Super Son-in-law

Chapter 251-260

Chapter 251

The room is large sixty square meters, the middle is a large bed, and this room is on the top floor of Half Moon Bay Hotel. On one side is a large floor-to-ceiling window, sitting on the bed can see half of the South River scenery, very good very top.

After entering the room, Lin Hao directly sat on the bed, Shen Ruoxue came to him, the body stood straight, biting his lips, very apprehensive, this distance into the, Shen Ruoxue's breathing can feel that kind of desperate man's domineering breath.

Usually well-behaved and ruthless Shen Ruoxue, at the moment is completely like a white rabbit at the mercy of others.

'I...I costume you go take a shower...' said Shen Ruoxue with a red face to Lin Hao, and then she walked to Lin Hao, bending down and reaching out to help Lin Hao take off his coat.

But in the next moment, she was directly held by Lin Hao's wrist, and Lin Hao said indifferently, 'Wouldn't it be too boring to do it directly?' The moment Lin Hao grabbed Shen Ruoxue, Shen Ruoxue's body simply stiffened. It was as if she didn't even have control over her own body in front of Lin Hao now.

In the next moment, Lin Hao directly reached out and lifted off the mask on Shen Ruoxue's face.

Shen Ruo Xue's beautiful, pretty face was presented before his eyes.

Don't tell me, the carefully dressed Shen Ruoxue's face was very beautiful, without a single blemish. It was very white, and there was a shy redness on it. Because Lin Hao's action of lifting the mask was slightly too big, so the hair on the side of Shen Ruo Xue's face was also fluttering at this time, and this scene was still very alluring....

‘So...so what do you want?’ Shen Ruoxue bit her lips and asked weakly, this time she was completely bent over in front of Lin Hao, and she was wearing a low-cut dress tonight, she was sure that her body was already in full view of Lin Hao, she was both shy and expectant at the same time.

‘Okay, first to business, I don’t care what you came to me to ask for, in one word, I agree. So now I want to play a game with you, what do you think?’ The corner of Lin Hao’s mouth rose with an evil smile and said to Shen Ruoxue.

When Shen Ruoxue heard that Lin Hao had directly agreed, she was both happy but also a little bit lost. The first website m.kanshu8.net

Yes, but the other party is the actual owner of the Kyushu Group, all powerful people. For an existence like him, is the Shen family’s matter really still a matter? Forget it.

It was just that she was lost because Lin Hao didn’t seem that interested in her body, and even her unsolicited request to bathe with Lin Hao had been rejected by Lin Hao. Thinking of this, Shen Ruoxue’s heart couldn’t help but feel even more lost. It was also like a man like the other party, what kind of woman hadn’t slept with him? It’s not as if you don’t really have much of a superiority complex in each other’s eyes. No, it was nothing at all.

No need for Lin Hao to say more, Shen Ruoxue herself understood. Because that was only in line with the other party’s multi-billionaire status ah. If the other party had just directly agreed to it. Then she should probably think of something else in her heart.

So, after the brainstorming, Shen Ruoxue wanted to be with the man in front of her even more. Being with a man like this is really interesting, isn’t it?

And the shameful thought of letting the man in front of her have a good tune-up tonight suddenly rose in her heart.

‘Okay, what do you want to play?’ Shen Ruoxue Weiwei smiled....

‘Is it okay to play a game where the maid serves the master?’ Lin Hao stretched out his hand and hooked Shen Ruoxue’s chin, smiling even more wickedly....

‘Mmm... good sir...’ said Shen Ruo Xue, biting her lip and smiling.

But Lin Hao stretched out his finger and waved it in front of Shen Ruo Xue's eyes and said, 'No, you should say, um okay, master...'

Shen Ruoxue's heart was a bit torn, she had never served any man like this all her life.

This time the pride in her heart told her that she must never do what the other man said. But somehow, that woman's natural desire to be conquered by a stronger man filled her mind at this moment.

So Shen Ruoxue's heart Vivian struggled a bit, so she really nodded to Lin Hao and said, 'Yes, master...'

Err... listening to Shen Ruoxue's words, for a moment Lin Hao was stunned instead.

He originally wanted to humiliate Shen Ruo Xue. Because in his heart, it was impossible for a proud woman like Shen Ruoxue to bow down, and she usually looked like she was on top of the world everywhere ah. Now he actually agreed?

