Chapter 261-270

Chapter 261

Old Mrs. Shen was very happy as she nodded her head in her old age.

Shen Jiancheng looked at Shen Zhiyuan and then at Old Mrs. Shen, and he instinctively felt that something was not right.

But now with this situation, he also knew that what he was saying was futile.

He seriously recalled the deduction in his heart, and together with the information his son Shen Yiming had given him, he was still more inclined in his heart that Lin Hao was the new president of the Jiuzhou Group.

When Shen Zhiyuan saw Shen Jiancheng's look of wanting to say something along with his frowning face, he became unhappy and said to Shen Jiancheng, 'Big brother, do you have anything to say? Oh, just say what you have to say? Just three days later, our Shen family will be completely flying high, why don't you look very happy?'

Old Mrs. Shen also took a glance over at Shen Jiancheng when she heard, and when she saw Shen Jiancheng's black face, she became unhappy.

With this big happy look today, who are you Shen Jiancheng putting up a stinky face for?

Old Mrs. Shen stared fiercely at Shen Jiancheng and said, 'Jiancheng, what's wrong with you? If you have something to say, say it!'

Shen Jiancheng took a deep breath and slowly said, 'Mom, second brother, I'm still afraid that this matter is not that simple, now is not the time to be happy, these days I suggest that our Shen family is better to keep a low profile, can we talk about it in three days?'

Huh? The displeasure in Old Mrs. Shen's face intensified and she gave a heavy cold snort!

Shen Zhiyuan, on the other hand, sneered at Shen Jiancheng and said, 'Oh, big brother, what do you mean? Do you think you're upset that I've taken control of you? Or do you have a grudge against Ruo Xue now that she's better than Yiming?' Remember the URL .kanshu8.net

'Uncle... don't worry, I will never grab property from Brother Yiming... the Shen family will definitely be inherited by Brother Yiming in the future, don't think too much ah, we are still a family...'

Shen Ruoxue gave Shen Jiancheng a deep glance, although her tone was calm and she gave Shen Jiancheng enough face on the surface. However, her demeanor was high and mighty.

'Er... Zhiyuan, Ruo Xue, I really didn't mean that, I...' explained Shen Jiancheng, quickly waving his hand.

'Hmph! You shut up! I'm rarely happy today and you come out to stir things up. Are you still a member of the Shen family? You're just trying to make me mad, aren't you? Huh? Get out of here!'

'When the Shen family was at its most dire, I didn't see you come out, but now that the Shen family has managed to improve and seize the opportunity, you've popped out, what a standing ovation!'

'You're still the eldest son of the Shen family, don't you feel ashamed to let Ruo Xue go out and run around by herself as a girl? You get out of here! Now I don't want to see you!'

Old Mrs. Shen directly stood up and waved her hand and interrupted Shen Jiancheng's words. Now Shen Jiancheng's attitude was very unpleasant.

'Grandmother, don't be angry, my dad didn't mean that, he was...' Shen Yiming saw his dad being scolded, so he quickly stood up to help explain.

But before he could finish his sentence, he was pulled by the wrist of Shen Jiancheng on one side, who shook his head deeply at him and then pulled him out.

And when Shen Jiancheng and Shen Yiming reached the door, they heard that a bunch of people on the inside of the house had gathered around Shen Ruo Xue and were paying all kinds of compliments.

Shen Ruoxue's position in the Shen family was completely at a peak at this moment, enjoying the highest glory.

262

'Dad, I'm panicking right now, I always feel like it's not so real, she Shen Ruoxue was getting a room at the Half Moon Bay Hotel to meet with that new president of the Kyushu Group, and I saw the general manager of the Half Moon Bay Hotel nodding and bowing to Lin Hao in the first place. Dad if you say that the new president of the Kyushu Group is... 'Shen Yiming didn't finish his sentence, but at the moment his eyes were completely filled with intense fear.

He didn't dare to say Lin Hao's name out loud because it was the Great Terror.

If three days later, when Old Mrs. Shen, Shen Zhiyuan, and Shen Ruoxue found out that the new CEO they were kneeling down to was Lin Hao, then the Shen family would never be able to turn over a new leaf.

Shen Jiancheng's eyes were incomparably heavy, and he sighed deeply, 'It's just a matter of time, anyway, now our father and son don't have any say in the Shen family, it's just three days, yes or no, after three days everything will be revealed.'

'These three days we'll just live deep, we won't participate in any activities of the Shen family anymore, so that in the afternoon you'll follow me to Xi Yan's house to apologize... hey...'

'Well, I'll listen to your father, no matter what happens to the Shen family in the end this time, even if the Shen family is flying high, at the worst, let that Shen Ruoxue inherit it, I'll be a rice worm is also quite good...' nodded Shen Yiming.

