

Substitute wife: mysterious husband, good evening

Chapter 14

Su Xiaowan's eyes stagnated and she swallowed. For a moment, the atmosphere was a little awkward.

However, the thought of this man will not live long, so it's better to get along with him, and then he will retire! Maybe tomorrow she'll be able to walk away.

After all, that's better than tearing a face.

Su Xiaowan did not dare to look up at him, pointed to the black and white, coughed, "master Feng, since I married you, I will have the spirit of contract, and I will always be good to you, I can sign this, but I also have two small wishes, I hope you can promise me."

In fact, it's too early to get married. She and Feng Yan didn't get a marriage certificate at all. At most, they lived together illegally? Su Xiaowan frowned at the thought of the word.

"He said

"Master Feng, I haven't thought of it yet. I'll tell you when I think about it."

Su Xiaowan's first wish, in fact, has already had waves in his heart, but now the time has not come.

"Feng Yan."

He interrupted her. It seemed that Mr. Feng and Mr. Feng were very uncomfortable. He didn't know what it was like to call out his name from her mouth.

"Feng Yan? What a nice name you have

He looked at her and drew a curve at the corner of his mouth. "Su Qiqi, your name is also good."

Su Xiaowan was stunned for a moment. She chewed these words carefully. Listening to the name, she always felt that he looked at her strangely.

However, Su Qiqi's three words came out of his mouth, which was really nice.

Knock, knock.

"Master, master's phone."

Su Xiaowan breathes a sigh of relief. When she is with a man, she always feels her heart lifted. She looks at the man's back. The mobile phone in her pocket rings untimely. It's su Qiqi's again. Her head is a little big.

"Su Xiaowan, do you mean to turn off your mobile phone all the time?"

"Think what you like." She didn't want to argue with Su Qiqi. After all, it's useless to quarrel. Why bother herself.

"Su Xiaowan, you are more and more daring! I ask you, is master Feng ugly? Give me an honest answer

Thinking of Su Qiqi, Su Xiaowan frowned and said, "how can it be ugly? I don't know how handsome master Feng is! Su Qiqi, you don't want such a good man, you don't know what you missed! Besides, this letter is not gay at all! I did it myself last night. "

When she finished speaking, she could feel the woman's angry look at that end, "Su Xiaowan, if it wasn't for me..."

"Seven seven!"

Only heard a woman's voice, Su Qiqi's voice disappeared, came a voice of Shen Yin, "Xiao Wan, our house is going to be auctioned, now the company's capital is just in place, there is no spare money to find a new place, your father has been running around these days, we all look distressed, do you think we can move here to live with you?"

Originally, this villa was mortgaged. It's estimated that the court will come and seal it up soon. Thinking of their house, this is the villa left by her mother. She is reluctant to part with it.

That's the only thing my mother left behind.

Seeing that she didn't speak, Su Qiqi thought that she didn't agree. Su Qiqi's voice immediately ran over, "Su Xiaowan, do you have the heart to let your father rent a house at his age? Do you have any conscience? "

"It's not mine. I can't be the master."

"Then tell Feng Yan. Do you want your mother's family to live on the streets? Isn't he nice to you? " Su Qiqi's tone is sour.