But agreeing to it was better, it wasn't like he was forcing her, now Lin Hao was thinking about what kind of expression Shen Ruo Xue would have when she found out the truth after three days.

Lin Hao leaned back lightly and stretched out his feet and said to Shen Ruoxue, 'Take off my shoes and then go fetch water to wash my feet...'

The reason Lin Hao was asking for this was exactly because Shen Ruoxue had likewise asked this of him when he was a door-to-door son-in-law in the past. The reason for this is because of the fact that he has been a son-in-law for a long time.

After hearing this, Shen Ruoxue didn't have any resistance in her heart, but she actually kneeled down in front of Lin Hao, and very gently took off her shoes and socks.

After washing his feet, Lin Hao asked Shen Ruoxue to put his shoes on again, then stood up and said to Shen Ruoxue, who was kneeling on the floor, 'I saw a little video the other day, I thought it was funny, it was a video of a girlfriend begging her boyfriend to buy her a watermelon, have you seen it?'

Shen Ruoxue nodded, 'Well, Master, I've seen it...'

Ew? You're in character now? Lin Hao was shocked.

Lin Hao nodded to Shen Ruoxue and said, 'Well, then, you learn how to beg me now...'

Shen Ruo Xue quickly mouth put on a pitiful look, kneeling down to sit by Lin Hao's legs, hands hugging Lin Hao's thighs and said coquettishly: 'Please buy a suit, please buy a watermelon do....'

Lin Hao was also very cooperative and said, 'If you don't buy it, will you go?'

Shen Ruoxue continued to be petulant and said, 'I won't go, I won't go without buying...' and shook her head in a very cooperative manner.

Lin Hao then said, 'Then if you don't go, I can go ah...'

Shen Ruoxue still hugged his thigh and said, 'No go, just buy a watermelon, just one, okay?'

Hahaha... Lin Hao laughed happily and looked down at Shen Ruoxue who was looking up at him and said, 'Miss Shen you really understand men's thoughts ah, are you married? Got a boyfriend?'

Shen Ruoxue's face was slightly red: 'No, I'm not getting married, I'm not looking for a boyfriend, 5adda220I'll stay with my master, please don't drive me away, okay?'

Lin Hao looked at Shen Ruoxue's expression, and for a time he had waves in his heart.

No wonder a few days ago when he went to the Heavenly Sea to look for Lin Xi's revenge, Lin Xi house has two beautiful women with collars on their necks.No wonder those rich men have fallen so fast, it is really this world Shen Ruoxue this kind of woman not too much ah.

253

'Miss Shen don't you think you'd feel insulted and ashamed if I did this to you?'

Lin Hao said to Shen Ruoxue in a deep voice.It's because treating a woman like this is really a little bit of what....

Shen Ruoxue nodded and shook her head and said to Lin Hao, 'It will be a little bit, but I also find it exciting, and it's fun to play like this...'

Lin Hao smiled to Shen Ruoxue and said then you now lie on your knees on the bed and raise your butt a little higher....

Shen Ruoxue's face soared red at the news, incomparably shy, but in her heart there was both shyness and a hint of anticipation: 'Mmm...' Shen Ruoxue was incomparably shy and very well behaved and obedient, and then she climbed onto the bed and posed according to Lin Hao's request.

Shen Ruoxue buried her head deeply into the pillow, because this position was just a little too humiliating.

Even with her mentality, she couldn't shift for a moment, she felt her whole body was burning, so she kept this position and waited for that man to come.

Only she waited for a long time and didn't see any movement from the other man, then she looked up towards him again in confusion. Then she noticed that the other was smiling at her.

'What...what's wrong? Won't you...come on...up?' Shen Ruoxue almost said the most humiliating words like that, but she promptly changed her tone when the words were on her lips.

Lin Hao sat on the chair next to the bed, smoking a cigarette and quietly looked at Shen Ruoxue, who was kneeling on the bed. He didn't expect Shen Ruoxue to be able to do this.

After thinking about it Lin Hao said to Shen Ruoxue, 'Miss Shen, this posture of yours is very beautiful and seductive...' One second remember to read the book

Shen Ruoxue's face turned even redder at the news, blushing incomparably red, biting her lips and smiling, then looked at Lin Hao with eyes filled with autumn water, 'You've said I'm beautiful, so you... you're still not coming up?'

