

# Super Son-in-law Chapter 1561-1570

## Chapter 1561

‘Humph!’ Gu Nansheng sniffed and snorted coldly, this Zhong Baiming was too articulate, saying the words to death already and humbling his posture, making him a lot less ready to lash out, but that didn’t mean that this matter would just go away!

He’s not the final word, it’s up to Lin Hao to handle it, he’s just preventing these things from happening by accident .....

‘Zhong Baiming, this matter depends on how severely you punish, I Gu Nansheng is not the final word, Lin Hao Mr. Lin is waiting for Shen Xiyan, but your son is good, with a group of rich second generation, driving a sports car to block her!’ After Gu Nansheng spoke, he directly hung up the phone.

The driver dialed the Qian family’s number again.

The driver’s whole body also shook, it really was Lin Hao who had returned!

It’s over, it’s over!

The Qian family and the Zhong family are definitely finished!

The Qian family and the Zhong family are definitely finished! Haha, but they deserve what they get, how dare they bring people to block Shen Xi Yan's car, not afraid of death?

Maybe not, but even if they weren't, they still deserve it now .....

Zhong Baiming was so angry at his words that his body trembled and he almost fainted .....

The collapse of the Wang family was before, just a short time ago, because of Wang Ming's bullying. He had come into contact with Wang Ming, an incomparably intelligent man, a smart man who could have advanced to a third-rate family, but then, having offended Lin Hao and Jun Wu Ren, of course the offense wasn't too deadly, it was just a misspoken word, but that damned bastard of his own family had outright offended Lin Hao's wife!

So, wouldn't that be the end of the Zhong family?

It was so hard to wait for such a great opportunity to be ruined by a wild bastard? The only way to get rid of it is to have a bastard?

He, he is not my seed, nor is he a wild seed, he is someone else's cuckold for me .....

Zhong Baiming first thought is to clear the relationship, then legs shaking towards the outside, he wants to rush before Gu Nansheng to Shen Xiyan kowtow to admit his mistake and ask for forgiveness .....

As for Zhong Bin, what exactly his future will be, that is his business, of course if it is possible, he is willing to solve it himself .....

Zhong Baiming couldn't finish his attire, his whole body was soaked through towards the outside, the whole top office, countless professional managers looked at Zhong Baiming, also stared at him with wide eyes and disbelief, he was soaked through?

What is this?

What's going on here?

What had happened?

How could he be soaked to the skin?

How could he be soaked to the skin?

'What's going on here, Chief Zhong?' Someone asked in a cross-eyed voice.

The crowd shook their heads, ‘Who knows, it must be something big.’

‘This, we are doing so well with Zhong’s chicken stealing, what else could be so scary for General Manager Zhong?’

‘Yes, yes, nowadays in Tianhai, there are not many people who can steadily overpower us, who can make us so afraid of General Manager Zhong?’

‘Who knows, won’t we have the answer if we wait a little longer?’

‘That’s true, how to guess again, think out of your head to guess, but can not guess .....’

.....

The phone call with the money family was made.

A building with a market value of three hundred billion in the downtown area, Qian Mu looked ahead quietly, shaking his wine with one hand, overlooking the distance, ‘This Tianhai, I can’t imagine it’s finally my turn to be the head, hey, think about so many years of playing cards, so many years of holding back, finally it’s the end, going forward, I’m not the one who can ride on the head if he wants to!’

He remembered the fight back then, a reckless breath, crossed the Huangpu River, stable development in the Gou won't win, but more stable and steady, and finally rise.

Chapter 1562

‘DING RING RING~~~‘

The landline rang.

Qian Mu did not rush to pick it up, but looked carefully into the distance, and finally leisurely withdrew his eyes, but still did not pick it up, but took a sip of red wine and tasted it carefully, before moving to it.

‘Today there are many people looking for me, but what's the use? I am no longer the Qian Mu of those days, so whoever is looking for me will wait for me!’ The last sentence, above Qian Mu's originally calm demeanor, revealed a fierce and ruthless energy.

Gu Nansheng frowned, ringing for so long, the other party did not answer the phone, to know that this is not a break time, and call the president's office phone, even if Qian Mu is not in, then certainly other assistants will also be in .....

Could it be that the Qian family has just risen to prominence and is gone?

