

Stubborn Love Of A Roguish Scion Chapter 11 – Treading Dangerous Ground

Chapter 11: Treading Dangerous Ground

“Why would I be angry with him? I am angry at Mo Jiangye. I hate him to the core,” She spoke through clenched teeth.

Gu Feirou’s eyes lit up at her words. This was what she and Jingxuan wanted to achieve! Jingxuan pretended to collect the marriage certificate with her and revealed the news secretly, so that Mo Jiangye would catch her and bring her back with him. She was a fool and she loved Lin Jingxuan very much and almost ended up as his wife. Now that Mo Jiangye had foiled her plans, she would definitely hate him to the core.

If she hated him, it would be easier for them to make use of her in the future!

However, they did not expect that the two of them would move out. It was more inconvenient for them to execute their plan in the future. But, as long as Ye Erruo was around it should not be a big problem.

“Yes, Mo Jiangye is indeed obnoxious. Xiao Ruo, no matter what you do, we will stand on your side.”

“It is because of him that I am unable to be with Jingxuan. I will definitely make him pay for it,” She said bitterly through clenched teeth.

“Xiao Ruo, I will help you.”

Gu Feirou was elated! The more she hated Mo Jiangye, the better it was for them.

“Alright, I have to go to my new house. He is still waiting for me over there.”

Gu Feirou grabbed her hands. “Xiao Ruo, you are treading dangerous grounds. I heard from Jingxuan that he... he did...”

Ye Erruo shrugged her hands away abruptly, moving away from her.

Gu Feirou was stunned. “X-Xiao Ruo.”

“I will make a move first. He will lose his temper if I am late and I will suffer his wrath. There will be a day where I will be able to be with Jingxuan.”

Ye Erruo left quickly, disgust evident in her eyes.

“What did she say?”

“There is not much of a problem. It’s just that it seems somewhat odd. But we have achieved our goal. She hates Mo Jiangye to the core now... Ah~ Jingxuan, what has happened to your face?”

Gu Feirou turned and saw that Lin Jingxuan’s face was red and swollen. The corner of his lips were hurt as well.

There was a cold glint in Lin Jingxuan’s eyes as his hands covered Gu Feirou’s hands. “That d**n b***h hit me.”

Gu Feirou’s heart ached at the sight of his wounds. “Ye Erruo!?!? She hit you?”

“It’s alright.”

“It’s swollen. I will apply medicine for you. How dare she hit you!!”

Lin Jingxuan took her into his arms and left with her.

“Even I can’t bear to hit you. How dare that s**t hit you!”

Gu Feirou was furious and her heart ached at Lin Jingxuan’s injuries. She kept lamenting on her way back to Lin Jingxuan’s bedroom. She could not wait to chop Ye Erruo’s face to pieces.

“Do you really feel sorry for me?” Lin Jingxuan had a vague smile on his face, as he looked at the woman who was applying medicine for him.

She glared at him. “Are you saying that I am pretending? I... Ah~!!”

The medicine in her hands suddenly fell to the ground and she was pressed onto the huge bed by Lin Jingxuan.

“W-what are doing? G-get off me.”

“Ye Erruo has become Mo Jiangye’s woman and they collected their marriage certificate.” He pressed onto her.

“Didn’t you already say that?”

“Then...”

He lifted her chin and asked, “When are you going to collect the marriage certificate with me?”

Gu Feirou bit his finger. "When you are in power in the Lin family, I will collect the marriage certificate with you but not now. We must not let the stupid fool find out about us."

Lin Jingxuan lowered his head and took a bite of her red lips. "Alright. After I am in power, I will definitely make sure that you are the happiest woman in the world. You will be my goddess."

Gu Feirou felt sweet inside her heart. The man belonged to her! The b***h had no way to fight with her.
