

# Super Son-in-law Chapter 1841-1850

Chapter 1841

‘How clever.’ Lin Hao stroked the little girl’s head, ‘Go and help out at auntie’s place, I have some personal matters to take care of, it’s not convenient for me to take you there.’

‘Okay right, then brother you take care of your safety.’ Lei Ling was good and understanding, since Lin Hao said he wouldn’t take her, she didn’t insist on pestering.

Lin Hao walked out of the auction house and was about to go to the top floor to find the mysterious woman when he was stunned, ‘Err, am I being punked, this auction house is on the top floor of the Queen’s Bar, ah, where else is there a top floor?’

‘Mr. Lin Hao, please come with me.’ Just as Lin Hao was speechless at the entrance, a man in a suit with a strong aura, Lin Hao even vaguely sensed a sense of oppression, walked up to Lin Hao and made a gesture of invitation.

Lin Hao’s brow furrowed, how did he know his real name?

There were very few people in Jinling who knew his real name, only the core of the Lin family knew his real name, and this suddenly appeared a guy of good strength, yet he knew his real name!

‘Mr. Lin, we don’t mean any harm, as for why we know your real name, when you meet our master, you will naturally know that our master, is the owner of the Queen’s Bar.’ The man in the suit saw Lin Hao frowning and hesitating, and added another sentence.

Zero Lu steak dyed closed Wu Yi zero ? Ah ?

Lin Hao froze, she was the mysterious owner of this Empress Bar ? No wonder many people were surprised after this woman opened her mouth, especially those powerful people at the Xuan Master level, who almost all had to give her a few face and didn’t dare to cause trouble at the auction.

But why did she help herself ?

Whether he was curious as to why the other party was helping him, or whether he wanted to see who the boss behind the mysterious Empress Bar was, Lin Hao thought he had to go and meet her: ‘Then please lead the way ahead.’

‘Follow me.’

The man led Lin Hao all the way to the middle of this top floor, where a separate lift appeared, and there were several men in suits guarding the lift entrance, with powerful breaths, not ordinary people at first glance, Lin Hao was really very surprised to get on the lift, the original auction house was not the top floor at all.

When the lift opened, everything in front of him opened up. There was another floor on the top floor, but it wasn't as big as the next one, but it was about 400 square feet, with a panoramic skylight and glass construction all around.

This floor is warmly and elegantly decorated, the furniture and other things are all very classical and antique looking, with expensive paintings and calligraphy hanging everywhere.

The lift door opened to the living room, Lin Hao did not see anyone, then looked around again, this is equivalent to a large house, complete with all the facilities, everything, just wandered around and did not see anyone.

'Wandering around blindly what, turn left and come to my study.' Qin Yuxin, who was playing with something in the study, frowned unhappily, a touch of speechlessness appeared on her graceful face.

Lin Hao scratched his head awkwardly and followed the other party's instructions, walking towards the study and knocking on the door before pushing it open.

The study was not small, but there were no books in it at all. On the floor was a pile of white paper crumpled into a ball, with black on it, obviously for practicing brush writing, right?

And on the wall, on the table, there was white paper hanging all over, and only one word was written on it: Jing!

The word was supposed to be hung to let people concentrate and calm their mind, but the word Jing hung all over the room made Lin Hao feel disturbed, these Jing characters were written in an extremely dazzling way, and even a bit hideous.

Lin Hao could even smell an unspeakable sense of resentment through the ink and brushwork.

It was at this moment that Lin Hao also came back to his senses. In the study, there was a woman sitting in front of the desk wearing a long black dress, with black curly hair falling over her shoulders, showing a mature and charming style.

The woman had a melon face and danfeng eyes, and the bright lip gloss was as eye-catching as blood. The other party was currently staring at herself with her danfeng eyes, causing Lin Hao to feel uncomfortable.

‘Sister, you, what do you want?’ Lin Hao looked at the other party’s almond eyes with spring in them, looking at himself with a retrospective look that made Lin Hao uncomfortable.

Chapter 1842

Although the other party appeared to be in her thirties with a mature and charming appearance, Lin Hao guessed that this woman was probably similar to Lin Yun’s age, or even definitely older than Lin Yun.

Lin Hao didn't feel a single fluctuation of the Dao's essence on the other party, looking like an ordinary person, but Lin Hao didn't dare to treat the other party as an ordinary woman in the slightest.

'It really is that old bastard's seed, it all looks so similar.' Suddenly, Qin Yuxin's tone came down coldly, for a moment, as cold as if she was rejecting people from a thousand miles away.

Qin Yuxin thumped the Tibetan Green Short Sword and stilled it on the table.

Lin Hao: ????

What did she say again?

Just Lin Hao was stunned to see Qin Yuxin throw the Hidden Green Short Sword on the table, Lin Hao: 'No, no, didn't this let Wang Qian shoot it away?'

'How dare you take out his stuff and auction it off indiscriminately? He can pay for it, but does he have the life to take it away? Hmph, no one is allowed to touch his things!' Qin Yuxin snorted coldly, then stared at Lin Hao with a deadly stare, 'You rebellious son! How dare you take out your father's things and auction them off!'

