

Super Son-in-law Chapter 2301-2310

Chapter 2301

‘When that day does come, I will take matters into my own hands and let her spend her life with you, what I couldn’t accomplish, she helped me accomplish, and I’ve fulfilled my dream, not to mention that she represents a part of me, doesn’t she?’

Lin Hao was incomparably surprised as he turned his head to look at the soft woman beside him, carrying a palace lantern, speechless for a moment.

‘Why are you looking at me like that? Turn your head away and be careful that you won’t be able to resist falling in love with me and thus move on.’ Ling Yun mischievously poked Lin Hao’s cheek with her finger, turning his gaze away.

Lin Hao didn’t know what to say for a moment, and a thousand words were gathered into two words, ‘Thank you.’

‘What’s the point of being so polite, I should be the one thanking you for allowing me the privilege of seeing you again, and also for resolving my ten thousand year old obsession with my sister, haven’t you noticed how much I’ve changed from before?’ Ling Yun’s face was also full of smiles, not at all matching the cold and aloof look she used to have.

‘Indeed, now more and more you look younger and younger, the same as your appearance, like a flower girl in her twenties, youthful and lively and energetic.’ Lin Hao couldn’t agree more, indeed there had been a sea change from their first meeting.

‘Oh? Is that so? So what was I like before?’

‘Well, it was similar to a ten thousand year old demon woman who didn’t get involved in the red world and was indifferent to the people of the world, I guess.’ Lin Hao shrugged his shoulders, only just as he finished speaking, he felt a cold killing intent that caused him to shiver viciously, a feeling of his life receiving a threat.

‘Ten thousand year old demon woman! Lin Hao I’ll beat you to death, you’re the old demon woman! You ten thousand year old, old monster!’ Ling Yun instantly exploded into a frenzy, frantic beyond belief.

‘Hahahaha, can’t fight it.’ Lin Hao was so frightened that he ran away, mother fucker, he was an immortal, but he still cared so much about his age.

The two of them turned into streams of light and chased each other back and forth in the Qinhuai Golden Building. Although Ling Yun was furious and furious, she did not hit Lin Hao to death, and the two of them were chasing each other, which was interesting.

Even the green shirt who was playing the ancient zither in the pavilion couldn’t help but shake his head helplessly, but the corners of his mouth rose slightly? The two of them are playing the ancient qin. The pavilion is a place where the pavilion is located, with a faint smile on its face.

The first thing you need to do is to get back home, Lin Hao did not have any delay, immediately ordered the two Lei Lin families, including the cloud family a piece of packing to leave.

This time, the Yun family is the least damaged, because the Yun family station is not in this area, but later when the Lin family, the Yun family still has a group of strong people fallen.

Yun Feng listened to Lin Hao's orders and told everyone in the Yun family to pack up and prepare to evacuate, even Yun Ruo, who was in charge of the Tianhai Charity Foundation, was forcibly recalled.

Yun Ruo refused at first, but when she heard that it was Lin Hao's order, she didn't refuse again, and even Xu Linglong returned.

However, when Yun Ruo and Xu Linglong came back and saw two fairy-like women standing beside Lin Hao, one on the left and one on the right, each with their own beauty, they both couldn't help but frown, especially Lin Liu Li, how come there were horns growing on their heads? What kind of monster is this?

‘Have you finished packing your things? Let's go.’

Lin Hao finished, Ling Yun immediately opened the empty door, Ling Yun also instructed them, ‘All of them enter the empty door in this way, after entering the empty stay where you are and do not move around, nor can you go to other places and disturb the aborigines easily, go in.’

Yun Ruo and Xu Ling Long were both stunned, what kind of tactics was this to open the empty door with their bare hands?

The two did not dare to speak, they also knew what had happened to the Lin and Lei families, Xu Linglong was also on her way back at the time, but just halfway there, she was informed that it was over, after all, she did not arrive in time and felt guilty.

The crowd entered the empty door in this way, and it didn't take long for all of them to enter the Qinhuai Golden Mansion.

The moment they entered, everyone was stunned by the scene in front of them, including Xu Fang Hua and the girls. Although they had been to the Qingyun Heavenly Palace, it was still too small compared to this.

This was a vast area of tens of thousands of frontiers, and the Qingyun Heavenly Palace was the equivalent of the main hall of the Qinhuai Golden Mansion, which was not next to these frontiers.

Chapter 2302

They also saw the birds and flowers on those floating islands, which were really pleasant to the eye, and the aborigines, which they found incomparably magical.

Is this an immortal palace? Or a spirit realm?

This was a level higher than the Spiritual Domain, a real immortal palace.

‘Welcome to the Qinhuai Golden Tower Immortal Palace, everyone follow me, you will be staying here temporarily from now on, here, you don’t have to worry about any danger.’ With Ling Yun leading the way, they soon arrived at the Qin Huai Golden Tower, the green-shirted fairy gave Lin Hao face and came out to meet everyone? 西意西闭拂遮洱依?

The people of the Lin and Lei families had a deep understanding of the terror of the Green Shirt Immortal, those invincible immortal slaves were dregs in front of the Green Shirt Immortal.

