

Stubborn Love 411

Chapter 411: Handsome, Do You Have A Girlfriend? What Do You Think Of Me?

“Eh? Why does this woman look so familiar?” a woman asked curiously.

“He looks familiar too.”

“Alright, alright. How can a woman be as good-looking as a man?”

“That’s right, that’s right.”

The six women at the table kept glancing at Mo Jiangye from time to time, making Ye Erruo feel uncomfortable.

“That woman should be his girlfriend, right?”

“Girlfriend? Tsk, tsk, tsk. A beautiful man likes to have a beautiful woman in his arms. That will be me later.” The woman gave her companion a teasing look.

“They don’t have the soup dumplings that you like here. There’s only this kind of bun. Try it and see if you like it.” Mo Jiangye picked up a small bun for her.

“How did you know that I like buns?”

“Because I’m your pursuer. I know everything you like.”

Ye Erruo lowered her head silently and bit her lip.

Oh! Ah Xi!

He really knew how to utter sweet nothings, and she freaking liked listening to him.

“You should eat more.” She had promised to have breakfast with him so that he could have a good meal.

“Okay.”

While the two of them were engrossed in their breakfast, a beam of light suddenly flashed in front of them.

They saw a woman wearing a short skirt that reached her thighs. Her shiny heels were about ten centimeters tall, and a yellow diamond was embedded on her chest. Her long hair was draped over her shoulders, and her lips were stained with lipstick.

She walked over to their table with a smile.

Ye Erruo, who was anxious, glared angrily at the woman who was trying to lure Mo Jiangye. The woman ignored Ye Erruo as if she could not see her.

“He he... You’re so handsome.” Her hand was gently brushing against their table as it gradually slid toward his hand.

Bo Yu, who was standing behind Ye Erruo, was about to step forward when he was stopped by Mo Jiangye's gaze.

Eh? What did Young Master want?

Mo Jiangye's lips curled up secretly. He'd wanted to chase this woman away, but when he saw her anxious look, he found it amusing.

Seeing that the woman's hand was about to slip into Mo Jiangye's, Ye Erruo glared at him. What was he up to?

"Hey, handsome! Do you have a girlfriend?" The woman played with Mo Jiangye's hand. Her heart was filled with surprise. This man was obviously up to something.

Mo Jiangye resisted the urge to explode and mumbled, "No."

No girlfriend?!

The woman was even more surprised. "Really?"

"It's true."

Ye Erruo was speechless.

Yes, she was not his girlfriend. What right did she have to make him take back his hand?

"Do you lack a girlfriend then?" The woman poked at his arm playfully.

Mo Jiangye's gaze was dark as he stared at Ye Erruo. "Yes, I do."

Ye Erruo bit her bun angrily and continued to glare at him. Did he want this woman to be his girlfriend?

"He he..." The woman laughed happily.

She fell straight into Mo Jiangye's arms and wrapped her arms around his neck. "I also lack a boyfriend."

All of a sudden, the veins on Mo Jiangye's hands bulged and a murderous glint flashed across his eyes.

"You also lack a boyfriend?"

"Yes."

Not far away, the jaws of the woman's friends dropped. *Is this even possible? Have I been seduced? Is this how a pretty man is conquered? Isn't it too easy to seduce one? If I had known earlier, I would have conquered one too!*

"What do you think of me, handsome? Why don't we become a couple? You're a good match for me. What do you think?"

Mo Jiangye nodded. "I think..."

Chapter 412: Ye Erruo Is Jealous

"I don't think that's good!" Ye Erruo said loudly.

Mo Jiangye smiled devilishly. "I don't have a girlfriend. I think she's pretty good."

The woman's smile widened when she heard that. She glared at Ye Erruo maliciously. "I think so too."

"What's your name, handsome?"

"My name is Mo..."

"His name is Mo You Have A Girlfriend," Ye Erruo said with a flushed face.

The woman looked at Ye Erruo. "I know he doesn't have a girlfriend."

"He has a girlfriend," Ye Erruo said solemnly.

Mo Jiangye's eyes lit up as he asked, "Who is my girlfriend?"