'Huh? My, my father's things?' Lin Hao was speechless, he didn't know, if he knew, he wouldn't have taken it out for auction, but Lin Hao was also very puzzled, 'No, you, how did you know it was his?'

Lin Hao's mind suddenly burned with the fire of gossip: no way, no way! Damn, it couldn't be the affair left behind by old dad back then, could it?

'You don't know? Sure enough, it's pro-life.' Qin Yuxin's gaze was icy cold, and there was a bit of annoyance in her voice.

Lin Hao was speechless and didn't know what to say.

Lin Hao did not dare to say anything more, after all, it was a feud between elders, he could not say anything, let alone have the right to interfere, and looking at this woman in front of him, probably just love but cannot get resentment, so Lin Hao now felt that he was in danger, but don't make a whole thing of paying off the debt, he did not want to die yet.

Qin Yu welcomed the fact that Lin Hao did not say anything, casually opened the music box, suddenly the familiar melody came out from the music box: 'I blew through the evening breeze you ate, does that count as embracing .....

Lin Hao did not know what to think, suddenly remembered a previous comment, subconsciously picked up a sentence: I have drunk the northwest wind you drank, so do we count the same poor .....

After saying that Lin Hao himself was confused, embarrassed to the point of exploding in place.

Qin Yuxin even blackened a face, dumbfounded on the spot.

Lin Hao was so embarrassed that he didn't know how to explain when Qin Yuxin even divinely took over: 'Maybe you're even poorer, you drank the northwest wind that I drank.'

Lin Hao laughed awkwardly, this Qin Yuxin's brain circuit is also strange, Lin Hao felt that the other party also did not have malice, but also relieved, half-joking tone said: 'Dislocation of time and space this song is not suitable for you to listen to now ah, perhaps [many years later] this song is more appropriate.'

'Many years later, will you still remember me, will you be alone in heaven or will you live in hell!'

Lin Hao closed his mouth, he didn't expect Qin Yuxin to be so familiar with this song, as soon as he said the title of the song, he knew what message he was going to tell her, the lyrics, already said a lot.

Perhaps Qin Yuxin had understood what she meant.

'I know, there's nothing more for you, go back.' Qin Yuxin turned around gloomily and swung? 依侍洱染伍西侍遮? hand no longer paying attention to Lin Hao, already giving the order to expel him.

Lin Hao nodded, no more words turned around and left Qin Yuxin's study, when he reached the lift, Qin Yuxin's voice rang in Lin Hao's ears, 'Come sit here when you have time, have some tea and talk to me about him.'

'Ugh .....

Lin Hao sighed, didn't say anything and went out of the lift, at the entrance of the lift on the fifteenth floor, he ran into several people who were waiting for him, Lin Yun and the others all had worried faces, when they saw Lin Hao return unharmed, they all sighed in relief, 'Is everything alright Xuanyuan?'

They did not call Lin Hao by his real name because they were afraid that there would be ears through the wall.

## Super Son-in-law Chapter 1843-1844

### Chapter 1843

'Brother, did she give you a hard time ya?' Lei Ling also came over with immense worry, pulling Lin Hao's hand and asking.

'Let's go back first.' Lin Hao didn't ask here on the spot, the Lin family crowd reached the underground car park and drove a long distance away from the Empress Bar before Lin Hao spoke, 'She didn't give me a hard time, she's a person with a story, by the way, grandma, do you know about this?'

'Children shouldn't ask so much about grown-ups' affairs! Xiao Hao, if that woman sees you again in the future, go ahead, but never say anything about your father, do you understand?' This was the first time that Xu Fang Hua spoke to Lin Hao in such a reprimanding

tone, his tone was full of unquestionable attitude, and his wrinkled face was even more serious, but after he finished, Xu Fang Hua himself could not help but let out a long sigh.

Xu Fang Hua slowly closed his eyes, and his already old face suddenly aged a few more points. At that moment, it was as if this old man of over a hundred years old had drained all his strength at once.

Lin Hao's mind was filled with doubts, but he didn't know what to say.

'Xiao Hao, there are some things, don't ask too many questions. Right and wrong merits and demerits are all in the past and will be judged by future generations, but we are not the ones involved and are not qualified to judge and comment on anyone, including your father, or that woman Qin Yuxin.' Lin Yun also couldn't help but caution Lin Hao.

Lin Hao nodded gently, so that woman was called Qin Yuxin, it could be seen that she was an infatuated woman, but in the end, she loved but could not, alone to this day, but still deeply in love.

Only, it was all in the past.

Thinking of this, Lin Hao thought of Xu Linglong again, no other meaning, just Lin Hao hoped that its just for the sake of carrying out the mission and not deeply involved, otherwise there might be another woman like Qin Yuxin in the future.

Therefore Lin Hao then wanted to draw a clear line with Xu Linglong even more, it was impossible between them.

‘Grandma, why don’t I bring my daughter-in-law and sister back to see your old man some other day?’ Lin Hao thought for a moment and changed the subject.

‘Really? That would be great, by the way, I know that my grandson-in-law is pregnant, right?’ As soon as he spoke of his grandson-in-law, it was as if the qi in the old man’s body had completely returned in a flash, and his face was full of joy: ‘I’m about to have a great-grandson, ah.’

