriarch of the Fan Clan!"

"Young Master Zhang Wanlin, Zhang Wanlin controls half of the Jiangdong gray world!"

"Jiang Xing, the youngest of the Jiang family, Jiang Xing is the leader of the entire Jiangdong young generation!"

Beside Huangfu Zhentian, a big-bellied shareholder looked at these people with a sullen expression, and every time he read a person's family history, his face turned pale.

After reading everyone's family history, he almost died of dizziness. Almost all the young generations in Jiangdong who have a good face are here!

With so many people, is this to flatten the Huangfu Group?

Huangfu Zhentian's face was even more ugly. He didn't expect that Huangfu Wan'er, in a small area, actually controlled such a strong network relationship, and almost all the young and old in Jiangdong came to support her!

No matter how arrogant Huangfu Zhentian is now, Huangfu Wan'er can't be touched.

After a while, the iron-faced Huangfu Zhentian said aggrieved: "Everyone, you are all the next generation heirs of the various families in Jiangdong. My relationship with your elders is pretty good. Huangfu Wan'er, the trend is gone. For a woman, there is no need. How about this?"

"In this way, how about everyone taking a step back? I don't move Huangfu Wan'er, and you don't care about my Huangfu's nosy, how?"

Just as Huangfu Zhentian said something, someone immediately laughed out of disdain.

I saw Zhang Jiazhang Wanlin with his hands in his pockets, stood up, glanced at Huangfu Zhentian, and said coldly: "Huangfu Zhentian, I think you are not only old, but your head is confused?"

Zhang Wanlin's words were not bad, Huangfu Zhentian's face turned black at the time, but he didn't dare to say a word.

Zhang Wanlin went on to say: "A small Huangfu Wan'er, is it worthy of so many of us to come forward together?"

Hearing this, Huangfu's eyes moved, is it possible that they want to cooperate to make some profit?

"Then what do you mean?" Huangfu Zhentian asked cautiously.

"We came on Lin Shao. I heard that someone in the Huangfu Group bullied Lin Shao. We can't just sit back and watch!" Zhang Wanlin said loudly.

Lin Shao?

Huangfu Zhentian was visibly stunned, who is Lin Shao? I haven't heard of any big family in Jiangdong whose surname is Lin!

If anything, there is a big family in Jiangbei, the Lin family.

However, the Lin family is from Jiangbei. How could people from Jiangbei appear in Jiangdong?

Suddenly, Huangfu Zhentian thought of what Lin Kai said. He is from the Lin family in Jiangbei. Is it possible that he is really from the Lin family?

Take a closer look, Huangfu Zhentian's heart suddenly cooled for half, and I saw Lin Kai proudly standing in front of the Jiangdong elders, obviously a leader, and these unruly elders and youngsters in Jiangdong, actually willing to stand behind Lin Kai.

Is it possible that he is really the Lin Family Young Master?

"Shao Lin? Is it possible... Is it possible..." Huangfu Zhentian stammered as he spoke.

The Lin family in Jiangbei was a big family with great reputation. Although the emperor was far away from the mountain, the power of the Lin family was not comparable to that of his Huangfu family.

If he is really the young master of the Lin family, Huangfu Wan'er has him backing him, and she will not be able to move Huangfu Wan'er for the rest of her life, and she will even be riding on her head for a lifetime!

What's more terrifying is that Huangfu Wan'er wanted to empty herself, but it was just a sentence.

The shareholders looked at each other and looked at Lin Kai suspiciously. If Lin Kai is really the Lin family, there is no doubt that their position will be shaken immediately. They will not continue to support Huangfu Zhentian, but Choose to support Huangfu Wan'er!

"Yes, Lin Kai, it is the Lin family, and our group of people came to support Lin Shao's place!" Zhang Wanlin said proudly.

The others also nodded.

Jiang Xing stood up, held a fist at Huangfu Zhentian, and said: "Uncle Huangfu, Xiaoxing is a junior, but there are some things that I don't know should be said inappropriate."

"Please speak." Huangfu Zhentian waved his hand with a green face.

Jiang Xing smiled slightly and said: "Shao Lin is the youngest of the Lin family in Jiangbei. I believe you know in your heart what status the Lin family is in Jiangbei. Now, Wan'er has Lin Shao to support her, not me. No one dares to move in Jiangdong. Wan'er."

“But you have always been thinking about the position of the chairman of Huangfu Group. The position of chairman of Huangfu Group was passed to Wan’er by the father of Huangfu himself, and Wan’er does have the most shares. My sons power is not justified because of emotion and reason, right?”

“Speaking smaller, you are thinking about the position of the chairman, and bigger, you are an unscrupulous, ungrateful white-eyed wolf!”

“After Grandpa Huangfu made the Huangfu Group bigger, you, as the older brother of the Grandpa Huangfu, joined the Huangfu Group without a penny. Relying on your identity within the Huangfu Group, you can recruit talented people and dominate!”

“Now I am thinking about the position of the chairman of the Huangfu Group. I want to say that you are a pig and a dog. People like you are not worthy to live in this world!”

“well said!”

Bang bang bang...

There was a burst of applause, and the Jiangdong youngsters applauded, staring at Huangfu Zhentian provocatively.

Huangfu Zhentian’s face was already like the bottom of a pot, his heart was extremely angry, but he did not dare to attack.

All this is just because of the little white face that Huangfu Wan’er found, Lin Kai!

The young master of the Lin family in Jiangbei, whose identity shocked the entire Jiangdong, and even made friends with the young Jiangdong. Now he supports Huangfu Wan’er, so that he, the nominal head of the Huangfu family, has no place to show himself!

Chapter 112: New Chairman

Chapter 112

At present, the situation in the conference room has undergone earth-shaking changes. Huangfu Zhentian, who was still arrogant just now, did not dare to say a word at this time.

Even if Jiang Xing insulted Huangfu Zhentian so much, he did not dare to refute it.

Huangfu Wan’er looked incredible at this time, she really did not expect that at this time, because of Lin Kai, her life would have undergone earth-shaking changes.

Without Lin Kai, Huangfu Wan'er would definitely be tortured by Huangfu Aotian in every possible way, and then create the illusion of an accidental death, and the shares would be automatically transferred to Huangfu Zhentian.

But because of Lin Kai, more than 30 Jiangdong's top giants came to support her!

All this is because of Lin Kai.

On the field, more than one hundred shareholders looked at each other, and they all felt that something was wrong.

They knew that Huangfu Zhentian was completely defeated this time, not in the hands of Huangfu Wan'er, but in the hands of Lin Kai.

Lin Kai was also quite moved at this time. The reason why he had a good relationship with this group of young and old relied on the straightforward character and boldness of his life.

Unexpectedly, these young and old are so powerful, they stand up and support themselves!

Lin Kai turned his head and clasped his fists, and said heartily: "Lin Kai thank you for your support! My brother thanked you here!"

Jiang Xing and the others smiled and nodded. Lin Kai's behavior also gave them enough face.

Looking back, Lin Kai glanced at Huangfu Zhentian coldly. Lin Kai is a person who has revenge and gratitude. Although he is upright, it does not mean that he is bullied.

Lin Kai looked at Huangfu Zhentian and said, "I now give you two choices. First, you hand over all the shares in your hand and get me out of the Huangfu Group."

"Second, you don't have to hand over your shares, but what the group of brothers behind me will do to you, I don't know."

Naked threat!

Let Huangfu Zhentian be rich and powerful in Jiangdong, but facing Lin Kai this strong dragon, he still completely lost!

Huangfu Zhentian's complexion was blue, his body was shaking, and his eyes were bloodshot.

Lin Kai actually wanted him to hand over all his shares in Huangfu Group! That was the hard work of his life! The shares in his hands are worth billions!

If he handed over the shares, Huangfu Zhentian would not be a **** in Jiangdong from now on. No one would circle him around, and some would even want to kill him because he has too many enemies.

But if he doesn't hand over the shares, his fate will be even more miserable, that is, being suppressed by the many families in Jiangdong, because between Huangfu Zhentian and Jiangbei Lin's family, everyone knows which one is more important.

For an instant, Huangfu Zhentian seemed to be several decades old. He sighed and closed his eyes.

"Forget it, the waves behind the Yangtze River push the waves forward. I am old. I accept my order. I will send someone to deliver the share transfer contract at night."

After all, Huangfu Zhentian stood up tremblingly, and walked out of the conference room step by step with a crutch.

His speed was very slow and his pace was very unstable. It seemed that he would fall down at any time, but no one dared to step forward to help him, because at this time, helping Huangfu Zhentian was tantamount to opposing Lin Kai.

Huangfu Aotian, who was photographed on the ground by Lin Kai, looked up at his father with great difficulty. He listened to everyone on the scene just now. He stared at Lin Kai with murderous intent in his eyes.

Lin Kai also glanced at Huangfu Aotian. The expression in his eyes made Lin happily move. This person is very hostile to him, and he has to be careful of him.

The matter was over, and the next thing was ended by Huangfu Wan'er.

Huangfu Zhentian fell, and Huangfu Wan'er sat down as the chairman of the board as a matter of course, and the posture of a strong woman was revealed again. At this time, none of the more than 100 shareholders dared to refuse Huangfu Wan'er.

Because there is Lin Kai behind Huangfu Wan'er.

Huangfu Wan'er took this opportunity to reform the Huangfu Group, abolish the old feudal habits of the Huangfu Group, and monopolize the power.

...

In the evening, Lin Kai hosted a dinner at the Hilton Hotel for the wealthy and young people who had helped him during the day. Huangfu Wan'er was also there, and the show ended at 11 o'clock in the evening.

At Huangfu's house, Lin Kai took off his coat, shook his drunken head, and took a shower in the bathroom.

After coming out of the bathroom, Lin Kai saw Huangfu Wan'er sitting on the sofa at a glance.

It's already twelve o'clock, she hasn't slept yet?

When he came closer, Lin Kai was taken aback, and his blood spurted.

Huangfu Wan'er was only wearing a tulle pajamas. The underwear in the pajamas was looming, the white and tender skin could be broken by blows, her beautiful legs turned into Erlang's legs, and she was wearing a pair of pink slippers.

So sexy?

I saw Huangfu Wan'er squeezing her pajamas with her hands, her expression seemed a little nervous, and she also put on light makeup, her small face was very beautiful.

She...what is this going to do?

"Wan'er, don't you sleep?" Lin Kai swallowed and asked.

When Lin Kai spoke, Huangfu Wan'er was shivering all over, she was shocked by Lin Kai after apparently losing her mind.

Seeing Lin Kai coming out of the bathroom, Huangfu Wan'er barely smiled.

"Lin Shao, you are here..." Huangfu Wan'er stood up, and Lin Kai could see more clearly when she stood up, her hot figure, white tender skin, and her blushing face are enough Spike all men.

Suddenly, the little virgin Lin Kai blushed immediately.

"What are you doing?" Lin Kai asked, trying to restrain himself.

"Shao Lin, you helped Wan'er so much during the day, and Wan'er knew that you certainly did not help in vain." Huangfu Wan'er's tone was very different from before.

In the past, I directly called Lin Kai as Lin Kai, but now I call Lin Kai as Lin Shao, and when I speak with you, it is obviously a kind of respect for Lin Kai.

But this kind of respect made Lin Kai very uncomfortable.

"Wan'er, don't do this, it's just that the old thief is too arrogant, I can't stand it." Lin Kai waved his hand and said modestly.

Huangfu Wan'er lowered her head and said shyly: "Lin Shao, I know that everyone who helps Wan'er has his purpose, whether it is Shao Jiang or Shao Zhang."

"But you are so much better to Wan'er than others. You have saved Wan'er's life, and now you have preserved Wan'er's family business. Wan'er has no way of repaying and can only answer by example. "

After all, Huangfu Wan'er was about to take off her pajamas. As a virgin Lin Kai, his heart jumped out of his throat at this time.

My goodness, after more than twenty years, is Lao Tzu finally going to be a man?

Lin Kai's eyes stared at Huangfu Wan'er intently, and Huangfu Wan'er was also a little shy, taking off his clothes very slowly.

Although Lin Kai wanted to watch Huangfu Wan'er take off his clothes, he still said no: "Farewell, Wan'er, just treat me as an older brother. I'll help you, but it's not for you to repay me... "

Chapter 113

"Really?" After hearing Lin Kai's words, Huangfu Wan'er, who was hesitant, showed a look of expectation.

"Um..." Lin Kai stammered suddenly, wondering how to answer Huangfu Wan'er.

At this time, Lin Kai could not wait to draw his two big mouths, the duck that reached the mouth, flew away! Just because I am so polite!

"I know Lin Shao, you are different from those people, you are a true gentleman!" Huangfu Wan'er put on her pajamas again, her eyes softer when she looked at Lin Kai.

Lin Kai smiled awkwardly: "Haha, that is, that is..."

Huangfu Wan'er naturally couldn't see Lin Kai's embarrassment. She said softly, "Lin Shao helped Wan'er so much today. If there is anything that Wan'er can do in the future, just speak up."

"In addition, the company's funds are a bit tight. I can't give Lin Shao too much. Four hundred million has already been transferred to Lin Kai's account. It's a little care."

“In the future, where Wan’er will be useful, despite the instructions, you saved Wan’er’s life anyway.”

Four billion! Huangfu Wan’er gave 400 million to her Kari!

Lin Kai really didn’t understand what these wealthy people thought. Four hundred million was given away casually.

In his last life, Lin Kai had seen the most money, no more than tens of thousands of dollars.

This money was taken for granted by Lin Kaishou. After all, he helped Huangfu Wan’er save a group worth tens of billions of dollars, and even saved her twice, a mere four hundred million. Lin Kaishou was at ease.

“Wan’er, it’s good to treat me as your elder brother, no need to say anything polite, although I am not as old as you, but if you want, just ask me to open my brother.”

Lin Kai’s words sounded distorted, but what he said was taken for granted, because in the past life, he was 25 or 6 years old, a bit older than Huangfu Wan’er.

So naturally, Lin Kai regarded Huangfu Wan’er as his sister.

Huangfu Wan’er covered her mouth and chuckled: “Okay, open brother.”

...

After chatting with Huangfu Wan’er for a while, Huangfu Wan’er went to sleep in her room. To be on the safe side, Huangfu Wan’er slept in a windowless room. Lin Kai slept in the living room outside her room. If the child is unfavorable, he must pass in front of Lin Kai.

