

Stubborn Love 401

Chapter 401: Young Madam, Please Save Young Master

When Ye Erruo woke up, she was in a quiet room.

“Aby?”

“Young Madam, you’re awake.”

“It’s you?” Ye Erruo glared at Bo Yu.

She had seen this person before. He used to be by Mo Jiangye’s side.

“What do you want?”

Bo Yu dropped to his knees with a thud, startling Ye Erruo.

“Young Madam, I was in the wrong. You can punish me however you like, but please save our Young Master. Please forgive me for kidnapping you today.

“Also, Young Master wanted to attend your appointment previously. It’s just that he was sick and could not get up. While he was lying in bed, he told me to pay attention to that street. He told me to inform him as soon as you appeared. I told the bodyguards about this, but they failed to inform me in time. You left when Young Master went to look for you.”

As he spoke, Bo Yu clapped his hands and the bodyguards brought Mo Jiangye’s jacket and hairpin in.

“Young Master didn’t stand you up on purpose. When he heard news of you, he ignored his health and rushed over immediately. In the end, it was too late. It’s all my fault for being late. Young Madam, you can punish me if you are angry, but please save our Young Master.”

Bo Yu’s face was filled with grief, as if Mo Jiangye had really fallen ill.

Ye Erruo was stunned. “What happened to your Young Master?”

Bo Yu had a strange look on his face as he went against his conscience. “Our Young Master is seriously ill. The doctor said that he has gastric cancer and needs to recuperate properly. However, he hasn’t been able to eat for the past few days. He didn’t even want to eat today.”

“He’s not eating?” Ye Erruo was anxious.

“Because Young Master didn’t see you when he rushed over, he got so angry that he didn’t even want to drink water. He said that he wouldn’t survive if he didn’t see you.”

“...”

Thinking back to that day, he had indeed been covering his stomach all the time. He had also mentioned that there was something wrong with his stomach.

“I’ll go take a look.” She hurriedly got out of bed and realized that her clothes had been changed.

Bo Yu hurriedly explained, "Young Master is allergic to dogs. The moment he touches a dog, his entire body will turn red and his fever will not subside. Therefore, he secretly asked the servants to give you a bath. Young Master has had a high fever since the day he was separated from you, Young Madam."

She had hugged Aby during the banquet that day. Was he still allergic to it? Was his high fever not going down?

"Take me to see him." At that moment, her dying heart felt alive again.

Bo Yu heaved a sigh of relief when he saw this and hurriedly led Ye Erruo to another room.

"Young Master is here."

The door was pushed open, revealing the smell of medicine.

The servants stood aside with medicine in their hands. Ye Erruo's heart ached for the person lying on the bed.

Even she did not realize how anxious she was as she sat by the bed. As expected, he had a fever. His face was very red and filled with pain, and he was frowning as he covered his stomach.

"Give him the medicine!"

"Young Master is unwilling to eat or drink, nor is he willing to get a drip to take medicine."

"Nonsense!"

Whoosh!

Mo Jiangye opened his eyes abruptly. He was pleasantly surprised to see the person he had been longing for. However, before a smile could form on his face, a terrifying coldness exploded in his eyes.

The red handprint was particularly obvious on Ye Erruo's fair and smooth skin, which was a little swollen. Mo Jiangye's killing intent exploded.

He sat up abruptly and placed his hand on her face. His deep, husky voice was filled with coldness and danger as he asked, "Who hit you?"

Chapter 402: You Are Going To Kill Me

"Tsk..." Ye Erruo sucked in a deep breath.

Mo Jiangye hurriedly let go of her and asked word by word, "Who hit you?"

"You have not been eating or taking medicine. Do you want to die?"

Mo Jiangye's voice turned cold. "Baby Ruo, I'm asking you a question. Who hit you?"

"I'm telling you, you don't know them. They are a lunatic. They're crazy," she grumbled.

"Who is that lunatic?"

He was going to dig up their ancestral grave!

Damn!

“I told you that you don’t know them. Aren’t you sick? Can you get out of bed?” Ye Erruo was puzzled. Mo Jiangye’s body stiffened and he hurriedly lay back down. His face was filled with pain.

“It hurts.”

“Where does it hurt?” Her lips twitched.

“My head hurts. My heart hurts. My stomach hurts. My entire body hurts.”

