

# Special Forces God Level Extraction System - Chapter 985 - 1016

## Chapter 985: Zilishantou

Chapter 985

After listening to Jia Fuhao's words, Lin Kai's mouth showed a sneer.

"fart!"

Even Lin Kai couldn't help cursing.

"Everything I Lin Kai does is for everyone!"

"I do my best for everyone, but you say I am a sinner? You are just talking nonsense!"

Lin Kai at this time was very angry.

He killed the pirates to save those who couldn't afford business cards and those women!

He makes everyone work to make everyone live better!

But in Jia Fuhao's eyes, he became a heinous sinner, which made Lin Kai extremely angry!

Jia Fuhao sneered: "Heh, for us? In addition to making the situation worse, what do you do for us?"

"Am I right?"

"Yes!"

When Jia Fuhao's words came out, tens of thousands of people yelled in unison.

They all looked at Lin Kai and others with a hostile look.

They have been brainwashed by Jia Fuhao!

Of course, among the tens of thousands of people on the scene, there are also smart people.

But these smart people also chose to pretend to be confused, why? To be able to enjoy! In order to avoid labor!

In order to let Lin Kai and others serve them!

They were born to be first-class people, even if they were reduced to a desert island, they would not be equal, they still want to be first-class people!

The best way to be superior is to create a batch of inferior people!

Such as Lin Kai and Li Shengxian.

Lin Kai's chest rose and fell, and he was angry.

"Blood spurts!"

"And you, you have no eyes!"

Lin Kai scolded.

"You are going to live on the ship? The ship is dangerous! The supplies on the ship are limited!"

"Only by learning to survive can you go back! Do you understand it?"

After listening to Lin Kai's words, Jia Fuhao smiled and shook his head, and said, "Haha, Lin Kai, you don't understand, we are born to be served, not to work!"

"You are a soldier, aren't you? Shouldn't a soldier serve the people? Now you have the opportunity to act."

"As long as you want, I can freely set up a team for you to gather materials from the island and supply them for our use until the rescue ship arrives."

"Of course, as a reward, I will ignore the previous complaints and give you a lot of money, how about?"

Jia Fuhao's true purpose was revealed.

He just wanted to step Lin Kai under his feet and wait for someone to use it now!

Even on the island, he doesn't want everyone to be equal, he still wants to enjoy it!

"Dreaming!" Lin Kai yelled.

At this time Lin Kai shook his head, they all treated themselves like this, so why should he serve them? Why should I care about them?

Since you regard me as a sinner, then I, Lin Kaiben, will be a real sinner!

“Okay! Jia Fuhao! From now on, you will walk on your Yangguan Road, and I will walk on my single-plank bridge.”

“I want to see how long you nobles can last!”

Jia Fuhao sneered without speaking.

“Willing to follow me, Lin Kai, stand up!” Lin Kai yelled as he looked at the crowd.

At that time, the whole scene fell silent.

Looking behind Lin Kai, Li Shengxian, Lao Huang, Cat Sister, Liu Xiangyi, and the four great gods.

There are only a few of them.

Soon after, a dozen people stood up.

These more than a dozen people are all Li Shengxian’s thugs, and they are relatively loyal to Li Shengxian.

In addition to these people, more than a hundred people came forward one after another. These more than one hundred people still have a good impression of Lin Kai.

There are only over a hundred people in total.

The remaining tens of thousands of people looked at Lin Kai coldly, with hatred in their eyes.

Lin Kai nodded and waved his hand: “Let’s go!”

After all, Lin Kai led hundreds of people and left the scene very angry.

The cruise ship has officially become Jia Fuhao’s world.

Jia Fuhao watched Lin Kai and the others leave with a smile on his lips.

His goal was achieved!

Although he did not conquer Lin Kai, he believed that Lin Kai would come back sooner or later to beg Jia Fuhao.

What about the experience of armed force and survival in the wild? Living in this world depends on your brain!

There are a lot of resources on the cruise ship, enough food for everyone to eat for a month!

Jia Fuhao is confident to brainwash everyone in this month! I also have the confidence to cultivate a group of inferior people within this month, and let them serve him willingly, Jia Fuhao!

This is Jia Fuhao's ambition!

...

On the other side, Lin Kai brought more than a hundred people to the clearing that he fancied during the day.

However, the clearing was still empty at this time.

All the resources are on board, and everyone is destined to sleep on the ground tonight.

Li Shengxian followed Lin Kai. He patted Lin Kai's shoulder and comforted: "Lin Kai, don't take it to heart. Those rich second generations have such temperaments and can't bear hardship."

Lin Kai nodded and said, "Well, I won't take it to heart. I only need ten days to make everyone believe what I say!"

Lin Kai's face is full of confidence!

Afterwards, Lin Kai looked back at everyone and said loudly: "Everyone who chose to follow me today! I, Lin Kai, will firmly remember your names and faces!"

"I will never make you regret it!"

"Tonight, I will do it, and tomorrow I will release our specific tasks."

...

This night, more than a hundred people spent on hard rocks.

No one sleeps well, except Lin Kai.

Everyone woke up early the next morning, and there were bursts of bitter voices.

"Oh my God! The stone is too hard! And, it's so cold at night!" a man complained.

"Yes! My \*\*\*\* still hurts now!"

Another person said.

Lin Kai also sat up from the stone.

There were more than 100 people, and more than a dozen ran away in the early morning. Lin Kai knew what they were doing, and just went to Jia Fuhao.

After all, the soft bed on the boat allowed them to sleep well.

Lin Kai did not stop it.

“All stand up!” Lin Kai roared.

Lin Kai gave an order. At that time, more than 100 people at the scene stood up from the ground very reluctantly.

Lin Kai looked at the hundreds of people in front of him, and said, “Since you have chosen to believe me, I will put the ugly words first.”

“Follow me Lin Kai! Everyone must contribute! Everyone enjoys the fruits of everyone’s labor!”

“If you are unwilling to work and want to wait for others to serve, I advise you to go back to the cruise ship!”

After Lin Kai’s words, the scene was silent.

“Now there are people who want to leave, I won’t stop them!”

Lin Kai looked at more than a hundred people on the scene, but none of them moved.

Since they have chosen to believe in Lin Kai, it shows that they know that Lin Kai will be more promising.

So they do not choose to go.

“Okay! Since no one is leaving, I will release the task for you now!”

## **Chapter 986: Rat Without Phase**

Chapter 986

“We only have more than a hundred people, so we are still divided into three echelons according to the old rules!”

“The captain of the first tier is Cat sister!”

Hearing this, everyone looked at Sister Cat.

Cat sister also showed a surprised expression on her face.

She didn't expect it to be herself.

"Huh?" Sister Cat was dumbfounded.

"I?"

Lin Kai nodded heavily, and said, "I thought about it last night. All the women among our more than 100 people are under your control!"

"Your task is very simple, washing and cooking to take care of the labor force! Also, you can find some straw and cotton to make mattresses and quilts. This is your task."

Women cannot be used as coolies, but letting them take care of labor is a good choice.

Sister Cat nodded when she heard the words, "I will take care of you!"

Lin Kai is also very pleased to see that sister cat is so motivated.

I chose sister cat because she is slightly older and has rich social experience.

Making Sister Cat the captain of the first echelon is to let all men know that in their world, women are the ones who need protection most.

"Captain of the second tier, Li Shengxian!"

Li Shengxian stood up directly, straightened his body, and looked at Lin Kai.

In his eyes, there are actually some small expectations.

This man just likes to challenge some difficult things.

"You are the captain of the second echelon, choose some strong labor force to join your second echelon, your task is also very simple, logging!"

Wood is an important resource for everyone to live on the island!

Wood can not only build shelters, it can also be used to make tables, stools, beds, tableware and other necessities of life!

Therefore, the wood must be enough!

"Yes! Complete mission guaranteed!" Li Shengxian yelled.

Finally, Lin Kai looked at Huang Tianshi.

“The captain of the third tier, Huang, you are the only one!”

Lin Kai looked at Huang Tianshi.

“Your mission is to hunt and pick fruits, and find fresh water resources!” Lin Kai ordered.

Huang Tianshi nodded heavily.

With more than one hundred people, it was much easier to manage, and Lin Kai was also relieved a lot.

“Then what are we doing?” At this moment, the Four Great Kings asked.

The four great kings can be said to be the strongest among all the people present!

Lin Kai glanced at them, smiled slightly, and said, “Haha, rest assured, you all have tasks!”

“come!”

Lin Kai beckoned, and the four of them walked directly in front of Lin Kai.

Lin Kai glanced at Yinshen and said, “Your main task is to help the third echelon hunt!”

What is the main ability of Yinshen?

It’s invisible!

He can be said to be the perfect hunter for hunting!

The main task of the third tier is hunting, but they have never been in contact with hunting before, so it is difficult for them to hunt.

Lin Kai asked the hidden \*\*\*\* to help the third echelon secretly, so that the hidden \*\*\*\* taught them to hunt in secret and strengthened their confidence!

This is the main task of Yinshen.

“Don’t let them discover your existence, you have to help them secretly! I believe that under your guidance, within ten days, they will all become qualified hunters!”

After listening to Lin Kai’s words, Yinshen nodded heavily and said, “Okay!”

Afterwards, Lin Kai looked at Fashen.

The power of the magic \*\*\*\* is his spell, and his spell is very powerful.

“Xiaofa, fire is our survival, no matter what method you use, you have to let everyone learn to make fire without relying on you!”

This is Lin Kai’s task to Fashen.

If there is no fire, the night will be black!

The food will be raw!

Although Fashen has the ability to directly light fire, Lin Kai must let everyone learn to light fire by themselves.

Lin Kai is teaching them to survive in the wild!

“Yes!” Fashen directly agreed.

“Xiao Li.” Lin Kai looked at Lishen.

“Your task is very simple. After the wood from the second echelon is cut back, you will build a wooden house for Lao Tzu!”

Infinite power! He can be said to be a human-powered tower crane, and it is most suitable for him to build a house.

“Good!” Lishen grinned.

Finally, Lin Kai looked at Yu Shen.

“Go out and fly! Find someone! Don’t come back if you can’t find someone!”

This is Lin Kai’s mission to Yu Shen!

Lin Kai didn’t want to stay on this small island all his life, as long as Yu Shen could find a living person, they could leave here.

“Yes!” Yu Shen nodded and agreed.

Everyone has their own task.

And Lin Kai also looked at the surrounding trees.

Compared to hunting, logging is more difficult.

After all, the trees here are as tall as the sky, and they are very strong. If you just rely on a few broken axes, they are really not good at logging.

At that time, Lin Kai directly took out his own Black Dragon Sword.

With one slash, one brush, a big tree in the sky fell directly!

After that, Lin Kai took the Black Dragon God Sword and cut the branches of the big tree clean! Not a leaf left!

Afterwards, Lishen carried the log back to the base.

It takes about ten minutes to process a big tree.

Lin Kai is also very motivated. Before it gets dark, a temporary shelter must be built, otherwise everyone will continue to sleep on the hard rock!

...

Compared with Lin Kai here, Jia Fuhao is much more relaxed here.

Some people were lying on the deck, blowing the sea breeze, drinking beer, very leisurely.

Someone and his girlfriend were up and down in the room.

Anyway, there are resources on board, they are not afraid that they will be hungry.

And Jia Fuhao stood on the deck.

Behind him, there are several top beauties serving him. On this cruise ship, he Jia Fuhao is the absolute king!

Everyone must listen to him!

In addition to these beauties, in front of him, there was a man with wicked eyebrows.

He is one meter and seven meters tall, with a treacherous look.

His name is Shu Wuxiang, and he is the boss of a small business.

The actual ability of this person is not strong, but the ability to treat others is very strong.

As soon as Jia Fuhao received the support of everyone, he immediately fell in favor of Jia Fuhao and became one of Jia Fuhao's doglegs.

“Mr. Jia, Lin Kai these people are really ignorant!”

“I don’t want to run to the island to survive with this ship with such good resources. Isn’t this a fool?”

The mouse said with a smile.

Jia Fuhao also smiled when he heard the words, he looked at Rat Wuxiang with admiration.

“You think so too?”

“Hehehe.” Mouse Wuxiang scratched his head, and said, “That’s natural, Mr. Jia, your long-term vision is far from comparable to those of Lin Kai’s idiots.”

“They slept outside all night, I’m afraid they don’t even have a bed!”

Mouse Wuxiang laughed.

At this moment, Shu Wuxiang glanced under the boat. When his eyes lit up, he laughed: “Hey! Look, Mr. Jia, Lin Kai’s people are back!”

## **Chapter 987: Construction Ogiya**

Chapter 987

Jia Fuhao became interested when he heard it. He stood up and looked under the boat.

I saw dozens of people standing under the boat.

These dozen people are the dozen people who ran back from Lin Kai.

They couldn’t stand it for just one night.

The stones are hard and damp, and the weather is still very cold. The most important thing is that there are so many mosquitoes, they are bitten all over.

They can’t stand it!

“President Jia! Throw down the rope ladder! We were wrong! We want to follow you!”

When Jia Fuhao heard the words, a playful smile appeared at the corner of his mouth.

When the dozen or so people under the ship bluffed, they attracted the attention of many people on the ship.

Many people pointed to the people under the boat.

“Isn’t this the \*\*\*\* who walked with Lin Kai yesterday? Why did he come back again?”

“I don’t know! It looks like you can’t take it anymore, right? Hahaha!”

“There is still a face to come back? If it were me, I would have been killed outside by a head-on!”

...

The people on the boat pointed at the people under the boat.

Jia Fuhao shook the red wine glass in his hand, with a playful smile on his face.

“Hehe, aren’t you going to go out with Lin Kai for a big business? Why are you back again?” Jia Fuhao asked with a smile.

At that time, these dozens of people cried and said, “President Jia, after Lin Kai took us away yesterday, let us sleep on the big rock all night!”

“You don’t know Mr. Jia, that big rock is wet and hard! And it’s very cold at night, and there are so many mosquitoes.”

“At that time we felt we were cheated by Lin Kai!”

“He offended the pirates and let us fall to such a point. He actually took us to endure hardship. We only found out now that he is not at ease!”

After listening to them, there was a burst of laughter.

Everyone on the boat laughed.

They are making fun of the dozen or so people, and they are also glad that they have followed the right person.

Following Lin Kai, I am going to work outside! Do some unnecessary work!

build house?

Why do you want to build a house if you have a boat

Looking for food? Why should I look for food if there is food on board?

They were glad that they did not believe Lin Kai’s nonsense.

“Okay! In that case, I, Jia Fuhao, are not a careful person. Come on!”

At that time, Jia Fuhao waved his hand and Rat Wuxiang threw down a rope ladder.

“Thank you, Mr. Jia! Thank you, Mr. Jia!”

These dozen people hurriedly thanked them, and then climbed directly onto the cruise ship!

Although the cruise ship is broken and unable to sail, it is now the residence of tens of thousands of people!

Shu Wuxiang followed Jia Fuhao and asked a question cautiously. He asked: “Mr. Jia, although our life is good now, what should we do if we don’t have food?”

Upon hearing this, Jia Fuhao smiled slightly.

He had already thought about this question!

“This question is simple!”

“Isn’t it hunting? Simple!”

“There are special bows and arrows on the boat, so those who are interested in bows and arrows can get off the boat for hunting. There are also many fishing rods on the boat. Go fishing!”

After listening to Jia Fuhao’s words, Mouse Wuxiang’s eyes lit up and said, “Chief Jia is brilliant!”

“Order to go down, the more than 10,000 people on our boat are not in vain!”

“From among these 10,000 people, select a thousand people with the least assets and demote them to inferior people!”

“In the future, hunting, fishing, cooking, cleaning cruise ships, all the dirty work will be done by them!”

“If they don’t want to, let them get off the boat!”

After listening to Jia Fuhao’s words, Shu Wuxiang’s eyes lit up again.

“Chief Jia is brilliant!”

...

On the other side, Li Shengxian is holding a notebook in his hand. He is recording the logs cut down by the second echelon.

After a day of hard work in the second echelon and Lin Kai, a total of more than 300 pieces of wood were obtained!

Most of these were chopped down by Lin Kai alone with the Black Dragon God Sword.

The branches and leaves of the wood have been cut clean, leaving only the bare wood.

Lin Kai patted his hand, glanced at the wood, and said, "It's almost done, Lishen! Go! Put all these pieces of wood into the ground for me!"

"Huh?" Lishen was taken aback after hearing the words.

"Just intervene like that?" Lishen asked.

Lin Kai nodded, and said, "If you ask you to do it, just do it, where is so much nonsense?"

"okay!"

Lishen heard this, without saying anything, he directly picked up a piece of wood, and directly inserted the wood into the ground with force!

"what!"

A piece of wood goes to the ground.

"what!"

Another piece of wood fell to the ground.

Ten minutes later, fifty pieces of wood were inserted into the ground in a cube shape by Lishen.

Only one door was left.

The room made of fifty pieces of wood is not very big, and it is open-air.

Lishen's strength is great!

The length of each piece of wood inserted into the ground is similar, and the length of the exposed ground is similar.

The room is still very neat, although there are some gaps between the wood and wood, but the problem is not big.

Lin Kai looked at the room in front of him and nodded in satisfaction.

Then, Lin Kai directly drew out his black dragon magic sword.

Without saying anything, he chopped the wood into pieces.

Lin Kai directly chopped a piece of wood with five knives, and separated several pieces of wood, all rectangular pieces of wood.

“Build up the wood for me.”

Lin Kai ordered.

Then, under the control of the Fashen, the wood flew directly up, building up the roof piece by piece.

Soon after, a brand new wooden cabin was built!

Everyone looked at the wooden hut in front of them with strange faces.

Although the hut is simple, it is a shelter for everyone after all!

Lin Kai nodded, and then he threw out his Royal Dragon Pen.

Brush! A magic talisman was drawn directly by Lin Kai.

This magic talisman is called the final talisman!

The role of stereotypes is very simple, reinforcement! Fill the gap!

This is an extremely simple magic talisman, it took Lin Kai almost no time for a magic talisman to be drawn by Lin Kai.

“go with!”

Lin Kai directly attached the magic talisman to the cabin.

brush!

At that time the cabin became completely new!

As if steel nails were nailed between wood and wood, it became very firm.

Every gap has grown together, and it will never leak when it rains!

A brand new cabin has been built!

There was also a smile on Lin Kai's face.

“Come on! Don't stop!”

...

On the other side, Lao Huang led the third echelon to pick wild fruits and catch prey.

Wild fruits are not picked much, but this thing can only satisfy the hunger, but not the stomach.

Huang's main target is the wild boar and rabbit on the island.

But fortunately, I don't know why, they can always find small animals alone, and these small animals often hit the trees when they escape.

In one day, they had captured three wild boars and ten hares.

This makes the confidence of the third echelon rise!

In this way, they can eat meat every day!

## **Chapter 988: Thatched Cottage**

Chapter 988

Soon, the sky was already dark.

Looking at the base built by Lin Kai and others, there are already ten cabins.

The ten cabins are all about the same size.

Each cabin is 20 square meters, barely able to accommodate ten people.

There are more than one hundred people, you can squeeze first tonight, and tomorrow Lin will lead everyone to build more cabins!

“Lin Kai! We are back!”

At this moment, Sister Cat's voice came from a distance.

Lin Kai immediately looked back, and saw Cat sister leading Zhu Manqing and other women down the mountain holding a bunch of things.

I have to say that these women are still very capable of doing things!

In just one day, she led more than twenty women to find some dried straw and new cotton.

Although these straws and cotton cannot be made into quilts for the time being, they are spread on the wooden boards in the cabins, which will make everyone feel less nervous when they sleep at night.

“Sister Cat, you have worked hard.” Lin Kai smiled slightly and patted Sister Cat.

Sister Cat wiped her dark little face and said with a smile: “Haha, it’s not hard, everything is to survive!”

Lin Kai’s face also showed a sincere smile.

Today, although it was a difficult day, everyone enjoyed the joy of labor.

This is what those rich second-generation generations have never experienced in the city. It comes from the fact that Shiqili is such a wonderful thing.

At this time, a group of more than forty people came down from the mountain.

These forty people are the third echelon led by Lao Huang.

They carried a few rabbits and wild boars and walked down the mountain.

In addition to wild boars and rabbits, they also brought back many wild fruits.

“Lin Kai, we are back!” Huang Tianshi exclaimed excitedly.

“Look, this is the result of our labor today!” At this time, Huang Tianshi was very excited, like a child.

He seemed to show off his ability in front of Lin Kai.

In fact, he didn’t know that the reason they were able to capture so much game today was because the hidden \*\*\*\* secretly helped.

“Yes, everyone won’t be hungry today.” Lin Kai patted them on the shoulder and smiled.

More than one hundred people, all gathered at the base.

Compared to yesterday, they are much better today.

Today they have a place to sleep, food and water.

“Let’s put the game together first, everyone will eat two fruits first, go to the stream behind to wash, and prepare barbecue at night!”

Lin Kai ordered.

“Yay!”

There was a loud cry, and everyone was very excited.

There is meat!

In the center of the base, there was a bonfire, which was used for heating and lighting.

Just as everyone had finished washing and sitting around the campfire and chatting, the uninvited guests came.

I saw a group of people walking up from the bottom of the mountain, about a dozen appearances.

The leader is the Rat Wuxiang under Jia Fuhao.

Shu Wuxiang led a dozen young people into the base built by Lin Kai and others.

“Yeah! It’s fast! Only one day, ten huts were built!” Mouse Wuxiang sneered with his arms.

“Hahahahaha!”

There was a burst of laughter, and everyone behind Rat Wuxiang laughed.

“Mouse Wuxiang! How do you talk?” a young man from Lin Kai’s camp frowned and asked.

Mouse Wuxiang hugged his arms and sneered: “Hehe, I talked with my mouth! What’s the matter?”

“Don’t let people tell the truth?”

“The cottage in my hometown is the same as the house you live in!”

“Hahahahaha!”

There was another burst of laughter.

I saw the people behind Lin Kai flushed, indeed, compared to the Simmons on the boat, their straw mats were indeed very embarrassing!

The mouse smiled disdainfully, holding his arms and said, "Put a straw mat on the wooden board? Is this a doghouse?"

"I really don't understand. If you don't sleep with a good Simmons, you have to run here to sleep in the doghouse?"

Shu Wuxiang glanced at Lin Kai provocatively, and said, "If you talk about you, don't say you are a sinner, don't tell me you are bringing a large group of people to suffer. You can't think about it, don't bring everyone to death!"

At this moment, Lishen had quietly arrived behind Lin Kai.

Lishen clenched his fists and looked angry.

He is the master! His temper was very violent, as long as Lin Kai gave an order, he would hammer the Rat Wuxiang to death with one fist!

After seeing such arrogant Lishen, Mouse Wuxiang was not afraid at all.

"Lin Kai, be optimistic about your subordinates!"

"Tell you, although you and your men are very good at fighting, as long as you dare to touch one of our hairs, when the rescue comes, your group will be over!"

The reason why Shu Wuxiang dared to be so arrogant was because Jia Fuhao once told him that Lin Kai was a soldier of the Huaxia Kingdom and he could not do anything to civilians.

As long as they don't kill or do excessive things, Lin Kai can only say one word, forbearance!

He dare not kill!

Otherwise, waiting for the rescue to come and waiting for Lin Kai is the legal sanction!

But Jia Fuhao did not expect that Lin Kai is not an ordinary soldier, he is from Jiulong Mountain! Moreover, Lin Kai's identity is now the hall master of Shadow Gate!

Lin Kai sneered, he came to the mouse Wuxiang and said: "Kill you, dirty my hands!"

"Xiao Li, open your mouth!"

“okay!”

Hearing that, Lishen smiled coldly, and walked directly towards Rat Wuxiang.

The mouse was shocked when he saw nothing!

“you dare!”

Snapped!

As soon as Mouse Wuxiang finished speaking, he received a solid slap on the face!

Lishen started with a sense of measure. He would hit people and would not kill people, but the beating was absolutely uncomfortable!

With a slap down, the mouse Wuxiang felt a hot pain on his face, and a dizzy sensation on his head.

He couldn't stand his whole body, and sat down on the ground.

“Brother Mouse! Brother Mouse!”

The dozen or so young people around quickly helped Rat Wuxiang.

The Rat Wuxiang shook his head, and it took a long time to react.

He looked at Lin Kai with a look of fear. He did not expect that Lin Kai would dare to do it!

“Do you dare to hit me?” Mouse Wuxiang looked at Lin Kai viciously.

And Lin Kai gave him a cold look: “If you talk nonsense, I killed you, do you believe it?”

Lin Kai's eyes were very cold.

A murderous aura radiated from him.

He hasn't killed thousands or hundreds of people, so he can't develop this kind of murderousness!

At that time, Mouse Wuxiang trembled all over, and his subconsciousness told him that he really dared to kill!

At that time, Rat Wuxiang dared to look directly at Lin Kai's eyes, waved his hand, and said, “Go! Go back!”

Then, the group quickly left the camp where Lin Kai was located.

Lin Kai looked at their backs and snorted coldly.

He knew what Jia Fuhao was thinking.

He is nothing more than a self-holding identity. He is the boss of a Fortune 500 company. Although he is nothing on the island, he is still the superior chairman once he returns to China.

## **Chapter 989: Reverse Black And White**

Chapter 989

He knew that Lin Kai didn't dare to do anything to him.

Lin Kai is a Chinese soldier!