On the sofa, Lin Kai took out his black China card. There was no money in this card, but now, it contains five hundred million!

That’s five hundred million! You can make yourself chic and happy for a lifetime! Lin Kai secretly rejoiced in his heart.

That night, Lin Kai slept with his black card.

...

The next morning, Lin Kai was awakened by Huangfu Wan’er. Lin Kai rubbed the still fuzzy eyes and looked at Huangfu Wan’er.

I saw Huangfu Wan'er wearing very serious clothes, a black dress, the upper body did not show the chest, the lower body did not show the legs, although still very beautiful, but not **** and hot in the past.

Holding a bag in her hand, Huangfu Wan'er pushed Lin Kai: "Brother Kai, wake up, it will be too late if you don't wake up."

Lin Kai sat up from the sofa, stretched his waist, and rubbed his eyes: "Ah... Wan'er, what's the matter?"

Huangfu Wan'er looked serious and said: "Old man Jiang is seriously ill and will soon be dysfunctional. We should all take a look at it because of emotion and reason?"

Old man Jiang? Jiang Xing's family?

"Jiang Xing's grandfather?" Lin Kai asked.

Huangfu Wan'er nodded: "Yes, Jiang Xing's grandfather is over ninety years old this year. He used to be a high-ranking official in the army. He seemed to be a general, but he suffered from cancer some time ago, and he is about to die now. "

Lin Kai nodded. He didn't have any ink marks, and rushed into the bathroom for a while to wash, then followed Huangfu Wan'er out.

The black Audi car drove fast on the highway. Huangfu Wan'er drove himself, and soon the two arrived at Jiang's house.

The Jiang family is located on the edge of Jiangdong City, occupying a very large area, and the Jiang family is also known as the Jiang Family Villa.

Today, everyone in the Jiangjia Villa is lively, countless luxury cars drive into the Jiangjia Villa, and the lawn of the villa is full of luxury cars.

Huangfu Wan'er's Audi car is inconspicuous among the luxury cars.

Driving into the Jiangjia Villa, parked the car on the lawn, and the two walked toward the inside of the villa together.

The scenery in the villa is pleasant. An old castle sits in front of Lin Kai. Countless people walk into the castle. Although there are many people, the entire villa is extremely quiet, no one is noisy, and no one talks or laughs.

"This old man Jiang is very popular, so many people come to see him." Lin Kai curled his lips and said.

Huangfu Wan'er said: "Old man Jiang was a general of a certain military area, and he served the country. After he retired, his contacts are still there. Jiang Xing's father Jiang Ping relied on Mr. Jiang's contacts to establish what he is today. Jiang family."

"The old man Jiang has a very wide network, and all the big figures in Jiangdong have a certain connection with him."

Lin Kai nodded, it seems that this old man Jiang is really not a simple character.

Soon, the two entered the castle and came to the door of Mr. Jiang's bedroom.

In the living room, there were countless people standing and sitting. These people came to visit Mr. Jiang, but because of their lack of level, they could not enter Mr. Jiang's bedroom.

In front of Mr. Jiang's bedroom, Jiang Xingzheng stood there with a bleak expression. After seeing Huangfu Wan'er and Lin Kai, his face barely showed a smile.

"Wan'er, Lin Shao, you are here." Jiang Xing reluctantly smiled.

Lin Kai patted Jiang Xing on the shoulder, and said, "How is the situation of Mr. Jiang?"

Jiang Xing lowered his head, his eyes were red, and said: "The old man has lung cancer, and he will soon die..."

"Can you let me go in and have a look?" Although Jiang Xing is a dude, he treats his friends pretty well. Besides, he helped Lin Kai yesterday. Lin Kai also wants to see if he can save himself. Old man Jiang.

Jiang Xing hesitated and nodded. As Lin Kai and Huangfu Wan'er, he could enter the bedroom to visit Mr. Jiang.

"Yes, please come in."

Jiang Xing took Huangfu Wan'er and Lin Kai into the bedroom. The bedroom was full of people. On both sides, the old generation of Jiangdong family patrons, both about 40 or 50 years old, like Lin Kai. None of the younger second-generation young people.

When Lin Kai and Huangfu Wan'er came in, they immediately became the focus.

Many Patriarchs looked at Huangfu Wan'er and Lin Kai. Huangfu Wan'er is the new Patriarch of the Huangfu family. She can understand when she comes in, but who is this young man? How can he come in?

You know, only the heads of major families are eligible to enter the bedroom to visit Old Man Jiang, and even second-generation people like Zhang Wanlin and Fantian are not eligible to come in, so Jiang Xing actually brought such a young man in?

“Xiaoxing, who is this?” A middle-aged man walked from one side. The middle-aged man was wearing a black suit with a national character face and a serious face.

Chapter 114: Still Save

Chapter 114

The person who asked the question was naturally Jiang Xing's father, Jiang Ping.

After Jiang Ping saw Lin Kai, there was a trace of displeasure between his eyebrows, obviously not welcoming Lin Kai.

Jiang Ping did not expect that Jiang Xing, who is always smart and wise, was actually confused today and took a young man into Mr. Jiang's bedroom. Is he qualified to come in?

The people around also looked at Lin Kai coldly, with some disdain in their eyes.

These people are the heads of the famous family, with eyes above the top, and a little kid like Jiang Xing never enters their eyes.

Not to mention Lin Kai is the young master of a big family, even if Lin Kai's father comes, it is estimated that he can only match their peers.

Before Jiang Xing could speak, the Zhang family on the side advocated a convenient way to say: “Little Star, please take this guest out and sit down in the living room. Please come here.”

Zhang Haicheng is Zhang Wanlin's father and the head of the Zhang family.

Although his words were polite, they actually meant that Lin Kai didn't deserve to be here, only Huangfu Wan'er was qualified to be here.

Jiang Ping nodded and winked at Jiang Xing.

“Dad, he is...” Jiang Xing was anxious and just wanted to explain, but Jiang Ping did not give him a chance to speak.

“Little star, don't say anything. I don't care how good his relationship with you is. He can't stay here. The old man is going to die soon. He will give a big gift later. The people here are all Jiangdong rich family owners. What's the matter with the kid staying here?” Jiang Ping educated Jiang Xing.

Jiang Xing frowned, pointed at Lin Kai, and said anxiously: "Dad, but he is not my average friend, he is the young master of the Lin family!"

"The Lin Family?" Jiang Xing frowned, searching for memories of the Lin Family in his mind.

Is there any famous family in Jiangdong called the Lin family? After thinking about it for a while, Jiang Xing realized that there seems to be a third-rate family in Jiangdong called the Lin Family.

Why did Jiang Xing go back more and more? My own sons friends have always been Jiangdong wealthy youngsters, so how come even the young masters of the third-rate clan start to hang out together?

Not to mention the young master of the Lin family, even if the head of the Lin family comes, he is only qualified to wait outside.

"Naughty, just a mere third-rate family, kick him out for me!" After learning the identity of Lin Kai, Jiang Ping no longer shows mercy, pointing to Lin Kai angrily.

"Third-rate family?" Lin Kai also laughed when he heard this.

"Hehe, I didn't expect my Jiangbei Lin family to be in Jiangdong, but I can only line up with a third-rate family, nothing else, Jiangdong predators, I can't afford to provoke me, so I will leave.

Lin Kai smiled slightly, clasped his fists, and was about to leave.

"Wait a minute!" Jiang Ping stopped Lin Kai suddenly, his eyes widened: "Are you from the Lin family in Jiangbei?"

Jiangbei Lin's family, these four words are like Lei Guaner. At that time, everyone in the bedroom looked at Lin Kai.

Lin Kai nodded and said with a smile: "A trivial third-rate family is not enough."

Jiang Xing had a bitter face on the side. His father was too arrogant. He only believed in his own judgment and would not give him a chance to speak!

Jiang Ping's expression of disgust disappeared immediately, replaced by a smiling face.

He clasped his fist to Lin Kai and said, "It turned out to be Young Master Lin, who was rude and rude, and the flood rushed into the Dragon King Temple."

There was a big change in Jiang Ping's attitude. The Zhang Jijia who was about to invite Lin Kai out just now advocated that Haicheng also held his fist at Lin Kai.

“It turned out to be Young Master Lin, disrespectful, Young Master Lin, please come to your seat.” Zhang Haicheng clasped his fists and said respectfully.

Lin Kai smiled playfully, sat on the sofa in the bedroom, raised Erlang’s legs, and after a while, a maid came over with tea.

It seems that the identity of the Lin family is really good! People are treated with courtesy everywhere.

The group of people who were looking at Lin Kai coldly just now all smiled at Lin Kai, the Lin family elder, this can be quite flattering.

At this time, Lin Kai had the opportunity to look at Mr. Jiang lying on the bed.

I saw an old man in his nineties lying on the bed. He was skinny and skinny. He didn’t even have any white hair on his head, so he simply fell out.

His face was pale, there was no blood on his face, and there was not even a doctor around, so he had obviously given up treatment.

If nothing else, he would die tonight.

He still had the last trace of his consciousness. He looked at Lin Kai, his mouth squirmed, and said a sentence smaller than the buzzing of a mosquito: “You are Xiao Kai? I hugged you when I was a kid. Back then... You are not older...”

The people around didn’t hear clearly what the old man Jiang was talking about, only Lin Kai, who was very ear-powered, could hear him clearly. The feeling that old Jiang was still familiar with his grandfather or father.

Lin Kai stood up and said respectfully: “Grandpa Jiang, the younger Lin Kai, I have met Grandpa Jiang, Xiao Kai, on behalf of all the members of the Lin family, greet you.”

After listening to Lin Kai’s words, Old Man Jiang smiled and nodded, but the sentence just now seemed to have exhausted his life’s strength, and he no longer had the strength to say the second sentence.

“Didn’t you hire a doctor?” Lin Kai asked Jiang Xing next to him.

Jiang Xing sighed and said, “Grandpa has an incurable disease, and the doctor can’t help it.”

“Lung cancer? Too much smoking?” Lin Kai asked again.

Jiang Xing nodded and said, “Yes, grandpa smokes and drinks all his life, and can live more than ninety years old. He has already accumulated virtue.”

Lin Kai nodded again and said something that shocked everyone.

“I think, Mr. Jiang, there is still some rescue.” Lin Kai said.

As soon as this sentence came out, everyone on the spot looked at Lin Kai, and even Grandpa Jiang himself opened his eyes and looked at Lin Kai.

Jiang Ping was stunned, and said, “What are you talking about? Is there any help?”

Lin Kai nodded and said, “Yes, I’m in the army, and I have had some massage techniques with the old army in the army. I believe that Grandpa Jiang should be cured.”

As soon as this sentence came out, the audience fell silent again.

After a long time, someone burst into laughter, and felt that it was not good to laugh in such a serious environment, so he hurriedly closed his mouth.

Everyone looked at Lin Kai like a fool, but because of Lin Kai’s identity, they did not dare to ridicule.

Unexpectedly, the grandson of the Lin family had his head broken.

Jiang Ping also frowned, looked at Lin Kai, and stared at him with a very strange look.

Use massage to treat a dying person? Still a person with cancer, this young master of the Lin family, afraid that his head was caught by the door?

Even Jiang Xing stared at Lin Kai with a very suspicious look: “Lin Shao, now is not the time to make a joke, how can massage save a person who has cancer?”

Chapter 115: Three Year Life Span

Chapter 115

Jiang Xing thought that Lin Kai was joking. After all, what Lin Kai said was like a fantasy.

Jiang Ping’s brows were also frowned, and his face showed an expression of displeasure. Lin Kai made such a joke when his father was about to die, which made Lin Kai’s impression in Jiang Ping’s heart plummet.

Even if you are the young master of the Lin family, you can’t make fun of the dying person.

But Lin Kai said very straightforwardly: "I'm not kidding. The massage technique I master is unique in the world. In the whole world, only Lin Kai can save Grandpa Jiang alive."

Lin Kai had a serious look, but his words made everyone have more opinions on Lin Kai.

Zhang Wanlin's father, Zhang Haicheng, stood up at this time and said, "Master Lin, you are eager to save people. We can understand, but Mr. Jiang has an incurable disease. Even the most professional doctors in Jiangdong can't help it. This massage technique, how could it work?"

Zhang Haicheng's words were polite, but in fact he did not trust Lin Kai.

Even a professional doctor can't do anything about it. You, a soldier who doesn't even understand medical skills, can save a person who has cancer?

On the other side, a Patriarch stood up and said: "Young Master Lin, we respect you as Young Master Lin, so we let you sit in the seat, but this does not mean you can do whatever you want. Now Master Jiang is at stake. Any small action may be required. The life of Mr. Jiang, we can't use Mr. Jiang's life to let you experiment!"

The speaker was named Liu Zhi. The Liu family was considered a first-class family in Jiangdong. The old man Jiang had been kind to the Liu family, so after hearing Lin Kai's nonsense, Liu Zhi couldn't sit still.

No one believed that Lin Kai's so-called massage technique could save Mr. Jiang alive. After all, Lin Kai's words were too nonsense.

Even Huangfu Wan'er didn't believe Lin Kai's words, she pulled Lin Kai aside, and signaled Lin Kai not to talk too much.

Although Lin Kai is the young master of the Lin family, this is Jiangdong. He is facing all the patriarchs of Jiangdong's wealthy families. With so many people together, can you still be afraid of the Lin family?

Huangfu Wan'er also thinks that Lin Kai is joking. It is not funny at all to make such a joke in such a serious atmosphere. On the contrary, it makes people think that Lin Kai's IQ is particularly low.

"Well, Young Master Lin, if you are okay, please sit down." Jiang Ping waved to Lin Kai, his face already impatient.

Lin Kai glanced at Mr. Jiang, who was in danger on the bed. He was an old acquaintance with his father or grandfather. In addition, Jiang Xing helped him yesterday. It was reasonable and Lin Kai wanted to save him.

“Uncle Jiang, don’t you believe me?” Lin Kai asked while looking at Jiang Ping.

Jiang Ping looked at Lin Kai with sharp eyes, and he asked, “How do you make me believe you?”

That’s right. After all, the skills that Lin Kai mastered were beyond the reach of ordinary people. What Lin Kai said subverted their worldview, and they naturally didn’t believe it.