"That's right. Who is his girlfriend? You? Ha ha!" The woman laughed smugly.

Ye Erruo put down the chopsticks in her hand. She could not hold it in any longer. She stood up, grabbed the woman's hand, and pulled her out of Mo Jiangye's embrace.

"Hey, what are you doing? Let me go! Let me go!"

"Get off. He has a girlfriend."

Mo Jiangye's smile widened when he saw her jealous look. "I don't have a girlfriend."

"Did you hear that? The handsome man already said that he doesn't have a girlfriend. Why are you ruining our fun?"

Ye Erruo was so angry that she wanted to kill someone. When she saw the woman's hands on Mo Jiangye's neck, she really wanted to chop off her claws with a knife.

"He has a girlfriend."

"Who is my girlfriend?" he asked lazily.

Ye Erruo was furious and embarrassed. Her face was so red that it was about to emit steam.

"Handsome, it's too noisy here. Why don't we find a quiet place to chat and get to know each other?"

"I think..."

"I don't think that's appropriate!" Ye Erruo yelled angrily.

"What's wrong with you? Get lost."

Upon seeing that Mo Jiangye was about to stand up, Ye Erruo said loudly, "He has a girlfriend. I am his girlfriend."

"Ha! You're really funny. You... Ah..."

Before the woman could finish her words, Mo Jiangye threw her to the ground.

D*mn! D*mn! She had finally agreed to be his girlfriend. He had been waiting for this reply for a long time.

He stepped forward agitatedly and grabbed Ye Erruo's shoulders. He turned on the recorder on his phone and said with a trembling voice, "What did you just say? Say it again."

He wanted to record what she had said and send it to her brother so that he could open his ears a little. Yes, that's right. He wanted to keep his eyes wide open and listen to her. His Baby Ruo was willing to be with him! He could go anywhere else and stop worrying about Ruoruo's future happiness.

He could be nosy!

"What did you just say?"

Ye Erruo was stunned when she heard that. Her mind was buzzing.

"Baby Ruo, repeat what you just said. Say it again, okay?" Mo Jiangye was extremely agitated.

"Speak. What do you want to say?" Ye Erruo's mind went blank.

Mo Jiangye's face darkened. "Ye Erruo, you said that you wanted to be my girlfriend. I heard you. Don't try to lie."

Ye Erruo opened her mouth in embarrassment but could not say a word.

The woman on the floor was in so much pain that her face had turned ugly. She struggled to get up from the floor, filled with fury. What was wrong with this man?

"It doesn't matter if you don't tell me. I heard it earlier anyway," Mo Jiangye said through gritted teeth.

The woman got up and took a piece of paper and a pen out of her bag. She then walked over to Mo Jiangye and stuffed the paper into his collar. "This is my phone number. It's not convenient for random people to wait here today. After you settle this, you can call me on this phone number. I'll be waiting for you..."

As she spoke, she planted a kiss on Mo Jiangye's collar. Her red lips had clearly landed on his collar.

"You!" Ye Erruo's eyes lit up.

Chapter 413: Finally Becoming His Girlfriend

As the woman spoke, she left Mo Jiangye her contact information.

"You!" Ye Erruo's eyes lit up.

Ye Erruo tore the note in Mo Jiangye's hands right in front of the woman.

"I am his girlfriend," she declared vehemently.

"You..."

Mo Jiangye glanced at the woman coldly. "Didn't you hear what my girlfriend said?"

From now on, he was someone who had a girlfriend. He would soon be promoted to a husband and then to a child's father.

The woman widened her eyes in disbelief. "You... Are you kidding me?"

"I'm just messing around with you," Ye Erruo said fiercely.

"How dare you! Do you know who I am?"

Ye Erruo could not be bothered to listen to her. She grabbed Mo Jiangye and headed to the washroom.

"Wifey, slow down." Mo Jiangye deliberately increased the volume of his voice so that everyone in the hall would hear that she was his woman.

"Hurry up!" She was furious.

"Alright, honey." He strode forward and picked up Ye Erruo before heading to the washroom quickly.

