

Super Son-in-law Chapter 1851-1860

Chapter 1851

Three days passed in the blink of an eye, and it was finally time for the five great clans of Jinling to gather, this time led by the Long and Xu families, calling for a gathering of the five great clans to discuss their future plans, but to Lin Hao, it looked like a Hongmen Banquet, and the Long family was just a killing gun for the Xu family.

The venue was inside the five-star Bauhinia Hotel in Jinling, a luxurious and quaint hotel with a long history, with rows and rows of luxury cars parked at the entrance.

The people who could participate in the banquet were at least the children of the clan's direct lineage and the children of the elders of the side lineage, and an elder could bring at most two juniors, but after all, it was the five great clans, with their branches flourishing, and even with the restriction on the number of people to be brought, there were still more than 300 people here, and there were hardly any non-cultivators present.

Xu Fang Hua, Lin Rui went in with Lin Hao, while Lei Ling and Lin Yun were over at the Lei family, today, the Lin and Lei families attended the banquet, one to establish Lin Hao's position in the Lin family, while Lin Yun also intended to announce Lei Ling, the identity of the young master, to the public.

Hundreds of people gathered here, but the circle is clear, the hierarchy is clear, even if the same family, the first line and the side line, are not staying together, have their own small circle, almost the first line with the first line exchange, the side line with the side line a circle, in groups of three or five chatting, while the young people are following other young people a piece.

Of course, the young masters of the families are excluded.

The five big families, chatting peacefully and greeting each other, but Lin Hao did find many family enemies, but had to pretend to be very familiar, super good relationship, the whole is a large hypocritical business mutual blowing scene.

Xu Fang Hua and Lin Rui took Lin Hao, greeted with the first line of the five big families, met a lot of acquaintances, Xu Mao, the head of the Xu family, its Xu family young master, Xu Mao's son Xu Feng situation.

Both sides greeted each other with a leathery smile, but what surprised Lin Hao a little was that Xu Linglong had returned, Lin Hao's brow furrowed, this was recalled by the family? Who was responsible for the safety of the Skyfall Justice team over there?

Seeing Lin Hao looking over, Xu Linglong winked at Lin Hao, giving him a reassuring look, Lin Hao understood that it seemed that Xu Linglong had her arrangements, so he was relieved.

Finally, he also greeted Lei Ling, Long Kai Tian and the others, as well as Yun Ruo, the young master of the Yun family. Yun Ruo even laughed and teased whether Lin Hao was perfunctory in his words at the auction house last time, and why he hadn't said hello to him, Yun Ruo, even after so many days.

The Yun family intends to befriend the Lin family, Lin Hao also feel out, and Yun Ruo to Lin Hao's feeling is not bad, Lin Hao did not resent.

Of course, the good feeling here is just a simple feeling, not mixed with any male and female love in it.

Lin Hao originally did not like this kind of occasion, but with Xu Fang Hua and others, plus the other party intentionally want to let himself contact people these people, already implicitly Lin Hao as the future power of the Lin family to promote.

On the surface everyone is happy and harmonious, but secretly how many people want to strangle each other that is not easy to say.

Originally, Lin Hao had already found this all a bit tiresome, but unfortunately, some people just didn't want to let Lin Hao be at peace.

'Brother Lin, it's been a long time.' Long Kai Tian walked up smilingly, followed by Xu Linglong as well as Yun Ruo next to him.

Lin Hao's brow furrowed slightly, he had to admire this guy, hypocritical, hypocritical enough.

Lin Hao nodded as a greeting, to be honest, he just didn't really want to pay attention to this guy, Xu Linglong, who was beside him, opened her mouth, but in the end didn't say anything, but it was Yun Ruo who blithely winked at Lin Hao, looking a little playful and cute.

Long Kai Tian sneered in his heart, ‘Look at you pretending, let’s see if you can still pretend later!’

When you turn over the car later, see how you die, huh,? 地陸西珊伍零遮西?
After Xu Linglong saw what Lin Hao was really like, how much Xu Linglong liked him now would be how much she would hate him later.

Chapter 1852

At this time, Xu Linglong is at her most vulnerable, and there is absolutely no possibility with Lin Hao, so he, Long Kai Tian, might have entered Xu Linglong’s heart.

He would be able to disgust his enemy and gain the goddess’s peace of mind, killing two birds with one stone.

Long Kai Tian could not help but praise himself.

Unfortunately, if Long Kai Tian knew the truth, I wonder if he would still be so complacent.

Long Kai Tian saw Lin Hao’s cold attitude, but he didn’t care about that, he still smilingly spoke to Lin Hao: ‘Brother Lin, I am not an insensitive person, we are all brothers, Linglong is my goddess, I love her even more than myself, but the falling flower has no love, and Brother Lin is my brother, if you two truly love each other, I will fulfill you.’

‘To love someone, you don’t really need to get her, if she gets happiness, I’ll be happy too.’

Long Kai Tian’s words were even more clever than a profound confession of love, a complete image of a fulfilled brother, cutting off true love, plus with this kind of padding, when Lin Hao’s character collapses later, won’t his image of Long Kai Tian come out even more!

Yun Ruo gave Long Kai Tian a puzzled look and frowned slightly, knowing that the matter was not simple, Long Kai Tian would not be so kind, much less so generous.