Shen Jiancheng was very pleased to see Shen Yiming, feeling that after this family's life and death crisis. This untalented dude son of his had finally grown up.

As time passed, the matter between Shen Ruoxue and the new president of the Kyushu Group was still fermenting.

And those reporters after getting the acquiescence of the Kyushu Group, even more in just one afternoon to push Shen Ruoxue's position to a peak in Nanjiang City. And all this Lin Hao did not care, but the Shen family with Shen Ruoxue is excited to the extreme.

Ever since Shen Jiancheng left with Shen Yiming and his father and son, the Shen family had been inundated with a steady stream of people visiting the Shen family. And one by one, they all still brought gifts with them, and for a time the Shen family was a sight to behold.

At six o'clock in the evening, Lin Hao returned to the Purple Bamboo Villa, and as soon as he entered, he saw Shen Yiming and Wang Shufen sitting in the living room with very bad faces. One Second Remember to Read the Book

'Mom, what's wrong with you guys? Why do I get the impression that neither of you seem very happy?' Lin Hao opened his mouth and asked to Wang Shufen and Shen Shi Yan.

Wang Shufen sighed deeply and said to Lin Hao, 'Hao'er ah, didn't you read today's news?'

'That Shen Ruoxue of the Shen family is now remarkable, she actually climbed up to the new president of your company, and the news says she actually became someone's girlfriend. And you and Xi Yan are still working at the Kyushu Group, you said that if she Shen Ruo Xue is on top, she will definitely give you two small shoes to wear ah...' there was a strong concern in Wang Shufen's eyes.

Some of her words weren't too blunt, but Lin Hao had understood what she was saying.

It was nothing more than the fact that both Lin Hao and Shen Xiyan dealt with Shen Ruoxue very well, in this humane society of Huaxia. Sometimes, the more relatives one had, the more ruthlessly one was bullied.

In the past, when Wang Shufen and Shen Siyan were still in the Shen family, those people in the Shen family had never given them a good look. Now that his Shen family was flying high, it was easy to imagine that they wouldn't give their family a good look.

Lin Hao thought it was something that caused Wang Shufen and Shen Shiyan to struggle with this.

The company's main business is to provide a wide range of products and services to its customers. I haven't heard that our new president has confirmed that Shen Ruoxue is his girlfriend. This is the first time I've ever been to a school. The people involved in this

matter haven't even admitted to it, and the eight words haven't even left a mark yet, so mom your worries are completely unnecessary ah.....'

Wang Shufen opened her mouth and sighed deeply again, 'Hao'er ah, although the words are like that, but your president has also acquiesced, hasn't he?'

263

'Hey, a few days ago when those Shen family members came to our home, Xi Yan announced that she was cutting ties with them, and now she's offended them to death. I didn't expect to be bullied by them before, but now I've managed to get over it. Hao'er, if it really doesn't work out, you and Xi Yan should resign, or let's sell the house and go to Tian Hai. I've been bullied by the Shen family for twenty years, and I don't want you two to suffer that shit too!' Wang Shufen fiercely clenched her fist.

Hearing Wang Shufen's words, Lin Hao was stunned. I didn't expect Wang Shufen to have changed so much now. Such a good house was sold as soon as she said she would sell it, and she directly left Nanjiang, but more importantly, the Wang Shufen in this house now was genuinely thinking of Lin Hao and Shen Shiyan. Thinking of this Lin Hao's heart was also more than a little touched.

The first thing you need to do is to take a look at the company's website. If she Shen Ruoxue really becomes our CEO's girlfriend in three days, if things don't work out, then we'll sell the house and go to Tianhai together!'

When Wang Shufen heard Lin Hao say that, a smile finally appeared on her face, and when she opened her mouth to say something else, she was interrupted by Lin Hao waving her hand.

'I've asked Shao Ming about this, and he didn't get any news. So it seems to me that it's a matter of no shadow. And our new president has a wife, so I wasn't worried about it from the beginning... Don't worry about it. It's nothing.'

'What? Your new CEO has a wife? Married already?' Wang Shufen's eyes lit up at the news, and she stood up abruptly.

Lin Hao looked at Shen Xi Yan with his eyes and his mouth replied to Wang Shufen's words, 'Well yeah, mom, and ah our new president's wife is very pretty...'

Lin Hao's words were profound, and his tone carried a strong sense of love. It's just that the unresponsive Wang Shufen and Shen Xiyan didn't notice at this moment.

