Her hands stiffened, apparently unprepared.

However, the man suddenly attached himself to Su Xiaowan, holding the door behind her with his strong arm, imprisoned her in a powerful posture, and looked at her terrified expression. Even her face was pockmarked at the moment, which was totally different from last night.

"Afraid?"

The masculine air came to her face and occupied all her senses. Suddenly, Su Xiaowan was in a panic. She grabbed her clothes and caught a sweat.

"No... no, I'm not afraid. I just didn't get used to it all of a sudden."

The young master's face... Suddenly felt that the spots on his face, in front of this man, were nothing.

"Then why don't you look at me?" The voice of the man came slowly.

It is said that he is moody, strange, grumpy and cruel. If he offends this man, how can she survive.

At the thought of the Su family's situation, she still summoned up the courage to stare at his face. In fact, she looked at the man so closely. Among them, he had a pair of beautiful eyes, like stars, shining brightly. If it wasn't for the scars on his face, it would be a very handsome face!

Unfortunately... Because of these things on the face, the whole face is destroyed.

I don't know if I was born or what I experienced

"Are you pitying me?"

Her hand held him tightly, as if for fear that he would misunderstand, so she did not dare to let go, "no, I just... Don't misunderstand, you can't choose your own appearance, although you are not very outstanding... But I really don't dislike you! Look at me. I'm not very good-looking. We'll depend on each other in the future. "

She doesn't want to be driven out and make a big family, but the Su family is in need of their help.

She has no right to dislike others. After all, she came for his money.

The four words of "depend on each other for life" make the man's palm tight and his eyes know it well. He looks at her and says, "then you kiss me!"

"What?" Su Xiaowan eyebrows jump, looking at the man close at hand, think he heard wrong, kiss him? She's so ugly! Doesn't he dislike it?

Su Xiaowan's steps can't help but move back, only to find that there is no way back, and her body is against the wall.

The man's hand fell so close to her side face.

"Dare not?" The man's face constantly close, her heart a tight, forced her to look at the ferocious face.

until.

That piece of pink tender lips so pasted on the man's lips, just a touch, soon released.

The man looked at her appearance, the corners of his mouth hooked, the woman's lips taste sweet, at least he didn't hate her touch, "I like good girls."

Su Xiaowan tooted his lips, "master Feng, you are too close to me. I can't breathe."

He looked at her and suddenly asked, "give you a chance to get out of here."

"Really?" But as soon as her voice fell, she lost her head again, slightly disappointed. Thinking of Su Qiqi's words, she finally raised her head, "master Feng, I won't go. I will guard you here."

The corner of the man's mouth hooked, "are you sure you don't want to go?"

"Well, I'm not going."

"If you dare to leave later, I'll break your leg."