It was Xu Linglong who was embarrassed by his whole, blushing slightly and looking somewhat at a loss for words. It wasn’t because of other factors, it was simply embarrassment, after all, how much Shen Xiyan and Lin Hao loved each other, Xu Linglong knew it first hand, not to mention that she treated Lin Hao more as a friend, and what she did before was all a task arranged by Chen Bei Xuan ah.

If Lin Hao didn’t have a girlfriend and wasn’t married, Xu Linglong might really fall in love with Lin Hao, but if he was married, Xu Linglong would never be able to do such a thing.

Lin Hao is speechless, Long Kai Tian is really fucking hypocritical, but the other party has said this, how can Lin Hao not cooperate with the other party to play a big show?

And Lin Hao had vaguely sensed that something was not quite right, then Lin Hao walked over, one on each side, placed his hands on Yun Ruo’s shoulder and Xu Linglong’s shoulder respectively, and smiled with a slightly frivolous expression: ‘Thank you, young Long, your withdrawal makes me very happy, don’t worry, I will treat your goddess well, I will take

care of your goddess for you, by the way, Xiao Ruo is also your friend, right? I'll take care of your friend as well.'

Long Kai Tian: ????

'What the hell, is this kid crazy? In front of Xu Linglong, he even went to hook up with Yun Ruo!'

'But it's good, Yun Ruo is a Yun Family Zhuge in the world, such a smart woman, not just any man would dare to like her.'

Xu Linglong and Yun Ruo were both stunned, especially Yun Ruo, this shouldn't be any of her business, what does this mean?

But Yun Ruo was not very old, but she was exceptionally intelligent and had an exquisite heart, with a little thought she knew she should play along with Lin Hao, Yun Ruo was very cooperative, a touch of shyness flashed across her face, 'Brother Xuanyuan, why did you say it out loud, sister Linglong should be upset.'

Xu Linglong was not stupid, she also quickly reacted, smiled softly, and even more intimately took Yun Ruo's hand: 'Xiao Ruo, you have called me sister, how can I be angry? From now on, we are good sisters, we can't add to brother Xuan Yuan's troubles, we must be harmonious.'

Long Kai Tian was dumbfounded, shocked!

Sitting up in shock from a dying illness, the clown is actually myself

Long Kai Tian was going crazy!

Inside, he was hissing and roaring madly!

Impossible!

Who is Xu Linglong? Xu family's heavenly daughter, high cool female martial goddess, immortal who does not eat fire and smoke, why would she be so tolerant and actually tolerate sharing her man with someone else?

No? Shan Yi Yi Shan Xi Pao Yi Zhai?!

At this moment, Long Kai Tian's mood was instantly bleeped. How to describe it, it was like suddenly finding out one day that fairies can also poop and fart just as hard to accept.

Super Son-in-law Chapter 1853-1854

Chapter 1853

Well, that's very graphic!

What makes Long Kai Tian doubt his life even more is that Yun Ruo is very beautiful and although he is an ordinary person, he wants to get it but does not dare to act on it, or even respect it, just because this woman is too smart, so smart that it scares men.

And how did this bastard dare to make a move? And how could Yun Ruo, who was also so proud, tolerate Lin Hao acting so recklessly!

‘Brother Lin! How could you be so shameless, I treated you as a brother and gave you my most beloved goddess, but why didn’t you cherish it! If you do this, even if you are a brother, I will not give Xu Linglong to you! I cannot tolerate my goddess being unhappy and unhappy!’

True. Hypocrisy!

High ranking!

Lin Hao did not expect that Long Kai Tian this can tolerate, and also able to break the situation so cleverly, moreover, Lin Hao instead became the actual scum of the earth, not to mention that so many people gathered around, after all, where the beauty is, the distance of the people naturally more.

The situation here they heard everything, around at once began? Closed zero dye ai dyed ai wu service? Discussed up, many people began to blame Lin Hao, angrily scolded scum, some even lamented, good goddess, eyes said blind, but really too bad.

‘Young Long, I’m really sorry.’ Lin Hao apologised with an apologetic face, then his words changed: ‘Since Young Long has said so, this brother of yours, I don’t want it either. Your goddess, I can have it if I want it’

Poof!

Long Kai Tian spat out a mouthful of old blood.

At the side, Yun Ruo and Xu Linglong had a stern face, so serious that they couldn’t help it, they almost couldn’t hold back their laughter, this guy Lin Hao was too damaged.

Xu Linglong even couldn’t help but add a handful of firewood and looked at Long Kai Tian: ‘Young Long, I’m not an item, there’s no need for you to let around, who I like is my business, it’s none of your business.’

‘Besides, I appreciate your concern, I’m happy and equally happy with brother Xuan Yuan.’

Another mouthful of old blood rushed straight to Long Kai Tian’s throat, hard enough for him to swallow, his face full of loss, ‘Linglong, as long as you are happy, I will be at ease, no matter what you do.’

On the surface, Long Kai Tian had already greeted the ancestors of these people, but Long Kai Tian was not in a hurry, after all, the good show had not yet been staged.

The situation here naturally attracted the attention of countless people, and Lin Rui cursed and scolded, 'What's the matter with this little bastard? Where does he put the face of the Lin family? No, we can't just let this guy fool around.'