The company's main business is to provide a wide range of products and services to its customers, including: a wide range of products and services, including: a wide range of products and services, a wide range of products and services, a wide range of products and services, a wide range of products and services, a wide range of products and services, a wide range of products and services, a wide range of products and services, a wide range of products and services, a wide range of products and services, a wide range of products and services. Oh well, my heart is much smoother now ah, you stay with Xi Yan, I'm going to cook... ' wang Shufen in a good mood went to the kitchen to cook.

'You...why are you looking at me?' After Wang Shufen left, Shen Siyan saw that Lin Hao was still staring at her all the time, so she couldn't help but ask, with a hint of confusion in her eyes.

Lin Hao looked deeply at Shen Siyan a few more times and said with a smile, 'Daughter-in-law, ah, I feel as if you are envious of that Shen Ruoxue?' First web site m . kanshu8.net

I'm not going to be able to do anything about it,' she said. I don't care who she is, my husband is very handsome anyway, I have you. I'm also an executive of the group. How come I didn't hear that the CEO has a wife? And I've asked people, and they all say they're not married...'

Lin Hao's eyes narrowed, he and Shen Xiyan remarried this time, didn't even have a wedding, it was possible to make others think that he didn't get married, I guess it was the news that Jiang Shao Ming that brat used to spread out.

Thinking of this, Lin Hao said to Shen Siyan, 'What, that CEO didn't get married, are you still envious of Shen Ruoxue right?'

'No...really no, it's enough for me to have you, I don't want to be rich and famous, I just want to be able to have you by my side...' said Shen Shiyan, waving her hand and shaking her head.

At that moment, Wang Shufen was in the kitchen, calling Shen Shyan to go over and help.

Lin Hao was looking at Shen Siyan's back with longing eyes and murmured, 'The president has a wife, and aren't you pretty?'

‘How could I ever let you envy another woman in this life? You’re my Lin Hao’s wife, only other women will envy you in this life...’ murmured Lin Hao as he looked at Shen Shi Yan’s back.

Soon simple meals were prepared, and even though the food was simple, Wang Shufen made four dishes and one soup. And recently, Wang Shufen’s cooking skills were getting better and better.

Just as the three of them were about to eat, the landline phone at the door rang.

Wang Shufen went over to answer it, said a few words and then hung up the phone. Just when she came back, Wang Shufen’s face was a little worse for wear.

Lin Hao was confused, didn’t Wang Shufen just go and answer the phone? What’s going on here?

Shen Xiyan was also confused and looked at Wang Shufen and asked, ‘What’s wrong with Mom?’

Wang Shufen frowned and looked at Lin Hao and Shen Shiyan with some embarrassment and said, ‘It’s my mother’s family, Wang Shutao and Wang Shuwen, my two brothers, they came to Nanjiang to attend the Jiuzhou Group President’s conference the day after tomorrow. They came tonight and found their way to my side...’

Shen Siyan’s face was also pretty, but she still smiled and said to Wang Shufen, ‘Mom, since the two uncles are here, you can let them in, it’s just as well that we eat together before we even start the chopsticks...’

Wang Shufen looked deeply at Shen Xiyan, looking like she wanted to say something, and finally nodded her head with a hmmm. After Wang Shufen finished talking to Shen Xiyan, she went to open the door.

Lin Hao saw Wang Shufen leave so he asked Shen Xi Yan, ‘Xi Yan, what’s going on, I looked at Mom’s face a bit off ah, is she not on good terms with those two uncles of yours?’

Shen Xiyan nodded and whispered to Lin Hao, ‘Ummm, I’m not Mom’s biological child, so after Mom married into the Shen family in the first place, her family basically cut off

their dealings with her and treated her very badly, and they've been ignoring her all these years.' Remember the website .kanshu8.net

'Mom actually had a good temper twenty years ago, far from it. It's just that back then, in order to raise me, she had a falling out with the family. Lin Hao later you help Mom to speak ah, my two uncles aren't too easy to get along with, I've only seen them a total of two or three times over the years.'

Lin Hao nodded slowly, 'Well, don't worry, I've got everything, we're doing well now, and living in the best villa area in Nanjiang City, it's a way to give her some face'. Shen Xiyan also nodded heavily.

Soon the sound of two men laughing came from outside the door.

One of them was clearly saying to Wang Shufen, 'Wow, Shufen you're good, you're living so well now? The houses here are better than the ones in Tian Hai City. It's hard to get down without 10 or 20 million, isn't it? You're doing really well now...'

The other man also smiled and said, 'Well well, little sister has suffered for so many years, and now she is finally living a good life, let's go, let's go, let's go inside and have another look...'

The two men responded.

The two men looked somewhat alike to Wang Shufen, and it was clear from their faces that they were related to Wang Shufen.