Ye Erruo glanced at him and took the thermometer that was on the table. “Let me take a look.”

A few minutes later, Ye Erruo almost jumped up when she saw the temperature on the thermometer.

“Forty-one degrees? You have a high fever!”

Mo Jiangye looked aggrieved. “That’s why I have a headache.”

“Are you not taking your medicine then?”

“I can’t eat if I can’t see you.” His eyes were fixed on her. When he looked at her red and swollen face, his heart ached so much that the pain could not be wiped away.

Ye Erruo was furious. “You are crazy!”

“Yes, I am crazy. You are my medicine.”

“Young Master, let’s eat. The doctor said that you have mid-stage gastric cancer.”

Ye Erruo widened her eyes. “Stomach cancer?”

As long as he was associated with the word ‘cancer’, there would be trouble. Besides, he had already reached the middle stage!

“I’m not eating.”

“Give me the food,” Ye Erruo said coldly.

He still owed her a toy rabbit. If he died, who would compensate her?

Bo Yu swiftly passed the porridge to Ye Erruo.

“Are you going to eat?”

Mo Jiangye looked at her seriously. “I’ll eat if you agree to be my girlfriend.”

Bang! Ye Erruo placed the bowl on the bedside table and got up to leave.

Mo Jiangye panicked and grabbed her wrist. “I’ll eat it. I’ll eat it.”

Bo Yu was at a loss for words. He called for the servants to leave the room slowly. While their Young Madam was around, would they still be afraid that Young Master would not eat or take medicine?

Ye Erruo's expression softened. She picked up the bowl again and blew on the porridge before scooping a small spoonful and placing it by his lips. Instantly, he looked extremely aggrieved, like a timid and soft puppy.

He obediently had a spoonful of the porridge. His chewing speed was slow, and his fiery gaze was fixed on Ye Erruo. Meanwhile, his eyes sparkled with tenderness and love.

She cared a lot about him!

That was great!

It took him more than 50 minutes to eat a bowl of porridge.

"Want to have another bowl?"

Mo Jiangye shook his head. "No."

She reached out and touched his forehead. It was very hot. He needed medicine now!

A few minutes later, the doctor walked in and helped him put on a drip.

Throughout the entire process, he cooperated obediently with the doctor. His eyes were fixed on Ye Erruo, and he did not shout at the doctor.

Ye Erruo got up and prepared to fetch a basin of water. The moment she got up, Mo Jiangye panicked. He sat up straight and grabbed Ye Erruo's arm with both hands.

"Young Master, don't move. Your hand is still connected to the drip."

His blood instantly flowed back into the tube. Ye Erruo was shocked. "What are you doing? Lie down!"

"Where are you going?"

"I'll go get a basin of water. I'll be right back."

His other hand was still holding her tightly. "You're not allowed to go."

"Let go."

He let go of her reluctantly and looked at her pitifully. "Don't leave, Baby Ruo. You'll be killing me the moment you leave. Don't leave my sight. I'll miss you."

Chapter 403: Mo Jiangye Is Furious

"Don't leave, Baby Ruo. If you leave, you will take my life. Don't leave my sight. I will miss you."

He leaned on her like a child. Ye Erruo's heart felt as warm and soft as if it was wrapped in cotton.

"I'm not leaving."

"I'm very sleepy. Can you sleep with me?" he asked carefully.

Ye Erruo was in a dilemma. She should not have agreed, but she actually wanted to do it.

"I haven't slept in days."

“...”

“I’m sleepy. My eyes hurt a lot.”

“Shut up.” Ye Erruo stroked him and climbed onto the bed. Mo Jiangye was instantly overjoyed.

She believed him. She believed the man’s words and forgave him...

“Mo Jiangye...” She called out softly.

“Mm?” He hugged her with satisfaction.

I want to try to get along with you, she thought to herself.

If she still had a good impression of him after she regained her memory, she would agree to be his girlfriend. If she only had a good impression of Brother Jinyan after she regained her memory... Would he blame her?

She knew that this was unfair to him, but she really liked being with him now. They had only known each other for less than five days, yet she had completely fallen for his taste.

When she saw him sick, she felt terrible. When she saw him not eating or taking medicine, she got angry. She could not control her emotions or help wanting to care for him and get close to him.