“Anyway, Grandpa Jiang doesn’t have much time, why don’t I give it a try? I, Lin Kai, can guarantee the reputation of my Lin family. Lin Kai is really sure to save Grandpa Jiang.” Lin Kai was not reconciled. He took the Lin family back this time. They were all moved out.

Hearing this, Jiang Ping frowned and lowered his head in thought.

When Jiang Xing saw Lin Kai’s hard work, he thought of Lin Kai’s personality, and thought that Lin Kai might really have a way.

So he also said, “Father, let Lin Shao have a try. Grandpa is already like this anyway.”

Jiang Ping listened to Jiang Xing’s words, and after hesitating for a while, he nodded: “Well, let the dead horse be a living horse doctor.”

Jiang Ping agreed, and everyone else in the bedroom shook their heads, scolding Jiang Ping for being stupid in their hearts, and believing what a child said.

Liu Zhi stood up at this time, looking at Lin Kai, his eyes gleaming: “Lin Gongzi, if you are saved alive, if there is something wrong with Mr. Jiang, my Liu family will have to avenge him!”

Lin Kai smiled faintly, and did not respond to Liu Zhi at all.

Lin Kai greeted Jiang Xing, and the two took off Mr. Jiang’s clothes together.

Mr. Jiang also stared at Lin Kai very quietly, his eyes were very soft, and the dying person was kind, he knew he was not saved. Before he died, what was wrong with being practiced by the Lin family?

Lin Kai glanced at Mr. Jiang’s body. Mr. Jiang’s skin was dry and crumpled, and his complexion was dull and yellow, which was obviously a condition of insufficient vitality.

This kind of situation happened to Lin Kai’s grandfather, but Lin Kai’s grandfather is simply lack of vitality, and grandfather Jiang also has a fatal problem, lung cancer.

Lung cancer will expedite the consumption of the vitality of Mr. Jiang. Lin Kai has no way to cure Mr. Jiang's lung cancer, but he can replenish Mr. Jiang's little vitality, which will allow Mr. Jiang to live another three years.

Therefore, Lin developed the skill *Ganoderma lucidum*, and a strong vitality appeared in his body immediately, and the vitality was transferred. These vitality were gathered in Lin Kai's hands, and Lin Kai began to massage Old Man Jiang's body.

Where does Lin Kai get massage? Massage is just an excuse he found. All he can do is to instill vitality into the body of Mr. Jiang.

When everyone saw Lin Kai's disorderly massage techniques, their brows were frowned, and it could be seen that Lin Kai couldn't even massage! He's pressing it completely!

With this technique, I am ashamed to say that I have learned massage? I'm afraid there is no blind masseur technique in the street blind massage parlor, right?

As soon as Huangfu Wan'er covered her forehead, she couldn't figure out why Lin Kai, who usually behaves so shrewdly, was so confused today and insisted on doing this?

This time it's all right, Lin Kai now humiliated the Lin family in front of the entire Jiangdong crocodile. The next day, the entire Jiangdong upper circle probably knew about the Lin family's shame in Jiangdong.

Jiang Xing also couldn't bear to look straight. At this moment, he also regretted a little. How long did he know Lin Kai? Isn't it a joke to believe that he can rely on his massage to save his grandfather?

Jiang Ping's face was extremely ugly. Although he asked Lin Kai to give Lin Kai a try with the attitude of treating a dead horse as a living horse doctor, Lin Kai's performance was not bad at all! At least it can prove that you did your best.

But now it seems that Lin Kai is completely blindly pressing! He is fooling himself, what kind of massage is this? This simply pressed his hand on the old man's body!

Then Liu Zhi was so angry that he couldn't sit still anymore. He clenched his fists, wishing to step forward and pull Lin Kai out to beat him up, playing with Old Man Jiang in this way, Liu Zhi didn't care if Lin Kai was the young man of the Lin family, he only remembered, Mr. Jiang is kind to his Liu family, and he does not allow anyone to play with Mr. Jiang!

Chapter 116: Everyone Makes Things Difficult

Chapter 116

If it weren't for Lin Kaijiang's identity as a young man in the Lin family to protect him, now maybe he has been pulled out and beaten to death.

The status of Mr. Jiang in Jiangdong is not generally high. If Lin Kai really hits Mr. Jiang by accident, even if he is a young man from the Lin family in Jiangbei, the consequences will be very serious.

After all, you have to speak a word of reason in everything, and in the face of the same powerful forces, it depends on who is reasonable.

Therefore, Lin Kai represents not only himself, but also the Lin family behind him.

On the bed, Lin Kai closed his eyes with a serious expression of instilling vitality into Old Man Jiang's body.

The body of Grandpa Jiang was similar to Grandpa Lin Kai's body at the time, or even more serious, because Grandpa Jiang's lung lobes were about to lose their vitality.

The lobes of the lungs are full of sludge from the cigarettes that Mr. Jiang has smoked over the years. It is precisely because of the presence of the sludge that the lungs consume a lot of vitality in the body.

Even if Lin Kai helps Mr. Jiang to fill his body with vitality again, he will die of lung cancer sooner or later.

However, Mr. Jiang is already over ninety years old, and it is already a great blessing to him to live another three years.

The vitality is repairing every part of Mr. Jiang's body, the lungs, heart, brain, limbs, all organs are slowly being repaired.

And these benefits, Mr. Jiang couldn't notice it for a while.

After about half an hour, Lin Kai exhaled a long breath and sat down on the sofa behind him.

Lin Kai massaged for half an hour, and everyone in the bedroom watched Lin Kai press it for half an hour.

Within this half an hour, Mr. Jiang's body did not undergo any changes, he did not even open his eyes, but Lin Kai was sweating profusely.

"It's over?" Jiang Ping asked with a puzzled look.

Lin Kai nodded and said, "Well, I can't cure lung cancer directly, but now Mr. Jiang, it is not a problem to live another two or three years."

As soon as this sentence came out, everyone craned their necks and looked, and saw that Old Man Jiang was exactly the same as before, his face was pale, his skin was dry, and there was no sign of improvement.

Jiang Ping stretched out his hand to probe the breath of Mr. Jiang, confirming that Mr. Jiang was still breathing.

Everyone stared with big eyes and small eyes. Lin Kai said that Mr. Jiang could live for two or three years? Where can I tell that Mr. Jiang can live for two or three years?

Jiang Xing looked puzzled, he asked: "Lin Shao, are you kidding me? My grandfather is exactly the same as just now!"

Huangfu Wan'er nodded and said, "Brother Kai, are you kidding me?"

Everyone frowned and looked at Lin Kai very displeased. Lin Kai was making up facts! Old man Jiang clearly showed no signs of getting better, but he said he could live for two to three years. Isn't this treating everyone as a fool?

It's a joke about a dying person, the quality of the Lin family is really not high.

Zhang Haicheng coughed quite embarrassingly. At this time, he didn't know how to round the field. After a long time, he could only cough dryly: "Well, I think Mr. Lin's massage technique is good, Mr. Jiang seems to be getting better. ."

Zhang Haicheng opened his eyes and said nonsense. He was just trying to make ends meet, fearing that the atmosphere would be too embarrassing and that the Jiang family and the Lin family were in conflict.

And Jiang Ping's expression is very ugly, Lin Kai is playing him like a fool! I wasted half an hour of everyone's time and said what kind of massage he would do. Now it seems that he doesn't pay attention to all Jiangdong masters at all!

Liu Zhi was the first one who couldn't bear it. Old man Jiang was kind to him. He was also a violent temper. With a snap, Liu Zhi slapped the table and pointed to Lin Kai angrily: "What Jiangbei Lin, I think it is Jiangbei. Lin waste!"

"Don't think you are the young master of the Lin family, so you can do whatever you want in Jiangdong. Young Master Lin, let me tell you, this is Jiangdong!"

"You treat everyone as a fool? You obviously don't know how to massage, but you say you can do massage. What if you can do massage? Can you use massage to save Mr. Jiang?"

“I think you are deliberately playing everyone like a fool! Young Master Lin, I tell you, even if you are the Young Master Lin and come to Jiangdong, as long as you don't follow Jiangdong's rules, we will still keep you from getting out of Jiangdong! “

Liu Zhi's words spoke out everyone's heart, and everyone looked at Lin Kai, full of hostility.

What Lin Kai did was really so confusing that everyone thought he was playing with everyone.

Jiang Ping also had a dark face, and said coldly: “Young Master Lin, if I don't give an explanation today, I promise you won't leave Jiang's house!”

Although Jiang Xing wanted to help Lin Kai intercede, but so many people targeted Lin Kai, he knew that he had no right to speak here.

Huangfu Wan'er also secretly pulled Lin Kai, indicating that Lin Kai must give everyone a step down, otherwise he would really be dead.

But Lin Kai's behavior surprised Huangfu Wan'er, and saw that Lin Kai took out a handkerchief from his pocket unhurriedly, wiped the sweat from his forehead, and raised Erlang's legs.

Afterwards, Lin Kai said calmly: “Dear uncles and uncles, the younger generation has just said that Mr. Jiang can live for another two or three years, but my massage still needs a certain amount of time to buffer, about ten minutes. Well, Grandpa Jiang will be alive and kicking in ten minutes.”

Lin Kai's attitude was neither humble nor overbearing, and he didn't seem to be doing anything wrong. Such an attitude made everyone even more angry.

Even Zhang Haicheng, who has always had a good temper, couldn't help it anymore. Zhang Haicheng frowned and said coldly: “Mr Lin, you still lie so far, so you don't put the big families in Jiangdong in your eyes. ?”

“I know that you have a small number of people in Jiangbei, and you are also rich. Your Lin family is even more famous in Jiangbei. However, this is Jiangdong! Jiangdong is not bad for Jiang's family. Confess, no one can protect you!”

Liu Zhi also said coldly on the side: “Do you still use him to give an explanation? Old man Jiang is exactly the same as just now, he just treats everyone like monkeys! What massage technique can save people who have cancer?”

“If you want me to say, you should tie up Lin Kaiwuhua and throw it into the cellar, and let the Jiangbei Lin family give us an explanation for the many families in Jiangdong!”

Liu Zhi is also very shrewd. He counts all Jiangdong families. He is the only Liu family, and he is naturally not an opponent of the Lin family. But when the Jiangdong families join forces, are they afraid of him?

Lin Kai saw so many people questioning him, and there were few people who believed in him in the entire bedroom. Lin opened his brows and frowned, and he was also angry.

Lin Kai is not a person with no temper. On the contrary, there is a sense of arrogance on his body, a sense of arrogance after reincarnation.

I am a system possessor. How can I be made difficult by a group of mortals?

“I said, Mr. Jiang will get better in ten minutes, don’t you understand human words?”

Chapter 117: Wait A Minute

Chapter 117

Lin Kai’s tone became colder, and his attitude became much tougher, and his words were not very good.

This sentence immediately caused the whole scene to explode, and everyone pointed to Lin Kai’s nose and cursed.

“Fuck, what kind of a waste of Jiangbei? Relying on being the young master of the Lin family, can you do whatever you want in Jiangdong?”

“This is Jiangdong! It’s not your Jiangbei. Everyone in Jiangbei respects you as the young master of the Lin family. In Jiangdong, no one is used to your stink!”

“This is the Jiang family. You are playing tricks on Mr. Jiang and everyone, and now you are still ranting, do you really treat me as no one in Jiangdong?”

Everyone exploded, pointing at Lin Kai’s nose and yelling, with an extremely vicious attitude.

Jiang Xing was so scared that his face was pale at this time, and the entire Jiangdong predators were angry. Even the young master of the Jiang family could not resist him, let alone Lin Kai, an outsider?

Huangfu Wan’er was so scared that she trembled all over. Although these Jiangdong crocodiles were not aimed at her, she also felt the aura of Jiangdong crocodiles.

Jiang Ping stared at Lin Kai with a dark face, and his tone became cold: "Lin Kai, you are still obsessed with it. Since you are so rampant, Jiang Ping will represent my Jiang family meeting you Jiangbei Lin family, come here!"

As soon as Jiang Ping's voice fell, a strong man of 1.9 meters tall walked in from outside the door.

The brawny man was wearing a black suit. His skin was very dark and his nose was also very big. He was obviously a foreigner with a big nose. He looked like he was from Africa.

After seeing this person, everyone exclaimed that this person is the personal bodyguard of the Jiang family leader. It is said that he used to be a special soldier who served in the United States and seemed to be a soldier of the Navy SEAL.

This person is very powerful. After retiring, he entered the elite bodyguard school in the United States to study, and later went to China to look for work.

It is said that Jiang Ping's salary is as high as 10 million a year!

The black man glanced at Lin Kai, with a trace of disdain in his eyes, strode towards Lin Kai.

He preached in bad Chinese: "Let's go, Huaxia, you are not my opponent."

After that, he grabbed Lin Kai's shoulders with his big hands, and Lin Kai narrowed his eyes. How could he be oppressed by foreign special forces if he was dignified by the Chinese special forces?

At that time, Lin Kai grabbed the **** hand and stopped him.

The black man paused and narrowed his eyes. Seeing that Lin Kai actually dared to resist, the black man's eyes also showed a mocking look.

What he is most proud of is his own strength. He once punched thousands of kilograms of strength. The Chinese man in front of him looks short and thin. How strong can he have?

At that time, the black man held Lin Kai's hand and burst out with powerful force, trying to crush Lin Kai's bones.

And Lin Kai immediately felt a burst of vigor coming. The black man in front of him was very powerful. Lin Kai felt that he had about a hundred points of strength!

So strong!

But Lin Kai let go of the black man's hand and directly sat on the sofa to fly a kick. With a bang, the black man was kicked out of the door by Lin Kai, and he spit out a mouthful of blood.

Lin Kai stood up, patted the dust on his body, and said coldly: "This is Huaxia, I am a Huaxia soldier, Huaxia soldier, don't be insulted!"

The Jiangdong predators who were waiting to see Lin Kai's excitement were all stunned.

Even the personal bodyguard of the head of the Jiang family is not Lin Kai's opponent? This Lin Kai looks so weak on the surface, but his strength does not belong to the bodyguard of the Jiang family leader?

The face of Jiang Ping, the head of the Jiang family, was green. The black man was the bodyguard he invited to the Jiang family. He knew the strength of the black man. He could pierce a two-brick concrete wall with one punch and kill a cow with one fist.

