Chapter 2051

‘Grandma Grandma.’ Lin Ruoshi ran towards Xu Fanghua with open hands, Xu Fanghua picked Lin Ruoshi up with a smile on her face, ‘Hey, Grandma Zu is here, my little Shi is so well behaved.’

‘Grandma, Xiao Shi is going to look for her father, take care of yourself, Grandma.’ Lin Ruoshi said in a good and soft voice.

Xu Fanghua’s heart was melted by this little girl, so happy that she couldn’t even close her mouth.

With the formation Lin Hao had set up, the strength of the Lin family and the Lei family was gradually rising, so there was not much of a problem.

Seeing this, Zhao Chen did not head to the Dragon Group training base, but took Shen Xiyao straight to the banks of the Qinhuai River, which had by now been completely put under martial law and taken over by the military.

Nan Hu led a brigade of members to arrive first, Cang Wolf also led a brigade to come over from the capital, and Vermilion Bird was unable to come over because he had to guard the Thunder Splitting Mountain Spiritual Domain.

‘Sister Qin, will he be alright, Lin Hao?’ Zhao Chen led Shen Xiyuan’s mother and daughter to meet Qin Yuxin, who looked cold and had a rather ugly face.

‘The situation has gotten a little out of hand, this spirit domain has been exposed and there is a big problem, the entrance to the spirit domain is now wide open, however, we have tested it and this spirit domain can only be entered, at the moment? Aisan Serving Aisan Zero Zero Aisan Earth? , it can’t come out, it’s like a fan cage, trapping Lin Hao and the others.’ Qin Yuxin was also very anxious, otherwise she would not have mobilized all the two brigades of the Dragon Group.

This matter was also taken extremely seriously by the top, and even the Dragon Lord had personally asked about it.

When Shen Xiyuan heard this,, her face sank, ‘Then there must be irreversible changes inside, otherwise it wouldn’t be like this, sister Qin, I’m going in to help Lin Hao.’

‘No, it’s too dangerous, just let the two brigades of the Dragon Group go in, this is an unknown spirit domain, if anything happens to you, how will I answer to Lin Hao?’ Qin Yuxin sternly refused Shen Xiyuan.

However, Shen Xi Yuan was determined and did not listen to her advice, so in the end, Qin Yuxin compromised and finally let them go in, while other clans who wanted a share of the pie were directly stopped by the army.

At the same time, Qin Yuxin told Shen Xiyuan that if no news came out within seven days, she would send another team in to look for Lin Hao’s trail while ensuring her own safety.

Zhao Chen and Chen Kai were also sent in because they were familiar with Lin Hao, and they were told to take care of the safety of Shen Xiyan's mother and daughter.

After the two brigades of the Dragon Group and Shen Xi Yan entered the River God's Spiritual Domain, Qin Yuxin began to feel more and more disturbed, and she began to regret that she should not have let Shen Xi Yan and Lin Ruoshi go in.

Qin Yuxin had no choice but to tell this to the Dragon Master, who directly disliked his most beloved daughter in anger upon hearing this.

'Are you out of your mind? Shen Xiyan is impulsive and you're following suit, aren't you? Don't you know how dangerous the unknown realm is! How many people died during the exploration of the Thunder Split Mountain Spiritual Domain in the beginning, this River God Spiritual Domain has obviously undergone a mutation, and you still dare to let them go in!'

'Now that Lin Hao is so easily willing to take on this burden, if anything happens to them, mother and daughter, all the previous efforts will be in vain!' The Dragon Master was so furious that his blood pressure shot up, and he almost didn't fly straight over from the capital to hammer Qin Yuxin.

'But their Lin family also agreed to it, mainly because I found out that Shen Xiyan had already reached the second grade early stage Illusionary Spirit Battle Master, and I, I agreed to them going in.' The first thing you need to do is to get a good idea of what you're getting into.

The Dragon Master also froze for a moment when he heard that there were currently no more than five second-class Illusionary Spirit Masters in the entire world, how long had Shen Xiyan only been successfully transferred and she was already at such a level?

The Dragon Master sighed and scolded, but there was nothing he could do to change the truth, after all, the River God Spirit Realm had become a cage that could not be entered or exited, so he finally said a few words to Qin Yuxin and hung up the phone.

In the small courtyard of Feng Yue in Gu Yue City, Lin Hao was seriously injured, mainly because his sea of consciousness was depleted and his meridians were cracked, so his recovery from his injuries was very slow.

Chapter 2052

Lin Hao was able to turn the tide of the battle by himself, but he was also badly injured. He could be comparable to a third-class late Illusionary Spirit Master with his full power, but if he were to fight to the death against a real third-class Illusionary Spirit Master, he was really not sure.

He did not know that not only the two brigades of the Dragon Group, but also his own wife and daughter, had followed him into this world.

‘Brother Lin Hao, how are you feeling now?’ Lei Ling wiped the blood from the corner of Lin Hao’s mouth, his eyes full of worry and heartache, but his expression was a little angry.

Lei Ling was worried about Lin Hao’s body, but at the same time, she was angry, why would her brother let himself get hurt like this for those who had nothing to do with it?

It was obvious that he would be fine if he dragged it out, but he had to make such a mess.

Lin Hao shook his head, indicating that he was fine, and asked Yun Feng to continue to assist him in repairing his meridians and suppressing his injuries as soon as possible.

