

Super Son-in-law Chapter 2491-2500

Chapter 2491

Unfortunately, he was forcibly pulled away by the Sea Sheep.

Only after walking away did Lin En coldly glare at the Sea Sheep, 'Sea Sheep, we're not brothers and we're not really friends, but I have to remind you, don't make your own death!'

'I know exactly what's in your mind, if you're really willing to climb up to him, Chen Haobei, I can't say anything, but if you dare to reveal any information related to Lin Hao, even ten more lives won't be enough to kill you!'

'Let's just talk about Lin Hao, how influential is he? A single word from him would probably shake China, he's in control of the most powerful Illusionist divisions in China, the Dragon Sect and the Dragon Group! And has the ability to kill a seventh grade Illusionary Spirit Master in seconds, that is an existence that can raze the entire demon capital to the ground with a single thought, you weigh it up.' After saying that, Lin En walked away without looking back.

After Lin En left, Hai Yang couldn't bring himself to do so for a long time, just now he had indeed been a bit reckless in trying to get on good terms with Chen Haobei.

Although Chen Haobei's relationship with Lin Hao wasn't bad, it was definitely not good!

At the thought of Lin Hao's energy, cold sweat broke out behind the sea goat's back, and his mind was shaken to the core.

On his way back, Hai Yang reopened his broadcast, while announcing that he would no longer conduct live broadcasts related to the No Regrets Inn, and that all income from this period, the bounty income, would be donated to the Ancient Town Street Foundation, or the Tianhai Charity Foundation, all open and transparent, as for the reason, Hai Yang was not willing to say much, but turned to the camera, and solemnly said sorry to Lin Hao, and then went off air.

Sea Sheep's fans were dumbfounded, why did they suddenly pull this stunt?

'What the hell is going on? Did Sea Sheep do something wrong to Boss Lin?'

'It's not because he said something wrong, right? Boss Lin doesn't seem like such a petty person, right?'

'What do you know upstairs? It's called knowing someone's face and not their heart! Don't you think Boss Lin is acting too perfect? He must be faking it!'

'I'm faking it, you idiot! I'll kill you if you call my husband names! My husband is so perfect, you're so sour!'

'No, people work so hard to help out with the live broadcast and also help take care of the business of the shop, they didn't get any benefits and they said they were kicked out?'

‘You silly batch are you? Yes it seems like everything money was donated and they had to help take care of the business of the shop, but they got to eat the staff meal, and if the staff meal is counted as money, how much is that please? And how much powder has gone up? Are you all brainless?’

It was a scolding war, neither side was convinced, and of course there were sensible fans who didn’t get involved.

But it still didn’t take long for the scolding to go straight to the top of the hotspots, and at the same time getting a notification from a friend who knew about it scared the sea sheep into jumping up and down overnight. Seeing how things had turned out, Sea Sheep was also bitter, knowing that he had done something wrong, even if he hadn’t.

Even more so after being reprimanded by Lynn? 意西西爱爱伍扒意? , he no longer had the face to continue to stay.

What’s more, if he continued to stay, he was afraid that he wouldn’t be able to control his mouth that day and thus get himself into trouble, which would be more than worth it.

So Sea Sheep jumped up in the night, went to Weibo to clarify, and even more so, opened a broadcast to explain to his fans that it had nothing to do with Lin Hao and that it was for personal reasons.

Quite a few live streams were blown up, including Lin En and Nan Ge, who both came in to Sea Sheep’s live stream, and because it was a big night and not a live stream at the

Remorseless Inn, the cap of 50,000 people was more than enough to keep things from getting too crowded.

But it did attract over 30,000 people into the live stream at once.

After some sincere explanations from Sea Sheep and making it clear that it had nothing to do with Lin Hao, he even recapped everything without missing any details.

Lin En outdoor live: ‘Yes, this is something I can prove. At that time, I also just felt that the sea sheep had this meaning, so I reminded a word, I admit, at that time, my words were also a little too aggressive, but said the truth, in addition to declare, no script, do not accept any malicious speculation.’

Chapter 2492

Nan Ge’s brother ah: ‘I say you guys are not sleeping at night is also hold up, I thought what a big deal happened, so I came in to see I also wondered how you guys went back to make such a big noise is why.’

Nan Ge are speechless, but can also understand, although this is considered a small matter, Lin Hao may also not be put on the heart, but once Lin Hao feel that this matter is not right, then the consequences can not be they can bear.

After the explanation, the sea goat hurriedly went off air.

The next day Lin Hao got up and heard Nan Ge come over and tell himself about it, Lin Hao himself was dumbfounded and felt teary-eyed when he found out, 'No, sister Nan Ge, you tell me the honest truth.'

'No, I don't dare, how dare I say something dishonest in front of big brother Lin.' Nan Ge stammered, her tone weak, while her eyes dodged a little, it could be seen that she seemed to be quite afraid of Lin Hao too.

Lin Hao saw Nan Ge's reaction and already knew the answer, so he couldn't help but cry and laugh: 'Fine, no need for you to answer, so I'm so scary in your eyes?'

