

Super Son-in-law Chapter 2291-2300

Chapter 2291

‘Daddy, so many uncles and uncles they are gone, are they, are they dead’ Lin Ruoshi was a little scared, afraid that it was true, tears were still falling down her face.

Xu Fanghua and the girls were silent, the little girl still understood.

‘Ling’er, Ling’er how are you? Ling’er, wake up, don’t scare me.’ Not far away, Ah Hu hugged Lei Ling and called out to her through tears, but Lei Ling was lying motionless in Ah Hu’s arms, without a sound.

‘Ling’er!’ Lin Hao and Lin Yun were also shocked and quickly rushed over, Lin Hao even snatched Lei Ling out of Ah Hu’s arms with one hand.

‘Aunt Ling’er, wake up, you still have so many things to go over with Xiaoshi.’ Lin Ruoshi called out as she gently took Lei Ling’s hand.

‘Strange, my healing should be working, how could this happen?’ Ling Yun strangely walked over and probed Lei Ling’s pulse, and instantly her face sank, ‘Her soul is no longer in her body.’

Lin Hao was shocked, wasn’t this the same as him? Wasn’t this the same as him? Had he gone to find the Queen Mother?

But Lei Ling was different from Lin Hao, Lin Hao he could always run to the Nai He Bridge to sneak around, but not so for Lei Ling and the others, there should still be a chance, there was still a chance!

‘Please fairy, please save Ling’er, I’ll do anything you want.’ Ah Hu kneeled in front of Lin Yun in pain, kowtowing and pleading over and over again.

Even Lin Yun was in tears as she prayed for Ling Yun’s help.

There was nothing Ling Yun could do, the soul was not there, not to mention her, even if her sister came, it would be useless.

‘It’s alright, don’t worry guys, but it will take some time, Ling Yun has to go and look for information, and although Ling’er is silent now, there is still hope, don’t worry little aunt.’ Said Lin Hao glanced at Ling Yun and winked without a trace, ‘You say so, right Ling Yun.’

Ling Yun was extremely responsive and nodded her head, ‘Yes, don’t worry guys, she will be fine, give me some time, you guys take her back to rest first, just leave it to me.’

‘Thank you, thank you fairy.’

The crowd was incredibly grateful to Ling Yun, Lin Ruoshi was all very good and understanding and went to follow Xu Fang Hua, constantly comforting her, the survivors all had haggard and painful faces, this day, they lost? 遮伍陸依洱遮洱? Too many loved ones had gone.

Because the top end of the battle force had all fled, those remaining second generation immortal slaves and third generation immortal slaves were all a bunch of rabble, unbeatable, and all the hostile immortal slaves had been wiped out.

But this also meant that Qing Shirt had to side with Lin Hao even if she didn't, and by taking action today she was directly on the opposite side of the Moon Wheel Immortal Palace.

This time, the losses of the immortal slaves of the Sea Tide Immortal Palace and the Qing Yun Heavenly Palace were also extremely serious, almost more than half of them were lost.

As Ling Yun cast her spell again, peach petals fell from the sky, and the injuries on these immortal slaves were rapidly healing at a speed visible to the naked eye, although the spiritual energy and divine blood depleted in their bodies could not be recovered.

‘Thank you, Fairy Ling Yun.’ The crowd thanked one after another.

Qin Yuxin and Zhuque also followed quickly, just now Qin Yuxin had received a report from his men that the Dragon Lord had been found, but the circumstances were unique, while Qin Yuxin ordered his men to send the Dragon Lord back to the capital overnight, escorted by Shadow himself.

Seemingly because of his reluctance to meet with Green Shirt, Shadow did not reappear and escorted the Dragon Lord back to the capital along with him. ‘Chief!’ Vermilion Bird walked forward covered in blood, his face showing delight, ‘You have finally returned.’

‘Sorry, still a little late in coming back.’ Lin Hao looked at Qin Yuxin and Vermilion Bird.

Qin Yuxin lowered her head somewhat in shame, she had misunderstood Lin Hao not long ago and had actually not returned at such a moment, without knowing that there was a reason for it.

‘You ah, it’s good to come back, that kind of place others can’t think of coming back when they go there.’ Vermilion Bird shook his head, wanting to laugh but unable to do so, after all, whether it was the battle in the capital or this battle along the Qin Huai River, the losses were too severe.

After dealing with all this, Lin Hao didn’t linger much and left the Lin family to find a secluded place, Ling Yun and Lin Liu Li both followed.

Chapter 2292

Only then did Ling Yun speak, ‘Lin Hao, you wouldn’t want to not be able to, that’s too dangerous, you know, not everyone is an existence like you who can still return after going to the Nine Mysteries.’

Clang!

Lin Hao's deity's sword was sheathed.

Lin Liuli and Ling Yun's military were shocked, it was over, they had guessed right, Lin Hao was really going to do this!

'Please you two, help me keep an eye on my body.' Lin Hao said seriously, yes, they had guessed right, Lin Hao was going to the Nine Mysteries to ask for someone!

We need to hurry up, it might not be too late!

