

Super Son-in-law Chapter 2281-2290

Chapter 2281

‘Wait? How can this work, if he goes straight into reincarnation then how can it be?’ Ling Yun and Lin Liu Li were both terrified, going to the Underworld Realm and they couldn’t get in, wouldn’t that be the end of it? Who would be able to come back after going to that place?

The green shirt is not to be taken? The company’s main business is to provide a wide range of products and services. The first thing you need to do is to find her, there are plenty of people to smoke her. Don’t worry, this guy is an old acquaintance when he goes to that place, he can’t die. I’m tired, you guys watch him.’

Qing Shirt yawned and left, seemingly not at ease with Lin Hao’s matter, or he had already known the outcome and didn’t carry a hint of worry at all.

Lin Ruoshi and Ling Yun looked at each other, although Qing Shirt’s words were a bit exaggerated, but it was indeed true, how could a child of heavenly destiny die so easily!

When a world’s rules are broken and about to go into chaos, it will gather the Qi of the Great Dao in one person, the Son of Heaven’s Destiny, or the Chosen One, who will change the chaotic order, or re-establish the rules.

It is easy to understand if one can imagine it as an organ of the human body that has carried out a self-protection mechanism.

‘Hee hee, what Sister Ling Yun said is true, Daddy will really wake up, that would be great, otherwise how sad would Mommy be when she comes back and finds out that Daddy is gone.’ Lin Liuli clapped her hands happily and gleefully said that she was going to prepare a surprise for her dad.

Ling Yun was happy to hear that she was getting closer to Lin Hao’s daughter, but when she mentioned Lin Hao’s daughter-in-law, Ling Yun’s original good mood dissipated.

Seeing Ling Yun’s disappointed look, Lin Liuli couldn’t help but tune in a little, ‘What’s wrong, after so many years, you still haven’t let go of it, huh?’

‘But let go or not, Lin Hao isn’t even him anymore, you have to be clear.’ Lin Liuli couldn’t help but warn Ling Yun, Shen Xiyan and Lin Hao were a couple, if you ruined it then how could it be?

Besides, Lin Liuli was more optimistic about Shen Xiyan and Lin Hao.

Ling Yun frowned: ‘You’re taking care of too much!’

‘I don’t care if it’s too much, in fact your sister didn’t tell you everything, I think if you guys reconcile, she should be willing to tell you the truth.’ Lin Liuli said and went to check on Lin Ruoshi, afraid that she would run around and get lost.

Ling Yun, on the other hand, stood frozen in place. Knock knock.

There was a knock on the door of Qing Shirt's room.

Qing Shirt already knew who it was: 'Come in sister, there's no need to be so rusty.'

Outside the door, Ling Yun frowned and spoke in a hard tone after a moment of silence, 'Lord, slave servant doesn't dare to overstep the bounds in the slightest, Lord, there is no need to make things difficult for slave servant.'

'Heh.' Qing Shirt laughed mockingly, 'What is it say.'

Ling Yun opened her mouth but didn't know what to say, she wanted to know the truth but couldn't cross that hurdle in her heart.

No matter what, she hated Qing Shirt, and instead of dissipating her hatred over the years, it continued to build up more and more as time went by.

'If you don't want to say it, don't say it, I will tell you one day when you willingly call me sister, but you should understand when you meet his wife.' Qing Yi seemed to have anticipated what Ling Yun had come to see her for.

Ling Yun continued to be silent, his wife? Where had his wife gone? Would you understand when you see Lin Hao's wife yourself!

‘Go down.’

‘Yes, slave servant bids farewell.’ Ling Yun didn't linger and turned to leave.

.....

Jinling was not peaceful these days, whenever it was nighttime strange figures or shadows would appear, often people would disappear for no apparent reason, the Dragon Sect, the Vermilion Bird Group in conjunction with the immortal slaves of the Qing Yun Heavenly Palace were trying their best to reduce such things from happening, but there was no way to control it.

These immortal slaves are just like rats hiding in the darkness, seeing and striking everywhere, ready to act at any time there is no way to catch them, even if they are caught they are just some stinking fish, the immortal slaves behind the curtain cannot be caught at all.

Chapter 2282

Those who acted were all second generation immortal slaves, the first generation immortal slaves basically didn't show up, and now Qin Yuan had a bit of a headache, as he could tell from the images given by his lord that Lin Hao had really run away to the Moon Wheel Immortal Palace.

The order given by the Moon Wheel was to kill Lin Hao at all costs! Kill all the Lin family members and get her Phoenix Dance Lihua Hairpin back!

Qin Yuan wanted to die, to find it, how to find it?

He couldn't seem to do anything about Lin Hao, and he couldn't get out of the trap, and he couldn't bear the wrath of the Fairy in the Green Shirt if things got too big.

But fortunately, after several attempts, Qin Yuan found out that Fairy Qing Shirt didn't seem to care about this crap, which was strange.

'It shouldn't be, Ling Yun's appearance at the Lunar Wheel Immortal Palace proves that the Qin Huai Golden House is already on Lin Hao's side, but what does Fairy Qing Shirt's attitude mean now?' Qin Yuan was puzzled.

'I get it! Then there's only one possibility!' Qin Yuan was overjoyed, such a situation must have occurred because, Lin Hao had been killed by the Moon Wheel Fairy's Phoenix Dance Lihua Hairpin, hence the Qin Huai Golden House which had not taken their anger out on their actions!