The crowd hurriedly saluted, they didn’t expect Lin Hao to be so fierce, to let them live in the same building as the fairy, that was simply too safe alright.

Fairy Qing Shirt nodded slightly and left, not saying much.

Everyone also stayed in the Golden House for the time being, arranging for the people in the family, and Lin Hao was relieved that it was time for this matter to come to an end.

Next, it was time for revenge! Lin Hao and Ling Yun were the only ones who came out of the Golden Mansion, everyone else stayed there.

Lin Liuli's mission had already been accomplished, and she did not want to continue to work on it. Moreover, after she had returned from her trip to the Lunar Wheel Immortal Palace alone, she was now only at the fifth level of strength due to the serious collapse of her Dao.

So Lin Liuli simply stayed at the Qinhuai Golden House to look after his grandmother for Lin Hao, after all she was also Xu Fang Hua's goddaughter.

She was not strong enough, otherwise she would not have been so passive in the last situation.

The youngest girl, Lin Ruoshi, was even better behaved and took the initiative to stay with her grandmother for a while, leaving Lin Hao to go out and play on his own.

It wasn't clear if Qing Shirt had deliberately informed them to give the two more space for the two of them, after all, they might not have much time left, or if that was really what they thought, but in the end, it was surprising that only Lin Hao and Ling Yun left the Golden House.

'Embarrassed?' Ling Yun asked with a smile.

Lin Hao bristled, 'As long as I'm not embarrassed, you're the one who's embarrassed, what do I have to be embarrassed about.'

‘Then I’m indeed quite embarrassed.’ Ling Yun couldn’t help but cover her mouth and laugh lightly, this guy had quite a few sophomoric reasons, one set of them.

Not long after the two of them left the Golden Mansion, an empty door opened in the void not far from them, and a piercing cold moonlight shone through it, followed by a powerful spiritual pressure.

It was her!

The aura of the late 6th rank realm of Spirit Rhyme was unreservedly released, and a terrifying aura continued to spread out.

After all, the Moon Wheel could not be present in person, but a divine thought doppelganger, Spirit Rhyme might not be afraid of.

As expected, not long afterwards, the long-skirted and white-clothed Fairy Moon Wheel with her long hair trailing on the ground walked out from the empty door.

Clang!

A sword sounded, and the Sword of the Gods had landed in Lin Hao’s hand, and the battle was about to begin!

Yue Lun's gaze was cold as she glared at Lin Hao, filled with hatred and anger, but Yue Lun had no intention of making a move and spoke coldly, 'Return the Phoenix Dance Liuhua Hairpin to me, I'm not here to fight with you today!'

Ling Yun sneered, 'Are you kidding me?'

Ling Yun's spiritual pressure did not decrease but increased, not letting down his guard even a little bit, and so did Lin Hao.

Lin Hao took the Phoenix Dancing Liuhua Hairpin out of the Consciousness Space and waved it in front of Yue Lun's eyes, 'Are you talking about this thing no?'

'Yes! Give it back to me, it's a thing of this daddy, give this back to me and this daddy won't bother with you about what happened before.' When Moon Wheel saw the Phoenix Dance Liuhua Hairpin, her divine thoughts flowed at first, trying to get in touch with it, but it was useless, not a single link was left, it had been personally erased by Qing Shou from its divine thoughts, it would be a ghost if she could make contact.

Of course, if she were to descend in person, that might not be the case.

Super Son-in-law Chapter 2303-2304

Chapter 2303

Since she couldn't take it by force, she could only ask for it, although her divine mind split was stronger than Ling Yun, it was after all a divine mind split, she wasn't sure.

The other party's words made Lin Hao want to laugh, a write-off? Who would believe you? You think I'm blind with that look in my eyes that wants to eat me alive?

Moreover, even if Yue Lun wanted to write it off, Lin Hao couldn't let it be written off.

Even you, Yue Lun, cannot escape!

One day, when Lin Hao reached their level of existence, he would kill him with his own hands!

'What do you mean by returning it to you? Is this your stuff? Earth closed and dyed? At least you're an immortal dweller, how come you don't even want to lose your face.' Lin Hao bristled.

'Take it over! That was originally my daddy's stuff! You don't want to force this daddy's hand! Moon Wheel was a little frantic, who was shameless? You scoundrel!

'If you don't give it to me, you'll rob it, won't you? So this is the original face of Immortal Dignity.' Lin Hao was happy, then his head raised, 'Bullshit, this is clearly my stuff, what's mine is mine, and what comes into my hands is still mine!'

'You say it's yours, then call it out and see if it agrees with you!' Lin Hao thought to himself, 'I can't get you now, hey, I can get mad at you!'

‘It’s fine, it’s still mine even if it promises it.’

‘Shameless! I’ll kill you!’ Moonwheel had never seen such a shameless and shameless person, taking someone else’s belongings for himself and still being able to be so righteous!

‘Don’t you dare try to make a move.’ Ling Yun dodged and blocked in front of Lin Hao, his spiritual pressure surging even more violently.

‘Get out of the way! I’ll kill him!’ Moonwheel shouted angrily.