'It might be too late Lin Hao, some time has passed, they might have already drunk Meng Po soup and left, besides, only the souls of cultivators are personally received by Meng Po, ordinary people are separate from cultivators.' Ling Yun was anxious, Lin Hao had only just returned, and he was going down again, how was this different from teasing the Hou Tu Niangniang?

I'm afraid Lin Hao wouldn't even want to come back if he angered the Queen Mother!

'If the Queen Mother doesn't give it to me, I'll call Yan Lo! Who dares to stop me from taking away my side?'

‘If he dares, I’ll go straight down to the Nine Underworlds and kill Yan Lo!’

With that said Lin Hao controlled the Sword of the Gods and fiercely stabbed towards his heart, the sharp edge of the Sword of the Gods instantly pierced through Lin Hao’s heart, straight through his heart!

The pain was so intense that Lin Hao could not help but hiss out, was this the pain of piercing his heart, it was too painful!

After struggling for a while, Lin Hao’s eyes went black and he collapsed to the ground with a thud.

It was too late for Ling Yun to try to stop him, and she hurriedly pulled out Lin Hao’s sword of deity, favoring the peach blossom petals that fell rapidly to repair the wound at Lin Hao’s heart gate, but Lin Hao did not wake up, his soul had already left his body.

In the place of the other shore, at the bridge of the Nai River, a group of miserable looking souls were gathered together, talking and laughing.

‘Elder Lei, what do you think? I didn’t expect that we would still go to hell after death haha, I was hoping to go to heaven.’ Lin Rui’s flesh and blood soul laughed and teased the Lei Family Grand Elder.

The Lei Family Grand Elder said with a black face and no good humour, ‘Get lost! The Immortal Court is shattered, and you still want to go to heaven? Besides, people like you deserve to go to hell, what’s the point of going to heaven.’

‘Cut it out, no sense of humour.’ Lin Rui shrugged his shoulders, but when he saw the lone silhouette in the crowd, he was ultimately a little heartbroken.

That was Lei Ling’s soul, I hadn’t thought that the little girl hadn’t resisted either, and had ended up here with them in one piece.

Lei Ling did not speak in the corner, no matter how the people from the Lei and Lin families tried to comfort her, she did not say anything, she just stared in a daze at the other side of the flower in front of her.

Next to her, at the bridge over the Nai River, there were souls lining up in a muddled manner, and Meng only glanced up and went back to her great business of making soup.

The biggest difference between these souls and Lin Rui and his group was that they seemed to be just muddling along instinctively, unlike Lin Rui and his group, who had perfectly preserved their memories and had their own minds, but the key was that as soon as they reached the Nahe Bridge, they were directly driven aside by Meng, who scolded them, ‘Go away, go away and stay out of my way.’

Lin Rui and the others were dumbfounded, they didn’t? They didn’t? The first thing you need to do is to drink Mona’s soup or what?

And why was this old woman so fierce?

‘Hey, old man Lei, look at that fierce old lady just now, do you think she’s the legendary Meng Po? If you drink that soup, will you completely forget about your past?’ Lin Rui looked bored and poked his elbow at the Grand Elder of the Lei family next to him.

‘Go away, you’re not finished, are you? Why can’t you stop when people are dead? Go and ask yourself if you want to know.’ The Lei family eldest was also exasperated by this bastard, really not finished yet.

‘Che, no humour at all.’ Lin Rui was a bit bored, he was dead, couldn’t he just look away? Besides, for the moment it was a good thing, the two big families, apart from him and old man Lei and Lei Ling, the real core ones hadn’t come down, so the crisis should be lifted, right?

Super Son-in-law Chapter 2293-2294

Chapter 2293

After all, just now they were coming here in no particular order, every now and then, but just a short while ago suddenly no one came down.

‘Ling’er, Eldest Uncle, you are really here, I’ve finally found you.’ Lin Hao saw a group of spirits in the shadows next to the Naihe Bridge, and was surprised to see them close, great, they were all here, they didn’t drink the Mengpo soup, but stayed here and didn’t leave.

When everyone heard the commotion and looked over, they almost didn't all piss themselves when they saw Lin Hao.

Lin Rui went straight to bed: 'Shit, how come you're dead too, Xiao Hao? Shit, I thought the crisis was over!'

'It's over, Xiao Hao is even dead, it looks like it's hopeless, I guess the rest of them have given their souls away.'

'The patriarch has come too, the heavens have killed my Lin family!'

Lin Hao's arrival made their already grief-stricken mood even more grief-stricken.

'Brother, you're here, is the family alright, how is mother.' Lei Ling pounced towards Lin Hao and jumped into his arms, a smile finally appeared on his face, had brother finally come to see his last face?

Lei Ling knew that Lin Hao was a regular customer here, her brother would be fine, not so for them, but she was content to see her brother one last time.

'They're all fine, Fairy Green Shirt helped out and wiped out most of the immortal slaves, the rest ran away, good thing we won.' Lin Hao dotingly stroked Lei Ling's head.

‘Since we won and the fairies all stepped in, how come you’re hanging?’ Lin Rui couldn’t help but ask after him, he had won, but how did this kid die?

‘I killed myself.’ Lin Hao shrugged helplessly.

