

Super Son-in-law Chapter 2371-2380

Chapter 2371

Why else would the other party have told him so late?

I'm afraid that dealing with these demon kings was a lie, taking advantage of the opportunity to use means to weaken these three forces was the real thing.

Whether it was to consume the demon kings here or to deplete the overall strength of these three forces, it would be beneficial to China.

If these guys were too strong and had nothing to do with spilling their guts on China's territory, then China would be in chaos.

Not long after Lin Ruoshi's arrival, Noxodes led the Crusaders to leave, followed by Cadrien, who also left directly, while they were puzzled as to what the hell these people were up to. What was most incomprehensible to them was how that dragon clan was still running around with the humans hawking their lapdogs?

Was this a rebel among the dragons?

Deske didn't leave, and for the next two days, Lin Hao took Lin Ruoshi around, and Lin Ruoshi had so much fun that she rode a big cat (lion and tiger) across the grassland one moment, and hugged Ao Dog's dragon horns the next moment to help her go up 90,000 miles,

almost two days Xiao Shi was taken by Ao Dog to wander around half of the dragon clan's ancestral land.

This made Lin Ruoshi so happy, Ao Dog was also happy, he and the lion tiger liked Lin Ruoshi more and more, even Ao Dog said in a surprising way, 'After being single for thousands of years, alas, I suddenly want to find a daughter-in-law and have a daughter.'

On the third day, Lin Hao and the others left, taking Ao Dog with them.

But at least it was a fighting people, a people where bears can be kept as pets, and it was only a matter of time before the lion and tiger were taken care of.

Ao Dog followed Lin Hao all the way back to the Qinhuai Golden House, this casual and spontaneous guy, when he arrived here, he was in turn a lot more formal, especially when he met the Qing Shirt Fairy, he was stammering like a stammerer.

'There is a situation oh.' Lei Ling smilingly look? 扒地依侍扒陆意依? Ao Dog and the green-shirted fairy.

Lin Hao also cupped his chin and looked at Ao Dog with interest, this guy was surprisingly shy, even if he had been single for thousands of years he wouldn't be so shy, right?

After all, they had known each other for at least 20,000 years, so how come they looked like they hadn't seen their first love for years?

Qing Shirt finished the song and looked up at Ao Dog, his face as usual, as elegant and generous as ever, transcendent and unperturbed: 'It is Prince Ao Dog who is here.'

'Yes, yes Fairy Green Shirt, haven't seen you for a long time, fairy is, on the contrary, not changed at all, still as beautiful and beautiful as ever.' Ao Dog blushed and stammered.

'Prince Ao Dog has changed quite a lot, he is becoming more and more similar to some people.' Fairy Qing Shirt spoke indifferently.

Lin Hao was confused, no, you guys talk about you two, what's the point of bringing me into it?

The meaning outside of Qing Shirt's words was somewhat accusatory, so how could Lin Hao not hear it.

'Yes, is it? So, is that good, or is that bad?' Ao Dog looked coy and Lin Hao was anxious for him.

'It's quite good, at least it's better than before.' After saying that, Fairy Qing Shirt even glanced at Lin Hao: 'There's no intention to scold you.'

Lin Hao shrugged, it's fine if you scold, I can't beat you anyway.

Next to her, Ling Yun, who was watching these two, let out a giggle and pulled Lin Hao along, these two were no one else, it had been how many years and they were still the same, they hadn't changed.

Lin Hao and Ling Yun were pulled far away before he curiously asked, 'What's the situation with these two? Looking at this Ao Dog, it doesn't look like he's ever been with anyone, does it? Is Qing Shirt his goddess?'

'You're really right.' Ling Yun was amused, according to what Ling Yun said, back then, it was fate for these two.

They were locked up in the same prison for their mistakes, when the dragons were prisoners, or mounts, not much different from other demon beasts in form.

Chapter 2372

The status was very low, especially after the dragons rose up and fought, and as a result were suppressed, the dragons had no status at all, they instead they became a symbol to show the status of the strongest of the human race, such as the nine dragon sinker carriage.

In the prison, Ao dog's days are naturally extremely bad, the two are in the same sickness, the green shirt is very pity Ao dog, at that time Ao dog is still a child, well, two thousand years old big child ah.

Help? The two of them shared the same illness. The first time in his life, Ao Dog received the pity of a strong human being, or such a floating immortal woman, Ao Dog was touched to the core.

The result was that Ao Dog became Qing Shifu's follower, but this guy dared to say anything in front of others, but in front of Qing Shifu, he was an embarrassed child who stammered.

Ao Dog even vowed to become Qing Shirt's mount Well, mount

It was rejected by Qing Shirt, and at that time the conflict between the dragons and the Heavenly Court was intensifying, and eventually, Ao Dog, along with all the dragons, was beaten into the present day Dragon Palace and confined.

Apart from Ao Dog, almost all the other dragon clans were unable to leave the East Sea, and if they did, they would have to pay a huge and irreversible price, but Ao Dog did not dare to come to Qing Shirt often, and after being driven away several times, Ao Dog was even more afraid to come.