Lin Hao also did not think that, with the energy of the Lin family, this bit of information was not known, then the Lin family did not deserve to be in the top three of the top five hidden families in Jinling, only that he had not asked before, but also to respect Lin Hao.

Love serve love zero west zero steak whisk ?

Lin Hao also did not refuse, to the Lin family, Lin Hao and Lei Ling back to their own courtyard, just back, Lin Hao can not wait to give Shen Xiyan a call over, do not know why, at this time Lin Hao especially miss Shen Xiyan, especially after meeting Qin Yuxin, instead of making Lin Hao feel, he changed to cherish his pillow person.

‘Hee hee, good day sister-in-law.’ As a result, just after the connection, Lei Ling, the naughty girl, grabbed it first and froze and talked to Shen Xi Yan for more than an hour before returning the phone to Lin Hao, during which Lin Hao couldn’t say a word.

‘Lin Hao, why didn’t you say anything?’

Lin Hao scratched his head, what else to say?

Seeing that Lin Hao didn’t move for half a day, Shen Xiyan puffed out a light laugh and said in an angry voice: ‘Lin Hao, be generous, you can’t even eat a child’s jealousy?’

‘That’s right, how can you be jealous of me.’ Lei Ling also laughed and helped out.

Lin Hao was so angry that he directly gave the little girl a violent chestnut, causing Lei Ling to cry out in pain, holding her head and squatting in defence, that cute look, Lin Hao couldn’t lay a hand on her.

‘Xiyan, I miss you.’ Lin Hao said softly, his tone full of tenderness.

Shen Xiyan had a question mark on her face, she was suddenly overwhelmed by Lin Hao’s words, her face was slightly red, she said she was already an old married couple, how could she feel like she was back in love with him because of the words ‘I miss you’?

Chapter 1844

But on second thought, no, there’s something wrong with that.

‘Shyan? Are you still listening Xiyan?’ Lin Hao was a bit puzzled, why was there no movement?

Phew!

Shen Xiyan took a deep breath and tried to adjust her emotions, then asked indifferently, ‘Tell me, which girl is it? How’s the character?’

‘Huh? What strange things are you talking about?’ Lin Hao was all confused, where is this going!

‘It’s alright, you dare to say it, I can bear it, don’t worry.’

‘Are you out of your mind, Shen Xiyan! People say that one pregnancy is silly for three years, but I think you’re not just going to be silly for three years, you’re going to be silly for the rest of your life!’ Lin Hao came back to his senses and was so angry that he was crying and laughing, what the hell, was he that unsettling?

‘Sister-in-law I’m reporting it! Brother this evening with a very very beautiful sister and oh press face, and also stay in a piece for more than two hours, what happened, I do not know.’ Who knew that Lei Ling suddenly came to this sentence.

Lin Hao waited for Lei Ling and tried to pinch? The ground pick up the ground intention to cover the pick up the whisk? The heart to die her have, deliberate, absolutely deliberate.

The first thing you need to do is to get a good idea of what you're doing.

But no matter what Lin Hao said, Shen Xiyan kept laughing, and in the end, he was even laughing like a maniac.

Lin Hao was frightened: 'No, Xiyan you can not misunderstand ah, I am not that kind of person, my character you still do not know? I really don't have ..... on, and even if I did, I wouldn't hide it from you, would I?'

'Haha, hubby you're too cute aren't you. Okay okay, remember to notify me in advance when there are other women ah, hang up.' Shen Xiyan laughed so hard that her stomach hurt a little, so happy to have teamed up with someone to punk her husband.

'Hahahaha .....' Lei Ling on the side laughed until her stomach hurt.

Lin Hao, with a black face, rushed over and lifted Lei Ling up, glaring at her viciously and shouting in a low voice, 'Damn girl! If your sister-in-law and I really get into trouble over this, I won't want you as a sister!'

Lei Ling hugged her head and squatted down, beaming with a pitiful look, 'I'm just kidding, why are you so angry, your sister-in-law isn't angry, look at her laughing just now.'

‘Bullshit! Can you trust a woman’s words? Do you know how many layers of meaning a woman’s phrase ‘I’m not angry’ can really have?’ Lin Hao felt a headache just thinking about it.

‘I know, really angry and not angry, as well as not caring. If it’s the last kind, it means not loving you anymore. And if she’s not angry and you just don’t care, she’s really angry. If you mind her, she might think you’re really wrong and then get angry too ..... Ah, brother, why do I feel like you’re done.’ Lei Ling cocked her head in a pull up cross autumn reply.

‘You know then you do so? Are you thinking your brother’s life is too bland now?’ Lin Hao rolled his eyes, pitty brother, absolutely pitty brother.

‘But I’ve already told my sister-in-law in advance ah, my brother even if he’s more scum, he can’t possibly, with an old woman he doesn’t know and is meeting for the first time what’s that ..... right.’ Lei Ling spread her hands and then showed Lin Hao her chat with Shen Xiyan.

Lin Hao’s face became even darker after reading it, being pitted so thoroughly by these two? Yesterday’s incident was like a seasoning in a dull life, but Lin Hao still ‘viciously’ taught Lei Ling a lesson, he couldn’t joke around like that in the future.