Knock knock.

A sharp knock sounded outside the door.

Lei Ling frowned and told Yun Feng to take care of Lin Hao, she went out and opened the courtyard door, only to find that it was Gusen standing outside the door, Lei Ling frowned and gave Gusen a fierce glare, 'What are you doing here!'

Lei Ling's tone made Gu Sen very uncomfortable, he didn't snap on the spot, hid his displeasure and said smilingly, 'Mr. Lin Hao was injured for my Gu Yue City, I am the Lord of Gu Yue City, it is only right that I should come and look after him for a while, this is

'No need, get lost!' Before Gu Sen could finish his sentence, the door was directly slammed shut by Lei Ling with a bang.

Gusen stood outside the door confused for a moment, how he did not expect this to be the case, in reaction Gusen's anger rubbed off and his blood pressure shot straight to his head.

'This damned humble human, to defy me, the lord of a city!' Gusen shouted lowly in anger, although Lin Hao had shown enough ability to be his equal, but that was only Lin Hao, not Lei Ling, and again, the pride that flowed in his bones could not be changed.

Gusen had always believed that humans were inferior, so what if the first human Illusionists had appeared in ten thousand years!

Lei Ling closed the door and became even more angry: 'I don't even deserve my brother for such a sycophantic person! Using brother without saying so, but looking down on him from the bottom of his heart.'

'Ling'er, this is a world where strength is paramount and the biggest fist is the truth, if they can't look at us, how can we look at them?' Lin Hao's voice came from inside the room, 'I just don't want things to get worse, I could care less about the destruction of everything here or not, but I can't care less about my family in the outside world.'

Lei Ling opened her mouth to retort, but in the end, not a single word came out.

Pursing her lips, it was hard, how could Lei Ling not understand these truths? It wasn't selfish for her to do that before, she just simply didn't want her brother to get hurt, her heart ached like hell.

If she could, she would prefer to bear it all herself, using her small body to protect her brother.

‘Brother, take care of your injuries, I’m going out.’ Lei Ling seemed to have made some kind of decision ? Closed Yi Fu Zha Closed Serve Fu ? Heart generally stood up, from today onwards, she, Lei Ling, would try to be the one to protect her brother, instead of letting him do so!

‘Go on, be safe.’ Lin Hao didn’t think much about it, the pain coming from his body at the moment distracted him and he didn’t notice that Lei Ling’s tone wasn’t right.

‘Brother, take care of your health, you must take good care of yourself when Ling’er is not with you, Ling’er I’m leaving.’

Lei Ling said in a voice that only she could hear, leaving a letter behind and then leaving without looking back, not daring to look back, afraid that if she did, the courage she had just gathered would be taken up by her reluctance to leave.

The moment she stepped out of the city gate, hot tears fell from the corners of Lei Ling’s eyes, like a curtain of broken threads spilling into the mud of the city gate.

Lei Ling’s gait was brisk and determined, and without a pause, he disappeared into the distant horizon.

Super Son-in-law Chapter 2053-2054

In the sky above the City Lord's Divine Temple, Ah Yao had her feet in the void, witnessing all this.

Ah Yao was quite unhappy with Lei Ling, and even hated her a little, but just now Ah Yao's impression of Lei Ling had changed a lot.

Without the suffering of others, one should not advise others to be kind. From Lei Ling's point of view, there was no excuse for what she had done, there was no right or wrong.

Ah Yao withdrew her gaze from afar, and with a flash of haze, she had already appeared in the courtyard where Lin Hao and the others were in a flash of thought.

'Lin Hao, are you feeling better now?' Ah Yao said as she walked directly towards Lin Hao's house.

The next moment.

Lin Hao's nonchalant words rang out, 'Get out!'

'What did you say!'

Ah Yao's face instantly collapsed, having just eased up a bit, only to be frostily knocked back to her original form by Lin Hao's words.

Bastard!

How dare you!

How dare a weak human treat a Goddess so powerlessly, even if her realm was the weakest among the Seven Divine Envoys, she was still a Goddess!

‘I told you to get out! This is not your home, don’t you understand basic etiquette? Knock on the door and get permission before you come in.’ Lin Hao’s tone was cold, without the slightest hint of emotion.

From the time the ancient city came out, Lin Hao had basically had no good feelings towards the Ancient God Race, and even some antipathy, but the other party had strength and superiority no problem, so he didn’t bother to pay attention to it himself.

But in the battle outside the city, the other party actually wanted to kill himself, and from that moment on, Lin Hao no longer had any good feelings towards the Ancient God Race, only a deep disgust.

‘I am a Goddess! One of the seven divine maidens of the Ancient God Race, you’ Ah Yao was also furious enough, since she grew up, she was not an object of respect and worship everywhere she went, but when it came to Lin Hao, everything was reduced to nothing and vanished.

‘What does the ancient gods’ goddess have to do with my human race? Get lost!’ Lin Hao cursed and let Yun Feng give the expulsion order directly, while he slowly closed his eyes to rest, his meridian injuries were still not completely repaired.

It was painful to repair his meridians inch by inch, and he didn’t have the energy to bullshit with this race that thought so highly of itself.

Yun Feng walked out and before he could say anything, Ah Yao summoned her staff with a wave of her hand, and one of her inscriptions blossomed into a multicoloured haze, but if you looked carefully, you would find that it was not multicoloured, but six!