Lin Hao rubbed his temples, feeling that this guy Ao Dog was acting a bit fucked up in front of his goddess, but at the same time, he was quite happy for Ao Dog.

Such simple and shy adoration was perhaps the feeling of first love.

Pure and beautiful, ignorant and beautiful.

‘I actually kinda feel the same way.’ Ling Yun smiled faintly, in Ao Dog, she seemed to see her own shadow.

Lin Hao rubbed his nose awkwardly, he knew that he couldn’t take that, nor could he take it at all.

Just when both of them were a little silent from embarrassment, an angry roar rang out, followed by a speeding figure quickly charging towards Lin Hao and slamming his fist into Lin Hao’s face!

‘Duel Lin Hao!’

‘Fight like a man! I will fight you! The loser leaves, the winner stays!’

‘But I have one more thing to say, bah! Scum, you’ve got Ling Yun and both of your kids are so old, you shameless bastard, you still want to sister up don’t you?’

Ao Dog who rushed over pounced on Lin Hao, screaming that he wanted to duel with Lin Hao, while he couldn’t help but curse Lin Hao several times.

What, what scum?

What child with Ling Yun!

Also, what the hell is this sisterhood you speak of, why don't I understand it!

Next to her, Ling Yun's eyes widened in shame, 'What kind of nonsense are you talking about, Ao Dog? Don't be ridiculous.'

'I'm talking nonsense! I'm not talking nonsense! Just now my goddess was actually afraid that Lin Hao would get angry and made a point of explaining to Lin Hao that she didn't scold him, oh my god, my goddess actually explained to someone else!'

'Isn't that enough of a statement? Isn't it obvious enough? For as long as I've known her, she won't even explain a word about the Immortal King's query or misunderstanding, except to you, Ling Yun, who will occasionally explain! Get up quickly and duel with me!' Ao Dog hissed with all his might, tearing his heart out as he grabbed Lin Hao's collar.

Only Lin Hao was crying and laughing, 'Brother, you have a bit of an imagination, don't you? Don't you know what the most terrible disease is? The most terrible disease is self-cheating! You don't have such a brain!

Not to mention Lin Hao, even Ling Yun felt that something was wrong: 'Ao Dog, let go of me, or I will not be polite.'

'You're not welcome, damn it! Lin Hao, if you're a man, don't let Ling Yun stand up for you, stand up and duel!' Ao Dog shouted regardless, he had to duel with Lin Hao today to

keep this slag away from his goddess, even if it meant shamelessly bullying the young with the old!

That was his goddess!

‘Douchebag, how do two men duel? Fencing?’ Lin Hao brushed aside his mouth, he wasn’t really interested.

Super Son-in-law Chapter 2373-2374

Chapter 2373

‘Fencing?’

Ao Dog froze for a moment, then said angrily, ‘Fine, I’m not good at fencing, but don’t say I’m bullying you, fencing is fencing!’

Puff!

Next to her, Ling Yun understood what was going on and burst out laughing, this Ao Dog was really cute.

Lin Hao, on the other hand, glanced at Ling Yun and bristled, ‘Bah, rotten girl.’

Ling Yun glared at Lin Hao viciously, the corners of Lin Hao's mouth twitched and he hurriedly avoided his gaze, he couldn't afford to mess with her.

'What does whether we fence or not have to do with whether or not Ling Yun is a rotten girl? Hurry up, are you going to say yes or not? But first, you can't let Ling Yun help you.' Ao Dog continued.

'Fine, that's what you said ow.'

Lin Hao finished and shouted, 'Ao Dog is a bully! Someone help me.'

Swish!

Lin Ruoshi rushed over in an instant when she heard the commotion and pulled Ao Dog away, 'Stinky insect, you're not allowed to bully my dad.'

Lei Ling heard the commotion also quickly ran over, saw that it was Ao Dog, said in a good-natured manner, 'Hurry up and spread your hands, bullying my brother will beat you up later believe it or not?'

'Lin Hao, you fucking did it on purpose, right? You know I can't hit them, so you let them serve as a shield for you? Do you want to be ashamed?' Ao Dog pointed at Lei Ling and Lin Ruoshi and scolded Lin Hao.

In Ao Dog's opinion, Lin Hao's daughter was exceptionally gifted, she was already at the early fifth grade realm at such a young age, if she was given another ten or eight years to grow, Ao Dog might not be a match, but right now, Ao Dog could pinch her with one finger.

As for the other cute little sister, Lei Ling, it is not necessary to say, blowing on her breath is estimated to hang, no cultivation at all, just an ordinary person ah.

'I look down on you?' Lin Hao cried and laughed: 'It's because I think too highly of you that I let my daughter and my sister fight together, don't be insensitive, if you're so bullying, you can talk to me after you've knocked them down first.'

'Fine, don't be a jerk!' Ao Dog took a few steps back with her hands on her chest, 'I'll let you guys fight first, come on.'

'Little Auntie, this stinky insect is looking down on me.' Lin Ruoshi unhappily wrinkled her little nose like Lei Ling complained.