As Lin Hao turned to leave, Nan Ge heard Lin Hao murmur a couple of words helplessly, 'Damn, I'm not a tiger, I'm not a monster that kills people without blinking an eye and eats three or five big men at every turn to get a full meal, do you have to be so afraid of me? Am I that scary?'

Nan Ge laughed awkwardly, who made you so powerful and had so much energy.

But Nan Ge thought about it carefully and realised that although Lin Hao was very powerful, and really as Lin En said, one word and all of China would be shaken, but he wouldn't use all this authority for no reason, or even treat his own people super well.

Even if she was an ordinary person, the other side didn't have much of a stance.

So, did they misunderstand something, and actually Boss Lin, wasn't that scary?

Nan Ge reacted and hurriedly went after him, pulling Lin Hao's hand: 'Brother Lin Hao I was wrong.'

'You're wrong a hammer ah wrong, what did you do wrong?' Lin Hao cried and laughed, what the hell? That sea goat apologized for something he had thought about and hadn't done yet, and now Nan Ge was starting to somehow come to apologize as well.

What the hell, he was a man-eating tiger? Huh?

Isn't there something wrong with that!

'No, I apologise for my attitude earlier, I shouldn't have been afraid of you.' Nan Ge was embarrassed.

'Hetui, you should be scared of me!' Lin Hao turned away without good grace.

Looking at Lin Hao's stifled look, Nan Ge laughed out loud for some reason, so the big brother also had a small temper, so the big brother wasn't much different from us.

The company's main business is to provide a wide range of products and services to the public.

This made the netizens envious, they also understood that Lin Hao was actually not as high and mighty as they thought, that's not quite the right adjective, it should be not as unreachable as they thought, not as vague as they thought, instead it was quite real.

The sea sheep still refused to continue to go live at the remorseless inn, but for Lin Hao's second invitation, the sea sheep very happily agreed to go to the remorseless inn to dine when he had time.

This matter has come to an end, and for Lin Hao, it was a minor and insignificant matter.

Today was a rest day, so Lin Hao was also constantly cultivating, while Qing Shirt was personally guiding Lei Ling and Lin Ruoshi in their cultivation.

The sea tide member was somewhat left alone and had no choice but to ask Ao Dog for advice, which made Ao Dog bullishly bad, proudly forking his waist and also experiencing the joy of being a master.

Only Ling Yun and Nan Ge were more relaxed, Nan Ge was live in the courtyard and Ling Yun was in the attic, leaning against the railing, left hand propped up on her chin, watching Lin Hao who was practising in the courtyard with unblinking eyes.

Ling Yun also figured out that the reason why she persisted for 10,000 years was just her obsession with that man, for Lin Hao, instead it was? Love Lu steak closed intention to steak west? Because of these days together, the heart is also filled with all of him.

Super Son-in-law Chapter 2493-2494

Chapter 2493

Turning to think about it, with that man, it seemed that even the normal days spent together were not enough to add up to two days, and to the long years of a deity, even a hundred years was only a minuscule amount of that one moment.

As a result, just because Ling Yun was lost in thought, when she looked again, she froze for a moment, and Lin Hao, who had just been cultivating in the courtyard, was suddenly nowhere to be seen.

‘What are you thinking about, thinking so intensely?’ Lin Hao’s voice, however, suddenly sounded behind Ling Yun.

Ling Yun was stunned for a moment and turned back helplessly, ‘Even though your realm is equal to mine, you make me unable to see through at all, secretive and unpredictable, are you already strong to this level?’

Lin Hao smiled, ‘Isn’t this good? I’m protecting you, at least a little better than you protecting me, right?’

‘I do wish I could continue to protect you.’ Ling Yun laughed lightly and then said, ‘There’s something that needs to be taken care of again?’

‘Yes, there’s another guy who wants to sacrifice a sword to me.’ Lin Hao shrugged his shoulders, he had just received a secret transmission from Qing Shirt, and the Qin Clan’s immortal slave had come to pick a fight again.

And this time the one who came was even a seventh grade mid stage Qin Hai Grievance.

If Lin Hao could destroy the early seventh rank Qin Wushuang with one sword, then he could also destroy his mid seventh rank Qin Hai Grievance, which was just a doppelganger of an old villain!

But destroying a doppelganger of the other party seemed harmless to the other party.

‘Be careful.’ Ling Yun thoughtfully tidied up Lin Hao’s sleeves for him.

Lin Hao gave the other party a reassuring look and quickly departed, only looking at Lin Hao’s departing back, Ling Yun was filled with sadness, the time was really getting closer and closer, not much time left, right?

When the Dragon Palace breaks the seal, or when the Moon Wheel Fairy reappears on earth, it will be time for her to leave.

Lin Hao was unaware of this, and his body crossed the space as if he was shrinking into an inch, taking a step a thousand metres away, but in just a few gentle steps, he had already arrived in the sky above a city next to Jinling.

Qin Hai, who had sped from the north, had also arrived.