‘Hey, come and hit me, come and hit me instead!’ Lin Hao popped his head out from behind Ling Yun, and deliberately shook the Phoenix Dancing Liuhua Hairpin, ‘Tch, it smells so good.’

Then he pretended to lick the Phoenix Dancing Flower Pin with his saliva.

The moon wheel cracked on the spot, ‘Damn, if I let you lick it, why would I need this?’

‘Stop it.’ The moon wheel finally couldn’t help but make a move, the floating belt on her body flipped, windless, a flip of the belt came out of her hand and stormed towards Lin Hao in the wind.

‘Can you stop this, I can’t help but want to hit you’ Ling Yun looked at Lin Hao speechlessly, this guy is too cheap, right, high above the gods can be estimated by this guy to die, no you such a person ah.

But having said that, Ling Yun was not slow in the slightest and directly met the Moon Wheel’s floating belt of supreme treasure, ready to intercept it.

Click!

Space shattered, and a pair of large green-coloured hands poked out from the shattered space, grabbing the floating belt attacked by the Moon Wheel with a light grip, and the Moon Wheel’s attack shattered with a bang.

The Fairy in the Green Shirt had struck!

Moon Wheel’s face was gloomy and ugly: ‘Qing Shirt, don’t go too far! I’m just taking back what’s mine!’

In response to Moon Wheel there was only one simple word: Get lost!

Yue Lun was so angry that she wanted to explode in place, even if she was protecting her calf, she was not as protective as you are, one after the other.

The cold and majestic voice of Qing Shou came again: If anything happens to him or her, I will go to the Moon Wheel Immortal Palace to talk to you.

A threat! A blatant threat!

‘Wait for me, all of you!’ Moonwheel, at a disadvantage, was so angry that he was about to explode, yet there was nothing he could do about it, so he dropped a fierce sentence and gritted his teeth as he departed.

‘Incompetent rage.’ Lin Hao shrugged his shoulders and walked out from behind Ling Yun.

Ling Yun knocked Lin Hao’s head with no good grace, ‘If you get so dejected again in the future, I won’t bother with you, or even help her beat you up together!’

Lin Hao held his head high with a straight face, ‘Why wouldn’t I be foolish with you guys around? Do I still have to cry to my mother and father and kneel down for them, presenting the Phoenix Dance Flower Pin with both hands and shouting ‘O beloved invincible Moon Wheel Fairy, please take back your things, please’

Puff!

‘Get lost, you bitch.’ Ling Yun was amused by Lin Hao and really couldn’t do anything with this guy.

After all, Lin Hao was really decent when he was decent, and really decent when he was not.

Chapter 2304

Lin Hao and Ling Yun arrived at the Imperial City and met the Dragon Lord, who was now in high spirits and looked fine as a whole, and with the return of the Dragon Lord and the return of Chen Long’s power to the Dragon Lord, all order was restored to normal functioning at a very fast pace.

The Dragon Lord stayed in his office chatting with his daughter, not expecting Lin Hao’s sudden arrival, the Dragon Lord greeted Lin Hao warmly, and Lin Hao introduced Ling Yun.

Knowing that she was the sister of Fairy Qing Shirt, the two Dragon Masters, father and daughter, were also very polite to Ling Yun, although Ling Yun was still rather high strung in front of the others.

Lin Hao explained the reason for his visit, he was going to resign, the Dragon Sect had four main town guards, as for the Dragon Group, they also had their respective captains, and did not need him to manage them.

He didn't want to get involved with the Dragon Group or the Dragon Sect, as he was not an immortal slave, and it was impossible to get involved in disputes with immortal slaves, which would only increase casualties.

The night of the bloodshed in the capital and the night of the bloodshed at the Qinhuai River were the best examples.

'Lin Hao you should not be impulsive yet, why don't you think about it again?' How could Qin Yuxin not know what her father meant, in her father's opinion, Lin Hao was the best successor.

Therefore, before the Dragon Master could say anything, Qin Yuxin spoke up first to dissuade Lin Hao.

Lin Hao's mind was already made up, so he naturally did not hesitate.

The Dragon Master and Qin Yuxin were pleased that they could not be persuaded, so they had to agree, but Lin Hao's position and his military rank were reserved for him forever.

Lin Hao's position was temporarily replaced by Qin Yuxin, and the Dragon Master also said that when Lin Hao returned, Qin Yuxin would immediately hand back the power to Lin Hao.

At the same time, Lin Hao asked Qin Yuxin to mobilise the Dragon Sect and the Dragon Group to search for the whereabouts of the remaining members of the Qin family, as Lin Hao was about to take his revenge!

Qin Yuxin naturally agreed to this, and these departments had been doing this, these remaining villains, they had to kill them all, otherwise how could they give an account to those people who died because of these two incidents!

These departments are naturally no match for the remnants of the immortal slaves, but they are still very useful in using modern technology to find people, as long as they find Lin Hao will personally go and get rid of them all!

‘Lin Hao ah, if you meet that young man Qin Fengyue, if you can, leave him alive.’ Seeing the two of them preparing to leave, the Dragon Lord suddenly called out to Lin Hao to mention a word.