"Damn it!" The woman was furious. "You're really audacious. How dare you make a fool out of me?" Her face was vicious.

"Fenfen, the food is ready. Come over and eat." The other women at the table called out to the woman with a smile.

She went back unwillingly. She had to get this man. She wanted her cousin to help her get him.

"Who is this man? Just by looking at his attire and aura, I can tell that he's a member of the royal family. However, I've never heard the royal family or any other relatives mention him."

"It doesn't matter who he is. He will definitely become my man," Ai Fen Nuan said through gritted teeth.

Meanwhile, in the bathroom...

Ye Erruo looked unhappily at the mark another woman had left on Mo Jiangye's collar. "You can't wear this."

Mo Jiangye looked at her with a vague smile. He lazily removed his clothes and threw them away.

Yes, if his wife said that he could not wear something, he would take it off.

Ye Erruo placed her whole heart against his collar. She did not realize that his shirt had an inner lining.

After a long while, she realized that something was amiss and hurriedly turned around.

"Bring it over to me."

"Oh." He obediently passed the shirt to her.

Ye Erruo, who was still carrying his clothes in her hands, turned around and stuffed them all into his arms. "Put these on first."

Holding the shirt in her hand, Ye Erruo stood beside the basin and began to wash it with water. Even though she didn't have any detergent, she could still wash it clean.

After washing it, Ye Erruo placed the dryer next to her and blew on it. It was dry in no time.

"Put it on."

Mo Jiangye smiled devilishly. "It's not easy to put on the clothes in my hands. Help me wear them."

“I’ll help you get the clothes. You can wear them yourself.”

Mo Jiangye said faintly, “You’re my girlfriend now. It’s not overboard for you to help me put on my clothes.”

“Who is your girlfriend?” she muttered guiltily.

“You can’t deny it. Go back with me in a few days, Baby Ruo.”

She had already agreed to be his girlfriend. He had wooed her again. This time, he had not forced her. Certain people would have nothing to say now.

“Go back? Where?”

“To the H Nation.” Their home was there, of course.

Ye Erruo was stunned. “What for?”

He could not resist teasing her. “Let’s elope.”

Chapter 414: What Kind of Girlfriend Doesn’t Stay By Her Boyfriend’s Side Every Day?

Elope?

Ye Erruo rolled her eyes at him.

“I-I...” Ye Erruo’s conflicted face was contorted.

She had become his girlfriend just like that. Wasn’t she a spendthrift? How could she lie to him so quickly?

How was she going to face Bo Jinyan? If she were to regain her memory one day, would there be any changes? How was she going to face Mo Jiangye?

“What are you thinking about? Don’t you want to elope with me? If you don’t want to, then let’s not elope for now. You can tell me whenever you want to do it.” He would not force her. After all, she only remembered Bo Jinyan, her family, and Yu Lingfeng.

He would wait until she was willing to leave with him.

From now on, he would no longer force her to do anything she did not want to do.

“Put on your clothes first,” Ye Erruo said through gritted teeth.

“Put them on for me,” he requested.

Helpless, Ye Erruo turned her head and helped him put on the shirt before doing the buttons up one by one.

“Alright.”

He smiled lovingly. It was all thanks to that ugly woman. Without her, she would not have agreed to be his girlfriend so quickly.

In less than a week, he had already conquered her. He was very excited about it.

At first, he had been worried that she would ignore him if she did not remember him.

Thankfully, she still trusted him and relied on him subconsciously.

Awesome!

How was that damn ugly b*tch going to snatch his woman?

He could destroy him at any moment.

Even though he had made Ruoruo lose her memories, wasn't she his girlfriend now?

Compared to his status as a pursuer, it was obvious that he had a higher chance of winning now. What had happened in the end?

Wasn't she his woman now?

What did this mean?

It meant that she would forever be his woman. This was fate. This was love!

That man was an ugly b*tch. They could go wherever they wanted. When he brought her back, if the two of them tried to lay their hands on his woman again, they could not blame him if he killed them.

Suddenly, Ye Erruo looked up abruptly. "I have to go back."

She had almost forgotten about this.

