

Chapter 151: Male? Or Female?

Upon seeing that it had become obedient, Mo Jiangye squinted his eyes unhappily. It listened to his woman so well?

The maids, who had witnessed the situation, hurriedly went forward and caught it.

The dog wailed.

“Kill it! Use its meat to make steamed stuffed buns and distribute them so everyone can eat,” Mo Jiangye said eerily.

“Yes, Young Master.”

“Hold it!” Ye Erruo stopped them frantically.

“Let it go. Just tossing it out will be fine.” How could they kill such a cute pet dog and make dog meat buns out of it? How many buns could they make with the small amount of meat in his body?

Mo Jiangye was unhappy. He did not like how the dog looked at her. Its dependent, flattering look left him feeling a heavy sense of crisis. Crazy! This was crazy! He was actually feeling threatened by just a dog!

The more Mo Jiangye thought about it, the darker his expression became!

“How did this dog get in?”

“Young Master, the dog’s owner accidentally lost it.”

“Lost it?”

“Here’s the thing. Our subordinates checked the surveillance cameras yesterday. The rain was rather heavy and there was a car accident, so the dog was left on the road. The carrier the dog was kept in was gorgeous. Therefore, a passer-by left it on our doorstep when they saw it.”

Because the carrier had not been that far from their manor, the passer-by had thought that someone living in the manor had lost it. There were surveillance cameras all around the manor, so that person had been afraid they would cause trouble by taking it.

“Have you found its owner?”

“Young Madam, the dog’s owner passed away in the car accident last night. The body has yet to be claimed by someone. Based on the driver’s license, the owner did not have any parents. They were an orphan.”

Ye Erruo bit her lips. Didn’t this mean that the dog was now a stray not wanted by anyone?

“That’s great then. Kill it,” Mo Jiangye said eerily.

“...”

He was leaving for one week, which meant she would be alone at home for a week. She really wanted to have a dog, but Mo Jiangye was strongly biased against them! If they were not careful...

After a few minutes of this dilemma, Ye Erruo spoke up. "I will take care of it for one week. Mo Jiangye, I will send it away when you return. During this week, I will not let it into our bedroom. I will move to the guest room at the front of the house and I will definitely not let it into the guest room at the back."

"Absolutely not, Young Madam. Young Master cannot touch a single strand of dog hair."

"When Mo Jiangye leaves, I will do everything at the front of the house and I will not ever go to the back. When he returns, I will clean up everything before he's back."

If there was one thing the manor did not lack, that was rooms!

Mo Jiangye was speechless.

"Do you like it? Do you want to keep it?"

"I will take care of it for a week as I wait for your return." She would bring the dog to the room that was the furthest from theirs. Not a single dog hair could touch his body after all!

"Do you like it?" he asked again.

Ye Erruo nodded her head. She wasn't going to deny it. Yes! She really liked this dog. She liked it a lot!

"Is it male or female?" Mo Jiangye asked.

Bo Yu glanced at the maid. "Is the dog male or female?"

The maid lowered her head to have a look. "It is male, Young Master!"

"Kill it."

Ye Erruo was speechless.

"No, no, it is female." The maid pulled down the dog's fur.

"Take it away."

"Yes!"

Mo Jiangye grabbed her to face him as he said, "Wait till I have left before you touch it again."

Ye Erruo's eyes glinted. "Alright..."

"You can only care for it for one week," he said lovingly as he rubbed her cheek with the back of his hand.

"Of course. I will send it away when you get back."

"Good."

Chapter 152: Sell It For 800,000 And Return To The Countryside!

The afternoon that Mo Jiangye left, Ye Erruo moved into the other room and kept the red furry fella by her side closely. It followed her wherever she went, its excited little body jumping at every step.

“Young Madam, someone has sent something for you.” A maid walked in with a box with gorgeous packaging.

On the intricate pink glass box was a lovers’ design with two rows of loving sentences. On the corner of the box was a bow, and a shining diamond was embedded in the middle of the box.

Ye Erruo had just changed clothes and was ready to head out when she saw the box in the maid’s hands. She furrowed her eyebrows and asked, “Who sent this?”

“I, I do not know. That person has left.”

“Didn’t I tell you not to sign for any unknown parcels? Remember, do not sign or accept anything in the future. Take this out and deal with it yourself. Red Bean, let’s go!” Ye Erruo took her purse from the clothing rack and walked out.

Red Bean dashed and ran out with Ye Erruo.

“Young Madam, Young Madam! Do you really not want this?” The maid ran after them.

“I am giving it to you.”

“But... But you have not even seen what’s inside.”

“You can help me have a look. I have given it to you. If you do not want it, then throw it out.” Ye Erruo bent down and picked Red Bean up into her embrace.