Lei Ling bristled, 'Who are you looking down on? Let me make the first move and you might even get a chance to do so? Ai closed zero Shan Ai Yi Ai cover? No.'

'Ai yo he, little girl is not too old to have a big mouth, make a move.' Ao dog is also give gas laugh, but these two little girls are also really cute ah.

‘Okay, you said it, Sze, don’t be polite to him, do it!’ Lei Ling moved his body, bones crackling all over his body.

‘Okay.’ Lin Ruoshi stretched out her tender little hand and hissed at the space in front of her, directly tearing open a crack in the space, pulling out the tangled spatial turbulence from it, the spatial turbulence formed a long seven-coloured whip, the long whip surged with extremely terrifying spatial fluctuations, the space around the whip began to ripple violently, as if a whip could directly shatter the void.

Seeing this scene, Ao Dog’s whole person was honestly on the spot, hell, hell?

He had previously thought that it was Chen Beixuan who had torn through space to reach the ancestral land of the dragon clan, and all the way back, he had thought that it was the ban Chen Beixuan had placed on Lin Ruoshi that had made it easy to travel back through the spatial turbulence.

Now Ao Dog was confused to find out that this was not the case, the one who tore open the space was this little girl who looked like she hadn’t done anything yet.

The next moment, Ao Dog’s face became even more frightened: ‘Your master, the void God power that shatters the void, and a monster whose flesh has become a saint! Lin Hao, you master, you don’t speak of martial virtue!’

For in the next moment, Lei Ling directly broke the sound barrier with his flesh, waving his fist and running towards Ao Dog at a terrifying speed of several times the speed of sound, the terrifying speed converging into a powerful impact coalescing on Lei Ling’s fist.

Lin Ruoshi waved her whip and swiped it at Ao Dog, who couldn't care less about being a gentleman and hurriedly dodged, for it would be foolish to resist.

Chapter 2374

But Ao Dog really underestimated how tricky the two were, the long whip in Lin Ruoshi's hand kept waving, attacking each other's vital position, once Ao Dog dodged, the space around him immediately shattered, scaring him, if he really rushed into the spatial turbulence, it would be more painful than being whipped by Lin Ruoshi, not to mention that it was not even possible to come back!

So, Lin Ruoshi's attacks almost hit, not to mention Lei Ling, who had been improving rapidly during this period of time, under the personal guidance of Fairy Qing Shirt.

Coupled with the terrifying speed of several times the speed of sound, it was difficult for Ao Dog to dodge.

In an instant, the entire Golden Tower was filled with Ao Dog's harsh screams and the roar of being punched to the flesh, like a symphony.

'I admit defeat, ow stop fighting, I admit defeat!'

Only five minutes time Ao dog can not carry, was beaten into a pig's head, this two people with really is to make Ao dog incomparable tricky, the key opposite are two children,

or two girls, Ao dog shot is not, not shot will be beaten, even if shot also dare not too hard, afraid to hurt the two.

What's the point of being beaten passively like this, just admit defeat.

The Son of Destiny is indeed surrounded by perverts!

‘Stinky insect, no bullying my father in the future.’ When Lin Ruoshi saw that her opponent had admitted defeat, she didn't continue to beat him up, but she was still a little unhappy, and kicked Ao Dog as she said this.

The pain caused Ao Dog to wail and give in, this time he was really convinced.

Lei Ling also snorted coldly, ‘If he dares we will beat him up again, come on little shi, little aunt will take you to eat something delicious.’

Ling Yun looked at the pig-headed Ao Dog with a smirk: ‘You say you, messing with who is not good enough, messing with this guy, can his little lover be a vegetarian? Zero intention Lu Xi Fuzi Yi Zha?’

‘This bastard cheated, it doesn't count!’ Ao dog a face of defiance: ‘He himself dare not compare, let those two perverts beat me, he just cowardly afraid to do it.’

‘Alright, why don’t you get up? How can you behave like this?’

Ao Dog suddenly heard the clear and cold voice of the fairy in the green shirt behind him, Ao Dog directly died on the spot, Ao Dog wanted to cry, wanted to find a crack to burrow in, shame on you, ah, let the goddess see his face beaten into a pig, his image will be ruined ah.

‘Don’t you want to get up? You still want to help you out.’ Qing Shirt looked at Ao Dog who was lying on the ground and shook his head repeatedly, still no change after all these years, still like a child, still an overgrown child.

Hearing Qing Shirt’s words, Ao Dog’s eyes shine, so excited that every muscle in his body is trembling, is involved just now was punched bruised place some pain: ‘That, actually is not not possible’

Green shirt directly shook his head and turned away.

As a result, Ao dog waited for half a day, still no movement, can’t help but wonder: ‘Qing Shirt fairy, I’m not heavy, you don’t need to do warm-up exercises, just help me up directly.’

Hahahaha!

Lin Hao and Ling Yun burst out laughing on the spot, Lin Hao even gave a thumbs up towards Ao Dog, ‘You are really a talent.’

Ling Yun and Lin Hao left directly, not bothering to pay attention to this douchebag.