Even the rich and powerful know that at their level, face is more important than anything, let alone family, let alone these hidden families!

But before Lin Rui could walk over, he was directly dragged back by Xu Fanghua: 'Shut up, what's your business? Go back and stay there, or else I'll see if I dare to beat you up in public, you bastard!'

Lin Rui was so aggrieved that he wanted to die, if I was a son of a bitch, then what are you, mother?

You can't scold your son like that. Besides, you're so recklessly spoiling that little bastard, have you ever considered your own son's feelings?

After living in the Lin family for more than a hundred years ah, at this moment Lin Rui want to go for paternity test, he suspected that, perhaps, he is Xu Fang Hua to go to the vegetable market to buy seasonings attached

Yun Feng, the head of the Yun family, saw this scene frowned up, but he did not say anything, his daughter is how smart existence, he knows best, just let Yun Feng quite baffled, this girl today and what to do?

The other members of the Yun family became dissatisfied, they were already dissatisfied with the fact that Yun Ruo, a woman, had become the young master, and they were also very dissatisfied with the issue of openly supporting the Lin and Lei families, and now this dissatisfaction has reached an unprecedented level.

Xu Buwei, the head of the Xu family, had a gloomy face and walked over quickly. A woman from a side family had damaged the Xu family's reputation and even helped the Xu family's enemies.

Xu Buwei was about to speak up and reprimand Xu Linglong, when suddenly a beautiful woman came running in with a baby in her arms and knelt down in front of Lin Hao, holding the baby in one hand and hugging Lin Hao's thigh with the other: 'Honey, I was wrong, please don't abandon us, can you? I'm really wrong, but the child is innocent, it's our love, it's our bloodline, I don't want the child to be called a fatherless child in the future, I don't want to get a divorce, oooh

Chapter 1854

'Crap! What a fucking animal! This man is too scum, isn't he?'

'That's right, this guy was already married and had a child before he came back, but then he knew he was a member of the Lin family, so he decided to abandon his wife and child and come back to hook up with the Xu family goddess and Yun Ruo? Feck, scum! Damn slag, and also, those two women from the Xu and Yun families, they are also blind!'

'What a beast! But why am I somehow happy watching this? I'm afraid the Lin family's reputation will be in tatters today!' Lin Yao Yan laughed coldly when he saw this scene,

how relieved he was to see it, he even wanted to jump out and scold Xu Fang Hua right now, ‘Old Madam, see, you are really blind, the position of young master is not given to me, but to this beastly son of a bitch, the Lin family’s reputation will also be tarnished along with it!’

‘Xu Linglong! Get your ass back here! Aren’t you ashamed enough!’ Xu Buwei, the head of the Xu family, could no longer hold back his anger, ‘From today onwards, Xu Linglong is grounded for one year and is not allowed to leave the Xu family, all matters will be arranged by the Xu family, Xu Linglong’s parents are all dismissed and all participation in family affairs is eliminated!’

This sentence was tantamount to directly declaring Xu Linglong’s family’s death sentence, considered to be completely marginalized!

Long Kai Tian wanted to speak up to dissuade him, but on second thought, he was overjoyed, Xu Linglong had everything arranged by the Xu family, so of course that included the marriage. In addition, this Xu Linglong realizes Lin Hao’s slaggy nature, so he can take advantage of the situation and not only get Xu Linglong’s heart, but also get Xu Linglong’s person!

Yun Feng, the head of the Yun family, wanted to speak but chose to remain silent in the end, but the rest of the Xu family raged against Lin Hao, while blaming Yun Ruo, and even more so, putting enormous pressure on Yun Feng to remove Yun Ruo from the position of young master!

‘Lin Xuan Yuan! You son of a bitch! Look what you’ve done, if you don’t explain yourself clearly today, you’ll get the hell out of the Lin family!’ Lin Rui was so angry that he completely stormed out, he was already a little angry earlier, now he was even angrier? The first thing he did was to get angry. He was so determined to maintain the reputation of the Lin family, and even more so to contribute to the Lin family, but in the end, he let this kid ruin it, could he not be angry? Even if it was his own son, Lin Rui would have treated him the same way!

Just as Lin Rui finished speaking, Xu Fanghua slapped Lin Rui on the head: ‘Shut up, what’s your business? Stay away!’

The calf protector had been stoned!

Of those present, Yun Ruo’s expression was as normal, while Xu Linglong was a little angry.

How could Lin Hao do something wrong to sister-in-law Xiyan?

Sister-in-law Xiyan trusted you so much, trusted you so much, but you’re already married to someone else outside and have a child!

How could you go so far!

The only one who was calm and collected besides Long Kai Tian, that was Lin Hao, the moment he saw this woman holding a child appear, Lin Hao was speechless.

When this woman contacted him, he also noticed the problem in time, he just didn’t know the purpose of the other party.

But now Lin Hao completely understood, through just now Long Kai Tian's behavior, plus now this woman appeared, Lin Hao understood ah. These people were in cahoots, things were getting lively now, and didn't this Long Kai Tian just want to completely stink him up?