He hadn’t spent much time with Qin Fengyue, but the Dragon Master thought that he was a seedling who might be able to achieve great things if it wasn’t for his sister dragging him down.

Lin Hao couldn’t help but frown, Qin Fengyue!

To Qin Feng Yue, Lin Hao didn’t hate much, but his little sister, Lin Hao was sure to make her pay a heavy price, if Qin Feng Yue didn’t lose his heart to death and still defend his little sister in such a situation, Lin Hao didn’t mind letting him off the hook.

‘Yes, but exactly how we do it depends on whether or not he will make a fool of himself.’ Lin Hao sort of agreed, and then left the Imperial City with Ling Yun.

At this time, on the shores of the Eastern Sea, in the middle of an endless, vast, blue deep sea, all the way down, was an incomparably deep darkness, a darkness as thick as ink, a darkness where one could not see five fingers.

Beyond this layer of darkness beneath the deep sea, in? The flickering closed Yiwu covers the? The deepest part of the Eastern Sea, however, is covered in haze, with all sorts of strange lights floating back and forth, and a vast palace of grandeur and opulence below

This dark deep sea is glowing with strange fish of all sizes. There are many ancient species here that have never been found in the world and are much larger than the fish in the upper seas.

They glow with their own light and the coral reefs around them glow with a pink light, decorating the vast palace.

The palace was covered in haze and surrounded by a pale dragon, incomparably spectacular.

This palace was different from any other palace in that it was almost entirely hollowed out and made up of huge pillars, all of which were very tall, causing the palace to be very tall as well.

The ground alone is ten thousand metres to the top of the palace, which itself is a monstrous palace made up of thousands of pillars combined.

Super Son-in-law Chapter 2305-2306

Chapter 2305

And most of the palaces have a coiled dragon wrapped around the pillars, vivid and alive.

In the very centre, on the huge gilt pillar that runs the length of the palace, is entwined a celestial dragon with scales bursting with haze, the celestial dragon reminding of the immense size of the incomparably noble five-clawed golden dragon.

The huge head lay on top of the platform at the top of the palace.

Suddenly, the huge dragon's head, which had looked like a dead thing, suddenly snorted and let out an astonishing and thorough dragon roar. The hundred-metre huge golden dragon's head moved and its two golden pupils, which were the size of trucks, opened wide.

This dragon roar woke up the entire palace with a jolt, and all the sea creatures around, whether they were spiritually enlightened or not, were so frightened that they crawled to the ground and trembled, while those who were a little further away fled in fear.

With a mere dragon's roar, the sky over the East China Sea, which had been clear, suddenly became cloudy, the wind howled, the waves rose to a hundred metres, and thunder roared!

A? The thunder was so loud that it was a thunderstorm! The sound of a dragon's roar calls out the wind and the rain and moves the clouds!

A green dragon snaked upwards, a thousand metres long, and slowly landed on top of the palace, transforming into a handsome man in white robes, who bowed with immense respect: 'Father, why did you suddenly open your eyes today? Do you know that once you open your eyes, there will be no more peace on the sea, and there is a lot of karma involved?'

'My father's eyes have opened, it is time to open them, Ao Dog, go and flatten the waves above you and go to God's Country, invite the Son of Heaven to come, remember, do not be too arrogant.' The huge dragon head slowly spoke, but every word and deed caused the huge waves on the East Sea to rise a level higher, now reaching hundreds of meters in wave height.

'This is not good father, our dragon clan could not set foot on the land of God's Land even before the Immortal Court was broken, now it is even harder, if we provoke the taboo, I am afraid the whole clan will face extinction ah.' Ao Dog was shocked, even if it was to get the Son of Heaven's Destiny to come over, there was no need to make such a big fuss, right?

This was not an ordinary risk.

However, the dragon head did not pay any more attention to Ao Dog, and once again closed his eyes, shutting them like a dead thing.

Ao Dog had no choice but to leave the Dragon Palace and break out of the water.

Ao Dog let out a dragon roar that resounded through heaven and earth. At the same time, with his dragon roar, the dark clouds receded, the sea was as calm as a lake, and the clear sky was sprinkled with blazing sunlight, as if the terrifying scene just now was an illusion.

Without stopping for a moment, Ao Dog swept towards China.

Ordinary people could not see Ao Dog's figure at all, but the crew members who were almost swallowed by the waves at sea, but who heard the dragon's cry, all knelt down and bowed: 'The divine dragon has revealed its spirit!'

'Thank you Lord Divine Dragon for saving my life!'

.....

By the East Sea, in a certain fishing village near the sea.

A large, independent house with an unmistakably gloomy little house, filled with the rich smell of blood and the toothsome and creepy sounds of some monster chewing on bones.

‘Stop it, little sister! Stop eating, can’t you see what you’ve become!’

‘Beasts, you beasts, I’ll kill you!’

Seeing Qin Xiaorou ignoring him even as he gnawed on the blood and flesh, Qin Feng Yue roared angrily at Qin Bingyu’s group, all this blood and flesh was brought back from Qin Bingyu’s hunt, none of the Illusionary Spirit Masters in the whole fishing village were spared, all of them were killed and brought to Qin Xiaorou to eat.