After the last battle on the Arctic Mountain, the Qin Immortal Slaves had directly abandoned the Sea Tide Immortal Palace in the Demon Capital, and now it was directly empty, but no Immortal Slaves from other districts dared to get their hands on it, after all, if they directly occupied the Sea Tide Immortal Palace, wouldn't that be the same as directly standing against Lin Hao?

Now they didn't dare to provoke Lin Hao, yet they didn't dare to easily side with the Moon Wheel Immortal either.

'Amitabha Buddha, Lin Shiyi, it's been a long time since I've seen you.' Qin Hai chanted the Buddha's trumpet from the sky with resentment, his hands joined together and a true Buddha's wheel of light appeared behind him, blossoming with a hundred feet of golden light, as majestic and sacred as a divine Buddha descending to earth.

They looked holy, but in reality they were filthy inside!

Lin Hao was fully aware of these guys' nature, and if he had just looked at their superficial posture, he would have been easily deceived by him.

Without saying a word, Lin Hao summoned his Heavenly Sin Sword and was about to draw it

‘Don’t, Master Lin, don’t be violent, monks are compassionate, fighting and killing is like a kind of paper.’ Qin Hai Grievance was frightened enough, seeing the other party was about to draw the sword action, hurriedly anxiously shouted, let Lin Hao stop drawing the sword.

The other party was so full of benevolence and morality that Lin Hao could barely resist pulling out his sword, so what was the point of talking nonsense to him ?

Qin Hai grievance is also quite a headache, he seems to have met a shrewish hobgoblin.

The scene where Qin Wushuang was killed with a single sword was clear to them, even Qin Hai Jie wasn’t sure he could take Lin Hao’s sword.

This was originally a divine weapon, and it had allowed Lin Hao to fuse the supreme sword move, and his realm had also grown by leaps and bounds, he was truly a little panicked.

‘Say!’ Lin Hao loosened ? Jie Xi’er whisked Yi Yi Pao Lu ? Opening his right hand that was holding the hilt of his sword, he looked at the other party impatiently.

The other party wasn't here to fight, so what was he here for? Talking about family matters?

He didn't believe the other party had such leisurely kung fu.

'Master Lin, fighting and killing is not in line with the tenets of our monasticism, and I believe it is not Master Lin's style either, so why don't we stop fighting today, and I suggest a debate, a civil fight?' Qin Hai Grievance spoke up in a hurry.

Chapter 2494

He didn't believe that he, as a doppelganger of the Earth Store, couldn't lame Lin Hao?

Lin Hao was dumbfounded, God damn it!

Fighting and killing wasn't his style?

What a load of crap! If he wasn't curious about what other good farts you could hold back, Lin Hao would have chopped it off with his sword.

Lin Hao was cold for half a second, looked at Qin Hai Zhan, opened his mouth in Qin Hai Zhan's dismayed gaze, then

hetui!

Qin Hai resentment people are dumb!

Even if you insult people, you don't insult people like this ah, everyone is at least a supreme expert, can you have some manners, can you respect your opponent?

'No, Master Lin, we are fighting in literature, debating, not scolding each other understand?'

'We are debaters! It's a rivalry yes, but pay attention to the quality!'

However Lin Hao's response was, hetui! Then he let out a loud laugh, like some video that had been cut into a ghostly animal, all that was there throughout was hetui plus that bitchy expression and bad laugh.

Qin Hai Zuan: you big man (▼▣▼)!

I've told you about quality!

Phew, no, have to be calm, definitely can't fall for the ruse, must be the other side trying to provoke themselves, must be calm.

The only thing that I can say is that I'm not sure that I'm going to be able to do this.

Qin Hai Grievance kept persuading himself, taking deep breaths and constantly calming himself down.

'Master Lin, how do you view life and death? What is life and what is death?' Qin Hai Grievance did not hesitate to throw out his question directly, lest he be led astray by Lin Hao again.

And immediately after asking, he spoke, 'In the poor monk's view, life is death and death is life, and without death, there is no life, setting each other off but bringing endless suffering and misery, if there is death without life, or life without death, then all the suffering and misery in the world will naturally dissipate, wouldn't that be beautiful? I wonder if Master Lin has any other opinion?'

Bah!

Do you think I'm stupid?

As soon as I answer your question, I'll fall into your trap, and whether I agree or disagree, I'll be able to make you refute it to the core, and I'm not stupid!

What's more, what's the point of this bullshit, that without life or death, all suffering and misery in the world will disappear?

Lin Hao has seen many similar movies, either endless death and despair, purgatory on earth!

Either that or a perfect life, where everything is incomparably perfect and the whole world is covered in smiles, as if there is no sadness at all, let alone crying, as if everything is incomparably fine!

But that smile is so fake, and the so-called perfection is full of imperfections!

The only way to be truly happy is to go through suffering, to accomplish your goals, to get what you want through your trials and tribulations.

To laugh without thinking, to be happy without reaching the bottom of one's heart, is all fake.

However, Lin Hao did not bother to argue with the other party, it was clear that he had come to set a trap, and the most crucial thing was that Lin Hao did not have the leisure to do so.

Therefore Lin Hao's answer is exceptionally simple, open his mouth again!

hetu~! Hahahaha!