And this Lin Kai, it seems that he is not one hundred and thirty catties, so powerful? Even black people are not opponents?

Looking at Lin Kai again, with a calm smile on his face, he sat on the sofa without putting anyone in his eyes.

He said he was a Chinese soldier? Is it possible that the Lin family is still a soldier?

Even if he is a soldier, he doesn't have such a strong strength, right? You know, black people are special forces! Still a retired member of the SEAL!

Lin Kai insulted his Jiang family and Jiang Ping couldn't bear it. Jiang Ping said angrily: "Call the Public Security Bureau and call Director Lin. I don't believe it. I can't cure a little kid!"

With a word from Jiang Ping, someone immediately went to do what Jiang Ping ordered. Everyone knew that Jiang Ping was angry and he really wanted to kill Lin Kai!

Regardless of whether Lin Kai is the young master of the Lin family in Jiangbei, Jiang Ping, who is angry, will put him to death!

But the errands hadn't even stepped out of the door when an old voice suddenly came.

"Wait a minute!"

Who is speaking?

Everyone was taken aback, and then looked towards the place where the sound was made. They saw that Old Man Jiang sat up on the bed without knowing when he was staring at Lin Kai with piercing eyes!

Chapter 118: Old Man Jiang Recovered

Chapter 118 Old Man Jiang Healed

“Father, you?” Jiang Ping looked at Mr. Jiang who was sitting up, his eyes straightened.

His father suffered from lung cancer and had long lost his ability to move. Now his father actually sat up from the bed. How could Jiang Ping not be surprised?

What surprised Jiang Ping was that his complexion seemed to become ruddy, his eyes became more energetic, and he seemed to be vigorous when speaking.

Everyone looked at Mr. Jiang’s expressions, full of incredible, a dying person, how to say good, suddenly healed?

Even Mr. Jiang himself, looked at his hands incredibly.

“I... I actually sat up?” The voice of Mr. Jiang trembled, and he moved his arm. Mr. Jiang found that the arm that could not move before, now waved freely.

“I...I’m alright?” Old man Jiang looked incredible. He began to try to get off the bed. So he lifted the quilt and moved his legs. The moment his legs touched the ground, Jiang The old man was so excited that he was about to cry.

I can really move!

I saw that Old Man Jiang stood up tremblingly from the bed, not because his body could not be controlled by him, but because of excitement!

Everyone saw that Mr. Jiang stood up by himself without anyone’s support! And two more steps!

Old man Jiang took two tentative steps and found that his body was as good as he was not sick, so he could actually walk!

“I’m really good!” Old man Jiang tears in excitement.

He is a lot of age, and after getting lung cancer, he knows that he has no hope of living, and he does not have the luxury of being able to continue to live.

But now, his health suddenly recovered, which made Old Man Jiang feel that a piece of pie hit his head!

God gave him a second life!

“Grandpa!” At this time, Jiang Xing exclaimed, hugged his grandfather, and cried happily, only to see Jiang Xing look up and down his grandfather, after confirming that his grandfather is really well, this Just laughed happily.

“Grandpa, you are really good!” Jiang Xing burst into tears and laughed.

Old man Jiang also laughed loudly: “Hahaha! I’m really better!”

After all the predators present saw that Mr. Jiang recovered, they all stood up and congratulated Mr. Jiang: “Congratulations, Mr. Jiang for his recovery.”

“It’s true that Ji people have their own natural appearances. Old man Jiang should not be dead! Hahaha!”

“Old man Jiang is fortunate to be in the East China Sea and Shoubi Nanshan, where is it so easy to drive to the west?”

“Old man Jiang will live a hundred years! No, it’s a thousand years!”

Everyone congratulated Mr. Jiang for his recovery, but Lin Kai smiled slightly, and he felt relieved after seeing Mr. Jiang’s recovery.

Therefore, Lin Kai quietly walked towards the door with Huangfu Wan’er and He wanted to leave Mr. Jiang’s bedroom.

But Mr. Jiang’s eyes were sharp, he saw Lin Kai want to leave at a glance, Mr. Jiang directly shouted: “Wait a minute!”

Lin Kai paused, turned his head, clasped his fist and said, “Grandpa Jiang, what’s the matter?”

Old man Jiang looked at Lin Kai, excited and didn’t know what to say. After a while, he only heard a plop, and he actually knelt directly in front of Lin Kai!

Not only that, but also knocked his head!

“Xiaokai, you saved the old man’s life. There is no return for your life-saving grace. You can only thank Xiaokai for your life-saving grace with this kneeling!” Old man Jiang said in tears with excitement.

Mr. Jiang has never knelt down anyone in his life. In Jiangdong, there is no one who can make Mr. Jiang kneel. But today, when facing the younger generation Lin Kai, Mr. Jiang actually knelt down!

I really want to thank Lin Kai for his life-saving grace!

Upon seeing this, Lin Kai hurriedly helped Old Man Jiang up: "Grandpa Jiang, this can't be done! The younger generation can't afford it!"

Seeing Lin Kai so sensible, Old Man Jiang looked at Lin Kai with more appreciation, Jiangbei Lin's family, it's a dragon!

At this time, there was silence in the entire bedroom, and everyone looked at Lin Kai's back and could no longer speak.

They kept saying that Lin Kai was lying and saying that Lin Kai's massage technique could not save Mr. Jiang, but when Mr. Jiang appeared in front of them, they were silent.

Especially that Liu Zhi, his head is almost lowered to the ground, wishing to find a crack to get in!

It's really incredible! Lin Kai really relied on his massage technique to pull Mr. Jiang back from the ghost gate!

Old man Jiang looked at Jiang Ping and Liu Zhi, and sternly said: "Jiang Ping! Liu Zhi! Stand up for me!"

After two scoldings, I saw Jiang Ping and Liu Zhi obediently standing in front of Mr. Jiang. These two big men who were all in the East of the Yangtze River were like no grown-up children in front of Mr. Jiang.

Old man Jiang pointed at Lin Kai and said angrily to the two of them: "Little friend Lin Kai saved my life. You insulted little friend Lin Kai. You sent someone to beat up little friend Lin Kai. If it wasn't for Lin Kai's skill, At this time, I am afraid that you have been beaten and disabled by your people!"

"You two, kneel down for me!"

As soon as Mr. Jiang's voice fell, there were two plops. Liu Zhi and Jiang Ping knelt down in front of Lin Kai without hesitation.

This time, Lin Kai didn't help them, Lin Kai still remembered their expressions just now.

The audience was silent for a while, and the Patriarch Liu and Patriarch Jiang, the two famous Patriarchs in Jiangdong, knelt before a 19-year-old boy.

And that young man was neither humble nor overbearing, as if all of this was supposed to be.

“Apologize for little friend Lin Kai!” Old Man Jiang scolded.

Jiang Ping was not dissatisfied. He knew that he had done something wrong. Lin Kai really saved his father. Not only did he have no hatred for Lin Kai, but he was very grateful.

Liu Zhi’s heart is similar. Old man Jiang is his benefactor. Now that the benefactor is rescued, he is naturally grateful to Lin Kai in his heart.

Jiang Ping clasped his fists and knocked his head at Lin Kai: “Master Lin, on behalf of my Jiang family, I would like to thank you from above and below, and sincerely apologize to you for my recklessness! From then on, Jiangdong Jiang Jiahe Jiangbei Lin’s family is standing on the same front. As long as Young Master Lin can go through fire and water with a word, he will not hesitate!”

Liu Zhi also said: “Lin Young Master, I just didn’t know Mount Tai, and the dog looked down on people. I hope Young Master Lin will not care about it. From now on, if there is anything that can be used in Lin, Young Master Lin will do whatever he wants. “

The attitudes of the two of them were very sincere. After all, Old Man Jiang had knelt down to Lin Kai, and they would kneel down again without shame.

Old man Jiang looked at the people in the room in front of him, pointed at Lin Kai, and yelled at them: “And you, apologize!”

Chapter 119: Establish Prestige

Chapter 119 Establishing Prestige

Needless to say, Mr. Jiang’s reputation in Jiangdong, these people are naturally obedient to Mr. Jiang, plus Lin Kai does have real skills, everyone in the bedroom apologized to Lin Kai.

“Sorry, Shao Lin.”

“Young Master Lin, just now, the old man was clumsy and didn’t see your true ability. I apologize to you.”

“Xiaoyou Lin, great.”

...

After an apology, everyone in the court once again changed their views on Lin Kai.

When Lin Kai didn't reveal his identity just now, everyone thought that Lin Kai was nothing more than a soy sauce maker. Later they learned that Lin Kai was the young master of the Lin family in Jiangbei.

The young master of the Lin Family in Jiangbei has a distinguished status.

Later, Lin Kai actually said that he could use massage to save Mr. Jiang, who was suffering from cancer, and he spoke rudely. Everyone thought Lin Kai was a fool.

But now, Lin Kai uses his ability to tell everyone that he is not bragging, he really has real ability!

Relying on one of his own hands, he rescued the dying old man Jiang, I have to say, this is a miracle!

With such an ability to come back from the dead, Lin Kai had to be respected by everyone.

At that time, Zhang Haicheng was very curious and asked: "Lin Xiaoyou, everyone knows that this cancer is incurable. How did you cure the old man with massage?"

Lin Kai smiled slightly and said: "As I said, I didn't cure Grandpa Jiang. The reason why Grandpa Jiang's condition gets worse is because cancer will expedite the consumption of Grandpa Jiang's vitality."

"What I can do is to stimulate the potential of Grandpa Jiang's body, so that the vitality of the whole body will be replenished again, which can extend his life for three years."

What Lin Kai said was very vague, and everyone nodded without understanding.

Old man Jiang laughed loudly: "Hahahaha! Xiaoyou Lin is a man with great abilities! I am a bad old man a lot of age, and I will live for another three years and earn!"

"Thank you all for coming to see me, this nasty old man, in your busy schedule. Today I have a big banquet at Jiang's family. Everyone is not drunk or going home!"

"It is good!"

"Hahahaha!"

On this day, Lin Kai established his prestige in Jiangs family. This time in Jiangdongs trip, Lin Kai not only got acquainted with the second-generation young patriarchs of Jiangdongs major giants, but also got acquainted with a group of Jiangdong giants. people.

Young Master Lin Kailin's reputation gradually gained in Jiangdong.

At six o'clock in the evening, Lin Kai and Huangfu Wan'er returned to Huangfu's house.

In the past few days, Lin Kai has been cautious. The Blood Butterfly mercenary still has two slippery fish. He Zhijun once said that when these two slippery fish are caught, he can complete the task.

The enemy is in the dark and I am clear. Lin Kai has always been very careful to guard against these two people. After all, Lin Kai killed several of their blood butterfly mercenaries, and the two of them will definitely not let him go.

After washing, Lin Kai lay on the sofa in the living room and fell asleep half asleep.

...

Seven days later, Lin Kai gradually relaxed his vigilance. After so long, the two people haven't appeared yet, wouldn't they have run away?

After all, the strength that Lin Kai showed that day was very formidable, and maybe the two of them were scared away.

On this day, Huangfu Wan'er happily ran over with two cards.

"Brother Kai! Brother Kai! Old man Jiang sent us two invitation letters!" Huangfu Wan'er ran to Lin Kai and shook the invitation letter in her hand, very happy.

"Invitation letter? What invitation letter?" Lin Kai was confused and took the card from Huangfu Wan'er.

"Jiangdong Stone Gambling Conference?" After seeing these six words, Lin Kai was stunned, betting on stones?

Huangfu Wan'er nodded like a little chicken pecking rice, and said: "Well, Jiangdong Stone Gambling Conference, Jiangdong Stone Gambling Conference is a stone gambling conference held by Jiangdong's giants, not only Jiangdong people will come to participate, Jiangbei, People from Beijing, Yanjing, islands and other places will come to participate!"

"It is said that at the stone gambling conference last year, a piece of Overlord Green was released! It is worth billions!"

Huangfu Wan'er was very happy, dancing with excitement.

Lin Kai couldn't laugh or cry: "You like gambling on rocks?"

Huangfu Wan'er shook her head and said innocently: "I don't like gambling, but every year the gambling conference is so lively, and my Huangfu family only has one or two places each year. When my father was alive Never took me there."

"But this year, I can finally go to the rock gambling conference!"

After hearing Huangfu Wan'er's words, Lin Kai felt that she was a bit pitiful for a while, the patron of the grandfu family, who looked like a strong woman in front of her, would only reveal this little woman in front of her.

Lin Kai touched Huangfu Wan'er's head, his brother-like pampering in his eyes: "Today, my brother will take you there."

"Okay, good!" Huangfu Wan'er nodded impatiently.

...

At night, at the door of Huangfu's house, a Rolls Royce had been waiting for a long time.

Huangfu Wan'er walked out of Huangfu's house, and saw Huangfu Wan'er wearing a silver-white crystal dress. There were many small reflective pearls on the dress, which were shiny and beautiful.

And she also has a little powder on her face, she has a very good foundation, and she is very beautiful with a little makeup.

The dress is an explicit dress. Huangfu Wan'er's white and flawless collarbone is exposed to the air, giving a sense of unattainable nobility.

A pair of red high-heeled shoes showed ten round toes, and the feet were white and tender, very cute.

Huangfu Wan'er jumped to the door of Rolls Royce, and behind her was Lin Kai in casual clothes.

In the past life, Lin Kai was a hard-working office worker. Although those suits and other suits looked handsome, Lin Kai still found sportswear more comfortable.

The two got on the Rolls Royce together, and the driver of Huangfu's family headed for the place where the stone gambling convention was held.

The Jiangdong Stone Gambling Conference was held in the Jiangdong Stadium in the center of Jiangdong City. The space in the stadium is very wide and looks high-end and high-end. The stone gambling conferences in previous years were held here.

The car drove into the parking lot of the stadium. The luxury cars in the parking lot were like clouds. The entrance to the stadium was also crowded. Fortunately, the stadium had several entrances, otherwise it could really block people.

After checking the invitation letter, Lin Kai and Huangfu Wan'er walked into the VIP channel and went directly to the inside of the gambling conference.

That's right, those who can receive the invitation letter are either rich or expensive and can take the VIP channel. Others who want to enter the stadium must pay a deposit of one million before they can be released.

Not everyone owns one million, but the gate of the stadium is still crowded with people. From this point, you can see how big the Jiangdong Stone Gambling Conference is.

