### Chapter 8: New Classmate

Mo Zhu had already arrived at school. Coincidentally, it was Li Xiao's class, so Li Xiao brought her to the classroom.

The classroom which was noisy one second ago quieted down when Li Xiao entered. The 48 students from Class Eight all stopped to look at Li Xiao.

Li Xiao cleared his throat. "A new classmate has joined us. Everyone, please give her a round of applause."

All the students of Class Eight clapped obediently, and a thunderous applause rang out.

Only then did the students of Class Eight see a young girl walk out from behind Li Xiao.

The girl was wearing a low baseball cap and her expression could not be seen clearly. The perfect facial features could be seen under the brim of the cap.

Many people gasped. Even though only half of her face was revealed, it was obvious that her beauty was rare.

"New student, please introduce yourself." Li Xiao looked at Mo Zhu kindly.

"Mo Zhu." The girl's lips moved slightly as she coldly spat out two words.

When Li Xiao saw Mo Zhu yesterday, he knew that she did not like to talk, so he did not make things difficult for her and allowed her to return to her seat.

Once Mo Zhu returned to her seat, she put on her earphones and went to sleep.

When Mo Zhu woke up, it was already lunchtime.

"You're awake!"

When Mo Zhu turned around, she saw a sweet and adorable girl staring at her blankly.

Mo Zhu raised her hand and shook it.

“You, you’re so beautiful.” Meng Ran came back to her senses. Her face was a little hot.

“By the way, you must be hungry. Let’s go and eat!” Meng Ran thought that since her new classmate had just arrived and did not know where the canteen was, she waited for her to wake up. Fortunately, she had woken up five minutes after school ended.

“I’m Meng Ran, your desk mate. You can call me Xiao Ran.”

“Mo Zhu.” Mo Zhu fell asleep when she returned to her seat, so she did not know Meng Ran.

The corners of the young girl’s eyes curved, and her voice carried some warmth.

“I know, you said it!”

Meng Ran originally thought that it would be difficult to get along with the new student. After class, many students wanted to get to know Mo Zhu, but they did not dare to wake her up. However, it turned out that she was very easy to get along with and was not as scary as they thought.

By the time they returned from their meal, most of the classmates had already returned. Everyone was excited to see Mo Zhu, especially the male students.

Mo Zhu had just come to report in the morning, but the school’s forum was already filled with photos of her. Although it was only a photo of her side profile, the students of Jingyang High School knew that a beautiful transfer student had joined Class Eight, and they were even more curious about her. At this moment, Class Eight was surrounded by people waiting to see Mo Zhu.

The outside of Class Eight’s classroom was filled with people.

“Damn, she’s too beautiful!”

“The school belle is going to change!”

“She’s much prettier than the school belle!”

“Move away. Move away.”

Meng Ran stood in front of Mo Zhu and opened up a path for her. The surrounding students were quite afraid of her, and most of them made way for her.

However, one of them did not move away.

“Jiang Xun, what are you doing?” When Meng Ran saw the person standing before her, her baby face frowned slightly.

“Why are you so nervous? I just want to care about my new classmate.”

The person standing in front of her had short silver hair, a sharp nose, thin lips, and deep blue eyes. He looked at Meng Ran with a provocative smile.

“Hey, what are you hiding for? Do you not dare to meet anyone?” Jiang Xun raised his hand and wanted to pull Meng Ran away, but before he could do it, he saw a fair and slender hand grab his wrist. Mo Zhu walked out from behind. Then, the young man raised his head and was stunned.

“Damn, Boss, why are you here! Why didn’t you tell me you were coming to Jingyang High School?”

The young man had changed from his usual arrogant and domineering attitude, and his tone even carried some grievance, causing the entire class to be stunned, and it shocked Jiang Xun’s lackeys even more.

Jiang Xun was the tyrant of Jingyang. Apart from Young Master Xu, no one in Jingyang High School dared to provoke him.

Young Master Xu was the grandson of the principal of Jingyang High School, but he was only obsessed with studying, so Jiang Xun became an existence that no one in Jingyang High School dared to provoke.

But he actually called the new transfer student boss! What should the boss of the boss be called? Jiang Xun’s lackeys looked at each other.