Qin Hai Grievance's face twitched: I'm fuckingo(▼皿▼ノ;)o!

You bastard, you're not finished, are you?

Why don't you just piss me off!

Although he was a doppelganger of the Earth Store, he had been trained by the Earth Store and was still quite good at heart, otherwise he probably would have been unable to resist taking action.

Lin Hao also saw it and laughed in his heart, let's see how long you can hold back.

Because both of them had concealed their light, only illusionists could see them, ordinary people could not find them, only the higher illusionists in Jinling and the surrounding cities could see them, they all looked at this scene in a daze.

This, for sure, was the look of a superpower about to pole-vault?

Take a deep breath, take a deep breath! Adjust your heartbeat, adjust your emotions, and start over again!

‘Master Lin, the question just now was indeed a little too esoteric, it doesn’t matter if Master Lin can’t answer it, so I will ask you another question? Servant Shan Er Yi Lu Fushan?’ Qin Hai Grievance adjusted his mind and asked Lin Hao once again, ‘Do you think what you are doing at this moment is right?’

Super Son-in-law Chapter 2495-2496

Chapter 2495

‘Do you feel sinful for killing ten people to save one? And is it right to give up one person to save ten?’

What a bastard!

How can I answer this question?

Lin Hao’s answer was very clear, opening his mouth to hetui again, hahaha!

‘Master Lin! Please answer my question positively, and also, please be of quality! We’re all experts with status, can we have some big brother manners!’ Qin Hai Grievance finally couldn’t help himself and loudly berated Lin Hao, while wiping a handful of saliva from his face.

It’s too much!

Before hetui was just insulting people, but now the saliva was spraying his face, you don't bully people like that!

At this moment, all the viewers in Nan Ge's live streaming room were laughing!

'Crap, I'm laughing my ass off, I'm kneeling down for Boss Lin, the classic mum question kneeling!'

'Lin Hao: expert poise? I'm the master, I'm the master, and you're the master, so what do I want?'

'Lin boss overbearing, but I gave me a laugh, not you so insulting ah!'

'Somehow it reminds me of the video of the Ghostbusters clip, it's a classic, look at the way Boss Lin learned it, I'm down on my knees!'

Tiger: 'Boss Lin is a bully, this guy across the street, I heard he's a 7th grade mid-level big brother, a real big brother, ah, the result'

'Boss Lin: Big brother? What big brother, in front of me is a younger brother, hetui and it's over.'

The reason why this scene appeared, is entirely because Ao dog see Lin Hao half a day did not come back, ask the green-shirt fairy only to learn that Lin Hao and go to dry seven and other big brother to go, without saying a word ran over, the result is to see half a day is such a ghost situation, Ao dog are happy.

Ao Dog didn't say a word, ran back and asked Nan Ge to open up the live stream, while he ran straight back with Nan Ge's phone to have a live broadcast, while Nan Ge used his computer to log in his account to interact with netizens.

Nan Ge explained that this was Ao Dog Dragon Prince in action and the crowd laughed out loud once again, Ao Dog which is definitely an unbelievably qualified photographer, somehow found out again what was up with Ao Dog's odd skills?

For example, when men and women fighting landlord, this rack a camera over, that is not ahem, off-topic.

I know people don't want to read these similar content, very understandable (mainly because those are paid viewable content).

This side of the Qin Hai resentment, see Lin Hao does not give a damn, he is also speechless, this Lin Hao is mute? Or has he become a repeater?

But Qin Bingyu, who saw this scene in the live broadcast room, was so angry that she had already greeted Qin Haijian's ancestors all over again.

You were there to pick a fight, to lull people, to test people, and now you're what?
To be scolded? To be spat on?

Don't tell people I know you in the future, I can't afford to lose face!

'Lin Hao, I'm asking you

'hetui~! Hahahahaha.'

Qin Hai complained that Lin Hao didn't even bring him any other content, as soon as he asked a question, Lin Hao started to tui him, this time without even asking a question, Lin Hao couldn't wait to spray him in the face.

'You, you fucking can't you answer my question properly! Grass! Do you not know how to say anything other than spit and haha! Are you retarded? Are you a retard? Or are you just an idiot?' Qin Hai Grievance exploded in place, his expression even more hideous beyond recognition.

Lin Hao's eyes narrowed, ? Serve dyed er wu serve land Yi Yi? The company's main business is to provide a wide range of products and services to the public.

'The first thing you need to do is to get your hands on a new one. I'm sorry, but I'm sorry. You're a retarded fool, you idiot! You're a retarded idiot! The first time I saw it, I had to go back to the house.

He was desperate, he was desperate!

He had broken his defenses!

Seeing that Qin Hai Grievance was anxious, Lin Hao was also relieved.

‘So, what exactly is your problem?’ Lin Hao yawned, it was so pointless, if you want to fight, just fight directly and be done with it.

You say what a waste of words you are!

And you want to lame him out? It’s not bad if he doesn’t lame Qin Hai Grievance, mainly because Lin Hao is more salty, to put it bluntly, he’s just lazy, he doesn’t even bother to lull him.