'Pass down the order to speed up the development of the second generation immortal slaves and test them out some more! It's not like second generation immortal slaves are worth anything anyway, so if they die, so be it, speed up the development of third generation immortal slaves!' With an order from Qin Yuan, the already frightening darkness became even more terrifying.

It was worth mentioning that Lin Hao had not been heard from for the past few days, but Qin Fengyue was a little impatient to wait, had the other party broken his appointment?

The Dragon Lord was well taken care of by him, and he looked good,? Wu Pao Yi Shan Pao Shan Shan whisked? But he didn't see any action from Lin Hao, he even went to the Lin family and didn't even see Lin Hao, he was even driven out directly by Lei Ling.

'No, I can't just sit around and wait for death.' Qin Fengyue gritted his teeth and got up to leave.

'Have you thought it through, you're not pleasing either side now.' After these days of getting to know him, the Dragon Lord had a little more appreciation for this Qin family sidekick, the other party was not a bad person, or not an outright bad person, but not a completely good person either.

He had become this way, and everything had nothing to do with that little sister of his.

Qin Fengyue glanced at the dragon master, that sincere gaze, the kind face, from the initial disdain for himself to the slow understanding, Qin Fengyue also knew that he might not be a good person, but a qualified leader, he could be a good dragon master.

Although Chen Long is not bad, but after he is now acting in this position, there are still a lot of chaos, and many people do not obey him, and many internal conflicts are rampant.

Perhaps some people didn't feel anything when they were there, but all of a sudden, without him, it seems like nothing can be handled well.

'This is my choice.' After saying this Qin Fengyue turned around and left, at the doorway position, with his back to the Dragon Master, 'Maybe tonight is the last time we meet, next time we meet, none of us need to be soft.'

After saying this Qin Fengyue left, and the Dragon Lord was silent.

Before Qin Fengyue left, he secretly instructed those who were guarding the Dragon Master that if he did not return before dawn, then let him bring someone to hand the Dragon Master over to the Vermilion Bird Group.

This night, Jinling was not destined to be peaceful!

Everywhere were second-generation immortal slaves walking the streets, as well as third-generation immortal slaves who had gone berserk. Third-generation immortal slaves had completely turned into monsters, losing their sanity and only knowing how to wantonly plunder everything for blood, be it human or animal.

For a large part of the time, these third generation immortal slaves were simply shut up somewhere and concentrated in captivity, killing each other as if they were breeding parasites. Because of their fear of the Green Shirt Fairy, these immortal slaves of the Qin Family normally did not dare to let out their third generation immortal slaves to cause trouble, but since they had to test the waters, it was only natural that some of them should be released.

On the banks of the Qin Huai River, this ancient city area, the gathering place of the three great families, on the eaves of an attic, the tiger-headed Qin Xiaorou looked greedily at this area of buildings below, licking her lips as if looking at a table of delicacies.

These days, Qin Xiaorou kept devouring blood and flesh, and her tastes were getting more and more tricky. At first, she had even secretly eaten third-generation immortal slaves, but it turned out that their divine nature was so filthy that it would affect her divine will, and she chose to devour second-generation immortal slaves, but those weak second-generation immortal slaves were basically eaten up by her, and she had become stronger, only that it still affected her divine will.

Super Son-in-law Chapter 2283-2284

Chapter 2283

She was a third generation immortal slave and would have turned into a monster with chaotic consciousness, but thanks to Qin Bingyu being a second generation immortal slave with an extremely high degree of fit, she was able to maintain her sanity.

After many trials and tribulations, she got the best way to become stronger, which was to devour human Illusionary Spirit Masters, whose flesh and blood could make her stronger, and in this way, Qin Xiaorou managed to advance to the realm of a Peak Fourth Grade Illusionary Spirit Master!

Now, she had her eyes on the Xu family's mansion.

Her primary targets were the Lin and Lei families', only that since she was smashed half to death by Lei Ling's fist when she struck two days ago, Qin Xiaorou had given up.

'After eating the Xu Family's Illusionary Spirit Master, that violent girl will no longer be my opponent!' Qin Xiaorou's gaze was filled with greed and hatred, his tiger face fierce.

'Your nightmare has descended! Embrace the darkness!'

As Qin Xiaorou's voice fell, the already pitch-black night instantly turned into a blackness so thick as ink that even with the lights on, there was not the slightest bit of light to be seen.

As darkness descended, Qin Xiaorou's tiger face turned into a hideous monster, the lower half of her body disappearing, leaving only a constant stream of black mist spewing out from under her waist!

Much like the Void Nightmare

In the darkness, Qin Xiaorou wandered in the sea of darkness like a nightmare, hunting around, this time she did not directly devour on the spot, but everywhere she went, but all the illusionary spiritists that could be killed, without even looking back!

Qin Yuan gave the order to plunder at will, she wanted to have enough food reserves at once!

The Xu family's screams rose and fell, blood spilled clear on the floor, but this darkness was not only impervious to light, not even the slightest sound or breath could be emitted!

'Fierce tiger out of the cage, huh, her desire to become stronger is beyond my expectation ah.' Qin Bingyu was on a pavilion not far away, watching the scene icily, looking at what looked like a wantonly killing beast, with contempt in her eyes, and appreciation at the same time.

This was a killing machine, one that she had cultivated with her own hands!

In order to cultivate this killing machine, Qin Bingyu even killed her husband Lin Yaoyan herself to feed this woman, and Qin Bingyu did not feel the slightest bit of guilt about it.