With his worth over hundreds of billions!

That's why he is so arrogant!

If Lin Kai is strong in action, Jia Fuhao will naturally choose to compromise.

But if he did that, Lin Kai had offended tens of thousands of people!

You know, these tens of thousands are not ordinary people! Unless they are killed, Lin Kai will be targeted by thousands of families when they return to China!

Jia Fuhao is really a master of calculation!

First he wins over the hearts of the people, belittles Lin Kai, and then becomes the king of the island by himself.

His next plan is probably to conquer Lin Kai's "inferior people" to serve him.

Unfortunately, Lin Kai would not let him succeed.

...

At this time, on the cruise ship, Jia Fuhao has successfully trained the first batch of inferiors.

The number is about one thousand.

These thousand people are not of very high birth. They are either poor relatives brought by the rich, or women who come in by virtue of their looks.

Jia Fuhao didn't use strong ones.

He just wrote them a verbal check.

Serving them all, give 10,000 yuan a day! Give it after you go back!

Even though these people worked hard, they didn't feel aggrieved at all.

Will Jia Fuhao give them money after returning? Maybe, or maybe not, just a verbal check, to give Jia Fuhao a full view.

At this time, Jia Fuhao was lying in the luxurious suite where Li Shengxian was originally.

Since the rooms on this floor are on the top floor, they are hardly flooded and the facilities are quite comprehensive.

There are beds and sofas, TVs and computers, and a bathing place.

Jia Fuhao was sitting behind the dining table, eating steak very elegantly.

At this time, a knock on the door sounded.

"In."

Jia Fuhao said lightly.

Afterwards, the door opened, and the mouse walked in, covering his face without a word.

Jia Fuhao raised his head and glanced at Mouse Wuxiang, then raised his eyebrows.

At this time, the mouse was very miserable, and half of his face was swollen.

"What's the matter?" Jia Fuhao asked with a frown.

Rat Wuxiang stammered, and said very aggrieved: "Lin...Lin Kai's people beat it."

"Chief Jia, didn't you mean that Lin Kai didn't dare to do it?"

"He watched us go to provoke him and hit me directly!"

Hearing this, Jia Fuhao smiled and shook his head.

“I’m looking forward to him hitting someone!”

“Huh?” Hearing this, the mouse was dumbfounded.

Feeling Jia Fuhao is looking forward to Lin Kai beating him!

“For a while, if someone asks what’s wrong with your face, you just tell the truth and say it was Lin Kai.”

“But be careful, you are not to provoke, you are to give them food, not only do they not appreciate, they beat you instead.”

“Just say that when you meet people.”

To discredit opponents, this is a trick Jia Fuhao often uses in business wars.

Try Bailing.

Hearing the words, the mouse also brightened, and said, “High! Mr. Jia, your move is really high!”

Jia Fuhao smiled triumphantly: “Hehe, it’s just some fur.”

“Also, when you go again, don’t let him have a reason to beat you!”

“If he hits you for no reason, then he won’t be far from collapse.”

After Jia Fuhao said, he cut a piece of steak with a knife, put it directly into his mouth with a fork, and chewed.

“Go down.” Jia Fuhao said indifferently.

“Okay, Mr. Jia, you use it slowly.”

After all, Rat Wuxiang left Jia Fuhao’s suite.

...

On the other side, Lin Kai and others are preparing dinner.

Today everyone’s dinner is wild fruit and boiled hare.

Due to lack of time, wild boars cannot be roasted. Today, we can only eat boiled hare and wild fruits.

Water resources are also available.

And living by the sea, don't worry about not having salt.

Although boiled hare is a bit unpalatable, there are no ingredients, but it can still satisfy your hunger.

Lin Kai and more than one hundred people gathered together for dinner.

Almost everyone frowned and ate it, because among the boiled hare, there was no other seasoning except the only bit of salt, so it was very unpalatable!

But there is no way, in order to survive, they still have to eat.

At this moment, the uninvited guest appeared again.

Saw Wuxiang took a dozen people and once again appeared in Lin Kai's base.

After seeing them, Li Shengxian frowned and yelled, "What? Are you looking for a fight?"

Shu Wuxiang glanced at Li Shengxian, not afraid: "Is this mountain yours? We will go wherever we want to go!"

Li Shengxian was speechless when he said nothing.

Lin Kai waved his hand and signaled Li Shengxian not to stop Rat Wuxiang.

I saw Shu Wuxiang leading his people and stopped not far outside Lin Kai base.

The Rat Wuxiang people took the basket, they spread a piece of cloth on the ground, and then a dozen people sat on the cloth.

Then they took out the oil lamp from the basket and put it aside.

And took out fresh fruit.

The fruits are all on board, and there are refrigerators on board, so the fruits are very fresh.

Not only the fruit, they took out the steak from the basket!

Everyone has a steak, and there are fried eggs and pasta on the steak.

While they were eating, they showed an expression of enjoyment, deliberately making their voice louder.

"Wow! It's delicious! This sirloin steak is really good!"

“And this fried egg! With this sweet noodle sauce, it just exploded in the taste buds!”

“It’s so fragrant!”

A group of people made various ostentatious sounds.

At that time, everyone in the Lin Kai base made a drooling sound.

Compared with the extremely unpalatable boiled hare in their hands, Rat Wuxiang’s steak in front of them tempted them deeply.

Mouse Wuxiang was smug, he looked at Lin Kai provocatively.

This time, you can’t do anything with me, right?

I didn’t make trouble in your base, and I didn’t insult you Lin Kai by name or surname, to see why you beat me.

And Lin Kai looked at Mouse Wuxiang with a smile, he was not afraid that his people would be seduced away by them. Those who could walk showed that the will was not firm enough.

Lin Kai doesn’t need such people to stay in his team.

At this time, Rat Wuxiang took a bite of the steak and showed an expression of enjoyment: “It’s delicious! Unlike some people, they can only eat wild fruits, but only those wild rabbits that are hard to swallow!”

There was another drooling voice.

This time, Shu Wuxiang looked at Lin Kai and the others, and jokingly said, “Hey! Do you want to eat steak?”

Although the people behind Lin Kai were drooling wildly, none of them ran to Rat Wuxiang.

Mouse Wuxiang smiled and shook his head: “No one wants to eat my steak? Are you sure?”

“This is sirloin steak!”

“The taste is extremely delicious! Are you sure you don’t eat it?”

“Come to me now, you can eat a sirloin steak for free!”

## **Chapter 990: Brave Home**

## Chapter 990: Brave Home

There was a sound of drooling.

To be honest, everyone is greedy!

Even Lin Kai couldn't help but take another look.

After all, there is no \*\*\*\* on this desert island. Steak is a very rare delicacy!

At this time, Lin Kai said lightly: "I still said that. If anyone wants to go back, I will definitely not stop Lin Kai."

After listening to Lin Kai's words, everyone glanced at the extremely unpalatable hare meat in their hands, and then at the delicious steak in the hands of Shu Wuxiang.

They hesitated.

After a struggle, six people came forward.

These six people one after another walked towards the mouse Wuxiang side.

And Mouse Wuxiang's face also showed a satisfied smile, what he wanted was this result!

He wanted all Lin Kai's people to come to him!

"That's right! That's right, throw away the dark and cast out! Hahaha!"

Mouse Wuxiang waved his hand, and his subordinates handed over a few steaks to those people.

And those few people took the steak and ate it without image!

Grab the steak with your hands and stuff it directly into your mouth! Grab the pasta with your hands! It's like having never eaten in a few lifetimes!

They had been working for a day, their bodies were very exhausted, and the dinner made them lose their appetite, they naturally could not refuse such a delicious steak.

The people at Lin Kai's side swallowed again when they saw their food so delicious.

Seven or eight people stood up.

These seven or eight people also defected to Rat Wuxiang.

As the mouse Wuxiang saw more and more people, there were flowers on his face.

He believes that it will not take long for these people's psychological defenses to be completely destroyed!

Lin Kai looked at Li Shengxian and asked, "How many people are there now?"

Li Shengxian glanced at the notebook in his hand, and after crossing out a few names, he said, "One hundred and thirty-eight people."

"Remember our number, whoever will come to our base in the future is not welcome!"

This is the first time Lin has been so cruel!

He pitied these people, so he chose to help them.

But they think Lin Kai is a villain!

It was Lin Kai who made them fall into a deserted island!

Lin Kai was really cruel this time!

Build your own base! In the future, even if you beg me, I won't let you in!

Not long after, Shu Wuxiang took his own people and a dozen people from Lin Kai's side and left Lin Kai's base.

Lin Kai snorted, he took a sip of water, and went straight into a cabin to sleep!

...

Silent all night, Lin Kai woke up early the next morning.

There are still tasks today.

Today's task is very simple, continue to build the cabin!

Lin Kai wants everyone to have their own cabin!

The first echelon uses hay and cotton to make bedding, the second echelon goes to log wood, and the third echelon continues to hunt.

Twenty cabins were built in one morning!

In addition to these cabins, Lin Kai also made more than one hundred water basins out of wood.

Wooden basin, the kind that does not leak.

In addition, small objects such as bowls, chopsticks, bamboo tubes, and water cups were made of wood.

These things are necessary for everyone.

After a busy day, the cabins have changed from ten at first to sixty at present.

One day passed quickly.

The next day, Lin Kai began to repeat the work again.

Finally, on the third day, all the cabins were completed!

One hundred and thirty-eight cabins!

One is not many, one is not many!

Moreover, under the operation of Li Shengxian, each cabin was engraved with its name, one for each person!

Inside the cabin, wooden beds, wooden tables and wooden stools are also finished!

Although a bit crude, it is also a safe haven for everyone.

On the bed, the mattress is made of straw and cotton. It won't be hard when you lie on it, and there is a delicate fragrance of straw.

Under the bed, there are wooden basins and wooden bowls. Everyone has a set of equipment for washing and eating.

Lin Kai looked at the more than one hundred cabins on the flat ground and nodded in relief.

"Xiao Li! It's time to make a fence!"

Yes, the last step is to make a fence!

Use fences to surround Lin Kai's base in Tuantuan!

"okay!"

Lishen grinned and was ready to do it.

And Lin Kai used his own black dragon magic knife to cut the wood into rectangular pieces of wood one by one.

And Lishen used his brute force to insert the wood into the ground.

One is next to each other.

The fence is not very high, only half a person high, and the scenery in the base can be seen from the outside.

Lin Kai built the fence not to guard against thieves, after all, there is nothing to guard against the four walls.

He built the fence to announce to everyone that their base is complete! This is their place!

Two hours have passed, and Lin Kai's base has been surrounded by woods!

In addition to the small wooden house, there is an open space in the area behind it. This open space has been taken care of by Lin Kai and can be fully cultivated.

If you can't go back for a lifetime, the latter piece of land can feed more than a hundred people!

With the completion of the gate, more than a hundred people stood under the gate, looking at their new home, all smiled with satisfaction.

The leader is Lin Kai.

Behind Lin Kai, Li Shengxian, Lao Huang, and Cat Sister.

Behind them, there is Zhumanqing, the \*\*\*\* of strength, the \*\*\*\* of hiding, the \*\*\*\* of law, and a group of people who follow Lin Kai!

Although it was very difficult the other day, when the base was built, everyone felt a sense of belonging here!

"Finally completed!" Li Shengxian said excitedly.

Zhu Manqing also nodded his head with tears in his eyes.

"Lin Kai, can you name our base?" Sister Cat looked at Lin Kai and asked affectionately.

Everyone also looked at Lin Kai.

These more than one hundred people, although their clothes are a bit torn, they are better than clean.

They all looked at Lin Kai with admiration.

Lin Kai has the greatest credit for the completion of the base!

Lin Kai smiled and nodded: "This is the result of our work together! Only when we work together and work together can we survive and wait until the day when the rescue comes!"

"If I have to give the base a name, call it Brave Home!"

Brave home?

At that time, Zhumanqing laughed out loud.

This name is really a bit dirty!

There was a burst of laughter, and everyone laughed honestly.

Old Huang nodded solemnly: "This name is good, I agree!"

At that time, Lishen took out a wooden board from the base.

I saw Lishen began to use stones to engrave on the wood.

Soon after, the four large and crooked characters were carved out.

Brave home!

Lishen directly hung the wooden board on the door.

A burst of cheers sounded again!

The base is officially established!

Everyone finally ended their days of eating and sleeping!

The next task is to ensure the safety of everyone.

## **Chapter 991: Iron Plate**

Chapter 991

At this time, on the cruise ship, Jia Fuhao was still playing with a superb beauty.

Three days have passed, and Jia Fuhao's reputation on the desert island has become even stronger!

He became the master of tens of thousands of people!

The human rights of the pyramid ladder led by him has been welcomed by the people!

Most of the people on the cruise ship are the rich and the second generation. They are originally the people standing at the top of the pyramid.

Let them all become the lowest level of people and work together, they are definitely not willing.

But if human rights form a pyramid ladder, they can still stand at the top of the pyramid!

Even if you cannot stand at the top of the pyramid and serve others, you can also be served by others.

The people at the bottom are also glad that they can earn 10,000 yuan a day.

They are very content.

The food on the cruise ship is still sufficient, and the diesel generators are still operating normally.

There is still a lot of diesel.

In the luxurious suite where Li Shengxian lived, Jia Fuhao hugged a superb beauty and looked at the distant sea view, very leisurely.

At this time, a knock on the door sounded.

Bang bang bang!

"Come in." Jia Fuhao said lightly.

Then, the door opened, and the mouse walked in quickly.

"How is Lin Kai? Are they still unwilling to play for us?" Jia Fuhao asked.

Mouse Wuxiang nodded and said, "Yes! Mr. Jia, Lin Kai built dozens of cabins by himself. It seems that they have already taken root in the mountains. They also named his base, called Brave Home."

After listening to the words of Rat Wuxiang, Jia Fuhao chuckled and laughed: "Puff ha ha ha! Brave home? These silly forks!"

"I can't live with a good cruise ship, but ran to the mountain to build a house. The cruise ship is good, how can I be attacked by pirates?"

"What a foolishness!"

After listening to Jia Fuhao's words, the mouse nodded repeatedly to please Jia Fuhao.

"Mr. Jia is right, what shall we do next?" Mouse Wuxiang asked.

Jia Fuhao smiled slightly and said, "Hehe, let them have a few more days, they are almost finished."

"Okay." The mouse nodded Wuxiang and directly exited Jia Fuhao's room.

...

The brave home was built.

One hundred and thirty-eight people also have their own nests.

But Lin Kai's mission is far from over.

Although the housing problem has been solved, the food problem is far from solved.

Although after the training of the hidden god, the third echelon can already catch prey without relying on the hidden god.

However, the lack of flavoring is a big problem!

The boiled wild rabbit is too unpalatable.

Although they live by the sea, there is no shortage of salt. Among the 138 people, there is no shortage of college students who know how to extract salt from seawater.

But salt alone is not enough.

The task of the first echelon remains unchanged, taking care of everyone's daily life.

But the second echelon no longer needed to log. Lin Kai gathered more than forty people from the second echelon.

Li Shengxian took the lead, and more than forty people stood in front of Lin Kai, all looking at Lin Kai very seriously.

"My friends, we don't need to log anymore!"

“But there is still a big problem waiting for us to deal with!”

“That’s the question of food!”

“Although we have no shortage of food and drink now, I believe you have already eaten and vomited boiled hare!”

“So your task today is very simple!”

“Do you know peppers? Look for wild peppers in the wild!”

“Also, look for cumin! If you don’t know cumin, I can tell you what it looks like. Just like a small flower, the stems are bare and the flowers are yellow! Now it’s the mature season of cumin. they!”

“The most important thing is to look for wild goji berries!”

“No one has lived here. There should be a lot of wild goji berries! Whether it’s soaked in water or stewed, it is a must!”

“This is your task today!”

After listening to Lin Kai’s words, everyone was shocked.

Li Shengxian was full of energy.

“Guaranteed to complete the task!”

Having said that, Li Shengxian waved his hand, and left the base with everyone.

Lin Kai returned to the base, and he glanced at the stream that was still some distance away.

There is no shortage of fresh water resources on the small island, but the creek is a certain distance away from the base where Lin Kai is located.

Every time I went out to get water, it was troublesome, Lin Kai thought, if I could dig a well.

Just do it! At that time, Lin Kai drew out his own black dragon magic sword, came to the back of the base, and dig directly!

The creek is just behind the base. It stands to reason that there should be groundwater under the base.

The Black Dragon God Sword in Lin Kai's hand is an indestructible sword. The rough work of digging the ground is naturally not a problem.

Digging! Digging! Dig again!

Ten minutes passed, and Lin Kai's body had completely entered the cave.

It had been dug to a height of one person, but Lin Kai still didn't see water.

Looking with the golden pupil, Lin Kai found that he couldn't penetrate the ground at all.

It seems that the groundwater is still some distance away from me, so I can't worry.

At that time, Lin Kai continued to dig.

One hour later, Lin Kai has dug ten meters deep! The more you dig down, the more difficult it is, because Lin Kai has to throw the soil up!

Lin Kai was already sweating profusely.

But still did not see the so-called groundwater.

Looking at it with the golden pupil, Lin Kai was puzzled at the time, but still couldn't see through.

How deep is there? Could it be that there is no groundwater at all?

Lin Kai started digging again.

This digging took two hours.

Two hours later, Lin Kai was already 20 meters deep into the ground. At this time, a sound of water rang from under Lin Kai's feet.

Lin Kai was overjoyed! It seems that the groundwater is about to be dug!

But strangely, Lin Kai still couldn't see through the ground under his feet.

It doesn't matter, anyway, the groundwater will soon be dug up by myself!

Dig again!

boom!

I saw the black dragon sword directly sparked a spark! I rely on? There is actually iron below?

Lin Kai was curious at the time. He swept the soil under his feet with his hands. At that time, Lin Kai's eyes widened.

Because under his feet is an iron plate!

That's right, it's the iron plate!

An extremely smooth iron plate without any rust on the surface! Strange, how come there are iron plates here? It stands to reason that such a deserted island has never survived!

Even if people have survived on such a deserted island, those people will not be idle and deliberately put iron plates into such a deep underground, right?

Lin Kai swept all the soil on the iron plate, and Lin Kai found that it was not an iron plate.

It's a large iron plate!

Each iron plate has the size of ordinary ceramic tiles, one after the other, wrapping the ground tightly.

No wonder his golden pupil could not see through what was in the ground. It turned out that this layer of iron plate could prevent Lin Kai from seeing the situation.

Lin Kai tried to lift the iron plate, but no matter how hard Lin Kai tried, he couldn't lift the iron plate.

This iron plate seemed to grow in the soil, it couldn't be lifted at all!

"It's weird, what the \*\*\*\* is this?" Lin Kai scratched his head and muttered to himself.

After digging for several hours, I finally reached the bottom of the hole, but found that there were countless iron plates underneath!

This made Lin Kai very depressed.

At the same time, Lin Kai was also more curious, what secrets were hidden under this iron plate?

At this time, Lin Kai exerted all his energy! Pull the iron plate up desperately!

You know, it is extremely terrifying for a monk who has completed the foundation construction period to use his best!

There are hundreds of tons of strength!

But even if Lin Kai used all the energy of breastfeeding, the iron plate only made a weird noise.

There is no trace of being pulled apart at all.

Ten minutes later, Lin Kai looked at the iron plate underneath with sweat. He was helpless.

This iron plate is too \*\*\*\* strong!

## Chapter 992: Improve Food

Chapter 992

However, Lin Kai was even more certain at this time. Under the iron plate, there must be a huge secret hidden! You must pry open this iron plate!

At this moment, a voice came from above the hole.

“Brother Kai! Brother Kai! Li Shengxian and the others are back! Come on here!”

After listening to the person above, Lin Kai immediately agreed: “Okay! I’ll go right away!”

After that, Lin Kai put away the Black Dragon Magic Sword and began to climb on it.

This iron plate couldn’t be opened for a while, so I had to give it up first, and let’s see what Li Shengxian brought back.

With three hits, Lin Kai directly climbed onto the ground and walked towards the entrance of the base.

At this time, the door of the base was crowded with people.

“Wow! Good stuff!”

“Li Shengxian, you can! Can you even find these things?”

“Awesome! It seems that I finally don’t have to eat unpalatable boiled rabbit meat at night!”

A voice of discussion sounded.

Lin Kai also walked over.

I saw Li Shengxian came back with three sacks.

And among the three sacks, there are all good things!

In the first sack, there is a little red pepper! These little peppers are very slender and look like the best peppers!

In addition to the little pepper, there is also a sack of cumin!

In addition to cumin, there are wild goji berries.

Wild goji berries were quite abundant before China, but some people later promoted that wild goji berries are extremely nourishing, making the extremely common wild goji berries directly a rare item within a short period of time.

Later, the wolfberry that everyone eats is basically artificially planted, and there are few wild ones.

However, in this deserted island, there is no one inhabited, and there are still very many wild wolfberries.

Goji berries are excellent products whether they are used for making tea or as ingredients!

And Li Shengxian had an extremely proud expression on his face.

“Lin Kai! How about these things I brought back?”

Lin Kai laughed too. He patted Li Shengxian on the shoulder and said, “Not bad!”

“Take one-third of these things out for planting! Two-thirds are put in the warehouse, and you take them out to eat when you use them.” Lin Kai laughed.

“okay!”

Li Shengxian agreed and went to work with three sacks of supplies.

This small island is not big or small.

The materials here are enough for 10,000 people to live a lifetime, but in order to prevent problems in the future, it is better to plant some artificially.

In Lin Kai’s base, in addition to the 138 cabins, there is also an extremely large warehouse!

The warehouse is built in the innermost part, and the wood is thick. There is no window left. The warehouse has been deepened several meters down, so it is very shady and used to store food. It is best.

Tonight, everyone can improve their food!

...

Soon, the evening came.

The person in charge of cooking is the first echelon, that is, sister cat.

Lin Kai also built a kitchen specially for the cat sister and others.

Everyone does not have a wok, but this does not stump smart humans.

Everyone gathered all the iron products on their bodies, including a few axes and shovels. The magic gods shot the iron and melted the iron together to create several iron pots.

In addition to iron pots, there are also stone pots. Stone pots were knocked out by Lin Kai with large stones. Although stone pots transfer heat slowly, they are more durable.

Soon, it was time to make dinner.

Lin Kai came to the kitchen, cat sister and others were busy.

Sister Cat wiped her dark little face, smiled at Lin, and said, "What are you doing in the kitchen? It's dirty here."

Lin Kai smiled slightly and said, "It's nothing, I want to see how you cook."

Zhu Man gave Lin Kai a green look, and said, "Then just watch it!"

Ever since she fell to the deserted island, Zhu Manqing's relationship with Cat sister has gotten better and better. Both women are now starting to see Lin Kai not pleasing to their eyes, and they are targeting Lin Kai everywhere.

Lin Kai was also dumbfounded.

Sister Cat and the others cut the rabbit into pieces, discarded the internal organs and the inedible parts, and after washing it, they began to boil water.

Soon after, the water boiled, and the cat sister and others put the rabbit meat in the stone pot and began to cook the rabbit meat.

Not only rabbit meat is put, this time, there are four ingredients: salt, wolfberry, cumin, and small pepper.

Twenty minutes later, a scent came and the rabbit meat was almost cooked!

Because there is no oil, it is impossible to fry rabbit meat, but this does not stump the cat sister and others.

You know, wild boar itself is very oily!

Cat sister and others set up a huge wooden barbecue directly in the yard! Put the cleaned wild boar on top and start roasting!

After half an hour, the oily wild boar had begun to exude a fragrance.

Sprinkle salt, sprinkle the ground chili and cumin on it, and everyone couldn't help taking a sip of water at that time.

Gradually, a group of people have surrounded the campfire!

Everyone is holding their own little wooden bowl, waiting to eat!

"Have dinner!"

Following the opening of the sentence, everyone consciously queued up for dinner!

There is no limit for everyone! Just eat! The premise is that you have to line up!

Everyone scooped up a bowl of rabbit broth and eaten a few pieces of roasted wild pork. It was a treat!

At that time, many people laughed silly and finally ate the meat! Finally eaten the flavorful meat!

The current rabbit meat is not delicious, but it is definitely not unpalatable!

The roasted wild boar is extremely delicious! After all, fire-grilled things are generally delicious!

The scent can be smelled even by people far away by the sea!

Everyone on the cruise ship looked at Lin Kai and others who were halfway up the mountain. They could not see Lin Kai and them, but they could see the burning bonfire.

"My God! What is it? It's so sweet?"

"Is this the smell of roasted wild boar?"

"Too fragrant?"

"I can't stand it anymore! I'm drooling!"

There were waves of discussion.

Jia Fuhao, who was standing on the deck, looked very ugly.

He didn't expect that Lin Kai and others would have eaten meat! And it smells so good! This can't work!

He can't let everyone think that only by following Lin Kai can he drink spicy food!

Mouse Wuxiang quietly appeared behind Jia Fuhao at this time.

"Mr. Jia, I've inquired, Lin Kai sent someone to the mountain to find a lot of small peppers and wolfberry cumin, and now they are roasting wild boar."

After listening to Mouse Wuxiang's words, Jia Fuhao snorted coldly: "Humph! This kid is quite good at eating!"

"Send a few archers out tomorrow and shoot me a few wild boars back!"

"Their seasonings are definitely not as complete as ours!"

"At that time, I will let their saliva flow to the ground!"