The little fella dug its snout into her embrace excitedly.

“Are you a dog or a wolf?” Ye Erruo blew at its furry head and smiled.

“Ow!”

“...”

Upon seeing that Ye Erruo had left, the maid, who was on the second floor, touched the box and opened the packaging.

Clack!

When she saw what was inside the box after opening it, she dropped it on the floor in shock, causing it to break into pieces.

She crouched down excitedly and picked up the set of pink jewelry happily. Upon seeing that no one was in the main hall, she frantically cleaned up the broken pieces and took the diamond embedded in the box as well.

This thing was clearly worth a lot at first glance.

Last time, someone had sent flowers. This time, it was diamonds. If Young Master knew that someone was pursuing Young Madam...

The maid trembled at the thought. She did not know anything, anything whatsoever! She had to quickly sell these items, as maids couldn't wear such expensive things. It wasn't safe to keep them by her side either, so it was more practical to exchange them for cash.

"Xiao Mei, what are you doing? Why do you look so flustered?"

"Who says I look flustered?" The maid straightened her posture as she hid the jewelry in her clothes and speedily walked out of there.

This stuff could probably sell for at least 800,000 yuan, right? If they were authentic pink diamonds, she could sell them for even ten million yuan! With ten million, she wouldn't need to be a maid any longer. She could take the money and return to the countryside and live a good life.

The more she thought about it, the sweeter she felt in her heart!

Meanwhile, at the Enchantress Bar...

"Oh, oh, oh! The little canary is finally let out to breathe some fresh air." Yao Tiao made fun of Ye Erruo when she saw her.

"Xiao Ruo, what are you doing here?" Ji Sichen was surprised.

"What canary?"

"How did you feel at home these past few days after being caught and cared for by Chief Mo? Tell us your story and thoughts about gaining back your freedom." Yao Tiao placed her shoe in front of Ye Erruo.

"That's a strong odor."

"This is a new pair of shoes. Hey, where did you get the red furry guy in your embrace?" Yao Tiao caressed Red Bean's head and held its head in her hands as she ravaged it.

Ye Erruo's lips twitched as she placed Red Bean down on the ground.

Red Bean barked angrily as it fiendishly dashed toward Yao Tiao.

"Red Bean!"

Red Bean looked terrified in an instant and sat obediently by Ye Erruo's leg.

"Did he do anything to you?" Ji Sichen asked with a confused gaze.

He could still contact her promptly if there was an issue. However, every time, before they could even exchange a few words, she would have something to do. He did not know if the man had done anything to her after she had been caught and brought back from the bar...

Chapter 153: I Like It. Thank You, Hubby.

"What?" Ye Erruo raised her brows.

Ji Sichen decided to not ask her this question again after seeing that she did not look like she had been abused at all.

“Say, Xiao Ruo, did you aggravate Young Master Mo? I thought you offended someone when that group of men in black came to pull you out of the bar.”

“Yes, I made him angry,” Ye Erruo deadpanned.

Yao Tiao’s eyes glinted. “Young Master Mo sure is aggressive!”

If he had directly carried someone back just because of getting angry, she must have suffered quite a lot at home these past few days.

“ ... ”

Upon seeing that her gaze harbored malicious intent, Ye Erruo naturally realized what she was thinking about.

“Gu Feirou’s eyes...”

“No idea who she has offended, but no hospital dares to operate on her. They couldn’t find a match for her cornea either,” Ji Sichen said.

Ye Erruo raised her brows. “No hospital is willing to change her cornea?”

“No.”

Ye Erruo hugged Red Bean. She could not think of another person other than Mo Jiangye that could have the control and authority to do such a thing.

Yao Tiao reached out and grabbed Red Bean from Ye Erruo’s embrace. “Ha! This must be Chief Mo’s doing. Who else would have the capability to do it? Isn’t that right, Red Bean?”

“Then she can only leave the country to fix her cornea,” Ji Sichen said.

Ye Erruo sneered, “Go overseas?”

She would not leave the country. The issues of Lin Teng and the rights of the Lin Family were making Lin Jingxuan’s life hectic enough. Lin Jingxuan couldn’t accompany her overseas at such a crucial time, and Gu Feirou couldn’t leave Lin Jingxuan for even a minute. As for her going overseas alone? That was even more impossible!

Buzz! Suddenly, her cell phone vibrated.

When she saw who was calling her on the screen, she smiled and walked aside with her phone.

Upon seeing this, Yao Tiao instantly knew who was calling.

“Go get busy.” Yao Tiao reached out and pushed Ji Sichen outside!

“Hello?”

“Did you receive my item? Do you like it?” A low sexy voice was heard from the other end of the line.

