Stubborn Love Of A Roguish Scion Chapter 33 – Encountered Danger

Chapter 33: Encountered Danger

When Mo Jiangye arrived at the address that Ye Erruo sent to him, he could not find anyone!!! He instantly exploded on the spot and checked for Ye Erruo's whereabouts.

At this moment, Ye Erruo was detained in a police station. She was slumped on the table with a flushed and red face. Her hair was drenched in sweat and her fair and snow-like skin was glowing. There was a misty look in her dazed eyes, making her look like a seductive demoness.

"Hey..." The young lad in the detention center whistled at Ye Erruo and glanced at his colleague beside him.

"Don't tell me that this woman took that thing?"

"What?"

"That drug!! Otherwise, why would she be here?"

"Shut up. Keep a tight watch on her. This woman killed someone. They are still trying to save the victim. Whether he'll survive is still uncertain. The higher-ups have given orders that this woman has to be closely watched."

"Murder??"

That young lad glanced again at Ye Erruo, who was not far away. "Tsk, the more beautiful a woman is, the more malicious she is. Her heart is so vicious..."

"Mmm..." Ye Erruo finally crooned as she could not take it anymore.

"Psst..." This sound was so tempting.

"Cell phone," Ye Erruo said weakly.

"I've already told you that you can't make any contact with the outside world. Why are you still thinking of making a call?"

Ye Erruo was feeling so heated that she could see steam before her eyes. The remaining bit of sanity in her mind was gradually vanishing. She endured the discomfort of her body and tried very hard to maintain sober.

"I- I have the right to make a call." She bit her red lips so hard that it broke. The pain sobered up her foggy brain slightly.

"Hello?" The young lad in the detention center picked up the incoming call.

"O-okay." The young lad nodded continuously before hanging up the phone.

"What is the matter?"

"Someone higher-up asked us to release her. Someone will be coming to fetch her."

"Fetch her?"

"The man that she hurt could not be saved. He is dead. The higher-ups will be taking over this case."

D-dead?

Ye Erruo was in disbelief.

I-impossible!!

The strength that she used could only make him faint. H-how could he have died? Could it be that she missed and hit the wrong spot?

Suddenly, she was surrounded by feelings of guilt. Her heart shuddered from the fear of killing someone.

"C**p, this woman's body temperature is extremely high. Will she explode from the heat?" The young lad who was pulling Ye Erruo's arms was shocked.

When the man's hand touched Ye Erruo, she instantly felt a flow of cool air entering her pores. It felt so good that she wanted more of it. She almost lost her sanity completely.

"Hurry up and bring her out. Someone is waiting outside."

A few minutes later, Ye Erruo was stuffed in a black van. The van sped away at lightning speed. Soon after, the van disappeared from the doors of the police station.

"Big boss, we've got her."

"Find a deserted place. The two of you can leave her there and send the photos to me."

"Okay, big boss!"

Massive fear was spreading in the depths of Ye Erruo's heart. The pain in her body left her with no strength. She fainted as she could no longer endure the torture of the heat.

"Xiao Hei, this girl is hot. We're lucky." The man who was seated at the back of the van touched Ye Erruo's arms repeatedly.

"We don't know if she is a virgin. If she is, we're even luckier."

"D**n, can you drive faster? This woman can't endure it any longer. My 'little brother' also can't endure it. You drive the car and I will do it first."

Having said that, that man placed Ye Erruo on the seat and reached to unfasten his belt.

"C**p!! Da Zhuang, we've agreed that I will go first."

"Aren't you driving?"

Xiao Hei accelerated, "Take the photos that boss wants first. Video... The video is the most important."

The man positioned the camera lecherously and lifted Ye Erruo's long skirt...

Chapter 34: If Not For You, I Would Have Slept With Her

The man positioned the camera lecherously and lifted Ye Erruo's long skirt...

At that moment, the car stopped. Xiao Hei alighted the car anxiously and opened the back door. "Video camera, video camera."

The impatient Da Zhuang hollered, "What are you doing?"

"Boss wants to film the entire process. Take out the video camera!"

Da Zhuang threw the camera to Xiao Hei. "Do it yourself."

"Come out, I don't know how to operate this thing." He wanted to touch this woman first? Don't even think about it. I should be the first one to do it.

Holding the clothes, Da Zhuang cursed as he got out of the car and fiddled with the camera. When he came down from the car, he slammed the door furiously to close it.

"Boss has said. He wants videos of different places. There is no one in this grove. Hehe... We will also find a small and dark house later..."

Xiao Hei's words made Da Zhuang's blood simmer with desire. "You... this guy!!"

In the car, Ye Erruo, who had fainted earlier, suddenly opened her eyes. She bit her arms with all her might until they bled to maintain soberness. After much difficulty, she climbed from the back seat to the driver's seat. The first thing that she did was to roll up all the windows and lock all the doors. After doing this, she then heaved a sigh of relief. She took the bottle of mineral water beside her and wanted to open it. However, she could not do so after trying for a long time. Heat was radiating from her fair and smooth skin. The blood-colored veins under her skin were throbbing and looking like they would explode at any point in time.

She really could not figure out when she fell into Feirou's trap? She was reborn and yet she could not escape the plight of being drugged.

Bang! Bang! Bang!

Xiao Hei and Da Zhuang were furiously banging on the windows of the car.

"D**n, this woman was actually pretending to faint!!"

"What should we do?" Xiao Hei looked around anxiously.

"S**t, open the door."

Ye Erruo turned on the air-conditioner in the car, shut her eyes and took a deep breath. Ignoring the commotion outside the car, she adjusted her dress.