She had already known about Lin Yaoyan getting together with Qin Xiaorou!

The Lin and Lei families were guarded by thunder spirits and Qin Xiaorou didn't attack, but that didn't mean the other immortal slaves didn't? Shanzha zero pick up pick up pick up er service? Attack!

The two early Fifth Grade Illusionary Spirit Masters leaned over towards this side, and when they saw that the Xu Clan was enveloped in thick darkness, both of them revealed a look of extreme disgust: ‘That Qin Bingyu is going further and further, cultivating killing soldiers so blatantly, his heart is punishable.’

‘Mind your own business, Commander Qin Yuan is not a fool, let’s go, our target today is the Lin family, this is the most direct test of the Golden House!’ The other immortal slave hurriedly interrupted, and then the two of them turned on their full spiritual pressure!

The powerful spiritual pressure of the two early fifth grade Illusionary Spirit Masters surged out, immediately waking up all the Illusionary Spirit Masters of the two clans, and Lei Ling also leapt up proudly in the void with thunder around her, thunder holding up her delicate body.

‘It’s not good, they’ve actually attacked the chief’s side! Chen Lao, Hai Lao, you guys quickly go for support, we’ll handle it here.’ Sensing the aura surging from the banks of the Qin Huai River over there, Vermilion Bird’s face changed greatly, they had actually made a direct move against the Lin family?

‘The Palace Master’s family?’ Chen Xuanfeng was also startled, as soon as the sea tide member heard that it was the Lin family, his body turned into streams of light, and the space around him seemed to turn into a vast ocean while he rode the wind and waves forward.

‘I’ll leave this place to you guys.’ When Chen Xuanfeng saw the sea tide member running straight past without saying a word, he couldn’t care less and patted Zhuque on the shoulder, so he had to follow closely behind.

Ka-ching!

Boom!

Roads of amazing thunder exploded above the Lin family, forming a net of thunder in the air, the thunder rays constantly diverging, forming the most rigid and powerful painting.

The thunder spirits were standing in a mixed group with one against two, and the terrifying energy kept escaping all around, but if any of them were touched, the house would collapse in an instant, and any Illusionary Spirit Master who did not reach the third level would die on the spot!

Chapter 2284

The people from the Lin and Lei families could not help at all, they couldn't even get close enough.

Lin Yun and Xu Fang Hua ordered at the same time, retreat! Get out of here quickly, don't become a burden to Lei Ling even if you can't help!

'Want to run? It's not that easy! Embrace the darkness once more!'

As they fled, they suddenly heard Qin Xiaorou's insidious laughter from all directions, and a dense black fog came rushing in and quickly surrounded them!

It was Qin Xiaorou!

She hadn't originally planned to make a move against the two Lei Lin families, Lei Ling had simply made her too scornful, but to her surprise, Qin Yuan had even sent two extra fifth-ranked powerhouses to hold Lei Ling at bay.

Seeing this, Qin Xiaorou's dense hatred for Lin Hao erupted, and she directly gave up on continuing to surround the Xu family, the dense darkness enveloping the two Lei Lin families, making them unable to retreat and unable to escape at all.

'Heh, the disgusting monster is actually somewhat useful.' Seeing this scene, one of the early fifth-ranked immortal slaves let out a cold laugh.

'Scram!' Seeing Qin Xiaorou's movement, Lei Ling burst into a rage as thunder pierced through the darkness, running towards Qin Xiaorou like a meteorite falling.

'Your opponent is us! Who are you looking down on, little girl?' How could the two fifth realm immortal slaves let Lei Ling have her way.

Lei Ling was fast enough, and they were not slow either, intercepting Lei Ling ahead of time as the three of them dealt a hard blow and each burst back.

Thunder Spirit was incomparably anxious in his heart and went completely berserk, thunder outputting regardless of loss, the entire bank of the Qin Huai River was covered with thick thunder, lighting up the dark night.

Even though Lei Ling was in such a frenzied state, he was indeed divinely powerful and mighty, but in a short time, he was unable to break free from these two immortal slaves.

Lei Ling's heart was burning with anxiety but there was nothing he could do.

Fortunately, reinforcements arrived.

‘The ocean is limitless!’

The raging and roaring waves were like the hissing of a fierce beast, and the huge waves rushed in, the sea tide clerk stood at the tip of the waves with his hands folded, as the waves arrived in an instant.

‘Mountain Strike!’

Before the tide man arrived, a mountain appeared out of thin air, but it was hard? The mountain appeared out of nowhere, but it was a hard blow. An immortal slave,

who was also at the early sixth rank realm, looked at Hai Tide with a smile, ‘Your opponent is me.’

Hai Chao member frowned tightly, for existences of their realm, unless the absolute suppression of strength, it was almost impossible to settle the fight in a short period of time, a fight for three days and three nights was not a strange thing.

‘Old Ghost Chen, I’ll leave it to you.’ The sea tide member had no choice but to place his hopes on Chen Xuanfeng, himself rising up into the sky and moving with his opponent in an instant for tens of miles to a desolate place.

A battle between sixth level Illusionary Spirit Masters would have a slight ripple effect on the people below, not to mention that their attacks could easily shatter the space around them, so they could only find a separate battlefield.

Chen Xuanfeng did not expect that their focus would be on the Lin family’s side. Feeling unsure, Chen Xuanfeng sent a signal for help before rushing towards the Lin family’s direction.

A fifth-grade mid-level immortal slave of the Qin family blocked Chen Xuanfeng’s path.