That's right, at this moment, the woman who was holding her child and still hugging Lin Hao's thighs and crying, begging him not to abandon her was no other than the woman who was bullied by Li Biao in front of the Queen's Bar a few days ago, Xiao Rou!

So the moment Xiao Rou appeared, he knew the truth of the matter, so Lin Hao didn't mind making this matter a bit bigger, after all, it wouldn't be him who had no way to end it then.

'Get lost, I don't know you.' Lin Hao deliberately acted like his face was a little flustered, 'Go away, I don't know you, don't you slander me!'

Only the more Lin Hao said, the more flustered his face became.

'No, husband, don't abandon me okay, just promise not to abandon us mother and daughter, I don't mind if you have other women, please don't abandon me.' The teary-eyed Xiao Rou begged bitterly, and acted even more humble.

Super Son-in-law Chapter 1855-1856

Chapter 1855

Lin Hao secretly sighed, Mud, the performance was spot on, if I didn't know the truth, I would have almost believed you!

Lin Hao even wanted to remind Long Kai Tian on the spot: brother, this actor's acting skills are spot on, remember to give someone more for the performance fee when you go back.

'Lin Xuan Yuan! How on earth do you explain this matter! Say, did this woman set you up!' Lin Rui's face was as gloomy as water, he really wanted to give Lin Hao a violent beating on the spot, only that Lin Rui also gradually sensed that something wasn't quite right.

Because he already knew before that Lin Hao was his real name, he naturally knew that he had an even more beautiful wife, who was pregnant and even had a hundred billion dollar group, as for this woman called Xiao Rou, Lin Rui felt that there was something wrong.

'Lin Xuan Yuan is really a slag, now let's see what he does, hehe, people have brought their children to the door, it seems he won't be able to hook up with Yun Ruo and Xu Linglong.'

'Hehe, let's see how the Lin family will end up this time, to run into such a first son, it's also because the Lin family's luck is failing ah.'

'Am I the only one who feels that young Long is handsome? And poised, he even gave up his goddess, only to find out that Lin Xuan Yuan is a scum.'

'I support Young Long and Xu Linglong to be together, she Xu Linglong a daughter of a side line, Young Long is the young master of the Long family!'

‘Yes, I also support it, Young Long is much better than that scum!’ In such a situation, Lin Hao was almost a rat in the street, everyone shouted at him, even as the crowd shouted that the scum must die, they didn’t forget to praise Long Kai Tian.

Apart from a portion of people who were watching the situation, there were also people from the Xu and Long families, plus some existences who wanted to attach themselves to them, helping out.

The key thing was that the Lin family was not in the right, which left the people from the Lin and Lei families with no way to speak up, and they were even a little speechless towards Lin Hao.

Of course, it is not that there were no smart people present, but they just pretended not to know.

In life, it is hard to be confused, isn’t it?

Long Kai Tian, on the other hand, drifted a bit and hurriedly waved his hands, ‘Don’t say that everyone, I just want to prove how scummy this scum really is, I don’t want my goddess to be deceived by a beast, I’m just a humble licking dog who gives everything for his goddess ah.’

‘Well, a licking dog licks until he ends up with nothing, I admire young Long’s licking dog character very much.’ Lin Hao laughed, it was time to expose this guy’s hypocrisy, at the same time Lin Hao didn’t play to disgust the other party: ‘But you’re quite pathetic, young

Long, you're a spare tire at best, not to mention that the goddess probably doesn't even see much of it, it's not as good as a jack and a tripod.'

'After all, people can get on the car, you a spare tire, can?'

God damned if the spare tire can't get on the car, it's miserable

Long Kai Tian was disliked by Lin Hao almost did not burst foul mouth on the spot, eventually or hold back, Long Kai Tian coldly grunted to: 'Lin Xuan Yuan, to this time you still have the heart to talk about me?'

'Or what? Oh, by the way, this actor you hired is quite dedicated, just a bit deep into the scene, remember to go back and work on your salary.' Lin Hao has a calm face, not the slightest? Covering whisker Lu closed Xi Ai Xi Wu? The first thing you need to do is to get a good idea of what you're doing.

It was Long Kai Tian and Xiao Rou who panicked a bit instead.

But soon the two of them calmed down again, with solid evidence, what was there to worry about?

'I'm sorry, I'm sorry Lin Shao, I was mistaken, I shouldn't have shown up here, I'm really sorry for causing you trouble.' Qin Xiaorou suddenly stood up and gave Lin Hao a pitiful apology, but the sadness and love in her eyes, almost a fool would be able to see that this Qin Xiaorou was saying this so as not to affect Lin Hao's reputation.

This move by Qin Xiaorou to retreat into the future made more people decide that Lin Hao was a hunger strike slag!

This is a brilliant move!

With this move of Qin Xiaorou's now, Long Kai Tian thought to himself, 'Yes, this acting skill is bullish, it seems that he really has to consider doubling her appearance fee when he goes back.

'Qin Xiaorou! How can you trample yourself like that? This scum has treated you so badly, why do you have to condescend yourself for his face? Look everyone, this is the evidence!' Long Kai Tian took out a USB stick and inserted it into the notebook handed over by the assistant next to him. It just so happened that this banquet hall was equipped with a projector, so perhaps, it was something Long Kai Tian had prepared a long time ago.

Chapter 1856

Soon, a shocking scene appeared on the screen.