Every day Qin Fengyue watched his little sister, like a monster, frantically devouring the flesh and blood, making him sick, and even they didn’t just let his little sister eat it, they forced him to eat it.

Qin Fengyue didn’t even eat a mouthful of blood and flesh even if he was starving to death!

Even if he had turned into a monster, he still had to hold on to the last trace of his bottom line as a human being.

Qin Bingyu looked at Qin Fengyue with disdain, ‘The rage of the impotent, wanting revenge, eat, eat all the blood and flesh, including your little sister, she doesn’t need to endure pain and you can gain the powerful power of revenge.’

‘Hehehe~hehehe, eat it, eat it brother, it’s delicious.’ Qin Xiaorou’s sanity still existed, only becoming more crazy and bloodthirsty, becoming a real monster, the sanity Qin Xiaorou even handed an arm to Qin Fengyue for Qin Fengyue to eat.

Qin Fengyue shed running water and closed his eyes in pain and turned his head, he would rather die than see this scene again, it was too torturous.

Seeing Qin Fengyue’s painful appearance, Qin Xiaorou laughed uncontrollably and wildly, drinking the blood and eating the meat, so happy.

‘Keep an eye on them, the others, follow me.’ Qin Bingyu left a few people to watch over the two siblings, and led the remaining dozen or so immortal slaves herself, quickly leaving.

This was all that was left of the Qin family’s heritage, and of course there were still a dozen immortal slaves who had sworn their loyalty to Qin Yuan, who still had a few immortal slaves around him, but none of the sixth level realm immortal slaves were left.

The Qing Shirt had struck and killed almost 90% of the Qin family’s immortal slaves, and Qin Bingyu had taken this revenge!

Qin Bingyu led his men to Qin Yuan’s residence, Qin Bingyu gave them a look, and Qin Bingyu walked into the courtyard alone.

Those immortal slaves who were guarding this place, when they saw that it was Qin Bingyu, they all nodded their heads, Qin Bingyu's current realm had made many people unable to see her realm.

Qin Bingyu walked into the room, closed the door behind her, and laid a soundproof formation with her hands.

Qin Yuan was thrown into the spatial turbulence by the green shirt, but he survived, but he was also ruined.

His realm plummeted, his divine blood breath continued to escape from his wounds at every moment, and he was a paralysed wreck, unable to move a muscle.

The Moon Wheel couldn't care less about them either. Twice the Moon Wheel was split up, once by the Green Shirt and the second time by the drink.

Even if she did come over, Moon Wheel might not be willing to pay a huge price for its recovery.

So the Moon Wheel contacted Qin Bingyu, who would take Qin Yuan's place, and then the first order she gave was to kill Qin Yuan and swallow him!

Qin Yuan's divinity was still the purest divinity apart from the Moon Wheel.

‘It’s Xiao Yu, did you follow my method and contact the Lord?’ Hearing the movement, Qin Yuan opened his mouth with a leaky mouth, yes, his mouth and cheeks were ragged, he had difficulty speaking, his divine blood aura was not under control, his aura could not even condense his voice.

Qin Yuan’s head couldn’t turn either, but he could probably hear that it was Qin Bingyu’s voice. Nowadays, Qin Yuan’s downfall could be described as miserable to the extreme.

‘Old Ancestor, I have already made contact and have been given the power, I will save you.’ Qin Bingyu spoke respectfully, his expression so respectful that Qin Yuan could not detect the slightest bit of impropriety.

‘Good child, come quickly, when the old ancestor recovers, he will definitely let you become a true immortal child and serve the Lord, it is a supreme honour.’ Although Qin Yuan was incomparably indifferent and inhumane, but for Qin Bingyu, Qin Yuan felt as if there was so much relief, so much warmth in his own cold world.

‘Thank you, old ancestor, close your eyes first, I will cast the spell for you.’ Qin Bingyu smiled sweetly and reached out to place her hand at Qin Yuan’s heart gate, the inscriptions around her flickering with a soft light.

Qin Yuan very obediently closed his eyes? Ai Ai dyed whisky zero service love? , his face was filled with a relaxed look.

With a poof, Qin Yuan snapped open his eyes and looked at the scene in disbelief, shouting angrily in a mixture of shock and anger, ‘You, what are you doing!’

Qin Bingyu's face was filled with an icy smile, holding Qin Yuan's blood-soaked heart in her hands, the heart flowing out with hazel-shaded divine blood, incomparably pure divine blood.

'Can't you see that, old ancestor? Kill you and replace you, I didn't expect it, I don't need your introduction, I am now a true immortal slave, serving my lord, and you have been abandoned by him, you useless old thing.' Qin Bingyu's original form was revealed, his face was full of fierceness and greed, and he no longer had his previous good natured filial piety.

Super Son-in-law Chapter 2307-2308

Chapter 2307

'Somebody, somebody, kill her! Hurry up, someone!' Qin Yuan panicked, having lost his heart, his life was draining away and his divine blood kept flowing uncontrollably towards the heart in Qin Bingyu's hand.

However, there was not the slightest movement outside the house, and Qin Yuan watched in such despair as his heart was eaten by Qin Bingyu, one bite at a time, and then to his body.