Chapter 2496

‘What for! Are you stupid? Answer my question! You don’t know how to answer! I can tell you the answer if you don’t know how to answer!’ Qin Hai Grievous growled in anger.

hetui!

‘I fuck you!’ Qin Hai Grievance didn’t care about anything else.

Completely furious, where was the need to care about what he came here for, much less whether he could fuck Lin Hao or not, he would fight first!

‘Great Mighty Heavenly Dragon!’

‘Da Luo Fa Mantra!’

‘Bo Ruo all Buddhas, World Honored Earth!’

Qin Hai Grievous’s mouth was like a series of pearls as countless large Sanskrit characters bubbling with golden Buddhist light appeared, encircling a circle and forming a huge formation, holding a hundred-meter vajra pestle and thrusting it fiercely at Lin Hao.

The moment Ao Dog heard that Qin Hai Grievance was starting to prepare to make his move, he ran a thousand meters away without saying a word, it would be bad if he was affected by such a big brother’s battle.

The first time I saw a sudden outburst of Qin Hai Zhan, everyone in the live room was shocked and horrified at this magnificent and dazzling scene, is this the terror of a big brother for the might?

The eyes of the fourth ranked Illusionary Spirit Masters in the live broadcast room were all straightened, the angry strike of a seventh ranked Illusionary Spirit Master was no joke!

The last time Lin Hao took out one in such a short period of time? The last time Lin Hao took out a? The last time Lin Hao took out a seventh ranked early stage Illusionary Spirit Master in such a short time, they always thought it was too false, and many of them even thought it was impossible!

Therefore, they wanted to take this opportunity to witness with their own eyes whether Lin Hao really had the terrifying combat power to kill a seventh ranked Illusionary Spirit Master!

At this moment, Lin Hao's right hand gripped the hilt of the Heavenly Sin Sword: 'You said that this wouldn't have been possible earlier? You've wasted so much time, and even more so, you've wasted so much of my saliva that I'm thirsty.

'Drink your ass! You're a shiat!' Qin Hai Grievance controlled the Sanskrit formation and blasted at Lin Hao, the Buddha's light shone brightly and the vajra pestle revealed a frightening cold aura, completely enveloping Lin Hao in it.

Swish!

Lin Hao didn't hesitate to draw his sword!

But the speed was so fast that only a cold light, three fingers wide and seven inches long, could be seen in the faint moon, and then Lin Hao continued to maintain the action of drawing his sword, as if he had not moved.

Lin Hao did not move, and Qin Hai Grievance did not understand!

It seemed as if both sides had stood still.

Everyone was very confused when they saw this scene, what kind of divine ability was this? Spatial confinement?

The next moment, there was a shocking change!

The seemingly mighty and domineering Sanskrit formation, a magnificent attack enveloped in Buddhist light, instantly crumbled into a sky of light and dissipated The formation instantly shattered, all the Buddhist light Sanskrit shattered into a sky of light, magnificent and radiant, but this was undoubtedly fatal to Qin Hai Zhan!

Qin Hai Grievous felt a deep sense of fear, the sword was too fast, too terrifying, no wonder Qin Wushuang was killed in seconds without any resistance!

‘Buddha Body Protection!’ Qin Hai Grievous let out a furious cry as the golden body of Buddha Dharma enveloped his entire body, shining brightly in gold!

Ka-ching!

There was another crunching sound, Lin Hao didn't make any extra movements at all, still maintaining his stance of drawing his sword, but that Buddha Dharma Golden Body shattered in response to the sound.

Qin Hai Zhan let out a miserable scream as he was left with a hideous and gruesome wound on his face, which was simply unhealable, the extreme sword power had even damaged his divine origin, not to mention healing the wound, which was even expanding, with no possibility of healing at all.

This situation directly scared Qin Hai Grievance half to death, he was really going to die!

The extreme sword power was still wreaking havoc on the wound.

Lin Hao frowned slightly, 'It's possible, little old brother, to not die, you're a drop better than that Qin Wushuang.'

Qin Hai Grievance wanted to curse Lin Hao to death, fuck you for being a little bit more powerful, the difference between me and her is worlds apart, he was just an immortal slave!

He was a Dharma doppelganger of Buddha, could it be the same?

But Qin Hai Grievance did not know what to say at this point, it was too humiliating, he couldn't debate, he couldn't even scold, even if he couldn't scold, now he couldn't even fight!

Super Son-in-law Chapter 2497-2498

Chapter 2497

The people in the live room are silly at this point? The people in the studio are dumbfounded. What's going on?

'No, can someone explain what's going on? Why does it feel like the guy across the street is dying?'

'I also wonder ah, the other party can not scold our boss Lin, suddenly burst out, look so fierce ah, but it seems that the boss Lin did not do anything ah, just, just this?'

'I think I saw a flash of cold light the moment Boss Lin held his sword just now, did Boss Lin already attacked?'

'Brother Tiger, call Brother Tiger, please come out and give an explanation, let us know what really happened?'

This change really caught them a little off guard, how did it suddenly turn into this?