It was just a pity that, looking at that little girl’s appearance, she probably accepted it with a false heart and was determined not to change her mind.

‘Good morning, brother.’ Lei Ling greeted as she sleepily rubbed her dazed eyes.

Lin Hao smoothed out Lei Ling's messy hair, 'If you're sleepy, go back to sleep for a while, it's still early.'

'Forget it, if my mum finds out, she'll definitely say something about me.' Lei Ling shook her head and went to wash her face and brush her teeth alone.

## Super Son-in-law Chapter 1845-1846

### Chapter 1845

At this time, Xu Kai hurriedly ran in, wiping the cold sweat from his forehead, 'That, Xuanyuan, something has happened, something big has happened.'

'Supervisor Xu, it's so early in the morning, look how anxious you are, what's happened?' Lin Hao looked at Xu Kai rather speechless, at least he was representing the Dragon Sect, how could he be so sullen?

'Something has happened to Wang Qian!' Xu Kai's face was very ugly.

When Lin Hao heard this, he was immediately happy, 'Haha, something happened to Wang Qian, it's good that something happened! Is he dead or crippled?'

When an enemy has an accident, that must be a happy thing, why does it feel like this Xu Kai is in mourning, this face is so lifeless.

'Not dead or maimed, just beaten up by someone.'

‘Oh, that’s a pity.’ Lin Hao’s tone looked a little disappointed.

‘It’s quite a pity.’ Xu Kai felt the same way, but reacted, speechless; ‘No, the point is not whether he died or not ah, something really happened ah, he auctioned off the collection from your auction, but ended up letting someone rob him just outside, and let someone beat him up.’

‘Hahahaha …….’ Lin Hao laughed then, this guy was unlucky enough, but didn’t Lin Hao see the Tibetan Green Short Sword at Qin Yuxin’s yesterday? Therefore who did this guy let beat him up, Lin Hao actually knew it by heart.

‘Don’t laugh ah, you quickly think of a way to solve it, these guys are blocking outside your Lin family’s door, solve it, this happened, is this not a slap in my face?’ As a result, Xu Kai the bastard couldn’t help himself from laughing there after he finished.

There is no way, Wang Qian is at least the head of a family, the Grand Master powerhouse. Who knew that he had just obtained the Spiritual Armament Hidden Green Short Sword at auction yesterday, because at one point in the auction, he had made Lin Hao so disgusted that he had no face to stay.

He left midway through the auction, only to have Qin Yuxin have someone rob him of his spirit weapon just as he left the house, and had him beaten up and thrown into the trash!

But Xu Kai had promised that the Golden Dragon Sect would guarantee the safety of all the winners of the live auction, so if something happened now, wouldn't that be a slap in Xu Kai's face?

The Xu family, the Dragon family and the Mountain Moving Sect are the three major sects that are exerting pressure on the Dragon Sect branch. The most important thing is that he knows that Lin Hao has the Dragon Master Order in his hand. headquarters is still reliable.

The result is now, Wang Qian with a large number of strong people, at this time blocked outside the door of the Lin family screaming, this matter is also related to the Lin family, otherwise according to the usual do so, it is estimated that long ago by Lin Yun rushed out to beat and then thrown again in the trash.

'Xuan Yuan young master ah, think of a way, my face hurts from this beating.' Xu Kai really had no other choice.

'You have to admit it even if it hurts, do you know who the person who did it is?' Lin Hao looked at Xu Kai with a smirk, 'I'm telling you, even if the Yuanwu Zhen Guards come, I guess I'll have to admit this matter.'

'That hard?' Xu Kai was dumbfounded, what then?

'It's alright, I'll handle it.' Lin Hao smiled heatedly, didn't this Wang Qian come to block the door of the Lin family? Since throwing a bin once wasn't enough, let him have another taste of being thrown into a bin.

Once he heard that Lin Hao was going to deal with it, Xu Kai thanked him profusely, this hot potato was finally thrown out, and whether it was resolved properly or not had nothing to do with him, Xu Kai.

When they arrived at the door, the remaining strong men of the Mountain Moving Sect were basically all here, over thirty of them, all fierce and furious with fierce expressions.

‘Lin Xuan Yuan get out!’

‘The Lin family is shameless! They’ve turned around and snatched back what they auctioned! No martial virtue! Shameless!’

‘Lin Xuan Yuan bastard! Get out of here! If you don’t come out, you’ll have to blame us for being rude!’

‘Lin Xuan Yuan, come out here! If you don’t give me an explanation, I, Wang Qian, will make sure that your Lin family will be left in the lurch today!’ Wang Qian cursed with a bruised nose and a swollen face. Although he looked miserable, his strength had not been affected, so it seemed that Qin Yuxin’s men had been very careful in their actions.

Chapter 1846

Lin Hao yawned and stretched lazily, ‘Shut up, if you make any more noise, I’ll throw you all in the trash.’

Bin!

Hearing that word, Wang Qian exploded in place!

‘Lin Xuan Yuan, you want to die!’ Wang Qian’s late Grand Master aura exploded without reservation, taking out the Soul Regent Bell and directly about to strike at Lin Hao.