‘Hey, who is it?’ The phone rang through, not waiting for Gu Nansheng to ask in a domineering manner, the other party’s icy voice came.

Very arrogant well .....

Gu Nansheng whispered.

The driver was shocked, this Qian family is too arrogant, right?

The second-rate family is so domineering?

If you’re going to be a first-class family, won’t you be able to take no one into account?

This is the rhythm of death, right?

Gu Nansheng moistened his throat and said in a low voice, ‘It’s me.’

‘Oh? Who is it?’ Qian Mu deliberately puzzled? 依闲染伍意珊意遮? said.

Gu Nansheng smiled, the eyes that originally contained anger, instantly bloomed, a wave of anger emanated out, the whole car suddenly cold, 'I, Gu Nansheng!' He said in one word.

Qian Mu lost his voice for a second before he said with a slight surprise, 'Ah, it's the Gu family master, why are you calling my company, I'm really sorry to welcome you.'

The first time I heard this, I wanted to vomit, but the corners of my mouth showed coldness, this Qian family seems to be not a good stubble, it seems that it will not be easy to deal with, but such a family, one less is one, after all, disobedient family, it is useless to want, and not really rise so arrogant, in the future, if really rise, will not everyone not put in the eyes?

Gu Nansheng did not give him time for disgusting pleasantries, but said icily, 'Mr. Qian, do you know what your own son is doing?'

Qian Mu heard Gu Nansheng's words, a time directly into silence, he perfunctory Gu Nansheng, that is because he does not think much of Gu Nansheng, the previous Gu family is only a second or third-rate family, compared to their present-day Qian family, is not much, only their Gu family luck, hooked up with Lin Hao's big ship, so began a smooth sailing, but well, the bottom is not very full .....

But to say that they don't fear the Gu family, that's not saying much, after all, they still have to look at Lin Hao's face.

‘I don’t know where my son has offended the Gu family, I’ll make amends on his behalf and apologize, after all he’s still a child, so don’t take it too much to heart, Mr. Gu. I will teach him a lesson myself, Mr Gu, the cooperation on the pier, I was just about to talk to you, why don’t we talk now?’ Qian Mu said with a smile, deliberately lowering his stature by a hair, smiling as he spoke, not taking Qian Liang’s matter to heart at all, offending Gu Nansheng? He had already apologized personally, what more did he want?

Gu Nansheng smiled at his words and coldly returned, ‘I see no need for that.’

The money family did give me a chance, but you didn’t take it, so eat your own fruit!

‘What the hell!’ Inside the president’s office on the top floor of the Qian Group building, Qian Mu violently slammed the phone directly and roared.

‘Relying on Lin Hao really thinks you’re a figurehead? There’s no need for that yet? A man of several dozen years old, having a problem with a child? You’ve been living like a dog! If it wasn’t for Lin Hao, wouldn’t I have broken up with you a bit? You’re not going to eat all the profits at the pier by yourself? I’ll bite you sooner or later. Sooner or later, I’ll have to bite off two pieces of meat!’

## Super Son-in-law Chapter 1563-1564

### Chapter 1563

Qian Mu roared a few times before slowly regaining his composure, this matter could not be dismissed as not having happened, Gu Nansheng was angry and dared to hang up his phone, he would not dare to pretend he did not know, offending Gu Nansheng was a small matter, but offending Lin Hao would be a big matter.

The assistant was shivering outside the door, when she saw Qian Mu beckoning at her, she hurriedly ran up in small steps, her voice a little scared as she asked, 'Mr. Qian, you're looking for me?'

She was hearing something smashed in the office and sniffing around, but then stood at the door and heard Mr. Gu's rant, angry, not daring to overstep too much, so she stood at the office door and waited.

'Go ask Xiao Qian what he's doing, this kid somehow offended the Gu family, if things are big, let him go apologize, if things are small, give me drag! I can swallow the anger of old Gu, but if it's a small matter, I can't swallow it!' Qian Mu instructed.

The assistant nodded at his words and immediately started making calls.

The phone of Qian Liang rang in a short time, and when he saw that it was the beautiful assistant of the old man, he hastily picked up, he had a good relationship with this beautiful assistant, and often sent her back to the kind of.

'Sister Song, you're looking for me?' Qian Liang said with a heated smile.

The tone of his voice was ambiguous.