After listening to Jia Fuhao's words, Shu Wuxiang's eyes lit up, and he nodded: "Chief Jia is brilliant! I'll do it now!"

## **Chapter 993: Hunting**

### Chapter 993

On the cruise ship, there is not only cumin, but also peanut oil, soybean oil, five-spice powder, pepper, and all kinds of spices!

The barbecue they make is definitely 10,000 times more delicious than the barbecue they make by Lin Kai!

At this time, the mouse has no appearance, and has already imagined the appearance of eating barbecue the next day.

...

After eating the perfect barbecue, everyone fell asleep.

At night, someone is on duty.

One hundred and thirty-eight people take turns on duty every night, that is to say, everyone needs to be on duty once a month.

At night, the campfire cannot be broken.

Because there are no lights, the fire needs to keep burning.

There is no shortage of everything on the desert island, but there is no shortage of wood, so the bonfire will never break.

It was late at night, and Lin Kai was lying in his own cabin, tossing about and couldn't sleep.

He is still very curious, what is it under the ground?

Why can't you even open it yourself?

What secrets are hidden under the desert island?

This puzzle has been haunting Lin Kai, making Lin Kai no intention of falling asleep.

It wasn't until the latter half of the night that Lin Kai fell asleep.

Early the next morning, everyone in the base went out to work.

The ingenious first echelon can gradually make cotton into quilts.

Although the craftsmanship is very rough, it is a quilt after all. You don't need to freeze it at night.

The task of the second echelon is to find all available resources on the mountain.

The task of the third echelon is still hunting.

After a few days of training, they have become qualified hunters. They can capture their prey without relying on the hidden gods, which makes Lin Kai very pleased.

But after Lin Kai had breakfast, he came to the pit he dug.

This time, Lin Kai came with the determination to win!

No matter what today, I have to pull this iron plate apart!

Lin Kai jumped up and jumped directly into the hole. With a thump, Lin Kai landed steadily.

The iron plate under his feet was still very firm, and Lin Kai started his miraculous work again.

After half an hour, Lin Kai looked at the iron plate under his feet panting.

Within this half an hour, Lin Kai used countless methods, whether it was pulling with his own hands or cutting with a black dragon \*\*\*\* knife, he couldn't shake the iron plate at all!

At this time, Lin Kai sat at the bottom of the cave and began to doubt life.

Can't shake this iron plate? This is not scientific!

You know, your strength can reach hundreds of tons!

At this time, Lin Kai had understood that he couldn't do it recklessly!

I must use my brain!

Why can't such an iron plate be shaken by itself? Lin Kai thought about it, and after thinking about it for half an hour, Lin Kai's eyes lit up.

He seemed to understand.

Why can't the iron plate be shaken?

Lin Kai thinks there are two reasons.

If it is an ordinary iron plate, it will definitely not be difficult for you. Therefore, the iron plate under your feet may be some kind of treasure material, and you cannot shake the iron plate under your feet with your own strength.

In addition to this reason, there is another reason.

The iron plate under his feet is blessed by the formation, and he attacked the iron plate without touching the formation. It is impossible to open the iron plate.

Lin Kai felt that there were only these two reasons.

Is this iron plate a treasure? Lin Kai didn't feel like it, this iron plate looked no different from ordinary iron plates.

There is only one explanation left, the iron plate under the foot has been blessed by the formation! So I can't shake the iron plate under my feet.

What to do then

In Lin Kai's hands, the Yulong Pen had appeared.

Lin Kai is proficient in the talisman art, and the talisman art contains many magic talisman to break the formation.

However, Lin Kai didn't know what the formation was under his feet, in other words, Lin Kai needed to use magic charms to constantly try.

This process is undoubtedly very long.

But for the unknown secret in the formation, Lincoln took this time.

...

On the other side, the third echelon is hunting in the mountains, led by Lao Huang.

The hidden \*\*\*\* was sitting on the branch of the tree beside him, quietly watching Lao Huang and the others hunting. At this time, the hidden \*\*\*\* did not help Lao Huang and them.

And Lao Huang, who are self-supporting, can also hunt prey by themselves.

People in the third echelon are relatively strong, with more than forty people.

The weapons of this group of people are not high-tech, but ordinary bows and arrows.

Homemade bow and arrow.

Their bows are all made of tougher saplings on the island. After the saplings are cut down, they are soaked in lard for a period of time, and the saplings become tough bows.

The bowstring is made of hemp rope.

Although this kind of bow shooting is very simple, it is still quite powerful.

After so many days of hunting, Lao Huang and others have mastered the law of action of prey on the mountain.

For example, rabbits like to appear at night.

In addition, the wild rabbits on the small island can't make holes. They like to build their own dirt nests in relatively hidden places.

Moreover, the saying that rabbits don't eat grass on the edge of the nest makes a lot of sense.

Rabbits do not eat grass around the nest, but they can eat the grass outside the rabbits nest. Therefore, Lao Huang and others often find that there is no grass in an area, but the grass is particularly lush in a certain area in this area. In such a place, there are rabbit dens in all likelihood.

Prey such as wild boar is very difficult to encounter, because wild boars are very vigilant, have strong running ability, and speed. Even if wild boars are found, they are extremely aggressive and difficult to be conquered by everyone.

But this does not stump smart humans.

At this time, Lao Huang and others were lying in the grass, staring at a wild boar not far away.

This wild boar weighs 200 kilograms and is a big guy!

At this moment, the wild boar was rubbing his pigskin next to a big tree. It liked to do so.

The pigskin of wild boars often rubs against the big trees, and the resin on the big trees drips on the pigskins. Over time, the pigskins are very tough and difficult to pierce with ordinary swords.

This wild boar, Lao Huang and others have been eyeing it for a long time!

“Archer ready!” Old Huang whispered.

At this time, ten archers holding bows have raised their bows, and the arrows in their right hands are ready to go.

“emission!”

Lao Huang gave an order.

Whoosh whoosh!

At that time, I saw ten arrows shot directly!

Although the wild boar has a strong reaction ability, it is also very difficult to escape a sneak attack. As soon as ten arrows are shot out, eight arrows hit the wild boar perfectly!

Happiness!

The arrow hit the wild boar directly!

There was a roar of wild boars, and then, the wild boar went crazy in the woods!

“Chasing!” Old Huang roared.

Later, Lao Huang led more than forty people and began to hunt wildly!

The wild boar saw that there were more than forty people behind him, but he did not dare to stay, and could only run wildly, he did not dare to stop!

## Chapter 994: Snatch

Chapter 994 Snatch!

The moving wild boar is extremely difficult to shoot, and Lao Huang and the others have no intention of shooting wild boars.

Lao Huang and the others did not dare to get too close to the wild boar at this time. After all, the dog jumped the wall eagerly. If it approaches the wild boar, perhaps it will desperately fight Lao Huang and the others!

Lao Huang's hunting routine is to put food in a certain place, and then wait for the arrival of the prey.

When the prey enters their sight, Lao Huang will order people to shoot arrows to attack the prey!

If it's a small prey like a rabbit, go straight down and hunt successfully!

If it's a large animal like a wild boar, it doesn't matter, shoot a few arrows and run with the wild boar!

The harder you run, the faster the wild boar's blood will be lost! When the blood of the wild boar is almost lost, the wild boar naturally has no strength to run away. At that time, Huang and the others can easily take the wild boar!

After running wildly for more than ten minutes, the speed of the wild boar has slowed down.

It can't run anymore!

The blood on the wild boar has almost been lost.

With a plop, the wild boar fell directly to the ground.

After seeing this scene, Lao Huang and others all brightened and rushed to the wild boar!

But at this moment, a bang rang through the woods, and a bullet went directly into the wild boar's head!

"Beat it!"

Only one person yelled, and then a group of people rushed over from a distance!

There are more than one hundred people in this group!

They are all wearing brand-name clothes and are very clean, with brand-name sneakers under their feet. More than one hundred people hold professional bows in their hands.

And the leader is naturally a rat!

And Mouse Wuxiang's hand is holding an assault rifle!

There were still live ammunition in the shooting gallery on the ship. Although there were not many, Rat Wuxiang found the live ammunition and took out all the live ammunition directly!

At this moment, Shu Wuxiang's face showed a triumphant smile: "Brothers! Take our prey back!"

"okay!"

The people behind Shu Wuxiang shouted loudly and happily carried the wild boar away!

After seeing this scene, Huang Tianshi and others frowned.

This is not the first time!

Today, Lao Huang didn't even hunt for farts! The prey was taken away by these people!

Every time it was Lao Huang and they knocked down their prey, this group of people appeared. They either made up their guns or made up their arrows, and then they did not say that they killed the prey!

Shameless!

"Don't move!" Old Huang roared angrily.

He pointed at the wild boar and said angrily: "This is our prey!"

Lao Huang and the others squatted the wild boar for more than half an hour, and then chased the wild boar for more than ten minutes, before they killed the wild boar, but this group of people came directly behind!

Sit back and enjoy!

There was a slight smile on Mouse Wuxiang's face.

He looked at Huang Tianshi with a smile.

"I said, old man, we found this wild boar! I shot and killed this wild boar. Don't touch porcelain with me!"

Then, there was a burst of laughter.

The more than one hundred people behind Shu Wuxiang looked at Huang Tianshi very mockingly.

The look seemed to say, we are robbing! What can you do to us?

"You!" Huang Tianshi was furious!

"This wild boar is clearly because we squatted for so long! It is clearly because we chased for so long! It's you who sit back and enjoy it! When we grind the wild boar to the point where it loses combat effectiveness, you come to \*\*\*\* our wild boar!"

"In this day, you have robbed us ten rabbits and three wild boars!"

At this time, Tianshi Huang was very angry!

And Mouse Wuxiang's face showed an undue smile.

Jia Fuhao sent them out to hunt, saying that he would have a bonfire feast in the evening.

Rat Wuxiang, although they have excellent equipment, they have no hunting experience at all!

After waiting for a morning, no prey was found.

Rat Wuxiang simply came up with a shameless way.

Loot their prey!

When they kill the prey, the mouse will take people out to grab it!

At this time, the mouse Wuxiang stepped on the wild boar under his foot, and looked at Huang Tianshi very sadly: "Old man, you can eat rice but you can't talk nonsense!"

"My brothers just watched!"

“This wild boar was alive just now! But I shot him to death!”

“So, it is my prey!”

Mouse Wuxiang is an arrogance!

There are so many people behind him!

The equipment in hand is also much better than Huang Tianshi’s equipment.

Therefore, Shu Wuxiang is not afraid of Huang Tianshi at all!

Huang Tianshi was an anger.

“Too arrogant!”

“If you don’t return the prey that robbed us today, we will fight with you!”

Huang Tianshi roared.

After Huang Tianshi said this, the ten archers behind him all raised their bows! The others also raised their daggers and broadswords.

After seeing this scene, Mouse Wuxiang’s mouth showed a disdainful smile.

As soon as he raised his hand and swiped it, hundreds of people behind him all raised the bow in their hands!

Their bow shooting is all professional bow shooting! More powerful!

Moreover, they have hundreds of bows! Look at Huang Tianshi and others, there are only ten, and they are still made of earth.

At this moment, the mouse Wuxiang raised the assault rifle in his hand and looked at Huang Tianshi defiantly.

“Why? Still grabbing our prey? If you dare to touch one of our hairs, I will let all of you die here! Believe it or not?”

After listening to Mouse Wuxiang’s words, the expressions of everyone behind Huang Tianshi changed.

They are not as many as the other party, and their weapons are not as good as the other party’s. If this fights, they will definitely lose blood!

Moreover, the assault rifle in Mouse Wuxiang’s hand was shocking everyone!

As long as the mouse pulls the trigger, all of them will die!

An arrogant smile appeared on Mouse Wuxiang's face.

At this time, someone began to persuade Huang Tianshi, "Tianshi Huang, I think it should be forgotten? How about we go back and ask Kai Kai?"

Said a young man.

Another young man immediately echoed: "Yes, they have too many people and guns. We are obviously not opponents!"

After listening to them, the expression on Huang Tianshi's face was also extremely ugly, let him just forget it? He can't do it!

However, if you don't forget that, if the lives of so many people behind him are gone, who will be responsible for this account?

Tianshi Huang can't use the lives of these people to impulse!

Huang Tianshi snorted coldly and said: "Let's go!"

After all, Huang Tianshi left the scene directly with more than forty people behind him.

And Mouse Wuxiang's face was full of arrogant smiles. At this time, Mouse Wuxiang laughed and said: "Hahaha! You still don't want to go out hunting! You should starve to death! Hahahahaha!"

## **Chapter 995: High Tier Wood Talisman**

Chapter 995

The hundreds of people behind Shu Wuxiang also started to laugh wildly!

Huang Tianshi took his own people and quickly left the scene.

...

At this time, in the bottom of the base's hole, Lin Kai was still drawing the magic talisman.

Lin Kai has already drawn many magical charms that can break the formation, but every kind of charm is useless and cannot break the formation at all.

This is the 153rd magic talisman drawn by Lin Kai.

“to make!”

With the final stroke of the Yulong Pen, a magic talisman was drawn.

The name of this magic talisman is called the wood magic talisman, which is a magic talisman used to crack the wood attribute formation.

Lin Kai didn't have much hope for this magic talisman, after all, Lin Kai had used so many magic talisman before.

At that time, Lin Kai directly used this magic talisman.

Originally, Lin Kai thought that this magic talisman would be the same as the previous one, and would not have much effect.

But when this magic talisman was used, the iron plate under Lin Kai's feet shook!

It just shook, and the iron plate just cracked a gap, a gap the size of a hair!

Then, the vibration disappeared, and the magic talisman also disappeared.

effective!

Lin Kai's eyes lit up.

With that said, the wood magic talisman can crack the formation under the feet!

It's just that the cracking effect of the wood spirit talisman is not good, but it is also effective.

Lin Kai hurriedly searched for the magic talisman to break the wood attribute formation in his mind.

Soon after, Lin Kai found a high-level magic talisman.

Lin Kai can draw this high-level magic talisman, but it takes at least three days! That is the high-level wood magic talisman!

With a goal, Lin Kai's eyes lit up. In these three days, he has to draw a wooden magic talisman!

At that time, Lin Kai meditated directly at the bottom of the cave and began to draw high-level wooden charms.

As time passed, it was night.

“Brother! Are you there, brother?”

“Brother open! You promise!”

And above the cave, a young man was calling Lin Kai. He saw Lin Kai, but Lin Kai didn't respond to him at the bottom of the cave.

At this time, Huang Tianshi walked to the entrance of the cave, he looked down at Lin Kai, and then said to the young man lightly: “He is practicing in retreat, don't disturb him.”

After listening to Huang Tianshi's words, the young man nodded very well.

“Oh.”

Soon after, Lin Kai base began to cook, making dinner.

Everyone's food has improved a lot.

And today, a wild dinner on the cruise ship!

Moreover, the place where they had dinner seems to be the same deliberately, very close to Lin Kai's base! Only tens of meters away!

I saw a group of people came to the foot of the mountain from the cruise ship, and then up, it was the brave home.

Hundreds of people came!

These hundreds of people are the top powers on the cruise ship! Only they are qualified to go out for a picnic!

In addition to these hundreds of dignitaries, there are hundreds of people who come to serve them.

Jia Fuhao and Rat Wuxiang are both present.

The top chef on board also came to the scene.

I saw that they moved down the large barbecue grill on the cruise ship!

The grill is full of charcoal and start roasting wild boar!

In addition to the wild boar, they also brought the roasted rabbit meat, which has an attractive aroma!

There are three barbecue grills! On the barbecue, there are three big wild boars!

They smeared honey and oil on the surface of the wild boar. At that time, bursts of fragrance drifted away, and they could be smelled far away.

The table salt and cumin they use is different from Lin Kai's table salt and cumin. Their table salt is processed without any impurities!

Cumin is a great spice!

The chili noodles are full of aroma!

The smell of roasted wild boar made everyone in the forest open base on the mountain unable to help taking a sip of water.

And Shu Wuxiang and Jia Fuhao led people to sit on the carpet, tasting delicious dishes with a knife and fork.

It's so fragrant! It's more delicious than the steak they had last time!

Compared with them, the boiled rabbit meat and roasted wild boar that Lin Kai eat looks like the difference between steamed buns and barbecued meat!

"It's so fragrant!" At this moment, the mouse couldn't help but exclaimed.

His face deliberately showed an exaggerated expression: "This wild boar is worthy of being a wild boar. No wonder it is so expensive in China! It is delicious!"

"This game is really good!"

Rat Wuxiang praised.

In Linkai Base, more than one hundred people all watched them eating meat.

The meat in their hands became very boring.

Huang's third echelon is even more hateful!

You know, the roast wild boars and roast rabbits they eat are their prey!

Not to mention that this group of people robbed their prey, they came to their door to show off!

Uncle can stand it, aunt can't stand it!

But I can't bear it! Lin Kai isn't there now. They are not as many as the other, and their weapons are not as good as them. What if I can't bear it?

Jia Fuhao nodded with a smile while eating roast wild boar.

He looked at the base of Lin Kai on the mountain and smiled: "Lin Kai! I know you are on the mountain!"

"Listen to me! You will not end well if you do this!"

"See? We have top chefs! And top ingredients and equipment! The incomparable moisture that we can survive in the wild!"

"And you? Lin Kai! Look at you! What are you eating? Is that game? It's just boiled meat, it has no taste!"

"Lin Kai led the people in the past, let's abandon the dark and cast the light!"

"As long as you come, we can enjoy these roasted wild boars together! Hahahaha!"

Jia Fuhao laughed at this moment.

The top dignitaries he brought with him all laughed.

Compared with them, Lin Kai and them are simply country people!

The cabins where they live are not at the same level as their cruise ships!

Lin Kai, they sleep on straw and cotton, and they sleep on top Simmons!

Lin Kai, they don't even have lights at night, and they can go to the bar at night, watch TV in the room, and even play games with their girlfriends!

This is the difference!

Compared to them, Lin Kai and them are no different from the country folks! Not even as good as the country folks!

At this moment, Jia Fuhao shook his head, his eyes filled with mockery.

"Do you still don't understand? Lin Kai is a sinner! Li Shengxian is also a sinner!"

"The two of them killed us! Let us live on the desert island!"

“Now, he will take you to endure hardship again! Who can believe that there is danger on board?”

“Abandon the dark and cast it out!”

“My Jia Fuhao’s door is always open for you!”

“Don’t you miss Simmons on the boat?”

“Don’t you want to get drunk in the bar on the cruise ship? Don’t you want to see the top beauties on the cruise ship?”

“Everything on board!”

## **Chapter 996: Xanadu**

Chapter 996

Jia Fuhao’s words reached everyone in the base.

The ones that should go are gone, and those who stay, even if they are thrown away, they won’t go!

The remaining one hundred and thirty-eight people already have feelings for the base! They have fallen in love with the way of life here!

Although the conditions on the cruise ship are better, they are unwilling to go back to the cruise ship without feelings.

Even if the barbecue is more fragrant! No matter how Jia Fuhao insulted them, they would not go back!

Therefore, what Jia Fuhao said in their ears was a mockery of them!

Everyone in the base, even if their saliva shed, not a single person walked out of the base.

When the mouse saw nothing, he sneered: “Mr. Jia, please don’t talk nonsense with this group of spoilers.”

“You are good for them, they don’t know, they still think you want to harm them!”

“Let them fend for themselves!”

Jia Fuhao heard the words, a trace of impatience flashed in his eyes, and he sneered: “Hehe, let’s see when you are over!”

Then, Jia Fuhao and others continued to eat barbecue.

...

Soon, the next day arrived.

Everyone in Lin Kai base is busy with their own work.

The task of the third echelon is still hunting. Today, the people who have nothing to do with the rats have not come to \*\*\*\* their prey.

Because rats are equal and people are lazy, it's okay to let them come out once, but they don't want to come out more.

The task of the second echelon is to find all available resources on the mountain.

Li Shengxian took the lead. They found coriander and bamboo shoots, as well as many wild vegetables.

These resources are the key to the survival of Lin Kai and others!

As for Lin Kai, sitting cross-legged at the bottom of the cave, the Dragon Pen in his hand was constantly waving, and he was still drawing magical charms!

High-level wooden charms are very difficult to draw, even for Lin Kai, it takes three days.

The wooden magic talisman in front of Lin Kai has been drawn into a third.

It will take another two days before Lin Kai can draw the wood magic talisman completely.

Time passed quietly.

Two days later, with Lin Kai's last stroke, the high-level wooden magic talisman was finally drawn successfully!

I saw a golden charm appeared in Lin Kai's hands.

On the golden charm, there were all complicated patterns and spells. This extremely complicated charm took Lin Kai three days!

All the spiritual power in Lin Kai's body was taken out!

At this time, Lin Kai was sweating profusely, his face was pale, and his body was extremely empty!

However, Lin Kai was still holding on to his body. He wanted to see the high-level wood magic talisman crack the formation under his feet!

“go with!”

I saw Lin Kai directly used the wooden magic talisman, and then Lin Kai fiercely stuck the wooden magic talisman on the iron plate under his feet!

At that time, the Wood Spirit Talisman turned into a cyan gas and disappeared.

The cyan gas directly invaded the surface of the iron plate! On the surface of the iron plate, a cyan protective cover also emerged.

This protective cover is the formation that protects the iron plate!

It's cyan!

Wooden magic talisman can cause damage to the formation, and high-level wooden magic talisman can crack the formation!

The cyan gas transformed from the high-level wood magic talisman attacked this protective cover fiercely.

The high-level wood magic talisman restrained the cyan protective cover. After several rounds of entanglement, he snapped and saw that the protective cover under Lin Kai's feet was like a balloon pierced by a needle. It exploded and disappeared!

The cyan gas disappeared in the air.

The formation is broken!

Lin Kai's eyes lit up.

He looked at the iron plate under his feet again.

This time, Lin Kai pulled the iron plate up with both hands!

He only heard a click, and the iron plate was easily opened by Lin Kai!

Lin Kai's eyes lit up!

At this time, the sound of running water clearly passed into Lin Kai's ears.

I saw a well in the ground!

That's right! It's a well!

Under the iron plate, there is another world!

Originally, the world deep underground should be completely dark, but Lin Kai's eyes were bright, and there was a green glow below!

Lin Kai was stunned!

He jumped in directly along the gap, and with a bang, Lin Kai landed steadily.

Looking at the underground world, Lin Kai was dumbfounded.

The walls are full of iron plates! This is a space made of iron plates after being hollowed out!

underground space!

In front of Lin Kai, there was a well. The well was artificially piled up. The head of the well was made of marble, while the water under the well was constantly flowing.

There is a well here!

Except for this well, Lin Kai looked around.

At that time, Lin Kai was shocked again.

Fruit trees!

All are fruit trees!

There are hundreds of fruit trees planted in the underground world! peach!

These peach trees grow very luxuriantly, and their branches are tall, so people can pass under them.

And on the peach tree, there are countless peaches!

The red peach looks very big, and the ripe peach is very attractive.

Lin Kai held a peach in both hands, took a light bite, puffed, and the juice exploded directly in Lin Kai's mouth!

There is so much water!

This peach is simply the best! Very sweet!

Lin Kai never thought that the underground world is a paradise!

Because Lin Kai saw that there was a small wooden house in the middle of the peach grove!

Lin Kai walked over quickly.

There are three small wooden houses, which are similar to a courtyard house. In the courtyard, there are also a stone table and three stone benches.

There are also patterns on the Go board on the stone table. It seems that someone has played chess here before!

Lin Kai glanced at the stone table. The stone table was full of dust. It was obvious that no one had lived here for a long time.

Lin Kai came to the front of the wooden house, he gently opened the door of the wooden house, and with a squeak, the wooden house opened.

Among the wooden houses, it was empty.

There was a bed and a table in the cabin, but nothing else.

After seeing this scene, a hint of disappointment flashed across Lin Kai's eyes.

He thought there would be any inheritance here.

Lin Kai looked at the other two cabins. At that time, Lin Kai was very disappointed.

The three cabins were empty and there was nothing.

There is only such a peach forest in the underground world.

At this time, a question emerged from Lin Kai's mind.

Where does the green light of the underground world come from? Why can peach trees grow in such a harsh environment?

There must be a reason for all this!

Lin Kai wants to find the source of light!

Every peach tree in the Taoyuan seems to be glowing green, and every peach seems to be a source of light, but it is not.

Lin Kai directly opened his golden pupil and went to find it by himself.

After searching for a week, Lin Kai's eyes lit up and he found it!

In the Taoyuan, there is a very huge peach tree! And on the branches of this huge peach tree, there is a strange thing hanging!

## Chapter 997: Out Of Diesel

Chapter 997

On the branch of this huge peach tree, there is a piece of jade pendant.

The blue jade pendant, the jade pendant is strung on the tree by a red string, and the green light source seems to be it!

A strong green light is emitted from it, and the surrounding plants have become the spreading point of green light over time, so the entire underground world is green.

After Lin Kai saw this jade pendant, he was excited at that time.

Because this is the wood spirit jade among the five element jade!

At that time, Lin Kai's hands trembled, and he cautiously touched Mu Lingyu.

After touching the wood spirit jade, Lin Kai trembled all over, he was excited! He trembled!

Five element jade, Lin Kai has collected four pieces, only one piece of wood spirit jade, and now, the last piece of jade among the five element jade has been found by Lin Kai!

The Five Elements Jade is here!

