Chapter 131-140

Chapter 131

Lin Hao couldn't stop the tears from flowing down, he looked up at the bright night sky and tried to hold back his tears. Lin Hao took a deep breath as he looked at the night sky, smiled at Shen Xiyan and nodded, 'Okay, then we'll go get a marriage license tomorrow, we'll remarry'.

'Mm...' nodded Shen Xiyan's head nicely and hugged Lin Hao tightly.

When Lin Hao followed Shen Xiyan into the house again, Wang Shufen was stunned, 'Xiyan, Hao'er you guys?'

Shen Shi Yan was asked by Wang Shufen, her face became even redder, but it was full of happiness, and she whispered to Wang Shufen, 'Mom, Lin Hao and I are going to remarry tomorrow and go to the Civil Affairs Bureau tomorrow morning...'

Wang Shufen was overjoyed at the news and nodded her head vigorously, 'Mmmm, good to remarry, good to remarry. You two have had a hard time these past two years, tomorrow mom will go with you!'

Lin Hao smiled and said to Wang Shufen, 'Mom, do you still have my blanket or something? You bring it to me.'

Wang Shufen hadn't spoken yet, but Shen Xiyan lowered her head, her face flushed red incomparably pulling at Lin Hao's corner and said to Lin Hao, 'You don't sleep on the couch, you come with me...'

After Shen Xiyan said that she didn't even dare to look at Lin Hao anymore, Lin Hao's heart was suddenly excited. I'm not going to be able to do anything about it. I'm not going to be able to do anything about it, I'm going to be able to do anything about it...'

After Wang Shufen said that, she went to her bedroom and closed the door and didn't come out anymore. Shen Xi Yan could feel that her face was hot right now after hearing Wang Shu Fen's words. She lowered her head and didn't dare to look at Lin Hao, so she dragged him back to her bedroom.

When he entered Shen Xiyan's bedroom, Lin Hao was both excited and emotional.

He had stayed in the Shen family for the last year, and it wasn't like he hadn't been to Shen Siyan's room. But that was all during the day, and at night, Shen Siyan would never allow Lin Hao to come in. Today was the first time Lin Hao had come to Shen Siyan's room at night. And it was still coming in as Shen Siyan's husband! First web site

When Lin Hao came in, he directly closed the curtains, and when Shen Siyan saw Lin Hao pulling the curtains, her heart beat a little faster, and she was incomparably nervous.

When she saw Lin Hao walk up to her, Shen Siyan whispered, 'You... why are you pulling the curtains?'

Admittedly Shen Xiyan was asking a very brainless question, after all, who doesn't pull the curtains in the middle of the night to sleep. Of course this is also Shen Xiyan is really nothing to say.

'Xi Yan, don't be nervous, I'll sleep with you in my arms tonight, and tomorrow morning we'll go to get a license...' said Lin Hao, seeing that Shen Xi Yan was nervous, so he opened his mouth to comfort her.

'Mm...' nodded Shen Xiyan gently.

That night, the lights were turned off in Shen Xiyan's room, and Lin Hao and Shen Xiyan were lying face to face in the blanket. Lin Hao looked at Shen Xi Yan's pretty face and spoke to Shen Xi Yan.

'Xi Yan, don't worry, I will never let you suffer, I will buy you a big house, buy you a diamond ring, what other people's wives have, you won't be less... Please believe me, I will do it' Lin Hao promised to Shen Xi Yan.

Shen Siyan nodded: 'Well, I believe you. But in the future, I will work hard with you to make money and not let you be so tired by yourself'

Lin Hao was tempted to have a direct showdown with Shen Xiyan, but he was afraid that Shen Xiyan wouldn't be able to accept it for a while. So he could only secretly make up his mind that after this remarriage, he would make sure that Shen Suyan would be the happiest woman in the entire Nanjiang City!

132

Get a license first, then slowly explain your identity to Shen Xiyan little by little. Let Shen Xiyan slowly accept it.

The next day early in the morning, Lin Hao and Shen Xiyan, as well as Wang Shufen, went to the Civil Affairs Bureau. The Civil Affairs Bureau in Nanjiang City, this was the third time Yang Hao and Shen Xiyan came.

An hour later, Lin Hao and Shen Xiyan, who were holding a marriage certificate, walked out of the Civil Affairs Bureau's door. Shen Siyan looked happy as she held Lin Hao's arm.

Lin Hao's heart was also happy, but he still had great regrets. Because these days he had prepared many, many things, including how to propose to Shen Siyan, how to give Shen Siyan the grandest wedding, and directly make Shen Siyan the happiest woman in Nanjiang City.

But all of this hadn't come to be done in a hurry, and he remarried with Shen Suyan. What Shen Shyan wanted was simple, she just wanted Lin Hao to stay by her side. She didn't want anything else. Even if she was being talked down to and looked down upon by the Shen family, she didn't care, even if her future life was just ordinary, but as long as she had Lin Hao by her side, she felt incomparably happy.

It was just that she could not give Shen Shi Yan what she didn't want, but Lin Hao couldn't. His Lin Hao's wife, and still the woman he loved the most, how could he possibly let her suffer a little?