No less than 10,000 millionaires came to participate in this stone gambling conference.

Chapter 120: Stone Gambling Conference

Chapter 120

After entering the interior of the stadium through the VIP channel, Lin Kai immediately saw a shocking scene.

I saw that in the huge space in the stadium, millions of stones of different shapes and sizes were placed!

These stones were placed bare on the ground and no one was watching, because the entrances and exits of the stadium were equipped with the most advanced scanners, and no one could take any stone here without paying.

In the center of these stones, there are corridors for people to walk into the sea of stones to select stones.

"Wow! Lots of rocks!" Huangfu Wan'er couldn't help exclaiming.

It is also the first time that Lin Kai has seen so many stones. The prices are marked on these stones. Cheap stones only cost a few thousand yuan, while expensive stones cost millions!

These stones are all rough, and no one knows what material is inside. This is a test of one's eyesight and technical level.

A few thousand pieces of **** stone may yield tens of millions of emeralds, and a few million pieces of stone may be empty. Although gambling is not a gambling, it is more exciting than gambling!

Lin Kai and Huangfu Wan'er walked in the sea of rocks. Lin Kai looked at the large and small rocks underground, full of curiosity.

Some stones have pits and bumps on the surface, and some have smooth and beautiful surfaces, and the prices are still different. Countless merchants stand in the sea of rocks to choose their favorite stones.

"I heard that many jewelers brought experts to purchase stones this time. After cutting the stones, the jade inside can sell for a big price!" Huangfu Wan'er whispered.

Lin Kai nodded. Without Huangfu Wan'er to say, Lin Kai also discovered this. In the stadium, there are countless businessmen with so-called experts walking around, and there are dozens of open stones in every corner of the stadium. point.

The stones you bought can be opened on site. The workers who opened the stones are all invited back by the organizer at a large price. Everyone is a master who has opened countless stones.

In his spare time, Lin Kai picked up a handbook placed on the table next to Shihai. The handbook recorded some basic knowledge about gambling on stones.

Basically no one took these manuals, because people who dare to come here to gamble on rocks are basically masters.

Only Lin Kai took a handbook and walked in the sea of stones. After a short while, someone cast a surprised look at Lin Kai.

Lin Kai didn't care about them, opened the manual and read it carefully.

In the stone gambling industry, if the best jade is sold, it means that it has risen. If it is junk jade, or if it is not, it means it has fallen.

Some people are very talented in betting on stones, and they can rely on their eyes and the touch of the stones, as well as the origin of the stones, etc., to infer whether the stones are in stock.

Many people made their homes by betting on rocks.

In the manual, there is also a picture book introducing the value of jade.

In fact, in the gambling industry, there is no clear classification. Even a piece of ordinary jade, as long as it is of good quality, good color, and high clarity, it can still be sold at a high price.

Similarly, a jade with a higher grade, such as Bawang Green, will not be valuable if its clarity is very low and there are many impurities in the jade.

But if you are lucky enough to have a cat's eye, it will be fun. Cat's eye gems are gems similar to cat eyes and are very expensive.

Lin Kai looked through the manual while lowering her head and walking forward. Huangfu Wan'er suddenly screamed: "Wow! Brother Kai, come look, this stone is so beautiful!"

Hearing this, Lin Kai closed the manual and looked over it.

I saw Huangfu Wan'er holding a pure white and flawless stone. There was no trace of impurities on the surface of the stone, and the whole was very smooth.

The price is three million!

"It's too expensive. If it is 300,000, I will take it back and store it." Huangfu Wan'er said with a small mouth.

After the Huangfu Group was taken over by Huangfu Wan'er, a major reform came and a lot of money was spent. Therefore, Huangfu Wan'er was not very wealthy either. Three million was not a small sum for her.

Huangfu Wan'er looked at the stone reluctantly, wanting to buy the stone cruelly, but at this moment, a big hand appeared and directly snatched the rough stone from Huangfu Wan'er.

"Oh, boss, the best jade material! This stone will definitely produce top jade!"

It was a tall and thin man with glasses, a pair of white gloves on his hands, and a smile that could reveal the golden teeth in his mouth.

Next to him was a middle-aged man in his fifties. The middle-aged man wore a black suit and carefully looked at the stone that the golden tooth handed over. After a long time, the old man nodded and said, "The material is good. ."

Jin Ya smiled, he was an expert invited by the boss, and every time he picked a rising stone, he would get a high bonus, so he had always spared no effort in choosing stones for the boss.

When Huangfu Wan'er saw that her stone had been taken away, she was anxious at the time: "Hey! Do you know how to be polite? I saw this stone first!"

Da Jin Ya heard Huangfu Wan'er talking, and looked back at Huangfu Wan'er and Lin Kai. Lin Kai dressed in a very ordinary dress and didn't seem to know how to bet on rocks. Huangfu Wan'er looked very young. With a smile, he didn't pay attention to the two of Lin Kai.

"You saw it first? Whoever got it! Besides, can you afford you? Cut!" Da Jinya cut with disdain. She heard what Huangfu Wan'er said just now, even 300,000 I can't afford it, and I'm not a big shot.

"Listen to the accent, from the capital?" Lin opened his eyes and asked, narrowing his eyes.

When Da Jinya heard it, he nodded proudly. Beijing is currently the richest city in China, and also the most populous city. It is ranked first among the first-tier cities in China Super League.

"Yes, we are from Beijing. This is my boss, the largest jeweler in Beijing, Zhu Dafu Jewelry knows it? It's our boss' company!"

The big golden tooth looked like he was sore.

Zhu Dafu jewelry? Zhu Dafu is currently a very well-known brand among the jewelers in China. The company's market value is tens of billions. Is this old man in front of him the owner of Zhu Dafu?

The old man also waved his hand at this time, with a smile on his face. Although he was a little proud, his tone was very humble: "Xiaojin, don't talk nonsense, I'm just a manager of Zhu Dafu."

"What's wrong with the manager?" Big Jinya smiled, and delivered a flattery: "Boss, your annual income is 30 million. Even if you are just a manager, you are much better than this rich family owner!"

"Don't talk nonsense! With an annual income of 30 million, can we ignore our Jiangdong?" Huangfu Wan'er became angry when she heard this and pointed to the big golden tooth.

Seeing Huangfu Wan'er being angry, Da Jinya showed an awkward expression: "Yo-yo-yo, why are you still not happy? Not only Jiangdong, but Jiangbei is not much better!"

"I advise you to follow our ass, maybe our boss can give you pointers and ask you to choose a better raw material, so that you won't be in vain!"

Chapter 121: Hillbilly

Chapter 121

“Do you know how much the purchasing fund my boss brought this time? Say it and scare you to death! A hundred million!”

“You country folks living in this remote area, I’m afraid you haven’t seen a hundred million in your life? Hahahaha!”

The big golden tooth gave a sullen smile, and the golden tooth in his mouth was shining golden, like a nouveau riche from a big city.

Huangfu Wan’er blushed with anger. Huangfu Wan’er is the new chairman of Huangfu Group anyway. Now she is irritated by a manager with an annual income of 30 million and a so-called expert. She is naturally unhappy.

Lin Kai glanced at the big golden tooth and the middle-aged man, touched Huangfu Wan’er’s head, and smiled lightly: “Wan’er, don’t be familiar with them. Brother Kai will help you choose a stone for you, how about? “

After hearing Lin Kai’s words, Huangfu Wan’er immediately showed a happy expression on her face: “Okay, it’s better to drive brother.”

After that, Lin Kai left the place with Huangfu Wan’er and walked in front of the scene.

Looking at Lin Kai’s back, Da Jinya and the middle-aged man also laughed disdainfully.

“I know that these two hillbillies dare not talk back to us. Boss, look at that chick, is it punctual?” Da Jinya looked at Huangfu Wan’er’s back, drooling from the corners of his mouth.

Although the middle-aged man appeared in suit and leather shoes, he looked at Huangfu Wan’er with a squinted look.

“This girl is nice, but we are serious people. Put away your dirty thoughts.” The middle-aged man said lightly.

Although it is said that we are serious people, the middle-aged man’s footsteps did not stop, following Huangfu Wan’er far, his eyes kept on Huangfu Wan’er’s ass.

Da Jinya smiled, he was an old fried dough stick in the society, he could tell at a glance what these rich people thought.

It seems that my boss is interesting to that chick! If you go along with the water, maybe you can make a fortune, Da Jinya thought in his heart.

Huangfu Wan'er naturally didn't know that she had been spotted. At this moment, she was happily following Lin Kai to select stones!

"Brother Kai, what do you think of this stone?"

Huangfu Wan'er held a stone the size of a baby's fist. The surface was smooth and it felt good to the touch. It looked like jade instead of raw material.

This stone is indeed very beautiful, but the price is very high, a full 1.5 million.

"God eyes!" Lin Kai muttered silently in his heart, and Lin Kai's eyes lit up, and the stone in Huangfu Wan'er's hand was immediately seen through by Lin Kai.

After Lin Kai saw through the smooth surface of the stone, he saw jade the size of a fingernail inside, and the jade was messy in texture. It was estimated that it could only sell for a few thousand yuan.

"Wan'er, this stone is too expensive. Brother Kai will help you look at others." Lin Kai laughed.

Huangfu Wan'er nodded very sensibly when she heard the words, and put the stone back: "Oh."

At this time, the big golden tooth and the middle-aged man quietly passed by Lin Kai and Huangfu Wan'er, and they happened to hear what Lin Kai said.

Da Jinya said sourly at this time: "Yoyo, you can't even afford 1.5 million stones. What kind of stone gambling is there? Go to the field and pick a few pebbles and go home! Hahaha !"

"Little girl, I think you look good, so your brother will give you a 1.5 million stone, and you can have a drink with our boss at night?"

The big golden tooth laughed, the middle-aged man showed a disgusting expression on his face, but he did not refuse, on the contrary, his eyes were very happy.

Huangfu Wan'er glared at the big golden tooth in disgust at the time: "Dirty!"

"Brother, let's go!"

Huangfu Wan'er pulled Lin Kai and walked away.

Da Jinya snorted: "Huh! Toast, not to eat and fine wine, boss, as long as this girl shows enough charm, I am not afraid that she will not be caught! In this way, boss, we will choose a few top-quality raw materials for a while, and make a few A piece of superb jade, I am not afraid that this little girl will not give in to her."

“Ahem.” The middle-aged man gave a dry cough and said: “We are serious people, and the choice of raw materials is the business.”

“Understand, understand.” Da Jinya echoed.

Along the way, Lin Kai has been reading the manual and observing the raw materials on the side of the road.

It has to be said that the group of organizers in Jiangdong are really black-hearted. Among the raw materials, six out of ten are empty, and three of the remaining four are worthless jade, only one can rise.

Lin Kai wanted to choose a top-quality jade to give to Huangfu Wan'er. Lin Kai knew that the current situation of Huangfu Wan'er's company was not very good, so he continued to invest a sum of money to relieve his urgent need.

Sending money directly to Huangfu Wan'er is bound to affect the relationship between the two. It is better to give her a piece of top-quality raw material.

Suddenly, Lin Kai's eyes lit up. He saw that among a piece of raw material, there was a crystal clear green jade, which was very dark in color, and the inside of the jade was crystal clear. You could see the bottom at a glance, but it just looked like it. Domineering feeling!

Lin Kai hurriedly looked through the manual in his hand. After searching for it, Lin Kai found the icon belonging to this jade. The three words Bawang Green were written under the icon!

I go, Bawang Green!

Overlord green is also distinguished by appearance, cheap hundreds of thousands to several million, good quality overlord green, the price is tens to hundreds of millions.

Lin Kai stepped forward and picked up the piece of raw material, which was not very good on the surface. The surface was bumpy and rough. The price was very cheap, 5,000 yuan.

“Wan'er, I think this stone is good, I will give you this stone.” Lin Kai smiled and put the stone into Huangfu Wan'er's hands.

Huangfu Wan'er was stunned. Since Lin Kai lived with her, Lin Kai has always given her the feeling of a big brother next door.

Lin Kai treated her well, she always treated Lin Kai as her brother.

Although the one and a half million stone was a bit expensive, Young Master Lin is not short of this money, right?

Huangfu Wan'er thought that Lin Kai would give himself at least one stone worth several hundred thousand yuan, but he did not expect that Lin Kai would give himself a broken stone worth five thousand yuan.

This broken stone looks like you can pick it up on the street!

And Lin Kai's perfect image in Huangfu Wan'er has collapsed a bit.

Although she was unhappy, Huangfu Wan'er accepted the stone and said, "Thank you, Brother Lin Kai."

"No thanks." Lin joked.

At this time, Da Jin Ya and the middle-aged man quietly followed again. After seeing the raw material in Huangfu Wan'er's hands, Da Jin Ya laughed on the spot.

"puff!"

"Hahaha! It's really a hillbilly. I am embarrassed to give away five thousand yuan of raw materials? Besides, the surface of the raw materials is pitted, and the hand feels very rough. This is obviously a piece of waste rock! The hillbilly is a hillbilly!"

Chapter 122: Kaishi

Chapter 122

Again and again, Lin Kai couldn't bear it, and looked at the man coldly, "Shut your mouth! Be careful of your life!"

As he spoke, bursts of murderous aura emanated from Lin Kai's body, and Lin Kai's eyes went straight to the depths of people's hearts, giving Big Jinya a fatal sense of crisis.

The middle-aged man was also taken aback, his face instantly turned pale.

Although Da Jinya was also frightened, his mouth was still very tough: "Huh, who are you scaring? Now in a society under the rule of law, you still dare to kill?"

"You can try." Lin Kai said coldly.

Da Jinya snorted, did not call Lin Kai, but pulled the middle-aged man away.

Huangfu Wan'er had seen these two people upset for a long time, and was very happy to see Lin Kai scared them away.

"Huh! Now you know that I am good at driving brother? Why did you go early? Quit your breath!" Huangfu Wan'er said with pride.

Lin Kai smiled, touched Huangfu Wan'er's head, and the two continued to walk forward.

Although Huangfu Wan'er had some dissatisfaction with Lin Kai's stingy in her heart, Lin Kai had saved her life more than once, so the distance between her and Lin Kai was not far away.

There are basically no people in Huangfu's house that Huangfu Wan'er can trust. Her mother has passed away long ago, and now there is only one Lin Kai, which can be trusted by Huangfu Wan'er.