She was afraid of getting close to him, but she could not help wanting to do so. She was really afraid that she would let him down after she regained her memory.

What should she do?

“What’s wrong?” Mo Jiangye asked softly.

Ye Erruo pursed her lips but did not say a word.

He held her soft hands and rubbed them affectionately against his face. “Do you want to be my girlfriend?”

“...”

“I know you’ve missed me.” His heart felt as if it had been smeared with honey, and his entire body softened.

“Sleep!” She glared at him.

“Mm...” He burrowed his head into her neck and sniffed at the fragrance on her body before slowly closing his eyes.

Before long, Ye Erruo felt that he had fallen asleep. She carefully reached out and poked his face. Upon seeing that he was not reacting, she fell asleep as well.

When she was fast asleep, Mo Jiangye slowly opened his eyes and called for a doctor.

As soon as he saw her fall back into his embrace, the missing piece in his heart was instantly filled.

“Young Master.”

“The anti-inflammatory medicine,” he whispered.

Who the hell had hit her face?

Damn it! Could it have been that ugly b*tch?

Even if he had not hit her, where had he been when she had been hit? Since he had no ability to protect her, what right did he have to say that she was his fiancée?

Holding the ointment in his hand, Mo Jiangye helped her apply it with a dark expression.

He would remember this slap!

“Where’s Bo Yu?”

“He is outside, sir.”

“Let him in.”

“Yes.”

Bo Yu was on tenterhooks as he walked in. When he saw Ye Erruo sleeping soundly, his movements became much lighter.

“Young Master.”

“Who touched her face?”

“Young Master, I’ve checked. According to the people around Bo Jinyan, Young Madam’s face was slapped by the princess.”

“The princess?” Mo Jiangye furrowed his brows angrily. Only then did he think of Gu Feirou, the princess of the Blue Tower Royalty!

Is she that impressive?

Is she that capable?

Did she hit my woman?

Great!

“Deal with it!”

“Yes, Young Master.” Bo Yu straightened his back and swiftly retreated.

After squeezing some ointment out, Mo Jiangye lowered his head and noticed that the person in his arms was staring straight at him.

Oh no...

He had exposed himself...

Chapter 404: Mo Jiangye Is Pretending to Be a Pig to Eat a Tiger

Mo Jiangye asked guiltily, "Are you awake?"

"Didn't you say you were sleepy? You haven't slept in a few days. Don't you want to sleep?"

He sighed. "Your face is injured. I can't rest unless you apply medicine. I can't sleep."

Ye Erruo's ears turned red as she hastily got up and left his embrace. "Then stop sleeping."

Upon seeing that his complexion had improved a lot, Ye Erruo re-evaluated his temperature. It was 38 degrees Celsius, but it was much better than 40 degrees Celsius.

How could he stand 40-degree fever? How could he not be afraid of becoming a fool?

Ye Erruo spent the entire day with Mo Jiangye until his fever subsided in the afternoon...

"Alright, I'm going back now," she said.

Mo Jiangye's pupils constricted. Going back?

"Your fever has subsided."

He would go crazy and look for her at home.

"Ugh..." Mo Jiangye looked pained as he hugged his body and covered his stomach with his hands.

"What's wrong?"

"My stomach hurts."

"Didn't you already eat and take your medicine?"

"It hurts."

Ye Erruo was so frightened that she hurriedly called for the doctor. "His stomach hurts again."

The doctor immediately understood his Young Master's warning.

"This kind of gastritis... often hurts."

"He has already eaten and taken his medicine. Why does it still hurt?"

"Stomach disease can't be helped. The most important thing to do is recuperate properly, eat on time, rest regularly, and exercise more."

"Then you can eat on time," Ye Erruo said.

Mo Jiangye curled his lips into a bitter smile. "I've already told you, Baby Ruo. If you're not around, I can't eat or take medicine. Without you, I won't be able to survive. If you want me to die, you can leave."

"..."

"You can all leave now," Mo Jiangye ordered.

The doctor quickly packed up and left the room.

Mo Jiangye turned his head to the side, unwilling to look at Ye Erruo. He seemed to be sulking, but his peripheral vision turned to the woman beside him from time to time.

The corners of Ye Erruo's lips twitched. "I haven't agreed to be your girlfriend yet. I have a home. It's getting dark."

"Since you have a family and a fiancée, why are you taking care of me?"