There was a terrifying aura around Ah Yao, like a barrel of explosives that could explode into the sky at any moment!

Yun Feng was embarrassed, he couldn’t afford to offend either side, what could he do?

‘The God Realm has become a cage, until things are resolved, you can enter but not leave. Also just now the old ancestor deity sent a message that many more illusionary spiritists from your world have come in from the outside world, and one of them is a little girl who has a bloodline aura sense with you.’ Gritting her back teeth, Ah Yao finished what she had to say, once she finished, Ah Yao turned around and left, she didn’t want to stay here for a moment longer.

‘Stop! What did you just say!’ Lin Hao forced himself to walk out of the room with severe pain, Yun Feng hurriedly moved a chair for Lin Hao to sit down.

‘I’m a goddess, I’ll stand still when you tell me to? Wouldn’t I be humiliated then!’ Ah Yao snorted coldly, she had just come to be disliked by the other party to be driven away, and after saying these things she was told to stand still in a commanding tone!

‘Don’t think that just because the old ancestor sees you, you can do whatever you want! If it were anyone else, I would have slapped you to death!’ Ah Yao’s voice was cold and murderous, ‘Don’t mess with me, I can’t kill you, but I can kill the people around you!’

Swish!

At this moment, Lin Hao seemed to be a sheathed sword, his killing intent rushing to the sky, his sharpness was clear!

Lin Hao’s eyes were devoid of the slightest emotion and were filled with bone-chilling killing intent: ‘You had better not try to challenge my bottom line, otherwise, I will let you know the consequences.’

Lin Hao didn’t say anything threatening, but Ah Yao felt the sting? Chalu Yi’er whisked Chalu Serving Shan? Bones were cold, and her heart stopped beating for a few moments.

What frightened Ah Yao even more was that he himself believed in what the other party said, he was the only hope of the Ancient God Clan, so even if Lin Hao went too far, they would have to put up with it.

Why?

A weak human whose strength was only comparable to that of a Third Grade Late Illusionary Spirit Master had caused her, a Seventh Grade Illusionary Spirit Master, to feel palpitations and fear!

She was originally a Seventh Grade Illusionary Spirit Master, but because she had left the Misty Forbidden Land, her strength was suppressed and she remained at the level of a Fifth Grade Illusionary Spirit Master.

Ah Yao had an immense headache and bristled, 'Can't you stop being so fierce, knowing that we can only rely on you and can't kill you, so you're emboldened, right? I'm telling you, without you, we can still raise the strength of our clan

We'll fight!'

Lin Hao froze for a moment, retrieving the inscription that had been called out of his body into his sea of consciousness, and his sharp killing intent dissipated: 'You're not a simpleton! If you beg, you should have the attitude of a begger, since your entire clan depends on me, what kind of racial pride are you mentioning in front of me, and since you're so proud, why do you need to beg me, a weak human, to help you.'

'You scold me?' Ah Yao frowned at Lin Hao with a rather unpleasant expression.

‘No, Bean means to compliment someone well.’ Lin Hao made a haphazard excuse.

Ah Yao nodded in satisfaction, ‘That’s more like it, speaking of which, you’re kind of a simpleton.’

‘No, no, I’m not a simpleton, you’re the simpleton, I’m not as good as you think.’ Lin Hao cried and laughed, at the same time he was also a little amused, when did he become so vicious.

‘Alright, seeing that you complimented me Bean, I won’t bother with you.’ Ah Yao wasn’t that angry anymore, after all, girls like to be complimented don’t they.

Puff!

The few people in Yunfeng all burst out laughing, Lin Hao you have to be so serious to scold people Bean ah, the key scolded people seem to be quite happy, just amazing.

‘? The first thing you need to do is to get a good idea of what you’re doing. What are you laughing at?’ A Yao’s face was unkind as she glared at Yun Feng and the others, A Yao’s attitude towards Lin Hao had changed for the better, but that didn’t mean that she treated the other human races the same.

‘Cough cough, I thought of something happy and missed my daughter.’ Yun Feng coughed awkwardly, then quickly added, ‘My daughter is also a naive’

‘Yes, we all think of happy things, and happy we have to laugh.’ Several other people also hurriedly agreed.

Lin Hao almost did not suffocate internal injuries, you all this one is a talent to come, and speak well.

The relationship between the two eased up a little and they really started to look at each other in a positive light, so they reached a preliminary partnership.

Lin Hao hurriedly asked the other party what exactly was the situation.

Ah Yao informed Lin Hao that from the time Lin Hao came in, followed by the appearance of the Ancient Clan of the Underworld, the rules of this side of the world had been changed, and unless the situation was broken, no one in the Spirit Realm would be able to get out.

But the passageway to communicate with the outside world was still there, and it would even get bigger and bigger and more and more numerous, which meant that next, forces from all over the world of Earth would enter this aspect of heaven and earth through the passageway.

If the problem of this spiritual domain cannot be solved, it will be impossible to leave at all, and will even be buried along with this side of heaven and earth.

Next, this side of the Spiritual Domain would have all sorts of visions, triggering disputes between multiple forces.

In response to this, Lin Hao was relieved, it seemed to be quite good, the battlefield of the great dispute in the outside world was replaced with this place, although it was impossible to leave, this situation was not necessarily a bad thing for the outside world.