It was only at this time that Ao Dog came back to his senses and looked back, uh, where was the figure of the goddess, it was long gone.

This time Ao Dog really shed uncontested tears.

In the depths of the Nine Underworlds, at the end of the River Styx, in the middle of the sea of blood, the pleasant and moving laughter of Shen Xiyan rang out.

‘Haha, this Dragon Prince is a little too amusing.’

Shen Xiyan looked at the projected image in front of her and laughed with how happy she was, a pure, heartfelt smile.

It turned out that here Shen Xiyan was also able to see what was happening in the Qinhuai Golden House now, especially seeing the amusing Ao Dog, and then the miserable look of being beaten up by Lei Ling and his own daughter, was really laughing most all together.

Beside Shen Xiyan, there stood another more illusory male figure, none other than Chen Bei Xuan.

‘What you are looking at is all that he has experienced these days, I know the agreement between you and Ling Yun, but if you want to go back now, I do have a way for you to go back.’

Super Son-in-law Chapter 2375-2376

Chapter 2375

Chen Bei Xuan stood with his hands folded as he continued to speak, ‘He cannot lift the curse of the Xuan Yuan Sword now, much less take full control, but he should be able to ensure that you are unharmed.’

Can we go back ?

Control ?

Did it turn out that Lin Hao had gone to the ancestral land of the Dragon Clan just for those three Bronze Divine Tattoos of Shushan ? So that was what it was all about.

One could go back ?

After going back, could one and Ling Yun coexist ?

Shen Xiyan didn't hesitate and simply asked.

‘No, the two of you are originally one, either you disappear or she disappears, there is only this one option, just like when we cross the long river of time and space, no matter if we go forward or backward, it is impossible for us to meet with ourselves in the same time and space.’ Chen Bei Xuan spoke indifferently.

Whether Shen Xiyan agreed or not, it was now part of the plan, and for the sake of this ten-thousand-year plan, he had already achieved true calculation and had all the variables completely in hand.

‘I trust her, and I trust Lin Hao, and I can see that the two of them are on good terms, but they are very restrained with each other and distinguish clearly what is a friend and what is ambiguous, this is something I am not worried about.’

‘Ling Yun is actually quite uncomfortable, let her stay by Lin Hao’s side for more days, at least it will leave some more good meetings.’ Shen Xiyan eventually chose to go back later, after all, no matter sooner or later, Lin Hao was her husband, not someone else’s, it was herself who would accompany him for the rest of his life, not Ling Yun, so why rush this moment.

‘Very good, I did not misjudge the man, wait for some time, when he melts the divine pattern, you can leave this place, no longer be influenced by the Xuan Yuan sword, go straight to the Nine Underworlds River all the way down, no need to stay until you foresee us, we need your assistance on our side.’ After saying this Chen Bei Xuan’s form automatically dissipated.

‘Dad, I’m a bit homesick for mum again, when do you think she’ll be back?’

In the Golden Tower's pavilion, Lin Ruoshi was lying in Lin Hao's arms, Lin Ruoshi softly and softly asked Lin Hao.

Lin Ruoshi felt that she hadn't seen her mother for a long, long time, and she didn't know how long her mother would be in seclusion, and she wondered if she would be hungry while she was in seclusion?

'Little shi monster, mommy will be back soon, trust daddy.' Lin Hao pinched the little girl's cheeks, his face was equally filled with longing, to be honest, he also quite missed Shen Xi Yan.

But the good thing was that Lin Hao knew that there wasn't much of a problem with Shen Xiyan's situation, and don't look at the fact that Lin Hao scolded Chen Bei Xuan almost every time he saw him, but Lin Hao also knew that no matter how calculating and excessive the other party was, they wouldn't hurt his family.

What they were doing was also a very great thing, and it was good to have the privilege of being involved in it himself.

Besides, scolding is scolding, the two of them sat down and were still able to brag and fart and have a happy drink together or whatever.

'Really dad? I don't believe you, don't lie to me, would mommy have run off with another man and then not want daddy and Sze.' Lin Ruoshi, however, frowned a little and looked all disbelieving.

There was a sudden sound of laughter from the side, it was Ling Yun.

It turned out that it was Ling Yun who had come over to look for Lin Hao, and happened to hear this cute little girl's comment, and couldn't really hold back her laughter.

Such a little girl, to know such things, made people cry and laugh a little.

Lin ? steak to cover up the aisan closed flicker Shan Wu ? Hao was equally stunned and looked at Lin Ruoshi with tears and laughter, 'Who did you hear that from ?'

He didn't understand why Lin Ruoshi would suddenly say such a thing, it was that unethical thing that gave birth to a son who had no time to talk to children about this ah.

'From the TV ? There is a little girl, her mother never comes home, the father always says that the mother is busy, in fact, that little girl does not know, her mother has long run away with another man, do not want her and father.' Lin Ruoshi stared at Lin Hao with a very serious cocked head.

Lin Hao and Ling Yun wanted to cry and laugh at the same time after hearing this, and for a moment they didn't know what to answer.