Assistant Song smiled, blushed and turned her head away, coughing and asking, 'Little Mr. Qian, Mr. Qian asked you what you were doing? Did you offend any Gu family members?'

Qian Liang also froze for a second at his words, then glanced around in confusion, shook his head and replied, 'I didn't offend the Gu family, did I? I was racing after Zhong Bin, no, I wouldn't be racing and be seen by the Gu family, and then they Gu family would just snap a shit for offending the Gu family, that's too overbearing, tell my dad that I was just racing, or else you can give him your phone and let him hear the wind howling!'

Assistant Song smiled and hurriedly handed the phone to Qian Mu, not forgetting to say, 'Mr. Qian, Mr. Xiao Qian said he didn't offend the Gu family and is now racing ..... he asked me to give you a listen if he was racing.'

Qian Mu picked up the phone and heard what did come from inside? Closed er steak serving dye steak whisk woo? is the sound of the wind whistling, is racing no doubt, but still handed the phone to his assistant and instructed, 'Tell him to race the car, be careful yourself.'

Song assistant smiled at the words, this pair of father and son, the relationship is not too good, obviously can say the words of concern themselves, but still need her to convey .....

Assistant Song smiled at the words, this pair of father and son, the relationship is not too good, obviously can say the words of concern themselves, but still need her to convey .....

The assistant followed her phone as well as ambiguity out of the president's office, Qian Mu's mouth showed a cold smile and said faintly: 'Is this the legendary suppression? Is the Gu family now also afraid of us second-rate families? But when you think about it, it's true, after all, the innate clan masters used to be invisible to everyone, but nowadays, they are everywhere! Any family backed by a clan will be able to rise in this great world! How can the Zhong family, a world that isn't glued to a lineage, survive?'

If Gu Nansheng was there he would surely know that it turned out that this Qian Mu got his backing from the clan side, he might have remembered what Lin Hao had said earlier, that the only thing that would happen to a martial world that gets involved in the secular world was death! Of course Lin Hao had only mentioned it to a few people, most people didn't know about it .....

'I can't imagine that there's someone on this car who knows someone from the Gu family, I can't imagine that ah, this Tianhai still has crouching tigers hiding dragons?'

#### Chapter 1564

Qian Liang smiled faintly and said with his head bowed, then looked over towards Night One's car, nowadays, he is more and more reckless, his old man has given his word, then there is even less to fear .....

The first thing you need to do is to get your own Lamborghini, at this time, his phone rang, look, it was his father's, Zhong Bin immediately sat up straight, then also some panic, his father usually do not call him, when he called must be something .....

'Dad.'

Qian Liang watched Zhong Bin's speed drop, the corners of his mouth raised, said contemptuously: 'This Zhong family is really worried, can't hear a hint of wind, look at how scared Zhong Bin is .....

Zhong Baiming shouted in a deep voice: 'Do you know whose car you are chasing?'

'Whose, whose car?' Zhong Bin was so scared that he looked up at the car that had driven a long way ahead and stammered.

'Lin Hao's wife's car, do you know who Lin Hao's wife is?' Zhong Baiming's icy cold voice replied, a coldness that chilled Zhong Bin's entire body, not a trace of warmth .....

He actually chased Lin Hao's wife's car again, and also pressed them closely, this ..... this is finished .....

This is going to die .....

'Dad, dad, you save me!' Zhong Bin shouted repeatedly, his heart penetrating cold, a coldness irrigated his whole body, as if he was enveloped by death, he was finished, this life is finished, even if Zhong Baiming can save him, he is also finished, his father is what character, he himself knows in his heart, these years he lived carefully, the rise of the Zhong family, he also played a lower profile than others, once there is something, immediately retreat, even if the other party is a third-rate family, Zhong Bin

is also covered and did not dare to start with the other side, is because his father is too ruthless .....

‘I save you? Do you want the huge Zhong family to pay for your burial? Want to live, think of your own way, Gu Nansheng is on his way to catch up with you, if you have the chance to catch up with Gu Nansheng, or go down to Shen Xiyan’s heel and beg for mercy, so that she spares your life, maybe you still have a chance to live, if you can’t find it, then sorry, even if they didn’t say execute you, you know what I will do .....

‘Zhong Baiming said icily, as if he was saying again that Zhong Bin was not his son.

Zhong Bin smiled and immediately hung up the phone, hitting double flashes at the caravan behind him, signaling them to stop.