His death was miserable and horrific, and Qin Yuan deserved to die so horribly!

In the end, even his soul was not left behind, and was eaten by Qin Bingyu in one bite.

.....

Lin Hao and Ling Yun left the imperial city and strolled through the streets of the capital. Ling Yun also occasionally visited the aboriginal cities in the immortal palace, but she rarely set foot in the mortal world.

This first time shopping is still full of freshness, the main thing is that this Ling Yun is no different from other girls, even if she is powerful and has existed for tens of thousands of years, but shopping is still the same, buy buy buy

‘Wow, it’s so handsome, this is too handsome!’

‘Opa, this is too handsome ah, I want to marry him, ooh.’

There was a sudden commotion from the front, with countless screams from young girls.

Ling Yun was very curious, ‘Are those women crazy?’

‘Pretty much.’ Lin Hao shrugged his shoulders, I guess it was that star Opa who was shopping in front of them, Lin Hao didn’t care.

It was just that the crowd over there seemed to be surging towards them, and the ancient beautiful man in white robes walking at the front was extremely eye-catching.

Lin Hao skimmed his mouth, still quite handsome

The first thing you need to do is to get a good idea of what you're doing. You mud loach how to run on the shore, not afraid of dying of thirst! Mud loach?

Lin Hao looked this beautiful man up and down carefully and was somewhat puzzled, could it be that this was a special race? A demon race? Or an ancient god race?

'Loach?!' Ao Dog exploded on the spot, 'Ling Yun, how long has it been since we've seen each other, is it funny for you to undermine me so much when you meet?'

'I'm a dragon! A dragon! A divine dragon! You can't be so mean to people!' Ao Dog explained with a furious look on his face, although it was true that someone had called them that, but they were right to deny it!

The dragon was the totem that eventually evolved into Chinese, the first of the four divine beasts.

The point was that this was also the first time he had met with the Son of Heaven's Destiny, didn't he want to lose face?

Lin Hao was incomparably surprised, this, this beautiful man was actually a dragon? The legendary dragon actually existed?

Lin Hao hurriedly went up and looked east and west, incomparably curious: 'You can still take on human form? The drawbacks are a bit obvious, a bit too handsome, at a glance it's a little white face, by the way, is it true that dragons are drawn and quartered in mythological stories?'

'Is it true that the dragon fell in Yingkou? Why don't you all collect the corpses of your kind?'

'Hands off, hands off!' Ao Dog cried and laughed as he slapped Lin Hao's hand away, was this Son of Heaven's Destiny a hundred thousand questions? Where did all the questions come from!

But in order to leave a good impression, the question Lin Hao asked just now, there was once an incident where he was able to pull the tendons and skin, but it was a very long time ago, as for the incident of the falling dragon, this was something he didn't know at all, the dragon race hadn't appeared in the world for a thousand years.

The dragons had not been seen for a thousand years.

Lin Hao's eyes glowed as he stared at Ao Dog, a treasure, this was a treasure.

‘You, what kind of look are you giving me? I’m telling you, don’t mess around.’ Ao Dog was scared enough, why was Lin Hao looking at him in a strange way?

It couldn’t be that he wanted to get him, could it?

This? Pao Yi Di Yi closed the cover intention to serve? It would be a bit scary ah! And it’s still cross species

‘It’s fine, just missing a good belt.’ Lin Hao felt that his gaze was too obvious and hurriedly averted his gaze.

While next to him, Ling Yun laughed lightly, ‘Yes it is, a dragon tendon as a belt would barely just fit.’

Ao Dog: !!!

Why don’t you go to heaven!

So you don’t just crave my body, you also crave my dragon tendons!

And with the dragon tendons you just want a belt! That’s too much!

No, this first impression was a bit off, he had to find a way to change it.

Ao Dog thought of something and with a flash of light, forgetting his special skill, Ao Dog snapped his fingers and shouted, 'Look here!'

Chapter 2308

Ao Dog's voice was loud and mixed with aura, everyone around heard it, and this is a crowded pedestrian street, almost everyone looked over towards Ao Dog, except of course Lin Hao.

Ahem, nothing else, just embarrassed to look, small mind is too obvious not good, after all, is the dragon it.

The expressions on everyone's faces turned heart-shaped, their eyes glowing green, and the sight of Ao Dog was like seeing the girl of their dreams, and like seeing their favourite star even more so.

Whatever this man was going to do to himself, he would forgive himself, right! After all, he was so handsome out of this world that one could not help but love him!

'So handsome! I this is my husband!'

'Fuck off, that's my husband, husband I love you!' The women around them, from the smallest to teething children, up to eighty-year-old grandmothers, all looked at Ao Dog with stars in their eyes and rushed over frantically.

‘Husband I love you too vomit, so damn disgusting ah, I am a man ah can, but just so love him how to do, this is too handsome, is my favorite type, well it turns out I like men. ‘

This, this seems to be even the male can't put hold ah!

‘What a coincidence? I just found out I'm into guys too.’ Another man also spoke up.

At this point if they looked closely they realised that regardless of gender or age stage, it seemed that they were all in love with Ao Dog, and how they looked like their ideal type, immediately everyone around them went berserk and flocked towards Ao Dog like crazy.