Ordinary people from the Lin and Lei families, Illusionary Spirit Masters were constantly hunted down by Qin Xiaorou.

‘Hide your head, shrinking turtle, come out and fight with the old body!’ Xu Fang Hua’s pale face was filled with sadness and anger, he could not see his enemies in the darkness, but he could feel his clan members falling one by one but could do nothing about it, Xu Fang Hua pinned his walking stick in anger, the aura of a third level realm Illusionary Spirit Master on his body surged wildly.

‘Get out!’ Lin Rui and Lin Yun’s auras were also unconcealed, both of them were on the verge of stepping into the fourth level realm of existence, but they were still a long way behind compared to Qin Xiaorou.

‘Oh, what’s the hurry, when I’m done with all this rubbish, it will soon be your turn.’ Qin Xiaorou didn’t show her face at all, continuing to hunt her prey in the darkness, and picking on the soft ones, all she had to do was to hunt and kill the most enemies in the shortest time possible!

‘Defend your people to the death! Attack, don’t be afraid to hit one of your own, you’ll die anyway! When you notice you’re being targeted, blow yourself up immediately!’ Xu Fang Hua shouted hoarsely, this was the only hope!

Super Son-in-law Chapter 2285-2286

Chapter 2285

The opponent’s black mist envelope was the most deadly, and the realm suppression was even more deadly!

‘Defend the clan to the death!’ All the survivors roared in unison, attacking in the direction of perception regardless of the consequences, even the ordinary clansmen waved their fists, needlessly fearless!

But where senses were attacked, they exploded themselves with a bang!

But in the black mist, Qin Xiaorou was like a fish in water, no one could catch her, the realm was at least a small realm higher than hers before she could be slightly suppressed, otherwise, she was the master of everything here!

It was this feeling of dominating the lives and deaths of others that fascinated her, and she wanted the world to be shrouded in darkness and honour her as king!

Qin Xiaorou didn't care about the rage of the two clansmen: the incompetent rage of a bunch of ants!

‘Support, go and support the Lin Clan!’

Almost all of the immortal slaves, the troops of illusionary spirit masters, pounced towards the banks of the Qin Huai River after seeing Chen Xuanfeng's call for help.

But as they came over, the opponents they were fighting followed them, not to mention that there were many backstops waiting for them.

After all these days of observation, Qin Yuan already knew that they had been discovered, but they remained fearless.

The immortal slaves of the Qingyun Heavenly Palace and the strong men of the Dragon Sect kept arriving, but they were all stopped by the corresponding strong men, and as for those troops of the Dragon Sect's Illusionary Spirit Masters, they were stopped by those third-generation immortal slaves, monsters that had completely lost their spiritual wisdom and only killed and devoured blood in a frenzy.

The battlefield that spread across the main city of Jinling began to gradually shift to the banks of the Qinhuai River, and the battle was exceptionally fierce.

With such a huge commotion, it was hard not to draw attention to it, and the troops of Illusionary Spiritists from nearby cities, Illusionary Spiritists all converged, wrapped around Qin Yuxin, and the Shadows rushed in quickly.

Those immortal slaves from all the districts who were watching the fun once again converged to watch a wonderful visual feast, yes, the battle that was so tragic to the extreme was, in their eyes, a visual feast to enjoy!

'Hand over the Dragon Lord! Leave your bodies whole!' The shadow came from the darkness, the space around it constantly crumbling as the extreme spiritual pressure fell down.

'Quite a big mouth.' Qin Yuan slowly emerged from the darkness and looked at the shadow in the darkness, sneering disdainfully, 'I thought how strong it was, such a big mouth, but I didn't think it was only a sixth grade mid-tier shadow slave.'

'No need for nonsense, come and fight!'

Qin Yuan and the shadow quickly left the field and changed places for another amazing battle to erupt.

Qin Yuxin rushed over with his close guard group, but was stopped in his tracks by the monsters that were used like a tidal wave.

In the panic of the fierce battle, Qin Yuxin ran into Zhuque, who had understood and sternly questioned, 'What are you doing? Lu Wu Shan Di Shan Serving Zero? What the hell! I knew they had fled to this place, why didn't you tell me! And where is that brat Lin Hao when something so big is happening!'

Vermilion Bird was a little aggrieved, 'This was an order from the chief, otherwise it would have been easy to alert the snake, plus you are so concerned about the dragon lord that it would have been easy to be concerned.'

'To frighten the snake? What kind of bullshit are you talking about! Isn't it enough to scare the snake now? It's obvious that people have found out about you and planned it all out!' Qin Yuxin was so furious that if Lin Hao wasn't here, she would probably have to go grab him and beat him up before she could say anything.

Taking advantage of the air raid, Qin Yuxin pulled Zhuque aside and asked in a stern voice, 'Quickly, where is Lin Hao? Where is my father?'

‘The Dragon Lord is not seriously hurt and is in a very safe place, it’s just that the chief he’ Zhuque was a little south of the border and felt even more indignant for Lin Hao.

Dragon Lord is Qin Yuxin’s kin, then the Lin family who will be killed at any time now, is not Lin Hao’s kin ?

And who knows how much Chief Lin Hao has given.

‘Say it! Where are the people? Did you run away after causing such a big mess!’ Qin Yuxin became even more impatient, what a time it was to be stammering like this.

‘What are you yelling about! Who are you to yell! And who are you to say that about the chief!’ Unable to resist, Vermilion Bird shouted at Qin Yuxin with tears streaming down her face, ‘How much the chief has risked in order to reach an agreement with the traitors of the Qin family to keep the Dragon Master!’