Mo Jiangye's face darkened. *Can you not ruin this?*

"I haven't had breakfast yet, Baby Ruo."

"You can eat." She hastily turned around to leave.

Mo Jiangye grabbed her wrist with one hand. "You can leave after I finish eating. I won't eat if you leave now."

"You will not eat? If you do not eat, I won't be your girlfriend."

"How dare you!"

"If you don't eat, I dare not be your girlfriend."

Mo Jiangye exploded. "Just torture me then. Other than bullying me, what else can you do? You can do whatever you want just because I dote on you. What do you want to do? Do you want to go back on your word? I'm telling you, Ye Erruo, that's impossible. Give up. You're my girlfriend now. You have to be my wife in the future. Since you promised me, I won't let you go."

Ye Erruo, who had not expected his reaction to be so big, said faintly, "Eat on time, sleep on time, and recuperate."

"What about you? Do you plan to never come back after leaving? Are you lying to me? Is lying to me fun?"

"Why would I lie to you?"

He was like a child. "You're not lying to me? What kind of girlfriend isn't always by her boyfriend's side or doesn't eat with him? What kind of girlfriend doesn't call her boyfriend daily and send him videos? If you're not lying to me, then what are you doing?"

Chapter 415: Eating Together

"What are you lying to me about?"

She did intend to return this time. She had even said that she was not lying to him.

"I'll be back." Ye Erruo could only squeeze out these words after a long time.

"When are you coming to find me?" he asked sternly.

"I don't know." She would go back to explain things to Bo Yu and come back after clarifying everything. She might be coming back tomorrow, or she might come looking for him a few days later. She was not sure herself.

"Ha! Just let me die alone." He felt aggrieved.

"Give me your phone number. Can I text you every day?"

All of a sudden, his eyes lit up. "We'll have video calls. Every meal will be a video call. You know that I only eat when I can see you."

"O-Okay." She was really scared of him.

Mo Jiangye's gloomy mood instantly dissipated. He was now filled with joy.

"I'll head back now."

He could not bear to let go of her small hand. "Just have breakfast with me, alright? I still owe you a toy bunny. I'll give it to you after eating."

Ye Erruo was very curious about the rabbit he would be giving her. Besides, it was already too late. Should she return later?

Upon seeing her hesitation, Mo Jiangye led her out of the washroom. "Eat with me."

When they came out, the woman had yet to leave.

Ye Erruo subconsciously held Mo Jiangye's hand and coldly looked at the woman who had tried to seduce him earlier.

"Let's go back to eat." She did not want to let these women off so easily.

"I'll do whatever my wife says," he said submissively before turning around to lead her back to her room.

"Give me some warmth. I'll give you a toy rabbit later."

Ye Erruo glared at him. "You should have already given it to me."

"I'll give you two."

“One is enough.”

“These two are a pair. If you don’t feel warm, you can switch to me later,” he said softly.

“...”

Ye Erruo blushed shyly. She suddenly stood on her tiptoes and gave him a peck on the cheek.

Mo Jiangye smiled and pulled her into his embrace.

There was a box in his room that was locked for a reason.

When it was opened, a pair of bunnies with the words “Ye” and “Ruo” on them was revealed. They were tender and adorable.

Ye Erruo fell in love with the two bunnies the moment she saw them. Although they were not as big as the one he had given her before, she really liked them.

“I’m returning the gift to you,” he said softly.

They were furry, soft, and cute. Ye Erruo’s heart melted when she hugged them.

“Do you like them?”

“Yes,” she whispered.

The words on the bunnies were obvious. Ye Erruo looked up at him and hugged the pair of rabbits even tighter. She liked them very much.

Besides... she felt a sense of familiarity as she hugged them.

Mo Jiangye took a huge bag of soy milk out of the box. “Take this back.”

“What is this?”

His lips curled into a devilish smirk. “Give me another kiss and I’ll tell you.”

“Soy milk powder?”

“How did you know?”

Ye Erruo was speechless. She showed the bag to him and pointed at the words on it. “Soy milk powder.”

“...”

“You actually like things that old people like to drink?”