In fact, this scene was already known to Lin Hao, naturally it was the scene in front of the Empress Bar.

First, Lin Hao rushed up and relieved Qin Xiaorou, who instantly jumped into Lin Hao's arms, and most crucially, Lin Hao responded by gently patting Qin Xiaorou's back.

Just ask, who would be interested in a? The actual fact is that you can find a lot of people who are not able to get a good deal on this. A strange woman who cares so much and acts so much?

The content is not much, but definitely shocking enough, there is even a series of records of going to the hotel, as well as some transfer records and so on.

‘Scum! Must die!’

‘This beast, what qualifications does he have to be the young master of the Lin family!?’

‘Bastard, I’ll beat you to death! You dare to bully my cousin, son of a bitch, I’ll kill you!’ At this time, Lin YaoYan’s wife Qin Bingyu rushed out with a fierce face, the aura of a Patriarch on her body showing through, and attacked towards Lin Hao without mercy.

‘Lin Xuanyuan, you dare to bully my wife’s cousin, I, Lin Yaoyan, will never let you go!’ At this time Lin Yaoyan also rushed out.

Many people were gloating and watching the show, even the people from the Lin family and the Lei family didn’t mean to help, the evidence was overwhelming, the evidence was all there, not to mention that they were not in the right, how could they make a move?

Lin Yun and Xu Fang Hua's eyes suddenly turned cold and they were about to make a move when Lin Hao's powerful Qi exploded!

Although his realm was only at the peak of the Patriarchate, the aura that burst out was not even a tenth of that of Lin Yao Yan, who was at the early stage of the Grand Patriarchate.

Boom!

Two sword qi blasted out, directly throwing Lin Yaoyan and Qin Bingyu out of the sky, followed by an explosion of sword qi.

The terrifying sword qi wreaked havoc on the whole place, and all the martial artists present were basically martial artists, so they sent out their qi to protect their surroundings, but the banquet site was not able to withstand it, as the terrifying sword qi wreaked havoc on the ground.

Qin Bingyu and Lin Yaoyan, the husband and wife, vomited blood and were badly injured, trying to get up several times but unable to do so.

Lin Hao had already held back his hand, otherwise with his current strength, killing them both on the spot would have been a mere thought.

'Lin Xuan Yuan! You seek death!' Lin YaoYan's father, Lin Feng's terrifying aura erupted out, and fiercely stepped forward to make a move against Lin Hao, while the strongest

members of the Xu Family and the Long Family erupted with terrifying energy and quickly rushed out.

The strong men of the Lin and Lei families had ugly faces, although Lin Hao's actions really made them angry, but this was no longer Lin Hao's matter, but the family's matter, so the strong men of the two families also burst out their auras and stood out.

'The people of the Yun family listen to the order!' Yun Feng hesitated for half a second, but when he saw the look his daughter gave him, he immediately gritted his teeth, shouted angrily and similarly rushed out, standing directly beside the two Lei Lin families.

'Yun Feng! Are you trying to make an enemy of my Xu Family and the Long Family?' Xu Buwei shouted angrily, his terrifying aura of Xuan Master level booming towards the Yun Clan and suppressing it.

The people of the Yun Family, those who were slightly weaker, spat blood and burst back, their faces horrified, while those who were slightly stronger, their faces turned red as they struggled to hold on.

Buzz!

Lin Yun, Xu Fanghua and that Xuan Master level elder from the Lei family took a step forward at the same time, just a simple step, but that terrifying pressure like a landslide swept over them, easily dispersing the suppression on Xu Buwei's body in the Yun family, and also rushed towards Xu Buwei like a fierce tiger descending a mountain.

‘What? A matter between juniors, and the Xu Family Master wants to interfere? In that case, the Xu Family is intending to use this as an excuse to provoke a five clans war?’ Lin Yun’s mature and feminine face revealed a touch of moroseness, the domineering aura of a superior being revealed at this moment.

Xu Buwei stifled a grunt and took a slight step backwards without a trace, he was still a step weaker in this contest of aura, while the only strong Xuan Master of the Long Family, the Long Family Head and the other Xuan Master Elder of the Xu Family also came up to stand beside Xu Buwei, neither side obeying the other.

‘Lin Yun, are you making a big deal out of this? What Lin Xuan Yuan has done is not invisible to everyone present, so he is still arrogant and domineering, I am just trying to teach him a small lesson.’ Xu Buwei spoke eloquently, with two powerful people by his side, he was not vain.

Super Son-in-law Chapter 1857-1858

Chapter 1857

The faces of the Yun family’s affiliates were darkened: you fucking taught that kid a lesson, so what are you doing pressuring our Yun family with your aura?

‘Clan Master Xu, did Young Master Lin eat your rice? It’s none of your business if he’s arrogant and domineering!’ Yun Ruo light? Yifu Fuyu zero steak er cover dye? said indifferently.

But at this moment Yun Ruo this sentence, Wan like a thunderbolt exploded, the Yun family people all over the body cold.

The actual fact is that you'll be able to get a lot more than just a few of these. If you dislike Xu Buwei at this time, are you afraid you want to die?

Lin Hao was also stunned, this sister, I don't know if she's smart, she's also a bit pugnacious!