Shen Siyan told Lin Hao that the tall man was her uncle Wang Shuwen, and the shorter one with gold-rimmed glasses was Wang Shutao.

After Wang Shuwen and Wang Shutao came in, they went around all over the living room, and while they were going around, they were also touching this and that, and they got on.

After they finished turning the living room and went to turn the kitchen bedroom, just as they were about to go upstairs, Lin Hao fiercely shouted, 'Stop! Who told you to go up there?'

At this moment Lin Hao's face was gloomy as water, he had let these two people in on the face of Wang Shufen and Shen Shiyan.

But after these two people came in, they acted as if they were the master, and even if they looked in the living room, they actually did it. And also went to the bedroom to look, while looking at the side also whispered, tonight stay here, than the city's hotel is even better what.

What the hell is giving them face!

Lin Hao is like that. If you treat me well and respect me, then I'll treat you well and respect you too.

But you don't respect me, and you want me to respect you? Putting on a show for him here as an elder? Do you really think he's a piece of clay?

It wasn't just Lin Hao at the moment, the way Wang Shuwen and Wang Shutao were doing things made Wang Shufen and Shen Shiyan uncomfortable as well. Wang Shufen's face was also extremely difficult to see. After all, she knew Lin Hao's personality.

She could never forget the time when Lin Hao had gone to save her from the thugs and forced Yan Zi herself to break an arm!

'Yo? Oh, you're that loser's son-in-law, aren't you? Why don't you shout at your elders? Now you dare to scold me and your uncle? What kind of a thing are you?'

Wang Shufen's second brother, Wang Shutao, said coldly to Lin Hao. After cursing, he continued to walk up the stairs.

Buzz... Lin Hao's eyes flashed with killing intent, up there was his bedroom with Shen Xiyuan. Usually even Wang Shufen didn't even go up there, and the fact that they two grown men were now shamelessly going up there to see it had touched Lin Hao's bottom line!

Wang Shufen's face was also darkened to black at this point, and the only bit of goodwill left in her heart for her two maternal family members had disappeared. One Second Remember to Read the Book

'Get off me! If you two don't want to be here, get the hell out of here!'

Wang Shufen clenched his fist with a black face and snapped at the two.

This time, Wang Shuwen and Wang Shutao stopped their stance instead, and they frowned.

Wang Shuwen said to Wang Shufen, 'Shufen, isn't it too much for you to talk to us like this? Do you still have eyes for our two brothers?'

Wang Shufen sneered, 'Oh, do I have you two brothers in my eyes? Do you still have eyes for my sister? I was kind enough to let you guys in, but I feel like you came all the way over here and haven't eaten yet, so I let you guys in for a meal, and you're good? Do you really think you're home? You want some? Eat or get out!'

Wang Shufen's body was shaking with anger, twenty years ago because she married into the Shen family, and with a man who had a child, when the Wang family almost drove her out of the house, and even these years also basically cut off contact, the most is just a slight greeting with a phone call at the New Year.

If the Wang family treats her that way, then why should she, Wang Shufen, still stick a smile on these two people?

Wang Shutao angrily walked downstairs and shouted at Wang Shufen, 'Wang Shufen, don't forget that it was the Wang family that raised you! Why don't you want to recognize us now that you're rich? Oh, what a white wolf, I'm afraid Mom and Dad were blind at the time and gave birth to a white wolf like you!'

'You...' all of Wang Shufen's fingers began to tremble, gasping for breath as Wang Shutao's scolding words were incomparably unpleasant.

At this time, Wang Shuwen came out to round things up, 'Alright, alright, you two don't argue anymore. The first thing you need to do is to take a look at the company's website and find out what it is all about. And our Wang family is also thinking of talking to the Kyushu Group about a few projects.'

'This time it's just right, you pull a line in the middle and find Shen Ruoxue to help us talk about it. Shufen don't worry, after you help your family talk about this, I'll put in a few more good words for you over there, and Mom and Dad have also said that they'll allow you to go back this time...'

‘Oh, to come begging me for such a high profile ?I’m sorry I can’t help you with this. Don’t you know Shen Zhiyuan ?If you guys want to work together, then you’re on your own, right ?’Wang Shufen sneered.

Wang Shutao frowned and said, ‘Wang Shufen you don’t go too far !Is that how you talk to your brother ?What’s with the attitude !We do know Shen Zhiyuan, but is it better to keep that out of the picture ?’

‘I’m sorry you’d better not waste your time, but I’ve already severed ties with the Shen family !I’m no longer a member of the Shen family !’

Shen Xi Yan saw her two disgusting uncles, who kept saying Wang Shufen, and couldn’t help but say so.

266

‘What ?You said you’ve cut ties with the Shen family ?’

