

Super Son-in-law Chapter 1591-1600

Chapter 1591

Ba Shan and Ba Yue were also shocked, these were all hidden secrets, except for the three of them, even Ba Shuang was not qualified to know, but the other party pierced through with a glance, it was too terrifying

Ba Shuang once again spurted blood, because he heard that Lin Hao's wife was also an Innate Sovereign, also an Innate Sovereign, to know that he was the strongest genius of the Ba Dao Sect in the past two hundred years, the Ba Dao Sect had exchanged countless things to push him to the Innate Sovereign, but the other party had directly advanced to the Innate Sovereign with a light touch, what is this!

This was heavenly injustice!

Ba Shuang spurted blood repeatedly in excitement, but no one was feeling sorry for him

Because, he had invited the scourge of killing for the Bastard Blade Sect

'I am.' The appearance of the Hegemon is no longer domineering, like a kind old man, amiable, speaking with a faint smile, very much at odds with his appearance hanging in mid-air, making the disciples of the Hegemon Blade Sect are unable to believe that this is still their supreme elder

Lin Hao smiled, since it was!

Then let's waste it first before we talk!

Lin Hao fierce fist blast down, the four directions of space tremble, countless people's hearts and minds are more than turbulent, the heart and soul to leave the body, Bashan and Bashan Yue was subdued, directly from the air prostrate fall? Serve Shan'er Yi Xi zero whisk closed? , falling to the ground as they fell directly to their knees.

Ba Wu's eyes were furious, knowing full well that he could not do it, he blasted out a slash towards Lin Hao, an endless aura rolled out, all dense slash intent and endless killing intent, instantly enveloping Lin Hao.

'A trivial skill!' Lin Hao shouted, adding a layer of force!

'Bang!'

'No!'

Looking at Ba Wu, Lin Hao also took an extra look, originally thought it was just a punch to blast, but did not expect that the other party was not weak, perhaps this is the bottom of China's heritage, if placed in the western world, Lin Hao's punch just now, can directly blast a weak senior biochemist late peak, but against the late stage of

the innate clan master, or so weak, but even exerted two points of force, China's heritage, really thick

No wonder he could use the strength of a late peak Innate Sovereign to fight to the death against M's mechanical army

Ba Wu's sharp throat hissed out, finally landed, spitting out a mouthful of blood, towards the surrounding flowers and trees, in an instant, the flowers and trees were scorched by the scarlet blood, and actually burned directly, it can be imagined, Ba Wu's strength is not weak, only unfortunately, met the top battle power Lin Hao, had to wait for death

Lin Hao dodged and stepped directly on top of Ba Wu's body, he felt the power in Ba Wu's body was collapsing, stripped away one after another, this man, too, was ruined

Ba Wu's eyes were furious, but then he looked at Lin Hao with great fear, he felt like he was going to die

'Why!' Ba Wu asked through clenched teeth as he looked at Lin Hao and felt the bones that were shattering inch by inch inside his body.

'Why! We are also a martial sect under the jurisdiction of the Dragon Sect, so who are you to strike at me!' Ba Wu roared at Lin Hao.

He looked back at his mountain gate, countless people's faces were pale with despair written on them, he was horrified, was

Could it be that the Hegemon Sect was going to perish at his own hands? These two people look style is going to come over to extinguish their sect's heritage people

Lin Hao scanned the circle, looked back at Ba Shuang, and then at Qian Mu, and said.

'Why? Because I'm Lin Hao!' Lin Hao looked at the others with cold eyes.

'Dragon Sect jurisdiction? I don't belong to the Dragon Sect! And even if the Dragon Sect dares to come and humiliate my family, I will let them know what it means to regret, the Dragon Sect? Even if the Dragon Sect is in front of me, so what?' Lin Hao said.