‘Okay, so you said that the little girl who is connected to my bloodline came in, what exactly is going on and can you find her?’ Lin Hao was more worried about Lin Ruoshi, why had she come in, did she miss her father?

If Xiao Shi had come in, then Shen Xiyan would definitely come along too.

Without any nonsense, Ah Yao directly waved her hand and formed a light screen, on which some images appeared. Lin Hao saw many familiar people through these images, Cang Wolf, Nan Hu and others, the two captains of the current Dragon Group had come in!

There was also Zhao Chen, Lin Yin and a few of them.

Next were Shen Xiyan and Lin Ruo Shi, who could be seen the moment they entered the Spiritual Domain, mother and daughter looking at the situation in front of them in astonishment, especially little girl Lin Ruo Shi, whose shocked appearance was also budding.

Super Son-in-law Chapter 2055-2056

Ah Yao noticed that when these two mothers and daughters appeared, Lin Hao's pale face revealed a doting look, and his icy eyes changed and became warm and welcoming.

The originally cold and grim man was actually smiling.

For some reason, Ah Yao felt a little uncomfortable, it was surprising that he could be like this to these two people, but why did he speak coldly to himself, never having a good tone, not even putting his high status as a goddess in his eyes.

'Who are those two?' Ah Yao spoke quietly.

'That is my daughter, and the one next to her is my wife.' Lin Hao said in a gentle voice, reaching out his hand to grab the image of the two, but only for a moment before the image disappeared.

It had only been a few days since they had seen each other, and Lin Hao also missed his daughter a little. Lin Hao laughed bitterly in his heart, no way, no way, had he become a daughter slave?

'What? You little brat actually have a daughter' Ah Yao was confused, it still meant that the little girl was Lin Hao's relative, but it turned out to be a daughter.

'Little brat?' Lin Hao looked at Ah Yao with an odd expression.

Earth zero er love serving closed xilu? 'Isn't it? I've only just come of age yeah, you're a brat compared to you guys, you've only been going through twenty years of life and you have a daughter!' Ah Yao couldn't believe it and there was an unexplainable wave of emotions in her heart.

'And may I ask how long do you count as an adult, Lord Goddess?'

'Well, I won't talk about the others, if we are divine ambassadors, a thousand years is counted as adulthood, and I have only just come of age for just over fifty years, I am young.' Ah Yao tilted her head and counted with her fingers.

The corners of Lin Hao's mouth twitched, 'Oh my god, this is a thousand year old demon!

The key was that this thousand year old demon claimed to have just reached adulthood.

Lin Hao was too lazy to dwell on this issue with the other party, it was pointless. What Lin Hao was more concerned about was whether he could find his daughter and them.

Ah Yao said no, even the divine River Ancestor was now starting to enter a semi-chaotic state and could not perceive at all, only the moment they entered the spirit domain could they perceive a bit, but they did not dare to perceive too many times, otherwise they would speed up the collapse of this side of the world.

If it wasn't for the fact that the divine River Ancestor had taken a drop of Lin Hao's essence blood and thus sensed the bloodline aura in Lin Ruoshi, the divine River Ancestor would have paid attention to this, otherwise he wouldn't have cared about this.

Lin Hao became even more worried, isn't this nonsense, Shen Xiyan and Lin Ruoshi both ran in ah, this place is already messy enough.

'I need you to do me a favour.' Lin Hao looked up at Ah Yao, his tone was grave and serious, 'Also in return, you can let me do one thing for you, without going against my principles.'

Ah Yao's eyes lit up, what, what did he just say?

Ah Yao looked at Lin Hao with a smirk and held her head proudly, 'If you beg, you have to have the attitude of begging, come on, beg me, beg me, and I'll help you.' The same tone of voice, the same words spoken by different people, almost word for word.

Lin Hao's face was blackened to a pot of ashes, damn this Bean took his words and gave them back to himself perfectly!

'Damn Bean.' Lin Hao cursed lowly, turned around and left, 'Yun family master let's go.'

‘Hey, if you’re complimenting me, why do you still have a sharp eye.’ Ah Yao couldn’t figure out why the other party was leaving with an angry look on his face when he hadn’t complimented her on her simplicity.

Lin Hao simply ignored her, if he didn’t help, couldn’t he go and find it himself?

‘Hey, don’t go, can’t afford to play, is it too much to joke.’ Ah Yao was so angry that she stomped her feet, why couldn’t she maintain her noble and cool temperament in front of this guy, her own high and mighty goddess ah, but now she looked like a pampered little girl.

It is obvious that the other party is begging him to do something, but it feels like he is begging him to do something for him.

‘Wouldn’t it have been better to say so earlier.’ Only then did Lin Hao turn around, the thing Lin Hao wanted to help with was simple, he wanted Ah Yao to help find Lin Ruoshi and the others, after all, the other party was the local snake here.

Ah Yao agreed and started to send out summons, but Yan Zhiguo wanted the Ancient God Clan soldiers from this Gu Yue City to help search for them, which Ah Yao gave a refusal, stating that these soldiers must keep a dead eye on this passage to avoid the Underworld Ancient Clan from engaging in sneak attacks.

Chapter 2056

Lin Hao had no choice and looked at Ah Yao, ‘Then what do you want me to do?’