‘Shit!’ Many people greeted in unison, what’s wrong with you? What’s wrong with you?

Even Lei Ling couldn’t help but feel distressed, ‘Brother you don’t have to fight so hard just to see me one last time, right? It must be very painful, right?’

‘Nonsense can it not hurt?’ Lin Hao gestured at the door of his heart, ‘Right here, use my sword to pierce down with one blow, directly through the heart, do you think it hurts?’

‘You stupid bastard.’ Lin Rui was so angry that he threw a slap at Lin Hao’s head: ‘What’s wrong with you killing yourself properly, I still need you to use this? I still need you to use this? You’re not a retard!’

The others also spoke up to rebuke Lin Hao, thinking that Lin Hao was committing suicide himself.

Hearing their words, Lei Ling and Lin Hao both couldn’t help but laugh.

‘Laughing, laughing, what the hell are you guys laughing, forget it, I’m too lazy to scold, there’s no use, anyway, dead is dead, I guess the corpse is cold.’ Lin Rui was also so pissed off that he wanted to die, only to find out that he was already dead in the first place.

‘You guys can rest assured, although brother is here too, he is able to go back, he came over this time especially to give us a final ride and see us one last time.’ Lei Ling smiled and shook his head.

Lin Hao also patted his chest and said, ‘Yes, I’m familiar with this place, to be honest, I’ve been here several times, see that granny over there? I know her well.’

‘Fuck you, get out of my way when you’re done talking, don’t get in my way! You think this is a backyard garden, but now you’ve come in a group for sightseeing!’ The Meng woman had obviously heard Lin Hao’s words and was furious, you can’t be this excessive, there are hundreds of souls here.

As a result, she couldn’t give them any soup if they had anything to do with this guy, so she simply kicked them aside, not seeing them and not bothering them, but looking at them was just unpleasant, after all, she couldn’t eat them.

‘Do you really know her? Pretty ah, you kid bully ah, really can go back.’ Lin Rui and the others all stared in awe, although the fierce wife’s tone towards Lin Hao was also very unkind, they could still hear it, these two really knew each other.

‘Alright, excuse me ha Queen Mother Hou Tu, you go about your business, I’ll leave after nagging for a while.’ Lin Hao accompanied with a smile, there was nothing he could do, he was not afraid to skulk back and forth by himself, but this time this family of several hundred people were here.

Chapter 2294

‘You kid is really good ah.’ Lin Rui patted Lin Hao’s shoulder, and shook his head a little sadly: ‘Okay, before I always look at you displeased, after you Ya came to the old me have become a charge to send, the old mother basically did not hurt me.’

‘Come on, you guys don’t have to hold back your laughter, I’m just too old to still need motherly love, what? Now, there’s no one to complain about you, she’s also your grandmother, so be good to your grandmother for me, you hear me? Otherwise, I’ll be a ghost even now. I’d be a ghost now. I’m not going to let you get away with this.’

‘It’s quite sudden when you think about it, you say that one moment you are still sleeping at home, only to have the enemy suddenly come to your door, and pop, just as quickly, just like that, you are dead.’ Lin Rui rambled on endlessly, and Lin Hao listened carefully and attentively.

The people next to him also disliked Lin Rui’s rambling, but as they listened they all fell silent.

Yes, they were sorry that they had died like this, that they hadn’t done many things, but they had to admit it.

‘Uncle you are too nagging you, my ears are getting calloused.’

‘Damn you, the last time I got to fish, you can’t let me finish nagging you once?’ Lin Rui was exasperated enough by Lin Hao, the ungrateful offspring.

‘No, if you want to nag, can we go back and nag? It’s not nice to get in the way of someone’s old lady’s work.’ Lin Hao also reacted, these people should have come early, Meng did not let them drink the soup, but drove them to the side, the meaning could not be more obvious.

‘What the hell are you talking about?’ Everyone exclaimed in unison, their voices all jerked up several decibels, appearing shrill and unmistakable.

‘Can you really go back? Not teasing your eldest uncle? You guys are so close? Say, did you sell your sex, you brat!’ Lin Rui did not believe it at all, and even more so, he stared at Lin Hao with a deadly glare: ‘How can you even dare to say that?’

Boom!

Lin Rui was directly slapped to the ground by a slap that appeared out of thin air, and a large human-shaped crater directly appeared on the ground, Lin Rui and the large crater were tightly matched.

Many people couldn’t help but scowl fiercely, this wife was too fierce.

Lin Hao, on the other hand, laughed and cursed to, 'Deserved, really deserved, it's not good to offend anyone but the Hou Tu Niang Niang, don't you think so, Niang Niang?'

The Meng woman coldly glared at Lin Hao without speaking.

Lin Hao coughed awkwardly, 'Then what, Niang Niang, you call out to Little Black and Little White, please bother them both, we hurry back ah, lest you look at us here and can not arrange, but also look at the distraction is not.'

Meng Ma laughed coldly, 'Since you've come, don't go back, stay and work for me.'

Lin Rui and the others didn't feel much, after all, they didn't believe that they could still go back after they had all died and come to the Nine Underworlds? As long as Lin Hao could go back, there was still hope that he could continue the incense, which would be the best outcome.