Chapter 1592

He had family doctrine, but country and family were before him and he had his own measure of it, and besides, did the Dragon Gate represent the supreme doctrine of the country? No one person can represent that! No organization can represent that, China that is a civilization

Ba Wu instantly face pale and colorless, Jun Wu regret looking to Lin Hao, is spontaneous, is natural, and his own, too many ties on his body, he envied Lin Hao at

the same time, at the same time did not say this to put down everything, live a belong to their own idealism, his life so that he has no way to choose so

Qian Mu's eyes showed endless fear looking at Lin Hao, it's over

It's all over

Lin Hao looked at Qian Mu and said with contempt, 'Is this what you rely on? Even if you bring the entire martial arts world to me today, I won't be vain in any way. Of course, not all of the martial arts world will stand opposite me Lin Hao' said Lin Hao as he looked up into the distance, where there was still a group of lovely people. Of course that group of people have been kind to themselves and they will keep it in mind, but again it doesn't mean that having kindness to yourself will allow you to trample on everything you do

Jun Wu Ren laughed: 'Brother Lin, that's a joke, the martial arts world still has a real martial arts heritage, like the Hegemony Blade Sect this kind of left and right is not, there are very few, of course like them this kind of dyed in the wool there are a lot of people, this is not we appear?'

Lin Hao nodded, these were the things he and Jun Wu Ren were about to talk about, but there was one organization that couldn't be bypassed regarding these, and that was the Dragon Sect, as for what the Dragon Sect would have to say, they would sit down and have a good chat with the person in charge of the Dragon Sect

Before, perhaps Lin Hao would not have sat down to talk or care about anything between the Dragon Sect and the martial arts community, but there is too much

of his presence mixed in here, the purple qi of the martial arts community, the Yuanwu assistance of the Dragon Sect, all of these cannot be erased

Besides, now that the Pope has been promised to go to the East, and China is relatively close to the East, when the time comes, the martial arts community says no, this is not justifiable, the Dragon Sect has the so-called traitors in existence, there is no one in the vast martial arts community who is not afraid of death ?

That is certainly there

‘Mr. Lin, I was blinded by the Hegemony Sword Sect and that’s why I went against you! Mr. Lin, Mr. Lin please spare me, I’m willing to mount all of my Qian’s property to you, please, let our family live’ Qian Mu directly knelt down and begged for mercy.

Lin Hao indifferent, Ba Wu fiercely rose up a slap directly past, but his breath collapsed all, this slap is also just a normal person’s slap, even worse, now his pure force is even worse than a child, where to get the strength

‘You seek death!’ Lin Hao violently stomped down, Ba Wu’s head sunk directly into the ground, Ba Shan and Ba Yue didn’t dare to make a move, they just looked at Lin Hao’s domineering ways

‘Even under my nose, you dare to be such a headmaster, looking for death?’ Lin Hao coldly snorted and twisted Ba Wu’s head under his feet.

Qian Mu let out a big breath and relaxed a lot, but cold sweat still flowed backwards behind him, Lin Hao was too strong, was this the number one person in Tianhai? This is too terrifying, how many bear hearts and leopard guts did he eat to dare to covet his property

The eyes of Ba Yue fluttered violently, but still said: 'Mr. Lin, do not listen to the slanderous words of the villain, our Ba Dao Sect is at fault, is tainted with the secular world, but we are forced to do so, in these 100 years, my Ba Dao Sect crushed and turned many places, from the previous hegemonic position, reduced to the martial world there is no news to inform us, we are hundreds of people, are about to live And? Serving whisking Yi Ai Di Shan Zha Zha Pao? And we my heritage is also close to breaking, the hegemony double a silk, the hegemony sword door will be completely reduced to a village in the world

Super Son-in-law Chapter 1593-1594

Chapter 1593

'The first time we lost one of our numerous clansmen, a woman met this Qian Mu and was tricked into losing her virginity. If we weren't strong, I'm afraid that with our clansmen's vigilance, we would have ended up being sold to a kiln! This man is an unforgivable, bad person, of course we are also at fault, but he is ruthless to himself and even more so to others

'The Bastard Sect is taking a risk and breaking the rules by working with him, but we want to live too, and we have our own children and grandchildren who can all have a good home and a good life after we feather our nests

'And all of this, everything that was done, was my fault alone, it was my mastermind, I also ask this Mr. Lin, to leave a glimpse of the Hegemony Blade Sect's chance of survival, after all, we are also considered a glimpse of the legacy of the ancient culture, we are also the descendants of Yan Huang, we have the right to live

Ba Yue said repeatedly, finally resisting all the guilt on himself.