Lin Kai immediately became interested in gambling on stones after discovering the magic of his divine eyes. In his last life, he was a pauper. Now he finally has 500 million in funds in his hands. He must take advantage of the gambling conference. Double this funding!

However, good raw materials do not always appear. On the road, Lin Kai has not seen rising jade, but there is not much room for those jade to rise.

As small as tens of thousands, as large as hundreds of thousands, there is no jade that can rise to a million.

Lin Kai's main goal is to put the best jade on his body, so what he is looking for is a raw material that can produce the best jade.

Huangfu Wan'er has been following Lin Kai silently. On the way, she didn't clamor to continue to choose raw materials. She knew that she was not the one, and the current situation of Huangfu's family did not allow her to be willful.

Soon, Lin Kai and Huangfu Wan'er walked to the center of the stadium. There were a lot of people here, and the quality of the raw materials also rose.

The raw materials here have obviously risen a lot, but have fallen very little.

More good raw materials were seen by Lin Kai. Suddenly, Lin Kai narrowed his eyes, and he seemed to have found a good thing.

In a piece of raw material far away from Lin Kai, a piece of green crystal-clear jade is hidden in it. This piece of jade is not overlord green, because Lin Kai discovered that it is not only green, but in its center, there is also a golden yellow. jade.

Green mixed with gold, this piece of jade, Lin Kai looked more like an eye, a cat's eye.

Lin Kai quickly opened the manual and searched for the jade that matched the jade. After searching for a long time, Lin Kai's eyes rested on the jade named Maoyan.

Cat's eye is an extremely rare jade. Even ordinary cat's eye jade can be sold at a price of at least one million. Good quality jade can cost several hundred million.

found it!

Lin Kai stepped forward and picked up the piece of raw material. The appearance of that piece of raw material is also very general, with a rough hand and an uneven surface, but after all, this piece of raw material is placed in the center of the stadium. The price is not cheap, one hundred thousand yuan. .

After weighing the stone, Lin Kai couldn't wait to take Huangfu Wan'er to open the stone.

"That's it, Wan'er, let's go to Kai Shi!" Lin Kai said very excitedly.

Huangfu Wan'er was puzzled. Could Lin Kai know how to bet on rocks? Why does he look so happy?

The two came all the way to the toll gate. After delivering the raw materials, Lin Kai swiped his card shortly afterwards, which totaled one hundred and five thousand yuan.

After paying the money, Lin Kai took the invoice, and rushed to Kai Shi.

You can open the stone only if you have the invoice, otherwise the stone-setting master will not help you open the stone.

There were also many people opening the stone, and they needed to line up. I saw a few masters wearing masks controlling the water mill to drive the stones passed by the guests.

By coincidence, as soon as Lin Kai arrived, Da Jinya and the middle-aged man also followed, both of them holding a stone in their hands.

The two people seemed to follow Lin Kai and them intentionally. They followed Lin Kai wherever they went.

Da Jin Ya looked at Lin Kai, his eyes were obviously jealous. Just now Lin Kai scared him, but Da Jin Ya hated him.

He specifically followed Lin Kai, just to hit Lin Kai severely on the Kaishi, let Lin Kai know who is the master here!

Moreover, Da Jinya had another purpose, which was to show the charm of his boss in front of Huangfu Wan'er and let Huangfu Wan'er know how powerful his boss was.

At that time, I won't be afraid that Huangfu Wan'er won't post it up. Women, who doesn't like rich people?

"Yeah, it's a coincidence, you also come to crack the stone? Do you still need to open the 5,000-dollar broken stone? Let me see what you have in your hand, Yo, a hundred thousand stone, is it your blood?" Dajintooth said sourly, with an acrimonious appearance.

But this time, Dajinya learned to be fine and didn't scold anyone in the face, so you wouldn't be afraid of Lin's fire. As long as you dare to do something, the security here will immediately kick you out!

Lin Kai was in a good mood at this time, and he didn't even take care of Dajinya.

Da Jinya saw that Lin Kai didn't dare to speak, and was even more proud at that time. He came directly in front of Lin Kai and forced to jump in the line.

"I said you two should go back, let you see, what is the real master of stone gambling!" Da Jinya grumbled.

"You!" When Huangfu Wan'er saw the two of them jump in line, her face blushed with anger: "How can you jump in line? We came first!"

"You came first? Good! Master, add one hundred thousand yuan, give priority to stone!" Da Jinya waved his hand, his face of pride, anyway, it was not his money.

Manager Zhu Dafu who was following him clearly frowned, but in order to show his pride in front of Huangfu Wan'er, he didn't speak either.

Master Kaishi immediately agreed: "Good!"

In the gambling conference, you can open the stone for free, of course, as long as you have enough money, you can also give priority to the stone.

Da Jinya and the middle-aged man each held a stone in their hands. The stone in Da Jinya's hand was about the size of an adult's fist. The surface looked dull, but the stone's skin was delicate.

Although Da Jinya looked like he was not beating, he still had a lot of experience in gambling on stones, otherwise he would not be favored by the manager of Zhu Dafu and brought him to this gambling conference.

Chapter 123: Water Ghost Green

Chapter 123 Water Ghost Green

“Let you see, what is a real master of stone gambling! Master, open the stone!” Da Jinya smiled and handed the stone in his hand to the master.

Many people around were a little dissatisfied with the big golden tooth’s jump in the line, but when people gave money, no one could do anything about him, but cursed the big golden tooth’s stone to fall in their hearts.

Master Kaishi’s technique is very sophisticated. He took out a pen and handed it to Da Jinya, who drew a line directly on the stone and let Master Kaishi go to open it.

Under the control of the water mill, a piercing sound rang out, and everyone opened their eyes wide, looking at the stone of the big golden tooth, what kind of stuff they could produce.

After all, this stone is not cheap, with a high price of three million yuan. People who want to spend so much money to buy raw materials will certainly not have a bad vision.

Soon, Master Kaishi split the raw materials into two, and Da Jinya kept chanting the word “Zhang” in his mouth, and was very excited. He clenched his fist and stared at the stone intently. .

“Go up! Go up! Go up! Go up!”

The moment the stone was cut, a touch of white appeared, the white was crystal clear, there was no impurities in it, and it looked very beautiful.

“Go up! Go up the boss! Hahahaha!” Big Jinya exclaimed excitedly, and a smile appeared on the middle-aged man’s face.

The onlookers were stunned. Da Jinya’s eyesight was not as high as usual. The first time it opened, it actually rose.

At that time, people with vision at that time recognized the jade in the raw material: “The best seven-finger white! This kind of jade, the color is like milk at a glance, not to mention the beauty. The old man wore a pendant made of seven-finger white. Can you live longer!”

“So powerful?” someone asked at that time.

“Yes, this jade is worth five million to tens of millions!”

Huangfu Wan'er also looked envious. Buying a broken stone can make millions. For a moment, Huangfu Wan'er felt that her company was in vain. It is better to go gambling on the stone and bet one piece every day without having to go to work. , You can also make big money!

Master Kaishi handed the jade to Da Jinya, and Da Jinya gave the jade to his boss.

"Boss, it's up!" Da Jinya said with a grin.

The middle-aged man nodded in satisfaction and put away the jade: "Yes, I will give you a commission."

"Thank you boss! Thank you boss!" Da Jinya said excitedly.

Just when the two of them drove seven-finger white worth millions of dollars, a young man in a suit and leather shoes walked out of the crowd. The young man wore a pair of glasses and looked gentle.

He came directly to the middle-aged man and introduced himself: "Hello, I am the official recycling staff of the Jiangdong Stone Gambling Conference this time, can you let me take a look at the jade you just opened?"

This one is a professional recycling staff hired by many organizers in Jiangdong, mainly to recycle the valuable jade, after polishing and carving, and then sell it at a large price.

The middle-aged man didn't refuse, and handed the jade to the young man. After looking at it, the young man looked envious.

"The best seven-finger white, no impurities inside, and the size of a baby's fist. This kind of jade, my Jiangdong gambling event will be sold at a price of 6 million. Will you sell it?" The young man looked forward to it.

The price of six million, everyone exclaimed, the price of this jade is three million, six million sold, it has doubled!

But the middle-aged man smiled faintly and shook his head: "Not for sale."

The middle-aged man himself is the manager of the jeweler. His task this time is to bring back more jade. He is not qualified to sell this jade. If he takes it back, he can get more commission.

"Well, I wish you a happy driving the stone." The young man nodded in disappointment and walked away.

The big golden tooth opened up, and there was a smug on his face. He came to Lin Kai and Huangfu Wan'er and smiled smugly.

“You two, have you seen it? What is strength? This is called strength! Envy, right? That’s how you bet on stone. If you bet on the right, it will be three million! If you are wrong, you will lose money!”

“Little girl, we are professional stone gambling masters, how about it? Are you interested in following us? I can help you with some pointers, and you can make money that you can’t spend a lifetime!”

The conditions offered by Da Jinya are very attractive. After all, this is a stone gambling conference, where millions of dollars are up and down in a minute. He believes that a little girl can’t stand the temptation of money.

But Huangfu Wan’er’s attitude surprised him: “Cut, I’m not rare.”

Huangfu Wan’er rolled her eyes and showed an expression of disgust, which made the middle-aged man on the side feel very annoyed.

It seems that you think I have no real strength, right? Now, I will let you see what is true strength!

The middle-aged man himself is also a professional stone gambler. The stone in his hand was bought with his own vision. Although the stone is only priced at 500,000 yuan, the middle-aged man is confident. This stone must rise!

When I raise this stone, I am not afraid that this little girl will not throw himself into the ground!

“Humph!” The middle-aged man snorted coldly and handed the stone in his hand to Master Kaishi.

“Master, help me open this stone, just open it horizontally.”

“Good!” Master Kaishi agreed and went to Kaishi.

Everyone craned their necks, and the first stone of the big golden tooth opened up. I don’t know if it is luck or strength. Now, this second stone will also start to open. Everyone wants to see if these two people are in the end. Is it strong strength or good luck?

The stone was about to be opened at the beginning. The stone master placed the stone next to the water mill, and after watering, he started to open the stone.

With a piercing sound, I saw a milk-like liquid flowing down the cutting machine. When the stone was opened, water must be watered, otherwise it would damage the jade. This is also the origin of the water mill.

A minute later, with a click, the stone was divided into two by the master Kaishi. Everyone craned their necks to see if the stone rose.

The middle-aged man also looked over nervously, clenching his fists, and what he saw was a touch of green.

Emerald?

The middle-aged man narrowed his eyes, and then looked intently, the middle-aged man yelled excitedly.

“Up!”

Da Jinya also looked at it, his eyes widened. This stone has risen much more than the stone he just selected!

In the center of the stone, a touch of green came into view. There was no impurities in the green jade, but the green color was not deep. This jade was not overlord green, but a water ghost green that was a little lower than overlord green.

Although water ghost green is not as valuable as Bawang green, Bawang green is an extremely rare jade after all. Water ghost green is already priceless in the market, let alone Bawang green.

When everyone saw that the middle-aged man actually opened the water ghost green, all of them opened their eyes wide and looked incredible.

Chapter 124: Broken Stone

Chapter 124

This is water ghost green!

Water ghost green is extremely rare on the market. Generally speaking, nine of the ten water ghost greens are fake. However, with so many fakes, there are still people buying water ghost green crazy at high prices.

It is precisely because of the rarity of this kind of jade that this kind of jade is usually collected by billionaires as a collection and has a high value.

Manager Zhu Dafu held the water ghost green in both hands, and tears of joy were about to flow down. Even the master Kaishi had a look of admiration in his eyes.

This is the most expensive piece of jade that Master Kaishi opened today!

At this time, the acquisition staff member just appeared again. After seeing the water ghost green in the hands of Manager Zhu Dafu, the acquisition staff's eyes light up!

If this piece of water ghost green can be bought back, the commission will be hundreds of thousands!

Ever since, he stood up again, came to the front of Manager Zhu Dafu, and said, "Can you lend me a look?"

Manager Zhu Dafu frowned. All the jade he opened could not be sold privately, but the staff of Jiangdong Stone Gambling Conference asked him to borrow the jade again. Manager Zhu Dafu was very unhappy.

But after thinking about it, the two hillbillies may not understand what jade is water ghost green. It is okay to ask this staff member to pretend to be forced, and then embrace the beauty.

At that time, Manager Zhu Dafu passed the jade over with a smile, with an indifferent expression on his face, as if the jade was just a toy he picked up.

"of course can."

The staff was holding the jade in his hand and took out a magnifying glass to watch it carefully. After looking at it for a while, the staff exclaimed.

"This piece of water ghost green is the best in terms of appearance and color! Besides, this piece of jade has a lot of flesh and is very big. If it is carved into jewelry and sold on the market, it can sell at least 10 million. High price!"

As soon as this sentence came out, a burst of exclamation came out, the high price of ten million!

What is the price for the raw material of this jade? It's just 500,000, and 500,000 raw materials produce 10 million jade, which is a huge profit!

After listening to the staff's assessment, the manager of Zhu Dafu was also very excited. This jade was the most expensive jade he had come out of contact with the gambling industry!

It seems that God wants to make himself a beautiful woman! Now, isn't that little girl obediently throwing in her arms? Thinking of this, Manager Zhu Dafu smiled triumphantly.

The big golden tooth on the side also quickly flattered: "Boss, your vision is really good! In the stone gambling, if you are the second boss, no one dares to be the first!"

“Five hundred thousand raw materials produced tens of millions of jade, a full increase of 9.5 million!”

After hearing what Da Jinya said, Manager Zhu Dafu smiled and waved, his face was smug, and his tone was humble: “It’s all good luck.”

Everyone around showed a look of envy. If it was luck the first time, it would be strength the second time. These two, but masters!

The staff reluctantly returned the jade to the manager of Zhu Dafu, and asked tentatively: “Do you sell this jade?”

Manager Zhu Dafu finished using the staff and waved his hand impatiently: “If you don’t sell it, you won’t sell it. My jade is not sold. Don’t think about it.

When the staff heard the words, they nodded rather disappointed and left the scene.

The focus of the stone-opening point was all on the two men, Da Jinya and Manager Zhu Dafu. The jade produced by these two men was the highest.

A piece of seven-finger white rose by three million. A piece of water ghost green rose by 9.5 million.