Buzz!

An aura so powerful that it suffocated Wang Qian and the others fell with a bang as Lin Yun struck!

Wang Qian and the others were stunned by Lin Yun’s terrifying aura, unable to move for a moment, their faces were fierce, they wanted to eat Lin Hao alive, but under the suppression of Lin Yun’s aura, they didn’t dare to make a move, they were suffocating.

Wang Qian’s blood was rushing to his throat, but there was nothing he could do about it, he had never been so aggrieved and insulted in his life.

Lin Hao craned his neck and twisted his waist, looking at Wang Qian and the others incomparably leisurely, ‘Don’t look at me like that, I didn’t do it, but I know who fucked you Wang Qian in the trash.’

The last sentence, Lin Hao used all his strength to yell out, and every one of the people from the three great clans nearby could not hear him.

The damage was not high, the insult was so strong that Wang Qian almost died on the spot.

‘Alright, it’s true that our Lin family has some responsibility for this matter, but the main responsibility doesn’t lie with me, how about this, I’ll take you to the person who robbed you of your weapon.’ Lin Hao didn’t say anything and went straight to driving towards the Empress Bar.

Wang Qian’s face was cloudy, naturally he was angry that his weapon had been robbed, and he wanted to get it back and use it as an excuse to go to war with the Lin family again.

But Wang Qian is now in a difficult position. He was able to knock him unprepared and take the treasure.

Could he still get his stuff back ?

‘Sovereign, this, what can we do ?’

‘Yes, Sovereign, shall we leave ?’

Wang Qian gritted his teeth, 'If we don't go, do we think we're weak? Bastard, we must go! You guys inform the Xu Clan and the Dragon Sect to go and help out, I'll go there first.'

'Yes, Sovereign!'

.....

Lin Hao drove to a stop in front of the Empress Bar and didn't drive to the car park, Lin Hao had just gotten out of the car when his eyes were caught by a woman in front of the bar.

On the steps at the entrance of the Empress Bar, a wonderful woman was sitting on the steps crying, and there were two stray jerks around verbally molesting the woman.

Lin Hao saw this scene and walked over with a frown: 'What are you doing? Get lost, don't bully my sister.'

'You know who I am? Do you know who I am? The Queen's Street is my brother Biao's turf, so if you know what you're doing, get out of here and stop recognising your relatives!' The leader of the gang looked at Lin Hao with a disdainful face, staring at him with his head held high and nostrils.

The young man next to him, with his colorful hair, took out a butterfly knife from his pocket and played with it skillfully: 'Kid, Brother Biao? You dare to interfere with the woman you like? You dare to interfere with the woman you like, you are looking for death .....

Ka-ching!

The actual fact is that you can find a lot of people who are not able to get a good deal on a lot of things.

Lin Hao had never been soft on such people, but he had controlled the force and did not kill him, but he was sure to be in bed for a month.

With a thud, that so-called Brother Biao was scared out of his wits, he directly kneeled down to Lin Hao and kowtowed: ‘Brother, I’m wrong Brother, don’t hit me, don’t hit me, I, I’m wrong, I shouldn’t touch Brother’s woman, I’m wrong, from now on you’re my brother, I’m your little brother, dog leg, please don’t hit me.’

Brother Biao was terrified, could he afford to mess with someone who had taken out his little brother so cleanly?

‘Get lost, kneel down and slap a hundred times, one less slap and break a finger, if you don’t slap hard enough, I’ll break one of your legs!’ Lin Hao said indifferently.

## Super Son-in-law Chapter 1847-1848

### Chapter 1847

The voice was soft, but it sounded like thunder to Brother Biao, who didn’t dare to hesitate and hurriedly rolled his knife next to the lying junior, knelt down and cracked his face with a slap, that was hard and vicious, after all, compared to a broken finger or a broken leg, what is a harder slap?

In a short while, Biao's face was covered in blood, and this guy didn't feel any pain at all, he even said 'I was wrong' when he slapped him.

The woman crouching on the steps seemed to be deaf to all this, still crouching on the ground, hugging herself and crying.

Lin Hao could not bear to ask in a soft voice, 'Girl, are you alright? Did they bully you?'

'Oooh .....

It was better if I didn't say it, but as soon as I did, the girl cried even more harshly.

Lin Hao's face went cold as he turned his head to look at Brother Biao who was slapping himself, had the girl let these two bastards hawk her?

Seeing Lin Hao's gaze, Brother Biao almost didn't piss himself and kowtowed with a thud: 'Big brother, it's not my business ah, it's really not my business ah ..... we didn't do anything ah, she was crying here when we came, I saw she was pretty and wanted to comfort... ..No, no, I'll be honest, I just saw her pretty and wanted to pick her up, I really didn't do anything, it's not our business!'

'Oooh, it's none of their business.' The girl also said, then looked at Lin Hao, teary-eyed and pulling Lin Hao's hand, her pitiful look was quite heartbreaking, 'I, I drank too much yesterday, I woke up without my phone and wallet, I, my house is far from here.'

‘My name is Xiaorou, can you give me a ride home.’ The girl called Xiaorou, teary-eyed, took Lin Hao’s hand, that look was truly pitiful.