This is not just the dream of a billion girls anymore, it's the dream of everyone!

Even Ling Yun fell for it, her eyes glowing and drooling like a demented girl, ‘Ao Dog, you're too handsome, aren't you? I don't even love a fairy king, I've decided to love you from now on, go go go, I want to give you monkeys!’

With that, Ling Yun lunged towards Ao Dog uncontrollably, but while lunging, her expression was slightly distorted and there was a struggle in her eyes, but her body was not under her control at all.

Ling Yun wanted to die, why? She was crazy, she was going to die, she was going to tell Lin Hao that she had fallen in love with him in front of him, and she was going to have a monkey with Ao Dog, her image was ruined, how could she face Lin Hao in the future!

The point is that she couldn't help but say these words, Ao Dog, that bastard, even used this skill!

'You can't be serious, Ling Yun, you've turned into a crazy girl in seconds, your image in my heart is completely ruined, he's just a bit more handsome, why not.' Lin Hao next to him was dumbfounded, everyone around him was so fanatical, what shocked him was that this Ao Dog was not only for young and old, but also for men and women, it was too fanatical.

But Lin Yun is at least close to a deity's existence, how can you just look at the surface so superficially, where is that persistent 10,000-year fondness you have for the Immortal King?

Said Lin Hao, subconsciously looking up at Ao Dog, that Ling Yun seemed to sense something and exclaimed, 'Don't ever look at his face!'

Unfortunately, it was still too late!

Lin Hao opened his mouth uncontrollably, his eyes bubbling with pink light as he rushed towards Ao Dog, 'That's too handsome!'

‘No, I feel like I’m in love with him too!’

‘You, your name is Ao Inu right, I love you!’

The whole world was pink in Lin Hao’s eyes, as if the world was left to himself and Ao Dog, and he only had Ao Dog in his eyes, and even more uncontrollably, he said these shameful words.

The man can’t help it, what is this? What is this? What the hell!

Lin Hao’s heart is powerlessly roaring: ‘Crap crap crap, what the hell did I say! Quickly make me stop ah, vomit, disgusting me, I don’t like men ah!’

‘I am deeply in love with my daughter-in-law, I can’t betray Xiyan, I don’t like men, make me stop!’

Lin Hao was disgusted in his heart, even extremely repulsed, but what he thought in his heart meant the exact opposite of what he said on his mouth, it all turned sour.

Lin Hao wanted to die, he finally experienced what was happening to Ling Yun, he had started to say that he liked men, so it was no surprise that Ling Yun had turned into a demented girl in seconds.

Super Son-in-law Chapter 2309-2310

Chapter 2309

Although probably Lin Hao knew that this should be Ao Dog's doing, but how on earth did this guy do it, what the hell kind of ability is this!

When Ao Dog saw that Lin Hao was successfully attracted, he just wanted to explain his intentions, but Ling Yun's harrumphs had already gotten all over him, and most crucially, all those men and women around him were about to pounce on him, just about to completely overwhelm him ah.

'Sloppy!' The corner of Ao Dog's mouth twitched fiercely, I'm afraid it was too late, mainly because it was now nine minutes past, the thought of the scene at the end of ten minutes, Ao Dog couldn't help but shiver all over, the pain that was engraved in his bones he still remembered now ah.

'So, so what, Lin Hao ah, I'll come back to you tomorrow ah, that's all for today.' After saying that, Ao Dog turned into a stream of light and ran away in a huff.

As soon as Ao Dog left, Ling Yun shouted angrily, 'Don't run away, dead loach! Don't let me see you, I'll kill you if I see you again!'

'Count me in! I'll make sure he's skinned and skinned, skin as soft armour, dragon tendons as belts, puke, I'm sick to death, what the hell did I just say!' Lin Hao cursed angrily while holding onto the bin next to him and vomited furiously, it was so damn disgusting!

The actual fact is that you can't help but say such a shameful? How could he say such a shameful thing? The actual fact is that you will be able to get a lot more than just a few of the most popular and popular items.

The woman was also baffled by the fact that the man was quite handsome, but not so handsome as to send her into a frenzy, and now that I think about it, the man didn't seem so overwhelmingly handsome, either.

As Ao Dog left, the commotion caused by him also dissipated instantly, and everyone dispersed with red faces, even some men who ran away while vomiting, probably with thin skin and bursting with shame.

Lin Hao also can't help but old face a red, but Ling Yun is relieved, just now Lin Hao said so shameful words, I said those should not be anything, right?

After all, we all have no image, so it's not that shameful.

'That Lin Hao ah, no one is allowed to say anything about this, forget it all! And it wasn't our intention, you know that, right?' Ling Yun looked at Lin Hao with a red face.

'Isn't that nonsense, whoever said that is brain dead, it's not our true thoughts at all.' Lin Hao held onto the bin and hurriedly spoke, likewise asking Ling Yun with some trepidation, 'You know him, right? What exactly did he just do? Did he unknowingly release the air toxin or something? Did it all hit you?'