Manager Zhu Dafu also enjoyed the feeling of being admired by everyone. For a while, he actually felt that his body was a little erratic.

The big golden tooth was even more arrogant. When he came to Lin Kai and Huangfu Wan’er, his proud noses were all staring up into the sky.

“Have you seen? What is strength? This is strength! The two jade stones have risen by more than ten million. This is the power of experts.”

“Little girl, how about it? Do you want to go with our boss to pick the ingredients? It is not a dream to make you a hundred thousand dollars.”

Hundreds of thousands! At that time, many little girls were excited, but comparing their looks with Huangfu Wan’er immediately dispelled the idea of self-recommendation.

In the eyes of Dajinya, one million yuan must be very attractive to ordinary people. Although those who can enter here are millionaires, you must know that the one million paid for admission is not ticket money. , Is a deposit, to ensure that you will not steal raw materials in the market.

One million will be paid back to the people who enter the venue.

But I didn't expect that Huangfu Wan'er's attitude was still so stubborn, I saw Huangfu Wan'er snorted very disdainfully.

"Huh! Isn't it just over ten million? It's a horror to you." Huangfu Wan'er said very lightly about over ten million. It seems that for her, ten million is just her pocket money for a month. .

Indeed, in the heyday of Huangfu Group, more than 10 million was really just Huangfu Wan'er's pocket money for a month.

Da Jinya frowned when he saw Huangfu Wan'er being so arrogant.

Why is this little girl so hard to catch?

The people around also looked at Huangfu Wan'er and Lin Kai, and seeing Huangfu Wan'er speak so eloquently, everyone's impression of her has deteriorated a bit.

Isn't it more than ten million? Can you have more than ten million? If you had more than ten million, would you still line up here?

Manager Zhu Dafu snorted and waved his hand, Da Jinya readily understood, and stood beside Manager Zhu Dafu.

"With such a big tone, I want to see what kind of jade your 5,000 yuan broken stone can produce!"

Manager Zhu Dafu came with such a mouth, everyone looked at the stone in Huangfu Wan'er's hand, the five thousand yuan stone? Buying five thousand yuan of stones at the gambling conference?

What stone can you buy for five thousand yuan? Isn't it a pebbles?

Feeling everyone's gaze, Huangfu Wan'er's face was also red, and she quickly covered the stone in her hand.

Huangfu Wan'er didn't want to come to open the stone, but Lin Kai forced her to come. Now it's okay, she will be embarrassed in front of everyone. If you buy a broken stone for five thousand yuan, what good things can you get? It can only take out the garbage.

Lin chuckled, without any intention of covering up the raw materials in his hands.

Da Jinya laughed at this time and said, "Hehe, you are very proud of holding a stone worth 100,000 yuan, aren't you? Your broken stone is not shiny on the surface, and from the touch point of view, It is extremely rough, and the face is born from the heart. A stone outside the top quality jade must be extremely smooth. You, a broken stone, will definitely fall!"

Chapter 125: Overlord Green

Chapter 125: Overlord Green

After hearing what Da Jinya said, everyone nodded and felt very reasonable.

Lin Kai smiled indifferently, did not take Da Jinya's words in his heart at all, just holding the stone in his hand like this.

After about ten minutes, it was finally Lin Kai and Huangfu Wan'er's turn. Lin Kai said to Huangfu Wan'er, "Did you drive first? How about?"

When Huangfu Wan'er heard it, her face showed a very embarrassed look. She actually didn't want to open the raw materials in her hands.

After all, this raw material was only bought for 5,000 yuan, and it is not very beautiful in terms of its appearance. Even Huangfu Wan'er, who doesn't understand stone gambling, knows that this raw material will definitely not produce good jade. .

But Lin Kai's kindness is hard to come by, besides, so many people are watching, if you don't open it, you will definitely be laughed at by Da Jinya.

After gritting her teeth, Huangfu Wan'er handed the jade to Master Kaishi and said, "Cut it in the middle."

"Okay." Master Kaishi also glanced at Huangfu Wan'er playfully, and drew a line on the stone at random, his work attitude was not as serious as the stone that just opened the big golden tooth.

With a stab, Master Kaishi was not afraid of hurting the jade in the stone, so he cut everything open, very simple and rude.

"I want to see what kind of **** this 5,000-yuan broken stone can drive out!" Da Jinya smiled mockingly with his arms.

Manager Zhu Dafu also shook his head in disdain. He has been in the jewelry industry for many years, and he can tell at a glance whether some stones can be made of jade.

Just like the raw materials of Huangfu Wan'er, on the surface, it is not the raw material that can produce jade. The probability of producing jade is very small. The probability of producing the best jade is as difficult as winning the 10 million lottery. .

Everyone craned their necks, and everyone wanted to see how sacred this girl who didn't put ten million in his eyes was.

I want to see what jade her raw materials can produce.

Huangfu Wan'er glanced at it hopelessly, but after only one glance, she was stunned. There seemed to be jade in the stone, which was still green.

Everyone also saw the touch of green. What is the situation? As long as the raw materials bought for five thousand yuan can see the green, it means that it has risen.

Manager Zhu Dafu and Da Jinya also looked at it. After seeing the green, they were all shocked.

Take a closer look, the green color is very deep, darker than the water ghost green that Manager Zhu Dafu just opened, and it is crystal clear, without a trace of impurities, like crystal.

When everyone saw the jade in it, they all exclaimed, this jade is very valuable only on the surface.

At this time, everyone noticed that Master Kaishi's hands were shaking, and Master Kaishi tremblingly picked up the jade that had been divided into two, and the tone of his speech trembled.

"Overlord... Overlord Green!" Master Kaishi roared very excitedly: "I didn't expect to be able to produce Overlord Green in my lifetime!"

Master Kaishi's tone was very excited. Although the jade was not his, he was able to produce such a jade, and he was worthy of the identity of Master Kaishi.

"Overlord Green?" Huangfu Wan'er scratched her head, not knowing what kind of jade the Overlord Green is.

Everyone exclaimed. All the people present were knowledgeable people, and they all knew how valuable the Overlord Green was.

The water ghost green is already very rare, and the overlord green is even rarer than the water ghost green. It is the best among green jade!

Overlord Green is almost not available on the market! Even if there is, it will be rushed to collect by the rich, because Bawang Green is no longer just a piece of jade, it represents the dignity of a billionaire, with a piece of Bawang Green to go out, absolutely face!

After hearing this, the manager Dajinya and Zhu Dafu both looked over. After seeing Naha Wang Green, both of them were shocked.

Both of them are knowledgeable people, and they can naturally distinguish the true and false of the jade. When they look carefully, the jade is very beautiful, and it is undoubtedly the overlord green.

It turned out to be Overlord Green, and the two looked at each other, both were a little silly.

At this time, the staff of the stone gambling conference who had just walked away was attracted by the sound here again. He faintly heard the overlord green. Could it be that the jade from the stone opening point has risen again?

After the staff ran over, they thought it was Da Jinya and Manager Zhu Dafu that the stone that had been driven out rose, but unexpectedly, the owner of the jade was a little girl.

The staff took a closer look at the jade. At that time, his eyes were almost staring. He is a professional recycling jade. Now he is very excited to see this overlord green jade. He has been working for so many years, but he has only handled it. Only a few pieces of Overlord's Green, and those pieces of Overlord's Green have been sold at sky-high prices!

"My God! It's really Overlord Green! Depending on the appearance and color, the value ranges from 30 to 100 million!" the staff exclaimed.

Huangfu Wan'er didn't know what Bawang Green was, but now she heard what the staff said, her eyes were straight, ranging from 30 million to 100 million?

If she can get 50 million, the company's urgent need will be solved immediately. The broken stone that Lin Kai chose for herself is actually worth 30 million to 100 million?

Huangfu Wan'er looked at Lin Kai with an incredible expression, and Lin Kai smiled faintly and touched Huangfu Wan'er's head: "This is a gift from Brother Kai."

Seeing Lin Kai's confident appearance, Huangfu Wan'er was shocked. Could it be that Lin Kai knew that the raw material was in stock, so he bought it for himself?

The staff member came to Huangfu Wan'er and said excitedly: "Miss, can you sell this overlord green? I will pay 50 million!"

Fifty million! Huangfu Wan'er's eyes widened at the time, and she just came here to play casually, and she made 50 million unexpectedly!

Although Huangfu Group is a well-known big group in Jiangdong, but now after all, the net profit in a month is only 100 million.

Being hit by the big pie that day, Huangfu Wan'er's head was dizzy with excitement.

Huangfu Wan'er glanced at Lin Kai, and Lin Kai nodded, saying that it could be sold. Both of them didn't understand jade, and it didn't matter to carve jade into jewelry. It would be better to sell it.

But Huangfu Wan'er just wanted to sell, the manager of Zhu Dafu jumped out on the other side, and said excitedly: "Wait a minute! I'm out of 55 million!"

Five million more, Manager Zhu Dafu also wants this jade!

Manager Zhu Dafu stared at Huangfu Wan'er with piercing eyes, with a look of expectation, five million more, he believed that Huangfu Wan'er would sell it to him.

But before Huangfu Wan'er spoke, Lin Kai spoke: "I'm sorry, our jade is not sold to animals, fifty million, we sell!"

Chapter 126: Not For Sale

Chapter 126

"Yes! Our jade is not sold to animals that can't speak human words!" Huangfu Wan'er also echoed, her expression was a complacent expression.

Just now Da Jinya and Manager Zhu Dafu mocked in every possible way, and now it is finally Huangfu Wan'er's turn to raise his eyebrows, and Huangfu Wan'er's heart is a relief.

The expression on Manager Zhu Dafu's face is very ugly. One of his dignified managers, with an annual income of 30 million, is now scolded by such a little girl pointing his nose, not to mention how angry he is.

But he especially wanted that piece of jade, it was overlord green! If he can bring back a piece of Overlord Green, a commission of millions of dollars is absolutely appropriate.

Regardless of the lavish appearance of Manager Zhu Dafu, he spends all company money, otherwise he is willing to spend 100,000 yuan to jump in the line?

"Just... just now we were wrong. So, I will pay 60 million and sell it to me, how about it?" Manager Zhu Dafu asked eagerly.

Lin Kai sneered and said, "Hehe, even if you pay 100 million, we won't sell it!"

Seeing Lin Kai's attitude so determined, the expression on Manager Zhu Dafu's face also became cold.

"Heh, isn't it just that luck has gone up? I don't believe it, this broken stone in your hand can still go up!" Since Lin Kai is not selling it, Manager Zhu Dafu immediately showed an ugly face, yin and yang ridiculed.

Lin Kai rolled his eyes and ignored him.

The staff of the Stone Gambling Conference was grateful to Lin Kai. He didn't sell 60 million, but sold him 50 million. There was an excitement in his heart.

If he could sell this Overlord Green, wouldn't his commission be millions?

Ever since, Huangfu Wan'er signed the contract very happily, waiting for the organizer of the gambling conference to put money into her bank card.

At this time, the people around me looked at Huangfu Wan'er with envy, and they drew 50 million worth of jade. Isn't this a blessing accumulated in the past life?

"Master, help me open this stone too, pay attention, start from the edge, don't open from the middle, come, I will draw a line for you."

While Lin Kai spoke, he drew a circle on the stone, just enough to cut out the cat's eye.

Cats eye is different from other jade. Even if the other jade is cut from the middle, it can be carved into a pair of jewelry, but cats eye is different. If the cats eye is cut from the middle, it is not called cats eye.

It is for this reason that cat eyes are very rare, because many cat eyes are cut when they are cut, and after the cutting, it is discovered that the cat eyes have been damaged.

Master Kaishi stared at Lin Kai suspiciously, and cut out a circle?

What kind of cut is this? Generally speaking, it is cut from the middle or from the side. Where is the cut into a circle?

Could it be that he is not afraid to chop up the jade inside?

When Da Jinya saw this scene, he laughed at that moment: "A layman is a layman, cut out a circle? Do you think you can see through eyes? Know what the jade inside looks like? Your cutting method, I will definitely chop the jade inside!"

Everyone also shook their heads, Lin Kai's cutting method was unheard of.

Master Kaishi also looked at Lin Kai suspiciously and asked if Lin Kai was sure.

"Just cut it like that." Lin Kai confirmed.

After the initial master was confirmed, he controlled the water mill and started cutting. Because this cutting method requires a certain technical content, the cutting speed is relatively slow.

The manager Zhu Dafu on the side touched his chin and laughed: “Hey, this kid is lucky for the first time. He picked out the best for five thousand dollars. Look, he definitely doesn’t know how to bet on rocks. Make a circle, this stone, he will fall!”

Da Jinya also echoed: “The boss is right. This kid has no eyes and can’t produce good things.”

Both of them said so, and everyone around was not very optimistic about Lin Kai.

After all, luck is not always there. Besides, Lin Kai is so young that he does not seem to know how to bet on stones. The stones he chooses are not good in appearance and the cutting method is strange, so no one thinks that his stone can be cut. What good things come out.

Ten minutes later, Master Kaishi successfully cut the stone according to the cutting method Lin Kai said. A strange scene appeared, and only a green jade appeared in everyone’s field of vision.

The leftovers that were cut are all stones, but this jade is intact!

Everyone was stunned, could Lin Kai see through it? What was cut off were all stones, but what remained was actually jade!

Manager Zhu Dafu and Da Jinya opened their eyes wide, and they also looked incredible.

After seeing this scene, Huangfu Wan’er jumped up in surprise.

“Oh my god! Brother Kai, how did you do it?” Huangfu Wan’er stared at Lin Kai curiously, her eyes widened.

Lin Kai smiled: “Ha ha, intuition.”

intuition? Can your intuition be so accurate? Without harming the jade, cut all the stones?

Where is such a powerful character? You know, in today’s world, there are no instruments that can see through stones.

Lin Kai’s eyes are more powerful than x-rays!

In shock, Da Jinya glanced at the color and texture of the jade, his face changed.

It has risen again. Judging from the color of the jade, although it is not overlord green or water ghost green, it is a good green jade because there is no trace of impurities in it.

This thing is worth millions, and one hundred thousand yuan is worth a lot of money.

“Oh, your kid is lucky.” Da Jinfang said with a grimace.

This was not over yet, Lin Kai continued: “Master, polish the two sides for me, and cut off all the excess stones.”