After saying that, he started to panic. Damn it! He was trying to make her understand his feelings, but why did he feel that something was amiss?

Ye Erruo furrowed her brows. He was right. Bo Jinyan was still her fiancé in name. It was inappropriate of her to come over, take care of a man she had only known for a few days, and sleep with him.

What would people say about her if they knew?

That she was two-timing them?

What about Yang Huashui?

Even if she really had a good impression of him, she should have handled Brother Jinyan properly.

She used to be childhood sweethearts with Bo Jinyan and she was now engaged to him... How did she feel about him? If he had not been her fiancée, would she have walked down the aisle with him?

Her feelings told her that she wouldn't have!

This man's appearance told her that she wouldn't have!

She had lost a portion of her memories. Previously, she had felt that something was missing, but ever since Mo Jiangye had appeared, she'd felt that everything was missing...

"You're right!" Ye Erruo nodded.

"What do you mean?"

Ye Erruo seemed to have made a huge decision. "Give me the toy rabbit."

Mo Jiangye was shocked. *Is she going to leave after I give it to her? She's not coming again?*

"No."

"Forget it." Ye Erruo sighed. "Rest well."

Mo Jiangye panicked. "If you dare to leave, I'll chop that ugly dog into minced meat and mince that into minced meat as well."

Chapter 405: Stay, Stay

Mo Jiangye had been wondering why the ugly dog liked Ye Erruo so much. It was only now that he realized that the ugly dog had been given to her by Bo Jinyan. That b*stard.

Now, this ugly dog had appeared in Blue Tower...

Ye Erruo widened her beautiful eyes. "What did you do to Aby? Where is it?"

Mo Jiangye turned around without saying a word. His back was facing her, and his entire body was filled with resentment.

“Give me back Aby.”

He was pretending to be dead.

Ye Erruo stood up and walked toward him. “Give me back Aby.”

Was a dog more important than him in her heart? Ha! He had doted on this woman for nothing.

“Mo Jiangye!”

Seeing that he was ignoring her, Ye Erruo strode toward the door. If he did not tell her, she could only ask the butler.

Mo Jiangye jumped off the bed.

Just as Ye Erruo was about to open the door, there was a loud bang and the door was kicked open. A gust of wind blew past her before she was pulled into a hug.

“Baby Ruo, do you really want me to die?”

“...”

“Don’t go.”

“Mo Jiangye, let go of me. Quick, let go of me.” Ye Erruo could almost not catch her breath.

“No,” he said solemnly. “Don’t go.”

“I’m not leaving. Let me go.”

“You are lying to me!” He knew that if he let go, she would run away.

“Mo Jiangye.”

“I’m here, Baby Ruo.”

“Let go of me. Cough, cough...”

Mo Jiangye finally relaxed a little, but he still hugged her in his arms.

“I’ll leave Aby here. I’ll come back tomorrow. I have to go back tonight.”

How could Mo Jiangye want that?

“What if you don’t come over?”

“Then eat Aby,” she said through gritted teeth.

“What if I can’t sleep tonight?”

“You can sleep. I will definitely come over tomorrow.”

He refused. “I’m scared.”

“What are you scared of?”

“I’m afraid of sleeping alone.”

Ye Erruo felt dizzy. *Can’t you find a better reason?*

“Aren’t there bodyguards outside? Isn’t Bo Yu here as well?”

He said expressionlessly, “Men can’t sleep in my room.”

“The maid then.”

“Ye Erruo, do you want another woman to peek at your man’s sleeping form?”

The corners of Ye Erruo’s lips twitched. “Then how did you get by before?”

I had you before...

In the past, the first person he had seen upon waking up every morning was her. Now, when he woke up every day, he was accompanied by endless longing and heartache.

“I slept very well before I met you. I’m not afraid. After meeting you, I’ve been scared to sleep alone. That’s why I haven’t slept in a few days.”

He hugged her and led her inside, not allowing her to leave.

“Don’t leave, alright? My stomach hurts a lot.” He began to use his shameless, rogue skills.

Ye Erruo felt conflicted. She had hit that princess. Should she take Aby and hide outside for a few days?

All of a sudden, Mo Jiangye trapped her so that she could not move.

She was shocked. “What are you doing?”

“Stay here. If you don’t stay, I won’t let you go.”