Wang Shutao’s face changed dramatically at the news, this time their Wang family was very excited to hear that Shen Ruoxue had actually become the girlfriend of the president of the Kyushu Group.After all, the Kyushu Group is really too huge, even if they pull out a leg hair to be thicker than their waist, their Wang family naturally wants to come for a share of the pie.

Originally, they were still celebrating that they hadn’t done anything too desperate with Wang Shufen.

No one expected that this daughter of Wang Shu 982c3432 Fen would actually produce such a bullish sister at first.Wouldn’t their Wang family have to follow suit in the future then ?

So when the Wang family got this news, they rushed over without stopping.

In their hearts, Wang Shufen had wanted to come home all these years, and with this chip, then she, Wang Shufen, would have to behave herself and pull strings for the Wang family ah ?

But now they were aware of such news.It was simply too much for them to accept for a moment.

Wang Shufen nodded and said, 'Right, Xi Yan has no connection with the Shen family now? Oh, so I advise you two to hurry up and find Shen Zhiyuan now, just don't waste your time with us, that home you guys kicked me out of twenty years ago, then there's nothing left for me...'

Wang Shufen and Wang Shutao looked at each other, both feeling as disgusted as if they had eaten shit.

Wang Shu Tao even cursed at Wang Shufen, 'What a fucking money-losing piece of shit! What did you say you were doing for a living? It's not easy to make such a connection, but you still don't need it! This fucking... you piece of shit!'

Wang Shuwen also gave Wang Shufen a cold stare: 'Shufen ah, you really let us down too much...' The first website m . kanshu8.net

Just when Wang Shufen wanted to say something, the phone at the door rang again, and Wang Shufen walked to the door to answer the phone. Discovered that it was actually Shen Jiancheng came, Wang Shufen now heart is also angry anxious.

Well today two Wang family members here, will come to two Shen family members, are a group of people who look down on her, simply tonight a spoon braised, long pain is better than short pain, that we simply put all the matter today to say open, after each to go their own.

Wang Shufen also really didn't expect that the matter of the Jiuzhou Group would affect the Wang family in Tianhai. She really doesn't want to stay in this place in Nanjiang anymore. Tianhai simply did not go, either directly to Yanjing.

Wang Shufen exhaled and told the doorman at the entrance of the Zizhu Beyard to let Shen Jiancheng in.

And Wang Shuwen and Wang Shutao couldn't care less about scolding Wang Shufen at this moment, and they started to discuss on the side. Discussing what to do next.

'Shufen ah, I'm sorry ah, to bother you guys by coming over so late...'

Just as Wang Shufen was discussing with Wang Shutao, Shen Jiancheng with an apologetic face walked in with Shen Yiming. Shen Jiancheng was even more polite to Wang Shufen as soon as he entered the door.

Wang Shufen's eyebrows furrowed, in her impression, now that his Shen family had climbed the high branch of the Kyushu Group, shouldn't he come to show off for himself? But why did Shen Jiancheng come over to apologize to her? And you're so low when you walk in the door?

'Hello Third Aunt, my father and I came here today to apologize to you and Xi Yan, we came to apologize very sincerely, Third Aunt I don't know what you like to eat, so I brought some excellent bird's nest, I hope you don't mind ah...'

Right in the midst of Wang Shufen's daze, Shen Yiming very respectfully placed a large pile of gifts in front of Wang Shufen. And at the moment Wang Shufen does not speak, whether it is Shen Jiancheng or Shen Yiming, do not dare to take a step inside the house.

The first thing you need to do is to take a look at the newest products, and then you'll be able to see the newest ones. We're done, aren't we?'

The first thing you need to do is to take a look at the newest addition to the list of products and services that are available. We're sorry for these years, hey, so much has happened these days, a lot of things? I can see it too.'

'When I was a kid, that third brother of mine used to chase after my ass, brother, brother, and now hey...'

'People think about it more when they get older ah, these two years is the big brother did wrong, I specially came tonight to give you an apology with pity ah... you really have been too hard these years ah sister...'

267

Shen Jiancheng said, not knowing whether it was an act or a true expression of emotion, and the tears really fell straight down.

The first thing you need to do is to take a look at this. Hastily waved his hand to Shen Jiancheng and said: 'Brother you say so is serious ah, my husband left, then since you still recognize my sibling, then after that I will also let you this big brother! Go go go go, hurry up and stay inside, don't stand at the door all the time...'

'Yiming, you come in too, you really understand now ah...' said Wang Shufen as she pulled Shen Jiancheng inside and greeted Shen Yiming.

When the three of them entered the living room, Wang Shufen said to Shen Xiyan with an unbearable face, 'Xiyan ah, your uncle said to come over and apologize to you, he is after all your father's real brother and your real uncle, look at this...'