Ao Dog was also stunned at this point, and his movements with the phone froze.

So fast!

What a fast sword!

Even though he was a Peak Illusionary Spirit Master of the sixth rank and was about to break through to the seventh rank, he hadn't seen Lin Hao's sword out clearly at all, he had merely seen a flash of cold light, a split second.

This time Ao Dog was truly stunned, he sort of understood why last time Lin Hao was able to return so quickly and completely exterminate his opponent in just the blink of an eye.

This time, if it wasn't for the fact that this Qin Hai Grievous had a very strong base, plus his realm was also higher than Qin Wushuang's, otherwise I'm afraid that with that blow just now, this Qin Hai Grievous would have gone straight to his death.

This is the ultimate sword technique, instantaneous move, simplifying the complexity into simplicity, returning to the realm of the strongest strike. Can't you see that he is trying desperately to recover? But the wound can't be recovered at all!

'This is an extremely fast sword move, one move is enough to stop the existence of a thousand armies, it is quite similar to the Sword Pulling Style of Xu Linglong, the once genius girl of the Jinling Xu Family, but I can feel that the Sword Pulling Style and this sword of Boss Lin are not comparable at all.'

‘I go, big brother Tiger has finally come out to scientific, listening to Tiger’s tone, I guess he is also scared enough, luckily we don’t know anything, now even scientificing feels like a daze.’

‘Me too, that’s the good thing about ordinary people.’

‘My husband is the most bullying, go Lin husband!’

.....

What was happening in the live broadcast room was unknown to Lin Hao, while Lin Hao slowly gripped the hilt of his sword once again.

‘Begging for Dematai!’ Scared Qin Hai Grievance even roared out in a foreign language, and hurriedly waved his hand, ‘Don’t do it, let’s continue debating, let’s fight in literature, let’s fight in literature, even if we just spit at each other.’

The corners of Lin Hao’s mouth twitched, ‘Big brother, you are the Earth Store’s doppelganger, a mid-seventh grade big brother, can you behave yourself?’

Not only was Lin Hao confused, but the fans in the live stream were also confused, what the hell, just spitting at each other.

It's ridiculous, you're not here to be funny, are you ?

'Silly bastard.' Lin Hao slowly spat out two words as his right hand quickly gripped the hilt of his sword.

'Crap, you don't talk about martial virtues, bye!' Qin Hai Grievance saw this and cursed, that sword just now had almost killed him, he couldn't carry another sword, run, forget it!

After cursing, Qin Hai Grievous ran wildly with his feet, if he were to die, he would really have nothing left, the Earth Store would not be able to send another bilocation out, otherwise it would be extremely costly for him, and he would not be able to control the situation in the Underworld at all.

'Mount Hua is like an order, indestructible, Zhen!'

A terrifying aura descended from the sky, borrowing the momentum of the Five Mountains of Hua to fall and harden Qin Hai Zhan, whose speed suddenly decreased, making it impossible for him to avoid this sword of Lin Hao!

Swish!

Lin Hai once again drew his sword, Godslayer Sword Duel~!

This time, because the netizens in the live stream had previous experience, they all stared at Lin Hao's left hand with dead eyes, and sure enough they saw a flash of cold light in a flash, if they didn't stare carefully they could barely notice it at all, even many of the netizens who saw it felt like it was an illusion, as if there was a flash of cold light, and as if there wasn't, after all, because it was too fast.

Chapter 2498

So scary? Zero Chaysi picking up zero intention zero? The speed of the sword?

What the Internet says is false, right!

And fucking women only affect your sword-drawing speed, you see for Lin Hao, it has an effect? Does it have an effect? Not at all!

'Lin Hao, you must die a good death!' Qin Hai Grievance roared in grief and anger, the aura of death was getting closer and closer, as if it was right around him, too fast, too fierce.

There was no way he could avoid this sword under the suppression of this powerful Huashan momentum, and he had used up all his life-preserving means, the Buddha Light Sanskrit Formation could not block this to the extreme!

Roar!

Just in the nick of time, an earth-shaking roar rang out, the whole earth trembled, the whole Chinese land trembled, almost everyone woke up at this moment in a cold sweat, as if they had suddenly woken up from a nightmare!

Almost everyone, no matter how strong or weak they were, as long as they had not reached the seventh rank of Illusionary Spirit Master, felt as if a great terror had descended upon them!

Lin Hao's heart and soul shook, even Ao Dog was no exception, his face was pale, a great terror had descended!

In the middle of the Lin family's ancestral home, Qing Shie opened his eyes with a start, 'How could it be, that beast has actually left the Underworld? It can't be!'

Just as Qing Shirt was about to show up and strike, he sensed something else, then regained his composure and even sneered, 'Heh, so it's just a wisp of breath, this old villain really loves this doppelganger of his.'

And Lin Hao, who was above the vault of the sky, was completely stunned by the monster in front of him.

'Crap, it's that beastly thing, Shifu!' Ao Dog sensed the scent and instantly reacted, his face grim.

This is also one of the legendary nine sons born to the dragon, while this thing, but the bloodline has been sublimated, the bloodline power is more above the dragon race, while also a monster with the elephant of the herd.