This time, he will never! This time, he wanted to make sure that no one around Shen Xiyan would ever dare to look down on her again!

'Regret the face?' Lin Hao smiled sideways at Shen Xiyan.

'Hmm? What's going on?' Shen Xiyan looked at Lin Hao in puzzlement.

‘It’s nothing, I’m just afraid that this is all a dream, and when the dream wakes up this will all disappear again. And you’re not my wife...’ said Lin Hao to Shen Xiyan with some worry.

Shen Siyan hugged Lin Hao’s arm and said softly, ‘What are you thinking about, don’t think blindly, I’m your wife, I’ll never leave you again in this life...’ Remember the website .kanshu8.net

Lin Hao and Shen Xiyan had just gotten their license today, and Wang Shufen wasn’t good enough to continue being a light bulb around them, so she hurried back to cooking. Lin Hao and Shen Xiyan were left alone together.

After lunch, Shen Shyan called Lin Hao to her room. After Lin Hao went in, Shen Xiyan took a bank card out of the drawer. ‘I don’t ask you to buy me nice clothes, and I don’t ask you to buy me a big house, but we have to save some money....’.

Lin Hao’s face flashed with embarrassment, and now that Shen Xiyan was talking about the money, he didn’t know how to reply to her.

‘What’s wrong?’ Shen Xiyan asked to Lin Hao, she looked at Lin Hao’s expression that something was wrong.

Lin Hao took a deep breath and said to Shen Xiyan very seriously, ‘Xiyan, there are some things I don’t know how to tell you right now, but please believe me, I will explain them to you slowly in the future, okay?’

Shen Siyan nodded without hesitation, ‘Well okay, you don’t say anything, I believe you.’

Err... Shen Siyan promised so crisply, which made Lin Hao not know what to say. Lin Hao could only resolve in his heart that what he owed to Shen Siyan would definitely be returned to her. And give her a lifetime of glory.

As Lin Hao and Shen Caiyan were chatting in the house, he suddenly heard the voice of Shen Caiyan’s uncle, Shen Jiancheng, coming from the living room outside the door. Lin Hao and Shen Siyan looked at each other and both of them furrowed their brows, unable to figure out why Shen Jiancheng had come.

‘Lin Hao, let’s go out and say hello, no matter what, he’s still an elder, it’s not appropriate for us to not see anyone in the house...’ advised Shen Siyan to Lin Hao.

Lin Hao nodded and then followed Shen Siyan out, he was also curious, as far as he could remember, he didn't seem to have seen Shen Jiancheng here. Shen Jiancheng usually acted like he was on top of the world and didn't even look down on Shen Siyan and her family, but now he actually took the initiative to visit?

It wasn't that Lin Hao was maliciously trying to figure them out, it was that none of these people in the Shen family, except for his wife Shen Xiyan, were any good!

133

When Lin Hao went out, he saw a smiling Shen Jiancheng sitting on the sofa in the living room.

After seeing Shen Jiancheng come out with Lin Hao, he smiled and said to Shen Xiyan, 'Xiyan, how have you been? Your auntie has been telling me about you for the past few days, when you're free, come to the house ah, and let your auntie cook you a nice table...'

Shen Xiyan smiled somewhat awkwardly and said, 'Well, thank you, uncle, and thank you, auntie, sometime I will definitely go...'

Shen Jiancheng nodded, then actually broke the sky and also smiled at Lin Hao, 'Lin Hao, when the time comes, you go over there with Xi Yan, although you are a son-in-law at the door, but we are a family anyway.'

Lin Hao nodded and didn't say anything. When Shen Jiancheng saw that Lin Hao didn't even want to speak to him, there was more than a hint of embarrassment on his face. The atmosphere was a bit weird for a while.

Wang Shufen felt that this was a bit off, so she quickly changed the subject and said, 'Big brother, why did you come to our house today? Is that what you're up to?'

Shen Jiancheng hurriedly found a step and said to Wang Shufen with a smile, 'Shufen ah, these few days mom is not well, she has a cold, and when she was lying in bed, she kept talking to me about Lao San, saying that she was sorry for Lao San ah. So Mom told me to come over and transfer Lao San's shares in the Shen family to Xi Yan's head, and that the Shen family's house in the city will also be made available to you these days...'

Wang Shufen's face was delighted at the news and quickly asked, 'Brother, is this all true? Mom's really going to give her shares to Shyam? And to a house downtown?'

Shen Jiancheng nodded with a smile, 'Well good, after all, they are all family ah, in fact, there is one thing you are wrong to blame mom, last year to now the company's operation is not too good, so this matter has been delayed, so mom this time more to you a set of house as compensation....'

Wang Shufen was about to say something when he was interrupted by Lin Hao, who looked at Shen Jiancheng and asked, 'Oh? A house downtown? How big is it?'

Shen Jiancheng's face stiffened and the corners of his mouth drew down, 'Eighty square meters, it's small, but Lin Hao, you and Xi Yan have been married for over a year no matter what, isn't it better for the two of you to live in a set of your own house and have a bit of personal space?' One second to remember to read the book

Lin Hao gave a long oh, nodded his head and asked with a seeming smile, 'Uncle, just tell me what's going on, you're giving shares and a house away today, it's quite sudden ah. Just say it straight if you have something to say.'

