Chapter 19: Ew, Playing Dumb to Deceive Me. He Even Proposed to Me

Lin Jingxuan was infuriated. He suddenly lifted up Ye Erruo and pressed her on the table. “What is the matter? You fell in love with Mo Jiangye after sleeping with him? Your love is so cheap!!”

He had even put down his dignity and proposed to her, but she dared to reject him!!!

“Ha, Lin Jingxuan. You are finally showing your hypocritical nature.”

“I am hypocritical? Ye Erruo, do you know that you are slapping yourself in the face with these words?”

He patted her face as he said, “48 hours ago, you told me personally that you loved me so much. What happened? Will you immediately have a change of heart and pounce into the arms of anyone who sleeps with you? The word hypocritical is not even enough to describe you. I will have s\*x with you now. After that will you love me again? Yes?”

Ye Erruo felt disgusted. She slapped away his hands in revulsion. “I was f\*\*\*\*\*g blind in the past.”

The hatred and resistance in her eyes were very obvious. Although he pressed her against the table, she neither retaliated nor screamed. This was because it was not the right time yet.

“Of course you’re blind! Ye Erruo, let me ask you this, are you going to marry me and help me deal with Mo Jiangye?”

He leaned in and threatened, “If you refuse to help me deal with Mo Jiangye, I will have s\*x with you here today. I will remove all your clothes. Not a single piece will be left. Your nude photos will also be exposed on the Internet, 360 degrees and at all angles.”

Ye Erruo frowned. Now, she had completely realized Lin Jingxuan’s true colors.

“Are you going to help me or not?”

Suddenly, there were sounds coming from the door of the private room. Ye Erruo immediately immersed herself in her role. Instantly, her eyes were tearing and she began to push away Lin Jingxuan and struggle with all her might. “Leave me alone!!!”

“Ye Erruo, it seems like you are opting for death? You’re not helping me?” He grabbed both her hands and pinned them on her head.

Bang! The door had been kicked open.

Lin Jingxuan was shocked. He turned back and was stupefied to see the person at the door.

At the sight of him being distracted, Ye Erruo freed her hands, kicked Lin Jingxuan and got up quickly from the table.

Mo Jiangye, who was watching them lying on the table, was initially enraged. Just as he wanted to flare up, a little round ball dashed into his arms before he could take any action.

Hot tears were rolling down Ye Erruo's face. She wriggled into his arms desperately and clutched onto him tightly.

Mo Jiangye's body froze. He held onto the woman in his arms tightly and shot a cold and sinister glare at Lin Jingxuan.

"I... I already told him that I will have nothing to do with him in the future. Yet, he... he still proposed to me. I didn't agree and he tried to rape me... I don't even know how he found this private room. Luckily, you came over..." She sounded as aggrieved as she could, sobbing and crying.

She deliberately tricked Old Lin to leave momentarily so that Lin Jingxuan could come and look for her. However, she knew that Mo Jiangye would receive the news immediately when Lin Jingxuan appeared!

That was the reason that he rushed here angrily.

Suddenly, Mo Jiangye opened his red lips. His sinister eyes were glaring at Lin Jingxuan like a devil. "Take another route when you see her. You will regret it if you meet her again. It seems that Young Master Lin did not remember that."

Marriage proposal? He still had the guts to propose to his woman? He would crush his daring dog guts today!

When Lin Jingxuan recovered from his senses, he was still fuming. "Ye Erruo, you don't know how I entered this private room?"

Ye Erruo trembled. She snuggled deeper into the man's arms.

Mo Jiangye closed his long, narrow and dangerous phoenix eyes.

Soon after, five tall and burly bodyguards entered the room.

"Young master!"