Chapter 2286

‘In order for these immortal slaves not to completely lose control, they broke into the Moon Wheel Immortal Palace alone, and now they haven’t even woken up, moreover, they are not sure if they are alive or dead, what are you yelling about! Don’t you want to beat the chief, then you let him come to life, you let him come to life!’

‘If the Dragon Lord is your kin, then isn’t the one being slaughtered over there the chief’s kin? How much has the chieftain fought to the death to guard!’

Qin Yuxin stood frozen in place, she didn't expect so many things to happen, let alone knowing that Lin Hao had secretly given so much that he might not even be able to save his life? Dyeing Shan Yi Er Xi Yi Xi Yi? The first thing you need to do is to take care of yourself.

Who doesn't have relatives? Who's loved ones are more important than anyone else's?

It's all equally important, it's one's selfishness

'I'm sorry.' Qin Yuxin wiped away the tears from the corners of her eyes and looked towards Zhuque, 'I'll leave this place to you.'

Boom!

Qin Yuxin's spiritual pressure surged and she waved her hand violently, 'All the members of the Close Guard Regiment, follow me! Even if you have to die, you have to open up a path for me! Kill!'

Qin Yuxin took the lead, ignoring the tidal wave of monsters, and rushed towards the Lin and Lei Clans!

Followed by thousands of soldiers from the Close Guard Regiment, the fight between the two sides was once again pushed to an even higher level!

The commotion here had attracted reinforcements from all directions, but it took time to arrive.

But now there was no one above the fourth level who could spare the time to rescue the two Lei Lin clansmen. Almost all the illusionists who had reached the fourth level had been stopped by Qin Yuan's opponents.

Lei Ling fought back to his death, frantically overdrawing his own strength, and had already suffered considerable injuries. Luckily, the other early fifth level Illusionary Spirit Master had been nullified by Lei Ling, and was now facing only an early fifth level Immortal Slave.

It just seemed like it was going to be too late, this early fifth grade immortal slave would still be able to pester her for a while!

One by one, the Illusionary Spirit Masters of the two great clans turned into a rain of blood and exploded themselves after roaring in rage and vowing to defend their clansmen to the death, releasing the brightest glimmer of light in their lives.

The stubbornness of these two great clans also made Qin Xiaorou feel a little tricky, and the hunting speed slowed down.

Moreover, a careless one allowed Lin Rui to injure himself with his self-explosion, and there was no way to finish off all of these two great clans for a while. Luckily, all the reinforcements were stalled, so she didn't have to worry about anyone interrupting her hunting plan at all.

The two Lei Lin families, are they really going to be overthrown by this ugly woman's hands!

Qinhuai Golden Tower.

The green shirt fell down as a green-coloured arcane light.

'Lord, where are you going.' Ling Yun walked over and bowed.

Qing Shirt glanced at the room where Lin Hao was and spoke indifferently, 'I don't want you to hate me even more, keep an eye on him.'

After saying that Qing Shirt raised his hand to open the empty door of the golden building, this was the first time in ten thousand years that Qing Shirt had set foot in the red dust world Ling Yun stood frozen in place, the sister who had not appeared in the dust world for ten thousand years was actually going out!

The first time I saw the world, I couldn't believe it, and I didn't understand how my sister suddenly wanted to go out.

Suddenly, a bolt from the blue rang out in Ling Yun's head, and she woke up with a start.

Ling Yun sped towards Lin Hao's room like a madman, the door of the room was shattered by Ling Yun.

'What's wrong sister Ling Yun, is something wrong?' Lin Ruoshi was a little surprised to see such a flustered Ling Yun.

Lin Liuli's eyebrows knitted, sensing that this was not simple.

'Wake up quickly Lin Hao, wake up quickly! Something's happened to your family!' Ling Yun pounced on Lin Hao's bedside, holding her body frozen in ice and shouting loudly.

Lin Liuli and Lin Ruoshi were both shocked, what was going on? Could it be that those bastards were about to make a move on the Lin family? No, looking at Ling Yun's appearance, the other side had obviously already made their move!

'What about Grandma Tai and the others, dad, wake up, wake up quickly, Grandma Tai is waiting for you to come home.' When Lin Ruoshi heard Ling Yun's words, she also got scared and shook Lin Hao's body along with Ling Yun, but Lin Hao was like a frozen corpse, not moving a bit.

Super Son-in-law Chapter 2287-2288

Chapter 2287

‘It’s too late! Let’s go rescue the Lin family first!’ Lin Liuli was also very worried about Xu Fanghua’s situation, if Lin Hao woke up and found out that his home had been stolen, he would be outright furious!

Lin Liuli didn’t know Lin Hao very well, but she knew very well that Lin Hao valued his family more than anything else!

‘I’m afraid it’s too late, I don’t have my sister’s that at-a-glance spell, I can’t just open the empty door from the Golden Tower to descend directly across space, it will take us some time to even get there, but my sister has already gone over it’s just that I don’t know if my sister will defend Lin Hao’s family.’ Ling Yun was not sure that this was the point that Qing Shirt had already gone, but it was likely that she was venting her anger at the immortal slaves of the Moon Wheel Immortal Palace and the person behind it.

The other side was provoking her in her territory in a blatant manner, ah, only, just afraid that the other side didn’t care about the Lin family members, ah.