'You want to die!' Xu Buwei looked furious, his aura completely exploded, the whole banquet hall was like a fierce wind passing through, when the Xuan Master was angry the world changed colour!

'Am I not telling the truth? What's more, these videos are proof that this person is Young Master Lin's wife? That this child is his?' Yun Ruo remained calm and collected, even though her father's face was frightened and apprehensive, she was not afraid, she wanted to gamble, if she lost, the Yun family would go up in smoke!

If she won, she would have something to talk about.

Xu Buwei didn't care about that. Those who offended the Xuan masters would die!

However, Lin Yun stood out, 'Since this is a matter for the juniors, then the juniors will have to deal with it, so we should not get involved.'

As soon as Lin Yun's words came out, everyone shut up. Anyone with a discerning eye could see that there was nothing wrong with Lin Yun's words, but there was also an implication of favouring Lin Hao and Yun Ruo.

The only thing that made her happy was Lin Yun's attitude, and Yun Ruo's heart was secretly happy, probably, she had bet right.

'Hmph, no matter what, this matter, if I don't have a satisfactory answer, I will never rest in peace!' Xu Buwei's face was gloomy, but the terrifying aura on his body had been collected a little.

Lin Hao came back to his senses and was a little surprised again, it was reasonable to say that a woman as intelligent as Yun Ruo wouldn't do something so reckless.

I'm afraid, she did it on purpose!

Yun Ruo walked up to Qin Xiaorou: 'Your name is Qin Xiaorou?'

'Yes.' Qin Xiaorou was slightly at a loss under Yun Ruo's gaze that looked through her heart, this woman's eyes were too sharp.

'You're Lin Xuan Yuan's wife? How long have you known each other? When did you meet?'

'When is Lin Xuan Yuan's birthday? And what's his micro signal?'

These were some of the more deadly questions that people who were not very familiar with would not know at all, but if Qin Xiaorou could not answer them, then nothing more needed to be said.

‘I’m Lin Xuan Yuan’s wife, we’ve known each other for two years, it was two years ago on the 8th of February. Xuan Yuan did not tell me my birthday, he said the birthday on his ID card was fake, he said his identity was not simple, for security, he did not tell me and did not let me add his WeChat, it was to keep it a secret, I always believed that we contacted each other with our mobile phones.’ Said Qin Xiaorou took out her mobile phone address book to show Yunruo, there was a number, recently called dozens of times were refused to answer, further flip can not be turned.

‘I haven’t seen Xuan Yuan for quite a long time, I miss him so much, and his calls are not answered, so I came to look for him. I really miss him too much.’

Not to mention, Qin Xiaorou’s pitiful and pitying appearance of missing her husband made many people believe her words, although they were somewhat flawed, but if Lin Hao was a slag, then it would be understandable to operate like that.

On the contrary, many people felt pity for Qin Xiaorou and that Lin Hao was a scum.

But in fact, is this really the case?

Yun Ruo was even a little surprised that this woman was quite clever to know how to hit back.

Even Lin Hao was incomparably surprised.

‘Fine, then let’s say that all of this is true, then how did you know that Lin Xuan Yuan was here? Also, since you’re so confident, then it’s fine with you to let Lin Xuan Yuan and your child do a personal identification, right?’ Yun Ruo said indifferently, still having his mind made up.

It’s over!

Yun Ruo panicked, this damn, should not have listened to Long Kai Tian, looking for a child to bring here, if there was no such child to bring here, maybe it would not be caught by the other side, Long Kai Tian was also a stupid person.

Chapter 1858

Incidentally, the old lady was also pitted.

But when Qin Xiaorou thought about it, this appraisal would still take some time, so appraisal it is, but Qin Xiaorou was just about to answer when Yun Ruo seemed to be able to read her mind and spoke directly ‘Don’t worry, it won’t take long, I can have them bring someone over right away, the results will be out within three hours.’

Three hours!

Qin Xiaorou was really panicking, since the results could be ready in three hours, how could she possibly have a chance to retreat?

‘Boss, boss, let me in quickly boss, I want to show you something!’ A shout rang out from outside, the voice sounded slightly familiar to Lin Hao.

‘My boss is the young master of the Lin family, let me in, let me in quickly!’

Crap!

Lin Hao reacted, it was that bastard Li Biao from the Queen’s street?

At Lin Hao’s instigation, Li Biao finally came in and couldn’t wait to run over when he saw Lin Hao, then his mobile phone was handed to Lin Hao: ‘Boss, you don’t know what you’ve found! Look at this!’

Lin Hao was puzzled and took the phone? 依意地西拂意陆洱? He turned his head and saw Qin Xiaorou standing there with a child in her arms, standing pitifully, and was confused, his eyes widening: ‘Damn, why are you here, you bitch! Did I still come late?’

Li Biao had learned the secret a few days ago, he had been trying to find Lin Hao, but he couldn’t see anyone, he didn’t even know where the Lin family was until a buddy, who was the lobby manager at this hotel, told him about the family gathering here, so Li Biao chased him over.

In addition to showing loyalty, but also want to hug the thigh, just wait for Li Biao to come, as if seems to let them treacherous plan ah ?

Then look at the scene of the party full of wreckage, Li Biao almost did not throw himself two slaps, he is not delaying things ?