The smile on Shen Jiancheng's face was withdrawn, and he said to Wang Shufen, 'Sister-in-law, Lin Hao is right, I do have a matter to ask you this time...'

Wang Shufen was stunned, 'Begging me? Oh, brother, you're joking, I'm a woman with no money and no power, how can I help you?'

Shen Jiancheng awkwardly waved his hand and said, 'Sister-in-law ah, Shen's company is now almost bankrupt, we got the news that the Kyushu Group is targeting our family, Mom and I really can't do anything about it, so we can only come to ask for help from Xi Yan and Lin Hao, after all, they both work in the Kyushu Group, and the position is not low....'

'Oh...so that's what this is about, huh?' Wang Shufen body leaned back, picked up the tea on the table, slowly drank it, and did not speak. In fact, Wang Shufen this heart is not cool, she is now deliberately silent, is to Shen Jiancheng shake face it.

The first thing you need to do is to take a look at the product and make sure that it's in good condition. Lin Hao smiled and said to Wang Shufen, 'Mom, I still have something to do with Xi Yan, we both go out first ah, we'll be back later...'

Wang Shufen nodded and hummed. But Shen Jiancheng, who was sitting across from her, saw Lin Hao and Shen Xiyang leaving, and suddenly became anxious and hurriedly said to

Shen Xiyan, 'Xiyan you guys come back earlier, Uncle is treating us to dinner tonight, let's go out to eat...'

Shen Xiyan was about to speak when Lin Hao gently pulled her hand, so Shen Xiyan said to Shen Jiancheng, 'Uncle, I don't know what time I'll be doing business with Lin Hao, if it ends early, I'll come back early...'

When Shen Jiancheng saw Shen Xiyan say that, he could only nod with a smile, 'Well, you guys go ahead and get busy, if it's early, we'll go to dinner together, if it's late, we'll go another day...'

The company has been in the process of developing the new product for the past few years.

When Shen Xiyan left with Lin Hao, Shen Jiancheng continued to say to Wang Shufen, 'Shufen ah, just now the two children in, there are some words it is not good for me to say. It's true that the Shen family owes you guys for these two years, but there's a reason for that ah...'

134

'Oh? Brother you tell me what it is?'

'As soon as her father died, the Shen family took back our shares, and has even ignored us for the past two years, so there's a reason for that ah?'

Wang Shufen put down the teacup and said to Chen Jiancheng in a leisurely tone.

Shen Jiancheng looked bitter, 'Well, that's right, Shufen ah, think about it, Lin Hao is an outsider after all, and Lao San just died, it's normal for us to be a bit worried at that time, you and Xi Yan are women after all. What if this Lin Hao is plotting something bad...'

'Heh, so now you're not afraid of Lin Hao's plans?' Wang Shufen interrupted Shen Jiancheng's words with a cold smile.

'Err... Shen Jiancheng's face stiffened and he could only accost her with a smile, 'Shufen ah, isn't this day to day? This kid Lin Hao is also quite good, and he has taken good care of Xi Yan and you in the past two years.'

Shen Jiancheng paused and said to Wang Shufen, 'Shufen ah, what about the past, big brother apologized to you, but now the Shen family is really almost unable to hold on.'

'The company lost three projects some time ago, and we've just endured the pain to stop the losses these past few days. But who expected that the Xiao family has cut off all cooperation with us again.'

'I snooped around a lot and the news I got is that the Kyushu Group is targeting the Shen family, Shufen ah, I'm begging you to help me, let Xi Yan find Jiang Shao Ming...'

Wang Shufen squinted her eyes and slowly said, 'Brother, I'll be honest with you too, Xi Yan is just an employee of the Kyushu Group. How are you so sure that Xi Yan can help?'

Shen Jiancheng said squarely, 'Shufen you just don't joke, that time at Mom's birthday banquet, wasn't Jiang Shaoming sitting right next to Xi Yan?' First web site

m . kanshu8.net

Wang Shufen suddenly realized that it was so. Emotionally, Old Mrs. Shen and Shen Jiancheng are thinking that Xiyan and Jiang Shaoming have known each other for a long time.

But they are not clear, Wang Shufen is clear. The reason why Jiang Shao Ming was so good to Shen Xi Yan, and pulled Shen Xi Yan to the Jiuzhou Group to give a senior executive position. All of this was in exchange for Lin Hao using his saving grace to Jiang Shao Ming.

If the Shen family was looking for Jiang Shao Ming, Shen Suyan's words wouldn't work, only Lin Hao would find them!

It was one thing for Wang Shufen to understand, but how she told Shen Jiancheng was another.

She had absolutely no feelings for the Shen family.

And in the twenty years she had been in the Shen family, but she hadn't suffered from their anger!

The company's main business is to provide a wide range of products and services, including a full range of products and services, including a full range of products and services.