When Jun Wu Ren heard this, he couldn't help but look at Lin Hao, who saw within his gaze a compassion for all beings, a reverence for the sublime of life, and an unwavering determination for the mission, inside

Lin Hao did not show too much change in front of him, just swept a circle of people below, faintly said: 'They naturally have the right to live, but absolutely not I alone can judge, whether they can live cleanly, to the judiciary to study, to inquire, you live in the world traces, I believe, our motherland certainly have signs, anyone who has done bad things, will leave traces

Jun Wu Ren nodded, this was a good plan, similar to what they had thought before, the more powerful martial artists were sent to the frontier, the average civilians, could be assigned to the provinces to live well, of course nowadays a sentence was added, provided that they were clean and innocent

Under the ground Ba Wu whimpered, as if grateful

Qian Mu is also relieved, handed over to the judiciary, then he still has a chance of staying alive

Just as he was breathing a sigh of relief, Lin Hao said indifferently, 'Some people have the right to be investigated by the judiciary, but some people, it seems, don't have the qualifications!'

Ba Bian's hands trembled slightly, there were words in Lin Hao's words
ah

Jun Wu Ren was also nodding, it was the same as what they said, there are some people who will surely die under the big waves, they are not qualified to live properly, no

Qian Mu was also wide-eyed and shouted angrily, 'No! You are not qualified to say such things!'

Lin Hao looked at Qian Mu with a contemptuous gaze, 'The moment you struck out, you should have known that the same downfall of defying the king's law will be inflicted on yourselves! Of course there is another rule that is, the only rule that is tied to the martial world and such is the rule of the strong!'

Qian Mu instantly stared, his eyes were full of despair, at this moment, it was like he thought about a lot of things, why are people in the martial arts world so strong, if they casually do things that hurt heaven and earth and finally attribute them to the laws of the king, would they not be invincible, now that Lin Hao spoke, Qian Mu snapped out of it, and then there was endless regret

He thought about it, he regretted it, but the world does not have a pill for regret, so, Lin Hao fiercely grip, Qian Mu's arm issued a creaking brittle bone cracking sound, the whole person, the next moment, a dead

Qian Mu died, there is a woman among the crowd instantly wailing, she is Qian Mu's wife, Nie Jiajia, in her arms, there is a five or six-year-old child, clear eyes, pure eyes inside, in the deepest, there is a flame, a small child, anger is surprisingly like? The anger of the little child was as? This is so heavy that even Jun Wu Regrets was appalled...

Chapter 1594

Nie Xiaohai immediately reacted and looked at Nie Jiajia, shouting, 'Auntie! No!'

But it was already too late, Lin Hao had already seen them, looking at the man, woman and child, Ba Shan and Ba Wu's minds were turning quickly, now that Qian Mu was dead, then the person at the helm of the Qian clan was Nie Xiao Hai, and the so called child in Qian Jia Jia's arms was Nie Xiao Hai's, yes

Some customs in this world are still so backward, and so is the Hegemony Blade Sect, they don't have many female children, and in order to continue the legacy, they will always do things that are unacceptable to people...? The cover closed the cover whisked the west land whisked the land? ...

Ba Wu struggled hard, Lin Hao felt his paws being propped up by something outwards again, then lowered his head and looked at Ba Wu, 'Life is still hard

Ba Wu whimpered and shouted, 'Mr. Lin, Mr. Lin, I, Ba Dao Sect, resign my life! I resign to my fate! Please also ask Mr. Lin to spare the young and old below us, they are innocent

Lin Hao sneered, especially when he looked at that teenager's eyes, so small, the anger inside his eyes was so deep, spare this group of people? Such a group of people with martial arts training base? Wouldn't that be sowing the seeds of endless revenge for himself?

Of course Lin Hao wouldn't kill them all.

'It's not impossible to spare you all! But according to the rules, all of your people will be exiled to all parts of the country, and none of you will ever be contacted, but of course nowadays with such advanced technology, you will always be contacted.' Lin Hao said indifferently.

'No! I order them, never to be contacted!' Ba Wu Chattering shouted, hysterical, although his heart was in his mouth, stay in the green hills, not afraid of no firewood

'Heh!' Lin Hao sneered, what's the use of a dead man's order? It's ridiculous, Lin Hao said icily, 'The king of hell is good to see, the brats are hard to deal with. I can easily solve you guys, but such three to four hundred people, if they take revenge in the future, they will definitely bring me some trouble, since that's the case, let's put an end to such trouble!'