Lin Hao shook his head and said, 'Wait a little longer so I can enjoy it more, okay?'

Shen Ruoxue was ashamed to the extreme, but nodded her head when she heard the other party say that.

At the same time, there was also a hint of excitement in her heart. So it wasn't that he wasn't interested in his own body, but he wanted to play more. It was true that the richer the person played, the more shameful it was.

Thinking of this Shen Ruo Xue and deliberately took the initiative to lift her buttocks upwards, trying to pose herself more seductively.

The shame in her heart became even stronger, and there was also a hint of strange excitement and anticipation.

Lin Hao took a black ribbon from the side of the table and handed it to Shen Ruoxue, 'Put it over your eyes...'

'Mm...' Shen Ruoxue nodded her head and agreed, all the caution in her heart was gone now.

Now that she agreed to everything Lin Hao said, she was thinking about how crazy things were going to get with Lin Hao later....

The first thing you need to do is to get rid of the blindfold, and then you'll be able to do it again.

The first thing you need to do is to take off your mask, but if you take off your mask, you'll probably go crazy. Lin Hao's heart was like that.

Only that he was really not interested in Shen Ruo Xue's body.

Lin Hao put the mask on the bed, then turned around and gently left the room, while Shen Ruo Xue was always still maintaining that action....

254

After leaving the room, Lin Hao found the person in charge of Half Moon Bay, Lucy Wang, and after explaining a few things to her, he left.

He wasn't interested in really having something happen with Shen Ruo Xue, was really not interested at all. And the vast majority of Shen Ruoxue's behavior tonight, although there was his Lin Hao's guidance included, it was more active.

I have to say that Jiang Shao Ming that brat is really listless and wilful, this if she waited three days for Shen Ruoxue to learn all the truth, wouldn't she go crazy?

She actually took the initiative to make that kind of humiliating move in front of the person she despised the most, and actively begged Lin Hao to do that with her, well, I guess she would have to go crazy.

When you think about it, Lin Hao thought that he had to find time to hammer Jiang Shao Ming, isn't it good to have this mind to use for business?

Well, although this suggestion was really quite good. Lin Hao had just looked at Shen Ruoxue, who had humiliated him a hundred times before, actively wagging her tail and begging like a dog in front of him.

This was tapping the heart ah....

Lin Hao shook his head, and after leaving the Half Moon Bay Hotel, Jiang Shao Ming drove him back to the Purple Bamboo Villa in his car....

When Lin Hao arrived home, Shen Suyan and Wang Shufen also happened to be back.

When Shen Siyan saw Lin Hao with a happy smile on his face, she couldn't help but ask, 'How was it? Did you and Mr. Jiang meet the new CEO? How did you guys do with him? Will you be able to keep your job?'

Lin Hao nodded, 'Well, don't worry, wife, the talk was good, my position is not easy to say, because these days Xiao and Li have completely merged over, the Kyushu Group is expanding rapidly these days, but no matter what, my position won't go down....' First published on m.kanshu8.net

'Really?' Shen Xi Yan was still a little worried, after all, she still felt in her heart that Lin Hao didn't understand the cruelty of the workplace.

In the past few years in her experience, she had met many villains who gave you a smile on the surface, but stabbed you in the back.

The bosses of those private enterprises are even more so, superficially treating you as an important employee, saying what you do well do well, desperately give you a pie, and then kick you out afterwards. It's all common....

Lin Hao knew what she was thinking when he looked at Shen Xiyan's expression, he must still be doubting her words.

But now he didn't want to explain anything, after all, the truth of everything would all come out in three days. It's a good idea to give the silly woman by his side a big surprise then.

Thinking of this Lin Hao nodded to Shen Xiyan and then asked Wang Shufen, 'Oh right mom, how about you and Xiyan going to CEO Li's house tonight, did you have a good time?'

The company's main business is to provide a wide range of products and services to its customers.

Seeing Lin Hao ask her, so she spoke up and said, 'Mmhmm, it's especially good, Mr. Li and his wife are especially polite, and Mr. Xiao's family, there's nothing to say about me and Xi Yan, mom is really, really happy tonight...'

Shen Shiyan also nodded, 'Well yes, you didn't go, General Manager Li and General Manager Xiao are really nice. The company has been in the process of developing the new product for the past two years. And guess what? Li and Xiao both quickly stood up and waved their hands and said it's okay it's okay, they not only don't blame you, but also a strong advice me to say, you a man outside fighting how hard it is, let me treat you better what...'