‘No, it’s not late at all, it’s just right.’ Lin Hao had finished watching the video and smiled, laughing heartily.

Although he had a solution to the matter at hand, this video in his hand was much more convincing than his solution.

Lin Hao didn’t say anything, he directly took Li Biao’s phone over and used the laptop that Long Kai Tian hadn’t taken away just now, and connected it directly, then the image appeared on the big screen.

An elegant cafe in the background, although the sound is a bit noisy, two people appear inside, it is Qin Bingyu and Long Kaitian, although the distance is a bit far, but Li Biao this kid’s phone pixel is good, filming really real, just two people talking is not very clear to hear.

But in the video, when the two were talking, they really looked like wolves, especially Long Kaitian’s treacherous look, which made everyone confused.

Although the two men could not hear the conversation clearly, they could still intermittently hear some of them, such as the video of Lin Xuan Yuan's death and fame, and how much money was involved.

Not much could be heard, but with a little analysis, one would probably know, right?

The video has sound, so it's much more convincing than the video of Long Kai Tian, which doesn't even dare to have sound.

Qin Xiaorou's head exploded with a bang.

This, how was this different from what was expected? She was actually being followed!

Pop!

Qin Xiaorou's face was suddenly slapped, and two teeth were knocked out.

'Bitch! So this was all a set up by you to frame my brother Lin, so you are a despicable and shameless bitch!' No one expected that Long Kai Tian would directly hit Qin Xiaorou, and even more so, he shrugged everything off: 'This bitch came to me that day and showed me that video just now, he compelled me to say that Lin Hao had given her a lot of money, but Brother Lin didn't want her and told her to stop looking for her, but this bitch refused and said she wanted Brother Lin to lose his reputation!'

‘I am also a victim ah, plus I love Linglong deeply, so I can’t let Linglong be cheated ah.’ After saying that Long Kai Tian gave Lin Hao another deep bow, ‘I’m sorry Brother Lin, I misunderstood you, I’m not human, I apologize to you.’

Super Son-in-law Chapter 1859-1860

Chapter 1859

After saying that Long Kaitian also did not forget to kick Qin Xiaorou, Qin Xiaorou directly to the kick fainted, so Qin Xiaorou even have the opportunity to retort.

Everyone was stunned, many people really believed Long Kai Tian’s words, oh, so Lin Xuan Yuan was misunderstood, Long Kai Tian is also a victim, in fact, that Qin Xiaorou is the real culprit!

Lin Hao did not even think, Long Kai Tian this hand played a wonderful ah, Lin Hao is also angry laugh: ‘Long hypocrisy ah Long hypocrisy, you are not only not human, or really dog.’

‘You’ Long Kai Tian forced to suppress his anger: ‘Brother Lin, brother I was really wrong, I apologize to you, the so-called women like clothes, brothers like hands and feet, you will not turn against your brother for a woman, right?’

‘Linglong he scolded you hear?’ Lin Hao grin.

Xu Linglong even very cooperative dead glare at Long Kai Tian.

Long Kai Tian immediately want to die, this is a very explosive mentality ah!

At this time, Lin Hao's hand behind his back, suddenly let someone stuffed a thing in his hand, Lin Hao froze, subconsciously glanced at the next Yun Ruo, this thing was given by her.

See Lin Hao look over, Yun Ruo faint smile.

Lin Hao took a look at the flash drive in his hand and suddenly realized, then, Lin Hao put the flash drive into the computer, which only had a video file.

This time, the video is exactly the same as the video scene given by Li Biao, only clearer, the angle is not quite the same, but obviously professional equipment, and Qin Xiaorou talking to Long Kaitian's voice clear as day.

Long Kaitian also panicked, this, this damn, feelings just beat Qin Xiaorou a beating, for nothing?

The crowd at the scene, the face inexplicable, but also some people look extremely ugly, not everyone is stupid, looking at Long Kaitian's eyes full of ridicule, as if to see a self-guided fool, acting half a day but did not find the result of being played like a monkey.

‘It’s not like that, Brother Lin, listen to me, this is all slander, this video is definitely a synthetic ah. Brother Lin you believe me ah.’ Long Kaitian’s scalp tingled, he knew that if this matter was handled well, Lin Hao’s reputation would be ruined, and he might even be ostracized within the Lin family, and the position of young master would be considered ruined.

The most important thing is that his image in Xu Linglong’s heart is absolutely ruined ah.

But if the operation is not done properly, then the body may be his reputation, the Long family may not be able to protect him.

Lin Hao did not say anything, smiling and looking at Long Kai Tian argue, no one on the sidelines said.

Hiccup!

The scene is relatively quiet, and the corner, suddenly sounded a hiccup, such an environment, this hiccup, can be said to be a thunderclap, almost all those present, looked to the corner.

Only then did everyone realize that there was actually an intact dining table in the corner, and the table was swept away!

With so many people looking over, Lei Ling awkwardly touched his round little belly: ‘That, what happened?’

That dumb and cute, hindsight look, Lin Yun suddenly black face, speechlessly rubbing his temples.

Lin Hao also gave a thumbs up to Lei Ling, powerful, the Supreme Dry Rice Man, two ears do not hear things outside the window, a mind to destroy the meal in front of you!