Mo Jiangye shot her a resentful look. Was she judging him?

Who was the one who said that it was delicious and liked to drink it?

Old people liked to drink this?

Yes, that’s right. They could drink it until they were old.

He looked at her affectionately. "As long as you like something, I'll like it. If I like something, will you like it too, Baby Ruo?"

Chapter 416: He Was Being Coquettish Again

"Mm? Would you like it, Baby Ruo?"

"I don't know what you like."

"I like you." Mo Jiangye's voice was hoarse.

Very good. His sweet words were perfect.

"I like a lot of things. You're my girlfriend now. If you know what I like, you'll like it, right?" He stared at her threateningly.

"Yes, I will." Ye Erruo smiled gently. He was really childish.

"Alright, I'm leaving now."

Mo Jiangye frowned. Damn it!

She was already his girlfriend, yet she still wanted to leave!

He reached out to grab her wrist and pulled her into his embrace. "Let me hug you again."

"It's already past 1 pm. I should really go back now. Let go."

"Just a little hug. Just a little one, Baby Ruo..." He acted coquettishly.

He was a grown man throwing a tantrum.

Oh no.

Three minutes, five minutes, ten minutes... He was still hugging her.

"Mo Jiangye."

"Just two more minutes."

"You've already hugged me for two minutes."

"These will be the last two minutes."

The corners of Ye Erruo's lips twitched. "How many minutes has it been?"

"Two more minutes."

"..."

"Why don't you give me a kiss?"

"?"

He was shameless.

She had no choice but to turn around and hug him.

“I really should leave.”

He let go of her reluctantly and said faintly, “If you don’t come back, I’ll kill that dog and eat it. I won’t even leave any bones behind.”

“I will be back.”

“Do you have a specific time in mind? If you don’t, can you give me a rough estimate?”

“No, no. I would have told you over the phone if I did.”

He looked at her pitifully. “You said it yourself. You can’t lie to me. If you lie to me, I’ll chop that ugly dog into pieces.”

“...”

He was definitely the most difficult man Ye Erruo had ever met, yet she insisted on spoiling him. Sigh!

“I’m not lying to you. I’m leaving now. Have a nice meal.” She hugged the food in her arms and left the room quickly. She was afraid that she would not be able to leave if she stayed any longer.

“You have to remember to miss me.” He was like a resentful woman.

“Got it.” Ye Erruo walked out of the hotel with a sweet look on her face. She then got into the carriage and left.

Mo Jiangye stood on the street and stared at her as she left. He was acting like an abandoned poor girl.

It was only when the carriage was no longer visible that he decided to give up.

“Young Master,” Bo Yu whispered.

Mo Jiangye immediately regained his cold demeanor. “Speak.”

“You haven’t finished your meal yet. You can go back and have your meal first.” His subordinate was worried sick about his Young Master’s health.

He shot him a sidelong glance and coldly turned around to leave. She had already left, yet he had to eat by himself?

“Sir, there’s a lady here who wants me to give you a letter.” At that moment, the staff at the front desk brought Mo Jiangye a letter.

There was a red diamond embedded in the paper that exuded a faint fragrance.

“What letter?” Bo Yu went forward to take the envelope.

“There’s also this.” The server took out a box of chocolate.

Mo Jiangye ignored the envelope and went straight to his room.

Bo Yu slowly opened the envelope with sealed lips.

My dear handsome man, I'm waiting for you in the room! Come quickly!

Room?

Crap!

Bo Yu looked up abruptly and dashed upstairs...

Chapter 417: Young Master, Mo Jiangye Is Here

Bang! Bo Yu had just climbed up the stairs when a woman was thrown out of the room. The woman grimaced in pain.

Mo Jiangye stood coldly by the door. "Kick her out."

"Y-Young Master."

"Get lost as fast as you can," he said maliciously.

"Yes."

After grabbing the woman on the floor, Bo Yu dragged her to the staircase.

"Let me go! Let me go! Do you know who I am?" the woman yelled.

Bo Yu shot her a look. Wasn't that the woman from the dining room?

She slowly got up from the floor.