‘Since she’s there, there’s no way she won’t care.’ Lin Liuli sighed in relief instead, ‘Let’s hope we can make it in time, a large part of the reason why Qing Shirt stepped in is for your sake, not wanting your beloved one to grieve, right?’

Ling Yun frowned and didn’t answer, looking at the sleeping Lin Hao with the same anxiety and continued to call out to Lin Hao.

Lin Hao seemed to hear a sound, a bright light was appearing in front of his eyes, the world of the living was getting closer and closer ah, come on, faster!

Because Ling Yun and Lin Ruoshi's call became clearer and clearer, the furious Lin Hao also knew that something was wrong with the Lin family!

.....

Swish!

A green light shone in the sky? The shade served grasshopper Shan Wu Yi service dye? , the space above the banks of the Qin Huai River was abruptly torn open!

A long-skirted fairy in a fluttering ancient green dress stepped out from the empty door, and for a moment, the sky rained down colourful petals!

Swoosh!

Qin Xiaorou flew backwards as if she had been hit hard and spat out blood, the lower half of her body shattered but she did not die directly, and the thick black fog surrounding the two Lei Lin clansmen also dispersed.

‘Little sister!’ A stream of light swept over and caught the upper half of Qin Xiaorou’s body as she flew backwards.

Poof!

Qin Xiaorou’s mouthful of blood sprayed onto Qin Fengyue’s face, the fierce killing intent in her gaze had yet to dissipate, she was without the lower half of her body, but it wasn’t fatal at all, having consumed a horrific amount of blood food, she had a horrific recovery ability and the lower half of her body began to heal rapidly.

‘Get lost, you piece of shit!’ Qin Xiaorou broke away from Qin Fengyue and once again sprayed a mouthful of fresh blood mixed with saliva on Qin Fengyue’s face.

If it wasn’t for the fact that Qin Fengyue was already out of her sight because he was a divinely muddy immortal slave, otherwise she would have chosen to swallow Qin Fengyue as a blood meal on the spot!

Qin Fengyue stood dumbfounded, he could not wait for Lin Hao to make his move and planned to kill Qin Bingyu to avenge his little sister’s death, but he did not expect to come across immortal slaves besieging the Lin family, and the immortal slaves from the Qing Yun Heavenly Palace were also mixed up in the battle.

Qin Fengyue knew that something must have happened to Lin Hao, who hadn’t even shown up after such a big incident.

Qin Feng Yue lurks over to take advantage of the chaos to kill Qin Bingyu and is about to succeed when suddenly the green shirts appear and attack Qin Xiaorou, Qin Feng Yue has no choice but to give up his assassination plan to save Qin Xiaorou, not realising that his little sister has become completely unknown to him after only a few days of absence.

Qin Xiaorou looked viciously at the surviving members of the Lei Lin clan, her eyes full of anger and resentment, but when she looked at the figure in the sky above, her eyes were full of scorn, and she finally gritted her teeth and turned into a black mist and merged into the darkness of the night.

The reason she didn't kill him was to give Lin Hao a chance to take revenge with his own hands.

Because of Qing Shirt's arrival, apart from the Vermillion Bird Group and the Close Guard Corps, all the immortal slaves on both sides of the enemy stopped, their eyes looking at the green-shirted silhouette above the sky in awe.

Although the other side did not emit a single trace of spiritual pressure, they were frightened from the bottom of their hearts, as the space around the green shirt crumbled one after another, but could not recover at all, and spatial turbulence was vaguely visible.

Chapter 2288

Chen Xuanfeng wiped a handful of blood from the corner of his mouth and was so shocked that he looked at Fairy Qing Shirt, and eventually the immortal slaves of the Qing Yun Heavenly Palace, as well as the immortal slaves of the Hai Chao Immortal Palace all knelt down, 'See Fairy Qing Shirt!'

‘Greetings to Fairy Qing Shirt!’ The immortal slaves of the Lunar Wheel Immortal Palace gritted their teeth, but despite their reluctance, they could only join the other immortal slaves in kneeling and bowing in succession.

This was an existence as terrifying as their lord’s, and they had never expected the other party to show up in the dusty world, knowing that normally, such an existence would at most only allow True Immortal Slaves to come out to meet each other.

Boom!

The sea tide clerk was thrown from a thousand miles away and fell heavily to the ground, covered in blood and severely depleted of his divinity.

He was simply no match for Qin Yuan, who had overpowered him by a small realm, and he had suffered a loss in the melee between the two sides, but he was able to withstand it, and even if he lost, he would still be able to hold off his opponent for three to five days, but the sudden appearance of the Green Shirt Immortal disrupted Qin Yuan’s rhythm, and Hai Chao clerk was thrown back by Qin Yuan, who had seized the opportunity to deliver a fatal blow when he was dazed.

The sea tide clerk did not die from the fatal blow, but was only seriously injured.

Qin Yuan came in the air and bowed to Fairy Qing Shirt in the air, ‘Fairy Qing Shirt, I am sorry to have missed your arrival, please forgive me!’

The green shirts frowned slightly, and boom, a mountain of terrifying spiritual pressure fell on Qin Yuan, who was defenseless, more? The pressure fell on Qin Yuan, who was defenseless and more? There was not the slightest way to resist falling down viciously, his legs went limp and he fell to his knees.

Qin Yuan was secretly annoyed, but did not dare to show too much, but his tone was still full of displeasure: 'Fairy Green Shirt, you are going a bit too far, aren't you? As the saying goes, you have to look at the master when you beat a dog, you should give a few thin points of face to my family's master, right?'