“Item? What item?” Ye Erruo unconsciously asked back.

“You haven’t received it?” Mo Jiangye’s pitch became higher near the end of his question.

“What, what item? I am not home right now.”

“Where are you?”

“At the bar. What kind of item is it?” Ye Erruo asked carefully.

“A box.”

“A pink box?” Ye Erruo asked guiltily.

“Yes. You received it then?” Mo Jiangye asked gently.

Ye Erruo grabbed her purse from the couch and dashed out of there. Damn it, damn it!! The item she had received today had actually been sent by him?

Red Bean barked and ran after Ye Erruo.

“Do you like it?”

“I like it, I like it! I love it very much. Thank you, hubby.”

“Aren’t you at the bar?” Mo Jiangye asked as he heard her panting.

“I am taking a cab right now.” Ye Erruo stopped a cab and sat inside with Red Bean.

“When you return, take a picture and let me have a look.”

Ye Erruo cried inwardly. “Alright, I will immediately wear it and take a photo for you to have a look when I get back.”

“Wear it?” Mo Jiangye’s voice instantly turned cold.

Ye Erruo’s brain was stunned for a moment. He hadn’t bought her clothes?

“I will take a picture for you to see when I get back.”

“Did you open it to have a look at what was inside?”

Ye Erruo did not know if it was because she was feeling so guilty, but she immediately answered, “I opened it. I opened it and had a look. I was just bewildered. I was wondering who sent me the gift. He he he. It’s very beautiful...”

Pah! As soon as she finished her words, Ye Erruo wished she could just bite her tongue off. Why had she said that she had opened it?

It was deadly silent on the other end of the line, which made Ye Erruo frantic.

“Do you like the clothes?” asked the man.

Chapter 154: A Surprise

“Do you like the clothes?” asked the man.

Ye Erruo’s lips were pursed tight in apprehension when she heard this abrupt question, as she dared not give him an answer. *I suppose he must’ve given me clothes then?*

“Hm? Do you like them?”

She tactfully answered, “Yes. In fact, I would like anything that you give me, be it clothes or anything else. I’d love it all. Oh, right. Have you arrived at the Blue Tower?”

The quick-witted woman skillfully changed the topic at once.

“I’m in a neighboring country.”

“It’s snowing over there now, so the weather must be freezing. Did you bring warm clothes with you? Remember to dress in layers.”

“Alright. When I return, I want to see you wearing the dress I’ve given you every day.”

“Okay!”

“Ha!” An icy, low chuckle suddenly burst out of him, making her heart tremble in fear.

“Baby Ruo...” The endearment rang out in a low, dangerous tone.

“What’s wrong?”

“Have you really opened the gift and seen what’s inside?”

She sucked her lips before mustering the courage to confess. “I-I... actually haven’t opened your gift...”

“Why did you lie to me about it then?”

The corners of her lips twitched. *How should I know why the hell I did that?*

“I’m asking you again: Did you receive my gift?”

She rubbed her forehead in vexation. “Yes, I did.”

“So where is it? Did you open it or not? Do you need me to make a call home to check?”

Letting out a heavy sigh, she replied, “I did receive it. It’s just that I thought it had been sent to the wrong recipient. Since the delivery man had left, I decided to give it to the servant instead.”

His expression totally froze at once. “Sent to the wrong recipient?”

“I’ll go get it back from her at once,” she promised him solemnly.

Meanwhile, Mo Jiangye, who was in a hotel, was thoroughly enraged. His gift to his wife had been left unopened and given to a lowly servant!

“Forget it!” His voice had taken on a frigid tone.

That gift has been dirtied and sullied by another woman’s hands!

“I’m sorry...” she murmured apologetically and remorsefully.

Her apology only made her husband’s face darken, though. “Take back your apology!”

“I’m truly sorry! It was never my intention to give it to the servant! If I had known that you were the sender, I would never have let the servant touch the gift at all. What was it that you got me? Wasn’t it clothes?”

Somehow, the first thing that had come to her mind when she’d seen the exquisite gift packaging had been that it contained clothes.

“A ring.” The man had only mentioned one item, however.

Upon hearing that, the woman became even more determined than ever to reclaim the item from the servant despite her bafflement over the use of such a big package for a small ring.

“Forget it. I’ll just get you another one.”

He did not doubt that the servant must have tried on the ring upon receiving it and, naturally, he would never allow his wife to wear another person’s preloved possession!

“Why didn’t you let me know beforehand?” Ye Erruo felt so regretful that her face had turned red from remorse!

“It was meant to be a surprise,” he casually replied.

“...”

“Don’t you go looking for it, do you hear me?” he gave her a stern warning.

“Are you saying that you’re going to give that ring to another woman?”