When the nearly hundred luxury cars saw Zhong Bin’s tail lights, they also hesitated for a moment, but eventually stopped chasing.

Qian Liang watched the scene through the rear-view mirror and was a little annoyed, this Zhong Bin was too afraid of the Lin family!

Only the next moment, he saw Zhong Bin driving towards him desperately!

And the speed was getting faster and faster!

Qian Liang shouted, ‘Zhong Bin, stop! You’re sick! You’re going to kill someone!’

The woman in his passenger seat screamed in fear: ‘Qianliang, I’m afraid~ I’m afraid~ ah .....’

How could Qian Liang himself ever be afraid, he couldn’t imagine at all that this Zhong Bin would actually crash towards him after calling a halt to the convoy!

Shen Xiyan was also bewildered to pull down the car window, so she saw such a scene, but Wang Shufen immediately covered Shen Xiyan’s eyes and whispered in her ear, ‘Xiyan, looking at this affects the child, you look less.’

Shen Xiyan nodded slightly, although she did not want to look too much, but if she could see, she would also look twice, now Wang Shufen did not let her look, so she saved herself the struggle .....

Wang Shufen is also shocked, the corners of her mouth? The ground Wu Pao Shan Lu Serving Shan closed? are not forgetting to twitch, so crazy move, to be honest truly invisible.

## **Super Son-in-law Chapter 1565-1566**

### Chapter 1565

Luckily the car wasn’t coming towards them in a frenzy, but Wang Shufen had also seen how terrifying the thing of fame is above the chassis of her own family .....

The company's reputation has made them so fearful, and if Lin Hao had come in person, it would still be possible.

But Wang Shufen thought about it again, how can you use a slaughtering knife to kill a chicken ?

It's not worth it .....

'Zhong Bin!' Qian Liang shouted like crazy.

The two of them had been talking and laughing before, but now they were even threatening to die, which made Qian Liang was completely unable to understand.

'Brother Zhong! Brother Zhong! If I, Qian Liang, have done anything wrong, please forgive me, I am here to apologise to you!' Qian Liang frantically stepped on the accelerator and blasted out towards the front, the rear view mirror was being turned upside down and it was impossible to see the exact shadow of the car clearly, but one could vaguely see that the crazy car, with its strong aura of death, hated to run people over directly .....

The only way to stay alive is to do so, they are all sports cars, at most, they are ruined or have broken ribs, but 60 percent are not going to kill people, as long as they do not die and are injured, then by selling misery, they can survive, as long as Lin Hao's wife is not too angry, he will have a chance to live!

This was his greatest belief today!

And originally he had slowed down, but Qian Liang did not, and was still in the midst of a frantic acceleration, which means that even though Qian Liang knew the news, he was not afraid, or perhaps their Qian family was so domineering that they felt it did not matter .....

The first thing you need to do is to get a good idea of what you're getting into, but you can be sure that the family doesn't know that the woman in the car is Shen Xi Yan.

He hit Qianliang to show his loyalty .....

'Bang!'

The two 180 mph cars rear-ended each other and instantly the cars blew up, the Rolls-Royce Phantom rolled in the air and eventually landed, smashing the parts of the car on the ground, while flames shot out everywhere.

The Lamborghini behind was also tumbling wildly on the ground ..... the Lamborghini behind was also tumbling wildly on the ground .....

The sky is full of flowers and fire, sprinkled on top of the main street, later vehicles have stopped, Shen Xiyan walked down from the car, looking at the scene in front of her, there is no sudden impact, the picture in front of her is a visual shock, and did not give her a variety of shock in the mind, so there is no sense of impact.

Shen Xiyan Jing looked at the scene in front of her, her heart was a little anxious, one is worried about the casualties, the other is afraid that Lin Hao waited too anxiously, she had waited for Lin Hao and knew that feeling.

Passers-by got out of their cars and looked ahead incredulously. The rich kids who stopped at the back rushed up on foot, and when they saw Shen Xiyan, some of them were even drooling with amazement.

It was as if the chaotic world came down to save the world? I zero Wu closed the ground to whisk er steak? A fairy, beautiful beyond compare, too beautiful, a beauty that strikes straight to the heart.