Err... Lin Hao's face was incomparably weird, and he looked at the daughter-in-law in front of him who was vigorously saying good things about Li Jianghai and Xiao Yuanshan with some emotion. He could only sigh deeply in his heart.

Silly daughter-in-law, do those two old men dare to provoke you?

You even apologized to them yourself. You really didn't see anything wrong with that?

But those two are pretty sensible. You apologize to them, and if those two sit there, you'll see if I don't slash them....

But these words can't be said now, it's just three days full time, after three days, I will let the whole Nanjiang City know what an excellent husband you, Shen Xiyan, married.

So Lin Hao this time was embarrassed to accompany the smile to Shen Xiyan and said, 'Mmhhh, in a few days when I have time, I'll set a table at home and call Shao Ming here, dragging him along to invite Mr. Xiao and Mr. Li for a meal, do you think it's okay?'

Shen Siyan agreed with the nod: 'OK, very good ah, ah, husband, you are finally enlightened, mixed workplace is like this. We now have such a good geographical location, with others are neighbors. In the future, we have to move around more....'

Lin Hao heart deep sigh, secretly, his own this daughter-in-law ah is the time to be smart, confused to death. Not should be clever, but also very clever, not go to sleep, brain pain....

Shen Siyan took Lin Hao's arm as she walked towards the house, and said to him, 'Hubby ah, then the day after tomorrow, the night after tomorrow we'll properly invite Mr. Xiao and Mr. Li once, we always have to return the favor, don't we?'

'Mmhhh okay, my wife makes the decisions at home...' nodded Lin Hao who was unable to spit in his heart.

Letting himself go and invite Xiao Yuanshan and Li Jianghai? Nima, how proud must those two old men be of themselves? What the fuck.....

Shen Siyan saw Lin Hao promised, the heart can not help but sigh: 'husband ah, I'm all for your good ah, you know today I give you a lot of good words it, human affairs this thing is really important ah, people under the eaves have to bow down ah You're on good terms with Jiang, but you don't take care of anyone else. Hey....'

Shen Siyan sighed deeply in her heart, now that Lin Hao's health was much better, she was starting to worry about Lin Hao's career again in her heart. After all, even if the new president was on good terms with Jiang Shao Ming, then Jiang Shao Ming didn't have as much power as before ah.....

.....

And half moon bay hotel top floor of the presidential suite, the heart incomparably shy and very looking forward to Shen Ruoxue waited for a full ten minutes, have not seen each other up, such a long time in the past, even Shen Ruoxue silly again know that something is not right.

Even if the posture is beautiful and seductive, the other party can not have been staring at ten minutes, right? Remember the URL .kanshu8.net

‘Are you...are you still there?’ Shen Ruoxue couldn’t help but ask a question, her legs were already a little numb in this position.

‘Oh, Miss Shen, that gentleman has already left...’ said Wang Lulu, standing by the bedside, smiling at Shen Ruo Xue.

In fact, she quietly came in three minutes ago, she wanted to talk to Shen Ruoxue, but she saw Shen Ruoxue pouting so hard, she didn’t have the heart to disturb, otherwise it wouldn’t give people heart unhappiness.....

‘Ah...’ Shen Ruoxue was shocked when she heard that it was actually a woman’s voice answering her. Hastily taking off the blindfold. But found that standing next to her was the person in charge of Half Moon Bay, Lucy Wang, and that mysterious domineering man had already left.

‘He... he’s gone? He’s just gone? I...I...’

Shen Ruoxue looked at Wang Lulu for a moment not knowing what to say at all, and then thinking of her just now so shameful posture was seen by Wang Lulu, she blushed horribly.

The first thing you need to know is that you can’t find any other way to get rid of the problem. So this will face Shen Ruoxue’s question.

Wang Lulu was also very polite and said, ‘Well, that distinguished gentleman left ten minutes ago, but Miss Shen you are really beautiful and alluring, if I were a man I would have thoughts about you too...’

Shen Ruoxue’s shame intensified when she heard Wang Lulu’s words, but then she heard the meaning of Wang Lulu’s words and her eyes lit up... so she quickly asked, ‘What do you mean, Mr. Wang?’