But Lin Hao quit: 'Your Majesty, what do you mean by that? I'm begging you, let them go back, they didn't die at the end of their lives, if you have any conditions, as long as I can fulfill them, I'll fulfill them for you, okay?'

If he couldn't take them back, wouldn't he have stabbed himself in the back for nothing? Besides, he couldn't just stand by and watch his sister get beaten up like that anyway.

Was it going to be his turn? To struggle to find his sister's reincarnation!

'That's what you said, right? I didn't force you, old lady!'

'No, absolutely not, I did it all voluntarily, so can I bother you to force me, Mother, I feel very much at home, I'm not at all aggrieved, I'm definitely not being forced.'
Lin Hao hurriedly responded with a cross face.

'Get lost, talk as if you are so aggrieved.' Meng was furious enough, what is to sell a good girl even after getting a bargain, this guy was typically selling a good girl even after getting a bargain.

'You owe me ten conditions, let's not mention them now, they can go back, but I can tell you, those who die by self-explosion lose their physical bodies, they can't come back to life even if they go back, they can only be wandering souls, and wandering souls stranded on earth will not take long to go up in smoke, never to recover.' Meng said very clearly that those who blew themselves up could not go back, but only the body remained before they could go back.

Super Son-in-law Chapter 2295-2296

Chapter 2295

And apart from the two special ones, Lei Ling and Lin Hao, the others, even if they go back, their life expectancy will be greatly shortened and their strength will never be able to advance another inch, even if there is an accident and their strength improves, but their life expectancy will not increase again.

‘As for those who can’t go back, they can stay and help me, do the same job as Little Black and Little White and the others, you come to this place often anyway, and you’re used to being dead, you can come and see them often if you have nothing to do.’ Meng stretched her hands, indicating that this was all she could do.

Hearing this, they were happy and sad, happy because they could go back, but going back was not much different from being a wastrel, with a much shorter life expectancy, and they would still have to come back here before long.

And many of them still blew themselves up because of the critical moment, to protect their clan, like Lin Rui.

Lin Hao listened but was very dissatisfied with this answer, because he knew that Lin Rui had died by self-destruction.

Seeing Lin Hao’s gaze at himself, Meng spread her hands, ‘This is all I can do, and I was the one who stopped them from crossing the bridge, if they did cross the bridge, it would be useless even if you raised your sword to cut down Yan Luo.’

‘Yes Xiao Hao, just don’t give the old lady a hard time, this is actually quite good.’ Lin Rui instead patted Lin Hao’s shoulder to comfort him, ‘It’s fine just come and see your uncle often in the future, uh, forget it, this crow’s mouth of mine, you’d better not come, less death, this place less often, ya this is not a place for you, a big living person to come.’

Lin Hao cried and laughed, do you want me to come, or don’t you want me to come?

The spirits hugged each other and those who couldn't go back instructed those who could to cherish this lost and found time, to help them take care of their families and tell them that they missed them but not to come to them too early, they missed their loved ones but didn't want to see them.

After all, if they see their loved ones, they will be dead.

What about the people who can go back? What about those who can go back? Those who can't go back are relieved to know that it's okay and that they will probably have to see each other again after a long time.

It's almost time to say goodbye, and it's time for everyone to go back.

Before leaving, Lin Rui pulled Lin Hao: 'Xiao Hao, your grandmother has not had an easy life, experienced too many setbacks, she has experienced the pain of losing her son twice, you must be filial to your grandmother know, even with my share of filial piety.'

'Don't worry uncle, I'm leaving, I'll see you when I can.'

'Go away, I don't want you to see me, if you come, I'll feel worse than visiting a prison.' Lin Rui was so angry that he kicked Lin Hao out of the room, and then everyone laughed out loud, just a little fake, as if everyone didn't want to make the separation less poignant.

They also knew that they were luckier than ninety-nine percent of the people who died like this and were able to say a proper goodbye not to mention that some of them could even go back.

.....

A few hours later, Lin Hao woke up with a jolt and found that there was no major damage around him and his wounds had healed as before with the help of Spirit Yun.

Hearing the commotion, Ling Yun and Lin Liu Li quickly walked over, they had been staring nearby.

‘You’re finally back, how are you feeling?’ Lin Liuli asked busily.

‘What can I do, it’s just like that, I’m used to it.’ Lin Hao shrugged his shoulders awkwardly, hey, this stuff is something that ordinary people can’t really get used to.

Lin Hao woke up at the same time, Lei Ling also jolted awake to regain vital signs and breathing, within the ancestral shrines of the Lin and Lei families, all those corpses woke up and came back to life, but the clan members who were guarding the spirits almost didn’t die of fright, yelling, ‘Crap crap crap, fraudulent corpses, or collective fraudulent corpses!’

‘Ling’er you finally woke up, scared to death of mum.’ Lin Yun tears like rain hugged her daughter, woke up, finally woke up.

‘Mom I’m fine I made you worry.’ Lei Ling felt a little guilty, if she had been stronger, how could she have made her mother so worried.

At this time, the ancestral halls of both families resounded with terrified cries of misery: fraudulent corpses, ah, all fraudulent corpses!