She was a good-looking girl, and it was light to lose her phone and wallet after drinking too much, and to be honest, it was lucky that she was okay.

Looking at the other party’s appearance, Lin Hao really couldn’t refuse and nodded: ‘Okay, but I’m here to do something, I’ll give you money, you go next door to the cafe and wait for me with a coffee.’

Lin Hao took out a hundred yuan and gave it to her. Xiao Rou thanked her profusely and gave Lin Hao a grateful hug, which Lin Hao didn’t care about at the time, but he didn’t know that this kind gesture almost caused a big problem.

Lin Hao watched Xiao Rou enter the cafe and soon after, Wang Qian got out of the car one by one with a group of people, all of them fierce and fierce, following Lin Hao, the Xu family and the Long family had also sent people to help.

When he saw this scene, Brother Biao, who hadn’t yet slapped himself, didn’t die of fright on the spot.

He was still thinking of gathering his hundred or eighty brothers to take revenge, but now that he looked at them, the idea was aborted on the spot, this bunch of fierce and fierce guys were his brothers? He suddenly felt that his little brothers were not up to par.

Lin Hao thought about it and walked up to Brother Biao, scaring Brother Biao into flinging himself even more vigorously, fearing that he had slapped him lightly and caught Lin Hao's attention.

‘All right, no need to fight, go watch that girl just now, don't let people give bullying, call someone to send your little brother to the hospital, can't die, behave peacefully in the future.’ After saying that, Lin Hao also ignored the dumbfounded Brother Biao and led a group of people into the Queen's Bar.

Leading these people all the way to the top floor of the Empress Bar, then stopped at the top lift entrance, the few bodyguards with powerful breath at the door looked at Lin Hao and bowed slightly, ‘Mr. Lin.’

Wang Qian didn't feel anything and cursed angrily to: 洱西零扒拂珊染洱?  
‘Wang Hao what the fuck do you mean? Didn't you bring me here to find the Hidden Green Short Sword? What did you bring me here for?’

‘Shut up!’ The people from the Long and Xu families, as well as those few Qin Yuxin's bodyguards, shouted angrily at Wang Qian at the same time.

Wang Qian was stunned, but even if he was stupid, he realized the seriousness of the problem.

‘Please tell your master that Lin Xuan Yuan and Wang Qian have come to pay their respects.’ Lin Hao was polite to the few bodyguards.

‘Okay, Mr. Lin, wait for a moment.’ One of the bodyguards opened the lift and left.

#### Chapter 1848

Wang Qian, however, had a bad feeling in his heart, he had heard something about the Queen’s Bar, there was actually space above the top floor of this Queen’s Bar, the people who could live up here, couldn’t they be simple? Most of all, those few bodyguards gave him a huge pressure, these few people were not simple in strength.

Especially when Wang Qian looked at the strong men from the Xu and Long families and found that their faces were incomparably grave, Wang Qian became even more apprehensive, this kid was afraid that he wasn’t deliberately pitting him, right?

Not long after, the bodyguard returned, and at their entrance, seven or eight bodyguards also suddenly walked in, instantly blocking the way they had come.

Buzz!

Immediately afterwards, a powerful pressure suddenly appeared, directly suppressing Wang Qian and the others from moving at all. This pressure was also clearly felt by Lin Hao, but it wasn’t directed at him, so he didn’t feel any pressure.

‘Make a move!’ The leading bodyguard waved his hand, and more than ten bodyguards, their Qi exploded out without reservation, none of them were below the Grand Master realm of power.

More than ten bodyguards quickly struck out, cracking and snapping a wild flattening, Wang Qian and the others were forced by Qin Yuxin’s intimidating pressure, they could not move at all, only? The only thing that they could do was to get out of the way. They could only be beaten passively.

In just five minutes’ time, the dozens of people Wang Qian had brought with him were all lying on the ground, wailing and screaming, their faces covered in blood, and each of their faces were swollen and bruised into pig heads.

It was the Xu and Long families who were spared, but those people were also covered in cold sweat and had a thankful look on their faces.

‘Lin Xuan Yuan! You mother fucker, you dare to swindle Laozi, you’re dead, I’ll get you, get you!’ Wang Qian had nowhere to vent his anger, he couldn’t beat these experts, mainly because they had someone behind them, so he had to vent all his efforts on Lin Hao.

The other people from the Moving Mountain Sect were also roaring in anger, their hateful eyes staring deadily at Lin Hao, clearly intending to settle scores after the fall.

‘How dare you insult Mr. Lin, it seems that the beating still didn’t hurt, keep on beating me! Then throw them all in the trash and pack them away!’ The leading bodyguard waved his hand once again, and a group of bodyguards swarmed up, beating Wang Qian and the others like wolves and tigers.

As for the Long and Xu families, they didn't dare to let out a single fart, or rather, the bodyguards had already given their families face by not doing anything to them.

A few minutes later, the only remaining members of the Mountain Moving Clan were all thrown into the bin like rubbish, and were then thoughtfully called for a rubbish truck to carry them away .....