How indignant she felt! If it had been any other small accessory, she might have just chosen to bear the consequences of her stupidity. However, it was a ring given to her by her husband! It had a special meaning to it. Plus, it was the first gift that he had ever given her. How could she not look for the ring and try to get it back?

Later, upon alighting the cab, she flew right back into the estate.

“Young Madam, you’re back already?”

“Where’s that lass who often cleans my bedroom?”

“Are you referring to Xiao Mei? She’s resigned to return home to the countryside.”

Chapter 155: I Want Them Even If I Have To Declare Bankruptcy!

“Are you referring to Xiao Mei? She’s resigned to return home to the countryside.”

Ye Erruo almost spat out blood when she heard that!

“She’s returned to the countryside?” she asked in alarm, her voice rising.

“Y-Yeah.”

“When did she leave? How long has it been?”

“It’s been about a couple of hours now.”

I should still be able to catch up with her!

“Where does she live?”

“Uh... I’m not sure about this. We’ll have to find out from the housekeeper.”

She quickly went to look for the housekeeper. “Don’t the maids need to wait for a week for their resignation to be approved before leaving?”

“Other than the manager, everyone else in the household who’s involved in Young Madam and Young Master’s life does not need to wait a week for approval when they tender their resignation. The manager will accept the resignation letter and have it approved in about half an hour if there are no problems with it. Since Xiao Mei was mainly responsible for cleaning your bedroom, I believe her resignation was processed quickly.”

“...”

Minutes later, she managed to get hold of Xiao Mei’s countryside address and trace her flight’s boarding time.

The plane would be taking off at 1.45 pm, but alas, the time was currently 1.35 pm. It would be impossible to reach her in time, especially since the journey to the airport would take at least half an hour. Besides, Xiao Mei’s phone had been switched off, which clearly indicated that she had already gone through immigration check and boarded the plane. In fact, the plane might have already taken off...

Things would get a lot more troublesome if she had to wait for her to take a return flight and look for her, so that left her with the option of making a trip to Z City.

“Is there anything urgent that you need Xiao Mei for, Young Madam?” asked the housekeeper.

“She can’t leave just yet. She’s mistakenly taken something of mine.”

“I see... I’ll try to stop her flight then,” said the housekeeper as she pulled out her phone to make a call.

Her eyes lit up in hope!

A few minutes later, the housekeeper smiled and assured her, “It’s settled, Young Madam. Just wait a little while and Xiao Mei will be back.”

“Okay.”

The plane, which had taken off, made an immediate detour upon receiving the news from the control center, and all its passengers were given free tickets to board the next flight instead.

At the airport, a grumbling Xiao Mei was alighting from the plane along with the other passengers when several tall, burly men carried her away as soon as she stepped out of the cabin.

An hour or so later, she was brought back to Zhuang Ge Residence.

“Y-Young Madam?” A look of panic crossed her face.

“Where’s the box that I gave you earlier?”

This question stunned her. “I... I-I sold it.”

The corners of Ye Erruo’s lips twitched. *Sold? How speedily she acts!*

“Who did you sell it to?”

The lass was practically on the verge of tears by now. “Young Madam, you told me to deal with it however I wanted. Since there was no point in me keeping it, I sold it.”

“I’m asking you: Who did you sell it to?”

“I sold it directly to an auctioneer.”

“Let’s go and find it right away. Oh, right. How much did you sell it for?”

“N-Nine million yuan,” she carefully stammered out.

“ ... ”

Soon, they arrived at the largest auction market, where many auctions were held daily. They arrived just in time, as the set of jewelry had just been put up for auction.

Countless people were amazed by the stunning set of pink diamond jewelry when it was displayed on the huge screen. It caused a great stir in the auction venue, and the bidding price climbed as high as eighty million yuan.

“Eighty million...” Xiao Mei’s eyes bulged wide when she heard the bidding price. She had sold the jewelry to the auctioneer for only a measly nine million yuan.

“Eighty million! Any higher bids?”

“Ninety million!” cried Ye Erruo through gritted teeth as she walked closer to the auction area.

“One hundred million.”

“A hundred and fifty million!”

“One billion!”

Xiao Mei was completely floored.

“Two billion!” No one knew who the bidder was, but their bidding price had the entire auction venue falling into complete silence in an instant.

That jewelry is obviously a set, yet Mo Jiangye only told me about the ring! The thought that she would have to dig deep into her pockets to buy back her items had her seething as her eyes turned red. She could not help wanting to slap herself to death for her stupidity.

“Two billion going once!”

“Two billion going twice!”

Just as the auctioneer was about to cry “Sold!”, she decided to get back the jewelry at any cost. “I want them back even if I have to declare bankruptcy! Two-point-one billion!”