Jun Wu Ren heard this and also looked fiercely at Lin Hao, secretly saying in his heart: Brother Lin will not kill them all, this this he will not allow, he cannot accept such a situation

The people of the Bastard Blade Sect instantly burned with anger, their eyes staring at Lin Hao, all with a look of wanting to eat him

Lin Hao looked down on the group and said in an icy voice with judgment, 'All those who practice martial arts must participate in the national border guard for ten years!'

'All children, following their mothers, branch out to all parts of the country. All men over the age of 18 will be required to go to the frontier for a few years! After discharge, they need to report again!'

'.....'

Jun Wu Regret let out a sigh of relief after hearing Lin Hao say this, and then followed suit, 'This is the removal of the Hegemony Sword Sect today! Anyone who feels resentful can cut themselves on the spot! The world is a peaceful time, so those who feel unjust can only do so!'

The two men briefly spoke out the final treatment plan, in fact Lin Hao had thought of suppressing them all and imprisoning them, but after looking at the people present, the angry, resigned and resentful eyes carried a longing to live, a reverence for life, and there were also many clean eyes among them, no mercenary, no greed, no impurities

'Thanks!' Ba Wu struggled for a moment, spurting blood and said, eventually whimpering and passing away, a late stage Innate Patriarch, having fallen thus

The first thing you need to do is to get rid of the problem.

Super Son-in-law Chapter 1595-1596

Chapter 1595

‘Among you people, some of you will surely retaliate against us afterwards! However, I’m here to simply say that our strength! On top of the Innate Patriarch, your Hegemony Sword Sect raised the power of a clan, more than two hundred years to create an early Innate Patriarch, and still weak Innate Patriarch, if those present think that the future can surpass us, that time can come to the door set to ask for a talk, if you use the power of martial artists on some ordinary people, then sorry, today’s punishment for the Hegemony Sword Sect, perhaps that day to re-propose!’

Lin Hao also said: ‘There are unjust people in the heart, if you feel that you can kill us in the future, you are always welcome to come to ask for a say, if it is the same as what brother Jun said, to the ordinary people, then sorry, today within the Hegemony Blade Sect, there is a count of martial artists, or there are ordinary people, need to bear our wrath!’

Lin Hao looked at them, if not think that they are all Chinese, if these are the people of the East, Lin Hao really will not give them any chance, not my race, their hearts will be different, but this is all with him a race of people

‘Dare not

‘Ba Yue said hurriedly, while his heart tumbled over the sea, above the Innate Patriarch, in that legendary realm, no wonder, no wonder can easily subdue the Supreme Elder, the legendary realm is not the Ascension realm?’

And isn't it said that the entire martial arts world does not have a super martial artist above the Innate Patriarch?

How now so young people in front of you, is beyond the innate patriarch above the strong

This instant, countless martial artists despair, their lifelong goal, is to advance to the Heavenly Sovereign, but now the other two are above the Heavenly Sovereign, what is above the Heavenly Sovereign?

That is they dare not even think about the existence of

Despair, deep despair, imprinted in the bottom of the heart, on top of that piece of hatred, the hatred all covered, is cold cold despair

Their eyes lost in thought, looking at Lin Hao and Jun Wuhuai, endless despair, let the eyes lax, empty gaze

Lin Hao looked at that side and Ba Yue, commanded: 'originally wanted to abolish you two, but I thought about it, so many people always need someone to manage, you will be the manager!

'Arrangement of their matters, it is left to you to cooperate with the handover department, once someone escapes, I take you two are asking! If the situation is

serious, I will choose among you, for deliberately letting the prisoner go, killed on the spot!

Jun Wu Ren followed by also said: 'Of course after arranging them, you still need to listen to some of my arrangements, there are still many things in the martial arts world.

'Disbanding the Hegemony Sword Sect is just the beginning, in the future there will be more sects like yours that will dissipate on earth from now on.'

This sentence came out, all the people looked at Jun Wu Ren, countless people asked questions in their minds, as if to say: we were destroyed, not because we offended you? How can we hear your words mean that you want to cleanse the entire martial arts world? So this is not an unwarranted disaster for us? Rather, it happened to be within the plan you made, touching the brow and hitting the head?

Looking at the puzzled eyes of one and all, Lin Hao stopped talking after he directly crushed Ba Shuang to death, these things Jun Wu Ren handled more comfortably, he didn't like such things too much.