“Cheap s**t!” Da Zhuang kicked the car door angrily.

“Give me the camera. I will smash the windows now.”

“If you smash it, how are we going to take the video and answer to our boss?”

Da Zhuang wanted to kick Xiao Hei in the face. “Answer, answer. If not for you, a****e, I would have had s*x with her.”

“Who did you say was the a****e?” Xiao Hei punched Da Zhuang’s left eye indignantly.

“D**n.”

Da Zhuang spat a mouthful of saliva, turned around, clenched his fists and punched Xiao Hei. Suddenly, the two of them were struggling and fighting with each other.

After half an hour, numerous black sports cars headed towards them at a tearing pace.

Mo Jiangye appeared in front of the Xiao Hei duo with a dangerous aura. He asked with a sinister voice, “Where is she?”

Xiao Hei and Da Zhuang glanced at the cars behind him and stuttered, “W-who?”

He shot a cold glare at them and dashed to the van anxiously.

Ye Erruo was slumped beside the car windows. Through the black windows, Mo Jiangye’s pupils constricted and he yanked the car door with all his might.

“Ruoruo? Open the door.”

The person in the car was seemingly oblivious to the noise outside. She was not moving at all.

“Pry open the door!!!” Mo Jiangye shouted.

Two minutes later, the car door had been pried open with special equipment. Mo Jiangye immediately got into the car through the passenger seat. The temperature in the car was very low but the person in his arms was scorching hot.

“Ruoruo...” His cold hands gently patted her pretty face. His lips did nothing but tremble, especially at the ghastly sight of blood on her lips and arms as well as her disheveled clothes... Suddenly, he flew into an enormous rage and coldness engulfed his surroundings.

He removed his jacket to cover her body and carried her out without any hesitations. Her body felt soft and extremely hot. It was abnormal!

Chapter 35: I’m Going Crazy, Demoness!

On the road.

Mo Jiangye was holding onto Ye Erruo’s injured hand and disinfecting her wounds.

The car was traveling at a tearing pace. The driver didn’t dare to slow down, for fear that the person behind him would throw him out of the car...

Ye Erruo, who was soft and weak in the arms of Mo Jiangye, could not help but groan under the influence of the drug. The scent of cologne engulfed her and she could not stop the noises from coming out of her useless mouth.

“Drive faster!!” Mo Jiangye bellowed.

“O-okay, young master.”

At the sound of the familiar voice, Ye Erruo opened her eyes dazedly. Her misty eyes were brimming with charm and seduction.

“Mo Jiangye...”

“I’m here.” He held her hands and rubbed them against the side of his face. He was boiling with rage.

Ye Erruo was finally willing to let down her guard after smelling a familiar scent and receiving a reply. She was moving restlessly in his arms and she was pulling at his shirt roughly, slipping her hands through his collar. It was as if he was a piece of ice that could extinguish the fire in her and give her comfort.

Her wounded lips were greedily planting kisses on his adam’s apple and her restless body was twisting in his arms. She was setting Mo Jiangye’s entire body on fire.

“Be good.” His voice was hoarse. He restrained her body firmly to prevent her from moving in his arms.

“I feel unwell.” Feeling anxious, she spoke and pulled at his clothes simultaneously. No one knew how long she had endured and how hard it was.

“Don’t move around.” He avoided the wound on her arms, restrained her body with one hand and pressed her head on his shoulder with the other hand.

“Hot... ”

Her movements were restricted and she could not move. She felt so unwell that she leaned onto his shoulders and started sobbing. Her hot and searing tongue was sucking his earlobes, like a kitten pawing the heart of Mo Jiangye, tempting him badly.

“Release your grip on me.” She bit his shoulders hard.

Mo Jiangye bellowed. The driver sensibly activated the partition in the car and focused on rushing home as soon as possible.

He swept her head into his arms, kissed her soft and tender lips gently and carefully entered her mouth to appease her heat.

Finally, Ye Erruo was obediently nesting in his arms. One kiss was too quick and could not satisfy her. At this moment, the car had already arrived at the destination.

Without a word, Mo Jiangye wrapped her body up and carried her down. His forehead was covered in sweat.

The doctor who had arrived for a long time immediately diagnosed that Ye Erruo had been drugged with M.

“Young master, young madam had been drugged for too long. The more we delay the treatment, the more harm it will cause in her body. The wound on her arm is not too serious. We can apply medicine and take care of it later.”

“Acupuncture!!” Mo Jiangye said with a cold expression.

The doctor was stunned. A-acupuncture?

Seeing that no one was budging, Mo Jiangye shot them a sinister and gloomy glare and their legs trembled.

“I’ll make arrangements now.”

They had roughly understood young master’s intent. They immediately contacted the TCM [TCM is the abbreviation for Traditional Chinese Medicine. It is a branch of traditional medicine that is said to be based on more than 3,500 years of Chinese medical practice.] acupuncturist to prepare to use acupuncture needles to open up her veins and expel the drugs from her body.

“I want a female doctor!!”

“... Okay, young master.”

Carrying the person in his arms, Mo Jiangye went upstairs. There were wounds on her lips, hands as well as her lower body. She had injuries all over her body. How could he touch her!!?? He could only expel the drugs from her body though acupuncture.

The restless Ye Erruo cast miserable and resentful gazes at Mo Jiangye. Both her legs were h****d around his strong waist. She looked so pitiful and aggrieved, and was opening her mouth slightly and groaning.

He was going mad!!

Mo Jiangye pressed her onto the bed. Facing her beautiful and misty eyes, he almost lost his sanity and broke down emotionally. He anxiously reached out his hands and blocked her eyes from his view. Demoness!!