‘No, it’s not true, right dad?’ Looking at Lin Hao, Lin Ruoshi still ? er shan serve pick up the ground love er? Thinking that her dad had been poked at by herself for lying and missing her mum, she showed an expression of wanting to cry and laugh at the same time.

‘Silly girl, what are you thinking nonsense, how could your mother leave us behind, or else she will be back soon, believe in daddy, okay?’

‘Yes, I believe daddy, daddy will definitely not lie to Xiaoshi!’ Lin Ruoshi nodded her head repeatedly.

Lin Hao put Lin Ruoshi down from his arms: ‘Okay, go play by yourself for a while, and don’t watch TV for too long, got it?’

Lin Ruoshi agreed with some reluctance.

‘Lin Hao, this child of yours is amazing, everyone else at this age is either watching Pleasant Goat or Bear Big Bear Two, but your daughter is good, she is already studying family ethics dramas’ Ling Yun teased Lin Hao with some amusement.

‘You came to find me what is the matter say.’ Lin Hao is also quite helpless, his own daughter is so good, what can be done.

‘I can’t come to you if there’s nothing?’ Ling Yun rolled her eyes in a flirtatious manner.

Lin Hao stretched his hands.

‘Alright, it’s my sister looking for you, asking you to come to the pavilion on the top floor.’ Ling Yun’s relationship with Fairy Qing Shirt was now completely eased, and those sorrows and grudges were gradually put aside, and the two were no longer in a relationship between an Immortal Sovereign and an Immortal Slave, but a sisterly relationship.

‘Alright, I’ll go there now.’ Lin Hao dashed away and headed straight for the top floor pavilion of the Golden Tower.

This place was not generally accessible to people without permission, and it was Lin Hao’s first time going in.

‘Ow this is impossible, I don’t believe it, why!’ As a result, it happened that this scene happened to be seen by Ao Dog, who had come over to look for Lin Hao, and Ao Dog immediately wailed, tears falling down from his eyes.

‘No! I can’t accept this, I’ve never even been inside the top pavilion of the Golden Tower, why, my goddess actually let Lin Hao go to her alone, no one stop me, I’m going to die, I’ve lost my love’

Ling Yun shook her head helplessly and sighed, ‘Alas, the good prince, the Confucian scholar who is a fan of millions, became a douchebag as soon as he met my sister’

Lin Hao arrived at the penthouse pavilion and knocked on the door.

‘Come in.’ Qing Shirt’s clear, cold voice rang out.

Lin Hao pushed the door in and sat down opposite Fairy Qing Shirt, who poured Lin Hao a cup of tea, ‘I’m sure you can see that I didn’t link you to that person, you are you and he is him, and didn’t link it to you because of what happened with him.’

Lin Hao’s hand holding his teacup stiffened for a moment, incomparably puzzled, the other party had come to find him for this matter?

‘Yes, this I can feel, and because of your sister’s relationship, did not make things difficult for me, on the contrary, quite a few places to take care with me.’ Lin Hao said as such.

‘Well, I know you can see that.’ Immortal Qing Shirt lightly opened her sandalwood mouth and blew on the hot tea, then gently took a sip: ‘Just now Chen Bei Xuan used the divine bridge to contact me, you just need to integrate those three divine patterns into your deity’s sword, you can control the Xuan Yuan sword curse on Shen Xiyao, and exorcise the divine nature that erodes humanity in her body, in other words, once you fuse those three divine patterns, Shen Xiyao can return.’

‘Really? That’s great!’ Lin Hao was excited, he had guessed before that these three divine tattoos, might be the divine tattoos left over from when the Xuan Yuan Sword was forged, with this divine tattoo, although it wouldn’t be able to lift everyone’s curse, it would at least be able to ease Shen Xiyao’s situation.

I didn't expect that it would be able to bring Shen Xiyan back straight away.

'Is it too good?' Qing Shirt's unperturbed face surprisingly revealed a touch of displeasure, his brow frowning slightly, 'When Shen Xiyan returns, Spirit Rhythm will disappear, not leave, it will be an ashen, smouldering kind of disappearance.'

'What!' Lin Hao brushed himself off and stood up, looking at the green-shirted fairy in disbelief, 'Could it be, could it mean that the two of them

'It seems that you have noticed something, but Ling Yun is the host and Shen Xiyan is the guest, but Ling Yun as the host, she wants to leave the house to the guest.' Qing Shirt nudged Lin Hao with very cryptic words, and at the same time let Lin Hao know just how much Ling Yun had sacrificed.

Super Son-in-law Chapter 2377-2378

Chapter 2377

Lin Hao sat down on a chair with a complicated expression, caught in a dilemma, he felt very guilty towards Ling Yun, to be honest, if it wasn't for Ling Yun's success, Shen Xiyan would also cease to exist, and he was not qualified to ask Ling Yun to leave and let Shen Xiyan stay.

He was not even in a position to ask Ling Yun to stay. From the beginning to the end, Ling Yun was just a girl who suffered from unrequited love.

'What? After spending these days together, you can't let go of my sister?' Qing Shirt asked Lin Hao in a semi-flirtatious tone.