‘What I want you to do is simple, from now on, please be polite to me and show a minimum of respect to me as the Goddess of the Ancient God Clan, do you understand?’ Ah Yao’s biggest prejudice against Lin Hao was in his attitude towards herself, which irritated her.

‘That’s it?’ Lin Hao had? Lu Serving Shade intentionally Wu Yin Ai? some surprise.

‘That’s it!’

‘Okay, I’ll try my best.’

‘What do you mean try to, you must give me to do it, or I’ Ah Yao had not finished yet, directly interrupted by Lin Hao.

‘You’d better not say it, I’m a person who eats soft but not hard, and what I hate most is threats.’ How could Lin Hao not know what she wanted to say next, and directly gave an interruption, so as not to make the other party uncomfortable.

Ah Yao was furious, what do you mean by that? So this Goddess is doing you a favour for no reason at all, you don’t necessarily do what you say you want, you can’t fool people like that!

Ah Yao didn’t bother to stay here any longer, anyway, the two of them counted to have eased their relationship a bit, originally Ah Yao came to explain this matter of trying to kill him on the city tower today, now Ah Yao felt that there was no need to explain either.

‘The Lin family master is bullish, this high Goddess, with her exalted status and unparalleled strength, but she ended up being held in your hands ah.’ Yun Feng said in amusement, but he didn’t have the ability to do so, if he dared to do so, he would probably be slapped to death directly by the Goddess.

‘That’s just a simpleton.’ Lin Hao shrugged, ‘Apart from being a bit stronger and a thousand year old demon woman, there doesn’t seem to be much else, but the ancient gods’ arrogance that runs through their bloodline, treating humans like mere ants, is extremely off-putting is all. She’s no different, she’s not exempt.’

A thousand year old demon woman ?

The corner of Yun Feng’s mouth twitched up fiercely, how dare you ?

If Ah Yao found out, she’d probably have to pick his skin and cramp his tendons!

Lin Hao stood up, and Yun Feng helped Lin Hao to continue to take into the room to heal his wounds.

After a day and a night’s work, Lin Hao’s body was finally better. After his meridians were repaired, spiritual qi began to pour into the sea of consciousness, and then stretched to all his limbs and bones, thus allowing Lin Hao’s thunder origin and life origin to recover.

Lin Hao had even spent a thousand thunder meteorites to re-gather the deficient origin, and there were very few thunder meteorites left that Lin Hao had brought with him, his heart was aching.

‘Lin Hao, how are you feeling?’ Yun Feng saw Lin Hao walking out with a red face, it seemed that he had almost recovered, right?

Lin Hao arched his hand, ‘Thank you Yun family master, my body is fine, let’s go to Feng Yue Bistro to dine again.’

‘Ling’er, go and eat, did you girl sleep in again you?’ Lin Hao recovered, refreshed, and subconsciously went to Lei Ling’s room next to him to shout at Lei Ling to go eat together.

Lin Hao is also a bit surprised, to say that usually this girl is incredibly conscious and self-disciplined, there is no need to shout ah, and it seems that yesterday said she went out for a trip, until now has not seen Lei Ling, it is very abnormal.

After Lin Hao shouted, there was no movement in the house.

Knock knock!

Lin Hao knocked on the door, ‘Ling’er, are you in there? Get up and eat.’

Still no movement!

Lin Hao sensed that something was wrong and burst through the door and rushed into Lei Ling's room. At a glance, Lin Hao saw the neatly folded bedding.

Lin Hao panicked, Lei Ling was either not in the room last night or had gone out a long time ago, it was impossible for Lei Ling to go out without saying hello to Lin Hao.

This was?

Lin Hao just saw a letter pressed with an oil lamp on the table, Lin Hao took it over and hurriedly opened it, seeing the beginning of the letter, Lin Hao's heart sank hard.

'Brother, will you scold Ling'er for leaving without saying goodbye, because brother surely thinks that Ling'er will not do so, but Ling'er has already said goodbye to brother, so brother don't be angry oh.'

'Brother, in your last life you died to protect Ling'er, it was a regret that Ling'er could not make up for in her life, I didn't expect to be reunited with brother in this life, but it's still the same, Ling'er doesn't want that. So please brother, don't come looking for me, count me as begging you, I will come back and give Ling'er a chance to protect brother!'

Super Son-in-law Chapter 2057-2058

‘When Ling’er is able to protect brother she will come back, brother, take care of your body, don’t get hurt again, don’t you know how much Ling’er’s heart hurts every time she sees you get hurt?’

Lin Hao had mixed feelings after reading this, and his heart ached for Ling’er.

Lei Ling was carrying the memories of two lives, but he only remembered this one, especially when he saw the mottled marks on the letter paper, those should be Lei Ling’s tears dripping down the paper.

‘Ling’er, it is only right for a brother to protect his sister! In my last life I didn’t live to guard you, in this life I promise to live well and protect you!’

Lin Hao lit the letter paper and his tone was never more firm: ‘Ling’er, brother will find you!’

If you can’t protect your loved ones, you can’t even talk about helping the world!

Lin Hao found another thunder meteor on the table, the thunder meteor was emitting the aura of the thunder spirit, Lin Hao put it away, it should be specially left by the thunder spirit, it contained the aura of the thunder spirit, although he could not sense the location of the thunder spirit, but he could know whether the thunder spirit was well or not.