‘The key point is, you guys don’t have a grudge, right? As for striking so hard as soon as you meet?’ Lin Hao was also puzzled, was it because of Ling Yun’s cry of mudskipper, or did they already have a grudge, making a fool of her when they met, was he being dragged into it?

Ling Yun hurriedly explained!

‘We know each other, but we don’t have a grudge!’

‘I didn’t drag you into this, you dragged me into it!’

‘Also, it wasn’t poisoned, it was pitted by his disgusting skills.’

Lin Hao’s face was full of questions when he heard Ling Yun say that!

How was it because of him? It was the first time he had seen Ao Dog!

Everyone was like this just now because of his skills? What skill was so terrifying?

Seeing Lin Hao's disbelieving and confused look, Ling Yun didn't hide anything and explained Ao Dog's ghostly abilities to Lin Hao.

After hearing this, Lin Hao's whole life was in doubt, this guy's ability was too buggy! Even Lin Hao was a little envious, just thinking about the horrible side effects, Lin Hao couldn't help but shiver all over

According to Ling Yun's explanation, Ao Dog, the real son of the Ao Feng Dragon King of the East Sea, was gifted with two bug-like skills from birth, one passive and one active.

The one he used just now was the active skill, and with the skill activated, within ten minutes, no matter what existence, even beings that loathed him to the core and even hated him to death, yes, all beings would fall in love with him uncontrollably, pounce on him, and forgive him no matter what he did!

Any way you look at him, he is his favourite look!

Chapter 2310

But once ten minutes have passed, how much one liked him a moment ago is now exponentially more loathsome and hateful for the rest of the day!

It's not even limited to living beings, some dead things will be the same, passing by and being crushed by a tree, holding up a wall and being buried by a wall are all small things.

The corners of Lin Hao's mouth twitched fiercely, 'This dude is a bit short, what can ten minutes do, but yeah, maybe ten minutes is enough for him too.'

Ling Yun: ? ? ? ?

'What's with the odd focus?'

'Ahem, this ability is simply terrifying, I'm a bit envious, born with it, awesome.' Lin Hao couldn't help but be envious, but this side effect lasts a bit long ah.

Ten minutes for a real man, one day for a street rat!

'Are you sure you're envious?' Ling Yun raised an eyebrow and told Lin Hao about the tragic experience of Ao Dog once.

It was rumoured that the first words Ao Dog spoke as he learned to speak through his teeth were: look here.

The mother who was holding Ao Dog was so adorable that the child was struck, and the surrounding dragons looked over and all loved Ao Dog to death, which was not a small movement, and then the whole dragon palace was so wild about Ao Dog that it could not stop.

But the little Ao Dog was so happy that after ten minutes, his mother, who had just been so in love with him, threw Ao Dog out in disgust, directly onto the floor, as disgusting as if she was holding a piece of shit in her arms.

All the dragons looked at Ao Dog with an extremely fierce look on their faces, just one look at Ao Dog made them feel that this Ao Dog was a million times more hateful than the hatred of taking their wives and killing their fathers!

The next thing they knew, little Ao Inu had to endure the hardships of the world, the beatings of society, and was rounded up and beaten by the entire dragon clan for a day and a night!

Even though Ao Dog was gifted with great abilities, after the side effect time, Ao Dog was only half-breathed and almost didn't hiccup outright.

Since then, Ao Dog never dared to use this active skill again, and every time he used it, he used it to slip away when the time was almost up, find an unoccupied corner and hide for twenty-four hours, but even so, it was still very miserable.

The actual fact is that you'll be able to get a lot more than just a few of the most popular and popular ones. The walls would be buried alive,? The fact that the mountain in front of him suddenly collapsed and swallowed him was a minor scene.

The actual fact is that you can find a lot of people who are not able to get a good deal on a lot of things.

‘No, why is he brain dead using this skill on me?’ Lin Hao did not understand.

‘Well’ Ling Yun thought about it and said, ‘It should be to leave a good impression on you, combined with your identity, the dragon clan should have sent him over to befriend you, think the dragon clan wants to use your east wind to go straight to the sky, just this guy brain-dead He even used this skill of pitting people against himself.’

‘Then he’s really brain-dead.’ Lin Hao agreed, this was not the way to brush up on goodwill, it would backfire instead.

Lin Hao was about to ask Ao Dog what his second skill was when the satchel suddenly trembled violently and an intimidating sharpness was revealed.

She was not affected by the Xuan Yuan Sword, but the sharpness of the sword still made her very uncomfortable.

It was the parchment book that was trembling, it should have sensed something. Come to think of it, it was well past time for it to be activated.

‘You go back to the hotel first, I’ll be right there.’ Lin Hao knew that Ling Yun didn’t like the scent and planned to find a secluded place to check it out.

After seeing Ling Yun nod her head in agreement, Lin Hao dashed away, found a secluded and unoccupied place, and quickly took out the parchment book in his satchel.

With a buzzing sound, the parchment book blossomed with a bright golden light, and a picture began to show on it, which should be the location of something related to Xuan Yuan Sword hidden? The sheepskin book was able to sense the approximate location of its existence.

But Lin Hao was a little surprised, what the hell kind of place was this? Was it in the sea or under water?