Lei Ling was quick to notice that the problem was not right, especially a strong explanation to Lin Hao to apologize,, Lei Ling delicate as a porcelain doll? The cover Wu Yi closed whisk Yi Ai Wu? The pretty face, instantly covered with frost: 'Long Kai Tian you douchebag! Are you looking for death?'

After all, did not offend brother Xuanyuan, you apologize for what?

Bullying her brother while she was concentrating on drying rice? If you're not looking for death, what is it!

Lei Ling's little hand slammed the table, and the table came apart with a bang, wood chips flying, while Lei Ling leapt up and came straight at Long Kai Tian.

Before Long Kai Tian could regain his senses, he was directly kicked to the ground by Lei Ling, followed by a roaring sound, accompanied by Long Kai Tian's screams!

Long Kaitian was beaten vomiting blood, not a piece of the body intact, resistance and can not resist.

Chapter 1860

Long Kai Tian want to die, a Grand Master mid-realm strong, by a seven-year-old girl to the wild flat, the key want to fight back but also can not fight!

Lin Hao mouth twitching, subconsciously back a few steps, this girl cute is cute, understanding is understanding, but once the rage up, that is a raging female Tyrannosaurus Rex, who can withstand ah.

Even Lin Hao for Long Kai Tian three seconds of silence!

The stone smashed his own feet, can be described as a defeat ah. In less than five minutes, Long Kai Tian is silent, howling can not be issued, has been beaten by the Thunder Spirit to the unmanly.

The Long family head, as well as the Xu family, did not want to come forward to stop.

But the Lin family led by the three families will give them the opportunity? Now Lin Hao can stand to reason, not to mention the discovery of Lin Hao was misunderstood, and at this moment to Lin family face, how will they let others intervene in this matter?

Long family family head Long grievance days, angry are about to explode, but only able to watch Lei Ling wildly beat his son, the body of the hostility is getting heavier and heavier, if the fight continues, will die ah!

‘Spirit, almost okay, people are real dogs, you see the people are almost repaired into a pig’s head.’ Lin Hao felt it was about time, shouted Lei Ling, hitting Long Kaitian can, but if it really killed, then the problem will be complicated.

‘Hmph, since brother said, let’s spare your dog’s life.’ Lei Ling stopped, but before stopping, but also on the dragon Kai Tian somewhere fierce kick, the pain of the dragon Kai Tian even if he was unconscious, but also trembled more than, the body bowed up.

Present but all men, can not help but hit a cold shiver, including Lin Hao, this female Tyrannosaurus, can not be provoked, too damn scary, always feel somewhere cool.

‘Lei Ling you, you’ Dragon resentful sky eyes bloodshot, face hideous, this is to let his son cut off his grandchildren ah! Long grudge weather exploded, already regardless of the hands, he is now at least Xuan Shi strong ah!

However, what’s wrong with Xuan Shi? Not still let Lin Yun press head, Long Grievous Heaven finally calm down, did not make a move.

‘Hmph, this guy, I’ve seen him upset for a long time, I’ve wanted to beat this douchebag for more than a day or two.’ Lei Ling coldly snorted, it seems that he has not yet beaten, but Lei Ling is still quite happy, this after-dinner sandbagging exercise seems to be quite good.

Lin Hao shook his head helplessly and stroked Lei Ling's head, 'Had enough, right?'

'Mmm! Eat so full so full, it's been a long time since I had the chance to eat so full, happiness.' Lei Ling's face was full of smiles.

Lin Hao helplessly shook his head, your happiness can be so easily satisfied.

The Long family side, immediately arranged for people to send Long Kai Tian to the hospital for treatment, although Lei Ling has a measured hand, seemingly miserable, in fact, not to Long Kai Tian's life, the most fatal is just Lei Ling's last kick.

'Hmph, the mountains and waters have met, we bid farewell.' The Xu family's face was unsightly and took the lead to leave the scene.

The Long Family, led by Long Grievous Heaven, even stared at the Lin Family with an unpleasant face and was about to leave without even greeting them.

'Long Grievous Heaven, you want to leave just like that?' Lin Yun said coldly and quickly? Shan grasping zero flicker serving yi cover intention? , everyone in the Long family, quickly surrounded.

Long Grievous Heaven's face was icy cold: 'Lin Yun, you do not bully people too much! My son is already like this, what more do you want!'

'How? Slander the young master of the Lin family, but also designed to frame the future helmsman of the Lin family, his crime should be punished, the crime is inexcusable
'Lin Yun how could easily let it go?

Just now Lei Ling hit that is Lei Ling see Long Kai Tian displeasure, but framed Lin Hao things have not been cleared yet, this want to go?

As for these things, Lin Hao also do not bother to pay attention to, has pulled Lei Ling, and Yunruo piece of departure.

Yun Ruo wants to go to the Lin family for a stroll, Lin Hao did not refuse, and Yun Ruo talk is also soothing, of course, does not intermingle with any male and female feelings.

It's like being friends with someone with high emotional intelligence, you will feel comfortable and relaxed, that's all.

Lei Ling also seems to be aware of this, so did not reject Yun Ruo, even to Lin Hao's courtyard, Lei Ling also went to pour a cup of tea for Yun Ruo.