The people from the Xu family and the Long family, who apologized, ran away in silence without saying a word, and after leaving, both had gloomy and ugly faces, after all, they had heard about the once of the one from the Queen's Bar and the one from the Lin family, they just didn't expect that the other party would come out to help Lin Xuan Yuan at this time after sealing the mountain for so long, this would make things troublesome.

'Mr. Lin, my master asks you to come up, the master is waiting for you in the study.' After dealing with the matter, the lead bodyguard came back and politely said to Lin Hao.

'Thank you.' Lin Hao went up to Qin Yuxin's residence and headed straight for the study.

Only as soon as Lin Hao pushed the door in, he backed out again in shock, because as soon as he entered, he saw Qin Yuxin with her feet resting on the table without any ladylike image, and she was wearing a long black dress, although he couldn't see anything, Lin Hao felt a bit abrupt after all.

‘Come in, why are you the same as your father.’ Qin Yuxin said in a somewhat complicated tone.

Lin Hao walked in stiffly, Qin Yuxin had already changed her posture and was sitting gracefully at her desk.

Lin Hao didn’t take the lead to speak, but first looked around and found that the word ‘Jing’ hanging in the study had changed a batch, the words no longer had the same strong resentment and hostility as before, instead there was a bit more softness and serenity, it seemed that Qin Yuxin’s mood had also changed a lot.

‘How does it feel?’ Qin Yunxin propped her head up with one hand and looked towards Lin Hao.

Lin Hao smiled, ‘It’s quite good, seeing Sister Qin in a better mood, happy for Sister Qin.’

‘Hehe, no big deal, I’m of the same generation as your aunt, you dare to call me sister? Call me godmother.’ Qin Yuxin’s danfeng eyes glared at Lin Hao.

## **Super Son-in-law Chapter 1849-1850**

### Chapter 1849

‘This ..... isn’t very good, is it?’ Lin Hao is speechless, just picking up a cheap godmother? Or the extra powerful kind.

‘Forget it if you don’t want to.’ Qin Yuxin did not force: ‘Well, go back, do whatever you want, no need to worry, if you think they are dancing too much? If you think they are jumping too much? then exterminate them.’

Then, then destroy them?

The big brother was really a big brother, that was one of the five hidden families, but Qin Yuxin said it in such a breezy, relaxed and casual manner, but it gave people a feeling of dominance.

Lin Hao opened his mouth but didn’t know what to say, in the end Lin Hao said nothing just thanked Qin Yuxin for what he had just done, as for what Qin Yuxin said, Lin Hao didn’t respond.

After Lin Hao left, Qin Yuxin had a faint smile on her face, ‘This little bastard is smart, he really deserves to be your son ..... ugh.’

I don’t know why, as she said that, Qin Yuxin actually sighed again.

Coming out of the Empress Bar, Lin Hao could no longer see Wang Qian and the others, and the Xu family was nowhere to be found, instead, Long Kai Tian was waiting at the door.

Lin Hao raised his eyebrows, ‘Isn’t this Young Master Long? Something’s up?’

‘Yes, something’s up.’ Long Kai Tian didn’t say anything and took out the invitation and handed it to Lin Hao: ‘In three days, the Long Family will invite the Jinling Family to a banquet to discuss the future of the Jinling Family, since Brother Lin is the young master of the Lin Family, therefore this invitation should be delivered to Brother Lin.’

To be honest, when he first met Long Kai Tian he didn’t think so, now Lin Hao felt that the more he looked at this bastard, the more hypocritical he became, it was obviously a Hongmen Banquet, but he had to say it in such a grand manner.

But even if they joined forces, the Lin family might not be afraid of them.

Lin Hao accepted the invitation, ‘I’ll accept the invitation, in three days, I’ll naturally be there on time.’

‘Brother Lin, farewell.’ Long Kai Tian quickly left, it was obvious that Long Kai Tian was also uncomfortable facing Lin Hao, although he hid it well on the surface.

Lin Hao turned his head and went to the cafe next to him, that Brother Biao was still bleeding from the corner of his nose and mouth, but insisted on guarding the door, when he saw Lin Hao coming, Brother Biao hurriedly went forward to greet and salute: ‘Hello big brother! Big brother, I’ve done everything you ordered me to do, nothing happened to that girl, don’t worry.’

‘Little brother, you’re back, just now he kept standing at the door, it scared me to death.’ Xiao Rou also saw Lin Hao coming over and hurriedly ran over, pulling Lin Hao’s hand,

her face full of apprehension and fear, apparently having Brother Biao staring at the side scared her, probably thinking that Brother Biao had come to look for trouble.

Although Biao did nothing and just stood at the door without saying anything.

‘Little brother, what’s your name? Have you finished with your business, are you going to send me home?’ Little Rou took Lin Hao’s hand, filled with an expectant look.

Lin Hao slightly broke away from Xiao Rou’s hand, his brow furrowed, he instinctively sensed that something wasn’t quite right, the sadness he felt before and the fear he felt just now were both very real.

However, the other party’s actions made Lin Hao feel that something was not right.

Xiao Rou also seemed to feel that her behaviour was inappropriate and smiled awkwardly at Lin Hao with a soft face, ‘Then, little brother, you can take me home.’