Because the edge has been cut, the thickness of the stone can be seen. The stone covering the surface of the jade is not very thick and can be polished with a polishing machine.

Master Kaishi is a master who has driven countless stones. For them, this work is not difficult at all.

At that time, I saw Master Kaishi holding a polishing machine in his hand, and with the sound of thorns, the stones on the surface of the jade turned into powder and floated in the air.

There was too much powder, and everyone couldn't see clearly. After ten minutes, the powder dispersed, and everyone looked at the jade in the hands of Master Kaishi.

At this moment, I saw Master Kaishi's hand holding the jade trembling, while trembling, Master Kaishi also knelt on the ground and screamed.

“Ahhhhhhh!”

“My ancestors! I have been digging a stone for so many years! This is the first time I have seen such a superb gem!”

When the Overlord Green was opened just now, Master Kaishi was very excited. This time he was even more excited than before. Is it possible that the jade that was drawn this time was even more advanced than the Overlord Green?

impossible? Just now everyone has seen that this is just a piece of green jade with relatively high purity!

What can it change?

Chapter 127: Cat Eye

Chapter 127

Seeing Master Kaishi's emotions so excited, everyone was also very curious, what kind of jade was out that made him so excited?

Could it be another piece of Overlord Green?

Da Jinya and Manager Zhu Dafu also had the same itching in their hearts as Cat Scratch, and they wanted to see what piece of jade was in Master Kaishi's hands.

After finally waiting for Master Kaishi's mood to stabilize, everyone finally had the opportunity to see what jade was.

On the edge is the green jade that everyone saw just now, and there is a horizontal golden jade in the center! Golden jade is very rare, there are not many in the world, this is a...cat's eye jade!

"It's a cat's eye!" At that time, Manager Zhu Dafu exclaimed, his eyes were almost staring out!

This piece of jade is actually a cat's eye!

The jade resembling cat's eyes, besides, because this piece of jade was cut out in a round shape, it did not harm the jade itself, so the integrity of this piece of jade is 100%!

Moreover, looking at the purity, this jade is also very high!

Such a perfect cat's eye jade is unique in this world!

This cat's eye jade is invaluable!

Everyone cried out in exclamation, and some even shed tears with enviousness. Just such a piece of jade can make a person drive a luxury car and live in a villa for a lifetime!

No wonder the master was so excited at first, this is equivalent to the only artifact in the game!

Master Kaishi has only opened such a cat's eye in his lifetime, and it is still a golden cat's eye!

The rare degree of golden cat's eye seems to be only recorded in history books.

This golden cat's eye is definitely the focus even if it is put in a museum. A golden cat's eye for 100,000 yuan is a huge increase!

The staff on the side discovered this stone-opening point and kept producing top-quality jade, and simply stopped leaving. After seeing the golden cat's eye, the staff's body was shaking with excitement.

If he can buy this piece of golden cat's eye, he can get tens of millions in commission! The value of golden cat's eye is so high!

"First first... Sir, you, you... Your piece of jade, sell it... Sell it?" The staff stammered when they spoke.

Lin Kai took this cat's eye jade from the beginning of the master. Cat's eye is natural, so it doesn't need to be carved. Natural cat's eye is the most valuable.

This thing is really beautiful, heavy, and exudes a chill.

"You help me estimate the price." Lin Kai said lightly.

The staff stammered when they spoke, and tentatively asked: "Five-five-five-five...500 million, how about it?"

Five hundred million! This is a sky-high price!

This is probably the jade with the highest price in the history of Jiangdong Stone Gambling Conference!

But even so, the staff didn't have a bottom when they spoke, because the value of this jade was too high, and he wasn't sure that Lin Hui would sell it.

"Seven hundred million!" As soon as the staff member's voice fell, Manager Zhu Dafu jumped out and offered a sky-high price.

Although he himself does not have 700 million, if the company knows that he has encountered a cat's eye, it will definitely let him buy it at a big price.

The higher the popularity of this thing, the higher the value. After the golden cat's eye is acquired, the magic of this golden cat's eye will be publicized, and the price will be up a few times.

"One billion!" The staff gritted their teeth and reported another sky-high price.

"1.5 billion!" Manager Zhu Dafu was even more proud and directly quoted the sky-high price of 1.5 billion.

Although Lin Kai sees Manager Zhu Dafu upset, Manager Zhu Dafu doesn't believe that he will put 1.5 billion yuan!

At this time, Lin Kai glanced at the golden cat's eye in his hand, and actually put it in his pocket.

"Sorry, I won't sell."

“You!” Hearing these words, the manager of Zhu Dafu almost vomited blood. He and the staff competed for a long time for the price, but Lin Kai said that I would not sell it!

When the staff heard this, they were also quite disappointed. They turned and walked aside and took out the walkie-talkie to start communicating with their upper management. They opened the golden cat’s eye. If they didn’t buy it back, they wouldn’t be reconciled!

Manager Zhu Dafu knew that Lin Kai had opinions on him, so he didn’t sell his jade.

At this moment, Manager Zhu Dafu saw that he was soft and not working, so he thought of hard.

I saw the manager of Zhu Dafu let out a cold voice, staring at Lin Kai coldly, and said, “Boy, everyone is innocent and guilty. You should understand this truth? You can’t keep this good thing! Be careful to die on the streets! “

Hearing this, Lin Kai narrowed his eyes and immediately exuded murderous aura. Lin Kai could tolerate him insulting himself, but everyone who wanted Lin Kai to die, Lin Kai would not make him feel better!

“Are you threatening me?” Lin Kai asked, narrowing his eyes.

Although he was startled by the murderous aura exuding from Lin Kai, when he thought of the priceless golden cat’s eye, Manager Zhu Dafu came to scare Lin Kai’s motivation.

“I’m threatening you. If you don’t hand over this jade today, believe it or not you will die on the road tomorrow?”

boom!

This sentence was just finished, and only a loud bang was heard. Lin Kai slapped Manager Zhu Dafus chest with a palm. Manager Zhu Dafus body was like a kite with a broken line, his body flew upside down and hit a rock. Above, the huge impact force shattered the stone mountain, countless rocks hit Manager Zhu Dafu’s body, and a burst of blood splashed out. Manager Zhu Dafu was obviously not happy.

“I hate being threatened by others,” Lin Kai said coldly.

There was silence at the scene.

“It’s murdered!” As a scream sounded, countless people fled in panic. After a while, only three people, Lin Kai, Huangfu Wan’er, and Da Jinya were left on the scene. The others were hiding in the distance. Looked at it with fear.

Manager Zhu Dafu was smashed into that way by countless stones. Obviously he couldn't survive, because Lin Kai made a big fight with one sentence, which shocked everyone.

There had just been a riot here, and someone on the other side quickly rushed over with a security guard. Lin Kai took a look and was happy at the time. The person with the security was actually Zhang Wanlin.

Zhang Wanlin led a dozen security guards and sealed off the scene. After seeing Lin Kai, he walked over without saying a word, and whispered in Lin Kai's ear: "Did you die?"

Lin Kai nodded, and said, "You can't die for a while, it's almost time."

Zhang Wanlin looked at so many people around him, frowned, and said, "It's a bit tricky. There are too many people on the scene and it is impossible to deal with it silently. If you are just the Lin family, it's okay, but you are still a man. Soldiers, the military region knows about this and will definitely investigate it."

These words were heard by the trembling Big Jinya who was standing not far away. After hearing these words, he stared at Lin Kai with wide eyes. Isn't this kid a hillbilly?

Chapter 128: Skin Trauma

Chapter 128

When Da Jinya saw Lin Kai and Zhang Wanlin whispering, his heart was cold.

Before coming to Jiangdong, Dajinya had done preparatory work. Who could provoke and who could not be provoke, Dajinya made a list.

The Zhang Wanlin in front of him, he naturally knew, the son of a certain predator in Jiangdong, Zhang Wanlin was responsible for the security work of this stone gambling conference.

It seems that the hillbilly in sportswear in front of him actually knew Zhang Wanlin!

Lin Kai coldly glanced at Manager Zhu Dafu, who was buried in the pile of stones, and a vicious look flashed in his eyes.

If he could, Lin Kai would like to smash him into pieces, but with so many people on the scene and Lin Kai's identity as a soldier, it is naturally impossible to kill people in the public.

At that time, Lin Kai said coldly: "Pull him out for me."

Upon hearing this, Zhang Wanlin waved his hand, and several people stepped forward to remove the stone and pulled Manager Zhu Dafu out.

Manager Zhu Dafu was pulled out, and the onlookers in the distance couldn't help screaming. The current appearance of Manager Zhu Dafu was really too miserable. He was bloody, and there was no place where there was no blood.

Zhang Wanlin frowned when he saw this, knowing that the middle-aged man was designated to survive.

Lin Kai squatted down, glanced at Manager Zhu Dafu, muttered the ability of *Ganoderma lucidum* in his heart, and pressed one hand on Manager Zhu Dafu's head.

A burst of vigorous vitality was infused into Zhu Dafu's body, nourishing his internal organs, and repairing every part of his body.

Three minutes later, Manager Zhu Dafu snorted and opened his eyes!

Zhang Wanlin's eyes widened when he saw this. What happened?

Lin Kai stood up and said lightly: "Not dead yet, just skin trauma."

Just skin trauma? How is this possible? Zhang Wanlin clearly saw the blood and blood of this middle-aged man being smashed, he must not survive!

"No?" Zhang Wanlin asked questioningly.

As soon as he finished speaking, he only heard the middle-aged man grunt and opened his eyes. When Da Jinya saw this, he hurriedly helped Manager Zhu Dafu up.

I saw Manager Zhu Dafu limping up to his feet. After seeing himself covered in blood, his eyes immediately looked at Lin Kai, with a cruel look in his eyes.

"Fuck, do you dare to hit me? Do you know who I am?" Manager Zhu Dafu stood up and immediately angered.

Manager Zhu Dafu was used to being arrogant and domineering in the capital. Now he came to this small place in Jiangdong and was beaten up like this. His heart naturally rose with anger.

Lin Kai glanced at him, tilted his head, and smiled playfully: "Who are you? I don't know, but do you know who I am?"

"You?" Manager Zhu Dafu glanced up and down at Lin Kai and sneered: "Heh, you hillbilly, who can you be? It's just rubbish!"

“Shut up!” Zhang Wanlin yelled angrily when he heard this, and said, “Respect Lin Shaofang, and be careful you can’t get out of Jiangdong!”

“It’s a big breath! I’m the manager of Zhu Dafu Jewelry, but let me see, who can prevent me from getting out of Jiangdong!” Manager Zhu Dafu has an arrogant look, and doesn’t put Zhang Wanlin in his eyes at all.

At this moment, Da Jinya stood on the side and was trembling all over.

Da Jinya whispered in Manager Zhu Dafu’s ear: “Old, old, old...Boss, be careful when you speak. That person is responsible for security at the gambling conference. You should have heard of his father, Zhang Haicheng!”

Zhang Haicheng? After hearing the name, Manager Zhu Dafu trembled. Of course he knew who Zhang Haicheng was.

The big crocodile in Jiangdong’s local gray world, it is said that the family has raised a group of thugs, this person in front of him is actually Zhang Haicheng’s son?

Looking at Zhang Wanlin’s respect to Lin Kai again, is it possible that this person is more powerful than Zhang Wanlin?

“Hehe, I really don’t know that the sky is high and the earth is thick. It’s just a manager of Zhu Dafu. Even if your chairman sees Lin Shao, he has to be polite to three points. How old are you?” Zhang Wanlin said coldly.

After hearing what Zhang Wanlin said, Manager Zhu Dafu trembled and asked tentatively, “Shao Lin? Who is it?”

“You don’t know who Lin Shao is, so you dare to come to the Jiangdong Stone Gambling Conference? Lin Shao is the son of the Jiangbei Lin Family Patriarch, the Lin Family Young Master!” Zhang Wanlin said sharply.

After hearing this sentence, only Manager Zhu Dafu’s feet were soft, and he directly sat on the ground with his butt, making the whole person dumbfounded.

It’s actually from Jiangbei Lin’s family!

The Jiangbei Lin Family is well-known in China. It is a first-class family in Jiangbei and almost dominates Jiangbei.

The Zhudafu Jewelry, which is far away in the capital, also has a branch in Jiangbei, and if the branch in Jiangbei wants to survive, you must look at Jiangbei Lin’s wink.

Compared with the Jiangbei Lin Family, Zhu Dafu is still a different grade. After all, Zhu Dafu Jewelry is only a company, while the Jiangbei Lin Family is a force, and the two parties are not comparable at all.

What's more, he is now in Jiangdong, and it seems that Lin Kai is also very open in Jiangdong. If he wants to die in Jiangdong, it is just a matter of one sentence.

Thinking of this, Manager Zhu Dafu's face turned pale, he actually provoked such a fiend?

"I..." Zhu Dafu hesitated to speak, wanted to ask for affection, but felt unable to speak.

Da Jinya was a man who was stunned by the wind. Seeing his boss was so scared that he couldn't speak, he turned his eyes and stood up, kicking at the manager Dafu Zhu.

While kicking, he yelled, "I said that Lin Shao is not an ordinary person! You must let me target Lin Shao for the beauty of other girls! You dead dog, I will kick you to death!"

Da Jinya didn't show mercy at all when he started, and he kicked Manager Zhu Dafu to the ground with a few strokes. Manager Zhu Dafu wailed and received a lot of beatings.

"Dajinya! You fart! It's obviously your bad idea!" Manager Zhu Dafu said angrily.

"Dare to quibble? I kick you to death!" Da Jinya kicked fiercely.

After a violent kick, the big golden tooth showed a humble appearance and came to Lin Kai, apologizing: "Lin Shao, all of this is the attention of this damned pig Dafu manager. The little one is just a runner. Yeah! Your lord has a lot, why don't you slap me twice to vent your anger?"

Lin Kai glanced at Big Golden Tooth lightly. Although Big Golden Tooth is hateful, he is not guilty of death, at least he has no idea of killing himself.

Lin Kai spit out a word: "Go away."

Hearing this, Da Jinya was overjoyed, and ran away scramblingly.

"Thank you Lin Shao! Thank you Lin Shao!"

When Manager Zhu Dafu saw that Da Jinya had run away, he was so angry that he was dumbfounded when he saw his situation again. He knew that now his life was already in his hands!