Ye Erruo looked at the scoundrel in front of her in disbelief. She then pushed him away. “Get up and move!”

“Stay here,” he spat through gritted teeth. He had missed her so much that he could not let her go from his own hands.

“Will you stay? Will you?” He begged her again and again.

“I’ll stay...” Before Ye Erruo could finish her sentence, she was rendered speechless.

Chapter 406: Let’s Elope

“Will you stay? Will you?” He begged her again and again.

“I’ll stay...” Before Ye Erruo could say anything else, she swallowed her remaining words.

“I’ll stay,” she said loudly as she pushed the man away.

Mo Jiangye's body stiffened. There was a look of surprise in his eyes, which shone brightly as he stared at Ye Erruo, leaving her speechless.

"Hands." She was so embarrassed that she wished she could dig a hole and hide in it.

"Oh." Mo Jiangye obediently removed his hands from her shoulders. She was willing to stay.

As long as she was willing to stay, she could say whatever she wanted. He would not let anyone touch her so long as she stayed in his line of sight, even if he was only looking at her from afar.

"..."

"Get up." She frantically pushed him away and sat far away from him.

She was at a loss, and her mind was blank. She could not believe that she had agreed to his request.

Besides, she realized that every time he asked for her help, there was an inexplicable factor that made her unable to bear to say no.

Mo Jiangye curled his lips into a smile and did not step forward.

"What do you want to eat for dinner?" he asked gently.

"Where is Aby?"

Mo Jiangye's face darkened. "Aby, Aby... Can you have me on your mind instead of that ugly dog?"

Ugly dog...

Ye Erruo looked dazed. This was a familiar name.

His jealous tone was also really familiar.

"Mo Jiangye, did we know each other in the past?" she asked strangely.

Was he really just a pursuer?

"Of course, not only did we know each other in the past, but we knew each other in our previous lives as well. We are husband and wife in all our lives. We will be married forever."

The corners of Ye Erruo's lips twitched. She could not communicate with him normally.

Then, there was a commotion outside.

Bo Yu hurried in.

"Young Master."

"What happened?"

He glanced at Ye Erruo and said, "The Bo Family has issued an arrest warrant to look for Young Madam."

Ye Erruo jumped in shock.

"Everyone is looking for Young Madam now."

Bo Yu paused for a moment before adding, "They are looking for us."

Mo Jiangye calmly pulled Ye Erruo back into his embrace. "Arrest warrant? Ha!"

"They will find this place soon. Young Master, let's leave the city first."

"You can leave first," Ye Erruo said.

"What about you? You promised to stay with me today. Are you going back on your word? Aren't you leaving with me?" he retorted.

"I can't leave." If she left as well, Bo Jinyan would definitely investigate this matter completely. He would definitely find out about him eventually.

F*ck! Why did she feel like she was hiding her husband?

"Oh, then I'm not leaving either," he spat.

She did not want to leave with him, yet she wanted to chase him away? That was wishful thinking. If she wanted to leave, they would leave together and stay together.

He had finally managed to convince her to stay. How could he leave by himself?

"You can stay in this hotel. I'll go back." This way, he would not have to leave the city.

Mo Jiangye's face darkened. "You will be staying by my side today. You can forget about going anywhere else. Don't even think of going back on your word. You have to keep your promise to stay with me and leave the city with me."

He rested his chin on her shoulder and said shamelessly again, "Let's elope."

Is this a joke?

Chapter 407: If You Dare To Leave, I Will... I Won't Eat Any Food Or Take Any Medicine

Elope?

Ye Erruo almost spat out a mouthful of blood.

He chuckled. "It's very exciting, Baby Ruo. I'll elope with you and guarantee that Bo Jinyan won't be able to find us."

If she agreed to elope with him, he would directly take her away from Blue Tower. Wouldn't agreeing to elope with him be a sign that she was willing to be his girlfriend?

When she agreed to be his girlfriend, he would take her away and make her fall in love with him again so that she could end her bitter days in Blue Tower.

"Who wants to elope with you?" Ye Erruo was furious.

However, there was a tinge of excitement and anticipation in her heart... It was really scary.

She had really been poisoned by this man.

"If you don't elope with me, it will still be exciting if we hide in the city."

Bo Yu was speechless.

“Young Master, you have to leave as soon as possible. I’ve already arranged everything. It’ll be too late if you don’t leave now.”