Lin Hao shook his head and nodded again, 'Naturally, I can't let go of her, she is a friend after all, but more than that, I feel guilty.'

'You don't have to feel guilty, and she doesn't need you to have any guilt or mental burden, because she doesn't want you to have these hearts, and she doesn't need these things.'

'She never got what she wanted from the beginning, but she has from the beginning? The land of the land of the land of the land of the land of the land of the land of the land of the sand? had what she had.'

These two words of the Qing-shirt Immortal were somewhat profound, and they made Lin Hao a little confused, but who could tell about such things as feelings.

'Well, I've got the answer I wanted to get, let's get down to business, Shen Xiyan won't be back anytime soon, she refused to come back now, she believes in you guys to each other and also wants to leave some good memories for my sister, think of it as making amends.' Qing Shirt put the tea cup down her gaze then looked towards Lin Hao.

Fairy Qing Shirt saw Lin Hao secretly relieved and somewhat grateful for the display, it was obvious that Lin Hao was also very embarrassed.

Because he couldn't let go, what he couldn't let go of was simple friendship and nothing else, more like guilt and intolerance, if Shen Xiyan returned immediately, then how could he say goodbye to Ling Yun?

Lin Hao really hadn't thought about it.

From the beginning to the end, Lin Hao made a very clear distinction, Shen Xiyan was Shen Xiyan and Ling Yun was Ling Yun, two numbers of two completely separate people.

This point, Qing Shirt also saw, continued to speak: 'There will be a period of time next, there will be no chaos for the time being, Xiyan also went to help Chen Bei Xuan, let's give you a period of vacation during this next period, this is Chen Bei Xuan's original words, it is considered to make up for your guilt, and also as some kind of compensation for my sister, do you think so?'

A vacation?

What the hell, do you have a vacation to take?

666 ah, Chen Bei Xuan this old bastard is treating himself as a tool, is it?

The idea of taking a vacation also made Lin Hao cry and laugh, but it was a good choice, it was also time to spend some time and finish the matter of Ling Yun.

Now the dragon ancestral land side is not a big problem, the immortal slaves of the Moon Wheel Immortal Palace were eradicated to a few left, mainly because the Moon Wheel

Immortal Son of the Moon Wheel Immortal Palace could not get out, it is indeed not a big problem, the Nine Mysteries side Lin Hao could not intervene.

In that case, one was indeed free out, but the adjective vacation was a bit too much ah.

‘Cherish it, this might be the last period of tranquility before the storm comes.’ Qing Shie said no more words and waved his hand to indicate that Lin Hao could leave.

Lin Hao said thank you and left.

When he returned to his place, he found that Ling Yun was also here, playing a game with Lin Ruoshi.

But Ling Yun heard the commotion and looked up at Lin Hao with a smile, ‘Lin Hao, you’re back, my sister didn’t give you a hard time, right? If she did you tell me, I’ll go talk to her.’

Lin Hao was speechless, ‘Is that what your sister is like in your eyes? She didn’t give me a hard time, she just said that I should rest for a while and lend you to me.’

‘Lend you a hand? What does that mean?’ Then Ling Yun seemed to think of something, her face suddenly blushed red, no way, no way, sister can’t mean that, right?

No way!

But why was there a little anticipation in her heart? When Lin Hao saw Ling Yun's blushing face, he frowned: 'Did you think of something messy again? It's really make make, not make make make.'

'Yes, is there a difference?' Ling Yun asked confusedly.

Chapter 2378

Lin Hao spread his hands, 'No difference, but it would make a difference if you had a more dirty brain.'

'Lin Hao!' Ling Yun shouted and angrily disliked Lin Hao, while Lin Hao turned and ran straight away with a big smile.

The people of the two Lei Lin families had also adapted to life here and did not intend to leave, instead they felt that such a worldly and uncontested place was quite nice, and now Qing Shirt also allowed them to go to other floating islands to have fun or live, but the only taboo was that they were not allowed to let the ordinary people here cultivate, everything was left to nature.

The people of the two clans were very observant of the rules in this regard, and no one planned to go out with Lin Hao as they felt pretty good anyway.

Even Xu Fanghua did the same, only instructing Lin Hao and the others to just come back and visit if they had nothing to do.

Lin Hao also agreed, and then left the Golden House with Ling Yun and the white cat. The white cat was determined to follow Lin Hao, and as for the big bear, it had already played so much that it had forgotten about it, and did not even want Lin Ruoshi as its master.

The group came to the hotel to stay, Lin Hao began to go to the ancient town of Jinling food wandering around, holiday or whatever, also do not know what to do, simply get a small shop to do a small business, a few days of calm and ordinary days, seems to be quite good.

The meat of the spiritual beasts is still in reserve, and he went to the ancestral land of the dragon tribe to replenish a lot of it, but this time Lin Hao did not do it, it was Ao Dog himself who got it, and it had nothing to do with Lin Hao.

After strolling for a long time, Lin Hao came to the most prosperous area in the centre of the ancient town and found a very nice shop, decorated in an ancient style, very elegant, with about two hundred square feet of space inside, enough for him to use.