The back of the people do not know why this scene will suddenly happen in front, but when see Shen Xiyan's face value, people have nodded, think with Shen Xiyan such a beautiful, attracted to their big fight absolutely justified, is such an ending, let some people can not accept, after all, too scary, if not a sports car, directly to the car destroyed .....

Chapter 1566

Gu Nansheng is finally arrived, greedily looking at Shen Xiyan beautiful rich second generation see Gu Nansheng, instantly scared backward back, this beauty and Gu Nansheng have a relationship?

Gu Nansheng looked at the scene in front of him, eyelids distance trembling, this .....

This is a car accident ah ?

The good thing is that Shen Xiyan is intact, otherwise I really don't know how to explain to Lin Hao .....

'Xiyan, are you all right.' Gu Nansheng said in a state of shock.

Shen Xiyan nodded gently, 'We're all fine, it's them who suddenly crashed the car for some reason, and I don't know how they are.'

Wang Shufen grunted, 'It's better to be dead, racing on the road, isn't it harmful to people?'

Shen Xiyan gave Wang Shufen a white glance, her mother's words were not bad, but a little too blunt and cold-blooded .....

The actual fact is that you can find a lot of people who are not able to get a good deal on the subject.

The first thing you need to do is to get to know the people you're talking to.

Night One also called out, and after scanning around, he saw the bodies of three people still writhing in the distance.

Turning to Gu Nansheng, he said, 'Dad, ask someone to lift them up, look at the vital signs, they are not dead, it is better to lift them out first, Madam does not want to see such a picture, it is not good for the young master or the young lady.'

Gu Nansheng also patted his head, yes, Shen Xiyan? Yiwu grasping Lu Jiefu Jiefu? Pregnant yet, if someone dies in front of a pregnant woman, it is indeed unlucky.

Gu Nansheng shouted for someone to carry the three over.

Qian Liang's was faint and his head was bleeding, but it was evident that the situation was not too bad.

Zhong Bin is also similar, although his face is full of blood and his arm is dislocated to show white, but still people are not crushingly injured, it is good that the car only hit, and did not explode after the impact, otherwise several people would have to die.

Zhong Bin's faintly conscious mouth said, 'Miss Shen, please, let me go, I don't know which beauty is you .....

‘I just took a look at you and thought you were pretty, I didn’t think anything else .....

‘Miss Shen, please .....

‘Please don’t ask someone to get me killed, and please try me, give me any charge, don’t ever not give me a charge .....

‘Or I will die .....

‘I know I’m wrong .....

Zhong Bin looked like he was in a nightmare, his mouth weakly kept shouting words of pleading for mercy .....

Shen Xiyan frowned, she looked at Shen Xiyan, waiting for Shen Xiyan to say something, Wang Shufen was not good enough to say, ‘If not for seeing Xiyan pregnant can not see blood, the crime is unforgivable!’

Shen Xiyan was silent for a few seconds and said, ‘Let’s save him first and talk about the future later.’

At this time, Zhong Baiming also came along, hurriedly peeled away the crowd, and then in the eyes of countless rich car owners, poofed and knelt directly in front of Shen Xi Yan.

Shen Xiyan was startled, fixed her eyes to see, this is not Zhong Baiming, the president of the Zhong Group, is considered a figurehead, how suddenly directly kneeled in front of himself, kinda scary.

‘Mr. Zhong, you are .....’ Shen Xiyan stretched out her hand to help Zhong Baiming.

The crowd saw this scene and fiercely stared in utter disbelief.

Whispers began among the crowd, ‘Who is that man kneeling down?’

‘I heard it was Zhong Baiming? The president of the Zhong Group!’

‘Hiss! No way, the one who founded the Zhong Group, Zhong Baiming, why is he kneeling in front of that beautiful woman, and looking like he’s begging for forgiveness! What exactly is the identity of that stunning beauty?’

## **Super Son-in-law Chapter 1567-1568**

Chapter 1567

‘If you ask me I’ll ask who, in all my years of living I’ve never seen such a beautiful woman! Simply too beautiful, just like a fairy!’

‘That’s not true, otherwise how would that have caused two sports cars to collide and both crash into each other like this .....’

‘Don’t talk nonsense, who knows it will be a different situation!’

‘Oh, what nonsense, the facts are in front of you.’ The man who was pinching the story pooh-poohed, greedy eyes sour tone.

Gu Nansheng is also scared by Zhong Baiming’s tactics, this person is also really too ruthless to himself, up directly kneeling, not even look at his son, as if that his son is really not his son is a wild child .....