I've been thinking about this for a long time, and I've been thinking about this for a long time, and I've been thinking about this for a long time. I'm also a member of the Shen family, and now that the company is in trouble, can I see death and not help?

Wang Shufen's words were so heartfelt that Shen Jiancheng almost believed them.

The first thing you need to know is that you can't be sure that you're going to be able to get the right amount of money.

To be honest, this would make Shen Jiancheng's heart almost burst with anger. When did he, Shen Jiancheng, have to whisper to Wang Shufen, a shrew? Originally this matter didn't even need him to step in. But unfortunately his son Shen Yiming and niece Shen Ruoxue messed things up.

Seeing that the Shen company is about to go bankrupt and liquidate, he can only give up this old face to beg Wang Shufen!

Thinking of this Shen Jiancheng forced down the bad breath in his heart, sighed deeply and said to Wang Shufen: 'Shufen ah, brother once again on behalf of the Shen family apologized to your mother and daughter. This matter, but also please you must help help, with Xi Yan and Lin Hao to talk about ah, if you think that there is any need for any pointing, then directly with me ah, this money Shen family out!'

135

Wang Shufen took a deep look at Shen Jiancheng, and she understood the meaning of his last sentence. It was nothing more than a feeling that she wanted more.

In fact, Wang Shufen was really thinking this way, Lin Hao and Shen Xiyan had just remarried this morning, and now she also knew that the two children were broke. Since the Shen family was willing to pay for a house, why not take this opportunity to ask for a bigger one?

How one thinks is how one thinks, but the face-saving work still has to be done.

So Wang Shufen said, 'Alright big brother, then I'll talk to Lin Hao and Xi Yan properly, but I can't tell if I can help or not...'

Shen Jiancheng nodded and said, 'Well, thank you siblings, then, let's have dinner together tonight?'

Wang Shufen waved her hand, 'No big brother, now the company has a lot of things to do, you go busy, I'll talk to the children about this properly at night...'

'Alright, then Shufen will be all depending on you ah...' Shen Jiancheng nodded, thanked Wang Shufen again, and left....

Ten minutes after Shen Jiancheng left, Wang Shufen called Lin Hao and asked him to come back with Shen Xiyan to discuss....

In the living room, after Wang Shufen told Lin Hao what Shen Jiancheng meant to do, she stopped talking and let Lin Hao and Shen Xiyan make up their own minds.

In fact, with Lin Hao's mind, this kind of thing didn't even need to be thought about, he would just refuse to agree. But he still had to see what Shen Caiyan wanted.

Lin Hao opened his mouth and asked Shen Xi Yan, 'Xi Yan, what do you mean?'
Remember the URL .kanshu8.net

Shen Siyan frowned and said to Lin Hao, 'Lin Hao, I know you have a grudge against the Shen family, but they are all my family members after all, and I don't want to see the Shen family's company collapse, so help if you can... Of course, if there's a problem, forget it. We'll just do our best anyway...'

Lin Hao frowned deeply, the current situation of Shen's company was originally his order.

'Xi Yan, I'm friends with Jiang Shao Ming, if I step in, he should give some face. But do you really want to help the Shen family? What did they do to you all these years? Have you forgotten?' Lin Hao took a deep breath and asked Shen Xi Yan.

'Yes, Xi Yan, I mean the same as Lin Hao, the Shen family didn't treat you as a Shen family member at all, and your grandmother even forced you into marriage a few days ago...' said Wang Shufen in a nod.

Shen Xi Yan bitterly shook her head, 'Mom, Lin Hao, my dad has worked in the Shen family company all his life ah, I think he's in the ninth heaven, and I don't want to see the Shen family company gone after his death...'

Lin Hao sighed and finally nodded, 'Alright, then I'll go find Jiang Shao Ming tomorrow'.

'Lin Hao, thank you...' said Shen Siyan, who was holding Lin Hao's hand.

Lin Hao smiled and touched Shen Siyan's head and said, 'What's there to say thank you for between you and me'.

In the evening, Wang Shufen called Shen Jiancheng over, 'Big brother, I told Xiyan Lin Hao that we can help. But the set of houses in the city center, you have to give a set of large, company shares are also twenty percent'

.....

At ten o'clock in the evening, in the hall of the Shen family villa, Mrs. Shen listened to her eldest son Shen Jiancheng, her face black with anger, fiercely slapped the glass of water on the table: 'Humph, isn't that surname Wang too much! Does she really think that our Shen family can't live without them? Even if the house is too small for her, she still wants 20 percent of the shares! Even when Lao San was alive, it was only thirteen percent!'

Old Mrs. Shen was trembling with anger, and Shen Jiancheng also frowned. He felt that Wang Shufen was also overdoing it a bit. Even if Shen Siyan knew Jiang Shao Ming, whether or not she could get Jiang Shao Ming to stop targeting the Shen family was a different matter! That means you want such a high offer before things are even done!

'That's right, Mom we can't agree to this condition, although the house prices in Nanjiang City are not as high as the first-tier cities, but a 100 square meter house in the city center is over a million, plus a fifth of the company's shares, this is absolutely impossible!'