Chapter 156: These Items Belong To My Wife!

Just as the auctioneer was about to cry “Sold!”, she decided to get back the jewelry at any cost. “I want them even if I have to declare bankruptcy! Two-point-one billion!”

Ye Erruo let out a sigh of relief when no one upped her bid.

“Two-point-one billion going once.”

“Two-point-one billion going twice!”

“Two-point-one billion going thrice...”

“Two-point-five billion!” A crystalline voice rang out suddenly.

With fury burning in her eyes, she turned her head in the direction of her female competitor!

The other woman, however, calmly looked at the pink diamonds on the screen and ignored her murderous gaze.

Her heart was dripping with blood when she made a counter-offer. “Two-point-seven billion.”

“Young Madam, why are you...” The housekeeper could not resist asking upon noticing her furious look.

“The jewelry was sent by Mo Jiangye,” she replied with a sigh.

The servant’s legs instantly gave way. *I-It was sent by Young Master? Won’t Young Master give me a hell of a thrashing if we’re unable to get the jewelry back then?*

“Three billion!” That woman seemed to be bent on beating her.

“Five billion!” cried the housekeeper.

“Wow!” The audience was sent into a frenzy upon hearing the five-billion offer.

“You!” That woman finally lost her cool and turned her head to shoot a furious glare at the housekeeper.

“Any bids higher than five billion?”

No one dared to place any more bids during the auction.

“Five billion going once.”

“Five billion going twice!”

“Sold!”

Thump! The instant the hammer came down, Ye Erruo felt relieved. Meanwhile, she also felt a pinch in the heart.

Warm applause rang out across the entire auction venue.

Then, a man came from the backstage area, approached the auctioneer, and whispered something to him, causing the auctioneer to glance at the woman not far away from him before he nodded.

“My deepest apologies, miss, but we’re unable to hand over the auctioned item to you. There’s a problem with the goods.”

“What’s going on?”

She rose to her feet at once, feeling agitated. “Since the deal has been closed, I should be making the payment and you should be handing me the item. Will this auction house still have any integrity if you go back on your word now?”

With an apologetic look, the auctioneer said, “I’m truly sorry about this, miss. It’s the first time that this has happened in our auction house, but there’s indeed a problem with the auctioned item. As such, we’re willing to compensate you with five billion yuan for causing you an inconvenience. We ask for your kind understanding.”

“She’ll be getting five billion yuan for nothing?”

“Good gracious!”

Cries of exclamation could be heard all over the place.

“I don’t want money. Just hand me the item of the transaction.”

“I’m sorry, miss.” The auctioneer apologized again while someone from the backstage area came forward to take the set of jewelry.

“No. You guys...”

“Well, that’s the end of today’s auction.” The auctioneer took his leave after taking a gentlemanly bow before the audience.

Xiao Mei was practically drowning in tears by now. *Gosh, I’m done for. I’m a complete goner.*

Ye Erruo’s face had completely darkened. She’d truly had no idea that her husband would send her a gift, especially since the bouquet she had previously received had clearly not been from him. Therefore, she had naturally thought that the gift box she had received this time had been sent to the wrong recipient again.

Just as they were about to leave, a man holding the set of pink diamond jewelry in his hands walked past her.

“Just a second, please!”

As he smirked inwardly, he stopped right in his tracks.

“Didn’t they say that they’re not selling this item because there’s a problem with it? Why is that..”

“It’s you again!” She could hardly believe her eyes.

It was the man she had met at the lobster shop and on several other occasions...

“What a coincidence.” His sexy, magnetic voice was music to the ears.

His lips curled into a slight grin. “Is there something you need, miss?”

Her gaze dropped to his hands. “These...”

“These? These items belong to my wife!”

Chapter 157: My Wife Likes Pink Diamonds

“These? These items belong to my wife!”

Ye Erruo was stunned. “Your wife?”

His wife? These were clearly the items that Mo Jiangye had gifted her!

“My wife likes pink diamonds. I’ve searched for many years before finding this set of rare pink diamonds. However, my wife has been missing for more than a year and has yet to be found. When I find her, these will belong to her!”

Ye Erruo let out a sigh of relief. So this was what was going on!

“Sir, this is a gift to our Young Madam from our Young Master and I accidentally sold it away. Please find another set of pink diamonds and I will return the money to you, alright?” Xiao Mei’s eyes were red. If they did not bring this set of jewelry back by the end of the day, Young Master would definitely skin her alive!

Bo Jinyan gave them a strange smile as he said breezily, “Alright. Since I have met you a few times, it could be considered fate. I will sell this set of pink diamonds back for nine million yuan and I will search for other diamonds.”