If such a person doesn’t succeed, who will ?

The first thing I did was to get to the hospital to verify the DNA, and he was my son, born from my wife’s affair with someone else.

‘Miss Zhong you see the laboratory report .....’ finished directly to the prepared laboratory report to Shen Xiyan, Shen Xiyan listened to the whole person is stunned, what is this matter ?

The company's main business is to provide a wide range of products and services to the public.

He said he wasn't his own son, so he wasn't his own son?

And there is such a way to cuckold oneself?

This is a miserable way to sell yourself .....

The actual fact is that the actual person who is the most beautiful is certainly a big person, a big, big person, in the end how big, no one knows.

The actual fact is that the actual person is not a person of the same kind. When looking at Zhong Bin, also some pity, 'Mr. Zhong, for this matter, I feel sad for you, but things have come to this, also hope not to vent too much anger on the other mother and son, now he also got the punishment he deserves, you just pretend it did not happen, as for him, it depends on his own fate.'

Shen Xiyan said.

How to say it, Shen Xiyan face to Zhong Baiming's thunderous methods, or some can not stand, he is too ruthless, so ruthless that he took a knife to poke his own backbone, and that Zhong Bin also got his due punishment, even Shen Xiyan once saw Zhong Bin stop, but another car is still close behind, and then Zhong Bin may go out

afraid or want to live, and then show out and that a Rolls Royce Phantom collision, know the wrong can change the good is greater than it .....

‘Dad, that person just let him go.’ Shen Xiyan said to Gu Nansheng.

Gu Nansheng nodded his head.

‘Xiyan ah, the Zhong family is not bad, after knowing the mistake, Mr. Zhong Baiming came directly to confess, but the Qian family is different, they do not know what to look up to, after I told them about you, Qian Mu not only did not stop it, but still perfunctory, even deliberately delayed, of course this is also because of my incompetent control, resulting in the existence of a scourge like the Qian family .....

Gu Nansheng then said.

Shen Xiyan fell into deep thought, the Zhong family should have heard Gu Nansheng’s stop, Zhong Baiming’s so-called son stopped, but the Qian family did not, it seems, this Qian family has a problem, ah? Shen Xiyan fell into deep thought, the Zhong family should have heard Gu Nansheng’s stop, Zhong Baiming’s so-called son stopped, but the Qian family did not, it seems, this Qian family has a problem, ah?

Chapter 1568

Of course none of this was a matter of concern to Shen Xiyan, he glanced at the distance, looking at the people Gu Nansheng had brought in had cleared out a line, Shen Xiyan instructed to Night One, ‘Night One, let’s go, just leave this place for Righteous Father to deal with.’

Night One nodded, looked at Gu Nansheng and shouted in a low voice, 'Dad, then I'll take Madam away first, if you need anything, just call my number, or call Tian Ji's number.'

Gu Nansheng smiled and said, 'Then you guys go first, I'll be able to handle it here. Remember to give me a hello to Lin Hao.'

'I will definitely do that.' Night One also revealed a smile.

Shen Xiyuan led people away, only Gu Nansheng was left within the venue, seeing Shen Xiyuan leave, countless people then snapped out of it, the original so beautiful woman is the legendary Shen Xiyuan, but there are people within this group who have seen and heard of Shen Xiyuan, but have never heard of Shen Xiyuan being so beautiful ah, it seems to have encountered some kind of problem, or Lin Hao has money to do some kind of maintenance for her, resulting in Shen Xiyuan being so beautiful .....

Some people are heartbroken, some people are blessed, but most people are lamenting the beauty of love and calling out that they believe in it again .....

Gu Nansheng looked at Zhong Baiming and personally helped him up, Zhong Baiming got up with a grateful look on his face, then looked in the direction of Shen Xiyuan, which wiped away the sweat that covered his head, Shen Xiyuan had spoken, then that hurdle on Lin Hao's side had passed, it wasn't easy .....

‘Brother Zhong, that person you have taken care of for many years, now suffering from such serious injuries, as appropriate, also need to be saved .....’ Gu Nansheng looked at Zhong Bin and said.

Zhong Baiming once again grateful to look at Gu Nansheng, some times, some people, life is just better than their own, this thing Zhong Baiming has always recognized, ‘Thanks, hey, and let people look at the joke, but for life and death, the joke or whatever, does not matter.’