Mo Jiangye's gaze was malicious and insidious. The killing intent in his eyes slowly surfaced. This woman had just touched his hand. Only his Baby Ruo could touch him.

Suddenly, he shot a cold glare at Bo Yu. Bo Yu shuddered.

"Ah—"

A second later, the woman rolled down the stairs. Her vision was blank, and the world was spinning.

"Miss."

"What happened?"

"Someone rolled down the stairs?"

"Call an ambulance. Quick, an ambulance!"

Everyone quickly took out their phones.

Bo Yu took a deep breath and quietly returned to his room before closing the door.

Meanwhile, Mo Jiangye was already taking a shower in the bathroom.

A few minutes later, he walked out in a bathrobe.

"What did Ruoruo do when she returned? Find out who she's been interacting with." He walked to the wine cabinet and poured a glass of red wine.

Since she had already agreed to be his girlfriend, he would not let her stay there for too long. He would make her willingly return as soon as possible.

Also, she had to regain her memory.

“Don’t worry, Young Master. Young Madam’s every move is made under our protection. Plus, you have gastric problems, Young Master.” Bo Yu glanced at the wine glass in Mo Jiangye’s hand.

As he swirled the wine glass in his hand, he asked with a deep gaze, “Yu Lingfeng and Bo Jinyan know that I’m here?”

“I think Young Master Yu probably knows Young Master Bo’s whereabouts.”

“Ha!” He pursed his lips and took a big gulp of red wine.

If he dared to stop him from bringing his wife home, he would not let him off. Besides, there was still a grudge between them!

He’d steal my woman?

With what capability?

He made my woman lose her memory, didn’t he? Fine, I’ll beat him until he loses his memory.

An ominous glint flashed across his eerie eyes.

...

“Young Master, Princess Ruo is back.” When the servant saw Ye Erruo at the entrance, she ran excitedly to the castle to report the situation.

“Princess Ruo is back.”

“Princess Ruo is back.”

One by one, the servants began to make their way in. Before the person who had run in to report the situation could arrive, the commotion outside had already reached Bo Jinyan.

“Young Master, Princess Ruo is back.” Aaron respectfully stood beside Bo Jinyan.

His eyes darkened, but he did not rush out to fetch her. Instead, he said dangerously, “What did you just say?”

Aaron paused for a moment before saying, “Young Master, Mo Jiangye has arrived at Blue Tower. Princess Ruo has met him.”

He sneered sarcastically. “So Ruoruo has gone missing because she’s gone to stay with him?”

“I think so.”

“You think so?” His voice was filled with killing intent.

“Young Master, although Mo Jiangye has arrived at Blue Tower, we couldn’t find out where he is currently staying. Therefore, I’m not sure if Princess Ruo is spending the night at his place.”

The door opened and Ye Erruo walked in.

Bo Jinyan's obscure gaze instantly focused on her.

Chapter 418: Ruoruo, Let's Get Our Marriage Certificate

Ye Erruo was stunned by Bo Jinyan's stare the moment she entered the room. His gaze was frightening.

"Where did you go?" he asked strangely.

"Didn't I write you a letter? I stayed outside the whole night, and Aby bit that princess. Was the Queen's punishment delivered?"

"Where's Aby?"

Ye Erruo lied. "I hid it outside. I will definitely not hand over Aby. I will bear the Queen's punishment."

Bo Jinyan slowly rose from his seat and said faintly, "The Queen did not give any orders to punish you or Aby."

"There's no punishment?" Ye Erruo could not believe it.

"Do you think I can't protect you? Is that why you ran out with Aby?"

"No." She spoke completely subconsciously...

Bo Jinyan's gaze landed on her tender cheeks, and he realized that the finger marks on her tender cheeks had lightened considerably. "Where did you stay with Aby yesterday? I'll send someone out to fetch Aby."

His sharp gaze met Ye Erruo's eyes. Ye Erruo was flustered because of his stare, and her gaze involuntarily shifted to the side. "I don't know where it is either. I handed it to a family. They will take good care of Aby. I will fetch it back when I have time."

"Were you the only one with Aby yesterday?" His tone was both light and sinister.