'Heh, Ling Yun has warned you, but you've turned a deaf ear to it?' Green Shirt let out a cold laugh, not only did they act recklessly in her territory, but they also dared not to bow down when they saw her.

Even if the Moon Wheel took out the Moon Wheel Immortal Palace, she might not be afraid of it, let alone being trapped in the Moon Wheel Immortal Palace like a dog now!

Qin Yuan knew he was in the wrong, but the point was that the Lord could not come out now, and he could not be sure if Lin Hao was dead, or if he, the fairy in the green shirt, was already on Lin Hao's side, so Qin Yuan arched his hand and apologised: 'Fairy in the green shirt is sorry, we have overstepped the mark this time, but please give us a chance, I will definitely give you a satisfactory answer another day.'

'Another day?' Qing Shirt raised her eyebrows, you think you have another day?

The space around her shattered, and the aura that escaped was enough to shatter everything!

In the hands of a great man like Qing Shirt, it was a divine weapon with the power to destroy the heavens and the earth!

‘Lord save me!’ Qin Yuan felt the threat of death, this time more clearly than any other threat of death, Qin Yuan didn’t care much and shouted in a panic!

Ka-ching!

An empty door suddenly appeared in front of Qin Yuan, a ray of cold moonlight shone out from the empty door, and a long, white-clothed Moon Wheel suddenly appeared in front of Qin Yuan.

Yue Lun fiercely waved her hand, and the floating belt draped over her shoulders flipped towards the green mane.

The two collided, the green mane dissipated and the floating belt quietly retreated, no earth-shattering explosions erupted from the attack, only a shattered patch of space and clearly visible turbulence, with the aura of the Dao escaping.

‘Rubbish one, get lost!’ The Moon Wheel coldly glanced at Qin Yuan and kicked him a thousand metres away.

Only then did the Moon Wheel look back at Qing Shirt with a smile, 'Qing Shirt, is this punishment still satisfactory to you?'

When they heard Moon Wheel's words, all they could think of was: 'What the hell are you doing here?'

'No, I'm not satisfied.' Qing Shirt spoke coldly.

'Then how can you be satisfied?' Moonwheel's brow furrowed and his face became even more gloomy, his body emitting a cold and chilling aura, and everything around him began to rapidly condense a layer of white frost.

Chapter 2289

'Those who disobey, punish! Those who participate, kill!' Every word in this sentence of Qing Shirt was full of killing intent and supreme majesty, breaking the fairy's rules, and with the fairy herself, there was naturally no room for reprieve!

'Well done!' Chen Xuanfeng and Zhao Yuanlong were so excited that they even wanted to shout out that Fairy Green Shirt was a bully!

But on such an occasion, it was a mistake for them to even breathe, how could they dare to speak, these were two deities that had truly existed ten thousand years ago, before the Immortal Court was shattered.

The Moon Wheel's face was completely gloomy: "Qing Shou, don't give up your face! Do you really want to make an enemy of me? When have I ever been afraid of you, Moon Wheel!"

The hatred in Yue Lun's heart for Lin Hao grew even stronger, if that bastard hadn't pretended to be an Immortal King and let Lin Luli escape, why would she be so constrained now that she was free from the Moon Palace's restrictions?

Qing Shirt couldn't help but laugh lightly, "Making an enemy of you? You think too highly of yourself, let alone the fact that you are only a divine thought projected here now, what would you do even if your true self were here?"

"Sorry, you are not worthy to be my enemy."

Moon Wheel was completely furious at Qing Shirt's words, her sleeves fluttering and her hair flying, "Qing Shirt, you're looking for death! Do you really think that the Moon Palace's ban can trap me for much longer?"

All Qing Shirt could do in response was to throw a finger at the Moon Wheel!

The Qing Xuan divine light instantly entered the Moon Wheel's divine mind doppelganger.

The Moon Wheel doppelganger shattered with a loud bang, forming a sky of white moonlight that faded away.

‘Wait for me, Qing Shirt! The day when the Moon Palace’s prohibitions shatter will be the day when the Qin Huai Golden Tower collapses!’

From within the empty gate came the angry and icy roar of the Moon Wheel!

‘Incompetent roar.’ Qing Shie laughed coldly and did not take it to heart, while the empty door where the Moon Wheel had appeared also dissipated.

Clearly, these immortal slaves had been abandoned by her, and there was nothing she could do if she didn’t, her true self was unable to descend, and here, Qing Shirt was the master!

‘All of you, take revenge on the Lord, or you will all die!’ Qin Yuan shouted angrily and directly pushed out the two sixth-ranked immortal slaves beside him, the other immortal slaves could not disobey Qin Yuan’s order, after all, they were a generation of immortal slaves, they all rushed towards Qing Shirt.

Qin Yuan, on the other hand, fled swiftly in the complete opposite direction!

Qin Bingyu and the other second generation immortal slaves, many of whom were intelligent and were not directly bound by Qin Yuan’s inability to control themselves to charge towards Qing Shirt, scattered in all directions and fled.

Seeing Qin Yuan fleeing, Qing Shirt was unmoved and made a grab towards the void, a large, mysterious green hand appeared out of thin air around Qin Yuan, and with a loud boom, Qin Yuan was thrown directly into the void turbulence!

The immortal slaves fell one by one, but some of them reacted and fled, and the blue shirt did not continue to pursue them.