Lin Yun was horrified, how could the corpses be swindled ?

Chapter 2296

‘Mum go quickly, stop them ah, they are not cool swindled, they are resurrected, it was brother who went to the Nine Mysteries and spent a lot of effort to bring them back ah.’ Lei Ling also responded, and the others followed back.

Lin Yun: ????

Her own daughter had come to life, but it seemed like her brain had gone wacky ?

‘Aiya, mum I’m not crazy or stupid, go and stop them, I’m fine, let brother explain to you when he comes back later.’ Lei Ling kept urging Lin Yun.

Lin Yun couldn't care less, for fear that those panicked clansmen might think they had seen a ghost and simply kill the person who had just come to life again, that would be hilarious.

Although Lin Yun didn't really believe it either, and hurriedly ran to the ancestral hall, Xu Fang Hua also ran quickly to the Lin family ancestral hall.

Outside the wilderness, Ling Yun asked Lin Hao, 'So did you succeed? Did they bring it back?'

Lin Hao was a little helpless: 'Let's go back first and talk about it as we go.'

On the way back Lin Yun learnt that Lin Hao had really brought them back, although he had only brought back a part of them, but that still shocked Lin Yun and Lin Liuli badly.

Could the Son of Heaven's Destiny really do whatever he wanted? You can just wander around the Nine Mysteries by yourself and bring your loved ones out of the Nine Mysteries, you're really a bully!

This kind of thing, even existences like Qing Shirt and Moon Wheel can't do ah, not to mention can't do, the Nine Mysteries are not even they can? The actual fact is that you can't even get to the bottom of it. The place to set foot.

The first thing you need to do is to get back to the Lin family, all the survivors of the Lei family also came to the Lin family side, also the Lin family mansion is more well preserved, the Lei family is left with only one courtyard and ancestral shrine, all the others were destroyed in the battle.

This time, more than a hundred clansmen came over alive, only some of them came back, and some of them either lost their legs or broke their arms, but they were still alive after all, weren't they,.

Seeing Lin Hao coming over, the people greeted each other, 'The clan leader is back, haha I didn't expect to come back, we are alive again!'

'It's good to be back, it's good to be back.' Lin Hao was also overwhelmed with emotion.

Lei Ling and Lin Ruoshi also ran over, one person hugged Lin Hao an arm, face full of smiles, Lin Ruoshi also very happy, little aunt they are okay, at the same time and good-naturedly asked: 'Dad, which still some big uncle where they went? Many of them didn't come back, did they get lost and couldn't find their way home?'

'No, they've gone on a retreat, not far from where your mother is on retreat.' Lin Hao could only tell a lie.

However, Xu Fanghua and Lin Yun's faces changed greatly, the retreat was not far away? Does it mean that Shen Xiyan she&.....

‘Xiao Hao, you go with us to the ancestral shrine, the others take care of the others, no one is allowed to go near the ancestral shrine without permission!’ Xu Fang Hua incomparably serious tone came over to one side with Lin Yun, forcibly pulling Lin Hao into the ancestral ancestral shrine.

In the ancestral shrine, Xu Fanghua asked Lin Hao in a very serious voice what was going on. Did he really go down to the Nine Mysteries to ask for someone? And in a suicidal manner?

Where was Lin Rui? And how come the others didn’t come back, did they drink the Meng Po soup first and then leave?

They didn’t believe it either, but it was so true, and they all said the same thing, that they had to believe it, but they were still very suspicious all the same.

‘Yes, I found an unoccupied place and stabbed a sword towards the heart and passed, the reason why Uncle Da and the others couldn’t come back was because they were self-destructing and didn’t have a physical body to carry their own souls, they came back and harmed them instead.’ Lin Hao finished and continued, ‘But you guys shouldn’t worry, they’re all working under Mona now, they’ll eventually meet up later.’

‘The main thing is that I have nothing to do so I can go and see them.’

‘Look at you, my ass, no looking! You’re afraid you won’t get enough of dying once and then die a few more times, aren’t you?’ Lin Hao’s words almost didn’t send Xu Fanghua away, there was no one else for you to visit your relatives in this yin and yang.

Lin Hao shrugged his shoulders, he wouldn't deliberately die, but then again, he couldn't guarantee that he would go there again for force majeure reasons to visit his family.

Super Son-in-law Chapter 2297-2298

Chapter 2297

'One last question! Xiao Hao you tell me honestly, is something wrong with my grandson-in-law her!' Xu Fanghua wrinkled her brows and stared at Lin Hao.

'Yes

Lin Hao knew he couldn't hide it anymore, so he simply stopped hiding it. 'You damn child, you scared me to death, next time you do that again grandma will have to beat you ah.' Xu Fanghua listened to the cause and effect of Lin Hao's story, she was furious, can this dead child speak with a big breath? He had scared them to death.

They thought that Shen Xiyan had also died and her soul was stranded in the Nine Mysteries, but they didn't expect it to be for a different reason.

They were equally shocked that there were still so many hidden secrets in this world, existences that they could not touch.

They also learnt how dangerous what Lin Hao was doing was, but he had to do it, especially when they heard that Lin Hao had already been to the Nine Mysteries many times because of his death, they were heartbroken with pain.