The difficulty of collecting the five element jade is no less than winning the 50 million lottery!

However, Lin Kai had gathered the Five Elements Jade in just one year. I really don't know if it was God's love or Lin Kai's luck.

Suddenly, Lin Kai understood.

No wonder the fruits here are so big and sweet, it turns out that there is wood spirit jade.

The wood spirit jade has powerful recovery and ripening ability. With it, the fruit tree can never die! The fruit can bear in three days!

And the fruit will be very sweet. You can eat peaches without eating!

What a treasure!

With the collection of the five-element jade, Lin Kai can draw the five-element talisman!

The five elements are extremely difficult to draw!

However, the five-element talisman is an extremely powerful kind of magical talisman. Other magical talisman are one-time use, and the five-element talisman is different.

When Lin Kai wanted to gather the five-element jade, he wanted to refine the five-element talisman to keep the immortal gate safe.

Now Lin Kai can use the Five Elements Jade to keep his base safe!

With the Five Elements Talisman, even a nuclear bomb can't get in!

Thinking of this, Lin Kai was agitated.

Just do it! Draw five elements!

At that time, Lin Kai took out four other jade stones from his Qiankun bag.

Jinling jade, wood spirit jade, water spirit jade, fire spirit jade, earth spirit jade.

The Five Elements Jade was placed in front of Lin Kai.

Lin Kai removed other useless things from the jade and began to draw magical charms.

The five-element jade is about the same size, and it takes at least three days to refine the five-element talisman. This is a long process, and Lin Kai must first restore spiritual power.

At that time, Lin Kai sat down directly cross-legged and began to recover his spiritual power.

...

Hundreds of nautical miles away from the deserted island, there is a very huge island!

This island occupies a huge area! It is as big as a second-tier city in China!

And on this island, there are tens of thousands of pirates!

A huge pirate ship set off from the island and headed towards the desert island where Lin Kai was located!

That's right, the desert island where Lin Kai and others are located has been discovered by the pirates!

Lin Kai killed a master of the pirates, and the pirates would naturally not stop there. Although the destroyer smashed the cruise ship, he would have to see people in life and corpses in death.

One hour after the destroyer left, the destroyer returned to check the situation.

But a magical scene was discovered. The destroyer did not find the wreckage of the cruise ship in place.

The cruise ship seemed to disappear.

After receiving this news, the pirate headquarters was very angry and sent a drone to survey the sea!

Finally, the location of Lin Kai and others was detected by the pirates.

Because the cruise ship is too large and the target is too large, it is easy to be spotted by drones.

After discovering this cruise ship, the pirate headquarters immediately issued an order to kill all the people on board! To show the majesty of their stunned pirate group!

There are thousands of people on the pirate ship! These thousands of people are all pirates carrying real guns!

There are two masters in the battle!

The people on the desert island were unaware of this.

On the cruise ship, Jia Fuhao and a group of beauties are looking for joy and frolicking, so happy.

But at this moment, Rat Wuxiang hurried in.

“Big! The big thing is not good!”

Upon seeing this, Jia Fuhao frowned, and he reprimanded in a cold voice: “What are you doing? Panicked!”

After listening to Jia Fuhao’s words, Rat Wuxiang wiped the sweat from his forehead and said, “Mr. Jia, the diesel is used up! There is no electricity on board!”

No electricity?

After hearing this sentence, Jia Fuhao’s face changed drastically.

He knows what no electricity means to them!

Without electricity, the cold storage will lose its freezing effect! All food will rot and smell in three days!

The night will be dark!

In addition, the temperature of the cabin is controlled by air conditioners. It will become extremely hot during the day and extremely cold at night!

“Is there no diesel at all?” Jia Fuhao also shed cold sweat on his forehead.

If it is really unable to generate electricity, his reign will probably be over!

Mouse Wuxiang nodded, and said, “There is no diesel at all! The generator can’t generate electricity!”

“It’s okay, it’s okay, we can live without electricity...” Jia Fuhao looked pale, but he said comfortingly.

The tens of thousands of people on the cruise ship did not realize the crisis was coming.

Looking at the brave home, 138 people lived happily together. The initial difficulties of building the base have disappeared.

Now, they have completely taken root on the island.

More than one hundred small wooden houses are the fortresses of their lives. Food and water are not lacking. Clothes can be washed if they are dirty, and they can rest after work. This is already very happy for them.

Time passed quietly, and two days passed.

In the underground world, Lin Kai began to officially draw the five elements.

And on the cruise ship, I have already complained!

On the deck, thousands of people gathered together and they couldn’t stay in the cabin anymore!

I saw them sweat, and their clothes were soaked with sweat.

As young and old ladies on the land, where did they suffer such suffering?

“What’s the matter? Why doesn’t the air conditioner on the cabin work anymore? It’s so hot!”

“I’m so hot! Where’s Jia Fuhao! Stand up and explain!”

“Damn! There is no air conditioning in the cabin, so there is no way to sleep!”

“Moreover, why does the food at noon today have a smell? Jia Fuhao! Come out!”

...

A burst of bitter voice sounded.

At this time, Jia Fuhao, who was standing on the top of the cruise ship, was also sweating.

He knew that diesel would run out, but he didn’t expect that diesel would run out so quickly! Moreover, after there was no diesel, the reaction of the people was so violent! This is what he did not expect!

Is it possible that what Lin Kai said is true? Cruise ships are simply not suitable for people to live for a long time?

Do not! He is wrong! I am right!

Even now, Jia Fuhao didn’t want to admit that he was wrong.

And Mouse Wuxiang, also standing behind him profusely.

## **Chapter 998: Riot**

Chapter 998

“Mr. Jia! The people on the boat can no longer control it.”

“Some inferior people also went on strike and said...”

At this point, the mouse has nothing to say but stops.

Jia Fuhao’s face was pale and asked: “What did you say?”

“They said, you can’t even guarantee electricity, so what can guarantee their daily salary of 10,000 yuan?”

Mouse Wuxiang wiped the sweat from his forehead and said.

Jia Fuhao’s face is very cold.

He clenched his fist, his heart was very angry!

He still doesn't want to accept this result, it shouldn't be like this! You should rule them! They should not dare to oppose themselves!

But now, as soon as the benefits disappeared, they would stand up against themselves. This group of people are unscrupulous people!

"listen!"

Jia Fuhao's face was pale and angrily said, "Tell them! The diesel is gone! If you want to live, just return me to the cabin! Otherwise, get out of the cruise ship!"

It seems that I have to use some tough methods!

Jia Fuhao sneered.

After listening to Jia Fuhao's words, Mouse Wuxiang's expression was ashen: "But...but..."

"Nothing! Let you go, you go!" Jia Fuhao said angrily.

"Okay." The mouse wiped away his sweat and could only follow Jia Fuhao's words.

...

Time passed bit by bit.

Three days later, in the underground paradise, Lin Kai was still drawing magical charms.

The difficulty of drawing the five elements is beyond Lin Kai's imagination.

Although he is proficient in talisman, the five-element talisman is a very advanced magic talisman after all, with only so many raw materials, Lin Kai must make zero mistakes.

Therefore, Lin Kai dared to start after repeated confirmation of every detail.

After three days, Lin Kai felt that his whole person was much older. Drawing the five-element talisman was really exhausting!

At this time, Lin Kai's sweat and clothes had already been saturated with sweat.

His hair also turned white in these three days.

The spiritual power in Lin Kai's body was almost emptied.

His eye rims are very dark, and he looks like he is lacking energy.

However, Lin Kai was still clenching his teeth and drew the five-element talisman earlier, so that the one hundred and thirty-seventh person who followed him can be safe earlier!

“Give me...success!”

As Lin Kai's last stroke fell, the Five Elements Symbol was finally drawn successfully!

At that time, a golden light directly lit up! The entire cave has become extremely bright!

A magic talisman appeared in front of Lin Kai!

This is not a paper charm! This is a jade charm!

It is not so much that this is a magic talisman, as it is that this is a fine jade!

Under Lin Kai's three days and three nights' paintings, the five elements of jade have been merged together and become a square jade!

The color of jade is also colorful, sometimes green and sometimes red.

On this piece of jade, there are many very complicated patterns.

The lines are so small that they cannot be seen clearly with the naked eye! And such lines are all on this piece of jade!

This is the difficulty of drawing the five elements!

Fortunately, Lin Kai succeeded!

The five elements are drawn successfully!

Lin Kai took this magic talisman very excitedly and stood up from the ground. At this time, he couldn't wait to walk ashore!

But just after taking a step, Lin Kai fell directly to the ground with a plop.

He is so tired.

After the task is completed, the body can no longer hold on, and now he needs to rest!

Lin Kai fell asleep in a deep sleep.

...

On the cruise ship, it was very lively at this time.

Two days ago, Jia Fuhao obediently returned everyone to the cabin with a tough attitude and lived a life without electricity.

In the beginning, everyone can bear it.

There is no electricity during the day and the cabin is very hot, so everyone uses a fan to fan the cabin. At night, when the cabin is extremely cold, everyone should cover more.

But after two days, all the food stinks!

Everyone can't swallow the smelly food! It's so terrible!

Fresh water resources are almost gone! Everyone now is simply hot, thirsty and hungry!

At this time, tens of thousands of people have gathered on the deck! Almost all the people on the cruise ship gathered on the deck.

They want to protest!

"Jia Fuhao! Is this the good day you said? Didn't you say that with you, everyone can enjoy spicy food?"

"Why don't we even have food now?"

"All food is stinky!"

"Jia Fuhao! Get out of here! Didn't you say that our superiors don't need labor?"

"Where is the inferior? Let the inferior go to work!"

There was a riot in the cabin.

Jia Fuhao's empty check seemed pale and feeble at this moment!

Under et al? Everyone thinks they are the best! So they look forward to the inferior people to serve themselves! As everyone knows, in Jia Fuhao's eyes, they are all inferior!

It's really self-inflicted and can't live!

On the current cruise ship, there has been a mess!

"Jia Fuhao! Get out!"

"You said so nicely at the beginning! How about people now?"

“Jia Fuhao!”

“get out!”

And Jia Fuhao was standing on the topmost cabin at this time, looking down at it all.

At this moment, Jia Fuhao was also sweating profusely, and his face was yellow and thin.

He hasn't eaten seriously for several days.

Behind him, there is no sign of the rat.

Shu Wuxiang slumped on the sofa at this time, and he no longer respected Jia Fuhao.

Because he found that Jia Fuhao now has no ability to rule.

“So hungry.”

Jia Fuhao touched his stomach, looked at the mouse Wuxiang, and asked: “Where are the hunting and fishing people? Why is no one going hunting and fishing?”

After listening to Jia Fuhao's words, Mouse Wuxiang gave a wry smile: “Haha, Mr. Jia, don't stand and talk because your back hurts!”

“Fishing? How many people can fish? And now the sun is so big, who wants to go fishing?”

“Hunting? Stop kidding! Who the \*\*\*\* can hunt on the entire cruise ship? Who wants to go?”

Jia Fuhao frowned after listening to the words of the mouse Wuxiang.

“Also, Mr. Jia, now everyone is waiting for you to go down and give them an explanation! You should go quickly, otherwise it won't be good to wait for them to come up for a while.”

Mouse Wuxiang said weakly.

After all, Shu Wuxiang was unwilling to stay in Jia Fuhao's room anymore, he stood up, got up and walked out of Jia Fuhao's room.

At this time, on the deck, tens of thousands of people are destroying the cruise ship, and it seems that only destruction can vent their dissatisfaction.

And Jia Fuhao knew that he couldn't escape, he had to face them!

“Ugh”

Jia Fuhao sighed. At this time, Jia Fuhao seemed to be ten years old in an instant.

His dream of ruling was completely shattered!

At this time, Jia Fuhao got off the cabin and walked slowly towards the deck.

## Chapter 999: Defect To

Chapter 999

As soon as Jia Fuhao appeared, he immediately became the focus on the deck!

At that time, tens of thousands of people surrounded Jia Fuhao, all of them looked bad.

Gearing up, some people even took out their daggers, looking at Jia Fuhao, it seemed that they could kill people!

“Jia Fuhao! Give us an explanation!”

One person roared.

Later, more and more people yelled: “Give us an explanation!”

“Why is there no food? Why is there no electricity?”

“why?”

“We are the best! Are you treated like that?”

“Where is the inferior?”

One question after another hit Jia Fuhao.

And Jia Fuhao faced so many people, but he also got big heads for a while.

“enough!”

Jia Fuhao roared, the scene fell silent, everyone was watching Jia Fuhao.

“How do I know that the diesel will run out so quickly? How do I know that the cabin will be so hot without electricity?”

“How do I know that food will smell bad?”

“How do I know that you are so trash and lazy? You don’t even go to work!”

Jia Fuhao shouted.

As soon as his words came out, bursts of scolding sound immediately sounded.

“I’m going to your mother! Jia Fuhao!”

“You picked the head! It was you who said that our superiors don’t have to work! Now you \*\*\*\* let us work again? So what’s the difference between us and the inferior?”

“Jia Fuhao! You \*\*\*\* it!”

“I don’t care! I want air conditioning and food! If not, we will kill you!”

Jia Fuhao’s theory of superiors has dominated these people’s minds.

They have spent so many days on the boat, it is impossible to work together!

Only the over 100 people brought out by Lin Kai could endure hardship!

Of course, if they had listened to Lin Kai from the beginning, they might have already taken root on the island by now!

Looking at Lin Kai and others, it might have been a little harder at first, but now they are not affected by cruise ships at all.

They dont need electricity! No need for refrigerators and diesel!

Because they have a campfire! There are prey! There is a warehouse! There are wooden houses!

They have everything!

Jia Fuhao’s head was a big one, and all kinds of questions echoed in Jia Fuhao’s mind.

“Enough of you!” Jia Fuhao roared angrily.

“Lin Kai has everything! If you \*\*\*\* don’t want to continue living on the cruise ship, go to Lin Kai! See if he will take you in!”

After listening to Jia Fuhao’s words, many people on the boat began to regret it.

They had known this long ago, they should have followed Lin Kai in the first place!

Lin Kai said it well! Only by working together can everyone survive on the island!

The supplies on the cruise ship are limited after all!

As soon as the diesel ran out, everyone was in panic.

And those “smart people” who had already seen everything through began to feel annoyed.

They knew that Lin Kai was right from the beginning, but because they were lazy, they did not choose to join Lin Kai.

But now it seems that they should have joined Lin Kai earlier!

Although it will be a bit harder at first, you must know that there is only one person who can lead them to survive in the wild, and that is Lin Kai!

Jia Fuhao is a smart businessman, and he is very ambitious, but he doesn't know how to survive in the wild after all.

He only thought about how to build his own empire, but forgot how to survive!

Now, survival has become their biggest problem!

“Go! Let's find Lin Kai! We won't be on the cruise ship anymore!”

At this moment, without knowing who started it, they began to walk under the boat.

Someone took the lead, others followed suit, one person led two people, and two people led four people.

Later, more and more people started to go under the boat, and they all went to find Lin Kai! They want to go to Lin Kai! They can't keep going!

There were tens of thousands of people on board, all of them went to Lin Kai!

In the brave home, hundreds of people are busy living in the base, enjoying themselves well.

At this moment, a person noticed something wrong at the foot of the mountain and shouted: “Second Captain!”

“Many people came down the mountain!”

Li Shengxian immediately lowered his head and looked down the mountain.

I saw a group of people walking up the mountain.

After seeing this scene, Li Shengxian's expression changed, and he said, "Copy guys, go out with me!"

"Yes!"

At that time, dozens of young adults who were still at the base picked up the guys and followed Li Shengxian out.

Fashen and Lishen also followed out together.

Thousands of thousands of people came to the gate of Lin Kai base, Li Shengxian was holding a machete in his hand, looking at the crowd.

"What are you doing here?" Li Shengxian asked coldly.

At this time, the leader is actually Jia Fuhao's dog-legs, and the mouse has no appearance.

Mouse Wuxiang's face showed a pleasing smile: "We are here to run for you."

"Flee?" Li Shengxian raised his eyebrows upon hearing this.

"Aren't you good on the cruise ship? What are you doing with us?" Li Shengxian asked coldly.

An awkward expression appeared on Mouse Wuxiang's face.

I think they were all sorts of triumphs in front of Lin Kai two days ago, and now they have become bereaved dogs, and I also pray for them to take in.

What a shame!

"We have no food on board..."

Mouse Wuxiang said embarrassedly.

Hearing that, Li Shengxian laughed at the time: "Hehe, aren't you awesome? Are you not all first-class people? Are all first-class people, why come to us? Let your inferior people give you food what!"

After listening to Li Shengxian's words, most of the tens of thousands of people bowed their heads.

They just want to sit back and enjoy it! But they have never thought about how to enjoy the fruits of others without labor?

“Huh! Tell you! No one will be taken in! Where are you going back!”

Li Shengxian’s attitude is very clear.

No one will take in!

After listening to Li Shengxian’s words, everyone’s faces were very ugly.

They didn’t expect Li Shengxian to be so heartless!

But they didn’t even think about how unfeeling they were when they insulted Lin Kai and Li Shengxian!

At this moment, there are already people who are starving and crazy. I don’t know who yelled and said, “There are so many of us! Are you afraid of them? Go grab food!”

At that time, a group of people rushed directly towards Lin Kai base!

In his eyes, there is only food!

At that time, the riot broke out! Shu Wuxiang saw that Li Shengxian didn’t take them in, so he simply grabbed them directly!

When Li Shengxian saw this, he sneered.

I saw the Fashen behind him waved his hand directly, hoo!

A gust of wind blows directly!

Tens of thousands of people were directly blown out!

Wow!

It was a flying sand and walking stone at the scene! Countless people were blown directly from the mountainside to the foot of the mountain!

Lishen even picked up a huge log and said angrily: “Who dares to take a step forward! I will smash his head!”

Lishen is not joking!

And behind Li Shengxian, two martial arts masters also quietly appeared.

## **Chapter 1000: Pirates Are Coming**

Chapter 1000

Those who want to forcefully break through are all forced to “persuade” Lishen and Fashen!

At that time, outside the entire base, no one dared to trespass.

That’s right, they just bully the soft and fear the hard!

They are afraid that Lishen and Fashen will kill them! The two martial arts level masters are also in the opposing camp. Although the opposing team’s number is small, their combat effectiveness is very strong!

Li Shengxian looked at them coldly and snorted, “Humph!”

“Don’t you doubt us?”

“Didn’t you say that we are sinners?”

“Why are you here to turn to sinners now?”

“What a big joke!”

After listening to Li Shengxian’s words, many people regretted it.

Now they understand that only labor can survive!

Sit back and enjoy it? Where are there such good things in the world?

The reason why they are able to live very smartly in China is because their parents are rich!

Come to this small island where you can only rely on yourself, no one will pay for their willfulness!

At this time, many people have understood this truth, but it is too late!

Especially the dozens of people who ran out of Linkai Base, their intestines were all regretful.

Knowing that there would be a shortage of food on the cruise ship, they should follow Lin Kai!

It’s better now, Lin Kai doesn’t want them anymore!

There were sighs.

Li Shengxian said coldly: "I'll talk ugly first. If anyone dares to step into our base half a step, don't blame us for being polite!"

Lee Seung-hyun made a ruthless talk!

And the two martial arts level masters are guarding at the gate, whoever dares to step forward, they will definitely kill them, no mercy!

Thousands of people can only return without success.

At that time, a large group of people walked down the mountainside.

Thousands of thousands came and tens of thousands returned.

Soon after, the tens of thousands of people had nowhere to go and returned to the cruise ship.

After seeing this scene on the cruise ship, Jia Fuhao sneered. He smirked and said, "Hehe, Lin Kai doesn't want you?"

"Really deserve it!"

At this time Jia Fuhao has become a sinner hated by thousands of people!

Now everyone understands that what Jia Fuhao gave them is always a bad check!

Lin Kai is not a sinner, he is a sinner!

Now there is no food and no water source, and they have not obtained food and water source within a stable time. Now they are facing the problem of survival!

Without the leadership of Lin Kai, how can this group of rich second generations who were born with a golden spoon in their childhood survive on the desert island?

This is a huge problem!

Now, even Lin Kai would not help them.

They know that what they did before was really chilling!

At this moment, a person on the deck exclaimed excitedly: "There is a boat!"

Hearing this, everyone looked towards the surface of the sea. At this look, everyone was excited!

Because there is really a boat coming!

A huge ship!

Here comes the rescue!

At that time, everyone on the boat cheered! The ship is coming! This shows that they are saved!

“A boat is coming! It’s saved!”

“We can finally go back!”

“Thank God!”

There was a burst of shouting voices, and the troubles of how to survive were then left behind by them.

When Jia Fuhao heard this, his eyes lit up, and he picked up the binoculars and looked over.

But from this look, Jia Fuhao’s face changed at that time.

Because he saw a banner with a skull painted on the ship!

Not a rescue ship! It’s a pirate ship! The pirate ship has come to destroy them!

At that time, Jia Fuhao shouted desperately: “Run! It’s a pirate ship!”

After all, Jia Fuhao didn’t care about anyone, and rushed directly under the ship!

Hearing this, everyone stopped cheering. They looked at the huge ship carefully, and after a closer look, everyone’s expressions changed.

Sure enough, it was a huge pirate ship!

Not a rescue ship!

At that time, I saw that the tens of thousands of people on the ship began to rush towards the ship!

“The pirate is coming! Get off the ship!”

“They are going to bombard our cruise ship! Run!”

“Run!”

Their desperate screams were everywhere.

While at Linkai Base, Li Shengxian picked up the telescope and looked at it carefully.

After seeing the pirate ship, his expression also changed.

It's really a pirate ship!

The pirate is coming! The people from the Shocking Pirate Group are here!

At this time, the pirate ship is slowly approaching, this is a huge destroyer! There were thousands of people on the destroyer! This destroyer is the super fire destroyer of the pirate group!

There are three cannons on this destroyer!

Their firepower is very fierce!

At this time, I saw that the muzzle on the pirate ship had moved in the direction of the cruise ship.

There is no room for negotiation!

They came this time just to wipe out everyone on the deserted island! Revenge for the dead black master!

And the tens of thousands of people on the deserted island are already desperate.

They now finally believe what Lin Kai said, the cruise ship is very dangerous!

Can't live on a cruise ship!

Living on a cruise ship, without resources, will die because of it! But they didn't believe it at the time!

Now they believe it, but it's too late!

boom!

There was a loud noise, and the cannon on the pirate ship directly fired a shell!

The cannonball shot towards the cruise ship!

At this time, there were still hundreds of people who had not had time to disembark.

Rumble!

There was a loud noise! The fire is soaring! The cruise ship was blown out of a huge hole!

Dozens of people died as a result!

Those who have already disembarked also have panic expressions.

Li Shengxian looked ugly after seeing this scene.

He didn't feel sorry for the dozens of people who were killed, he was worried that his base was also bombed!

"Quick! Go find Lin Kai!"

Li Shengxian caught a person beside him and ordered.

Now only Lin Kai can stand up and preside over the overall situation!

boom!

There was another cannon fire, and a cannonball blasted toward the cruise ship again.

Rumble!

There was a loud noise, a huge hole was once again blown out on the cruise ship, the fire blazed into the sky, and the cruise ship also burst into black smoke.

boom!

Another shot!

This time, the cruise ship was completely destroyed!

Hundreds of people on the cruise ship all died as a result!

And the tens of thousands of people who escaped from the cruise ship began to rush toward the mountain desperately.

At this time, only the woods on the mountain can save their lives!

At this time, the huge pirate ship has approached the island.

Thousands of pirates lifted the ak47 in their hands on the ship, and their faces showed hideous smiles.

Dozens of people even carried bazookas, they were ready for a massacre!

On the pirate ship, there is a senior general.

He is a Yin Duren, once a major general of Yin Duguo, and is now a director of the Shocking Pirate Group. This pirate ship is under his control.

## Chapter 1001: Five Elements

Chapter 1001

At this time, the Yin Duren picked up the telescope and was observing the situation on the desert island.

He saw tens of thousands of Chinese people who had fled, and also saw the Linkai base built on the mountainside.

There was a sardonic smile at the corner of his mouth.

“Ha ha.”

He sneered and said in Yin Du’s words: “It’s just a group of bereaved dogs. The rocket launcher is ready.”

“Yes!”

A pirate immediately agreed.

Orders were passed on.

At that time, dozens of pirates on the pirate ship all carried bazookas!

The bazooka and the three artillery on the pirate ship are all ready!

Give an order, whoosh whoosh! Bang bang bang!

The sound of a series of shells fired!

I saw a rain of cannonballs directly over!

The tens of thousands of people who were escaping for their lives looked up, and their souls were almost frightened!

In the sky, densely packed, all are cannonballs!

Boom! Boom! Rumble!

At that time, I saw huge pits one after another on the desert island being bombed by artillery shells!

The trees were directly blown down by shells!

Countless people were hit by shrapnel and died on the spot!

At that time, black smoke billowed on the deserted island, and it was also on fire because of the shell attack!

There was a screaming sound.

Hundreds more died!

They are desperate! They are completely desperate!

It turns out that the power outage is just the smallest ordeal they have gone through! No food is not terrible! The most terrifying thing is these pirates!

Countless shells attacked!

Countless people died under the shells!

In front of life, what does it count to endure hardship?

If they were given a chance to choose again, they would definitely listen to Lin Kai!

They will not evade responsibility because of their laziness! After all, Lin Kai has no obligation to rescue them!