The legend finished that its a psychic divine beast in front of the case of the Earth Store, but in reality, it was a dog raised by the Earth Store.

Lin Hao also saw what this monster looked like.

A tiger's head, a single horn, dog ears, a dragon's body, a lion's tail and a qilin's foot!

The main thing was that this thing was big, it was really big, its body was more than ten thousand meters long, spanning with the sky, tens of kilometres without end, this size was afraid that it was even more terrifyingly huge than the old Dragon King Ao Feng's main body.

Howl, howl!

Lin Hao's extreme sword just now was blocked by this thing, but the king's character on his tiger's head was directly split in half by Lin Hao's sword, the king's character was split down the middle, revealing a live opening tens of meters long and about a meter wide, the wound looked hideous and gruesome.

And Qin Hai Grievance took the opportunity to run wildly for his life and slink away.

‘Roar!’

In the Nine Underworlds, there was a terrifying roar, and the hundred thousand mountains behind the Underworld trembled violently, while in reality, these hundred thousand mountains were the body of this Shifu!

Just now, it was only a drop of his essence blood left on the earthly Qin Hai Grievance, but that extreme sword power followed and passed on to his main body.

An even more hideous wound appeared on his body’s forehead, and the character Wang was severed in half, with blood gushing wildly and even forming a raging stream, like a mountain torrent.

Seeing this situation of Shimeji, a kind-eyed monk who was looking far away in the direction of the Hundred Thousand Great Mountains could not help but frown at this moment: ‘How is this possible, is that guy’s sword so sharp anymore? This sword is actually able to cross the distance of space, and surprisingly, the sword has already taken shape, with a few moments of that madman’s sword back then.’

‘Hahaha, old baldy, you’ve lost your wife and your sword, you’re killing me with laughter.’ Chen Bei Xuan laughed freely, falling on the well or whatever, Chen Bei Xuan liked it the most, it was to take advantage of your illness and kill you.

Chen Bei Xuan let the Naihe Bridge army take their place and continue to launch a fierce attack on the Underworld, they had a vague sense of what had just happened over in Jinling, and probably knew something.

Especially the sword intent that crossed the spatial distance, they had felt it, that boy had succeeded!

Super Son-in-law Chapter 2499-2500

Chapter 2499

When his sword power was complete, there was no worry that he would not be able to do what the Yellow Emperor had done, break the Immortal Court with a single sword!

On the Jinling side, Lin Hao's sword wounded Shizi, whose form dissipated with a bang, while Qin Haijian took the sword and fled like a madman from the Jinling side, vowing that he would never meet Lin Hao again even if he died, as this terrifying sword power had left an extremely horrible psychological shadow in his heart.

Lin Hao was also a little disappointed that the last sword did not result in the death of Qin Hai Grievance, but instead he let him get away, but how could he have imagined that Jizou had hidden the essence of Shizou's blood in his body and blocked the fatal blow for him at the critical moment?

Lin Hao shook his head, although he didn't kill Qin Hai Zhan, it was enough to put Qin Hai Zhan down half dead, enough to come back next time and get him killed again.

He will have to not later? t want to close the zero west dye er lu? walk around himself, then wait for death!

‘Is Boss Lin thirsty? Boss Lin smokes, light a cigarette for Big Brother.’

Lin Hao was just about to go back when Ao Dog ran over, holding a phone in one hand and a cigarette in the other to hand Lin Hao a cigarette.

Lin Hao gave Ao Inu a speechless look, especially when he looked at the fact that he was still holding Nan Ge’s phone in his hand, and basically understood what was going on.

Lin Hao smiled at the camera, ‘It was all special effects just now, it’s all fake, you can’t believe it Aang.’

‘Cut, fooling kids, Boss Lin, I’m four years old, not a three year old!’

‘Haha, Mr. Lin, you’re also here to make fun of me, this is still a special effect, I don’t even believe it.’

‘I also think that Boss Lin is fooling the ghosts.’

The netizens in the live broadcast room certainly couldn’t believe that this was a special effect, and at the same time, it also let them know that not only magical creatures like dragons exist in this world, but even legendary divine beasts like Shimeji also exist.

And it is surprising that it is so terrifying, and this Shimeji seems to be a Chinese like messenger of death.

But a lot of official personnel but stay in the live room, keep an eye on this movement, Lin Hao just finished a short while ago, the live screen went black, followed by a crimson font floating screen announcement.

‘Because the content of this live broadcast is too pompous and false, the live broadcast room is temporarily banned, please pay attention to the scale of the host’s future live broadcast.’

The live broadcast room exploded ah because of this news.

‘Holy shit! Officially, are you guys dogs? Boss Lin’s words, and you guys are really doing this!’

‘No, we have to get a statement, this is not over!’

‘Are you idiots? Obviously this is too shocking, is it a social panic to spread the news? Is it any of your business whether it’s true or not? Just do what you have to do, and watch out for the water meter check later.’

‘I’m afraid of nothing, check the water meter, the law is not to blame!’