Gu Nansheng looked at Zhong Baiming so open-minded is also another eye, like his kind of heart like a clear mirror, the world rarely found .....

‘The actual fact is that you can find a lot of people who are not yet here. What’s going on? Does the Qian family not respect General Lin?’ Zhong Baiming looked around a few times and found that Qian Mu hadn’t arrived yet, and couldn’t help but ask, although his mouth was inquiring was worried, but his heart was laughing.

The first thing you need to do is to get your own son out of the way, but it seems that you’ve not only succeeded, but you’ve also got Gu Nansheng’s boat, so I’m afraid that the Zhong family will rise in the future, and not only that, but now it seems that the Qian family is dead, and I’m afraid that it won’t be too long before he joins the Gu family faction and eats into the Qian family’s territory. ....

Gu Nansheng heard a cold snort, ‘This Qian family does not know hooked up with that big boat, surprisingly rampant and powerful .....’

The company's main business is to provide a wide range of products and services to the market.

Zhong Baiming's voice was very small, but Gu Nansheng heard it clearly, and instantly looked at Zhong Baiming with wide eyes and a stunned expression, 'Are you telling the truth?'

Zhong Baiming nodded, then said in a low voice: 'The martial arts community is an organization I? Love zero land er land steakwood? It is also by chance to hear, this is still because I last time to negotiate a contract with the Qian family, they overbearingly let us back off, at that time I was a little reluctant, but the other side does not know what kind of group of people came, and beat all my bodyguards home guards, one of my subordinates just now from the martial arts world out of the people, a glance to recognize the other side of the forces, and now remember the other side of the organization!'

## Super Son-in-law Chapter 1569-1570

### Chapter 1569

The face of Gu Nansheng is covered with sulking, Lin Hao said, let the people of the sky sea do not have any collusion with the martial world, this Qian family is vicious ah, not only collusion, but also let the other side of the people in the secular murder!

No wonder there was such a big bottom before, Gu Nansheng looked left and right and found more and more gathered, and noisily glanced at the distance, that place is most likely where Qian Mu came.

The first time I looked back at their own forces, although the strength are good, but really want to fire with the martial arts community, may not be able to subdue each other, Gu Nansheng said to Zhong Baiming: 'This news is very useful, so, you follow me to see the General Lin, when useful to find your place, your son's matter I know what is going on, after the incident I give you plea, absolutely do not let him be persecuted! Absolutely do not let him be persecuted! Even if the Qian family is looking for trouble, I will also cover for you!'

Zhong Baiming smiled excitedly and got on board!

'Good!'

'Let's go, the scene to the staff to take care of, the registration of the registration of the record .....' Gu Nansheng finished waving his hand, Zhong Baiming got into Gu Nansheng's car and went towards Lin Hao's side.

Sitting in the car Gu Nansheng or thinking about the matter of money Mu, collusion to the martial arts community, no wonder they dare to open the dock with their own cooperation, it seems to be sufficient bottom ah, just the martial arts community did not tell him the strength of Lin Hao?

Let a rash to come out officer, not afraid to drag themselves down too .....

A group of fools, not well hidden, now run out to jump, is not looking for death is what?

The president's office of Qian's building, Qian Mu heard the news, his son was hit by a car, even the car with a person knocked off, the person who hit them or Zhong Bin, which makes Qian Mu incomparable annoyed.

He angrily slammed various things and angrily shouted at people: 'Call someone, go to the scene! Damn, this Zhong Baiming dared to let his son lay hands on my son, he swallowed eight billion from him last time, it turns out that he has been harboring a grudge!'

'Yes!' One of his shadow-like assistants came out from inside his president's office and nodded his head in reply.

After Qian Mu came, he took out his phone and after making a call, he said coldly, 'Gather the squad, it's coming out to work!'

'Good? Xixi serve wu xi'er close wu? !' There was a high shout, and then the yell of gathering people could be heard.

At the same time, there was a phone call coming in.

Qian Mu looked at it, wanted to hang up, but still connected, this is his assistant, but also his wife's family, he extremely disgusted with this person, because this person is too cautious, too careful, a lot of things like planning and planning, careful, so he was tired of it, if not looking at his wife's face, created to sink him.

‘Xiao Hai ah, call at this time?’ Qian Mu inquired.