256

Wang Lulu smiled and said to Shen Ruoxue, ‘Miss Shen, we are all women, you don’t need to be embarrassed in front of me, with that gentleman’s identity and status, no matter how good the woman is, he is worthy of it, I’m not too sure of his true identity, but what I can tell you is that he is really handsome, really handsome...’

Shen Ruoxue blushed and nodded lightly, 'Well, he's wearing a mask, but I can still feel that he's handsome, and he has a very good temperament, he's domineering and cold.' Shen Ruoxue was pensive as she thought about it.

Wang Lulu nodded and smiled, 'By the way that distinguished gentleman asked me to bring you a message, he is looking forward to meeting you again in three days. He asked me to convey to you that he is very interested in you and hopes to date you again next time... As for that kind of thing, he prefers the water to come out and doesn't want to rush.'

'He...he really said that?' Shen Ruoxue was very happy to ask.

Wang Lulu nodded with a smile and looked at Shen Ruoxue with some envy, 'Miss Shen, I will ask you to take care of this hotel in the future...'

If the new president of the Kyushu Group really has no interest in her, a top woman like Wang Lulu would never lower herself to say this to her.

Thinking of this Shen Ruoxue's heart was filled with sweetness, nodded her head vigorously, and said to Wang Lulu very politely, 'Mr. Wang is joking, I'll need you to take care of me more in the future...'

After chatting with Wang Lulu again for a while, Shen Ruoxue returned to the Shen family, and was very happy on the way.

When they returned home, they found Shen Zhiyuan and Old Mrs. Shen were staying in the living room. The two saw that Shen Ruoxue had actually returned so early, and their faces were shocked.

The old lady Shen even stood up to Shen Ruo Xue asked: 'Ruo Xue ah, how did you come back? Didn't I tell you there was no need to rush back tonight?' Old Mrs. Shen looked anxious, and so did Shen Zhiyuan.

When Shen Ruoxue heard Old Madam Shen's words, her face turned red beyond recognition, incomparably shy and twisted and said, 'Grandmother, what are you talking about, even if... even if I were willing, people are not willing ah, people are not short of women. I...I've got a room, but...just...just he's gone...' one second to remember to read the bookshu8.net

‘It’s over... ‘Old Mrs. Shen sat on her chair in despair, the Shen family had spent all their connections and savings just to meet with the new CEO of the Kyushu Group.

It can be said that this meeting has blocked all the hopes of Old Mrs. Shen and Shen Zhiyuan.

And now hearing Shen Ruo Xue say this, the faith that had supported her heart for a time collapsed.

‘Ruo Xue, you... hey...‘ sighed Shen Zhiyuan deeply as well.

He originally wanted to scold Shen Ruoxue for a couple of sentences, but after all, he was his own daughter, and his own daughter had taken the initiative to send her to someone else’s bed, and had done this, then he, the father, really couldn’t say anything else.

Shen Ruoxue was shocked and incomparably confused, looking at Old Mrs. Shen and Shen Zhiyuan, she couldn’t help but ask, ‘Grandmother, Dad, what’s wrong with you? Why do you all look like that? I’m just saying I didn’t do that with him tonight, I didn’t say it failed, you guys...‘

‘Well? Ruo Xue you... what do you mean?’ Old Mrs. Shen suddenly interrupted Shen Ruo Xue’s words. Shen Zhiyuan also looked at Shen Ruo Xue in confusion, could it be that there is still a turn of events? Not what you think?

Shen Ruoxue puffed out a laugh and said to Old Mrs. Shen and Shen Zhiyuan, ‘Grandmother, Dad see put you in a hurry, well not tease you, this time a complete success. The real CEO of the Jiuzhou Group has promised, our Shen family’s business is a matter of his word, don’t worry, and he said that he will meet me again in three days, looking forward to the next time to meet me for a... date...‘

257

‘Hahahaha... I knew my good daughter would never let me down, hehehehehe... it’s dad who’s wrong about you ah...‘ said Shen Zhiyuan with a self-conscious face, but the excitement on his face couldn’t come down.

‘Mmhhh, I told you Ruo Xue would be able to do it, right Ruo Xue ah, then why did he leave if he had promised you? He’s not interested in you, is he? But if he’s not interested in you, then why is he saying he’s going to ask you out in three days?’ Old Mrs. Shen frowned and asked.