Xiao Mei smiled through her tears. Nine million was exactly the price she had sold them for, not a cent less or more.

Ye Erruo furrowed her eyebrows. He was that easy to negotiate with? Somehow, she felt that something was off. “You are a gentleman. Thank you so much for painstakingly giving up something you love!”

“Bo Jinyan,” he casually replied.

She was confused.

“That’s my name!” he said with a smile that was not really a smile.

Ye Erruo smiled politely and accepted the box. “Thank you very much, Mr. Bo.”

Bo Jinyan said faintly, “Since I have met you many times, miss, would you be so kind as to give me some face and have a meal with me?”

Ye Erruo initially wanted to reject him directly, but her words turned out to be different when they left her lips. “Next time, I will treat you to a meal, Mr. Bo.”

After all, treating him to a meal was worth it since they had been able to get back this set of jewelry without losing a single cent.

Bo Jinyan’s eyes shone when he heard that. “Alright. I still do not know how I should address you, miss. When would you have time to meet?”

“Ye Erruo!”

“Then, Xiao Ruo, when would you have time to meet? Do you mind if I address you this way?”

Ye Erruo was stunned. “It’s alright.”

“Young Master!” Ai Er called out softly.

Bo Jinyan smiled. Conscious of his abnormal behavior, he added, “Alright, Xiao Ruo, I will wait for you to treat me to a meal when you have the time.”

“Young Master, you still have some urgent matters to take care of. It will be too late if you do not leave now,” Ai Er reminded him once again.

“Until next time!” Bo Jinyan suddenly leaned in and hugged Ye Erruo for a moment.

“Young Madam!” The supervisor and Xiao Mei were flabbergasted.

Ye Erruo was taken aback by his hug. When she finally regained her senses, the other party had already released her.

Ai Er hurriedly tried to appease the situation. “I hope you do not read too much into this, Miss Ye Erruo. Young Master has been living overseas all this time and has recently returned. Therefore, his gestures can be a little too intimate.”

Ye Erruo smiled, feeling relieved. “Alright!”

“Let’s go, Young Master,” Ai Er reminded him softly once again.

Bo Jinyan raised his brows before turning away and leaving elegantly.

“Miss, please transfer the amount to this account,” Ai Er said.

The supervisor took the item from Ai Er’s hands. “Alright!”

“Please help yourselves!”

Ye Erruo hurriedly tore open the box's packaging. The ring, bracelet, necklace, and earrings were placed in their own separate crystal cases. The crystal cases were all locked tight. Taking a key and opening a crystal case would cause the key to break. Every single case worked the same way. Opening one meant breaking one key. Altogether, there were exactly four keys!

"Xiao Mei, you did not open this before?"

"No, no, Young Madam. The jewelry was locked in these small crystal cases when I opened the box. The big box had already been destroyed."

Ye Erruo smiled. It seemed like no one else had touched the jewelry since Mo Jiangye had gifted it to her.

Chapter 158: You Are Jealous Of A Dog?

Pink diamonds, fair skin, faint pink lipstick, and a pink-and-white dress!

After putting on the entire set of jewelry Mo Jiangye had given her, Ye Erruo put on an intricate face of make-up.

Upon making the video call, Ye Erruo stood a fair distance away from her phone.

"Do I look nice?"

Mo Jiangye's eyes shone as a hint of gentleness flashed across them.

"Hm? Does it all look nice?"

"Yes, very nice," he said softly.

Ye Erruo lowered her head and tightened the strap of the bracelet. "Have you reached the Blue Tower?"

"I just arrived."

"Is it snowing over there?"

Mo Jiangye turned the camera to the window. It was snowing heavily outside, and the entire sky was white.

"Didn't I ask you not to try to find the jewelry?" he asked unhappily.

Although it looked great and it really suited her, he couldn't help but feel like the jewelry had been tainted after being touched by someone else.

"No one unsealed the jewelry. Each key could only be used to open each case once. Every key would be destroyed after opening the case."

Mo Jiangye let out a sigh of relief.

“It’s cold there. Put on more clothes,” she advised him.

Upon hearing her concern, Mo Jiangye smiled. She was truly becoming more thoughtful and more concerned about his health.

However, his smile instantly froze when the corners of his lips had barely risen.

“What’s wrong?”

“Move away!”

“What?”

“Move aside.”

Confused, Ye Erruo shifted her body to the side.

When Mo Jiangye saw the lump of red fur on the bed, his expression instantly darkened. “There are germs on its body, yet you let it sit on the bed like that?”

Ye Erruo turned her head, only to see Red Bean stuffing its furry little head into her covers, its butt peeking out as it slept obediently on her bed.