“Baby Ruo, are you willing to elope with me?”

“Go ahead and have a good night’s sleep. I’ll go back today and come over tomorrow to accompany you.” Her eyes flashed shyly.

Accompany him... Yes!

She wanted to find out more about Bo Jinyan when she got back.

“You promised to accompany me today. If you dare to leave, I’ll... I won’t eat or take any of my gastric medicine.”

“You!”

Mo Jiangye said coldly, “I don’t care what method you use to lure them away.”

Bo Yu had a troubled look on his face. *Hey, Young Master! This is Blue Tower. Bo Jinyan’s world is not our territory.*

“You can’t do it?”

Bo Yu braced himself and said, “I can, Young Master.”

“If you can’t do it, you can ask my father for help,” he spat.

Bo Yu widened his eyes. “Young Master?”

“Tell him that I f*cking asked for his help, not his favor. I’ll return this favor to him in the future.”

“Yes, Young Master.”

“Get lost.”

Bo Yu hurriedly retreated and closed the door behind him.

“Don’t worry. That ugly man can’t find us.”

“Ugly man?”

“Your fiancé.” He emphasized the word. Every time he heard this word or said it, he would find it ear-piercing!

Fiancé? Ha!

“...”

“Have you thought of what you want to eat tonight?”

Ye Erruo felt uneasy. “Anything would be fine.”

Would something happen to Brother Jinyan if she didn't return?

She had hit the princess. If the princess were to blame her, Brother Jinyan would definitely be in trouble. Meanwhile, she was here...

The more she thought about it, the more panicked she felt.

"Mo Jiangye..."

"No. You can only keep me company tonight."

Upon seeing that she was upset, he understood what she was thinking.

"I'll return for one day. Can I compensate you by coming for two days?"

"One week!" he yelled. "This is my biggest concession. If you dare to return tonight, you'll have to keep me company for the next week."

Ye Erruo gritted her teeth. "Alright!"

His body stiffened. "You said alright?"

"I said it."

"Stay with me for a week then. I'll do whatever I want to do with you during this week. You can't refuse or resist."

"How can you do this?"

He spat, "I can't bear to see you leave. I can only resort to despicable means to keep you here. It doesn't matter if you hate me or despise me. Anyway, this is all I'm going to do. I just can't stand seeing you with that ugly man. I just can't stand to see you leave my sight."

Ye Erruo's heart softened instantly. She was really damn happy to hear his words!

"Alright." She nodded solemnly. There might be many changes after tonight.

Mo Jiangye was stunned. "Are you sure? I can even rest with you?"

Chapter 408: Untitled

Afraid that she would not understand what he was saying, Mo Jiangye explained in a more conventional manner, "The rest I'm talking about involves making you my woman."

Ye Erruo was speechless.

"You can't accept, can you? If you can't accept it, you can stay here obediently today." He hugged her again both delightedly and excitedly.

"Can you help me deliver a letter to Brother Jinyan?"

"Brother Jinyan?" He frowned. "I've never heard you call me Brother Jiangye. Don't you think it's unfair? I don't like it when you call him that," Mo Jiangye said, pushing his luck.

He was well aware of her intentions, so there was no need for him to be courteous in front of her.

“Did you hear me?”

“I wrote a letter for him.”

“You’ve never written a letter for me,” he grumbled.

“Mo Jiangye!”

“Okay, okay, okay. You can send it.” However, he did not know if he could deliver it or not.

...

The sky had already darkened, but Bo Jinyan still could not find Ye Erruo. His sinister aura made the surrounding servants and bodyguards not dare to approach him.

“Young Master, the Queen wants you to make a trip over,” a servant reported.

“You must inform me as soon as you find her.”

“Yes, Young Master!”

Meanwhile, the royal family...

Gu Feirou was crying sulkily. She would not eat or drink. She smashed things in the room to vent her emotions and took her anger out on the servants.

“Princess, be careful not to hurt yourself.”

“Shut up!”

Bang!

Outside the door, the Queen looked anxious.

Upon seeing Bo Jinyan, the Queen immediately stepped forward.

“What happened? How did Rou’er get bitten by a dog? She only went to your place the next day!”

Bo Jinyan said expressionlessly, “She hit my sister. Aby bit her to protect her master.”

She had deserved it.