Shen Zhiyuan also pounded the table and stood up, strenuously objecting.

136

Old Mrs. Shen's eyes narrowed: 'Jiancheng, don't bring this up again! Even if my old lady sells the company, I won't let that surname Wang and that trash door-to-door son-in-law, these two outsiders get a single penny!'

Shen Jiancheng sighed deeply, he was the boss of the Shen family, and his son Shen Yiming was the future heir of the Shen family.

But he knew very well that if the Shen family's company was handed over to Shen Yiming, it would basically be over.

And now Shen Siyan and Lin Hao, both mixed into the Jiuzhou Group, and their positions were not low, they definitely had more say in a few years. So if you pull Shen Siyan back into the family now, you'll be able to provide more security for your son in the future.

But he didn't expect Wang Shufen to want too much, which has completely exceeded the bottom line in his and Mrs. Shen's heart. Not to mention that the Shen family was still Old Madam Shen's master now, even if he was the master himself, he would never accept Wang Shufen's conditions.

'Jiancheng, there's no need for you to step in on this matter anymore, let Zhiyuan call Wang Shufen!' Old Mrs. Shen said to Shen Jiancheng with a black face.

Shen Zhiyuan sneered and said to Shen Jiancheng, 'Oh big brother, I told you, we don't even need to beg that surnamed Wang, who does she think she is? Why do you have to degrade yourself, mom's face is all over the place!'

'You!' Shen Jianjian pointed at Shen Zhiyuan, unable to speak in half a sound.

Shen Zhiyuan didn't pay any attention to Shen Jiancheng anymore and directly picked up the phone and dialed Wang Shufen over, 'Wang Shufen, isn't your appetite too big? Who do you think you are? Shame on you! I give you a house because I think highly of you, but you really think you're vegetables? Oh, now that I'm not giving it away, you're just going to nest in that little house!'

.....

In the living room of Shen Siyan's house, Wang Shufen shivered with anger after hearing Shen Zhiyuan's words. Lin Hao and Shen Siyan also heard the commotion in the living room, so they came out in their pajamas. When they came out, they saw that Wang Shufen's face was very wrong. One Second Remember to Read the Book

'What's wrong with Mom?' Shen Siyan asked to Wang Shufen, confused.

Wang Shufen sat on the sofa in anger and hated the sound, 'Just now Shen Zhiyuan called and spoke particularly badly, saying that we don't need our help, the shares and the house are not given, saying that we can't afford to buy a house in the city center for the rest of our lives!'

When Wang Shufen finished speaking, she raised her head and said to Lin Hao, 'Hao'er, don't help them, let them fend for themselves. It's fine for the three of us to live in this small house, I really don't care for their Shen house!'

Lin Hao's eyes narrowed, and after thinking about it, he said to Wang Shufen, 'Okay mom, I'll listen to you. But don't you worry, we'll get our house...'

The next morning, Lin Hao walked into Jiang Shao Ming's office.

'Find me the best villa in Nanjiang City, and buy me a set now!' Lin Hao instructed Jiang Shao Ming.

Jiang Shao Ming went straight to do it after receiving the order, and with Lin Hao's assets, buying the best villa in the city center was also a matter of lightly giving it away. He had planned to buy a large house for Shen Xiyan as a wedding gift. He just didn't expect that he and Shen Xiyan would remarry so quickly.

A quick remarriage, so much so that many of the things Lin Hao had prepared for Shen Xiyan hadn't materialized.

And the other thing was that Shen Shyan was now working especially hard to struggle with Lin Hao. She didn't even know how rich Lin Hao really was.

Lin Hao, who was standing by the window looking at the scenery below, couldn't help but say with emotion, 'Ah, Xi Yan, your husband is really rich. Really rich ah...'

All morning, Lin Hao sat in Jiang Shao Ming's office, looking at the pictures that Jiang Shao Ming had sent over of the villa in Nanjiang City.

137

There were only two of the best villa areas in Nanjiang City, one of which was the Tianhe Villa where Jiang Shao Ming was, and the other was the Purple Bamboo Villa.

The villas within the Tianhe Villa were occupied by the business tycoons of Nanjiang City and had a strong commercial atmosphere. The Purple Bamboo Villa has a more natural living atmosphere, but the living environment is better than the Tianhe Villa. The villa group of the Purple Bamboo Villa is filled with purple bamboo everywhere inside, frequently near the South River, and the scenery is particularly beautiful.

Lin Hao immediately fell in love with the Purple Bamboo Villa, let Jiang Shao Ming set a set of the best location, half an hour later Jiang Shao Ming called Lin Hao, said the villa has been selected, finely decorated, straightforward to live in, no need to wait. The key was placed in the sales office. Lin Hao said okay, and that he would go over to take a look in the afternoon.

Jiang Shao Ming has been with him for many years, and Lin Hao is very relieved that he is doing things. Lin Hao just thought that after lunch, he would just go over there in the afternoon. The entire company was his anyway, and he didn't have to go to work.

As soon as he finished chatting with Jiang Shao Ming, Lin Hao received a call from Shen Xiyan. She had a good friend who wanted to meet Lin Hao.