“Red Bean is very clean. I have asked a doctor to conduct a check-up, and it has had the necessary shots to prevent any spread of bacteria or diseases. I have bathed it as well, so it smells great.”

Mo Jiangye’s voice peaked near the end as he asked, “You bathed it?”

“Yes, I bathed it.”

He bit his lips as his deep-set eyes darkened. She had never given him a bath before.

“Get it down.”

“It’s asleep right now.”

“Get it down!” His expression turned ugly. Only he could hug his woman to sleep, yet a dog wanted to sleep on the same bed as her? It had to be daydreaming.

The corners of Ye Erruo’s lips twitched when she heard that. She carefully walked to the side of the bed and pulled the covers back. Red Bean’s furry head was so adorable that Ye Erruo could not bear to wake it up. It was like an obedient, quiet baby huddled into a ball, nestled in the covers.

The dog must have felt Ye Erruo’s presence, as it opened its big and round eyes and started wagging its tail and rubbing against her hand to curry favor.

Ye Erruo held its two little paws in her hands and took the dog into her embrace. When its limbs were lifted before the camera, Mo Jiangye squinted his eyes.

“Bring it over.”

“What is it now?” Ye Erruo carried Red Bean toward her phone.

“Is it male or female?” he asked coldly.

“Didn’t the maid say that it was female?” Ye Erruo lifted Red Bean’s paws suspiciously.

After looking at it all day, she still did not know how to tell the difference between a male and a female dog.

Crack! Mo Jiangye instantly snapped the pen in his hand into half. It was clearly a male dog!

How had the damn maid not seen it?

“There’s no difference between male and female dogs.” Ye Erruo smiled gently as she caressed Red Bean in her embrace. The dog was enjoying her touch.

“It is a male dog. Throw it out,” he said with a dark expression.

“They are all the same, regardless of gender.”

The same? How was it the same?

“Throw it out. You are not allowed to let it touch you ever again. You are not allowed to hug it anymore. If you like dogs, I will get you a new one.”

Ye Erruo was stunned. “Mo Jiangye, you can’t be jealous of a dog, right?”

How childish was he?

Chapter 159: Your Ex-Boyfriend Is Looking For You

Jealous? How could he be jealous of a dog?

If such a dirty living creature kept climbing on the bed and lying on it for a long time, it would definitely make her sick. Especially since there were more bacteria on male dogs.

“Mo Jiangye, you!” The corners of Ye Erruo’s lips twitched. That’s right, that’s right. He was indeed jealous of a dog.

The expression on Mo Jiangye’s face turned darker and gloomier. He didn’t care, that dog had to go.

“Be obedient. I will get you a new dog of the best breed. Kick this one out.” He coaxed her in a gentle voice.

“But I just like Red Bean.” Ye Erruo gave the man a smile that was not quite a smile. He was a childish, petty man... An adorably petty man? She had to be crazy to think that he was being adorable.

Mo Jiangye bit his lips. “I will get you two dogs.”

The corners of Ye Erruo’s lips lifted at that. Two?

“Three is fine as well. What kind of breed do you want? I will get them all as long as you throw this low-breed dog out.”

“I only like Red Bean.”

Mo Jiangye did not comment.

After a long silence, he asked faintly, “How many do you want?”

“Two is enough, but both of them must be male! I will only agree to give Red Bean away if that’s the case.”

Mo Jiangye furrowed his brows. Her smile was filled with malicious intentions, and the corners of her lips were lifted really high... Forget it!

“Can you get me two male dogs?”

“Don’t hug it so much,” he said coldly.

Ye Erruo smiled delightedly.

“...”

“Hubby!” Ye Erruo called out softly.

“Yes.”

“Hubby!”

“Speak properly.” Mo Jiangye’s tone was filled with helplessness and indulgence.

“I miss you.”

Was she trying to flatter him?

Heh!

“Don’t hug it so much. There are many germs on it.” Mo Jiangye stared silently at the shameless dog in her embrace.

Heh!

It was sleeping quite comfortably in his woman’s embrace!

It had to be very comfortable with its head on his woman’s arms!

Those paws were hugging her arms. It had to be amazing, right?

Heh! What an ugly dog!

His cold, poisonous gaze lingered on Red Bean in Ye Erruo’s embrace more than a million times.

“Okay.” Ye Erruo lowered her gaze to look at the little fella in her embrace before rubbing her face against its head.

Mo Jiangye did not comment.

“Don’t touch it so much,” he reminded her once again.

When he returned, the first thing he would do was chop it up and make steamed meat buns!

“I know, I will touch it less.”

“When you head out, you are not allowed to wear this dress. Remove the necklace, earrings, and everything else. You are not allowed to put on make-up either.”

Initially, her appearance had already not been that safe. With this get-up, she would definitely attract men if she went out!