In Xu Fang Hua's eyes, Lin Hao was still a child too, after all, in the eyes of the elders, no matter how old you are, you are still a child.

After all, Lin Rui is a real example, more than a hundred years old, still not with the training of grandchildren? Fuzi er yi yi di wu? The same kind of training.

Xu Fang Hua opened her mouth, but the words came to her lips and then swallowed them, she really wanted Lin Hao to stop here, it was too dangerous, but how could she not say it, leaving behind the so-called mission, whether for his own safety or to save Shen Xiyang, this road he had to go all the way until the matter had a complete end.

'It's okay, grandma, I'll be fine, don't worry.' Lin Hao began to comfort them first, 'Also, for your safety, let's move, to a safer place.'

'A safer place? The Qing Yun Heavenly Palace? Or the Sea Tide Immortal Palace?' Lin Yun was a little curious, after all, in their opinion, safer would be either the Sea Tide Immortal Palace or the Qing Yun Heavenly Palace, after all, there were powerful immortal slaves guarding both inside.

A fifth grade Illusionary Spirit Master or even a sixth grade Illusionary Spirit Master, ah, compared to them, the gap was not ordinary, just Qin Xiaorou, a monster at the peak of the fourth grade realm, had almost wiped out their clan, let alone an existence that was even more powerful than Qin Xiaorou.

'Everyone get ready, I'll think about it.' Lin Hao didn't answer immediately.

To be honest, these two places were indeed safe, yet not safe enough.

These two immortal palaces were not as safe as the Qin Huai Golden House, an immortal palace with a true immortal deity, but to be honest, Lin Hao didn't have a clue in his heart, would Fairy Qing Shirt grant permission for outsiders to enter the immortal palace privately?

'It's alright, you guys go and get ready first, I'll go and ask again.' Lin Hao left the Ancestral Shrine, there was a group of people outside the Ancestral Shrine, all looking at Lin Hao with bated breath.

Lin Hao stroked his chin with tears and laughter, 'Why are you all looking at me like that? Disperse and do what you need to do.'

'Ling Yun, you come out.'

The two of them left the Lin family's house and went to the Qinhuai River. Nowadays, the Qinhuai River was not as raging as before, and under the moonlight, it looked very beautiful with sparkling waves.

The two of them just stood quietly on the bank, neither of them speaking first.

'What, you are also embarrassed at times, aren't you?' Ling Yun felt a little amused that he had to wait for himself to ask first when he clearly had something to ask.

Ling Yun noticed that she hadn't spent much time with Lin Hao, but her personality had also changed in many ways, she loved to laugh and didn't have the same cold tone of voice as before, seemingly not caring about anything.

Seeing how Lin Hao got along with his loved ones, Ling Yun was also very envious and at the same time quite admired Lin Hao, for the sake of his loved ones, he could go straight down to the Nine Mysteries to chase after their souls.

'Ahem, it's indeed a bit quite embarrassing.' Lin Hao shrugged his shoulders awkwardly.

'Just say what you have to say, don't stammer, are you still a man?'

'I'm not happy if you nag me like that, if I wasn't a man, how could my daughter be so big?' Lin Hao cried and laughed.

'Who's nagging you about this.' Ling Yun's pretty face was shy and she hammered Lin Hao with not too much force.

Chapter 2298

'I want to beg your sister for one thing.' Lin Hao thought about it, it's better to try, if it becomes a success then it's best, at least there will be no more worries, otherwise always have to guard against others will suddenly steal home, hand and foot can't be exercised ah.

The first thing you need to do is to ask your sister for help, but you don't want to ask yourself.

You don't even use tools like that, do you?

Ling Yun thought about it and was not too repulsed, somehow the feeling of being needed by Lin Hao even made her feel quite happy.

Ling Yun summoned the inscription, the palace lamp in her hand emitted a bright haze of light, and an empty door slowly appeared in front of her like this, one of the empty doors of the Golden Mansion happened to be nearby.

'Let's go.' Lin Yun took Lin Hao's hand and stepped through the empty door into the Qinhuai Golden Tower, and it didn't take long to land on top of the Golden Tower's suspended platform as she sped along.

The Qing-shirt fairy was still sitting in the small pavilion as usual, as if she had known they were coming back, and was not playing the zither as she had been doing in the past, the exquisite ancient zither was placed on the stone platform, while she turned her back to the crowd, idly sipping a fragrant tea.

Lin Hao glanced at Ling Yun, who also looked at Lin Hao, their eyes seemed to be saying: You speak first.

The two of them were at a standstill, and Ling Yun was speechless, when did Lin Hao become so pretentious.

‘When did Lin Hao become so pretentious, come and sit down, the tea has just been brewed, try the taste.’ Unexpectedly the first to break the silence was instead the green-shirted fairy.

‘Then I’ll be respectful.’ Lin Hao walked over and sat down, Ling Yun automatically entered the role of a maid and came over to pour Lin Hao’s tea, but instead, Qing Shirt shouted for her to sit down.

‘Little sister you can sit down too, you haven’t tasted this tea either, drink it together.’