Shen Siyan saw Shen Jiancheng crying tears that kept flowing down, at this moment she seemed to see his father's shadow in Shen Jiancheng.

For a time she was also incomparably sentimental, her eyes were also red, she took a deep breath and called out to Shen Jiancheng, 'Uncle...'

'Hey... hey...' when Shen Jiancheng saw that he hadn't even apologized, Shen Xiyan actually opened his mouth to call him uncle again.

He was incomparably happy. The company's main business is to provide a wide range of products and services to its customers, including: a wide range of products and services, a wide range of products and services, and a wide range of products and services. Siyan, uncle apologized to you, I'm sorry, don't be angry with uncle, uncle really knows he did wrong ah.....'

Shen Jiancheng said, and kicked Shen Yiming shouting, 'Come over and apologize to your sister and your brother-in-law! Without even a courtesy, how have you been a brother these past few years?'

Shen Yiming was kicked in front of Lin Hao by Shen Jiancheng, Shen Yiming looked at Lin Hao with calm eyes, so he quickly bowed his head and said to Lin Hao, 'Lin... Lin Hao I'm sorry ah, these two years is what I did wrong, I'm sorry...' and then he gave an apology to Shen Xiyan.

'Hmm... 'Lin Hao looked at Shen Jiancheng and then at Shen Yiming with interest, secretly saying that these two people were interesting, they actually didn't get overwhelmed by the news from outside, it seems that these two people are the smartest people in the Shen family. Remember the URL .kanshu8.net

After apologizing to Shen Shiyan, Shen Yiming went to Wang Shufen and knelt down with a bang: 'Third aunt, I used to be disrespectful to you, my dad used to beat me up these days, I also know it was my fault, Third aunt, you can forgive me once, I will absolutely change, absolutely change, if you don't forgive me, my dad will still beat me up when I go back...' said Shen Yiming with a scared face to Wang Shufen.

Wang Shufen had a moment of motherhood and quickly pulled Shen Yiming up: 'Yiming what are you doing? Don't you get on your knees, Auntie forgives you!' Then Wang Shufen stared at Shen Jiancheng fiercely, 'Big brother, how can you hit a child? Yiming is a big boy and you're still hitting him? Don't you dare hit him in the future.'

Shen Jiancheng said with a black face, 'This unworthy thing! In the past, those who used to do mischief outside just because they were the Shen family's young master, it's also because I didn't discipline them properly...'

Then Shen Jiancheng exploded at Shen Yiming, 'I'll spare you today for your aunt's sake, and if you ever dare to spend your time and disrespect your aunt again! I'll break your legs!'

Shen Yiming shivered in fear and quickly hid behind Wang Shufen, because what Shen Jiancheng said was not a fake f941ec0f, he had really been beaten up several times these days.

'What are you doing! It's not over, is it? You're scaring the kids like that! Okay that's over and done with, don't ever mention it again!' Wang Shufen protected Shen Yiming and said to Shen Jiancheng.

And at this moment standing on the side of Wang Shufen and Wang Shutao were shocked, their mouths were wide open.

Because just now they were still cursing and playing scoundrels in the house for Shen Xiyan's severing of ties with the Shen family, how come the boss of the Shen family has personally come to apologize to Wang Shufen and her daughter?

This?...For a moment, they looked at each other, both seeing the regret in each other's eyes...

268

Wang Shuwen and Wang Shutao's hearts were incomparably torn, after all, to death they could not have imagined that Shen Jiancheng, the boss of the Shen family, and Shen Yiming, the third generation heir of the Shen family, this father and son would come to apologize to Wang Shufen and Shen Shiyan.

And just now those nasty words of the two of them had already been scolded out, and this time both of their faces were incomparably complicated.

‘What? Why don’t you leave? And wait here for dinner?’

Lin Hao glanced at Wang Shuwen and Wang Shutao, feeling that these two people saw the current situation and wanted to stay, he directly interrupted the two people’s thoughts, not even giving them a chance to open their mouths to stay.

Only after Lin Hao spoke did Shen Jiancheng and Shen Yiming see that there were still two people in the living room.

The two of them really didn’t notice just now because Lin Hao’s living room was too big and all of their attention had been on Lin Hao Wang Shufen and Shen Shi Yan before, but now once they heard Lin Hao say that, this was what they noticed.

And the two of them also naturally heard the meaning of Lin Hao’s words, so they didn’t need to think about it to know that these two had just offended Lin Hao severely.

Thinking of this, Shen Jiancheng’s eyes turned, and without a trace, he quietly gave Shen Yiming a nod, and Shen Yiming suddenly understood. He and his father were lacking the opportunity of how to make good relations with Lin Hao, and there were two idiots popping up in front of him.