It is love to save people, but it is duty not to save!

But now, it's too late to say anything!

After several rounds of cannonball rain, tens of thousands of people have died and injured more than a thousand!

The remaining nine thousand people have already fled into the woods, but even so, every round of shell attack can kill countless of them.

And Jia Fuhao and Rat Wuxiang are hiding behind a big tree, shaking.

At this time, they seemed to be pale and weak.

rule? Doesn't exist anymore.

Living will be a huge challenge!

On the pirate ship, Director Yin Du looked at all this coldly.

At this moment, he had already noticed the Linkai base which was halfway up the mountain, and he had noticed the hundreds of people.

“Break down those hundreds of houses for me!” Director Yin Du ordered.

“Yes!”

Pirates will lead immediately!

At that time, countless bazookas and artillery all aimed at the brave home.

Whoosh whoosh! Bang bang bang!

The crisp blow sounded, and the shells flew in! A round of cannonball rain blasted directly at Linkai Base, which was halfway up the mountain!

And more than 9,000 people on the island looked up at the cannonball rain in the sky.

More than one hundred people in Linkai Base panicked at the time. They began to hide in the cabin, and they also began to run for their lives!

After seeing this scene, Jia Fuhao, who was not far away, showed a gloating smile on his mouth.

“Haha, hahaha!”

“Lin Kai! What if you are right? In front of the pirates, you will die too! Hahaha!”

At this time, Jia Fuhao was greatly satisfied!

Even if you have enough food! Even if you have a place to live! so what?

Can't escape a dead word!

As for the more than one hundred people in Lin Kai base, all of them were desperate at this time.

They know that they can't run away!

Just as the shell was about to fall, a layer of colorful transparent protective cover appeared out of thin air!

The protective cover directly envelops the entire brave home!

And all the shells exploded on the protective cover!

Boom! Rumble!

There was a loud noise!

I saw the light of the protective cover did not fade away! The protective cover is completely new! On the contrary, the shells did not harm anyone in Lin Kai's base at all!

Even everyone did not hear the deafening explosion!

The ground did not vibrate either.

Everything is the same as it never happened.

After seeing this scene, everyone was shocked.

More than a hundred people in Linkai base looked up at the sky stupidly. Is this God protecting them?

Do not!

This is Lin Kai sheltering them!

At this moment, I saw Lin Kai drilled out of the hole, with a magic talisman hanging around his waist!

That is the five elements!

Wuxingfu has a strong ability to protect itself!

After using the five-line talisman, the five-line talisman can immediately form a protective cover!

The protective cover can withstand the bombardment of master-level masters at first! But with the passage of time, the protective cover absorbs the power of the five elements, even if the gods come, it cannot break the protective cover!

And the current Five Elements Talisman can resist their bombardment!

Can protect Lin Kai's people's peace!

"Brother!"

“Brother Kai, you are out!”

After seeing Lin Kai, a group of people immediately gathered around, all with worried expressions.

One is worried about Lin Kai, and the other is worried about pirates outside.

And the corner of Lin Kai’s mouth showed a confident smile.

“Don’t worry about me, I’m fine.”

“What are you guys doing, don’t let anyone in from outside!”

Lin Kai’s eyes were filled with indifferent eyes!

Since you choose to be a bad guy, then do the bad guys to the end!

I am Lin Kai, remember how you treated me!

I kill the black master! Kill the pirates! Pull the cruise ship! Saved the lives of your boat!

I asked everyone to work and take root on the deserted island, but you said that you are the best people and don’t know how to do these rough jobs!

You say I am a sinner!

Say I’m inferior!

it is good!

Then I, the inferior, will not serve you the superiors today!

I’m Lin Kai, I don’t owe you anything!

This is Lin Kai’s most true thought!

On the pirate ship, Director Yin Du frowned while holding the telescope.

He also observed the scene just now.

After seeing the protective cover, he already understood that there are experts on the desert island!

“Don’t approach the island, attack from a long distance, don’t attack that light spot, attack other people!”

Director Yin Du's order was passed on.

"Yes!"

Countless pirates lead.

At that time, a new round of attacks began!

This time, the pirates did not choose to attack Lin Kai's base, they chose to attack other people on the desert island who were not protected by the protective cover!

The cannonball hit the past mercilessly!

A merciless explosion on a desert island!

Cannonball rain has claimed the lives of many people!

On the desert island, there is only the pure land of Brave Home.

At this moment, the first echelon of cat sister has already begun to cook lunch, and there is a burst of fragrance.

Compared with the group of mourning dogs outside, the brave home is like a paradise, the only paradise on the desert island!

Here, there is no war, no gunpowder smoke, but peace. Everyone can enjoy the fruits of their labor without worrying about dying under the shell.

## **Chapter 1002: Go Ashore**

Chapter 1002

War is extremely cruel.

And on the desert island, a slaughter-like war is taking place!

Almost all the 10,000 people on the desert island have no resistance and can only let the flying cannonballs kill them!

Everyone is shrouded in despair and fear.

In just half an hour, the shells have killed more than two thousand Chinese people!

The survivors were all hiding in a corner on the desert island, shivering.

However, there is a piece of pure land on the desert island, which has never been affected by shells.

That is the brave home in the protective cover!

The land and trees are intact, and none of the more than one hundred cabins collapsed.

The more than one hundred people living in it were extremely afraid of the shells at first, but later they discovered that the shells could not penetrate the protective cover.

They also gradually relaxed.

It's time for lunch.

Today's lunch is the coriander rabbit broth and the fresh peaches that Lin Kai just delivered.

Everyone was sitting in the yard eating with big peaches and wooden bowls, watching the people outside being bombed.

And many people are lying on the outside of the protective cover, looking longingly at the people in the protective cover.

They wanted to enter, but Lin Kai did not allow them to enter.

They missed the opportunity to follow Lin Kai!

If they simply missed it, Lin Kai would definitely accept them. But they were ungrateful and took a bite back, which made Lin Kai cruel and completely isolate and abandon them!

Otherwise, how can they endure this pain?

At this time, Jia Fuhao and Rat Wuxiang hide outside the protective cover shivering.

They looked longingly at Lin Kai who was in the protective cover.

Mouse Wuxiang pleaded: "Lin Kai! I beg you, let me in! I was wrong!"

Bang bang bang!

He hammered the surface of the protective cover hard.

But no one sympathized with him.

At this time, Huang Tianshi slowly walked to the mouse Wuxiang, with a gloating smile on his face.

“Hehe, Rat has no phase, do you have today?”

“Isn’t it arrogant when I robbed my prey the other day?”

“What’s going on now?”

After that, Huang Tianshi sneered and took a bite of the big peach in his hand.

This action caused the rat who was outside the protective cover to swallow a mouthful.

They have not eaten for a long time, and their chests are almost touching their backs.

“Can you...give me a peach?” Mouse Wuxiang pointed at the peach, swallowed and asked.

Huang Tianshi glanced at the peach in his hand and smiled playfully.

He threw the peach in his hand directly.

As soon as Taozi appeared, dozens of people flashed up, frantically stepping forward to \*\*\*\* food!

At this time, they don’t care about Rat Wuxiang and Jia Fuhao, food is the most important thing!

This scene is very similar to the scene of feeding a group of dogs, a group of dogs snatching food.

Huang Tianshi shook his head and smiled, and strode back to his house.

Is it guilty to see so many people die in front of you? Huang Tianshi is not ashamed.

The cabins are built by them, the food is their labor, and the protective cover is theirs. They have the right not to use it for anyone!

Even if they watched them die outside, Heavenly Master Huang would not feel uneasy in his heart.

At this moment, on the pirate ship, Director Yin Du frowned at the scene in front of him with a telescope.

“Report supervisor!”

“Huaxia people all ran into the woods and hid them. The bombing is difficult!”

“Also, the glowing protective cover seems to be impenetrable. Cannonballs are not effective against it!”

A pirate ran over and said in Yin Duyu.

Director Yin Du nodded, a chill flashed in his eyes.

He said: “Drop! Massacre with a rifle!”

Director Yin Du is going to kill him!

Cannonballs are too expensive, and now the Huaxia people on the deserted island have already hidden, and bombarding them with cannonballs would be too wasteful.

Since they are all unarmed people, it would be more convenient to slaughter them with a rifle.

“Yes!”

The pirate agreed and immediately arranged the matter.

The huge pirate ship is slowly approaching the desert island.

The people on the desert island also discovered that the pirate ship no longer fired cannonballs, but before they could breathe a sigh of relief, something more terrible came.

Because the pirate group is about to dock!

After seeing this scene, there are only two words in everyone’s eyes, panic!

After the pirates landed, the bullets would ruthlessly take the lives of all of them!

At that time, the Huaxia people on the desert island ran towards Lin Kai’s base like crazy!

Before long, the outside of the base protective cover was full of people!

There are thousands of people!

They thumped the protective shield desperately, with fear on their faces! They wanted to get inside the protective cover, and they prayed that Lin Kai could save their lives!

“Open the door!”

“Let’s go in!”

“You people, are you so cold-blooded?”

“If we don’t let us in, we will all die!”

...

There were wailing voices.

And Lin Kai looked at the thousands of people surrounding the protective cover with his arms folded, and a playful smile appeared at the corner of his mouth.

Even if these people are dead, they have nothing to do with him!

Lin Kai gave them a chance, but they didn’t cherish it!

Soon after, the huge pirate ship began to dock.

The rope ladder was dropped from the pirate ship, and pirates gathered one by one at the beach.

In ten minutes, thousands of pirates will be assembled, and that time is when the massacre begins.

Li Shengxian stood beside Lin Kai and said, “They are about to be assembled. Do we really have to sit back and watch?”

Even Li Shengxian couldn’t bear it now.

Two or three thousand people have died, these people, after all, are fresh lives!

“Tuning? Why do you care about them?” Lin Kai smiled coldly.

“But, after all, these pirates are also our enemies! Since they dare to go ashore, I dare to let them come back and forth!”

After that, a chill flashed across Lin Kai’s eyes.

He hates evil!

These pirates prevented them from returning to China for a long time, so Lin Xinxin naturally hated them!

“Xiao Li! Xiao Fa! Xiao Yin!”

Lin Kai yelled three times.

“in!”

At that time, Li Shen Fa Shen and Yin Shen both appeared behind Lin Kai.

Lin Kai squeezed his fist and made a crackling sound.

“Go! Welcome!”

“okay!”

A bloodthirsty light appeared in the eyes of the three of them.

They haven't killed them for a long time!

At that time, a door appeared under the protective cover. As soon as this door appeared, the people outside crowded crazily toward the inside!

But Lin Kai waved his hand and all these people flew out!

Afterwards, Lin Kai led the three of them out of the protective cover, and the door behind him closed.

At this time, a thousand pirates have assembled!

They were standing under the pirate ship, and the weapons in their hands were all ak47 rifles!

Some pirates are full of grenades! It's extremely difficult to mess with at first sight!

And they also looked at Lin Kai's side.

## **Chapter 1003: Ants?**

Chapter 1003: Ants?

Director Yin Du also jumped off the pirate ship.

With a big wave of his hand, he led thousands of people and walked in the direction of Lin Kai mightily.

Thousands of people, each with an ak47 rifle! A grandiose expression!

There are blacks, whites, and yellow races. Although the combat effectiveness of this miscellaneous army is not as good as the regular army, it can completely slaughter ordinary people!

Director Yin Du's face was also cold.

I saw Director Yin Du waved his big hand and made a crash, and thousands of people raised their rifles at the same time!

The muzzle of the black hole pointed directly at the thousands behind Lin Kai!

Lin Kai tilted his neck and laughed.

He took the three great kings and walked directly over.

boom!

Just as Lin Kai took a step, Director Yin Du took out the revolver around his waist and fired a shot directly under Lin Kai's feet.

"stop!"

Director Yin Du said in bad Chinese.

Lin Kai smiled slightly when he saw this, he just paused for a moment, and then walked to Director Yin Du.

And the three great kings behind him are not afraid at all!

Director Yin Du frowned when he saw this.

boom!

He fired another shot, and a bullet flew past Lin Kai's ear!

"I said stop!" Director Yin Du said angrily.

But with a faint smile on Lin Kai's face, he strode towards Director Yin Du.

No one is defiant! Very rampant!

Lin Kai came directly to Director Yin Du and looked at Director Yin Du condescendingly.

And the three great kings behind Lin Kai were arrogant one by one, and didn't pay attention to these murderous pirates.

There was also a hint of anger in Director Yin Du's eyes.

"You are looking for death!"

Snapped!

Director Yin Du had just finished speaking, and Lin slapped Director Yin Du's face directly!

I saw Director Yin Du's face crooked, half of his face became red and swollen, and a trace of blood dripped from the corners of his mouth.

The scene was silent at that time.

Director Yin Du stared at Lin Kai with an incredible expression.

He did not expect that the other party would dare to hit him in this situation!

"Do you dare to hit someone?" Director Yin Du's voice was very angry.

Lin Kai tilted his head and smiled, and said, "Hehe, you are the one who hit!"

brush!

At this moment, I saw Director Yin Du directly raised the revolver in his hand, and the pistol was directly against Lin Kai's forehead.

"you wanna die!"

Director Yin Du roared and wanted to shoot!

But he hadn't moved yet, he moved when Lin Kai brushed his hand.

The action is like lightning, almost blurry!

Director Yin Du didn't know what was going on, the pistol in his hand had fallen into Lin Kai's hands.

After that, Lin Kai kneaded the pistol into a twist shape like dough!

"With a little pistol, you want to kill me too?"

Lin Kai's eyes were full of banter.

Director Yin Du blankly looked at the pistol in Lin Kai's hand, and he was shocked.

Is the opponent's strength so strong?

At this moment, he instantly understood.

"You... are you the one who killed the grandmaster of our shaking pirate group?"

There is only one explanation. The person in front of you is a cultivator, a very powerful cultivator!

"It seems that you are not stupid yet." Lin Kai joked.

"Now, I give all of you a chance to survive, put all your weapons on the ground, squat down with your head in the ground, and wait to accept the sanctions of China's laws.

Lin Kai put his hands in his pockets and said with a smile on his face.

After listening to Lin Kai's words, Director Yin Du was furious!

As the head of the shaking pirate group, when has he been so mocked?

"Don't think that you are a cultivator, how amazing you are! We have a cultivator!"

Happiness!

As Director Yin Du's applause fell, two people appeared on the bow of the pirate ship.

Two old men of Yin Duguo!

Dark skin, wearing a white robe, and a white towel-like hat on his head.

They stood with their hands behind and stood on the bow.

These are two master-level masters!

Lin Kai looked up at them and smiled at the time: "Hehe, just with them, you want to kill me?"

Lin Kai shook his head, he was laughing at these people's stupidity!

"I will now give you another chance to surrender or die!" Lin Kai's voice chilled.

Lin Kai didn't take these pirates seriously!

Director Yin Du also looked at Lin Kai very angrily. This person is really too arrogant!

"court death!"

“Two grandmasters, I ask you to help the pirate group kill this person!”

I saw Director Yin Du clasped his fists towards the two on the bow and prayed.

And the two master-level masters on the ship looked at Lin Kai proudly.

They are master-level powerhouses, so naturally they don't pay attention to ants like Lin Kai.

In their opinion, Lin Kai is so young, even if he is a cultivator, how strong can he be?

Even if he is a master, there are two of them!

Lin Kai shook his head and looked at Director Yin Du very regretfully: “I really want to toast and not eat fine wine!”

After that, Lin Kai snapped his fingers directly.

Everyone looked at Lin Kai with a puzzled face, and they were all right. What did they snap their fingers for?

But they will understand in the next second.

I saw on the bow, behind the two great masters, I don't know when, someone appeared out of thin air!

That person appeared silently behind the master master!

And those two master-level powerhouses were actually unconscious!

The person here is the hidden god!

I saw the corner of Yinshen's mouth with a cruel smile.

He directly attacked one of the two masters!

The dagger slashed directly from the neck of the master-level powerhouse!

Stabbed!

A spatter of blood came out!

The master-level expert opened his eyes wide, covered his neck, and slowly turned his head back.

He didn't know how he died until he died!

And the other master was shocked!

When he turned his head, he saw the hidden \*\*\*\* who sneered at him.

And the body of Yinshen is disappearing!

Vanished out of thin air in front of him!

In just two seconds, the Yinshen completely disappeared!

Can't even see the shadow!

The face of the remaining grandmaster was full of panic.

The other party will be invisible! And he can perfectly conceal his breath, even he can't notice it!

This also means that the other party does not know when they will give you a knife and make you die!

Director Yin Du was dumbfounded when he saw this scene.

A master-level powerhouse, one died so easily?

Moreover, the other party has more than one cultivator!

Lin Kai put his hands in his pockets, with a faint smile on his face: "Hehe, I gave you a chance, but you don't cherish it!"

After listening to Lin Kai's words, Director Yin Du's scalp became numb.

Only then did he understand it, no wonder the other party was so confident, it turned out that he was just an ant in the eyes of others!

## **Chapter 1004: Come Back Home**

Chapter 1004 Go Home!

"Who are you?"

Director Yin Du asked in a panic.

Lin Kai smiled slightly and said, "Go to the Lower Mansion and ask Lord Yan!"

After listening to Lin Kai's words, Director Yin Du was stunned again: "Where is the underground palace? Who is Yan Wangye?"

As Yin Duren, he naturally didn't know about the local government and Lord Yan.

But it didn't matter, it didn't stop Lin Kai's determination to kill them.

This group of pirates are all heinous people, even if they kill them all, Lin Kai will definitely not be merciless!

"All killed!"

After saying this, Lin Kai walked directly to the rear.

Director Yin Du understood this sentence.

Director Yin Du heard this and his eyes were red at the time. Since you are going to kill me, then I will die with you!

"Shoot! Kill them!"

At that time, there was a burst of gunfire!

Bang bang bang! Bang bang bang!

Countless bullets are coming!

But Lin Kai put his hands in his pockets and didn't even turn his head back!

Countless bullets fired on Lin Kai's body, only to be bounced mercilessly! There was even a spark!

The bullet is not effective against him!

And the corners of Fashen and Lishen's mouths showed cruel smiles.

It's finally time to kill!

Seeing Lishen lifted a pirate with one hand, he slammed him to the ground, and then stepped over with his feet!

boom!

That person immediately became a mass of fleshy flesh!

The methods of the Fashen are even more cruel!

Fashen raised Jade Ruyi in his hand and shouted: "Fire!"

At that time, I saw a huge dark cloud above everyone's head!

Afterwards, countless groups of burning flames fell from the dark clouds!

These flames cannot be extinguished! At that time, screams sounded!

The bullet had no effect on both of them!

At this moment, on the bow of the ship, the living master shivered.

He saw that the two people below were also masters! And they are stronger than him!

After all, the three great gods are all blessed by spells!

His legs were trembling, after all, his companion had just died in front of him.

For the first time he felt death so close to him.

At this moment, he only felt a cool breeze blowing in his ears, and a voice quietly sounded: "Next life, be a good person."

Hearing this, he shook all over, and saw a cold dagger appeared on his neck.

"Do not"

Puff!

A spurt of blood! He also fell on the bow!

Yinshen licked the blood on the dagger, a cruel smile appeared at the corner of his mouth, and then his body disappeared into the air little by little.

For them, killing these Chinese people is tantamount to massacre!

But for Lin Kai and the others, killing these pirates is tantamount to massacre!

Soon, ten minutes passed.

Ten minutes later, the scene gradually became quiet.

The beach has been stained red with blood, and the sea has turned blood red.

Corpses in one place.

More than a thousand people! They died on the beach.

Death is quite tragic!

Some people were burned to death by the fire, and some were punched through the chest by Lishen. There was no intact body at the scene!

Jia Fuhao, who was not far away, felt a nausea after seeing this scene.

At that time, he supported the tree and vomited.

This Lin Kai is really terrifying!

He doesn't take the lives of these people in his eyes at all!

The lives of these people are like ants in his eyes!

Killing them is no different from trampling on a group of ants!

Lin Kai is simply a demon!

At this time, they also felt scared. It turned out that if Lin Kai wanted to kill them, it would be nothing more than a word.

Lin Kai put his hands in his pockets and stood by the sea.

He looked up at the huge pirate ship in front of him, with a smile on his mouth.

It seems that I can finally go home!

Back to China!

The three great kings also appeared behind Lin Kai.

Lishen clasped his fists and said: "Boss, all killed! But there are still several people on the boat, do you want to kill?"

Lin Kai shook his head when he heard the words, and said, "No, we have to rely on them to send us home!"

"Notify everyone in the base that you are home!"

Lishen heard this, and a hint of excitement flashed through his eyes.

He didn't want to stay here long ago! I can finally go home!

"it is good!"

Lishen agreed and went to do this.

Lin Kai stretched out his hand, and the huge protective cover turned into a spot of light and got into Lin Kai's body.

In Lin Kai's hands, the Five Elements Talisman also appeared.

Five elements, this is baby!

The people in Lin Kai's base were also very excited, they could finally go home!

More than a hundred people did not bring anything, excitedly ran to the beach, ready to board the ship and go home!

Lin Kai jumped up and flew directly onto the huge pirate ship!

He glanced at the bodies of the two grandmasters, kicked them down casually.

At this time, eight people were standing on the deck.

These eight people are the crew and captain of the ship.

Among them, the captain is a Chinese.

Lin Kai looked at the captain.

"Are you the captain?"

Lin Kai asked.

"It's... it's me..." the captain said in Chinese.

He was shaking all over, obviously very scared.

"Why do you want to be a pirate?" Lin Kai's eyes flashed with coldness.

When the captain heard the words, his emotions became agitated: "Master, I don't want to be a pirate either!"

"I'm an ordinary small captain of the Huaxia Country!"

"Three years ago, I drove this ship to transport goods. The group of pirates didn't say a word or hijacked the ship, and they asked me to sail for them. I couldn't help it for three years!"

While speaking, the captain's tears have already fallen.

Hearing this, Lin Kai's eyes also flashed with pity.

"It's okay, you can go home."

"Do you know how to get back to China?"

Lin Kai asked.

After listening to Lin Kai's words, the captain was very excited. He nodded repeatedly: "Know! Know! There is a compass on board! There is navigation! There is radio! There is everything!"

"Well, we will leave in half an hour and return to China!"

"okay!"

At this time, more than one hundred people had assembled under the ship.

They all looked at the big ship in front of them very excitedly.

Lin Kai also looked down at them, with a smile on his face: "Comrades! We are home!"

"Oye!"

"I can finally go home!"

"Great!"

"Wa hahaha!"

...

There was a burst of excitement, and the group was very happy.

At this time, the remaining thousands of Chinese people quietly came to the beach.

In their eyes, there is a deep color of envy.

They want to go home too! They want to board this big ship too! But they knew that Lin Kai would never forgive them for the wrong things he did!

Shu Wuxiang and Jia Fuhao stood in front of this group of people. They both looked at Lin Kai, with regretful expressions on their faces.

## **Chapter 1005: Fetal Gas**

Chapter 1005

Regret it?

regret!

At this time, Jia Fuhao wanted to slap himself twice!

What kind of \*\*\*\* emperor? Do you have that qualification?

Do you know how to survive in the wild? Do you have the ability to lead everyone to survive?

You just relied on your identity and small means to temporarily dominate the cruise ship!

And now, you have been cast aside by thousands of people!

Thousands of people died in the streets because of you!

Thousands of people could not board the ship and go home!

You are a sinner!

Jia Fuhao was very upset and regretful, he lowered his head.

Thousands of people looked at Lin Kai eagerly, with prayers in their eyes.

At this time, more than 100 people from Lin Kai had already boarded the pirate ship, and they were ready to go home!

“Don’t blame me for being ruthless, I gave you a chance.”

Lin Kai looked at the thousands of people under the boat and said lightly.

After listening to Lin Kai’s words, countless people bowed their heads, looking ashamed.

“I Lin Kai kills pirates for those who can’t spend a billion! To keep them alive!”

“In your eyes, I am reckless!”

“I tried my best to bring the cruise ship to this deserted island. You don’t need to be grateful, and you say I’m a sinner!”

“I want to lead everyone here to survive, but you say that you are the upper-class people, and the lower-class people will work.”

“It is good!”

“As a result, you also saw it!”

“You are rich people, but I don’t owe you Lin Kai!”

“It is my duty to let you go on board, and it is my duty to prevent you from getting on board!”

“Let’s see you bye bye!”

“Sail!”

After Lin Kaiyi called, the huge pirate ship started directly!

Thousands of people on the deserted island just watched the pirate ship disappear before their eyes.

Regret it?

regret!

The intestines are all regretful!

But they didn’t dare to forcibly board the boat. They could see the scene of Lin Kai’s murder just now.

The problem facing them now is how to survive.

In this way, countless sorrowful eyes looked at Jia Fuhao.

...

After sailing, Lin Kai and Huang Tianshi came to an empty room.

Lin Kai looked at Huang Tianshi and asked very seriously: “Now, can you tell me where he is?”

When Huang Tianshi heard this, he smiled slightly and nodded: “Yes.”

“Actually, everything is in my calculations.”

After hearing what Huang Tianshi said, Lin Kai frowned and asked, “What do you mean?”

“Actually, before boarding this cruise ship, I knew that such an accident would happen, and I also knew that we had to stay here for at least dozens of days.”

After that, Huang Tianshi smiled triumphantly.