At noon, Lin Hao drove to a restaurant near Shen Xiyan's company. On the way, Lin Hao still wondered who Shen Xiyan said her good friend was, Lin Hao had guessed if it was Wang Weiwei or Chen Jie.

But when he had just returned to Nanjiang, Lin Hao had looked for these two girls. After all, Wang Weiwei and Chen Jie, they used to start a business together with Shen Xiyan, but Lin Hao made a call to Wang Weiwei only to find out that Wang Weiwei and Chen Jie weren't in Nanjiang. After Shen Suyan's company was sold, they all took the money and went out to play and only came back at the end of the year.

So now Shen Siyan told Lin Hao that she had a good friend who wanted to see him, Lin Hao didn't know who it was, after all, in Lin Hao's impression, Shen Siyan's good friend in Nanjiang was just Wang Weiwei and Chen Jie.

Thinking about it, Lin Hao pushed the door into the private room address that Shen Siyan had sent him. When you go in, you see a long-haired beauty wearing a long red dress sitting next to Shen Siyan, the woman's skin is very white, and her face has a charming look, it's the kind of woman who can move the heart with every scowl and smile!

Lin Hao was sizing up the woman, the beauty was also carefully sizing up Lin Hao, just looking at it, the beauty had a hint of a smile in her eyes, and nodded her head at Lin Hao vehemently.

Shen Xi Yan quickly introduced Lin Hao, 'Lin Hao, let me introduce you, this is Yue Gu, she's my good lady friend. You and her have actually met before, but you just didn't speak at that time.' The first website m.kanshu8.net

Yue Gu was very generous and stretched out her red nail dyed hand to Lin Hao and said, 'Hello, handsome man, I'm Yue Gu.'

Lin Hao didn't expect Yue Gu to be so generous, so he reached out and shook Yue Gu's hand gently and said, 'Miss Gu is so beautiful...'

Yue Gu smiled, 'Thanks, you're handsome too...53f0eb05'

Shen Siyan took Gu Yue's arm and said to Lin Hao, 'Lin Hao, are there any single good men around you, introduce one to Gu Yue, she's always single.'

Lin Hao smiled and said, 'Is that okay with Jiang Shao Ming? Successful in business and not bad looking, just almost better than me...' there was a reason why Lin Hao introduced Jiang Shao Ming to Yue Gu. He only observed Yue Gu a little and realized that Yue Gu wasn't an ordinary woman, the clothes on Yue Gu's body would be over a hundred thousand, and she had a natural aura about her. This kind of temperament couldn't be cultivated by any ordinary small family, and Yue Gu had a much better temperament than Shen Ruoxue.

Pfft... As soon as Lin Hao finished speaking, both Shen Ruyue and Gu Yue covered their mouths and laughed out. They both rolled their eyes at Lin Hao at the same time, saying that Lin Hao was a little too narcissistic.

Shen Suyan said to Yue Gu, 'Hey not to mention, Jiang Shao Ming is still okay, and he's a nice guy, Yue Yue do you want to consider it?'

138

Yue Gu smiled at Shen Xi Yan and shook her head, 'No, Jiang Shao Ming is not my type.'

Shen Siyan then asked, 'Then what type do you like ah...'

Yue Gu shook her head, 'I don't know the specifics, it's mainly a matter of feeling. I'm starving, I'm starving, I'm starving. Hehehe...'

As soon as Shen Xi Yan heard this, she pretended to be pitiful and said, 'Yue Yue ah, my husband just went to work, how can I have any money ah, don't you have a membership card here? Swipe your card, good Yue Yue, Yue Yue is the best...'

Yue Gu that speechless ah, fiercely white Shen Xiyan a glance Road: 'your husband is very rich ah, you still pit me, you are really, see lust forget righteousness ah.'

Lin Hao quickly smiled and waved his hand, 'I don't have any money, don't wrong me, fellow student Yue Gu.I'm here today to scrounge for food ah...'

Actually, Lin Hao was just joking, it was just a meal, it wasn't much money.

Yue Gu smiled and looked deeply at Lin Hao, 'Handsome brother Lin is too modest, just the clothes you're wearing, if I'm not mistaken, it's very expensive, right?' Yue Gu stared at the suit on Lin Hao's body and said in a leisurely tone.

Lin Hao's eyes narrowed, more sure of what he was thinking.This Yue Gu was not simple ah, it seemed that he still knew little about the big shots in Nanjiang City, the clothes Lin Hao was wearing were hand-made custom-made in Italy, the set he was wearing today counted for millions, but he didn't expect to be seen by Yue Gu at a glance.

When Lin Hao saw that Shen Xiyan actually looked over at him as well, he quickly smiled and said, 'I bought these clothes from a street stall, there's not even a brand name, they're very cheap.'

'Oh, did you buy it from a street stall?' Yue Gu leisurely, her face still smiling, but her eyes were simply not convinced. Remember the website . kanshu8 . net

Lin Hao had a headache, but this time he could only die without admitting it. Luckily, without Lin Hao saying anything else, Shen Xiyan gave him a perfect diversion and dragged Yue Gu to talk about something else.