The person called Xiaohai there said, ‘Uncle, must not go ah! Especially with people from the martial arts world!’

Qian Mu was furious when he heard that, ‘Nie Xiaohai, do you know that your cousin was hit by someone and his life or death is still unknown? How dare you tell me that I should not go? Do you know what you are talking to me?’

Nie Xiaohai once again persuaded, the tone of voice incomparably serious: ‘Uncle! I know that my cousin was injured, but do you know who my cousin offended? It’s Gu Nansheng’s daughter! And I heard that there is a very important person! And I seem to remember that before Lin Hao left, he said he couldn’t let people from the martial arts world get involved in Tianhai’s affairs. If we let people from the martial arts world out, once they get into Lin Hao’s ears, I’m afraid we’ll be suppressed by Lin Hao.’

## Chapter 1570

Qian Mu listened to the voice inside the phone and remembered that overbearing and boundless man, by chance he had seen this man’s style of action, very overbearing and arrogant, some times some practices and very hot-blooded, depressing that people could not kick up, but so what?

He’s gone!

Nowadays, the Heavenly Sea is in turmoil, and the new generation is about to rise. He didn't believe that Lin Hao alone could still suppress the power of the entire Heavenly Sea's new generation?

And there was also the martial arts world!

He had heard that there were many people in the martial arts world who were not happy with Lin Hao! They were secretly conspiring to do something, but of course, he was too low in rank to know anything about it!

Besides, the martial arts world was full of people who had their hands in the mundane world, so what was he, Lin Hao?

Who does he think he is?

A local emperor?

That's just like looking for death!

That's like looking for death!

'Nie Xiaohai, there are some things you don't know and I'm not at liberty to tell you, but please remember that the Qian Clan is my Qian Mu's Qian Clan, not your

Nie Clan's Qian Clan, and the pinch doesn't carry much weight in the martial arts world! And don't forget that Qian Liang's status in the martial arts world should be no more than your land, right?' Qian Mu's icy voice said.

Nie Xiaohai's side was silent at first, but immediately continued, 'Uncle, this is not a matter of status or not, have you seriously thought about the consequences, our Qian family was able to rise to power with the help of Lin Hao integrating most of the Tianhai families and piggybacking on some of them before vacating the position, but this vacated position, you think he Lin Hao doesn't have the strength to take it back? Do you think he doesn't have the strength to take it back?'

'Even if Lin Hao didn't return outside, he couldn't do it himself, so he really didn't leave a backhand to the Gu family? The Gu family is his wife's righteous father's family, and Mo Tianji of the Tianhai Group is still there, and so is Lin Qingcheng, do you think that you can really go crazy under their noses? Lin family's sequence warrior strength are not low, after all, that is a real one of the four great families, a can suppress ninety-nine percent of China's family warriors, their strength, the general martial arts world clan, are completely not a rival!'

Nie Xiaohai's words spoke directly to Qian Mu's silence, Nie Xiaohai was notorious for being cautious, but there were many things he knew more about than he did, for example, Lin Hao's true identity was conveyed to him by Nie Xiaohai, otherwise, how would he know such secretive information?

But even if he knew, he still couldn't swallow this anger?

Besides, Nie Xiaohai had also said that it was no longer helpful, what was no longer helpful?

That is the worst possible plan .....

When has he ever fought a rich battle? If he had always been as forward-looking as Nie Xiaohai said, then how could he have risen so quickly? He would have been killed long ago.

After Qian Mu figured it out, he laughed coldly: 'Nie Xiaohai, do you know what is the downside of you? That is that you are too forward looking and afraid of everything, but what about me? How did you bring the Qian family up, do you know? You should be incredibly clear, right? Think about who gave you a hand when your Nie family was humiliated in the martial arts world, and now you are giving me a hand when you return the favour. I tell you, if you listen well, I will use you, but if you don't listen well, you will all leave with me!

'I don't believe it, I take the money,? Wu Wu Zha Dye Yi Yi Lu? Afraid that your sect elders won't cooperate with us anymore? What's more, in my eyes, my son's life is the greatest! I am not afraid to tell you that this Qian Group, such a large family fortune, is ultimately what I will leave to my son! As for that newborn little brat, raised in your martial world, if I recognize him as my son, he is my son, if I don't recognize him as my son, he is not!'