Ba Shuang tragic death on the spot, finally no longer spurting blood, Ba Shan see Ba Shuang dead, a time of heart cramps, hard to accept, is also to follow, a time the whole hegemony knife door bottom to remove seven out of ten, even if Lin Hao they do not come, in time, the hegemony knife door will also fall on this? Love cover west Lu Shan dye Shan Shan? The world, gradually with the world, but it is possible that because they can martial arts, will cause a lot of trouble, it is better to let Lin Hao and Jun Wuhuo they arranged a good

Chapter 1596

‘The martial arts dao is in decline, and the divine collection is gradually disappearing. Organizations of power players will all show their heads in the future, some know what they are after, some do not know what they are after, but after that summit gathering, many powerful people will fall.

‘At this time, the former early innate patriarchs, or those who have just advanced to innate patriarchs will step forward as leaders! If it’s even more terrifying that there are few Innate Patriarchs left, and then some martial artists will lead the way, that kind of situation, is not what I want to see! After all, without the binding of the top people, no one knows, what will eventually happen, so why not purge by ourselves, to give you a good home, is also better than eventually by the great world has come, everyone is at risk, to face a more severe life good.’

Jun Wuhui said sincerely, facing a fresh life of his own race, Jun? The Jiexi love to serve zero Jie service Wu? No regrets are incomparably serious, this is the soldier, this is the warrior, this is the faith, this is the concept.

The people present listened carefully, many people do not understand, but some of the martial artists present understood, especially some of the older people, heard some of the fear, the thought of being governed by the great world, they will receive ruthless deployment, and even some people track the case, the punishment will be ten times more!

Especially those who have accidentally heard about the incident of Ming forbidden martial arts, but also appalled, have all begun to be somewhat grateful to Lin Haojun no regrets

But all did not speak.

Nie Xiaohai looked at Lin Hao and Jun Wuhuai, tightly embracing his aunt

Lin Hao looked at Nie Xiaohai, found that this person is completely different from the others, and the woman in his arms, compared to Nie Xiaohai is much older, and the two look a little similar

Compared to the others, these old society look, Nie Xiaohai and the woman in his arms appear to have a lot of similarities with the people of the current society, at least the temperament of that piece, very similar, Lin Hao some puzzled up, and asked.

‘Why are these two people different from the others, could it be that the Bajie Sect is also harboring prisoners from the world?’

Lin Hao’s words, Ba Yue directly scared liver tremble, now Nie Xiaohai is their Ba Dao Sect left the secular world’s largest pawn, as long as Nie Xiaohai is still around, their Ba Dao Sect people, the future will not suffer too much, at least life will not be too straitened, but now, it seems that this powerful beyond the innate master of the strong, like found him

Not to mention Ba Yue, is Ba Shan and Ba side is also nervous, Lin Hao afterglow in each of the face crossed, is also aware of the difference, immediately the face of the cold color more intense, the cold killing intent diffused.

Ba Bian even said: ‘This gentleman, these two people are fortunate enough to have lived inside the world, but it is certain that they have absolutely not broken any laws, is a greatly good people!’

The corners of Lin Hao’s mouth lifted, and Jun Wu Ren looked at each other with a smile, Lin Hao inquired, ‘What is his name, what kind of experience did he have inside the secular society, and what kind of industry did he engage in’

Ba Yue and Ba side glance at each other, are desperate, was found

But then looked back at all the clansmen, Ba Yue gritted his teeth and spoke, seriously and with some trepidation: ‘His name is Nie Xiaohai, he works in the Qian Group, engaged in investment’

Lin Hao grunted, picked up the phone and made a call to Mo Tianji.

Mo Tianji is following the crowd fiddling with the layout of the living room furnishings, after all, there will soon be a banquet similar to the family, and at this moment Lin Qingcheng is physically and mentally happy, the whole person in good shape, Mo Tianji is naturally very happy, plus this is their big brother wife want to do, how can he not wholeheartedly to get

Super Son-in-law Chapter 1597-1598

Chapter 1597

‘Tianji, who’s calling you? What else is there to do at this time?’ Lin Qingcheng put down the washed goblet, looked up at Mo Tianji, at this moment Lin Qingcheng look great, not seen before the exhaustion and pale, with Mo Tianji back home after the first time to see

Lin Qingcheng that perfect look, no, with the wedding night, the same look, are very beautiful

Mo Tianji took out his cell phone to take a look, immediately put down the red wine in his hands, holding the phone with both hands, said to Lin Qingcheng: 'It's Lin Hao.' Mo Tianji some dare not call Lin Hao's two words, so the tone is a little strange, listen to Lin Qingcheng shake his head.: 'is Lin Hao's?'