“I wasn’t planning to head out like this. I only put on this make-up and wore these clothes for you.” She tried to choose the words that would keep him happy.

However, that was indeed the case. She had meticulously prepared this outfit for him and only for him to see!

As she had expected, Mo Jiangye’s smile widened when he heard her words. This beauty only belonged to him. Only he could see her like this.

Buzz! Buzz! Buzz! Suddenly, Ye Erruo’s phone rang and the video call was interrupted.

“Hello? Xiao Ruo, I called you many times. Why didn’t you pick up?”

“I didn’t notice. I had put my phone on silent. What’s wrong?”

“Come to the bar quickly. Your ex-boyfriend is looking for you.”

“What?”

“Lin Jingxuan, Lin Teng Corporation’s eldest son! He is at the bar looking for you. F*ck, the bar is stuffed with flowers to the point that it’s about to turn into a flower shop. The fragrance is suffocating me.”

Chapter 160: Damn! What a Retard!

“What flowers?”

“Come over quickly. Quickly! The bar is filled with flowers. F*ck, the customers have all been kicked out to watch the scene.”

Ye Erruo’s expression darkened. What was this moth, Lin Jingxuan, up to again?

When Ye Erruo reached the Enchantress Bar, the crowd was blocking the door to watch the scene. After trying a long time, she finally managed to squeeze into the bar and close the door.

“Hey, hey... Why are you closing so early in the day?”

“That’s right, that’s right. Are you still open for business or not?”

“Which rich, powerful person is preparing to confess his love to Little Ah Mei?”

In the bar, countless roses were placed everywhere and candles were in the middle of the stage. Every corner looked extremely romantic.

Ye Erruo, who was in the bar, had no idea where Ji Sichen and Yao Tiao had gone.

“You’re here.” Lin Jingxuan was wearing a white suit as he walked over slowly with a bouquet of flowers. His gentle gaze was fixed on Ye Erruo.

“Lin Jingxuan, what is f*cking wrong with you?”

He looked like a stupid idiot who was going crazy every single day. It was fine if he went berserk by himself. Why did he always have to pull her down with him?

“Ruoruo, I used to have a dream. A dream that one day, I would carry this bouquet of flowers and propose to you. I know what I am doing now is laughable because I am engaged to Gu Feirou. However, I still want to fulfill this dream of mine for a while. Please, just pretend I am dreaming and humor me a little.”

Ye Erruo’s lips were pulled into a humorous smile. “Alright. Come on, eldest son of the Lin Family. Begin your performance.”

Upon saying that, Ye Erruo took out her phone and began to film!

Lin Jingxuan was no longer calm, as his expression had darkened.

“Xiao Ruo, what are you doing?”

“This is such a touching moment and a beautiful atmosphere. Of course, I have to record it to keep a memento.”

“Eldest son of the Lin Family, what did you say you wanted to do earlier? You wanted to propose to me? Come on, show me your sincerity!”

She aimed the phone camera at Lin Jingxuan and began to record him seriously.

“Stop fooling around, Xiao Ruo. Turn off the phone right now.”

“How can I? If I turn it off, how could I see you acting all fake?”

Lin Jingxuan tightened his fists secretly and said through gritted teeth, “Xiao Ruo, I had no choice but to do all those hurtful things to you in the past because I had to make Gu Feirou see it. Only that way would I be able to get her to help me. I hope you can understand.”

“I understand, I understand.”

“Are you really going to be so heartless?”

Ye Erruo said nothing.

Damn! What a retard!

Lin Jingxuan took out his cell phone. “Let me show you something.”

“Weren’t you going to propose to me? What are you making me watch now?”

“Did you know that Gu Feirou found someone who looks identical to you to do some things to slander you?”

She raised her brows. Was he referring to the explicit photos circulating on the Internet a while ago?

“Look. If I wasn’t by her side, how would I be able to steal these things from her? Didn’t someone arrange to meet you at the Skybridge Garden a few days ago? That person was Gu Feirou. She wanted to use these photos and videos to threaten you to hand over the Lin Family’s seal. Thankfully, you didn’t go or you would have been in trouble.”

Ye Erruo gave him a smile that was not quite a smile. He and Gu Feirou were like a nest of rats and snakes. None of them was any good. Had he pretended to be nice to Gu Feirou just to make use of her?

Only fools would believe his words. Why hadn’t she realized what a stupid idiot he was in the past?

“I knew you wouldn’t believe me.” He smiled bitterly. “Don’t worry, As long as I remain by her side for one more day, I can protect you for another day. I will absolutely not let her slander you. When I truly obtain all the rights of the Lin Family, I will prove everything that I’ve said today.”