When Wang Shuwen and Wang Shutao saw Lin Hao say that, their faces became as dark as water.

Wang Shutao stared at Lin Hao with a deadly stare, ‘Oh, when has it been the turn of a door-to-door son-in-law to speak in this house? I’m talking to your mother, why are you interrupting? Who the hell are you?’

Wang Shuwen also glared at Lin Hao, ‘Don’t interrupt when an adult is talking! Do you have a right to talk here?’ One second to remember to read the book

Then he smiled towards Wang Shufen and said: ‘Little sister, just now I and your second brother’s tone is a little heavy, you do not take it to heart, now you see Jiancheng brother also gave you an apology, this is not you or family it……Oh…….’

After Wang Shuwen finished speaking, he looked at Shen Jiancheng again and walked to Shen Jiancheng with a smile. He was also the actual controller of the Shen family company. Since he couldn’t see Shen Zhiyuan tonight, wouldn’t that Shen Jianjian speak better?

And from some aspects, Shen Jiancheng's right to speak in the Shen family is much greater than Shen Zhiyuan ah.

So at the moment Wang Shuwen said to Shen Jiancheng with a flattering face: 'Haha, brother Jiancheng, long time no see ah, come in the body is good ah? Ever since I met that side two years ago, but I've been thinking about meeting up with Brother Jiancheng again all the time...'

Wang Shutao also came over and laughed and said to Shen Jiancheng, 'Brother Jiancheng, the momentum on you is getting stronger and stronger, come come come, let's not get drunk tonight....'

Wang Shutao said that he wanted to pull Shen Jiancheng to sit down in front of the most dining table, and didn't pay any attention to Lin Hao the whole time.

In their hearts, Lin Hao was just a small son-in-law. This identity is far from being worthy of them dropping their stature to make deep friends. Not only Lin Hao, but also Shen Shiyan, who was beside Lin Hao, was not in their eyes.

This time Wang Shuwen even said to Shen Siyan, 'Siyan, why don't you go and bring some more dishes?'

Wang Shuwen's tone was commanding. Only Shen Shi Yan was pulled by Lin Hao, but she didn't stand up.

Wang Shuwen naturally saw the action that Lin Hao had just pulled on Shen Siyan, and now his eyes narrowed as he looked at Lin Hao and slowly said, 'Kid, really gave you a face, didn't you?'

'What the hell are you? All of us elders are standing here and you're still sitting? Huh? Are you sure you don't have any parenting skills? Didn't your parents ever teach you that? Uneducated thing!'

Lin Hao was now completely furious, looking at Wang Shuwen and sneering, 'Oh... I don't have a tutor?' Lin Hao's body suddenly rose with an icy killing intent as he said it, and his body instantly exploded with a monstrous momentum.

Under the impact of Lin Hao's strong momentum, Wang Shuwen and Wang Shutao kept retreating backwards, and Shen Jiancheng even changed his face.

Lin Hao slowly said, 'Your Tianhai City's Wang family is really mighty, not to mention Tianhai, you guys can't even compare to a third-rate family in Nanjiang City. I'm really curious as to where you guys got the courage to talk to me like this? Hmm?'

'You... 'Wang Shuwen was pressured by Lin Hao's momentum and began to shiver, his fingers trembled as he pointed at Lin Hao, but he couldn't say a word.

He didn't dare to say anything else to Lin Hao even though Shen Jiancheng was by his side. Otherwise, it would be bad if he left any bad impression in Shen Jiancheng's heart.

The first thing you need to know is that you can't be sure that you're not going to be able to get a good deal on your own, but you can be sure that you're not going to be able to get a good deal on your own. Is it okay if I eat and sleep at your place tonight or not?'

Wang Shuwen was very confident to Wang Shufen, he felt that he was still Wang Shufen's big brother after all, he had spoken to Wang Shufen in this tone before, and every time Wang Shufen had gone along with it.

But the next moment he stared fiercely with an incredulous look on his face.

Only Wang Shufen looked at him and said, 'No, please get out! I won't have a brother like you from now on! What a shame!'

Er... Wang Shuwen's face instantly stiffened incomparably, unable to say a word as he was choked by Wang Shufen's words. The first website m.kanshu8.net

'Wang Shufen you've gone too far! That's Big Brother! You... ' said Wang Shutao eagerly to Wang Shufen.

Only he was interrupted by Wang Shufen before he could finish, 'Wang Shutao, didn't you hear me clearly? I've just said that from now on I have nothing more to do with your Wang family, so why are you still relying on this place to eat?'

'How dare you bully my good son-in-law! And who are you guys?'