Mo Tianji nodded his head repeatedly, Lin Qingcheng smiled, 'Then there must be something, you go communicate with him.'

Mo Tianji showed a doting smile and left apologetically, walking to an unoccupied corner outside the courtyard, Mo Tianji then picked up the phone, and then heard Lin Hao's inquiry.

'Help me inquire all the news of a Qian's Nie Xiaohai, the more detailed the better.'

Mo Tianji's face was meticulous: 'Okay, I'll do it right away!'

Anything that can make Lin Hao personally explain, there is no trivial matter, Mo Tianji immediately instructed with one of his assistants to ask him to inventory all the personal disappearances about Qian's Nie Xiaohai.

Hang up the phone, Lin Hao smiled and looked at the crowd: 'I have asked people to check this Nie Xiaohai? The shade Shan dye pick up zero dye Lu shade? s all personal information, in no time, I will be able to know all of Nie Xiaohai's personal news.'

A moment, Ba Yue and others look instantly pale incomparable, once again desperate, Nie Xiaohai raised his head, pupils scarlet incomparable, all desperate, he did not expect, just a glance in the crowd, and then become so? Once Qian's own identity is found out, then the Hegemony Blade Sect's layout in Qian's, to be all cleared, then their family of three, what should they do?

Even the Supreme Elder is not his opponent, who else can solve them.

Two minutes later.

Mo Tianji reported.

'Big brother. Find out who.

'Nie Xiaohai, the people of Tianhai, after the great change in Tianhai this year, with the strong help of the Hegemony Blade Sect, and Qian Mu cooperation, a small market value of 20 million Qian, with just a few months, directly make the Qian become a second-rate family in Tianhai! This Nie Xiaohai a lot of efforts, is considered the real spokesman for the knife door!

‘Yes, there is a hidden message! Qian Mu’s second child with his wife in the Dagger Gate is not Qian Mu’s, but Nie Xiaohai’s! Yes, yes, it is vulgar Of course the people investigating said, in these sects inside, in order to reproduce offspring, what kind of method will be used, so common ‘

Lin Hao is also some disbelief listening to Mo Tianji’s report, Lin Hao did not use concealment means, so Jun Wu Regret also listened to everything, the same disbelief looking at the three people in front of him, the backwardness of civilization, will create a bunch of poor people

‘Any more?’ Lin Hao then asked.

‘There is still!’ Mo Tianji once again replied: ‘In the news of our investigation, Nie Xiaohai with their own tough means, corrupting the Qian, and secretly transfer a lot of property, secretly also purchased shares, the entire Qian, Nie Xiaohai personal name occupies ten percent, the domineering knife door occupies forty percent, and a child, occupying six percent! That is to say, the people represented by the knife door, occupy Qian’s shares are close to fifty percent! Instead of saying that Qian’s is Qian Mu’s, it would be better to say that Qian’s has been mostly controlled by the Baba Dao Sect!’

Chapter 1598

Lin Hao heard the words, instantly angry up. Jun Wu regret is also full of anger, he originally thought he did not want to see so many people uprooted, now it seems that he is still too kind, this group of people, but with the means of martial artists in the secular world to force down a huge family with a market value of more than 100 billion, and still just a few months!

‘Hegemony Blade Sect, good job! Good job! How dare you use the means of a martial artist to build a business empire of your own in the secular world, and this is what you call not breaking the law? In just a few months, without the use of special means, a family with a market value of ten million dollars can be directly upgraded to a hundred billion dollar family? Do you guys know how many times this has doubled?’ Jun Wu Ren was also morbidly furious, hard to suppress!