Shen Ruoxue stomped her foot shyly, 'Grandmother! What are you talking about, it's not like he's a big CEO like that... it's not like he's never seen a woman before, it's not like he has to do that kind of thing, he's very classy, don't keep saying bad things about him!'

After Shen Ruoxue finished speaking, she noticed that Shen Zhiyuan and Old Madam Shen were looking at her with incomparably weird eyes. Shen Ruo Xue was stunned: 'You guys... why are you guys looking at me like that?'

Shen Zhiyuan patted his head and said with a smile, 'Haha, all right all right, that what I have some business to go out for a trip, I won't be back at night ah, there is a bureau outside, Ruoxue ah, at night you just stay with your grandmother and talk more ha... I'm leaving first...'

Shen Ruoxue looked at Shen Zhiyuan who was smiling and walking out with a puzzled look on her face, then she looked at the old lady of God and asked, 'Grandmother, what does my father mean by him? Why am I a little confused?'

Old Mrs. God pulled Shen Ruo Xue to sit beside her, carefully looked at Shen Ruo Xue and said with satisfaction, 'Well well our Ruo Xue is really beautiful ah, and our Ruo Xue is ice and snow smart, even if the other party is the president of the Kyushu Group, we are worthy, worthy...'

'Grandmother, what are you talking about, the eight characters haven't even left a mark yet...' said Shen Ruoxue shyly, her face all red, lowering her head, her two small hands fiddling with the hem of her dress.

The old lady Shen smiled and said: 'Haha, Ruoxue, grandmother is a person who has been through this, listening to you say that man's attitude towards you, I'm sure he is interested in you. You grasp it well ah, and you were just talking towards someone, did you fall in love with him, oh right, in the words of you young people, this is called love at first sight right?'

Shen Ruoxue felt that she couldn't listen to Mrs. Shen's words any longer, so she quickly stood up and said to Mrs. Shen, 'Grandmother, I'll sleep at your place tonight, it's too late I'm going to sleep, also... Also, don't keep talking nonsense to the outside world, maybe people don't think that way...'

After Shen Ruoxue said that, she shyly ran back to her room, closed the door, and quickly covered herself in the blanket. The first thing you need to do is to take a look at the newest version of the book. First URL m.kanshu8.net

‘Ehhh, how could I make such a humiliating gesture, shame, shame...but he seems to like it? Soooo, no face, no face ah...’ Shen Ruoxue was very excited in her heart.

The old lady Shen in the living room went to the front of the Shen family’s spirit seat, took a deep breath, looked at the spirit plate of the old lady Shen placed on the platform and said: ‘Old man, our Shen family is going to be developed ah... your wish for many years, is about to be completed on Ruo Xue! Don’t worry even if I give up this old bone, I’ll help Ruo Xue set this up...’

Old Mrs. Shen’s heart was incomparably excited, after so many days, her Shen family had finally survived the bitterness, at long last!

258

Lin Hao had gone home to sleep after the ball, but this night the Shen family couldn’t sleep.

With the deliberate leaks from Shen Zhiyuan and Old Mrs. Shen, the small circle in Nanjiang City knew overnight that the Shen family had climbed up to the new, real president of the Kyushu Group. And this news spread more and more widely.

In fact, the Shen family is not that powerful, but for the moment for the Nanjiang City, the Jiuzhou Group is completely like the sky, a company town a city is not too much.

Especially now that the Kyushu Group has laughed at the Xiao family, the Li family and Scar Six’s forces. The strength of the entire group has grown even more by leaps and bounds.

And the official announcement of the real president of the Kyushu Group was only officially revealed three days later, but because of this, every news about the new president of the Kyushu Group would now attract the attention of the entire Nanjiang City.

So when the drunken Shen Zhiyuan woke up the next day and saw the news pushed over on his phone, he was confused himself.

Hadn't he just spoken to a few good friends last night? How come it's all over the news now? Shen Zhiyuan watched as the news was overwhelmingly reporting about Miss Shen's one-night stand with the mysterious overbearing president of the Kyushu Group last night....

After reading the news, Shen Zhiyuan saw dozens of extra text messages on his phone, hundreds of WeChat messages. All of them were congratulatory with him, just waiting for the Shen Company to unseal and re-emerge three days later.