Ye Erruo's heart sank. What had he discovered?

Bo Jinyan knew who she had been with last night and who had written that letter to him!

Mo Jiangye?

Ha!

How had she found his place so quickly? He had met Xiao Ruo without him finding out...

"Mm?"

"Yes." Ye Erruo's voice was soft when she said that.

Bo Jinyan could not help clenching his fists tightly when he saw her lie. The veins on his forehead could be seen faintly, and a bloodthirsty, vicious glint flashed across his eyes.

"Get out!"

Aaron, who was standing beside them, bent slightly and left the room with the servants.

Suppressing his anger, Bo Jinyan approached her and caressed her face gently. "Have you taken any medicine?"

"I've been drugged." She cleverly avoided his touch.

Bo Jinyan's eyes darkened instantly.

"Brother Jinyan, I have something to ask you," she said solemnly.

"Go ahead."

"Who am I? Who are my parents? Didn't I have any friends before I lost my memory? Why can't I remember anyone else except you and Yu Lingfeng?"

"What's wrong?" Bo Jinyan tried his best to suppress the evil aura in his heart.

Ye Erruo stared at him, waiting for his reply.

"You have no parents or friends. You have been living at my house all this while. Yu Lingfeng has been our friend ever since he was young. You should know that."

It was only because she knew this that she found it strange that only Yu Lingfeng and Bo Jinyan were in her life...

"Why are you asking me these questions after taking a trip outside?" he asked gently. "You're the only girl I dote on. I've never let you see the outside world before or come into contact with any other friends. You're not thinking of making friends outside, are you?" He chuckled.

Ye Erruo furrowed her brows. She knew that she would not be able to get an answer even if she asked him. She could only try Yu Lingfeng.

"Ruoruo, let's get the marriage certificate," Bo Jinyan suddenly said.

Mo Jiangye's arrival had given him a sense of urgency.

Chapter 419: Ha ha ha ha

"Marriage certificate?" Ye Erruo was stunned.

"That's right. I know you don't want to get married or take wedding photos right now. I've been waiting for you for more than twenty years. Let's get our marriage certificate first, alright?" He pleaded gently.

Ye Erruo's gaze looked conflicted. "I..."

"What's wrong? Haven't you missed me?"

"Later, Brother Jinyan."

Bo Jinyan's smile froze, but he did not force her. "Alright."

"I want to see Yu Lingfeng."

"Okay, I'll call him over."

“Alright!”

Soon, a servant brought the soy milk powder and the pair of toy rabbits into Ye Erruo’s room.

Bo Jinyan’s gaze was fixed on the servant.

“I’m going to my room now. Brother Jinyan will call me when Yu Lingfeng arrives.”

“Alright.”

Ye Erruo approached the servant and took the bunnies from her. She carefully carried them upstairs and closed the door.

Bo Jinyan’s face instantly turned cold.

He had clearly hypnotized her memories away. Why would she still meet Mo Jiangye? More importantly, why had she agreed to be with a stranger?

Even though they had beautiful memories together, she was still unwilling to marry him?

He was unwilling to let go.

By the time Yu Lingfeng arrived, it was already dark and they met at dinner time.

“Xiao Ruo has been looking for me?” Yu Lingfeng was in high spirits as he walked in with a cage in hand.

All the dishes on the long dining table were Ye Erruo’s favorites. Most importantly, they had been personally prepared by Bo Jinyan. Because she liked seafood, the entire table was filled with seafood.

“What is this?” Ye Erruo was puzzled.

Yu Lingfeng placed the cage in front of her. “Open it and see if you like it.”

Ye Erruo glanced at him before opening the cage. She saw two pink, palm-sized rabbits inside. They were both small and soft. They were so adorable that Ye Erruo’s face flushed with blood. Their fur was really pale and pink. They were... teacup rabbits.

Upon seeing her surprised look, Yu Lingfeng knew that she liked them. He was happy as long as she was happy.

Yu Lingfeng sat on the chair and started eating. “Did you miss me, Xiao Ruo?”

“Yes, I missed you,” Ye Erruo said softly.

