

Substitute wife: mysterious husband, good evening

Chapter 11

"I'm a girl. I'll lose a little, but you're my husband. If you lose a little, you'll lose a little." Then she blinked.

Feng Yan looked at the wet woman with a bright smile, as if she could light up all the haze. She was wearing a white T-shirt. Now she was immersed in the water. Basically, he saw what she should see and shouldn't see, but the woman didn't know anything.

Is it stupid or do you really think he won't do anything to her?

He's a normal man.

Su Xiaowan looks at Feng Yan with deep eyes. She looks at herself along the line of sight. At the moment, she only looks at the cartoon underwear showing in front of her eyes. Her pupils are slightly open and her face is red with shame. She reaches out to block his eyes and says, "don't look."

The warm palm touched his eyes, felt the whole body cells were called to wake up in a moment, he could feel his change, that cold heart, it seems to be covered by something for a while, but his mouth still wanted face, "I'm not interested in little girls."

Su Xiaowan smell speech, she Leng for a moment, how she forgot, he is a gay, don't like women, even if it is naked lying in front of him, he is not moved.

What is she afraid of.

Thinking about this, she was relieved and immediately released his eyes. Unconsciously, she felt something was pulled by herself, but she didn't pay attention because her eyes were focused on the bubbling water behind Feng Yan.

Is there a snake? But snakes have such big bubbles? I can't see what's under this letter after soaking so much milk.

Feng Yan looks at her face in horror. Is this woman so terrible? I'm so afraid and I'm still pestering myself! Unconsciously, some flames were coming out of his chest. The next second, he only looked at Su Xiaowan's hand reaching behind him. "Master Feng, be careful."

Feng Yan looked back and saw that Zeus's teeth were gnawing Su Xiaowan's arm. Although Zeus's teeth had been repaired, his arm was tender and tender, and he was bitten with blood.

As soon as he stares at him, he immediately loosens his teeth and looks back at his master. The dusty one runs away. Yu Guang seems to see that the master is holding the new hostess, but it's just for his good. The master doesn't like other people's approach. It's protecting him. The hostess is on the master's body! Can it not bite? What's more, my mouth was heavy just now... It was biting people to death

It seems that during this period of time, I have to eat vegetables.

He dragged the woman in his arms and watched the blood on the wrist come out, as well as the depth of the wound

Su Xiaowan was in a daze. She only felt that her teeth were so sharp that tears of pain were about to fall. She was afraid of pain since she was a child. She opened her eyes and only looked at this beautiful face. She swayed around in front of her, "master Feng, your face..."

Finish saying, the first heavy, directly fell in the man's arms.

When Su Xiaowan wakes up, she is in a black room, which is not the place where she slept last night. As soon as she opens her eyes, she sees the man in front of her.

In the sunshine, the face returned to its original appearance. Was it her own illusion? She wanted to get up, but suddenly her arm hurt.

"Don't move!"

Su Xiaowan looked at his right arm, wrapped a large piece of gauze, "my hand..."

"No waste."

This... Is clearly concerned about, can always be said that the lack of so little meaning, Su Xiaowan concluded that young master Feng is a straight man.

"Master Feng, thank you for saving me."

The man's eyes were staring at her tightly. Su Xiaowan's eyes fell on the man's lips. Subconsciously, she reached out to attach her lips, as if the

afterglow had not gone. She always felt as if... It hurt.

"Well, master Feng, did you just kiss me?"