Upon seeing this, Lin Kai clenched his fist and said angrily: “You know you still take me on this ship? You old boy are fine for excitement!”

After all, Lin Kai punched him and was about to beat him.

And Huang Tianshi hurriedly waved his hand and smiled bitterly: “Hey hey! Don’t be rough, listen to me first!”

“Say!” Lin Kai said grimly.

“I’m here to save you!”

After that, Lin Kai gave a wry smile, shook his head, and said.

After hearing what he said, Lin opened his brows and frowned and asked, “What do you mean?”

“Did you forget Zhang?” Huang Tianshi asked with a slight smile.

Zhang?

Lin Kai remembered it instantly.

Cheng Zilei’s master! Master’s master!

“Remember!” Lin Kai was shocked as soon as he said this.

Wait, how did he know Zhang? I never told him!

At this time, Lin Kai’s eyes when looking at Huang Tianshi changed.

Tianshi Huang smiled slightly and said, “Hehe, you don’t have to look at me like this, the name of the first Tianshi in China is not for nothing.”

This China’s first celestial master is indeed amazing.

“You killed his lover, Zhang will naturally not let you go.”

Lin Kai nodded, indeed, after all, Cheng Zilei is a master of the master level!

It is extremely difficult to cultivate a master at the master level.

“You mean, Zhang came to Jiangbei to retaliate against me during this time?” Lin Kai asked.

Huang Tianshi smiled mysteriously and nodded: “That’s right.”

Hearing this, Lin Kai’s heart squatted, and he asked, “Then there will be no problems with my family, right?”

Lin Kai’s family has always been Lin Kai’s weakness. If something goes wrong with his family because he is out, he will blame himself for a lifetime!

When Huang Tianshi heard the words, he shook his head and smiled: “Haha, don’t worry, your family won’t have any problems.”

“Why are you so sure? Zhang Ke is Xie Xiu! What can’t he do for revenge?”

Hearing this, Huang Tianshi nodded: “Yes, Zhang can do anything, but your family is protected by an expert.”

“Superior?”

“Where did the master come from?”

“And that’s the master of the great master!”

Lin Kai did not understand.

And Huang Tianshi laughed and said nothing at this time, and he would not continue to say the next words.

“Don’t worry, your family won’t have any problems.” Huang Tianshi added.

“Where is Lin Yuan?” Lin Kai asked again.

“East China Sea.”

“East China Sea?”

Lin Kai’s eyes widened. You know, there are thousands of kilometers between Jiangbei and the East China Sea!

What is Lin Yuan doing so far?

“Why is he in the East China Sea?”

Huang Tianshi smiled slightly: "Since Lin Yuan was reborn, he has gone to the East China Sea."

"The reason is simple, he wants to beat you in every aspect!"

"Including establishing a family."

"Donghai Province is the richest province in the entire China State. Where he goes, he naturally wants to grow."

"To tell you the truth, Lin Yuan is now the boss of Leiyuan Group, a large company in the East China Sea!"

Leiyuan Group, Lin Lei? Lin Yuan?

After Lin Kai listened to Huang Tianshi, he couldn't react for a long time.

"This kid is quite leisurely!" Lin Kai said to himself.

"Then where exactly is he?" Lin Kai asked again.

Tianshi Huang frowned and said: "Give me a few more days, I will calculate the details."

"Why have you been on the island for so long?"

"Hunting!"

"..."

Lin Kai was speechless for a while, so he had to leave Huang Tianshi's room and returned to his own room.

It seems that I need to take a trip to the East China Sea!

Lin Yuan, you must kill!

And the Leiyuan Group founded by Lin Yuan, he has to destroy himself!

Lin Yuan, I will not give you a chance to rise!

At this moment, Lin Kai suddenly felt a burst of pain in his dantian.

bad!

This feeling seems to be a breakthrough!

But what seems to be a shortcoming!

“Your dantian is going to give birth to golden pill, should it start to nurture now?”

“Growing Golden Core?”

Lin Kai looked dazed.

“If you want to become a golden core monk, you must let your Dantian bred your own golden core, and you cannot use the cultivation base during the golden core phase, otherwise you will get fetal gas.”

“Does it start to nurture Golden Core now?”

“Watt? A fetal gas?”

## **Chapter 1006: Li Family**

Chapter 1006

What the hell?

God \*\*\*\* fetal gas!

If you want to become a monk in the Golden Core Stage, you are still pregnant!

Lin Kai was helpless for a while.

But he has to accept this reality again, because if he wants to become stronger, he must accept it.

The most important thing is that his own cultivation power will not be able to use, that is to say, within a period of time, Lin Chan will become an ordinary person.

Lin Kai has too many enemies, so in order to protect his safety, the four great gods Lin Kai decided to take him with him.

“Now start to nurture the golden core!” Lin Guangfang said.

“Starting to conceive, please wait.”

The voice of the system came.

Soon after, the swelling and pain at the pubic area disappeared completely, and at the same time, Lin Kai also lost contact with the pubic area.

Really an ordinary person.

It seems that the plan to find Lin Yuan's revenge can only be released temporarily.

However, Donghai City still has to go, and he must be familiar with Lin Yuan's influence in Donghai City, and then destroy Lin Yuan's foundation in Donghai City in one fell swoop!

...

A week later, everyone finally saw the dock, the dock in Donghai City!

Everyone stood on the deck, very emotional.

After many days, I finally came back! China!

And behind Lin Kai, standing four great kings, Yu Shen also returned.

Soon after, the big ship drew ashore, and all the people on board walked onto the pier, all of them excited.

It feels good to be reborn!

At this time, the dock was already surrounded by the Li family.

On the dock, there are a group of people in black, there are hundreds of people! Irrelevant people are not allowed to stay at all.

On the boat, Li Shengxian explained to his family what had happened at sea, so when he arrived at the dock, he would see people from the Li family greet him here.

"Thirteen young people."

At this time, a middle-aged man in his forties walked over quickly.

He looks like a butler in a suit and leather shoes, wearing glasses.

"Housekeeper Li." After seeing him, Li Shengxian was overjoyed.

"Thirteenth Young Master, you are finally back. The Great Sea has been out of contact for many days. You make everyone in the Li family very worried!"

Butler Li's face showed care.

When Li Shengxian heard the words, a smile appeared on his face: “Hahaha! I am afraid there are not many who really care about me, but there are a lot of people who want me to die!”

Hearing that, an awkward expression appeared on the face of Butler Li.

At this moment, Steward Li looked at Lin Kai and others, with a puzzled expression on his face.

“Thirteenth Young Master, who are they?”

Li Shengxian looked back at Lin Kai and introduced to Steward Li: “They are all my friends.”

friend?

After hearing this word, Steward Li showed a strange expression on his face.

He grew up watching Li Shengxian. He knew Li Shengxian’s character, but Li Shengxian had few friends.

This time, I went out and brought back so many friends.

“Housekeeper Li, take someone outside and wait for me. Let me say a few words with my friends.” Li Shengxian said.

Butler Li nodded and left the dock with his men.

“Lin Kai, do you have a place to stay in Donghai City?” Li Shengxian asked.

Lin Kai smiled and shook his head when he heard the words.

Hearing this, Li Shengxian’s eyes lit up.

During the time with Lin Kai, he and Lin Kai have become brothers.

The kind of falling in love and killing each other.

“Why don’t you go with your brother? Brother covers you!” Li Shengxian smiled.

Lin Kai smiled and nodded after hearing the words, “Okay!”

Anyway, if Lin Kai didn’t settle down in Donghai City, he might as well follow the thirteenth youngster back to Li’s house.

“Really?” Li Shengxian was very happy when he heard this.

Lin Kai nodded and said, "Naturally it is true."

"awesome!"

Then, Lin Kai looked at more than a hundred people behind him.

They all followed Lin Kai to Donghai City.

At this moment, Lin Kai clasped his fists at everyone and said, "Everyone, thank you very much for believing in me, Lin Kai!"

"And I, Lin Kai, brought you back to China safely!"

"Let's see you bye bye!"

After listening to Lin Kai's words, the more than one hundred people all looked at each other.

Then, they all bowed to Lin Kai.

This bow expressed their gratitude to Lin Kai.

Soon after, more than one hundred people dispersed.

At the scene, a few people were still shed.

Liu Xiangyi, Cat sister, Zhu Manqing, Huang Tianshi.

Lin Kai looked at them, smiled slightly, and said, "Mao Sister, Liu Xiangyi, Zhu Manqing, Jiangbei is your home, you can't follow me."

Hearing this, the faces of the three women all showed unwilling expressions.

"But..." Before Zhu Manqing spoke, Lin Kai reached out and interrupted her.

"No, but what I have to do next is dangerous!"

"You three, can't follow me."

Then, Lin Kai looked at Li Shengxian and said, "Thirteenth Young Master, please arrange for someone to send them back to Jiangbei."

"No problem!" Li Shengxian directly agreed.

Despite their reluctance, they will leave Lin Kai.

Donghai City, for Lin Kai, is a new world, a world full of challenges!

And he didn't want to be caught by women.

Soon after, the three of them were sent away.

Only Lao Huang was left beside Lin Kai.

Among the four great kings, only the hidden \*\*\*\* followed Lin Kai, and the other three were on standby.

Soon after, Lin Kai got into a Mercedes-Benz sedan.

The convoy slowly left the dock.

Thirty Mercedes-Benz E300s came to pick up Li Shengxian home.

Seated in the co-pilot was Butler Li, and Lin Kai and Li Shengxian were in the back seats.

Lin Kai looked at Donghai City outside the car window, and couldn't help sighing that this Donghai City is indeed one of the only four super first-tier cities in China.

It is very prosperous and busy, and the water here is deeper than the capital.

Although the capital is big, there are many people.

Although Donghai City is large, there are not so many people. The coastal cities are very rich.

Lin Yuan would really pick a place! It is not easy to make a fortune in Donghai City, and he can grow Leiyuan Group in one year.

After driving for two hours, the convoy drove into a manor in the city center.

Li Family Manor!

It occupies a huge area! The ability to build such a luxurious manor in the city center shows the strength of the Li family.

As soon as I entered Li's house, I could immediately see the spotless road. On both sides of the road, there were some very rare green plants, and the tall security guards could be seen more than ten meters away.

There are white swans in the clear artificial lake and even the zoo in the park.

As expected of the Li family!

After driving for ten minutes, he reached the depths of the manor.

The convoy stopped, and what stood in front of everyone was a huge castle!

European style, very magnificent, noble everywhere, leather carpets spread from the castle to the front of Lin Kai and others.

On both sides of the red carpet, there were hundreds of maids with hot bodies and beautiful looks.

Compared to the Li family, the Lin family is still too shabby, and the Li family is indeed the richest family in Asia!

## **Chapter 1007: Be A Driver**

Chapter 1007

“How is it? Style, right?” Li Shengxian raised an eyebrow at Lin Kai and said in a desperate way.

“Not bad.” Lin Kai nodded in praise.

“Go! I’ll show you my dad, once the richest man in Asia!” Li Shengxian smiled.

“Once? Not now?” Lin Kai asked curiously.

“Cut! The richest man in Asia changes one a day, and my dad only stayed at the top of the rankings for a month at most, and it’s long gone!”

Li Shengxian rolled his eyes and said.

Soon after, Lin Kai followed Li Shengxian into the magnificent castle, and Huang Tianshi followed closely.

The interior of the huge castle is very magnificent. The hollow design gives people a sense of trance into a new world. The interior decoration full of European design style gives people the illusion of becoming a European nobleman.

“Brother Thirteen, are you embarrassed to come back?”

Just entering the castle, only one person stopped everyone.

It was a man who appeared to be about 30 years old, wearing a white suit, and his face was somewhat similar to Li Shengxian.

On his face, there was a smile without a smile.

Squinted at Li Shengxian.

After seeing him, Li Shengxian's face changed.

"Big Brother." Li Shengxian bowed his head.

"Don't! Don't call me big brother, I can't afford it!" Li Haoxian took a step back and said with a smile on his face.

"You are really capable! Thirteen brothers, lost contact for a month, there are tens of thousands on board, you only brought back over a hundred people!"

"Do you know how much trouble you have caused?"

Li Haoxian's tone was very unkind.

Li Shengxian lowered his head and gritted his teeth.

"I will explain all this to Dad."

Li Shengxian seemed to be very afraid of Li Haoxian, this man put a lot of pressure on Li Shengxian.

It's hard to believe that the rebellious Li Shengxian actually has people who are afraid.

At this moment, a sound of high heels stepping on the ground sounded.

clatter! clatter! clatter!

Everyone turned their heads and looked, only to see a lady who was holding her arms coming from not far away.

Crystal-colored high-heeled shoes, wearing a red dress with a one-piece suit, a delicate face and an arrogant face.

This woman is only twenty-three-four years old. She is Li Haoxian's wife and Li Shengxian's sister-in-law.

"Humph!" Wang Rong snorted coldly, and glanced at Li Shengxian disgustingly.

"Our thirteenth brother, what else can we do besides getting into trouble?"

"Relying on being the youngest in the family and being loved by my father, I never put your brothers in the eyes!"

“Have you seen? You will find your father when you come back. Has he ever put your big brother in his eyes?”

Wang Rong found Li Haoxian’s side and said with her arms folded.

It turns out that Li Shengxian is the youngest in the Li family.

Lin Kaiduo glanced at Li Shengxian.

An awkward expression appeared on Li Shengxian’s face.

“Sister-in-law, I’m looking to Dad, there is an important thing to talk about.”

Li Haoxian snorted coldly: “Huh! Dad went to Europe to discuss business, and he won’t be back for a while. Dad said, I’m in charge of the Li family now!”

If the head of the Li family is not at home, Li Haoxian, who is the boss, will naturally become the emperor of the Li family!

He looked very uncomfortable with Li Shengxian.

Li Haoxian sneered: “Haha, Li Haoxian, you should know how much trouble you have caused!”

“Thousands of people who lost contact are all rich and powerful in Jiangbei! How many enemies did you provoke to our Li family?”

Hearing that, Li Shengxian also knew that he was at a disadvantage, so he lowered his head and dared not refute.

At this moment, Li Haoxian and Wang Rong both looked at Lin Kai and Huang Tianshi.

After seeing the two, they frowned, because Lin Kai and Huang Tianshi had just returned from the sea, and their clothes were dirty and smelly, so it was very disgusting.

At that time, Wang Rong pinched her nose and said with a look of disgust, “Who are these two people? Why did the beggars on the street come to our Li’s house?”

Upon hearing this, Li Shengxian quickly explained: “They are my friends.”

“Friends?” Upon hearing this, Wang Rong sneered: “Hehe, Li Shengxian, we are nobles! I hope you be careful when making friends! Not all cats and dogs can be friends with our Li family!”

After listening to Wang Rong’s words, Lin Kai frowned.

This woman was too awkward to speak.

Li Shengxian hurriedly gave Lin Kai a look and motioned Lin Kai not to be impulsive.

Lin Kai suppressed the fire in his heart.

“After all, it’s the people you brought back, you arrange them yourself!”

“Remember, don’t let them walk around in our Li family! If outsiders find out that our Li family has such a person, it is not shameful enough! Just like a beggar!”

Li Haoxian’s words are even more ugly.

“Since you’re back, what’s wrong with you, wait until Dad comes back.”

“But since I’m back, I can’t be idle!”

“I’ll give you a task, you just stay at Li’s house and do things!”

After listening to Li Haoxian’s words, Li Shengxian nodded quickly.

“It is good.”

“Humph!”

Afterwards, Li Haoxian gave a cold snort and left with Wang Rong.

After they left, Lin Kai approached Li Shengxian.

“Your eldest brother treats you like this?”

Li Shengxian gritted his teeth and said, “My mother was just a subordinate of the Li family. It is normal for them to look down on me.”

“The most important thing is that Dad is about to choose an heir. I am the most favored in the Li family, so my eldest brother treats me this way.”

Lin Kai really didn’t understand the affairs of these big families.

“Ok.”

“Go, go back and wash yourself.”

“Housekeeper Li, you arrange two rooms for my friends.” Li Shengxian ordered.

“Good.” Butler Li immediately agreed.

Then Lin Kai and Lao Huang stayed in Li's house.

Soon after, Lin Kai was placed in the suite.

The hospitality of Li's family is still very good. The rooms are large, more than 300 square meters, and the decoration is also very luxurious.

Lin Kai walked into the bathroom, took a shower, changed into clean clothes, and lay on the sofa drinking coffee.

At this moment, the phone in the guest room rang suddenly.

Lin Kai walked over and answered the phone: "Hello? Lin Kai."

On the other side of the phone, Li Shengxian's voice came: "Lin Kai, I am now assigned to the Li Group as a vice president."

The Li Group, a large enterprise under the Li family, is well-known in Donghai City.

"Very good," Lin Kai replied.

"What a shit! Li Haoxian asked me to participate in tomorrow's bidding! That is a bid that we can't win at all! He is making things difficult for me!" Li Shengxian's voice was very angry.

Lin Kai was also very speechless.

It is normal for the Li family to have a lot of business, and it is normal for the brothers to compete.

"Don't talk about these unhappy things, you said on the boat, you said you want to develop in the East China Sea?"

"What kind of job do you want, I will arrange it for you!"

Li Shengxian said very righteously.

Lin Kai smiled slightly when he heard the words.

He came to the East China Sea for revenge! It's just that he has no spiritual power now, just an ordinary person.

Being idle all the time is not a thing, it is better to help Li Shengxian do something in the East China Sea.

"So, how about letting me be your driver?"

After listening to Lin Kai's words, Li Shengxian on the phone was silent.

After a long time, Li Shengxian's voice came.

"Being my driver? Are you kidding me?"

"With your strength and experience, you can apply for a job at any bodyguard company, and you can earn one million a year!"

## Chapter 1008: Zhang Ji

### Chapter 1008

Lin Kai smiled slightly and said, "I am no longer a cultivator. My strength has been frozen for some reason. I am an ordinary person now."

"what?"

Hearing that, Li Shengxian was very surprised.

At the same time, there is something flattered in his heart.

Lin Kaiken told him such things, indicating that Lin Kai still regarded himself as a friend.

"Also, it would be nice to let me be your driver! Get to know the city of Donghai." Lin joked.

After listening to Lin Kai's words, Li Shengxian reluctantly agreed: "Well, you come to my company tomorrow, and I will leave my Rolls-Royce Phantom to you."

"In terms of monthly salary, I'll give you fifty thousand, is that interesting?"

With a monthly salary of 50,000, Lin Kai is probably the most expensive driver in the world.

"terrific."

After that, Lin Kai hung up the phone.

For so many days, Lin Kai hadn't slept peacefully yet.

Now that he finally had a chance to sleep, Lin Kai would not miss it. At that time, Lin Kai fell directly onto the soft Simmons bed and fell asleep.

...

The night was speechless, and early in the morning of the next day, Lin Kai was sounded by a rapid knock on the door.

“Who?” Lin Kai opened the door with the remote control.

I saw the neatly dressed steward Li standing outside the door.

Steward Li respectfully said: “Mr. Lin, the bidding starts at nine o’clock in the morning. The thirteenth young man asked me to remind you not to be late. He has already applied for the job for you.”

“This is your car key, and the car is parked downstairs.”

After all, Butler Li put a Rolls-Royce car key on the table.

“okay, I get it.”

Lin Kai agreed.

After waking up, washing and eating something casually, Lin Kai went downstairs.

Below the castle, a silver Rolls Royce Phantom stopped in the aisle.

This silver Rolls-Royce Phantom is a luxury car worth tens of millions. As the thirteenth youngest of the Li family, he can’t go out in a normal car.

At that time, Lin Kai drove the Phantom directly and drove outside the manor.

Soon after, Lin drove downstairs in the Li Group Building.

The Li Groups building is 168 stories high and is a well-known local enterprise in Donghai City.

Li Shengxian walked out of the building with a dark face, behind him, followed by a group of corporate executives who pleased him.

After seeing the car, Li Shengxian walked over, opened the door, and got in the co-pilot.

“Go, go to Wanxin Building.” Li Shengxian said with a bad face.

Lin Kai slowly drove the car to the road according to the navigation.

“What’s the matter? This is so ugly?”

Lin Kai asked casually.

Li Shengxian scratched his head and said, "It's not my big brother yet!"

"He even asked me to bid with Wanxin Group!"

"You know, Wanxin Group is the largest local developer!"

"That piece of land was originally in the bag of the Wanxin Group. If I can't get this piece of land, my elder brother will say that I am incompetent! If I take this piece of land, it means I have offended the Wanxin Group! "

"The front is a wolf, and the back is a tiger!"

Li Shengxian hammered his thigh very upset.

"Soldiers will come to block, water will come to cover." Lin Kai smiled lightly.

Soon after, the luxury car drove into the underground parking lot of the Wanxin Group.

The parking lot of the Wanxin Group is also like a cloud of luxury cars, with tens of millions of luxury cars everywhere.

After parking the car, Lin Kai followed Li Shengxian to the elevator.

After entering the elevator, the elevator slowly rises.

But as soon as it reached the first floor, the elevator stopped, the door of the elevator opened, and a few people walked in from outside.

A young man walked into the elevator with several bodyguards.

"Yo! Lee Shengxian!"

After seeing Li Shengxian, the man had a playful smile.

And Li Shengxian's expression also changed.

The other party is obviously also a young man with a lot of background, and his background is not weaker than Li Shengxian, so he is not afraid of Li Shengxian at all.

"What? Are you here to participate in the bidding?"

"This time the bidding is already a certainty. Why are you here?"

A playful smile appeared on the corner of the man's mouth.

He was 1.8 meters tall and thin, wearing an Armani suit, a Patek Philippe watch on his wrist, and an unruly smile on his face.

“Zhang Ji, it’s your ass?” Li Shengxian said irritably.

After listening to Li Shengxian’s words, the bodyguards behind Zhang Ji all showed fierce faces and approached Li Shengxian.

As long as Zhang Ji gave an order, they would immediately beat Li Shengxian!

Zhang Ji raised his eyebrows and smiled: “Yo! Li Shengxian, you have a good temper!”

“However, you still consider you to be the Li family’s most favored thirteenth young man? Your father is about to get down! Your eldest brother will be the head of the family soon! By then, you will be a fart in front of Zhang Ji!

“So, learn how to speak, and see me in the future, called Mr. Zhang, understand?”

After all, Zhang Ji also patted Li Shengxian’s face.

“you!”

Li Shengxian was furious upon hearing this!

But as soon as he moved, several bodyguards behind Zhang Ji approached immediately! He forced Li Shengxian into the corner!

Upon seeing this, Zhang Ji smiled playfully.

At this moment, Zhang Ji looked at Lin Kai.

He looked at Lin Kai up and down and smiled: “Heh, is this kid your bodyguard?”

“Looks like a monkey, but also a bodyguard?”

At this moment, Zhang Ji took out a business card from his pocket. He handed it to Lin Kai and jokingly said: “If you can’t think about it in the future, I will give up and be my bodyguard. I will give you a monthly salary of 10,000 yuan. !”

That is a business card with a gold border.

When Lin Kai heard this, he laughed.

He didn’t accept the business card, but smiled slightly: “Please be a bodyguard? Are you worthy?”

After listening to Lin Kai's words, Zhang Ji's face changed.

Lin Kai, a little bodyguard dared to speak to him like this, it made him very angry!

To Li Shengxian, he dared not do anything, but to a small bodyguard, he would definitely be rude!

Knowing that Lin Kai had lost his ability, Li Shengxian quickly said, "He is my driver! Don't embarrass him!"

After listening to Li Shengxian's words, Zhang Ji smiled coldly: "Don't embarrass him? Okay! Kneel down and beg me!"

"you!"

Li Shengxian was furious.

At this moment, with a ding-dong, the elevator had risen to the thirty-sixth floor, and the elevator door opened.

Zhang Ji tidied his suit and walked directly out of the elevator.

"Break your legs and throw it out of the building."

After saying this, Zhang Ji walked out of the elevator without looking back.

The remaining six bodyguards in the elevator looked at Lin Kai with enthusiasm, and squeezed their fists.

Lin Kai also laughed at the time.

"Hehe, I advise you not to seek death."

After hearing what Lin Kai said, the six strong bodyguards laughed at that time.

Can they beat Lin Kai with this small body? They are all retired soldiers!

"Boy, be honest, we will give you a happy one!"

Chapter 1009

Following the sound of a sneer, the two bodyguards moved their muscles and bones and walked towards Lin Kai.

The other four bodyguards also stood not far away and sneered with their arms.

In their opinion, two people are enough to deal with Lin Kai!

But Lin Kai put his hands in his pockets, with a faint smile on his face.

“Trash them.” Lin Kai said lightly.

After listening to Lin Kai’s words, the bodyguards were taken aback, and then they all showed mocking smiles on their faces.

“Boy, who are you talking to?”

The two bodyguards who walked to Lin Kai laughed.

“I don’t have long eyes, and I dare to offend Mr. Zhang. Now we will replace Mr. Zhang with your mouth!”

After all, the two bodyguards raised their right hands at the same time!

They will slap Lin Kai’s face fiercely!

But at this moment, there were two bangs!

The faces of both people changed! Seeing them covering their necks, their expressions became hard to look!

Someone seems to have caught their neck!

Moreover, the bodies of the two of them are slowly rising!

When the other four bodyguards saw this, they were dumbfounded.

Because in their opinion, these two bodyguards floated by themselves! This scene is really terrifying!

Soon after, the faces of the two bodyguards flushed, and they were almost out of breath!

thump!