Ba Yue and others in an instant, both knees lost strength, directly fell to sit on the ground, finished, finished, all finished, the biggest secret, others used? Love whisking zero wu wu xishan love? Two minutes of it all checked out

Nie Xiaohai sniffed, his face pale incomparably. And the whole hegemony knife door but anyone who knows a little bit, instantly fell into a deep despair, and the kind of fear in the face of the unknown threat, Lin Hao, like the supreme god standing in their world, can insight into all their thoughts, horror like this

Looking at the appearance of all, Lin Hao mouth corner was raised, this group of people really vertical son is not dead, ah, even dyed in the secular world for such a long time, but also, now by their own discovery, then all this future may have a threat to the root cause of Xiyuan them, he is about to exterminate all

‘You Bajie Sect dare to go up to the front to find things, I’m afraid Qian Mu out of work quite a lot, you Bajie Sect will also contribute a lot, since all want to snatch others, then we must think about their own things are taken away!’ Lin Hao’s icy voice, said with a chill.

Jun Wu Ren also coldly snorted: ‘If not all are the same clan, you people, I do not want to take more than a glance!’

‘Brother Lin, it seems that this Tianhai, your Lin clan occupies a position that is not too deeply rooted, ah, a small heart rising second-rate family, with the assistance of the martial arts community, to dare to dye your things, if this is placed in Yanjing, I’m afraid that such an existence, to be all wiped out, right? Haha.’ At the end of the sentence Jun Wu Ren laughed dryly twice, his voice was harsh and carried a thick killing intent.

Numerous people directly knelt on the ground and began to beg for mercy.

Lin Hao shook his head, ‘Since I said the words to release them, I naturally won’t backtrack.’ After saying that Lin Hao instructed once again to Mo Tianji, ‘Put the Qian’s under our Tianhai Group, and this matter will be treated as if it never happened.’

There Mo Tianji struggled for a moment, frowning, originally wanted to say something, but thought about it, their big brother have opened their mouths, they talk too much, they really do not lack Qian’s Group this money, they just do not want someone to bother them and threaten them

‘Okay, big brother.’ Mo Tianji replied, then said a goodbye to Lin Qingcheng and went towards Qian’s, Zhong Bailing and Gu Nansheng were discussing something at the entrance of the compound, when Mo Tianji came out, Gu Nansheng put out his cigarette and went up and asked.

‘Tianji, what are you going to do?’

‘Mr. Gu, there just happens to be something going on, so why don’t you take Zhong Baiming along with you.’ Mo Tianji said with a slight raise of his eyebrows when he saw these two people.

Gu Nansheng immediately nodded, Zhong Baiming point are with the woodpecker, it is not easy to get on the boat, can be a good performance, at the moment, although awe-inspiring, but the heart is also for Qian’s final downfall some curiosity, curious about what will happen to Qian’s in the end

Super Son-in-law Chapter 1599-1600

Chapter 1599

Three people in a car, Mo Tianji instantly tense emotions relaxed, these days have been concerned about the state of Lin Qingcheng’s health, he is not much better where to go, now that big brother Lin Hao back, they can finally breathe a sigh of relief, as for solving such a problem, that is all followed by the belt, and no particular trouble

In the seat on the closed eye repair? The first thing you need to do is to get rid of the problem. Body after a while, Mo Tianji feel the car, slightly dull, a faint smile: ‘We are going out this time to do is to do the three families divided Jin.’

Gu Nansheng froze for a moment, looking at Zhong Bailing’s shocked eyes, ate and spoke: ‘We are going to nibble on the Zhong family? Hao’er exterminated the Qian clan? What about the Battling Sword Sect?’

Zhong Baiming also thought so, but did not dare to say so, after all, too shocking, just a go, the large Qian Group to exterminate, that is the Qian ah, a second-rate top family, if not Lin Hao and other people suppressed, I am afraid to advance to the first class family, after all, the existence of the overpowering knife door, really too horrible, direct acquisition can not, then strong acquisition, do not listen, then

let you die invisible, the Qian one not out, the martial arts world of the hegemony knife door direct strike, come without a trace, are into a trick case

Today, such a powerful force, in front of the General Lin, nothing

directly extinguished

Zhong Baiming is both consolation and trembling, but also feel stolen joy, their own inner incomparable submissiveness, in future, no matter how to follow Lin forward, no matter what others say, he will not defy Lin's statement

Mo Tianji laughed and said easily: 'It's just a newly promoted second-rate family, big brother wants to destroy them, it's not easy. This Tianhai ah, there are always people who want to provoke our authority, this is not self-seeking death? The incident of the four great families of the Sea of Heaven, it should still be not long ago, right? Why is there someone who can't wait to jump out and look for death? Chairman Zhong, how many more such people do you think will exist in Tianhai?'