As soon as Shen Zhiyuan saw these messages, he hurriedly got up, hurriedly washed his hands, and rushed to Old Mrs. Shen's place. Then he found that there were actually people at home. It was also a few old men and women, chatting happily with Old Madam Shen.

One of them, an old man with graying sideburns, saw Shen Zhiyuan and said to him very kindly, 'Zhiyuan ah, you have given birth to a good daughter, you will have to take care of us more in the future ah...'

Shen Zhiyuan smiled and said, 'Uncle Chen is joking, then what do you think about our previous cooperation? In the past, you were the biggest partner of our Shen family...'
'Shen Zhiyuan's tone was somewhat grudging and sarcastic. Remember the website .kanshu8.net

The old man surnamed Chen hurriedly said: 'That what Zhiyuan ah, in the past it was all misunderstanding all misunderstanding, hey, we were also forced by the Kyushu Group no way ah, you said that we are a small family and small business, how can we fight against a behemoth as big as the Kyushu Group ah, hey.....'

Chen Lao sighed deeply. It was also a face of bitterness and helplessness, you said that in the past, if he fell into a well, so be it, but who would have thought that Jiang Shao Ming had fallen from power?

And the second miss of the Shen family had an unclear relationship with the real CEO of the Jiuzhou Group, hey... so he could only come over early in the morning to personally apologize to Old Mrs. Shen.

When Old Mrs. Shen saw that Chen was embarrassed, she hurriedly came out and smiled to make a roundabout, and stared at Shen Zhiyuan fiercely and said: 'Zhiyuan what are you talking about! You should call Chen 'Uncle' too! Let bygones be bygones. Don't talk about it! The Chen family has always been a good friend of the Shen family! Hear that!'

Shen Zhiyuan quickly smiled and accompanied Chen, who also borrowed a few polite and complimentary words. Then he followed the other few people.

Everyone knew that Shen Zhiyuan had something to say to Old Mrs. Shen, after all, who let people be Shen Ruoxue's father?

From today onwards, who doesn't know that Shen Ruoxue will be the most noble woman in Nanjiang City?

259

When the few outsiders left, Shen spat viciously at the door, 'Bah, what a thing! Why didn't you come when my family was in trouble? Don't say you're not coming. We won't even see you when we visit! Dog stuff!'

Old Mrs. Shen hurriedly gave Shen Zhiyuan a pat on the back: 'Alright, alright, okay, aren't people like this, it's time for you to mature. You don't worry now, last night that matter is a bit big, we first wait for how the Kyushu Group's official said, if they come out to dispel the rumors, this matter will be troublesome ah...'

Mrs. Shen Lao ded59825 had an extra hint of worry in the depths of her eyes.

Shen Zhiyuan was stunned at the news, as if that was really the case.

Now after a whole night of fermentation, I'm afraid the entire Nanjiang City is aware of the matter of his daughter having a room with the new president of the Kyushu Group last night. If the other party wasn't satisfied with this, their Shen family would be finished.

So now they can't be too happy too soon, everything depends on whether the Kyushu Group's official will come out tonight to dispel the rumors.

.....

At ten o'clock in the morning, Lin Hao arrived at the Kyushu Group's president's office.

Just along the way, he saw the employees within the Kyushu Group whispering about something one by one.

When he got to the office and sat down, Lin Hao asked Jiang Shao Ming, 'What's going on today? Is something wrong? How come all the employees down there have no desire to work? What's one discussing there?'

Jiang Shao Ming was embarrassed at the news, he didn't know how to explain to Lin Hao, after all, he was the one who came up with the bad idea of having Lin Hao meet with Shen Ruoxue last night. One second to remember to read the book

But he hadn't expected to make a scene overnight....

'Say it! Look at the way you're swallowing your words, you're still the president of the Kyushu Group, are you ashamed!'

When Lin Hao saw that Jiang Shao Ming was silent, he was also speechless, this brat owed to clean up.

'That, that right now the entire South River is going viral, last night's matter between you and Shen Ruoxue! The news is flying all over the place, and now I'm afraid Shen Ruoxue is the most popular woman in the entire Nanjiang City...'

Jiang Shao Ming said with incomparable embarrassment, and then handed his phone to Lin Hao.

Lin Hao looked at the news pushed on Jiang Shao Ming's phone, and the corners of his mouth twitched a few times, and he said somewhat speechlessly, 'Are those news reporters all full of nothing to do? Covering these tidbits all day long? Can't you do a little more fucking work? Newspaper coverage of those who gave to the country?'