The space around her was already extremely unstable, if she continued to kill, the surrounding area would be reduced to nothingness, she was already controlling her power as much as possible, but the space around her was already overwhelmed and was about to collapse at any moment.

‘Grandma, are you alright Grandma.’ After many difficulties and dangers, and with the appearance of the green shirt, it was relatively easier for Qin Yuxin to break through, and by now Xu Fanghua had fallen into a coma and was covered in blood, Qin Yuxin pounced on her, constantly injecting her own spiritual energy into it.

Next to her, Lin Yun, who was also bruised and battered, was pouring in a steady stream of spiritual energy to hang on to Xu Fanghua’s life.

Lin Yun’s breath began to gradually wilt, her ? Xi Ai grasps the ground to close the service land ? s injuries were also extremely serious.

The two families of Lei Lin hundreds of people, now most of them have been lying on the ground, the survivors are not one in ten, only these few two dozen people left, Lin Rui did not even leave the body intact, to the most heroic way of self-destruction ended life.

Even Xu Fang Hua, who had only one breath left, began to wake up. The peach petals had a strong healing power.

Chapter 2290

Four streams of light came from far and near, cloaked in stars.

The scene was full of devastation, reduced to rubble, with countless immortal slaves from the Sea Tide Immortal Palace and the Qing Yun Heavenly Palace dead and injured, and the rich smell of blood wafting through the air.

Lin Hao's eyes were red and his eyes were terrifyingly frightening, his whole being was like a sharp sword with a sharp edge!

Lin Hao and the others stopped next to the green shirts, while Lin Ruoshi was the first to run down and quickly jumped into the arms of Xu Fanghua, who had just woken up, but she was afraid of hurting her great-grandmother, so Lin Ruoshi's movements were incomparably careful and gentle: 'Oooh, are you alright, great-grandmother, you mustn't be alright, Xiao Shi I'm scared.'

Xu Fang Hua woke up leisurely and saw her great-granddaughter, her blood-stained pale face revealed a bright smile as she stroked Lin Ruoshi's head, 'Little Shi is not afraid, Grandma will always protect Little Shi.'

Meow~!

The big white cat next to her turned into a blood cat, lying next to her covered in blood and red, holding up her paws, and lying next to her was the corpse of Lin Ruoshi's summoned creature, Big Bear.

Seeing Big Bear's corpse, Lin Ruoshi's eyes barred tears and, looking around, she found that so many familiar people had disappeared.

'Grandma, where are the uncles and uncles? Where have they all gone?' Lin Ruoshi could no longer control her teary eyes as she saw so many people missing all of a sudden.

Xu Fanghua couldn't care less about being sad and hurriedly comforted Lin Ruoshi, but the truth was simply not something she dared to tell Lin Ruoshi easily.

She then? The actual truth is that you will not be able to get a good deal on your own. How to understand powerful, but also just a four-year-old child ah, how can withstand all this.

'Thank you.' Lin Hao was sincerely grateful to Qing Shirt, although when he said this, his tone was cold and full of killing intent, but his gratitude to Qing Shirt was real.

Lin Hao had already learned of this moment when he woke up, and when Qing Shirt sensed it, the two great clans had already been killed by Qin Xiaorou for a while, and it

was only when Qin Yuan entered and the great battle broke out that Qing Shirt was disturbed, and Qing Shirt rushed to the scene at the first opportunity.

If Qing Shirt had not come, Lin Hao did not know what the final outcome would have been.

Qing Shirt shook his head gently, 'But I'm still a little late, I'm sorry, I could only kill some of the immortal slaves, or a large portion of them ran away.'

Lin Hao frowned slightly, but he quickly noticed the fragility of the surrounding space and shook his head gently, 'It's not that you weren't able to stop them, but you couldn't, the surrounding space couldn't hold up anymore, thank you for your help, as for those blood feuds, I will avenge them myself!'

'Then I will not stay long, the dusty world is not suitable for me to stay long, besides, I did not kill the one who really did it.' Said the green-shirt fairy tore open the empty door ready to return to the Qinhuai Golden House.

'Sister I want to stay in the outside world for a while' Seeing Qing Shirt wanting to leave, Ling Yun hurriedly spoke.

Qing Shirt's movements froze violently, what did she hear?

Sister!

And this name, Qing Shirt can obviously detect that Ling Yun's resistance is no longer so strong, heart is very happy, face is even blooming a bright smile, Qing Shirt fairy did not turn back, a step into the empty door: 'As you wish.'

Lin Yun was a little surprised and pleased, her sister had agreed to this ?

Lin Hao's gaze looked towards those third generation immortal slaves who hadn't had the time to flee, or rather wouldn't run at all, and were still fighting, as well as some of the second generation immortal slaves, his gaze suddenly went cold: 'Leave no one behind!'

'Yes! Palace Master!'

Chen Xuanfeng was the first to pounce, slicing and slashing like a watermelon, the others were even less idle, having long held their anger, including the sea tide member who was not badly injured, who also directly participated in the action.

Lin Hao dropped down and helped Xu Fanghua up, 'Grandma, is everything alright ?'

'They are not seriously hurt, the peach blossoms I just had have recovered for them, only those have been' Ling Yun said and could not go on.

Xu Fanghua shook her head, 'Grandma is fine, it's good that you guys are fine.'

Lin Hao, Shen Xiyan as well as Lin Ruo Shi are not in the Lin family, so Xu Fang Hua is not worried at all, even if they all die here today, the incense of the Lin family will not be broken!