'My son-in-law saw that I wasn't living well and bought me a villa, did you buy me a villa? When my son-in-law saw I had no money to spend, he just gave me a few hundred

thousand dollars of pocket money. My son-in-law saw that I didn't have a single piece of good jewelry and shot out a hundred thousand dollars in necklaces, did you give it to him ?'

The more Wang Shufen said the more powerful the momentum on the body, this time she stared at Wang Shuwen and Wang Shutao two, said heavily: 'My good son-in-law is so good to me, you come up and call him a loser wimp, how many of you ? Hmm ?'

'Even now you are staying in the house my son-in-law bought, and he is serving you ? Oh, where did you guys get that face ? Huh ? Aren't you ashamed ?'

The first thing you need to do is to take a step forward and bite your teeth and stare at Wang Shuwen and Wang Shutao: 'I've been stumbling for twenty years, and it's not easy to have such a good daughter and son-in-law. I'm not going to be able to do anything about it, but I'm going to be able to do something about it. Get the hell out of here !'

'What ? This villa was bought by this door-to-door son-in-law ?'

'How... how is this possible ? Is this supposed to be bought for you by Roxie Shen's boyfriend ? How could he have so much money ?'

Wang Shufen was shocked to the core, he never thought that this villa was actually bought by this loser in his and Wang Shutao's eyes.

I remember two years ago, when he and Wang Shutao came to Nanjiang to attend the funeral of Wang Shufen's husband, they had seen Lin Hao once then. At that time, they both saw with their own eyes how Lin Hao, the door-to-door son-in-law, was humiliated in the Shen family.

But now Wang Shufen said that the villa was Lin Hao's, so how could this be believed by the two of them ?

Wang Shutao also swallowed his saliva and stammered to Wang Shufen, 'You... you're saying that the Mercedes outside your door, and this villa, were both bought by this Lin Hao ?'

Wang Shufen smirked at the news, 'Oh, what else? The Wang family has given me a penny in the past 20 years? Or do you think my daughter who's just been working for two or three years is going to make tens of millions?'

Wang Shufen stared at Wang Shuwen and Wang Shutao with eyes like those of a retard.

Although these two were her brothers, what the Wang family had done in the past twenty years had long ago made Wang Shufen completely dead. So this was the fundamental reason why Lin Hao had followed Wang Shufen and lived together for so long, but had never heard Wang Shufen actively mention it.

In fact, originally even Wang Shufen herself was about to forget that she had such two brothers.

That is, this time the influence of the Kyushu Group is too great, and the scandal between Shen Ruoxue and the president of the Kyushu Group is too powerful. That's why the Wang family in the distant Tianhai knew about it. Remember the website .kanshu8.net

This is not the Wang family rely on her daughter Shen Xiyao with Shen Ruoxue's relationship with the dog like want 06738fd7 to share a piece of meat to eat?

So now Wang Shufen's gaze towards Wang Shutao and Wang Shuwen was getting colder and colder.

These two people had not the slightest bit of affection for her, and now that they feel profitable, they hurriedly came over, and how can there be such a good thing in the world? Do you really think she's just a piece of clay? A bully?

The most important thing is that Lin Hao treats her Wang Shufen that is good beyond words, in the past, Wang Shufen's neighbors, those friends one by one all look down on her.

But since Lin Hao gave her money, bought her a necklace, and bought her a villa, which of her friends looked down on her. Which of her former friends had to call her Sister Wang with respect when they saw her? It's all because of what Lin Hao brought her!

Now these two people actually insulted Lin Hao in front of her, this Wang Shufen's heart simply couldn't bear it!

And she also had a hint of fear in her heart that she might completely offend Lin Hao, the two matriarchs, and then have Lin Hao develop a grudge against her heart as well, which would be bad!

At this moment, Wang Shuwen and Wang Shutao were both shaken by the news.

The two of them never expected that this villa was really bought by Lin Hao. Then they had just insulted Lin Hao so much, and now they were embarrassed! The way the two of them looked at Lin Hao, they knew that they would have offended Lin Hao to death by now!

Wang Shuwen quickly laughed awkwardly and hurriedly changed the subject, turning to Shen Jiancheng and saying, 'Brother Jiancheng, let's go out to eat then? I heard that you guys opened a Half Moon Bay Hotel in Nanjiang, the Half Moon Bay Hotel headquarters is in our Tianhai, that grade is unbeatable, so I'll go there tonight and treat you to a meal, what do you think?' Wang Shuwen's face accompanied the smile.

He had just completely offended Lin Hao and Wang Shufen, so no matter what, he couldn't offend Shen Jiancheng anymore, after all, Shen Jiancheng was the most important person in their hearts ah.