‘What’s wrong Lin Hao?’ Yun Feng saw Lin Hao come out of Lei Ling’s room with a complicated expression, but he didn’t see Lei Ling: ‘Lei Ling isn’t here?’ Lu closed grasping Wu Shan Lu Lu Xi? The room?’

‘She left.’ Lin Hao walked straight towards the Feng Yue Tavern, and everywhere Lin Hao went, all the human clans knelt and saluted, chanting Lord God Spirit.

Lin Hao protected the ordinary human clans of Ancient Yue City, while they worshipped Lin Hao as a human deity with exceptional respect.

When they arrived at the tavern, the situation was the same, whether they were eating or talking, none of them knelt and saluted upon seeing Lin Hao: ‘Greetings to the Lord Deity, the Lord Deity is in charge of Wan Li!’

‘Feng Yue, pass on my orders and say that I need to rush the entire Gu Yue City human race to do something!’ Lin Hao instructed Feng Yue directly.

‘Yes, Lord Deity.’ Feng Yue stood up excitedly and greeted everyone to help, a few dozen years old, happy as a child, as if he was suddenly favoured by the gods, as if helping him with his errand could taint the divine nature.

It was quite like an immortal stroking my top and tying my hair to receive a long life.

The more he saw them like this, Lin Hao felt a little uncomfortable in his heart. They were simple and kind-hearted people who, because of the foolishness of feudal thinking, mistakenly thought that they, the powerful, were gods.

But looking at their heartfelt smiles, Lin Hao's words swallowed at the edge of his mouth.

‘Sword Domain Divine Walk.’

Lin Hao stepped onto his sword Qi and flew straight to the City Lord's Mansion, then landed in the back garden of the City Lord's Mansion.

This was the forbidden area of the City Lord's Mansion, the place where the divine temple was set up.

‘Stand still! How can you trespass in the important place of the divine temple, a human!’ Three or four streams of light sped up, four Ancient God Clan generals holding lances and of different shapes, all with the strength of a second-grade middle Illusionary Spirit Master.

‘I want to see the Goddess.’ Lin Hao frowned, forcing his anger not to lift them off and barge in.

‘Human, remember that you have made a merit for Gu Yue City, but the forbidden place of the divine temple is not for you to trespass, leave quickly or else’

Boom!

A haze of light fell and those four Ancient God Race powerhouses were directly flung out by the haze of light, spitting blood as they flew backwards.

‘After this, there is no longer a place in Gu Yue City where Lin Hao cannot go.’ An icy and majestic voice rang out, like a divine decree!

‘Yes, Lord Goddess.’ Those few Ancient God Clan powerhouses who flew out backwards were so shocked that they forgot to vomit blood.

Ah Yao floated out of the divine temple and landed in front of Lin Hao: ‘What do you want from me? Is it because of that sister thing of yours?’

‘You know about this?’ Lin Hao was a little surprised.

‘Well, I know, I watched her leave Gu Yue City with my own eyes.’ Ah Yao said as such.

‘What? Why didn’t you stop her!’ Lin Hao was anxious.

Ah Yao bristled, with an unhappy face, 'Why would I stop her?'

Uh

Lin Hao was actually speechless, but yes, why should the other party stop Lei Ling, there was no such obligation.

Before Lin Hao could say anything, Ah Yao spoke, 'You let her go, the moment she left Gu Yue City, it was as if I saw a strong heart.'

Chapter 2058

'I have secretly arranged for a strong Ancient God Clan Fourth Grade Illusionary Spirit Master to follow by her side and secretly protect her, if he can't even protect your sister, then it's useless for you to go, she will be fine.'

Hearing Ah Yao's words, Lin Hao recalled what Lei Ling had said in his mind, Lin Hao was silent, perhaps what Ah Yao said was right.

Lin Hao exhaled a cloudy breath and looked towards Ah Yao to finally reveal a smile as he spoke sincerely, 'Thank you.'

'What did you just say?'

Ah Yao looked at Lin Hao with a stunned expression, what did this guy just say to himself?

‘Nothing.’ Lin Hao didn’t bother to pay attention to her, Lin Hao wasn’t stupid, this Tie Bean had completely heard it and was just pretending not to hear it.

‘No way, no way, you can actually thank people! I didn’t hear you wrong.’ Ah Yao had a cheerful look on her face.

‘Retard!’

Lin Hao dashed away, throwing away the high-mindedness of the ancient gods and the aura of that goddess, this was just a nervous girl.

‘Retard?’ Ah Yao was a little puzzled, ‘Are these also the words of the human race to compliment people? Strange knowledge has increased again.’

Lin Hao was also relieved after confirming for the time being that Lei Ling would be fine, since this sister of his wanted to pursue her own path as a strong person, as an older brother, Lin Hao naturally supported it.

But Lin Hao was helpless when he learnt that he could not leave this place, and now he had to mobilise the human race of Gu Yue City to help find his wife and daughter who had come into this part of the world.

The whole of Gu Yue City treated Lin Hao like a god, and the people gladly accepted Lin Hao's orders, leaving Gu Yue City to expand their search, with a few to a dozen people in a group, each group having a photograph and some information.

These were all pulled out by Lin Hao from inside the Thunder Space. Seeing these photos, these people again exclaimed that a deity is a deity, this portrait was too divine, just like a real person, living and breathing, miraculous!