Ling Yun was still a little disgusted by this little sister call from Qing Shirt, but this time she surprisingly didn’t open her mouth again to retort or turn her head away.

Ling Yun shook her head, ‘Sister, I’m afraid this isn’t appropriate.’

‘I said appropriate? I don’t think so. Appropriate then!’

Qing Shirt’s tone was half command, half concern. Ling Yun hesitated, but eventually sat down and took a sip of tea, only for the three of them to fall silent once again, no one speaking.

Lin Hao thought to himself, 'This won't work, although I don't want to bow down and beg, but one has to bow down when one is under the roof: 'Fairy Qing Shirt, I have an unpleasant request, I don't know if it's appropriate to say?'

'I don't think so.'

Lin Hao: ?

No, you don't nag like that!

Not expecting to be rejected before she could even open her mouth, Ling Yun was also a little anxious and wanted to open her mouth to speak up for Lin Hao.

However, the change in the two's expressions was quite amusing to Qing Shirt, and she couldn't help but burst into laughter, 'No more teasing you guys, no sense of humour at all, I know the reason for your visit this time, let them move in.'

'Thank you for your great kindness fairy, don't worry, I will definitely not let them disturb the residents here, just give them a piece of open space, it doesn't matter if it's a floating island in the middle of nowhere.' Lin Hao wasn't picky either, after all, the surviving clansmen of the two Lei Lin families were all Illusionary Spirit Masters now, even if it was a deserted empty island, they would be able to build a brand new home with their own hands.

‘There’s no need, they’re from the outside world after all, it’s easy to spoil the atmosphere here.’ Qing Shirt shook his head, ‘Let them move directly to the Golden Mansion, the thirty-two floors of the Golden Mansion, the lower part is almost empty, let them settle there.’

At the same time, Qing Shirt also requested that they could do whatever they wanted when they came, but they could not affect the living condition of the people in this Golden Mansion, and there were some unknowable places in the Golden Mansion that they could not intrude into, otherwise they would be responsible for the consequences, also, without her permission, they could not easily leave the Golden Mansion for the outside world once they came in.

Lin Hao could understand these requests, and it was also a common sense, after all, it was now a state of being a parasite, so it was enough to ensure one’s own safety.

‘Thank you, fairy, for making this possible.’

‘Thank you is not necessary, but aren’t you worried?’ The green shirt raised an eyebrow slightly.

Super Son-in-law Chapter 2299-2300

Chapter 2299

‘Worried about what?’ Lin Hao froze for a moment, what else was there to worry about?

‘You’re not worried about me using your clan as leverage to blackmail you? I know that your biggest weakness is the people around you, not yourself.’

Lin Hao laughed loudly after hearing this and waved his hand, 'If fairy wanted to kill me, she would have done it long ago, not to mention that if you really want me to do anything, just ask, I believe fairy is not someone who uses her family to blackmail others.'

'Oh? You see quite thoroughly, you also owe me a lot of people please, then I will start with the first condition, very simple, repudiate your wife and take my little sister as your wife.' Qing Shirt really didn't mention the request, but when he did it was a shocking statement!

Lin Hao was dumbfounded and stood frozen in place, even thinking, you, are you sure you're not joking?

Ling Yun's face was also slightly drunk, almost the moment Qing Shou said that, she hoped that Lin Hao would agree to it, but how could she think about it?

Although she had never met Lin Hao's wife, it was obvious that Lin Hao loved his wife very much and they had a very cute and beautiful daughter, so how could he possibly repudiate his wife just because of a word.

'Sister, what nonsense are you talking about! That's too much to ask.' Ling Yun eventually spoke up first and refused.

Lin Hao was him, yet he wasn't him either. ,

Ling Yun herself was actually very conflicted, clearly wanting Lin Hao to say yes, yet not wanting Lin Hao to say yes, exactly what she thought, even she couldn't say.

Lin Hao frowned, his face was very ugly, he had guessed, this Ling Yun sisters, and that once himself should have a deep entanglement, but that has nothing to do with him ah.

What's more, he had thought about these two sisters helping themselves so much, especially this Qing Shirt, who had almost broken the rules many times in order to help himself, running for what might be this purpose, but he couldn't agree to it.

'I'm sorry, I love my wife very much, this request is obviously beyond my tolerance, please fairy say other conditions of the request.' Lin Hao decisively refused, while saying, 'I have vaguely guessed some of this, there have been entanglements and they run deep, but that has nothing to do with me, I, Lin Hao, am just Lin Hao, not someone else, so please do not confuse them.'

'Yes sister, aren't you imposing on people?' Ling Yun was a little lost, but it was well hidden by her.

Qing Shirt waved her hand, not forcing the issue: 'Since you don't agree, forget it, go and arrange for your clan members to enter the Golden House, little sister, go and assist to help.'

'Thank you very much, fairy.' Lin Hao arched his hand with great gratitude, he didn't expect that the other party would be willing to help him even though he had refused his request.

But next the green-shirt ? Di Yi Serving Steak Closed Steak Dye ? s words stunned both Lin Hao and Ling Yun on the spot!

.....