Bo Jinyan, who was peeling prawns, paused for a moment before frowning and continuing to peel.

“Wow! Really?” Yu Lingfeng’s eyes sparkled. “Ha ha ha ha ha...”

“...”

“Ha ha ha ha ha...” He laughed like a silly child. “Alright. Xiao Ruo missed me. I will stay here tonight. I won’t be going back.”

Ye Erruo smiled gently. “Alright!”

She had something to ask him.

Bo Jinyan placed the peeled prawns on her plate. "I'll take you somewhere after dinner."

"I won't be going anywhere today." She could not wait to find out more.

Bo Jinyan pursed his lips. "Alright."

"Jin Yan, you have to hold on to my little sister tight." Mo Jiangye had already arrived at Blue Tower and had even secretly met his little sister. How fast!

To his knowledge, Mo Jiangye had conquered his sister in one day.

Bo Jinyan looked deeply at Ye Erruo. It was alright. There was no hurry. He believed that she would be by his side forever.

Besides... he was confident that he could make her stay!

Buzz! Buzz! Buzz! The servant ran downstairs with her vibrating phone.

"Princess Ruo, your phone is ringing. It keeps ringing." Afraid of disturbing the princess's dinner time, she had not paid attention to it at first. In the end, the phone had kept ringing non-stop.

Ye Erruo looked up abruptly...

Chapter 420: I Am Taking Care of Your Pet By Risking My Life

The phone kept ringing. Given the time, it had to be Mo Jiangye.

"Give it to me." She quickly got up and took the phone from the servant's hands. She glanced at the caller ID and smiled.

Bo Jinyan could see her small actions, while Yu Lingfeng continued to eat his food leisurely as if he was watching a good show.

"You guys can go ahead and eat your meal." Ye Erruo took her phone and headed out.

As the phone kept ringing in her hand, Ye Erruo quickened her pace.

When she reached a quiet spot, she finally picked up the call.

"Hello?"

"Do you know what time it is now?" The voice on the other end of the line was full of resentment.

"What time is it?" Ye Erruo moved her phone away and checked the time.

"Ten minutes past eight!" Mo Jiangye gritted his teeth.

"Yes... Have you eaten?" Ye Erruo walked slowly inside the garden beside her.

"Eaten? Do you think I ate?"

Ye Erruo smiled gently. "I guess you didn't."

“What are you doing? You have not answered my text or video call!” he said angrily.

He knew that she’d been having dinner with the two men.

Damn!

His wife was eating with another man while he could only watch from a corner.

“I was planning to contact you after I was done eating.”

This was because she knew that he would not hang up the moment she answered his video call.

“Oh? Is that so? Are you eating alone, or are you eating with another man?”

Mo Jiangye glanced at the sumptuous spread on the table before him. It was exactly the same as Ye Erruo’s recipes.

“I’m eating with Jin Yan... and Bo Jinyan.”

“Ha!”

“I’m already full. I’ll video-call you from my room later. You can have your meal first.”

Mo Jiangye’s entire body was bubbling with sourness. “I want to eat dumplings and black chicken soup.”

“Have the servants cook them for you.”

He said word by word, “I want to eat something Baby Ruo made personally.”

In the past, she used to cook him chicken soup and dumplings every week. She usually liked to make some snacks and eat with him. Now... he was alone.

“I won’t.”

Bang! A loud sound came from the other end of the line. Ye Erruo was shocked.

“What’s wrong, Mo Jiangye?”

Mo Jiangye looked at the table in front of him with a dark expression. Had Bo Jinyan hypnotized him?

“Mo Jiangye? What happened to you? Speak.”

“Baby Ruo, I’m hurt,” he spat out.

“What happened?” Ye Erruo asked anxiously.

“I was bitten by a dog.” He lied as he stared at his bruised face.

“Aby bit you?”

Wasn’t he allergic to dogs? Now that he’d been bitten, wouldn’t he have a fever again?

At this thought, Ye Erruo could no longer stand still. Her heart was anxiously by his side.

“Yes, it bit me.” He glanced coldly at Aby in the dog cage in the distance.
