

## Substitute wife: mysterious husband, good evening

### Chapter 13

An eggplant was thrown into her bowl. Su Xiaowan looked at the eggplant in the bowl. She was very excited. She didn't know why the word was spoiled. She was shocked by this idea.

But in response, she was said to be stupid. Naturally, she was very dissatisfied. She raised her eyebrows, slapped her face and said, "master Feng, I'm not stupid. I have a high IQ."

She is a child prodigy in the village. She has been gifted and intelligent since she was a child. She entered Jiangcheng University as the first prize, and she got a full scholarship.

Feng Yan looked at her dark eyes. Her cheeks were scarlet, like a rabbit in a hurry. The corner of the man's mouth was lifted. "Can people with high intelligence be bitten by dogs?"

Su Xiaowan holds the chopsticks and looks up at him. His ears are as red as sunset. What about dogs? Isn't it a snake? I don't know if his dog has rabies or something. How can I feel her dizzy.

"It's not because of you. I don't want you to be bitten to death. I became a widow. It was aimed at your neck at that time. In a hurry, I stretched out my hand before I could think of anything. I didn't know it was your dog, but I knew you would save me, right, master Feng!"

With that, Su Xiaowan smiles cunningly and flatters him. When he is in a good mood, his life will be better. That is to say a few good words, she will.

Su Xiaowan would like to see other people's face life, before in the Su family these are used to.

But this letter is much easier to speak than those in my family.

Sure enough, looking at the radian of Feng Yan's mouth, Su Xiaowan was very happy, "young master Feng, it's nice to see you smile."

"You can't stop eating."

Su Xiaowan quietly picked up the rice, suddenly looked up and said coldly, "master Feng, are you shy?"

"Shut up."

"Feng Yan, can you give me some of your dishes over there?" Su Xiaowan's mouth is full of money.

Then, Feng Yan waved the pot of vegetables and pushed it directly in front of him. Su Xiaowan ate the pot of beef with satisfaction and looked at Feng Yan's appearance cunningly. It seemed that the man was not very ugly.

After dinner, Su Xiaowan was called to the study by Feng Yan.

Nuo Da's study is full of books, and many of her eyes are spent. But at the moment, due to Feng Yan in front of Su Xiaowan, her eyes dare not aim

blindly.

Su Xiaowan stood in front of the man. He was very tall and looked very safe. Now he was looking at some pieces of paper in his hand and put them in front of him.

"Yes." A man's thin lips.

Su Xiaowan looked at the big contract of selling her body on it, and suddenly her eyes widened. The contract of selling her body... She was in a mess in the wind.

"Isn't this my deed of sale?"

"It's yours." The papers were pushed in front of him.

Su Xiaowan was so angry that she looked at the top of the document, which was the most eye-catching one. She nodded and read it out.

—"You must live in the ancient castle forever, and you can't sleep out, otherwise the penalty will be 100 million... Do you mean that you are dead... Bah, I mean that I have to work, and there may be a party or something in the evening. If I can't come back, what can I do? Feng Yan, then I have to... "

"Then stay and pay the debt slowly." The man said it casually.