This meal was the one that Shen Siyan introduced Lin Hao to Gu Yue.It was because Lin Hao was going to do business outside after all, and Yue Gu's family was very, very rich.Yue Gu's family was in real estate, and a few years ago, the Gu family moved out of Nanjiang City to go abroad, but Nanjiang City still had a lot of high-end businesses of the Gu family.

After Lin Hao got to know Yue Gu, the two of them could also cooperate more in the future.Now Shen Shi Yan that was devoted to Lin Hao.

After finishing their meal, the three of them walked to the entrance of the hotel, then Lin Hao saw Yue Gu driving away in a bright red Ferrari supercar.

Lin Hao lit a cigarette couldn't help but lament: 'Xi Yan, this lady friend of yours is really rich ah... No wonder just at the table, you all kinds of let her take care of me, there are projects with me more cooperation ah....'

Shen Xiyan nodded, 'Well, that's right. Not only is Yue Gu's family rich, but her personal abilities are also superb. It's just that she fell in love once when she was in high school, and the guy was a gangster who seemed to have been killed. She never fell in love again when she was sad... If there's someone suitable around you, introduce her to him...'

Lin Hao smiled bitterly and shook his head, 'I'm afraid this lady friend of yours, she's not good enough for ordinary men...'

After Lin Hao chatted with Shen Siyan again, Shen Siyan went back to work. Lin Hao, on the other hand, drove to the Purple Bamboo Villa to look at the villa Jiang Shaoming had chosen for him, and then moved there with Shen Suyan in two days....

But what Lin Hao never expected was that he would run into Yue Gu again right after he arrived at the Purple Bamboo Villa....

The Purple Bamboo Villa was located in the northern section of downtown Nanjiang, and there were six security guards standing straight at the gate of the Purple Bamboo Villa, and with Lin Hao's eyesight, he immediately recognized that these people were actually retired special forces soldiers. Seeing this couldn't help but sigh inwardly at the luxury of this Purple Bamboo Buffer. To think about it, after all, a set of villas here is at least 10 to 20 million.

After Lin Hao entered the door, he went to the sales office, only as soon as Lin Hao entered the sales office, he met Yue Gu who was sitting in the lobby of the sales office. Lin Hao was shocked, it wasn't even a short while ago that he was separated from Yue Gu, right?

Lin Hao was shocked, and Yue Gu wasn't much better, her sexy little mouth was wide open. But then a smile appeared on Yue Gu's face as she looked at Lin Hao with a smile on her face and said, 'Handsome brother Lin, don't tell me that you came in for a casual spin, oh?'

Lin Hao looked surprised, 'How do you know? Jeez, you'd have guessed it all, I just came in for a quick wander around, check out the high prices here and give myself something to strive for! Well that's it!'

Yue Gu was speechless and fiercely rolled her eyes, walked to the front desk of the sales office and took a contract and tossed it to Lin Hao. Lin Hao opened the contract for no reason and read it, hmm, then he saw the name of the head of the household, Lin Hao.

Yue Gu was speechless, 'Don't tell me that the house we sold to Jiang Shao Ming this morning, he wrote this Lin Hao, not you ah... Why don't I call Xi Yan right now and let her see how rich his husband is ah?'

Lin Hao saw that he couldn't pretend anymore, so he quickly waved his hand and said, 'Don't don't don't don't, can't I admit it, well this Lin Hao on this house is me. By the way, why are you here?'

Yue Gu smiled and said, 'Of course I'm here, because I'm the one who did this project, huh?'

'Big Brother Bull! Lin Hao couldn't help but feel sad. He knew that Yue Gu was rich, but he didn't expect Yue Gu to be so rich. Lin Hao only figured out a little bit now, when Shen Xiyan's company was in trouble in the past, why didn't he look for Yue Gu. I'm afraid it was because he didn't want to ruin his relationship with Yue Gu. Sometimes it's hard to say what happens between women.

Yue Gu looked deeply at Lin Hao and stared into Lin Hao's eyes and said, 'I told Xi Yan long ago that you are definitely not an ordinary person, you and I are the same kind of people, how long are you going to hide it?'

Lin Hao said very seriously, 'I don't know what you're talking about, I'm friends with Jiang Shao Ming, I saved him before. It's understandable that he gave me a house, right? If I hadn't saved him back then, where would he have gotten the Kyushu Group.' A second to remember to read the book

'Che... Yue Gu looked disbelieving, 'It's fine that you're lying to that silly girl Xi Yan, the few people at the top of Nanjiang City who don't know that there's someone behind Jiang Shao Ming, Jiang Shao Ming is very capable. But if it's just Jiang Shao Ming who wants to develop the Kyushu Group into a Fortune 500 company, he's still far from it. Handsome Brother Lin, the person behind Jiang Shao Ming, it can't be you, right?'

Lin Hao was stunned, secretly saying that this woman was really smart. But he still smiled and said, 'Great beauty Gu or don't guess blindly, how good is it that you have this time to talk about a boyfriend? But it's good that you're here, I'm going to ask Xi Yan to move here tomorrow, so you can get together more often than'

At that moment, someone beside him called out to Yue Gu, Yue Gu answered and said to Lin Hao, 'Sit here for a while, I'll take the key and go with you to check out your house.'