The only thing that Qing Shirt said was: Shen Xiyun is Ling Yun, and only a part of Ling Yun, or Shen Xiyun is not real, Ling Yun is the real one.

Lin Hao suddenly fell like a thunderbolt from a clear sky and froze in place, his head reverberating and his head buzzing.

Next to him, Ling Yun was also stunned, how was this possible ? How could Lin Hao's wife be a part of himself and how could he not know ?

'No, this can't be, whether it's me or Xiyun, we are the only ones in the world, independent and unmistakable existences, how can we be part of someone else, are you trying to forcefully load the entanglement from back then on us ?' Lin Hao could not accept this truth, and was even more unwilling to accept it.

But the voice of Shen Xiyun still resounded in his mind, the words that Shen Xiyun had said the most recent time he had gone to the Moon Wheel Immortal Palace to pretend to be an Immortal King, the time he had been poked to death by one of the Moon Wheel's Phoenix Dancing Liuhua Pins, when he had met Shen Xiyun in the Sea of Blood.

‘Lin Hao, if I wasn’t me, would you still love me?’

At that time, Lin Hao was baffled, how could she not be her? How could she suddenly say such inexplicable words?

Now that I think about it, was it possible that Shen Xiyao herself had sensed something!

Chapter 2300

No, this couldn’t be, this wouldn’t be so outrageous!

Lin Hao kept denying it, but the more he didn’t want to believe it, the more he was afraid.

‘Yes, you are all unique beings, not much entangled with us so to speak, belonging to separate lives, but in reality, you are still inextricably linked to us.’ Qing Shie sighed and motioned for Ling Yun and Lin Hao to sit down and listen to her speak slowly.

But what followed was a little too much for either Lin Hao or Ling Yun to take in.

Back then, when Emperor Xuanyuan Huang decimated the Immortal Court with his sword, the Immortal King fell, only to find out later to the incomparable shock of

Fairy Qing Shirt that the Immortal King had actually reincarnated and reincarnated as a reincarnated body, however, he did not have all the memories of the Immortal King.

It was the equivalent of a whole new life, a whole new everything, across the ages, and she was shocked to discover that Lei Ling was actually entwined with the fate of the once Immortal King.

Lei Ling had once been just a maid of the Immortal King, along with Ling Yun.

But Qing Shou knew that Ling Yun had always resented herself for tearing her and the Immortal King apart, and she would rather die than live like this.

In order to fulfil Ling Yun's dream, Qing Shirt spent a huge amount of money to strip a part of her from Ling Yun and send her to reincarnation. After several fortune corrections, Shen Xiyan was finally entwined with Lin Hao's destiny.

However, Shen Xiyan was a part of Ling Yun and had a separate life, and their meeting and acquaintance had been deliberately arranged by someone!

Lin Hao was even more unable to accept this truth.

Even Ling Yun couldn't accept it, but they had all basically believed that it should be true.

‘I didn’t expect it to turn out like this at that time, at that time I just wanted to fulfill your dream I guess, to let a part of you fulfill your long-cherished wish that you couldn’t, but I didn’t think that the one life where your reincarnation and he finally met would end up being involved.’ Qing Shirt was also very helpless, originally wanting them to meet and get to know each other and spend their lives in peace and happiness, but after they met, this life would not be peaceful in any way.

Lin Hao’s face was incomparable? Yidi Yidi cover love zero? ugly, already basically convinced: ‘Then what will happen to Xiyan in the end?’

‘If you don’t get involved, you can live a happy and fulfilling life, but you are in the game, the two of them can’t meet, once they meet, one of them will surely disappear thus covering all of the other one, there is no way I will let my little sister become another person!’ The day they met would be the day of Shen Xiyan’s death,’ Qing Shirt said incomparably bluntly, and the implication was even simpler.

Lin Hao’s brow was furrowed, wanting to get angry but unable to, and his heart was secretly determined, you won’t make your little sister disappear? Then I will also do whatever it takes to keep my wife from disappearing!

This may not be fair to Ling Yun, but in front of love and loved ones, people, they are selfish!

Like a sandwich biscuit, Ling Yun was in a dilemma, and spoke helplessly, ‘Sister, why must one disappear, can’t they co-exist?’

‘Can’t.’ The green shirt pointed to the sky, ‘It doesn’t allow it.’

‘It won’t allow it! I’ll tear it apart and destroy it, I’ll see if he allows it!’ Lin Hao was like a sheathed sword, his words were sharp, and he waved at Ling Yun to leave with him, not saying anything more.

Looking at the departing two, a smile appeared on Qing Shirt’s face, her plain hands danced on the strings of the zither, moving immortal sounds flowed: ‘Yes, perhaps there is a miracle, after all, this little fellow has created so many miracles, who can say where the future destiny will go, it has not allowed me to pry into the heavens for a long time, ah.’

All the way Lin Hao was silent and speechless, his heart was incomparably heavy, how easy it was to tear through the heavens and break the shackles of destiny.

‘It’s alright Lin Hao, I believe you, if there is really no solution to the Fate Principle, I won’t make things difficult for you and my sister.’ Ling Yun smiled sweetly, ‘Once you and I were destined not to be together, even now in the future, we will not know each other until we are white.’