The two landed at the same time.

At this moment, Lin Kai took care of his tie and smiled at Li Shengxian.

“Heh, boss, please?” Li Shengxian looked at other places in the elevator with lingering fear, nodded, and followed Lin Kai out of the elevator.

The remaining bodyguards did not dare to stop them!

After Lin Kai and Li Shengxian got out of the elevator, a magical scene happened.

The button for closing the elevator door in the elevator turned on by itself!

Subsequently, the elevator doors closed and bang! boom! boom!

I saw a few bodyguards seemed to be beaten! She covered her body in the elevator.

And they can't see the people who beat them!

All of a sudden, blood burst out!

The security guard who checked the surveillance in the security room was dumbfounded at the time. In the eyes of the security guard, the six bodyguards in the elevator seemed to be performing and being beaten!

And the performance is very real!

“Fuck, are the blood packs ready?”

“Yes, the teeth are all lost, the props are good.”

...

Soon after, Lin Kai followed Li Shengxian to the gate of a conference room.

Today's bidding was held in the conference room of Wanxin Group.

Pushing open the door, the two walked in.

In the stepped conference room, many celebrities have been seated.

Some are local bigwigs in Donghai City, some are high-ranking officials in Donghai City, and many stars who can be named on TV are also on the scene.

Although Li Shengxian was ranked 13th at home, he was from the Li family after all. Li Shengxian took Lin Kai to the first row and sat down.

The people who can sit in the first row are people with real strength in the East China Sea.

And Zhang Ji, sitting not far away.

Zhang Ji frowned when he saw Lin Kai coming in intact.

On the other hand, all his bodyguards disappeared.

Lin Kai smiled at Zhang Ji slightly: "Oh, sorry, let you down."

Zhang Ji frowned and remained silent, but he looked at Li Shengxian more. In his opinion, this might be Li Shengxian's method.

After Li Shengxian arrived, the CEOs of several companies came up to talk.

After all, Li Shengxian is the thirteenth youngest member of the Li family and the vice president of the Li Group, so it is worthy to please.

After more than twenty minutes, more and more people were in the conference room.

Almost packed.

Although the bidding this time was just a cutscene, many people still came. After all, they came to show the young master's face.

"Shao Shao is here!"

With an exclamation, everyone looked back.

I saw two bodyguards walked in from the entrance, and the two bodyguards opened the way, followed by a young man with aura.

Wearing a decent suit, his hair seems to have been deliberately taken care of, very shiny, with a confident smile on his face.

"Shao Xin, the only son of the CEO of the Wanxin Group, can also be said to be the successor of the Wanxin Group." Li Shengxian said quietly from the side.

As soon as Shao Xin appeared, everyone in the conference room stood up to show respect.

The status of the Shao family in the East China Sea is comparable to that of the Li family.

However, Shao Xin's status is much higher than that of the Thirteenth Young Master.

After all, the Li family has 13 children, and Shao Xin is the only child!

With a smile on his face, Shao Xin strode to the first row and sat in the most eye-catching position.

At this time, Shao Xin glanced at Li Shengxian more.

“Li Shengxian? Long time no see!” A smile flashed across Shao Xin’s eyes.

Li Shengxian nodded: “Indeed, I haven’t been in the East China Sea for many years.”

“Why? Jiangbei can’t go down? Come back to cheat the old?” Shao Xin laughed.

After listening to Shao Xin’s unpleasant words, Zhang Ji on the side laughed.

“Haha! Shao Shao, is this kid qualified to bite the old? I heard that he stabbed a big basket in Jiangbei!”

“Take away 10,000 people on board!”

There was a mocking smile on Shao Xin’s face.

Li Shengxian’s face was ugly, and he said, “Shao Shao, don’t you need to be so targeted?”

And Shao Xin sat on the seat with Erlang’s legs raised, his face was arrogant.

“Do you know why your brother asked you to come?”

“Because you are a joke in your brother’s eyes! Fight with me? Do you have that qualification?”

After all, Shao Xin shook his head and smiled.

After listening to his words, Li Shengxian understood instantly.

It turned out that all this was arranged by his brother!

His brother has a good relationship with Shao Xin! The reason why he was invited to participate in the bidding was to wait and see his jokes!

His elder brother is overwhelmed and he dare not compete! Even if he dares to compete, can he beat Shao Xin?

At this time, the host of the bidding stepped onto the stage.

It was a middle-aged man in his forties, in a suit and leather shoes, and wearing gold glasses.

“Good morning, gentlemen and ladies, and welcome to the bidding site of Panlong Bay!”

“I am here, thank you Mr. Shao Xin for the bidding venue.”

As soon as the host’s words came out, there was a burst of warm applause!

“This time the bidding is for the renovation and development rights of the old Panlongwan community. The higher price will be awarded. The funds obtained from the bidding will be handed over to the government for charity use. All funds will be disclosed.”

There was another round of applause.

“Well, not much nonsense, the bidding starts now!”

“The reserve price is five hundred million yuan, and each price increase must not be less than one hundred thousand!”

Bidding has officially started!

As soon as the bidding started, someone immediately raised the sign in his hand.

“Five hundred and ten million!”

“Five hundred twenty million!”

“Five hundred and fifty million!”

...

Ten minutes passed. At this time, Zhang Ji raised the sign in his hand and said, “Six billion!”

## **Chapter 1010: I Lend You**

Chapter 1010 I’ll Lend You

After Zhang Ji raised the sign, he glanced at Li Shengxian provocatively.

It seems to be mocking Li Shengxian for not daring to bid.

The reason why Zhang Ji dared to bid was because he knew the inside story. The transaction price was 800 million yuan. When it reached 800 million, he would naturally not bid.

And Li Shengxian's bid is challenging Shao Xin!

"Are you bidding?" Lin Kai asked.

After listening to Lin Kai's words, Li Shengxian shook his head: "No bidding."

"If I can, I would also like to bid."

"Anyway, Shao Xin doesn't look pleasing to me, so offend him!"

"But Lee Ho-hyun's grandson gave me 500 million, how can I bid?"

Lin Kai smiled slightly when he heard the words, "Haha, I will lend it to you."

Lin Kai didn't have much money in his hands, about 2 billion yuan.

"Really?" Li Shengxian's eyes lit up upon hearing this.

Lin Kai nodded and said, "Of course it is true."

After getting Lin Kai's assurance, Li Shengxian has a lot of confidence.

"Seven hundred million!" Li Shengxian directly raised the sign in his hand.

Seeing Li Shengxian holding his placard, now many rich young masters looked over with amusement.

Shao Xin glanced at Li Shengxian more, a cold light flashed under his eyes.

Li Shengxian dared to raise a placard, indicating that he no longer regarded him Shao Xin!

"Eight hundred million." Shao Xin also raised the sign in his hand.

After 800 million came out, the scene fell silent.

Everyone knows that Shao Xin's winning of this project is already a certainty. At this time, bidding, it is hard to get along with Shao Xin!

The scene was silent.

The host was even brighter, and quickly said: "800 million! Mr. Shao Xin bid 800 million, is there anyone who bid higher?"

"Nine hundred million!" Li Shengxian gritted his teeth and said.

Nine hundred million!

Everyone exclaimed.

The seven hundred million just now, if everyone thinks that Li Shengxian is catering to Shao Xin, then the nine hundred million is completely provoking Shao Xin!

Shao Xins people notified everyone that he wanted 800 million to win the project.

And Li Shengxian actually bid 900 million!

Isn't this slap Shao Xin in the face?

And the corner of Shao Xin's mouth showed a sneer: "Hehe, Li Shengxian, are you sure?"

"It seems that you are really just as your elder brother said, you are a stunned boy!"

Li Shengxian sneered: "Hehe, you don't treat me as a human being anyway, why should I put you in my eyes?"

"One billion!" Shao Xin snorted coldly and directly bid one billion.

The hosts forehead was also sweating.

The default price is 800 million, and the price has now been raised to one billion, which embarrassed him!

"One billion! Mr. Shao Xin bid one billion! Also..."

The host just wants to quickly hand over the project to Shao Xin, it's hot!

But before he finished speaking, Li Shengxian spoke again: "One billion!"

After gritting his teeth, Li Shengxian quoted a high price of 1.1 billion!

"Haha." At this time, Shao Xin's eyes were completely cold, icy cold.

He looked at Li Shengxian, his eyes seemed to be looking at a dead person.

"Li Shengxian, you will regret it."

“You know, you can’t beat your eldest brother! After all, you are just an insignificant person in the Li family. When your eldest brother takes over, do you think you will be better?”

“If I were you, I would obediently admit it, and be a wretched messenger for the rest of my life!”

After all, Shao Xin increased the price again: “1.5 billion!”

He wants to win this item in one bite!

The profit margin of this project is limited. The higher the price you win, the less you earn!

As for Li Shengxian, he also began to hesitate.

If you increase the price, the price will be too high!

He was also afraid that Lin Kai could not borrow so much money from himself.

Lin Kai seemed to understand Li Shengxian’s thoughts, but Lin Kai directly raised his hand and said, “Two billion!”

As soon as the price of two billion came out, everyone in the audience exclaimed.

The bid is so high?

Besides, who is this kid bidding? Noodles!

Shao Xin also looked at Lin Kai for an instant, and Shao Xin narrowed his eyes. He didn’t know Lin Kai.

“Damn! This year, a driver dared to stand up and shout?” Seeing Lin Kai speaking, Zhang Ji immediately laughed.

“This kid is a stinky driver of Li Shengxian! He dared to quote a sky-high price of 2 billion!”

“Is this kid crazy?”

After listening to Zhang Ji’s words, there was an uproar at the scene.

“Driver? Are all the drivers so crazy?”

“Yes! The drivers are all sitting on the auction seats!”

“This driver is really \*\*\*\* damn!”

...

There was a sound of mockery.

When Shao Xin saw Li Shengxian and Lin Kai, he laughed at that time, and smiled triumphantly.

“Li Shengxian, Li Shengxian, do you want to raise the price and fool me?”

“It’s a pity, you made the wrong wishful thinking!”

Afterwards, Shao Xin looked at Lin Kai.

“A little driver, dare to speak wild words, quoting two billion?”

“Boy! I have inquired about your master! Your master has 500 million funds in his hands. Where can he get 2 billion?”

“host!”

At this moment, Shao Xin raised his hand and looked at Li Shengxian confidently, his eyes seemed to say that you are finished.

“I applied to check their assets! I suspect they are bidding up prices!”

As soon as Shao Xin’s words came out, another exclamation sounded.

But thinking about it carefully, what Shao Xin said is quite reasonable.

“That’s right! Li Shengxian ranks thirteenth in the Li family. He has no status. He shouldn’t be able to spend two billion.”

“Yes, if Li Haoxian, I believe he has that strength, but Li Shengxian, hehe.”

“This driver can be regarded as stabbing a big basket for his master!”

“If Li Shengxian loses face here and the Li family’s heirs compete, he might be out of play!”

...

The host was originally from Shao Xin.

After listening to Shao Xin’s words, his eyes lit up.

If Li Shengxian is really driving up the bidding price, then the bidding just now is invalid! You can start again, let Shao Xin win the redevelopment right of that community at a price of 800 million!

“Okay! Come here, verify assets!”

As soon as the host’s words came out, someone immediately came to them with a computer.

There was already a layer of sweat on Li Shengxian’s forehead.

There are only 500 million in his bank card.

And can Lin Kai really help himself?

At this time, I saw Lin Kai quietly handing Li Shengxian a bank card.

Li Shengxian took the bank card, handed it over, and muttered Amitabha in his heart.

Shao Xin tilted Erlang’s legs with a confident expression, because he knew that there was a good show to watch!

“Li Shengxian, if you don’t have the strength, don’t come out and show your face.”

“It seems that this driver is still your good friend, right?”

“It’s true that things gather together, people are divided into groups!”

“I’m afraid you are only worthy to make friends with this kind of person. In the upper circles of the East China Sea, who is your friend?”

## **Chapter 1011: Win The Bid**

Chapter 1011

After listening to Shao Xin’s words, Zhang Ji also sneered and said, “Yes!”

“Shao Shao, this kid is only worth playing with this kind of driver!”

“His thirteen brothers and sisters, who is as useless as him?”

There was a burst of laughter.

And Li Shengxian sat in his seat, clenched his fists, and was silent.

Although he is the young master of the Li family, his status in the Li family is really not as good as other brothers and sisters.

This has a lot to do with Li Shengxian's temperament, Li Shengxian is very playful, whether it is shooting or surfing, he is very interested in extreme sports.

But he is not interested in the family business.

The Patriarch of the Li family also loved Li Shengxian very much, so he gave Li Shengxian a very relaxed position and asked him to go to Jiangbei as the person in charge of the Great Sea.

But no one thought that Li Shengxian would actually destroy the Great Sea.

This makes Li Shengxian's reputation even worse.

Even if the Patriarch of the Li family loves Li Shengxian again, the position of the heir will probably be missed by him. That's why everyone ignored Li Shengxian's identity and made mockery.

Because of the identity of the heir of the Li family, it is destined to be Li Haoxian!

"I haven't thought about fighting either! Why are you all targeting me like this? What did I do wrong?"

Li Shengxian clenched his fists and muttered to himself.

Lin Kai glanced at Li Shengxian. Li Shengxian now looks very much like himself.

Lin Yuan! I, Lin Kai, didn't even think about fighting! But everything is up to you!

At this time, the staff had already started to check the balance in the Linkai bank card.

After checking the balance, a layer of sweat immediately appeared on the staff's forehead.

He started counting the numbers on the computer screen, one, ten, one hundred, one thousand, ten thousand, one hundred thousand, one million, ten million, one billion, one billion, ten billion!

After seeing this number, he was dumbfounded.

When the host saw that the staff was silent for a long time, he urged impatiently: "How's it going? How much money is in the card?"

At this time, most people on the scene were waiting to see Li Shengxian's joke.

Li Shengxian is not in power in the Li family, and logically speaking, he should not have much money in his bank card.

Zhang Ji and Shao Xin both held their arms and looked at Li Shengxian mockingly.

And Li Shengxian was also quite nervous.

His palms were sweaty.

“There are... rich...” the staff stammered.

After listening to the staff, the host said impatiently: “I know there is money, how much is it?”

“Yes...Yes...”

The staff stammered and could not speak at all.

Seeing that the staff were so inked, the host of that Gong couldn't stand it anymore, he stood up directly, grabbed the computer, and looked at the computer.

After seeing the string of numbers on the computer, the host was also dumbfounded.

He has never seen so much money in his life!

“This...” He stammered.

“What's the matter?” At this time, Shao Xin also felt that something was wrong.

Could it be that the kid really has money in his bank card?

The host raised his head very hard, looked at Shao Xin, and said, “Shao Shao, I am really rich.”

“And...and not a lot.”

“There are... there are 96.3 billion!”

After listening to his words, the whole scene was silent.

You can hear the sound of a needle falling on the ground, what? Nineteen 6.3 billion?

Almost 100 billion?

Lee Seung Hyun has almost 100 billion? What concept is this? Almost his father gave Li Shengxian one-third of his working capital!

Not only were they confused, but even Li Shengxian himself was confused.

There are more than 90 billion in Lin Kai's bank card?

When Lin Kai said to lend him money, he thought that Lin Kai only had a few hundred million at most. After all, Lin Kai's skill is so powerful, it is not uncommon to have several hundred million in deposits.

But the more than 90 billion deposits really shocked him!

Shao Xin and Zhang Ji didn't react for a long time.

More than 90 billion?

At this time, Shao Xin snatched the computer in the hands of the host.

After seeing the string of numbers with his own eyes, Shao Xin's face became extremely ugly.

There are really 96.3 billion!

Could it be that the head of the Li family has been appointed by Li Shengxian as the heir of the Li family? Otherwise, how to explain that he has more than 90 billion?

Everyone at the scene looked at Li Shengxian's eyes and changed.

It seems that Li Shengxian has a high status in the Li family! Even a huge sum of more than 90 billion yuan! How much does his father have to wait to see him before he will give him more than 90 billion?

"Fuck! Black card!"

At this moment, I don't know who exclaimed, and everyone looked at the bank card.

The bank card Li Shengxian handed to the staff was actually a black card of Hua Xia Bank!

Supreme black card!

In the entire Li family, only the head of the Li family has the supreme black card! And this black card actually appeared in Li Shengxian's hands now!

What does this mean?

It means that Li Shengxian may be the next person in charge of the Li family!

Shao Xin's face was ugly, he snorted coldly and sat back in his position.

After being shocked for a while, Li Shengxian took a deep look at Lin Kai. It seemed that Lin Kai's identity was far from simple.

At this time, Li Shengxian took back the black card and looked at Shao Xin proudly:  
"Shao Shao, do you have anything else to say?"

At this time, Shao Xin was black and did not speak.

The bidding can only helplessly continue.

Lin offered two billion yuan, and it was time for Shao Xin to bid.

However, Shao Xin dared not increase the price anymore, because he had only prepared 2 billion in funds.

I originally thought that the project that could be won by 800 million, did not expect that in the end, 1.5 billion was not won! But let the other party take it at a price of 2 billion!

The host was even more sweaty. He wanted to help Shao Xin, but now he has more than enough energy!

"This gentleman bid two billion, is there a higher price than him?"

"Two billion for the first time!"

"Two billion second time!"

"Two billion"

The host deliberately delayed the third time for a long time, but Shao Xin didn't mean to increase the price.

In desperation, the host had no choice but to say: "Two billion for the third time!"

"Deal!"

boom!

With the fall of a hammer, Li Shengxian successfully won the project at a price of 2 billion!

At that time, there was a round of applause.

Very sporadic applause. Not many people dared to applaud because they were concerned about Shao Xin's face.

At this moment, Li Shengxian stood up with a smug smile on his face.

He won this project! Although the cost is relatively large, this project is still profitable!

After returning, I didn't need to be scolded by Li Haoxian anyway.

Even if he offends Shao Xin, he is willing, if you don't treat me as a human being, why should I respect you?

Then, Li Shengxian went to sign the contract.

Soon after, the contract was signed and Li Shengxian successfully won the project!

At that time, Li Shengxian took Lin Kai and walked out of the conference room.

As for Shao Xin in the conference room, a cold light flashed through his eyes, and he saw a dagger in his hand.

And Zhang Ji stood in front of him, not even daring to breathe.

Those who are familiar with Shao Xin know that once Shao Xin is silent, it means that Shao Xin is very angry at this time!

Shao Xin at this time is not to be offended.

"Go, call Li Haoxian to confirm Li Shengxian's status in the Li family, hurry!" Shao Xin said after a long time.

"Okay." Zhang Ji heard this and immediately went to do the matter.

As Shao Xin's gold medal dog leg, Zhang Ji's ability to do things is still very good.

Soon after, Lin Kai and Li Shengxian walked into the elevator.

After entering the elevator, Li Shengxian returned the black card to Lin Kai.

## **Chapter 1012: Dare Not?**

Chapter 1012

At this moment, Li Shengxian's eyes looked at Lin Kai differently.

“Hey, what is your kid’s background? There are black cards? And there are more than ninety billion in the cards!”

Hearing this, Lin Kai took his black card and smiled slightly: “My identity is confidential.”

“I will tell you when I leave.”

There were tens of billions in the card suddenly, and Lin Kai was also very surprised at the beginning.

But now Lin Kai wants to understand, he knows where the 90-odd billion came from.

Dafeng Entertainment Company!

Dafeng Entertainment in Beijing is still open! Moreover, the current Dafeng Entertainment Company is gaining momentum and has become one of the top ten entertainment companies in the country.

Although it has been a while since I left the capital city, the people in the company will get Lin Kai’s bank card on time every month.

So there are more than 90 billion in the bank card.

“Okay.” Li Shengxian reluctantly agreed.

The elevator descended slowly.

After a while, the elevator came to the underground parking lot and the elevator door opened.

The two walked out together and walked towards Li Shengxian’s silver Rolls-Royce Phantom.

As he walked, Lin Kai’s mouth suddenly showed a playful smile.

“Hehe, come in trouble!”

After listening to Lin Kai’s words, Li Shengxian frowned. He didn’t understand the meaning of Lin Kai’s words.

But soon Li Shengxian understood.

I saw a group of people walking out from the corner ahead!

There are more than 30 people in this group!

Everyone is a strong black security guard. These people are all security guards of the Wanxin Group!

More than 30 security guards appeared in front, and behind Lin Kai, more than 30 security guards also appeared!

More than 60 security guards!

The entrances and exits of the entire underground parking lot are also closed at this time!

At that time, the entire underground parking lot became extremely dark.

Click!

The lights are on! Under the dim light, the security guards came over step by step with sneers on their faces.

Soon after, two people appeared from a distance.

Two young men in suits!

One is Shao Xin, a young director of the Wanxin Group.

Behind Shao Xin is Zhang Ji, who is proud.

It's them two again!

After seeing this group of people, Li Shengxian frowned.

"Shao Xin, what do you want to do?"

Li Shengxian asked coldly.

Shao Xin moved his muscles and bones at this time, took a cold look at Li Shengxian, and said: "In my turf, you have taken my things, want to leave?"

Zhang Ji also sneered behind Shao Xin.

"Haha, Li Shengxian, I have investigated! You have no place in the Li family at all!"

"Why did your father give you the black card just after such a big disaster? You must have stolen your father's black card!"

"Today, we will clean the door for your father!"

After Zhang Ji said, he pretended to move his muscles and bones.

Li Shengxian frowned when he heard this, and said, "Do you dare to move me? I'm from the Li family!"

Even if Li Shengxian's position in the Li family is not very good, he is a member of the Li family after all, and if he moves him, it is tantamount to moving the Li family!

Shao Xin dare to do that?

And Shao Xin put his hands in his pockets and smiled indifferently: "Heh, Shao Li, how could I move you?"

"I won't move you until your brother officially controls the Li family."

"But this kid, can't go today!"

After all, Shao Xin pointed to Lin Kai.

Lin Kai was taken aback for a moment, then smiled helplessly, the feelings of these people are for him!

They didn't dare to move Li Shengxian, but they were suffocating again, so they wanted to move Lin Kai!

"Move me, are you sure?" Lin Kai asked, pointing to his nose.

Shao Xin looked at Lin Kai coldly: "Lin Kai, right?"

"You, a little driver, dare to refute my face in the conference room. I, Shao Xin, will let you know today that there are some people you can't afford to offend!"

"Stop it for me!"

As soon as Shao Xin finished speaking, two security guards immediately showed cruel smiles and walked towards Lin Kai.

Lin Kai also looked at the two security guards.

The two security guards held the Mitsubishi Army Spikes in their hands.

The Mitsubishi Army Spike is an extremely vicious weapon. There is also a special bloodletting slot on the Spike. If you cut it down, the blood will not stop!

These two people are both ruthless characters!

At this time, the two security guards had already walked in front of Lin Kai.

“Boy, don’t blame us for being ruthless, but if you want to blame, you can blame us, Mr. Shao!”

Having said that, the two raised up the Mitsubishi Army thorn in their hands, and they wanted to assassinate Lin Kai!

But at this moment, their bodies froze in the air.

Their army thorns were raised high, but they did not dare to fall. Soy-sized sweat appeared on their foreheads in an instant.

Because, a black pistol appeared in their sight!

Lin Kai put his pocket in one hand and raised a black pistol in the other. The black muzzle pointed at the head of one of them!

Both security guards had been soldiers, and they instantly recognized that this is a real pistol!

The corner of Lin Kai’s mouth was a playful smile.

This gun was returned by him from the pirate.

“Want to move me?”

“Are you qualified?”

After listening to Lin Kai’s words, the eyes of the two security guards were full of horror.

The faces of Zhang Ji and Shao Xin who were not far away were also very ugly. They didn’t expect that Lin Kai would still have a hot weapon like a pistol in his hands!

“Lin Kai, do you dare to shoot?”

Zhang Ji let out angrily.

boom!

As soon as Zhang Ji’s words fell, Lin Kai directly pulled the trigger!

A bullet directly penetrated the forehead of a security guard!

The security guard’s eyes widened, and his body fell straight back.

thump!

The man fell to the ground, blood flowing.

He didn't expect that Lin Kai actually dared to shoot!

As soon as Lin Kai shot, dozens of security guards stepped back subconsciously and looked at Lin Kai with fear.

Lin Kai shot and killed someone without a panic expression on his face, only two words, indifference!

It seems that he didn't kill a person just now, but trampled an ant to death!

Threatening the lives of Jiulongshan members, Lin Kai has the right to shoot!

The other security guard holding a Mitsubishi army thorn, his legs trembled, and in front of the pistol, he looked so pale and weak.

The faces of Zhang Ji and Shao Xin changed at that time.

Lin Kai really shot!

Is this man a lunatic?

"I dare not shoot?"

Lin Kai smiled playfully.

"Ha ha."

Lin Kai shook his head and smiled, pulling the trigger again.

boom!

A gunshot sounded.

Soon after, another security guard also opened his eyes wide, and fell straight to the ground.

died!

The two security guards with Mitsubishi army thorns all died!

The security guards at the scene were all frightened.

Even Li Shengxian looked at Lin Kai in surprise, Lin Kai didn't put human life in his eyes at all!

At this time, Li Shengxian began to rejoice, he was glad that he had become Lin Kai's friend, not Lin Kai's enemy.

## Chapter 1013: Underestimate You

### Chapter 1013

Otherwise, he doesn't even know how he died!