“Aby bit her? You have a sister? Where did you get a sister?”

“She’s a foster sister.”

The Queen was stunned. Aby was actually protecting another woman?

“Is your sister the one who injured Rou’er’s forehead?” She raised her voice in displeasure, revealing her queenly aura.

“It’s normal for girls to quarrel. Besides, she hit my sister first.”

“Forget it. I don’t care about anything else. Just think of a way to coax her and make her eat.”

The door creaked open.

“Queen Consort, the princess has requested to deal with Ye Erruo herself.”

“Ye Erruo?” Suddenly, a look of surprise appeared in the Queen’s eyes. She tried hard to suppress it.

“I will not hand over my sister.”

“Then think of a way to coax her,” said the Queen.

“Got it. It’s getting late. Please go and rest first, Queen.”

“Okay.” The Queen glanced at the door and left with the servants.

Bang!

The crackling sounds in the room became louder and louder.

Bo Jinyan pinched the space between his brows. Did this retarded woman really think of herself as an ancient princess who lost her temper and smashed things?

“Young Master Bo.” The servants seemed to have seen their savior in the room.

Gu Feirou took the item and smashed it against a servant’s head.

“You can all leave now.”

“Yes...” The servants quickly left the room, sobbing in horror.

“Come back here! Who allowed you to leave? Close the door properly.”

“Yes.” The servants hurriedly closed the door after leaving.

“Who do you think you are? What right do you have to order my servants around?”

Bo Jinyan unbuttoned his shirt and removed his jacket slowly.

“What are you doing?” Gu Feirou glared at him angrily.

A terrifying aura emanated from his sinister face as he grabbed the whip on the wall and flung it out.

Bam!

“Ah!”

Chapter 409: Bo Jinyan, You Are Too Ugly. Let’s Cancel the Wedding.

“How dare you! Ah!”

“What do you want?”

In the room, Gu Feirou was beaten up so badly that she had to flee in a pathetic state.

Bo Jinyan’s every slap landed on her face. She wanted to use her hands to cover her face, but her hands were swollen. One of her hands had been bitten by Aby to begin with. Now that she had been slapped again, the injury was even worse.

“He’s hitting someone! He’s hitting someone!” Gu Feirou screamed at the top of her lungs. However, no one came in. She was ignored.

“He hit someone!” She cried until her makeup was all messed up and she ran around like a ghost.

“I-I am the princess. If you hit me, my mother will not let you off. She will not let you off.”

Bo Jinyan’s face, which had been terrifying to begin with, turned even colder as he exerted more strength with his hands.

Gu Feirou tripped and fell to the ground. Before she could get up, she was whipped again.

Sob...

“Stop hitting me! Stop hitting me!”

“What do you know about yourself?” Bo Jinyan asked sternly.

“I’m not a good-for-nothing. Stop hitting me! Wu wu wu...”

“I warned you not to provoke Ye Erruo. Did you forget?”

“I was wrong. I was wrong. Sob...”

Bo Jinyan did not stop lashing at her until she fainted. Only then did he throw the whip aside.

At that moment, Gu Feirou’s entire body was covered in injuries. She was wearing a white dress, so the red color was especially obvious. She had no idea where the crown that had been on her head had fallen.

He took a deep breath and slowly took out his phone to call the doctor.

Every part of her body was badly injured, especially her face, which was practically ruined. Even if she recuperated properly later on, there would probably be scars.

“Just tell her she cannot die,” Bo Jinyan said coldly.

“Yes, Young Master.”

“Pass the order down. The princess has been bitten by a dog and has rabies. She is unable to see the light and cannot go out. She needs to recuperate in her room. No one is allowed to visit or even step into her room other than the servants who serve the princess and the Queen. Anyone who enters will be kicked out of Blue Tower.”

“Yes, Young Master.”

Bo Jinyan shifted his gaze away in disgust when he saw Gu Feirou lying half-dead on the bed.

Gu Feirou woke up in pain.

The doctor had wrapped her entire head in gauze, so it was a horrible sight.

“Ouch! It hurts so much...”

“I’ll anesthetize the princess first,” the doctor said.

“Why are you administering anesthesia? Just apply the medicine and treat her!” Bo Jinyan bellowed furiously.

“Yes, yes, yes.”