Lin Hao nodded, 'Okay, you go ahead and get busy, I'll take a look at your `d5b1afc3` sandbox here...'

After Yue Gu left, Lin Hao walked over to the sandbox and looked at the plan of the Purple Bamboo Villa. There were over a hundred villas here, each with a small courtyard, with a lot of space and a great view.

While Lin Hao was looking at it, two more men in suits came in at the entrance, and listening to their conversation they also came here to look at the houses.

'It seems that Mr. Zhang is making money this year, he can come here to buy a house, the villa here is the best villa in Nanjiang City. The cheapest one costs 10 to 20 million yuan, and the best one costs 30 to 40 million. Don't forget me when Mr. Zhang gets rich...' a man said to the bald man in front of him.

Originally Lin Hao still didn't care, but he felt that the voice sounded familiar and turned his head to see that it was indeed Shen Zhiyuan.

Lin Hao was really speechless in his heart, last night this Shen Zhiyuan had just called and scolded Wang Shufen, saying that Wang Shufen would never be able to afford a house in her life. But today, Lin Hao had just bought a house, and he ran into this Shen Zhiyuan.

And looking at this situation, this Shen Zhiyuan is like a dog following the bald man in front.

Lin Hao saw Shen Zhiyuan, and Shen Zhiyuan also saw Lin Hao. The moment Shen Zhiyuan saw Lin Hao, he thought that he was blind, what kind of place was this? This is the Purple Bamboo Villa! How could this loser Lin Hao be here? If you want to say that Lin Hao is here to buy a house, then Shen Zhiyuan doesn't believe it a hundred times.

The first time I saw it, I thought it was a good idea to take a look at Lin Hao, but it was not a good idea. It's not a waste anymore.

But how could Shen Zhiyuan go and apologize to Lin Hao? Especially since this piece of shit beat up his daughter Shen Ruo Xue! It would be strange if he could give Lin Hao a good look!

In the past few days, Shen Zhiyuan was looking for an opportunity to teach Lin Hao a lesson, but he didn't expect to run into it here today. So Shen Zhiyuan walked directly nose-to-nose to Lin Hao and shouted coldly at him, 'Why are you here? Is this where you're supposed to be? What a disgrace to our Shen family, get out of here!'

When Shen Zhiyuan scolded him like that, the man beside him became confused and gave Lin Hao a confused glance, then asked Shen Zhiyuan, 'Mr. Shen, who is this?'

Shen Zhiyuan was all apologetic in front of this General Manager Zhang and bowed and said, 'Sorry, General Manager Zhang, I've made you laugh, this person is a door-to-door son-in-law of our Shen family, he's just a piece of trash, he's not staying at home and coming out to make a fool of himself! I'm so sorry to have made you laugh...'

Shen Zhiyuan's words and gestures were heartbreaking. He belittled Lin Hao in public, and then he acted like an elder, stating the misfortune of his family. This performance really amused Lin Hao.

Lin Hao didn't even bother to pay attention to Shen Zhiyuan's performance, so he let the idiot act alone. So Lin Hao continued to look at the sandbox, whether it is Shen Zhiyuan or his side of the Zhang, Lin Hao did not take care of.

The first thing you need to do is to take a look at the company's website. Get out of here! You're a piece of shit, a disgrace! You give it to me quickly...'

Boom... Before Shen Zhiyuan could finish, Lin Hao turned around and smacked Shen Zhiyuan in the face with a big slap. This time, Lin Hao was using force, and all of a sudden, Shen Zhiyuan was smacked backwards. Two of his teeth fell out.

Originally, Lin Hao didn't even want to take care of this idiot, but Nay, this idiot made a strong effort to come to his side, and there was no end to it. What he said was also really hard to hear. Not to mention this idiot Shen Zhiyuan, even if it was a beautiful girl like Shen Ruoxue, Lin Hao would not miss a beat.

With this from Lin Hao, the hall directly quieted down. Everyone looked at the scene in front of them in shock.

‘You you you... you dare to hit me?’ Shen Zhiyuan fell to the ground and covered his face, staring at Lin Hao incredulously.

Lin Hao said indifferently, ‘Just hit you so what? I’ll beat you if you dare to compare again. Hmm?’

Shen Zhiyuan looked at the two teeth on the ground that were knocked out by Lin Hao and felt the sharp pain on his face. This time he faced Lin Hao, he really didn’t dare to say anything else and quickly shut up not to be strict.

But this happened inside, a few retired special forces security guards at the door, directly rushed in. And the first time, they surrounded Lin Hao and Shen Zhiyuan. As soon as Shen Zhiyuan saw the security guards of the Purple Bamboo Buffer House rushing in, he got a heartbeat. The security guards of the Purple Bamboo Villa were all retired special veterans, and he knew about this.

Shen Zhiyuan lay on the ground and said to the four security guards, ‘That’s him, he just hit me, you guys hurry up and blow him out! Or I’m going to sue you!’