The netizens quit, this is not the way to be foolish and foolish!

But they suddenly found that any keywords related to it had been emptied and disappeared, but any text, images, or even screenshots of the live broadcast could not be released.

Some people who were not convinced were even trying to find ways to spread the news, and then they were invited to tea by the water meter check.

This matter was forcibly suppressed, while Lin Hao also reprimanded Ao Dog to not make such things out next time.

Although it is said to satisfy the curiosity of the audience, but if this matter spreads out, how much impact must it cause, many uninformed people may even think that the end has come, do you think this is a joke?

Ao Dog was not only reprimanded by Lin Hao, even Nan Ge blamed Ao Dog, now her live stream was banned, and there was no mention of a time to unban it, it might not even be unbanned forever, she would be out of luck ah, he was making a living from this ah.

‘I’m sorry, I didn’t expect this to have such a big impact.’ Ao Dog awkwardly apologised to everyone, in fact he didn’t want to, he just didn’t think things would have such a big impact.

Lin Hao shook his head helplessly, ‘Forget it, let’s forget this matter, don’t mess around like this in the future.’

Then Lin Hao received an unfamiliar phone call, Lin Hao didn't want to answer it, but after thinking about it, he answered it.

Chapter 2500

'Hey, hello, Officer Lin, we are from the official Nan Ge live streaming platform, we are trying to inquire when will her live streaming room be unblocked? Please give a hint, Lin sir.'

Lin Hao was very surprised, he didn't expect the official of the live streaming website to call, it also made him cry and laugh.

It seemed that the other party had heard what he had just said, and immediately imposed a ban on the live broadcast room, and the related message closure process.

However, they also knew that Nan Ge was at Lin Hao's house, and it was not Lin Hao's call on how long this blocking would last, so they could not offend such a big brother.

'Let's unblock it now.' Lin Hao was helpless, 'I'll just let her start broadcasting again tomorrow, it's a big night, sorry for the trouble.'

'No, it's fine, it's all what we should do.' The other party looked a little surprised and embarrassed, then as the man was about to hang up, he shouted, 'Boss Lin I like you!'

‘Crap!’

Scared Lin Hao directly threw his phone out, no way, if this was a woman, Lin Hao did not say anything, after all, he knew that now he had many fans, but the other party was a fucking man.

The actual fact is that you can find a lot of people who are not able to get a good deal on this. The actual fact is that you will be able to find out more about the actual actual actual actuality. ~!

Seeing Lin Hao’s face so shocked that it was about to explode in place, everyone was going crazy with laughter, was Lin Hao so miserable? To be confessed by a man, it was horrible to think about it, so horrible.

Nan Ge was also relieved that her live stream had been unblocked because of Lin Hao’s one sentence, but she also felt that it was inappropriate to start the broadcast now, there would definitely be a large group of people pouring in to question what was going on, and it was not good for her to answer, let alone convenient for her to do so.

There were some things she understood and just had to play dumb and muddle through, and there was no way to talk about this one.

‘Hai Tide member, Ling Yun, let’s walk a lie.’ Lin Hao stretched his back, he was a bit bored not to finish off that Qin Hai Geng tonight, he went to find something interesting to do for a while.

Ao Dog was a lively person, so he didn't want to miss out and came over too, but he didn't speak, so no one knew he existed.

The four of them rose up into the sky as streams of light and ran all the way towards the Demon Capital. With the addition of Lin Hao's speed that could span space, several people were so fast that in just half an hour's time, they directly spanned the distance between Jinling and the Demon Capital and headed straight for the Hai Chao Immortal Palace.

Nowadays, the Hai Chao Immortal Palace had long since been emptied of people, and no one existed anymore, it was just an empty immortal palace.

'Hai Chao member, from now on you should still be stationed here, it's quite good to look after this demon capital, for the next battle, I'm afraid it will be difficult for you to play a role, just maintain this aspect of peace, and cooperate with the South Gate Zhen Guardian House.' Although what Lin Hao said was a little hurtful, it was also true.

Hai Chao-men were all only late sixth grade Illusionary Spirit Masters now, it would still take a long time to break through to the seventh grade realm, at least a year and a half it would be almost impossible to reach the seventh grade Illusionary Spirit Master realm.

Hearing Lin Hao's words, the sea tide clerk was silent, he knew that Lin Hao was telling the truth, but he was a bit despondent.

He had once wanted to be majestic, to control the Sea Tide Immortal Palace, to establish his own power, to stay out of the matter, it didn't matter how either of their sides fought.

However, he had not been able to avoid it, and had become a bare-bones commander himself. Now he wanted to stand out, to stand in line, to work together with Lin Hao, but suddenly he found that he could not play any role anymore, and became very depressed.

Lin Hao could also see the other party's depression, Lin Hao patted the sea tide member's shoulder: 'Don't worry, this may just be the beginning, there will definitely be a need for you in the future, you just happen to improve your strength here, maybe the people of the demon capital will help you and be able to make another breakthrough.'

'Good, if you need me, call me anytime.' Lin Hao was right, with the help of the people of the demon capital, he might be able to rise again.