Lin Hao mobilised the entire Gu Yue City human race and was searching for Lin Ruoshi and Shen Xiyan on a wide scale, but they didn't seem to have much luck.

All of them had been randomly teleported to places far away from Gu Yue City, and most unluckily, Shen Xiyan and Lin Ruoshi had gotten separated.

Shen Xiyan and the Cang Wolf leader teleported to a reckless jungle, while Zhao Chen and his group teleported to a place with Lin Ruoshi, just outside the swamp outside the Giant Crocodile City, and yes, it was the same place that Bai had teleported to.

The two of them are the same.

But Lin Ruo Shi completely let herself go, dad is not there, even mum is not there, this is not the sea is wide, the sky is high, let the birds fly well.

‘Xiong Er Xiong Er, this is a brand new spirit realm!’ Lin Ruoshi happily sat on Bear Two’s shoulder, clapping her hands in excitement, her pretty face full of happiness, ‘Wow, the spiritual energy here is so dense, I feel like I’m about to become a second grade Illusionary Spirit Mage.’

Compared to Lin Ruoshi, who was letting herself go, Zhao Chen’s group of five had a bitter look on their faces, what the hell kind of place was this?

The five of them were extremely vigilant as they checked their surroundings, preventing themselves from being attacked by the spirit beasts in the spirit domain at any time.

The five of them were on the lookout for the environment, and they were always on guard against being attacked by spirit beasts. The five of them were not aware of the crisis. The colour was incomparably dissatisfied: ‘Little brat, hurry up and come over, later on when you are looked at by the spirit beasts, old me will not care about you!’

Xiao Mu already had a strong opinion of Lin Hao, and he didn’t have any good tone towards Lin Ruoshi.

Ye Yu frowned slightly, ‘Xiao Mu how are you talking to Xiao Shi, she’s just a child.’

Several other people were also very unhappy with Xiao Mu, Xiao Shi was so cute, how could you talk to Xiao Shi like that?

‘Cut, uncle I don’t need you to care, when you are chased by a spirit beast don’t cry oh, crying for your mother is very humiliating.’ Lin Ruoshi touched a small face full of care, adorably flirting with Xiao Mu in return.

Xiao Mu was furious, but could not say anything, coldly snorted and did not bother to pay attention to Lin Ruoshi.

Super Son-in-law Chapter 2059-2060

Chapter 2059

It couldn’t be helped, although several of them had improved their strength, their strongest, Zhao Chen, was a great deal worse than Lin Ruoshi, a three or four year old girl was at a higher realm than them, it was simply a blow.

‘Little shi, listen to uncle, uncle will give you a lollipop to eat, okay.’ Chen Kai pushed the frame of his glasses and walked forward with a face full of lewdness, not to mention, Chen Kai liked such cute little lollies.

Lin Ruoshi beamed, ‘Mum said she wouldn’t let me play with weird uncle, uncle tell me, how many kids have you tricked with lollipops?’

The two girls, Lin Yin and Ye Yu, puffed out a laugh, and Zhao Chen even laughed without giving any face, causing Chen Kai to walk away with a black face and a speechless face.

Gollum.

Lin Ruoshi touched her small stomach, 'Xiong Er Xiong Er, I'm hungry.'

'Gollum I'm hungry too, little master.' Bear Two touched his round stomach, it was mealtime ah.

'Little shi give, eat some dried fruit first, aunty will give you baked meat to eat later.' Ye Yu tenderly handed Lin Ruoshi some dried fruits and took out some beef from the spatial thunder meteor, as well as the barbecue grill, having a thunder meteor space was just comfortable.

'No fire, you guys don't remember the field training code! Damn, what if you guys attract spirit beasts?' Xiao Mu immediately scolded angrily, while looking at Lin Ruoshi: 'A little brat, where are the demands, just eat some dry food, eat it or not! We are here to explore the Spiritual Domain, not to nurse a child on an outing!'

'Oooh, this uncle is mean to me.' Lin Ruoshi beamed, aggrieved, and Bear Two was also unconvinced, 'I want to eat meat, you little deflated calf, if you keep talking nonsense believe me Bear Two slap you to death!'

A thunderous light erupted from Xiong Er's body, his aura was comparable to that of an Illusionary Spirit Master of the early second class realm, and his eyes were filled with a threatening look when he looked at Xiao Mu.

'Xiao Mu, can you not bother with a child, of course I remember the wilderness survival code, it's daytime and I'm carrying anthracite coal, nothing will happen.' Ye Yu was getting very upset with Xiao Mu.

It was fine to disagree with Lin Hao as captain, you could go and challenge him, but for a big man to have to cross a three or four year old girl was just too much.

‘Humph! You guys are thinking of buttering up Lin Hao, but I won’t, all of you are thinking of being lapdogs, so go ahead and do it.’ When Xiao Mu heard the goddess reprimand herself, she became even angrier, with a cold snort she directly turned around and left, directly breaking away from the group and leaving, even if the others tried to dissuade her, that Xiao Mu turned around for a split second, a look of resentment flashed across her eyes.

Xiao Mu’s attitude, also let Zhao Chen four people very upset, Ye Yu soft-hearted fear of Xiao Mu accident, still want to go to dissuade Xiao Mu, Zhao Chen directly stopped: ‘do not care about him,? The first thing you need to do is to close the door. This kind of people are spoiled out of the problem, here we do not spoil him, when suffered naturally know back.’