Lin Kai patrolled for a week, looked at dozens of other security guards, and asked loudly, "Who else? Stand up!"

None of the dozens of security guards dared to speak.

They all lowered their heads, afraid to look directly at Lin Kai's eyes.

Lin Kai strolled up to Zhang Ji and Shao Xin, and looked at them condescendingly.

Lin Kai's eyes were very cold, without a trace of emotion.

In front of Lin Kai, the two giants and young men who were accustomed to the big scene seemed a little at a loss.

It seems that standing in front of them is not a driver, but a Buddha that they can't afford!

"Abandon me?"

"Do you have this qualification?"

"Zhang Ji? Shao Xin?"

"Do you think that I'm just a small driver, but you are the most powerful and powerful?"

"I am a farewell to you?"

Zhang Ji and Shao Xin couldn't say a word.

"Haha, as everyone knows, you two are just ants in Lin Kai's eyes."

"Don't use these stupid methods to kill you guys. I feel dirty."

Lin Kai's voice was very cold, and the pistol spinning in his hand was even more ruthless.

The two of them felt tremendous pressure on Lin Kai.

"Open the door, don't let me find out there is another time, or I don't mind to hand the door to you to send the end!"

"I Lin Kai, I do what I say!"

After all, Lin Kai took it back and walked towards Li Shengxian.

"go."

Lin Kai said to Li Shengxian.

Then, the two of them got on the Rolls Royce. After that, the car started and Lin Kai left in front of Zhang Ji and Shao Xin openly after killing someone!

At this time, the gate of the underground parking lot opens automatically.

Zhang Ji and Shao Xin dared not stop Lin Kai.

This person is really crazy!

After Lin drove away, the immense pressure surrounding everyone disappeared.

Both Zhang Ji and Shao Xin breathed a sigh of relief.

The pressure Lin Kai put on them is too great!

Shao Xin's face was very ugly.

Since he was young, Shao Xin has never been so insulted by his peers! And this Lin Kai not only refuted his face in his place, but also shot and killed two of his men!

This made Shao Xin's heart extremely unhappy!

And after Zhang Ji saw Lin Kai's arrogance, his eyes rolled up.

Now is a good opportunity to perform in front of Shao Xin!

Shao Xin would be very happy if he could settle that brash man for Shao Xin! Then maybe I can become Shao Xin's confidant!

Thinking of this, Zhang Ji patted his chest and said, "Shao Shao, this person is too arrogant!"

"But don't worry, this kid dares to kill Shao Shao you."

"I Zhang Ji is the first to look down! Shao Shao, I Zhang Ji will settle this kid for you!"

After listening to Zhang Ji's words, Shao Xin looked at Zhang Ji with admiration.

"Really?"

Zhang Ji's little chicken nodded like a peck, and said, "Of course it's true."

When Shao Xin heard the words, he glanced at Zhang Ji with great relief, and patted Zhang Ji on the shoulder: "Okay, thanks for your hard work. After the matter is over, I will reward you well!"

After listening to Shao Xin's words, Zhang Ji was overjoyed. He quickly said: "It is my honor to do something for Shao Shao!"

...

On the other side, Lin drove away with Li Shengxian.

On the way, Li Shengxian looked at Lin Kai very worried: "Lin Kai, you killed someone, what if they call the police?"

After listening to Li Shengxian's words, Lin Kai smiled slightly: "Hehe, with the disposition of this group of big and young people, after shame, if he still calls the police, then the whole world knows about his shame, so he will not call the police. of."

"but"

Li Shengxian is still very worried.

Lin Kai patted Li Shengxian on the shoulder and smiled and said, "Haha, don't worry, even if he calls the police, there is nothing he can do with me."

"Okay." Li Shengxian nodded.

Soon after, Lin Kai and Li Shengxian returned to the manor.

Among the old castles in the manor, Li Haoxian was strolling casually in the lobby, holding two Wenwan walnuts in his hands, and an anxious look appeared on his face.

At this moment, a man in a suit hurried in from outside.

“Young Master Li, there is news!”

Hearing this, Li Haoxian’s eyes lit up and he hurriedly greeted him.

“Oh? What happened?”

He has been waiting for news from Li Shengxian. He wants to know what Li Shengxian did when facing a dilemma.

However, Li Haoxian already had the answer in his mind, he just needed to confirm it.

In his opinion, Li Shengxian has no money in his hands. Even if he bids, he cannot bid for Shao Xin’s.

And Lee Ho-hsien could use this as a reason to take a copy in front of his father.

The man in the suit wiped his sweat, and said with some embarrassment: “Thirteenth youngest...Thirteenth youngest bidder succeeded!”

After listening to the man in the suit, Li Haoxian was stunned.

what? Successful bidding?

It shouldn’t be! His opponent is Shao Xin! How could Shao Xin give him this project?

Besides, Li Shengxian doesn’t have that much money!

“what?”

“Successful bidding?”

“how much is it?”

Li Haoxian asked blankly.

“Two...two billion!” The man in the suit did not dare to conceal something and told the truth.

“Two billion?” Li Haoxian’s eyes widened upon hearing this.

Where did Lee Seung Hyun come from?

For this project, Li Haoxian only gave him 500 million!

And he actually has two billion?

“Where did these two billion come from?” Li Haoxian asked.

The man in the suit shook his head, saying he didn't know.

At this moment, Li Haoxian's heart was very angry, and he clenched his fist tightly.

Originally wanted to watch Li Shengxian's good show, but he didn't expect that Li Shengxian would have succeeded in bidding!

In this case, when his father comes back, he will have no way to sue Li Shengxian!

And Li Shengxian may also be offset by the merits.

This result was something Li Haoxian did not expect.

“Unexpectedly! Li Shengxian, you still have this kind of ability, I underestimated you!”

Li Haoxian sat on the sofa, raised Erlang's legs, and narrowed his eyes.

At this time, a bold plan emerged in Li Haoxian's mind.

...

Huaxiangan District is a relatively high-end district in Donghai City.

The house price is around 180,000 square meters.

Those who can live here are either rich or expensive.

And Zhang Ji's family lives here.

In the huge villa, it seemed a little empty, and Zhang Ji was lying on the sofa with Erlang's legs up, and a foreign beauty was massaging him on the side.

In front of Zhang Ji, there was a person standing.

A man in camouflage overalls.

This person is a killer invited by Zhang Ji.

## **Chapter 1014: Canglong**

### Chapter 1014

Zhang Ji did not do anything like a killer before, but this time the killer he invited was a master among the masters.

The special forces retired, formerly a special force in the Eastern Navy District.

Brilliant record!

It was just that he had no choice but to retire because of a hostage murder.

Moreover, he spent the rest of his life in self-blame.

The manslaughter of hostages has become his biggest shadow! And his personality has changed drastically.

Now he no longer reveals his name to the outside world, and everyone who knows him only knows that he is called Canglong.

“Canglong, this is your first time to take on the task?” Zhang Ji asked with a raised eyebrow.

Canglong is 1.8 meters tall, has dark skin, looks very honest, and doesn't talk much.

The Canglong at this time was obviously unable to let go.

Canglong nodded.

“The target person, Lin Kai, lives in the Li Family Manor.”

Zhang Ji threw Lin Kai's photo on the table.

Canglong glanced at Lin Kai's photo. At this time, Canglong gave a wry smile.

He is a dignified special force, and he will be a killer after he retires!

In fact, if it wasn't for his wife to have children and the money in the family was not enough, he would not come out to be a killer.

But even so, Canglong also has a bottom line.

“I don't kill.”

Canglong said lightly.

Zhang Ji also understands the situation of Canglong. Zhang Ji smiled slightly and said: “Hehe, of course, I won't let you killer. I have enemies with him. You help me tie him up. I beat him to vent my anger. Even if it passes.”

Zhang Ji's words are purely fabricated.

When Lin Kai really appeared in front of him, he would kill Lin Kai himself!

And Canglong didn't know the intestines of these rich people.

"It is good."

At this time, Zhang Ji took out 50,000 yuan from the briefcase on the side and put it on the table.

"This is fifty thousand yuan. I'll give you a deposit, and I'll give you fifty thousand yuan after it's done."

One hundred thousand yuan!

After seeing the money, Canglong's eyes lit up.

If he has 100,000 yuan, he can pay off his debts and buy some supplements for his wife.

At that time, Canglong took the fifty thousand yuan on the table and walked out of Zhang Ji's villa with the fifty thousand yuan.

...

At night, Lin Kai walked alone in the Li Family Manor.

The Li Family Manor is very large, with pleasant scenery, and the park is very neat and clean, and there is no \*\*\*\* on the road.

The evening breeze in early summer was very refreshing and energetic.

Behind Lin Kai, the hidden \*\*\*\* followed.

Of course, only Lin Kai could perceive the existence of the hidden god.

The hidden \*\*\*\* at this time is Lin Kai's invisible guard.

Lin Kai now has no spiritual power in his body, he is now an ordinary person, and he needs the protection of the four great kings.

"How is Xiaoli and the others?" Lin Kai asked.

The hidden \*\*\*\* behind him immediately replied: "Back to the master, Lishen and the others live in a hotel not far from the manor."

"If you call them, they can reach you in up to three minutes."

Lin Kai nodded when he heard the words.

“These days, I still need you to protect me, it’s hard work.”

Lin Kai thanked him.

After listening to Lin Kai’s words, the hidden \*\*\*\* was a little flattered, and the hidden \*\*\*\* immediately said: “It’s not hard. Without you, how could we get such a powerful spell?”

Indeed, among the current four great \*\*\*\* kings, among the ancient warriors of the same level, there is no match.

The four of them teamed up, and even the powerhouse at the Grand Master level was not their opponent.

That chessboard is worthy of being an artifact.

“Master, someone is coming for you, do you need me to help you...”

With that, Yinshen made a wiping motion.

Upon hearing this, Lin Kai also looked at a certain corner of the manor.

It is indeed time for Lin Kai to be less vigilant than when he had spiritual power, but now Lin Kai can’t be approached by ordinary people.

Through the golden pupil, Lin Kai saw that a man with agility was fast advancing towards him.

The man was wearing a black night clothes, which was extremely inconspicuous in the dark night.

Moreover, he can avoid all the security and surveillance on the road.

Like a ghost, he quickly touched Lin Kai’s position.

Lin Kai narrowed his eyes, this man has definitely been a soldier!

The person who came was naturally Canglong.

Lin Kai glanced around, and deliberately walked to the back of a rockery, which was a blind spot for surveillance.

Lin Kai wanted to see who was such a bold man who dared to assassinate him!

Sure enough, Canglong saw that Lin Kai had actually walked to a place where there was no one. He understood that this was a good opportunity, and saw Canglong quickly approach Lin Kai.

The sound of Canglong walking was so small that it was almost inaudible.

He quietly touched behind Lin Kai, and a towel appeared in Canglong's hand.

The towel was sprayed with Mongolian sweat medicine. Canglong's mission was to kidnap Lin Kai. He was not going to hurt anyone.

At this moment, Canglong looked at Lin Kai, he was a little nervous, and his hands were shaking a little.

The Canglong at this time hesitated.

Even when performing missions at the border and shooting enemies, Canglong was not so nervous.

Because Canglong knew that he was defending his family and the country!

And now, I am a bad person! I am kidnapping others! The Canglong at this time was very nervous.

But he thought of his wife and children and unborn children, how about being a bad person for them?

At that time, Canglong was ready to move.

But at this moment, Lin Kai's voice faintly sounded: "You hesitated for three seconds. On the battlefield, these three seconds can completely cost you your life."

After listening to Lin Kai's words, Canglong's body was shocked.

In his eyes, everything is incredible!

Could this man discover himself?

It makes no sense!

At this moment, seeing Lin Kai put his hands in his pockets, he turned his head and looked at Canglong with a smile.

But Canglong stayed in place for a while, neither was it to continue to act, nor to escape.

Lin Kai looked up and down Canglong's body shape and curled his lips: "Looking at your body shape, you have been a soldier, you will not make any noise when you walk, and you know how to detect and counter-reconnaissance, you are at least a special soldier. "

After listening to Lin Kai's words, Canglong was even more surprised.

"you"

"Don't be surprised." Lin Kai smiled slightly and said, "Hehe, I have also been a soldier. To be precise, I am still a soldier, but I am not in the army."

The opponent has also been a soldier?

Tricky character!

"Why come to kill me?"

At this moment, Lin Kai narrowed his eyes, and his eyes pierced Canglong's heart like two knives.

The oppression Lin Kai gave him is really too strong!

"I... I didn't want to kill anyone!"

Canglong explained palely.

"Didn't want to kill?" Lin Kai smiled when he heard the words. This killer was a little cute.

"Give me a reason not to kill you." Lin Kai said lightly.

## **Chapter 1015: Intuition**

Chapter 1015

Lin Kai put his hands in his pockets and looked into the distance. He didn't even look at Canglong with his straight eyes.

But the sense of self-confidence in him is hard to ignore. At this time, Lin Kai seems to be an emperor who is playing with human life in his hands, and people can only look up.

His aura is too strong!

Canglong even felt that the other party could kill himself with a single thought.

My own is very small in front of him!

At this time, Canglong unexpectedly told the truth like a ghost: "I...My family is short of money, and my wife is about to give birth. I owed a foreign debt. I had to come out and become a killer."

"But I don't hurt people. Someone paid 100,000 yuan and let me kidnap you!"

After listening to Canglong, Lin Kai looked at Canglong.

Canglong did not carry a weapon on his body, only a towel.

It seems that he is telling the truth, and this person does not look like a bad person.

"I'm very curious, how can you owe foreign debts with your retired status as a special soldier? Besides, even if you are a killer, you can be a first-level killer based on your strength?"

"One hundred thousand yuan can send you?"

Hearing this, Canglong lowered his head in shame.

"I"

"I killed a hostage by mistake."

"I have been living in self-blame all these years, and hardly any serious work."

After hearing Canglong's words, Lin Kai's eyes flashed with sympathy.

Lin Kai could understand this explanation.

The story that this man has experienced is something that no one else can experience.

"Very good, for good reason, I decided not to kill you."

After that, Lin Kai took out a bank card from his pocket and threw it to Canglong, and Canglong caught it with one hand.

"There are two hundred thousand in this card."

"Don't come out to be a killer in the future. Get a job. Don't be sorry for the clothes you used to wear!"

After listening to Lin Kai's words, Canglong looked at the bank card in his hand blankly.

At this time, Canglong's body began to tremble.

He squeezed the bank card in both hands, tears instantly wetted his eyes, and the tiger's body was trembling slightly.

For so many years, Lin Kai is the only person who can understand him!

And he was also touched by Lin Kai's words.

Don't be sorry for the clothes that I once wore on you!

"Why are you helping me?" Canglong asked after a long time.

Lin chuckled: "There is no why, where are so many whys in the world?"

"By the way, Shao Xin asked you to kill me, right?"

When he arrived for the first time, Lin Kai couldn't think of anyone besides Shao Xin and Zhang Ji who wanted to kill himself.

Canglong shook his head and said, "No, it's Zhang Ji."

"Oh." Lin Kai nodded.

He was a little surprised. He and Zhang Ji didn't have a big rivalry. He didn't expect Zhang Ji to kill himself.

Lin Kai will never hesitate to treat the enemy.

All those who want to kill him, Lin Kai will let him die!

Lin Kai said, "Go back and tell Zhang Ji for me. He still has two days to survive. Two days later, Lin Kai personally sent him into the coffin!"

After that, Lin Kai looked back confidently and strode towards the castle.

He completely handed over his back to Canglong.

Canglong looked at Lin Kai's back, feeling a little bit in his heart, but the first time he met, the other party trusted him so much that he actually gave him his back.

It's ridiculous that I want to kidnap him!

The Canglong at this moment blamed himself very much.

I don't know, Lin Kai didn't care about Canglong at all.

It would be okay for Canglong to let it go, if Canglong had a wicked heart towards Lin Kai, the hidden \*\*\*\* would send him on the road without hesitation!

Canglong looked at the bank card in his hand, sighed, turned around, and ran towards the outside.

...

The next day, Lin Kai washed, and after getting dressed neatly, he left the castle and came to the silver Rolls Royce Phantom.

After all, Lin Kai's identity is now Li Shengxian's driver.

As a driver of Li Shengxian, you must have the consciousness of a driver.

Soon after, only Lee Shengxian, who was not good-looking, walked out of the castle.

He strode into the Rolls Royce.

Lin Kai looked at his face and raised his eyebrows and asked, "What? Did your elder brother trip you again?"

Li Shengxian nodded when he heard the words, with an ugly expression: "Yes!"

"My performance yesterday was so good, my elder brother was very dissatisfied. This morning my elder brother said that he asked me to buy a bar."

"Buy a bar?" Lin Kai raised his eyebrows when he heard the words. This task seemed to be done well!

"Yes! Huangtao Bar, a very famous bar in Donghai City, is very popular."

"My eldest brother gave me 300 million and asked me to buy this bar."

The price of buying a bar for 300 million is very fair. No matter how good the bar business is, it will take several years to earn 300 million!

"But the boss behind this bar can't afford to offend!"

"The boss behind this bar is the leader of the underground world in Donghai City!"

"Even if it is my dad, he has to be polite."

"Let me buy his bar, this task is very difficult!"

Lin Kai shrugged, drove the car, and drove towards the Yellow Peach Bar.

...

On the other side, Zhang Ji left the door early in the morning in the Huaxiangangan District. Zhang Ji was standing at the gate of the villa.

He is waiting for someone.

Canglong!

He can't wait to see Lin Kai.

As soon as Canglong shot, Lin Kai must be doomed! No matter how good he is, can he be an opponent of special forces?

At this moment, a person appeared on the small road.

The person here is the Canglong in overalls.

After seeing Canglong, Zhang Ji was overjoyed, but then, Zhang Ji's brows frowned.

Because he found that Canglong came alone!

"What's the matter?" Zhang Ji frowned and asked.

Canglong took out 50,000 yuan from the camouflage bag he carried with him and placed it on the BMW car behind Zhang Ji.

"The mission failed."

It's a simple and straightforward sentence.

After listening to Canglong's words, Zhang Ji's eyes widened.

"Even you are not his opponent?"

You know, Canglong is a top special soldier!

On the face of Canglong, there was a bitter meaning: "I didn't fight him, but my instinct told him that I was not his opponent."

After hearing Canglong's words, Zhang Ji was going crazy!

"intuition?"

"Do you rely on intuition to do things? Are you so courageous? Haven't played against each other before, you admit it?"

Zhang Ji roared, he couldn't understand Canglong at all!

Canglong raised his head and glanced at Zhang Ji, a trace of cruelty appeared in his eyes.

This bit of ruthlessness, like a hungry wolf staring at its prey, made people shiver.

Zhang Ji was shocked by the look in his eyes.

“He asked me to tell you that you have two days to survive. Two days later, he will personally send you to the coffin!”

Chapter 1016: Xu Wenhui

After saying this, Canglong left without turning his head.

Only Zhang Ji stood alone in a daze.

He looked at the fifty thousand dollars on the BMW, gritted his teeth with hatred!

“Send me to the coffin? Lin Kai, Lin Kai! Even if you can fight, you are only a driver and bodyguard! I want to see how you put me in the coffin!”

After Zhang Ji said, he picked up the fifty thousand yuan and turned back to the villa.

He didn't take Lin Kai's warning seriously.

After all, Zhang Ji is a figure in Donghai City. He doesn't believe that a small driver can bring down his big tree!

On the other side, Lin Kai and Li Shengxian have arrived at the gate of Huangtao Bar.

It is nine o'clock in the morning, and the Yellow Peach Bar has not yet officially opened.

The location of Huangtao Bar is excellent, in the center of Donghai City, opposite the largest shopping plaza in Donghai City.

The Huangtao Bar is very large, covering an area of 1,000 square meters, and the decoration is very young and personalized.

At this time, at the gate of the Huangtao Bar, there were seven or eight young people who were hanging out.

These people are all Huangtao Bar, please come to see the venue.

After Li Shengxian and Lin got out of the car, they ran directly into the Huangtao Bar and went.

As soon as they arrived at the door, a gangster with yellow hair stopped the two of them.

“Stop, what are you doing?” The yellow-haired gangster asked.

Before Li Shengxian had spoken, Lin Kai stood up and said coldly: “Look for your boss and talk about the acquisition.”

“Acquisition?” The yellow-haired gangster raised his eyebrows and glanced up and down at Lin Kai and Li Shengxian. Seeing that Li Shengxian was not well dressed, he did not dare to take it lightly.

“Wait!”

After all, Huang Mao ran into the bar to ask their boss to go.

Soon after, the yellow-haired gangster came out.

“Please! Our boss invites you two in!” Huang Mao Xiaofu said.

Immediately, Lin Kai and Li Shengxian walked towards the Huangtao Bar.

The bar is very large and empty, and there is no window. Even in broad daylight, it looks a little shady.

At this time, several aunts were cleaning in the bar.

When the evening comes, this bar will be the hottest time for business!

Lin Kai and Li Shengxian came to the second floor. There was a corridor on the second floor, and they walked to the office door at the end of the corridor.

Bang bang bang!

Huang Mao knocked on the office door.

“In!”

From the office, there was a wild man’s voice.

With a click, the door opened, and Li Shengxian and Lin drove in.

The office is very large and messy, and the pungent smell of cigarettes wafts throughout the room.

And there was a man lying on the leather sofa with a cigarette between his fingers.

It was a bald head with almost no eyebrows, and he looked about thirty years old.

On the back of his neck, there is a poisonous scorpion tattoo, which looks very evil.

This one is the owner of the Yellow Peach Bar and the underground emperor who has made countless people in Donghai City fearful, Xu Wenhui.

“Brother Tiger.” Li Shengxian nodded.

Xu Wenhui raised his eyes and glanced at Li Shengxian, a smile appeared at the corner of his mouth: “Haha, it turned out to be the Thirteenth Young Master! Come here, what’s the point?”

Xu Wenhui’s body carried a strong smell of ruffian.

His words seemed polite, but since Li Shengxian entered the room, he did not make any gestures to welcome him.

Obviously, Li Shengxian is still not qualified to let Xu Wenhui leave.

“Brother Tiger, I’m here today to talk to you about the acquisition.” Li Shengxian smiled.

In front of Xu Wenhui, even he was very cautious.

“Acquisition?” Xu Wenhui squinted his eyes and smiled: “Haha, it’s easy to say!”

“It just so happens that I don’t want this bar anymore, as long as the price is satisfied, I can sell it to you!”

After listening to Xu Wenhui’s words, Li Shengxian was taken aback.

Originally, he thought that the acquisition this time would be very difficult. After all, Huangtao Bar is very profitable. Furthermore, the acquisition of Xu Wenhui’s industry is equivalent to a disguised blow to Xu Wenhui’s face.

This time, Li Shengxian had almost thought out all his forgiveness.

But he didn’t expect it to go so smoothly!

Xu Wenhui means to sell bars!

“In terms of price, our Li family will surely satisfy you.”

“Look, how about two hundred million?”

Although Li Shengxian brought three hundred million, he wanted to leave a way for himself.

“Two billion? It seems that your Li family is very sincere!”

“Give me some time to think about it. Let’s not talk about anything else. Our brothers haven’t seen each other for so long. Let me have a drink first!”

After all, Xu Wenhui beckoned to Huang Mao outside the door.

Huang Mao readily understands.

Huang Mao took a bottle of red wine from the shelf aside and came to the two of them.

Huang Mao poured a glass of wine for Li Shengxian and another glass for Xu Wenhui.

Xu Wenhui raised his hand with a playful smile on his face.

“Thirteenth Young Master, since you want to ask me, then you have to let me see your attitude, please?”

After Xu Wenhui said, he touched his chin and looked at Li Shengxian with a smile.

Li Shengxian glanced at the wine glass in front of him, and for some reason, an ominous premonition rose in Li Shengxian’s heart.

I don’t know what’s wrong, but Li Shengxian just feels something is wrong.

But now, Li Shengxian has no turning back!

At that time, Li Shengxian directly picked up the wine glass and said, “Brother Tiger, this glass of wine is my respect!”

After all, Li Shengxian drank the red wine in the glass directly! No drop left!

Li Shengxian’s drink volume is still okay, a glass of red wine is on his stomach, his face is not flushed and he is not breathing.

“It is good!”

Upon seeing this, Xu Wenhui clapped and applauded.

At this time, Xu Wenhui glanced at Huang Mao and said, "What are you doing in a daze? What a man!"

After listening to Xu Wenhui's words, Huang Mao also showed a treacherous smile on his face.

"okay!"

After all, Huang Mao went out to call someone.

And Li Shengxian and Lin Kai were still in a daze at this time.

"Brother Tiger, what is your name?" Li Shengxian asked curiously.

After listening to Li Shengxian's words, Xu Wenhui's face also showed an inexplicable smile.

"Hehe, you'll know in a while."

Soon after, a group of people appeared from the door of the office!

A dozen gangsters!

Each of these gangsters was big and thick, and they stood at the gate holding their arms.

Soon after, a superb beauty walked in from outside the door.

That is a beautiful woman in a bikini.

She was extremely hot in body and stunning in appearance, so she walked to Xu Wenhui's side and sat down.

And Xu Wenhui was not polite, and hugged the pretty waist of the bikini beauty.

Then two people came in again.

These two people confused Li Shengxian at the time.

These are two men. One of them is carrying a camera and the other is holding a sound picker. These two men seem to be making movies.