Upon hearing Bo Jinyan’s devilish voice, Gu Feirou cried out in pain. Tears flowed down her face, causing it to burn.

When Gu Feirou was wrapped up like a mummy, Bo Jinyan left the room.

The sky was already bright, but there was still no news from Ye Erruo.

Xiao Ruo, where exactly are you hiding?

What are you hiding from? What are you afraid of? Am I not capable of protecting you?

Had she applied medicine on her face in time?

I didn’t bring any money with me. Where do you live? What do you want to eat?

“Young Master, Young Master!” Allan anxiously ran over with a letter.

“Have you found Xiao Ruo?”

“This is a letter from Princess Ruo.”

Bo Jinyan hurriedly took it.

The first line was: “Bo Jinyan, you are too ugly. I don’t like you either. Let’s cancel the wedding.”

Chapter 410: Pretending To Have A Stomach Ache and Leaving Her Alone

He was ugly?

Cancel the wedding?

Bo Jinyan continued reading.

[I’ve already found my man. He’s more handsome and capable than you. I’ve already eloped with him. The next generation will have our genes. Yes, that’s it. You’ve been rejected by me. Don’t look for me. You won’t be able to find me.]

Bo Jinyan, who was speechless, balled up the letter. “Who sent this?”

“Young Master, someone said that it was sent by Princess Ruo.”

“Ha!”

Who would dare to mess with him?

“You haven’t found her yet? Is there no news at all?” Bo Jinyan asked with a cold expression.

“None, Young Master.”

“You’re useless! Send more men. We have to find her today.”

“Yes.”

“Young Master, the princess has a high fever.” The doctor hurriedly came out of the room to report to him.

Bo Jinyan replied with a cold expression, “She can have a high fever if she wants. She can do whatever she wants.”

“She wants to see the Queen,” the maid whispered.

“Go and tell the Queen.”

“Er...” The doctor was stunned. How could Young Master Bo not be afraid of the Queen knowing that the princess had been beaten up so badly?

Meanwhile, in the hotel...

Ye Erruo had woken up very early that day. She'd wanted to go back earlier, but the man beside her was still asleep and he had hugged her so tightly that she could not move.

Her face flushed unconsciously when she saw him sleeping soundly...

She had slept with this man again.

It was past ten in the morning, and he was still sleeping.

Ye Erruo could not wait any longer. She pushed his body gently, trying to move his hand to the side. However, the moment she moved, the strength he used to hug her increased.

“Mo Jiangye? Get up.”

Actually, Mo Jiangye was already awake. He just did not want her to leave.

“It hurts...”

“Where does it hurt?”

Mo Jiangye leaned on her. “My stomach hurts. It hurts.”

Ye Erruo furrowed her brows and glanced at him. She only believed what he said when she saw his ugly expression.

“It hurts.” He snuggled into her embrace and grabbed her hand to cover his stomach.

“Is it really painful?” She began to rub it slowly.

“Yes.”

“Get up and have breakfast. It should get better.”

Helpless, Mo Jiangye got up and washed up with her. His gentle gaze never left her during this entire time.

“Does it still hurt?”

“Yes.” Mo Jiangye immediately furrowed his brows and pretended to be in pain.

Bo Yu had already prepared breakfast.

He was overjoyed to see that his Young Master could get out of bed.

“Young Master, are you going to eat out or should I bring the food in?”

Mo Jiangye spat, “Let’s go out and eat.”

“I should head back.”

“We’ll head back after breakfast.” He held her soft hand reluctantly.

“Alright, alright.”

They would be having breakfast at the place where they were staying. There was buffet-style breakfast in the hall on the third floor with all kinds of high-class breakfast cuisines.

When Mo Jiangye led Ye Erruo in, there were not many people inside. He had said that they were going out for breakfast, but this was more like going out for lunch. It was almost eleven o’clock.

There was only a table of women who were eating and laughing in the huge hall.

When they saw Mo Jiangye, they were stunned.

“He’s so handsome. He’s even more handsome than my idol, Young Master Bo.”

“Oh my god, who knew there was actually such a person in this world.”

The women at the table stared at Mo Jiangye and whispered among themselves. Ye Erruo did not like the way they were looking at them... It was as if someone was eyeing her stuff.

“Have a sip of soy milk, Baby Ruo.” She loved that the most.

“Eh? Why does this woman look so familiar?”