The shop was decorated similar to an ancient restaurant, which was quite nice, even the waiters here were dressed in ancient costumes, a tone Lin Hao liked.

When Lin Hao walked over, the two women in ancient costume hurriedly greeted him, 'Please come in, sir.'

Well, it was a bit like travelling through ancient times.

After entering, Lin Hao found the front desk, 'Is your boss in?'

The receptionist girl couldn't help but freeze for a moment and looked up at Lin Hao, and was a bit dumbfounded for a moment. Although Lin Hao was dressed very ordinary, the confidence and his own aura, together with his quite handsome face, gave people a very temperamental and aura feeling.

The girl quickly reacted and hurriedly explained, 'I'm sorry sir, our boss here hardly comes here, it's just a shopkeeper who manages this place, if you have anything to do, can I ask the shopkeeper to talk to you directly?'

Lin Hao nodded his head and agreed, was this how they addressed people here?

Not long after, a middle-aged, greasy man in ancient clothes with a big belly came out and smilingly approached Lin Hao: 'Sir, I heard you were looking for me? Is there something you need? Is it a meal order, or are you not quite satisfied with our meal.'

'No, I'm just asking if your shop is for sale?'

What the hell?

The shop manager, the waiter next to him and the girl at the front desk were all confused.

The shopkeeper looked up and down at Lin Hao, who was dressed in ordinary clothes but had an extraordinary temperament.

The shopkeeper steadied his mind and explained: 'I can't make a decision on this, I phase? The actual fact is that you will be able to get a lot more than just a few of these. I believe our boss is not going to agree to the transfer, because our boss said, he opened this shop entirely because a friend of the boss likes this tone, and hope to bring him here for a meal next time he eats, our boss is not short of money, the probability will not transfer.'

'Also, the tension in our shop is anywhere from a few thousand to several tens of thousands a day, and the transfer fee is aware that it won't be cheap.'

'I understand, you help contact, it just so happens that I also like the tone, maybe your boss will agree to it.' Lin Hao naturally knew that people who could open a shop here but didn't bother to care at all, could only be short of money, the shop rent here is estimated to be quite a lot every month.

Chapter 2379

It just so happened that Lin Hao didn't seem to be too short of money either, and was purely playing for fun.

Seeing that Lin Hao had said so, the shop manager, out of courtesy, plus not wanting to offend Lin Hao, took out his mobile phone and called his boss on the spot, handing it

to Lin Hao after a couple of conversations, 'You can talk to our boss yourself, by the way, you can go and sit over there and talk, we'll serve you refreshments later.'

'No need to be so troublesome.' Lin Hao refused and took the phone, saying politely, 'Hello, is this the owner of the No Regrets Inn?'

'Hm??' The person on the other end of the phone froze for a moment and tentatively shouted, 'Lin Hao?'

This time it was Lin Hao's turn to freeze, and how come this voice sounded somewhat familiar to himself?

Wait a minute, the Remorseless Inn!

Lin Hao almost laughed at that moment, reacted and said in a good-natured manner, 'Brother No Regrets, it's you, I haven't seen you for a long time, I just want to open a shop, I want to ask if you'll transfer this No Regrets Inn?'

The shopkeeper next to him directly shook the grass, and the boss called him a brother, fortunately he did not look down on people, otherwise he would have been finished.

The shopkeeper, wiping a cold sweat, was also a bit confused, no, they knew each other and called each other brother, but did not know that this was his boss's shop?

‘What bullshit, transfer a fart, that inn is for you to open, want this day to invite you to dinner, you do not like such a style, the result froze no opportunity, open half a year, you have not come once, you want to use directly take it how to screw.’ Jun Wu Ren couldn’t help but laugh and scold.

He also did not expect that this guy Lin Hao would come to his shop and then look for him to transfer the shop, this kind of fate was really no one.

‘That’s what you said, I won’t pay the rent, besides I don’t need these people, but you don’t let these people lose their jobs because of me, a big boss like you, you make your own arrangements.’ Lin Hao didn’t want to use these people, he simply let Lin Ruoshi and the girls have a taste of life.

The shop manager next to him was a bit confused, this was a done deal?

‘Okay, I’ll arrange it, by the way why are you suddenly thinking of opening a shop? When is it opening, I’ll have all my brothers go over there to give you a show.’ Jun Wu Regrets was a bit curious, and then smiled and teased, ‘What’s the matter? Are you thinking about retirement now?’

‘No, I’m taking a break to experience life, and I’ll let the fairy help me recruit customers.

‘Let the fairy solicit customers for you?’ Jun Wu Ren’s voice rose several pitches and he cried out in laughter, ‘What a toad eating a frog, ugly looking and playful ah, to say that it’s you who can play or you, brother Lin Hao, I’m willing to bow down to you, ashamed of myself!’

‘Fuck off! Hang up, I’m too lazy to talk to you, you can arrange it with your men.’
Lin Hao said in an unpleasant manner, hanging up the phone and handing the phone to the shopkeeper, ‘Your boss has something to say to you.’