Lin Ruoshi sat on Xiong Er’s shoulder, holding Xiong Er’s head, close to Xiong Er’s ear to say secret words: bah bah bah bah bah bah bah bah.

Bear Two’s eyes lit up when he heard this, and he looked at Lin Ruoshi with delight, as if confirming Lin Ruoshi’s idea.

When he saw Lin Ruo Shi nodding, Xiong Er smiled heatedly and quickly shrunk his figure to maintain a height of about one meter, carried Lin Ruo Shi in his arms, and when Zhao Chen was not paying attention to the four of them, he directly dodged into the reeds and lost sight of them in a short while, while the direction Lin Ruo Shi and the others were running towards was exactly the direction Xiao Mu had left.

Because they had gone so stealthily, Zhao Chen didn't even notice that Lin Ruoshi had left. Zhao Chen and Chen Kai were guarding the surroundings, while Lin Yin and Ye Yu were in charge of the roast.

'Little Master, we won't run into danger if we run away like this, right?' Xiong Er was a little worried, now that they were a long way away, and with the cover of the reeds, the other party might not really be able to find them.

'What are you afraid of, you're here... You don't want to eat the meat of the spirit beast, it should be delicious.' Lin Ruoshi sucked in her saliva, as if she was about to eat the meat of a spiritual beast.

Chapter 2060

When Xiong Er heard his little master's words, his mouth watered, danger and all that, in front of the dry rice man it was all bullshit!

Soon they caught up with Xiao Mu, who by now had already left the swamp and arrived in a small canyon rift, holding a Thunder Meteor in his hand and constantly sensing the location.

Before Lin Hao and his family's team of spirit domain explorers had come in, Xiao Mu had made an agreement with certain people in the team, and he had just done so deliberately, just to find an excuse to break away from the team.

Only he didn't notice that Lin Ruoshi and Xiong Er had already caught up with him and were looking at each other just above that canyon.

‘There’s definitely something wrong with this guy, bad as hell, little master, what to do with this guy?’ Bear Two’s face was full of eagerness to do something bad, it was the most exciting, right?

Lin Ruoshi smashed her mouth, ‘The crocodile meat should smell good, it must taste good since the aura here is so dense.’

‘Wow oh, I get it little master, haha you wait, I’ll be right there.’ The two bears laughed and left in a flash, they had found eight large crocodiles and one small crocodile in the swamp, all of them were in the realm of second grade illusionary spirit masters, which made the two eaters almost too greedy to walk away.

After Xiong Er left, Lin Ruoshi looked at Xiao Mu walking in the canyon, and her pretty face was filled with a little devilish smile: Hmph, let you always find trouble for my father!

Xiao Mu was not walking very fast, and just as he was about to walk out of this small canyon, there was a sudden earth-shaking roar behind him, and even the ground began to tremble, as if something huge was rapidly approaching.

Xiao Mu was startled, what was the situation? Then he subconsciously glanced back and his soul almost flew out of his mouth!

Seven or eight huge crocodiles, ten metres long, were speeding towards the canyon, the biggest one was fifteen metres long, and everywhere they went, smoke and dust

rolled around, and the coverings cracked, ramming like an armoured car, brutal and incomparable.

‘Howl! Put my son down!’

‘Drop my son and I can give you a bite to swallow guaranteed without pain!’

Those crocodiles roared in anger, but the two sides did not speak the same language, so all that could be heard was that crocodile roaring in anger.

Xiao Mu’s face turned pale, damn, why are these spirit beasts running here, what bad luck!

Xiao Mu looked at the two sides of the canyon, the mountains weren’t too high and the cliffs were able to be climbed up, he planned to climb up the cliffs to make way for these behemoths, but unfortunately the next second, Xiao Mu was stunned: ‘Damn, isn’t that Xiong Er? He’s crazy to go and grab the cubs of these spirit beasts!’

What made Xiao Mu vomit blood even more was that Xiong Er was holding the little crocodile towards Xiao Mu and yelled, ‘Big brother, help big brother!’ ‘Big brother, help big brother, I snatched the little crocodile as you instructed, help me!’ Xiong Er yelled as he ran towards Xiao Mu, and those crocodiles behind him, seeing that another human had appeared, became even more furious at once.

‘Kill this damn human!’

‘Roar, a little human dares to covet my Giant Crocodile City’s people, kill him!’

When he saw the giant crocodile darting over, Xiao Mu’s face turned green and he was so angry that he cursed, ‘You fucking don’t? I’m not your big brother. To come over, I’m not your big brother, you get the hell out of here!’

Xiao Mu was scared enough, not you so pitiful ah!

Xiong Er did not care about this, holding the little crocodile he knocked unconscious and rushed towards Xiao Mu, not only did his speed not decrease, but he accelerated his pace.

Xiao Mu was so frightened that he started to run furiously while cursing at Xiong Er.

He started to run furiously with his legs at the same time.

However, Xiong Er’s realm was much higher than Xiao Mu’s, and the speed of his own summoned beast was no mean feat. See how I’ll kill you, Grandpa Xiong!’

‘You son of a bitch!’

Xiao Mu cursed, summoned his black spear and pulled it out without looking back, 'God hunting spear!'