‘You wait for me for a moment.’ Lin Hao, however, did not reply and went inside the Empress Bar again, not long after, Lin Hao was followed by a bodyguard from Qin Yuxin’s side, Qin Yuxin’s people, Lin Hao trusted, not to mention that the other party was also an expert, so naturally he would not worry about the safety of this Little Rou.

The reason why Lin Hao did this was because he felt that this was not quite right, and also to avoid suspicion, after all, he was a man with a wife, so he naturally needed to pay some attention to things.

‘Brother Li, I’ll trouble you, just send this girl back.’ Lin Hao nodded his head towards the bodyguard in thanks.

‘Mr. Lin you’re welcome.’ The bodyguard smiled, then beckoned towards Xiao Rou, ‘Miss Xiao Rou, please come with me, I’ll take care of sending you home.’

‘No, little brother, I’m scared, I don’t dare to go back with him, I only trust you, you, can you take me back.’ Xiao Rou however refused and ran over, taking Lin Hao’s hand once again.

## Chapter 1850

It was also at this point that Lin Hao finally noticed something was wrong. Just as Xiao Rou was pulling Lin Hao’s hand, Lin Hao noticed a hint of something different, a flash of resentment in the other party’s eyes, even if it was a flash, Lin Hao had already noticed it.

Lin Hao unceremoniously broke away from the other party’s hand and turned to leave without the slightest hesitation.

‘This young lady, please follow me, I’ll drive you home.’ The bodyguard called Brother Li looked at Xiao Rou with a somewhat unkind gaze as well.

Xiao Rou waved her hand straight away, 'Forget it, it's not necessary.'

Xiao Rou also left with her, her purpose had been achieved, although it was still a bit worse than she had expected.

Xiao Rou wasn't sure if she wasn't pretty enough, didn't pretend to be soft enough, or if the other party had sensed something. But Rui thought that what she had in her hands was enough!

After leaving, Ziaorou went to see another person and gave that person a USB stick. If Lin Hao had been here, he would have recognised the person with whom Ziaorou had met.

Lin Hao also noticed that Xiao Rou had left alone, this woman really has a problem, but the other party is just an ordinary person, any scheming is just a paper tiger in front of absolute strength, Lin Hao did not have the idea to follow him.

On the contrary, when Lin Hao was about to leave, that Biao ran over: 'Brother, big brother, can you let little brother follow you in the future?'

Li Biao knelt directly in front of Lin Hao: 'Big brother, I didn't have a choice before, I want to be a good person now, big brother, please accept me.'

'Watch less brain-dead TV dramas, read more books, eat less snacks and sleep more.' Lin Hao was speechless, this guy knew the lines of the TV series by heart.

‘Yes, big brother commands, I will respect it 100%, from now on, I will read more books, eat less snacks and sleep more! Little brother dares to ask big brother his name!’

‘Lin Xuan Yuan.’ After saying that, Lin Hao stepped on the gas and rode off in the wind.

Li Biao, who was left in a mess in the wind, ‘Lin Xuan Yuan? Lin, the young master of the Lin family? Crap!’

Patriarchs entered the world, and now even ordinary people in Jinling knew about the five great families in Jinling, but ordinary people knew about them, and lived their lives the same way, there was no difference, these families were just too far away from ordinary people.

Therefore, the entry of Chinese clan masters into the world does not affect anything, how to live how to live, although the clan masters into the world, constant fighting, but in China, there is still the Dragon Gate constraints, the upper watch, but is to grasp the proportion.

As for foreign countries, the situation is completely different, chaos is not even too much, the strongest enslaved ordinary people, and even mass killings, so in such a comparison, China is really doing quite well in this regard.

Li Biao stood there for a moment, hesitating, not knowing whether he was dead set on Xiaorou or wanted a brick in the door, he thought, this Xiaorou seemed to like the boss, so why not go and set them up?

So Li Biao followed the direction that Xiao Rou left and quietly followed him.

Lin Hao returned to the Lin family, and the encounter on the way was rightly regarded as a minor incident, Lin Hao handed the invitation to Lin Yun.

When Lin Yun heard Lin Hao say that he had promised Long Kai Tian, Lin Yun said nothing and approved of Lin Hao.

When he returned to the courtyard, Lin Hao saw that Lei Ling was standing on the water just, with one foot on the edge of the tank in a horse stance, and the other foot? 西伍闭扒 洱染洱闭? Lin Hao was curious and watched from the sidelines, was this how Lei Ling normally practiced?

After watching for a while, seeing that Lei Ling had no intention of ending it for a while, Lin Hao simply cultivated the fifth form of the Seven Killings Divine Sword Duel, the unity of the human sword, at the side.

If this fifth form was practiced, the human sword would be united, and the sword intent and Lin Hao would fuse into one, not separating from each other, and the sword intent would reach a terrifying level, and it would be within reach to open the Heavenly Gate with a single sword.

One Sword Opens the Gate of Heaven is not a true opening of the gate of heaven, but a single sword strike that shatters the firmament and destabilizes space, as if a gate has been opened above the firmament.

The power was naturally terrifying, and most importantly, the Sixth Form had a tremendous restraining effect on the created domain.