The shopkeeper hurriedly took the phone respectfully and chatted with Jun Wu Ren.

That receptionist girl, on the other hand, said enviously, ‘Muh-uh-uh, people who don’t have money open a shop to make some money, but rich people open a shop to experience life, just like our boss, but the key is to experience and suddenly make a lot of money.’

‘Little girl, work hard, after all, people who are better than you are working hard, how do you know what it means to be truly desperate if you don’t work hard?’ Lin Hao couldn’t help but tease this little sister.

The receptionist little sister cried and laughed at this, and looked at Lin Hao speechlessly, ‘Handsome, your bowl of poisonous chicken soup is perfect, I’ll drink it, do as you please.’

Not long after, the shop manager hurried over and excitedly shook Lin Hao’s hand, causing Lin Hao to look confused, what for? I don’t like men, and I don’t like greasy middle-aged men!

‘So you are the former boss of my boss, the former big boss of the Tianhai Group, and the great benefactor who single-handedly created the Tianhai Charity Foundation? The first

time I saw you, I was a big fan of your work. Ah, I'm your idol, ah no, you're my fan uh, sorry sorry sorry, I'm a little nervous, can you give me an autograph?' The shop manager said with immense excitement.

Chapter 2380

The waiter next to her was a little confused to hear this, apparently some days had passed since Lin Hao's incident, people are very receptive to new things and many things are easily forgotten.

But the front desk girl immediately took out her phone and started searching, searched through the keywords the shop manager had just used, and couldn't help but exclaim, 'No way the youngest trillionaire group president, the greatest philanthropist, the youngest hundred billionaire, this this

Others heard and also came over to read the news and looked at the photos to compare with Lin Hao, and now everyone was stunned.

Such a young and handsome handsome man is such a terrifying big man, it must not be.

'That, boss, are you short of staff? I can do anything, serve dishes at reception, wash and mop the floor afterwards, I don't want a salary.' The front desk girl looked at Lin Hao with glowing eyes and inquired.

Lin Hao politely declined, and the shop manager also told Lin Hao that they would start shutting down immediately to prepare for evacuation, and that Jun Wuhuo had even arranged

for a renovation team to arrive in the afternoon to ask Lin Hao what needed to be changed and what help he needed.

Lin Hao said that there was no need to change anything, and that he was quite satisfied with it. Jun Wu Regret was worthy of being his good brother who had fought alongside him, and basically he knew exactly what Lin Hao liked, so he didn't need to bother.

Lin Hao just instructed them to just clean up the hygiene on their way out, and left after taking care of these things.

However, what Lin Hao didn't know was that the total group of senior executives of the Tianhai Group had completely exploded.

Because of the millennium diving party, Jun Wu Ren dropped a depth charge in the senior group: 'This Lin Hao guy is going to open a restaurant in Jinling Ancient Town Street, let's go together, let's go eat at a big restaurant!' The moment this news came out, the group instantly exploded!

Tianhai Group CEO: ????

'Brother Jun, is it really true? The big boss is opening a restaurant? This has to be a big restaurant, no more I'll go to Dragon Gate and Dragon Group's group to blow up the group.'

Mo Tianji: Oh wang, this kid is actually idle? He's not going to save the world anymore, he's starting to retire, huh? Good job, when the time comes, we will go eat together with a big family.

Lin Qingcheng: Beautiful, you guys are really my brother's brothers, if you want to eat my brother poor, count me in!

Yun Ruo Shi: The big boss opened the shop, do not eat poor until the boss bankruptcy is sorry boss's good intentions.

Xu Linglong: There is nothing to do, let's eat the big boss to go.

.....

The group was immediately lively, this total group is basically usually mostly diving situation, unless there is something important announced, or a big event will be announced in this, this group has never been so lively as today.

But suddenly someone with a sharp eye? The company's main business is to provide a wide range of products and services. The company's main business is to provide a wide range of products and services to the public.

The first thing you need to do is to get a new one. I didn't expect it, I was in the group too! Eat a fart of a big account, more than ten people coming over at once to refuse

reception! And it's opening tomorrow, no fancy stuff, send wreaths of flowers directly to drive people away, send gifts, drive nice cars to block the door directly to drive people away!

Quiet!

Everyone in the group is quiet as a chicken, just afraid of the sudden silence of the air

They completely forgot that, although Lin Hao has long been out of the system of the Tianhai Group, but everyone is clear that there is always a shadow of Lin Hao up and down this group, especially those patriarchal senior.

The most important thing was that Lin Hao had never quit the group from the beginning to the end ah.

Jun Wu Regrets frantically sent messages to Lin Qingcheng: What to do what to do? Damn, this is not steak blind, what face do I have to meet him ah, begging for support, begging for help ah.

'The actual fact is that you have a face, brother no regrets? According to my brother said not on the line, we internal decision tomorrow which ten people to go to dinner, and, he is in the group, and now he is not the company, kicked not finished?' Lin Qingcheng didn't care about that, why would his own brother see outside the box, right?

君无悔：???

‘You’re really his own sister, you can even think of this!’

So then, Lin Hao received a message on his phone.