To Lin Hao's question, Jiang Shaoming really can't answer.

Now is the traffic society, commercial companies in order to attract attention, to get traffic, do not all do this?

After Jiang Shao Ming was silent for a while, he asked Lin Hao in a low voice, 'Then big brother, the whole of Nanjiang City is talking about this now, do you think we should officially dispel the rumors?'

Lin Hao lit a cigarette and tapped his fingers on the table, slowly saying, 'Forget it, your announcement now is just adding fuel to the fire. Let's leave it at that, no reply, no statement, just let the Shen family's group of snobs be happy for a few days, anyway, the night after tomorrow, everything will be self-defeating ah....'

Lin Hao narrowed his eyes, he was sure that this news wouldn't be leaked out by Half Moon Bay's Wang Lulu, Wang Lulu knew his true identity, not only from the Nanjiang side but also from the Tianhai side. So even if you give Wang Lulu a hundred guts she wouldn't dare to say anything out there.

Then since it wasn't Wang Lulu who said it, it could only be the Shen family who flaunted their own.

It's really a self-inflicted sin... It's really a dislike that they didn't die fast enough....

What the Shen family did didn't raise too many waves in Lin Hao's heart because the truth was there.

His meeting with Shen Ruoxue last night was supposed to be a matter of slapping the Shen family's face. He was originally still thinking about whether or not he wanted to make the Shen family look even worse. But before he could arrange for someone to do it, the Shen family themselves jumped out at him.

Since the Shen family themselves liked to die so much, why was he, Lin Hao, giving people a hard time, right?

So when all parties in Nanjiang City were staring at the Kyushu Group all morning, and even hundreds of reporters were squatting at the entrance of the Kyushu Group headquarters.

But there was never any news from the Kyushu Group. It was as if there was a tacit acceptance of the matter....

Boom... When it was two or three o'clock in the afternoon, the Jiuzhou Group's entrance to remember finally determined that the Jiuzhou Group is not going to say anything officially.

The silent attitude of the Kyushu Group completely sat down last night that rumor, a time Shen Ruoxue was South River City parties completely sat down the new president of the Kyushu Group, the identity of the girlfriend!

And the Shen family made a monstrous statement for a time.

In the living room of Old Mrs. Shen, a group of people from the Shen family including Shen Jiancheng and Shen Zhiyuan were sitting here.

The most important thing to do is to make sure that you have the right tools to do what you want. But the heart is nervous to death.

The first thing that you need to do is to take a look at the company's website. The first website m.kanshu8.net

Could they have guessed wrong?

After all, in their inference the real CEO of the Kyushu Group was Lin Hao!

But what about Shen Ruo Xue last night? What about all the overwhelming reports out there?

So for a moment, Shen Jiancheng and Shen Yiming were completely confused. Looking at Shen Zhiyuan and Old Mrs. Shen with a smug face, they both lowered their heads, now after all, he Shen Jiancheng had lost control of the Shen family.

'Sister... Sister, good news good news, you guys look at the news, there is no official announcement from the Kyushu Group, and there is an executive of the Kyushu Group who has expressed his acquiescence to this matter!!!! That means that overbearing president is really in love with you, oh, wahhahahaha sister, after that sister will rely on you, oh...'

While the Shen family was anxiously waiting, Shen Yunuo, dressed as a bad girl, suddenly rushed in and shouted excitedly at Shen Ruoxue.

The first thing you need to do is to take a look at the newest addition to your own website.

After all, last night she had only met with the domineering man who rushed the night.

And she also did such a shameful action at the other party's request. She was sure in her heart that the other party was really interested in her, but to say that the other party liked her, this she also had no bottom in her heart.

This time after hearing Shen Yunuo's words, she finally sent a breath of relief in her heart.

‘Yes!Hahaha!I knew my Shen Zhiyuan’s daughter would be the absolute best!Good job, Wakayuki!Not only has our Shen family been saved this time, but it will definitely soar to the sky, and I’d like to see who else in Nanjiang City will dare to look down on us from now on!’Shen Zhiyuan slammed the table and stood up with a soar, the excited and wild color on his face was simply not hidden anymore.

‘Well, Ruoxue is good, there will finally be a place for our Shen family in this part of the South River in the future!’
